What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.
Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.
Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.
Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.
Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.
Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.
When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Illinois than in your own state.
2. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.
3. **Short Operating History.** This Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise with a longer operating history.
4. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally-registered. If the Franchisor's ability to use this trademark in your area is challenged, you may have to identify your business and its products/services by a different name. This change can be expensive and may reduce brand recognition of the products and services you offer.

Certain states may require other risks to be highlighted. Check the State Specific Addenda (if any) to see whether your state requires other risks to be highlighted.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A prohibition on the right of a franchisee to join an association of franchises.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity which in no event need be more than thirty (30) days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishing not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) Failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

Item 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The franchisor is Angus Valley Montessori Schools USA LLC. To simplify the language in this Disclosure Document, the franchisor will be referred to as "Company," "us" or "we." "You" means the entity that buys the franchise. Certain provisions of the franchise agreement also apply to the owners of you, the franchisee entity ("Owners") and will be noted. The Owners must personally guarantee payment and performance of all of your obligations to us.

Company is a Delaware limited liability company organized on January 22, 2024. We do business under our corporate name and under the name "Angus Valley Montessori Schools." Our principal business address is 27 Glenbrook Circle, Gilberts, Illinois 60136. Our agent for service of process in your state, if applicable, is disclosed in Exhibit A.

We do not have a parent company. We do not have a predecessor.

We have no affiliate which provides products or services to our franchisees.

We have one affiliate which offers franchises in any line of business. The affiliate is Angus Valley Montessori Schools Inc. It is an Ontario business corporation incorporated on January 10, 2018. Its principal business address is 90 Gough Road, Unit 1, 2nd floor, Markham, Ontario L3R 5V5 Canada. This affiliate has been offering and selling franchises for Angus Valley Montessori Schools in Canada since 2018. As of the date of this Disclosure Document, Angus Valley Montessori Schools Inc. had 6 franchises operating in the province of Ontario, Canada and additional franchises in development.

We offer franchises for the establishment and operation of a business offering preschool learning programs and childcare services for children ages 6 months through 12 years using the Montessori method of teaching combined with principals of Gardner's Theory of Multiple Intelligences as further developed by us and supplemented by a variety of extracurricular activities ("Franchised Business"). Extracurricular activities may include homework assistance, fitness and yoga classes, programs in arts, foreign language lessons, weekend programs, cooking classes, martial arts programs, art classes, robotics programs, STEM programs and summer, winter and spring break camps. The typical new school will be approximately 8,000 to 10,000 square feet and will accommodate between 120 and 150 children, depending on the regulations in a particular state.

You must sign our standard franchise agreement (the "Franchise Agreement") which is attached to this Disclosure Document as Exhibit C. You must operate your Franchised Business following our prescribed system. The system includes interior and exterior design, interior design layouts and schemes, playground equipment, outdoor surfacing, distinctive signage, special menus tailored for school aged children, for morning, lunch and afternoon snacks and meals made with fresh ingredients, uniform standards, specifications and procedures for operations, quality and uniformity of services, inventory, management procedures, operational manual, parent handbook, staff handbook, furniture, review of lesson plans, daily schedules and playground schedules, training and assistance, and advertising and promotional programs, software, mobile apps, all of

which we may change, improve and further develop, in our discretion ("System"). The Franchised Business will incorporate a comprehensive Montessori curriculum.

The service marks ""Angus Valley Montessori Schools," "Learn.Grow.Achieve," the related logos, and all other proprietary trademarks, service marks, domain names, related logos and other commercial symbols owned by us or to be developed in the future are referred to in this Disclosure Document as the "Marks."

We conduct no other business activities besides selling and supporting the Franchised Businesses.

The services of the Franchised Business will be offered to general public, and specifically parents with children ages 6 months through 12 years. You will compete with public schools, other Montessori schools, and other private independent schools and/or day care businesses, and franchised schools and/or child care businesses, such as The Goddard School® and Primrose Schools®. The market for these services is well developed and competitive.

You must comply with all local, state and federal laws that apply to the operation of the Franchised Business. For the operation of this type of business specifically, you must obtain any required state or local licenses or permits for operation of a day care facility and/or private school and meet all of the requirements for licensing. For example, licensing requirements in Illinois include meeting health, safety and operational standards, providing proof of ownership or lease of the facility and a detailed floor plan, and a written operational plan that outlines policies for staffing, child supervision, and emergency preparedness. Staff members are required to undergo background checks, meet minimum educational qualifications, and complete mandated training in child development and safety. The facility must also pass inspections to ensure compliance with building codes, fire safety, and sanitation standards. In addition, since the Franchised Business serves food, you may need to comply with laws and regulations relating to food service businesses, which may include obtaining food handling certifications. There may be other laws, regulations or licensing requirements that will apply specifically to this type of business in your area. Therefore, you must investigate whether any such laws, regulations or licensing requirements exist and what you need to do to comply.

