How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit A includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Velofix business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Velofix franchisee?	Item 20 or Exhibits C and D list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Attachment A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation only in Vancouver, British Columbia, Canada, and by litigation only in Delaware. Out-of- state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate with the franchisor in Vancouver, British Columbia, Canada or litigate with the franchisor in Delaware than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Turnover Rate.** During the last 3 years, a large number of franchised outlets (approximately 50%) were terminated, not renewed, reacquired, or ceased operations for other reasons. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO VELOFIX HOLDINGS USA, INC.
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MICHIGAN**

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (a) a prohibition on the right of a franchisee to join an association of franchisees.
- (b) a requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) a provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) a provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) a provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) a provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) a provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) a provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) a provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this franchise disclosure document on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

The address for notices to the Michigan Attorney General is: Department of the Attorney General, Consumer Protection Division, Franchise Section, G. Mennen Williams Building, 1st Floor, 525 W. Ottawa Street, Lansing, MI 48909; 517-373-7117.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor, Its Parent, Predecessors, and Affiliates

The Franchisor is Velofix Holdings USA, Inc., referred to in this disclosure document as “we,” “us” or “our.” We refer to the person interested in buying a franchise as “you” or “your.” If you are a corporation, partnership, limited liability company or other entity, certain provisions of the Franchise Agreement will apply to your owners. These will be addressed in this disclosure document where appropriate. Initially capitalized terms used but not defined in this disclosure document have the meaning given to them in the Franchise Agreement.

We were organized as a Delaware corporation on October 21, 2014. Our principal business address is 1632 West 6th Ave, Vancouver, British Columbia, Canada VRJ 1R3, and the address for our agent for service of process in Delaware is Corporation Service Company, 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808. We have no predecessor.

We do business under our corporate name and under the name the “Velofix.” Our agents for service of process in the states which require franchise registration are listed in Attachment B.

We sell franchises for mobile workshop businesses (the “Velofix Business” or “Business”) that provide on-site repair and servicing of all types of bicycles as well as other ancillary services and products through customized vehicles (each, a “Mobile Bike Shop” or “MBS”). Velofix Businesses do business under the name “Velofix” and other trade names, service marks, trademarks, logos and commercial symbols that we authorize (the “Marks”). We do not operate Velofix Businesses.

We began to offer franchises in the United States on November 26, 2014. We are not engaged in any other businesses and have never offered franchises in any other lines of business.

Our affiliate, Velofix Holdings Ltd. (“Holdings”), has operated Velofix Businesses in British Columbia, Canada since October 2012. (See Item 20 for information about affiliate-owned Velofix Businesses during the past 3 calendar years) Holdings has offered franchises for Velofix Businesses in Canada since December 2013. Holdings shares our principal business address.

Our direct parent is Velofix Group of Companies (“Parent”). Our Parent shares our principal business address.

Our affiliate, Yellow Jersey Supply, Inc. (“Yellow Jersey”), is the designated supplier of certain parts to our franchisees for the operation of their Velofix Businesses. Yellow Jersey is not engaged in any other types of business and has never offered franchises for any line of business. Yellow Jersey shares our principal business address.

Our affiliate, Broken Spoke Outfitters, Inc. (“Broken Spoke”), provides Mobile Bike Shop build-out services to our franchisees and operates our fleet of company-owned Mobile Bike Shops. Broken Spoke shares our principal business address. Broken Spoke is not engaged in any other types of business and has never offered franchises for any line of business.

We have no other affiliates required to be disclosed in this Item. Except as described above, we have no predecessors or affiliates that have offered franchises for this business or any other lines of business.

The Franchise

We offer qualified applicants franchises for the right to operate a Velofix Business under the Velofix System and the Marks. The Velofix System includes uniform standards, specifications, methods, policies and procedures for operations; high quality and uniformity of the products and services offered; proprietary equipment, products, services and manuals; training and assistance; and advertising and promotional programs, all of which may be changed, improved, and further developed by us periodically.

The franchise agreement attached as Exhibit B to this disclosure document (the “Franchise Agreement”) will grant you the right to establish and operate a Velofix Business within a specified geographic area (the “Territory”). The size of the Territory may vary depending on local market conditions and other factors and will range from a single ZIP code to a group of ZIP codes. Your Territory will be determined before you sign the Franchise Agreement. (See Item 12).

You will initially operate the Velofix Business with 1 Mobile Bike Shop in the Territory. We will require you to purchase and use a second Mobile Bike Shop in the Territory if you generate over \$200,000 in Gross Sales during any 12 consecutive month period and you are not in default of any agreement with us or our affiliates. We may, in our sole discretion and from time to time, provide referrals to you of Key Accounts (as discussed in Item 12).

If you are an entity, we may require your current and future Owners to sign a Guaranty and Assumption Agreement (“Guaranty”), guaranteeing your performance and binding themselves individually to certain provisions of the Franchise Agreement, including the covenants against competition and disclosure of confidential information, restrictions on transfer and dispute resolution procedures. Those of your Owners who are not required to sign the Guaranty, all Lead Mechanics and any managers or other employees that we request will each sign a Confidentiality Agreement and Ancillary Covenants Not to Compete, with Owner’s undertakings, in the form attached to the Franchise Agreement. (See Item 15)

Competition

The market for bicycle repair services and related services and products is well established and highly competitive. You must expect to compete with retail stores offering in-store bicycle repair services. Competitors may be locally owned or large regional or national chains. The bicycle repair business is also affected by various factors, including changes in the seasons, demographics, and general economic conditions.

Industry Specific Regulation

The repair of personal property and the sale of retail consumer products may be subject to legal requirements and you should obtain assistance in evaluating and complying with applicable federal, state and local laws, rules and regulations. Many of the laws, rules and regulations that apply to business generally, such as the Americans With Disabilities Act, Federal Wage and Hour Laws and the Occupational Safety and Health Act, also apply to bicycle repair businesses. However, some jurisdictions may have other laws, rules and regulations that have particular applicability to bicycle repair businesses. You should consider these laws and regulations when evaluating your purchase of a franchise.

Notes:

(1) Franchisee's Location may be at your or your Owner's home. If Franchisee's Location is your or your Owner's home, we require that you establish a space for the operation of your Business that is separate and distinct from your general living space. The estimate in the chart is for items such as a desk, chair, task lighting, waste-basket, land-line telephone handset, file cabinet and table for your printer-fax-scanner machine to be included in a home office. We do not specify the brand of furniture or fixtures that you must purchase. The lower end of the estimate contemplates that you presently have office furniture that you can use in your home office, and the high end of the estimate contemplates the purchase of office furniture. If

you elect to establish your business in an office location other than your home, you may need additional furniture or fixtures that will increase your expenditure, and you will have rent deposit expenses and other expenses not contemplated in this chart.

(2) The cost of the Initial Training Program is included in the Initial Franchise Fee, but you are responsible for transportation, lodging and meals expenses for yourself, your Lead Mechanic or a key employee, and meals while attending training. The total cost will vary depending on your proximity to the location where the Initial Training Program is held, the class of accommodations you choose, method of travel, living expenses (food, transportation, etc.) and if you or your Lead Mechanic have to attend training to obtain required certifications. These expenses are typically non-refundable. The lower estimate in this range covers moderately priced travel expenses and the Velonet set-up fee for one Mobile Bike Shop (which includes the installation of, and connection to, our online management system software), while the higher estimate covers higher priced flights, rental car, and accommodations and the Velonet set-up fee. Actual costs are based on the travel and accommodations chosen by you while attending training and may be higher or lower than what is estimated. Wages for your personnel while in training are not included. (See Item 11) If we elect to provide our Initial Training Program to you in or near your Territory, you will be required to pay us the reasonable travel and living expenses incurred by our personnel during the course of the Initial Training Program, which are not contemplated in the chart. Currently, the Initial Training Program is conducted remotely using video conferencing.

(3) The estimate is for the full cost of 1 Mobile Bike Shop (excluding customization work). You may lease or finance the Mobile Bike Shop through a third party, in which event, the initial out-of-pocket cost will be lower.

(4) Once you obtain the Mobile Bike Shop, you must obtain the Designated Equipment Package and engage Broken Spoke to complete the customization of the Mobile Bike Shop.

(5) The cost of computer hardware, peripherals and software for Franchisee's Location and the Mobile Bike Shop will vary depending on if you already have a system that meets our requirements. The disclosed range includes the cost of the computer system (including the mobile point of sale system) and the set-up fee for the installation of, and connection to, Velonet.

(6) This estimate is for the office supplies for Franchisee's Location, such as paper, presentation folders, pens, pencils, printer ink, paper clips, stapler, file folders, note pads, stationery, business cards, etc., that you will need to operate your Business. The low end of the estimate is for lower quality and quantity of supplies and the higher estimate represents a higher quality product and/or quantity of supplies.

(7) These costs include the purchase of our recommended initial inventory and supplies.

(8) This estimate is for the cost to establish an entity to hold the franchise and review the franchise documentation, accounting services and other professional fees you may incur in establishing your Business. The cost of professional services can vary widely.

(9) You must carry out a grand opening promotion for your Business in compliance with our written specifications. You must spend at least \$5,000 on a pre-opening and opening promotion campaign for the Business at least 1 week immediately preceding the opening and for the first 3 weeks of operation of the Business. You must provide us with written evidence of your expenditures. We must approve all advertising items, methods and media. The estimate includes the cost of the Promotional Kit that must be purchased from us or our affiliate.

(10) This amount represents an estimate of the down payment on your annual insurance premiums. You must obtain the insurance coverage described in the Franchise Agreement. We must be named as an additional insured on these policies. Your cost of insurance may vary depending on the insurer, the location of your Business, your claims history, and other factors. These costs do not include any additional insurance that you may wish to carry above our stated minimums.

(11) You must purchase from us or our affiliate the Velofix uniforms for your employees. The total cost will depend upon the number of employees that you choose to employ or contract. The lower estimate in this range is for 1 employee uniform, while the higher estimate covers up to 5 employee uniforms.

(12) You will need additional funds during the start-up phase of your business to pay employees, purchase supplies and pay other expenses. We estimate the start-up phase to be 3 months from the date you open for business. These amounts do not include any estimates for debt service. You must also pay the Royalty Fee, Technology Fee, Branding Fund Contribution and other related fees described in Item 6 of this disclosure document. These figures are estimates, and we cannot assure you that you will not have additional expenses. We relied on the experience of Holdings' Velofix Businesses in Canada to compile these estimates. You should review these figures carefully with your business advisor.

We do not offer any financing for your initial franchise fee or any portion of your initial investment. Unless otherwise stated, the amounts described above are not refundable.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

You generally have no obligation to purchase or lease from us, our affiliates, or other designated third party suppliers any of the products, services, supplies, fixtures, equipment (including computer hardware and software), inventory or real estate used in establishing or operating the Business. However, there are some exceptions, as follows:

Designated Equipment Package

You must purchase from our designated supplier the Designated Equipment Package, which includes hand tools, fixed equipment, customized stainless steel shelving and custom work surface and storage solutions that we require to be used and installed in each Mobile Bike Shop you put into service. Our current designated supplier for the Designated Equipment Package is Broken Spoke.

Mobile Bike Shop Customization Services

You must use our designated supplier to customize each Mobile Bike Shop that you put into service, including installing the Designated Equipment Package in each Mobile Bike Shop, building-out the interior of the Mobile Bike Shop, and wrapping the Mobile Bike Shop in accordance with our standards and specifications. Our current designated supplier for vehicle customization services is Broken Spoke.

Inventory, Products and Supplies

You must purchase our recommended level of approved brands or types of inventory, products and supplies only from suppliers approved by us, which may include us or our affiliates. Our current designated supplier for inventory, products and supplies is Yellow Jersey. You are required to participate in the Automatic Shipment Program, under which Yellow Jersey will arrange for shipment of regular replenishments of

inventory, products and supplies to you. For all other orders, you will place the purchase order directly to Yellow Jersey in accordance with the Manual or other written directives. You must place orders for inventory, products and supplies on or before the deadlines set by Yellow Jersey.

Promotional Kit

You must purchase from us a Promotional Kit, which includes initial marketing and advertising materials and a logoed tent.

Uniforms

You must purchase our approved Velofix uniforms for your employees only from us, our designated supplier or as otherwise approved in writing by us. Currently, you will purchase the Velofix uniforms from us.

Approved Suppliers

In addition to the above, if we have approved suppliers (including manufacturers, distributors and other sources) for any products, services, supplies, inventory, equipment, customer contracts and related forms, computer hardware and software, fixtures, furnishings and signs, you must obtain these items from those suppliers. Approved suppliers are those who demonstrate the ability to meet our then-current standards and specifications for quality, design, appearance, function and performance and who possess adequate quality controls and the capacity to supply your needs promptly and reliably, whom we have approved in writing and whom we have not later disapproved. We may change the number of approved suppliers at any time and may designate ourselves, an affiliate, or a third party as the exclusive source for any particular item. We may profit from your purchases from approved suppliers, and we and/or our affiliates may receive payments, fees, commissions or reimbursements from such suppliers in respect of your purchases.

Our affiliate, Yellow Jersey, is currently the approved supplier of inventory, products and supplies for our franchisees, but we may, in our sole discretion, require these items to be purchased exclusively from us or another of our affiliates or from approved suppliers or distributors. We or our affiliates may derive revenue based on your purchases and leases (including from charging you for products and services that we or our affiliates provide to you and from payments made to us or our affiliates by suppliers that we designate or approve).

