

## **Flair Airlines Recognized as Top Low-Cost Airline by AirlineRatings.com**

Edmonton, AB – June 6, 2023 - Flair Airlines, Canada's leading ultra-low-cost carrier (ULCC), proudly announces its inclusion in AirlineRatings.com's list of the Top Twenty-Five Low-Cost Airlines for 2023. Flair stands out as the only Canadian ULCC to be recognized on the list.

AirlineRatings.com, the world's sole safety and product rating website, undertook a comprehensive evaluation of nearly 365 airlines to identify the top performers in affordable travel. Flair Airlines' commitment to excellence has earned it a well-deserved place among the best low-cost carriers globally.

Flair Airlines is leading in Canada for reliable operations which is the most important aspect of customer satisfaction. Flair flew over 436,000 passengers in May, with an 82.1% on time performance rate and a 99.1% completion rate, which is the number of flights that were completed according to schedule.

Geoffrey Thomas, Editor-in-Chief of AirlineRatings.com, commented on Flair Airlines for its operational excellence, stating, "Operationally, it is ticking all the boxes and is rated as a seven-star airline on safety." Thomas also noted Flair's business model and shared his excitement about expansion plans. "Flair has expansion on the radar, with the fleet expected to grow from the current 18 737s to 50 within five years, which will be great news for Canadians," he said.

Flair Airlines takes pride in its commitment to safety and has proven this by maintaining stellar safety and incident records and completing the International Air Transport Association Operational Safety Audit (IOSA).

As a leading ULCC, Flair Airlines is continuously striving to improve our services to ensure our customers have a positive and comfortable journey with us.

### **About Flair Airlines**

Flair Airlines is Canada's leading low-fare airline and its greenest airline, on a mission to provide affordable air travel that connects them to the people and experiences they love. With an expanding fleet of Boeing 737 aircraft, Flair is growing to serve over 35 cities across Canada, the U.S., and Mexico.
