What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.
2. **Mandatory Performance Standards.** The territorial rights granted in the franchise agreement are dependent on achieving certain quarterly performance standards.
3. **Minimum Monthly Fee.** The franchisee must pay a \$250 service fee every month, even if no sales are made.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

To simplify the language in this Franchise Disclosure Document “we,” “our,” “us” and “AAN,” means Auto Appraisal Network, Inc., the Franchisor. “You” means the person, corporation, partnership or other entity who buys the franchise, the Franchisee. If a corporation, partnership or other entity is the Franchisee, “You” includes the Franchisee’s owners. AAN is a California corporation that was incorporated on August 28, 2006 as an “S” corporation for the primary purpose of offering and supporting franchisees of AAN. Our principal business address is 23986 Aliso Creek Rd Ste. 204 Laguna Niguel, Ca 92677

Our agent for service of process in California is David Williams, 23986 Aliso Creek Rd, Ste. 204 Laguna Niguel, CA 92677.

Parents, Predecessors and Affiliates

We have no parents, predecessors or affiliates significant to the franchise. Auto Appraisal Network (“AAN”) was created to offer national vehicle inspection services through a nationwide network of franchised territories. AAN processes and systems were derived from business experience gained prior to the formation of AAN. We have not previously offered franchises in this or any other line of business. The systems and processes we use were exclusively developed for AAN and it is our intent to continue to incorporate the experience, business practices and methods developed by AAN in our future business operations with our franchisees.

The Franchise Offered

We are a franchising company which sells and grants franchises for the operation of providing professional auto appraisals to individuals, and/or companies. A franchisee will offer professional evaluation and inspection of all types of automobiles, watercraft and motorbikes for the purpose of insurance, financing, and other requirements as requested by clients of AAN.

We offer franchises that authorize you to use our trademarks and to operate an Auto Appraisal Network franchise. As a franchisee, you (or someone designated by you and approved by us, called an “Appraiser”) will be trained to provide inspection services to your customers using our unique system which includes proprietary software; standards, specifications and procedures for operations; procedures for quality control; training and assistance; and advertising and promotional programs (the “System.”). Customers are often classic car or motorcycle collectors, but will also include owners of specialty vehicles and sports cars. You will solicit customers through car clubs, car shows, networking, insurance companies, financial institutions and referrals from existing customers or from us when we receive a request from your specific area. You will travel to the customers location where the vehicle is located and complete the evaluation and inspection according to the training specifications, the guidelines in the Operations Manual (the “Manual”), and the proprietary software (the “software”) that will be installed on the laptop computer we will provide you with. You will also take the required photographs of the vehicle(s) with the digital camera that you will also receive with your franchise. You are responsible for collecting payment in full from your customer when you complete the inspection, and before we deliver the reports. Once complete, you will send us the electronic files of the evaluation along with the digital images for us to process and complete the certified appraisal report. The certified appraisal report will be signed by you with your saved digital signature. We will send an electronic certified appraisal report in PDF format to your customer and a bound copy of the certified report directly to your customer within 2 business days of completing the appraisal report.

You must operate your Auto Appraisal Network franchise according to the standards, specifications, procedures and business format created, developed and designated by us at an approved location (the “Premises”) within a Designated Market Area (the “DMA”).

Business Experience

We have never offered franchises in this or any other line of business before this offer. We began granting franchises in January, 2007. The effective date of this Disclosure Document for certain state(s) is listed on the 3rd. page of this FDD just after the cover sheets. We operate 3 Auto Appraisal businesses of the type being offered to you in this Disclosure Document and have done so since 2007.

Franchise territories are based on a US Census Metropolitan and Micropolitan Statistical Areas with base populations greater than 80,000 in the Territory and physical area no larger than a state and no smaller than a county, parish or independent city. We will only establish one franchisee per territory as defined in this paragraph and called the DMA.

Franchise Agreement

We intend to enter into franchise agreements (“Franchise Agreements”) (included as Exhibit A to this Disclosure Document) with qualified legal entities and persons (“you”) that wish to operate an Auto Appraisal Network franchise.

Under a Franchise Agreement, we will grant you the right (and you will accept the obligation) to operate Auto Appraisal Network franchise in an agreed-on Designated Marketing Area (the “DMA”). (In this Disclosure Document, the term “Franchised Business” means Auto Appraisal Network franchise; franchised to you under a Franchise Agreement.)

If you are not an individual, then you must designate one of your owners, who must be an individual person with at least a 10% ownership interest in the franchisee entity, and who must be reasonably acceptable to Auto Appraisal Network (the “Designated Principal”), to be involved in the general management of your Franchised Business; even if you hire a manager to handle the day to day operations of the franchise.

Area Development Agreement

We may also offer an area development agreement (the “Area Development Agreement”) (included as Exhibit B to this Disclosure Document) with qualified corporations and persons (an “Area Developer”), which grants the right to establish and operate a specified number of Auto Appraisal Network franchises in a specified area (the “Development Area”) at specific locations, that must be approved by Auto Appraisal Network; each under a separate Franchise Agreement. Auto Appraisal Network will enter into Development Agreements under which at least two Auto Appraisal Network franchises will be developed by an Area Developer.

Area Developers must open each Auto Appraisal Network franchise, following the Development Schedule in Exhibit A to the Development Agreement. The Area Developer must exercise each development right by itself executing a Franchise Agreement for the establishment and operation of an Auto Appraisal Network franchise.

Industry-Specific Regulations

While we are not aware of any regulations specific to the industry; there may be laws or regulations in your state, which apply to operating a business in general, including one that is normally home based.

Additionally; your franchise may be subject to federal, state and local laws, regulations and guidelines relating to consumer protection and/or “truth in advertising.” You may also be subject to general laws relating to businesses, including those relating to employment, labor and taxes. Please consult your lawyer about all of these laws, rules and regulations.

You must comply with all local, state, and federal laws that apply to your Franchised Business’s operations, including for example; discrimination, employment, and sexual harassment laws.

Competition

You will compete with existing and other businesses and individuals performing similar services on a national or regional basis. The market for auto appraisal services is newly developed. Sales for this franchise are not typically seasonal.

David Williams is our President, Owner and Founder and has held his position as President since March 2010 after buying out his partner. From 2006 until 2010 David was our Vice President and founder. David has performed independent auto appraisals, first as a hobby in 1994, then as a home based business in 2001 and later market research for AAN as Car Hound Inc. in 2005. During this time David also worked as a Systems Design Engineer and a Service Operations Manager for Quantum Corporation in Costa Mesa, CA. until 2006.

ITEM 3 LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

No bankruptcy, US or foreign is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Initial Franchise Fee

All franchisees pay an initial franchise fee (Initial Franchise Fee) of between twelve thousand (\$12,000) and twenty thousand dollars (\$20,000.00) based on the territory population. Upon signing the Franchise Agreement, we will schedule your training and receipt of your equipment and supplies as outlined below. The initial franchise fee of between \$12,000 and \$20,000 is due in full at the time of signing the franchise agreement and payable by bank check. The initial franchise fee may not be uniform in all cases for persons purchasing a franchise under this offering. We may allow you to enter into a direct financing agreement with us for a portion of your Initial Franchise Fee. If you have served in the US Military previously, you may qualify for a reduction in the initial franchise fee of up to 20%, provided you meet the qualifications and strict criteria.

Upon signing the Franchise Agreement, the military discount amount of the Initial Franchise Fee will be deemed fully earned and non-refundable in consideration of administrative, marketing, legal expenses associated with preparing this and other documents required by the government to protect you and other expenses incurred by AAN in granting the franchise and for our lost or deferred opportunity to other potential Franchisees. If you fail to satisfactorily complete your franchisee training course, the remaining franchise fee paid will be refunded or, if applicable, subtracted from the balance due any direct financing agreement you have with us.

Population	Territory Fee
Greater than 6M	\$20,000
4.5M – 6M	\$17,500
3M - 4.5M	\$16,250
1.5 – 3M	\$15,000
500k – 1.5M	\$12,500
Less than 500k	\$12,000

The initial franchise fee includes a multi-day training program accessed online and provided at your convenience. Also included in the initial franchise fee listed above is the following:

1-Laptop computer w/ 15” LCD display, 2.66 GHz. Intel Dual Core processor, 4GB Ram, 500GB HD, , Wireless 802.11n mini card (Dell Latitude 15 5000 Series or similar) with Microsoft Windows 10 or newer and Microsoft Office installed, Proprietary Auto Appraisal Network Appraisal software and manuals;; 1 Digital Camera – 16 Megapixel CCD with 3” LCD tilt Display, USB interface (Sony DSC-HX400 or similar); 1 E-mail address (FranchiseeName@AutoAppraisalNetwork.com) ;1 FTP Network access account; 1 personal webpage on the Auto Appraisal Network site with territory customizations.

The entire initial franchise fee is deemed fully earned by us upon receipt and is non-refundable. All fees are uniform. All fees and deposits are non-refundable.

Area Development Fee

If you are going to be an Area Developer, and agree to develop a minimum of two franchises, then you will sign an Area Development Agreement and pay us an area development fee (the “Area Development Fee”). The amount of the Area Development Fee will depend on the number of Auto Appraisal Network franchises to be developed under the Development Agreement, and will be calculated as follows: Full Territory Fee for the first Auto Appraisal Network franchise, and \$5,000 deposit towards the second and subsequent Auto Appraisal Network franchise fee of Territory Fee less \$3,000 to be opened under that agreement. The Area Development Fee will be due in a lump sum on the signing of an Area Development Agreement. The Area Development Fee is fully earned and non-refundable regardless of whether you enter into a Franchise Agreement for any of the Franchised Business, in consideration of administrative and other expenses we incur in entering into the Development Agreement, and for our lost or deferred opportunity to enter into the Development Agreement with others. (Section 4.1 of the Area Development Agreement)

If you meet our obligations under the Development Agreement and are not otherwise in default under any other agreement with us, you will pay the balance of Territory Fee, less the initial deposit paid; at the time of signing each additional franchise agreement according to the development schedule as outlined and agreed to in Exhibit A – Data Sheet, to the Area Development Agreement. You must sign a Franchise Agreement for each Franchised Business under the Development Agreement at the time you pay the balance to us, and we will credit the portion of the Area Development Fee that you paid attributable to that Franchised Business towards the Franchise Fee due for that Franchised Business. The Franchise Fees and Area Development Fees are uniform.

Explanatory Notes

¹ Franchise Fee - The Franchise Fee is between \$12,000 and \$20,000 based on the territory population of the first franchise purchased and may not be uniform for all franchises now being offered by us. If you decide to purchase a second or subsequent franchise, you will pay the price for the second/subsequent franchise units in effect at that time which may be higher than \$20,000, unless you have signed an Area Development Agreement with your first franchise.

² Travel/Living Expenses for Training - These costs will vary depending on factors such as mode of travel, distance traveled to training and quality of hotel accommodations selected by you. These costs are

not normally refundable. The low represents the estimates for one person from a close proximity to a training location and the high represents the estimates for two people traveling with air fare.

³ Rent - You are not required to establish an office in a commercial location for the franchise and we suggest that you operate from a home based office to control costs. You will be traveling to the customer's location to evaluate and appraise their vehicles. If you decide to operate your franchise from a commercial location you will not need more than a space of 100 sq. ft. to set up a desk and file cabinet space. We will not approve a specific location for you to operate your franchise from. Refunds for these costs are available only with supplier approval.

⁴ Security Deposit – If you decide to lease a commercial office space, most office spaces will require a minimum security deposit that is normally based on your monthly rent and only refundable with supplier approval.

⁵ Utility Deposits – As outlined in #4 above, we recommend that you operate from a home based office. If you rent from a commercial location, you may be responsible for paying deposits and utility costs before opening for business as agreed to between you, your landlord and the utility companies. These deposits will only be refundable with supplier approval.

⁶ Equipment and Fixtures – The low represents you already having a space with a desk to operate your business and the high represents you buying a desk, chair and all in one printer, fax and copy machine for use you're your business. Refunds will be available upon supplier approval.

⁷ Business Licensing, Legal, Accounting - You must comply with all state and local laws, including those requiring persons and entities doing business within a state or locality to qualify to do business and, if applicable in your situation, laws governing corporations or other business entities. You will incur costs to comply with these laws. These costs will vary from region to region and will also depend upon the form in which you do business (for example, as a sole proprietor or as a corporation). We cannot determine whether any of these expenses will be refundable.

⁸ Phones and Internet Service – You will need to have a business line for the franchise and a cell phone when traveling to meet with your customers. You are required to subscribe to an Internet Service Provider ("ISP") offering cable, DSL or some other form of high speed Internet. We recommend a high quality, reliable and nationally recognized ISP. We reserve the right to specify a mandatory ISP at any point in the future, and we reserve, in our sole discretion, the right to prohibit the use of specific ISPs whose level of service/method of operation may not be acceptable to us. Refunds for these expenses are available with supplier approval.

⁹ Extranet Service - We have established a Franchise Support System through a system wide Extranet that uses proprietary software. You are required to subscribe to this service and it is mandatory that you check the Extranet at least once each business day and appropriately respond to all communications. The chart shows the current pricing for the Extranet Service listed with the low representing one user per month and the high figure representing 3 users per month. No payments made for the Extranet Service will be refundable.

¹⁰ Insurance Deposit – The estimate represents an initial deposit for the coverage necessary to operate the business and represents approximately 3 months of coverage. Insurance costs will vary depending on factors such as the size and location of the Franchised Business. Insurance deposits are only refundable with supplier approval. Your obligations with respect to insurance are more fully described in Item 8.

¹¹ Initial Advertising - The amount shown is for advertising to be conducted together with the opening of your franchise and does not include any contributions to the Advertising Fund. The opening advertising

plan is to be approved by us and is payable to third party suppliers. Any initial advertising is only refundable with supplier approval.

¹² Marketing/Networking – It is suggested that you join local car clubs and similar affiliated clubs in your area for lead sourcing. This represents industry associations, chamber of commerce, and other similar networking associations in your area. This fee is only refundable with supplier approval.

¹³ Additional Funds - You are required to have from \$3,000 to \$10,000 as initial additional funds for start-up expenses and miscellaneous operating costs for approximately 3 months. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. The additional funds requirements depend on several factors including, location of your franchise, if you hire employees, and other economic factors. This estimate does not include any amount for your salary or draw during that 3-month period. We relied on our founders experience in setting up and operating a business of this type to complete this estimate. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We cannot determine whether any of these funds will be refundable.

¹⁴ Estimated Initial Investment - This represents an estimate of the expenditures you will need to make to purchase the Franchise and operate during the first 3 months. We do not offer direct or indirect financing to franchisees for any item. None of the fees paid to us are refundable except as expressly stated in Item 5.

¹⁵ Area Development Fee – The Area Development Fee shown in the chart above represents the minimum of 2 Auto Appraisal Network franchises to be developed and opened by you in a specific territory if you choose to become an Area Developer. A portion of the Area Development Fee will be credited against the Franchise Fee for the Franchised Business to be developed to satisfy the Development Schedule. The Franchise Fee and Area Development Fee are fully non-refundable. See Item 5 for additional details regarding the Franchise Fees and Area Development Fees. At the time you sign the single unit franchise agreement and the area development agreement, you will only be required to pay the initial fee and the deposits on additional franchises. You will not incur additional expenses other than those listed in the above chart until the time that you prepare to open the second and each consecutive franchise according to the development schedule. We do not provide financing for any of these fees.

¹⁶ US Military Veterans with 8-years of service or more in good standing will receive a 20% discount on the initial franchise fee. This includes all branches of the US Military and branches of DHS (Department of Homeland Security).

All total investment figures represent approximate costs based on the size of your area of operation, location and if you sign an Area Development Agreement. A lower cost franchise does not include the Area Developer Agreement being signed; you owning the suggested office furniture and fixtures. The high costs franchises require office rents and deposits, furniture, equipment costs, employee salaries and other related expenditures. Additionally, if you sign the Area Developer Agreement, you will agree to open a minimum of 1 additional Outlets and be required to pay the initial deposits on each one at the time of signing the Area Development Agreement. We have based the listed expenditures, estimated figures and additional funds in the above chart on previous and present experience. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing will depend on factors such as the availability of financing generally, your credit worthiness, collateral you may have and lending policies of financial institutions. The estimate does not include any finance charge, interest or debt service obligation.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We are the only approved supplier of the certified appraisal reports that you offer your customers; and the Extranet service you will use to access the secure data base for the online Operations Manual, training, photo uploads, client services and other franchisee support services. We will earn income for these services as noted under Service Fees and other related fees in the table at Item 6 of this offering. We estimate that your purchases of these reports will represent approximately 40% to 70% of your total purchases in the continuing operation of the Franchised Business depending on the number of appraisals you do. In the year ending 2023, we received total revenues of \$287,332, 91% (\$263,632) of this total revenue was from purchases of the certified appraisal reports made by franchisees. We may receive revenues from your purchases of services and supplies in the future, but at this time, we do not receive any revenues. There are no required product purchases that would require detailed specification list. You may not use alternative suppliers for any of the products and services listed above.

Other than us and the certified appraisal reports as noted in the above paragraph; we do not have any required sources, designated suppliers or approved suppliers for goods, services or real estate relating to the Franchised Business at this time. However, we reserve the right to institute new requirements in the future. If you choose to purchase additional appraisal equipment, you must purchase the same make and model as currently being issued by Auto Appraisal Network with new territories. For other purchases you may make in the operation of your business not supplied by Auto Appraisal Network; we do not negotiate purchase arrangements with suppliers; for you, at this time but may arrange them in the future. You may purchase all other products and supplies necessary for the operation of your franchise business from suppliers of your choosing. We do not grant or revoke approval of any of these suppliers.

The Franchise Agreement requires you to operate at a standard of excellence consistent with the requirement set forth in the Manual, with special emphasis on customer service, including the requirement to contact all leads within 24 hours and deliver all completed evaluations, appraisals and digital images to us for processing within 24 hours of completing the customer's appraisal. (Section 16.3.2 of Franchise Agreement) We may at any time use test customers, or communicate directly with your customers to determine your compliance with these requirements.

