We offer and award qualified parties that right to independently own and operate a business (each, a “Business”) that features, sells and provides various EV-charging services at or in connection with commercial, multi-unit and other residential properties (each, an “Authorized Property”) that are located within one (1) or more geographical area(s) we grant and designate (each, a “Designated Territory”). Each franchised Business is authorized to conduct the following activities utilizing (a) the proprietary marks we designate (the “Proprietary Marks”), and (b) the system we have developed in connection with the initial launch of ongoing operation of such a business (the “System”):

- (i) Promotion, offer and distribution of the electronic charging stations and related equipment for use in connection with electronic or hybrid vehicles that we designate (the “Designated Equipment”), which shall be for installation and subsequent use at a given Authorized Property;
- (ii) Sell and arrange for the installation of the Designated Equipment to Authorized Properties located within the Designated Territory pursuant to a form of services agreement (a “Services Agreement”) you enter into with the owner and/or other controlling party of such properties (each, a “Client”);
- (iii) Facilitate the installation of the Designated Equipment utilizing one (1) or more of the designated or approved contractors we designate (each, a “Designated Provider”) as set forth under a form services agreement with the owner or manager of the Client(s) that we have designated or approve (each, a “Services Agreement”); and
- (iv) Perform ongoing monitoring, maintenance and other ongoing customer service obligations to each Client as agreed to in the governing form of Services Agreement (collectively, (i) through (iv) above will be referred to as the “Approved Services”).

The total estimated initial investment associated with launching a new Franchised Business in a single Designated Territory is between \$103,050 and \$622,500, including \$59,750 to \$80,000 that is payable to us or our affiliates. In addition to the costs associated with establishing and launching a Franchised Business, this range also includes and accounts for the costs associated with acquiring and installing the Designated Equipment at an initial Authorized Property within the Designated Territory.

We may also offer existing System franchisees and other qualified parties that right to own and operate a Franchised Business within multiple Designated Territories, subject to the terms and conditions set forth in our current form of multi-territory addendum (the “Multi-Territory Addendum”). You will be required to pay us a multi-unit territory development fee (a “Multi-Territory Fee”) at the time you enter into your Franchise Agreement and Multi-Territory Addendum that will be calculated as the sum of the following: (i) \$59,500 for the initial Designated Territory granted under the foregoing agreements; (ii) \$49,500 for the second Designated Territory granted; and (iii) \$39,500 for the third and each additional Designated Territory awarded in connection with your Franchised Business operations.

HOW TO USE THIS FRANCHISE DISCLOSURE DOCUMENT

Here are some questions you may be asking about purchasing a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits, and losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information on Item 20 or Exhibit D.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit C includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets as of our past fiscal year.
Will my business be the only System Business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a System franchisee?	Item 20 or Exhibit D lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the Table of Contents.

WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees, even if you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier Restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating Restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When Your Franchise Ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends, even if you still have obligations to your landlord or other creditors.

SOME STATES REQUIRE REGISTRATION

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments to be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** This franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in the Commonwealth of Virginia. Out-of-state mediation and/or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Virginia than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement, even if your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets (perhaps including your house) at risk if your franchise fails. If you are an entity, then each of your owners and, at our option, their respective spouses must sign such a document.
3. **Minimum Royalty Fee(s).** You will be required to remit certain minimum amounts to Franchisor under your Franchise Agreement in royalty fees and certain other recurring fees, which will be: (i) due and owing Franchisor regardless of (a) the gross receipts generated by the Designated Equipment you place with your Clients, and/or (b) any other revenue you generate via the Franchised Business; and (ii) if applicable, be based on the number of Designated Territories where you are granted the right to operate your Franchised Business.
4. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
5. **Unregistered Mark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

As noted above in this Disclosure Document, we offer and award franchises for the right to own and operate a Business that is authorized to market, offer and provide the placement of Designated Equipment, as well as all other Approved Services, in connection with any Authorized Property that is located within your Designated Territory. Primarily, these Approved Services include the following as of the Issue Date:

We have also established relationships with (1) or more Designated Providers that have experience with regards to working with property owners and/or managers to install and properly place the Designated Equipment at a given commercial or other property, including advising with respect to any construction or

other actions that will be involved with modifying the electric grid so that it can service each kind of charging station or other Designated Equipment that comprise the “Approved Products”.

Description of Potential Client Base and Services Agreement

The target audience of a System Business are prospective Clients that own an Authorized Property that has commercial and, in many instance, residential parking that (a) are located within its Designated Territory, and (b) have an existing, or modifiable as the Authorized Property owner agrees as part of the Services Agreement, power grid that distributes adequate power to the Designated Equipment you offer and negotiate to sell and install for use at that Authorized Property (each, a “Prospective Client”).

You may work with our Designated Providers to approach, negotiate and enter into Service Agreements to place Designated Equipment at a given Authorized Property as you determine appropriate, provided the form of Service Agreement contains all the prescribed terms that we and the Designated Providers designate or otherwise approve. By way of example, you may enter into a Services Agreement whereby:

- Franchisee covers 100% of the Designated Equipment and installation/placement of that equipment at the Authorized Property (via our Designated Provider or other Approved Supplier), with the Client agreeing to pay Franchisee an appropriate, larger percentage of the gross receipts generated by the Designated Equipment less the fee charged by the Designated Provider of such equipment (the “Applicable Receipts”);
- Franchisee and Client agree to (i) each cover a portion of the installation/placement of the Designated Equipment, with Franchisee purchasing and acquiring such equipment from a Designated Provider, and (ii) split the Applicable Receipts generated by the Designated Equipment; and/or
- Client agrees to purchase the equipment and cover the installation costs associated with the same (again, using a Designated or Approved Supplier), with Franchisee agreeing to likely take a lesser percentage of Applicable Receipts once the Designated Equipment is operating.

Please also note that, in certain instances, a System might wish to work with an Applicable Property within the Designated Territory that franchisee (or its principals) own and/or control (each, a “Controlled Property”). At the same time, certain System franchisees may be an experienced and licensed electrician that has the appropriate permits and training to handle the installation and placement of certain Designated Equipment at a given Authorized Property. Franchisees may conduct such activities, provided they seek and obtain our prior written approval.

Approved Premises and Designated Territory

We expect and assume that a new System franchisee will initially operate from a premises that we approve that is either (a) a home office with adequate storage space to maintain the initial package of Designated Equipment, as well as any ongoing inventory/equipment purchases that a System franchisee must purchase in connection with the Franchised Business, and/or (b) an Authorized Property that you already have the right to occupy and us, that we approve in writing and designated in your Franchise Agreement (collectively, the “Premises”).

Your approved Premises must: (i) be located within the Designated Territory(ies) you are granted in connection with your Franchise Agreement; and (ii) have adequate and secure storage space that is between 150 to 500 square feet on-site or within a reasonable distance of the premises.

In most cases, we expect that our System franchisees may already own and/or have the right to possess the

initial approved Premises for the Franchised Business at the time the governing form of franchise agreement is executed with us. If that is the case, then your Premises will be set forth in the Data Sheet exhibit to your Franchise Agreement (the “Data Sheet”) by us prior to execution. Once the approved Premises is approved by us, we will also set forth your Designated Territory in the Data Sheet.

Approved Vehicle(s)

You must use at least one (1) vehicle that you propose and we approve in writing (the “Approved Vehicle”) to travel to/from sales meetings and installation projects that conducted at Authorized Properties within your Designated Territory(ies), as well as otherwise perform the Approved Services.

At this time, our standard franchise offering permits and expects that most new System franchisees will designate one (1) or more existing vehicles for use in connection with the Franchised Business operations, which must be: (i) in good working condition; and (ii) otherwise determined to be presentable for the client interaction and facilitating other Approved Services (each, an “Existing Vehicle”).

If you wish to acquire a new vehicle to serve as your Approved Vehicle, then we will provide you with a list of criteria, directives and/or guidelines associated with such vehicle as part of our System standards and specifications – which we provide in the Manuals or otherwise.

Regardless, you must take any steps to brand your Approved Vehicle with any full or partial vehicle wrap and/or magnetic decals/signage that we prescribe or designate in the Manual(s) that bear our then-current Proprietary Mark (collectively, the “Vehicle Branding”), which may vary based on the size, kind and model of vehicle we approve.

Proprietary Marks, System and Manual(s)

Each Franchised Business is licensed and authorized to: (i) operate under our then-current Proprietary Marks; and (ii) our then-current System of operations that is comprised of, among other things, standards, procedures/methodologies and/or specifications with regards to (a) any Approved Product or other item/service that you must acquire and utilize in connection with the establishment or ongoing operation of a Business (which we refer to as a “Required Item”), and (b) if applicable, the names of certain suppliers or providers that we designate or approve as the source of supply for any Required Item(s) (referred to as an “Approved Supplier”), both of which we may update as we determine appropriate upon prior written notice in our confidential and proprietary operations manual (the “Operations Manual”) or otherwise.

In addition to our Manual and corresponding content, our System is currently comprised of various information and components, including without limitation: (i) our proprietary and confidential operations manual and other manuals we determine to create and license in connection with the a franchised Business (collectively, the “Manuals”); (ii) information related to the standards/specifications for the promotion, ordering, inventory management, presentation and/or sales processes and/or methodologies associated with certain of the Approved Products, and (b) the inventory and supplies that you must acquire and/or maintain as part of the Required Items we expect you will use in connection with your franchised operations prior to and after launch.

You must enter into our then-current form of franchise agreement for each Franchised Business you are awarded the right to open and operate, and please note that our current form of franchise agreement attached to this Disclosure Document as Exhibit A (the “Franchise Agreement”). Agreement that is executed.

If we award you the right to operate your Franchised Business in two (2) or more contiguous Designated Territories, then those rights will be memorialized in our current form of Multi-Territory Addendum set forth in Exhibit B.

Unless the parties agree otherwise in a separately signed writing, a System franchisee will be authorized to operate in all Designated Territory(ies) identified in its executed form of Multi-Territory Addendum, and please note that our current form of this addendum is attached to this Disclosure Document as Exhibit B.

We reserve the right to collect up to \$10,000 you are required to expend in connection with the initial local advertising, marketing and promotion of the Franchised Business, including Designated Equipment and Approved Services generally, within the Designated Territory prior to and around the time you initially launch your franchise (the “Initial Marketing Spend”).

As of the Issue Date, we have one (1) or more designated Approved Suppliers and/or organizations that we will require you to expend all or certain portions of your Initial Marketing Spend, regardless of whether or not we collect these amounts and expend them on your behalf. We expect that a portion of your Initial Marketing Spend will be expended to engage in certain sponsorship and association activities that we designate and detail fully in our confidential Manual(s) that you will have access to after executing a Franchise Agreement with us. In light of the above, we may collect anywhere between \$0 and \$10,000 and remit such amounts to our then-current Approved Supplier for such marketing services and/or collateral, including any digital marketing services.

At a minimum, our standard franchise offering requires an initial purchase of five (5) Level 2 Chargers - as detailed more fully in Item 1 of this Disclosure Document – that must be purchased from our third-party Approved Supplier immediately following the execution of your Franchise Agreement.

We reserve the right to collect the approximately up to \$10,000 in connection with the Minimum Charger Inventory above, either at the time you execute your Franchise Agreement or subsequent time upon written request. We will then remit those funds to the Approved Supplier in an effort to efficiently and timely facilitate your acquisition of this initial Designated Equipment. Such funds will be non-refundable upon collection because we will be remitting such funds to our Approved Supplier.

Please see the Notes immediately following this Chart for additional information, including the definition of "Gross Sales" for purposes of this Disclosure Document. If you are awarded the right to operate in multiple Designated Territories via Multi-Territory Addendum with us, then your Minimum Royalty will depend on (a) the total Designated Territories you are granted (the "Total Territories"), and (b) the time that has passed since signing your Franchise Agreement, per the Table in Explanatory Note No. 3 following this Chart.

(subject to modification)	As arranged with our Approved Supplier(s) and/or Other Providers	You must spend a minimum amount on the local marketing, advertising and promotion of your Franchised Business within your Designated Territory. Your LMR obligations will commence at the start of the first calendar month following the month in which your Franchised Business opens and commences operations. We must approve all advertising materials prior to use/publication, and we may require you to provide us with monthly reports detailing your local advertising expenditures. We may require that any portion of your LMR be expended on services/materials that must be acquired from one (1) or more of our Approved Suppliers. We expect to start collecting your Technology Fee in the one (1) to two (2) month period prior to the date you expect or are required to launch your Franchised Business, whichever is earlier. We may establish, increase or otherwise modify this Technology Fee upon 30 days’ prior written notice to you via the Manuals or otherwise. The other amounts will be collected in the same manner and time as your Royalty Fee.	This amount may be modified by our third-party Approved Supplier upon 60 days’ prior written notice. Currently, such amounts are payable and collected directly by our third-party Designated Provider for this equipment. The fees are subject to modification by the current Approved Supplier of such Required Software upon 30 days’ prior written notice to you via the Manual(s) or otherwise. Please note that if you wish to use our Approved Supplier for merchant processing services, then you will be required to pay that Approved Supplier’s then-current fees for such services. These fees do not include or account for any kind of merchant processing fees or services, which we understand are currently accounted for and passed through to the customer utilizing the Designated Equipment with regards to charging transactions.
Ongoing Equipment and/or Inventory Purchases	Currently, we require our System franchisees to acquire Designated Equipment and certain other Required Items from third-party Approved Supplier(s). With that said, we reserve the right to appoint us and/or our affiliate(s) as an Approved Supplier for any Required Items in the future with respect to future purchases.	Upon or prior to shipment of such Required Items	If and once we are an Approved Supplier for these Required Items, we will provide System franchisees with our current pricing list for all Required Items for which we are an Approved Supplier via the Manuals or otherwise in writing. 2. **Collection Interval; Reporting Obligations.** We reserve the right to change the interval at which we collect your Royalty Fee, Fund Contribution and other recurring fees payable to us or our affiliates under the Franchise Agreement upon written notice to you. For example, we may collect these recurring fees on a weekly rather than monthly basis. Regardless, we may require you to provide us with a weekly report detailing your Gross Sales, calculated Royalty Fee any calculated Fund Contribution and any other key performance indicators we reasonably designate with regards to the operations of the Franchised Business (the “Gross Sales Report”).
3. **Minimum Royalty Obligations and Calculation.** System franchisees that enter into a Multi-Territory Addendum in connection with a Franchised Business will be required and obligated to remit the following Minimum Royalty amounts depending on (a) the number of Total Territories granted in connection with the Franchised Business, and (b) the time that has passed since the execution of the Franchise Agreement, as follows:

Explanatory Notes to Chart 7(A) Above:

- 1. Initial Franchise Fee.** This franchise fee is due immediately upon execution of your Franchise Agreement and is deemed fully earned and non-refundable upon payment, as set forth more fully in Item 5.
- 2. Training-Related Expenses.** You are responsible to pay all travel, living, and other associated training

expenses for yourself and your employees during training, directly to the supplier (hotels, airlines, Business(es), local transportation, etc.). You are also responsible to pay all travel, living, and other associated training expenses for our representative(s) during training if we travel to your location.

3. **Lease – Security Deposit and Other Pre-Launch Costs (if applicable).** This range is to cover the security deposit and any other pre-launch amounts you will expend in connection with any third-party storage space you utilize to store and maintain the inventory of Designated Equipment, inventory and/or other supplies necessary to operate your Franchised Business. Our standard franchise offering expects and assumes that you will primarily operate from a home office or other existing space that we approve as your initial Premises. If you wish to lease a third-party premises from which to operate on a day-to-day basis, then this would deviate from our standard franchise offering and your investment in this category may be higher than as set forth in the Chart above.
4. **Leasehold Improvements (if applicable).** Costs of commercial property or leases (as discussed in the prior Explanatory Note) and corresponding leasehold improvements vary widely based on location, terms of the lease, the total area of your space as well as construction and material costs. Your landlord may provide you with a tenant improvement allowance as part of your lease. You should review these costs with a local contractor, commercial real estate agent and other professionals. We do not expect there to be much leasehold improvement necessary at your Premises, whether a home office and/or third-party storage space to store/maintain your Designated Equipment.
5. **Approved Vehicle; Vehicle Branding.** You must utilize an electric or hybrid car (not truck) in connection for use in connection with the Franchised Business, which has been properly branded with our Proprietary Marks and appropriate form of Vehicle Branding we designate or approve.
 - a. *Approved Vehicle.* The low end of this estimate assumes and accounts for you utilizing an Existing Vehicle that we approve in connection with sales meetings and otherwise in connection with your Franchised Business. The high end of this estimated range covers the costs you will incur in connection with leasing such a new electric or hybrid vehicle to serve as your Approved Vehicle for use in connection with the Franchised Business, namely (a) the initial deposit, and (b) any lease payments you incur prior to launching your franchised operations (up to between 1 to 2 months). Should you determine to purchase a brand new electric vehicle outright (rather than using an Existing Vehicle), this would deviate and be outside our standard franchise offering and you will may incur additional costs prior to and during your initial first six (6) months of operation.
 - b. *Vehicle Branding (Optional).* The low end of this estimate assumes and will apply if you determine not to acquire any partial wrap or other decals that (a) bear our Proprietary Mark(s), and (b) we recommend or designate in the Manuals as meeting our then-current System branding standards and specifications (collectively, the “Vehicle Branding”). The high end of this estimate assumes and accounts for the costs associated with acquiring and affixing a full vehicle wrap on your Approved Vehicle (whether an Existing Vehicle or new). In the event you are acquiring a new Approved Vehicle via lease or otherwise, then this estimate accounts for the costs associated with your Vehicle Branding if it is placed on your Approved Vehicle before it is delivered to you for use in any manner.
6. **Computer System and Certain Other Electronic Equipment.** This range is designed to cover the expected amounts that a new System franchisee will incur in connection with acquiring the hardware associated with our current System-prescribed point-of-sale, tablet(s) and other back-office laptop and other hardware to meet our then-current System standards and specifications (collectively, the “Computer System”), and (b) certain additional electronics we authorize or require for use in connection

with the Franchised Business operations, which will depend and/or vary based on the size and layout of your Premises.

7. **Required Initial Package of Designated Equipment (Pre-Launch).** This estimated range is designed to cover the investment necessary to acquire an initial stock of Designated Equipment, which accounts for: (i) on the low end of the investment range, a total of five (5) Level 2 Chargers provided by our Designated Provider of the Designated Equipment; and (ii) on the high end of the investment range, a total of 10 Level 2 Chargers, along with one (1) Level 3 Charger (non-BABA). The estimated range does not necessarily account for any pedestal(s) that a particular Client may request or need to efficiently place Level 2 Chargers at a given Authorized Property.

By way of further note, be advised that there may be ways to finance the initial package of Designated Equipment you are required to purchase prior to your initial launch, either via the Designated Provider for the same or a third-party bank or financing company. The estimated range in the Chart above does not, however, account for any such financing. Instead, this range is the price to purchase such Designated Equipment outright, along with applicable shipping and handling to your approved Premises.

8. **Initial Marketing Spend.** Marketing is essential to the successful operation of your Franchised Business. This range provides an estimate of the costs associated with the Initial Marketing Spend that you will be required to expend prior to and around the time you expect to open your Franchised Business, including any “soft” or grand opening activities, as we designate or otherwise approve in writing as detailed more fully in Item 11 of this Disclosure Document. As noted elsewhere in this Disclosure Document, we may require that any portion of the Initial Marketing Spend be expended on marketing, advertising, promotional items and/or services, including digital marketing, that are acquired from and provided by one (1) or more of our Approved Suppliers.

As of the Issue Date, our Manual(s) detail and require certain initial investments be made by our new System franchisees in connection with a particular association and/or sponsoring certain corresponding events conducted by that third-party association. We expect these expenditures will comprise a significant portion of the minimum Initial Marketing Spend detailed throughout this Disclosure Document.

9. **Technology Fee.** We reserve the right to commence collecting our Technology Fee up to two (2) months before you (a) contemplate opening, or (b) are required to launch and commence actively operating your Franchised Business. As of the Issue Date, our technology provided as part of our Technology Fee include (a) user access to certain customer record management software and any System-accessible site we establish to host our then-current Manuals, marketing and/or other System materials, (b) interior page hosting on our brand page, and (c) branded emails and related hosting (for the owner/operator of the Franchised Business).

10. **Insurance Premiums (Pre-Launch).** This estimate is designed to cover the estimated costs you might determine to expend on acquiring the minimum insurance coverage(s) you must have in place in order to open and operate your Franchised Business prior to opening, including any pre-paid insurance coverage payments (which are accounted for on the high end of this range).

