What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit L.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration only in California. Out-of-state arbitration may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with the franchisor in California than in your own state.
2. **Inventory Control.** You must make inventory and supply purchases of at least \$1,500 each month, even if you do not need that much. Your inability to make these purchases or to maintain inventory levels at all times may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

Franchisor’s Parents, Predecessors and Affiliates

We have no predecessors or parent companies. Our affiliate, Self Made Training Facility, Inc. (“Self Made Training”), was incorporated in California on March 27, 2015 by Miguel Aguilar, who is also our founder. Self Made Training has the same address as us. Self Made Training owns the trademarks we license you to use. Self Made Training has owned and operated a Self Made Training Facility in Temecula, CA since August 2017 and is the sole supplier of apparel and water products sold to our franchisees.

Our affiliate, Kollusion Fitness Products Inc. (“KFP”), was incorporated in California on September 15, 2017 by Miguel Aguilar, who is also our founder. KFP has the same address as us. KFP is an approved supplier for equipment and various accessories sold to our franchisees.

Our affiliate, Self Made Real Estate, Inc. (“SMRE”), was incorporated in California on May 2, 2016 by Miguel Aguilar, who is also our founder. SMRE has the same address as us. SMRE purchases commercial buildings and leases commercial space to our franchisees.

Our former affiliate, Self Made Family, Inc. (“SLFMD”), was incorporated in California on March 6, 2013 by Miguel Aguilar, who is also our founder. SLFMD was dissolved on December 8, 2022. Before dissolution, SLFMD was the sole approved supplier for apparel sold at Self Made Training Facilities.

Our former affiliate, SLFMD Hydrati8n Bar, Inc., previously known as URBN RSM Inc (“Hydrati8n”), was incorporated in California on July 13, 2021. Hydrati8n was dissolved on December 8, 2022. Before dissolution, Hydrati8n was the approved supplier for water products sold to our franchisees.

We offer the franchises described in this Disclosure Document. We began offering franchises in 2016. We have not offered franchises in any other business and we do not have business activities other than offering these franchises. Thus, we don’t operate a training facility.

The Franchise Offered

Training Facility Program

Under this program, you will sign a Franchise Agreement in substantially the form of Exhibit B to this Disclosure Document for the right to operate a Self Made Training Facility (“Training Facility”).

Asset Purchase Program

Under this program, you, as buyer, will purchase an existing training facility from Self Made Training (“Existing Training Facility”). You will sign an Asset Purchase Agreement in substantially the form of Exhibit F to this Disclosure Document to acquire the assets of the Existing Training Facility (the “Asset Purchase Agreement”), and will sign a Franchise Agreement to operate the Existing Training Facility. You will also sign an Addendum (Exhibit C to the Franchise Agreement) (the “Purchase Addendum”) that will change certain terms of the Franchise Agreement so they apply to the Existing Training Facility.

Under either of our programs, you will operate a training facility emphasizing health, exercise and fitness and selling fitness apparel, supplements related to fitness, snacks and other related fitness items. Your facility will offer services on a private basis, to a strictly limited number of professional fitness and exercise trainers, so they can use your facility to provide services to their customers. You will use methods and trade secrets and trademarks licensed to or developed and owned by us. Your customers are professional fitness and exercise trainers. They pay you for the use of your facility with their clients.

The Market and Competition

There is widespread public interest in health, exercise and fitness, in working with professional fitness trainers, and in related products and there is an established market for the services and products of exercise and fitness centers. There is year round interest in our services but such factors as weather, holidays, New Year’s resolutions, vacations and the like can result in seasonal trends.

You will compete with health clubs, training facilities, gyms and fitness centers, which include national and regional chains and individual centers, and also with other health and fitness options offered by nonprofit social organizations, parks and gyms.

Laws, Licenses and Permits

Some states and local governments have laws relating to health and fitness studios, including laws that require postings concerning steroids and other drug use, requiring certain medical equipment in the facility and limiting supplements that can be sold.

Some states limit the length of memberships in health and fitness studios and require certain terms (specified by law) in membership agreements with the public such as the offer of cancellation and refunds to members who request within a specific time after becoming a member, bonds if memberships are sold for more than a specified length of time and deposit in escrow of certain amounts collected from members before the club opens (“presale” memberships), and may impose restrictions on memberships you can sell.

Industry Specific Regulations

You must comply with federal, state and local laws that apply to operating any business, such as prohibition against discrimination, taxes, labor laws, business license requirements, zoning, laws on construction of business premises, requirements for parking and access, and the Americans With Disabilities Act. Other laws including smoking restrictions, public posting of notices re health hazards, fire safety and emergency preparedness laws, rules on use, storage and disposal of waste and hazardous materials, environmental laws, such as laws on recycling and regulating use of certain kinds of environmentally harmful containers and materials, and standards for sanitation, employee health and safety.

You are responsible for complying with all laws and regulations. You must conduct your own investigation to familiarize yourself with the laws that apply. We recommend you consult with your attorney and CPA about laws and regulations that will apply to you where you will operate.

ITEM 3

LITIGATION

URBN Water Co. Inc v. Miguel Aguilar, Self Made Training Facility, Inc. and SMTF Franchising, Inc., San Diego-North County Division Superior Court, Case No. 37-2022-00035978-CU-BT-NC, filed September 7, 2022. Plaintiff alleges that in March 2020, URBN Water Co. Inc (“Plaintiff”), Miguel Aguilar and Self Made Training Facility, Inc. (collectively, “Defendants”) explored possible business opportunities, including opening retail counters offering Plaintiff’s water products (“URBN Kiosks”) within Defendants’ franchised gym locations. Plaintiff further alleges that during 2021, Plaintiff engaged in negotiations with Defendants’ franchisees to develop URBN Kiosks in several of Defendants’ franchised gym locations in Arizona, California, Colorado, Florida, New York, Nevada, Ohio, Texas, and Virginia. The complaint asserts that in late 2021, the relationship between Plaintiff and Defendants broke down and Defendants created their own water products under the name Self Made Hydration Bar and required franchisees to use Defendants’ water products rather than the URBN Kiosks. On September 7, 2022, Plaintiff filed its complaint alleging causes of action for intentional interference with prospective economic relations; negligent interference with prospective economic relations; unfair and unlawful business practices; and fraud. Plaintiff seeks general damages according to proof at trial; special and economic damages; interest; injunctive or equitable relief; reasonable attorney fees and costs; and other and further relief as the court deems just and proper. On November 7, 2022, Plaintiff filed an amended complaint to include the franchisor, SMTF Franchising, Inc. as an additional defendant (the “Franchisor”). Plaintiff’s amended complaint also alleged additional causes of action against Defendants and the Franchisor (collectively, “Amended Defendants”) for breach of contract; account stated; open book account; and goods and services sold and delivered – unjust enrichment. As of November 8, 2022, because the case was only recently filed, Amended Defendants have not

yet answered the complaint or the amended complaint. The Amended Defendants deny any wrongdoing and fully intend to defend themselves against all causes pled in both the complaint and amended complaint.

Pacific Sustainable Services, Inc v. Miguel Aguilar, Self Made Training Facility, Inc. and SMTF Franchising (as cross defendants), San Diego-North County Division Superior Court, Case No. 37-2022-00013923-CL-CL-NC, filed September 22, 2022. The underlying complaint alleges that on or about December 2021, our franchisee Chris Alcala (“Alcala”), entered into a written agreement with Pacific Sustainable Services, Inc. (“PSS”) to make certain improvements to Alcala’s franchised Self Made Training Facility with a stated cost of \$188,890.23. The complaint further alleges that on or about January 2022, Alcala telephoned PSS and advised PSS that Alcala would no longer allow PSS to work on the improvements. In response, PSS alleges that it requested that Alcala pay the balance owed in the amount of \$94,445.11, and provide his requests to cease work in writing. PSS asserts that the alleged balance owing to PSS was not paid, and no written request was received by PSS to stop the work. The cross-complaint further alleges that in January 2022, Miguel Aguilar and Self Made Training Facility, Inc. (“Cross-Defendants”) allegedly informed PSS and Alcala that construction by PSS could not continue at Alcala’s franchised Self Made Training Facility. In June 2022, Alcala filed a cross complaint against PSS alleging that PSS breached its contract with Alcala. On September 22, 2022, PSS filed its first amended cross-complaint against Cross-Defendants alleging causes of action for intentional interference with contractual relations and inducing breach of contract. PSS seeks general damages; special and economic damages; interest; costs of suit incurred; and other and further relief as the court deems just and proper. On November 1, 2022, a default was entered against Cross-Defendants. On November 7, 2022, PSS amended its cross complaint to add SMTF Franchising as an additional Cross-Defendant. As of November 8, 2022, Cross-Defendants have not yet answered the amended cross-complaint and intend to seek leave to set aside the default entered against them. Cross-Defendants deny any wrongdoing and fully intend to defend themselves against all causes pled in both the complaint and amended complaint.

Other than the 2 matters described above, no litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

On August 27, 2012, Mr. Aguilar, who is our President, Secretary and Treasurer, filed a petition under Chapter 7 of the United States Bankruptcy Code and obtained a discharge on December 10, 2012. (Case no. 6:12-bk-29900-MJ, filed in the U.S. Bankruptcy Court for the Central District of California, Riverside branch).

Other than the above, no bankruptcy is required to be disclosed in this Item.

Note 1: The initial franchise fee is \$50,000. We do not offer direct or indirect financing for your initial franchise fee.

Note 2: These estimates are for 3 month's rent and a security deposit equal to one month's rent, for about 4,000 to 10,000 square feet of space typically in a warehouse facility located in a light industrial or warehouse center, with monthly rent estimated at about 55 cents to \$1.25 per square foot on the low end, and for about 4,000 to 10,000 square feet of typical retail space, with monthly rent estimated at about \$1.20 to \$2.50 per square foot on the high end. Your rent will depend on market conditions and rental rates in the community at the time you

enter into a lease, the type of space and its size and layout and possibly some other factors. The low estimate assumes a 4,000 square foot warehouse facility with rent at the low estimate. The high estimate assumes a 10,000 square foot retail space with rent at the high estimate. These estimates assume parking and other amenities are included in the rent. If your facility is larger than 10,000 square feet, or if your rent is higher, or if the landlord imposes additional charges, your costs can exceed the high estimate.

Note 3: Estimated security deposits to start service with electric, telephone, internet, water and gas utilities. At some locations you must establish your own accounts with all utilities. At other locations some of these could be included in your lease and not separately charged. The low estimate assumes that no security deposits are charged. The high estimate assumes two of these utility suppliers each charges a security deposit of \$500.

Note 4: The improvements you'll need may include tear down and addition of walls to create workout and exercise space, a reception/retail area, office, showers, mop sink and possibly a rest room if none is available separately in the structure where your facility is located. You will need interior décor, wraps, mirrors and other wall coverings, possibly some lighting. Some construction could be involved depending on the size and layout of the facility. We've estimated the costs at about \$150,000 to \$450,000 for construction, \$5,000 to \$25,000 for wraps, mirrors, and other interior décor. Your costs could be lower or higher. Some portion of the costs could be partially reduced by any tenant improvement allowance you are able to obtain from your landlord. If you are able to obtain a facility that was previously a fitness studio, gym or similar facility that may help reduce some leasehold improvement costs.

Note 5: The main equipment you'll need include power rack with lifting platforms, wall mounted rig, adjustable benches, Olympic benches, jungle gym cross-over, dumbbells and dumbbell rack, cable machines, free motion machines, an octagon, fight cages, and mixed martial arts equipment and accessories. Your cost will vary based on size and location of your facility and pricing at the time of your purchase.

Note 6: Office furniture and equipment will include a conference table, desks, chairs, couch, vending machines, refrigerator and display racks and shelving for the retail sales area, wi-fi receiver, sound system (up to 4-5 speakers with subwoofer), Apple iPad, TV monitors, laptop computer, printer, fax, shredder, file cabinet and supplies such as paper, pens, pencils, stapler, and other such office equipment. You will also need a network camera system for monitoring your facility. The low estimate assumes you already have some items and/or you purchase lower cost items. The high estimate assumes you purchase more costly items. Wide ranges in prices exist. If you purchase more expensive items your investment could exceed the high estimate.

Note 7: The low estimate assumes your signage is professional wraps in a front office window or entry. The high estimate is for neon, backlit, channel letter, pole or monument sign at an industrial park.

Note 8: We provide initial training in our method of operation to you and possibly one other supervisory or managerial person who will be employed by you. We expect training to last about 3 to 5 days. Training may be provided by instruction, lecture, practice, practice application, self-study, on-line, DVD or other media, at-work-training and practice, participation in delivering services, with other personnel or franchisees, testing and/or combinations of these, or other means. (Franchise Agreement Sect. 11.3.) The travel and living expenses estimates assume that you elect and we agree for you to take in-person training. The low estimate assumes we train only you, and that you live near our location in Temecula, California so you will not have to travel or pay for living expenses. The high estimate assumes we train you and one other supervisory or managerial person and includes an estimate for round trip air travel, lodging, food, and minimum wage estimate for the other person. The estimates assume you do not receive a salary.

Note 9: We currently require you to use the Self Made Nutrition Software to assist your trainers in consulting on nutrition and diet with their clients, the SMTF App, and the Self Made Academy Personal Training Certification software at a cost of \$900 per month. This fee is paid to us.

Note 10: The cost of the POS hardware is either \$1,300-\$1,800, plus a maintenance fee of \$29 a month, if you choose to buy; or \$119.00 a month to lease. We also require you to use CardConnect to process credit card payments by customers. CardConnect provides two merchant accounts. The retail account costs 0.1% per credit card swipe and 5¢ per transaction. The other account costs \$18.50 per month, 1.5% to 2% per credit card swipe and 5¢ per transaction. We require access to your CardConnect and POS summaries and reports.

Note 11: These are estimates for licenses and permits that may be required by the state and localities where your training facility is located.

Note 12: The low estimate assumes you do not form a corporation or limited liability company or other entity because you sign the Franchise Agreement individually, or you already have such an entity. The high estimate assumes you incur professional and government fees to form a corporation or limited liability company or other entity.

Note 13: You should consult an attorney and accountant to help you evaluate this franchise offering. The low estimate assumes your fees for the lawyer and accountant are minimal. The high estimate assumes you have more extensive consultation with your lawyer and accountant.

Note 14: You will purchase an inventory of athletic apparel, supplements, and snacks. You will purchase all of the apparel for your Training Facility from our affiliate, Self Made Training with a low estimate of \$3,000 to a high estimate of \$8,000, with remainder costs (\$3,000-\$4,000) for additional athletic apparel, supplements and snacks. The low estimate assumes you stock your retail area with less of these items. The high estimate assumes you stock your retail area with more of these items.

Note 15: You must purchase \$800 worth of energy drinks from our approved supplier to receive a refrigerator to store the energy drinks and our branded water products. The cost and total water products you are required to purchase, depends on whether your Training Facility is located in California or another state and includes the cost of shipping. The low estimate assumes your Training Facility is located outside of California, your shipping costs is \$180 (varies up to \$400, depending on your location) and includes the required snack purchase to receive the refrigerator. The high estimate assumes your Training Facility is located in California, includes your shipping cost and includes the required snack purchase to receive the refrigerator.

Note 16: We require you to obtain and maintain insurance coverages that we specify. Currently we require you to have comprehensive general liability coverage including personal injury, property damage, bodily injury, advertising injury and contractual liability coverage for the business classification that includes operating a training facility/gym/health/fitness center, of at least \$1,000,000 per occurrence, \$2,000,000 aggregate, sexual abuse or sexual molestation liability of at least \$100,000 each occurrence, \$300,000 aggregate; and professional liability insurance of at least \$1,000,000 for the independent instructor(s) at your facility and the offsite locations; business interruption insurance of at least \$1,000,000 insuring against any loss, liability, personal injury, death, property damage, property loss or expense arising or occurring on or in connection with the business; automobile liability insurance, including owned, hired and non-owned vehicle coverage of at least \$1,000,000; any insurance required by the lease; umbrella coverage of at least \$1,000,000; data theft and cybersecurity coverage; all of the foregoing insurance policies must name us and our shareholders, members, partners, directors, officers and employees as additional insureds; employment practices liability insurance of at least \$1,000,000; and any workers' compensation, unemployment and state disability insurance as is required by law. The low estimate assumes you are able to obtain a less expensive policy and you pay annual premiums in monthly or quarterly installments and is for 3 months' premium payments. The high estimate assumes a higher priced policy and that you pay the annual premium in a lump sum.

Note 17: We require you to develop and propose for our approval a grand opening promotion plan for the period about a month before opening through the first 3 months of operation, with a budget of at least \$2,500. The higher estimate assumes you voluntarily elect to spend more than the minimum.

Note 18: 30 days after the date you commence operations, you must spend at least \$250 per month on local advertising and promotion directed at professional trainers in your community or other audience we approve. Currently most of your marketing will be via social media. Hiring a social media optimization person will benefit you.

Note 19: You need to have at least these amounts of working capital for operating expenses, like greater expenses in any category, expenses until you are fully staffed with trainers, unexpected expenses for maintenance and additional equipment per your preferences for the start-up phase of the business, which this table assumes will be about three months. You will pay these amounts to Approved Suppliers, utilities and any other vendors for the start-up phase of the business. We do not assure this amount will be sufficient. Additional working capital may be needed, particularly if sales are low or expenses are high. We relied on the experience of our founder Miguel Aguilar in estimating the amount required for additional funds.

Note 20: This total estimates your initial investment and expenses during about the first three months of operation. The amounts shown on each row are only estimates and may vary for many reasons. The totals are sums of many estimates and therefore have greater potential to differ from your actual investment. Generally none of the expenses in this chart are refundable, except that security deposits may be refundable and some of the insurance premium may be refunded when a policy is cancelled prior to expiration of the policy.

Note 21: The purchase price of an Existing Training Facility typically depends on the business's gross cash flow, the remaining term of the lease and the value of the leasehold. In the typical case, you will purchase all assets of the Self Made Training Facility owned by Self Made Training, including the goodwill of the business other than the goodwill associated with our trademarks and receive an assignment of all relevant commercial contracts and the lease for the premises. In the typical case, you will reimburse Self Made Training for 3 months' prepaid rent and a security deposit equal to 1 month's rent for the Self Made Training Facility premises when you complete the purchase of the assets. Self Made Training will generally retain all liabilities of the former business. The purchase price and the terms of the Asset Purchase Agreement and its attachments will vary considerably among Self Made Training Facilities, depending upon the gross cash flow for the existing business, the value of the leasehold, any unique characteristics regarding each transaction and the Existing Training Facility, financing arrangements and other factors. The purchase price and terms of the Asset Purchase Agreement are negotiable. We do not offer direct or indirect financing for the purchase price of an Existing Training Facility.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The location you choose for your facility must meet criteria we set. Signs, advertising, promotion material, equipment, furnishings, fixtures, supplies, products and merchandise you will use and offer must meet standards and specifications we set. You must buy insurance in at least the amounts we specify, from carriers satisfactory to us, and containing terms we require.

We can provide you lists of approved suppliers and distributors, and lists of services and products we approve. You must buy the products and services we designate, only according to these lists and only from suppliers on these lists. We can revise these lists, from time to time. For some or potentially all products or services we can designate our self (franchisor) or an affiliate as an approved supplier, or the only approved supplier.

Any items we do not require you to buy according to our approved supplies or approved suppliers list, must still conform to any specifications and quality standards we set.

If you want to sell or use a product, supply or service we have not approved, or buy from a supplier or vendor we have not approved, you must tell us in writing and ask our consent. You provide us their name and address, description of proposed product or service, and other information we request.

We can require a proposed supplier or vendor to enter into a confidentiality agreement, and provide us specifications, samples, and more information. We can inspect their facilities and establish delivery terms, service and other requirements. We can require you or the supplier or vendor to pay or reimburse our costs and expenses for conducting our evaluation. We try to tell you our decision within a reasonable time (estimated to be about ten days after we get all the above items and information).

We may require a supplier or vendor to satisfy requirements we set as to product and service quality, pricing, reliability of delivery, inventory management, insurance, indemnification and non-disclosure; provide us samples at no charge; sell products bearing our trademarks only to our authorized franchisees and only pursuant to a trademark license we prescribe; provide us duplicate purchase invoices and other reports; let us audit them; and comply with other requests we make. We may reevaluate products, services, suppliers or vendors and withdraw approval. We tell you in writing if we withdraw approval.

We may charge you for products and services. The charges may include mark-ups and profit to us or our affiliates. We and our affiliates receive revenue from your purchases from us/them. The revenue equals the prices we and our affiliates charge you and that you pay to us or them.

As of December 8, 2022, you must buy Self Made Fitness brand apparel directly from our approved supplier, Self Made Training. You must buy equipment and various accessories from our approved supplier, KFP. KFP is owned by Miguel Aguilar, our Director, President, Secretary and Treasurer, listed in Item 2. KFP's total revenue as of December 31, 2021 was \$1,250,497. KFP earned \$875,347 or 70% of its revenue from sales to our franchisees as of December 31, 2021. The source of this information is the financial books and records of KFP.

Hydrati8n earned no revenue as of December 31, 2021 from required franchisee purchases.

We specify the items of equipment you must obtain for your training facility. You must use Foreman Fitness branded equipment purchased from KFP, unless you receive our written consent to purchase similar equipment from a different brand.

In calendar year 2021, we did not receive any revenue from required purchases or leases of products or services from franchisees for products and supplies, but may in the future.

We estimate your costs for items you must buy from us or suppliers we designate, will be about 25% of your total purchases in starting the business and about 50 to 65% of your total purchases in operating the business.

One product line we currently anticipate requiring you to use, offer and sell is the 1st Phorm supplement line, which you must purchase directly from 1st Phorm. You will receive a discounted price when you purchase directly from them. We do not own any interest in this supplier. We could add additional product lines. We do not receive a commission from your purchase, but may do so in the future. We could change brands we require you to offer. You may purchase these products from any supplier with our written approval.

We do not own an interest in any third party suppliers. But we are not restricted from, and could in the future, own an interest in a third party supplier.

Currently, no supplier pays us a commission or override or the like based on your purchases from them. We do not provide or withhold material benefits to you (such as renewal rights or a right to open additional training facilities) based on whether or not you buy through sources we designate or approve. But purchases of unapproved products or from unapproved suppliers in violation of the Franchise Agreement will entitle us, among other things, to terminate your Franchise Agreement.

Currently, there are no purchasing or distribution cooperatives.

1. At KFP's discretion, it may finance all or part of the fitness and exercise equipment purchase you make from KFP. The financed amount depends on the cost of the item financed, your ability to pay and KFP's ability to provide financing at the time.

2. You will pay for the fitness and exercise equipment purchase with a down payment and a promissory note. KFP doesn't require an application fee.

3. You must sign a promissory note which requires monthly payments of the financed amount and interest. The repayment term is up to 84 months. There is no restriction on you repaying the note sooner.

4. Interest is normally at a fixed rate. Most of the time the interest rate KFP charges is about 6% to 10%, but can be more or less, not to exceed the maximum rate allowed by law.

5. See the sample Promissory Note, Exhibit G. It does not have a penalty for early repayment except that you must reimburse KFP for any prepayment penalties or other charges it incurs due to your early repayment.

6. The Promissory Note is secured by a Security Agreement which lets KFP foreclose on the security. The Promissory Note is governed by California law. You must pay KFP's attorneys' fees if it sues to collect. You must also sign the Security Agreement, attached to this Disclosure Document as Exhibit H. It gives KFP a broad security interest in all your business and personal (non-business) property wherever located, including equipment, inventory, fixtures, all accounts, cash, proceeds, insurance claims, tax refunds and personal property, whether owned when you sign the Security Agreement or acquired later. Except as listed below, we are not required to provide you any assistance.

Pre-Opening Obligations

Before you open your training facility for business, we will:

1. Agree on a geography in which you will operate and state this in the Franchise Agreement. (Franchise Agrmt. Secs. 6 and 9.2).
2. Provide you our criteria for premises for a Self Made Training Facility (Franchise Agrmt. Sec. 10). You obtain the location for your facility; we do not own or lease the premises to you.
3. Consider and decide whether or not to approve a location you propose for your facility. (Franchise Agrmt. Sec. 10.2). Factors we consider may include any one or more of: meeting our location criteria, rent and other lease terms; our assessment of the location and area, its demographics; accessibility, traffic patterns, parking, size, physical characteristics, closeness to or distance from other Self Made Training Facility locations as well as any competing businesses, any knowledge about the landlord and neighboring tenants. The Franchise Agreement says you must get our approval and enter into a lease within 90 days, and must open for business within 310 days, after signing the Franchise Agreement (Franchise Agrmt. Secs. 10.4 and 10.9). We will try to tell you our approval or disapproval within 15 days after you provide us all the information we request. If you and we are unable to agree on a location, or you don't identify a location within 90 days after signing, or if you don't open for business within 310

days after signing, we can terminate the Franchise Agreement. There is no refund of the initial franchise fee.

4. Review the lease you propose to enter into and decide whether we approve it or not. (Franchise Agrmt Sec. 10.3). You must obtain our consent before entering into a lease (Franchise Agrmt. Sec. 10.3).
5. Provide you our written specifications for the design and equipping of a typical Self Made Training Facility (Franchise Agrmt. Sec. 10.5). You use these to develop plans that you provide to us for our consent. After we consent, you construct the location and make sure you comply with the plans, and all laws, zoning and building codes (Franchise Agrmt. Sec. 10.5).
6. Provide you our signage specifications (Franchise Agrmt. Sec. 10.7).
7. Provide you our list of approved suppliers and approved products and services for your training facility. (Franchise Agrmt. Sec. 18.3). We don't currently provide or install any items.
8. Inspect your facility one or more times (Franchise Agrmt. Sec. 10.8).
9. Provide you and one of your supervisorial or managerial personnel, our initial training program (Franchise Agrmt. Sec. 11.1). If you ask and we agree, we will provide additional training to other supervisorial and managerial personnel selected by you for which we charge a daily fee of \$500 per day. (Franchise Agrmt. Sec. 11.5). Other than this, we do not assist in recruiting or hiring or training your personnel.

11. Review the grand opening promotion plan you will propose to us, and tell you if we approve it or not (Franchise Agrmt. Sec. 16.1).

Length of Time Between Signing Franchise Agreement and Opening Your Training Facility.

We estimate that you will open within 180 - 280 days after signing the Franchise Agreement. We require you to obtain premises, construct, equip, get our consent to open and open the facility for business within 310 days after entering into the Franchise Agreement. Factors that may affect this length of time include how long you need to find a location, obtain a lease, and get the location built-out and equipped. Construction delays, including those caused by pandemics, epidemics or other unforeseen events occurring in the geographic area where you operate your facility, may delay your ability to open your facility.

