What you Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other laws, that require franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, the term “we” means Sweet & Sassy Franchising, LLC, the franchisor. The term “you” means the person buying the franchise, the franchisee. If you are a corporation, partnership, limited liability company, or other business entity, the term “you” does not include your principals unless otherwise stated. As used in this disclosure document, the term “principal” means your owners, if you are a corporation, partnership, limited liability company or other business entity; or if any owner is, itself, a partnership or other entity, then the term “owner” includes each individual or entity holding a beneficial ownership in the partnership or entity; the intent being that the term “owner” is intended to include all individuals holding a beneficial interest in the franchisee, either directly or indirectly.

The Franchisor and any Parents, Predecessors and Affiliates

We initially were formed as a Texas corporation on May 10, 2005, and, on January 1, 2007, we converted to a limited liability company. We do business only under our corporate name and the name “SWEET & SASSY”. Our principal business address is 4008 Gateway Drive, Ste. 120, Colleyville, Texas 76034. We have no parent company or predecessor. Our agents for service of process are reflected on Exhibit A.

We have been offering franchises of the type described in this disclosure document since October 2005, and have never offered franchises in any other line of business. We have never operated a business of the type described in this disclosure document, however, our affiliate, Sweet & Sassy IP, LLC (“S&S IP”) has operated a similar business since July 1, 2004. S&S IP was formed on June 27, 2006, and shares our principal business address. S&S IP owns all of the SWEET & SASSY intellectual property, including all trademarks, copyrights, and proprietary information, and in June 2011, it granted us a license to use the intellectual property and to sublicense its use to our franchisees. S&S IP has never offered franchises in any line of business.

Our affiliate, Sweet & Sassy Packaging Corporation (“Packaging”) sells certain SWEET & SASSY branded products to our franchisees and currently, Packaging is the only approved supplier of such products. Packaging was formed on January 16, 2017, and shares our principal business address. Packaging has never offered franchises in any line of business.

The Franchise Offered

SWEET & SASSY businesses are designed to appeal to the interests of five to 12-year-old children. They offer a combination of retail store services (featuring clothing, accessories, and bath and beauty products), salon services (including haircuts, styling, mini-manicures and mini-pedicures), and themed party services.

We franchise the right to operate a SWEET & SASSY store (“Store”) according to the terms and conditions of our standard franchise agreement (“Franchise Agreement”) (see Exhibit B). If we approve your franchise application, you will operate the Store under the name “SWEET & SASSY” and/or other proprietary trade names, service marks, trademarks, logos, emblems, and indicia of origin that we designate (collectively, our “Marks”) using our proprietary business format and system (our “System”). We call this the “Franchised Business.”

You will operate one of three types of Stores: a standard Store (“Standard”), which is at least 1,900 square feet and offers all SWEET & SASSY services; a satellite Store (“Satellite”), which is 1,400 to 1,600 square feet, and is usually located in a smaller suburban or rural community and offers all SWEET & SASSY services; or a Store located in a tourist or high-traffic area (“Destination”) such as beach communities, boardwalks, entertainment or amusement parks, and other areas which may attract seasonal customers which is between 600 and 800 square feet. Destination Stores have a different floor plan than Traditional Stores, and do not include the salon portion of the store called the Snip Snap Station.

Our System includes distinctive space plan, layout, décor and color scheme; image; graphics; merchandising scheme; relationships with youth organizations; supplier and vendor relationships; salon

services and spa packages; operation and customer service standards and procedures; training programs; policies regarding personnel, accounting and financial performance; advertising and marketing programs and information technology; and other standards, specifications, techniques and procedures that we designate for operating and managing a SWEET & SASSY Store, all of which we may change, delete, improve, and further develop (collectively, our “Standards”).

Market and Competition

SWEET & SASSY businesses are designed to appeal to the interests of five to 12-year-old children. You will be competing with other businesses that offer children’s salon services and retail services. The market for such services is continuing to develop in most areas and becoming more competitive, and is typically not seasonal.

While Standard and Satellite Stores may not experience seasonal demands, Destination Stores may experience peaks and valleys depending on the seasonal nature of the areas in which they are located. For example, Destination Stores located in beach towns may experience an increase in demand during summer months, while Destination Stores located in ski towns may experience higher demand during the winter months.

Industry Specific Regulations

You must obtain the appropriate salon, cosmetology, or barber’s license from the proper licensing agencies, and must hire licensed cosmetology professionals for some services offered. You also must comply with all laws relating to the operations of businesses generally. These include local, state, and federal laws including health, sanitation, no smoking, EEOC, OSHA, employment laws (including wage and hours requirements, anti-discrimination laws and laws prohibiting sexual harassment), environmental laws, and tax laws (including those requiring payment of payroll taxes). The Americans with Disabilities Act of 1990 (“ADA”) requires readily accessible accommodations for people with disabilities and may affect the building construction, site design, entrance ramps, doors, bathrooms, etc. Your state and city may have additional public accommodation requirements to which your Store must comply.

The payment card industry (“PCI”) Data Security Standard is the current standard of security requirements for all merchants or service providers that store, process, or transmit cardholder data. You are responsible for PCI Data Security Standard compliance as well as any federal, state, and local laws, regulations, and ordinances related to privacy matters, including data and personally identifiable information.

You must follow local and state laws, orders, and ordinances, especially essential worker or mask requirements to address pandemic concerns. Further, you may want to consider relevant guidance issued by federal agencies such as the Center for Disease Control and Occupational Safety and Health Administration for the safety of your customers and employees.

You should consider these laws and regulations when evaluating your purchase of a franchise.

**ITEM 3
LITIGATION**

Concluded Litigation:

Sweet & Sassy Franchising, LLC v. Kimberly Farmer, (Case Number 20 CV 060276 in the Common Pleas Court of Delaware County, Ohio). On June 25, 2020, we sought a temporary restraining order and preliminary injunction against our former franchisee, Kimberly Farmer (“Farmer”), in Ohio state court, for operating a competing salon offering the same or similar services as her former SWEET & SASSY franchised business, in violation of the post-termination covenants in her franchise agreement. In November 2020, parties settled the dispute in which Ms. Farmer permanently closed and ceased operating the competitive business and the assets were sold to a third-party. The salon was re-opened as a franchised business by a non-party franchisee. Ms. Farmer is no longer involved in the S&S system.

Sweet & Sassy Franchising, LLC v. Mommy, Me & More, Inc., et al., (Case Number 153-291187-17 in the 153rd Judicial District of Tarrant County, Texas). On March 23, 2017, we sued our former franchisee, Mommy, Me & More, Inc. (“MMM”), Stephanie S. Diaz and Edward Diaz in Texas State court, for breach of contract, violations of the Texas Uniform Trade Secrets Act, common law unfair competition, unjust enrichment, and a permanent injunction against the operation of a competitive business. Upon the expiration of the franchise agreement, defendants immediately began operating a competitive business in the same retail shopping center formerly occupied by MMM’s Sweet & Sassy Salon while continuing to use Sweet & Sassy’s proprietary System and trade on its goodwill. On November 29, 2018, the Court granted our motion for summary judgment awarding us \$80,291.43 in damages plus pre and post judgment interest. The Court also granted our permanent injunction prohibiting the defendants from operating any business that utilizes our system, confidential, proprietary, and trade secret information within a 5-mile radius from their location, or any other of our locations for a period of 5 years.

Other than the matters above, there is no litigation required to be disclosed in this Item.

**ITEM 4

No bankruptcy is required to be disclosed in this Item.

(2) We anticipate that you will operate the Franchised Business from a leased commercial space. If you choose to purchase a site, your initial costs will be significantly higher. Typically:

(a) a Standard Store consists of at least 1,900 square feet and includes all SWEET & SASSY services (Sassy Shoppe, Sparkle Studio, Pampered Place, Snip Snap Station, and Glam Central and Runway) and a dedicated retail area. A Standard Store will typically offer four haircutting stations, 8 pedicure stations, a full-size makeover and party area, a non-party makeover area, an ear-piercing area, and a retail space. The location is generally located in suburban and urban areas in retail centers, indoor and/or outdoor malls, strip centers with a strong anchor, lifestyle centers, and other commercial centers near residential areas. We may approve Standard Store sites that are smaller in our sole discretion.

(b) a Satellite Store consists of at least 1,400 to 1,600 square feet and includes the same featured services as a Standard Store. It is generally located in smaller suburban or rural community with fewer target market consumers with an age group between three and 10 years old. The location is generally located in lifestyle centers, strip centers with a strong anchor, outdoor malls with competitive rental agreements, other commercial centers near residential areas. Satellite Stores typically have a smaller overall footprint with fewer stations for each salon service, and lower monthly rent than Standard Stores; and

(c) a Destination Store is between 600 and 800 square feet and does not provide the party area (Glam Central and Runway) or salon services (the Snip Snap Station), and have fewer stations for each type of salon service. It is located specifically in high tourist, high foot-traffic destinations, such as beach front communities, ski resorts, or other tourist markets, that draw from consumers who seek to provide unique fun experiences for their children while vacationing or sightseeing, and have disposable income. Destination Stores may be located in retail centers, malls, and other commercial centers, as well as high-occupancy hotels or tourist compounds.

The location will need remodeling both inside and out and must be brought up to our current standards. These costs will vary, depending on how much the landlord allocates to you as a tenant improvement allowance. We estimate landlord allocations to range from \$20,000 to \$100,000, however the above anticipated construction costs do not deduct for such allowance as not all landlords will make this concession.

Depending on the local permitting requirements applicable to the site, the high end assumes you will be required to enlist union labor for the construction project and includes this cost. The location must be accepted by us, in writing, and for construction or improvements our approved architect and general contractor must be used and all designs are to be approved in writing by us. You must also use the general contractor designated and approved by us.

(3) This line item is for the furniture, fixtures and equipment including exterior and interior signs, barber chairs, barber stations, equipment, memorabilia, supplies, costumes, decor, pedicure pit, manicure stations, retail display, photo printers, etc.

(4) This line item is for memorabilia, costumes, décor, retail merchandise, and print materials, and office supplies.

(5) We estimate that the Initial Inventory will cost approximately \$14,000 to \$24,000. When you sign the Franchise Agreement, you will pay us \$12,000 to \$15,000 for proprietary equipment and supplies. This amount may vary in relation to the initial volume and square footage of each Store. In most instances this amount is nonrefundable, but some items may be returnable.

(6) Within the 90-day period after opening, you must spend the minimum amount per your Store type to promote the grand opening of your Store that includes at least one full day Grand Opening. You must

submit the grand opening advertising budget to us for our approval at least 60 days before any expenses are incurred.

(7) This estimate represents three months of payments on your annual insurance premiums, which are approximately \$2,500. Insurance costs will vary depending on such factors as the number of vehicles to be insured, your driving record (or your employees' driving records), the insurer you choose, your location and other factors bearing on risk expense practices which apply to your locality. You may also incur expenses for worker's compensation insurance depending upon your locality.

(8) Currently we do not require you to have a vehicle, however if we do, within 60 days of our notice, you must acquire a vehicle that meets our specifications. You may choose to lease a vehicle to transport customers to and from your Store. If you choose to lease a vehicle it must meet our specifications and guidelines of operation as we may designate from time to time. The leased vehicle must reflect the Marks and Trade Dress in the manner we specify. The range reflects the estimated down payment of a five-year lease arrangement of a new vehicle and If you choose to purchase the vehicle, your cost may be significantly higher than what is reflected in the chart above.

(9) The figures in the chart represent the estimated out-of-pocket costs (including travel to and from the training site, one double-occupancy hotel room, and dining expenses) for two individuals to attend training. These figures do not include travel expenses to the Colleyville, Texas area.

(10) We estimate you will need additional monies on hand during the initial phase of business operations. We estimate that the initial phase will last approximately three to six months. These figures include costs related to applicable licenses, permits, dues for Better Business Bureau and Chamber of Commerce memberships, uniforms, janitorial needs, and the first three monthly payments of \$2,500 for local advertising. These figures are estimates, and we cannot guarantee that you will not have additional expenses starting your Franchised Business. This estimate also includes the Technology Fee in the amount of \$120 per month for first three months of operation Your costs will depend on factors such as: how well you follow our methods and procedures, management skills, experience, dedication, business acumen, local economic conditions, the local competitive landscape, the prevailing wage rate, and the sales level reached during the initial period.

(11) You should review these figures carefully with a business advisor before making any decision to purchase the franchise. The availability and terms of financing will depend on factors such as the availability of financing, generally, your creditworthiness, collateral you may have and lending policies of financial institutions. The estimate does not include finance charges, interest or debt service obligation or your living expenses. We recommend you have sufficient capital to pay for your living expenses for at least 12 months.

(12) We have relied on our principals' and affiliates' eighteen years of experience in operating similar businesses to compile these estimates.

(13) Unless otherwise indicated, these expenditures are nonrefundable.

We have not adopted formal procedures for issuing and modifying supplier approval standards. When evaluating a proposed supplier, we generally apply the following criteria, among others: (1) the supplier's ability to produce the item or service and to meet our specifications and quality Standards; (2) the supplier's ability to meet supply commitments; (3) the supplier's integrity of ownership (to assure that its association with us would not be inconsistent with our image or damage our goodwill); (4) the supplier's financial stability; and (5) the negotiation of a mutually satisfactory confidentiality agreement and license to protect our intellectual property. Revenues Derived from Franchisee Purchases and Leases

We will derive revenue from your purchases and leases to the extent that you purchase or lease items from us or our affiliates. During our fiscal year ending December 31, 2023, we did not derive revenue from

franchisee purchases; however, our affiliate Packaging derived \$328,891.14 in revenue from franchisee purchases or 31% of revenue.

We estimate that required purchases are about 72% of the cost to establish a franchise and between 20% and 30% of total operating costs for goods and services thereafter.

Advertising

The advertising program for products and services offered by SWEET & SASSY Franchised Businesses currently is expanding brand awareness through the use of our branded pink limousines, brochures, website, and joint ventures and promotions with many local youth-related organizations. Our advertising and promotional materials and in-store graphics are created both in house and by an outside advertising agency. We generally do not permit our franchisees to use their own promotional and advertising materials. You must submit any promotional and advertising materials developed by you to us and obtain our written consent prior to use, publication, or distribution.

We have implemented a System-wide brand development advertising and marketing fee (“Brand Development Fee”). You must contribute the Brand Development Fee each month in an amount we specify

periodically, which is currently \$450 per month. We have the right to increase the Brand Development Fee up to 10% each year upon written notice to you.

We will administer the Brand Development Fee monies as follows:

- a) We will control the creative concepts and the materials and media to be used, and we will determine the placement and allocation of advertisements. We may use print, television, radio, Internet or other media for advertisements and promotions. We may engage in local, regional, or national advertising. We are not required to spend any particular amount on advertising in your Designated Area.
- b) We may use the Brand Development Fee to meet or reimburse us for any cost of conducting market research, producing, maintaining, administering and directing consumer advertising (including the cost of preparing and conducting television, radio, Internet, magazine, direct mail and newspaper advertising campaigns and other public relations activities; hosting an Internet web page of similar activities; employing advertising agencies to assist therein; providing promotional brochures and other marketing materials to franchisees;). We will not use Brand Development Fee for creating or placing any advertisement that is principally a solicitation for new franchisees, but may include in all advertising prepared using Brand Development Fee (including Internet advertising) information concerning franchise opportunities, and a portion of Brand Development Fee may be used to create and maintain one or more pages on our website devoted to advertising franchise opportunities and identifying and screening inquiries and applications submitted by prospective franchise candidates.
- c) There is no requirement that the Brand Development Fee monies be audited. The Brand Development Fee account is not a trust or escrow, and neither we nor our affiliates have any fiduciary obligation in administering the Brand Development Fee monies or for any other reason.

Local Advertising

Within the 90-day period after opening, you must spend the minimum required amount for your type of Store to promote the grand opening of your Store, which includes at least one day-long Grand Opening event. The day-long Grand Opening must be held within the first 60 days of operation. You must submit the grand opening advertising budget to us for our approval at least 60 days before any expenses are incurred.

You must spend on local advertising each month at least \$2,500 plus an amount equal to 1% of your Gross Sales. These amounts must be spent in the manner and for the purposes we direct. We have the right to increase the \$2,500 flat fee on January 1st of each year in Company's sole discretion. Any amounts contributed to an Area Cooperative, as described below, will be credited toward your local advertising obligation. Within 30 days following each fiscal quarter, you must submit to us a local area marketing report that we prescribe, as well as any other documentation we request to substantiate your incurred advertising expenses. You must participate in all system-wide promotions that we designate.

Area Cooperative

When there are at least two SWEET & SASSY Stores operating in a designated marketing area (whether company-owned or franchised), we have the right to form an advertising cooperative for the purpose of collectively advertising and promoting the Franchised Businesses ("Area Cooperative"). Each Area Cooperative will operate according to written governing documents that we create, and will act on majority vote of the members, and each member will be entitled to one vote for each Store operated in the area served by the Area Cooperative. If, in an Area Cooperative's formation or functioning, its members are unable to reach agreement with respect to any issue concerning organization, administration, contribution waivers or exceptions, budget or other matters that the members cannot resolve within 45 days, the issue will be referred to us for resolution. Our decision with respect to the issue's resolution will be final and binding on all members of the Area Cooperative. No Area Cooperatives have yet been formed and, therefore, governing documents are not available for your review.

