What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Georgia. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Georgia than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

A prohibition on the right of a franchisee to join an association of franchisees.

A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

A provision that requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- i. The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- ii. The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- iii. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- iv. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Competition and the Market

The market for our products and services is the general consuming public. Shoppes compete with all other sellers of ice cream and frozen desserts, including supermarkets, convenience stores, restaurants, and other ice cream and frozen dessert retail stores, as well as bakeries and shops offering high-quality, freshly made cakes or novelties. We operate in an intensely and increasingly competitive ice cream and frozen desserts market, which is rapidly changing. There are local, regional, and national competitors (including both local businesses and other chain vendors, some of which may have more locations or longer operating histories than our Shoppes) that also specialize in ice cream and other frozen dessert products and other snack, treat, and impulse food items, and others may enter the market. We also have local, regional, and national competitors that offer different or more generalized offerings. Shoppes are operated year-round, although demand fluctuates significantly during the year.

The retail food service business is highly competitive with respect to concept, price, location, food quality, and service. The business is often affected by economic and real estate conditions, political conditions, consumer tastes, population changes, the cost and availability of products and qualified labor, and traffic patterns. There also is significant competition for suitable commercial real estate sites and personnel, including management personnel.

You may also compete with the distribution and sale of Carvel® branded products through other outlets and sales channels. We may sell, or license affiliates or third parties to sell, Carvel® branded products (including products that you are likely to sell in your Shoppe) (i) at wholesale to restaurants and retail stores (including grocery stores, convenience stores, club stores, and other outlets) that may be located anywhere, (ii) through non-traditional outlets, (iii) through mail order and Internet sales, (iv) through ghost or delivery kitchens, or (v) through other company-owned or franchised Shoppes. You will not be entitled to additional rights or compensation in any of these cases. See Item 12 for details regarding our reserved rights.

Government Regulation and Certain Factors Affecting the Restaurant Industry

You must comply with federal, state, and local laws and regulations applicable to businesses generally, including, without limitation, laws and regulations related to workers' compensation, occupational health and safety, minimum wage, overtime, working conditions, discrimination, sexual harassment, tax, environmental protection, citizenship and/or immigration status (including laws requiring verification of status through the Department of Homeland Security's E-Verify program), and reasonable accommodations for employees and customers with disabilities (including the Americans with Disabilities Act).

You must ensure that your computerized point-of-sale system (the "**POS System**") or your credit card processing terminals (whichever are responsible for processing credit card transactions) are in compliance with the most current Payment Card Industry Data Security Standards ("**PCI-DSS**"). You also must comply with all applicable federal and state laws and regulations relating to the

collection, use, and security of personal information and comply with any privacy policies or data protection and breach response policies we periodically may establish.

Various federal agencies, including the U.S. Food and Drug Administration and the U.S. Department of Agriculture, and state and local health and sanitation agencies have regulations for the preparation of food and the condition of restaurants and food service facilities. You must comply with all federal, state, and local laws, regulations, and orders applicable to restaurants and food service facilities, including, without limitation, licensing, health, sanitation, menu labeling, food preparation and packaging, smoking, safety, fire, and other matters. Some jurisdictions may require franchisees to obtain restaurant, business, occupational, food products, health, and miscellaneous licenses. Some jurisdictions during a pandemic or public health crisis may require restaurants or venues in which Shoppes are located to materially modify, limit, or cease operations for an indeterminate period.

The Clean Air Act and state implementing laws also may require certain geographic areas to attain and maintain certain air quality standards for ozone, carbon monoxide and particulate matters. As a result, businesses involved in commercial food preparation may be subject to caps on emissions.

We do not assume any responsibility for advising you on these regulatory or legal matters. You should consult with your attorney about federal, state, and local laws and regulations that may affect your Shoppe. Compliance with these laws and regulations, as they may be amended from time to time, can increase your operational costs and affect your bottom line.

ITEM 3

LITIGATION

Disclosures Regarding Affiliated Programs

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("**ARG**"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019.) On March 14, 2019, our affiliate, Dunkin Brands, Inc. ("**DBI**"), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees and/or DBI's employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and DBI from hiring

each other's employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties' stipulation of judgment.

New York v. Dunkin' Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General ("NYAG") filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals' credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin' gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG's allegations, DBI and the NYAG entered into a consent agreement to resolve the State's complaint. Under consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Other than these actions, no litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

ITEM 5

INITIAL FEES

Initial Franchise Fees. When you sign a Franchise Agreement, you must pay us an initial franchise fee (the "**Initial Franchise Fee**") of \$30,500 for a Full Shoppe, \$10,500 for an Express Shoppe or Hosted Express Shoppe, \$5,500 for an Ice Cream Truck, and \$61,000 for a Co-Branded Shoppe (of which \$30,500 will be paid to Cinnabon). We will not refund any part of the Initial Franchise Fee.

We participate in the International Franchise Association's VetFran program. For qualifying veterans or members of the Armed Forces, the Initial Franchise Fee for a Full Shoppe is \$20,000.

We reserve the right to reduce the Initial Franchise Fee under certain circumstances, including: (i) as an economic incentive for a franchisee to open a certain location, with the determination made on a case-by-case review of all relevant economic factors; (ii) as an inducement for existing operators to open additional Shoppes; (iii) as an inducement for someone to reopen a closed

Shoppe; (iv) as an inducement for someone to take over an operating Shoppe; (v) as an inducement for a professional multi-unit operator to open several Shoppes; or (vi) to allow a franchisee to have additional money to spend on Shoppe improvements and marketing during the first 12 months of operation. The amount of any reduction will be made on an individual basis and may depend on the condition of the premises, the need for upgrades and remodeling, any special circumstances that we may consider appropriate, and/or other considerations. In addition, we may allow a new franchisee to apply part of their Initial Franchise Fee to the cost of needed improvements or equipment. We may modify or cease offering any discount or incentive programs at any time.

During the 2024 calendar year, franchisees paid Initial Franchise Fees ranging from \$0 to \$30,500.

If you sign multiple Franchise Agreements with a Multi-Unit Addendum to develop a set number of Shoppes, you must pay us all of the Initial Franchise Fees for all of the Shoppes that you commit to develop at the time you sign the Franchise Agreements with a Multi-Unit Addendum. If you fail to develop any of the Shoppes by the deadlines set forth therein or any Franchise Agreement(s) subject to the Multi-Unit Addendum are terminated, you will not receive a refund of any Initial Franchise Fees that you have prepaid.

In certain rare circumstances, we may permit installment payments of the Initial Franchise Fee on terms negotiated with the franchisee.

Plan Review Fee. After our initial review of your proposed layouts, renderings, plans, and specifications for the Shoppe, which must include interior and exterior elevations of the Accepted Location (the “**Architectural Plans**”) at no cost and our review of one revised set of Architectural Plans that incorporate our required changes at no cost, we may charge a fee of \$2,500 for each set of drawings we review that include any other modifications from the plans that we have previously accepted.

On-Site Construction Inspection Fee. We may, in our sole discretion, inspect your site during construction. We will not charge for our first on-site inspection, but we may charge you an inspection fee of \$2,500 for a second or subsequent inspection.

Training Fees. We will provide our Management Training Program to two Managers and any other individuals that we designate (the “**Required Trainees**”) at no additional charge for the first two Shoppes that you or your affiliates operate. For the third and subsequent Shoppes that you or your affiliates operate, if we require you or you elect to receive the Management Training Program from us or our designee, you must pay us our then-current Management Training Program fee for all of your Required Trainees to attend in a single training session (currently, \$3,000, except \$5,000 for Co-Branded Shoppes and \$1,000 for Express Shoppes). You must pay us a reasonable training fee that we designate (currently, \$250 per additional trainee per day) if (i) you elect, and we permit you, to bring additional trainees, other than the Required Trainees, to the Management Training Program, (ii) your Required Trainees are trained in separate sessions, or (iii) any of your Required Trainees fail to successfully complete the Management Training Program and re-enroll in the program or are replaced with new trainees that enroll in the program.

On-Site Training and Assistance Fee. For your first two Shoppes (including Shoppes owned by your affiliates), the Initial Franchise Fee includes the cost of us providing one or more representatives to provide on-site opening training and assistance at your Shoppe. For your (or your affiliates’) subsequent Shoppes, if we, in our sole discretion, provide on-site training or

assistance (at your request or because we determine such assistance is necessary), you must pay us our then-current On-Site Training and Assistance Fee (currently, \$500 per trainer per day, plus their travel and living expenses). Our on-site training and assistance for your third and subsequent Shoppes typically includes (i) one representative assisting for six days for Full Shoppes, which would cost approximately \$4,800 to \$5,300, (ii) one representative assisting for one day for Express Shoppes, which would cost approximately \$1,050 to \$1,800, and (iii) two representatives assisting for seven days for Co-Branded Shoppes, which would cost \$11,100 to \$12,200.

POS System Payments. You must purchase or lease your POS System from our designated vendor. Currently, under the hardware purchase program (the “**CapEx Program**”), prior to opening, you will purchase the POS System directly from the vendor and will pay us the software license fee for your first month, which will be \$159 to \$397. We will pay the vendor the monthly software license fee on your behalf. Currently, under the hardware as a service program (the “**Haas Program**”), prior to opening, you will pay us an initial payment of \$216 to \$442, plus a \$300 activation fee, each of which we will collect and pay to the vendor on your behalf. The initial Haas Program payment includes a one-time activation fee and the software license fee and hardware lease fee for your first month. The applicable fee will be determined based on your equipment configuration and may change from time to time.

POS System Administration Fee. Before your Shoppe opens, we may, in our sole discretion, provide you with project management assistance related to, and coordinate the onboarding and configuration of, your POS System. You must pay us our then-current fee for such services, which is currently estimated to be between \$1,500 and \$2,000.

Grand Opening Advertising. You must spend on grand opening advertising promoting the opening of your Shoppe during the period beginning 90 days before you open the Shoppe and ending 90 days after you open the Shoppe at least (i) \$7,500 for a Shoppe in a Streetside Location, (ii) \$3,000 for a Shoppe in an Other Location, (iii) \$6,000 for a Co-Branded Shoppe in an Other Location (which covers both brands), and (iv) \$15,000 (\$25,000 if the Shoppe is one of your first four Co-Branded Shoppes in an Emerging Market) for a Co-Branded Shoppe in a Streetside Location (which covers both brands) (the “**Grand Opening Obligation**”). “**Streetside Locations**” include freestanding, inline, and endcap locations on city streets or in shopping centers (including power centers, lifestyle centers, and strip centers, but excluding malls (enclosed and open air) and outlet malls and centers). “**Other Locations**” include all locations other than Streetside Locations, including airports, amusement parks, big box stores, casinos, colleges, convenience stores, farmer’s markets, military bases, malls (enclosed and open air), outlet malls and centers, sports and entertainment venues, train stations, transportation centers, travel plazas, truck stops, universities, zoos, and delivery or ghost kitchens. An “**Emerging Market**” is a market that we, in our sole discretion, designate as emerging, after taking into consideration factors such as when the brand was introduced to the market, the number of Streetside Locations that have been opened in the market, the size of the market, the performance of existing Shoppes in the market, and market share within the market. We may require you to pay this amount to us or the Ad Fund for us to spend in accordance with a grand opening advertising plan that we designate or approve.

Co-Branded Shoppes. If you operate a Co-Branded Shoppe, a portion of the Initial Franchise Fee will be paid to the Co-Branded Franchisor under the Co-Branded Agreement, as described above and in the Co-Branded Franchisor’s Franchise Disclosure Document. We and the Co-Branded Franchisor will jointly collect and split the other initial fees described in this Item 5.

All Initial Fees. Except as noted above, you do not pay us or our affiliates any other fees or payments for services or goods before your Shoppe opens. The initial fees are not refundable.

Explanatory Notes:

The above charts are estimates of a franchisee's total initial investment in one Shoppe, based on our experience franchising Shoppes. The charts should be read in conjunction with the following notes.

You should review this information, including the footnotes, carefully, conduct your own investigation and seek the help of qualified advisors before making any decision about an initial investment in a Shoppe.

None of these fees or payments are refundable unless otherwise noted below.

1. Initial Franchise Fee. See Item 5. For Co-Branded Shoppes, the Initial Franchise Fee estimate includes both the Initial Franchise Fee paid to us (\$30,500) and the initial franchise fee paid to Cinnabon under the Cinnabon® Franchise Agreement for the right to operate a Cinnabon® franchise (\$30,500).

2. Construction and Build Out Costs. This estimate includes fees paid to a general contractor you engage to build out the Shoppe to meet our Standards (and for a Co-Branded Shoppe, the standards of the Co-Branded Franchisor too). Leasehold improvements include but are not limited to HVAC, electrical, carpentry, floor covering, and painting. The cost of a general contractor will vary widely depending on the size and condition of the premises, whether or not there are any existing and comparable leasehold improvements in the premises, the extent and quality of improvements you desire over and above our minimum requirements, your landlord's cash contribution to the cost of the improvements, and the local costs of material and labor. In certain major metropolitan markets such as Boston, Chicago, New York, Los Angeles, San Francisco, Seattle, and Washington, D.C., costs could be significantly higher than the estimates provided here due to local market rates for materials and labor. For Co-Branded Shoppes (other than Swirl Shoppes), the estimate is based on mall and streetside locations. The Swirl Shoppe estimate is based on streetside locations.

The range of estimated costs relates to a Hosted Express Shoppe being built in connection with the construction of a Host Facility, so a number of the costs already being incurred to build-out and begin operating the Host Facility (e.g., permitting, insurance, construction of leasehold improvements, equipment, etc.) will often alleviate or reduce many of the costs that would otherwise apply to build out the Hosted Express Shoppe. These figures do not include any of the costs relating to the investment required for the Host Facility. If you are building a Hosted Express Shoppe that will be located in an existing Host Facility, you should review the chart above for the standard Express Shoppe that is not located in a new Host Facility.

3. Permitting. This estimate includes the cost of acquiring construction permits, including permit fees. Your costs will vary depending upon your Shoppe's location. In some markets, the costs of required permits may significantly exceed our estimates.
4. Equipment Package. You must purchase or lease from an Approved Supplier certain equipment (like kitchen equipment) and machinery that complies with our Standards (and for a Co-Branded Shoppe, the standards of the Co-Branded Franchisor too). Your actual costs will vary depending on a number of factors including, without limitation, building codes and health requirements of the state where your Shoppe is located.

The amounts for Full Shoppes and Co-Branded Shoppes include two soft-serve machines and one freezer. The amounts for Express Shoppes and Hosted Express Shoppes include only one soft-serve machine and one freezer. Your expenses will be higher if you purchase additional soft-serve machines, which currently cost between \$13,610 and \$31,313 each. Your expenses may also be higher if you elect to purchase an additional soft-serve freezer, which currently costs approximately \$24,000.

5. Millwork. You will incur expenses for millwork at the Shoppe, which may include the cost of purchasing cabinets and counters from Approved Suppliers and installing them in the Shoppe.
6. Furniture. You must purchase from Approved Suppliers furniture that meets our Standards, such as tables, chairs, and office furniture.
7. Menu Board, Graphics, and Interior Signage. This estimate includes the cost of purchasing digital and/or static menu boards and interior signage from Approved Suppliers. The cost will vary based on the size of your Shoppe.

8. Exterior Signage. You must purchase exterior signage from Approved Suppliers. The cost of your exterior sign will vary depending on the size, color, quantity and backlit channel letters of the sign and other specifications as we require.
9. Computer System. You must purchase, lease, and/or license and install at the Shoppe the POS System, computer systems, mobile hardware, software, online ordering platform, associated computer hardware, telephone lines, network connections, communications equipment, high speed internet access (e.g. DSL or cable), credit card, gift card and loyalty card processing equipment, and other equipment that we require from time to time (collectively, the “**Computer System**”). The Computer System currently includes a back-office PC, one monitor, one back-office multi-function printer, between one and four POS System terminals (between one and two for Express Shoppes and Ice Cream Trucks and none for Hosted Express Shoppes), one firewall device, a dedicated iPad® or Windows® tablet/computer, and one POS System server in addition to other related software, phone and network connections, and equipment. The estimate includes the cost of purchasing the POS System from our designated Approved Supplier under the CapEx Program. You may also be required to purchase training software from a vendor that we designate. For Co-Branded Shoppes, the Computer System that we require meets both our and the Co-Branded Franchisor’s standards.
10. Smallwares. This estimate includes the cost of purchasing cooking utensils and supplies, cleaning supplies, other smallwares, and other tools necessary to operate the Shoppe.
11. TV/Music. We may require you to install televisions and audio equipment in the Shoppe and to enter into subscriptions for television and audio services.
12. Architect/Engineer. You must engage a licensed architect that we accept in writing and licensed engineers (e.g., mechanical, electrical, plumbing, or structural engineers) as necessary to draft standard construction plans for your Shoppe. Your costs will vary depending upon the location of the Shoppe, its condition, and the need for additional designs, plans, and drawings, if applicable.
13. Rent. The figures in the table reflect our estimates for leasing the Shoppe premises and include only one month of rent. A typical Full Shoppe occupies about 800 to 1,600 square feet of space and may be located in either a free-standing building, an in-line retail plaza space, or other non-traditional venue. A typical Express Shoppe or Hosted Express Shoppe occupies about 100 to 500 square feet of space. A typical Cinnabon Co-Branded Shoppe or Swirl Shoppe occupies about 1,800 square feet of space.

Your rent will depend on the site’s size, condition, visibility, accessibility, and location, local market conditions, demand for the premises among prospective lessees, and the arrangement you negotiate with the landlord. In certain major metropolitan markets such as Boston, Chicago, New York, Los Angeles, San Francisco, Seattle, and Washington, D.C. and in certain other high demand districts, prevailing market rents could be significantly higher than the high estimate. Because of the wide variation in lease rates for retail space, you should consult with a local commercial real estate broker to get a more accurate estimate of costs in your market.

If you are opening a Hosted Express Shoppe, these rental costs will likely be incurred in connection with locating and leasing the site for the Host Facility.

If you choose to instead purchase real estate, we are unable to estimate the total cost of purchasing suitable premises for your Shoppe or the amount of any down payment that would be required.

14. Grand Opening Marketing. You must conduct a grand opening advertising campaign with the opening of your Shoppe. You must pay all costs of the grand opening, including publicity costs, promotional costs, plus the full cost of any price reductions or other customer inducements. Costs may vary depending on your market and the type of advertising used, however, you must spend on grand opening advertising promoting the opening of your Shoppe at least (i) \$7,500 for a Shoppe in a Streetside Location, (ii) \$3,000 for a Shoppe in an Other Location, (iii) \$6,000 for a Co-Branded Shoppe in an Other Location (which covers both brands), and (iv) \$15,000 (\$25,000 if the Shoppe is one of your first four Co-Branded Shoppes in an Emerging Market) for a Co-Branded Shoppe in a Streetside Location (which covers both brands) in accordance with an advertising plan that we designate or approve. We may require you to pay this amount to us or the Ad Fund for us to spend in accordance with a grand opening advertising plan that we designate or approve.
15. Legal and Accounting Fees. This estimate includes the cost of legal and accounting fees that you may incur in establishing your business. Such expenses may include fees payable to attorneys and accountants that you will need to use for the review of this Disclosure Document and the related agreements (and for Co-Branded Shoppes, the cost to review the Franchise Disclosure Document and related agreements for the Co-Branded Franchise), as well as for entity formation and lease negotiation.
16. Insurance. You must obtain and maintain during the term of your Franchise Agreement, at your expense, a comprehensive business insurance program, including property, commercial general liability, automobile liability, business property, umbrella, workers' compensation, employment practices liability, cyber liability, and (if you serve alcohol) dram shop liability insurance. The types and minimum amounts of insurance coverage that we currently require are described in Section 13.2 of the Franchise Agreement but are subject to change. We may obtain a master insurance policy on behalf of the System for certain types of coverage and require you to pay all or a portion of your proportionate share of coverage under the master policy to us or our Approved Supplier. This figure estimates the cost of your insurance premiums for your first year of operation based on our minimum requirements. Your cost of insurance will vary depending on your Shoppe location, the claims experience of commercial businesses in your area, and your prior insurance claim experience. You should be aware that this cost may increase in the future if we exercise our right to require you to obtain insurance with higher policy limits. If you operate a Hosted Express Shoppe, the insurance policy for the Host Facility typically can be extended to cover the Hosted Express Shoppe for less than the cost of an additional policy.
17. Misc. Opening Costs/ Office Supplies. This includes office supplies and other miscellaneous opening expenses, such as utility costs, business licenses and permits, opening assistance, and the cost of training your employees.
18. Security Deposits. This estimate includes the cost of construction, utility, and lease deposits.

19. Management Training Fees and Expenses.

Management Training Program Fee. If we provide the Management Training Program to you for your third or subsequent Shoppes (including Shoppes operated by your affiliates), you must pay us a fee of \$3,000 (\$5,000 for Co-Branded Shoppes and \$1,000 for Express Shoppes) for two people to attend the Management Training Program. If any of your trainees require additional training beyond our standard Management Training Program or if any additional trainees attend training, you may incur additional costs that are not reflected in this estimate.

Travel and Living Expenses during Training. This estimate is for the cost of two Required Trainees to attend six days (10 days for Co-Branded Shoppes and two days for Express Shoppes) of the Management Training Program in a location that we designate. The high estimate also includes the cost of your Primary Contact (if they are not one of the Required Trainees) to attend two days of the Primary Contact Training (as defined in Item 11). You are responsible for the travel and living expenses, wages, and other expenses incurred by your trainees during the program. The estimate assumes each trainee will incur \$250 to \$300 per day of hotel and living expenses and a \$300 to \$500 flight expense. Your actual cost will depend on your point of origin, method of travel, class of accommodations, and dining choices. If any of your trainees require additional training beyond our standard Management Training Program or if additional trainees attend training, you may incur additional costs that are not reflected in this estimate.

20. On-Site Training and Assistance Fee. For your third and subsequent Shoppes (including Shoppes operated by your affiliates), if we, in our sole discretion, provide on-site training or assistance (at your request or because we determine such assistance is necessary), you must pay us our then-current On-Site Training and Assistance Fee (currently, \$500 per trainer per day, plus their travel and living expenses). The low estimate assumes you will not need on-site assistance for such additional Shoppes. The high estimate includes the cost of one of our trainers traveling to provide six days (one day for Express Shoppes) of such on-site training and assistance, including their estimated travel and living expenses (estimated for each trainer to be \$250 to \$300 per day of hotel and living expenses and a \$300 to \$500 flight expense). For Co-Branded Shoppes, the high estimate includes the cost of two trainers to provide such on-site training and assistance for seven days.

