What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.
2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
4. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, “Safari Kid” or “We” or “Our” means Safari Kid Franchising, LLC, the franchisor. “You” or “Your” means the person who buys the franchise. “Safari Kid Mark” or “Mark” means the service mark you use in operating the franchise.

Organizational History

Safari Kid is a California Limited Liability Company formed on November 14, 2006. We do business under our corporate name and as Safari Kid or Safari Kid USA (our website is safarikid.com). Our principal business address is 34899 Newark Blvd., Newark, California. Our authorized agent for service of process in California is Deepak Mudakavi, 34899 Newark Blvd., Newark, CA 94560.

We have a parent company that also provides sales, marketing and some operational support to us for the benefit of franchisees. In 2023, Safari Kid Global Inc., a Delaware corporation formed September 24, 2021, having a principal address of 34899 Newark Blvd., Newark, CA 94560 acquired the ownership of Safari Kid Franchising, LLC and became our parent company. It also acquired the ownership of Safari Kid, Inc., one of our five affiliates. Prior to this acquisition, Safari Kid Global Inc. was our affiliate.

We have five affiliates which operate, or will soon operate, Safari Kid learning centers like the ones described in this FDD. These are: (1) Safari Kid, Inc., whose principal business address is 34899 Newark Blvd., Newark, California; (2) Salient Path Inc., whose principal business address is 1402 Dempsey Rd., Milpitas, CA 95035; (3) STEAM KIDS LLC whose principal place of business is 156 Cambridge St., Unit 10, Burlington, MA 01803; (4) Live for Ed LLC, whose principal place of business is 542 Junction Ave., Livermore, CA 94551; and (5) Salient Path Texas LLC, whose principal place of business is 1227 W. McDermott Dr., Allen, TX 75013.

Prior Business Experience

As a franchise corporation, we have not directly operated a Safari Kid learning center. Since 2005, our California affiliate Safari Kid, Inc. has operated (and continues to operate) a business similar to the type of franchise we offer. In fact, the California affiliate’s business was used as the prototype for developing the franchises we currently offer. Neither Safari Kid nor any of our affiliates have ever offered franchises in any other lines of business.

Our Business

We grant franchises (referred to in this Disclosure Document as a “Safari Kid franchise”) for the right to establish and operate a young children’s learning center under our proprietary Safari Kid Mark. In operating your franchise, you must follow our standards, specifications and operating procedures. We are engaged in no other business. A franchise for the operation of a Safari Kid franchise within a defined territory is granted under the terms of our standard form Franchise Agreement found following Item 23 of this Disclosure Document.

Description of A Safari Kid Franchise

A Safari Kid Franchise is a learning center for children as young as 18 months and, at your option, you can also offer infant care. Students 18 months and older are enrolled into one of four progressive learning levels that teach reading, writing and motor skills using our proprietary curriculums, references and interactive media. Level 1 is designed for toddlers as early as 18 months. It is basic introduction to letters, phonics, numbers, shapes, colors and motor skill developments. At this level our students are learning nursery rhymes and songs using interactive/hands on tools. Once the students have completed

Level 1, they progress to Level 2 where they focus on reading, logical thinking, basic math and writing. Levels 3 and 4 are advanced levels where children are introduced to Geography, Science, History, Moral Studies, Computer basics. These levels also help the child become proficient in advanced reading, language arts and advanced math. To promote confidence students are also exposed to public speaking, singing, dancing, Arts and Crafts and hosts Talent shows and Monthly Presentations. A Safari Kid franchise also offers after school programs as well as summer and winter learning camps.

During the COVID-19 pandemic, Safari Kid learning centers have also offered online, virtual classes for children ages 2 – 5 with a preschool curriculum. These are conducted with a live teacher. You will be permitted to offer these classes if pandemic conditions continue to make this a desirable offering when you open for business. We expect to phase out this service once public health conditions make it safe to return to pre-pandemic conditions, since we do not believe that there will be permanent demand for this service.

Market, Regulatory & Competitive Factors

The services offered by a Safari Kid franchise appeal to parents with young children who are interested in giving their offspring a solid foundation in early education not offered by most learning centers or preschools. By stressing an academic approach for young children, most of whom are pre-schoolers, and offering a unique program and curriculum, we find ourselves in a niche that does not currently have a lot of competition.

Our market is developing. Although there are many child day care centers, there are fewer learning centers for young children that provide substantial enrichment programs like language, reading, art and music. Demand is strong for learning centers offering these high levels of academics and education. The market does not appear to be seasonal.

You will be subject to local, county and state licensing regulations for the operation of businesses in general and this type of business in particular. Certain states may require specific certification with instructional duties. In addition, your Safari Kid learning center may be considered a “school,” “heritage school,” or “child care center” under applicable zoning codes that would entail additional requirements such as separate bathrooms for boys and girls, an outdoor play area, water fountains, special exit doors equipped with panic bars and accommodations for disabled persons. You may be regulated by a state or local Department of Education, Department of Social Services, or similar agencies.

Most states have specific laws requiring you to obtain a license to operate a childcare business in the state. Often, these laws also govern the ratio of staff to enrolled children, size of your facility and other requirements. Many states have websites regarding the specific process and requirements for obtaining a license to operate a childcare business in that state. We have put that information for many states into our state specific addenda at Exhibit L. In addition, in response to the COVID-19 pandemic, many public health entities have imposed specific requirements or restrictions on the operations of childcare facilities, including limitations on the number of enrolled children and on individual teachers’ interactions with multiple groups of children. Although many of those requirements have been relaxed as of the date of this Disclosure Document, you should review the applicable public health rules and restrictions on childcare facilities in your area.

You will compete with other learning centers and preschools. Preschools offer full day programs/day care facilities for children which differ from our model. Although these preschools offer similar programs to ours, their curriculums are not as advanced as our System.

ITEM 4 BANKRUPTCY

No bankruptcies are required to be disclosed in this Item.

ITEM 5 INITIAL FEES

We charge \$70,000 as a Franchise Fee, which we collect when you sign the franchise agreement, plus \$30,000 as a Pre-Opening Services fee, which we collect when you sign the lease for your learning center site.

The Pre-Opening Services Fee covers the services described in Item 11.

In the last fiscal year, we permitted two franchisees who were developing more than one unit to pay these fees in installments, rather than as a lump sum, but other than this the fees have been uniformly imposed.

We have a program to waive the Franchise Fee and the Pre-Opening Services Fee for executives of our parent company, Safari Kid Global Inc., provided they have been employed four or more years and are equity owners of 5% or more of the parent company business.

In addition to these fees, we also charge a materials fee of \$900 - \$4,500. The total cost for materials will be determined by the amount of materials your school requires for anticipated enrollment.

Development Agreement

If we award you the right to develop more than one unit within a given Development Area, you must sign a Development Agreement and pay us a one-time Development Fee upon execution of your Development Agreement. Your Development Fee will depend on the number of Franchised Businesses we grant you the right to open within the development Area, and is calculated as follows:

Number of Units	Franchise Fee Per Unit	Pre-Opening Services Fee Per Unit	Fee Per Unit	Total Franchise Fees Due
2	\$60,000	\$30,000	\$90,000	\$180,000
3	\$50,000	\$25,000	\$75,000	\$225,000
4	\$50,000	\$25,000	\$75,000	\$300,000
5	\$45,000	\$20,000	\$65,000	\$325,000
6	\$45,000	\$20,000	\$65,000	\$390,000
7	\$45,000	\$20,000	\$65,000	\$455,000
8	\$45,000	\$20,000	\$65,000	\$520,000
9	\$45,000	\$20,000	\$65,000	\$585,000
10	\$40,000	\$20,000	\$60,000	\$600,000

You will be required to enter into our then-current form of franchise agreement for each Franchised Business you wish to open under your Development Agreement, but you will not be required to pay any additional Initial Franchise Fee at the time you execute each of these franchise agreements. If you enter into a Development Agreement, you must execute our current form of Franchise Agreement for the first location we grant you the right to open within your Development Area concurrently with the Development Agreement.

No Refunds

All fees described in this Item 5 are deemed fully earned upon payment and are not refundable under any circumstances. These fees are calculated and applied uniformly to all franchisees this year.

Notes to Initial Investment Table

You must directly pay (or provide independent financing for) all initial investment expenditures listed in this Item 7 to begin operations of your Safari Kid learning center franchise. We do not offer any financing (see Item 10). None of the investment expenditures are refundable unless you make independent arrangements with sellers or suppliers about whether, and under what conditions, payments may be refundable. Some costs and expenses will vary due to a disparity of prices, availability, and other factors. The figures provided in this table are estimates based on our Affiliates' experience starting the current locations operated by Safari Kid, Inc.

- (1) This estimate is per person, per day. Range assumes motel room at \$150 to \$ 300 per night; meals \$50 to \$200 per day. We will train you and one other person for up to seventeen (17) days for a Standard Model. If travelling from the East Coast, the airline ticket range included per person is \$500 to \$1000.
- (2) This assumes first and last month's rental prepayment ranging between \$1.50 and \$4.50 per square foot for approximately 5,000 to 10,000 square feet in a commercial or retail zoned area. You may also include additional costs towards NNN expenses which vary for each property.
- (3) The costs for build-out of a Safari Kid learning center will be directly related to licensing requirements as defined by your state. The State Addenda exhibit to this Disclosure Document may have more information about specific licensing requirements, to the extent we know about them, in your state. Some of the major items that will affect cost include a fenced outdoor play area, minimum indoor space of 35 square feet per child, outdoor space requirement of 75 square feet per child (in some instances you may be able to obtain an exemption reducing this to 25 square feet per child), one toilet and one sink for every 15 children, and at least one staff restroom. Our estimate for build-out assumes that you are starting with an existing structure in good shape that needs only tenant improvements. We do not recommend a ground-up construction project and if you elect to do this your costs will exceed this estimate.

Heritage Schools are exempt from California state licensing requirements and these costs mainly involve city requirements in relation to occupancy types, Conditional Use Permits, building of additional restrooms and other facility development expenses.

- (4) We require you to spend \$15,000 on initial advertising. You may spend this money on flyer distribution, newspaper or radio advertisements, internet marketing or grand opening advertising at your Safari Kid learning center.
- (5) This estimates your initial startup expenses for the first 3 months of operations based on our Affiliates' experience, adjusted for current pricing levels, in operating a similar business as discussed in Item 1 under "Prior Business Experience." This is only an estimate, and we cannot guarantee you will not have additional expenses, such as personal expenses, that exceed our estimates. Revenues and costs can vary due to many factors. Some of these factors include your ability to operate per our recommended business and teaching methods, management and marketing skills, aggregate demand, competition, prevailing wages, location and other variables. Working capital requirements will vary. Our estimate does not include any estimate for royalties, advertising fees, interest or other financing costs. The estimate assumes you will hire and pay two part-time teachers and does not include your salary. You should review all initial investment figures carefully with a competent financial business advisor.
- (6) We require every franchisee to put up a permanent illuminated sign within one month of the opening of the business. This should be done by a licensed contractor and with all necessary permits and approvals, including from the landlord, city and/or county.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

We require you to purchase certain books and curricula from us. You will purchase these materials prior to opening and then on an ongoing basis as needed.

We require you to purchase or acquire furniture, certain supplemental criteria items, and specific software including child care management software (currently Procare), child care CRM software (currently LineLeader), Recruitment and Applicant Tracking System, and payroll software (currently Gusto) from our list of required and approved vendors.

Required and Approved Suppliers

We are the only approved supplier for the books and curricula we sell to you.

We will also designate third party approved suppliers for several other items and services, including children's books, furniture and equipment, and software. We have advertising agency suppliers that we require you to work with. Neither we nor any person in Item 2 has an interest in any of the third party suppliers from whom we require you buy these goods or services.

Approval of Alternate Suppliers

If you would like to propose an alternate supplier, you must send us a written notice identifying the item(s) you would like to purchase and the alternate supplier. If we are willing to consider the alternate supplier you have suggested, we will request more information about the supplier. The additional information we request may include a sample of that supplier's products (at your cost) and additional information about the supplier's business reputation, delivery performance, ability to supply products in the quantities required, purchasing terms, and other information. We will consider the information you provide and give you a response within 30 days.

Revenue from Franchisee Purchases

We sell books and curricula to franchisees and corporate centers, but in 2022 we derived no revenue from this. The cost of equipment and materials purchased in accordance with our specifications will represent an estimated 5-10% of your total purchases in establishing your learning center and about 10-20% of your total purchases made during the year for operation of your learning center.

Cooperatives

We do not have any purchasing or distribution cooperatives.

Negotiated Prices

We do not have any negotiated purchase arrangements, but we reserve the right to negotiate pricing in the future and we will make franchisees aware of new purchasing arrangements and terms by updating our Operations Manual.

Material Benefits

We do not provide any material benefits to you if you buy from sources we approve.

Our specifications and requirements are contained in our confidential Manuals, which are provided to you and may be updated occasionally. Future supplements, improvements or changes to our business system may require you to add or eliminate previously authorized learning center services or products used in your business.

ITEM 10 FINANCING

We do not offer direct or indirect financing arrangements. We do not guarantee notes, leases or any other obligations you may incur.

We do not receive any payments for placing or referring Franchisees to lending sources for financing.

ITEM 11 FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Safari Kid is not required to provide you with any assistance.