Site Selection and Opening

If the site for the Store has not been identified at the time the Franchise Agreement is signed, you must locate and obtain our approval for a site within 90 days after the Franchise Agreement is signed. Upon receipt of all requested documentation concerning a proposed site, we will notify you of our approval or disapproval in writing within a period of 30 days. The criteria that we use to evaluate the site include general location and neighborhood, traffic patterns, parking, size, physical characteristics of existing buildings, and lease terms.

Franchisees typically open their Stores for business at least 180 days after the Franchise Agreement is signed. The factors that may affect this length of time include obtaining a satisfactory site, constructing, remodeling and decorating the site, and obtaining financing arrangements. When you sign the Franchise Agreement, we will mutually agree on a target opening date, and you must open the Store for business by that date.

If you fail to locate a site or open for business within the prescribed time period, and fail to remedy the default within a 15-day cure period, we may terminate the Franchise Agreement without refunding any fees.

POS & Computer Systems

You must purchase, install and maintain an electronic point of sale cash register system to record sales and transaction data (such as item ordered, price and date of sale). We have approved the POS Meevo by Millennium point of sale system (the "POS System") and this POS System is currently the only system we have approved for new Store openings. All sales must be processed through the approved POS systems and reported as gross sales and no other supplemental or secondary POS system may be used. However, we are continuing to investigate other POS Systems and anticipate that we will approve other POS Systems for use in the Stores in the future. You will use the POS System as a cash register system, a customer data system, an inventory system, an employee payroll and time maintenance system and a daily sales reporting system. You must connect the POS System to a telephone line or other communications device that is capable of accessing the internet via a third-party network. We will have the right to independently access all information and financial data recorded by the system for daily polling, audit and sales verification. There is no limitation on our right to access this information. Updates or replacement of the POS System, both hardware and software, may be required. There is no contractual limitation on the frequency or cost of these obligations. The computer system and/or POS for your Franchised Business will be dedicated for the operation of your Sweet and Sassy Store and used for no other purpose.

The current cost to purchase the POS System, computer system, computer software and hardware is approximately \$1,500. You must also pay a monthly maintenance fee of \$240 to our designated vendor for their answering service, which provides trouble shooting and maintenance questions.

At our request, you must, install and maintain interactive multi-media equipment, devices, technology, and facilities that we require, including approved music systems, Wi-Fi and other wireless internet and communications systems, and interactive displays, including plasma or LCD screens. You must only play approved music at your Franchised Business and obtain and maintain a license for music played in your Sweet and Sassy Store and must be able to supply evidence of this license at our request.

Except as described above, neither we nor our Affiliates, nor any third parties, must provide ongoing maintenance, repairs, upgrades, or updates to your POS System or other computer equipment. Except as described above, there are currently no optional or required maintenance/upgrade contracts for the POS System or other computer equipment.

You must install any other hardware or software for the operation of the Franchised Business that we may require in the future, including any enhancements, additions, substitutions, modifications, and upgrades. There is no contractual limitation on the frequency or cost of these obligations. We may also require you

to license from us, or others we designate, any computer software we develop or acquire for use by SWEET & SASSY.

Information Systems/Technologies

We may designate the information system used in your Franchised Business, including the computer hardware, software other equipment and enhancements (the “Information System”). If you suspect or know of a security breach, you must immediately give notice of such security breach and promptly identify and remediate the source of any compromise of security breach at your expense. You assume all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning customers of the franchise business unless otherwise directed by us.

You are solely responsible for protecting yourself from disruptions, Internet Access failures, Internet content failures, and attacks by hackers and other unauthorized intruders and you waive any and all claims you may have against us or our affiliates as the direct or indirect result of such disruptions, security breach and promptly identify and remediate the source of any compromise of security breach at your expense. You assume all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning customers of the Franchise Business, unless otherwise directed by us.

All of the information we or our affiliates obtain from you or about your Franchised Business, and all information in your records or our concerning the members of your Franchised Business (“the Information”) and all revenues we derive from the Information will be our property. However, you may at any time during the term of your franchise agreement, use in the operation of your Franchised Business (but for no other purpose), to the extent lawful and at your sole risk and responsibility, any information that you acquire from third parties in operating your Franchised Business, such as customer data. The information (except for information you provide to us or our affiliates with respect to you and your affiliates, including your respective officers, directors, shareholders, partners or equity members of your entity) will become our property which we may use for any reason as we deem necessary or appropriate in our discretion. You hereby authorize your payment processor to release the information to us at any time. You agree that we are not obligated to provide any training or assistance to your particular level of satisfaction, but as a function of our experience, knowledge and judgment. You also acknowledge that we are not obligated to provide any services to you that are not set forth in this agreement. If you believe we have failed to adequately provide any pre-opening services to you or to your employees, whether with respect to site selection, selection and purchase of equipment and supplies, training or any other matter affecting the establishment of your Franchised Business, you must notify in writing within 30 days following the opening of your Franchised Business or you will be deemed to conclusively acknowledge that all pre-opening and opening services required to be provided by us were sufficient and satisfactory in your judgment and complied with all representations made to you.

ITEM 12 TERRITORY

You will operate the Franchised Business at a specific retail location that we have approved. While you will be assigned a Designated Area, as defined below, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

During the franchise term, we will not operate or authorize anyone except you the right to operate a Franchised Business under the Marks from a physical location in a defined geographic area surrounding the Store (the "Designated Area"). Your Designated Area will be identified on the Summary Page of the Franchise Agreement as well as Attachment B to the Franchise Agreement, and will be defined in terms of zip codes or geographic or other physical boundaries. If no address is identified, the Designated Area is a certain radius around the actual location from which you operate the Franchised Business. In densely populated urban areas, the Designated Area will be less and may be as small as a 1-mile radius or an office or retail building in these types of areas. Generally, the Designated Area for Franchised Businesses located in suburban areas encompass approximately a 3-mile radius, with the front door of the Franchised Business serving as a center point for the Designated Area.

The Designated Area granted to you will exclude venues within the Designated Area that we consider “Captive Markets”. A Captive Market is any facility that serves a captive market, such as department store, supermarket, shopping mall (defined as enclosed or open retail centers with gross leasable area in excess of 350,000 square feet), amusement park, airport, train station, hotels, tourist compounds, travel plaza, casino, nightclub, restaurant, public facility, college or school campus, sports or entertainment stadium or arena, hospital, office building, convention center, airline (in-flight services), military base, or any other mass gathering event or location.

We reserve for ourselves all rights not expressly granted to you, including the right to: (a) establish, operate and license others to establish and operate Franchised Businesses or other retail establishments located anywhere including inside your Designated Area if it’s a Captive Market and outside your Designated Area, regardless of proximity to or competitive impact upon your Franchised Business and regardless of whether these establishments market their products and services in or draw customers from your Designated Area; (b) distribute private label products, memorabilia, and other products and merchandise, whether or not identified by or associated with the Marks, to or through commercial establishments that are not affiliated with us including, for example, department stores, supermarkets and convenience stores, both inside and outside your Designated Area, regardless of proximity to or competitive impact on your Franchised Business; (c) distribute private label products, memorabilia, and other products and merchandise whether or not identified by or associated with the Marks, to customers inside your Designated Area through catalogues, telemarketing campaigns, an Internet website and other direct-order techniques; (d) distribute

catalogues and similar sales solicitation materials, broadcast television and radio commercials for direct-order merchandise, initiate telephone contact with and accept telephone orders from residents in your Designated Area, and fill customer orders for direction-order merchandise all within your Designated Area; and (e) operate, and grant to others to operate, retail store services, salon, and party establishments identified by trade names, trademarks, service marks, or trade dress, other than the Marks, within or outside of your Designated Area.

We and our affiliate have not established, and have no present plans to establish, other franchises or company-owned businesses selling or leasing similar products or services under a trade name or trademark different from the SWEET & SASSY Marks. There are no restrictions on our right to solicit business inside your Designated Area, and no requirement that we compensate you for business solicited in your Designated Area.

If the lease for the Store premises expires or is terminated before the end of the franchise term, you may move the Store to another location chosen according to our site selection procedure. The new location (a) must be in your Designated Area, and (b) must not infringe upon a franchise agreement or other agreement applicable to another franchisee. You must initiate the relocation procedure in time to lease, build-out and open the new Store for business within 120 days after the original Store closes.

You may only target and direct market your Franchised Business to customers located within your Designated Area. You may never direct market or make sale inside another franchisee’s Designated Area. You may only offer and sell approved products and services from your Store location located within your Designated Area and, only to retail customers.

There are no circumstances that permit us to modify your territorial rights under the Franchise Agreement. You have no options, rights of first refusal, or similar rights to acquire additional franchises.

---	-----	-----	------------

S&S IP claims common law and federal rights to the above trademarks and service marks. We do not have a federal registration for the common law trademark. This trademark does not have as many legal benefits and rights as federally registered trademarks. If our right to use this trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses. The franchisor is currently not aware of any prior rights or infringing uses that could materially affect the franchisee’s use of the principal trademarks. All required affidavits have been filed. There are no presently effective determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor any pending interference, opposition or cancellation proceeding or material litigation involving the Marks. There are no infringing uses actually known to us that could materially affect your use of the Marks, however, we have not conducted an exhaustive search of users of names which may be the same or similar to our marks.

Sweet & Sassy IP has granted us the right to sublicense the Marks pursuant to an Intellectual Property License Agreement (the “License Agreement”). The term of the License Agreement is perpetual, but may be terminated by either party by mutual agreement. Furthermore, the License Agreement will terminate without notice, unless otherwise agreed in writing, if we (a) become insolvent, (b) make an assignment for the benefit of creditors, (c) have a petition in bankruptcy filed for or against it, (d) are a party to a merger, consolidation or conversion, where Company is not deemed by law to be the surviving entity, or (e) are subject of a dissolution or winding-up of its business. The rights granted to you, to use the Marks in the operation of the Store will not necessarily terminate upon termination of the License Agreement. You will retain the right to use the Marks with the Store, unless you have lost your rights to use the Marks under your Franchise Agreement.

Except as described above, we know of no superior prior rights or infringing use that could materially affect your use of the Marks, and we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

You may not use the Marks or any part of the Marks in your legal name, and you may not use them to incur any obligation or indebtedness on our behalf.

You may not use the Marks or any part or derivative of the Mark on the Internet, except as expressly permitted in writing. This prohibition includes use of the Marks or any derivative of the Marks as part of any URL or domain name, as well as their registration as part of any user name on any gaming website or social networking web site (such as FACEBOOK, INSTAGRAM, or TWITTER), whether or not such social media platform is used for commercial gain, or as part of any unauthorized email address.

You must promptly notify us of any suspected unauthorized use of, or any challenge to the validity of the Marks or Copyrighted Materials (defined below in Item 14), or any challenge to our ownership of, or license to use and to license others to use, or your right to use, the Marks or Copyrighted Materials. We have the right to direct and control any administrative proceeding or litigation or other adjudicative proceeding involving the Marks or Copyrighted Materials, including any settlement of the proceeding. We or our affiliate has the right, but is not obligated, to take action against uses by others that may constitute infringement of the Marks or Copyrighted Materials. In regard to any litigation under your use of the Marks

or Copyrighted Materials, you must sign all documents that we require and do all things that we consider necessary to carry out the defense or prosecution, which may include becoming a nominal party to any legal action.

We have the right to designate new, modified and/or replacement Marks for your use and to require you to use the new, modified or replacement Marks in addition to or in lieu of any previously designated Marks. You must comply with the directive, at your expense, within a reasonable time following your receipt of written notice of the change.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL

The Franchise Agreement provides that the SWEET & SASSY Franchised Business must at all times be under your direct, day-to-day, full-time supervision (or if you are incorporated or are a partnership, then a managing shareholder or partner of the corporation or partnership, approved by us) or under the supervision of a General Manager. Your General Manager does not have to have an equity interest in the franchise, but must have successfully completed the training program.

If you are a corporation, partnership, or other business entity, each shareholder, partner, or owner must personally guarantee your obligations under the Franchise Agreement, and also agree to be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, agree to be bound by the confidentiality provisions and noncompetition provisions of the Franchise Agreement and agree to certain restrictions on their ownership interests. There is no restriction on our right to make these changes.

You may not sell any product or service to any wholesale customer, and may not sell any product or service through alternate channels of distribution, including catalogues, an Internet web site, or other distribution channels without our prior permission. All customer contact information is our exclusive property. You may not sell any customer contact information.

In addition, you must keep the Franchised Business open for the hours specified by the Manual(s) if applicable, and may only advertise through Sweet & Sassy approved media.

Periodically, we may allow certain services or products that are not otherwise authorized for general use as a part of the System to be offered locally or regionally based upon such factors as we determine, including test marketing for the purpose of customer or operational feedback or evaluation, your qualifications, and regional or local differences.

Written substantiation for the financial performance representation will be made available to you upon reasonable request.

Your Salon sales will be directly affected by a number of factors, like the brand recognition of SWEET & SASSY Salon in the market, competition in the market, the quality of management and service at the Salon, and your pricing decisions. Other factors may also affect sales at your Salon. Therefore, you should use this data only as a reference to help you conduct your own analysis. Franchisee hereby undertakes the obligation and agrees to continually operate the Franchised Business during the Term hereof and strictly according to the terms and conditions of this Agreement.

2.2. Wholesale. Franchisee may not, among other things, sell any products or services to any wholesale customer; or sell any product or service through alternate channels of distribution, including catalogues, an Internet website, or other distribution channels without Company's express prior permission.

2.3. Captive Markets. The Designated Area granted to the Franchisee excludes venues within the Designated Area that are considered "Captive Markets". 2.4. Reserved Rights. Company (and its respective successors and assigns, by purchase, merger, consolidation or otherwise) reserves all rights that this Agreement does not expressly grant to or confer upon Franchisee, including, without limitation: *(a)* the right to establish, operate and license others to establish and operate Franchised Businesses or other retail establishments located anywhere including inside your Designated Area if it's a Captive Market and outside the Designated Area's physical boundaries, regardless of proximity to or competitive impact upon Franchised Business and regardless of whether these establishments market their products and services in or draw customers from the Designated Area; *(b)* the right to distribute private label products, memorabilia, and other products and merchandise, whether or not identified by or associated with the Marks, to or through commercial establishments that are not affiliated with Company or associated with the Business Network, including (for example) department stores, supermarkets and convenience stores, both inside and outside the Designated Area, regardless of proximity to or competitive impact upon the Franchised Business; *(c)* the right to distribute private label products, memorabilia, and other products and merchandise whether or not identified by or associated with the Marks, to customers inside the Designated Area through catalogues, telemarketing campaigns, an Internet website and other direct-order techniques; *(d)* the right to distribute catalogues and similar sales solicitation materials in the Designated Area, broadcast television and radio commercials for direct-order merchandise into the Designated Area, initiate telephone contact with and accept telephone orders from residents of the Designated Area, and fill customer orders for direct-order merchandise in the Designated Area, regardless of proximity to or competitive impact upon the Franchised Business; and *(e)* operate, and grant to others the right to operate, retail store services, salon, and party establishments identified by tradenames, trademarks, service marks or trade dress, other than the Marks, pursuant to such terms and conditions as Company deems appropriate, within and outside the Designated Area and regardless of proximity to or competitive impact upon the Franchised Business.

2.5. Nothing in this Agreement prohibits or restricts Company from: (a) owning, acquiring, establishing, operating, or granting franchise rights for one or more other businesses under a different trademark or service mark (*i.e.*, a mark other than SWEET & SASSY), whether or not the business is the same as or competitive with SWEET & SASSY Stores, within or outside the Designated Area; or (b) owning, operating, or franchising one or more similar businesses as the franchise, other than the one authorized in the Franchise Agreement, under the name SWEET & SASSY or some derivative of the Marks.

2.6. Franchisee acknowledges and agrees that Company has no express obligation or implied duty to insulate or protect Franchisee's revenues from erosion as the result of the Franchised Business' competing with other Franchised Businesses or Company's distribution of products and services through alternate channels of distribution in the ways and to the extent this Section 2 provides or contemplates. Franchisee expressly waives and relinquishes any right to assert any claim against Company based on the existence, actual or arguable, of any such obligation or duty.

2.7 Franchisee must only operate the approved Franchised Business from the approved location and no other business.

3. BUSINESS ENTITY REQUIREMENTS

3.1. If Franchisee is a Business Entity, the following requirements apply:

- (a) Franchisee must be newly organized and its Charter Documents must provide that Franchisee's purposes and activities are restricted exclusively to operating the Franchised Business franchised hereunder.
- (b) True, complete and duly authenticated copies of Franchisee's Charter Documents and a resolution of Franchisee's board of directors, general partner or other managing body authorizing Franchisee to enter into and perform this Agreement must be furnished to Company prior to the execution of this Agreement.
- (c) Franchisee's Charter Documents shall impose Transfer restrictions that give effect to Section 13.1, and each certificate representing an ownership interest in Franchisee shall contain or have conspicuously noted upon its face a statement in a form satisfactory to Company to the effect that any assignment or Transfer of the certificate is subject to all restrictions this Agreement imposes on Transfers.
- (d) Franchisee shall maintain a list of all record and beneficial owners of Ownership Interests in Franchisee and shall furnish a current version of the list to Company between December 15th and 31st of each year and upon request.

4. FEES

4.1. Initial Franchise Fee. Franchisee shall pay Company, or its designee, the Franchise Fee upon execution of this Agreement. The Franchise Fee is fully-earned upon receipt and is not refundable under any circumstances, and covers Company's costs associated with sale of the franchise to Franchisee (50%), training and onboarding the Franchisee (25%), and providing Franchisee pre-opening services (25%).

