How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibit E.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit D includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Young Rembrandts business in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be a Young Rembrandts franchisee?	Item 20 or Exhibit E lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and territory development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Illinois than in your own state.
2. **Going Concern.** The Auditor's Report on the Franchisor's financial statements expresses substantial doubt about the Franchisor's ability to remain in business. This means that the Franchisor may not have the financial resources to provide services and support to you.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
4. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
5. **Turnover Rate.** In the last 3 years nearly 50% of franchised outlets were terminated, not renewed, or ceased operations for other reasons. This could be a higher risk investment than a franchise in a system with a lower turnover rate.
6. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the State Specific Addenda (if any) to see whether your state requires other risks to be highlighted.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchises.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity which in no event need be more than thirty (30) days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishing not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) Failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENFORCEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, franchisee has the right to request an escrow arrangement.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Young Rembrandts Franchise, Inc. ("we", "us", "our" or "ours" or "the Company") is an Illinois corporation incorporated on December 2, 1997, with principal office at 23 North Union Street, Elgin, Illinois 60123. Our registered agent is Bette Fetter, with a principal place of business of 23 North Union Street, Elgin, Illinois 60123. Also see Exhibit H for state-specific agents for service of process appointed in franchise registration states.

In 1988, Ms. Bette Fetter, our President and Founder, began a business known as Young Rembrandts, which was incorporated as Young Rembrandts, Inc. in Illinois on September 2, 1994. Ms. Fetter designed our business concept, format, and method of operations. From March 9, 1988 to September 2009, Bette Fetter and later Young Rembrandts, Inc. offered and performed in Illinois and Wisconsin the identical services to be offered to the public by you. The address of Young Rembrandts, Inc. is 23 North Union Street, Elgin, Illinois 60123. Young Rembrandts, Inc. owns and licenses the intellectual property licensed to us and sublicensed to you. Pursuant to a License Agreement entered into in 2018 and amended and restated in 2019, Young Rembrandts, Inc. has granted a license to the licensee to use and sublicense the use of the Marks and System, including the Young Rembrandts curriculum, in schools operating in mainland China. It does not conduct any business activities other than licensing.

We do not have a parent company and we do not have any affiliates that offer franchises in any line of business or provide products or services to our franchisees.

We offer the sale of franchises to an individual or entity. "You", "your" and "yours" as used in this Franchise Disclosure Document will refer to the individual who buys the franchise or the entity that buys the franchise if you are a corporation, partnership or limited liability company and all of the individual owners of the entity. If you are an entity, all of your owners must sign a guaranty which means that all of the provisions of the Franchise Agreement also will apply to your owners. (See Item 15)

We have developed, and we own the system to be franchised (the "System") described in the Franchise Agreement (the "Agreement") which is Exhibit A to this Franchise Disclosure Document. You will own and operate the franchise business within a specific Territory which will be described in your Franchise Agreement using the name and marks "Young Rembrandts," "YR The Power of Drawing" and other current or future trademarks, service marks, logos or other commercial symbols we designate ("Marks").

As a Young Rembrandts franchisee, you are an independent business owner offering to sell and provide drawing classes, including instruction in artistic techniques, primarily to elementary and preschool children in in-person settings in private schools, public elementary schools, pre-schools, day care centers, Montessori schools, park districts, libraries and community centers and via live Zoom cloud meetings. In the future, we may also arrange for you to have the opportunity to conduct classes at additional types of venues through a national accounts program; however, this program has not yet been established. Once a month we will provide you with proprietary Young Rembrandts weekly lesson plans we have prepared for your use during the following month. The lesson plans will include instructions and drawings. All classes must be conducted by you or your staff.

Classes that take place in schools will typically not be conducted when the schools are not in session, with some exceptions. However, classes in other types of locations may be offered throughout the year.

Additional camp curriculum is provided to you for conducting classes at other locations during times when elementary schools are not in session. Operations and marketing of the business should be conducted by you throughout the year.

Typically, your teaching staff should have an art background and/or experience working with children. You are not required to own or lease any office space or studio; since the schools or centers will provide a suitable classroom for the lessons. You can operate the franchise from your home.

The customers are most likely to be parents of preschool and elementary school age children who desire quality, professional art classes for their children. You may have competition from other local, regional and national companies offering other art education programs for children in similar locations. The market for art education programs for children is developed in some major metropolitan areas, but is undeveloped in other areas. You can also expect competition from other franchised art instruction businesses, independent private artists, art schools, and specialty arts and crafts stores. Before you sign a franchise agreement, you should survey your market to determine what local competition exists and the perceived quality of their programs and materials.

Our standard franchise offering is the Gold Franchise with which you will be granted an exclusive territory that includes at least 75 public and private elementary schools. We may grant a Silver Franchise with an exclusive territory containing a lesser number of elementary schools in certain rural areas which do not have 75 public and private elementary schools within a realistic distance for providing the Young Rembrandts services or in non-rural areas in limited circumstances where 75 public and private elementary schools do not exist within the desired territory. The territory for the Silver Franchise will include a minimum of 40 public and private elementary schools. We determine in what geographic area we will grant a Silver franchise.

You have the option of entering into a Territory Development Agreement (the “TDA”) with us under which you reserve the right to open additional franchises within a specified territory. The TDA is attached as Exhibit B to this Franchise Disclosure Document. You will sign the first franchise agreement at the same time as you execute the TDA. As you open additional franchises under the TDA, you will be required to sign our then-current form of the franchise agreement which may differ from the form of franchise agreement in this Franchise Disclosure Document.

If you purchase more than one franchise either under a TDA or otherwise, for each franchise that you purchase, you must separately meet all of the requirements of the Franchise Agreement signed for that franchise.

You must meet the requirements of the state regulatory agency which licenses preschools and day care centers in your state in order to be able to provide classes in a preschool or day care center. The requirements may include a background check, physical examination or testing, and/or finger printing of you and your teachers. You must also conduct background checks on all of your employees before they begin teaching. You must meet the requirements of the Americans With Disabilities Act and any similar state laws regarding making accommodation for students where applicable. Regardless of any information which you may receive from us, you must on your own investigate and determine what federal, state and local laws and regulations apply to the operation of your Young Rembrandts franchise.

Before you sign a franchise agreement, you should investigate the school districts in your local area to

determine if any barriers exist that may either prevent you from operating in certain schools or may make it more difficult or expensive for you to do so. For example, it has come to our attention that a small number of school districts have a policy that only non-profit organizations are permitted to conduct classes on school property or solicit customers through the school. However, we have not found this to be the case generally.

We began actively offering and selling franchises in 2001. We currently have a policy of paying our franchisees a referral fee if they refer a prospective franchisee to us and it results in a franchise sale. Neither we nor any affiliate has ever franchised any other type of business. We have never operated the same type of business as the franchise business you will operate. Young Rembrandts, Inc. operated the same type of business as you will operate from 1994 to September 2009.

We offer and sell individual franchises and Territory Development Agreements in Canada. As of December 31, 2024, 4 franchised units were operating in Canada. We offer Master Franchises outside the United States and Canada. As of the date of this Franchise Disclosure Document, we have Master Franchises in South Korea and the Middle East. We have also granted a unit franchise in India.

NOTES

¹ Initial Franchise Fee

You pay an initial franchise fee of \$44,500 if you are purchasing the standard Gold Franchise. The initial franchise fee for a Silver Franchise offered in limited areas is \$39,500. (See Item 5 for information on discounts available.) You pay the fee when you sign the Franchise Agreement. If your franchise is terminated by us for your failure to satisfactorily complete the initial training, we will refund the initial franchise fee less the amount to cover our costs incurred for you but not to exceed 70% of the initial franchise fee.

² Equipment

You must purchase computer hardware and software (see Item 11), printer/scanner, and a telephone for use in operating the franchise business. This equipment must be purchased following our specifications. The estimate also includes the first 2 months of fees under the Active Network Software Agreement for the web-based registration and management software.

³ Training Expenses

You are not charged an additional fee for you to attend initial training. You must arrange for transportation and pay the expenses for meals and lodging incurred in attending the initial training program. The total cost will depend on how far you must travel and the type of accommodations you choose. This estimate is based on 1 person attending training.

⁴ Miscellaneous Opening Costs

This estimate includes legal and accounting fees, telephone and other utility expenses, costs for obtaining required certifications or licenses, business registrations and other miscellaneous opening costs. You must have a dedicated phone number used only for your Young Rembrandts business.

⁵ Initial Inventory of Art and Teaching Supplies

This estimate includes individual supplies for 4 classes of 12 students each and cleaning supplies.

⁶ Initial Inventory of Marketing and Promotional Materials

You must purchase the Marketing Starter Kit from our designated supplier. The Marketing Starter Kit includes an initial supply of brochures, informational and promotional literature, posters, display boards,

business cards, brag book and promotional items.

⁷ General Liability Insurance

You must purchase the general liability insurance required by us. The estimate is for a 1-year premium. The cost of insurance will vary based on the types and limits of the insurance you purchase, your location, your driving record, and other factors affecting risk exposure. You may also want to obtain sexual molestation coverage which would increase the cost of your insurance.

⁸ Additional Funds

This estimate covers business-operating costs, including supplies, transportation, utilities and minimum royalty payments. No amount has been included for employee compensation in the low estimate. The high estimate includes an amount to cover 2 part-time employees to teach classes during the first 3 months plus worker's compensation insurance. This estimate also covers your purchase of e-mail marketing services from Constant Contact of \$50 to \$265 per month. No amount has been included for draw or salary for the franchisee's owner. You may need additional funds for personal living expenses. We have compiled these estimates based on the experience of our franchisees, our experience in supporting Young Rembrandts franchisees since 2001, our affiliate's experience in operating Young Rembrandts business since 1988, and our general business knowledge.

⁹ Territory Development Fee

If you sign a Territory Development Agreement, you should anticipate the initial costs listed above for the first franchise you will open plus the initial fee due under the Territory Development Agreement which is \$19,500 times the number of additional franchises you intend to open. The total in this chart assumes that you will only open one additional franchise. If you intend to open more than one additional franchise, add \$19,500 per additional franchise above one that you intend to open to the total.

There is no requirement that you have an office, so there is no expense included in the above estimates for a lease. It is anticipated that you will operate the business from your home.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Before you open your franchise, you must purchase the Marketing Starter Kit from our designated supplier, which includes an initial supply of brochures, informational and promotional literature, posters, display boards, business cards, brag book and promotional items.

Throughout the term of the franchise, you must purchase promotional products with our Marks, (including tote bags, pens, notepads, and apparel), instructor training manuals, e-mail marketing services, e-mail addresses and registration, data management software, word processing software and accounting and bookkeeping software from a supplier we designate.

You must follow our standards and specifications in purchasing art supplies and materials, the computer system and other office equipment, and marketing materials used in operating a Young Rembrandts business. As of the date of this Franchise Disclosure Document, except for additional e-mail addresses,

neither we nor any of our affiliates are currently approved suppliers for any items; however, we may be approved suppliers in the future.

There are no approved suppliers in which any of our officers owns an interest.

We will provide you with the specifications and standards and lists of approved and designated suppliers in the Operations Manuals or otherwise in writing or by electronic communication. These specifications and standards relate to product quality and safety, consistency, reliability, frequency of delivery, financial capability, and customer relations.

If you want to use any of the above items of any brand and/or from a supplier which is not then approved, you must first notify us and submit sufficient information, specifications and samples concerning the brand and/or supplier as we request for our determination of whether the brand complies with our specifications and standards and/or the supplier meets our approved supplier criteria. We do not make our criteria for approving suppliers available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. We may charge you our costs we incur in making this determination. We will notify you of whether or not the proposed brand and/or supplier is approved within 30 days from receipt of all required information. If we later revoke the approval of a brand or supplier previously approved, we will notify you in writing and you must then cease making purchases of the brand or from the supplier.

You must use the proprietary Young Rembrandts weekly lesson plans and camp lesson plans provided by us and must follow the lesson plans pursuant to our instructions. You cannot use your own lesson plans or lesson plans from any other source. You do not pay any additional fees for the lesson plans; however, you must have the lesson plans printed by an approved supplier and pay for the printing costs.

You are required to use the web-based registration and data management system that we designate. As of the date of this Disclosure Document, we require you to enter into the Active Network Software Agreement with Active Network, LLC and pay all applicable fees for the license to use the Application Software, which currently is a recurring fee of \$110 per month. In addition, you will be required to pay any and all required taxes assessed on customer invoices, and merchant fees which are estimated at 2.5% of the credit card charges. If other proprietary or customized software is developed and implemented into the Young Rembrandts System, you will be required to purchase or license the software and ongoing maintenance and support services from us or a third party we designate.

In 2024, our gross revenues from the sale of products and services (only email addresses) to our franchisees was \$1,260 or less than 1% of our total gross revenue of \$933,447.

The cost of equipment, materials and supplies purchased from us or in accordance with our specifications or from approved suppliers represents 10% to 15% of your total purchases in establishing your franchise, and 5% to 10% of your total purchases in operating the franchise.

We have negotiated a purchase arrangement with several suppliers for the benefit of franchisees and may negotiate additional purchase arrangements in the future. We currently receive rebates from suppliers based on purchases by Young Rembrandts franchisees. You will receive no material benefits from these purchases from approved suppliers other than lower product prices. For one supplier, we contribute rebates we receive to the National Marketing Fund.

No purchasing or distribution cooperative currently exists.

You must purchase insurance as described in detail in Article XII of the Franchise Agreement and in the Operations Manual. Our current requirements are as follows:

- (1) Broad form comprehensive general liability coverage, and broad form products and contractual liability coverages of at least \$1,000,000 in the aggregate. The deductible or self-insured retention must not be more than \$5,000.
- (2) Worker's Compensation and Employer's Liability Insurance for your employees (in statutory amounts);
- (3) Unemployment Insurance for your employees;
- (4) Fire and Extended Coverage Insurance in an amount adequate to replace owned or leased products in the event of an insured loss;
- (5) Automobile liability insurance including owned, hired and non-owned vehicle coverage, with a combined single limit of at least \$1,000,000; and
- (6) Any additional coverage or higher limits as required by any schools, day care centers, park districts or other sites where classes or programs will be conducted.

You may also want to purchase sexual molestation insurance although it is currently not required. Locations where you conduct your classes may require that you have additional coverage or higher coverage limits. The insurance coverage requirements may be modified by us. We will give you notice of any modifications. You must furnish us with evidence of insurance coverage before the opening date of your business and with each renewal.

Computer Systems

You must purchase or lease computer hardware and software which meet our specifications. You must keep this system up to date with the most recent upgrades and updates for the hardware, device drivers and software within the system. You must have an anti-virus program with the most current protection plan and a data backup plan. The estimated cost to purchase the required computer system is \$1,800. We require you to purchase necessary hardware and regularly back up your computer system yourself or to purchase remote backup services from a third party supplier which are estimated to cost \$105 per year.

There are no contractual limitations on our right to access this information or data.

You must use the web-based registration and data management software that we designate. Prior to the opening of your business, you must enter into the Active Network Software Agreement with Active Network, LLC. This agreement is found at Exhibit I to this Franchise Disclosure Document. Currently, under the Active Network Software Agreement, there is no initial fee and you pay a recurring fee of \$110 per month. In addition, you will be required to pay any and all required taxes assessed on customer invoices. Credit card processing fees are paid for separately to the designated credit card processing supplier and are

in addition to monthly fees paid for the web-based software. In addition, you will be required to pay merchant fees which are estimated at 2.5% of the credit card charges. The web-based system provides for management of data (including data relating to accounts, classes, sessions, instructors and students), provides for online registration for classes and credit card processing for payment of class fees, and scheduling and reporting.

We will provide you initial training in the use of the licensed application software during the initial training program. If you choose, you can obtain additional training from Active Network, LLC at their current rates. Active Network, LLC will serve as your primary contact for ongoing support of the application software which can be obtained by e-mail, online chat or online learning center. Active Network, LLC will issue upgrades and service packs for the application software in its discretion. The estimated annual cost of maintenance for your computer system is \$200 to \$250. (5) may hold an Annual Conference of franchisees. (Section 5.5.B) You must attend the Annual Conference. If you have more than one franchise, your required manager must also attend the Annual Conference. You must pay us the Annual Conference fee of up to \$1,200 per person (currently estimated to be \$600 to \$800 per person) even if you fail to attend. You must pay the travel and living expenses you and your manager incur in attending the Annual Conference. We do not have to conduct an Annual Conference.

(6) may establish a National Accounts program and secure National Accounts to be serviced by our franchisees. (Section 5.9)

Advertising

We will administer the national marketing fund (the "National Marketing Fund"). The National Marketing Fund is used for the creation and development of advertising and marketing programs as we deem necessary or appropriate to advertise or promote Young Rembrandts franchises. We can require you to contribute up to 2% of Gross Revenues to the National Marketing Fund, or \$35 per month, whichever is greater. We currently require you to contribute 1% of Gross Revenues to the National Marketing Fund, or \$35 per month, whichever is greater. No franchisees contribute different amounts or at a different rate. Young Rembrandts businesses owned by us or our affiliates will contribute to the National Marketing Fund on the same basis as franchisees. In the year ending December 31, 2024, the National Marketing Fund monies were spent as follows: 0.0% on production, 5.28% on media placement, 10.48% on graphic design, 64.38% on website development and hosting, 3.34% on social marketing, 0.0% on public relations, 6.21% on marketing store, 0% on national conference, 5.23% on tools, and 5.08% on administrative expenses. In 2024, we received compensation for products or services from the National Marketing Fund.

We direct all advertising, marketing and promotional programs financed by the National Marketing Fund, with sole discretion over the creative concepts, materials, and endorsements used in them, and the geographic, market, and media placement and allocation of the programs. The National Marketing Fund may be used to pay the cost of preparing and producing written, audio and video advertising materials; administering national, regional or local advertising programs including, direct mail and other media advertising, and employing advertising agencies to assist in those activities; establishing and maintaining a website for the franchise system; supporting public relations, market research and marketing activities; providing advertising, marketing and promotional materials for Young Rembrandts franchisees. The National Marketing Fund will not be used principally to solicit the sale of franchises. However, some marketing and promotional materials and information and/or public relations activities may reference the availability of Young Rembrandts franchises for purchase.

In 2024, the media used by the National Marketing Fund was internet and social media marketing and print advertising. In 2024, the marketing and promotion was predominantly national in scope and developed by in-house personnel.

You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 7 business days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

The Young Rembrandts Franchise Advisory Council was created and is sponsored by us. The Advisory Council consists of 4 members who are elected by the franchisees. They act in an advisory capacity and do not have decision-making power. You can reach the organization by contacting any of the following representatives: President: Angela Ewanchuk (angela.ewanchuk@youngrembrandts.com), Secretary: Jason Wilkes (wilkes@youngrembrandts.com), Member: Robin Corradi (robin.corradi@youngrembrandts.com), Alternate: Cristina Hartley (cristina.hartley@youngrembrandts.com). We do not have the power to dissolve or make changes to the Advisory Council.

