

GIRL SCOUTS LEARN THE POWER OF SOLAR

CAMP HONI HANTA

5081 51st Street East, Bradenton
MANATEE COUNTY

For decades, Girl Scouts have learned important life skills while making memories and lasting friendships at Honi Hanta, which means “Home on the River.” A solar tree now gives campers an opportunity to learn about the importance of renewable energy.

FROM OUR COMMUNITY:

“Hundreds of Girl Scout campers every year are inspired to learn more about renewable resources through FPL’s solar tree installation at our Camp Honi Hanta in Bradenton.”

— Mary Anne Servian
CEO, Girl Scouts of Gulfcoast Florida

PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.