If you wish to purchase, lease or use any products, services, inventory or other items from an unapproved supplier, you or your supplier must submit to us a written request for approval. You must not purchase or lease the item from the supplier until and unless we have approved the supplier in writing. We have the right to require you to submit information, specifications and samples to us to enable us to determine whether the supplier meets our criteria. We also have the right to inspect the supplier's facilities, and to have samples from the supplier delivered to us or to an independent laboratory we designate for testing. We may condition our approval of a supplier on requirements relating to product quality, prices, consistency, reliability, financial compatibility, labor relations, client relations, frequency of delivery, concentration of purchases, standards of service (including prompt attention to complaints) or other criteria. We may re-inspect the facilities and products of any approved supplier, and may revoke our approval upon the supplier's failure to continue to meet any of our then-current criteria. If we revoke our approval of any supplier, you must promptly discontinue use of that supplier. You must reimburse us for the costs that we incur in the supplier approval process. We are not required to approve any particular supplier, and we are not required to notify you of our approval or disapproval within any specified period of time. Our

specifications for products and criteria for supplier approval are generally issued through written communications and are available to franchisees and approved suppliers.

Our affiliates and designated suppliers, Yellow Jersey and Broken Spoke, are owned by Parent. Davide Xausa, our President; Anne-Marie Hall, our Chief Financial Officer, have ownership interests in Parent. Otherwise, none of our officers owns an interest in any privately-held suppliers, or a material interest in any publicly-held suppliers, of the Velofix franchise system. From time to time, our officers may own non-material interests in publicly-held companies that may be suppliers to our franchise system.

Purchases According to Specifications

You must comply with all of our standards and specifications relating to the purchase of all products, services, supplies, inventory, equipment, customer contracts and related forms, computer hardware and software, fixtures, furnishings and signs used in the Business. We formulate our standards and specifications based on a variety of factors, including Holdings' experience in operating Velofix Businesses in Canada. In addition, the following must comply with our specifications:

Franchisee's Location

Prior to opening to the public for business and at all times during the term of the Franchise Agreement, you must maintain an office at "Franchisee's Location" (located within the Territory described in the Franchise Agreement or within a 20-mile radius around the outside boundaries of the Territory) in accordance with our standards and specifications. If Franchisee's Location is your or your Owner's home, we require that you establish a space for the operation of your Business that is separate and distinct from your general living space.

Advertising and Promotional Materials

All of your advertising and promotions must conform to our standards and requirements. We must approve all advertising and promotional plans and materials before you use them if we have not prepared them or previously approved them during the 12 months preceding the date of their proposed use. You must submit any unapproved plans and materials to us, and we will approve or disapprove them within 20 days after we receive them. You must not use the plans or materials until we have approved them, and must promptly discontinue using any advertising or promotional plans or materials, whether or not we have previously approved them, if we notify you to do so.

Insurance

Not later than sixty (60) days prior to the date on which the Franchised Business opens to the public for business, you must obtain and at all times during the term of the Franchise Agreement insurance policies that protect you, us, and our affiliates, successors, and assigns, and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, and employees of each of them, from claims arising or occurring at or in connection with the operation of the Franchised Business. These policies must be written by a responsible insurance carrier or carriers rated "A" or better by the A.M. Best Company, Inc. and that are acceptable to us. At a minimum, you must carry (i) comprehensive commercial general liability insurance, premises and operations, broad form contractual liability, broad form property damage, personal injury, advertising injury, ongoing and completed operations, products liability, independent contractors, explosion, collapse, and underground hazards (XCU), and fire damage coverage in the amount of \$1,000,000 for each occurrence and \$2,000,000 general aggregate; (ii) Umbrella coverage of \$1,000,000 per occurrence, which must be in excess of the general liability, workers compensation, and automobile liability coverage; (iii) Commercial automobile liability insurance for coverage of owned, non-owned, and hired vehicles, including the Mobile Bike Shop(s) and equipment permanently attached to the Mobile Bike

Shop(s), minimum limit bodily injury and property damage combined of \$500,000 per accident or loss; (iv) Workers' compensation coverage for all of your employees in accordance with statutory requirements or if permissible under applicable law, any legally appropriate alternative providing substantially similar compensation for injured workers that is satisfactory to us, covering employer's liability, and/or a medical/disability policy covering medical expenses for on the job accidents with the following minimum limits for employer liability: bodily injury by accident, \$500,000 for each accident, bodily injury by diseases, \$500,000 policy limit and \$500,000 each employee; and (v) any other insurance required by the state or locality in which your Franchise Business is located.

Vehicles

Any vehicle, including the Mobile Bike Shop, you use in the operation of the Business must meet our image and standards. You must place the signs and other decor items we require on the vehicle and keep it clean and in good working order at all times. You cannot permit anyone to operate the vehicle who is under 18 years old, or who does not have a valid driver's license in the state in which the Business is located, has a criminal record, or a has driving record with serious driving infractions. You must require each vehicle operator to comply with all laws, regulations and rules of the road and use due care and caution in operating and maintaining the vehicle.

Purchasing Arrangements

In our last fiscal year ending December 31, 2024, we did not receive any revenues from the sale of products or services to franchisees in the United States, however, our affiliates had revenues of \$271,936 or the sale of parts, tools custom trucks and other products to franchisees. This information is derived from the books and records of our affiliates. Neither we nor our affiliates received payments from any designated sources because of transactions with franchisees in the United States. We intend to negotiate certain purchase arrangements (including price terms) for the purchase of certain items with suppliers for the benefit of franchisees. In doing so, we will seek to promote the overall interests of our franchise system and our interests as the franchisor. We or our affiliates may receive payments from any supplier on account of its dealings with you and other franchisees. We do not provide material benefits to franchisees based upon their use of designated or approved suppliers. There are currently no purchasing or distribution cooperatives for the System.

Your obligations to purchase or lease goods, services, supplies, fixtures, equipment, inventory, and computer hardware and software, or other items from us or our designee, from suppliers we approve, or under our specifications are all considered "required purchases." We describe these obligations in detail in the preceding sections of this Item 8. The magnitude of required purchases in relation to all purchases you make to establish and operate the Business is difficult to determine due to the highly variable nature of expenditures necessary to establish and operate the Business as described in Item 7. We estimate that your total initial required purchases will be about 98% of the cost of your initial purchases or leases. We estimate your required purchases for the operation of the Business will be 98% or more of your annual purchases or leases. The majority of these required purchases will be from us or our affiliates under our specifications.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance:

Pre-Opening Obligations. Before you open your Business to the public, we will:

1. Provide you with access to 1 set of our Manuals, either in paper or electronic form (Franchise Agreement, Section 7.1).
2. Provide you with a list of approved or designated suppliers (Franchise Agreement, Section 6.4). We or our affiliates also currently sell certain items and services to you, including the Designated Equipment Package, Mobile Bike Shop customization services, certain inventory and supplies, promotional kits, and uniforms (see Item 8). Other than providing you with a list of approved or designated suppliers and selling these items and services to you, we do not assist you in obtaining or installing any equipment, signage, fixtures, inventory, or supplies.
3. Provide our Initial Training Program to you and your Lead Mechanic, or another key employee (Franchise Agreement, Section 5.1).

4. Provide you with assistance with respect to pre-opening and opening activities, which will be conducted as reasonably determined by us. (Franchise Agreement, Section 5.2).

Site Selection and Typical Length of Time Before You Open Your Store.

You must operate the Franchised Business from an office that is located in the Territory or within a 20-mile radius of the outside boundaries of the Territory. Your office may be located in your home or in a separate commercial office location. If you choose to use commercial space for your office, we are not required to assist you in selecting your site, and we do not provide you any site selection guidance or criteria. We do not review or approve the location of your Franchised Business.

The typical length of time between the signing of the Franchise Agreement and the opening of the business to the public is approximately 3 to 4 months. Factors that may affect this period may include your ability to obtain a vehicle, arrange leasing and financing, customize the vehicle, employ or contract a Lead Mechanic, attend and complete initial training, meet legal requirements, obtain inventory and equipment, and similar factors.

You must place the Mobile Bike Shop into operation within 15 Business Days from taking delivery of the Mobile Bike Shop, and you must otherwise open the Business to the public for business within 120 days from the Effective Date of the Franchise Agreement (Franchise Agreement Section 2.6. If you fail to begin operations within the stated time, we may unilaterally terminate the Franchise Agreement (Franchise Agreement, Section 5.1(a)).

Continuing Obligations. During the operation of your Business, we will:

1. Give you advice and guidance that you reasonably require and at our sole discretion with respect to the planning, opening and operation of the Business (Franchise Agreement, Section 5.3).
2. Give you an updated list of approved or designated suppliers as we deem appropriate (Franchise Agreement, Section 6.4(b)).
5. Provide additional training programs at our option (Franchise Agreement, Section 5.7).
6. Determine whether an item or supplier meets our standards and notify you whether you are authorized to use the item or purchase from the supplier, if you first follow our procedures for requesting review and approval of an unauthorized item or supplier (Franchise Agreement, Section 6.4(b)).
7. Establish and administer a branding fund and provide any advertising and promotional materials we develop for use by franchisees (Franchise Agreement, Section 8.23).
8. Use reasonable effort to contact you if we receive a lead from a potential customer located in the Territory and to first offer you the opportunity to service the customer. (Franchise Agreement, Section 5.6).

Advertising

You must participate in all advertising and sales promotion programs that we may authorize or develop for the Velofix System (Franchise Agreement, Section 6.1(w)).

You must participate in, and comply with the requirements of, any gift card, gift certificate, customer loyalty or retention programs that we implement for all or part of the Velofix franchise system and sign the forms and take the other action we require for you to participate in these programs. (Franchise Agreement, Section 6.1(v)).

We require you to spend 2% of your Gross Sales each year to promote the Business and the System to the public in the Territory. You must submit all advertising and promotions you wish to utilize to us for our written approval. If the advertising and/or promotions have not been approved within 5 Business Days they are deemed to be disapproved. (Franchise Agreement, Section 8.1(b)).

We have established a branding fund (“Branding Fund”) to which all franchisees located in the United States are required to contribute 2% of their Gross Sales each month. You must contribute 2% of your Gross Sales to the Branding Fund. We will use the Branding Fund to develop, prepare, produce and administer advertising for the System in the United States on a regional and/or national basis. (Franchise Agreement, Section 8.2).

All advertising and promotions you place in any medium must be conducted professionally and must conform to our standards and requirements, as described in Item 8 (Franchise Agreement, Section 6.1 (w)).

We administer the Branding Fund. We will direct all advertising programs, including the creative concepts, materials and media used in the programs. We may use the Branding Fund to satisfy the costs of maintaining, administering, directing, preparing and producing advertising. This includes media costs, commissions, market research costs, maintaining, updating and improving the website, creative and production costs, including the costs of creating promotions and artwork, printing costs, social media, and other costs relating to advertising and promotional programs undertaken by us; and costs of our personnel and other departmental costs for advertising that we administer or prepare internally. We are not required to make expenditures for you that are equivalent or proportionate to your Branding Fund contribution or to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising, nor are we required to spend any amount on advertising in any particular franchisee’s Territory. Velofix Businesses located in the United States that are owned by us or our affiliate will make similar contributions to the Branding Fund on the same basis as franchisees located in the United States. Currently, no portion of the Branding Fund is used for advertising that is principally a solicitation for the sale of franchises. However, a portion of the Branding Fund may be spent on the development and maintenance of our website, which may contain information relating to franchise opportunities for Velofix Businesses, and some of our advertising and marketing materials contain contact numbers for obtaining information about franchises.

We anticipate that Branding Fund advertising will be conducted primarily through electronic or print media and campaigns in the United States on a regional or national basis, and that the majority of our advertising will initially be developed in-house. We presently do not have an advertising council.

We will not use your Branding Fund contributions to defray any of our general operating expenses, except for any reasonable salaries, administrative costs and overhead that we may incur in administering or directing the Branding Fund and its advertising programs, including conducting market research. We will prepare an annual statement of the Branding Fund’s operations and will make it available to you if you request it from us in writing. We are not required to, and presently do not, have the Branding Fund statements audited. Branding Fund contributions that are not spent in the year in which they are collected will be carried over to succeeding years.

The following is a percentage breakdown of the use of the Brand Building Fund for our 2024 fiscal year:

Type of Expenditure	Percentage
Website design and hosting	10%
Media Placement	5%
Administrative Expenses	15%
Sponsorships and Public Relations	20%

Digital and Social Marketing	50%
Total	100%

You are not required to participate in any local or regional advertising cooperatives.

Computer and Electronic Cash Register Systems

You must install and maintain a desktop or laptop computer at Franchisee's Location with an operating system that is capable of running the software that we require. The computer must have a high-speed modem and you must maintain a high-speed Internet connection that permits you to connect to the Internet and to transmit and receive e-mail, and this computer must be used only for the Business and only with software that we approve to be loaded on the computer. We estimate that the cost of the computer system will be approximately \$2,500 to \$3,500, which includes the cost of the mobile point of sale system described below.

You must purchase a mobile point of sale system with credit card processing services to process customer transactions. We do not currently have a designated supplier for a point of sale system with credit card processing services. You must maintain mobile Wi-Fi devices in the Mobile Bike Shops that permits you to connect to the Internet.

