ACFN businesses are part of the ACFN automated teller machine (“ATM”) network and provide ATM services, financial transaction processing services, and related financial services, and ancillary goods to businesses and individuals. ACFN franchisees will market ATM services to hotels, retail locations, and other entertainment and travel-based businesses and will install ATMs at those host locations accepting the services, and will perform all services and maintenance required of the ATMs.

The total investment necessary to begin operation of an ACFN business is from \$37,838 to \$59,921, assuming the operation of one to 3 ATMs. This includes \$30,688 to \$40,271 that must be paid to the franchisor or its affiliate(s).

Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only ACFN business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in California. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in California than in your own state.
2. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of the Attorney General, State of Michigan, 670 Williams Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us,” “our,” or ACFN means ACFN Franchised Inc., the franchisor. “You” or “your” means the franchisee. If you are a legal entity, “you” includes your owners.

Us (the Franchisor) and Our Affiliate

We are a California corporation formed in December 2002. Our principal business address is 75 East Santa Clara Street, Suite 1450, San Jose, California 95113. We intend to do business under our corporate name, and under the ACFN name and the American Consumer Financial Network name. Our agents for service of process are listed in Exhibit C.

The ACFN® franchise we offer under this disclosure document is modeled after the automated teller machine (“ATM”) business developed and previously operated by our former affiliate A.F.F.A. Inc. (“AFFA”). AFFA operated a company-owned ATM business from 1996 to 2011, until it transferred its last accounts to franchisee owners. Prior to its dissolution in December 2019, AFFA owned the ACFN® trademark and other “Marks” (as defined below), and granted us a license to use certain of the Marks in the operation of the ACFN franchise system. In connection with AFFA’s dissolution, we acquired all of AFFA’s rights in and to the Marks, including without limitation all goodwill associated with the Marks.

We have been offering ACFN franchises for sale since February 2003, and act as the franchisor of the ACFN system. We do not operate ACFN businesses. We or our affiliates may, however, periodically acquire, own and operate existing ATMs and locations. While we anticipate that we and our affiliates will sell some of these ATMs and locations to new or existing ACFN franchisees, we or our affiliates may elect to continue to own and operate some of them. If we or our affiliates offer to sell to you any existing ATMs and locations and you elect to purchase those items, you will pay us or our affiliate a Corporate ATM Acquisition Fee and sign our then-current form Purchase Agreement or any other related agreements or documentation that we require. Our current form Purchase Agreement is attached as Exhibit H. Other than as described above, we do not engage in any other business activity and we have no parents, affiliates or predecessors required to be disclosed in this Item.

Franchise We Offer

The franchise we offer to you in this disclosure document is the right and license to establish and operate an ACFN business under the terms and conditions of the ACFN Franchise Agreement (the “Franchise Agreement”). A copy of our current form Franchise Agreement is attached as Exhibit A. The franchised business you will operate is referred to in this disclosure document as the ACFN franchise or ACFN business. You will operate your ACFN business using the “Marks” (including the ACFN® trademark), and the “System,” as these terms are defined in Section 1.1 of the Franchise Agreement.

ACFN businesses provide ATM services, financial transaction processing services, and related financial services. You will market ATM services to hotels, retail locations, and other entertainment and travel-based businesses and will install ATMs at those host locations accepting the services and that we have approved. Your franchise will place each ATM on site at no cost to the host location and will perform all services and maintenance required of the ATM. We will monitor the ATMs at all times and notify you that service is required on a specific ATM. The ATMs will be authorized to process transactions for most major ATM networks and will be able to process the vast majority of both debit and credit card transactions. Host businesses will get paid for every surcharged transaction performed at the ATM. You will manage your ATM locations with our support. Under the Franchise Agreement, you may locate and operate multiple ATMs within your Area of Operation (defined below), provided you receive our prior approval of each ATM location that we recommend and you review, or you select, and you meet all of our then-current requirements for operating additional ATMs at the time you desire to begin operating each additional ATM. We manage the ACFN network of franchisees. You are not required to maintain an office as part of your ACFN business.

You will operate your ACFN business within a non-exclusive geographic area (the “Area of Operation”) defined in Appendix C to the Franchise Agreement. You must also participate in our Multiple Location Accounts (or MLA) Program, which is designed to facilitate the delivery of ACFN ATM services to host businesses with multiple locations by subsidizing the underperforming ATMs in locations of that host business with revenues from the better performing ATMs in other locations of the same host business.

As of the issuance date of this disclosure document, we have established a referral program for our existing franchisees, subject to certain qualifications. Generally, if an existing franchisee refers a qualified candidate to us with whom we have not had previous communications and we execute a franchise agreement with that candidate within a certain period of time, we will pay the referring franchisee a referral fee we establish. We reserve the right to either modify or cancel this referral program at any time.

Market and Competition

The services our franchises provide are well recognized by consumers and are generally available from other sources. The market for our franchisee’s services is well developed. Our services and ancillary products are provided to businesses and to individuals. Our business is not seasonal. Your competitors include national, regional and local businesses that offer ATM services to consumers.

Industry-Specific Laws and Regulations

Your ACFN business will be subject to various federal, state and local laws, statutes, codes, rules, regulations and ordinances that apply to businesses generally, such as the Americans with Disabilities Act (“ADA”), Fair and Accurate Credit Transactions Act (“FACTA”), Occupational Safety and Health Act (“OSHA”), wage and hour laws, privacy laws, and business licensing and permit requirements. In addition, there may be other laws, statutes, codes, rules, regulations and ordinances specific to the financial services offered by this type of business in the state or local area in which you will operate your ACFN business, including those requiring you to place

specific notices on your ATMs. It is your responsibility to fully investigate and to comply with all laws, statutes, codes, rules, regulations and ordinances that apply to your ACFN business.

ITEM 4

BANKRUPTCY

No bankruptcies are required to be disclosed in this Item.

ITEM 5

INITIAL FEES

You must pay us a nonrefundable initial franchise fee in the amount of \$25,000 before your business opens. As described in Item 10, we may finance up to \$10,000 of the initial franchise fee. Except for any part of the initial franchise fee we agree to finance, the initial

franchise fee is due when you sign the Franchise Agreement, with any outstanding amount payable in agreed upon equal monthly installments of up to 3 years. The initial franchise fee is not refundable under any circumstances, regardless whether you pay it in full when you sign the Franchise Agreement or whether you elect to have us finance part of the initial franchise fee. The initial franchise fee represents payment to us for the right to use the Marks and System in the development and operation of your ACFN business during the initial term of the Franchise Agreement, and is in no way payment to us for any services.

If you are an existing ACFN franchisee in good standing with us, you qualify to acquire a second or subsequent ACFN franchise from us, and you agree to sign a separate Franchise Agreement for that franchise, we have the right, at our option, to reduce the initial franchise fee. We do not, however, offer financing for any reduced initial franchise fee.

You also must pay us a nonrefundable initial training fee of \$799 for your “Managing Owner” (as defined in Item 15) and up to one other person to attend the initial training program. This initial training fee is not refundable under any circumstances.

In addition to the initial franchise fee and initial training fee, you must purchase from us a certain number of ATMs (our then-current designated make and model) and related equipment before you begin operating your ACFN business. This amount will vary depending upon the items you purchase from us. If you purchase one ATM for \$4,294 (which includes a low topper sign and economy shipping in the 48 contiguous states) and an extra cash cassette for \$595, you will pay us \$4,889. If you purchase 3 ATMs for \$4,294 each, an extra cash cassette for \$595, and one ATM cabinet for \$995, which includes shipping in the 48 contiguous states, you will pay us \$14,472. The cost for these items are not refundable under any circumstances.

If you are a new franchisee who enters into a Purchase Agreement with us or our affiliate for the purchase of existing ATMs and locations, you will still pay to us the initial franchise fee and training fee, but instead of the fees described in the preceding paragraph, you will pay to us or our affiliate the Corporate ATM Acquisition Fee we agree upon. The amount of the Corporate ATM Acquisition Fee will vary based upon a number of factors, including the number of ATMs and related equipment being sold, the type, age and condition of these items, the average number of transactions that occur at these ATMs, the purchase price we or our affiliate paid for the ATMs and locations, the host locations for the ATMs, and the terms and conditions of the agreement(s) with the host locations. Because of the number of factors involved, it is difficult for us to provide a meaningful range for these fees. We anticipate, however, that if you were to purchase 3 existing ATMs and locations from us or our affiliate, the amount of the Corporate ATM Acquisition Fee would exceed the \$14,472 amount described in the preceding paragraph. We reserve the right to collect from you a refundable deposit of up to 25% of the applicable Corporate ATM Acquisition Fee before you sign the Purchase Agreement. Once you sign the Purchase Agreement and pay the Corporate ATM Acquisition Fee, it is not refundable.

During our 2024 fiscal year (October 1, 2023 to September 30, 2024), new ACFN franchisees paid us initial fees ranging from \$24,000 to \$25,000.

- (1) For purposes of determining the monthly Brand Fee, “Net Revenue” means the amount payable by us to you each month after all costs have been deducted, excluding the Virtual Office Fee.
- (2) As the term is used in the Franchise Agreement, “Gross Revenue” means all revenue you derive from operating the franchise, and whether from cash, check or credit transactions, but excluding all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority and excluding customer refunds, adjustments, credits and allowances actually made by the franchise in compliance with our Methods of Operation.
- (3) The MLA Program is a strategy used with certain “Multiple Location Accounts” or “MLAs,” which are clients that (a) have multiple locations, and (b) desire full ATM coverage for all or most their locations. Because full ATM coverage for a particular MLA may involve the on-going servicing of unqualified locations (i.e., locations that otherwise would not meet our standards) and/or locations that underperform and would normally be removed and installed in a better location, we use the MLA Program to

reallocate some of the losses and gains between the various locations that are part of the MLA.

If we determine that a particular MLA will be a part of the MLA Program, we will establish a separate MLA Program for that MLA. If you currently operate, or later operate, an ATM at a location that is part of a MLA, you must participate in that MLA Program. We will not assess any extra fees to administer a MLA Program and will distribute all revenue monthly so there are no deficits or overages.

An ATM located within a MLA is not eligible to receive revenue until its third full calendar month of operation. In addition, an ATM located within a MLA will not be eligible to receive revenue for a particular calendar month if the ATM was not active (i.e., online and operating) for the entire calendar month. We have the right in our sole discretion to establish the monthly minimum guaranteed payment to be paid to underperforming locations within a MLA. This means that if you are operating an ATM at a location within a MLA that produces less in net revenue than the established minimum guaranteed payment for a given month, you will still be paid up to the established minimum guaranteed payment for that month, with locations earning above the threshold we establish in our sole discretion participating in offsetting this shortage. Conversely, if you are operating an ATM at a location within a MLA that produces more in net revenue than the established threshold for a given month, you must participate in offsetting any shortages for any locations within the MLA that produce less in net revenue than the established minimum guaranteed payment for that month. Participation will be based on a percentage of revenue above net revenue of the established threshold.

Underperforming locations within a MLA will only receive monthly minimum guaranteed payments to the extent that the total amount of their collective shortages in a given month are offset by the total amount collected (for the purposes of offsetting shortages) from locations within the MLA that produce more than the established threshold for that month. As a result, if the total amount collected (for the purpose of offsetting shortages) from locations within a MLA for a given month does not completely offset the total amount of the collective shortages of the underperforming locations within the MLA for that month, the underperforming locations will each share in the total amount collected (for the purpose of offsetting shortages) on a percentage basis determined by comparing their respective shortages to the total amount of the collective shortages. We do not contribute our own funds to offset any monthly individual or collective shortages for underperforming locations within an MLA, and do not ensure that underperforming locations within a MLA will receive the minimum guaranteed payment for any given month. We may increase or decrease, from time to time, the minimum guaranteed payment, as well as the other amounts established for the MLA Program, and these payments and amounts can be different for each MLA. We may also modify or discontinue, at any time, the MLA Program or any particular MLA.

- (4) For example, you will pay a \$150 fee if your monthly share of fees is between \$5,000 and \$10,000, a \$200 fee if your monthly share of fees is between \$10,000 and \$15,000, and so on.

- (5) This amount is equal to the number of full term years transferee is receiving under the then-current franchise agreement it is signing minus the remaining full term years under the existing franchise agreement, as of the date of the transfer, times \$2,000. Transferee is required to sign an addendum to the new franchise agreement in the form that we prescribe (see Appendix E to the Franchise Agreement for our current form) to establish that this amount is being paid in lieu of an initial franchise fee under the new franchise agreement.
- (6) We or our affiliates(s) may acquire and or operate ATM locations that we may elect to offer for acquisition to franchise operators. You acknowledge and agree that if we do elect to offer you any such ATM location, in our sole business judgment, and you elect to acquire such ATM location, in your sole discretion, you will pay us a Corporate ATM Acquisition Fee to which we will mutually agree for the ATM location, and you must sign with us our then-current form Purchase Agreement or any other related agreements or documentation that we require pertaining to such ATM location, under our Methods of Operation. Our current form Purchase Agreement is attached as Exhibit H.
- (7) We may use signing bonuses as a marketing tool to secure agreements with host location owners. If you desire to place an ATM at a host location for which we have negotiated a signing bonus with its owner, you must agree to pay the signing bonus as a condition of placing an ATM at that host location.

The expenses in this Item 7 are estimates of your initial investment in one ACFN franchise before you begin operations, and for additional funds you will need during your first 3 months of operations. We cannot guarantee that you will not have additional expenses starting your ACFN business. We have included no estimates regarding real estate acquisition or lease costs and costs associated with a building, such as utilities. We do not require you to acquire or lease real estate for an office, nor do we require you to acquire or lease real estate for your approved ATM locations.

Except as described below, all payments to us are non-refundable. Whether payments made to others will be refundable will depend on your arrangements with them. Except as described below, we do not offer any direct or indirect financing.

Notes:

- (1) The initial franchise fee is \$25,000. Under certain circumstances, however, we may offer a reduced initial franchise fee to qualifying existing ACFN franchisees. See Item 10 for more information regarding the circumstances under which we may finance up to \$10,000 of the initial franchise fee.
- (2) Generally, no business signage should be required, however, occasionally some signage directing people to the location of the ATM may be required, and is at the discretion of the host location.
- (3) The estimated cost for each ATM is \$4,294, including a low topper sign and economy shipping in the 48 contiguous states. The low-end figure assumes that you will purchase one ATM, an extra cash cassette (currently \$595), no wireless units and no ATM cabinets before you begin operations. The high-end figure assumes the purchase of 3 ATMs with an extra cash cassette before you begin operations, possibly one ATM cabinet (currently \$995, which includes shipping in the 48 contiguous states), and possibly one wireless unit

for one ATM (currently, there is no cost associated with this unit, although you will pay the ongoing wireless connection fee for any such unit, as described in Item 6). We assumed only one ATM cabinet in the high-end figure because ATM cabinets are not required by us and are only required by a minority of current host location owners. In addition, we assumed no wireless units in the low-end figure and only one wireless unit in the high-end figure because wireless units are not required for all host locations, but only those that elect the wireless option. Sales tax is charged separately by each state and is not included these estimates. You are responsible for paying all applicable sales tax. You will incur additional fees for shipping to Alaska or Hawaii.

If you are a new franchisee who enters into a Purchase Agreement with us or our affiliate for the purchase of existing ATMs and locations, you will pay to us or our affiliate the agreed upon Corporate ATM Acquisition Fee instead of fees described in the preceding paragraph. Because the amount of the Corporate ATM Acquisition Fee will vary based on a number of factors, it is difficult for us to provide a meaningful range for these fees. We anticipate, however, that if you were to purchase 3 existing ATMs and locations from us or our affiliate, the amount of the Corporate ATM Acquisition Fee would exceed the \$14,472 high-end figure.

- (4) This represents the required cash inventory for each ATM, which is estimated to be \$5,000.
- (5) The low end of this range is the estimated cost of the required cell phone/voice mail system, but does not include any costs of a personal computer, printer, copier and fax machine, as most franchisees will already have a version of these items that complies with our required standards. The high end of this range includes the estimated cost of the required cell phone/voice mail system (\$200), plus the cost to purchase a personal computer, printer, copier and fax machine that complies with our required standards, which we estimate to be \$600 to \$1,000, depending on the brand and model of the items you select and the software you purchase.
- (6) You should allocate \$200 for gas costs and other expenses in conducting initial local marketing for your ACFN business.
- (7) This represents an estimate of the first year premium for general business liability and property/casualty insurance.
- (8) Professional fees include setting up an accounting system and business licenses.
- (9) The initial training fee for your Managing Owner and up to one other person is \$799 and is included in the chart above. This estimate assumes that you will not incur any additional, related expenses, such as wages or benefits, for your Managing Owner and any other training attendees to attend the initial training, which consists of 4 video conference calls.
- (10) Additional funds is an estimate of the amount of cash required to cover any operating expenses during your first 3 months of operation.

- (11) We relied upon our and our former affiliate AFFA's 20-plus years of experience in the ATM business to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase an ACFN franchise.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, and other items relating to the establishment or operation of the ACFN business that you must purchase or lease from us, an affiliate, a designated supplier, an approved supplier, or for which we have required specifications, are described below.

ATMs and ATM-Related Equipment and Supplies

We have the right to establish the make and model and/or the required specifications of the ATMs and related equipment and supplies, like cabinets and wireless units, you must purchase and use as part of your ACFN business, and will describe these items in our Operations Manual. As of the issuance date of this disclosure document, we have established the Triton ARGO 12.0 ATM ("Triton ATM") as the required ATM make and model for the ACFN franchise system. The Triton ATM is manufactured by Triton Systems, Inc. ("Triton"), with headquarters located at 522 East Railroad Street, Long Beach, Mississippi 39560. The Triton ATM includes the following components: ARGO 12" Color LCD, 56K modem, EPP T7 PCI Compliant Keypad, Electronic Lock, 2MB Memory, ADA Voice, TCP/IP (with SSL), Dip Card Reader, 60mm Printer, Integrated Topper, Integrated Leveling Feet, EMV ICM330 Card Reader for US Market, SDD-1700 DeLarue Dispenser.

As of the issuance date of this disclosure document, you must purchase from us at least one ATM and an extra cash cassette when you sign the Franchise Agreement. In addition, you must purchase from us each additional ATM and any ATM-related equipment and supplies that you use as part of your ACFN business, and we are the only designated supplier of these items. As further described below, we will derive revenue as a result of some of your required purchases of these items. Due to our significant volume of ATM purchases from Triton, we qualify for preferred pricing from Triton. As a result, the difference in the cost to us and what we charge you and other ACFN franchisees for each Triton ATM (\$4,294) leaves us with a gross profit of approximately \$1,395 per ATM, part of which we will use to pay our account manager that will work with franchisees to find new ATM locations. We reserve the right, however, to periodically increase the gross profit we receive, but will not increase it by more than 10% during any 12-month period. Presently, the above cost includes shipping for each ATM we provide in the continental United States (Hawaii and Alaska are extra). All sales taxes must be paid by you as well. Above prices do not include sales tax. Certain host location owners may require you to have a cabinet for an ATM and if so, you must purchase the ATM cabinet from us. The current cost of ATM cabinets is \$995 each (which includes shipping in the 48 contiguous states), and we do not currently derive any profits from your purchase of the cabinets from us. In addition, certain host locations may select a wireless option. In such case, you may be required to purchase or obtain a wireless unit for the ATM at that location from us, a designated or approved supplier, or from a source that meets our specifications, as we have the

right to periodically prescribe. If you obtain a wireless unit from us, we do not currently charge a fee, and therefore we do not currently derive any profits from your purchase of wireless units from us.