We will supply you with the following computer and camera set up, at no additional fee to you per territory: 1-Laptop computer w/ 15" LCD display, 2.66 GHz. Intel Dual Core processor, 4GB Ram, 500GB HD, , Wireless 802.11n mini card (Dell Latitude 15 5000 Series or similar) with Microsoft Windows 10 or newer and Microsoft Office installed, Proprietary Auto Appraisal Network Appraisal software and manuals,; 1 Digital Camera – 16 Megapixel CCD with 3" LCD tilt Display, USB interface (Sony DSC-HX400 or similar); 1 E-mail address (FranchiseeName@AutoAppraisalNetwork.com) ;1 FTP Network access account; 1 personal webpage on the Auto Appraisal Network site with territory customizations.

Additional equipment can be purchased from AAN or directly for the equipment vendor, but must conform to the same specifications and model number of the equipment currently being issued with the territory.

We require you before opening and at all times during the term of the franchise, you shall maintain in force at your expense; property insurance on a replacement cost basis at a minimum limit based on the total value of your assets (including, fire, extended coverage, vandalism and malicious mischief) (Section 14.1 (a) of Franchise Agreement); primary general liability insurance with a minimum limit of \$1,000,000.00 (including, coverage for personal injury, products and contractual liability) (Section 14.1 (b) of Franchise Agreement); primary automobile liability insurance with a minimum limit of \$1,000,000.00 (including, owned automobiles titled or leased in your name, or your owners and used at any time, whether principally or occasionally in you franchised business). (Section 14.1(c) of Franchise Agreement); workers compensation insurance (in your name); as required by applicable law; if you have employees. If no such law exists, then you must participate in such other comparable insurance as required by us. If your state

recognizes and permits self-insurer programs, your participation in such a program will satisfy our requirements under this subparagraph. (Section 14.1(d) of Franchise Agreement).

All insurance policies must be issued by an insurance carrier rated A, or better by Alfred M. Best & Company, Inc. All liability insurance policies must name us, and any subsidiaries and affiliates which we designate, as additional insureds entitled to the coverage afforded to all named insureds, without regard to the other insurance or self-insured program which we may have in effect, and must also provide that we receive 30 days before written notice of termination, expiration, cancellation, modification, or reduction in coverage or limits of any such policy. We may also reasonably increase the minimum liability "limit" protection requirement annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public, product or motor vehicle litigation or other relevant changes in circumstances. Before opening, and annually thereafter, you must submit to us a copy of the certification of evidence of the renewal or extension of each such insurance policy or any modifications to any such insurance policy, which must describe the applicable deductibles for each such policy.

Except as described above, we will not derive revenue as a result of your purchases or leases in accordance with our specifications or standards or from approved suppliers. We do not provide material benefits to franchisees based on your use of designated or approved sources or your purchase of particular products or services.

(Sections 3.2 and 6 of the Franchise Agreement)

3. We will provide training for additional staff (after the first 2) at your request at the additional training fee of \$2,500 per person or \$500 per day; when attending the Initial Training at the same time that you attend, and you will be responsible for all related travel and lodging expenses and additional required equipment. (Section 3.2.1 of the Franchise Agreement)

4. (Section 3.3 of the Franchise Agreement)

5. We will provide you a list of our then-current designated or approved suppliers. (Franchise Agreement, Section 3.7)

6. We recommend that you operate the franchise from a home based office. We do not require you to operate the business from a commercial location. If you choose to operate from a location other than your home office, it must be located within your exclusive territory but we will not approve or disapprove of the location for you. (Section 3.10 of Franchise Agreement)

During the operation of your Franchised Business:

1. We will review and will have the right to approve or disapprove all advertising and promotional materials that you propose to use. In the future when there are enough franchisees, we may establish and administer the National or Cooperative Ad Funds. (Section 3.4 of the Franchise Agreement)

8. We will have the right, at our sole discretion, to establish the AAN approved vendor who will administer the National Ad Fund as stated in the Franchise Agreement and as described below in this Item 11. (Section 13.2 of Franchise Agreement)

The Franchise Agreement does not require us to provide any other assistance or services to you during the operation of the Franchised Business. As the Development Agreement relates to the development of Franchised Business, the Development Agreement does not require us to provide any other assistance or services during the operation of the Franchised Business.

Development Agreement

Except as listed below, we need not provide any assistance to you under the Development Agreement.

We will provide you with the same assistance and support as outlined by each Single Unit Franchise Agreement. We are not required by the Franchise Agreement or Development Agreement to furnish any other service or assistance to you before the opening of your Franchised Business.

Computer System and Proprietary Software

We will supply you with the following computer and camera set up, at no additional fee to you:

1-Laptop computer w/ 15" LCD display, 2.66 GHz. Intel Dual Core processor, 4GB Ram, 500GB HD, , Wireless 802.11n mini card (Dell Latitude 15 5000 Series or similar) with Microsoft Windows 10 or newer and Microsoft Office installed, Proprietary Auto Appraisal Network Appraisal software and manuals;; 1 Digital Camera – 16 Megapixel CCD with 3" LCD tilt Display, USB interface (Sony DSC-HX400 or similar); 1 E-mail address (FranchiseeName@AutoAppraisalNetwork.com) ;1 FTP Network access account; 1 personal webpage on the Auto Appraisal Network site with territory customizations.

We will provide the specifications and supplier or sell directly additional equipment needed for each appraiser trained after the first appraiser for each territory.

You may be obligated to upgrade or update and/or provide general maintenance to the computer system during the term of the franchise. We estimate that the cost of any these required updates or upgrades will not exceed \$500 annually.

We have also established an Extranet providing private and secure communications between us, our franchisees, and other persons and entities that we determine appropriate, which requires you to have high speed internet access at all times. We require you to establish and maintain access to the extranet in the manner we designate. Additionally, we may occasionally prepare agreements and policies concerning the use of the Extranet that you must acknowledge and/or sign. (Franchise Agreement, Section 7.5)

We have the right to independently access all information you collect or compile at any time without first notifying you.

Auto Appraisal Network Websites

Auto Appraisal Network websites are considered as “advertising” under the Franchise Agreement, and are subject (among other things) to our review and written approval before they may be used (as described above). As used in the Franchise Agreement (Section 7.6), the term “Auto Appraisal Network website” means an interactive electronic document, contained in a network of computers linked by communications software that we operate or authorize others to operate and that refers to the Franchised Business, Proprietary Marks, Auto Appraisal Network, or the System. The term Auto Appraisal Network website includes, but is not limited to, Internet and World Wide Auto Appraisal Network home pages. In connection with any website, the Franchise Agreement provides that you may not establish a competing website, nor may you offer, promote, or sell any products or services, or make any use of the Proprietary Mark, or derivative of the autoappraisalnetwork.com domain name through the Internet except as approved by Auto Appraisal Network.

Advertising

Recognizing the value of advertising, and the importance of the standardization of advertising programs to the advancement of the goodwill and public image of the System, we reserve the right to require you to expend on advertising and promotion, or to participate in and contribute for the purpose of advertising and promotion, each year during the term of the Franchise Agreement (the “Advertising Obligations”). Additionally, you agree to spend a minimum of \$250 per month averaged over a 3-month period in your local DMA on the advertising and networking of your franchise. We have the right to require you to contribute to the National Ad Fund, and/or contribute to a Cooperative Fund at any time in the future. See Item 6 for a summary of the total amount we can require you to expend on advertising and promotion.

From our experience, we have determined that the best marketing for this business is networking and face to face meetings with the potential clients to fully describe the Auto Appraisal Network franchise and discuss their individual needs. With that understanding, you will normally be required to focus on networking events and meetings that will allow you to meet with potential clients face to face. (Section 13.1.1 of the Franchise Agreement)

National Ad Fund

The AAN approved vendor may establish a National Ad Fund in the future and all franchisees are required to participate and contribute to the fund not to exceed \$250 per month. (Section 13.2 of the Franchise Agreement)

We expect that we will typically disseminate advertising in one or more of print, radio, television or other electronic media.

At the time that a National Ad Fund is established, we (or our designee, which might be a corporate subsidiary or an advertising agency or consulting firm) will maintain and administer the National Ad Fund, as follows: (Section 13.2 of the Franchise Agreement)

- (a) We (or our designee) will direct all advertising programs, with the sole right to decide the concepts, materials, and media used in these programs and the placement and allocation of the programs. The National Ad Fund is intended to maximize general public recognition, acceptance, and use of the franchise system (the “System”) Neither we nor our designee will be obligated to make expenditures for you that are equivalent or proportionate to your contribution, or to ensure that any particular franchisee benefits directly or *pro rata* from expenditures by the National Ad Fund. (Section 13.2.1 of the Franchise Agreement)
- (b) The National Ad Fund, and all contributions to and earnings from the National Ad Fund, will be used exclusively to meet the costs of marketing and any other activities that we believe will enhance the System’s image and, in our sole discretion, promote general public awareness of and favorable support for the System. This includes, among other things, the costs of preparing and conducting media advertising campaigns; providing an annual audited account of the ad fund to all franchisees who request it; direct mail advertising; marketing surveys and other public relations activities; developing and maintaining our website (except for the portion, if any, specifically relating to soliciting franchisees); employing advertising or public relations agencies; purchasing promotional items, conducting and administering visual merchandising, point of sale, and other merchandising programs; and providing promotional and other marketing materials and services to the Auto Appraisal Network franchises operated under the System. (Section 13.2.2 of the Franchise Agreement)
- (c) You must contribute to the National Ad Fund by EFT (electronic fund transfer) by the 10th day of the month for the previous month (see also Item 6, note 2). All sums you pay to the National Ad Fund will be maintained in an account separate from our other monies. The System Ad Fund is not and will not be our asset, and we or our designee will maintain separate bookkeeping accounts for the National Ad Fund. We may charge the National Ad Fund for the reasonable administrative costs and overhead that we incur in activities reasonably related to the direction and implementation of the National Ad Fund and advertising programs for you and the System, and they will not exceed 15%. The National Ad Fund and its earnings will not otherwise inure to our benefit or be used to solicit the sale of franchises; except that we may make note on advertising for franchisees the following statement “franchises available”. All franchisees in the system will pay into the ad fund at the same rate.

- (d) We may make available to franchisee, marketing plans and promotional materials, including newspaper mats, coupons, merchandising materials, sales aids, point-of-purchase materials, special promotions, direct mail materials, and similar marketing and promotional materials produced from contributions to the National Ad Fund. Additionally, we may sell these items to franchisees in the System at a reasonable price, and any proceeds from any those sales will be contributed to the Fund. (Section 13.2.6 of the Franchise Agreement)
- (e) If all of the money in the National Ad Fund is not used in the year in which it is received, these amounts will be used in the next fiscal year. Although the National Ad Fund is intended to be of perpetual duration, we maintain the right to terminate the National Ad Fund. The National Ad Fund will not be terminated, however, until all monies in the National Ad Fund have been spent for advertising or promotional purposes.
- (e) We will provide you, upon request, with an accounting of the National Ad Fund on an annual basis that will be unaudited. (Section 13.2.4 of the Franchise Agreement)
- (f) Up to 50% of the contributions made to the National Ad Fund can be credited towards the territory local advertising requirements.

Any franchise outlet or franchises owned by the principals will contribute to the National Ad Fund or Cooperative Fund on the same basis as franchisees in the System, generally, are required to contribute. As of the date of this Disclosure Document, The approved vendor will setup and manage a local website optimized for the DMA's locations and target services.

Local Advertising and Promotion

Certain criteria will apply to any local advertising and promotion that you conduct. All of your local advertising and promotion must be dignified, must conform to our standards and requirements, and must be conducted in the media, type, and format that we have approved. You may not use any advertising or promotional plans that we have not approved in writing. You must submit to us samples of all proposed plans and materials. If we do not give our written disapproval within five days, we will have been deemed to have approved the plans or materials. (Sections 13.3 and 13.4 of the Franchise Agreement)

All copyrights in and to advertising and promotional materials you develop (or that are developed for you) will become our sole property. You must sign the documents (and, if necessary, require your independent contractors to sign the documents) that we deem necessary to implement this provision. (This may not be enforceable under federal Copyright Law)

As used in the Franchise Agreement, the term "local advertising and promotion" refers to only the costs of purchasing and producing advertising materials (such as camera-ready advertising), media (space or time), promotion, and your direct out-of-pocket expenses related to costs of advertising and sales promotion in your local market or area. Local advertising and promotion also includes associated advertising agency fees and expenses, postage, shipping, telephone, and photocopying costs. "Advertising and sales promotion" does not, however, include any of the following: salaries and expenses of your employees; charitable, political, or other contributions or donations; and the value of discounts given to customers.

Additionally, we may require that you or your Designated Principal and General Manager attend these refresher courses, seminars, and other training programs as we may require occasionally, on the condition that required refresher and additional training will not exceed (a) seven days (per trainee) each year at our headquarters in Laguna Niguel, California, and (b) three days (per trainee) each year to attend a convention for the franchise system. We may also offer voluntary training programs. If these refresher and additional training programs are conducted at our headquarters in California, we will bear the costs associated with

providing these training programs. However, if you request that we provide any of this training at your Franchised Business, and we do so, we may charge you our then-current per diem training fee for the additional training provided; and you will also have to reimburse Auto Appraisal Network for all out of pocket costs and expenses associated with the additional training, including lodging, food and travel arrangements of the trainers. (see Item 6 regarding the costs).

Training

Before your Franchised Business opens, you must complete all of our initial training requirements. Unless you are an area developer and you are opening your second or subsequent Franchised Business (the differing requirements for area developers are described below) you (or, if you are other than an individual, your Designated Principal) and, if applicable, an additional Facilitator, or General Manager must attend and successfully complete, to our satisfaction, the initial training program that we offer and which will take place online. We will normally run training programs bi-monthly, or as required. (See Item 15 for details regarding our requirements for the management and operation of the Franchised Business). Additionally, we may also require that other persons, up to one additional person who will operate as the Inspector and/or the General Manager if you will not directly run the day to day operations; must attend and successfully complete the initial training program. We will bear the cost of all training (instruction and required materials), for the initial training program and all other training, except as described below additional training and assistance that we may provide at your Franchised Business. You will bear all other expenses incurred in attending training, such as the costs of transportation, lodging, meals, wages, and worker's compensation insurance (see Items 6 and 7 of this Disclosure Document). If you are an area developer, then by the time you are developing your third Franchised Business, you must be prepared (by meeting all of our requirements) to train the General Manager and other managerial personnel for your second and subsequent Franchised Business. This requires that you have management personnel who have completed to our satisfaction our initial training program and who continue to meet our standards and requirements for providing this training to other managers, and that you conduct the training of these additional managers according to the programs and requirements that we specify in the Manual(s) and other written materials. If we determine that you or your managers do not meet these requirements, we may require that your additional managers attend and complete the initial training program we provide for new franchisees.

If you (or the Designated Principal) or the General Manager cease active employment in the Franchised Business, then you must enroll a qualified replacement (who must be reasonably acceptable to Auto Appraisal Network) in our initial training program promptly following cessation of employment of the individual, provided that you may train General Managers in accordance with Section 6.3 of the Franchise Agreement. The replacement Designated Principal and any required managers will complete the initial training program as soon as is practicable and no later than any time periods we specify occasionally in the Manual(s) and otherwise in writing. Replacement managers must be trained according to our standards and you may be permitted to provide this training directly, provided you meet our then-current standards for qualifying as a training facility. We have the right to review any personnel you trained and to require that these persons attend and complete, to our satisfaction, our initial training program.

We provide Initial Training, which lasts for approximately up to 5 days, online. We anticipate offering Initial Training on a bi-monthly basis. You or the initially appointed manager must attend Initial Training within 3 months of signing the Franchise Agreement. Initial Training covers the subjects listed in the table below. There is no separate charge for Initial Training for you and one other person. Instructional materials may include videos, handouts, online seminars, and the Operations Manual, Field Manual, Marketing Manual, instructional videos for photography and vehicle identification. Opening of Franchised Business

We estimate that the time period between the signing of the Franchise Agreement and the start of operations will be approximately one to three months. Factors that may affect this time period include your ability to obtain financing, if required; your current situation of business and if you will operate the business yourself or hire a manager; and scheduling the training. You will be open and ready for business upon completion of initial training.

ITEM 12 TERRITORY

Franchise Agreement and Development Agreement

The following describes how Territories and Development Areas are determined, and the rights that you and we have under the Franchise Agreement and the Development Agreement.

Franchise Agreement

You will receive an exclusive territory in a Demographic Market Area (DMA), with a minimum population of 80,000 people. You will operate from one official location and must receive permission from us if you intend to relocate your office. We will not operate units or grant franchises for a similar or competitive business within your DMA. Except when advertising cooperatively with appropriate franchisees, neither we nor you can advertise or solicit orders within another franchisee's DMA. You can accept orders from outside your DMA without special payment. We will base the DMA on then-current United States Census (Censusstats.census.gov) information or other reliable type information.

If at any time the demographics change or your client capacity is beyond your ability to support, we may establish another facility within the area and we may offer you the first right of refusal, but we are not obligated to do so. Your territory cannot be modified except by mutual written agreement by both parties.

Unless you sign our Area Development Agreement to develop a specific area, you do not receive the right to acquire additional franchises within your DMA, contiguous areas or elsewhere.

The continuing of your rights; are dependent on you submitting a minimum number of appraisals per quarter based on your territory population. If after not meeting the quota for 2 quarterly periods, we will have the right to decrease your DMA. You are required to pay us a "Minimum Service Fee" of \$250 per month for months when Minimum sales are not made. (Franchise Agreement, Section 16.4.2)

Population	Minimum Number of Appraisals per Quarter
Greater than 6M	45
4.5M – 6M	45
3M – 4.5M	40
1.5 – 3M	36
1 – 1.5M	18
500k – 1M	12
Less than 500k	6

We have not established other franchises or company-owned outlets or other distribution channels selling or leasing similar products or services under a different trademark. We describe earlier in this Item 12 what we may do anywhere. Neither we, nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those you will offer.

