The total investment necessary to begin operation of a Tutoring Center franchised business is \$85,010 to \$162,475. This includes \$47,000 that must be paid to the franchisor and/or its affiliate, as appropriate.

How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 will not tell you how much you can earn. Item 19 may give you information about outlet sales, costs, profits, or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit D.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the estimated initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit A includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Tutoring Center in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a relevant legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Tutoring Center franchisee?	Item 20 or Exhibit D list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in the disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisor to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About ***This*** Franchise

Certain states require the following risks be highlighted:

1. Out-of State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

2. Mandatory Minimum Payments. You must make minimum royalty and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. If so, check the “State-Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

DISCLOSURES REQUIRED BY MICHIGAN LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.**
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.**
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.**
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of the franchisor's intent not to renew the franchise.**
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.**
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.**
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:**
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.**
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.**
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.**
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.**

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Michigan law provides that a franchisor whose most recent statements are unaudited and which show a net worth of less than \$100,000 shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee or subfranchisor until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow. In the event that an escrow is so established, the escrow agent shall be a financial institution authorized to do business in the State of Michigan. The escrow agent may release to the franchisor those amounts of the escrowed funds applicable to a specific franchisee or subfranchisor upon presentation of an affidavit executed by the franchisee and an affidavit executed by the franchisor stating that the franchisor has fulfilled its obligation to provide real estate, improvements, equipment, inventory, training, or other items. This portion of the Michigan law does not prohibit a partial release of escrowed funds upon receipt of affidavits of partial fulfillment of the franchisor's obligation.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

We are The Tutoring Center Franchise Corp. We are a California corporation formed on January 19, 2005. To simplify this Disclosure Document, we refer to ourselves as “we” or “us.” We refer to the person or company that buys a franchise as “you.” If you are a corporation, limited liability company or other business entity, this disclosure also applies to your owners. Capitalized terms not defined in this Disclosure Document have the same meaning as in the Franchise Agreement attached as Exhibit B.

Our business address is 3750 Long Beach Boulevard, Suite 100, Long Beach, California 90807. Our telephone number is (562) 984-0830.

Our agent for service of process in California is Dr. Edward Thalheimer, 3750 Long Beach Boulevard, Suite 100, Long Beach, California 90807. Exhibit E identifies our agents in some other states.

We do not own or operate any The Tutoring Center® businesses as of the issuance date of this Disclosure Document. We have offered The Tutoring Center® franchises since 2005. Our former affiliate, iQuest Distribution, was a sole proprietorship that began operating in or about July of 2017 and ceased operations in or about May of 2021. iQuest Distribution was located at 4223 Atlantic Avenue, Long Beach, California 90807. This affiliate produced the Student Workbooks that are sold to franchisees. In or about May of 2021, the operations of iQuest Distribution were subsumed into The Tutoring Center Franchise Corp. Our former affiliate, The Tutoring Center, Inc., a California corporation (“TTCI”), was formed on May 18, 1999. On June 3, 2013, TTCI assigned the rights to all trademarks associated with The Tutoring Center to us, and TTCI was dissolved on January 27, 2014.

We have no other affiliates. We do not have any predecessors or parents. Neither we nor our affiliate have offered franchises in other lines of business. We have no business activities other than the franchise services discussed in this Disclosure Document, though we reserve the right to conduct other business activities in the future.

We grant franchises for the ownership and operation of an educational tutoring business (“The Tutoring Center” or “Center”) specializing in after-school tutoring services in reading, math, writing, pre-algebra, algebra 1 and 2, geometry, test preparation and study skills for school age children. We do not require certification of the instructors who provide the tutoring. Under our Franchise Agreement (attached as Exhibit B to this Disclosure Document), and once qualified, you will be granted the right to operate one Center at an Approved Location using The Tutoring Center trademarks and service marks (the “Marks”) and our System, which includes our Marks, as well as our facility design and décor, operational procedures, marketing and advertising, contents of a confidential Operations Manual (or “Manuals”), record-keeping procedures and related elements and the Student Workbooks.

The Tutoring Center also offers an additional optional SAT/ACT Test Prep Program that Franchisees can apply to offer at their Centers. Currently, this program is available to all Franchisees provided that their Center has (i) been in operation for twenty-four (24) months, (ii) has a current average enrollment of fifty (50) or more students, and (iii) has qualified instructors to provide the SAT/ACT program. The requirements, policies and procedures for the SAT/ACT Test Prep Program are identified in operating manual and subject to change. Franchisees who qualify and granted the right to offer the program will execute a SAT/ACT Program Addendum attached as Exhibit J.

You must comply with laws on operating a business, including obtaining a business license. Your Center must also comply with federal, state, and local laws and regulations affecting the business, including state and local licensing laws, zoning, land use and construction regulations, federal and state environmental laws and regulations and various health, safety, sanitation and fire standards. You must also comply with employment laws, like the Fair Labor Standards Act and state laws covering matters like minimum wages, overtime and working conditions. In addition, your Center must comply with other laws or regulations that are not specific to the industry but applicable to businesses generally.

You will compete with other learning centers and educational institutions offering similar services, some of which are part of national or regional franchised and non-franchised chains. The market for your services is developing in some markets and developed in others.

We pay existing The Tutoring Center® franchisees a referral fee for referred candidates who acquire a franchise within 12 months of the referral, but we can change this policy at any time. Franchisees who receive financial incentives for such referrals may be required to register as franchise brokers under applicable state laws. (See State-Specific Addenda attached as Exhibit F).

ITEM 3. LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4. BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

You pay us a franchise fee of \$32,000 by cashier's check to operate a single Center at a single approved site (the "Approved Location") upon which you and we agree. The initial franchise fee is paid in a lump sum when you sign your Franchise Agreement and is non-refundable. (Refer to Item 11 regarding the selection of an Approved Location).

If you execute the Franchise Agreement within 30-days of attending Discovery Day, which is scheduled after disclosure of our Franchise Disclosure Document, then we will discount the initial franchise fee to \$20,000 for any additional Centers granted. (See Exhibit K).

Our current policy is to offer VetFran® discounts (VetFran® is a registered trademark of the International Franchise Association). If you are a veteran of the United States Armed Forces and have served at least 4 years and can provide your DD 214 showing that you were Honorably Discharged, we will grant you a credit of \$5,000 against the first \$5,000 in Royalty Fees coming due under your Franchise Agreement. This is a one-time benefit realized only by those Franchisees opening new locations and not available for any renewal terms. We can change this policy from time to time, however, the policy contained in the FDD delivered to you will apply to the applicable franchise agreement you sign in connection with that FDD.

You do not have a right to acquire any additional franchise agreements for the operation of any additional Center.

You must also pay to us a Pre-opening Training and Support Fee of \$15,000 when you sign the Franchise Agreement. The fee covers initial training and annual mandatory refresher training at the end of your first year of operation, but you must pay for all travel, lodging, meals and incidental costs for you and your employees who attend any training. (See Item 7 for an estimated range of such cost.). This fee is non-refundable.

**Notes to Chart on Other Fees
For a The Tutoring Center Franchise**

Note 1: All fees are nonrefundable and uniformly imposed. Unless otherwise noted, all fees are payable to us, by electronic funds transfer. There may be instances in which we have varied, or will vary, the terms on which we offer franchises to suit the circumstances of a particular transaction, to the extent lawful.

Note 2: For new Centers, you pay:

\$500 15 months after signing the Franchise Agreement or when Franchisor issues approval to operate, whichever first occurs, for three (3) consecutive months (the "Opening Payment");

\$1,500 on the 1st day of each calendar month from then on, and throughout the term of your Franchise Agreement.

Each January of the franchise term, the monthly Royalty Fee increases automatically by \$25.

The current royalty period is a calendar month, but we can change the time covered by a royalty period to a different period (e.g., weekly, etc.). If we modify the royalty period, any amounts which are paid and/or calculated in relation to a royalty period will be appropriately adjusted on a pro-rata basis, as will any related requirements.

If you execute the Franchise Agreement within 30-days of attending Discovery Day, you will receive free royalties for each month that you open prior to 12 months from signing your Franchise Agreement (up to \$5,000). (See Exhibit K).

Note 3: Other than the monthly Royalty Fee (covered in Note 2 above), we can adjust any amount described in the Franchise Agreement as subject to inflation adjustment on an annual basis and in proportion to the changes in the Consumer Price Index (U.S. Average, all items) maintained by the U.S. Department of Labor (or any successor index) as compared to the previous year. If we make an adjustment, we will give to you at least 30 days' advance notice.

Note 4: You must sign the forms and complete our reasonable procedure to establish a bank autodraft or electronic transfer arrangement so we can present an autodraft to your bank checking account or other financial institution for the Royalty Fees, Semi-Annual Program Fees, Technology Fees, Late Charges and all other fees or payments currently due us or any of our affiliates. You must sign our "Electronic Funds Transfer Agreement" (or other form we provide to you) before you open your Center.

The fees due under the Franchise Agreement will be autodrafted (withdrawn) directly by electronic funds transfer or otherwise from your bank checking account or credit card. You must install at your expense and use any pre-authorized payment and computerized point of sales systems, credit verification systems, automatic payment systems, electronic funds transfer systems, or automatic banking system that we may require reasonably related to the operation of your franchise and the franchise system or to allow you timely to make all payments to us by automatic bank transfer. You must keep adequate amounts in your bank accounts to make all payments to us by electronic transfer. You must reimburse us for any charges we incur if there are not enough funds in your account to pay amounts due. Any insufficiency in your account to pay us the required fees will be a default under your Franchise Agreement. You must pay all service charges and other fees charged by your bank so that we can autodraft your account and all service charges and other fees that your bank charges for any autodrafts that are not honored or processed by your bank for any reason.

If you pay, or we receive, a lesser amount than the full amount due us, we can apply the payment against the longest outstanding amount due us. We can accept any check or payment in any amount without prejudice to our right to recover the balance of the amount due or to pursue any other right or remedy. No restrictive endorsement or statement on any check or payment or in any letter accompanying any check or payment or elsewhere from you will be an accord or satisfaction or will bind us or any of our affiliates. Our or any of our affiliates' acceptance of any payments made by you is not a waiver of any breach or default of any provision in your Franchise Agreement.

Despite any designation by you, we can apply any payments made by you, or on your behalf (and apply any amounts owed to you or any of your affiliates by us or any of our affiliates) to any of your past due indebtedness for royalty fees and other amounts owing to us or any of our affiliates, or any interest or other indebtedness that you or any of your affiliates owe to us or any of our affiliates.

It is an event of default under your Franchise Agreement if you close any bank account without immediately completing all of the following after the account is closed: (1) immediately notifying us of the closing in writing, (2) immediately establishing another bank account, and (3) executing and delivering to us all documents necessary for us to begin and continue making withdrawals from your new bank account by electronic funds transfer.

Note 5: We may hold an annual convention for all The Tutoring Center franchisees. If we organize an annual convention, you and any member of your Center staff that we require must attend. We may charge reasonable registration fees for the convention. You must pay for all registration fees and all travel, lodging, meals and incidental costs for you and your employees who attend. Your costs incurred while attending a convention will depend on the number attending and the accommodations you select. See Item 7 for general information about a range for such costs. To date, we have not held an annual convention. We believe an annual convention will be more feasible

as our franchise network grows. Each Designated Owner must complete the then-current initial training program before opening or operating in any Center. Any hired Center Director must complete our designated training program for Center Directors. The Head Instructor will receive any and all training from the Designated Owner. The Designated Owner will also conduct any ongoing training at the Center. We may mandate refresher training at the end of your first year of operation which is included in the Pre-Opening Support and Training Fee but you are responsible for costs incurred while training for travel, lodging, meals and incidentals.

Note 6: Franchisor reserves the right to conduct training and/or seminars on a regional basis and for which you will be charged \$300 per year in which any such training/seminars are held. That fee covers attendance by the Designated Owner. The Designated Owner will be obligated to attend each year unless the closest seminar location for that year is more than 300 miles from your closest Center. You must pay all fees and all travel, lodging, meals and incidental costs incurred while you attend.

Note 7: The determination of whether we will require you to transfer all of the Center's assets to us instead of paying the early cancellation fee will be solely ours and will depend, in part, on the condition of the assets at that time. If we choose to take possession of the Center's assets, you must arrange for all of the assets to be put into a storage facility and make sure that we have access to the storage facility at all times. If the 6-month storage period expires without sale of the assets to a new franchisee, we may maintain the storage facility or relocate the assets.

Note 8: The SAT/ACT Test Prep Program is an optional service that Franchisees can offer at their Centers and this royalty fee is associated with that program. Franchisees who have been granted the right offer this program will execute the SAT/ACT Program Addendum attached as Exhibit J.

Note 9: If you execute the Franchise Agreement within 30-days of attending Discovery Day, we will waive the renewal fee so long as you execute the renewal Franchise Agreement at least 5 months before the current agreement's expiration (See Exhibit K).

Notes to Chart

Note 1: This table provides certain estimated costs related to pre-opening expenses for a Center and certain costs you can anticipate occurring during the first 3 months of the Center's operations. We used our and our affiliate's experience to prepare these estimates. These are only estimates.

Note 2: The initial franchise fee is discussed in Item 5. We offer certain discounts, as disclosed in Item 5 of this Disclosure Document. These discounts are not included in the above chart. You pay the initial fee in a lump sum by cashier's check on signing your Franchise Agreement. Your initial franchise fee is nonrefundable.

We do not currently offer financing for your initial fee. (See Items 5 and 10)

Note 3: These amounts are the estimated range for your start-up office supplies and equipment which we require that you order from our designated supplier and we believe are at general retail prices. Some of these costs may be offset by rebates that may be offered by participating manufacturers or vendors. These amounts exclude estimated shipping and handling charges and taxes. You are required to obtain ongoing office supply and equipment orders from our designated supplier as well.

Note 4: These amounts are the estimated costs for your start-up printed materials, promotional items and interior signage and miscellaneous fixtures. These amounts exclude estimated shipping and handling charges and taxes. These amounts do not include the cost of your exterior signs.

