

MAKING THE WORLD A BETTER PLACE — WITH SOLAR

GIRL SCOUTS OF GULFCOAST FLORIDA HEADQUARTERS

4780 Cattlemen Road, Sarasota
SARASOTA COUNTY

The mission of Girl Scouts is to build girls of courage, confidence and character. It's appropriate that scouts see a solar canopy at the headquarters, which not only provides shaded parking — but also generates clean energy for the community.

FROM OUR COMMUNITY:

“FPL chose our headquarters for the site of the first solar canopy in Sarasota, a unique 150-foot installation that inspires our girls and visitors to learn more about the importance of renewable energy, and how we are contributing emissions-free electricity to the grid and sharing our natural resources with our neighbors.”

— Mary Anne Servian
CEO, Girl Scouts of Gulfcoast Florida

PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.

About the FPL SolarNow Program

-  **70+** Locations at parks, zoos and museums
-  **50 million** Annual visitors to SolarNow locations
-  **100** Solar trees and canopies around Florida
-  **2,281 MWh** Energy generated through solar trees and canopies
-  **52 thousand** Total number of participants