Continuing Obligations

After you open for business we will:

1. Provide a phone number you can contact us at from time to time to make inquiries and seek guidance and support.
2. Review proposed advertising you submit for our approval, and tell you if we approve the proposed advertising or not. (Franchise Agrmt Sec. 16.3).
3. Make available advertising materials and literature for your use. We may charge you for these, approximately equal to our costs. (Franchise Agrmt. Sec. 16.6).

4. Review the form of written agreement you propose to use with trainers, and tell you if we consent to the form of agreement or not. (Franchise Agrmt. Sec. 17.16). This review is for our benefit for the purpose of protecting the brand and system and is not assurance that the form is lawful or will serve your needs.
5. Inspect your training facility when we deem appropriate (Franchise Agrmt. Sec 17.19).
6. We may suggest prices you should consider charging. Unless we say otherwise, you set your prices. When allowed by law, we could set minimum or maximum prices or both, or specific prices or price ranges. You must comply with these if we say so. Our suggested or required pricing may be based on a range of factors; we do not represent that they will increase or maximize your revenues or profit. You must keep us informed of the prices you charge. (Franchise Agrmt. Sec. 17.14).
7. When established, make an accounting of the Promotion Fund available to you annually after your request. (Franchise Agrmt. Sec. 16.16).
8. Revise our list of approved supplies and approved suppliers from time to time and provide you the revisions. (Franchise Agrmt. Sec. 18.3).
9. Include you on our website with a link that visitors can click on to access your site. (Franchise Agrmt. Sec. 13.2).
10. Designate products and services you must offer for sale at the training facility (Franchise Agrmt. Sec. 17.4).
11. Provide you access to our software. See below
12. Consider, evaluate and let you know our decision on products, supplies or services you propose after you provide us information and samples we request. (Franchise Agrmt. Secs. 18.6).
13. Provide additional and refresher trainings, conferences, meetings or conventions when we think it is appropriate. (Franchise Agrmt. Sec. 11.6).
14. If you fail to repair or maintain the training facility or correct a deficiency that we ask, we can make the repair or correction, at your expense. Similarly, we can obtain insurance you are required to maintain, if you fail to do so. And we can resolve customer, supplier or other claims relating to your training facility, at your expense, if you fail to do so. (Franchise Agrmt. Secs. 17.22, 22.5 and 22.10).
15. If we believe operation of the training facility may be in jeopardy, or if a default or breach occurs, or if you die or become incapacitated and a fully trained manager has not yet taken over management, we can elect to operate the training facility or have our nominee do so. If we do this, you pay us a daily management fee of \$500 plus our expenses in addition to the other fees. (Franchise Agrmt. Secs. 26.3 and 27.5).

Advertising

You propose to us a grand opening marketing plan for your training facility with a budget of at least \$2,500. After we approve your plan you must implement it. (Franchise Agrmt. Sec. 16.1).

After your first 30 days of operation, you must spend at least \$250 a month of your gross revenues on local advertising and promotion of your training facility. You must submit written proof of this to us each month. After two years of operation, if you are in compliance with the Franchise Agreement and operating at

or near capacity, you can ask us for consent to lower the percentage of gross revenues to be spent on local advertising. We are not required to consent. (Franchise Agrmt. Sec. 16.2).

You must submit to us for approval any advertising that you propose to use. We will tell you if we approve or not. You can't use any advertising that we haven't approved, and you must immediately stop or modify any advertising if we say so. (Franchise Agrmt. Sec. 16.3).

We may make advertising literature and materials available for your use. We charge you our cost. (Franchise Agrmt. Sec. 16.6).

We are not obligated to conduct any advertising.

We can establish and administer a Promotion Fund. If and when established, you will contribute a percent of your gross revenue, up to 4%, to the Promotion Fund that we set up. We will contribute on a similar basis for training facilities we operate. We have sole discretion over how the Promotion Fund money is used. It will be used for advertising, marketing, public relations and related purposes we decide. If and when established, no more than 25% of the Promotion Fund will be used to solicit new franchise sales. The Promotion Fund could develop and market promotion items and make them available to you at a charge equal to the Promotion Fund's cost. You must offer and honor special offers and discount coupons the Promotion Fund develops. We do not assure that you or any particular franchisee will be the subject of or will benefit directly, or pro rata, or at all from advertising or promotion funded by the Promotion Fund. We are not required to spend a specific or any amount in your area or any area or to use any particular media. (Franchise Agrmt. Sec. 16.9).

The Promotion Fund need not spend all its funds in the year they are received. We can, but are not required to, have the Promotion Fund audited, at its expense. We will have an accounting of the Promotion Fund's contributions and expenditures prepared annually and made available to you after your written request. We are not a trustee or fiduciary for such funds. (Franchise Agrmt. Sec. 16.9(g)).

In the year ended December 31, 2021, we had not established a Promotion Fund. Therefore there was no Promotion Fund expenditures in the year then ended.

There is no council of franchisees that advises us on advertising. We may, in the future, establish one or more regional advisory councils. If we do, we will determine how members of the council are selected and the nature of its role. We may, in our absolute discretion, dissolve the council. (Franchise Agrmt. Sec. 16.11).

We may establish one or more local, regional or national advertising areas in which your training facility and at least one other Self Made Training Facility are located, as cooperative advertising region(s). We don't have to include training facilities that we own in a particular area. You must participate in and contribute to the cooperative according to its rules, up to 3% of your gross revenues, as determined by a majority of the cooperative's members. Your contributions are additional to required contributions to the Promotion Fund, if and when established, but will be credited toward your required expenditures for local advertising. (Franchise Agrmt. Sec. 16.10).

We can require that proposed organizational document of the cooperative (like articles of incorporation, bylaws, operating agreement, or the like) and operating procedures be approved by us before adoption, and before any proposed amendment. We can participate in deliberations of the cooperative and veto any decision we object to or consider detrimental. We can require the de-establishment, consolidation and/or reorganization of any one or more areas as cooperative(s).

We require you to have an Apple iPad and a laptop or desktop computer using a currently supported version of Windows for its operating system. We require you to have a printer. Initial Online training will be provided as often as necessary to enable franchisees to complete training before their Self Made Training Facility opens. If you ask and we agree to provide in-person initial training at Self Made Training's facility in Temecula, California, you must pay all travel and living expenses while training.

The instructional materials consist of our Operations Manual and selected online equipment instruction manuals.

Our training program is overseen by Miguel Aguilar who has 18 years' experience in the subjects taught, whose experience is described in Item 2 and Marc Rodriguez who has 6 years' experience in the subjects taught and has worked with us since January 2021 .

You must complete our initial training before you open the facility for business. (Franchise Agrmt. Sec. 11.1). Training may be provided by instruction, lecture, practice, practice application, self-study, on-line, DVD or other media, at-work-training and practice, participation in delivering services, with other personnel or franchisees, testing and/or combinations of these, or other means. (Franchise Agreement Sect. 11.3.) There is not a specific time in advance of opening when you must complete training. If you wish, we will also provide training to additional supervisorial or managerial person at no additional charge. If you ask and we agree to provide training at your facility, additional to the initial training, or if we determine you need additional training, you pay our standard rates for each day of additional training, per trainer. As of December 31, 2021, the rate is \$500 per day. You pay all expenses incurred by you and your supervisorial or managerial personnel for training, such as compensation, transportation, meals, lodging and other living expenses. We do not pay compensation, even for services by a trainee that benefits us or Self Made Training or other franchisees.

Additional Training and Continuing Education

We can require you to pay a monthly training and continuing education fee ("Training and Continuing Education Fee") not to exceed \$500 monthly. The fee will be used to train and provide continuing training to you and other personnel designated by us in a virtual setting. (Franchise Agreement Sec. 11.6).

ITEM 12 TERRITORY

The franchise is for a single, specific location. The location will be stated in the Franchise Agreement, when agreed. If not stated when the agreement is signed, it will be added after you and we agree to the location. You may not operate from any other location.

While you are in compliance with the Franchise Agreement, we won't establish or operate or license others to establish or operate a Self Made Training Facility serving trainers on a private basis in your "Protected Territory". Your Protected Territory will be agreed by you and us and stated in the Franchise Agreement by a description, map, zip codes or other boundaries. A typical Protected Territory is defined by freeway or street boundaries or boundaries of a community or city or county, and/or a mileage radius around your training facility. The Protected Territory could tend to be smaller in a more densely populated area or larger in a less dense area, or otherwise if you and we agree circumstances warrant.

You need our prior written consent to relocate. The Franchise Agreement does not require us to consent. We anticipate that we may be willing to consent to you relocating if your lease ended without your fault or if your location is destroyed, condemned or rendered unusable, or if other circumstances make it appropriate to consider whether to possibly relocate. We would require the new location meet our requirements.

You must use best efforts to promote and increase sales and services of the Self Made Training Facility to get the widest and best distribution and sale of products and services and solicit potential customers and accounts.

The Franchise Agreement does not give you any option or right of first refusal for another franchise.

Except for the Protected Territory, the franchise is non-exclusive. We reserve the right directly and indirectly, ourselves and through others, to establish, own and/or operate, and grant licenses or franchises to others to establish own and/or operate: Self Made Training Facilities anywhere at the outside edge of or elsewhere outside your territory; both inside and outside your territory operate fitness and other facilities using the trademarks or other trademarks at any location open to the general public; both inside and outside your territory, operate facilities at non-traditional locations (for example, within airports, amusement parks, hotels, housing complexes, school campuses, military bases, business parks) and other locations that serve principally the general population of those structures or facilities rather than the general public; and/or both inside and outside your territory operate temporary facilities of any kind and nature, using our trademarks or other trademarks, at fairs, conventions, expositions and other events of limited duration. In addition, we can ourselves and through others, manufacture, produce, distribute, market, license and sell products, merchandise and services identified by the trademarks, which may include, but are not limited to clothing, equipment, snacks, foods, beverages, books and other instructional materials, consulting, and goods and services of every kind and nature, which may be offered, sold or distributed through any kinds of stores, mail order, Internet, social media or other distribution methods or channels, retail or wholesale or otherwise, inside or outside the territory, regardless of impact to your facility and without compensation to you.

Because of these exceptions, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we control, or from other channels of distribution or competitive brands that we control.

Continuation of your Protected Territory does not depend on you achieving a certain sales volume, market penetration, or other contingency. But it is conditioned on you complying with the terms of the Franchise Agreement.

You are not restricted from servicing customers at your training facility who come from outside your Protected Territory. You must deliver services or products only at the location of your training facility.

The trademarks are owned by Self Made Training which granted us a license permitting us to use and sublicense these marks to our franchisees. The license may be terminated by either us or Self Made Training at any time for any reason upon written notice. The license has no specified term but provides that termination will not affect rights under franchise agreements we have entered into and if terminated the rights granted continue in effect until expiration or termination of each of our franchise agreements. Since Miguel Aguilar owns us as well as Self Made Training, we don't expect the license termination rights to have a negative impact on your operations.

You must notify us in writing if you learn of any demand, claim or suit alleging infringement by you of any trademark. If you used the trademarks in compliance with the Franchise Agreement, we will take the action we deem appropriate to defend and indemnify you against a third party claim that your use of a trademark according to the Franchise Agreement, infringes that party's trademark rights. We won't indemnify or defend for trademark usage not in compliance with the Franchise Agreement.

We can defend or settle a claim using counsel we choose. You must cooperate with us. You can't settle or compromise without our written consent.

You must notify us immediately on learning that any third party is or may be using a mark that is the same or confusingly similar to any trademark we license to you, who you believe is not authorized to use them. We have the right to decide what action to take, if any.

If we decide it is advisable to stop, modify or update use of any trademarks or adopt additional or substitute trademarks, you must comply with our request, at your expense. We might do this sometimes to refresh the trademarks, or modernize, or other reasons.

There are no current infringement, opposition or cancellation proceedings affecting our principal trademarks. There is no pending litigation involving our principal trademarks.

There are no currently effective material determinations of the Patent and Trademark Office, Trademark Trial and Appeal Board, trademark administrator of any state or any court regarding our principal trademarks.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION
OF THE FRANCHISE BUSINESS

You, or if you are an entity like a corporation or limited liability company, then an individual designated by you, but subject to our approval, who is at least a 60% equity owner, must actively manage and personally supervise the training facility and its affairs and operations and assure your compliance with the Franchise Agreement. You must exert best efforts but do not have to devote full time to the business. We can consent to reduce the 60% ownership requirement.

If we ask, you must obtain promises from your manager and/or other supervisory and managerial personnel to the provisions for protecting our trade secrets, not diverting business, not soliciting employees and not being in a competing business, summarized in more detail in Item 14.

If you are an entity, then whoever signs the Franchise Agreement, also agrees personally and individually to accept the duties and obligations of the franchisee.

If you are an entity, we can require you to have each owner sign a guaranty in substantially the form attached to the Franchise Agreement.

You cannot have any vending machine, automated teller machine, amusement device, pay phone, video game or other gaming or entertainment device at the training facility other than those we specify. Currently we specify only certain snack food dispensing machines. You may only sell water products purchased from our affiliate. You cannot sell or make other types of water available in your facility, including water fill stations.

The service you are authorized to provide as a franchisee is to make your facility available on a private basis, to a limited number of professional physical fitness trainers, for their use with their clients. We do not authorize you to make the facility open to the public for exercise and fitness or any other purpose. You must not offer memberships and must not hold your facility as being open to the public.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
SMTF Franchising, Inc.
Temecula, California

Opinion

We have audited the accompanying financial statements of SMTF Franchising, Inc. (a C Corporation) which comprise the balance sheet as of December 31, 2021 and 2020, and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SMTF Franchising, Inc. as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of your report. We are required to be independent of SMTF Franchising, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SMTF

Franchising, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SMTF Franchising Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SMTF Franchising Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during our audit.

SMTF FRANCHISING, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

SMTF Franchising, Inc. (SMTF) offers franchising opportunities which allow franchisees to use the Self Made Training Facility brand to develop professional coaching services to private clients. Franchisees operate training facilities which emphasize on health and exercise as well as selling apparel and related supplements. As of December 31, 2021 SMTF Franchising, Inc. had 21 franchises spread across California, Arizona, Nevada, Ohio, Florida and Texas.

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting under accounting principles generally accepted in the United States of America. Under the accrual basis of accounting, revenues are recorded as earned and expenses are recorded at the time liabilities are incurred.

Revenue Recognition

Effective January 1, 2020, SMTF Franchising, Inc. adopted FASB ASC 606 Revenue from Contracts with Customers. Management has determined that all Initial Franchise Fee revenue received in 2021 was received as compensation for preopening services described in Financial Accounting Standards Update No. 2021-02 as distinct from the franchise license. Accordingly, all Initial Franchise Fee revenue has been recognized. Other Franchise Fee revenue is recognized on a monthly basis at the time the related services are rendered. Fees are due and payable at the beginning of the month for services rendered the previous month. In accordance with FASB ASC 606 fees are recognized as the related performance obligations are satisfied.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

SMTF Franchising, Inc. is a C-Corporation and is liable for Federal and State income taxes. Corporate Income Tax returns generally remain subject to examination by the Internal Revenue Services and California Franchise Tax Board for three and four years respectively, after they are filed.

SMTF FRANCHISING, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Accounts Receivable

Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an offsetting entry to a valuation allowance for trade accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable.

Fair Value of Financial Instruments

SMTF Franchising, Inc. believes the carrying value of instruments approximates the fair value, due to their short-term nature. Financial instruments include cash and cash equivalents, accounts receivable, accounts payable and accruals.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, SMTF Franchising, Inc. considers its cash accounts and liquid investments available upon demand to be cash equivalents.

Depreciation and Amortization

SMTF's property and equipment are stated at cost at the date of acquisition. Assets are depreciated using the straight-line method over the estimated useful lives of the related asset estimated at 5, 7 or 15 years.

NOTE 2 – CONCENTRATION OF RISK

Substantially all of the Company's cash are deposited with major financial institutions. At times during the year the cash balance exceeded the Federal Deposit Insurance limit of \$250,000. These amounts are at relatively greater risk should the financial institution fail. At December 31, 2021, the Company had \$0 of uninsured balances at these institutions.

NOTE 3 – DEFERRED REVENUE

Deferred revenue represents management's estimate of revenue collected but not earned as of December 31, 2021. SMTF Franchising, Inc.'s policy is to collect franchise fees as they are earned. Deferred revenue of \$44 was collected in 2019 for 2020 and \$63 was collected in 2020 for 2021. Total balance of deferred revenue as of December 31, 2021 was \$107.

NOTE 4 - SUPPLEMENTAL DISCLOSURE OF CASH FLOWS INFORMATION

	<u>2021</u>	<u>2020</u>
Income Taxes	76,823	-

NOTE 5 – LEASES

Effective January 1, 2021, SMTF Franchising, Inc., adopted FASB ASC 842, Leases, which requires lessees to recognize a right-of-use asset and a lease liability for all leases, including operating leases.

Facility Lease

SMTF Franchising, Inc. leases its facility located at 42265 Winchester Road, Temecula, California, which has been determined to be an operating lease as specified by FASB ASC 842-10-5-3. Operating leases recognize a single lease cost representing the straight-line allocation of the remaining cost of the lease over the remaining lease term, measured at the present value of the remaining lease payments. As the rate is not readily determinable, a discount rate of 5% has been used for calculation of the present value of remaining lease payments.

In 2020 due to COVID-19 rent payments for April, May and June were deferred. Per agreement with landlord, deferred rent of \$42,550 is to be paid back monthly at the amount of \$1,150 over the remaining 37 months of the lease. If the lease is terminated for any reason by either party the deferred rent becomes due and payable immediately. Future minimum lease payments required under the lease as of December 31 are as follows:

	<u>2021</u>	<u>2020</u>
2021	-	91,440
2022	93,606	93,606
2023	55,434	55,434
	<u>149,040</u>	<u>240,480</u>

As of December 31, 2021, the corresponding assets and liabilities are as follows:

Right-of-use asset	\$101,599
Deferred Rent	1,643
Lease Payable	103,242

SMTF FRANCHISING, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 – LEASES Continued

Vehicle Lease

SMTF Franchising, Inc. leases a vehicle, which has been determined to be a finance lease as specified by FASB ASC 842-10-25-2. Finance leases recognize amortization of the right-of-use asset and interest expense related to the lease liability. The lease liability is measured at the present value of the remaining lease payments, using a discount rate based on the rate implicit in the lease, if readily determinable. As the rate is not determinable in this lease, a discount rate of 5% has been used for calculation of the present value.

In 2019, SMTF Franchising, Inc. entered into a 60-month lease of a 2017 Mercedes G550 Squared. Upon completion of the lease, the vehicle is expected to have an \$85,000 residual value, based on an average of 5,000 miles driven per year, at which point, SMTF Franchising, Inc. has the option to purchase the vehicle. Future minimum lease payments are as follows:

	<u>2021</u>
2022	22,284
2023	22,284
2024	<u>20,427</u>
	<u>64,995</u>

As of December 31, 2021, the corresponding assets, liabilities, and expenses are as follows:

Right-of-use asset	\$60,360
Lease Payable	60,360
Amortization Expense	19,051
Accrued Interest	3,233

NOTE 6 - CONCENTRATIONS

SMTF's franchisee businesses are located primarily in the State of California. As such the Company is vulnerable to any adverse conditions that may befall that geographic region.

As of December 31, 2021, total balance of this loan was \$199,180. SBA loans over \$25,000 require borrower to grant a continuing security interest in and to any and all Collateral to secure payment and performance of all debts, liabilities and obligations to SBA without limitation, including but not limited to all interest, other fees and expenses. Collateral includes inventory, equipment, promissory notes, letter of credit rights, receivables, deposit accounts and other assets.

Kollusion Fitness Products, Inc.	183,918	33,557
	<u>\$ 766,321</u>	<u>\$ 571,225</u>

NOTE 11 – PRIOR-PERIOD ADJUSTMENTS

A prior period adjustment was made to Retained Earnings in the amount of \$20,000 in 2020. This correction increased current liabilities by \$20,000 for a loan payable to Edmund Thepi that was taken out in 2016 to help pay for equipment at Mission Bay location which was owned by Miguel Aguilar at that time. This was a non-interest bearing loan which was repaid on March 22, 2021.

NOTE 13 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 8, 2022, the date on which the financial statements were issued. In early 2020 a worldwide pandemic occurred. As a result, many of the company's franchisee gyms were ordered by government authorities to either close, or their operations were restricted for various periods of time.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company's financial condition and future results of operations. Given the daily evolution of the COVID-19 outbreak and the global responses to reduce its spread, it is not possible to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for the near future.

SMTF FRANCHISING, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

SMTF Franchising, Inc. (SMTF) offers franchising opportunities which allow franchisees to use the Self Made Training Facility brand to develop professional coaching services to private clients. Franchisees operate training facilities which emphasize on health and exercise as well as selling apparel and related supplements. As of December 31, 2020 SMTF Franchising, Inc. had 17 franchises spread across California, Arizona, Nevada, Ohio, Florida and Texas.

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting under accounting principles generally accepted in the United States of America. Under the accrual basis of accounting, revenues are recorded as earned and expenses are recorded at the time liabilities are incurred.

Revenue Recognition

Effective January 1, 2020 SMTF Franchising, Inc. adopted FASB ASC 606 Revenue from Contracts with Customers. Management has determined that all Initial Franchise Fee revenue received in 2020 was received as compensation for preopening services described in Financial Accounting Standards Update No. 2021-02 as distinct from the franchise license. Accordingly, all Initial Franchise Fee revenue has been recognized. Other Franchise Fee revenue is recognized on a monthly basis at the time the related services are rendered. Fees are due and payable at the beginning of the month for services rendered the previous month. In accordance with FASB ASC 606 fees are recognized as the related performance obligations are satisfied.

In 2019 SMTF Franchising Inc. recognized franchise fee revenue at the time the related fees were earned. SMTF Franchising, Inc. has adopted the modified retrospective transition approach provided in FASB ASC 606-10-65-1. Accordingly, comparative periods prior to initial application on January 1, 2020 have not been restated.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

SMTF Franchising, Inc. is a C-Corporation and is liable for Federal and State income taxes. Corporate Income Tax returns generally remain subject to examination by the Internal Revenue Services and California Franchise Tax Board for three and four years respectively, after they are filed.

Accounts Receivable

Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an offsetting entry to a valuation allowance for trade accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable.

Fair Value of Financial Instruments

SMTF Franchising, Inc. believes the carrying value of instruments approximates the fair value, due to their short-term nature. Financial instruments include cash and cash equivalents, accounts receivable, accounts payable and accruals.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, SMTF Franchising, Inc. considers its cash accounts and liquid investments available upon demand to be cash equivalents.

Depreciation and Amortization

SMTF's property and equipment are stated at cost at the date of acquisition. Assets are depreciated using the straight line method over the estimated useful lives of the related asset estimated at 5 or 7 years.

NOTE 2 – CONCENTRATION OF RISK

Substantially all of the Company's cash are deposited with major financial institutions. At times during the year the cash balance exceeded the Federal Deposit Insurance limit of \$250,000. These amounts are at relatively greater risk should the financial institution fail. At December 31, 2020, the Company had \$0 of uninsured balances at these institutions.

Since these taxes had not been paid as of December 31, 2020 any income tax effect will be realized in future years.

NOTE 13 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through May 11, 2021, the date on which the financial statements were issued. In early 2020 a worldwide pandemic occurred. As a result, many of the company's franchisee gyms were ordered by the government authorities to either close, or their operations were restricted for various periods of time.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company's financial condition and future results of operations. Given the daily evolution of the COVID-19 outbreak and the global responses to reduce its spread, it is not possible to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for the near future.

RECITALS

Franchisor developed and is continuing to develop unique, proprietary methods and programs for operating a private health, exercise and fitness training facility, offering its services on a private basis to a strictly limited number of professional trainers who may use the Facility in service to their clients, all operating under a unique and proprietary system (the “Self Made System”). The Self Made System uses Franchisor’s methods, trade secrets, trademarks, copyrighted materials and other intellectual property of Franchisor. Franchisee wants to develop and operate a Facility using the Self Made System. Franchisor is willing to permit Franchisee to do so, on the terms in this Agreement. Accordingly, the parties have agreed as follows:

AGREEMENT

9. Grant of License.

9.1. Grant. Franchisor grants to Franchisee a non-exclusive, limited license to operate one health, exercise and fitness training facility (“Facility”) according to the Self Made System and in compliance with the Self Made Manual, at the location stated in Section 5 (the “Facility Location”), and to use the Trademarks (defined in Section 12.1) and Copyrighted Works (defined in Section 12.1) in operating the Facility during the Term of this Agreement, unless sooner terminated pursuant to this Agreement.

9.2. Limited Exclusivity. While Franchisee is in full compliance with this Agreement and subject to the limitations in Sections 9.3 and 9.4, Franchisor shall not operate or grant any other person or entity the right to operate a Self Made Training Facility in the geographic area identified or described in Section 6 (the “Territory”).

9.3. Other Limits. Franchisor reserves the right directly and indirectly, itself and through others, to establish, own and/or operate, and grant licenses or franchises to others to establish own and/or operate: (a) Self Made Training Facilities, anywhere at the outside edge of or elsewhere outside the Territory; (b) outside or inside the Territory, gymnasiums, fitness centers and other facilities using the Trademarks or other trademarks at any location open to the general public; and/or (c) outside or inside the Territory, gymnasiums, fitness centers and other facilities using the Trademarks or other trademarks, within airports, amusement parks, hotels, housing complexes, school campuses, military bases, business parks and other locations that serve principally the general population of those structures or facilities rather than the general public, and/or (d) outside or inside the Territory, temporary facilities of any kind and nature, using the Trademarks or other trademarks, at fairs, conventions, expositions and other events of limited duration.

9.4. Merchandising. Franchisor reserves the rights directly and indirectly, itself and through others, to manufacture, produce, distribute, market, license and sell products, merchandise and services identified by the Trademarks, which may include, but are not limited to clothing, equipment, snacks, foods, beverages, books and other instructional materials, consulting, and goods and services of every kind and nature, which may be offered, sold or distributed through any kinds of stores, mail order, Internet, social media or other distribution methods or channels, retail or wholesale or otherwise, inside or outside the Territory, regardless of impact to Franchisee’s Facility and without compensation to Franchisee.

9.5. Best Efforts. Franchisee shall continuously operate Franchisee’s Facility and use Franchisee’s best efforts to develop and promote the business, grow sales and increase acceptance and recognition of the Trademarks and Self Made System in the community of professional exercise and fitness trainers and in other market and industry sectors that Franchisor designates from time to time.

10. Location.

10.1. Location. Franchisee shall operate the Facility at only one location, stated or to be stated in Section 5 ("Facility Location"). Franchisee shall purchase or lease facilities in Franchisee's own name. Franchisee shall be solely responsible to pay the purchase price or rent for the premises. Franchisee shall not offer, provide or deliver services or products by any other means or distribution channels other than the Facility Location.

