What You Need To Know About Franchising In General

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, which requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain States require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by arbitration and litigation only in the State of North Carolina. Out-of-state arbitration and litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitration and litigation with us in North Carolina than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty, advertising and other payments, regardless of your sales levels. Your inability to make the payments may result in the termination of your franchise and loss of your investment.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Going Concern.** The report on the franchisor's financial statements expresses substantial doubt about the franchisor's ability to remain in business. This means that the franchisor may not have the financial resources to provide services or support to you.
5. **Short Operating History.** The franchisor is at an early state of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
6. **Turnover Rate.** During the last 3 years, a large number of franchised units (298) were terminated, not renewed, re-acquired, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.
7. **Trademarks.** We do not have a federal registration for our principal trademark that currently serves as our logo as set forth on the cover page of this Disclosure Document. Therefore, such trademark does not have as many legal benefits and rights as a federally registered trademark. If our right to use such trademark is challenged, you may have to change to an alternative trademark which may increase your expenses.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED BY THE
MICHIGAN FRANCHISE INVESTMENT LAW**

(D) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE, AT THE TIME OF EXPIRATION, OF THE FRANCHISEE'S INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISED BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF: (i) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS; AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS ADVANCE NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

* * * *

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

* * * *

IF THE FRANCHISOR'S MOST RECENT FINANCIAL STATEMENTS ARE UNAUDITED AND SHOW A NET WORTH OF LESS THAN \$100,000.00, THE FRANCHISOR MUST, AT THE REQUEST OF THE FRANCHISEE, ARRANGE FOR THE ESCROW OF INITIAL INVESTMENT AND OTHER FUNDS PAID BY THE FRANCHISEE UNTIL THE OBLIGATIONS TO PROVIDE REAL ESTATE, IMPROVEMENTS, EQUIPMENT, INVENTORY, TRAINING, OR OTHER ITEMS INCLUDED IN THE FRANCHISE OFFERING ARE FULFILLED. ITEM 1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, “we,” “us” or “our” refers to the Franchisor, Asphalt Tire Pros Francorp, LLC d/b/a Tire Pros Francorp. “You” or “your” refers to the person, corporation, partnership or other legal entity buying a franchise from us. We sell franchises for TIRE PROS retail outlets that (i) operate under the name “TIRE PROS” and other service marks, trademarks, trade names, logos, emblems, signs, slogans, insignia and other commercial symbols we may designate (collectively, the “Marks”) and (ii) feature tire and related automotive products and services (“TIRE PROS Centers” or “Centers”). Centers operate under the TIRE PROS franchise system (the “System”). We commenced selling franchises in April 2025 and our predecessor commenced selling franchises in June 1988. Over the years, we and our predecessor have entered into franchise and license agreements to operate franchised Centers, which Centers operate in the same manner. Our previous franchise and license agreements had similar contract terms but not identical contract terms. For purposes of this Disclosure Document, franchisees that have executed a franchise or license agreement are referred to as franchisees operating under the System.

We are a single member California limited liability company. We were established on January 4, 2025 and began operating in February 2025 in connection with the sale of substantially all assets of our predecessor’s parent, American Tire Distributors, Inc., to Asphalt Buyer II, LLC, a Delaware limited liability company, on February 28, 2025 pursuant to the Chapter 11 bankruptcy proceeding explained in Item 4 below. As part of this transaction, we assumed all of the Tire Pros franchise agreements of our predecessor, Tire Pros Francorp, LLC, a California limited liability company (“Tire Pros Francorp, LLC”). Our principal business address is 12200 Herbert Wayne Court, Suite 150, Huntersville, North Carolina 28078 .

Agent for Service of Process

Our agents for service of process are disclosed on Exhibit I to this Disclosure Document.

Predecessor in Interest

Tire Pros Francorp, LLC commenced business as Tire Pros in June 1998 and sold Tire Pros franchises from that date to February 2025. On February 28, 2025, pursuant to the Chapter 11 bankruptcy proceeding explained in Item 4 below, we assumed all of the Tire Pros franchise agreements from Tire Pros Francorp, LLC and became the franchisor of the Tire Pros franchise system. Tire Pros Francorp, LLC’s principal business address is 12200 Herbert Wayne Court, Suite 150, Huntersville, North Carolina 28070.

Parents and Affiliates

We are a wholly owned subsidiary of Asphalt Buyer II, LLC d/b/a American Tire Distributors, a Delaware limited liability company formed on January 3, 2025 (“ATD”). ATD is a continuation of American Tire Distributors, Inc. (“ATDOldCo”) through bankruptcy.

ATDOldCo commenced business in 1935 and ATD, as a continuation of ATDOldCo, is a supplier of tires to the replacement tire market in the United States. ATD’s principal business address is 12200 Herbert Wayne Court, Suite 150, Huntersville, North Carolina 28070. Neither ATD nor ATDOldCo has ever offered franchises in any line of business. ATD operates more than 100 distribution centers in the United States servicing tire dealers across the United States.

ATD sells tires, wheels and related products and services to TIRE PROS Centers and to non-Tire Pros centers and, therefore, as a TIRE PROS franchisee, you may face competition from one or more dealers who purchase tires and services from ATD. ATD administers many manufacturer-based programs that assist dealers in marketing specific tire brands. Some of these manufacturer-based programs offer

participating dealers (including both TIRE PROS Centers and non-Tire Pros centers) the ability to earn additional revenues and other rewards.

For purposes of this Disclosure Document, affiliates mean ATD, and any other affiliate of ours. Neither we nor our affiliates have sold franchises for any other lines of business.

Description of the Franchise

We offer franchises for either converting existing retail tires stores or opening new facilities for TIRE PROS Centers operating under the System. TIRE PROS Centers are designed and decorated according to distinctive plans and specifications (usually with red, white and black colors) and are operated under a specified marketing system. The Initial Franchise Fee is \$7,000 (“Initial Franchise Fee”). You must also pay for the cost of converting your store to a TIRE PROS Center and for any additional equipment, supplies and inventory which you may need. Our form of Franchise Agreement is attached as Exhibit A.

TIRE PROS Centers must carry certain brand products required by us to be offered by all TIRE PROS Centers (“Required Product Offering”). TIRE PROS Centers are also required to offer certain tire and services warranty programs (“Required Warranty Programs”). If authorized under the applicable Required Warranty Program, your Center may include products that are not included in the Required Product Offering within the Required Warranty Program, as long as other TIRE PROS Centers are not obligated to provide warranty services for those products. We recommend advertising and promotion plans for TIRE PROS Centers for common advertising and promotions within given areas.

The tire and related automotive retail industries are extremely competitive. TIRE PROS Centers compete with other businesses, brands and systems that may be larger and have more marketing and purchasing power than us. You will also face competition with other national and local tire store chains and manufacturers that operate retail tire stores under their names, independent operators, service stations, specialty automotive repair and maintenance centers, warehouse clubs, department stores with automotive departments, and other TIRE PROS Centers. As described above, you may face competition from tire dealers who purchase all or part of their supply of tires at the wholesale level from ATD.

Applicable Regulations

There are federal laws and regulations specific to the operation of a business that offers and sells tires and automotive services. Generally, you must comply with certain Department of Transportation rules and regulations concerning transportation safety; Environmental Protection Agency rules and regulations concerning handling, storage and disposal of hazardous substances and solid waste disposal; the Occupational Safety and Health Act of 1970 concerning workplace safety; the Americans with Disabilities Act concerning employment and the public access to goods and services offered by a business; and rules and regulations established by the National Highway Traffic Safety Administration under the Transportation Recall Enhancement Accountability and Documentation Act concerning the labeling, testing, monitoring, and recall of tires. There may also be some state and local laws and regulations (including the requirements of the Bureau of Automotive Repair in California) that may apply to your Center. Because you will accept credit cards, you must also comply with any laws and regulations relating to the acceptance of credit cards, including the Payment Card Industry (“PCI”) Data Security Standard (“DSS”). Additionally, you are responsible for compliance with those laws that apply to all businesses including employment, worker’s compensation, insurance, corporate, tax and licensing laws.

You should consult an attorney to advise you on these laws and other federal, state or local laws of a more general nature, which may affect the operation of your Center.

ITEM 4. BANKRUPTCY

In Re: American Tire Distributors Inc., Case No. 24-12391; In the Federal Bankruptcy Court for the District of Delaware; filed October 22, 2024. American Tire Distributors, Inc., Tire Pros Francorp, LLC and eleven (11) other affiliates (collectively, the “Debtors”) filed for bankruptcy protection under chapter 11 of the Bankruptcy Code. The Debtors elected to pursue a sale under Section 363 of the Bankruptcy Code. On November 26, 2024, as amended February 9, 2025, and February 21, 2025, Debtors and Asphalt Buyer LLC, entered into an Asset Purchase Agreement. On February 11, 2025, the Bankruptcy Court entered an Order approving the sale and the closing of the Asset Purchase Agreement pursuant to which Asphalt Buyer, LLC purchased the assets of Debtors (the “Sale Order”). The Asset Purchase Agreement and related transactions closed on February 28, 2025. As a result of the sale, Asphalt Buyer II, LLC d/b/a American Tire Distributors assumed certain of the contracts to which American Tire Distributors Inc. was a party, and we assumed all of the franchise agreements of Tire Pros Francorp, LLC. The location of Debtors’ principal place of business and the Debtors’ mailing address in these chapter 11 cases is 12200 Herbert Wayne Court, Suite 150, Huntersville, NC 28078. The Asset Purchase Agreement and resulting sale approved by the court did not affect our relationship with our franchisees nor did it change in any material manner how we do business with our franchisees.

In Re: ATD, Corp, Tire Pros Fran., Corp., et. Al; 18-12221 (KJC); In the Federal Bankruptcy Court for the District of Delaware; filed October 4, 2018. Our parent company, along with other affiliates of our parent company, filed for bankruptcy protection under chapter 11 of the Bankruptcy Code. The debtors sought a financial reorganization of the companies. On December 26, 2018, the Bankruptcy Court entered a final decree accepting the chapter 11 reorganization plan. The bankruptcy plan that was approved by the court did not affect the relationship between Tire Pros Francorp, LLC and its franchisees nor did it change in any material manner how Tire Pros Francorp, LLC did business with its franchisees.

ITEM 5. INITIAL FEES

Initial Franchise Fee

The Initial Franchise Fee for a Tire Pros franchise is \$7,000 (“Initial Franchise Fee”). You must pay us this fee when you sign the Franchise Agreement, EXCEPT for the states listed in Exhibit E (State Specific Addenda to FDD) that require deferral of the Initial Franchise Fees and payments owed by franchisees to us to be deferred until we complete our pre-opening obligations under the Franchise Agreement. If you purchase multiple franchises, we will reduce the Initial Franchise Fee to \$2,000 for each additional franchise you purchase after your initial TIRE PROS Center. If you are a United States military veteran who received at least a general discharge, we will discount the Initial Franchise Fee by 50% (\$3,500), and if you are purchasing an additional TIRE PROS Center, we will discount the Initial Franchise Fee by 50% (\$1,000).

During 2025, Tire Pros Francorp, LLC's standard Initial Franchise Fee was \$7,000 for a new dealer's first location (\$3,500 for a qualified military veteran). During 2025, Tire Pros Francorp, LLC's standard Initial Franchise Fee for an additional Center was \$2,000 (\$1,000 for a qualified military veteran). During 2025 Tire Pros Francorp, LLC waived the Initial Franchise Fee 12 times. The Initial Franchise Fee(s) are not refundable under any circumstance.

Pre-Opening Purchases

If you have been operating a retail tire store before becoming a Tire Pros franchisee, you may be required to purchase products from ATD before opening and beginning operation as a TIRE PROS® Center. You are expected to alter your existing product lines to more closely align with the brands, programs and product offerings associated with a TIRE PROS® Center, including the requirement that you support the Continental and General brand tires, meeting their applicable annual minimum purchase requirements. While such alignment may require modifications to your current inventory or product mix, you are expected to make these changes prior to opening in order to begin operating as a Center. Therefore, we estimate that your pre-opening expenditures related to purchasing products from us and/or our affiliates will be \$0 to \$5,000.

(Column 1) TYPE OF EXPENDITURE	(Column 2) AMOUNT		(Column 3) METHOD OF PAYMENT	(Column 4) WHEN DUE	(Column 5) TO WHOM PAYMENT IS TO BE MADE
	LOW AMOUNT	HIGH AMOUNT			
TOTAL (Note 9)	\$111,475	\$251,225			

NOTE 1: Initial Franchise Fee. Among other things, the Initial Franchise Fee covers (i) the New Dealer Onboarding and Program Training (defined below in Item 11). The Initial Franchise Fee and other payments made to us are non-refundable under any circumstances.

NOTE 2: Pre-opening Purchases. In the conversion of your existing retail store to a Center, it is possible that your existing product lines may need to be aligned more closely with the brands and products associated with a TIRE PROS Center. We estimate the pre-opening expenditures related to purchasing products from us and/or our affiliates, excluding inventory, to be between \$0 to \$5,000.

NOTE 3: Computer Equipment. You must have a computer system that is (i) inclusive of point-of-sale (“POS”) software, (iii) capable of communicating with our computer system over the Internet, and (iv) capable of communicating by e-mail. Currently, we do not specify specific computer hardware or software, but your computer must be in good repair and must be able to carry out ordinary business functions as provided in the Manual (Section 2.16 of Franchise Agreement). We estimate that the current initial cost of a computer system for the Center will range from \$0 to \$7,500, depending on whether you have an existing computer system. You are responsible for any and all repairs, maintenance, modifications, and Upgrades/Updates (including Software & Hardware) to conform to our specifications. We estimate that the cost of support service is around \$125 to \$600 per month, but you will need to contact a vendor to determine the scope of the services they offer and the actual cost of those services.

You may wish to purchase additional shop equipment or upgrade existing shop equipment such as lifts, tire machine(s), wheel balancer(s) and alignment equipment.

NOTE 4: Signs. Signs include interior and exterior signs. The exterior sign must be at least 2 feet by 6 feet or 12 square feet. Local code restrictions may restrict the signage available for a Center and, accordingly, affect the costs you will incur. Unless we agree otherwise, all existing signage at your outlet must be changed to reflect the TIRE PROS brand, in accordance with the requirements outlined in this FDD and the franchise agreement.

NOTE 5: Miscellaneous Opening Costs. This category estimates additional costs likely to be incurred in obtaining additional insurance (one year’s estimated insurance premium) and additional utility expenses associated with the conversion or opening a new tire facility.

NOTE 6: Opening Inventory. This category estimates your possible purchase of opening or additional tire inventory in order for your product offerings to be consistent with the TIRE PROS brand. Other than the requirement that you must be a Continental Tire the Americas (“Continental”) GOLD distributor to be part of the System, there are no minimum

inventory requirements, so the purchase of tire inventory is totally within your control. The Continental GOLD program requires an opening order of 24 units, which will cost approximately \$3,000. We do not offer any financing to you in connection with your purchase of inventory from our affiliate.

NOTE 7: Rent. This category estimates your rent during the first 3 months of operation. Since you will be converting an existing center that already has its own location, we do not estimate your costs of obtaining either a lease for the location or the cost of purchasing the location. We do not provide you with assistance in locating or evaluating your location. Notwithstanding that we do not represent the costs of your real estate, our recommended parameters for a Tire Pros location will be a building of between 8,000-10,000 square feet that can fit 6-10 service bays, and a stand-alone location will likely provide you with greater visibility. The shop should be located in a retail abundant area of a city or town, such as a strip center or auto-mall.

NOTE 8: Additional Funds. This category estimates the funds needed to cover your expenses during the first 3 months of operation after the conversion of your existing business to a Tire Pros facility. These expenses include estimated payroll (excluding any wage or salary paid to you), other miscellaneous expenses, vendor payments, the minimum of two months of Franchise Fees, three months of National Advertising Fund Contributions, three months of Nationwide Warranty Coverage, three months of (minimum) local Marketing Contributions based on Ad Plan, additional advertising and marketing expenses costs. We cannot guarantee that you will not have additional expenses starting your TIRE PROS Center. All these expenses (other than the monthly Franchise Fees and National Advertising Fund Contributions) are paid to third parties.

NOTE 9: The information in this table is based on our experiences. We do not offer direct or indirect financing to franchisees for any of these items. The availability and terms of financing will depend on factors like the availability of financing generally, your credit worthiness, collateral you pledge, policies of your lending institution, and economic conditions in your area. You should review this information, including these notes, carefully, conduct your own investigation and seek the help of qualified advisors before purchasing a franchise.

The charts above provide an estimate of your initial investment for one TIRE PROS Center, based upon our experience franchising the Tire Pros brand. The charts should be read in conjunction with the following notes.

NOTE 1: Initial Franchise Fee. Among other things, the Initial Franchise Fee covers (i) the New Dealer Onboarding and Program Training (defined below in Item 11). All fees paid to us are non-refundable under any circumstances.

NOTE 2: Pre-opening Purchases. We estimate the pre-opening expenditures related to purchasing products from us and/or our affiliates, excluding inventory, to be between \$0 to \$5,000.

- NOTE 3: Lease Deposit. The lease deposit for your location will usually equal first month's rent and perhaps last month's rent as well. The landlord may require you to replenish the lease deposit if any portion of the lease deposit is used to pay for any costs to fix or repair the location for which you did not pay, or for triple net expenditures (taxes, insurance, and common area charges) for which you did not pay.
- NOTE 4: Remodeling Costs. These costs will include the amount you will need to upfit an existing location. These costs do not include building a TIRE PROS Center from scratch.
- NOTE 5: Computer Equipment and Furniture. You must have a computer system that is (i) inclusive of POS software, (iii) capable of communicating with our computer system over the Internet, and (iv) capable of communicating by e-mail. Currently, we do not specify specific computer hardware or software, but your computer must be in good repair and must be able to carry out ordinary business functions as provided in the Manual (Section 2.16 of the Franchise Agreement). We estimate that the current initial cost of a computer system for the Center will range from \$0 to \$7,500 depending on whether you have an existing computer system. You are responsible for any and all repairs, maintenance, modifications, and Upgrades/Updates (including Software & Hardware) to conform to our specifications. We estimate that the cost of the support service is around \$125 to \$600 per month, but you will need to contact a vendor to determine the scope of the services they offer and the actual cost of those services. The costs in this section also include your indoor furniture that you will put in your waiting room.
- NOTE 6: Shop Equipment. You will need to outfit your Tire Pros Center with lifts, tire mounting machines, wheel balance machines, and an assortment of other equipment used in the tire repair and replacement business and more particularly described in the operations manual. You can either purchase or lease the equipment. If you finance the equipment, the lender will require the shop equipment be secured by a UCC lien, which must be superior to any landlord's lien.
- NOTE 7: Signs. Your signage will include interior and exterior signs. The exterior sign must be at least 2 feet by 6 feet or 12 square feet. Local code restrictions may restrict the signage available for a Center and, accordingly, affect the costs you will incur. Unless we agree otherwise, all signage at your outlet must reflect the TIRE PROS brand in accordance with the requirements outlined in this FDD and the franchise agreement.
- NOTE 8: Miscellaneous costs. This category estimates additional costs likely to be incurred in obtaining additional insurance (one year's estimated insurance premium) and additional utility expenses associated with the conversion or opening a new tire facility. These costs may include certain legal expenses in organizing your legal entity you decide to use in the operation of your business.
- NOTE 9: Inventory costs. This category estimates your possible purchase of opening or additional tire inventory in order for your product offerings to be consistent with the TIRE PROS brand. Other than the requirement that you must be a Continental GOLD distributor to be part of the System, there are no minimum inventory requirements, so the purchase of tire inventory is totally within your control. The Continental GOLD program requires an opening order of 24 units, which will cost approximately \$3,000. We do not offer any financing to you in connection with your purchase of inventory from our affiliate.

- NOTE 10: Rent. This category estimates your rent during the first 3 months of operation. We do not estimate your costs of obtaining either a lease for the location or the cost of purchasing the location. We do not provide you with assistance in locating or evaluating your location. Notwithstanding that we do not represent the costs of your real estate, our recommended parameters for a Tire Pros location will be a building of between 8,000-10,000 square feet that can fit 6-10 service bays, and a stand-alone location will likely provide you with greater visibility. The shop should be located in a retail abundant area of a city or town, such as a strip center or auto-mall.
- NOTE 11: Additional Funds. This category estimates the funds needed to cover your expenses during the first 3 months of operation after the conversion or opening of your new tire facility. These expenses include estimated payroll (excluding any wage or salary paid to you), other miscellaneous expenses, vendor payments, the minimum of two months of Franchise Fees, three months of National Advertising Fund Contributions, three months of Nationwide Warranty Coverage, three months of (Minimum) local Marketing Contributions based on Ad Plan, additional advertising and marketing expenses costs and working capital. We cannot guarantee that you will not have additional expenses starting your TIRE PROS Center. Your costs will depend on factors like how much you follow our suggested procedures, the local market for tire and automotive services, the prevailing wage rate, competition, and the sales level reached during the initial period. All of these expenses (other than the monthly Franchise Fees and National Advertising Fund Contributions) are paid to third parties.
- NOTE 12: The information in this table is based on our experiences. Except for security deposits, none of these costs are refundable. We do not offer direct or indirect financing to franchisees for any of these items. The availability and terms of financing will depend on factors like the availability of financing generally, your credit worthiness, collateral you pledge, policies of your lending institution, and economic conditions in your area.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Brands and Products

You must follow any rules we establish related to what products and services TIRE PROS Centers should offer, which may include one or more requirements as to the products and services required by us to be offered at all TIRE PROS Centers (“Required Product Offering”). You will, at all times, carry the Required Product Offering, unless you have our written consent not to carry a product in the Required Product Offering. All other products and brands that you carry at your Center must be consistent with our standards and specifications (“Brand Standards”) set forth in our confidential operations manual (“Manual”) or in other written directives issued by us to the System as a whole, and the quality of products offered by other TIRE PROS Centers operating under the System. We may, at any time, change, delete, add to or modify any of our Brand Standards. While not mandated in our Franchise Agreement, our preference would be that all Centers should offer the same or similar products and services.

Approval of Alternative Suppliers

If you want to use any product or material or render any service that does not comply with our Brand Standards or is to be purchased from a supplier that has not yet been approved, you must first submit to us a written request for approval of the proposed product or supplier and obtain our approval of the product or supplier before purchasing the product or purchasing from this supplier. We will, within a reasonable time (within 30 days), and at no charge to you, notify you of our decision. We may periodically establish

procedures for submitting requests for the approval of items and suppliers and may impose limits on the number of approved items and suppliers. Approval of a supplier may be conditioned on requirements relating to product or service quality, production and delivery capabilities, ability to meet our supply commitments, financial stability, integrity of standards of service, familiarity with our System, agreement to abide by our Brand Standards, and ability to negotiate favorable terms for our franchisees. We do not generally make available to you or any supplier our criteria for approval. We may revoke any of our approvals for alternative suppliers if we believe that the products or services from such suppliers do not meet our Brand Standards. If we revoke any alternative supplier, we will give you written notice of such revocation.

Product and Support Programs Offered to Franchisees

By becoming a TIRE PROS franchisee, you will have access to our TIRE PROS product and advertising/marketing programs that we or our affiliates develop and/or facilitate with the major tire manufacturers and suppliers like Continental/General Brands (GOLD Program for Continental distributors) and Hercules Brands (Hercules Power Program) (“Supplier Marketing Programs”). Currently, you must (i) participate through ATD (as your primary distributor) in the Continental GOLD Program and commit to the attainment of the minimum annual purchase requirements in the Continental Gold Program and participate through us or ATD in at least one other manufacturer or supplier advertising/marketing program established, designed or facilitated by us, (ii) use funds these manufacturers and suppliers allocate, provide or rebate to you based on your purchases for the Center in accordance with the terms of the Supplier Marketing Programs, and (iii) execute any documents required by us, ATD, and/or the manufacturer or supplier to participate in the Supplier Marketing Programs. We also structure exclusive TIRE PROS programs with suppliers of ancillary products that are typically sold through Centers like batteries, lubricants, automotive parts and accessories and similar products. We also recommend, but you are not required to use our national e-commerce site, TirePros.com, for consumers to do business with us online. This website also serves as our dealer locator for all franchisees. To use this e-commerce platform, you will be required to sign our Terms and Conditions that is found on Exhibit D to this disclosure document. The Supplier Marketing Programs are designed to provide direct or indirect benefits to our franchisees, our System and us, often through attractive pricing of products like tires, enhanced co-op dollars or rebates. Supplier Marketing Programs may require you to make certain purchases from certain sources we designate. During the term of your Franchise Agreement, as a TIRE PROS franchisee, you may not align yourself with, enroll in, or convert existing enrollment within the following manufacturer marketing or supply programs: Conti GOLD, Falken Fanatic, Toyo Driven, and Pirelli P3 offered by ATD to tire manufacturers or ATD’s competing suppliers. Should you fail to comply with this restriction, you will be in breach of your Franchise Agreement with us.