We have the right to change the make and model of new ATMs and any ATM-related equipment and supplies we require you to use as part of the ACFN franchise system, and we have the right to increase the price and mark-up we charge you for these items and for any related shipping. On rare occasion, certain host locations may require wall ATMs, which are more expensive than stand-alone ATMs and require construction costs for installation.

You must use our proprietary lead allocation and tracking software and our related proprietary forms. As of the issuance date of this disclosure document, we provide these items to you at no charge, but we reserve the right to charge you a fee for them in the future. As part of the operation of your ACFN franchise, you and your employees must wear the shirts we designate bearing the Marks, including the ACFN trademark. As of the issuance date of this disclosure document, you must purchase these shirts from our designated supplier Land's End.

We or our affiliate may offer to sell to you existing ATMs and locations. If you elect to purchase those items, you will pay us or our affiliate an agreed upon Corporate ATM Acquisition Fee. The Corporate ATM Acquisition Fee will be based on a number factors and may be higher than the amount we or our affiliate paid to acquire these items.

ATM-Related Services and Participation in Our ATM Network

As of the issuance date of this disclosure document, you must purchase from or through us all ATM-related services for your ACFN business, including those involving ATM set-up, programming, transaction processing, communication, monitoring and support, and must participate in our ATM network, and we are the only designated supplier of these services and the ATM network. Some of the current costs and fees you must pay to us for these ATM-related services and your participation in our ATM network are further expanded on below.

Each of your ATMs must be programmed to our specifications so that we may provide technical support to you as part of our ATM network and so that we may monitor all ACFN ATM locations to insure our service standards are being followed. All transactions made at any ATMs that you operate must be processed through our network system and we will derive revenue each month for processing these transactions. Presently, you must pay us \$12 per month, per ATM location that you operate for our processing for the location. If we determine that any ATM that you operate is at any time not being processed through our network according to our Methods of Operation, you must pay us \$200 per month for processing for that ATM for the remaining term of the Franchise Agreement. Also, presently, you must pay us a \$0.08 Transaction Fee per transaction to cover communications and other transaction-related costs. In addition, you pay us each month a Virtual Office Fee for customer service and ATM location support functions that we will provide to you. The amount of the Virtual Office Fee starts at \$0 and will increase to up to \$100 or more depending upon your monthly share of fees collected from your ATM locations.

Our primary income is derived from the collection from third parties of Interchange fees for the processing of the transactions from each of your ATM locations. A network provides an array of services that link together the ATMs. The basic operational activity of the network is to support ATM cash withdrawals by the deposit account holders of any member bank. This function requires the network to transfer electronically, or “switch,” the transaction information from the ATM to the account holder’s bank and back again. This communication and sorting activity is accomplished through the aid of leased or dial-up telephone lines and centralized computers. The Interchange fee is paid by the ATM customer cardholder’s bank to the ATM network member to compensate the network member for the costs of managing and servicing the ATM at which a transaction was initiated. Banks pay Interchange fees to members of their ATM network. As of the issuance date of this disclosure document, we get paid \$.15 to \$.70 per transaction (although the vast majority of Interchange fees we receive fall within the \$.15 to \$.45 per transaction range), and various additional fees, if any, for international transactions. The collection of these fees require ATM network membership and we are a member of most major ATM networks. If the Interchange fee system is ever eliminated or eroded during the term of the Franchise Agreement, we will assess a reasonable ATM transaction surcharge fee per transaction at each of your ATMs to offset our loss of the Interchange fee revenue derived from Interchange fees. ATM transaction surcharges are the fees paid by the ATM customer cardholder to you for use of your ATM. In addition, we may charge you any and all fees charged to us by processors, banks or other third parties in connection with your ATMs. Currently, we pass on all surcharges and fees for international transactions to you.

In addition to the required services described above, periodically we may make available to you optional services we or third parties offer for additional fees we establish. For example, if a third party provider offers an optional service, such as electronic record keeping, we may offer that service to you.

Further, as the ATM industry changes and evolves, new revenue sources may become available to us and the ACFN franchise system, and new opportunities may arise for us to allow ACFN franchisees to offer additional services or participate in addition programs. In such case, we have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN franchise system take advantage of such new revenue sources and opportunities, and the terms of any participation, which we have the right to make mandatory for you and all other ACFN franchisees. Participation in these new revenue sources and opportunities may require you to purchase additional services or other items from us, our affiliates or our approved or designated suppliers.

Signs, Office Equipment and Supplies, and Other Items

For those items for which we have established a designated supplier or suppliers (including those cases described above where we are the only designated supplier), you may not request that we approve an alternative supplier. For all other items you use as a part of your ACFN business, like signs and office equipment and supplies, we may establish approved suppliers and specifications that you must follow. Approved suppliers and specifications are described in our Operations Manual. Approved suppliers and specifications are determined based on the current needs for operating ACFN businesses. We evaluate existing and potential approved suppliers based on price, service, quality, and other commercially reasonable

benchmarks. The identity of approved suppliers and these specifications are updated periodically in writing by modifying the appropriate pages of the Operations Manual. We will send you modified pages through the United States Mail or by any other commercially reasonable means. We have procedures for approving vendors and suppliers you recommend based on safety and professional compatibility. We will notify you within 30 days of your request to evaluate an alternative vendor or supplier of our approval or disapproval of that vendor or supplier. As of the issuance date of this disclosure document, we do not charge a fee to evaluate an alternative vendor or supplier, but we reserve the right to charge a fee in the future. We may revoke our approval of any vendor or supplier with 30 days' written notice to you. As of the issuance date of this disclosure document, no affiliate of ours was a designated or approved supplier, although we have the right in the future to establish our affiliates as designated or approved suppliers. In addition, as of the issuance date of this disclosure document, no affiliate of ours owned any ATMs or locations, although our affiliates have the right in the future to own ATMs and locations and offer to sell them to you.

We and our affiliates reserve the right to collect rebates and other consideration from third party approved suppliers of 1% to 10% or more of franchisee purchases. The payment of these rebates or consideration may or may not be reasonably related to services we or our affiliates provide to these third parties.

Insurance

You must obtain, before beginning any operations under the Franchise Agreement, and must maintain in effect during the term of the Franchise Agreement, at your own expense, an insurance policy or policies protecting you and us. The policies must provide protection against any demand or claim relating to personal injury, death or property damage, or any loss, liability or expense arising from operation of your franchise. All policies must be written by a responsible carrier or carriers that is rated A or better by A.M. Best, and that we determine to be acceptable. All policies must name us as an additional insured, and must provide at least the types and minimum amounts of coverage specified in our Operations Manual, as we may modify periodically. You must provide us with a copy of the actual policies of insurance issued by the insurer and/or other proof of insurance at the times and in the manner that we require. Our current standard types and required amounts of insurance coverage are as follows: \$1,000,000 general liability per occurrence, \$2,000,000 aggregate limit, workers' compensation as the law requires, \$1,000,000 property/casualty, \$1,000,000 vehicle liability for non-company owned automobiles and business interruption covering loss of income, extra expenses, crime and fraud, all policies naming us as an additional insured.

General Information

During our 2024 fiscal year (October 1, 2023 to September 30, 2024), we received revenue in the amount of \$563,605 from required purchases of products and services by franchisees, which was 3.68% of our total revenue of \$15,299,084 according to our audited financial statement attached as Exhibit B. During this same period, no affiliate of ours received any revenue from required purchases and leases of products and services by franchisees.

We estimate that between 50% and 70% of the cost in establishing your ACFN business will be on required purchases and leases, and that between 20% and 60% of the cost of operating your ACFN business will be on required purchases and leases.

We do not provide material benefits to you, i.e., special renewal privilege or additional franchises, based on your purchase of particular products or services, or your use of our designated or approved suppliers. There are no purchasing or distribution cooperatives at this time. We periodically may negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees.

Our officers may own an interest in us. Otherwise, there are no suppliers in which one of our officers owns a material interest.

FINANCING

Neither we or our affiliates guarantee your loans or other obligations, nor receive payments or other consideration for the placing of financing. We may provide financing for qualifying prospective franchisees under our guidelines. We may add, change or delete any financing programs at any time. It is not our current practice or intent to sell, assign, or discount to a third party all or part of any financing arrangement. Except as described below in this Item, as of the issuance date of this disclosure document, neither we nor our affiliates offer directly or indirectly any franchising arrangements to ACFN franchisees.

We may offer you financing of your initial franchise fee through a promissory note with us. A copy of our current form Promissory Note For Initial Franchise Fee (“Note”) is included in Exhibit F. The table below shows the standard terms of our Note.

Item Financed (Source)	Amount Financed	Down Payment	Term (Months)	APR %	Monthly Payment	Prepay Penalty	Security Required	Liability Upon Default	Loss Of Legal Right on Default
Initial Franchise Fee (we provide financing); See Note (1) below	Up to \$10,000 of the Initial Franchise Fee	Portion of the \$25,000 Initial Franchise Fee we do not finance	36 Months See Note (1) below	9.9% See Note (1) below	Varies Depending on the Amount Financed	None	Partner or Shareholder Guarantee and security interest in Franchise Agreement See Note (2) below	Late Penalty; Acceleration of Amounts Due; Fees See Note (3) below	Waiver of Trial by Jury and Right to Interpose Any Defense, Set-Off or Counterclaim of Any Nature or Description See Note (4) below

Notes:

- (1) The initial franchise fee is \$25,000. In order to assist credit-worthy franchisees to purchase and operate an ACFN business, we may finance up to \$10,000 of the initial franchise fee. We do not offer financing, however, if you pay a reduced initial franchise fee. The financed amount of the initial franchise fee is evidenced by a Note and is payable over a term of 3 years in equal monthly installments with an interest rate of 9.9% per annum, on the unpaid principal. Except as described below, there are no other annual finance charges. We have the right to change the terms, interest rate, and amounts financed. (A copy of our Note is attached in Exhibit F.)
- (2) If your business is a partnership, corporation or other recognized legal entity, the Note must be guaranteed individually by all partners or shareholders. The Note is secured by a security interest in the Franchise Agreement. (See Exhibit F.)
- (3) If you do not pay on time, we can charge a late penalty of 18% per annum from the due date. In the case of nonpayment or other default under the Note, we can require immediate payment of all unpaid amounts under the Note, and/or terminate the franchise, and we can also collect our reasonable attorneys’ fees and all costs and expenses of collection. We may deduct the full amount of any overdue installment payments directly from any ATM transaction surcharge revenue we collect that is due to the franchisee.
- (4) Each party that signs the Note, in any litigation arising out of or relating to the Note in which a holder of the Note is an adverse party, waives trial by jury and the right to interpose any defense, set-off or counterclaim of any nature or description. (See Note in Exhibit F.)

Our Approval of ATM Locations

After you sign a Franchise Agreement, we will provide you with our then-current location criteria for ATM locations, which we may periodically modify. Our current location criteria for ATM locations focus on a number of factors, including the general location, type, size, hours of operation, type of activity and revenue. Typical ATM locations consist primarily of entertainment and travel-based businesses, hotels, city properties, sports bars, nightclubs, billiard clubs, restaurants, breweries, theatres and hospitals.

We will work with you to find ATM locations within your Area of Operation that meet our current location criteria. Accordingly, you agree to review any potential ATM locations

within the Area of Operation we recommend to you, and will notify us of any potential ATM locations you select within the Area of Operation at which you want to locate an ATM. In addition, although we have no obligation to do so, as further described in Item 12, provided you remain Active, we may from time to time market to find potential ATM locations within the Area of Operation and provide leads to you for potential ATM locations within the Area of Operation.

You may not locate and operate an ATM at a particular location under the Franchise Agreement until you have reviewed/selected that location, received our prior approval of that location and met all of our then-current criteria for operating additional ATMs. We will approve or disapprove of any potential ATM locations within your Area of Operation within 10 days of your request for our approval and your submission of location details. You understand that our recommendation and/or approval of any ATM location, and any information regarding that ATM location communicated to you, do not constitute a representation or warranty of any kind, express or implied, as to the performance of the ATM at this location or the suitability of the location for an ATM or for any other purpose. Our recommendation and/or approval of the ATM location indicates only that we believe that the ATM location falls within the location criteria for ATM locations that we have established as of the time of our recommendation and/or approval of the ATM location, or that the ATM location should be approved as part of a MLA Program. You also understand that your review, selection and acceptance of each ATM location developed under this Agreement is based on your own independent investigation of the suitability of that ATM location, including considerations relating to safety and security. Typically, you will not purchase or lease space for your ATM locations, but will pay the owner of each host location a negotiated portion of the ATM transaction surcharges. Arrangements with host location owners will be made by you and/or us. Generally, neither we or our affiliates are host location owners. We do not conform the premises to local ordinances and building codes or obtain any required permits for you, and we do not construct, remodel, or decorate the premises.

We or our affiliate may offer to sell to you existing ATMs and locations. If you elect to purchase those items, you will pay us or our affiliate an agreed upon Corporate ATM Acquisition Fee and sign a Purchase Agreement. Once a Purchase Agreement has been signed, we or our affiliate will work with the appropriate third parties to arrange for the transfer to you of the ATMs and locations, which we estimate will typically take 30 to 90 days.

You are not required to operate more than one ATM location under your Franchise Agreement to maintain your rights. You are not required to maintain an office and may operate your ACFN business from any location that allows you to comply with your obligations under the Franchise Agreement.

Commencement of Operations

We estimate the length of time between the signing of the Franchise Agreement or the first payment of consideration for the ACFN franchise and the commencement of operation of your ACFN business is 30 to 60 days after you complete your initial training with us. Factors that may affect this time period include your ability to purchase or lease equipment, obtain our approval of your first ATM location and subsequent ATM locations, enter into arrangements

with host location owners, and/or purchase materials and supplies. You must commence operation of your ACFN business within 90 days of the signing of the Franchise Agreement or 60 after you complete your initial training to our satisfaction, or we have the right to terminate your Franchise Agreement. As further described in the Franchise Agreement (FA - Article 2.5), however, we may allow you additional time to commence operation of your ACFN business if you were unable to do so as the result of circumstances beyond your reasonable control (other than lack of funds).

Brand Fund

We have established a brand fund (“Brand Fund”) that we administer. You and all other ACFN franchisees in the United States and Canada must pay a monthly Brand Fee of up to 1% of Gross Revenue to us for inclusion in the Brand Fund. As of the issuance date of this disclosure document, the monthly Brand Fee is 1% of Net Revenue, although we may, upon written notice to you, periodically decrease or increase the Brand Fee to up to 1% of Gross Revenue. Except as described below, you and all other ACFN franchisees will contribute to the Brand Fund at the same rate. We and our affiliates may, but are not obligated to, contribute to the Brand Fund. During our 2024 fiscal year (October 1, 2023 to September 30, 2024), we used Brand Fees contributed to the Brand Fund as follows: 12.85% on trade shows, 40.75% for marketing via print, email and web, 37.70% for access to databases to obtain contact information, and 8.7% for administrative costs.

We are not limited to any specific media in which ads may be disseminated, but we anticipate using print media and/or printed materials, like marketing folders and ATM cabinet brochures, and not radio and TV advertising. We are not limited to local, regional or national programs, but may use a combination of the types of programs. We may create ads and may solicit outside ad agencies for creating advertising. We are not required under the terms of the Franchise Agreement to spend any money on or provide advertising in the area or territory where your ACFN franchise is located in the same proportion as your contributions to the Brand Fund. The Brand Fund is accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for any reasonable salaries, administrative costs, travel expenses and overhead that we may incur in activities related to the administration of the Brand Fund and its programs. We will direct all programs financed by the Brand Fund, with sole discretion over the creative concepts materials and endorsements used therein and the geographic market and media placement and allocation thereof. The Brand Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials, administering regional and multiregional advertising programs, including without limitation purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies to assist therewith and supporting public relations, market research and other advertising promotion and marketing activities. The Brand Fund may be used to furnish you with samples of advertising, marketing formats, promotional formats and other materials at no additional cost to you when we deem appropriate. Multiple copies of such materials will be furnished to you at our direct cost of producing them plus any related shipping, handling and storage charges. For purposes of clarification, the Brand Fund also may be used to cover expenses related to maintaining our website, and enabling our franchisees and their ATMs to transact, including without limitation network membership fees, bank sponsorship fees and other fees that enable franchisee ATMs to participate in new markets and generate new income streams. We may

spend, on behalf of the Brand Fund, in any fiscal year, an amount that is greater or less than the aggregate contribution of all ACFN businesses to the Brand Fund in that year. Any Brand Fund contributions we collect but do not spend in any fiscal year will be carried forward to the next fiscal year. If we incur Brand Fund expenses in excess of Brand Fund contributions we collect during any fiscal year, we will carry those expenses forward and pay them using Brand Funds we collect during the next fiscal year. The Brand Fund also may borrow from us or others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Brand Fund will be used to pay advertising costs before other assets of the Brand Fund are expended. We will prepare an annual, unaudited compiled statement of monies collected and costs incurred by the Brand Fund and furnish the statement to you upon your written request. We have the right to cause the Brand Fund to be incorporated or operated through a separate entity at such time as we deem appropriate and such successor entity will have all of the rights and duties specified in this disclosure document and the Franchise Agreement.

We will not use the Brand Fund to solicit potential franchisees. You can only use your own advertising material after receiving our prior approval. There are no advertising cooperatives or advertising councils composed of franchisees that advise us on advertising policies.

We reserve the right to defer or reduce contributions of an ACFN business franchisee and, upon 30 days' prior written notice to you, to reduce or suspend your payment of Brand Fees to and suspend operations of the Brand Fund for one or more periods of any length and to terminate (and if terminated to reinstate) the Brand Fund. If the Brand Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in accordance with the terms of the Franchise Agreement.

Computer Hardware and Software

The computer we require you to use in the day-to-day operation of your ACFN franchise is a standard personal computer with the version (or newer version) of Windows operating system that we specify (or a functionally equivalent operating system), with Internet and e-mail access through which you will communicate with us. Also, you will need a computer printer, a copier and a fax machine. You must use our proprietary lead allocation and tracking software and our related proprietary forms. Currently, we provide these items to you at no charge, but we reserve the right to charge you a fee for them in the future. Any other hardware or software is not proprietary to us. Typically, there is no cost to purchase or lease the computer system used as part of your ACFN business because you will likely already own a standard personal computer, printer, copier and fax machine. However, if you were to purchase a version of these items that complies with our required standards, we estimate it would cost \$600 to \$1,000, depending on the brand and model of the items you select and types of software you purchase. We approve suppliers for hardware and software. Our approved suppliers have their own policies for service and maintenance as well as hardware and software upgrades. You must pay for upgrading all computer hardware and software, as necessary, in order to bring the franchise into compliance with our system standards. We estimate that the cost for annual maintenance contract is less than \$200 per year. We have no obligation to upgrade or update any computer system or software. We may, as often as we deem appropriate, including on a daily basis, access

the computer systems that you must maintain in connection with the operation of the franchise and to retrieve all information relating to the operation of the franchise (FA - Article 10.2).