Note 5: These amounts are the estimated costs for your start-up educational materials inventory. These amounts include the Student Workbooks we require that you purchase from us or our approved supplier but exclude estimated shipping and handling charges and taxes. Your educational materials supply is based on an estimate of your inventory needs for the first 3 months in business. Your experience may be more or less depending on your initial growth.

Note 6: These amounts are the estimated costs for your start-up furniture package. These amounts exclude estimated shipping and handling charges and taxes (approximately ~~10%~~ 5-10% of the total price). The furniture package includes all required furniture for your reception room, front office, classrooms and director's office.

Note 7: These amounts are the estimated costs for your start-up computer equipment package. These amounts exclude estimated shipping and handling charges and taxes. The higher amount assumes you purchase a larger laptop computer. You must purchase your computer equipment from our approved vendor. All computer equipment items must be purchased as new and not used or refurbished. (Refer to Item 11 for current system requirements.)

Note 8: This fee currently covers various pre-opening support and training services, including our initial training program, pre-opening assistance to help you get ready to open your Center to the public and franchise support services. (Refer to Item 11 for information on pre-opening support and training services.)

Note 9: You must pay for your attendees' travel expenses, lodging and meals for attending our initial training program (currently approximately 5 - 7 days). The low estimate assumes you live in close proximity to the training site and will not have any travel expenses. The high estimate assumes you must fly to our training location with round-trip airfare of about \$600 and 5 - 7 nights' food and lodging (assumed cost of about \$250 per night). This does not include any travel costs associated with travel to the Mentor Training Facility.

Note 10: Your Center must meet our specifications. The range provided assumes that you are beginning your build out of the basic Center Premises in a 'vanilla shell' space that has bathroom, HVAC, electrical and similar build out components already in place and compliant with local codes. The low estimate assumes that your landlord will pay for tenant improvements or that the improvements are capitalized into the lease. The high estimate assumes you will be responsible for all tenant improvements on a basic Center build out. These figures are based on our experience and are only our best estimates. It is essential that you carefully investigate costs related to any proposed site, since requirements specific to your site or city can result in significant additional costs for items such as permits and code upgrades. Actual costs for any required modifications could vary significantly depending on what a particular code/city/permit requires, and these costs are not included in your estimate. Additionally, bids may vary widely among contractors. You should interview with and obtain bids from several contractors. In unusual circumstances, you may also be asked by your city or other governmental agency to provide a conditional use permit for your location. These costs are not included in your estimate. Please note that this estimated range does not apply to those spaces considered to be a grey shell, dark shell, cold grey shell, or any other variation beyond that of a "vanilla shell". In such cases, buildout costs are unpredictable and are likely to increase exponentially beyond our ability to provide an accurate estimation. These increased costs can result from additional buildout and permitting requirements including but not limited to: HVAC equipment, plumbing, electrical, base flooring (concrete slab), ceiling modifications, etc.

Note 11: The amounts estimate your first 3 months of rent and CAM charges plus a one-month security deposit. Rents may vary significantly depending on building type, the rental market, and the local economy, among other factors.

Note 12: We strongly suggest that you conduct local advertising for your Center in the 30 days prior to your Grand Opening and in the 60 days following your Grand Opening. We suggest you spend roughly \$1,500 each month for advertising of your grand opening during this time, which totals \$4,500. However, this amount is at your sole discretion.

Note 13: You must get a business license and permits from your city, county and/or state to operate the Center.

Note 14: You must have an outside sign for your center. Signage costs can vary substantially due to zoning, permits, lessor requirements and other factors and your costs may be higher.

Note 15: You must maintain certain levels of insurance. You must purchase insurance coverage through your preferred supplier. The estimates are for the cost of premiums for the required insurance for 3 months. Insurance premiums may vary based on sales and other factors. You must obtain general liability coverage, including contractual liability, advertising injury, abusive acts coverage and employment practices liability coverage of at least \$2,000,000 naming us and the indemnitees named in your Franchise Agreement as additional insureds; fire and casualty insurance; business interruption insurance; and worker's compensation, employer's liability, unemployment and state disability insurance. We can revise required coverage and amounts. The low estimate assumes you do not pay a deposit for insurance coverage.

Note 16: You may need to consult with independent professional advisors like a lawyer and CPA concerning the operation of your Center.

Note 17: You must have additional funds available to pay royalties, technology fees, employee wages, utilities, phones, taxes, and other operational costs that may arise in the first 3 months of operation, as well as for other expenses that are incurred before you generate revenues from your Center. We generally suggest that an opening Center begin operations with a Head Instructor, a Center Director and at least one other instructor. None of these Additional Funds amounts takes into consideration any of your personal living expenses or other expenses, such as finance charges, interest or debt service obligations, sales and/or use taxes on goods and services, income taxes, and a variety of other amounts not described above. These expenses may be offset by any revenue you earn during the same period.

Note 18: We have used our and our affiliate's experience to prepare these estimates. These are only estimates and can be higher or lower as a result of many variables including, but not limited to: proposed location, code/city/permit requirements and upgrades, HVAC equipment, plumbing, electrical, base flooring (concrete slab), ceiling modifications, unexpected delays, et cetera. You should check with your financial and other advisors. Nothing in the above estimates takes into consideration the costs and expenses that would be associated with the purchase of an existing Center from an existing franchisee, nor the cost of converting an existing independent business. Also, these estimates do not take into consideration any decision you might make to "upgrade" any particular aspect of your Center. It is important that you solicit or investigate multiple bids and sources for each construction contract and each major purchase. Some of your initial start-up expenses for computers, equipment, inventory and other property may be financed if you qualify with your own lender. The total range listed in the above chart also does not include compensation for your time or labor and other material costs or any sort of owner's draw.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must offer only Products and Services at your Center that we authorize. Currently, you must purchase certain equipment (including furniture, start up inventory, supplies, equipment, inside signage, and computer hardware and software) and teaching materials (including Student Workbooks and other materials) from us, our affiliate, or approved suppliers. To protect our trade secrets and maintain quality control, we can require you to buy these and other goods and services that we designate occasionally only from us, our affiliate or from suppliers we designate.

As of the date of this Disclosure Document, we have designated suppliers for certain Products and Services that you must purchase on an on-going basis. Our list of approved suppliers and designated Products and Services will be provided to you at training. The list identifies manufacturers, brands, suppliers and Products and Services we approve. We can revise the list in our discretion. As of the date of this Disclosure Document, we have sole approved suppliers for interior wall signage, workflow management software, and for printers and printing services. None of our officers currently owns an interest in any supplier.

If we require, you must purchase digital marketing services from us, our affiliate or our approved third-party vendor who will be the sole approved supplier for digital marketing services, in an amount between \$250 and \$400 per month. You may expend more for digital marketing services at your discretion. As of the date of this Disclosure Document, we have not received any revenue from purchases of digital marketing services required for franchisees.

Since May of 2021, we have produced the Student Workbooks you must purchase from us or a designated supplier, and we earn a profit from the sale of the Workbooks. We are also the sole approved supplier for the SAT/ACT workbooks if you qualify to offer this program. In our last fiscal year that ended December 31, 2024, we derived revenue from such sales in the amount of \$248,483.30, representing approximately 12.5% of our total revenue of \$1,980,975. Other than what is disclosed in this Item, neither we nor our affiliates have received any other revenue, rebates or other material consideration based on required purchases or leases by The Tutoring Center franchisees.

We have the right to collect and retain any and all allowances, rebates, credits, incentives, or benefits (collectively, "Allowances") offered by manufacturers, suppliers, and distributors to you, to us, or to our affiliates, based upon your purchases of products and services from manufacturers, suppliers, and distributors. We or our affiliates will have all right, title, and interest in and to any and all of these Allowances. We or our affiliates may collect and retain any or all of these Allowances without restriction (unless otherwise instructed by the manufacturer, supplier, or distributor). For our fiscal year 2024, we received \$0.00 from Staples Business Advantage as a result of franchisee purchases.

Proportion of Total Purchases: We estimate that required purchases/leases make up 50-70% of your total initial investment and 50-60% of your annual operating expenses. Please note that the above-described percentages are not presented as a percentage of gross revenues, but rather as a percentage of annual operating expenses.

If you want to offer something we have not approved, or buy from a supplier we have not approved, you must tell us in writing and provide us samples and other information we need to review the product or supplier, at your expense. We can approve or disapprove at our discretion. The proposed supplier must be able to supply the products or services according to our standards; be in good standing in the business community, have a good reputation, be able to produce and deliver products timely, be financially solvent and meet other applicable criteria. We are not required to make available to you or any supplier the criteria for product or supplier approval that we deem confidential. The arrangement must also not benefit a competitor. We will tell you our decision within 30 days of your written request. If the supplier meets our criteria, we shall permit you to contract directly with the approved supplier. We grant and revoke approval of suppliers through notice to our suppliers and franchisees.

We can arrange for testing, analysis, inspection and sampling of products or services of any supplier proposed or being used, and you can be required to pay the related expenses incurred.

Currently neither we nor our affiliates are suppliers of any items. However, we and our affiliates are entitled to the benefit of all discounts, volume rebates, administration fees, commissions, advertising allowances or other advantages that we can obtain from suppliers. We could make these arrangements in the future. Additionally, we and our affiliates have the right to be an approved supplier, exclusive or otherwise, and to earn a profit on any Products or Services we might sell to you.

You must use only Products and Services that satisfy our standards and any applicable specifications or requirements. We do not provide you with any material benefit, such as the grant of an additional franchise or a renewal franchise, based on your use of or purchases from approved suppliers. We have negotiated volume discounts for our franchisees with certain vendors but are not obligated to do so.

We require you to purchase and maintain the types and amounts of insurance coverage that we specify, from an insurer that we approve, naming us and our affiliates as additional insureds. We currently require comprehensive general liability coverage, including contractual liability advertising injury, abusive acts, and employment practices liability coverage of at least \$2 million; fire and casualty coverage on the Center and your property; business interruption insurance; and workers' compensation, employer's liability, unemployment and state disability insurance as required by law. We have the right to revise our insurance requirements from time to time, and you are obligated to comply with any new requirements.

There are currently no purchasing or distribution cooperatives.

All advertising must be in good taste and accurately describe the Products and Services provided at the Center. If you use any standard form or template that we have approved for any advertising and we do not give you a written response within 10 days after you give us the proposed advertising, the advertising is approved for your use. (Franchise Agreement, Section 11.A.). The submission of advertising to us does not affect your right to determine the prices at which you sell products or services, except that we have the right to establish maximum prices as permitted by law.

B. Grand Opening Advertising. Before opening, we recommend that you advertise the grand opening of your Center, and that you spend \$4,500 on this advertising within the period that begins 30 days before you open and for 60 days after you open. If an advertising cooperative is formed by our franchisees and approved by us, you must agree to contribute to the cooperative the amount agreed upon by a majority of the members of the cooperative, to pay that amount to the advertising cooperative at the times agreed upon by the majority and abide by the cooperative's rules. The cooperative will determine who will administer the cooperative. The written governing documents will be available for review by you. Cooperatives need not prepare annual or periodic financial statements, but if they are prepared, they may be reviewed by you. We will not have the power to require cooperatives to be formed, changed, dissolved, or merged.

Currently we have not established a centralized Advertising Fund for the creation and placement of advertising on a national or regional basis, but we may do so in the future. When we do create the Advertising Fund, any sums paid to the Advertising Fund that are not spent in the year they are collected will be spent in the following year. We will prepare, and furnish to you upon written request, an annual, unaudited statement of funds collected, and costs incurred.

We have no obligation to provide any upgrades or maintenance services to you. Those items would be purchased from the applicable software/hardware vendor at the then-current prices. (See Item 7 of this Disclosure Document – both the Chart and Note 8)

If your computer system or any of its components break, you must buy/replace/fix these at your own expense pursuant to our specifications. (Franchise Agreement, Section 13.C.). The annual costs of any optional or required maintenance update, upgrading or support contracts may cost \$1,000.

C. We require you to have a high-speed Internet connection at all times for your computer system.

D. We have the right to full independent access to your computer information such as sales, enrollment, student and operations information and data, and other information that we may need.

E. We can license, create and/or maintain a The Tutoring Center website(s) (individually and collectively, the "The Tutoring Center Website"). You will participate in any The Tutoring Center Website and related e-mail addresses, subject to usage policies and procedures, as we require in the Manuals or otherwise. You agree to provide us with such data and information as we may require to enable us to develop and maintain our The Tutoring Center Website content. We can, but are not obligated to, offer to the public on or through our The Tutoring Center Website on-line tutoring services provided by us, a 3rd-party company or otherwise as we elect. You must comply with our then-current use, privacy and other system policies and requirements, including those relating to access to or participation in any The Tutoring Center operating systems or any The Tutoring Center

Website and related programs. You must make sure that all of employees, agents and others involved in your Franchised Business are in compliance with our policies and requirements. You must also comply with the terms of use established by any third-party system host or website provider in connection with any The Tutoring Center systems, Websites or programs and to arrange for any related maintenance, support or other services required in connection with ongoing operation and participation.

F. Currently, our sole approved supplier for workflow management software is Foundation Roster. Foundation Roster is the database provider for your Center and currently charges a monthly subscription fee of approximately \$60.00 which will be paid directly to them.

Site Selection.

You are responsible for selecting your own site for your business; however, the site is expressly subject to our written approval. You should not sign any lease or other agreement until we give you written approval.

Once you have identified a site, you will be required to submit a site package in a form we require, which will include information about the site and the proposed lease and buildout terms. We consider many factors when reviewing a site, including but not limited to: size of the space, cost per square foot, estimated buildout costs, various demographics of the surrounding area, nearby tenants, distance from the nearest The Tutoring Center business, and type of shopping plaza. We encourage franchisees to locate their The Tutoring Center business in a shopping plaza that is anchored by a supermarket along with other popular community businesses, and have high levels of walk-by traffic. In the event we do not approve a proposed site by written notice to you within 30 days, such site shall be deemed disapproved by us. We will review up to 3 proposed sites at no additional cost, but for the 4th and each subsequent site we charge a site review fee of \$250.