Co-op dollars are monies provided by tire manufacturers to franchisees or co-ops for the System to advertise and market Centers. Not all manufacturers provide co-op opportunities. Further, the guidelines and structure associated with the Supplier Marketing Programs are defined by the suppliers with the assistance and advice of us and our affiliates. We reserve the right to change, modify, alter or eliminate Supplier Marketing Programs and/or suppliers as we deem appropriate or necessary. If you want additional information on the Supplier Marketing Programs, you may talk with us and/or our current franchisees to answer any of your questions on the Supplier Marketing Programs.

We and our affiliates like ATD also currently offer franchisees purchase discount enhancements in the form of financial rebates or enhanced co-op dollars tied to a franchisee attaining certain program purchase requirements or volume purchase requirements or incremental sales volume increases. We and our affiliates reserve the right to change, modify, alter or eliminate programs and/or suppliers as we deem appropriate or necessary.

No Franchisor Officer owns an interest in any supplier.

Revenue from Franchisee Purchases

We, ATD and other affiliates of ours may sell or distribute products (including tires) to you. During 2025, ATD and its affiliates sold products to our franchisees which generated revenues of approximately \$249,673,125 based on the internal unaudited financial information of ATD and subsidiaries (including Tire Pros Francorp, LLC).

In 2025, Tire Pros Francorp, LLC received revenues totaling approximately \$168,424 from certain suppliers of batteries, uniform rentals, lubricants, computer/POS systems, private label credit cards using our Marks, automotive parts and accessories, insurance and similar products and programs designed to increase rebates and payments from suppliers based on purchases by our franchisees, or approximately 1.53% of Tire Pros Francorp, LLC total 2025 revenues of approximately \$11,012,044 based on its audited financial statements.

There are various third-party vendors that provide supply product(s) and supplies to you and other franchisees for which we receive a percentage rebate ranging from 0.05% to 3.0% based on the amount that you and other franchisees purchase from these third-party suppliers.

We and our affiliates have (i) the right to receive payments or other benefits like rebates, allowances or other forms of remuneration from manufacturers and suppliers based upon their dealings with you and other franchisees and (ii) use these payments and benefits as we or they deem appropriate. In the past, and in all likelihood for the foreseeable future, these payments and benefits have been and will continue to be distributed to our affiliates and not to us. Typically, our affiliates use certain of these payments or benefits for the benefit of our franchisees, although that is not required. These payments and benefits help fund the purchase discount enhancements or enhanced coop dollars that are part of our franchise offering (see above). The range and level of rebates, allowances and other forms of compensation are dictated by the suppliers, most typically by the major tire manufacturers, and often there are volume requirements and promotional and advertising activities that must be met or undertaken before these benefits are distributed to our affiliates. Also, if these rebates, allowances and other forms of compensation are available to our affiliates, their sale of products or marketing activities to non-TIRE PROS franchisees will also be a factor in the level of payments or benefits they receive.

As described above, we or our affiliates have negotiated purchase arrangements (such as marketing arrangements) with various suppliers for the benefit of you and the System. You must participate in Continental's GOLD Supplier Marketing Program and sign Continental's 2026 GOLD Distributor Participation Agreement attached as Exhibit C to this Disclosure Document.

We do not provide any material benefits (such as renewal or granting additional franchises) to you based upon your use of designated or approved sources or your purchase of particular products or services. There are no purchasing or distribution cooperatives for the System. Except as disclosed in this Item 8, there are no approved suppliers in which any of our officers have an interest.

Standards and Specifications

We have established our Brand Standards for the TIRE PROS System that you must comply with and are set forth in our Manual or otherwise distributed in writing to our franchisees, including by means of electronic directives or newsletters. Our Brand Standards could cover areas such as guidelines in the use of our intellectual property including our trademarks, inventory, product education and training, approval of suppliers or Supplier Marketing Programs, and minimum advertising and marketing guidelines. We may, at any time, at our discretion, change, delete or add to any of our Brand Standards.

Computer System

We do not require you to purchase specific computer hardware or software to operate the Center. However, we require that you utilize a computer system to operate the Center, and your computer system must be (i) inclusive of POS software, (ii) capable of communicating with our computer system over the Internet, and (iii) capable of communicating through e-mail.

Insurance

At your own expense, you must maintain at all times during the term of the Franchise Agreement an insurance policy or policies protecting you, us and our affiliates. At the current time you must maintain the following minimum insurance coverages: commercial general liability insurance in the amount of \$1,000,000.00 per occurrence, and workers' compensation in the amount of \$1,000,000.00. You must name us as an additional insured in all of your insurance policies. We may modify these insurance requirements at any time that we believe it is in the best interests of our franchise system. Any modifications to the insurance requirements will be set forth in the Manual. You must, on January 1 of each year during the term of the Franchise Agreement and at other times upon our request, provide evidence of the required insurance to us. The policies must provide protection against all loss, liability or occurrence arising out of the condition, operation, use or occupancy of the Center or Center's premises. All policies must be written by a responsible insurance company or companies satisfactory to us, and the policies must be in a form and contain the minimum types, and coverage amounts as we specify in the Manual. The cost of your insurance will vary depending on the insurance carriers' charges, the terms of payment and your insurance history.

Warranty Programs

You must participate in all required warranty programs that we designate ("Required Warranty Programs") and offer the Required Warranty Programs to your customers. You must follow the requirements of all Required Warranty Programs at all times, including (i) using the required warranty forms, (ii) having all salespeople provide at the time of sale any required oral disclosures to customers, and (iii) making sure the Center's employees fully understand each warranty program and truthfully represent them to all customers of the Center. If authorized under the applicable Required Warranty Program, you may include products or services that are not included in the Required Product Offering within the Required Warranty Program, so long as (a) we and other franchisees under the System are not obligated in regard to the warranty of those items, and (b) disclaimers of any obligation of ours and other franchisees under the System are clearly communicated by your salespeople to all customers at the time of the sale. This must be clearly stated to the consumer at the time of purchase.

Leases/Subleases

If you are or become a lessee of the Center's premises, upon request you must provide us with a true, correct, and complete copy of your lease, and you must (i) have the De-Identification Rider attached as Schedule E to the Franchise Agreement ("Lease Rider") signed by the landlord and you, or (ii) have the lease include the provisions contained in the Lease Rider, in a form satisfactory to us.

The following chart contains our estimate of the percentage of your total purchases and leases which you must obtain from approved suppliers (including us and any of our affiliates) or in accordance with our Brand Standards in establishing your Center and in the continuing operation of your Center.

We do not offer direct or indirect financing. We do not guarantee your note, lease, or obligation.

Neither we nor any affiliate offers financing that requires you to waive notice, confess judgment, or waive a defense against us or the lender.

Commercial paper from franchisees has not been and is not sold or assigned to anyone and neither we nor any affiliate has any plans to do so.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we need not provide any assistance to you.

Pre-Opening

Upon signing your Franchise Agreement and before you commence operation as a TIRE PROS franchisee, we will:

(1) At your request, perform a local market study which analyzes buyer trends (Section 2.1(b) of Franchise Agreement); and

(2) At your request, perform an operational business analysis which analyzes your business against industry standards and benchmarks for potential improvements (Section 2.1(b) of Franchise Agreement).

We do not provide assistance with obtaining equipment, signs, fixtures, opening inventory, and supplies before opening but we do provide an allowance to you after you open your TIRE PROS Center (see post-opening paragraph (3) below).

(3) For your location we consider different factors and recommend that your site be between 8,000 – 10,000 square feet, but some sites are bigger, such that the building can house 6-10 service bays, and that the shop be located in a retail abundant area of the city or town where you locate your shop. We find that stand-alone locations will provide you with more visibility than a location that is in a strip center or auto-mall (Section 2.1(b) Franchise Agreement).

(4) Provide you with online access to our Manual, which includes our Brand Standards and a list of our approved suppliers (Section 2.1(c) of Franchise Agreement).

- (5) Provide a New Dealer Rollout Kit to you (Section 2.1(c) of Franchise Agreement).

Post-Opening

During the operation of your TIRE PROS Center, we will:

- (1) Provide our New Dealer Onboarding and Program Training at your Center (the “New Dealer Onboarding and Program Training”) which explains our marketing philosophy, product lines, warranty programs and general information concerning our System (Section 2.1(c) of Franchise Agreement). This is usually provided within the initial 90 days after you commence operation as a Tire Pros franchisee.

- (2) Authorize you to use the Marks in operating your Center (Section 2.1(e) of Franchise Agreement).

- (3) Reimburse you up to \$3,500 for approved expenditures for identification of the retail outlet you are converting to a TIRE PROS Center. Reimbursements are primarily for exterior signage and painting and include interior displays (Section 2.1(d) of Franchise Agreement). We currently do not have approved vendors/suppliers for obtaining exterior and/or interior signage. It is your responsibility to secure a local vendor of your choice to obtain the signage. Before ordering any signage for your TIRE PROS Center, you will need to get approval from our marketing team to use the TIRE PROS logo. Reimbursements are only available during the first year after the Effective Date of the Franchise Agreement unless approved by us in writing no less than 30 days before the end of the first year. Once the one-year period expires, you are no longer eligible for these reimbursements even if you have not used the entire \$3,500 reimbursement amount (Section 2.1(d) of the Franchise Agreement).

- (4) Provide information on the Required Warranty Programs (Section 2.1(e) of Franchise Agreement).

- (5) Develop and administer advertising and sales promotion programs designed to promote and enhance the collective success of all TIRE PROS Centers (“System Promotion Programs”) (Section 2.1(d) of Franchise Agreement).

- (6) Review your proposed advertising copy and materials in advance of publication (Section 2.1(e) of Franchise Agreement).

Site Selection

Your site in which to operate your TIRE PROS Center must be approved by us. In approving your site, we look at the following criteria: the size and physical characteristics of the existing building, parking at the location, traffic patterns around the site, zoning requirements, competitive businesses located in the market, population density, household income, and the material terms of your proposed lease, if you are leasing the location. Locations for any additional Centers you wish to open require our prior written approval, which will not be unreasonably withheld. Failure to obtain location approval for initial or additional Centers could give us the right to terminate your Franchise Agreement (Section 2.1(b) of Franchise Agreement).

Time Before Opening

The length of time following the signing of the Franchise Agreement and opening of the TIRE PROS Center is expected to be less than 30 days. Unless we agree otherwise, you must commence operation of the Center within 30 days after the effective date of the Franchise Agreement or we may terminate the Franchise

Agreement. The length of time may be affected by factors such as completing the New Dealer Onboarding and Program Training, difficulties in obtaining building or sign permits, weather conditions, conversion delays, product shortages and delayed installation of new signage. However, we expect that you are unlikely to experience these types of delays (other than signage issues) because we have only a few mandatory actions that need to be completed in converting your existing retail tire store to a TIRE PROS Center (Section 1.2 of Franchise Agreement).

Training Programs

New Dealer Onboarding and Program Training

Within 90 days of commencing operation of your TIRE PROS Center, both (i) the Designated Operator(s) (defined below) and (ii) you (or an owner of yours if you are a legal entity) or a manager for the Center, must permit trainers at your TIRE PROS Center. We may terminate the Franchise Agreement if your trainees fail to successfully complete the New Dealer Onboarding and Program Training within the required timeframe. We do not charge a fee for the New Dealer Onboarding and Program Training (which is available to all Center employees). If an additional New Dealer Onboarding and Program Training is required, we may charge you for such course. All training will take place at your TIRE PROS Center to avoid the expenses of airline travel, lodging and meals to attend the New Dealer Onboarding and Program Training. The New Dealer Onboarding and Program Training will cover the TIRE PROS marketing philosophy, product lines and warranty programs and general information. Various trainers from partners like Synchrony and Continental may participate in the New Dealer Onboarding and Program Training as needed. All Other Training Courses/Sessions

For all training courses and sessions other than the *New Dealer Onboarding and Program Training*, you are responsible for the costs of attendance for you, your owner and/or manager, including travel, lodging, meals and other related and incidental expenses, and you may be required to pay for your share of course materials and related training costs. We reserve the right to charge you additional fees if you want to have additional individuals attend either of these programs/courses.

Training Instructors

Our training courses are taught by a number of our in-house industry professionals, all of whom have comprehensive knowledge and experience of and in the subjects, they will be teaching. Our training programs are supervised by our Director, Retail Field Scott Doles who has 39 years of experience, 9 of which are with Tire Pros or Tire Pros Francorp, LLC.

Marketing and Advertising

We have the right to make the final decision regarding System Promotion Programs, including, without limitation, type, quantity, timing, placement and choice of media, market areas and advertising agencies. Each year during the term of the Franchise Agreement, an “Advertising Plan” (“Ad Plan”) will be developed by you and us for your Center. The Ad Plan will layout and track all advertising to be placed for your Center for the calendar year. For your first calendar year, you must get your Ad Plan approved by us in writing within 90 days of when you join the System. You must participate fully and completely in the System Promotions Programs adapted by us for the Center in accordance with the Ad Plan. In addition to the System

Promotion Programs and Supplier Marketing Programs, you must participate in any other regional and national promotional programs developed by us for the System (“Supplemental Programs”) (Section 5.1 of Franchise Agreement).

National Advertising Fund

We will maintain and administer a marketing fund (the “National Advertising Fund”). You must contribute the amounts that we periodically require, which is currently \$200 per month, payable in the same manner as the monthly Franchise Fee. We may increase the monthly contribution on an annual basis by up to a \$100 per month, not to exceed \$500 per month. We will direct all programs that the National Advertising Fund finances, with oversight and authority over the concept developments, materials, testing, and endorsements used and their geographic, market, and media placement and allocation. The National Advertising Fund may be utilized for any advertising, promotion, marketing and brand-related activities, including preparing, producing and placing video, audio and written materials and electronic media; developing, maintaining and administering one or more System Websites, other online presence, and digital media; creating and administering national, regional, multi-regional and local marketing, advertising including in-home and out-of-home promotional advertising, and including purchasing trade journal, direct mail, digital (e.g. internet, social media and mobile) and other digital and traditional media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public and customer relations, market research, and other advertising, promotion, marketing and brand-related activities. The National Advertising Fund also may reimburse Tire Pros center operators for expenditures consistent with the National Advertising Fund’s purposes that we periodically specify (Section 5.3 of Franchise Agreement).

We will account for the National Advertising Fund separately from our other funds and will not use the National Advertising Fund for any of our general operating expenses, except for reasonable salaries, administrative costs, travel expenses, and overhead we and our affiliates incur in administering the National Advertising Fund and its programs, including conducting market research, travel, preparing advertising, promotion, and marketing materials (including shipping costs), implementing social responsibility initiatives, maintaining and administering the System Websites and other forms of online presence, and collecting and accounting for National Advertising Fund contributions. The National Advertising Fund is not a trust, and we have no fiduciary obligation to you. We will hold National Advertising Fund contributions for the benefit of the contributors and use contributions only for their intended purpose. In any fiscal year, the National Advertising Fund may be utilized above or below the total National Advertising Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will use all interest earned on National Advertising Fund contributions to pay costs before using the National Advertising Fund’s other assets. We currently do not plan to audit the National Advertising Fund. We will prepare an unaudited annual statement of the National Advertising Fund’s collections and costs and give it to you upon written request (Section 5.3 of Franchise Agreement).

During fiscal year 2025 the National Advertising Fund spent 90% of its total expenditures on media placement, conferences, and sponsorships, 0% on point-of-sale marketing materials, 0% on sweepstakes fulfillment, 1% on production, 9% on media management services and 0% on miscellaneous expenses. We currently do not intend to use National Advertising Fund contributions for advertising that principally is a solicitation of new franchise sales. Any unspent National Advertising Fund contributions are carried over for expenditure in the following year.

The goal of the National Advertising Fund is to maximize recognition of the Marks, brand, Tire Pro Centers products and services, and patronage of Tire Pros Centers. Although we will try to use the National Advertising Fund to develop advertising and marketing materials and programs and to place advertising and marketing that will benefit all Tire Pros Centers, we need not ensure that National Advertising Fund

expenditures in or affecting any geographic area are proportionate or equivalent to National Advertising Fund contributions by Tire Pros Centers operating in that geographic area or that any Tire Pros Center benefits directly or in proportion to its National Advertising Fund contribution from the development of advertising and marketing materials or the placement of advertising. We have the right, but no obligation, to use collection agents and institute legal proceedings to collect National Advertising Fund contributions at the National Advertising Fund's expense.

We also may forgive, waive, settle, and compromise all claims by or against the National Advertising Fund. We assume no other direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the National Advertising Fund.

We may defer or reduce a franchisee's contributions to the National Advertising Fund and, upon 30 days' prior written notice to a franchisee(s), reduce or suspend National Advertising Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the National Advertising Fund. If we terminate the National Advertising Fund, we will distribute all unspent monies to franchisees and us and our affiliates in proportion to their respective National Advertising Fund contributions during the preceding 12-month period (Section 5.3 of Franchise Agreement).

Marketing Council

We may designate a geographical area to be served by a marketing council whose members will be representatives of our franchisees in that area. The council may include ATD representatives. The marketing council will advise us about System Promotion Programs. We will make the final decision about all System Promotion Programs. On request, you may obtain an unaudited accounting of how the monies were spent for programs (Section 5.4 of Franchise Agreement).

Marketing Program

The following is a summary of our Marketing Program that applies to Centers operating under the System. You must participate in the Marketing Program including each of the following which constitute our "Core Program Elements":

1. Have the minimum signage and interior display identification requirements for a TIRE PROS Center.
2. Achieve the monthly objectives of two or more of our manufacturers' purchasing programs.
3. Fund at least the minimum monthly required contribution to your annual Ad Plan.
4. Meet all credit history requirements.

If you meet all the Core Program Elements you may select and participate in any combination of programs that apply to purchases of the manufacturers' products from ATD, however, all Centers must participate in and meet the minimum annual requirements of the GOLD Program. Below is a general summary of the programs currently in progress for 2026 and there are additional requirements and terms that apply to the programs which are contained in the Manual and other program information prepared by us, ATD, and/or the manufacturers. These programs may change at any time at our, ATD's, and/or the particular manufacturer's discretion.

1. Continental/General: As a TIRE PROS Continental Gold Distributor on the GOLD Program (minimum initial order of 24 units and 800 units per year or higher) for a single TIRE PROS Center, you will earn credits of 3% towards Co-op spending on your purchases of all Continental and General brand products. We will maintain information regarding your credits for this program.

You must include the Marks in all advertising copy and other materials promoting or advertising tires. These materials must be approved by us, which we will approve or disapprove materials within 30 days of receipt. You must submit a proposed advertising copy and materials to us for approval in advance of publication. Your advertising must never contain any statement or material which may be considered in bad taste or offensive to the public or to any group of people or defamatory of any person or an attack on any competitor. There is no fiduciary relationship or trust relationship created by our advertising and marketing activities and we do not provide any annual financial statements devoted to advertising and marketing activities.

We may operate an Internet website for the System (“System Website”) to promote and advertise the System. We will have the exclusive right to modify, enhance, suspend or discontinue the System Website and all features of the System Website (including the domain name, features, procedures, links, content and format) will be determined by us, in our sole discretion. At our option, we may permit you to either have a website for your Center (“Center Website”) or make available to you a sub-page on the System Website that will be located at a sub-domain of the System Website to be specified by us (“Subpage”). Any Center Website or Subpage must (i) be approved by us, (ii) not reference any other business other than the Center unless approved by us, and (iii) be in the format of our template for Center Websites or Subpages as specified by us in any guidelines, directives or specifications in the Manual. Once the initial content of any Center Website or Subpage has been approved by us, you must submit any changes to the content to us for our prior written approval. We will permit you to upload content onto the Center Website or Subpage solely to promote and promote the Center and provide prospective customers with information related to the Center. Except as permitted by us, you may not develop, maintain, or authorize any website that mentions or describes you or the Center or that displays any of the Marks. Upon termination or expiration of the Franchise Agreement, you must immediately and permanently remove any and all content related to us, the System and the Center operating as a TIRE PROS from any authorized Center Website. Upon the termination or expiration of the Franchise Agreement for any reason or your default under the Franchise Agreement for any reason, your right to upload content onto, or use, the Subpage will immediately cease, and we may cease to make the Subpage available to you (Section 5.6 of Franchise Agreement).

Local or Regional advertising Cooperative

You are not required to participate in any local or regional cooperative, and we have no plans to establish one.

Advertising Cooperative

We currently do not have a local or regional advertising cooperative, and you are currently not required to participate in one. (Section 5.5 of Franchise Agreement).

Pricing

From time-to-time we may suggest retail pricing to you for the authorized products and services that you sell at your Tire Pros. We may also advertise suggested prices. While we recommend that you follow our pricing structure that we may set up, you are not required to follow those prices; you are free to charge the prices that makes the most sense in your specific market, and which are the most competitive.

Computer Programs

We do not require you to purchase from us computer hardware or software to operate the Center, but we have approved suppliers that offer these items for sale. You must have a computer system that is (i) inclusive of POS software, (ii) capable of communicating with our computer system over the Internet, (iii) capable of communicating by e-mail, and (iv) collecting and transmitting your sales data so that we may facilitate participation in retail benchmarking and to earn, compute, allocate and/or collect rebates or incentives we may offer based upon sellout data or other criteria established by us. In addition, we may use all sales data from the Tire Guru platform, if used by you, to calculate ATD's share of account for rebate and associated payouts. Beyond these purposes we do not intend to use such sales data for any other purpose. Currently, we do not specify specific computer hardware or software. Your computer must be in good repair and must be able to carry out ordinary business functions as provided in the Manual (Section 2.16 of Franchise Agreement). You agree to replace, repair and maintain as necessary, at our request and at your sole cost and expense, the Computer Systems, Software, and Cash Registers, and to obtain such upgrades or modifications to conform to our specifications (Section 2.14 & 2.16 of Franchise Agreement).

We estimate that the current initial cost of a computer system for the Center will range from \$0 to \$7,500 depending on whether you have an existing computer system. We estimate that the cost of support service is around \$125 to \$375 per month, but you will need to contact a vendor to determine the scope of the services they offer and the actual cost of those services. You are not required to give us independent access to poll your computer system to retrieve and compile information concerning your Center, however, certain reward incentives may require limited data sharing as a condition for participation.

You also are required to comply with our standards for processing electronic payments including the Tire Pros private label credit card (currently by Synchrony) and all other standards, laws, rules and regulations applicable to electronic payments that may be published by payment card companies and applicable to electronic payments, including the Payment Card Industry ("PCI") Data Security Standards, Fair and Accurate Credit Transactions Act. All costs of complying with such electronic payment requirements are at your expense (Section 2.17 of Franchise Agreement).

Operations and Other Manuals

We will make available to you a soft copy of our Manual for use once your Center commences operation as a Tire Pros Location. The Manual contains proprietary information, and the Manual may not be copied. Exhibit J to this Disclosure Document contains the current Table of Contents for the Manual.

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we or our affiliates own, or from other channels of distribution or competitive brands that we or our affiliates control

.

The Franchise Agreement does not give you any territorial rights or protections in any geographic area. The Franchise Agreement grants you the right to operate a Center at retail only from a specific location. We do not grant you any exclusive territory or other territorial rights under these agreements other than the right to operate the Center. Unless approved by us, you may not sell products and services through the Internet using the Marks.

You have no right to relocate the Center, and you have no right under the Franchise Agreement to open additional Centers without our prior written approval, which will not be unreasonably withheld.

There is no provision in the Franchise Agreement that prohibits you from soliciting business in another franchisee's territory.

There is no provision in the Franchise Agreement that permits us to modify any territorial rights granted to you.

You may compete with Centers operating under the System, company-owned centers and other centers, stores and outlets we and our affiliates operate in and near your Center. We may open or franchise new Centers near your Center without consulting you or giving you the first right to open them. These Centers may compete directly with you. There is no mechanism for resolving any conflict that may arise between your Center, other Centers operated by other franchisees and/or our and our affiliates' centers, stores and outlets.

Neither the Franchise Agreement nor the Manual prevents us from soliciting or accepting orders from consumers wherever located, even those in close proximity to your Center. This means that we and our affiliates have the right to use other channels of distribution, such as the Internet, catalogs, telemarketing or other direct marketing sales initiatives to make sales to consumers located near your Center, whether using our principal trademarks or under trademarks different from the ones you will use under the Franchise Agreement. We are not required, nor will we, pay any compensation to you for soliciting or accepting orders from consumers located near your Center.