Training

Before the franchise begins operating, we will provide initial training on the operation of an ACFN business to your Managing Owner and one additional individual. Initial training consists of 4 video conference calls providing training for you (or your Managing Owner) and your employee at a time that we specify. Initial training will be conducted at our mutual convenience, typically within the 60-day period before you commence operation of your ACFN business. As part of initial training, your Managing Owner will receive training so that he/she is qualified to install and service the ATMs you will be operating. No other additional or refresher courses are required for you to begin operation of your franchise. Your Managing Owner must complete the initial training to our satisfaction. Your Managing Owner must participate in all other activities required to operate the ACFN franchise. You must pay us a \$799 initial training fee for your Managing Owner and up to one other person to attend initial training. You must pay for any additional, related expenses, such as wages or benefits, for your Managing Owner and other training attendees to attend the initial training. If we determine your Managing Owner is unable to complete initial training to our satisfaction, by written and/or oral exam or otherwise, we have the right to terminate the Franchise Agreement. Initial training will be provided substantially as follows:

TRAINING PROGRAM

Administration	2	0	Virtual
Operations – Initial Training	1.5	0	Virtual
Marketing	2	0	Virtual

Notes:

- (1) It is the nature of the ACFN business that all subjects are integrated into the training program, and that there are no clear delineations between the subjects being learned. The instructional materials include the Operations Manual and other written materials.
- (2) Jeffrey D. Kerr, our President and CEO, Jim Diltz, our VP of Marketing, Gershon Yakir, our VP Operations, Nida Crisostomo, our Controller, and Roxanne LaChance, our VP Leads, are our primary trainers. They all have extensive experience in all aspects of the ATM business. Mr. Kerr has been our President and CEO since our inception in October 2002. Mr. Diltz has been VP of Marketing since June 2011. Mr. Yakir began working with us in January 2010 and has been our VP Operations since September 2010. He brings engineering and managerial experience to our training and operations team. Ms. Crisostomo has a BS in Accounting and an MBA, joined ACFN in 2018, and has been

our Controller since January 2022. Ms. LaChance has been our VP Leads since January 2016.

We may require your Managing Owner and/or previously trained and experienced employees to attend periodic refresher training courses at such times and locations that we designate, and we may charge reasonable fees for such courses. Our current fee for refresher training is \$399. We also may require you to pay us fees for our training of your new employees hired after your ACFN business commences operations, if you so request. Our current fee for supplemental training courses is \$399.

We will furnish or make available to you our operations manual (“Operations Manual”). Our Operations Manual contains certain standards, specifications, procedures, techniques and management systems; some of which you must follow, and some of which are optional. ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchises, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will receive a non-exclusive Area of Operation, described in Appendix C to the Franchise Agreement, in which to locate ATMs. You will not receive a protected territory, nor will you receive any exclusive rights within your Area of Operation. We will work with you to determine to your Area of Operation, which will be based on your location, the distance you are

willing and capable of traveling to service ATMs, and the location of other ACFN ATM locations and businesses. During the term of the Franchise Agreement and for so long as you are not in default under the Franchise Agreement, however, we shall take such reasonable steps as we consider necessary to prevent any other franchisee from soliciting or serving any of the customer accounts at those locations where you have established and are presently operating ATMs within the Area of Operation. You have the right under the Franchise Agreement to locate and operate multiple ATMs within your Area of Operation, provided you receive our prior approval of each ATM location that we recommend and you review, or you select, and you meet all of our then-current requirements for operating additional ATMs at the time you desire to begin operating each additional ATM. You may not locate and operate ATM locations outside your Area of Operation, without our prior approval, and may not use any other channels of distribution, including the Internet, catalog sales, telemarketing or other direct marketing, to provide goods and services to consumers within or outside of your Area of Operation. In addition, you may not solicit or accept orders from consumers or provide ATM and related services to consumers, except from your approved ATM locations. We may allow you to relocate your ATM locations within your Area of Operation, provided you pay us an ATM Relocation Fee, meet our then-current location criteria and receive our approval.

If you operate an ATM at a location that is part of a Multiple Location Account (“MLA”) for which we have established a MLA Program, you must participate in that MLA Program.

We and our affiliates have the right to establish and acquire, and grant to franchisees the right to establish and acquire, without any compensation to you, ACFN ATM locations or businesses, or other ATM locations or businesses, anywhere within or outside your Area of Operation on such terms and conditions as we deem appropriate. We and/or our affiliates presently do not sell the same or similar services and goods through other channels of distribution, including the Internet, under the ACFN trademark or different trademarks, and have no plans to sell franchises under a different trademark within the current and next fiscal year, although we reserve the right to do so in the future, without any compensation to you. We and/or our affiliates have the right to establish or acquire, without any compensation to you, other franchises or company-owned or affiliate-owned outlets selling or leasing similar services or products under a different trademark or through other channels of distribution, including the Internet, anywhere within or outside of your Area of Operation.

If we or one of our affiliates acquire ATMs and the right to operate those ATMs at locations within your Area of Operation (“Corporate ATMs” and “Corporate ATM Locations”), we may, but are not obligated to, offer you the right to purchase the Corporate ATMs and the right to operate them at the Corporate ATM Locations. We and our affiliates also may, in our sole discretion, elect to offer other parties the right to purchase the Corporate ATMs and operate them at the Corporate ATM Locations, or operate them ourselves.

Although we have no obligation to do so, provided you remain Active (as defined below), we may from time to time market to find potential ATM locations within the Area of Operation and provide leads to you for potential ATM locations within the Area of Operation. For the purpose of the preceding sentence, “Active” means that you (i) are in good standing under and not in default of the Franchise Agreement and any other agreement with us, (ii) maintain in stock one ATM and order an additional ATM from us each time you add an operating ATM to your

ATM network, (iii) review any leads we provide to you for potential ATM locations within the Area of Operation and notify us within the time period we prescribe of your interest in pursuing any of the leads, (iv) deliver marketing materials to all leads you elect to pursue within the time period we prescribe and conduct any additional follow-up we prescribe, and (v) participate in our annual leads review process and conduct any related follow-up we prescribe. If at any time you fail to remain Active, we can take back and reassign any leads we previously provided to you for potential ATM locations within the Area of Operation, except to the extent you have already received our prior approval to add any of the potential ATM locations to your ATM network.

We retain the right in our sole discretion to offer a specific ATM location lead or installation opportunity previously offered to you within your Area of Operation to other parties if you fail to respond to us via email and/or phone and take action within 3 days of notifying you of that ATM location lead or installation opportunity.

If you have 3 service violations within any 3-month period or if you have 4 service violations within any 6-month period in connection with a particular ATM location, upon written notice to you, we may require you to transfer the rights to that ATM location to us, an affiliate or another ACFN franchisee, and you must immediately remove your ATM from that location. If that ATM location is part of a MLA or other group arrangement that is not an MLA (like a group of hotels), as we have the right to determine, we may require you to transfer the rights to all of your ATM locations that are part of the MLA or the group arrangement to us, an affiliate or another ACFN franchisee, and you must immediately remove your ATMs from those locations. A “service violation” is defined as: (1) any time an ATM runs out of cash; or (2) your failure to respond to a service call at the ATM location within 24 hours.

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

ITEM 13

TRADEMARKS

Under the Franchise Agreement, you receive a license from us to use the ACFN® trademark (“Principal Mark”) and other Marks, as we designate from time to time.

As further described in Item 1, prior to its dissolution in December 2019, our former affiliate AFFA owned the Principal Mark and other Marks, and granted us a perpetual right to use, and sublicense others to use, the Principal Mark and certain other Marks in the United States under a trademark license agreement with an effective date of September 15, 2003. In connection with AFFA’s dissolution, we acquired all of AFFA’s rights to the Marks, including without limitation all goodwill associated with the Marks.

We and AFFA have used, and licensed and sublicensed the right to use, the Principal Mark and other Marks dating back to 1996, and claim common law rights to, and interest in, these Marks and the goodwill associated with them. In the past, AFFA had registered the Principal Mark with the United States Patent and Trademark Office (“USPTO”). On March 31, 2020, we submitted an application to re-register the Principal Mark with the USPTO for services

in Class 35, and on October 5, 2021, the Principal Mark was registered with the USPTO in Class 35 (Registration Number 6505060, Principal Register). We intend to file with the USPTO all required renewals and affidavits. The Principal Mark is not registered in any other classes.

You must use our current and future trademarks, service marks and trade names only in the ways we have approved in advance in writing as we have described in our Operations Manual or other written materials. You must cease using any trademarks, service marks or trade names we determine to be no longer part of the ACFN franchise system, including the Principal Mark, and are solely responsible for any costs relating to the required modification or discontinued use of any trademarks, service marks or trade names. You may not conduct a similar business under another name.

There are no currently effective material determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any state or any court concerning the Principal Mark. There are no pending infringements, oppositions or cancellations concerning the Principal Mark. There is no pending material litigation involving the Principal Mark.

There are no agreements currently in effect that significantly limit our rights to use or license the use of the Principal Mark in a manner material to the franchise.

We are not obligated, by the terms of the Franchise Agreement or otherwise, to protect your right to use the Principal Mark or any other Marks, or to take any action when we are notified of an infringing use of these marks. Nor are we obligated to protect you against claims of infringement or unfair competition arising out of your use of the Principal Mark or any other Marks. You must notify us immediately of any infringement or unauthorized use of the Principal Mark or other Marks of which you become aware. We have the right to control any litigation or administrative proceedings involving the Principal Mark or other Marks.

We have no actual knowledge of either superior prior rights or infringing uses that could materially affect your use of the Principal Mark or other Marks in the state where your franchise may be located.

ITEM 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

There are no patents or copyrights currently registered that are material to the franchise, although we do claim copyright ownership and protection for our Franchise Agreement, Operations Manual, and other materials for which we or an affiliate do not have a registered copyright, including instructional and training materials, web site and Internet-related materials, sales promotion and marketing materials, and various other materials published periodically.

There are no currently effective determinations of the Copyright Office (Library of Congress), USPTO, Board of Patent Appeals and Interferences, or any court, or any pending infringement, opposition or cancellation proceeding or any pending material litigation involving any patents or copyrights. There are currently no agreements in effect that significantly limit our rights to use or license the use of any patents or copyrights in any manner material to the

franchise. There are no infringing uses actually known to us that could materially affect your use of the patents or copyrights.

We are not obligated to protect you against infringement or unfair competition claims arising out of your use of any copyrighted materials, or to participate in your defense or indemnify you. We have the right to control any litigation related to any copyrights and we have the right to decide to pursue or settle any infringement actions related to any copyrights. We have no obligation to protect any copyrights. You must notify us promptly of any infringement or unauthorized use of the copyrights of which you become aware. If we determine that any infringement action requires changes or substitutions to any copyrighted materials, you must make the changes or substitutions at your own expense, and will have no further rights to the copyrighted materials that were changed or substituted.

You must keep confidential during and after the term of the Franchise Agreement all proprietary information and trade secrets, including the Operations Manual, the systems described in that Operations Manual, and web site structure, content and reporting. Upon termination of your Franchise Agreement, you must cease using all proprietary information and trade secrets, including the Operations Manual, computer software, and all other copyright material. We are not obligated to take any action and we have the right to decide the appropriate response to any unauthorized use of proprietary information or trade secrets. You must comply with all changes to the Operations Manual at your cost.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You and your owners will grant to one individual owner (the “Managing Owner”), the authority to legally bind you in any dealings with us, or our affiliates, and to direct any action necessary to ensure compliance with the Agreement and any other agreements relating to your ACFN business. You must notify us if there is any change in the identity of the Managing Owner, and we reserve the right to review and approve or disapprove that person. Although the Managing Owner must be one of your owners, there is no required amount of equity interest that the Managing Owner must have in the franchise.

Your Managing Owner must, at all times, use his or her best efforts in performing your obligations under the Franchise Agreement. Each of your owners must be bound by the terms of the Franchise Agreement, including without limitation the non-competition provisions, and personally guarantee your performance.

Your Managing Owner must personally manage and operate the franchise and will not, without our prior written consent, delegate the Managing Owner’s authority and responsibility with respect to management and operation. If you elect to hire a manager to operate or assist with the operation of the franchise and we consent to this election, the employee must successfully complete our initial training program and must be bound to the confidentiality and non-competition provisions of the Franchise Agreement, but is not required to have an equity interest in you. The manager also must be bound to the provisions of the Franchise Agreement

that allow us and our representatives or agents to take and collect, and reproduce and use, photographs, videos or any electronic or other records of you, your owners or employees, your ATMs or other aspects of your ACFN business. We have the unrestricted right to approve or disapprove of your choice of who you can hire as an on-premises manager. At all times, the franchise must be under the direct management and supervision of a Managing Owner or a trained and qualified manager we approve. While we may consent to your request to hire an on-premises manager, we recommend that the Managing Owner maintain its authority and responsibility with respect to management and operation of the franchise.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may only offer and sell those services and related goods that we have approved. You must offer all services and related goods that we designate as required for all franchisees. These required services are ATM services for general consumer use that are marketed to hotels, retail locations, and other entertainment and travel-based businesses. You must operate your ACFN franchise in accordance with our Methods of Operation, which we may periodically modify. You may only use ATMs that fit our specifications and that you obtain from us. You must process through us all ATM transactions at all your ATM locations, and we must program of all your ATM locations to our specifications. All related ATM parts, supplies, and equipment that you use must be approved by us.

We have the right in our sole discretion to add additional authorized services that you must offer through your ATMs. There are no limits on our right to do so.

We have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN franchise system take advantage of any new revenue sources that may come available and any new opportunities that may arise for us to allow ACFN franchisees to offer additional services or participate in additional programs, as well as the terms of any participation, which we have the right to make mandatory for you and all other ACFN franchisees.

We will not restrict you from soliciting new ATM host location customer accounts, unless the account already belongs to us or another franchisee.

PUBLIC FIGURES

We do not use any public figure to promote ACFN franchises. No public figure is involved in our management or control.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Possible Results of ACFN Franchisee Operating 1 ATM, 5 ATMs and 10 ATMs

The following 3 tables (first, second and third tables) are presented to demonstrate possible results of an ACFN franchisee operating 1 ATM, a small network of 5 ATMs, and a larger network of 10 ATMs, based on a combination of variables. The variables include the following: (i) Transactions Per Day; (ii) Total Transactions Per Day; (iii) Transactions Per Month; (iv) Fees Collected; (v) Transaction Fees; (vi) Profit Share; (vii) Administration Fees; and (viii) Estimated Funds.

This financial performance representation is a forecast of future financial performance. The possible results included in the tables below are solely based on our estimates of the variables, and are not the actual results of any particular ACFN franchisee or ACFN ATM.

To give the information presented in these tables a reasonable basis, however, we used averages based on every ATM surcharge transaction that took place at all operational ACFN ATMs during the 12-month period beginning October 1, 2023, and ending September 30, 2024 (the “Representation Period”) in calculating several of the estimated variables, including average dispense, average surcharge collected and average profit share. A detailed description of our estimates and the material assumptions underlying this financial performance representation are included in the notes following the tables.

General Notes Relating to 3 Tables Above

The 3 tables above represent projections of possible results using the estimated variables described above, some of which are based on information compiled using every surcharge transaction that took place at all operational ACFN ATMs located in the United States during the Representation Period. These ACFN ATMs are referred to in this financial performance representation as the “2024 ATMs”. There were 2,607 2024 ATMs, located in 47 different states, that were operating for at least some portion of the Representation Period. The length of time each 2024 ATM was operational during the Representation Period varied as follows: 2,397 were operational for 12 full months; 43 were operational for more than 9 months, but less than 12 months; 30 were operational for more than 6 months, but less than 9 months; 95 were operational for more than 3 months, but less than 6 months; and 42 were operational for less than 3 months. The 2024 ATMs are primarily located in hotels and other travel and entertainment based businesses.

While the Transaction Fee and the Administrative Fee (as defined below) are flat fees and the same for each ATM, other fees and averages described in this Item 19, including average dispense, average surcharge collected and average profit share, are different for each ATM because of where the ATM is located, the arrangement negotiated with the ATM location owner and local market conditions.

The information provided in this Item 19 regarding the 2024 ATMs is based on third-party processor network reports. All numbers in the above tables are rounded to the nearest dollar.

Using the information described above, we calculated the following averages and medians:

Average Dispense – Represents the average amount of money withdrawn in a single surcharge transaction from a 2024 ATM. This average was calculated by dividing the total amount of cash withdrawn from all 2024 ATMs during the Representation Period by the total number of cash withdrawals. The average for the Representation Period was \$112.15. Of the 2,607 2024 ATMs, 1,329 or 51% were below this average, and 1,278 or 49% were at or above this average. The median for the Representation Period was \$109.25.

Average Surcharge Collected – Represents the average fee collected by a 2024 ATM for a single surcharge transaction, and was calculated by dividing the total surcharge collected by all 2024 ATMs during the Representation Period by the total number of surcharge transactions. The average surcharge for the Representation Period was \$4.06. Of the 2,607 2024 ATMs, 1,304 or 50% were below this average, and 1,303 or 50% were at or above this average. The median surcharge for the Representation Period was \$3.95.

Average Profit Share – Represents the average amount paid per surcharge transaction to the location owner of each of the 2024 ATMs, and was calculated by dividing the total paid to all 2024 ATM location owners during the Representation Period by the total number of surcharge transactions. The average profit share during the Representation Period was \$1.85.

Of the 2,607 2024 ATMs, 1,564 or 60% paid at or below this average, and 1,043 or 40% paid above this average. The median profit share during the Representation Period was \$1.51.

Specific Notes Relating to Each Column on 3 Tables Above

<u>Column</u>	<u>Heading</u>	<u>Description</u>
1	# ATMs	The total number of ACFN ATMs a franchisee owns and has placed in operation.
2	Tran. per day (Surcharge Transactions Per Day)	The average number of surcharge transactions performed at each of a franchisee's ACFN ATMs each day. While the tables include information for average daily surcharge transactions ranging from 1 to 12 surcharge transactions, we would generally recommend that an ACFN ATM producing less than 4 surcharge transactions per day be moved to a new location for better results, unless the ACFN ATM is part of a MLA Program we establish.
3	Total per day (Total Surcharge Transactions Per Day)	The average number of surcharge transactions performed at each of a franchisee's ACFN ATMs each day multiplied by the number of ACFN ATMs in a franchisee's network. The result represents an estimate of the total number of surcharge transactions for a franchisee's ACFN ATM network that day.
4	Tran. per mo. (Surcharge Transactions Per Month)	The estimated number of surcharge transactions performed each month by a franchisee's ACFN ATM network based on a 30-day month.
5	Fees Collected (Per Month)	Fees collected each month by a franchisee as owner of the ATM based on the Average Surcharge Collected for the Representation Period of \$4.06 per surcharge transaction.
6	Tran. Fees (Transaction Fees Per Month)	\$0.10 per surcharge transaction for communications and other transaction-related costs. This is the amount currently set in the Franchise Agreement, although we may increase it by up to 10% every 12 month.

