

DAY OR NIGHT, SOLAR SHINES AT NAPLES ZOO

1590 Goodlette-Frank Road, Naples
COLLIER COUNTY

Naples Zoo at Caribbean Gardens is the proud home to one of the largest FPL SolarNow projects in Florida. Visitors can park under a shaded canopy that provides clean energy. Drivers passing by at night will see the five canopies lit up, reminding everyone about the zoo's commitment to sustainability.

FROM OUR COMMUNITY:

“This canopy serves as a teaching tool for all ages in our community — from teaching children the basics of converting sunshine to energy, to educating adults on the increasing need to conserve resources.”

— Courtney Jolly Goff
Director of Marketing and PR

PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.
