What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-state dispute resolution.** The franchise agreement requires you to resolve disputes with us by mediation and litigation only in Florida. Out-of-state mediation and litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate and litigate with us in Florida than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Minimum Mandatory Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

The Franchise

We have developed a unique concept and system (the “**System**”) that is operated through businesses that market, produce and distribute monthly direct-mail coupon magazines (“**Monthly Magazines**”) under the name “Money Pages” and such other trademarks, trade names and service marks designated by us (“**Proprietary Marks**”) as part of the System (“**Money Pages Business**”). All company/affiliate-owned Money Pages Businesses may also contribute to the Fund, in our discretion, on an equal percentage basis with all franchised Money Pages Businesses, but has no obligation to do so. There is no fiduciary or trust relationship created by our administering the Fund. We anticipate all of our franchisees will contribute to the Fund, although there is no prohibition against us charging higher or lower rates for future franchisees. We also may forgive, waive, settle or compromise claims by or against the Fund. We may defer or reduce a franchisee’s contribution based on the peculiarities of a particular territory or circumstance, existing business practices or other factors that we deem to be important to the operation of any Money Pages Business or the System. If we terminate the Fund, we will distribute all unused monies to the contributors in proportion to their respective contributions during a pre-determined period.

We may use the Fund to create, among other things, promotional advertising, marketing programs, market research and marketing and advertising activities. We direct all marketing programs developed with funds from the Fund and have sole discretion over the concepts, materials, media used, media placement, and allocation of these programs. Any marketing program or campaign we develop may include dissemination of advertising through print, radio, television, point-of-purchase materials, or other media. This coverage may be local, regional or national in scope. We may employ an advertising agency or other agency to assist in the development, production and dissemination of marketing and advertising materials, or we may hire personnel to perform these functions. We have no obligation to spend any amount on advertising in the area where your Franchised Business is located. In fact, we have no obligation to spend monies collected for Fund to benefit all franchisees or to ensure the monies are used proportionately or equivalent to a franchisee’s contributions to the Fund.

We implemented the Fund in 2013. During the fiscal year ended December 31, 2023, we expended Fund Marketing Fund Contributions as follows: 100% media placement. The Marketing fund contributions were spent on various advertising media including professional sports league sponsorships, branding sponsorships, radio advertising, video production and digital marketing to support and drive awareness about the Money Pages brand.

We may use the Fund to meet any and all costs of (i) maintaining, administering, directing, conducting and preparing marketing, advertising, public relations, and/or promotional programs and materials, and (ii) any other activities, which we believe will enhance the image of the System, Money Pages Businesses, the Proprietary Marks and products and services offered under the System. In any fiscal year, we may spend more or less than the aggregate of contributions to the Fund in that year. The Fund may borrow from third party lenders to cover deficits, and any lenders will receive interest on the borrowed funds. Any amounts that remain in the Fund at the end of each fiscal year will be applied toward the next year's expenses. We assume no liability or obligations to you or any franchisee for collecting amounts due to the Fund or to administering or maintaining the Fund. Currently, we do not intend to audit the Fund. If we prepare financial statements for the Fund, we will make them available to you; however, on request, we will provide you with information on Fund receipts and disbursements. We will not use funds from the Fund for advertising that is principally a solicitation for the sale of franchises. We, upon request, shall provide you with an annual accounting of Fund receipts and disbursements.

This advertising fund is not independently audited at a specific frequency however the fund is fully audited when we do our annual financial audit at the end of our fiscal year.

If we establish an Advertising Cooperative in a geographic area where your Franchised Business is located, you must participate and abide by any rules and procedures for the Advertising Cooperative. All company/affiliate-owned Money Pages Businesses will become a member of the Advertising Cooperative for their geographic area and contribute to the applicable Advertising Cooperative in accordance with the rules and procedures for the Advertising Cooperative. The marketing area for each Advertising Cooperative will encompass a group of franchisees located in a geographically-defined local, regional or national marketing area. You will contribute to your respective Advertising Cooperative the exact amount to be set by us. Amounts contributed by you to an Advertising Cooperative will be credited against monies you are otherwise required to spend on local advertising and promotion (See Item 6 of this Disclosure Document). The amount that you may be required to contribute to an Advertising Cooperative will not exceed the maximum required local advertising and promotion expenditure which is limited to \$250 per month (evaluated using a rolling 6-month average).

We have no liability or obligation to you for maintaining any Advertising cooperative and each Advertising Cooperative will be organized and governed in the form and manner that we determine in advance. Members of the Advertising Cooperative will be responsible for administration of their respective Advertising Cooperative, as stated in the by-laws and any payment agreements that may govern the cooperative. We will establish the by-laws and governing agreements for the Advertising Cooperative and we will make them available for review by the cooperative's members. We have the right to require an Advertising Cooperative to prepare annual or periodic financial statements for review. Each Advertising Cooperative will maintain its own funds; however, we have the right to review the Advertising Cooperative's finances, if we so choose. We maintain the right to approve all of an Advertising Cooperative's marketing programs and advertising materials. Upon 30 days written notice to affected franchisees, we may terminate or suspend an Advertising Cooperative's program or operations. We may form, change, dissolve or merge any Advertising Cooperative.

Any marketing and promotional plans and material not prepared or previously approved by us must be submitted to us at least 5 to 7 days before any publication or run date for approval. All advertising and promotion must be factually accurate and must not detrimentally affect the Proprietary Marks or the System. We may grant or withhold our approval of any advertising or marketing materials, in our sole discretion. We will provide you with written notification of our approval or disapproval within a reasonable time. If we do not notify you of our approval or disapproval within 10 days of our receipt of the materials, the materials will be deemed approved. You must discontinue your use of any approved marketing and promotional plans and material within five days of your receipt of our request if we subsequently request you to do so. (Franchise Agreement, Section 14)

Local Advertising and Promotion. Starting the month that you commence operating the Franchised Business and continuing for the remainder of the term of the Franchise Agreement, you must spend at least

an average of \$250 per month per Monthly Magazine published in the Territory on local advertising and promotion. For purposes of measuring compliance with the local advertising and promotion obligations, your monthly local advertising and promotion activities will be evaluated on the first six-month period of each calendar year ending on June 30th and the second six-month period of each calendar year ending on December 31st. As noted above, contribution to an advertising cooperative will count toward your local advertising and promotion expenditure. We have the right to require that you provide us with proof that these funds were spent. You will be able to designate a portion of the monies otherwise spent on local advertising and promotion towards the funds required by the cooperative. All company/affiliate-owned Money Pages Businesses must spend money for local advertising and promotion on an equal percentage basis with all franchised Money Pages Businesses.

Websites. We may establish and maintain a website to promote the Proprietary Marks, any or all of the products and services offered under the System, Money Pages Businesses, the franchising of Money Pages Businesses and/or the System (“**System Website**”). We will control all aspects of the System Website, including the System Website’s design, content, functionality, links to the websites of third parties, legal notices, and policies and terms of usage. We have the right to discontinue operation of the System Website. We have the right to designate one or more web page(s) to describe you and/or the Franchised Business (“**Unit WebPage(s)**”), with such Unit Webpage(s) to be located within the System Website. You must comply with our policies with respect to the creation, maintenance and content of any such Unit WebPage(s); and we have the right to refuse to post and/or discontinue posting any content and/or the operation of any Unit WebPage(s). If we make available Unit WebPage(s) to be used for offering, selling and providing Products and Services, we will designate policies and procedures for Royalty Fees and Marketing Fund Contributions based on Products and Services offered, sold and provided through the Unit WebPage(s). We may modify our policies and requirements regarding Websites as we determine is necessary or appropriate.

You must not establish any separate Website that displays or uses the Proprietary Marks, or any marks confusingly similar to the Proprietary Marks, or that refers to the Franchise Agreement, you, the Franchised Business, the Products and Services, us or the System.

We reserve the sole and exclusive right to conduct and manage all marketing on the Internet or other electronic medium, including all websites and “social media” marketing related to the System, Money Pages Businesses, and Money Pages® brand. You may not conduct any online marketing or establish any website or social media presence without our prior written consent. We retain the right to approve any linking to or other use of our website. You must comply with any Internet and social media policy that we prescribe from time to time, including prohibitions on your owners and employees from posting or blogging comments about the Franchised Business, other Money Pages Businesses, the Money Pages® System, or the Money Pages® brand. “Social media” includes personal blogs, common social networks like Facebook, professional networks like LinkedIn, live-blogging tools like Twitter, virtual worlds, file, audio and video-sharing sites like Instagram, and other similar social networking or media sites or tools.

Grand Opening Marketing Package. Within 30 days of signing the Franchise Agreement, you will be required to purchase from us a Grand Opening Marketing Package. The Grand Opening Marketing Package is \$3,000 per zone. The products and services that will we provide as a part of the Grand Opening Marketing Package may vary under the circumstances and will depend on the Tier that you select. Franchisee may select from any of the following: Additional Week of In Field Sales Training \$1500, Welcome Video Recording: \$1500, Digital Targeted Display \$1500 and Digital/Direct Mail \$1500.

Operations Manual. Exhibit C to this Disclosure Document is a table of contents of the Manual. The total number of pages in the Manual is approximately 281 pages. We may establish websites, including a website providing private and secure communications between us, you, System franchisees, licensees and other persons and entities as determined by us, in our sole discretion (“**Intranet**”). We may provide the Manual electronically through the Intranet.

Advertising Council. We do not have an advertising council composed of franchisees that advises us on advertising policies. The Franchise Agreement gives us the right, in our discretion, to create a franchisee

advisory council to communicate ideas, including proposed advertising policies. If created, we will determine in advance how franchisees are selected to the council, which may include factors such as a franchisee's level of success, superior performance, and outlet profitability. We reserve the right to change or dissolve the council at any time. (See Franchise Agreement, Section 14.9)

Computer Hardware and Software. You must purchase and maintain the Computer System, including hardware and software, that we prescribe. You may be required to purchase any or all components of the Computer System from one of our designated or approved sources (see Item 8). We currently require you to acquire and maintain, at your expense, a desktop computer (Mac or Windows), laptop and/or iPad of your choosing. You must have a Smartphone with a data plan for real-time access to e-mail. You must also have a multi-function inkjet printer with at least 300 dpi scanning resolution.

The main functions of the Computer System are to access email, proofs, print proofs and materials, access the Money Pages CRM, Ad Orbit, file sharing services, remote desktop, and other applications. We have the right to electronically and manually access the information that the Computer System generates. You must cooperate with us in helping us access this information. You must supply the appropriate communications devices in order to permit the Computer System to operate.

The currently approved Computer System includes our required Software. We retain all rights to the information stored on and accessed through the Software, including all customer contact information.

We estimate that your cost to purchase the Computer System (including hardware and Software) is approximately \$1,000 to \$3,500. Additionally, we currently provide you with two licenses for Ad Orbit, CRM and Office 365 as part of the Initial Franchisee Fee. The costs for additional licenses are set forth in Item 6.

We are not contractually obligated to provide any maintenance, repairs, upgrades or updates. Our designated vendors may do so from time to time, but you will need to contact them to determine what services (e.g. maintenance services) they provide and the cost of those services. You are contractually required at your expense to upgrade and update the Computer System to remain in compliance with our standards and specifications. We estimate that the cost of support service for the Computer System is around \$100 to \$250 per year, but you will need to contact a vendor to determine the scope of the services they offer and the actual cost of those services. There are no contractual limitations on the frequency and cost of this requirement. We have the right at any time to poll your Computer System to retrieve and compile information concerning the Franchised Business. In other words, we will have independent access to the information and data produced by your Computer System. There are no contractual limitations on our right to access this information and data. (See Franchise Agreement, Section 9.1.)

Conferences and Meetings. Although we are not obligated under the Franchise Agreement, we may hold periodic courses, seminars, conferences and other training programs. These meetings and program may be held at our Jacksonville, Florida location or any other place that we may designate and we expect them to be no more than 5 days per year. We may charge you a fee to attend these meetings or programs, which we expect will not be more than \$200 per person. You must pay your own travel and accommodation expenses. (See Franchise Agreement, Section 6.2)

Training. Below is a description of our Initial Training. Initial Training is subject to change as procedures and processes change. You must send a minimum of two trainees to Initial Training for each Franchised Business that you operate. You (or one of your owners if you are an entity) are required to attend Initial Training. We may permit additional employees of the Franchised Business to attend the Initial Training, and, if we do, you will be responsible for all costs and expenses incurred by us in providing the training to these additional trainees. You (or your managing owner) must successfully complete Initial Training to our satisfaction before the Franchised Business commences operating.

The instructional materials for Initial Training include various training aids and manuals including the employee handbook, vendor manuals, computer and software manual, marketing manual, business publications, and the Manual.

Initial Training will last approximately 1 week and will be comprised of Money Pages University and classroom training at our office in Jacksonville, Florida. Initial Training will be conducted as often as we deem necessary, but at least monthly. Although Initial training is included in the initial franchise fee for up to 2 participants, you will be responsible for all costs related to travel, food, lodging and related expenses incurred. (See Franchise Agreement, Section 6.1)

Item 12: TERRITORY

Your Franchise Agreement grants you the right to operate a Franchised Business within a Territory that contains two mailing zones of up to 35,000 households each. We will determine the boundaries of the Territory using the most current data from any demographic information provider and/or public information (including public information available on counties, municipalities, zip code, voting districts) we deem appropriate, using current data provided by the United States Postal Service. The Territory will be included on a map that will be attached to your Franchise Agreement when finalized. The map containing the exact geographic boundaries of the Territory will be finalized by us before you sign the Franchise Agreement. The Territory may change periodically as the demographics change (e.g. the number of households in the Territory expands or shrinks). We have sole discretion in determining the composition and boundaries of each franchise territory in the System (including the Territory). Any adjustments to the boundaries of the franchise territories for Money Pages Businesses (including the Territory), will be adjusted annually by us on January 1st of each year. We have no obligation to consider any request to relocate your Franchised

Business. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

In connection with operating your Franchised Business (collectively, the following are the “**Minimum Performance Standards**”):

(i) you must print the first Monthly Magazine within four months of your commencing operation of your Franchised Business;

(ii) every Monthly Magazine you produce in the first 4 months after you commence operating your Franchised Business must be at least 16 pages. Beginning in the 5th month after you commence operating your Franchised Business, every Monthly Magazine you produce must be at least 24 pages and include one exclusive product. Beginning in the 9th month after you commence operating your Franchised Business, every Monthly Magazine you produce must be at least 32 pages and include two exclusive products;

(iii) The Franchised Business must collect a monthly billable revenue equal to or greater than the sum of costs associated with the print and postage costs, Royalty Fees, Design Fees, Technology Fees, and Marketing Fund Contributions. Failure to meet this requirement more than 4 months of a rolling 12 month period may be considered a failure to meet Minimum Performance Standards.

(iv) you must submit client original design tickets on or before the monthly deadlines. Original design tickets are to be submitted electronically on or before the published deadlines in the production calendar. Submittal of client artwork past published deadlines may, at our discretion, result in an additional \$250 Design Fee per issue, per market or may result in additional provisions outlined below;

Starting in your 5th month of operation, you will be required to offer exclusive products (the “Exclusive Products”), such as DAL and separate direct mail pieces; offer digital products, provided you have completed our digital certification training; and offer stand-alone mailing products separate from your Monthly Magazine, provided you provide us a valid state sales tax identification. Upon reaching your 9th month of operation, you will be required to offer two exclusive products within your mailing zones.

Under our Professional Package, you will be required to offer one Exclusive Product starting your 5th month of operation in your first two mailing zones. After your 9th month of operation, you must begin selling two exclusive products. In your second year of operation, you must adhere to the same time schedule for Exclusive Products within your third and fourth mailing zone.

Under our Acceleration Package, you will be required to offer two Exclusive Products starting your 5th month of operation in your first two mailing zones. After your 9th month, you will be expected to continue to offer two Exclusive products while launching your third and fourth mailing zones. Once you reach your second year of operation, you will be expected to sell four Exclusive products in all four of your operating mailing zones and by the 9th month of your second year of operation, you will be expected to offer six Exclusive Products in your four mailing zones while beginning the operation of you fifth and sixth mailing zones.