We do not operate, or have present plans to operate, or franchise, any business under a different trademark that will sell goods or services that are the same as or similar to those that you will sell, but we reserve the right to do so in the future.

The Franchise Agreement does not grant you any options, rights of first refusal or similar rights to acquire additional franchises within your area.

You must modify or discontinue the use of a Mark, and you must adopt or use additional or substituted marks, if we instruct you to do so. If this happens, you are responsible for your tangible costs of compliance (i.e., changing signs) and we do not have to reimburse you for any loss of revenue due to any modified or

discontinued Mark, or for your expenses of promoting a modified or substitute Mark. You waive any claim against us for changing, modifying or discontinuing a Mark. Except as disclosed in this Item 13, (i) we do not know of any prior rights or infringing uses that could materially affect your use of the Marks and (ii) there are no pending infringement, opposition or cancellation proceedings involving the Marks. Currently, no effective material determinations regarding the Marks have been issued by the USPTO, the trademark administrator of any state or any court or any pending material litigation involving the principal Marks that are material to your Center. ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or registered copyrights that are material to your Center.

We claim common law rights and copyright protection in a number of items you will use in the operation of your Center, including the Manual, and in certain other materials and information related to the TIRE PROS Centers, like our advertising and marketing materials, specifications, architectural drawings, TIRE PROS Center designs, marketing techniques, advertising programs, advertising strategies, supplier lists, expansion plans, and other information we create or use. We have not registered any of these copyrighted materials with the United States Registrar of Copyrights, although we may do so. We also treat all of this information as trade secrets.

All materials or information of any kind that are designated “confidential” orally or in writing or which, under the circumstances surrounding disclosure, ought to be treated as confidential, are deemed confidential and are loaned to you only under and during the term of the Franchise Agreement. All copyrighted materials and confidential information are owned exclusively by us. Any unauthorized use of our copyrighted materials or any unauthorized use or disclosure of confidential information will constitute an infringement of our rights in and to the copyrighted materials and confidential information.

We may claim copyright protection in certain techniques we create and may patent certain processes and equipment we develop. If we do, we will notify you and, if the copyrights and patents are material to your obligations under the Franchise Agreement, we will authorize you to use them at no additional charge.

The name, last known address and telephone number of every franchisee within the most recently completed fiscal year who has had a franchise terminated, canceled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under a Franchise Agreement or who has not communicated with us within 10 weeks of the date of this Disclosure Document, are set forth in Exhibit H. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

We have one National Dealer Council, four Mission Based Councils, and numerous local Owner Think Tank (“OTT”) groups to which all dealers are assigned (collectively, the “Councils”). The Councils currently serve us as a sounding board on issues that affect the System in the areas of marketing, products, and operations. We manage the Councils. The council members are recommended by us and approved by the existing members of each council. We select the franchisee members of each Council, and each member must be in good standing to serve on each Council. OTTs meet 4 times annually and the National Council usually meets 2 to 3 times each year but may meet more often. Mission Based Councils serve as advisory boards to the National Dealer Council and meet as often as needed but at least 3 times annually. Franchisees generally serve on a Council for a term between 1 and 3 years and serve until the selection of their successors.

To our knowledge, there are no trademark-specific franchisee organizations associated with the System.

During our last three fiscal years, no current or former franchisees have signed settlement agreements containing confidentiality clauses that restrict them from discussing with you their experiences as a franchisee in our System.

THIS FRANCHISE AGREEMENT (this “Agreement”) is made as of _____, 20____ (the “Effective Date”), by and between ASPHALT TIRE PROS FRANCORP, LLC DBA TIRE PROS FRANCORP, a California limited liability company (“TPF” or “our”), and _____ (“you” or “your”).

RECITALS:

A. TPF has developed (and continues to develop and modify) a system of retail centers selling tires and other automotive products and services (“TIRE PROS Centers”) under trade names, service marks, trademarks, logos, emblems, and indicia of origin, including the mark “Tire Pros” (the “Marks”).

B. TIRE PROS Centers are operated under a distinctive style and image following established procedures developed by TPF during many years of experience in the tire and automotive accessories business.

C. TPF offers franchises to operate TIRE PROS Centers using the Marks as part of a system of TIRE PROS Centers following operating, marketing and other procedures (the “System”).

D. You want to operate a TIRE PROS Center on the terms and conditions contained in this Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties hereby agree as follows:

ARTICLE 1: GRANT OF FRANCHISE; TERM; IDENTIFICATION

1.1. Grant. TPF grants you a franchise to use the Marks designated by TPF in connection with the sale of tires and other automotive products and services from your TIRE PROS Center located at the following address:

TIRE PROS Center No. _____

(the “Center”)

You expressly acknowledge and agree that the Center is non-exclusive, and that this Agreement does not grant or imply any protected area, territory or customers for the Center. You may not relocate the Center without our prior written approval.

1.2. Term. Unless terminated earlier, this Agreement has a term of 5 years, commencing on the Effective Date. You must commence operating the Center as a TIRE PROS Center within 30 days of the Effective Date. Before commencing operation of the Center as a TIRE PROS Center, you must notify TPF of the date you plan to commence operating the Center as a TIRE PROS

Center and receive TPF's prior approval. You have no right to renew or extend the term of this Agreement without our consent. At our discretion, and without any obligation to do so, we may offer you a renewal term of 5 additional years. If we offer you a renewal term, we will do so during the last 6 months of the term, and you will have 30 days to accept the renewal term and sign our then-current franchise agreement. Failure to complete these conditions will mean you have declined our offer of a renewal term.

1.3. Identification. At all times, you must identify the Center as a TIRE PROS Center and, in connection therewith, comply with TPF's standards and specifications for TIRE PROS Centers ("Brand Standards") as set forth in the Manual (defined below). The identification of the Center as a TIRE PROS Center will require you to undertake the work and to make the changes set forth on the Identification Work List attached to this Agreement as Schedule B ("Work List"). The items on the Work List (i) must be completed within the timeframes set forth on the Work List and (ii) are not an exhaustive list of items that must be completed to identify the Center as a TIRE PROS Center. Your failure to comply with the Work List shall be a default under this Agreement. The identification obligations under this Section 1.3 are in addition to your general obligations to follow the requirements of the System which may require changes to the Center during the term of this Agreement. As part of your obligations related to identifying the Center, if you lease or sublease the premises where the Center is located, you and your landlord must sign the De-Identification Rider attached to this Agreement as Schedule D (the "De-Identification Rider"), which will become a rider to your lease/sublease. It is your obligation to submit to TPF the fully executed De-Identification Rider within 60 days of the Effective Date.

ARTICLE 2: OPERATING SYSTEM AND PROCEDURES

2.1. Services to Franchisee.

(a) You acknowledge and agree that any duty or obligation imposed on TPF by this Agreement may be performed by a designee, employee, or agent of TPF, as TPF may direct.

(b) Your site in which to operate your Center must be approved by us. In approving your site, we look at the following criteria: the size and physical characteristics of the existing building, parking at the location, traffic patterns around the site, zoning requirements, competitive businesses located in the market, population density, household income, and the material terms of your proposed lease, if you are leasing the location. Locations for any additional Centers you wish to open require our prior written approval, which will not be unreasonably withheld. Failure to obtain location approval for initial or additional Centers could give us the right to terminate your Franchise Agreement.

(c) After you execute this Agreement, TPF will provide you with (i) access to, and use of, the confidential TIRE PROS Operations Manual available online to our franchisees, which includes our Brand Standards and a list of our approved suppliers (collectively, "Manual"); (ii) TPF's new dealer onboarding and program training course to, in part, explain TPF's marketing philosophy, product lines and warranty programs as well as general information concerning our System ("New Dealer Onboarding and Program Training"), and (iii) a New Dealer Rollout Kit.

(d) In accordance with our then-current policies, procedures and reimbursement cap identified in the Manual, we will reimburse you for certain approved expenditures you incur in connection with identifying the Center as a TIRE PROS facility according to the schedule set forth on Schedule B, including the interior displays, exterior signage and painting. Reimbursement funds are only available for the one-year period after the Effective Date and, unless TPF agrees otherwise, any unused reimbursement funds will expire at the end of such one-year period.

(e) During the term of this Agreement, TPF will provide you the following:

(i) use of the Marks in the operation of the Center.

(ii) information on tire and services warranty programs required for franchisees operating TIRE PROS Centers under the System as specified by TPF in the Manual (“Required Warranty Programs”).

(iii) copies of TPF’s point of sales materials, such as consumer information, road hazard and tire package programs.

(iv) develop and administer advertising and sales promotion programs designed to promote and enhance the collective success of all TIRE PROS Centers; and

(v) review and approve your proposed advertising copy and materials in advance of publication.

2.2. Operation of the Center. You agree to operate the Center pursuant to all of TPF’s written instructions and requirements, as set forth in the Manual, which may be amended and supplemented by TPF from time to time. You understand, acknowledge and agree that strict conformity with the System, including the Brand Standards, systems, procedures, requirements and instructions contained in this Agreement and in the Manual, is important for the System and having uniformity in products, identity, quality, appearance, facilities and service among all TIRE PROS Centers benefits the TIRE PROS brand. Any failure to adhere to the Brand Standards, requirements or instructions contained in this Agreement or in the Manual shall constitute a material breach of this Agreement.

2.3. Products and Services; Required Warranty Programs.

(a) You agree to follow any rules TPF establishes related to what you should offer, which may include offering certain products required by TPF to be offered by all TIRE PROS Centers (“Required Product Offering”). You acknowledge and agree that in order to participate in some discount or rebate incentive programs, you may be required to purchase certain minimum amounts of products.

(b) You must participate through our affiliate, ATD, in the Continental Tire the Americas GOLD Program for Continental and General brand tires and through us or ATD in at least one other manufacturer or supplier advertising/marketing program established, designed or facilitated by us (e.g., Hercules/Ironman Brands (Hercules Power Program), use any funds these manufacturers and suppliers allocate, provide or rebate to you based upon your purchases for the

Center in accordance with the terms of such advertising/marketing programs and execute any documents required by us, ATD, manufacturers and/or suppliers in order to participate in the programs (“Supplier Marketing Programs”).

(c) You agree to participate in all Required Warranty Programs and offer such Required Warranty Programs. You must strictly observe the obligations and requirements of all Required Warranty Program at all times, including (i) using the required warranty forms, (ii) having all salespeople provide at the time of the sale any required oral disclosures to customers, and (iii) making sure that the Center’s employees fully understand each warranty program and truthfully represent them to all customers of the Center. If authorized under the applicable Required Warranty Program, you may include products or services that are not included in the Required Product Offering within such Required Warranty Program so long as (1) TPF and franchisees under the System are not obligated in regard to the warranty of those items and (2) disclaimers of any obligation of TPF and other franchisees under the System are clearly communicated by your salespeople to all customers at the time of the sale.

(d) You shall comply with all of TPF’s Brand Standards relating to the purchase of all products and materials used in connection with or offered for sale at the Center. You shall obtain such products and materials from suppliers (including manufacturers, distributors and other sources) who continue to demonstrate the ability to meet TPF’s then-current Brand Standards for products and materials used in connection with or offered for sale at Centers and who possess adequate quality controls and capacity to supply your needs promptly and reliably; and who have been approved in writing by TPF prior to any purchases by you from any such supplier, which approval may be conditioned upon a written agreement from such supplier to comply with the Brand Standards in the providing of such products and services; and who have not thereafter been disapproved by TPF. If you desire to purchase or use any products or materials from an unapproved supplier, you must submit to TPF a written request for such approval, or shall request the supplier itself to do so. You shall not purchase from any supplier until and unless such supplier has been approved in writing by TPF. TPF reserves the right, at its option, to revoke its approval on the supplier’s failure to continue to meet any of TPF’s then-current criteria. Nothing in the foregoing shall be construed to require TPF to approve any particular supplier.

2.4. Confidentiality; Non-disclosure.

(a) You acknowledge and agree that the System contains trade secrets of TPF, and other information revealed to you confidentially and that you will have no right to disclose, duplicate, license, sell or reveal any portion of these trade secrets and confidential information to any person, other than your employees who need to be familiar with this information to do his or her job. You agree to sign and deliver to TPF a Non-Disclosure Agreement in the form attached hereto as Schedule C and to obtain from each of your owners, Designated Operator(s) (defined below) and each Center manager a signed copy of such Non-Disclosure Agreement. For purposes of this Agreement, your “owners” shall include all persons with any ownership interest in you or the Center.

(b) You specifically acknowledge that confidential information will include highly confidential pricing information which is important to the System as a whole and must be kept strictly confidential.

2.5. TPF Property. The Manual and all other confidential materials furnished to you hereunder will remain the property of TPF. Any hard copies of confidential materials must be returned to TPF immediately upon the expiration or termination of this Agreement for any reason.

2.6. Your Covenants. You specifically acknowledge that, under this Agreement, you will receive substantive rights as a franchisee of TPF. You also recognize that you will receive valuable specialized training, favorable program benefits and confidential information including, without limitation, information regarding the operational, sales, promotional, and marketing methods and techniques of TPF and the System. In recognition of and in consideration for these and other benefits and to protect TPF's goodwill and the confidential information of TPF, you covenant and agree to the following undertakings as an integral part of the sale of this franchise to you:

(a) You and your owners will use their personal best efforts to assure compliance at all times with this Agreement and the System.

(b) The individual(s) named below will devote his or her full time and best efforts to the operation of the Center and has full authority to act on your behalf in regard to the Center's operation: _____ ("Designated Operator(s)").

(c) During the term of this Agreement, unless TPF agrees otherwise in writing, neither you, the Designated Operator(s) nor any of your owners will, directly or indirectly, engage in or have any interest whatsoever in any Similar Business (as defined below) without the prior express written consent of TPF or do or perform, directly or indirectly, any other act which is injurious or prejudicial to the goodwill associated with the System or the value of the Marks. For this purpose, a "Similar Business" is any business which is engaged primarily in the retail sale of tires and related automotive products and services. Additionally, whether associated with the Center or through another business operated, directly or indirectly, by you, during the term of this Agreement, you may not align yourself with, enroll in or convert an existing enrollment in ATD's Supplier Marketing Programs to any competitive advertising/marketing programs offer by other manufacturers or suppliers. Nor shall you participate in any tire manufacturer marketing programs through any distributor other than ATD. Finally, you may not participate in any other competing retail tire franchise system, whether or not operated by a tire distributor.

(d) You agree that any violation of this Section 2.6 would result in irreparable injury to TPF and the System and that TPF would be without an adequate remedy at law. You therefore agree that in the event of a breach or threatened breach of this Section, TPF shall be entitled, in addition to any other remedies which it may have hereunder or at law or in equity, to a temporary restraining order and/or temporary or permanent injunction as provided in Section 10.3 without the necessity of showing actual or threatened damage.

(e) The parties agree that each of the foregoing covenants shall be construed as independent of each other and of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 2.6 is held unenforceable by an arbitrator or court having valid jurisdiction in a final decision between the parties hereto and from which no appeal has or may be taken, you expressly agree to be bound by the remaining portion of such covenant.

2.7. Approved Products and Brands; Manufacturers and Suppliers. You will at all times carry the Required Product Offering unless TPF has given you its prior written consent otherwise. All other products and brands that you carry at the Center shall be consistent with the Brand Standards detailed in the Manual and the quality of products offered by other TIRE PROS Center operating under the System. TPF and its affiliates may receive payments from manufacturers and suppliers on account of the manufacturer/suppliers' dealings with TIRE PROS Centers that operate under the System. There are certain products and/or brands, like used tires, that we may discourage, but not prohibit you from selling because we do not believe that they are representative of our brand.

2.8. Inspections; Books and Records. You agree that TPF's representatives may enter the Center's premises to inspect its condition and operation for compliance with the requirements of this Agreement and for any other reasonable purpose connected with the operation of the Center. These inspections may include the financial reports for you and the Center.

2.9. Relationship. You are an independent contractor. Nothing in this Agreement is intended to or does in fact or law make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose. This Agreement does not create a fiduciary relationship between the parties. Further, you and TPF are not and do not intend to be partners, associates, or joint employers in any way, and TPF shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Although TPF retains the right to establish and modify the System that you must follow, you retain the responsibility for the day-to-day management and operation of the Center. To the extent that the Manual or TPF's guidelines or standards contain employee-related policies or procedures that might apply to your employees, those standards, policies and procedures are provided for informational purposes only and do not represent mandatory policies and procedures to be implemented by you. You must determine to what extent, if any, these standards, policies and procedures may be applicable to your operations at the Center. You recognize that TPF neither dictates nor controls labor or employment matters for TIRE PROS franchisees and that you, and not TPF, are solely responsible for dictating the terms and conditions of employment for your employees including, but not limited to wages, training, promotions, hirings, firings, vacations, safety, work schedules, and specific tasks. We have no relationship with your employees, and you have no relationship with our employees. You shall not use the Marks (including the name TIRE PROS) or any marks similar to the Marks as part of or in association with any corporate name or name of any business entity directly or indirectly associated with you unless you obtain the prior written consent of TPF.

2.10. Indemnification. You agree to exonerate and indemnify TPF and its officers, directors, employees, agents, affiliates, successors and assigns from and against, and to reimburse any one or more of the indemnified parties hereunder for, all Losses incurred as a result of any and all claims based upon, arising out of, or in any way related to (i) the operation or condition of any part of the Center or Center's premises, (ii) the conduct of business at the Center, (iii) the ownership or possession of real or personal property, (iv) the business you conduct under this Agreement, (v) any breach by you under this Agreement, (vi) your noncompliance or alleged noncompliance with any law, ordinance, rule or regulation including, without limitation, any allegation that TPF or any indemnified party under this Section 2.10, is a joint employer or otherwise responsible for your acts or omissions relating to your employees, and (vii) any negligent act, misfeasance or nonfeasance by you or any of your owners, agents, contractors, servants or

employees, and including, without limitation, all your obligations incurred under this Agreement. For purposes of this indemnification and exoneration obligation, “Losses” include all obligations, liabilities, damages (actual, consequential, or otherwise), and reasonable defense costs that any indemnified party incurs such as, without limitation, arbitrators’, attorneys’, and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement’s expiration or termination. An indemnified party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against you under this Section 2.10. You agree that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an indemnified party may recover from you under this Section 2.10.

2.11. Ownership. Schedule A to this Agreement completely and accurately describes all of your owners and their interests in you as of the Effective Date. In addition to your obligations in Section 8, you and your owners agree to notify TPF in writing whenever there is any change in your organizational structure or if there is a proposed transfer of controlling ownership interest in you such that the ownership information presented on Schedule A would no longer be accurate. “Controlling ownership interest” for these purposes is intended to mean, whether directly or indirectly, either the ownership of, or right to control, 50% or more of the equity ownership of a legal entity or the control of power to direct or cause the direction of the entity’s management and policies. At TPF’s request, you shall provide to TPF a copy of all your governing and/or organizational documents and any amendments thereto.

2.12. Brand Standards. You must adhere strictly to the System and the mandatory and suggested Brand Standards, operating procedures, and rules that TPF periodically prescribes for operating a TIRE PROS Center. TPF specifically reserves the right and privilege, as TPF considers to be best, to vary the Brand Standards for any franchisee based upon the peculiarities of the market and any condition that TPF considers important to that franchisee’s successful operation. You have no right to require that TPF grant you a similar variation or accommodation. The Manual contains these Brand Standards, operating procedures, and rules that TPF periodically specify and TPF may modify the Manual periodically to reflect changes in the System and in such Brand Standards, operating procedures, and rules.

2.13. Taxes. You agree to promptly pay when due all taxes levied or assessed, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by you in the operation of the Center.

2.14. Repairs and Maintenance. You shall, at your sole cost and expense, maintain the Center in conformity with the Brand Standards and requirements of the System, as the same may be designated by TPF from time to time. You specifically agree to replace equipment as necessary or desirable at your cost and expense and to obtain at your cost and expense any new or additional equipment as may be reasonably required by TPF for operation of the Center or new products, services or procedures. Except as may be expressly provided in the Manual, no alterations or improvements, or changes of any kind in design, signage, or decor shall be made in, on or about the Center or on the Center’s premises without the prior written approval of TPF in each instance. You shall repair, maintain and replace all equipment, signs and other Center items at your cost.

2.15. Modernization. In order to assure the continued success of the Center, you shall, from time to time as reasonably required by TPF (taking into consideration the cost and then remaining term of this Agreement), modernize the Center's building, premises and equipment to TPF's then current Brand Standards. Your obligations under this Section are in addition to, and shall not relieve you from, any of your other obligations under this Agreement, including those contained in the Manual.

2.16. Computer. You agree to purchase a computer system and/or point of sale system that meets any specifications that TPF may establish, as set forth in the Manual, including such software, peripheral devices and equipment as TPF may specify in the Manual, or otherwise in writing, as reasonably necessary for the efficient management and operation of the Center and the transmission of data to and from TPF (the "Computer System"). TPF may require you to establish and maintain internet and/or web access for the Computer System as specified in the Manual through service providers. At TPF's request, you agree to obtain such upgrades, or other modifications to the Computer System and software to conform to TPF's specifications.

2.17. Non-Cash Payment Systems. You must comply with TPF's standards for processing credit cards, debit cards and other electronic payments and any costs to do so are at your expense. You agree to abide by: (a) the Payment Card Industry Data Security Standards ("PCIDSS") enacted by the applicable Card Associations (as they may be modified from time to time or as successor standards are adopted); (b) the Fair and Accurate Credit Transactions Act ("FACTA"); and (c) all other standards, laws, rules, regulations or any equivalent thereof applicable to electronic payments that may be published from time to time by payment card companies and applicable to electronic payments ("Electronic Payment Requirements"). If required by TPF or by one of the credit card companies, you shall provide TPF with evidence of compliance with PCIDSS, FACTA, or applicable Electronic Payment Requirements and provide, or make available, to TPF copies of an audit, scanning results or related documentation relating to such compliance. Any costs associated with an audit or to gain compliance with PCIDSS, FACTA or any Electronic Payment Requirements shall be borne by you. If you know or suspect a security breach, you must immediately notify TPF. You will promptly identify and remediate the source of any compromise or security breach. You assume all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transaction concerning customers of the Center. Unless precluded by the Tire Pros then-current credit card provider, you must accept at the Center the Tire Pros private label credit card.

ARTICLE 3: TRAINING

3.1. Initial Training. Within 90 days of commencing operation of your Center, both (i) the Designated Operator(s) and (ii) you (or an owner of yours if you are a legal entity) or a manager for the Center must attend and complete the New Dealer Onboarding and Program Training to TPF's reasonable satisfaction. Until the New Dealer Onboarding and Program Training has been successfully completed by all required individuals, certain elements of the System may not be available to you as determined solely by TPF. If you fail to successfully complete the New Dealer Onboarding and Program Training, TPF may terminate this Agreement upon written notice to you.

3.2. Continuing Training. Both (i) the Designated Operator(s) and (ii) you (or an owner of yours if you are a legal entity) or a manager for the Center will, as reasonably required by TPF,

personally attend and complete satisfactorily refresher training courses in TIRE PROS Center operations and any training sessions held for the purpose of introducing new products or procedures that may be required by TPF. You shall be responsible for the compliances of the Center's operations with the Brand Standards, methods, techniques and material taught at TPF's courses and sessions and will cause the Center's employees to be trained in those Brand Standards, methods and techniques that are relevant to the performance of their respective duties. You must attend all TIRE PROS National Dealer meetings and conferences unless TPF excuses your absence.

3.3. Fees; Expenses. TPF will not charge a fee for the initial New Dealer Onboarding and Program Training (which is available to all Center employees) If an additional New Dealer Onboarding and Program Training is required, TPF may charge for such courses. You will be responsible for any incidental expenses in connection with the New Dealer Onboarding and Program Training. If we conduct the New Dealer Onboarding and Program Training at any other facility other than your Center, it will be at a facility located within the city of your Center location to avoid the expenses of airline travel, lodging and meals to attend the New Dealer Onboarding and Program Training. For all training courses and sessions other than the New Dealer Onboarding and Program Training, you are responsible for the costs of attendance for you, your owner and/or manager, including travel, lodging, meals and other related and incidental expenses, and you may be required to pay for your share of course materials and related training costs.

3.4. Optional Advice and Guidance. At your request, TPF may from time to time offer advice and guidance related to your operation of the Center and such advice and guidance is optional. Notwithstanding the previous sentence, you must adhere strictly to the System and the mandatory and suggested Brand Standards, operating procedures, and rules that TPF periodically prescribes for operating a TIRE PROS Center which shall not be optional advice and guidance from TPF. Any such optional advice and guidance given by TPF is based solely on experience with other TIRE PROS Centers operating under the System and not based on the individual circumstance of your Center. If you choose to take any optional advice and guidance, TPF provides no representations, warranties or guarantees related to such optional advice and guidance and TPF shall have no liability associated with providing any optional advice and guidance.