The National Marketing Fund will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for any reasonable salaries, administrative costs and overhead we may incur in activities reasonably related to the administration of the National Marketing Fund and its advertising, marketing and promotional programs (including, conducting market research, preparing advertising, marketing and promotional materials, and collecting and accounting for contributions to the National Marketing Fund). We may spend in any fiscal year an amount greater or less than the total contribution of all franchises to the National Marketing Fund in that year. The National Marketing Fund may borrow from us or other lenders to cover deficits of the National Marketing Fund or invest any surplus for future use by the National Marketing Fund. All interest earned on monies contributed to the National Marketing Fund will be used to pay advertising, marketing and promotional costs of the National Marketing Fund before other assets of the National Marketing Fund are expended. We will prepare an annual unaudited statement of monies collected and costs incurred by the National Marketing Fund and will furnish it to you on written request.

The National Marketing Fund is intended to maximize recognition of the Marks and patronage of Young Rembrandts businesses. Although we will endeavor to use the National Marketing Fund to develop advertising, marketing and promotional materials, and to place advertising in a manner that will benefit all Young Rembrandts franchisees, we have no obligation to ensure that expenditures by the National Marketing Fund in or affecting any geographic area are proportionate or equivalent to contributions to the National Marketing Fund by each Young Rembrandts franchisee operating in that geographic area or that any Young Rembrandts franchisee will benefit directly or in proportion to its contribution to the National Marketing Fund from the development of advertising, marketing and promotional materials or the placement of advertising. We assume no direct or indirect liability or obligation to you with respect to the maintenance, direction, or administration of the National Marketing Fund. We may discontinue or reestablish the National Marketing Fund. If the National Marketing Fund is discontinued, all amounts remaining in the National Marketing Fund on the date of discontinuance will be distributed to franchisees in proportion to their respective contributions for the most recent 6 months. We have no other obligation to conduct advertising.

We do not set minimum or maximum pricing, but do provide guidelines on best practices in determining pricing.

We do not have the power to require that advertising cooperatives be formed.

ITEM 12

TERRITORY

You will be granted an exclusive Territory in which to operate the Business. If you are purchasing our standard Gold Franchise, there will be a minimum of 75 public and private elementary schools (schools which provide instruction for any of kindergarten through 5th grade) located within the Territory. In certain areas where it is not feasible to grant a territory with at least 75 schools, we may grant a Silver Franchise with a Territory which has less than 75 schools. The territory for the Silver Franchise will include a minimum of 40 public and private elementary schools. The Territory will be described in an exhibit to the Franchise Agreement. You will be granted the right to operate the Business throughout the Territory.

We and our affiliates will not establish in your Territory any other franchised or company-owned Young

Rembrandts business offering art classes using the Marks. We and our affiliates can establish within and outside of the Territory businesses offering similar services and products using different marks. We and our affiliates may establish other channels of distribution for similar services and products using the Marks or different marks within or outside of your Territory, including the Internet, the metaverse, or any virtual environment. We and our affiliate reserve the right to sell on-demand video classes to customers via a centralized web-based platform on the Internet, in or through the metaverse or any other virtual environment, but we currently do not have plans to do so. We may also acquire, be acquired or merge with another franchise system or business offering similar services with locations in your Territory. If we do so, we are not required to compensate you if we sell our products or services in your territory.

We may develop various National Accounts under a National Accounts Program. A “National Account” is a business, institution, governmental agency or other person or entity that either itself or through common ownership, association or independent contractors, has multiple locations in a number of geographic areas that fall within multiple franchise territories, has ongoing demands for services and products that in a number of geographic areas or that exceed the capability of any single franchised business, and/or prefers a single contact in order to control pricing, billing, customer satisfaction, and/or similar requirements. We reserve the right to ourselves or through designated third parties solicit prospective National Accounts located within your Territory in order to develop them as National Accounts. Further, if you decline to participate in the National Accounts Program, decline to service any National Account location within your Territory, or are prohibited from providing services to the National Account location within Franchisee’s Territory pursuant to the standards, policies and procedures of the National Accounts Program or the requirements of a particular National Account, we have the right to have ourselves provide the services or to designate another Young Rembrandts franchisee or other third party to provide services at National Account locations or to National Account customers located within your Territory. You will not be entitled to any compensation with respect to services provided to any National Account location or customer within Franchisee’s Territory after you have declined to or are prohibited from servicing the National Account location or customers.

You may not conduct classes in another franchisee’s territory and other franchisees must not conduct classes in your Territory, except as is permitted under a National Accounts Program. You must pay a fine if you conduct any classes in another franchisee’s territory. (See Item 6). If you are conducting classes in an area that has not been granted to another franchisee and the area is later granted to a new franchisee as part of the new franchisee’s territory, you must turn over the classes once the new franchisee has completed initial training and at the end of the current session of the classes being conducted in the new franchisee’s territory. If you sell your franchise business, you must disclose to the prospective buyer what classes are being conducted outside of your territory and that if the area in which the classes are conducted subsequently becomes part of the territory granted to a new franchisee, the classes would have to be turned over to the new franchisee.

Once your business has been in operation for at least 12 months, your exclusive rights to the Territory and your right to continue to operate the franchise are dependent upon you maintaining Gross Revenues sufficient to generate an average monthly royalty payment of at least \$500 from classes conducted within your Territory only. If over a period of 6 consecutive months your royalty payments do not average at least \$500 per month, after giving you notice to cure and an additional 6 month period in which to increase your Gross Revenues so that your royalty payments average at least \$500 per month, we can terminate your exclusive rights to the Territory or we can terminate your franchise rights. For the Silver Franchise, once you have been open for business for at least 12 months, you must maintain Gross Revenues sufficient to

generate an average monthly royalty payment of at least \$350 from classes conducted within your Territory only. If we terminate your exclusive rights to the Territory, we may ourselves operate in or may grant other parties the right to operate in the Territory granted to you.

You are not granted any options, rights of first refusal or rights to acquire additional franchises under the Franchise Agreement.

Territory Development Agreement

Under the Territory Development Agreement you are granted a territory in which you have the right to develop an agreed upon number of Young Rembrandts franchises during the term of the Territory Development Agreement (“TDA Territory”). The size of the TDA Territory will depend on how many franchises you have agreed to develop. The territories for each additional franchise agreement to be signed under the Territory Development Agreement will be determined upon signing the Territory Development Agreement and the then-current standards for sites and territories will apply. During the term of the Territory Development Agreement, we will not grant any franchise or ourselves operate any Young Rembrandts business within the TDA Territory. We can establish within and outside of the TDA Territory businesses offering similar services and products using different marks. We may establish other channels of distribution for similar services and products using the Marks within or outside of your TDA Territory, including the Internet, the metaverse, or any virtual environment.

The territorial rights that will be granted to you under future franchise agreements signed pursuant to the TDA will be determined by what territorial rights are being granted to new franchisees at the time you sign the franchise agreement. You will only receive a portion of the revenue received for purchases of on-demand video classes that come from customers in your territories for which you have signed franchise agreements. You will not receive a portion of the revenue received for purchases of on-demand video classes that come from customers in parts of your TDA Territory that you have not yet developed.

The territorial rights that will be granted to you under future franchise agreements signed pursuant to the TDA will be determined by what territorial rights are being granted to new franchisees at the time you sign the franchise agreement.

ITEM 13 **TRADEMARKS**

We grant you the non-exclusive right to use certain trademarks, service marks, logos and other commercial symbols used with the Young Rembrandts System (“Marks”) which are owned by our affiliate Young Rembrandts, Inc. Young Rembrandts, Inc. holds service mark registrations with the U.S. Patent and Trademark Office (PTO) on the Principal Register for the following marks:

Mark	Date of Registration	Registration Number
Young Rembrandts	January 19, 2010; renewed October 28, 2019	3738464
	September 11, 2007; renewed November 25, 2016	3292223
 Young Rembrandts	March 20, 2018	5429897

Young Rembrandts, Inc. intends to file all required affidavits to maintain these registrations.

We previously owned the rights to and obtained the service mark registrations for the Marks. On January 1, 2011, we assigned the Marks to Young Rembrandts, Inc. which serves as a holding company owning all of the Marks and other intellectual property which are part of the Young Rembrandts System. On January 1, 2011, Young Rembrandts, Inc. granted us a license to use and sublicense the use of the Marks and other intellectual property to our franchisees. The license is perpetual and terminates only if we become insolvent, file for bankruptcy or are dissolved, by agreement of us and the licensor, or if the licensor terminates us for material breach of the license agreement. Upon termination, you would be required to immediately cease using the Marks.

There are no other agreements currently in effect that limiting our right to use or license you the Marks in any manner material to the franchise.

You must immediately notify us in writing of any apparent infringement or challenge to your use or our ownership of the Marks and of any claim by any person of any rights in the Marks or in any similar name. We will take the action we think is appropriate. You will assist us in any hearings or suits to protect the Marks.

We will defend and indemnify you for your costs and damages for defending the Marks (including but not limited to loss of revenue and/or profits), if you give us timely notice of any claim against you with respect to the Marks. The franchise agreement obligates you to notify us of the use of, or claims of rights to, a trademark identical to or confusingly similar to a trademark licensed to you. The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

We can require you to modify or discontinue use of the Marks or to use substitute marks. If we do so, you must comply at your expense.

To our knowledge, there are no infringing uses that would materially affect your use of the Marks, nor are there any presently effective material adverse determinations of the PTO, Trademark Trial and Appeal Board, or of any court or State Trademark Administrator; pending infringement, opposition or cancellation; and pending material litigation involving the principal trademark.

We may change, add or delete the types of approved services or products to be offered by you to customers. You must make any expenditures reasonably necessary to implement the changes or additions.

You may only use lesson plans provided by us in conducting classes. You must not deviate from the lesson plans provided to you and must not delete any portion or substitute or add other materials. All classes must be conducted by you or your staff.

In order to conduct classes for a National Account, you must agree to abide by the terms of our contract with the National Account as well as our National Accounts standards, policies and procedures.

You are limited as to the customers to whom you may offer your services to the extent that you cannot conduct classes at locations within the territory granted to another franchisee, except as is permitted under a National Accounts program.

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at particular location or under particular circumstances.

**STATEMENT OF ANNUAL GROSS REVENUES
FOR THE 12 MONTH PERIOD JANUARY 1, 2024 TO DECEMBER 31, 2024
OF 46 FRANCHISE TERRITORIES OPERATING
FOR AT LEAST 12 MONTHS**

The following is a statement of annual gross revenues for the 12 month period ended December 31, 2024 for 46 Young Rembrandts franchise territories. The data presented includes average (mean) of annual gross revenues, the median of annual gross revenues, and a range of high and low annual gross revenues.

The data on annual gross revenues does not include revenue information from any franchise territories operating for less than 12 months as of December 31, 2024. Data for the 12 month period ended December 31, 2024 for 2 of 48 franchise territories was excluded from the average for not having operated for a minimum of 12 months as of December 31, 2024.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.

*Nearest whole numbers are used.

Notes to table above:

“Gross revenue” is the total revenue earned by the franchisee without any deductions being taken. The “Mean” is the average and is calculated by the sum of all gross revenue reported being divided by the number of territories included in the sum. The “Median” is the middle number of all gross revenue reported, and if there are two middle numbers, is calculated as the average of those two middle numbers. The gross revenue for each franchisee in the set is listed from high to low to determine the highest gross revenue number and the lowest gross revenue number.

Each of the 46 Young Rembrandts franchise territories included in this Item 19 are single franchise territories under separate Franchise Agreements.

The characteristics of the represented franchisee operations do not materially differ from that of a new franchisee.

The financial performance representations in the Tables are historic information and not a forecast of future financial performance. The financial information we utilized in preparing the preceding financial performance representations was based entirely upon information reported to us by Young Rembrandts franchisees.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, Young Rembrandts Franchise, Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Bette Fetter, 23 North Union Street, Elgin, IL 60123, (847)742-6966, the Federal Trade Commission, and the appropriate state regulatory agencies.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT made and entered into by and between Young Rembrandts Franchise, Inc. (the "Company") an Illinois corporation having its principal office at 23 North Union Street, Elgin, IL 60123 and _____ (the "Franchisee") having its principal office at _____.

ARTICLE I. **RECITALS**

1.1 Right to License. The Company and Ms. Bette Fetter, the Company's President and Founder, who originally began operating the business in 1988 and incorporated it in Illinois under the name Young Rembrandts, Inc. on March 9, 1988, along with her husband, Mr. Bill Fetter, have developed, and the Company has the right to license, the uniform formats, systems, methods, procedures and standards (the "System") for establishing, developing and operating a business which offers quality, professional drawing classes including instruction in artistic techniques primarily to preschool and elementary school age children with proprietary weekly "lesson plans" in public and private schools, day care centers, Montessori schools, local community recreation departments (the "Business" or "Young Rembrandts Business"). The Company is engaged in the business of licensing rights and is not in the business of owning or operating a Young Rembrandts Business.

1.2 The System. The distinguishing characteristics of the System include a unique, specially developed concept which provides the services and products set forth above; a specially designed method for offering and marketing such services and products by the Franchisee to the customer; operating, instructional and teaching procedures; methods and techniques for financial controls, record keeping, accounting and reporting, sales and sales promotion, marketing and advertising; and the proprietary know how developed by the Company and Young Rembrandts, Inc., any part of which System, services and products may be further developed, improved, changed and modified by the Company from time to time.

1.3 Operation of the Business. The Franchisee will offer and perform the services described above in a diligent, competent and professional manner as an independent business owner. The Franchisee is expected to be able to market, make sales of and enter into contracts for such services; to execute the required weekly lesson plans for projects; and to coordinate, manage and supervise the teaching and instruction of the art classes by Franchisee's staff. Invoicing to the customer will be done by the Franchisee who will collect the receivables. Franchisee shall operate the Business for itself and not for the Company.

1.4 The Trade/Service Marks. The Company's affiliate, Young Rembrandts, Inc., is the owner of and has licensed to Company the right to license the use of the name "Young Rembrandts," "YR The Power of Drawing" plus design, and certain trademarks, service marks, logos, trade names, domain names and other commercial symbols now or hereafter used in connection with the System (the "Marks").

1.5 Grant of Licenses. The Company grants to persons who meet the Company's qualifications, and are willing to undertake the investment and effort, a franchise to establish and operate a Young Rembrandts Business within a specific Territory as set forth in Exhibit A to this Agreement and a non-exclusive license to use the Marks in connection therewith.

1.6 Agreement to Obtain/Grant Franchise. The Franchisee desires a franchise to establish and operate a Young Rembrandts business and the Company is willing to grant such a franchise on the terms and conditions hereinafter set forth.

NOW, THEREFORE, the parties, in consideration of the undertakings of each to the other, agree as follows:

ARTICLE II. **ACKNOWLEDGMENTS**

To induce the Company to enter into this Agreement the Franchisee acknowledges, warrants and represents that:

2.1 Reservation of Rights by the Company. The Company has certain rights reserved to it and/or its affiliate to own and operate other Young Rembrandts businesses, to operate other businesses offering the same services; to franchise other Young Rembrandts franchisees; and, to otherwise use the System, the Marks, know how, techniques and procedures including, without limitation, those expressly set forth in Section 3.2 of this Agreement.

2.2 Different Franchise Agreements. Other franchisees of the Company have or will be granted franchises at different times, in different situations and under different circumstances and the provisions of such franchise agreements may vary substantially from those contained in this Agreement.

2.3 No Representation Regarding Barriers to Entry. No representation has been made by the Company, any affiliate, or by their respective officers, directors, shareholders or employees or agents, regarding (i) the Franchisee's ability to procure any required license or permit that may be necessary to perform any of the services contemplated to be offered by the Young Rembrandts Business or (ii) the Franchisee's ability to conduct classes in every preschool, elementary school, private school, day care center or park district.

2.4 The Company's Rights to Sell. The Franchisee affirms and agrees that the Company may sell any or all of its assets, the Marks or the System outright to a third party; may go public; may engage in a private placement of some or all of its securities; may merge, acquire other entities, or be acquired by another entity; may undertake a refinancing, recapitalization, leveraged buyout or other restructuring; and, with regard to any or all of the above transactions (which may involve an entity which is in the business of franchising or sale of services or products similar or identical to such as provided by the Business), the Franchisee expressly and specifically waives any claims, demands or damages arising therefrom or related thereto.

2.5 Covenants Not to Compete. The covenants not to compete in this Agreement are fair and reasonable, and will not impose any undue hardship on the Franchisee, since the Franchisee has other considerable skills, experience and education which affords the opportunity to earn income from such other endeavors.

2.6 Franchisee Information. The Franchisee affirms that all information set forth in any and all applications, financial statements and submissions to the Company is true, complete and accurate in all respects, with the Franchisee being aware and expressly acknowledging that the Company is relying upon the truthfulness, completeness and accuracy of such information.

2.7 Franchisee Defined. "Franchisee" means each person executing this Agreement. If the Franchisee is an entity, all owners of such entity shall, concurrently with the execution of this Agreement, execute the Company's standard form guaranty pursuant to which all obligations and duties of the Franchisee are jointly and severally guaranteed by such individuals and the individual Franchisee shall remain liable for full performance. Should the Franchisee be in default, the Company may proceed directly against each such signatory, shareholder, member or other owner (the "Guarantors") without first proceeding against the Franchisee and without proceeding against or naming in such suit any other Franchisee, or any of the Guarantors. The obligations of the Franchisee and each such Guarantor shall be joint and several.

ARTICLE III. **GRANT OF FRANCHISE**

3.1 Grant of Franchise and License. Subject to the terms and conditions herein, the Company hereby grants to the Franchisee, and the Franchisee hereby accepts from the Company, (A) a non-exclusive franchise to open and operate a Business and (B) a non-exclusive license to use the Marks, solely in connection with the operation of the Business within the area described in Exhibit A ("Territory"). Termination or expiration of this Agreement shall constitute a termination of the foregoing franchise and license. So long as the Franchisee is in compliance with the Minimum Annual Gross Revenues requirements set forth in Section 3.3 below, the Company will not establish another franchised or Company-owned or affiliate-owned Business utilizing the Marks in the Territory.

3.2 Retention of Rights. Except as explicitly and specifically granted to the Franchisee herein, all rights in and to the Marks, the System, the Business and the goodwill associated with each of them is hereby reserved to the Company and to any affiliate. Specifically, but without limitation, the Company and any and all affiliates retain the right, but shall not be obligated, to:

A. Franchise and establish company-owned and affiliate-owned Young Rembrandts businesses outside of the Territory, including but not limited to (i) in physical geographic areas outside of the Territory or (ii) in or through the metaverse or any other virtual environment inside or outside of the Territory.