It typically takes about 3-6 months after the Franchise Agreement is signed to secure a location. If, within 12 months after signing your Franchise Agreement, you do not have a fully executed lease agreement in a form that we approve and for a site that we have approved, we may require you to begin paying our Noncompliance Fee. If you do not have a fully executed lease agreement, or if we cannot agree on a site within 18 months after the Franchise Agreement is signed, we may, at our sole option: (a) begin charging royalties (instead of a noncompliance fee); or (b) terminate your Franchise Agreement. You will not be entitled to a full or partial refund of your initial franchise fee or any other payments to us under any circumstances. (Franchise Agreement, Section 4.)

Starting Operation.

The typical length of time between your signing your Franchise Agreement and your opening of your center is approximately 6-12 months, but delays may occur depending on your circumstances. If you have not yet begun to operate your The Tutoring Center business within 15 months after the Franchise Agreement is signed, you shall commence paying Royalties as set forth in the Franchise Agreement. You will not be entitled to a full or partial refund of your initial franchise fee or any other payments to us under any circumstances.

ITEM 12. TERRITORY

We grant you a franchise for one specific site that we approve, which is your Approved Location. The Approved Location is the actual street address for the Center that you will operate under your Franchise Agreement.

Most franchisees do not have an Approved Location when they sign their franchise agreements. If an Approved Location has not been identified when you sign your Franchise Agreement, you must find a site within the geographic area that is identified as the “General Vicinity” on Schedule A of your Franchise Agreement. You will look for a proposed Approved Location in the General Vicinity and request our written approval of any proposed site that you identify. Any site you propose cannot be within the territory of another Center. The General Vicinity identified on Schedule A is not your Territory. You do not have any exclusive rights in the General Vicinity and other Centers may be located in the General Vicinity. When we approve a specific site that you propose for the development and build out of your Center, the specific address of the approved Center site will be your Approved Location for purposes of your Schedule A and the boundaries of and rights in your Territory will be determined as specified below. The General Vicinity identification and its exclusivity lapse and have no meaning once a specific site location is approved by us.

When we consent to your Approved Location, your “Territory” will be identified on a map attached to the Schedule A in your Franchise Agreement. If no map is provided when Schedule A is amended to identify your Approved Location, then the Territory is established as the area within a 5-mile radius from the front door of your Center at the Approved Location (as measured by straight line with a global positioning system [“GPS”]).

You can operate only your Franchised Business at the Approved Location.

We grant you a limited protected territory. So long as you remain in full compliance with your Franchise Agreement, we will not franchise to others or operate for ourselves or through our affiliates, a The Tutoring Center® to be physically located at a street address within your Territory during the term of your Franchise Agreement. We can franchise or operate other The Tutoring Center outlets at any location outside your Territory.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Our policy is to allow you and other The Tutoring Center franchisees to recruit and enroll customers located anywhere and to market to customers located anywhere subject to our restrictions on Internet promotions, but we can change this policy. You must comply with any policies we adopt.

You do not have the right to acquire additional franchises. You must at all times use your best efforts to promote and increase the sales and services of your Center. There is no minimum sales quota and you maintain rights to your Territory during the term of the applicable Franchise Agreement even though the population increases. There are no other circumstances that permit us to modify your territorial rights.

You may not relocate your Approved Location without our consent. If the lease for the site of your Center expires or terminates without your fault or if the site is destroyed, condemned, or otherwise rendered unusable, we may permit you to relocate to a location and site acceptable to us. You will pay for all costs for your relocation, and we can charge you for any costs we incur in providing assistance to you. Any relocation, if any, may interrupt your operations until a new location is obtained and your operations resume.

We and our affiliates have all rights in the Territory not expressly granted to you in your Franchise Agreement. Except for a Center physically located and having a street address in your Territory, we can locate and operate anywhere, and to authorize others to locate and operate anywhere, a Tutoring Center and/or any other kind of business, using any channel of distribution, including the Internet, mobile services, and temporary facilities, and offering any type of product or service to customers located anywhere under any brand or trademark, including the Marks. We do not have to share with you any revenue opportunities associated with these activities but can choose to do so.

We also can acquire, be acquired by, merge, affiliate, or co-brand with, or engage in any transaction with other businesses with outlets located anywhere, whether or not competitive or franchised. Any of these business activities can result in changes to the Marks and System, including possibly the need to convert to another brand. In that case, you will follow any conversion instructions from us and will have at least 6 months to comply with them.

We occasionally may have the opportunity to form arrangements to provide Products and Services to substantial organizations with multiple outlets or sites, such as a school district, an educational agency or a private educational organization. We refer to these opportunities as “Centralized Accounts.” We and our affiliates can service and/or administer Centralized Accounts. If you agree to provide services to the Centralized Accounts at our request, you can participate and share in the related revenues on terms that we established with the applicable Centralized Account.

You may not engage in any promotional activities or sell Center Products and Services whether directly or indirectly, through or on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system (collectively, the “Electronic Media”); through catalogs or other mail order devices sent or directed to customers or prospective customers located anywhere; or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from customers or prospective customers located anywhere. You have no options, rights of first refusal, or similar rights to acquire additional franchises. You may not sell Center Products or Services to any business or other customer for resale.

We and our affiliates may sell products under the Marks within and outside your designated Territory through any method of distribution other than a Tutoring Center with a street address in your Territory, including sales through channels of distribution such as the Internet, catalog sales, telemarketing or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Territory except as described in the following paragraph and you do not have any right to receive any compensation for our sales through alternative distribution channels, although we may choose to enable you to do so, as described in the following paragraphs.

Neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned centers which sell our products or services under a different trade name or trademark, but we reserve the right to do so in the future, without notice to you or first obtaining your consent.

ITEM 13. TRADEMARKS

You cannot commence any investigation, complaint or legal action without first getting our written consent. ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents that are material to the franchise. We license certain copyrighted material that is included in the Student Workbooks, under a License Agreement with Creative Teaching Press, Inc. dated November 4, 2011, as amended. We claim copyrights in our confidential Operating Manual (which may consist of one or more manuals and other materials we name), tests, lessons and in other written materials we provide to you. You will also learn information that belongs to us as trade secrets. This includes methods of assessment, of conducting tutoring and other education, and of operating centers to provide these services, as well as advertising and marketing plans and strategies, client lists and data, Centers' operating data and statistics, The Tutoring Center Website contents and all Tutoring Center on-line tutoring services customer accounts and related enrollment information and other methods, formulas, information, and specifications and procedures on how we operate, as well as the contents of our Operating Manual. Your Franchise Agreement requires you to keep all of this confidential.

You must keep our secrets confidential while you are a franchisee and afterward. You cannot use our secrets in any activity other than operating your franchise. You must use reasonable procedures that we request to help protect our secrets.

There is no current determination of the Patent and Trademark Office, Copyright Office or court regarding our claimed copyrights. We are not aware of any infringement in the U.S. that could materially affect the franchise in the U.S.

You must notify us when you learn of an unauthorized use of our confidential information or any copyrighted work. We do not have to take any action against an unauthorized user, and we can respond to as we deem appropriate. We do not have a duty to indemnify you for losses brought by a third party concerning your use of this information. You must cooperate with us when requested.

You assign all telephone numbers appearing under our trademarks to us and we keep them when you no longer are our franchisee. (Refer to the “Telephone Listing Agreement” attached to this disclosure document as Exhibit I.)

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The Designated Owner must manage the Center and must maintain competent and conscientious personnel to staff the Center, in accordance with our standards, specifications and operating procedures. The Designated Owner must attend and successfully complete our initial training program. The Designated Owner must maintain the condition and appearance of the Center consistent with our standards. The Designated Owner must use best efforts to maximize and promote the sales and delivery of the Center’s Products and Services.

The Designated Owner will be fully responsible for ensuring the Center Director, Head Instructor or any other requisite staff meet then-current training standards and attend and participate in any training programs as we require. A Designated Owner is the person named in Schedule A of the Franchise Agreement and we deal solely with this individual on all matters about the Franchise Agreement. The Center Director must attend and successfully complete our initial training related to Center Directors. We can work with the Center Director about routine operations. You must keep us informed at all times of the identities of your Designated Owner, Center Director and Head Instructor.

We can require all owners of a business entity franchisee to sign a personal guaranty of the franchisee’s performance. Our current form of personal guaranty is attached to the Franchise Agreement as Schedule B, but the form can change. ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must not offer for sale or sell or provide any other service, supply, merchandise, good or accessory or use the Center for any purpose other than the operation of a The Tutoring Center facility unless authorized by us in writing. As it is important for the System to be flexible, we can add, delete, or modify Approved Suppliers, the Services and Products you must offer from your Center, the Manuals and all other components of The Tutoring Center System to respond to commercial opportunities and challenges. However, you cannot make changes without our written consent. When you sign a Franchise Agreement you commit to the System and all related requirements and changes to the System and understand that changes can require additional investment from you.

We can condition your offer or use of any Product or Service, or your participation in any program or promotion, on your ability to meet training, professional, operational or experience qualifications or other requirement. We can also require that your students meet enrollment eligibility criteria and other conditions in order to have certain products and services available to them.

You must use only enrollment and attendance forms, receipts, invoices and other forms approved by us. We do not warrant the legal sufficiency or quality of any documents that we may approve or provide, and you are responsible for having them reviewed locally for your own protection and ours.

You are not restricted with regard to customers you may sell to, except for our expressly reserved rights which include Internet and other restrictions as well as our Centralized Accounts as defined in Section 1.C.iii of the Franchise Agreement. However, you must conduct your Franchised Business only from your Center.

ITEM 18. PUBLIC FIGURES

We do not use any public figure to promote the franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following is the financial performance representation for operational Centers for the period of January 1, 2024 through December 1, 2024. It includes average student enrollment for all of TTCFC's existing Centers that have been open for 12 months or longer, as of the first day of each month. The diagram below shows student enrollment broken down into 4 categories; Top 25% of Centers; Mid-Upper 25% of Centers; Mid-Lower 25% of Centers; and Bottom 25% of Centers. There are between 17 and 18 Centers in each category.

As of December 1, 2024, we had 75 franchised "The Tutoring Center®" Centers in operation. Of the franchised Centers, 1 was not included because they had not been open for 12 months or longer as of December 1, 2024, and 2 franchised Centers were not included because they are located in the United Arab Emirates. In addition, 1 franchised The Tutoring Center® that had been open for 12 months was not included in this financial performance representation because they did not provide TTCFC with enrollment numbers for each month during the period of January 1, 2024 to December 1, 2024.

The above annual averages and medians of Enrollments for franchised The Tutoring Center® Centers at least 12 months and reporting throughout the year shown was calculated by us based on reports on Enrollment furnished to TTCFC by its franchisees. For the period from January 1, 2024 through December 1, 2024, TTCFC had an average response rate of ninety-five percent (95%) This information is unaudited.

Some Centers have this Enrollment. Your individual results may differ. There is no assurance that you will have the same Enrollment numbers.

TTCFC will make written substantiation of the data used in preparing the information above available to you upon reasonable request.

Other than the preceding financial performance representation, TTCFC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Dr. Edward Thalheimer, 3750 Long Beach Boulevard, Suite 100, Long Beach, California 90807, (562) 984-0830, the Federal Trade Commission, and the appropriate state regulatory agencies.

INDEPENDENT AUDITOR'S REPORT

To the Stockholders

The Tutoring Center Franchise Corp.

Long Beach, California

Opinion

We have audited the accompanying financial statements of The Tutoring Center Franchise Corp., (the "Company"), which comprise the balance sheet as of December 31, 2024, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company, as of December 31, 2024, and the results of its operations and changes in stockholders' equity and cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of the Company as of and for the years ended December 31, 2023 and 2022, were audited by other auditors whose report dated March 8, 2024 expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statement

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business Activity

The Tutoring Center Franchise Corp. (the "Company") was incorporated under the laws of the State of California on January 19, 2005 and is engaged in the business of selling franchises for the development and operation of educational tutoring centers specializing in after school tutoring services under franchise agreements throughout the United States and various foreign countries from an office located in Long Beach, California.

Intangible Assets

Intangible assets are commission fees and are being amortized over their estimated useful life 10 years.

Depreciation

Depreciation of property and equipment is provided on the straight-line method over useful lives ranging from five to seven years.

Revenue Recognition

The Company has adopted Revenue from Contracts with Customers (codified as ASC 606), which, along with subsequent amendments replaced substantially all the relevant U.S. GAAP revenue recognition guidance. ASC 606, as amended, is based on the principle that revenue is recognized to depict the contractual transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services utilizing a new five-step revenue recognition model, which steps include (i) identify the contract(s) with a customer; (ii) identify the performance obligations in the contract; (iii) determine the transaction price; (iv) allocate the transaction price to the performance obligations in the contract; and (v) recognize revenue when (or as) the entity satisfies a performance obligation.

A non-Public Business Entity franchisor may account for the following pre-opening services as distinct from the franchise license:

- Assistance in the selection of a site.
- Assistance in obtaining facilities and preparing the facilities for their intended use, including related financing, architectural, and engineering services, and lease negotiation.

THE TUTORING CENTER FRANCHISE CORP.

Notes to Financial Statement

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- Training of the franchisee's personnel.
- Preparation and distribution of manuals and similar material concerning operations, administration, and record keeping.
- Bookkeeping, information technology, and advisory services, including setting up the franchisee's records and advising the franchisee about income, real estate, and other taxes or about regulations affecting the franchisee's business.
- Inspection, testing, and other quality control programs.

The Company has opted to account for these pre-opening services as distinct from the franchise license.

The Company receives initial franchise and support fees from each franchise sale and continuing royalty fees based on gross revenues from operating franchises over the life of each franchise. Initial franchise fees are recognized as revenue over the life of the contract while initial support and training fees are recognized when all material services have been substantially performed. Continuing royalty fees are considered earned when they become due from the franchisee.

