

SOCCER IS A MATCH FOR SOLAR

NORTH COLLIER REGIONAL PARK

15000 Livingston Road, Naples

COLLIER COUNTY

Whether playing or watching a game, enjoying the water park or dozens of other fun activities, visitors get a kick out of six solar canopies that generate clean energy and provide shade for parked cars. Look up and you'll see a solar panel — the perfect complement to a variety of learning opportunities found at the Exhibit Hall.

FROM OUR COMMUNITY:

“This park is a community staple, and now the entire family can park under solar canopies that provide shade for cars on hot summer days. We’re thankful to the FPL SolarNow program, which has empowered our community with this wonderful way for visitors to see solar energy structures up close.”

— Barry Williams
Director, Collier County Parks and Recreation

PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.

About the FPL SolarNow Program

- 70+**  **Locations at parks, zoos and museums**
- 50 million**  **Annual visitors to SolarNow locations**
- 100**  **Solar trees and canopies around Florida**
- 2,281 MWh**  **Energy generated through solar trees and canopies**
- 52 thousand**  **Total number of participants**
