

inflammatio

2nd International Colloquium on Intraocular Inflammation

November 27-29, 2018 | Dan Hotel, Tel Aviv, Israel

Monday, November 26th

17:30-19:00 **Welcome Reception at the Dan Hotel**

Day 1: Tuesday, November 27th

		LECTURER
09:00-09:05	Opening	
09:05-10:20	Experimental Uveitis Models in 2018 <i>Chairs: Rachel Caspi, Gerhild Wildner, James Rosenbaum</i>	
09:05-09:25	Regulation of Th17 response by IL-17: implications for autoimmunity	Rachel Caspi
09:25-09:45	Lessons from experimental rat models for chronic and relapsing autoimmune uveitis	Gerhild Wildner
09:45-10:05	Of mice and men and women	James Rosenbaum
10:05-10:20	Discussion	
10:20-10:45	<i>Coffee Break</i>	
10:45-12:30	The Role of Microbiome in Uveitis <i>Chairs: James Rosenbaum, Rachel Caspi</i>	
10:45-11:00	Welcome to the World of Microbiota	Nida Sen
11:00-11:18	Microbiome and the Eye-the good and the bad	Rachel Caspi
11:18-11:38	Microbiome and Tuberculosis	Florian Hölzl
11:38-11:56	Microbiome and HLA-B27	James Rosenbaum
11:56-12:16	Virome and the Eye	Jolanda D.F. de Groot-Mijnes
12:16-12:30	Discussion	
12:30-13:30	<i>Lunch</i>	
13:30-14:45	Multimodal Imaging (MMI) for Inflammatory Outer Retinopathies <i>Chairs: Michal Kramer, Padmamalini Mahendradas, Antoine Brezin</i>	
13:30-13:42	What have we learned from MMI about inflammatory outer retinopathies	Michal Kramer
13:42-13:54	Insights to outer retinopathies from OCTA and Adaptive Optics	Padmamalini Mahendradas
13:54-14:04	Clues for inflammation by MMI of rarest entities	Orly Gal-Or
14:04-14:16	Clinical application of Artificial Intelligence and Machine Learning	Noam Bresiz
14:16-14:26	The way to use Artificial Intelligence and machine learning in Uveitis Diagnosis	Antoine Brezin
14:26-14:36	How MMI changes our management of inflammatory outer retinopathies	Padmamalini Mahendradas
14:36-14:45	Discussion	
14:45-15:15	<i>Coffee Break</i>	
15:15-16:15	Controversies <i>Chairs: Soon Phaik Chee, Emmett Cunningham, Rubens Belfort, Shiri Shulman</i>	
	Systemic vs intraocular steroid therapy for acute toxoplasmic retinochoroiditis PRO systemic: Emmett Cunningham; PRO intraocular: Rubens Belfort	
	Biologics vs immunosuppressives as first line treatment for JIA-induced uveitis PRO Biologics: Athimalaipet V. Ramanam; PRO Immunosuppressives: Debra Goldstein	
	3. Treatment of Behce's Disease: anti-TNF vs interferon alpha PRO anti-TNF-alpha: Shiri Shulman; PRO interferon alpha: Manfred Zierhut	
16:15 -17:00	Progression Markers <i>Chairs: Joke de Boer/ Nilüfer Yalcindag / Manabu Mochizuki</i>	
16:15-16:25	Progression markers of Vogt Koyanagi Haradas Disease (VKH)	Nobuyoshi Kitaichi
16:25-16:35	Biomarkers for increased risk of developing uveitis in JIA	Joke de Boer
16:35-16:45	Laser flare photometry can predict a recurrence in Behçet-uveitis	Nilüfer Yalcindag
16:45-17:00	Discussion	
17:00-19:00	Meeting Cocktail at the Dan Hotel	

Production Company:

Organizing Committee: Michal Kramer | Mamta Agarwal | Manfred Zierhut

For further information please contact:

Estee / Daphna - InStyle Event: +972-3-6426616 | instyle@instyle-events.co.il

inflammatio

2nd International Colloquium on Intraocular Inflammation

November 27-29, 2018 | Dan Hotel, Tel Aviv, Israel

Day 2: Wednesday November 28th

LECTURER

9:00-10:15 Tuberculosis - From Infection to Inflammation

Chairs: Soumyava Basu, Reema Bansal, Daniel Vasconcellos-Santos

09:00-09:12	Immunology of general TB infection	Florian Hölzl
09:12-09:24	Immunology of ocular TB infection	Soumyava Basu
09:24-09:36	Update of the the COTS-studies	Reema Bansal
09:36-09:48	Clinical spectrum of "inflammatory" TB	Daniel Vasconcellos-Santos
09:48-10:00	Quantiferon testing in endemic vs. non-endemic areas	Soon Phaik Chee
10:00-10:15	Discussion	

