

# HONORING THE PAST WHILE LIGHTING THE FUTURE

## ROBERTO CLEMENTE PARK

3265 Dr. Martin Luther King Jr. Blvd., Fort Myers

LEE COUNTY

Roberto Clemente once said, “Any time you have an opportunity to make things better and you don’t, then you’re wasting your time on this earth.” His vision continues to come to life with the addition of two solar trees at his namesake park. This community gem honors the past and pays tribute to an even brighter future that includes more clean energy.

### VISIT ROBERTO CLEMENTE PARK FOR:

Tennis

Playground

Basketball

Picnic Tables

Pavilions

### FUN FACTS ABOUT THE PARK:

- **30,000** annual visitors
- **3,600** FPL SolarNow participants in Lee County supported this installation

## FROM OUR COMMUNITY:

“The addition of two solar trees to Roberto Clemente Park is making a lasting impact on our community, because it brings solar energy to visitors and residents who enjoy the park. I’m happy to see the SolarNow program here, because while we embrace our past with this park being the location of the Williams Academy Black History Museum, and named in honor of Roberto Clemente, a professional baseball player and humanitarian, we are also embracing the future of solar energy.”

— Teresa Watkins-Brown  
City Councilwoman, Fort Myers

### PLANTING THE SEEDS FOR A BRIGHTER FUTURE

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.

#### About the FPL SolarNow Program

-  **70+** Locations at parks, zoos and museums
-  **50 million** Annual visitors to SolarNow locations
-  **100** Solar trees and canopies around Florida
-  **2,281 MWh** Energy generated through solar trees and canopies
-  **52 thousand** Total number of participants