We have never operated a Franchised Business. No affiliates have operated a business similar to the Franchised Business. However, one of our owners has owned and operated a business similar to the Franchised Business in Canada since 2018.

We began offering franchises in 2025. We have never offered franchises in any other line of business. Explanatory Notes:

This is our estimate of the costs you will incur to develop and open the Business. Except for the deposit and initial franchise fee, payments to us are non-refundable. You will need to determine if payments to third parties are refundable.

1. **Initial Franchise Fee**. $10,000 of the Initial Franchise Fee is paid to us when you sign the Deposit Agreement and the balance is paid when you sign the Franchise Agreement. The refundability of the $10,000 deposit and the initial franchise fee is described in Item 5.

2. **Background Check**. You must pay us for the cost of the background checks that we will conduct on each owner of the franchisee. When you sign the Deposit Agreement, you will pay us an estimated amount per owner for the cost of the background check. The current estimate is $1,500 per person. If the actual cost of the background check is higher than the amount collected, you must pay us the difference upon demand. If the actual cost of the background check is lower than the amount collected, we will either reimburse you the difference or will add the overpayment to the amount of the Deposit.

3. **Temporary Signage**. You must purchase temporary signage from an approved supplier that will be in place at the site during the build-out of the premises. We will provide you with the design for the sign that you will provide to the supplier.

4. **Pre-Opening Advertising.** You must spend a minimum of $15,000 on pre-opening advertising up to 8 months prior to the opening of the Business. We will provide you with pre-opening marketing and advertising guidelines. We reserve the right to conduct pre-opening advertising on your behalf. If we do, we will invoice you for the actual costs of the advertising conducted by us.

5. **Grand Opening Advertising.** You must spend a minimum of $15,000 on a grand opening event and subsequent grand opening advertising. We will provide you with grand opening marketing and advertising guidelines. We reserve the right to conduct grand opening advertising on your behalf. If we do, we will invoice you for the actual costs of the advertising conducted by us.

6. **Website Fee**. This fee covers our expenses in designing a webpage for your Franchised Business that will be linked to our website.

7. **Lunch Menu.** You must pay us this fee for access to and use of approximately 450 recipes, cooking instructions and menus that we have developed for lunch and snacks for the students.

8. **Site Development Assistance Reimbursement.** If you request our assistance and we agree, we will provide you assistance with the development of the School. The assistance may relate

to site and building plans, purchasing improvements, build-out, licensing and other matters. You must reimburse us for the costs we incur in providing this assistance, including our cost of compensating our representatives for providing such assistance and the travel expenses incurred by our representatives to travel to and from the site of your School.

9. **Travel and Living Expenses While Training**. We cover the cost of the initial training program for 2 individuals, but you will be responsible for the travel, lodging, meals and other living expenses of your owners while attending the initial training program. This estimate covers the costs for 2 people. If you want additional people to attend the initial training, you will be required to pay us an initial training fee. If you and we determine that it would be beneficial for you to observe the operation of one of our affiliate's Angus Valley Montessori School businesses located in Canada as part of the initial training, you may incur additional travel expenses.

10. **Furniture, Fixtures, Equipment and Supplies**. Included in this estimate is the purchase or lease furniture, fixtures and equipment for the kitchen, including refrigerators (including walk-in or reach ins), freezer, oven, stove, fryer, ice machine, worktables, shelving, dishwasher, kitchen hood and other related items including small wares for the kitchen; furniture, fixtures and equipment for the school, including tables, chairs, desks, window coverings, strollers, cribs, telecommunications system, cots, educational materials, classroom supplies, janitorial supplies, office and classroom stationary, outdoor toys, sports equipment (basketball nets, etc.), seasonal decorations, classroom carpets/rugs, staff room furnishings, staff uniforms and photocopier; and surfacing, equipment, and fencing for the playground. Our estimates assume that all furnishings and equipment will be purchased, not leased, except for the photocopier. This estimate does not include sales tax (where applicable) or freight charges.

11. **Security Deposit and Rent**. The expected size for a typical School is between 8,000 to 10,000 square feet. The costs for rent will vary widely depending on factors such as property location, the size of the leased premises, the types of charges allocated to tenants under the lease, prevailing rent rates in the area, and your ability to negotiate with the landlord. Landlords typically require a security deposit equal to 2 to 4 months of rent. We have not included an estimate for purchasing a site as it is anticipated that franchisees will not be purchasing land and constructing a building.