21. Opening Inventory. You must purchase an opening inventory of food and paper products, which will vary in cost based on the size, location, and projected sales of your Shoppe.

22. Additional Funds – 3 Months. This estimates the additional funds you may need to cover expenses you will incur before your Shoppe opens and in its first three months of operation. These expenses may include, without limitation, employee salaries, wages, and benefits, payroll taxes (including payroll to cover the pre-opening training period for your staff), Royalty Fees, Advertising Contributions, ongoing fees due to the Co-Branded Franchisor (if you operate a Co-Branded Shoppe), additional advertising expenses, additional inventory, miscellaneous supplies and equipment, rent, bank charges, state tax and license fees, deposits, prepaid expenses, and other miscellaneous items. We have based these figures on our experience franchising Shoppes and our affiliate's experience opening and operating Shoppes. You may incur other categories of expenses or expenses in excess of this estimate.

23. Total Initial Investment. These figures are based on our experience franchising Shoppes and our affiliate's experience opening and operating Shoppes. Your actual investment and expenditures and initial cash outlay may vary from the amounts shown if you choose to purchase your Shoppe, if you choose to build a larger or smaller Shoppe than our standard design, or if your Shoppe is located in an expensive market. Shoppes located in non-traditional venues like office buildings, hospitals, stadiums or university food service facilities will likely experience lower initial investment expenditures than Shoppes in traditional locations like malls or strip centers.
24. Hosted Express Shoppe. The range of estimated costs relates to a Hosted Express Shoppe being built in connection with the construction of a Host Facility. As a result, many of the costs associated with developing an Express Shoppe will be incurred when constructing and beginning to operate the Host Facility (e.g., permitting, insurance, construction of leasehold improvements, computer systems, equipment, etc.) and are not included in this table. These figures do not include any of the costs relating to the investment required for the Host Facility. If you are building a Hosted Express Shoppe that will be located in an existing Host Facility, you should review the chart above for a standard Express Shoppe that is not located in a new Host Facility.
25. Truck Costs. If you operate an Ice Cream Truck, you must purchase a truck from an Approved Supplier and must customize the interior and exterior unit to comply with our Standards. This estimate includes the cost of fit-out, exterior signage and vehicle wrapping, the generator, license tags, and related permits. This estimate assumes that you are purchase the truck and do not finance the purchase.
26. Co-Branded Shoppes. The figures in the Co-Branded Shoppe table have been prepared by us, after consultation with the Co-Branded Franchisor, and are based on our and its experiences franchising our respective franchises and our and their standards for co-branded locations. The estimate includes all of the costs necessary to purchase, develop, and begin operating a Co-Branded Shoppe (including a Swirl Shoppe), including the costs to acquire a Cinnabon® franchise and to construct and outfit the Co-Branded Shoppe in accordance with our and the Co-Branded Franchisor's standards for such a co-branded location.

We do not offer direct or indirect financing to franchisees for any of these items. The availability and terms of financing will depend on factors like the availability of financing generally, your credit worthiness, collateral you pledge, policies of your lending institution, and economic conditions in your area.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases. We have the right to require that Approved Products, other products, Proprietary Ingredients, supplies (including chemicals), furniture, fixtures, equipment, and services (collectively, "**Goods**") that you purchase for resale or purchase or lease for use in your Shoppe: (i) meet specifications that we establish from time to time; (ii) be a specific brand, kind, or model; (iii) be purchased or leased only from Approved Suppliers; (iv) be purchased or leased only from a single source that we designate (which may include us or our affiliates or a buying cooperative organized by us or our affiliates); and/or (v) be purchased as part of a purchasing program, arrangement, or contract that we negotiate or specify. We may add or change Approved Suppliers at any time.

You must purchase all of your requirements of Proprietary Ingredients, Proprietary Products, and proprietary uniforms, signs, menu boards, smallwares, materials, supplies, paper goods, equipment, and packaging (collectively, the “**Proprietary Goods**”) from us, our affiliates, or our designated Approved Suppliers. The Proprietary Goods include printed paper, paper products, and plastic products bearing our Proprietary Marks (including, for example, dishes, containers, cartons, bags, napkins, and packaging supplies). We may require you to purchase certain trademarked product lines consisting of t-shirts, apparel, mugs and other merchandise and products bearing the Proprietary Marks (“**Trademarked Product Lines**”) from us, our affiliates, or our designated Approved Suppliers. In addition, if we conduct test marketing to determine consumer trends and the salability of new food or non-food products and services, you may be required to purchase a reasonable quantity of test products we specify from designated Approved Suppliers.

For any proposed site, we may require you to obtain a site selection analysis from an Approved Supplier, which may include an analysis of such factors as traffic patterns, demographics and competitors within the market. As you design and construct your Shoppe, you must hire an architect that we accept in writing to prepare your plans and make any necessary changes to our standard layout and specifications. In addition, you must hire a licensed and insured general contractor that we accept to complete the build-out of your Shoppe. Our acceptance of your architect or general contractor will not in any way be our endorsement of your architect or general contractor or render us liable for your architect’s or general contractor’s performance. When you refresh or remodel your Shoppe, we may require you to obtain, at your expense, a site survey and design solution from us, our affiliates, or a designated vendor.

You must purchase and install, at your expense, all fixtures, furnishings, equipment (including a Computer System), décor and signs, as we direct. If we modify our menu, we may require you to purchase additional equipment to prepare and store new menu items. You may not install on or about your Shoppe any merchandise, furnishings, interior or exterior décor items, supplies, fixtures, equipment or utensils unless they have been approved by us in writing. You must purchase these items only from an Approved Supplier unless we specify otherwise.

You are required to purchase most of the components of the Computer System that we specify from Approved Suppliers. Currently, we have Approved Suppliers for our POS System and for certain software that you must use in your Shoppe, including the Learning Management System. We also require you to use designated Approved Suppliers for point-to-point encryption (“**P2PE**”) solutions (hardware and software) that are used in cooperation with your POS System to provide secure and compliant payment processing services. Full Shoppes and Express Shoppes will be required to use this designated POS System; Hosted Express Shoppes and Ice Cream Trucks may use another, approved POS System with prior approval from us. If we require you to use any proprietary software or to purchase any software from a designated vendor, you must execute any software license agreements that we or the licensor of the software require and any related software maintenance agreements. We may require you to maintain certain network connections, which may include using an Internet Service Provider or other communications provider that we approve or designate. Currently, we require you to obtain the POS System from our designated vendor (and we may collect from you the related upfront and ongoing fees for such POS System and pay the vendor on your behalf) and POS System support services from our affiliate. We may require you to maintain other support service contracts and/or maintenance service contracts from us, our affiliates, or designated Approved Suppliers.

We require you to accept major credit cards (Visa, MasterCard, American Express, and Discover) and other major payment methods (such as Apple Pay and Google Pay) for customer purchases,

participate in our Gift Card and Loyalty Programs, and participate in our in-shop mobile and online ordering program. These programs may require that you invest in additional equipment and incur fees from the credit card processing vendors, gift card processing vendors, and other hardware and software vendors that we designate.

We require you to purchase and maintain specific types of insurance coverage as described in more detail in the Franchise Agreement and the Manuals from insurance companies that meet our minimum Standards. We also specify the minimum amounts of insurance coverage you must maintain. All insurance policies must name us and others we designate as additional insureds. You must provide us with evidence of your insurance coverage before you begin operations at your Shoppe, upon annual renewal of your insurance, and otherwise within 10 days of our demand for proof. We reserve the right to obtain a master insurance policy on behalf of the System for certain types of coverage and require you to pay all or a portion of your proportionate share of coverage under the master policy to us or our Approved Supplier.

Currently, except as otherwise detailed above, you may purchase the remainder of the Goods that you use in your Shoppe from any source, as long as the Supplier and the Goods meet our minimum Standards. We may designate any Supplier as ineligible to supply Goods to you in our sole discretion. Further, we may designate one or more Approved Suppliers for any Goods upon written notice to you.

We or Our Affiliates as Approved Suppliers. Except as set forth in this paragraph, neither we nor our affiliates are currently Approved Suppliers for any Goods that you are required to purchase or lease. GoTo Supply provides supply chain, quality assurance, distribution, and logistics services to franchisees, and GoTo Rewards administers our gift card program, although neither are Approved Suppliers for any Goods. We and our affiliates reserve the right to become an Approved Supplier or the only Approved Supplier for any Goods in the future.

Interest in Approved Suppliers. Except through an interest in us or our affiliates, none of our officers owns any interest in any Suppliers with whom you must or are required or recommended to do business.

Approval Process. If you would like to offer products or use any Goods that we have not approved or to purchase or lease from a Supplier that we have not approved, you must submit a written request for approval and provide us with any information that we request. We have the right to inspect the proposed Supplier's facilities and test samples of the proposed Goods. You must pay us a charge not to exceed the reasonable cost of the inspection and our actual cost of testing the proposed Goods or evaluating the proposed Supplier, including personnel and travel costs, whether or not the Goods or Supplier is approved. We have the right to grant, deny, or revoke approval of Goods or Suppliers based solely on our judgment. We will notify you in writing of our decision as soon as practicable following our evaluation. If you do not receive our approval within 90 days after submitting all of the information that we request, our failure to respond will be deemed a disapproval of the request. The products and services that we approve for you to offer in your Shoppe may differ from those that we permit or require to be offered in other Shoppes.

Before we approve a Supplier, we will require the following, among other things: (i) the Supplier must demonstrate that it is able to supply the item to you in accordance with our Standards, including our Standards as to the artwork and text on the items; (ii) if the Supplier is to receive access to any of our Confidential Information (defined below), Trade Secrets (defined below), or intellectual property, including logos, the Supplier must sign a confidentiality agreement and/or our standard form license agreement we prepare; (iii) the Supplier must demonstrate that it is in good standing in the business community with respect to its financial soundness and the reliability

of its products or services; and (iv) the Supplier must sign all agreements we require our Suppliers to sign at that time.

We may reinspect the facilities and Goods of any Approved Supplier and revoke approval of the Goods or Supplier if any fail to meet any of our then-current criteria. If you receive a notice of revocation of approval, you must cease purchasing or leasing the formerly-approved Goods or any Goods from the formerly-approved Supplier and you must dispose of your remaining inventory of the formerly-approved Goods as we direct. If we revoke approval of an Approved Product that you have been selling to customers or service that you have been using or offering to customers, you must immediately discontinue using or offering the service and may continue to sell the formerly-approved product only from your existing inventory for up to 30 days following our disapproval. We have the right to shorten this period if, in our opinion, the continued sale of the product would prove detrimental to our reputation. After the 30-day period, or such shorter period that we may designate, you must dispose of your remaining inventory of the formerly-approved product as we direct.

Issuance of Standards and Specifications. We have established Standards for many of the Goods that a typical Shoppe uses or offers for sale. To the extent that we establish Standards, require approval of Suppliers, or designate Approved Suppliers for particular Goods, we will publish our requirements in the Manuals or otherwise in writing. We may, at any time, in our discretion, change, delete, or add to any of our specifications or quality Standards. Such modifications, however, will generally be uniform for all franchisees. We will make available to you, via electronic means or otherwise, any changes to our Manuals or Standards.

Payments from Required Purchases. We and our affiliates may receive payments based on your purchases and leases, including, without limitation, from charging you for Goods we or our affiliates provide to you and from promotional allowances, volume discounts, and other payments made to us by Suppliers, distributors, or third parties. If we, our affiliates, or third parties acting under our direction arrange for manufacturers to sell the Goods directly to our Approved Suppliers to then sell them to you, then we and/or our affiliates will have the right to receive payments and other consideration from the Approved Suppliers, distributors, and/or such third parties for these sales. We or our affiliates also may derive revenue from the licensing of the Proprietary Marks to third-party manufacturers who in turn sell the products bearing the Proprietary Marks to distributors or others, who then sell the products to our franchisees and to other third parties. We or our affiliates may also receive payments from leasing or subleasing, from time to time, any Shoppe premises to franchisees.

We and our affiliates may use all amounts received from Suppliers, distributors, or third parties, whether or not based on your and/or other franchisees' actual or prospective dealings with them, without restriction for any purposes we or our affiliates deem appropriate.

During the fiscal year ended December 29, 2024 (“**Fiscal Year 2024**”), we received payments totaling \$9,457,522 from Approved Suppliers. During Fiscal Year 2024, our affiliate, CL, received (i) \$193,502 in payments from Approved Suppliers, all of which were deposited into the Ad Fund and (ii) \$85,890 from our franchisees for support fees associated with our POS System.

In administering our Gift Card and Loyalty Program, GoTo Rewards received an administration fee based on the gross gift card sales made. During Fiscal Year 2024, GoTo Rewards collected \$6,301 from providing products or services to franchisees in connection with the Gift Card and Loyalty Program.

Currently, GoTo Systems and GoTo Supply provide supply chain, quality assurance, distribution, and logistics services for our franchise system. These services include negotiating with Suppliers for the sale of Goods and Proprietary Goods to distributors who will sell and distribute these items to the franchisees, appointing one or more distributors to service our franchisees (the “**Appointed Distributors**”), and managing the inbound distribution logistics associated with direct shop delivery between distributors and franchisees. GoTo Systems and GoTo Supply recover costs related to performing these services by collecting a per-case distribution fee for all cases sold by the Appointed Distributors to our franchisees and from other logistics-related programs. GoTo Systems and GoTo Supply have this same arrangement with the other franchise systems within the GoTo Foods Portfolio. During Fiscal Year 2024, collectively for all franchise systems within the GoTo Foods Portfolio, GoTo Foods Systems and FSC together collected approximately \$8,453,083 in distribution case fees and logistics savings.

Proportion of Purchases Subject to Specifications. Currently, we estimate that your purchases from Approved Suppliers and otherwise under our Standards will be about 85% of the total purchases and lease of products and services needed to establish a Shoppe and about 90% of the total purchases and leases of products and services needed to operate a Shoppe. You must purchase at least 98% of your food-related products from Approved Suppliers; you may purchase up to 2% of your food-related purchases (such as milk, minor ingredients, and fruit) from other Suppliers.

Cooperatives and Purchasing Arrangements. Currently, we have not arranged any purchasing and/or distribution cooperatives, associations, or programs (collectively, “**Purchasing Programs**”) among our franchisees. We have the right to form Purchasing Programs at any time. If we do form a Purchasing Program, you must (i) become a member by the deadlines we specify, (ii) remain a member in good standing of the Purchasing Program throughout the term of your Franchise Agreement, and (iii) pay all reasonable membership fees assessed by any Purchasing Programs.

We may, but are not required to, use the services of a food broker to negotiate purchase arrangements, monitor Suppliers, conduct inspections, and carry out various other services related to Suppliers. Although we are not required to, we or our designee may, on occasion, negotiate purchase arrangements with various Approved Suppliers, including equipment and food product manufacturers, some of which operate on a large-scale basis, regarding the purchase, sale, pricing, and/or delivery of Goods for the Shoppes with the intent to benefit the System; these arrangements may affect your Shoppe differently than other Shoppes. The negotiated purchasing arrangements may include special contract pricing and volume discounts. There can be no assurance that special pricing or terms will be available; any negotiated arrangements may be discontinued at any time.

Our affiliate, GoTo Supply, has negotiated certain purchasing arrangements for our franchisees. You may purchase your entire requirements (or lesser amount that we may designate) of Goods used in the Shoppes through Appointed Distributors, taking advantage of any purchasing and logistical arrangements that GoTo Supply has negotiated. We may change our distribution arrangements and purchasing arrangements in the future.

Material Benefits. We provide you with no material benefits (like renewal or granting additional franchises) based upon your purchase of particular products or services or your use of designated or Approved Suppliers.

ITEM 10
FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

We may refer you to leasing or financing companies not affiliated with us. We and our affiliates receive no fees or other financial benefits from any lender for your financing. We may engage an advisor to provide consulting services to franchisees to assist them with securing financing, and we may pay the advisor for this assistance to franchisees. We will not be responsible for the consultant's provision of services to you and if you choose to use the consultant, you must sign the consultant's form of agreement. You will not be required to participate in any financing program that we implement.

We participate in the SBA's Franchise Directory. We may modify the Franchise Agreement, if necessary, to comply with SBA requirements for you to participate in certain SBA loan programs.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

As noted in Item 1, we have entered into a management agreement with GoTo Foods for it to provide certain support and services to Carvel franchisees. GoTo Foods may delegate certain of these responsibilities to CL, the previous franchisor of Carvel franchises, or other affiliates. However, we remain responsible for all of the support and services required under the Franchise Agreement.

1. Site Selection Review. We will review the location you select for your Shoppe and accept it if it meets our minimum site criteria, at which point it will become the Accepted Location. You may not acquire the Accepted Location until we have accepted it. If you and we have not agreed on an Accepted Location at the time we sign the Franchise Agreement, you must select a location that complies with our site selection criteria within a geographic area that we specify. For any proposed site, we may require you to obtain a site selection analysis from an Approved Supplier, which may include an analysis of such factors as traffic patterns, demographics, and competitors within the market, and provide us with a copy of this analysis. We estimate the cost for this site selection analysis will be \$2,500 to \$5,000. We consider the following factors in determining whether to accept sites: population density and demographics, traffic flow, pedestrian traffic counts, visibility, parking, access, household income, and local competition, including other Shoppes. There is no time limit for us to approve or disapprove of a site. (Franchise Agreement, Section 5.1)

While we may assist you in selecting a proposed site, we are not obligated to do so. We or our affiliates typically do not lease or sublease locations for Shoppes, but we may do so from time to time. (Franchise Agreement, Section 5.2)

We expect you to retain an independent expert to evaluate the suitability of a proposed site and to conduct your independent investigation of the site. We disclaim any responsibility for the suitability of the Accepted Location. Our acceptance of the site is based on the site satisfying our minimum site selection criteria only and will not be construed as a representation or warranty that

the Shoppe located at the Accepted Location will be successful. (Franchise Agreement, Section 5.3)

2. Site Agreement. You must deliver a copy of the signed lease, sublease, or other rental agreement for the location (the “**Lease**”) or purchase agreement for the location (the “**Purchase Agreement**”) and, collectively with the Lease, the “**Site Agreement**”) to us with all material terms specified therein. You will be solely responsible for negotiation of the terms of the Site Agreement and performance under the Site Agreement. We will have the right, but not the obligation, to review your Site Agreement prior to its execution to verify its compliance with our requirements. (Franchise Agreement, Section 5.4)

3. Evaluate Co-branding and Hosted Express Shoppes. We will evaluate any request to (i) co-brand an Express Shoppe with another business, (ii) operate a Hosted Express Shoppe in a Host Facility, or (iii) change the Host Facility for a Hosted Express Shoppe, and you must obtain our consent in connection with your request.

4. General Contractor. We will designate or pre-approve one or more licensed and insured general contractors (a “**General Contractor**”) that you must engage, at your own expense, to complete your buildout, unless we, in our sole discretion, agree in writing to accept a General Contractor that you propose. Our designation, pre-approval, or acceptance of a General Contractor will not in any way be our endorsement of such General Contractor or render us liable for such General Contractor’s performance. (Franchise Agreement, Section 6.1.A.)

5. Architect. We will designate or pre-approve one or more licensed architects (an “**Architect**”) that you must engage, at your own expense, to develop architectural plans, unless we, in our sole discretion, agree in writing to accept an Architect that you propose. Our designation, pre-approval, or acceptance of an Architect will not in any way be our endorsement of such Architect or render us liable for such Architect’s performance or such Architect’s compliance with professional design standards or adherence to local codes. You also must engage, at your expense, licensed engineers (e.g., mechanical, electrical, plumbing, or structural engineers), as necessary or appropriate. (Franchise Agreement, Section 6.2.A.(i))

6. Plans and Build-out. We will provide a sample layout and specifications for the Shoppe. We will review the Architectural Plans developed by your Architect and engineers. Our review of the Architectural Plans is limited to ensuring your compliance with our Standards and is not designed to assess structural integrity or compliance with applicable laws. After our initial review of your Architectural Plans at no cost and our review of one revised set of Architectural Plans that incorporate our required changes at no cost, we may charge a fee of \$2,500 for each set of drawings we review that include any other modifications from the plans that we have previously accepted. We must accept your Architectural Plans in writing prior to you submitting them for permits and beginning construction. During the construction process, we may inspect your Shoppe or photographs that you provide to verify that it complies with the Architectural Plans and our Standards, and we may charge you a \$2,500 on-site inspection fee if we conduct two or more on-site inspections. You may not open the Shoppe until we provide our consent in writing. (Franchise Agreement, Sections 6.2, 6.3, and 6.5)

7. Goods. We will furnish you with any specifications for Goods, to the extent that we publish such specifications. (Franchise Agreement, Sections 7.1. and 7.2)

8. Approved Suppliers. We will identify Approved Suppliers for all Goods required to be used in the Shoppe and use reasonable efforts to fulfill or cause Approved Suppliers to fulfill your orders for Goods on a timely basis. If we, our affiliates, and/or our Approved Suppliers cannot

supply customers (including yourself and other franchisees) with the quantity and type of Goods that they request, then we will try to allocate the available quantities and types of Goods on an equitable basis among businesses seeking to purchase the Goods. If you do not receive Goods from us, our affiliates, or our Approved Suppliers, this will not be our breach of the Franchise Agreement, nor will we, our affiliates, or our Approved Suppliers be liable to you for this. (Franchise Agreement, Section 7.1.B.)

9. Manuals and Advice. We will share with you our know-how in operating a Shoppe, and grant you electronic or other access to our Manuals and content containing the information, methods, techniques, and specifications for the operation of a Shoppe. See “Manuals,” below in this Item. (Franchise Agreement, Section 8.1)

10. Initial Training. We will provide initial training in the System and our policies and procedures to your trainees. See “Training,” below in this Item. (Franchise Agreement, Section 11.A.)

11. Approve Grand Opening Materials. We will approve or disapprove, in writing, any materials that you proposed to use in grand opening advertising promoting the opening of your Shoppe. You must obtain our written approval for the grand opening advertising plan 30 days prior to the scheduled start date of such advertising campaign. (Franchise Agreement, Section 10.1.C.)