Preopening Assistance and Services (“Section” refers to section(s) of the Franchise Agreement)

Before you open your business, we will provide the following assistance:

1. Designated Territory.

Grant and define your designated territory. (Section 2.01, Exhibit 1).
2. Site Advice and Approval. Provide information about site characteristics, proximity factors, lease provisions and a list of recommended realtors. (Section 5.01(d)). We will help identify a real estate broker you will work with to identify your site. (Section 4.03) We will visit sites you have identified and provide advice regarding the suitability of your options. We have the right of final approval over any site you select, and you cannot sign a lease without our approval. The franchise is granted for a single, specific location. (Section 2.01) You must select your site within one hundred eighty days and sign a lease we have approved within one year of the date you sign the Franchise Agreement. (Section 4.03) However, if you cannot identify a location or sign a lease within the time period required but you demonstrate to our satisfaction that you have been diligently attempting to do so, we will grant an extension. We will not grant any extension on our requirement that you must open for business within a maximum of 545 days from the date you sign the Franchise Agreement. If we terminate you either for failure to find a site, sign a lease, or failure to open as required, your initial fees are not refundable.
3. Zoning and Licensing Support. Provide you information, guidance and resources regarding the zoning and licensing processes. We cannot guarantee that our assistance will result in you

obtaining the permits or licenses you are seeking, but we will give you the benefit of the years of experience that our management has.

4. Lease. Review your lease and provide guidance. We recommend that every franchisee hire a lawyer to review their lease agreements. We do not offer legal advice, but we will review the lease to the best of our ability and point out issues that we are aware may help or harm your interests based on our management's experience. This review does not replace a lawyer's review.
5. Start-Up Guide. Provide a Start-Up Guide containing a prioritized list of activities and steps for you to take to get your business ready to open. (Section 5.01(f)). We will provide specifications for your build-out and recommendations regarding vendors for furniture, equipment, décor, signage and supplies, but it is your responsibility to order and install items, as necessary.
6. Books and Curricula. Provide printed books and curricula material for use in your learning center. (Section 4.01(c) and 4.02(h)).
7. Training Program. Train you and one other person (Manager or Director) at our corporate headquarters located in Newark, California and/or Union City, California as discussed more below in this Item.
8. Marketing Support. Provide you with marketing ideas and our marketing guidelines. We announce your Grand Opening on the Safari Kid main website, and we create a site specific page on our Safari Kid website for your franchise.
9. Grand Opening Support. Assist you with planning and attend your Grand Opening.
10. Confidential Operating Manuals. Loan to you one complete copy each of our confidential Start-Up Guide, Operations Manual and Policy Manual containing, among other things, specifications, instructions and requirements about authorized services, suppliers, standards and operating procedures. These manuals always remain our property and we may change any manual occasionally to reflect changes in our business system. You must treat the manuals and all information in them as confidential. You must keep all manuals current and follow new or changed provisions. The master copy of each manual maintained at our principal office is controlling in the event of a dispute about the contents of any manual (Section 4.07(a), Section 5.01(b)). The Table of Contents of our operations and policy manuals as of the date of this Disclosure Document, with the number of pages devoted to each subject and total number of pages in each manual is attached as Exhibit C.
11. Initial Forms. Provide you with copies of reporting and other operating forms as detailed in our manuals (Section 5.01(c)).

Assistance, Support and Services During Operations
("Section" refers to section(s) of the Franchise Agreement)

After your business begins operations, we will provide:

1. Start Up Assistance. Assist you via remote support for a period of up to eleven days at up to two hours per day to aid in learning operations and to assist in establishing standard operating procedures, as requested by you. (Section 5.02(a))

2. Consultation. Provide continuing support by having representatives at our corporate office available to answer questions arising in the day-to-day operation of your business. (Section 5.02(b))
3. Franchisee Conventions. Sponsor annual seminars, which may be conducted virtually, for updates on new management techniques, industry trends and other topics of interest. Although there is no separate charge for these seminars it is your responsibility to pay all travel, living and other expenses incurred by you in attending these seminars, as well as your share of renting any conference room, etc. if the convention or seminar is in person rather than virtual. Attendance at seminars is mandatory. (Section 5.02(c))
4. Updating. Distribute periodic supplements and amendments to our confidential Operations Manual and Policy Manual as well as other information of general interest to all members of the franchise network. (Section 5.02(d))
5. Manager/Director Training. Provide training (in accordance with our then-current Manager/Director Training Fee Schedule) if a new person becomes an approved manager of your franchise or you buy second or further franchises. If you elect to train the manager or director (with our approval), then only abbreviated training by us is required and a lesser fee will apply. We will assess if the manager/director is trained as per our standards and may accordingly need for the new manager/director to attend a full training of up to a maximum of 97 hours, or an abbreviated training up to a maximum of 15 hours. (Section 5.02(e))
6. Brand Development Fund; Advertising. The Brand Development Fund entails your paying 1.5% of your monthly Gross Sales (see Item 6).
7. Additional Consulting. If you request, we will provide additional support or on-site consulting services in accordance with our then-current consulting fee schedule. (Section 5.02(g))
8. Monthly Curriculums. We will provide monthly curriculum updates as needed . (Section 5.02(h))
9. Protection of Mark. Take all steps reasonably necessary to preserve and protect the ownership and validity of our service mark, and to permit other franchisees to use the mark only in accordance with our standards and specifications. (Section 5.03)

Advertising/Brand Development Fund

We administer the Brand Development Fund. This fund is not audited. The franchise agreement and Policy Manual are currently the only governing documents of the Fund and these documents are given to all franchisees. An accounting of the operation of the Fund will be prepared annually and made available to any requesting franchisee. All franchisees and our company-owned units are required to contribute to this at the same percentage rate.

The purpose of the Brand Development Fund is to create and maintain overall brand presence, brand consistency and provide tools, assets, collateral to support the franchise system in enrollment. We will use these funds, in our discretion, to build and maintain the Safari Kid consumer website; manage local or national search engine optimization (SEO); create promotional flyers, email templates, and other marketing pieces that can be shared with consumers; to pay for in-house or third party consultants to design and create these assets; and to provide franchisees with technologies that they need to design social media advertisements. In our sole discretion, we can use a portion of the Brand Development Fund to sponsor local events which benefit three or more Safari Kid centers.

In general, we do not use the Brand Development Fund specifically to advertise your business to prospective consumers. You are responsible for your own local advertising and the money you spend on local advertising is in addition to the 1.5% of gross sales that you must pay into the Brand Development Fund. We have no obligation to spend any specific amount on advertising in the area or territory where you operate your franchise.

During the last fiscal year of the Fund (ending on December 31, 2023), the Fund collected \$286,277 and had \$90,057 rolled forward from the prior year. In 2023, it spent \$126,977 as follows: 43% on digital marketing, 28.9% on consumer lead generation, 13% on production of advertisements, 11.9% on direct advertising, and 3.3% on event marketing. It rolled forward a balance of \$159,300 to 2024.

As of the date of this Disclosure Document, no Brand Development Funds have been used for soliciting the sale of franchises. No sums paid into the Fund can be used to defray any of our general operating expenses, except for reasonable administrative costs and overhead we may incur in activities reasonably related to the administration or direction of the Fund.

We do not currently have a franchisee advertising council. We do not have any advertising cooperatives.

Computer System, Software Programs and Internet Connection

We require you to use a computer system in your business (Section 4.15). You can use any computer system, as long as it meets our minimum standards for processor speed, RAM and hard drive capacity, has an IBM compatible operating system (currently Windows 10) that is upgraded periodically to reflect the current operating system specified in our Manuals, has high-speed internet connectivity (DSL or Broadband) and certain business productivity tools.

In addition, we require you to use a Child Care Management System we designate. You will need to acquire required hardware which will consist of an approved IOS or Android tablet. Typically you will need multiple tablets: one for the lobby and one for each classroom.

We require you to use the following software programs and capabilities (some of these may come bundled with your laptop or desktop computer):

- High-speed Internet connectivity (DSL or Broadband) including wireless connectivity;
- Google Workspace and related applications;
- Acrobat Reader (this program can be downloaded for free) for reading files that are in portable document format (.PDF);
- Browser: Microsoft Edge/Mozilla Firefox/Google Chrome/Safari;
- Accounting Software: Quickbooks Online or comparable software;
- Procure, used for electronic sign in and sign out of children and related functionality to ensure security;
- LineLeader CRM to digitally record children's progress in our programs and allows parents to access some of this information through an app; and
- Gusto payroll software.

We provide you with base licenses for Procare, and LineLeader. We also provide you with two (2) Google Workspace accounts. You will be responsible for any additional costs you incur, such as paying for Procare's service to collect tuition fees from your customers or workflow customizations in LineLeader. We require you to provide us access to your Quickbooks Online account.

Other Hardware Components

You will also need to purchase the following hardware, if you do not already own it:

- Printer/fax machine/scanner in black & white or color (we recommend an all-in-one machine);
- If you purchase black & white printer instead of a color printer, you will also need a deskjet color printer;
- A projector with a computer interface;
- A wireless router and network interface cards; and
- At least four approved tablets.

We estimate the cost of acquiring these computer system elements is about \$7,000 - \$10,000. Your payment of the Technology Fee should cover the cost for annual software subscription costs for the software programs we require.

We have the right to inspect your books, records, data and financial statements, and this right includes access to the software programs used to compile this information. (Section 4.15)

Updating Requirements and Our Access

In general, you will update or upgrade the various programs used on your computer, just as any computer user does. There is no contractual limit on the frequency or cost of this updating process, but it is usually a nominal expense, which we estimate to be less than \$500 per year. (Section 4.15)

One of the software programs we require will cost \$800 - \$1,200 in annual fees.

We might also ask you to implement other software or hardware related to system improvements to better manage children and staff records. If we do, you may be required to pay a monthly or annual fee for the software or hardware we will require.

We have the right to independently access the systems and information you use in your Safari Kid business, without prior notice to you. There are no contractual restrictions on our right to access the data you store and use on your business systems.

Estimated Opening Time

We estimate the typical length of time between the signing of the Franchise Agreement and the opening of your franchise to be approximately one year. Factors affecting this time include time to schedule, attend and successfully complete our training program, finding an appropriate site, lease negotiations, time to comply with various permit and licensing requirements, time for delivery and installation of equipment and furniture items as well as interviewing and hiring teachers. Unless we agree otherwise, you must commence business operations within 545 days of the date you sign the Franchise Agreement. We require you to put up signage within thirty (30) days of opening the business. (Section 4.03). This

signage must be permanent electrical signage, which consists of at least one illuminated sign, affixed to the building's exterior, bearing the Safari Kid trademark on the exterior of your building.

Training

We train you and one other person. Training will occur in two sessions and will last up to 17 days total, depending on your aptitude and background (Section 5.01(a)). The goal of the training program is to familiarize you with all facets of operating the business. Training is mandatory for everyone and you must satisfactorily complete all segments of training before starting business operations. Determination of whether you satisfactorily complete training rests solely with us (Section 4.01(c)). The training program is given so you complete it about thirty days before the intended opening of your business. Your travel and living expenses while attending the training program are your responsibility. Attendance at additional training programs given through Franchisee Conventions (discussed below) or if a new person assumes management of your franchise (discussed below) is also required. In training you, we use the services and draw upon the expertise of our operating personnel who have primary responsibility and experience for training in the areas of marketing, administrative, technical and other management functions. Our Director of Training is Ms. Shahdokth Mudakavi. Instructional materials include a course curriculum and excerpts from our confidential Start-Up Guide, Operations Manual and Policy Manual. Training covers the topics listed in the table below.

Note 1 to Training Tables: We provide many, but not all, of these sessions in a virtual meeting format instead of in person, but you should anticipate that you will need to attend at least a portion of our training in person at the locations specified.

These estimated hours cover the dynamics of operating a Safari Kid learning center and includes the subjects described. Because many of the subjects are taught in both a classroom setting as well applied on-the-job during actual learning classes with children, it is difficult to estimate the breakdown between hours of classroom versus hours of on-the-job. Another factor complicating this estimate is your background and proficiency in various subject areas.

The training program for new franchisees is scheduled on an as-needed basis. Training is provided by a combination of the founders of Safari Kid and teachers and employees who have worked at Safari Kid. All current trainers have at least 12 years of experience in the field which they teach in training and at least one year with Safari Kid.

During your training program you will have access to elements of our curriculum which are considered intellectual property and you must agree not to distribute, share, publish or use this information outside of your franchise.

The cost of training for you and one other person is included in the initial fees you pay to us. You are responsible for all of your travel and lodging expenses to attend training. If you bring an employee with you to training, you are responsible for paying that employee's wages in addition to their travel and living expenses during training.

The franchise owner must complete initial training. You are permitted to bring one other person with you who will work in the business. You must complete the training program to our satisfaction at least two months prior to opening your business. If you do not complete training to our satisfaction, you will be required to repeat training before you may open your business.

In addition to initial training, we also provide manager and teacher training. If your manager does not attend the initial training with you, we will assess your manager's background and knowledge regarding childcare. Depending on your manager's level of knowledge and experience, we will customize a training program at our manager training fee of \$50 per hour, up to a maximum of 97 hours (\$4,850). You will be responsible for paying these fees to us, in addition to paying your manager's wages and any travel or living expenses. You are also required to have us train at least one of your teachers. Teacher training lasts approximately 32 hours and costs \$25 per hour (\$800). Once we have trained you and one of your teachers, with our prior permission you may train your additional teachers.