<u>Column</u>	<u>Heading</u>	<u>Description</u>
7	Profit Share (Per Month)	Paid to the ACFN ATM location owner for participating in our “On Site ATM” program and based on our Average Profit Share for the Representation Period of \$1.85 per surcharge transaction.
8	Admin. Fee (Administration Fee Per Month)	\$12 per ACFN ATM per month for processing, reporting and accounting. This is the amount currently set in the Franchise Agreement, although we may increase it by up to 10% every 12 months.
9	Paid to Franchisee (Amount Paid to Franchisee Per Month)	The Fees Collected, less the Transaction Fees, Profit Share and Administration Fee, each month.
10	Annual Total (Annual Amount Paid to Franchisee)	The amount paid to a franchisee annually for an ACFN ATM performing at this level based on the averages described above.
11	Estimated Funds	This represents the estimated amount of money needed by a franchisee to operate (that is, provide adequate cash) the franchisee’s ACFN ATM(s) with service calls performed once each week, and is calculated by multiplying the number of surcharge transactions per month times the Average Dispense of \$112.15, divided by 30 to calculate the daily average then multiplied by 8 so the ATM will have extra cash to prevent it from running out of cash before the next service call.
12	10 Year Total	10 times the Annual Total, plus the Estimated Funds (as these terms are described above). If a franchisee ceases operating the ACFN ATM business at the end of 10 years, a franchisee will have received 10 times the Annual Total. In addition, the franchisee will be able to retrieve the Estimated Funds used to operate the franchisee’s ACFN ATM(s) since the funds are no longer needed.

These figures are only estimates of what we think you may earn. Your individual results may differ. There is no assurance that you’ll earn as much.

Except for Estimated Funds, the figures in the tables above do not reflect the cost of sales, operating expenses, or other costs or expenses that must be deducted from the gross

revenue or gross sales figures to obtain your net income or net profit. You should conduct an independent investigation of the costs and expenses you incur in operating your franchised ACFN business. Franchisees or former franchisees listed in this disclosure document may be one source of information.

Written substantiation of the information contained in this financial performance representation will be made available to you upon reasonable request.

Other than the preceding financial performance representation, ACFN Franchised Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. Notes to Above Tables:

- (*) Effective October 1, 2022, we changed our fiscal year end from December 31 to September 30. Therefore, our 2022 fiscal year was for the 9-month period beginning January 1, 2022, and ending September 30, 2022.
- (**) Upon transfer, a transferee typically adds the transferor's ATMs to its existing franchised business (if the transferee is an existing ACFN franchisee with ATMs in the area), or signs a new franchise agreement for a new term and essentially starts a new franchised business. Therefore, the same 12 franchised businesses included as 2024 transfers in Table 2, are also included as franchised businesses that "Ceased Operations / Other Reasons" in Table 3 during fiscal year 2024. As further described below, information for the franchisees of these 12 franchised businesses is included in Exhibit G.

Attached as Exhibit G is complete list of the names, business addresses, and business telephone numbers of all ACFN franchisees as of September 30, 2024. Also attached as Exhibit G is a list of the name, city, state and business telephone number (or, if unknown, the last known home telephone number) of every franchisee that had its franchise terminated, cancelled, not renewed or who otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement in fiscal year 2024, or who has not communicated with us within 10 weeks of the issuance date of this disclosure document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the last three fiscal years current and former franchisees signed confidentiality agreements. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with the ACFN franchise system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

There are no trademark-specific franchisee organizations associated with the ACFN franchise system required to be disclosed in this Item.

Effective October 1, 2022, we changed our fiscal year end from December 31 to September 30. Because our audited financial statements for 2022, 2023 and 2024 do not cover 3 full calendar years, we also have included our audited financial statements as of December 31, 2021.

Attached as Exhibit A is a copy of the Franchise Agreement you must sign. FRANCHISE AGREEMENT

ACFN®
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the “Agreement”) is made and entered into this _____ day of _____, 20____, by and between ACFN Franchised Inc., a corporation formed under California law, with its principal business address at 75 East Santa Clara Street, Suite 1450, San Jose, California 95113 (referred to in this Agreement as “we,” “us” or “our”), and _____, whose principal business address is _____, (referred to in this Agreement as “you,” “your” or “owner”).

1. PREAMBLES, ACKNOWLEDGEMENTS AND GRANT OF FRANCHISE.

1.1. PREAMBLES. We have expended considerable time and effort in developing an automated teller machine (“ATM”) network in which our franchises provide automated teller machine services, financial transaction processing services, related financial services, and ancillary goods. These businesses operate under the ACFN name and under distinctive business formats, methods, procedures, designs, layouts, standards and specifications, all of which we may improve, further develop or otherwise modify from time to time. We use, promote and license certain trademarks, service marks and other commercial symbols in the operation of ACFN businesses, including without limitation the ACFN® trademarks and service marks and associated logos (collectively, the “Marks”). We grant franchises to persons who meet our qualifications and who are willing to undertake the investment and effort required to own and operate an ACFN business offering the services and products we authorize and approve and utilizing our business formats, methods, procedures, signs, designs, layouts, equipment, standards and specifications and the Marks (the “System”), irrespective of the media we use to document the System. You have indicated to us by your actions and statements that you are desirous of a franchise to own and operate an ACFN business. The Marks, together with the System and the franchise license granted herein are referred to collectively herein as the “BUSINESS.”

1.2. ACKNOWLEDGMENTS. You acknowledge that you have read this Agreement and our franchise disclosure document and understand and accept the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at each ACFN business and thereby to protect and preserve the goodwill of the Marks. You acknowledge that you have conducted an independent investigation of the business venture contemplated by this Agreement and recognize that, like any other business, the nature of the business conducted by an ACFN business may evolve and change over time, that an investment in an ACFN business involves business risks and that your business abilities and efforts are vital to the success of the venture. Any information you acquire from other ACFN franchisees relating to their sales, profits or cash flows does not constitute information obtained from us, nor do we make any representations as to the accuracy of any such information. All business dealings between you and our officers, directors and employees as a result of this Agreement are solely between you and us. You acknowledge that we have advised you to seek franchise counsel to review and evaluate this Agreement. You further acknowledge we will conduct background investigations on you as part of the evaluation process. In addition, you acknowledge that you have had an opportunity to obtain legal advice regarding, and currently comply with, all applicable legal requirements that prohibit unfair, fraudulent or corrupt business practices, including without limitation U.S. and other legal requirements that are designed to combat terrorism and terrorist activities, such as the USA PATRIOT Act and Foreign Assets Control Regulations. Further, you acknowledge that neither you, nor any holder of an ownership interest in you, nor any of your employees is named as a “specially designated national” or “blocked person” as designated by the United States Department of the Treasury’s Office of Foreign Assets Control (OFAC). Further, you acknowledge and agree that you will promptly notify us if any of the acknowledgments in this Section 1.2 are or become inaccurate, and you will cooperate with us in any resulting audits or investigations.

1.3. REPRESENTATION. You represent to us, as an inducement to your entry into this Agreement, that all statements you have made and all materials you have submitted to us in connection with your purchase of the franchise are accurate and complete and that you have made no misrepresentations or material

omissions in obtaining the franchise. We have approved of your purchasing a franchise in reliance upon all of your representations.

1.4. CORPORATE, PARTNERSHIP, OR LIMITED LIABILITY COMPANY FRANCHISEE. We require that you form a business entity to operate the BUSINESS. If you are at any time a corporation, partnership, or limited liability company, or other business entity, you agree and represent that:

- 1.4.1. You will have the authority to execute, deliver and perform your obligations under this Agreement and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation. You will notify us within five (5) days whenever there is a change in your corporate status or whenever you receive service of process for any reason;
- 1.4.2. Your organizational documents or partnership agreement will recite that the issuance and transfer of any ownership interests in you are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in you will bear a legend referring to the restrictions of this Agreement;
- 1.4.3. Appendix A to this Agreement will completely and accurately describe all of your owners and their interests in you;
- 1.4.4. Each of your owners, at any time during the term of this Agreement, will execute an agreement in the form that we prescribe (see Appendix B to this Agreement) undertaking to be bound jointly and severally by all provisions of this Agreement and any ancillary agreements between you and us that bind you. You and your owners agree to execute and deliver to us such revised Appendices A as may be necessary to reflect any changes in the information contained therein and to furnish such other information about your organization or information as we may request within five (5) days of change; and
- 1.4.5. Your owners and you will grant to one individual (the “Managing Owner”), the authority to legally bind you in any dealings with us, or our affiliates, and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the BUSINESS. You will notify us thirty (30) days in advance of any change in the identity of the Managing Owner. Where such change results from the death or incapacity of the Managing Owner, you shall immediately notify us of such death or incapacity and you will appoint a new Managing Owner within thirty (30) days after such death or incapacity and give us ten (10) days prior notice of such appointment. We reserve the right to review and disapprove of such appointed new Managing Owner. We reserve the right to review and approve the authority of such Managing Owner with respect to your Articles of Organization, LLC Operating Agreement, Partnership Agreement, Shareholders Agreement, or similar documents. Neither you nor your owners will, directly or indirectly, take any action to avoid or restrict the authority requirement for the Managing Owner.

1.5. GRANT OF FRANCHISE. You desire a franchise to own and operate an ACFN business within the non-exclusive geographic area (the “Area of Operation”) described on Appendix C to this Agreement. Subject to the terms of, and upon the conditions contained in this Agreement, we hereby grant you a franchise (the “Franchise”) to operate an ACFN business (sometimes referred to herein as the “BUSINESS”) within the Area of Operation, and a license to use the Marks and the System in the operation thereof, for a term commencing on the date of this Agreement and expiring on the tenth (10th) anniversary, unless sooner terminated in accordance with Article 14 hereof. The BUSINESS will consist of the operation of ATMs at locations we approve within the Area of Operation, all in accordance with this Agreement.

1.6. YOUR PERFORMANCE. Your Managing Owner agrees to personally manage and operate the BUSINESS and will not, without our prior written consent, delegate any authority and responsibility with respect to management and operation. You agree that you will at all times faithfully, honestly and diligently perform your obligations hereunder, continuously exert your best efforts to promote and enhance the BUSINESS and not engage in any other business or activity that conflicts with your obligations to operate the BUSINESS in compliance with this Agreement.

- 1.7 **ACCOUNT PROTECTION.** You do not receive any exclusive rights within the Area of Operation, and the Area of Operation is in no way a protected territory. During the term of this Agreement and for so long as you are not in default under this Agreement, however, we shall take such reasonable steps as we consider necessary to prevent any other franchisee from soliciting or serving any of the customer accounts at those locations where you have established and are presently operating ATMs within the Area of Operation.
- 1.8. **RIGHTS WE RESERVE.** We (and our affiliates) reserve any and all rights not expressly granted to you under this Agreement. Without limiting the preceding sentence, we (and our affiliates) retain the right, in our sole discretion, without any compensation to you or any other franchisees and regardless of whether they compete with the BUSINESS, to conduct any of the following activities, anywhere in the world, including without limitation within the Area of Operation:
- 1.8.1. Sell our services, whether or not using the Marks, through channels other than ACFN businesses;
- 1.8.2. Open and establish and/or acquire, and grant to franchisees the right to establish and/or acquire, ACFN businesses or other ATM businesses on such terms and conditions as we deem appropriate; and
- 1.8.3. Offer a specific ATM location lead or installation opportunity previously offered to you within your Area of Operation to other parties if you fail to respond to us via email and/or phone and take action within three (3) days of notifying you of that ATM location lead or installation opportunity.
2. **ATM LOCATION SELECTION AND EQUIPMENT.**
- 2.1. **ATM LOCATION LEADS.** Although we have no obligation to do so, provided you remain Active (as defined below), we may from time to time market to find potential ATM locations within the Area of Operation and provide leads to you for potential ATM locations within the Area of Operation. For the purpose of this Agreement, “Active” means that you (i) are in good standing under and not in default of this Agreement and any other agreement with us, (ii) maintain in stock one ATM and order an additional ATM from us each time you add an operating ATM to your ATM network, (iii) review any leads we provide to you for potential ATM locations within the Area of Operation and notify us within the time period we prescribe of your interest in pursuing any of the leads, (iv) deliver marketing materials to all leads you elect to pursue within the time period we prescribe and conduct any additional follow-up we prescribe, and (v) participate in our annual leads review process and conduct any related follow-up we prescribe. If at any time you fail to remain Active, we can take back and reassign any leads we previously provided to you for potential ATM locations within the Area of Operation, except to the extent you have already received our prior approval to add any of the potential ATM locations to your ATM network.
- 2.2. **ATM LOCATION SELECTION.** You acknowledge that, following your signing of this Agreement, you will review any potential ATM locations within the Area of Operation we recommend to you, and you will notify us within the time period we prescribe of any potential ATM locations you select within the Area of Operation at which you want to locate an ATM. You acknowledge and agree that you may not locate and operate an ATM at a particular location under this Agreement until you have reviewed/selected that location, received our prior approval of that location and met all of our then-current criteria for operating additional ATMs. You further acknowledge and agree that our recommendation and/or approval of any ATM location, and any information regarding that ATM location communicated to you, do not constitute a representation or warranty of any kind, express or implied, as to the suitability of the location for an ATM or for any other purpose. Our recommendation and/or approval of the ATM location indicates only that we believe that that ATM location falls within the acceptable criteria for ATM locations that we have established as of the time of our recommendation and/or approval of the ATM location, or that the ATM location should be approved as part of a MLA Program described in Article 9.11 hereof. You acknowledge and agree that your review, selection and acceptance of each ATM location developed under this Agreement is based on your own independent investigation of the suitability of that ATM location, including without limitation considerations relating to safety and security.

- 2.3. **EQUIPMENT.** We shall furnish you with a list of the equipment and other accessories (collectively, the “Equipment”) required in connection with the operation of the BUSINESS. You shall purchase or lease such Equipment from us, or our affiliate, at our then-current prices, or, at our direction, from sources or suppliers approved or designated in writing by us. You acknowledge and agree that in order for us to insure consistent quality services at all our ATM locations, you must purchase all ATMs for use in the BUSINESS from us or our affiliate, and that we derive revenue from your required purchase of such ATMs. You acknowledge and agree we have the right, upon thirty (30) days prior notice to you, to change reasonably the make and model of new ATM units we require you to use as part of the franchise system and we have the right to increase reasonably the price we charge you for such new ATM units. Other than for ATM units, ATM cabinets, and related ancillary supplies and merchandise, we may approve, in our sole discretion, any other equipment source or supplier requested by you, provided that the equipment being supplied by such other source or supplier shall meet the standards of us and the System. All expenses incurred by us in testing the equipment to be supplied by such other source or supplier, and in investigating such other source or supplier, including the costs of an independent agency or laboratory designated by us to test the equipment, shall be paid for by you, whether or not such other source or supplier is approved by us. For purposes of clarification, purchases of additional ATMs to be located at approved locations within the Area of Operation are governed by this Agreement and do not require a separate franchise agreement.
- 2.4. **YOUR OBLIGATIONS.** You agree, at your own expense, to do the following with respect to developing the BUSINESS:
- 2.4.1. Secure all financing required to develop and operate the BUSINESS;
 - 2.4.2. Obtain all permits and licenses required to operate the BUSINESS;
 - 2.4.3. Purchase or lease all Equipment required for the BUSINESS; and
 - 2.4.4. Purchase an initial inventory of authorized and approved ancillary goods, materials and supplies.
- 2.5. **BUSINESS COMMENCEMENT.** You agree not to commence operation of the BUSINESS until:

 - 2.5.2. The initial franchise fee and all other amounts then due to us have been paid; and
 - 2.5.3. We have been furnished with actual policies of insurance issued by the insurer and/or all certificates of insurance, endorsements and other proof of insurance, and payments of premiums we request for all insurance required by this Agreement.

If you are unable to commence operating the BUSINESS within the specified period due to circumstances beyond your reasonable control (other than lack of funds), then you shall be entitled to such additional time as may be reasonably required and as to which we consent in writing to commence such operation.
- 2.7. **INITIAL LOCAL MARKETING.** You agree to conduct initial local marketing for the BUSINESS and to expend up to Two Hundred (\$200) Dollars (the “Initial Local Marketing Expense”) for such purpose. Such initial local marketing will utilize the marketing and public relations programs and media and advertising materials we have developed or approved. - 3.1. **INITIAL FRANCHISE FEE.** You agree to pay us a nonrecurring and nonrefundable initial lump sum franchise fee in the amount of Twenty Five Thousand (\$25,000) Dollars, which will be due upon your execution of this Agreement. The fee will be fully earned by us upon the execution of this Agreement.

- 3.2. **INTERCHANGE FEES/TRANSACTION SURCHARGE FEE.** You agree that we have the right to retain all Interchange fees received from third parties derived from the processing of transactions from each of your ATM locations. We may reasonably increase the Transaction Surcharge Fee from time to time upon thirty (30) day written notice from us to you, with such increases not to exceed ten (10%) percent during any twelve (12) month period during the term of the Agreement. Your failure to pay all amounts when due constitutes grounds for termination of this Agreement, as provided in Article 14 hereof, notwithstanding the provisions of this Article.
- 3.5. **APPLICATION OF PAYMENTS.** Notwithstanding any designation you might make, we have sole discretion to apply any amounts collected from you to any of your past due indebtedness to us. We may reasonably increase the Transaction Fee from time to time upon thirty (30) day written notice from us to you. All amounts owed to us under this Article shall be deducted by us from the monies we collect in processing your ATM transactions, pursuant to our Methods of Operations (defined in Article 4.5. below).
- 3.8. **SERVICE FEE.** You agree that if you fail to follow our "Methods of Operation" (defined in Article 4.5. hereof) and such failure results in our having to perform, fully or partially, any service for your ATM accounts, including your failure to timely respond to our requirement that you service all ATMs within twenty four (24) hours after we notify you of a material problem at any ATM location, you will pay us a service fee equal to the actual costs and expenses we (and/or our designees) incur to fulfill the service obligation for your account, plus additional amount of twenty percent (20%) of those costs and expenses.

Nothing set forth in this Article shall be construed as imposing, or assuming, any obligation to fulfill your service obligations.

The ATM Relocation Fee shall be in the amount specified under our Methods of Operation, and that reasonably we may amend from time to time during the term of the Agreement, in our sole business judgment. The ATM Relocation Fee shall be deducted by us from the monies we collect in processing your ATM transactions pursuant to our Methods of Operations. Nothing set forth in the Article shall be construed as imposing or assuming an obligation by us to fulfill your customer support responsibility for any of your ATM locations.
- 3.12. **ADDITIONAL FEES.** You acknowledge and agree that we have the right to charge you additional fees to cover our reasonable costs in taking advantage of any new revenue sources that may become available to us and/or the ACFN franchise system, or opportunities for us to allow ACFN franchisees to offer additional services or participate in addition programs, as further described in Article 8.5. hereof.