12. Approve Opening. We will approve the opening of your Shoppe, provided you have met your pre-opening obligations. We estimate that the typical time between signing the Franchise Agreement and opening your Shoppe is 3 to 12 months. Factors affecting time include attendance at, and satisfactory completion of, the Management Training Program; obtaining the site; obtaining all necessary permits; completion of construction; and delivery and installation of equipment and supplies. You must (i) identify the Accepted Location, (ii) obtain our acceptance of the Accepted Location, (iii) sign any documentation we require to document the Accepted Location, (iv) obtain our acceptance of a Lease for the Accepted Location, and (v) sign the accepted Lease for the Accepted Location or otherwise acquire the ownership rights to the Accepted Location within 150 days after you sign the Franchise Agreement (the “**Site Approval Deadline**”). You must submit to us a complete set of final Architectural Plans at least 30 days before the Construction Start Deadline. You must begin construction at the Accepted Location within 270 days after we sign the Franchise Agreement (the “**Construction Start Deadline**”). You must open the Shoppe within 360 days after we sign the Franchise Agreement (the “**Opening Deadline**”). We may, in our sole discretion and upon your request, grant you an extension to any of these deadlines for a fee. We may terminate your Franchise Agreement (without refunding the Initial Franchise Fee) if you fail to meet the Site Approval Deadline or the Construction Start Deadline and fail to cure such failure within 30 days or if you do not meet the Opening Deadline. (Franchise Agreement, Section 6.5)

2Obligations After Opening

During the operation of your Shoppe, we will fulfill the following obligations:

1. Approved Suppliers. We will continue to identify Approved Suppliers for Goods to be used in your Shoppe. (Franchise Agreement, Sections 7.1 and 7.2)

2. Review Proposed Suppliers and Goods. If you would like to offer products or use any Goods that we have not approved or to purchase or lease from a Supplier that we have not approved, you must submit a written request for approval and provide us with any information

that we request, which we will review and approve or disapprove. See Item 8. (Franchise Agreement, Sections 7.3)

3. Ad Fund Management. We will manage the Ad Fund as described below in this Item. (Franchise Agreement, Section 10.3)

4. Update Standards and Manuals. We will provide you with notice of any changes to our specifications, Standards, or the Manuals. You must immediately adopt any supplements to the Manuals that we provide to you. (Franchise Agreement, Section 8.3)

5. Review Advertising. We will approve or disapprove any of your proposed Advertising and Promotional Content (as defined below) that requires our prior written approval. (Franchise Agreement, Section 10.1.B.)

6. Support Services. We will furnish you with those support services we consider advisable. We may provide these services on-site, off-site, by telephone, or through other means. Timing will depend on the availability of our personnel. (Franchise Agreement, Section 11.5)

7. Relocation Review. We will evaluate sites to which you propose to relocate your Shoppe in accordance with the site selection criteria provisions described above in this Item. (Franchise Agreement - Section 5.5)

8. Remodeling Review. We will review and approve or disapprove your general contractor and proposed replacement designs, furniture, fixtures, equipment, and décor when you refresh or remodel your Shoppe. (Franchise Agreement - Section 12.6)

3Advertising

Our Advertising. We are not obligated to conduct any advertising or spend any amount on advertising in your market. We may periodically formulate, develop, produce, and conduct, at our sole discretion, advertising or promotional programs in such forms and media as we determine to be most effective. We may make available to you for you to purchase approved advertising and promotional materials, including signs, posters, collaterals, etc. that we have prepared.

Ad Fund. We will allocate your Advertising Contributions to a fund for the advertising and promotion of the Shoppes, the Proprietary Marks, and the System (the “**Ad Fund**”). Currently, you must make Advertising Contributions to the Ad Fund in the amount of 3% of Net Sales, except if you operate a Cinnabon Co-Branded Shoppe in Other Locations (excluding Swirl Shoppes) the contribution is 2.5% of Net Sales and if you operate a Hosted Express Shoppe no contribution is required. We may increase the Advertising Contribution by notice to franchisees. However, your required Advertising Contribution and Local Marketing Obligation will collectively not exceed 5% of your Net Sales. Your Advertising Contribution is in addition to your Local Marketing Obligation and your Grand Opening Obligation (as defined below).

We currently do not, and are not required to, maintain the Ad Fund, Advertising Contribution you paid, or income earned from contributions to the Ad Fund in a separate account from our other money. Our Shoppes will contribute to the Ad Fund in the same manner and in the same amounts as similarly-situated franchised Shoppes. Our other franchisees may not be required to contribute to the Ad Fund, may be required to contribute to the Ad Fund at a different rate than you, or may be required to contribute to a different advertising fund.

We or an affiliate will administer the Ad Fund. We have sole authority to direct all advertising programs and promotions and uses of the Ad Fund, with sole control over the creative concepts, materials, and media used in the programs, and the placement and allocation of advertising. We reserve the right to use any media, create any programs, and allocate advertising and promotional expenditures to any regions or locales we deem appropriate.

We may use the Ad Fund to meet the costs of administering, preparing, and conducting national, local, or regional advertising, promotional, or brand building programs of any kind, including the cost of (i) preparing and conducting television, radio, magazine, newspaper, and digital advertising campaigns and other public relations activities (including, but not limited to, for purposes of brand reputation management), (ii) employing public relations firms and advertising agencies to assist in these activities, and (iii) conducting other activities that are directly or indirectly designed to promote the System, its franchisees, and/or increase System sales, such as limited-time menu offerings, crew incentives, franchisee incentive and/or promotional programs, customized materials (e.g., cups), up-sell programs, guest response programs, manager/employee recognition programs, quality assurance and food safety programs, mystery shop and shopper programs, brand websites and ordering platforms, brand applications, social media account administration and promotion, and in-shoppe equipment and technologies related to such marketing programs. We may use the Ad Fund to compensate us for the reasonable administrative costs and overhead we incur in activities related to advertising and promotional programs, including new product development; market research; preparing advertising and promotional materials; Digital Marketing (as defined below); working with public relations firms, advertising agencies, advertising placement services, and creative talent; reimbursing franchisee advisory council meeting expenses; developing and maintaining, and paying third parties for the development and maintenance of, internet sites, applications, and other equipment and technologies related to marketing programs.

The advertising and promotions that we conduct are intended to maximize general public recognition and patronage of the System generally in the manner that we determine to be most effective. We reserve the right to use any media, create any programs, and allocate advertising and promotional expenditures to any regions or locales we deem appropriate. We will not spend the Ad Fund in a manner that (i) exclusively benefits our licensees that manufacture and sell Approved Products, if any, or (ii) is principally a solicitation for the sale of franchises. We have no obligation to make expenditures from the Ad Fund that are equivalent or proportionate to your contributions, ensure that you benefit directly or proportionately or in any amount from the placement of advertising, or ensure that any advertising impacts or penetrates your area.

Currently, we use one or more national and/or regional advertising agencies, as well as our in-house marketing department, to develop and produce our marketing materials. In Fiscal Year 2024, 16% of the Ad Fund was spent on media placement (including tv, radio, print, digital, and social media placement); 35% on production and agency fees (including promotions, press relations, agency retainer fees and creative services, market research fees, and digital team salaries); 10% on guest response programs and menu innovation projects; 36% on brand and category marketing expenses (including salaries of marketing personnel); and 3% on administrative expenses.

We are not required to have an independent audit of the Ad Fund completed. We will provide you with an annual summary of the expenditures of the Ad Fund on your reasonable request but are not required to prepare financial statements for the Ad Fund. If any monies in the Ad Fund remain at the end of a fiscal year, they will carry-over in the Ad Fund into the next fiscal year. Any amounts that we or our affiliates contribute to the Ad Fund in excess of the required Advertising Contribution

for Shoppes that we or they operate and any spending on advertising that we or they make in excess of the amounts then available in the Ad Fund will be considered an advance from us or our affiliates to the Ad Fund. We and/or our affiliates have the right to be reimbursed from the Ad Fund any amounts that are advanced to the Ad Fund.

We intend for the Ad Fund to be perpetual; however, after all of the Ad Fund contributions have been spent for the purposes described above, we may terminate the Ad Fund.

Advertising Council. We do not have an advertising council composed of franchisees that is involved in decision-making on advertising issues, but the Carvel Franchise Advisory Council (“**FAC**”) provides us suggestions on advertising issues. The FAC is advisory only and does not have decision-making authority. At a minimum, a majority of the members of the FAC are franchisees in good standing who are nominated and elected by other franchisees, and the remainder of the members are franchisees or other representatives who may be appointed by us. We have the power to form, change, or dissolve the FAC or any other advertising or advisory council at any time.

Advertising Cooperatives. You are required to participate in any local, regional, or national cooperative advertising group consisting of other Shoppes (an “**Advertising Cooperative**”) that we specify, when and if any of these groups are created. We currently have Advertising Cooperatives operating in Long Island, Ft. Lauderdale, West Palm Beach, Miami and South Jersey. If we create any, we will designate the particular Advertising Cooperative(s) in which you may be required to participate (which designations may be based on, without limitation, the particular Designated Market Area or the Area of Dominant Influence, as those terms are used in the advertising industry, where your Shoppe is located). If we collect your entire Local Marketing Obligation, we will not require you to participate in an Advertising Cooperative. You must enter into any formal agreements with the other franchisees of the System and/or us, as the case may be, as is necessary or appropriate to participate in the Advertising Cooperative and you are required to abide by the formal agreements and decisions that we authorize the Advertising Cooperative to make on advertising and marketing in the area covered by the Advertising Cooperative.

Your payments to any Advertising Cooperative will be determined by you and those other franchisees and/or us, as the case may be, who are participants in the Advertising Cooperative, as stated in the by-laws of that Advertising Cooperative or membership, dues, participation, or other payment agreements of the Advertising Cooperative. Amounts paid to an Advertising Cooperative will be credited against your Local Marketing Obligation. Any contributions that you make to an Advertising Cooperative shall be additional to your Advertising Contribution and your Grand Opening Obligation. We are not obligated to contribute to Advertising Cooperatives. Each Advertising Cooperative may require different contributions from its members, but all members in a given Advertising Cooperative will pay on the same basis.

The franchisee members are responsible for administration of their respective Advertising Cooperative, as stated in the by-laws and any payment agreements that may govern the Advertising Cooperative. The by-laws and governing agreements will be made available for review by the Advertising Cooperative’s franchisee members. We may require an Advertising Cooperative to prepare annual or periodic financial statements for review. At your request, you may obtain a copy of any annual or periodic financial statements your Advertising Cooperative prepares. Each Advertising Cooperative will maintain its own funds; however, we have the right to review the Advertising Cooperative’s finances, if we so choose. We maintain the right to approve all of an Advertising Cooperative’s marketing programs and advertising materials. On 30

days written notice to affected franchisees, we may terminate or suspend an Advertising Cooperative's program or operations. We may form, change, dissolve or merge any Advertising Cooperative.

Local Advertising, Marketing and Promotion. Except as otherwise provided in the Manuals, you may use only Advertising and Promotional Content that we have furnished or approved in writing in advance. "**Advertising and Promotional Content**" includes all advertising, marketing, promotional, customer relationship management, public relations, and other brand-related programs, materials, and content relating to the Shoppe, the Marks, or the Approved Products, including (i) any branded materials (such as business cards, signs, counter cards, banners, posters, displays, window clings, and in-store messaging), (ii) press releases, (iii) printed materials (such as leaflets, direct mail materials, coupons, and published advertisements), (iv) promotional items (such as branded specialty and novelty items, products, and clothing), (v) audio or video advertising (such as radio, television, or podcast ads or online video postings), and (vi) Digital Marketing (as defined below). You must ensure that all Advertising and Promotional Content that you or your agents or representatives develop or implement related to the Shoppe is (a) clear, factual, ethical, and not misleading, (b) complies with all laws, and (c) conforms to our Standards and the advertising and marketing policies that we periodically specify.

Currently, except for Advertising and Promotional Content we furnish to you and certain branded content social media postings, you must submit to us for our written approval, before use, copies of all proposed Advertising and Promotional Content that you intend to use or implement. We have the right to approve or disapprove (or to require you to discontinue using) any Advertising and Promotional Content, as well as the media in which intend to use them, in our sole discretion.

Currently, to satisfy your Local Marketing Obligation, each calendar quarter, you must spend on local market advertising at least 2% of your Net Sales (1% of Net Sales for Ice Cream Trucks or Co-Branded Shoppes). We may change the Local Marketing Obligation, provided that we must give you at least 60 days' written notice of the change. You will determine the amount of funds you spend for individual local market advertising, subject to the minimum Local Marketing Obligation. Local advertising expenditures must comply with our requirements in order to count toward the Local Marketing Obligation. If you fail to meet the Local Marketing Obligation, we will have the right to spend an amount not to exceed 2% (or 1%, as applicable) of the Net Sales of your Shoppe on local advertising for you, and you will reimburse us for these expenses upon your receipt of our invoice. Amounts you contribute to an Advertising Cooperative will be credited toward the Local Marketing Obligation. Your Local Marketing Obligation is in addition to your Grand Opening Obligation and your required Advertising Contribution.

We have the right upon written notice to you to require you to pay all or a portion of the Local Marketing Obligation to us for us to, in our sole discretion, (a) contribute to the Ad Fund, (b) spend on national, regional, or local advertising campaigns, (c) contribute to your Advertising Cooperative, or (d) spend on local advertising in your market. If we exercise our right to collect your entire Local Marketing Obligation (and not just a portion of it), you will not be required to (x) spend a minimum amount on local advertising (other than your Grand Opening Obligation), (y) provide a local marketing plan, or (z) participate in, or contribute to, your Advertising Cooperative. We are not obligated to ensure that the Local Marketing Obligation monies that we spend are proportionate or equivalent to your contributions or that your Shoppe will benefit directly or pro rata or in any amount from the placement of advertising.

From time to time, we or your Advertising Cooperative (if any) may establish temporary or permanent promotional campaigns (e.g., limited time offers, gift cards, coupons, loyalty programs,

customer relationship management, and other supplemental marketing programs) applicable to the System as a whole or to specific advertising market areas. These promotional campaigns may also promote, or involve the participation of, restaurants or businesses other than Shoppes, such as restaurants or businesses operated under different brands that are operated or licensed by our affiliates. You are required to participate in these promotional programs at your own cost, including the costs to purchase, lease and install all materials necessary to the promotional campaigns, including counter cards, posters, banners, signs, photographs, give-away items, and gift cards.

Digital Marketing. We or our affiliates, in our sole discretion, may establish and operate websites, social media accounts (such as Facebook, X, Instagram, Pinterest, Snapchat, YouTube, TikTok, etc.), applications, keyword or adword purchasing programs, accounts with websites featuring gift certificates or discounted coupons (such as Groupon, Living Social, etc.), mobile applications, online videos, display banner campaigns, e-mail marketing campaigns, or other means of digital advertising on the Internet or any other means of digital or electronic communications (collectively, “**Digital Marketing**”) that are intended to promote the Proprietary Marks, your Shoppe, and the entire network of Shoppes. We will have the sole right to control all aspects of any Digital Marketing, including those related to your Shoppe.

Unless we consent otherwise in writing, you may not, directly or indirectly, conduct or be involved in any Digital Marketing that use the Proprietary Marks or that relate to the Shoppe. If we do permit you to conduct any Digital Marketing, you must (i) comply with any Standards or content requirements that we establish periodically and must immediately modify or delete any Digital Marketing that we determine, in our sole discretion, is not compliant with such Standards or content requirements, (ii) only use materials that we have approved and must submit any proposed modifications to us for our approval, (iii) not use any Proprietary Mark on any aspect of the Digital Marketing (including in any domain name, address, or account) except as we expressly permit, (iv) include any information that we require, and (v) include only the links that we approve or require. We retain the right to pre-approve your use of linking and framing between any Digital Marketing that you conduct and all other websites. If we consent to your use of the Proprietary Marks (or words or designations similar to the Proprietary Marks) in any domain name, electronic address, website, or other source identifier, we may register such names, addresses, websites, or identifiers and then license use of the registered item back to you under a separate agreement. You must pay all costs due for registration, maintenance, and renewal of any such names, addresses, websites, or identifiers that we approve and maintain on your behalf. We retain the ownership of copyright to any of the materials that you may develop for use on the Internet. We may withdraw our approval for any Digital Marketing at any time.

Grand Opening Advertising. You must spend the Grand Opening Obligation on grand opening advertising promoting the opening of your Shoppe during the period beginning during the period beginning 90 days before you open the Shoppe and 90 days after you open the Shoppe. Alternatively, we may, in our sole discretion, require you to pay the Grand Opening Obligation to us or the Ad Fund for us to spend in accordance with a grand opening advertising plan that we designate or approve. The Grand Opening Obligation is at least (i) \$7,500 for a Shoppe in a Streetside Location, (ii) \$3,000 for a Shoppe in an Other Location, (iii) \$6,000 for a Co-Branded Shoppe in an Other Location (which covers both brands), and (iv) \$15,000 (\$25,000 if the Shoppe is one of your first four Co-Branded Shoppes in an Emerging Market) for a Co-Branded Shoppe in a Streetside Location (which covers both brands). In our sole discretion, the Grand Opening Obligation may not apply to your Shoppe if it is in a captive audience location.

If we require you to conduct the grand opening advertising, you must (a) obtain our written

approval for your grand opening advertising plan at least 30 days prior to the scheduled start date of such advertising campaign and (b) implement the grand opening advertising plan that we approve or designate (which may be different from what you propose), using only Advertising and Promotional Content and related media that we have approved.

Pricing

We may, if permitted by applicable law, establish maximum, minimum, or other pricing requirements with respect to the prices you may charge for Approved Products, including required participation in systemwide discount programs and promotions. If we do not establish such pricing requirements, then you will have the right to determine the prices you charge.

Computer and POS Systems

You must provide financial and business records and information to us according to reporting formats, methodologies and time schedules that we establish. As part of these record keeping requirements, you must install computerized Shoppe management systems meeting our Standards, as modified in response to business, operations and marketing conditions. Accordingly, you must promptly purchase, lease and/or license and install at the Shoppe, at your sole expense, the POS System, computer systems, mobile hardware, software, associated computer hardware, telephone lines, network connections, communications equipment, high speed internet access (e.g. DSL or cable), credit card, gift card and loyalty card processing equipment, and other equipment that we require from time to time (collectively, the “**Computer System**”), all of which you must keep in good maintenance and repair. We estimate the total cost of the Computer System will be \$10,500 to \$32,000 for a Full Shoppe and \$10,500 to \$20,000 for an Express Shoppe (\$3,000 to \$6,400 for a Hosted Express Shoppe) or an Ice Cream Truck. For a Co-Branded Shoppe, the Computer System that we require meets both our and the Co-Branded Franchisor’s standards. You may incur additional expenses if you require additional equipment, training, or installation services. We may require you to purchase, license, or lease additional hardware or software.

The Computer System includes a POS System that we specify, the principal functions of which are to manage permanent financial records of sales transactions at your Shoppe, cash control, inventory control, and menu and price change control, among other things. We will have independent electronic and manual access to certain information within the POS System and there are no contractual limitations on our right to access this information. We have developed interfaces with our preferred providers that facilitate this access. You must provide any assistance we require to integrate your POS System with our headquarters system at the earliest possible time and in the manner we prescribe. You must accurately, consistently, and completely record, structure, capture and provide all required information through your POS System in accordance with all applicable laws and protect such information as required.

To maintain a consistent reporting system, you must purchase or lease and use a POS System specified by us from a designated Approved Supplier. We estimate that the initial cost to you for the POS System and related necessary equipment, including installation and activation, currently ranges from \$8,800 to \$14,200 under the CapEx Program, depending on the number of terminals, travel costs, and other logistical factors. Under the CapEx Program, you must pay a monthly software license fee for the POS System that is currently \$159 to \$397 per month depending on your equipment configuration. If you choose to lease the POS System under the HaaS Program, you must pay a monthly software license and hardware lease fee for the POS System that is currently \$216 to \$442 per month depending on your equipment configuration and a one-time

\$300 activation fee. We will collect the monthly fees, which may change from time to time, and pay them to the vendor on your behalf.

Whether you are opening a new Shoppe or purchasing an existing Shoppe, we may, in our sole discretion, provide you with project management assistance related to, and coordinate the onboarding and configuration of, your POS System. You must pay us for such services our then-current POS System Administration Fee, which is currently estimated to be between \$1,500 and \$2,000. We or the POS System vendor may require you to purchase, license, or lease additional hardware or software. In addition, you may incur additional expenses if you require or would like additional equipment, training, or installation services.

In addition, there may be ongoing license, maintenance, and service fees associated with the maintenance and operation of the POS System. You must maintain your POS System and keep it in good repair and procure any services necessary for the POS System to communicate with our system. We currently require you to obtain the required support and maintenance service from us or our affiliate by signing the POS System Support Services Agreement attached in Exhibit C to this Disclosure Document.

Currently, we estimate that the total annual cost to license, operate, and support your POS System will be \$2,928 to \$7,944 under the CapEx Program and \$3,612 to \$8,484 under the HaaS Program. This estimate includes POS System license and lease fees, P2PE software license fees (estimated based on 2024 transaction volume), the POS System Support Fee, and the Back Office and Polling Software Fee, but it does not include certain per transaction fees. These fees and the total annual costs are subject to change.

You may be required to purchase a dedicated iPad® or Windows® tablet/computer that meets the hardware and software specifications necessary to use our Learning Management System. This tablet will be used to deliver training materials, digital recipes, videos, communication, and engagement activities digitally. You may be required to pay us, our affiliates, or an Approved Supplier an annual license fee to use the Learning Management System, which is currently \$170 per year per Shoppe. The annual license fee may change from time to time.

You must dedicate a high-speed broadband connection that meets our specifications for the sole purpose of supporting your Computer System. Any other technology options, such as satellite, cellular, etc. must be approved by us before you order service with a provider. We may require you to use an Internet service provider that we approve, and we may require you to maintain a set minimum bandwidth. You also must obtain all telecommunications and computer infrastructure products required to access the Internet and to support our then-current information technology system. We or our vendors may require you to communicate, receive notices, or place orders through the Internet, including through websites or intranets, or other communication methods that we specify. We may require you to establish a Wi-Fi network for your guests, which must be separate from any networks that you use to process credit cards.

We may require that you use one or more Approved Suppliers to provide credit card data and security services that are consistent with PCI-DSS requirements, including a managed firewall, quarterly network scan, anti-virus/anti-malware software, and managed Wi-Fi. We may also require you to obtain data breach protection insurance provided by such Approved Supplier. We estimate that these services will cost between \$55 and \$150 per month.

