# FROM OUR COMMUNITY:

“I think it is just awesome. We are thrilled that our county is already home to two large solar energy centers, and now we have this solar canopy installation at Riverview Park. Our residents and visitors can enjoy the shade under the canopy, which feeds clean energy back to our community.”

- Mayor Jim Hill

## PLANTING THE SEEDS FOR A BRIGHTER FUTURE.

FPL SolarNow solar trees and canopies are innovative solar structures created by the community, for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us, while encouraging future generations to learn more solar energy.