ITEM 12 TERRITORY

You are given an exclusive area, usually defined by street boundaries, highways, counties, political subdivisions or other means on a map. This mapped area is called your “Designated Territory” or “Territory” in the franchise agreement. It is specified and attached as Exhibit 1 before you sign the franchise agreement. Once the signing takes place, you are responsible for determining and selecting the exact location of your franchise within this area.

Your Designated Territory will contain at least 12,000 households. The size will depend on (a) the population density and other demographics of the area, (b) any existing territorial rights granted in connection with existing Safari Kid learning centers, and (c) whether your location is considered part of a major metropolitan area, other downtown area or similar situated central business district that has a large “working population” during relevant operating hours for surrounding businesses.

Except as described below, we will not ourselves operate (including in other channels of distribution) or license others to operate, a similar or competitive business under our service mark within your Territory. You are not restricted from advertising outside your Territory using advertising we have approved, except that all franchisees are prohibited from actively advertising or marketing in another franchisee’s territory without the prior written agreement with that franchisee. However, all franchisees are free to accept children into their program regardless of where those children live or attend school. There may be children who reside in your Territory who attend a Safari Kid learning center outside of your Territory. You will not receive any compensation if a child who lives in your Territory enrolls in another Safari Kid learning center for any reason.

Where you can demonstrate that your Territory will support the opening of another Safari Kid learning center without significantly harming the attendance at your existing learning center(s), we may grant you the right to open another Safari Kid learning center within the same Territory. The initial fee is fully payable for any second or subsequent locations within your Territory as described in Item 5.

You will not be permitted to relocate your Safari Kid learning center without our prior written approval, which may be withheld in our discretion. You will be assessed a relocation fee of \$10,000 at the time you submit the proposed location for your relocated learning center. Generally, we do not approve requests to relocate your learning center after a site selection has been made and you have opened for business unless (a) it is due to extreme or unusual events beyond your control, and (b) you are not in default of your Franchise Agreement. If we approve your relocation request, we retain the right to approve your new site location in the same manner and under the same terms that are applied to your first site selection.

Development Agreement

If you enter into a Development Agreement to develop multiple Learning Centers, we will grant you a larger development territory within which you will have the right to develop the number of Learning Centers you and we agree that you will develop. During the term of your Development Agreement, this territory will be exclusive and we will not put our own Learning Centers or allow any other franchisee to establish a Learning Center within this development territory. At the end of the term of your Development Agreement, which may be met either by your development of the last of the Learning Centers under that agreement, by the expiration of the time we gave you to develop those Learning Centers, or by earlier termination of the Development Agreement for cause, your rights in the development territory will end and you will retain only the exclusive rights we have given you for each individual Learning Center.

Loss of Territorial Rights

If an event happens that gives us the right to terminate your franchise agreement, we have the right to terminate your rights in your Designated Territory, even if we do not terminate right to operate your learning center. If this happens, we may operate, or grant another franchisee the right to operate, a Safari Kid learning center franchise in what was previously your Territory.

No Franchises of Similar Businesses Under Different Marks

We (including our Affiliate) have not established, nor do we have any presently formulated plans or policies to establish, other franchises or company-owned outlets or another channel of distribution selling similar services or products under a different service mark.

ITEM 13 TRADEMARKS

During the term of the Franchise Agreement, we grant you a license to use the service mark “SAFARI KID,” (referred to in this Item as the “Mark”). Our affiliate Safari Kid, Inc., owns a federal registration on the Principal Registry of the United States Patent & Trademark Office for this Mark; it is Registration Number 6,557,624, registered November 16, 2021. Our affiliate has filed all of the required affidavits for this trademark registration. It has licensed the Mark to us pursuant to a perpetual license agreement which is only terminable if we material breach the terms of the agreement and do not cure our breach within 30 days.

Your continuing ability to use the Mark depends on following all applicable standards, specifications and operating procedures as set forth in our Franchise Agreement and our confidential Operations Manual and Policy Manual.

Our right to use the Mark and to license you to use it is subject to a Trademark Consent and Coexistence Agreement (“Coexistence Agreement”) between our California affiliate, Safari Kid, Inc., and Safari Learning Company, a California corporation. Safari Learning Company is the owner of the federally registered trademark SAFARI LEARNING (Registration No. 3,414,302). Safari Learning Company operates a single pre-school in Sonora, California. Under the Coexistence Agreement, Safari Learning Company and our Affiliate agreed that Safari Learning Company could continue using its SAFARI LEARNING trademark and our Affiliate could continue using the SAFARI KID trademark throughout the United States, as long as each company takes reasonable measures to make sure the two businesses are not confused by the public. This means that you cannot represent that your franchised business is in any way related to the SAFARI LEARNING system and you must follow our advertising restrictions carefully. If you become aware of any confusion between the two companies among any of your customers, you must tell those customers that Safari Kid is not related to the Safari Learning Company, provide the customers with the contact information for the Safari Learning Company, available at www.safarilearning.com, and let us know immediately.

We are not aware of other entities with any superior prior rights or infringing uses that might materially affect your use of our principal trademark in the states where we are offering franchises as of the date of this FDD. We encourage you to bring any business with a similar name to our attention if you are aware of it.

Our right to license others to use the above Mark comes from an exclusive license agreement between our Affiliate, Safari Kid, Inc., and us. This agreement has a term of 10 years and, unless canceled or modified, may be renewed by us for additional terms of 10 years each. The agreement can be modified only if both parties agree in writing. The agreement can be canceled only if we engage in or permit acts that reflect

unfavorably on the reputation and goodwill of the Mark. Even if the license agreement were canceled, this would not adversely affect any rights you have to use the Mark under your franchise agreement.

You must notify us if you discover any unauthorized use of the Mark (or a colorable imitation of them), or if litigation involving the Mark is started or threatened. Although the franchise agreement requires us to take all steps reasonably necessary to preserve and protect the ownership and validity of the Mark, we are not specifically obligated to protect any rights you have to use the Mark or to protect or indemnify you against claims of infringement or unfair competition, or in any administrative or judicial proceeding involving the Mark, nor are we obligated to participate in your defense of such a claim. We are not obligated to pay any damages assessed against you or pay your expenses. We have the right to control any litigation or administrative proceeding involving the Mark. You have no specific rights under the Franchise Agreement if we require you to modify or discontinue use of the Mark as a result of a proceeding or settlement.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

No patents are material to the franchise.

Copyrights

We have not registered any copyrights material to the franchise with the U.S. Copyright Office as of the effective date of this disclosure. We do claim copyright protection and trade secret protection (discussed below) for our confidential Operations Manual and Policy Manual, as well as Start-Up Guide and curriculum and intellectual property.

Proprietary Trade Secrets

The franchise agreement describes, and our Operations Manual, Policy Manual and Start-Up Guide contain, proprietary and trade secret know-how developed by us and licensed to you. This proprietary information is referred to below as our “System.” Under the terms of the franchise agreement: (i) you do not acquire any interest in our System, other than the right to use it in the operation of your franchise during the term of your agreement; (ii) you agree not to use our System in any business or capacity other than the development and operation of your franchise; (iii) you agree to treat the Operations Manual, Policy Manual and Start-Up Guide, including updates, in confidence as trade secrets; (iv) you agree not to make any unauthorized copies of any Manual or any other confidential information supplied by us and (v) you agree to take specific steps to maintain the confidentiality of our System during and after the term of your franchise. We are not aware of any infringing uses that would materially affect your use of our proprietary materials.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Unless we agree otherwise in writing, you must personally participate (on a full-time basis) in the direct operation of the franchise business. This is required under the terms of your franchise agreement, and we definitely recommend it as well. If we permit you to open multiple locations, you must personally participate in the direct operation of the businesses and must have approved managers for each location.

Any manager(s) hired by you must first be approved by us and trained. They must successfully complete our training program - see Item 6 above under “New Manager Training.” If you (with our approval) train the manager, then only abbreviated training by us is necessary and a lesser fee applies. We will assess if the manager is trained as per our standards and may accordingly need for the new manager to attend a full training of up to a maximum of 97 hours for a Standard model learning center, or an abbreviated training up to a maximum of 15 hours. If we must assume all training responsibilities, then the full manager training fee applies. We also require that any manager employed by you enter into a written confidentiality agreement to protect the confidentiality of proprietary Safari Kid information. We do not require that your manager(s) have an ownership interest in your franchise.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must (1) offer and sell only those learning center programs and curriculums that we have approved for sale in writing; (2) offer and sell all types of learning center programs and curriculums we specify; (3) refrain from any deviation from our standards and specifications without our prior written consent; (4) bring your learning center into compliance with any new and different standards or specifications that we may develop within a reasonable time (which may be as little as 30 days and will never be longer than one year) from when we provide written notice to you of the new standards or specifications; and (5) discontinue offering and selling any learning center programs and curriculums which we may, in our discretion, disapprove in writing at any time. There are no contractual limits on our right to make changes or improvements to services (or products) offered as part of our system. All learning center programs and curriculums must meet our then-current standards and specifications, as specified in our Manuals or otherwise in writing.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Deepak Mudakavi at 34899 Newark Blvd., Newark, CA 94560 and at (510) 739 1511, the Federal Trade Commission, and the appropriate state regulatory agencies.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Safari Kid Franchising, LLC
34899 Newark Blvd,
Newark, California 94560

Opinion

We have audited the financial statements of Safari Kid Franchising, LLC, (a California Limited Liability Company) which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of operations, change in member's equity, and cash flows for the years then ended, and the related notes to the financial statement.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Safari Kid Franchising, LLC, as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safari Kid Franchising, LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safari Kid Franchising, LLC's ability to continue as a going concern within one year from the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive

to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safari Kid Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safari Kid Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Safari Kid Franchising, LLC, as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safari Kid Franchising, LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive

to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safari Kid Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safari Kid Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Safari Kid Franchising, LLC, as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safari Kid Franchising, LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive

to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safari Kid Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safari Kid Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

On January 1, 2019, the Company adopted new accounting standard, as amended, regarding revenue from contracts with customers using the modified retrospective approach. This standard provides guidance on recognizing revenue, including a five-step model to determine when revenue recognition is appropriate. The adoption of this standard did not have a material impact on the Safari Kid Franchising's financial position and results of operations.

Safari Kid Franchising recognized the franchise contract to franchisee as a distinct series of performance obligations and essentially is a license that allows the franchisee to use the Safari Kid Franchising's intellectual property. Safari Kid Franchising will adopt the standard, including the related amendments, effective beginning after December 15, 2021, using the modified retrospective approach, applying the provisions of the new standard on its effective date. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax position not meeting the “more likely than not” test, no tax benefit is recorded.

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Safari Kid Franchising has temporary differences which are immaterial. Thus, Safari Kid Franchising determines it impractical to recognize such in the financial statements.

SAFARI KID FRANCHISE AGREEMENT

THIS AGREEMENT between Safari Kid Franchising, LLC, a California Limited Liability Company, hereinafter referred to as "Franchisor", and _____, a _____ hereinafter referred to as "Franchisee", is made on the basis of the following understandings and recitals and in consideration of the following promises, and the parties hereto, intending to be legally bound, agree as follows:

ARTICLE 1. RECITALS

1.01 The Safari Kid Business System.

As the result of the expenditure of time, effort and money in research and development, Franchisor has developed and has the right to license a method and system (hereinafter referred to as the "Safari Kid System" or "System") for the development and operation of a learning center (which business is herein referred to as a "Safari Kid Business" or "Business"). Franchisor is in the process of developing a network (hereinafter referred to as the "Safari Kid Network" or "Network") of franchises to use the System on a mutually cooperative and interrelated basis.

1.02 Proprietary Marks.

Franchisor grants franchises to be operated under the proprietary service mark "Safari Kid" (herein referred to as the "Mark"). Franchisor continues to develop, use and control the Mark so that consumer recognition thereof will continue, and Franchisee agrees to represent the System's high standards of service, quality and appearance.

1.03 Operating Standards.

Franchisee acknowledges reading this Agreement and Franchisor's Uniform Franchise Disclosure Document and understands and accepts the terms, conditions and covenants contained in this Agreement as being reasonable and necessary to maintain Franchisor's high standards of service, quality and appearance, as well as the consistency of these standards by all franchises within the Network, in order to protect and preserve the goodwill of the Marks. Franchisee therefore agrees to operate the Business as an integral part of the Franchisor's Network and System as they may be changed, approved and developed from time to time, and in this operation adhere to the uniform standards, procedures and policies set forth below.

1.04 Franchisee Desires A License.

Franchisee desires to establish a Business under the System, within the territory hereinafter set forth, and to use in connection therewith the Franchisor's Mark and System, and provide learning center curriculums, progressive levels, interactive media, references, after school programs, summer and winter learning camps and other services and products authorized for the Business, as an integral part of the Franchisor's Network, and to derive the benefits of Franchisor's reputation, advice, experience, guidance and know-how.

1.05 Granting of Franchises.

Franchisor grants to franchisees, for considerations, the right to conduct a business utilizing the Franchisor's System, as part of the Franchisor's Network, offering learning center services and products approved by Franchisor, and utilizing its formats, methods, specifications, standards, operating procedures, guidance and Mark.