Due to the strict development schedules of the Professional and Acceleration packages, we will require you to enlist the services of a sales representative in your first, second year of your operation under the Professional package and the first, second and third years of operation under the Acceleration package.

If you fail to maintain the Minimum Performance Standards, we reserve the right to revoke your eligibility to offer these products and services until all other minimum performance standards are met.

If you fail to comply with the Minimum Performance Standards, we may terminate the Franchise Agreement; reduce the boundaries of the Territory to a lesser area that we determine; limit your ability to offer advertising trade, discounted advertising, complimentary upgrades, or free promotional advertising; or require additional training at your expense. Other than the Minimum Performance Standards and the requirement of not being in default of the Franchise Agreement, the Territory is not dependent on your sales volume,

market penetration or any other contingency.

If you are not in default of any provision of your Franchise Agreement or any other agreement between you and us or any of our affiliates, during the term of the Franchise Agreement, we will not operate, or license anyone other than you to operate a Money Pages Business in the Territory, except we have the right to establish a National/Regional Account Program (defined below) as discussed below. While we will not establish or franchise other Money Pages Businesses within the Territory, we and our affiliates or designees may (i) market products other than the Products and Services within the Territory under a different brand name or mark; (ii) establish and operate, and grant rights to other System franchisees to establish and operate, Money Pages Businesses or similar businesses at locations outside the Territory, and on any terms and conditions we deem appropriate; (iii) offer any Products and Services and related products identical or similar to, or dissimilar from whether identified by the Proprietary Marks or other trademarks or service marks through any distribution channels we think best (including the Internet); (iv) purchase or otherwise acquire the assets or controlling ownership of one or more businesses identical or similar to Money Pages Businesses (and/or franchise, license, and/or similar agreements for such businesses), which might be located anywhere; (v) be acquired (regardless of the form of transaction) by a business identical or similar to Money Pages Businesses, even if the other business operates, franchises and/or licenses competitive businesses anywhere; and (vi) engage in any other business activities not expressly prohibited by the Franchise Agreement. These businesses may compete with your Franchised Business without payment of any compensation to you. You will not receive an exclusive territory. You may face competition from other franchisees, from businesses that we own, or from other channels of distribution or competitive brands that we control. You will not be compensated for our affiliates solicitation or conducting of business within your territory if you are in default of any provision of your Franchise Agreement.

The Franchise Agreement entitles you to operate from an office in your home. You may not change the location of your Franchised Business office, except in accordance with the requirements of Section 7.2 of the Franchise Agreement. You may only relocate the Franchised Business office with our consent. We consider the general location, neighborhood and demographic characteristics of the area when approving a site. You are required to remove all identifying signs and property from the original office location.

Except as disclosed in this Item 12, there are no circumstances under which the Territory may be altered prior to expiration or termination of the Franchise Agreement.

Neither we (the Franchisor) or our affiliates offer or conduct a business similar to the franchised business offered in this document.

National/Regional Accounts

We designate the following types of accounts as National/Regional Accounts (defined below): (i) accounts established with or through existing relationship with us and our affiliates; (ii) accounts which enter into strategic partnership alliances with us or our affiliates; or (iii) accounts with immediate potential to create significant market potential for multiple Money Pages Businesses nationally or regionally. A **"National/Regional Account"** refers to any business purchasing the Products and Services and which operate in more than one franchise territory or company/affiliate-owned territory. We designate National/Regional Accounts. National/Regional Accounts are serviced by our national/regional account program (**"National/Regional Account Program"**).

You must participate in the National/Regional Account Program. We may change the terms and conditions of the National/Regional Account Program from time to time. You must follow all terms, conditions, rules, regulations and procedures set forth in the Manual and Franchise Agreement related to the National/Regional Account Program. Except in accordance with the National/Regional Account Program, you may not solicit or service a National/Regional Account without our prior written consent. We may condition our consent (although we need not grant our consent) on your agreement to comply with certain requirements, and we may withdraw our consent for any or no reason. If we withdraw our consent to your soliciting and/or servicing one or more National/Regional Accounts, you must cease all solicitation and servicing activity for that National/Regional Account(s) immediately.

We retain the right under all circumstances to provide any Products and Services to any National/Regional Account location. We may offer you the responsibility under the Franchise Agreement to provide the Products and Services through your Franchised Business that we would like to provide to the National/Regional Account location or locations (as determined by us). If we offer you the opportunity to provide Products and Services to any National/Regional Account or National/Regional Account location, you must respond to such offer in accordance with the procedures and timeframe set forth in the Manual. If you fail to respond to our offer related to an opportunity to provide Products and Services to a National/Regional Account or a National/Regional Account location or you fail to agree to or comply with the terms and conditions that we have established with the National/Regional Account, you will forfeit the opportunity related to the National/Regional Account or National/Regional Account location.

If any National/Regional Account wished not to be serviced by your Franchised Business, we and our affiliates, have the right, or may authorize other franchisees or third parties, to provide the Products and Services to the locations of the National/Regional Account. If you fail to accept the offer in the manner we specify, we (and our affiliates) have the right, or may authorize other franchisees or third parties, to provide the Products and Services to the locations of the National/Regional Account. You are not permitted to negotiate the cost for providing the Products and Services to a National/Regional Account under any circumstances or conditions. If you default under the Franchise Agreement for any reason, we may cease to make the National/Regional Account Program available to you.

Other Business Outside the Territory

You may solicit customers located outside the Territory if (i) you have our written consent and (ii) the area is not covered by, or in the territory of, us, one of our affiliates or another System franchisee.

You have no options, rights of first refusal or similar rights to acquire an additional franchise, but we may consider granting you multiple franchises. You will be required to sign a separate Franchise Agreement for each Franchised Business.

Item 13 TRADEMARKS

We will grant you a non-transferable, non-exclusive license to use the Proprietary Marks. You must follow our rules when you use the Proprietary Marks. You cannot use the Proprietary Marks as part of a corporate name or with modifying words, designs or symbols except for those which we license to you. You may not use the Proprietary Marks in any manner that we have not authorized in writing.

Our affiliate, Holdings, has registered the following Proprietary Marks on the Principal Register of the United States Patent and Trademark Office (“USPTO”):

Mark	Registration No.	Registration Date
MONEY PAGES	2908698	12/07/04, Renewed 02/15/2024
 MONEY PAGES and Design	2923231	02/01/05, Renewed 02/14/2024

Our right to use and license others to use the Proprietary Marks is exercised pursuant to a trademark license

agreement with Holdings dated December 28, 2012 (the “**Trademark License Agreement**”). Under the Trademark License Agreement, we are granted the right to use and to permit others to use the Proprietary Marks. The initial term of the Trademark License Agreement is for twenty years, and the Trademark License Agreement will automatically renew for three successive ten-year terms if we substantially comply with the Trademark License Agreement. The Trademark License Agreement may be terminated by us or Holdings on the other party’s material breach of the Trademark License Agreement or by written agreement by both parties. If we were ever to lose our rights under the Trademark License Agreement to the Proprietary Marks, Holdings, under the Trademark License Agreement with us, must allow our franchisees to maintain their rights to use the Proprietary Marks in accordance with their franchise agreements. In such event, Holdings may also require us to assign all or some of our franchise agreements with our franchisees. Other than the Trademark License Agreement, there are no agreements currently in effect which limit our rights to use or license the use of any of the Proprietary Marks.

There are no currently effective agreements that significantly limit our rights to use or license others to use the Proprietary Marks in a manner material to the franchise. We are not aware of any prior rights or infringing uses which could materially affect your use of the Proprietary Marks.

All required affidavits for the Proprietary Marks have been filed. No affidavits or renewal filings are yet due in connection with the registrations for the Proprietary Marks listed above. There are no currently effective determinations of the USPTO, Trademark Trial and Appeal Board, the Trademark Administrator of any state, or any court; nor is there any pending infringement, opposition or cancellation proceedings, or material litigation, involving the Proprietary Marks listed above.

You must promptly notify us of any unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to our ownership of, right to use and to license others to use, or your right to use, the Proprietary Marks. We have the right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including any settlement. We may take action against uses by others that may constitute infringement of the Proprietary Marks. We will defend you against any third-party claim, suit, or demand arising out of your use of the Proprietary Marks. If we determine that you have used the Proprietary Marks in accordance with the Franchise Agreement you have signed to operate your Franchised Business, we will bear the cost of defense, including the cost of any judgment or settlement. If we determine that you have not used the Proprietary Marks in accordance with the Franchise Agreement you signed to operate your Franchised Business, you must bear the cost of defense, including the cost of any judgment or settlement. If there is any litigation relating to your use of the Proprietary Marks, you must execute all documents and do all things as may be necessary to carry out a defense or prosecution, including becoming a nominal party to any legal action. Unless litigation results from your use of the Proprietary Marks in a manner inconsistent with the terms of the Franchise Agreement we will reimburse you for your out-of-pocket costs.

We reserve the right to modify or discontinue the use of any names, trademarks, service marks or copyrights or to add additional names, trademarks, service marks or copyrights at our discretion. You must make any additions, deletions, and modifications to all interior and exterior signs, business cards, printed material, displays, paper products, advertising and anywhere else any of the Proprietary Marks may appear as we direct at your sole cost and expense and without compensation or reimbursement from us. You must, at your sole cost and expense and without compensation or reimbursement from us, discontinue your use of any name, trademark, service mark or copyright, as we may direct you to discontinue at any time. We are not responsible for any expenses, losses or damages sustained by you as a result of any addition, discontinuance, or modification and you are prohibited to join in any litigation against us if any of these expenses, losses or damages are incurred.

Item 14: PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Patents and Copyrights

We do not own any right in or to any patents, pending patent applications, or copyrights that are material

to the franchise. However, we claim common law copyright protection for the Manual and our other forms and materials, including our marketing materials, specifications, marketing techniques, advertising programs, advertising strategies, supplier lists, expansion plans and other information we create or use. We also claim proprietary rights in the confidential information and trade secrets contained in the Manual.

We may claim copyright protection in certain techniques we create and may patent certain processes and equipment we develop. Any modifications or improvements that you make to the System will be deemed a works made for hire which shall be owned exclusively by us. We do not have to compensate you for your modification or improvement.

Confidential Manual

After you (or your managing owner) complete Initial Training to our satisfaction, we will provide you with access (via electronic media as described below) to the Manual or a copy of the Manual on loan for the term of your franchise. The Manual may be provided in multiple electronic files or other volumes or parts. We may provide you with any portion or all of the Manual, as well as other instructional materials, through electronic media, through the use of compact disks, audiotapes, videotapes, DVDs, computer software, e-mail, the internet or the intranet. The Manual may include audiotapes, videotapes, DVDs, compact disks, computer software, other electronic media and/or written materials as we designate and choose to provide access. You must treat the Manual, any other materials created for or approved for use in the operation of your Franchised Business, and the information contained in them, as confidential, and must use reasonable efforts to maintain this information (both in electronic and written format) as proprietary and confidential. You must not copy, download, print or otherwise reproduce these materials or otherwise make them available to any unauthorized person. The Manual will remain our sole property. You must keep them accessible only in a secure place on the premises of your Franchised Business.

We may revise the contents of the Manual, and you must comply with each new or changed standard. You must ensure that the Manual is kept current at all times. If there is a dispute as to the contents of the Manual, the terms of the master copies which we maintain will control.

Confidential Information

You must not, during or after the term of the agreements you execute, divulge or use for the benefit of anyone else any confidential information concerning the System and the methods of operation of your Franchised Business. You may divulge confidential information only to those employees who must have access to it in order to operate your Franchised Business. Any and all information, knowledge, and other data which we designate as confidential will be deemed confidential.

You must not disclose or reveal any portion of the confidential information (including the Manual) to any person, other than to your directors, officers, owners, employees or others who (a) have a legitimate business need to know of them in order to operate your Franchised Business and (b) have executed a form of confidentiality or nondisclosure agreement, as we may prescribe from time to time, that specifically identifies us as a third-party beneficiary of such agreement with the independent right to enforce it.

Item 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We consider your personal participation (if you are an individual) or the participation of an owner (if you are a legal entity) and supervision essential to the success of your Franchised Business. We have granted the franchise to you on the assurance that it will be managed by an active owner/operator. If you are an individual, you will serve this role. If you are a legal entity, you must designate one of your owners, reasonably acceptable to us, to serve as your "Designated Owner." The Designated Owner must be empowered with the responsibility and decision-making authority for the operation of the Franchised Business, and we may communicate directly with the Designated Owner on all matters related to the Franchised Business or your Franchise Agreement. You must identify your Designated Owner in Attachment 4 to the Franchise Agreement. You must not remove or replace the Designated Owner without

our prior written approval. We may require that the Designated Owner own and control not less than 51% of the ownership and voting rights in the franchisee entity.

You (or your Designated Owner) must devote full-time best efforts to the supervision and operation of your Franchised Business and to selling the Products and Services for your Franchised Business. You (or your Designated Owner) will be responsible for the day-to-day operations of your Franchised Business. You (or your Designated Owner) must attend and successfully complete to our satisfaction our Initial Training, as described in Item 11. Due to the strict development schedules of the Professional and Acceleration packages, we will require you to enlist the services of a sales representative in your first, second year of your operation under the Professional package and the first, second and third years of operation under the Acceleration package.

We may require that any of your owners or personnel that have access to our Confidential Information sign Confidentiality Agreements in a form we approve or require. We may also require that any employees you choose to hire that have access to our Confidential Information sign Confidentiality and Noncompetition Agreements in forms that we approve or require.

If the franchisee is an entity, all owners of franchisee must sign a Guaranty in the form attached to the Franchise Agreement as Attachment 6, assuming and agreeing to discharge all of franchisee's obligations under the Franchise Agreement. If the franchisee entity and owner(s) of the franchisee entity do not satisfy the financial or management qualifications to become a franchisee based on their qualifications, we may require the spouse(s) of the owner(s) to sign the Guaranty in order to satisfy our qualifications. If a franchisee is an individual or group of individuals and he/she/they do not satisfy the financial or management qualifications to become a franchisee based on his/her/their qualifications, we may require the spouse(s) of the individual(s) to sign the Guaranty in order to satisfy our qualifications.

Item 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may only offer those Products and Services specifically approved or directed by us. We may periodically establish specifications for Products and Services in the Manual or otherwise advise you of new specifications in writing. These requirements are imposed to maintain our uniform image and uniform marketing strategy, as well as to assure protection of our Proprietary Marks and the maintenance of the quality standards associated with them (see Item 8).

You must operate your Franchised Business in strict conformity with the specifications contained in the Manual or otherwise in writing. You must not deviate from our specifications and procedures without first obtaining our written consent. With our prior written consent, you may sell any products or services to customers located outside of the Territory, but only if they are not located in a Territory that is assigned to one of our other franchisees or a Territory covered by us.

You must operate your Franchised Business in strict conformity with all applicable federal, state, and local laws, ordinances and regulations. Item 18: PUBLIC FIGURES

We do not use any public figures to promote our franchise.

Item 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Part 1: Annual Gross Sales & Gross Profit for 2024 – Multi-Unit Franchise Locations

The Gross Sales and Expenses data of this Item 19 has been generated using financial reports submitted by franchisees who operate multiple territories for their Money Pages Businesses ("**Included Franchisees**"). The Included Franchisees entered all data into their financial reports and were responsible for collecting their own data according to guidelines that we provided.

For purposes of this Item 19, the "**2024 Summary Period**" means January 1, 2024 through December 31, 2024. In the 2024 Summary Period, there were three (3) Multi-Unit Franchise operators, each operating two or more territories. All outlets included in this Financial Performance Representation operate a business

that has no material difference to the franchise business offered in this disclosure document.