Deferred revenue resulting from cash collected for initial franchise fees paid by franchisees are classified as liabilities in the balance sheets based on the expected timing of revenue recognition associated with these liabilities. The following table reflects the changes in deferred revenue for the year ended December 31, 2024:

Deferred contract revenues:

Deferred revenue, December 31, 2023	\$ 502,289
Cash collected for initial franchise payments	92,000
Revenue recognized	<u>(123,977)</u>
Deferred revenue, December 31, 2024	<u>\$ 470,312</u>

Accounts receivable

Accounts receivable are stated at the amount the Company expects to collect from outstanding balances. The Company provides for probable uncollectible amounts through a charge to earnings and a credit to allowance for credit losses based on its assessment of the current status of individual accounts. Balances that are still outstanding after the Company has used reasonable collection efforts are written off through a charge to allowance for credit losses and a credit to accounts receivable. As of December 31, 2024, 2023, and 2024, there no amounts for accounts receivable or amounts reserved for credit losses.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Allowance for credit losses

On January 1, 2024, the Company adopted Accounting Standards Update 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326). This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. CECL requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions, and reasonable and supportable forecasts and generally applies to financial assets measured at amortized cost, including loan receivables and certain other financial assets. Financial assets measured at amortized cost will be presented at the net amount expected to be collected by using an allowance for credit losses. The Company adopted ASC 326 and all related subsequent amendments thereto effective January 1, 2024, using the modified retrospective approach for all financial assets measured at amortized cost and determined that the adoption did not have a material impact to the previously reported allowance amounts.

Impairment of long-lived assets

The Company evaluates potential impairment of long-lived assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Impairment is evaluated by estimating future undiscounted cash flows expected to result from the use of the asset and its eventual disposition. If the sum of the expected future cash flows is less than the carrying amount of the assets, an impairment loss is recognized. Fair value, for purposes of calculating impairment, is measured based on undiscounted future cash flows. The Company has not identified any impairment as of December 31, 2024.

Advertising

Advertising costs are expensed as incurred. Total advertising expense for the years ended December 31, 2024, 2023, and 2022 was \$70,386, \$82,695 and \$77,288, respectively.

Income Taxes

The Company elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under these provisions, the Company generally does not pay corporate income taxes on its taxable income. Instead, the stockholders are liable for individual income taxes on their respective shares of the Company's taxable income. The Company is subject to a 1.5% franchise tax in California.

Management Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Cash and cash equivalents

Cash consists of money held in various checking accounts at two separate bank institutions. For purposes of the statements of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity date of three months or less to be cash equivalents. As of December 31, 2024, there were no amounts in excess of FDIC insurance limits.

2. **FAIR VALUE MEASUREMENTS**

The Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the nature of inputs used to measure fair value and enhances disclosure requirements for fair value measurements.

The variable annuity account has categorized its financial instruments into a three level hierarchy which is based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument.

Financial assets and liabilities recorded at fair value on the balance sheet are categorized as follows:

Level 1. Unadjusted quoted prices for identical assets or liabilities in an active market.

THE TUTORING CENTER FRANCHISE CORP.

Notes to Financial Statement

2. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2. Quoted prices in markets that are not active or inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- a) Quoted prices for similar assets or liabilities in active markets
- b) Quoted prices for identical or similar assets or liabilities in non-active markets
- c) Inputs other than quoted market prices that are observable
- d) Inputs that are derived principally from or corroborated by observable market data through correlation or other means.

Level 3. Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. They reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

The funds in their variable annuity are not publicly traded because they are proprietary financial products of New York Life Insurance and Annuity Corp. The variable annuity account unit values change daily according to the equity and bond market conditions. The funds in the variable annuity accounts are like mutual funds managed by different fund companies. The only difference is that most mutual funds are publicly traded, while funds in the variable annuity are traded by owners through the New York Life platform because they are proprietary products. This applies industry wide to all insurance companies that sell variable annuities.

The variable annuity included in the balance sheet is considered Level 2. There were no transfers between Level 1, Level 2 and Level 3 during the years ended December 31, 2024, 2023 and 2022.

Investments as of December 31, 2024 are summarized as follows:

3. **EMPLOYEE RETENTION CREDIT RECEIVABLE**

The Company applied for employee retention credits in connection with certain IRS regulations relative to the CARES Act. The ultimate collection of these credits is based upon the IRS' review and acceptance of the applications. However, management has received notice of acceptance for certain quarters applied for and, therefore has recorded a receivable of \$40,980 as of December 31, 2024.

6. **PROVISION FOR CORPORATE TAXES**

The Company follows the provisions of FASB ASC 740-10-50, "Income Taxes-Overall Disclosures". FASB ASC 740-10-50 sets forth recognition threshold and measurement attribute for financial statement recognition of positions taken or expected to be taken in income tax returns. FASB ASC 740-10-50 had no material impact on the Company's financial statements. The tax years 2019-2023 remain open to examination by the major taxing jurisdictions to which the Company is subject. In the event that the Company concludes that it is subject to interest and/or penalties arising from uncertain tax positions, the Company will present interest and penalties as a component of income tax expense.

THE TUTORING CENTER FRANCHISE CORP.

6. **PROVISION FOR CORPORATE TAXES (CONTINUED)**

The Company made a Pass-Through Entity Tax (PTE Tax) election for tax year 2022 in accordance with California AB 150 (Ch.21-82) under which the Company incurs and pays a state income tax that would otherwise be paid individually by its stockholders. In accordance with the PTE Tax election, the Company computes a state income tax in the amount of 9.3% of the state's qualified net income, with its stockholders receiving a state tax credit of up to 100% of the state tax paid by the Company. The PTE tax is recorded as state income tax expense in the 2022 statement of income.

The PTE Tax election is made annually. The Company did not make a PTE Tax election in 2023.

Effective in 2023, deferred state income taxes are recorded on temporary differences between the financial statement and tax basis of assets and liabilities at the applicable state income tax rate. Temporary differences are based principally on the use of accelerated depreciation methods. No deferred state income taxes were recorded in 2023.

The provision for corporate taxes consists of the following:

Year ended December 31	<u>2024</u>	<u>2023</u>	<u>2022</u>
Federal	\$ -	\$ -	\$ -
State	800	800	5,562

7. **RETIREMENT PLAN**

The Company has a qualified profit-sharing plan with a 401(k) deferred compensation provision for all eligible employees. For the years ended December 31, 2024, 2023 and 2022, the Company's contributions were \$22,283, \$20,659, and \$21,879, respectively.

8. **LEASES**

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, Leases) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

THE TUTORING CENTER FRANCHISE CORP.

Notes to Financial Statement

8. LEASES (CONTINUED)

The Company adopted the standards effective January 1, 2022 and recognized and measured leases existing at, or entered into after, January 1, 2022 (the beginning of the period of adoption) through a cumulative effective adjustment, with certain practical expedients available. Lease disclosures for the year ended December 31, 2021 is made under prior lease guidance in FASB ASC 840.

As a result of the adoption of the new lease accounting guidance, the Company recognized on January 1, 2022 a lease liability of \$897,226, which represents the present value of the remaining operating lease payments of \$921,633, discounted using our incremental borrowing rate of 1.28%, and a right-of-use asset of \$899,927.

The standard had a material impact on our 2022 balance sheet but did not have an impact on our 2022 income statement, nor statement of cash flows. The most significant impact was the recognition of ROU assets and lease liabilities for operating leases.

A summary of total lease cost, by component, and other lease information for the years ended December 31, 2024, 2023 and 2022, follows:

In September of 2024, the Court granted the motion to strike in its entirety, and the Court then provided the Plaintiff with the opportunity to file a second amended complaint. In September of 2024, the Plaintiff instead filed a voluntary request for dismissal with the Court, which was granted and the lawsuit was dismissed effective October 1, 2024. As such, the Company has not recognized any liability as of December 31, 2024 in connection with this matter.

Franchisee _____

THE TUTORING CENTER FRANCHISE CORP. FRANCHISE AGREEMENT

This Franchise Agreement ("this Agreement") is made and entered into on _____, 20__ (the "Effective Date") by and between The Tutoring Center Franchise Corp., a California corporation with its principal address at 3750 Long Beach Blvd., Suite 200, Long Beach, California 90807 ("Franchisor," "we" or "us"), and _____, a(n) _____ whose principal address is _____, ("Franchisee" "you" or "your" or "Franchisee").

RECITALS

Franchisor has expended valuable time and resources to develop a system for assessing and tutoring individuals in academic, enrichment, and test preparation skills (the "System"). The System includes facility design, furniture, fixtures, equipment and décor, operational procedures, marketing and advertising, contents of a confidential Operations Manual (or "Manuals"); all training materials and best practices, internet based web sites, record keeping procedures and related elements and the "Copyrighted Works" and "Trade Secrets," as defined herein, all of which Franchisor may continue to develop and change over time. The System also includes use of distinctive service marks, including the mark "The Tutoring Center" (the "Marks"). Franchisee wants to obtain a franchise to operate a tutoring business providing products and services approved by Franchisor and using the System and Marks (a "Tutoring Center" or "Center") and will comply with this Agreement and the Operations Manual in order to use the Marks, System, Copyrighted Works and Trade Secrets. Franchisor is willing to grant Franchisee a Franchise on the terms in this Agreement. Certain capitalized terms used in this Agreement are defined in Section 41, below. Capitalized terms that are not defined in Section 41 are defined in the section where they first appear. Accordingly, the parties now agree as follows:

AGREEMENT

1. GRANT OF FRANCHISE.

A. *Grant*

Franchisor grants to Franchisee, and Franchisee accepts, the right to use the System and Marks to operate one Center providing tutoring and other Franchisor-approved Products and Services to the general public at a location approved by Franchisor (the "Approved Location"), as provided in Section 4 and specified in Schedule A. Franchisee has no right under this Agreement i) to open or operate any additional Center or provide the Products and Services from or at any location other than the Premises, unless otherwise authorized by Franchisor in writing; or ii) to engage in any resale and/or sublicensing or franchising of the Marks, System, Manuals, training programs, Copyrighted Works or Trade Secrets or any other elements of the Tutoring Center, and agrees not to engage in any such activities. Franchisor is not required to grant you multiple franchises. If Franchisor elects to do so, Franchisor can condition the award of another Franchise on the execution of a General Release by you and any Affiliate/Owner of yours, excluding only those claims solely related to the offer and sale of the additional Franchise, where such releases are expressly prohibited by applicable law.

B. *Limited Protected Territory*

During the term of this Agreement and so long as Franchisee is not in breach of this Agreement, Franchisor will not operate a Center, itself or through an affiliate, or grant a Franchise for the operation of a Center, to be physically located at a street address within Franchisee's Territory (as defined herein and

on the attached Schedule A). All rights in the Territory not expressly granted to Franchisee are hereby expressly reserved by and to Franchisor.

C. *Rights Reserved to/by Franchisor*

Except for a Center physically located and having a street address in your Territory, as provided in Section 1.B, above, Franchisor has all rights to locate and operate anywhere, and to authorize others to locate and operate anywhere, a Tutoring Center and/or any other kind of business, using any channel of distribution, including the Internet, mobile services, and temporary facilities, and offering any type of product or service to customers located anywhere under any brand or trademark, including the Marks. You acknowledge that you have no right to preclude any such operations or activities or to be compensated in connection with such activities or operations.

i. Franchisor can acquire, be acquired by, merge, affiliate or co-brand with, or engage in any transaction with other businesses with outlets located anywhere, whether or not competitive or franchised, without liability to you. Franchisor can develop or become associated with other concepts, including with other franchise systems, and award franchises under such other concepts for locations and customers anywhere. Any of these business activities can result in changes to the Marks and System, including possibly the need to convert to another brand. In that case, you will follow any conversion instructions from Franchisor and will have at least 6 months to comply with them. However, if you receive such instructions within 12 months of the Expiration Date of this Agreement, you will not be required to convert unless a renewal Franchise is granted to you, subject to Section 3.

ii. Franchisor may have the opportunity to form arrangements to provide Products and Services to substantial organizations with multiple outlets or sites, such as a school district, an educational agency or a private educational organization. Such opportunities shall be referred to as "Centralized Accounts." Franchisor and/or Franchisor Affiliates can service and/or administer Centralized Accounts. If you agree to provide services to the Centralized Accounts at the request of Franchisor, you will participate and share in the related revenues on terms Franchisor has established for the applicable Centralized Account.

iii. Franchisor's policy as of the Effective Date is to allow you and other Tutoring Center franchisees to recruit and enroll customers located anywhere and to market to customers located anywhere, but Franchisor can change this policy. You agree to comply with any policy changes.

D. *Best Efforts required of Designated Owner*

Franchisee shall, at all times, use its best efforts (whatever is necessary and practical) to promote and increase sales and delivery of Center Products and Services and to maximize distribution of the Products and Services to potential customers in the market area served by the Center. In connection therewith, Franchisee must not disparage to any person the Franchisor, its employees and representatives, its products or the Marks, or other "The Tutoring Center" franchisees.

In the event Franchisee's Designated Owner elects to pursue outside employment or other financial activity outside of the Center such that Designated Owner will not be at the Center during all of the Center's business hours, Franchisee shall:

i. Before taking any outside employment or other financial activity, inform Franchisor in writing of Designated Owner's intention; and

If the Designated Owner also serves as the Center Director, ensure that a new Center Director for the Center acceptable to Franchisor is engaged and working before Designated Owner accepts such

outside employment or financial activity. The new Center Director must complete the Franchise Training; Part 1 prior to managing the day-to-day operations of the Center to the Franchisor's satisfaction. Such training shall be facilitated by the Franchisor and conducted in Long Beach, CA and facilitated by conducted by the Franchisor in Long Beach, California. - iv. Franchisee shall comply with Franchisor's then-current qualification and training requirements by attending the Franchise Training Program at Franchisor's corporate training facility in Long Beach, California, or at another location designated by Franchisor;
- v. Franchisee shall have given to Franchisor written notice of Franchisee's desire to renew at least ninety (90) days, but not more than **twelve (12) months** before the expiration of the initial term, and this notice shall be accompanied by payment of a renewal fee in the amount of Five Thousand Dollars (\$5,000), which amount is subject to inflation adjustment, as provided in Section 12.E. of this Agreement;
- vi. Franchisee shall have paid all amounts due to Franchisor and any Affiliate of Franchisor;
- vii. Franchisee and all Franchisee Owners shall execute a General Release in favor of Franchisor and all of its Affiliates, directors, officers, Owners, managers, partners, members, employees and agents, which release shall be in a form specified by Franchisor; and

On renewal, Franchisee shall execute Franchisor's then-current form of franchise agreement, renewal addendum (which may at Franchisor's sole discretion provide for no further renewal) and related documents then-customarily used by Franchisor for a successor Franchise, which agreement shall supersede this Agreement in all respects ("Renewal Agreement"). The terms of the Renewal Agreement may differ from the terms of this Agreement in material ways including, without limitation, the Royalty Fee ("Royalty Fee") and different and/or new fee requirements. At minimum, the starting Royalty Fee under the Renewal Agreement shall include all Inflation Riders currently applicable under this Agreement and as defined in Section 12.E.