11. Additional Funds – 6 Months After the Launch of the Franchised Business.

- a. **Costs Associated with Placing Designated Equipment at First Authorized Location.** This estimated range is designed to cover the costs associated with placing and installing certain Designated Equipment at an initial Authorized Property – as you negotiate and facilitate the placement of with the owner of that Authorized Property – and accounts for the following as part

of our standard franchise offering:

- (i) on the low end of the investment, the installation of a single Level 2 Charger at an Authorized Property as a replacement for an existing electric charger that is located at that property – and removing such existing equipment prior to installation before replacing the same with this piece of Designated Equipment; and
- (ii) on the high end of the investment, the installation of up to 10 Level 2 Chargers, as well as one (1) Level 3 Charger, at an Authorized Property that may require some level of substantive construction or electrical work by a third-party/authorized electrician – as well as the reasonable costs associated with certain permits and licenses that may incurred – in connection with this kind of higher-level/end project under a Services Agreement.

Please note that the high end of the range above does not assume or expect that the Authorized Property owner (or Client) will cover or reimburse you in connection with this project, nor does it account for any potential grant and/or other reimbursement funds from any government authority. Such funds or reimbursement may be available to you, as you determine appropriate to seek, negotiate and/or otherwise secure the same.

- b. *Other Additional Funds – 6 Months.* These are amounts you might determine or be required to expend in connection with the Franchised Business on (a) any third-party storage space rent, (b) any personnel of the Franchised Business other than you, (c) any additional Approved Vehicle payments under your lease for the same, (d) marketing and/or advertising (within Designated Territory, and/or (e) other third-party expenses or other amounts, to the extent those amounts are expended before first placement of Designated Equipment at an Authorized Location within your Designated Territory. This range does not account for any amounts that are payable to you or your owners, nor does it account for any debt service fees or costs.

12. Total Estimated Initial Investment. These figures are estimates for the development and initial launch of a Franchised Business in a single Designated Territory, and we cannot guarantee that you will not have additional expenses starting your franchise business. Your costs will depend on factors such as: how well you follow our method and procedures; your management skill; experience and business acumen; local economic conditions; the local market for our services; the prevailing wage rate; competition; and the sales level reached during the initial period. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not directly offer direct or indirect financing for any item. We relied on the experience of our principals to compile these estimates. This range does not account for or include any (a) amounts payable in connection with debt services, or (b) any salary, draw or other compensation for the owner(s) or officers of the Franchisee (or franchise).

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate all aspects of your Franchised Business in strict conformance with the methods, standards and specifications of our System. Our methods, standards, and specifications will be communicated to you in writing through our confidential Manuals and other proprietary guidelines and writings that we prepare for your use in connection with the Franchised Business and System. Approved Suppliers

We have the right to require you to purchase any items or services necessary to operate your Franchised Business from a supplier that we approve or designate – which we refer to as an “Approved Supplier” and may include us or our Affiliate(s).

We will provide you with a list of our then-current Approved Suppliers in writing as part of the Manuals or otherwise in writing, and we may update or modify this list as we deem appropriate.

Neither we nor any of our affiliates are currently the Approved Supplier for any Required Items you must acquire or use in connection with your Franchised Business, except for: (i) any technology services we determine to provide as part any Technology Fee we determine to collect or impose directly; and (ii) any ongoing Additional and/or Refresher Training we provide once you have opened your Franchised Business and for which we may charge our then-current Training Fee.

We also have third-party Approved Suppliers for the following items you must purchase in connection with your franchised Business as of the Issue Date of this Disclosure Document: (i) the Designated Equipment and all related installation, warranty and/or maintenance services for such equipment, along with related parts, supplies and/or other inventory; (ii) any Vehicle Branding and/or any other signage we designate in the Manual(s) for display in connection with the Designated Equipment installed at a given Authorized Property; (iii) the Required Software, as well as certain components associated with our System’s then-

current computer system that must be utilized in connection with the Franchised Business; (iv) certain initial and ongoing marketing, advertising and promotional services and/or collateral, including uniforms and any other apparel/merchandise bearing our Proprietary Marks; and (v) credit card and merchant processing services (currently, our Approved Supplier for the Designated Equipment).

Please also note that our officers disclosed in Item 2 of this Disclosure Document also corporate officers (with one individual also being an owner) of one (1) of our Approved Suppliers we currently designate for the installation services associated with the Designated Equipment.

We reserve the right to engage in any of the activities above, on behalf of us, our affiliates and our officers, in the future.

Warranty Program

From an installation standpoint, our Approved Supplier(s) typically afford a one (1) year warranty on their installation of any electric charges and corresponding Designated Equipment.

Any other Designated Equipment and other special parts associated with installation will be covered by the manufacturer's warranty and handled by our then-current Approved Supplier, which will be detailed more fully in our current Manual, our Initial Training Program (see Item 11) or otherwise in writing once you enter into your Franchise Agreement with us.

Minimum Purchasing Requirement(s)

Prior to launching your Franchised Business, you must acquire your Initial Equipment Package that – at a minimum – will consist of five (5) Level 2 Chargers manufactured and supplied by our current Approved Supplier.

Subsequently, you will be required to maintain a minimum stock of five (5) Level 2 Chargers at your Premises, as well as any ancillary parts associated with such chargers, throughout the term of your Franchise Agreement.

Your failure to timely acquire and/or maintain such Designated Equipment at your Premises will constitute a material default and will be grounds for termination if not cured within 30 days of the date we provide you with notice of said default.

Method of Approving Suppliers or Non-Approved Products

We may, but are not obligated to, grant your request to: (i) offer any products or services in connection with your Franchised Business that are not Approved Products or Approved Services (as applicable); or (ii) purchase any item or service we require you to purchase from an Approved Supplier from an alternative supplier.

At the outset, please note that our current Designated Providers for the Designated Equipment and installation of the same have national reach and, as such, we do not expect or intend to approve any proposed alternate product or supplier in connection with these items.

If you wish to undertake either of these actions, you must request and obtain our approval in writing before: (i) using or offering the non-approved product or service in connection with your Franchised Business; or

(ii) purchasing from a non-approved supplier. You must pay our then-current supplier or non-approved product evaluation fee when submitting your request. If you make such a proposal, we reserve the right to charge you the greater of (a) the costs/expenses we incur in evaluating/testing your proposal, and (b) \$500 per proposal. We may ask you to submit samples or information so that we can make an informed decision whether the goods, equipment, supplies or supplier meet our specifications and quality standards. In evaluating a supplier that you propose to us, we consider not only the quality of the particular product at issue, but also the supplier's production and delivery capability, overall business reputation and financial condition. We may provide any alternate supplier you propose with a copy of our then-current specifications for any product(s) you wish the supplier to supply, provided the supplier enters into a confidentiality and non-disclosure agreement in the form we specify. We may also inspect a proposed supplier's facilities and test its products, and request that you reimburse our actual costs associated with the testing/inspection.

We will notify you in writing within 90 days after we receive all necessary information and/or complete our inspection or testing to advise you if we approve or disapprove the proposed item and/or supplier. If you do not receive a notification from us within that 90-day period, the supplier is deemed disapproved. The criteria we use in approving or rejecting new suppliers is proprietary, but we may (but are not required to) make it available to you upon request. Any alternate supplier that we approve of must comply with our usual and customary requirements regarding insurance, indemnification and non-disclosure. If we approve any supplier, we will not guarantee the performance of any supply contract with that supplier under any circumstances. We may re-inspect and/or revoke our approval of a supplier or item at any time and for any reason to protect the best interests and goodwill of our System and Proprietary Marks. The revocation of a previously-approved product or alternative supplier is effective immediately when you receive written notice from us of revocation and, following receipt of our notice, you may not place any new orders for the revoked product, or with the revoked supplier.

Please note that we do not expect or intend to approve any alternative source of supply for the Designated Equipment and/or any of the Required Items associated with the installation and maintenance of the same as of the Issue Date, but such proposals will be subject to the process above should any System franchisee elect to submit the same.

Right to Derive Revenue

We and our affiliates may derive revenue from the sale of products, supplies, services and equipment to you by us, our affiliates and our other Approved Suppliers. We and our affiliates continue to reserve this right.

In our past fiscal year ending December 31, 2025, we collected \$2,250 in revenue (namely, Technology Fees) from our System franchisees, or 1.39% of the \$160,866 in total revenue we generated over that fiscal year. Otherwise, neither we nor our affiliates derived any revenue from System franchisees' required purchases in our respective past fiscal year(s) ending December 31, 2025.

Required Purchase(s); Percent of Revenue.

The products or services we require you to purchase or lease from an Approved Supplier, or purchase or lease in accordance with our standards and specifications, are referred to collectively as your "Required Purchases." We estimate that your Required Purchases will account for approximately 60% to 85% of your total costs incurred in establishing your Franchised Business, and approximately 35% to 55% of your ongoing costs to operate the Franchised Business after the initial start-up phase. Please be advised that these ranges for "Required Purchases" includes the lease for your approved Premises given that it must meet our

then-current site selection criteria and specifications.

Purchasing or Distribution Cooperatives; Right to Receive Rebates/Consideration

We may, when appropriate, negotiate purchase arrangements, including price terms, with designated and Approved Suppliers on behalf of the System. We may establish strategic alliances or preferred vendor programs with suppliers that are willing to supply some products, equipment, or services to some or all of the System Business(es) in our System. If we do establish those types of alliances or programs, we may: (i) limit the number of approved suppliers with whom you may deal; (ii) designate sources that you must use for some or all products, equipment and services; and (iii) refuse to approve proposals from franchisees to add new suppliers if we believe that approval would not be in the best interests of the System.

We and/or our Affiliates may receive payments or other compensation from Approved Suppliers or any other suppliers on account of these suppliers' dealings with us, you, or other Franchised Businesses in the System, such as rebates, commissions or other forms of compensation. We may use any amounts that we receive from suppliers for any purpose that we deem appropriate. We and/or our affiliates may negotiate supply contracts with our suppliers under which we are able to purchase products, equipment, supplies, services and other items at a price that will benefit us and our franchisees.

In our past fiscal year ending December 31, 2025, we collected a total of \$2,366 in technology fees from our System franchisees, or 1.47% of our total revenue of \$160,866 over this past fiscal year. Otherwise, neither we nor our affiliate(s) derived any revenue from our System franchisees' required purchases over our respective past fiscal year(s) ending December 31, 2025.

We do not currently have any purchasing or distributing cooperatives in writing as of the Issue Date, but we reserve the right to create such cooperatives in the future. We reserve the right to derive such rebate revenue and/or form such cooperative(s) in the future.

Insurance (Minimum Requirements)

You must acquire and maintain, at your expense and by advance payment(s), during the entire term of the franchise, as detailed and set forth in our then-current Manuals or otherwise in writing to the System franchisees.

These policies will insure both you and us and our officers and directors and nominees as additional insureds against any liability which may accrue by reason of your ownership, management and/or operation of each Franchised Business within its Designated Territory. These policies must stipulate that we will receive a 30-day written notice of cancellation, modification or termination. Original or duplicate copies of all insurance policies, certificates of insurance, or other proof of insurance acceptable to us must be furnished to us together with proof of payment within 30 days of issuance. These insurance coverage requirements are only minimums. You need to make an independent determination as to whether increased amounts or additional types of insurance are appropriate.

If you fail to obtain insurance and keep the same in full force and effect, we may obtain this insurance at our discretion and you will pay us the premium costs upon our demand. Failure to obtain and maintain the required insurance constitutes a material breach of the franchise agreement entitling us to terminate the agreement. You must also procure and pay for all other insurance required by state or federal law. We may periodically increase the amounts of coverage required and/or require different or additional coverage. We

do not derive revenue as a result of your purchase of insurance.

Computer System

You are required to purchase and maintain in good working order a laptop or desktop computer that is capable of (a) accessing the Internet via Wi-Fi and/or cellular service, and (b) running all Required Software, including all programs necessary for back-office functions. If you accept credit cards as a method of payment collectible by your Franchised Business, then you must comply with payment card infrastructure (“PCI”) industry and government requirements. PCI security standards are technical and operational requirements designed to protect cardholder data. The standards apply to all organizations that Franchised Business, process or transmit cardholder data and cover technical and operational payment system components involving cardholder data. Notwithstanding any processing requirement(s) we impose in the Manual(s), we do not represent, nor certify to you or your customers that the credit card processing service approved or provided by us or an affiliate is compliant, whether or not certified as compliant, with the PCI Data Security Standards.

Premises

As previously noted, we expect that you establish and initially launch operations of your Franchised Business from a home office or other existing premises you control (and we approve). Otherwise, you must secure any third-party Premises that we approve in accordance with our then-current site selection criteria, to the extent such criteria are reduced to writing and provided to you as part of the Manual(s) or otherwise.

We will loan you one copy of our confidential and proprietary Manuals. You must operate your Franchised Business in accordance with the Manuals and all applicable laws and regulations. You must keep the Manuals confidential and current, and you may not copy any part of the Manuals. You are required to keep a copy of the Manuals at your Premises, and if there is a dispute relating to the contents of the Manuals, then the master copy (which we maintain at our corporate headquarters) will control. Most of the Operations Manual content is available and provided electronically, rather than in paper format. The Operations Manuals is currently comprised of approximately 60 pages of content, along with certain appendices and all of which we have the right to supplement, update or otherwise modify moving forward. Our Table of Contents as of the Issue Date is set forth in Exhibit F to this Disclosure Document.

We reserve the right to disclose updates to the Manuals in writing in any manner, including electronic means such as e-mail, our website and any intranet or extranet that we establish in connection with the System. We may periodically amend, update or replace the contents of the Manuals. Revisions to the Manuals will be based on what we, in our sole discretion, deem is in the best interests of the System, including promoting quality, enhancing goodwill, increasing efficiency, decreasing administrative burdens, or improving our and our franchisees' profitability. (Franchise Agreement, Section 8).

D. Site Selection (Franchise Agreement, Sections 6(A) and 6(B))

Our standard franchise offering expects that most new System franchisees will operate from a home office and/or other existing Premises that we approve.

To the extent our System franchisees with to lease and operate from a third-party premises, then you will be responsible for all costs, expenses and liabilities associated with locating, evaluating, proposing and – if we approve – securing said premises. We do not expect that there will a need for a substantial buildout or leasehold improvements in connection with your Premises in order to perform your day-to-day obligations under the Franchise Agreement. With that said, you will also be responsible for any such buildout, construction and/or equipping of your Premises – to the extent you determine to undertake the same.

If and to the extent we establish and impose certain site selection criteria or guidelines, then we will provide you with (a) such criteria and standards that are reduced to writing via the Manuals or otherwise, and (b) any other site selection assistance we determine is appropriate. Unless you determine to relocate and lease a third-party Premises that has a showroom designed to actually display the equipment and otherwise conduct sales and/or other Client meetings, we do not expect to impose many site selection criteria at this time.

We do not expect or intend to own the Premises utilized by any of our System franchisees as the site of their respective Franchised Business and/or lease (or sublease) such Premises to you, but we reserve the right to do so.

With that said, in deciding whether to approve a site that is a third-party Premises, we may also consider, among other things: (i) demographic characteristics, traffic patterns, allowed design and building, parking, visibility, allowed signage, and the predominant character of the neighborhood surrounding the proposed site; (ii) proximity to any Franchisee-Controlled Location where System franchisee will have Designated Equipment installed and operating; (iii) zoning restrictions, soil and environmental issues, and other commercial characteristics; and (iv) the size, appearance, and other physical characteristics of the proposed site. We must also have the opportunity to review any lease or purchase agreement for a proposed Premises before you enter into such an agreement.

We may condition our approval of any third-party Premises you propose on a number of conditions,

including: (i) providing a written representation from the landlord of the Premises that you will have the right to operate the Franchised Business throughout the term of your Franchise Agreement; and (ii) you and landlord executing an appropriate form of addendum/rider to the Lease for the Premises in a form that affords Franchisor the kinds of rights described in our prescribed form of addendum attached to the Franchise Agreement as Exhibit C (the “Lease Addendum”). (Franchise Agreement, Sections 5(F), 6(A) and Exhibit C).

We will use reasonable efforts to approve or reject any proposed third-party Premises (and corresponding lease/purchase agreement) within 30 days of the date you provide us with all requested materials. If we determine that an on-site evaluation is necessary, then you must: (i) submit to us in the form we specify a description of the site prior to our representative conducting its on-site evaluation, including evidence that the site satisfies our site selection guidelines and any other information and materials that we may reasonably require, including a letter of intent or other evidence that confirms your favorable prospects for obtaining the site; and (ii) reimburse us for the expenses incurred in connection with such an evaluation. If we do not provide our specific approval of a given proposal this 30-day period, the proposed location will be deemed rejected.

Please note that the above site selection provisions and process only apply to the Premises, and does not apply to any Authorized Property whereat you determine to provide the Approved Services and/or Designated Equipment.

E. Typical Length of Time to Open Your Business (Franchise Agreement, Section 6(D), Section 15)

The length of time we estimate between your signing of the Franchise Agreement and launching of the Franchised Business governed by that agreement will typically be between six (6) to 12 months from the date you sign your Franchise Agreement.

You must launch initial operations and commence no later than 12 months from execution of your Franchise Agreement, regardless of whether you are operating from a home office or third-party Premises. Your failure to complete all pre-launch obligations under your Franchise Agreement and effectively launch operations of your Franchised Business within the 12-month prescribed period will constitute grounds for us to terminate your agreement if you do not cure by validly and compliantly launching active operations of your Franchised Business within 30 days of receiving written notice of your failure to do so from us.

Upon launching your Franchised Business, you will be authorized to solicit prospective Clients, provide the Approved Services and otherwise promote the business within any Designated Territory(ies) identified and granted under your Franchise Agreement and, if applicable, form of Multi-Territory Addendum that governs your franchised operations.

We may require that you pay our then-current Training Fee, currently \$1,000/day per trainer for this kind of training, for any Additional/Remedial Training you and your employees attend. You will also be solely responsible for all expenses incurred in attending Additional/Remedial Training. (Franchise Agreement, Section 5(D)).

You may not establish or operate a website, web page, domain name, Internet address, blog, forum or email address that in any way concerns, discusses or alludes to us, the System or your Franchised Business without our written consent. The Proprietary Marks may not be used as part of, in conjunction with, to establish, or to operate any domain names, Internet addresses, blogs, forums or Networking Media Sites, unless specifically approved by us. You may not post, and must take such steps as necessary to ensure that your employees do not post, any information to a Networking Media Site relating to us, the System, the Proprietary Marks, or the Franchised Business that (a) does not comply with our social networking guidelines described in the Operating Manuals, (b) is derogatory, disparaging, or critical of us, the System, or the Proprietary Marks, (c) is offensive, inflammatory or indecent, or (d) harms the goodwill and/or public image of the System and/or the Proprietary Marks. You may not establish or permit or aid anyone else to establish any links to any website or any other electronic or computer-generated advertising or communication arrangement which we may create. Subject to the terms of the Franchise Agreement and Operations Manual, we may make available to you a sub-page on the Website that will be located at a sub-domain of the Website to be specified by us (the “Subpage”). You will be permitted to upload content onto the Subpage solely to promote and provide customers with information related to your Franchised Business. You may only upload content onto the Subpage in accordance with terms of the Franchise Agreement and any guidelines, directives or specifications (collectively, “Subpage Standards”) issued by us. The Subpage may not contain content which references any other Business(es) other than your Franchised Business. You may not upload, publish, display, or otherwise include or use any content on the Subpage without receiving our approval. Once we approve the initial content of the Subpage, you must submit any changes to us before you make any changes. We may, at any time, cease to make the Subpage available to you or the public. We may also design the Website for taking delivery orders from customers and routing that to you. We will be solely responsible for the development of all online ordering. Upon the termination or expiration of the Franchise Agreement for any reason or a default under the Franchise Agreement for any reason, you may not upload, content, onto, or otherwise use, the Subpage shall immediately cease and we may cease to make the Subpage available to you. Please see below in this Item 11 under the heading “Advertising and

Marketing” for further information. (Franchise Agreement, Section 5(J)).

7. Prior to and after your opening, we may establish one (1) or more online intranet portals and/or site(s) that are accessible to System owners (each, a “System Site”) – and notify you of such System Sites via the Manuals or otherwise in writing, as discussed more in this Item 11 below under the “Computer System” heading.

8. We will have the exclusive right to establish, register and otherwise traffic in, any social media site/account that contains the Proprietary Marks – and may license such accounts to you as part of your System license if the account is established for your specific Franchised Business. social media sites (e.g., www.instagram.com; www.facebook.com, or such other social media sites). You may not establish or maintain any social media sites utilizing any usernames, or otherwise associating with the Proprietary Marks, without our advance written consent. We may designate from time to time regional or territory-specific usernames/handles to be maintained by you. You must adhere to the social media policies established from time to time by us, via the Manuals or otherwise, and you must ensure your Franchised Business personnel adhere to such social media and branding policies as well (to the extent we reduce the same to writing).