The Gross Sales and expenses data in the tables directly below shows historical information for the Summary Periods for the Included Franchisees. Excluded from this Item 19 are 2 franchisee businesses on the basis that they have not been open a full 12 months as of December 31, 2024, had cease operation, as well as all company owned business (the “**Excluded Businesses**”).

FRANCHISE AGREEMENT

This franchise agreement (“**Agreement**”), dated _____ (the “**Effective Date**”), is entered into by and between MONEY PAGES FRANCHISING GROUP, LLC, a Florida limited liability company having an address at 7892 Baymeadows Way, Jacksonville, Florida 32256 (“**we**,” “**our**,” or “**us**”), and _____, an _____ having an address at _____ and _____’s principals _____ an individual residing at _____ and _____ an individual residing at _____. _____ and principals shall be collectively referred to as “you”, “your” or the “Franchisee”. In consideration of the following mutual promises, the parties agree as follows:

1. The Franchise.

1.1 We have developed a unique concept and system (the “**System**”) that is operated through businesses (“**Money Pages Businesses**”) that market, produce and distribute monthly direct-mail coupon magazines (“**Monthly Magazines**”) under the name “Money Pages” and such other trademarks, trade names and service marks as are now designated (and may hereafter be designated by us in writing) as part of the System (the “**Proprietary Marks**”). Before signing this Agreement, you have read our Franchise Disclosure Document (“**FDD**”) and independently evaluated and investigated the risks of purchasing a franchise specifically, including such factors as current and potential market conditions, owning a franchise and various competitive factors. Following your investigation, you wish to enter into this Agreement to obtain a franchise to use (i) the System and (ii) the Proprietary Marks to operate a Money Pages Business for marketing, producing and distributing Monthly Magazines in a designated area (the “**Franchised Business**”).

1.2 We have designed the System so that the public associates the Franchised Business with high quality standards. The System includes, without limitation: (i) the Proprietary Marks; (ii) designated sources and suppliers; (iii) management, sales, personnel and operational training programs, materials and procedures; (iv) standards and specifications for operations, marketing, production and equipment described in our confidential manuals, as amended by us from time to time (collectively, the “**Manual**”); (v) training, expertise, knowledge, confidential information, trade secrets and methods of operating a Money Pages Business; (vi) marketing, advertising and promotional programs; and (viii) other specific processes for development of Monthly Magazines.

2. Grant.

2.1 We grant to you the right, and you hereby undertake the obligation, upon the terms and conditions set forth in this Agreement: (a) to establish and operate the Franchised Business in compliance with all mandatory specification, standards, operating procedures and rules that we periodically prescribe for Money Pages Businesses, and (b) to use the Proprietary Marks and the System solely in connection with operating the Franchised Business.

2.2 Subject to your compliance with all of the terms and conditions of this Agreement and the provisions of Section 2.4 related to National/Regional Account Contracts (defined below), we grant you the exclusive right to operate the Franchised Business solely in connection with (i) the marketing, promotion and sale of advertising and marketing that will appear in Monthly Magazines (the “**Products and Services**”) within the franchise territory (the “**Franchise Territory**”) specified in Attachment 1 and (ii) the marketing, producing and distributing of Monthly Magazines to consumers in the Franchise Territory. The Franchise Territory shown in Attachment 1, dependent on which package you select when

signing, will be at least two mailing zones that each contains up to 35,000 households. We may determine the boundaries of each zone for your Franchise Territory using the most current data from any demographic information provider and/or public information (including public information available on counties, municipalities, zip code, voting districts) we deem appropriate. Each zone of your Franchise Territory may change periodically as the demographics change (e.g. the number of households in your Franchise Territory expands beyond 35,000 households). We will determine the number of households in each zip code in each zone of the Franchise Territory using the most current data from any demographic information provider and/or public information (including public information available on counties, municipalities, zip code, voting districts) we deem appropriate. We have sole discretion in determining the composition and boundaries of each zone and franchise territory in the System (including the Franchise Territory) and we have no obligation to expand or shrink your Territory. Any adjustments to the boundaries of the zones and franchise territories for Money Pages Businesses (including the Franchise Territory) will be adjusted annually on January 1st of each year. We may also adjust the boundaries of your Franchise Territory if you fail to meet the Minimum Performance Standards (defined below) set forth in Section 8.9 below.

2.3 We shall not grant a franchise for a Money Pages Business in the Franchise Territory, nor will we operate a Money Pages Business or distribute Monthly Magazines bearing the Proprietary Marks in the Franchise Territory. You acknowledge that the System may be supplemented, improved and otherwise modified from time to time by us; and you agree to comply with all our reasonable requirements in that regard, including offering and selling new or different products or services as part of the Products and Services offered by the Franchised Business. The Products and Services include premium products designated by us in the Manual (“**Premium Products**”), including detached address label (DAL) cards, inserts, wraps, flyers and menus. You may solicit customers located outside your Franchise Territory with our written consent if the area is not covered by us, one of our affiliates or another System franchisee.

2.4 You must participate in our national account program (“**National/Regional Account Program**”). You acknowledge and agree that we, at our discretion, may change the terms and conditions of the National/Regional Account Program from time to time. You must comply with the following terms and conditions related to the National/Regional Account Program:

2.4.1 The term “**National/Regional Accounts**” means businesses purchasing the Products and Services and which operate in more than one franchise territory or company/affiliate-owned territory. Except as provided below, and subject to other policies and procedures set forth in the Manual, you may not solicit, sell to, or service the National/Regional Account without our prior written consent. We have the right to condition our consent (although we are not obligated to grant our consent) on your agreement to comply with certain requirements and we have the right to withdraw our consent for any or no reason as we deem appropriate. If we withdraw our consent to your providing the Products and Services to one or more National/Regional Accounts, you must cease all solicitation, servicing and/or other activity (including providing the Products and Services) with respect to that National/Regional Account(s) immediately.

2.4.2 We retain the right under all circumstances to provide the Products and Services to any National/Regional Account location, wherever operated, provided, however, we may offer you the responsibility under this Agreement to provide the Products and Services through your Franchised Business that we would like to provide to the National/Regional Account location or locations (as determined by us). If we offer you the opportunity to provide the Products and Services to any National/Regional Account or National/Regional Account location, you must respond to such offer in accordance with the procedures and timeframe set forth in the Manual. If you fail to respond to our offer related

an opportunity to provide the Products and Services to a National/Regional Account or a National/Regional Account location, or you fail to agree to or comply with the terms and conditions that we have established with the National/Regional Account (the “**National/Regional Account Contract**”), you shall be deemed to have forfeited the opportunity related to such National/Regional Account or National/Regional Account location.

2.4.3 Notwithstanding anything in this Section 2.4, if any National/Regional Account wished not to be serviced by the Franchised Business, we (and our affiliates) have the right, or may authorize other System franchisees or third parties, to provide the Products and Services to the locations of the National/Regional Account. If you fail to accept the offer in the manner we specify (including the terms of the National/Regional Account Contract), we (and our affiliates) also have the right, or may authorize other System franchisees or third parties, to provide the Products and Services to the locations of the National/Regional Account. You are not permitted to negotiate the cost for providing the Products and Services to a National/Regional Account under any circumstances or conditions. Our rights to provide the Products and Services directly to National/Regional Accounts under this Section 2.4.3 include the right to place advertising for National/Regional Accounts in the Monthly Magazines for your Franchise Territory under the terms of the National/Regional Account Contracts for such National/Regional Accounts.

2.4.4 If you default under this Agreement for any reason, we may cease to make the National/Regional Account Program available to you.

2.4.5 You shall follow all additional terms, conditions, rules, regulations and procedures set forth in the Manual related to the National/Regional Account Program.

2.5 Except as expressly limited by this Section 2, we and our affiliates retain all rights with respect to Money Pages Businesses, the Proprietary Marks, the System, the Products and Services, the sale of similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire. Specifically, but without limitation, we and our affiliates reserve:

If required by us, you must execute such agreements or acknowledge such policies as we may prepare for use of the Intranet, and you agree at all times to comply;

9.1.2 You will provide us with full access to the Computer System and to all data associated with the operation of the Franchised Business. We will have the right and at any time, to retrieve data and information relating to the operations of the Franchised Business from your Computer System direct access, by internet connection, modem or other requested means, and use it for any reasonable business purpose both during and after the Term. We may specify in the Manual or otherwise in writing the information that you must collect and maintain on the Computer System installed at the Franchised Business, and you must provide to us reports as we may request from the data collected and maintained, which must be in the form and format we designate;

9.1.3 You must keep your Computer System in good maintenance and repair and, at your expense, must promptly install such additions, changes, modifications, substitutions and/or replacements to the Computer System, telephone and power lines and other computer related facilities, as we direct. You will have the sole and complete responsibility for: (a) acquiring, operating, maintaining and upgrading your Computer System; (b) the manner in which your Computer System interfaces with our computer systems and the computer systems of third parties; and (c) any and all consequences that may arise if your Computer

System is not properly operated, maintained or upgraded. We will endeavor to give you four (4) months' advanced notice of any major required upgrade to the Computer System;

9.1.4 We may develop or authorize others to develop software programs or other technology for use in the System, which you may be required to purchase and/or license and use in connection with the Franchised Business and for which you may be required to execute a license, sublicense or maintenance agreement with us or the approved vendor; and

9.1.5 If required by us, you must (i) contract with any service providers designated by us to provide infrastructure, platforms and/or computing services and resources to be used in connection with or as part of the Computer System (e.g. web hosting services, cloud computing services) as required by us in the Manual or otherwise or (ii), if required by us, obtain such services and resources under any contracts or arrangements we establish to obtain such services and resources for the System.

9.2 You must abide by all applicable laws pertaining to the privacy of customers, employees and transactional information ("**Privacy Laws**"). You must also comply with our standards pertaining to privacy information. If there is any conflict between our standards related to privacy information and the Privacy Laws, you must (i) comply with the Privacy Laws, (ii) immediately give us written notice of said conflict and (iii) promptly and fully cooperate with us and our counsel in determining the most effective way, if any, to meet our standards pertaining to privacy information.

9.3 You shall, at all times, maintain credit card relationships with such companies, issuers or sponsors, financial center services and electronic fund transfer systems as we may designate from time to time in order that you may accept customers' credit and debit cards and other methods of payment designated by us ("**electronic payments**"). You agree to comply with our standards for processing electronic payments and any costs to do so are at your expense. You agree to abide by: (a) the Payment Card Industry Data Security Standards ("**PCIDSS**") enacted by the applicable Card Associations (as they may be modified from time to time or as successor standards are adopted); (b) the Fair and Accurate Credit Transactions Act ("**FACTA**"); and (c) all other standards, laws, rules, regulations or any equivalent thereof applicable to electronic payments that may be published from time to time by payment card companies and applicable to electronic payments ("**Electronic Payment Requirements**"). If you are required by one of the credit card companies or another third party (including any governmental body) to provide evidence of compliance with PCIDSS, FACTA, or applicable Electronic Payment Requirements, or upon our request, we may require that you provide, or make available, to us copies of an audit, scanning results or related documentation relating to such compliance. Any costs associated with an audit or to gain compliance with PCIDSS, FACTA or any Electronic Payment Requirements shall be borne by you.

9.4 You are required to notify us immediately if you suspect or become aware of a Security Breach (defined below). With the exception of any required notification to the payment card brands under PCIDSS (or other applicable standards), you agree that we will have the option to notify affected person and regulatory authorities on your behalf in accordance with applicable law. If, after consultation with you, we determine that notification is required or appropriate, you agree that you will bear all costs associated with such notification, which may include, without limitation, any costs for providing credit monitoring to affected person. Upon discovery of a Security Breach, you further agree that you will promptly investigate and remediate, at your expense, the source of such Security Breach. You shall pay all costs we incur (including legal expenses) in connection with responding to any Security Breach at the Franchised Business or involving your operations under this Agreement. For purposes of this Section, a "**Security Breach**" is any known or suspected unauthorized use, theft, access, disclosure, loss or acquisition of any Confidential Information, Manual, any Trade Secrets, your Computer System, the Intranet, or any customer information.

10. Proprietary Marks.

We represent with respect to the Proprietary Marks that:

10.1 An affiliate of ours (“**TM Owner**”) is the registered owner of the Proprietary Marks. Through a license agreement with TM Owner, we hold an exclusive license to use, and to license others to use, the Proprietary Marks in the manner contemplated by this Agreement. We will take all steps reasonably necessary to preserve and protect the ownership and validity in and to the Proprietary Marks.

10.2 Your right to use the Proprietary Marks is limited to such uses as are authorized under this Agreement, and any unauthorized use of the Proprietary Marks will constitute an infringement of our rights and TM Owner’s rights.

10.3 With respect to your use of the Proprietary Marks, you agree to:

10.3.1 Use only the Proprietary Marks designated by us, and to use them only in the manner authorized and permitted by us (including our directions for affixing “SM,” “TM,” or “®” adjacent to all Proprietary Marks);

10.3.2 Use the Proprietary Marks only for the operation and marketing of the Franchised Business;

10.3.3 Operate and advertise the Franchised Business only under the name “MONEY PAGES,” and use the Proprietary Marks without prefix or suffix, unless otherwise authorized or required by us. You must not use the Proprietary Marks (including the MONEY PAGES service marks) or any name that is now, or in the future, used in connection with the System or Money Pages Businesses as part of your entity name or other legal name or to identify you or the Franchised Business in other legal or financial capacity (including in connection with bank checks, bank accounts and other financial accounts), or as part of any e mail address, domain name, URL or other identification of you or the Franchised Business in any electronic medium, unless agreed to in advance, in writing, by us. You may, as necessary to conduct the business of the Franchised Business and to obtain governmental licenses and permits for the Franchised Business, indicate that you will be operating the Franchised Business under the trade name “MONEY PAGES,” provided that you must also clearly identify yourself as the owner and franchisee of the Franchised Business;

10.3.4 Identify yourself as the owner of the Franchised Business (in the manner required by us) in conjunction with any use of the Proprietary Marks, including on invoices, order forms, receipts and business stationery, as well as at such conspicuous locations at the Office;

10.3.5 Not use the Proprietary Marks to incur any obligation or indebtedness on our behalf;

10.3.6 Execute any documents deemed necessary by us to obtain protection for the Proprietary Marks or to maintain their continued validity and enforceability; and

10.3.7 Promptly notify us of any suspected unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to TM

Owner's ownership of, our right to use and to license others to use, or your right to use, the Proprietary Marks. You acknowledge that we and TM Owner have the sole right to direct and control any administrative proceeding or litigation involving the Proprietary Marks, including any settlement thereof. We and TM Owner have the right, but not the obligation, to take action against uses by others that may constitute infringement of the Proprietary Marks. We will defend you against any third-party claim, suit or demand arising out of your use of the Proprietary Marks. If we, in our sole discretion, determine that you have used the Proprietary Marks in accordance with this Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by us, except you will bear the salary costs of your employees. If we, in our sole discretion, determine that you have not used the Proprietary Marks in accordance with this Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by you. In the event of any litigation relating to your use of the Proprietary Marks, you must execute any and all documents and do such acts as may, in our opinion, be necessary to carry out such defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that such litigation is the result of your use of the Proprietary Marks in a manner inconsistent with the terms of this Agreement, we agree to reimburse you for your out of pocket costs in doing such acts.

