What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of your franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registrations

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in the State of Ohio. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Ohio than in your own state.
2. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR, ITS PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, the words “we,” “our,” “us,” “Company” and “Focus CFO” refer to Focus CFO Group, LLC, the franchisor. “You” and “your” refer to the Franchisee.

The Franchisee

Focus CFO offers qualified entities the opportunity to operate as a Focus CFO Area President. Focus CFO only permits entities to become Franchisees. Unless otherwise agreed by Focus CFO, the entity should be 100% owned by one individual who is the individual serving as an Area President. When “you” and “your” refer to the Franchisee, they are referring to the Franchisee entity AND the individual serving as an Area President.

The Franchisor

The Franchisor or its affiliates have been providing CFO services using the Focus CFO Marks since September 2001 and the Franchisor has been offering franchises since April 2018.

Focus CFO Group, LLC, the Franchisor, is a limited liability company organized in the State of Ohio. Focus CFO Group, LLC is 99% owned by Focus CFO Holdings, LLC and 1% owned by The CFO Company, LLC, a 100% owned subsidiary of Focus CFO Holdings, LLC. Focus CFO Group, LLC was formed on March 13, 2018.

We do business under our entity name and the trade name “Focus CFO”. We do not do business under a name other than Focus CFO.

Our principal business address is 575 Charring Cross Drive, Suite 102, Westerville, Ohio 43081, a suburb of Columbus, Ohio. Our agent for service of process is, Mercury Agent Company, 250 West Street, Suite 700, Columbus, Ohio 43215.

We have no other business activities.

Predecessors and Affiliates

Focus CFO Holdings, LLC owns 99% of Focus CFO Group, LLC. Focus CFO Holdings, LLC was formed in 2002 and is 100% owned by the founder and a group of current and former employees, CFOs and Area Presidents who have elected to invest in the company. Focus CFO Holdings, LLC, and its affiliates, have been providing CFO services since September 2001.

The CFO Company, LLC, a 100% owned subsidiary of Focus CFO Holdings, LLC, owns 1% of Focus CFO Group, LLC. The CFO Company, LLC holds the trademark THE CFO COMPANY®,

which it licenses the use of to Focus CFO Group, LLC. The CFO Company, LLC does not currently have any other business activities.

Business

Franchisees are independent contractors of Focus CFO. As a Franchisee of Focus CFO, you will operate your franchised business as an Area President, working to generate new clients for Focus CFO utilizing our client development system. Area Presidents' franchised businesses will focus on operating as business development leaders and serve as strategic relationship managers, matching Focus CFO clients with licensees of Focus CFO, referred to as CFOs. Note that some of the CFOs who you will work with are operating as franchisees of Focus CFO who signed franchise agreements with Focus CFO prior to 2023. As our system has evolved, we no longer offer franchise opportunities to individuals wishing to operate as a CFO. Rather, those individuals are independent contractors who have a license to use the Focus CFO Marks and other resources provided by Focus CFO.

Products and Services

Franchisees will market and offer CFO Services primarily to small and medium-sized businesses on a fractional or part-time basis. This includes offering businesses onsite or remote financial and operational support in the area of finance and operations, controller-level accounting and support services, business consulting or coaching, business value growth or exit planning services. The CFO Services that Franchisees will offer will be performed by qualified CFOs who have obtained a non-exclusive license (or prior to 2023, purchased a franchise) from Focus CFO to provide such services.

Market and Competition

The target market for your franchised business are small-to-medium-sized businesses who do not employ a full-time CFO. We believe it is a well-developed market as the competition for the franchised services will come from individuals and other businesses performing the same or similar financial consulting services. This may include other fractional CFO firms (which may include other franchise systems) and business consulting firms.

Clients

Franchisees service a group of clients that are developed by the efforts of Focus CFO, the Focus CFO System, Area Presidents, CFOs, and the use of the Focus CFO Marks. While we provide access to training and various other programs to support our Franchisees, the development of an area is contingent on the ability of each Franchisee to successfully implement the Focus CFO System, the needs of the Focus CFO clients in the area, the ability of the Franchisee to develop Focus CFO clients, and the ability of the Franchisee to work with CFOs and clients in their area.

Franchisees are paid as independent contractors based on the fees generated from the CFO Services performed by Franchisees and licensees for the Focus CFO client base. Franchisees are encouraged to use the marketing programs, tools and training they gain from the Focus CFO System to

jumpstart the Franchisee's marketing and development of their franchise and add potential clients to the Focus CFO client base. Focus CFO must approve all clients to ensure that the clients' business practices and reputation are consistent with Focus CFO's quality standards and the reputation of the Focus CFO Marks; however, Focus CFO is not involved in the day-to-day operations of our Franchisees.

Industry

Generally, we are not aware of any industry-specific laws or regulations with which you must comply. However, you should consult with your attorney concerning any federal, state or other local laws and ordinances that may apply.

No Use of CPA License, Designation or Certification

If a Franchisee of Focus CFO is a Certified Public Accountant ("CPA") or has been a licensed CPA in the past, Franchisee agrees not to represent themselves as a CPA in any way in connection with any marketing or offering of CFO Services under the Focus CFO brand. Franchisee also agrees not to use other forms of professional accounting certifications, or certifications common to public accounting firms, including, but not limited to, Chartered Accountant (CA) or similar designations, in conjunction with their association with Focus CFO. This includes no designations of CPA, including inactive status. Specifically, this means agreeing not to use these designations on business cards, resumes, our website, Franchisee's personal LinkedIn page or in any other way.

INITIAL FEES

You will be required to pay us a lump sum initial franchise fee in the amount of Thirty-Five Thousand Dollars (\$35,000) (the “Franchise Fee”). The Franchise Fee consists of (i) a payment of \$17,000 to obtain this Franchise; and (ii) a one-time training fee of \$18,000. This Franchise Fee will not be financed by us. You will not be permitted to engage with Focus CFO, use the Focus CFO Marks or perform services for Focus CFO clients until the full Franchise Fee is received by Focus CFO. There have been limited circumstances in the past in which Focus CFO agreed to decrease the Franchise Fee for new Franchisees who enter the System during a period in which Focus CFO focused on significant expansion of its geographic footprint. Although Focus CFO intends to apply the Franchise Fee uniformly, there may be situations where Focus CFO may offer similar discounts.

We will conduct a background check on you, and if we are not satisfied with the results of the background check, we will terminate the Franchise Agreement. If we terminate the Franchise Agreement as a result of an unsatisfactory background check, we will refund your Franchise Fee in full.

Should you terminate the Franchise Agreement, we will not refund your Franchise Fee.

If we terminate the Franchise Agreement for “cause” as defined in the Franchise Agreement, we will not refund your Franchise Fee.

You are required to both devote sufficient time and effort to the franchised business and maintain certain performance standards as set forth in the Franchise Agreement at Attachment E or as otherwise provided to you in writing by Focus CFO. If you fail to meet these standards or fail to devote sufficient time and energy to your business, you will be in default of your Franchise Agreement and Focus CFO will have the right to terminate the Franchise Agreement if you are unable to cure the default within the specified cure period. Should this occur, we are not required to refund your Franchise Fee.

(1) Focus CFO has the right to change the compensation policy by giving Franchisees at least 30 days' notice. The current base compensation is as follows: For clients in the Franchisee's Book of Business with a signed PSA dated in months one through thirteen after signing the Franchise Agreement, the Franchisee will receive a base rate of thirty percent (30%) of the CFO Services revenue collected on said clients for the life of the accounts. For clients in the Franchisee's Book of Business with a signed PSA dated in months fourteen through twenty-four after signing the Franchise Agreement, the Franchisee will receive a base rate of twenty-five percent (25%) of the CFO Services revenue collected on said clients for the life of the accounts. For clients in the Franchisee's Book of Business with a signed PSA dated after the Franchisee's twenty-fourth month after signing the Franchise Agreement, the Franchisee

will receive a base rate of twenty percent (20%) of the CFO Services revenue collected on said clients. The base rate on these accounts shall increase as the calendar year-to-date collections on their Book of Business on a territory-by-territory basis reaches the following tiers: \$1 - \$550,000 = 20%; \$550,001 - \$1,100,000 = 25%; \$1,100,001 - \$1,650,000 = 30%; revenue over \$1,650,000 = 35%. The compensation policy is found in Attachment B to the Franchise Agreement.

(2) The Sandler Sales Training program is described in Item 11 of this Disclosure Document. Currently, our approved vendor is The Ruby Group. If you continue to participate in the reinforcement training and coaching beyond the required minimum eleven (11) months, you will do so at your own cost. The current cost of this instruction through our approved vendor is \$550 per month.

(3) The IT package is currently provided by our approved vendor, C-Forward, who will provide an Office 365 license, which includes access to Focus CFO e-mail, Microsoft Office software (Excel, Word, Outlook and PowerPoint), Microsoft Teams video conferencing platform and Microsoft OneDrive file hosting and backup service. The IT package also includes a security monitoring service of the Franchisee's business computer and IT support services as described in Attachment G to the Franchise Agreement. Focus CFO will pay the IT Services Fee until the Franchisee begins to earn compensation. The Franchisee will be responsible for the cost once the Franchisee begins to earn compensation. The current cost is approximately \$30 per pay.

(4) You are not authorized to perform any form of direct outreach marketing, solicitation or networking activities for lead generation or building a referral network outside of the geographic territory granted to you under the Franchise Agreement. In order to perform these activities outside of your geographic territory, you will be required to purchase an additional territory. Focus CFO reserves the right to approve or deny your request to purchase an additional territory. If you are approved to purchase an additional territory, you will be required to pay a fee equal to the then-current franchise fee and you may be required to sign the then-current Franchise Agreement.

Notes:

(1) The Franchise Fee consists of: (i) a payment of \$17,000 to obtain a franchise; and (ii) a one-time training fee of \$18,000. We do not finance this fee and it cannot be paid in installments. The entire fee is due upfront. If we terminate the Franchise Agreement as a result of an unsatisfactory background check, we will refund the Franchise Fee in full. Except for this circumstance, the Franchise Fee is nonrefundable.

(2) You will be required to maintain an office, which can be in your home. You may choose to obtain additional office space outside your home. The low end of this estimate assumes you will operate your franchised business out of your home. The high end of this estimate assumes you will lease a single desk office location with approximately 1,300 square feet. This estimate is based on a Focus CFO location near Columbus, Ohio and it includes the first months' rent, security deposit and other expenses that may need to be paid to the landlord prior to operating your franchised business. Depending on the terms of your lease agreement, the security deposit is typically returned at the end of the lease term, but the remaining costs are typically non-refundable.

(3) You must have a business computer, printer, mobile phone, and internet access. Typically these costs are refundable, but you should inquire about the return and refund policy of the supplier at or before the time of purchase. You must pay for meals and entertainment, travel and automobile expenses. Area Presidents will pay for their own mailings and correspondence. Certain airfare and hotel reservations are typically refundable. Meals and entertainment are typically nonrefundable.