B. Establish, operate and franchise the System or any other programs, products

and/or services under trade names, trademarks, service marks, or logos other than the Marks within or outside of the Territory.

C. Sell or provide services and products licensed to be provided hereunder, utilizing the Marks, under a different distribution system than franchising, including the Internet and the metaverse, within or outside of the Territory. Specifically, without limitation, the Company or an affiliate may offer instruction services and products directly to customers on the Internet, in or through the metaverse or any other virtual environment.

D. Conduct National Accounts programs as set forth in Section 5.9.

E. Merge with, acquire or be acquired by a company that has established businesses identical or similar to the Business, including franchised or licensed businesses, which businesses may convert to or operate under the Company's Marks or other trademarks and may offer or sell products and services that are the same as or similar to the products and services offered by Franchisee, and which may be located anywhere within or outside of the Territory.

3.3 Territorial Rights; Minimum Gross Revenues.

A. The grant of the franchise and license described in Section 3.1 is limited to the conduct of the Business, utilizing the Marks within the Territory, except as specifically permitted in Section 3.4. In consideration of the grant of the franchise, Franchisee at all times during the term of this Agreement shall use Franchisee's best efforts to promote and increase the sales and services of the Young Rembrandts System and to effect the widest and best possible distribution and sale of Young Rembrandts services and related products and to solicit potential customers and accounts for Young Rembrandts services and related products within the Territory.

B. Beginning on the one (1) year anniversary from the Opening Date of the Business and through the end of the term, Franchisee must achieve Gross Revenues sufficient to generate an average monthly royalty payment of at least Five Hundred Dollars (\$500.00). If over any period of six (6) consecutive months the royalty payments due to the Company from Franchisee do not average at least Five Hundred Dollars (\$500.00) per month, if after giving Franchisee six (6) months' notice and Franchisee failing to increase Gross Revenues so that the monthly royalty payments average at least Five Hundred Dollars (\$500.00) over the previous six (6) consecutive months, the Company has the right to either (1) terminate the Franchisee's franchise, or (2) terminate the Franchisee's exclusive rights to the Territory. In such event, others or the Company may market in and service the Territory. For purposes of meeting the Minimum Gross Revenue requirements of this section 3.3.B., Franchisee may only include Gross Revenues from classes conducted within the Territory.

3.4 Conduct of Business Outside Territory. Franchisee may conduct classes outside of Franchisee's Territory if the classes are located in an area that is not part of a territory granted to another franchisee. Once a franchise is granted for any area in which Franchisee is conducting classes outside of Franchisee's Territory and the new franchisee has completed initial training, Franchisee agrees to cease conducting classes in the new franchisee's Territory as soon as the current class

session ends. Franchisees further agrees to provide such information and assistance to the new franchisee as is reasonably necessary in order to increase the likelihood that the new franchisee will be able to retain the customer as a Young Rembrandts customer and continue to conduct sessions at that location in the future. If Franchisee conducts classes outside of Franchisee's Territory in the territory of another franchisee in violation of this Section 3.4, Franchisee will be assessed a fine of Two Hundred Dollars (\$200.00) per class conducted, due upon demand. This fine is in addition to any and all other remedies available to the Company for Franchisee's breach of this provision.

3.5 Ownership of Multiple Franchises. In the event that Franchisee already owns one or more Young Rembrandts Businesses at the time of execution of this Agreement or in the event Franchisee is granted an additional Young Rembrandts franchise by Company after the date of this Agreement, Franchisee must separately comply with the franchise agreement for each Young Rembrandts Business owned by Franchisee and must treat each Young Rembrandts Business as a separate and distinct business from another Young Rembrandts Businesses.

ARTICLE IV.

TERM AND SUCCESSOR FRANCHISE AGREEMENTS

4.1 Term. The term of this Agreement shall be ten (10) years (the "Term") commencing on the Opening Date of the Business. The "Open Date of the Business" means the first Monday following the Franchisee's satisfactory completion of the Initial Training on which Franchisee begins soliciting and marketing for customers of the Business.

4.2 Right to Obtain Successor Franchise Agreements. The Franchisee shall have the right to obtain one (1) additional franchise agreement for one term of ten (10) years (the "Successor Agreement"), provided that the following conditions have been met in each instance:

A. The Franchisee has given the Company notice between one hundred eighty (180) and two hundred seventy (270) days before the end of the Term;

B. Throughout the term of this Agreement, the Franchisee has complied with all the material terms and conditions of this Agreement, including the Minimum Gross Revenues requirements of Section 4.3, and with the Company's material operating and quality standards and procedures;

C. All monetary obligations owed by the Franchisee to the Company have been satisfied prior to commencement of such Successor Agreement, and have been met, when due, throughout the Term;

D. The Franchisee has made, at its expense, such expenditures as determined by the Company to upgrade the computer and software to conform to the image of the System prior to

the expiration of the term;

E. The Franchisee executes the then current Franchise Agreement, which may have different terms from this Agreement, and pays the Renewal Fee in the amount of Two Thousand Dollars (\$2,000.00);

F. The Franchisee and its owners/guarantors execute and deliver a general release (except as limited by law) of any and all claims it may have against the Company, its affiliates and their respective shareholders, officers, directors, employees, agents, and representatives in a form satisfactory to the Company.

4.3. Continued Operation Following Expiration. Franchisee has no right to continue to operate the Business after the expiration of the initial term of this Agreement unless Franchisee is granted a renewal Franchise in accordance with this Article IV. If Company permits Franchisee to continue to operate the Business after the expiration of the initial term of this Agreement but before the execution of a renewal Franchise Agreement as required by Section 4.2, then the temporary continuation of the Business will be on a month-to-month basis, and will be terminable at the will of Company by giving Franchisee written notice of termination at least thirty (30) days before the termination is effective. If the laws of the jurisdiction in which the Franchisee or the Business are located require a longer notice period, the thirty-day period will be deemed modified to be the shortest notice period required by the laws of such jurisdiction.

ARTICLE V.

SERVICES OF THE COMPANY

Pre-Opening.

5.1 Initial Training; Post-Training Conference Calls.

A. The Franchisee shall attend and complete, to the Company's satisfaction, the Company's Initial Training Program ("Initial Training"). Franchisee must begin Initial Training within ninety (90) days of the date Franchisee signs this Agreement. In preparation for the Initial Training, Franchisee must complete pre-training materials sent to Franchisee by the Company before attending Initial Training. The Initial Training shall be conducted at the Company's principal offices, and/or at such other place as the Company designates, for up to five (5) days. The Initial Training covers all material aspects of the operation of the Business including, without limitation, techniques to market and sell the Franchisee's services, make proposals to customers, supervise and perform teaching and instruction, maintain an appropriate inventory of art supplies; pre-opening advertising; sales, customer service, bookkeeping, accounting and financial methods and controls, computer and software training, advertising, promotion, sales and marketing techniques, maintenance of quality standards, and other topics selected by the Company. All expenses incurred by the Franchisee in attending the Initial Training including wages, travel, room and board expenses shall be the Franchisee's responsibility. The opening of the Business can commence promptly after satisfactory completion of Initial Training. No person may be employed as a manager of the Business until completion of such Initial Training to the Company's satisfaction. Company will provide the Initial

Training Program for up to two (2) people. However, if the second person does not attend the Initial Training with Franchisee, he or she must attend the training within two (2) years of the date of this Agreement in order to receive the training for no additional fee. The Company may charge a training fee for additional persons who attend training. The training of additional persons is subject to availability as determined by the Company.

In addition, Company will provide and Franchisee must participate in Post-Training Conference Calls that will take place within approximately one month of Franchisee's completion of the Initial Training Program. Topics covered during the Post-Training Conference Calls will include curriculum, summer process, monthly reporting procedures and sales and marketing.

B. If the Company terminates this Agreement due to Franchisee's failure to satisfactorily complete Initial Training, the Company will refund the Initial Franchise Fee previously paid by the Franchisee to the Company less a reasonable amount as determined by the Company to cover its costs and expenses of recruiting, qualifying and training the Franchisee, which amount shall not exceed seventy percent (70%) of the Initial Franchise Fee paid. The refund shall be paid to Franchisee upon Franchisee's execution and delivery to Company of a general release (except as limited by law) of any and all claims it may have against the Company, its affiliates, and their respective shareholders, officers, directors, employees, agents, and representatives in a form satisfactory to the Company. This Agreement thereafter will be null, void and of no effect (except for those post-termination obligations of this Agreement, which by their terms shall remain binding).

5.2 Specifications for Purchases. The Company shall deliver to the Franchisee specifications for the equipment, computer system and technology tools, art materials and supplies and for other materials necessary for opening and operating the Business and shall consult and advise the Franchisee with respect thereto. The Company shall provide the Franchisee with a list of all such goods and services reasonably necessary for the opening and operation of the Business and, where applicable, with lists of approved vendors, sources of supply, and standards and specifications. Before the opening of the Business, Franchisee must purchase a Marketing Starter Kit from Company or its designated supplier which includes an initial supply of marketing and promotional materials.

5.3 Confidential Operations Manual.

A. In order to protect the reputation and goodwill of the Company, to maintain uniform standards of the services, programs, products, and operations offered and sold under the Marks, to promote the goodwill of all Businesses and for the mutual benefit of the Company and the Franchisee, the Company at the Initial Training shall lend to the Franchisee one (1) hard copy or CD of, or give Franchisee electronic access to, the Company's Confidential Operations Manual, which may consist of one or more manuals or handbooks ("the Manual").

B. The Franchisee shall conduct the operation of the Business in strict compliance with the Company's mandatory operational systems, procedures, policies, methods and requirements as prescribed in the Manual and in any supplements thereto (the "Supplements"), all of which shall be deemed a part of the Manual. Franchisee acknowledges that the Manual is intended to protect the Marks and System and Company's reputation and goodwill, and not intended to control the day-to-

day operation of Franchisee's Business since Franchisee is solely responsible for the day-to-day operation of the Business.

C. In addition to the requirements of Section 5.3A. and B. above, the subject matter of the Manual may include (but need not be limited to nor necessarily include all of) the following matters: requirements, duties, standards, procedures, policies, systems, techniques, guidelines and specifications pertaining to the System, to the operation of the Business and/or the products and/or services of the System; organization systems; quality assurance programs; supervision systems; record keeping systems and materials; advertising systems and materials; purchasing procedures; proprietary nature of the manual; book-keeping and accounting materials and techniques; management and control systems; revenue reports; display of signs and notices; authorized or required equipment, computers, software, and other items; hours of operation; required uses of the Marks; insurance requirements; license requirements; required attire; required manner of offering and selling System programs and services; standards of maintenance and appearance; customer satisfaction; staff training requirements; training specifications; and, additions to, deletions from, modifications to and variation of the programs, services, and other components constituting the System, including standards and specifications relating thereto.

D. The Company retains the right to prescribe additions to, deletions from or revisions to the Manual which shall become binding on the Franchisee upon being mailed or otherwise delivered to the Franchisee, as if originally set forth therein.

E. The Manual remains the property of the Company. The Franchisee shall keep the Manual in its place of business at all times. The Franchisee, its agents, independent contractors, and employees shall at all times treat the Manual and the information contained therein as confidential, and shall use all reasonable efforts to maintain such information as confidential. The Franchisee, its agents, independent contractors, and employees shall not at any time copy, duplicate, record or otherwise reproduce the foregoing materials, in whole or in part, nor otherwise make the same available to any unauthorized person. Upon the expiration or other termination for any reason of this Agreement, the Franchisee shall return the Manual to the Company.

F. The Franchisee shall ensure that the Franchisee's copy of the Manual is current and up-to-date. In the event of any dispute as to compliance with the Manual, the terms of the master copy of the Manual maintained at the Company's principal office shall control.

5.4 Pre-Opening Advertising. The Company will provide Franchisee with initial advertising copy and lay-out for advertising and marketing materials for Franchisee to customize for Franchisee's Young Rembrandts Business.

Opening and Post Opening

5.5 Supplemental and Refresher Training/Annual Conference.

A. The Company from time to time may require that previously trained franchisees or their managers attend and successfully complete supplemental and refresher training

programs to be conducted at the Company's principal offices or at such other location that the Company shall designate or by Webinar. If a manager is required because the Franchisee is granted an additional franchise, the manager must attend the supplemental and refresher training. Training for the Franchisee will be conducted at the expense of the Company. The Franchisee and/or the Franchisee's manager, if any, shall attend all supplemental and refresher training at its expense, provided that such attendance outside of the Territory will not be required at more than one (1) such training program in any calendar year. All expenses incurred in attending such supplemental and refresher training shall be the sole responsibility of the Franchisee.

B. Franchisee shall each year during the term of this Agreement attend the Company's Annual Conference of franchisees if the Company holds an Annual Conference. If a manager is required because the Franchisee is granted an additional franchise, the manager must also attend the Annual Conference. The Annual Conference fee shall be set each year by the Company based on the cost to hold the conference. The Annual Conference fee shall be payable to the Company by Franchisee whether or not Franchisee or a manager (if required) attends the conference. This provision shall not obligate the Company to hold an Annual Conference of franchisees each year. If no Annual Conference is held, Franchisee shall not be obligated to pay the Annual Conference fee. All expenses incurred in attending the Annual Conference shall be the sole responsibility of Franchisee.

5.6 Guidance. During the operation of the Business the Company will:

- A. Render, upon written request of the Franchisee, advisory services;
- B. Provide advisory, training, referral and other services as reasonably needed.
- C. Make available to the Franchisee, from time to time, all changes, improvements, and additions to the System to the same extent as made available to other franchisees of the System;
- D. Provide all Supplements to the Manual;
- E. Provide forms to be used by the Franchisee to report to Company all information required by the Company;
- F. Provide forms and procedures helpful in operating the Business.
- G. Provide the Franchisee with a disk or other methods of Franchisee's development of any advertising materials developed by the Company for the Young Rembrandts System as well as business identification items (business cards, envelopes, stationery as stipulated in the Manual).
- H. Make its staff available at its principal offices for consultation about problems relating to the operation of the Business, by telephone or written correspondence, and the Company shall use reasonable efforts to diligently respond to such inquiries; and

I. Send Customer Satisfaction cards and make calls to the Franchisee's customers to verify that maintenance of satisfactory levels of service is received.

Except for guidance or advice relating to the mandatory specifications, standards or operating procedures necessary to protect the Marks and System, Franchisee shall decide whether to accept any such guidance or advice.

5.7 Inspections. The Company or its designee(s) may enter the premises of the Franchisee's customers and observe the Franchisee's operations to review quality of service, to review programs and their implementation, to confer with the Franchisee's employees and customers and to ascertain that the services provided, the quality of the materials, the installation, and the operations are satisfactory and meet the Company's quality and performance standards. The Franchisee will cooperate with the Company and its designees and will promptly undertake to correct any deficiencies brought to the Franchisee's attention. The Franchisee specifically authorizes the Company to situate the Company's personnel, representatives or designees at the Franchisee's or its customers' premises or observe customer calls or classes being conducted, or send Customer Satisfaction cards and make calls to customers, at such times as the Company may determine to be necessary.

5.8 Lesson Plans.

A. The Company, at no additional charge, will loan to Franchisee proprietary weekly lesson plans for forty-eight (48) weeks each calendar year and periodic camp lesson plans for use by the Franchisee in camp programs conducted in park districts and other locations. The lesson plans include instructions and drawings for use in teaching Young Rembrandts classes. Franchisee acknowledges that the Company will disclose Confidential Information to Franchisee during the training program, through the Manual, and as a result of guidance furnished to Franchisee during the term of this Agreement. Franchisee shall not acquire any interest in the Confidential Information, other than the right to utilize it in the development and operation of Franchisee's Young Rembrandts Business and in performing Franchisee's duties during the term of this Agreement. Notwithstanding the foregoing, beginning with the first full calendar month that begins at least thirty (30) days after the date Franchisee completes the Initial Training Program, Franchisee must pay a minimum Royalty Fee in the amount of Two Hundred Fifty Dollars (\$250.00) per month during the first and second years of operation, in the amount of Four Hundred Dollars (\$400.00) per month during the third and fourth years of operation, and in the amount of Five Hundred Dollars (\$500.00) beginning in the fifth year of operation and through the end of the Term ("Minimum Royalty Payment").

9.3 Payment. On or before the 10th day of the month for the preceding month, the Franchisee shall submit to the Company on a form and in the manner prescribed by the Company, a correct statement signed by the Franchisee of the Franchisee's Gross Revenues received in the previous month, and shall make payment to the Company in the manner prescribed by the Company, based on the Gross Revenues received in the previous month. During initial training, Franchisee must provide bank and account information to the Company and sign such documents and forms as may be required from time to time by the Company to permit it to withdraw any and all amounts due it and its affiliates from the bank account for the Business by electronic funds transfer or similar means. If at any time a withdrawal is made and Franchisee does not have sufficient funds in the account, Franchisee must reimburse Company for all bank charges incurred by Company as a result. Prior to any change in banks or accounts, Franchisee must provide to the Company such information and

execute such documents and forms as may be necessary for the Company to make electronic funds transfers from the new bank and/or account. Franchisee's failure to provide information on or execute and return documents regarding the new bank or account within five (5) days of a receipt of a request by the Company or Franchisee's withdrawal of consent for withdrawals by the Company on the old account shall be a breach of this Agreement. If Franchisee fails to report Gross Revenues for any calendar month on a timely basis, the Company has the right to withdraw the Royalty Fee and National Marketing Fee for the unreported calendar month in the amount of the Royalty Fees and National Marketing Fee paid for the most recent reported month or a higher amount if the Company reasonably estimates that the Business is generating higher Gross Revenues than the most recent reported month, provided that any amounts will be reconciled and adjusted as needed when the Company receives actual reports on Gross Revenues from Franchisee. Notwithstanding any designation by the Franchisee, the Company shall have the discretion to apply any payments from Franchisee to any past due indebtedness of the Franchisee. In its discretion, Company may agree to accept one or more payments from Franchisee by credit card; however, in such event, Franchisee must pay all then current credit card processing fees incurred by Company in connection with such transaction.

9.4 Late Fee. If payment under 9.2 or 9.3 is not received by the fifteenth (15th) day of the month for the preceding month, or if any other payment due to the Company is not paid when due, a late fee of ten percent (10%) of the fees payable will be charged to the Franchisee, plus interest at the highest legal rate up to 1½% per month accrues 10 days after payments are due.