The hardware, software and support services related to the Computer System are generally available through our Approved Suppliers, which may include us or our affiliates. We will consider

approving, but are not required to approve, other vendors who meet our system specifications. If you wish to use another vendor, you must submit a written request to us for approval of the vendor before placing an order with the vendor. See Item 8. If we, after your request, authorize you to use a POS System other than the one described above, you must pay all the costs associated with building the interface necessary to allow your system to communicate with our system, to the extent we determine.

Except as provided under the POS System Support Services Agreement, we and our affiliates are not contractually obligated to provide any maintenance, updating, upgrading, or support contracts related to the Computer System. Other than as specified above for the POS System, we do not require you to, and do not anticipate that you will need to, enter into any maintenance, updating, upgrading, or support contracts relating to the Computer System.

We may revise our specifications for the Computer System (including the POS System) from time to time. You are contractually required to make periodic upgrades and updates to the Computer System to remain in compliance with our Standards. If it becomes advisable at any time, in our sole discretion, for us to change, upgrade, or discontinue use of any of the components of the Computer System or the model of POS System, you will comply with our directions, at your expense, within a reasonable time after notice to you. If we require you to use a different POS System, you must stop using the old POS System, purchase the new POS System, sign any required software license agreement and any required maintenance/update agreements with the vendor, pay any related POS System Support Fees, and use the new POS System. We can require you to add, substitute or replace computer hardware, memory, ports, accessories, peripheral equipment, or software, or to replace your Computer System. There are no contractual limitations on the frequency or cost of your obligation to upgrade and replace hardware and software for your Computer System.

4Manuals

The Manuals contain mandatory and suggested specifications, standards, and operating procedures. The Manuals are confidential, remain our property, and must be kept secure. The Manuals are currently provided electronically at no cost to you. In the future, the Manuals, or portions of the Manuals, may be provided electronically through the Learning Management System. We may require you to pay a license fee to us, our affiliate, or a vendor in order to use such system. We will give you an opportunity to view the Manuals in the corporate office or at another agreed-upon location before you purchase a franchise, if you so request.

Training

Below, we have described our current training program. We reserve the right to modify the training program at any time, including the frequency, timing, length, content, format, and location of training.

Management Training Program. Prior to the opening of the Shoppe, your Required Trainees must attend and successfully complete to our satisfaction the Management Training Program. In addition, your Primary Contact must successfully complete (i) a limited version of the Management Training Program designed for Primary Contacts (the “**Primary Contact Training**”), if they will not be involved in the day-to-day operation of the Shoppe or (ii) the entire Management Training Program, if they will be a Manager involved in the day-to-day operation of the Shoppe (in which case, they will count as one of your Required Trainees). Your Directors of Operations, if any, must also attend and successfully complete to our satisfaction our Management Training Program (or a modified version of it) and any other additional training programs that we may

require.

All individuals attending our Management Training Program must be at least 18 years old and must have management experience as a restaurant owner and/or operator in order for them to follow along with the pace of training that this program requires. If any of your Required Trainees have previously attended and successfully completed our Management Training Program and you or they have not defaulted under any other franchise agreement with us, we may, in our sole discretion, determine that such Required Trainee is not required to attend the Management Training Program again or will be required to attend a limited version of the Management Training Program.

We conduct the Management Training Program periodically as needed. Training programs and classes are subject to space and time availability. All or certain portions of the Management Training Program may, in our discretion, be conducted online or in person at (i) our corporate headquarters in Atlanta, Georgia, (ii) a Shoppe that we designate that has been certified by us as an authorized training facility (a "**Certified Training Location**") (which may be located outside of your state and may be operated by our franchisees), and/or (iii) other locations authorized by us. Currently, our classroom training is conducted through online modules and our on-the-job training is conducted at a Certified Training Location. For the third or subsequent Shoppes operated by you or your affiliates, if you have a Certified Training Manager (as defined below) and operate a Certified Training Store (as defined below), we may, in our sole discretion, allow you to provide the Management Training Program to your Required Trainees.

Your trainees may not attend the Management Training Program until (a) you have provided us with your fully signed Lease (if required) in a form that we have approved, (b) your Shoppe is under construction, (c) you have provided us with evidence of the insurance that is required under your Franchise Agreement, and (d) it is within six weeks of the scheduled opening date of your Shoppe.

There is no charge for the cost of the Management Training Program for your Required Trainees for your first two Shoppes (including Shoppes owned by your affiliates). If we provide the Management Training Program to you for your third or subsequent Shoppes (including Shoppes operated by your affiliates), you must pay us a fee of \$3,000 (\$5,000 for Co-Branded Shoppes and \$1,000 for Express Shoppes) for the Management Training Program. You must pay us a reasonable training fee that we designate (currently, \$250 per trainee per day) if (i) you elect, and we permit you, to bring additional trainees, other than the Required Trainees, to the Management Training Program, (ii) your Required Trainees are trained in separate sessions, or (iii) any of your Required Trainees fail to successfully complete the Management Training Program and re-enroll in the program or are replaced with new trainees that enroll in the program.

Your Required Trainees must successfully complete our Management Training Program at least one week prior to the scheduled opening date of the Shoppe. If your opening date changes and your required Trainees completed our Management Training Program more than 120 days before the revised opening date, we may require them to attend up to an additional week of training and may require you to pay our then-current daily training fee for each Required Trainee. All of your Required Trainees must successfully complete our Management Training Program before they may be involved in the operation of your Shoppe.

We have the right in our reasonable discretion to determine whether a trainee has successfully completed the Management Training Program. If we conclude that a Required Trainee has failed to successfully complete the Management Training Program, that Required Trainee must re-enroll

in our next scheduled applicable Management Training Program, and you must pay the then-current training fee. We will have the right to terminate this Agreement if, following the Management Training Program and re-enrollment training (if any), none of the Required Trainees have successfully completed the Management Training Program.

Currently, our Management Training Program consists of the following:

The Management Training Program for Co-Branded Shoppes includes the training programs for both brands. If you convert an existing location that operates under one of the brands to a Co-Branded Shoppe, we may reduce the length of the Management Training Program.

The Management Training Program for Express Shoppes and Hosted Express Shoppes does not include any other training that may be required by the Host Facility or operator of the space.

Instructional Materials. We use various forms of instructional materials in the Management Training Program, including videos, presentations, lectures, and instruction in ice cream production, pre/post assessments, skills assessments, and in-Shoppe training. We require you to bring to the Management Training Program a dedicated tablet that meets the hardware and software specifications necessary to use our electronic learning management system.

Training Staff. Jessicah Pounds, the Vice President, Training for GoTo Foods, supervises and manages our training programs and the training staff. Jessicah has over 30 years of experience in the restaurant industry and has been on the training staff of GoTo Foods since March 2013. Other members of our staff and of our affiliates' staffs may assist in training as needed. Our training staff has an average of approximately 11 years of experience in the restaurant industry. Training staff will vary based on the training format used.

We also may authorize certain franchisees who have a Certified Training Manager (as defined below), operate a Certified Training Location, and meet other requirements that we specify to

provide on our behalf all or portions of the Management Training Program in accordance with our Standards. The experience of franchisee trainers will vary.

Subsequent Trainees. Any Primary Contact or Managers (including any Directors of Operations) you hire or appoint after the opening of the Shoppe and any other persons we designate (“**Subsequent Trainees**”) must attend and successfully complete our Management Training Program (or, as applicable, Primary Contact Training) before becoming involved in the operation of your Shoppe. We may require employees that transfer to your Shoppe from another Shoppe to successfully complete the Management Training Program again. We also may require you to send additional Managers or employees to the Management Training Program if we have identified operational or performance issues at your Shoppe. You must pay us a reasonable training fee (currently, \$250 per trainee per day) for each Subsequent Trainee that attends a Management Training Program that we conduct.

On-Site Support. For your first two Shoppes (including Shoppes owned by your affiliates), the Initial Franchise Fee includes the cost of us providing one or more representatives to provide on-site opening training and assistance (approximately seven days after you obtain the certificate of occupancy and health permit) to facilitate the opening of such Shoppes. We will determine, in our sole discretion, the number of representatives to be provided and the number of days for which assistance will be provided. Such on-site opening training and assistance is a second phase of our Management Training Program, which you are required to complete successfully.

If you would like additional on-site training or assistance for your first two Shoppes (including Shoppes owned by your affiliates) or any on-site training or assistance for your (or your affiliates’) third and subsequent Shoppes, you may request such training or assistance at any time. We also may provide on-site training or assistance if we, in our sole discretion, deem it necessary. We are not obligated to provide any additional on-site training. Unless we specify otherwise, you must pay us the then-current daily On-Site Training and Assistance Fee (currently, \$500 per trainer per day, plus their travel and living expenses) for any such on-site training and assistance that we provide.

Training By You. If you and your affiliates collectively operate two or more Shoppes, we may, in our sole discretion, permit (and reserve the right to require) you or your affiliates to provide the Management Training Program to your trainees. If we require or permit you or your affiliates to provide the Management Training Program to your trainees, before you or they may do so, one or more of your or their Shoppes must be certified by us as a Certified Training Location and one or more of your or their Managers must be certified by us as a trainer authorized to provide our Management Training Program to your trainees (a “**Certified Training Manager**”).

To be designated as a Certified Training Manager, a Manager must (i) complete our Management Training Program at least six months before applying for certification, (ii) maintain specific food safety programs, (iii) attend any required additional training program, and (iv) meet other qualifications that we may specify from time to time. To be designated as a Certified Training Location, a Shoppe must (a) meet compliance scores that we specify, (b) fully comply with our then-current Standards, (c) employ at least one Manager, in addition to the Certified Training Manager, and (d) meet any other requirements that we may specify from time to time.

We may, in our sole discretion and at any time, (i) grant, withhold, or revoke certification for a Certified Training Location or a Certified Training Manager or (ii) change the minimum requirements for certification of a Certified Training Location or a Certified Training Manager. We may require Certified Management Trainers to be recertified if they transfer from one Shoppe to

another, if they no longer meet our then-current requirements, or annually. If a Certified Training Manager ceases to be a Manager of a Certified Training Location or has their certification revoked, such Shoppe must be re-certified as Certified Training Location before offering training again.

If we certify a Certified Training Location and Certified Training Manager, such Certified Training Manager must provide our Management Training Program at a Certified Training Location in accordance with our Standards for such training. If we withhold or revoke certification of a Certified Training Location, we may require your trainees to attend the Management Training Program at another location that we designate and require you to pay our then-current fee (if any) for such training.

Additional Training and Conferences. We may, from time to time, conduct conferences, conventions, programs, webinars, teleconferences, or training sessions on any matters related to the System. We will determine the duration, curriculum, and location of such additional programs, which may take the form of web-based training modules, webinars, seminars, in-person training at a location that we designate, on-site training, or training at an approved regional Certified Training Location in the United States (which may or may not be in the state where your Shoppe is located). Your Primary Contact, Manager(s), Owners, and supervisory personnel must attend any conferences, conventions, programs, or additional or refresher training sessions that we specify. In addition, as a condition of renewing your Franchise Agreement, we may require your personnel to undergo further training. We may charge a reasonable fee (which we expect typically to range from \$0 to \$2,500) for these additional programs to cover our costs of providing them. Any additional training programs will typically last no more than three days.

Training Expenses. For all training programs, you must pay for all wages, travel and living expenses, including transportation costs, meals, and lodging for you or your trainees. We will not pay compensation for any incidental services you or your trainees perform during training. You also must purchase uniforms for your trainees to be worn during training.

Cancellations. If you fail to cancel any scheduled training without at least 14 days' prior notice, or if your trainees are not prepared to successfully participate in any scheduled training, we may charge you a cancellation fee and the cost of conducting the originally scheduled training (including any training fees and any travel and living expenses incurred by our representatives) and require you to pay an additional fee for the rescheduled training.

ITEM 12

TERRITORY

Accepted Location

Your Shoppe may only be operated at the Accepted Location. If we have not yet accepted a site for the Shoppe when we execute the Franchise Agreement, you must select a location that we accept in accordance with our site selection criteria within a site selection area that we specify. We will determine the site selection area on a case-by-case basis. You will have no exclusive or protected rights in your site selection area.

No Exclusive Territory

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

No Protected Territory for All Shoppes other than Co-Branded Shoppes in Streetside Locations

This Section applies to all Shoppes other than Co-Branded Shoppes in Streetside Locations.

The Franchise Agreement licenses you to manufacture and sell Approved Products at retail only from the Accepted Location. We do not grant you any exclusive territory or other territorial rights under these agreements other than the right to sell Approved Products at retail from the Shoppe.

Limited Protected Territorial Rights for Co-Branded Shoppes in Streetside Locations

This Section applies only to Co-Branded Shoppes in Streetside Locations.

If you operate a Co-Branded Shoppe in a Streetside Location, while you will not receive an exclusive territory, you will receive a territory with limited protected rights (an “**Area of Protection**”) as described in this Item. For a Co-Branded Shoppe (other than a Swirl Shoppe), this means that, during the term of the Franchise Agreement, we will not establish or operate, nor license any other person to establish or operate, another Co-Branded Shoppe (other than a Swirl Shoppe) at a Streetside Location within the Area of Protection. For the avoidance of doubt, we may operate, or license others to operate, single-branded Shoppes, Swirl Shoppes, or Shoppes that do not include the exact combination of brands as the Co-Branded Shoppe (such as a Shoppe that is co-branded with a brand other than the second brand in the Co-Branded Shoppe or that is multi-branded with such second brand and one or more other brands).

If you operate a Swirl Shoppe in a Streetside Location, during the term of the Franchise Agreement, we will not establish or operate, nor license any other person to establish or operate, another Swirl Shoppe at a Streetside Location within the Area of Protection. For the avoidance of doubt, we may operate, or license others to operate, single-branded Shoppes or Cinnabon Co-Branded Shoppes inside or outside the Area of Protection.

We may negotiate your Area of Protection with you. The size and scope of the Area of Protection will be in the Franchise Agreement and will be determined on a case-by-case basis. The Area of Protection will not exceed a one-block radius for a Shoppe in an urban location (the downtown area of the 100 largest U.S. cities as measured by population as of the effective date of the Franchise Agreement) or a one-mile radius for a Shoppe in any non-urban location. There is no minimum Area of Protection for a Shoppe. The factors that we consider in determining the size of an Area of Protection include current and projected market demand, demographics and population based on our research and experience, median household income, presence of other businesses, location of competitors, traffic patterns, access and visibility, location of other Shoppes, our future development plans and other market conditions.

If the Accepted Location is not known when you sign the Franchise Agreement, we will designate the Area of Protection once we authorize a location for the Shoppe and the Accepted Location and Area of Protection will be documented when we accept the location. If the Accepted Location is known when you sign the Franchise Agreement, the Franchise Agreement will specify the Accepted Location for your Shoppe and the Area of Protection.

If you default under the Franchise Agreement and fail to cure the default in the applicable cure period (if any), we have the right to reduce or eliminate your Area of Protection, in addition to our other remedies. Except for as described in the previous sentence, the Area of Protection may not be altered before the expiration or termination of the Franchise Agreement. Your territorial

protection is not dependent on achievement of a certain sales volume, market penetration or other factors, other than compliance with the Franchise Agreement.

Our Reserved Rights Under the Franchise Agreement

Under the Franchise Agreement, we and our affiliates retain all the rights that we do not specifically grant to you. For example, without limitation, we retain the following rights, without providing any rights or compensation to you:

(i) We and/or our affiliates may establish or license franchises and/or company-owned businesses offering products or services that are similar or identical to the Approved Products using the System or elements of the System under the Proprietary Marks or any other marks anywhere, including at or near your Accepted Location.

(ii) If you operate a Co-Branded Shoppe (other than a Swirl Shoppe) in a Streetside Location and we have granted you an Area of Protection, we and/or our affiliates may establish or license franchises and/or company or affiliate-owned businesses offering products or services that are similar or identical to the Approved Products using the System or elements of the System under the Proprietary Marks or any other marks (a) anywhere outside of the Area of Protection, (b) in Other Locations inside or outside the Area of Protection, or (c) in businesses other than Co-Branded Shoppes (excluding Swirl Shoppes) inside or outside the Area of Protection.

If you operate a Swirl Shoppe in a Streetside Location and we have granted you an Area of Protection, we and/or our affiliates may establish or license franchises and/or company or affiliate-owned businesses offering products or services that are similar or identical to the Approved Products using the System or elements of the System under the Proprietary Marks or any other marks (a) anywhere outside of the Area of Protection, (b) in Other Locations inside or outside the Area of Protection, or (c) in businesses other than Swirl Shoppes inside or outside the Area of Protection (including Carvel Co-Branded Shoppes).

(iii) We and/or our affiliates may produce and/or sell Approved Products or any other products or services, and authorize others to produce and/or sell Approved Products or any other products or services, using the Proprietary Marks, the System, and any other marks and/or systems we desire through any alternative channel of distribution located anywhere, including to and through (a) supermarkets, convenience stores, club stores, and other retail facilities not dedicated to the sale of the Approved Products, (b) mail order and e-commerce channels, and (c) kitchens devoted to the preparation of Products or Approved Products (often referred to as ghost, dark or cloud kitchens), which may use the Marks and may deliver to customers located anywhere.

(iv) We and/or our affiliates may advertise, or authorize others to advertise, using the Proprietary Marks anywhere.

(v) We and/or our affiliates may acquire, be acquired by, or merge with another entity with existing businesses or franchises that are similar to or competitive with the Shoppe anywhere (including inside and outside the Area of Protection (if any)) and (a) convert the other businesses to be Shoppes operating under the Proprietary Marks and the System (except for Co-Branded Shoppes inside your Area of Protection (if any)), (b) permit the other businesses to continue to operate under another name anywhere (including inside your Area of Protection (if any)), and/or (c) permit the businesses to operate under another name and convert your Shoppe and existing Shoppes to such other name.

We may open or franchise new Shoppes near your Shoppe (unless we are restricted from doing so in your Area of Protection (if any)) without consulting you, giving you the first right to open them, or paying you any compensation. Other affiliate-owned or franchised Cinnabon® Shoppes near your Shoppe that are already in existence or opened later under Franchise Agreements may (i) compete directly with you, (ii) provide services in close proximity to your Shoppe without compensating you, and (iii) possibly adversely affect the operation of your Shoppe or your development of Shoppes.

Rights Outside of the Accepted Location

Except for catering services and delivery services that we may allow or require, you may only sell Approved Products at retail to customers who are physically present at your Accepted Location. You may not sell Goods through the Internet or using any channel of distribution other than your Shoppe without first obtaining our written consent.

We require you to provide delivery services and you must do so in accordance with any restrictions and guidelines that we may establish in the Manuals or otherwise in writing. If we allow (by written consent), or if we require, you to provide catering services, you must do so in accordance with any restrictions and guidelines that we may establish in the Manuals or otherwise in writing. You may only provide delivery services through a TPS that we approve or designate. If a TPS is unavailable to provide delivery services for your Shoppe, you may not be required to offer delivery services, subject to our written approval. We, our affiliates, or our franchisees may provide delivery services and catering services anywhere, including near your Shoppe. We reserve the right to revise and/or make exceptions to our delivery services and catering services policies as they apply to you and our other franchisees.

Our Reserved Rights Under the Franchise Agreement

Under the Franchise Agreement, we and our affiliates retain all the rights that we do not specifically grant to you. For example, without limitation, we retain the following rights, without providing any rights or compensation to you:

(i) We and/or our affiliates may establish or license franchises and/or company-owned businesses offering products or services that are similar or identical to the Approved Products using the System or elements of the System under the Proprietary Marks or any other marks anywhere, including at or near your Accepted Location;

(ii) We and/or our affiliates may produce and/or sell Approved Products or any other products or services, and authorize others to produce and/or sell Approved Products or any other products or services, using the Proprietary Marks, the System, and any other marks and/or systems we desire through any alternative channel of distribution located anywhere, including to and through (a) supermarkets, convenience stores, club stores, and other retail facilities not dedicated to the sale of the Approved Products, (b) mail order and e-commerce channels, and (c) kitchens devoted to the preparation of Products or Approved Products (often referred to as ghost, dark or cloud kitchens), which may use the Marks and may deliver to customers located anywhere;

(iii) We and/or our affiliates may advertise, or authorize others to advertise, using the Proprietary Marks anywhere; and

(iv) We and/or our affiliates may acquire, be acquired by, or merge with another entity with existing businesses or franchises that are similar to or competitive with the Shoppes

anywhere and (a) convert the other businesses to be Shoppes operating under the Proprietary Marks and the System, (b) permit the other businesses to continue to operate under another name anywhere, and/or (c) permit the businesses to operate under another name and convert your Shoppe and other existing Shoppes to such other name.

We may open or franchise new Carvel® Shoppes near your Shoppe without consulting you, giving you the first right to open them, or paying you any compensation. Other affiliate-owned or franchised Carvel® Shoppes near your Shoppe that are already in existence or opened later under Franchise Agreements may (i) compete directly with you, (ii) provide services in close proximity to your Shoppe without compensating you, and (iii) possibly adversely affect the operation of your Shoppe or your development of Shoppes. Sales of products by our licensed manufacturer to grocery stores and supermarkets, club stores, super-stores, mass merchants and commissaries and exchanges on United States military bases and selected restaurants may also compete with your franchised Shoppe.

Other Businesses

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell.

Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

Developing Additional Shoppes

If you sign multiple Franchise Agreements at the same time, you will also sign a Multi-Unit Addendum that outlines the site selection areas for each Shoppe to be developed under the Franchise Agreements and the development deadlines for such Shoppes. The site selection areas for each Shoppe will be determined on a case-by-case basis. Your site selection areas will not be exclusive. After you and we accept a site for the Accepted Location for each Shoppe, you will sign an addendum to the Franchise Agreement that modifies the Accepted Location to reflect the site for such Shoppe.

Except as provided in any Multi-Unit Addendum, you will not have any options, rights of first refusal, or similar rights to acquire additional franchises or establish additional Shoppes, even within the building or facility in which your Shoppe is located.

Relocation of the Shoppe

You may request to relocate your Shoppe if you lose the right to operate at the Accepted Location or provide other business justifications for the relocation. You may not relocate your Shoppe unless we approve the relocation in advance in writing. We have not established a set of conditions or criteria under which we evaluate or approve relocation requests, except that you must comply with our site approval process, must be in compliance with all terms of the Franchise Agreement, and must have the funds available to relocate the Shoppe and to construct a new Shoppe according to our then-current design standards. We are under no obligation to approve a proposed relocation of the Shoppe. If you lose the right to occupy the premises where you are operating your Shoppe, we may, in our sole discretion, terminate your Franchise Agreement.