10.2. Criteria. Franchisee shall propose to Franchisor premises that meet Franchisor's criteria for a Self Made Training Facility. Franchisee is responsible to assure the premises satisfy Franchisor's criteria. Before obtaining possession of a proposed location, Franchisee shall provide Franchisor in writing a description and any other information about the proposed location as Franchisor requests. Franchisor will try to inform Franchisee of its approval or disapproval of the location within fifteen (15) days after all information Franchisor requested has been provided by Franchisee. Franchisee shall not enter into a lease for a location without first obtaining Franchisor's consent to that lease.

10.3. Proposed Lease. Franchisee shall submit any proposed lease or proposed purchase agreement for a location for Franchisor's consent. Franchisor's consent to a lease may be conditioned on requiring any or all the following as well as other terms specified by Franchisor:

- A. The term of the lease must be coterminous with this Agreement;
- B. Franchisor shall have the right but not the obligation to receive an assignment of the lease during a reasonable time after termination or expiration of this Agreement;
- C. The lessor shall provide Franchisor with a copy of any notice of default at the same time as it is delivered to Franchisee, and Franchisor shall have the right but no obligation, for at least 14 days, to cure the default if Franchisee fails to do so;
- D. Franchisor shall have an opportunity to exercise any option or right of first refusal that Franchisee does not exercise;
- E. Franchisor will have the right itself to exercise or assign Franchisor's above rights to a successor-franchisee who, at Franchisor's election, may assume the remainder of the lease and occupy and conduct the Self Made Training Facility business at the Facility Location;
- F. A statement that these provisions are included for Franchisor's benefit.

10.4. Time to Obtain Location. After Franchisor consents to a Facility Location, its address shall be stated in Section 5. Franchisee shall obtain Franchisor's consent to, and purchase or enter into a binding lease for a Facility Location within ninety (90) days after execution of this Agreement. If Franchisee has not done so within this time, Franchisor may elect to notify Franchisee that Franchisor elects to terminate this Agreement. There shall be no refund of any fees paid.

10.5. Plans. Franchisor shall provide to Franchisee, at no additional charge, standard plans and specifications for design and equipping of a typical Self Made Training Facility. Franchisee shall, at Franchisee's expense, adapt these plans and specifications to the Facility Location, and submit them to Franchisor for consent at least fifteen (15) days before any proposed construction start date. Franchisee shall not sign any contract for construction, equipment, fixtures or signage or permit construction to start until receipt of Franchisor's written consent. Franchisee is responsible to obtain all building permits, occupancy permits, certifications and the like needed to construct and operate the Facility.

10.6. Construction. Franchisee shall construct, equip, alter, improve, remodel and upgrade the premises for the Facility at Franchisee's expense, in compliance with all laws and regulations, any lease for the premises, and with the plans and specifications approved in writing by Franchisor. Franchisee shall (a) cause any construction to be completed diligently using only first quality contractors, workmanship and materials; (b) let Franchisor and Franchisor's representatives inspect the construction and development at any times; and (c) not deviate from the plans and specifications consented to by Franchisor. Within thirty (30) days after completion of construction, Franchisee shall furnish Franchisor with a copy of the certificate of occupancy, contractor's affidavits and full and final lien waivers or receipted bills covering all labor and materials expended and used. Franchisor may elect to construct the Facility build-out on Franchisee's behalf. If Franchisor elects to do so, Franchisee shall pay Franchisor for all costs to construct and build-out the Facility.

10.7. Signs. Franchisee shall maintain approved signs prominently identifying the Location as "Self Made Training Facility." Franchisee shall assure that all signage conforms to Franchisor's specifications, and applicable law. Franchisee shall comply with Franchisor's requests to alter or update signage from time to time, at Franchisee's expense.

10.8. Pre-Opening Inspection. Franchisee shall notify Franchisor in writing at least fourteen (14) days before Franchisee proposes to start operating the Facility. Franchisor shall have the right to conduct one or more pre-opening inspections. Before starting operation of the Facility Franchisee shall comply with all requests made by Franchisor concerning the Facility. Franchisee shall not start operating the Facility until all construction is completed and Franchisee (a) obtains all licenses needed to lawfully operate the Facility; (b) provides Franchisor with certificates of insurance pursuant to Section 22.3; (c) has completed Franchisor's training; and (d) obtains Franchisor's written consent to open for business.

10.9. Starting Operation. Franchisee shall, in compliance with all provisions of Sections 10.1 through this Section 10.9, start operating the Facility within three hundred ten (310) days after signing this Agreement. If Franchisee does not do so within this time, Franchisor shall have the right to terminate the Agreement. There shall be no refund of any fees paid.

10.11. Use of Location. Franchisee shall use the Facility location only to conduct the Self Made Training Facility business and not for any other purpose or activity.

10.12. Relocation. Franchisee shall have no right or power to and shall not relocate the Facility from the Facility Location without Franchisor's prior written consent. If the lease for the Location ends without Franchisee's fault or if the site is condemned or becomes unusable due to disaster, Franchisor may, in its discretion, consent to relocation to premises acceptable to Franchisor. Relocation shall be at Franchisee's expense and in compliance with the provisions of Sections 10.1 - 10.3 and other applicable provisions of this Agreement.

10.13. Consents. Franchisor will try to inform Franchisee of consents or of withholding consents and the like whether for the proposed location, lease, construction plans and specifications or otherwise, each in a reasonable time after receiving all information requested. Consents and the like are for Franchisor's benefit and do not imply assurance of legal compliance, performance, results, at or concerning the location or any aspect of the business.

11. Training.

11.1. Initial Training. Before Franchisee starts operating at the Facility, Franchisor shall provide an initial training program to as many as two (2) personnel of Franchisee, comprised of Franchisee's principal owner and one supervisory or managerial employee selected by Franchisee. These person(s) shall diligently take

and complete the initial training to Franchisor's satisfaction. Franchisor is not obligated to provide initial training if Franchisee or its affiliate already owns or operates a Self Made Training Facility.

11.2. Completing Training. If Franchisor determines that a trainee failed to attend or successfully complete initial training, Franchisor may elect to let him or her re-enroll in the next initial training. Franchisor shall have the right to terminate this Agreement if, in Franchisor's discretion, a trainee, after re-enrolling, does not successfully complete initial training. There shall be no refund of any fee paid.

11.3. Scope. Franchisor shall have the right to determine and vary duration, location(s), subjects covered, composition, number of trainees who may participate in, materials to be used, instruction methods, format for communication, and any and all other aspects of training programs. Training may be provided by instruction, lecture, practice, practice application, self-study, on-line, DVD or other media, at-work-training and practice, participation in delivering services, with other personnel or franchisees, testing and/or combinations of these, or other means.

11.4. Duration. At the time of signing this Agreement, Franchisor estimates the initial training will require approximately forty three (43) hours, involving approximately five (5) days, but may actually be less or more. Training shall occur at times and places Franchisor designates.

11.5. Additional Training. If Franchisee requests and Franchisor agrees to provide additional training or assistance or if Franchisor determines that Franchisee requires additional training, Franchisee shall pay Franchisor's then standard rates for each day of additional training or assistance. At the time of signing this Agreement this rate is five hundred dollars (\$500) per day.

11.6. Training and Continuing Education. Franchisor shall have the right to charge Franchisee a monthly training and continuing education fee ("Training and Continuing Education Fee") not to exceed \$500 monthly. The Training and Continuing Education Fee shall be used to train and provide continuing education to Franchisee and other personnel designated by Franchisor in a virtual setting. Franchisee shall complete all training required by Franchisor.

11.7. Required Participation. Franchisee and/or other supervisory or managerial personnel selected by Franchisee, shall attend and participate in training programs, conferences, business meetings and conventions, when requested by Franchisor. Attendance shall be as and when requested by Franchisor, in person or as otherwise specified by Franchisor. If Franchisee fails to participate in any required training program, conference, business meeting or convention, Franchisee shall pay Franchisor five hundred dollars (\$500) for each training, conference, business meeting or convention missed.

11.8. Expenses. Franchisee shall be solely responsible to pay all expenses incurred by Franchisee and Franchisee's managerial and supervisory personnel for training (compensation, transportation, meals, lodging, other living expenses, etc.). Franchisor shall have no obligation to, and shall not, pay compensation even for services by a trainee or other attendee that is for or beneficial to Franchisor, any affiliate, or other franchisees.

11.9. Training Staff. To impart to Franchisee's personnel the procedures, techniques, standards and other information relating to the Self Made System, Franchisee shall conduct any trainings, meetings and other programs for non-managerial personnel of Franchisee.

11.10. Excusing Some Training. If Franchisee or persons affiliated with Franchisee, already completed Franchisor's training (for example, pursuant to another Franchise Agreement, or due to prior employment at another Self Made Training Facility franchise), then Franchisor shall have the right, on Franchisor's own initiative or Franchisee's request, to modify or waive some or all of Franchisee's obligations regarding

training. Franchisor is not obligated to grant a waiver or modification. A waiver or modification is not effective unless made in writing and signed by Franchisor.

11.11. Consultation. Franchisor will provide a phone number that Franchisee can use to contact Franchisor on a reasonable basis from time to time to make inquiries and seek guidance and support.

12. Trademarks and Copyrights.

12.1. Scope. For this Agreement “Trademarks” means “Self Made,” “Self Made Training Facility,” “SLFMD,” the logo on the first page of this Agreement, the phrase “Where Champions are Self Made,” and other trademarks, service marks, logos, slogans and commercial symbols adopted or authorized by Franchisor for use by Franchisee. For this Agreement “Copyrighted Works” means the Self Made Manual, instructional and related materials Franchisor provides to Franchisee, advertisements, promotion materials and other materials Franchisor creates, acquires or obtains licenses for, that are protected by copyright law, that Franchisor authorizes Franchisee to use in operating the Facility.

12.2. Use. Franchisee shall use the Trademarks and Copyrighted Works only for operation of and advertising the Self Made Training Facility, and always according to instructions, rules, procedures and restrictions Franchisor provides. Franchisee shall: (a) use only those Trademarks and Copyrighted Works designated by Franchisor from time to time; (b) use the Trademarks only in size, color, style and format and only at places and media Franchisor designates; (c) not use any Trademark with any prefix, suffix, or other modifying word, term or symbol, except as Franchisor authorizes; (d) not use any Trademark or Copyrighted Works to sell any service or goods not part of the Self Made System or in any way not authorized by Franchisor; and (e) not use the Trademarks or Copyrighted Works in any manner that may incur any obligation or debt on behalf of Franchisor.

12.3. Other Trademarks. Franchisee shall not display in or on the Facility, or in sales or promotion materials, advertising, stationery or elsewhere, any other trademark, logo or symbol nor use any other trademarks in operating the Facility without Franchisor's prior written consent.

12.4. Trade Name. Franchisee shall not use the words “Self Made” or any of the Trademarks, or any words, logos or symbols confusingly similar to any of these, in any entity name.

12.5. Ownership. Franchisee acknowledges that Franchisor and/or the Franchisor's affiliate is sole owner of the Trademarks and Copyrighted Works and all Franchisee's uses of and all goodwill associated with these shall benefit and be the property only of Franchisor or Franchisor's affiliate (as applicable). Franchisee shall have no right, title or interest in or to any of the Trademarks or Copyrighted Works except the limited right to use them on the terms in this Agreement. Franchisee shall not assert any claim to own any goodwill or other interest in the Trademarks or Copyrighted Works, nor represent that Franchisee acquired any ownership in any of these. Franchisee shall not dispute or impugn the validity of or Franchisor's rights in the Trademarks or Copyrighted Works.

12.6. Independent Ownership Notices. Franchisee shall publish and record fictitious business name registrations as required by law. Franchisee shall accompany use of the Trademarks and Copyrighted Works on signage, stationery and other materials and elsewhere with notices that Franchisor specifies, that the Facility is independently owned and operated by Franchisee, and that the Trademarks and Copyrighted Works are owned by Franchisor and used pursuant to a license from Franchisor.

12.7. Defense of Claims. Franchisee shall notify Franchisor immediately in writing on learning or receiving notice of any demand, claim or suit alleging infringement by Franchisee of any trademark or copyright. Subject to the condition that Franchisee used the Trademarks and Copyrighted Works in compliance with this Agreement, Franchisor shall take action that Franchisor deems appropriate to defend

and indemnify Franchisee against a claim or suit by a third party alleging Franchisee's use of a Trademark or Copyrighted Work according to the terms of this Agreement, infringes that party's trademark or copyright rights. For avoidance of doubt, and not as an exclusive limitation, Franchisor shall have no obligation to defend or indemnify Franchisee if a demand, claim or suit arises from Franchisee's use of any Trademark or Copyrighted Work not in compliance with this Agreement.

12.8. *Defense Alternatives.* Franchisor shall have the right to defend and settle a claim or suit using counsel selected by Franchisor. Franchisee shall cooperate with Franchisor in the defense and any efforts, as Franchisor may elect to make, concerning possible settlement. Franchisee shall not purport to settle or compromise any such claim or suit without Franchisor's prior written consent.

12.9. *Infringers.* Franchisee shall notify Franchisor in writing immediately on learning that any third party is or may be using any mark the same as or confusingly similar to the Trademarks or any material that appears to be copied from the Copyrighted Works, whom Franchisee believes may not be authorized to use them. Franchisor shall have the right to determine what, if any, action to take regarding that alleged use. Franchisee shall have no right to make demand or prosecute any claim against any third party concerning such use of the Trademarks or Copyrighted Works.

12.10. *Stopping, Modifying, Updating Use.* If it becomes advisable at any time, in Franchisor's discretion, to stop, modify and/or update use of any of the Trademarks or Copyrighted Works, or adopt or use one or more additional or substitute Trademarks or Copyrighted Works, Franchisee shall comply with Franchisor's requests, at Franchisee's expense. As examples, Franchisor might impose such requirements periodically for purpose of refreshing trademarks or modernizing based on current trends or other reasons.

12.11. *Improvements.* Franchisee shall be deemed to have granted to Franchisor the unrestricted, perpetual right, without charge, to use and license the use of any process, procedure, discovery, enhancement, adaptation, derivative work, modification, conceived, acquired, developed or enhanced by Franchisee concerning any aspect of the Facility, its operation, advertisement or promotion or the Self Made System ("Improvements"). This shall also include the right to include Improvements in the operations, materials and all other aspects of operating, advertising and promoting other franchised or licensed facilities, without charge. Nothing in this Section 12.11 authorizes Franchisee to make any modification to the operation of the Facility or to operate other than according to Franchisor's specifications and the Self Made Manual.

12.12. *No Challenge.* Franchisee shall not do or permit any act or thing to be done in conflict with Franchisor's rights in the Trademarks or Copyrighted Works during or after termination or expiration of this Agreement. Franchisee shall never, while this Agreement is in effect or after termination or expiration, contest or assist any person or entity to contest validity of or Franchisor's ownership of any of the Trademarks or Copyrighted Works. Franchisee shall not apply for, seek to obtain or accept registration in any of the Trademarks or Copyrighted Works. Franchisee shall sign any document that Franchisor deems necessary and requests of Franchisee to assist in protecting Franchisor's interests in the Trademarks and Copyrighted Works.

13. Internet and Telephone.

13.1. *Domain Name.* Franchisee acknowledges that as between Franchisee and Franchisor, Franchisor is sole owner of the domain name www.selfmadetrainingfacility.com and other domain names as Franchisor or its affiliates may establish. Franchisee shall not register or acquire a registration for any Internet domain name or social media account in any class or category that contains the phrase "Self Made Training Facility" or any abbreviation, acronym, variation or word or phrase similar to these words and phrase. If, whether in breach of this provision or otherwise, Franchisee registers or obtains registration of such a domain name, Franchisee shall immediately assign the registration to Franchisor.

13.2. Electronic, Social Media Marketing. Franchisor may elect, but is not required, to develop and/or participate in internet, electronic, social and/or other new media networks, or accounts and methods that facilitate electronic or other forms of communication among Franchisor and franchisees and/or with the public. If developed, then on Franchisor's request, Franchisee shall use the network(s) and/or account(s) Franchisor develops, in compliance with standards, procedures and restrictions established by Franchisor. Subject to the condition that Franchisee is in compliance with this Agreement, Franchisor will include Franchisee on Franchisor's website with a link that visitors can click on to access Franchisee's website.

13.3. Electronic, Social Media Management. Franchisor shall have the sole right to conduct, restrict, prohibit, manage and/or control advertising, marketing, couponing and other promotion of the Self Made System on the internet, electronic, social and other now existing or hereafter developed media. (Present-day examples include Facebook, Twitter and Linked-in, but these examples are not exhaustive; future media, not herein identified or not now in existence, are also encompassed by this provision). Franchisee shall not establish a web site, internet listing, social media or other new media presence relating to the Facility, without Franchisor's prior written consent and/or in accordance with guidelines in the Manual. Franchisor may impose conditions to consent, such as requiring Franchisee to use a network, account, template, URL and the like established by Franchisor; to use only account(s) registered by Franchisor, or other conditions. Franchisee shall, on request from Franchisor, stop any such use or presence and/or make modifications as Franchisor requests.

13.4 Service Transfer. Franchisee acknowledges that confusion will occur to the public if, after expiration or termination of this Agreement, Franchisee continues using any URL, social network account, or other new media account or phone number (listed or unlisted) used by the Facility during its operation. Immediately on expiration or termination of this Agreement Franchisee shall stop using these. At Franchisor's written request Franchisee shall cause all companies providing any form of internet, social media, other new media and telephone or telephone directory service to Franchisee or the Facility to transfer to Franchisor or Franchisor's nominee, all URLs, social media and other new media accounts and service for phone numbers used or listed for the Facility. If Franchisee fails to do so, then Franchisee irrevocably appoints Franchisor as Franchisee's attorney-in-fact to do direct all such companies to make such transfers.

14. Operations Manual.

14.1. Access. Franchisor will provide Franchisee online access to the Self Made Training Facility Operations Manual (the "Manual" or "Self Made Manual").

14.2. Contents. The Manual may include, but need not be limited to, some or all of the, procedures, standards, policies, specifications, recommendations and matters for consideration pertaining to a Self Made Training Facility and its operation, including procedures for establishing the business, day-to-day procedures, advertising and promotion, reporting functions, programs offered, human resources guidelines, sales and pricing, accounting, recordkeeping and reporting, equipment and supplies, rules for use of the Trademarks and Copyrighted Works, and other matters Franchisor deems appropriate. Not all of these may be in the Manual. Other subjects may be in the Manual. The Manual, as modified by Franchisor from time to time, is an integral part of this Agreement and all provisions now or hereafter contained in the Manual or otherwise communicated to Franchisee in writing are expressly incorporated into this Agreement by this reference and made a part of this Agreement. Franchisee acknowledges that its compliance with the Manual is vitally important to Franchisor and the Self Made System and is necessary to protect Franchisor's reputation and the goodwill of the Trademarks and to maintain the uniform quality of operation throughout the Self Made System. However, while the Manual is designed to protect Franchisor's reputation and the goodwill of the Trademarks, it is not designed to control the day-to-day operation of Franchisee's business.

14.3. Supplements. Franchisor reserves the right to prescribe, in writing (which could also include electronically), additions to, deletions from or revisions of, the Manual (“Supplements”). References in this Agreement to the Manual shall be deemed to refer to the Manual as amended by Supplements. Franchisee shall comply with amendments to the Manual immediately on delivery of the Supplement containing the amendment.

14.4. Following Manual and System. Franchisee shall operate the Facility according to the Self Made System, also including the Manual, and not deviate from any element of these, nor purport to modify any aspect or element of these, without Franchisor's written consent.

14.5. Changes. Franchisor shall have the right to modify any elements of the Self Made System, also including the Manual, whether in response to or anticipation of changing business or market conditions, or seeking to improve operations, or other reasons. Modifications could include adding elements or programs to those described in this Agreement, removing or changing elements or programs described in this Agreement and other changes. Modifications may require Franchisee to incur costs and expenses for additional equipment, training, products, personnel or other matters. Franchisee shall, at Franchisee's expense, implement modifications as and when requested by Franchisor.

14.6. Ownership. Any and all copies of the Manual including but not limited to the copy made accessible to or loaned to Franchisee, and/or portions thereof, remain(s) at all times the property of Franchisor. On expiration or termination, for any reason, of this Agreement, Franchisee shall stop and refrain from accessing the Manual and shall return to Franchisor any printed portions or elements of the Manual in Franchisee's possession or control.

15. Fees.

15.1. Initial Franchise Fee. On signing this Agreement Franchisee shall pay Franchisor an initial franchise fee of fifty thousand dollars (\$50,000). This initial fee is deemed to be fully earned when paid and is non-refundable, except as expressly stated in this Agreement.

15.2. Royalty. Franchisee shall pay Franchisor a continuing monthly royalty in the amount of seven percent (7%) of Gross Revenues (as defined below), payable on the tenth (10th) day of each calendar month for the previous calendar month.

15.3. Gross Revenues. For this Agreement, “Gross Revenues” means the total of all revenues derived from the operation, activities, sales and existence of the Facility including revenues from trainers and any other activities, occurrences and events, sales of services, apparel and other merchandise and products, and all other revenues. Gross Revenues encompasses revenues whether cash, credit, virtual currency or otherwise; proceeds of insurance; and any other fee, commissions, rents, payments or receipts received by Franchisee related to the Facility. There is no reduction for costs or expenses of operating the Facility, collection agency or credit card or virtual currency charges, litigation costs or for federal, state, or local income taxes or business or occupation taxes. Gross Revenues excludes the amount of any state or local sales tax identified in receipts or invoices to customers and actually paid by Franchisee to the taxing agency.

15.4. Technology Fee. Franchisee shall pay to Franchisor each month, together with payment of the royalty, a technology fee. At the time of signing this Agreement the monthly technology fee is two hundred fifty dollars (\$250). Franchisor shall have the right to increase this fee if this becomes appropriate in view of any technology developments, which could include, as examples, development or arrangements for an intranet, improved or expanded software, and/or other technology developments, improvements and enhancements.

15.5 Software Fee. Franchisee shall pay Franchisor each month, together with payment of the royalty and technology fees, the then-current software fee for Franchisor's proprietary software. At the time of signing this Agreement, the monthly software fee for Franchisor's proprietary software is currently nine hundred dollars (\$900). Franchisor shall have the right to increase this fee on thirty (30) days' written notice to Franchisee.

15.6. Product Purchases. Franchisee shall pay Franchisor and Franchisor's affiliates in full and on time for all purchases of products or services received from Franchisor or Franchisor's affiliate(s). Franchisee shall adhere to any minimum purchase requirements prescribed by franchisor from time to time for products to be used or sold at the Facility.

15.7. Late Charge. For any amount not paid to Franchisor or Franchisor's affiliate when due, Franchisee shall pay a late charge equal to the greater of fifty dollars (\$50) or one-and-one-half percent (1.5%) per month (18% per year) but not more than the maximum rate or amount allowed by law. For a payment by check or other means that is returned or dishonored, Franchisee shall also pay an administrative fee of fifty dollars (\$50) plus applicable late charges. Thereafter, Franchisor shall have the right to require Franchisee to make payments by money order, cashier's check, credit card, or other means such as electronic or when applicable COD, in advance, or other similar method of advance or concurrent payment of immediately available funds. This Section is not an agreement to permit late payments or a commitment to extend credit. Failure to pay an amount as and when due is a breach of this Agreement.

15.8. Payment. Franchisee shall pay all amounts due to Franchisor and Franchisor's affiliates using method(s) and procedure(s) Franchisor specifies from time to time. Franchisor requires payment by automatic or electronic withdrawal. Franchisee shall execute a Direct Debit Agreement in substantially the form attached as Exhibit "A" to this Agreement. Franchisor shall have the right to require payment by check, automatic or electronic withdrawal, third party service such as PayPal or the like, or other method and procedure, and the right to require Franchisee to maintain an account at a bank or other institution or service acceptable to Franchisor, into which Franchisee shall deposit all revenues, and cooperate in arrangements to facilitate withdrawals and payments to Franchisor. This could also require Franchisee to purchase equipment and devices and facilitate access by Franchisor and receipt from customers, placement and deposit of and transfers of payments according to methods and procedures Franchisor specifies.

16. Advertising.

To protect the Self Made System, Trademarks, Copyrighted Works and the goodwill associated with the same:

16.1. Grand Opening. Franchisee shall propose for Franchisor's consent, at least sixty (60) days before opening, a grand opening promotion plan to be conducted in the period one month before opening through the initial ninety (90) days of operation. Franchisee shall budget and spend at least two thousand five hundred dollars (\$2,500) on grand opening promotion. Franchisee shall revise or modify the plan as Franchisor requests. Franchisee shall implement the plan that Franchisor consents to and not implement the plan without first obtaining Franchisor's consent.

16.2. Ongoing Advertising by Franchisee. After the first thirty (30) days of operation, Franchisee shall expend at least Two Hundred Fifty Dollars (\$250) of Gross Revenues per month on local advertising and promotion of the Facility to the community of professional trainers and persons interested in exercise, health and fitness. Franchisee shall submit written proof to Franchisor each month, with the first royalty payment that month, of Franchisee's advertising expenditures for the prior month, and specimens of advertising and promotion that Franchisee conducted.

16.3. Submitting Proposed Advertising. Franchisee shall submit to Franchisor at least fourteen (14) days before proposed first use, all advertising and promotion that Franchisee proposes to use which was not provided by Franchisor or previously consented to by Franchisor. This includes but is not limited to proposed print, broadcast, Internet and social media and other advertising, flyers, brochures, coupons, class schedules and descriptions, and all other forms of advertising and promotion. Franchisee shall not use any advertising or promotion without first obtaining Franchisor's written consent to that advertising or promotion.

16.4. Advertising Compliance. Franchisee shall assure that all advertising and promotion accurately describes the Facility's services and products. At Franchisor's request, Franchisee shall stop using, or, if Franchisor requests, modify, any advertising that Franchisor deems to be actually or potentially outdated, incorrect, misleading, unlawful, inconsistent with the then-current image Franchisor wants to present, potentially harmful to the Self Made System or Trademarks or Copyrighted Works, even if Franchisee disagrees with Franchisor's assessment and even if Franchisor's assessment is incorrect.

16.5. Franchisor's Right to Use. Franchisor shall have the right to use for Franchisor's own purposes and to authorize other franchisees to use, any and all advertising, marketing, materials, procedures, ideas and concepts used, developed or submitted by Franchisee, without charge or cost to Franchisor or any other franchisee.

16.6. Advertising Costs. Franchisor may make available advertising literature and materials for Franchisee's use. Franchisor shall have the right to charge Franchisee for these, approximately equal to Franchisor's development and other costs, also reasonable amounts for Franchisor's overhead.