9.5 Gross Revenues. "Gross Revenues" means the total receipts of all money or property of any kind, for or in connection with the services rendered by the Franchisee within the Territory or otherwise, directly or indirectly, in connection with the Business. The term shall be deemed to include checks, drafts, money orders, credit card payments, and all other instruments and forms of payment whether received by the Franchisee or by the Company pursuant to billings made by the Company to the Franchisee's customers, whether or not the same are postdated or are later dishonored or rescinded or payment is stopped thereon. Gross Revenues will be deemed received for purposes of this Agreement on the date that payment in whatever form is actually collected and received by the Business. The term shall not include applicable sales, use or service taxes. Rent, incentive fees, refunds or any other amounts paid to the owner or operator of a facility at which Franchisee's services are conducted are not excluded from Gross Revenues.

9.6 Technology Fee. Franchisee shall pay to Company a technology fee in an amount determined by Company. Technology fees paid by franchisees shall be used to cover the Company's costs of technology development, maintenance, and usage for the franchise system, which may include, but not be limited to, subscription and license fees paid by Company in order for franchisees to have access to and use certain technology tools. The technology fee shall be paid at times, in the manner, and in amounts as designated by the Company. Company will give Franchisee at least sixty (60) days prior notice before changing the amount of the technology fee.

ARTICLE X.
ADVERTISING, PROMOTION, AND DEVELOPMENT

10.1 Advertising Assistance. The Company may, from time to time, develop advertising, promotional and marketing programs and materials for the Young Rembrandts System that the Company will make available to Franchisee.

10.2 Marketing Programs. Franchisee agrees to implement any marketing and/or promotional programs or services developed and offered by the Company from time to time in the manner required by the Company.

10.3 National Marketing Fee and Fund. Franchisee will pay to the Company, in the manner prescribed by Company, beginning on the Opening Date of the Business and throughout the term, the monthly National Marketing Fee of up to two percent (2%) of Gross Revenues to be paid into the National Marketing Fund to be administered by the Company for the benefit of all franchisees. Notwithstanding the foregoing, beginning with the first full calendar month that begins at least thirty (30) days after the date Franchisee completes the Initial Training Program, Franchisee will pay a minimum monthly contribution to the National Marketing Fund of Thirty-five Dollars (\$35.00). The Company and its affiliate will pay the same National Marketing Fee for its own Young Rembrandts businesses. The Company will give the Franchisee sixty (60) days written notice before increasing or decreasing the percentage of the National Marketing Fee.

The Company shall be entitled to direct all advertising, marketing and promotional programs financed by the National Marketing Fund, with sole discretion over the creative concepts, materials, and endorsements used in them, and the geographic, market, and media placement and allocation of the programs. The Franchisee agrees that the National Marketing Fund may be used to pay the costs of preparing and producing video, audio, written and electronic advertising materials; administering national, regional or local advertising programs including, without limitation, direct mail and other media advertising, and employing advertising agencies to assist in those activities; establishing and maintaining a website for the franchise system; supporting public relations, market research and marketing activities; and providing advertising, marketing and promotional materials to Young Rembrandts franchisees. The National Marketing Fund will furnish Franchisee with approved advertising, marketing and promotional materials on the same terms and conditions as such materials are furnished to other Young Rembrandts franchisees.

The National Marketing Fund will be a separate and distinct account, and will be accounted for separately from the other funds of the Company and will not be used to defray any of the Company's general operating expenses, except for any reasonable salaries, administrative costs and overhead the Company may incur in activities reasonably related to the administration of the National Marketing Fund and its advertising, marketing and promotional programs (including, without limitation, conducting market research, preparing advertising, marketing and promotional materials, and collecting and accounting for contributions to the National Marketing Fund). The Company may spend in any fiscal year an amount greater or less than the total contribution of franchisees to the National Marketing Fund in that year. The Company may cause the National Marketing Fund to borrow from the Company or other lenders to cover deficits of the National Marketing Fund or cause

the National Marketing Fund to invest any surplus for future use by the National Marketing Fund. All interest earned on monies contributed to the National Marketing Fund will be used to pay advertising, marketing and promotional costs of the National Marketing Fund before other assets of the National Marketing Fund are expended. The Company will prepare an annual statement of monies collected and costs incurred by the National Marketing Fund and will furnish it to the Franchisee on written request.

The Franchisee understands and acknowledges that the National Marketing Fund is intended to maximize recognition of the Marks and patronage of Young Rembrandts franchisees. Although the Company will endeavor to use the National Marketing Fund to develop advertising, marketing and promotional material, and to place advertising in a manner that will benefit all franchisees, the Company undertakes no obligation to ensure that expenditures by the National Marketing Fund in or affecting any geographic area are proportionate or equivalent to contributions to the National Marketing Fund by the franchisees operating in that geographic area or that any franchisees will benefit directly or in proportion to their contribution to the National Marketing Fund from the development of advertising, marketing and promotional materials or the placement of advertising. Except as expressly provided in this Section 10.3, the Company assumes no direct or indirect liability or obligation to the Franchisee with respect to the maintenance, direction or administration of the National Marketing Fund.

The Company has the right to discontinue or to reestablish the National Marketing Fund. In the event the Company discontinues the National Marketing Fund, the Company will distribute all unspent amounts existing in the National Marketing Fund on the date of discontinuance to franchisees in proportion to their respective contributions for the most recent six months.

10.3 Advertising Review. Prior to Franchisee's use of them, Franchisee must submit to Company for approval or disapproval samples of all local marketing, advertising and promotional materials, programs and information, and content for Franchisee's webpage (linked to our website), any listing on the Internet, or any information to be displayed on any social media site not prepared by Company or not previously approved by Company. Company will not unreasonably withhold approval of any marketing, advertising or promotional materials or programs or content for the internet. If Franchisee does not receive written approval within seven (7) business days from the date of our receipt of such materials, programs or content submitted by Franchisee, the materials, programs or content will be deemed disapproved. Franchisee may not use any marketing, advertising or promotional materials or programs or content that Company has disapproved. All marketing, advertising and promotional materials and content Franchisee uses must be completely factual, in good taste (as determined in Company's sole discretion) and must conform to the highest standards of ethical advertising. Franchisee agrees to refrain from any marketing, advertising or promotion practice which may be harmful to Franchisee's Business, the business of the Company and the goodwill associated with the Marks and other Young Rembrandts Businesses.

10.4 Technology Fund Fee and Technology Fund. Franchisee will pay to the Company, in the manner prescribed by Company, beginning on the Opening Date of the Business and throughout the term, the monthly Technology Fund Fee of up to one percent (1%) of Gross Revenues to be paid into the Technology Fund to be administered by the Company for the benefit of all franchisees.

Notwithstanding the foregoing, beginning with the first full calendar month that begins at least thirty (30) days after the date Franchisee completes the Initial Training Program, Franchisee will pay a minimum monthly contribution to the Technology Fund of Twenty-five Dollars (\$25.00). The Company and its affiliate may, but is not obligated to, pay the same Technology Fund Fee for its own Young Rembrandts businesses. The Company will give the Franchisee sixty (60) days written notice before increasing or decreasing the percentage of the Technology Fund Fee.

The Company shall be entitled to direct all technology research and development programs financed by the Technology Fund, with sole discretion over the creative concepts, materials, and endorsements used in them, and the allocation of the programs. The Franchisee agrees that the Technology Fund may be used to pay the costs of research, development, implementation, and support of new technology, as well as the modifications and updates of existing technology, including, but not limited to, platforms such as hosting, integration development, server infrastructure, application, and software development and support. The Technology Fund will furnish Franchisee with approved technology and support on the same terms and conditions as such technology and support are furnished to other Young Rembrandts franchisees.

The Technology Fund will be a separate and distinct account, and will be accounted for separately from the other funds of the Company and will not be used to defray any of the Company's general operating expenses, except for any reasonable salaries, administrative costs and overhead the Company may incur in activities reasonably related to the administration of the Technology Fund and its technology research and development programs (including, without limitation, conducting research, integrating and supporting new technologies, and collecting and accounting for contributions to the Technology Fund). The Company may spend in any fiscal year an amount greater or less than the total contribution of franchisees to the Technology Fund in that year. The Company may cause the Technology Fund to borrow from the Company or other lenders to cover deficits of the Technology Fund or cause the Technology Fund to invest any surplus for future use by the Technology Fund. All interest earned on monies contributed to the Technology Fund will be used to pay the costs of research, development, implementation and support of new technology of the Technology Fund before other assets of the Technology Fund are expended. The Company will prepare an annual statement of monies collected and costs incurred by the Technology Fund and will furnish it to the Franchisee on written request.

The Franchisee understands and acknowledges that the Technology Fund is intended to maximize technological innovations within the Young Rembrandts System. Although the Company will endeavor to use the Technology Fund to develop and implement technologies in a manner that will benefit all franchisees, the Company undertakes no obligation to ensure that any franchisees will benefit directly or in proportion to their contribution to the Technology Fund from the development of new technologies. Except as expressly provided in this Section 10.4, the Company assumes no direct or indirect liability or obligation to the Franchisee with respect to the maintenance, direction or administration of the Technology Fund.

ARTICLE XI.
RELATIONSHIP OF PARTIES/INDEMNIFICATION

11.1 Relationship of the Parties. This Agreement does not create a fiduciary relationship between the parties. The Franchisee understands and agrees that, under this Agreement, the Franchisee is and shall be an independent business owner, and an independent contractor, and not an employee, of the Company. Nothing in this Agreement is intended to make either party a general or special agent, joint venturer, partner or employee of the other for any purpose.

11.2 No Employment Relationship. The Franchisee shall conspicuously identify itself and the Business, and in all dealings with customers, suppliers, public officials, and others, as an independent franchisee of the Company, and shall place such notice of independent ownership on all forms, business cards, stationery, advertising, signs and other materials and in such fashion as the Company, in its sole and exclusive discretion, specifies and requires from time to time in the Manual. Franchisee expressly acknowledges that Company is not Franchisee's employer or an employer of any of Franchisee's employees. In addition, Company is not a joint employer with Franchisee. Franchisee acknowledges that Company's training, guidance, advice and assistance, Franchisee's obligations under this Agreement and the standards, specifications, policies and procedures required by Company under this Agreement and in the Manual are imposed not for the purpose of exercising control over Franchisee but rather for the limited purpose of protecting the Marks and Confidential Information, goodwill and brand consistency. Franchisee is solely responsible for the management of the Young Rembrandts Business as an independent franchise owner/operator.

11.3 No Liability for Act of the Other. Except as otherwise expressly authorized by this Agreement, neither party hereto will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or on behalf of the other party, or represent that the relationship between the Company and the Franchisee is other than that of Franchisor and Franchisee. The Company does not assume any liability, and will not be deemed liable for any agreements, representations, or warranties made to or by the Franchisee which are not expressly authorized under this Agreement, nor will the Company be obligated for any damages to any person or property which directly or indirectly arise from or relate to the operation of the Business. The Company shall not have the power to hire or fire the Franchisee's employees and, except as herein expressly provided, the Company may not control or have access to the Franchisee's funds or the expenditure thereof, or in any other way exercise dominion or control over the Business. The Company shall not be obligated for any damages to any person or party, directly or indirectly, arising out of the operation of the Business whether caused by the Franchisee's negligent or willful action or failure to act. It is expressly understood and agreed that neither the Franchisee nor any employee or independent contractor of the Franchisee whose compensation for services is paid directly or indirectly by the Franchisee may, in any way, directly or indirectly, expressly or by implication, be construed to be an employee of the Company for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any state, local or federal governmental agency. The Company shall have no liability for any sales, use, occupation, excise, gross receipts, income, property, unemployment compensation, or other taxes, whether levied upon the Franchisee, the Business, or the Franchisee's property, or upon the Company, in connection with sales made or business conducted

by the Franchisee or payments to the Company pursuant hereto.

11.4 Indemnification. The Franchisee agrees at all times to defend at the Franchisee's own cost, and to indemnify and hold harmless to the fullest extent permitted by law, the Company, and corporate subsidiaries, affiliates, successors, assigns and designees, and their respective directors, officers, employees, agents, shareholders, designees, and representatives (the Company and all other hereinafter referred to collectively as "Indemnitees") from all losses and expenses (as hereinafter defined) incurred in connection with any action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether same is reduced to judgment) or any settlement thereof which arises out of or is related to Franchisee's operation of the Business, including but not limited to any allegation that Company is a joint employer or otherwise responsible for Franchisee's acts or omissions relating to Franchisee's employees.

For the purpose of this Section 11.4, the term "losses and expenses" shall be deemed to include, without limitation, all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, attorneys' fees, experts' fees, court costs, settlement amounts, judgments, compensation for damages to the Company's or the affiliate's reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

The Franchisee agrees to give the Company notice of any such action, suit, proceeding, claim, inquiry or investigation. At the expense and risk of the Franchisee, the Company may elect to assume (but under no circumstance is obligated to undertake) the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation, provided that the Company will seek the advice and counsel of the Franchisee, and shall keep the Franchisee informed, with regard to any such proposed or contemplated settlement(s). Such an undertaking by the Company shall in no manner or form diminish the Franchisee's obligation to indemnify the Company and to hold it harmless.

In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, the Company may, at any time and without notice as it in its judgment deems appropriate, offer, order, consent or agree to settlements or take such other remedial or corrective actions as it deems expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation.

All losses and expenses incurred under this Section 11.4 shall be chargeable to and paid by the Franchisee pursuant to its obligations of indemnity regardless of any actions, activity or defense undertaken by the Company or the subsequent success or failure of such actions, activity or defense. Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against the Franchisee. The Franchisee agrees that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable by the Indemnitees from the Franchisee.

The Indemnitees and assumptions of liabilities and obligations set forth in this Agreement shall continue in full force and effect subsequent to, and notwithstanding the expiration or termination

of, this Agreement.

ARTICLE XII.

INSURANCE

12.1 Required Insurance. To standardize insurance and to afford the Franchisee and the Company and other Indemnitees protection against insurable risks, the Company requires minimum standards, limits, and certain types of insurance coverage to be purchased by the Franchisee. Such standards and limits may be established through the Manual or by other written notice.

A. The Franchisee shall purchase at its sole expense, and maintain in effect at all times during the term of this Agreement and any successor Agreements, the categories of insurance coverage through licensed and admitted insurance companies acceptable to the Company, which currently include:

- (1) Broad form comprehensive general liability coverage, and broad form products and contractual liability coverages in an amount and form and with a carrier or carriers satisfactory to the Company; but in no event, in an amount less than One Million (\$1,000,000) Dollars aggregate; nor shall such insurance have a deductible or self-insured retention in excess of Five Thousand (\$5,000) Dollars for which amount the Franchisee is liable;
- (2) Worker's Compensation and Employer's Liability Insurance for the Franchisee's Business employees (in statutory amounts);
- (3) Unemployment Insurance for the Franchisee's Business employees;
- (4) Fire and Extended Coverage Insurance in an amount adequate to replace owned or leased products in the event of an insured loss;
- (5) Automobile liability insurance including owned, hired and non-owned vehicle coverage, with a combined single limit of at least One Million (\$1,000,000) Dollars; and
- (6) Any additional coverage or higher limits as required by any schools, day care centers, park districts or other sites where classes or programs will be conducted.

B. The insurance coverage acquired and maintained by the Franchisee at its expense, as set forth in subsection (A) shall:

- (1) be acceptable to the Company;
- (2) contain no provision which in any way limits or reduces coverage for the Franchisee in the event of a claim by any one (1) or more of the Indemnitees;

- (3) extend to and provide indemnity for all obligations assumed by the Franchisee hereunder and all other items for which the Franchisee is required to indemnify the Company under the provisions of this Agreement;
- (4) be primary to and without right of contribution from any other insurance purchased by the Indemnitees;
- (5) be written on an occurrence basis; and
- (6) provide, by endorsement, that the Company is entitled to receive at least thirty (30) days prior written notice of any intent to reduce policy limits, restrict coverage, cancel or otherwise alter or amend said policy.

The Franchisee shall provide written evidence of the required insurance coverage to Company prior to Franchisee's Opening Date of the Business and on or before each expiration date for coverage.

The Franchisee shall not reduce the policy limits, restrict coverage, cancel or otherwise alter or amend said insurance policies without the Company's prior written consent.

In the event of a claim by any one (1) or more of the Indemnitees against the Franchisee, the Franchisee shall, on request of the Company, assign to the Company any and all rights which the Franchisee then has or thereafter may have with respect to such claim against the insurer(s) providing coverages described in Section 12.1.

12.2 The Company's Right to Purchase. If the Franchisee fails to purchase insurance conforming to the standards and limits prescribed by the Company, the Company may (but is not required to) obtain, through agents and insurance companies of its choosing, such insurance as is necessary to meet such standards on behalf of the Franchisee. Payments for such insurance shall be borne by the Franchisee and the Franchisee expressly agrees to forthwith pay the required premiums or to reimburse the Company therefor. Nothing contained herein shall be construed or deemed to impose any duty or obligation upon the Company to obtain or maintain any specific forms, kinds or amounts of insurance for or on behalf of the Franchisee.

12.3 Disclaimer. Nothing contained herein shall be construed or considered an undertaking or representation by the Company that such insurance and bonding as may be required to be obtained by the Franchisee, or by the Company for the Franchisee, will insure the Franchisee against any or all insurable risks of loss which may or can arise out of or in connection with the operation of the Business.

12.4 Additional Insureds. Except for the insurance coverages provided in Section 12.1 A (2) and (3) above, all insurance purchased by the Franchisee (or by the Company for the Franchisee) shall name the Company and the Indemnitees identified in Section 11.3 of this Agreement as additional insureds for the Term hereof and the Term of any Successor Franchise Agreement, and shall provide that the Company shall be given at least thirty (30) days prior written notice of any termination, amendment, cancellation or modification thereof. The Franchisee shall promptly provide

the Company with Certificates of Insurance evidencing such coverage no later than ten (10) days prior to the date that the Business will commence operations. All insurance policies and documents shall be renewed, and upon such renewal, a renewal Certificate of Insurance shall be furnished to the Company prior to the expiration date of the existing term(s) of the policy(ies) in question. The Company may at any time require the Franchisee to forward to the Company full copies of all or any insurance policies.

12.5 Notice of Claims. The Franchisee shall notify the Company of any and all claims or demands against the Franchisee, the Business and/or the Company within three (3) days of the Franchisee receiving actual notice of any such claim or demand. The Franchisee agrees to respond to all claims within the time required by law, rule or regulation. The Franchisee shall cooperate with the Company (or its designee) in every fashion possible to defend the Company and the Franchisee against any and all claims made by employees, customers or third parties. The Franchisee shall, when necessary, make appearances at administrative or other hearings to present or reinforce such defenses.

