EPA-ISP 2026 | Call for Abstracts

The European Prosthodontic Association (EPA),
in collaboration with the Israeli Society of Prosthodontics (ISP),
invites researchers and clinicians to submit abstracts for EPA-ISP 2026.

Important Dates

- Abstract submission opens: January 2026
- Abstract submission deadline: March 31, 2026 (23:59)
- Notification of acceptance: May 15, 2026
- Presenter registration deadline: May 30, 2026

Abstract Submission Portal:

<https://epa-abstract26.forms-wizard.biz>

General Guidelines

- Only one abstract per presenting author may be submitted
- Submissions must represent original work
- Abstracts that have been previously published or presented will not be accepted
- Approval from all co-authors must be obtained prior to submission
- All abstracts must be submitted in English

Abstract Preparation Guidelines

- Maximum length: 250 words (excluding title and author details)
- Title: Up to 10 words
- Abstracts must be structured as follows:
 - Objective
 - Methods
 - Results
 - Conclusions
- References should not be included
- External funding must be disclosed, if applicable

Abstracts must be submitted under one of the following categories:

- Clinical Cases
- Clinical Research
- Basic Research

The Scientific Committee reserves the right to reclassify submissions where appropriate.

Presentation Format

Accepted abstracts will be presented as either:

- Oral Presentations, or
- Poster Presentations

The final presentation format will be determined by the Scientific Committee.

Presenter Registration

- All presenting authors must complete full congress registration
- Failure to register by the stated deadline will result in removal of the abstract from the scientific program
- Accepted and presented abstracts will be citable in official congress publications
