

FOOT MEASURE GUIDE

STEP 1

Print these pages at **100% or Actual Size**.
Use a bank card or license in the space
below to ensure sizing is correct.

STEP 2

Fold page 2 exactly in half & follow the
instructions on page to tape the pages
together.

STEP 3

Place the paper on the floor, with the folded
side of page 2 against the wall.

STEP 4

Place your heel against the wall & measure to
the end of the big toe.

STEP 5

Repeat with the other foot. Left & right feet
are typically different sizes. Choose the larger
size when buying shoes.