ARTICLE 4: INSURANCE

4.1. Mandatory Insurance.

(a) You must obtain and maintain in full force and effect during the entire term hereof, at your sole cost and expense, an insurance policy or policies required by the Manual protecting you and TPF and TPF's affiliates against any and all loss, liability or occurrence, arising out of or in connection with the condition, operation, use or occupancy of the Center or Center's premises as well as any vehicles used in connection with the Center. In all such policies (except workers' compensation policies), (i) TPF and its affiliates must be named as an additional insured for liability arising out of or in connection with the condition, operation, use or occupancy of the Center or the Center's premises including, without limitation, any policies covering owned, non-owned and hired vehicles (ii) the policies must be written by a responsible insurance company or companies satisfactory to TPF, and (iii) the policies must be in such form and contain such minimum coverage as specified by TPF from time to time in the Manual. These policies must

include workers' compensation insurance as required by applicable laws and commercial general liability and property damage insurance, including garage keepers' coverage for products, premises and injury.

(b) You must insure your operations of the Center, the Center building and other improvements, equipment, furnishings, and other fixtures and any additions thereto in accordance with the requirements in the Manual. You must, on January 1 of each year during the term of this Agreement and at other times upon TPF's request, provide evidence of such insurance to TPF.

4.2. Certificates. Before commencing operating the Center as a TIRE PROS Center, you must deliver to TPF Certificates of Insurance showing compliance with the requirements of Section 4.1. These certificates must state that the policy or policies shall not be canceled or altered without at least 30 days' prior written notice to TPF. Maintenance of insurance under this Section 4 shall not relieve you of any liability under the indemnity provisions of this Agreement or limit such liability.

ARTICLE 5: ADVERTISING; TRADEMARKS

5.1. Advertising and Promotion Programs. TPF will develop and administer advertising and sales promotion programs designed to promote and enhance the collective success of all TIRE PROS Centers ("System Promotion Programs"). You agree that TPF has the right to make the final decision regarding System Promotion Programs, including, without limitation, type, quantity, timing, placement and choice of media, market areas and advertising agencies. You agree to participate actively in all System Promotion Programs designated by TPF as part of the ad plan TPF establishes for the Center ("Ad Plan") and you must participate in fully and completely the System Promotions Programs adapted by TPF for the Center in accordance with the Ad Plan. You must (i) participate in all manufacturer or supplier advertising/marketing programs Supplier Marketing Programs established or designated by TPF, (ii) use funds such manufacturers or suppliers allocate, provide or rebate to you based on your purchases for the Center in accordance with the terms of the Supplier Marketing Programs, and (iii) execute any documents required by TPF and/or the manufacturer or supplier to participate in the Supplier Marketing Programs. Supplier Marketing Programs may require you to make certain purchases from certain sources TPF designates. In addition to the System Promotion Programs and Supplier Marketing Programs, you must participate in any other regional and national promotional programs developed by TPF for the System from time to time, in the manner directed by TPF in the Manuals or otherwise in writing ("Supplemental Programs").

5.2. Funding of System Promotion Programs for the Center. You agree to fund at least the minimum monthly required contribution in order to ensure you can comply with your Ad Plan described above in Section 5.1. The amount of the monthly marketing fee will be decided by mutual agreement between you and us, with a minimum of \$250 to \$2,000 or more, as agreed among the parties. The purpose of the monthly marketing fee is to cover your cost of System Promotion Programs for the Center. You agree to pay the monthly marketing fees to TPF in accordance with Section 6.2.

5.3. National Advertising Fund. We have established, and (subject to this Section 5.3) will administer and control, a marketing fund (the “National Advertising Fund”) for the advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs and materials for all or a group of TIRE PROS Centers that we deem appropriate. You agree to contribute to the National Advertising Fund each month as set forth in Section 6.2 below. The National Advertising Fund contribution is \$200.00 per month per Center for the initial 12-month period of your initial franchise agreement for this Center and is subject to annual increase thereafter of no more than \$100.00/month, with a maximum monthly National Advertising Fund contribution of \$500.00. These escalations and the limits thereon shall apply to the Franchisee for all renewals of its TIRE PROS franchise relationship, notwithstanding any language to the contrary in Franchisee’s renewal form of the Franchise Agreement provided to it at the time of its renewal.

TPF, with guidance of the National Dealer Council, will designate and direct all programs that the National Advertising Fund finances, with oversight and authority over the creative and business concept developments, materials and endorsements used and their geographic, market and media placement and allocation. The National Advertising Fund may be utilized for any advertising, promotion, marketing and brand-related activities, including preparing, producing and placing video, audio and written materials and electronic media; developing, maintaining and administering one or more System Websites, other online presence, and digital media; creating and administering national, regional, multi-regional and local marketing, advertising including in-home and out-of-home promotional advertising, and including purchasing trade journal, direct mail, digital (e.g. internet, social media and mobile) and other digital and traditional media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public and customer relations, market research, and other advertising, promotion, marketing and brand-related activities. The National Advertising Fund also may reimburse TIRE PROS Center operators for expenditures consistent with the National Advertising Fund’s purposes that we periodically specify.

TPF will account for the National Advertising Fund separately from its other funds and not use the Advertising Fund to pay any of its general operating expenses, except to compensate it and its affiliates for the reasonable salaries, administrative costs, travel expenses, overhead and other costs it and they incur in connection with activities performed for the National Advertising Fund and its programs, including conducting market research, travel and lodging, preparing advertising, promotion and marketing materials (including shipping costs), implementing social responsibility initiatives, maintaining and administering the System Websites and other forms of online presence, collecting and accounting for National Advertising Fund contributions, and paying taxes on contributions. The National Advertising Fund is not a trust, and we do not owe you fiduciary obligations because of our maintaining, directing or administering the National Advertising Fund or any other reason. In any fiscal year, the National Advertising Fund may be utilized above or below the total National Advertising Fund contributions in that year, borrow from TPF or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. TPF will use all interest earned on National Advertising Fund contributions to pay costs before using the National Advertising Fund’s other assets. TPF will prepare an annual, unaudited statement of National Advertising Fund collections and expenses and give you the statement upon written request. TPF may incorporate the Advertising Fund or operate it through a separate entity whenever it deems appropriate. The successor entity will have all of the rights and duties specified in this Section 5.3.

TPF intends to utilize the National Advertising Fund to maximize recognition of the Marks, brand, TIRE PROS Centers' products and services and patronage of TIRE PROS Centers. Although TPF will try to use the National Advertising Fund to develop and/or implement advertising and marketing materials and programs and for other uses (consistent with this Section 5.3) that will benefit all contributing TIRE PROS Centers, TPF need not ensure that National Advertising Fund expenditures in or affecting any geographic area are proportionate or equivalent to the National Advertising Fund contributions from TIRE PROS Centers operating in that geographic area, or that any TIRE PROS Center benefits directly or in proportion to the National Advertising Fund contributions that it makes. TPF has the right, but no obligation, to use collection agents and institute legal proceedings at the National Advertising Fund's expense to collect National Advertising Fund contributions. TPF also may forgive, waive, settle and compromise all claims by or against the National Advertising Fund. Except as expressly provided in this Section 5.3, TPF assumes no direct or indirect liability or obligation to you for maintaining, directing or administering the National Advertising Fund.

TPF may at any time defer or reduce a TIRE PROS Center's franchisee's contributions to the National Advertising Fund and, upon at least 30 days' written notice to you, reduce or suspend National Advertising Fund contributions and/or operations for one or more periods of any length and terminate (and, if terminated, reinstate) the National Advertising Fund. If TPF terminates the National Advertising Fund, TPF will (at its option) either spend the remaining National Advertising Fund assets in accordance with this Section 5.3 or distribute the unspent assets to TIRE PROS Center operators then contributing to the National Advertising Fund in proportion to their contributions during the preceding twelve (12)-month period.

5.4. Marketing Council. TPF may establish a Marketing Council for the Center's market area ("Marketing Council") whose members will be representatives of TPF and TIRE PROS franchisees selected by TPF who are actively involved and interested in System Promotion Programs. The members selected for the Marketing Council shall be at TPF's discretion, and TPF may change such members on a rotating or other basis. The Marketing Council will meet from time to time in order to consult with and advise TPF in regard to System Promotion Programs. However, you acknowledge and agree that TPF will make the final decision in regard to all System Promotions Programs. You must abide by TPF's determination of the System Promotion Programs that you and the System must follow, and you must fully participate in the System Promotion Programs.

5.5. Advertising Cooperatives.

We currently do not have any local or regional advertising cooperatives.

5.6. Approval of Advertising and Websites.

(a) You must use the Marks in all advertising and promotions for the Center (including advertising through print, radio, television, and electronic media). In order to protect its Marks, all advertising copy and other materials must strictly conform to TPF's Brand Standards, formats and specimens. If you want to depart from these requirements, you must submit the proposed advertising copy and materials to TPF for approval in advance of publication and use only the approved advertising copy and materials. Your advertising must never contain any

statement or material which may be considered (a) in bad taste or offensive to the public or to any group of persons; or (b) defamatory of any person or an attack on any competitor.

(b) TPF may operate an Internet website for the System (“System Website”) to promote and advertise the System. TPF will have the exclusive right to modify, enhance, suspend or discontinue the System Website and all features of the System Website (including the domain name, features, procedures, links, content and format) will be determined by TPF, in its sole discretion. At TPF’s option, TPF may permit you to either have a website for your Center (“Center Website”) or make available to you a sub-page on the System Website that will be located at a sub-domain of the System Website to be specified by TPF (“Subpage”). Any Center Website or Subpage must (i) be approved by TPF, (ii) not reference any other business other than the Center unless approved by TPF, and (iii) be in the format of TPF’s template for Center Websites or Subpages as specified by TPF in any guidelines, directives or specification in the Manual. Once the initial content of any Center Website or Subpage has been approved by TPF, you must submit any changes to the content to TPF for TPF’s prior written approval. TPF will permit you to upload content onto the Center Website or Subpage solely to promote and promote the Center and provide prospective customers with information related to the Center. Except as provided in this Section, you may not develop, maintain, or authorize any website that mentions or describes you or the Center or that displays any of the Marks. Upon termination or expiration of this Agreement, you must immediately and permanently remove any and all content related to TPF, the System and the Center operating as a TIRE PROS from any authorized Center Website. Upon the termination or expiration of this Agreement for any reason or your default under this Agreement for any reason, your right to upload content onto, or otherwise use, the Subpage shall immediately cease and TPF may cease to make the Subpage available to you.

(c) You must comply with the rules and procedures developed by us for the System, in the manner directed by us in the Manuals or otherwise, with regard to our authorization to use, and use of, blogs, common social networks (including “Facebook”), professional networks (including “LinkedIn”), live blogging tools (including “X f/k/a Twitter”), virtual worlds, file, audio and video sharing sites and other similar social networking media or tools, applications, keyword or adword purchasing programs, accounts with websites featuring gift certificates or discounted coupons (such as Groupon, Living Social, etc.), mobile applications, or other means of digital advertising on the Internet or any electronic communications network (collectively, “Digital Marketing”) that are intended to promote or that in any way references the Marks, or involves the System. We have the sole right to control all aspects of any Digital Marketing, including those related to our Marks and franchise. Unless we consent otherwise in writing, you may not, directly or indirectly, conduct or be involved in any Digital Marketing that use the Marks.

5.7. The Marks.

(a) TPF represents with respect to the Marks that TPF has the right to use, and to license others to use, the Marks. You expressly understand and acknowledge that TPF and/or its affiliates (or licensor) are the owners of all right, title, and interest in and to the Marks and the goodwill associated with and symbolized by them, and TPF has the right to use, and license others to use, the Marks (both within and outside the Center’s trading area). The franchise granted to you under this Agreement to use the Marks is nonexclusive and TPF, in its sole and absolute discretion, has the right to (i) grant other licenses in and to the Marks (in addition to those licenses already

granted) both within and outside the Center's trading area, and (ii) develop and license other names and marks on any such terms and conditions as TPF deems appropriate. During the term of this Agreement and after its expiration or termination, you agree not to directly or indirectly contest the validity of, or TPF's ownership of, or right to use and license others to use, the Marks. Nothing in this Agreement shall be considered as vesting in you any right, title or interest in or to the Marks or the goodwill associated with the Marks.

(b) You agree to use the Marks only in accordance with the requirements of TPF regarding usage of the Marks. You must obtain any fictitious or assumed name registrations required under applicable law.

(c) TPF has the right at any time and from time to time upon notice to you to make changes in the Marks, or any of them, all of which changes shall be as effective as if they were incorporated in this Agreement. All such additions, deletions and changes shall be made in good faith, on a reasonable basis and with a view toward the overall best interest of the System. TPF will protect and preserve the integrity and validity of the Marks by taking the actions deemed by TPF in its discretion to be appropriate in the event of any apparent infringement of the Marks.

(d) You must notify TPF promptly of any claims or charges of trademark infringement against TPF or you, as well as any information you may have of any suspected infringement of the Marks. You will take no action with regard to such matters without the prior written approval of TPF and shall cooperate in a manner expressly directed by TPF.

ARTICLE 6: FEES

6.1. Fees. You agree to pay TPF:

(a) An initial franchise fee ("Initial Franchise Fee") of \$7,000 if this is your first TIRE PROS franchise (or \$2,000 if you already own a TIRE PROS franchise). If you are a United States military veteran who received an honorable discharge, we will discount the Initial Franchise Fee by 50% (\$3,500 if this is your first TIRE PROS franchise or \$1,000 if you already own a TIRE PROS franchise). The Initial Franchise Fee is not refundable under any circumstance.

(b) A monthly franchise fee ("Monthly Franchise Fee"), the initial amount of which shall be \$695 each month, as payment for your continuing right to use the System and Marks. If you operate multiple Centers, we will reduce the monthly Franchise Fee for all your Centers to (i) \$525 for the first Center through the ninth Center you own and operate (ii) \$450 for the first Center through the nineteenth Center and (ii) \$395 for the first Center through the twentieth Center and any additional Centers you own and operate after the twentieth Center. You agree that TPF at its sole discretion may increase the Monthly Franchise Fee at any time during the term of this Agreement up to a maximum monthly amount of \$1,000. You agree that all fees due under Section 6 of this Agreement are not refundable under any circumstances except for errors. TPF agrees to waive the payment of the Monthly Franchise Fee for the first month in the term of this Agreement.

6.2. Payment of Monthly Fees. The monthly marketing fee and National Advertising Fund contribution referred to in Sections 5.2 and 5.3 above are billed in arrears and must be paid by you and received by TPF on or before the 10th day of each calendar month. The Monthly

Franchise Fee referred to in Section 6.1(b) is billed in arrears and must be paid by you and received by TPF on or before the 10th day of each calendar month. You agree that TIME IS OF THE ESSENCE regarding payment of the fees and contributions due under Section 6 of this Agreement. You agree to pay all fees and contributions due under this Agreement either by timely mailing or delivering a check, or if requested by TPF, by electronic fund transfer (“EFT”) of funds from your designated bank account. On execution of this Agreement and at any time thereafter at TPS’s request, you must execute such documents or forms as TPF deems necessary for it to process EFTs from your designated bank account for the payments due hereunder. Should any EFT not be honored by your bank for any reason, you shall be responsible for that payment plus a service charge applied by TPF and the bank, if any. You shall at all times maintain in the designated bank account funds sufficient to pay all monthly fees and contributions when due.

6.3. Late Fees. Fees due under Sections 5.2, 5.3 and 6 which are not paid when due will bear interest from and after their respective due dates at the rate of 18% per annum or the highest rate permitted by law, whichever is less. Any late payment of fees due under Sections 5.2 and 6 shall be accompanied by a late payment administrative charge of \$25.

ARTICLE 7: RECORDS AND REPORTS

7.1. Business Records. TPF may provide you with TIRE PROS Center record keeping forms and you shall employ such forms, at your option, in connection with the business of the Center. As requested by TPF or as designated in the Manual, you must complete and submit to TPF the following information related to the Center on a regular basis:

(a) Profit and Loss Statements from time to time as requested by TPF; and

(b) Annual Reports, on or before 90 days following the end of your fiscal or calendar year, including a balance sheet dated as of the end of your fiscal year or calendar year and a profit and loss statement for such year, together with such additional financial information as TPF may reasonably request, all prepared in accordance with generally accepted accounting principles.

7.2. Business Reports. You agree to complete and submit to TPF a monthly benchmarking report (the “Monthly Benchmarking Report”) if these reports are required. You agree to submit the Monthly Benchmarking Report to TPF by email in a format designated by TPF. The Monthly Benchmarking Report will include the Center’s (i) payroll, sales and services information, and (ii) other operational data specified in the Manual. Additionally, we require you to provide your sales data so that we may facilitate participation in retail benchmarking and to earn, compute, allocate and/or collect rebates or incentives TPF may offer based upon sellout data or other criteria established by TPF. In addition to the foregoing all sales data that we receive from the Guru platforms may be used to calculate ATD’s share of account for rebate associated payments. Beyond the purposes set forth in this Agreement we will not use PII or consumer information and or sales data for any other purpose. In order to assist you with providing us with this information we recommend that you use the Tire Guru System.

ARTICLE 8: SALE AND ASSIGNMENT

8.1. Personal Contract. You agree that a material part of the consideration for TPF's entering into this Agreement is the personal confidence vested in you, and no person or legal entity shall succeed to any of your rights under this Agreement through any voluntary or involuntary proceeding in bankruptcy, receivership, attachment, execution, assignment for the benefit of creditors or other legal process.

8.2. Written Consent. Your rights and interests under this Agreement and any ownership interests in you if you are a legal entity shall not be subject to sale, assignment, transfer or encumbrance (all of which are hereinafter included within the term "transfer") in whole or in part in any manner whatsoever without the prior express written consent of TPF. TPF will not unreasonably withhold its consent. In considering a request for transfer, TPF will consider, among other things, the qualifications, apparent ability, financial condition and credit standing of the proposed transferee as if he or she were a prospective direct purchaser of a franchise from TPF. TPF may require as a condition precedent to the granting of its consent related to any transfer that (i) there shall be no existing default in your obligations under this Agreement or any other agreement with TPF and the Center shall be in condition and appearance satisfactory to TPF and meet TPF's then-current Brand Standards for new TIRE PROS Centers; (ii) you shall have settled all outstanding accounts with TPF and its affiliates; (iii) you shall have paid TPF the then-current transfer fee as set by TPF but not greater than \$2,000; (iv) you and the transferee shall sign such documentation required by TPF in connection with the transfer (which may include having the transferee sign a new franchise agreement and you and/or transferor signing our form of general release) and (v) TPF may terminate the Franchise upon 30 days prior notice during the next 3 years if the purchaser does not maintain or exceed the Center's monthly sales and purchases as compared to the same months of the last 12 months before the transfer. Neither this Agreement, any of the rights granted to you hereunder nor any ownership interests in the purchaser shall be retained by the transferor as security for the payment of any obligation that may arise by reason of any such transfer.

8.3. Death and Disability.

(a) In the event of the death or legal incapacity of you or any owner if you are a legal entity, such person's executor, administrator, conservator, guardian, or other personal representative ("legal representative") must immediately notify TPF of the death or disability and within 30 days after such notice further notify TPF of a proposed successor to the individual's interests in this Agreement or you if you are a legal entity (the "Successor"). If TPF approves the Successor, he or she will replace the decedent or incapacitated person, and such transfer must be completed within 2 months of such approval. A failure to transfer an interest as required under this Section will be a default under this Agreement.

(b) If TPF does not approve the Successor, the legal representative will use his or her best efforts within the 6 months from the date of written notice from TPF to sell the individual's interests in this Agreement to a bona fide purchaser in accordance with and subject to all of the provisions of this Section 8. If by the end of such six-month period, a transfer of such interest or stock has not been made in a transaction which meets the requirements of this Section 8, this Agreement may be terminated by you or TPF.

8.4. Transfer or Assumption by TPF. TPF has the right to transfer or assign its rights, interest and obligations under this Agreement to any person or entity and TPF's interest will bind and inure to the benefit of any transferee, successor or assignee. After TPF's transfer or assignment of this Agreement to a person or entity who expressly assumes the obligations under this Agreement, TPF will have no further obligation under this Agreement. You further agree and affirm that TPF may sell itself, its assets, the Marks and/or the System to a third-party; may go public, may engage in private placement of some or all of its securities; may merge, acquire other corporations or be acquired by another corporation; and/or may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. You further agree and affirm that TPF has the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or noncompetitive franchise network, chain or any other business regardless of the location of that chain's or business' facilities, and to operate or franchise those businesses as TIRE PROS Centers operating under the Marks or any other marks following TPF's purchase, merger, acquisition or affiliation, regardless of the location of these facilities, which you acknowledge may be proximate to any TIRE PROS Center. With regard to any of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of TPF's name, the Marks (or any variation thereof) and the System and/or the loss of association with or identification of TPF under this Agreement.

8.5. Our Right of First Opportunity to Purchase your Center. At any time during the term of this Agreement including the 30 day notice period before the effective date of termination of this Agreement set forth in Section 9.2, if you are considering the sale or transfer of your Center (including your interest in this Agreement) to a third party, before offering to sell your Center to such third party you must send us an offer in writing ("Offer Notice") containing the exact terms and conditions on which you are willing to transfer your Center and the right to use your Center's current location. The offer shall also include (a) financial statements of your Center and (b) an accurate copy of your then current lease for the Premises of your Center or your terms for sale of the underlying real estate if applicable. Upon receipt of the Offer Notice, we will have the option, exercisable by notice delivered to you within 30 business days thereafter, to either (i) notify you that we have found a suitable purchaser that is acceptable to us ("Proposed Purchaser") that desires to purchase your Center for the price and terms contained in the Offer Notice ("Offer Acceptance Notice") or (ii) make a counteroffer ("Counteroffer Notice") for a Proposed Purchaser to purchase your Center containing the exact terms and conditions on which the Proposed Purchaser is willing to purchase your Center. Any Proposed Purchaser will have the right to investigate and analyze the business, assets and liabilities and all other matters it deems necessary or desirable in order to make an informed investment decision with respect to the fairness of the terms described in the Offer Notice. Such Proposed Purchaser may conduct such investigation and analysis in any manner it deems reasonably appropriate, and you and your owners agree to provide them with all information requested and to cooperate fully with them in connection therewith.

If we deliver an Offer Acceptance Notice, both you and we will use good faith efforts to cause a purchase agreement between the Proposed Purchaser and you and/or your owners reasonably satisfactory to both parties, containing such agreements, representations, warranties, covenants, indemnities and customer warranty reserve funds, and requiring such documents at closing, as is reasonably necessary to protect each party's interests. The closing shall occur not more than 90 days (or such longer period as the parties may mutually agree) after the date of the Offer

Acceptance Notice, unless the closing is delayed for reasons beyond either party's reasonable control.

If we deliver a Counteroffer Notice, you will have the option, exercisable by notice delivered to us within 10 business days thereafter, to accept the counteroffer (the "Counteroffer Acceptance Notice"). If you deliver a Counteroffer Acceptance Notice, both you and we will use good faith efforts to cause a purchase agreement between the Proposed Purchaser and you and/or your owners reasonably satisfactory to both parties, containing such agreements, representations, warranties, covenants, indemnities and customer warranty reserve funds, and requiring such documents at closing, as is reasonably necessary to protect each party's interests. The closing shall occur not more than 90 days (or such longer period as the parties may mutually agree) after the date of the Counteroffer Acceptance Notice, unless the closing is delayed for reasons beyond either party's reasonable control.

If we do not deliver an Offer Acceptance Notice or you do not deliver a Counteroffer Acceptance Notice, each as provided above, you and/or your owners may solicit offers to transfer your Center (and your interests in this Agreement) from other parties on terms acceptable to you and complete the sale, subject to our approval of the transfer as provided in Section 8.2 of this Agreement.

ARTICLE 9: EXPIRATION AND TERMINATION

9.1. Immediate Termination. TPF will have the right to terminate this Agreement immediately upon written notice to you:

(a) in the event of any breach or default under Sections 2.4 (Confidentiality; Non-disclosure), 2.6 (Your Covenants), 2.8 (Inspection), 3.1 (Initial Training), 4 (Insurance), 8.2 (Written Consent), or 10.2 (Compliance with Laws).

(b) if a petition in bankruptcy, an arrangement for the benefit of creditors, a petition for reorganization is filed by or against you, or if you shall make any assignment for the benefit of creditors, or if a receiver or trustee is appointed for the Center, unless such condition or conditions are remedied to the satisfaction of TPF within 20 days.

(c) if you for any reason lose your right to possession of the Center's premises.