10.4 You expressly understand and acknowledge that:

10.4.1 TM Owner is the owner of all rights, titles and interests in and to the Proprietary Marks and the goodwill associated with and symbolized by them, and that we and TM Owner have the right to use, and license others to use, the Proprietary Marks;

10.4.2 During the Term and after the expiration or termination of this Agreement, you must not directly or indirectly contest the validity of, or TM Owner's ownership of, or right to use and to license others to use, the Proprietary Marks;

10.4.3 Your use of the Proprietary Marks does not give you any ownership interest or other interest in or to the Proprietary Marks;

10.4.4 Any and all goodwill from your use of the Proprietary Marks will inure solely and exclusively to our and TM Owner's benefit, and upon expiration or termination of this Agreement, no monetary amount will be assigned as attributable to any goodwill associated with your use of the System or the Proprietary Marks;

10.4.5 Except as specified in Section 2 above, the license of the Proprietary Marks granted to you is nonexclusive, and we thus have and retain the rights, among others: (a) to use the Proprietary Marks ourselves in connection with selling products and services; (b) to grant other licenses for the Proprietary Marks; and (c) to develop and establish other systems using the Proprietary Marks, similar proprietary marks or any other proprietary marks, and to grant licenses without providing any rights to you; and

10.4.6 If we decide to change, add or discontinue use of any of the Proprietary Marks, or to introduce additional or substitute proprietary marks for use in identifying the System, the Money Pages Businesses operating under the System, and/or the products and services offered by Money Pages Businesses, you, upon a reasonable period of time after receipt of written notice from us, will take such action, at your sole expense, as is necessary to comply with such changes, alteration, discontinuation, addition or substitution. We will

have no liability for any loss of revenue or goodwill due to any new Proprietary Marks or discontinued Proprietary Marks.

11. Operating Manual.

11.1 In order to protect our reputation and goodwill and to maintain high standards of operation under the System and Proprietary Marks, you must operate the Franchised Business in accordance with the standards, specifications, methods, policies, procedures, guides and written instructions specified in the Manual. We will provide you with access to the Manual, via hardcopy, electronic access (e.g. Intranet) or otherwise, for the Term upon completion of Initial Training by the trainees required under this Agreement. The Manual may be in several volumes, including amendments we may publish. Additionally, you acknowledge and agree that we may provide a portion or all (including updates and amendments) of the Manual and other instructional information and materials in, or via, electronic media, through the use of compact disks, audiotapes, videotapes, DVDs, computer software, e-mail, the Internet or the Intranet. The Manual may include audiotapes, videotapes, DVDs, compact disks, computer software, other electronic media and/or written materials as we designate and choose to provide access.

11.2 You shall treat the Manual, any other materials created for or approved for use in the operation of the Franchised Business, and the information contained therein, as confidential, and shall use all reasonable efforts to maintain such information as secret and confidential. You shall not copy, duplicate, record or otherwise reproduce the foregoing materials, in whole or in part, or otherwise make the same available to any unauthorized person.

11.3 The Manual shall remain our sole property and shall be kept in a secure place at the Office. You must restrict employee access to the Manual on a need to know basis, and take such reasonable steps to prevent unauthorized disclosure or copying of any information in any printed or computerized Manual.

11.4 We may from time to time revise the contents of the Manual, and you expressly agree to comply with each new or changed standard.

11.5 You shall ensure that the Manual is kept current at all times. In the event of any dispute as to the contents of the Manual, the terms of the master copy maintained by us at our office shall be controlling.

12. Confidential Information.

12.1 As used in this Agreement:

12.1.1 “**Confidential Information**” means any information related to the System that we disclose to you that we designate as confidential; or that, by its nature, would reasonably be expected to be held in confidence or kept secret. Without limiting the definition of “Confidential Information,” all the following shall be conclusively presumed to be Confidential Information whether or not we designate them as such: (i) the Manual; (ii) our cost information; (iii) materials describing the System; (iv) our training materials; and (v) other information we give to you in confidence, except where such information is a Trade Secret.

12.1.2 “**Trade Secret**” means information that derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its

disclosure or use. Without limiting the definition of Trade Secrets, all the following shall be conclusively presumed to be Trade Secrets whether or not we designate them as such: (i) our advertising, marketing, and public relations strategies; and (ii) our marketing analyses.

12.1.3 The terms “Confidential Information” and “Trade Secret” do not include, regardless of the means of disclosure: (i) information generally known to the trade or the public at the time we disclose it to you; (ii) information that becomes known to the trade or the public after we disclose it to you, unless it becomes known due to your breach of this Agreement; or (iii) information you can prove was known to you at the time we disclosed it to you.

12.2 You acknowledge and agree that the Confidential Information and Trade Secrets are not, by definition, generally known in the trade; that they are beyond your present skill and experience; and that for you to develop such Confidential Information and Trade Secrets on your own would be expensive, time-consuming, and difficult. You further acknowledge and agree that the Confidential Information and Trade Secrets provide you with a competitive advantage, that they will be economically valuable to you in the development of your Franchised Business, and that gaining access to such Confidential Information and Trade Secrets is therefore a primary reason why you are entering into this Agreement. Accordingly, in consideration of our disclosure of the Confidential Information and Trade Secrets, you covenant, warrant, and agree that:

12.2.1 You will not, during the Term: (i) appropriate or use any Confidential Information or Trade Secret for any purpose other than the operation of your Franchised Business under the System; (ii) disclose or reveal any portion of the Confidential Information (including the Manual) or Trade Secrets to any person, other than to your directors, officers, owners, management employees or others who (a) have a legitimate business need to know of them in order to operate your Franchised Business and (b) have executed the form of Confidentiality Agreement attached to this Agreement as Attachment D or such other form of confidentiality or nondisclosure agreement as we may prescribe from time to time; or (iii) divulge or use any Confidential Information or Trade Secrets for the benefit of any other person or entity except as we expressly authorize. A duplicate original of each Confidentiality Agreement shall be provided by you to us immediately upon execution. Your failure to obtain any Confidentiality Agreement required by this Section 12.2.1 shall constitute a material breach of this Agreement.

12.2.2 You will not, for five (5) years after the termination or expiration of this Agreement for any reason: (i) appropriate or use any Confidential Information for any purpose; or (ii) divulge or use any Confidential Information for the benefit of any other person or entity.

12.2.3 You will not, at any time after the termination or expiration of this Agreement for any reason: (i) appropriate or use any Trade Secret for any purpose; or (ii) divulge or use any Trade Secret for the benefit of any other person or entity.

12.2.4 You will not copy, duplicate, record or otherwise reproduce any of the Confidential Information or Trade Secrets, in whole or in part; store such Confidential Information or Trade Secrets in a computer retrieval or data base; or otherwise make such Confidential Information or Trade Secrets available to any third party, except as we authorize in this Agreement.

12.2.5 You will make all reasonable efforts and take all reasonable precautions required to prevent unauthorized copying or disclosure of any Confidential Information or Trade Secrets; which precautions will include, but will not be limited to, restricting access to the Confidential Information and Trade Secrets on a “need to know” basis.

12.3 You acknowledge and agree that: (i) any breach by you of Section 12.2 of this Agreement shall be conclusively presumed to constitute unfair competition; and (ii) Section 12.2 of this Agreement are a reasonable effort under the circumstances to maintain the confidentiality of our Confidential Information and the secrecy of our Trade Secrets.

12.4 You will promptly and vigorously prosecute, to the fullest extent permitted by law, any and all breaches, by any person required to sign the Confidentiality Agreement attached to this Agreement as Attachment 3, of any of the terms, provisions, covenants, warranties, representations, promises or agreements set forth in the Confidentiality Agreement.

12.5 You must have all your employees not covered by Section 12.2.1 above sign a general confidentiality agreement that specifically identifies us as a third-party beneficiary of such agreement with the independent right to enforce it.

13. Records and Audits.

13.1 You shall record all order, transactions, and sales on a computer system designated by us or on any other equipment specified by us in the Manual or otherwise in writing. You shall prepare, and shall preserve for at least five (5) years from the dates of their preparation, complete and accurate books, records and accounts in the form and manner prescribed by the Manual and any applicable federal, state and local rules, laws, licensing requirements or regulations. You acknowledge and agree that if we are required or permitted by statute, rule, regulation or any other legal requirement to disclose any information regarding you or the operation of the Franchised Business, including, without limitation, earnings or other financial information, we shall be entitled to disclose such information. In addition, you hereby expressly permit us to disclose any such information to potential purchasers (and their employees, agents and representatives) of ours in connection with the sale or transfer of any equity interests or assets of ours or any merger, reorganization or similar restructuring of ours. The reporting requirements in this Section 13 shall be in addition to, and not in lieu of, the electronic reporting requirements in Section 9.

13.2 You shall, at your expense, submit to us in the form prescribed by us, the following reports, financial statements and other data with a statement by you that such materials are true and accurate:

13.2.1 No later than five (5) days after the end of month, you must provide a monthly report accurately reflecting all orders, transactions, contracts and sales during the preceding month;

13.2.2 A statement of local advertising and promotion expenditures made pursuant to Section 14.2 below for each Period (defined below) and fiscal year to date, in a form satisfactory to us, along with invoices documenting such expenditures (if required by us), to be delivered within ten (10) days after the end of each Period;

13.2.3 No later than ninety (90) days after the end of your fiscal year, you must provide us with financial statements prepared and reviewed by an independent certified public accountant, showing the results of operations, including the balance sheet, income

statement and statement of cash flow (and, for each the supporting notes) related to the Franchised Business during the fiscal year; and

13.2.4 Such other forms, reports, records, information and data as we may reasonably designate in the Manual or otherwise in writing.

13.3 We or our agents shall have the right at all reasonable times to examine and copy, at our expense, your books, records, accounts and tax returns. If an inspection or audit reveals that you have understated payments in any report to us, you shall immediately pay us the amount understated, in addition to interest provided for in Section 5.4 above. In this event, we may also require that all of your future annual financial statements be audited at your expense by an independent certified public accounting firm you select and we approve. If an inspection or audit discloses an underpayment in any information or report of three percent (3%) or more, you shall, in addition to paying the understated amount with interest, reimburse us for our costs and expenses in connection with the inspection or audit, including reasonable legal and accounting fees. These remedies supplement any others we may have under this Agreement.

14. Marketing and Promotions.

Recognizing the value of marketing and promotion, and the importance of the standardization of marketing and promotion programs to the furtherance of the goodwill and public image of the System, we agree as follows:

14.1 We have established a marketing fund for the System (the “**Fund**”). During the Term, you shall make the monthly Marketing Fund Contribution in accordance with Section 5.2.3. The Fund shall be maintained and administered by us as follows:

14.1.1 We shall direct all marketing programs, with sole discretion over the concepts, materials, and media used in such programs and the placement and allocation thereof. We are not obligated, in administering the Fund, to make expenditures for you which are equivalent or proportionate to your contribution, or to ensure that any particular System franchisee benefits directly or pro rata from expenditures by the Fund;

14.1.2 Marketing Fund Contributions are not held by us in trust and we do not have any fiduciary obligation to you with respect to contribution to the Fund. Your Marketing Fund Contributions are non-refundable and, once received by us, will be used in accordance with this Agreement;

14.1.3 The Fund, all contributions thereto, and any earnings thereon, shall be used exclusively to meet any and all costs of (i) maintaining, administering, directing, conducting and preparing marketing, advertising, public relations, and/or promotional programs and materials, and (ii) any other activities, which we believe will enhance the image of the System, Money Pages Businesses, the Proprietary Marks and products and services offer under the System, including, among other things, the costs of preparing and conducting media marketing campaigns (including social media); reasonable salaries and benefits for personnel who manage and administer the Fund; direct mail advertising; marketing surveys and other public relations activities; employing advertising and/or public relations agencies to assist therein; sponsorship of organizations and events, including without limitation athletic teams, fund raising activities, tournaments and other similar activities; purchasing promotional items; conducting and administering local promotions; and providing

promotional and other marketing materials and services to Money Pages Businesses operating under the System;

14.1.4 You shall contribute to the Fund by making Marketing Fund Contributions made payable (or as otherwise directed for payment) to us. All sums paid by you to the Fund shall be accounted for separately and shall not be used to defray any of our expenses, except for such reasonable costs and overhead as we may incur in activities related to the direction and implementation of the Fund and marketing programs for System franchisees and the System, including costs of personnel for creating and implementing marketing, advertising and promotional programs. We shall maintain separate bookkeeping accounts for the Fund. We, upon request, shall provide you with an annual accounting of Fund receipts and disbursements; and

14.1.5 We have the right, but no obligation, to use collection agents and institute legal proceedings at the Fund's expense to collect Fund contributions. We also may forgive, waive, settle, and compromise all claims by or against the Fund. Except as expressly provided in this Section 14.1.5, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Fund. We may at any time defer or reduce contributions of a System franchisee and, upon thirty (30) days' prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will distribute all unspent monies to System franchisees, and to us and our affiliates, in proportion to their, and our, respective Fund contributions during the preceding twelve (12) month period.

14.2 With respect to "local advertising and promotion" for the Franchised Business, you shall comply with the following:

14.2.1 Starting the month of the Commencement Date through the remainder of the Term, you shall spend at least an average of two hundred fifty dollars (\$250) per month on local advertising and promotion in accordance with this Section 14.2 and the Manual. For purposes of measuring compliance with the obligations in the previous sentence, your monthly local advertising and promotion activities will be evaluated on the first six-month period of each calendar year ending on June 30th and the second six-month period of each calendar year ending on December 31st (each, a "**Period**"). After the Commencement Date, you must (i) spend at least one thousand five hundred dollars (\$1,500) during each Period on local advertising and promotion and (ii) submit to us detail reports fifteen (15) days following each Period, in accordance with the procedures set forth in Section 13.2.2 or as otherwise specified by us, describing the amount of money expended on advertising, marketing and promotion during such Period (or other time period specified by us). If you fail to spend the required amount in any Period, such failure shall be a default under this Agreement. Additionally, at our request or as we may specify in the Manual, you shall submit bills, statements, invoices or other documentation satisfactory to us to evidence your advertising or marketing activities;

14.2.2 As used in this Agreement, the term "local advertising and promotion" shall refer to advertising and promotion related directly to the Franchised Business, and shall, unless otherwise specified, consist only of the direct costs of purchasing advertising materials, media (space or time), promotion, direct out of pocket expenses related to costs of advertising and sales promotion, and such other activities and expenses as we, in our sole

discretion, may specify. We may provide to you, in the Manual or otherwise in writing information specifying the types of advertising and promotional activities and costs which shall not qualify as “local advertising and promotion;” and

14.2.3 Upon written notice to you, we may require you to participate in mandatory promotions as we may develop and implement from time to time.

14.3 We shall have the right to designate any geographical area for purposes of establishing a market advertising fund (“**Cooperative**”). If a Cooperative is established for the geographic area in which the Franchised Business is located, you shall become a member of such Cooperative within thirty (30) days after the date on which the Cooperative commences operation. In no event shall you be required to be a member of more than one Cooperative in connection with the Franchised Business. Each Cooperative shall be organized and governed in a form and manner prescribed or approved by us in writing. Any disputes arising among or between you, other System franchisees in the Cooperative, and/or the Cooperative, shall be resolved in accordance with the rules and procedures set forth in the Cooperative’s governing documents (and, if the Cooperative’s governing documents do not resolve the issue, we have a right to resolve the issue and our determination shall be final). You shall submit to the Cooperative, at such times determined by us, amounts designated by us which amounts shall count toward the local advertising and promotion expenditure you are required to spend as provided in Section 14.2. With such Cooperative contributions, you must submit such statements or reports as may be required by us, or by the Cooperative with our prior written approval.

14.4 All marketing and promotion to be used by you, the Fund or a Cooperative shall be in such media and geographic scope, and of such type and format as we may approve, shall be conducted in a dignified manner, and shall conform to such standards and requirements as we may specify in the Manual or otherwise. In connection with all direct mail or distribution marketing campaigns, you and all Cooperatives must obtain our approval of the geographic scope or zip codes covered by such campaigns. Marketing and promotion by e-mail or other electronic media is subject to the provisions of this Section 14.4. You shall not use any marketing or promotional plans or materials that are not provided by us unless and until you have submitted the materials to us, pursuant to the procedures and terms set forth in Section 14.6 herein.

14.5 We may make available to you from time to time, marketing plans and promotional materials, including newspaper mats, coupons, merchandising materials, sales aids, point of purchase materials, special promotions, direct mail materials and similar marketing and promotional materials produced from contributions to the Fund; provided that you acknowledges and agrees that it shall be reasonable for us to not provide any such materials to you during any period in which you are not in full compliance with your obligations to contribute to the Fund or in which we do not require contributions from you.