If we approve your request to relocate, in our sole discretion, then (i) the Site Agreement for the new location must comply with the Franchise Agreement, (ii) you must de-identify the former site, (iii) we may charge you a Relocation Fee (see Item 6), (iv) we may require you to pay an agreed minimum royalty to us during the period in which the Shoppe is not in operation, and (v) we may require you to sign our then-current Franchise Agreement (which may have materially different terms than your existing Franchise Agreement) or an amendment to your existing Franchise Agreement. If the term of the Lease for the new location extends beyond the term of your Franchise Agreement, we may, in our sole discretion, extend the term of your existing or new Franchise Agreement to match the term of the Lease for the new location, provided you will be required to pay the Relocation Extension Fee (see Item 6).

At this time, we do not have a registration for this trademark. Therefore, this trademark does not have many of the legal benefits and rights as a federally-registered trademark. If your right to use this trademark is challenged, you may have to change to an alternative trademark which will increase your expenses.

If you operate a Swirl Shoppe, we will license you the right to use the Proprietary Marks inside the Swirl Shoppe and on secondary signage on the exterior of the Swirl Shoppe. The Swirl Shoppe will be primarily identified by the Cinnabon Swirl™ mark that will be licensed to you pursuant to the Co-Branded Franchise Agreement that you will sign with Cinnabon. Cinnabon has filed an application to register the Cinnabon Swirl™ design mark on the Principal Register of the USPTO (Application Number 97,411,653, Application Date 5/16/22), as is further described in Cinnabon's Franchise Disclosure Document.

Other Proprietary Marks have been, or may be, applied for or registered with the USPTO. The provisions of the Franchise Agreement apply to any and all other trademarks, service marks, and trade dress authorized and licensed for use by us to you during the term of the Franchise Agreement. We may specify the other Proprietary Marks that you may use, if any, in writing from time to time. You must comply with the proper use and marking of the Proprietary Marks as we indicate in the Manuals or otherwise. We update the Manuals periodically and add or delete Proprietary Marks on a continuing basis.

We are the owner of all right, title, and interest in and to the Proprietary Marks and the goodwill associated with them. All goodwill associated with the Proprietary Marks remains our exclusive property. All usage of the trademarks by you and any goodwill established will inure to our exclusive benefit.

There are no agreements currently in effect which could significantly limit our rights to use or license the Proprietary Marks. There are no currently effective determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of any state, or any court adversely affecting the ownership, use or licensing of the Proprietary Marks. There is no pending infringement, opposition or cancellation proceedings, or material litigation, involving the Proprietary Marks. There are no currently effective agreements limiting our right to use or license the Proprietary Marks. There are presently no infringing uses known to us that could materially affect your use of the Proprietary Marks listed above in the state in which your Shoppe will be located.

Your rights to the Proprietary Marks are derived solely from your Franchise Agreement. You will only use the Proprietary Marks to identify your Shoppe except as we authorize. You have no right to apply for registration of any Proprietary Mark. In using the Proprietary Marks, you must strictly follow our Standards, specifications, requirements, and instructions. You may not use any Mark or any words or designations similar to the Marks (i) as part of any corporate or legal business name, (ii) with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we have licensed to you), (iii) in selling any unauthorized services or products, (iv) as part of any domain name, electronic address, metatag, search engine keyword, social media account, or otherwise in connection with any website or other electronic medium without our consent, or (v) in any other manner we have not expressly authorized in writing. When your Franchise Agreement expires or terminates, all rights to use the Proprietary Marks will revert to us automatically without payment to you and you will keep no rights in the Proprietary Marks. You may not take any action to question or contest our rights or interest in the Proprietary Marks and the goodwill in the Proprietary Marks.

If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Proprietary Marks, you must promptly notify us. We will promptly take the action we consider necessary to defend you. We must indemnify you for any action against you by a third party based solely on alleged infringement, unfair competition, or similar claims about the Proprietary Marks. You may not settle or compromise any of these claims without our written consent. We have the right to control, defend, and settle any claim at our sole expense using our own counsel. You must cooperate with us in the defense. We will have no obligation to defend or indemnify you if the claim against you relates to your use of the Proprietary Marks in violation of the Franchise Agreement.

You must comply with our instructions to modify or discontinue use of any Proprietary Mark or to adopt or use additional or substituted Proprietary Marks. We will not be liable to you for any resulting expenses.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents And Copyrights

We have no patents and no pending patent applications material to the franchise. We claim copyrights on the Manuals (including any supplements); the Recipes; our building designs, architectural renderings, and construction plans; and certain forms, advertisements, images, art, photography, promotional materials, and other written materials that we produce.

You must comply with the proper use and marking of the copyrighted materials as we indicate in the Manuals.

There are no agreements currently in effect that significantly limit your right to use any of our copyrights. Also, there are no currently-effective determinations of the USPTO, Copyright Office (Library of Congress) or any court involving any of our copyrights discussed above. We are unaware of any infringing uses of or superior prior rights to any of our copyrights that could materially affect your use of them in the state in which your Shoppe will be located.

Your obligations and ours to protect your rights to use our copyrights are the same as the obligations for Proprietary Marks described in Item 13.

Proprietary and Confidential Information

During the term of your Franchise Agreement, we or our affiliates will disclose to you, either orally or in writing, non-public information related to the System or information that, by its nature, would reasonably be expected to be held in confidence or kept secret (collectively, “**Confidential Information**”). Confidential Information includes, but is not limited to: (i) the Standards and Manuals; (ii) pricing information and models; (iii) materials describing our franchise network and System; (iv) plans, layouts, designs and specifications for a prototypical Shoppe; (v) our methods of preparing and serving Approved Products, including Recipes; (vi) our sources (or prospective sources) of supply and all information related to or concerning the same, including the identity and pricing structures with our Approved Suppliers; (vii) our training materials; (viii) our marketing plans and development strategies; (ix) the Franchise Agreement and any related schedules, exhibits, attachments, or addenda and all terms contained therein; and (x) other information we give to you.

In addition, we and our affiliates may disclose to you Trade Secrets. “**Trade Secrets**” means information that derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. Without limiting the definition of “Trade Secrets,” the following are considered to be Trade Secrets: (i) the composition of our Proprietary Goods; (ii) our Recipes; (iii) advertising, marketing and public relations strategies; and (iv) our marketing analyses.

You may never, during the term of the Franchise Agreement, any renewal term of the Franchise Agreement, or after the Franchise Agreement expires or is terminated, reveal any of our Confidential Information or Trade Secrets to another person or use it for any other person or business. You may not copy any of our Confidential Information or Trade Secrets or give it to a third party except as we authorize. These restrictions must be followed even before you open your Shoppe, since you will receive valuable information and training about the System and the operation of the Shoppe before you begin operations.

You will require that all persons employed in your Shoppe having access to Confidential Information and Trade Secrets are aware of the confidentiality restrictions set forth in the Franchise Agreement and similarly bind them not to disclose the Confidential Information and Trade Secrets by an agreement at least as restrictive as the terms of the Franchise Agreement.

Innovations

All ideas, concepts, techniques, or materials relating to a Shoppe or the System or derivations or modifications of our intellectual property or any other element of the System (collectively, “**Innovations**”), whether or not protectable intellectual property and whether created by or for you or your Owners, employees, or contractors, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any Innovation does not qualify as a work made-for-hire for us, you must assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to sign (and to cause your Owners, employees, and contractors to sign) whatever assignment or other documents we request to evidence our ownership or to help us obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person with respect to any Innovations. You may not use any Innovation in operating the Shoppe or otherwise without our prior approval.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are required to devote your best efforts to the proper and effective operation of the Shoppe. You (if you are an individual) and your Owners (if you are an Entity) are not required to participate in the actual operation of the Shoppe but may serve, with our consent, as the Primary Contact and/or a Manager. However, we do not recommend an investment in a Shoppe for investors interested in an absentee management business.

You must appoint a Primary Contact who will be responsible for, and have decision-making authority regarding, the Shoppe and its operation. You may not appoint, remove, or replace the Primary Contact without our prior written approval. Your Primary Contact may be (but is not required to be) an Owner. Your Primary Contact must successfully complete Primary Contact Training to our satisfaction. We may, in our sole discretion, permit your Primary Contact to serve as a Manager for the Shoppe, provided that it is their full-time job, they otherwise qualify for the position, and they successfully complete the Management Training Program.

You must have at least two Managers that are dedicated to your Shoppe. Your Managers must have day-to-day management responsibility for your Shoppe, exercise on-premises supervision, and personally participate in the direct operation of the Shoppe. Your Managers may be (but are not required to be) an Owner. If you operate a Hosted Express Shoppe located in a Host Facility, the Manager may be the same manager for the Host Facility. Your Managers must complete the Management Training Program to our satisfaction. You must inform us in writing of the identity of your Managers and any successor Managers.

If you operate four or more Shoppes, we may require you to hire one or more additional Managers to serve as a Director of Operations to provide additional support and supervision to multiple Shoppes. Your Directors of Operations must meet any minimum standards for such position and must complete the Management Training Program and any other training programs that we specify to our satisfaction.

After a Primary Contact's, Manager's, or Director of Operation's death, disability, or termination of employment, you must immediately notify us, and you must designate a successor or acting Primary Contact, Manager or Director of Operations within 30 days. If you fail to do so after receiving from us a default notice with a cure period, we can terminate the Franchise Agreement.

All of your Owners must bind themselves to our restrictive covenants and confidentiality obligations by signing our Personal Covenants Agreement (Schedule B to the Franchise Agreement). You must require all persons affiliated with you to sign a confidentiality agreement to keep our Confidential Information and Trade Secrets confidential (see Item 14).

All of your Owners must sign our Guaranty of Payment and Performance (Schedule C to the Franchise Agreement).

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may offer in the Shoppe to customers only the Approved Products that we have approved in writing. You must produce and sell all Approved Products we specify, including all menu items,

Trademarked Product Lines, and other products and services that we require you to sell, as stated in the Manuals or otherwise, which are all part of the System. We may change these specifications periodically, without limitation, and we may designate specific Approved Products as optional or mandatory. You must offer all Approved Products that we designate as mandatory. You must maintain a sufficient supply of required Approved Products to meet the inventory standards we prescribe in the Manuals (or to meet reasonably anticipated customer demand, if we have not prescribed specific standards).

You may not use the Shoppe or the Accepted Location to produce or sell any goods, products, or services other than Approved Products sold using the Marks. You may not produce or offer any products (i) that we do not authorize you to produce or sell or (ii) that we direct you not to produce or sell. You may sell Approved Products only in the varieties, forms, and packages that we have approved. If we require you to produce any Approved Products, you must strictly follow our Recipes, using only those product components, ingredients, flavoring, and garnishes that meet our then-current Standards. In dispensing the Approved Products, you may use only containers, cartons, bags, boxes, napkins, and other paper goods and packaging bearing our then-currently approved text and designs, and that otherwise meet our then-current requirements, specifications, and quality standards.

You may not use the Proprietary Marks for any other business. You may not conduct any business other than the business contemplated by the Franchise Agreement from your Accepted Location without first obtaining our written consent. In particular, you may not operate a ghost kitchen or delivery business selling goods, products, or services under another brand.

You may only engage in the sale of Approved Products under the System from the Shoppe to the ultimate consumer. If we allow (by written consent), or if we require, you to provide catering services, you must do so in accordance with any restrictions and guidelines that we may establish in the Manuals or otherwise in writing. We require you to provide delivery services and you must do so in accordance with any restrictions and guidelines that we may establish in the Manuals or otherwise in writing. You may only provide delivery services through a TPS that we approve or designate. If a TPS is unavailable to provide delivery services for your Shoppe, you may not be required to offer delivery services, subject to our written approval. Except for catering services and delivery services that we may allow or require, you may not offer for sale, sell, supply for resale, or deliver any Goods to a third party other than the ultimate consumer at the Shoppe without our prior written consent. Unless otherwise permitted by us in writing, you may not sell any Goods through the Internet or using any other channel of distribution other than your Shoppe.

You must participate in the Gift Card and Loyalty Programs that we establish, and you must have available for sale to customers a sufficient number of gift cards to meet the demands of your Shoppe. The Gift Card and Loyalty Programs may change in process, style and design periodically; the most current authorized version must be available in the Shoppe. You must accept for payment gift card(s) presented as payment for purchases made from the Shoppe.

Periodically, we will conduct market research and testing to determine consumer trends and the salability of new food or non-food products, equipment and services. You must participate in any market research programs or testing in your Shoppe and provide us with timely reports and any other relevant information we request. You must purchase for your Shoppe a reasonable quantity of the test products, and you must effectively promote and make a reasonable effort to sell test products.

ITEM 18

PUBLIC FIGURES

We do not use any public figure to promote our franchises.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 presents information about the financial performance during Fiscal Year 2024 (the fiscal year ended December 29, 2024) of single-branded Full Shoppes located in Streetside Locations (“**Single-Branded Streetside Franchises**”) that (i) reported sales through our designated POS System and (ii) reported sales in all 52 weeks of Fiscal Year 2024 (the “**Eligible Streetside Franchises**”).

This Item 19 does not include data for (i) Shoppes in Other Locations; (ii) Co-Branded Shoppes; or (iii) Express Shoppes, because the format of these Shoppes and related performance can vary substantially from our more typical Single-Branded Streetside Franchise format. In addition, this Item 19 does not include data for Single-Branded Streetside Franchises that do not use our designated POS System (which we have not required existing franchisees to implement), because we do not have access to Net Sales data for such Shoppes. This Item 19 also does not include data for Single-Branded Streetside Franchises that did not report sales in all 52 weeks of Fiscal Year 2024.

**TABLE 1: AVERAGE NET SALES BY QUARTILES

2 nd Quartile	\$543,719	13/26 (50%)	\$542,579	\$483,802	\$620,072

Bottom Quartile	\$189,436	12/26 (46%)	\$183,577	\$16,326	\$346,168
Total	\$484,054	51/104 (49%)	\$480,774	\$16,326	\$1,554,784

NOTES TO TABLE 1:

1. Of the 266 Single-Branded Streetside Franchises, 104 (39.1%) were Eligible Streetside Franchises that have data included in this Item 19. The Eligible Streetside Franchises do not include (i) 154 Single-Branded Streetside Franchises that did not use our designated POS System for all of Fiscal Year 2024; (ii) four Single-Branded Streetside Franchises that were operating and using our designated POS System but did not report sales in all 52 weeks of Fiscal Year 2024; and (iii) four Single-Branded Streetside Franchises that opened in Fiscal Year 2024. Three Single-Branded Streetside Franchises closed permanently in Fiscal Year 2024, all of which had been open for at least 12 months prior to closing.

NOTES TO ITEM 19:

1. **Some Shoppes have sold or earned this amount. Your individual results may differ. There is no assurance that you will sell or earn as much.**
2. "Net Sales" includes all revenues generated by a Shoppe or conducted from or with respect to a Shoppe, whether the sales are evidenced by cash, check, credit, charge, account, barter or exchange, but does not include (a) the initial sales or reloading of gift cards, (b) discounts, (c) the sale of food or merchandise for which refunds have been made in good faith to customers, (d) the discounted portion of employee meals, (e) sales, meals, use or excise tax imposed by a governmental authority directly on sales and collected from customers, provided that the amount for the tax is added to the selling price or absorbed therein and is actually paid by you to a governmental authority, (f) the sale of equipment used in the operation of the Shoppe, or (g) tips. See Note 2 of Item 6 for a complete definition of "Net Sales."
3. These sales figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the Net Sales figures to obtain your net income or profit.
4. We calculated the figures in the tables in these financial performance representations using data from the POS System used by franchisees. No certified public accountant has audited these figures or expressed his or her opinion concerning their content or form.

5. Written substantiation for the financial performance representations will be made available to you on reasonable request.
6. We encourage you to consult with your own accounting, business, and legal advisors to assist you to prepare your budgets and projections, and to assess the likely or potential financial performance of your franchise. We also encourage you to contact existing franchisees to discuss their experiences with the system and their franchise business. Notwithstanding the information set forth in this financial performance representation, our existing franchisees are your best source of information about franchise operations.

Other than in this Item 19, we do not make any additional representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any additional representations either orally or in writing. If you receive any additional financial performance information or projections of your future income, you should report it to the franchisor's management by contacting the Legal Department, Carvel Franchisor SPV LLC, 5620 Glenridge Drive NE, Atlanta, GA 30342, 404-255-3250, the Federal Trade Commission, and the appropriate state regulatory agencies.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

GoTo Foods Systems LLC and Subsidiaries

Opinion

We have audited the consolidated financial statements of GoTo Foods Systems LLC (a Delaware limited liability company) and subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 29, 2024 and December 31, 2023, and the related consolidated statements of operations, changes in member's equity, and cash flows for the years ended December 29, 2024, December 31, 2023, and December 25, 2022, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 29, 2024 and December 31, 2023, and the results of its operations and its cash flows for the years ended December 29, 2024, December 31, 2023, and December 25, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1 Nature of Operations and Summary of Significant Accounting Policies

Organization

GoTo Foods Systems LLC (the “Company”) is a limited-purpose, bankruptcy-remote, wholly owned indirect subsidiary of GoTo Foods LLC (“GTFL”) and comprises the worldwide operations of its limited-purpose, bankruptcy-remote, wholly owned direct subsidiaries (collectively, the “Franchising Entities”): Auntie Anne’s Franchisor SPV LLC, Carvel Franchisor SPV LLC, Cinnabon Franchisor SPV LLC, McAlister’s Franchisor SPV LLC, Moe’s Franchisor SPV LLC, and Schlotzsky’s Franchisor SPV LLC. The Franchising Entities are the franchisors of approximately 6,000 stores, bakeries, and restaurants (“SBRs”, “SBR”) in the United States and more than 60 foreign countries and territories operating under the brand names Carvel®, Cinnabon®, Schlotzsky’s®, Moe’s®, Auntie Anne’s®, and McAlister’s Deli®. The Franchising Entities’ business revenues are primarily generated from franchise revenues including royalty and mix fees, development and franchise fees, licensing fees, rebates from certain vendors, and digital transaction fees.

Certain of the Company’s affiliates administer the advertising funds on behalf of the brands’ franchise systems. The certain affiliates are not included in the Company’s consolidated financial statements.

Basis of Presentation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Intercompany accounts and transactions have been eliminated in consolidation.

Fiscal Year

The Company operates on a fifty-two or fifty-three week fiscal year that ends on the last Sunday of the calendar year. The consolidated financial statements include fifty-two weeks for the fiscal year ended December 29, 2024, fifty-three weeks for the fiscal year ended December 31, 2023, and fifty-two weeks for the fiscal year ended December 25, 2022, respectively.

Cash and Cash Equivalents

Cash and cash equivalents includes funds not subject to the restrictions discussed in the “Restricted Cash” section. As of December 29, 2024 and December 31, 2023, Cash and cash equivalents consists only of funds on deposit with commercial banks.

Restricted Cash

The Company’s restricted cash is comprised of cash collections related to securitized franchising or licensing activities.

Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents, restricted cash, and accounts receivable. The Company places its cash and cash equivalents and restricted cash, which generally exceed federally insured limits, with high credit quality financial institutions or in money market funds that invest in U.S. Treasury bills, notes, or other obligations issued or guaranteed by the U.S. Government, its agencies, or instrumentalities, and repurchase agreements secured by such obligations or cash. The Company has not experienced any losses in such accounts.

Accounts receivable consists primarily of amounts due from franchisees, vendors, and licensees. The financial condition of the franchisees and licensees is largely dependent upon the underlying business trends of the Company's brands and market conditions within the quick service restaurant industry, both domestically and internationally. This concentration of credit risk is mitigated, in part, by the large number of franchisees and licensees of each brand and the short-term nature of the related receivables. As of December 29, 2024 and December 31, 2023, no individual franchisee or licensee accounted for more than 10% of total accounts receivable. No individual franchisee or licensee accounted for more than 10% of total revenues for the fiscal years ended December 29, 2024, December 31, 2023, and December 25, 2022.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable are reflected in the consolidated financial statements at cost, net of allowance.

The Company determines the allowance for credit losses based upon the aging of customer receivables, write-off history, the financial condition of its subsidiaries' franchisees, licensees, and vendors, and other factors including those related to current economic conditions and reasonable and supportable forecasts of future conditions.

Accounts receivable are written off against the allowance for credit losses when it is probable the receivable will not be recovered. The ultimate recovery of recorded receivables is dependent upon future economic events and other conditions that may be beyond the Company's control.

Assets Held for Lease

Assets held for lease is largely comprised of satellite SBRs that the Company leases to franchisees under month-to-month operating lease agreements and are recorded at cost, less accumulated depreciation. Expenditures that extend the useful lives of the related assets are capitalized. Expenditures for normal maintenance and repairs are expensed as incurred. Depreciation is computed on a straight-line basis over estimated useful lives of between 2-7 years.

Intangible Assets

Intangible assets consist primarily of tradenames and franchise agreements. The Company does not amortize tradenames. Tradenames for each of the Franchising Entities are evaluated for impairment using a qualitative or quantitative assessment annually at year-end, or more frequently when circumstances arise indicating potential impairment. If a qualitative assessment is performed and the fair value of a tradename more likely than not exceeds the carrying value of the tradename, no further evaluation is necessary. If a quantitative assessment is performed and the fair value of a tradename exceeds the carrying value of the tradename, the tradename is not impaired. If the carrying value of the tradename exceeds the fair value of the tradename, an impairment charge is recorded for the difference.

The Company estimates fair value using multiple valuation methodologies, including discounted cash flow models. The operating assumptions used in the discounted cash flow models are generally consistent with past performance and with the projections and assumptions that are used in the current operating plan. Such assumptions are subject to change as a result of changing economic and competitive conditions.

No impairment losses were recorded for intangible assets during the fiscal years ended December 29, 2024, December 31, 2023, and December 25, 2022.

Income Taxes

The Company is comprised of single-member limited liability companies for federal and state income tax purposes with all related income tax liabilities and/or benefits of the Company being passed through to an indirect parent of the Company. As such, no recognition of federal or state income taxes for the Company has been provided for in the accompanying consolidated financial statements.

Income tax expense is comprised of foreign income taxes in certain international jurisdictions which arise from withholding taxes associated with payments of royalties and fees by international franchisees.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the performance obligation is satisfied. The Company determined that the franchise right granted for each individual SBR within an arrangement represents a single performance obligation. Therefore, all consideration within the contract is allocated to the franchise right and recognized over the term of the franchise agreement.

Franchise revenues consists of revenues from franchising activities and are recognized based on the terms of the underlying agreements.