16.7. Use of Advertising. Advertising materials provided by Franchisor for Franchisee's use shall be used only in the manner and during times specified by Franchisor.

16.8. Directories. Franchisee shall at Franchisee's expense maintain listings in major business, internet, phone and other directories designated by Franchisor, under categories designated by Franchisor. Franchisor shall have the right to require Franchisee to also identify other Self Made Training Facilities in these listings, at Franchisee's expense.

16.9. Promotion Fund. Franchisor shall have the right, but no obligation, to establish and administer an advertising and promotion fund ("Promotion Fund"). When established, Franchisee shall contribute a percentage of Franchisee's gross sales ("Promotion Fund Contribution") to the Promotion Fund. Franchisor shall have the right to designate and from time to time to modify the percentage of gross sales Franchisee must contribute, but Franchisor shall not require Franchisee to contribute at a rate greater than four percent (4%) of Franchisee's Gross Revenues. Contributions to the Promotion Fund shall be made at the same times and same manner as royalty payments provided for in Section 15.2.

(a) Franchisor Contributions. For each Self Made Training Facility operated by Franchisor, (or an affiliate that Franchisor controls) Franchisor shall (or in the case of an affiliate that Franchisor controls, Franchisor shall require the affiliate to) contribute to the Promotion Fund at substantially the same rate as provided in Franchise Agreements of a majority of franchisees (which will not necessarily be at the same rate or time schedule required of Franchisee in this Agreement). Franchisor shall have the right, but is not obligated, to collect and contribute to the Promotion Fund any advertising or other rebates from suppliers or others.

(b) Uses. The Promotion Fund, if and when established, shall be used for advertising, marketing, public relations and related purposes that Franchisor deems appropriate. As examples, the Promotion Fund could be used to pay for marketing surveys, research, production and purchasing of advertising art, commercials, musical accompaniments, point of sale materials, media advertising, outdoor advertising, direct

mail, couponing, public relations; internet communications; social media, keyword purchases, development of computer applications (sometimes called “apps”); preparing and producing video, audio and written materials; buying internet, tv, radio, magazine, billboard, newspaper and other media advertising; advertising agencies; paying or reimbursing Franchisor's or affiliates' internal expenses incurred in operating marketing or advertising departments if any, administration of the Promotion Fund, providing or selling marketing materials to franchisees or licensees, conventions and meetings for personnel of; co-branding, other arrangements where Self Made Training Facility products or services are offered with other Trademarks or through alternative distribution channels, and paying costs to account for and report on contributions, expenditures and activities of the Promotion Fund. Franchisor shall have the right to use a portion of the Promotion Fund, not to exceed 25% of the amounts collected, to solicit new franchise sales.

(c) Promotion Materials. After established, Franchisor may cause the Promotion Fund to develop and market promotion items. Any such items will be made available to Franchisee at a charge equal to Franchisor's or the Promotion Fund's costs, which may include reasonable allocations for overhead. Franchisee shall maintain a representative inventory of promotion items according to requirements established by Franchisor. The Promotion Fund, if established, may develop programs that include special offers and discount coupons. Franchisee shall honor all such offers and coupons. Franchisor has no obligation to reimburse Franchisee for any cost or discount related to acceptance of coupons or special offers.

(d) Administration. Franchisor shall have sole discretion over creative concepts, materials, media and placement of advertising and promotion funded by the Promotion Fund. Franchisor does not assure that Franchisee, or any particular franchisee, will be the subject of, or will benefit directly, pro rata or at all, from advertising or promotion funded by the Promotion Fund.

(e) Maintenance. Contributions to the Promotion Fund may but need not be maintained in accounts separate from Franchisor's other funds and may be commingled with Franchisor's other funds. In view of the usage, the funds contributed to the Promotion Fund are not revenue to Franchisor. Franchisor shall be deemed not to be a trustee and not to have the obligations of a trustee or other fiduciary with regard to such funds. Franchisor shall have the right to charge the Promotion Fund up to ten percent (10%) of the amount of contributions, to defray Franchisor's administrative costs and overhead associated with administering the Promotion Fund.

(f) Timing of Expenditures. Franchisor need not expend all Promotion Fund contributions in the year or other period when received. Franchisor shall have the right to accumulate funds to facilitate larger future expenditures, or borrow funds against anticipated future contributions.

(g) Accounting. After the Promotion Fund is established, an accounting of contributions and expenditures shall be prepared annually and made available to Franchisee after written request. Franchisor shall have the right but no obligation to cause accountings to include an independent audit of contributions and expenditures. Franchisor shall have the right to cause the Promotion Fund to pay for the preparation of such accounting and audit.

(h) Termination. Franchisor shall have the right to terminate the Promotion Fund. After electing to terminate, Franchisor shall cause all amounts in the Promotion Fund to be expended for purposes authorized for the Promotion Fund or returned in some manner to or for the benefit of Franchisee and other franchisees. Franchisor shall also have the right to restart the Promotion Fund, or a new Promotion Fund, any time after terminating it. Any new or restarted Promotion Fund shall be subject to the provisions of this Article 16.

16.10. Regional Franchisee Marketing. Franchisor shall have the right at any time, to establish as well as to require de-establishment, consolidation and/or reorganization of one or more local, regional or national

advertising areas in which Franchisee's Facility and at least one (1) other Self Made Training Facility are located, as cooperative advertising region(s).

(a) Participation and Contribution. Franchisee shall participate in and contribute to the cooperative according to its rules and procedures, as determined by a majority of the cooperative's members, provided that the cooperative shall not be permitted to require Franchisee to contribute at a rate exceeding three percent (3%) of Franchisee's Gross Revenues. Franchisee's contributions to the cooperative shall be additional to required contributions to the Promotion Fund, but shall be credited toward required expenditures for local advertising under Section 16.2.

(b) Cooperative Documents. Franchisor shall have the right to require that proposed organizational documents of the cooperative (articles of incorporation, bylaws, an operating agreement, or the like) and operating procedures be consented to by Franchisor before adoption, and before any proposed amendment. Franchisor shall have the right but no obligation, to participate in deliberations of the cooperative and to veto any decision of the cooperative that Franchisor objects to or considers detrimental to the interests of Franchisee, the cooperative or the Self Made System. Franchisor shall have the right but no obligation to require any cooperative(s) to prepare and provide Franchisor annual or periodic financial statements at their expense.

16.11. Franchisee Advisory Council(s). Franchisor shall have the right to establish one or more Self Made Training Facility Regional Franchisee Advisory Councils. The purposes of the Advisory Council(s) shall be designated by Franchisor and may include, without limitation, exchanging ideas, exploring solutions to problems, and/or advising Franchisor on advertising and other operational matters. Franchisor shall have the right to designate whether and when to establish and/or dissolve any such council(s), area(s) encompassed, number of members or participants, and other aspects. Advisory Councils shall be advisory only unless Franchisor designates otherwise. Franchisee shall be responsible for Franchisee's expenses to participate.

16.12. Participation. Franchisee shall participate fully in advertising and marketing programs and promotions that Franchisor or the Promotion Fund develop and/or conduct and deem to be mandatory.

16.13. Gift Certificates. Franchisee shall participate in any gift certificate program Franchisor and/or the Promotion Fund establish or adopt, including but not limited to selling gift certificates and accepting gift certificates as payment for services and merchandise. Reimbursement for accepted certificates may be on a discounted basis or subject to a service charge for administration of the gift certificate program.

17. Standards.

17.1. Compliance. Franchisee shall comply fully with all requirements of the Self Made System, all contents of the Manual, and all instructions and requests of Franchisor.

17.2. Best Efforts. Franchisee (or if Franchisee is an entity, a principal or owner of Franchisee meeting the requirements in Section 17.5), shall always devote best efforts and energy to active management and operation of the Facility and to actively developing, marketing and promoting patronage and sales of the Facility.

17.3. Operation Only at Facility Location. Franchisee shall offer, provide and/or deliver services or products only at the Facility Location. There is no restriction on trainers who Franchisee may provide services to, provided the services to trainers shall be provided at the Facility Location.

17.4. Scope of Services. Franchisee shall offer for sale at the Facility all services, programs and products Franchisor designates to be offered, and shall not offer and shall discontinue offering any service, program or product that Franchisor restricts or prohibits from being offered at the Facility. By way of example,

Franchisor currently requires and may continue to require that Franchisee not hold the Facility open to the general public, and that Franchisee may make the Facility available only to professional trainers for them to provide service to their clients. Franchisee shall operate the Facility at least the minimum days and hours that Franchisor may specify from time to time, which could be as much as twenty-four (24) hours per day, every day of the year, including all holidays and weekends.

17.5. Owner Participation. Franchisee or if Franchisee is any form of entity, then an individual designated by Franchisee who is at least a sixty percent (60%) equity owner of the entity, and who shall be subject to consent of Franchisor, shall be responsible to actively manage and supervise the Facility and its affairs and operations and assure Franchisee's compliance with this Agreement.

17.6. Manager. In addition to Franchisee's active role in the operation of the Facility, Franchisee may designate one individual manager, exercising along with Franchisee, day-to-day management responsibility and on-premises supervision of the Facility. Franchisee shall inform Franchisor in writing of the identity of the proposed manager and each supervisory or managerial successor. Within ten (10) days after the resignation, termination or other departure of a manager Franchisee shall notify Franchisor in writing and designate a successor manager. Each proposed manager shall satisfy all requirements in the Manual. Franchisee shall cause each proposed manager to attend and successfully complete Franchisor's next scheduled training for Facility managers and other training that Franchisor specifies.

17.7. First Class Facility. Franchisee shall maintain the Facility and all its equipment, and everything located there or associated with the Facility in first class condition. Franchisee shall assure that the Facility and all its equipment are always in good repair, clean, operational, well lit and in good working order. Franchisee shall, at its expense, repair and maintain the Facility (interior and exterior), its equipment, signs, fixtures, furnishings, supplies, materials and other tangible property at the Facility, in a high degree of cleanliness, sanitation, working order and good repair. Franchisee shall promptly replace any item which becomes worn, damaged, non-repairable, or mechanically impaired. All replacement items shall be the type, model and quality specified in the Manual.

17.8. Private Facility. Franchisee shall operate the Facility on a private basis, making the Facility available on a private basis to a strictly limited number of professional fitness and exercise trainers, where they can provide services to their clients. Franchisee shall not hold the Facility as being open to the public. Franchisee shall adhere to limits set by Franchisor from time to time on (a) number of trainers who may be permitted to use the Facility, and (b) number of clients whom a trainer may conduct services for at any particular time.

17.9. Cleanliness, Courtesy. Franchisee shall require a high standard of cleanliness, hygiene, clean grooming, neat clean clothing and appearance and courtesy from all Facility personnel. Franchisor may require Franchisee to exceed legal requirements for personnel of a health and fitness business.

17.10. Legal Compliance. Franchisee shall assure that Franchisee and the Facility in all its aspects and operations, comply with all applicable laws and regulations including, but not limited to, federal, state and local laws prohibiting various forms of discrimination; applicable laws pertaining to the privacy of customers, employees, and transactions information ("privacy laws"), zoning, sanitation, wages, tax collection, orders of building inspectors, fire commissioners, and other government officials.

17.11. Government Inspections. Franchisee shall maintain the highest level, grade and rating of cleanliness, sanitation, public safety, fire safety, health and other subjects that government agencies inspect or have the right to inspect. Franchisee shall comply with all notice requirements of these agencies. Franchisee shall notify Franchisor in writing and provide Franchisor a copy of each report within one day after receiving anything less than the highest level, grade or rating from any agency. Franchisee shall promptly correct any

condition, circumstance, practice or the like that the agency disapproves or that otherwise causes the level, grade or rating to be less than the highest level, grade or rating.

17.12. Payments. Franchisee shall pay when due all debts and obligations to vendors, suppliers and other third parties and all taxes, and shall maintain good relations and current accounts with all personnel, contractors, suppliers and vendors, except for amounts that are subjects of a bona fide dispute.

17.13. Honest Dealings. Franchisee shall deal ethically, fairly, honestly and in good faith in all dealings with customers, vendors, Franchisor and others. All trainers (and, if any, other customers of any kind or nature) shall be properly registered and their data entered fully and accurately in computerized records and otherwise in the manner designated by Franchisor; no trainer or other customer shall be permitted to use the Facility without registration. Franchisee shall not engage in transactions or activity not recorded in the books and records of the business, regardless of whether Franchisee intends or claims not to have intended to have concealed such transactions or activity from Franchisor.

17.14. Pricing. Unless and until Franchisor advises otherwise, Franchisee shall have discretion to determine prices Franchisee charges. If and when permitted by law, Franchisor shall have the right to set minimum or maximum prices, or both, or specific prices, or price ranges, or combinations of these. Franchisee shall comply with such minimums, maximums, specifications and ranges. Franchisor may make its determinations based on any of a range of factors, and thus does not represent that any one or more prices or ranges or suggestions by Franchisor, will increase or maximize Franchisee's revenues or profit as to an item, service or overall. Franchisee shall inform Franchisor in writing of all prices Franchisee charges for services and goods, and all revisions to prices.

17.15. Staff. Franchisee shall permit only individuals who have been trained, are lawfully eligible to be employed, and who meet other requirements that Franchisor may establish from time to time, to be employed and provide services at the Facility. All employees hired by or working for Franchisee shall be the employees of Franchisee, and Franchisee alone, and shall not, for any purpose, be deemed to be employees of Franchisor or subject to Franchisor's direct or indirect control, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any Governmental Authority. Franchisee and Franchisor will each file their own tax, regulatory and payroll reports, and be responsible for all employee benefits and workers compensation insurance payments with respect to their respective employees and operations. Franchisee acknowledges and agrees that Franchisor will not have the power to hire or fire Franchisee's employees. Franchisee alone shall be solely responsible for all hiring and employment decisions and functions relating to the Facility, including, without limitation, those related to hiring, firing, training, establishing remuneration, compliance with wage and hour requirements, personnel policies, benefits, recordkeeping, supervision and discipline of employees, regardless of whether Franchisee has received advice from Franchisor on these subjects or not. Franchisee acknowledges and agrees that any guidance Franchisee receives from Franchisor regarding employment policies should be considered as examples, that Franchisee alone is responsible for establishing and implementing its own employment policies, and that Franchisee understands that Franchisee should do so in consultation with local legal counsel experienced in employment law. Franchisee shall indemnify, defend, reimburse and hold Franchisor harmless from any direct and indirect losses, costs and expenses, including attorney's fees, arising out of any claim made by or for the benefit of any employee of Franchisee against Franchisor regarding employment decisions and employee functions at the Facility, including, without limitation, those relating to hiring, firing, training, wage and hour requirements, record keeping, supervision, and discipline of employees.

17.16. Customer Contract. Franchisee shall not use any form of written or verbal agreement for programs, events or other services to trainers (or any other customers) or enter into any written or verbal agreement in a form that has not been submitted to and consented to in writing by Franchisor. Franchisor's review and

consent is for Franchisor's benefit for the purpose of protecting Franchisor's trademarks and the Self Made System, and is not a representation that the form of agreement is lawful or will serve Franchisee's needs. Franchisor may withhold consent for any reason Franchisor deems appropriate, which may include as an example, a provision that Franchisor considers too burdensome or considers may harm the reputation of the Trademarks or Self Made System.

17.17. Performance of Agreements. Franchisee shall perform the terms of any agreement entered into with a customer, vendor or any other person or entity.

17.18. No Machines. Franchisee may install at the Facility snack dispensing machines meeting specifications established by Franchisor. Otherwise, no vending machine, automated teller machine, amusement device, pay phone, video game or other gaming or entertainment device of any nature, whether or not coin operated, shall be installed or used at the Facility without first obtaining Franchisor's written consent.

17.19. Inspections. Franchisor shall have the right to monitor and/or inspect any facilities, equipment, activities, events, and/or any aspects of the Facility at times Franchisor deems appropriate, with or without prior notice. To facilitate candid inspections, Franchisor shall also have the right to arrange mystery or secret shopper customers, who may use fictitious identities to request the opportunity to use the Facility's services or products. Franchisee shall cooperate in permitting Franchisor to monitor and/or inspect any and all aspects of the Facility and to interview, question and otherwise communicate with trainers, other customers, employees, vendors, landlords, and others. Franchisee shall take action that Franchisor requests to correct deficiencies and/or make improvements identified by or as a result of such inspections.

17.20. Electronic Monitoring. Franchisee shall install and maintain, at Franchisee's expense, a network camera monitoring system that Franchisor specifies or approves, giving Franchisor remote monitoring access at any time to observe activities from different vantage points Franchisor specifies or considers satisfactory, at the Facility Location. This monitoring is for Franchisor's benefit. Franchisor shall not have any obligation to communicate to Franchisee any aspect of what is observed or learned from such monitoring.

17.21. Repair, Maintenance and Refurbishing. Franchisee shall, at its expense, add and/or replace equipment, modify equipment, renovate, remodel, refurbish and otherwise conform the Facility to updating and change requirements prescribed by Franchisor, from time to time, in its equipment, layout, physical appearance, design or other aspect of the Facility ("Refurbishing"). Franchisee shall complete these actions (a) immediately upon notice for matters that Franchisor deems to concern health or safety or reputation of the Trademarks; otherwise (b) within sixty (60) days of written notice for actions Franchisor deems to be achievable within that time; and/or (c) within one hundred eighty (180) days of written notice for actions Franchisor deems to appropriate to permit such length of time. Franchisee shall be required to perform major Refurbishing once during the seven (7) year term of this Agreement, at a time established by Franchisor, and again as a condition of renewal. Franchisor reserves discretion to determine if a particular modification to the Self Made System comprises Refurbishing or is part of Franchisee's obligation to repair and maintain the Facility and/or conform to operating changes and enhancements imposed by Franchisor.

17.22. Franchisor Right to Act. If Franchisee fails to repair or maintain the Facility or correct any deficiency from Franchisor's requirements, or make an improvement requested by Franchisor, Franchisor shall have the right, but no obligation, without waiving the breach and/or Franchisor's other remedies, to arrange to repair or correct the deficiency or make the improvement, at Franchisee's expense. Franchisor shall have no liability to Franchisee for deficiency in or other aspect of the work performed. Franchisee shall reimburse all Franchisor's costs for such action.

17.23. Customers. References in this Article 17, or elsewhere in this Agreement to customers other than trainers, refer to circumstances in which other customers use the Facility, but such provisions (and this Section 17.23) do not imply that Franchisee may allow use of the Facility by any person(s) other than professional trainers.

17.24. Authorization to Release Information and Use Images. Franchisee hereby authorizes (and agrees to execute any other documents deemed necessary to effect the authorization) (i) all banks, financial institutions, businesses, suppliers, manufacturers, contractors, vendors and other persons or entities with whom Franchisee does business to disclose to Franchisor any financial information in their possession relating to Franchisee or the Self Made Training Facility which Franchisor may request; (ii) Franchisor to disclose to prospective franchisees or other third parties data from Franchisee's reports if Franchisor determines, in Franchisor's sole discretion, that the disclosure is necessary or advisable; (iii) Franchisor to photograph and film Franchisee, its employees, the public and all areas of the Self Made Training Facility, without further authorization from, or compensation to, Franchisee and to use such person's images for marketing and promotion of the Self Made Training Facility, and other Self Made Training Facilities; and (iv) Franchisor to disclose to third parties, including but not limited to Franchisee's landlord or bank, information about Franchisee relating to Franchisee's obligations or performance under this Agreement if Franchisor determines, in Franchisor's sole discretion, that the disclosure is necessary or advisable.

18. Suppliers and Supplies.

18.1. Purchasing. Franchisor shall have the right to establish purchasing programs for equipment, products, furnishings, fixtures (collectively "Products") or services for such purposes as seeking to concentrate larger volumes of purchases to seek better: prices, costs, products, reliability of supply, distribution, ability to monitor, inventory management, or other benefits. The goal of attaining such benefits does not mean any will be achieved on particular items or services or at particular times. Franchisee's claimed or actual ability to obtain lower prices, better terms, better service, or other benefits from supplier(s) other than designated by Franchisor, does not permit Franchisee to do so outside the program(s) established by Franchisor without Franchisor's prior written consent. Whether or not Franchisee perceives that Franchisee benefits from such program in the way(s) Franchisee wants, or at all, Franchisee shall participate fully in such purchasing programs according to their terms.

18.2. Approved Products. Only signs, advertising, promotion material, Products and services which meet standards and specifications established by Franchisor from time to time shall be used at the Facility.

18.3. Approved Suppliers. Franchisor may provide to Franchisee lists of approved suppliers and distributors authorized to supply equipment, products, furnishings, fixtures and services for the Facility ("Approved Suppliers List") and lists of these that are approved for use at the Facility ("Approved Supplies List"). Franchisor may revise these lists from time to time. Franchisee shall purchase these only according to the Approved Supplies List, and only from suppliers on the Approved Suppliers List, unless Franchisor consents to Franchisee doing otherwise.

18.4. Franchisor as Supplier. For some or potentially all Products and services it is possible that sometimes or at all times Franchisor will designate itself or an affiliate of Franchisor as an approved supplier or the sole approved supplier, whether or not as part of a purchasing program. As examples, but not as a limitation, Franchisor could develop proprietary products or services or branded products or services, and require Franchisee to obtain these only from Franchisor or Franchisor's affiliates. Franchisor or the affiliate shall have the right to charge prices to Franchisee that include mark-ups and profit to Franchisor or the affiliate.

18.5. Quality Standards. All Products used in operating the Facility or for sale at the Facility which are not specifically required to be purchased according to the Approved Supplies List or Approved Suppliers List, shall conform to any specifications and quality standards Franchisor establishes from time to time.

18.6. Other Supplies and Suppliers. If Franchisee proposes to offer for sale or use at the Facility any Product or service which is not then approved by Franchisor, or to purchase from a supplier not designated as an approved supplier, Franchisee shall first notify Franchisor in writing and request consent. Franchisee shall provide in writing the proposed supplier's name and address, description of the Product or service proposed to be purchased, and other information Franchisor requests. Examples of additional information Franchisor may request include financial, operational and economic information regarding the supplier.

18.7. Requirements of Supplier. Franchisor may require a proposed supplier to enter into a confidentiality agreement prescribed by Franchisor, and provide specifications for the Products or services potentially to be supplied. Franchisor may require a proposed supplier to furnish at no cost, samples, specifications and other information Franchisor specifies. Franchisor or its designee shall be permitted to inspect facilities of the proposed supplier and establish delivery terms, service and other requirements. Franchisor shall have the right to require Franchisee or the proposed supplier to pay or reimburse Franchisor's estimate of or costs and expenses for the evaluation, such as costs of travel and living third party inspection and testing agencies. Franchisor will use reasonable efforts to notify Franchisee of Franchisor's decision within a reasonable time after Franchisor's receipt of all information and items provided for in this Section.

18.8. Supplier Compliance. Franchisor shall have the right to require any supplier to (a) satisfy requirements regarding quality of Products and services, pricing, reliability of delivery, inventory management, insurance, indemnification and non-disclosure; (b) provide samples at no charge; (c) sell Products bearing the Trademarks only to authorized franchisees of Franchisor and only pursuant to a trademark license agreement prescribed by Franchisor; (d) provide Franchisor duplicate purchase invoices and other reports; (e) undergo periodic compliance audits by Franchisor or Franchisor's representatives; and (e) comply with other Franchisor requests.

18.9. Withdrawal of Consent. Franchisor shall have the right to reevaluate any Products, services or supplier and withdraw prior consent when Franchisor deems appropriate.

18.10. Acknowledgement. Franchisee acknowledges that goals for cost, service and consolidating purchases to increase bargaining power and seek better pricing and service, and other factors, may militate against having more than one supplier or multiple suppliers in a market. Among the factors Franchisor may consider regarding a proposed supplier are effects of consent on lowering costs and pricing, quality and uniformity of Products and services and/or impact on any purchasing program(s) and/or inventory management programs established or anticipated by Franchisor. Franchisor may determine that any Products or services shall be limited to a designated brand or brands determined by Franchisor.

18.11. Warranty Limit. For Products supplied by Franchisor to Franchisee, in the absence of a manufacturer's warranty, Franchisor warrants to Franchisee that for a period of thirty (30) days after delivery of the Product it will meet Franchisor's specifications in material respects. WHERE A MANUFACTURER'S WARRANTY EXISTS, THEN AS TO SUCH GOODS FRANCHISOR MAKES NO WARRANTY OF ANY KIND OR NATURE AND SUCH GOODS ARE SOLD AS IS, WHERE IS WITH ALL FAULTS. Franchisor will try to pass on the manufacturer's warranty and Franchisee shall look only to the manufacturer for any claim regarding the product. Franchisor does not warrant that any product will meet Franchisee's or any purchaser's or user's particular requirements. Franchisor makes no warranty of any kind other than as expressly stated in this Section 18.11. FRANCHISOR DISCLAIMS ANY EXPRESSED OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE OR PURPOSE. THERE IS NO WARRANTY THAT EXTENDS BEYOND THE FACE HEREOF.

18.12. Returns. Franchisee shall have the right, within thirty (30) days after receipt of a product from Franchisor, to determine if it is defective and to return a defective product within that time. Franchisee waives all other rights to inspect for defects, reject acceptance or otherwise return a product to Franchisor.

18.13. LIABILITY LIMIT IN EVENT OF INVALIDITY. IF ANY OF THE WARRANTY LIMITATIONS OR EXCLUSIONS IN SECTION 18.11 OR ELSEWHERE OR LIMITATIONS OF LIABILITY IN SECTION 22.11 OR ELSEWHERE, OR ANY PART, IS OR BECOMES INVALID OR UNENFORCEABLE, THEN AND IN ANY EVENT FRANCHISOR'S LIABILITY SHALL NOT EXCEED THE AMOUNT PAID BY FRANCHISEE TO FRANCHISOR OR FRANCHISOR'S AFFILIATE FOR THE APPLICABLE PRODUCT FOR WHICH THE CLAIM IS MADE.

19. Additional Services

19.1. Product Sales. Franchisor will designate certain categories of products and particular products that Franchisee shall offer for sale at the Facility. These may include but are not limited to apparel, supplements, snacks, water, books and recordings. Franchisor may elect to designate only limited categories or particular brands of items. Franchisor may elect, for some or all categories, not to designate any item. Franchisee shall obtain products only from Franchisor or suppliers approved by Franchisor as provided in Sections 18.3 and 18.4.

19.2. Proprietary Elements. Franchisor shall have the right to require that all or certain categories of products authorized for sale from the Facility bear the Trademarks, or include or consist of proprietary products, or meet other specifications established by Franchisor.