(4) This range of estimated investment includes costs involved with additional, third party, recommended training, which is optional. This includes the Certified Exit Planning Training and Certification, the costs of which are outlined in Item 6, above. These costs are typically non-refundable once paid.

(5) This amount includes estimated operating expenses you should expect to incur during the first 3 months of operation of your franchised business, which includes but is not limited to membership and association dues to join industry and professional organizations for networking purposes, mileage, and entertainment costs (such as food and drink) for networking purposes. We have relied on the experiences of other franchisees in the Midwest to compile these estimates.

ITEM 8

Before you commence operating your business, we will:

1. Within two (2) business days of signing the Franchise Agreement and your payment of the Franchise Fee, we will provide you with full access to Focus CFO's Playbook. The Playbook contains mandatory specifications, standards and operating procedures, and rules that we periodically prescribe for Franchisees as well as continually updated best practice and resource centers. (Franchise Agreement, Section 7.1).
2. We will provide you with initial training which consists of completing the required sections of the Playbook. This initial training is to be completed within two (2) weeks of signing the Franchise Agreement. You will not be authorized to participate in group marketing activities or any meetings with current or potential Focus CFO clients until this initial training is completed. The initial training program is mandatory and must be completed to our satisfaction. (Franchise Agreement, Section 7.1.1).
3. We will provide approval to begin participating in marketing and development opportunities and/or provide services to Focus CFO clients within one to four weeks after signing the Franchise Agreement. The factors that may affect this time are: your background check; whether you currently own the office equipment and supplies necessary to conduct business; and how quickly you can develop your client base. Becoming a Franchisee does not guarantee Franchisees will be able to develop a book of business. While we provide access to training and various other programs to support our Franchisees, the development of an area is contingent on the ability of each Franchisee to successfully implement the Focus CFO System, the needs of the Focus CFO clients in the area, the ability of the Franchisee to develop Focus CFO clients, and the ability of the Franchisee to work with CFOs and clients in their area. It is anticipated that you will commence operating your franchised business within four weeks of signing the Franchise Agreement.
4. Grant you a specific geographic region in which to operate your franchised business, which is a seventy-five (75) mile radius from your business address. However, our approval of a

specific site within this territory in which you will operate your business is not required. We do not provide any assistance in selecting an office for your business, obtaining required permits for an office, and constructing, remodeling or decorating the premises. (Franchise Agreement, Section 3).

5. Provide you access to our IT vendor in order for you to purchase the required package of IT services. (Franchise Agreement, Section 9, Attachment G).
6. Provide you with Focus CFO apparel and Focus CFO logo pins which can be attached to clothing. (Franchise Agreement, Section 9.5).

Continuing Assistance

During the operation of the franchised business, we will:

1. Provide access to marketing, literature, brochures, sales tools, business cards, placement on the Focus CFO website, and other marketing initiatives that we deem appropriate for the Focus CFO System to promote ongoing sales, marketing, and client service activities. (Franchise Agreement, Section 14.1).
2. Provide access to standard proposal and contract documents and materials. Focus CFO will enter into the professional service agreements with the clients. (Franchise Agreement, Section 6.8, 7.5, Att. F).
3. Provide access to Focus CFO's Playbook. (Franchise Agreement, Section 6.1, 7.1).
4. Provide opportunity to participate in a coordinated effort in the area of business development regarding strategies for contacting potential clients and networking sources. (Franchise Agreement, Section 6.3).
5. Provide resources and suggestions to assist you with business development activities. (Franchise Agreement, Section 6.4).
6. Provide ongoing training and updates in areas such as business development, client delivery, or other relevant industry topics; this training will be either virtual or at a location within the United States. You will be responsible for any travel and lodging expenses required to attend the training. (Franchise Agreement, Section 6, 7, Att. C).
7. Provide back office administrative support resources including billing and collections. (Franchise Agreement, Section 6.8).
8. Provide optional business insurance coverage, subject to limitations and indemnification provisions. (Franchise Agreement, Section 10).

9. Conduct assessments to ensure the work provided by Focus CFO Franchisees is consistent with the Focus CFO System and Focus CFO Marks. (Franchise Agreement, Section 7.4, Att. D).

All services and materials described above are specifically determined and coordinated by us.

Marketing

We will promote the Focus CFO Marks and Focus CFO System through the use of advertising or by such other means and such times and in such manner and amount as we shall, in our sole discretion, deem appropriate. We will provide you with business cards and placement on the Focus CFO website. We may provide additional marketing, literature, brochures, sales tools, and workshop and presentation materials as we deem appropriate and in our sole discretion.

You may develop advertising materials for your own use, at your own cost. However, we must approve the advertising materials in advance and in writing. You may not use your own advertising materials unless you have received written notice of approval from us.

You must obtain our written authorization if you desire to have any marketing materials, including an internet presence, or any email campaigns utilizing the Focus CFO Marks or promoting the Focus CFO Services.

We have developed a social media policy that all Franchisees are required to follow. You shall remove any online content in violation of such policy as determined by Focus CFO within twenty-four (24) hours of Focus CFO's request. You must obtain our prior written approval to create any social networking account using the Focus CFO Marks or promoting the Focus CFO Services other than your personal accounts, including without limitation, social networking accounts with LinkedIn, Facebook, Twitter and Instagram. You must comply with the written policies of Focus CFO in maintaining such social network accounts and we have the sole discretion to determine any content that needs to be removed.

We do not have an advertising council that advises us on advertising policies. We do not require you to participate in a local or regional advertising cooperative. We do not require you to participate in any advertising fund.

Computer Requirements

Franchisees are required to have a business computer to be used for business purposes. Your business computer must meet the minimum specifications as determined by Focus CFO's IT provider. We do not require a specific laptop, computer, other hardware or internet provider. However, high-speed internet access for your home office is strongly recommended.

We require all Franchisees to purchase a package of IT services selected by Focus CFO from our approved IT vendor. These services are currently provided by C-Forward and will include an Office 365 license, which includes access to Focus CFO e-mail, Microsoft Office software (Excel, Word, Outlook and PowerPoint), Microsoft Teams video conferencing platform and Microsoft

OneDrive file hosting and backup service. The IT package also includes a security monitoring service of your business computer and IT support services as described in Attachment G to the Franchise Agreement.

Focus CFO will pay for the IT Services Fee until you begin to earn compensation. The IT Services Fee is deducted by the Company from each Franchisee's compensation each pay period. The cost of such IT services is currently Thirty Dollars (\$30) per pay. We reserve the right to modify the required IT services and/or approved vendors and/or the amount of such IT Services Fee.

Currently, we estimate the cost to obtain a business computer, any related hardware or software and the required package of IT services to be \$2,500 to \$5,000.

We may modify any hardware and software requirements as well as any required IT services package by providing you 30 days prior notice. If your business computer does meet minimum specifications, we will require you to purchase, lease and/or license new or modified computer hardware and/or software. We estimate the annual costs of maintaining, updating or upgrading support to your required business computer system and software to be \$1,500 to \$3,000.

Our IT vendor will install an agent on your business computer to allow them to monitor your computer for malware and viruses which can impact the Focus CFO email system and the performance of your computer. Our IT vendor has the right to access your business computer and any non-password protected files so that they can provide IT support and these security monitoring services. Their policy is to request permission before accessing your business computer.

Focus CFO does not have any independent access to information generated or stored on your business computer.

Operating Manual

We will provide you with access to our Playbook, which contains confidential and proprietary information, once you sign the Franchise Agreement and pay the Franchise Fee. This Playbook contains mandatory specifications, standards and procedures, and rules that we periodically prescribe for Franchisees as well as continually updated best practice and resource centers that each Franchisee must comply with. We may modify the Playbook from time to time. The table of contents is attached as Exhibit E to this Disclosure Document. The initial training program on Focus CFO's standard business development process and client delivery best practices starts with the required sections of Playbook that typically takes 20-30 hours to review. Prior to signing this Agreement, you may request a temporary password to access the Policies and Procedures Playbook section of the Playbook upon signing a non-disclosure agreement with Focus CFO.

Training

We provide you with a training program to help you develop and operate your business as a Franchisee while protecting Focus CFO's brand and the Focus CFO Marks. The training program will not advise you on how to perform CFO Services or your day-to-day operations. The topics covered are listed in the chart below.

The initial training program starts with you completing the required sections of our confidential and proprietary Playbook which can be accessed and completed online. You will have access to the Playbook within two (2) business days of signing the Franchise Agreement and payment of the Franchise Fee. The program consists of six 90-minute sessions held the second and fourth Monday of each month. Sessions are held virtually.

Franchisees are required to attend one Climb the Mountain® Workshop. This workshop reinforces best practices introduced in the initial training in Playbook. You are expected to begin this program within 120 days of signing the Franchise Agreement. ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other Franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will receive a specific non-exclusive geographic territory to conduct your business. We may allow multiple Franchisees to operate within the same geographic area. You will be expected to work in a collaborative manner with other Franchisees within your geographic area. Your territory will be a seventy-five (75) mile radius of the address of your franchised business, but this territory shall not extend into neighboring states where Focus CFO is not registered to sell franchises as of the effective date of your franchise agreement. You are not authorized to perform any form of direct outreach marketing, solicitation or networking activities for lead generation or building a referral network outside of the geographic territory that we grant to you. In order to perform these activities outside of your geographic territory, you will be required to purchase an additional territory. Focus CFO reserves the right to approve or deny your request to purchase an additional territory. If you are approved to purchase an additional territory, you will be required to pay a fee equal to the then-current franchise fee and you may be required to sign the then-current Franchise Agreement or an Amendment to your current Franchise Agreement.

You may face competition from other Franchisees in your geographic area for Focus CFO clients and potential clients, however, Franchisees and Focus CFO work together to coordinate these efforts in each geographic area to minimize conflicts.

We do not reserve the right to use other channels of distribution (e.g., virtual services) to perform similar services within your geographic territory. Neither Focus CFO nor any affiliate of Focus CFO operates or plans to operate a business (including a franchise business), under different trademarks that will sell the same services as provided by Focus CFO.

We must approve any request to relocate your business. We will not unreasonably withhold our consent. The factors that we consider in approving the request to relocate include the proposed geography in which you desire to relocate and the potential market for clients.

Attachment E to the Franchise Agreement lists certain performance standards that you must meet. If you fail to meet any of the performance standards and such failure continues after receiving 30 days' notice or you accumulate three violations of any individual or combination of standards, Focus CFO will have the right to terminate the Franchise Agreement.

ITEM 13

TRADEMARKS

Focus CFO grants Franchisees the non-exclusive right to provide CFO Services under the name "Focus CFO" and use the following marks:

You may also use any other current or future trade name, trademark, service mark or logo (“Marks”) that we designate for your use, including the logo on the front of this Disclosure Document, to identify yourself as a Franchisee and in connection with providing the Focus CFO services. The Marks are either owned by Focus CFO or The CFO Company, LLC, a subsidiary of Focus CFO Holdings, LLC and licensed to be used by Focus CFO and our Franchisees. The identified trademark was registered on the United States Patent and Trademark Office (“USPTO”) principal register on August 31, 2012 as Number 85/718,505. We have filed the necessary affidavits and renewal applications for the trademarks as required by the USPTO.