4.2. Royalty Fee. During the Term of this Agreement, Franchisee shall pay to Company or its designee, a nonrefundable and continuing monthly Royalty Fee. The continuing Royalty Fee shall be paid by the business day immediately following the 15th day and the last day of each month.

4.3. Method of Payment. Royalty Fees, Brand Development Fees, Technology Fee, and other payments due under this Agreement will be payable each Accounting Period by automatic debit of Franchisee's account. Franchisee will authorize Company and its bank to debit Franchisee's account directly for the payment of all fees, including, but not limited to the Franchise Fee, Royalty Fees, Brand Development Fee, Area Cooperative Contributions, and other amounts due hereunder by signing and delivering the ACH Authorization Agreement for Pre-Authorized Payments in the form attached to this Agreement at

Attachment C. Royalty Fees and applicable periodic payments will be payable without notice or demand within five days from the end of each Accounting Period with respect to Franchisee's Gross Sales for the immediately preceding Accounting Period. All other payments will be due upon demand. By notice in writing to Franchisee, Company may from time to time change the payment interval, the payment date, the manner of payment. Franchisee agrees to make sufficient funds available in its account no later than the payment due date.

4.4. No Offset or Retention of Funds. Franchisee will not be entitled to withhold payment of Royalty Fees, Brand Development Fees, Technology Fee, or other amounts due to Company hereunder on account of Company's breach or alleged breach of its obligations under this Agreement; Company's performance under this Agreement constitutes no part of the consideration for Franchisee's obligation to pay Royalty Fees and other amounts owed to Company under this Agreement. Withholding payment of Royalty Fees, or any other amounts due Company is a material breach of this Agreement. No endorsement or statement on any payment for less than the full amount due to Company will be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Company has the right to accept and cash any such payment without prejudice to Company's right to recover the full amount due, or pursue any other remedy provided in this Agreement or by law. Company has the right to apply any payments made by Franchisee against any of Franchisee's past due indebtedness as Company deems appropriate. Company shall set off sums Company owes to Franchisee against any unpaid debts owed by Franchisee to Company.

4.5. Interest; Nonsufficient Funds Charge. If Franchisee fails to make any Royalty Fees, Brand Development Fees, Technology Fee, trade account or other payment to Company or its designee by the date on which such payment is due or such payment is returned, the amount payable will bear interest from the date it became due through the date of payment at the lesser of (a) 5% in excess of the prime commercial rate of interest reported in the Wall Street Journal (Southwestern edition), adjustable daily, or (b) the highest lawful rate of interest permitted by applicable state and federal law, and Franchisee shall pay to Company a late fee of U.S. \$100 per day for each day the respective payment remains unpaid. Nothing in this Agreement shall obligate Franchisee or any guarantor of Franchisee's obligations to pay, or entitle Company or its designee to collect, interest in excess of the maximum rate applicable law permits. If, for any reason, Company or its designee charges or receives interest in excess of the maximum rate permitted by applicable law, the excess shall be applied as a payment against the principal amount of Franchisee's other obligations under this Agreement. If no other obligations are due, Company or its designee shall promptly refund the excess payment to the party that paid it.

4.6. Partial Payments; Application of Payments. If Franchisee pays less than the amount due, its payment will be considered a partial payment on account. Company may accept such payment as a partial payment, irrespective of any endorsement or other statement that the payment constitutes full payment. Company's acceptance of such partial payment will not be considered a waiver of any of its right to demand or receive full payment, and Franchisee hereby waives any estoppel defense in this regard. Company may apply such payments to any indebtedness, in its sole and reasonable discretion, regardless of any designation that accompanies the payment.

4.7. Payment of Taxes. If any tax is imposed on payment owed to Company (other than a tax imposed on Company's net income), then Franchisee shall be responsible and shall pay the tax in addition to its payment obligation, the intent being that Company shall receive all payments in full, as if no such tax had been imposed.

4.8. Franchisee shall submit all fees and payments to Company in U.S. dollars. Likewise, Franchisee shall only accept payments related to the Franchised Business in U.S. dollars. Franchisee is expressly prohibited from accepting as payment in any other currency, electronic or otherwise, including cryptocurrency and tokens such as Bitcoin, Ethereum, Litecoin, and other digital currencies or tokens. Franchisee is required to accept all forms and methods of payment that Company requires, including debit cards, credit cards, stored value cards, or other non-cash systems (including, for example, APPLE PAY,

and/or GOOGLE WALLET) that Company specifies periodically to enable customers to purchase menu items and other authorized goods and services, and to install all hardware and/or software necessary to accept such payments. The parties acknowledge and agree that protection of customer privacy and credit card information is necessary to protect the goodwill of franchises operating under the Marks and System. Franchisee is solely responsible for its own education concerning these regulations and standards and for achieving and maintaining applicable compliance certifications. Franchisee shall defend, indemnify, and hold Company harmless from and against all claims arising out of or related to Franchisee's violation of the provisions of this Section 7.18.

4.9. Default Fee. If Franchisee is in default under this Agreement, at the Company's sole discretion, and without waiver of any of the Company's rights under this Agreement, the Company may impose a fee ("Default Fee") in an amount up to \$1,500 per event of default, plus the cost of re-inspections and the costs enforcing compliance. You must pay the Default Fee within 3 days of our demand. Any late payment due under this Section is subject to Interest Charge as stated in Section 4.5 of this Agreement.

4.10 Brand Protection Reimbursement. Franchisee acknowledges and agrees that if any acts of the Franchisee, its owners, officers, employees, or related parties, harms the good will associated with the Marks or the SWEET & SASSY System, Franchisee shall reimburse the Company all actual fees and costs including reasonable attorneys' fees and court costs associated with such harm. Company may in its absolute sole discretion hire third party vendor including, but not limited to a public relations firm to reinstate and regain the goodwill associated with the SWEET & SASSY System and if the Company retains such services, you agree to reimburse the Company its actual costs and fees associated with such retention. Franchisee further acknowledges and agrees that "goodwill" is an inherent value of the Company's Marks and recognition of the Marks among consumers and extra earning power that it generates. Any negative impact on the SWEET & SASSY System, Brand, or Marks shall be considered harm to the goodwill associated with the System, Marks and the SWEET & SASSY Brand.

4.11 Technology Fee. Franchisee shall pay to Company its then-current technology fee ("Technology Fee") on the first of every month, which is currently \$120 but subject to annual increase of 15% from prior year. Company has the right to enforce this fee at the Company's discretion upon providing Franchisee 30 days' notice of their intent to enforce or increase to the current monthly Technology Fee.

The Technology Fee will cover the Company's cost of providing the Franchisee with access and license for training, five e-mail addresses per Store under the Company's @sweetandsassy.com domain, one Store specific landing page on the Company's website and other technology the Company deems appropriate at its sole discretion.

5. MODIFICATION OF FRANCHISE, TRADE DRESS AND EQUIPMENT STANDARDS

5.1. Company reserves the right to modify the System, Operations Manual, and Marks from time to time, including, without limitation, the right to (a) add new and different items to the list of authorized services and merchandise offered by the Franchised Business, (b) withdraw service and merchandise items from the list of authorized services and merchandise offered by the Franchised Business, or to change their names and image, (c) change the Trade Dress and/or Standards for equipment and fixtures, (d) add to or change the Standards for customer services, (e) abandon the use of vehicles, equipment, fixtures and merchandising displays for any service and merchandise item that Company withdraws from the list of authorized services and merchandise offered by the Franchised Business, and (f) require the use of new or different electronic data processing and communications equipment and facilities. Franchisee shall promptly comply with and adopt, at its own expense, all such modifications.

5.2. If the addition of an authorized service or product would not require the installation of new fixtures or equipment, Company may instruct Franchisee to begin offering the new service or product as of a date specified in a supplement to the Operations Manual or other written instructions delivered to Franchisee. Similarly, if the deletion of an authorized service or product would not require the removal of fixtures or

equipment, Company may direct Franchisee to cease offering the service or product as of a date specified in a supplement to the Operations Manual or other written instructions delivered to Franchisee. Franchisee will comply with Company's instructions as of the date Company specifies, which need not be more than 30 days after Company distributes the Operations Manual supplement or other written instructions.

5.3. If Company abandons or adopts changes in the Standards that necessitate the addition or removal of furniture, fixtures, equipment, signs or Trade Dress items, Company may instruct Franchisee to adapt the Franchised Business to the Standards through a supplement to the Operations Manual. Company, in consultation with Franchisee, will establish a schedule for Franchisee to implement such changes that will depend, among other factors, on the Franchised Business's size, age, and the amount Franchisee has spent in recent periods to refurbish and upgrade the Franchised Business. Franchisee will remove from the Store any items Company designates as obsolete and will purchase and/or lease and install any different or additional items Company specifies as meeting its new Standards, all in accordance with the schedule Company establishes for the Franchised Business.

5.4. If Company allows the Franchised Business to participate in any new service or product test, Franchisee will participate in the test in accordance with Company's Standards and will discontinue offering any service or product that Company decides not to add permanently to the authorized Franchised Business service and merchandise list.

5.5. If Franchisee develops or suggests an innovation or improvement that Company decides to incorporate into the System, either temporarily or permanently, the innovation or improvement will become Company's Confidential Information without compensation. Franchisee hereby assigns each such innovation or improvement to Company and agrees to execute and deliver all such additional instruments and documents as Company may request to evidence the assignment and Company's ownership of the innovation or improvement. In the event that the foregoing provisions of this Section 5.5 are found to be invalid or otherwise unenforceable, Franchisee hereby grants to Company a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of such innovation or improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe on Franchisee's rights therein.

5.6 Renovations.

If this Franchise Agreement is signed as part of the transfer of an existing franchise or renewal of an existing franchise, then the any construction, specification, or Trade Dress required under this Agreement shall be the renovation of your Franchised Business in accordance with the provisions of the predecessor franchise agreement. If, at our sole discretion, we allow you to complete the renovation after signing this Agreement, the renovation must be completed in accordance with the provisions of this of this Agreement by the date set forth in the Rider.

(a) The Franchisee shall make no changes to any building, plan, design, layout or décor, or any equipment or signage in the Franchise business without the Company's prior written consent, and such changes may not be contrary to required Specifications.

The Company may require the Franchisee to use illuminated signs. The Franchisee shall obtain all permits and licenses required for such signs and will also be responsible for ensuring that all signs comply with laws and ordinances. The Franchisee shall not display in or upon the Franchised Business premises any sign or advertising of any kind to which the Company objects. The Company reserves the right to require the Franchisee to update the signage at any time at the Franchisee's expense.

(c) Services: The Franchisee shall conform to all quality and customer services standards prescribed by the Company in writing.

Company may receive money or other benefits from Approved Suppliers based on Franchisee's purchases; Franchisee agrees that Company has the right to retain and use all such benefits as it deems appropriate, in its sole discretion. Franchisee may purchase items and services for which Company has not identified Approved Suppliers from any source, so long as the items and services meet Company's specifications. These specifications may include brand requirements ("**Approved Brands**"), and to the extent that Approved Brands have been identified, Franchisee may purchase and use only the Approved Brands.

Company may from time to time modify the list of Approved Suppliers and/or Approved Brands. Franchisee shall promptly comply with all such modifications. Company may approve one or more suppliers for any goods or materials and may approve a supplier only as to certain goods or materials. Company may concentrate purchases with one or more suppliers or distributors to obtain lower prices and/or the best advertising support and/or services for any group of Sweet & Sassy stores or any other group of stores franchised or operated by Company or its Affiliates. Approval of a supplier may be conditioned on requirements relating to the frequency of delivery, reporting capabilities, standards of service, including prompt attention to complaints, concentration of purchases, supplier's ability to produce the item or service and to meet Company's specifications and quality Standards, supplier's ability to meet supply commitments, supplier's integrity of ownership (to assure that its association with Company would not be inconsistent with Company's image or damage Company's goodwill), supplier's financial stability, and the negotiation of a mutually satisfactory confidentiality agreement and license to protect Company's intellectual property, or other criteria, as set forth above, and may be temporary pending a further evaluation

If Franchisee proposes to purchase from a previously unapproved source, Franchisee shall submit to Company a written request for such approval, or shall request the supplier to submit a written request on its own behalf. Company has the right to require, as a condition of its approval, that its representatives be permitted to inspect the supplier's facilities, and that such information, specifications, and samples as Company reasonably requires be delivered to Company and/or to an independent, certified laboratory designated by Company for testing prior to granting approval. Franchisee must reimburse Company for any out-of-pocket expenses incurred in evaluating the proposed supplier. Company reserves the right, at its option, to re-inspect the facilities and products of any such approved supplier and to revoke its approval of any supplier upon the suppliers' failure to meet Company's criteria.

Franchisee must offer for sale all products and services that Company prescribes periodically, and refrain from offering or selling any products or services that Company has not authorized for sale in connection with the Marks. Company has the right to modify the System periodically, which includes the right to add, delete, modify, or change items to the list of authorized services and merchandise that may be offered by the Franchised Business. There is no restriction on Company's right to make these changes. Franchisee may sell products and services only at and from the Business Address and only to retail customers. Franchisee may not sell any product or service to any wholesale customer, and may not sell any product or service through alternate channels of distribution, including catalogues, an Internet web site, or other distribution channels without Company's prior permission.

Franchisee must cause the Store to play only the music or types of music that Company designates. Franchisee must obtain a license for music played in Franchisee's approved location and must be able to supply evidence of this license at the Company's request.

Company will not charge Franchisee any fee for the training of Franchisee's first General Manager and other individual as described above. Company reserves the right to charge a fee to Franchisee for any additional required or optional training and training for subsequent General Managers and assistant managers. All training shall be provided at such location as Company may designate and Franchisee shall be responsible for Franchisee's employees' travel expenses and room, board and wages during such training. The On-Site Training Cancellation Fee may vary depending upon the type of schedule training program and how far in advance you notify the Company in writing of the cancellation and the cost and expense incurred in rescheduling Company or any trainer's travel arrangements.

Nature and Assistance of Training Franchisee acknowledges and agrees that the Company is not obligated to provide any training or assistance to Franchisee's particular level of satisfaction, but as a function of the Company's experience, knowledge and judgment. Franchisee further acknowledge that the Company is not obligated to provide any services to Franchisee that are not set forth in this Agreement. If Franchisee believes the Company has failed to adequately provide any pre-opening services to the Franchisee or to Franchisee's employees, whether with respect to site selection, selection and purchase of equipment and supplies, training or any other matter affecting the establishment of Franchisee's Franchised Business, Franchisee shall notify in writing within 30 days following the opening of the Franchised Business or the Franchisee shall be deemed to conclusively acknowledge that all pre-opening and opening services required to be provided by the Company were sufficient and satisfactory in Franchisee's judgment and complied with all representations made to the Franchisee.

(d) Pre-Opening Assistance. If this Agreement covers Franchisee's first Franchised Business, Company shall provide Franchisee with opening assistance by a representative of Company. The representative will assist with pre-opening and opening training, supervision, and assistance to Franchisee for a period of time ranging from three to five days.

6.2. On-Going Assistance. Company (or, notwithstanding the following, its designee) will provide the following services and assistance to Franchisee after the Franchised Business opens.

(b) Company will provide such advice and assistance to Franchisee in Company's sole discretion with regard to planning publicity and promotions for the Franchised Business' promotion, including print media and display advertising.

(c) Company will make its staff accessible to the General Manager, to the extent Company deems advisable, for consultation by telephone, fax, written communication, e-mail and other forms of electronic communication. Company may occasionally visit the Store in Company's sole discretion to conduct Quality Reviews and to consult with the General Manager regarding Standards compliance, but will not provide routine field supervision.

(d) Company will provide Franchisee access to the Operations Manual and to all additions and supplements to the Operations Manual as they become available, and will disclose to Franchisee additional Trade Secrets, if any, Company develops that relate to the operation of the Franchised Business.

Attendance at such conventions, seminars and other franchisee-oriented functions is mandatory.

6.3. If at any time the Franchisee's Franchised Business fails to conform to Standards, Company has the right to impose and collect from Franchisee an administrative enforcement fee as described in this paragraph ("**Administrative Enforcement Fee**"). Specifically, (i) Company may impose and collect from Franchisee a \$500 Administrative Enforcement Fee for each "enforcement effort" that Company undertakes on account of Franchisee's noncompliance with Standards (e.g., a letter, email, or telephone communication notifying you of noncompliance or continued noncompliance), and (ii) the costs of enforcement related to Franchisee's noncompliance with the Standards. This fee is not a penalty, but is intended to compensate Company for the additional costs that it incurs in enforcing Franchisee's compliance with Standards, and is in addition to and not in lieu of any other rights or remedies that Company may have based on Franchisee's noncompliance with Standards. Company may impose and collect the Administrative Enforcement Fee whether or not the noncompliance at issue is of the type or degree that constitutes a material default of Franchisee's obligations under this Agreement and, if it is, whether or not a cure period applies. At Company's option, Company may require Franchisee to demonstrate full compliance with its obligations by submitting to Company a comprehensive walk-through video of the Franchised Business' premises in accordance with the Standards.

6.4 Opening

BY VIRTUE OF COMMENCING OPERATIONS OF YOUR SWEET AND SASSY STORE, FRANCHISEE ACKNOWLEDGES THAT COMPANY HAS FULFILLED ALL OF THE COMPANY'S OBLIGATIONS TO FRANCHISEE THAT COMPANY IS REQUIRED TO FULFILL PRIOR TO THE OPENING OF YOUR STORE.

