

SOLAR ON THE RIVERWALK

FORT MELLON PARK

600 East First Street, Sanford
SEMINOLE COUNTY

The City of Sanford is a great place to celebrate renewable energy every day. Three solar trees are central to the newly renovated large playground, splash pad and basketball courts on this waterfront park.

FROM OUR COMMUNITY:

“This popular waterfront park has been enhanced by the addition of three solar trees, which tell the story of clean energy to people who visit. The world-class facilities bring an element of sustainability to the community, and we’re glad that everyone can now see for themselves solar energy technology in action.”

— Art Woodruff
Commissioner, City of Sanford

PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.