Development fees are recorded as deferred franchise revenue when received and are recognized as revenue on a straight-line basis over the term of each underlying franchise agreement satisfying the development obligation, commencing when the SBR is opened.

Franchise fees are recorded as deferred revenue when received and are recognized as revenue on a straight-line basis over the term of each respective franchise agreement, commencing when the SBR is opened.

Certain franchisees are required to purchase ice cream mix from a certain Franchising Entity's approved distributors, who in turn source the ice cream mix from that Franchising Entity's approved manufacturers. Ice cream mix revenues are recognized upon the sale of ice cream mix based upon the respective agreements with the manufacturers, distributors, and the franchisees.

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

At December 29, 2024 and December 31, 2023, the Company had no financial instruments that are measured at fair value.

Subsequent Events

The Company discloses material events that occur after the balance sheet date but before financial statements are issued. In general, these events are recognized in the financial statements if the condition existed at the date of the balance sheet, but are not recognized if the condition did not exist at the balance sheet date. The Company discloses non-recognized events if required to keep the financial statements from being misleading. Management evaluated events occurring subsequent to December 29, 2024 through March 21, 2025, the date these consolidated financial statements were available for issuance, and determined that no subsequent event required recognition or disclosure.

2 Revenue

The Company recognizes franchise revenues as the related performance obligations are satisfied.

The Company generally recognizes revenue associated with franchise and development fees of open SBRs over time. The Company's other revenue streams are generally recognized at a point in time.

Franchise revenues are disaggregated by the timing of recognition as follows:

For the fiscal years ended:	December 29, 2024	December 31, 2023	December 25, 2022

Deferrals due to cash received and other	13,425	8,944

5 Guarantees

GoTo Foods Funding LLC (a direct parent of the Company) and Jamba Juice Funding LLC (collectively with GoTo Foods Funding LLC, the “Co-Issuers”) are limited-purpose, bankruptcy-remote, wholly owned indirect subsidiaries of GTFL and issuers of outstanding senior secured notes (the “Senior Notes”) under a securitized financing facility.

The Company, its indirect parents, and certain other affiliates (collectively, the “Guarantors”) hold substantially all the intellectual property and franchising-related assets that secure the Senior Notes. Each Guarantor is a separate entity, has separate creditors (from the Company and any of its non-Guarantor affiliates), and owns all its assets. The Co-Issuers are dependent on the Company and certain other subsidiaries of the Co-Issuers for sufficient cash flow to service the debt. As of December 29, 2024 and December 31, 2023, the outstanding principal balance of the Senior Notes on the separate Co-Issuers’ combined balance sheets totaled \$1,365,613 and \$1,283,563, respectively.

GTFL manages and services the Co-Issuers’ and the Guarantors’ assets in its capacity as the manager under a management agreement (the “Securitization Management Agreement”). The primary responsibilities of the manager are to administer collections and otherwise manage the managed assets on behalf of the Co-Issuers and the Guarantors, and to perform certain franchising, intellectual property, and operational and reporting services on behalf of the Co-Issuers and the Guarantors with respect to the managed assets (see Note 6).

6 Related Party Transactions

The Company recognized royalty fees from SBRs which are owned and operated by affiliates of \$6,485, \$6,218, and \$5,921 in the consolidated statements of operations for the fiscal years ended December 29, 2024, December 31, 2023, and December 25, 2022, respectively.

As discussed in Note 5, the Guarantors entered into the Securitization Management Agreement with GTFL to perform certain services on behalf of the Guarantors. In exchange for the services, the Company and certain other affiliates pay a weekly management fee equal to the sum of (i) a base amount of \$16,600 and (ii) \$11 for every \$100 of aggregate collections over the preceding four most recently ended quarterly fiscal periods, divided by 52 or 53 weeks, as applicable. Fees are subject to 2% annual increases on the first day of the Company’s fiscal year, with a cap as defined in the Securitization Management Agreement. The Company expensed management fees of \$50,394, \$46,822, and \$46,690 in the consolidated statements of operations within Management fee to GTFL for the fiscal years ended December 29, 2024, December 31, 2023, and December 25, 2022, respectively.

7 Commitments and Contingencies

Legal Actions and Claims

In the normal course of business, various legal actions and claims are pending against the Company. REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

GoTo Foods LLC and Subsidiaries

Opinion

We have audited the consolidated financial statements of GoTo Foods LLC (a Delaware limited liability company) and subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 29, 2024 and December 31, 2023, and the related consolidated statements of operations, changes in member's deficit, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 29, 2024 and December 31, 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1 Nature of Operations and Summary of Significant Accounting Policies

Organization

GoTo Foods LLC (“GTFL”), a wholly owned subsidiary of GoTo Foods Holdings Inc. (“GTFH” or the “Parent”), comprises the worldwide operations of its subsidiaries (the “subsidiaries” and collectively, the “Company”) which are principally the franchisors and operators of approximately 7,000 stores, bakeries, and restaurants (“SBRs”, “SBR”) in the United States and over 60 foreign countries and territories operating under the brand names Carvel®, Cinnabon®, Schlotzsky’s®, Moe’s®, Auntie Anne’s®, McAlister’s Deli®, Jamba® and on certain military bases and international markets under the brand name of Seattle’s Best Coffee®.

The subsidiaries’ business revenues are primarily generated from:

- Franchise revenue including royalty and mix fees, development and franchise fees, licensing fees, rebates from certain vendors, and digital transaction fees;
- Company store, bakery, and restaurant (“Company SBRs”) revenue from the operations of SBR locations owned directly by certain of the Company’s subsidiaries;
- Franchise and other rental revenues from properties leased and subleased to certain franchisees and other third parties; and
- Advertising funds revenue including contributions from franchisees and Company SBRs and rebates from certain vendors.

Basis of Presentation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Intercompany accounts and transactions have been eliminated in consolidation.

Fiscal Year

The Company operates on a fifty-two or fifty-three week fiscal year that ends on the last Sunday of the calendar year. The consolidated financial statements for the fiscal years ended December 29, 2024 and December 31, 2023 include fifty-two and fifty-three weeks, respectively.

Cash and Cash Equivalents

Cash and cash equivalents includes highly liquid investments purchased with an original maturity of three months or less. As of December 29, 2024 and December 31, 2023, Cash and cash equivalents consists of funds on deposit with commercial banks and money market mutual fund accounts.

Restricted Cash and Cash Equivalents

Certain cash and money market mutual fund accounts are established in the name of a certain financial institution (the “Trustee”) for the benefit of the Trustee and the holders of the Senior Notes (see Note 5), or have been pledged to the Trustee, and are restricted in their use. The Company holds restricted cash comprised of the following: (i) cash collections and cash reserves held by the Trustee to be used for payments of principal, interest, and commitment fees required for the Company’s notes, and (ii) any other cash collections related to securitized franchising or licensing activities held in special-purpose, bankruptcy-remote subsidiaries.

Credit Risk

The Company’s financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents, restricted cash and cash equivalents, and accounts receivable. The Company places its cash and cash equivalents and restricted cash and cash equivalents, which generally exceed federally insured limits, with high credit quality financial institutions or in money market funds that invest in U.S. Treasury bills, notes, or other obligations issued or guaranteed by the U.S. Government, its agencies, or instrumentalities, and repurchase agreements secured by such obligations or cash. The Company has not experienced any losses in such accounts.

Accounts receivable consists primarily of amounts due from franchisees, vendors, licensees, and gift card retailers. The financial condition of the franchisees and licensees is largely dependent upon the underlying business trends of the Company’s brands and market conditions within the quick service restaurant industry, both domestically and internationally. This concentration of credit risk is mitigated, in part, by the large number of franchisees and licensees of each brand and the short-term nature of the related receivables. As of December 29, 2024 and December 31, 2023, no individual franchisee or licensee accounted for more than 10% of total accounts and notes receivable. No individual franchisee or licensee accounted for more than 10% of total revenues for the fiscal years ended December 29, 2024 and December 31, 2023.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable are reflected in the consolidated financial statements at cost, net of allowance.

The Company determines the allowance for credit losses based upon the aging of customer receivables, write-off history, the financial condition of its subsidiaries’ franchisees, licensees, and vendors, and other factors including those related to current economic conditions and reasonable and supportable forecasts of future conditions. Accounts receivable are written off against the allowance for credit losses when it is probable the receivable will not be recovered. The ultimate recovery of recorded receivables is dependent upon future economic events and other conditions that may be beyond the Company’s control.

Inventories

Inventories are stated at the lower of cost or net realizable value. Cost is determined using the first-in, first-out method.

Property, Equipment, Leasehold Improvements and Land (“Long-lived assets”)

Property, equipment, and leasehold improvements are recorded at cost, less accumulated depreciation. Land is recorded at cost. Expenditures for major renewals and improvements that extend the useful lives of the related assets are capitalized. Expenditures for normal maintenance and repairs are expensed as incurred.

Depreciation is computed on a straight-line basis using the following estimated useful lives:

	Life
Buildings	20-22 years
Building improvements	Lesser of useful life of the building or up to 20 years
Furniture, fixtures and equipment	2-15 years
Computer software and hardware	3-5 years
Leasehold improvements	Lesser of useful life or lease term

The Company records impairment losses on Long-lived assets when events and circumstances indicate that the assets might be impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of those assets. Assets determined to be impaired are written down to their estimated fair values using a discounted cash flow model including estimates of salvage values. For the fiscal years ended December 29, 2024 and December 31, 2023, the Company recognized impairment losses on Long-lived assets of \$2,428 and \$3,274, respectively, within Other operating expense, net.

Goodwill and Intangible Assets

Intangible assets consist primarily of goodwill, tradenames, reacquired franchise rights, and franchise agreements. The Company does not amortize goodwill or tradenames. Goodwill and tradenames are evaluated for impairment using a qualitative or quantitative assessment annually at year-end, or more frequently when circumstances arise indicating potential impairment.

Goodwill and tradenames for each of the subsidiaries which are franchisors and operators of the Company SBRs (the “reporting units”) are evaluated for impairment. If a qualitative assessment is performed and the fair value of a reporting unit’s net assets or tradename more likely than not exceeds the carrying value of the reporting unit’s net assets or tradename, respectively, no further evaluation is necessary. If a quantitative assessment is performed and the fair value of a reporting unit or tradename exceeds the carrying value of the reporting unit’s net assets or tradename, respectively, the goodwill or tradename is not impaired. If the carrying value of the reporting unit’s net assets or tradename exceeds the fair value of the reporting unit or tradename, respectively, an impairment charge is recorded for the difference.

The Company estimates fair value using multiple valuation methodologies, including discounted cash flow models. The operating assumptions used in the discounted cash flow models are generally consistent with past performance and with the projections and assumptions that are used in the Company’s current operating plan. Such assumptions are subject to change as a result of changing economic and competitive conditions.

No impairment losses were recorded for goodwill, tradenames, or amortizable intangible assets during the fiscal years ended December 29, 2024 and December 31, 2023.

Prepaid Expenses and Other Current Assets, and Long-Term Other Assets

Prepaid expenses and other current assets primarily consists of prepayments of insurance, vendor deposits that are expected to be charged to operations during the next fiscal year, and capitalized implementation costs of cloud computing arrangements. The Company amortizes cloud computing costs over the life of the related hosting agreement. For the fiscal year ended December 31, 2023, the Company recognized impairment losses of \$1,074 within Other operating expense, net related to a prepayment for robotic food kiosks. No impairment losses were recorded for Prepaid Expenses and Other Current Assets for the fiscal year ended December 29, 2024.

Long-term other assets primarily consists of prepayments of commissions, favorable sublease assets, operating lease and utilities deposits, deferred receivables related to operating sublease agreements, and other investments. Investments without a readily determinable fair value are valued at cost.

Long-Term Other Liabilities

Long-term other liabilities primarily consists of asset retirement obligations for the Company's corporate offices and certain SBR locations and unfavorable sublease liabilities.

Income Taxes

The Company is included in the consolidated federal income tax return filed by the Parent and is party to an informal tax sharing agreement between the Parent and other members of the consolidated group. The Company is a single-member LLC and has made an accounting policy election to present a tax provision in accordance with ASC 740 – *Income Taxes*. Accordingly, the Company accounts for income taxes using the asset and liability method. Under this method, deferred income taxes are recognized for the tax consequences of “temporary differences” by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax bases of existing assets and liabilities.

A tax position is recognized as a benefit only if it is more likely than not that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that has a greater than 50% cumulative likelihood of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded. The Company recognized no material amounts for uncertain tax positions during the fiscal years ended December 29, 2024 and December 31, 2023. The Company recognizes interest and penalties related to tax positions, if any, in Income tax expense.

Based on the evaluation of all available information, a net operating loss carryforward deferred tax asset is only recognized to the extent that realizing these benefits is considered more likely than not (see Note 9).

The Company is subject to state franchise taxes in certain states, which are based on either income or equity of the Company. Franchise tax expense is recorded in Selling, general and administrative expenses. The Company is also subject to withholding taxes in certain international jurisdictions.

Advertising

Certain subsidiaries administer the national advertising funds on behalf of the brands' franchise systems (collectively, the “Ad Funds”). The Ad Funds receive contributions from franchisees as required by their franchise agreements and the Company SBRs based upon a percentage of revenues.

Certain subsidiaries also supervise the collection and distribution of local advertising funds on behalf of the brands' franchise systems (collectively, the “Local Funds”). Contributions collected from franchisees on behalf of the Local Funds managed by franchisee-directed local advertising groups (“Franchisee-Managed Local Funds”) are returned to these funds to spend on Company-approved marketing activities. Local Funds managed by the certain subsidiaries (“Company-Managed Local Funds”) receive contributions from franchisees, and the Company administers the marketing spending on behalf of the franchisees.

The Ad Funds' and Company-Managed Local Funds' revenues and expenses are reflected within the consolidated statements of operations as Advertising funds revenues and Advertising funds expenses, respectively. When cumulative revenues of the advertising funds exceed the related cumulative advertising expenses, advertising costs are accrued up to the amount of the cumulative surplus.

The Company records the billing, collection, and subsequent distribution of the Franchisee-Managed Local Funds as pass-through transactions within Advertising funds assets and Advertising funds liabilities.

Advertising funds assets primarily consists of accounts receivable from the franchise system and the Company SBRs for contributions to the Ad Funds and Local Funds, vendor receivables, and prepayments to certain advertising and marketing vendors.

Advertising funds liabilities consists primarily of accruals for future Ad Funds and Local Funds expenditures.

The Ad Funds and Company-Managed Local Funds transfer all cash received to a certain subsidiary that pays vendors on behalf of the Ad Funds and Company-Managed Local Funds. Outstanding amounts owed to vendors by the certain subsidiary on behalf of the Ad Funds and Company-Managed Local Funds are recorded in Accounts payable as of December 29, 2024 and December 31, 2023.

The Company expenses all other advertising and marketing costs as incurred within Selling, general and administrative expenses. For the fiscal years ended December 29, 2024 and December 31, 2023, the Company expensed \$6,348 and \$5,311, respectively, in advertising and marketing costs.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the performance obligation is satisfied. In applying this five-step model, the Company determined that the franchise right granted for each individual SBR within an arrangement represents a single performance obligation. Therefore, all consideration within the contract is allocated to the franchise right and recognized over the term of the franchise agreement.

Franchise revenues consists of revenues from franchising activities and are recognized based on the terms of the underlying agreements.

Development fees are recorded as deferred franchise revenue when received and are recognized as revenue on a straight-line basis over the term of each underlying franchise agreement satisfying the development obligation, commencing when the SBR is opened.

Franchise fees are recorded as deferred revenue when received and are recognized as revenue on a straight-line basis over the term of each respective franchise agreement, commencing when the SBR is opened.

Certain franchisees are required to purchase ice cream mix from a certain subsidiary's approved distributors, who in turn source the ice cream mix from that subsidiary's approved manufacturers. Ice cream mix revenues are recognized upon the sale of ice cream mix based upon the respective agreements with the manufacturers, distributors, and the franchisees.

Company SBR revenues are recognized at the point of sale to the end customer, which is when the SBRs' performance obligation is satisfied. The Company presents revenues net of sales taxes collected from customers.

Franchise and other rental revenues includes rental revenue from properties leased and subleased to certain franchisees and other third parties. Base rental revenue is recognized on a straight-line basis over the lease term and contingent rental revenue is recognized as earned (see Note 6).

Advertising funds revenues are recognized as they are earned by the subsidiaries.

Leases

The Company leases SBR and corporate office locations. Certain leased locations are subleased to franchisees after franchising transactions. The Company determines if an arrangement is a lease at contract inception. An agreement contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. At commencement, the Company classifies each lease as either an operating or finance lease where the Company is a lessee, or as an operating, sales-type, or direct financing lease where the Company is a lessor. When determining the lease term, as both lessee and lessor, the Company includes option periods when it is reasonably certain that those options will be exercised.

Where the Company is a lessee, a lease liability and corresponding right-of-use asset are recognized on the lease commencement date based on the present value of the remaining lease payments over the lease term. Payments are discounted using the Company's incremental borrowing rate, as the rate implicit in the Company's leases is not readily determinable. Lease cost for operating leases is recognized on a straight-line basis. Most of the Company's leases are fixed rent agreements and require the Company to pay related executory costs which include property taxes, maintenance, and insurance. Certain leases for SBRs require the payment of additional contingent rent if SBR sales exceed amounts set forth in the lease agreements. Both the contingent rent and the executory costs are considered variable lease costs and are excluded from the measurement of the lease liability.

Where the Company is a lessor, lease income for operating leases is recognized on a straight-line basis and the excess of the straight-line rent over the minimum rents received is recorded as a deferred lease asset.

Gift Card Program

Certain subsidiaries administer gift card programs on behalf of the franchise systems. The Company records a liability in the period in which a gift card is issued, and this liability is the sole responsibility of those subsidiaries. As gift cards are redeemed, the liability is reduced and cash is paid to the redeeming SBR.

The Company recognizes breakage income from gift cards in proportion to actual gift card redemptions based on historical redemption rates.

Stock Compensation

The Parent grants stock options for a fixed number of shares to key employees and certain non-employee directors. The Company records compensation expense related to share-based payments, including stock options, over the requisite service period based on the grant date fair value of the award.

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

At December 29, 2024 and December 31, 2023, the Company had no financial instruments that are measured at fair value.

Subsequent Events

The Company discloses material events that occur after the balance sheet date but before financial statements are issued. In general, these events are recognized in the financial statements if the condition existed at the date of the balance sheet, but are not recognized if the condition did not exist at the balance sheet date. The Company discloses non-recognized events if required to keep the financial statements from being misleading. Management evaluated events occurring subsequent to December 29, 2024 through March 7, 2025, the date these consolidated financial statements were available for issuance, and determined that no subsequent event required recognition or disclosure.

GoTo Foods Funding LLC (the “Master Issuer”, f/k/a FOCUS Brands Funding LLC) and Jamba Juice Funding LLC (collectively with the Master Issuer, the “Co-Issuers”), are limited-purpose, bankruptcy-remote, wholly owned indirect subsidiaries of GTFL and issuers of outstanding senior secured notes under a securitized financing facility. The Co-Issuers have issued the following series of fixed rate senior secured notes that remain outstanding at December 29, 2024: (i) 2024-1 6.422% Class A-2 notes with an outstanding principal amount of \$125,000 (the “2024-1 Class A-2 Notes”), (ii) 2023-2 8.241% Class A-2 notes with an outstanding principal amount of \$237,600 (the “2023-2 Class A-2 Notes”), (iii) 2022-1 7.206% Class A-2 notes with an outstanding principal amount of \$347,013 (the “2022-1 Class A-2 Notes”), and (iv) 2017-1 5.093% Class A-2-II notes with an outstanding principal amount of \$370,000 (collectively, the “Class A-2 Notes”). The Co-Issuers also have entered into revolving financing facilities of Series 2023-1 Variable Funding Senior Notes, Class A-1 (the “2023-1 Class A-1 Notes”) and Series 2022-1 Variable Funding Senior Notes, Class A-1 (the “2022-1 Class A-1 Notes”, collectively with the 2023-1 Class A-1 Notes, the “Class A-1 Notes”, and collectively with the Class A-2 Notes, the “Senior Notes”). Each of the 2023-1 Class A-1 Notes and the 2022-1 Class A-1 Notes allow for the drawing of up to \$200,000 on a revolving basis, for a combined total of up to \$400,000.

Interest and principal payments on the Class A-2 Notes are due on a quarterly basis. The requirement to make such quarterly principal payments on the Class A-2 Notes is subject to certain financial conditions set forth in the indenture governing the Senior Notes (the “Indenture”). The legal final maturity dates of the Class A-2 Notes range from 2047 through 2054. If the Co-Issuers have not repaid or refinanced the Class A-2 Notes prior to their anticipated repayment dates, which range from 2027 through 2031, additional interest will accrue pursuant to the Indenture.

Advances under the Class A-1 Notes bear interest at a variable rate based on (i) the prime rate, (ii) the federal funds rate, (iii) the secured overnight financing rate, or (iv) with respect to advances made by conduit investors through the issuance of commercial paper, the commercial paper rate applicable to such conduit investor, plus, in each case, any applicable margin, as specified in the note purchase agreements. Letters of credit outstanding under the 2022-1 Class A-1 Notes were \$24,248 as of December 29, 2024, which related primarily to interest reserves required under the Indenture. The Company does not expect any material loss from these letters of credit because the Company does not believe that any amounts will be drawn thereunder by the beneficiaries thereof. As of December 29, 2024, the Company had outstanding amounts of \$148,000 and \$138,000 under the 2022-1 Class A-1 Notes and the 2023-1 Class A-1 Notes, respectively. Interest payments on the Class A-1 Notes are due on a quarterly basis.

The Co-Issuers’ direct and indirect parents and their direct and indirect subsidiaries (collectively, the “Guarantors”) are special-purpose, bankruptcy-remote, indirect wholly owned subsidiaries of the Company that hold substantially all the intellectual property and franchising-related assets. The Senior Notes are secured by substantially all the assets of the Guarantors. Each Guarantor is a separate entity and has separate creditors (from the Company and any of its non-Guarantor affiliates), and such Guarantor owns all its assets.

Other than the Guarantors, neither the Company nor any of its other direct or indirect subsidiaries guarantees or is in any way liable for the obligations under the Senior Notes. GTFL, has, however, agreed to cause the performance of certain obligations of the Guarantors in return for a management fee under the terms of a management agreement (the “Securitization Management Agreement”).