9. We expect and intend to establish, administer and maintain a brand development Fund for the benefit of the System, as we deem appropriate in our sole discretion and set forth more fully below in this Item. (Franchise Agreement, Section 5(M)).

10. We may conduct, as we deem advisable in our sole discretion, inspections of the premises and audits of the Franchised Business and your operations generally to ensure compliance with our System standards and specifications as well as to consult in the development and growth of your Franchised Business. We may also prepare written reports outlining any recommended or required changes or improvements in the operations of your Franchised Business, as we deem appropriate in our sole discretion, and detail any deficiencies that become evident as a result of any inspection or audit. If any inspection reveals any deficiencies, you will be responsible for our costs in conducting such inspection. (Franchise Agreement, Section 5(L)).

11. We may supplement, revise or otherwise modify the Manuals, as we deem necessary or prudent in our sole discretion, which may, among other things, provide new operations concepts and ideas. We may provide you with these updates through various mediums, including mail, e-mail and our System-wide intranet. (Franchise Agreement, Section 2(G)).

12. If we deem appropriate, establish and maintain a Quality Assurance Program and/or other quality assurance program, including customer feedback programs, as we and/or our Approved Supplier for the Designated Equipment deem appropriate from time to time. (Franchise Agreement, Section 5(L)).

13. We may: (i) research new ideas, technology, equipment, products, services and methods associated with the promotion and offer/sale of the Approved Services and Approved Products (including the Designated Equipment) – and subsequently provide you with information we have developed as a result of this research, as we deem appropriate in our discretion; and (ii) create and develop additional products and services to be offered or provided via a System Business, including proprietary products and services sold under the marks we designate. (Franchise Agreement, Section 2(G) and 5(K)).

G. Advertising and Marketing (Franchise Agreement, Section 9)

Advertising and Marketing Generally

All advertising and promotion materials that you use in connection with your Franchised Business must be approved by us and conform to the standards and requirements that we specify. We may make available to you from time to time, at your expense, certain promotional materials, including newspaper mats, coupons, merchandising materials, point-of-purchase materials, special promotions, and similar advertising and promotional materials. You must also participate in certain promotions and advertising programs that we establish as an integral part of our System, provided these activities do not contravene regulations and laws of appropriate governmental authorities. (Franchise Agreement, Section 9(A)).

If you wish to use any advertising or promotional materials other than those that we have previously approved or designated within the preceding 12 months, then you must submit the materials you wish to use to us for our prior written approval at least ten (10) days prior to publication. We will use commercially reasonable efforts to notify you of our approval or disapproval of your proposed materials within 30 days of the date we receive the materials from you. If you do not receive our written approval during that time period, however, the proposed materials are deemed disapproved and you may not use such materials. Once approved, you may use the proposed materials unless we: (i) prescribe a different time period for use; or (ii) require you to discontinue using the previously approved materials in writing. We may require you to discontinue the use of any advertising or marketing material, including materials we previously approved, at any time. (Franchise Agreement, Section 9(B)). Except as otherwise provided in this Item, we are not required to spend any amount on advertising in your Designated Territory.

Initial Marketing Spend (Franchise Agreement, Section 9(C))

You are required to spend at least \$10,000 on the initial marketing (“Initial Marketing Spend”). We may require that you pay this amount to us and, with your input, we will spend it on marketing activities for you. Typically, we expect that you will be required to expend these amounts 30 to 60 days prior to opening and continuing through the initial launch of your Franchised Business – as we discuss and specify prior to any opening or operation of your Franchised Business in the Manuals or otherwise in writing. We may require that you expend all or any portion of the Initial Marketing Spend be expended on materials that are acquired and provided by one (1) or more Approved Supplier(s).

We will designate the exact amount you must expend on your Initial Marketing Spend once you secure your approved Premises and determine your Designated Territory around the same.

You may determine to expend a portion of your Initial Marketing Spend, as you request in writing and we approve, in connection with out-of-pocket costs associated with seeking and acquiring any governmental grants or funds necessary to equip your initial Franchisee-Controlled Site should you choose to launch your operations to the public from and at such location as your Premises.

Local Marketing Requirement (Franchise Agreement, Section 9(D))

In addition to the Initial Marketing Spend, you will be required to expend such amounts as we may designate from time to time for advertising and marketing the Franchised Business within the Designated Territory (the “Local Marketing Requirement” or “LMR”). Your LMR obligations will commence at the earlier of (a) the date you actually launch your Franchised Business, and (b) the date you are required to launch that Franchised Business under your Franchise Agreement.

Currently, your LMR amounts to 1% of the Gross Sales generated by the Franchised Business over the immediately preceding calendar month. We may require that you expend any portion of your Local Marketing Requirement on services and/or materials that you acquire and purchase from one (1) or more of our Approved Suppliers. As disclosed above under this heading, we must approve all advertising, marketing and/or other promotional materials you wish to use in connection with your Franchised Business

that (a) are not designated by us in our then-current Manuals, or (b) have not otherwise been approved by us in the 12-month period preceding the contemplated use of such materials/content.

We also reserve the right to increase your LMR to an amount equal to 5% of the Gross Sales generated by your Franchised Business over the preceding calendar quarter of operations upon at least 60 days' prior written notice.

We may request that you provide us with invoices and/or other evidence sufficient to demonstrate you are expending the appropriate LMR in connection with your Franchised Business upon 30 day's prior written notice, and your failure to (a) provide such evidence, and/or (b) expend the minimum LMR, in a given month shall constitute a material default under your Franchise Agreement that you will be afforded a 30-day period to cure as detailed more fully in your Franchise Agreement.

Brand Development Fund (Franchise Agreement, Section 9(E))

We have not established and commenced administering a brand development fund (the "Fund") that is designed to promote, market, advertise and/or otherwise develop our then-current Proprietary Marks, System, System Locations, the Approved Services and/or Approved Products (including technological advancements with respect to the Designated Equipment) and/or our brand generally.

Once established, we expect and intend that we will use the Fund to meet certain costs related to maintaining, administering, directing, conducting and preparing advertising, marketing, public relations, and/or promotional programs and materials, and any other activities which we believe will further develop or enhance the image of the System, locations, marks and/or our brand generally as noted above.

We expect to initially collect a Fund Contribution amounting to 1% of the Gross Sales generated by your Franchised Business in the preceding calendar month (if and once the Fund is established), and we will provide you with at least 60 days' prior written notice via the Manuals or otherwise in writing of such Fund creation and related obligations. We may increase the Fund Contribution to an amount equal to up to 3% of the Gross Sales generated by your Franchised Business (upon providing you with the same 60-day prior written notice).

Any affiliate-owned System Business formed now or in the future may – but is not currently obligated to – contribute to the Fund in the same amount and manner as franchised Business(es). Other System franchisees' respective Fund contributions may be calculated at a different rate or on a different basis and, under limited circumstances, certain franchisees may not be required to pay Fund fees.

We have full discretion to settle or forgive any accrued and unpaid Fund contributions owed by a franchisee. With any advertising funds paid, we have sole discretion as to how and where the money is spent to promote, enhance, or further the growth of the system, including, without limitation, promotional marketing, public relationships, and advertising expenses, hiring marketing, public relations and advertising agencies and internal personnel to assist in developing the brand name and average unit volumes, expenses associated with listings in online or traditional directories, travel expenses in connection with promotions and marketing meetings, training, development of Proprietary Marks and trademarked materials, production of circulars, media, advertisements, coupons, and promotional materials (including point of purchase materials), market research, developing training tools designed to assist System franchisees, the cost of developing and maintaining an Internet website and other digital marketing tools, developing and deploying mystery shopper programs and for any other use we determine. Additionally, we can use the Fund to pay for expenses incurred in developing and maintaining non-franchise sales portion of our corporate website. We are not required to spend any advertising funds in your specific area or territory. Materials provided by the Fund to all Franchisees may include video and audio tapes, mats, posters, banners, and miscellaneous

point-of-sale items. You will receive one sample of each at no charge. If you want additional copies, you must pay duplication costs.

We may occasionally provide for placement of advertising on behalf of the entire franchise system, including Franchisees. However, most placement is on a local basis, typically by local advertising agencies hired by individual Franchisees or advertising cooperatives. While we have not yet done so, we have the right in the future to use advertising fees paid by our Franchisees to place advertising in national media (including broadcast, print or other media). Advertising funds are used to promote the products sold by Franchisees. A brief statement regarding the availability of information regarding the purchase of a franchise may be included in advertising and other items produced using the Fund; provided that we will not use Fund funds principally to sell franchises.

Currently, we expect that Fund Contributions will be payable to us. We have the right to establish in the future a non-profit corporation or other business entity to collect Fund advertising contributions from our Franchisees. The Fund is administered by our accounting and marketing personnel under our direction. We may have the Fund borrow from us or other lenders to cover any Fund deficits. We may have the fund invest any surplus for the Fund's future use. You will be able to obtain an accounting annually upon written request to our President at our principal place of business 120 days after our latest fiscal year end. We claim no power to require that advertising cooperatives be formed, changed, dissolved or merged.

We will not be required to spend any of your Fund Contributions in the Designated Territory you are granted under your Franchise Agreement, and we will provide you with an unaudited accounting of the Fund within 120 days after our fiscal year end (upon your written request). We are not required to have the Fund audited, but we may do so and use the Fund Contributions to pay for such an audit. If we do not spend all Fund Contributions in a given year, any excess funds will rollover into the Fund for use during the following year. We will have the right to modify or discontinue the Fund (if established), as we deem appropriate in our sole discretion.

As we are a new franchise offering, please be advised that we neither collected nor expended any Fund Contributions in the fiscal year ending December 31, 2025.

Regional Cooperatives (Franchise Agreement, Section 9(H))

We reserve the right to establish regional cooperatives that are comprised of a geographical market area that contain two (2) or more Business(es) (whether a Franchised Business or affiliate-owned) (each a "Cooperative"). If we assign your Franchised Business to a Cooperative we establish, you must work with the other Franchised Business owners in your Cooperative and us to develop and implement regional advertising campaigns designed to benefit all the Business(es) within the geographical boundaries of the Cooperative. We have not established any Cooperatives as of the Issue Date of this Disclosure Document, and have not contemplated how much a Franchised Business might be required to contribute to such a Cooperative. We will have the right to establish, modify, merge and dissolve Cooperative as we deem appropriate. Any amounts you expend on Cooperatives will be credited towards your Local Marketing Requirement.

Franchise Advisory Council (Franchise Agreement, Section 9(F))

While we are not required to do so, we may establish a Franchise Advisory Council ("FAC"). If established, we expect that such a FAC will provide advice to us on various matters, including advertising. The FAC will serve in an advisory capacity only and will have no operational or decision-making power. In the event

we determine to establish an FAC, we will provide you with information related to the composition and selection of FAC members and other relevant information via the Manuals or otherwise in writing, to the extent we are required to do so by applicable laws.

H. Computer / Point of Sale System (Franchise Agreement, Sections 6(K), 6(S), 8 and 10)

We require that all System franchisees acquire and only use the point-of-sale system (“POS”) and other computer hardware we designate as part of our then-current computer system associated with the operation of a Franchised Business (the “Computer System”). We expect to also require that you acquire the appropriate licensing and/or other rights necessary to use certain Required Software we designate for use in connection with your Computer System, which will typically be licensed from one (1) or more of our then-current Approved Suppliers.

We estimate the initial costs associated with acquiring the hardware and Required Software associated with our Computer System to be between \$2,500 and \$5,000 and, as of the Issue Date, is comprised of the following components: (i) and one (1) or more tablets; and (ii) a laptop for back-office functions and a printer with scanning/copying capabilities.

We will have independent and electronic access to the information and data collected or generated by the POS and other Computer System components. There are no contractual limits on our rights to do so. We may require updates and upgrades to your computer hardware, software and POS system during the term of the franchise agreement. The maintenance, repair and upgrade of your hardware and software is at your expense.

We may require updates and upgrades to your hardware, software and POS System when it becomes available, at your expense. There are no contractual limitations to the frequency and cost of the obligation to upgrade and maintain the POS or computer system. We do not have any specific ongoing maintenance and/or support contract requirements. With that said, we estimate that you may spend between \$100 and \$1,000 per year on annual updates and maintenance to the Computer System hardware, including any upgrades. This does not include any of the Required Software license fees or any Technology Fee we determine to charge in the future.

If not part of the POS system, at your cost and expense, you must investigate and ensure that you comply with all payment card industry (“PCI”) and data security standard (“DSS”) standards, regulations, and requirements. You must meet the requirements of, and comply with enhancements and changes to, the PCI and DSS and maintain PCI compliance with the current version of the PCI and DSS. You are responsible to use all required tools, systems, and vendors to complete ongoing PCI requirements including quarterly security scans and annual self-assessment questionnaires. You are solely responsible for all costs relating to PCI compliance and data security issues, such as security threats, breaches, and malware. It is your responsibility to alert us, not later than 24-hours following a suspected or confirmed data security breach, so that appropriate action can be taken to protect customer data and notify relevant parties. You are not permitted to collect, store, transfer, etc. any unnecessary customer information.

We may require you to install a compliance monitoring system at your Premises at reference points designated by us. This compliance monitoring system is not a security system but is a management tool and we are not required to monitor your franchise business. Both you and we will have the right to online access to the compliance monitoring system. By installing the compliance monitoring system, you and your employees are waiving any rights to privacy. You agree to require all your employees to sign a waiver of their right to privacy with respect to the use of any such compliance monitoring system. Please note that while we reserve the right to require this system to be implemented at your Franchised Business in the

future, we do not typically require this kind of system as part of our Required Items as of the Issue Date.

ITEM 12 TERRITORY

Approved Premises; Relocation of a Franchised Business

You may and must operate your Franchised Business from the Premises that you propose, we approve and you subsequently secure (if not a home office). If you have not secured an approved Premises at the time you enter into a Franchise Agreement with us with respect to a given Franchised Business, you will be required to secure such location as disclosed more fully in Item 11 of this Disclosure Document that must be located within your Designated Territory.

Once your Premises has been designated in the Data Sheet to your Franchise Agreement (or otherwise in writing by the parties) you may not relocate the site of your Franchised Business without our express written permission. Should you attempt to relocate your Franchised Business without such permission the new location will be treated as an entirely new franchise sale subject to new initial franchise fees as provided in the Franchise Agreement and to such other provisions as would apply to a new franchise award.

If (and as applicable) your landlord terminates your right to possession of your Premises before the term of your Franchise Agreement expires, then you must: (i) provide us with immediate notice in writing; and (ii) secure a different site that we approve as your relocation Premises in accordance with our then-current site selection criteria within 60 days of the date you no longer possess the right to your original Premises.

Designated Territory(ies)

At the time you enter into your Franchise Agreement with us, you will be awarded a geographical area around your home office or other Premises wherein we will afford certain territorial rights as disclosed more fully below (referred to as a “Designated Territory” in this Disclosure Document).

Typically, your Designated Territory will be a geographical area that we designate and you agree to upon the signing of your Franchise Agreement with us. We expect that a typical Designated Territory will be a geographical area surrounding your approved Premises that contains a population of approximately 100,000 people. With that said, there is no minimum Designated Territory size that we must grant in connection with a Franchised Business. Your Designated Territory may vary from others in terms of size and population based on the demographics associated with the area or region, including but not limited to: (i) population density; (ii) number of prospective Authorized Properties with existing or planned parking; (iii) traffic patterns; and (iv) existing number of electric chargers installed in that area. We will determine the boundaries of a given Designated Territory on a case-by-case basis.

The boundaries of your Designated Territory may be described in terms of zip codes, streets, landmarks (both natural and man-made) or county lines, or otherwise delineated on a map attached to the Data Sheet. The sources we use to determine the population within your Designated Territory will be publicly available population information (such as data published by the U.S. Census Bureau or other governmental agencies and commercial sources).

Upon termination or expiration of your Franchise Agreement, you will no longer have any rights within the Designated Territory. We may also terminate your territorial rights within your Designated Territory in lieu of terminating your Franchise Agreement if your Franchise Agreement is subject to termination.

Subject to the “Reserved Rights” disclosed below in this Item, we will not open or operate, or license any third party the right to open or operate, a System Business that offers or provides the Approved Services under the Proprietary Marks, within any Designated Territory you are awarded under your (a) Franchise Agreement, and (b) if applicable, the Multi-Unit Territory Addendum.

As noted above, we do reserve certain rights with respect to “Reserved Accounts” and other activities within a given Designated Territory, as detailed more fully below. For this reason, we must disclose the following under applicable pre-sale disclosure laws: “You will not receive an exclusive Designated Territory. You may face competition from other franchises, from outlets that we own, or from other channels of distribution or competitive brands that we control.”

Minimum Performance Requirements in Connection a Given Franchised Business

You must pay us a Minimum Royalty, as and when such minimum is triggered, in connection with your Franchised Business – which, if you have entered into a Development Agreement with us, will increase over time depending on the number of Total Territories wherein you are granted the right to operate. Please see Item 6 of this Disclosure Document for additional information on such Minimum Royalty requirements and schedule.

Each Franchised Business, regardless of the number of Designated Territories it is authorized to operate within, must: (i) acquire an initial stock of Designated Equipment amounting to five (5) Level 2 Chargers (the “Minimum Equipment Stock”); and (ii) replenish and maintain at least that Minimum Equipment Stock throughout the term of the Franchise Agreement.

With that said, so long as the a System franchisee (a) pays the appropriate Minimum Royalty, and (b) maintains the Minimum Equipment Stock, we do not have the right to remove, decrease or otherwise modify the Designated Territory associated with that Franchised Business based on any failure to meet a certain level of revenue or sales via the Franchised Business.

Except as provided for about under this heading, your rights within the Designated Territory(ies) you are granted, whether via a Franchise Agreement or a Multi-Territory Addendum, may only be modified upon our mutual agreement.

Permitted and Restricted Sales and Advertising Activities Within and Outside Designated Territory(ies)

Each Franchised Business must and may only operate, enter into Service Agreement and provide the Approved Services in connection with Authorized Properties that are located within the Designated Territory(ies) granted by us in connection with that Franchised Business.

You may not operate, directly market or promote the Franchised Business in any area outside of your Designated Territory(ies) without our prior written consent.

Each Franchised Business agrees not to offer or sell any items through any alternative channels of distribution, including e-commerce, telemarketing, mail order catalogs, computer and/or Internet-based platform (i.e., Angi® or other third-party platform for services), without our prior written consent.

Reserved Account(s)

For purposes of this Disclosure Document and your Franchise Agreement, we have the right to directly communicate, negotiate and enter into Service Agreement(s) with any Client that: (i) owns and/or manages

multiple properties that are physically located in more than one (1) Designated Territory; and/or (ii) is a different System franchisee that owns an Authorized Property located within your Designated Territory(ies) (each, a “Reserved Account”).

Other Reserved Rights under both Franchise Agreement and Multi-Territory Addendum

In addition to our rights in connection with Reserved Accounts, we and/or our affiliates also reserve the right to: (i) open and operate, or license third parties the right to open and operate, Business(es) or other locations utilizing the Proprietary Marks and System from any location outside of your Designated Territory (or Designated Territories); (ii) market, offer and sell products that are similar to the menu items offered and sold by a Franchised Business under a primary mark that is different than the Proprietary Marks, regardless of location; (iii) manufacture, offer, sell and distribute Approved Products and/or certain of the Approved Services, via any alternative channel of distribution, within or outside the Designated Territory(ies) (including the Internet and other e-commerce channels, big box retailers, conventions or association gatherings, mail order, catalog sales, etc.); (iv) to acquire, merge with, or otherwise affiliate with, and after that own and operate, and franchise or license others to own and operate, any business of any kind, including, without limitation, any business that offers products or services the same as or similar to those offered by the Franchised Business (but under different marks), within or outside your Designated Territory(ies); and (vi) use the Proprietary Marks and System, and license others to use the Proprietary Marks and System, to engage in any other activities not expressly prohibited in your Franchise Agreement and, if appropriate, Multi-Territory Addendum.

Neither the Franchise Agreement nor the Multi-Territory Addendum grant you any right to engage in any of the activities outlined in the preceding paragraph, or to share in any of the proceeds received by us, our affiliates or any third party from these activities, unless we otherwise agree in writing. We do not have an obligation to provide you with any compensation for soliciting or accepting Clients or orders inside your Designated Territory(ies) if via one (1) of the reserved rights disclosed above.

Other Relevant Disclosures

Neither the Franchise Agreement nor the Multi-Territory Addendum provide you with any right or option to open and operate additional Franchised Businesses. The Addendum merely extends the terms and conditions of the Franchise Agreement to one (1) or more additional Designated Territories(s) wherein your Franchised Business is authorized to actively operate and market.