Also, you must install and connect to our online management system software, Velonet. You must pay us a set-up fee of \$3,500 for each Mobile Bike Shop you put into service, for the installation and connection to Velonet and Lightspeed (our inventory Management System). You must also pay us reasonable monthly technology fees for each Mobile Bike Shop for Velonet and Lightspeed. Currently, the technology fee is \$140 per month for Lightspeed and separately, \$80 per month for Velonet, for each, per Mobile Bike Shop.

You must use our client services center (Client Services Center) and pay us a reasonable fee for any services that the Client Services Center provides to you or your Customers at the same time and manner as your royalty fee payment to us or in accordance with our invoice. Currently, we charge monthly a 2.5% percentage of your Gross Sales not to exceed 3% of your monthly Gross Sales, at our discretion.

Neither we, our affiliates, nor any third parties are required to provide ongoing maintenance, repairs, upgrades, or updates to your computer system nor are there any optional or required maintenance/upgrade contracts for the computer system.

You must install any other hardware or software for the operation of the Business that we may require in the future, including any enhancements, additions, substitutions, modifications, and upgrades. We may also require you to license from us, or others we designate, any computer software we develop or acquire for use by Velofix Businesses. We may require you to submit sales data electronically to allow us to compile sales data, consumer trends, costs, and other financial and marketing information we deem appropriate, as well as inventory data for the Automatic Shipment Program. We may require you to provide us with independent access to information and data maintained on your computer system. There is no contractual limitation on the frequency or cost of these obligations or on our ability to access your information.

Confidential Manuals

After you sign the Franchise Agreement and pay us the initial franchise fee, we will provide you with access to a copy of our Manuals either in electronic or paper form. A copy of the table of contents of the Manuals is attached as Exhibit E. The total number of pages in the Operations manual is 128 pages. We consider the contents of the Manuals to be proprietary, and you must treat them as confidential.

Training

Prior to opening the Business to the public, we will provide you and your Lead Mechanic, or one other key employee, with our initial training program at a location selected by us (“Initial Training Program”). You and your Lead Mechanic must complete the Initial Training Program to our satisfaction before opening the Business to the public. If in our opinion, acting reasonably, you or your Lead Mechanic’s participation in the Initial Training Program shows an inability to adequately manage and operate a Velofix Business, we may immediately terminate the Franchise Agreement. (Franchise Agreement, Section 15.1(b)).

Currently, the Initial Training Program is conducted remotely using video conferencing. In the future, we reserve the right to require attendance in person for training at location to be determined by us in our sole discretion. We provide instructors and training materials at no charge for the Initial Training Program, but you may be required to pay all expenses you and your personnel incur during the course of the Initial Training Program, including costs of travel, lodging, meals and wages. For initial training of any replacement or successor Lead Mechanics, we will charge you a fee (currently, \$800) and pay all expenses you and your Lead Mechanics incur during the course of the initial training, including costs of travel, lodging, meals and wages. (Franchise Agreement, Section 5.1).

The Initial Training Program is administered by one or a combination of Anne-Marie Hall, Melissa Brousset, or Nick Chappel. Mr. Martin has 12 years of experience in the bicycle industry and over 10 years with us. Ms. Brousset joined us in 2018 and she has extensive industry experience developed over the last 15 years in previous roles with Canadian Tire Corporation.

The Initial Training Program is offered as needed during the year depending on the number of new franchisees entering the System, the number of other personnel needing training, and the scheduled opening of new Velofix Businesses. The Initial Training Program generally lasts 3-4 days, but may last longer in our sole discretion. Training is provided at our headquarters, in our mobile vehicle and at on-site customer visits, or virtually. The subjects covered and other information relevant to the Initial Training Program are described below.

ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from Business that we or our affiliates own, or from other channels of distribution or competitive brands that we control.

The Franchise Agreement gives you the right to operate a Velofix Business in a geographic area that is defined by a ZIP code or group of ZIP codes and is set out in Schedule A to the Franchise Agreement. The Territory will consist of at least one ZIP code, but there is no minimum geographic area that will comprise your Territory. The determination of the size of your Territory is based on an analysis of various factors, including, population density, income level and the number of households and businesses in the area. We will determine the Territory and insert it in the Franchise Agreement before you sign the Franchise Agreement.

If you are in compliance with the Franchise Agreement and any other agreement you have with us or our affiliates, we and our affiliates will not establish or authorize anyone except you to establish a Velofix Business in the Territory.

We will require you to purchase and use a second Mobile Bike Shop in the Territory if you generate over \$200,000 in Gross Sales during any 12 consecutive month period and you are not in default of any agreement with us or our affiliates. Your failure to purchase and put into service the additional Mobile Bike Shop in the Territory within the time period provided in the Franchise Agreement is considered a material default under the Franchise Agreement, and as a result, we may terminate the Franchise Agreement or reduce the size of the Territory instead of terminating your agreement. We also may modify your Territory upon renewal. You do not receive the right to acquire additional franchises outside of your Territory unless you sign another Franchise Agreement with us.

You must operate the Business only from Franchisee's Location and in the Territory set forth in the Franchise Agreement. You cannot relocate Franchisee's Location without our consent, which will not be unreasonably withheld.

You may not market or sell any Products or Services to Customers located outside your Territory through any method of distribution, including alternative channels such as the Internet, catalog sales, telemarketing, or other direct marketing, without our prior written consent or in accordance with our then-current policies and procedures, which we may modify or eliminate at any time in our discretion.

We may, in our sole discretion and from time to time, provide referrals to you of potential or existing Customers that have multiple locations, where at least 1 of the locations is located outside the Territory ("Key Accounts"). We may, at our discretion, require you to service one or more of these Key Accounts in accordance with our Manuals. You must honor the terms and conditions of any arrangement we have or may develop for Key Accounts, including, any maximum pricing for services. We reserve the right to designate any of your Customer accounts with at least 1 location outside of your Territory as Key Accounts in our sole discretion. If you fail to service a Key Account customer in accordance with our protocols and in the time required, we may immediately arrange to service them directly or with another franchisee. To the extent we are permitted to accept business from customers inside your Territory, we are not required to compensate you for this business.

We and our affiliates retain all other rights. Among other things, this means we or our affiliates can:

- (i) Operate, and license others to operate, Velofix Businesses at any location outside the Territory;
- (ii) Within and outside the Territory, develop and establish other business systems using the Marks and grant licenses to use those systems;
- (iii) Advertise and promote the System in the Territory;
- (iv) Within and outside the Territory, provide the Products and Services to Customers under Key Accounts;
- (v) Merge with or acquire any other business, including a business that competes with the Business, or acquire and convert any retail stores, including retail stores operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned; and
- (vi) Except for the restrictions on establishing or licensing others to establish Velofix Businesses within the Territory as described above, to engage, directly or indirectly, in the license, provision and sale of any and all services and products, including bicycle repair and maintenance services, under the Marks or under

other names or marks, within and outside the Territory, through any method of distribution, including, but not limited to, the Internet, regardless of the competitive impact on the Velofix Business.

You may only use the Internet to advertise on our website in compliance with the Franchise Agreement.

ITEM 13

TRADEMARKS

The Franchise Agreement grants you a license to operate a Velofix Business using the Velofix System and the Marks, including the mark “Velofix” and any future Marks we authorize.

The following Marks have been registered with the U. S. Patent and Trademark Office (PTO) and are owned by Holdings. Holdings has renewed or intends to renew the registrations and has filed all appropriate affidavits:

MARK	REGISTER	REGISTRATION NUMBER	REGISTRATION DATE
VELOFIX (standard characters)	Principal	4,827,448	October 6, 2015
 (design)	Principal	4,788,231	August 11, 2015
SAVE TIME. RIDE MORE (standard characters)	Principal	4,788,232	August 11, 2015
Velofix DIRECT (standard characters)	Principal	5,235,054	July 4, 2017

There is no presently effective determination of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor any pending infringement, opposition or cancellation proceeding, nor any pending material litigation involving any Mark which is relevant to its ownership, use or licensing.

We know of no superior prior rights or infringing use that could materially affect your use of the Marks, and we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

Our rights to the Marks and the proprietary System know-how are derived from a nonexclusive perpetual license (the “Intercompany License”) between us and Holdings. The Intercompany License grants us the right to use the Marks and the proprietary information related to the System, such as the know-how and the Manuals, for the purpose of licensing them to our franchisees and fulfilling our obligations under the Franchise Agreement. The Intercompany License is terminable only for material breach of the Intercompany License agreement and only if we do not cure or begin to cure the breach within 90 days after

notice. We know of no other agreements currently in effect which significantly limit our rights to use or license the use of the Marks in any manner material to you.

We are not obligated to protect your rights to use the Marks or to protect you against claims of infringement or unfair competition. We are not obligated to participate in your defense and/or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the Marks if the proceeding is resolved unfavorable to you.

You must immediately notify us of any infringement of the Marks or of any challenge to the use of any of the Marks or claim by any person of any rights in any of the Marks. You and your Owners must agree not to communicate with any person other than us, any designated affiliate and our or their counsel about any infringement, challenge or claim. We or our affiliates have sole discretion to take any action we deem appropriate and the right to exclusively control any litigation, or PTO (or other) proceeding, from any infringement, challenge or claim concerning any of the Marks. You must sign all instruments and documents and give us any assistance that, in our counsel's opinion, may be necessary or advisable to protect and maintain our interests or those of our affiliates in any litigation or proceeding or to otherwise protect and maintain our or their interest in the Marks.

You may not use any of the Marks as part of your corporate or other name. You must also follow our instructions for identifying yourself as a franchisee and for filing and maintaining the requisite trade name or fictitious name registrations. You must sign any documents we or our counsel determine are necessary to obtain protection for the Marks or to maintain their continued validity and enforceability. Neither you nor your Owners may take any action that would prejudice or interfere with the validity of our rights with respect to the Marks and may not contest the validity of our interest in the Marks or assist others to do so.

We have the right to substitute different trade names, service marks, trademarks and indicia of origin for the Marks if the Marks can no longer be used, or if we determine, in our sole discretion, that the substitution will be beneficial to the System. If we do, we may require you to discontinue or modify your use of any Mark or use one or more additional or substitute Marks at your expense.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any patents, and do not have any pending patent applications, that are material to the franchise. We do claim copyright protection and proprietary rights in the original materials used in the System, including our Manuals, bulletins, correspondence and communications with our franchisees, training, advertising and promotional materials, and other written materials relating to the operation of Velofix Businesses and the System.

There is no presently effective determination of the U.S. Copyright Office (Library of Congress) or any court affecting our copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. We are not obligated by the Franchise Agreement, or otherwise, to protect any rights you have to use the copyrights. We have no actual knowledge of any infringements that could materially affect the ownership, use or licensing of the copyrights.

We treat all of this information as trade secrets and you must treat any of this information we communicate to you confidentially. You and your Owners must agree not to communicate or use our confidential information for the benefit of anyone else during and after the term of the Franchise Agreement. You and your Owners must also agree not to use our confidential information at all after the Franchise Agreement terminates or expires. You and your Owners can give this confidential information only to your employees

who need it to operate your Business. You must have your all of your Owners not signing the Guaranty, all Lead Mechanics, and at our request, any managers or other of your personnel, sign similar covenants (See Item 15.).

If you, your employees or your Owners develop any new concept, process or improvement in the operation or promotion of your Business, you must promptly notify us and give us all necessary information about the new process or improvement, without compensation. You and your Owners agree that any of these concepts, processes or improvements will become our property, and we may use or disclose them to other franchisees, as we determine appropriate.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must devote full time and best efforts to conduct the Business in accordance with the Franchise Agreement.

Prior to opening your business to the public, you must employ or contract on a continuing basis a Lead Mechanic to supervise and train all bicycle mechanics that you contract with or employ. The Lead Mechanic must have the industry certifications that we require and must complete our Initial Training Program to our satisfaction. We have the right to terminate the Franchise Agreement if, in our reasonable opinion, you or the Lead Mechanic's participation in the Initial Training Program discloses an inability to adequately manage and operate a Velofix Business. We may also terminate the Franchise Agreement if you fail to employ or contract with a Lead Mechanic.

You must have all Lead Mechanics, and at our request, any managers or other of your personnel, sign covenants not to compete and must maintain the confidentiality of information they have access to through their relationship with you. (See Item 14.) These covenants will be in substantially the form of Schedule E to the Franchise Agreement. Those of your Owners who are not signing the Guaranty also must sign these covenants. If you are an individual, your spouse must sign a personal guaranty, making your spouse jointly and severally liable for your obligations. We have the right, in our sole discretion, to decrease the period of time or geographic scope of the noncompetition covenants or eliminate the noncompetition covenant altogether for any person who must sign an agreement described in this paragraph (See Item 17.).

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all of the products and services that we require and only the products and services which we authorize for the System. You will not offer to sell or provide through the Business any products or services that have not been approved by us in writing, and you must discontinue any services or products that we disapprove.

There are no contractual limits on our right to make changes to the types of products and services that you must sell. We reserve the right, to the fullest extent allowed by applicable law, to establish maximum, minimum or other pricing requirements with respect to the prices you may charge for products and services.

You may not market or sell any products or services outside of the Territory without our prior written consent or in accordance with our then-current policies regarding the same. You must comply with all of our policies regarding customer protection. You will not offer to sell, attempt to offer or sell, or sell any products or services to other Velofix franchisees' customers.