14.6 If you desire to use marketing and promotional plans and materials that have not been provided or previously approved by us, you shall submit samples of all such marketing and promotional plans and materials to us (as provided in Section 24 herein) for prior approval (except with respect to prices to be charged). If written notice of approval is not received by you from us within ten (10) business days of the date of receipt by us of such samples or materials, we shall be deemed to have disapproved them. All sales/marketing and collateral materials you use in connection with the operation and promotion of the Business that contain the Proprietary Marks must be designed by us. However, you may elect to have such materials printed by us or a vendor of your choosing.

14.7 You specifically acknowledge and agree that any Website (as defined below) shall be

deemed “advertising” under this Agreement, and will be subject to (among other things) our approval under the provisions of Section 14.6 above. As used in this Agreement, the term “**Website**” means an interactive electronic document, series of symbols or otherwise, that is contained in a network of computers linked by communications software or other technology. The term Website includes, but is not limited to, Internet and World Wide Web home pages. In connection with any Website, you agree to the following:

14.7.1 We shall have the right, but not the obligation, to establish and maintain a Website, which may, without limitation, promote the Proprietary Marks, any or all of the products and services offered under the System, Money Pages Businesses, the franchising of Money Pages Businesses and/or the System (“**System Website**”). We shall have the sole right to control all aspects of the System Website, including, without limitation, the System Website’s design, content, functionality, links to the Websites of third parties, legal notices, and policies and terms of usage. We shall also have the right to discontinue operation of the System Website at any time;

14.7.2 You shall not establish a separate Website that displays or uses the Proprietary Marks, or any marks confusingly similar thereto, or that refers to this Agreement, you, the Franchised Business, the Products and Services, us or the System. If you register any domain name in violation of this Section 14.7, in addition to all our other rights and remedies under this Agreement, we shall have the right to require you to transfer any such registration(s) to us or our designee, at your expense;

14.7.3 We shall have the right, but not the obligation, to designate one or more web page(s) to describe you and/or the Franchised Business (“**Unit WebPage(s)**”), with such Unit Webpage(s) to be located within the System Website. You shall comply with our policies with respect to the creation, maintenance and content of any such Unit WebPage(s); and we shall have the right to refuse to post and/or discontinue posting any content and/or the operation of any Unit WebPage(s). If we make available Unit WebPage(s) to be used for offer, selling and providing Products and Services, we will designate policies and procedures for Royalty Fees and Marketing Fund Contributions based on Products and Services offered, sold and provided through the Unit WebPage(s); and

14.7.4 We reserve the sole and exclusive right to conduct and manage all marketing on the Internet or other electronic medium, including all websites and “social media” marketing related to the System and Money Pages Businesses. You may not conduct any online marketing or establish any website or social media presence without our prior written consent. We retain the right to approve any linking to or other use of the System Website. You must comply with any Internet and social media policy that we prescribe from time to time, including prohibitions on your owners and employees from posting or blogging comments about the Franchised Business, other Money Pages Businesses and/or the System. “Social media” includes personal blogs, common social networks like Facebook, professional networks like LinkedIn, live-blogging tools like Twitter, virtual worlds, file, audio and video-sharing sites like Instagram, and other similar social networking or media sites or tools.

14.7.5 We shall have the right to modify our policies and requirements regarding Websites as we may determine is necessary or appropriate.

14.8 You acknowledge and agree that any and all copyrights in and to advertising and promotional materials developed by or on behalf of you which bear the Proprietary Marks shall be our sole

property, and you agree to execute such documents (and, if necessary, require your independent contractors to execute such documents) as may be deemed reasonably necessary by us to give effect to this provision. Any advertising, marketing, promotional, public relations, or sales concepts, plans, programs, activities, or materials proposed or developed by you for the Franchised Business or the System and approved by us may be used by us and other System franchisees without any compensation to you.

14.9 Franchisor reserves the right to create (and if created, the right to change or dissolve) a franchisee advisory council as a formal means for System franchisees to communicate ideas. In the event a franchisee advisory council is created, Franchisor may invite Franchisee to participate in council-related activities and meetings, which invitation may be based on a franchisee's level of success, superior performance and studio profitability.

15. Insurance.

15.1 You must procure, before the commencement of any operations under this Agreement, and must maintain in full force and effect at all times during the Term, at your expense, (a) comprehensive general liability insurance (including public liability coverage, personal injury coverage, vehicular coverage, property damage coverage, business interruption coverage, and specialty coverage) in an amount not less than \$1,000,000 combined single limit, protecting you and us against any demand or claim with respect to personal injury, death or property damage, or any loss, liability or expense whatsoever arising or occurring upon or in connection with the Franchised Business; (b) underinsured/uninsured automobile liability insurance in amounts prescribed or required by applicable law; and (c) workers' compensation insurance in amounts prescribed or required by applicable law. We may periodically require additional coverage and/or higher policy limits, as set forth in the Manual from time to time. All policies must reflect industry standards, be written by responsible carrier(s) acceptable to us, name us and our affiliates as additional insureds, and provide at least the types and minimum amounts of coverage as are specified in the Manual, which may be modified by us from time to time.

15.2 Your obligation to obtain and maintain the policy or policies in the amounts specified in the Manual will not be limited in any way by reason of any insurance which may be maintained by us, nor will your performance of that obligation relieve you of liability under the indemnity provisions in Section 22.4 below.

15.3 Before the commencement of any operations under this Agreement, and thereafter on an annual basis, you must deliver to us Certificates of Insurance evidencing the proper types and minimum amounts of coverage are in force. You must also maintain Certificates of Insurance evidencing the required types and minimum amounts of coverage at the Franchised Business and furnish to us a copy. All Certificates of Insurance must expressly provide that no less than thirty (30) days' prior written notice must be given to us in the event of material alteration to or cancellation of any coverage evidenced by such Certificates.

15.4 Our insurance specifications are only minimum requirements and you should consult with an insurance representative to determine if any additional insurance is advisable for your Franchised Business. Should you, for any reason, fail to procure or maintain the insurance required by this Agreement, as such requirements may be revised by us in the Manual or otherwise in writing, we will have the right and authority (but not the obligation) to procure such insurance and to charge same to you, which charges, together with a reasonable fee for our expenses in so acting, will be payable by you immediately upon notice. The foregoing remedies will be in addition to any other remedies we may have.

16. Transfer.

16.1 We have the right to transfer or assign our rights or obligation under this Agreement to any person or entity and our interest will bind and inure to the benefit of any transferee, successor or assignee. After our transfer or assignment of this Agreement to a person or entity who expressly assumes the obligations under this Agreement, we will have no further obligation under this Agreement. You further agree and affirm that we may sell ourselves, our assets, the Proprietary Marks and/or the System to a third party; may go public, may engage in private placement of some or all of our securities; may merge, acquire other corporations or be acquired by another corporation; and/or may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. You further agree and affirm that we have the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or noncompetitive franchise network, chain or any other business regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses as Money Pages Businesses operating under the Proprietary Marks or any other marks following our purchase, merger, acquisition or affiliation, regardless of the location of these facilities, which you acknowledge may be proximate to any Money Pages Business. With regard to any of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of our name, the Proprietary Marks (or any variation thereof) and the System and/or the loss of association with or identification with us under this Agreement.

16.2 You understand and acknowledge that we have granted this franchise in reliance on your (or, if you are a corporation, partnership or limited liability company, your principals') business skill, financial capacity and personal character. Accordingly, neither you, nor any individual, partnership, corporation, limited liability company or other legal entity which directly or indirectly owns any interest in you or in the Franchised Business shall sell, assign, transfer, convey, pledge, encumber, merge or give (collectively, "**transfer**") away any direct or indirect interest in you (including any direct or indirect interest in you if you are a corporate, partnership or limited liability company), in the Franchised Business, or in all or substantially all of the assets of the Franchised Business, without our prior written consent.

16.3 You shall notify us in writing of any proposed transfer of any direct or indirect interest in this Agreement, in you, in the Franchised Business, or in all or substantially all of the assets of the Franchised Business at least ninety (90) days before such transfer is proposed to take place. We shall review any proposed transfer to determine whether the proposed terms and transferee(s) meets our standards. If a transfer, alone or together with other previous, simultaneous or proposed transfers, would have the effect of changing control of you, results in the assignment of your rights and obligations under this Agreement or transfers the ownership interest in the Franchised Business or all or substantially all of the assets of the Franchised Business, we may, in our sole discretion, require any or all of the following as conditions of our approval:

16.3.1 That you shall not have any past due monetary obligations or other outstanding obligations to us, our affiliates, the approved suppliers of the System, or the lessor (or sublessor) of the Office;

16.3.2 That you shall not be in default of any provision of this Agreement, or successor hereto, or any other agreement between you and us, or our affiliates, the approved suppliers of the System, or the lessor (or sublessor) of the Office; and you shall have substantially complied with all the terms and conditions of such agreements during the terms thereof;

16.3.3 That each transferor and transferee (and, if the transferor/transferee is other than an individual, the transferor/transferee and such owners of beneficial interest in the transferor/transferee as we may request) shall execute a general release, in a form prescribed

by us, of any and all claims against us and our affiliates, and our/their respective officers, directors, agents, and employees;

16.3.4 Additionally, at our option, the transferee shall execute, for a term ending on the expiration date of this Agreement, the form of franchise agreement then being offered to new System franchisees, and such other ancillary agreements required by us for the Franchised Business, which agreements shall supersede this Agreement and its ancillary documents in all respects, and the terms of which may differ from the terms of this Agreement, including, without limitation, a higher royalty fees and marketing fund contributions, provided, however, that transferee shall not have to pay an initial franchise fee. If the transferee is other than an individual, the owners of beneficial interest in the transferee as we may request, shall guarantee the performance of the transferee's obligations under the form of franchise agreement then being offered to new System franchisees based on the documentation that we require in connection with the transfer;

16.3.5 That the transferee demonstrate to our satisfaction that the terms of the proposed transfer do not place an unreasonable financial or operational burden on the transferee or the transferee's ability to operate the Franchised Business, and that the transferee (or, if the transferee is other than an individual, such owners of beneficial interest in the transferee as we may request) meets our then current educational, managerial and business standards (including a demonstration of competence with respect to computer applications, verbal and written language skills, mathematical applications and ability to prepare a business plan); possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate the Franchised Business (as may be evidenced by prior related business experience or otherwise) and absence of conflicting interests; and has adequate financial resources and capital to operate the Franchised Business. If the transferee is already a System franchisee, transferee must also meet the current standards for new System franchisees; have the ability to operate multiple Money Pages Businesses; have existing Money Pages Businesses that are proximate to the Franchised Business that is being transferred; have a history of compliance with all franchise agreements and other agreements between you and us and our affiliates; and have a record of good customer service and compliance with system standards satisfactory to us;

16.3.6 If the Franchised Business does not comply with the requirements for new Money Pages Business, that the transferee shall, at transferee's expense and in a manner satisfactory to us, refurbish, refresh and renovate the Franchised Business, and expend such funds as we require in doing so, to conform to the supplies, furnishings, equipment, trade dress, color schemes, and presentation of the Proprietary Marks to the image then in effect for new Money Pages Businesses;

16.3.7 That you remain liable for all of the obligations to us in connection with the Franchised Business which arose prior to the effective date of the transfer and execute any and all instruments reasonably requested by us to evidence such continuing liability;

16.3.8 That the transferee (and, if the transferee is other than an individual, such owners of beneficial interest in the transferee as we may require) and any business manager successfully complete any training programs then in effect for System franchisees and managers upon such terms and conditions, including payment to us for such training programs, as we may reasonably require;

16.3.9 That you pay a transfer fee in an amount of thirty percent (30%) of our then-current initial franchise fee. In the case of a transfer to a corporation (or other entity) formed by you for the convenience of ownership, however, the transfer fee for such transfer shall be reduced to one thousand two hundred dollars (\$1,200);

16.3.10 That you and the transferee satisfy all of the conditions for our consent to the transfer and consummate the transfer within thirty (30) days of the date on which the transferee completes the training requirements described in Section 16.3.8 hereof; and

16.3.11 That transferor(s) shall agree in writing to comply with the covenants set forth in Section 19 below.

16.4 For any transfer not included in Section 16.3, each transferee shall, in addition to the requirement of obtaining our consent as provided in Section 16.2, be subject to the requirements of Sections 16.3.3 and 16.3.4 (with respect to execution of personal guarantees) above.

16.5 Neither you nor any Owner shall grant a security interest in, or otherwise encumber, any of your assets or securities, including the Franchised Business unless you satisfy our requirements. Such requirements may include, without limitation, execution of an agreement by the secured party in which it acknowledges the creditor's obligations under this Section 16, and agrees that in the event of any default by you under any documents related to the security interest, we shall have the right and option (but not the obligation) to be substituted as obligor to the secured party and to cure any default of you, and, in the event we exercises such option, any acceleration of indebtedness due to your default shall be void.

16.6 If any party holding any direct or indirect interest in this Agreement, in you, in the Franchised Business or in all or substantially all of the assets of the Franchised Business desires to accept any bona fide offer from a third party to purchase such interest, you shall notify us as provided in Section 16.3 hereof, and shall provide such information and documentation relating to the offer as we may require (e.g. term sheet, letter of intent, proposed asset purchase agreement). We shall have the right and option, exercisable within thirty (30) days after receipt of the written transfer request and the required information and documentation related to the offer (including any information that we may reasonably request to supplement or clarify information provided to us with the written transfer request), to send written notice to the seller that we intend to purchase the seller's interest on the same terms and conditions offered by the third party; provided, however, a spouse, domestic partner, parent or child of the seller shall not be considered a third party for purposes of this Section 16.6. If we elect to purchase the seller's interest, closing on such purchase shall occur within forty-five (45) days from the date of notice to the seller of the election to purchase by us, or, if longer, on the same timetable as contained in the bona fide offer. If we elect not to purchase the seller's interest, any material change thereafter in the terms of the offer from the third party or by you, or a change in the identity of the third party shall constitute a new offer subject to the same rights of first refusal by us as in the case of the third party's initial offer. If the sale to the purchaser is not completed within one hundred twenty (120) days after delivery of the offer, we shall again have the right of first refusal under this Section 16.6. Our failure to exercise the option afforded by this Section 16.6 shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section 16, with respect to a proposed transfer.

16.7 Upon the death or incapacity of any person with an interest in this Agreement, in you, in the Franchised Business, or in all or substantially all of the assets of the Franchised Business, the executor, administrator or personal representative of such person shall transfer such interest to a third party approved by us within three (3) months after such death or incapacity. Such transfers, including transfers by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer except no transfer fee will

be required. In the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section 16, the executor, administrator or personal representative of the decedent shall transfer the decedent's interest to another party approved by us within six (6) months of us providing notice to the executor, administrator or personal representative that the heirs or beneficiaries do not meet the conditions of Section 16, which disposition shall be subject to all the terms and conditions for transfers contained in this Agreement. If the interest is not disposed of within such six (6)-month period, we may terminate this Agreement, pursuant to Section 17.2.6 hereof.

16.8 Our consent to any transfer pursuant to this Section 16 shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be a waiver of our right to demand exact compliance with any of the terms of this Agreement by the transferor or transferee.

16.9 All materials required for any offering of securities or partnership interests in you by federal or state law shall be submitted to us by the offeror for review prior to filing with any government agency; and any materials to be used in any exempt offering shall be submitted to us for review prior to their use. No offering shall imply, by use of the Proprietary Marks or otherwise, that we are participating in an underwriting, issuance or offering of securities of either you or your affiliates; and review by us of any offering shall be limited solely to the subject of the relationship between you and us. At our option, we may require the offering materials to contain written statements or disclaimers prescribed by us including, but not limited to, any limitations stated above in this Section. You and the other participants in the offering must fully indemnify us in connection with the offering. For each proposed offering, you shall reimburse us for our actual costs and expenses associated with reviewing the proposed offering materials, including legal and accounting fees. You shall give us written notice at least ninety (90) days prior to the date of commencement of any offering or other transaction covered by this Section 16.9. Any such offering shall be subject to our prior written consent and right of first refusal as provided in Sections 16.2, 16.3, 16.4 and 16.6, respectively, hereof.