We know of no effective material determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator or any state trademark administrator or any court, state or federal, involving or regarding our use of the Marks. We know of no pending infringement opposition or cancellation proceeding. We know of no pending material federal or state court litigation, regarding our use or ownership of the Marks. There are no agreements currently in effect that significantly limit our rights to use or license the use of the Marks in any manner material to the franchise. We know of no infringing or prior superior uses that could materially affect the use of the Marks in any state.

You must follow our rules when you use these Marks. You cannot use a name or mark as part of a corporate name or with modifying words, designs or symbols except for those which Focus CFO licenses to you. You may not use Focus CFO’s registered name in connection with the sale of unauthorized products or services or in a manner not authorized in writing by Focus CFO.

You must notify Focus CFO immediately when you learn about an infringement of or challenge to your use of our trademark. Focus CFO will take the action we think appropriate. Focus CFO will defend any action brought against you to the extent that it is based on a claim that the trademark infringes upon the rights of a third party, valid and enforceable in the jurisdiction where the trademark is used, provided you notify us promptly in writing of any such claim. We have sole control of the defense and all negotiations for the settlement or compromise of such claim, and you shall cooperate with us in the defense or settlement of any claim. Focus CFO shall have no obligation to you for any claim of infringement based on a trademark that has been modified by a party other than Focus CFO, your use of the trademark with non-Focus CFO products or services, or your use of the trademark in a manner otherwise prohibited by the Franchise Agreement.

You must modify or discontinue the use of a trademark if Focus CFO modifies or discontinues it. We will have no liability or obligation, and you will have no right to compensation or otherwise, because of any discontinuation, modification or change. You may, but are not required to, hire employees and/or outside contractors for administrative support without the written consent of Focus CFO, but you are fully responsible for them. You may only hire employees and/or outside contractors that will have a “public facing role” that will utilize the Focus CFO Marks upon prior written approval of Focus CFO. ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representation about a Franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting David Tramontana, President of Focus CFO, 575 Charring Cross Drive, Suite 102, Westerville, Ohio 43081, d.tramontana@focuscfo.com, (614)-944-5760, the Federal Trade Commission, and the appropriate state regulatory agencies.

FOCUS CFO GROUP, LLC

FRANCHISE AGREEMENT

FOCUS CFO GROUP, LLC **FRANCHISE AGREEMENT**

This Franchise Agreement (“Agreement”) made this _____ day of _____, 20____ (“Effective Date”), is by and between Focus CFO Group, LLC (“Focus CFO”, “us” or “our”) and _____ (“Franchisee,” “you” or “your”), and _____ an individual (the “Equity Owner”). Focus CFO, Franchisee and Equity Owner are all bound to the terms of this Agreement. Franchisee and Equity Owner may be referred to collectively below as “Franchisee” or “Area President.” This Agreement will not be effective until it has been countersigned by Focus CFO and delivered to Franchisee and Franchisee has paid the Franchise Fee as described below.

PREAMBLES

WHEREAS, Focus CFO provides Chief Financial Officer services on a fractional basis (“CFO Services”) primarily to small and medium size businesses using Focus CFO Licensees (referred to herein as “CFO” or “Licensee”) to perform the CFO Services. As a result of considerable expenditure of time, effort and money, Focus CFO has developed and owns a unique system of providing fractional CFO Services (the “Focus CFO System” or “System”) which is operated under certain unique and publicly recognized trademarks, service marks, logos and other commercial symbols including without limitation, the mark “Focus CFO®” (“Focus CFO Marks” or “Marks”). The Focus CFO System includes a variety of proprietary and confidential business methods, techniques, formats, designs, specifications, standards and procedures prescribed by or approved by Focus CFO, all of which may be improved further, developed or otherwise modified from time to time by Focus CFO; and

WHEREAS, Focus CFO grants to qualified business entities a right to own a Focus CFO Franchise and to market and offer CFO Services using the Focus CFO Marks as a Focus CFO Area President;

WHEREAS, Franchisee desires to acquire a Focus CFO Franchise and represents that Franchisee’s Equity Owner has the skills to perform as an Area President;

WHEREAS, Franchisee understands and acknowledges the importance of Focus CFO’s high and uniform standards of quality, operations and service and the necessity of operating its services in strict conformity with the Focus CFO System; and

WHEREAS, the defined terms herein have the definitions set forth in Attachment A.

NOW, THEREFORE, Focus CFO and Franchisee, intending to be legally bound, agree as follows:

1. GRANT OF FOCUS CFO FRANCHISE

- 1.1. Subject to the provisions of this Agreement, Focus CFO grants to Franchisee the non-exclusive right to join Focus CFO as an independently operated business using the Focus CFO System and Focus CFO Marks (the “Franchise”).

- 1.2. Focus CFO requires that Franchisee enter this Agreement as a business entity such as a limited liability company or similar entity (collectively, the “Entity”) and such entity shall have one equity owner who shall serve as an Area President. Franchisee shall obtain legal and tax advice with respect to this issue.
- 1.3. Franchisee’s Equity Owner shall operate the Franchise as an Area President, working to generate new clients using Focus CFO’s client development system and processes. Except as set forth in Section 1.4, the Area President does not perform the CFO Services for clients of Focus CFO. Rather, CFO Services will be performed by CFOs who have a non-exclusive license with Focus CFO to perform authorized CFO Services using the Focus CFO Marks to clients who have signed a Professional Services Agreement with Focus CFO.
- 1.4. If Franchisee expresses an intent to provide CFO Services, Franchisee may either: (i) perform CFO Services on a limited basis as a CFO, as set forth in Attachment B Section 1.E.i., under a separate CFO Licensing Agreement with Focus CFO while maintaining its status as an Area President under this Agreement; or (ii) terminate this Agreement and its right to operate as an Area President and apply with Focus CFO to acquire a non-exclusive license to operate as a CFO under a Focus CFO Licensing Agreement. Under this Section 1.4(ii), Focus CFO will not refund any difference, if applicable, between the Franchise Fee paid by Franchisee under this Agreement and any payment required to obtain a non-exclusive license.
- 1.5. Franchisee may, but is not required to, hire employees and/or outside contractors (“Support Resources”) for administrative support without the written consent of Focus CFO. Franchisee shall obtain Focus CFO’s prior written approval for the hiring of any Support Resource who is designated by Franchisee as having a “public facing role” that utilizes the Focus CFO Marks. Such approval by Focus CFO is necessary in order to protect the Focus CFO brand. Franchisee shall take full responsibility for all Support Resources Franchisee hires and shall comply with all federal, state and local employment laws and regulations. Franchisee shall require each Support Resource to execute a confidentiality, non-solicitation and non-competition agreement whereby the Support Resource acknowledges being bound to the same covenants as the Equity Owner of the Franchise under the terms of this Agreement. The Franchisee will provide a copy of this executed agreement to Focus CFO within ten (10) business days of Franchisee hiring the Support Resource. Franchisee agrees that Focus CFO is not the employer for any Support Resource Franchisee hires. Franchisee shall ensure that all Support Resources understand that they are employees of Franchisee and have no relationship, employment or otherwise, with Franchisor. All management, personnel and training requirements are at Franchisee’s discretion and are Franchisee’s sole responsibility. As set forth in Section 10 below, Franchisee shall be responsible for ensuring it has all appropriate insurance in place to cover the services performed by all Support Resources of Franchisee. Focus CFO shall have the right to hold Franchisee solely liable and responsible for any breach of this Agreement caused by the failure by any Support Resource of Franchisee to follow the Focus CFO System.

- 1.6. If Franchisee is a Certified Public Accountant (“CPA”) or has been a licensed CPA in the past, Franchisee agrees not to represent itself as a CPA in any way in connection with the marketing or offering of CFO Services under the Focus CFO Marks. Franchisee also agrees not to use other forms of professional accounting certifications, or certifications common to public accounting firms, including but not limited to, Chartered Accountant (“CA”) or similar designations in conjunction with marketing and offering CFO Services under the Focus CFO Marks. Specifically, Franchisee agrees not to use these designations on business cards, resumes, Focus CFO website, their personal LinkedIn page, or in any other way. Franchisee understands and agrees that Focus CFO’s restriction on the use of these designations is necessary to protect the Focus CFO System and Focus CFO Marks in order to prevent confusion in the market between CFO Services and other regulated accounting services and does not provide Focus CFO with any control over the Franchisee’s day-to-day operations. This section applies to Franchisee and any Support Resource(s) of Franchisee.
- 1.7. As a condition to executing this Agreement, Focus CFO will conduct a background check on Franchisee and its Equity Owner. The background check generally takes seven (7) days to process, but it may take longer. Focus CFO will initiate the background check concurrent with providing Franchisee with a copy of the Franchise Disclosure Document. If Focus CFO receives an unsatisfactory background check prior to Franchisee executing this Agreement, Focus CFO’s offer for Franchisee to execute this Agreement will be null and void. If Focus CFO receives an unsatisfactory background check after Franchisee executes this Agreement, the Agreement shall terminate immediately, and Franchisee’s Franchise Fee will be fully refunded.
- 1.8. Termination of this Agreement shall constitute a termination of the Franchise.

2. TERM AND RIGHT TO RENEW

- 2.1. This Agreement and the Franchise will have an initial term of ten (10) years from the Effective Date (the “Initial Term”), unless earlier terminated pursuant to Section 11.
- 2.2. Subject to the provisions of Section 2.3, Franchisee shall have the right to renew the Franchise, on the terms and conditions contained in Focus CFO’s then-current Franchise Agreement.
- 2.3. Franchisee’s right to renew the Franchise is conditioned on the following:
 - 2.3.1. Prior to the commencement of the renewal term, Franchisee executes general releases (to the extent permitted by applicable law), of any and all claims arising during or out of the Initial Term of this Agreement against Focus CFO and its officers, directors, employees, agents, parent corporations and affiliates;
 - 2.3.2. Franchisee has satisfied all Performance Standards as specified in Attachment E to the Franchise Agreement;

2.3.3. Franchisee is not in default of any provision of this Agreement or any other agreement with Focus CFO;

2.3.4. Franchisee shall execute Focus CFO's then-current Franchise Agreement (with modifications to reflect the fact that the agreement relates to the renewal of the Franchise) which may contain terms that are materially different than the terms of this Agreement. Failure to sign such agreement prior to the termination of the current Agreement shall be deemed an election by Franchisee not to renew the Franchise. Subject to the provisions of Section 12, below, Franchisee has the option to Transfer its Book of Business (as defined in Attachment A) to another franchisee at the end of the Initial Term. At its option, Focus CFO may elect to extend the term of this Agreement rather than entering into a new franchise agreement;

2.3.5. Franchisee pays a renewal fee in the amount of Two Thousand Five Hundred Dollars (\$2,500). Such renewal fee shall be paid by Franchisee at the time of executing the then-current Franchise Agreement as set forth in Section 2.3.4; and

2.3.6. Franchisee satisfies any additional training and certification requirements required by Focus CFO.

3. **TERRITORY AND OFFICE**

3.1. Territory. Franchisee will receive a non-exclusive geographic territory for the operation of its Franchise (the "Home Territory"). The Home Territory will be defined as a seventy-five (75) mile radius surrounding the business address of the Franchisee as provided by Franchisee in Section 16.3. This Home Territory, however, shall not extend into neighboring states where Focus CFO is not registered to sell franchises as of the effective date of this Agreement. Other franchisees will likely be operating within the geographic area included in the Home Territory, or a portion of the Home Territory. Thus, Franchisee will likely face competition from other franchisees for Focus CFO clients and potential clients. However, Franchisees are required to work together within each geographic area in a collaborative and supportive manner and coordinate efforts within the geographic area to minimize conflicts.