12.6 Failure to Insure - Right to Terminate. Failure by the Franchisee to purchase or maintain any insurance required by this Agreement, or failure to reimburse the Company for its purchase of such insurance on behalf of the Franchisee, shall constitute a breach of this Agreement which, unless waived by the Company, shall entitle the Company to terminate this Agreement unilaterally if the Franchisee fails to cure the breach within ten (10) days of receipt of written notice by the Franchisee, and this Agreement shall be null, void and of no effect (except for those post-termination and post-expiration provisions which by their nature shall survive).

12.7 Minimum Coverages. The types of coverage and minimum limits of insurance coverage required to be procured by the Franchisee may be modified from time to time by the Company, in its sole and exclusive discretion, by written notice transmitted by the Company to the Franchisee. Upon delivery (or attempted delivery) of such written notice, the Franchisee shall be obligated to immediately purchase insurance conforming to the newly-established standards and limits prescribed by the Company.

ARTICLE XIII.

REPORTS, FINANCIAL STATEMENTS AND AUDIT RIGHTS

13.1 Books and Records. The Franchisee shall establish and maintain at the Franchisee's expense a bookkeeping, accounting and record keeping system conforming to the requirements prescribed by the Company from time to time. With respect to the operation and financial condition of the Business, the Franchisee shall sign, verify the accuracy of, and furnish the following reports, financial statements and returns to the Company in the form and in the manner prescribed by the Company.

A. On or before the 10th of each month, a report of the Gross Revenues of the Business for the preceding month, a fiscal year-to-date profit and loss statement from the accounting software required by Company showing the detailed Gross Revenue and expenses within the chart of accounts required by Company, a report from the current registration software showing the total

number of students taught and the classes conducted for the preceding month, and such other data, information and supporting records for the Business as the Company shall require as set forth in the Manual;

B. Within sixty (60) days after the end of the fiscal year, at Company's request, a profit and loss statement, balance sheet and cash flow statement for the fiscal year reflecting all year-end adjustments.

C. At the Company's request, exact copies of all federal and state income tax returns as reflect the operations of the Business.

D. The Franchisee must follow the student art work photo submission format outlined in the Manual for classroom programs.

13.2 Records of Gross Revenues - Computer. The Franchisee shall accurately record Gross Revenues and other financial information as Company prescribes with a computer and software which has been approved or specified by the Company. Franchisee agrees to allow Company access to any data relating to the Business on such computer system.

13.3 Additional Reporting. Franchisee shall submit to the Company such other periodic reports, forms and records relating to the financial, marketing and operational aspects of the Business as specified, and in the manner and at the time as specified by the Company in the Manual or otherwise in writing. Such reporting shall not include any records or information relating to Franchisee's employees, as Franchisee controls exclusively it labor relations and employment practices.

13.4 Audit of Books and Records. All records shall be kept for a period of at least four (4) years following the end of each fiscal year. The Company may, from time to time, cause one or more complete audits to be made of the affairs and records relating to the operations of the Business. Upon request by the Company, the Franchisee shall make such books, records and information available to the Company or its designated representative at a reasonable time and place for review and audit by the Company. If such audit results in a determination that the Royalty Fee is deficient (underpaid) by more than three percent (3%), the Franchisee shall promptly pay to the Company an amount equal to three (3) times the defined Royalty Fee and other indebtedness shown to be due, plus interest at the highest legal rate not to exceed 1½% per month on the deficiency and all costs and expenses incurred by the Company in conducting such audit, including salaries of the Company's representatives, travel costs, room and board and audit fees. If the deficiency is less than three (3%) percent, the Franchisee shall promptly pay the actual deficiency and interest at the highest legal rate not to exceed 1½% per month on the deficiency. If the audit is conducted due to the Franchisee's failure to report Gross Revenues or to provide other reports or financial information as required, the Franchisee shall promptly pay any deficiency disclosed and interest at the highest legal rate not to exceed 1½% per month on the deficiency and all costs and expenses incurred by the Company in conducting such audit. Nothing contained herein shall constitute an agreement by the Company to accept any payments after the same are due or commitment by the Company to extend credit to or otherwise finance the Franchisee's operation of the Business.

ARTICLE XIV.
TRANSFER OF FRANCHISE

14.1 Assignment by the Company. The Company shall have the right to assign this Agreement provided that: (i) the assignee, at the time of such assignment, is financially responsible and economically capable of performing the obligations of the Company hereunder; and (ii) the assignee assumes and agrees to perform such obligations. Upon such assignment, the Company shall be released from any future obligations under this Agreement.

14.2 Transfer to Entity by the Franchisee.

A. Subject to the Company's prior written consent, the Franchisee, if a natural person, may transfer its rights hereunder to a corporation, limited liability company or other entity without, however, being relieved of any personal liability. The Company will not unreasonably withhold such consent provided the following conditions are met:

- (1) The entity is newly organized and its activities are confined to the Business;
- (2) The Franchisee owns the controlling interest in the entity and is the chief executive officer;
- (3) The Company is advised of relevant information with respect to all owners of the entity;
- (4) All money and other obligations of the Franchisee to the Company are fully paid and performed;
- (5) The entity agrees, in form satisfactory to the Company, to assume all the Franchisee's obligations;
- (6) All owners of the entity guarantee, in form satisfactory to the Company, the full and prompt payment and performance of all obligations to the Company;
- (7) Each certificate of ownership interest in the entity shall have conspicuously endorsed upon it a statement that it is held, and that assignment thereof is, subject to all restrictions imposed upon assignments by this Agreement; and
- (8) No new interest in the entity shall be issued without obtaining the Company's prior written consent and then only upon disclosure of the terms and conditions contained herein being made to the new owners.

B. No transfer, as defined below, of the ownership interest in an entity shall be made without the prior written consent of the Company except that there may be a transfer of all the ownership interest in the entity on the same terms as those on which a transfer of the Franchisee's

franchise or the Business would be permitted hereunder. These restrictions shall be conspicuously noted on all certificates of ownership interest and all transferee owners shall be required to guarantee, in form satisfactory to the Company, the full and prompt payment and performance by the Franchisee of all obligations to the Company.

14.3 Transfer by the Franchisee. Subject to the Company's prior written consent, which will not be unreasonably withheld, the Franchisee may sell, transfer, lease or assign its interest in this Agreement, Franchisee, or the Business, or may by merger, consolidation, stock exchange or in similar fashion effect such by operation of law ("Transfer"), provided the following conditions are met. In the event that all of the following conditions have not been met by Franchisee and Assignee, Company shall have good cause for refusing to consent to a proposed Transfer.

A. The purchaser, transferee, lessee, assignee or entity effecting such by operation of law as set forth immediately above ("Assignee") (or the principal owners of the Assignee if the Assignee is an entity) has the aptitude, skills, qualifications, credit and financial resources necessary, in the Company's judgment, to conduct the Business and to fulfill the Assignee's obligations to the Company. The proposed Assignee must provide such information to the Company as it requires to evaluate the proposed Assignee;

B. Franchisee must furnish Company with copies of all proposed sale or transfer documents before such documents are executed. If Franchisee is conducting Young Rembrandts classes at locations outside of the Territory as permitted by Section 3.4, Franchisee must provide written notice to the proposed Assignee regarding what classes Franchisee conducts outside of Franchisee's Territory and the provisions of Section 3.4 of this Agreement that will require proposed Assignee to cease conducting such classes if the territory in which they are conducted is subsequently granted to another franchisee. Franchisee must furnish Company with a copy of such notice delivered to the proposed Assignee before the proposed sale or transfer documents are executed. Company shall have the right to reject the proposed sale or transfer documents if it determines that the price and terms of payment will adversely affect the proposed assignee's future operations of the Business. Company shall have the right to communicate with and confer with both Franchisee and the proposed assignee on any aspect of the proposed transfer and to furnish the proposed assignee with financial and other information regarding Franchisee's Young Rembrandts Business in Company's possession;

C. As of the date of any such Transfer, the Franchisee shall have fully complied with all its obligations hereunder or under any other agreement with the Company and any affiliate, including, without limitation, all monetary obligations;

D. Assignee assumes all of the obligations of the Franchisee, and that there is no default;

E. Assignee executes, at our option, either (i) the Company's then-current form of Franchise Agreement (except that Assignee shall not be obligated to pay an Initial Franchise Fee), which may contain terms different from this Agreement or (ii) an assignment and assumption agreement in a form satisfactory to Company whereby the Assignee assumes Franchisee's obligations under this Agreement. The execution of the new Franchise Agreement shall, except for post-term obligations of the Franchisee, terminate this Agreement;

F. The Franchisee and its owners/guarantors execute and deliver to the Company a general release, except as limited by law, of all claims against the Company, its affiliates and their shareholders, officers, directors, employees, and agents in a form satisfactory to the Company;

G. Assignee shall have satisfactorily completed the Initial Training then required of all new franchisees unless such training is waived by reason of the Assignee's prior experience or training. In the event the proposed sale or transfer does not take place after Assignee has completed the Initial Training and such failure to close on the sale or transfer is caused in whole or in part by Franchisee, Franchisee shall pay to Company the training fee then being charged for additional Initial Training.

H. The Franchisee has first given the Transfer Notice and complied with Article XV;

I. Any advertisement for a Transfer shall make clear that the Franchisee and not the Company is the offeror;

J. The Franchisee pays a Transfer Fee in the amount of Ten Thousand Dollars (\$10,000.00) to reimburse the Company's expenses to investigate such Transfer and to train the Assignee; and

K. The Franchisee pays any and all broker fees payable in connection with the Transfer.

14.4 Controlling Interest. The aggregate transfer of more than 10% of the ownership interest or voting power of any franchisee which is an entity is a Transfer.

14.5 Death or Incapacity of the Franchisee. The transfer of the Franchisee's interest in this Agreement and in the Business to the Franchisee's heirs, personal representatives or conservators, as applicable, in the event of death or legal incapacity of the Franchisee, shall not constitute a Transfer nor give rise to the Company's right of first refusal, provided that the heirs, personal representatives or conservators, as applicable, meet the Company's standards for new Franchisees; execute the then-current form of Franchise Agreement; and, that a manager has, or within ninety (90) days shall have, enrolled in and begun the Initial Training at the Company's then standard fee and charge and has satisfactorily completed the Initial Training within such three months. Such transfer does not require Franchisee to pay a Transfer Fee. Failure to transfer Franchisee's interest as provided in this Section 14.5 constitutes grounds for termination under Article XVI.

14.6 Subfranchising. The Franchisee may not subfranchise or otherwise attempt to sell, transfer or assign a portion, but not all, of its rights under or pursuant to this Agreement.

14.7 Notice. The Franchisee shall give the Company at least thirty (30) days prior notice of any Transfer.

14.8 No Encumbrance. The Franchisee may not pledge, encumber, or otherwise give a security interest in its rights under this Agreement without the prior written consent of the Company,

which consent may be withheld for any reason whatsoever in the Company's sole, subjective judgment.

ARTICLE XV.

RIGHT OF FIRST REFUSAL

15.1 Right of First Refusal and Transfer. Prior to any Transfer under Section 14.3, the Franchisee shall deliver to the Company written notice (the "Transfer Notice"), setting forth all of the terms and conditions of the proposed Transfer, including all documents of sale, transfer, assignment, merger, or acquisition and all available information of the proposed Assignee.

15.2 Right of First Refusal. Within fifteen (15) days after the Company's receipt of the Transfer Notice or if it requests additional information, within fifteen (15) days after receipt of such additional information (the "Review Period"), the Company may elect to receive the Transfer to itself or to its nominee, upon the terms and conditions in the Transfer Notice, by written notice to the Franchisee. The failure of the Company to deliver such notice shall constitute a waiver of its Right of First Refusal, provided that it has been furnished, in timely fashion, with all of the requisite documents and information.

15.3 Equivalent Consideration. In the event that the attempted Transfer is in a format or is for consideration that the Company cannot practicably or realistically duplicate (including, without limitation, a transaction in which the Franchisee would receive the stock of the Assignee) the Company may elect to pay the equivalent consideration in cash and to modify the Transfer format to reasonably duplicate the proposed Transfer.

15.4 Change in Terms. If the Company does not exercise its Right of First Refusal, the Franchisee shall have the right, for a period of ninety (90) days after the Review Period, to effect the Transfer upon the terms and conditions of the Transfer Notice. If the terms of the Transfer are changed, such changed terms shall be deemed a new offer and the Company shall again have such Right of First Refusal with respect to them.

ARTICLE XVI

DEFAULT & TERMINATION.

16.1 The Company's Right to Terminate Prior to Opening.

A. The Company shall have the right to terminate this Agreement without prior notice to Franchisee if:

(1) The Franchisee shall have failed to satisfactorily complete Initial Training. The Franchisee acknowledges that because of the Company's superior skill and knowledge with respect to the training and skill required to manage the Business, the Company's judgment as to whether or not the Franchisee has satisfactorily completed such training may be exercised by the Company in its sole, subjective judgment, exercised in good faith; or

(2) Any financial, personal or other information provided by the Franchisee to the Company in connection with the Franchisee's application for the franchise is materially false, misleading, incomplete or inaccurate.

(3) The Franchisee does not open for business within ninety (90) days of signing this Agreement.

B. If the Company elects to terminate this Agreement pursuant to this Section, the Company shall notify the Franchisee of its said election; and this Agreement shall be null, void and of no effect. Neither party shall have any further right or obligation to the other except those obligations which, by their nature, survive such termination.

16.2 The Company's Right to Terminate After Opening.

A. Grounds. The Company shall have the right to terminate this Agreement after the Business opens in the following events any of which shall constitute good cause:

(ii) The Franchisee voluntarily or otherwise abandons the Business by (a) failing to operate it for a period of five (5) consecutive business days or more, unless the Business has been closed for a purpose previously approved by the Company in writing; or (b) failing to be physically present in the Territory to carry out the obligations under Sec. 6.10 herein to directly oversee and supervise the operation and management of the Business for a period of fifteen (15) consecutive business days or more; or

(iii) The Franchisee or the Business is declared bankrupt or insolvent, or all or a substantial part of the assets of the Business are assigned to or for the benefit of any creditor, or the Franchisee admits its inability to pay its debts as they become due; or

(iv) The Franchisee, after twice curing any failure of the Franchisee to comply with any requirement of this Agreement (other than non-payment) after being given notice thereof and a reasonable opportunity to cure such failure, which in no event need be more than thirty (30) days, engages in the same non-compliance whether or not such non-compliance is corrected after notice; or

(v) The Franchisee makes a Transfer or attempted Transfer of the Agreement or of the Business without compliance with the provisions of Sections 14.2 through 14.8 and of the Company's Right of First Refusal in Article XV, above; or

(vi) The Company reasonably determines that operations by the Franchisee will result in substantial danger to the health or safety of the public or Franchisee's customers and Franchisee fails to take the necessary corrective action within three (3) business days after notice thereof from the Company; or

(vii) The Franchisee fails to pay any royalties or other amounts due the Company or any affiliate when such are due on more than three (3) occasions in any two (2) year period.

(viii) The Business is seized, taken over or foreclosed; or a final judgment against the Franchisee is unsatisfied for thirty (30) days (unless a supersedeas or other bond has been filed); or a levy of execution has been made upon any property used in the Business and is not discharged within five (5) days of such levy; or

(ix) Franchisee makes any unauthorized use or disclosure of any Confidential Information, makes any unauthorized use of the Marks or any other identifying characteristics of the System or otherwise impairs the goodwill associated with these characteristic; or makes any unauthorized use or disclosure, or duplicates any portion of the Manual or other proprietary written materials.

(x) The Franchisee fails to comply with any of the non-competition covenants in Articles XVIII of this Agreement.

(2) With Opportunity to Cure. Events in which termination shall be effective after Franchisee's failure to cure the specified default within the cure period provided herein:

(iii) The Franchisee fails, for a period of ten (10) days after notification of non-compliance, to comply with any federal, state or local law or regulation applicable to the operation of the Business; or

(iv) The Franchisee is involved in any act or conduct or failure to act which materially impairs the goodwill associated with the Business, Marks or the System and the Franchisee fails to cure such act or conduct or failure to act within twenty-four (24) hours of the receipt of notice thereof.

(v) The Franchisee fails to meet the minimum gross revenues requirement

described in Section 3.3 above that requires Franchisee to pay the required minimum royalty payment, following notice and a six (6) month period in which to increase the Gross Revenues in order to meet the required minimum monthly royalty requirement.

(vi) Default by the Franchisee of any other obligations under the Agreement, including any mandatory specification, standard or operating procedure prescribed by the Company in the Manual or otherwise in writing, which is not cured within thirty (30) days after notice of default;

(3) Notwithstanding anything to the contrary contained in this Article 16, the Company has the right to survey Franchisee's customers to determine their level of satisfaction with Franchisee. If, in any one calendar year, twenty-five percent (25%) or more of the Franchisee's customers are dissatisfied as evidenced by the written customer satisfaction surveys, the Company shall notify the Franchisee of the results of any such survey. If, upon completing a second survey of Franchisee's customers within three (3) months of completing the first survey, twenty-five percent (25%) or more of the Franchisee's customers are dissatisfied as evidenced by the written customer satisfaction surveys, the Company, at its option, may take over the Territory and terminate the Agreement.

B. Waiver. The Company may, in its sole discretion, waive its right to terminate under one or more sections of this Article as set forth above. Said waiver shall not be deemed continuing nor shall it be considered a precedent for this Agreement or for any other franchise. See Section 20.7, below.

C. Termination Procedure. If the Company elects to exercise its right to terminate this Agreement, it shall do so by giving the Franchisee written notice of termination stating the grounds therefor, advising whether there is an opportunity to cure any default and the effective date of termination. If the state in which the Business is located has a law governing notice and right-to-cure periods, such law shall govern.

D. Cross Default. Any default by the Franchisee of any other agreement between the Company and the Franchisee or an affiliate of the Company and the Franchisee shall be deemed a default under this Agreement and any default by the Franchisee of this Agreement shall be deemed a default under any and all other agreements between the Company and the Franchisee. If the nature of such default under any other agreement would have permitted the Company to terminate this Agreement if such default had occurred under this Agreement, the Company shall have the right to terminate all of the other agreements between the Company and the Franchisee in the same manner as provided herein for termination of this Agreement.

16.3 Franchisee's Rights to Terminate.

A. Grounds. If the Franchisee is in full compliance with this Agreement and the Company breaches any material provision, term or condition, the Franchisee may terminate this Agreement as provided herein.

B. Procedure. The Franchisee shall not have any right to terminate this Agreement or commence an action against the Company for injunctive relief, violation of any state, federal or common law, unless and until:

(1) Written notice setting forth the alleged default in detail has been delivered to the Company by the Franchisee; and

(2) The Company fails to correct, or diligently make all reasonable efforts to correct, the alleged default within thirty (30) days after receipt of such written notice.