    Although we typically don't offer this option, we may on occasion based on the particular circumstances enter into the lease for the premises and sublease the premises to you. If we do so, you must pay us on a monthly basis the amount of rent and other charges that we must pay the landlord. We also reserve the right to charge a mark-up on the monthly amount you must pay to us.

12. **Leasehold Improvements**. The cost of leasehold improvements will vary depending on numerous factors, including the (i) the size, configuration and condition of the premises; (ii) pre-construction costs (such as demolition of existing walls and removal of existing improvements and fixtures); and (iii) cost or materials and labor, which may vary based on geography and location. These amounts are based on the cost of adapting our prototypical

architectural design plans to remodel and finish-out of a School and the cost of leasehold improvements. These amounts may be significantly reduced where the premise was a similar style school that can be retrofitted. These amounts may vary substantially based on local conditions, including the availability and prices of labor and materials. These costs may also vary depending on whether certain of these costs will be paid by the landlord.

13. **Architect and Interior Design Fees.** You must purchase architectural, engineering, contractor and exterior and interior design services necessary for the construction of the School from vendors and firms designated and/or approved by us. With your purchase of the AVM Décor Package, you will receive the interior design specifications for the build-out and our design services professionals will adopt them to your specific premises.

14. **Permits and Licenses.** This estimate covers the cost of obtaining permits and licenses for the operation of the School and obtaining any local business licenses.

15. **Insurance**. You must maintain insurance of the types and amounts required by us. (See Item 8.) The cost of insurance will depend on policy limits, the types of coverage, the location of your premises, and other factors. The estimates covers insurance for the first 3 months of operation. The cost of builders' risk insurance required during build-out is included in the estimate for leasehold improvements.

16. **Computer System**. This estimate covers the cost of a desktop office computer and tablets (iPads) for each of the classrooms. The higher estimate includes a laptop computer for the owner. This estimate also includes the cost of required software, including the Smartsheet software that you must purchase from us, and monthly subscription payments for other required software for the first 3 months. See Item 11.

17. **Miscellaneous Expenses.** This estimate covers costs for storage of supplies; professional fees for attorneys and accountants to assist you with franchise document review, entity formation, and reviewing and negotiating the lease for the premises, and payment of payroll and other incidental expenses before you open your Facility.

    Additional Funds. This estimate is for the first 3 months of operation. This estimate includes payroll, utilities, payments to vendors, advertising, promotion, royalty fees, brand development fund contributions, subscription fees and similar costs during the initial phase of a new school, but we have not included or factored in any sales revenue your School may generate during this period. Your costs will depend on factors such as how much you follow our System and procedures, the local market for purchasing food products, the prevailing wage rate, competition, and the sales level reached during the initial period. The estimate does not include a salary or draw for your owners and does not include debt service. In compiling these estimates, we relied on the experience of our owners and affiliates in operating and franchising similar businesses in Ontario, Canada since 2014.

You should review these figures carefully with a business advisor, accountant or attorney before making any decision to purchase a franchise. We do not offer any financing for your initial investment.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase certain products and services only suppliers we designate, which may include us or an affiliate. Currently, you must purchase from us the AVMS Décor Package and the Smartsheet software. You must also purchase the following from suppliers that we designate: architectural services, design services, millwork, classroom furniture, fixtures, kitchen equipment, Montessori materials, and uniforms.

You must follow the requirements of the Décor Package relating to purchases of leasehold improvements, furniture, fixtures and décor. You must hire a contractor for building out the premises that has been approved by us.

You must purchase all other products and services from suppliers who have been approved by us. Currently, these include other equipment (including computer systems, security equipment and playground equipment), software and applications, signs, inventory and supplies, insurance, food and beverage products,. Currently, we are not an approved supplier of any of these items.

We will provide you with the lists of designated and approved suppliers and purchasing specifications and standards in the Operations Manual or otherwise in writing. You must comply with all of our directives regarding suppliers and purchasing requirements, and shall cease using any supplier upon direction from us.

We currently do not have any formal procedures for permitting franchisees to use alternate supplies. However, approved suppliers must be able to provide products and services that comply with our specifications and standards. We do not make our criteria for approving suppliers available to our franchisees or to suppliers.