3.1.1. Franchisee shall not perform any form of direct outreach marketing, solicitation or networking activities for lead generation or building a referral network ("Direct Outreach Marketing") outside of its Home Territory without the prior written approval of Focus CFO. In order to perform Direct Outreach Marketing outside the Home Territory, Franchisee will be required to purchase an additional territory ("Secondary Territory"). However, Franchisee is permitted to contact and follow leads for client opportunities referred to it by referral partners within its Home Territory, even if those client opportunities fall outside of the Franchisee's Home Territory, except if the client opportunity is located in a state listed as restricted in the Focus CFO Policies and Procedures Playbook.

3.1.2. To purchase a Second Territory, Franchisee shall request approval in writing by contacting Focus CFO's President. Focus CFO reserves the right to

approve or deny Franchisee's request to purchase a Secondary Territory. Upon approval to purchase a Secondary Territory, Franchisee may be required to sign the then-current Franchise Agreement or an amendment to this Agreement to memorialize the purchase of the Secondary Territory. Franchisee shall also be required to pay the then-current Franchise Fee.

3.1.3. Franchisee may collaborate with other franchisees and Focus CFO licensees in other territories on client opportunities as such opportunities arise.

- 3.2. Office. Franchisee will operate out of a home office or an office that Franchisee provides at its own expense. Office supplies and equipment necessary to operate the Franchise is discussed in Section 9 of this Agreement.

4. **FRANCHISE FEE AND ONGOING FEES**

- 4.1. Upon execution of this Agreement, Franchisee shall pay Focus CFO a lump sum initial franchise fee (the "Franchise Fee"). The Franchise Fee consists of (i) a payment of Seventeen Thousand Dollars (\$17,000) to obtain this Franchise; and (ii) a one-time initial training fee of Eighteen Thousand Dollars (\$18,000). The current Compensation Policy is attached as Attachment B. Focus CFO has the right to modify the Compensation Policy by providing Franchisee with at least thirty (30) days' prior notice. However, Focus CFO cannot adjust each individual percentage rate set forth in the then-current Compensation Policy by more than one individual percentage point per year without Franchisee's prior written consent. See Attachment B for examples.
- 8.2. Franchisee is responsible for all Federal, state and local/city estimated tax payments and self-employment taxes on payments from Focus CFO. Focus CFO will remit to Franchisee compensation at a gross amount with no deduction for taxes. At the end of each year, Franchisee will receive a Form 1099 from Focus CFO.
- 8.3. This Agreement does not create a fiduciary relationship between the parties and nothing in this Agreement is intended to make either party a general or special agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose.
- 8.4. Franchisee acknowledges and agrees that, under this Agreement, Franchisee is and will be an independent contractor. Franchisee is not an employee of Focus CFO for any purpose, most particularly with respect to any mandated or other employee benefits or insurance coverage, tax, or contributions, or requirements pertaining to withholdings, levied or fixed, by any city, state, or federal governmental agency.

10. **LIABILITY INSURANCE; INDEMNIFICATION**

- 10.1. **Business Insurance Coverage.** Focus CFO will provide Franchisee with reasonable business insurance coverage (general liability, crime, and employment practices), subject to standard limitations and indemnification provisions for a professional service business and Franchisee's ongoing compliance with Focus CFO's policies and standard operating procedures. Franchisee acknowledges and agrees that Focus CFO does not represent or warrant that such insurance coverage is adequate to protect Franchisee and nothing in this Agreement restricts Franchisee from obtaining its own insurance. This business insurance coverage extends only to the Area President of the Franchisee's business entity. It does not extend to other Support Resources of the Franchisee's business entity. Franchisee shall be responsible for ensuring it has all appropriate insurance in place to cover the services performed by all Support Resources of Franchisee. Focus CFO may provide Franchisee with, in writing, minimum insurance requirements for Support Resources of Franchisee that Franchisee must follow. Focus CFO shall be named as an additional insured on the Franchisee's insurance policy.
- 10.2. **Business Insurance Renewal.** As part the annual renewal process of the Business Insurance Coverage set forth in Section 10.1, Franchisee is required to sign an annual statement prior to the annual renewal each year certifying that Franchisee is in compliance with Focus CFO's policies and procedures and disclosing any known circumstances that could result in a legal claim against Focus CFO, which could then lead to a potential insurance claim. Franchisee will comply with this requirement within thirty (30) days of Focus CFO's request each year.
- 10.3. **Indemnification.** Focus CFO will indemnify Franchisee for judgments, settlements, penalties, fines or expenses incurred in a proceeding to which Franchisee is a party because Franchisee is or was serving as an Area President of Focus CFO, unless the underlying claim is a result or related to an Adverse Event as defined below. Any indemnification required or authorized under this Section will be recoverable only out of the assets of Focus CFO. No Focus CFO affiliate will have any liability with respect thereto. No member, director, manager, officer, franchisee or licensee of Focus CFO or any Focus CFO affiliate will have any personal liability with respect thereto.
- 10.4. **Adverse Event Defined.** For purposes of this Agreement, an Adverse Event is deemed to have occurred if Focus CFO determines, in its sole discretion after its review of the surrounding facts and circumstances, that one or more of the following circumstances or events applies or has occurred with respect to Franchisee: (i) Franchisee committed an act or omission constituting a felony or involving fraud, embezzlement or other

criminal conduct;(ii) Franchisee failed to perform or observe any obligation or condition to be performed or observed by Franchisee under this Agreement or any other agreement with Focus CFO or a Focus CFO affiliate or the Professional Services Agreement with a Focus CFO client; (iii) Franchisee engaged in any act of dishonesty, misrepresentation, material neglect of duty, or any other act that is materially harmful to Focus CFO; (iv) Franchisee failed to perform, or was negligent in the performance of, the duties imposed on Franchisee by Focus CFO; (v) Franchisee failed to follow the policies or directives of Focus CFO or a Focus CFO client, as such policies or directives are established from time to time; or (vi) Franchisee engaged in any behavior that caused physical harm to an individual or property or behavior which is coercive, threatening, abusive, exploitive, harassing (including sexual, verbal or physical harassment) or which is otherwise inappropriate in a workplace or professional environment.

- 10.5. Franchisee Indemnification. Franchisee and Equity Owner shall hold harmless, defend and indemnify Focus CFO, any affiliate of Focus CFO, all employees, officers, directors, managers, members, franchisees, licensees, successors and assigns of Focus CFO and Focus CFO affiliates (collectively “Focus CFO Indemnitees”) from and against all losses, damages, fines, costs, expenses or liabilities (including reasonable attorneys’ fees, costs of investigation, expert fees and disbursements and all other costs of investigation, arbitration and/or litigation, court costs, settlement amounts, judgments, and compensation for damages to Focus CFO’s reputation and goodwill) incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, which arises from or is based upon Franchisee’s: (i) violation, breach or asserted violation of any federal, state or local law, regulation or rule; (ii) the commission of an act or omission involving a felony or involving fraud, embezzlement or other criminal conduct; (iii) material breach of any representation, warranty, covenant or provision of this Agreement or any other agreement between Franchisee and Focus CFO; (iv) gross negligence or intentional acts, especially related to work performed for a Focus CFO client, (v) infringement or alleged infringement, of a third party’s patent, copyright, trademark, tradename, trade secrets or other intellectual property or the misuse or disclosure of third party confidential information or (vi) any behavior causing physical harm to an individual or property or behavior which is coercive, threatening, abusive, exploitive, harassing (including sexual, verbal or physical harassment) or which is otherwise inappropriate in a workplace or professional environment. The obligations of Franchisee and Equity Owner in this Section shall expressly survive the expiration or early termination of this Agreement. Furthermore, Franchisee and Equity Owner agree that their obligations and liabilities under this Section are joint and several.
- 10.6. Notice. Franchisee shall give Focus CFO immediate notice (within 24 hours) of any such action, suit, demand, claim, investigation or proceeding that may give rise to a claim for indemnification. Focus CFO has the right to retain counsel of its own choosing in connection with any such action, suit, demand, claim, investigation or proceeding. Focus CFO has the right, at any time without notice, to take such remedial or corrective actions as it deems expedient with respect to any action, suit, demand, claim, investigation or proceeding if, in Focus CFO’s sole judgment, there are grounds

to believe any of the acts or circumstances listed in Section 11.2 or 11.3 have occurred. Focus CFO has the right, at any time it considers appropriate, to offer, order, consent or agree to settlements or take any other remedial or corrective actions Focus CFO considers expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation if, in Focus CFO's sole judgment, there are reasonable grounds to do so. Under no circumstances shall Focus CFO be required or obligated to seek coverage from third parties or otherwise mitigate losses in order to maintain a claim against Franchisee. The failure to pursue such remedy or mitigate such loss shall in no way reduce the amounts recoverable by Focus CFO from Franchisee.

11. DEFAULT AND TERMINATION

- 11.1. Termination by Franchisee. Franchisee may terminate this Agreement at any time with or without cause on at least sixty (60) days' written notice to Focus CFO. Notwithstanding this requirement, should Franchisee know in advance that it intends to terminate this Agreement, Focus CFO requests that Franchisee provide it with additional notice of such termination so that Focus CFO has additional time to work with Franchisee and transition Focus CFO clients to other franchisees or licensees.
- 11.2. Termination by Franchisor for Cause. Focus CFO has the right to terminate this Agreement effective immediately for cause upon written notice to Franchisee specifying the particulars of the circumstances forming the basis for cause. For purposes of this Agreement, "Cause" is defined as: (i) Franchisee becomes insolvent; (ii) Franchisee files a petition in bankruptcy; (iii) Franchisee makes an assignment for the benefit of its creditors; (iv) Franchisee takes action or inaction that defames or disparages Focus CFO; (v) Franchisee engages in any act of dishonesty, misrepresentation, material neglect of duty, or willful misconduct in connection with the performance of Franchisee's duties or responsibilities required pursuant to this Agreement; (vi) Franchisee engages in any behavior that caused physical, mental or emotional harm to an individual or property or behavior which is coercive, threatening, abusive, exploitive, harassing (including sexual, verbal or physical harassment) or which is otherwise inappropriate in a workplace or professional environment; (vii) Franchisee makes any unauthorized use of the Focus CFO Marks or unauthorized use or disclosure of any confidential information of Focus CFO; (viii) Franchisee engages in or is accused of the commission of an act or omission constituting or involving fraud, embezzlement or other crime which could affect the reputation of Focus CFO, the Focus CFO System or the Focus CFO Marks or Franchisee is charged with or indicted for a felony, or convicted of a misdemeanor offense involving moral turpitude; or (ix) Franchisee fails to comply with any applicable federal, state or local regulations or laws relating to the Franchise, the CFO Services or Focus CFO's business.