8.1. In connection with the build-out and operation of the Store, Franchisee agrees to fulfill the requirements, to perform the obligations and to observe the restrictions stated in this Section 8.

8.2. Build Out of Store. Franchisee will construct, finish out, equip, furnish and decorate the Store in compliance with Company's Standards, including those related to equipment, Trade Dress, Information Systems and signage and the construction documents approved by Company. Franchisee assumes responsibility for the necessary adjustments to make the Store compliant in accordance with Section 8.18 below. Franchisee shall acquire, upon 60-day notice from the Company, a vehicle that meets the Company's specifications. If the Franchisee currently chooses, the Franchisee may acquire and use in connection with the Franchised Business all vehicles prescribed by Company, from time to time and must

maintain all appropriate insurance and meet the Company's specifications and operational guidelines. If the Franchisee acquires a vehicle, the Franchisee shall ensure that all such vehicles are maintained in clean and excellent working condition and meet Company's Standards. 8.4. Management. Unless Franchisee is an individual who will operate and manage the Franchised Business personally, Franchisee will recruit and hire a full-time General Manager who satisfies Company's Standards for eligibility as stated in the Operations Manual. If the initial or any successor General Manager resigns or otherwise leaves Franchisee's employment, Franchisee will notify Company promptly and will recruit and hire a suitably qualified replacement General Manager within a reasonable time which will in no case exceed 30 days.

8.5. Manager Training. Franchisee will send the General Manager or a district manager or multi-store supervisor approved by Company (in the event Franchisee and its Affiliates, if any, operate more than one Franchised Business) to the training program described in Subsection 6.1(c). Franchisee and the General Manager must both complete Company's training program with a passing grade before the Store may open for business. Before any such training is provided by Company, Franchisee agrees to execute the Liability Waiver by Franchisee attached hereto as Attachment H.

8.6. Assignment of Telephone Number. As soon as Franchisee obtains a telephone number for the Franchised Business, Franchisee will sign and deliver to Company the Assignment of Telephone Number(s) for the number in the form attached hereto as Attachment D2. If the Franchised Business' telephone number changes during the Term, or if Franchisee adds additional lines for a modem or other purposes, Franchisee will promptly sign and deliver to Company a new Assignment of Telephone Number(s) for the new or additional number(s). Upon the license of a Social Media account to Franchisee, Franchisee will sign and deliver to Company the Social Media Accounts License Agreement in the form attached hereto as Attachment D1.

If the Store's completion is interrupted by an Event of Force Majeure, the Scheduled Opening Date may be extended up to 180 days unless Company otherwise agrees to a longer extension.

8.8. Lease. If the lease for the Store premises expires or is terminated before the end of the Term, Franchisee may move the Store to another location chosen in accordance with Company's site selection procedure. The new location (*a*) must be in the original Franchised Business' general Designated Area (as determined by Company), and (*b*) may in no case infringe upon a franchise agreement or other agreement applicable to another Franchised Business. When Company approves the location for the new Franchised Business, Company will prepare a new Attachment B to this Agreement that describes the new Business Address and Designated Area. The new Attachment B will replace the Attachment B attached to this Agreement for all purposes of this Agreement, including that of identifying the Designated Area.

8.9. Relocation. If Franchisee loses possession of the original Store premises because the lease expired by its terms, or on account of condemnation or eminent domain proceedings, Franchisee must initiate the relocation procedure in time to lease, build-out and open the new Store for business within 120 days after the original Store closes. If Franchisee's lease is terminated on account of a fire or other casualty,

In addition, Franchisee and its employees shall handle all customer complaints, refunds, returns or other adjustments in accordance with Company's policies as set forth in the Operations Manual or otherwise in writing. The parties acknowledge and agree that these requirements are necessary to preserve the goodwill identified by the Marks. The parties further acknowledge and agree that Company neither dictates nor controls labor or employment matters for Franchisee or Franchisee's employees. Franchisee is exclusively responsible for hiring personnel, for determining the number of jobs offered or job vacancies to be filled, for determining and changing employee wages and benefits and work hours, and for disciplining and discharging Franchisee's employees. Franchisee is exclusively responsible for labor relations with its employees. Franchisee shall defend and indemnify Company against any and all proceedings, claims, investigations, and causes of action instituted by Franchisee's employees or by others that arise from Franchisee's employment practices.

8.13. Authorized Products and Services. Franchisee will offer all products and services that Company prescribes from time to time, and will not offer any products or services that Company has not authorized for sale in connection with the Marks. Franchisee will imprint the Marks on products used in the Franchised Business in accordance with instructions in the Operations Manual, and will purchase items imprinted with the Marks only from suppliers Company designates or approves.

8.14. Payment Systems and Customer Privacy. Franchisee shall accept debit cards, credit cards, stored value cards or other non-cash systems (including, for example, Apple Pay and/or Google Wallet) that

Company specifies periodically to enable customers to purchase authorized products and services, and to acquire and install all necessary hardware and/or software used in connection with these non-cash systems. The parties acknowledge and agree that the protection of customer privacy and credit card information is necessary to protect the goodwill of businesses operating under the Marks and System. Accordingly, Franchisee shall cause the Franchised Business to meet or exceed, at all times, all applicable security standards developed by the Payment Card Industry Standards Council or its successor and other regulations and industry standards applicable to the protection of customer privacy and credit card information. Franchisee is solely responsible for its own education concerning these regulations and standards and for achieving and maintaining applicable compliance certifications. Franchisee shall defend, indemnify, and hold Company harmless from and against all claims arising out of or related to Franchisee's violation of the provisions of this Section.

8.15. Promotional Material. Franchisee will display at the Store premises all (a) product identification materials, (b) point-of-purchase promotional materials, (c) promotional memorabilia, merchandise and prizes, and (d) other advertising and marketing materials Company provides to Franchisee or makes available to Franchisee for purchase.

Franchisee shall, at its expense, make such additions, alterations, repairs, and replacements under this Agreement as may be required for that purpose, including, without limitation, such periodic repainting, repairing, and replacing of obsolete or deteriorated signs, furnishings, fixtures, equipment, and decor as Company may reasonably direct. Franchisee shall purchase and install, at its expense, all fixtures, furnishings, equipment, decor, signs, and other items as Company may reasonably direct from time to time in the Operations Manual or otherwise in writing in accordance with Company's Standards and specifications.

8.17. Vehicle Standards. The Franchisee assumes all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning customers of the franchise business unless otherwise directed by the Company.

The Franchisee is solely responsible for protecting itself from disruptions, internet access failures, Internet content failures, and attacks by hackers and other unauthorized intruders and the Franchisee waives any and all claims the Franchisee may have against the Company and its affiliates as the direct or indirect result of such disruptions, security breach and promptly identify and remediate the source of any compromise of security breach at the Franchisee’s expense. The Franchisee assumes all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning customers of the Franchise Business, unless otherwise directed by the Company.

10.5.2. The Franchisee hereby release and agree to release and hold the Indemnified Parties, harmless from and against any and all claims, liability, damages or causes of action of any nature arising from or in connection with the installation, maintenance or operation of the Information System and its billing and payment processing, except to the extent arising from such party’s gross negligence or intentional acts.

10.5.3. All of the information the Company or its affiliates obtain from the Franchisee or about the Franchised Business, and all information in the records or concerning the members of the Franchised Business (“the Information”) and all revenues the Company derive from the Information will be the Company’s property. However, the Franchisee may at any time during the term of this Agreement use in the operation of the Franchised Business (but for no other purpose), to the extent lawful and at the Franchisee’s sole risk and responsibility, any information that the Franchisee acquire from third parties in operating your Franchised Business, such as customer data. The information (except for information the Franchisee provide to the Company or its affiliates with respect to the Franchisee and the Franchisee’s affiliates, including the Franchisee’s respective officers, directors, shareholders, partners or equity members of the entity) will become the Company property which the Company may use for any reason as the Company deems necessary or appropriate in its discretion. The Franchisee hereby authorizes the Franchisee’s payment processor to release the information to the Company at any time. 11. TERM AND SUCCESSOR AGREEMENT

11.1. **Term.** The Franchise will continue for the Term identified on the Summary Page, subject to earlier termination in accordance with Sections 14 and 15. Franchisee shall have the right to two additional consecutive five-year renewal terms subject to Franchisee’s compliance with Section 11.2 and other provisions of this Agreement.

11.2. **Successor Term.** If, upon the expiration of each of **(a)** the Term and **(b)** the five year term of the first successor franchise agreement, Franchisee is in compliance with all material terms and provisions of this Agreement and has satisfied all monetary and other obligations owed to Company, its Affiliates and third party suppliers, Franchisee shall have the option to enter into a consecutive successor franchise agreement for a term of five years (thus, resulting in the execution of not more than two successor franchise agreements of five years each), by **(1)** notifying Company of Franchisee’s intention to enter into such successor agreement not earlier than 240 days nor later than 210 days before the then-current franchise agreement’s scheduled expiration date, **(2)** signing Company’s then-current successor form of franchise agreement (which will define Franchisee’s subsequent successor rights and the terms of which may be materially different from this agreement, including new and higher fees), **(3)** executing a general and full release of all claims against Company, its Affiliates, and their respective officers, directors, shareholders, partners and employees, **(4)** not later than 210 days before the then-current franchise agreement’s scheduled expiration date, completing the remodeling, refurbishing and modernizing of the Store interior and exterior, including its furniture, fixtures, signs, equipment, Information Systems and Trade Dress, to conform to the Standards Company then stipulates, **(5)** paying the Successor Fee prior to execution of the successor term then-current franchise agreement, and **(6)** complying with Company’s then-current qualifications and training requirements as Company deems necessary.

11.3. Franchisee’s failure or refusal to comply with any of the conditions to execute a successor franchise agreement stated in Section 11.2 will be interpreted as a conclusive, irrevocable election on Franchisee’s part not to enter into a successor franchise agreement.

11.4. The relationship between Company and Franchisee during the successive periods will be governed by the provisions of Company’s then current successor franchise agreement, including those pertaining to royalties, advertising, competitive protection and Standards. Whether or not Franchisee actually signs a then current successor franchise agreement, Franchisee will be conclusively presumed to have assented to and to have agreed to be bound by its terms by continuing to operate the Franchised Business for one day past the Term’s expiration date.

11.5. If Franchisee does not qualify to enter into a successor franchise agreement, or elects not to do so, immediately after expiration of the Term, Franchisee must comply with the requirements of Section 15, and Company will have the rights and remedies provided in Section 15.

11.6 Holdover Fee/Operation after Expiration of Term. If this Agreement expires and Franchisee continues to operate the Sweet and Sassy Store after expiration, the Company may, at its option declare Franchisee to be holding over. In such event, the terms of this Agreement will govern the parties' relationship, provided that: (a) either party may terminate the relationship at any time during the holdover period, for any reason or for no reason, by delivering to the other party written notice of termination; and (b) the Royalty Fees due and payable during such holdover period shall be 150% of the Royalty Fees due and payable under this Agreement.

12. USE OF INTELLECTUAL PROPERTY

12.1. Franchisee acknowledges that Company is authorized by law to prevent the unauthorized use of the Marks, to control the quality of goods and services associated with the Marks, and to control the copying and distribution of the Copyrighted Materials. Recognizing the importance to Company and other members of the Business Network of the protection and preservation of the Marks and Copyrighted Materials, Franchisee agrees to perform and abide by the following provisions:

- (a) Franchisee acknowledges that Company's Affiliate is the lawful and rightful owner of each and all of the Marks and the Copyrighted Materials, that Company has, by this Franchise Agreement, licensed the Marks to Franchisee to use the Marks and Copyrighted Materials in accordance with this Agreement, that Franchisee's interest in the Marks and the Copyrighted Materials is solely that of a franchisee and that all uses of the Marks and the Copyrighted Materials by Franchisee will inure to the benefit of Company for purposes of trademark and copyright law. Franchisee unconditionally disclaims any ownership interest in any of the Marks and the Copyrighted Materials.
- (b) Franchisee shall not use any Marks, or any abbreviation, acronym or variation of them as part of its name or as part of the name of any Business Entity in which Franchisee owns or holds an interest. However, Franchisee may, if required by law, file an assumed name or fictitious name certificate to the effect that Franchisee is operating the Franchised Business under a trade name that includes the SWEET & SASSY service mark.
- (c) Franchisee shall not use any of the Marks or the Copyrighted Materials in connection with the advertisement, promotion, sale or distribution of any products or services that Company has not approved for sale in conjunction with the Marks.
- (d) Franchisee shall not copy, distribute or otherwise disseminate any of the Copyrighted Materials in violation of the restrictions and limitations imposed by this Agreement.
- (e) Franchisee shall (1) adopt and use all additional trade names, trademarks, brand names, copyrighted materials, slogans, commercial symbols and logos Company develops from time to time, (2) use all the Marks in the precise form Company prescribes, and (3) observe Company directions regarding the use, copying and distribution of the Copyrighted Materials, the presentation of the Marks and the manner of the Marks' display and use. If Company in its sole discretion require you to modify or discontinue using any Mark and/or use one or more additional or substitute trade or service marks. You agree to comply with Company's directions within a reasonable time after receiving notice of such changes. Company is not required to reimburse you for any costs or expenses associated with making such changes, for any loss of revenue due to any modified or discontinued Mark, or for your expenses in promoting a modified or substitute trademark or service mark. Franchisee shall promptly abandon and discontinue the use of any Mark or Copyrighted Materials that Company judges to be obsolete or no longer characteristic of the image Franchised Business should project. Franchisee shall submit to Company all paper goods,

advertisements and promotional materials not furnished by Company for its approval prior to use and shall use no such item unless and until Company provides its approval thereof.

- (f) Franchisee shall not use any of the Marks on any products or services other than in strict compliance with the Standards, and with such other quality control measures that Company may adopt to promote and defend the goodwill associated with the Marks.
- (g) Franchisee shall not permit, and shall promptly report to Company, any apparently unauthorized use of a Mark and any apparently unauthorized use or copying of any Copyrighted Materials by any Person, or the use by any Person of a trade name, trademark, service mark or symbol that might be construed as an infringement of any Mark or as unfair competition or passing-off at common law, and shall actively cooperate with the Company in the investigation of infringement claims and in discovery and trial proceedings related to infringement actions. Company reserves the right to make the final determination of infringement or other unlawful use, to conduct all legal proceedings relating to the Marks and the Copyrighted Materials, and to compromise or settle all infringement claims.
- (h) At no time shall Franchisee make any written or oral admission that a Mark or any of Company's copyrights is in any way invalid or infringes the rights of any Person or is open to any other form of attack, but shall promptly notify Company of any allegation of invalidity or infringement of which Franchisee becomes aware. Company intends to defend its rights in the Marks and the Copyrighted Materials vigorously, but does not warrant to Franchisee that Company's ownership of any of them is incontestable or that they do not infringe or conflict with the rights of any third party.
- (i) Upon the expiration or termination of the Franchise, Franchisee shall immediately discontinue all further uses of the Marks and Copyrighted Materials and shall take appropriate action to remove the Marks from the premises in which the Store is located, to cancel any advertising relating to Franchisee's use of the Marks or the Copyrighted Materials, including yellow pages listings, and to cancel or withdraw any assumed or fictitious name filings covering Franchisee's use of Company's trade name. Franchisee acknowledges and agrees that failure or refusal to comply with these requirements will constitute willful trademark and copyright infringement.
- (j) Franchisee shall use only the Marks designated by Company, shall use them only in the manner that Company authorizes and permits, and shall use them with the symbols "®", "™", or "SM", as appropriate. Franchisee shall use the Marks only in connection with the operation and promotion of the Franchised Business. Franchisee may not contest ownership or validity of the Marks or any registration thereof, or engage in any conduct that adversely affects the ownership or registration of the Marks, or Company's right to use or to sublicense the use of the Marks. Franchisee shall execute all documents that Company requests in order to protect the Marks or to maintain their validity and enforceability.
- (k) Franchisee may not use the Marks or any part or derivative thereof or any of Company's Copyrighted Materials on the Internet, except as expressly permitted in writing. Without limiting the generality of the foregoing, Franchisee may not use the Marks or any part or derivative of the Marks as part of any URL or domain name, and may not register the Marks or any part or derivative of the Marks as part of any user name on any gaming website or social networking website (such as FACEBOOK, INSTAGRAM, or TWITTER), whether or not such social media platform is used for commercial gain, or as part of any unauthorized email address. Franchisee also may not display on any website (including commercial websites, gaming websites, and social networking websites) Company's Copyrighted Works, which include the design portion of its Marks, or any items or collateral merchandise identified by the Marks.

12.2. Franchisee and the Principals acknowledge that the System and the Trade Secrets belong exclusively to Company and that the ideas and information in the Operations Manual are Company's sole and exclusive property. Franchisee and the Principals further acknowledge that the unauthorized disclosure or use of any confidential element of the System, any Trade Secret or any other information the Operations Manual contains may adversely affect the business, competitive position and goodwill of Company and its franchisees. Accordingly, Franchisee and the Principals agree to perform and abide by the following provisions and restrictions, each of which shall survive the expiration or termination of this Agreement and shall be perpetually binding upon Franchisee.