C. Notice of Deficiencies

Within a reasonable time after receipt from franchisee of a written renewal notice under Section 3.B., above, Franchisor shall provide Franchisee with written notice of (i) any reasons Franchisor has identified at that time that could cause Franchisor not to permit renewal; and (ii) Franchisor's then-current image, upgrading and related requirements for a Tutoring Center facility. Renewal of the Franchise shall be conditioned on Franchisee's compliance with these requirements and all terms of this Agreement.

D. Renewal Documents; Legal Compliance

After Franchisor has determined that Franchisee is eligible for renewal, Franchisor shall provide its then-current Disclosure Document with all exhibits (including the then-current franchise agreement). Upon receipt of the documents, Franchisee shall immediately sign an Acknowledgement of Receipt in the form

provided by Franchisor and return the same to Franchisor. Thereafter, not later than twenty (20) days before expiration of this Agreement or as otherwise instructed by Franchisor (but not prior to the minimum review period required by law), Franchisee shall execute the applicable agreement(s) and return it or them to Franchisor. You must be in full compliance with the Franchise Agreement both at the time Franchisor notifies you of its intention to grant you a renewal Franchise and at the time of signing. If an extension of the term of this Agreement is required to allow Franchisor to provide a lawful notice of non-renewal or to enable Franchisor to otherwise comply with legal requirements in connection with the award of a renewal Franchise, the terms of this Agreement shall be deemed to continue in effect for the period of any such extension.

4. LOCATION

A. Operation at Approved Location; Selection of Approved Location

- i. Franchisee shall operate a single Center at one location approved by Franchisor in its sole discretion and identified in Schedule A (the "Approved Location"). Franchisor will not approve any location that is less than five (5) miles from another Center. If the Approved Location has not been identified at the time this Agreement is signed, you must find a site within the geographic area identified as the "General Vicinity" on Schedule A and request Franchisor's written approval of the site. You agree that a) the General Vicinity is not, and shall not be construed to be, your Territory, b) you will not propose or be permitted to acquire any site located in another Center's Territory and c) you do not have any exclusive rights in the General Vicinity. Franchisor can locate or authorize, and may already have authorized, others to locate a Center in the General Vicinity. After Franchisor has approved the proposed site for your Center, a) the specific address of the Center will automatically be the Approved Location designated in Schedule A, as if originally set forth in Schedule A, b) your Territory will be determined as specified on Schedule A, and c) the General Vicinity identification will lapse and be without force or effect.
- ii. You are solely responsible for identifying a suitable location for the Center and for obtaining Franchisor's consent to the site as your Approved Location. You must provide us with accurate information on the location including plaza, size of space, and most importantly accurate address and GPS information on the space so that distance can be accurately assessed during Franchisor approval. Unless otherwise authorized by Franchisor in writing, not later than twelve (12) months from the Effective Date Franchisee must have a fully executed lease satisfactory to Franchisor as provided below of the Approved Location. If Franchisee fails to execute a signed lease which is fully approved in writing by the Franchisor within twelve (12) months of signing the Franchise Agreement, Franchisee may be assessed the non-compliance fee listed in the Franchise Agreement at Section 12. The monthly non-compliance fee will continue until fifteen (15) months have elapsed since signing the Franchise Agreement, at which time, non-compliance fees will discontinue and royalty payments referenced in Section 12 will begin and continue throughout the term of this Agreement.

B. Submission of Information

Before executing any lease or obtaining possession of a proposed location for the Center, Franchisee shall submit a description of the proposed location to Franchisor using the required forms provided by Franchisor and any other information about the proposed location that Franchisor requests (each a "Site Package").

C. Approval

Franchisor in its discretion shall approve or disapprove the proposed location in writing after receiving all information requested by Franchisor. Approval by Franchisor is not a recommendation or assurance regarding performance or any aspect of the Center. After Franchisor approves a proposed site and the lease for the Center is signed, its address shall be stated in Schedule A as the Approved Location for the Center and Franchisee's Territory shall be identified as provided in Schedule A. Franchisor will review up to three locations proposed by Franchisee. In the event Franchisee requests Franchisor's review of any additional location(s)

and Franchisor consents, Franchisee's royalty account will be automatically charged in the amount of Two Hundred Fifty Dollars (\$250) in consideration for Franchisor's review of each Site Package submitted.

D. Lease Termination

If the lease for the site of the Center expires or terminates or if the site is destroyed, condemned or otherwise rendered unusable, Franchisor may, in its sole discretion, authorize Franchisee to relocate the Center to another location acceptable to Franchisor. Any relocation shall be at Franchisee's sole expense, and Franchisor shall have the right to charge Franchisee for legal, accounting and any other expenses incurred by Franchisor in providing such assistance.

E. Proposed Lease

After receiving Franchisor's written approval of the location of the Premises, Franchisee shall submit the summary page of the proposed lease for the location for Franchisor's approval. If Franchisee is purchasing the proposed location, Franchisee must submit a summary of the proposed purchase agreement to Franchisor. These approvals are for Franchisor's benefit and do not imply assurance of any measure of performance at or concerning terms of possession of the location. Franchisor's approval of a lease can be conditioned on the lease including any or all of the following, as well as other terms specified by Franchisor in Schedule C or otherwise:

- i. Franchisor shall have the right, but not the obligation, to receive an assignment of the lease on termination or expiration of this Agreement, which form shall contain the conditional lease assignment language set forth in Schedule C hereof;
- ii. The lessor shall provide Franchisor all sales and other information it may have regarding operation of the Center;
- iii. The lessor shall provide Franchisor with a copy of any notice of default at the same time as the lessor delivers the notice to Franchisee, and Franchisor shall have the right, but not the obligation, for at least fifteen (15) days, to cure the default if Franchisee fails to do so; and
- iv. A statement that these provisions are included for Franchisor's benefit.

F. Time Limit to Obtain and Open Approved Location

If Franchisee does not, within fifteen (15) months after execution of this Agreement, procure a fully executed lease for the Approved Location satisfactory to Franchisor pursuant to Section 4.E above, Franchisee shall commence paying Monthly Royalties pursuant to Section 12 of this Agreement. Franchisee shall not be entitled to the refund of any amounts paid to Franchisor or any of Franchisor's Affiliates.

G. Use of Approved Location

Franchisee shall use the Approved Location only as a The Tutoring Center® franchise and for the sole purpose of conducting the business and providing only Products and Services as approved by Franchisor under the Marks and System (the "Franchised Business") and not for any other purpose or activity. Upon termination or expiration of this Agreement, the post-term covenants and provisions concerning confidentiality, non-compete, and other terms which survive in such circumstances, will apply.

5. TRAINING PROGRAM

A. Franchise Training; Part #1 (Initial Training).

Upon execution of this Agreement, Franchisee shall pay to Franchisor its then-current Pre-Opening Support and Training Fee, in addition to any travel, meals, lodging and other incidental expenses incurred by

Franchisee shall diligently attend and complete Franchise Training' Part #1 (Initial Training) to Franchisor's satisfaction. Franchise Training' Part #1 (Initial Training) is only available to Franchisee's Designated Owner and Center Director (if different).

B. Franchise Training; Part #2 (Initial Mentor Training)

After successful completion of Franchise Training' Part #1 (Initial Training) but prior to opening the Center for business, Franchisee's Designated Owner shall participate in and successfully complete this Part #2 (Initial Mentor Training) at a certified Mentor Training Facility designated by Franchisor which training shall last for five (5) days. Franchisee's Designated Owner shall receive "hands-on" training with an experienced franchisee designated by Franchisor. The Designated Owner must successfully complete both Franchise Training' Part #1 (Initial Training) and this Franchise Training' Part #2 (Initial Mentor Training) to Franchisor's satisfaction. Unless and until Franchisee's Designated Owner has completed both Franchise Training' Part #1 (Initial Training) and Franchise Training' Part #2 (Initial Mentor Training Facility) to Franchisor's satisfaction, Franchisee shall not open for business or operate the Tutoring Center.

C. Franchise Training; Part #3 (Continuing Mentor Training)

Franchisee shall also participate in Mentor Training with Franchisor's designated Mentor with emails and telephone calls or other form of communication on an as needed basis during Franchisee's first six (6) months to one (1) year of opening the Center at Franchisor's discretion. Franchise Training; Part #2 (Initial Mentor Training) and this Part #3 (Continuing Mentor Program) shall be completed only by Franchisee's Designated Owner. Franchisor, in its sole discretion, may substitute Mentor Training with the Franchisor's Personal Franchise Concierge Training or another similar program.

D. Failure to Complete Initial Training

If Franchisor determines that Franchisee has failed to attend or successfully complete Franchise Training Part #1 (Initial Training), Franchisor shall, at Franchisor's election, allow Franchisee to re-enroll in the next Franchise Training Part #1 (Initial Training). Franchisor shall have the right to terminate this Agreement if, in Franchisor's sole discretion, Franchisee fails, after re-enrolling, to successfully complete Franchise Training Part #1 (Initial Training). In the event of termination on this basis, Franchisor shall retain all amounts paid by Franchisee, and Franchisee shall not be entitled to any refund.

E. Scope of Any Training

Franchisor shall have the right solely to determine and modify from time to time the duration, location(s), trainers, subjects to be covered, composition and mix of trainees and number of trainees who may participate in any and all training programs.

- ii. Franchisor shall have the sole right to determine the duration and content of any such refresher training program in order to assist Franchisee toward improving performance in selected areas of operation, including without limitation Webinars; provided, however, this refresher training program shall not be longer than eleven (11) days. Such refresher training is included in the Franchise Fee paid by Franchisee upon signing the Agreement.

- iv. Franchisee shall provide all reports required for renewal training as set forth in the Operations Manual including without limitation Observation Forms, seventy-two (72) hours of Franchisor's request. If Franchisee fails to provide timely reports, Franchisee shall be required to pay the non-compliance fee set for at Section 12.F of this Agreement and that fee will continue monthly until all reports are submitted to Franchisor's satisfaction.
- v. Franchisor may periodically conduct live Webinars. If Franchisee is unable to attend the live Webinar, Franchisee shall watch the recorded Webinar within thirty (30) days of the live broadcast. If Franchisee misses the live or recorded Webinar, Franchisee shall be required to pay the non-compliance fee set forth at Section 12.F of this Agreement and that fee will continue monthly until the training has been completed to Franchisor's satisfaction.
- vi. In addition, Franchisor reserves the right to require Franchisee's Designated Owner attend, on a periodic basis, a one or two day, Regional Seminar at various locations as determined by Franchisor. Regional Seminars provide additional discussion forums and activities geared to help strengthen Franchisee's operations on a topic or topics selected in advance by Franchisee and Franchisor. A Regional Seminar Fee of Three Hundred Dollars (\$300) per seminar is due from Franchisee and shall be paid automatically via EFT through Franchisee's royalty account, upon demand; provided, however, in the event the nearest seminar location in any calendar year is located more than three hundred (300) miles straight line distance from Franchisee's nearest The Tutoring Center, then Franchisee shall be excused from attending that calendar year. Franchisee's payment of the Regional Seminar Fee shall entitle Franchisee's Designated Owner to attend the Regional Seminar that calendar year. Franchisee's payment of the \$300 Regional Seminar Fee shall entitle Franchisee's Designated Owner to invite one other person. This second guest is restricted to the Franchisee's spouse (provided the spouse is a signatory to this Agreement), a hired Center Director, or a hired Head Instructor.
- vii. Franchisor reserves the right to hold an annual or periodic convention, the attendance at which shall be mandatory for all franchisees. Franchisor can charge all franchisees reasonable registration fees for holding an annual convention (regardless of whether or not a franchisee attends), including in those instances in which Franchisor elects, in its sole discretion, to combine the schedule for the annual mandatory training program with, or incorporate such schedule into, any future convention program. Franchisor may charge this fee automatically to the Franchisee's royalty account before the convention.
- viii. The Designated Owner shall attend and participate in any training program, webinar, seminar or convention that Franchisor requires.

G. Incidental Expenses While Training

Franchisee shall be solely responsible for and pay all incidental expenses (i.e., costs of transportation, meals, lodging, other living expenses and employee wages for Franchisee's Designated Owner and any of Franchisee's other attendees) incurred in connection with attending any training program, seminar or conference. Franchisor shall have no obligation to, and shall not, pay any such expenses nor any compensation for services performed for or beneficial to Franchisor by any trainee or attendee at any such training or conference.

H. Personnel Training

To impart to Franchisee's employees the latest procedures, techniques, standards and other information relating to the System, Franchisee shall conduct weekly in-house training, meetings and other programs as Franchisor may specify ("Weekly Staff Meeting"). Franchisee is required to review with its employees during the Weekly Staff Meeting the materials that Franchisor supplies along with the Customer Service and Training Agenda.