19.3. Non-Proprietary Products. Franchisor shall have the right to designate products, equipment, supplies, services packaging, forms, software, modems and peripheral equipment and other products and equipment, other than branded products or proprietary products authorized for sale, which Franchisee must use at the Facility. Franchisor shall have the right to require Franchisee to obtain any or all of these from Franchisor or approved suppliers. Franchisee shall pay all fees, charges and costs in doing so.

19.4. Restriction on Sale. Franchisee may use, offer or sell only services and products that Franchisor expressly authorizes, and that are obtained from Franchisor or suppliers approved by Franchisor pursuant to Sections 18.3 and 18.4. Franchisor shall provide, from time to time, price lists showing Franchisor's charges for such items and Franchisor's suggested resale prices.

19.5. Ending Consent. Franchisor shall have the right to discontinue authorization, approval and/or consent for the sale of any particular services or products or categories of services or products at any time.

19.6. Effect of Agreement Ending. Following expiration or termination of this Agreement, or in the event of breach by Franchisee, Franchisor shall not be obligated to fill or ship any order then pending nor to accept any further order from Franchisee.

20. Trade Secret Protection

20.1. Scope and Ownership. Franchisor developed, possesses and will develop more confidential information consisting of procedures and steps to develop a first class fitness and exercise training facility emphasizing services to professional trainers, information on locating the facility and on equipment, programs, pricing, promotion materials and marketing and business methods, advertising concepts and procedures for operating Self Made Training Facilities and franchises. The confidential information also includes negative information on actions that are not effective, equipment not to use and other negative information. There is also additional confidential information about other aspects of their development and operation. All of these, the contents of the Manual, customer and operational information and data and other

information generated from the operation of the business are agreed and acknowledged to constitute, and are referred to as, "Trade Secrets."

20.2. Source. Franchisor will disclose certain Trade Secrets to Franchisee in lending or providing Franchisee access to the Manual, providing standard plans for the Facility, performing other obligations and exercising rights under this Agreement. Franchisee acknowledges that Franchisee's knowledge of all material aspects of a Self Made Training Facility will come from Trade Secrets that Franchisor will disclose to Franchisee.

20.3. Ownership Acknowledgments. Franchisee acknowledges that the Trade Secrets are proprietary, confidential information of Franchisor, having economic value to Franchisor, in part because they are not known to the public, competitors or others. Franchisee shall acquire no interest in the Trade Secrets, other than the right to use them in developing and operating the Facility during the term of this Agreement. By way of illustration, Franchisor shall be deemed to own all customer data arising from the operation of the business, including but not limited to contact and patronage information and Franchisor shall have the right to use such data in any manner that Franchisor deems appropriate without compensation to Franchisee. Copies and/or originals of such data must be provided to Franchisor upon request. Franchisor hereby licenses use of such data back to Franchisee, at no additional cost, solely for the term of this Agreement and solely for Franchisee's use in connection with the Self Made Facility.

20.4. Protecting Confidentiality. Franchisee shall maintain confidentiality of the Trade Secrets during and after the term of this Agreement. Franchisee shall not use any Trade Secrets in any other business or venture and shall not use the Trade Secrets in any manner not authorized or approved in writing by Franchisor.

20.5. No Copying. Franchisee shall not make any unauthorized copy of any Trade Secrets disclosed in writing or Trade Secrets disclosed other than in writing and put in writing.

20.6. Procedures to Protect Secrets. Franchisee shall implement reasonable procedures, and all procedures prescribed from time to time by Franchisor, to prevent unauthorized use and disclosure of Trade Secrets, including but not limited to imposing restrictions on disclosure to personnel, shareholders, directors, members, officers, partners, employees and other personnel of Franchisee. Franchisee shall not divulge the Trade Secrets except to personnel who must know them to do their jobs, and only the portions the personnel need to know.

20.7. Manual. By way of emphasis, and not limitation, Franchisee shall not copy, record or otherwise reproduce any or all of the Manual and shall not make any of the Manual available to any unauthorized person. Franchisee shall assure that Franchisee's employees, agents, independent contractors and any other personnel do not copy, duplicate, record or otherwise reproduce any or all of the Manual.

20.8. Public Information. The restrictions in this Article 20 on Franchisee's disclosure of Trade Secrets shall not apply to information that is or becomes generally known and used by other similar businesses, other than through disclosure (whether deliberate or not) by Franchisee.

20.9. No Diversion. Franchisee shall not directly or indirectly divert or attempt to divert any business or customers to any competitor, or do or perform, directly or indirectly, any other act harmful to the goodwill associated with the Trademarks, Copyrighted Works or the Self Made System.

20.10. No Competing Business During Term. To reduce the risk of accidental or intentional misuse of the Trade Secrets, and to facilitate Franchisee's best efforts under Sections 9.5 and 17.2, Franchisee shall deal exclusively with Franchisor during the Term of this Agreement. Franchisee, Franchisee's spouse, Franchisee's domestic partner, a family member residing with Franchisee, and/or a social partner with whom Franchisee resides, (and if Franchisee is an entity, then any shareholder, member or other equity owner of

Franchisee and each such category of person in relation to such shareholder, member or other equity owner) shall not, directly or indirectly own, maintain, engage in, consult with or have any interest in any business specializing, in whole or in part, in providing exercise, fitness training or similar health and fitness services in a training facility or a gymnasium environment whether similar to or different from the services offered in the Self Made System. Franchisee shall be responsible to assure compliance with this Section by each and all such individuals.

20.11. *Further Trade Secret Protection.* To reduce the risk of accidental or intentional misuse of any Trade Secrets, Franchisee, Franchisee's spouse, Franchisee's domestic partner, a family member residing with Franchisee, and/or a social partner with whom Franchisee resides, (and if Franchisee is an entity, then any shareholder, member or other equity owner of Franchisee and each such category of person in relation to such shareholder, member or other equity owner) shall not, for a period of twenty four (24) months after expiration or termination of this Agreement, regardless of the cause of expiration or termination, directly or indirectly, own, maintain, engage in, consult with or have any interest in any business specializing, in whole or in part, in providing exercise, fitness training or similar health and fitness services in a training facility or a gymnasium environment whether similar to or different from the services offered in the Self Made System within a distance of twenty (20) miles of the Facility or within a distance of twenty (20) miles from any Self Made Training Facility, whether franchised or owned and operated by Franchisor, affiliate of Franchisor or any franchisee of Franchisor. Franchisee shall be responsible to assure compliance with this Section 20.11 by each and all such individuals.

20.12. *Covenants Severable, Modifiable.* Each of the covenants in Sections 20.1 through 20.11 shall be deemed independent of any other provision of this Agreement. If all or any portion of a covenant in this Article 20 is held unenforceable by a court having jurisdiction, Franchisee shall be bound by any lesser covenant subsumed within the terms of that covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 20.

20.13. *Covenants from Franchisee Personnel.* Franchisor shall have the right to require Franchisee to obtain from Franchisee's personnel performing managerial, supervisory and marketing functions and all personnel receiving training from Franchisor, executed covenants with restrictions substantially similar to those stated in Sections 20.9 through 20.11, above.

20.14. *Injunctive Relief.* Franchisee acknowledges that money damages would not be a sufficient remedy for breach of the obligations in this Article 20. Franchisor shall be entitled to seek and obtain equitable remedies including, but not limited to, immediate restraining orders and injunctive relief for the actual or threatened breach of any obligation in this Article 20.

20.15. *Acknowledgment.* Franchisee acknowledges that the right, obligations and restriction in this Article 20 are being implement and imposed to protect the Self Made System, Trademarks, Copyrighted Works and the goodwill associated with the same

21. Records and Audits.

Franchisee shall retain all invoices, payroll records, cash receipts journals, sales tax records, disbursement journals, general ledgers and all other books and records of the finances of the Facility for four (4) years after the calendar year of the books and records, and any additional length of time that Franchisor requests from time to time.

21.2. Trainer Information. Franchisee shall maintain for at least four (4) years and such longer period as Franchisor specifies, records of trainers and any other customers, services provided and related information. Franchisee shall provide these records to Franchisor on request.

21.3. Reporting. The financial statements shall be prepared according to generally accepted accounting principles, and, if requested by Franchisor, reviewed or audited by an independent certified public accountant, at Franchisee's expense. Franchisee shall provide Franchisor with a copy of all Franchisee's federal and state income tax returns, extension requests, amendments and other tax return filings at the same times as these are filed with tax authorities.

21.4. Additional Reports. Franchisee shall submit to Franchisor reports, forms and records, in the manner, containing information and at times Franchisor specifies from time to time. This may include but is not limited to a weekly report including various data to be accompanied by the payments required under Sections 15.2, 15.6 and 16.9 and any other applicable fees.

21.5. Computer and POS Systems; Software. Franchisor shall have the right from time to time to designate, and Franchisee shall obtain, install and use computer hardware, systems, Point of Sale system, apps and other software, and any revised versions, additional, upgraded or replacement apps and other software, systems and equipment Franchisor designates from time to time. Franchisee shall cooperate in measures to provide Franchisor unlimited access to all computer and POS data, computer system and related information via direct access, in person or electronically, real-time and or stored and delayed, all as Franchisor designates from time to time. All sales, customer and other information that Franchisor designates, shall be entered and recorded by Franchisee on the computer and/or POS systems designated by Franchisor. Each party to this Agreement acknowledges and agrees that changes to technology are dynamic and not predictable within the term of this Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, Franchisee agrees that Franchisor will have the right to establish, in writing, reasonable new standards for the implementation of technology in the Self Made System; and Franchisee agrees to comply with those reasonable new standards that Franchisor establishes.

21.6. Inspections; Audits. Franchisee shall make available to Franchisor for inspection at times and in a manner that Franchisor requests from time to time, all original electronic and paper records and books that Franchisor designates. For this Agreement records and books also includes email communications. On request Franchisee shall provide Franchisor with codes needed to access Franchisee's email accounts.

21.7. Inspections; Audit Results. If an inspection or audit reveals an underpayment or understatement to Franchisor, then Franchisee shall immediately pay the amount underpaid or understated, plus interest from the date the amount was due until paid, at the percentage rate stated in Section 15.7. If any underpayment or understatement was two percent (2%) or more in any period, then Franchisee shall also reimburse Franchisor's costs and expenses of the inspection or audit. The provisions of this Section do not excuse any breach reflected by the underpayment or understatement, and are additional to Franchisor's other rights and remedies.

21.8. Maintenance of Records. Franchisee shall keep and maintain all financial records, reports and accounts pertaining to the Facility for four (4) years after the date of termination or expiration. Franchisee shall deliver to Franchisor a complete copy of each insurance policy within ten (10) days after delivery of the certificates of insurance, and of each new or renewal policy on receipt of the policy. Franchisor shall have the right at any time to require Franchisee to provide Franchisor full copies of any or all Franchisee's insurance policies and certificates of insurance.

22.4. Franchisor Master Policy. If Franchisor elects to purchase or arrange for one or more master policy(s), system-wide policy(s), or policy(s) for multiple franchisees, then if Franchisor requests, Franchisee shall participate in each such policy that Franchisor designates, by paying to be insured under that policy; and Franchisee shall comply with any rules and procedures established by the insurer(s) as conditions to participating in such policy(s).

22.5. Franchisor Right to Secure Insurance. If Franchisee fails to purchase, participate, maintain or provide proof of any insurance required by any provisions of this Agreement, and copies of policies, then Franchisor shall have the right, but no obligation, to obtain that insurance, or other insurance that Franchisor elects to obtain for this purpose. Franchisee shall, at Franchisor's election, pay all premiums for the insurance or reimburse premium payments made by Franchisor. Franchisor's right under this Section and any action taken by Franchisor do not excuse Franchisee's breach.

22.6. Disclaimer. Franchisor shall have no obligation to obtain or maintain any insurance for or on behalf of Franchisee. Nothing in this Agreement implies that any insurance Franchisee is required to obtain and maintain will be sufficient insurance for any purpose.

22.7. Claims. Franchisee shall notify Franchisor in writing of any and all claims or demands against Franchisee, the Facility or Franchisor within forty eight (48) hours after Franchisee receives notice of the claim or demand. Franchisee shall respond to all claims within the time required by law. Franchisee shall cooperate with Franchisor or Franchisor's designee in defending Franchisor and Franchisee against any and all claims.

22.8. Indemnification. Franchisee shall defend, at its own cost, and indemnify and hold harmless Franchisor, Franchisor's shareholders, members, partners, directors, officers, employees and agents, from and against any and all debts, charges, losses, costs, expenses (also including accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses), damages and liabilities, however caused, resulting directly or indirectly from or pertaining to: (a) use, condition, construction, equipping, decorating, occupancy, maintenance, purchases and/or operation of the Facility; (b) arrangements for, orders and sales of or for services and merchandise; (c) claims for personal injury, loss of or damage to property, or other injury or damage arising from services provided by Franchisee; (d) claims for injury, death or loss to any person or property of any customer; (e) claims from any other aspect of, from or concerning the Facility; (f) liens, claims or charges on the premises in favor of mechanics, materialmen, contractors or subcontractors or any other person or persons who may obtain a lien or claim arising out of construction, maintenance or improvements to the premises; (g) Franchisee's breach of this Agreement or allegation that, if true would be a breach of this Agreement; (h) infringement, alleged infringement or any other violation or alleged violation by Franchisee of intellectual property or other rights of any third party, other than matters for which Franchisor in this Agreement expressly agrees to indemnify Franchisee; (i) violation, breach or asserted violation or breach by Franchisee of any contract, law or regulation; (j) actual or alleged libel, slander or any other form of defamation; (k) actual or alleged act, error or omission of Franchisee or Franchisee's personnel; (l) any claim, liability or damages associated with any obligation under the lease for the location; (m) any claims or liability arising from labor or employment law violations from Franchisee's operations; (n) any claims or demands by Franchisee's employees against Franchisor alleging joint employer or other employment claims; and (o) acts and omissions of the Franchisee and Franchisee's employees. This Section survives expiration or termination of this Agreement.

22.9. No Assumption of Liability. Franchisor shall not, by virtue of any consent, advice or services, be deemed to have assumed or undertaken a responsibility or liability to Franchisee or any third party. Franchisor shall not have any liability or obligation for any debt or other obligation incurred by Franchisee in or relating to Franchisee's operation of the business, or otherwise.

22.10. Franchisor Resolution of Claims. To protect persons or property, goodwill of Franchisor or of others, and/or resolve matters economically, Franchisor may, at any time and without notice, as Franchisor considers appropriate, consent or agree to settlements, pay to remove liens, or take other remedial or corrective action that Franchisor deems appropriate regarding any action, suit, proceeding, claim, lien, demand, inquiry or investigation if Franchisor believes there are grounds to conclude that any act or circumstance for which Franchisee is required to indemnify Franchisor occurred; or any act, error or omission of Franchisee or Franchisee's personnel may result in damage, injury or harm to any person or any property, or that it is more economical to resolve the matter than to dispute it, or to avoid injury or damage to the goodwill of Franchisor or of the Trademarks. Franchisee shall pay or reimburse to Franchisor on demand the amount paid by Franchisor or amount equal to the value given by Franchisor, also including Franchisor's costs, expenses and counsel fees.

22.11. Limit of Liability. FRANCHISOR SHALL NOT BE LIABLE TO FRANCHISEE OR TO CUSTOMER, SUPPLIER OR OTHER PERSON OR ENTITY FOR ANY COST, EXPENSE, LOSS OF PROFIT, LOSS OF BUSINESS, INTERRUPTION OF BUSINESS, OR FOR OTHER DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR ANY OTHER DAMAGE, COST, LOSS

OR EXPENSE OF ANY KIND, OTHER THAN DIRECTLY FORESEEABLE ACTUAL CONTRACTUAL DAMAGES WHETHER UNDER THIS AGREEMENT OR FOR OR ON ACCOUNT OF ANY PRODUCT OR SERVICE OR NONPERFORMANCE OF SERVICE, OR OTHERWISE, EVEN IF FRANCHISOR WAS ADVISED OF THE POSSIBILITY OF THAT DAMAGE, COST, LOSS OR EXPENSE AND REGARDLESS OF THE NATURE OF THE CLAIM OR CAUSE OF ACTION WHETHER PURPORTING TO BE IN CONTRACT, TORT, LAW, EQUITY, STATUTORY OR OTHERWISE.

23. Term and Renewal.

23.1. Term. Unless sooner terminated this Agreement will last for seven (7) years, starting on the date stated in Section 3 and expiring at the close of business on the seventh (7th) anniversary of that date (stated in Section 4).

23.2. Renewal Option. Franchisee shall have an option to renew this Agreement, for a successive seven (7) year term. Franchisee may exercise the option by delivering to Franchisor written notice of election to renew at least ninety (90) days but not more than one hundred eighty (180) days before the expiration date provided for above. Failure to exercise the option according to these terms, irrevocably waives that option.

23.3. Renewal Conditions. Each of the following is a condition precedent to Franchisee's right to exercise the option to renew:

A. Franchisee shall have given written notice of Franchisee's desire to renew to Franchisor at least ninety (90) days but not more than one hundred eighty (180) days before expiration of the term; the notice shall be accompanied by payment of a renewal fee; the amount of the renewal fee shall be fifteen thousand dollars (\$15,000).

B. Franchisee shall have been in full compliance with this Agreement, including but not limited to provisions for payments to Franchisor, continuously during the term of this Agreement, at the time of delivering the written notice and at expiration of this Agreement.

C. Franchisee shall, at least ninety (90) days before the expiration date of this Agreement have proven to Franchisor's satisfaction that Franchisee has the right to remain in possession of the premises for the duration of the renewal term and shall have completed refurbishing, brought the Facility into full compliance with the specifications and standards then applicable for a new or renewing Self Made Training Facility franchisee, and committed to refurbishing in the renewal term.

D. At least forty-five (45) days prior to expiration of this Agreement, Franchisee shall execute a new franchise agreement on the form then being used by Franchisor. The renewal franchise agreement shall provide for a term of seven (7) years, to start on the expiration date of this Agreement. The renewal franchise agreement may be modified to omit any right to further renewal and may provide for different, additional and larger fees compared to this Agreement and may be materially different from this Agreement in any or all of its other provisions. The renewal franchise agreement will be accompanied by a general release which Franchisee and all guarantors of Franchisee shall also sign.

E. Before the expiration of this Agreement, if Franchisor requests, Franchisee and personnel of Franchisee designated by Franchisor, shall attend a refresher training, orientation seminar, or workshop.

F. None of the grounds for termination provided for in Article 27 shall exist.

G. Franchisee shall have satisfied all Franchisor's then-current requirements for a new or renewal franchisee. Accordingly, within a reasonable time after receipt of the written notice under Section

23.3(A) above, Franchisor could elect to provide Franchisee with written notice of (i) any reasons Franchisor has identified at that time that could cause Franchisor not to permit renewal; and (ii) Franchisor's then-current upgrading and Refurbishing and other requirements for a Self Made Training Facility. Franchisee shall comply with these requirements within the time stated in Franchisor's notice.

23.4. Renewal Documents. After Franchisor determines that Franchisee may potentially be or become eligible for renewal, Franchisor shall, if required by law to do so, provide its then current Franchise Disclosure Document and accompanying renewal agreement(s). Franchisee shall immediately sign and return a written acknowledgement of receipt of these items. Franchisee shall hold and review these items during the cooling off period required by law. At least forty-five (45) days before expiration of this Agreement, Franchisee shall execute the applicable agreement(s) and return it or them to Franchisor.

23.5. Extension of Term. If Franchisee complied with all conditions for renewal and applicable law requires Franchisor to give Franchisee earlier or larger notice than provided above, this Agreement will remain in effect on a month-to-month basis until the notice required by applicable law has been given.

23.6. Month-to-Month Agreement. If Franchisee does not sign Franchisor's then-current Franchise Agreement prior to the expiration date and Franchisee continues to accept the benefits of this Agreement after it expires, then at Franchisor's option, this Agreement may be treated either as (i) expired as of the expiration date with Franchisee then operating without a license to do so and in violation of Franchisor's rights; or (ii) continued on a month-to-month basis ("Month-to-Month Agreement") until one party provides the other with written notice of such party's intent to terminate the Month-to-Month Agreement, in which case the Month-to-Month Agreement will terminate thirty (30) days after receipt of the notice to terminate the Month-to-Month Agreement, or such longer notice period as is required by applicable law. In the latter case, all of Franchisee's obligations shall remain in full force and effect during the Month-to-Month Agreement as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Month-to-Month Agreement.

24. Transfer.

24.1. No Transfer by Franchisee Without Franchisor Consent. Without Franchisor's prior written consent, Franchisee shall not sell, assign, transfer, convey, give away, pledge, assign as security or encumber to any person or entity all or part of Franchisee's interest in this Agreement or in the franchise or in any entity which owns any interest in the franchise, nor offer, permit or allow Franchisee or any ownership or other interest in Franchisee to be sold, assigned, transferred, conveyed, given away, pledged, assigned as security or encumbered to any person or entity. Any purported occurrence of any of these without Franchisor's prior written consent shall be null and void and is a material breach of this Agreement.

24.2. Conditions for Consent. Franchisor may, in its sole discretion, require as conditions of its consent to any transfer, that:

A. All Franchisee's monetary obligations to Franchisor, its subsidiaries and affiliates and all other outstanding obligations related to the franchised business shall have been satisfied;

B. Franchisee shall be in full compliance with and not be in breach of, this Agreement;

C. The transferor(s) shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its shareholders, partners, members, directors, officers, employees, representatives, and agents;

D. If applicable in Franchisor's discretion, based on the nature of the transfer, the proposed transferee shall demonstrate to Franchisor's satisfaction that he, she or it meets Franchisor's managerial, business and all other standards; possesses a good business reputation and credit rating; and has the aptitude and ability to conduct the business;

E. If applicable in Franchisor's discretion, based on the nature of the transfer, the proposed transferee shall, at his, her or its expense, upgrade the Facility to Franchisor's then-current standards for a new Self Made Training Facility, and complete upgrading and other requirements within a time set by Franchisor;

F. Franchisee and its owners shall remain liable for all obligations to Franchisor incurred before the transfer, and shall execute instruments requested by Franchisor to reconfirm such liability;

G. If applicable in Franchisor's discretion, based on the nature of the transfer, the proposed transferee and proposed manager shall complete any training programs then in effect for franchisees on terms that Franchisor establishes;

H. Franchisee or the proposed transferee shall pay Franchisor at the time of requesting Franchisor's consent to the transfer, a transfer fee. The transfer fee shall be seven thousand five hundred dollars (\$7,500). If Franchisor does not consent to the transfer, then Franchisor shall return one-half of this amount; and

I. The transferee shall sign Franchisor's then-current form of Franchise Agreement and ancillary agreements, which may include terms and conditions that are materially different from this Agreement, and shall be modified to provide for a term equal to the remaining term of this Agreement.

24.3. No Security Interest. Franchisee shall not grant or permit to arise or exist any security interest in Franchisee, the franchised business or assets of the franchised business, nor any negative pledge or equivalent, without Franchisor's prior written consent.

24.4. Nonwaiver. Franchisor's consent to a transfer is not a waiver of any claim against any person or entity, nor of Franchisor's rights to demand full compliance with this Agreement.

24.5. Waiver of Interference. Franchisee acknowledges that Franchisor has legitimate reasons to evaluate and confer with potential transferees and analyze and critique terms of a proposed transfer. Franchisee authorizes Franchisor to communicate with any potential transferee and with others potentially involved in a transfer; investigate any potential transferee's qualifications, and analyze and critique proposed terms of any transfer to proposed transferee(s). Franchisee waives any claim for interference, other tort or otherwise arising from or relating to those contacts or actions.

24.6. Transfer by Franchisor. Franchisor shall have the right to transfer or assign all or any part of its rights or obligations under this Agreement in whole or in part, on one or more occasions, to any person(s) or entity(s). Franchisor shall have the right to acquire or be acquired by or engage in other transactions with other entities, even if they engage in the same or competitive business. Due to mergers, acquisitions, sales, restructurings or other transactions that could occur, Franchisor could acquire, be acquired by, and/or become affiliated with competitive entities; or entities affiliated with Franchisor may become unaffiliated; or combinations of these events may occur. Nothing in this Agreement restricts the delivery of services in the Territory to or by entities now or in the future affiliated with Franchisor under one or more different marks, or assures Franchisee that any entity that becomes affiliated with Franchisor that provides services in the Territory will continue to do so or cease doing so. Nor does this Agreement create any right or interest in Franchisee to service customers or accounts of any entity that becomes affiliated with Franchisor in the future.

25. Right of First Refusal.

25.1. Franchisor's Right. Franchisor shall have a right of first refusal itself to accept the terms of any sale, transfer or assignment of any interest in this Agreement or in Franchisee or other transfer, offered by Franchisee or offered to and accepted by Franchisee, or permitted by Franchisee with regard to any owner(s) of interests in Franchisee, whether voluntarily or by operation of law.

25.2. Additional Rights. If Franchisor exercises the right of first refusal, then: (a) Franchisor shall have the right to substitute cash for any form of payment in the offer; (b) Franchisor's credit-worthiness shall be deemed to be at least as good as the proposed purchaser; (c) Franchisor shall have at least sixty (60) days after notifying Franchisee of its election to exercise the right of first refusal, to prepare for closing; and (d) Franchisor shall be entitled to receive written representations and warranties from Franchisee that Franchisee owns clear title to all assets being sold, transferred or assigned; all assets are in good working condition; there is no breach of this Agreement or any agreement affecting the Facility; and there are no liabilities of Franchisee that have not been disclosed to Franchisor in writing.

25.3. Notice. To enable Franchisor to exercise the right of first refusal, Franchisee shall deliver to Franchisor written notice stating all terms of any proposed sale, transfer or assignment and shall provide additional information Franchisor requests about the proposed transaction.

25.4. Consent. Within thirty (30) days after Franchisor receives the notice and all additional information requested by Franchisor, Franchisor shall, in writing, consent or withhold consent to the proposed sale, assignment or transfer or, pursuant to this Article 25, accept for itself or its nominee the sale, assignment or transfer.

25.5. Entire Interest. If a transfer occurs by virtue of the assignment of a portion of the ownership of an entity comprising Franchisee, to other than the original owners of Franchisee then Franchisor shall have the option to purchase not only the interests being transferred but also the remaining interests, so that after the transaction Franchisor will own one hundred percent (100%) of the interest in Franchisee. Any purchase of such interests shall be valued on a basis proportionate to the price of the interests initially being offered.

25.6. Lease. If Franchisor exercises its right of first refusal, then if requested by Franchisor, Franchisee shall take all action necessary to cause the lease for the Facility and any other agreements designated by Franchisor, to be assigned to Franchisor.

25.7. Completion. If Franchisor elects not to exercise the right of first refusal and consents to the proposed sale, assignment or transfer, then Franchisee shall be authorized to complete the transaction with the proposed assignee on the terms in the original notice to Franchisor. Any change to any such terms shall constitute a new proposal which shall again require compliance with the procedures in this Article 25.