You acknowledge and agree that your usage of the Marks and any goodwill established by such use will be exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you (other than the right to operate the BUSINESS in compliance with this Agreement). All provisions of this Agreement applicable to the Marks apply to any additional proprietary trademarks and service marks and commercial symbols we authorize you to use.
- 5.2. LIMITATIONS ON YOUR USE OF MARKS.** You agree to use the Marks as the trade name and sole identification of the BUSINESS, except that you agree to identify yourself as the independent owner thereof in the manner we prescribe. You may not use any Marks as part of any corporate or legal business name or as part of an Internet domain name or Internet e-mail address or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos licensed to you hereunder), or in any modified form, nor may you use any Marks in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing. You may, however, use the Marks as part of a fictitious or assumed name required by applicable law or as we prescribe or require. No Marks may be used in any advertising concerning the transfer, sale or other disposition of the BUSINESS or an ownership interest in you. You agree to display the Marks prominently in the manner we prescribe at the BUSINESS, on supplies or materials we designate and in connection with forms and advertising and marketing materials. You agree to give such notices of trademark and service marks registrations, i.e., “®”, “™”, as we specify and to obtain any fictitious or assumed name registrations required under applicable law. You agree to withdraw any fictitious or assumed name registrations immediately upon termination or expiration of this Franchise Agreement.
- 5.3. NOTIFICATION OF INFRINGEMENTS AND CLAIMS.** You agree to notify us immediately of any apparent infringement or challenge to your use of any Marks or copyrights, or of any claim by any person of any rights in any Marks or copyrights, and agree not to communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, United State Patent and Trademark Office (“USPTO”) proceeding or any other administrative proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Marks or copyrights. 6.1. **DETERMINATION OF CONFIDENTIAL INFORMATION.** We possess (and will continue to develop and acquire), and may disclose to you, certain confidential information (the “Confidential Information”) relating to the development and operation of ACFN businesses, which may include (without limitation):

7 EXCLUSIVE RELATIONSHIP.

7.1. **EXCLUSIVE DEALINGS.** You acknowledge and agree that we would be unable to protect Confidential Information against unauthorized use or disclosure or to encourage a free exchange of ideas and information among ACFN businesses if franchised owners of ACFN businesses were permitted to hold interests in or perform services for a Competitive Business (defined below). We will not obligate you to make any Capital Additions when such investment cannot, in our reasonable judgment, be amortized during the remaining term of this Agreement, unless we agree to extend the term of this Agreement so that such additional investment, in our reasonable judgment, may be amortized, or unless such investment is necessary in order to comply with applicable law.

As the ATM industry changes and evolves, new revenue sources may become available to us and the ACFN franchise system. We have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN franchise system take advantage of such new revenue sources, and the terms of any participation, which we have the right to make mandatory for you and all other ACFN franchisees. In addition, as the ATM industry changes and evolves, there may be opportunities for us to allow ACFN franchisees to offer additional services or participate in addition programs. In such case, we have the right in our sole discretion to review and determine from time to time if and how we and/or the ACFN franchise system take advantage of such new opportunities, and the terms of any participation, which we have the right to make mandatory for you and all other ACFN franchisees.
- 8.6. **GROUP PURCHASING REBATES.** You shall have the right to participate, on the same basis as other ACFN franchisees, in group purchasing programs for products, equipment, supplies and services which we may from time to time use, develop, sponsor or provide, including any programs arranged with sources or suppliers approved or designated by us pursuant to Article 8.5. hereof. You shall, at least fourteen (14) days prior to the opening of the BUSINESS and thereafter at least 30 days prior to the expiration of any such policies, annually and upon our request, provide us with a copy of the actual policies

You shall not permit any such manager to assist in the management or operation of the BUSINESS until the manager has successfully completed our initial training program and you have paid us our then-current training fee and its reasonable costs of administering such program. Where any such manager is appointed, nothing herein shall be deemed to relieve you of your obligation to devote attention to the BUSINESS and to maintain direct on-site supervision thereof. You shall not delegate the entire management of the BUSINESS without our prior written consent.

9 MARKETING.

9.1. BY US. Recognizing the value of advertising and marketing to the goodwill and public image of ACFN businesses, and investing in activities that promote and support the brand and opportunities for ACFN businesses, we have established a brand fund (the “Brand Fund”) that we administer and to which you must contribute monthly fees (“Brand Fees”) in accordance with our Methods of Operation (defined in Article 4.5 above). As of the date of this Agreement, you must pay to us a monthly Brand Fee of 1% of your “net revenue,” which, for the purposes of this Article 9.1., means the amount payable by us to you each month after all costs have been deducted, excluding the Virtual Office Fee described in Article 9.5. below. We have the right, however, upon written request, from time to time to decrease or increase the Brand Fee to up to 1% of Gross Revenue. We will direct all programs financed by the Brand Fund, with sole discretion over the creative concepts materials and endorsements used therein and the geographic market and media placement and allocation thereof. You agree that the Brand Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials, administering regional and multiregional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies to assist therewith and supporting public relations, market research and other advertising promotion and marketing activities and amounts expended pursuant to Article 9.2. below. The Brand Fund will furnish you with samples of advertising, marketing formats, promotional formats and other materials at no additional cost to you when we deem appropriate. Multiple copies of such materials will be furnished to you at our direct cost of producing them plus any related shipping handling and storage charges. For purposes of clarification, the Brand Fund also may be used to cover expenses related to maintaining our website, and enabling our franchisees and their ATMs to transact, including without limitation network membership fees, bank sponsorship fees and other fees that enable franchisee ATMs to participate in new markets and generate new income streams.

9.2. ACCOUNTING. The Brand Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Brand Fund and its programs including, without limitation, conducting market research, preparing advertising promotion and marketing materials, and collecting and accounting for contributions to the Brand Fund. We may spend, on behalf of the Brand Fund, in any fiscal year, an amount that is greater or less than the aggregate contribution of all ACFN businesses to the Brand Fund in that year and the Brand Fund may borrow from us or others to cover deficits or invest any surplus for future use. All interest earned on monies contributed to the Brand Fund will be used to pay advertising costs before other assets of the Brand Fund are expended. We will prepare an annual, unaudited compiled statement of monies collected and costs

incurred by the Brand Fund and furnish the statement to you upon written request. We have the right to cause the Brand Fund to be incorporated or operated through a separate entity at such time as we deem appropriate and such successor entity will have all of the rights and duties specified herein.

- 9.3. **PROPORTIONALITY.** You acknowledge that the Brand Fund is intended to maximize recognition of the Marks and patronage of ACFN businesses. Although we will endeavor to utilize the Brand Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all ACFN businesses, we undertake no obligation to ensure that expenditures by the Brand Fund in or effecting any geographic area are proportionate or equivalent to the contributions to the Brand Fund by ACFN businesses operating in that geographic area. Nor are we under any obligation to ensure that any ACFN business will benefit directly or in proportion to its Brand Fees paid to the Brand Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Article, we assume no direct or indirect liability or obligation to you with respect to collecting amounts due to, or maintaining, directing or administering the Brand Fund.
- 9.4. **DEFERRALS OR REDUCTIONS.** We reserve the right to defer or reduce contributions of an ACFN business franchisee and, upon thirty (30) days' prior written notice to you, to reduce or suspend your payment of Brand Fees to and suspend operations of the Brand Fund for one or more periods of any length and to terminate (and if terminated to reinstate) the Brand Fund. If the Brand Fund is terminated, all unspent monies on the date of termination will be distributed to our franchisees in proportion to their respective contributions to the Brand Fund during the preceding three (3) month period, and amounts required to be paid pursuant to Article 9.1. above shall be added to amounts required to be expended pursuant to Article 9.5. below.
- 9.5. **VIRTUAL OFFICE FEE.** In addition to any Brand Fees you pay to the Brand Fund and the Initial Local Marketing Expense, you agree to pay us each Accounting Period for customer service and ATM location support functions that we will provide to you (the "Virtual Office Fee"). Each Accounting Period, we will calculate your share of Transaction Fees collected from your ATM locations, pursuant to our Methods of Operation. In any Accounting Period, if your share of Transaction Fees is less than Seven Hundred Fifty (\$750) Dollars, there is no Virtual Office Fee payable to us that month. In any Accounting Period, if your share of Transaction Fees is between Seven Hundred Fifty (\$750) Dollars and Eight Hundred Fifty (\$850) Dollars, the Virtual Office Fee is Fifty (\$50) Dollars. In any Accounting Period, if your share of Transaction Fees is between Eight Hundred Fifty (\$850) Dollars and Five Thousand (\$5,000) Dollars, the Virtual Office Fee is One Hundred (\$100) Dollars. In any Accounting Period, if your share of Transaction Fees is greater than Five Thousand (\$5,000) Dollars, the Virtual Office Fee will be at least One Hundred Fifty (\$150) Dollars and will increase by Fifty (\$50) Dollars for each Five Thousand Dollar (\$5,000) increment your share of Transaction Fees is above the Five Thousand Dollar (\$5,000) amount. For example, in any Accounting Period, you will pay a One Hundred Fifty Dollar (\$150) Virtual Office Fee if your share of Transaction Fees is between Five Thousand (\$5,000) Dollars and Ten Thousand (\$10,000) Dollars, a Two Hundred Dollar (\$200) Virtual Office Fee if your share of the Virtual Office Fee is between Ten Thousand (\$10,000) Dollars and Fifteen Thousand (\$15,000) Dollars, and so on. We may reasonably increase the required amount you pay us for the Virtual Office Fee from time to time upon thirty (30) day written notice from us to you, with such increases not to exceed ten (10%) percent during any twelve (12) month period during the term of the Agreement. All amounts owed to us under this Article shall be deducted by us from the monies we collect in processing your ATM transactions, pursuant to our Methods of Operations.
- 9.6. **PROOF OF EXPENDITURE.** We may review your books and records from time to time to determine your expenditures for such advertising and promotion. Proof of expenditures is nevertheless your burden during the term of this Agreement. If we determine that you have not spent the requisite amounts, we may require you to pay such unexpended amounts into the Brand Fund. The costs of all your telephone directory advertising of the BUSINESS in the principal regular (white pages) and classified (yellow pages) telephone directories covering the area in which the BUSINESS is located will not be credited toward the advertising and promotion obligation described in this Article, unless such ad is a pre-approved display or in-column ad.

- 9.7. **MEDIA APPEARANCES.** You shall not make any television or radio appearance, or make any statement to any public media in connection with the BUSINESS, or the ACFN business unless you obtain our prior written approval.
- 9.8. **SOLICITATION OF NEW FRANCHISEES.** You acknowledge that we may from time to time develop advertising and promotional materials and displays regarding the solicitation of ACFN franchisees. You agree to display all such materials and displays as required by us from time to time.
- 9.9. **CUSTOMER WARRANTIES.** You shall participate in any System warranty programs which may be established by us from time to time, and to the extent not limited by applicable laws, shall provide to your customers such warranties regarding the services and products of the BUSINESS as we may reasonably require.
- 9.10. **NOTHING BUT THE TRUTH.** You agree that any advertising, promotion and marketing you conduct will be completely clear and factual and not misleading and conform to the highest standards of ethical marketing and the promotion policies which we prescribe from time to time. Samples of all advertising, promotional and marketing materials, which we have not prepared or previously approved, must be submitted to us for approval before you use them. If you do not receive written disapproval within thirty (30) days after our receipt of such materials, we will be deemed to have given the required approval. You may not use any advertising or promotional materials that we have disapproved. We own the copyrights to anything so submitted, whether approved by us or not.
- 9.11. **MULTIPLE LOCATION ACCOUNTS PROGRAM.**
- 9.11.1. *Purpose of MLA Program.* In order to maintain a competitive edge and to better attract multiple location accounts for our franchisees, we have developed a “Multiple Location Accounts Program” or “MLA Program.” The MLA Program is a strategy to be used from time to time, at our sole discretion, with certain “Multiple Location Accounts” or “MLAs,” defined as accounts with clients that (i) own or control multiple locations, and (ii) desire full ATM coverage for all or most their locations. Because full ATM coverage for a particular MLA may involve the on-going servicing of unqualified locations (*i.e.*, locations that otherwise would not meet our standards) and/or locations that underperform and would normally be removed and installed in a better location, we will use the MLA Program to reallocate some of the losses and gains between the various locations that are part of the MLA.
- 9.11.2. *Our Right to Establish MLA Programs for MLAs.* We have the right, in our sole discretion, to determine whether or not MLAs will be a part of the MLA Program. If we determine that a particular MLA will be a part of the MLA Program, we will establish and independently manage a separate MLA Program for that MLA. Notwithstanding any term or condition in the Agreement that may be to the contrary, if you currently operate, or are subsequently granted the right to operate, an ATM at a location that is part of a MLA for which we establish a MLA Program, you must participate in that MLA Program, as further described herein. We will not assess any extra fees to administer a MLA Program for a MLA and will distribute all revenue monthly so there are no deficits or overages.
- 9.11.3. *Minimum Guaranteed Payments.* Subject to the conditions described below, we have the right, in our sole discretion, to establish the monthly minimum guaranteed payment to be paid to underperforming locations within a MLA. This means that if you are a franchisee operating an ATM at a location within a MLA that produces less in net revenue than the established minimum guaranteed payment for a given month, you will still be paid up to the established minimum guaranteed payment for that month, with locations earning above the threshold we establish, in our sole discretion, participating in offsetting this shortage. Conversely, if you are a franchisee operating an ATM at a location within a MLA that produces more in net revenue than the established threshold for a given month, you must participate in offsetting any shortages for any locations within the MLA that produce less in net revenue than the established minimum guaranteed payment for that month. Participation will be based on a percentage of revenue above

net revenue of the established threshold. For the purposes of this provision “net revenue” shall mean the gross surcharge collected less any profit sharing paid to the location, the applicable Transaction Fee and the applicable monthly ATM Administration Fee.

- 9.11.4. *Calculating Minimum Guaranteed Payments.* Underperforming locations within a MLA will only receive monthly minimum guaranteed payments to the extent that the total amount of their collective shortages in a given month are offset by the total amount collected (for the purposes of offsetting shortages) from locations within the MLA that produce more than the established threshold for that month, as described above. Accordingly, subject to the limitation described below, if the total amount collected (for the purpose of offsetting shortages) from locations within a MLA for a given month does not completely offset the total amount of the collective shortages of the underperforming locations within the MLA for that month, the underperforming locations will each share in the total amount collected (for the purpose of offsetting shortages) on a percentage basis determined by comparing their respective shortages to the total amount of the collective shortages. We are not obligated to contribute our own funds to offset any monthly individual or collective shortages for underperforming locations within an MLA, and do not ensure that underperforming locations within a MLA will receive the minimum guaranteed payment for any given month.
- 9.11.5. *Initial MLA Period; Activity Requirement.* You will not be eligible to receive revenue for an ATM located within a MLA (as described above) until the third (3rd) full calendar month of your operation of that ATM. In addition, you will not be eligible to receive revenue for an ATM located within a MLA (as described above) for a particular calendar month if the ATM was not active (i.e., online and operating) for the entire calendar month.
- 9.11.6. *Modifications to Minimum Guaranteed Payments and MLA Programs.* You acknowledge and agree that we have the right to increase or decrease, from time to time, the minimum guaranteed payment, as well as the other amounts described in this Provision, and these payments and amounts can be different for each MLA. You also acknowledge and agree that we may modify or discontinue, at any time, the MLA Program and any MLA Program we establish for a particular MLA. If you operate an ATM at a location that is part of a MLA, or becomes part of an MLA, we will notify you of the presence of, and any changes to, the MLA Program we establish for that MLA.

10 RECORDS, REPORTS AND FINANCIAL STATEMENTS.

- 10.1. **BOOKKEEPING.** You agree to establish and maintain at your own expense a bookkeeping, accounting and record keeping system conforming to the requirements and formats we prescribe from time to time. We may require you to use approved computer hardware and software in order to maintain certain sales data and other information. We may require you to use an accountant approved in writing by us in advance. You agree to furnish to us upon our request, on such forms that we prescribe from time to time, without limitation, as follows:

- 10.1.1. Within ten (10) days after their filing, copies of all signed sales tax returns, signed withholding tax returns, and signed property tax returns for the BUSINESS and, as soon as you have received them, copies of the canceled checks for the required sales taxes, withholding taxes, and property taxes;
- 10.1.2. Within fifteen (15) days after the end of each calendar month, a profit and loss statement for the BUSINESS for the immediately preceding calendar month and a year-to-date balance sheet as of the end of such month;
- 10.1.3. 10.1.5. Within three (3) business days, copies of all ATM journals for any ATM machine that you operate during the term of the Agreement.

10.2. VERIFICATION. You agree to verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data derived from such reports without identifying you. We also have the right to require you to have reviewed or audited financial statements prepared on an annual basis. Moreover, we have the right, as often as we deem appropriate, including on a daily basis, to access the computer systems that you are required to maintain in connection with the operation of the BUSINESS and to retrieve all information relating to the BUSINESS' operations.

10.3. PHOTOGRAPHS, VIDEOS AND OTHER RECORDS. We and our representatives or agents have the right to take and collect photographs, videos or any electronic or other records of you, your owners and your employees, the voices of you, your owners or your employees, your ATMs or any other aspects of the BUSINESS, during any inspections, audits or visits (both formal and informal), or during any training, conventions or meetings, and the exclusive right to reproduce and use, or authorize others to reproduce and use, these photographs, videos and/or recordings singularly or in conjunction with other photographs, videos and/or recordings for advertising, publicity, training, commercial or other business purposes in all domestic and foreign markets. Neither we nor our representatives or agents will have any obligation to obtain your, your owners' or your employees' authorization, consent or release, or to compensate you, your owners or your employees in any manner, in connection with the reproduction and use of these materials for the purposes described above. In addition, to the extent required by applicable law, you shall obtain all necessary authorizations, consents or releases from your owners and employees to allow us and our representatives or agents to reproduce and use any photographs, videos and/or recordings we and our representatives or agents take or collect and, upon our request, you shall provide to us copies of any such authorizations, consents or releases. Upon our request, you also agree to share with us any of these materials that you collect and allow us and our representatives or agents to use them on a non-exclusive basis without paying any compensation to you, except for any pre-approved costs you incur in providing these materials to us. You, on behalf of yourself and your owners and employees, release us, our affiliates, our representatives and agents (including, without limitation, our appointed advertising agencies), and each of our and their directors, officers, agents, employees and representatives, from all claims of every kind on account of our or our representatives' or agents' reproduction and use of the materials described in this Article.

11 INSPECTIONS AND AUDITS.

11.1. OUR RIGHTS TO INSPECT THE BUSINESS. To determine whether you and the BUSINESS are complying with this Agreement and Methods of Operation, we and our designated agents have the right at any time during your regular business hours, and without prior notice to you, to:

11.1.1. Inspect your operation of the BUSINESS;

11.1.2. Observe, photograph and videotape the operations of the BUSINESS for such consecutive or intermittent periods, as we deem necessary;

11.1.3. Remove samples of any ancillary goods, materials or supplies for testing and analysis;

11.1.4. Interview personnel and customers of the BUSINESS; and

11.1.5. Inspect and copy any books, records and documents relating to your operation of the BUSINESS.

11.2. COOPERATION. You agree to cooperate with us fully in connection with any such inspections, observations, photographing, videotaping, product removal and interviews. You agree to present to your

customers such evaluation forms that we periodically prescribe and to participate and/or request your customers to participate in any surveys performed by us or on our behalf.