C. Required Notice-Waiver of Breach. If the Franchisee fails to give the Company written notice of an alleged default of this Agreement within one (1) year from the date that Franchisee has knowledge of, determines, or is of the opinion that there has been a default by the Company, then the alleged default shall be deemed to be condoned, approved and waived by the Franchisee and the alleged default shall not be deemed to be a default of this Agreement.

ARTICLE XVII. **OBLIGATIONS UPON TERMINATION**

17.1 Obligations. In the event of the termination or expiration of this Agreement, whether by reason of default, lapse of time or other cause, the Franchisee shall:

A. promptly pay all amounts owed to the Company;

B. promptly return to the Company the Manual, instructional materials and videos, the lesson plans provided by the Company, proprietary software, and other materials containing Confidential Information at Franchisee's expense;

C. turn over and not retain any copies of all customer lists and all other customer data, contact information and other data regarding all schools, day care centers, park districts and other facilities where Franchisee conducted classes for customers, contracts or agreements, and other information and records regarding the customers and class locations serviced by Franchisee, and information and records on contacts with prospective customers and class locations in Franchisee's Territory. Franchisee expressly and specifically acknowledges and agrees that the foregoing information and records acquired during the term of the franchise are valuable property rights which Franchisee may use during the term of the Franchise Agreement, but which belong to Franchisor in the event of expiration or termination of the Franchise Agreement for any reason;

D. maintain confidentiality of all Confidential Information furnished by the Company as required by Article VII;

E. immediately cease using any of the Marks, including the e-mail address for the Business, or any colorable imitation of the Marks, or use any trade name, trademark, service mark, domain name or other commercial symbol that suggests or indicates a connection or association with the Company;

F. not directly or indirectly at any time or in any manner identify Franchisee or any business of Franchisee as a current or former franchisee of the Company or as otherwise associated with the Company;

G. promptly return to the Company or destroy (whichever Company specifies) all advertising and promotional materials, forms, and other materials containing the Marks or otherwise identifying or relating to a Young Rembrandts Business;

H. promptly take such action as may be required to cancel all fictitious or assumed name, "doing business as" or equivalent registrations relating to Franchisee's use of the Marks and furnish to Company within ten (10) days after the effective date of termination or expiration evidence satisfactory of Franchisee's compliance with the foregoing obligations;

I. promptly notify the telephone company and all listing agencies of the termination or expiration of Franchisee's right to use any telephone number and any telephone directory listings associated with the Marks and to authorize transfer of same to or at the direction of the Company. Franchisee acknowledges that as between the Company and Franchisee, the Company has the sole right to and interest in all telephone numbers and directory listings associated with the Marks, and Franchisee authorizes the Company, and hereby appoints the Company and any officer of the Company as Franchisee's attorney-in-fact, to direct the telephone company and all listing agencies to transfer same to the Company or at its direction, and should Franchisee fail or refuse to do so, the telephone company and all listing agencies may accept such direction or this Agreement as conclusive of the exclusive rights of the Company in such telephone numbers and directory listings and its authority to direct their transfer;

J. assign to Company or its designee all of Franchisee's right, title and interest in and to any domain name registrations, any web sites, and any listings or presence on any social media platforms or social media networks, or other presence on the Internet, including passwords and account manager access, and shall notify the necessary parties of the termination of the Franchisee's right to use any domain name, web site, or other presence on the internet and to authorize a transfer of same to or at the direction of Company; and

K. pay all costs, including attorneys' fees and costs, incurred by the Company in terminating this Agreement and in enforcing the terms of this Article XVII and Article XVIII.

17.2 Survival of Obligations. The expiration or termination of this Agreement shall be without prejudice to any of the rights and remedies of the Company against the Franchisee with respect to the foregoing obligations, non-competition covenants and other like matters that reasonably would survive the end of this Agreement.

ARTICLE XVIII.

NON-COMPETITION COVENANTS

18.1 In-Term and Post-Term Covenant Not to Compete. The Franchisee agrees that during

the Term of this Agreement, and the Term of any Successor Agreement, the Franchisee will not, either directly or indirectly, engage in any other business which offers, provides or sells the same or similar services provided by the Franchisee hereunder, or engage in any of the activities which this Agreement contemplates will be engaged in by the Franchisee, or offers or sells any other service (or component thereof) which comprises or may in the future comprise a part of the System (or any service confusingly similar thereto) as an owner, partner, investor, shareholder, director, officer, employee, principal, agent, advisor, or consultant, nor shall the Franchisee divert any business from the Business to any other entity. The Franchisee further agrees that, for a period of twenty-four (24) months following the termination or expiration of this Agreement for any reason or the date in which Franchisee ceases to conduct business, whichever is later, within twenty-five (25) miles of the Territory and within the territory granted by Company to any then-existing franchisee, the Franchisee will not, either directly or indirectly, engage in any other business which offers, provides or sells the same or similar services provided by the Franchisee hereunder, or engage in any of the activities which this Agreement contemplates will be engaged in by the Franchisee, or offers or sells any other service (or component thereof) which comprises or may in the future comprise a part of the System (or any service confusingly similar thereto) as an owner, partner, investor, shareholder, director, officer, employee, principal, agent, advisor, or consultant, nor shall the Franchisee divert any business from the Business to any other entity. If after the date of execution of this Agreement, other franchisees open new Young Rembrandts businesses, the geographic areas in which Franchisee will be prohibited from competing upon termination or expiration of this Agreement, may be larger than it is as of the date of this Agreement. It is the intention of this provision to preclude not only direct competition but also all forms of indirect competition, such as consultation for competitive businesses, service as an independent contractor for such competitive businesses, or any assistance or transmission of information of any kind or nature whatsoever which would be of any material assistance to a competitor.

For one (1) year thereafter, the Franchisee shall not hire personnel of the Company or of any other franchisee of the Company.

If the Franchisee is an entity, the Franchisee shall cause its owners, directors, officers, managers and employees to refrain from any of the foregoing competitive activities in any manner which the Company may reasonably request, and shall cause each such Owner to execute a Guaranty of this Agreement in a form acceptable to the Company and shall cause any other directors, officers, managers and employees to execute confidentiality and non-competition agreements in a form satisfactory to Company.

18.2 Non-Solicitation. For a period of one (1) year after termination or expiration, the Franchisee may not solicit, contact or do any work for any customer or potential customer developed as a Young Rembrandts franchise at any time and may not solicit, contact, do any work for, or conduct any classes at any organization where the Franchisee conducted its classes as a Young Rembrandts franchisee.

18.3 Scope. The covenants in this Article XVIII shall not be applicable to any Business operated by the Franchisee under another Franchise Agreement with the Company.

18.4 Enforcement of Covenants Not to Compete. The Franchisee acknowledges that violation of the covenants not to compete contained in this Agreement would result in immediate and irreparable injury to the Company for which no adequate remedy at law will be available. Accordingly, the Franchisee hereby acknowledges that the Franchisor may seek to obtain the entry of an injunction prohibiting any conduct by the Franchisee in violation of the terms of those covenants not to compete set forth in this Agreement. The Franchisee expressly agrees that it may conclusively be presumed that any violation of the terms of said covenants not to compete was accomplished by and through the Franchisee's unlawful utilization of the Company's confidential information, know-how, methods and procedures. Further, the Franchisee expressly agrees that the existence of any claims it may have against the Company, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by the Company of the covenants not to compete set forth in this Agreement. The Franchisee further agrees to pay all costs and expenses (including reasonable attorneys' and experts' fees) incurred by the Company in connection with the enforcement of those covenants not to compete set forth in this Agreement.

18.5 Court Modification. The non-competition restrictions set forth in this Article XVIII may be modified by a court to the extent necessary to make the non-competition agreements valid and enforceable against Franchisee.

ARTICLE XIX. **ARBITRATION**

19.1 Agreement to Arbitrate. All controversies, disputes or claims arising between the Company and the Franchisee (including any claim against the Company's officers, directors, shareholders, agents and employees, in their capacity as such, or against the owners and guarantors of the Franchisee, if applicable) in connection with, arising from, or with respect to: (A) any provision of this Agreement or any other agreement related to this Agreement between the parties; (B) the relationship of the parties hereto; (C) the validity of this Agreement or any other agreement between the parties related to this Agreement, or any provision thereof; or (D) any specification, standard or operating procedure relating to the establishment or operation of the Business (except controversies, disputes or claims relating to the Marks) which shall not be resolved within thirty (30) days after either party shall notify the other in writing of such controversy, dispute or claim, shall be submitted for arbitration on demand of either party. Such arbitration proceedings shall be conducted before a single arbitrator at the Company's offices or at another location specified by the Company and, except as otherwise provided in this Agreement, shall be conducted in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association or any successor. The arbitrator shall have the right to award or include in the award any relief which is deemed proper in the circumstances, including without limitation, money damages (with interest on unpaid amounts from the due date), specific performance and injunctive relief. The arbitrator must issue a reasoned award explaining the bases for the decision. The parties agree that there shall be a record of the arbitration proceeding. Except as set forth in Section 19.2, the award and decision of the arbitrator shall be conclusive, binding and non-appealable upon all parties hereto and judgement upon the award may be entered in any court of competent jurisdiction, subject to the terms of this Agreement as to jurisdiction. The provisions of this Article shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. The Franchisee and the Company

agree that arbitration shall be conducted on an individual, not a class-wide, basis.

19.2 Appeals. Notwithstanding any language to the contrary in this Agreement, the parties hereby agree that any award issued by the Arbitrator as specified in Section 19.1 may be appealed pursuant to the American Arbitration Association's Optional Appellate Arbitration Rules ("Appellate Rules"); that the award rendered by the arbitrator shall, at a minimum, be a reasoned award; and that the award shall not be considered final until after the time for filing the notice of appeal pursuant to the Appellate Rules has expired. Appeals must be initiated within thirty (30) days of receipt of the arbitrator's award pursuant to Section 19.1, by filing a Notice of Appeal with any American Arbitration Association office. The appeal shall be heard by a single arbitrator. Following the appeal process the decision rendered by the appeal tribunal may be entered in any court having jurisdiction thereof.

19.3 Waiver of Punitive Damages. The Company and the Franchisee (and their respective owners and guarantors, if applicable) hereby waive to the fullest extent permitted by law, their right to or claim for any punitive or exemplary damage against the other and agree that in the event of a dispute between them each shall be limited to the recovery of any actual damages sustained.

19.4 Severability. The provisions of this Article shall be construed as independent of any other covenant or provision of this Agreement; provided that, if a court of competent jurisdiction determines that any such provisions are unlawful in any way, such court shall modify or interpret such provisions to the minimum extent necessary to have them comply with the law. Notwithstanding any provisions of this Agreement relating to the state laws under which this Agreement shall be governed and construed, all issues relating to arbitrability or the enforcement of the agreement to arbitrate contained herein shall be governed by the United States Arbitration Act (9 U.S.C. 1 et seq.) and the federal common law of arbitration.

19.5 Mediation. Prior to any arbitration proceeding taking place, and except for actions described in Section 19.6, the Company or the Franchisee may, at its respective option, elect to (A) have the arbitrator conduct, in a separate proceeding prior to the actual arbitration, a preliminary hearing, at which hearing testimony and other evidence may be presented and briefs may be submitted, including without limitation a brief setting forth the then applicable statutory or common law methods of measuring damages in respect of the controversy or claim being arbitrated, or (B) submit the controversy or claim to non-binding mediation before the arbitrator or other mutually agreeable mediator, in which event both parties shall execute a suitable confidentiality agreement.

19.6 Exception to Arbitration. Nothing in this Agreement, including in particular the provisions of Section 19.1, shall be construed as limiting or precluding the Company, an Affiliate or the Franchisee from bringing any action in any court of competent jurisdiction for injunctive or other extraordinary relief, without the necessity of posting any bond (and if bond shall nevertheless be required by a court of competent jurisdiction, subject to the terms of this Agreement relating to jurisdiction, the parties agree that the sum of \$100 shall be sufficient bond), as the Company or the Franchisee deem necessary or appropriate to (A) compel the other to comply with its obligations hereunder with respect to the use or display of the Marks or to otherwise protect the Marks; (B) compel the other to comply with its obligations upon termination or expiration of this Agreement or

any Successor Agreement; and (C) prohibit any act or omission by the other, or their respective employees, that constitutes a violation of applicable law, is dishonest or misleading to the Franchisee's customers or prospective customers, or other Franchised Businesses, or constitutes a danger to the Franchisee's employees, or customers or to the public, or may impair the good will associated with the Marks or System. The parties agree to arbitrate any such dispute concurrently with and subsequent to the grant or denial of such injunctive relief.

ARTICLE XX.

MISCELLANEOUS

20.1 Severability. All provisions of this Agreement are severable and this Agreement shall be interpreted and enforced as if all completely invalid and unenforceable provisions were not contained herein and partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination or refusal to extend the Term of this Agreement or prior notice of the refusal to grant the right to obtain a Successor Agreement than is required herein or the taking of some other action not required hereunder or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by the Company is invalid or unenforceable, the prior notice or other action required by such law or rule shall be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure shall be modified to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdictions and shall be enforced as originally made and entered into in all other jurisdictions.

20.2 No Third Party Rights. Anything to the contrary herein notwithstanding, nothing in this Agreement is intended, nor shall it be deemed, to confer upon any third party other than the Company, the Company's affiliates, the Indemnitees identified in Section 11.3, or the Franchisee and permitted successors and assigns, any rights or remedies under or by reason of this Agreement.

20.3 Captions. All captions herein are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision hereof.

20.4 Counterparts. This Agreement may be executed in one or more counterparts and each copy so executed shall be deemed an original but all copies together shall constitute one agreement.

20.5 Governing Law. This Agreement takes effect upon its acceptance and execution by the Company and shall be interpreted and construed in accordance with, and the franchise and any dispute between the parties governed by, the laws of the state of the principal office of the Company without giving effect to the choice of law rules thereof, which law shall prevail in any event of conflict of law, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. 1051 et seq.), or the United States Arbitration Act (9 U.S.C. 1 et seq.).

20.6 Choice of Forum. The Company and the Franchisee agree that any action brought by one of them against the other (which is not to be arbitrated pursuant hereto or pursuant to law) shall

be instituted exclusively in the state or federal court having jurisdiction over the county within which the principal office of the Company is located. Each party hereby irrevocably waives any objection they may have to the jurisdiction or the venue of such Court(s).

20.7 Waiver. The Company and the Franchisee may, by written instrument, unilaterally waive any obligation or restriction upon the other under this Agreement. Except as provided to the contrary herein, no acceptance by the Company of any payment by the Franchisee and no failure, refusal or neglect of the Company or the Franchisee to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including, without limitation, any mandatory specification, standard or operating procedure, shall constitute a waiver of any provision of this Agreement.

20.8 Royalty or Other Fees. The Franchisee shall not, on the grounds of alleged non-performance by the Company of any of its obligations to the Franchisee, withhold payments of Royalty Fee or any other amounts due to the Company.

20.9 Attorneys' Fees. In the event the Company or Franchisee institutes a suit, action or proceeding to enforce any provision of this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party reasonable attorneys' fees to be set by the court in addition to reasonable costs or disbursements incurred by the party.

20.10 Document Preparation. If (1) Franchisee makes a request involving the relationship contemplated under this Franchise Agreement and (2) Company agrees to such request, Franchisee must reimburse Company for all costs and expenses, including legal fees, it incurs in preparation of documents.

20.11 Notices; Approvals; Force Majeure; Miscellaneous.

A. Notices. All notices required herein shall be in writing, and (i) sent by registered or certified mail addressed to the Company or the Franchisee at their respective principal offices first above written or at such other address as the Company or the Franchisee may designate in writing; or (ii) hand delivered; or (iii) by commercial overnight delivery service; or (iv) by electronic communication with a delivery receipt. Notices shall be effective three (3) business days after sent by registered or certified mail, the date of delivery if hand delivered or sent by electronic communication, and the next business day after sent by commercial overnight delivery service.

B. Approvals. Unless specifically provided otherwise, the Franchisee hereby waives, any claim that the Company has unreasonably withheld or delayed any consent or approval to a proposed act by the Franchisee under this Agreement.

C. Force Majeure. Whenever a time period is specified herein within which the Franchisee or the Company has a duty to perform some act, such period shall be extended for a time period corresponding to the duration of any delay caused by events or circumstances beyond the reasonable control of such party.

20.12 Binding Effect and Modifications. This Agreement is binding upon the parties and their respective executors, administrators, heirs, assigns and successors, and shall not be modified except by written agreement, except that the Company has the right to unilaterally change the Manual and to make such other changes, additions and modifications as set forth herein.

20.13 Complete Agreement. This Agreement, together with any Exhibits or Addenda to this Agreement, contains the complete agreement between the parties and there are no promises, representations or inducements except as herein provided and as provided in the Company's Franchise Disclosure Document.

20.14 Submission of Agreement. The submission of this Agreement does not constitute an offer and this Agreement shall become effective only upon the execution hereof by the Company and the Franchisee. The date of execution by the Company shall be considered the date of execution of this Agreement.

20.15. Anti-Terrorism Laws. Franchisee and Franchisee's owners agree to comply with and/or assist Company to the fullest extent possible in Company's efforts to comply with Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee and Franchisee's owners certify, represent and warrant that none of the property or interests of Franchisee or Franchisee's owners is subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and Franchisee's owners are not otherwise in violation of any of the Anti-Terrorism Laws. For purpose of this Section 8.8 "Anti-Terrorism Laws" means Executive Order 13244 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any Governmental Authority (including, without limitation, the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorists acts and acts of war.

Franchisee and Franchisee's owners certify that none of Franchisee's employees, or anyone associated with Franchisee is listed in the Annex to Executive Order 13224. (The Annex is available at <http://www.treasury.gov/offices/enforcement/ofac/sanctions/terrorism.html>.) Franchisee agrees not to hire any individuals listed in the Annex. Franchisee and Franchisee's owners certify that they have no knowledge or information that, if generally known, would result in Franchisee, Franchisee's owners or employees, or anyone associated with Franchisee to be listed in the Annex to Executive Order 13224. Franchisee shall be solely responsible for ascertaining what actions must be taken by Franchisee to comply with the Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that the indemnification responsibilities set forth in this Agreement pertain to Franchisee's obligations under this Section 20.16.

Any misrepresentation by Franchisee under this Section or any violation of the Anti-Terrorism Laws by Franchisee or Franchisee's owners or employees shall constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered with

Company or an affiliate of Company, in accordance with the terms of Section 16.2. of this Agreement.

20.16 Electronic Signature and Delivery. This Agreement may be signed with full legal force and effect using electronic signatures and records. Delivery of this Agreement by facsimile, electronic mail or other functionally equivalent means of transmission constitutes valid and effective delivery.