In addition to the purchases discussed above, you must obtain and maintain the insurance coverage that we require from time to time and meet other insurance-related obligations described in the Franchise Agreement. Before you begin building out the premises, you must obtain builder's risk insurance. Currently, you must maintain insurance as follows during the operation of the Franchised Business:

Comprehensive General Liability - $1,000,000 per occurrence and $2,000,000 aggregate to provide Bodily Injury and Property Damage including Products Liability, Personal & Advertising Liability, Tenant's Liability and Medical Payments. This policy may not have a retention or deductible greater than $5,000 per claim;

Sexual Misconduct Coverage - $1,000,000 per occurrence and $2,000,000 aggregate on an occurrence form basis. This policy will require a two-year tail if it is cancelled or non-renewed if it is on a Claims-Made basis; and

The cost of this coverage will vary, depending on the insurance carrier's charges, terms of payment and your history. Each insurance policy must name us as an additional insured and must provide us with 30 days advance written notice of any material modification, cancellation, or expiration of the policy. The above requirements are minimum coverages and you may determine

that you want to increase the coverages for your Franchised Business.

Currently, none of our officers or managers has an ownership interest in a designated or approved supplier.

You must obtain our prior written approval of any lease for the premises of the School and we require that a Collateral Assignment of Lease be made part of the lease. If you sublease the premises of the School from us or our affiliate, you must sign a sublease in a form prescribed by us. The form of sublease will be dependent upon the terms and condition of the lease we must sign with the landlord. The rent we charge under the sublease may exceed the amount we pay to the landlord in which case we or our affiliate may derive revenue from the sublease for your School.

Since we have not sold a franchise as of the date of this Disclosure Document, neither we nor any affiliate has to date derived any revenue from the sale of products or services to our franchisees. If we or an affiliate is a designated or an approved supplier, we have the right to make a profit on the sale of products or services to our franchisees.

The purchase of products from designated suppliers, approved suppliers or in accordance with specifications and standards will represent approximately 70% to 75% of your initial purchases and leases in opening the Franchised Business and 50% to 55% of your ongoing purchases and leases in operating the Franchised Business.

We do not provide any material benefits (for example, successor or additional franchises) to franchisees based on the franchisee's use of designated or approved suppliers. However, you must comply with the requirements to purchase from designated or approved supplier to be in compliance with your franchise agreement.

We may in the future negotiate purchase arrangements with suppliers for the benefit of franchisees. We currently are not receiving rebates from any suppliers we have designated or approved, but we reserve the right to do so in the future. We currently do not have any purchasing cooperatives.

You must submit the proposed lease for your site to us for acceptance before you sign it. We may require that the lease be collaterally assigned to us by a collateral assignment agreement in a form and substance reasonably acceptable to us in order to secure performance of your liabilities and obligations to us. We have 15 days after receipt of the lease to either approve or disapprove the lease.

Prior to your use of them, you must submit to us for approval or disapproval all advertising and promotional plans and materials before using them. If you do not receive written approval within 15 days from the date of our receipt of such plans and materials, the plans and materials will be deemed disapproved.

DEPOSIT AGREEMENT

DEPOSIT AGREEMENT

THIS DEPOSIT AGREEMENT is made and entered into by and between Angus Valley Montessori Schools USA LLC, a Delaware corporation, (hereinafter referred to as "Franchisor") and _____ (hereinafter referred to as "PROSPECTIVE FRANCHISEE"), and the following individual owners of PROSPECTIVE FRANCHISEE if any entity: _____ ("Owners").

RECITALS

A. FRANCHISOR has experience, special skills, methods, techniques, and know-how, and has developed a system providing for the design, marketing and operation of Montessori schools under the Mark "Angus Valley Montessori" and related trademarks and service marks;

B. FRANCHISOR grants franchises to franchisees the use of its System and Marks for the operation of Montessori schools at locations approved by FRANCHISOR;

C. PROSPECTIVE FRANCHISEE has submitted to FRANCHISOR an application for an Angus Valley Montessori Franchise;

D. PROSPECTIVE FRANCHISEE has received and reviewed FRANCHISOR's Franchise Disclosure Document; and

E. FRANCHISOR shall consider, subject to the terms and conditions hereof, granting an Angus Valley Montessori Franchise to PROSPECTIVE FRANCHISEE. The parties acknowledge and agree that this Agreement is not for the grant of a franchise.

THEREFORE, the parties agree as follows:

1. PROSPECTIVE FRANCHISEE has, contemporaneously with the execution of this Deposit Agreement, deposited with FRANCHISOR the sum of Ten Thousand ($10,000.00) Dollars ("Deposit") to be applied against the initial franchise fee payable by PROSPECTIVE FRANCHISEE if an Angus Valley Montessori Franchise shall subsequently be granted.