- 11.3. OUR RIGHT TO AUDIT.** We have the right at any time during regular business hours, and without prior notice to you, to inspect and audit, or cause to be inspected and audited, your (if you are a corporation or partnership) and the BUSINESS' business, bookkeeping and accounting records, sales and income tax records and returns and other records. You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. In the event such inspection or audit is made necessary by your failure to furnish reports, supporting records or other information as herein required, or to furnish such items on a timely basis, you agree to reimburse us for the reasonable cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. In the event an inspection or audit reveals that any payments have been understated in any report to us, then you shall immediately pay to us the amount understated upon demand, in addition to interest from the date such amount was due until paid, at the highest contract rate of interest permitted by law. If an inspection or audit discloses an understatement in any report of two (2%) percent or more, you shall, in addition to repayment of monies owed with interest, reimburse us for any and all costs and expenses connected with the inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law.

12 TRANSFER.

- 12.1. BY US.** This Agreement is fully transferable by us and will inure to the benefit of any transferee or other legal successor to our interests herein.

- 12.2. BY YOU.** You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a corporation or partnership, to your owners) and that we have granted the Franchise to you in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability, acumen and financial capacity. Accordingly, neither this Agreement (or any interest therein) nor any ownership or other interest in you or the BUSINESS may be transferred without our prior written approval. Any transfer without such approval constitutes a breach of the Agreement and is void and of no effect. As used in this Agreement, the term "transfer" includes your (or your owners') voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in:

12.2.1. This Agreement;

12.2.2. You; or

12.2.3. The BUSINESS.

- 12.3. ASSIGNMENT, ETC.** An assignment, sale, gift or other disposition includes the following events:

12.3.1. Transfer of ownership of capital stock or a partnership interest in you;

12.3.2. Merger or consolidation or issuance of additional securities or interests representing an ownership interest in you;

12.3.3. Any issuance or sale of your stock or any security convertible to your stock to any person or entity other than an existing owner;

12.3.4. Transfer of an interest in you, this Agreement or the BUSINESS in a divorce, insolvency or corporate or partnership dissolution proceeding or otherwise by operation of law;

- 12.3.5. Transfer of an interest in you, this Agreement or the BUSINESS, in the event of your death or the death of one of your owners, by will, declaration of or transfer in trust or under the laws of intestate succession; or
- 12.3.6. Pledge of this Agreement (to someone other than us) or of an ownership interest in you as security, foreclosure upon the BUSINESS or your transfer, surrender or loss of possession, control or management of the BUSINESS.

12.4. CONDITIONS FOR APPROVAL OF TRANSFER. If you (and your owners) are in full compliance with this Agreement, then subject to the other provisions of this Article 12., we will approve a transfer that meets all the applicable requirements of this Article. The proposed transferee and its direct and indirect owners must be individuals of good moral character and otherwise meet our then-applicable standards for ACFN business franchisees. Our approval is conditioned upon the transferee's willingness to execute our then-current form of franchise agreement. A transfer of ownership, possession or control of the BUSINESS may be made only in conjunction with a transfer of this Agreement. If the transfer is of this Agreement or a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of this Agreement or a controlling interest in you, all of the following conditions must be met prior to or concurrently with the effective date of the transfer:

- 12.4.1. The transferee has the moral character, skill, aptitude, attitude, experience, references, acumen and financial capacity to operate the BUSINESS, and otherwise meets our then-applicable standards for ACFN business franchisees as determined by us, in our sole discretion;
- 12.4.2. You have paid all Interchange, Transaction and Administration fees, amounts owed for purchases from us and all other amounts owed to us or to third party creditors and have submitted all required reports and statements;
- 12.4.3. The Managing Owner of the transferee has agreed to complete training to our satisfaction;
- 12.4.4. You pay us a transfer fee in the amount of Fifteen Thousand (\$15,000) Dollars. You also pay us the costs we incur in connection with training the Managing Owner of the transferee and its other personnel. If the proposed transfer is among your owners, this Article 12.4.4 shall not apply, although you are required to reimburse us for any reasonable legal and administrative costs we incur in connection with the transfer;
- 12.4.5. The transferee signs our then-current standard form of franchise agreement and related documents used in the state in which your business is located (which may provide for different commissions, expenditures, duration and other rights and obligations than those provided in this Agreement) for a full new term. If the proposed transfer is among your owners, this Article 12.4.5 shall not apply, although we have the right to require you and your owners to sign our then current standard form of franchise agreement for the remaining term under this Agreement;
- 12.4.6. In lieu of an initial franchise fee under the new franchise agreement, the transferee pays us, on or prior to the date of the transfer, an amount equal to Two Thousand (\$2,000) Dollars for each full additional term year the transferee is receiving under the new franchise agreement beyond the full term years remaining under this Agreement (i.e., the number of full term years transferee is receiving under the then-current franchise agreement it is signing minus the remaining full term years under this Agreement as of the date of the transfer), and signs an addendum to the new franchise agreement in the form that we prescribe (see Appendix D to this Agreement for our current form) to effectuate this modification to the initial franchise fee. For purposes of this Article 12.4.6., the parties acknowledge and agree that they will not take into account any applicable successor terms in determining the number of full term years remaining under this Agreement or the number of full term years the transferee is receiving under the new franchise agreement;

- 12.4.7. You (and your transferring owners) have executed a general release, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees and agents;
- 12.4.8. We have approved the material terms and conditions of such transfer and determined that the price and terms of payment will not adversely affect the transferee's operation of the BUSINESS (but make no representation of any kind whatsoever to anyone that such is the case);
- 12.4.9. If you, or your owners, finance any part of the sale price of the transferred interest, you and/or your owners have agreed that all of the transferees' obligations pursuant to any promissory notes, agreements or security interest that your or your owners have reserved in the BUSINESS are subordinate to the transferee's obligation to pay Interchange, Transaction and Administration fees and other amounts due to us and otherwise to comply with this Agreement;
- 12.4.10. You and your transferring owners have executed an agreement in favor of us agreeing to be bound, commencing on the effective date of the transfer, by the restrictions contained in Article 15.4. hereof;
- 12.4.11. You and your transferring owners have agreed that you and they will not directly or indirectly at any time or in any manner (except with respect to other ACFN businesses you own and operate) identify yourself or themselves or any business as a current or former ACFN business, or as one of our licensees or franchisees, use any Marks, any colorable imitation thereof or other indicia of an ACFN business in any manner or for any purpose or utilize for any purpose any trade name, trademark or service mark or other commercial symbol that suggests or indicates a connection or association with us;
- 12.4.12. You forfeit all further rights to any pending leads we provided to you, with the understanding that you are not selling or otherwise transferring these leads to the transferee, and we can assign them to other franchisees; and
- 12.4.13. Any other reasonable condition we require.
- 12.5. **TRANSFER TO A WHOLLY OWNED CORPORATION.** Notwithstanding Article 12.4. hereof, if you are in full compliance with this Agreement, you may transfer this Agreement to a corporation which conducts no business other than the BUSINESS and, if applicable, other ACFN businesses, in which you maintain management control and of which you own and control one hundred (100%) percent of the equity and voting power of all issued and outstanding capital stock, and further provided that all assets of the BUSINESS are owned, and the entire business of the BUSINESS is conducted, by a single corporation. Transfers of shares in such corporation will be subject to the provisions of Article 12.4. hereof. Notwithstanding anything to the contrary herein, you agree to remain personally liable under this Agreement as if the transfer to such corporation had not occurred.
- 12.6. **TRANSFER UPON YOUR DEATH OR DISABILITY.** Upon your death or permanent disability or, if you are a corporation or partnership, the death or permanent disability of the owner of a controlling interest in you, your or such owner's executor, administrator, conservator, guardian or other personal representative must transfer your interest in this Agreement or such owner's interest in you to a third party. Such disposition of this Agreement or the interest in you (including, without limitation, transfer by bequest or inheritance) must be completed within a reasonable time, not to exceed two (2) months from the date of death or permanent disability, and will be subject to all of the terms and conditions applicable to transfers contained in this Article. A failure to transfer your interest in this Agreement or the ownership interest in you within this period of time constitutes a breach of this Agreement. For purposes hereof, the term "permanent disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent you or an owner of a controlling interest in you from managing and operating the BUSINESS for a period of two (2) months from the onset of such disability, impairment or condition.

- 12.7. OPERATION UPON YOUR DEATH OR DISABILITY.** If, upon your death or permanent disability or the death or permanent disability of the owner of a controlling interest in you, the BUSINESS is not being managed by a trained manager, your or such owner's executor, administrator, conservator, guardian or other personal representative must within a reasonable time, not to exceed fifteen (15) days from the date of death or permanent disability, appoint a manager to operate the BUSINESS. Such manager will be required to complete training at your expense within sixty (60) days of being appointed to operate the BUSINESS. Pending the appointment of a manager as provided above or if, in our judgment, the BUSINESS is not being managed properly any time after your death or permanent disability or after the death or permanent disability of the owner of a controlling interest in you, we have the right, but not the obligation, to appoint a manager for the BUSINESS. All funds from the operation of the BUSINESS during the management by our appointed manager will be kept in a separate account, and all expenses of the BUSINESS, including compensation, other costs and travel and living expenses of our manager, will be charged to this account. We also have the right to charge a reasonable management fee (in addition to other fees payable under this Agreement) during the period that our appointed manager manages the BUSINESS. Operation of the BUSINESS during any such period will be on your behalf, provided that we only have a duty to utilize reasonable efforts in doing so and will not be liable to you or your owners for any debts, losses or obligations incurred by the BUSINESS or to any of your creditors for any products, materials, supplies or services the BUSINESS purchases during any period it is managed by our appointed manager.
- 12.8. EFFECT OF CONSENT TO TRANSFER.** Our consent to a transfer of this Agreement and the BUSINESS or any interest in you does not constitute a representation as to the fairness of the terms of any contract between you and the transferee, a guarantee of the prospects of success of the BUSINESS or transferee or a waiver of any claims we may have against you (or your owners) or of our right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.
- 12.9. BONA FIDE OFFERS.** If you (or any of your owners) at any time determine to sell, assign or transfer for consideration an interest in this Agreement and the BUSINESS or an ownership interest in you, you (or such owner) agree to obtain a *bona fide*, executed written offer and earnest money deposit (in the amount of five (5%) percent or more of the offering price) from a responsible and fully disclosed offer (including lists of the owners of record and beneficially of any corporate offer and all general and limited partners of any partnership offeror and, in the case of a publicly held corporation or limited partnership, copies of the most current annual and quarterly reports and Form 10(K)) and immediately submit to us a true and complete copy of such offer, which includes details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be a valid, *bona fide* offer, the proposed purchase price must be denominated in a dollar amount. The offer must apply only to an interest in you or in this Agreement and the BUSINESS and may not include an offer to purchase any of your (or your owners') other property or rights. However, if the offer proposes to buy any other property or rights from you (or your owners) under a separate, contemporaneous offer, such separate, contemporaneous offer must be disclosed to us, and the price and terms of purchase offered to you (or your owners) for the interest in you or in this Agreement and the BUSINESS must reflect the *bona fide* price offered therefor and not reflect any value for any other property rights.
- 12.10. OUR RIGHT OF FIRST REFUSAL.** We have the right, exercisable by written notice delivered to you or your selling owners within sixty (60) days from the date of the delivery to us of both an exact copy of such *bona fide* offer and all other information we request, to purchase such interest for the price and on the terms and conditions contained in such *bona fide* offer, provided that:
- 12.10.1. We may substitute cash for any form of payment proposed in such offer;
 - 12.10.2. Our credit will be deemed equal to the credit of any proposed purchaser;
 - 12.10.3. We will have not less than sixty (60) days after giving notice of our election to purchase to prepare for closing; and

12.10.4. We are entitled to receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable, including, without limitation, representations and warranties as to:

12.10.4.1. Ownership and condition of and title to stock or other forms of ownership interest and/or assets;

12.10.4.2. Liens and encumbrances relating to the stock or other ownership interest and/or assets; and

12.10.4.3. Validity of contracts and the liabilities, contingent or otherwise, of the corporation whose stock is being purchased.

12.11. EXERCISE. If we exercise our right of first refusal, you and your selling owner(s) agree that, for a period of twenty four (24) months commencing on the date of the closing, you and they will be bound by the non-competition covenant contained in Article 15.4. hereof. You and your selling owner(s) further agree that you and they will, during this same time period, abide by the restrictions of Article 12.4.11. of this Agreement.

12.12. NON-EXERCISE. If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the exact terms of such *bona fide* offer, subject to our approval of the transfer as provided in Articles 12.2., 12.3., and 12.4. hereof provided that, if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such *bona fide* offer to us, or if there is a material change in the terms of the sale (which you agree promptly to communicate to us), we will have an additional right of first refusal during the thirty (30) day period following either the expiration of such one hundred twenty (120) day period or notice to us of the material changes in the terms of the sale, either on the terms originally offered or the modified terms, at our option.

13 EXPIRATION OF THIS AGREEMENT.

13.1. ACQUISITION OF A SUCCESSOR FRANCHISE. Upon expiration of the term of this Agreement, if you (and each of your owners) have substantially complied with this Agreement during its term, subject to the terms and conditions set forth in this Article 13., you will have the right to acquire a successor franchise to operate the BUSINESS as an ACFN business on the terms and conditions of the franchise agreement we are then using in granting successor franchises for ACFN businesses, provided you add or replace equipment and otherwise modify the BUSINESS as we require to bring it into compliance with specifications and standards then applicable for ACFN businesses. The successor franchise fee shall be Ten Thousand (\$10,000) Dollars.

13.2. GRANT OF A SUCCESSOR FRANCHISE. You agree to give us written notice of your election to acquire a successor franchise at least six (6) months and not more than twelve (12) months prior to the expiration of the then-current term of the Agreement. We agree to give you written notice (“Our Notice”), not more than ninety (90) days after we receive your notice, of our decision, in accordance with Article 13.1.:

13.2.1. To grant you a ten (10) year successor franchise;

13.2.2. To grant you a successor franchise on the condition that deficiencies of the BUSINESS or in your operation of the BUSINESS, are corrected; or

13.2.3. Not to grant you a successor franchise based on our determination that you and your owners have not substantially complied with this Agreement during its term.

- 13.3. **OUR NOTICE.** If applicable, Our Notice will:
- 13.3.1. Describe the improvements or modifications required to bring the BUSINESS into compliance with then applicable specifications and standards for ACFN businesses; and
 - 13.3.2. State the actions you must take to correct operating deficiencies and the time period in which such deficiencies must be corrected.
- 13.4. **NO GRANT.** If we elect not to grant a successor franchise, Our Notice will describe the reasons for our decision. Your right to acquire a successor franchise is subject to your continued compliance with all of the terms and conditions of this Agreement through the date of its expiration, in addition to your compliance with the obligations described in Our Notice.
- 13.5. **90 DAY CURE.** If Our Notice states that you must cure certain deficiencies of the BUSINESS or its operation as a condition to the grant of a successor franchise, we will give you written notice of a decision not to grant a successor franchise, based upon your failure to cure such deficiencies, not less than ninety (90) days prior to the expiration of this Agreement, provided, however, that we will not be required to give you such notice if we decide not to grant you a successor franchise due to your breach of this Agreement during the one hundred eighty (180) day period prior to its expiration. If we fail to give you:
- 13.5.1. Notice of deficiencies in the BUSINESS, or in your operation of the BUSINESS, within one hundred eighty (180) days after we receive your timely election to acquire a successor franchise; or
 - 13.5.2. Notice of our decision not to grant a successor franchise at least ninety (90) days prior to the expiration of this Agreement, if such notice is required, we may extend the term of this Agreement for such period of time as is necessary in order to provide you with either reasonable time to correct deficiencies or the ninety (90) day notice of our refusal to grant a successor franchise required hereunder.
- 13.6. **AGREEMENTS/RELEASES.** If you satisfy all of the other conditions to the grant of a successor franchise, you and your owners agree to execute the form of franchise agreement and any ancillary agreements we are then customarily using in connection with the grant of successor franchises for ACFN businesses. You and your owners further agree to execute general releases, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns. Failure by you or your owners to sign such agreements and releases and deliver them to us for acceptance and execution one hundred eighty (180) days after their delivery to you will be deemed an election not to acquire a successor franchise.
- 13.7. **HOLDOVER.** Notwithstanding anything to the contrary herein, if you do not sign a new franchise agreement for a successor franchise prior to expiration of the term of the Agreement, and you continue to accept the benefits of the Agreement after the expiration of the term of the Agreement, then at our option the Agreement shall be deemed to: (i) have expired as of the date of its stated expiration, with you then operating without a Franchise to do so and in violation of our rights; or (ii) be continuing on a month-to-month basis (the "Interim Period") and you paying to us a nonrefundable holdover fee ("Holdover Fee") in the amount of Two Hundred and Fifty (\$250) Dollars per month until the earlier of: (a) one party provides the other with written notice of such party's intention to terminate the Interim Period, in which case the Interim Period will terminate thirty (30) days after receipt of the notice to terminate the Interim Period; or (b) you sign a new franchise agreement for a successor franchise, provided we, in our sole discretion, allow you to do so. The monthly Holdover Fee shall be due at the beginning of each month during the Interim Period and deducted by us from the monies we collect in processing your ATM transactions, pursuant to our Methods of Operations. Notwithstanding anything to the contrary herein, all your obligations under the Agreement shall remain in full force and effect during the Interim Period as if the term of the Agreement had not expired and all obligations and restrictions imposed on you upon expiration of the term of the Agreement shall be deemed to take effect upon termination of the Interim Period.

14 TERMINATION OF AGREEMENT.

14.1. **BY YOU.** You and your owners may not terminate this Agreement except by operation of law. Your termination of this Agreement for any other reason or without availing yourself of legal redress will be deemed a termination without cause.

14.2. **BY US.** We have the right to terminate this Agreement, effective upon delivery of written notice of termination to you, if:

14.2.1. Your Managing Owner fails to successfully complete initial training to our satisfaction;

14.2.2. You fail to begin operating the BUSINESS within ninety (90) days after execution of the Agreement or within sixty (60) days after the completion of your initial training;

14.2.3. You abandon or fail actively to operate the BUSINESS, for five (5) or more consecutive business days, unless the BUSINESS has been closed for a purpose we have approved in writing or because of a major and significant casualty or by reason of a lawful government order;

14.2.4. You surrender or transfer control of the operation of the BUSINESS without our prior written consent;

14.2.5. You (or any of your owners) have made any material misrepresentation or omission in connection with your purchase of the Franchise;

14.2.6. You (or any of your owners) are or have been convicted by a trial court of, or plead or have pleaded no contest to, a felony or any crime involving moral turpitude;

14.2.7. You (or any of your owners) engage in any dishonest or unethical conduct which may adversely affect the reputation of the BUSINESS or another ACFN business or the goodwill associated with the Marks;

14.2.8. You (or any of your owners) make an unauthorized assignment of this Agreement or of an ownership interest in you or the BUSINESS;

14.2.13. You fail to pay when due any federal or state income, service, sales, employment related, property, or other taxes due on the operations of the BUSINESS, unless you are, in good faith, legally contesting your liability for such taxes;

A “service violation” at an ATM location is defined as: (i) any time the ATM runs out of cash; or (ii) your failure to respond to a service call at the ATM location within twenty-four (24) hours.