25.8. Other Transactions. An election by Franchisor not to exercise the right of first refusal for a proposed transaction shall not affect Franchisor's right of first refusal for any other proposed transaction. Franchisor's decision not to exercise the right of first refusal does not constitute consent of the proposed transferee or assignee or of the transaction. Franchisee and any proposed transferee or assignee shall be required to comply with all provisions relating to transfer and assignment in this Agreement.

26. Death or Incapacity.

26.1. Opportunity of Heirs. If Franchisee is an individual who dies, or becomes permanently incapacitated, then Franchisor shall allow the deceased's surviving spouse, heirs, or estate or the incapacitated person's legal representative, the opportunity to participate in ownership of Franchisee during one hundred eighty (180) days after the death or incapacity, provided during that time the surviving spouse, heirs or estate or legal

representative: (a) maintains all standards of the franchise, performs all obligations of Franchisee and satisfies all then-current qualifications for a purchaser of a franchise or, (b) in accordance with all provisions of this Agreement, sells the person's ownership interest in Franchisee or, if applicable, this Agreement and the Facility to a person who satisfies Franchisor's then-current standards for new franchisees.

26.2. Entity. If Franchisee is an entity, then the death or incapacitation of a shareholder, member, partner, director, manager or principal officer of Franchisee shall not automatically constitute an assignment or transfer of this Agreement under Section 24.1 provided that during one hundred eighty (180) days after the death or incapacitation the surviving spouse, heirs or estate or the incapacitated person's legal representative (a) maintains all standards required by Franchisor, performs all obligations of Franchisee and satisfies all then-current qualifications for a purchaser of a franchise or, (b) in accordance with all provisions of this Agreement, sells such person's ownership interest in Franchisee or, if applicable, this Agreement and the Facility to a person who satisfies Franchisor's then-current standards for new franchisees.

26.3. Operation. From the date of death or incapacity until satisfied that a qualified and trained manager has assumed operational supervision of the Facility, Franchisor or its nominee shall have the right, but no obligation, to enter and operate the Facility. A decision by Franchisor to do so shall be deemed to be an accommodation to assist Franchisee. Franchisor or the nominee makes no representation regarding ability to operate the Facility profitably, and Franchisor or the nominee shall not be responsible for results of such operation. Franchisee shall reimburse all Franchisor's or the nominee's expenses incurred in operating the Facility pursuant to this Section including but not limited to travel, lodging, meals, and personnel compensation; and shall pay Franchisor or the nominee, in addition to all other amounts provided for in this Agreement, a management fee equal to five hundred dollars (\$500) per day plus Franchisor's expenses, for the period of such operation. Franchisor or the nominee shall have the right to cause itself to be paid and reimbursed any or all these amounts from revenues of the Facility, as well as all other amounts required to be paid under this Agreement. The provisions of this Section 26.3 are additional and/or alternative to other remedies and are not an obligation of Franchisor. Franchisor is not restricted from terminating the Franchise if grounds exist to do so.

27. Default and Termination.

27.1. Termination By Franchisee. Franchisee has no right or power to terminate this Agreement prior to expiration of its term except with Franchisor's consent.

27.2. Termination By Franchisor With Limited or No Opportunity to Cure. This Agreement shall, at Franchisor's option, terminate immediately on delivery of notice of termination to Franchisee, without opportunity to cure, if Franchisee or any of its owners, members, directors, partners, officers or key employees:

- A. Fails to obtain a location, establish and equip the Facility as required by Article 10;
- B. Fails to satisfactorily complete training required by Article 11;
- C. Made any material misrepresentation or omission in the application for the Franchise;
- D. Is indicted or charged with or convicted of or pleads no contest to a felony or other crime or offense that Franchisor believes is likely to hurt the reputation of Franchisor, Franchisee, the Self Made System, the Trademarks or the Facility, even if Franchisor's belief is incorrect;
- E. Misuses or makes unauthorized use of any of the Trademarks or Copyrighted Works or Trade Secrets or commits any other act which Franchisor reasonably expects to materially impair the goodwill or value associated with any of these, or makes any unauthorized use, disclosure or duplication of any portion

of the Manual or duplicates or discloses or makes any unauthorized use of any Trade Secret or confidential information;

F. Abandons, fails or refuses to actively operate the Facility for five (5) or more consecutive days, or fails to relocate to premises acceptable to Franchisor within an approved period of time after expiration or termination of the lease for the premises;

G. Surrenders or transfers control of the Facility, makes or attempts to make an unauthorized direct or indirect assignment of the franchise or an ownership interest in Franchisee or any assets, or fails or refuses to assign the franchise or interest in Franchisee of a deceased or incapacitated controlling owner as required;

H. Submits to Franchisor on two (2) or more occasions any reports or other information which understate revenues, royalties or any fees owed to Franchisor by more than two percent (2%);

I. Is adjudicated bankrupt, becomes insolvent, commits any act of insolvency or files any action or petition of insolvency; a permanent or temporary receiver is appointed over Franchisee's or Franchisee's owner's property; makes a general assignment for the benefit of creditors; if a final judgment remains unsatisfied of record for thirty (30) days or longer (unless supersedeas bond is filed); execution is levied against Franchisee's or Franchisee's owner's business or property; suit to foreclose any lien or mortgage against the Facility or equipment is instituted against Franchisee or Franchisee's owner and not dismissed within thirty (30) days, or is not within such time in the process of being dismissed;

J. Fails on two (2) or more occasions within any period of twelve (12) consecutive months to submit reports or other information or supporting records when due, or to respond in writing to any inquiry from Franchisor when requested, or to pay royalties, advertising contributions, amounts due for purchases from Franchisor or Franchisor's affiliates, or otherwise fails to comply with this Agreement, whether or not the failures to comply are corrected after notice is delivered to Franchisee;

K. Violates any safety or health law, ordinance or regulation or operates the Facility in a manner that presents a safety or health hazard to its customers or the public. The parties mutually acknowledge and agree that for this Section, repeated failure to pass any health inspection, and/or lack of cleanliness or sanitation of the Facility each constitutes grounds for termination pursuant to this Section;

L. Engaged or engages in any conduct that, if made public could or would in Franchisor's judgment injure the reputation of the Trademarks or of Franchisor, whether or not such conduct is lawful or unlawful, and whether or not Franchisor's judgment is correct or incorrect, or any misconduct with regard to sanitation and/or safety at the Facility, or Franchisee becomes a subject of media attention suggesting that Franchisee, or is accused or charged by a prosecuting agency or pleads no contest to or is adjudged to have, engaged in unlawful or improper conduct involving any individual who is a minor; or

M. Repeatedly breaches this Agreement or any agreement with Franchisor's affiliate(s), regardless of whether the breaches are of the same or different provisions and regardless of whether cured after notice.

27.3. Termination by Franchisor With Opportunity to Cure. This Agreement shall terminate, at Franchisor's option, without further action by Franchisor, with termination to be effective at a date stated in a notice of breach and termination, if Franchisee or Franchisee's owner:

A. Fails or refuses to pay any amount due to Franchisor or any related entity of Franchisor, whether for royalties, advertising contributions, technology fee, product or other purchases, or any other amount, and does not correct the failure or refusal within five (5) days after written notice of the failure is delivered to Franchisee; or

B. Fails or refuses to comply with any provision of this Agreement, or any standard or operating procedure prescribed in the Manual or otherwise in writing, and does not correct the failure within thirty (30) days after delivery of notice, or lesser period of time as is reasonable and is stated by Franchisor in such notice. If applicable law requires Franchisor to provide Franchisee additional time to cure any breach of this agreement, this provision shall be deemed automatically amended to conform to the requirements of applicable law.

27.4. Casualty or Condemnation. If the Facility is damaged by fire or other casualty, Franchisee shall, at Franchisee's cost, repair the damage as soon as possible. If the casualty or a condemnation by a government agency's eminent domain power requires closing the Facility for over twenty (20) days, then, unless repair and reconstruction work starts in earnest within that twenty (20) day period and unless the Facility is reopened in full operation no later than one hundred twenty (120) days after the date of the casualty loss or eminent domain condemnation, then Franchisor shall have the right to notify Franchisee of the termination of this Agreement. However, instead of reconstructing and reopening the damaged or taken-by-eminent-domain Facility, Franchisee shall have the right to submit a written request to Franchisor, and/or Franchisor shall have the right to require Franchisee, to relocate the Facility and locate and obtain possession of new premises in the Territory all in compliance with Article 10; and construct a Facility, in compliance with Franchisor's standards for a new Self Made Training Facility, all within one hundred twenty (120) days after the date of the casualty loss or eminent domain taking.

27.5. Right to Operate Facility During Term. If Franchisor believes operation of the Facility may be in jeopardy or if a default or breach occurs, then in addition to all Franchisor's other rights and remedies, Franchisor shall have the right, but no obligation, to enter into and operate or for its nominee to enter into and operate the Facility for as long as Franchisor or the nominee believes necessary or practical. Any decision by Franchisor in this regard shall be deemed to be an accommodation to assist Franchisee. Franchisor makes no representation regarding its or the nominee's ability to operate the Facility profitably, and Franchisor and the nominee shall not be responsible for results of operation. Franchisee shall reimburse all Franchisor's or the nominee's expenses incurred to operate the Facility pursuant to this Section, including but not limited to travel, lodging, meals, and personnel compensation; and shall pay Franchisor or the nominee, in addition to all other amounts provided for in this Agreement, a management fee equal to \$500 per day plus expenses for the period of operation by Franchisor or the nominee. Franchisor or the nominee shall have the right to cause itself to be paid and reimbursed any or all these amounts from revenues of the Facility, as well as all other amounts required to be paid under this Agreement.

27.6. Right to Operate After Termination. Franchisor or its nominee shall have the right, but no obligation, at any time after termination of this Agreement, to enter into and operate the Facility. Franchisor or the nominee shall also have the right to communicate directly with Franchisee's landlord and obtain the assignment of the Lease pursuant to the provisions stated in Section 10.3, that are to be incorporated into the lease (whether or not so incorporated). Franchisee shall not be entitled to compensation from operation of the Facility after termination of this Agreement. Alternatively, and in lieu of continued operation of the Facility, Franchisor or the nominee shall have the right to step in and de-identify the Facility if Franchisee fails to do so. Franchisee shall reimburse Franchisor or the nominee for all expenses incurred in de-identifying the Facility pursuant to the requirements in Section 28.1(C).

28. Duties on Expiration or Termination.

28.1. Rights and Duties. To protect the Self Made System, Trademarks, Copyrighted Works and the goodwill associated with the same, on the termination or expiration of this Agreement:

A. Franchisee shall immediately stop operating the Facility and shall not, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

B. Franchisee shall permanently cease using, by advertising or in any manner, all Trade Secrets, Trademarks, Copyrighted Works; confidential methods, procedures and techniques, software, and all other forms, slogans, signs, symbols, logos or devices associated with the Self Made System.

C. Franchisor shall have the right and option (but no obligation) to receive, and on demand by Franchisor made within ten (10) days after expiration or termination, Franchisee shall immediately deliver to Franchisor in writing, a written assignment of Franchisee's interest in any lease for the Facility. If Franchisor elects not to exercise the right to demand assignment of the lease, then Franchisee shall within thirty (30) days after expiration or termination modify the design, decor and operating methods of the Facility Location in a manner acceptable to Franchisor so it no longer suggests or indicates a present or past connection with Franchisor or the Self Made System. De-identification shall require, among other things, that Franchisee change color schemes and remove all signs and other physical objects which display any of the Trademarks, Copyrighted Works or other features of Self Made Training Facility.

D. Franchisee shall take all action needed to cancel or assign to Franchisor or Franchisor's designee, at Franchisor's option, any assumed name or equivalent registration filed with government authorities which contains the name "Self Made Training Facility" or any portion of this phrase or any of the Trademarks. Franchisee shall furnish Franchisor with proof of compliance with this obligation within fifteen (15) days after termination or expiration.

E. Franchisee shall immediately pay all sums owing to Franchisor, including but not limited to, all damages, costs and expenses, including reasonable attorneys' fees and lost royalties incurred by Franchisor as a result of Franchisee's breach. Expiration or termination of this Agreement does not constitute an election of remedies and does not waive or release Franchisor's claims for lost future royalties or other amounts.

F. Franchisee shall pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor after termination or expiration in obtaining injunctive or other relief for enforcement of any provisions of this Agreement.

G. Franchisee shall immediately deliver to and return to Franchisor any copy in Franchisee's possession of the Manual and all other manuals, lists, records, files, instructions, brochures, agreements and all other materials provided by Franchisor to Franchisee relating to the Facility.

H. Franchisee shall assign to Franchisor or its designee, all Franchisee's right, title and interest in and to Franchisee's right to use and receive service for telephone and facsimile numbers, Internet addresses and electronic mail addresses, social media addresses and accounts, domain names, and passwords and any other forms of access codes relating to the Facility, and shall cooperate in notifying phone companies, internet service providers, social media providers and other similar providers of the termination or expiration of Franchisee's right and transfer to Franchisor of the right to use such numbers, addresses, social media accounts and domain names and any regular, classified or other directory listing associated with the Trademarks, and authorize a transfer of same to or at the direction of Franchisor. Franchisee shall execute all documents, including, but not limited to, authorization forms, prescribed by Franchisor to assign these on termination or expiration of this Agreement.

I. Franchisor shall have the right (but not the obligation) to be exercised by written notice to Franchisee of Franchisor's intent to do so, within thirty (30) days after termination or expiration, to purchase, any or all assets of the Facility that Franchisor selects, including leasehold improvements, equipment, supplies, advertising materials and any or all items bearing the Trademarks, at Franchisee's cost or fair market value, whichever is less. If Franchisor elects to exercise this option to purchase, Franchisor shall

have the right to set off all amounts due from Franchisee to Franchisor against any payment to be made under this Section 28.1(I).

J. Franchisee shall comply with the covenants in Sections 20.9 - 20.11.

28.2. **Survival.** All obligations of Franchisor and Franchisee which expressly or by their nature survive expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding expiration or termination and until they are satisfied or by their nature expire. Franchisee remains liable for any and all obligations incurred prior to and following the effective date of expiration or termination of this Agreement.

28.3. **Failure of Franchisee to Act.** Franchisee appoints Franchisor and Franchisor's personnel and/or Franchisor's nominee as attorney-in-fact with authorization to take any action(s) necessary or convenient in Franchisor's judgment, all at Franchisee's risk and expense, which Franchisee is obligated but fails to take pursuant to this Section.

29. Franchisee Representations and Warranties.

Franchisee and each person signing this Agreement who is an owner of Franchisee, jointly and severally represent and warrant to Franchisor, that:

29.1. Franchisee independently investigated the business contemplated by this Agreement and recognizes it involves business risks, including risk of loss and failure, and that results will depend largely on Franchisee's ability and efforts. Franchisor disclaims making, and Franchisee acknowledges that Franchisee did not receive any representation, warranty or guarantee, express or implied, as to potential sales, volume, results, or success of the business contemplated by this Agreement. No one can promise or assure success of the business.

29.2. Franchisee did not receive from Franchisor any projection or representation regarding income or other results.

29.3. Franchisee did not make any misrepresentation in obtaining this Agreement.

29.4. Franchisee, either alone or together with his or her or its legal and financial advisers, has sufficient knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the franchise and of protecting his, her or its interests, and in making an informed investment decision.

29.5. Franchisee is aware that other franchisees of Franchisor may operate under different forms of Agreements, and some or all of those forms may be more favorable to those franchisees than this Agreement is to Franchisee, and that Franchisor's obligations and rights regarding various franchisees may differ. Franchisor does not represent or warrant that Franchisee is receiving the same or best terms compared to any other franchisee(s).

29.6. Franchisee acknowledges and agrees this Agreement creates an arm's length business relationship that cannot and will not be transformed into a fiduciary or other special relationship whether by a course of dealing, or by inference from a party's conduct or by any differences between the parties in knowledge, ability, power, resources or experience.

30. Information Regarding Franchisee. Franchisee makes the following representations and warranties to Franchisor if Franchisee is a corporation, partnership or limited liability company or other form of entity:

30.1. Franchisee is duly organized and validly existing under the state law of its formation and is qualified and authorized to do business in each state where its business activities or the nature of its properties require qualification;

30.2. Franchisee's corporate charter, articles of organization, written partnership or operating agreement or equivalent provides and shall at all times provide that Franchisee's activities are limited to development and operation of a Self Made Training Facility;

30.3. Copies of Franchisee's articles of incorporation or articles of organization, bylaws and other governing documents, including a resolution of the governing authority authorizing entry into and performance of this Agreement, shall be promptly furnished to Franchisor including consent to and approval of the entry into and performance of this Agreement by the requisite number or percentage of shareholders, members, partners or equivalent if such approval and consent is required by the organizational and/or governing documents.

30.4. Franchisee shall maintain a current list of all owners of record and all beneficial owners of any class of voting securities or other applicable interests in the entity constituting Franchisee and this list shall be furnished to Franchisor on request.

30.5. Franchisee shall maintain stop transfer instructions against the transfer on its records of any equity securities or other equity interests and each certificate representing ownership of Franchisee shall have conspicuously endorsed on its face a statement in a form satisfactory to Franchisor that it is held subject to and that further assignment or transfer thereof is subject to all restrictions imposed on assignments by this Agreement.

30.6. Franchisee acknowledges and agrees that the representations, warranties and covenants above are also continuing obligations of Franchisee.

31. Additional Provisions.

31.1. Time for Action. Time is of the essence in relation to all performance obligations of Franchisee and all times for satisfaction of conditions by Franchisee in this Agreement.

31.2. Business Judgment. Franchisee understands and agrees that Franchisor may operate and change the Self Made System and Franchisor's business in any manner that is not expressly and specifically prohibited by this Agreement. Whenever Franchisor expressly reserved in this Agreement or is deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make such decision or exercise its right and/or discretion on the basis of Franchisor's judgment of what is in Franchisor's best interest, including without limitation Franchisor's judgment of what is in the best interests of the franchise network for the benefit of Franchisor, at the time Franchisor's decision is made or its right or discretion is exercised, without regard to whether: (1) other reasonable alternative decisions or actions, or even arguably preferable alternative decisions or actions, could have been made by Franchisor; (2) Franchisor's decision or the action taken promotes Franchisor's financial or other Franchisor interest; (3) Franchisor's decision or the action applies differently to Franchisee and one or more other franchisees or Franchisor's company-owned or affiliate-owned operations; or (4) Franchisor's decision or the exercise of its right or discretion is adverse to Franchisee's interests. In the absence of an applicable statute, Franchisor will have no liability to Franchisee for any such decision or action. Franchisor and Franchisee intend that the exercise of Franchisor's right or discretion will not be subject to limitation or review. If applicable law provides or implies a covenant of good faith and fair dealing in this Agreement, Franchisor and Franchisee agree that such covenant shall not imply any rights or obligations that are inconsistent with a fair

construction of the terms of this Agreement and that this Agreement grants Franchisor the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's rights and obligations hereunder.

31.3. Relationship. The parties shall be independent contractors. Nothing in this Agreement shall be construed to create an employer-employee, partnership, joint venture, agency, fiduciary or special relationship. Franchisee shall have no power to, and shall not purport to obligate Franchisor for any expense, liability or obligation. Franchisee shall hold itself out to the public as an independent contractor operating the business pursuant to a franchise from Franchisor. Franchisee shall take such action as displaying notices of independent ownership in conspicuous places visible at the Facility entrance and on all forms, stationery and other written materials, the content of which Franchisor reserves the right to specify.

31.4. Non-Waiver. No waiver or delay in enforcing a party's rights after any breach of this Agreement shall be construed as a waiver of any earlier or later breach or of any other provision of this Agreement. Franchisor's acceptance of any payment from Franchisee shall not be nor be construed to be a waiver of any breach of this Agreement.

31.5. Application of Payments. Despite any designation by Franchisee, Franchisor shall have sole discretion to apply any payments by Franchisee to any past due indebtedness of Franchisee for royalties, Promotion Fund contributions, purchases from Franchisor or any entity related to Franchisor, interest or any other indebtedness of Franchisee.

31.6. Tax Payments. Franchisee shall pay to Franchisor promptly when due the amount of all sales taxes, use taxes, personal property taxes and similar taxes imposed on, required to be collected, or paid by Franchisor on account of services or goods furnished by Franchisor to Franchisee through sale, lease or otherwise, or on account of collection by Franchisor of the initial fee, royalties, Promotion Fund contributions, amounts due for purchases by Franchisee from Franchisor and other amounts which Franchisee owes to Franchisor.

31.7. Notices. All notices shall be in writing and shall be delivered personally, by messenger or delivery service, mailed by certified mail return receipt requested, or facsimile transmission, and shall be effective at the earlier of three (3) days after deposit in the U.S. Mail certified return receipt requested, postage prepaid, or when actually received, to the respective parties at their addresses on page 1 of this Agreement or other address of which the notifying party has been notified.

31.8. Solving Disputes; Governing Law; Venue.

A. This Agreement has been made and accepted in, and shall be interpreted and construed according to and governed by California law.

B. If any provision of this Agreement would not be enforceable under the laws of California, and if the Franchise is located outside of California and such provision would be enforceable under the laws of the state in which the Franchise is located, then such provision shall be interpreted and construed under the laws of that state. Nothing in this Section 31.8 is intended by the parties to subject this Agreement to any franchise or similar law, rules, or regulation of any state to which it would not otherwise be subject. Subject to Section 31.9, the prevailing party shall be entitled to recover its attorney's fees and other court costs.

C. Any controversy or claim that arises out of or relates to this Agreement, or any breach of this Agreement, including without limitation any claim that any of this Agreement (including this Section 31.8) is invalid, illegal, voidable or void, shall be resolved by arbitration before a single arbitrator according to the Commercial Arbitration Rules of the American Arbitration Association. Arbitration shall be conducted in

Riverside County, California. The arbitrator shall be a retired federal or state judge with experience in franchisor-franchisee disputes. The arbitrator shall issue a reasoned award and decision. Reasonable discovery shall be permitted. Judgment on the arbitrator's award may be entered in any court having jurisdiction. The arbitrator shall award reasonable attorney's fees and costs to the prevailing party.

D. Before commencing an arbitration, whether to enforce or interpret this Agreement, or for relief based on the relationship created by this Agreement or alleged breach of this Agreement, the party shall attempt to resolve the dispute through mediation in accordance with the Commercial Mediation Rules of the American Arbitration Association. The mediator must have no past or present affiliation or conflict with any party to the mediation. The initiating party shall state in a written demand the claim(s) to be mediated. The fees and expenses of the mediation service including without limitation the mediator's fee and expenses, shall be shared equally by the parties. Each party shall bear its own attorney's fees and other costs incurred in the mediation. The mediation conference shall take place in Riverside County, California within thirty (30) days after appointment of the mediator. The parties shall participate in good faith in the entire mediation proceeding, including the mediation conference, with the intention of resolving the dispute, if possible.

E. If one party breaches this Section 31.8 by failing or refusing to participate in the mediation, the non-breaching party may immediately commence arbitration and take such other action to enforce its rights as permitted by law and the breaching party shall be obligated to pay the mediator's fees and costs, the non-breaching party's reasonable attorneys' fees and costs incurred. Additionally, in connection with the foregoing, the breaching party shall forfeit any right to recover attorneys' fees and costs should it prevail in the suit.

G. The obligation to mediate in this Section 31.8 shall not apply to: (1) a claim by a party seeking interim or provisional relief, including, without limitation, requests for temporary restraining orders, preliminary injunctions, writs of attachment, appointment of a receiver, for claim and delivery, or other orders which a court may issue when deemed necessary to preserve the status quo or prevent irreparable injury, including the claim of either party for injunctive relief to preserve the status quo pending completion of a mediation. The party awarded interim or injunctive relief shall not be required to post bond. After interim relief is obtained, the parties agree to submit the dispute to, or continue, mediation in accordance with this Agreement; (2) a claim by Franchisor or the holder of rights under any lease or sublease for unlawful detainer or similar remedies available to a landlord or for the enforcement of Franchisor's rights under any addendum to a lease; (3) a claim against Franchisee in the nature of collection of money past due and owing or for indemnification under this Agreement; (4) a claim against Franchisee for enforcement of liens, security agreements, or attachment, as Franchisor deems necessary or appropriate to compel Franchisee to comply with Franchisee's obligations to Franchisor and/or to protect the Trademarks or Copyrighted Works; or (5) any claim or dispute involving or contesting the validity of any of the Trademarks or Copyrighted Works.

31.9. Force Majeure. A party shall not be liable for reasonable delay in performance of an obligation, but not more than ten (10) days, if performance is made impossible due to fire, strike, work stoppage, war, terror, riot, embargo, natural disaster or other causes beyond the party's control. This Section shall not permit or excuse any delay in payment from Franchisee to Franchisor and shall not result in an extension of the term of this Agreement.

31.10. Severability and Construction. In any conflict between this Agreement and applicable law, the law controls, but the affected provision of this Agreement shall be limited only to the extent needed to be lawful. If any provision of this Agreement is held to be indefinite, overbroad, invalid or otherwise unenforceable, the rest of this Agreement shall continue in effect. If a court deems any provision of this Agreement (other than

for payment of money) unreasonable, the court may declare a reasonable modification and this Agreement shall be valid and enforceable as so modified.

31.11. Third Party Beneficiaries. The indemnification provisions pertaining to third-party indemnitees provided in Section 22.8, and the provisions for naming others as additional insureds in Section 22.1, and the provisions concerning nominees in Sections 13.4, 25.4, 26.3, 27.5, 27.6 and 28.3 are intended to benefit the classes of individuals and entities identified in those sections and they shall be deemed to be third party beneficiaries of such sections. Nothing else in this Agreement is intended, nor shall be deemed, to confer on any other person or entity any rights or benefits. No person or entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement shall have any rights or remedies under or by reason of this Agreement.

31.12. Interpretation and Construction. Headings and section numbers are only for convenience and shall not be used to interpret or construe this Agreement. References to persons mean legal entities as well as natural persons. This Agreement shall benefit and bind the parties and their permitted heirs, executors, administrators, successors and assigns. The language in all parts of this Agreement shall be construed simply according to fair meanings and not strictly for or against a party.

31.13. CPI Adjustment. Franchisor shall have the right to increase for inflation any amounts stated in dollar amounts or other fixed amounts. Increases will be based on the percentage increase in the Consumer Price Index, based on the increase in the index during the most recent calendar year, or period since the last increase made by Franchisor or other applicable period. The Consumer Price Index for All Urban Customers - All Items - U.S. City Average published by the U.S. Department of Labor, Bureau of Statistics shall be used. If that Department's publication of that index is discontinued or modified, or if Franchisor determines that such index does not sufficiently represent increases relevant to this Agreement, then Franchisor shall use the index or procedure that Franchisor believes reasonably reflects the relevant rate of increases in prices.