Each Franchised Business you are granted the right to open and operate must be governed by its own, specific form of Franchise Agreement.

Neither we nor our affiliates sell similar goods or services to the Approved Products and Approved Services offered by Franchised Businesses under our Proprietary Marks or a different mark or brand as of the Issue Date, but we reserve the right to do so in the future.

ITEM 13 TRADEMARKS

We grant you the right to use our then-current Proprietary Marks only in connection with the promotion and operation of your Franchised Business, as required in your Franchise Agreement and in accordance with our then-current Manuals. You will not at any time acquire any ownership or other rights in the Proprietary Marks.

We currently license the following mark to primarily identify each System Business, which is currently

pending registration on the Principal Register of the United States Patent and Trademark Office (“USPTO”):

Application Number	Proprietary Mark	Filing Date
98/792532	4EVERCHARGE	October 7, 2024

As of the Issue Date, we do not yet have a federal trademark registration for the Proprietary Marks listed in the Chart above and, as such, these Marks do not have many legal benefits and rights as a federally registered trademark. If our right to use these trademark(s) is challenged, you may have to change to an alternative trademark, which may increase your expenses.

If and once the Proprietary Marks are registered with the USPTO, we expect and intend to work with TM Owner to submit all necessary affidavits and other documentation necessary to maintain such federal registrations.

We are not aware of any other contract or agreement with any third party that would materially limit or impact the right of our System franchisees to use the Proprietary Marks in connection with the development and ongoing operation of their respective franchised operations.

We do expect, however, to work with TM Owner to pursue and (if acquired) maintain the registered Proprietary Marks set forth in the Chart above for so long as we determine to license such marks to our System franchisees and, among other things, work with TM owner to file all documentation and affidavits with the USPTO as required by applicable law.

You must use only our then-current Proprietary Marks in strict compliance with our Manuals and our System directives. You must modify or discontinue the use of a trademark at your cost if we modify or discontinue it. You are prohibited from using any trademark as part of your corporate name, and you may not use any Proprietary Mark (or variation thereof) as part of any Franchisee entity name, assumed name, d/b/a or state trademark that is filed on registered with any governmental authority without our prior written consent.

You may only use the trademarks with the letters “TM” or “SM” or “®” as appropriate. You are prohibited from using any trademark in the sale of any unauthorized product or service or in any manner not expressly authorized in writing by us. You are required to adhere fully and strictly to all security procedures required by us for maintaining the secrecy of proprietary information.

As of the Issue Date, we are not aware of any effective determinations by the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any state or any court or pending interference, opposition or cancellation proceeding, or pending material litigation involving the trademarks. There are no agreements currently in effect which significantly limit our rights to use or license the use of the trademarks. As of the Issue Date, we are not aware of any superior rights in or infringing uses of the trademarks that could materially affect your use of the trademarks in your territory.

You are obligated to immediately notify us when you learn about an infringement of or challenge to your use of our trademarks. We will have the discretion to take the action we deem appropriate. We are not obligated to protect any rights which you have to use the trademarks, or to protect you against claims of infringement or unfair competition. You are given the right to protect yourself, at your sole cost, from any of these claims if we elect not to prosecute the claim of infringement or unfair competition; however, we have the right to control any administrative proceedings or litigation involving the trademarks, and you will

proceed in strict coordination and oversight by us. You may not act contrary to our rights in the marks. We are not required to defend or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the licensed trademark.

You may not contest, directly or indirectly, our right and interest in our trademarks, names or marks, trade secrets, methods, and procedures which are part of our business and agree to execute documents and assurances necessary to effectuate these provisions. Any goodwill associated with the trademarks or system belongs exclusively to us.

You may not use any Proprietary Mark as part of any corporate name or with modifying words, terms, designs, or symbols except for those licensed by us. You may not use the Proprietary Marks in any manner other than as specifically authorized in connection with your Franchised Business or as otherwise approved by us in writing.

ITEM 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We do not own any registered patents or pending patent applications with the USPTO that we license to you for use in connection with your Franchised Business. Certain of our Approved Suppliers may have patent protection or filings associated with the Designated Equipment, but we do not have any ownership interest in the same.

We have not registered our Manual(s) or any other writings or intellectual property associated with the System with the United States Copyright Office, but we do claim copyright protection in our Manuals and certain other System components. We also claim any applicable trade secret or common law protection with regards to that System information that is protected under such laws.

You may use our proprietary information but only in connection with the system. As mentioned above, portions of our System may constitute a trade secret or otherwise be confidential and proprietary to us. You must also promptly tell us when you learn about unauthorized use of any proprietary information. We are not obligated to take any action but will respond to this information as we believe appropriate. If applicable, we have the right to control any administrative proceedings or litigation. We are not required to defend or indemnify you for any damages from a proceeding based on copyright. You must modify or discontinue the use of any copyright, at your cost, if we modify or discontinue it, in our reasonable discretion.

With regards to our proprietary information, the franchise agreement also provides that you will: (a) strictly follow all confidential security procedures required by us, (b) disclose this information to your employees only as needed to market our products and services; (c) not use this information in any other business; (d) exercise the highest degree of diligence to maintain this information as confidential; and (e) promptly notify us if you learn of any unauthorized use of our trade name, trade secrets or proprietary information. Your use of our proprietary information is limited to the uses required or allowed by us.

We claim other copyrights in sales literature and marketing materials which we, or our franchisees develop for our use and for use by our franchisees, and your use of these materials will be limited to the uses required or allowed by us. To our knowledge, there are presently no superior rights in or infringing uses of the copyrights or patents that could materially affect your use of the copyrights or patents in your territory.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We encourage, but do not require, you to personally supervise and manage the day-to-day operations of your Franchised Business while on-site at the Premises. We do, however, prefer to select Franchisees who favor and appear committed to a “hands on” and well-informed approach to the business.

If you are not willing or not able to be the full-time operator of a given Franchised Business, then you will be required to engage a manager and have them complete our training program (the “Designated Manager”). The Designated Manager is not required to hold equity interest in the franchisee entity. Any and all Designated Manager(s) must sign our prescribed form of Confidentiality and Non-Competition Agreement. If and when an Designated Manager leaves his/her/their employment at your Franchised Business, you must recruit a new Designated Manager within thirty (30) days and submit the replacement’s qualifications to us for our review and approval (which may be conditioned on completion of all training and other management criteria) before substituting a new Designated Manager in connection with any Franchised Business (unless you resume taking over the day-to-day operations of the Franchised Business on a full-time basis).

Your Franchised Business must, at all times, be managed and staffed with at least one (1) individual who has successfully completed the components of the Initial Training Program associated with being an owner/operator or Designated Manager. The only restriction we place on the manager of your business is that the manager must execute a confidentiality and non-competition agreement with Franchisee (and Franchisee must ensure that it retains a copy thereof and provides a copy to us).

Each of your principal owners and their respective spouse, if applicable, must sign the franchise agreement, in the form of Exhibit B, as either the franchisee or the guarantor. In either event, by signing the franchise agreement each franchisee owner and their respective spouse(s), as applicable, agree to perform, and guarantees, all of the franchisee’s obligation to us and our affiliates (including the obligations under this Agreement) and agrees to be bound by the restrictive covenants, the confidentiality provisions and certain other provisions contained in the Franchise Agreement. In addition to the Franchise Agreement, both you and your spouse may be required to sign guarantees of performance in which you will guarantee the performance of your Franchisee (an entity) under the Franchise Agreement.

You will be solely responsible for all employment-related decisions associated with your Franchised Business personnel, including hiring, firing, scheduling and compensation. Nothing in the Franchise Agreement or Multi-Territory Addendum is intended, or may be construed to, establish or create any kind of employer-employee or joint employer relationship between (a) us, and (b) you and your personnel.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all of the products which we require and only the products which we authorize for the System, in the manner we prescribe. You will not offer to sell or provide at or through the Franchised Business any merchandise, equipment, products or services that have not approved in advance in writing, or use the premises for any other purpose other than the operation of the Franchised Business.

We have the right to require you to offer and sell additional or different equipment, products or services as we may designate. There are no limits on our right to do so. You are not allowed to solicit customers outside of your Marketing Area without our prior written approval. You will at all times maintain sufficient levels of inventory to adequately satisfy consumer demand. You must stop using offering disapproved products or services immediately upon notice that such services or products have been discontinued. We reserve the right to charge you a fine per occurrence if you sell or offer disapproved products or services. If the law prohibits the use or sale of any product or service, use must cease immediately.

Your grant of a Franchised Business does not include: (i) any right to offer any services via e-commerce except through a website designated by us; (ii) any right to establish an independent website or to establish a URL incorporating the Proprietary Marks or any variation thereof; or (iii) any right to distribute, market, or implement our services in any channel of distribution not specifically identified in the Franchise Agreement.

You will be obligated to offer and sell those new products and to participate in all local, regional and promotional program initiatives and campaigns adopted by us in which we require you to participate. We have the right to designate which of our franchisees may, or will be required to, participate in new product or service tests, new or modified product or service offerings and other programs and initiatives that we may, from time to time, develop. If we designate you for participation in any such program, initiative or campaign, you must participate when and as required by us. There are no limits on rights to require you to offer and sell those new products or to participate in those programs, initiatives and campaigns.

BACKGROUND

A. Franchisor and its affiliate/principals, as a result of the expenditure of time, skill, effort, and money, have developed and own a unique system (the “System”) related to the development, opening, and ongoing operation of a business (each, a “System Business”) that is authorized to provide the following services (collectively, the “Approved Services”):

(i) Acquire, market, offer, sell and/or otherwise distribute electric charging ports, stations and related equipment that is (a) designed for use in connection with charging and powering electric or hybrid vehicles, and (b) Franchisor designates and prescribes (collectively, the “Designated Equipment”);

(ii) Sell and arrange for the installation of the Designated Equipment to residential and/or commercial properties located within a given geographical area or “territory” (each, an “Authorized Property”), all pursuant to a form of services agreement (a “Services Agreement”) that is entered into with the owner and/or other controlling party of such properties (each, a “Client”);

(iii) Facilitate the installation of the Designated Equipment utilizing certain suppliers with whom Franchisor has established a relationship with respect to said equipment and the installation and placement services for the same (each, a “Designated Provider”), pursuant to and consistent with the terms of each Services Agreement negotiated with the Client at issue;

(iv) Provide and perform ongoing monitoring, maintenance and other ongoing customer service obligations to each Client in connection with the Designated Equipment placed at a given Authorized Property, either directly or in conjunction with one (1) or more Designated Providers, consistent with the ongoing obligations set forth in the governing form of Services Agreement; and

(v) Any other services that Franchisor determines to designate or approve in writing.

B. Franchisor’s System is comprised of various proprietary and, in some cases, distinguishing components and/or practices, including: (i) established relationships with the Designated Providers and certain other suppliers and providers that provide services relevant to the establishment, launch and ongoing operation of the Franchised Business (each, an “Approved Supplier”); (ii) methodology and procedures for the promotion, offer, sale and performance of the Approved Services; (iii) standards and specifications, as well as guidelines and recommendations, with regards to the form of Services Agreement and types of Designated Equipment that will be authorized as part of the Approved Services; (iv) various other standards, specifications, requirements and/or guidelines with regards to the establishment, launch and ongoing operation of the Franchised Business, including certain marketing collateral, sales and development of a System Business from a premises; (v) information regarding potential Authorized Properties relevant to the

provision of the Approved Services; (vi) standards and specifications for the furniture, fixtures and equipment, including computer hardware and system, that must be used in connection with an Franchised Business; (vi) Franchisor's confidential and proprietary operations manual and, at Franchisor's option, other instructional manuals that have been reduced to writing (collectively, the "Manual(s)"); and (vii) standards and specifications for advertising, bookkeeping, sales and other aspects of operating an Franchised Business.

C. The parties agree and acknowledge that Franchisor may change, improve, further develop, or otherwise modify the System from time to time as it deems appropriate in its discretion. Franchisee hereby acknowledges and agrees that: (i) while the System and Franchisor's related materials contain information that, in isolated form, could be construed as being in the public domain, they also contain significant proprietary and confidential information that makes the System unique as a whole; and (ii) the combined methods, information, procedures, and theories that make up the total System or are contained in the relevant manuals that are proprietary and confidential.

D. The System has and will continue to be identified by the service marks, trademarks, logos, trade dress and other indicia regarding source that Franchisor designates (collectively, the "Proprietary Marks"), which (i) currently includes the primary mark 4EVERCHARGE™, and (ii) Franchisor may modify, update, supplement or substitute in the future.

E. Franchisor is in the business of granting qualified individuals and entities a franchise for the right to independently own and operate a System Business that is authorized to utilize the Proprietary Marks and System at and from a location that Franchisor approves in writing.

F. Franchisee recognizes the benefits derived from being identified with Franchisor, appreciates and acknowledges the distinctive and valuable significance to the public of the System and the Proprietary Marks, and understands and acknowledges the importance of Franchisor's high and uniform standards of quality, appearance, and service to the value of the System.

G. Prior to entering into this Agreement, Franchisee has submitted a franchise application and has otherwise provided various information, representations, warranties to Franchisor based on Franchisee's desire to acquire the rights associated with independently own and operate a System Business as part of Franchisor's franchise network (a "Franchised Business").

H. Based upon the representations and other information provided by Franchisee in the Franchisee Application, Franchisor is willing to award Franchisee the right to own and operate a Franchised Business, subject to and in accordance with the terms and conditions set forth in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. PREAMBLES, ACKNOWLEDGEMENTS AND REPRESENTATIONS OF FRANCHISEE

A. Franchisee acknowledges and represents that Franchisor, itself or through any officer, director, member, manager, employee, or agent, has not made, and Franchisee has not received or relied upon, any oral, written, visual, express, or implied information,

representations, warranties, guarantees, or promises regarding the amount of sales levels or income Franchisee might expect to earn from the franchise granted hereby, except as set forth in the form of Franchise Disclosure Document that Franchisor disclosed to Franchisee prior to entering into this Agreement (the “Applicable FDD”).

- B. Franchisee acknowledges that: (i) the electronic vehicle charging industry is rapidly developing and increasingly competitive as of the date of this Agreement; and (ii) Franchisee’s success in connection with the franchise granted hereunder will be largely dependent upon Franchisee’s ability as an independent businessperson, including generating and converting potential Client leads and identifying potential and appropriate Authorized Properties within the Designated Territory, as well as working with Approved Suppliers to ensure that the Approved Services are performed in accordance with the terms of any Service Agreement that Franchisee determines to execute.
- C. Franchisee has consulted with Franchisee’s own advisors with respect to the legal, financial, and other aspects of this Agreement, the business franchised hereby, and the prospects for such business. Franchisee has consulted with such advisors or has deliberately declined to do so.
- D. Any written inquiries made to Franchisor by Franchisee pertaining to the nature of this franchise were answered in writing to the satisfaction of Franchisee.
- E. Franchisee has had the opportunity and adequate time to independently investigate, analyze, and construe both the franchise being offered hereunder and the terms and provisions of this Agreement utilizing the services of legal counsel, accountants, and other advisors (if Franchisee so elects).
- F. Any and all applications, financial statements, and representations submitted to Franchisor by Franchisee, whether oral or in writing, were complete and accurate when submitted and are complete and accurate as of the date of execution of this Agreement unless the same has been otherwise amended in writing. Franchisee states that he/she is not presently involved in any business activity that could be considered competitive in nature, unless heretofore disclosed to Franchisor in writing.
- G. Franchisee agrees not to contest, directly or indirectly, Franchisor’s ownership, title, right, or interest in its names or Proprietary Marks, trade secrets, methods, procedures, know-how, or advertising techniques which are part of Franchisor’s business, or contest Franchisor’s sole right to register, use, or license others to use such names or Proprietary Marks, trade secrets, methods, procedures, or techniques.
- H. Franchisee represents and warrants that Franchisee is not a party to or subject to any order or decree of any court or government agency which would limit or interfere in any way with the performance by Franchisee of the obligations under this Agreement and that Franchisee is not a party, and has not within the last ten (10) years been a party, to any litigation, bankruptcy, or legal proceedings other than those heretofore disclosed to Franchisor in writing.
- I. Franchisee agrees and acknowledges that it is solely responsible for ensuring that: (i) it acquires and maintains all business licenses, permits and approvals, including those related to the provision of any Approved Services, that are necessary to operate the Franchised

Business within the Designated Territory (defined below); and (ii) the Franchised Business is otherwise operated in full compliance with all federal, state and local laws and regulations where the Franchisee is located at all times during the term of this Agreement. Franchisee specifically agrees and acknowledges that it will determine whether or not any type of contractor license or similar license/certification is needed to conduct the Franchised Business and, if such a license is required, Franchisee will obtain such license/certification prior to operating the Franchised Business in any manner. Franchisor shall have no liability in the event the development or operation of the Franchised Business violates any law, ordinance or regulation.

- J. Franchisee agrees and acknowledges that: (i) Franchisor may enter into franchise agreements with other franchisees that may contain provisions, conditions, and obligations that differ from those contained in this Agreement, including without limitation, franchise agreements for the operation of an Franchised Business; and (ii) the existence of different forms of agreement and the fact that Franchisor and other franchisees may have different rights and obligations does not affect the parties' duty to comply with the terms of this Agreement.
- K. The parties agree and acknowledge that all provisions and information set forth in the "Background" portion of this Agreement above, including all definitions and representations set forth therein, are hereby incorporated by reference as if fully set forth herein.
- L. 2. **GRANT OF FRANCHISE**

- A. **Grant of Franchise.** Franchisor hereby grants Franchisee, subject to the terms, conditions, and obligations of this Agreement, a non-exclusive right and license to use the Proprietary Marks and receive the other benefits of the System in connection with the establishment and operation of the Franchised Business within the Designated Territory, as detailed more fully below in this Section and in accordance with the terms of this Agreement.
- B. **Approved Premises.** Franchisee understands and acknowledges that Franchisor's standard franchise offering expects that Franchisee will operate the Franchised Business from a home office or other existing premises that has: (i) a dedicated space from which Franchisee can perform marketing, sales and other back-office functions; (ii) a dedicated space where Franchisee can store and/or warehouse the initial and ongoing stock of Designated Equipment required by this Agreement until such time that said equipment is being placed at one (1) or more Authorized Properties within the Designated Territory; and

1. In the event Franchisee has a “home office” and/or other site that satisfies the Site Criteria, then that location will be set forth as the approved site for the Franchised Business (the “Premises”) in the Data Sheet attached to this Agreement as Exhibit A (the “Data Sheet”) at the time this Agreement is executed.
2. If Franchisee does not have a site located within the Designated Territory (as defined below) that meets Franchisor’s then-current Site Criteria, then Franchisee must propose and secure a site the Franchisor approves in writing and designates in the Data Sheet prior to the launch of the Franchised Business.
3. The parties understand and acknowledge that, until such time that Franchisee determines to lease a third-party premises once it has been operating for a period of six (6) or more months, Franchisor does not expect to provide any Site Criteria or related guidelines or directives in connection with the Premises.

C. **Designated Territory.**

1. The geographical area wherein Franchisee may market, promote, service prospective Client Properties and otherwise operate the Franchised Business will be described, by map or otherwise, in the Data Sheet at the time this Agreement is executed (the “Designated Territory”).

During the term of this Agreement and subject to the reserved rights detailed in Sections 2(D) and 2(E) below, Franchisor agrees that it will not launch or operate, or license any third party the right to provide the Approved Services, via any other System Business utilizing the Proprietary Marks within the Designated Territory.
3. If and as applicable, the parties agree and acknowledge that Franchisee’s rights, obligations and covenants under this Agreement shall apply to any additional territorial rights that Franchisee is granted in connection with the Franchised Business if and as set forth in a separate form of multi-territory addendum that Franchisee executes contemporaneous or otherwise in connection with this Agreement (a “Multi-Territory Addendum”). Absent such a Multi-Territory Addendum, Franchisee’s territorial and/or other franchise rights shall be limited to those set forth in the single Designated Territory set forth in the Data Sheet.

- D. **Reservation of Rights.** Notwithstanding anything contained in this Agreement, Franchisor and its affiliates hereby reserve the exclusive right to: (i) own and operate franchised businesses at any location(s) outside of the Designated Territory under the Proprietary Marks, or to license others the right to own and operate System Businesses under the Proprietary Marks, in any geographical location outside the Designated Territory; (ii) the right to own and operate business concept(s) under different marks at any location(s) inside or outside of the Designated Territory, or license to others the right to own and operate such businesses, under different marks at any location(s) inside or outside of the Designated Territory; (iii) use the Proprietary Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including the sale of the Approved Products in wholesale and retail stores, via the Internet, and through mail order catalog, without regard to location; and (iv) use the

Proprietary Marks and System, and license others to use the Marks and System to engage in any other activities not expressly prohibited in this Agreement.