ARTICLE 2. GRANT OF FRANCHISE

2.01 Grant of Franchise; Territory

(a) Grant of Franchise. Subject to and upon all of the terms and conditions set forth in this Agreement, Franchisor grants to Franchisee the right and license, and Franchisee undertakes the obligation to establish and operate a learning center Business under the System and the Mark as Franchisor directs, and to use the Mark in connection with the various learning center services utilized in the operation of the Business from a single specific location (herein referred to as the "Premises") which is located within the area described in Exhibit 1 attached hereto and made a part hereof.

(b) Territory; Loss of Rights. Subject to the following exceptions in Section 2.01(c), Franchisor will not, while this Agreement is in effect, operate, nor will it grant others a license to operate a Business under its System at any location within the specific area (herein referred to as the "Designated Territory" or "Territory") as set forth in Exhibit 1 to this Agreement.

(c) Loss of Rights in Territory. Notwithstanding Section 2.01(a) above, upon the occurrence of the following, Franchisor may itself operate, or grant a license to another franchisee to operate a Business within the Territory:

(i) In the event that Franchisee targets advertisements into the territory belonging to another franchisee in the Franchisor's System; or

(ii) upon the occurrence of any event or events as the result of which Franchisor has the right to terminate this Agreement, as provided in Article 5 below.

Upon the occurrence of such event, Franchisor may, whether or not it elects to exercise its right of termination, operate or grant to another franchisee or franchisees the right and license to operate, a Business under the System and Mark at another location within the Territory, and this action by Franchisor shall not affect any other rights and obligations hereunder unless and until Franchisor exercises its right of termination as provided in Article 5.

(d) Multiple Learning Centers in Single Territory. In the event that this Business is not Franchisee's first within this System, if Franchisee concludes that the territory granted to its existing Learning Center could support another Learning Center, Franchisee may request permission from Franchisor to establish the Business within an existing Territory held by Franchisee. Franchisor has discretion to either approve or deny this request. Unless approved in writing, the request shall be deemed denied.. Where Franchisor has approved the request, Franchisee understands and acknowledges the following:

(i) Franchisor may terminate Franchisee's rights in the Territory under Section 2.01(c) for a breach by any one of the franchised locations controlled by Franchisee in that Territory; and

(ii) In the event that Franchisee transfers its interest in less than all of the Safari Kid Businesses it owns within a single Territory, Franchisee understands that it must agree to divide its Territory so that the transferee receives its own territory, as described in Section 7.01(h).

2.02 Further Rights & Privileges.

Subject to and upon all of the terms and conditions set forth in this Agreement, Franchisor further grants to Franchisee the following rights and privileges:

(a) Marks. Use of the Mark as Franchisor directs, but only within the Territory and only in connection with authorized learning center services including curriculums, interactive media, after school programs, summer and winter learning camps and other services, products and supplies authorized by Franchisor;

(b) System. Use of the Franchisor's System, which term as herein used refers to the System as presently existing and as it may be developed, changed and improved during the term of this Agreement, in marketing and providing approved learning center services and generally in conducting and operating the Business;

(b) Renewal Options. The term of this Agreement and the appointment hereunder may be extended for additional term of fifteen years each, exercisable by written notice from Franchisee to Franchisor, within 180 days prior to the expiration of the initial term; provided that at the end of the initial term:

(i) Franchisee is not at the time of the exercise or at the commencement of the extension term, in default of the performance of any of Franchisee's obligations hereunder; and

(ii) All monetary obligations owned by Franchisee to Franchisor have been fully satisfied prior to the commencement of the extension term; and

(iii) At the option of Franchisor, Franchisee shall execute Franchisor's then-current form of Franchise Agreement which shall waive any initial franchise fees and provide for the same royalty and other fees required by this Agreement; and

(iv) At the option of Franchisor, except to the extent limited by applicable law, Franchisee executes a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor, and its officers, directors, agents and employees, arising out of or relating to this Agreement.

ARTICLE 3. FRANCHISE MODEL

3.01 Franchise Model

(a) Brand Development Fund. Franchisee shall make monthly contributions of up to 1.5% (which is the maximum percentage) of Gross Sales as specified by Franchisor, payable together with and in the same manner as the royalty payments referred to in Section 4.02, to a collective Fund (hereinafter "Fund"). The Fund shall be used by Franchisor solely for advertising, promotion and marketing in accordance with the provisions of subparagraphs (i) and (ii) below.

(i) Administration of Fund. Advertising and public relations agencies and personnel may be composed of employees of Franchisor or may be entities owned by or affiliated with Franchisor if use of in-house agencies is deemed best by Franchisor, in which event the methods for determining the value of services rendered by the in-house agency shall be

set forth in writing and may be charged to the Fund. No sums paid by Franchisee to the Fund shall be used to defray any of Franchisor's general operating expenses, except for reasonable administrative costs and overhead, if any, as Franchisor may incur in activities reasonably related to the administration or direction of the Fund and promotional programs, including, without limitation, conducting marketing research, preparing marketing and advertising materials and collecting and accounting for assessments for the Fund. An accounting of the operation of the Fund shall be prepared annually and made available to Franchisee upon request.

In the event that Franchisee fails to conduct the required local advertising as specified in this Section, Franchisor may elect, in its sole discretion, to conduct such advertising on Franchisee's behalf and to assess the minimum required expenditure to Franchisee, together with a reasonable fee for Franchisor's time and effort to manage Franchisee's local advertising obligations.

(ii) Franchisee shall spend a minimum of Fifteen Thousand Dollars (\$15,000) on initial advertising. Franchisee shall provide a report to Franchisor of the manner in which this expenditure is spent. Franchisee may not place advertisements targeted in any material manner into another franchisee's territory without that franchisee's prior written consent. Franchisee shall submit to Franchisor (by email, or by mail with return receipt requested), for prior written approval, samples of all advertising and promotional plans and materials that Franchisee desires to use and that have not been prepared or previously approved by Franchisor. If written approval thereof is not received by Franchisee, Franchisor shall be deemed not to have given the required approval. This total is due upon receipt of the past due invoice and shall be deposited directly to Franchisor's bank account, as specified by Franchisor.

(b) No Waiver. Franchisee acknowledges that this Section 4.06 shall not constitute an agreement by Franchisor to accept any payments after they are due or a commitment by Franchisor to extend credit to, or otherwise finance Franchisee's Business. Further, Franchisee acknowledges that failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided in Section 6.02, notwithstanding the provisions of this Section.

(e) Misuse of Mark; Unauthorized Disclosure. If Franchisee fails to comply with the covenants contained in Sections 4.07 or Franchisee knowingly discloses to any unauthorized person the contents of any part of Franchisor's Manuals or any other trade secrets or confidential information provided to Franchisee by Franchisor and designated as such;

6.03 Rights and Duties on Termination.

In the event of any termination of this Agreement, whether by reason of action by Franchisee or Franchisor as above provided, or as elsewhere provided in this Agreement, or by the expiration of the term hereof, the parties shall have the following rights and duties:

(a) Cease Operation of Business under System and Mark. All rights and privileges herein granted to Franchisee shall immediately terminate and revert to Franchisor, with all rights and goodwill of the Business pertaining thereto, and Franchisee shall surrender all such rights and privileges, shall cease operation of the Business using the Franchisor's System and Mark in all connections, including any colorable imitation thereof or in any manner or for any purpose, or utilize for any purpose any trade name, service mark, trademark, logo or other insignia which is likely to cause confusion, mistake or deception or that falsely suggests or indicates a connection or association with Franchisor. Franchisee shall take all action required to cancel all fictitious or assumed name or equivalent registrations relating to Franchisee's use of any Mark.

(b) Pay Creditors; Return Manuals; Cease Use of Website. Franchisee shall immediately pay all creditors of the Business, including all sums then owing by Franchisee to Franchisor and shall immediately return without delay all Manuals and all other material described therein (or in any notice from Franchisor) as property of Franchisor, and all forms, advertising matter, and all other materials received by Franchisee from Franchisor and in the possession of Franchisee. Franchisee shall also cease use of any Safari Kid domain name, URL or home page address and shall not establish any Website using any similar or confusing domain name, URL or home page address.

(c) Asset Purchase Options On Termination. Unless termination results solely from the proper exercise by Franchisee of Franchisee's election as provided in Section 6.01 hereof, Franchisor shall have the following options, exercisable by written notice to Franchisee (indicating which option(s) Franchisor intends to exercise) at any time within 30 days from the date of termination hereof to: (i) require Franchisee assign to Franchisor the leasehold interest of the Premises in consideration of Franchisor's assumption of the leasing obligations thereunder; and (ii) to purchase from Franchisee all equipment, furnishings, fixtures and other physical assets owned by Franchisee and used in the operation of the Business for the same price paid by Franchisee less depreciation taken (i.e. book value) as of the date of Franchisor's written notice. The purchase price for all of the above assets shall not include any payment for goodwill or other intangibles.

(d) Transfer Phone Numbers. Franchisee shall relinquish and take all steps necessary and hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to transfer to Franchisor all right, title and interest in all or any of Franchisee's telephone numbers, fax

numbers, pager numbers, cellular phone numbers, including the listing, and advertising privileges concurrent therewith, relating in any way to the Business.

(e) Transfer Customer Information. Franchisee shall relinquish and immediately turn over to Franchisor contact information for every parent, guardian or other adult responsible for enrolling any child in Franchisee's Business since the inception of this Agreement.

(f) Franchisor's Rights Following Termination. Following termination of this Agreement, unless termination results from the proper exercise by Franchisee of Franchisee's option as provided in Section 6.01(a) hereof, Franchisor shall be entitled, either to operate the Business itself, with the use of all assets, including goodwill, reverting and transferred to it on termination as above provided, or to grant the franchise herein granted, and to sell all such properties and assets, to others upon terms and conditions as Franchisor shall determine, and to retain all proceeds of the transaction, in either event, without obligation to Franchisee of any kind.

(g) Rights Not Exclusive. The foregoing rights of Franchisor upon termination by reason of breach or default hereunder shall not be exclusive, but shall be in addition to and not in lieu of any other rights available to Franchisor under the terms hereof or at law or in equity. Termination of this Agreement under any circumstances shall not abrogate, impair, release, or extinguish any debt, obligation, or liability of Franchisee which may have accrued hereunder, including without limitation any debt, obligation, or liability which was the cause of termination. All covenants and agreements of Franchisee that by their terms or by reasonable implication are to be performed, in whole or in part, after the termination of this Agreement, shall survive termination.

(h) Activities Following Termination. Franchisee acknowledges that the elements comprising the Franchisor's System are unique, proprietary and distinctive and have been developed by Franchisor as the result of great expenditures of time, effort and money; that Franchisee has regular and continuing access to valuable trade secret and confidential information; and that Franchisee recognizes its obligation to keep this trade secret and confidential information in confidence pursuant to the provisions of this Agreement. Franchisee therefore agrees as follows:

(i) Nondisclosure. If, prior to its expiration this Agreement is terminated by Franchisor in accordance with the provisions of this Agreement or by Franchisee without cause, or this Agreement expires pursuant to the terms hereof and is not renewed, Franchisee shall not thereafter use or disclose to any person or entity any trade secrets, know-how, improvements, marketing plans, formulas, processes or other elements constituting proprietary and confidential aspects of the Franchisor's System.

(ii) Competition. Franchisee acknowledges that in addition to the license of the Marks hereunder, Franchisor has also licensed a large body of commercially valuable information including, but not limited to, operations, marketing, advertising and related materials and that the value of this information derives not only from the time, effort and money which went into its compilation but from the usage of same by all franchisees in the Franchisor's

Network to develop System goodwill. Franchisee further acknowledges that this information is not generally known in the industry and is beyond Franchisee's present skills and experience (or if Franchisee had prior related experience, it was not experience or knowledge remotely comparable to Franchisor's experience and knowledge) and that to develop this information would be expensive, time-consuming and difficult. Franchisee finally acknowledges that gaining access to Franchisor's marketing techniques, operational procedures, business practices and management methods used in Franchisee's Business is a primary reason for entering into this Agreement. Franchisee therefore agrees that, unless this Agreement is properly terminated pursuant to Section 6.01(a) hereof, in order to foster System loyalty, promote inter-brand competition and protect the ability of Franchisor to sell new franchise rights within the area, Franchisee will not, for a period of two (2) years, commencing on the effective date of termination, or the date on which Franchisee ceases the business conducted pursuant to this Agreement, whichever is later, have any interest as an owner, investor, partner, director, officer, employee, consultant, representative or agent, in any business competitive with that theretofore constituting the operations of a Business or any portion thereof, within five (5) miles of Franchisee's Territory (except ownership of securities that are traded on a stock exchange or on the over-the-counter market representing five percent (5%) or less of the equity or voting power of the issuer thereof). It is understood and agreed by Franchisee that the purpose of this covenant is not to deprive Franchisee of means of livelihood and will not do so, because Franchisee earned a livelihood before entering into this Agreement and has the skills to do so in the future, but is rather to protect the goodwill and interests of Franchisor, the Franchisor's System and Network of Safari Kid franchises.

(i) Irreparable Injury. Franchisee acknowledges that Franchisee's violation of any of the terms of this Section 6.03 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Franchisee accordingly consents to the issuance of an injunction prohibiting or compelling Franchisee to abide by the terms of this Section 6.03.