15 OUR AND YOUR RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT.

15.2. MARKS. Upon the termination, for any reason, or expiration of this Agreement:

15.2.1. You may not directly or indirectly at any time or in any manner (except with respect to other ACFN businesses you own and operate) identify yourself or any business as a current or former ACFN business, or as one of our licensees or franchisees; nor use any Marks, any colorable imitation thereof or other indicia of an ACFN business in any manner or for any purpose or utilize for any purpose any trade name, trademark or service mark or other commercial symbol that indicates or suggests a connection or association with us;

15.2.4. If we do not exercise our option to purchase the BUSINESS pursuant to Article 15.6., you agree that, after the Notification Date, you will promptly and at your own expense make such alterations as we may specify to distinguish the BUSINESS clearly from its former appearance and from other ACFN businesses so as to prevent confusion therewith by the public;

15.3. CONFIDENTIAL INFORMATION. You agree that, upon termination or expiration of this Agreement, you will immediately cease to use any of our Confidential Information in any business or otherwise and return to us all copies of the Operations Manual and any other confidential materials, including, without limitation, computer software and any mechanisms (electronic key) used to access the software, that we have allowed you to use.

15.4. COVENANT NOT TO COMPETE. Upon:

15.4.1. Our termination of this Agreement in accordance with its terms and conditions, including the transfer or assignment of this Agreement or any interest in the BUSINESS, or

15.4.2. Your termination of this Agreement without cause,

15.4.3. Your sale, transfer or assignment of any interest in the BUSINESS, or

15.5. COMMENCEMENT BY ORDER. If any person restricted by this Article refuses voluntarily to comply with the foregoing obligations, the Restriction Period will commence with the entry of an order of an arbitrator, or court if necessary, enforcing this provision. You and your owners expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Article will not deprive you of your personal goodwill or ability to earn a living.

15.6. OUR RIGHT TO PURCHASE BUSINESS.

- 15.6.1. *Exercise of Option.* Upon our termination of this Agreement in accordance with its terms and conditions or your termination of this Agreement without cause, we have the option, exercisable by giving written notice thereof to you within sixty (60) days from the date of such termination or expiration, to purchase the BUSINESS from you. (The date on which we notify you whether or not we are exercising our option is referred to in this Agreement as the “Notification Date.”) We have the unrestricted right to assign this option to purchase the BUSINESS. We will be entitled to all customary warranties and representations in connection with our asset purchase, including, without limitation, representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; and liabilities affecting the assets, contingent or otherwise.
- 15.6.2. *Purchase Price.* The purchase price for the BUSINESS will be its fair market value, determined in a manner consistent with reasonable depreciation of the BUSINESS’ equipment, signs, inventory, materials and supplies, provided that the BUSINESS will be valued as an independent business and its value will not include any value for the Franchise or any rights granted by this Agreement; the Marks; or participation in the network of ACFN businesses.
- 15.6.3. *Fair Market Value.* The BUSINESS’ fair market value will include the reasonable goodwill you developed in the Territory since your commencement of operations independent of the goodwill of the Marks and the System.
- 15.6.4. *Exclusions.* We may exclude from the assets purchased hereunder cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the BUSINESS’ operation or that we have not approved as meeting standards for ACFN businesses, and the purchase price will reflect such exclusions.
- 15.6.5. *Appraisal.* If we and you are unable to agree on the BUSINESS’ fair market value, its fair market value will be determined by three (3) independent appraisers who collectively will conduct one (1) appraisal. We will appoint one appraiser, you will appoint one appraiser and the two party appointed appraisers will appoint the third appraiser. You and we agree to select our respective appraisers within fifteen (15) days after the date we determine that we are unable to agree on the BUSINESS’ fair market value, and the two appraisers so chosen are obligated to appoint the third appraiser within fifteen (15) days after the date on which the last of the two party appointed appraisers was appointed. You and we will bear the cost of our own appraisers and share equally the reasonable fees and expenses of the third appraiser chosen by the two party appointed appraisers. You and we will take reasonable actions to cause the appraisers to complete their appraisal within thirty (30) days after the third appraiser’s appointment.
- 15.6.6. *Closing.* The purchase price will be paid at the closing of the purchase, which will take place not later than ninety (90) days after determination of the purchase price. We have the right to set off against the purchase price, and thereby reduce the purchase price by, any and all amounts you or your owners owe to us.
- 15.6.7. *Instruments.* At the closing, you agree to deliver instruments transferring:
- 15.6.7.1. Good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to us), with all sales and other transfer taxes paid by you; and
- 15.6.7.2. All licenses and permits of the BUSINESS which may be assigned or transferred.
- 15.6.8. *Escrow.* If you cannot deliver clear title to all of the purchased assets, or if there are other unresolved issues, the closing of the sale will be accomplished through an escrow.

15.6.9. *Releases.* You and your owners agree to execute general releases, in form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns.

15.7. **CONTINUING OBLIGATIONS.** All of our and your (and your owners' and affiliates') obligations which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

16 RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION.

16.1. **INDEPENDENT CONTRACTORS.** You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that we and you are and will be independent contractors and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You agree to conspicuously identify yourself in all dealing with customers, suppliers, public officials, BUSINESS personnel and others as the owner of the BUSINESS under a franchise we have granted and to place such notices of independent ownership on your ATMs and on such forms, checks, business cards, stationery and advertising and other materials as we may require from time to time. You acknowledge and agree that all personnel decisions, including without limitation the hiring and firing of your employees, shall be made by you, without any influence or advice from us, and such decisions and actions shall not be, nor be deemed to be, a decision or action by us.

16.2. **NO LIABILITY FOR ACTS OF OTHER PARTY.** You agree not to employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that may result in our liability for any of your indebtedness or obligations, and that you will not use the Marks in any way we have not expressly authorized. Neither we nor you will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages of any nature whatsoever to any person or property directly or indirectly arising out of the BUSINESS' operation or the business you conduct pursuant to this Agreement.

16.3. **TAXES.** We will have no liability for any sales, use, service, occupation, employment related, excise, gross receipts, income, property or other taxes, whether levied upon you or the BUSINESS, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

16.4. **INDEMNIFICATION.** You agree to indemnify, exculpate, defend and hold us, our affiliates and our respective shareholders, directors, officers, employees, agents, successors and assignees (the "Indemnified Parties") harmless from and against and to reimburse any one or more of the Indemnified Parties for all claims, obligations and damages described in this Article, any and all taxes described in Article 16.3. above and any and all claims and liabilities directly or indirectly arising out of the BUSINESS' operation or your breach of this Agreement. For purposes of this indemnification, "claims" includes all obligations, liabilities, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. The Indemnified Parties (including without limitation us and our affiliates) each have the right to defend any such claim against them. In addition, the Indemnified Parties (including without limitation us and our affiliates) each reserve the right to select their own legal counsel to defend them and represent their interest, and you must pay the Indemnified Parties for their costs and attorneys' fees. The indemnification obligations described in this Section 16.4 will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

16.5. **MITIGATION NOT REQUIRED.** Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your

losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

17 ENFORCEMENT.

- 17.1. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS.** Except as expressly provided to the contrary herein, each provision of this Agreement, and any portion thereof, will be considered severable, and if, for any reason, any such provision is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which we are a party, that ruling will not impair the operation of, or have any other affect upon, such other portions of this Agreement as may remain otherwise intelligible, which will continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid will be deemed not to be a part of this Agreement from the date the time for appeal expires, if you are a party thereto, otherwise upon your receipt from us of a notice of non-enforcement thereof.
- 17.2. LESSER COVENANT ENFORCEABLE.** If any covenant herein which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, you and we agree that such covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law is applicable to the validity of such covenant.
- 17.3. GREATER NOTICE.** If any applicable and binding law or rule of any jurisdiction requires a greater prior notice than is required hereunder of the termination of this Agreement or of our refusal to enter into a successor franchise agreement, or the taking of some other action not required hereunder, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any of Methods of Operation is invalid or unenforceable the prior notice and/or other action required by such law or rule will be substituted for the comparable provisions hereof, we will have the right in our sole discretion to modify such invalid or unenforceable provision or unenforceable part of Methods of Operation to the extent required to be valid and enforceable. You agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof, or any part of Methods of Operation, any portion or portions which a court or arbitrator may hold to be unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order or arbitration award. Such modifications to this Agreement will be effective only in such jurisdiction, unless we elect to give them greater applicability, and will be enforced as originally made and entered into in all other jurisdictions.
- 17.4. WAIVER OF OBLIGATIONS.** We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice thereof to the other or such other effective date stated in the notice of waiver. Any waiver we grant will be without prejudice to any other rights we may have, will be subject to our continuing review and may be revoked, in our sole discretion, at any time and for any reason, effective upon delivery to you of ten (10) days' prior written notice.
- 17.5. NON-WAIVER.** We and you will not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including without limitation the right to demand exact compliance with every term, condition and covenant herein or to declare any breach thereof to be a default and to terminate this Agreement prior to the expiration of its term) by virtue of any custom or practice at variance with the terms hereof; our or your failure, refusal or neglect to exercise any right under this Agreement or to insist upon exact compliance by the other with our and your obligations hereunder including without limitation Methods of Operation; our waiver, forbearance, delay, failure, or omission to exercise any right, power or option whether of the same, similar or different nature with respect to other ACFN businesses; the existence of other franchise agreements for ACFN businesses which contain different provisions from those contained herein; or our acceptance of any payments due from you after any breach of this

Agreement. No special or restrictive legend or endorsement on any check or similar item given to us will constitute a waiver, compromise, settlement, or accord, and satisfaction. We are authorized to remove or obliterate any legend or endorsement, and such legend or endorsement will have no effect.

- 17.6. **FORCE MAJEURE.** Neither we nor you will be liable for loss or damage or deemed to be in breach of this Agreement if our failure to perform our or your obligations results from:

Transportation shortages, inadequate supply of equipment, products, merchandise, supplies, labor, material or energy or the voluntary foregoing of the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency thereof;

17.6.4. Any other similar event or cause.

- 17.7. **EXTEND PERFORMANCE.** Any delay resulting from any of said causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that said causes will not excuse payments of amounts owed at the time of such occurrence or payment of Interchange, Transaction and Administration fees due on any sales thereafter.

- 17.8. **OUT OF STOCK AND DISCONTINUED.** We are not liable to you for any loss or damage, or deemed to be in breach of this Agreement, if we cannot deliver, or cause to be delivered, or if our Affiliates or designated sources or approved suppliers cannot deliver, all of your orders for ancillary goods, merchandise, equipment, supplies, etc., where such things are out-of-stock or discontinued.

We and you further agree that, in connection with any such arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Procedure) within the same proceeding as the claim to which it relates. Any such claim, which is not submitted or filed as described above, will be forever barred.
- 17.12.7. Opinion

We have audited the financial statements of ACFN Franchised, Inc. (the Company), which comprise the balance sheets as of September 30, 2024, 2023 and 2022, and December 31, 2021, and the related statements of operations, changes in stockholders' equity, and cash flows for the years ended September 30, 2024 and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2024, 2023 and 2022, and December 31, 2021, and the results of its operations and its cash flows for the years ended September 30, 2024 and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. NATURE OF OPERATIONS

ACFN Franchised, Inc. (the “Company”) was incorporated on October 4, 2002 in the state of California. The Company franchises automated teller machines (“ATM”) businesses and provides ATM financial transaction processing and related services. The Company also sells ATM parts and equipment and provides technical support along with business strategies to its franchisees. Starting from 2012, the Company has engaged in acquisition of ATM Portfolios which are in turn sold individually to their franchisees. On August 31, 2022, the board of the Company determined it’s in the best interest of the Company and its shareholders to change the fiscal year to September 30th starting September 30, 2022.

The coronavirus pandemic (“COVID-19”) has resulted in global economic disruptions since 2020. The Company has experienced adverse impacts on its business due to the nationwide outbreak and restrictions on business travel during the nine months ended of September 30, 2022, and the years of 2021. The extent of the COVID-19 impact to the Company will depend on numerous factors and developments related to COVID-19.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could materially differ from those estimates.

Accounts Receivable, net

Accounts receivables are carried at original invoice amount less the allowance for credit loss based on a review of all outstanding amounts at year end. Management determines the allowance for credit loss based on a combination of write-off history, aging analysis, and any specific known troubled accounts. Trade receivables are written off when deemed uncollectible. The allowance for credit loss was nil as of September 30, 2024, 2023 and 2022, and December 31, 2021.

The Company considers many factors in assessing the collectability of its receivables, such as the age of the amounts due, the customer’s payment history, credit-worthiness and other specific circumstances related to the accounts. An allowance for credit loss is recorded in the period in which a loss is determined to be probable. Accounts receivable balances are written off after all collection efforts have been exhausted.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Inventories

Inventories, consisting of ATM and cellphone charge machines, are stated at the lower of cost (average cost method) or net realizable value. The Company reviews its inventory periodically for possible obsolete goods to determine if any reserves are necessary. The estimate for obsolete inventory is based on historical sales experience together with a review of the current status of existing inventory. As of September 30, 2024, 2023 and 2022, and December 31, 2021, inventory valuation allowance was \$nil. During the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021, the Company has written off nil, nil, \$84,690, and nil inventory based on annual review for obsolete inventories, respectively.

Property and Equipment

Property and equipment are recorded at cost. Major improvements are capitalized, while maintenance and repairs are charged to expense as incurred. Gains and losses from disposition of property and equipment are included in income and expense when realized.

Depreciation is provided using the straight-line method over the following estimated useful lives:

Furniture and fixtures	7-10	years
Equipment	10	years
Computers	3-5	years
Lease improvement	2.5	years

Leases

Prior to January 1, 2022, the Company accounted for leases under Accounting Standards Codification (“ASC”) 840, Accounting for Leases. Effective from January 1, 2022, the Company adopted the guidance of ASC 842, Leases, which requires an entity to recognize a right-of-use asset and a lease liability for virtually all leases.

On February 25, 2016, the FASB issued Accounting Standards Update No. 2016-02, Leases (Topic 842), to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing transactions. ASC 842 requires that lessees recognize right of use assets and lease liabilities calculated based on the present value of lease payments for all lease agreements with terms that are greater than twelve months.

ASC 842 distinguishes leases as either a finance lease or an operating lease that affects how the leases are measured and presented in the statement of operations and statement of cash flows. ASC 842 supersedes nearly all existing lease accounting guidance under GAAP issued by the Financial Accounting Standards Board (“FASB”) including ASC Topic 840, Leases.

For operating leases, we calculated right of use assets and lease liabilities based on the present value of the remaining lease payments as of the date of adoption using the incremental borrowing rate as of that date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The adoption of ASC 842 resulted in recording an adjustment to operating lease right of use assets and operating lease liabilities of \$130,414 and \$153,316, respectively as of September 30, 2022. The difference between the operating lease ROU assets and operating lease liabilities at transition represented unamortized deferred rent as of adoption date. The adoption of ASC 842 did not materially impact results of operations, cash flows, or presentation thereof.

Impairment of Long-lived Assets

The Company reviews the carrying values of the long-lived assets when circumstances warrant as to whether the carrying value has become impaired. The Company considers assets to be impaired if the carrying value of an asset exceeds the present value of future undiscounted cash flows from its related operations. As of September 30, 2024, 2023 and 2022, and December 31, 2021, the Company was not aware of any events or changes in circumstances that would indicate that the long-lived assets are impaired.

Deferred Assets

The Company deferred the direct referral cost and commission related to franchise sales and recognized as costs and amortized with the same term of franchise agreement. Indirect costs, which are regular and recurring costs bearing no relationship to sales, are expensed when incurred. The Company amortizes such direct cost on a straight-line basis over 10 years.

The Company deferred the direct financing cost related to issuance of simple agreements for future equity ("Crowd SAFE") and recognized as financing costs and amortized with the estimated existing period of Crowd SAFE. The Company amortizes such direct cost on a straight-line basis over 6 years.

Commission Payables

Commission payables represent money collected on behalf of the franchisees and/or locations under the franchise agreement or location agreement from ATM surcharge fees charged to the ATM users. As of September 30, 2024, 2023 and 2022, and December 31, 2021, the Company had \$1,588,945, \$1,633,934, \$1,662,495 and \$1,415,530 commission payables net of \$11,519, \$30,860, \$8,929 and \$4,130 uncashed checks for location commission payables, respectively. According to the Company's policy, ACFN continues to honor and reissue those checks whenever requested.

Revenue Recognition

The Company relies upon ASC 606, *Revenue from Contracts with Customers*, to recognize revenue and contract liabilities – deferred franchise fee. The primary revenue sources consisted of the following:

- Initial franchise fees
- Transaction processing fees
- Sales of ATM machine and parts
- Training classes income
- Other incomes

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition (continued)

Revenues from ATM machine and parts and transaction processing fees are recognized when the Company has substantially performed or satisfied all material services or conditions relating to the franchise agreement. Substantial performance has occurred when: 1) no remaining obligations are unfulfilled under the franchise agreement; 2) there is no intent to refund any cash received or to forgive any unpaid amounts due from franchisees; 3) all of the initial services in the franchise agreement have been performed; and 4) all other material conditions or obligations have been met. All performance obligations detailed in the franchise agreement relating to ATM machine sales and processing fees are considered met at the time of ATM machine shipment and cash withdrawal transaction is completed, respectively.

Upon the execution of a franchise agreement, a \$25,000 payment from the franchisee up-front is required, which generally covers preopening service provided, including but not limited to the initial franchise fees, location fees, operation know-how, right to use marks and license and customer service fees over the franchising term.

In accordance with ASC 606, the Company recognizes the contract as a contract liability – deferred franchise fees when the Company receives the up-front franchise fee for the portion the Company will fulfill their performance obligations over the entire franchising term.

The Company derives its revenue mainly from transaction processing fees after the ATM machine is installed and ready to serve. Processing fees, which include interchange, transaction surcharge, ATM administration, ATM communications, and other ATM transaction-related fees, are recognized in the period the transaction conducted.

The Company adopted ASC 606 Revenue from Contracts with Customers on January 1, 2019. Upon adoption of the new revenue guidance, timing of revenue recognition for franchise fee changed while other revenue sources remain unchanged, like processing fees, sales of ATM machines and parts, training class fees and others since the majority of the Company's franchising agreements have a 10-year contract term. The revenue related to the service components included in the \$25,000 up-front franchise fee was initially recognized over the period of the franchising contract after adoption of ASC 606. The cumulative effect of adopting ASC 606 on January 1, 2019 is \$1,789,527 of the opening balance of retained earnings being adjusted to contract liabilities.

