

White Masterbatch 2606

According to EC Directive 91/155/EEC

1. Identification

Product: White Masterbatch

Product Name(s): 2606

Manufacturer/Supplier Identification

Manufacturer/Supplier: Formula Chemicals Co., Ltd.

Emergency telephone number: +886-922582639; +886-2-26685339

2. Hazards Identification

Practically nontoxic, negligible hazard at room temperature under normal use.

3. Composition / Information on Ingredients

CHEMICAL NAME	CONTENT (Normal)*	CAS NUMBER
Rutile TiO ₂	70-80%	1317-80-2
Polypropylene / other	15-25%	25087-34-7
Proprietary mixture	5-10%	N/A

4. Emergency and First Aid Procedure

Inhalation

Remove to fresh air. Get medical attention for any breathing difficulty

Skin Contact

Wash exposed area with water and soap. Get medical advice if irritation develops.

Eye Contact

Wash thoroughly with running water. Get medical advice if irritation develops.

Ingestion

Get medical advice.

5. Firefighting Measures

Hazardous Combustion Products: None.

Suitable Extinguishing Media: Use any means suitable for extinguishing surrounding fire.

6. Accidental Release Measures

Pick up and retain for reuse or disposal.

7. Handling and Storage

HANDLING

Avoid inhalation of fumes/vapors during processing. Avoid repeated or prolonged contact with skin. Wear gloves and wash hands after handling.

STORAGE

Store in a cool, dry, ventilated area..

8. Exposure/ Protection method

Use gloves, goggles, masks and normal working equipment.

9. Physical and Chemical Data

General Information	
Appearance:	White Granule
PH Value:	Not Applicable
Decomposition Temperature:	260~320C
Auto-ignition Temperature:	Not Applicable
Vapor Pressure:	Not Applicable
Specific Gravity:	1.37
Odor:	None
Boiling Point:	Not Applicable
Flash Point:	Not Applicable
Exposure Limits	Not Applicable
Vapor Density	Not Applicable
Solubility in Water:	Insoluble

10. Stability and Reactivity**Chemical stability**

Stable and chemically insert at room temperature..

Incompatibilities

Strong oxidizers.

11. Toxicological Data:**TOXOLOGICAL INFORMATION (NO ANIMAL TESTING)**

Irritation Index, Estimation of Irritation (Species).

Skin : No appreciable effect

Eyes : No appreciable effect

Sensitization : Not available

Other : None

12. Ecological Information

Environmental Fate: No information found.

Environmental Toxicity: No information found.

13. Disposal Considerations

Disposal must be done in accordance with existing regulations.

14. Transport Data

IATA-DGR CLASS: NO DANGEROUS CARGO

15. Regulatory Information

None.

16. Other Information

This data sheet was prepared in accordance with Directive 91/155/EEC.
MSDS Prepared by: Formula Chemicals Documentation Department.
MSDS Version / Prepared or Revised on: Version 5.0 2020/01/08

The information presented has been compiled from sources considered to be dependable and is accurate to the best of Formula Chemicals' knowledge; however, Formula Chemicals makes no warranty regarding the accuracy of such data or the results to be obtained from use.

We support worldwide Responsible Care® initiatives. We value the health and safety of our employees, customers, suppliers and neighbors, and the protection of the environment. Our commitment to Responsible Care is integral to conducting our business and operating our facilities in a safe and environmentally responsible fashion, supporting our customers and suppliers in ensuring the safe and environmentally sound handling of our products, and minimizing the impact of our operations on society and the environment during production, storage, transport, use and disposal of our products.