ARTICLE 7. TRANSFER AND ASSIGNMENT

7.01 Prior Offering and Consent; Conditions For Approval.

Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee and that Franchisor has granted this franchise in reliance upon the individual character, skill, aptitude, attitude, business ability and financial capacity of Franchisee. Therefore, except as hereinafter provided at Section 7.04, neither this Agreement or the Business, or any part or all of the ownership of Franchisee therein (including, but not limited to voting stock, securities convertible thereto, partnership and sole proprietorship interests), may be voluntarily, involuntarily, directly or indirectly assigned, sold, issued or otherwise transferred by Franchisee or its owner(s) until this Agreement and the Business have first been offered to Franchisor as provided in Section 7.03, and, if Franchisor does not accept this offer, without the prior written consent of Franchisor which shall not be unreasonably withheld, provided that the following conditions are met prior to, or concurrently with, the effective date of the assignment:

(a) The proposed transferee meets Franchisor's uniform standards of qualification then applicable with respect to all applicants for a Safari Kid Business including,

but not limited to financial strength, business experience, profile fit and other relevant business considerations; and

(b) As of the effective date of the transfer, all obligations of Franchisee under all written contracts and agreements between Franchisee and Franchisor are fully satisfied; and

(c) A transfer fee in an amount equal to Franchisor's most recent pre-opening services fee, corresponding to Section 4.01(b) above, is paid to Franchisor at least 30 days prior to the effective date of the transfer to cover Franchisor's costs in evaluating and training the proposed transferee, as well as effecting the transfer; and

(d) The transferee shall have signed and agreed to be bound by the then-current form of franchise agreement (and other ancillary agreements, if any) as are then used by Franchisor which shall: (i) waive the initial franchise fee; and (ii) provide for a new term; and

(e) The proposed transferee attends and completes all segments of the training program to Franchisor's satisfaction; and

(f) Except to the extent limited by applicable law, Franchisee and its owner(s) have executed a general release, in form satisfactory to Franchisor, of any and all claims against Franchisor and its affiliates, directors, officers, employees and agents; and

(g) Franchisor approves the material terms and conditions of the assignment, which approval shall not be unreasonably withheld, including particularly a determination that the price and terms of payment are not so burdensome as to adversely affect the future operations of the Business by the proposed transferee in compliance with the terms and conditions of the franchise agreement; and

(h) In the event that Franchisee is transferring less than all of the Safari Kid Businesses it owns in a single Territory, Franchisee provides to Franchisor for Franchisor's approval a proposed division of its Territory, acceptable to the proposed transferee, such that in the event of assignment the proposed transferee shall receive a portion of the Territory in which to operate the transferred Business.

7.02 Death or Disability.

In the event of the death or disability of Franchisee or of a principal owner of Franchisee, or if Franchisee is a corporation or partnership, or the owner of a majority interest therein, the executor, administrator, conservator or other personal representative of such person shall transfer his interest within a reasonable time, not to exceed one hundred eighty (180) days from the date of death or disability, to a third party approved by Franchisor. The term "disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent Franchisee from supervising management and operation of the franchise for thirty or more consecutive days. This transfer, including, without limitation, transfers by devise or inheritance, shall be subject to all of the terms and conditions contained in Section 7.01 and the following:

(a) Management by Franchisor. If, after death or disability, Franchisee's Business is not being managed and operated by a competent and trained manager, Franchisor is authorized, but is not obligated, to immediately assume management of the Business until an approved and trained transferee can assume operations. Revenues from operation of the Business during the period of management by Franchisor shall be used by Franchisor to meet any and all expenses of Franchisee's Business including, without limitation, the weekly compensation, travel and living expenses of any of Franchisor's employees or designees. Operation of Franchisee's Business during any period of management by Franchisor pursuant to this subparagraph (a) shall be for and on behalf of Franchisee, provided that Franchisor shall only have a duty to utilize its best efforts and shall not be liable for any debts, obligations or losses incurred by the Business during any period in which it is managed by Franchisor.

7.03 Right of First Refusal.

In the event Franchisee desires to make any sale, assignment or other transfer referred to in Section 6.01, Franchisee shall first obtain a bona fide, executed written offer from responsible and fully disclosed purchaser(s) and submit an exact copy of this offer to Franchisor. Franchisor shall have the right, exercisable by written notice delivered to Franchisee, to accept this offer on equal terms and price at any time within thirty (30) days following receipt by Franchisor of the exact copy of Franchisee's offer. If Franchisor does not exercise its right of first refusal, Franchisee may complete the proposed sale, assignment or other transfer pursuant to and on the terms of the offer, and in compliance with all provisions of Section 6.01. In the event the sale, assignment or other transfer is not completed within sixty (60) days after delivery of the offer to Franchisor or there is a material change in the terms of the sale, assignment or other transfer, Franchisor shall again have a right of first refusal herein provided.

(a) Transfer of Major Interest. In the event Franchisee desires to make any sale, assignment or other transfer of more than 50% of the capital stock or of the partnership interest of a corporation, partnership or other entity organized and wholly owned by Franchisee to which this Agreement has been assigned pursuant to Section 7.04, then Franchisor shall also have the option to purchase not only the interest being transferred but also the remaining interest so that Franchisor shall have a right of first refusal to purchase 100% of the ownership interest. The value of this 100% interest shall be determined on a basis proportionate to the price of the interest initially offered. For example, if a 60% interest is being sold by Franchisee for \$1,000,000 then the value of the 100% interest would be \$1,666,666.

7.04 Assignment to Franchisee Entity.

It is understood that Franchisee may assign and delegate this Agreement and Franchisee's rights and obligations hereunder to a corporation, partnership or limited liability company organized by Franchisee for that purpose in which Franchisee owns and controls a majority of the equity and voting power of all issued and outstanding stock or of the general partnership or ownership interest, and without complying with Sections 7.01 and 7.03, provided that:

(a) All shareholders (or partnership partners or owners) are identified to and approved by Franchisor; and

(b) The articles of incorporation, articles of partnership, partnership agreement, bylaws or other organizational documents of the corporation, partnership or limited liability company recite that the issuance and assignment of any interest therein is restricted by the terms of Sections 7.01 and 7.03 of this Agreement, and in the case of a corporation all issued and outstanding stock certificates of the corporation shall bear a legend reflecting or referring to the restrictions of Sections 7.01 and 7.03 in a form satisfactory to counsel for Franchisor; and

(c) Each shareholder, officer, director, owner or partner of Franchisee shall execute an agreement provided by Franchisor undertaking to be bound jointly and severally by the provisions of this Agreement; and

(d) Franchisee shall furnish to Franchisor at any time upon request, in form as Franchisor may require, a list of all shareholders, directors, officers, owners or partners of Franchisee reflecting their respective interests in and positions with Franchisee; and

(e) The corporation, partnership or limited liability company shall at no time engage, directly or indirectly, in any similar business activity other than those directly related to the operation of Franchisee's Business, pursuant to all terms and conditions of this Agreement; and

(f) Franchisor shall be given written notice of the assignment and delegation, and upon compliance with the foregoing, the corporation, partnership or limited liability company shall have all of said rights and obligations, and the term "Franchisee" as used herein shall refer to the corporation or partnership.

Each reference to a corporation in this Section 7.04 shall be deemed to also refer to a limited liability company and any other entity or organization similar thereto. Each reference to the organizational documents, shareholders, directors and officers of a corporation shall be deemed to refer to the functional equivalents of such organizational documents, shareholders, directors and officers, as applicable, in the case of a limited liability company or any other entity or organization similar thereto.

7.05 Consent Does Not Constitute Waiver.

Franchisor's consent to an assignment or transfer of any interest subject to the restrictions of this Article shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor right to demand exact compliance with any of the terms or conditions hereof by transferee.

7.06 Transfer or Assignment By Franchisor.

This Agreement is fully assignable by Franchisor in whole or in part and shall inure to the benefit of any assignee or other legal successor to the interest of Franchisor herein.

ARTICLE 8. ADDITIONAL LIMITATIONS AND PROVISIONS

8.01 Independent Status.

This Agreement and the activities pursuant hereto do not and will not be deemed to create any relationship between Franchisor and Franchisee or any other party of agency, partnership, joint venture or employment, or any other relationship except that of franchisor and franchisee. Franchisee is and shall be solely an independent contractor and shall at no time act or represent itself to be acting in any other capacity. Without limiting the foregoing, Franchisee shall not incur any obligation or indebtedness on behalf of Franchisor; shall only contract or otherwise incur any obligation or indebtedness only in Franchisee's own name, which, if Franchisee is a corporation or partnership, shall at no time include Franchisor's name or Mark or any part thereof, or be so similar thereto so as to be in any way misleading; and Franchisee shall otherwise comply with the provisions of Section 4.07 hereof.

8.02 Whole Agreement; Amendments; Construction.

This Agreement contains the entire understanding of the parties, except for such additional agreements and understandings as may, concurrently herewith or hereafter be set forth in written agreements executed by both parties hereto. This Agreement shall be effective only when executed by a duly authorized officer of Franchisor. Subject to Franchisor's right to modify its Manuals as provided herein, no amendment or addition to this Agreement shall be effective unless in writing, executed by a duly authorized officer of Franchisor and by Franchisee. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit or construe the contents of the sections or paragraphs. This Agreement shall be executed in multiple copies, each of which shall be deemed an original.

8.03 Severability; Additional Assurances.

Should any provision of this Agreement be for any reason held invalid, illegal or unenforceable, that provision shall be deemed restricted in application to the extent required to render it valid and the remainder hereof shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of the invalid, illegal or unenforceable provision. If any of the provisions of this contract are inconsistent with applicable state law, then the state law shall apply. Each party agrees to execute and deliver to the other any further documents that may be reasonably required to fully effectuate the provisions hereof. To the extent that any provisions of Sections 4.06(d) or 6.03(g) are deemed unenforceable by virtue of its scope of area, prohibited business activity or length of time, but may be made enforceable by reductions of any or all provisions thereof, Franchisee and Franchisor agree that Sections 4.06(d) or 6.03(g) shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. Although printed provisions of this Agreement were prepared by Franchisor, this Agreement shall not be construed either for or against Franchisor or Franchisee, but shall be construed in accord with the general tenor of the language to reach a fair and equitable result.

8.04 Remedies.

It is recognized that performance by Franchisee of Franchisee's obligations hereunder is of unique value, and that non-performance or breach thereof would result in irreparable damage to Franchisor. Accordingly Franchisee agrees that in the event of any nonperformance or breach, Franchisor shall have the right to secure injunctive or other equitable relief, without bond, but upon due notice, to prevent same, and Franchisee consents to the granting of this relief, in addition, and without prejudice, to any other remedies available to Franchisor at law. Subject to this right on the part of Franchisor, and without prejudice thereto, and subject to any applicable provision of law to the contrary, it is agreed that any controversy or dispute arising out of or in connection with this Agreement and activities hereunder, including any termination or purported termination hereof, shall be settled by arbitration in accordance with the Commercial Arbitration Rules, as then in effect, of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator(s) may be entered in any state or federal court having jurisdiction. It is the intent of the parties that no claim arbitrated hereunder shall be arbitrated on a class wide basis. In the event that this Agreement is terminated by Franchisor on account of a claimed default hereunder by Franchisee, and without waiving any of Franchisor's rights under Section 8.09 below, any objection or claim by Franchisee arising there from shall be deemed waived and released unless Franchisee shall deliver to Franchisor written demand for arbitration within twenty (20) days following the effective date of the termination; provided, however, that this waiver and release of claims shall not apply with respect to any claim arising under applicable state law. The failure of either party to object to, or exercise any remedy on account of, any failure or performance hereunder by the other party shall not constitute a waiver of any other failure of performance of the same or different nature.

8.05 Notices.

All notices required or permitted hereunder shall be in writing, shall be deemed given when received, and shall be personally delivered to or sent by overnight courier or by telecopy or facsimile (provided the sender has confirmation of successful transmission), but shall not include electronic communication (such as email), addressed as follows:

To Franchisor: Safari Kid Franchise LLC

 Newark, California 94560
 Attn: Mr. Deepak Mudakavi
 Fax: (510) _____

To Franchisee: _____

Either party may change the address for notices by written notice to the other in accordance with the foregoing.

8.06 Successors and Assigns; Governing Law; Jurisdiction

Subject to the above provisions concerning assignments and transfers by Franchisee, this Agreement shall inure to the benefit of and be binding upon the successors, assigns and legal representatives of the parties hereto.

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et. seq.) or other applicable state law, this Agreement shall be construed in accordance with, and governed by, the laws of the State where Franchisor's principal business address is then located. If a claim is asserted in any legal proceeding, or in arbitration, Franchisee agrees all actions must be commenced in the state, and in the state or federal court of general jurisdiction (or arbitration site) closest to where Franchisor's principal business address is then located, and Franchisee irrevocably submits to the jurisdiction of those courts and waives any objection Franchisee might have to either jurisdiction or venue in those courts.