2. Once this Agreement has been signed by the parties, FRANCHISOR shall conduct a background search on PROSPECTIVE FRANCHISEE, including all individual owners if PROSPECTIVE FRANCHISEE if an entity ("Owners"). PROSPECTIVE FRANCHISEE and Owners shall promptly execute such documents as are necessary in order to authorize FRANCHISOR to conduct all necessary background searches, including but not limited to financial, criminal, and/or litigation history. In the event that FRANCHISOR reasonably determines that the results of the background search on PROSPECTIVE FRANCHISEE and/or any Owner are unacceptable for the ownership of an Angus Valley Montessori franchise, FRANCHISOR shall terminate this Agreement upon delivery of written notice to PROSPECTIVE FRANCHISEE and

PROSPECTIVE FRANCHISEE shall not be entitled any refund of the Deposit.

3. Upon execution of this Agreement, FRANCHISOR will furnish PROSPECTIVE FRANCHISEE its written site selection guidelines, which must be returned to FRANCHISOR upon termination of this Agreement. PROSPECTIVE FRANCHISEE shall diligently search for, locate, and submit in writing to FRANCHISOR for approval, one or more sites (along with information on the site required by FRANCHISOR) for the operation of an Angus Valley Montessori School acceptable to FRANCHISOR within the following general area: _____ (the "Area"). The Area is not exclusive or protected either during the term of this Agreement or in the event a franchise is granted. FRANCHISOR has the right to offer and grant a franchise to any other party within the Area during the term of this Agreement.

4. FRANCHISOR has the right to approve or withhold approval of any site, based on its then-current criteria for approval of sites for Angus Valley Montessori Schools, including criteria related to location, lease terms and/or condition or configuration of the building.

5. PROSPECTIVE FRANCHISEE acknowledges and agrees that FRANCHISOR's approval of the premises for the Angus Valley Montessori School and any information communicated to PROSPECTIVE FRANCHISEE regarding the premises for the Angus Valley Montessori School do not constitute a representation or warranty of any kind, expressed or implied, as to the suitability of the premises for an Angus Valley Montessori School or for any other purpose. FRANCHISOR's approval of the premises indicates only that FRANCHISOR believes that the premises fall within the acceptable criteria established by FRANCHISOR as of the time period encompassing the evaluation. Both PROSPECTIVE FRANCHISEE and FRANCHISOR acknowledge that application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and premises and that, subsequent to FRANCHISOR's approval of a site and premises, demographic and/or economic factors, including competition from other businesses, included in or excluded from FRANCHISOR's criteria could change, thereby altering the potential of a site and premises. The uncertainty and instability of such criteria are beyond FRANCHISOR's control and PROSPECTIVE FRANCHISEE agrees that FRANCHISOR shall not be responsible for the failure of a site and premises approved by FRANCHISOR to meet PROSPECTIVE FRANCHISEE's expectations as to potential revenue or operational criteria. PROSPECTIVE FRANCHISEE further acknowledges and agrees that PROSPECTIVE FRANCHISEE’s acceptance of a Franchise for the operation of an Angus Valley Montessori School at the premises is based on his own independent investigation of the suitability of the premises.

6. FRANCHISOR agrees to expend such time and effort and to incur such expense as may reasonably be required to determine whether sites proposed by PROSPECTIVE FRANCHISEE for the operation of an Angus Valley Montessori School are acceptable. If FRANCHISOR chooses to conduct an on-site evaluation of a site proposed by PROSPECTIVE FRANCHISEE, the first such evaluation will be at its expense. Thereafter, PROSPECTIVE FRANCHISEE shall be responsible for FRANCHISOR’s reasonable expenses incurred in each subsequent on-site

evaluation which PROSPECTIVE FRANCHISEE shall pay on demand. PROSPECTIVE FRANCHISEE shall not be entitled to payment of any refund until all reimbursements required under this Paragraph 6 have been paid.

7. Once a site submitted to FRANCHISOR is approved, FRANCHISOR may deliver to PROSPECTIVE FRANCHISEE a Franchise Agreement for execution identifying the approved site. In the event PROSPECTIVE FRANCHISEE fails to execute FRANCHISOR's Franchise Agreement within fourteen (14) days from the date of delivery of the Franchise Agreement, FRANCHISOR may, at its sole option, terminate this Deposit Agreement, in which event PROSPECTIVE FRANCHISEE shall not be entitled to any refund of the Deposit. FRANCHISOR's approval of a site submitted by PROSPECTIVE FRANCHISEE does not obligate FRANCHISOR to deliver to a Franchise Agreement to PROSPECTIVE FRANCHISEE or to grant a franchise to PROSPECTIVE FRANCHISEE.