11.3.1. Except as provided in Section 11.2, Franchisee will have thirty (30) days from receipt of notice of default from Focus CFO to cure any breach of this Agreement or any other agreement with Focus CFO or any Focus CFO affiliate. If Franchisee fails to cure the breach within the thirty (30) day period, Focus CFO will have the right to terminate this Agreement by written notice to Franchisee without any further opportunity to cure.

11.3.2. Franchisee is expected to meet certain Performance Standards as outlined in Attachment E. Focus CFO will provide written notice to Franchisee of any failure to meet these Performance Standards. If Franchisee fails to cure the default of the Performance Standards within thirty (30) days and such failure continues beyond the cure period, or Franchisee accumulates three (3) violations of any individual or combination of Performance Standards outlined in Attachment E, Focus CFO will have the right to terminate this Agreement by written notice to Franchisee without any further opportunity to cure.

11.4. Permanent Disability or Death. Should the Equity Owner become physically or mentally disabled or unable to perform the services required by this Agreement for a period of ninety (90) consecutive days, or for an aggregate period of one hundred twenty (120) days in any one hundred eighty (180) day period, Focus CFO has a right to terminate this Agreement by written notice to Franchisee. This Agreement shall terminate immediately upon the death of the Equity Owner.

Payment for work credited to Franchisee's Book of Business subsequent to the date of the termination of this Agreement will, by default, be paid fifty (50) percent to Franchisee or an estate and fifty (50) percent to the new Area President(s) assigned to the clients in Franchisee's Book of Business for a period of up to five (5) years from the date of permanent disability or death, that is unless an agreement as previously approved by Focus CFO exists otherwise.

11.5.3. Area Presidents performing billable services to Focus CFO clients, payments for services performed directly by Franchisee prior to the date of termination of this Agreement and collected by Focus CFO within 90 days of the

termination of this Agreement, will be paid to Franchisee within 120 days of termination of this Agreement.

11.5.4. Except as set forth in this Section 11.5, no other payment shall be made to Franchisee following termination of this Agreement.

11.6.4. Comply with all other applicable provisions in this Agreement.

11.7. To the extent permitted by applicable law, Focus CFO has the right to require Franchisee to sign a release in connection with any refund of the Franchisee Fee.

12. TRANSFER

12.1. Franchisee may sell, convey, or otherwise transfer its Franchise ("Transferring Area President") to another individual ("Recipient Area President") so long as the following conditions are satisfied:

Conditions to Transfer by Franchisee:

12.1.1. All transfers are required to be approved by Focus CFO in writing prior to the transfer occurring.

12.1.2. The Transferring Area President must have been a Franchisee for at least (2) years and developed a Book of Business, as defined in Attachment A of this Agreement, with at least Five Hundred Thousand Dollars (\$500,000) of collected (cash basis) revenue during the twelve (12) months preceding the desired Transfer;

12.1.3. The Recipient Area President (i) must be an existing Focus CFO franchisee prior to the Transfer and not be in breach of his or her Franchise Agreement or (ii) an

12.1.5. The Transferring Area President and the Recipient Area President shall provide Focus CFO a summary of all material terms and conditions upon which the Transfer is to be made, including but not limited to the purchase price to be paid by the Recipient Area President to the Transferring Area President, if any, and any agreement to split the revenue from the Book of Business among the Transferring Area President and Recipient Area President, including the percentage split and for how long; and

12.1.6. The Transferring Area President's Franchise Agreement automatically terminates twelve (12) months from the date of transfer, if not terminated by the Transferring Area President at the date of transfer. To the extent permitted by applicable law, the Transferring Area President shall execute a general release on the date of termination.

12.2. Post-Transfer Payment. Following the Transfer, Focus CFO shall be responsible for making any payments owed by Focus CFO to the Recipient Area President under the terms of the then-current Franchise Agreement. Either Focus CFO or the Recipient Area President can be responsible for making ongoing payments, if any, to the Transferring Area President, based on the written agreement of the Transferring Area President, the Recipient Area President and Focus CFO.

12.3. Consent by Focus CFO Required. The Transferring Area President shall not Transfer all or any of their interest in the Franchise or in any Book of Business, without obtaining the prior written consent of Focus CFO. Focus CFO will not unreasonably withhold its consent to the Transfer provided the above criteria has been met.

12.4. Focus CFO's right to Transfer. Focus CFO has the right to Transfer and/or assign this Agreement to any successor business entity without prior notice to, or consent of the Franchisee. Franchisee agrees and acknowledges that in the event Focus CFO is acquired (whether through acquisition of assets, ownership interests or otherwise regardless of the form of the transaction), this Agreement may be assigned to any successor business entity. If the successor business entity decides to stop offering franchises, the successor entity has the right to terminate this Agreement.

13. **NON-COMPETE AND NON-SOLICITATION**

13.1. Non-Compete During Term. During the Term of this Agreement and any successor terms, unless authorized in writing by Focus CFO, Franchisee shall not advertise, promote, offer to provide or provide services which are competitive with Focus CFO's business to a third party. Franchisee is, however, free to be involved in other business

activities, provided Franchisee is able to fully satisfy the Performance Standards required by this Agreement and is in compliance with Attachment E to the Franchise Agreement.

13.2. Post-Termination Non-Compete. For a period of two (2) years after expiration or early termination of this Agreement or any successor Franchise Agreement, unless authorized in writing by Focus CFO, Franchisee shall not (i) advertise, promote, offer to provide or provide services which are competitive with Focus CFO's business to a third party within the Home Territory or any Secondary Territory, or (ii) advertise, promote, offer to provide or provide services to any Focus CFO client that Franchisee has previously serviced regardless of location.

13.3. Non-Solicitation. Franchisee acknowledges that all clients and prospective clients of Focus CFO (the "Customers") and all CFOs and Area Presidents, whether or not such Customers or CFOs and Area Presidents are obtained or retained through Franchisee's efforts, shall be the Customers, Franchisees, Licensees and independent contractors of Focus CFO. Franchisee agrees that during the entire term of this Agreement and any successor franchise terms, and continuing for a period of two years (2) following the expiration or early termination of this Agreement, for any reason, unless authorized in writing by Focus CFO, Franchisee shall not, either directly or indirectly, on Franchisee's own behalf or on behalf of or in conjunction with any person, firm, corporation, or other business or legal entity:

13.3.1. employ or engage as an employee, independent contractor, or otherwise, any member, employee, independent contractor, franchisee, licensee, officer, director or agent of Focus CFO, or any affiliate of Focus CFO (Focus CFO and its affiliates are collectively referred to herein as the "Focus CFO Consolidated Group");

13.3.2. solicit, approach, endeavor to entice away or have discussions or other communications (regardless of who initiates such discussions or communications) with any member, employee, independent contractor, franchisee, licensee, officer, director, or agent of the Focus CFO Consolidated Group, for the purpose of causing that individual or company to terminate its relationship with the Focus CFO Consolidated Group to become employed or associated with any person, business or organization that offers services that are the same as or substantially similar to the services or products offered by Focus CFO or any of its affiliates;

13.3.3. offer to provide or provide services to any Customer Franchisee has contacted or had contact with on behalf of Focus CFO or attempt to cause any such Customer not to do business or to decrease the amount of business done with Focus CFO. The restrictions contained in this subsection shall not apply to services which are not, directly or indirectly, in competition with the business then being conducted by Focus CFO; or

13.3.4. encourage, solicit, recommend or otherwise attempt to induce or influence any Customer of Focus CFO, to engage any person or entity other than Focus CFO,

or any of its respective affiliates, to perform the types of services provided by Focus CFO.

- 13.4. Employment with any Focus CFO Client. Focus CFO clients agree not to discuss any potential arrangements or to make offers of employment to any Focus CFO franchisee with whom they have met or worked with as part of their Focus CFO arrangement without first discussing the matter with Focus CFO. Franchisee agrees to notify Focus CFO, should any client that Franchisee has personally met for the first time since joining Focus CFO, makes an offer, either verbal or written to Franchisee. Further, Franchisee agrees that if Franchisee accepts such an offer with any Focus CFO client, Franchisee is not authorized to begin working directly for the client until either Franchisee or the Focus CFO client, pay directly to Focus CFO the termination fee which is set forth in the professional service agreement with the Focus CFO client. Franchisee acknowledges and agrees Focus CFO's damages and lost opportunities upon termination of the Agreement will be difficult to ascertain and that the fee which has been agreed to between the Focus CFO client and Focus CFO is a reasonable estimate thereof and does not constitute a penalty or forfeiture. Franchisee also acknowledges that the minimum termination fee outlined in these agreements with Focus CFO clients is Eighty Thousand Dollars (\$80,000) and is subject to future increases. Focus CFO's right to these damages is cumulative with all other available remedies under this Agreement.
- 13.5. Non-Disparagement. Franchisee hereby agrees that he or she will not, either during the term of this Agreement or at any time following the termination hereof for any reason, disparage Focus CFO, the System or any officer, employee, licensee or franchisee of Focus CFO, or any business practice employed by Focus CFO or any officer, employee, licensee or franchisee thereof through any means of communication, including but not limited to the Internet, blog posts, reviews or social media platforms.
- 13.6. If any provision of this Section 13, as applied to any party or to any circumstances, is adjudged by a court to be invalid or unenforceable, the same will in no way affect any other provision of this Section 13 or any other part of this Agreement, the application of such provision in any other circumstances, or the validity or enforceability of this Agreement.
- 13.7. Franchisee acknowledges that the restrictive covenants contained in this Section 13 are essential elements of this Agreement and that without their inclusion Focus CFO would not have entered into this Agreement. Franchisee acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Focus CFO, the Focus CFO System and the Focus CFO Marks and Franchisee waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If any such provision, or any part thereof, is held to be unenforceable because of the duration of such provision or the area covered thereby, the parties agree that the court making such determination will have the power to reduce the duration and/or area of such

provision, and/or to delete specific words or phrases, and in its reduced form such provision will then be enforceable and will be enforced.