16.10 If you are a corporation, partnership or limited liability company: (1) an original shareholder, partner or member approved by us must at all times during the Term have a controlling interest in you; and (2) you shall require each shareholder, partner or member (as the case may be) holding an interest in you to execute a covenant with us agreeing not to transfer any interest in you in violation of the terms of this Agreement.

16.11 If you or any person holding any interest (direct or indirect) in you becomes a debtor in a proceeding under the U.S. Bankruptcy Code or any similar law in the U.S. or elsewhere, it is the parties' understanding and agreement that any transfer of the ownership of you, your obligations and/or rights hereunder and/or any material assets of you, shall be subject to all of the terms of this Section 16.

16.12 Notwithstanding anything to the contrary in this Agreement, no transfer shall be made if the transferee (including transferee's shareholders, partners and members), any of transferee's affiliates, or the funding sources for either is a person or entity designated with whom we, or any of our affiliates, are prohibited by law from transacting business.

17. Termination.

17.1 You shall be deemed to be in default under this Agreement, and all rights granted to you herein shall automatically terminate without notice to you, if you shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by you or such a petition is filed against and not promptly opposed by you; if you are adjudicated a bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver of yours or other custodian for your business or assets

is filed and consent to by you; if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law should be instituted by or against you; if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless superseded bond is filed); if you are dissolved; if execution is levied against your business or property; if suit to foreclose any lien or mortgage against the Franchised Business is instituted against you and not dismissed within thirty (30) days; or if the real or personal property of the Franchised Business shall be sold after levy thereupon by any sheriff, marshal or constable.

17.2 Upon the occurrence of any of the following events of default, we may, at our option, terminate this Agreement and all rights granted hereunder, without affording you any opportunity to cure the default, effective immediately upon the provision of notice to you (in the manner provided under Section 24 hereof):

17.2.1 If you fail to complete the initial training program described in Section 6.1 above to our satisfaction or fail to commence operating the Franchised Business within the timeframe set forth in Section 7.2;

17.2.2 If you at any time (i) cease to operate or otherwise abandon the Franchised Business, (ii) otherwise forfeit the right to do or transact business in the Franchise Territory where the Franchised Business is authorized to develop or (iii) fails to publish a Monthly Magazine after the first Monthly Magazine is published;

17.2.3 If you are convicted of a felony, a crime involving moral turpitude, or any other crime or offense that we believe is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated the System, Property Marks, us, or our interest in the System or Proprietary Marks;

17.2.4 If you fail to obtain or should you lose any appropriate permits, certificates, licenses and training which may be required by us and governmental and regulatory agencies to operate the Franchised Business;

17.2.5 If any purported assignment or transfer of any direct or indirect interest in this Agreement, in you, in the Franchised Business or in all or substantially all of the assets of the Franchised Business is made to any third party without our prior written consent, contrary to the terms of Section 16 hereof;

17.2.6 If an approved transfer is not effected within the time provided following death or mental incapacity, as required by Section 16.7 hereof;

17.2.7 If you fail to comply with the covenants in Section 19 hereof or fail to obtain execution of the covenants required under Section 19.8 hereof;

17.2.8 If, contrary to the terms of Sections 11 and 12 hereof, you or any of your owners or employees disclose or divulge Trade Secrets, the contents of the Manual, Trade Secrets or other Confidential Information provided to you by us or you fail to obtain executed Confidentiality Agreement as required under Section 12.2;

17.2.9 If you knowingly maintain false books or records, or submit any false reports to us;

17.2.10 If you are involved in misappropriating monies or engage in unauthorized activities;

17.2.11 If you misuse or make any unauthorized use of the Proprietary Marks or any other identifying characteristics of the System, or otherwise materially impair the goodwill associated therewith or our rights therein;

17.2.12 If after notice of default, you and/or your affiliate(s) fail to cure a default for your and/or your affiliate(s)'s breach of any other franchise agreement or other agreement with us or our affiliate(s), unless cured within any applicable notice or grace periods contained in such agreement;

17.2.13 If you, upon receiving a notice of default under Section 17.3 or 17.4 hereof, fail to initiate immediately a remedy to cure such default; or

17.2.14 If you, after curing a default pursuant to Section 17.3 hereof, commit the same default again, whether or not cured after notice.

17.3 Upon the occurrence of any of the following events of default, we may, at our option, terminate this Agreement by giving written notice of termination (in the manner set forth under Section 24 hereof) stating the nature of the default to you at least seven (7) days prior to the effective date of termination; provided, however, that you may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing proof thereof to us within the seven (7) day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to you, effective immediately upon the expiration of the seven (7) day period or such longer period as applicable law may require.

17.3.1 If you fail, refuse or neglect promptly to pay any monies owing to us or our affiliates when due;

17.3.2 If you refuse to permit us to inspect the Office, or books, records or accounts of the Franchised Business upon demand;

17.3.1 If you receive an excessive amount of customer complaints against the Franchised Business and/or you and an investigation by us determines these complaints to be warranted;

17.3.2 If you fail to operate the Franchised Business during such days and hours specified in the Manual;

17.3.3 If you fail to satisfy the Minimum Performance Standards; or

17.3.4 If you fail, refuse or neglect promptly to submit Certificates of Insurance to us when due as required under Section 15.

17.4 Except as otherwise provided in Sections 17.1, 17.2 and 17.3 of this Agreement, upon any other default by you, we may terminate this Agreement by giving written notice of termination (in the manner set forth under Section 24 hereof) stating the nature of the default to you at least thirty (30) days prior to the effective date of termination; provided, however, that you may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing

proof thereof to us within the thirty (30) day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to you, effective immediately upon the expiration of the thirty (30) day period or such longer period as applicable law may require.

17.5 You acknowledge that upon your failure to remedy any default specified in any written notice issued to you under Sections 17.2, 17.3 or 17.4, we have the right to (i) cease providing any operational support or services until you comply, to our satisfaction, with the written notice, (ii) suspend access and use of the Manual, System Website (including removing you and the Franchised Business from the System Website), Unit WebPage(s), Intranet, and/or any other Website that lists Money Pages Businesses or is used by Money Pages Businesses, and (iii) ceasing providing products, services and support to you and/or ceasing having our affiliates and suppliers provide products, services and support to you. If we exercise our right to suspend your rights, we will only do so after your cure period (if any) under the written notice of default has expired. You agree that our exercise of these rights will not constitute an actual or constructive termination of this Agreement nor will it constitute our sole and exclusive remedy. If we exercise our right not to terminate this Agreement but to implement such suspension and/or removal, we reserve the right at any time after the appropriate cure period (if any) under the written notice has lapsed, to, upon written notice to you, terminate this Agreement without giving you any additional corrective or cure period. During any period of suspension, all fees due under this Agreement shall continue to be payable by you. Additionally, if you are in default under this Agreement, we have the right to withhold or condition our consent or approval if needed until you cure all defaults. Our election to suspend your rights as provided above shall not be a waiver by us of any breach of this Agreement or any other term, covenant or condition of this Agreement.

17.6 We (or a third party) may assume the Franchised Business' management under the following circumstances: (1) if you abandon or fail actively to operate the Franchised Business; or (2) if you fail to comply with any provision of this Agreement and do not cure the failure within the time period we specify in our notice to you. If we exercise our rights under this Section 17.6, that will not affect our right to terminate this Agreement under Sections 17.1, 17.2, 17.3 and 17.4 above. We have the right (but not the obligation), under the circumstances described above, to assume the Franchised Business' management (or to appoint a third party to assume its management) for any period of time we deem appropriate. If we (or a third party) assume the Franchised Business' management under this Section 17.6, you agree to pay us (in addition to the amounts due under this Agreement) ten percent (10%) of the total revenue of the Franchised Business, plus our (or the third party's) direct out-of-pocket costs and expenses, after we assume management. If we (or a third party) assume the Franchised Business' management, you acknowledge that we (or the third party) will have a duty to utilize only reasonable efforts and will not be liable to you or your owners for any debts, losses, or obligations the Franchised Business incurs, or to any of your creditors for any supplies, products, or other assets or services the Franchised Business purchases, while we (or the third party) manage it.

17.7 If we terminate this Agreement under Section 17 or you terminate this Agreement without the contractual right to do so, we shall be entitled, as a termination fee and not as a penalty and solely to compensate us for damages solely due to your failure to continue operating the Franchised Business for the remainder of the Term of this Agreement, to a sum equal to twenty-five thousand dollars (\$25,000). This termination fee provision will not limit our rights to injunctive relief for violations of Sections 12, 18 and 19, nor for any damages available to us arising out of such violations. You acknowledge and agree that (a) a precise calculation of the full extent of the damages that we will incur on premature termination of this Agreement as a result of your default is difficult to determine; and (b) the amount of the termination fee set forth above reasonably represents our monetary losses of Royalty Fees resulting from the premature termination of this Agreement. The Termination Fee is not exclusive of any other remedies that we may have, including attorneys' fees and costs.

17.8 If you terminate this agreement without the contractual right to do so, you must provide us notice of at least sixty days (60) prior to the effective date of any such termination. If you fail to provide us with sixty (60) days prior notice of any such termination, in addition to the termination fee as described in Section 17.7, we shall further be entitled, as additional damages and not as a penalty, to collect an additional sum equal to all monthly fees described in Section 5 that would have otherwise been payable during the sixty (60) days following such termination had you not terminated this Agreement.

18. Obligations Upon Termination or Expiration.

Upon termination or expiration of this Agreement, all rights granted hereunder to you shall forthwith terminate, and:

18.1 You shall immediately cease to operate the Franchised Business, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former System franchisee.

18.2 You shall immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the System; the Proprietary Marks; and distinctive forms, slogans, signs, symbols and devices associated with the System. In particular, you shall cease to use, without limitation, all signs, advertising materials, displays, stationery, forms, products and any other articles which display the Proprietary Marks.

18.3 You shall immediately and permanently cease to use all copyrights, trademarks, trade names and patents related to the System or Money Pages Business, or any marks, logos, words or phrases confusingly similar thereto or colorable imitations thereof.

18.4 You shall immediately and permanently cease to use all customer and client lists developed or used in the Franchised Business and you acknowledge that such lists are assets of ours.

18.5 You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion thereof, which, in our sole discretion, is likely to cause confusion, mistake or deception, or which, in our sole discretion, is likely to dilute our rights in and to the Proprietary Marks. You further agree not to utilize any designation of origin, description or representation (including but not limited to reference to us, the System, or the Proprietary Marks) which, in our sole discretion, suggests or represents a present or former association or connection with us, the System or the Proprietary Marks.

18.6 You shall promptly pay all sums owing to us and our affiliates. In the event of termination for any default by you, such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by us as a result of the default.

18.7 You shall immediately deliver to us the Manual and all other records, including computer databases and files, correspondence and instructions containing Confidential Information or Trade Secrets relating to the operation of the Franchised Business (and any copies thereof, including electronic or computer generated copies, even if such copies were made in violation of this Agreement), all of which are acknowledged to be our property.

18.8 You shall comply with the covenants contained in Section 19 of this Agreement.

18.9 You acknowledge that all telephone numbers, directory listings, e-mail addresses, domain

names (if and as permitted), social media pages, and other means of communication used in connection with operation of the Franchised Business or that relate to the Franchised Business (collectively, the **“Contact Vehicles”**) constitute assets of the System; and upon termination or expiration of this Agreement, you shall assign to us or our designee, all your right, title, and interest in and to the Contact Vehicles and shall notify the telephone company, all listing agencies, and any other party with which a Contact Vehicle is registered of the termination or expiration of your right to use any Contact Vehicle, and shall authorize a transfer of same to, or at the written direction of, us.

19. Covenants.

19.1 You covenant that, during the Term, except as otherwise approved in writing by us or as specified in the Manual, you (or, if you are a corporation, limited liability company or partnership, your Designated Owner) shall devote his or her full-time and best efforts to the management and operation of the Franchised Business.

19.2 You specifically acknowledge that, pursuant to this Agreement, you will receive valuable specialized training, Confidential Information and Trade Secrets, including, without limitation, information regarding the operational, sales, promotional and marketing methods and techniques of ours and the System. **“Competitive Business”** means an activity involving or engaging in the marketing, promotion or sale of (i) Products and Services which are the same as or similar to the products or services being offered by Money Pages Businesses under the System, (ii) coupon advertizing distributed over the internet (or similar electronic medium) from or thought anywhere other than a Website of ours, or (iii) any advertising product which consists of advertisements for more than one advertiser which are physical delivered by any mail service or otherwise to consumers. In recognition and in consideration for these and other benefits, you covenant that during the Term, except as otherwise approved in writing by us, you shall not either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or legal entity:

19.2.1 Divert or attempt to divert any present or prospective business, customer or clients of any Money Pages Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks and the System; or

19.2.2 Own, maintain, operate, engage in, be employed by, provide any assistance to, or have any interest in (as owner or otherwise) any Competitive Business.

Furthermore, you acknowledge and agree that you shall be considered in default under this Agreement and this Agreement will be subject to termination as provided in Section 17.2.7 above, in the event that a person in your (or the other individuals required to comply with this provision per Section 19.8) immediate family (including spouse, domestic partner, parent or child) engages in a business that would violate this Section 19.2 if such person was subject to the covenants of this Section 19.2.

19.3 You covenant that, except as otherwise approved in writing by us, you shall not, for a continuous uninterrupted period of two (2) years commencing upon the date of: (a) a transfer permitted under Section 16 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to enforcement of this Section 19.3; or (e) any or all of the foregoing; either directly or

indirectly, for yourself, or through, on behalf of, or in conjunction with any person or legal entity, own, maintain, operate, engage in, be employed by, provide assistance to, or have any interest in (as owner or otherwise) any Competitive Business that is, or is intended to be, located at or within the Franchise Territory, within fifty (50) miles of the Franchise Territory, or within any geographic area where we, our affiliates or other Money Pages Businesses are circulating Monthly Magazines.

19.4 Sections 19.2.3 and 19.3 shall not apply to ownership by you of a less than five percent (5%) beneficial interest in the outstanding equity securities of any corporation which has securities registered under the Securities Exchange Act of 1934.

19.5 You agree that for one year after expiration or termination of this Agreement for any reason, or following the date of a transfer by you, you will not, directly or indirectly, solicit or attempt to solicit, or otherwise interfere with or disrupt the employment relationship between us and any of our employees or between any other System franchisee and its employees.

19.6 You understand and acknowledge that we shall have the right, in our sole discretion, to reduce the scope of any covenant set forth in Sections 19.2 and 19.3, or any portion thereof, without your consent, effective immediately upon receipt by you of written notice thereof; and you agree that you shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 26 hereof.

19.7 You expressly agree that the existence of any claims you may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants in this Section 19. You agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by us in connection with the enforcement of this Section 19.

19.8 You shall obtain and furnish to us executed covenants similar in substance to those set forth in this Section 19 (including covenants applicable upon the termination of a person's relationship with you and the provisions of Section 18 hereof as modified to apply to an individual) from any or all of the following persons: (a) all managers and any other personnel employed by you who have received or will receive training from us (provided, however, for such individuals the provisions in Section 19.3 hereof shall only apply to businesses within the Franchise Territory); (b) all officers, directors and holders of a beneficial interest in your securities, and all corporations directly or indirectly controlling, controlled by, or under common control with, you, if you are a corporation; (c) the members (including any corporation, and the officers, directors and holders of a beneficial interest in the securities of any corporation which controls, directly or indirectly, any member), if you are a limited liability company; and (d) the general partners and any limited partners (including any corporation, and the officers, directors and holders of a beneficial interest in the securities of any corporation which controls, directly or indirectly, any general or limited partner), if you are a partnership. Every covenant required by this Section 19.8 shall be in a form approved by us, including, without limitation, specific identification of us as a third-party beneficiary of such covenants with the independent right to enforce them. A duplicate original of each such covenant shall be provided by you to us immediately upon execution. Your failure to obtain execution of a covenant required by this Section 19.8 shall constitute a material breach of this Agreement.