We may, in our sole discretion and from time to time, provide referrals to you of potential or existing Customers that have multiple locations, where at least 1 of the locations is located outside the Territory (Key Accounts). We may, at our discretion, require you to service one or more of these Key Accounts in accordance with our Manuals. You must honor the terms and conditions of any arrangement we have or may develop for Key Accounts, including, any maximum pricing for services. We reserve the right to designate any of your Customer accounts with at least 1 location outside of your Territory as Key Accounts in our sole discretion. If you fail to service a Key Account customer in accordance with our protocols and in the time required, we may immediately arrange to service them directly or with another franchisee. To the extent we are permitted to accept business from customers inside your Territory, we are not required to compensate you for this business.

You must participate in any marketing or other promotional programs we require generally for Velofix Businesses.

You may not advertise, promote, post or list information relating to the Business on the Internet (through the creation of a Website or otherwise), without our prior written approval, which we may give or withhold at our discretion. You will not use the Marks as part of any domain name, web address or e-mail address.

We do not impose any other restrictions in the Franchise Agreement or otherwise on the goods or services that you may offer or sell to the customers to whom you may offer or sell.

Independent auditor's report

To the Board of Directors of Velofix Holdings USA, Inc.

Our opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Velofix Holdings USA, Inc. (the Company) as at December 31, 2024 and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America (US GAAP).

What we have audited

The Company's financial statements comprise:

- the balance sheet as at December 31, 2024;
- the statement of operations for the year then ended;
- the statement of stockholders' deficit for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA Code) and the ethical requirements that are relevant to our audit of the financial statements in Canada. Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If

we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these financial statements.

1. NATURE OF OPERATIONS

Velofix Holdings USA, Inc. (the “Company”) was incorporated on October 21, 2014 under the Laws of the State of Delaware. The Company sells Velofix franchises in the United States for mobile workshop businesses that provide on-site repair and servicing of bicycles and other ancillary services. The Company provides to its member franchisees a proprietary system, developed brand, and ongoing franchise support.

All amounts are stated in United States dollars unless otherwise noted.

2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the Company are as follows:

Generally accepted accounting principles

These financial statements have been prepared in conformity with generally accepted accounting principles (“GAAP”) in the United States of America.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates incorporated into the Company’s financial statements include the estimated useful lives for depreciable assets, expense allocations to the Company incurred by a related company, revenue recognition of initial franchise fees, and the estimated allowances for doubtful accounts receivable. Actual results could differ from those estimates.

Foreign currency translation

Transactions denominated in foreign currencies are translated at exchange rates prevailing on the transaction dates. Carrying values of monetary assets and liabilities are adjusted at each balance sheet date to reflect the exchange rate at that date. Non-monetary assets and liabilities are translated at the exchange rate on the original transaction date. Gains and losses from translation of foreign currency monetary assets and liabilities are included in the statements of operations. Revenues and expenses are translated at the rates of exchange prevailing on the dates such items are recognized in the statement of operations.

Financial instruments

The Company measures the fair value of financial assets and liabilities based on GAAP guidance (ASC 820 Fair Value Measurements and Disclosures) which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

Under GAAP, fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy is also established, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Quoted prices for similar assets and liabilities in active markets or inputs that are observable.

Level 3 – Inputs that are unobservable (for example cash flow modeling inputs based on assumptions).

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd...)

Cash and cash equivalents

The Company considers cash held at banks and all highly liquid investments with original maturities of three months or less to be cash and cash equivalents. At December 31, 2024 and 2023, the Company did not hold any cash equivalents.

Accounts receivable

Accounts receivable are reported at face value less any provisions for uncollectible accounts considered necessary (Note 3). Accounts receivable primarily includes initial and continuing fees relating to the franchises. In certain instances, deferred payment plans of initial fees will be agreed with franchisees upon signing of the franchise agreement which results in non-current classification of accounts receivable. The Company estimates doubtful accounts on an item-by-item basis.

Impairment of long-lived assets

Long-lived assets to be held and used by the Company will be continually reviewed to determine whether any events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable.

For long-lived assets to be held and used, the Company will base its evaluation on such impairment indicators as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. In the event that facts and circumstances indicate that the carrying amount of an asset may not be recoverable and an estimate of future undiscounted cash flows is less than the carrying amount of an asset, an impairment loss will be recognized.

Revenue recognition

The Company's revenues consist of fees from franchises (initial and continuing) and other revenue. The Company accounts for its revenues as follows:

Franchise fees:

The Company generates franchise-related revenues from two sources and accounts for its franchise-related revenues as follows:

- i) Initial franchise fees: these are revenues generated from the sale of individual franchises, which include: (i) the initial franchise fee; (ii) the promotional package; (iii) the system software set-up fee in each mobile vehicle; and (iv) renewal fees after 5 years. Initial fees are recorded when the Company has performed substantially all initial services required by the franchise agreement and are non-refundable. Initial fees are either recognized or deferred, in full, per franchise. Cash collected by the Company as a deposit for a franchise territory and cash received in advance of revenues being earned is recorded as unearned revenue.
- ii) Continuing fees: recognized in the period earned. Continuing fees are made up of royalties and monthly client care, location and software user fees.

Other revenue:

Other revenue includes customer service charges, other services, and miscellaneous sales of parts and supplies.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd...)

Income taxes

A deferred tax asset or liability is recorded for all temporary differences between financial and tax reporting and net operating loss carry forwards. Deferred tax expenses (benefit) result from the net change during the period of deferred tax assets and liabilities. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

Net income (loss) per share

Basic net income (loss) per share is computed by dividing net income (loss) attributable to common stockholders by the weighted average number of shares of common stock outstanding during the year. Diluted net income (loss) per share takes into consideration shares of common stock outstanding (computed under basic net income (loss) per share) and potentially dilutive shares of common stock. The Company has no dilutive or potentially dilutive instruments.

Recent Accounting Pronouncements

In October of 2021 FASB issued ASU 2021-08 Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers. The update is intended to improve the accounting for acquired revenue contracts with customers in a business combination by addressing diversity in practice and inconsistency related to the recognition of an acquired contract liability and payment terms and their effect on subsequent revenue recognized by the acquirer. The required date of adoption is January 1, 2023, and the Company is evaluating potential future impacts on the Company's financial statements.

In November of 2021 FASB issued ASU 2021 -10 - Government Assistance (Topic 832): Disclosures by Business Entities about Government Assistance. The update is intended to increase the transparency of government assistance including the disclosure of the types of assistance, an entity's accounting for the assistance, and the effect of the assistance on an entity's financial statements. The required date of adoption is January 1, 2022, and the Company has assessed there are no impacts on the Company's financial statements.

Accounts receivable from franchises	\$ 4,813	\$ 25,608
Accounts receivable from vendors	50,497	84,122
	\$ 55,310	\$ 109,730

8. SEGMENT INFORMATION

All of the Company's revenue was earned from franchises in the United States ("USA"). The Company operates in one reportable segment, being the sale of franchises and the provision of ongoing franchise support in the United States. During the year ended December 31, 2024, the Company mutually terminated 4 franchises and opened 2 franchises (2023 – mutually terminated 18). As of December 31, 2024, a cumulative 34 (2023 – 36) franchises are open in the USA.

9. FINANCIAL INSTRUMENTS

The Company's financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities and loans or amounts due to/from related parties. Cash is carried at fair value using Level 1 fair value measurement. The fair value of the Company's other financial instruments approximates their carrying values given their short-term to maturity. Loans to related parties approximates fair value due to the specific characteristics of the instrument.

Risk and concentrations

The Company is exposed to various risks through its financial instruments, without being exposed to concentrations of risk. The following analysis provides a measure of the Company's risk exposure at the balance sheet date.

a) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities. Management mitigates this risk by ensuring it will have sufficient liquidity to meet liabilities when due. As of December 31, 2024, the Company had a cash balance of \$43,141 to settle cash obligations related to current accounts payables of \$74,241. The Company's other current liabilities are due to related party balance of \$5,738,099 (non-interest bearing with no specific terms of repayment) and unearned revenue of \$59,708. Unearned revenue does not represent a cash obligation to the Company. The working capital deficit will be managed by loans from related parties.

b) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company's main credit risks relate to its accounts receivable and loans to related parties. The Company's maximum credit risk exposure equates to the full carrying value of these instruments. The Company mitigates credit risk through standard credit and reference checks.

Loans from related parties involve companies with common directors. The credit risk exposure with respect to these balances is assessed as remote, as management and the common directors of the Company make decisions on repayment.

The Company maintains its cash balances with one financial institution. The Company is satisfied with the credit risk rating of the bank and has assessed the risk of loss to be remote.

9. FINANCIAL INSTRUMENTS (cont'd...)

c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. It is management's opinion that the Company is not exposed to significant currency risk as the Company collects revenues in United States dollars, and incurs expenses in United States dollars. The Company's currency risk exposure is limited to certain components of the loans to related parties that are denominated in Canadian dollars. Fluctuations in the foreign exchange rate would have an insignificant impact on the Company's results of operations.

ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk due to market fluctuations affecting the interest income earned by its cash balances. The Company does not have any fixed interest rate financial instruments.

iii) Other price risk

Other price risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to significant other price risk.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA Code) and the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If

we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. NATURE OF OPERATIONS

Velofix Holdings USA, Inc. (the “Company”) was incorporated on October 21, 2014 under the Laws of the State of Delaware. The Company sells Velofix franchises in the United States for mobile workshop businesses that provide on-site repair and servicing of bicycles and other ancillary services. The Company provides to its member franchisees a proprietary system, developed brand, and ongoing franchise support.

All amounts are stated in United States dollars unless otherwise noted.

2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the Company are as follows:

Generally accepted accounting principles

These financial statements have been prepared in conformity with generally accepted accounting principles (“GAAP”) in the United States of America.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates incorporated into the Company’s financial statements include the estimated useful lives for depreciable assets, expense allocations to the Company incurred by a related company, revenue recognition of initial franchise fees, and the estimated allowances for doubtful accounts receivable. Actual results could differ from those estimates.

Foreign currency translation

Transactions denominated in foreign currencies are translated at exchange rates prevailing on the transaction dates. Carrying values of monetary assets and liabilities are adjusted at each balance sheet date to reflect the exchange rate at that date. Non-monetary assets and liabilities are translated at the exchange rate on the original transaction date. Gains and losses from translation of foreign currency monetary assets and liabilities are included in the statements of operations. Revenues and expenses are translated at the rates of exchange prevailing on the dates such items are recognized in the statement of operations.

Financial instruments

The Company measures the fair value of financial assets and liabilities based on GAAP guidance (ASC 820 Fair Value Measurements and Disclosures) which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

Under GAAP, fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy is also established, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Quoted prices for similar assets and liabilities in active markets or inputs that are observable.

Level 3 – Inputs that are unobservable (for example cash flow modeling inputs based on assumptions).

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd...)

Cash and cash equivalents

The Company considers cash held at banks and all highly liquid investments with original maturities of three months or less to be cash and cash equivalents. At December 31, 2023 and 2022, the Company did not hold any cash equivalents.

Accounts receivable

Accounts receivable are reported at face value less any provisions for uncollectible accounts considered necessary (Note 3). Accounts receivable primarily includes initial and continuing fees relating to the franchises, and velofix DIRECT vendor fees (velofix DIRECT vendors have service agreements that are maintained and coordinated by the Company). In certain instances, deferred payment plans of initial fees will be agreed with franchisees upon signing of the franchise agreement which results in non-current classification of accounts receivable. The Company estimates doubtful accounts on an item-by-item basis.

Impairment of long-lived assets

Long-lived assets to be held and used by the Company will be continually reviewed to determine whether any events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable.

For long-lived assets to be held and used, the Company will base its evaluation on such impairment indicators as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. In the event that facts and circumstances indicate that the carrying amount of an asset may not be recoverable and an estimate of future undiscounted cash flows is less than the carrying amount of an asset, an impairment loss will be recognized.

Revenue recognition

The Company's revenues consist of fees from franchises (initial and continuing) and other revenue. The Company accounts for its revenues as follows:

Franchise fees:

The Company generates franchise-related revenues from two sources and accounts for its franchise-related revenues as follows:

- i) Initial franchise fees: these are revenues generated from the sale of individual franchises, which include: (i) the initial franchise fee; (ii) the promotional package; (iii) the system software set-up fee in each mobile vehicle; and (iv) renewal fees after 5 years. Initial fees are recorded when the Company has performed substantially all initial services required by the franchise agreement and are non-refundable. Initial fees are either recognized or deferred, in full, per franchise. Cash collected by the Company as a deposit for a franchise territory and cash received in advance of revenues being earned is recorded as unearned revenue.
- ii) Continuing fees: recognized in the period earned. Continuing fees are made up of royalties and monthly client care, location and software user fees.

Other revenue:

Other revenue includes customer service charges, other services, and miscellaneous sales of parts and supplies.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd...)

Income taxes

A deferred tax asset or liability is recorded for all temporary differences between financial and tax reporting and net operating loss carry forwards. Deferred tax expenses (benefit) result from the net change during the period of deferred tax assets and liabilities. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

Net income (loss) per share

Basic net income (loss) per share is computed by dividing net income (loss) attributable to common stockholders by the weighted average number of shares of common stock outstanding during the year. Diluted net income (loss) per share takes into consideration shares of common stock outstanding (computed under basic net income (loss) per share) and potentially dilutive shares of common stock. The Company has no dilutive or potentially dilutive instruments.