8. Nothing herein shall prohibit FRANCHSOR and PROSPECTIVE FRANCHISEE from entering into a Franchise Agreement prior to the execution of this Agreement. In such event, this Agreement shall automatically terminate and the Deposit shall be applied to payment of the initial franchise fee under the Franchise Agreement.

9. The term of this Agreement shall run for one hundred eighty (180) days from its execution. The term may be extended only by written agreement executed by both parties. The parties may terminate this Agreement prior to its expiration as provided in this Section 8.

a. PROSPECTIVE FRANCHISEE may terminate this Deposit Agreement by a written notice of termination delivered to FRANCHISOR. If such termination is prior to the background check and prior to the submission by PROSPECTIVE FRANCHISEE of any proposed site, FRANCHISOR shall refund the DEPOSIT in full. If the termination is after the background check and/or submission to FRANCHISOR of one or more sites, FRANCHISOR shall refund PROSPECTIVE FRANCHISEE's Deposit less Five Thousand ($5,000.00) Dollars upon PROSPECTIVE FRANCHISEE'S execution of a release and other necessary documents regarding termination of this Agreement.

b. FRANCHISOR may terminate this Deposit Agreement at any time with or without cause by a written notice of termination delivered to PROSPECTIVE FRANCHISEE. If the termination is (i) based on negative results of background searches, or (ii) due to PROSPECTIVE FRANCHISEE's failure to conduct site selection activities and failure to submit any proposed sites during the term of this Agreement, no refund of the Deposit will be made. If the termination is prior to the background check and prior to the submission by PROSPECTIVE FRANCHISEE of any proposed site, FRANCHISOR shall refund the DEPOSIT in full. If the termination is after the background check and/or submission to FRANCHISOR of one or more sites, FRANCHISOR shall refund PROSPECTIVE FRANCHISEE's Deposit less Five Thousand ($5,000.00) upon PROSPECTIVE FRANCHISE's execution of a release and other necessary documents regarding termination of this Agreement.

10. Any refund of any portion of the Deposit to be provided to PROSPECTIVE FRANCHISEE hereunder is conditioned on PROSPECTIVE FRANCHISEE returning to FRANCHISOR any written site selection guidelines or any other material containing FRANCHISOR's confidential information delivered to PROSPECTIVE FRANCHISEE by FRANCHISOR. Any refund of any portion of the Deposit is also conditioned upon PROSPECTIVE FRANCHISEE's and any owners executing a general release in FRANCHISOR's favor in a form acceptable to FRANCHISOR.

11. PROSPECTIVE FRANCHISEE shall immediately notify FRANCHISOR of any material change in the information contained in the franchise application since the application was submitted to FRANCHISOR, including but not limited to changes in financial condition, bankruptcy or litigation history, criminal history, death or incapacity of any Owner, the removal or addition of any Owners, and changes in contact information. Any such change may require that additional information be provided to FRANCHISOR and/or updated financial statements being submitted and/or that additional background checks be conducted before FRANCHISOR will consider the grant of a franchise.

12. During the term of this Agreement, FRANCHISOR may deliver to PROSPECTIVE FRANCHISEE certain confidential and proprietary information belonging to FRANCHISOR, including but not limited to site selection criteria and information on design and layout of an Angus Valley Montessori School ("Confidential Information"). PROSPECTIVE FRANCHISEE, and its owners, as applicable, acknowledge and agree that such Confidential Information belongs to FRANCHISOR, is proprietary and may contain trade secrets, and is only disclosed to PROSPECTIVE FRANCHISEE for the purpose of locating a site that is acceptable for the operation of an Angus Valley Montessori School or other investigation of the franchise before entering into a franchise agreement. PROSPECTIVE FRANCHISEE and its owners therefore agree, that PROSPECTIVE FRANCHISEE and its owners: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed; and (4) will adopt and implement all reasonable procedures to prevent unauthorized use or disclosure of the Confidential Information. The restrictions herein on disclosure and use of the Confidential Information will not apply to the following: (a) information, processes, or techniques which are generally known and used in the public domain (as long as the availability of this information is not because of a disclosure, whether deliberate or inadvertent, by PROSPECTIVE FRANCHISEE or its owners) and (b) disclosure of the Confidential Information in legal proceedings when PROSPECTIVEE FRANCHSIEE is legally required to disclose it and PROSPECTIVE FRANCHISEE has first given FRANCHISOR the opportunity to obtain an appropriate legal protective order or other assurance satisfactory to it that the information required to be disclosed will be treated confidentially. PROSPECTIVE FRANCHISEE shall return all Confidential Information received by it upon demand by FRANCHISOR.