- E. **Rights Not Granted.** Franchisee acknowledges and agrees that this Agreement does not grant Franchisee any right or option to open any additional Franchised Businesses nor does this Agreement provide Franchisee with any right to sub-license or sub-franchise any of the rights granted hereunder. Franchisee may not use the Proprietary Marks or System for any purpose other than promoting and operating the Franchised Business at the Premises and within the Designated Territory. Franchisor will have sole discretion as to whether it decides to grant Franchisee the right to open any additional Franchised Businesses, each of which will be governed by a separate form of Franchisor's then-current franchise agreement.

F. **Approved Vehicle; Process of Approval of Existing Vehicle(s) Prior to Launch.**

1. 2. Provided Franchisee (a) has a vehicle that is in good working condition, (b) Franchisee proposes that vehicle to Franchisor in writing prior to launching the Franchised Business, and (c) Franchisor determines that said vehicle is reasonably presentable and appropriate for purposes of interacting with prospective and/or current clientele (each, an "Existing Vehicle"), then: (i) Franchisor will not unreasonably withhold its approval of such Existing Vehicle for use in connection with the Franchised Business prior to the initial launch of the Franchised Business; and (ii) all references to the "Approved Vehicle" in this Agreement shall mean said Existing Vehicle(s) for so long as they meet the criteria set forth in this subsection and Franchisor's then-current Manuals.

Once Franchisee has been open and operating for a period of at least three (3) years, Franchisor shall have the right to require Franchisee to undertake the steps necessary to acquire and utilize a vehicle wrap, magnetic signage and/or comparable branding that Franchisor (a) designates in the Manuals, and (b) notifies Franchisee with at least 60 days prior written notice of, via said Manuals (the "Vehicle Signage").
4. In the event Franchisor determines to update its Vehicle Signage and require System franchisees to adopt the same, Franchisor will not require such a change be made in connection with an existing Approved Vehicle until at least 12 months from the date Franchisor implements and conveys such an update in its Manuals or otherwise in writing.

- G. **Modification of System.** Franchisor reserves the right to supplement, revise or otherwise modify the System or any aspect/component thereof, and Franchisee agrees to promptly accept and comply with any such addition, subtraction, revision, modification or change and make such reasonable expenditures as may be necessary to comply with any change that Franchisor makes to the System. Any change or modification that Franchisor makes to the System will not materially alter Franchisee's fundamental rights under this Agreement.

Moreover, Franchisor will provide Franchisee with a reasonable amount of time to comply with any change or modification to the System once Franchisee has been notified of such change/modification in writing (via the Manuals or otherwise).

Failure to provide such notice to Franchisor will be deemed an indication that Franchisee does not wish to renew the franchise relationship. Franchisor shall not unreasonably withhold its approval of such requests for renewal, provided Franchisee complies with the following conditions:
1. Franchisee must not have: (i) any uncured material defaults under this Agreement (including any monetary defaults) or any other agreement between Franchisee and Franchisor or the landlord of the Premises, either at time of Franchisee’s renewal request or at the time of renewal; and (ii) received more than three (3) separate, written notices of material default from Franchisor with respect to this Agreement in the 12-month period preceding the renewal request date or renewal date.

 4. At Franchisor’s option, Franchisee and/or its Designated Manager (as defined in this Agreement and if applicable) attends a prescribed refresher training course at least thirty (30) days before the expiration of the then-current term of this Agreement. Franchisee will be responsible for all expenses incurred in connection with attending this refresher training.
 5. Franchisee executes a general release under seal, in a form satisfactory to Franchisor, of any and all claims it may have against Franchisor and its officers, directors, shareholders, and employees in their corporate and individual capacities, including without limitation, all claims arising under any federal, state, or local law, rule or other ordinance.
 6. Franchisee must have participated in and supported the training procedures, purchasing, marketing, advertising, promotional, and other operational and training programs recommended or provided by Franchisor to the satisfaction of Franchisor.
 7. Franchisee agrees, at its sole cost and expense, to re-image, renovate, refurbish, and

- J. **Acknowledgements.** With respect to Franchisee's use of the Proprietary Marks pursuant to this Agreement, Franchisee acknowledges and agrees that:
1. Franchisee shall not use the Proprietary Marks as part of Franchisee's corporation or any other business name, domain name, e-mail address or any social media or social networking profile/page;
 2. Franchisee shall not hold out or otherwise use the Proprietary Marks to perform any activity or incur any obligation or indebtedness in such a manner as might in any way make Franchisor liable therefor without Franchisor's prior written consent; and
 3. Franchisee shall execute any documents and provide such other assistance as deemed necessary by Franchisor or its counsel to obtain protection for Proprietary Marks or to maintain the continued validity of such Proprietary Marks.
- K. **Use Outside Scope.** Franchisee acknowledges that the use of the Proprietary Marks outside the scope of this license without Franchisor's prior written consent is an infringement of

- L. **Notification of Infringement.** Franchisee shall notify Franchisor within three (3) calendar days of any suspected infringement of, or challenge to, the validity of the ownership of, or Franchisor's right to use, the Proprietary Marks licensed hereunder. Franchisee will not communicate with any persons other than Franchisor or Franchisor's legal counsel in connection with any such infringement, challenge, or claim. Franchisee acknowledges that Franchisor has the right to control any administrative proceeding or litigation involving the Proprietary Marks. In the event Franchisor undertakes the defense or prosecution of any litigation relating to the Proprietary Marks, Franchisee agrees to execute any and all documents and to do such acts and things as may be necessary in the opinion of counsel for Franchisor to carry out such defense or prosecution.
- M. **Indemnification Regarding Marks.** Franchisor will indemnify and defend Franchisee against any third-party claim brought against Franchisee that arises solely out of Franchisee's authorized use of the Proprietary Marks licensed under this Agreement in connection with the Franchised Business, provided: (i) such use is in full compliance with Franchisor's standards and specifications; and (ii) Franchisee notifies Franchisor in writing of this third-party claim within three (3) calendar days of receiving notice or otherwise learning of the claim. Franchisor will have complete control over the defense and, if appropriate, settlement negotiations and resolution regarding the claims described in this Section, including the right to select legal counsel Franchisor deems appropriate. Franchisee must fully cooperate with Franchisor in connection with Franchisor's defense or settlement of any third-party claim that Franchisor determines to take control of under this Section 7. Notwithstanding anything in this Section to the contrary, the parties agree and acknowledge that Franchisor's liability under this Section shall not exceed the Initial Franchise Fee paid under this Agreement.

8. **OPERATIONS MANUALS AND CONFIDENTIAL INFORMATION GENERALLY**

- A. **Manual(s) Generally.** Franchisor will loan or provide online access to a copy of the Manuals to Franchisee. The Manuals shall at all times remain the sole property of Franchisor and any and all copies (hard copies or electronic files) of the Manuals must be returned to Franchisor upon termination or expiration and non-renewal of this Agreement. In order to protect the reputation and goodwill of Franchisor and the System, and to maintain uniform standards of operation under Franchisor's Proprietary Marks, Franchisee shall conduct the Franchised

Business in strict accordance with Franchisor's Manuals. In order for Franchisee to benefit from new knowledge, information, methods, and technology adopted and used by Franchisor in the operation of the System, Franchisor may from time to time revise the Manuals, and Franchisee agrees to adhere to and abide by all such revisions (at its expense). Franchisee agrees at all times to keep its copy of the Manuals current and up-to-date. Franchisee agrees that it will have no proprietary interest in any work product developed or used by it that arises out of the operation of the Franchised Business. Franchisee will, from time to time as may be requested by Franchisor, do all things that may be necessary to establish or document Franchisor's ownership of any such work product, including without limitation, the execution of assignments.
- D. **Trade Secrets and Confidential Information.** The confidentiality requirements set forth in the preceding paragraph will remain in full force and effect during the term of this Agreement and in perpetuity after its termination or expiration and non-renewal. Franchisor's trade secrets and proprietary/confidential information include the following:
1. The content of any Manual(s);
 2.  3. Any and all information and materials, including all items covered by copyright or any other intellectual property, associated with any proprietary software used in connection with the system;
 4. 5. Any other information that may be imparted to Franchisee from time to time and designated by Franchisor as confidential (collectively, the “Confidential Information”).
- E. **Confidential Information as Property of Franchisor.** Franchisee acknowledges and agrees that the Confidential Information, which includes the Client Data, and any business goodwill of the Franchise are Franchisor’s sole and exclusive property and that Franchisee will preserve the confidentiality thereof. Upon the termination or expiration and non-renewal of this Agreement, all items, records, documentation, and recordings incorporating any Confidential Information will be immediately turned over by Franchisee, at Franchisee’s sole expense, to Franchisor or to Franchisor’s authorized representative.
- F. **Information Not Confidential.** Excepted from Confidential Information for purposes of non-disclosure to any third parties by Franchisee and/or its Restricted Persons (as defined in Section 8(H) below) is information that:
1. Becomes publicly known through no wrongful act of Franchisee or Restricted Persons; or
 2. Is known by Franchisee or Restricted Persons without any confidential restriction at the time of the receipt of such information from Franchisor or becomes rightfully known to them without confidential restriction from a source other than Franchisor.
- G. **Reasonable Efforts to Maintain Confidentiality.** Franchisee shall at all times treat the Confidential Information as confidential and shall use all reasonable efforts to keep such information secret and confidential, including without limitation, all logins/passwords/keys necessary to access any component of the Computer System or related software used in connection with the Franchised Business. Franchisee must obtain a signed copy of the Confidentiality and Restrictive Covenant Agreement from any such person prior to, or at the same time of, that person undertaking its role and/or employment or association with Franchisee or the Franchised Business. Franchisee’s spouse or significant other shall also be bound by the same requirement and shall sign the same Confidentiality and Restrictive Covenant Agreement. Franchisee must provide Franchisor with a copy of each signed Confidentiality and Restrictive Covenant Agreement within ten (10) days of Franchisor’s request. If Franchisee is not able to provide a signed form for any Restricted Person within that 10-day period and Franchisee is not able to cure such a breach of its obligations by having that Restricted Person sign and return the Confidentiality and

Restrictive Covenant Agreement, then Franchisor reserves the right to charge Franchisee a penalty fee amounting to \$1,000 in addition to any other remedies that Franchisor may have under this Agreement or applicable law.

9. **MARKETING, ADVERTISING AND PROMOTION**

- A. **Marketing and/or Advertising Programs.** Franchisor may from time to time develop and create advertising and sales promotion programs designed to promote and enhance the collective success of all or some of the Franchised Businesses operating under the System. Franchisee must participate in all such advertising and sales promotion programs in accordance with the terms and conditions established by Franchisor for each program. In all aspects of these programs, including without limitation, the type/quantity/timing/placement and choice of media, and market areas and advertising agencies, the System standards and specifications established by Franchisor shall be final and binding upon Franchisee. Franchisor may also request that Franchisee purchase and/or make copies of (and Franchisee's expense) and subsequently use certain other advertising or promotional materials that Franchisor designates for use in connection with the Franchised Business.
- B. **Franchisor Approval for All Materials/Efforts.** All advertising and promotion by Franchisee in any medium must be conducted in a professional manner and shall conform to Franchisor's standards and requirements as set forth in the Manuals or otherwise. Franchisee shall obtain Franchisor's approval of all advertising and promotional plans and materials twenty (20) days prior to use if such plans and materials have not been prepared by Franchisor or previously approved by Franchisor during the twelve (12) months prior to their proposed use. Franchisee must submit unapproved plans and materials to Franchisor, and Franchisor will have fifteen (15) days to notify Franchisee of its approval or disapproval of such materials. If Franchisor does not provide its specific approval of the proposed materials within this fifteen (15) day period, the proposed materials will be deemed rejected. Any plans and materials that Franchisee submits to Franchisor for its review will become Franchisor's property and there will be no restriction on Franchisor's use or dissemination of such materials. Once approved, Franchisee may use the proposed materials for a period of ninety (90) days, unless Franchisor prescribes a different time period for use or requires Franchisee to discontinue using the previously-approved materials in writing. Franchisor may revoke its approval of any previously-approved advertising materials upon notice to Franchisee. Franchisor reserves the right to require Franchisee to include certain language on all advertising to be used locally by Franchisee or to be used by a Cooperative, including, but not limited to, the phrase "Franchises Available" and references to Franchisor's telephone number and/or website.
- C. **Initial Marketing Spend.** Franchisee must spend at least \$10,000 on local advertisement and promotion of the grand opening of the Franchised Business ("Initial Marketing Spend"), in accordance with the marketing plan that Franchisor approves prior to or around the time of opening. Franchisor will have the right to (i) designate and/or approve any items or services to be covered by the Initial Marketing Spend, all of which Franchisee must propose prior to any use consistent with provisions above in this Section if not designated by Franchisor; and (ii) require Franchisee to acquire any such items or services from one (1) or more Approved Supplier(s) set forth in the Manual(s) or otherwise in writing.
- D. **Local Marketing Requirement.** Franchisee shall comply with the following requirements in regard to local advertising:
1. Commencing upon the launch of the Franchised Business, Franchisee must expend

an amount equal to up to two percent (2%) of Gross Sales generated by said Franchised Business operations in the preceding calendar month on the local marketing, advertising and promotion of the Franchised Business within the Designated Territory, consistent with any requirements and/or other then-current System standards or specifications set forth in the Manual(s) or otherwise in writing (referred to herein as the “Local Marketing Requirement” or “LMR”).

2. Franchisor may require Franchisee to prepare an initial comprehensive local advertising plan and program prior to opening the Franchise Business that details Franchisee’s budget and anticipated expenditures for the LMR for the Franchised Business’s first year of operations, which must be approved by Franchisor prior to opening. Franchisor may further require that Franchisee submit an annual LMR plan or program for each subsequent year of the Franchised Business’s operation on or before the beginning of the Franchised Business’s fiscal year that must be approved by Franchisor prior to implementation. Franchisor may from time to time provide to Franchisee, at Franchisee’s expense, such approved advertising and promotional plans and materials as Franchisor deems advisable. Franchisor may, as it deems necessary in its sole discretion, provide general guidelines for conducting local advertising so as to better assist Franchisee. Within thirty (30) days after the end of each month, Franchisee shall furnish to Franchisor an accurate accounting of the expenditures on local advertising for the preceding month.
3. Furthermore, Franchisee shall obtain listings and/or advertise with Franchisor and other franchisees of the System on electronic yellow pages directory and other online directors as Franchisor may designate, including Google Business® and other specific networks/directories set forth in the Manual(s).
4. In the event Franchisee does not comply with Franchisor’s requests regarding such online listings or advertisement, Franchisor reserves the right to place, modify, or remove such listings and advertisements on behalf of Franchisee. For any listings or advertisements that Franchisor posts on behalf of Franchisee due to Franchisee’s non-compliance under this Section, Franchisee shall promptly pay, upon demand by Franchisor, its pro rata share of the costs of such listings or advertisements. Upon termination, transfer, or expiration of this Agreement, Franchisee agrees to take any and all steps necessary to assist Franchisor in removing or assigning control of all listing under this Section to Franchisor.
5. Franchisee may not advertise and promote the Franchised Business outside of the Designated Territory, unless (a) the geographic area wherein Franchisee wishes to advertise is contiguous to the Designated Territory and that area has not been granted in connection with any other Franchised Business, or (b) Franchisor otherwise provides its prior written consent in writing. Nothing in this Section shall prevent or otherwise affect Franchisee’s right to continue servicing and corresponding with any Existing Account that Franchisee has assumed in accordance with the terms of this Agreement.
6. Franchisee may increase and/or otherwise modify the LMR upon 60 days’ prior written notice to Franchisee via the Manuals or otherwise in writing.

E. **Brand Development Fund.** Franchisor has established a brand development Fund that Franchisor may administer as it determines appropriate to market, advertise, promote and/or

otherwise develop the System, Proprietary Marks, Approved Services, System Business locations and/or Franchisor's brand generally. Franchisee is required to make weekly contributions to the Fund amounting to up to three percent (3%) of the Gross Sales generated by the Franchised Business over the immediately preceding reporting period of operations (the "Fund Contribution").

1. Franchisor may update or modify the Fund Contribution amount from the amount set forth in Item 6 of the FDD disclosed to Franchisee prior to entering into this Agreement upon 60 days written notice to the Franchisee. The parties further agree and acknowledge as follows in connection with the Fund.
2. The Fund is used by Franchisor to cover the costs of the following: (a) marketing materials designed by Franchisor and distributed on a national, regional and/or local level, including advertising materials and public relations which promote, in Franchisor's sole judgment, the services offered by System franchisees, as well as satisfy any and all costs of maintaining, administering, directing, preparing, producing, placing and distributing advertising, including without limitation: (i) the cost of producing, implementing, and placing television, radio, magazine, and newspaper advertising campaigns, (ii) the cost of direct mail and outdoor billboard advertising, (iii) the cost of public relations activities and employing third-party advertising agencies to manage advertisement placement, (iv) the cost of consumer surveys fees, co-op expenses, market research and an (800) number, (v) other advertising, digital/social media marketing, promotional or public relations efforts Franchisor determines, in its sole discretion, may benefit the System, (vi) personnel and other departmental costs for advertising Franchisor internally administers or prepares; (b) developing, maintaining, optimizing and marketing the brand and/or corporate site featuring the Proprietary Marks, as Franchisor deems necessary in its sole discretion; (c) the expenses and costs Franchisor determines to expend to otherwise further develop the brand and System Businesses generally, such as remote training tools for System franchisees to use to train their respective personnel, development of further educational and/or training programs with Designated Providers and/or other Approved Suppliers for use in connection with the System.
3. With respect to the marketing component of the Fund, Franchisor shall oversee all marketing program(s), with sole control over the creative concepts, materials and media used in such programs, and the placement and allocation thereof. Franchisor does not warrant that any particular franchisee will benefit directly or *pro rata* from expenditures by the Fund. The program(s) may be local, regional or System- wide.
4. Franchisee's Fund Contributions may be used to meet the costs of, or reimburse Franchisor for its costs of, producing, maintaining, administering and directing consumer advertising (including, without limitation, the cost of preparing and conducting direct mail, television, video, radio, Internet, magazine and newspaper advertising campaigns and other public relations activities; creating pitch books, sales contracts, work orders and media buys; developing and/or hosting an Internet web page or site, web development and similar activities; employing advertising agencies to assist therein; creating retail brochures; marketing training, meetings, education and other related activities; and providing promotional brochures, direct mail advertising pieces and other marketing materials to franchisees).

5. All Fund Contributions shall be maintained in a separate account from the monies of Franchisor and shall not be used to defray any of Franchisor's general operating expenses, except for such reasonable costs and expenses, if any, that Franchisor may incur in activities reasonably related to the administration of the Fund and/or the Fund activities.
 6. Franchisor may spend all Fund Contributions during Franchisor's fiscal year within which such contributions are made; however, Franchisor has no obligation or duty to do so. If excess amounts remain in any Fund at the end of such fiscal year, these excess amounts will roll over into the Fund for the following fiscal year.
 7. Franchisor has the right to suspend and/or dissolve the Fund at any time upon 60 days' prior written notice.
 8. An unaudited accounting of the operation of the Fund shall be prepared annually and shall be available to Franchisee upon written request after the unaudited accounting is prepared at least 120 days after Franchisor's fiscal year end at issue. Franchisor retains the right to have the Fund reviewed or audited and reported on, at the expense of the Fund, by an independent certified public accountant selected by Franchisor, but Franchisor is under no obligation to do so.
 9. Franchisee agrees and acknowledges that the Fund is not a trust and the Franchisor has no fiduciary duty to Franchisee in administering the Fund.
- F. **Advertising Council.** Franchisor may establish, if and when it deems appropriate in its sole discretion, a council to provide advice and guidance regarding the administration of the Fund and various other advertising/marketing matters (an "Advertising Council"). If Franchisor establishes an Advertising Counsel, it may serve in only an advisory capacity and may consist of franchisees, personnel from Franchisor's affiliate-owned Franchised Businesses, or other management/employees that Franchisor designates. If an Advertising Council is established, the membership of such Advertising Council, along with the policies and procedures by which it operates, will be determined by Franchisor. The recommendations of the Advertising Council shall not be binding on Franchisor.
- G. **Website.** Franchisor may establish an interior page on its corporate website to display the Premises and contact information associated with the Franchised Business for so long as (i) the Franchised Business is open and actively operating, and (ii) this Agreement is not subject to termination. If Franchisor creates and includes any information about Franchisee on a website, then Franchisor may require Franchisee to prepare all or a portion of the page, at Franchisee's expense, using a template that Franchisor provides. Franchisee may not establish any separate website or other Internet presence in connection with the Franchised Business, System or Proprietary Marks without Franchisor's prior written consent. If approved to establish a separate website, Franchisee shall comply with Franchisor's policies, standards and specifications with respect to the creation, maintenance and content of any such website. Franchisee specifically acknowledges and agrees that any website owned or maintained by or for the benefit of Franchisee shall be deemed "advertising" under this Agreement, and will be subject to (among other things) Franchisor's approval as described in this Section 9. Franchisee may not promote or otherwise list its Franchised Business, or the Proprietary Marks or System, on any social media or networking site, including without limitation, Facebook, LinkedIn, Instagram, Pinterest, Twitter or YouTube, without Franchisor's prior written consent. Franchisor shall have the right to modify the provisions

of this Section relating to Franchisee's use of separate websites and social media, as Franchisor determines necessary or appropriate. Franchisee must follow Franchisor's social media policies and directives as set forth in the Manuals, including the Policy and Procedures Manual and/or Marketing Manual.