Area Development Agreement

If you sign an Area Development Agreement, the Development Agreement will specify the Development Area, within which you may locate Auto Appraisal Network franchises, and/or market to prospective customers in. The size and scope of the Development Area will be determined as outlined in the second paragraph above of this Section 12, as we mutually agree on before signing the Development Agreement and will be specified in the Development Agreement. The factors that we consider in determining the size of a Development Area will be based on the overall population within the area. During the term of the Development Agreement, if you comply with the obligations under the Development Agreement, and all of the Franchise Agreements between you (and your affiliates) and Auto Appraisal Network, we will not establish or operate, or license anyone other than you to establish or operate, an Auto Appraisal Network franchise in the Development Area we designate for you as an Area Developer. Except as described below, there are no circumstances under which the Development Agreement may be altered before expiration or termination of the Development Agreement. Your territorial protection is not dependent on achievement of a certain sales volume, market penetration, or other factors, other than compliance with the Development Agreement and Development Schedule.

If you do not comply with a deadline under the Development Schedule, attached to the Area Development Agreement (a “Missed Deadline”), you will be in default under the Development Agreement. For one Missed Deadline, we will provide you with an opportunity to cure your default and we will determine and notify you of a new deadline for that one Missed Deadline (without changing the remainder of the Development Schedule). If you fail to come into compliance by that new deadline, and/or on the occurrence of a second Missed Deadline, we may terminate your Development Agreement, or we may elect to take one or more of the following actions: (a) cease crediting the Area Development Fees paid towards the Franchise Fees for the Franchised Business to be developed (see Item 5 for explanation of credits); (b) eliminate the limited exclusivity, or reduce the scope of protections, granted to you within the Development Area; (c) reduce the scope of the Development Area; (d) reduce the number of Franchised Business for you to develop; (e) retain all Area Development Fees paid to Auto Appraisal Network. If we elect to take one or more of these actions, we will provide written notice of these actions, and the Development Agreement will be amended to reflect the changes.

Our Reserved Rights under the Franchise Agreement and Development Agreement

Under both the Franchise Agreement and Development Agreement, we and our affiliates retain all the rights that we do not specifically grant to you. Among the rights that we retain are the following (the following is only for purposes of illustration and is not meant to limit our rights):

Subject to the above, we reserve the right to: (1) operate or grant others the right to operate Franchise Units outside of the DMA; (2) sell and license services and products of any type not licensed by the Franchise Agreement, using the Marks or other commercial symbols through any distribution channels; (3) engage in any other business activities not expressly prohibited by the Franchise Agreement, anywhere.

“Any distribution channels” include electronic presentations via computer networks (including the World Wide Web, other areas of the Internet or other on-line networks), satellite broadcasts, private cable hookups; audio tapes; videotapes; DVDs; CD-ROMs; catalogues; direct mail; books; newsletters; and other communications methods of any nature now devised or devised in the future.

ITEM 13 TRADEMARKS

The Development Agreement does not allow you to use the Proprietary Marks. As an Area Developer, you will receive access to the marks through each individual Franchise Agreement you sign.

We grant you the right to operate a business under the name Auto Appraisal Network. You may also use our other current or future trademarks to operate your business. By trademark we mean trade names, trademarks, service marks and logos used to identify your business. We registered the below trademark on the United States Patent and Trademark Office principal register:

All required affidavits have been filed. You must follow our rules when you use the mark. You cannot use a name or mark as part of a corporate name or with modifying words, designs or symbols except for those which we license to you. You may not use our registered name in connection with the sale of an unauthorized product or service or in a manner not authorized in writing by us.

No agreements limit our right to use or license the use of our trademarks. There are no currently effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, or any state trademark administrator or court or any pending infringement, opposition or cancellation proceedings involving our Trademark.

You must promptly notify us of any unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to our ownership of, right to use and to license others to use, or your right to use, the Proprietary Marks. We have the right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including any settlement. We have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Proprietary Marks. We will defend you against any third-party claim, suit, or demand arising out of your use of the Proprietary Marks. However, if we determine that you have used the Proprietary Marks in accordance with the Franchise Agreement you have signed to operate the Franchised Business, we will bear the cost of defense, including the cost of any judgment or settlement. If we determine that you have not used the

Proprietary Marks in accordance with the Franchise Agreement you have signed to operate the Franchised Business, you must bear the cost of defense, including the cost of any judgment or settlement. If there is any litigation relating to your use of the Proprietary Marks, you must sign all documents and do all things as may be necessary to carry out a defense or prosecution, including becoming a nominal party to any legal action. Unless litigation results from your use of the Proprietary Marks in a manner inconsistent with the terms of the Franchise Agreement we will also reimburse you for your out-of-pocket costs.

There currently is no pending material federal or state court litigation regarding our use or ownership of the trademarks.

We reserve the right to substitute different proprietary marks for use in identifying the System and the Auto Appraisal Network franchises operating under it if we, in our sole discretion, determine that substitution of different marks as Proprietary Marks will be beneficial to the System. You must promptly implement any substitution of new Proprietary Marks.

You must not use the Proprietary Marks (including our service marks) as part of your corporate, partnership, or other legal name, or to identify you or your Franchised Business in any other legal activity, or as part of any e-mail address, domain name, or other identification of you or your Franchised Business in any electronic medium, unless agreed to in advance, in writing, by us. As necessary to conduct the business of your Franchised Business and obtain business permits for the operation of your Franchised Business, you may indicate that your Franchised Business will be doing business under the trade name “Auto Appraisal Network” on the condition that you clearly identify yourself as the owner and operator of the Franchised Business and properly identify the legal name under which you (or your business entity) will be acting.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

No patents or patent applications are material to the Franchise offered to you in the Franchise Agreement.

Copyrights

We claim statutory copyright protection covering various materials used in our business and the development and operation of Auto Appraisal Network franchises, including the Manual(s), training materials, certified reports we produce, the Proprietary Software, advertising and promotional materials, and similar materials. We have not registered these materials with the United States Registrar of Copyrights, but we are not required to do so.

There are no currently effective determinations of the United States Copyright Office or any court, nor any pending litigation or other proceedings, regarding any copyrighted materials. No agreement limits our rights to use or allow franchisees to use the copyrighted materials. We do not know of any superior prior rights or infringing uses that could materially affect your use of the copyrighted materials. No agreement requires us to protect or defend our copyrights or to indemnify you for any expenses or damages you incur in any judicial or administrative proceedings involving the copyrighted materials. If we require, you must immediately modify or discontinue using the copyrighted materials. Neither we nor our affiliates will have any obligation to reimburse you for any expenditure you make because of any discontinuance or modification.

All rights, title, and interest in advertising and promotional materials that you develop or prepare (or that are prepared by someone on your behalf) or that bear any Proprietary Marks will belong to us. You must sign any documents we reasonably deem necessary to evidence our right, title, and interest in and to any

advertising and promotional materials. We will have the right to use these materials and to provide them to other franchisees and advertising funds and programs of the System, without compensation to you, regardless of how the materials were developed. Additionally, we may occasionally require that you sign a license agreement for the use of proprietary materials that we provide to you in an electronic format.

Confidential Information

We possess and will develop and acquire certain confidential and proprietary information and trade secrets including: (a) the business methods, techniques, specifications, standards, procedures and formats of the System; (b) policies, procedures, information, concepts, systems, and knowledge of and experience in the development, operation and franchising of the Auto Appraisal Network franchise businesses, including information which comprises the System; and (c) marketing programs for the Franchise Units (the “Confidential Information”).

Except for the purpose of operating the Franchised Business under a Franchise Agreement and developing Franchised Business under an Area Development Agreement, you may never (during Franchise Agreement's term or later) communicate, disclose, or use for any person's benefit any of the confidential information, knowledge, or know-how concerning the development and operation of the Franchised Business that may be communicated to you or that you may learn by virtue of your operation of a Auto Appraisal Network franchise. You may divulge confidential information only to those of your employees who must have access to it to operate the Franchised Business. Any information, knowledge, know-how, or techniques that we designate as confidential will be deemed “confidential” for purposes of the Franchise Agreement and the Development Agreement. However, this will not include information that you can show came to your attention before we disclosed it to you; or that at any time became a part of the public domain, through publication or communication by others having the right to do so.

In addition, we may require you, your Designated Principal, other owners, managers, and your employees with access to confidential information to sign confidentiality and non-competition agreements. Each of these covenants must provide that the person signing will maintain the confidentiality of information that they receive in their employment or affiliation with you or the Franchised Business. These agreements must be in a form that we find satisfactory, and must include, among other things, specific identification of our company as a third party beneficiary with the independent right to enforce the covenants. Our current forms for this agreement are included in Exhibit F to the Franchise Agreement (which is included in this Disclosure Document).

Confidential Manual(s)

To protect our reputation and goodwill and to maintain high standards of operation under our Proprietary Marks, you must conduct your business in accordance with the Manual(s). We will lend you one set of our Manual for the term of the Franchise Agreement, which you must return to us at the expiration or termination of the Franchise Agreement. The Manual(s) may include multiple volumes of printed text, computer disks, other electronic stored data, videotapes, and periodic updates or bulletins that we issue to franchisees and others operating under the System. You must treat the Manual(s), all supplements and revisions to the Manual(s), including bulletins and the information contained in them, as confidential, and must use best efforts to maintain this information (whether in written or electronic format) as secret and confidential. You must not reproduce these materials (except for the parts of the Manual(s) that are meant for you to copy, which we will clearly mark as such) or otherwise make them available to any unauthorized person. The Manual(s) will remain our sole property. You must keep them in a secure place on the Franchised Business premises.

We may revise the contents of the Manual(s), and you must comply with each new or changed standard. We will notify you in writing of revisions to the Manual(s). You must ensure that the Manual(s) are kept

current at all times. If there is a dispute as to the contents of the Manual(s), the terms of the master copies that we maintain at our home office will control.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Franchise Agreement

Under the Franchise Agreement, you (or if you are an entity, your Designated Principal) must be involved, and we recommend that you be involved, in the general oversight and management of the operations of the Franchised Business. If, however, you or your Designated Operator will not assume full-time responsibility for the daily supervision and operation of your Franchised Business, then you must employ a full-time general manager (the “General Manager”), with qualifications reasonably acceptable to us and who successfully completes (to our satisfaction) our initial training program. We will have the right to rely on the Designated Principal or General Manager to have the responsibility and decision-making authority regarding your business and operations.

You recognize that continuous marketing and availability of the products and services to customers and the public is essential to the adequate promotion of all Auto Appraisal Network franchises and that any failure to provide such availability affects Auto Appraisal Network and other franchisees both locally and nationally. You shall operate your business continuously though we cannot state that it will be a Monday through Friday, 9-5 operation as it will depend on your customers time frames for conducting the appraisals. We will not specify specific times and days that you are to be operational. You will have to determine what schedule is best for you and for your customers to market your franchised business successfully.

Development Agreement

Under the Development Agreement, you (or if you are an entity, your Designated Principal) must be involved in the general oversight and development of the Franchised Business, as well as the operations of the Franchised Business that are developed under the Development Agreement. Under the Development Agreement you will be responsible for providing the initial training as outlined in the chart in Item 11 above to your staff for your third and subsequent franchises. Auto Appraisal Network will have the right to rely on the Designated Principal to have the responsibility and decision-making authority regarding your business and operations.

Under both a Franchise Agreement and an Area Development Agreement, if you are other than an individual, we may require that your owners personally sign a guaranty (in the forms included as Exhibit E to the Franchise Agreement and Exhibit D to the Development Agreement), guaranteeing the legal entity’s obligations under that agreement. Additionally, you or your owners and your employees with access to confidential information who have received training, who have had access to confidential information, may be required to sign covenants to maintain confidentiality and not compete with businesses under the System (our current forms for this agreement are included in Exhibit F to the Franchise Agreement). See Items 14 and 17 for a description of these obligations.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

To maintain a uniform standard of operation, you must conduct the Franchise in strict compliance with the Franchise Agreement. You may provide only and all of those services and products authorized and approved by us. All inspections must be conducted and completed according to the guidelines and in the manner designated by us. You should use the software and equipment we provide to you, but should you choose to to work outside the system, there may be additional fees.

We may modify the approved services at our sole discretion. We also reserve the right to add additional services, programs and materials to those you may currently offer and to withdraw services, programs and materials that are currently offered. To use new services, programs and materials, you may be required to attend additional training, meet new standards, pay a fee or make specific purchases. If you decline to offer the new services, programs and materials, we may or may authorize someone else to do so in your Market Area.

Under the terms of the Franchise Agreement, you will agree that all appraisals will be completed within 72 hours of customer request, unless otherwise requested by customer.

13.2.5 Franchisor reserves the right, at its sole discretion, to discontinue the National Ad Fund on written notice to Franchisee.

13.2.6 Franchisor may, but is not required to, make available to Franchisee, marketing plans and promotional materials, including newspaper mats, merchandising materials, sales aids, point-of-purchase materials, special promotions, direct mail materials, and similar marketing and promotional materials produced from contributions to the National Ad Fund. Franchisee acknowledges and agrees that it will be reasonable for Franchisor to not provide any such materials to Franchisee during any period in which Franchisee is in not in full compliance with its obligations to contribute to the National Ad Fund. Additionally, if monies of the National Ad Fund are used to produce point of sale materials, or other samples or other promotional materials and items, Franchisor may, on the behalf of the National Ad Fund, sell the items to franchisees in the System at a reasonable price, and any proceeds from the sale of the items or materials will be contributed to the National Ad Fund.

13.3 **Standards for Advertising.** All advertising, marketing and promotion to be used by Franchisee, the National Ad Fund or any Cooperative Ad Fund will be in the media and of the type and format as Franchisor may approve, will be conducted in a dignified manner, and will conform to the standards and requirements as Franchisor may specify. Franchisee will not use any marketing or promotional plans or materials that are not provided by Franchisor unless and until Franchisee has submitted the materials to Franchisor, according to the procedures and terms set forth in Section 13.3 in this Agreement.

13.4 **Franchisor's Approval of Proposed Plans and Materials.** If Franchisee desires to use marketing and promotional plans and materials that have not been provided or previously approved by Franchisor, Franchisee will submit samples of all the marketing and promotional plans and materials to Franchisor (as provided in Section 24 in this Agreement) for prior approval. If written notice of disapproval is not received by Franchisee from Franchisor within 5 business days of the date of receipt by Franchisor of the samples or materials, Franchisor will be deemed to have approved them.

13.5 **Directory Listings.** Franchisee will be required to obtain listings in and/or advertise with Franchisor and other franchisees in the System, on electronic yellow page directories and other on-line directories as Franchisor may designate. Franchisor reserves the right to place such, and subsequently modify or remove, on-line listings and advertisements on behalf of Franchisee. For any listings or advertisements posted by or on behalf of Franchisee, Franchisee will promptly pay, on demand by Franchisor, its pro-rata share of the costs. Additionally, these activities may be carried out through the use of the System Ad Fund.

13.6 **Ownership of Advertising Plans and Materials.** Franchisee acknowledges and agrees that any and all copyrights in and to advertising and promotional materials developed by or on behalf of Franchisee which bear

the Proprietary Marks will be the sole property of Franchisor, and Franchisee agrees to sign the documents (and, if necessary, require its independent contractors to sign the documents) as may be deemed reasonably necessary by Franchisor to give effect to this provision. (Note: This may not be enforceable under federal Copyright Law) Any advertising, marketing, promotional, public relations, or sales concepts, plans, programs, activities, or materials proposed or developed by Franchisee for the Franchised Business or the System and approved by Franchisor may be used by Franchisor and other operators under the System of Franchisor without any compensation to Franchisee.

SECTION 14 - INSURANCE

14.1 **Insurance.** Before opening and at all times during the term of the franchise, Franchisee shall maintain in force at Franchisee's sole expense:

(a) property insurance on a replacement cost basis at a minimum limit based on the total value of Franchisee's assets (including, fire, extended coverage, vandalism and malicious mischief);

(b) primary general liability insurance with a minimum limit of \$1,000,000.00 (including, coverage for personal injury, products and contractual liability);

(c) primary automobile liability insurance with a minimum limit of \$1,000,000.00 (including, owned automobiles titled or leased in the name of Franchisee or Franchisee's owners and used at any time, whether principally or occasionally in Franchisee's business). If Franchisee or Franchisee's owners do not use a vehicle owned or leased in the name of Franchisee or any of Franchisee's owners in Franchisee's business, Franchisee must provide written evidence of that fact, satisfactory to us.

(d) workers compensation insurance (in Franchisee's name) as required by applicable law. If no such law exists, then Franchisee must participate in such other comparable insurance as required by Franchisor. If Franchisee's state recognizes and permits self-insurer programs, Franchisee's participation in such a program will satisfy our requirements under this subparagraph (d). If deductible plans are approved and used in Franchisee's state, coverage may be purchased on this basis subject to the requirements of Franchisee's insurance carrier.

All insurance policies must be issued by an insurance carrier rated "A" or better by Alfred M. Best & Company, Inc. All liability insurance policies must name Franchisor, and any subsidiaries and affiliates which Franchisor designates, as additional insureds entitled to the coverage afforded to all named insureds, without regard to any other insurance or self-insured program which we may have in effect, and also provide that Franchisor receives 30 days prior written notice of termination, expiration, cancellation, modification, or reduction in coverage or limits of any such policy. Franchisor may also reasonably increase the minimum liability "limit" protection requirement annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards in public, product or motor vehicle litigation or other relevant changes in circumstances. Franchisee must submit to Franchisor annually, a copy of the certificate of insurance or evidence of the renewal or extension of each such insurance policy or any modifications to any such insurance policies, which must describe the applicable deductibles for each such policy. If at any time Franchisee fails or refuses to maintain in effect any insurance coverage required by Franchisor, or to furnish satisfactory evidence of this insurance, Franchisor may, at Franchisor's option and in addition to other rights and remedies Franchisor may have, obtain insurance coverage, on Franchisee's behalf, and Franchisee agrees to promptly sign any applications or other forms or instruments required to obtain any such insurance and pay to Franchisor on demand any cost and premiums incurred by Franchisor. Franchisee's obligations to obtain and maintain the insurance described in this Agreement shall not be limited in any way by reason of any insurance maintained by Franchisor.