The parties hereto acknowledge and agree that it would be impracticable to determine precisely the damages we would incur from this Agreement's termination and the loss of cash flow from Royalty Fees due to, among other things, the complications of determiningwhat costs, if any, we might have saved and how much the Royalty Fees would have grown over what would have been this Agreement's remaining term. The liquidated damages provision only covers our damages from the loss of cash flow fromthe Royalty Fees. It does not cover any other damages, including damages to our reputationwith the public, goodwill and landlords and damages arising from a violation of any provision of thisAgreement other than the Royalty Fee section. You agree that we may institute any action against you arising out of or relating to this Agreement in any state or federal court of general jurisdiction over the county of our then current principal place of business, and you (and your Owners) irrevocably submit to the exclusive jurisdiction of such court and waive any objection you may have to either the jurisdiction or venue of such court. You agree to the exclusive jurisdiction of such courts and agree not to sue us regarding any matter relating in any way to this Agreement except in such courts.

19.2 **Specific Performance; Injunctive Relief.** Provided we give you the appropriate notice, we will be entitled, without being required to post a bond, to seek the entry of temporary and permanent injunctions and orders of specific performance to: (i) enforce the provisions of this Agreement relating to your use of the Trademarks and copyrighted materials or your non-disclosure of Confidential Information and non-competition obligations under this Agreement; (ii) prohibit any act or omission by you that constitutes a violation of any applicable law, ordinance or regulation, constitutes a danger to the public, or may impair the goodwill associated with the Trademarks or the Angus Valley Montessori franchises or (iii) prevent any other irreparable harm to our interests. If we obtain an injunction or order of specific performance, you agree to pay us an amount equal to the total of our costs of obtaining it, including, without limitation, reasonable attorneys', arbitrators' and expert witness fees, costs of investigation and proof of facts, court costs, other arbitration or litigation expenses and travel and living expenses, and any damages we incur as a result of the breach of any such provision. You further agree to waive any claims for damage in the event there is a later determination that an injunction or specific performance order was issued improperly.

19.3 **Remedies are Cumulative** - The mention in this Agreement of any particular remedy of the Franchisor in respect of any default by the Franchisee shall not prevent the Franchisor from exercising any other remedy in respect thereof, whether available at law or in equity or by statute or expressly provided for in this Agreement. No remedy shall be exclusive or dependent upon any other remedy, but the Franchisor may from time to time exercise any one or more of such remedies generally or in combination, such remedies being cumulative and not alternative.

19.4. **Waiver of Jury Trial.** Each party irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.

19.5 **Limitations of Claims.** Any claim by you or your Owners concerning the Franchised Business or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which you or we knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

19.6 **Limitation of Damages.** Each party waives, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and legal fees as provided in Paragraph 18.J herein.

19.7 **Limitations on Action** - Notwithstanding anything contained in this Agreement and except as limited by applicable law, the Franchisee agrees that in the event of any actual or alleged failure, breach or default under this Agreement by the Franchisor:

a. the sole and exclusive remedy shall be against the entity then constituting the Franchisor;

b. no officer, manager, member, affiliate or employee of the Franchisor shall be sued or named as a party to any suit or action and no service of process shall be made against any of them except as may be necessary to secure jurisdiction of the Franchisor, nor shall any of them be required to answer or otherwise plead to any service or process;

c. no judgement shall be taken against any officer, director, shareholder, affiliate or employee of the Franchisor and if any judgment is so taken, such judgment may be vacated and set aside at any time;

d. no writ of execution shall ever be levied against the assets of any officer, director, shareholder or employee of the Franchisor or any assets of the Franchisor, other than as specified in subsection (a) above; and

e. these covenants and agreements are enforceable by the Franchisor and by any officer, director, shareholder or employee of the Franchisor and shall survive the expiration or termination of this Agreement for any reason.

19.8 **Costs and Attorneys' Fees.** If a claim for amounts owed by you to us or our Affiliate is asserted in any legal proceeding before a court of competent jurisdiction, or if you or we are required to enforce this Agreement in a judicial proceeding, the party prevailing in such proceeding will be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees.

Independent Auditor's Report

To the Members
Angus Valley Montessori Schools USA, LLC
Gilberts, Illinois

Opinion

We have audited the accompanying financial statements of Angus Valley Montessori Schools USA, LLC, which comprise the balance sheet as of December 31, 2025, and the related statements of operations, members' deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Angus Valley Montessori Schools USA, LLC, as of December 31, 2025 and the related statements of operations, members' deficit and cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

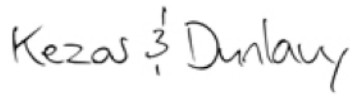

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control related matters that we identified during the audit.