THIS AGREEMENT SHALL NOT BE BINDING ON THE COMPANY UNLESS AND UNTIL IT SHALL HAVE BEEN SIGNED BY AN AUTHORIZED OFFICER. UNTIL SO SIGNED, THE COMPANY MAY UNILATERALLY REFUSE TO ENTER INTO THIS AGREEMENT WITHOUT LIABILITY OF ANY KIND TO ITSELF, OR THEIR OFFICERS, DIRECTORS, EMPLOYEES OR AGENTS.

THIS IS A LEGAL DOCUMENT WHICH GRANTS SPECIFIC RIGHTS TO AND IMPOSES CERTAIN OBLIGATIONS ON THE COMPANY AND THE FRANCHISEE. CONSULT LEGAL COUNSEL TO BE SURE THAT FRANCHISEE UNDERSTANDS ITS RIGHTS AND DUTIES.

FRANCHISEE HAS READ ALL OF THIS AGREEMENT AND HEREBY ACCEPTS AND AGREES TO ALL OF ITS PROVISIONS, COVENANTS AND CONDITIONS.

ADDENDUM TO FRANCHISE AGREEMENT FOR SILVER FRANCHISE

This Addendum is to a Franchise Agreement between Young Rembrandts Franchise, Inc., an Illinois corporation whose principal address is 23 North Union Street, Elgin, IL 60123 ("Franchisor") and _____ of _____ ("Franchisee").

WHEREAS, Franchisor and Franchisee are entering into a Franchise Agreement simultaneously with this Addendum;

WHEREAS, Franchisee desires to be granted a territory in an area in which there are less than seventy-five (75) Elementary Schools; and

WHEREAS, Franchisor has in its discretion determined that it will grant a Silver Franchise to Franchisees for said area and Franchisee desires to purchase a Silver Franchise.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. The terms, covenants and conditions of this Addendum are incorporated into the Franchise Agreement, and with respect to any conflict between the two (2) agreements, the terms of this Addendum shall be controlling with respect to the subject matter thereof. Except as expressly set forth in this Addendum, the rights, duties and obligations of the parties with respect to the Business shall be the same as the rights, duties and obligations of the parties with respect to the Business described in the Franchise Agreement.

2. Franchisee shall pay an Initial Franchise Fee in the amount of Thirty-Nine Thousand Five Hundred Dollars (\$39,500.00) upon the execution of the Franchise Agreement and this Addendum.

3. Section 3.3.B of the Franchise Agreement shall be revised in its entirety to read as follows:

B. Beginning on the one (1) year anniversary of the Opening Date of the Business and through the end of the term, Franchisee must achieve Gross Revenues sufficient to generate an average monthly royalty payment of at least Three Hundred Fifty Dollars (\$350.00). If over any period of six (6) consecutive months the royalty payments due to the Company from Franchisee do not average at least Three Hundred Fifty Dollars (\$350.00) per month, if after giving Franchisee six (6) months' notice and Franchisee failing to increase Gross Revenues so that the monthly royalty payments average at least Three Hundred Fifty Dollars (\$350.00) over the previous six (6) consecutive months, the Company has the right to either (1) terminate the Franchisee's franchise, or (2) terminate the Franchisee's exclusive rights to the Territory. In such event, others or the Company may market in and service the Territory. For purposes of meeting the Minimum Gross Revenue requirements of this Section 3.3.B., Franchisee may only include Gross Revenues from classes conducted within the Territory.

4. Section 9.2. of the Franchise Agreement is revised in part regarding the Minimum Royalty Payment as follows:

Notwithstanding the foregoing, beginning with the first full calendar month that begins at least thirty (30) days after the date Franchisee completes the Initial Training Program, Franchisee must pay a minimum Royalty Fee in the amount of Two Hundred Fifty Dollars (\$250.00) per month during the first and second years of operation, in the amount of Three Hundred Dollars (\$300.00) per month during the third and fourth years of operation, and in the amount of Three Hundred Fifty Dollars (\$350.00) beginning in the fifth year of operation and through the end of the Term ("Minimum Royalty Payment").

TERRITORY DEVELOPMENT AGREEMENT

TERRITORY DEVELOPMENT AGREEMENT

THIS AGREEMENT is made and entered into by and between **YOUNG REMBRANDTS FRANCHISE, INC.** (the "Company") and _____ ("Developer").

1. The Company grants Developer, on the terms and conditions set forth below, the right and option to reserve, develop, own and operate the number of franchises specified in Paragraph 4 in the area, described as follows: _____

("Development Territory")

2. Simultaneously with the execution of this Agreement, Developer shall (1) execute a Franchise Agreement for the first Young Rembrandts franchise to be developed and pay the initial franchise fee under such Franchise Agreement in the amount of Forty-Four Thousand Five Hundred Dollars (\$44,500), and (ii) pay an amount equal to fifty percent (50%) of the initial franchise fee for each additional Young Rembrandts franchise which Developer is granted the option to develop under this Agreement ("Development Fee"). The parties hereto agree that the initial franchise fee for the second and additional franchises shall be Thirty-Nine Thousand Five Hundred Dollars (\$39,500). The Development Fee due at the time of execution of this Agreement is _____ Dollars (\$_____). The Development Fee is consideration for this Agreement and not consideration for any Franchise Agreement, is fully earned by the Company upon execution of this Agreement and is non-refundable, notwithstanding any provision to the contrary contained in any Franchise Agreement.

3 For each additional franchise, Developer agrees to execute a separate then current form of Franchise Agreement and to be bound by all of its terms, and to pay the balance of the Initial Franchise Fee as specified in Paragraph 2 above. The Company shall execute the Franchise Agreement only if (i) Developer is in compliance with all and is not in default of any requirements and obligations of this Agreement, and (ii) Developer is in compliance with all and is not in default of any of its respective obligations under any Franchise Agreement with the Company.

4. Time is of the essence of this development schedule. Developer agrees that this Agreement and all of Developer's rights hereunder may be terminated by the Company in its sole discretion in the event the Developer does not have Franchise Agreements signed and franchised businesses open and in operation in accordance with Paragraph 3 and with the following Development Schedule:

NUMBER OF FRANCHISES TO BE OPEN AND OPERATING BY DEVELOPER

Cumulative Number of Franchises	Last date for execution of Franchise Agreement	Last date for Opening of Franchise Business
<u>1</u>	<u>Upon execution of this Agreement</u>	<u></u>
<u></u>	<u></u>	<u></u>
<u></u>	<u></u>	<u></u>
<u></u>	<u></u>	<u></u>

Developer shall at all times continuously maintain in operation pursuant to each Franchise Agreement, at least the cumulative number of franchises which are to be developed as of the dates set forth above in the Development Schedule.

Any termination of this Agreement by the Company for Developer's failure to comply with the Development Schedule set forth above shall not affect any franchises then operated by Developer for which a Franchise Agreement has been executed by the parties hereto; and all of the parties' rights and obligations under each such Franchise Agreement shall remain in full force and effect unless and until terminated pursuant to its or their own terms.

In the event that Developer request an extension of time on any date in the Development Schedule, and in the event Company, in its sole discretion, grants an extension, Development shall pay to Company an extension fee prior to the date the extension is granted.

5. (a) Subject to subparagraph 5(b) the Company agrees that it will not grant to any other party the right to operate, or itself operate, any Young Rembrandts businesses within the Development Territory during the term of this Development Agreement. Unless terminated sooner in accordance with the terms of this Agreement, this Agreement shall expire on the last date set forth in the Development Schedule in Paragraph 4.

(b) The Company retains the right, within and outside of the Development Territory to itself or through an affiliate:

(i) franchise and establish Company-owned and affiliate-owned Young Rembrandts businesses outside the Development Territory, including but not limited to (1) in physical geographic areas outside of the Territory or (2) in or through the metaverse or any other virtual environment inside or outside of the Territory.

(ii) establish, operate and franchise the Young Rembrandts System or any other programs, products and/or services under trade names, trademarks, service marks, or logos other than the Marks.

YR TDA 3/25

(iii) sell or provide services and products licensed to be provided hereunder, utilizing the Marks, under a different system than franchising, including the Internet and the metaverse. Specifically, without limitation, the Company or an affiliate may offer instructions services and products directly to customers on the Internet, in or through the metaverse or any other virtual environment.

6. The occurrence of any of the following shall constitute "cause" or an event of default by Developer under this Agreement:

(i) the failure to meet the Development Schedule by either failing to sign a franchise agreement and paying the balance of the franchise fee or failing to open each franchise on the dates set forth in paragraph 4;

(ii) the filing by or against Developer of a petition under any bankruptcy, insolvency or similar law;

(iii) any transfer or attempted transfer of this Agreement in violation of Paragraph 7 hereof; or

(iv) any other material breach of the terms of this Agreement;

(v) default by Developer in any Franchise Agreement with the Company then in existence and termination by the Company as a result of such default.

Upon the occurrence of a default listed in (ii) (iii) or (v) above, the Company may immediately terminate this Agreement without prejudice to any other rights or remedies it may have in law or in equity. Upon the occurrence of a default listed in (i) or (iv) above, the Company may terminate this Agreement after giving Developer thirty (30) days' written notice of default and Developer's failure to cure the default specified in such notice within the thirty day period. Any termination shall not affect any franchises then operating or under construction by Developer for which a Franchise Agreement has been executed by the parties hereto.

7. Any actual or attempted assignment or transfer (as defined in the Franchise Agreement) of this Agreement, by Developer directly or by operation of law, is void and of no effect unless the Company has consented thereto in advance in writing. This Agreement is fully assignable by the Company.

8. Upon termination or expiration of this Agreement, Developer loses the right to open any additional Young Rembrandts franchises and Developer loses exclusive rights to the Development Territory described in Paragraph 5. Company may thereafter grant franchises or itself operate a Young Rembrandts business in any part of the Development Territory which is not protected by a valid and binding franchise agreement.

9. Nothing in this Agreement, express or implied, shall give Developer any rights in or to any of the names, trade names, trademarks, service marks, logotypes, or commercial symbols of Company or its affiliate used in connection with the Young Rembrandts System (“Marks”). Developer’s right to use the Marks is derived solely from a franchise agreement entered into between Developer and the Company.

10. Each party to this Agreement is an independent contractor. Any action taken by Developer pursuant to this Agreement, is solely on Developer's own behalf, and under no circumstances shall Developer have any right or authority to bind the Company.

11. Notwithstanding any previous oral or written statements, this Agreement, constitutes the entire agreement between the parties relating to the subject matter hereof. No amendment, change or waiver of any of the terms of this Agreement shall be binding upon either party unless the same is in writing and signed by the Company and by Developer. Notwithstanding the foregoing, nothing in this Development Agreement is intended to disclaim the express representations in Company’s Franchise Disclosure Document.

12. If any portion or provision of this Agreement shall be determined to be invalid, void or unenforceable under state or federal law, such determination shall not affect any other provision of this Agreement, and such other provisions shall remain in full force and effect.

13. No delay or omission by either party to exercise any right or remedy hereunder shall impair such right or remedy or any other right or remedy hereunder, or shall be construed to be a waiver of any default or acquiescence thereto. No waiver of any breach of any provision or default under this Agreement shall constitute a waiver of any subsequent breach of such provision or subsequent default.

14. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute the same instrument.

15. Notices served under this Agreement shall be in writing and shall be deemed served when there is delivery in person or by messenger or by facsimile or overnight delivery, or by certified mail, return receipt requested, to the following.

A. If to the Company: Young Rembrandts Franchise, Inc.

B. If to Developer:

or at such other address as either party may from time to time specify in writing to the other.

16. Governing Law. This Agreement is only effective when executed by the Company following its execution by Developer. It shall be governed by and construed in accordance with the laws of the state in which the Franchisor's principal office is located. Notwithstanding the foregoing, all issues relating to arbitrability or the enforcement of the agreement to arbitrate contained herein shall be governed by the United States Arbitration Act (9 U.S.C. 1 et seq.) and the federal common law of arbitration.

17. Agreement to Arbitrate. (a) All controversies, disputes or claims arising between the Company and the Developer (including any claim against the Affiliate Company's officers, directors, shareholders, agents and employees, in their capacity as such, or against the owners and guarantors of the Developer, if applicable) in connection with, arising from, or with respect to: (A) any provision of this Agreement or any other agreement related to this Agreement between the parties, (B) the relationship of the parties hereto, or (C) the validity of this Agreement or any other agreement between the parties related to this Agreement, or any provision thereof which shall not be resolved within thirty (30) days after either party shall notify the other in writing of such controversy, dispute or claim, shall be submitted for arbitration on demand of either party. Such arbitration proceedings shall be conducted before a single arbitrator at the Company's offices or at another location specified by the Company and, except as otherwise provided in this Agreement, shall be conducted in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association or any successor. The arbitrator shall have the right to award or include in the award any relief which is deemed proper in the circumstances, including without limitation, money damages (with interest on unpaid amounts from the due date), specific performance and injunctive relief. The arbitrator must issue a reasoned award explaining the bases for the decision. The parties agree that there shall be a record of the arbitration proceeding. Except as set forth herein, the award and decision of the arbitrator shall be conclusive, binding and non-appealable upon all parties hereto and judgment upon the award may be entered in any court of competent jurisdiction, subject to the terms of this Agreement relating to jurisdiction. The provisions of this Section 17 shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. The Developer and the Company agree that arbitration shall be conducted on an individual, not a class-wide, basis.

(b) Notwithstanding any language to the contrary in this Agreement, the parties hereby agree that any award issued by the Arbitrator as specified in this Section 17 may be appealed pursuant to the American Arbitration Association's Optional Appellate Arbitration Rules ("Appellate Rules"); that the award rendered by the arbitrator shall, at a minimum, be a reasoned award; and that the award shall not be considered final until after the time for filing the notice of appeal pursuant to the Appellate Rules has expired. Appeals must be initiated within thirty (30) days of receipt of the arbitrator's award pursuant to this Section 17, by filing a Notice of Appeal with any American Arbitration Association office. The appeal shall be heard by a single arbitrator. Following the appeal process the decision rendered by the appeal tribunal may be entered in any court having jurisdiction thereof.

(c) The Company and the Developer (and their respective owners and guarantors, if applicable) hereby waive to the fullest extent permitted by law, their right to or claim for any punitive or exemplary damage against the other and agree that in the event of a dispute between them each

YR TDA 3/25

shall be limited to the recovery of any actual damages sustained.

18. Mediation. Prior to any arbitration proceeding taking place, and except for actions described in Section 19, the Company or the Developer may, at its respective option, elect to (A) have the arbitrator conduct, in a separate proceeding prior to the actual arbitration, a preliminary hearing, at which hearing testimony and other evidence may be presented and briefs may be submitted, including without limitation a brief setting forth the then applicable statutory or common law methods of measuring damages in respect of the controversy or claim being arbitrated, or (B) submit the controversy or claim to non-binding mediation before the arbitrator or other mutually agreeable mediator, in which event both parties shall execute a suitable confidentiality agreement.

19. Exception to Arbitration. Nothing in this Agreement, including in particular the provisions of Section 17, shall be construed as limiting or precluding the Company, the Affiliate or the Developer from bringing any action in any court of competent jurisdiction for injunctive or other extraordinary relief, without the necessity of posting any bond (and if bond shall nevertheless be required by a court of competent jurisdiction, the parties agree that the sum of \$100 shall be sufficient bond), as the Company or the Developer deem necessary or appropriate to (A) protect the Company's Marks or confidential or proprietary information; (B) compel the other to comply with its obligations upon termination or expiration of this Agreement; and (C) prohibit any act or omission by the other, or their respective employees, that constitutes a violation of applicable law, is dishonest or misleading, or constitutes a danger to the public, or may impair the good will associated with the Marks or the Young Rembrandts System. The parties agree to arbitrate any such dispute concurrently with and subsequent to the grant or denial of such injunctive relief.

20. Choice of Forum. The Company and Developer agree that any action brought by one of them against the other (which is not to be arbitrated pursuant hereto or pursuant to law) shall be instituted exclusively in the state or federal court having subject matter jurisdiction over the county within which the principal office of the Company is located. Each party hereby irrevocably waives any objection they may have to the jurisdiction or the venue of such court(s).

21. Attorneys' Fees and Costs. In the event the Company or Developer institutes a suit, action or arbitration proceeding to enforce any provision of this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party reasonable attorneys' fees to be set by the court in addition to reasonable costs or disbursements incurred by the party.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Young Rembrandts Franchise, Inc.
Elgin, Illinois

Opinion

We have audited the accompanying financial statements of Young Rembrandts Franchise, Inc. (an Illinois corporation) (the "Company"), which comprise the balance sheet as of December 31, 2024, and the related statements of operations, changes in retained earnings, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024, and the results of its operations, and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Adjustments to Prior Period Financial Statements

The financial statements of the Company as of December 31, 2023, were audited by other auditors whose report dated March 1, 2024, expressed an unmodified opinion on those financial statements. As more fully described in Note I to the financial statements, the Company has adjusted its 2023 financial statements to retrospectively apply the change in accounting for the recognition of revenue on initial franchise fees. The Company has also adjusted its 2023 financial statements during the current year to recognize national marketing fund revenue in accordance with accounting principles generally accepted in the United States of America. The other auditors reported on the financial statements before the retrospective adjustment and restatement.

As part of our audit of the 2024 financial statements, we also audited the adjustments to the 2023 financial statements to retrospectively apply the change in accounting for initial franchise fees as well as the correction of revenue associated with the national marketing fund revenue as more fully described in Note I. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the Company's 2023 financial statements other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2023 financial statements as a whole.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities and Organization

Young Rembrandts Franchise, Inc., an S-Corporation (the "Company") is a franchisor providing curriculum and teaching systems for children's art education. Franchises are located both domestically and internationally.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, gains and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The carrying value of the Company's cash, accounts receivable, and accounts payable approximate fair value due to the short-term nature or liquidity of these items, the fact that these amounts resulted from recent transactions between willing buyers and willing sellers, and their close proximity to maturity. The amounts shown for the line of credit approximates fair value since the interest rates are at current market rates.

Cash

The Company classifies all bank deposits and petty cash as cash.

Accounts receivable

Accounts receivable consist of accrued royalty income, initial franchise fee receivables and national marketing fund receivables. Accounts receivable are uncollateralized franchisee obligations due under normal trade terms requiring payment within 10 days from the invoice date. Unpaid accounts receivable with invoice dates over 10 days are assessed a 10% interest charge. Accounts receivables are stated at the amount billed to the franchisee plus any accrued and unpaid interest.

Payments of accounts receivable are allocated to the specific invoices identified on the franchisee's remittance advice or, if unspecified, are applied to the most recent unpaid invoices.