I. Designated Owner, Center Director and Head Instructor

The Franchisee must have a "Designated Owner". The Designated Owner is the individual identified on Schedule A who holds an equity interest in the Franchised Business and supervises the day to day operations of the Center as set forth in the Operations Manual. The Designated Owner must satisfy all training and other franchise operations requirements, including those for being the person responsible for the daily operation of the Center. Any proposed change in the Designated Owner requires Franchisor's prior written consent and the proposed individual's compliance with applicable training requirements and other Ownership requirements set forth in the Operations Manual. Each Designated Owner must complete the then-current Initial Training before opening or operating a Center. Any individual who has not signed the Franchise Agreement and is not listed as the Designated Owner will not be permitted to attend training. Any hired Center Director shall successfully complete Franchise Training; Part 1 prior to managing the day-to-day operations of the Center. Such training shall be facilitated by the Franchisor and conducted in Long Beach, California or another location designated by the Franchisor. Any ongoing training shall be conducted by the Designated Owner. The Franchisee/Designated Owner may also, and usually does, serve as the Center Director, running the day-to-day operations of the Center. Conversely, however, a hired Center Director may not also act as the Designated Owner.

"Head Instructor" is defined as the individual responsible for overall classroom management and local school marketing activities and who must meet such other criteria described in the Operations Manuals from time to time. Any hired Head Instructor shall be trained by the Designated Owner. A hired Head Instructor may not act as both the Head Instructor and Center Director simultaneously, and the Head Instructor may not be the Designated Owner of the business.

J. *Defense of Claims*

Franchisee shall immediately notify Franchisor in writing on learning or receiving notice of any claim, suit or demand alleging infringement by Franchisee of any of the Marks. Franchisor shall take any such action that Franchisor deems appropriate. Franchisor agrees to indemnify and hold Franchisee harmless from and against all costs, expenses and damages (including reasonable Attorneys' Fees and costs) incurred by Franchisee in connection with any trademark infringement proceeding or action in which Franchisee is held liable arising out of Franchisee's proper use of the Mark pursuant to and in compliance with this Agreement, so long as Franchisee has timely notified Franchisor of the claim and otherwise complied with this Agreement. At Franchisor's option, Franchisor or its designee may defend and control the defense of any proceeding arising directly from Franchisee's use of any Mark. This indemnification shall not apply to litigation between Franchisor and Franchisee in which Franchisee's use of the Marks is disputed or challenged by Franchisor or to any separate legal fees or costs incurred by Franchisee in seeking independent counsel.

M. *Third-Party Infringers*

Franchisee shall notify Franchisor in writing immediately on learning that any third party is or may be using any mark that is the same as or confusingly similar to the Marks, and who Franchisee believes is not authorized to use the Marks. Franchisor shall have the sole right to determine which, if any, action to take regarding that alleged use. Franchisee shall have no right to make any demand or prosecute any claim against any third party with respect to such use of the Marks or any infringement thereof.

N. *Stopping Use of the Marks*

If it becomes advisable at any time, in Franchisor's discretion, to modify or cease the use of any Mark or to adopt or use one or more additional or substitute Marks, then Franchisee shall conform all use of the Marks to the manner requested by Franchisor. Franchisee waives any other claim arising from or relating to any such change in the Marks. Franchisor shall have no obligation for expenses, losses or damages sustained by Franchisee as a result of any such change in the addition to or elimination of Marks.

Franchisee shall comply with Franchisor's instructions for filing and maintaining fictitious business name registrations. At Franchisor's written request, Franchisee shall cause all companies providing any form of telephone or telephone directory service to the Center to transfer to Franchisor or to Franchisor's nominee, all service for the telephone numbers used by or listed for the Center. If Franchisee fails to do so, then Franchisee irrevocably appoints Franchisor as Franchisee's attorney-in-fact to instruct all such companies to make such transfers of service. This grant extends to any Franchisee Improvement in the operations, materials and all other aspects of operating, advertising and promoting Centers. If Franchisor incorporates any Franchisee Improvement into the System, Franchisee agrees that any costs related to implementing the Franchisee Improvement at Franchisee's Center shall be at Franchisee's expense. A. Opportunity of Heirs

If the Franchisee, or if the Owner having a controlling interest in a Business Entity Franchisee, dies or is permanently disabled, then his or her interest in this Agreement, the Franchise and/or the Franchisee shall be transferred to a third party, subject to compliance with the provisions of Section 20. A "Permanent Disability" occurs if you are not able to personally, actively participate in the management of your Center Franchised Business for one hundred eighty (180) consecutive days. A transfer under this Section shall be completed within one hundred eighty (180) consecutive days from the date of death or permanent disability. The transfer fee is waived for any transfer under this paragraph. If no transfer occurs within the prescribed one hundred eighty (180)-day period, the Franchise will automatically terminate at the end of such period, unless Franchisor grants an extension in its sole discretion or in compliance with local law.

22. RIGHT OF FIRST REFUSAL

A. Franchisor's Right

Franchisor shall have a right of first refusal to accept the terms of any sale, transfer or assignment of any interest in this Agreement or in Franchisee, offered by Franchisee or offered and accepted by Franchisee, whether voluntarily or by operation of law.

B. Additional Rights

If Franchisor exercises its right of first refusal, then in addition, i) Franchisor shall have the right to substitute cash for any form of payment proposed in the offer; ii) Franchisor's credit-worthiness shall not be deemed to be less than that of any proposed purchaser; iii) Franchisor shall have at least sixty (60) days after

notifying Franchisee of its election to exercise its right of first refusal to prepare for closing; and iv) Franchisor shall be entitled to receive written representations and warranties from Franchisee that Franchisee owns clear title to all assets being sold, transferred or assigned; that all tangible assets being sold, transferred or assigned are in good working condition; that there are no breaches of any contracts affecting the Center; that there are no liabilities of Franchisee that have not been disclosed to Franchisor in writing; that Franchisee and each Owner and Franchisee Affiliate will comply with indemnification and non-competition obligations substantially similar to those required in Sections 16.F., 17.D. and 17.E. of this Agreement; that all sales, transfer and/or similar taxes are to be paid by the transferor; and that all applicable licenses and permits will be transferred to Franchisor at closing.

C. Notice

To enable Franchisor to exercise its right of first refusal, Franchisee shall deliver to Franchisor a written notice stating all the terms of any proposed sale, transfer or assignment and shall provide any additional information Franchisor requests about the proposed transaction.

D. Consent

Within thirty (30) days after Franchisor receives the notice and all additional information requested by Franchisor, Franchisor will, in writing, consent or withhold consent to the proposed sale, assignment or transfer, or in accordance with this Section 22, except for itself or its nominee the sale, assignment or transfer on the terms specified in the notice. If Franchisor does not respond within thirty (30) days, Franchisor's consent shall be deemed as withheld.

E. Entire Interest

If a transfer occurs by virtue of the assignment of a corporate, partnership or limited liability or other entity franchisee, to other than the original partners of Franchisee, as provided in Section 20.C., then Franchisor shall have the option to purchase not only the interests being transferred but also the remaining interests, so that after the transaction Franchisor will own one hundred percent (100%) of the interest in Franchisee. Any purchase of such interests shall be valued on a basis proportionate to the price of the interests initially being offered.

F. Lease

If Franchisor exercises its right of first refusal, then Franchisee shall take all action necessary to cause the lease for the Center and any other agreements designated by Franchisor, to be assigned to Franchisor.

G. Completion

If Franchisor elects not to exercise its right of first refusal and consents to the proposed sale, assignment or transfer, then Franchisee shall be authorized to complete the proposed transaction with the proposed assignee on the terms in the original notice to Franchisor. Any change to any such terms shall constitute a new proposal, which shall again require compliance with the procedures in this Section 22.

H. Other Transactions

An election by Franchisor not to exercise its right of first refusal for any proposed transaction shall not affect Franchisor's right of first refusal for any other proposed transaction. Franchisor's decision not to exercise its right of first refusal shall not constitute approval of the proposed transferee or assignee or of the transaction. Franchisee and any proposed transferee or assignee shall be required to comply with all provisions relating to transfer and assignment in Section 20 of this Agreement.

23. NATURE OF RELATIONSHIP

A. *Independent Contractors*

The parties desire, acknowledge and agree that they shall be independent contractors. Nothing in this Agreement shall be construed to create an employer-employee, partnership, joint venture, agency or any fiduciary or special relationship. Franchisee shall have no power to, and shall not purport to, obligate Franchisor for any expense, liability or other obligation.

B. *Public Notice*

Franchisee shall hold itself out to the public as an independent contractor operating the business pursuant to a franchise from Franchisor. Franchisee shall display a notice of independent ownership in a conspicuous place on the Center and on all forms, stationery or other written materials, the content of which Franchisor reserves the right to specify and take such further action as Franchisor may prescribe to fulfill the purpose of this paragraph.

24. NON-WAIVER

No waiver or delay in enforcing a party's rights after any breach of this Agreement shall be construed as a waiver of any earlier or later breach or of any other provision of this Agreement. Franchisor's acceptance of any payment from Franchisee shall not be construed to be a waiver of any breach of this Agreement.

25. NO ACCORD OR SATISFACTION; APPLICATION OF FUNDS

A. If Franchisee pays, or Franchisor otherwise receives, a lesser amount than the full amount due under this Agreement for any payment due hereunder, such payment or receipt shall be applied against the longest outstanding amount due Franchisor. Franchisor may accept any check or payment in any amount without prejudice to Franchisor's right to recover the balance of the amount due or to pursue any other right or remedy. No endorsement or statement on any check or payment or in any letter accompanying any check or payment or elsewhere shall constitute or be construed as an accord or satisfaction. Franchisor and any of its Affiliates' acceptance of any payments made by Franchisee shall not be construed to be a waiver of any breach or default of any provision in this Agreement.

B. Notwithstanding any designation by Franchisee, Franchisor shall have the sole discretion to apply any payments made by, or on behalf of, Franchisee (and to apply any amounts owed to Franchisee or any of its Affiliates by Franchisor or any of Franchisor's Affiliates) to any of Franchisee's past due indebtedness for Royalty Fees and other fees, payments or amounts owing to Franchisor or any of Franchisor's Affiliates, interest or any other indebtedness of Franchisee or any of Franchisee's Affiliates to Franchisor or any of Franchisor's Affiliates. No restrictive endorsement on any check or in any letter or other communications accompanying any payment shall bind Franchisor or any of its Affiliates.

26. TAX PAYMENTS

To the extent such taxes apply, Franchisee shall pay to Franchisor promptly and when due the amount of all sales taxes, use taxes, personal property taxes and similar taxes imposed on, required to be collected, or paid by Franchisor on the account of services or goods furnished by Franchisor to Franchisee through sale, lease or otherwise, or on account of collection by Franchisor of the initial Franchise Fee, royalties, amounts due for purchases by Franchisee from Franchisor and any other amounts which Franchisee owes to Franchisor as called for by this Agreement.

27. NOTICES

Any and all notices required or permitted under this Agreement shall be sent to the applicable parties at the following addresses unless and until a different address has been designated by written notice to the other party, shall be in writing and shall be personally delivered, delivered by messenger or delivery services, mailed by certified mail, return receipt requested, or by facsimile or electronic mail transmission, and shall be effective at the earlier of i) the time of actual receipt; or ii) immediately on transmission by facsimile or email transmission; or iii) one (1) business day after being placed in the hands of a commercial delivery service for overnight delivery; or iv) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed. The Non-Compliance Fee described in Section 12.F. shall apply to this Section 27 if Franchisee fails to accept notices transmitted in any of the above means.

28. ENFORCEMENT COST

A. If legal action is necessary to enforce the terms and conditions of this Agreement (including, without limitation, enforcement of confidentiality provisions or other provisions related to the Marks, the Copyrighted Works or the Trade Secrets), the prevailing party shall be entitled to recover reasonable compensation for preparation, investigation, court costs, arbitration costs (if applicable), accounting fees and expenses and reasonable Attorneys' Fees, as fixed by a court of competent jurisdiction.

B. Separate and distinct from the right of a prevailing party to recover expenses, costs and fees in connection with any legal proceeding, the prevailing party shall also be entitled to receive all expenses, costs and reasonable attorney's fees incurred in connection with the enforcement of any judgment entered. Furthermore, the right to recover post-judgment expenses, costs and Attorneys' Fees shall be severable and shall survive any judgment and shall not be deemed merged into such judgment.

29. APPROVALS

Any requests by Franchisee for approval or consent, and any approvals or consent by Franchisor, for any matter requiring such approval or consent in this Agreement shall be in writing.

30. ENTIRE AGREEMENT

This Agreement, and all ancillary agreements signed concurrently with this Agreement, are the parties' entire agreement on the subject matter hereof, and supersede any and all prior negotiations, understandings, representations, disclosures and agreements; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by Franchisor in the Disclosure Document that was furnished to Franchisee by Franchisor. This Agreement shall not be binding on either party unless executed in writing by both parties. This Agreement shall not be modified, except in writing, when signed by both parties; provided,

that Franchisor reserves the right to make changes to the Operations Manual as provided under this Agreement without Franchisee's consent.

31. SEVERABILITY AND CONSTRUCTION

A. Law Controls

In any conflict between this Agreement and any applicable law, the law shall prevail, but the provision of this Agreement affected shall be curtailed and limited only to the extent needed to be lawful. If any provision of this Agreement is held to be indefinite, overbroad, invalid or otherwise unenforceable, the remainder of this Agreement shall continue in effect. If a court of competent jurisdiction deems any provision of this Agreement (other than for payment of money) unreasonable, the court may declare a reasonable modification, and this Agreement shall be valid and enforceable as so modified.

B. Third Party Beneficiaries

Except for indemnification rights of third party indemnitees as expressly provided in this Agreement, nothing in this Agreement is intended, nor shall be deemed, to confer on any person or legal entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

C. Headings

Captions and headings are intended solely for the convenience of the parties and shall not be deemed to affect the meaning or construction of any provision of this Agreement.

D. Counterparts

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

E. Franchisor Exercise of "Sole Discretion" and Other Choices; Express Agreement

When Franchisor uses the phrases "sole and absolute discretion" and/or "sole discretion" and whenever Franchisor exercises a right, prescribes an action or thing, or otherwise makes a choice or uses discretion, you and Franchisor agree that Franchisor has the express, unrestricted right to make decisions and/or take (or refrain from taking) actions, as Franchisor deems appropriate. Franchisor shall use its judgment in exercising such discretion based on its assessment of the interests Franchisor considers appropriate and will not be required to consider your individual interests or the interests of any other particular franchisee(s). Franchisor has this right even if a particular decision/action may have negative consequences for you, a particular franchisee or group of franchisees. You and Franchisor shall execute this Agreement in the belief that it is the basis for a long-term business relationship and should be enforced according to its express provisions. Neither you nor Franchisor have any expectation that the rights and obligations described herein will be defined or determined to be other than as expressly written. You and Franchisor agree that it is not your and Franchisor's intention or expectation that a third party use any doctrine and/or rule of interpretation to impose additional and unexpressed obligations on you and/or Franchisor.