12.3. Franchisee and the Principals shall hold the elements of the System, the Trade Secrets and the contents of the Operations Manual in strict confidence, shall not disclose any Trade Secret or any operating or management procedure to any Person other than Franchisee's General Manager and bona fide employees of the Franchised Business to whom such disclosure is necessary in relation to their job duties, and shall instruct and routinely remind Franchisee's employees that the System, the Trade Secrets and the contents of the Operations Manual are confidential and may not be disclosed or appropriated. If Franchisee is a Business Entity, it will not disclose any element of the System, any of the Trade Secrets or the contents of the Operations Manual, or make the Operations Manual available, to any shareholder, director, officer, partner, member or manager of Franchisee other than its General Manager and other senior executive officers, if any, who are actively and regularly involved in the Franchised Business' management.

12.4. Franchisee and the Principals shall not use any element of the System, any of the Trade Secrets or the operating, management or marketing procedures the Operations Manual contains in connection with the operation of any establishment or enterprise other than the Franchised Business, and shall promptly discontinue use of the System, the Trade Secrets and the operating, management and marketing procedures the Operations Manual contains upon the expiration or termination of the Franchise.

12.5. Franchisee and the Principals shall not, without Company's prior written consent, copy or permit any Person to copy or reproduce any part of the Operations Manual and any other printed, graphic or audio/visual item designated by Company as containing Trade Secrets or otherwise permit their use or inspection by any Person other than Franchisee, the General Manager, bona fide employees of the Franchised Business to whom such disclosure is necessary in relation to their job duties, and authorized Company representatives.

12.6. Franchisee and the Principals acknowledge and agree that the version of the Operations Manual on file in Company's offices constitutes the standard, official version for purposes of resolving any question or dispute concerning the Operations Manual's contents.

12.7. Franchisee shall obtain from each of Franchisee's General Managers, supervisors and managerial level employees of the Franchised Business or any other employee that Company may require a Confidentiality Agreement and Covenant Not to Compete in substantially the form attached hereto as Attachment F, or such other form as Company may designate, that is valid and enforceable under the laws of the state in which the Franchised Business operates and that imposes the restrictions and limitations of this Section 12 on each such individual for the longest period applicable law permits. Each confidentiality agreement shall designate Company as, at Company's option, a party to the confidentiality agreement or as a third party beneficiary and shall entitle Company to enforce its provisions directly against the signatory General Manager, supervisor or manager.

12.8. Franchisee shall keep the Operations Manual and any other printed, graphic or audio/visual item designated by Company as containing Trade Secrets in the Franchised Business at all times and shall promptly return them to Company upon the expiration or termination of the Franchise.

12.9. Franchisee and the Principals expressly acknowledge that all employee training materials (including video cassettes and CD-ROM disks) and all computer programs developed by Company or in

accordance with its Standards contain information, embody procedures or facilitate business practices that are proprietary to Company and fall within the parameters of its Trade Secrets.

12.10. Franchisee and the Principals acknowledge that Company is the lawful, rightful and sole owner of the www.sweetandsassy.com domain name and unconditionally disclaim any ownership interest in those phrases or any colorable, similar Internet domain name. Franchisee and the Principals agree not to register any Internet domain name in any class or category that contains the words “Sweet and Sassy,” “Sweet” or “Sassy” or any abbreviation, acronym or variation of those words.

13. TRANSFERS

13.1. Franchisee acknowledges that the integrity of the Franchise and the stability of the Sweet & Sassy System depend on the business qualifications, financial capabilities, honesty and integrity of Company’s franchisees. Franchisee further acknowledges that Company’s lack of opportunity to evaluate and approve each potential franchisee’s qualifications and the terms of each proposed Transfer could irreparably damage the System. Consequently, Franchisee acknowledges and agrees that it may not effectuate a Transfer, except as permitted by this Section 13, and in any such case, without Company’s prior written consent. Any Transfer or attempted Transfer lacking Company’s prior written consent or that otherwise violates the restrictions in this Section 13 will be ineffective against Company and will constitute a default under Subsection 14.2(s).

13.2. Conditions to Transfer. Neither Franchisee nor any Principal shall effectuate an Asset Transfer before the Store opens for business under any circumstances. After the Store opens for business, any Asset Transfer will be subject to Company’s prior written consent, which will be conditioned on the following:

- (a) At the time of Asset Transfer, Franchisee is in compliance with Franchisee’s obligations under this Agreement and all other agreements between Franchisee and Company, including payment of all monetary obligations due Company.
- (b) The proposed Asset Transfer involves the complete disposition of the Franchise, and Franchisee relinquishes the Franchise and related rights under this Agreement in writing.
- (c) Franchisee returns the Operations Manual and all Copyrighted Materials to Company.
- (d) The transferee meets Company’s then-current criteria for qualifying as a new franchisee.
- (e) Franchisee furnishes Company a copy of the contract of sale, including price and payment terms, and Company determines that the transferee will be able to satisfy any debt obligations to Franchisee and still derive a reasonable profit from the Franchised Business’ operation.
- (f) The transferee provides Company pro forma profit and loss and cash flow projections for the 24 months following the Asset Transfer (including provision for principal and interest on any obligations payments to Franchisee). These projections must demonstrate to Company’s satisfaction that the transferee can operate the Franchised Business without experiencing a loss or negative cash flow. If these projections indicate that the transferee may experience a loss or negative cash flow, but Franchisee and the transferee prevail upon Company to approve the Asset Transfer nonetheless, the transferee must, at Company’s option, waive any claims against Company related to Company’s approval of an economically questionable transaction.
- (g) The transferee executes then-current forms of franchise agreement (which will supersede the terms of this Agreement and the terms of which may be materially different than the terms of this Agreement and may include, among other things, new or different fees), Assignment of Telephone Numbers, Social Media Accounts License Agreement, ACH Authorization Agreement for Pre-Authorized Payments, and other collateral agreements Company may then require.
- (h) The transferee upgrades the Store and any vehicles used in the Franchised Business to meet Company’s then-current Standards for new Franchised Businesses.

- (i) The transferee provides Company a waiver and release with respect to liability for any financial data, earnings claims, representations and other information Franchisee or its representatives provided the transferee.
- (j) Each Principal executes a Personal Guaranty and Principals' Undertaking.
- (k) The transferee and the transferee's General Manager satisfactorily complete Company's training program.
- (l) Company receives a Transfer Fee as contemplated in the Summary Page.
- (m) Franchisee and each of its Principals must provide to Company an unconditional, general release of all claims it may have against Company, its Affiliates, and their respective officers, directors, shareholders, partners and employees.
- (n) Franchisee agrees to remain liable for all obligations that accrued under this Agreement prior to the effective date of the transfer, and it shall continue to remain responsible for its obligations of nondisclosure, noncompetition and indemnification as provided elsewhere in this Agreement, and all other obligations that survive termination, expiration or transfer, and shall execute any and all instruments reasonably requested by Company to further evidence such obligation.

13.3. No involuntary Asset Transfer or partitioning of Franchisee's or the Principals' interest in the Franchise or under this Agreement, whether in connection with a bankruptcy, foreclosure, divorce or other proceeding, will be effective against Company unless (a) and until the transferee furnishes Company a signed guaranty under which the transferee agrees to be jointly and severally liable for the payment of Franchisee's monetary obligations under this Agreement, whether or not such obligations are then delinquent, (b) and until the transferee agrees in writing to be personally bound by the confidentiality provisions and restrictive covenants in this Agreement, and (c) the Asset Transfer encompasses Franchisee's and the Principals' total interest in the Franchise and under this Agreement, irrevocably designates and appoints Franchisee to be the transferee's agent and attorney-in-fact with whom Company may deal for all purposes expressed in or contemplated by this Agreement.

13.4. Neither Franchisee nor any Principal shall effectuate an Ownership Interest Transfer before the Store opens for business under any circumstances. After the Store opens for business, any Ownership Transfer will be subject to Company's prior written consent, which will be conditioned on the following:

- (a) At the time of the Ownership Interest Transfer, Franchisee is in compliance with its obligations under this Agreement, including payment of all monetary obligations due Company.
- (b) Each principal of proposed transferee meets Company's criteria for qualifying as a new franchisee and delivers a signed Personal Guaranty and Principals' Undertaking.
- (c) If the Ownership Interest Transfer involves Control of the Ownership Interests in Franchisee, the transferees comply with Subsections 13.2(e), 13.2(f), 13.2(g), 13.2(h), 13.2(i), 13.2(j) and 13.2(k).
- (d) If Company agrees to release Franchisee from further liability under this Agreement or its Principals from further liability under a Personal Guaranty and Principals' Undertaking, Franchisee and each of its Principals must also give Company an unconditional, general release of all claims they may have against Company, its Affiliates, and their respective officers, directors, shareholders, partners and employees.

13.5. Franchisee acknowledges that Company has legitimate reasons to evaluate the qualifications of potential transferees and to analyze and critique the terms of their purchase contracts with Franchisee. Franchisee also acknowledges that Company's contact with potential transferees for the purpose of protecting its business interests will not constitute improper or unlawful conduct. Franchisee expressly authorizes Company to investigate any potential transferee's qualifications, to analyze and critique the proposed purchase terms with the transferee, and to withhold consent to economically questionable

transactions. Franchisee waives any claim that action Company takes in relation to a proposed transfer to protect its business interests constitutes tortious interference with contractual or business relationships.

13.6. Special Transfers.

- (a) If Franchisee is an individual or partnership who at any time advises Company that Franchisee wants to assign the Franchise to a corporation or limited liability company in which Franchisee will own 100% of the Ownership Interest (and, in the case of a partnership, with share ownership in the corporation or limited liability company apportioned substantially the same as were the partnership interests), Company will consent to the assignment and waive payment of a Transfer Fee and its right of first refusal under Section 13.7 upon its receipt of such documentation and information concerning the corporation or limited liability company and its Principals as Company may request. The required documentation will include, without limitation, (1) a certified list of the corporation's Principals (designating the amount and percentage of stock or units of beneficial ownership each Principal owns), (2) a Personal Guaranty and Principals' Undertaking signed by each Principal, and (3) an express assumption by the corporation or limited liability company of Franchisee's obligations under this Agreement.
- (b) If Franchisee is a Business Entity, Company will consent to Ownership Interest Transfers among Franchisee's original Principals and waive payment of a Transfer Fee and its right of first refusal under Section 13.7 upon its receipt of such documentation and information concerning Ownership Interest Transfer and the resulting ownership of Franchisee as Company may request. The required documentation will include, without limitation, a Personal Guaranty and Principals' Undertaking signed by each Principal not having previously executed such documents.
- (c) Franchisee may grant a security interest in this Agreement or the Franchise to the limited extent permitted by Section 9-408 of the Uniform Commercial Code. Any such security interest may only attach to an interest in the proceeds of the Franchised Business operations and may not under any circumstances entitle or permit the secured party to take possession of or operate the Franchised Business or to Transfer Franchisee's interest in the Franchise without Company's express prior written consent. The grant of a security interest in a manner consistent with this Subsection 13.6(c) will not be subject to the prohibition in Section 13.1.

13.7. Right of First Refusal.

- (a) If Franchisee or the Principal(s) wishes to effectuate a Transfer, pursuant to any bona fide offer received from a third party to purchase that interest, then the proposed seller will promptly notify Company in writing of the offer, and will provide any additional information and documentation relating to the offer that Company requires. Company will have the option, exercisable within 45 days after receipt of all written documentation requested by Company describing the terms of the offer, to send written notice to the seller that Company intends to purchase the seller's interest on the same terms and conditions offered by the third party.
- (b) If an offer from a third party provides for payment of consideration other than cash, Company may elect to purchase the interest proposed to be sold for the cash equivalent. If the parties cannot agree within a reasonable time on the cash equivalent of the non-cash part of the offer, then the cash equivalent will be determined by two appraisers, with each party selecting one appraiser, and the average of their determinations constituting the binding valuation. In the event of an appraisal under this provision, each party will bear its own legal and other costs and will split the appraisal fees equally. If Company elects to purchase the seller's interest, closing on the purchase will occur no later than 60 days after the date Company gives notice to the seller of the election to purchase, provided that Company has received all necessary permits and approvals, or on such other date as the parties agree in writing. If Company exercises its right of first refusal, it may set off all amounts

due from Franchisee or any of its Affiliates (including, if applicable, all fees for any appraiser due from Franchisee) against any payment for the interest to be purchased.

- (c) A decision of the Company not to exercise the right of first refusal granted by this Section 13.7 will not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 13, with respect to a proposed Transfer. If Company does not exercise its right of first refusal on any particular offer, any material change in the terms of the offer before closing will constitute a new offer subject to the same right of first refusal by Company as in the case of the initial offer. Failure to comply with the provisions of this Section 13 will constitute a material event of default under this Agreement.

13.8. Purchase Upon Franchisee's Death or Disability.

- (a) This Section 13.8 applies only if (1) an individual Franchisee or a Principal possessing a Controlling Interest in a Business Entity Franchisee dies or becomes Permanently Disabled during the Term, and (2) the death or Permanent Disability results in a change in executive-level responsibility for managing the Franchised Business.
- (b) During the first 120 days after the death or Permanent Disability occurs, Company will evaluate the new management's willingness and ability to operate the Franchised Business in compliance with this Agreement. By the end of the 120-day evaluation period, Company will decide whether the new management is qualified to manage the Franchised Business and will notify management of its decision. As conditions to continuing the Franchise relationship, each Principal must furnish Company a signed Personal Guaranty and Principals' Undertaking and any deficiency in Franchisee's compliance with the requirements of this Agreement must be cured. Further, Company may require the new management to attend and satisfactorily complete the training program provided under Subsection 6.1(c).
- (c) If any of the conditions stated in Subsection 13.8(b) are not satisfied, or if Company decides that the new management has not adequately demonstrated its business qualifications or commitment to the franchise relationship, the remaining Principals will have 120 days after delivery of Company's notice to (1) locate new management that is acceptable to Company or (2) sign a binding contract to sell the Franchise or a Controlling Interest in the Franchise to a buyer approved by Company in accordance with, and in a transaction structured to comply with, Section 13.2 or 13.4, whichever is applicable. The proposed sale will be subject to Company's right of first refusal under Section 13.7.
- (d) If any of the Franchise's Principals or, if applicable, the executor, administrator, conservator, guardian or other personal representative fail to sign a binding contract of sale before the 120-day selling period expires, or if a contract is signed, but the proposed sale is not concluded within 30 days after Company relinquishes its option under Section 13.7, Company will have an additional option during the next 30 days to purchase the interest the deceased or Permanently Disabled person held at the date of death or Permanent Disability. The purchase price for the interest will be its fair market value, determined through negotiations or by appraisal. Unless otherwise agreed by the parties, the purchase price will be payable in cash at closing. If Company delivers written notice of its intention to exercise the option within the 30-day period, the option will be considered effectively exercised whether or not the purchase is actually consummated within the 30-day period.
- (e) If the parties fail to agree on a purchase price for the interest within 21 days after delivery of Company's notice, the purchase price will be determined by two appraisers in accordance with the appraisal process specified in Section 13.7.

13.9. Company and any holder of an Ownership Interest in Company may voluntarily, involuntarily, directly or indirectly sell, assign, transfer, license, sublicense, sublease, collaterally assign, grant a security,

collateral or conditional interest, intervivos transfer, testamentary disposition or other disposition of all or any part of its rights or obligations under this Agreement or any Ownership Interest in Company to any Person without Franchisee's approval or prior notice to Franchisee. Specifically, and without limitation to the foregoing, Company may sell its assets, Marks or the System to a third party; may offer its securities privately or publicly; may merge, spin-off, acquire other entities, or be acquired by another entity; may undertake a refinancing, recapitalization, leveraged buyout, or other economic or financial restructuring; and with regard to any or all of the above sales, assignments, and dispositions, Franchisee expressly and specifically waives any claims, demands, or damages against Company and Indemnified Parties arising from or related to the transfer of the Marks (or any variation thereof) or the System from Company to any other party. If Company assigns its right in this Agreement, Company and Indemnified Parties will be released from all further liability under this Agreement. Nothing contained in this Agreement requires Company to offer any services or products, whether or not bearing the Marks, to Franchisee if Company assigns its rights in this Agreement.

14. DEFAULT

14.1. If any Event of Default occurs, Franchisee will be in default under this Agreement, whether or not Company gives notice of the default. Company's failure to take prompt action with respect to a particular Event of Default will not constitute a waiver of that or any subsequent Event of Default.

14.2. Except as otherwise described in this Section 14, following are Events of Default that Franchisee (or another responsible Person) may cure by taking appropriate remedial action within a prescribed time after Company demands remedial action. Unless Franchisee (or another responsible Person) cures such an Event of Default before the end of the indicated remedial period, Company may terminate the Franchise or take any of the other actions this Section 14 permits. If the Event of Default is cured to Company's satisfaction before Company gives Franchisee notice of termination, Company will not proceed under this Section 14.