On January 28, 2021, FASB issued ASU 2021-02, subtopic ASC 952-606, a practical expedient which allows a private-company franchisor that has entered into a franchise agreement to treat certain pre-opening services provided to franchisee as distinct from the franchise license. Amendments upon adoption of ASU 2021-02 must be applied retrospectively as of the date of initial application of ASC 606, with a cumulative-effect adjustment to opening retained earnings. The Company elected to adopt ASU 2021-02 on January 1, 2021 and retrospectively applied the practical expedient from the first date of application of ASC 606: January 1, 2019. See Note 4 for the amendments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Advertising Expense

Advertising costs are expensed as incurred. Advertising expense amounted to approximately \$18,768, \$18,424, \$14,522 and \$23,063 for the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021, respectively.

Shipping and Handling Costs

The Company records outbound shipping and handling fees in selling, general and administrative expenses which amounted to \$4,759, \$7,013, \$3,940 and \$4,782 for the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021, respectively.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase the comparability of fair value measures, Financial Accounting Standards Board ("FASB") ASC Topic 820-10-35 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

Level 1—Valuations based on quoted prices for identical assets and liabilities in active markets.

Level 2—Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3—Valuations based on unobservable inputs reflecting our own assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

For cash, accounts receivable, inventories, other current assets, accounts payable and accrued expenses, commission payables, advances from customers, and due to officers, the carrying amounts of these items approximated fair values.

ERC Credit Grant

The California Employee Retention Credit (ERC), or California Employee Retention Tax Credit (ERTC) for CA small businesses financially affected by COVID, is a tax credit subsidy equal to 50% of eligible salary offered to workers by a qualified employer between March 12, 2020, and January 1, 2021. During the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021, the Company received ERC Credit totaling nil, nil, \$134,021 and \$83,264, respectively, which were recognized under other income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The Company recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

For the nine months ended September 30, 2022, and the years ended December 31, 2021, The Company has elected to be treated as an S Corporation for federal and state income tax purposes. Pursuant to this election, the taxable income and loss of the Company is included in the income tax returns of the stockholders. Consequently, no federal income tax provision is recorded in the accompanying financial statements. It is not subject to income tax examinations by US federal, state and local tax authorities for years before 2017.

As of September 30, 2024, 2023 and 2022, and December 31, 2021, a franchise tax equal to \$800 was imposed upon the Company by the State of California, respectively. The income tax obligations for the Company at Texas were \$1,799, \$1,463, \$1,200 and \$1,600 As of September 30, 2024, 2023 and 2022, and December 31, 2021, respectively.

Adoption of Accounting Standards Update (“ASU”) 2019-05

In May 2019, the FASB issued ASU 2019-05, which is an update to ASU Update No. 2016-13, Financial Instruments — Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, which introduced the expected credit losses methodology for the measurement of credit losses on financial assets measured at amortized cost basis, replacing the previous incurred loss methodology. The amendments in Update 2016-13 added Topic 326, Financial Instruments — Credit Losses, and made several consequential amendments to the Codification. Update 2016-13 also modified the accounting for available-for-sale debt securities, which must be individually assessed for credit losses when fair value is less than the amortized cost basis, in accordance with Subtopic 326-30, Financial Instruments — Credit Losses — Available-for-Sale Debt Securities. The amendments in this Update address those stakeholders’ concerns by providing an option to irrevocably elect the fair value option for certain financial assets previously measured at amortized cost basis. For those entities, the targeted transition relief will increase comparability of financial statement information by providing an option to align measurement methodologies for similar financial assets. Furthermore, the targeted transition relief also may reduce the costs for some entities to comply with the amendments in Update 2016-13 while still providing financial statement users with decision-useful information. In November 2019, the FASB issued ASU No. 2019-10, which to update the effective date of ASU No. 2016-02 for private companies, not-for-profit organizations and certain smaller reporting companies applying for credit losses, leases, and hedging standard.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Adoption of Accounting Standards Update (“ASU”) 2019-05(continued)

The new effective date for these preparers is for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years, with early adoption permitted. Adoption of the ASUs is on a modified retrospective basis. The Company adopted ASU 2019-05 from October 1, 2023 using modified-retrospective transition approach with a cumulative-effect adjustment to shareholders’ equity amounting to nil recognized as of October 1, 2023.

New Accounting Pronouncements

In December 2023, the FASB issued ASU 2023-09, Improvement to Income Tax Disclosure. This standard requires more transparency about income tax information through improvements to income tax disclosures primarily related to the rate reconciliation and income taxes paid information. This standard also includes certain other amendments to improve the effectiveness of income tax disclosures. ASU 2023-09 is effective for public business entities, for annual periods beginning after December 15, 2024. For entities other than public business entities, the amendments are effective for annual periods beginning after December 15, 2025. The Company is currently in the process of evaluating the disclosure impact of adopting ASU 2023-09.

There were other updates recently issued. The management does not believe that other than disclosed above, the recently issued, but not yet adopted, accounting pronouncements will have a material impact on its financial position results of operations or cash flows.

3. CONCENTRATION OF RISK

Significant Customers

The Company has a diversified customer base, each of which accounts for less than 10% of total sales and accounts receivable. The Company controls credit risk related to accounts receivable through credit approvals, credit limits and monitoring procedures. The Company routinely assesses the financial strength of its customers and, based upon factors surrounding the credit risk, establishes an allowance, if required, for un-collectible accounts and, consequently, believes that its accounts receivable related credit risk exposure beyond such allowance is limited.

Cash

The Company’s cash consists of cash in banks and petty cash. The Company maintains its cash balances at one U.S bank and one Canada bank, both of which are non-interest-bearing transaction account and are insured by Federal Deposit Insurance Corporation (FDIC) and Canada Deposit Insurance Corporation, respectively. The standard insurance amount is \$250,000 per depositors under the FDIC's general deposit insurance rules. The Canada bank account was insured by the Canada Deposit Insurance Corporation up to \$100,000.

As of September 30, 2024, 2023 and 2022, and December 31, 2021, total uninsured cash balances of the Company were \$422,195, \$293,111, \$887,365 and \$896,577, respectively.

3. CONCENTRATION OF RISK (continued)

Significant Vendors

A significant portion of the Company's ATMs and related accessories are purchased from one vendor. The total purchase from the vendor during the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021, and the accounts payable due to the vendor As of September 30, 2024, 2023 and 2022, and December 31, 2021 are as follows:

Percentage of total accounts payable	0%	0%	100%	100%

4. RESTATEMENTS

On January 1, 2021, the Company adopted ASU 2021-02, a practical expedient which allows a private-company franchisor that has entered into a franchise agreement to treat certain pre-opening services provided to franchisee as distinct from the franchise license. Amendments upon adoption of ASU 2021-02 must be applied retrospectively as of the date of initial application of ASC 606, with a cumulative-effect adjustment to opening retained earnings.

As result of the adoption, franchise fee income for the year ended December 31, 2020 have been restated as follows (adjusted line items):

5. NET OF ASSETS PURCHASED AND SOLD

The Company entered into a purchase agreement (the “APA agreement”) with A Company on September 19, 2019 to purchase all 435 ATMs owned by A Company at the locations specified in the agreement along with and the associated intangible property rights, placement agreements and vendor contracts for an estimated purchase price of \$7,000,000. The total consideration comprises with \$866,686 cost of ATM machines, \$4,900,000 goodwill, and \$1,233,314 future revenue per the purchase agreement. \$2,100,000 hold-back amount (out of total consideration) will be paid to A Company over 36 months upon the transaction is consummated. The purchase price will be finalized through valuation report of the ATM locations finalized. The Company determines the purchase is an asset purchase and will record each ATM machine/location at the purchase price which approximates the fair value at the closing date of the transaction upon change of control.

The Company entered into an addendum with A Company on the APA agreement and extended the secondary closing date from May 3, 2020 to November 3, 2020 due to the impact of COVID-19. Further, ACFN agreed to the distribution of \$1,694,127, a portion of the value of locations already transferred from A Company to the Company. As of June 8, 2020, the Company has transferred 157 ATM machines from A Company pursuant to the APA agreement.

5. NET OF ASSETS PURCHASED AND SOLD (continued)

On June 12, 2020, the APA Agreement was terminated after the first 157 ATM machines and locations ("ATM Locations") have been transferred mutually agreed by both parties. Pursuant to the termination agreement, ACFN will hold the settlement/commission for the CBL locations and the locations transferred before June 8, 2020, and A Company will use the bill of sale form that is appended to the APA and send it to ACFN for execution to transfer further titles of the equipment from A Company to ACFN after compiling all of the serial numbers for the units A Company has transferred (and will transfer). During the remaining 2020, the Company purchased another 20 ATM Locations from A Company for which the Company has pre-negotiated with franchisees and sold immediately after the titles were transferred from A Company.

All the ATM machines were purchased at a fixed price - \$2,250 and sold with zero gross profit, and the rest purchase amount for each location represents the fair market value of the location based on the historical fee revenue and the remaining lease term. The Company also negotiate each ATM Locations with the franchises. All 177 ATM locations purchased from A Company was sold within the year of 2020.

ACFN also offered the franchisees who purchased ATM Locations a "Prorated Refund" term in 30 months in case of location is lost after signing the purchase agreement. Pursuant the term 2.6 "Holdback term" under APA Agreement, ACFN will be compensated by A Company in case of location is lost involuntarily within 36 months after sales. The "Holdback" term is still valid after the APA terminated and the Bill of Sales Form is used. Thus, no reserve deemed necessary for the \$2,459,941 ATM Locations purchased and sold under the Assets purchase transactions.

The Company entered into a purchase agreement (the "APA agreement") with B Company on April 3, 2024 to purchase all ATMs owned by A Company at the locations specified in the agreement along with and the associated intangible property rights, placement agreements and vendor contracts for an estimated purchase price of \$265,000. The total consideration comprises \$44,250 cost of ATM machines, and \$220,750 goodwill, per the purchase agreement. The Company determines the purchase is an asset purchase and will record each ATM machine/location at the purchase price which approximates the fair value at the closing date of the transaction upon change of control.

Given the nature of nonrecurring transaction of assets acquisition and immediately sold, which is outside of normal business of ACFN, further, the right of return under purchase agreements with the franchisees is fully backed up with the "Holdback" term under APA Agreement, the Company determined it's appropriate to report net amount of the assets purchased and sold under non-operation expense for the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021.

5. NET OF ASSETS PURCHASED AND SOLD (continued)

As of September 30, 2024, 2023 and 2022, and December 31, 2021, ACFN recorded payable for assets purchased in the amounts of nil, \$3,184, \$316,779, and \$507,068, respectively. The following table summarized the transaction with A Company during the years ended September 30, 2024, and 2023, nine months ended September 30, 2022, and the year ended December 31, 2021:

Your right upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

Based on our financial condition, the Illinois Attorney General's Office has imposed a fee deferral requirement with respect to franchises governed by Illinois law. Therefore, if your franchise is governed by Illinois law, we will defer your payment of the \$25,000 initial franchise fee and the \$799 initial training fee described in Item 5 until we have completed all of our initial obligations under the Franchise Agreement or other agreements, and you have commenced doing business pursuant to the Franchise Agreement. For the purposes of this addendum, all initial obligations will be deemed met and your business under the Franchise Agreement will be considered commenced upon the installation of your first ATM, at which point the initial franchise fee and initial training fee will be due and payable to us.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

This Addendum relates to franchises sold in the State of Minnesota and is intended to comply with Minnesota statutes and regulations.

1. Item 5. Item 5 is amended to include the following:

On the basis of the review of the financial information disclosed in this disclosure document and all financial statements contained in Item 21 of this disclosure document and attached to the disclosure document as Exhibit B, the Minnesota Department of Commerce has determined that a franchisor's Surety Bond condition, as described in Section 2860.1900 of the Minnesota Rules, is appropriate. We have obtained on us a Surety Bond in the amount of \$29,000 to insure that all our material pre-opening obligations to you are met. A copy of the Surety Bond is on file with the State of Minnesota, Department of Commerce, 85 7th Place East, Suite 280, St. Paul, MN 55101-2198.

2. Item 13. Item 13 of the disclosure document is amended to include the following:

We will indemnify you for damages for which you are held liable in any proceeding arising out of the use of the "ACFN" mark, provided you have used the trademark properly and have notified us of any claim against you within 10 days of your knowledge of the claim. Minnesota Statutes Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit us from requiring litigation to be conducted outside Minnesota. To the extent a dispute is subject to litigation, nothing in the disclosure document or Franchise Agreement can eliminate or reduce any of your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction."

This Addendum relates to franchises sold in Virginia and is intended to comply with Virginia statutes and regulations. In consideration of the execution of the Franchise Agreement, we and you agree to amend the Franchise Agreement as follows:

1. Initial Franchise Fee. Sections 3.1 and 4.1 are amended to add the following statement:

2. Additional Disclosure. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT

This Addendum relates to franchises sold in Washington and is intended to comply with Washington statutes and regulations. In consideration of the execution of the Franchise Agreement, we (ACFN Franchised Inc., franchisor) and you (franchisee) agree to amend the Franchise Agreement as follows:

1. Venue. Section 17.14 of the Franchise Agreement is deleted.
2. Other Modifications.
 - A. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
 - B. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
 - C. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
 - D. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
 - E. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
 - F. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

G. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

H. In lieu of an impound of franchise fees, we (franchisor) will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all initial training that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

I. The sentence immediately preceding the “[OWNER CORPORATION OR PARTNERSHIP]” signature block of the Franchise Agreement is hereby deleted in its entirety.

J. Section 1.2 is deleted in its entirety and replaced with the following:

1.2. ACKNOWLEDGEMENTS. All business dealings between you and our officers, directors and employees as a result of this Agreement are solely between you and us. You further acknowledge we will conduct background investigations on you as part of the evaluation process. Further, you acknowledge that neither you, nor any holder of an ownership interest in you, nor any of your employees is named as a “specially designated national” or “blocked person” as designated by the United States Department of the Treasury’s Office of Foreign Assets Control (OFAC). Further, you acknowledge and agree that you will promptly notify us if any of the acknowledgments in this Section 1.2 are or become inaccurate, and you will cooperate with us in any resulting audits or investigations.

K. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

3. Construction. In all other respects, the Franchise Agreement will be construed and enforced with its terms.

The undersigned does hereby acknowledge receipt of this addendum.

[ADDITIONAL PROVISIONS FOR CALIFORNIA FRANCHISEES ONLY]

Waiver of Civil Code Section 1542. This Release of Claims is intended by you to be a full and unconditional general release and to constitute a full, unconditional and final accord and satisfaction, extending to all claims of any nature, whether or not known, expected or anticipated to exist in favor of you against ACFN and the other released parties regardless of whether any unknown, unsuspected or unanticipated claim would materially affect settlement and compromise of any matter mentioned herein. You hereby expressly, knowingly, and intentionally waive any and all rights, benefits, and protections of Section 1542 and of any other state or federal statute or common law principle limiting the scope of a general release, as well as under any other statutes or common law principles of similar effect to Section 1542, whether now or hereinafter existing under the laws of California, or any other applicable federal and state law with jurisdiction over the parties' relationship. “A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

Any deposit Purchaser pays to Seller will be credited against the Purchase Price Purchaser owes to Seller upon its execution of this Agreement.
- 3. **Taxes.** Purchaser will pay any tax imposed by any federal, state, local or other governmental authority on or respecting the sale, purchase, delivery or use of the ATMs and the right to operate the ATMs at the Locations.

4. **Seller Representation.** Seller represents and warrants to Purchaser that Seller has good and marketable title to the ATMs, and the right to sell the ATMs and the right to operate the ATMs at the Locations subject to the location agreement. The ATMs and the right to operate the ATMs are being sold on an as-is, where-is basis and Seller makes no other representation or warranty, whether express or implied, with respect to the merchantability, fitness for a particular purpose, condition or quality of the ATMs.
5. **Purchaser Representation.** Purchaser has inspected the ATMs and the Locations and has verified to Purchaser's satisfaction that the ATMs are in working order.
6. **Transfer of ATMs and Right to Operate ATMs at Locations.** After execution of this Agreement, Seller will work with the appropriate third parties to arrange for the transfer to Purchaser of the ATMs and the right to begin operation of the ATMs at their Locations. Seller will notify Purchaser at least 3 days prior to the scheduled transfer date for each ATM. Purchaser agrees to complete the transfer of each ATM on the scheduled transfer date, and to activate and begin operation of that ATM at its Location within 24 hours of the deactivation of the ATM on or after the scheduled transfer date. If after providing Purchaser with at least 3 days prior notice of the scheduled transfer date of an ATM, Purchaser fails to complete the transfer of that ATM on the scheduled transfer date or fails to activate and begin operation of that ATM at its Location within 24 hours of the deactivation of the ATM on or after the scheduled transfer date, Seller has the right to immediately take back the ATM and the right to operate the ATM at its Location without returning any portion of the Purchase Price to Purchaser. If Seller takes back an ATM under this Section 6 and subsequently sells that ATM and the right to operate the ATM at its Location, Seller will provide to Purchaser the purchase price Seller received for that ATM and the right to operate the ATM at its Location, minus Seller's costs and expenses associated with taking back and reselling the ATM and the right to operate the ATM at its Location.
7. **Transfer and Acceptance Form.** Promptly after execution of this Agreement, but in any event within 3 days following the date all of the transfers of the ATMs and the right to operate the ATMs at the Locations have been completed, Purchaser will execute and deliver to Seller the Transfer & Acceptance Form attached as **Exhibit B**.
8. **Restriction on Use.** Seller is selling to Purchaser the ATMs and the right to operate the ATMs at the Locations with the understanding that Purchaser will operate the ATMs at the Locations as part of Purchaser's operation of the Business. Purchaser acknowledges that its right to purchase the ATMs and to operate the ATMs at the Locations as part of the operation of the Business is derived from and governed by the Franchise Agreement. The parties acknowledge and agree that the ATMs and the right to operate the ATMs at the Locations shall be deemed part of the Business operated under the terms of the Franchise Agreement.
9. **Compliance with Laws and Agreements.** Purchaser shall be solely responsible for owning and operating the ATMs at the Locations in compliance with all laws and

regulations and in compliance with all agreements relating to the ATMs and the Locations, including without limitation the Franchise Agreement.

10. **Injunctive Relief; Attorney Fees.** If Purchaser breaches this Agreement, Seller will be entitled to injunctive relief in addition to such other relief available. At the discretion of any court of competent jurisdiction, Purchaser may be ordered to reimburse Seller for reasonable attorney fees and costs incurred in enforcing its rights hereunder.
11. **Miscellaneous.** This Agreement, together with the Franchise Agreement, constitutes the entire agreement of the parties relative to its subject matter and cannot be waived, altered, or rescinded in whole or in part, except by an express writing by the parties. The provisions of this Agreement are severable and the invalidity or unenforceability of any of them will not affect the remainder of this Agreement. This Agreement will be governed by the laws of the state in which the Area of Operation is located.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.