SECTION 15 - TRANSFER OF INTEREST

15.1 **Franchisor's Rights to Transfer.** Franchisor will have the right to transfer or assign this Agreement and all or any part of its rights or obligations in this Agreement to any person or legal entity, and any designated assignee of Franchisor will become solely responsible for all obligations of Franchisor under this Agreement from the date of assignment. In addition, and without limitation to the previous statement(s), Franchisee expressly affirms and

agrees that Franchisor may sell its assets, its Proprietary Marks, or its System; may sell its securities in a public offering or in a private placement; may merge, acquire other corporations, or be acquired by another corporation; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

15.2 No Transfers Without Franchisor's Approval. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee or the Principals of Franchisee if Franchisee is not an individual, and that Franchisor has granted this franchise in reliance on Franchisee's or Franchisee's Principals' business skill, financial capacity, and personal character. Accordingly:

15.2.1 Franchisee will not, without the prior written consent of Franchisor, transfer, pledge or otherwise encumber: (a) the rights and/or obligations of Franchisee under this Agreement; or (b) any material asset of Franchisee or the Franchised Business.

15.2.2 If Franchisee is a corporation or limited liability company, Franchisee will not, without the prior written consent of Franchisor, issue any voting securities or securities convertible into voting securities, and the recipient of any such securities will become a Principal under this Agreement, if so designated by Franchisor.

15.2.3 If Franchisee is a partnership or limited partnership, the partners of the partnership will not, without the prior written consent of Franchisor, admit additional general partners, remove a general partner, or otherwise materially alter the powers of any general partner. Each general partner will automatically be deemed a Principal of Franchisee.

15.2.4 A Principal will not, without the prior written consent of Franchisor, transfer, pledge or otherwise encumber any interest of the Principal in Franchisee, as such is identified in Exhibit C.

15.3 Conditions on Transfer. Franchisor will not unreasonably withhold any consent required by Section 15.2 above; provided, that if the proposed transfer alone or together with other previous, simultaneous, or proposed transfers would have the effect of changing control of Franchisee, results in the assignment of the rights and obligations of Franchisee under this Agreement, or transfers the ownership interest in all or substantially all of the assets of the Franchised Business or the business franchised by this Agreement, Franchisor will have the right to require any or all of the following as conditions of its approval:

15.3.1 All of Franchisee's monetary obligations and all other outstanding obligations to Franchisor, its affiliates, and any approved suppliers of the System have been satisfied in full;

15.3.2 Franchisee will not be in default under any provision of this Agreement, any other agreement between Franchisee and Franchisor or its affiliate, the approved suppliers of the System, or the landlord (or sub-landlord) for the Premises;

15.3.3 Each transferor (and, if the transferor is other than an individual, the transferor and the owners of beneficial interest in the transferor as Franchisor may request) will have signed a general release in a form satisfactory to Franchisor of any and all claims against Franchisor and its affiliates and their respective officers, directors, agents, and employees;

15.3.4 The transferee of a Principal will be designated as a Principal and each transferee who is designated a Principal will enter into a written agreement, in a form satisfactory to Franchisor, agreeing to be bound as a Principal under the terms of this Agreement if the person or entity owns any interest in Franchisee. Additionally, the transferee and/or the owners of the transferee as Franchisor may request, will guaranty the performance of the transferee's obligations in writing in a form satisfactory to Franchisor;

15.3.5 The transferee will demonstrate to Franchisor's satisfaction that the terms of the proposed transfer do not place an unreasonable financial or operational burden on the transferee, and that the transferee (or, if the transferee is other than an individual, the owners of beneficial interest in the transferee as Franchisor may request) meets Franchisor's then-current application qualifications (which may include educational, managerial, socially responsible, and business standards, good moral character, business reputation, and credit rating); has the aptitude and

ability to operate the Franchised Business and absence of conflicting interests; and has adequate financial resources and capital to operate the Franchised Business;

15.3.6 At Franchisor's option, Franchisee will sign the form of franchise agreement then being offered to new System franchisees, and the other ancillary agreements required by Franchisor for the business franchised by this Agreement, which agreements will supersede this Agreement and its ancillary documents in all respects, and the terms of which may differ from the terms of this Agreement including, without limitation, a higher and/or additional fees;

15.3.7 If so requested by Franchisor, Franchisee, at its expense, will upgrade the Franchised Business, and other equipment to conform to the then-current standards and specifications of new Auto Appraisal Network franchises then-being established in the System, and will complete the upgrading and other requirements within the time specified by Franchisor.

15.3.8 The transferor will remain liable for all of the obligations to Franchisor in connection with the Franchised Business that arose before the effective date of the transfer and will sign any and all instruments reasonably requested by Franchisor to evidence such liability;

15.3.9 The transferee (and, if the transferee is not an individual, the Principals of the transferee as Franchisor may request) and the transferee's manager (if applicable) will, at the transferee's expense, successfully attend and successfully complete any training programs then in effect for operators and managers on the terms and conditions as Franchisor may reasonably require;

15.3.10 Franchisee will pay a transfer fee in an amount of \$5,000 to compensate Franchisor for its expenses incurred in connection with the transfer. There is no charge if the transferee is a corporation or limited liability company controlled by Franchisee. If Franchisee requests Franchisor to assist in finding a transferee, Franchisee will pay a transfer fee of 6% of the selling price of the franchise and the \$5,000 transfer fee to cover review, approval and training of the transferee. If a Broker is used to find a transferee, Franchisee will be responsible for paying any Broker fees directly.

15.3.11 The transferor(s), at the request of Franchisor, will agree in writing to comply with the covenants set forth in Section 18 below.

15.4 **Additional Terms.** For any transfer not covered by Section 15.3, each transferee will, in addition to the requirement of obtaining Franchisor's consent as provided in Section 15.2, be subject to the requirements of Sections 15.3.3 and 15.3.4 above (with respect to execution of releases and personal guarantees).

15.5 **Security Interests.** Neither Franchisee nor any Principal will grant a security interest in, or otherwise encumber, any of the assets or securities of Franchisee, including the Franchised Business unless Franchisee satisfies the requirements of Franchisor, which include, without limitation, execution of an agreement by the secured party in which it acknowledges the creditor's obligations under this Section 15, and agrees that if there are any defaults by Franchisee under any documents related to the security interest, Franchisor will have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of Franchisee, and, if Franchisor exercises this option, any acceleration of indebtedness due to Franchisee's default will be void.

15.6 **Right of First Refusal.** If Franchisee or any Principal desires to accept any bona fide offer from a third party to purchase franchisee, Franchisee or the Principal will promptly notify Franchisor, and will provide the information and documentation relating to the offer as Franchisor may require. Franchisor will have the right and option, exercisable within 30 days after receipt of the written transfer request and the required information and documentation related to the offer (including any information that Franchisor may reasonably request to supplement or clarify information provided to Franchisor with the written transfer request), to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party; provided, however, a spouse, domestic partner, parent or child of the seller will not be considered a third party for purposes of this Section 15.6. If Franchisor elects to purchase the seller's interest, closing on the purchase will occur within forty-five (45) days from

the date of notice to the seller of the election to purchase by Franchisor, or, if longer, on the same timetable as contained in the *bona fide* offer.

15.6.1 Any material change thereafter in the terms of the offer from the third party or by Franchisee, or a change in the identity of the third party will constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of the third party's initial offer. Failure of Franchisor to exercise the option afforded by this Section 15.6 will not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 15, with respect to a proposed transfer.

15.6.2 If the consideration, terms, and/or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the consideration, terms, and/or conditions offered by the third party, Franchisor will designate an independent appraiser to make a binding determination. The cost of any such appraisal will be shared equally by Franchisor and Franchisee. If Franchisor elects to exercise its right under this Section 15.6, Franchisor will have the right to set off all amounts due from Franchisee, and one-half (½) of the cost of the appraisal, if any, against any payment to the seller.

15.7 **Death of a Principal.** Upon the death of a Principal, the deceased's executor, administrator, or other personal representative will transfer the deceased's interest to a third party approved by Franchisor within 12 months after the death. The recipient must meet Franchisor's then current standards to become a franchisee, and will need to attend the current training if needed.

15.8 **Permanent Disability of Controlling Principal.** Upon the permanent disability of any Principal with a controlling interest in Franchisee, Franchisor will have the right to require such interest to be transferred to a third party in accordance with the conditions described in this Section 15 within six (6) months after notice to Franchisee. "**Permanent Disability**" will mean any physical, emotional, or mental injury, illness, or incapacity that would prevent a person from performing the obligations set forth in this Agreement for at least six (6) consecutive months and from which condition recovery within six (6) consecutive months from the date of determination of disability is unlikely. Permanent disability will be determined by a licensed practicing physician.

15.9 **Notice to Franchisor of Death or Permanent Disability.** Upon the death or permanent disability any Principal of Franchisee, such person or his representative will promptly notify Franchisor of such death or claim of permanent disability. Any transfer on death or permanent disability will be subject to the same terms and conditions as any *inter vivos* transfer.

15.10 **Limited Exceptions.** Notwithstanding anything to the contrary in this Section 15:

15.10.1 Franchisee will not be required to pay the transfer fee due under Section 15.3.10 above, if the transferee: (a) is a spouse, domestic partner, parent, or direct lineal descendant or sibling of Franchisee or of a Principal of Franchisee (or more than one of such persons), provided that the transferee has been involved in, and is knowledgeable regarding, the operations of the Franchised Business; (b) is a Principal of Franchisee; or (c); is a transferee under Sections 15.7 or 15.8 above.

15.10.2 If Franchisee is an individual and seeks to transfer this Agreement to a corporation, partnership, or limited liability company formed for the convenience of ownership, the conditions of Sections 15.3.6 (signing a new franchise agreement), 15.3.7 (upgrading the Franchised Business), and 15.3.10 (transfer fee) will not apply, and Franchisee may undertake the transfer, provided that Franchisee owns 100% of the equity interest in the transferee entity, and the Franchisee personally guarantees, in a written guaranty satisfactory to Franchisor, the performance of the obligations of the Franchisee under the Franchise Agreement.

15.11 **Securities Offerings.** All materials required for any offering of securities or partnership interests in Franchisee by federal or state law will be submitted to Franchisor by the offering party for review before filing with any government agency; and any materials to be used in any exempt offering will be submitted to Franchisor for review before their use. No offering will imply, by use of the Proprietary Marks or otherwise, that Franchisor is

participating in an underwriting, issuance, or offering of securities of either Franchisee or Franchisor; and review by Franchisor of any offering will be limited solely to the subject of the relationship between Franchisee and Franchisor. At its option, Franchisor may require the offering materials to contain written statements or disclaimers prescribed by Franchisor including, any limitations stated above in this paragraph. Franchisee and the other participants in the offering must fully indemnify Franchisor in connection with the offering. For each proposed offering, Franchisee will reimburse Franchisor for its actual costs and expenses associated with reviewing the proposed offering materials, including legal and accounting fees. Franchisee will give Franchisor written notice at least sixty (60) days before the date of commencement of any offering or other transaction covered by this Section 15.11. Any such offering will be subject to prior written consent of Franchisor and right of first refusal as provided in Section 15.6.

15.12 **No Waiver.** The consent of Franchisor to any transfer according to this Section 15 will not constitute a waiver of any claims it may have against the transferring party, nor will it be a waiver of the right of Franchisor to demand exact compliance with any of the terms of this Agreement by the transferor or transferee.

15.13 **Bankruptcy.** If Franchisee or any person holding any interest (direct or indirect) in Franchisee becomes a debtor in a proceeding under the U.S. Bankruptcy Code or any similar law in the U.S. or elsewhere, it is the parties' understanding and agreement that any transfer of the ownership of Franchisee, Franchisee's obligations and/or rights by this Agreement and/or any material assets of Franchisee, will be subject to all of the terms of this Section 15.

15.14 **No Transfers in Violation of Law.** Notwithstanding anything to the contrary in this Agreement, no transfer will be made if the transferee, any of its affiliates, or the funding sources for either is a person or entity designated with whom Franchisor, or any of its affiliates, are prohibited by law from transacting business.

SECTION 16 - DEFAULT AND TERMINATION

16.1 Automatic Termination. Franchisee will be in default under this Agreement, and all rights granted to Franchisee in this Agreement will automatically terminate without notice to Franchisee, if Franchisee will become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Franchisee or such a petition is filed against and not opposed by Franchisee; if Franchisee is adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee; if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part of the assets or property, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against Franchisee; if a final judgment remains unsatisfied or of record for 30 days or longer (unless supersedeas bond is filed); if Franchisee is dissolved; if execution is levied against Franchisee's business or property; if suit to foreclose any lien or mortgage against the Premises or equipment is instituted against Franchisee and not dismissed within 30 days; or if the real or personal property of the Franchised Business will be sold after levy thereupon by any sheriff, marshal, or constable.

16.2 Termination Upon Notice. Franchisee will be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted by this Agreement, without affording Franchisee any opportunity to cure the default, effective immediately on the provision of notice to Franchisee (in the manner provided under Section 24 in this Agreement), on the occurrence of any of the following events of default:

16.2.1 If Franchisee fails to complete all pre-opening obligations and to open the Franchised Business within the time limits as provided in Section 5.2 above;

16.2.2 If Franchisee or any of its Principals is convicted of a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the Services, the goodwill associated to the System, the Proprietary Marks, the Services, or the interest of Franchisor to the System, the Proprietary Marks and the Services;

16.2.3 If Franchisee's action or inaction, at any time, results in the loss of Franchisee's right to do or transact business in the jurisdiction where the Franchised Business is located;

16.2.4 If Franchisee or any Principal purports to transfer any rights or obligations under this Agreement or any interest to any third party in a manner that is contrary to the terms of Section 15 in this Agreement;

16.2.5 If, contrary to the terms of Sections 9 or 10 of this Agreement, Franchisee discloses or divulges the contents of the Manuals or other confidential information provided to Franchisee by Franchisor;

16.2.6 If Franchisee fails to comply with the covenants in Section 18.2 below or fails to timely obtain execution of the covenants required under Section 18.5 below;

16.2.7 If Franchisee misuses or makes any unauthorized use of the Proprietary Marks or any other identifying characteristics of the System, or if Franchisee otherwise operates the Franchised Business in a manner that materially impairs the reputation or goodwill associated with the System, Proprietary Marks, Services, or the rights of Franchisor in those matters;

16.2.8 If Franchisee, after curing a default according to Sections 16.3 or 16.4 of this Agreement, commits the same default again, whether or not cured after notice.

16.2.9 If Franchisee commits 3 or more defaults under this Agreement in any 12 month period, whether or not each such default has been cured after notice; (this provision in no way limits Section 16.2.8 above);

16.2.10 If Franchisee at any time ceases to operate or otherwise abandons the Franchised Business for 30 consecutive days, or more; unless the closure is approved in writing by Franchisor, or excused by *force majeure*.

16.2.11 If Franchisee breaches any material provision of this Agreement which breach is not susceptible to cure.

16.3 Notice and Opportunity to Cure -7 Days. Upon the occurrence of any of the following events of default, Franchisor may, at its option, terminate this Agreement by giving written notice of termination (in the manner set forth under Section 24 in this Agreement) stating the nature of the default to Franchisee at least 7 days before the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure the default, curing it to the satisfaction of Franchisor, and by promptly providing proof of it to Franchisor within the 7 day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement will terminate without additional notice to Franchisee, effective immediately on the expiration of the 7 day period or such longer period as applicable law may require.

16.3.1 If Franchisee fails, refuses, or neglects promptly to pay any monies owing to Franchisor or its affiliates when due; including service and/or minimum service fees as outlined above in Section 4.3 of this Franchise Agreement;

16.3.2 If Franchisee fails to provide satisfactory Appraisal Service for customers, fails to contact potential customer leads received from Franchisor within 24 hours of receipt of lead, and/or fails to schedule appointments within 72 hours of customer contact, except at customer's request; and this infraction occurs more than two times in a given 1 month period.

16.4 Notice and Opportunity to Cure -30 Days. Except as otherwise provided in Sections 16.1 and 16.2 of this Agreement, on any other default by Franchisee, Franchisor may terminate this Agreement by giving written notice of termination (in the manner set forth under Section 24 in this Agreement) stating the nature of the default to Franchisee at least 30 days before the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure the default, curing it to the satisfaction of Franchisor, and by promptly providing proof of it to Franchisor within the 30 day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement will terminate without additional notice to Franchisee, effective immediately on the expiration of the 30 day period or such longer period as applicable law may require.

16.4.1 If Franchisee receives consistently poor reviews from surveys of client(s) by Franchisor, Franchisee will be put on notice. NOTE: Surveys with clients are based on actual franchise services.

16.4.2 If Franchisee fails to make a minimum number of sales per quarter as outlined above in Section 4.3 for 2 consecutive quarters, or, Franchisee will be put on notice and may lose its exclusive DMA.

SECTION 17 - OBLIGATIONS ON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted by this Agreement to Franchisee will terminate, and:

17.1 Stop Operating. Franchisee will immediately cease to operate the Franchised Business, and will not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former operator of Franchisor in connection with the promotion or operation of any other business.

17.2 Stop Using the System. Franchisee will immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures, and techniques associated with the System; the Proprietary Mark "Auto Appraisal Network franchise" and all other Proprietary Marks and distinctive forms, slogans, signs, symbols, and devices associated with the System. In particular, Franchisee will cease to use all signs, marketing materials, displays, stationery, forms, products, and any other articles which display the Proprietary Marks.

17.3 Cancel Assumed Names. Franchisee will take such action as may be necessary to cancel any assumed name registration or equivalent registration obtained by Franchisee which contains the mark "Auto Appraisal

Network” or any other Proprietary Marks, and Franchisee will furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within 5 days after termination or expiration of this Agreement.

17.4 The Premises. Franchisee will, at the option of Franchisor, assign to Franchisor any interest which Franchisee has in any lease or sublease for the Premises; if outside offices are leased. If Franchisor does not elect to exercise its option to acquire the lease or sublease for the Premises, Franchisee will make the modifications or alterations to the Premises immediately on termination or expiration of this Agreement as may be necessary to distinguish the appearance of the Premises from that of Auto Appraisal Network franchises under the System, and will make the specific additional changes to Premises as Franchisor may reasonably request for that purpose. If Franchisee fails or refuses to comply with the requirements of this Section 17.4, Franchisor will have the right to enter the Premises, without being guilty of trespass or any other tort, for the purpose of making or causing to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee agrees to pay on demand. Additionally, if Franchisor does not elect to exercise the option to acquire the lease/sublease, Franchisee will comply with Section 18.3 below regarding a Competitive Business (as defined in Section 18.2.3 below).