- (a) Franchisee fails to locate, construct and open the Store in compliance with Sections 4, 8.1, 8.2, 8.7, or the Site Selection Addendum. **REMEDY** – Franchisee must complete the unfulfilled requirement within 15 days after Company notifies Franchisee in writing of the action to be taken.
- (b) Franchisee or its employees fail to complete Company's initial training program or any subsequent mandatory training program in accordance with Subsection 6.1(c). **REMEDY** – Franchisee, or its employees, as applicable, must complete any unfulfilled requirement within 15 days after Company notifies Franchisee in writing of the action to be taken.
- (c) Franchisee fails to fulfill any requirement, to perform any obligation, or to observe any restriction set forth in Sections 6, 8.1 through 8.25 and any other condition or restriction contained in this Agreement and not otherwise addressed in this Section 14. **REMEDY** - Franchisee must correct any element of noncompliance within 30 days after Company notifies Franchisee in writing of the remedial action to be taken.
- (d) Franchisee fails to pay in full any trade obligation due to a vendor with whom Company or any of its Affiliates does business, as a result of which the vendor withholds or threatens to withhold the sale of goods or services, or withdraws or threatens to withdraw the availability of normal trade terms, to Company, any Company Affiliate or another franchisee. **REMEDY** - Franchisee must pay the obligation within 10 days after Company makes written demand for payment, unless Franchisee is actively contesting the amount or validity of the vendor's claim in good faith and promptly furnishes Company a statement of the reasons Franchisee is withholding payment and the action Franchisee is taking to resolve the dispute. So long as Company concurs that Franchisee is actively contesting the claim in good faith, Franchisee may continue withholding payment of the disputed amount until the dispute is resolved.

- (e) Franchisee fails to take appropriate action to correct any condition noted as “unsatisfactory” or “needs improvement” in any Quality Review report within 15 days after receiving a copy of the report. **REMEDY** - Franchisee must initiate appropriate corrective action within five days after Company notifies Franchisee in writing of the condition to be corrected and must complete the corrective action within such time periods as Company designates.

14.4 Default and Pre-Termination Rights. Prior to the termination of the Agreement, if the Franchisee fails to pay any amounts owed to the Company or its affiliates, fail to comply with any term of this Agreement or notify the Company that the Franchised Business is closing, then in addition to the Company's right to terminate this Agreement or to bring a claim for damages, the Company has the option to:

15. TERMINATION; OTHER REMEDIES

15.1. If Franchisee commits or allows an Event of Default to occur and does not cure it before the related remedial period, if any, expires, Company may, but subject to compliance with applicable statutory notice and/or hearing requirements, either terminate this Agreement or compel Franchisee to sell the Franchised Business in accordance with Section 15.4. Upon termination or expiration of the Agreement, Franchisee's right and privilege to use the System, the Marks, the Copyrighted Materials, the Trade Secrets and all components of the Operations Manual shall absolutely and unconditionally cease. Franchisee shall immediately:

- (a) discontinue use of the Marks, the Copyrighted Materials, the System Trade Secrets and all components of the Operations Manual;
- (b) return to Company the entire Operations Manual and any other printed, graphic or audio/visual item designated by Company as containing Trade Secrets;

- (d) alter the Store' interior to remove all Trade Dress items and otherwise eliminate the distinctive features of the Franchise; and
- (e) refrain from using all advertising and telephone numbers, including telephone numbers listed in any Yellow Pages or white pages telephone directory under the Marks or any other name similar to any of the Marks, and all territory specific email addresses, and Social Media accounts, and upon demand of Company, direct the telephone company or service provider servicing the Franchisee to transfer all such telephone numbers, email addresses, Social Media accounts, registered to Franchisee in connection with the Franchised Business to Company or its designee.
- (f) will return to the Company all copies of the Customer List, including past customers, present customers, and prospective customers, and shall not thereafter use the Customer List or contact the Customers.

15.2. Upon the Franchise's termination or expiration, Company may immediately file with Franchisee's local telephone company all Assignments of Telephone Number(s) that Franchisee provided Company in accordance with Section 8.6, and may instruct the telephone company to transfer use and control of the Franchised Business telephone number(s) to Company or its designee. Franchisee irrevocably constitutes

and appoints Company and its designees as Franchisee's agent and attorney-in-fact to effect the transfer of the Franchised Business telephone number(s), including authority to execute and deliver on Franchisee's behalf any Transfer of Service Agreement the telephone company requires, and to revoke any call-forwarding or similar instructions Franchisee has given the telephone company. Company may take control over Franchisee's Social Media accounts. Franchisee irrevocably constitutes and appoints Company and its designees as Franchisee's agent and attorney-in-fact to effect transfer of Social Media accounts. Company shall have no liability to Franchisee on account of or arising from any action it authorizes or takes to effect the transfer of the Franchised Business telephone number(s) or Social Media accounts in accordance with this Section 15.2. In addition, Company shall be entitled to injunctive or similar relief, without bond, against Franchisee and any other Person bound under Section 21 to enforce compliance with these requirements.

15.3. If Franchisee does not comply with the requirements of Section 15.1 within seven days after the Franchise's termination or expiration, Company may, at Franchisee's expense, enter the Store premises and effect Franchisee's compliance with all of that Section's requirements, including removal and storage of Franchisee's signs, and alteration or removal and storage of Trade Dress items. Franchisee irrevocably constitutes and appoints Company and its designees as Franchisee's agent and attorney-in-fact to effect compliance with Section 15.1, and Company shall have no liability to Franchisee, in trespass or otherwise, on account of or arising from any action it authorizes or takes to effect Franchisee's compliance. In addition, Company shall be entitled to injunctive or similar relief, without bond, against Franchisee and any other Person bound under Section 21 to enforce compliance with these requirements.

15.4. In lieu of immediately terminating the Franchise in accordance with Section 15.1, Company may demand and require Franchisee to sell the Franchised Business and transfer Franchisee's rights under this Agreement to a purchaser designated by or acceptable to Company. After Company demands such sale, Franchisee shall have no further right or opportunity to remedy a default or to reinstate Franchisee's right to continue operating the Franchised Business. Except for Company's right to approve a proposed purchaser and to ensure that all amounts owed to Company in connection with this Agreement, including Royalty Fees, Minimum Local Ad Expenditures, Brand Development Fees, trade obligations and other amounts due Company are paid at the closing of the sale, Franchisee shall be entitled to establish and negotiate the terms of sale. If Franchisee does not negotiate definitive terms of sale with an approved purchaser within 90 days after Franchisee receives Company's demand to sell, or does not consummate the sale within 45 days after negotiations are completed, Company may terminate the Franchise under Section 15.1 without further notice. Franchisee acknowledges and agrees Company shall not act as a broker for any transaction contemplated by this Section 15.4 and that actions to be taken by Company in connection with approving a transfer pursuant to this Section 15.4 shall not make Company a broker for such transfer.

15.5. In addition to the preceding rights and remedies (and in lieu of immediately exercising its rights under Section 15.1), Company may notify each distributor of SWEET & SASSY brand products and merchandise that Franchisee is no longer authorized to purchase these items or goods imprinted with any of the Marks, and that sales of such merchandise to Franchisee must therefore be discontinued until further notice from Company.

15.6. In addition to the preceding rights and remedies, Company may recover all amounts owed to Company in connection with this Agreement, including Royalty Fees, Brand Development Fees, and trade obligations due Company, plus interest under Section 4.5, with or without terminating the Franchise. If any such obligation is referred to an attorney for collection or is collected in whole or in part through a judicial proceeding, Franchisee agrees to pay Company's attorneys' fees and costs of collection, plus a charge for the staff and administrative time Company expends to enforce its claims.

15.7. In addition to the preceding rights and remedies, Company may also remove Franchisee from the Website.

15.8. In addition to the preceding rights and remedies, Company may obtain injunctive relief, without bond, against Franchisee and/or any other Person bound under Section 21 restraining the unauthorized or violative use of any Mark, item of Copyrighted Materials or Trade Secret, with or without terminating the Franchise.

15.9. In addition to the preceding rights and remedies, Company may recover damages from Franchisee and any other Person bound under Section 21 for the unauthorized use of any Mark and/or Trade Secret or the unauthorized use, copying or distribution of any item of Copyrighted Materials, and for any loss of customer or future Franchisee goodwill in the Store's Designated Area.

15.10. Additional Company Options. In addition to the preceding rights and remedies, Company shall have an option (but no obligation) to purchase Franchisee's interest (if any) in any or all of the Store's leasehold improvements, furniture, fixtures, equipment, inventory, supplies, and interior and exterior signs for a purchase price equal to the lesser of Franchisee's cost or then-current liquidation value, to be determined by a qualified independent third-party of Company's choosing, and may set off against the purchase price any amounts that Franchisee owes to Company. Company shall exercise its option by written notice to Franchisee delivered before or within 30 days after the date of expiration or termination of this Agreement. Company will be entitled to all customary warranties and representations in connection with Company's asset purchase, including, without limitation, representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; and liabilities effecting the assets, contingent or otherwise. Franchisee agrees to provide Company the information necessary to establish the purchase price, to sign and deliver to Company a deed, bill of sale or an assignment of lease, transfer good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interest acceptable to Company, if any) with all sales and other transfer taxes paid by Franchisee and all licenses and permits of the Franchised Business which may be assigned, and otherwise to cooperate with Company in its taking title to and possession and delivery of the items Company purchases.

If the parties are unable to reach agreement as to the fair market value of the assets of the Store to be purchased by the Company, the parties hereby agree to appoint an independent appraiser to make such determination, whose determination will be binding upon the parties. The fees and expenses of such appraisal shall be paid in equal proportions by the parties. If Franchisee does not object to proposed appraiser within twenty (20) days after Company notice, such appraiser will be deemed approved by both parties.

15.11. In addition to the preceding rights and remedies, Company or Company's designee shall have the option (but no obligation) to assume any lease or sublease for the Store premises. If Company or its designee assumes any lease or sublease for the Store premises, the assignee must assume all of Franchisee's obligations under the lease from and after the date of assignment, but shall have no obligation to pay any delinquent rent or to cure any other default under the lease that occurred or existed prior to the date of the assignment. Franchisee shall be solely responsible for any assignment fee or similar charge, or any increase or acceleration of rent under all leases or subleases in connection with an assignment to Company or its designee

15.12. In addition to the preceding rights and remedies, Company shall have the right, upon termination of the Franchise, to so inform third party vendors and suppliers.

15.13. Termination of the Franchise shall ordinarily become effective upon Company's delivery of written notice of termination to Franchisee. However, if (a) an Event of Default occurs, and (b) before Company delivers notice of default and/or notice of termination, a voluntary or involuntary petition is filed under any chapter of the United States Bankruptcy Code by, on behalf of, or against Franchisee, and (c) the Event of Default remains unremedied at the time the bankruptcy or reorganization petition is filed, no notice of default or termination shall be required. Instead, if Franchisee files a voluntary petition for liquidation or reorganization under the United States Bankruptcy Code, termination shall automatically become effective

the instant a petition is signed by or on behalf of Franchisee. If an involuntary petition is filed, termination shall automatically become effective the instant the petition is submitted to the clerk of the Bankruptcy Court for filing.

15.14 Step In Rights. To prevent any interruption of the business of the Sweet & Sassy Store, you hereby authorize Company, and Company shall have the right, but not the obligation, to operate the Store on your behalf for as long as Company deems necessary and practical, and without waiver of any other rights or remedies Company may have under this Agreement, in the event that: (a) your Operations Manager is absent or incapacitated by reason of illness, death or disability and, therefore, in Company's sole determination, you are not able to operate the Store in full compliance with this Agreement, or (b) any allegation or claim is made against your or any of your Owners, or the operation of the Store, involving or relating to fraudulent, deceptive or illegal practices or activities. If Company undertakes to operate the Store pursuant to this Section 15.14, Company shall have the right to collect and pay from the revenues of the Store all operating expenses including, without limitation, Royalty Fees, Brand Development Fees, all monetary obligations of the Franchisee pursuant to this Agreement, and employee salaries, and further shall be entitled to collect, as compensation for its efforts, a reasonable management fee not to exceed 10% of Gross Sales. You shall indemnify and hold harmless Company from any and all claims arising from the alleged acts and omissions of Company and its representatives. Further you acknowledge and agree to indemnify the Company for all claims or acts arising out of or relating to operation of your Franchised Business regardless if it is operated by the Company's representative.

16. LIQUIDATED DAMAGES

16.1. If after (a) the expiration of the Franchise in accordance with Section 11, or (b) the termination of the Franchise by Company in accordance with Section 15, Franchisee continues to use any of the Marks or element of the System in connection with the continued operation of the Franchised Business or otherwise, Company may, at its option, declare Franchisee to be holding over. In such event, in addition to any other remedies available to Company at law or in equity, the Royalty Fees due and payable during such holdover period shall be equal to 200% of the Royalty Fees due and payable under this Agreement.

16.2. If Franchisee directly or indirectly opens or participates in the ownership or operation of a business in violation of the covenant not to compete expressed in Section 17.1, then, in addition to any other remedies available to Company at law or in equity, Company shall be entitled to receive throughout the term of the covenant, and Franchisee agrees to pay, a weekly fee equal to 10% of the competing operation's revenues, measured in accordance with the definition of Gross Sales.

16.3. If Franchisee disposes of the Franchised Business operating assets or premises in violation of Section 13 and the purchaser (if approved by Company pursuant to Section 13) refuses to sign a Franchise Agreement for the continued operation of the Franchised Business as a Franchised Business or if the purchaser does not qualify for Franchise, then, in addition to any other remedies available to Company at law or in equity, Company shall be entitled to receive, and Franchisee agrees to pay, a sum equal to the Royalty Fees Company would otherwise have received during the remaining Term, discounted to present value, assuming a discount rate of 5%. In calculating the Royalty Fees Company would otherwise have received, Franchisee will be deemed to have earned annual Gross Sales for the balance of the Term equal to twelve times the Franchised Business' average monthly Gross Sales for those months in which the Franchised Business was open and in operation for the entire month.

16.4. For any breach of the obligations of Section 17.1 which are made in consideration of the specialized training and Confidential Information described in this Agreement, and due to the difficulty of establishing the precise amount of damages for breach of such obligations, in addition to all other remedies provided for in this Agreement or otherwise available to Company, Franchisee and the Principals who committed such breach jointly and severally agree to pay to Company an amount equal to Company's costs and expenses incurred to enforce the terms of the Covenant Against Competition.

16.5. Any demand for payment of liquidated damages under this Agreement does not constitute an election of remedies and any payments received shall be in addition to and not in lieu of any other remedies available to Company at law or in equity.

16.6. In the event of Franchisee's violation of this Agreement as described in this Section 16, proof of actual damages would be difficult and that the formula for calculating liquidated damages contained herein is a reasonable estimate of what actual damages would be. The foregoing formula does not result in a penalty. Company has an expectation that Franchisee's franchised business will be open and operating for the full Term of the Agreement. An early closure reduces Company's revenue and damages our image in the public. Calculating the value and expense of this injury is difficult to determine and may be hard to calculate with specificity, but the parties acknowledge the injury. Therefore, the parties have elected to agree in advance to calculation of liquidated damages to compensate Company for its damages and to provide certainty to Franchisee of the amounts due.

17. SPECIAL REPRESENTATIONS, WARRANTIES AND COVENANTS

17.1. Covenant Against Competition.

- (a)** In consideration of Company's providing operations and management training to Franchisee and disclosing to Franchisee the System and other Trade Secrets, Franchisee and the Principals covenant and agree that, during the Term and for two years after its expiration or termination (or for Principals, after such person ceases to be a Principal), Franchisee and the Principals will not own or operate, directly or indirectly, or accept employment by or hold an interest in any Competitive Business or divert or attempt to divert any present or prospective customer of the Franchised Business to any Competitive Business.
- (b)** Except as a franchisee of Company, Franchisee's and the Principals' covenant not to compete will apply in an area that is a 10-mile radius from the location of the Store and any Company-owned or franchised Store is then operating or under development. For purposes of calculating the duration of the two-year period, any time during which Franchisee or the Principals (as applicable) are in violation or breach of the covenant shall be excluded. Franchisee and the Principals acknowledge that Franchisee's and the Principals' covenant not to compete is reasonable and necessary to protect the business and goodwill of the Business Network and to avoid misappropriation or other unauthorized use of the System and Company's other Trade Secrets. Franchisee and the Principals acknowledge and confirm that Franchisee and the Principals possess the education, training and experience necessary to earn a reasonable livelihood apart from operating a business that provides salon and party services as its principal products.
- (c)** The parties agree that the foregoing covenant shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 17.1 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Company is a party, Franchisee and the Principals expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 17.1.
- (d)** Franchisee and the Principals understand and acknowledge that Company shall have the right to reduce the scope of any covenant set forth in this Section 17.1, or any portion thereof, without their consent, effective immediately upon notice to Franchisee; and Franchisee and the Principals agree that they shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 24.2 hereof.

17.2. Franchisee and the Principals represent and warrant to Company that neither Franchisee, nor any Principal, nor any of their respective Affiliates is identified, either by name or an alias, pseudonym or nickname, on the lists of "Specially Designated Nationals" or "Blocked Persons" maintained by the U.S.