8.07 Limitation of Claims

Except for claims arising from Franchisee's nonpayment or underpayment of amounts due Franchisor, and subject to Section 8.05 hereof, any and all claims arising out of or relating to this Agreement will be barred as a claim, counterclaim, defense or set off unless a proceeding is commenced within one (1) year from the occurrence of the facts giving rise to such claims or ninety (90) days from either the actual discovery of the facts giving rise to such claims or from the date on which the party asserting the claim knew or should have, in the exercise of reasonable diligence, discovered such facts.

8.08 Waiver of Punitive Damages

Franchisor and Franchisee (and its owners and guarantors, if applicable) hereby waive to the fullest extent permitted by law, any right to or claim for any punitive or exemplary damages against the other and agree that in the event of a dispute between them each shall be limited to the recovery of any actual damages sustained.

8.09 Acknowledgment of Understanding; Opportunity to Consult

Franchisee acknowledges reading and understanding this Agreement, including all attachments hereto, and agreements relating thereto, if any, and that Franchisor has accorded Franchisee ample time and opportunity to consult with an attorney or other advisor of Franchisee's own choosing about the potential benefits and risks of entering into this Agreement.

In Witness Whereof, the parties hereto have executed this Agreement as of this _____ day of _____, 20____.

SAFARI KID
AREA DEVELOPMENT AGREEMENT

This Area Development Agreement (this "Agreement") is made and entered into this _____ day of _____, 20__ (the "Effective Date") by and between Safari Kid Franchising, LLC, a California limited liability company ("Safari Kid") and _____, (the "Area Developer");

W I T N E S S E T H:

WHEREAS, Safari Kid is the owner and operator of certain proprietary and other property rights and interests in and to the "Safari Kid " name and such other trademarks, trade names, service marks, logotypes, insignias, trade dress and designs (the "Proprietary Marks") used in connection with the development, operation and maintenance of an outlet (each a "Learning Center" and collectively, "Learning Centers") offering daycare, preschool, After School, and Learning Center services, together with other services as the Learning Center may authorize from time to time (the "Franchised Business");

WHEREAS, Safari Kid has originated, developed and perfected a unique and successful system for the establishment, operation and merchandising of Learning Centers, which system includes, but is not limited to, site selection, a unique and readily recognizable design, color scheme, decor, layout and signage for the business premises, class curriculum, accounting and bookkeeping methods, merchandising, advertising and promotional techniques, personnel training and a confidential manual (the "Manual") of operating procedures containing specially conceived and designed methods for operations (the "System"); and

WHEREAS, Safari Kid desires to expand and develop the Franchised Business and seeks sophisticated and enthusiastic multi-unit Developers who will develop and operate numerous Learning Centers for the Franchised Business within designated areas; and

WHEREAS, Area Developer desires to build and operate Learning Centers, and Safari Kid desires to grant to Area Developer the right to build and operate Learning Centers in accordance with the terms and upon the conditions contained in this Agreement;

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants and promises herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties hereto, the parties agree as follows:

I. GRANT OF AREA DEVELOPMENT RIGHTS

1.1. Grant of Area Development Rights

Safari Kid hereby grants to Area Developer, and Area Developer hereby accepts, the non-exclusive right to enter into our standard form of franchise agreement then being offered to prospective Developers under the System (a "Franchise Agreement"), during the Term (as defined

below), to develop, construct, equip, open and operate Learning Centers in the Development Area (as defined below), upon the terms and subject to the conditions of this Agreement.

This Agreement is not a Franchise Agreement and Area Developer does not have the right to use the Proprietary Marks or System in any manner by virtue hereof. Each Learning Center will be governed by a Franchise Agreement entered into by Safari Kid and Area Developer for each Learning Center in accordance with the terms and conditions of this Agreement.

II. AREA DEVELOPER'S DEVELOPMENT OBLIGATION

2.1. Development Obligation

Area Developer hereby agrees to construct, equip, open and thereafter continue to operate within the Development Area not less than the cumulative number of Learning Centers set forth on Exhibit "A" which is attached hereto and by this reference made a part hereof, within each of the time periods (the "Development Periods") specified therein (the "Development Obligation").

2.2. Force Majeure

Should Area Developer be unable to meet the Development Obligation solely as the result of acts wholly beyond the control of the parties ("Force Majeure"), including, but not limited to, strikes, material shortages, fires, floods, earthquakes, and other acts of God, or by force of law (including, but not limited to, any legal disability of Safari Kid to deliver a Franchise Disclosure Document pursuant to Section 6.1 of this Agreement), which result in the inability of Area Developer to construct or operate Learning Center(s) in the Development Area, and which Area Developer could not by the exercise of due diligence have avoided, the Development Periods shall be extended by the amount of time during which such Force Majeure shall exist.

III. DEVELOPMENT AREA

3.1. Description of Development Area

If Area Developer complies with the terms of this Agreement, including, without limitation, the Development Obligation, and if Area Developer complies with the Franchise Agreement entered into for each Learning Center, then, during the Term and except as otherwise provided in this Section 3.1, Safari Kid shall not operate, or license any other person to operate, a Learning Center within the area set forth and described on Exhibit "B" which is attached hereto and by this reference made a part hereof (the "Development Area"). Notwithstanding the foregoing, Safari Kid hereby reserves the right to:

(a) Establish or license others to establish childcare, preschool and after school Learning Center care or education programs or camps or provide similar or competitive products or services under marks other than the Proprietary Marks within or outside of the Development Area and regardless of proximity to any Learning Center within the Development Area;

(b) Offer or sell any products or services under the Proprietary Marks or any other marks, through any other channel of distribution within or outside of the Development Area;

(c) Advertise and market the System anywhere at any time; and

(d) Establish, either directly or through an affiliate of Safari Kid or by licensing others, Learning Centers at any site Safari Kid deems appropriate outside of the Development Area, regardless of the proximity to the boundaries of the Development Area. Safari Kid makes no representation or warranty that Area Developer will have any right to participate in such licenses.

IV. TERM OF AREA DEVELOPMENT AGREEMENT

4.1. Term

The term of this Agreement (the "Term") shall commence on the Effective Date and, unless sooner terminated in accordance with the provisions herein, or extended as provided in Section 2.2, shall expire when the last Learning Center to be developed pursuant to the Development Obligation is open for business.

4.2. Renewal

Area Developer shall have no right to renew this Agreement.

V. PAYMENTS BY AREA DEVELOPER

5.1. Development Area Fee

The aggregate initial franchise fees to be remitted by Area Developer to Safari Kid is set forth on Exhibit "C" attached hereto and by this reference made a part hereof. Area Developer shall pay to Safari Kid in cash or by certified check concurrently with the execution of this Agreement the lump sum of the franchise fee per franchise unit to be developed. Upon the execution of the lease for each Learning Center to be developed hereunder, Area Developer shall pay to Safari Kid the pre-opening services fee set forth in Exhibit "C." The sum of the fees set forth in Exhibit "C" constitute the "Development Area Fee." All fees are deemed fully earned upon receipt and are non-refundable.

In the event that Area Developer acquires or already owns the property on which the Learning Center will be located and does not execute a lease for the property, the pre-opening services fee will be due on the date Area Developer acquires the property after signing the franchise agreement, or upon signing the franchise agreement if Area Developer already owns the property on that date.

VI. EXECUTION OF INDIVIDUAL FRANCHISE AGREEMENTS

6.1. Site Approval, Submission of Franchise Disclosure Document, Execution of Franchise Agreement

(a) After Area Developer has located a proposed site for a Learning Center, Area Developer shall submit to Safari Kid such information regarding the proposed site as Safari Kid shall require and in the form which Safari Kid shall require, together with the terms of any proposed lease relating to such site. Safari Kid may request such additional information as it deems

necessary, and Area Developer shall respond promptly to such requests for additional information. Safari Kid's approval of a proposed site will be evidenced by Safari Kid entering into the then-current form of Franchise Agreement and the then-current form of agreement required by Safari Kid to supplement or amend the Franchise Agreement in order to describe the approved site (a "Site Location Addendum"), and such approval will be given (if at all) after Safari Kid has (i) reviewed all information required to be submitted by Area Developer regarding the proposed site and (ii) in Safari Kid's discretion visited the proposed site. Any additional requirements in the then-current form of Franchise Agreement regarding site selection and approval shall apply.

(b) With respect to each Learning Center to be developed under this Agreement, Area Developer shall, on or before six (6) months prior to expiration of the applicable Development Period, enter into the then current Franchise Agreement and such other ancillary agreements (including, without limitation, a Site Location Addendum) as may be required by Safari Kid.

(c) Prior to entering into a Franchise Agreement and a Site Location Addendum, Safari Kid shall transmit to Area Developer a Franchise Disclosure Document, together with execution counterparts of Safari Kid's then-current Franchise Agreement and such other ancillary agreements as may be required by Safari Kid pertaining to the proposed site and providing for a protected territory surrounding said Learning Center, determined by Safari Kid in good faith, in accordance with Safari Kid's then-current policies and standards for exclusive territories. Immediately upon receipt of the Franchise Disclosure Document, Area Developer (and all other required persons or entities) shall return to Safari Kid a signed copy of the Receipt of the Franchise Disclosure Document. After the passage of any applicable Disclosure Period, Area Developer shall execute and deliver, and/or cause to be executed and delivered, to Safari Kid counterparts of said Franchise Agreement and all other ancillary agreements required by Safari Kid (including, without limitation, the Site Location Addendum). Safari Kid shall, promptly upon receipt of said documents, execute and return to Area Developer one fully executed copy of the Franchise Agreement and other ancillary agreements. Notwithstanding the foregoing, if Safari Kid is not legally able to deliver a Franchise Disclosure Document to Area Developer by reason of any lapse or expiration of its franchise registration, or because Safari Kid is in the process of amending any such registration, or for any reason beyond Safari Kid's reasonable control, Safari Kid may delay approval of the proposed site for Area Developer's proposed Learning Center until such time as Safari Kid is legally able to deliver a Franchise Disclosure Document.

6.2. Condition Precedent to Safari Kid's Obligations

It shall be a condition precedent to Safari Kid's obligations pursuant to Section 6.1, that Area Developer shall have performed all of Area Developer's obligations under and pursuant to this Agreement and all other agreements between Area Developer and Safari Kid.

VII. ASSIGNABILITY AND SUBFRANCHISING

7.1. Assignability by Safari Kid

Safari Kid shall have the right to assign this Agreement, or any of its rights and privileges hereunder, to any other person or entity without Area Developer's prior consent.

7.2. No Subfranchising by Area Developer

Area Developer shall not offer, sell, or negotiate the sale of Safari Kid Franchising to any third party, either in Area Developer's own name or in the name and on behalf of Safari Kid, or otherwise subfranchise, share, divide or partition this Agreement, and nothing in this Agreement shall be construed as granting Area Developer the right to do so.

7.3. Assignment by Area Developer

(a) The rights and duties created by this Agreement are personal to Area Developer. Accordingly, except as otherwise permitted herein, neither Area Developer nor the owner of any stock, membership interest, partnership interest or other equity interest ("Equity Interest") in Area Developer shall, without the prior written consent of the Safari Kid, directly or indirectly, sell, assign, transfer (including, without limitation, any transfer occurring by inter vivos transfer or, upon death, by testamentary disposition or pursuant to the laws of intestate succession), convey, give away, pledge, mortgage or otherwise encumber any direct or indirect interest in this Agreement or any Equity Interest in Area Developer. Any such purported transfer or assignment occurring by operation of law or otherwise without the prior written consent of Safari Kid shall constitute a breach of this Agreement by Area Developer and shall be null and void. Any such transfer or assignment shall be subject, in any event, to the right of first refusal in favor of the Safari Kid set forth in Section 7.4 of this Agreement.

(b) Should Safari Kid not elect to exercise its said right of first refusal, Safari Kid's consent to such transfer or assignment, but not to the partition, sharing or dividing of rights under this Agreement, shall not be unreasonably withheld; provided, however, Safari Kid may impose any reasonable condition(s) to the granting of its consent. Without limiting the generality of the foregoing, the imposition of any or all of the following conditions to its consent to any such transfer or assignment shall be deemed to be reasonable:

(i) that the assignee (or, in the case of an entity assignee, the shareholders, members, partners or other equity interest holders of the assignee) demonstrate that they have the skills, qualifications and economic resources necessary, in Safari Kid's judgment, reasonably exercised, to develop, construct, equip, open and operate the Learning Centers contemplated by this Agreement, and by all other agreements between Safari Kid and such assignee, and all agreements (including, without limitation, Franchise Agreements entered into pursuant to this Agreement) proposed to be assigned to such assignee;

(ii) that the assignee enter into a written assignment, in form and substance satisfactory to Safari Kid, pursuant to which such assignee assumes and agrees to discharge all rights and obligations of Area Developer under this Agreement and all Franchise Agreements entered into pursuant to this Agreement;

(iii) that Area Developer pay to Safari Kid any and all transfer fees that may be required by each Franchise Agreement executed pursuant hereto;

(iv) that Area Developer, and each owner of an Equity Interest in Area Developer, execute a general release, the consideration for which shall be the consent to the assignment, in form and substance satisfactory to Safari Kid, of any and all claims against Safari Kid and all of Safari Kid's subsidiaries and affiliates (collectively, "Safari Kid's Affiliates"), and their respective

shareholders, members, partners and other equity interest holders, officers, directors, managers, agents, representatives, successors and assigns, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, to the extent permitted by law;

(v) that as of the date of any such assignment, the assignor shall have fully complied with all of its obligations to Safari Kid, whether under this Agreement or any other agreement (including, without limitation, Franchise Agreements entered into pursuant to this Agreement or otherwise), arrangement or understanding with Safari Kid;

(vi) that assignee is not then in default of any of such assignee's obligations to Safari Kid, whether pursuant to a Franchise Agreement or other agreement with Safari Kid;

(vii) that the assignee shall pay to Safari Kid a transfer fee equal to \$30,000.00 which is reasonably required to cover Safari Kid's expenses relating to said assignment (such fee being in addition to any transfer fee required to be paid under any Franchise Agreement entered into pursuant to this Agreement or otherwise); and

(viii) that the assignee, or all of the shareholders, members, partners or other equity interest holders of the assignee, as the case may be, shall jointly and severally fully, unconditionally and irrevocably guarantee the performance by Area Developer of all its obligations hereunder.