17.5 Phone Numbers and Directory Listings. In addition, Franchisee will cease use of all telephone numbers and any domain names, websites, e-mail addresses, and any other identifiers, whether or not authorized by Franchisor, used by Franchisee while operating the Franchised Business, and will promptly sign the documents or take the steps necessary to remove reference to the Franchised Business from all trade or business telephone directories, including “yellow” and “white” pages, or at Franchisor’s request transfer same to Franchisor. Franchisee by this agreement authorizes Franchisor to instruct issuers of any telephone and internet domain name services, and other providers to transfer any such telephone numbers, domain names, websites, addresses, and any other identifiers to Franchisor on termination of this Agreement, without need for any additional approval from Franchisee. Without limiting the previous statement; if requested by Franchisor, Franchisee will provide, during the term or on termination of this Agreement, written confirmation of Franchisor’s rights under this Section 17.5. Franchisee agrees that it will sign the documents and do the things (without cost to Franchisee) that may be reasonably requested by Franchisor to implement this Section 17.5.

17.6 No Use of Proprietary Marks or Trade Dress in other Businesses. Franchisee agrees, if it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy, or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion of it, which, in the sole discretion of Franchisor, is likely to cause confusion, mistake, or deception, or which, in the sole discretion of Franchisor, is likely to dilute the rights of Franchisor in and to the Proprietary Marks. Franchisee also agrees not to utilize any designation of origin, description, or representation (including but not limited to reference to Franchisor, the System, or the Proprietary Marks) which, in the sole discretion of Franchisor, suggests or represents a present or former association or connection with Franchisor, the System, or the Proprietary Marks.

17.7 Pay Franchisor All Amounts Due. Franchisee will promptly pay all sums owing to Franchisor and its affiliates. In the event of termination for any default of Franchisee, these sums will include all damages, costs, and expenses, including reasonable attorneys’ fees, incurred by Franchisor as a result of the default and termination, which obligation will give rise to and remain, until paid-in-full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Franchisee and on the Premises at the time of default.

17.8 Return Manuals and Confidential Information. Franchisee will, at its own expense, immediately deliver to Franchisor the Manuals and all other records, correspondence, and instructions containing confidential information relating to the operation of the Franchised Business (and any copies of it, even if such copies were made in violation of this Agreement), all of which are acknowledged to be the property of Franchisor.

17.9 Franchisor’s Option to Purchase Certain Assets. Franchisor will have the option, to be exercised within 30 days after termination, to purchase from Franchisee any or all of the furnishings, equipment, signs, fixtures, supplies, or inventory of Franchisee related to the operation of the Franchised Business, at the lesser of Franchisee’s cost or fair market value. If Franchisor elects to exercise any option to purchase by this agreement provided, it will have the right to set off all amounts due from Franchisee.

17.10 **Comply with Covenants.** Franchisee and Principals will comply with the covenants contained in Section 18.3 of this Agreement.

17.11 **Liquidated Damages.** If Franchisor terminates the Franchise Agreement with cause, or Franchisee terminates the Franchise Agreement without cause, Franchisee must pay Franchisor liquidated damages equal to the present value (using the then-current 30-Year Treasury Bond rate) of the Service Fees Franchisee would have paid Franchisor for the number of months remaining in the Franchise Agreement had Franchisor or Franchisee not terminated it.

SECTION 18 - COVENANTS

18.1 **Full Time and Best Efforts.** Franchisee covenants that, during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee (or, if Franchisee is not an individual, the Designated Principal) or Franchisee's fully-trained General Manager will devote full time and best efforts to the management and operation of the Franchised Business.

18.2 **During the Agreement Term.** Franchisee specifically acknowledges that, according to this Agreement, Franchisee will receive valuable, specialized training and confidential information, including information regarding the operational, sales, promotional, and marketing methods and techniques of Franchisor and the System. Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee will not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity:

18.2.1 Divert or attempt to divert any present or prospective business or customer of any Auto Appraisal Network franchises to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks and the System;

18.2.2 Employ or seek to employ any person who is at that time employed by Franchisor or by any other franchisee of Franchisor, or otherwise encourage the person to leave his or her employment; or

18.2.3 Own, maintain, operate, engage in, be employed by, provide any assistance to, or have any more than a 1% interest in (as owner or otherwise) any Competitive Business (as defined below). A "**Competitive Business**" will be considered to be any automobile and/or motorcycle appraisal service and related services similar to Auto Appraisal Network franchise. Additionally, Franchisee acknowledges and agrees that Franchisee will be considered in default under this Agreement and that this Agreement will be subject to termination as provided in Section 16.2.8 in this Agreement, if a person in the immediate family (including spouse, domestic partner, parent or child) of Franchisee (or, if Franchisee is other than an individual, each Principal that is subject to these covenants) engages in a Competitive Business that would violate this Section 18.2.3 if the person was subject to the covenants of this Section 18.2.3.

18.3 **After the Agreement and After a Transfer.** Franchisee covenants that, except as otherwise approved in writing by Franchisor, for a continuous uninterrupted period of 2 years commencing on the date of: (a) a transfer permitted under Section 15 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the previous statements; or with respect to enforcement of this Section 18.3; or (e) any or all of it:

18.3.1 Franchisee will not either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person or legal entity, own, maintain, operate, engage in, be employed by, provide assistance to, or have any interest in (as owner or otherwise) any Competitive Business that is, or is intended to be, located at the DMA, within the Territory, within a radius of 50 miles of any other Auto Appraisal Network franchises located anywhere; provided, however, that this provision will not apply to the operation by Franchisee of any business under the System under a franchise agreement with Franchisor; or

18.3.2 Franchisee will not sublease, assign, or sell Franchisee's interest in any lease, sublease, or ownership of the Premises or assets of the Franchised Business to a third party for the operation of a Competitive Business, or otherwise arrange or assist in arranging for the operation by a third party of a Competitive Business.

18.4 **Exception for Ownership in Public Entities.** Sections 18.2.3 and 18.3 will not apply to ownership by Franchisee of a less than 5% beneficial interest in the outstanding equity securities of any corporation which has securities registered under the Securities Exchange Act of 1934.

18.5 **Covenants as Independent Clauses.** The parties agree that each of the previous covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 18 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an un-appealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 18.

18.6 **Franchisor's Right to Reduce Scope of the Covenants.** Franchisee understands and acknowledges that Franchisor will have the right, at its sole discretion, to reduce the scope of any covenant set forth in this Section 18, or any portion of it, without Franchisee's consent, effective immediately on receipt by Franchisee of written notice of it; and Franchisee agrees that it will comply immediately with any covenant as so modified, which will be fully enforceable notwithstanding the terms of Section 25 in this Agreement.

18.7 **Covenants Survive Claims.** Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not from this Agreement, will not constitute a defense to the enforcement by Franchisor of the covenants in this Section 18; provided, however, any claims Franchisee may have against Franchisor may be brought in a separate proceeding. Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Section 18.

SECTION 19 - CORPORATE, LIMITED LIABILITY COMPANY, OR PARTNERSHIP FRANCHISEE

19.1 **List of Principals.** If Franchisee is a corporation, limited liability company, or partnership, each Principal of Franchisee, and the interest of each Principal in Franchisee, will be identified in Exhibit C of this Agreement. Franchisee will maintain a list of all Principals and immediately furnish Franchisor with an update to the information contained in Exhibit C on any change, which will be made only in compliance with Section 15 above.

19.2 **Guaranties.** The Principals as Franchisor may request will sign a guaranty, indemnification, and acknowledgment of Franchisee's obligations under this Agreement in the form attached to this Agreement as Exhibit E. In Section 8.3, the Designated Principal will at all times have at least a 10% interest in Franchisee.

19.3 **Corporations and Limited Liability Companies.** If Franchisee is a corporation or limited liability company, Franchisee will comply with the following requirements:

19.3.1 Franchisee will be newly organized and its governing documents will at all times provide that its activities are confined exclusively to operating the Franchised Business.

19.3.2 Franchisee will, on request of Franchisor, promptly furnish to Franchisor copies of Franchisee's Articles of incorporation, bylaws, Articles of organization, operating agreement and/or other governing documents, and any amendments to the governing documents, including the resolution of the Board of Directors or members authorizing entry into this Agreement.

19.3.3 Franchisee will maintain stop-transfer instructions against the transfer on its records of any equity securities; and each stock certificate or issued securities of Franchisee will conspicuously endorse on its face a statement, in a form satisfactory to Franchisor, which references the transfer restrictions imposed by this Agreement; provided, however, that the requirements of this Section 18.2.3 will not apply to a publicly-held corporation.

19.4 **Partnerships and Limited Liability Partnerships.** If Franchisee or any successor to or assignee of Franchisee is a partnership or limited liability partnership, Franchisee will comply with the following requirements:

19.4.1 Franchisee will be newly organized and its partnership agreement will at all times provide that its activities are confined exclusively to operating the Franchised Business.

19.4.2 Franchisee will furnish Franchisor with a copy of its partnership agreement as well as the other documents as Franchisor may reasonably request, and any amendments to the documents.

19.4.3 The partners of the partnership will not, without the prior written consent of Franchisor, admit additional general partners, remove a general partner, or otherwise materially alter the powers of any general partner.

SECTION 20 - TAXES, PERMITS, AND INDEBTEDNESS

20.1 **Taxes.** Franchisee will promptly pay when due all taxes levied or assessed, including unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by Franchisee in the operation of the Franchised Business. Franchisee will pay to Franchisor an amount equal to any sales tax, gross receipts tax, or similar tax (other than income tax) imposed on Franchisor with respect to any payments to Franchisor required under this Agreement, unless the tax is credited against income tax otherwise payable by Franchisor.

20.2 **Dispute about Taxes.** In the event of any bona fide dispute as to Franchisee's liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but in no event will Franchisee permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the Premises of the Franchised Business, or any improvements thereon.

20.3 **Compliance with Laws.** Franchisee will comply with all federal, state, and local laws, rules, and regulations, and will timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Franchised Business, including licenses to do business, fictitious name registrations, sales tax permits, and fire clearances.

SECTION 21 - INDEPENDENT CONTRACTOR AND INDEMNIFICATION

21.1 **No Fiduciary Relationship.** Franchisee is an independent contractor. Franchisor and Franchisee are completely separate entities and are not fiduciaries, partners, joint ventures, or agents of the other in any sense and neither will have the power to bind the other. No act or assistance given by either party to the other according to this Agreement will be construed to alter the relationship. Franchisee will be solely responsible for compliance with all federal, state, and local laws, rules and regulations, and for Franchisee's policies, practices, and decisions relating to the operation of the Franchised Business.

21.2 **Public Notice.** During the term of this Agreement, Franchisee will hold itself out to the public as an independent contractor operating the Franchised Business according to a franchise agreement from Franchisor. Franchisee agrees to take the action as may be necessary to do so, including exhibiting a notice of that fact in a conspicuous place at the Premises, the content of which Franchisor reserves the right to specify.

21.3 **No Assumption of Liability.** Nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on the behalf of Franchisor, or to incur any debt or other obligation in the name of Franchisor; and Franchisor will in no event assume liability for, or be deemed liable by this Agreement as a result of, any such action; nor will Franchisor be liable by reason of any act or omission of Franchisee in its operation of the Franchised Business or for any claim or judgment from the operation of the Franchised Business against Franchisee or Franchisor.

21.4 **Indemnification By Franchisee.** Franchisee will indemnify and hold Franchisor, Franchisor's owners and affiliates, and their respective officers, directors, and employees (the "**Indemnitees**") harmless against any and all causes of action, claims, losses, costs, expenses, liabilities, litigation, damages or other expenses (including, settlement costs and attorneys' fees) arising directly or indirectly from, as a result of, or in connection with the operation of the Franchised Business and/or Franchisee's conduct under this Agreement (notwithstanding any claims that the Indemnitees are or were negligent). Franchisee agrees that with respect to any threatened or actual litigation, proceeding or dispute which could directly or indirectly affect any of the Indemnitees, the Indemnitees will have the right, but not the obligation, in their discretion, to: (i) choose counsel, (ii) direct, manage and/or control the handling of the matter; and (iii) settle on behalf of the Indemnitees, and/or Franchisee, any claim against the Indemnitees. All vouchers, canceled checks, receipts, receipted bills or other evidence of payments for any such losses, liabilities, costs, damages, charges or expenses of whatsoever nature incurred by any Indemnitee will be taken as prima facie evidence of Franchisee's obligation by this Agreement.

21.5 **Indemnification By Franchisor.** Franchisor will indemnify and hold Franchisee, Franchisee's owners and affiliates, and their respective officers, directors, and employees (the "**Indemnitees**") harmless against any and all causes of action, claims, losses, costs, expenses, liabilities, litigation, damages or other expenses (including, settlement costs and attorneys' fees) arising directly or indirectly from, as a result of, or in connection with the use of the Proprietary Marks in the operation of the Franchised Business. All vouchers, canceled checks, receipts, receipted bills or other evidence of payments for any such losses, liabilities, costs, damages, charges or expenses of whatsoever nature incurred by any Indemnitee will be taken as prima facie evidence of Franchisor's obligation by this Agreement.

SECTION 22 - APPROVALS AND WAIVERS

22.1 **Approval Requests.** Whenever this Agreement requires the prior authorization, approval or consent of Franchisor, Franchisee will make a timely written request to Franchisor, and the approval or consent must be obtained in writing.

22.2 **Non-waiver.** No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist on strict compliance by Franchisee with any obligation or condition by this Agreement, and no custom or practice of the parties in variance with the terms of this Agreement, will constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Franchisee will not be binding unless in writing and signed by the party sought to be charged and will not affect or impair Franchisor's right with respect to any subsequent default of the same or of a different nature; nor will any delay, waiver, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, terms, or covenants of this Agreement, affect or impair Franchisor's rights nor will this constitute a waiver by Franchisor of any right by this Agreement or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it by this Agreement will not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

SECTION 23 - WARRANTIES OF OPERATOR

23.1 **Reliance by Franchisor.** Franchisor entered into this Agreement in reliance on the statements and information submitted to Franchisor by Franchisee in connection with this Agreement. Franchisee represents and warrants that all the statements and information submitted by Franchisee in connection with this Agreement are true, correct and complete in all material respects. Franchisee agrees to promptly advise Franchisor of any material changes in the information or statements submitted.

23.2 **Compliance with Laws.** Franchisee represents and warrants to Franchisor that neither Franchisee (including, without limitation, any and all of its employees, directors, officers and other representatives), nor any of its affiliates or the funding sources for either is a person or entity designated with whom Franchisor, or any of its affiliates, are prohibited by law from transacting business.

SECTION 24 - NOTICES

Any and all notices required or permitted under this Agreement will be in writing and will be personally delivered, sent by registered mail, or by other means which affords the sender evidence of delivery, or of rejected delivery, to the respective parties at the addresses shown on the signature page of this Agreement, unless and until a different address has been designated by written notice to the other party. Any notice by a means which affords the sender evidence of delivery, or rejected delivery, will be deemed to have been given at the date and time of receipt or rejected delivery.

SECTION 25 - ENTIRE AGREEMENT

This Agreement, the attachments of this Agreement, and the documents referred to in this Agreement constitute the entire Agreement between Franchisor and Franchisee concerning the subject matter of this Agreement, and supersede any prior agreements, no other representations having induced Franchisee to sign this Agreement. Except for those permitted to be made unilaterally by Franchisor by this Agreement, no amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and signed by their authorized officers or agents in writing. Nothing in this or any other agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

SECTION 26 - SEVERABILITY AND CONSTRUCTION

26.1 **Severable Parts.** Except as expressly provided to the contrary in this Agreement, each portion, section, part, term, and/or provision of this Agreement will be considered severable; and if, for any reason, any section, part, term, and/or provision in this Agreement is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, these will not impair the operation of, or have any other effect on, the other portions, sections, parts, terms, and/or conditions of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind the parties of this Agreement; and the invalid portions, sections, parts, terms, and/or conditions will be deemed not to be a part of this Agreement.

26.2 **Terms Surviving this Agreement.** Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), or assignment will survive the expiration, termination.

26.3 **No Rights on Third Parties.** Except as expressly provided to the contrary in this Agreement, nothing in this Agreement is intended, nor will be deemed, to confer on any person or legal entity other than Franchisee, Franchisor, officers, directors, shareholders, agents, and employees of Franchisor, and the successors and assigns of Franchisor as may be contemplated by Section 15 in this Agreement, any rights or remedies under or by reason of this Agreement.

26.4 **Full Scope of Terms.** Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the terms of this Agreement any portion or portions which a court or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an un-appealed final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant if required to comply with such a court or agency order.

26.5 **Franchisor's Application of its Rights.** Franchisor will have the right to operate, develop and change the System in any manner that is not specifically precluded by this Agreement. Whenever Franchisor has reserved in this Agreement a right to take or withhold an action, or are deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or omit an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make its decision or exercise its rights, on the basis of the information readily available to Franchisor, and its judgment of what is in its best interests and/or in the best interests of the Franchisor's franchise network, at the time its decision is made, without regard to whether: (i) other reasonable or preferable alternative decisions could have been made by Franchisor; (ii) the decision or action of Franchisor will promote its financial or other individual interest; (iii) Franchisor's decision or the action it take applies differently to Franchisee and one or more other franchisees or Franchisor's company-owned operations; or (iv) Franchisor's decision or the exercise of its right or discretion is adverse to Franchisee's interests. In the absence of an applicable statute, Franchisor will have no liability to Franchisee for any such decision or action. Franchisor and Franchisee intend that the exercise of Franchisor right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, Franchisor and Franchisee agree that the covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's rights and obligations by this Agreement.

26.6 **Captions Only for Convenience.** All captions in this Agreement are intended solely for the convenience of the parties, and none will be deemed to affect the meaning or construction of any provision of this Agreement.

SECTION 27 - APPLICABLE LAW AND DISPUTE RESOLUTION

27.1 **Governing Law.** This Agreement takes effect on its acceptance and execution by Franchisor, and will be interpreted and construed under the laws of the State of California. In the event of any conflict of law, the laws of California will prevail, without regard to, and without giving effect to, the application of California conflict of law rules. Nothing in this Section 27.1 is intended by the parties to subject this Agreement to any franchise or similar law, rule, or regulation of the State of California or of any other state to which it would not otherwise be subject.