Recent Accounting Pronouncements

In October of 2021 FASB issued ASU 2021-08 Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers. The update is intended to improve the accounting for acquired revenue contracts with customers in a business combination by addressing diversity in practice and inconsistency related to the recognition of an acquired contract liability and payment terms and their effect on subsequent revenue recognized by the acquirer. The required date of adoption is January 1, 2023, and the Company is evaluating potential future impacts on the Company's financial statements.

In November of 2021 FASB issued ASU 2021 -10 - Government Assistance (Topic 832): Disclosures by Business Entities about Government Assistance. The update is intended to increase the transparency of government assistance including the disclosure of the types of assistance, an entity's accounting for the assistance, and the effect of the assistance on an entity's financial statements. The required date of adoption is January 1, 2022, and the Company has assessed there are no impacts on the Company's financial statements.

The Company has a recognized deferred tax asset of \$147,000 (2022 – \$191,000) to reflect the impact of the cumulative catch-up adjustment. Total deferred tax expense in the period was \$44,000.

The significant components of the Company's deferred tax assets and liabilities are as follows:

8. SEGMENT INFORMATION

All of the Company's revenue was earned from franchises in the United States ("USA"). The Company operates in one reportable segment, being the sale of franchises and the provision of ongoing franchise support in the United States. During the year ended December 31, 2023, the Company mutually terminated 18 franchises (2022 – mutually terminated 19). Refer to Note 11 for franchise renewals and terminations subsequent to December 31, 2023. As at December 31, 2023, a cumulative 36 (2022 – 54) franchises are open in the USA.

9. LOSS ON ASSET ACQUISITION

On March 1, 2022, the Company executed an Asset Purchase Agreement with Mobile Cycling Solutions Inc. in Orange County for a purchase price of \$25,000.

10. FINANCIAL INSTRUMENTS

The Company's financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities and loans or amounts due to/from related parties. Cash is carried at fair value using Level 1 fair value measurement. The fair value of the Company's other financial instruments approximates their carrying values given their short-term to maturity. Loans to related parties approximates fair value due to the specific characteristics of the instrument.

Risk and concentrations

The Company is exposed to various risks through its financial instruments, without being exposed to concentrations of risk. The following analysis provides a measure of the Company's risk exposure at the balance sheet date.

a) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities. Management mitigates this risk by ensuring it will have sufficient liquidity to meet liabilities when due. As at December 31, 2023, the Company had a cash balance of \$20,445 to settle cash obligations related to current accounts payables of \$61,249. The Company's other current liabilities are due to related party balance of \$5,963,776 (non-interest bearing with no specific terms of repayment) and unearned revenue of \$65,000. Unearned revenue does not represent a cash obligation to the Company. The working capital deficit will be managed by loans from related parties.

b) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company's main credit risks relate to its accounts receivable and loans to related parties. The Company's maximum credit risk exposure equates to the full carrying value of these instruments. The Company mitigates credit risk through standard credit and reference checks.

Loans from related parties involve companies with common directors. The credit risk exposure with respect to these balances is assessed as remote, as management and the common directors of the Company make decisions on repayment.

The Company maintains its cash balances with one financial institution. The Company is satisfied with the credit risk rating of the bank and has assessed the risk of loss to be remote.

c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. It is management's opinion that the Company is not exposed to significant currency risk as the Company collects revenues in United States dollars, and incurs expenses in United States dollars. The Company's currency risk exposure is limited to certain components of the loans to related parties that are denominated in Canadian dollars. Fluctuations in the foreign exchange rate would have an insignificant impact on the Company's results of operations.

ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk due to market fluctuations affecting the interest income earned by its cash balances. The Company does not have any fixed interest rate financial instruments.

10. FINANCIAL INSTRUMENTS (cont'd...)

iii) Other price risk

Other price risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to significant other price risk.

Franchisee is specifically prohibited from sublicensing, assigning, or delegating to others any of Franchisee's rights or obligations under this Agreement without Franchisor's prior written consent. Franchisee may not market and/or sell any Products or Services outside of the Territory; provided, except with Franchisor's prior written consent or in accordance with Franchisor's then-current policies regarding the marketing and sale of Products and Services outside the Territory, which may be modified or eliminated at any time in Franchisor's sole discretion. Additionally, Franchisee shall comply with all of Franchisor's policies relating to customer protection, including, without limitation, refraining from offering or selling, or attempting to offer or sell, Products or Services to other Velofix franchisees' customers.

2.2 Territorial Protection and Reserved Rights

- (a) If Franchisee is in compliance with this Agreement and all other agreements between Franchisee or its affiliates and Franchisor or its affiliates, during the term of this Agreement, Franchisor and its affiliates will not establish or authorize anyone except Franchisee to establish a Velofix Franchised Business in the Territory.
- (b) The rights granted to Franchisee under this Agreement are nonexclusive, and Franchisor and its affiliates have and retain all rights within and outside the Territory except those expressly granted to Franchisee. Accordingly, Franchisor, its affiliates, and any other authorized person or entity will have the right, among others, (i) to operate, and license others to operate, Velofix Franchised

Businesses at any location outside the Territory; (ii) within and outside the Territory to develop and establish other business systems using the Marks and to grant licenses to use those systems; (iii) to advertise and promote the System in the Territory; (iv) within and outside the Territory to provide the Products and Services to Customers under Key Accounts; (v) merge with or acquire any other business, including a business that competes with the Franchised Business, or acquire and convert any retail stores, including retail stores operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned; and (vi) except for the restriction in Section 2.2(a), to engage, directly or indirectly, in the license, provision and sale of any and all services and products, including, without limitation, the bicycle repair and maintenance services, under the Marks or under other names or marks, within and outside the Territory, through any method of distribution, including, but not limited to, the Internet, regardless of the competitive impact on the Velofix Franchised Business.

2.3 Key Accounts

Franchisee acknowledges that from time to time, Franchisor may, in its sole discretion, provide referral Customers through its Key Accounts system to Franchisee. Franchisee hereby agrees to service such Customers according to the protocols for Key Account Customers which are described in the Manuals and further agrees that in the event Franchisee fails to service such customers as required by such protocols and within the time required, that Franchisor, in its sole discretion, may immediately arrange to service them directly or with other franchisees. Without limitation of the foregoing, Franchisee must honor the terms and conditions Franchisor may specify and develop for Key Accounts, including the maximum pricing for services. Franchisor reserve the right to designate any of Franchisee's customers that have at least one (1) location outside of the Territory as Key Accounts, which determination will be made in Franchisor's sole discretion, at which time, the servicing and treatment of such Customer will be pursuant to Franchisor's Key Account protocols and policies.

2.4 Additional Mobile Bike Shops

The parties acknowledge and agree that Franchisee will begin the Velofix Franchised Business with one (1) Mobile Bike Shop. A failure by Franchisee to purchase and put into service the additional Mobile Bike Shop in accordance with this Section 2.4 is a default for which Franchisor may terminate this Agreement in accordance with Section 15.1 hereof. Alternatively, upon such default, Franchisor may, in its sole discretion, reduce the size of the Territory in lieu of terminating.

2.5 Office

Before opening the Franchised Business to the public for business, Franchisee shall establish and maintain at all times an office that shall be located in the Territory or within a twenty (20) mile radius of the outside boundaries of the Territory (the "Franchisee's Location"). Franchisee's Location may be located in Franchisee's or one of its Owners' homes, or it may be located in a separate commercial office location. All signage, if any, at Franchisee's Location must comply with Franchisor's standards. If Franchisee's Location is located in Franchisee's or one of its Owners' home, it must be separate and distinct from the living space and be dedicated to the Franchised Business. If Franchisee has not selected a location for Franchisee's Location at the time that the parties execute this Agreement, the parties will amend Schedule A to reflect the address of Franchisee's Location when the location of Franchisee's Location is determined.

Franchisee acknowledges that Franchisor does not review or approve Franchisee's Location. The inclusion of the address of Franchisee's Location in Schedule A does not constitute a guarantee, assurance, representation or warranty of any kind, express or implied, as to the suitability of Franchisee's Location for the operation of the Franchised Business or for any other purpose. Franchisee acknowledges that it has independently investigated the suitability of Franchisee's Location for the operation of a Franchised Business.

The computer equipment, software and all books, records (including banking records) and tax returns related to the Franchised Business will be maintained solely at Franchisee's Location.

Franchisee will not change the address of Franchisee's Location without the prior written consent of Franchisor, such consent not to be withheld unreasonably.

2.6 Opening of Franchised Business

Franchisee shall place the Mobile Bike Shop into operation within fifteen (15) Business Days after taking delivery of the Mobile Bike Shop.

3. FEES & ROYALTY

3.1 Initial Fee

Franchisee shall pay to Franchisor upon the execution of this Agreement an initial, non-recurring, non-refundable franchise fee (the "Initial Franchise Fee") in the amount of twenty five thousand (\$25,000) dollars.

This Initial Franchise Fee shall be deemed to be fully earned by Franchisor upon the execution of this Agreement by Franchisee and in consideration of the grant by it to Franchisee of the opportunity to establish a Velofix Franchised Business as herein provided, and Franchisee shall not be entitled to a refund of any part thereof, regardless of the date of expiration or termination of this Agreement, except as specifically provided herein.

3.2 Royalty

In return for the on-going rights and privileges granted to Franchisee hereunder, Franchisee shall pay to Franchisor throughout the term of this Agreement a continuing royalty in an amount equal to eight (8%) percent of its Gross Sales (the "Royalty"). Such Royalty is payable in arrears on the third (3rd) Business Day of each month for the preceding month (or otherwise as we require from time-to-time).

3.3 Online Management System Software Set-up Fee

Franchisee shall pay to Franchisor a set-up fee (the "Set-up Fee") for each Mobile Bike Shop put into service by Franchisee in the amount of two thousand five hundred (\$2,500) dollars for the installation of, and connection to, Franchisor's online management system software ("Velonet"). The Set-up Fee must be paid in accordance with Franchisor's invoice for such amount.

3.4 Online Management System Software Technology Fee

Franchisee shall pay to Franchisor a reasonable monthly technology fee (the "Technology Fee") for each Mobile Bike Shop designated by Franchisee with access to Velonet, and payable at the same time and manner as the Royalty.

3.5 Client Services Center

Franchisee shall use the client services center that we have established ("Client Services Center") and shall pay to Franchisor a reasonable fee the services provided by the Client Services Center at the same time and manner as the Royalty or, if applicable, in accordance with Franchisor's invoice for such amount. The fees charged for the Client Service Center services

will be based on a percentage of Franchisee's Gross Sales, as determined in Franchisor's sole discretion. However, such fees will not be more than 3% of Franchisee's monthly Gross Sales.

3.6 Royalties during an Event of Force Majeure

In the event that Franchisee is prevented from operating the Franchised Business due to any reason beyond its reasonable control Franchisee shall pay to Franchisor, in lieu of the Royalty required to be paid pursuant to Section 3.2, a Royalty equal to the amounts set out in Section 3.2 herein based on Gross Sales for the period from which Franchisee is prevented from operating the Franchised Business until such time as Franchisee resumes operation of the Franchised Business, based on the four (4) consecutive weeks ending on the Sunday immediately prior to the disruption of operations, within thirty (30) days following the resumption of operations of the Franchised Business.

3.7 Other Fees and Charges

In addition to the fees and amounts described in Sections 3.1 through 3.6, Franchisee agrees to pay to Franchisor or its affiliates and to other third party suppliers promptly when due all other fees, charges and reimbursable amounts payable under this Agreement or other agreements between Franchisor and Franchisee, their respective affiliates, or such third party suppliers. Such payments shall be made at such times and in such manner as may be specified in this Agreement, the Manuals, the relevant invoice for the fees or charges, or other agreements between Franchisor and Franchisee, their respective affiliates, or Franchisee's suppliers.

3.8 Applicable Taxes

It is the intent of the parties that Franchisor receive the amounts set forth in Sections 3.1 through 3.7 net of any Taxes except for Taxes that may be characterized as an income tax on Franchisor's net taxable income. Therefore, Franchisee agrees to pay Franchisor such additional amounts as may be necessary in order that Franchisor receive the same net amount Franchisor would have received under this Agreement had no such Taxes (except for Taxes that may be characterized as an income tax on Franchisor's net taxable income) been applicable to such payments.

3.9 Payment Procedures

Franchisee hereby authorizes Franchisor to initiate electronic debit entries ("EFT") against Franchisee's designated bank account and agrees to execute an authorization in the form of Schedule F to this Agreement and all other documents necessary to effect the authorization given herein. Should any electronic debit not be honored for any reason, Franchisee agrees that Franchisee will be responsible for that payment and any service charge. If any payments are not received when due, interest may be charged in accordance with Section 3.10. Upon written notice to Franchisee, Franchisor may designate another method of payment.

3.10 Interest on Late Payments

Any payment due from Franchisee that is not actually received by Franchisor on or before the due date shall be deemed overdue. All unpaid obligations under this Agreement shall bear interest from the date due until paid at the Interest Rate as defined in Section 1 herein. No provision of this Agreement shall require the payment or permit the collection of interest in excess of the maximum rate allowed by applicable law. If for any reason interest in excess of the maximum rate allowed by applicable law shall be deemed charged, required or permitted, any such excess shall be applied as a payment to reduce any other amounts which may be due and owing hereunder, and if no such amounts are due and owing hereunder, then such excess shall be repaid to the party making the payment.