(c) Any assignment, transfer or other disposition of a Learning Center within the Development Area shall be governed by the Franchise Agreement for such Learning Center.

(d) If Area Developer is a legal entity, each of the following shall be deemed to be an assignment by Area Developer of this Agreement (or of an interest in this Agreement) within the meaning of this Section: (i) the transfer or assignment by any owner of an Equity Interest in the Area Developer; (ii) the issuance of any securities by Area Developer which itself or in combination with any other transaction(s) results in the owners of an Equity Interest in Area Developer existing as of the Effective Date, owning less than one hundred percent (100%) of the Equity Interest in the Area Developer; and (iii) any merger, stock redemption, consolidation, reorganization or recapitalization involving Area Developer.

(e) Without limiting the generality of the foregoing, Area Developer shall not in any event have the right to pledge, encumber, hypothecate or otherwise give any third party a security interest in this Agreement in any manner whatsoever without the express prior written consent of Safari Kid, which consent may be withheld by Safari Kid in its sole and absolute discretion.

7.4. Right of First Refusal

Any assignment of this Agreement, or any interest herein, shall be subject to the Safari Kid's right of first refusal with respect thereto. Safari Kid's said right of first refusal shall be exercised in the following manner:

(a) Area Developer shall deliver to Safari Kid a written notice clearly and unambiguously setting forth all of the terms and conditions of the proposed assignment and all available information concerning the proposed assignee, including, but not limited to, information concerning the employment history, financial condition, credit history, skill and qualifications of

the proposed assignee and, in the case of an entity, of its shareholders, members, partners and equity interest holders, as applicable.

(b) Within thirty (30) days after Safari Kid's receipt of such notice (or if Safari Kid shall request additional information, within thirty (30) days after receipt of such additional information), Safari Kid may either consent or withhold its consent to such assignment, in accordance with Section 7.3, or, at its option, accept the assignment to itself or to its nominee upon the terms and conditions specified in the notice. Safari Kid may substitute an equivalent sum of cash for any consideration other than cash specified in said notice.

(c) If Safari Kid shall elect not to exercise its said right of first refusal and shall consent to such assignment, Area Developer shall, subject to the provisions of Section 7.3, be free to assign this Agreement to such proposed assignee on the terms and conditions specified in said notice. If, however, Safari Kid does not elect to exercise its right of first refusal and said terms shall be materially changed, or if more than 90 days shall elapse after the date of Safari Kid's receipt of written notice of such assignment without such assignment occurring, such changed terms or lapse of time shall be deemed a new proposal, and Safari Kid shall again have such right of first refusal with respect thereto.

7.5. Individual Franchise Agreements

Area Developer shall not execute any Franchise Agreement, or construct or equip any Learning Center, with a view to transferring or assigning such Franchise Agreement or Learning Center.

VIII. NON-COMPETITION

8.1. In Term

During the Term of this Agreement, neither Area Developer, or if Area Developer is a legal entity, no owner of an Equity Interest in Area Developer or any officer, director or manager of Area Developer shall either directly or indirectly, own, operate, advise, be employed by, or have any interest in any childcare, preschool, afterschool or children's camp enterprise, whether within or outside of the Development Area, unless Safari Kid, in its sole and absolute discretion, shall consent thereto in writing.

8.2. Modification

The parties have attempted in Section 8.1 above to limit the Area Developer's right to compete only to the extent necessary to protect Safari Kid from unfair competition and substantial conflicts of interest during the Term. The parties hereby expressly agree that if the scope or enforceability of Section 8.1 is disputed at any time by Area Developer, a court or arbitrator, as the case may be, may modify either or both of such provisions to the extent it deems necessary to make such provision(s) enforceable under applicable law. In addition, Safari Kid reserves the right to reduce the scope of either, or both, of said provisions without Area Developer's consent, at any time or times, effective immediately upon notice to Area Developer.

IX. TERMINATION

9.1. Termination Pursuant to A Material Breach of This Agreement

This Agreement may be terminated by Safari Kid for cause without notice or opportunity to cure, except for such notice as may be required by law, in the event of any material breach by Area Developer of this Agreement. Material breach, as used herein, shall specifically include, among other things, the following:

(a) Failure of Area Developer to comply with the Development Obligation within the Development Periods;

(b) Failure of Area Developer to perform any other of Area Developer's obligations under this Agreement, including, without limitation, the obligation to enter into a Franchise Agreement with respect to any Learning Center within the time required under this Agreement, and the obligation of Area Developer to obtain the prior written consent of Safari Kid with respect to any transfer or assignment of this Agreement, in whole or in part, or any or all rights and obligations hereunder.

(c) The filing by or against Area Developer of any petition in bankruptcy, arrangement for the benefit of creditors, or petition for reorganization which is not dismissed within ninety (90) days;

(d) The appointment of a receiver or trustee for Area Developer which receiver or trustee is not dismissed within ninety (90) days from the date of appointment;

(e) The conviction of, or pleading of nolo contendere by, any owner of an Equity Interest in Area Developer to a felony crime involving moral turpitude; or any misconduct of any type involving a minor; or

(f) The discovery by Safari Kid that Area Developer concealed, omitted, or misrepresented any material fact in qualifying to become an Area Developer that would have disqualified Area Developer from being granted the license in this Agreement.

9.2. Termination by Reason of a Material Breach of Other Agreement

This Agreement may be terminated, at the election of Safari Kid, in the event of any material breach by Area Developer of an individual Franchise Agreement or any other agreement between Safari Kid and Area Developer, upon the notice, if any, specified in the Franchise Agreement or other agreement.

9.3. Effect of Expiration or Termination

(a) Upon the expiration of the Term, or upon the prior termination of this Agreement, Area Developer shall have no further right to construct, equip, open or operate additional Learning Center which are not, at the time of such expiration or termination, the subject of a then-existing Franchise Agreement between Area Developer and Safari Kid which is in full force and effect, and Safari Kid may itself construct, equip, open, or operate, or license others to construct, equip,

open, or operate Learning Centers in the Development Area and as provided in any Franchise Agreement executed pursuant to this Agreement.

(b) Competition. Area Developer acknowledges that in addition to the license granted hereunder, Safari Kid is licensing to Area Developer, in conjunction with each franchised business, a large body of commercially valuable information including, but not limited to, operations, marketing, advertising and related materials and that the value of this information derives not only from the time, effort and money which went into its compilation but from the usage of same by all franchisees in the Safari Kid's network to develop System goodwill. Area Developer further acknowledges that this information is not generally known in the industry and is beyond Area Developer's present skills and experience (or if Area Developer had prior related experience, it was not experience or knowledge remotely comparable to Safari Kid's experience and knowledge) and that to develop this information would be expensive, time-consuming and difficult. Area Developer finally acknowledges that gaining access to Safari Kid's marketing techniques, operational procedures, business practices and management methods used in Area Developer's development of the franchised businesses is a primary reason for entering into this Agreement. Area Developer therefore agrees that, in order to foster System loyalty, promote inter-brand competition and protect the ability of Safari Kid to sell new franchise rights within the area, Area Developer will not, for a period of two (2) years, commencing on the effective date of termination, or the date on which Area Developer ceases the business conducted pursuant to this Agreement, whichever is later, have any interest as an owner, investor, partner, director, officer, employee, consultant, representative or agent, in any business competitive with that theretofore constituting the operations of a Business or any portion thereof, within five (5) miles of Area Developer's Territory (except ownership of securities that are traded on a stock exchange or on the over-the-counter market representing five percent (5%) or less of the equity or voting power of the issuer thereof). It is understood and agreed by Area Developer that the purpose of this covenant is not to deprive Area Developer of means of livelihood and will not do so, because Area Developer earned a livelihood before entering into this Agreement and has the skills to do so in the future, but is rather to protect the goodwill and interests of Safari Kid, the System and network of Safari Kid franchises.

Safari Kid shall not be required to post a bond in excess of \$1,000.00 or other security with respect to obtaining any such equitable relief.

XII. GENERAL CONDITIONS AND PROVISIONS

12.1. Relationship of Area Developer to Safari Kid

It is expressly agreed that Area Developer has no authority to create or assume in Safari Kid's name or on behalf of Safari Kid, any obligation, express or implied, or to act or purport to act as agent or representative on behalf of Safari Kid for any purpose whatsoever. Neither Safari Kid nor Area Developer is the employer, employee, agent, partner or co-venturer of, or with the other, each being independent. Area Developer agrees that Area Franchise will not hold himself or itself out as the agent, employee, partner or co-venturer of Safari Kid. All employees hired by or working for Area Developer shall be the employees of Area Developer and shall not, for any purpose, be deemed employees of Safari Kid or subject to Safari Kid's control. Each of the parties agrees to file its own tax, regulatory and payroll reports with respect to its respective employees and operations, saving and indemnifying the other party hereto of and from any liability of any nature whatsoever by virtue thereof. This indemnity obligation shall survive the expiration or prior termination of this Agreement.

12.2. Indemnity by Area Developer

This indemnity obligation shall survive the expiration or prior termination of this Agreement.

12.3. No Consequential Damages For Legal Incapacity

Safari Kid shall not be liable to Area Developer for any consequential damages, including but not limited to lost profits, interest expense, increased construction or occupancy costs, or other costs and expenses incurred by Area Developer by reason of any delay in the delivery of Safari Kid's Franchise Disclosure Document caused by legal incapacity during the Term, or other conduct not due to the gross negligence or intentional misconduct of Safari Kid.

12.4. Waiver and Delay

No waiver by Safari Kid of any breach or series of breaches or defaults in performance by Area Developer, and no failure, refusal or neglect of Safari Kid to exercise any right, power or option given to it hereunder or under any franchise agreement between Safari Kid and Area Developer, whether entered into before, after or contemporaneously with the execution hereof (and whether or not related to the Learning Centers) or to insist upon strict compliance with or performance of Area Developer's obligations under this Agreement or any franchise agreement between Safari Kid and Area Developer, whether entered into before, after or contemporaneously with the execution hereof (and whether or not related to the Learning Centers), shall constitute a waiver of the provisions of this Agreement with respect to any subsequent breach thereof or a waiver by Safari Kid of its right at any time thereafter to require exact and strict compliance with the provisions thereof.

12.5. Survival of Covenants

The covenants contained in this Agreement which, by their terms, require performance by the parties after the expiration or termination of this Agreement, shall be enforceable notwithstanding said expiration or other termination of this Agreement for any reason whatsoever.

12.6. Successors and Assigns

This Agreement shall be binding upon and inure to the benefit of the successors and permitted assigns of Safari Kid and shall be binding upon and inure to the benefit of Area Developer and his, its or their respective heirs, executors, administrators, successors and permitted assigns, subject to the prohibitions against assignment contained herein.

12.7. Joint and Several Liability

If Area Developer consists of more than one person or entity, or a combination thereof, the obligations and liabilities of each such person or entity to Safari Kid are joint and several.

12.8. Governing Law

Except to the extent governed by the U.S. Trademark Act of 1946 (Lanham Act), 15 U.S.C., Section 1051, et seq.), this Agreement shall be construed in accordance with the laws of the State of California.

12.9. Entire Agreement

This Agreement and the Exhibits incorporated herein contain all of the terms and conditions agreed upon by the parties hereto concerning the subject matter hereof. All prior agreements, understandings and representations, are merged herein and superseded hereby. Area Developer represents that there are no contemporaneous agreements or understandings between the parties relating to the subject matter of this Agreement that are not contained herein. No officer or employee or agent of Safari Kid has any authority to make any representation or promise not contained in this Agreement or any Franchise Disclosure Document for prospective Developers required by applicable law. This Agreement cannot be modified or changed except by written instrument signed by all of the parties hereto. Where this Agreement and any Franchise Agreement entered into pursuant to this Agreement conflict with respect to the amount or payment terms of initial franchise fees, or the date by which a Learning Center is to be opened, the terms of this Agreement shall govern. Nothing in the agreement is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

12.10. Titles for Convenience

Article and paragraph titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement.

12.11. Gender

All terms used in any one number or gender shall extend to mean and include any other number and gender as the facts, context, or sense of this Agreement or any article or paragraph hereof may require.

12.12. Severability

Nothing contained in this Agreement shall be construed as requiring the commission of any act contrary to law. Whenever there is any conflict between any provisions of this Agreement and any present or future statute, law, ordinance or regulation contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the provisions of this Agreement thus affected shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law. In the event that any part, article, section, paragraph, sentence or clause of this Agreement shall be held to be indefinite, invalid or otherwise unenforceable, the indefinite,

invalid or unenforceable provision shall be deemed deleted, and the remaining part of this Agreement shall continue in full force and effect.