- H. **Cooperatives.** Franchisor may establish regional advertising cooperatives that are comprised of multiple Franchised Business owners located within a geographical region that Franchisor designates (each, a "Cooperative"). If Franchisor establishes a Cooperative and designates Franchisee as a member thereof, Franchisee may be required to contribute to the Cooperative in a weekly specified amount. All amounts paid to a Cooperative will be credited towards Franchisee's LMR or Fund Contribution. Franchisor may specify the governing rules, terms and operating procedures of any Cooperative.

10. **ACCOUNTING AND RECORDS**

- A. **Maintenance of Records.** Franchisee must, in a manner satisfactory to Franchisor and in accordance with generally accepted accounting principles, maintain original, full, and complete register tapes, computer files, back-up files, other records, accounts, books, data, licenses, contracts, and product vendor invoices which shall accurately reflect all particulars relating to the Franchised Business, as well as other statistical and financial information and records Franchisor may require. All of this information must be kept for the duration of this Agreement and for a period of at least three (3) years thereafter. Upon Franchisor's request, Franchisee must furnish Franchisor with copies of any or all product or equipment supply invoices reflecting purchases by or on behalf of the Franchised Business. In addition, Franchisee shall compile and provide to Franchisor any statistical or financial information regarding the operation of the Franchised Business, the products and services sold by it, or data of a similar nature, including without limitation, any financial data that Franchisor believes that it needs to compile or disclose in connection with the sale of franchises or that Franchisor may elect to disclose in connection with the sale of franchises. All data provided to the Franchisor under this Section 10 shall belong to Franchisor and may be used and published by Franchisor in connection with the System (including in Franchisor's disclosure documents).
- B. **Examination and Audit of Records.** Franchisor and its designated agents shall have the right to examine and audit Franchisee's records, accounts, books, computer files and data, including the any proprietary software used in connection with the System, at all reasonable times to ensure that Franchisee is complying with the terms of this Agreement. If such audit discloses that Franchisee has underreported the Gross Sales of the Franchised Business (or any amount due to Franchisor) by two percent (2%) or more in any given reporting period (weekly, monthly or otherwise), then Franchisee must: (i) reimburse Franchisor any costs/expenses incurred in connection with conducting the inspection and audit; and (ii) immediately pay any amount due and owing Franchisor as a result of Franchisee's underreporting, along with any accrued interest on said amounts.
- C. **Computer System for Records.** Franchisee shall record all transactions of the Franchised Business on a Computer System designated or approved by Franchisor, which must contain software that allows Franchisee to record accumulated sales without turning back, resetting or erasing such sales. Franchisor will, at all times and without notice to Franchisee, have the right to independently and remotely access and view Franchisee's Computer System as described in Section 4(C) of this Agreement.

- D. **Computer System Files and Passwords.** Franchisee shall not install or load any computer software on the hard disks of the Computer System used in connection with the Franchised Business without Franchisor's prior written consent. All computer and file passwords associated with the Computer System must be supplied as a list to Franchisor by Franchisee, along with any modifications or changes to that list. The passwords to access the Computer System located at the Premises or used by the Franchised Business, as well as all computer files and records related to the Franchised Business, are the exclusive property of Franchisor and Franchisee must provide Franchisor with these files and information upon the termination or expiration of this Agreement. Consistent with the other provisions of this Agreement, Franchisee agrees and acknowledges that Franchisor may have automatic access to Franchisee's specific passwords/keys/logins through the Computer System components and related software that Franchisor requires Franchisee to use in connection with the Franchised Business.
- E. **Current Contracts, Listings and Projects.** At any time and upon request of Franchisor, Franchisee shall provide Franchisor with a copy or summary listing, at Franchisor's discretion, of all current contracts, listings, agreements, and projects related to Clients and/or properties that Franchisee is involved in or working with.
- F. **Tax Returns.** Upon Franchisor's request, Franchisee shall furnish the Franchisor with a copy of each of its reports, returns of sales, use and gross receipt taxes, and complete copies of any state or federal income tax returns covering the operation of the Franchised Business, all of which Franchisee shall certify as true and correct.
- G. **Right to Require Audit if Franchisee Underreports.** In the event a prior audit or inspection conducted by Franchisor (or its designee) has revealed that Franchisee has underreporting the Gross Sales of the Franchised Business by two percent (2%) or more for any reporting period as described in Section 10(B), then Franchisor may require Franchisee to provide, at the Franchisee's expense, audited financial statements that comply with GAAP and GAAS for Franchisee's fiscal year within 120 days of Franchisee's end.
- H. **Change to Ownership of Franchisee.** In addition to the foregoing statements, Franchisee must provide Franchisor with written reports regarding any authorized change to: (i) the listing of all owners and other holders of any type of interest (legal or beneficial) in Franchisee or the Franchised Business; and (ii) Franchisee's partners, officers, directors, as well as any of the Designated Manager(s) that manage the day-to-day operations of the Franchised Business. Franchisee will notify Franchisor in writing within ten (10) days after any such change, unless Franchisor is required to first notify Franchisor and obtain its approval prior to making any such change.

11. **INSURANCE**

- A. **Required Insurance.** Franchisee shall, at its own expense and no later than the earlier of (a) the date on which Franchisee uses any of the Proprietary Marks, or (b) the date Franchisee begins building out the Premises, procure and maintain in full force and effect throughout the term of this Agreement the types of insurance enumerated in the Manuals or otherwise in writing (whether the Franchised Business is open or not). This insurance shall be in such amounts Franchisor or the lessor of the Premises designates from time to time. In addition to any other insurance that may be required by applicable law, or by lender or lessor, Franchisee shall procure:

Franchisor may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, changing economic conditions, or other relevant changes in circumstances. All insurance policies Franchisee purchases must name Franchisor and any affiliate Franchisor designate as additional insureds, and provide for thirty (30) days' prior written notice to Franchisor of a policy's material modification or cancellation. The cost of Franchisee's premiums will depend on the insurance carrier's charges, terms of payment, and Franchisee's insurance and payment histories. Franchisee shall make timely delivery of certificates of all required insurance to Franchisor, each of which shall contain a statement by the insurer that the policy will not be cancelled or materially altered without at least thirty (30) days' prior written notice to Franchisor. The procurement and maintenance of such insurance shall not relieve Franchisee of any liability to Franchisor under any indemnity requirement of this Agreement.

- C. **General Contractor Insurance.** As required by applicable law, Franchisee shall cause the general contractor in connection with any Designated Equipment installation to maintain with a reputable insurer comprehensive general liability insurance, private liability, and independent contractors coverage) in at least the amount of Two Million Dollars (\$2,000,000), with Franchisor named as an additional insured, and workers' compensation and employer's liability insurance as may be required by law.
- D. **Failure to Procure and Maintain Insurance.** If Franchisee fails for any reason to procure and maintain the required insurance coverage, Franchisor has the right and authority (without having any obligation to do so) to immediately procure such insurance coverage, in which case Franchisee must: (i) reimburse Franchisor for the costs incurred to obtain the required insurance (including any premium amounts paid); and (ii) pay Franchisor its then-current administrative fee, as may be reasonably charged by Franchisor as consideration for securing the required insurance on Franchisee's behalf.

12. **INDEPENDENT CONTRACTOR AND INDEMNIFICATION**

- A. **No Fiduciary Relationship.** In all dealings with third parties, including without limitation, employees, suppliers, and customers, Franchisee shall disclose in an appropriate manner acceptable to Franchisor that it is an independent entity licensed by Franchisor. Nothing in this Agreement is intended by the parties hereto either to create a fiduciary relationship between them or to constitute the Franchisee an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of Franchisor for any purpose whatsoever.
- B. **Independent Contractor Relationship.** It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation or to create any obligation on behalf of Franchisor. Upon Franchisor's request, Franchisee must display a sign in its Franchised Business displaying the following phrase (or something similar): "This Franchised Business is independently owned and operated pursuant to a franchise agreement."
- C. **Indemnification.**
1. Franchisee, as a material part of the consideration to be rendered to Franchisor, agrees to indemnify, defend and hold Franchisor, as well as Franchisor's directors, officers, principals/owners, managers, shareholders, affiliates (including any affiliate supplier), subsidiaries, employees, servants, agents, successors and assignees (collectively, the "Indemnitees"), harmless from and against any and all losses, damage, claims, demands, liabilities and causes of actions of every kind or character and nature, as well as costs and expenses incident thereto (including reasonable attorneys' fees and court costs), that are brought against any of the Indemnitees (collectively, the "Claims") that arise out of or are otherwise related to Franchisee's (a) breach or attempted breach of, or misrepresentation under, this Agreement, and/or (b) ownership, construction, development, management, or operation of the Franchised Business in any manner. Notwithstanding the foregoing, at Franchisor's option, Franchisor may choose to engage counsel and defend against any such Claim and may require immediate reimbursement from the Franchisee of all expenses and fees incurred in connection with such defense. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

2. Franchisee will be solely responsible for all ordering and installation of the Designated Equipment at any Authorized Property, whether such installation is performed by Franchisee directly or via one (1) of Franchisor's Approved Suppliers. Franchisor will not be responsible or liable in connection with any claims involving the Designated Equipment and/or the installation of such equipment. Franchisee must indemnify and hold Franchisor (and/or its designated supplier) harmless in connection with any third-party claims or damages arising out of or related to claims arising out of or related to the foregoing responsibilities of Franchisee under this Agreement.

13. **TRANSFER AND ASSIGNMENT**

A. **No Transfer by Franchisee Without Franchisor's Approval.** Franchisee's rights under this Agreement are personal, and Franchisee shall not sell, transfer, assign or encumber Franchisee's interest in this Agreement or the Franchised Business (or undertake any of the actions identified in Section 13(C) of this Agreement) without Franchisor's prior written consent. Any sale, transfer, assignment or encumbrance made without Franchisor's prior written consent shall be voidable at Franchisor's option and shall subject this Agreement to termination as specified herein.

B. **Death or Disability.**

1. In the event of Franchisee's death, disability or incapacitation (or the death, disability or incapacitation of Franchisee's principals/owners/guarantors), Franchisee's legal representative, or Franchisee's partner's or guarantor's respective legal representative, as applicable, will have the right to continue the operation of the Franchised Business as "Franchisee" under this Agreement if: (i) within ninety (90) days from the date of death, disability or incapacity (the "90 Day Period"), such person has obtained Franchisor's prior written approval and has executed Franchisor's then-current franchise agreement for the unexpired term of the franchise, or has furnished a personal guaranty of any partnership, corporate or limited liability company Franchisee's obligations to Franchisor and Franchisor's affiliates; and (ii) such person successfully completes Franchisor's training program (which Franchisor will provide at Franchisor's then-current tuition rate). Such assignment by operation of law will not be deemed in violation of this Agreement, provided such heirs or legatees accept the conditions imposed by the Franchise Agreement and are acceptable to Franchisor.
2. Franchisor is under no obligation to operate the Franchised Business, or incur any obligation on behalf of any incapacitated franchisee, during or after the 90 Day Period. If necessary, Franchisee (or Franchisee's legal representative, as applicable) shall appoint a previously approved acting interim manager to operate the Franchised Business during the 90 Day Period. In the event of Franchisee's death, disability, absence or otherwise, Franchisor may (but is not required to) operate the Franchised Business on Franchisee's behalf and at Franchisee's expense for such period of time (and under such terms and conditions) as Franchisor determines, including paying out the assets and/or revenues of the Franchised Business to cover any or all past, current and/or future obligations of the Franchised Business (including any amounts owed to Franchisor and/or any affiliate) in such priorities as Franchisor determines in Franchisor's sole discretion. Franchisor may pay itself a reasonable amount to reimburse Franchisor for Franchisor's management services

and other costs. Franchisor may obtain approval of a court or arbitrator for any such arrangements, the attorney's fees and other costs incurred in connection with obtaining such approval to be charged against the assets and/or revenues of the Franchised Business. Franchisee (and/or Franchisee's estate) will indemnify Franchisor against any costs and/or liabilities incurred by it in connection with, or related in any way to, the operation (or otherwise) of the Franchised Business

3. Franchisor will not collect any transfer fee if there is a transfer under this Section 13(B) to an immediate family member of the Franchisee that Franchisor approves pursuant to Section 13(E).

C. **Ownership.** In addition to those acts described in Section 13(A), a transfer or assignment requiring Franchisor's prior written consent shall be deemed to occur: (i) if Franchisee is a corporation, upon any assignment, sale, pledge or transfer of any fractional portion of Franchisee's ownership shares/stock or any increase in the number of outstanding shares/stock of Franchisee's ownership/membership units that results in a change of ownership; (ii) if Franchisee is a partnership, upon the assignment, sale, pledge or transfer of any fractional partnership ownership interest; or (iii) if Franchisee is a limited liability company, upon the assignment, sale, pledge or transfer of any interest in the limited liability company. Any new partner, shareholder, or member or manager owning having an ownership interest in the surviving entity after the proposed transfer will be required to personally guarantee Franchisee's obligations under this Agreement. A transfer pursuant to (i) and (iii) above shall not be subject to Franchisor's right of first refusal as set forth in Section 13(D) so long as there is no change in control (ownership or otherwise) with respect to Franchisee.

D. **Right of First Refusal.** If (a) Franchisee proposes to transfer any of its interest in this Agreement or the Franchised Business or any interest in its lease for the Premises, or (b) Franchisee's owners propose to transfer any interest in Franchisee if Franchisee is an entity (other than a corporation or limited liability company as set forth in Section 13(C) hereof or in the event of Franchisee's death/disability as set forth in Section 13(B)), then Franchisee shall first offer to sell such interest to Franchisor on the same terms and conditions as offered by such third party. Franchisee shall obtain from the third party and provide Franchisor a statement in writing, signed by the third party and Franchisee, of the terms of the offer ("Letter of Intent"). If Franchisor elects not to accept the offer within a thirty (30) day period, Franchisee shall have a period not to exceed sixty (60) days to complete the transfer described in the Letter of Intent subject to the conditions for approval set forth in Section 13(E) of this Agreement. Franchisee shall effect no other sale or transfer as contemplated under the Letter of Intent without first complying with this Section. Any material change in the terms of the offer will be deemed a new proposal subject to Franchisor's right of first refusal. So long as Franchisee has obtained Franchisor's prior written consent, which shall not be unreasonably withheld, a transfer to an existing partner or shareholder, or a transfer as a result of the death, disability or incapacitation of a shareholder or partner, in accordance with the provisions set forth below, is not subject to Franchisor's first right of refusal.

E. **Conditions for Approval.** Franchisor may condition Franchisor's approval of any proposed sale or transfer of the Franchised Business or of Franchisee's interest in this Agreement or any other acts of transfer described in Section 13(C) upon satisfaction of the following occurrences:

1. All of Franchisee's accrued monetary obligations to Franchisor, Franchisor's

affiliates, and Franchisor's designated/approved suppliers and vendors, are satisfied;

2. Franchisee must cure all existing defaults under this Agreement, or any other agreement between Franchisee and Franchisor, Franchisor's affiliates, Franchisor's designated/approved suppliers and vendors, within the period permitted for cure and have substantially complied with such agreements during their respective terms;
3. Franchisee and Franchisee's principals (if Franchisee is a partnership, corporation or limited liability company), and the transferee (if it has had any previous relationship with Franchisor or Franchisor's affiliates), must execute a general release under seal, in a form satisfactory to Franchisor, of any and all claims against Franchisor and Franchisor's affiliates and officers, directors, shareholders and employees, in their corporate and individual capacities;
4. Franchisee or transferee shall provide Franchisor a copy of the executed purchase agreement relating to the proposed transfer with all supporting documents and schedules, including transferee's assumption of and agreement to faithfully perform all of Franchisee's obligations under this Agreement;
5. The transferee shall demonstrate to Franchisor's satisfaction that he or she meets Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement; however, transferee shall not be in the same business as Franchisor either as licensor, franchisor, independent operator or licensee of any other business or chain which is similar in nature or in competition with Franchisor, except that the transferee may be an existing franchisee of ours;
6. The transferee shall execute Franchisor's then-current franchise agreement (which may contain materially different terms than this Agreement) for the remaining balance of Franchisee's term under this Agreement, with transferee's term commencing on the date the transferee executes the then-current franchise agreement;
7. Franchisee or transferee shall pay Franchisor a transfer fee equal to \$10,000, except in the case of (i) a transfer to a corporation formed for the convenience of ownership, or (ii) for approved intra-family transfers or for a transfer which arises upon death or mental incompetency, where Franchisor has the right to charge an administrative fee amounting to up to \$1,000 to help defray its legal and other costs associated with the contemplated transfer;
8. Franchisee must cover any and all third-party broker fees associated with transfer, if and upon the such transfer being effectuated;
9. The transferee shall satisfactorily complete Franchisor's Initial Training Program within the time frame Franchisor sets forth without paying an additional tuition fee, but the transferee will be responsible for all costs and expenses associated with attending the Initial Training Program;

10. Franchisee (and Franchisee's principals/guarantors if Franchisee is a partnership, corporation or limited liability company) must comply with the post-termination provisions of this Agreement;
11. The transferee must demonstrate that it has obtained or maintained, within the time limits set by Franchisor, all permits and licenses required for the continued operation of the Franchised Business;
12. The agreement must provide for the assignment and transfer of any Designated Equipment and/or Service Agreement(s) owned by the Franchisee as of the date of the assignment;
13. To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer; and
14. The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises.

Franchisor will not unreasonably withhold its consent to a proposed transfer or assignment requested by Franchisee, provided the foregoing conditions are met. Franchisor's approval of a transfer shall not operate as a release of any liability of the transferring party nor shall such approval constitute a waiver of any claims Franchisor may have against the transferring party. Furthermore, Franchisor agrees that Franchisee will not be required to pay any transfer fee in the event: (i) Franchisee wishes to transfer its rights under the Franchise Agreement to a newly-established legal business entity that is wholly owned by Franchisee and established solely for purposes of operating the Franchised Business under the Franchise Agreement; or (ii) Franchisee is required to encumber certain assets of the Franchised Business (or subordinate Franchisor's security interest thereto) in order to receive SBA or other traditional bank financing, provided Franchisor otherwise approves of the transfer.

- F. **Transfer from an Individual Franchisee to Business Entity.** If Franchisee is an individual and desires to assign its rights under this Agreement to a corporation or limited liability company, and if all of the following conditions are met, Franchisor will consent to the transfer without assessing the transfer fee or training tuition fees set forth in Section 13(E)(7)-(8), and such assignment will not be subject to Franchisor's right of first refusal in Section 13(D): (i) the corporation or limited liability company is newly organized and its activities are confined to operating the Franchised Business; (ii) the entity at issue is wholly owned by Franchisee (and no other party); (iii) the corporation or limited liability company agrees in writing to assume all of Franchisee's obligations hereunder; and (iv) all stockholders of the corporation, or members and managers of the limited liability company, as applicable, personally guarantee prompt payment and performance by the corporation or limited liability company of all its obligations to Franchisor and Franchisor's affiliates, under this Agreement and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and execute the Personal Guaranty attached to this Agreement as Exhibit B.
- G. **Franchisor's Right to Transfer.** Franchisor has the irrevocable right to sell, transfer, assign and/or encumber all or any part of Franchisor's assets and Franchisor's interest in, and rights and obligations under, this Agreement in Franchisor's sole discretion.

14. COVENANTS

Franchisee acknowledges that, as a participant in Franchisor's System, Franchisee will receive proprietary and confidential information and materials, trade secrets, and the unique methods, procedures and techniques that Franchisor has developed. As such, Franchisee agrees to the covenants in this Section to protect Franchisor, the System, Proprietary Marks and Franchisor's other franchisees.