3.11 Acceptance and Application of Payments

- (a) Acceptance by Franchisor of any payments due subsequent to the due date shall

- not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, provisions, covenants or conditions of this Agreement.
- (b) Franchisor shall have the right to apply any payment it receives from Franchisee to any amounts Franchisee owes Franchisor or its affiliates under this Agreement or any other agreement between them and may offset any amounts owed by Franchisee to Franchisor, even if Franchisee has designated the payment for another purpose or account. Franchisor may accept any check or payment in any amount from Franchisee without prejudice to Franchisor's right to recover the balance of the amount due or to pursue any other right or remedy. No endorsement or statement on any check or payment or in any letter accompanying any check or payment or elsewhere shall constitute or be considered as an accord or satisfaction.
 - (c) Franchisee shall have no right to withhold any payments due Franchisor on account of Franchisor's breach or alleged breach of this Agreement, and no right to offset any amount due Franchisor against any obligation that Franchisor may owe to Franchisee.

4. TERM

4.1 Initial Term

The Initial Term of this Agreement shall commence on the date hereof, and shall expire five (5) years thereafter, unless terminated sooner in accordance with the provisions of this Agreement.

Any programs or business models that are developed on or for the System will be operated, administered and offered to Franchisee on terms as determined by Franchisor in its sole discretion. The specifics for such programs or business models, and the terms on which they will be offered to Franchisee, will be detailed in the Manual, which will be revised to reflect any programs or business models that Franchisor may develop on or for the System.

Such policies shall also include a waiver of subrogation in favor of Franchisor, its affiliates and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants and employees of each of them.

11.3 No Limitation of Other Obligations

Franchisee's obligation to obtain and maintain the foregoing policies in the amounts specified

shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section 18.1 of this Agreement.

11.4 Additional Insured Designation

All insurance policies required hereunder, with the exception of workers' compensation, shall name Franchisor and its affiliates, and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants and employees of each of them, as additional insureds, and shall expressly provide that their interest shall not be affected by Franchisee's breach of any policy provisions. All public liability and property damage policies shall contain a provision that Franchisor and its affiliates, and the officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants and employees of each of them, although named as insureds, shall nevertheless be entitled to recover under such policies on any loss occasioned to them by reason of the negligence of Franchisee or its servants, agents or employees.

11.5 Certificates of Insurance

Upon execution of this Agreement, and thereafter thirty (30) days prior to the expiration of any policy required hereunder, Franchisee shall deliver to Franchisor certificates of insurance evidencing the existence and continuation of proper coverage with limits not less than those required hereunder. In addition, if requested by Franchisor, Franchisee shall deliver to Franchisor a copy of the insurance policy or policies required hereunder. All insurance policies required hereunder shall expressly provide that no less than thirty (30) days' prior written notice shall be given to Franchisor in the event of a material alteration, expiration, or cancellation of the policies.

11.6 Remedies

Should Franchisee fail to procure or maintain the insurance required by this Agreement, Franchisor shall have the right and authority (without, however, any obligation to do so) to procure such insurance and to charge the cost of such insurance to Franchisee, together with a reasonable fee for Franchisor's expenses in so acting. Such amounts shall be payable by Franchisee immediately upon notice. The foregoing remedies shall be in addition to any other remedies Franchisor may have at law or in equity.

12. RESTRICTIVE COVENANTS AND TRADE SECRETS

12.1 Competition during Term of Agreement

Franchisee acknowledges and agrees that Franchisor would be unable to protect the Confidential Information against unauthorized use or disclosure or to encourage a free exchange of ideas and information among Franchised Businesses if Velofix franchisees were permitted to hold interests in or perform services for a Competitive Business. Franchisee also acknowledges that Franchisor has granted this franchise to Franchisee in consideration of and in reliance upon Franchisee's agreement that Franchisee and its Owners will deal exclusively with Franchisor. Franchisee therefore agrees that, without Franchisor's prior written consent, during the term of this Agreement, neither Franchisee, nor any of its Owners nor any Immediate Family member of Franchisee or the Owners will have any direct or indirect interest as a disclosed or beneficial owner in, or perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for, a Competitive Business, located or operating within the United States, its territories or commonwealths, or any other country, province, state or geographic area in which Franchisor or its affiliates have used, sought registration of or registered the Marks or similar marks or operate or license others to operate a business under the Marks or similar marks. The restrictions of this Section 12.1 will not apply to the ownership of publicly-traded ownership interests that constitute less than five percent (5%) of a class of Ownership interests issued and outstanding. Franchisee and its Owners acknowledge that Franchisor shall have the right, in Franchisor's sole discretion, to reduce the scope of any obligation set forth in

this Section 12.1 without Franchisee's or its Owners' consent, effective immediately upon notice to Franchisee. Franchisee and its Owners agree to promptly comply with any obligations as so modified.

12.2 Competition after Termination

Franchisee acknowledges that, as a franchisee under the Velofix System, Franchisee will receive Franchisor's Confidential Information, know-how and other market information that is proprietary to Franchisor and is not generally available in the marketplace and that gives Franchisor, its affiliates, and Velofix franchisees a competitive advantage. **THEREFORE, FOR TWO (2) YEARS AFTER THE EXPIRATION OR TERMINATION OF THIS AGREEMENT OR THE EFFECTIVE DATE OF AN APPROVED TRANSFER OF THIS AGREEMENT, FRANCHISEE AND FRANCHISEE'S OWNERS SHALL NOT DIRECTLY OR INDIRECTLY OWN ANY INTEREST IN, MANAGE, ADVISE, ASSIST, OR PARTICIPATE IN THE MANAGEMENT OF ANY COMPETITIVE BUSINESS WHICH IS LOCATED (I) WITHIN THE TERRITORY, OR (II) WITHIN TEN (10) MILES OF THE PERIMETER OF THE TERRITORY, OR (III) WITHIN TEN (10) MILES OF THE PERIMETER OF THE TERRITORY OF ANY OTHER VELOFIX FRANCHISED BUSINESS.** In the event any dispute regarding the enforceability of this Section 12.2 is resolved in Franchisor's favor, the two (2)-year period (or such other period as may be deemed reasonable by the court) shall run from the later of the date of the order permitting its enforcement or the date Franchisee complies with this Section 12.2.

12.3 Acknowledgments Regarding Restrictive Covenants

Franchisee agrees that each of the foregoing covenants contain reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or Franchisor's other business interests. Each covenant shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in Sections 12.1 or 12.2 is held unreasonable or unenforceable by a court having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee and Franchisee's Owners expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of Section 12.1 or Section 12.2, as applicable. The time period during which the post-term non-competition obligations in Section 12.2 apply will be tolled for any period of noncompliance.

Franchisee and Franchisee's Owners acknowledge that Franchisor will have the right, in Franchisor's sole discretion, to reduce the scope of any covenant set forth in Sections 12.1 or 12.2. without Franchisee's or Franchisee's Owners' consent, effective immediately upon notice to Franchisee; and Franchisee and Franchisee's Owners agree to promptly comply with any covenant as modified.

Franchisee and Franchisee's Owners expressly agree that the existence of any claims Franchisee or they may have against Franchisor, whether arising under this Agreement or otherwise, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section 12.

12.4 Improvements

If Franchisee, Franchisee's employees, or Owners develop any new concept, process or improvement in the operation or promotion of a Velofix Businesses (an "Improvement"), Franchisee agrees to promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Any such Improvement shall become Franchisor's sole property and Franchisor shall be the sole owner of all related patents, patent applications, and other intellectual property rights. Franchisee and Franchisee's Owners hereby assign to Franchisor any rights Franchisee or they may have or acquire in the Improvements, including the right to modify the Improvement, and waive and/or release all rights of restraint and moral rights

therein and thereto. Franchisee and Franchisee's Owners agree to assist Franchisor in obtaining and enforcing the intellectual property rights to any such Improvement in any and all countries and further agree to execute and provide Franchisor with all necessary documentation for obtaining and enforcing such rights. Franchisee and Franchisee's Owners hereby irrevocably designate and appoint Franchisor as Franchisee's and their agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property right related to any such Improvement. In the event that the foregoing provisions of this Section 12.4 are found to be invalid or otherwise unenforceable, Franchisee and Franchisee's Owners hereby grant to Franchisor a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the Improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe Franchisee's or their rights therein.

12.5 Injunctive Relief

Franchisee and Franchisee's Owner acknowledge that any failure to comply with the requirements of this Section 12. shall constitute a material event of default under this Agreement and further acknowledge that such a violation would result in irreparable injury to Franchisor for which no adequate remedy at law may be available. Franchisee and Franchisee's Owners accordingly consent to the issuance of an injunction prohibiting any conduct by Franchisee or Franchisee's Owners in violation of the terms of this Section 12, without the requirement that Franchisor post a bond. Franchisee and Franchisee's Owners agree to pay all court costs and reasonable attorneys' fees and costs that Franchisor incurs in connection with the enforcement of this Section 12, including all costs and expenses for obtaining specific performance, or an injunction against the violation, of the requirements of this Section 12, or any part of it.

12.6 Execution of Covenants by Franchisee's Owners and Management

Franchisee agrees to require and obtain the execution of covenants similar to those set forth in Sections 12.1 and 12.2 from all of Franchisee's Owners not signing the Guaranty and Assumption Agreement, from all Lead Mechanics, and, at Franchisor's request, any managers or other of Franchisee's personnel. These covenants must be substantially in the form set forth in Schedule D; however, Franchisor reserves the right, in Franchisor's sole discretion, to decrease the scope of the noncompetition covenant set forth in Schedule D or eliminate such noncompetition covenant altogether for any person that is required to execute such agreement.

13. SALE, ASSIGNMENT, TRANSFER

13.1 Assignment by Franchisee

Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted rights under this Agreement in reliance on the business skill, financial capacity and personal character of Franchisee and the Owners. Accordingly, neither Franchisee nor any Owner, nor any successor or assign of Franchisee or any Owner, shall sell, assign, transfer, convey, give away, pledge, mortgage or otherwise dispose of or encumber any direct or indirect interest in this Agreement, the Franchised Business, the Mobile Bike Shop(s), or in Franchisee without the prior written consent of Franchisor. Any purported assignment or transfer, by operation of law or otherwise, made in violation of this Agreement shall be null and void and shall constitute a material breach under this Agreement. If Franchisee wishes to transfer all or part of its interest the Franchised Business, the Mobile Bike Shop(s) of Designated Equipment, or this Agreement, or if Franchisee or a Owner wishes to transfer any ownership interest in Franchisee, transferor and the proposed transferee shall apply to Franchisor for its consent.

13.2 Conditions for Approval of Transfer by Franchisee

In considering the request for sale, assignment, transfer or encumbrance (all of which are hereinafter included within the word "transfer") pursuant to Section 13.1 above, Franchisor may

consider, among other things, the information set out in Franchisee's application, the qualifications, good character, requisite general business experience, apparent ability to operate the Franchised Business and credit standing of the proposed transferee, and its partners, managers, principal shareholders, directors and officers, as appropriate. In addition, Franchisor shall be entitled to require as a condition precedent to the granting of its consent that:

- (a) As of the date of Franchisee's request for consent and as of the effective date of transfer there shall be no default in the performance or observance of any of Franchisee's obligations under this Agreement or any other agreement between Franchisee and Franchisor or any affiliate or supplier thereof;
- (b) Franchisee shall have delivered to Franchisor a complete release of Franchisor, its directors and officers, its affiliates and the directors and officers thereof, from all obligations under this Agreement of any such persons, in a form satisfactory to Franchisor;
- (c) The transferee shall enter into a written agreement, in a form satisfactory to Franchisor, assuming full, unconditional, joint and several, liability for, and agreeing to perform from the date of the transfer, all obligations, covenants and agreements of Franchisee under this Agreement. If the transferee is a corporation, partnership, limited liability company or other entity, those of transferee's principals who are designated as principals, also shall execute such agreement and guarantee the performance thereof;
- (d) The transferee shall execute Franchisor's then-current form of franchise agreement for a term ending on the expiration date of this Agreement (including any renewal terms provided by this Agreement). The new franchise agreement shall supersede this Agreement in all respects and its terms may differ from the terms of this Agreement, including higher fees, but the transferee shall not be required to pay an initial franchise fee. If the transferee is a corporation, partnership, limited liability company or other entity, those of transferee's principals who are designated as principals, also shall execute such agreement and guarantee the performance thereof;
- (e) The proposed transferee completing, to the satisfaction of Franchisor, such training in the operations of the Franchised Business, at the proposed transferee's or Franchisee's sole expense, as Franchisor may require;
- (f) The proposed transferee or its Lead Mechanic obtaining the industry certifications required by Franchisor;
- (g) The proposed transferee providing, to the satisfaction of Franchisor, a business plan indicating that the proposed transferee possesses the required level of business experience and acumen necessary in the operation of Velofix Franchised Business;
- (h) Franchisee paying to Franchisor, any fees and/or expenses which may be incurred by Franchisor in dealing with Franchisee's said application for approval and Franchisor's transfer fee in the amount of ten thousand (\$10,000.00) dollars (the "Transfer Fee"). The refusal of Franchisor to consent to the proposed transfer based upon the non-compliance with any of the foregoing conditions shall not be deemed to be an unreasonable withholding of such consent. Franchisor's consent to a transfer shall not operate to release Franchisee from any liability under this Agreement.