31.14. Entire Agreement. This Agreement, and all ancillary agreements signed concurrently with this Agreement, are the parties' entire agreement on the subject matter, and supersede any and all prior negotiations, understandings, representations, disclosures and agreements. This Agreement is not effective unless and until executed in writing by both parties. This Agreement may be amended only by a written amendment signed by the parties. Notwithstanding the foregoing, nothing in this Agreement or any related agreement is intended to disclaim the representations Franchisor made to Franchisee in the Franchise Disclosure Document.

31.15. Individual Undertakings. By signing on page 1 (or elsewhere), each partner, shareholder, officer, director, member and manager of the entity that signs this Agreement as Franchisee, personally and individually acknowledges and accepts the duties and obligations imposed on Franchisee by the terms of this Agreement. As a condition to the granting of the franchise, if Franchisee is an entity, Franchisor may require and Franchisee shall cause each of Franchisee's owners to execute a Guaranty in substantially the form attached as Exhibit "B" to this Agreement.

31.16. Counterparts. This Agreement may be signed in multiple copies, and each copy so signed shall be deemed an original, and all copies, taken together, shall be one instrument.

4. Section 31125 of the California Corporation Code requires the franchisor to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a et seq., suspending or expelling such persons from membership in such association or exchange.
6. You must sign a general release if you renew or transfer your franchise. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
7. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT 14 DAYS PRIOR TO EXECUTION OF THE AGREEMENT.
8. OUR WEBSITE, WWW.SELFMADETRAININGFACILITY.COM HAS NOT BEEN REVIEWED OR APPROVED BY THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.
9. The following language is added to the end of Item 5 of the Disclosure Document:

The California Department of Financial Protection and Innovation has imposed a deferral requirement of the initial franchise fee due to Franchisor's financial condition. Payment of the initial franchise fee shall be deferred until such time as all initial obligations owed to the Franchisee under the Franchise Agreement have been fulfilled by the Franchisor and the Franchisee commenced doing business pursuant to the Franchise Agreement.
10. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim

of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

CALIFORNIA
ADDENDUM TO FRANCHISE AGREEMENT

THIS ADDENDUM TO FRANCHISE AGREEMENT (this "Addendum") dated _____, is intended to be a part of, and by this reference is incorporated into that certain Franchise Agreement (the "Franchise Agreement") dated _____, by and between SMTF Franchising, Inc., a California corporation, as franchisor ("Franchisor"), and _____, as franchisee ("Franchisee"). Where and to the extent that any of the provisions of this Addendum are contrary to, in conflict with or inconsistent with any provision contained in the Franchise Agreement, the provisions contained in this Addendum shall control. Defined terms contained in the Franchise Agreement shall have the identical meanings in this Addendum.

1. For the purposes of Cal. Bus. & Prof. Code Section 20022, Franchisor and Franchisee agree that:
 - a. They will use the declining-balance depreciation method to calculate the value of Franchisee's assets (inventory, supplies, equipment, fixtures, and furnishings) for the purposes of a purchase by Franchisor under Section 20022. The purchase price by Franchisor for these assets will not include the cost of removal and transportation of those assets, which will be Franchisee's responsibility.
 - b. For the purposes of Section 20022, Franchisee is not able to provide to Franchisor with "clear title and possession" to Franchisee's Assets if those Assets are subject to liens or encumbrances including: (i) purchase money security interests; (ii) blanket security interests; (iii) rights of first refusal; (iv) liens by franchisee's landlord; or (v) tax liens.
 - c. For the purposes of Section 20022(h), Franchisor's right of offset will include the following amounts owed by Franchisee to Franchisor or Franchisor's Affiliates: (i) Royalty Fees; (ii) Promotion Fund Fees; (iii) Technology Fees; (iv) Software Fees; (v) liquidated damages; (vi) Transfer Fees; and (vii) any other fee owed by Franchisee to Franchisor or Franchisor's Affiliates.
2. For the purposes of Cal. Bus. & Prof. Code Section 20035, Franchisor and Franchisee agree that:
 - a. **"Fair market value of the franchise assets"** means the value of Franchisee's assets, valued according to the declining-balance method of depreciation. The purchase price by Franchisor for the assets will not include the cost of removal and transportation of those assets, which will be Franchisee's responsibility.
 - b. **"Fair market value of the franchised business"** means the **"fair market value of the franchise assets"** as defined above, plus goodwill. The parties agree that the value of goodwill is the amount of Royalty Fees paid by Franchisee to Franchisor within the twelve (12) month period immediately before Franchisor's termination or failure to renew if Franchisor is in violation of the California Franchise Relations Act.
3. Section 15.1 of the Franchise Agreement is amended by adding the following:

"The initial franchise fee shall be deferred until such time as all initial obligations owed to Franchisee under the Franchise Agreement have been fulfilled by the Franchisor and the Franchisee commenced doing business pursuant to the Franchise Agreement."
4. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the

right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. Any statements or representations signed by a franchisee purporting to understand any fact or its legal effect shall be deemed made only based upon the franchisee's understanding of the law and facts as of the time of the franchisee's investment decision. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Addendum, and understands and consents to be bound by all of its terms.

Item 17 is amended by the addition of the following:

“According to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. WASHINGTON

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

The state of Washington has a statute, RCW 19.100.180, which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal rights of your franchise. There may also be court decisions that supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those that unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT, FRANCHISE COMPLIANCE CERTIFICATE, AND RELATED AGREEMENTS

In recognition of the requirements of the Washington Franchise Investment Protection Act (RCW 19.100.180), the parties to the attached Franchise Agreement agree as follows for franchise locations in the State of Washington and for locations sold to Washington residents:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

The State of Washington has a statute, RCW 19.100.180 (the "Act"), which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal rights of your franchise. There may also be court decisions that supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those that unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Section 31.2 of the Franchise Agreement is amended to remove the following:

"In the absence of an applicable statute, Franchisor will have no liability to Franchisee for any such decision or action. Franchisor and Franchisee intend that the exercise of Franchisor's right or discretion will not be subject to limitation or review."

Section 31.13 of the Franchise Agreement is amended to remove the following:

“If that Department’s publication of that index is discontinued or modified, or if Franchisor determines that such index does not sufficiently represent increases relevant to this Agreement, then Franchisor shall use the index or procedure that Franchisor believes reasonably reflects the relevant rate of increases in prices.”

Sections 18.13 and 22.11 of the Franchise Agreement do not apply to Washington residents or to locations in the state of Washington.

Each of the undersigned hereby acknowledges having read this Addendum, understands and consents to be bound by all of its terms.

D. Candidate desires to apply to become a Self Made Facility franchisee. In connection therewith, Franchisor may provide Candidate with confidential and proprietary information regarding the Self Made Proprietary Programs and the Self Made System prior to granting or declining to grant Candidate a franchise or entering into a franchise agreement with Candidate. NOW, THEREFORE, IT IS AGREED:

1. **INCORPORATION OF RECITALS.**

The recitals set forth in Paragraphs A through D above are true and correct and are hereby incorporated by reference into the body of this Agreement.

2. **CONFIDENTIALITY.**

Candidate acknowledges and agrees:

2.1. **Self Made Confidential Information.** That Candidate's knowledge of the elements of the Self Made Proprietary Programs and the Self Made System and any other proprietary data that may be disclosed to Candidate by Franchisor, or an affiliate of Franchisor, including, without limitation, any and all confidential and/or proprietary knowledge, data or information of Franchisor or Franchisor's affiliate and any and all confidential and/or proprietary knowledge, data or information of Franchisor or Franchisor's affiliate that Candidate has obtained or obtains from another person or entity and which Franchisor or its affiliate treats as proprietary or designates as proprietary (whether or not in writing or electronic form) constitutes and is deemed "**Self Made Confidential Information**". Self Made Confidential Information also includes the manner in which any of the above described items may be combined with any other information or products or synthesized or used by Candidate. Self Made Confidential Information does not include any information that was in the lawful and unrestricted possession of Candidate prior to its disclosure by Franchisor; is or becomes generally available to the public by acts other than those of Candidate after receiving it; has been received lawfully and in good faith by Candidate from a third party who did not derive it from Franchisor or Candidate; or is shown by acceptable evidence to have been independently developed by Candidate.

2.4. **Maintain Confidentiality.** That Candidate will fully and strictly maintain the confidentiality of the Self Made Confidential Information, will exercise the highest degree of diligence in safeguarding the Self Made Confidential Information and will not disclose or reveal the Self Made Confidential Information to any person other than another person who is actively and directly participating in the acquisition of the franchise

In the event of any conflict of law, the laws of California shall prevail, without regard to the application of conflict of law rules. d. **Obligations of Indemnified Party.** A party entitled to indemnification under the provisions of this Section 12 (the "Indemnatee") shall promptly notify the indemnifying party (the "Indemnitor") of the existence of any claim, demand, or other matter to which the Indemnitor's indemnification obligations would apply and shall give the Indemnitor a reasonable opportunity to defend or pay the same at the Indemnitor's own expense and with counsel of Indemnitor's own selection. The Indemnatee shall at all times have the right to fully participate in the defense of any claim at the Indemnatee's own expense. If the Indemnitor shall, within a reasonable time after this notice, fail to pay or defend, Indemnatee shall have the right, but not the obligation, to undertake the defense of, and to compromise or settle (exercising reasonable business judgment), the claim or other matter on behalf, for the account, and at the risk, of the Indemnitor. If the claim is one that cannot by its nature be defended solely by the Indemnitor, then the Indemnatee shall make available all information and assistance that the Indemnitor may reasonably request for this purpose.

e. **Mitigation.** Each Indemnatee shall be obligated in connection with any claim for indemnification under this Section 12 to use commercially reasonable efforts to mitigate Losses upon and after becoming aware of any event which could reasonably be expected to give rise to such Losses.

SECURED PROMISSORY NOTE

SECURED PROMISSORY NOTE

\$ _____

_____, 20__

FOR VALUE RECEIVED, _____ (“Maker”), hereby promises to pay to Kollusion Fitness Products Inc., a California corporation (“Holder”), at 42265 Winchester Road, Temecula, California 92590, or at such other place as Holder may from time to time designate in writing, the principal sum of _____ Dollars (\$ _____), with interest on the unpaid principal balance of this Secured Promissory Note (“Note”) from the date of this Note until paid in full at the rate of ____ percent (____%) per annum (“Interest Rate”).

1. Payment. Principal and interest under this Note are payable in ____ equal monthly installments, each in the amount of _____ Dollars (\$ _____). Maker shall make each payment to Holder on the third day of each month following the date of this Note. On _____, the entire unpaid principal balance of this Note, together with accrued interest, shall be due and payable.

2. Prepayment. This Note is prepayable, in whole or in part, at any time by Maker upon thirty (30) days’ written notice to Holder; provided, however, that, concurrently with such prepayment, Maker shall pay Holder any prepayment penalties and other charges that will be incurred by Holder under any loan arrangements with its lenders as a result of any corresponding prepayment by Holder of any such loans.

3. Security. This Note is secured by a Security Agreement dated _____, 20__ (“Security Agreement”) which encumbers certain personal property described therein.

4. Late Charge and Default Rate. Maker recognizes that any default in the payment of any installment of principal or interest due hereunder will result in losses and additional expenses to Holder in servicing the indebtedness evidenced hereby, handling such delinquent payments and meeting its financial obligations, and that the damages caused thereby would be extremely difficult and impractical to ascertain. Therefore, if any installment of principal or interest due hereunder becomes overdue for a period more than five (5) days, a late charge of ten percent (10%) of the delinquent amount may be charged by Holder, at its option, to defray such losses and expenses. If applicable law requires a lesser charge, the maximum rate permitted by law may be charged. Any late charge that accrues during a month shall be payable on the next monthly payment date. Maker agrees that the payment of the late charge set forth in this Paragraph 4 is a reasonable estimate of the damage to Holder in the event of a late payment. The late fee provided in this Paragraph shall be payable in addition to all other remedies of Holder hereunder, at law or in equity.

5. Acceleration. If Maker fails to pay any installment of principal or interest within five (5) days after the same is due, or if any other default occurs under this Note, the Security Agreement or any other Franchise Document (as defined in the Security Agreement), the entire unpaid principal balance, accrued interest and other sums payable hereunder shall, at the option of Holder, become immediately due and payable without demand or notice.

6. Application of Payments; No Setoffs. Each payment hereunder shall be credited first upon interest then accrued and the remainder, if any, upon principal; interest shall cease to accrue upon principal so credited. All sums payable hereunder or under the Security Agreement shall be payable without offset, demand, abatement or counterclaim of any kind or nature whatsoever, all of which are hereby waived by Maker. Principal and interest shall be payable in lawful money of the United States of America.

7. Calculation of Interest Rate. All agreements between Maker and Holder are expressly limited so that in no event whatsoever, whether by reason of advancement of the proceeds hereof, acceleration of the maturity of the unpaid principal balance hereof, or otherwise, shall the amount paid or agreed to be paid to Holder for the use, forbearance or detention of the money to be advanced hereunder exceed the highest lawful rate permissible under applicable usury laws. In the event performance of any obligation of Maker under this Note, the Security Agreement or any other document referred to herein shall require the payment of interest in excess of such highest lawful rate, then such obligation shall, automatically and retroactively to the date of this Note, be deemed reduced to the highest lawful rate permissible under applicable usury laws. If Holder ever receives as interest an amount which would exceed such highest lawful rate, the amount of excessive interest shall not be applied to the payment of interest, but shall, automatically and retroactively to the act of payment, be applied to the reduction of the unpaid principal balance due hereunder, and, if and to the extent such amount of excessive interest exceeds such principal balance, be immediately returned by Holder to Maker without interest. This provision shall control every other provision of all agreements between Maker and Holder.

8. Waiver. Maker and all other parties who may be directly or indirectly liable hereunder waive (a) presentment, protest and demand, diligence in collection and notice of protest, presentment, demand, dishonor and nonpayment of this Note and (b) any release or discharge arising from any extension of time, discharge of any party liable for payment of this Note, release of any or all of the security for this Note, or other cause of release or discharge other than actual payment in full of this Note.

9. No Waiver. Holder shall not be deemed, by any act or omission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by Holder and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as a bar to or waiver of any right or remedy as to any subsequent event. No delay or omission of Holder to exercise any right, whether before or after a default hereunder, shall impair any such right or shall be construed to be a waiver of any right or default, and the acceptance at any time by Holder of any past-due amount shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable.

10. Severability. Any provision of this Note which may be prohibited by law or otherwise held invalid shall be ineffective only to the extent of such prohibition or invalidity and shall not invalidate or otherwise render ineffective the remaining provisions of this Note.

11. Choice of Law. This Note, and the rights and obligations hereunder of each of the parties hereto, shall be governed by and construed in accordance with the laws of the State of California, without reference to principles of conflicts of law.

12. Successors and Assigns. The terms, covenants and conditions contained herein shall be binding upon the heirs and successors of Maker and shall inure to the benefit of the successors and assigns of Holder.

13. Costs and Expenses. If any amount under this Note is not paid when due, Maker promises to pay immediately upon demand all costs and expenses of collection, including without limitation actual attorneys' fees, incurred by Holder to enforce the terms of this Note and/or the Security Agreement.

14. Venue and Jurisdiction. Maker agrees that any suit, action or proceeding arising out of or relating to this Note, or the interpretation, performance or breach of this Note, may be instituted in the United States District Court for the Central District of California or any court of the State of California

located in Riverside County, and Maker irrevocably submits to the jurisdiction of those courts and waives any and all objections to jurisdiction or venue that it may have under the laws of the State of California or otherwise in those courts in any such suit, action or proceeding. The provisions of this paragraph shall not be deemed to preclude Holder from filing any suit, action or proceeding in any other appropriate forum.

15. Assignment. Holder may assign this Note and any security for this Note (or any interest therein) without notice to Maker or the consent of Maker. Maker shall have no right or power to assign or delegate any obligations under this Note.

16. Entire Agreement. This Note contains all of the terms and conditions agreed on by Maker and Holder with respect to the subject matter of this Note. This Note supersedes all prior negotiations, discussions, correspondence and agreements between Maker and Holder on its subject. This Note cannot be modified or changed except by written instrument signed by Maker and Holder.

17. Miscellaneous. If this Note is executed by more than one person or entity as Maker, the obligations of each such person or entity shall be joint and several. Each right, power and remedy of Holder provided in this Note, the Security Agreement, any other document securing this Note or at law, in equity or otherwise shall be cumulative and may be pursued singularly, successively or together at the sole discretion of Holder, and the failure to exercise any such right, power or remedy shall in no event be construed as a waiver or a release thereof.

C. To induce the Franchisor to enter into the Franchise Agreement and for KFP to make such a loan, the Franchisee has agreed to enter into this Security Agreement with KFP to secure its payment obligation under the Promissory Note.

AGREEMENT

Accordingly, in consideration of the mutual covenants contained herein, the parties agree as follows:

(b) Condition of Collateral. The Franchisee at all times shall maintain the Collateral in good repair, working order and condition, normal wear and tear excepted, and shall, from time to time, make or cause to be made, all needed and proper replacements, repairs, renewals and improvements so that the efficiency and value of the Collateral shall not be impaired.

(c) Collateral List. The Franchisee at all times shall keep accurate and complete records with respect to the Collateral, including an up-to-date list describing all items of the Collateral in reasonable detail and incorporating serial numbers or other available forms of identification of such items, if available, and agrees that the representatives of the Franchisor and/or KFP shall have the right, at any time during normal business hours or any other reasonable time, and from time to time, to call at the Franchisee's place or places of business where the Collateral or any part thereof may be held or located or the records pertaining to the Collateral may be kept and to inspect the Collateral and/or examine or cause to be examined such records and to make abstracts therefrom or copies thereof. In addition, the Franchisee shall prepare, execute and file certificates of legal ownership and all other required instruments with the California Department of Motor Vehicles pursuant to Sections 6300, et seq., of the California Vehicle Code (the

“Vehicle Code”) with respect to all items of Collateral which constitute motor vehicles within the meaning of such Vehicle Code evidencing the lien hereof for the purpose of providing KFP with a prior perfected security interest in such items of Collateral and shall obtain such documentation of title as may be issued by the California Department of Motor Vehicles with respect to such items of Collateral and shall deliver the same to KFP. (h) Collateral to Remain Personal Property. The Franchisee acknowledges and agrees that all of the Collateral is and will remain personal property, notwithstanding the manner of its annexation to any real property and its adaptability to the uses and purposes for which any such real property is now or may hereafter be used, and no present or future real property lease entered into by the Franchisee as lessee will grant the lessor therein any rights to the Collateral or prohibit its removal, whether or not the Franchisee is in default under the lease, and the Franchisee, upon KFP’s request, will deliver to KFP such waivers and consents from any such lessor and from any encumbrancer of any real property on which any Collateral may be located as KFP may request.

(i) Defense of Title. The Franchisee, at its sole expense, will appear in and defend any and all actions and proceedings affecting title to the Collateral or any part thereof, or affecting the security interest of KFP therein.

(j) Insurance. The Franchisee shall maintain at all times with respect to the Collateral insurance against risks of fire, so-called extended coverage, sprinkler leakage, and other risks customarily insured against by companies engaged in similar business to that of the Franchisee in amounts, containing such terms, in such form, for such periods and written by such companies as may be satisfactory to KFP with loss payable solely to KFP. (h) Validity of Security Agreement Contested. This Security Agreement shall cease to be in full force and effect or shall be declared null and void, or the validity or enforceability thereof shall be contested by the Franchisee, or the Franchisee shall deny that it has any or further liability or obligation under this Security Agreement.

(i) Security Interest. The Franchisee fails to take such action as is necessary to provide KFP continuously with a prior perfected security interest in the Collateral.

5.2 Remedies upon Event of Default.

(a) Acceleration. Upon the occurrence and during the continuance of an Event of Default under Section 5.1(j) or (k), without further act, all Secured Obligations and all amounts owing under this Security Agreement shall automatically accelerate and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, anything herein or in any other Franchise Document to the contrary notwithstanding. Upon the occurrence and during the continuance of an Event of Default under Section 5.1(a), (b), (c), (d), (e), (f), (g), (h) or (i), unless such Event of Default shall have been waived in writing by KFP, all Secured Obligations and all amounts owing under this Security Agreement, shall automatically accelerate and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, anything herein or in any other Franchise Document to the contrary notwithstanding.

(b) Other Remedies. In addition to the foregoing and all other rights and remedies that KFP may have under applicable law or in equity, upon the occurrence and during the continuance of an Event of Default, KFP shall have, in any jurisdiction where enforcement hereof is sought, all rights and remedies of a secured party under the California Uniform Commercial Code (the "Code") and, in addition, the following rights and remedies, all of which, except as otherwise specified herein or required by law, may be exercised with or without notice to the Franchisee and without affecting the Secured Obligations of the Franchisee or the enforceability of the security interest created hereby:

(i) to foreclose the liens and security interests created hereunder or under any other agreement relating to any Collateral by any available judicial procedure or without judicial process;

(ii) to secure, protect, insure, inventory, appraise, inspect, repair, preserve, store, prepare, and process, the Collateral and enter upon any premises where any Collateral may be located for any such purpose;

(v) to enter upon any premises where the same may be located and remove therefrom any and all Collateral, and KFP may, at the cost and expense of the Franchisee, use such of its supplies, equipment, facilities and space at the Franchisee's place of business as may reasonably be necessary or appropriate to properly administer, process, store, repair, control, prepare for sale or disposition and/or sell or

(vi) to make such payments and do such acts as KFP may deem necessary to protect its security interest in the Collateral and perform any obligation of the Franchisee under this Security Agreement; and

(vii) to exercise all other rights, powers, privileges, and remedies of an owner of the Collateral, all at KFP's sole option and as KFP in its sole discretion may deem advisable.

(c) Possession of Collateral. Upon the occurrence and during the continuance of an Event of Default, KFP shall have the right, without notice or demand, either in person, by agent or by a receiver to be appointed by a court (and the Franchisee hereby expressly consents upon the occurrence of an Event of Default to the appointment of such a receiver), and without regard to the adequacy of any security for the Secured Obligations, to take possession of the Collateral or any part thereof and to collect and receive the rents, revenues, income and proceeds therefrom. Taking possession of the Collateral shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice. The rights, remedies and powers of any receiver appointed by a court shall be as ordered by such court.

(d) Sale of the Collateral. Any public or private sale or other disposition of the Collateral may be held at any office of KFP where such sale may be commercially reasonable, or at the Franchisee's place of business, or at any other place permitted by applicable law, and without the necessity of the Collateral being within the view of prospective purchasers. KFP may direct the order and manner of sale of the Collateral, or portions thereof, as it in its sole and absolute discretion may determine, and the Franchisee expressly waives any right to direct the order and manner of sale of any Collateral. KFP or any person on KFP's behalf may bid and purchase at any such sale or other disposition.

(e) Notice of Sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, KFP will send to the Franchisee reasonable written notice of the date, time and place of any public sale thereof or of the time and date on or after which any private sale thereof is to be made. The requirement of sending reasonable notice conclusively shall be met if such notice is given by any of the methods set forth in Section 7.21 at least 5 days before the date of the sale. The Franchisee expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations (other than any publication required by applicable law) except as expressly provided for in this Section 5.2(e).

(f) Nature of Sale. Upon the consummation of any sale of Collateral, KFP shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of the Franchisee or any other person, and the Franchisee hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereinafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, KFP shall not be required to apply any portion of the sale price to the Secured Obligations until such amount actually is received by KFP, and any Collateral so sold may be retained by KFP until the sale price is paid in full by the purchaser or purchasers thereof. KFP shall not incur any liability in case any such purchaser or purchasers shall fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

(g) Cumulative Remedies. KFP shall have the right to enforce one or more remedies hereunder successively or concurrently, and any such action shall not estop or prevent KFP from pursuing any further remedy that it may have hereunder or by law.

5.3 Application of Proceeds. The net cash proceeds resulting from the collection (including any collection of insurance proceeds), liquidation, sale, lease or other disposition of the Collateral shall be applied, first to the reasonable expenses (including, without limitation, attorneys' fees and disbursements) of retaking, holding, storing, processing, repairing and preparing for sale or lease, selling, leasing, collecting, liquidating and the like, and then to the satisfaction of the other Secured Obligations in such order as shall be determined by KFP in its sole and absolute discretion. The Franchisee shall pay to KFP on demand any deficiency with regard thereto that may remain after any sale, disposition, collection or liquidation of the Collateral. Any surplus held by KFP after payment in full of all Secured Obligations shall be remitted to the Franchisee.

6. KFP APPOINTED ATTORNEY-IN-FACT

6.1 Appointment. The Franchisee hereby irrevocably nominates and appoints KFP as its attorney-in-fact with full power of substitution, for all or any of the following purposes:

(a) Protection of Collateral. To do all acts and things that KFP may deem necessary or advisable to perfect and continue to perfect the security interest created by this Security Agreement and, upon the occurrence of an Event of Default, to preserve, process, develop, maintain, repair and protect the Collateral.

(b) Acts Under This Security Agreement. Upon the occurrence of an Event of Default, to do any and every act that the Franchisee is obligated to do under this Security Agreement, at the expense of the Franchisee and without any obligation to do so.

(c) Collateral Documentation. To prepare, sign, file and/or record, for the Franchisee, in the name of the Franchisee, any financing statement, continuation statement, application for registration or like paper, and to take any other action deemed by KFP necessary or desirable to perfect or maintain perfected its security interest in the Collateral.

(d) Title Transfer. Upon the occurrence of an Event of Default, to sign any certificate of ownership, registration card, application therefor, affidavits or documents necessary to transfer title to any of the Collateral and to receive and acknowledge receipt of all licenses, registration cards and certificates of ownership.

(e) Sign Name of the Franchisee; Other Acts. Upon the occurrence of an Event of Default, to receive, open and dispose of all mail addressed to the Franchisee; to endorse the name of the Franchisee on any notes, acceptances, checks, drafts, money orders or other remittances; to endorse the name of the Franchisee on any invoice, freight or express bill or bill of lading, storage receipt, warehouse receipt or other instrument or document in respect to any account or invoice; to sign the name of the Franchisee to drafts against debtors, assignments or verifications of accounts and notices to account debtors; to station a representative of KFP on the premises of the Franchisee for the purpose of taking any of the actions described in this paragraph, including, but not limited to, taking possession of books and records relating to the accounts referred to herein, and to do all other acts and things necessary or desirable to carry out the intent of this Security Agreement and to preserve and protect the Collateral and KFP's security interest therein; provided, however, that KFP shall be under no obligation whatsoever to take any of the foregoing actions, and, absent bad faith or actual malice, KFP shall have no liability or responsibility for any act taken or omitted to be taken with respect thereto.