Treasury Department's Office of Foreign Assets Control (texts currently available at www.treas.gov/offices/enforcement/ofac/). Further, Franchisee and the Principals represent and warrant that neither it nor any Principal or Affiliate referred to above has violated and agrees not to violate any law prohibiting corrupt business practices, money laundering or the aid or support of Persons who conspire to commit acts of terror against any Person or government, including acts prohibited by the U.S. Patriot Act (text currently available at <http://www.epic.org/privacy/terrorism/hr3162.html>), U.S. Executive Order 13224 (text currently available at <http://www.treas.gov/offices/enforcement/ofac/sanctions/terrorism.html>), or any similar law. The foregoing constitutes continuing representations and warranties, and Franchisee and the Principals shall immediately notify Company in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

17.3. To secure payment by Franchisee of Royalty Fees, Brand Development Fees, and other amounts due Company under this Agreement, Franchisee grants to Company a first priority security interest and lien in the Franchised Business' Gross Sales. To perfect this security interest, concurrently with the execution of this Agreement, Franchisee will sign and deliver to Company a Form UCC-1 financing statement suitable for filing with the Secretary of State (or other applicable authority) of the state in which the Store is located. Franchisee also agrees to execute and deliver such additional documents and to do all such further acts and things as Company may request to evidence and further perfect its security interest in the Franchised Business' Gross Sales. Company and Franchisee mutually agree that Franchisee will enjoy unrestricted use of the Franchised Business' Gross Sales until (a) Franchisee defaults in the payment of an obligation secured by the Franchised Business's Gross Sales, (b) any other creditor of Franchisee asserts a security interest in or claim to the Franchised Business's Gross Sales superior to Company's security interest, (c) Franchisee files a petition for relief under any chapter of the United States Bankruptcy Code, or (d) Franchisee becomes the subject of an involuntary petition under any chapter of the United States Bankruptcy Code that is not dismissed within 30 days after its filing. Upon the occurrence of any such event, Franchisee will be in default under the security agreement this Section 17.3 establishes, and Company may immediately exercise all the rights of a secured creditor with respect to the Franchised Business's Gross Sales that are provided in Article 9 of the Uniform Commercial Code.

17.4 Enforcement of Covenants

Franchisee acknowledges and agrees that (i) this section is reasonable because it promotes and protects the subject matter of this Agreement and/or the underlying relationship and/or deters any potential conflict of interest; (ii) the time, territory, and scope of the covenants provide in this Section are reasonable and necessary for the protection of our legitimate business interests; (iii) Franchisee has received sufficient and valid consideration in exchange for those covenants; (iv) enforcement of the same would not impose undue hardship because you have sufficient professional skills; and (v) the period of protection provided by these covenants will not be reduced by any period of time during which Franchisee is in violation of the provisions of those covenants or any period of time required for enforcement of those covenants. To the extent that this Section is judicially determined to be unenforceable by virtue of its scope or in terms of area, restricted activity or length of time, but may be made enforceable by reductions of any or all thereof, the same will be so modified and enforced to the fullest extent permissible. Franchisee agrees that the existence of any claim you may have against us, whether or not arising from this Agreement, will not constitute a defense to our enforcement of the covenants contained in this Section. Franchisee acknowledges that any breach or threatened breach of this Section will cause us irreparable injury for which no adequate remedy at law is available, and you consent to the issuance of a temporary or permanent injunction prohibiting any conduct violating the terms of this Section. Such injunctive relief will be in addition to any other remedies or claims for damages that we may have.

17.5 Disputed Enforceability

The parties have attempted in the above Section to limit Franchisee’s right to compete only to the extent necessary to protect Company from unfair competition. The parties hereby expressly agree that if the scope of enforceability of the above provision is disputed at any time by Franchisee, a court or arbitrator, as the case may be, may modify this Section to the extent it deems necessary to make supervision enforceable under applicable law. In addition, Company reserves the right to reduce the scope of said provision with Franchisee’s consent, at any time or times, effective immediately upon notice to Franchisee. **FRANCHISEE EXPRESSLY ACKNOWLEDGES THAT IT POSSESSES SKILLS AND ABILITIES OF A GENERAL NATURE AND HAS OTHER OPPORTUNITIES TO EXPLOIT SUCH SKILLS. CONSEQUENTLY, ENFORCEMENT OF THE COVENANTS SET FORTH ABOVE WILL NOT DEPRIVE FRANCHISEE OF THE ABILITY TO EARN A LIVING.**

17.6 Franchisee’s Acknowledgement

Company must be protected against the potential for unfair competition by Franchisee’s use of Company’s training, assistance, Confidential Information, and Trade Secrets in direct competition with Company. Franchisee further acknowledges that Company would not have entered into this Agreement or shared the Confidential Information, Trade Secrets, and other information with Franchisee absent Franchisee’s agreement to strictly comply with the provisions of this Section. Franchisee acknowledges that as a Franchisee of the Company, it will have access to Company’s Trade Secrets and Confidential Information and therefore be in a unique position to use the special knowledge gained as a franchisee. Franchisee acknowledges that a breach of the covenants contained in this Section will be deemed to threaten immediate and substantial irreparable injury to the Company. Accordingly, Franchisee agrees that the Company will have the right without prior notice to Franchisee, to obtain immediate injunctive relief without limiting any other rights or remedies and without posting a bond.

18. SPECIAL PROVISIONS

18.1. The provisions of this Agreement are severable, and if any provision is held illegal, invalid or unenforceable, the holding shall not affect the legality, validity or enforceability of any other provision. Any illegal, invalid or unenforceable provision shall be reformed to the minimum extent necessary to render it legal, valid and enforceable and, as so reformed, shall continue in force and effect.

18.2. No party shall be deemed in default of this Agreement for any delay or failure to fulfill any obligation (other than a payment obligation) hereunder so long as and to the extent to which any delay or failure in the fulfillment of such obligation is prevented, frustrated, hindered or delayed as a consequence of circumstances of Force Majeure. Such excuse from liability shall be effective only to the extent and duration of the event(s) causing the failure or delay in performance and provided that the party has not caused such event(s) to occur and continues to use diligent, good faith efforts to avoid the effects of such event and to perform the obligation. A party claiming the benefit of this provision shall, as soon as reasonably practicable after the occurrence of any such event, (a) provide written notice to the other party of the nature and extent of any such Force Majeure condition; (b) use commercially reasonable efforts to remove any such causes and resume performance under this Agreement, as applicable, as soon as reasonably practicable; and (c) otherwise continue performing its obligations hereunder.

20. STATUS OF PARTIES

20.1. The parties acknowledge and agree that the Franchisee is operating the Franchised Business as an independent contractor. Nothing contained in this Agreement shall create or be construed to create a partnership, joint venture, or agency relationship between the parties. Neither party has any fiduciary obligations to the other, or will be liable for the debts or obligations of the other. Neither party may bind the other, transact business in the other party's name or in any manner make any promises or representations on behalf of the other party, unless otherwise agreed in writing between them. Franchisee shall conspicuously identify itself and the Franchised Business in all dealings with its customers, contractors, suppliers, public officials, and others, as an independent franchisee of Company, and shall place a conspicuous notice, in the form and at such place as Company prescribes, notifying the public of such independent ownership. Franchisee acknowledges and agrees that they are solely responsible for all decisions relating to employees, agents, and independent contractors that they may hire assist in the operation of their Franchised Business. Franchisee agrees that any employee, agent, or independent contractor that they hire will be their employee, agent, or independent contractor, and not Company's employee, agent, or independent contractor. Franchisee also agree that they are exclusively responsible for the terms and conditions of employment of their employees, including recruiting, hiring, firing, training, compensation, work hours and schedules, work assignments, safety and security, discipline, and supervision. Franchisee agrees to manage the employment functions of their Franchised Business in compliance with federal, state, and local employment laws.

21. BINDING EFFECT

21.1. This Agreement shall be binding upon and inure to the benefit of Company and Franchisee and their respective successors, assigns, executors, heirs and personal representatives. If Franchisee is, or subsequently Transfers the Franchise to, a Business Entity, each Principal shall also be personally and individually bound by the provisions of Sections 8.28, 8.29, 12, 13, 17 and 22 of this Agreement.

22. LAW GOVERNING; DISPUTE RESOLUTION

22.1. This Agreement and all claims arising out of or related to this Agreement or the parties' relationship created hereby shall be construed under and governed by the laws of the State of Texas (without giving effect to any conflict of laws).

22.2. The parties agree to use their best efforts to resolve and settle by direct, private negotiation any Dispute that arises under or in relation to this Agreement or that concerns the relationship created by this Agreement.

22.3. If the parties cannot resolve and settle a Dispute by private negotiation within 60 days after one party gives the other written notice that a Dispute exists, the parties mutually agree to submit the Dispute to non-binding mediation, as follows:

- (a) Mediation shall occur in the city in which Company maintains its principal place of business before a single mediator, using the facilities and mediation rules of a professional dispute-resolution organization selected by Company and reasonably acceptable to Franchisee (the "Mediation Organization"). If the parties cannot agree on a Mediation Organization, they will use the facilities and mediation rules of the National Franchise Mediation Program.
- (b) The parties shall jointly select a mediator from the panel of mediators maintained by the Mediation Organization. The mediator must be an individual experienced in business format franchising or franchise law who has no prior social, business or professional relationship with either party. If the parties are unable to agree on a mediator within 30 days after the Dispute is submitted to mediation, the Mediation Organization will select a mediator who possesses the indicated qualifications.
- (c) The parties will share the mediation filing fee equally, but will otherwise separately bear their own costs and expenses (including legal fees) of participating in the mediation process. Each party agrees to send at least one representative to the mediation conference who has authority to enter into binding contracts on that party's behalf. Each party further agrees to sign a confidentiality agreement that exempts the mediator from disclosing, orally or in writing, any information the other party discloses to the mediator in confidence at any stage of the mediation process.
- (d) If either party fails or refuses to participate in mediation in accordance with this Section 22.3, the other shall be entitled immediately to commence litigation of the Dispute in a court designated in Section 22.5.
- (e) Neither illness, Covid, inconvenience, weather, or any other reason shall serve to excuse your personal appearance for mediation.

22.4. Notwithstanding Section 22.3, the parties mutually agree that Company will not be obligated to mediate any claim arising from amounts owed under this Agreement, Franchisee's alleged infringement of the Marks or the Copyrighted Materials, or other alleged misappropriation of Company's intellectual property. The parties agree that any action based on infringement of any of the Marks or Copyrighted Materials, or misappropriation of Company's other intellectual property shall be governed by and interpreted and enforced in accordance with the United States Trademark (Lanham) Act or the United States Copyright Act (whichever applies to the particular action). The parties mutually agree that mediation must be conducted in person, and no telephonic or electronic appearance by any of the parties or their counsel is permitted except for the purposes of scheduling mediation or discussion non-material mediation-related matters.

22.5. The parties agree that the litigation of any Dispute shall be brought and maintained exclusively in the state or federal court serving the judicial district in which Company maintains its principal place of business at the time the action is initiated. The parties further agree to submit to the jurisdiction and venue of any such federal or state court and that service of process by certified mail, return receipt requested, will be sufficient to confer personal jurisdiction over them in connection with any litigation.

22.6. **THE PARTIES IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER PARTY RELATING TO THE RELATIONSHIP BETWEEN THE PARTIES OR ARISING UNDER OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR ANY RIGHT OR REMEDY HEREUNDER.**

22.7. Except with respect to Franchisee's and each Principal's obligation to indemnify Company pursuant to Sections 8.28. and 8.29. hereof and claims Company brings for Franchisee's unauthorized use of the Marks or unauthorized use or disclosure of any Trade Secrets, **THE PARTIES WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, SPECIAL AND CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN THE PARTIES, THE PARTIES MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY DIRECT OR**

GENERAL DAMAGES IT SUSTAINS; provided, however that Company shall have the right to recover lost profits in the event of termination of this Agreement.

22.8. FRANCHISEE MUST BRING ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP BETWEEN COMPANY AND FRANCHISEE WITHIN TWO (2) YEARS FROM THE DATE ON WHICH THE VIOLATION, ACT, OR CONDUCT GIVING RISE TO THE CLAIM OCCURS, REGARDLESS OF WHEN FRANCHISEE KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIM, OR FRANCHISEE'S CLAIM WILL BE BARRED UNLESS A LITIGATION OR JUDICIAL PROCEEDING, AS PERMITTED, IS COMMENCED IN THE APPROPRIATE FORUM WITHIN THIS TWO-YEAR PERIOD. THIS PROVISION IS INTENDED TO SHORTEN ANY APPLICABLE STATUTE OF LIMITATIONS TO THE EXTENT PERMITTED BY LAW.

22.9. No right or remedy conferred upon or reserved to Company or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

22.10. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES THE RIGHT TO LITIGATE ON A CLASS ACTION BASIS, IN ANY CLAIM, ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ANY PARTY.

23. CONDITION PRECEDENT

23.1. If Franchisee is a Business Entity, this Agreement will not be binding on Company and no Franchisee will be granted unless and until each Principal executes and delivers a Personal Guaranty and Principals' Undertaking in the form attached as Attachment G.

24. MISCELLANEOUS

24.1. The term "Franchisee" includes the plural as well as the singular, the masculine and feminine genders, and Business Entities as well as individuals.

24.2. Except as specifically provided in Subsections 17.1(c) and 17.1(d), this Agreement may not be amended, modified or rescinded, or any performance requirement waived, except by a written document signed by Company and Franchisee. The parties expressly agree that this Agreement may not be amended or modified, or any performance standard changed, by course of dealing or inference from a party's conduct. This provision does not apply to changes in the Operations Manual, which Company may modify unilaterally.

24.3. Notwithstanding any contrary provisions contained in this Agreement, Company and Franchisee acknowledge and agree that **(a)** this Agreement (and the relationship of the parties which arises from this Agreement) grants Company the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's explicit rights and obligations hereunder that may affect favorably or adversely Franchisee's interests; **(b)** Company will use its business judgment in exercising such discretion based on Company's assessment of Company's own interests and balancing those interests against the interests, promotion and benefit of the System and Franchised Business generally (including Company, and its Affiliates and other franchisees), and specifically without considering Franchisee's individual interests or the individual interests of any other particular franchisee (examples of items that will promote or benefit the System and Franchised Business generally include, without limitation, enhancing the value of the Marks and/or the SWEET & SASSY brand, improving customer service and satisfaction, improving project quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System); **(c)** Company will have no liability to Franchisee for the exercise of its discretion in this manner; and **(d)** even if Company has numerous motives for a particular action or decision, so long as at least one motive is a reasonable business justification no trier of fact in any legal action shall substitute its judgment for Company's judgment so exercised and such action or decision will

not be subject to challenge for abuse of discretion. IF COMPANY TAKES ANY ACTION OR CHOOSES NOT TO TAKE ANY ACTION IN ITS DISCRETION WITH REGARD TO ANY MATTER RELATED TO THIS AGREEMENT AND ITS ACTION OR INACTION IS CHALLENGED FOR ANY REASON, THE PARTIES EXPRESSLY DIRECT THE TRIER OF FACT THAT COMPANY'S RELIANCE ON A BUSINESS REASON IN THE EXERCISE OF ITS DISCRETION IS TO BE VIEWED AS A REASONABLE AND PROPER EXERCISE OF ITS DISCRETION, WITHOUT REGARD TO WHETHER OTHER REASONS FOR COMPANY'S DECISION MAY EXIST AND WITHOUT REGARD TO WHETHER THE TRIER OF FACT WOULD INDEPENDENTLY ACCORD THE SAME WEIGHT TO THE BUSINESS REASON.

24.4 This Agreement, the documents referred to herein, and the Attachments hereto, constitute the entire, fully integrated agreement between the parties and supersede all other negotiations, agreements, representations, and covenants, oral or written. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require Franchisee to waive reliance on any representation that Company made in the franchise disclosure document (including its exhibits and amendments) that Company delivered to Franchisee in connection with this franchise offering. Except for those changes permitted to be made unilaterally by Company hereunder, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to in writing by the parties and executed by their authorized officers or agents.

24.5 Neither this Agreement nor any uncertainty or ambiguity in this Agreement shall be construed or resolved against the drafter of this Agreement, whether under any rule of construction or otherwise. Terms used in this Agreement shall be construed and interpreted according to their ordinary meaning. If any provision of this Agreement is susceptible to two or more meanings, one of which would render the provision enforceable and the other(s) which would render the provision unenforceable, the provision shall be given the meaning that renders it enforceable.

24.6 Any provision or covenant of this Agreement which expressly or by its nature imposes obligations beyond the expiration or termination of this Agreement shall survive such expiration or termination.

24.7 This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement.

24.8 Time is of the essence with respect to all provisions in this Agreement.

24.9 Company disclaims all express and implied warranties and all other liability concerning any defects, malfunctions, or other deficiencies in equipment or other products manufactured by anyone other than Company or their affiliates, or such parties' acts or omissions. Franchisee agree not to make any claims against Company or their affiliates with respect to products that Company and their affiliates did not manufacture, even if Company or their affiliates sold Franchisee the product or designated or approved its source. Franchisee is required to assert any claims only against the manufacturer of the product, even if Franchisee obtained it through Company or their affiliate.

24.10 Company and Franchisee may not make any impress or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other or represent that our relationship with Franchisee is other than franchisor and franchisee. Company will not be obligated for any damages to any person or property directly or indirectly arising from Franchisee's operation of the business Franchisee conduct under this Agreement.

24.11 Because complete and detailed uniformity under many varying conditions might not be possible or practical, Franchisee acknowledge that Company specifically reserve the full right and privilege, as Company deem best according to their business judgment, to vary Brand Standards or other aspects of the Franchise System for any franchisee. Franchisee have no right to require Company to grant Company a similar variation or accommodation. Company has the right to develop, operate, and change the Franchise System in any manner this Agreement does not specifically prohibit. Whenever this Agreement reserves

Company's right to take or withhold an action, or to grant or decline to grant Franchisee the right to take or omit an action, Company may, except as this Agreement specifically provides, make their decision or exercise our rights based on information then available to Company and their judgment of what is best for Company, franchisees generally, or the Franchise System when Company make their decision, whether or not Company could have made other reasonable or even arguably preferable alternative decisions and whether or not Company decision promotes our financial or other individual interest. Company acknowledge and agree that this exercise of our business judgement is not reviewable by a judge or arbitrator.