(d) if TPF discovers that you have made any material misrepresentation or omitted any material fact in the information furnished by you in connection with the grant of this franchise; or

(e) if you are (or any owners is, if you are a legal entity) are convicted of any felony or any crime involving moral turpitude.

9.2. Termination After Notice. This Agreement will terminate without further notice if within 10 days after written notice to you if you have failed to pay when due any amounts owed TPF hereunder or are delinquent in payment to any of your suppliers (including TPF's affiliates). This Agreement will terminate without further notice if within 30 days after written notice to you of your default in performing or observing of any of the material obligations hereunder or under any other TIRE PROS franchise agreement in which you or anyone holding an interest in you also

has an interest. A repetition within a 1- year period of any default shall justify TPF in terminating this Agreement upon written notice to you without allowance for any curative period. If for reasons beyond your control a default cannot be cured within 30 days, you shall have a reasonable time to cure such default after written notice has been given. The provisions of Sections 9.1 and 9.2 are subject to the provisions of any local statutes or regulations which may prohibit TPF from terminating this agreement without good cause or without giving you additional written notice of termination and opportunity to cure any default.

9.3. Requirements Upon Termination. Upon the expiration or earlier termination of this Agreement for any reason, you agree to:

(a) except as set forth in Section 9.3(b), immediately discontinue the use of the System and Marks, which includes but is not limited to advertisements (e.g. radio, television, print, etc.), internet web sites, social media pages such as Facebook, X, etc., point of sale materials (e.g. displays, banners, posters, etc.), and other ancillary items (e.g. invoices, business cards, uniforms, etc.) used in the operation of the Center.

(b) within 90 days of the expiration or termination of your TIRE PROS franchise, regardless if the Center's premises are owned by you or leased from a third party, remove the Marks from all buildings, signs, fixtures and furnishings, and alter and paint all buildings and other improvements maintained pursuant to this Agreement a design and color which is different from TPF's authorized building design and painting scheme. In addition to and without limiting the generality of the foregoing, you agree to make the following building alterations wherever such building contains the items referred to:

(i) All interior and exterior signs or sign inserts bearing the Marks must be permanently removed to TPF's satisfaction.

(ii) If requested by TPF, the colors of the Center must be changed by repainting or otherwise to remove the current or past color themes for the System.

(c) not thereafter use Marks or any other trademark, trade name, service mark, logo, insignia, slogan, emblem, symbol, design or other identifying characteristic that is in any way associated with TPF or similar to those associated with TPF, or operate or do business under any name or in any manner that might tend to give the public the impression that you are or were a franchisee of, or otherwise associated with, TPF and/or the System;

(d) immediately return all copies of the Manual to TPF with a written certificate stating that there has been no unauthorized copying or disclosure of the Manual or any part of its contents; and

(e) immediately pay to us, or on any later date that the amounts due are determined as set forth in the reconciliation of such amounts that we will provide to you, all amounts owed to us or our affiliates under this Agreement including unpaid Monthly Franchise Fees, National Advertising Fund contributions and other damages arising from this Agreement's termination, including, without limitations, lost profits. These amounts do not include the Failure to De-Identify Fee set forth below if you do not timely complete the de-identification of your Center to our satisfaction.

(f) immediately undertake to de-identify your Center in accordance sub sections (a)-(d) of this section 9.3. If you have not undertaken the de-identification of your Center within 90 days from the date of termination or expiration then we may enter on the Center's premises, or may arrange for a third party to do so, to de-identify your business, including the removal of any signs or items bearing the Marks, and you must reimburse us for the cost of such removal, and such self-help remedy shall not be considered as trespassing on your Center's premises. Moreover, if such de-identification is not completed on or before 90 days from the date of termination or expiration for any reason, then you are required to pay us a failure to de-identify fee of \$695 per month until de-identification is completed to our satisfaction ("Failure to De-Identify Fee").

ARTICLE 10: MISCELLANEOUS

10.1. Governing Law. ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE, AND ALL CLAIMS ARISING FROM THE RELATIONSHIP BETWEEN TPF AND YOU WILL BE GOVERNED BY THE LAWS OF THE STATE OF NORTH CAROLINA, WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES, EXCEPT THAT ANY NORTH CAROLINA LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP OF A FRANCHISOR AND ITS FRANCHISEE WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION.

10.2. Compliance with Laws.

(a) You must at your own cost and expense, promptly comply with all laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governments and appropriate departments, commissions, boards, and offices thereof. Without limiting the generality of the foregoing, you shall abide by all applicable rules and regulations of any Bureau of Automotive Repair or similar consumer protection agency in the state where the Center is located. You must, at your own cost and expense, obtain all required building, utility, sign, health, sanitation, business and other permits and licenses required to operate the Center. You must comply with all laws and regulations relating to privacy and data protection and must comply with any privacy policies or data protection and breach response policies we may periodically publish. You must notify us immediately of any suspected data breach at or in connection with the Center.

(b) You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your owners otherwise are not in violation of, any of the Anti- Terrorism Laws. "Anti-Terrorism Laws" mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other

requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you or your owners, or any blocking of your or your owners' assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement, as provided in Section 9.1(a) above.

10.3. Arbitration. TPF and you agree that all controversies, disputes, or claims between TPF and TPF's affiliates, and TPF's and their respective Equity holders, officers, directors, agents, and/or employees, and you (and/or your owners, affiliates, and/or employees) arising out of or related to:

(a) THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN YOU AND TPF.

(b) TPF'S RELATIONSHIP WITH YOU.

(c) THE SCOPE AND VALIDITY OF THIS AGREEMENT OR ANY OTHER AGREEMENT BETWEEN YOU AND TPF OR ANY PROVISION OF SUCH AGREEMENTS (INCLUDING, BUT NOT LIMITED TO, THE VALIDITY AND SCOPE OF THE ARBITRATION OBLIGATIONS UNDER THIS SECTION, WHICH THE PARTIES ACKNOWLEDGE IS TO BE DETERMINED BY AN ARBITRATOR AND NOT A COURT), OR

(d) ANY BRAND STANDARDS FOR THE SYSTEM.

MUST BE SUBMITTED FOR BINDING ARBITRATION, ON DEMAND OF EITHER PARTY, TO THE AMERICAN ARBITRATION ASSOCIATION. THE ARBITRATION PROCEEDINGS WILL BE CONDUCTED BY ONE ARBITRATOR AND, EXCEPT AS THIS SECTION OTHERWISE PROVIDES, ACCORDING TO THE THEN CURRENT COMMERCIAL ARBITRATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION. ALL PROCEEDINGS WILL BE CONDUCTED AT A SUITABLE LOCATION CHOSEN BY THE ARBITRATOR IN NORTH CAROLINA. THE ARBITRATOR SHALL HAVE NO AUTHORITY TO SELECT A DIFFERENT LOCALE FOR THE ARBITRATION. THE ARBITRATOR SHALL HAVE THE POWER TO RULE ON HIS OR HER OWN JURISDICTION, INCLUDING BUT NOT LIMITED TO THE ISSUE OF JURISDICTION OVER NON-SIGNATORIES TO THIS AGREEMENT. ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). JUDGMENT UPON THE ARBITRATOR'S AWARD MAY BE ENTERED IN ANY COURT OF COMPETENT JURISDICTION.

THE PARTIES INITIALLY SHALL SHARE EQUALLY ALL FEES AND COSTS OF THE ARBITRATOR IN ANY ARBITRATION PROCEEDING CONDUCTED PURSUANT TO SECTION 10.3 OF THIS AGREEMENT, BUT AT THE CONCLUSION OF SUCH ARBITRATION PROCEEDING, THE PREVAILING PARTY SHALL BE ENTITLED TO BE REIMBURSED BY THE LOSING PARTY FOR ALL SUCH FEES AND COSTS.

THE ARBITRATOR HAS THE RIGHT TO AWARD OR INCLUDE IN HIS OR HER AWARD ANY RELIEF WHICH HE OR SHE DEEMS PROPER INCLUDING, BUT NOT LIMITED TO, MONEY DAMAGES (WITH INTEREST ON UNPAID AMOUNTS FROM THE DATE DUE),

SPECIFIC PERFORMANCE, INJUNCTIVE RELIEF, AND ATTORNEYS' FEES AND COSTS, TO THE PREVAILING PARTY PROVIDED THAT THE ARBITRATOR MAY NOT DECLARE ANY MARK GENERIC OR OTHERWISE INVALID OR, EXCEPT AS EXPRESSLY PROVIDED IN SECTION 10.5 BELOW, AWARD ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST EITHER PARTY (YOU AND TPF HEREBY WAIVING TO THE FULLEST EXTENT PERMITTED BY LAW, EXCEPT AS EXPRESSLY PROVIDED IN SECTION 10.5 BELOW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER).

YOU AND TPF AGREE TO BE BOUND BY THE PROVISIONS OF ANY LIMITATION ON THE PERIOD OF TIME IN WHICH CLAIMS MUST BE BROUGHT UNDER APPLICABLE LAW OR THIS AGREEMENT, WHICHEVER EXPIRES EARLIER. YOU AND TPF FURTHER AGREE THAT, IN ANY ARBITRATION PROCEEDING, EACH MUST SUBMIT OR FILE ANY CLAIM WHICH WOULD CONSTITUTE A COMPULSORY COUNTERCLAIM (AS DEFINED BY RULE 13 OF THE FEDERAL RULES OF CIVIL PROCEDURE) WITHIN THE SAME PROCEEDING AS THE CLAIM TO WHICH IT RELATES. ANY CLAIM WHICH IS NOT SUBMITTED OR FILED AS REQUIRED IS FOREVER BARRED. THE ARBITRATOR MAY NOT CONSIDER ANY SETTLEMENT DISCUSSIONS OR OFFERS THAT MIGHT HAVE BEEN MADE BY EITHER YOU OR TPF. TPF RESERVES THE RIGHT, BUT HAS NO OBLIGATION TO ADVANCE YOUR SHARE OF THE COSTS OF ANY ARBITRATION PROCEEDING IN ORDER FOR SUCH ARBITRATION PROCEEDING TO TAKE PLACE AND BY DOING SO WILL NOT BE DEEMED TO HAVE WAIVED OR RELINQUISHED TPF'S RIGHT TO SEEK THE RECOVERY OF THOSE COSTS IN ACCORDANCE WITH SECTION 10.7.

YOU AND TPF AGREE THAT ARBITRATION WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE, BASIS AND THAT AN ARBITRATION PROCEEDING BETWEEN TPF AND TPF'S AFFILIATES, AND TPF'S AND THEIR RESPECTIVE EQUITY HOLDERS, OFFICERS, DIRECTORS, AGENTS, AND/OR EMPLOYEES, AND YOU (AND/OR YOUR OWNERS, , AFFILIATES, AND/OR EMPLOYEES) MAY NOT BE CONSOLIDATED WITH ANY OTHER ARBITRATION PROCEEDING BETWEEN TPF AND ANY OTHER PERSON. NOTWITHSTANDING THE FOREGOING OR ANYTHING TO THE CONTRARY IN THIS SECTION OR SECTION 10.9, IF ANY COURT OR ARBITRATOR DETERMINES THAT ALL OR ANY PART OF THE PRECEDING SENTENCE IS UNENFORCEABLE WITH RESPECT TO A DISPUTE THAT OTHERWISE WOULD BE SUBJECT TO ARBITRATION UNDER THIS SECTION 10.3, THEN THE PARTIES AGREE THAT THIS ARBITRATION CLAUSE SHALL NOT APPLY TO THAT DISPUTE AND THAT SUCH DISPUTE WILL BE RESOLVED IN A JUDICIAL PROCEEDING IN ACCORDANCE WITH THIS SECTION 10 (EXCLUDING THIS SECTION 10.3).

DESPITE YOUR AND TPF'S AGREEMENT TO ARBITRATE, YOU AND TPF EACH HAVE THE RIGHT IN A PROPER CASE TO SEEK TEMPORARY RESTRAINING ORDERS AND/OR TEMPORARY OR PRELIMINARY INJUNCTIVE RELIEF FROM A COURT OF COMPETENT JURISDICTION; PROVIDED, HOWEVER, THAT YOU AND TPF MUST CONTEMPORANEOUSLY SUBMIT SUCH DISPUTE FOR ARBITRATION ON THE MERITS AS PROVIDED IN THIS SECTION.

THE PROVISIONS OF THIS SECTION ARE INTENDED TO BENEFIT AND BIND CERTAIN THIRD-PARTY NON-SIGNATORIES AND WILL CONTINUE IN FULL FORCE AND EFFECT SUBSEQUENT TO AND NOTWITHSTANDING THIS AGREEMENT'S EXPIRATION OR TERMINATION.

10.4. CONSENT TO JURISDICTION.

SUBJECT TO SECTION 10.3 ABOVE AND THE PROVISIONS BELOW, YOU AND YOUR OWNERS AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN YOU AND TPF MUST BE COMMENCED IN THE STATE OR FEDERAL COURT OF GENERAL JURISDICTION IN NORTH CAROLINA AND YOU (AND EACH OWNER) IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS

AND WAIVE ANY OBJECTION YOU (OR YOUR OWNERS) MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. NONETHELESS, YOU AND YOUR OWNERS AGREE THAT TPF MAY ENFORCE THIS AGREEMENT AND ANY ARBITRATION ORDERS AND AWARDS IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR THE CENTER IS LOCATED.

10.5. WAIVER OF PUNITIVE DAMAGES AND JURY TRIAL.

EXCEPT FOR YOUR INDEMNIFICATION OBLIGATION FOR THIRD PARTY CLAIMS UNDER SECTION 2.10, AND EXCEPT FOR PUNITIVE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, TPF AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN TPF AND YOU, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

YOU AND TPF IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER YOU OR TPF.

10.6. LIMITATION OF CLAIMS.

EXCEPT FOR CLAIMS ARISING FROM YOUR NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS YOU OWE TPF, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR TPF'S RELATIONSHIP WITH YOU WILL BE BARRED UNLESS A JUDICIAL OR ARBITRATION PROCEEDING IS COMMENCED WITHIN 18 MONTHS FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

10.7. Costs and Attorneys' Fees. If either party initiates any legal proceeding to construe or enforce the terms, conditions and provisions of this Agreement, including its termination provisions, or to obtain damages or other relief to which either may be entitled by virtue of this

Agreement the prevailing party shall be paid its reasonable attorneys' fees and costs by the other party.

10.9. Miscellaneous.

(a) The waiver of any breach or default, or series of breaches or defaults, if any term, covenant or condition herein or of any same or similar term, covenant or condition in any other agreement between TPF and any franchisee shall not be deemed a waiver of any subsequent or continuing breach or default of the same or any other terms, covenant or condition contained in this Agreement, or in any other agreement between TPF and any franchisee.

(b) All rights and remedies shall be cumulative and not alternative, in addition to and not exclusive of any other rights or remedies provided for herein or which may be available at law or in equity in case of any breach, failure or default or threatened breach, failure or default of any term, provision or condition of this Agreement. The rights and remedies shall be continuing and not exhausted by any one or more uses thereof and may be exercised at any time or from time to time as often as may be expedient; and any option or election to enforce any such right or remedy may be exercised or taken at any time and from time to time. The expiration or earlier termination of this Agreement shall not discharge or release you from any liability or obligation then accrued or any liability or obligation continuing beyond or arising out of the expiration or earlier termination of this Agreement.

(c) If any part of this Agreement shall for any reason be declared in any way, unenforceable or impaired in any way, the validity of the remaining portions shall not be affected

thereby and such remaining portions shall remain in full force and effect as if this Agreement had been executed with such invalid portion eliminated, and it is hereby declared the intention of the parties that they would have executed the remaining portion of this Agreement without including therein any such portions which might be declared invalid; provided, however, that if any part hereof relating to the payment of fees to TPF, or the preservation of the Marks, trade secrets or secret formulae licensed or disclosed hereunder is for any reason declared invalid or unenforceable, then TPF shall have the option of terminating this Agreement upon written notice to you.

(d) All terms used in this Agreement, regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context or sense of this Agreement may require, the same as if such words had been written in this Agreement themselves. The headings inserted in this Agreement are for reference purposes only and shall not affect the construction of this Agreement or limit the generality of any of its provisions. Terms set forth in bold face are done so for ease of reference only.

(e) This Agreement and the documents referred to herein constitute the entire agreement between the parties and supersedes and cancels any and all prior and contemporaneous agreements, understandings, representations, inducements and statements, oral or written, of the parties in connection with the subject matter hereof. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that TPF made in TPF's most recent disclosure document (including its exhibits and amendments) that TPF delivered to you or your representative. Notwithstanding anything stated to the contrary, no Statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

(f) Except as expressly authorized herein, no amendment or modification of this Agreement shall be binding unless signed in writing by both TPF and you.

(g) You acknowledge that you received a complete copy of this Agreement, the attachments hereto, and agreements relating thereto, if any, as well as a copy of TPF's current franchise disclosure document ("FDD"), at such time(s) as required by the applicable federal and state franchise laws and regulations.

[ADD STATE ADDENDUM IF APPLICABLE]

SCHEDULE E

ASPHALT TIRE PROS FRANCORP, LLC DBA TIRE PROS FRANCORP ADDENDUM TO FRANCHISE AGREEMENT (California)

For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.

The following Addendum modifies and supersedes Asphalt Tire Pros Francorp, LLC dba Tire Pros Francorp Franchise Agreement (the "Agreement") with respect to TPF franchises offered or sold to either a resident of the State of California or a non-resident who will be operating a TPF franchise in the State of California pursuant to the California Franchise Investment Law §§ 31000 through 31516, and the California Franchise Relations Act, California Business and Professions Code §§ 20000 through 20043, as follows:

1. The Department of Financial Protection and Innovation requires that the franchisor defer the collection of all initial fees from California franchisees until the franchisor has completed all its pre-opening obligations and franchisee is open for business. For any development agreement, the payment of the development and initial fee attributable to a specific unit is deferred until that unit is open. Accordingly, the initial franchise fee described in Section 6.1 of this Agreement is deferred until your TIRE PROS Center opens for business and TPF has completed its initial obligations to you under this Agreement.

2. If any of the provisions of the Agreement concerning termination and non-renewal of a franchise are inconsistent with either the California Franchise Relations Act or with the federal bankruptcy law (11 U.S.C. §101, et seq.) (concerning termination of the Agreement on certain bankruptcy-related events), then such laws will apply.

3. The Agreement requires that it be governed by North Carolina law. This requirement may be unenforceable under California law.

4. You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of franchisee's rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of franchisee's rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

5. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.

6. The Agreement requires binding arbitration. The arbitration will occur at a suitable location chosen by the arbitrator in North Carolina, with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

7. You and TPF agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier.

8. The franchise agreement contains a provision requiring you to waive your right to punitive or exemplary damages against the franchisor or any of its representatives, limiting your recovery to actual damages. Under California Corporations Code section 31512, these provisions may not be enforceable in California for any claims you may have under the California Franchise Investment Law.

9. No statement, questionnaire, or acknowledgment signed by a franchisee in connection with the commencement of the franchise relationship shall be construed as waiving any claims under any applicable state franchise law, including fraud in the inducement, or as disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

ADDENDUM TO FRANCHISE AGREEMENT
(Illinois)

Illinois law governs the Franchise Agreement(s).

Payment of Initial Franchise/Development Fees will be deferred until Franchisor has met its initial obligations to Franchisee, and Franchisee has commenced doing business. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor's financial condition.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Illinois law prohibits a prospective general release of claims subject to the Illinois Franchise Disclosure Act of 1987.

You and TPF agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier.

To the extent this Addendum is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Addendum shall govern.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each of the undersigned hereby acknowledges having read, understood, and executed this Addendum on _____, 20_____.

1. The initial franchise fee described in Section 6.1 of this Agreement is deferred until your TIRE PROS Center opens for business and TPF has completed its initial obligations to you under this Agreement.

ASPHALT TIRE PROS FRANCORP, LLC DBA TIRE PROS FRANCORP
ADDENDUM TO THE FRANCHISE AGREEMENT AND ALL RELATED AGREEMENTS
(Washington)

The provisions of this Addendum form an integral part of, are incorporated into, and modify the franchise agreement and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. Section 6.1 of the Franchise Agreement shall be revised to add the following language at the end of this section, "Payment of the initial franchise fee is deferred until such time as the franchisor completes its initial obligations and franchisee is open for business."
20. Section 9.3 of the Franchise Agreement is hereby deleted in its entirety.

The undersigned does hereby acknowledge receipt of this addendum.

Selection of GOLD Distributor

For the purposes of earning and calculating GOLD Rewards and Volume Bonus as further defined below, GOLD Dealer shall choose one Primary GOLD Distributor. GOLD Dealer has the option to have a Secondary GOLD Distributor. Secondary GOLD Distributors may be requested by contacting CTA GOLD Program Headquarters at pltgold@conti-na.com or 833-421-9584. All linked GOLD Dealer accounts must sign with the same GOLD Distributor, including Secondary GOLD Distributor, if applicable. A minimum of ninety percent (90%) of GOLD Dealer's purchases must be from the Primary GOLD Distributor in order for GOLD Dealer to earn GOLD Rewards and Volume Bonus on purchases from their authorized Secondary GOLD Distributor.

In order for a GOLD Dealer to request a change to their Primary and/or Secondary GOLD Distributor, the GOLD Dealer must have participated in the GOLD Program with their current Primary and/or Secondary GOLD Distributor at least 365 days and be in good standing (financially current) with its current Primary and/or Secondary GOLD Distributor. GOLD Dealer must contact CTA GOLD Program Headquarters at 833-421-9584 to determine eligibility and request a GOLD Distributor Change Request form. All GOLD Distributor Change Requests are subject to approval by CTA GOLD Program Headquarters. Approved GOLD Distributor changes go into effect fourteen (14) days after the GOLD Distributor Change Request is received by CTA GOLD Program Headquarters unless the request is withdrawn by the GOLD Dealer before the 14th day.

GOLD Rewards, Rim Size Rewards and Volume Bonus

1. Quarterly, GOLD Dealer will earn cash rewards ("GOLD Rewards") on all qualified Tire purchases from its approved GOLD Distributor pursuant to Exhibit A. The quarterly GOLD Rewards are paid by CTA directly to GOLD Dealer that attains its quarterly purchase objectives, via direct deposit. At GOLD Dealer's request, a check can be mailed to the business for a fee of \$15.00 per check. All checks/deposits will be made payable to the GOLD Dealer at either the Retail Location or the Main Retail Location, if applicable.
2. The quarterly GOLD Rewards will be calculated for all GOLD Dealer accounts who attain their quarterly objective to be paid pursuant to the table listed on Exhibit A. Quarterly GOLD purchase objective is set at 100 Tires per Retail Location. GOLD Dealers with linked GOLD Dealer accounts will have a combined quarterly purchase objective based upon the number of Retail Locations multiplied by 100 Tires (e.g., GOLD Dealer has three Retail Locations, the combined quarterly purchase objective is 300 Tires, if Retail 1 Location purchases 150 Tires, Retail 2 Location purchases 100 Tires, and Retail 3 Location purchases 50 Tires, the GOLD Dealer's quarterly purchase objective is satisfied).
3. Quarterly GOLD Rewards will be reduced for any Tire purchases that are returned for any reason.
4. Tires delivered to a National Account, authorized car dealer, and/or Government entities must be claimed via CONTILINK. Tires will count towards annual volume bonus rate attainment and will receive a flat \$2.00 payment.
5. GOLD Dealers will have the opportunity to earn additional cash rewards ("Rim Size Rewards") on all qualified 19 inch and/or larger Tire purchases from its approved GOLD Distributor pursuant to Exhibit A. Gold Dealers who meet their quarterly purchase objectives will be paid Rim Size Rewards from CTA directly via direct deposit or check along with its GOLD Rewards. The quarterly Rim Size Rewards will be calculated for all GOLD Dealer accounts who attain their quarterly objective to be paid pursuant to the table listed on Exhibit A.
6. A Volume Bonus will be paid to GOLD Dealer who is tracking to its annual objective as provided in Exhibit B. The Volume Bonus will be paid quarterly for GOLD Dealer who is tracking to the minimum objective of 800 Tires annually with a year end "true up". A GOLD Dealer with linked Retail Locations will receive the Volume Bonus on total Tires. For an example of the Volume Bonus calculation, refer to Exhibit B for the GOLD Program Volume Bonus schedule.

Overview

Tire Pros developed the Website and Services in order to support the retail customer base. Although Dealers must agree to certain terms, conditions and operational requirements (as defined in this Agreement) to participate in the Website and certain promotions and programs that may be offered by Tire Pros from time to time, participation and enrollment as a Dealer is completely voluntary on your part. Failure of a licensee of Tire Pros to enroll as a Dealer under this Agreement in connection with the Website will not affect such dealer's status with Tire Pros.