14. **ADVERTISING**

14.1. Focus CFO agrees to promote the Focus CFO Marks and Focus CFO System through the use of advertising or by such other means and such times and in such manner and amount as we shall, in Focus CFO's sole discretion, deems appropriate. Focus CFO has sole control of the defense and all negotiations for the settlement or compromise of such claim, and Franchisee shall cooperate with Focus CFO in the defense or settlement of any claim. Focus CFO shall have no obligation to Franchisee for any claim of infringement based on Marks that have been modified by a party other than Focus CFO, Franchisee's use of the Marks with non-Focus CFO products or services, or Franchisee's use of the Marks in a manner otherwise prohibited by this Agreement. Franchisee must modify or discontinue the use of a Mark if Focus CFO modifies or discontinues it. - 15.7. Focus CFO agrees and understands that Franchisee is in the business of marketing and offering CFO Services and in connection therewith, Franchisee owns various pre-existing materials, tools, methodologies and know-how used to market and offer CFO Services and may develop after the Effective Date additional materials, tools, methodologies and know-how used to market and offer Chief Financial Officer services unrelated to the Focus CFO System or Confidential Information (the "Franchisee IP"), which shall remain the sole and exclusive property of Franchisee. With the exception of the Franchisee IP, Focus CFO is and will be the exclusive owner and deemed author of all information or materials developed, created or required to be delivered to Focus CFO or a Focus CFO client by Franchisee in marketing or offering the CFO Services, including but not limited to reports, data, insights, materials, physical media, information, goods, notes, deliverables, designs, findings, evaluations, plans, processes, software, source code, object code, documentation, and any other information or materials of any kind, whether or not completed, together with all modifications, revisions, changes, copies, partial copies, translations, compilations and derivative works of the foregoing (herein the "Work Product"), and will have the exclusive worldwide right as between the parties to secure or claim copyright, patent, trademark or other intellectual property rights and protection,

whether registered or unregistered and including all rights of registrations, applications and renewals thereof (herein “IP Rights”) with respect thereto. Franchisee hereby assigns to Focus CFO, and to the extent it is unable to do so, waives, all of Franchisee’s right, title and interest worldwide in and to the Work Product (including any IP Rights), and will execute such documents as Focus CFO may reasonably request to effectuate Focus CFO’s IP Rights in the Work Product. To the extent Franchisee’s performance under this Agreement constitutes “work made for hire” for Focus CFO under the Copyright Revision Act of 1976, as amended from time to time, the Work Product will be considered “work made for hire”. Upon Focus CFO’s request or upon termination of this Agreement, Franchisee shall immediately provide to Focus CFO the then-current versions of any Work Product not already in Focus CFO’s possession. Unless written authorization provided by Focus CFO, Franchisee shall retain no part or copy of any Work Product, and all Work Product shall be considered Confidential Information of Focus CFO. Focus CFO may assign such rights to the Work Product to the Focus CFO client in the PSA.

- 15.8. To the extent that any Franchisee IP is incorporated into the Work Product or otherwise provided to Focus CFO, Franchisee hereby grants to Focus CFO a perpetual, non-exclusive, worldwide, royalty-free, irrevocable license to use, copy, reproduce, distribute, disclose, and create derivative works of, with rights to sublicense, the Franchisee IP for Focus CFO and its affiliates’ present and future business operations including to support the Chief Financial Officer services provided to Focus CFO clients. Franchisee represents and warrants that it has all authority necessary to grant the foregoing license.

16. GENERAL CONDITIONS AND PROVISIONS

- 16.1. Waiver. The failure of any party to insist on performance of any of the terms or conditions of this Agreement will not be construed as a waiver (express or implied) or relinquishment of any rights granted hereunder or of the future performance of any such term or condition, and the obligations of the parties with respect thereto will continue in full force and effect. No failure of Focus CFO to exercise any power reserved to it hereunder, or to insist upon strict compliance by Focus CFO with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Focus CFO’s right to demand Franchisee’s exact compliance with the terms of this Agreement. Waiver by Focus CFO of any particular default by Franchisee shall not be binding unless in writing and executed by Focus CFO and will not affect nor impair Focus CFO’s right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by Focus CFO of any payment(s) due shall not be deemed to be a waiver by Focus CFO of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement. In no event may Franchisee make any claim for money damages based upon any claim or assertion that Focus CFO has unreasonably withheld or delayed any consent or approval under this Agreement. Franchisee waives any such claim for damages. Franchisee may not claim any such damages by way of set off, counterclaim, or defense. Franchisee’s sole remedy for the claim will be an action or

proceeding to enforce the Agreement provisions consistent with the terms of this Agreement.

- 16.2. Injunctive Relief. As any breach by Franchisee of any of the restrictions contained in Sections 12, 13, 14 and 15 would result in irreparable injury to Focus CFO, and as the damages arising out of any such breach would be difficult to ascertain, in addition to all other remedies provided by law or in equity, Focus CFO shall be entitled to seek injunctive relief (whether a restraining order, a preliminary injunction or a permanent injunction) against any such breach, whether actual or contemplated. Focus CFO's right to seek injunctive relief will not affect the parties' waiver of jury trial and covenant to arbitrate all disputes in accordance with Section 18. Focus CFO's rights herein shall include pursuing injunctive relief through arbitration or in state or federal court.
- 16.3. Notices and Payments. Any notice, demand, request of other writing required or permitted by this Agreement shall be deemed to have been delivered one (1) business day after transmission by email or three (3) business days after placement in the United States Mail by Registered or Certified Mail, postage prepaid, and addressed as follows, or such other address as the party to which such notice is directed may have designated by notice in writing given pursuant to this paragraph.

entitled to reimbursement of its costs, including reasonable accounting and attorneys' fees, in connection with such proceeding.

16.5. Representations by Franchisee.

16.5.1. Franchisee represents that the execution and delivery of this Agreement and the performances of the services under this Agreement do not, and will not, breach or conflict with any obligations including any non-compete, non-solicitation or non-disclosure agreements that Franchisee or any Equity Owner has to a previous employer or company, or any obligation Franchisee or any Equity Owner has to keep confidential any information acquired by Franchisee prior to the Effective Date.

16.5.2. Franchisee acknowledges that it has received the Disclosure Document required by the Federal Trade Commission at least fourteen (14) calendar days prior to the date on which this Agreement was executed.

16.5.3. Franchisee acknowledges and is aware of the fact that some franchisees may operate under different forms of agreements.

16.5.4. No statement, questionnaire, or acknowledgment signed or agreed to herein by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by Focus CFO, franchise seller, or other person acting on behalf of Focus CFO. This provision supersedes any other term of any document executed in connection with the Franchise.

16.6. Entire Agreement; Amendment. This Agreement, its attachments and the documents referred to herein shall be construed together and constitute the entire, full and complete agreement between Focus CFO and Franchisee concerning the subject matter hereof and shall supersede all prior agreements. No other representations (other than those within Focus CFO's Franchise Disclosure Document), inducements, promises or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with respect to the matters set forth in or contemplated by this Agreement or otherwise. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing by both parties; provided however Focus CFO may, from time to time and at its sole discretion, modify, revise, amend or change the Attachments attached hereto upon written notice to Franchisee. Nothing in this Agreement, however, is intended to disclaim the representations Focus CFO has made in the Franchise Disclosure Document that we furnished to Franchisee.

16.7. Construction. The language used in this Agreement shall be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict conclusion shall be applied against any party.

16.8. Severability, Modification and Substitution of Valid Provisions. Except as expressly provided to the contrary in this Agreement, each section, paragraph, term, and

provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other provisions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, Franchisee agrees that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

- 16.9. Survival. Notwithstanding the expiration or termination of this Agreement for any reason whatsoever, all covenants and agreements to be performed and/or observed by Franchisee, the Equity Owner and/or Other Equity Owners (as defined in Section 19) under this Agreement or which by their nature survive the expiration or termination of this Agreement hereof shall survive any such expiration or termination.
- 16.10. Execution of Franchise Agreement. Execution and delivery of this Agreement and any amendments shall be legally valid and effective through: (i) hand-delivery; (ii) electronic mail in "portable document format" (.pdf) or any other electronically scanned format; or (iii) use of an electronic document execution and delivery process (i.e., DocuSign®). This Agreement may be executed in multiple counterparts and Franchisor and Franchisee may execute any such counterpart, each of which when executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute but one and the same instrument.
- 16.11. Force Majeure. Neither Franchisee nor Focus CFO shall be deemed to be in default of any provision of this Agreement for failures in performance, resulting from acts or events beyond its reasonable control (a "Force Majeure Event") for the duration of the Force Majeure Event. Such Force Majeure Events shall include but are not limited to acts of God, civil or military authority, terrorists, civil disturbance, war, strikes, fires, other catastrophes, labor disputes, epidemics, pandemics, quarantine restrictions or other events beyond Focus CFO and Franchisee's reasonable control.
- 16.12. Consent Not Unreasonably Withheld. Whenever consent or approval of Focus CFO is required under the terms of this Agreement, a decision shall not be unreasonably withheld or delayed. If Focus CFO withholds any consent or approval, Focus CFO shall provide to Franchisee a written statement giving the reasons for such decision.

17. DISPUTE RESOLUTION

- 17.1. Choice of Law. Except to the extent this Agreement or any particular provision is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Ohio (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refers also to any

successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency.

- 17.2. Consent to Jurisdiction. Any action brought by either party except those claims required to be submitted to arbitration, shall only be brought in the appropriate state court located in or serving Franklin County, Ohio. The parties waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. Claims for injunctive relief may be brought by Focus CFO where Franchisee is located. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.
- 17.3. Cumulative Rights and Remedies. No right or remedy conferred upon or reserved to Focus CFO or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained herein shall bar Focus CFO's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.
- 17.4. Limitation of Claims. Any claim concerning the Franchise, the franchise business or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which Franchisee or Franchisor knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.
- 17.5. Limitation of Damages. Focus CFO and Franchisee each waive, to the fullest extent permitted by law, any right or claim for any punitive damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and legal fees. Franchisee waives and disclaims any right to consequential damages in any action or claim against Focus CFO concerning this Agreement or any related agreement. In any claim or action brought by Franchisee against Focus CFO concerning this Agreement (other than a claim for the failure to pay any compensation due Franchisee), Franchisee's contractual damages shall not exceed and shall be limited to refund of the Franchise Fee.
- 17.6. Waiver of Jury Trial. FRANCHISEE AND FOCUS CFO EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.
- 17.7. Arbitration. This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. Except for controversies or claims relating to the ownership of any and all intellectual property rights, including, but not limited to, Focus CFO's Marks, copyrights or the unauthorized use or disclosure of Focus CFO's

Confidential Information, covenants against competition and other claims for injunctive relief, or amounts owed by Franchisee to Focus CFO, all disputes arising out of or relating to this Agreement or to any other agreements between the parties, or with regard to interpretation, formation or breach of this or any other agreement between the parties, shall be settled by binding arbitration conducted in Franklin County, Ohio, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect.

The proceedings will be held by a single arbitrator agreed upon by the parties or otherwise appointed by the District Court for the State of Ohio and located in Franklin County, Ohio. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction. FRANCHISEE AGREES THAT IT WILL NOT FILE ANY ARBITRATION CLAIM AS A CLASS ACTION, SEEK CLASS ACTION STATUS, OR PERMIT ITS CLAIM TO BE JOINED OR MADE PART OF ANY CLASS ACTION FILED BY ANOTHER. FRANCHISEE FURTHER AGREES THAT IT WILL NOT FILE OR JOIN IN ANY CONSOLIDATED ARBITRATION.

Franchisee acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Franchisor or any of Franchisor's agents or employees.