24.12. Franchisee acknowledge and agree that none of Company's past, present, or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, parents, affiliates, controlling parties, entities under common control, ownership, or management, vendors, service providers, agents, attorneys, or representatives will have any liability for (i) any of Company's obligations or liabilities relating to or arising from this Agreement, (ii) any claim against Company based on, in respect of, or by reason of the relationship between Franchisee and Company, or (iii) any claim against Company based on any of Company's alleged unlawful acts or omissions.

24.13 The Franchisee and the Company must acknowledge that the Company wants all terms of our business relationship to be defined in this written Agreement and that neither party wants to enter into a business relationship with the other which any terms or obligations are subject to any oral statements or in which oral statements serve as the basis for creating rights or obligations different than or supplementary to the rights and obligations as set forth in this Agreement. Therefore, the parties agree that this Agreement will supersede and cancel any prior and/or contemporaneous discussions between the parties. Each party agrees that neither party placed and will place no reliance on any such discussions. The Franchisee agree that no representations have been made to the Franchisee concerning this Agreement or the Franchised Business other than contained in this agreement and in the Franchise Disclosure Document the Franchisee received before the Franchisee signed this Agreement (the "FDD"). The Franchisee agrees that no claims, representations, warranties, or guarantees express or implied regarding actual or potential earnings sales profits or success of the Franchised Business have been made to the Franchisee other than as forth in item 19 of the FDD.

24.14 The Franchisee acknowledges that other Franchised Business franchisees have or will be granted franchises at different times and in different situations and further acknowledge that the provisions of such franchises may vary substantially from those contained in this Agreement. the Franchisee also acknowledge that because complete and detailed uniformity under varying circumstances may not be practical, there may be variations the Company may grant to other of the Franchised Businesses (whether franchised or centers that the Company or its affiliate operate) and the Franchisee will not be entitled require the Company to grant similar variations or privileges to the Franchisee.

25. FRANCHISEE'S ACKNOWLEDGMENTS

25.1. Franchisee acknowledges and agrees that this Agreement constitutes the entire agreement between the parties hereto pertaining to the subject matter hereof and supersedes all prior agreement, understandings, negotiations and discussions, whether oral or written, of the parties hereto, and there are no warranties, representations or other agreements between the parties hereto in connection with the subject matter hereof except as specifically set forth herein and therein. Except as specifically provided in Subsections 17.1(c) and 17.1(d), no supplement, modification, waiver or termination of this Agreement shall be binding unless executed in writing by the party hereto to be bound thereby. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions (whether or not similar), nor shall such waiver constitute a continuing waiver unless otherwise expressly provided.

WHEREAS, Company’s Confidential Information developed and used in connection with the System provides economic advantages to Company and includes information and know-how not generally known to, and not readily ascertainable by proper means by, Company’s competitors who could obtain economic value from knowledge and use of the Confidential Information;

WHEREAS, Company has taken and intends to take all steps to maintain the confidentiality and secrecy of the Confidential Information;

WHEREAS, Company has granted Franchisee the limited right to develop a Franchised Business using the System, the Marks and Confidential Information for the period defined in the Franchise Agreement made and entered into on _____, 20___ (“Franchise Agreement”), by and between Company and Franchisee;

WHEREAS, Company and Franchisee have agreed in the Franchise Agreement on the importance to Company and to Franchisee and other licensed users of the System of restricting the use, access and dissemination of the Confidential Information;

WHEREAS, it will be necessary for certain personnel, agents, independent contractors, officers, directors, partners and interest holders of Franchisee, or any entity having an interest in Franchisee to have access to and to use some or all of the Confidential Information in the management and operation of the Franchised Business using the System;

WHEREAS, Franchisee has agreed to obtain from recipients of Confidential Information written Agreements protecting the System against unfair competition;

WHEREAS, Recipient wishes to remain, or wishes to become employed by or associated with Franchisee;

WHEREAS, Recipient wishes and needs to receive and use the Confidential Information in the course of his or her employment or association in order to effectively perform services for Franchisee; and

WHEREAS, Recipient acknowledges that receipt of and the right to use the Confidential Information constitutes independent valuable consideration for the representations, promises and covenants made by Recipient herein.

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties agree as follows:

1. Recipient expressly acknowledges that Recipient possesses skills and abilities of a general nature and has other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Agreement will not deprive Recipient of any personal goodwill or ability to earn a living.
2. Company and/or Franchisee will disclose to Recipient some or all of the Confidential Information relating to the System. As used in this Agreement, “Confidential Information” shall include all items contemplated in the Franchise Agreement’s definition “Confidential Information” as well as any and all other information and materials, including, without limitation, any manuals, drawings, specifications, techniques and compilations of data which Company provides to Franchisee and/or Recipient.
3. Recipient will receive the Confidential Information in confidence and will, at all times, maintain them in confidence, and use the Confidential Information only in the course of his or her employment by or association with Franchisee and then only in connection with the development and/or operation by Franchisee of Franchised Business using the System for so long as Franchisee is licensed by Company to use the System.
4. Recipient will not at any time make copies of any documents or compilations containing some or all of the Confidential Information without Company’s written permission.
5. Recipient will not at any time disclose or permit the disclosure of the Confidential Information except to other personnel of Franchisee and only to the limited extent necessary to train or assist other personnel of Franchisee in the development or operation of a Franchised Business using the System.
6.
 - (a) If Recipient has a direct or indirect, legal or beneficial Ownership Interest of any type in Franchisee, including but not limited to (i) in relation to a corporation, the ownership of shares in the corporation; (ii) in relation to a partnership, the ownership of a general partner or limited partnership interest; (iii) in relation to a limited liability company, the ownership of a membership interest; or (iv) in relation to a trust, the ownership of the beneficial interest of such trust, Recipient covenants and agrees that, during the term of the Franchise Agreement and for two years after Recipient ceases to have such ownership interest or for two years after the Franchise Agreement has terminated for any reason, whichever occurs earlier, Recipient will not own or operate, directly or indirectly, or accept employment by or hold an interest in any business offering retail stores services, salon services and/or party services (in any combination thereof), in which more than 10% of all products or services offered are designed to appeal to children ages five to 12 (a “Competitive Business”), except as a franchisee of Company. Recipient’s covenant not to compete will apply within a 10-mile radius from the location of the Store and any Company-owned or franchised Store is then operating or under development. For purposes of this Paragraph, “DMA” means Designated Market Area, an advertising term that Neilson Rating Service or its successor uses to demarcate the primary coverage of broadcast and print media in given markets. The boundaries of a particular DMA will be determined by reference to television coverage. For purposes of calculating the duration of the two-year period, any time during which Recipient (as applicable) is in violation or breach of the covenant shall be excluded. Recipient acknowledges that Recipient’s covenant not to compete is reasonable and necessary to protect the business and goodwill of Company and to avoid misappropriation or other unauthorized use of the System and Company’s Confidential Information. Recipient acknowledges and confirms that Recipient possesses the education, training and experience necessary to earn a reasonable livelihood apart from operating a business that offers Business-style products and services as its principal product or service.
 - (b) The parties agree that the foregoing covenant shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in Section 6(a) is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Company is a party, Recipient expressly agrees to be bound by any lesser covenant subsumed

within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of Section 6(a).

(c) Recipient understands and acknowledges that Company shall have the right to reduce the scope of any covenant set forth in Section 6(a), or any portion thereof, without his or her consent, effective immediately upon notice to Recipient; and Recipient agrees that he or she shall comply forthwith with any covenant as so modified, which shall be enforceable notwithstanding the provisions of Section 17 hereof.

7. Recipient will surrender any material containing some or all of Company's Confidential Information to Franchisee or Company, upon request, or upon termination of employment by or association with Franchisee, or upon conclusion of the use for which such information or material may have been furnished to Recipient.

8. Recipient will not at any time, directly or indirectly, do any act or omit to do any act that would or would likely be injurious or prejudicial to the goodwill associated with the Confidential Information and the System.

9. All manuals are loaned by Company to Franchisee for limited purposes only and remain the property of Company and may not be reproduced, in whole or in part, without Company's written consent.

10. Any capitalized terms used but not defined in this Agreement shall have the meaning set forth in the Franchise Agreement.

11. Franchisee will make all efforts to ensure that Recipient acts as required by this Agreement.

12. Recipient agrees that in the event of a breach of this Agreement, Company would be irreparably injured and be without an adequate remedy at law. Therefore, in the event of such a breach, or threatened or attempted breach of any of the provisions hereof, Company will be entitled to enforce the provisions of this Agreement and will be entitled, in addition to any other remedies which are made available to it at law or in equity (including any right to terminate the Franchise Agreement, as provided therein), to a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security.

13. Recipient agrees to pay all expenses (including court costs and attorneys' fees) incurred by Company and Franchisee in enforcing this Agreement.

14. Any failure by Company or the Franchisee to object to or take action with respect to any breach of any provision of this Agreement by Recipient will not operate or be construed as a waiver of or consent to that breach or any subsequent breach by Recipient.

15. THIS AGREEMENT SHALL FOR ALL PURPOSES BE GOVERNED BY AND INTERPRETED AND ENFORCED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF TEXAS. RECIPIENT HEREBY IRREVOCABLY AGREES THAT SERVICE OF PROCESS MAY BE MADE UPON HIM OR HER IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT BY ANY MEANS ALLOWED BY APPLICABLE LAW. RECIPIENT FURTHER AGREES THAT EXCLUSIVE VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT WILL BE ANY FEDERAL OR STATE COURT SERVING THE JUDICIAL DISTRICT IN WHICH COMPANY MAINTAINS ITS PRINCIPAL PLACE OF BUSINESS; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, COMPANY MAY BRING SUCH ACTION IN ANY COURT THAT HAS JURISDICTION.

16. The parties acknowledge and agree that each of the covenants contained herein are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Company. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision

of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Company is a party, Recipient expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

17. This Agreement contains the entire agreement of the parties regarding the subject matter hereof. This Agreement may be modified only by a duly authorized writing executed by all parties.

18. For any breach of the obligations of Section 6 of this Agreement, and due to the difficulty of establishing the precise amount of damages for breach of these obligations, in addition to all other remedies provided for in this Agreement or otherwise available to Company, Recipient agrees to pay Company an amount equal to fifty percent (50%) of the gross revenues generated by a Competitive Business with which Recipient is associated for a period equal to the duration Recipient is associated with the Competitive Business. Demand for payment of liquidated damages does not constitute an election of remedies and any payments received shall be in addition to and not in lieu of any other remedies available to Company at law or in equity.

19. All notices permitted or required to be delivered pursuant to the provisions of this Agreement shall be delivered in writing to the appropriate address listed above for Company and Franchisee (for Recipient, the address listed in this Section 19) or such other address as the parties shall specify by written notice, and will be deemed so delivered: **(a)** at the time delivered by hand; **(b)** one day after transmission by facsimile (provided that the sender confirms the facsimile by sending an original confirmation copy by certified or registered mail or expedited delivery service within five days after transmission); **(c)** one day after being placed in the hands of a commercial courier service for next day delivery, provided there is proof of receipt; or **(d)** three days after placement in the United States Mail by certified mail, return receipt requested, postage prepaid; and must be addressed to the party to be notified at the address listed above for Company and Franchisee (for Recipient, the address listed in this Section 19) or such other address as the party shall specify by written notice.

Any capitalized terms used but not defined in this Personal Guaranty and Principals' Undertaking shall have the meaning set forth in the Agreement.

Each of the undersigned waives: (1) acceptance and notice of acceptance by Company of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; (3) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (4) any right he or she may have to require that an action be brought against Franchisee or any other person as a condition of liability; (5) notice of any amendment to the Agreement; and (6) any and all other notices and legal or equitable defenses to which he may be entitled.

Each of the undersigned further acknowledges and agrees as follows:

Each has read the terms and conditions of the Agreement and acknowledges that the execution of this Personal Guaranty and Principals’ Undertaking is in partial consideration for, and a condition to the granting of the rights to the Marks and the System, and the Company would not have granted such rights without the execution of this Personal Guaranty and Principals’ Undertaking by each of the undersigned;

FINANCIAL STATEMENTS

SWEET & SASSY FRANCHISING, LLC

FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023, 2022 AND 2021 AND FOR
THE YEARS THEN ENDED

TOGETHER WITH AUDITOR'S REPORT

February 29, 2024

To the Stockholders
Sweet & Sassy Franchising, LLC
Fort Worth, Texas

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying financial statements of Sweet & Sassy Franchising, LLC (a Texas Limited Liability Company), which comprise the balance sheets as of December 31, 2023, 2022 and 2021, and the related statements of income, member's equity and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sweet & Sassy Franchising, LLC as of December 31, 2023, 2022 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sweet & Sassy Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sweet & Sassy Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from a fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sweet and Sassy Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sweet & Sassy Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SWEET AND SASSY FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, 2022 AND 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BUSINESS ACTIVITY

Sweet & Sassy Franchising, Inc. was incorporated as a Texas Corporation in 2005. In January 2007 Sweet & Sassy Franchising, Inc. converted from a Texas corporation to a Texas limited liability company under the name Sweet & Sassy Franchising, LLC (the "Company").

The Company was formed for the purpose of marketing franchises that operate SWEET & SASSY businesses. These businesses offer a combination retail (clothing, accessories), salon (haircuts, styling, nails) and theme party services that appeal to girls 4 to 13 years old. The Company also sells gift cards that can be used in the franchise stores.

The franchises operate under the trademark SWEET & SASSY, which has been registered by Sweet & Sassy IP (SSIP), a related company, under a nonexclusive perpetual license (the "License"). The License grants the Company the right to sub-license the use of this trademark and the proprietary information related to the Company's proprietary business format and system, such as the know-how and manuals, for the purpose of licensing them to franchisees.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

PROPERTY AND EQUIPMENT/DEPRECIATION

Physical property includes furniture and fixtures, computer and office equipment, and software.

All assets are recorded at cost and depreciation is computed using the straight-line and tax method over the estimated lives of the assets. The lives range from three to seven years. Depreciation for 2022 is \$1,155, for 2021 is \$335, and for 2020 is \$977.

Tax methods used do not vary materially from generally accepted methods.

INCOME TAXES

The financial statements do not include a provision for income tax because the LLC has elected to be taxed as an partnership which does not incur federal income tax. Instead, earnings or losses are included in the member's personal income tax return.

Generally, the tax returns related to the Company's activities remain open for three years for federal income tax examination and four years for Texas state margin tax.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, 2022 AND 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

REVENUE RECOGNITION

Initial fees to acquire a franchise are normally due on the signing of the original agreement. Initial fees are recognized as income over the life of the franchise. The normal franchise life is ten years. Income is recorded using the straight-line method over the ten year life once the franchise begins operation. The initial fees that have yet to be recognized are classified as deferred revenue. Franchise revenue of \$63,700, \$30,375, and \$41,750 are recognized in 2023, 2022 and 2021.

The Company also receives continuing royalty fees from its franchisees as they are earned. Royalty fees are based on a percentage of the franchisees' gross sales, net of certain adjustments outlined in the franchise agreement.

The LLC began selling gift cards online and at franchise locations in 2017. The LLC records the full liability of the card value when a card is sold. The liability is reduced when the cards are redeemed and the franchise locations are reimbursed. The liability is also reduced, and income recognized, by the estimated amount of gift cards that are not expected to be redeemed in the future. Total liability at year end for 2023, 2022 and 2021 was \$211,904, \$119,077 and \$338,767 with allowances of \$39,202, \$11,908 and \$158,331 for those same periods.

The Company has fifteen locations throughout the United States in operation and providing royalty income under the terms of their franchise agreements. One of these locations is owned by a member of Sweet and Sassy LLC. As of December 31, 2023, two locations were under contract but had yet to begin operation.

ADVERTISING

The Company expenses advertising costs as incurred. For 2022, 2021 and 2020 advertising expense was \$29,838, \$35,272, and \$19,490.

ACCOUNTS RECEIVABLE

Accounts receivable consist of royalties and other fees due from franchisees and franchise fees due from the sale of franchise locations. Both are net of any allowance for doubtful accounts. Management determines the allowance for doubtful accounts by identifying troubled accounts using historical experience, aging of accounts, knowledge of the business and management of the debtor. Accounts aged longer than thirty days are considered past due.

SWEET AND SASSY FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, 2022 AND 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Balances management considers uncollectible are written off through a charge to the allowance for doubtful accounts.

For the years ended December 31, 2023, 2022, and 2021 management did not consider a balance in the allowance for doubtful accounts necessary.

Trade receivable consist of:

	<u>2023</u>	<u>2022</u>	<u>2021</u>
Beginning of year	\$ 21,751	\$ 60,326	\$ 52,017
End of year	66,682	21,751	60,326

ASU 2016-02 is effective for non-public companies for fiscal years beginning after December 15, 2021. The company did not have any leases as of December 31, 2022 that required recording as a lease payable.

NOTE 2 - FRANCHISE AGREEMENTS

The franchisee acquires a license to operate a children's salon, retail and party business under the name Sweet & Sassy, under terms of the franchise agreement. The agreement calls for various obligations from the franchise that include training, products, standards compliance and site selection. The franchiser provides training, territory protection, products, advertising, and other franchise assistance.

NOTE 3 - LEASE COMMITMENTS

The Company signed a lease agreement for space in Hurst, Texas in March of 2023. The lease is in the name of the Company but payments on the lease and the use of the space are made by a related company.