The Website enables online consumers to research, order and purchase various products, such as but not limited to automotive tires and related automotive products offered by ATD from time to time (the "ATD Products") and select a Dealer to install and mount such ATD Products on the consumer's vehicle at the Dealer's designated location. As a Dealer, you will be eligible to list your store location(s) on the Dealer Locator of the Website (the "Dealer Locator"), and provide installation, mounting and related services to consumers purchasing ATD Products on the Website. You will also have a stand-alone Dealer Page on the Website that provides additional information about your location(s) and services. The Website will designate you as "a preferred dealer" for consumers located close in proximity to your designated location. The consumer may voluntarily search and select an alternative dealer to send the ATD Product and to perform installation services if they choose.

Additionally, from time to time, Tire Pros may transact business through a Third Party Website. By entering into this Agreement, Dealer acknowledges and agrees that Tire Pros may list Dealer's name, store location(s), services and other identifying information on such Third Party Website, subject to the terms of the Third Party Website.

Tire Pros has also established this Agreement (a) in an effort to deliver or exceed the expectations of the consumers visiting and buying on the Website, and (b) to set forth the minimum compliance and performance standards of all Dealers participating in the Website to ensure the most consistent and reliable service to our customers.

Dealer Eligibility

Tire Pros has invested significant resources into the development of the Website, and will continue to make investments in the Website, both in terms of site development and substantial marketing to drive consumer traffic to the Website. In light of this investment and the importance of consumer satisfaction with the purchase process, Tire Pros reserves the right to add or remove a Dealer in its sole discretion at any time.

Without limiting the foregoing, to be eligible to become and remain a Dealer, a Dealer must satisfy the following minimum criteria in addition to the other terms of this Agreement:

First, a Dealer must be a party to a License Agreement with Tire Pros, no breach or event of default must have occurred by Dealer under such License Agreement and Dealer must be in good standing with Tire Pros under such License Agreement.

Second, Dealer must operate an automobile-related business, and have the ability to install, mount and balance tires and wheels. Tire Pros reserves the right to request references and a copy of your business license.

Third, a Dealer must meet certain specific performance requirements established by Tire Pros from time to time to be eligible for listing their store(s) on the Dealer Locator of the Website or on Tire Pros' listing on a Third Party Website. For instance, consumers ordering through the Website have the ability to rate their experience with the dealer installation. Ratings may be based on a series of fixed questions with a numerical scale of one-star to five-stars. A Dealer's average rating and any written comments will be published on the Dealer Locator and dealer page(s). Dealers falling below a three-star average rating, after receipt of five complete consumer responses, may be subject to removal by Tire Pros in their sole discretion.

Fourth, Dealers are required to have and maintain an active account with ATD and if they have an ATD credit line, it must remain in good standing in order to participate as a Dealer on the Website. C.O.D. dealers without a credit line are permitted to be eligible to participate on the Website. Because Dealer is not charged for ATD Product being shipped to the Dealer's installation location, there is no wholesale order and no effect on Dealer's normal credit terms with ATD.

Tire Pros reserves the right to establish additional eligibility criteria from time to time and to offer certain promotions and programs in connection with the Services based on qualification criteria determined by Tire Pros in its discretion.

Dealer Enrollment

Each prospective Dealer is required to accurately and promptly complete an enrollment form and questionnaire made available on TireProsOnline.com or otherwise, to establish a Tire Pros Dealer Account. Dealer will be required to verify its identity and accuracy of information through single sign-on authentication, two factor authentication, email confirmation or as otherwise determined by Tire Pros. If you are an existing Dealer, all or a portion of your current Tire Pros profile information may be carried forward automatically into your Tire Pros Dealer Account. The Tire Pros Dealer Account may include but not limited to, all profile information, point of contact, participating dealer locations, hours of operation, contact information, terms, prices and tax information for services offered by the Dealer at each location, pictures of your stores, etc. Dealers are required to maintain accurate and complete updated information in its Tire Pros Dealer Account at all times. Tire Pros may use this profile information to populate the Dealer Locator and a stand-alone dealer page on the Website. A Dealer is responsible for all of its participating locations enrolled in the Tire Pros Dealer Account by such Dealer. Any updates to your profile information will be posted as soon as possible on the Website and any applicable Third Party Website. You remain responsible for complying with the terms and prices of services offered by the Dealer at each location for any consumer orders pending at the time of such update.

Each Dealer may be issued a unique username and password upon completing the enrollment process. You are responsible for maintaining the confidentiality of your account and your password. By establishing a Tire Pros Dealer Account, you represent that you are an authorized agent of the Dealer you are enrolling, and that all information therein is correct. You also agree to accept responsibility for all activities that occur at the Website or your Tire Pros Dealer Account under your account username and password. You hereby agree that Tire Pros and ATD may publish and disclose the information provided by you on your Tire Pros Dealer Account unless otherwise agreed by you and Tire Pros in a signed writing after the date hereof.

Order Processing

As part of the Website experience, consumers will review, select and place an order ("Order") to purchase ATD Products and checkout through the Website. Consumer credit card payments for the ATD Products will be processed and validated before the consumer's Order is processed and shipped to Dealer.

Consumers will also be able to select from among participating Dealers to provide corresponding installation services, such as mounting, balancing, etc. (collectively, "Dealer Services"). The Dealer Services will be published for the consumer to review and select on the Website. Consumers on the Website will be presented Dealer profile information based on the zip code and the type and availability of Dealer Services selected by the consumer. Tire Pros reserves the right to sort the Dealer information in any way it deems appropriate or necessary to maximize site conversion.

Tire Pros does not collect payment for such Dealer Services from the consumer. The Dealer will be solely responsible for collecting payment for the Dealer Services at the time the Dealer Services are provided to the consumer, and except where prohibited by applicable law, Tire Pros will have no liability or responsibility whatsoever for the payment or performance of the Dealer Services. If, however, Tire Pros elects to collect payment from a consumer for Dealer Services at the time of Order based on consumer

preferences or otherwise, Tire Pros will communicate this change to Dealers prior to implementation. Upon collection of such amounts, Tire Pros will notify Dealer of the amount collected and the Dealer Services purchased by the consumer and remit the collected payment to the Dealer for the Dealer Services included in the Order upon receipt of documentation requested by Tire Pros evidencing the proper completion of such services to the satisfaction of the consumer. If Dealer does not timely submit such evidence to Tire Pros, Dealer waives any right to such payment from Tire Pros or the consumer, and agrees that Tire Pros may retain such payment, as a liquidated damage and not as a penalty, and refund such amount to the consumer.

Once the consumer Order has cleared, the Dealer selected by the consumer as the installing dealer will receive an email indicating an Order has been processed and that the ATD Products will be shipped to the Dealer's physical location designated by the consumer. All Order confirmations and status updates will be communicated to the Dealer through either (i) email; (ii) SMS communication to a phone number; or (iii) any other reasonable Order confirmation method deemed appropriate by ATD. Dealer is responsible for maintaining the accuracy of the email address in their profile and is responsible for checking its emails. In addition to receiving an email notification for each new Order received, Dealer may at any time log into its Tire Pros Dealer Account to view pending and closed Orders.

The order and payment procedures for ATD Product and Dealer Services ordered through a Third Party Website may vary. Tire Pros, in its discretion, may inform Dealer of the terms of such procedures.

Commissions

Dealer may earn Commissions for ATD Product purchased by a consumer (i) through the Website and shipped to Dealer for installation; and (ii) through the Tire Pros eRetail Link and shipped to the Dealer for installation (see Exhibit A) ("Qualifying Purchase").

Within fifteen (15) days of a Qualifying Purchase, Tire Pros will credit Dealer's ATD Account for a Qualifying Purchase in the amount of the retail price actually paid by the consumer less the ATD wholesale price of the Qualifying Purchase, shipping, handling, taxes, service charges, applicable transaction costs rebates, credit card processing fees, returns, credit card charge-backs, Chargebacks, adjustments, reversal of payment fees, fraudulent or otherwise voided or modified transactions ("Commissions").

Tire Pros may, in its sole discretion, delay a Commission as necessary to verify a Qualifying Purchase. Notwithstanding the foregoing, Dealer will not be eligible to earn Commissions under this Agreement if Dealer is not in compliance with this Agreement. Dealer will be solely responsible for the payment of all applicable Federal, state, or local sales or use taxes due on Commissions paid by Tire Pros to Dealer hereunder.

Tire Pros may debit Dealer's ATD Account with an amount equal to a Commission previously credited to Dealer's ATD Account in any of the following circumstances (each, a "Chargeback"): (i) cancellations and/or returns; (ii) duplicate entry or other clear error; (iii) non-bona fide Qualifying Purchase; (iv) non-receipt of payment from, or refund of payment to, the consumer by Tire Pros; or (v) Dealer's failure to comply with the terms of this Agreement.

Tire Pros makes every reasonable effort to track and pay Commissions for all Qualifying Purchases. However, Tire Pros is not responsible for any inaccuracies that might occur beyond its control. If there are any disputes between Tire Pros and Dealer regarding Commissions, Tire Pros will use commercially reasonable efforts to determine the validity of a dispute and Tire Pros' decision is final.

Pricing

The Website retail pricing for ATD Products will be set at a level to enable the Website to be generally competitive with other online sellers of comparable products.

Dealer is responsible for entering and maintaining pricing for its specified Dealer Services via its Tire Pros Dealer Account. Dealer must adhere to this pricing at all times and any instructions provided by Tire Pros with respect to such pricing. Dealers who attempt to charge the consumer extra or "hidden" charges beyond their published pricing for the specified Dealer Services will be subject to immediate suppression or removal from the Website and Tire Pros' listing on any Third Party Website and will be liable and responsible for any and all losses and damages resulting therefrom.

In the event the consumer purchases an ATD Product that requires shipping using a third party such as UPS or FedEx, either Tire Pros or the consumer will pay those applicable fees.

Consumers will be charged local and state sales tax applicable for retail transactions for the ATD Products only based on the tax rate(s) maintained by the Website and any applicable mandated tire disposal fees based on the sale of the ATD Products. Dealer is responsible for charging, collecting and remitting any applicable taxes and any applicable labor taxes to the appropriate state and/or local government agencies based on the Dealer Services in the ordinary course of its business.

Receipt of Orders

Valid and completed consumer Orders will be shipped to the selected Dealer's location via ATD truck and/or common ground carrier (e.g. UPS, FedEx, etc.) and may include the following:

- Order delivery invoice or packing slip identifying the shipment as a Tire Pros Order, the contents of the ATD Products shipped and the consumer's supplied contact information,
- DOT registration card(s), if applicable, and
- Special stickers or other marking on products indicating that they are pre-sold.

Dealer is required to contact the consumer within one (1) business day of receipt of Order confirmation to schedule their installation appointment based on the estimated time of product delivery. It is the responsibility of the Dealer to provide a completed DOT registration card(s) to the consumer at the time of installation.

Dealer is required to contact the consumer within one (1) business day of receipt of Order confirmation to schedule their installation appointment based on the estimated time of product delivery. It is the responsibility of the Dealer to provide a completed DOT registration card(s) to the consumer at the time of installation.

The Dealer may not reject delivery of a pre-sold Website Order. If the Dealer refuses delivery of a pre-sold Website Order for any reason, the Dealer will be charged, and hereby agrees to pay, for the shipping costs incurred by Tire Pros on both the inbound and return delivery.

Dealer Services

Each Dealer agrees to perform all Dealer Services in a timely, professional and workmanlike manner, using personnel reasonably skilled and trained in performance of such services, and exactly as described on the Website. The Website is intended to allow the Dealer to communicate with the consumer via email, SMS messaging or similar communications. All interaction with the consumer by Dealer shall be in a professional and respectful manner that increases the goodwill of the Dealer, Website and Tire Pros. Dealer is not an agent of ATD, Tire Pros or Website and shall not take any actions or make any statements on behalf of or intended to bind ATD, Tire Pros or Website.

At the time of Ordering, a consumer selects an installing Dealer based on the scope of Dealer Services offered by such Dealer and the published Dealer prices therefore, each as provided by the Dealer in its Tire Pros Dealer Account. A Dealer shall not refuse to provide the Dealer Services offered to the consumer on the Website or through Tire Pros' listing on any Third Party Website or charge the

consumer any amounts in excess of the prices for such Dealer Services quoted on the applicable Website.

The Dealer may not re-sell any pre-sold ATD Products subject to a Website Order or use them for any purpose other than to perform the Dealer Services with respect to such ATD Products for the designated consumer.

Dealer shall require each consumer to sign or initial a purchase order or other writing acknowledging that the ATD Products and Dealer Services have been installed and accepted by consumer to consumer's satisfaction. Dealer shall retain such written acknowledgements for at least 90 days following completion of the Dealer Services and provide a copy to Tire Pros immediately upon request. If requested by Tire Pros, Dealer shall also certify to Tire Pros that it has provided and performed the Dealer Services accurately and completely. Dealer shall install the tires purchased by the consumer at Dealer's location and shall not allow the consumer to remove the tires without being installed by Dealer.

In the event Dealer refuses or fails to perform the Dealer Services for the consumer, charges or attempts to charge the consumer amounts for such Dealer Services in excess of the quoted prices therefor, re-sells the Ordered ATD Products, installs different products on the consumer's vehicle than the ATD Products ordered by such consumer or otherwise violates its obligations under this Agreement, to the greatest extent permitted by applicable law, Tire Pros reserves the right to charge the Dealer, and Dealer hereby agrees to pay Tire Pros, as a liquidated damage and not as a penalty, the full amount of the Order, plus all shipping and restocking fees. In any such event, Tire Pros may also immediately terminate this Agreement, remove Dealer from the Dealer Locator, remove the Dealer page, remove Dealer from the Tire Pros eRetail Agreement, re-route all pending Orders to other Dealers and/or take such other action as it deems appropriate.

Dealer acknowledges and agrees that it is solely responsible for providing the Dealer Services, and hereby waives, discharges and releases, and agrees to indemnify, defend and hold harmless, Tire Pros, Website and their respective affiliates, employees, officers, directors, representatives and assigns, from and against any and all claims, losses, damages, expenses, costs (including attorneys' fees) arising from or related to Dealer's acts or omissions, any breach of this Agreement, the performance or nonperformance of the Dealer Services or any violation of applicable laws, rules or regulations, including without limitation, any claim by a consumer relating to the foregoing.

Returns and Warranty Claims

If a consumer requests a return prior to installation, Dealer shall facilitate the return through the Tire Pros customer service department. If such return is appropriate, ATD customer service will create a RMA number and communicate to the consumer and the dealer. The Dealer or consumer will return the ATD Product with the RMA number using the prescribed shipping method and call tag. Once ATD receives the correct, undamaged, uninstalled product from the consumer or Dealer, ATD will take the steps necessary to refund the consumer's purchase price, less any applicable restocking fee(s).

Once the ATD Products are installed on a consumer vehicle, no product returns will be accepted except through an approved warranty return. Warranty claims for ATD Products sold through the Website and installed on a vehicle will be coordinated with Tire Pros and handled by the Dealer in the same manner as they would for any other retail sale at their establishment.

Cancellation and Termination

Dealers may cancel their inclusion on the Website and any Third Party Website, their Tire Pros Dealer Account and their Tire Pros eRetail Agreement by giving written notice to Tire Pros. Dealer shall remain obligated under this Agreement with respect to any pending Orders until Dealer provides all Dealer Services with respect thereto; provided, that upon receipt of such cancellation notice, Tire Pros may

reassign pending Orders to other Dealers. Dealer pages will be removed within approximately ten business day(s) of receipt of written notice. Notice to cancellation should be sent to:

Tire Pros may suspend or terminate Dealer's eligibility, status as a Dealer, participation in Website, any Third Party Website and Tire Pros Dealer Account (including all benefits afforded thereby, such as inclusion in the Dealer Locator page and Dealer's stand-alone page), and this Agreement at any time in Tire Pros' sole discretion, with or without cause, with or without prior notice to you and without any liability or further obligation of any kind whatsoever to you or any other party. Unless cancelled or terminated, this Agreement (as may be modified from time to time) shall continue in effect indefinitely.

Upon any termination of this Agreement, (i) Tire Pros and Dealer will be released from all obligations and liabilities to the other party occurring or arising after the date of such termination or the transactions contemplated hereby, except with respect to those obligations which by their nature are designed to survive termination as provided herein; provided that no such termination will relieve Dealer from any liability arising from any breach of this Agreement occurring prior to termination; (ii) Tire Pros' acceptance of additional referrals obtained through Dealer shall not constitute a continuation or renewal of this Agreement or a waiver of such termination, (iii) Dealer shall be entitled only to those unpaid Commissions, if valid, earned by Dealer on or prior to the date of termination; (iv) Dealer shall in no event be entitled to Commissions with respect to any amount of Tire Pros Products ordered or delivered after the date of termination; (v) all rights and licenses granted to Dealer hereunder shall immediately terminate (for purposes of clarification, this does not affect the Licensing Agreement); (vi) Dealer shall immediately cease all uses of any Authorized Content and Links and shall immediately remove same from the Dealer's Site (See Exhibit A) and (vii) any rights granted under this Agreement will automatically terminate, and Dealer must destroy, delete and remove all physical and electronic copies of all of Tire Pros' intellectual property and confidential information conveyed under the Agreement and certify such destruction, deletion and removal in writing to Tire Pros. Any outstanding and undisputed credit balance shall be paid by Tire Pros to Dealer within fifteen (15) days of the termination date, and an outstanding debit balance shall be paid by Dealer to Tire Pros within fifteen (15) days of termination of this Agreement.

Tire Pros eRetail Link

As a Dealer, you may establish a Tire Pros eRetail Link from your Dealer site to the Website pursuant to Exhibit A. Except as expressly authorized by Tire Pros in such eRetail Linking Agreement, you are restricted from linking to the Website or using the Website name, logo or branding on your site, absent express written consent from Tire Pros. If you are interested in linking to the Website, please contact support@tirepros.com for more information.

Arbitration under this agreement shall be conducted by a single arbitrator under the then prevailing Commercial Arbitration Rules of the American Arbitration Association. The arbitrator's award shall be binding and may be entered as a judgment in any court of competent jurisdiction. To the fullest extent permitted by applicable law, no arbitration under this Agreement shall be joined to an arbitration involving any other party subject to this Agreement or any similar agreement, whether through class arbitration proceedings or otherwise. Notwithstanding the foregoing, in the event that you have in any manner violated or threatened to violate our intellectual property rights or the intellectual property rights of any third party, we or such third party may seek injunctive or other relief against you in any court having appropriate jurisdiction and you agree and acknowledge that the district and superior court of North Carolina, located in Mecklenburg County, North Carolina, USA and the United States District Court for the Western District of North Carolina, located in Charlotte, North Carolina, USA shall have jurisdiction over you in any such matter and shall be a proper venue for such matter. Dealer represents and warrants that it shall have all appropriate authority and rights to grant the rights granted hereunder. The Website Terms of Use and Privacy Policy are incorporated into this Agreement by reference and form a part hereof, and by agreeing to this Agreement, you agree to comply with the additional terms and conditions set forth therein. Unless otherwise specified herein, this Agreement constitutes the entire agreement between Dealer and Tire Pros with respect to the Website, the Tire Pros eRetail Link and any applicable Third Party Website and supersedes all prior or contemporaneous communications, proposals and agreements, whether electronic, oral or written, between Dealer and Tire Pros with respect to the Website and any applicable Third Party Website. If any part of this Agreement is determined to be invalid or unenforceable for any reason, then such portion will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of the Agreement shall continue in effect. Any failure by Tire Pros to insist upon or enforce strict performance of any provisions of this Agreement shall not be construed as a waiver of any provisions or right. Neither the course of conduct between Tire Pros and Dealer, nor trade practices shall act to modify any provision of this Agreement. You agree that no joint venture, partnership, employment, or agency relationship exists between you and Tire Pros as a result of this Agreement. Arbitration and Class Action Waiver

Please read this carefully. It affects your rights. Any dispute or claim relating in any way to your use of Tire Pros services will be resolved by binding arbitration, rather than court.

This agreement to arbitrate is intended to be broadly interpreted, and expressly includes claims brought under the Telephone Consumer Protection Act, 47 U.S.C. § 227 et seq., or any other statute, regulation, or legal or equitable theory. You and Tire Pros hereby agree that the Federal Arbitration Act, 9 U.S.C. 1, et seq. ("FAA") applies to this agreement to arbitrate and governs all questions of whether a dispute is subject to arbitration. Unless you and we agree otherwise in writing, arbitration shall be administered by the American Arbitration Association's Consumer Arbitration Rules in effect at the time of filing of the arbitration (the "AAA's Rules"). However, just as a court would, the arbitrator or arbitrators must honor the terms and limitations in this Agreement and can award damages and relief (including any attorneys' fees) authorized by law and/or the AAA's Rules. The arbitration decision and award is final and binding, with some exceptions under the FAA, and judgment on the award may be entered in any court of competent jurisdiction. YOU AGREE THAT, BY ENTERING INTO THIS AGREEMENT, YOU AND Tire Pros ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY AND THE RIGHT TO PARTICIPATE IN ANY CLASS, REPRESENTATIVE, OR COLLECTIVE PROCEEDING.

THIS AGREEMENT DOES NOT ALLOW FOR CLASS ARBITRATIONS EVEN IF THE PROCEDURES OR RULES OF THE AAA WOULD. RATHER, YOU AND WE ARE ONLY ENTITLED TO PURSUE ARBITRATION ON AN INDIVIDUAL, BILATERAL BASIS. FURTHER, AND UNLESS YOU AND Tire Pros AGREE OTHERWISE IN WRITING, THE ARBITRATOR(S) MAY NOT CONSOLIDATE MORE THAN ONE INDIVIDUAL PARTY'S CLAIMS WITH ANY OTHER PARTY'S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR COLLECTIVE PROCEEDING.

You and Tire Pros are each responsible for our respective costs relating to counsel, experts, and witnesses, as well as any other costs relating to the arbitration. Tire Pros, however, will pay for the arbitration administrative or filing fees, including the arbitrator and/or other AAA case management fees, for any claim seeking \$75,000 or less, unless the claim is determined by the arbitrator to be frivolous. Otherwise, the AAA's Rules regarding costs and payment apply.

This agreement to arbitrate does not preclude you from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against us on your behalf.

If any term of this Section (Arbitration and Class Action Waiver) is to any extent illegal, otherwise invalid, or incapable of being enforced, such term shall be excluded to the extent of such invalidity or unenforceability; all other terms hereof shall remain in full force and effect; and, to the extent permitted and possible, the invalid or unenforceable term shall be deemed replaced by a term that is valid and enforceable and that comes closest to expressing the intention of such invalid or unenforceable term. If application of this Severability provision should materially and adversely affect the economic substance of the transactions contemplated hereby, the Party adversely impacted shall be entitled to compensation for such adverse impact, provided the reason for the invalidity or unenforceability of a term is not due to serious misconduct by the Party seeking such compensation.

Tire Pros eRetail Linking Agreement

Version 1.1

Last Updated: October 8, 2019

This Tire Pros eRetail Linking Agreement ("eRetail Agreement") is by and between Asphalt Tire Pros Francorp, LLC, d/b/a Tire Pros Francorp ("Tire Pros"), a subsidiary of Asphalt Buyer II, LLC, d/b/a American Tire Distributors ("ATD") and each eligible and qualified Tire Pros dealer ("Dealer" or "you"). who is a party to and in good standing under a License Agreement with Tire Pros (the "License Agreement") and a Tire Pros Dealer Agreement ("Dealer Agreement"). The Dealer Agreement is incorporated into this eRetail Agreement by reference and forms a part hereof; provided that this eRetail Agreement shall control in the event of a conflict. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Dealer Agreement.

Tire Pros offers an eRetail Linking Program ("Program") through which approved Tire Pros dealers that are in good standing under a Dealer Agreement are permitted to advertise and promote Tire Pros' or ATD's products ("Tire Pros Products") by establishing a Tire Pros eRetail Link on Dealer's website ("Dealer Site") to enable potential buyers and end users of Tire Pros Products ("Prospects") to access the www.TirePros.com website or web page thereof or other mobile communication interface designated by Tire Pros (the "Destination Site") to purchase Tire Pros Products, in exchange for which Dealers are entitled to receive certain financial commissions for consummated sales on the Destination Site and certain other preferred branding on the Destination Site, all as more fully set forth below.

The terms and conditions in this eRetail Agreement will govern the relationship between Tire Pros and the participating Dealer with respect to Dealer's participation in the Program. By accepting and signing the Dealer Agreement, you hereby agree to comply with and be bound by this eRetail Agreement, in all respects, without modification. This eRetail Agreement is effective as of the date of Dealer's acceptance of the Dealer Agreement and supersedes any previous agreement, whether online or in tangible written form, but does not supersede and remains subject to the License Agreement.