The carrying amount of accounts receivable may be reduced by a valuation allowances that reflect management's best estimate of the amounts that will not be collected. Management individually reviews all receivables that exceed 90 days from the invoice date. Based upon the current creditworthiness, management estimates the portion, if any, that will not be collected, which is then charged to the valuation account. Management deemed all accounts receivable were collectible as of December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Property and Equipment

Property and equipment are stated at cost. Depreciation of property and equipment is provided using the straight-line method using estimated useful lives of 3 years to 7 years. Amortization of website development is provided using the straight-line method using estimated useful life of 3 years.

Impairment of Long-Lived Assets

The Company reviews long-lived assets, consisting of property and equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable, but not less frequently than annually. An impairment loss would be recognized when the fair value is less than the carrying amount of that asset. The impairment loss would be measured and recorded by the amount in which the carrying amount exceeds its fair value. There were no impairment losses for the years ended December 31, 2024 and 2023.

Leases

The Company determines if an arrangement is a lease or contains a lease at the inception of the contract. Operating leases are presented under the captions "Operating lease right-of-use assets, net and Operating lease obligations" in the accompanying balance sheets as of December 31, 2024, and 2023. Finance leases are presented under the captions "Finance lease right-of-use assets, net, Finance lease obligation, current maturities and Finance lease obligations, net of current maturities" in the accompanying balance sheets as of December 31, 2024, and 2023.

Both operating lease and finance lease right-of-use ("ROU") assets and lease liabilities are initially measured at the present value of future lease payments over the lease term as determined at each lease's commencement date. ROU assets under operating and finance leases include all fixed contractual lease payments and initial direct costs incurred by the Company, less any lease incentives received from the lessor. As permitted by US GAAP, the Company elected not to apply these new lease accounting policies to leases with a term of less than one year at the lease's commencement date. Operating lease expense is recognized on a straight-line basis over the term of each lease. Finance lease expense is recognized in two separate components, interest expense on the lease liability and amortization of the ROU asset. In the accompanying statement of operations for the year ended December 31, 2024, and 2023, the interest expense on the lease liabilities has been combined with other interest expense and displayed as a single number under the caption, "other expense", and the amortization of the ROU assets has been combined with other depreciation and amortization and displayed as components of operating expenses.

Certain companies' leases grant rights to renew or extend the term of the lease for specified option periods. The decision as to whether the Company will exercise the lease renewal option is generally at the sole discretion of the Company. The Company includes lease extensions in the lease term when it is reasonably certain that the option to extend will be selected.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Revenue Recognition

The Company's revenues consist of fees from initial sales and renewals of franchise rights and royalties based on a percentage of sales in accordance with the provisions of the Franchise Disclosure Document, and vendor rebates.

Beginning January 1, 2019, the Company adopted the guidance under Accounting Standards Codification ("ASC") *"Revenue Recognition – Revenue from Contracts with Customers" (Topic 606)*. The core principle of ASC 606 is that a reporting entity should recognize revenue in a manner that depicts the probability that a reporting entity will collect the consideration into which it will be entitled, in exchange for the goods or services that will be transferred to the customer.

On January 28, 2021, Accounting Standards Update (ASU) 2021-02 - *Franchisors-Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient* was issued which provides a practical expedient that allows a private-company franchisor that enters into a franchise agreement to account for certain preopening services provided to a franchisee as a single performance obligation. ASU 2021-02 is effective for fiscal years beginning after December 15, 2020, including interim periods within those fiscal years, with early adoption permitted. Management elected to adopt the standard. As such, the Company's accounting policy for 2024, 2023 and 2022 is to recognize sales of initial franchise rights in revenue upon the completion of training services provided by the Company (see Note F).

The standard does not change the recognition of royalties from franchisees, which are calculated as a percentage of sales in each calendar year the franchise agreement is in effect. Royalties represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement and are recognized as the underlying franchise sales occur.

The Company administers a national marketing fund (the "NMF"), which is used for the creation and development of advertising and marketing programs to promote franchises. The royalties collected for the NMF from franchisees are accounted for as a liability until they are used for marketing expenses. Upon use for marketing expenses, the Company in-turn recognizes as NMF revenue.

Initial franchise fees are approximately \$39,500. Two and five franchise territories were sold during the years ended December 31, 2024 and 2023.

Advertising

The Company expenses advertising costs as incurred. Advertising expense was \$7,394 and \$6,818 for the years ended December 31, 2024, and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--continued

Income Taxes

Effective October 21, 1997, the Company, with the consent of its shareholders, elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code ("IRC"). Under the provisions, the Company does not pay federal corporate income taxes on its taxable income. Instead, the shareholders are liable for individual income taxes on their respective share of the Company's taxable income. A provision and related liability for other state tax may be included in the accompanying financial statements as the Company is liable for Illinois state replacement taxes and an elective Pass-through Entity income tax. The Company anticipates making distributions to the shareholders for federal income taxes resulting from taxable income, if any, generated by the Company.

If it is probable that an uncertain tax position will result in material liability and the amount of liability can be estimated, then the estimated liability is accrued. If the Company were to incur any income tax liability in the future, interest on any income tax liability would be reported as interest expense, and penalties on any income tax would be reported as income taxes. As of December 31, 2024, management deemed there were no uncertain tax positions.

Management also continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. Generally, the Internal Revenue Service can include returns filed within the last three years in an audit. If a substantial error is identified, the audit could be expanded to include up to six of the preceding years.

Concentration of Credit Risk

The Company maintains cash balances in several bank accounts at one bank. Accounts at an institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The balances in these accounts at times may exceed the FDIC insured limits. The Company believes that it is not exposed to any significant credit risk on its cash accounts. On December 31, 2024, and 2023, the Company did not have accounts in excess of the FDIC insured limits.

Adoption of New Accounting Pronouncements

In June 2016, the FASB issued *ASU 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. FASB issued this ASU to amend the current accounting guidance which requires the measurement of all expected losses to be based on historical experience, current conditions and reasonable and supportable forecasts.

For trade receivables, loans, and other financial instruments, the Company will be required to use a forward-looking expected loss model that reflects probable losses rather than the incurred loss model for recognizing credit losses. The Company adopted the standard for the fiscal year beginning January 1, 2023, and it did not have a material impact on the Company's financial statements and disclosures.

Date of Management's Review

Subsequent events have been evaluated through March 4, 2025, which is the date the financial statements were available to be issued.

Independent Auditor's Report

To the Board of Directors and Shareholders of
Young Rembrandts Franchise, Inc.
Elgin, Illinois 60123

Opinion

We have audited the accompanying financial statements of Young Rembrandts Franchise, Inc. (an Illinois corporation) (the "Company"), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income, retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations, and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

Emphasis-of-Matter Regarding Going Concern

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 11 to the financial statements, the Company's retained earnings has continued to be negative that raise substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note 11. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 – Summary of Significant Accounting Policies

Nature of Activities and Organization: Young Rembrandts Franchise, Inc., an S-Corporation (the “Company”) is a franchisor providing curriculum and teaching systems for children’s art education. Franchises are located both domestically and internationally.

Basis of Accounting: The accompanying financial statements have been prepared using the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition: Revenue is measured based on a consideration specified in a contract with a franchisee. The Company typically awards franchise sales agreements with buyers for ten years. Revenue will be earned throughout the life of the contract. Franchise transfer fees will be recognized over the life of the transfer agreement. Franchise royalties are recognized when earned.

In the following table, revenue is disaggregated by major service lines and timing of revenue recognition:

	2023	Restated 2022
<u>Major service lines</u>		
Franchise fee income	\$ 184,873	\$ 204,616
Royalty income	756,988	698,524
National marketing fund revenue	16,576	8,966
Other program income	41,177	39,746
Employee retention tax credit income	-	13,901
	\$ 999,614	\$ 965,753
<u>Timing of revenue recognition</u>		
Performance obligations satisfied at a point in time	\$ 814,741	\$ 747,236
Performance obligations satisfied over time	184,873	218,517
	\$ 999,614	\$ 965,753

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, gains and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents: The Company considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents.

Advertising: The Company expenses advertising costs as incurred. Advertising expense was \$6,818 and \$7,560 for the years ended December 31, 2023 and 2022, respectively.

Young Rembrandts Franchise, Inc.
Notes to Financial Statements
December 31, 2023 and 2022

Note 1 – Summary of Significant Accounting Policies (continued)

Furniture, Fixtures and Equipment: These assets are recorded in the accounts at cost. Depreciation is computed using straight-line methods based upon estimated useful lives of the assets. Maintenance and repair costs are charged to expense as incurred. Depreciation expense of furniture fixtures and equipment charged to operations was \$3,584 and \$1,041 for the years ended December 31, 2023 and 2022, respectively.

Other Assets: Other assets include software tools and the development cost for the Young Rembrandts enrollment database application. These costs are being amortized over an estimated useful life of 7 years. License fees related to this application are required by the franchise agreement. Amortization expense of software tools and development costs charged to operations was \$179 and \$357 for the years ended December 31, 2023 and 2022, respectively.

Income Taxes: The Company has elected to be an S-corporation whereby the Company's taxable income is included on a pro rata basis in the shareholder's federal income tax returns rather than being taxed at the corporate level. There is no provision therefore, for federal income tax and the income tax provision and related corporate tax due and deferred are based upon a state corporate tax of 1.5%. The deferral of replacement tax is derived from the temporary differences between cash basis for income tax purposes and accrual basis for GAAP purposes net income, as well as accelerated depreciation and elections for income tax purposes. Deferred replacement tax liabilities were \$0 and \$1,718 at December 31, 2023 and 2022, respectively.

Management has analyzed the tax positions taken by the company, and has concluded that as of December 31, 2023, there are no tax positions that would result in a more likely than not (50% chance) of being sustained under a potential audit or examination. Currently, the 2020, 2021, and 2022 tax years are open and subject to examination by the Internal Revenue Service and the Illinois Department of Revenue; however, the Company is not currently under audit nor has the Company been contacted by any of these jurisdictions.

Concentration of Credit Risk: The Company maintains cash balances in several bank accounts at one bank. Accounts at an institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The balances in these accounts at times may exceed the FDIC insured limits. The Company believes that it is not exposed to any significant credit risk on its cash accounts. At December 31, 2023 and 2022, the Company did not have accounts in excess of the FDIC insured limits.

Leases: In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)*. The ASU requires lessees to recognize a right-to-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases are classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of income. The Company adopted this update in the year ending December 31, 2022, using a modified retrospective transition method with January 1, 2022, as the date of initial adoption. The Company elected the package of practical expedients permitted under the transition guidance with the new standard, which, among other things, allowed the Company to carry forward the historical lease classification. The balance of the operating lease right-of-use assets and operating lease liabilities is \$627, for the year ended December 31, 2023.

Note 10 – Going Concern

In evaluating the Company's ability to continue as a going concern, management considered the conditions and events that could raise substantial doubt about the Company's ability to continue as a going concern within 12 months after the Company's financial statements were available to be issued, which is the date of this report. As of December 31, 2023, the Company has suffered continued operating losses with negative cash flows, with an accumulated deficit of \$671,304. Current liabilities exceed current assets by \$110,511. When related party activities and ERC are eliminated from the Statements of Cash Flows, there is a negative cashflow that exceeds \$200,000 resulting from the prior two years. These factors create an uncertainty about the Company's ability to continue as a going concern.

Young Rembrandts Franchise, Inc.
Notes to Financial Statements
December 31, 2023 and 2022

Note 10 – Going Concern (continued)

Management has evaluated the significance of the conditions described above in relation to the Company's ability to meet its obligations. In the years following the Covid-19 pandemic, the Company has focused on expanding its franchise systems through concentrating its efforts on reopening numerous locations and elevating franchisee revenues to pre-pandemic levels. In 2023, the Company made significant investments in technology aimed at enhancing the operational efficiency and market reach of the franchise system. These efforts included upgrades to the Company's website, the integration of advanced registration software, and the bolstering of internal infrastructure to better support franchisees in their local markets. The Company plans on continuing its efforts to expand franchise sales and support current franchisees in the future. Management has a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, but the outcome of these matters cannot be predicted at this time.

Note 11 – Employee Retention Credit

The provisions of the CARES Act provide an employee retention credit (ERC), which is a refundable tax credit against certain employment taxes for eligible employers. Management determined the Company qualified for the ERC and elected to treat the credit in accordance with the conditional government grants model. The Company received the related receivable of \$94,019 in 2022. The Company recognized \$13,901 of related interest as other income for the year ended December 31, 2022.

Note 12 – Restatement

The Company has restated the 2022 financial statements for the ERTC of \$94,019 and for accrued royalty income of \$66,105 from prior year as noted in Note 13. The restatement has no effect on the current year's operations. The effect of the restatement on the 2022 financial statements is as follows:

STATE ADDENDA

Some administrators of franchise registration states may require us to enter into an addendum to the Franchise Disclosure Document and franchise agreement describing certain state laws or regulations which may supersede the Franchise Disclosure Document or franchise agreement. If you are in a registration state which requires an addendum, it will be in this Exhibit K.

**YOUNG REMBRANDTS FRANCHISE, INC.
ADDENDUM TO DISCLOSURE DOCUMENT
FOR THE STATE OF CALIFORNIA**

The Young Rembrandts Franchise, Inc. Franchise Disclosure Document Circular for use in the State of California is modified in accordance with the following:

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT 14 DAYS PRIOR TO EXECUTION OF AGREEMENT.

2. Item 3 of the Disclosure Document on "Litigation" is amended by the addition of the following:

Neither the Company, nor any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

3. Item 17 of the Disclosure Document on "Renewal, Termination, Transfer and Dispute Resolution" is amended by the addition of the following:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or nonrenewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur in the State of Illinois with the costs being borne by the losing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as the Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside of the State of California.

The Franchise Agreement requires application of the laws of the State of Illinois. This provision may not be enforceable under California law.

Section 31125 of the Franchise Investment Law requires us to give to you a disclosure document approved by the Commissioner of the Department of Financial Protection and

Innovation before we ask you to consider a material modification of your Franchise Agreement.

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

4. The Company's website address is www.youngrembrandts.com.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

5. Item 5 of the Franchise Disclosure Document on Initial Fees is amended as follows:

Payment of all initial fees is postponed until after all of franchisor's initial obligations are complete and franchisee is open for business.

6. Each owner of the franchise is required to execute a personal guaranty. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property state such as California.

7. The maximum allowable interest rate in California is 10% per year.

8. #8 of the Franchisee Disclosure Questionnaire is deleted in its entirety.

9. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

ADDENDUM TO THE DISCLOSURE DOCUMENT
FOR THE STATE OF HAWAII**

The Young Rembrandts Franchise, Inc. Disclosure Document for use in the State of Hawaii is modified in accordance with the following:

1. For Hawaii franchisees, the conditions under which the franchise can be terminated and rights upon nonrenewal may be affected by Hawaii Revised Statutes, Section 482E-6.

YOUNG REMBRANDTS FRANCHISE, INC.
ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF ILLINOIS

The Young Rembrandts Franchise Disclosure Document for use in the State of Illinois is modified in accordance with the following:

Illinois law shall apply to and govern the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisee's rights upon Termination and Non-renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Payment of the Initial Franchise/Development Fees will be deferred until Franchisor has met its initial obligations to franchisee, and franchisee has commenced doing business. This financial assurance requirement was imposed by the Office of the Illinois Attorney General due to Franchisor's financial condition.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming any reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

If the Franchisor surveys your customers and finds that they are dissatisfied, the Franchisor may take over your Territory and terminate your Franchise.

Before beginning business operations (within 30 days of signing the Franchise Agreement), you must complete the Franchisor's 5-day Training Program to the Franchisor's satisfaction. Your failure to do so will result in termination of your franchise and loss of a portion of your investment. Because there is no set training schedule - it is up to YOU to schedule and complete it on time.

National Accounts are businesses that operate in multiple locations with ongoing demands that may exceed the capability of any single provider. You may be offered the opportunity to service a National Account. If you decline or are otherwise unable to service the account, the Franchisor, an affiliate or another franchisee may provide the service with no compensation paid to you (even if the service is provided within your **EXCLUSIVE** Territory).

This addendum is entered into between Young Rembrandts Franchise, Inc. ("Company") and _____ (Franchisee); is made a part of; and where relevant, qualifies or supersedes certain provisions of the Franchise Disclosure Document and the Franchise Agreement between the parties, which are amended as follows:

1. Nothing herein may be interpreted or deemed to negate any contrary provision of the Illinois Franchise Disclosure Act of 1987. Illinois law governs the franchise agreement(s).
2. The conditions under which this Franchise can be terminated and the Franchisee's rights upon non-renewal may be affected by Illinois law, 815 ILCS 705/19 and 705/20.

The following is added to the page **Special Risks to Consider About *This* Franchise:**

3. The following is added to the end of Item 4:

Neither the franchisor, its affiliate, its predecessor, officers, or general partner during the 10-year period immediately before the date of the offering circular: (a) filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after that officer of general partner of the franchisor held this position in the company or partnership.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF WASHINGTON

Item 1 of the Franchise Disclosure Document is amended by the addition of the following:

Franchisees who receive financial incentives to refer franchise prospects to the Franchisor may be required to register as franchise brokers under the laws of Washington state.

Item 5 of the Franchise Disclosure Document is amended by the addition of the following:

The collection of the initial franchise fees will be deferred until the franchisor has fulfilled its initial pre-opening obligations and the franchisee is open for business.

Item 17 of the Franchise Disclosure Document is amended by the addition of the following to 17.d. of the Territory Development Agreement table:

Developer may terminate the Territory Development Agreement under any grounds permitted by law.

The Franchise Disclosure Document is amended by the addition of the following:

“In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable

estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable by a franchisor against an employee of the franchisee unless the employee's earnings from the party seeking enforcement, when annualized, exceed one hundred thousand dollars per year (an amount that will be adjusted annually for inflation). Pursuant to RCW 49.62.030, a noncompetition covenant is void and unenforceable by a franchisor against an independent contractor of the franchisee unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed two hundred fifty thousand dollars per year (an amount that will be adjusted annually for inflation). As a result, the franchisor will not require franchisees to have their employees and independent contractors sign any agreement that contains noncompetition covenants or the franchisor will direct franchisees to remove noncompetition covenants from agreements employees are required to sign.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or a franchisee or (ii) soliciting or hiring any employee of the franchisor. As a result, the franchisor will not require franchisees to sign any non-solicitation agreement or the franchisor will remove non-solicitation covenants from agreements franchisees are required to sign.

The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the territory development agreement or elsewhere are void and unenforceable in Washington.

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens under the Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.

#9, #14, and #15 of the Franchisee Disclosure Questionnaire are deleted in their entirety.

The undersigned does hereby acknowledge receipt of this addendum.