For purposes of this Agreement, a Competing Business does not include: (i) any business operated by Franchisee under a Franchise Agreement with Franchisor; or (ii) any business operated by a publicly-traded entity in which Franchisee owns less than two percent (2%) legal or beneficial interest;
2. Employ or seek to employ any person who is at that time employed by Franchisor, Franchisor's affiliates or any other System Business owner, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment thereat; or
3. Divert, or attempt to divert, any prospective customer to a Competing Business in any manner.

B. **After the Term of this Agreement.**

1. For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, its principals, owners and guarantors, nor any member of the immediate family of Franchisee, its principals, owners or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation, be involved with any business that competes in whole or in part with Franchisor by offering or granting licenses or franchises, or establishing joint ventures, for the ownership or operation of a Competing Business. The geographic scope of the covenant contained in this Section is any location where Franchisor can demonstrate it has offered or sold franchises as of the date this Agreement is terminated or expires.
2. For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, its principals, owners and guarantors, nor any member of the immediate family of

Franchisee, its principals, owners or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

- c. Divert, or attempt to divert, any prospective customer to a Competing Business in any manner.

C. **Intent and Enforcement.** It is the parties’ intent that the provisions of this Section 14 be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of Section 14 by Franchisee, any of Franchisee’s principals, or any member of the immediate family of Franchisee or Franchisee’s principals, Franchisor shall be entitled to an injunction restraining such person from any such actual or threatened breach. Franchisee acknowledges that the covenants contained herein are necessary to protect the goodwill of the Franchised Business, other System franchisees, and the System. Franchisee further acknowledges that covenants contained in Section 14 are necessary to protect Franchisor’s procedures and know-how transmitted during the term of this Agreement. Franchisee agrees that in the event of the actual or threatened breach of Section 14, Franchisor’s harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. Franchisee acknowledges and agrees on Franchisee’s own behalf and on behalf of the persons who are liable under this Section 14 that each has previously worked or been gainfully employed in other careers and that the provisions of Section 14 in no way prevent any such person from earning a living. Franchisee further acknowledges and agrees that the time limitation on the restrictive covenants set forth in Section 14(C) shall be tolled during any period where Franchisee is in violation or default of such provisions hereunder.

D. **Confidentiality and Restrictive Covenant Agreement.** Franchisee must ensure that all management personnel of the Franchised Business, as well as any officers and directors of Franchisee, execute Franchisor’s then-current form of Confidentiality and Restrictive

Covenant Agreement (which will be in substantially the same form as the document attached to the Franchise Disclosure Document). Franchisee must furnish Franchisor a copy of each executed agreement.

- E. **No Defense.** Franchisee hereby agrees that the existence of any claim Franchisee may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants contained in this Section 14. Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) that Franchisor incurs in connection with the enforcement of this Section 14.

15. **DEFAULT AND TERMINATION**

Franchisor may terminate this Agreement as described in this Section, and Franchisee agrees and acknowledges that the defaults, or failure to cure such defaults within the appropriate time period prescribed below (if any), shall constitute "good cause" and "reasonable cause" for termination under any state franchise laws or regulations that might apply to the operation of the Franchised Business.

- A. **Automatic Termination.** This Agreement will automatically terminate without notice or an opportunity to cure upon the occurrence of any of the following:

1. The Franchisee becomes insolvent or makes a general assignment for the benefit of creditors, unless otherwise prohibited by law;

Franchisee agrees to execute all documents necessary to comply with the obligations of this Section, including the form Conditional Assignment of Telephone/Facsimile Numbers and Domain Names attached to this Agreement as Exhibit F.

- D. **Cease Using Proprietary Marks.** Cease to use in advertising or in any manner whatsoever any methods, procedures, or techniques associated with the System in which Franchisor has a proprietary right, title, or interest, and cease to use the Proprietary Marks and any other marks and indicia of operation associated with the System.
1. Remove all trade dress, then Franchisee must remove physical characteristics, color combinations, and other indications of operation under the System from the Premises and from the Approved Vehicles (and provide documentation thereof to Franchisor as set forth in Section 16(G) below); and
 2. Upon Franchisor's request, Franchisee must provide all materials bearing the Proprietary Marks to Franchisor upon expiration or termination of this Agreement for any reason, without cost to Franchisor.
- E. **Compliance with Post-Term Covenants.** Strictly and immediately comply with the post-term covenants not to compete and other restrictive covenants set forth in Section 14 of this Agreement.
- F. **Payment of Amounts Due; Continued Payments in Connection with Any Designated Equipment Still Operating at an Applicable Property.**
1. Pay Franchisor, as well as each of Franchisor's Approved Suppliers, any and all amounts owed under this Agreement or otherwise in connection with the former Franchised Business within 10 days of the termination or expiration date.
 2. Ensure that Franchisor is paid the appropriate Royalty Fee in connection with any Designated Equipment that Franchisor and the Approved Supplier thereof mutually agree and determine to allow to continue to operate and provide charging services after the expiration or termination of this Agreement (the "Trailing Royalty Fees"), which the parties agreeing and acknowledging that such obligation in connection with the Trailing Royalty Fees shall specifically survive any expiration or termination of this Agreement.
- G. **Written Evidence of Compliance.** Provide Franchisor with written evidence that they have complied with the post-term obligations, within thirty (30) days' notice of termination or scheduled expiration of the franchise.
- H. **Purchase of Assets.** Afford and provide Franchisor the irrevocable option, but not the obligation, within thirty (30) days after the date of termination, expiration, and non-renewal of this Agreement to purchase any and all of Franchisee's operating assets from the Franchised Business at a purchase price equal to net depreciated book value. If Franchisor elects this option, Franchisor will deliver written notice to Franchisee. Franchisor will have the right to inspect equipment at any time during this thirty (30) day period. If Franchisor elects to purchase equipment as part of the asset purchase, Franchisor will be entitled to, and Franchisee must provide, all customary warranties and representations as to compliance

with law, the maintenance, function, and condition of the equipment and Franchisee's good title to the equipment (including, but not limited to, that Franchisee owns the equipment free and clear of any liens and encumbrances).

- I. **Disconnection of Telephone Number on Termination/Renewal.** Franchisee acknowledges that there will be substantial confusion among the public if, after the termination or expiration and non-renewal of this Agreement, Franchisee continues to use advertisements and/or the telephone number listed in the telephone directory under the mark 4EVERCHARGE or otherwise used in connection with the Franchised Business. Thus, effective upon the termination or expiration and non-renewal of this Agreement, Franchisee agrees to direct the telephone company servicing Franchisee, per Franchisor's request, to disconnect the telephone number used in connection with the Franchised Business or transfer such number to Franchisor or to any person or location of Franchisor's choosing. If Franchisee fails to take these steps, Franchisee shall be deemed to have hereby irrevocably appointed Franchisor as Franchisee's attorney-in-fact for purposes of directing and accomplishing such transfer. Franchisee understands and agrees that, notwithstanding any billing arrangements with any telephone company or yellow pages directory company, Franchisor will be deemed for purposes hereof to be the subscriber of such telephone numbers, with full authority to instruct the applicable telephone or yellow pages directory company as to the use and disposition of telephone listings and numbers. Franchisee hereby agrees to release, indemnify, and hold such companies harmless from any damages or loss as a result of following Franchisor's instructions.

17. **TAXES AND INDEBTEDNESS**

- A. **Taxes.** Franchisee must promptly pay when due any and all federal, state, and local taxes, including without limitation, unemployment, workers' compensation, lodging, and sales taxes which are levied or assessed with respect to any services or products furnished, used, or licensed pursuant to this Agreement and all accounts or other indebtedness of every kind incurred by Franchisee in the operation of the Franchised Business.
- B. **Debts and Obligations.** Franchisee hereby expressly covenants and agrees to accept full and sole responsibility for any and all debts and obligations incurred in the operation of the Franchised Business.

18. **WRITTEN APPROVALS; WAIVERS; FORMS OF AGREEMENT; AMENDMENT**

- A. **Franchisor's Approval.** Whenever this Agreement requires or Franchisee desires to obtain Franchisor's approval, Franchisee shall make a timely written request. Unless a different period is specified in this Agreement, Franchisor shall respond with its approval or disapproval within fifteen (15) days of receipt of such request. If Franchisor has not specifically approved a request within such fifteen (15) day period, such failure to respond shall be deemed as a disapproval of any such request.
- B. **No Waiver.** No failure of Franchisor to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Franchisor's right to demand exact compliance with any of the terms herein. No waiver or approval by Franchisor of any particular breach or default by Franchisee; no delay, forbearance, or omission by Franchisor to act or give notice of default or to exercise any power or right arising by reason of such default hereunder; and no acceptance by Franchisor of any payments due hereunder shall be considered a waiver or approval by Franchisor of

any preceding or subsequent breach or default by Franchisee of any term, covenant, or condition of this Agreement.

- C. **Terms of Other Franchise Agreements.** No warranty or representation is made by the Franchisor that all franchise agreements heretofore or hereafter issued by Franchisor in connection with a Franchised Business do or will contain terms substantially similar to those contained in this Agreement. Further, Franchisee recognizes and agrees that Franchisor may, in its reasonable business judgment due to local business conditions or otherwise, waive or modify comparable provisions of other franchise agreements heretofore or hereafter granted to other System franchise owners in a non-uniform manner.
- D. **Modification of System and Manuals.** Subject to the provisions in Section 22 and Franchisor's right to update and modify the System and Manuals consistent with applicable laws, the parties agree and acknowledge that no amendment, change, or variance from this Agreement shall be binding upon either Franchisor or Franchisee unless set forth in writing and signed by both parties.
- E. **No Disclaimers of Franchise Disclosure Document.** Nothing in this Agreement or in any related agreement is intended to disclaim the representations Franchisor has made in the franchise disclosure document.

19. **ENFORCEMENT**

- A. **Injunctive Relief.** The Franchisor or its designee shall be entitled to obtain without bond, declarations, temporary and permanent injunctions, and orders of specific performance in order to enforce the provisions of this Agreement relating to Franchisee's use of the Proprietary Marks, the obligations of Franchisee upon termination or expiration of this Agreement, and assignment of the franchise and ownership interests in Franchisee or in order to prohibit any act or omission by Franchisee or its employees which constitutes a violation of any applicable law or regulation, which is dishonest or misleading to prospective or current customers of businesses operated under the System, which constitutes a danger to other franchise owners, employees, customers, or the public or which may impair the goodwill associated with the Proprietary Marks.
- B. **No Withholding of Payments.** Franchisee agrees and acknowledges that it may not withhold payments or amounts of any kind due to Franchisor on the premise of alleged nonperformance by Franchisor of any of its obligations hereunder.
- C. **Costs and Attorneys' Fees.** If Franchisee is in breach or default of any monetary or non-monetary obligation under this Agreement or any related agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and Franchisor engages an attorney to enforce Franchisor's rights (whether or not formal judicial proceedings are initiated), Franchisee must reimburse Franchisor for all costs/expenses incurred in connection with enforcing its rights under this Agreement including all reasonable attorneys' fees, court costs and litigation expenses. If Franchisee institutes any legal action to interpret or enforce the terms of this Agreement, and Franchisee's claim in such action is denied or the action is dismissed, Franchisor is entitled to recover Franchisor's reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

21. GOVERNING LAW AND DISPUTE RESOLUTION

- A. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia, without reference to this state's conflict of laws principles.
- B. **Internal Dispute Resolution.** Franchisee must first bring any claim or dispute between Franchisee and Franchisor to Franchisor's President and/or Chief Executive Officer, after providing notice as set forth in Section 21(G) of this Agreement, and make every effort to resolve the dispute internally. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.
- C. **Mediation.** At Franchisor's option, all claims or disputes between Franchisee and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 21(B) above, will be submitted first to mediation to take place at Franchisor's then-current headquarters under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of

such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 21(C) if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information or other confidential information; (ii) any of the restrictive covenants contained in this Agreement; and (iii) any of Franchisee's payment obligations under this Agreement.

- D. **Injunctive Relief.** Franchisee acknowledges and agrees that irreparable harm could be caused to Franchisor by Franchisee's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, Franchisor shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to: (i) Franchisee's use of the Proprietary Marks and Confidential Information (including any proprietary software used in connection with the Franchised Business); (ii) the in-term covenant not to compete, as well as any other violations of the restrictive covenants set forth in this Agreement; (iii) Franchisee's obligations on termination or expiration of this Agreement; (iv) disputes and controversies based on or arising under the Lanham Act, or otherwise involving the Proprietary Marks, as now or hereafter amended; (v) disputes and controversies involving enforcement of the Franchisor's rights with respect to confidentiality under this Agreement; and (vi) to prohibit any act or omission by Franchisee or its employees that constitutes a violation of applicable law, threatens Franchisor's franchise system or threatens other franchisees of Franchisor. Franchisee's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Franchisee waives all damage claims if the injunction is wrongfully issued.
- E. **Venue.** Subject to Sections 21(A) through 21(D) above, the parties agree that any actions arising out of or related to this Agreement must be initiated and litigated to conclusion exclusively in the state court of general jurisdiction encompassing or closest to Newport News, Virginia or, if appropriate, the United States District Court for the Eastern District of Virginia. Franchisee acknowledges that this Agreement has been entered into in the Commonwealth of Virginia, and that Franchisee is to receive valuable and continuing services emanating from Franchisor's headquarters in Virginia, including but not limited to training, assistance, support and the development of the System. In recognition of such services and their origin, Franchisee hereby irrevocably consents to the personal jurisdiction of the state and federal courts of Virginia as set forth in this Section.
- F. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, owners, members, managers, agents and/or employees are express third party beneficiaries of the provisions of

this Agreement, including the dispute resolution provisions set forth in this Section 21, each having authority to specifically enforce the right to mediate/arbitrate claims asserted against such person(s) by Franchisee.

- G. **Notice Requirement.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchisee must notify Franchisor within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.
- H. **No Withholding of Payments.** Franchisee shall not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Franchisee under this Agreement or any related agreements.
- I. **Limitation of Actions.** Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one year after the Franchisee becomes aware of facts or circumstances reasonably indicating that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.
- J. **Waiver of Punitive Damages.** Franchisee hereby waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Franchisor arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that Franchisee's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages. Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages, including lost future royalties for the balance of the term of this Agreement if it is terminated due to Franchisee's default, which the parties agree and acknowledge Franchisor may claim under this Agreement.
- K. **WAIVER OF JURY TRIAL.** THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES.

- L. **WAIVER OF CLASS ACTIONS.** THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE FRANCHISED BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN FRANCHISEE, FRANCHISEE'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

22. SEVERABILITY AND CONSTRUCTION

- A. Should any provision of this Agreement for any reason be held invalid, illegal, or unenforceable by a court of competent jurisdiction, such provision shall be deemed restricted in application to the extent required to render it valid, and the remainder of this Agreement shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of such provision. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this paragraph shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision. Each party agrees to execute and deliver to the other any further documents which may be reasonably required to make fully the provisions hereof. Franchisee understands and acknowledges that Franchisor shall have the right in its sole discretion on a temporary or permanent basis, to reduce the scope of any covenant or provision of this Agreement binding upon Franchisee without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it will comply forthwith with any covenant as so modified, which shall be fully enforceable.
- B. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but such counterparts together shall constitute the same instrument.
- C. The table of contents, headings, and captions contained herein are for the purposes of convenience and reference only and are not to be construed as a part of this Agreement.

All terms and words used herein shall be construed to include the number and gender as the context of this Agreement may require. The parties agree that each Section of this Agreement shall be construed independently of any other Section or provision of this Agreement.

- (iv) within a 15-mile radius of any other designated territory that has been granted by Franchisor or its affiliates in connection with any Application Location; or

2.2.2 Solicit business from Clients of Franchisee's former Franchised Business or contact any of Franchisor's suppliers or vendors for any competitive business purpose, nor solicit any of Franchisor's other employees, or the employees of Franchisor's affiliates or any other System franchisee to discontinue employment.

2.2.3 Divert or attempt to divert business or customers of any Franchisee-owned Franchised Businesses to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks or the System.

3. **Intent and Enforcement.** It is the parties' intent that the provisions of this Article III be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of this Article III by you, any of your principals, or any members of their immediate family, Franchisor shall be entitled to an injunction restraining such person from any such actual or threatened breach. You agree that in the event of the actual or threatened breach of this Article III, Franchisor's harm will be irreparable and that

Franchisor has no adequate remedy at law to prevent such harm. You acknowledge and agree that each of you has previously worked or been gainfully employed in other careers and that the provisions of this Article III in no way prevents you from earning a living. You further acknowledge and agree that the time limitation of this Article III shall be tolled during any default under this Guaranty.

ARTICLE IV DISPUTE RESOLUTION

1. **Acknowledgment.** You acknowledge that this Guaranty is not a franchise agreement and does not confer upon you any rights to use the Franchisor's proprietary marks or its system.

2. **Governing Law.** This Guaranty shall be deemed to have been made in and governed by the laws of the Commonwealth of Virginia, without reference or regards to this states' conflict of laws principles.

3. **Internal Dispute Resolution.** You must first bring any claim or dispute arising out of or relating to the Franchise Agreement or this Personal Guaranty to Franchisor's President or other designated management for such disputes. You agree to exhaust this internal dispute resolution procedure before bringing any dispute before a third party. This agreement to engage in internal dispute resolution first shall survive the termination or expiration of this Agreement.

4. **Mediation.** At Franchisor's option, all claims or disputes between you and Franchisor or its affiliates arising out of, or in any way relating to, the Franchise Agreement, this Guaranty or any other agreement by and between the parties or their respective affiliates, or any of the parties' respective rights and obligations arising from such agreements, which are not first resolved through the internal dispute resolution procedure set forth above, must be submitted first to mediation, to be conducted at Franchisor's then-current headquarters under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Franchisor or its affiliates with respect to any such claim or dispute, you must submit a notice to Franchisor that specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify you as to whether Franchisor or its affiliates elect to exercise our option to submit such claim or dispute to mediation. You may not commence any arbitration proceeding or other action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor may specifically enforce our mediation rights under this Section. Each party shall bear its own cost of mediation, except that you and Franchisor shall share the mediator's fees and costs equally. This agreement to mediate at Franchisor's option shall survive any termination or expiration of the Franchise Agreement and this Guaranty.

4.1. *Excepted Claims.* The parties agree that mediation shall not be required with respect to any claim or dispute involving: (i) any of your payment obligations that are past due; (ii) the actual or threatened disclosure or misuse of Franchisor's Confidential Information; (iii) the actual or threatened violation of Franchisor's rights in, or misuse of, the Proprietary Marks, System or other trade secrets; (iv) any of the restrictive covenants contained in the Franchise Agreement or this Guaranty; or (v) any claims arising out of or related to fraud or misrepresentation by you, or your insolvency (collectively, the "Excepted Claims").

5. **Jurisdiction and Venue.** Subject to Sections 2 through 4 above, the parties agree that any action at law or in equity instituted against either party to this Agreement must be commenced and litigated to conclusion (unless settled) only in (i) any state court of competent jurisdiction located within or closest to

Newport News, Virginia, or (ii) if appropriate, the United States District Court for the Eastern District of Virginia. The undersigned hereby irrevocably consent to the jurisdiction of these courts.

6. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, agents and/or employees express third-party beneficiaries of this Agreement and the mediation and other dispute resolution provisions contained herein, each having authority to specifically enforce the right to mediate and litigate claims asserted against such person(s) by you.

7. **Right to Injunctive Relief.** Nothing contained in this Guaranty will prevent Franchisor from applying to or obtaining from any court having jurisdiction a writ of attachment, temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect Franchisor's interest prior to the filing of any mediation or arbitration proceeding, or pending the trial or handing down of a decision or award pursuant to any mediation or arbitration proceeding conducted hereunder. If injunctive relief is granted, your only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, you expressly waive all claims for damages you incurred as a result of the wrongful issuance.

8. **JURY TRIAL AND CLASS ACTION WAIVER.** THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISEE'S PURCHASE FROM FRANCHISOR OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES. THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE FRANCHISED BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN FRANCHISEE, FRANCHISEE'S GUARANTORS AND FRANCHISOR OR ITS AFFILIATES/OFFICERS/EMPLOYEES/AGENTS/REPRESENTATIVES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN FRANCHISOR AND ANY OTHER THIRD PARTY.

9. **Limitation of Action.** You further agree that no cause of action arising out of or under this Guaranty may be maintained by you unless brought before the expiration of one year after the act, transaction or occurrence upon which such action is based or the expiration of one year after you become aware of facts or circumstances reasonably indicating that you may have a claim against us, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense or set-off.