In any event, and notwithstanding anything to the contrary in this Agreement or otherwise, Franchisee may not transfer the Mobile Bike Shop or any of the Designated Equipment to anyone other than a new or existing Velofix franchisee that is in Good Standing. Any Designated Equipment which is transferred must first be fully refurbished and brought into compliance with all Designated Equipment offered by Franchisor to new franchisees. These requirements are agreed to be reasonable and appropriate as the Designated Equipment includes elements of valuable intellectual property owned by Franchisor and possession and/or use of the Designated Equipment by unauthorized persons could damage the shared interests of Franchisor and

Franchisee, the integrity of the System and may cause significant loss.

13.3 Right of First Refusal

Without in any way derogating from Franchisor's right to reject a proposed transfer pursuant to Section 13.2 above, if at any time or times during the term of this Agreement, including any renewal thereof, Franchisee obtains a bona fide offer (the "Offer") to acquire the whole or any part of his interest in the Franchised Business, which Franchisee wishes to accept, Franchisee shall promptly give written notice thereof to Franchisor together with a true copy of the Offer. Upon receipt of such notice and Offer, Franchisor shall have the option of purchasing the Franchised Business forming the subject matter thereof upon the same terms and conditions as those set out in the Offer except that:

- (a) There shall be deducted from the purchase price the amount of any commissions or fee that would otherwise have been payable to any broker, agent or other intermediary in connection with the sale of such property to the offer, or;
- (b) Franchisor shall have the right to substitute cash for any other form of consideration specified in the Offer and to pay in full the entire purchase price at the time of closing. Franchisor may exercise its option at any time within twenty (20) days after receipt of the said notice by giving written notice to Franchisee. If Franchisor declines to exercise such option and if such transfer is approved by Franchisor, Franchisee shall be at liberty to complete the transfer to such third party transferee in accordance with the Offer, provided that, notwithstanding the terms of the Offer, such transaction must be completed within one hundred and eighty (180) days of the date on which Franchisor notifies Franchisee of its approval of such transaction. If the transaction is not completed within one hundred and eighty (180) days, the foregoing provisions of Section 13.2 shall apply again in respect of the proposed transfer and so on from time to time;
- (c) In addition to the Offer to be given by Franchisee to Franchisor together with the notice described in Section 13.3 above, Franchisee shall provide Franchisor with:
 - (i) Information relating to the business reputation and qualifications to carry on the Franchised Business of the proposed transferee; and
 - (ii) Any credit information Franchisee may have as to the financial ability and stability of the proposed transferee, including, if the proposed transferee is an individual, his personal net worth statement and if the proposed transferee is a corporation, partnership, or other entity, its latest financial statements.

13.4 Transfer for Convenience of Ownership

If the proposed transfer is to a corporation or other entity formed solely for the convenience of ownership, Franchisor's consent may be conditioned upon any of the requirements in Section 13.1, except that Sections 13.1(d), (e), (f), and (g) shall not apply and the transfer fee under Section 13.1(h) shall be an amount equal to the costs and expenses (including attorneys' fees) that Franchisor incurs in reviewing and documenting the transfer. In any transfer for the convenience of ownership, Franchisee shall be the owner of all the voting stock or ownership interests in the new entity, or, if Franchisee is more than one individual, each individual shall have the same proportionate ownership interest in the new entity as he or she had in Franchisee prior to the transfer.

13.5 Shareholders and Share Certificates

In the event Franchisee is a corporation, limited liability company, partnership, or other business entity:

- (a) Franchisee will provide a the full name(s) and address(es) of Franchisee's

Owners and a description of the type of all currently held interests in Franchisee in Schedule C attached herein; and upon Franchisor's request from time to time, deliver to Franchisor a certificate certifying as to the then-current shareholders, directors, officers, members, or partners, as the case may be, of Franchisee.

- (b) Franchisee will cause the share certificates representing share ownership in the case of a corporation or the documents of title representing an ownership interest in the case of a partnership or other entity, to have typed or written thereon a legend stating that such shares or documents of title are subject to this agreement among, Franchisor, Franchisee and the Owners, that the said franchise agreement contains restrictions on the sale, assignment, transfer, mortgage, pledge, hypothecation, donation, encumbrancing or other dealings with the said shares or documents of title, and that notice of the said agreement is thereby given.
- (c) If, after the execution of this Agreement, any person ceases to qualify as one of the Franchisee's Owners or if any individual succeeds to or otherwise comes to occupy a position which, upon designation by Franchisor, would qualify it as one of Franchisee's Owners, Franchisee shall comply with the provisions of this Section 13. with respect to any such change and shall notify Franchisor within ten (10) days after any such change. In addition, Franchisee shall cause such person to execute all documents and instruments (including, as applicable, the Guaranty and Assumption Agreement or the Confidentiality and Ancillary Covenants Not To Compete) as Franchisor may require others in such positions to execute.

13.6 Assignment by Franchisor

Franchisor shall have the right to transfer or assign this Agreement and all or any part of its rights or obligations herein to any person or legal entity without Franchisee's consent, and upon such transfer or assignment, the transferee or assignee shall be solely responsible for all of Franchisor's obligations arising hereunder subsequent to the transfer or assignment. Without limitation of the foregoing, Franchisor may sell its assets to a third party; may offer its securities privately or publicly; may merge with or, acquire other corporations, or may be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. Franchisee agrees that Franchisor will have no liability after the effective date of such transfer or assignment for the performance of any obligations under this Agreement.

13.7 Securities Offerings

Interests in Franchisee shall not be offered to the public by private or public offering without Franchisor's prior written consent, which shall not be unreasonably withheld. As a condition of Franchisor's consent, Franchisor may, in its sole discretion, require that those of Franchisee's Owners who own an interest in Franchisee immediately prior to the offering retain a controlling Interest in Franchisee after the offering. Franchisee shall give Franchisor written notice at least thirty (30) days prior to the commencement of any offering covered by this Section 13.7. All offering materials shall be submitted to Franchisor for review prior to being filed with any governmental agency or distributed for use. Franchisor's review of the offering materials shall be limited solely to the subject of the relationship between Franchisor and Franchisee. No offering shall imply that Franchisor is participating in an underwriting, issuance or offering of securities. Franchisor may require the offering materials to contain a written statement prescribed by Franchisor concerning the relationship between Franchisor and Franchisee. Franchisee, its Owners and the other participants in the offering must fully indemnify Franchisor, its affiliates, and its and their respective officers, directors, shareholders, partners, agents, representatives, independent contractors, servants and employees, past and present, in connection with the offering. For each proposed offering, Franchisee shall reimburse Franchisor for Franchisor's reasonable costs and expenses (including, without limitation, legal and accounting fees) associated with reviewing the offering materials.

14. DEATH OR PERMANENT DISABILITY

Franchisee or its representative shall promptly notify Franchisor of any death or claim of permanent disability subject to this Section 14. Any transfer upon death or permanent disability shall be subject to the following conditions, as well as to the conditions described in Section 13.2 for any inter vivos transfer.

14.1 Death

Upon the death of Franchisee (if Franchisee is a natural person) or any Owner who is a natural person (the "Deceased"), the executor, administrator or other personal representative of the Deceased shall transfer such interest to a third party approved by Franchisor within six (6) months after the date of death. If no personal representative is designated or appointed or no probate proceedings are instituted with respect to the estate of the Deceased, then the distributee of such interest must be approved by Franchisor. If the distributee is not approved by Franchisor, then the distributee shall transfer such interest to a third party approved by Franchisor within six (6) months after the death of the Deceased.

14.2 Permanent Disability

Upon the permanent disability of Franchisee (if Franchisee is a natural person) or any Owner who is a natural person, Franchisor may, in its sole discretion, require such interest to be transferred to a third party in accordance with the conditions described in this Section 14 within six (6) months after notice to Franchisee. "Permanent disability" shall mean any physical, emotional or mental injury, illness or incapacity which would prevent a person from performing the obligations set forth in this Agreement or in the guaranty made part of this Agreement for at least ninety (90) consecutive days and from which condition recovery within ninety (90) days from the date of determination of disability is unlikely. Permanent disability shall be determined by a licensed practicing physician selected by Franchisor, upon examination of the person; or if the person refuses to submit to an examination, then such person automatically shall be deemed permanently disabled as of the date of such refusal for the purpose of this Section 14. The costs of any examination required by this Section shall be paid by Franchisor.

Franchisor shall have the right to terminate this Agreement and the rights granted hereunder (Provided however that Sections 7 and 12, shall continue in full force and effect for the periods therein specified), without prejudice to the enforcement of any other legal right or remedy, immediately upon Franchisor giving written notice of such termination upon the happening of any of the following events:

15.7 Failure to Act Not to Affect Rights

The failure of Franchisor to exercise any rights or remedies to which it is entitled upon the happening of any of the events referred to in Section 15.1 hereof, shall not be deemed to be a waiver of or otherwise affect, impair or prevent Franchisor from exercising any rights or remedies to which it may be entitled, arising either from the happening of any such event, or as a result of the subsequent happening of the same or any other event or events provided for in Section 15.1 above. The acceptance by Franchisor of any amount payable by or for the account of Franchisee under this Agreement after the happening of any event provided for in Section 15.1 above, shall not be deemed to be a waiver by Franchisor of any rights and remedies to which it may be entitled, regardless of Franchisor's knowledge of the happening of such preceding event at the time of acceptance of such payment. No waiver of the happening of any event, referred to in Section 15.1 above, shall be deemed to be waived by Franchisor unless such waiver shall be in writing.

18. GENERAL PROVISIONS

18.1 Indemnification of Franchisor

Franchisee agrees to indemnify, defend and hold harmless Franchisor, Franchisor's affiliates, and their respective shareholders, directors, officers, employees, agents, successors and assignees (the "Indemnified Parties") against, and to reimburse any one or more of the Indemnified Parties for, any and all claims, and liabilities directly or indirectly arising out of Franchisee's and/or its affiliates' employer/employee relationships, the operation of the Franchised Business, or Franchisee's breach of this Agreement, without limitation and without regard to the cause or causes thereof or the negligence (whether such negligence be sole, joint or concurrent, or active or passive) or strict liability of Franchisor or any other party or parties in connection therewith, including, without limitation, the other Indemnified Parties. Notwithstanding the foregoing, this indemnity shall not apply to any liability arising from Franchisor's gross negligence or willful misconduct, except to the extent that joint liability is involved, in which event the indemnification provided herein shall extend to any finding of comparative or contributory negligence attributable to Franchisee, Franchisee's Owners, officers, directors, employees, independent contractors or affiliates. For purposes of this indemnification, "claims" includes all obligations, damages (actual,

consequential, exemplary or other) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. Franchisor has the right to defend any such claim against Franchisee. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. Under no circumstances will Franchisor or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate Franchisor's, their or Franchisee's losses and expenses, in order to maintain and recover fully a claim against Franchisee. Franchisee agrees that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts Franchisor or another Indemnified Party may recover from Franchisee. The terms of this Section 18.1 shall survive the termination, expiration or transfer of this Agreement or any interest herein.

18.2 Legal Fees

In the event Franchisor shall be made a party to any litigation commenced by or against Franchisee, then Franchisee shall indemnify and save Franchisor harmless against any losses, damages or claims whatsoever arising therefrom and shall pay all costs and expenses including reasonable legal fees, accountants and expert witness fees, costs of investigation and travel and living expenses incurred or paid by Franchisor in connection with such litigation. Further, if it is established that Franchisee has breached any of the terms and conditions of this Agreement, Franchisee hereby agrees to pay all costs and expenses including legal fees that may be incurred or paid by Franchisor in enforcing Franchisor's rights and remedies under this Agreement.

18.3 No Liability

Franchisor shall not be responsible or otherwise liable for any injury, loss, or damage resulting from, occasioned to or suffered by any person or persons or to any property because of any Products sold or Services provided by it to Franchisee.

18.4 Relationship of the Parties

Franchisee agrees that the relationship created by this Agreement is not a fiduciary, special, or any other similar relationship, but rather is an arm's-length business relationship, and Franchisor owes Franchisee no duties except as expressly provided in this Agreement. Franchisee shall be an independent contractor, and nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, joint employer or servant of the other for any purpose. All employees hired by or working for Franchisee will be Franchisee's or Franchisee's affiliate's employees and will not, for any purpose, be deemed employees of Franchisor or subject to Franchisor's control. Franchisor has no authority to hire, fire, promote, or demote any of Franchisee's employees or take any disciplinary action whatsoever against any of them. During the term of this Agreement, Franchisee shall hold itself out to the public as an independent contractor conducting its operations pursuant to the rights granted by Franchisor. Additionally, Franchisee must communicate to all employees that Franchisee, not Franchisor, is their employer; and Franchisee must ensure that no payroll checks or other employment-related documents (such as job applications and W-2s) contain or reference the Marks or Franchisor's name. Each of the parties will file its own tax, regulatory, and payroll reports with respect to its respective employees and operations, saving and indemnifying the other party hereto of and from any liability of any nature whatsoever by virtue thereof.

Nothing in this Agreement authorizes Franchisee or any of the Owners to make any contract, agreement, warranty or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name, and Franchisor shall in no event assume liability for, or be deemed liable under this Agreement as a result of, any such action, or for any act or omission of Franchisee or any of the Owners or any claim or judgment arising therefrom.