(1) Nature of Business and Summary of Significant Accounting Policies

(a) Nature of Business

Angus Valley Montessori Schools USA, LLC (the "Company") was organized in the State of Delaware on January 22, 2024, as a limited liability company. The Company is a franchisor of Montessori concept early childhood education schools throughout the United States. The Company provides materials, training, curriculum guidelines, marketing services for its franchisees, and performs real estate site development.

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year. The members' liability is generally limited to their equity contributions. The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

(b) Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued the FASB Accounting Standards Codification ("ASC") that became the single official source of authoritative U.S. generally accepted accounting principles ("GAAP"), other than guidance issued by the Securities and Exchange Commission ("SEC"), superseding existing FASB, American Institute of Certified Public Accountants, Emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. As of December 31, 2025, the Company had cash and cash equivalents of $196.

(e) Income Taxes

The Company is structured as a limited liability company under the laws of the state of Delaware. Accordingly, the income or loss of the Company will be included in the income tax returns of the members. Therefore, there is no provision for federal and state income taxes.

The Company follows the guidance under ASC Topic 740, Accounting for Uncertainty in Income Taxes. ASC Topic 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company's financial statements.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2025, the 2024 tax year was subject to examination.

(f) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, and accounts payable, the carrying amounts approximate fair value due to their short maturities.

(g) Concentration of Risk

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

(2) Related Party Note Payable

During the year ended December 31, 2025, Angus Valley Montessori Schools Inc. ("AVMS Inc."), a company under common control, provided cash to the Company to fund operations. The Company owes AVMS Inc. $48,333 as of December 31, 2025. The note does not bear interest and is due upon call.

(3) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is “probable” and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is “probable” but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is “reasonably possible,” disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are “remote” are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involving such amounts of unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(4) Subsequent Events

Management has reviewed and evaluated subsequent events through April 11, 2026, the date on which the financial statements were issued.

THESE FINANCIAL STATEMENTS ARE PREPARED WITHOUT AN AUDIT. INVESTORS IN OR SELLERS OF FRANCHISES SHOULD BE ADVISED THAT NO CERTIFIED PUBLIC ACCOUNTANT HAS AUDITED THESE FIGURES OR EXPRESSED HIS OPINION WITH REGARD TO THEIR CONTENTS OR FORM.

(1) Nature of Business and Summary of Significant Accounting Policies

(a) Nature of Business

Angus Valley Montessori Schools USA, LLC (the "Company") was organized in the State of Delaware on January 22, 2024, as a limited liability company. The Company is a franchisor of Montessori concept early childhood education schools throughout the United States. The Company provides materials, training, curriculum guidelines, marketing services for its franchisees, and performs real estate site development.

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year. The members' liability is generally limited to their equity contributions.

(b) Accounting Standards Codification

The Financial Accounting Standards Board ("FASB") has issued the FASB Accounting Standards Codification ("ASC") that became the single official source of authoritative U.S. generally accepted accounting principles ("GAAP"), other than guidance issued by the Securities and Exchange Commission (SEC), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. As of December 31, 2024, the Company had cash and cash equivalents of $5,001.

(e) Income Taxes

The Company is structured as a limited liability company under the laws of the state of Delaware. Accordingly, the income or loss of the Company will be included in the income tax returns of the members. Therefore, there is no provision for federal and state income taxes.

The Company follows the guidance under ASC Topic 740, Accounting for Uncertainty in Income Taxes. ASC Topic 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company's financial statements.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2024, no tax years were subject to examination.

(f) Advertising Cost

The Company expenses advertising costs as incurred. Advertising expenses for the period ended December 31, 2024, were $0.

(g) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents and accounts payable, the carrying amounts approximate fair value due to their short maturities.

(h) Concentration of Risk

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

(2) Related party note payable

During the period from the date of formation to December 31, 2024, Angus Valley Montessori Schools Inc. ("AVMS Inc."), a company under common control, paid expenses on behalf of and provided initial cash to the Company for which the Company owes AVMS Inc. $25,893 as of December 31, 2024.

(3) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is “probable” and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is “probable” but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is “reasonably possible,” disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are “remote” are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involving such amounts of unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(4) Subsequent Events

Management has reviewed and evaluated subsequent events through March 4, 2025, the date on which the financial statements were issued.