19.9 You agree that we will be entitled to seek injunctive relief should you violate any of the covenants in this Section 19 and in Sections 12 and 18 (collectively, the "**Covenant Sections**") of this Agreement. You recognize that our remedies solely at law will be inadequate, that we will be irreparably harmed by violations of the provisions in the Covenant Sections. Therefore, in the event of a breach or a threatened or attempted breach of any of the Covenant Sections, you agree that we are entitled, in addition to any other remedies we may have under this Agreement or at law or in equity, including the right to

terminate this Agreement, to a preliminary and permanent injunction and a decree for specific performance of the terms of the Covenant Sections without the necessity of showing actual or threatened damage and without being required to furnish a bond or other security. We have the right to seek such injunctive relief in a court of competent jurisdiction. Such election by us to seek judicial relief shall not waive any rights we may have to arbitrate disputes arising under this Agreement, including rights to obtain damages from you in arbitration for violations of this Agreement.

20. Corporate, Limited Liability Company or Partnership Franchisee.

20.1 If you are a corporation, limited liability company or partnership, each of your shareholders, members or partners, and the interest of such person in you, shall be identified in Attachment 3 hereto. You shall immediately furnish us with an update to the information contained in Attachment 3 upon any change, provided that nothing in this Section 20.1 shall waive or otherwise limit the terms of Section 16 regarding transfers. Additionally, you shall identify in Attachment 3, an owner, who is reasonably acceptable to us, to serve as your “**Designated Owner.**” The Designated Owner is an owner of yours, who you empower with the responsibility and decision-making authority regarding the Franchised Business’s operation and your business, and you acknowledge and agree that we shall have the right to rely upon the Designated Owner for such purposes. The Designated Owner shall own and control, or have the right to own and control (subject to terms and conditions reasonably acceptable to us), not less than fifty-one percent (51%) of your equity interests, unless we agree otherwise in writing. You shall not remove or replace the Designated Owner identified in Attachment 3 without our prior written approval.

20.2 If you are a corporation or limited liability company, you shall comply with the following requirements:

20.2.1 You shall be newly organized and your charter shall at all times provide that your activities are confined exclusively to operating the Franchised Business;

20.2.2 Copies of your articles of incorporation, bylaws, articles of organization, operating agreement and/or other governing documents, and any amendments thereto, including the resolution of the board of directors or members authorizing entry into this Agreement, shall be promptly furnished to us, upon our request;

20.2.3 You shall maintain stop-transfer instructions against the transfer on your records of any equity securities; and each stock certificate or issued securities of yours shall have conspicuously endorsed upon its face a statement in a form satisfactory to us that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement; provided, however, that the requirements of this Section 20.2.3 shall not apply to a publicly-held corporation; and

20.2.4 You shall submit to us, for prior written approval, any corporate or other legal name that you propose to use.

20.3 If you or any successor to or assignee of yours is a partnership, it shall comply with the following requirements:

20.3.1 You shall furnish us with a copy of your partnership agreement as well as such other documents as we may reasonably request, and any amendments thereto; and

20.3.2 You shall submit to us, for our prior written approval, any name of the partnership or other legal name that you propose to use.

20.4 We may require all or some of your owners designated by us to execute the Guaranty attached to this Agreement as Attachment 5.

21. Taxes, Permits and Indebtedness.

21.1 You must promptly pay when due all taxes levied or assessed, including unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by you in the operation of the Franchised Business. You must pay us or our affiliates within ten (10) days after demand: (i) all sales taxes, corporate taxes, trademark license taxes and any like taxes imposed on, required to be collected by or paid by us or our affiliates on account of products or services we or our affiliates furnish to you or arrange to furnish to you, through sale, lease or otherwise, or on account of our or our affiliates' collection of any fee related to this Agreement (including products and services you purchase in connection with the Franchised Business); (ii) all franchise or like taxes, whether based on gross receipts, gross revenues, royalty fees, contributions to the Fund, or otherwise imposed on, required to be collected by or paid by us or our affiliates; and (iii) all other amounts we or our affiliates pay or must pay for you for any reason.

21.2 In the event of any bona fide dispute as to your liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but in no event shall you permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the Franchised Business or you.

21.3 You shall comply with all federal, state and local laws, rules and regulations, and shall timely obtain any and all permits, certificates or licenses necessary for the full and proper conduct of the Franchised Business, including, without limitation, licenses to do business, fictitious name registrations, sales tax permits, certificate(s) of occupancy and fire clearances.

21.4 You shall immediately notify us in writing of the commencement of any action, suit or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of the Franchised Business or us.

22. Independent Contractor and Indemnification.

22.1 It is understood and agreed to by you and us that in connection with your performance under this Agreement, you, your agents and employees shall act as an independent contractor and nothing in this Agreement shall at any time be construed to create the relationship of employer and employee, partnership, principal and agent, or joint venturers as between you and us.

22.2 During the Term, you shall hold yourself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise agreement from us. You agree to take such action as may be necessary to do so, including, without limitation, exhibiting a notice, plaque or sign of that fact in a conspicuous place at your Office, the content and form of which we reserve the right to specify.

22.3 Nothing in this Agreement authorizes you to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name; and we shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall we be liable by

reason of any act or omission of yours in your operation of the Franchised Business or for any claim or judgment arising therefrom against you or us.

22.4 You must indemnify and hold us and our affiliates and the officers, directors, employees, agents, attorneys and shareholders of ours and our affiliates (the “**Indemnitees**”) harmless against any and all causes of action, claims, proceedings, losses, costs, expenses, liabilities, litigation, damages or other expenses (including settlement costs and attorneys’ fees) arising directly or indirectly from, as a result of, or in connection with the operation of the Franchised Business or your conduct under this Agreement, including, without limitation, those alleged to be caused by the Indemnitees’ negligence, unless (and then only to the extent that) the claims, obligations or damages are determined to be caused solely by the Indemnitees’ sole gross negligence or willful misconduct according to a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction. You agree that with respect to any threatened or actual litigation, proceeding or dispute which could directly or indirectly affect any of the Indemnitees, the Indemnitees will have the right, but not the obligation, to: (i) choose counsel; (ii) direct, manage and/or control the handling of the matter; and (iii) settle on behalf of the Indemnitees, and/or you, any claim against the Indemnitees in their sole discretion. All vouchers, canceled checks, receipts, receipted bills or other evidence of payments for any such losses, liabilities, costs, damages, charges or expenses of whatsoever nature incurred by any Indemnatee will be taken as prima facie evidence of your obligation under this Agreement.

22.5 If we incur any expenses in connection with your failure to pay any amounts you owe when due, submit any required reports when due or otherwise comply with this Agreement, you agree to reimburse us for any of the costs and expenses which we incur, including, without limitation, reasonable accounting, attorneys’, arbitrators’ and related fees.

23. Approvals and Waivers.

23.1 Whenever this Agreement requires our prior approval or consent, you shall make a timely written request to us therefore, and such approval or consent must be obtained in writing.

23.2 We make no warranties or guarantees upon which you may rely, and assume no liability or obligation to you, by providing any waiver, approval, consent or suggestion to you in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefore.

23.3 No failure of ours to exercise any power reserved to us by this Agreement, or to insist upon strict compliance by you with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with any of the terms hereof. Waiver by us of any particular default of yours shall not affect or impair our rights with respect to any subsequent default of the same, similar or different nature; nor shall any delay, forbearance or omission of ours to exercise any power or right arising out of any breach or default by you of any of the terms, provisions or covenants hereof, affect or impair our right to exercise the same, nor shall such constitute a waiver by us of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of the Term. Subsequent acceptance by us of any payments or contributions due to us hereunder shall not be deemed to be a waiver by us of any preceding breach by you of any terms, covenants or conditions of this Agreement.

24. Notices.

Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered; mailed by certified mail, return receipt requested; or dispatched by overnight delivery service, with a return receipt mechanism, to the respective parties at the addresses set forth in the

introductory paragraph of this Agreement, unless and until a different address has been designated by written notice to the other party.

Notices shall be deemed to have been received as follows: by personal delivery -- at the time of delivery; by overnight delivery service -- on the next business day following the date on which the Notice was given to the overnight delivery service; and certified mail --three (3) days after the date of mailing.

25. Dispute Resolution and Applicable Law.

25.1 We agree that all controversies, disputes, or claims between us and your affiliates, and us and our affiliates' respective shareholders, officers, directors, agents, and/or employees, and you (and/or your Owners, shareholders, officers, guarantors, affiliates, and/or employees) arising out of or related to:

25.1.1 this Agreement or any other agreement between us;

25.1.2 our relationship with you;

25.1.3 the scope and validity of this Agreement or any other agreement between us and you or any provision of such agreements (including the validity and scope of the arbitration obligations under this Section 25.1, which the parties acknowledge is to be determined by an arbitrator and not a court); or

25.1.4 any system standard;

must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Section otherwise provides, according to the then current commercial arbitration rules of the American Arbitration Association. All proceedings will be conducted at a suitable location chosen by the arbitrator in the Jacksonville, Florida metropolitan area. The arbitrator shall have no authority to select a hearing locale other than as described in this Section. All matters relating to arbitration will be governed by the federal arbitration act (9 U.S.C. §§ 1 et seq.). Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Proprietary Mark generic or otherwise invalid or, except as expressly provided in Section 25.4 below, award any punitive or exemplary damages against either party (we and you hereby waive to the fullest extent permitted by law, except as expressly provided in Section 25.4 below, any right to or claim for any punitive or exemplary damages against the other).

We and you agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us. We reserve the right, but have no obligation, to advance your share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so will not be

deemed to have waived or relinquished our right to seek the recovery of those costs in accordance with Section 25.7.

We and you agree that arbitration will be conducted on an individual, not a class wide, basis and that an arbitration proceeding between our and our affiliates, and us and our affiliates' respective shareholders, officers, directors, agents, and/or employees, and you (and/or your Owners, shareholders, officers, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between us and any other person. Notwithstanding the foregoing or anything to the contrary in this Section 25.1 or Section 27, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 25.1, then the parties agree that this arbitration clause shall not apply to that dispute and that such dispute will be resolved in a judicial proceeding in accordance with this Section 25 (excluding this Section 25.1).

Despite our and your agreement to arbitrate, we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you must contemporaneously submit the dispute for arbitration on the merits as provided in this Section.

The provisions of this Section 25 are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

25.2 ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE, AND ALL CLAIMS ARISING FROM THE RELATIONSHIP BETWEEN US AND YOU WILL BE GOVERNED BY THE LAWS OF THE STATE OF FLORIDA, WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES; PROVIDED, HOWEVER, (1) ANY FLORIDA LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP OF A FRANCHISOR AND ITS FRANCHISEE WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION AND (2) THE LAWS OF THE STATE IN WHICH THE FRANCHISED BUSINESS IS LOCATED SHALL APPLY TO THE CONSTRUCTION AND ENFORCEMENT OF THE OBLIGATIONS SET FORTH IN SECTIONS 19.2 AND 19.3 HEREOF, WITHOUT REGARD TO ITS CONFLICTS OF LAWS.

25.3 SUBJECT TO SECTION 25.1 ABOVE AND THE PROVISIONS BELOW, YOU AND YOUR OWNERS AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN YOU AND US MUST BE COMMENCED IN THE STATE OR FEDERAL COURT OF GENERAL JURISDICTION IN JACKSONVILLE, FLORIDA, AND YOU (AND EACH OWNER) IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION YOU (OR THE OWNER) MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. NONETHELESS, YOU AND YOUR OWNERS AGREE THAT WE MAY ENFORCE THIS AGREEMENT AND ANY ARBITRATION ORDERS AND AWARDS IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR THE FRANCHISED BUSINESS IS LOCATED.

25.4 EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 22.4, AND EXCEPT FOR PUNITIVE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

25.5 WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU.

25.6 Except for claims arising from your nonpayment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial or arbitration proceeding is commenced within eighteen (18) months from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claims.

25.7 If we incur costs and expenses due to your failure to pay when due amounts owed to us, to submit when due any reports, information, or supporting records, or otherwise to comply with this Agreement, you agree, whether or not we initiate a formal legal proceeding, to reimburse us for all of the costs and expenses that we incur, including, without limitation, reasonable accounting, attorneys', arbitrators', and related fees.

26. Entire Agreement.

This Agreement and the attachments and the documents referred to in this Agreement constitute the entire Agreement between us and you concerning the subject matter hereof, and supersede any prior agreements, no other representations having induced you to execute this Agreement. Except for those permitted to be made unilaterally by us under this Agreement, no amendment, change or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. Notwithstanding the foregoing, nothing in this Agreement will disclaim or require you to waive reliance on any representation that we made in the franchise disclosure document (including its attachments, exhibits and amendments) ("**FDD**") that we delivered to you or your representative, subject to any agreed-upon changes to the contract terms and conditions described in that FDD and reflected in this Agreement (including any riders or addenda signed at the same time as this Agreement). If an amendment to this Agreement is executed at our request, we will pay any legal fees or costs of preparation of the amendment. If an amendment of this Agreement is executed at your request, any legal fees or costs of preparation in connection therewith will, at our option, be paid by us.

27. Severability and Construction.

27.1 If, for any reason, any section, part, term, provision and/or covenant herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions and/or covenants of this Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portions, sections, parts, terms, provisions and/or covenants shall be deemed not to be a part of this Agreement.

27.2 Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), or assignment shall survive such expiration, termination, including but not limited to Sections 10, 11, 12, 18, 19, 24 and 25.

27.3 Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than you, us, our officers, directors, shareholders, agents and employees, and such of our successors and assigns as may be contemplated by Section 16 hereof, any rights or remedies under or by reason of this Agreement.

27.4 You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court or agency having valid jurisdiction may hold to be unreasonable and unenforceable in an unappealed final decision to which you are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court or agency order.

28. Acknowledgments.

28.1 You acknowledge that you have conducted an independent investigation of the business of operating a Money Pages Business and recognize that the business venture contemplated by this Agreement involves business risks and that your success will be largely dependent upon your ability (or, if you are an entity, the ability of your principals) as an independent businessperson(s), his/her/their active participation in the daily affairs of the business, market conditions, area competition, availability of product and quality of services provided, as well as other factors. We expressly disclaim the making of, and you acknowledge that you have not received, any warranty or guarantee, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement. You also acknowledge that we have not given any representation, promise or guarantee of your success in the Franchise Territory or the suitability of the Franchise Territory as a successful location for your Franchised Business. You acknowledge that our approval of your Franchise Territory does not constitute recommendation or endorsement of the Franchise Territory, nor any assurance by us that the operation of a Franchised Business in the Franchise Territory will be successful or profitable. You will be solely responsible for your own success in the Franchise Territory.

28.2 You acknowledge that you received a copy of this Agreement, the attachment(s) hereto and agreements relating hereto (if any), as well as a copy of the FDD, at such time(s) as required by applicable federal and state franchise laws and regulations.

28.3 You acknowledge that you have read and understood the FDD, this Agreement, the attachments hereto and agreements relating thereto (if any) and that we have given you ample time and opportunity to consult with your attorneys, accountants and other advisors of your own choosing about the potential benefits and risks of entering into this Agreement. You, together with your advisors, have sufficient knowledge and experience in financial and business matters to make an informed investment decision with respect to the Franchised Business. You acknowledge that you have no knowledge of any representations by us (or anyone purporting to represent or act on our behalf) or our officers, directors, shareholders, employees, agents or servants, about the business contemplated by this Agreement that are contrary to the disclosures and information in the FDD or contrary to the terms of this Agreement.

28.4 You acknowledge that you are aware of the fact that other present or future franchisees of ours may operate under different forms of agreement(s) and consequently that our obligations and rights with respect to various System franchisees may differ materially in certain circumstances.

IN WITNESS WHEREOF, the undersigned have executed or caused their duly authorized representatives to execute this Agreement as of the Effective Date.