1. License Grant. Subject to the terms of this eRetail Agreement, while you are in good standing under a Dealer Agreement, Tire Pros hereby grants you a limited, revocable, non-exclusive and non-sublicensable right to utilize Tire Pros' name, marks, trademarks, service marks, copyrights, logos, text, images, graphics, icons, buttons, link formats, links, linking tools, marketing materials and other information supplied or otherwise authorized in writing by Tire Pros (the "Authorized Content") for the purpose of advertising and promoting Tire Pros Products by establishing one or more one-click hypertext links (the "eRetail Link") on the Dealer Site through which visitors to the Dealer Site can directly access the Destination Site solely in the manner described in this eRetail Agreement. Except as expressly set forth herein or as agreed upon otherwise in writing by Tire Pros, no rights or licenses, whether express or implied, are granted to Dealer in or to the Tire Pros Products, Authorized Content and/or eRetail Link. Tire Pros and/or ATD, as applicable, retain the exclusive ownership rights and all other title and interest in and to such Tire Pros Products, Authorized Content and/or eRetail Link.

2. Benefits of the Program. As a participant in the Program, you will be entitled to earn Commissions based on Prospects that directly access the Destination Site via the eRetail Link on the Dealer Site ("Linking Prospects") and purchase eligible Tire Pros Products on the Destination Site. Furthermore, the Destination Site will designate the Dealer as "a preferred dealer" for Linking Prospects based on their proximity in location to the Prospect. The Prospects may voluntarily search and select alternative dealers if they choose.

3. Linking to the Tire Pros Destination Site. (a) As promptly as practicable after the date hereof, Tire Pros will provide Dealer with the Authorized Content, eRetail Link and addresses of the Destination Site. The Dealer shall not remove or obscure any proprietary rights legends (such as copyright or trademark notices) contained in any Authorized Content or eRetail Link. Dealer is only authorized to utilize the Authorized Content and eRetail Link as described in this eRetail Agreement and may not engage in any other marketing efforts on Tire Pros' behalf or use Tire Pros' name, trademark, service mark, copyright protected material, likeness or any other confusingly similar or sound-alike names, on its website or in any marketing communication or tool, unless expressly agreed otherwise in writing by an authorized representative of Tire Pros.

(b) The eRetail Link shall direct a user only to the specific URL address(es) of the Destination Site and to no other webpages of the Tire Pros website or any other website unless expressly agreed otherwise in writing by an authorized representative of Tire Pros. Direct linking to the Destination Site from a search engine listing/ad based upon a keyword, AdWord, search term or other identifying terms is prohibited unless expressly agreed otherwise in writing by an authorized representative of Tire Pros. By way of example, and without limiting the generality of the foregoing, Dealer may not bid on a search term and have the link from the search engine direct the Prospect directly to the Destination Site without first visibly landing on Dealer's Site. Dealer must not place eRetail Links to the Destination Site in newsgroups, message boards, unsolicited email and other types of spam, banner networks, counters, chatrooms, guestbooks, IRC channels or through similar Internet resources, unless expressly agreed otherwise in writing by an authorized representative of Tire Pros. The eRetail Link shall be so configured that the URL of the Destination Site will be displayed continuously in a user's browser once that user's link is completed and throughout the entire duration of that user's link. Dealer shall not in any way alter, distort, or obscure any portion of the Destination Site, through metatags, framing or otherwise, without the prior written permission of Tire Pros. Dealer must not in any way copy or resemble the look and feel of the Destination Site, nor shall the Dealer create the impression that any Dealer server or Dealer Website is Tire Pros' web site.

(c) Dealer shall not use or reproduce the Authorized Content for any purpose or in any manner other than as expressly set forth in this eRetail Agreement, or change, alter, modify or vary the appearance of the Authorized Content without the prior written approval of Tire Pros. Dealer will provide to Tire Pros screenshots of each proposed use of the Authorized Content and exact placement of the eRetail Link on Dealer's Site and will obtain Tire Pros' prior written approval of each use and each proposed change thereto. Dealer's use of the Authorized Content shall be limited to the style, format and specifications of such Authorized Content as specifically provided or approved in writing by Tire Pros. Tire Pros may amend the Authorized Content from time to time upon notice to Dealer.

(d) Dealer shall not use any names, marks, terms, graphics, or other materials on its web site(s) that are likely to cause confusion with, or dilute the distinctiveness of, the Authorized Content, or to damage the reputation or commercial image of Tire Pros, ATD or any of their products or services. Dealer shall not use any Authorized Content or any other name, brand, or logo of Tire Pros or ATD, in a manner that could reasonably imply an endorsement or sponsorship of, or commercial tie-in or other association with, any product, service, party or cause (including by placing unrelated third party materials in close proximity to Authorized Content in a manner that could reasonably imply such an association), or otherwise take any action that could reasonably cause any customer confusion as to Tire Pros' relationship with Dealer, or as to the Dealer Site or Destination Site, unless such endorsement, sponsorship, commercial tie-in or association is expressly approved herein or pre-approved by Tire Pros in writing. Dealer agrees to notify Tire Pros of any unauthorized use of the Authorized Content promptly as it comes to Dealer's attention.

Dealer must not cause any transactions or Qualifying Purchases to be made that are not in good faith, including, but not limited to, using any device, program, robot, frames, hidden frames, redirects or clicking on sourcing methods that Dealer places to Tire Pros. Dealer must not establish or cause to be established any promotion that provides any rewards, points or compensation for transactions, Qualifying Purchases or that allows third parties to place an eRetail Link on its server or in its emails, SMS messages or other communications unless approved in writing by Tire Pros. None of Dealer's promotional activities may infringe on Tire Pros' intellectual

property rights (including but not limited to rights in its marks) or the intellectual property rights of a competitor of Tire Pros.

5. Additional Rights and Obligations. (a) Dealer shall not display content or link to other web site(s) that violates any law or regulation or contains content that is illegal, obscene, indecent, patently offensive, including without limitation content, which is sexually explicit, contains or promotes violence, or promotes discrimination based on race, sex, religion, natural origin, physical disability, sexual orientation, or age. Dealer represents and covenants that the content and materials that Dealer has placed on its web site(s) do not violate or infringe on any third party's copyright, patent, trademark or other proprietary rights.

(b) Dealer shall use reasonable efforts to ensure that its web server on which the Link is stored is operating twenty four (24) hours a day. Dealer shall remain solely responsible for the content and operation of its web site(s), including the Dealer Website. Dealer has duly registered its domain name(s) and possess all rights necessary to use its domain name(s) and web site(s). The act of Tire Pros granting Dealer the limited right to establish the eRetail Link to its Dealer Site as set forth herein does not in any way constitute endorsement or acceptance of the content of the Dealer Site or Dealer's Web site(s), and Tire Pros hereby expressly disclaims any and all responsibility and liability for the content, operation or performance of Dealer's web site(s), including its Dealer Site.

Dealer shall own all End User Data that it collects from end users or visitors to the Dealer Site and Dealer's web site(s). Tire Pros shall own all End User Data that it collects from end users or visitors to the Tire Pros web site(s) and Destination Site. Where both parties collect the information from the same end user or visitor in a manner not violating this eRetail Agreement, each party shall have independent ownership rights with respect to the information it collects without any duty to the other party except as set forth herein. While neither party shall be required to provide to the other party such End User Data it has collected, if a party does provide such information to the other, it will be done in accordance with the disclosing party's applicable privacy policies. For the avoidance of doubt, nothing in the foregoing prohibits Dealer from (a) contacting its own end users (including through unsolicited advertising), even if such end users also clicked on the eRetail Link, so long as such contacts are not targeted to such end users on the basis of the end users' use of the eRetail Link, or (b) using non-personal aggregated statistical information on its end users generally for its own internal business purposes, even if such end users also clicked on the eRetail Links, so long as such aggregated statistical information is not collected or aggregated on the basis of the end users' use of the eRetail Link.

STATE SPECIFIC ADDENDAS DISCLOSURE REQUIRED BY THE STATE OF CALIFORNIA

In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§ 31000-31516, and the California Franchise Relations Act, Cal. Bus. & Prof. Code §§ 20000-20043, the Franchise Disclosure Document for Tire Pros Francorp, in connection with the offer and sale of franchises for use in the State of California, shall be amended to including the following:

1. No Statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. Item 5, “Initial Fees,” is amended as follows:

The Department of Financial Protection and Innovation requires that the franchisor defer the collection of all initial fees from California franchisees until the franchisor has completed all its pre-opening obligations and franchisee is open for business. For any development agreement, the payment of the development and initial fee attributable to a specific unit is deferred until that unit is open.

3. Item 3, “Litigation,” shall be supplemented by the addition of the following paragraph after the first paragraph of the Item:

Neither Tire Pros Francorp, nor any person identified in Item 2 above, is subject to any currently effective injunctive or restrictive order or decree relating to the franchise, or under any federal, state, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law as the result of a concluded or pending action or proceeding brought by a public agency, or to any currently effective order of any national securities association or national securities exchange (as defined in the Securities and Exchange Act of 1934, 15 U.S.C. § 78a, et seq.) suspending or expelling such person from membership in such association or exchange.

4. Item 17, “Renewal, Termination, Transfer and Dispute Resolution,” is amended by the addition of the following paragraphs at the end of the Item:

The California Business and Professions Code 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101, et seq.).

The Franchise Agreement requires application of the laws of North Carolina. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur at a suitable location chosen by the arbitrator in North Carolina with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

5. THE CALIFORNIA INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

6. Section 31125 of the Corporations Code requires us to give you a disclosure document in a form approved by the Commissioner of Business Oversight before we ask you to consider a material modification of an existing franchise.

7. You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

8. THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF CALIFORNIA. SUCH REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION NOR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

9. Any interest rate charged to a California franchisee shall comply with the California Constitution. The interest rate shall not exceed either (a) 10% annually or (b) 5% annually plus the prevailing interest rate charged to banks by the Federal Reserve Bank of San Francisco, whichever is higher.

10. The Antitrust Law Section of the Office of the California Attorney General views maximum price agreements as per se violations of the Cartwright Act. Note: maximum price agreements are not per se violations of the Sherman Act.

11. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

12. The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the Commissioner.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "Termination by franchisee":

You may terminate the agreement on any grounds available by law.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. Section 6.1 of the Franchise Agreement shall be revised to add the following language at the end of this section, "Payment of the initial franchise fee is deferred until such time as the franchisor completes its initial obligations and franchisee is open for business."
20. Section 9.3 of the Franchise Agreement is deleted in its entirety.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Asphalt Tire Pros Francorp, LLC:

Opinion

We have audited the accompanying financial statements of Asphalt Tire Pros Francorp, LLC (a wholly owned subsidiary of Asphalt ATD HoldCo, LLC) (the "Company"), which comprise the balance sheet as of January 2, 2026 and the related statements of operations, member's deficit and cash flows for the period from January 4, 2025 ("Inception") through January 2, 2026, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of January 2, 2026, and the results of its operations and its cash flows for the period from Inception through January 2, 2026 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, on October 22, 2024, American Tire Distributors, Inc. and certain of its affiliates, including Tire Pros Francorp, LLC (collectively, the "Debtors"), filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code in the U.S. Bankruptcy Court for the District of Delaware. Subsequently, the Debtors filed a Joint Chapter 11 Plan of Reorganization that contemplated an asset sale under Section 363 of the United States Bankruptcy Code and an orderly wind-down of the Debtors' remaining assets. On January 3, 2025, Asphalt ATD HoldCo, LLC ("HoldCo") was formed for the express purpose of completing the transactions contemplated in the Asset Purchase Agreement ("APA"). On January 4, 2025, the Company was formed as a limited liability company in the state of California and is 100% owned by HoldCo. On February 28, 2025, the Debtors satisfied all conditions required for APA effectiveness and the sale of substantially all of the Debtors' assets was completed. In accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 852, *Reorganizations*, fresh start accounting was applied upon the effectuation of the APA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

JANUARY 2, 2026

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Company Asphalt Tire Pros Francorp, LLC (the “Company”) was formed as a limited liability company in the state of California on January 4, 2025 (“Inception”). Asphalt ATD HoldCo, LLC (“HoldCo”) indirectly owns 100% of the Company. HoldCo was formed as a Delaware limited liability company on January 3, 2025 for the express purpose of completing the transactions contemplated in the Asset Purchase Agreement (“APA”) (discussed within Note 1, *Fresh Start Accounting*, below). HoldCo owns 100% of Asphalt Intermediate HoldCo, LLC, which in turn owns 100% of Asphalt Buyer II, LLC (“ATDI”), which in turn owns 100% of the Company. From Inception through February 28, 2025 (“Effective Date”), the Company had no operations, business transactions or activities.

Nature of Operations The Company is engaged in the business of selling and administering franchises for retail centers operated under the tradename Tire Pros. Tire Pros retailers sell, install and repair tires and related automotive products and services in the continental United States.

Asset Purchase Transaction

- **Voluntary Reorganization under Chapter 11 of the Bankruptcy Code** Historically, the franchise business has been operated under Tire Pros Francorp, LLC. On October 22, 2024, American Tire Distributors, Inc. (the Parent company of Tire Pros Francorp, LLC) and certain of its subsidiaries (the “Debtors”, including Tire Pros Francorp, LLC) filed voluntary petitions for reorganization under Chapter 11 of the United States Bankruptcy Code to pursue a sale of substantially all the Debtors’ assets and wind-down of the remaining entities. This action was taken to improve the Debtors’ liquidity and reorganize the capital structure.

On February 11, 2025, the Bankruptcy Court authorized the sale of substantially all the Debtors’ assets free and clear of liens, claims, interest, encumbrance and other interests. On the Effective Date, the Debtors satisfied all conditions required for the APA effectiveness and the sale closed, pursuant to which HoldCo and its consolidated subsidiaries (including the Company) acquired substantially all of the Debtors’ assets and assumed certain liabilities of the Debtors.

On the Effective Date, the transactions contemplated by the APA were completed through a series of coordinated transactions, including:

- All liabilities of the Debtors, unless assumed under the APA, were discharged;
- Of the \$1,006.3 million outstanding and owed by the Debtors under its pre-petition term loan, \$585.0 million was used as part of the credit bid for the assets of the Debtors. All remaining obligations or deficiency claims under the pre-petition term loan remained the obligation of the Debtors;
- Of the \$305.8 million outstanding and owed by the Debtors under its debtor-in-possession financing new money term loans, \$290.7 million was used as part of the credit bid for the assets of the Debtors. The remaining \$15.1 million was converted to an exit term loan facility;

ASPHALT TIRE PROS FRANCORP, LLC

(A WHOLLY OWNED SUBSIDIARY OF ASPHALT ATD HOLDCO, LLC)

NOTES TO FINANCIAL STATEMENTS

JANUARY 2, 2026

- The Debtors had \$662.4 million outstanding under their debtor-in-possession financing asset-based revolving facility consisting of (a) \$466.6 million of revolving credit loans and (b) \$195.8 million of first-in last-out term loans. The Company repaid \$566.6 million in cash on the Effective Date. The remaining \$95.8 million was rolled into a 2025 term loan facility;
- On the Effective Date, HoldCo received \$256.4 million in additional cash infusion from existing debt holders in exchange for equity membership interests, with a fair value of \$252.1 million.
- **Fresh Start Accounting** On the Effective Date, HoldCo, formed to acquire the assets of the Debtors, adopted fresh start accounting in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 852 – *Reorganizations* ("ASC 852"), which specifies the accounting and financial reporting requirements for entities reorganizing through Chapter 11 bankruptcy proceedings. These accounting requirements were adopted by all affiliates controlled by HoldCo (including the Company).

In accordance with ASC 852, fresh start accounting was applied upon the effectuation of the APA as: (i) the reorganization value of the Debtors' assets immediately prior to the confirmation of the APA was less than the total of all post-petition liabilities and allowed claims and (ii) the holders of the Debtors' then existing voting shares immediately prior to the confirmation of the APA received less than 50.0% of the Company's voting shares issued on the Effective Date. All assets acquired and liabilities assumed by the Company were remeasured and recorded on the Effective Date at fair value as follows:

	Estimated Fair Value
Cash and cash equivalents	\$ 785,139
Other receivables	2,550,228
Deposits and other current assets	483,018
Intangible asset	100,000
Total assets	3,918,385
Less: accrued expenses and other current liabilities	1,444,867
Less: customer rebates	398,614
Total liabilities	1,843,481
Net assets	\$ 2,074,904

Method of Accounting The Company maintains its accounting records under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents The Company considers cash on hand, deposits in banks, and investments with original maturities of three months or less to be cash and cash equivalents.

ASPHALT TIRE PROS FRANCORP, LLC

(A WHOLLY OWNED SUBSIDIARY OF ASPHALT ATD HOLDCO, LLC)

NOTES TO FINANCIAL STATEMENTS

JANUARY 2, 2026

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as reported amounts of revenue and expenses during the reporting period. Such estimates include the fair value of the recorded intangible asset and accrued customer rebates. Actual results could differ from those estimates.

Revenue Recognition Revenue is recognized in accordance with FASB ASC 606, *Revenue from Contracts with Customers* ("ASC 606"). The underlying principle of this guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration that the entity expects that it will be entitled to receive in exchange for those goods or services. Under ASC 606, revenue is recognized when controls of the promised goods or services transfers to the customer as determined by applying a five-step process consisting of:

- Step 1: Identification of customer contracts
- Step 2: Identification of the performance obligations in the contracts
- Step 3: Determination of the transaction price
- Step 4: Allocation of the transaction price to each of the performance obligations in the contracts
- Step 5: Recognition of revenue when, or as, each of the identified performance obligations is satisfied

For the period from Inception through January 2, 2026, the Company generated revenues through selling and administering franchises for retail centers operated under the tradename Tire Pros. The following are the Company's primary sources of revenues:

- **Initial Franchise Fee Revenue** Upon entering into a franchise agreement, the Company charges an upfront initial franchise fee for, among other things, providing program overview training courses and new dealer orientation. The initial franchise fee is fully collectible and nonrefundable and ranges from \$1,500 to \$7,000 for a 5-year term. The Company collects initial franchise fees when franchise agreements are signed. The revenue from initial franchise fees is recognized when the Company's initial services and obligations to the franchisee, per the franchise agreement, have been substantially completed. Management has reviewed revenue recognition of initial franchise fees in accordance with ASC 606 and determined that the amount of revenue recognized under the current method remains substantially unchanged from recognizing the initial franchise fee on a straight-line basis over the franchise agreement term in accordance with ASC 606.
- **Ongoing Franchise Fee Revenue** The Company charges monthly franchise fees, or royalties, which represent recurring fees paid by the franchisee in accordance with the franchise agreements. The ongoing franchise fee is set at a fixed amount and ranges from \$395 to \$695 per month. The Company's primary performance obligation under the franchise agreement is granting certain rights to use the Company's intellectual property and all other services the Company provides. The revenue from ongoing franchise fees is recognized as earned on a monthly basis as the performance obligation related to these fees is satisfied over time as the Company fulfills its obligations under the franchise agreement.

NOTES TO FINANCIAL STATEMENTS

- **Franchise Advertising Fee Revenue** Franchisees pay a monthly marketing fee as reimbursement for advertising and promotional services that the Company provides. Under ASC 606, the Company is determined to act as the principal in these arrangements as the Company has the ability to control a promised good or service before transferring that good or service to the customer. Therefore, under the ASC 606, the Company recognizes advertising fees collected from franchisees in revenues and records all expenses within advertising expenses on a gross basis in the accompanying statement of operations.
- **National Advertising Fund** The Company has established a marketing fund (the "National Advertising Fund") for the advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs and materials for the Tire Pros franchise. Advertising may be disseminated in various types of media such as print, radio, television, the internet and billboards. Franchisees pay a monthly fee as a contribution to the National Advertising Fund, in accordance with the provisions of the franchise agreements. The use of amounts received by the National Advertising Fund is restricted to promotional, marketing, advertising, and public relations purposes and for the Tire Pros brand promotion. The Company has complete discretion over the usage of the funds and is responsible for administering and controlling the National Advertising Fund. The National Advertising Fund is accounted for separately from the Company's other funds and is not used to pay any of the Company's general operating expenses, except for reasonable salaries, administrative costs, travel expenses and overhead that is spent on activities administering the National Advertising Fund and its programs. Under ASC 606, the Company recognizes the monthly contributions collected from franchisees in advertising revenues and records all expenses associated with the National Advertising Fund within advertising expenses on a gross basis in the accompanying statement of operations.

Cooperative Advertising Programs and Advertising Costs The Company participates in cooperative advertising and marketing programs ("co-op") with its vendors. Co-op funds are provided to the Company generally based on certain metrics stipulated by the vendors that offer such programs. A portion of the funds received must be used for specific advertising and marketing expenditures incurred by the Company or its customers. The co-op funds received by the Company from its vendors are accounted for in accordance with the accounting standards related to accounting for cash consideration received from a vendor, which requires that the Company record the funds received as an offset to specific costs incurred in promoting the vendor's products. The co-op funds that are provided to the Company's customers are accounted for in accordance with authoritative guidance related to accounting for cash consideration given by a vendor to a customer, which requires that the Company record the funds paid as a reduction of revenue since no separate identifiable benefit is received by the Company.

The Company charges advertising production costs to expense the first time an advertisement is run. Media (television and print) placement costs are expensed in the month the advertising appears. Advertising expense, net of co-op funds received from vendors, amounted to \$7,548,511 for the period from Inception through January 2, 2026.

Customer Rebates The Company offers rebates to its customers when certain metrics are achieved, generally related to the volume of sales. The Company estimates rebate amounts based on the rebate rates they expect customers will achieve for the full year. These estimates are

periodically revised to reflect rebates actually earned by customers. As of January 2, 2026, rebates owed to customers totaled \$1,632,575.

Recoverability of Long-Lived Assets In accordance with FASB ASC 360-10, *Impairment or Disposal of Long Lived Assets*, long-lived assets with estimable useful lives, such as purchased intangibles subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to the future net undiscounted cash flows expected to be generated by the asset. If the carrying amount of the asset exceeds its estimated future cash flows, an impairment charge is recognized in the amount by which the carrying amount of the asset exceeds the fair value of the asset. No impairment losses were recognized for the period from Inception through January 2, 2026.

Fair Value Measurements FASB ASC 820, *Fair Value Measurements and Disclosures* ("ASC 820"), defines fair value, establishes a framework for measuring fair value under accounting principles generally accepted in the United States of America and enhances disclosures about fair value measurements. Fair value is defined under ASC 820 as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date.

Valuation techniques used to measure fair value under ASC 820 must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value.

The three levels of the fair value hierarchy under ASC 820 are as follows:

- | | |
|---------|---|
| Level 1 | Pricing inputs are quoted prices available in active markets for identical assets or liabilities as of the reporting date. |
| Level 2 | Pricing inputs are quoted prices for similar investments, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. Level 2 includes assets and liabilities valued at quoted prices adjusted for legal or contractual restrictions specific to these assets and liabilities. |
| Level 3 | Pricing inputs are unobservable, supported by little or no market activity, and reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability. |

Income Taxes The Company is treated as a disregarded entity for federal income tax purposes.

The Company accounts for income taxes in accordance with FASB ASC 740, *Income Taxes* ("ASC 740"). ASC 740 clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements and prescribes a recognition threshold of more likely than not and a measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. In making this assessment, the Company must determine whether it is more likely than not that a tax position will be sustained upon examination, based solely on the technical merits of the position and must assume that the tax position will be examined by

taxing authorities. Management believes there were no uncertain tax positions at January 2, 2026 that would more likely than not be subject to tax by the taxing authorities. For jurisdictions in which tax filings are prepared, with few exceptions, the Company and HoldCo are subject to income tax examination by state tax authorities since inception, however there are currently no examinations pending.

Concentration of Credit Risk The Company places its temporary cash with high credit quality financial institutions and, by policy, limits the amount of investment exposure to any one financial institution. The Company collects franchise fees from various independently owned Tire Pros franchises throughout the United States, reducing the concentration of credit risk.

The Company maintains cash and cash equivalent balances that at times exceed amounts insured by the Federal Deposit Insurance Corporation. The Company has not experienced any losses on these accounts and believes it is not exposed to any significant credit risk in this area.

The Company had two advertising vendors that accounted for more than 10% of total advertising purchases for the period from Inception through January 2, 2026. The Company does not believe that the concentration subjects the Company to additional risk as there are multiple other vendors that provide the same services.