10. **Punitive Damages.** You hereby waive to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) which you may have against us, arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that your recovery shall be limited to actual damages. If any other term of this Guaranty is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

11. **Costs and Attorneys' Fees.** Whether or not formal legal proceedings are initiated, in the event Franchisor incurs any legal fees or other costs associated with enforcing the terms of this Guaranty or the Franchise Agreement against you, then Franchisor will be entitled to recover from you all costs and expenses, including reasonable attorneys' fees, incurred in enforcing the terms of this Guaranty or the Franchise Agreement.

12. **Nonwaiver.** Franchisor's failure to insist upon strict compliance with any provision of this Guaranty shall not be a waiver of our right to do so, any law, custom, usage or rule to the contrary notwithstanding. Delay or omission by us respecting any breach or default shall not affect Franchisor's rights respecting any subsequent breaches or defaults. All rights and remedies granted in this Guaranty shall be cumulative. Your election to exercise any remedy available by law or contract shall not be deemed a waiver or preclude exercise of any other remedy.

13. **No Personal Liability.** You agree that fulfillment of any and all of Franchisor's obligations written in the Franchise Agreement or this Guaranty, or based on any oral communications which may be ruled to be binding in a court of law, shall be Franchisor's sole responsibility and none of our owners, officers, agents, representatives, nor any individuals associated with Franchisor shall be personally liable to you for any reason. This is an important part of this Guaranty. You agree that nothing that you believe you have been told by us or our representatives shall be binding unless it is written in the Franchise Agreement or this Guaranty. Do not sign this Agreement if there is any question concerning its contents or any representations made.

14. **Severability.** The parties agree that if any provisions of this Guaranty may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision shall have the meaning, which renders it valid and enforceable. The language of all provisions of this Guaranty shall be construed according to fair meaning and not strictly construed against either party. The provisions of this Guaranty are severable, and this Guaranty shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions shall be enforced to the extent that they are valid and enforceable. If any material provision of this Guaranty shall be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Franchisor reserves the right to terminate this Guaranty.

15. **Construction of Language.** Any term defined in the Franchise Agreement which is not defined in this Guaranty will be ascribed the meaning given to it in the Franchise Agreement. The language of this Guaranty will be construed according to its fair meaning, and not strictly for or against either party. All words in this Guaranty refer to whatever number or gender the context requires. If more than one party or person is referred to as you, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

16. **Successors.** References to "Franchisor" or "the undersigned," or "you" include the respective parties' heirs, successors, assigns or transferees.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Guaranty on the date stated on the first page hereof.

In addition, pursuant to that certain Lease Agreement (the “Lease”), the Franchisee has leased or will lease certain space containing the Franchised Business described therein from _____ (the “Lessor”).

B. The Franchise Agreement requires the Franchisee to deliver this Assignment to the Franchisor as a condition to the grant of a franchise.

OPERATIVE TERMS

The Franchisor and the Franchisee agree as follows:

1. **Background Information:** The background information is true and correct. This Assignment will be interpreted by reference to, and construed in accordance with, the background information set forth above.

2. **Incorporation of Terms:** Terms not otherwise defined in this Assignment have the meanings as defined in the Franchise Agreement.

3. **Indemnification of Franchisor:** Franchisee agrees to indemnify and hold Franchisor and its affiliates, stockholders, directors, officers, principals, franchisees/licensees and representatives harmless from and against any and all losses, liabilities, claims, proceedings, demands, damages, judgments, injuries, attorneys’ fees, costs and expenses, that they incur resulting from any claim brought against any of them or any action which any of them are named as a party or which any of them may suffer, sustain or incur by reason of, or arising out of, Franchisee’s breach of any of the terms of the Lease, including the failure to pay rent or any other terms and conditions of the Lease.

4. **Conditional Assignment:** Franchisee hereby grants to the Franchisor a security interest in and to the Lease, all of the furniture, fixtures, inventory and supplies located in the Site and the franchise relating to the Franchised Business, and all of the Franchisee's rights, title and interest in and to the Lease as conditional for the payment of any obligation, liability or other amount owed by the Franchisee or its affiliates to the Lessor arising under the Lease and for any default or breach of any of the terms and provisions of the Lease, and for any default or breach of any of the terms and provisions of the Franchise Agreement. In the event of a breach or default by Franchisee under the terms of the Lease, or, in the event Franchisor makes any payment to the Lessor as a result of the Franchisee's breach of the Lease, then such payment by the Franchisor, or such breach or default by the Franchisee, shall at Franchisor's option be deemed to be an immediate default under the Franchise Agreement, and the Franchisor shall be entitled to the possession of the Site and to all of the rights, title and interest of the Franchisee in and to the Lease and to all other remedies described herein or in the Franchise Agreement or at law or in equity, without prejudice to any other rights or remedies of the Franchisor under any other agreements or under other applicable laws or equities. This Assignment shall constitute a lien on the interest of the Franchisee in and to the Lease until satisfaction in full of all amounts owed by the Franchisee to the Franchisor. In addition, the rights of the Franchisor to assume all obligations under the Lease provided in this Assignment are totally optional on the part of the Franchisor, to be exercised in its sole discretion. Franchisee agrees to execute any and all Uniform Commercial Code financing statements and all other documents and instruments deemed necessary by Franchisor to perfect or document the interests and assignments granted herein.

5. **No Subordination:** Franchisee shall not permit the Lease to become subordinate to any lien without first obtaining Franchisor's written consent, other than the lien created by this Assignment, the Franchise Agreement, the Lessor's lien under the Lease, liens securing bank financing for the operations of Franchisee on the Site and the agreements and other instruments referenced herein. The Franchisee will not terminate, modify or amend any of the provisions or terms of the Lease without the prior written consent of the Franchisor. Any attempt at termination, modification or amendment of any of the terms of the Lease without such written consent is null and void.

6. **Exercise of Remedies:** In any case of default by the Franchisee under the terms of the Lease or under the Franchise Agreement, Franchisor shall be entitled to exercise any one or more of the following remedies in its sole discretion:

- a) to take possession of the Site, or any part thereof, personally, or by its agents or attorneys;
- b) to, in its discretion, without notice and with or without process of law, enter upon and take and maintain possession of all or any part of the Site, together with all furniture, fixtures, inventory, books, records, papers and accounts of the Franchisee;
- c) to exclude the Franchisee, its agents or employees from the Site;
- d) as attorney-in-fact for the Franchisee, or in its own name, and under the powers herein granted, to hold, operate, manage and control the Franchised Business and conduct the business, if any, thereof, either personally or by its agents, with full power to use such measures, legally rectifiable, as in its discretion may be deemed proper or necessary to cure such default, including actions of forcible entry or detainer and actions in distress of rent, hereby granting full power and authority to the Franchisor to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter;
- e) to cancel or terminate any unauthorized agreements or subleases entered into by the Franchisee, for any cause or ground which would entitle the Franchisor to cancel the same;

f) to disaffirm any unauthorized agreement, sublease or subordinated lien, to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Site or the Site that may seem judicious, in the sole discretion of the Franchisor; and

g) to insure and reinsure the same for all risks incidental to the Franchisor's possession, operation and management thereof; and/or

h) notwithstanding any provision of the Franchise Agreement to the contrary, to declare all of the Franchisee's rights but not obligations under the Franchise Agreement to be immediately terminated as of the date of Franchisee defaults under the Lease and fails to cure said default within the applicable cure period (if any).

The parties agree and acknowledge that Franchisor is not required to assume the Lease, take possession of the Site or otherwise exercise of its other rights described in this Assignment. In the event Franchisor elects to exercise its right to assume the Lease and/or take possession of the Site, it will provide written notice to Franchisee in writing and undertake the other necessary actions at issue. Nothing in this Assignment may be construed to impose an affirmative obligation on the part of Franchisor to exercise any of the rights set forth herein.

7. **Power of Attorney:** Franchisee does hereby appoint irrevocably Franchisor as its true and lawful attorney-in-fact in its name and stead and hereby authorizes it, upon any default under the Lease or under the Franchise Agreement, with or without taking possession of the Site, to rent, lease, manage and operate the Site to any person, firm or corporation upon such terms and conditions in its discretion as it may determine, and with the same rights and powers and immunities, exoneration of liability and rights of recourse and indemnity as the Franchisor would have upon taking possession of the Site pursuant to the provisions set forth in the Lease. The power of attorney conferred upon the Franchisor pursuant to this Assignment is a power coupled with an interest and cannot be revoked, modified or altered without the written consent of the Franchisor.

8. **Election of Remedies:** It is understood and agreed that the provisions set forth in this Assignment are deemed a special remedy given to the Franchisor and are not deemed to exclude any of the remedies granted in the Franchise Agreement or any other agreement between the Franchisor and the Franchisee, but are deemed an additional remedy and shall be cumulative with the remedies therein and elsewhere granted to the Franchisor, all of which remedies are enforceable concurrently or successively. No exercise by the Franchisor or any of the rights hereunder will cure, waiver or affect any default hereunder or default under the Franchise Agreement. No inaction or partial exercise of rights by the Franchisor will be construed as a waiver of any of its rights and remedies and no waiver by the Franchisor of any such rights and remedies shall be construed as a waiver by the Franchisor of any future rights and remedies. Franchisor is not required to exercise any of its rights set forth in Section 6 hereof, but shall have the irrevocable right to do so.

9. **Binding Agreements:** This Assignment and all provisions hereof shall be binding upon the Franchisor and the Franchisee, their successors, assigns and legal representatives and all other persons or entities claiming under them or through them, or either of them, and the words "Franchisor" and "Franchisee" when used herein shall include all such persons and entities and any others liable for payment of amounts under the Lease or the Franchise Agreement. All individuals executing on behalf of corporate entities hereby represent and warrant that such execution has been duly authorized by all necessary corporate and shareholder authorizations and approvals.

10. **Assignment to Control.** This Assignment governs and controls over any conflicting provisions in the Lease.

11. **Attorneys' Fees, Etc.** In any action or dispute, at law or in equity, that may arise under or otherwise relate to this Assignment, the prevailing party will be entitled to recover its attorneys' fees, costs and expenses relating to any trial or appeal (including, without limitation, paralegal fees) or arbitration or bankruptcy proceeding from the non-prevailing party.

12. **Severability.** If any of the provisions of this Assignment or any section or subsection of this Assignment shall be held invalid for any reason, the remainder of this Assignment or any such section or subsection will not be affected thereby and will remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed as of the day and year first above written.

In consideration of my being a [INSERT TITLE/ROLE WITH FRANCHISEE] of _____ (the “Franchisee”), and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I (the undersigned) hereby acknowledge and agree that Franchisee has acquired the right from 4EVER CHARGE FRANCHISING, LLC (the “Company” or “Franchisor”) to: (i) establish and operate a franchised business (the “Franchised Business”); and (ii) use in the operation of the Franchised Business the Franchisor’s trade names, trademarks and service marks (collectively, the “Proprietary Marks”) and the Franchisor’s established system relating to the establishment and operation of Franchised Business businesses (the “System”), as they may be changed, improved and further developed from time to time in the Company’s sole discretion, only at the following authorized and approved location: _____ (the “Premises”).

1. The Company possesses certain proprietary and confidential information relating to the operation of the Franchised Business and System generally, including without limitation: Company’s proprietary and confidential Manuals and other manuals providing guidelines, standards and specifications related to the establishment and operation of the Franchised Business (collectively, the “Manuals”); Franchisor’s proprietary training materials and programs, as well as proprietary marketing methods and other instructional materials, trade secrets; information related to any other proprietary methodology or aspects of the System or the establishment and continued operation of the Franchised Business; financial information; any and all customer lists, contracts and other customer information obtained through the operation of the Franchised Business and other Franchised Businesses; any information related to any type of proprietary software that may be developed and/or used in the operation of with the Franchised Business; and any techniques, methods and know-how related to the operation of Franchised Business or otherwise used in connection with the System, which includes certain trade secrets, copyrighted materials, methods and other techniques and know-how (collectively, the “Confidential Information”).

2. Any other information, knowledge, know-how, and techniques which the Company specifically designates as confidential will also be deemed to be Confidential Information for purposes of this Agreement.

3. As [INSERT TITLE WITH RESPECT TO FRANCHISEE] of the Franchisee, the Company and Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, the Manuals, and other general assistance during the term of this Agreement.

4. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term hereof, and the use or duplication of the Confidential Information, in whole or in part, for any use outside the System would constitute an unfair method of competition.

5. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as [INSERT TITLE] of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.

6. I will surrender any material containing some or all of the Confidential Information to the Company, upon request, or upon conclusion of the use for which the information or material may have been furnished.

7. Except as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company, own, maintain, engage in, be employed by, or have any interest in any other business that: (i) offers, sells and/or provides any electric vehicle charging equipment and/or placement/installation services of said equipment or any of the other Approved Services that the Franchised Business is authorized to offer and provide (a "Competing Business"); or (iii) grants or has granted franchises or licenses, or establishes or has established joint ventures, for one or more Competing Businesses. Furthermore, I represent and warrant that I will not undertake any action to divert business from the Franchised Business to any Competing Business, or solicit any of the former customers or employees of Franchisee for any competitive business purpose.

7.1 *Post-Term Restrictive Covenant for Designated Manager of Franchised Business or Manager/Officers/Directors of Franchisee.* In the event I am a manager of the Franchised Business, or an officer/director/manager/partner of Franchisee that has not already executed a Personal Guaranty agreeing to be bound by the terms of the Franchise Agreement, then I further agree that I will not be involved in a Competing Business of any kind for a period of two years after the expiration or termination of my employment with Franchisee for any reason: (i) at or within a 15-mile radius of the perimeter of the Designated Territory wherein the Franchised Business was awarded the right to operate by the Franchisor. I also agree that I will not be involved in the franchising or licensing of any Competing Business at any location, or undertake any action to divert business from the Franchised Business to any Competing Business or solicit any of the former customers or employees of Franchisee for any competitive business purpose, during this two (2) year period following the termination or expiration of my employment with the Franchisee.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security. I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

11. I shall not at any time, directly or indirectly, do any act that would or would likely be injurious or prejudicial to the goodwill associated with the Confidential Information and the System.

12. Franchisee shall make all commercially reasonable efforts to ensure that I act as required by this Agreement.

13. Any failure by Franchisor to object to or take action with respect to any breach of this Agreement by me shall not operate or be construed as a waiver of or consent to that breach or any subsequent breach by me.

14. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF **[INSERT STATE WHERE FRANCHISEE IS LOCATED]** AND MYSELF HEREBY IRREVOCABLY SUBMITS HIMSELF TO THE JURISDICTION OF THE STATE COURT CLOSEST TO THE PREMISES OF THE FRANCHISED BUSINESS OR, IF APPROPRIATE, THE FEDERAL COURT CLOSED TO SUCH PREMISES. I HEREBY WAIVE ALL QUESTIONS OF PERSONAL JURISDICTION OR VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION. I HEREBY AGREE THAT SERVICE OF PROCESS MAY BE MADE UPON ME IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT BY ANY MEANS ALLOWED BY **[INSERT STATE]** OR FEDERAL LAW. I FURTHER AGREE THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE ONE OF THE COURTS DESCRIBED ABOVE IN THIS SECTION; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE WHICH HAS JURISDICTION.

15. The parties acknowledge and agree that each of the covenants contained in this Agreement are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a part, I expressly agree to be bound by any lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made a part of this Agreement.

16. This Agreement contains the entire agreement of the parties regarding the subject matter of this Agreement. This Agreement may be modified only by a duly authorized writing executed by all parties.

17. C. Contemporaneous with the execution of this Addendum, Franchisee entered into such a franchise agreement with Franchisor (the “Franchise Agreement”), wherein the Franchisee was awarded the right to own and operate a franchised Business (the “Franchised Business”) within a single Designated Territory.

E. For purposes of this Agreement, the Designated Territory and the Additional Territory(ies) will be referred to collectively as the “Total Territories”.

Designated Territory shall also apply to all Designated Territories. Franchisee agrees and understands that such terms and conditions includes, but is not limited to, the in-term and post-term covenants against competition set forth in Section 14 of the Franchise Agreement.

2. **Multi-Territory Fee.** In lieu of the Initial Franchise Fee that would otherwise be under the Franchise Agreement, Franchisee shall pay Franchisor the multi-territory development fee amounting to **[\$[INSERT TOTAL FOR ALL TERRITORIES]** (the “Multi-Territory Fee”) as consideration for the right to operate within the Total Territories identified in Schedule 1 to this Addendum. The parties agree and acknowledge that the Multi-Territory Fee shall be deemed non-refundable and fully earned upon execution of this Agreement

3. **Minimum Royalty Fee.** Franchisee’s monthly Minimum Royalty under Section 4(A)(4)(ii) of the Franchise Agreement will be calculated as set forth in the tables below, depending on (a) the number of Total Territories granted under the Franchise Agreement and this Addendum, and (b) the time that has past since the Franchise Agreement is executed. Specifically, Franchisee agrees that is shall and must pay the appropriate monthly Minimum Royalty based on the number of months that has passed since the execution of the Franchise Agreement. Specifically, Franchisee agrees and acknowledges that its monthly Minimum Royalty under the Franchise Agreement shall be calculated as follows:

	2 Total Territories	3 Total Territories	4 Total Territories	5 Total Territories	6 or More Total Territories
12 Months from Signing	\$500	\$500	\$500	\$500	\$500
18 Months	\$1,000	\$1,000	\$1,000	\$1,000	\$1,000

36 Months	\$1,000	\$1,500	\$2,000	\$2,500	\$2,500
40 Months and each Subsequent Month	\$1,000	\$1,500	\$2,000	\$2,500	\$500 multiplied times the Total Territories awarded in connection with the Franchised Business

4. **Term; Default and Termination.**

4.1 The term of this Addendum shall be co-terminous with the Franchise Agreement.

4.2 Upon expiration or termination of this Addendum for any reason, Franchisee shall have no further franchise, territorial and/or other rights within the Designated Territories.

4.3 Any breach of this Addendum shall constitute a material breach of the Franchise Agreement and constitute grounds for termination thereof if not timely cured within the applicable time period set forth in said Franchise Agreement.

4.4 For purposes of clarification, the geographic scope of the post-term non-compete referenced in Section 14(B)(2)(a) of the Franchise Agreement will extend to the 15-mile perimeter around each of the Total Territories granted and defined herein.

6. **Governing Law; Dispute Resolution; Enforcement and Related Provisions.** Except as specifically amended or modified in this Addendum, the parties agree and acknowledge that all of the terms and conditions set forth in the Franchise Agreement, including those related to governing law, dispute resolution, enforcement and Franchisee's initial and ongoing operations, shall also strictly apply to this Addendum.

7. **Severability.** The parties agree that if any provisions of this Agreement may be construed in two ways, one of which would render the provision illegal or otherwise voidable or unenforceable and the other which would render it valid and enforceable, such provision will have the meaning, which renders it valid and enforceable. The provisions of this Agreement are severable, and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and partially valid and enforceable provisions will be enforced to the extent that they are valid and enforceable. If any material provision of this Agreement will be stricken or declared invalid, the parties agree to negotiate mutually acceptable substitute provisions. In the event that the parties are unable to agree upon such provisions, Franchisor reserves the right to terminate this Addendum.

8. **Construction of Language.** The language of this Agreement will be construed according to its fair meaning, and not strictly for or against either party. All words in this Agreement refer to whatever number or gender the context requires. If more than one party or person is referred to as Developer, their obligations and liabilities must be joint and several. Headings are for reference purposes and do not control interpretation.

9. **Entire Agreement.** This Franchise Agreement and this Addendum contain the entire agreement between the parties concerning the franchise rights awarded within the Designated Territories, with the parties agreeing and acknowledging that no promises, inducements or representations (other than those in Franchisor's Franchise Disclosure Document) not contained in the Franchise Agreement or this Addendum have been made, nor will any be of any force or effect, or binding on the parties. Modifications of this Agreement must be in writing and signed by both parties. Franchisor reserves the right to change Franchisor's policies, procedures, standards, specifications or manuals at Franchisor's discretion. Nothing in this Addendum is intended to disclaim any of the representations made in the disclosures comprising the Franchise Disclosure Document (or "FDD") that Franchisor disclosed to Franchisee prior to entering into the Franchise Agreement and this Addendum.

IN WITNESS WHEREOF, AND INTENDING TO BE LEGALLY BOUND HEREBY, THE PARTIES HERETO HAVE CAUSED THIS AGREEMENT TO BE EXECUTED EFFECTIVE THE DATE FIRST SET FORTH ABOVE.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
4Ever Charge Franchising LLC**

Opinion

We have audited the financial statements of 4Ever Charge Franchising LLC which comprise the balance sheets as of December 31, 2025 and 2024, the Statement of Operations and Members' Equity, and statements of Cash Flows for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of 4ever Charge Franchising LLC as at December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 4Ever Charge Franchising LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 4ever Charge Franchising LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 4Ever Charge Franchising LLC's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 4Ever Charge Franchising LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