ATTACHMENT B TO THE FRANCHISE AGREEMENT

COMPENSATION POLICY (EFFECTIVE AS OF January 1, 2025)

Focus CFO has the right to modify the provisions of this Compensation Policy as set forth in your Franchise Agreement.

1. Area Presidents:

A. Area Presidents are paid a base rate. The base rate is determined as follows:

- i. For clients in the Area President's Book of Business with a signed PSA dated in months one through thirteen after signing this Agreement, the Area President will receive a base rate of thirty percent (30%) of the CFO Services revenue collected by Focus CFO on said clients for the life of these accounts.
- ii. For clients in the Area President's Book of Business with a signed PSA dated in months fourteen through twenty-four after signing this Agreement, the Area President will receive a base rate of twenty-five percent (25%) of the CFO Services revenue collected by Focus CFO on said clients for the life of these accounts.
- iii. For clients in the Area President's Book of Business with a signed PSA dated after the Area President's twenty-fourth month after signing this Agreement, the Area President will receive a base rate of twenty percent (20%) of the CFO Services revenue collected by Focus CFO on said clients. The base rate on these accounts shall increase, on a territory-by-territory basis, as the calendar year-to-date collections on their Book of Business for a given territory reaches the following tiers.

1. \$1 - \$550,000 = 20%
2. \$550,001 - \$1,100,000 = 25%
3. \$1,100,001 - \$1,650,000 = 30%
4. Revenue over \$1,650,000 = 35%

These tiers will be adjusted for inflation and other business factors from time to time.

For purposes of calculating the calendar year-to-date collections, revenue shall include CFO Services revenue.

B. If the Area President borrows a CFO from another Area President's Marketing Team, their base rate for that client will be reduced if the following situations apply:

- i. If the CFO is borrowed from a Marketing Team outside of the Area President's home Region, then a five percent (5%) deduction from the amount paid to the Area President applies for the life of the account. The amount deducted is paid to the Area President whose Marketing Team the CFO is on. Exceptions will be addressed as they arise by the Focus CFO Integrator/President. For purposes of this Compensation Policy, the "home Region" as referenced herein shall be determined by Focus CFO.
- ii. If the CFO is borrowed from a Marketing Team inside the Area President's home Region, then a five percent (5%) deduction from the amount paid to the Area President applies for the life of the account, if the Area President whose Marketing Team the CFO is borrowed from recruited that CFO after November 1, 2022. The amount deducted is paid to the Area President whose Marketing Team the CFO is on. Exceptions will be addressed as they arise by the Focus CFO Integrator/President. For purposes of this Compensation Policy, the "home Region" as referenced herein shall be determined by Focus CFO.

C. If the Area President receives a lead sourced through the efforts of a corporate sponsored marketing program, also known as a Marketing Generated Lead (MGL), then a five percent (5%) surcharge applies to the base rate for that client for the life of the client.

D. With the consent of Focus CFO, a portion of the Area President's base rate can be paid to a CFO, another AP or a third party referral source who has significantly contributed to the generation of a new client by providing the new client introduction to the Area President; however, (i) such compensation shall be deducted from the base rate paid to the Area President and (ii) in the case of a third party referral source, the referral source must have a fully executed Focus CFO Referral Partner Agreement, a list of each of which is maintained by Focus CFO.

E. With the consent of Focus CFO, Area Presidents can have billable services associated with a client. In each case, a portion of the monthly client billing is designated internally as "AP Billable Services" and the Area President is to receive 60% of the revenue collected by Focus CFO for such work directly performed by the Area President. Area Presidents will also receive the base rate on their billable services provided the client is credited to their Book of Business:

- i. Area Presidents who have the expertise to provide CFO-level services to clients, may provide services directly as the CFO on a client account where there is no other CFO assigned. Under this provision, Area Presidents are limited to eight (8) total days a month of billable client work directly as a CFO and must apply with Focus CFO to obtain a non-exclusive license to perform CFO Services under a License Agreement;
- ii. Area Presidents may provide specialized, value-added or recurring client support services as part of our monthly client retainer where there is a CFO working on the account. These services may include,

but are not limited to, financial consulting, exit planning, succession planning or coaching;

F. An Area President who (1) voluntarily terminates their Franchise Agreement and elects to be a Licensee to perform CFO Services; or (2) performs more than eight (8) days of billable client work a month as a CFO will not be paid the base rate payment on their Book of Business (as outlined in Section A, above) and will only be paid for the CFO services pursuant to a Licensing Agreement with Focus CFO.

G. Focus CFO also has the sole discretion and authority to pay other forms of activity-based compensation to Area Presidents on an individual-by-individual and case-by-case basis.

H. Focus CFO has the right to modify the Compensation Policy as set forth in the Franchise Agreement executed by the Area President, however, Focus CFO cannot adjust each individual percentage rate set forth in the Compensation Policy by more than one individual percentage point per year without Franchisee's prior written consent. In accordance with the guidelines set forth in Section 7.5 of the Franchise Agreement, Area Presidents are authorized to execute PSA agreements with Focus CFO clients on behalf of Focus CFO, after they have been prepared and approved by Focus CFO. INDEPENDENT AUDITOR'S REPORT

To the Members
Focus CFO Group, LLC
Columbus, Ohio

Opinion

We have audited the accompanying consolidated balance sheets of Focus CFO Group, LLC and Subsidiary (the Company) (a Limited Liability Company) as of December 31, 2024 and 2023, and the related consolidated statements of income, members' equity, and cash flows for the three years ended December 31, 2024, 2023, and 2022, and the related notes to the consolidated financial statements. In our opinion the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Focus CFO Group, LLC and Subsidiary as of December 31, 2024, 2023, and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Focus CFO Group, LLC and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Correction of Error

As discussed in the Correction of an Error note to the consolidated financial statements, certain errors resulting in understatement of amounts previously reported for other current liabilities and other long term liabilities, and overstatement of franchise and license fees and net income as of December 31, 2023, and the year then ended, were discovered by management of the Company during the year. Accordingly, amounts reported for other current liabilities, other long term liabilities, franchise and license fees and net income have been restated in the 2023 financial statements now presented and an adjustment has been made to members' equity as of December 31, 2023, to correct the error. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Focus CFO Group, LLC and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Focus CFO Group, LLC and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Focus CFO Group, LLC and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information Included in the Company's Franchise Disclosure Document

Management is responsible for the other information included in the Company's Franchise Disclosure Document. The other information comprises Franchise Disclosure Document, but it does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance on it.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

FOCUS CFO GROUP, LLC AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024, 2023 and 2022

NATURE AND SCOPE OF BUSINESS

Focus CFO Group, LLC ("FocusCFO" or "the Company") was formed as a limited liability company under the laws of the State of Ohio on March 13, 2018. The Company is owned 99% by Focus CFO Holdings, LLC ("the Majority Owner"), an Ohio LLC, and 1% by The CFO Company, LLC ("the Minority Owner"), also an Ohio LLC and a wholly-owned subsidiary of Focus CFO Holdings, LLC. The Company also has a 100% owned subsidiary, Focus CFO Group, LTD ("LTD"). LTD is the company where franchisees and licensees of FocusCFO who elect to participate in the Company's group medical insurance plan are compensated. LTD ceased operations effective December 31, 2024. The Company does business under the legal entity name and the trade name "FocusCFO". The Company does not do business under any other names.

The Company was formed for the purpose of offering FocusCFO franchises to Area Presidents and CFOs, which it began offering as of April 2, 2018. Effective April 2, 2018, the Company also began providing outsourced Chief Financial Officer Services ("CFO Services") primarily to small and medium size businesses on a fractional, or part-time basis. Effective April 1, 2023, the Company determined due to the evolution of its model that it could begin offering licensing agreements to CFOs allowing licensees to use the FocusCFO Marks to provide CFO services to FocusCFO clients. Franchises are still offered to those joining as Area Presidents.

Clients who are brought into the FocusCFO System enter into contracts with FocusCFO, the franchisor. This helps allow FocusCFO to ensure that its clients' business practices and reputation are consistent with FocusCFO's quality standards and the reputation of the FocusCFO Marks. Franchisees join FocusCFO as an independent contractor and operate as Area Presidents, working to generate new clients within the Company's coordinated client development system. Licensees join FocusCFO as independent contractors and operate as CFOs, with the opportunity to provide CFO Services directly to FocusCFO clients.

Franchisees are compensated as independent contractors for sales and marketing as well as for other supplemental services as outlined in the Franchise Agreement. Licensees are compensated as independent contractors for performing CFO Services to FocusCFO clients. Fees generated from these services are allocated between the franchisee, licensee and FocusCFO in accordance with the terms of the Franchise Agreement and Licensing Agreement.

As of December 31, 2024, the Company operates in the states of Ohio, Michigan, Indiana, Pennsylvania, Kentucky, North Carolina, South Carolina, Tennessee, Florida, Nevada, Wisconsin, Texas, Virginia, Georgia, and Connecticut and is in compliance with registration requirements in those states.

Accounts Receivable

Accounts receivable are comprised solely of invoices to clients receiving CFO services. The Company continually monitors the balances and has a strong history of collections. Additionally, the receivable is offset by the accrued compensation payable to the franchisees and licensees for services provided to the clients. The payable is not paid to the franchisees and licensees unless payment is received from clients. Based on this, management believes the accounts receivable as of December 31, 2024 and 2023 are fully collectible and any estimate for loss is immaterial to the consolidated financial statements. When a receivable is deemed uncollectible, the Company uses the direct write-off method.

Intangible Assets

During 2019 the Company incurred costs to implement a new training and resource platform to be utilized by its franchisees. This platform is considered to have a useful life of three years. The platform was fully amortized at December 31, 2022.

Accrued Compensation and Payroll

Franchisees and licensees are compensated as independent contractors and receive compensation payments on invoiced services they have provided to FocusCFO clients after these amounts are collected by the Company. The Company remits compensation payments to independent contractors within 15 days of the end of each month after payments are received from the clients. The Company records compensation payable to franchisees and licensees upon collection of invoiced amounts from the client until the next compensation payment date. The Company also estimates and accrues compensation on the outstanding invoices in accounts receivable as of the reporting date. The estimate is based on average blended historic compensation percentages realized in the past twelve months.

The accrued compensation and payroll balances as of December 31, 2024 and 2023 are comprised of the following: 1) accrued compensation on collected amounts during the past month that will be paid within 15 days of year end, 2) estimated accrued compensation that will be due on the future collection of accounts receivable balances, and 3) accrued payroll due to the Company's employees.

Line of Credit

The Company maintains a line of credit with First Merchants Bank, in the amount of \$250,000. There was no outstanding balance on the line of credit at December 31, 2024 or 2023.

Advertising and Marketing Expense

The Company expenses the cost of advertising and marketing as incurred. Advertising and marketing costs charged to operations for the years ended December 31, 2024, 2023 and 2022, was \$232,110, \$168,377, and \$133,904, respectively.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Revenue Recognition

The Company has two revenue sources, CFO services provided to clients and revenue from the sale of a franchise or license, which are recognized in accordance with Accounting Standards Codification (ASC) 606, *Revenue from Contracts with Customers*.