GTFL manages and services the Co-Issuers’ and the Guarantors’ assets in its capacity as the manager under the Securitization Management Agreement. The primary responsibilities of the manager are to administer collections and otherwise service the managed assets on behalf of the Co-Issuers and the Guarantors, and to perform certain franchising, intellectual property, and operational and reporting services on behalf of the Co-Issuers and the Guarantors with respect to the managed assets.

Covenants and Restrictions

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) debt service coverage ratios and senior leverage ratios, as defined in the Indenture, (ii) the maintenance of specified reserve accounts to be used to make required payments in respect of the Senior Notes, and (iii) provisions relating to optional and mandatory prepayments, including certain make-whole payments. The Senior Notes are also subject to customary rapid amortization events and customary events of default provided for in the Indenture. As of December 29, 2024, the Company was in compliance with all such covenants.

Financing and Refinancing Transactions

On October 18, 2024, the Co-Issuers completed a financing transaction under which the Co-Issuers issued the 2024-1 Class A-2 Notes. The net proceeds from the issuance of the 2024-1 Class A-2 Notes were used to pay transaction expenses and fund a distribution to the shareholders of GTFH.

During the fiscal year ended December 31, 2023, the Co-Issuers completed two refinancing transactions under which the Co-Issuers issued the 2023-1 Class A-1 Notes and the 2023-2 Class A-2 Notes (the “2023 Refinancings”). The 2023-1 Class A-1 Notes, undrawn at the time of closing, were used for general corporate purposes, including to partially fund a distribution to shareholders of GTFH. The net proceeds from the issuance of the 2023-2 Class A-2 Notes, together with cash on hand and proceeds from an advance on the 2023-1 Class A-1 Notes, were used to repay in full the Co-Issuers’ outstanding Series 2018-1 5.184% Fixed Rate Senior Secured Notes, Class A-2 and pay transaction expenses. As a result of the 2023 Refinancings, the Company recorded a loss on early extinguishment of debt of \$4,095 within Other expense, net for the year ended December 31, 2023.

7 Stock Compensation

The Parent issues equity incentive grants under the 2022 Stock Option Plan (the “2022 Plan”). Prior to the 2022 Plan, equity incentive grants were issued under the 2013 Stock Option Plan (collectively with the 2022 Plan, the “Plans”). The 2022 Plan authorizes the granting of options to purchase common stock of the Parent and was established to attract and retain eligible employees, directors, and consultants and to provide an additional incentive to each eligible employee, director, and consultant to work to increase the value of the Parent’s common stock. The Plans are administered by the Board. The Board has the authority to determine the amount of options granted to any individual, the dates on which each option will become exercisable, and the exercise price of all options subject to certain limitations in the Plans. As of December 29, 2024, there were 12,929 options available for issuance under the 2022 Plan.

The option vesting periods range from immediate vesting to a five-year vesting period, with accelerated vesting in the event of a change in control under certain circumstances, as defined in the Plans. In addition, certain options have vesting requirements based upon achieving certain operating results. The options expire 10 years from the date of grant or in the event of a change in control under certain circumstances, as defined in the Plans.

The weighted average grant date fair value of options granted during the fiscal years ended December 29, 2024 and December 31, 2023 was \$115.43 and \$105.71, respectively, per option. The Parent reduced the exercise prices of unvested outstanding options and paid out bonuses on vested outstanding options to make all option holders whole in conjunction with the 2024 and 2023 distributions to shareholders of the Parent.

Stock option activity for all plans for the fiscal years ended December 29, 2024 and December 31, 2023 was as follows:

	Number of shares	Weighted average exercise price
Outstanding at December 25, 2022	218,837	182.43
Granted	34,182	251.48
Exercised	(1,756)	146.64
Forfeited or expired	(39,323)	161.73
Outstanding at December 31, 2023	211,940	171.85
Granted	28,512	258.45
Exercised	(1,131)	174.49
Forfeited or expired	(26,898)	176.98
Outstanding at December 29, 2024	212,423	\$ 170.82

Options outstanding			Options exercisable	
Weighted average exercise price	Shares outstanding	Weighted average remaining contractual life (years)	Weighted average exercise price	Shares outstanding
\$ 170.82	212,423	7.37	\$ 171.09	89,874

The fair value of options granted is estimated on the date of grant using the Black-Scholes option pricing model based on the assumptions in the table below:

For the fiscal years ended:	December 29, 2024	December 31, 2023
Expected life (years)	5	5
Interest rate	4.13%	3.95%
Volatility	40.92%	40.90%
Dividend yield	0.00%	0.00%

The expected term of the options is based on evaluations of historical and expected future employee exercise behavior. The risk-free interest rate is based on the U.S. Treasury rates at the date of grant with maturity dates approximately equal to the expected life at the grant date. Volatility is based on the historical volatility of several public entities similar to the Parent as the Parent does not have sufficient historical transactions of its own shares on which to base expected volatility. Future decisions to pay distributions are at the discretion of the Board and will depend upon operating performance and other factors. As of December 29, 2024, the Parent was not aware of any plans to pay distributions in the future.

The Company recognizes compensation expense for awards with graded vesting on a straight-line basis over the requisite service period for each separately vesting portion of the award. The total compensation expense related to unvested awards not yet recognized in the financial statements is \$5,059. This amount will be recognized as expense through 2029.

The Company administers substantially all operational activities on behalf of the Parent, and as a result, stock-based compensation expense is recorded in the consolidated financial statements of the Company. Additionally, cash consideration from the exercise of options and other equity instruments and the excess tax benefit of stock options exercised are typically contributed to the Company by the Parent.

8 Employee Benefits

The Company sponsors a 401(k) Plan (the “401(k) Plan”). Employees can participate in the 401(k) Plan the first of the month following their date of hire. The 401(k) Plan is available to all employees age 21 and older. Company contributions to the 401(k) Plan are based on a percentage of the employee contributions and are immediately vested. Employer contributions to the 401(k) Plan were \$3,126 and \$3,205 for the fiscal years ended December 29, 2024 and December 31, 2023, respectively.

Realization of the Company's deferred tax assets, including those associated with the net operating loss carryforwards as of December 29, 2024, will depend on generating sufficient taxable income in future periods, net of reversing deferred tax liabilities. The Company believes it is more likely than not that the deferred tax assets will be realized.

For the fiscal year ended December 29, 2024, the Company paid \$12,350 for \$13,424 in renewable energy tax credits which were fully utilized for 2023 and prior tax years.

Foreign income taxes arise from withholding taxes associated with payments of royalties and fees by international franchisees.

As of December 29, 2024 and December 31, 2023, the Company had no material unrecognized tax benefits.

As discussed in Note 1, the Company is included in the consolidated return of the Parent. The Parent files U.S., state, and local income tax returns in jurisdictions with varying statutes of limitation. The tax years after 2020 generally remain subject to examination by federal and most state tax authorities. However, certain state returns from prior years in which net operating losses have arisen are still open for examination by the tax authorities.

It is the opinion of management, based on consultation with counsel, that the ultimate resolution of these contingencies, to the extent not previously provided for, will not have a material adverse effect on the consolidated financial condition, results of operations, or liquidity of the Company.

Lease Arrangements and Guarantees

Certain subsidiaries are the guarantors of certain real property lease arrangements on behalf of certain of their franchisees. The potential maximum future minimum lease payments these subsidiaries could be held liable for under these lease arrangements and guarantees was \$31,904 as of December 29, 2024, and the subsidiaries expect that any amounts that may ultimately be paid thereunder will not be material.

(iii) Sign a general release in a form we prepare, releasing us and our parents, subsidiaries, and affiliates and the respective directors, officers, owners, shareholders, partners, members, managers, representatives, employees, agents, attorneys, contractors, predecessors, successors, heirs and assigns of each of the foregoing (in their corporate and individual capacities) (collectively, the “**Released Parties**”), from all claims you may have against the Released Parties as of the date of the Renewal Agreement. Your Owners must also sign the general release required in the previous sentence. Released Parties is not intended to include suppliers or distributors to you that are not affiliated with us and are not acting as our agent.

(iv) Secure the right from your landlord to continue operating at the Accepted Location for the remainder of the Renewal Term. Alternatively, we may require you to relocate your Franchised Business if we find that the Accepted Location does not meet our then-current standards at the time we consider your Application.

C. No Automatic Right. You agree that this Agreement does not grant you any automatic rights to a Renewal Term and that we will not be obligated to offer you a Renewal Term. The sole basis for any extension of your franchise rights beyond the Initial Term is in this Section.

D. Extension Period. If you do not timely comply with the renewal procedures and conditions set forth in this Section and you continue to operate the Franchised Business beyond the Initial Term, this Agreement shall be extended on a month-to-month basis until such time as (i) the conditions set forth in this Section are satisfied or (ii) we notify you that this Agreement is terminated (the “**Extension Period**”) (in which case, you must fully comply with all provisions of this Agreement throughout the Extension Period, as if this Agreement had not expired, and upon notice of termination of this Agreement, you shall comply with all post-termination obligations in this Agreement).

3. FEES

3.1 Initial Franchise Fee. When you sign this Agreement, you will pay us an initial franchise fee as specified in Schedule A (the “**Initial Franchise Fee**”). When we sign this Agreement, the Initial Franchise Fee is fully earned and nonrefundable. You acknowledge that we have no obligation to refund any portion of the Initial Franchise Fee to you, even if this Agreement is terminated prior to opening the Franchised Business.

3.2 Ongoing Fees.

A. Royalty Fee. You must pay to us a recurring, non-refundable royalty fee in the amount and at the times specified in Schedule A (the “**Royalty Fee**”). Concurrent with these payments, you must submit to us any reports or statements required under Section 14.3 (Systems and Reports).

B. Advertising Contribution. You must pay to us a recurring, non-refundable advertising contribution in the amount and at the times specified in Schedule A (the “**Advertising Contribution**”). The Advertising Contribution will be in addition to, and exclusive of, your Grand Opening Obligation as specified in Section 10.1.C. (Grand Opening Advertising) and your Local Marketing Obligation as specified in Section 10.1.E. (Local Marketing Obligation), if any.

C. Net Sales. “**Net Sales**” means all revenues generated by your Franchised Business or conducted from or with respect to the Franchised Business, whether the sales are evidenced by cash, check, credit, charge, account, barter or exchange. Net Sales includes monies, gift card redemptions, or credit generated by or received from (i) the sale of Approved Products or tangible property of every kind and nature, promotional or otherwise, anywhere and (ii) services performed from, at, or in connection with the Franchised Business, including (x) off-premises services (such as catering and delivery), (y) on-premises services (such as games, gambling machines, or third-party advertising within the Franchised Business), or (z) any other services or activities that use either the System, the Marks, or products that are the same as or similar to the Approved Products. The foregoing list is not intended to provide approval for such activities, which may be conducted only if approved. Unless we specify otherwise in writing, Net Sales shall include all ancillary charges or fees, including delivery fees and other service charges,

that are paid to you by a customer or by a third-party delivery or catering service (e.g., Uber Eats, Postmates, Grubhub, ezCater, or DoorDash) (a “TPS”) in connection with delivery or catering services related to your Franchised Business (recognizing that though the TPS may pay you an amount equal to the purchase price charged to the customer less a commission, other fees, and any discounts, credits, or coupons applied to the order, such commission, fees, discounts, credits, and coupons will not be deducted from your Net Sales). Net Sales will not include (a) the initial sales or reloading of gift cards, (b) discounts, (c) the sale of food or merchandise for which refunds have been made in good faith to customers, (d) the discounted portion of employee meals, (e) sales, meals, use or excise tax imposed by a governmental authority directly on sales and collected from customers, provided that the amount for the tax is added to the selling price or absorbed therein and is actually paid by you to a governmental authority, (f) the sale of equipment used in the operation of the Franchised Business, or (g) tips.

D. Ordering Support Fee. We require you to pay to us, our affiliates, and/or one or more third parties that we designate, an ordering support fee, in an amount and at the times that we specify, for various ordering support services that we will provide or arrange for our affiliates or third parties to provide, such as services related to online and catering ordering platforms, call center(s), ordering and delivery management services, catering rewards program(s), and the costs and expenses of integrating such services with the Computer System (as defined in Section 12.8 (Computer System)) (the “**Ordering Support Fee**”). The fee will not exceed 110% of our or our affiliates’ actual costs and expenses related to such products or services. We periodically may add, delete, or otherwise modify the products and services that are included in the Ordering Support Fee.

E. Technology Fee. We may require you to pay to us, or a third party that we designate, the then-current technology fee that we specify from time to time (the “**Technology Fee**”). The Technology Fee may be based on a percentage of Net Sales, fixed fees, and/or usage fees, provided that the fee collected will not exceed 110% of our or our affiliates’ actual costs and expenses related to such products or services. We may modify the Technology Fee and payment frequency from time to time. We may replace or supplement other technology-related fees that we collect (such as the Ordering Support Fee) with the Technology Fee. We will use the Technology Fee to defray our and our affiliates’ costs of developing, implementing, upgrading, operating, maintaining, supporting, or providing any technology-related products, services, programs, systems, or platforms that we, in our sole discretion, deem appropriate. We may add, delete, or otherwise modify the products, services, programs, systems, and platforms that are funded by the Technology Fee from time to time.

F. Fee Adjustment. For any fee specified in this Agreement that may be increased by no more than the Allowed Adjustment, the “**Allowed Adjustment**” in any calendar year will not exceed, at our option, (a) 50% of the fee that is in effect at the start of the calendar year or (b) the increase in the actual costs and expenses that we or our affiliates incur to provide such goods or services to you.

3.3 Additional Payments. You must pay us or our affiliates within 10 days after demand: (i) all sales taxes, corporate taxes, and any similar taxes paid by us on your behalf, imposed on us, or required to be collected by us on account of products or services we furnish to you (through sale, lease, or otherwise) or on account of our collection of any fee related to this Agreement; (ii) all franchise or similar taxes, whether based on gross receipts, gross revenues, Royalty Fees, Advertising Contributions, or otherwise, imposed on, required to be collected by, or paid by us; (iii) all marketplace facilitator or similar taxes imposed on, required to be collected by, or paid by us in connection with your use of websites, applications, or online ordering platforms; (iv) all other

amounts we pay or must pay for you for any reason; (v) any other fees or expenses that we are entitled to collect from you; and (vi) any attorneys' fees we incur related to you, your Owners, or the Franchised Business (other than those we incur in response to your efforts to enforce this Agreement or in the defense or any claim we assert against you on which you substantially prevail in court or other formal legal proceedings).

3.4 Means of Payment. You must pay all amounts you owe us by electronic funds transfer or draft. We reserve the right to require you to deliver these payments to another party or location, or through any other means of delivery we specify, including by check, electronic funds transfer or draft, wire transfer, or other forms of funds transfer. We also reserve the right to change the due dates or frequency of the due dates of the amounts that you owe to us under this Agreement. We will notify you when we change the location for payments, the required payment delivery method, the due dates, or the frequency of the due dates for payments. You must comply with any new or additional procedures as we may specify in the Manuals or otherwise, in writing, and/or perform any acts and sign and deliver any documents we designate as necessary to assist in accomplishing payment by the method that we specify within 30 days of our notice to you. If there are insufficient funds in your account to cover our draft, we will charge you a fee that will not exceed 110% of our or our affiliates' actual costs and expenses related to the incident (including any bank return fees or other charges). The written authorizations and documents that you must sign as provided under this Section may give us the right to initiate debit entries and/or credit corrections entries. We may make bank drafts based on the reports required under Section 14 (Right to Access; Records; Reporting), the data of the point-of-sale system and other equipment provided for in Section 12.8 (Computer System), the results of an audit, or the payment obligations specified in this Agreement or any other agreement between you and us or our affiliates. If you fail to report the Net Sales of the Franchised Business to us for any reporting period as required in this Agreement, we have the right to make bank transfers or drafts for Royalty Fees and Advertising Contributions based on our reasonable estimate of the amounts for the Franchised Business and/or the data of the point-of-sale system and other equipment provided for in Section 12.8.

3.5 Interest. You must pay us interest on amounts not paid on time at the rate of 1.5% per month or portion of a month, but not more than the maximum interest rate permitted by applicable laws.

3.6 Late Reporting Fee. If you fail to submit timely, complete, and accurate reports, financial statements, tax returns, and statements of initial investment costs in accordance with Sections 14.3 (Systems and Reports), 14.4 (Financial Statements), 14.5 (Tax Returns), and 14.7 (Initial Investment Statements), we may charge you our then-current late fee (the "**Late Reporting Fee**"). The Late Reporting Fee is currently \$50 per week that such report, statement, or return is late. We may increase the Late Reporting Fee in any calendar year by no more than the Allowed Adjustment.

3.7 Application of Funds; Withholding of Payments. If you are late in paying any obligation you owe us or our affiliates, we or our affiliates may apply any payment you make to any obligation you owe us or our affiliates, whether or not you make any designation to the contrary. You may not withhold or set off payment of any amount you owe us or our affiliates on grounds of alleged non-performance of any obligation we or they owe you.

4. RESERVED RIGHTS

4.1 Reserved Rights. Unless specified otherwise in Schedule A, you do not have any protected or exclusive rights under this Agreement. We reserve all rights that we do not expressly grant you in this Agreement, including those rights described in Schedule A.

4.2 No Marketing Exclusivity. You agree that: (i) nothing in this Agreement grants you any marketing exclusivity as to particular customers; and (ii) we, our affiliates, and our and their other franchisees may solicit customers in, and service customers who are from, any geographic location we or they desire, including locations close to your Franchised Business.

4.3 Catering Services and Delivery Services. We require you to offer catering services (“**Catering Services**”) and delivery services (“**Delivery Services**”) and you must do so in accordance with the terms of the Manuals and this Agreement. You may only provide Delivery Services through a TPS that we approve or designate. If a TPS is unavailable to provide Delivery Services for your Franchised Business, you may not be required to offer Delivery Services, subject to our written approval. You acknowledge that we, our affiliates, and other franchisees may provide Catering Services and Delivery Services near your Franchised Business. We retain the right to revise and/or make exceptions to our Catering Services and Delivery Services policies as they apply to you and our other franchisees. We reserve the right to limit the geographic area in which you provide Catering Services and/or Delivery Services.

5. SITE IDENTIFICATION AND ACQUISITION

5.1 Accepted Location. You must establish and operate the Franchised Business only at the Accepted Location. You will not conduct, and you will not permit the conduct of, any business from the Accepted Location other than the Franchised Business. You must obtain our prior written consent if you wish to co-brand the Franchised Business with another business. You will not conduct, and you will not permit the conduct of any, sale of Approved Products using the Marks at any location other than the Accepted Location (except for the Catering Services and Delivery Services described in Section 4.3) without our prior written consent. If we consent to operations away from your Accepted Location, you will have to execute a separate agreement concerning your mobile or satellite business operations, which may include limitations on the type of activities that you may conduct and may include additional or different financial terms.

5.2 Our Assistance. We may assist you in selecting a proposed site for your Franchised Business (a “**Proposed Location**”), but we are not obligated to do so. You should undertake your own investigation of any Proposed Location and should not rely on any information from us in selecting the Proposed Location.

5.3 Acceptance of Proposed Location. If you and we have agreed on an Accepted Location at the time we sign this Agreement, we will insert the Accepted Location into Schedule A. If you and we have not agreed on an Accepted Location at the time we sign this Agreement, you will select a Proposed Location that complies with our site selection criteria within the Site Selection Area. You will provide us with all material we request to evaluate the suitability of the Proposed Location for your Franchised Business along with a site plan for the Proposed Location. We will provide you with our acceptance or non-acceptance of the Proposed Location within 15 days after you deliver the last item of materials we request, and our determination will be final. If we accept the Proposed Location as the Accepted Location, you must sign standard documentation we prepare, which includes a general release, to document the Accepted Location. Our acceptance of any Proposed Location is our agreement that the Proposed Location satisfies our minimum site

selection criteria only and will not be construed as a representation or warranty that the Franchised Business located at the Proposed Location will be successful.

5.4 Site Acquisition.

A. Acceptance and Execution of Site Agreement. You must deliver a copy of the signed lease, sublease, or other rental agreement for the location (the “**Lease**”) or purchase agreement for the location (the “**Purchase Agreement**”) and, collectively with the Lease, the “**Site Agreement**”) to us with all material terms specified therein, and any other additional documents you were required to sign with the Site Agreement, either: (i) after we sign this Agreement if we have identified the Accepted Location before we sign this Agreement, or (ii) immediately following the date we accept the location after we sign this Agreement. We may charge you a Lease Documentation Late Fee if you fail to timely provide the Site Agreement within 15 days after its execution. The “**Lease Documentation Late Fee**” shall be \$500 per month (or partial month) from the due date for providing the Site Agreement until the date it is delivered. Before you sign the Site Agreement, you must ensure that it meets the requirements of this Section 5.4. We will have the right, but not the obligation, to review your Site Agreement prior to its execution to verify its compliance with this Section 5.4.

B. Site Agreement Restrictions. If you execute a Site Agreement, (i) you may not create any obligations on our behalf, grant any rights adverse to our rights, or agree to any other term that is inconsistent with any term of this Agreement; (ii) you must duly and timely perform all terms under the Site Agreement; and (iii) except as otherwise provided in this Agreement, you may not assign, encumber, or transfer the Site Agreement, or sublet all or any part of the Accepted Location, without our prior written approval, which approval will not be unreasonably withheld. You must ensure that all Site Agreements comply with any terms set forth in the Manuals.

C. Preferred Lease Terms. You must use commercially reasonable efforts to ensure that all Leases include, unless we agree otherwise in writing:

(i) a provision which requires the landlord concurrently to provide us with a copy of any written notice of breach or default under the Lease sent to you, and which grants to us the right (but not the obligation) to cure any defaults under the Lease within a reasonable time (not to exceed 15 days for monetary defaults and 30 days for non-monetary defaults);

(ii) a provision that provides that upon the expiration or termination of this Agreement or upon your default under the Lease or under this Agreement, we will, without your or the landlord’s further consent, have (a) a continuing right of entry into the Franchised Business, (b) the right to operate a Business at the Accepted Location, (c) the right, but not the obligation, to assume your interests under the existing terms, conditions and covenants of the Lease, and (d) should we assume your position under the Lease, the right to assign the Lease or sublet the premises to a third party which will operate a Business at the location;

(iii) a provision that provides that upon expiration or termination of the Lease, we will, without your or the landlord’s further consent, have a continuing right of entry into the Franchised Business to remove Proprietary Products and any materials bearing the Marks;

(iv) a provision that provides that the Lease may not be modified or amended without our written consent which will not unreasonably be withheld, conditioned or delayed by us;

(v) a provision that allows you to offer or distribute product samples outside or over the counter of the Franchised Business, as applicable;

(vi) a provision that provides that if we assume your obligations and replace you as the lessee under the Lease or sign a new lease, and we later reassign the Lease or new lease to another franchisee, we will not be liable for any obligations to landlord under the Lease or new lease after the reassignment;

(vii) a provision, or a separate collateral assignment of lease, that provides that your landlord reserves to us the right, at our election, to take an assignment of the leasehold interest and to occupy the Accepted Location for the Franchised Business upon termination or expiration of this Agreement or default under the Lease; and

(viii) a provision that provides that your Franchised Business will have at least one designated parking space for curb-side pickup.