GUARANTY

In consideration of, and as an inducement to, the execution by Money Pages Franchising Group, LLC ("Franchisor") of that certain Franchise Agreement, dated _____, 20__ (as the same from time to time may be amended, modified, extended or renewed, the "Franchise Agreement"), by and between _____ ("Franchisee") and Franchisor, the undersigned, for the term of the Franchise Agreement and any extension or successor thereof, and thereafter until all obligations of Franchisee to Franchisor have been satisfied, jointly and severally, do hereby personally, absolutely, and unconditionally guarantee that Franchisee shall punctually pay and perform each and every undertaking, condition, and covenant set forth in the Franchise Agreement.

If Franchisor chooses to proceed against the undersigned under this Guaranty, and Franchisor prevails, the undersigned shall reimburse Franchisor its costs and expenses associated with the proceeding, including its reasonable attorneys' fees, court costs and expenses.

As an inducement to Franchisor to enter the Franchise Agreement between Franchisee and Franchisor, the undersigned, jointly and severally, hereby unconditionally guarantee to Franchisor and Franchisor's successors and assigns that all of Franchisee's obligations under the Franchise Agreement will be punctually paid. Further, the undersigned, individually, jointly and severally, hereby agree to be personally bound by each and every condition and term contained in the Franchise Agreement as though each of them had executed an agreement containing the identical terms and conditions of the Franchise Agreement, including the dispute resolution provisions, and any amendments, extension or other modification to the Franchise Agreement.

Upon demand by Franchisor, the undersigned will immediately make each contribution or payment required of Franchisee under the Franchise Agreement. The undersigned hereby waives: (i) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned will be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Franchisor; (ii) all rights to require Franchisor to proceed against Franchisee for any payment required under the Franchise Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Franchisor; and (iv) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor will have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor or any collateral securing any obligations of Franchisee to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with or release all or any provisions of the Franchise Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Franchise Agreement, assign the Franchise Agreement

or the right to receive any sum payable under the Franchise Agreement, and the undersigned each hereby jointly and severally waive notice of same and agree to be bound by any and all amendments and changes to the Franchise Agreement. The undersigned expressly acknowledge that the obligations under this Guaranty survive the expiration or termination of the Franchise Agreement.

The undersigned hereby agrees to defend, indemnify and hold Franchisor harmless against any and all losses, damages, liabilities, costs and expenses (including reasonable attorneys' fees, reasonable costs of investigation, court costs and arbitration fees and expenses) ("**Claims**") resulting from, consisting of or arising out of or in connection with any failure by Franchisee, Franchisee's owners, officers, directors, agents or employees to perform any obligation under the Franchise Agreement, any amendment thereto or any other agreement executed by Franchisee referred to therein.

Each of the undersigned represents and warrants to Franchisor that Franchisee (including, without limitation, any and all of Franchisee's owners, guarantors (including the undersigned), employees, directors, officers and other representatives), nor any of Franchisee's affiliates or the funding sources for either, is a person or entity designated with whom Franchisor, or any of Franchisor's affiliates, are prohibited by law from transacting business.

This Guaranty will terminate upon the termination or expiration of the Franchise Agreement, except that all obligations and liabilities of the undersigned which arose from events which occurred on or before the effective date of such termination will remain in full force and effect until satisfied or discharged by the undersigned, and all covenants which by their terms continue in force after the expiration or termination of the Franchise Agreement will remain in force according to their terms. Upon the death of any undersigned, the estate of such individual will be bound by this Guaranty, but only for defaults and obligations under this Guaranty existing at the time of death; and the obligations of the other undersigned will continue in full force and effect.

Unless specifically stated otherwise, the terms used in this Guaranty will have the same meaning as in the Franchise Agreement and will be interpreted and construed in accordance with Section 25 of the Franchise Agreement. This Guaranty will be interpreted and construed under the laws of the State of Florida. In the event of any conflict of law, the laws of Florida will prevail, without regard to, and without giving effect to, the application of the State of Florida conflict of law rules. Nothing in this Guaranty is intended by the parties to subject this Guaranty to any franchise or similar law, rule or regulation of the State of Florida or of any other state to which it would not otherwise be subject.

WAIVER OF JURY TRIAL: FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESTED TO ANY CLAIM, INCLUDING ANY COUNTERCLAIMS, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER FRANCHISEE OR FRANCHISOR AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

INDEPENDENT AUDITOR'S REPORT

To the Member:
Money Pages Franchising Group, LLC

Opinion

I have audited the accompanying financial statements of Money Pages Franchising Group, LLC, (the "Company") (a Florida limited liability corporation), which comprise the balance sheet as of December 31, 2024, and the related statements of operations and member's capital, and cash flows for year ended December 31, 2024, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024, and the results of its operations and its cash flows for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Company and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about

the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

MONEY PAGES FRANCHISING GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Money Pages Franchising Group, LLC (the “Company”) was formed in August 2012 and is registered with the State of Florida as a limited liability company. The principal objective of the Company is to enter into franchise agreements with franchisees whereby it provides the use of the name, trademarks, business model, and expertise to franchisees who will make use of such resources to partner with local businesses to offer marketing solutions for direct mail campaigns, design initiatives and print advertising under the name “Money Pages” throughout a certain territory as defined in a franchise agreement. The Company maintains its corporate office in Jacksonville, Florida.

The initial franchise fee authorizes the franchisee with a territory that contains up to 35,000 households, comprising one outlet. Development agreements grant the right to develop a certain amount of franchised business outlets within a defined geographical area. The development agreement fee is dependent on the amount of franchised business outlets granted in a development agreement.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Company is taxed as an “S” corporation for federal tax purposes. All federal income taxes are paid by the shareholders of the parent company in proportion to their ownership. State taxes are accrued and expensed as incurred.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Amortization and Depreciation

The Company is depreciating furniture over their useful lives of 10 years and equipment over their useful lives of 5 years on the straight-line basis.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company places its cash with banks that are FDIC insured. As of

MONEY PAGES FRANCHISING GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

December 31, 2024, there were no deposits that exceeded FDIC insured limits.

Accounts Receivable

Accounts receivable consist of contracted amounts based on franchisee balances for royalties and franchise fees. As of December 31, 2024, management believes all receivables to be collectable. Therefore, no allowance for doubtful accounts has been established.

Revenue Recognition

Monthly fees, including royalty and design fees, are based on a flat fee and are recognized on the deadline date of each monthly magazine. Other monthly service fees such as accounting, and technology fees are earned monthly as the service is provided.

From 2014 through 2017, the Financial Accounting Standards Board ("FASB") issued standards to provide principles within a single framework for revenue recognition of transactions involving contracts with customers across all industries ("Topic 606"). The Company adopted Topic 606 at the beginning of the year ended December 31, 2019. Below is a discussion of how the Company's revenues are earned, the accounting policies pertaining to revenue recognition subsequent to the adoption of Topic 606 and other required disclosures.

Franchise Revenues

The timing and amount of revenue recognized related to royalties was not impacted by the adoption of Topic 606 based on the application of the sales-based royalty exception within Topic 606.

Upon the adoption of Topic 606, the Company determined that the services provided in exchange for upfront franchise fees, which primarily relate to pre-opening support, are highly interrelated with the franchise right and are not individually distinct from the ongoing services the Company provides to the franchisees. As a result, upon the adoption of Topic 606, upfront franchise fees are recognized as revenue over the term of each respective franchise. Revenues for these upfront franchise fees are recognized on a straight-line basis, which is consistent with the franchisee's right to use and benefit from the intellectual property.

As such, initial franchise fees, are deferred and recognized over the term of the underlying franchise agreement. The effect of the required deferral of initial franchise fees received in a given year is mitigated by the recognition of revenue from fees retrospectively deferred from prior years and the amortization of capitalized contract costs.

Capitalized Contract Costs

The benefits received from incentive payments made to brokers to sell franchises and brand-specific non-transferable training costs related to servicing the franchise agreements are not separate and distinct from the benefits received from the franchise right and thus those expenses will be amortized as a reduction of revenue over the period of expected cash flows from the

MONEY PAGES FRANCHISING GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

franchise agreements to which the payment relates. ASC 606 requires any such unamortized portion of expenses to be presented in the Balance Sheet as an asset. These are classified as capitalized contract costs on the Balance Sheet.

System Ad Fund and Franchise Contributions

The Company collects an advertising royalty from its franchisees. This contribution is accounted for separately to fund a franchise wide marketing program.

In accordance with the provisions of Topic 606, the Company has determined that it acts as a principal in the transactions entered into for advertising services based on its responsibility to define the nature of the goods or services provided and/or its responsibility to define which franchisees receive the benefit of the goods or services. Additionally, the Company has determined the advertising services provided to franchisees are highly interrelated with the franchise right and therefore not distinct. Franchisees remit to the Company a predetermined flat fee for providing the advertising services. As a result, revenues for advertising services are recognized when billed. Revenues for these services are typically billed and paid on a monthly basis. These revenues are presented as system advertising contributions in the revenue section and expenses incurred to provide these services are presented as system advertising expense in the expense section in the Statement of Income and Member's Equity.

Advertising Costs

Advertising costs are expensed as incurred.

Recent Accounting Pronouncements

The Financial Accounting Standards Board ("FASB") has issued standards on the recognition and measurement of leases that are intended to increase transparency and comparability among organizations by requiring that substantially all lease assets and liabilities be recognized on the balance sheet and by requiring the disclosure of key information about leasing arrangements. The Company adopted these standards using a modified retrospective transition approach for leases existing at, or entered into after, December 31, 2021, and will not recast the comparative periods presented in the Financial Statements upon adoption. Management has assessed the impact of this standard and has implemented it accordingly.

Lessee Operating Leases

The Company's operating lease is primarily related to space in an office building. This lease does not contain any extension provisions, material restrictive covenants, or residual value guarantees.

The Company has elected to not separate lease and non-lease components for this class of leased asset. Additionally, the Company has elected to not recognize the right of use assets and the lease liabilities arising from leases with a short-term duration. A short-term lease is less than 12

MONEY PAGES FRANCHISING GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

months and does not include a purchase option or an option to extend beyond 12 months that the Company is reasonably certain to exercise.

Right-of-use assets are presented as "Right-of-use asset" on the Balance Sheets and represent the right to use an underlying asset for the lease term, while lease liabilities are presented as "Lease liability, short-term" and "Lease liability, long-term" on the Balance Sheets and represent the payment obligations related to these assets over the lease term. Right-of-use assets and lease liabilities are recognized on commencement of the lease based on the present value of lease payments over the lease term. The discount rate for a lease is the risk-free-rate based on information available at the lease commencement date. See "New Accounting Standards" below regarding the adoption of a new lease accounting standard and Note 3 for additional information on leases.

Subsequent Events

For the year ended December 31, 2024, management has evaluated subsequent events for potential recognition and disclosure through March 5, 2025, which is the date the financial statements were available to be issued.

New Accounting Standards: Leases (Adopted)

On January 1, 2022, the Company adopted the guidance in ASU 2016-02, Leases (Topic 842) which requires lessees to recognize assets and liabilities for the rights and obligations arising from their leases with terms of more than 12 months and to provide new qualitative disclosures. The standard requires operating lease recognition on the Balance Sheets as right-of-use assets which are amortized over the lease term and as lease liabilities which are settled through the end of lease term.

The standard provides a number of transitional practical expedients that entities may elect. These include a "package of three" practical expedients that must be taken together and allow entities to: (i) not reassess whether existing contracts contain leases; (ii) carryforward the existing operating lease and capital lease classification; and (iii) not reassess initial direct costs associated with existing leases. A separate practical expedient allows entities to not evaluate land easements under the new guidance at adoption if they were not previously accounted for as leases. Additionally, entities have the option to apply the requirements of the standard in the period of adoption with no restatement of prior periods. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements.

The Company adopted this standard using the package of the three practical expedients and elected the option to apply the requirements of the standard in the period of adoption with no restatement of prior periods. Adoption of the standard did not result in a material cumulative effect adjustment upon adoption. The adoption of this standard does not have a material ongoing effect to the Company's Statements of Income.

Notes to the Financial Statements

1. **Organization and Summary of Significant Accounting Policies**

Formation and Nature of Operations

Money Pages Franchising Group, LLC (the “Company”) was formed in August 2012 and is registered with the State of Florida as a limited liability company. The principal objective of the Company is to enter into franchise agreements with franchisees whereby it provides the use of the name, trademarks, business model, and expertise to franchisees who will make use of such resources to partner with local businesses to offer marketing solutions for direct mail campaigns, design initiatives and print advertising under the name “Money Pages” throughout a certain territory as defined in a franchise agreement. The Company maintains its corporate office in Jacksonville, Florida.

The initial franchise fee authorizes the franchisee with a territory that contains up to 35,000 households, comprising one outlet. Development agreements grant the right to develop a certain amount of franchised business outlets within a defined geographical area. The development agreement fee is dependent on the amount of franchised business outlets granted in a development agreement.

As of December 31, 2023 and 2022, there were 15 and 13 Company-owned outlets, respectively. There were 14 and 15 franchised outlets in operation located in six states as of December 31, 2023 and 2022, respectively.

Revenue from Contracts with Customers

Monthly fees, including royalty and design fees, are based on a flat fee and are recognized on the deadline date of each monthly magazine. Other monthly service fees such as accounting, and technology fees are earned monthly as the service is provided.

Initial franchise fees, development fees, and any related renewal or transfer fees are non-refundable and are recognized on a straight-line basis over the franchise term, generally seven years, or upon termination. Deferred revenue represents the portion of franchise fees that have been paid to the Company in advance of revenue recognition over the term of the franchise agreement and monthly magazine fees paid prior to the Company providing the monthly services.

Marketing fund revenue consists of contributions to the Company’s advertising fund by franchisees and Company-owned operations and are recognized monthly when due. Marketing fund revenue is restricted to be used for advertising and promotion however the related performance obligation is not considered separate from the monthly royalty and design fees, therefore related marketing fund expenses are presented gross in the accompanying statement of operations.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Improvements and betterments are capitalized, while repairs and maintenance are charged to operations when incurred.

1. Organization and Summary of Significant Accounting Policies (Continued)

Leases

The Company recognizes a right-of-use lease asset upon lease commencement which represents the Company's right to use an underlying asset for a lease term. Lease liabilities represent the obligation to make lease payments resulting from the lease agreement and are recognized at commencement date based on the present value of lease payments over the lease term. The Company does not record a right-of-use asset or lease liability to leases which have a lease term of 12 months or less. The Company had no material lease agreements at December 31, 2023 or 2022.

Income Taxes

The Company is a limited liability company and has elected to be taxed as a partnership, accordingly, no provision is made for federal income taxes because the income or loss of the Company is included in the individual tax returns of its Members.

As of December 31, 2023, and 2022, the Company has no uncertain tax positions that qualify for either recognition or disclosure the financial statements. The Company did not have accrued interest or penalties associated with any uncertain tax benefits, nor has any interest expense recognized during the years ended December 31, 2023 and 2022.

The Company files tax returns in the United States federal jurisdictions. The Company is not subject to income tax examinations by tax authorities for tax years before 2019.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Recently Adopted Accounting Standards

On January 1, 2022, the Company adopted Accounting Standards Update ("ASU") No. 2016-02 *Leases (Topic 842)*. The amendment requires lessees to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases with lease terms of more than 12 months. The adoption of Topic 842 did not have a significant impact on the Company's financial statements or disclosures for 2022.

During 2023, the Company adopted FASB ASC 326, Financial Instruments – Credit Losses. The accounting standard amended the current financial instrument impairment model by requiring entities to use a forward-looking approach to estimate credit losses from exposure to credit risk on certain types of financial instruments, including trade receivables. Under the new guidance, an entity recognizes as an allowance its estimate of lifetime expected credit losses which will result in more timely recognition of such losses. The adoption of ASC 346 did not have a significant impact on the Company's financial statements or disclosures for 2023.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned parties do hereby acknowledge receipt of this Addendum.