F. Extension for Compliance

This Agreement will be deemed automatically modified to comply with governing law if such law requires a greater time period for notice of Termination of, or refusal to renew, this Agreement or otherwise.

32. DISPUTE RESOLUTION

A. Non-Binding Mediation

If any dispute, claim or controversy arises out of this Agreement or the parties' relationship, before beginning any legal actions, the parties must attempt to resolve the dispute, claim or controversy through nonbinding mediation. Either party may notify the other party of its intent to commence non-binding mediation. Within fourteen (14) days after a request for mediation, the parties shall select a mediator who is experienced in the mediation of disputes in the franchise industry. Any mediation shall take place in the county where Franchisor has its principal offices. The parties will share the costs of mediation equally, exclusive of their respective attorneys' fees. The obligation to mediate shall not apply to any dispute, claim, or controversy between the parties regarding the Marks or where either party seeks interim relief, including, without limitation, immediate restraining orders and injunctive relief claims.

B. Arbitration: Jurisdiction

Except as set forth in Section 32(C), the parties agree that all controversies, disputes, or claims between the parties and/or their affiliates, respective owners, shareholders, members, officers, directors, agents, and/or employees arising out of or related to (i) this Agreement or any other agreement between the parties; (ii) any provision of this Agreement (including the validity and scope of the arbitration obligation under this Section 32 or other issues of arbitrability, which Franchisor and Franchisee acknowledge is to be determined by an arbitrator, not a court); (iii) any aspect of the relationship between the Franchisor (or any of its affiliates) and Franchisee; and (iv) any aspect of the System or any system standard, will be determined exclusively by binding arbitration to be conducted under the then-current commercial arbitration rules of the American Arbitration Association ("AAA Rules").

The arbitration proceedings will be conducted by a single arbitrator appointed by the parties pursuant to the process provided for in the AAA Rules (the "Arbitrator"). All proceedings will be conducted at a suitable location chosen by the Arbitrator in the county where Franchisor has its principal offices (currently, Los Angeles County, California), unless a different location is agreed by the parties.

C. Injunctive Relief

Despite the parties' agreement to arbitrate, each of the parties have the right to seek temporary restraining orders and temporary and/or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that the parties must contemporaneously submit the underlying dispute for arbitration on the merits as provided in Section 32(B).

Franchisee must make any request for a temporary restraining order or for temporary or preliminary injunctive relief exclusively in the Selected Courts. Franchisor may make any request for a temporary restraining order or for temporary or preliminary injunctive relief in the Selected Courts or in any federal or state court with jurisdiction. Franchisee and Franchisee's owners irrevocably consent to the Selected Courts' jurisdiction over Franchisee and Franchisee's owners and waive any argument that any other forum is a more convenient forum. In addition to any other relief available at law or equity, Franchisor will have the right to obtain restraining orders or temporary or permanent injunctions to: (i) enforce, among other matters, the provisions of this Agreement related to the System; (ii) enforce Franchisee's obligations on termination or expiration of this Agreement; and (iii) prohibit any act or omission by Franchisee or its employees that is a violation of applicable federal, state or local laws or that threatens Franchisor's intellectual property.

D. Conduct of Arbitration

The parties agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. In any arbitration proceeding, each party in the arbitration must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The Arbitrator must follow applicable laws and not disregard the terms of this Agreement. The Arbitrator may not

consider any settlement discussions or offers that might have been made by either party and will not have the right to declare any Mark generic or otherwise invalid.

E. Individual Action

The parties agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between the parties, their affiliates, and their respective shareholders, officers, directors, agents, and/or employees may not be consolidated with any other arbitration proceeding between the parties and any other person. Notwithstanding the foregoing or anything to the contrary in this Section 32 or Section 31, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 32, then all parties agree that this arbitration clause will not apply to that dispute and that such dispute will be resolved in a judicial proceeding in the Selected Courts.

F. Relief

The Arbitrator has the right to award or include in its award any relief which it deems proper, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the Arbitrator may not declare any Mark generic or otherwise invalid, or award any punitive or exemplary damages against either party (the parties hereby waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other). The award of the Arbitrator shall be conclusive and binding upon all parties hereto and judgment upon the award may be entered in any court of competent jurisdiction.

G. Costs and Attorney Fee

In any action or proceeding brought to enforce any provision of this Agreement or arising out of or in connection with the relationship of the parties hereunder, the prevailing party shall be entitled to recover against the other its reasonable attorneys' fees and costs in addition to any other relief awarded by the court or arbitration.

H. Governing Law

All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 *et seq.*). Except to the extent governed by the Federal Arbitration Act or other federal law, this Agreement, the Franchise, and all claims arising from or related to the relationship between Franchisor and Franchisee, will be governed by the laws of the State of California, without regard to its conflict of laws principles, except that any California law regulating the sale of franchises, licenses, or business opportunities, or governing the relationship of a franchisor and its franchisee or the relationship of a licensor and its licensee, or involving unfair or deceptive acts or practices, or the covenants set forth in Section 17 of this Agreement will not apply unless its jurisdictional requirements are met independently without reference to this Section.

I. Waiver of Jury Trial

IN THE EVENT THE ABOVE ARBITRATION PROVISION IS UNENFORCEABLE OR THE PARTIES OTHERWISE AGREE TO PRESENT THEIR DISPUTE TO A COURT OF LAW, FRANCHISOR AND FRANCHISEE (AND ANY OF THEIR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER FRANCHISEE (OR ITS OWNERS) OR FRANCHISOR. FRANCHISOR AND FRANCHISEE EACH ACKNOWLEDGE THAT FRANCHISOR AND FRANCHISEE MAKE THIS WAIVER KNOWINGLY, VOLUNTARILY, WITHOUT DURESS, AND ONLY AFTER CONSIDERATION OF THIS WAIVER'S RAMIFICATIONS.

J. Waiver of Punitive Damages

FRANCHISOR AND FRANCHISEE (AND THEIR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN FRANCHISOR AND FRANCHISEE, THE PARTY MAKING A CLAIM WILL BE

LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES HE, SHE, OR IT SUSTAINS.**K. Cumulative Rights**

Franchisor's and Franchisee's rights under this Agreement are cumulative, and no exercise or enforcement of any right or remedy will preclude Franchisor's and Franchisee's exercise or enforcement of any other right or remedy under this Agreement which Franchisor and Franchisee are entitled by law to exercise or enforce.

L. Survival

The terms of this Section 32 shall survive termination, expiration or cancellation of this Agreement and are intended to benefit and bind certain third-party non-signatories.

33. FORCE MAJEURE

Whenever a period of time is provided in this Agreement for either party to do or perform any act or thing, except the payment of monies, neither party shall be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, acts of terrorism, government regulation or control or other causes beyond the reasonable control of the parties. Any time period for the performance of an obligation, excluding the payment of monies, shall be extended for the amount of time of the delay. This clause shall not apply or not result in an extension of the term of this Agreement.

34. "FRANCHISEE" DEFINED AND GUARANTY**A. Franchisee**

As used in this Agreement, the term "Franchisee" shall include the individual(s) or entity defined as "Franchisee" in the introductory paragraph of this Agreement and all persons who succeed to the interest of the original Franchisee by transfer or operation of law. The term "Franchisee" shall also include all partners of the entity that executes this Agreement (if the entity is a partnership); all shareholders, officers and directors of the entity that executes this Agreement (if the entity is a corporation); and all members, managers or governors of the entity that executes this Agreement (if the entity is a limited liability company).

B. Individual Undertakings

By their signatures hereto, all partners, shareholders, officers, directors, members, managers and governors of the entity that signs this Agreement as Franchisee personally and individually acknowledge and accept the duties and obligations imposed on Franchisee by the terms of this Agreement. As a condition to the granting of the franchise under this Agreement by Franchisor, if Franchisee is an entity, Franchisor may require each of Franchisee's Owners to execute a Guarantee in the form of Schedule B attached hereto.

35. OPERATION IN THE EVENT OF ABSENCE OR DISABILITY

In order to prevent any interruption of the Center operations which would cause harm to the Center, thereby depreciating the value thereof, Franchisee authorizes Franchisor, who may, at its option, in the event that Franchisee is absent for any reason or is incapacitated by reason of illness and is unable, in the sole and reasonable judgment of Franchisor, to operate the Center, operate the Center for so long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies Franchisor may have under this Agreement. All monies from the operation of the Center during such period of operation by Franchisor shall be kept in a separate account, and the expenses of the Center, including reasonable compensation and expenses for Franchisor's representative, shall be charged to said account. If, as herein provided, Franchisor temporarily operates the Center franchised herein for Franchisee, Franchisee agrees to indemnify and hold harmless Franchisor and any representative of Franchisor who may act hereunder, from any and all acts which Franchisor may perform while operating your Center pursuant to this Section.

36. STEP-IN-RIGHTS

A. Cause for Step-In

If Franchisor determines in its sole judgment that the operation of Franchisee's Center is in jeopardy, or if a default occurs, then in order to prevent an interruption of the Center which would cause harm to the System and thereby lessen its value, Franchisee authorizes Franchisor to operate his/her Center for as long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies which Franchisor may have under this Agreement. In the sole judgment of Franchisor, Franchisor may deem Franchisee incapable of operating the Center if, without limitation, Franchisee is absent or incapacitated by reason of illness or death; Franchisee has failed to pay when due or has failed to remove any and all liens or encumbrances of every kind placed upon or against Franchisee's Center; or Franchisor determines that operational problems require that Franchisor operate Franchisee's Center for a period of time that Franchisor determines, in its sole discretion, to be necessary to maintain the operation of the Center as a going concern.

B. Duties of Parties

Franchisor shall keep in a separate account all monies generated by the operation of Franchisee's Center, less the expenses of the Center, including reasonable compensation and expenses for Franchisor's representatives. In the event of the exercise of the Step-In Rights by Franchisor, Franchisee agrees to hold harmless Franchisor and its representatives for all actions occurring during the course of such temporary operation. Franchisee agrees to pay all of Franchisor's reasonable Attorneys' Fees and costs incurred as a consequence of Franchisor's exercise of its Step-In Rights. Nothing contained herein shall prevent Franchisor from exercising any other right which it may have under this Agreement, including, without limitation, termination.

37. FRANCHISOR PRACTICES

Franchisee understands, acknowledges and agrees that Franchisor may have offered franchises in the past, may currently be offering Franchises and/or may offer Franchises in the future on economic and/or other terms, conditions and provisions which may significantly differ from those set forth in this Agreement and any related documents, and that there may be instances in which Franchisor has varied, or will vary, the terms on which Franchisor offers Franchises, the charges Franchisor receives and other arrangements with franchisees to suit the circumstances of a particular transaction, the particular franchisee's situation or otherwise, in each case in its sole discretion and without liability, to the extent permitted by law.

38. CUMULATIVE REMEDIES

Except as provided herein, the rights and remedies specifically granted to either you or Franchisor by this Agreement will not be deemed to prohibit either of you or Franchisor from exercising any other right or remedy provided under this Agreement or permitted by law or equity.

39. DISCRETIONARY ENFORCEMENT

Franchisor has the right to elect in its discretion to not enforce (or to selectively enforce) any provision of this Agreement or any agreement, standard or policy, whether with respect to you and/or any other franchisee or other person, in a lawful manner without liability.

Site Selection, Approved Location and Territory and Designated Owner

Part #1: Designated Owner

The Designated Owner is the individual identified on Schedule A and who holds an equity interest in the Franchised Business and must satisfy all training and other franchise operations requirements, including being the person responsible for the daily operation of the Center. The Designated Owner is _____ [name].

Part #2: Site Selection and General Vicinity

At the time you sign this Franchise Agreement, you probably will not have an Approved Location for your Tutoring Center. As provided in Section 4 of the Franchise Agreement, you must identify a site for your Center and request Franchisor's approval of the site. If the street address and Territory for your Center is not identified above by the Effective Date of the Franchise Agreement, you and Franchisor agree to amend this Schedule A in writing within fifteen (15) days from Franchisor's notice to you providing an acceptance of your proposed Center location and identifying any related Territory (Refer to Part 3, below). **You must look for a site for your Center only in the General Vicinity, unless otherwise authorized by Franchisor in writing.**

The General Vicinity is the following area: _____.

The General Vicinity is identified so that Franchisor can properly administer franchise operations and is only for the purposes of ensuring that you seek and locate a site for Franchisor's approval within a specified geographical area. **It is not meant to be, nor is it, a franchise 'territory' of any sort.** You expressly acknowledge and agree that i) the General Vicinity is not, and shall not be construed to be, your territory, ii) you will not propose or be permitted to acquire any site located in another Center's Territory and iii) Franchisor may locate, or authorize others to look for a Center site or to locate a Center, anywhere in the General Vicinity.

Part #3: Identification of Approved Location and Franchisee's Territory

At the time you sign this Franchise Agreement, you probably will not have an Approved Location for your Tutoring Center. As provided in Section 4 of the Franchise Agreement, you must identify a site for your Center in the General Vicinity, as provided in Part 2, above, and request Franchisor's approval of the site. If a proposed site is approved by Franchisor, the specific address of that site will automatically become the Approved Location for purposes of the Agreement and this Schedule A, as if originally set forth in this Schedule A, and any General Vicinity identified above will lapse and be without meaning or effect.

The identification of the Approved Location and related Territory remains blank until Franchisor's written consent to a specific site address has been received by you:

Your Tutoring Center Approved Location is:

Street Address: _____ City: _____

Your "Territory" is identified on the map attached to this Schedule A, or, if no map is provided when this Schedule A is amended to identify the Approved Location, above, then the Territory will be deemed to be the area within a 5 mile radius from the front door of your Center (as measured by straight line with a global positioning system ["GPS"]).