27.2 **Non-Binding Mediation.** Before any party may bring an action in court against the other, the parties must first meet to mediate the dispute (except as otherwise provided below). Any such mediation will be non-binding and will be conducted by the American Arbitration Association in accordance with its then-current rules for mediation of commercial disputes. Notwithstanding anything to the contrary, this Section 27.2 will not bar either party from obtaining injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions, without having to engage in mediation. Mediation by this Agreement will be concluded within 45 days of Franchisee's receipt of the notice specifying the designated mediator or such longer period as may be agreed on by the parties in writing. All aspects of the mediation process will be treated as confidential, will not be disclosed to others, and will not be offered or admissible in any other proceeding or legal action. Franchisor and Franchisee will each bear its own costs of mediation, and each will bear one-half the cost of the mediator or mediation service.

27.3 **Arbitration.** Franchisor and Franchisee agree that, except for controversies, disputes, or claims related to or based on improper use of the Marks or Confidential Information, all controversies, disputes, or claims between Franchisor and Franchisor's affiliates, and Franchisor's and their respective shareholders, members, officers, directors, agents, and/or employees, and Franchisee (and/or Franchisee's owners, guarantors, affiliates, and/or employees) arising out of or related to:

- (1) this Agreement or any other agreement between Franchisee and Franchisor;
- (2) Franchisor's relationship with Franchisee;
- (3) the validity of this Agreement or any other agreement between Franchisee and Franchisor;

or

- (4) any System Standard;

must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association in the United States ("AAA"). The arbitration proceedings will be conducted by one arbitrator and, except as this Subsection otherwise provides, according to the AAA's then current rules. All proceedings will be conducted at a suitable location chosen by the arbitrator which is within a 5 mile radius of Franchisor's then current principal place of business. All matters relating to arbitration will be governed by the United States Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Judgment on the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs (as allowable under this Agreement or applicable law), provided that the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Subsection 27.5. below, award any punitive, exemplary or multiple damages against either party (Franchisor and Franchisee by this agreement waiving to the fullest extent permitted by law, except as expressly provided in Subsection 27.5. below, any right to or claim for any punitive, exemplary or multiple damages against the other).

Franchisor and Franchisee agree to be bound by the terms of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. Franchisor and Franchisee also agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the United States Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisee or Franchisor.

Franchisor and Franchisee agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between Franchisor and Franchisor's affiliates, and Franchisor's and their respective shareholders, officers, directors, agents, and/or employees, and Franchisee (and/or Franchisee's owners, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between Franchisor and any other person.

Despite Franchisor's and Franchisee's agreement to arbitrate, Franchisor and Franchisee each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that Franchisor and Franchisee must contemporaneously submit Franchisor's dispute for arbitration on the merits as provided in this Subsection.

The terms of this Subsection are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

27.4 No Rights Exclusive of Other Rights. No right or remedy conferred on or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor will be deemed, exclusive of any other right or remedy provided in this Agreement or permitted by law or equity, but each will be cumulative of every other right or remedy.

27.5 Waiver of Jury Trial. Franchisor and Franchisee irrevocably waive trial by jury in any action, proceeding, or counterclaim, whether at law or in equity, brought by either of them against the other. Any and all claims and actions arising out of or relating to this Agreement, the relationship of Franchisee and Franchisor, or Franchisee's operation of the Franchised Business, brought by either party of this Agreement against the other, whether in mediation, or a legal action, will begin within 2 years from the occurrence of the facts giving rise to the claim or action, or the claim or action will be barred.

27.6 **Waiver of Punitive Damages.** Franchisor and Franchisee by this agreement waive to the fullest extent permitted by law any right to or claim of any punitive or exemplary damages against the other.

27.7 **Injunctive Relief.** Nothing in this Agreement contained will bar the right of Franchisor to obtain injunctive relief against threatened conduct that will cause it loss or damages, including violations of the terms of Sections 9, 10, 11, 15, and 18 under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

SECTION 28 - ACKNOWLEDGEMENTS

28.1 **Franchisee's Responsibility for Operation of Business.** Although Franchisor retains the right to establish and periodically modify System standards, which Franchisee has agreed to maintain in the operation of the Franchised Business, Franchisee retains the right and sole responsibility for the day-to-day management and operation of the Franchised Business and the implementation and maintenance of system standards at the Franchised Business.

28.2 **No Conflicting Obligations.** Each party represents and warrants to the others that there are no other agreements, court orders, or any other legal obligations that would preclude or in any manner restrict the party from: (a) negotiating and entering into this Agreement; (b) exercising its rights under this Agreement; and/or (c) fulfilling its responsibilities under this Agreement.

28.3 **Different Franchise Offerings to Others.** Franchisee acknowledges and agrees that Franchisor may modify the offer of its franchises to other franchisees in any manner and at any time, which offers and agreements have or may have terms, conditions, and obligations that may differ from the terms, conditions, and obligations in this Agreement.

IN WITNESS WHEREOF, the parties of this Agreement has duly signed this Agreement in duplicate on the date first above written and is only binding when signed and signed by an officer of Franchisor.

SECTION 5 – DUTIES OF THE PARTIES

5.1 **Franchisor's Assistance.** Franchisor will furnish to Area Developer the following:

5.1.1 If we determine that on-site evaluation is appropriate, we will, at no charge to you, provide you with such on-site evaluations as we consider advisable for each Franchised Business to be developed under the Development Schedule.

5.2 **Designated Principal.** If Area Developer is other than an individual, Area Developer will designate, subject to Franchisor's reasonable approval, one Principal (as defined in Section 9.1) who is both an individual person and owns at least a 10%, of Area Developer, and who will be responsible for general oversight and management of the development of the Franchised Business under this Agreement and the operations of all such Franchised Businesses open and in operation on behalf of Area Developer (the "**Designated Principal**"). Area Developer acknowledges and agrees that Franchisor will have the right to rely on the Designated Principal to have been given, by Area Developer, the responsibility and decision-making authority regarding the Area Developer's business and operation. If the person designated as the Designated Principal, becomes incapacitated, leaves the employ of Area Developer, transfers his/her interest in Area Developer, or otherwise ceases to supervise the development of the Franchised Business, Area Developer will promptly designate a new Designated Principal, subject to Franchisor's reasonable approval.

5.3 **Records and Reports to Franchisor.** Area Developer will, at Area Developer's expense, comply with the following requirements to prepare, and submit to Franchisor at the time that Franchisor may determine the requirement to review the reports, the following reports, financial statements, and other data, which will be prepared in the form and using the standard statements and chart of accounts as Franchisor may prescribe:

5.3.1 On April 15th of the year following the end of Area Developer's fiscal year, a complete annual financial statement (prepared according to generally accepted accounting principles), on a compilation basis, and if required by Franchisor, the statements will be prepared by an independent certified public accountant.

5.3.2 All other forms, reports, records, information, and data as Franchisor may reasonably designate.

5.4 **Maintaining Records.** Area Developer will maintain during the term of this Agreement, and will preserve for at least 7 years from the dates of their preparation, and will make available to Franchisor at Franchisor's request and at Area Developer's expense, full, complete, and accurate books, records, and accounts in accordance with generally accepted accounting principles.

5.5 **Area Developer to Provide Training.** Area Developer agrees that, notwithstanding anything to the contrary in any Franchise Agreement, Area Developer will be responsible for scheduling with the Franchisor the initial training of all required trainees (including without limitation the owners and management personnel) first and second Franchised Business. Training for the any subsequent Franchised Business developed under this Agreement, in accordance with the requirements and conditions as Franchisor may occasionally establish for the initial training will be provided by Area Developer. By no later than the time Area Developer is seeking Franchisor's approval to develop the Second (2nd) Franchised Business under this Agreement, Area Developer will have completed, to Franchisor's satisfaction all requirements and conditions necessary to obtain Franchisor's approval for Area Developer to conduct the on-site training.

SECTION 6 - DEFAULT AND TERMINATION

6.1 **Automatic Termination.** Area Developer will be deemed to be in default under this Agreement, and all rights granted in this Agreement will automatically terminate without notice to Area Developer, if Area Developer becomes insolvent or makes a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Area Developer or such a petition is filed against and not opposed by Area Developer; if Area Developer is adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver of Area Developer or other custodian for Area Developer's business or assets is filed and consented to by Area Developer; if a receiver or other custodian (permanent or temporary) of Area Developer's assets or property, or any part of it, is

appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against Area Developer; if final judgment remains unsatisfied or of record for 30 days or longer (unless supersedeas bond is filed); if Area Developer is dissolved; if execution is levied against any asset of Area Developer or Area Developer's Franchised Business; if suit to foreclose any lien or mortgage against any asset of Area Developer or Area Developer's Franchised Business is instituted against Area Developer and not dismissed within sixty (60) days; or if any asset of Area Developer's or any Franchised Business of Area Developer's will be sold after levy thereupon by any sheriff, marshal, or constable.

6.2 Termination Upon Notice. Area Developer will be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted by this Agreement or take any of the actions described in Section 6.5 below, without affording Area Developer any opportunity to cure the default, effective immediately on the provision of notice to Area Developer (in the manner provided under Section 10 in this Agreement), on the occurrence of any of the following events of default:

6.2.1 If the Franchise Agreement for any Franchised Business operated by Area Developer (or an entity affiliated with Area Developer) is terminated.

6.2.2 If Area Developer (or an officer or director of, or a shareholder in, Area Developer (or an entity affiliated with Area Developer) if Area Developer is a corporation, or a general or limited partner of Area Developer, if Area Developer is a partnership) is convicted of a felony, a crime involving moral turpitude, or any other crime or action that Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated with them, or Franchisor's interest to them.

6.2.3 If Area Developer or any Principal purports to transfer any rights or obligations under this Agreement or any the assets of Area Developer in a manner that is contrary to the terms of Section 7 of this Agreement.

6.3 Notice and Opportunity to Cure – For a Missed Deadline. Failure by Area Developer to meet a deadline under the Development Schedule (a “**Missed Deadline**”) will constitute a default under this Agreement. Franchisor will, for 1 Missed Deadline, provide Area Developer with a reasonable opportunity to cure the default by Franchisor notifying Area Developer in writing of a new date for the Missed Deadline (without change to any other deadline in the Development Schedule). If Area Developer fails to come into compliance with the Development Schedule by the new deadline, and/or on the occurrence of another Missed Deadline, Franchisor, in its discretion, may terminate this Agreement and all rights granted by this Agreement without affording Area Developer any additional opportunity to cure the default, effective immediately on the delivery of written notice to Area Developer (in the manner set forth in Section 10 of this Agreement); or Franchisor, in its discretion, may elect, in lieu of terminating this Agreement, to take any of the actions described in Section 6.5 below.

6.4 Notice and Opportunity to Cure Other Defaults. Except as otherwise provided in Sections 6.1, 6.2, and 6.3 above, if Area Developer fails to comply with any material term and condition of this Agreement, such action will constitute a default under this Agreement and, on the occurrence of any such default, Franchisor may terminate this Agreement by giving written notice of termination stating the nature of such default to Area Developer at least 30 days before the effective date of termination; only if, however, that Area Developer may avoid termination by curing the default to Franchisor's satisfaction, and by promptly providing proof of it to Franchisor within the 30-day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement and all rights granted by this Agreement (including but not limited to, the right to develop new Franchised Business) will terminate without additional notice to Area Developer effective immediately on the expiration of the 30 day period or such longer period as applicable law may require.

6.5 Franchisor's Other Options Upon Default. Franchisor, in its discretion, may elect, in lieu of terminating this Agreement, to use other remedial measures for Area Developer's breach of this Agreement, which include, but are not limited to: (i) termination of the credit towards Franchise Fees granted in Section 4.2 in this Agreement; (ii) loss of the limited exclusivity, or reduction in the scope of protections, granted to Area Developer under Section 1.2 in this Agreement for the Development Area; (iii) reduction in the scope of the Development Area; (iv) reduction in the number of Franchised Business to be developed by Area Developer; and/or (v) Franchisor's retention of all area development fees paid, or owed, by Area Developer. If Franchisor exercises its right, Franchisor

will not have waived its right to, in the case of future defaults, exercise all other rights, and invoke all other terms, that are provided in law and/or set out under this Agreement.

6.6 No Additional Rights. Upon termination or expiration of this Agreement, Area Developer will have no right to establish or operate any Auto Appraisal Network franchises for which a Franchise Agreement has not been signed by Franchisor at the time of termination or expiration. Franchisor's remedies for Area Developer's breach of this Agreement will include, without limitation, Area Developer's loss of its right to develop additional Franchised Business under this Agreement, and Franchisor's retention of all area development fees paid, or owed, by Area Developer. Upon termination or expiration, Franchisor will be entitled to establish, and to franchise others to establish, Auto Appraisal Network franchises in the Development Area, except as may be otherwise provided under any Franchise Agreement which has been signed between Franchisor and Area Developer or, as permitted under Section 3.4.3 of this Agreement, Area Developer's affiliates.

SECTION 7 - TRANSFER OF INTEREST

7.1 Franchisor's Rights to Transfer. Franchisor will have the right to transfer or assign this Agreement and all or any part of its rights or obligations in this Agreement to any person or legal entity, and any designated assignee of Franchisor will become solely responsible for all obligations of Franchisor under this Agreement from the date of assignment. In addition, and without limitation to the previous statement, Area Developer expressly affirms and agrees that Franchisor may sell its assets, its Proprietary Marks, or its System; may sell its securities in a public offering or in a private placement; may merge, acquire other corporations, or be acquired by another corporation; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

7.2 No Transfers Without Franchisor's Approval. Area Developer understands and acknowledges that Franchisor has granted the rights in this Agreement in reliance on the business skill, financial capacity, and personal character of Area Developer or the Principals of Area Developer if Area Developer is not an individual. Accordingly, neither Area Developer nor any Principal will sell, assign, transfer, pledge or otherwise encumber any direct or indirect interest in the Area Developer (including any direct or indirect interest in a corporate or partnership Area Developer), the rights or obligations Area Developer under this Agreement, or any material asset of the Area Developer's business, without the prior written consent of Franchisor, which will be subject to Sections 7.3 and 7.4 below and to all of the conditions and requirements for transfers set forth in the Franchise Agreement attached to this Agreement as Exhibit C that Franchisor deems applicable to a proposed transfer under this Agreement.

7.3 Simultaneous Transfers. Area Developer understands and acknowledges that any consent to a transfer of this Agreement will, unless waived, be conditioned on, among other factors, the requirement that the proposed transfer of this Agreement is to be made in conjunction with a simultaneous transfer of all Franchise Agreements signed according to this Agreement to the approved transferee.

7.4 Transfer Fee. Area Developer will pay a transfer fee in an amount of \$5,000 to compensate Franchisor for its expenses incurred in connection with the transfer. There is no charge if the transferee is a corporation or limited liability company controlled by Area Developer. If Area Developer requests Franchisor to assist in finding a transferee, Area Developer will pay a transfer fee equal to 6% of the selling price of the Area Developer Franchise; and the \$5,000 transfer fee to cover review, approval and training of the transferee. If a Broker is used to find a transferee, Area Developer will be responsible for paying any Broker fees directly.

7.5 Transfer to Entity Formed for by Area Developer. Notwithstanding anything to the contrary in this Section 7, if Area Developer is an individual and seeks to transfer this Agreement to a corporation, partnership, or limited liability company formed for the convenience of ownership, the conditions of Sections 7.4 will not apply, and Area Developer may undertake the transfer, only if that Area Developer owns 100% of the equity interest in the transferee entity, and the Area Developer personally guarantees, in a written guaranty satisfactory to Franchisor, the performance of the obligations of the Area Developer under this Agreement.

SECTION 8 - COVENANTS

8.1 Confidential Information. Area Developer will at all times preserve in confidence any and all materials and information furnished or disclosed to Area Developer by Franchisor, and will disclose the information

or materials only to each of Area Developer's employees or agents who must have access to it in connection with their employment. Area Developer will not at any time, during the term of this Agreement or thereafter, without Franchisor's prior written consent, copy, duplicate, record, or otherwise reproduce the materials or information, in whole or in part, nor otherwise make them available to any unauthorized person.

8.2 During the Term. Area Developer specifically acknowledges that, according to this Agreement, Area Developer will receive valuable specialized training and confidential information, which may include, without limitation, information regarding the operational, sales, advertising and promotional methods and techniques of Franchisor and the System. Area Developer covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Area Developer will not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation:

8.2.1 Divert or attempt to divert any business or customer of any Auto Appraisal Network franchises or of any unit under the System to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks or the System.

8.2.2 Unless released in writing by the employer, employ or seek to employ any person who is at that time employed by Franchisor or by any other franchisee or area developer of Franchisor, or otherwise directly or indirectly induce the person to leave his or her employment.

8.2.3 Own, maintain, operate, engage in, be employed by, provide any assistance to, or have any more than a 1% interest in (as owner or otherwise) any Competitive Business (as defined below). A "**Competitive Business**" will be considered to be any automobile and/or motorcycle evaluation and appraisal services similar to Auto Appraisal Network franchise. Additionally, Area Developer acknowledges and agrees that Area Developer will be considered in default under this Agreement and that this Agreement will be subject to immediate termination as provided in Section 6.2 in this Agreement, if a person in the immediate family (including spouse, domestic partner, parent or child) of Area Developer (or, if Area Developer is other than an individual, each Principal that is subject to these covenants) engages in a Competitive Business that would violate this Section 8.2.3 if the person was subject to the covenants of this Section 8.2.3.

8.3 After the Agreement and After a Transfer. Area Developer covenants that, except as otherwise approved in writing by Franchisor, for a continuous uninterrupted period of 2 years from the date of (a) a transfer permitted under Section 7 above, or (b) expiration of this Agreement ; (c) termination of this Agreement (regardless of the cause for termination); (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the previous statement(s) or with respect to enforcement of this Section 8.3; or (e) any or all of the previous statement(s), Area Developer will not either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, partnership, corporation, or other entity, own, maintain, operate, engage in, or have any interest in any Competitive Business, which is, or is intended to be (i) located within the Development Area (other than those Franchised Business provided for in the Development Schedule), or makes offers and sales into the Development Area; or (ii) located within a radius of 1 mile of any other Auto Appraisal Network franchises located anywhere. Provided, however, that this provision will not apply to the operation by Area Developer of any business under the System under a franchise agreement with Franchisor.