If two or more individuals, corporations, partnerships or other entities (or any combination of two or more thereof) shall sign or be subject to the terms and conditions of this Agreement as Franchisee, the liability of each of them under this Agreement shall be deemed to be joint and several.

Except as expressly provided to the contrary herein, each portion, section, part, term and provision of this Agreement shall be considered severable; and if, for any reason, any portion, section, part, term or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, this shall not impair the operation of, or have any other effect upon, the other portions, sections, parts, terms or provisions of this Agreement that may remain otherwise intelligible, and the latter shall continue to be given full force and effect and bind the parties; the invalid portions, sections, parts, terms or provisions shall be deemed not to be part of this Agreement; and there shall be automatically added such portion, section, part, term or provision as similar as possible to that which was severed which shall be valid and not contrary to or in conflict with any law or regulation.

STATE SPECIFIC AMENDMENTS TO FRANCHISE AGREEMENT

**AMENDMENT TO VELOFIX HOLDINGS USA, INC.
FRANCHISE AGREEMENT
FOR THE STATE OF CALIFORNIA**

The Velofix Holdings USA, Inc. Franchise Agreement between _____ (“Franchisee”) and Velofix Holdings USA, Inc. (“Franchisor”), dated _____, 20__ (the “Agreement”) shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement (the “Amendment”):

CALIFORNIA LAW MODIFICATIONS

1. The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq. To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
- b. The Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).
- c. The Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
- d. The Agreement requires application of the laws of Delaware. This provision may not be enforceable under California law.

2. The California Department of Financial Protection has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.

IN WITNESS WHEREOF, the Franchisee on behalf of itself and its owners acknowledges that it has read and understands the contents of this Amendment, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this Amendment and be bound thereby. The parties have duly executed and delivered this Amendment to the Agreement on _____, 20____.

**AMENDMENT TO VELOFIX HOLDINGS USA, INC.
FRANCHISE AGREEMENT
FOR THE STATE OF ILLINOIS**

The Velofix Holdings USA, Inc. Franchise Agreement between _____ (“Franchisee”) and Velofix Holdings USA, Inc. (“Franchisor”), dated _____, 20__ (the “Agreement”) shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement (the “Amendment”):

ILLINOIS LAW MODIFICATIONS

1. The Illinois Attorney General's Office requires that certain provisions contained in franchise documents be amended to be consistent with Illinois law, including the Franchise Disclosure Act of 1987, 815 ILCS 705/1 *et seq.* To the extent that this Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

- a. Illinois Franchise Disclosure Act paragraphs 705/19 and 705/20 provide rights to You concerning nonrenewal and termination of this Agreement. If this Agreement contains a provision that is inconsistent with the Act, the Act will control.
- b. Any release of claims or acknowledgments of fact contained in the Agreement that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Act, or a rule or order under the Act shall be void and are hereby deleted with respect to claims under the Act.
- c. If this Agreement requires litigation to be conducted in a forum other than the State of Illinois, the requirement is void with respect to claims under the Illinois Franchise Disclosure Act.
- d. If this Agreement requires that it be governed by a state's law, other than the State of Illinois, to the extent that such law conflicts with the Illinois Franchise Disclosure Act, Illinois law governing claims arising under the Act will control.
- e. Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void. If this Agreement contains a provision that is inconsistent with the Act, the Act will control.

2. Payment of Initial Franchise Fees will be deferred until the Franchisor has met its initial obligations to franchisee, and franchisee has commenced business operations. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor's financial condition.

3. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of the Illinois Franchise Disclosure Act, with respect to each such provision, are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

4. You must buy, establish, and operate a second Velofix Shop within your territory if your Gross Sales in any consecutive 12-month period exceed \$200,000. Your failure to do so will be considered a material breach of the Franchise Agreement.

5. "Key Accounts" exist in this franchise system. The Franchisor reserves the right to identify, establish and service Key Accounts within your Territory. You may be required to service one or more Key Accounts. If you fail to do so, the Franchisor, an affiliate or another franchisee will service the account in your Territory with no compensation paid to you.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the Franchisee on behalf of itself and its owners acknowledges that it has read and understands the contents of this Amendment, that it has had the opportunity to obtain the advice of counsel, and that it intends to comply with this Amendment and be bound thereby. WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or

complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. Based on our audited financial statements, as a condition to becoming registered to offer and sell franchises in the state of Washington, the Washington Securities Division has required financial assurances. We will defer your obligation to pay the initial franchise fees until you begin operations and initial training has been provided. Therefore, notwithstanding anything to the contrary in the Agreement, during the period that such fee deferral requirement is in effect (“Fee Deferral Period”), you will not be required to pay the initial franchise fees until the you begin operations and initial training has been provided. After the Fee Deferral Period, you must pay the initial franchise fees as provided in the Agreement.

FORM OF GENERAL RELEASE

[Current Form for Transfers and Renewals]

1. **Release of Claims.** Franchisee and its Owners and their respective assigns, heirs, representatives, agents, family members, and all other persons acting on their behalf or claiming under them (collectively referred to as the “Franchisee Related Parties”) irrevocably and unconditionally release and forever discharge Franchisor, its predecessors, subsidiaries, affiliates and their respective owners, officers, directors, agents, independent contractors, servants, employees, representatives, attorneys, successors and assigns and all persons acting by, through, under or in concert with any of them (collectively “Releasees”), from all actions, causes of action, suits, debts, liens, contracts, agreements, obligations, promises, liabilities, claims, rights, demands, damages, controversies, losses, costs, and expenses (including attorneys’ fees and costs actually incurred) of any nature whatsoever, known or unknown, suspected or unsuspected, fixed or contingent, except for claims under the Maryland Franchise Registration and Disclosure Law (“Claim” or “Claims”), which they now have or claim to have or at any time heretofore have had or claimed to have against each or any of the Releasees, including, without limitation, any and all such Claims arising from, based upon or related to the Franchise Agreement, but excluding claims based on any representation that Franchisor made in the most recent Franchise Disclosure Document (including its exhibits and amendments) that Franchisor delivered to Franchisee or its representative in connection with the offer of the Franchise Agreement, subject to agreed-upon changes to the contract terms described in that Franchise Disclosure Document and reflected in the Franchise Agreement (including any riders or addenda signed at the same time as the Franchise Agreement).

[For California franchisees, add: Each of the Franchisee Related Parties expressly waives and relinquishes all rights and benefits which either may now have or in the future have under and by virtue of California Civil Code Section 1542. The parties do so understanding the significance and consequence of such specific waiver. Section 1542 provides that “[a] general release does not extend to claims which the creditor does not know or suspect exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.” For the purpose of implementing a general release and discharge as described in Section 1. above, the parties expressly acknowledge that this Agreement is intended to include in its effect, without limitation, all claims described in Section 1. above which the parties do not know or suspect to exist in their favor at the time of execution hereof, and that this Agreement contemplates the extinguishment of any such claims.]

2. **Unknown Claims.**

(a) Franchisee acknowledges for itself and the Franchisee Related Parties that there is a risk that subsequent to the execution of this Agreement, it will discover, incur or suffer Claims which are unknown or unanticipated at the time this Agreement is executed, including, without limitation, unknown or unanticipated Claims which arose from, are based upon or are related to the Franchise Agreement or some part or aspect thereof, which if known by Franchisee on the date this Agreement is being executed may have materially affected its decision to execute this Agreement.

(b) Franchisee acknowledges and agrees for itself and the Franchisee Related Parties that by reason of the release contained in Section 1 above, it is assuming the risk of such unknown and unanticipated Claims and agrees that its release of the Releasees contained in this Agreement applies thereto.

3. **Covenant Not to Sue.** Franchisee covenants and agrees for itself and for the Franchisee Related Parties not to bring or allow to be brought on behalf of itself or any Franchisee Related Party, any action, cause of action, suit or other proceeding of any kind, which has accrued or which may ever accrue, whether based in the Constitution, common law or statute, contract, tort, or in equity, for actual or punitive damages or other relief, against Franchisor and the Releasees arising out of, resulting from, or in any manner related to the matters referenced in Section 1.

4. **No Assignment of Claims.** Franchisee represents and warrants for itself and the Franchisee Related Parties that it has not assigned or transferred, or purported to assign or transfer, to any person or entity, any Claims released under Section 1 of this Agreement and agrees to indemnify, defend and hold the Releasees harmless from and against any and all Claims, based on or arising out of any such assignment or transfer, or purported assignment or transfer, of any Claims, or any portion thereof or interest therein. Franchisee represents and warrants that since the date of the Franchise Agreement, there has been no assignment or transfer, and no purported assignment or transfer, to any person or entity of the Franchise, the Franchise Agreement, or any rights or interests therein or in the Franchisee.

5. **Full and Independent Knowledge.** Franchisee represents that it has been represented by an attorney in connection with the preparation and review of this Agreement, that it has specifically discussed with its attorney the meaning and effect of this Agreement and that it has carefully read and understands the scope and effect of each provision contained herein. Franchisee further represents that it does not rely and has not relied upon any representation or statement made by the Franchisor or, any of the Releasees or any of their representatives with regard to the subject matter, basis or effect of this Agreement.

6. **Compromise.** Franchisee agrees for itself and the Franchisee Related Parties that the releases contained herein are the result of a compromise and shall never at any time for any purpose be considered as an admission of liability or responsibility on the part of Franchisor or the Releasees regarding any matter.

7. **General Provisions.**

(a) **Entire Agreement.** This Agreement, when fully executed, supersedes all previous negotiations, representations, and discussions by the parties hereto concerning the subject matter hereof and integrates the whole of all of their agreements and understandings concerning the subject matter hereof. No oral representations or undertakings concerning the subject matter hereof shall operate to amend, supersede, or replace any of the terms or conditions set forth herein.

(b) **Authority.** By their signatures below, the parties hereto represent and warrant to each other that they have all necessary authority to enter into this Agreement. Each party hereto represents and warrants that the party is entering into this Agreement solely for the purposes and consideration set forth herein.

(c) **Counterpart Execution.** This Agreement may be executed in multiple counterparts, each of which shall be fully effective as an original.

(d) **Survival.** All covenants, representations, warranties, and agreements of the parties shall survive execution and delivery of this Agreement and shall continue until such time as all the obligations of the

parties hereto shall have lapsed in accordance with their respective terms or shall have been discharged in full.

(e) Further Assurance. The parties hereto covenant and agree that they will execute such other and further instruments and documents as are or may become necessary or convenient to effectuate and carry out the intent of this Agreement.

(f) Complete Defense. Franchisee acknowledges that this Agreement shall be a complete defense to any claim released under the terms of Section 1 of this Agreement and hereby consents to the entry of a temporary or permanent injunction to end the assertion of any such claim.

(g) Attorneys' Fees. In the event that Franchisor institutes legal proceedings of any kind to enforce this Agreement, Franchisee agrees to pay all costs and expenses associated therewith, including, but not limited to, all attorneys' fees.

STATE SPECIFIC ADDENDA TO FRANCHISE DISCLOSURE DOCUMENT

**ADDENDUM TO VELOFIX HOLDINGS USA, INC.
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF CALIFORNIA**

1. The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq. To the extent that the Disclosure Document/and or Franchise Agreement contain provisions that are inconsistent with the following, such provisions are hereby amended:

A. Item 3 of the Disclosure Document is supplemented by the following language:

Neither we nor any person or franchise broker in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A.78a et seq., suspending or expelling such persons from membership in such association or exchange.

B. Item 17 of the Franchise Disclosure Document is supplemented by the following language:

a. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

b. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

c. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

d. The franchise agreement requires application of the laws of Delaware. This provision may not be enforceable under California law.

2. Item 5 is supplemented by the following:

“The California Department of Financial Protection has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.”

3. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE

**CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT
www.dfpi.ca.gov.**

4. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH A COPY OF THE DISCLOSURE DOCUMENT.

5. You must sign a general release if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

6. Corporations Code 31512 provides that: “Any conditions, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of this law or any rule or order hereunder is void.” The franchise agreement requires a shortened status of limitations period. Pursuant to Corporations Code Section 31512, this provision is void, to the extent that it is inconsistent with the provisions of Corporations Code Sections 31303 and 31304.

7. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

8. SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE TO YOU A DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE AGREEMENT.

9. California’s Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner.

**ADDENDUM TO VELOFIX HOLDINGS USA, INC.
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF ILLINOIS**

1. Illinois law governs the Franchise Agreement.
2. In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement (or development agreement) that designates jurisdiction or venue outside the State of Illinois is void. However, arbitration may take place outside of Illinois.
3. Your rights upon termination and non-renewal of a franchise agreement (or development agreement) are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.
4. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.
5. Payment of Initial Franchise Fees will be deferred until the Franchisor has met its initial obligations to franchisee, and franchisee has commenced business operations. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor's financial condition.
6. Each provision of this addendum shall be effective only to the extent that the jurisdictional requirements of the Illinois Franchise Disclosure Act, with respect to each such provision, are met independent of this addendum. This addendum shall have no force or effect if such jurisdictional requirements are not met.
7. You must buy, establish, and operate a second Velofix Shop within your territory if your Gross Sales in any consecutive 12-month period exceed \$200,000. Your failure to do so will be considered a material breach of the Franchise Agreement.
8. "Key Accounts" exist in this franchise system. The Franchisor reserves the right to identify, establish and service Key Accounts within your Territory. You may be required to service one or more Key Accounts. If you fail to do so, the Franchisor, an affiliate or another franchisee will service the account in your Territory with no compensation paid to you.
9. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