Note: Boundary lines include only the area within the boundary line and extend only to the middle of any boundary demarcation (for example, only to the middle of a street or highway.) You have no rights under this Agreement or otherwise with respect to a Center or other facility on the other side of the boundary line, street or highway or otherwise.

Your and our respective rights in the Territory are subject to the terms and conditions of the Franchise Agreement and expressly as stated in Section 1 and in this Schedule, which is incorporated into and a part of the Franchise Agreement. All rights in the Territory not expressly granted to you are reserved by Franchisor.

**SCHEDULE C TO THE FRANCHISE AGREEMENT
AGREEMENT AND CONDITIONAL ASSIGNMENT OF LEASE**

This Agreement and Conditional Assignment of Lease ("Agreement") is made this _____ day of _____, 20__, by and among the following parties:

LESSOR: _____

LESSEE: _____

FRANCHISOR: The Tutoring Center Franchise Corp.
3750 Long Beach Boulevard, Suite 100
Long Beach, California 90807

RECITALS:

WHEREAS, under the terms of the Lease Agreement, attached hereto as Exhibit A, Lessor has agreed to lease to Lessee certain premises (the "Premises") located at the following street address:

WHEREAS, Franchisor has accepted the Premises as a suitable location for Lessee's Center, subject to the provisions of the Franchise Agreement and further subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants herein contained other good and valuable consideration, including the acceptance by Franchisor of the Premises as a location for a "The Tutoring Center" Center, the parties hereby agree as follows:

1. Use of the Premises

Lessee shall use the Premises only for the operation of a "The Tutoring Center" Center pursuant to its Franchise Agreement with Franchisor and for no other purposes whatsoever. If Lessee closes the Center, Lessee agrees not to open another business on these Premises.

2. Signage

Lessor hereby consents to Lessee's use and display on the Premises of such exterior and interior signs, posters, promotional materials, and equipment, furnishings, and decor as are currently required by Franchisor pursuant to the Franchise Agreement. In the event that such requirements are changed in the future, Lessor agrees that it will not unreasonably withhold its consent to Lessee's compliance with such changes. In the event that local ordinances or zoning requirements prohibit the use of the Franchisor's standard signage, Franchisor will not unreasonably withhold its consent to the modification of its standard signage to comply with such requirements.

3. Notices

Lessor agrees to furnish Franchisor with copies of any and all letters and notices to Lessee pertaining to any default by Lessee under the Lease at the same time and in the same manner as any such notice is sent to Lessee. Lessee agrees to furnish Franchisor with prompt written notice of any and all amendments, waivers, extensions, renewals or other modifications of the Lease. All notices hereunder shall be mailed or delivered to the addresses set forth above, unless changed from time to time by any party through written notice mailed or delivered to the other parties.

4. Assignment

Lessor hereby acknowledges that Lessee has agreed under the Franchise Agreement that, in the event of termination or expiration of the Franchise Agreement or Lessee's default under the Lease, Lessee shall, at Franchisor's option, assign to Franchisor any and all interest of Lessee in the Lease. Lessee, to secure its obligations to the Franchisor under the Franchise Agreement hereby assigns, transfers and sets over unto Franchisor all of Franchisee's right, title and interest, whether as tenant or otherwise, in, to and under the Lease. Franchisor shall have no liabilities or obligations of any kind arising from, or in connection with, this Assignment, the Lease or otherwise (including, but not limited to, any obligation to pay rent and/or other amounts) until and unless the Franchisor, in its discretion, takes possession of the Premises pursuant to the terms hereof and expressly assumes in writing the rights and obligations of Franchisee under the Lease. The Franchisor is responsible only for those obligations accruing under the Lease after the date of such assumption. Lessor hereby consents to such assignment, subject to the following conditions:

A) Franchisor shall notify Lessor in writing within thirty (30) days after termination or expiration of the Franchise Agreement or Franchisor's receipt of any notice of default by Lessee under the Lease if Franchisor elects to assume the Lease. Franchisor's failure to accept assumption of the Lease upon any default of Lessee under the Lease shall not be deemed a waiver of Franchisor's future right to accept such assumption in the event of any future default by Lessee;

B) If Franchisor elects to accept assumption of the Lease, Franchisor shall execute and deliver to Lessor a lease containing the same terms and conditions (including rental rates) as the Lease; provided, however, that Franchisor's leasehold interest shall not be subject to any default claims that may exist between Lessor and Lessee;

C) If Franchisor elects to accept assumption of the Lease, Franchisor shall take possession of the Premises within thirty (30) days after notice of such election to Lessor, and Franchisor shall commence payment of rent upon taking possession of the Premises;

D) Nothing herein shall affect Lessor's right to recover from Lessee any and all amounts due under the Lease or to exercise any rights of Lessor against Lessee as provided under the Lease.

E) **Franchisor will not take possession of the Premises until and unless the Lessee defaults (and/or until there is a termination, cancellation, rescission or expiration of the Franchisee's rights) under the Lease, any sublease, the Franchise Agreement or another agreement between the Lessee and the Franchisor.**

5. Assignment to Third Party

At any time after giving notice of its election to accept assignment of the lease, Franchisor may request to assign its lease, or sublease the Premises, to a third party without any further liability thereunder. Lessor agrees not to unreasonably withhold its consent to any such assignment or sublease on the same terms as the Lease; provided, however, that if Lessor refuses to consent to such assignment or sublease by Franchisor, Franchisor shall have no further obligations thereunder.

6. Entry of Franchisor

Lessor and Lessee hereby acknowledge that Lessee has agreed under the Franchise Agreement that Franchisor and its employees or agents shall have the right to enter the Center operated by Lessee at the Premises at any time for the purpose of conducting inspections, protecting Franchisor's proprietary marks, and correcting deficiencies of Lessee. Lessor and Lessee hereby agree not to interfere with or prevent such entry by Franchisor, its employees or agents.

7. De-Identification

Lessor and Lessee hereby acknowledge that in the event the Franchise Agreement expires or is terminated, Lessee is obligated under the Franchise Agreement to take certain steps to de-identify the location as a "The Tutoring Center" Center operated by Lessee. Lessor agrees to cooperate fully with Franchisor in enforcing such provisions of the Franchise Agreement against Lessee, including allowing Franchisor, its employees and agents to enter and remove signs, decor and materials bearing or displaying any marks, designs or logos of Franchisor or which are proprietary to or a component of the Tutoring Center System (individually and collectively, "Tutoring Center Items"); provided, however, that Lessor shall not be required to bear any expenses thereof. Lessor specifically acknowledges and agrees that Lessor has no right or authority to keep or dispose of the Tutoring Center Items without obtaining Franchisor's advance written consent and shall give Franchisor reasonable notice and opportunity to collect and/or remove such Tutoring Center Items from the leased premises. Lessee agrees that Lessee shall promptly upon receipt of Franchisor's request transport to and deposit at a location designated, and according to any instructions provided, by Franchisor at Lessee's expense and at no charge to Franchisor all furniture, equipment and similar items bought to Tutoring Center standards and specifications and used in the Franchised Business ("Tutoring Center Materials"). If Lessee fails to de-identify the Premises promptly upon termination or expiration as required under the Franchise Agreement or to comply with this Agreement and Conditional Assignment of Lease, Franchisor may cause all required de-identification and/or the collection, transportation and storage of the Tutoring Center Materials to be completed at Lessee's expense. Franchisor can choose to purchase the Tutoring Center Materials as provided in the Franchise Agreement or Lessee can arrange for their sale to another franchisee. If neither sale occurs, Lessee can sell them to a third party or keep them for Lessee's benefit.

8. General Provisions

A) This Agreement shall be binding upon the parties hereto and their successors, assigns, heirs, executors, and administrators. The rights and obligations herein contained shall continue notwithstanding changes in the persons or entities that may hold any leasehold or ownership in the land of building. Any party hereto may record this Agreement or a memorandum hereof.

B) Any party hereto may seek equitable relief, including, without limitation, injunctive relief or specific performance, for actual threatened violation or nonperformance of this Agreement by any other party. Such remedies shall be in addition to all other rights provided for under this or other agreements between any of the parties. The prevailing party in any action shall be entitled to recover its legal fees together with court costs and expenses of litigation.

C) Nothing contained in this Agreement shall affect any term or condition in the Franchise Agreement between Lessee and Franchisor. Nothing herein shall be deemed to constitute a guaranty or endorsement by Franchisor of the terms and conditions of the Lease between Lessor and Lessee. In the event that Franchisor, in its sole discretion, determines not to accept assignment of the Lease as permitted hereunder, neither Lessor nor Lessee shall have any claims against Franchisor. No terms or conditions contained in the Lease shall be binding on Franchisor unless and until it elects to accept assignment of the Lease hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

6. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as _____ of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.

7. Subject to the exceptions below, and except as prohibited by law or as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, either directly or indirectly for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, provide financial support to or have

any interest in any business (including any business operated by Franchisee prior to entry into this Agreement) which: (a) is the same as or similar to those offered or provided in or under the System; or (b) offers to sell or sells any products or services which are the same as, or substantially similar to, any of the products offered by a Franchised Business (a "Competitive Business"); and for a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, or upon the expiration, termination, transfer, or assignment of the Franchise Agreement, whichever occurs first, and continuing for two (2) years thereafter, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, or have any interest in any Competitive Business that is, or is intended to be, located at or within:

- 7.1 Franchisee's Territory, as defined in the Franchise Agreement ("Franchisee's Territory");
- 7.2 Ten (10) miles of Franchisee's Center; or
- 7.3 Ten (10) miles of any Franchised Business operating under the System and the Proprietary Marks.

The following exceptions apply to this Paragraph 7: (a) this Paragraph 7 does not apply to any employee in the State of Washington; (b) the duration of the covenant not to compete shall be limited to 18 months for franchisees subject to the Washington Franchise Investment Protection Act; (c) the prohibitions in this Paragraph 7 do not apply to my interests in or activities performed in connection with a Franchised Business; and (d) the prohibitions of this Paragraph 7 do not apply to my ownership of less than five percent (5%) beneficial interest in the outstanding securities of any publicly held corporation.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of, this Agreement.

11. This Agreement shall be construed under the laws of the state in which the Accepted Location lies, except that with respect to any alleged breach, this Agreement shall be construed under the laws of the state in which such breach is alleged to have occurred, to be occurring, or to likely occur. The only way this Agreement can be changed is in a writing signed by both the Franchisee and me and then consented to by an officer of the Company in writing.

STATE-SPECIFIC ADDENDA

ADDENDUM TO THE TUTORING CENTER FRANCHISE CORP.
DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF CALIFORNIA
AND AMENDMENT TO FRANCHISE AGREEMENT

CALIFORNIA APPENDIX TO DISCLOSURE DOCUMENT

1. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains provisions that are inconsistent with the law, the law will control.
2. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et seq.).
3. The Franchise Agreement contains covenants not to compete which extend beyond the termination of the agreements. These provisions may not be enforceable under California law.
4. Section 31125 of the California Corporation Code requires the franchisor to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
6. You must sign a general release if you renew or transfer your franchise. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
7. Each owner of the franchise is required to execute a personal guaranty. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property states such as California.
8. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.
9. OUR WEBSITE, www.tutoringcenter.com, HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.
10. Section 17(C) of the Franchise Agreement is deleted and the following language is substituted:

A. Further Trade Secret Protection

Except as may be limited by law or approved in writing by Franchisor, to reduce the risk of accidental or intentional misuse of any of the Trade Secrets, Franchisee and Owners shall not, for a period of twenty-four (24) months after the expiration or termination of this Agreement, regardless of the cause of expiration or termination, either directly or indirectly, for Franchisee or Owners or through, on behalf of or in conjunction with any person(s), or other entity, own, maintain, engage in, consult with or have any interest in any business that generates at least 20% of its revenues through the sale of tutoring or related services, the same as or similar to those offered or provided as part of the System, within a ten (10) mile radius of Franchisee's Center or any other Tutoring Center location, whether franchised or owned and operated by Franchisor or any related entity of Franchisor, if the fulfillment of Franchisee's and/or Owners' duties and responsibilities with respect to such business would inherently call upon Franchisee or Owner to disclose and/or use Franchisor's Confidential Information or Trade Secrets.

11. Section 7 of the Confidentiality and Non-Competition Agreement, which is attached as Schedule F to the Franchise Agreement, is deleted and the following language is substituted:

7. Subject to the exceptions below, and except as prohibited by law or as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, either directly or indirectly for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, provide financial support to or have any interest in any business (including any business operated by Franchisee prior to entry into this Agreement) that generates at least 20% of its revenues through the sale of tutoring or related services, the same as or similar to those offered or provided as part of the System (a "Competitive Business"); and for a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, or upon the expiration, termination, transfer, or assignment of the Franchise Agreement, whichever occurs first, and continuing for two (2) years thereafter, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, operate, engage in, act as a consultant for, perform services for, or have any interest in any Competitive Business, if the fulfillment of Franchisee's and/or Owners' duties and responsibilities with respect to such business would inherently call upon Franchisee or Owner to disclose and/or use Franchisor's Confidential Information or Trade Secrets, for any Competitive Business that is, or is intended to be, located at or within:

7.1 Franchisee's Territory, as defined in the Franchise Agreement ("Franchisee's Territory");

7.2 Ten (10) miles of Franchisee's Center; or

7.3 Ten (10) miles of any Franchised Business operating under the System and the Proprietary Marks.

The following exceptions apply to this Paragraph 7: (a) this Paragraph 7 does not apply to any employee in the State of Washington; (b) the prohibitions in this Paragraph 7 do not apply to my interests in or activities performed in connection with a Franchised Business; and (c) the prohibitions of this Paragraph 7 do not apply to my ownership of less than five percent (5%) beneficial interest in the outstanding securities of any publicly held corporation.

12. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ADDENDUM TO THE TUTORING CENTER FRANCHISE CORP.
DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT
REQUIRED BY THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement (Schedule F to the Franchise Agreement) or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this addendum.

Dated this _____ day of _____, 20_____.