8.4 Exception for Ownership in Public Entities. Sections 8.2 and 8.3 in this Agreement will not apply to ownership by Area Developer of less than a 5% beneficial interest in the outstanding equity securities of any publicly-held corporation. As used in this Agreement, the term "**publicly-held corporation**" refers to a corporation which has outstanding securities that have been registered under the federal Securities Exchange Act of 1934.

8.5 Personal Covenants. At the request of Franchisor, Area Developer will obtain and furnish to Franchisor signed covenants similar in substance to those set forth in this Section 8 (including covenants applicable on the termination of a person's relationship with Area Developer) and the terms of Sections 6 and 7 of this Agreement (as modified to apply to an individual) from any or all of the following persons: (a) the Designated Principal, (b) all managers and other personnel employed by Area Developer who have received or will receive training and/or other confidential information; (c) all officers, directors, and Principals who have or will receive training or access to

confidential information, or who are or may be involved in the operation or development of the Franchised Business. Every covenant required by this Section 8.5 will be in a form approved by Franchisor, including specific identification of Franchisor as a third-party beneficiary of the covenants with the independent right to enforce them.

8.6 Covenants as Independent Clauses. The parties agree that each of the previous covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 8 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an un-appealed final decision to which Franchisor is a party, Area Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 8.

8.7 Franchisor's Right to Reduce Scope of the Covenants. Area Developer understands and acknowledges that Franchisor will have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 8.2 and 8.3 in this Agreement, or any portion of it, without Area Developer's consent, effective immediately on receipt by Area Developer of written notice of it; and Area Developer agrees that it will comply immediately with any covenant as so modified, which will be fully enforceable notwithstanding the terms of Section 15 in this Agreement.

8.8 Covenants Survive Claims. Area Developer expressly agrees that the existence of any claims it may have against Franchisor, whether or not from this Agreement, will not constitute a defense to the enforcement by Franchisor of the covenants in this Section 8. Area Developer agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Section 8.

8.9 Compliance with Laws. Area Developer represents and warrants to Franchisor that neither Area Developer (including, without limitation, any and all of its employees, directors, officers and other representatives), nor any of its affiliates or the funding sources for either is a person or entity designated with whom Franchisor, or any of its affiliates, are prohibited by law from transacting business.

SECTION 9 - CORPORATE, LIMITED LIABILITY COMPANY, OR PARTNERSHIP AREA DEVELOPER

9.1 List of Principals. If Area Developer is a corporation, limited liability company, or partnership, each owner of beneficial interest in Area Developer (each a "**Principal**"), and the interest of each Principal in Area Developer, will be identified in Exhibit B to the Agreement. Area Developer will maintain a list of all Principals and immediately furnish Franchisor with an update to the information contained in Exhibit B on any change, which will be made only in compliance with Section 7 above.

9.2 Guaranties. The Principals as Franchisor may request will sign a guaranty, indemnification, and acknowledgment of Area Developer's obligations under this Agreement in the form attached to this Agreement as Exhibit D. In Section 5.2 above, the Designated Principal will at all times have at least a 10% interest in Area Developer.

9.3 Corporations and Limited Liability Companies. If Area Developer is a corporation or limited liability company, Area Developer will comply with the following requirements:

9.3.1 Area Developer will be newly organized and its governing documents will at all times provide that its activities are confined exclusively to developing and operating the Franchised Business.

9.3.2 Area Developer will, on request of Franchisor, promptly furnish to Franchisor copies of Area Developer's Articles of incorporation, bylaws, Articles of organization, operating agreement and/or other governing documents, and any amendments to the documents, including the resolution of the Board of Directors or members authorizing entry into this Agreement.

9.3.3 Area Developer will maintain stop-transfer instructions against the transfer on its records of any equity securities; and each stock certificate or issued securities of Area Developer will conspicuously endorse

on its face a statement, in a form satisfactory to Franchisor, which references the transfer restrictions imposed by this Agreement; only if, however, that the requirements of this Section 9.3.3 will not apply to a publicly-held corporation.

9.4 Partnerships and Limited Liability Partnerships. If Area Developer or any successor to or assignee of Area Developer is a partnership or limited liability partnership, Area Developer will comply with the following requirements:

9.4.1 Area Developer will be newly organized and its partnership agreement will at all times provide that its activities are confined exclusively to developing and operating the Franchised Business.

9.4.2 Area Developer will furnish Franchisor with a copy of its partnership agreement as well as all other documents as Franchisor may reasonably request, and any amendments to the documents.

9.4.3 The partners of the partnership will not, without the prior written consent of Franchisor, admit additional general partners, remove a general partner, or otherwise materially alter the powers of any general partner.

SECTION 10 – NOTICES

Any and all notices required or permitted under this Agreement will be in writing and will be personally delivered, sent by registered mail, or by other means which affords the sender evidence of delivery, or of rejected delivery, to the respective parties at the addresses shown on the signature page of this Agreement, unless and until a different address has been designated by written notice to the other party. Any notice by a means which affords the sender evidence of delivery, or rejected delivery, will be deemed to have been given at the date and time of receipt or rejected delivery.

SECTION 11 - PERMITS AND COMPLIANCE WITH THE LAWS

11.1 Compliance with Laws. Area Developer will comply with all federal, state, and local laws, rules and regulations, and will timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the business contemplated under this Agreement.

11.2 Notice of Actions. Area Developer will notify Franchisor in writing within 5 days of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of Area Developer and/or any Franchised Business established under this Agreement.

SECTION 12 - INDEPENDENT CONTRACTOR AND INDEMNIFICATION

12.1 No Fiduciary Relationship. Area Developer is an independent contractor. Franchisor and Area Developer are completely separate entities and are not fiduciaries, partners, joint ventures, or agents of the other in any sense and neither will have the power to bind the other. No act or assistance given by either party to the other according to this Agreement will be construed to alter the relationship.

12.2 Public Notice. During the term of this Agreement, Area Developer will hold itself out to the public as an independent contractor operating the business according to an area development agreement with Franchisor. Area Developer agrees to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of the fact in a conspicuous place in Area Developer's offices, the content of which Franchisor reserves the right to specify.

12.3 No Assumption of Liability. Nothing in this Agreement authorizes Area Developer to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and that Franchisor will in no event assume liability for, or be deemed liable by this Agreement as a result of, any such action; nor will Franchisor be liable by reason of any act or omission of Area Developer in Area Developer's operations by this Agreement, or for any claim or judgment arising therefrom against Area Developer or Franchisor.

12.4 Indemnification. Area Developer will indemnify and hold Franchisor, Franchisor's owners and affiliates, and their respective officers, directors, and employees (the "**Indemnitees**") harmless against any and all causes of action, claims, losses, costs, expenses, liabilities, litigation, damages or other expenses (including, settlement costs and attorneys' fees) arising directly or indirectly from, as a result of, or in connection with Area Developer's operation of the business contemplated by this Agreement (notwithstanding any claims that the Indemnitees are or were negligent). Area Developer agrees that with respect to any threatened or actual litigation, proceeding or dispute which could directly or indirectly affect any of the Indemnitees, the Indemnitees will have the right, but not the obligation, in their discretion, to: (i) choose counsel, (ii) direct, manage and/or control the handling of the matter; and (iii) settle on behalf of the Indemnitees, and/or Area Developer, any claim against the Indemnitees. All vouchers, canceled checks, receipts, receipted bills or other evidence of payments for any such losses, liabilities, costs, damages, charges or expenses of whatsoever nature incurred by any Indemnitees will be taken as prima facie evidence of Area Developer's obligation by this Agreement.

SECTION 13 - APPROVALS AND WAIVERS

13.1 Approval Requests. Whenever this Agreement requires the prior approval or consent of Franchisor, Area Developer will make a timely written request to Franchisor, and the approval or consent will be in writing. Franchisor will respond to Area Developer's timely requests in a reasonably timely and prompt manner.

13.2 Non-waiver. No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist on strict compliance by Area Developer with any obligation or condition by this Agreement, and no custom or practice of the parties in variance with the terms of this Agreement, will constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Area Developer will not be binding unless in writing and signed by the party sought to be charged and will not affect or impair Franchisor's right with respect to any subsequent default of them or of a different nature; nor will any delay, waiver, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Area Developer of any of the terms, conditions, or covenants of this Agreement, affect or impair Franchisor's rights nor will this constitute a waiver by Franchisor of any right by this Agreement or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it by this Agreement will not be deemed to be a waiver by Franchisor of any preceding breach by Area Developer of any terms, covenants or conditions of this Agreement.

SECTION 14 - SEVERABILITY AND CONSTRUCTION

14.1 Severable Parts. Except as expressly provided to the contrary in this Agreement, each portion, section, part, term, and/or provision of this Agreement will be considered severable; and if, for any reason, any section, part, term, and/or provision in this Agreement is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such will not impair the operation of, or have any other effect on, such other portions, sections, parts, terms, and/or conditions of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind the parties of this Agreement; and the invalid portions, sections, parts, terms, and/or conditions will be deemed not to be a part of this Agreement.

14.2 Terms Surviving this Agreement. Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), or assignment will survive this expiration, termination.

14.3 No Rights on Third Parties. Except as expressly provided to the contrary in this Agreement, nothing in this Agreement is intended, nor will be deemed, to confer on any person or legal entity other than Area Developer, Franchisor, officers, directors, shareholders, agents, and employees of Franchisor, and this successors and assigns of Franchisor as may be contemplated by Section 15 in this Agreement, any rights or remedies under or by reason of this Agreement.

14.4 Full Scope of Terms. Area Developer expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the terms of this Agreement any portion or portions which a court or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an un-appealed final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant if required to comply with such a court or agency order.

14.5 Franchisor's Application of its Rights. Franchisor will have the right to operate, develop and change the System in any manner that is not specifically precluded by this Agreement. Whenever Franchisor has reserved in this Agreement a right to take or withhold an action, or are deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant Area Developer a right to take or omit an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make its decision or exercise its rights, on the basis of the information readily available to Franchisor, and its judgment of what is in its best interests and/or in the best interests of the Franchisor's franchise network, at the time its decision is made, without regard to whether: (i) other reasonable or even arguably preferable alternative decisions could have been made by Franchisor; (ii) the decision or action of Franchisor will promote its financial or other individual interest; (iii) Franchisor's decision or the action it take applies differently to Area Developer and one or more other franchisees or Franchisor's company-owned operations; or (iv) Franchisor's decision or the exercise of its right or discretion is adverse to Area Developer's interests. In the absence of an applicable statute, Franchisor will have no liability to Area Developer for any such decision or action. Franchisor and Area Developer intend that the exercise of Franchisor's right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, Franchisor and Area Developer agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Area Developer's rights and obligations by this Agreement.

14.6 Captions Only for Convenience. All captions in this Agreement are intended solely for the convenience of the parties, and none will be deemed to affect the meaning or construction of any provision of this Agreement.

SECTION 15 - ENTIRE AGREEMENT

This Agreement, the attachments to this Agreement, and the documents referred to in this Agreement constitute the entire Agreement between Franchisor and Area Developer concerning the subject matter of this Agreement, and supersede any prior agreements, no other representations having induced Area Developer to sign this Agreement. Except for those permitted to be made unilaterally by Franchisor by this Agreement, no amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and signed by their authorized officers or agents in writing. Nothing in this or any other agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

SECTION 16 - APPLICABLE LAW AND DISPUTE RESOLUTION

16.1 Governing Law. This Agreement takes effect on its acceptance and execution by Franchisor, and will be interpreted and construed under the laws of the State of California. In the event of any conflict of law, the laws of California will prevail, without regard to, and without giving effect to, the application of California conflict of law rules. Nothing in this Section 16.1 is intended by the parties to subject this Agreement to any franchise or similar law, rule, or regulation of the State of California or of any other state to which it would not otherwise be subject.

16.2 Non-Binding Mediation. Before any party may bring an action in court against the other, the parties must first meet to mediate the dispute (except as otherwise provided below). Any such mediation will be non-binding and will be conducted by the American Arbitration Association in accordance with its then-current rules for mediation of commercial disputes. Notwithstanding anything to the contrary, this Section 16.2 will not bar either party from obtaining injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions, without having to engage in mediation. Mediation by this Agreement will be concluded within forty five (45) days of Area Developer's receipt of the notice specifying the designated mediator or such longer period as may be agreed on by the parties in writing. All aspects of the mediation process will be treated as confidential, will not be disclosed to others, and will not be offered or admissible in any other proceeding or legal action whatever. Franchisor and Area Developer will each bear its own costs of mediation, and each will bear one-half the cost of the mediator or mediation service.

16.3 Arbitration. Franchisor and Area Developer agree that, except for controversies, disputes, or claims related to or based on improper use of the Marks or Confidential Information, all controversies, disputes, or claims between Franchisor and Area Developer's affiliates, and Franchisor's and their respective shareholders, members, officers, directors, agents, and/or employees, and Area Developer (and/or Area Developer's owners, guarantors, affiliates, and/or employees) arising out of or related to:

- (1) this Agreement or any other agreement between Area Developer and Franchisor;
- (2) Franchisor's relationship with Area Developer;
- (3) the validity of this Agreement or any other agreement between Area Developer and Franchisor; or
- (4) any System Standard;

must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association in the United States ("AAA"). The arbitration proceedings will be conducted by one arbitrator and, except as this Subsection otherwise provides, according to the AAA's then current rules. All proceedings will be conducted at a suitable location chosen by the arbitrator which is within a 5 mile radius of Franchisor's then current principal place of business. All matters relating to arbitration will be governed by the United States Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Judgment on the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs (as allowable under this Agreement or applicable law), provided that the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Subsection 16.6. below, award any punitive, exemplary or multiple damages against either party (Franchisor and Area Developer by this agreement waiving to the fullest extent permitted by law, except as expressly provided in Subsection 16.6. below, any right to or claim for any punitive, exemplary or multiple damages against the other).

Franchisor and Area Developer agree to be bound by the terms of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. Franchisor and Area Developer also agrees that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the United States Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Area Developer or Franchisor.

Franchisor and Area Developer agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between Franchisor and Franchisor's affiliates, and Franchisor's and their respective shareholders, officers, directors, agents, and/or employees, and Area Developer (and/or Area Developer's owners, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between Franchisor and any other person.

Despite Franchisor's and Area Developer's agreement to arbitrate, Franchisor and Area Developer each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; only if, however, that Franchisor and Area Developer must contemporaneously submit Franchisor's dispute for arbitration on the merits as provided in this Subsection.

16.4 The terms of this Subsection are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

16.5 **No Rights Exclusive of Other Rights.** No right or remedy conferred on or reserved to Franchisor or Area Developer by this Agreement is intended to be, nor will be deemed, exclusive of any other right or remedy provided in this Agreement or permitted by law or equity, but each will be cumulative of every other right or remedy.

16.6 **Waiver of Jury Trial.** Franchisor and Area Developer irrevocably waive trial by jury in any action, proceeding, or counterclaim, whether at law or in equity, brought by either of them against the other. Any and all claims and actions arising out of or relating to this Agreement, the relationship of Area Developer and Franchisor, or Area Developer's activities under this Agreement, brought by either party of this Agreement against the other, whether in mediation, or a legal action, will begin within 2 years from the occurrence of the facts giving rise to such claim or action, or such claim or action will be barred.

16.7 **Waiver of Punitive Damages.** Franchisor and Area Developer by this agreement waive to the fullest extent permitted by law any right to or claim of any punitive or exemplary damages against the other.

16.8 **Injunctive Relief.** Nothing in this Agreement contained will bar the right of Franchisor to obtain injunctive relief against threatened conduct that will cause it loss or damages under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

SECTION 17 - ACKNOWLEDGEMENTS

17.1 **No Conflicting Obligations.** Each party represents and warrants to the others that there are no other agreements, court orders, or any other legal obligations that would preclude or in any manner restrict such party from: (a) negotiating and entering into this Agreement; (b) exercising its rights under this Agreement; and/or (c) fulfilling its responsibilities under this Agreement.

IN WITNESS WHEREOF, the parties of this Agreement have duly signed and delivered this Agreement in duplicate on the day and year first above written.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders
AUTO APPRAISAL NETWORK, INC.
Laguna Hills, California

Opinion

We have audited the accompanying financial statements of AUTO APPRAISAL NETWORK, INC., which comprise the balance sheet as of December 31, 2023, and the related statements of income, stockholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AUTO APPRAISAL NETWORK, INC. as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AUTO APPRAISAL NETWORK, INC., and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AUTO APPRAISAL NETWORK, INC.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission,

misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AUTO APPRAISAL NETWORK, INC.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AUTO APPRAISAL NETWORK, INC.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023**

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of Auto Appraisal Network, Inc. (the Company) is presented to assist in the understanding of the Company's financial statements. The financial statements and notes are representations of the Company's management, who is responsible for their integrity and objectivity.

Purpose and Organization

Auto Appraisal Network, Inc. was incorporated in California on August 18, 2006. The Company was organized for the purpose of franchising auto appraisal service franchises nationwide. The Company is headquartered in Laguna Niguel, CA with 5 full time appraisers and a network of associates who are all members of the International Automotive Appraisers Association (I.A.A.A.). The Company intends to provide appraisal services throughout the United States by way of 200 franchise territories. The Company's processes and expertise culminate from over 17 years of experience appraising custom cars, hot rods, and stock vehicles. Auto Appraisal Network, Inc. is engaged in the administration, development, operation, and licensing of businesses that operate the franchise.

Franchise operations are regulated by the Federal Trade Commission (FTC) and various state laws regulating the offer and sale of franchises. The FTC's franchise rule and various state law requires that the Company furnish a franchise disclosure document ("FDD") containing certain information to prospective franchisees. The Company must also complete franchise registration, pursuant to state law, in those states where franchises are planned to be sold. The Company is currently going through the registration process.

Accounting Basis

The accompanying financial statements have been prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Cash and Cash Equivalents

For purposes of reporting cash flows, cash includes amounts on hand and amounts on deposit at financial institutions. The Company defines cash equivalents as short-term, liquid investments with initial maturity of three months or less. Renewals are generally renewed at the same term. The Company had no cash equivalents as of December 31, 2023.