2. INTANGIBLE ASSET

In connection with the Company's adoption of fresh start accounting in 2025, an identifiable intangible asset was identified and recorded in accordance with FASB ASC 805, *Business Combinations*. The fair value of the intangible asset was determined on a non-recurring basis by an independent valuation specialist, in accordance with ASC 820. The fair value of the intangible asset was determined using Level 3 inputs under the relief from royalty method, a derivation of the income approach.

The Company amortizes the intangible asset over 15 years. Amortization is provided on the straight-line method over the estimated useful life. The intangible asset consisted of the following:

As of January 2,	2026
Tradename	\$ 100,000
Less: accumulated amortization	(5,556)
Intangible asset, net	\$ 94,444

Amortization of the intangible asset during the period from Inception through January 2, 2026 amounted to \$5,556. Estimated future amortization expense on the intangible asset is \$6,667 annually from 2026 through 2039, and \$1,106 in 2040.

3. RELATED PARTY TRANSACTIONS

All costs and expenses are paid on behalf of the Company by HoldCo. The Company also receives a share of the cooperative advertising revenue in addition to a share of other allocated expenses from HoldCo. All expenses and allocations are recorded as a payable or receivable due to or from

HoldCo throughout the fiscal year. At January 2, 2026, HoldCo converted the net payables owed by the Company to equity and the Company recognized a capital contribution from the conversion of the payables to equity of \$2,533,382 in the accompanying statement of member's deficit. As of January 2, 2026, there was no balance due to HoldCo.

The Company depends on HoldCo for financial support to finance its operations and for reimbursement of various costs and expenses. HoldCo provides this support in the form of capital contributions to the Company. The existence of the relationship between the Company and HoldCo results in operating results and the financial position of the Company being significantly different than would have been if the Company operated independently of HoldCo.

4. FRANCHISING

Franchisees bear all direct costs involved in the development, construction, and operation of their stores. The Company provides franchisees support for training, marketing and sales techniques, and store openings. During the period from Inception through January 2, 2026, the Company sold 31 new franchises. As of January 2, 2026, there were 494 franchised stores operating.

5. COMMITMENTS AND CONTINGENCIES

The Company is subject to certain claims and legal matters that arise in the normal course of business. Except for the bankruptcy proceedings described in these financial statements, management does not expect any such claims and legal actions to have a material adverse effect on the Company's financial position, results of operations or liquidity.

6. SUBSEQUENT EVENTS

Management has evaluated subsequent events that have occurred from January 3, 2026 through the date of the independent auditor's report, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events that required recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Tire Pros Francorp, LLC:

Opinion

We have audited the accompanying financial statements of Tire Pros Francorp, LLC (Debtor-in-Possession) (a wholly owned subsidiary of American Tire Distributors, Inc.) (the "Company"), which comprise the balance sheets as of December 28, 2024 and December 30, 2023 and the related statements of operations, member's equity and cash flows for the fiscal years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 28, 2024 and December 30, 2023, and the results of its operations and its cash flows for the fiscal years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Substantial Doubt about the Company's Ability to Continue as a Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Notes 1 and 2 to the financial statements, on October 22, 2024, American Tire Distributors, Inc. and certain of its affiliates, including the Company (collectively, the "Debtors"), filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code in the U.S. Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). As of December 28, 2024, the Debtors continued to manage its operations as a "debtor-in-possession" under the jurisdiction of the Bankruptcy Court, and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. In January 2025, the Debtors filed a Joint Chapter 11 Plan of Reorganization of American Tire Distributors, Inc. and its Debtor Affiliates and a related proposed disclosure statement with the Bankruptcy Court. In February 2025, the Debtors filed an Amended Joint Chapter 11 Plan of Reorganization of American Tire Distributors, Inc. and its Debtor Affiliates (the "Plan"). The Plan has not been substantially consummated. The Company has stated that those conditions raise substantial doubt about the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding those matters are also described in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Adjustment to Prior Period Financial Statements

As discussed in Note 7 to the financial statements, the Company subsequently recorded a prior period adjustment for the correction of an error and has restated its financial statements as of and for the year ended December 30, 2023.

As part of our audit of the 2024 financial statements, we also audited the adjustment described in Note 7 that was applied to restate the 2023 financial statements. In our opinion, such adjustment is appropriate and has been properly applied. Our opinion is not modified with respect to that matter.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 28, 2024 AND DECEMBER 30, 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations Tire Pros Francorp, LLC (the "Company") was formed as a limited liability company ("LLC") in the state of California on December 18, 2018. Formerly known as Tire Pros Francorp, a California corporation, the Company is engaged in the business of selling and administering franchises for retail centers operated under the tradename Tire Pros. Tire Pros' retailers sell, install and repair tires and related automotive products and services in the continental United States. The Company is 100% owned by American Tire Distributors, Inc. (the "Parent").

Bankruptcy Proceedings

- **Chapter 11 Filing** On October 22, 2024 (the "Petition Date"), the Parent and certain of its affiliates, including the Company (collectively, the "Debtors"), filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code") in the U.S. Bankruptcy Court for the District of Delaware ("Bankruptcy Court") (the "Bankruptcy Filing"). The Debtors also received approval from the Bankruptcy Court to jointly administer the Chapter 11 cases under the caption "In re: *American Tire Distributors, Inc.* Case No. 24-12391) (the "Chapter 11 Cases"). After filing, the Parent and its affiliates continued to manage its operations as a "debtor-in-possession" under the jurisdiction of the Bankruptcy Court, and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. The Bankruptcy Court approved certain motions filed by the Debtors designed primarily to mitigate the impact of the Chapter 11 Cases on the Company's operations, customers and employees. In general, as a debtor in-possession, the Company is authorized to continue to operate as an ongoing business but not to engage in transactions outside the ordinary course of business without the prior approval of the Bankruptcy Court. Pursuant to motions filed with and approved by the Bankruptcy Court, the Bankruptcy Court enabled the Debtors to continue to conduct their business activities in the ordinary course by minimizing the impact of the Debtors' bankruptcy filing on day to day operations, including by, among other things and subject to the terms and conditions of such orders, authorizing the Debtors to continue using their cash management system, pay employees' wages and benefits, pay vendors, pay taxes and maintain insurance coverage in the ordinary course of business. Further, under the Bankruptcy Code, third-party actions to collect prepetition indebtedness owed by the Debtors, are generally subject to an automatic stay. However, under the Bankruptcy Code, certain legal proceedings, such as those involving the assertion of a governmental entity's police or regulatory powers, may not be subject to the automatic stay and may continue unless otherwise ordered by the Bankruptcy Court.
- **Events of Default** The October 22, 2024 Bankruptcy Filing by the Debtors constituted an event of default that accelerated the Parent's obligations under substantially all of its prepetition debt obligations. However, section 362 of the Bankruptcy Code stays the creditors from taking any action to enforce the related financial obligations and the creditors rights of enforcement in respect of the debt instruments are subject to the applicable provisions of the Bankruptcy Code.
- **Restructuring Support Agreement** On the Petition Date, the Debtors entered into a Restructuring Support Agreement ("RSA") with certain lenders representing approximately 90% of the outstanding obligations under the Parent's Term Loan (collectively, the "Ad Hoc Lender Group") to work collaboratively to implement a value-maximizing sale and auction process through the Chapter 11 Cases. Among other things, the RSA contemplates the execution of an

asset purchase agreement of all or substantially all of the Debtors' assets pursuant to section 363 of the Bankruptcy Code (the "Credit Bid"), by and between the Debtors and a limited liability company formed by the members of the Ad Hoc Lender Group (the "Purchaser").

Consistent with the terms of the RSA, the Debtors and the Purchaser entered into the Asset Purchase Agreement (the "APA") on November 26, 2024 memorializing the Credit Bid.

- **Plan of Reorganization** On January 31, 2025, the Debtors filed a Joint Chapter 11 Plan of Reorganization of American Tire Distributors, Inc. and its Debtor Affiliates and a related proposed disclosure statement with the Bankruptcy Court. On February 18, 2025, the Debtors filed an Amended Joint Chapter 11 Plan of Reorganization of American Tire Distributors, Inc. and its Debtor Affiliates (the "Plan") and a related proposed form of Amended Disclosure Statement with the Bankruptcy Court was filed on February 19, 2025 (the "Disclosure Statement").

The Plan and the Disclosure Statement describe, among other things, the proposed Plan; the restructuring contemplated by the RSA; events leading to the Chapter 11 Cases; certain events that have occurred or are anticipated to occur during the Chapter 11 Cases, including the anticipated solicitation of votes to approve the proposed Plan; and certain other aspects of the restructuring. Additionally, the Plan provided for the appointment of a plan administrator who will be responsible for making distributions to creditors and managing liquidation and orderly wind-down of the Debtors' remaining assets, if any, following consummation of the Asset Sale, as defined.

- **Asset Sale** The Debtors filed a Bidding Procedures Motion on October 30, 2024, and, on November 26, 2024, the Bankruptcy Court entered the Bidding Procedures Order, which established the Bidding Procedures for any asset sale under Section 363 of the Bankruptcy Code. Pursuant to the Bidding Procedures Order, the APA served as the stalking horse bid and set a floor for bidding in the Debtors' post-petition marketing process. The Bidding Procedures provided additional time and opportunity for the Debtors to market their assets, receive and evaluate bids, and, if necessary, hold an auction to determine the highest or otherwise best bids. Specifically, the Bidding Procedures were designed to encourage all prospective bidders to offer their best bid, effectuate an expeditious, value-maximizing process, including an auction, if necessary, to position the Debtors to consummate an Asset Sale, as defined.

As approved in the Bidding Procedures Order, the Debtors conducted a sale process consistent with the Bankruptcy Court's approval. The Debtors announced the Credit Bid as the winning bid on January 12, 2025, and the sale was approved on February 11, 2025 (the "Asset Sale").

Further, consistent with Section 8.8 of the APA, subsequent to the completion of the Asset Sale, the Parent changed its legal name to Oldco Holdings, Inc. and the Company changed its legal name to OldCo Pros Francorp, LLC.

- **Bankruptcy Accounting** For periods occurring after the Petition Date, the Company applied Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 852 - *Reorganizations*, which specifies the accounting and financial reporting requirements for entities reorganizing through Chapter 11 bankruptcy proceedings. These requirements

include distinguishing transactions associated with the reorganization separate from activities related to the ongoing operations of the business.

Accordingly, prepetition unsecured and undersecured claims related to the Debtors that may be impacted by the bankruptcy reorganization process have been classified as Liabilities subject to compromise in the balance sheet for the fiscal year ended December 28, 2024. Liabilities subject to compromise are recorded at the expected amount of the total allowed claim, even if they may ultimately be settled for different amounts. As of December 28, 2024 and December 30, 2023, there were no liabilities subject to compromise.

The determination of how liabilities will ultimately be settled or treated cannot be made until approved by the Bankruptcy Court. Therefore, the amount noted above is preliminary and may be subject to future adjustments as a result of, among other things, the possibility or occurrence of certain Bankruptcy Court actions, further developments with respect to disputed claims and/or any payments by the Debtors of amounts classified as Liabilities subject to compromise, which may be allowed in certain limited circumstances. In addition, the Debtors may reject certain prepetition executory contracts and unexpired leases with respect to their operations with the approval of the Bankruptcy Court. Any damages resulting from the rejection of executory contracts and unexpired leases are treated as general unsecured claims. Amounts are also subject to adjustments if the Debtors make changes to their assumptions or estimates related to claims as additional information becomes available to the Debtors including, but not limited to, those related to the expected amounts of allowed claims, the value of any collateral securing claims and the secured status of claims. Such adjustments may be material.

Fiscal Year The Company's fiscal year end is based on either a 52-week or 53-week period ending on the Saturday closest to December 31. The 2024 fiscal year began on December 31, 2023 and ended on December 28, 2024. The 2023 fiscal year began on January 1, 2023 and ended on December 30, 2023. Both the 2024 fiscal year, which ended December 28, 2024, and the 2023 fiscal year, which ended December 30, 2023, contain operating results for 52 weeks.

Method of Accounting The Company maintains its accounting records under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents The Company considers cash on hand, deposits in banks, and investments with original maturities of three months or less to be cash and cash equivalents.

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as reported amounts of revenue and expenses during the reporting period. Such estimates include the fair value of the recorded intangible asset and accrued customer rebates. Actual results could differ from those estimates.

Revenue Recognition Revenue is recognized in accordance with FASB ASC 606, *Revenue from Contracts with Customers* ("ASC 606"). The underlying principle of this guidance is that an entity

should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration that the entity expects that it will be entitled to receive in exchange for those goods or services. Under ASC 606, revenue is recognized when controls of the promised goods or services transfers to the customer as determined by applying a five-step process consisting of:

- Step 1: Identification of customer contracts
- Step 2: Identification of the performance obligations in the contracts
- Step 3: Determination of the transaction price
- Step 4: Allocation of the transaction price to each of the performance obligations in the contracts
- Step 5: Recognition of revenue when, or as, each of the identified performance obligations is satisfied

For the fiscal year ended December 28, 2024 and December 30, 2023, the Company generated revenues through selling and administering franchises for retail centers operated under the tradename Tire Pros. The following are the Company's primary sources of revenues:

- **Initial Franchise Fee Revenue** Upon entering into a franchise agreement, the Company charges an upfront initial franchise fee for, among other things, providing program overview training courses and new dealer orientation. The initial franchise fee is fully collectible and nonrefundable and ranges from \$1,500 to \$7,000 for a 5-year term. The Company collects initial franchise fees when franchise agreements are signed. The revenue from initial franchise fees is recognized when the Company's initial services and obligations to the franchisee, per the franchise agreement, have been substantially completed. Management has reviewed revenue recognition of initial franchise fees in accordance with ASC 606 and determined that the amount of revenue recognized under the current method remains substantially unchanged from recognizing the initial franchise fee on a straight-line basis over the franchise agreement term in accordance with ASC 606.
- **Ongoing Franchise Fee Revenue** The Company charges monthly franchise fees, or royalties, which represent recurring fees paid by the franchisee in accordance with the franchise agreements. The ongoing franchise fee is set at a fixed amount and ranges from \$395 to \$695 per month. The Company's primary performance obligation under the franchise agreement is granting certain rights to use the Company's intellectual property and all other services the Company provides. The revenue from ongoing franchise fees is recognized as earned on a monthly basis as the performance obligation related to these fees is satisfied over time as the Company fulfills its obligations under the franchise agreement.
- **Franchise Advertising Fee Revenue** Franchisees pay a monthly marketing fee as reimbursement for advertising and promotional services that the Company provides. Under ASC 606, the Company is determined to act as the principal in these arrangements as the Company has the ability to control a promised good or service before transferring that good or service to the customer. Therefore, under the ASC 606, the Company recognizes advertising fees collected from franchisees in revenues and records all expenses within advertising expenses on a gross basis in the accompanying statements of operations.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 28, 2024 AND DECEMBER 30, 2023

- **National Advertising Fund** The Company has established a marketing fund (the "National Advertising Fund") for the advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs and materials for the Tire Pros franchise. Advertising may be disseminated in various types of media such as print, radio, television, the internet and billboards. Franchisees pay a monthly fee as a contribution to the National Advertising Fund, in accordance with the provisions of the franchise agreements. The use of amounts received by the National Advertising Fund is restricted to promotional, marketing, advertising, and public relations purposes and for the Tire Pros brand promotion. The Company has complete discretion over the usage of the funds and is responsible for administering and controlling the National Advertising Fund. The National Advertising Fund is accounted for separately from the Company's other funds and is not used to pay any of the Company's general operating expenses, except for reasonable salaries, administrative costs, travel expenses and overhead that is spent on activities administering the National Advertising Fund and its programs. Under ASC 606, the Company recognizes the monthly contributions collected from franchisees in advertising revenues and records all expenses associated with the National Advertising Fund within advertising expenses on a gross basis in the accompanying statements of operations.

Cooperative Advertising Programs and Advertising Costs The Company participates in cooperative advertising and marketing programs ("co-op") with its vendors. Co-op funds are provided to the Company generally based on certain metrics stipulated by the vendors that offer such programs. A portion of the funds received must be used for specific advertising and marketing expenditures incurred by the Company or its customers. The co-op funds received by the Company from its vendors are accounted for in accordance with the accounting standards related to accounting for cash consideration received from a vendor, which requires that the Company record the funds received as an offset to specific costs incurred in promoting the vendor's products. The co-op funds that are provided to the Company's customers are accounted for in accordance with authoritative guidance related to accounting for cash consideration given by a vendor to a customer, which requires that the Company record the funds paid as a reduction of revenue since no separate identifiable benefit is received by the Company.

The Company charges advertising production costs to expense the first time an advertisement is run. Media (television and print) placement costs are expensed in the month the advertising appears. Advertising expense, net of co-op funds received from vendors, amounted to \$9,206,934 and \$9,301,361 for the fiscal years ended December 28, 2024 and December 30, 2023, respectively.

Prepaid Dealer Trips and Events The Company hosts an annual national business conference for dealers and sponsors various events throughout the year. For the fiscal years ended December 28, 2024 and December 30, 2023, the Company prepaid amounts of \$24,000 and \$20,000, respectively, for the dealer trip and sponsored events that occurred subsequent to each fiscal year end.

Customer Rebates The Company offers rebates to its customers when certain metrics are achieved, generally related to the volume of sales. The Company estimates rebate amounts based on the rebate rates they expect customers will achieve for the full year. These estimates are periodically revised to reflect rebates actually earned by customers. As of December 28, 2024 and December 30, 2023, rebates owed to customers totaled \$2,936,035 and \$5,625,927, respectively.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 28, 2024 AND DECEMBER 30, 2023

Recoverability of Long-Lived Assets In accordance with FASB ASC 360-10, *Impairment or Disposal of Long Lived Assets*, long-lived assets with estimable useful lives, such as purchased intangibles subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to the future net undiscounted cash flows expected to be generated by the asset. If the carrying amount of the asset exceeds its estimated future cash flows, an impairment charge is recognized in the amount by which the carrying amount of the asset exceeds the fair value of the asset. No impairment losses were recognized for the fiscal years ended December 28, 2024 and December 30, 2023.

Fair Value Measurements FASB ASC 820, *Fair Value Measurements and Disclosures* ("ASC 820"), defines fair value, establishes a framework for measuring fair value under accounting principles generally accepted in the United States of America and enhances disclosures about fair value measurements. Fair value is defined under ASC 820 as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date.

Valuation techniques used to measure fair value under ASC 820 must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value.

The three levels of the fair value hierarchy under ASC 820 are as follows:

- | | |
|---------|---|
| Level 1 | Pricing inputs are quoted prices available in active markets for identical assets or liabilities as of the reporting date. |
| Level 2 | Pricing inputs are quoted prices for similar investments, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. Level 2 includes assets and liabilities valued at quoted prices adjusted for legal or contractual restrictions specific to these assets and liabilities. |
| Level 3 | Pricing inputs are unobservable, supported by little or no market activity, and reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability. |

Income Taxes The Company is treated as a disregarded entity for federal income tax purposes.

The Company accounts for income taxes in accordance with FASB ASC 740, *Income Taxes* ("ASC 740"). ASC 740 clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements and prescribes a recognition threshold of more likely than not and a measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. In making this assessment, the Company must determine whether it is more likely than not that a tax position will be sustained upon examination, based solely on the technical merits of the position and must assume that the tax position will be examined by taxing authorities. Management believes there were no uncertain tax positions at December 28,

2024 and December 30, 2023 that would more likely than not be subject to tax by the taxing authorities. For jurisdictions in which tax filings are prepared, with few exceptions, the Company and the Parent are no longer subject to income tax examination by state tax authorities for tax years through 2020, and no examinations are currently pending.

Concentration of Credit Risk The Company places its temporary cash with high credit quality financial institutions and, by policy, limits the amount of investment exposure to any one financial institution. The Company collects franchise fees from various independently owned Tire Pros franchises throughout the United States, reducing the concentration of credit risk.

The Company maintains cash and cash equivalent balances that at times exceed amounts insured by the Federal Deposit Insurance Corporation. The Company has not experienced any losses on these accounts and believes it is not exposed to any significant credit risk in this area.

The Company had two advertising vendors and one advertising vendor that accounted for more than 10% of total advertising purchases for the fiscal years ended December 28, 2024 and December 30, 2023, respectively. The Company does not believe that the concentration subjects the Company to additional risk as there are multiple other vendors that provide the same services.

Accounting Standards Adopted in Fiscal 2024 During fiscal 2024, there have been no new, or existing, recently issued accounting pronouncements that are of significance, or potential significance, that have a material impact on the Company's financial statements.

2. GOING CONCERN

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern and contemplate the realization of assets and the satisfaction of liabilities in the normal course of business. The Company's ability to continue as a going concern is contingent upon the Debtors ability to successfully implement the plan of reorganization, among other factors, and the realization of assets and the satisfaction of liabilities are subject to uncertainty. Further, any plan of reorganization could materially change the amounts of assets and liabilities reported in the accompanying financial statements. The accompanying financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern or as a consequence of the Chapter 11 Cases. However, as a result of the Parent's financial condition, and its default under certain debt agreements, and the risks and uncertainties surrounding the Chapter 11 Cases, substantial doubt exists that the Company will be able to continue as a going concern for one year from the issuance date of the financial statements.

The Company depends on the Parent for financial support to finance its operations and for reimbursement of various costs and expenses. The Parent provides this support in the form of capital contributions to the Company. The existence of the relationship between the Company and the Parent results in the operating results and the financial position of the Company being significantly different than would have been if the Company operated independently of the Parent.

3. INTANGIBLE ASSET

In connection with the Company's adoption of fresh start accounting in 2018, an identifiable intangible asset was identified and recorded in accordance with FASB ASC 805, *Business Combinations*. The fair value of the intangible asset was determined on a non-recurring basis by an independent valuation specialist, in accordance with ASC 820. The fair value of the intangible asset was determined using Level 3 inputs under the relief from royalty method, a derivation of the income approach.

The Company amortizes the intangible asset over 10 years. Amortization is provided on the straight-line method over the estimated useful life. Intangible asset consisted of the following:

As of fiscal year ended	December 28, 2024	December 30, 2023
Tradename	\$ 5,000,000	\$ 5,000,000
Less: accumulated amortization	(3,000,000)	(2,500,000)
Total	\$ 2,000,000	\$ 2,500,000

Amortization of the intangible asset during the fiscal years ended December 28, 2024 and December 30, 2023 amounted to \$500,000 per year. Estimated future amortization expense on the existing intangible asset is \$500,000 annually through 2028.

4. RELATED PARTY TRANSACTIONS

Note Receivable from Parent On January 21, 2020, the Company entered into a loan agreement with the Parent for a note receivable in the amount of \$2,000,000. The note receivable incurs interest at 11% per annum, requires interest only payments on a quarterly basis and is due on demand. The total outstanding balance on the note receivable amounted to \$2,000,000 as of December 28, 2024 and December 30, 2023. Accrued interest receivable amounted to \$945,388 and \$722,944 as of December 28, 2024 and December 30, 2023, respectively, and is included in current assets on the accompanying balance sheets.

Costs and Expenses with Parent All costs and expenses are paid on behalf of the Company by the Parent. The Company also receives a share of the cooperative advertising revenue in addition to a share of other allocated expenses from its Parent. All expenses and allocations are recorded as a payable or receivable due to or from the Parent throughout the fiscal year. At December 28, 2024 and December 30, 2023, the Parent converted the net payables owed by the Company to equity and the Company recognized an increase in additional paid-in capital from the conversion of the payables to equity of \$10,349,842 and \$7,737,377, respectively, in the accompanying statements of member's equity. As of December 28, 2024 and December 30, 2023, there was no balance due to the Parent.

5. FRANCHISING

Franchisees bear all direct costs involved in the development, construction, and operation of their stores. The Company provides franchisees support for training, marketing and sales techniques, and store openings. During the fiscal years ended December 28, 2024 and December 30, 2023, the Company sold 41 and 48 new franchises, respectively. As of December 28, 2024 and December 30, 2023, there were 605 and 644 franchised stores operating, respectively.

6. CONTINGENCIES

The Company is subject to certain claims and legal matters that arise in the normal course of business. Except for the bankruptcy proceedings described in these financial statements, management does not expect any such claims and legal actions to have a material adverse effect on the Company's financial position, results of operations or liquidity.

7. CORRECTION OF ERROR

During 2024, the Company became aware of amounts that were not properly recorded in the financial statements as of and for the fiscal year ended December 30, 2023, which resulted in an understatement of expenses. Accordingly, the Company recorded a prior period adjustment for the correction of the error that increased current liabilities and decreased member's equity in the amount of \$403,240 as of December 30, 2023.

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events that have occurred through the date of the independent auditor's report, which is the date that the financial statements were available to be issued, and determined that, except as disclosed in Note 1, there were no subsequent events that required recognition or disclosure in the financial statements as of December 28, 2024.