10:15-10:45 *Coffee Break*

10:45-12:30 Preparing for Intraocular Surgery in Uveitis Patients

Chairs: Nicholas Jones, Mamta Agarwal, Sofia Androudi

10:45-11:00	General principles of medical preparation for intraocular surgery in uveitis	Nicholas Jones
11:00-11:15	Intra- and perioperative care during cataract surgery	Mamta Agarwal
11:15-11:30	Preparing for glaucoma drainage and vitrectomy in uveitis	Sofia Androudi
11:30-12:30	Round Table	Moderator: Nicholas Jones, Cristina Muccioli, Nisha Acharya, Matthias Becker

12:30-13:30 *Lunch*

13:30-15:00 Uveitis Related Macular Edema

Chairs: Francine Behar-Cohen, Sue Lightman, Marina Mesquida

13:30-13:50	Differences between uveitis macular edema and other etiologies Francine Behar Cohen - uveitic	Nisha Acharya
13:50-14:00	Role of Cytokines in uveitis related CME	Marina Mesquida
14:00-14:15	Macular edema-what have the MUST trials taught us	Sue Lightman
14:15-14:30	Options for treatment of uveitis related CME	Marina Mesquida
14:30-14:40	Biologics and uveitic CME	Oren Tomkins
14:40-15:00	Discussion	

15:00-15:30 *Coffee Break*

15:30-17:00 Future Protocols for Uveitis Trials

Chairs: Philip Murray, Ron Neumann

15:30-15:35	Introduction	Philip Murray
15:35-15:50	The Problem of outcome measurements in uveitis trials	Nisha Acharya
15:50-16:03	Clinical trials in uveitis - The Industry Perspective	Ron Neuman
16:03-16:16	Clinical trials in uveitis - The Reading Center Perspective	Marion Munk
16:16-16:29	Why previous uveitis trials often failed	James Rosenbaum
16:29-17:00	Round Table: What would be your ideal uveitis trial	Moderator: Philip Murray

Production Company:

Organizing Committee: Michal Kramer | Mamta Agarwal | Manfred Zierhut

For further information please contact:

inflammatio

2nd International Colloquium on Intraocular Inflammation

November 27-29, 2018 | Dan Hotel, Tel Aviv, Israel

Day 3: Thursday, November 29th

LECTURER

09:00-10:15 **Biologic Agents for Uveitis**

Chairs: Manfred Zierhut, Debra Goldstein, Eric Suhler, Martin van Hagen

09:00-09:12 Definition of "Failure" under biologic drugs

Debra Goldstein

09:12-09:24 Biologics inducing uveitis

Manfred Zierhut

09:24-09:36 Side effects of biologics and biosimilars

Martin van Hagen

09:36-09:48 Off label biologics as the next step

Eric Suhler

09:48-10:15 Discussion

10:15-10:45 *Coffee Break*

10:45-12:00 **Case Reports**

Chairs: Caren Lowder, Massimo Accorinti, Zohar Habot-Wilner

Mystery Cases - Israeli Uveitis Group

12:00-12:30 **Presentation of the best 5 Posters**

12:30-13:30 *Lunch*

13:30-15:00 **Uveitis in Immune Incompetent Patients**

Nida Sen, Jyotirmay Biswas, Alejandra de-la-Torre, Radgonde Amer

13:30-13:42 AIDS associated Uveitis in 2018

Jyotirmay Biswas

13:42-13:54 Role of CMV in immune incompetence

Alejandra dela Torre

13:54-14:06 Post-Transplantation-Lymphoproliferative disorders

Manfred Zierhut

14:06-14:18 Immune mediated ocular toxicity following the use of Immune Checkpoint Inhibitors for malignancy

Nida Sen

14:18-14:30 Carcinoma-associated Uveitis

Radgonde Amer

14:30-15:00 Discussion

END OF MEETING

Production Company:

**INSTYLE
EVENTS**

Organizing Committee: Michal Kramer | Mamta Agarwal | Manfred Zierhut