Accounts Receivable

The Company estimates an allowance for doubtful accounts based on the credit-worthiness of its customers as well as general economic conditions. Management reviews all outstanding accounts receivable from time to time and evaluates the Company's allowance for doubtful accounts. As of December 31, 2023, management deems all accounts collectible and, accordingly, no allowance for doubtful accounts has been recorded.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Company adopted Topic 606 "Revenue from Contracts with Customers" for revenue recognition related to contracts with customers. Under the new guidance, revenue is recognized in accordance with a five step revenue model, as follows: (i) identifying the contract with the customer; (ii) identifying the performance obligations in the contract; (iii) determining the transaction price; (iv) allocating the transaction price to the performance obligations; and (v) recognizing revenue when (or as) the entity satisfies a performance obligation. In applying this five-step model, the Company made significant judgements in identifying the promised goods or services in their contracts with franchisees that are distinct, and which represent separate performance obligations, which is satisfied by providing a right to use our intellectual property over the estimated life of the franchise. The Company recognize initial and renewal franchise fees as revenue on a straight-line basis over the life of the related franchise agreements and any exercised renewal periods.

Franchise fee payments received by the Company are recorded as deferred revenue on the Balance Sheet, which represents a contract liability. Deferred revenue is reduced as fees are recognized in revenue over the term of the franchise license for the respective franchised territory. As the term of the franchise license is typically five years, substantially all of the franchise fee revenue recognized in the current year was included in the deferred revenue balance as of December 31, 2023.

Franchise fees – The Company collects initial franchise fees when franchise agreements are signed. The Company has determined that the initial franchise services are not distinct from the continuing franchise rights/license or services offered during the term of the franchise agreement and should be treated as a single performance obligation; therefore, initial franchise fees received from franchisees are recognized as revenue over the term of each respective franchise agreement, which is typically 5 years. Amounts recognized for franchise fees were \$23,700 at December 31, 2023. The Company had deferred franchise fee revenue of \$76,050 at December 31, 2023.

Appraisal fees – The Company's principal operating revenues are derived from appraisal fees charged to customers with whom it contracts to provide the appraisal service. Revenues are generally recognized when realized or realizable, and when earned (usually when services are rendered). The Company recorded revenue from appraisal fee of \$263,632 at December 31, 2023.

Contract liabilities/ deferred revenue - Contract liabilities consist primarily of deferred revenue resulting from initial franchise fees paid by franchisees, which are generally recognized on a straight-line basis over the term of the underlying franchise agreement and billed in advance of satisfaction of the Company's performance obligation. The Company classify these contract liabilities as deferred revenue in the balance sheets.

Revenue Recognition (continued)

The following table reflects the change in contract liabilities between December 31, 2023:

	<u>Amount</u>
Balance at beginning of year	\$ 97,500
Revenue recognized during the year	(21,450)
New deferred revenue during the year	-
Balance at end of year	<u>\$ 76,050</u>

The following table illustrates estimated deferred revenues expected to be recognized as future revenue which is being amortized over the term of the franchise agreement.

Future revenue to be recognized in:	<u>Amount</u>
2024	\$ 21,450
2025	18,700
2026	17,950
Thereafter	15,700
Total	<u>\$ 73,800</u>

Transfers of Financial Assets

Transfers of financial assets are accounted for as sales, when control over the assets has been surrendered. Control over transferred assets is deemed to be surrendered when (1) the assets have been isolated from the Company, (2) the transferee obtains the right (free of conditions that constrain it from taking advantage of that right) to pledge or exchange the transferred assets, and (3) the Company does not maintain effective control over the transferred assets through an agreement to repurchase them before their maturity.

Concentration of Risk

The Company has concentrated its credit risk for cash by maintaining deposits in several financial institutions, which may at times exceed amounts covered by insurance provided by the Federal Deposit Insurance Corporation (FDIC). The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment

Property and equipment are recorded at cost and depreciated over their estimated useful lives using the straight-line method. Useful lives for purposes of computing depreciation are as follows:

	<u>Years</u>
Office equipment	3 - 5
Vehicles	5

Expenditures that materially increase the asset life are capitalized, while ordinary maintenance and repairs are charged to operations as incurred. When assets are sold or retired, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is included in earnings.

Use of Estimates in Preparation of Financial Statements

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Actual results could vary from the estimates that were used.

Leases

The Company calculates operating lease liabilities with a risk-free discount rate, using a comparable period with the lease term. All lease and non-lease components are combined for all leases. Lease payments for leases with a term of 12 months or less are expensed on a straight-line basis over the term of the lease with no lease asset or liability recognized.

Advertising

Advertising costs are expensed as incurred. Advertising expense amounted to \$10,509 for the year ended December 31, 2023 and is included in operating expense in the statement of income.

Adoption of FASB ASU 2016-13 and Related Standards

At the beginning of 2023, the Company adopted FASB ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Company adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Company's financial statements but did change how the allowance for credit losses is determined.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Company, with the consent of its shareholders, has elected to be taxed under provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal income taxes on its taxable income and is not allowed a net operating loss carryover or carryback as a deduction. In lieu of corporation income taxes, the shareholders of an S Corporation are generally taxed on their proportionate share of the Company's taxable income.

State income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently payable plus deferred taxes arising from temporary differences in the bases of assets and liabilities for financial reporting and income tax purposes. The deferred tax assets and liabilities represent the future tax consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. The components of the deferred tax asset and liability are classified as current and noncurrent based on their characteristics. Valuation allowances are recorded to reduce deferred tax assets to the amounts management concludes are more-likely-than-not to be realized.

Income tax benefits are recognized and measured based upon a two-step model: 1) a tax position must be more-likely-than-not to be sustained based solely on its technical merits in order to be recognized, and 2) the benefit is measured as the largest dollar amount of that position that is more-likely-than-not to be sustained upon settlement. The difference between the benefit recognized and the tax benefit claimed on a tax return is referred to as an unrecognized tax benefit (UTB). Based on the results of management's evaluation of the income tax positions taken or expected to be taken on the Company's income tax returns, an examination by the various taxing authorities would not result in a material adjustment to the Company's financial statements. During the year ended December 31, 2023, the Corporation recorded \$- of income tax-related interest and penalties within operating expense in the statement of income.

The Company's income tax returns are subject to examination by the federal taxing authorities for a period of three years and by the California taxing authorities for a period of four years from the date they are filed.

NOTE B - PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2023 is summarized as follows:

	Amount
Office equipment	\$ 37,077
Vehicle	16,669
	70,415
Less: Accumulated depreciation	(40,540)
	<u>\$ 29,875</u>

The Company charged \$3,539 of depreciation expense to operations for the year ended December 31, 2023.

AUTO APPRAISAL NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE C – NOTES RECEIVABLE

The Company has in previous years offered unsecured notes receivable to franchisees as a way to assist in the start-up of franchises. As of December 31, 2023, the notes receivable totaled \$65,000. These notes are non-interest bearing and are due at the sale of the franchise territory. The Company has instituted a policy that does not permit the issuance of new notes receivable.

NOTE D - FRANCHISING

In general, the Company updates and/or revises franchise agreements on an annual basis and, as a result, the agreements with individual franchisees may vary. Currently, the franchise agreement provides that franchisees must pay the initial franchise fee which may be up to \$20,000 for a single franchised business. If a franchisee has entered into a second franchise with an Area Development Agreement, the franchise fee for the second or subsequent franchise is reduced by \$3,000. The initial franchise fee and area development fee is paid at the time the agreement is signed and is not refundable.

Under the current standard franchise agreement, each franchisee is required to pay a royalty which are based on appraisals turned in by the franchisee. Each franchised business also contributes an amount not exceeding \$200 per month to fund national, regional or local, system-wide advertising campaigns. These funds are managed by the Company and are primarily used to create advertising content and/or promotional programs and materials that will enhance the image of the brand.

Franchisees are generally granted the right to operate the franchised business in a particular location, typically providing for a 5-year initial term, with an opportunity to enter into one or more renewal franchise agreements subject to certain conditions; such as a renewal fee of \$2,500. The Company recognizes renewal fees in income on a straight-line basis over the life of the franchise agreement when a renewal agreement becomes effective.

NOTE E - FAIR VALUE

GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between willing market participants on the measurement date. The Company determines the fair values of its financial instruments based on the fair value hierarchy established per GAAP which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value. The Company carries certain loans held for sale at fair value under the fair value option.

Fair-Value Hierarchy

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

AUTO APPRAISAL NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE E - FAIR VALUE (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

Level 2 – Inputs to the valuation methodology are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Company considers relevant and observable market prices in its valuations where possible. The frequency of transaction, the size of the bid-ask spread and the amount of adjustment necessary when comparing similar transactions are all factors in determining the liquidity of markets and the relevance of observed prices in those markets.

Determination of Fair Value

When available, the Company generally uses quoted market prices to determine fair value and classifies such items in Level 1. In some cases where a market price is available, the Company will make use of acceptable practical expedients (such as matrix pricing) to calculate fair value, in which case the items are classified in Level 2. If quoted market prices are not available, fair value is based upon internally developed valuation techniques that use, where possible, current market-based or independently sourced market parameters, such as interest rates, option volatilities, etc.

Where available, the Company may also make use of quoted prices for recent trading activity in positions with the same or similar characteristics to that being valued. The frequency and size of transactions and the amount of the bid-ask price spread are among the factors considered in determining the liquidity of markets and the relevance of observed prices from those markets. If relevant and observable prices are available, those valuations would be classified as Level 2. If prices are not available, other valuation techniques would be used and the item would be classified as Level 3.

Fair value estimates from internal valuation techniques are verified, where possible, to prices obtained from independent vendors or brokers. Vendors and brokers valuations may be based on a variety of inputs ranging from observed prices to proprietary valuation models.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Auto Appraisal Network, Inc.

Opinion

We have audited the accompanying financial statements of Auto Appraisal Network, Inc. (a California corporation) (the "Company"), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income, changes in members' equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Auto Appraisal Network, Inc. as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Auto Appraisal Network, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Auto Appraisal Network, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Page 1

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Auto Appraisal Network, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Auto Appraisal Network, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reclassification – Certain reclassifications have been made to the prior year's comparative information to conform to the presentation of the current year financial statements. The reclassification have no effect on net income for the prior year.

Advertising costs – The Company has the policy of expensing advertising costs as incurred. Advertising costs charged to expenses were \$10,892 and \$9,533 in 2022 and 2021, respectively.

Income taxes – The Company has elected to be taxed as a S corporation under the provisions of federal and state tax codes. Under federal and most state laws, taxes based on income of S corporation are payable by the shareholders of the S corporation to the extent the shareholders are subject to income tax. Accordingly, no provisions for current federal income taxes have been provided in the accompanying financial statements for the years ended December 31, 2022 and 2021. Some states may impose certain franchise taxes; such provision for state income taxes was included in the operating expenses in the accompanying statement of income.

The Company is registered to do business in the State of California. California requires S corporations to pay on California's taxable income at a rate of 1.5% or a minimum of annual tax of \$800 for the privilege of doing business in the State.

The Company's income tax filings are subject to examination by the appropriate tax jurisdictions. As of December 31, 2022, the Company's federal and state tax returns generally remain open for the last three years.

The Company is required to recognize, measure, classify, and disclose in the financial statements uncertain tax positions taken or expected to be taken in the Company's tax returns. Management has determined that the Company does not have any uncertain tax positions associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Company's tax returns will not be challenged by the taxing authorities and that the Company will not be subject to additional tax, penalties and interest as a result of such challenge.

Revenue recognition

The Company adopted Topic 606 "Revenue from Contracts with Customers" for revenue recognition related to contracts with customers. Under the new guidance, revenue is recognized in accordance with a five step revenue model, as follows: (i) identifying the contract with the customer; (ii) identifying the performance obligations in the contract; (iii) determining the transaction price; (iv) allocating the transaction price to the performance obligations; and (v) recognizing revenue when (or as) the entity satisfies a performance obligation. In applying this five-step model, the Company made significant judgements in identifying the promised goods or services in their contracts with franchisees that are distinct, and which represent separate performance obligations, which is satisfied by providing a right to use our intellectual property over the estimated life of the franchise. The Company recognize initial and renewal franchise fees as revenue on a straight-line basis over the life of the related franchise agreements and any exercised renewal periods.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition

Franchise fee payments received by the Company are recorded as deferred revenue on the Balance Sheet, which represents a contract liability. Deferred revenue is reduced as fees are recognized in revenue over the term of the franchise license for the respective franchised territory. As the term of the franchise license is typically five years, substantially all of the franchise fee revenue recognized in the current year was included in the deferred revenue balance as of December 31, 2022.

- **Franchise fees** – The Company collects initial franchise fees when franchise agreements are signed. The Company has determined that the initial franchise services are not distinct from the continuing franchise rights/license or services offered during the term of the franchise agreement and should be treated as a single performance obligation; therefore, initial franchise fees received from franchisees are recognized as revenue over the term of each respective franchise agreement, which is typically 5 years. Amounts recognized for franchise fees were \$9,500 and \$8,250 at December 31, 2022 and 2021, respectively.

The Company had deferred franchise fee revenue of \$97,500 and \$28,500 at December 31, 2022 and 2021, respectively.

- **Appraisal fees** – The Company's principal operating revenues are derived from appraisal fees charged to customers with whom it contracts to provide the appraisal service. Revenues are generally recognized when realized or realizable, and when earned (usually when services are rendered). The Company recorded revenue from appraisal fee of \$265,202 and \$236,498 at December 31, 2022 and 2021, respectively.

Contract Liabilities/Deferred Revenue – Contract liabilities consist primarily of deferred revenue resulting from initial franchise fees paid by franchisees, which are generally recognized on a straight-line basis over the term of the underlying franchise agreement, and billed in advance of satisfaction of the Company's performance obligation. The Company classifies these contract liabilities as deferred revenue in the balance sheets.

The following table reflects the change in contract liabilities between December 31, 2022 and 2021:

	2022	2021
Balance at beginning of year	\$ 28,500	\$ 16,750
Revenue recognized during the year	(9,500)	(8,250)
New deferred revenue during the year	78,500	20,000
Balance at end of year	<u>\$ 97,500</u>	<u>\$ 28,500</u>

Revenue recognition

The following table illustrates estimated deferred revenues expected to be recognized as future revenue which is being amortized over the term of the franchise agreement.

Future revenue to be recognized in:	Amount
2023	\$ 23,700
2024	21,450
2025	18,700
2026	17,950
Thereafter	15,700
Total	<u>\$ 97,500</u>

Leases

In February 2016, FASB issued ASU 2016-02, Leases (Topic 842), which among other things, requires the recognition of right-of-use lease assets and liabilities on the balance sheet of lessees for operating leases, along with the disclosure of key information about leasing arrangements. A lessee is required to record lease assets and lease liabilities for all leases with a term of greater than 12 months. Leases with a term of 12 months or less will be accounted for in a manner similar to existing guidance for operating leases (Topic 840). The ASU is effective for fiscal year beginning after December 15, 2021.

The Company made an accounting policy election not to recognize right-of-use lease assets and lease liabilities that arise from short-term leases that have a lease term of 12 months or less. Lease payments are recognized as an expense on a straight-line basis over the lease term.

NOTE 2 - NOTES RECEIVABLE

The Company has unsecured notes receivable from franchisees as follows:

	2022	2021
Note receivable (Scottsdale, AZ), non-interest bearing and due upon sale of franchise territory.	\$ 17,500	\$ 17,500

NOTE 3 – ACCOUNTS PAYABLE

The Company has payment terms with its various vendors and accordingly, records trade payables as those liabilities are incurred. At December 31, 2022 and 2021, the Company had recorded accounts payable totaling \$-0 and \$2,156, respectively.

NOTE 4 – LINE OF CREDIT

The Company had a revolving line of credit with a financial institution, which permitted borrowings up to \$50,000. Interest is payable monthly at the bank's periodic rate and requires a minimum payment of \$208. The note may be repaid at any time. Total interest cost incurred and expensed was \$101 and \$6 in 2022 and 2021, respectively.

As of December 31, 2022 and 2021, the Company has line of credit outstanding of \$-0 and \$5,156, respectively.

NOTE 5 – LEASE COMMITMENTS

The Company leases office equipment on a month to month basis ranging from \$598 to \$1,065 per month. No future minimum lease commitment would apply. For the years ended December 31, 2022 and 2021, equipment rental expense was \$7,065 and \$9,092, respectively.

The Company leases storage on a month to month basis at \$324 per month. No future minimum lease commitment would apply. For the years ended December 31, 2022 and 2021, rental expense was \$3,768 and \$3, 402.

NOTE 6 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Substantially all of the Company's current assets and liabilities are considered financial instruments. These assets and liabilities are reflected at fair value, or at carrying value that approximate fair value because of the short-term nature of the instrument. The recorded value of these financial instruments approximated fair value at December 31, 2022 and 2021.

NOTE 7 – COMMON STOCK

At December 31, 2022 and 2021, the Company has authorized, issued, and outstanding 1,500 shares of common stock at \$0.01 par value.

NOTE 8 – FRANCHISING

In general, the Company updates and/or revises franchise agreements on an annual basis and, as a result, the agreements with individual franchisees may vary. Currently, the franchise agreement provides that franchisees must pay the initial franchise fee which may be up to \$20,000 for a single franchised business. If a franchise has entered into a second franchise with an Area Development Agreement, the franchise fee for the second or subsequent franchise is reduced by \$3,000. The initial franchise fee and area development fee is paid at the time the agreement is signed and is not refundable.

Under the current standard franchise agreement, each franchisee is required to pay a royalty which are based on appraisals turned in by the franchisee. Each franchised business also contributes an amount not exceeding \$200 per month to fund national, regional or local, system-wide advertising campaigns. These funds are managed by the Company and are primarily used to create advertising content and/or promotional programs and materials that will enhance the image of the brand.

Franchisees are generally granted the right to operate the franchised business in a particular location, typically providing for a 5-year initial term, with an opportunity to enter into one or more renewal franchise agreements subject to certain conditions; such as a renewal fee of \$2,500. The Company recognizes renewal fees in income on a straight-line basis over the life of the franchise agreement when a renewal agreement becomes effective.

NOTE 9 – SUBSEQUENT EVENTS

Date of management review – The Company evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Management has determined that there were no events that occurred that require additional disclosure. Subsequent events have been evaluated through April 12, 2023, which is the date the financial statements were available to be issued.
