## FROM OUR COMMUNITY:

“The Joseph R. Russo Athletic Complex has long been a community gathering place, and now it’s even more impressive since its expansion. We’re pleased that the new solar canopies help to keep our cars cool in the hot summer and allow everyone to see clean, emissions-free energy in person at this world-class park.”

— Mark Marciano  
Palm Beach Gardens Mayor

### PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.