12.13. Counterparts

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

12.14. Attorney Fees

Should any party hereto commence any action or proceeding for the purpose of enforcing, or preventing the breach of, any provision hereof, whether by judicial or quasi-judicial action or otherwise, or for damages for any alleged breach of any provision hereof, or for a declaration of such party's rights or obligations hereunder, then the prevailing party shall be reimbursed by the losing party for all costs and expenses incurred in connection therewith, including, but not limited to, reasonable attorneys' fees for the services rendered to such prevailing party.

12.15. Notices

All written notices and reports permitted or required to be delivered by the provisions of this Agreement shall be deemed so delivered three (3) days after placed in the United States mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at such party's most current principal address which the notifying party has on record.

XIII. SUBMISSION OF AGREEMENT

13.1. General

The submission of this Agreement does not constitute an offer and this Agreement shall become effective only upon the execution thereof by Safari Kid and Area Developer. THIS AGREEMENT SHALL NOT BE BINDING ON SAFARI KID UNLESS AND UNTIL IT SHALL HAVE BEEN ACCEPTED AND SIGNED BY THE PRESIDENT OF SAFARI KID. THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL AND UNLESS AREA DEVELOPER SHALL HAVE BEEN FURNISHED BY SAFARI KID WITH ALL DISCLOSURE DOCUMENTS, IN WRITTEN FORM, AS MAY BE REQUIRED UNDER OR PURSUANT TO APPLICABLE LAW, FOR REQUISITE TIME PERIODS.

GUARANTY OF AREA DEVELOPER'S UNDERTAKINGS

In consideration of, and as an inducement to, the execution of that certain Area Development Agreement dated _____, and any and all revisions, modifications and amendments thereto or renewals thereof, (hereinafter collectively the "Agreement"), by and between Safari Kid Franchising, LLC, a California limited liability company, for itself and for its affiliates (hereinafter, collectively, "Safari Kid") and _____ (hereinafter "Area Developer"), each of the undersigned "Guarantors" (herein so called) agrees as follows:

1. The Guarantors do hereby jointly and severally unconditionally guarantee the full, prompt and complete performance of Area Developer under the terms, covenants and conditions of the Agreement, including, without limitation, the complete and prompt payment of all indebtedness to Safari Kid under the Agreement. The word "indebtedness" is used herein in its most comprehensive sense and includes without limitation any and all advances, debts, obligations and liabilities of Area Developer, now or hereafter incurred, either voluntarily or involuntarily, and whether due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined, or whether recovery thereof may be now or hereafter barred by any statute of limitation or is otherwise unenforceable.

2. The obligations of the Guarantors are independent of the obligations of Area Developer and a separate action or actions may be brought and prosecuted against any or all of the Guarantors, whether or not actions are brought against Area Developer or whether Area Developer is joined in any such action.

3. If the Area Developer is a corporation, partnership, limited liability company or other legal entity, Safari Kid shall not be obligated to inquire into the power or authority of Area Developer or its officers, directors, agents, managers, representatives, employees or other persons acting or purporting to act on Area Developer's behalf and any obligation or indebtedness made or created in reliance upon the exercise of such power and authority shall be guaranteed hereunder. Where the Guarantors are corporations, partnerships, limited liability companies or other legal entities, it shall be conclusively presumed that the Guarantors and all shareholders, partners, members and other owners of such entities, and all officers, directors, agents, managers, representatives, employees or other persons acting on their behalf have the express authority to bind such entities and that such entities have the express power to act as the Guarantors pursuant to this Guaranty and that such action directly promotes the business and is in the interest of such entities.

4. Safari Kid, its successors and assigns, may from time to time, without notice to the undersigned: (a) resort to the undersigned for payment of any of the indebtedness, whether or not it or its successors and assigns have resorted to any property securing any of the indebtedness or proceeded against any other of the undersigned or any party primarily or secondarily liable on any of the indebtedness; (b) release or compromise any indebtedness of any of the undersigned hereunder or any indebtedness of any party or

parties primarily or secondarily liable on any of the indebtedness; (c) extend, renew or credit any of the indebtedness for any period (whether or not longer than the original period); (d) alter, amend or exchange any of the indebtedness; or (e) give any other form of indulgence, whether under the Agreement or otherwise.

5. The undersigned each further waive presentment, demand, notice of dishonor, protest, nonpayment and all other notices whatsoever, including, without limitation: notice of acceptance hereof; notice of all contracts and commitments; notice of the existence or creation of any liabilities under the Agreement and of the amount and terms thereof; and notice of all defaults, disputes or controversies between Area Developer and Safari Kid resulting from the Agreement or otherwise, and the settlement, compromise or adjustment thereof.

6. This Guaranty shall be enforceable by and against the respective administrators, executors, heirs, successors and assigns of the Guarantors and the death of any Guarantor shall not terminate the liability of such Guarantor or limit the liability of the other Guarantors hereunder.

7. If more than one person has executed this Guaranty, the term "the undersigned," as used herein shall refer to each such person, and the liability of each of the undersigned hereunder shall be joint and several and primary as sureties.

8. Without limiting the generality of any part or all of the foregoing, the undersigned do each hereby further covenant and agree that each of the undersigned are hereby bound by those certain terms, obligations, covenants and conditions of the Agreement with respect to the following:

- (i) Section 7.3 entitled "Assignment by Area Developer";
- (ii) Section 7.4 entitled "Right of First Refusal";

SAMPLE FORM OF GENERAL RELEASE

SAMPLE FORM OF GENERAL RELEASE

This General Release (this "Release") is made by _____ [NAME OF FRANCHISEE] ("Franchisee") in favor of Safari Kid Franchising, LLC ("Franchisor") and certain related parties as set forth below effective as of _____, 20____ (the "Effective Date").

Franchisor is the franchisor of Safari Kid learning centers ("Safari Kid").

Franchisor and Franchisee entered into a Franchise Agreement dated _____, _____ (the "Franchise Agreement") for the operation of a Safari Kid located at _____ (the "Franchised Business").

Franchisee is seeking to renew the franchise or is seeking Franchisor's consent to sell, transfer and convey the rights under the Franchise Agreement to _____ [NAME OF PURCHASER] ("Purchaser") as provided in the Franchise Agreement. A release of all claims against Franchisor and related parties by Franchisee is one of the conditions that must be satisfied in order to renew or transfer the franchise under the Franchise Agreement. *[OR: The current term of the Franchise Agreement has not expired, and Franchisee wishes to enter into a new franchise agreement with Franchisor for the Franchised Business that would replace the Franchise Agreement and provide Franchisee with a new ten (10) year franchise term and a further right to renew. Franchisor is willing to enter into a new franchise agreement with Franchisee in consideration of Franchisee entering into this Release.]*

Therefore, in consideration of these premises, and for other good and valuable consideration, receipt of which is hereby acknowledged, Franchisee agrees as follows:

1. **Release by Franchisee.** Franchisee for Franchisee and Franchisee's respective predecessors, shareholders, officers, directors, members, partners, owners, successors, assigns, affiliates, family members, heirs, executors, administrators and personal representatives and anyone claiming through or under them (collectively the "Franchisee Parties"), hereby releases, acquits and forever discharges Franchisor and its predecessors, successors, assigns, parent company, subsidiaries, affiliates, officers, directors, stockholders, employees, attorneys, accountants and other representatives (collectively the "Franchisor Parties") of and from any and all claims, demands, debts, disputes, obligations, damages, causes of action and claims for relief of any nature whatsoever, whether known or unknown, whether arising under the Franchise Agreement, or under common law, equitable principles, statute (including but not limited to the California Franchise Investment Law), regulation or otherwise, whether fixed or contingent, which the Franchisee Parties or any of them have against the Franchisor Parties by reason of any matter, event or cause whatsoever occurring at any time before, through and including the Effective Date of this Release stated above.
2. **Waiver of Civil Code Section 1542.** Franchisee for Franchisee and the Franchisee Parties hereby expressly waives any rights or benefits available under the provisions of Section 1542 of the California Civil Code or any similar law of any state that provides for the survival of claims notwithstanding a general release. Civil Code Section 1542 provides as follows:

A general release does not extend to claims that the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by Franchisee must have

**materially affected Franchisee's settlement with
the debtor.**

Franchisee understands this statutory language, and notwithstanding this or any similar statute or law, Franchisee freely elects to specifically waive these rights and hereby does release the Franchisor Parties from all claims whether known or unknown at the time of this Release. Franchisee understands that if the facts relied upon in making this Release are discovered hereafter to be other than or different from the facts now believed to be true, or if additional facts are discovered, Franchisee expressly accepts the risk of such possible different or additional facts and agrees that this Release shall remain effective notwithstanding any such discoveries. Franchisee is not deciding to make this Release or waiver predicated on any factual representations of Franchisor concerning the nature of any claims released, past or future events or any other matters.

3. Representations. Franchisee represents, warrants, agrees and acknowledges:

- a. That Franchisee had the opportunity to consult with legal counsel in making this Release and that Franchisee has read and fully understands the terms of this Release and that this Release was entered into freely and voluntarily;
- b. That the validity of this Release is an essential condition to and in consideration of Franchisor's consent to the transfer or renewal of the franchise *[OR: Franchisor's offer of a new franchise agreement and franchise term prior to expiration of the Franchise Agreement]*;
- c. That in addition to this Release, there are other conditions that must be satisfied in order to have the franchise transfer or renewal approved by Franchisor as required in the Franchise Agreement and that Franchisee understands and agrees to these conditions; and
- d. That Franchisee is the sole owner of all of the claims released hereby and has not heretofore assigned any interest in the franchise, the Franchise Agreement, or any of the claims released hereby.

4. Entire Agreement. This Release contains the entire agreement by Franchisee with respect to the release required for *[the applicable transaction]*. All prior discussions, negotiations, and representations concerning this matter are superseded by this Release.

5. Governing Law. This Release will be governed by the laws of California.

6. Exception to Release. Notwithstanding any of the provisions of this Release, if Franchisee is entering into a new franchise agreement concurrently with this Release, this Release is not meant to waive compliance with any provisions of the California Franchise Investment Law that might apply to the acquisition of the new franchise agreement.

SPOUSAL CONSENT

SPOUSAL CONSENT AND WAIVER

The undersigned _____ (“Spouse”) hereby represents that he/she is a _____ [state] resident and is the spouse of _____ (“Franchise Owner”). Spouse acknowledges and understands that, contemporaneously herewith, Franchise Owner, or a corporation, partnership or limited liability company in which Franchise Owner is a principal owner (the “Franchisee”), will be entering into a Franchise Agreement with Safari Kid Franchising, LLC (“Franchisor”) to acquire a Safari Kid learning center franchise and operate a Safari Kid learning center. Spouse hereby consents to this transaction and waives any right, now or in the future, to assert a community property or quasi community property interest in the franchise, the Franchise Agreement, the Safari Kid learning center or in the Franchisee. Spouse understands that in the absence of this Spousal Consent and Waiver, Franchisor, as a condition of granting the Safari Kid franchise to Franchise Owner, would have required Spouse to personally enter into the Franchise Agreement or to execute a personal guaranty of all of Franchisee’s obligations under the Franchise Agreement. Spouse represents and agrees that the waiver of this condition by Franchisor is sufficient consideration for this Spousal Consent and Waiver. Spouse understands that if Spouse did not wish to provide this Spousal Consent and Waiver, Spouse could have agreed to personally execute the Franchise Agreement or the personal guaranty. Spouse hereby represents and acknowledges that Spouse knowingly and deliberately elected not to do so and to instead provide this Spousal Consent and Waiver. If notwithstanding this Spousal Consent and Waiver, Spouse claims or is awarded in a legal action a community property interest, quasi community property interest or other ownership interest in the franchise, the Franchise Agreement, the Safari Kid learning center or in Franchisee, other than by way of a transfer approved in writing by Franchisor as provided in the Franchise Agreement, Spouse hereby agrees, without further action or execution of further instruments, to be personally bound by all of the terms of the Franchise Agreement and to be liable for the performance of all obligations thereunder.

STATE SPECIFIC ADDENDA

CALIFORNIA APPENDIX
**TO SAFARI KID FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT &
AREA DEVELOPMENT AGREEMENT**

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the disclosure document.

California Business and Professions Code section 20000 through 20043 provide rights to the franchisee concerning transfer, termination or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 USCA sec 101et seq).

The Franchise Agreement contains provisions that may not be enforceable under California law, including, but not limited to, a covenant not to compete that extends beyond the termination of the franchise, a limitation of actions period, and a waiver of punitive damages.

You must sign a general release if you renew or transfer your franchise. California Corporations Code section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code sections 31000 through 31516). Business and Professions Code section 30010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code sections 2000 through 20043).

Neither the franchisor nor any person described in Item 2 of the disclosure document is subject to any currently effective order of any national securities exchange as defined in the Securities Exchange Act of 1934, 15 USCA 78a et seq, suspending or expelling such persons from membership in such association or exchange.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code section 1671, certain liquidated damages clauses are unenforceable.

Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, the franchisor must provide you with that disclosure document with an explanation that the changes are voluntary.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
8. **Use of Franchise Brokers.** The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.