7. MISCELLANEOUS

7.1 Expenses. The Franchisee will upon demand pay to KFP the amount of any and all reasonable advances, charges, costs and expenses, including the fees and expenses of its counsel (including the allocated costs of in-house counsel) and of any experts or agents, that KFP may incur in connection with (a) the creation, perfection and continuation of KFP's security interest in the Collateral and the protection of the Collateral, including, without limitation, the discharging of any prior or subsequent lien or adverse claim against the Collateral or any part thereof, (b) the custody or preservation or sale of, collection from, or other realization upon, any of the Collateral, (c) the exercise or enforcement of any of the rights, powers or remedies of KFP under this Security Agreement, or in equity or by law (including, but not limited to, counsel fees and expenses incurred by KFP in connection with the operation, maintenance or foreclosure of any and all of the Collateral), (d) any workout, restructuring or similar arrangement of the Franchisee, or (e) the failure by the Franchisee to perform or observe any of the provisions of this Security Agreement. Any such amounts payable as provided hereunder or thereunder shall be payable, with interest to the extent provided in Section 7.3, on demand, and shall be additional Secured Obligations secured by the Collateral.

7.2 Indemnity. In addition to the payment of expenses pursuant to Section 7.1, the Franchisee agrees to indemnify, defend, exonerate, pay and hold KFP and the agents of KFP (the "Indemnitees") harmless from and against any and all transfer taxes, documentary taxes, assessments or charges made by any governmental authority by reason of the execution and delivery of this Security Agreement, and any and all liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, and reasonable costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel, including the allocated costs of in-house counsel, to KFP and expert witness fees and disbursements) for such Indemnitees in connection with any investigative, administrative or judicial proceeding, whether or not such Indemnitee shall be designated a party thereto, that may be imposed on, incurred by or asserted against such Indemnitee, in any manner arising out of or in connection with this Security Agreement (the "Indemnified Liabilities"). Notwithstanding the foregoing, "Indemnified Liabilities" shall not include liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements to the extent caused by or resulting from the willful misconduct or negligence of any Indemnitee.

Each Indemnitee will promptly notify the Franchisee of each event of which it has knowledge that may give rise to a claim under this Section 7.2. If any investigative, judicial or administrative proceeding arising from any of the foregoing is brought against any Indemnitee indemnified or intended to be indemnified pursuant to this Section 7.2, the Franchisee, to the extent and in the manner directed by the Indemnitee or intended Indemnitee, will resist and defend such action, suit or proceeding or cause the same to be resisted and defended by counsel designated by the Franchisee (which counsel shall be satisfactory to the Indemnitee or intended Indemnitee). Each Indemnitee will use its best efforts to cooperate in the defense of any such action, writ or proceeding. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Franchisee shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities that is permissible under applicable law.

The obligations of the Franchisee under this Section 7.2 shall survive the termination of this Security Agreement.

7.3 Interest. All amounts required to be paid to KFP by the Franchisee pursuant to the provisions of this Security Agreement (including, without limitation, pursuant to Sections 7.1 and 7.2 hereof) shall bear interest from and including the date on which such amounts are due, to and excluding the date of payment thereof, at the rate of 10 percent per annum. All payments of such amounts by the Franchisee shall include any such accrued interest.

7.4 Security Interest Absolute. All rights of KFP hereunder, the security interest, and all obligations of the Franchisee hereunder, shall be absolute and unconditional irrespective of:

(a) Invalidity or Unenforceability. Any lack of validity or enforceability of any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing.

(b) Amendments or Waivers. Any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any renewal or extension of all or any of the Secured Obligations or any other amendment or waiver of or any consent to any departure from any other agreement or instrument.

(c) Other Circumstances. Any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Franchisee in respect of the Secured Obligations or in respect of this Security Agreement.

7.5 Assignment. Neither this Security Agreement nor any rights or obligations under this Security Agreement may be assigned by the Franchisee without the prior written consent of KFP.

7.6 Parties in Interest. Nothing in this Security Agreement, expressed or implied, is intended to confer on any person or entity other than the parties and Franchisor any right or remedy under or by reason of this Security Agreement.

7.7 Prompt Action. Time is of the essence with respect to each provision of this Security Agreement.

7.8 Specific Performance. If any party should default in any of its obligations under this Security Agreement, the parties each acknowledge that it would be impracticable to measure the resulting damages and that it may not be possible to adequately compensate the injured party by monetary damages. Accordingly, without prejudice to the right to seek and recover monetary damages, each nondefaulting party shall be entitled to sue in equity for specific performance of this Security Agreement or other injunctive relief, and each party hereby waives any defense that a remedy in damages would be adequate.

7.9 Further Action. Each party agrees to perform any further acts and to execute and deliver any other documents which may be reasonably necessary to effect the provisions of this Security Agreement.

7.10 Survival of Representations and Warranties. All representations and warranties of the parties contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall continue until any and all Secured Obligations have been paid and performed in full.

EXHIBIT I
SLFMD BTR WATER SUPPLY AGREEMENT

SLFMD BTR WATER SUPPLY AGREEMENT

THIS SLFMD BTR WATER SUPPLY AGREEMENT (the "Agreement") is made as of _____ (the "Effective Date"), by and between SELF MADE TRAINING FACILITY, INC., a California corporation (the "Supplier") whose address is 42265 Winchester Road, Temecula, California 92590, on the one hand, and _____, a _____ ("Buyer") whose address is _____, on the other hand, who are individually referred to in this Agreement as a "Party" and collectively referred to in this Agreement as the "Parties", with reference to the following facts:

A. Supplier is the supplier of branded water beverages as may be changed, improved and further developed by Supplier from time to time (the "Water Products") and sells the Water Products under the trademarks "SLFMD, "SELF MADE" and "BTR WTR"" and other trade names, service marks and trademarks that are now designated and may hereafter be designated by Supplier (collectively, the "Marks").

B. Buyer owns and operates one or more Self Made Training Facilities pursuant to one or more franchise agreements with SMTF Franchising, Inc. ("SMTF"). Supplier desires to sell the Water Products to Buyer and Buyer desires to purchase the Water Products from Supplier for sale at Buyer's approved Self Made Training Facility identified in Exhibit A (the "Approved Facility"), on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, IT IS AGREED:

1. Purchase of Water Products. Buyer shall purchase and Supplier shall sell Water Products to Buyer, on a continuing basis during the Term. The Parties agree that the Water Products may be modified by Supplier at any time. Buyer shall purchase from Supplier at least the amount and frequency of Water Products described in Exhibit B (the "Order"). Buyer shall not be obligated to purchase or pay for any quantity of Water Product that exceeds the supply reasonably necessary for Buyer to conduct its business at the Approved Facility. Buyer must rotate its Water Product inventory on a first-in, first out basis. Buyer shall, at its own cost, destroy any damaged Water Product and shall not sell any damaged Water Product to any customer. Buyer shall sell the Water Products purchased from Buyer at retail, only from and at the Approved Facility and only to customers of the Approved Facility. Buyer shall not sell the Water Products nor allow any other party to sell the Water Products at wholesale, via the Internet or any other channel of distribution without Supplier's prior written consent.

2. Prices and Adjustments to Prices. The current pricing for the Water Products as of the Effective Date are listed on Exhibit B (the "Prices"). Supplier may impose an annual increase in the Prices in an amount that shall not exceed ten percent (10%) of the Prices for the prior calendar year (the "Annual Price Adjustment"). Unless otherwise specified by Supplier, the Prices do not include freight costs, which shall be paid solely by Buyer. In addition to the Annual Price Adjustment, the Parties agree that the Prices may be adjusted by Supplier on at least fourteen (14) calendar days written notice to Buyer; provided, however, Buyer shall have the right to terminate the Agreement within fourteen (14) calendar days after receiving notice of the price adjustment in the event Buyer does not wish to pay the new adjusted Prices. Buyer shall have no right to terminate the Agreement due to an Annual Price Adjustment. Buyer acknowledges that the Prices charged by Seller for the Water Products constitute a bona fide wholesale price for such goods and that the Water Products will be resold by Buyer to customers of the Facility. Nothing in this Agreement requires Buyer to purchase any supplies, marketing materials or equipment for use at the Approved Facility.

3. Use of Water Products and the Marks.

3.1 Similar Water Products. Buyer shall not produce, use, sell or purchase any products substantially similar to the Water Products during the Term of this Agreement, unless agreed to in a writing signed by Supplier. Buyer shall not reverse engineer or otherwise tamper with the Water Products in any way.

3.2 Use of Marks. Buyer acknowledges and agrees that Supplier or Supplier's affiliate is the owner of all right, title and interest in and to the Marks. Buyer may only display the Marks and sell the Water Products at the Approved Facility listed on Exhibit A and in the manner set forth in this Agreement. Buyer shall not use any of the Marks as part of Buyer's corporate or trade name or permit any third party to do so without the prior written consent of Supplier. No advertising, promotional or marketing material for the Water Products including but not limited to print media, online advertising and social media, shall be used by Buyer without first obtaining Supplier's prior written approval. Buyer shall cease all use of the Marks upon the expiration or termination of this Agreement.

3.3 Ownership and Goodwill of Marks. Buyer acknowledges that Buyer's right to sell the Water Products and use the Marks is derived solely from this Agreement and is limited to use in compliance with this Agreement. Any unauthorized use of the Water Products or Marks by Buyer shall constitute a breach of this Agreement and an infringement of Supplier's and/or Supplier's affiliates' rights in and to the Marks. Buyer acknowledges and agrees that as between Supplier and Buyer (i) Supplier or Supplier's affiliate owns the Marks; (ii) Buyer owns no goodwill or rights in the Marks except for the limited license granted by this Agreement to use the Marks in selling the Water Products; and (iii) Buyer's use of the Marks and any goodwill established by that use shall inure to the exclusive benefit of Supplier or Supplier's affiliate. Buyer shall not contest, or assist any other person to contest, the validity of Supplier's or Supplier's affiliate's rights and interest in and to the Marks either during the Term or after the expiration or termination of this Agreement.

3.4 Limitations on Use. Buyer shall not use any Marks (i) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than those licensed to Buyer under this Agreement); (ii) in connection with unauthorized services or products; (iii) as part of any domain name or electronic address maintained on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system; or (iv) in any other manner not expressly authorized in writing by Supplier. Buyer shall give all notices of trademark and service mark registration that Supplier specifies and shall use and obtain all fictitious or assumed name registrations required by Supplier or under applicable law. Buyer further agrees that no service mark other than the Marks specified by Supplier shall be used in selling, marketing or promoting the Water Products.

3.5 Refrigerator. On signing this Agreement, Buyer shall purchase an amount of energy drinks required by Supplier's approved vendor (currently eight hundred dollars (\$800)) to receive a refrigerator at no additional cost to Buyer. Buyer shall use the Refrigerator to store the energy drinks received as well as the Water Products purchased from Supplier (the "Refrigerator"). Buyer is not obligated to purchase additional energy drinks from Supplier's approved vendor after the initial purchase, but may do so if desired. Upon delivery of the refrigerator, Supplier will send an approved vendor to Buyer's location to install signage on the refrigerator, reflecting the Supplier's Marks. Buyer shall maintain and keep the Refrigerator in working condition during the Term at Buyer's own expense. If the Refrigerator breaks during the Term, then Buyer, at its own expense, shall repair the Refrigerator or purchase a comparable refrigerator to replace the Refrigerator.

4. Payments. Buyer shall pay Supplier for the Water Products by the fifteenth day of each month. Supplier shall endeavor to deliver the ordered Water Products to Buyer no later than the first Monday following the fifteenth day of each month. All payments to Supplier will be made from Buyer's bank account by electronic funds transfer ("EFT") or other automatic payment mechanism that Supplier may designate. If at any time Buyer's financial responsibility becomes impaired or unsatisfactory to Supplier, or in the opinion of Supplier, inadequate to meet Buyer's obligations hereunder, Supplier shall have the option to change the payment terms and may require cash up front or satisfactory security before making shipments or deliveries to Buyer under this Agreement. Upon any failure by Buyer to pay any amount when due, Supplier may, at its option, and without prejudice to other lawful remedies available to Supplier, suspend further shipments and deliveries under this Agreement and no forbearance, course of dealings, or prior payment shall affect this right of Supplier.

5. Delivery. Unless otherwise specified by Supplier, Buyer will bear all costs of delivery of the Water Products to Buyer. Accordingly, unless otherwise specified by Supplier, Buyer will pay for and arrange all shipping costs to Buyer. Title and risk of loss shall transfer to Buyer upon transfer of the Water Products to the carrier who receives the Water Products from Supplier. Supplier shall provide Buyer with shipment documentation showing the Order number, identifying the Water Products, the number of Water Products in the shipment, Supplier's name and other information as determined by Supplier.

6. Non-Conforming Delivery. If any of the Water Products fail to comply with any Order or other requirements of this Agreement ("Non-Conforming Water Products"), Buyer shall, within five (5) calendar days upon receipt of the Non-Conforming Water Products, notify Supplier by email of the defect, which shall include pictures and video of the Non-Conforming Water Products and all other details in the possession of Buyer. Buyer may, in its discretion, partially or completely reject, or may accept, Non-Conforming Water Products. If Buyer rejects the Non-Conforming Water Products, Supplier shall promptly, at Buyer's option: (i) correct the discrepancy as to those Non-Conforming Water Products, or (ii) replace the Water Products at Supplier's expense. For Non-Conforming Water Products partially accepted, or accepted as non-conforming, Buyer and Supplier shall negotiate, as necessary, any discounts from the applicable invoice to account for the acceptance of the Non-Conforming Water Products.

7. Failure to Supply.

7.1 Delays and Supply Shortages. Supplier shall promptly provide written notice to Buyer of any of the following events or occurrences, or any facts or circumstances reasonably likely to give rise to any of the following events or occurrences: (i) any failure by Supplier to perform any of its obligations under this Agreement; (ii) any delay in delivery of Water Products; or (iii) any potential shortage in supply of Water Products.

7.2 Uninterrupted Supply. Supplier shall use reasonable efforts as Supplier deems necessary or appropriate to provide an uninterrupted supply of Water Products to Buyer during the Term, unless any disruption or occurrence constitutes a Force Majeure Event. Notwithstanding anything to the contrary in this Section 7.2, Supplier may discontinue the sale, production and/or distribution of any Water Product sold by Supplier to Buyer under this Agreement at any time.

8. Supplier's Warranties Regarding Water Products. Supplier represents and warrants to Buyer that (i) the Water Products will be free from material defects, produced in accordance with applicable law, and merchantable and fit for their intended use including human consumption; and (ii) the Water Products will be manufactured, produced, stored and/or delivered in accordance with appropriate good manufacturing practices required under applicable law for articles of food.

9. Compliance with Applicable Law. Buyer shall obtain and maintain all required local, state and federal permits applicable to the sale and distribution of the Water Products at the Approved Facility. Buyer shall in all dealings with Supplier, customers, suppliers, and public officials adhere to high standards of honesty, integrity, fair dealing and ethical conduct and refrain from engaging in any action which may cause damage to the Marks. If Buyer shall receive any notice, report, fine, test results or the like from any applicable department of health (or other similar governmental authority), Buyer shall promptly send a copy of the same to Supplier.

10. Business Standards. Buyer shall comply with the highest business standards in selling and promoting Water Products at the Approved Facility and shall not claim or represent directly or indirectly that any Water Product has any characteristics or qualities other than those represented to Buyer from time to time by Supplier. Buyer shall exert its best efforts to ensure Water Products are sold under sound trade practice methods. Buyer shall not do or omit to do anything that would or in the reasonable opinion of Supplier jeopardize the goodwill and/or reputation of the Marks, Water Products or Supplier.

11. Confidentiality. Each Party (the "Receiving Party") shall hold in confidence and not make any commercial or other use of any or all "Confidential Information" (as defined below) conveyed, acquired or learned from the other Party ("Disclosing Party") at any time, except in association with the Receiving Party's performance of this Agreement. Receiving Party shall not disclose such information to third persons without the prior written consent of the Disclosing Party. Receiving Party shall limit access to the Confidential Information to those of its employees and agents (including attorneys and accountants) with the need to know the same and shall advise such employees and agents of, and hold them to, Receiving Party's obligations under the terms of this Section 11. "Confidential Information" means all information of Disclosing Party that is disclosed orally or in writing by Disclosing Party to Receiving Party and that, at the time of disclosure, is designated as confidential, is disclosed in circumstances of confidence, would be understood by the Parties, exercising reasonable business judgment, to be confidential, or is not generally known to the public, whether of a business, technical, or other nature, and including, without limitation, Supplier's trade secrets, Supplier's distribution process, pricing, inventions, methods, processes, designs, plans, drawings, specifications, know-how, and marketing techniques and materials, and business plans. For the avoidance of doubt, the recipes for the Water Products are owned by Supplier or Supplier's licensors and are Confidential Information of Supplier. Upon termination of this Agreement, Receiving Party shall return to Disclosing Party all of Disclosing Party's Confidential Information or shall destroy the same at the option of Disclosing Party. The provisions of this Section 11 shall survive termination or expiration of this Agreement. The obligations in this Section 11 regarding trade secrets, in particular, will continue for trade secrets for so long as the information constitutes a trade secret under applicable law.

12. Term. Unless terminated earlier pursuant to Section 12, this Agreement will begin on the Effective Date and expire on the first anniversary of the Effective Date ("Initial Term"). The term of this Agreement shall automatically renew for periods of twelve (12) months from the expiration date of the term then in effect (a "Renewal Term") unless either Party has provided the other Party with written notice of its intention to terminate this Agreement at least thirty (30) calendar days prior to the expiration date. The Initial Term and, if and when applicable, the Renewal Term, shall be referred to as the "Term". Notwithstanding the foregoing, this Agreement shall automatically terminate on termination or expiration of Buyer's Franchise Agreement with SMTF.

13. Termination.

13.1 Defaults. Either Party may terminate this Agreement prior to the expiration of the Term if: (a) there is a Default by either Party of any of the representations, warranties or covenants under this Agreement and the defaulting Party fails to cure the default within thirty (30) calendar days after written notice of default or such longer period if reasonably necessary in the event that thirty (30) calendar days shall be insufficient to cure such failure to perform so long as the defaulting Party is diligently proceeding to cure such default; or (b) immediately in the event that the other Party (i) fails to vacate an involuntary bankruptcy, insolvency or reorganization petition or petition for an arrangement or composition with creditors within sixty (60) calendar days after the date of such filing, or files such a petition on a voluntary basis; or (ii) makes an assignment for the benefit of creditors; or (iii) fails to vacate the appointment of a receiver or trustee for any interest in such Party's business within sixty (60) calendar days after such appointment. "Default" means any breach of, or failure to comply with, any of the terms or conditions of this Agreement.

13.5 Damages. If Buyer fails to provide Supplier with proper notice of its intention to terminate this Agreement pursuant to Section 13, in addition to all other remedies available to Supplier, Buyer shall pay Supplier, on demand, an amount equal to Buyer's average purchase of Water Products for the one (1) month immediately preceding the date this Agreement is terminated. Supplier and Buyer acknowledge and agree that it would be impossible and impracticable to determine the precise amount of damages and expenses Supplier will incur if Buyer fails to provide notice of its intention to terminate this Agreement pursuant to Section 13 due to the complications inherent in determining the amount of revenue lost by Supplier. Supplier and Buyer further acknowledge and agree that an amount equal to Buyer's average purchase of Water Products for the one (1) month immediately preceding the date this Agreement is terminated a reasonable, good faith estimate of those damages.

13.6 Effect of Termination or Expiration. Following any termination or expiration of this Agreement: (i) Supplier shall complete the delivery of all Water Products that are then the subject of an Order and those Orders shall continue to be subject to the terms and conditions of this Agreement; (ii) Buyer shall pay all outstanding invoices for the Orders; (iii) Buyer shall remove all advertising displays and other usages of the Marks; (iv) all Confidential Information, whether in written, electronic or other form, shall either be returned to the Party who disclosed such Confidential Information or destroyed; and (v) each Party will immediately cease using any of the other Party's Confidential Information. The payment obligations hereunder in Supplier's favor shall be in addition to Supplier's other available remedies as allowed by law.

14. Indemnity.

14.1 By Supplier. Supplier shall defend, indemnify and hold harmless Buyer, its officers, directors, shareholders, members, managers, affiliates, agents and employees from and against any and all third party damages, losses, liabilities, claims, suits, costs and expenses (including attorneys' fees and costs) (collectively, "Claims") resulting from or arising out of the manufacturing of the Water Products. In the event of any Claim, Supplier will defend the Claim at its sole cost and expense. Buyer will provide reasonable assistance to Supplier in any defense, as Supplier may request, at Supplier's expense. If Supplier fails to assume the defense to Buyer's satisfaction within thirty (30) days after receipt of notice of the Claim, Buyer may defend the Claim in the manner it deems appropriate, and Supplier shall reimburse Buyer for all reasonable costs incurred in the defense, including payment of any settlement or judgment against Buyer.

Buyer shall defend, indemnify and hold harmless Supplier, its officers, directors, shareholders, members, managers, affiliates, agents, representatives and employees from and against any and all third party Claims resulting from or arising out of: (i) any claim of infringement of intellectual property rights relating to Buyer's operations generally and at the Approved Facility, (ii) any injury, illness and/or death to employees, customers and others not related to the manufacturing of the Water Products; or (iii) any breach of this Agreement by Buyer. In the event of any Claim, Buyer will defend the Claim at its sole cost and expense. Supplier will provide reasonable assistance to Buyer in any defense, as Buyer may request, at Buyer's expense. If Buyer fails to assume the defense to Supplier's satisfaction within thirty (30) days after receipt of notice of the Claim, Supplier may defend the Claim in the manner it deems appropriate, and Buyer shall reimburse Supplier for all reasonable costs incurred in the defense, including payment of any settlement or judgment against Supplier.

15. Insurance. Buyer shall, at all times during the Term of this Agreement, obtain and keep in force at its own cost and expense, comprehensive general liability insurance, including contractual liability and product liability, with a minimum combined single limit in the amount of not less than \$1 million per occurrence and \$2 million in the aggregate for bodily harm or personal injury to, illness of, or death of persons and damage to property. Each policy of insurance shall name Supplier as an additional insured on the policy endorsement. Upon Supplier's request, Buyer shall cause certificates evidencing the existence of any insurance required under this Agreement to be delivered by the applicable insurer to Supplier. To the extent permitted, each comprehensive liability insurance shall not be canceled until at least thirty (30) calendar days' written notice has been given to Supplier. Each of the above-referenced insurance must carry a Best's rating of at least 'A-'. Buyer will also maintain the statutory requirements of workers' compensation insurance.

16. Recalls. Supplier will date each production run of Water Products with a tracking system and prepare and maintain records. Each Party shall immediately (but in no event later than twenty-four (24) hours) notify the other whenever that Party becomes aware that any Water Product, or any material or component therein, is or might become harmful to persons or property, or that any Water Product is defective in any manner that is or might become harmful to persons or property, or that violates or might violate applicable laws, and shall provide all information in its possession with respect to the problem or defect. If Buyer deems it necessary to recall any Water Product for any reason bearing on the quality and/or safety of the Water Product, Supplier shall take the action that may be required by applicable laws to protect the interests of the public and to comply diligently with all product recall procedures established by any governmental authority responsible for the recalls. Supplier shall be responsible for implementing any recall required by government agencies with respect to the Water Products.

17. Force Majeure. Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without that Party's fault or negligence and that by its nature could not have been foreseen by that Party or, if it could have been foreseen, was unavoidable, which events may include natural disasters, embargoes, explosions, riots, pandemics, endemics, wars or acts of terrorism (each, a "Force Majeure Event"). Neither Party shall be liable to the other for any delays or defaults caused by a Force Majeure Event.

18. Assignment; Change of Control. Supplier shall have the right to transfer or assign all or any part of its rights or obligations under this Agreement to any person or legal entity without the consent or approval of Buyer. With respect to any assignment which results in the subsequent performance by the assignee of all of Supplier's obligations under this Agreement, the assignee shall expressly assume and agree to perform the obligations, and shall become solely responsible for all obligations of Supplier under this Agreement from the date of assignment. Buyer may not assign this Agreement without the prior written consent of Supplier. Any attempted assignment or transfer in violation of this Section 18 will be void. Subject to the foregoing, this Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

19. Notices. Any notice, request, demand, or other communication required or permitted by this Agreement will be deemed properly given (i) when actually delivered if delivered personally; (ii) if sent by certified mail, or overnight courier or express mail, return receipt requested. Notices to the Parties will be sent to the addresses set forth on the first page of this Agreement and either Party may change its address for notice by written notice to the other Party; (iii) by email, provided a confirmation of receipt is obtained or the email is followed by delivery of the notice by mail as prescribed above. Unless changed by a Party in writing, the email address for Supplier is julie@selfmadetrainingfacility.com and the email address for Buyer is _____@_____.

20. Independent Status. Supplier is an independent contractor engaged by Buyer to supply the Water Products. There is no relationship of partnership, joint venture, employment, franchise or agency between the Parties. Except as expressly provided in this Agreement, neither Party will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent.

_____ and _____ entered into a _____ Agreement on _____, 20____, (such Agreement, together with any amendments, the “_____ Agreement”). _____ is applying for financing(s) from a lender in which funding is provided with the assistance of the U. S. Small Business Administration (“SBA”). SBA requires the execution of this Addendum as a condition for obtaining SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree that notwithstanding any other terms in the _____ Agreement or any other document _____ requires _____ to sign:

CHANGE OF OWNERSHIP

- If _____ is proposing to transfer a partial interest in _____ and _____ has an option to purchase or a right of first refusal with respect to that partial interest, _____ may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of _____. If the _____’s consent is required for any transfer (full or partial), _____ will not unreasonably withhold such consent. In the event of an approved transfer of the _____ interest or any portion thereof, the transferor will not be liable for the actions of the transferee _____.

¹ While relationships established under license, jobber, dealer and similar agreements are not generally described as “franchise” relationships, if such relationships meet the Federal Trade Commission’s (FTC’s) definition of a franchise (see 16 CFR § 436), they are treated by SBA as franchise relationships for franchise affiliation determinations per 13 CFR § 121.301(f)(5).

COVENANTS

- If the _____ owns the real estate where the _____ location is operating, _____ has not and will not during the term of the _____ Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the _____'s real estate, they must be removed in order for the _____ to obtain SBA-assisted financing.

EMPLOYMENT

- _____ will not directly control (hire, fire or schedule) _____'s employees. For temporary personnel franchises, the temporary employees will be employed by the _____ not the _____.

As to the referenced _____ Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the _____.

Except as amended by this Addendum, the _____ Agreement remains in full force and effect according to its terms.

_____ and _____ acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729 - 3733.
