

SOLAR SLIDES INTO SUMMER

BARRACUDA BAY AQUATIC COMPLEX

1620 West Blue Heron Blvd., Riviera Beach

PALM BEACH COUNTY

What was once a four-lane lap pool has transformed into an attractive water amusement facility at the Barracuda Bay Aquatic Complex. Solar trees provide shade to visitors, joining an impressive lineup of water slides and splash pads at this affordable community water park.

VISIT BARRACUDA BAY AQUATIC COMPLEX FOR:

Children's Activity Pool

Water Slides

Lap Pool

Relaxing in the Shade

FUN FACTS ABOUT THE COMPLEX:

- **24,000** annual visitors
- **9,200** FPL SolarNow participants in Palm Beach County supported this installation

FROM OUR COMMUNITY:

“It’s a tremendous resource for us to have these solar trees at Barracuda Bay Aquatic Complex. This water park is so popular with our residents and their children, that we are confident many Riviera Beach families will see this innovative way to generate clean energy. We are proud that these solar trees being located here will help to inspire everyone who sees them, to hopefully learn more about the power of solar energy.”

— Ronnie Felder
Riviera Beach Mayor

PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.

About the FPL SolarNow Program

-  **70+** Locations at parks, zoos and museums
-  **50 million** Annual visitors to SolarNow locations
-  **100** Solar trees and canopies around Florida
-  **2,281 MWh** Energy generated through solar trees and canopies
-  **52 thousand** Total number of participants