CFO services are performed under a Professional Service Agreement (PSA) entered into between the client and the Company. The PSA sets forth an established price for the CFO services based on the number of days of service the client requires per month. The Company has determined there is one performance obligation in the PSA. The Company recognizes revenue from CFO services monthly as the services are provided to the clients. The Company does not bill in advance for services to be performed the following month, but clients do sometimes pay in advance. As of December 31, 2024 client prepayments were \$7,975 (no client prepayments at December 31, 2023) and were included in other current liabilities on the balance sheet.

The sale of a franchise is under a franchise agreement entered into between the Area President franchisee and the Company. The sale of a license is under a license agreement entered into between the CFO licensee and the Company. The fee under both of these agreements is due upon signing the agreement. The fee may be fully or partially refundable based on certain criteria set forth in the agreement. The fee in both agreements is comprised of two components: a training fee and an initial franchise/license fee. The initial term of both the franchise and license agreement is ten years. Franchisees and licensees have the option to renew their agreement at the end of the initial term based on meeting certain criteria as set forth in the agreement and executing the then-current franchise or license agreement. The Company has determined that there are two performance obligations in both the franchise and license agreement which are 1) providing the initial training program for new franchisees/licensees and 2) ongoing support of the FocusCFO System and FocusCFO Resources during the term of the agreement. The Company recognizes revenue from the sale of a franchise or license in two stages. The initial training program is made available to the franchisees/licensees within two days of executing their agreement; therefore, the training fee is recognized once the training program has been provided to the franchisee/licensee. Support for the FocusCFO System and FocusCFO Resources is provided throughout the ten-year agreement term, therefore, the initial franchise/license fee is recognized as revenue over the duration of the agreement.

As of December 31, 2024 and 2023, the Company had unearned franchise and license fees of \$377,055 and \$136,800, respectively. The current portion of the unearned revenue is included in other current liabilities. The long-term portion of the unearned revenue is included in other long term liabilities.

Income Taxes

The members of the Company have consented to the limited liability company form of organization with perpetual terms, and to be taxed as a partnership, which provides for the Company's taxable income or loss to be taxed directly to the members. Accordingly, the accompanying financial statements do not include a provision or credit for income taxes.

The Company complies with ASC 740-10 related to uncertain tax positions. ASC 740-10 prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. Management is not aware of any tax positions that will be taken by the Company on its tax return that they consider to be uncertain. The tax returns to be filed for the year ended 2024 and filed for the years ended 2023, 2022 and 2021 will all be open and subject to examination by the Internal Revenue Service. However, there is no reason to believe the IRS will audit these returns.

Financial Instruments

The Company believes that the carrying amount of its financial instruments, which include cash and cash equivalents, accounts receivable and other current assets and liabilities, approximates fair value based on their short-term duration.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

COMMITMENTS AND CONTINGENCIES

The Company carries professional liability insurance which covers the Company and its franchisees and licensees, subject to policy limits.

The Company may rely on resources from the Majority Owner to support operations and the Majority Owner has committed to continue to provide financial support to the Company sufficient for the Company as needed.

LEASES

The Company adopted ASU No. 2016-02, and additional ASUs issued to clarify and update the guidance in ASU 2016-02. This standard modifies lease accounting for lessees to increase transparency and comparability by requiring the recognition of a lease liability and a right-of-use asset for all leases (with the exception of short-term leases). The Company adopted the new leases standard utilizing the modified retrospective transition method, under which prior period balances were not restated and no adjustment to the opening balance of retained earnings was recognized. There were no leases requiring adjustment as of the date of adoption. The Company entered into its current lease agreement during 2022.

On December 31, 2022, the Company commenced a lease for office space which required the recording of a right of use asset and a related liability of \$94,340 to reflect the economic value of an operating lease for office space. The Company used its incremental borrowing rate at the time of lease inception of 7.50% to estimate the economic value. The lease includes two months of zero rent and then monthly payments ranging from \$1,935 to \$1,993 through maturity in December 2027. Rent expense is recognized on the straight-line basis of all lease payments including those for extension periods that are likely to be exercised. The lease allows for three extension periods of two years each. Management is not currently able to predict if any of those terms will be exercised and therefore, have not included those periods in the calculation of the right of use asset and liability. For 2024 there was no accumulated depreciation related to the right of use asset. The current portion of the right of use liability was \$19,782 and was included in other current liabilities on the combined balance sheets.

LEASES – Continued

Following is a schedule of future minimum operating lease payments through the lease expiration date:

| | |
|------------------------|-----------|
| 2025 | 23,917 |
| 2026 | 23,917 |
| 2027 | 21,923 |
| Total lease payments | 69,757 |
| Less: interest | (7,277) |
| Right of use liability | \$ 62,480 |

The lease for other office space which the Company utilized in 2022 was executed by the Majority Owner and was not considered a formal lease. The Majority Owner charged 50% of the monthly rent expense under the lease to the Company for its use of the space. The rent expense paid by the Company to the Majority Owner for the period ended December 31, 2022 was \$17,457. The lease ended in November of 2022.

RETIREMENT PLAN

The Focus CFO Group 401(k) Profit Sharing Plan (the Plan) was established in October of 2024. Eligible employees may elect to contribute a portion of their compensation to the Plan after completion of six months of service with the Company. The maximum allowable employee deferral to the Plan was \$23,000 per employee in 2024.

The Company makes an ADP Safe Harbor contribution of 3% of each employee's compensation to the participant's account in the Plan. The maximum allowable ADP Safe Harbor contribution by the employer per employee to the Plan was \$10,350 in 2024. The Company's contributions to the Plan charged to operating expenses were \$7,160 in 2024.

CORRECTION OF AN ERROR DUE TO CHANGE IN ACCOUNTING POLICY

During 2024, the Company implemented a change in accounting principle related to the recognition of revenue from the sale of franchises and licenses in accordance with ASC 606. Previously under the ASC, the Company determined there was only one performance obligation under the franchise and license agreement which was the completion of an initial training by the new franchisee/licensee. The Company therefore previously recognized revenue from the sale of a franchise or license once the initial training had been completed by the franchisee/licensee. The initial training was required to be completed within two weeks of the signing of the agreement. The Company determined due to changes in the franchise and license agreements in 2023 that there are now two performance obligations: 1) providing an initial training program for new franchisees/licensees and 2) ongoing support of the FocusCFO System and FocusCFO Resources during the term of the agreement. Therefore, the portion of the fee under the agreement allocated to training is recognized as revenue within two days of executing their agreement when the training program is made available to the franchisee/licensee. The portion of the fee under the agreement that is allocated to the initial franchise/license fee is recognized as revenue over the duration of the agreement which is 10 years.

1. For choice of law purposes, and for the interpretation and construction of the Franchise Agreement, the Illinois Disclosure Act, 815 ILCS 705 governs.
2. No action for liability under the Illinois Franchise Disclosure Act shall be maintained unless brought before the expiration of three years after the act or transaction constituting the violation upon which it is based, the expiration of one year after the franchisee becomes aware of facts and circumstances reasonably indicating that they may have a claim for relief in respect to conduct governed by the Act, or 90 days after delivery to the franchisee of a written notice disclosing the violation, whichever shall first expire.
3. Illinois law governs the Franchise Agreement (without regard to conflict of laws), and jurisdiction and venue for court litigation shall be in Illinois.
4. Any provision in the Franchise Agreement requiring a general release is void if the provision requires a waiver of compliance with the Illinois Franchise Disclosure Act.
5. Any provision in the Franchise Agreement that designates jurisdiction or venue in a forum outside of the State of Illinois is void.
6. Your rights upon termination and non-renewal of a franchise agreement are subject to sections 19 and 20 of the Illinois Franchise Disclosure Act.

THE ILLINOIS NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF ILLINOIS OR LOCATE THEIR FRANCHISES IN ILLINOIS.

FOR THE STATE OF MARYLAND

1. Item 17 of the Disclosure Document and Sections 2.3.1, 11.7 and 12.1.6 of the Franchise Agreement requiring that Franchisee sign a general release as a condition of purchase/renewal or assignment/transfer, may not be enforceable pursuant to the Maryland Franchise Registration and Disclosure Law, and are amended to the extent required by Maryland law. The requested release shall not apply to any liability under the Maryland Franchise Registration Disclosure law.

2. Any provisions of the Disclosure Document or the Franchise Agreement that require Franchisee to disclaim the occurrence of or acknowledge the non-occurrence of acts that would constitute a violation of the Maryland Franchise Registration and Disclosure Law are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

3. Any provisions in the Disclosure Document or the Franchise Agreement requiring Franchisee to file any lawsuit in a court in the State of Ohio may not be enforceable under the Maryland Franchise Registration and Disclosure Law. Franchisees may sue in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Item 17 of the Disclosure Document and Section 17.2 of the Franchise Agreement are amended accordingly to the extent required by Maryland law.

4. To the extent the Franchise Agreement requires, and the Disclosure Document discloses that a Franchisee must agree to a period of limitations of less than three (3) years, this limitation to a period of less than three (3) years shall not apply to any claims arising under the Maryland Franchise Registration and Disclosure Law.

5. Item 5 of the Disclosure Document and Section 4 of the Franchise Agreement is amended to provide that the initial franchise fee and other initial payments are due and payable when all of Focus CFO's pre-opening obligations to Franchisee have been met.

7. Based upon the franchisor's financial condition, the Maryland Securities Commission has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the franchise agreement.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person

acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

THE MARYLAND NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MARYLAND OR LOCATE THEIR FRANCHISES IN MARYLAND.

FOR THE STATE OF MICHIGAN

1. THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.
 - A prohibition of the right of a franchisee to join an association of franchisees.
 - A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel that deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.
 - A provision that permits a franchisor to terminate a franchise before the expiration of this term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure the failure after being given written notice of the failure and a reasonable opportunity, which in no event need be more than 30 days, to cure the failure.
 - A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials that have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchised restaurant are not subject to compensation. This subsection applies only if: (a) the term of the franchise is less than 5 years, and (b) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
 - A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
 - A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an

agreement, at the time of arbitration or litigation, to conduct arbitration or litigation at a location outside this state.

- A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - The fact that the proposed transferee is a competitor of the franchisor or Subfranchisor.
 - The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
 - A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value and has failed to cure the breach in the manner provided in ITEM 17(g).
 - A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.
2. If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00 the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.
3. THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENFORCEMENT BY THE ATTORNEY GENERAL.

 - b. Item 17 shall not provide for a prospective general release of claims against us that may be subject to the Minnesota Franchise Law. Minn. Rule 2860.4400D, which prohibits a franchisor from requiring a franchisee to assent to a general release.
 - c. Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside of Minnesota. In addition, nothing in this Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws of the jurisdiction.
3. Each provision in this Addendum shall be effective only to the extent that the jurisdictional requirements of the Minnesota Franchise Law applicable to the provisions are met independently of this Addendum. To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or exhibits or attachments thereto, the terms of this Addendum shall govern.
 4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.
