

SOCCER SCORES WITH SOLAR

MORGAN LEVY PARK

5300 NW 102nd Ave., Doral

MIAMI-DADE COUNTY

Morgan Levy Park is home to many wonderful amenities, including the very popular soccer fields, which have seen an estimated 60,000 residents annually on the fields alone. Sports fans can see soccer and solar in one convenient location - right in the heart of Doral. The two solar trees provide the perfect spot to relax in the shade and learn about the importance of solar energy.

FROM OUR COMMUNITY:

"As a world-class, Smart City we continue striving for innovative ways to increase sustainability and to address important topics like the creation and use of energy. Morgan Levy Park is very popular and frequented by many families that enjoy participating in sports and being outdoors, making it the perfect location for these two solar trees that will help teach children about the benefits of emissions-free energy forms."

- Juan Carlos Bermudez,
Mayor of Doral

PLANTING THE SEEDS FOR A BRIGHTER FUTURE.

FPL SolarNow solar trees and canopies are innovative solar structures created by the community for the community. They provide shade and harness the power of the sun to generate emissions-free energy that benefits all of us while encouraging future generations to learn more about solar energy.