D. Site Agreement Modifications. You must submit a copy of any proposed modification, amendment, or renewal of the Site Agreement (a “**Site Agreement Change**”) (along with a true and complete copy of the then-existing Site Agreement) to us for our review and approval prior to executing such documents, not less than 10 days prior to the proposed effective date of such modification, amendment, or renewal. Our review of the proposed Site Agreement Change will be limited to ensuring that it is compliant with the terms of this Agreement. Our acceptance of the Site Agreement Change shall not be unreasonably withheld and may be conditioned upon the inclusion of terms in the Site Agreement acceptable to us, including those provisions as specified in Section 5.4.C. (Preferred Lease Terms). If you renew a Lease or a Lease is extended by the landlord for a period of 12 months or more, we may require you to pay us our then-current lease renewal fee, which may be increased in any calendar year by no more than the Allowed Adjustment. We will notify you in writing whether we approve of the proposed Site Agreement Change. If approved and subsequently signed, you must provide us with a copy of the signed Site Agreement Change within 15 days after its execution. We may charge you a Lease Documentation Late Fee if you fail to timely provide the modified or renewed Site Agreement.

E. Subleases. We reserve the right, directly or through an affiliate, to master lease any location and then sublet the location to you. Concurrently, with the execution of the Franchise Agreement, you may enter into a sublease with us if an acceptable site has been identified and we are or will be the master lessee of such site. As part of such sublease, you will be required to pay us our then-current sublease administration fee, which may be increased in any calendar year by no more than the Allowed Adjustment. However, unless we have agreed otherwise in a separate written agreement, we shall have no obligation to enter into a sublease with you for any location. If we and you are parties to a sublease and we elect to assign the master lease to you, you must execute any and all documents required by the landlord to facilitate such assignment and cooperate with our efforts to obtain our release. Any real estate and improvement costs associated with the development of the Accepted Location will be your responsibility.

5.5 Relocation of the Franchised Business.

A. Relocation Request. You may relocate the Accepted Location of the Franchised Business at your expense, if, prior to closing the Franchised Business, you submit a site acceptance request (in the form we provide to you) for your new Proposed Location and obtain our acceptance of the relocation to the Proposed Location. A relocation includes any change of

the location of the Franchised Business within a mall, facility, or building to a new location within the same mall, facility, or building. We are under no obligation to approve a relocation of the Franchised Business. Approval under this Section 5.5 will be within our sole discretion, and such approval shall not be granted unless you are in compliance with all terms and conditions of this Agreement and you have the funds available to relocate the Franchised Business and construct a new Franchised Business according to our then-current design standards.

B. Relocation Conditions. If we approve, in our sole discretion, the relocation of the Franchised Business under this Section 5.5, you agree to comply with the following conditions:

(i) the new location will be considered the “Accepted Location” as used in this Agreement;

(ii) all Site Agreements you enter into to secure the new location must comply with Section 5.4 (Site Acquisition);

(iii) you must make or cause to be made to the former Accepted Location such changes in the signs and interior and exterior of the former Accepted Location so as to effectively distinguish such location from any other Business;

(iv) we may charge you a relocation fee equal to 10% of the then-current Initial Franchise Fee to cover costs and expenses incurred by us or our affiliates in connection with any such acceptance, evaluation, and relocation of the Franchised Business;

(v) we may require you to pay an agreed minimum royalty to us during the period in which the Franchised Business is not in operation (if any); and

(vi) we may require you to sign our then-current form of franchise agreement to replace this Agreement (the “**New Franchise Agreement**”) or any other documents we may require to amend this Agreement. You acknowledge and agree that the New Franchise Agreement may contain terms that are materially different from this Agreement, but you will not be required to pay another initial franchise fee if you sign a New Franchise Agreement. If the term of the Lease for the new location extends beyond the Term, we may, in our sole discretion, extend the term of this Agreement or the New Franchise Agreement to match the term of the Lease for the new location, provided you will be required to pay a relocation extension fee equal to \$1,500 multiplied by the number of years between the original expiration date of the Term and the expiration of the term of the Lease for the new location.

6. LEASEHOLD IMPROVEMENTS

6.1 General Contractor and Improvements.

A. General Contractor. You must engage, at your expense, a licensed and insured general contractor (“**General Contractor**”) that we have designated or pre-approved to complete the build-out of your Franchised Business, unless we, in our sole discretion, agree in writing to accept a General Contractor that you propose. Our designation, pre-approval, or acceptance of a General Contractor will not in any way be our endorsement of such General Contractor or render us liable for such General Contractor’s performance.

B. Leasehold Improvements. We may require any items used in the Franchised Business to meet our minimum Standards and/or to be sourced from suppliers or consolidators

that we have designated or approved. You must purchase certain items of machinery and equipment and other items used in the Franchised Business from our designated or approved consolidators or as we otherwise direct. The designated consolidators will coordinate the ordering and delivery of your machinery and equipment. You may request a waiver of the requirement that you use our designated consolidators if you can demonstrate that you can successfully manage the process of ordering and obtaining your machinery and equipment.

6.2 Architectural Plans.

A. Architectural Requirements.

(i) Architect. You must engage, at your expense, a licensed architect (“**Architect**”) that we have designated or pre-approved, unless we, in our sole discretion, agree in writing to accept an Architect that you propose. Our designation, pre-approval, or acceptance of an Architect will not in any way be our endorsement of such Architect or render us liable for such Architect’s performance or such Architect’s compliance with professional design standards or adherence to local codes. You also must engage, at your expense, licensed engineers (e.g., mechanical, electrical, plumbing, or structural engineers), as necessary or appropriate.

(ii) Architectural Plans. We will provide you with a sample layout for the interior of a typical Business and specifications for furniture, fixtures, equipment, and décor. Your Architect and engineer must prepare your plans, modify or complete the layouts, renderings, plans, and specifications, which must include interior and exterior elevations of the Accepted Location (the “**Architectural Plans**”).

B. Compliance with Legal Requirements. You must, before we approve the Architectural Plans, have your architect or you certify to us that the Architectural Plans comply with the Americans with Disabilities Act (the “**ADA**”), the architectural guidelines under the ADA, and all other federal, state, and local statutes, rules, regulations, ordinances, and codes (collectively, “**Laws**”) that apply to the Franchised Business.

C. Submission of Plans. You must submit to us at least 30 days before the Construction Start Deadline (as defined in Section 6.5.B. (Construction Start Deadline)) a complete set of final Architectural Plans. We will promptly review the Architectural Plans and will either accept the Architectural Plans or provide comments to you on changes we require. After our initial review of your Architectural Plans at no cost and our review of one revised set of Architectural Plans that incorporate our required changes at no cost, we may charge a fee of \$2,500 for each set of drawings we review that include any other modifications from the plans that we have previously accepted. Our review of the Architectural Plans is limited to ensuring your compliance with our Standards and is not designed to assess structural integrity or compliance with applicable Laws. You may not begin construction of the Franchised Business until we have accepted the final Architectural Plans in writing.

6.3 Construction, Inspection, and Government Approvals. You must begin the construction and equipping of the Franchised Business by the deadline specified in Section 6.5.B. (Construction Start Deadline). You must furnish us with all documents we request related to construction. You must obtain our written approval of any changes to the Architectural Plans before you implement the changes. We must have access to the Franchised Business while work is in progress and on its completion. We may require you to provide photographs of your construction progress periodically from the time you commence construction until the time that we issue our consent to open the Franchised Business. We may, in our sole discretion, conduct

on-site inspections of the site. You will not be charged for our first on-site inspection, but we may charge you an inspection fee of \$2,500 for a second or subsequent inspection. On completion of construction and before the Opening Date, any architect and General Contractor you employ or you must provide us with a certificate stating that the as-built plans for the Franchised Business comply with the ADA, the architectural guidelines under the ADA, and all other Laws that apply to the Business. You must promptly make any modifications we deem necessary to bring the Franchised Business into compliance with the Architectural Plans. You may not open the Franchised Business until we verify that the Franchised Business complies with the final Architectural Plans and our Standards. You must promptly seek and obtain prior to opening the Franchised Business all governmental approvals and licenses required to open and operate the Business.

6.4 Signage. All exterior and interior signage you use for the Franchised Business must conform to our Standards, including our Standards as to type, color, size, design, and location. You must use a sign vendor that we have designated or approved in writing to ensure proper compliance with our Standards. You must obtain our written approval before you install or display any signage.

6.5 Opening and Development Deadlines.

A. Site Approval Deadline. You will have until the deadline specified in Schedule A to (i) identify the Accepted Location, (ii) obtain our acceptance of the Accepted Location, (iii) sign any documentation we require to document the Accepted Location, (iv) obtain our acceptance of a Lease for the Accepted Location, and (v) sign the accepted Lease for the Accepted Location or otherwise acquire the ownership rights to the Accepted Location (the “**Site Approval Deadline**”).

B. Construction Start Deadline. You must begin the construction and equipping of the Franchised Business by the deadline specified in Schedule A (the “**Construction Start Deadline**”).

C. Opening Deadline. You must open the Franchised Business by the deadline specified in Schedule A (the “**Opening Deadline**”). You must notify us of your proposed Opening Date at least 30 days in advance. We have the right to inspect your Franchised Business and take other measures we deem appropriate to determine whether you have complied with our Standards and are ready to begin operations. You must not begin operations until we authorize you to do so in writing.

D. Failure to Meet Deadlines. If you are unable to meet the Site Approval Deadline, the Construction Start Deadline, or the Opening Deadline, you may request an extension before the expiration of any missed deadline. We have the right to require you to pay a \$2,500 extension fee and to sign a general release, if we agree to modify (or if you miss) any of the deadlines. We are not obligated to extend any deadlines. If (i) you fail to cure your failure to meet the Site Approval Deadline or the Construction Start Deadline within 30 calendar days after we send you notice of such default or (ii) you do not meet the Opening Deadline, we may terminate this Agreement, as provided in Sections 17.2.I and 17.3.J.

7. GOODS AND SERVICES

7.1 Purchases.

A. Goods You Purchase. We have the right to require that Approved Products, other products, Proprietary Ingredients, supplies (including chemicals), furniture, fixtures, equipment, and services (collectively, “**Goods**”) that you purchase for resale or purchase or lease for use in your Franchised Business: (i) meet specifications that we establish from time to time; (ii) be a specific brand, kind, or model; (iii) be purchased or leased only from Approved Suppliers; (iv) be purchased or leased only from a single source that we designate (which may include us or our affiliates or a buying cooperative organized by us or our affiliates); and/or (v) be purchased as part of a purchasing program, arrangement, or contract that we negotiate or specify. To the extent that we establish specifications, require approval of Suppliers, or designate Approved Suppliers for particular Goods, we will publish our requirements in the Manuals or otherwise in writing.

B. Suppliers. You must purchase all of your requirements of Proprietary Ingredients, Proprietary Products, and proprietary uniforms, signs, menu boards, smallwares, materials, supplies, paper goods, equipment, and packaging (collectively, the “**Proprietary Goods**”) from us, our affiliates, or our designated Approved Suppliers. For all other Goods, we may require you to purchase such Goods from any Approved Suppliers or from particular Approved Suppliers, or we may permit you to purchase such Goods from any Supplier capable of providing Goods that meet our minimum Standards (to the extent we have specified Standards for such Goods). If we sell Goods directly to you, we will do so at the same price that we charge similarly-situated franchisees. If you are in default under this Agreement, then any obligations we and our Approved Suppliers may have to sell you Goods may be suspended in our sole discretion; and you will not, as a result, have a defense at law or equity based on impossibility of your performance or any claim against us or our Approved Suppliers. If we or our Approved Suppliers are unable to supply you with the quantity and type of Goods you request, we will exert reasonable commercial efforts to allocate, or to cause our Approved Suppliers to allocate, the Goods available on an equitable basis among the Businesses that seek to purchase Goods. You acknowledge that we, our affiliates, and our Approved Suppliers will not be liable if we, our affiliates, or our Approved Suppliers are unable to fulfill your requests.

C. Revenue from Purchases. You acknowledge and agree that we and/or our affiliates may derive revenue based on your purchases and leases, including from charging you for Goods we or our affiliates provide to you and from promotional allowances, volume discounts, and other payments made to us by manufacturers, Suppliers, or third parties. If we, our affiliates, or third parties acting under our direction arrange for manufacturers to sell the Goods directly to our Approved Suppliers to then sell them to you, then we or our affiliates will have the right to receive compensation or other consideration from the manufacturers, Approved Suppliers, and/or such third parties for these sales. We and our affiliates may use all amounts received from manufacturers, Suppliers, or third parties, whether or not based on your or other franchisees’ actual or prospective dealings with them, without restriction for any purposes we or our affiliates deem appropriate.

7.2 Approved Products. You may offer in the Franchised Business to customers only the Approved Products that we have approved in writing. You must produce and sell all Approved Products we specify, including all menu items and other products and services that we require you to sell, as stated in the Manuals or otherwise, which are all part of the System. We may change these specifications periodically, and we may designate specific Approved Products as optional or mandatory. You must offer all Approved Products that we designate as mandatory.

You may not produce or offer any products (i) that we do not authorize you to produce or sell or (ii) that we direct you not to produce or sell. You may sell Approved Products only in the varieties, forms, and packages that we have approved. If we require you to produce any Approved Products, you must strictly follow our Recipes, using only those product components, ingredients, flavoring, and garnishes that meet our then-current Standards. If we require or authorize you to sell alcoholic beverages, you must obtain any necessary permits or licenses. You must maintain a sufficient supply of required Approved Products to meet the inventory standards we prescribe in the Manuals (or to meet reasonably anticipated customer demand, if we have not prescribed specific standards).

7.3 Approval Process.

A. Review Process. If you would like to offer products or use any Goods that we have not approved or to purchase or lease from a Supplier that we have not approved, you must submit a written request for approval and provide us with any information that we request. We have the right to inspect the proposed Supplier's facilities and test samples of the proposed Goods. We have the right to grant, deny, or revoke approval of Goods or Suppliers based solely on our judgment. We will notify you in writing of our decision as soon as practicable following our evaluation. If you do not receive our approval within 90 days after submitting all of the information that we request, our failure to respond will be deemed a disapproval of the request. You acknowledge that the products and services that we approve for you to offer in your Franchised Business may differ from those that we permit or require to be offered in other Businesses.

B. Requirements for Suppliers. Before we approve a Supplier, we will require the following, among other things: (i) the Supplier must demonstrate that it is able to supply the item or services to you in accordance with our Standards, including our standards as to the artwork and text on the items; (ii) if the Supplier is to receive access to any of our Confidential Information (defined below), Trade Secrets (defined below), or logos, the Supplier must sign a confidentiality agreement and/or our standard form license agreement we prepare; (iii) the Supplier must demonstrate that it is in good standing in the business community with respect to its financial soundness and the reliability of its products or services; and (iv) the Supplier must sign all agreements we require our suppliers to sign at that time.

7.4 Revocation of Approval. We reserve the right to reinspect the facilities and Goods of any Approved Supplier and to revoke approval of the Goods or Supplier if any fail to meet any of our then-current criteria. If you receive a notice of revocation of approval, you agree to cease purchasing or leasing the formerly-approved Goods or any Goods from the formerly-approved Supplier and you must dispose of your remaining inventory of the formerly-approved Goods as we direct. If we revoke approval of a formerly-approved Approved Product that you have been selling to customers or service that you have been offering to customers, you must immediately discontinue offering the service and may continue to sell the product only from your existing inventory for up to 30 days following our disapproval. We have the right to shorten this period if, in our opinion, the continued sale of the product would prove detrimental to our reputation. After the 30-day period, or such shorter period that we may designate, you must dispose of your remaining formerly-approved inventory as we direct.

7.5 Limitations. You may only engage in the sale of Approved Products under the System from the Franchised Business to the ultimate consumer. You may not offer for sale, sell, supply for resale, or deliver any Goods to a third party other than the ultimate consumer at the Franchised Business without our prior written consent. Unless otherwise permitted by us in writing, you may not sell any Goods through the Internet or using any other channel of distribution other than your

Franchised Business. You may not use the Franchised Business or the premises of the Franchised Business to produce or sell any goods, products, or services other than Approved Products sold using the Marks. In particular, you may not operate a ghost kitchen or delivery business selling goods, products, or services under another brand.

7.6 Test Marketing. We may from time to time conduct test marketing to determine consumer trends and the salability of new food or non-food products and services. You will participate in any test marketing we require by providing us with timely reports and other relevant information as we may request. In connection with test marketing, you will purchase for the Franchised Business the reasonable quantity of test products we specify and will use your best efforts to promote and sell test products.

7.7 Disclaimer of Warranties. WE AND OUR AFFILIATES EXPRESSLY EXCLUDE AND DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO ALL GOODS THAT WE OR OUR AFFILIATES OFFER, SELL, OR REQUIRE FOR YOUR FRANCHISED BUSINESS (COLLECTIVELY, "SOURCED PRODUCTS"). YOUR EXCLUSIVE REMEDY AND OUR AND OUR AFFILIATES' EXCLUSIVE LIABILITY FOR ALL CLAIMS RELATED TO ANY SOURCED PRODUCTS IS (I) LIMITED TO YOUR REMEDIES AGAINST THE GIVEN THIRD PARTY SUPPLIER OR MANUFACTURER (WHICH SHALL NOT INCLUDE OUR AFFILIATES) FOR ANY OF THE SOURCED PRODUCTS THEY PROVIDE; AND (II) FOR ANY OF THE SOURCED PRODUCTS THAT WE OR OUR AFFILIATES PROVIDE, LIMITED TO THE PURCHASE PRICE OF SUCH SOURCED PRODUCTS, PLUS SHIPPING COSTS, IF ANY, YOU PAID; OR, AT OUR OR OUR AFFILIATES' OPTION, THE REPLACEMENT OF SUCH SOURCED PRODUCTS. WE AND OUR AFFILIATES WILL NOT BE LIABLE FOR SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, MULTIPLIED, EXEMPLARY, OR PUNITIVE DAMAGES FOR ANY MATTER STATED IN THIS SECTION 7 (GOODS AND SERVICES), REGARDLESS OF THE DIRECT OR INDIRECT CAUSE OF THE DAMAGES. This disclaimer of warranties does not affect any claims you may have against third party manufacturers or Suppliers of any Sourced Products.

8. COMPLIANCE WITH THE SYSTEM AND MANUALS

8.1 Manuals. We will lend you one hard copy of, or grant you electronic or other access to, the Manuals during the Term. We may provide the Manuals, and any Supplements to the Manuals (defined below), to you in hard copy or electronically via applications for mobile devices, DVD, intranet, other storage media, electronic mail, video, the Internet, or other electronic formats. If any content of the Manuals conflicts with the terms of this Agreement, this Agreement will control. You may be required to pay a license fee to use the software necessary to access the Manuals.

8.2 Compliance with the System. You agree that: (i) every component of the System is vital to us, to your Franchised Business, and to the Businesses our other franchisees operate; and (ii) your compliance with the System is of the essence to this Agreement. You therefore agree that you will conduct all activities and operations of your Franchised Business in strict compliance with the System, including the Standards and the Manuals, as though specifically stated in this Agreement. You must promptly address any customer complaints in accordance with our Standards as specified in the Manuals.

8.3 Changes to the System and the Manuals. We may make additions to, deletions from, and modifications to the Manuals ("**Supplements**"), Standards, or System from time to time in any form or fashion, including (i) altering the Approved Products, accounting and technology systems, forms, policies, and procedures of the System; (ii) adding, modifying, or substituting the

equipment, signs, trade dress, and other Business characteristics that you are required to use or display (subject to the limitations set forth in this Agreement); (iii) implementing new programs and policies, which may require you to incur additional expenses, purchase new equipment or supplies, or pay additional reasonable fees; and (iv) changing, improving, modifying, or substituting for the Marks. We will communicate changes in the Standards or the Manuals in writing or electronically to you, as we deem appropriate. You must immediately adopt and use any Supplements to the Manuals. All Supplements to the Manuals are binding on you as if they were part of the Manuals previously provided to you. It is your responsibility to monitor for Supplements to the Manuals and maintain a current and up-to-date copy of the Manuals at your Franchised Business at all times. If there is any dispute as to your compliance with the Manuals, then the master copy of the Manuals we maintain will control. All references in this Agreement or otherwise to the Manuals will include any and all Supplements to the Manuals. You acknowledge that changes in the Standards or Manuals may obligate you to invest additional capital in the Franchised Business and/or incur higher operating costs.

8.4 Variances. You agree that complete uniformity under many varying geographic and other conditions, and over extended spans of time, is not practical and may be detrimental to the System, and that as a result: (i) we may vary the Standards for any franchisee as we deem necessary; (ii) we may grant franchises using the System under terms that may differ materially from the terms of this Agreement; and (iii) our obligations and rights with respect to our various franchisees may differ materially from our obligations and rights with respect to you, without in any way affecting our rights with respect to you. You will have no right to require that we disclose any variation to you or that we grant you the same or a similar variation.

8.5 Ownership. You agree that we own all proprietary rights in and to the System and the Manuals. The Manuals will at all times remain our property and you and all your directors, officers, shareholders, partners, members, managers, employees, agents, independent contractors, and others who gain access to the Manuals and the information contained in the Manuals will treat the Manuals and the information in the Manuals as our Confidential Information (defined below).

8.6 Guest Relations. You must promptly address any guest contact requests that we send to you or customer complaints in accordance with our Standards as specified in the Manuals, including responding to and resolving such guest contacts and complaints in the manner and within the time periods specified in the Manuals. In addition to any other rights and remedies we may have, including reimbursement of any costs or expenses related to responding to or resolving such contact or complaint on your behalf, we may charge you a guest relations fee if (i) we or you receive an excessive number of complaints related to you or your Franchised Business (such number shall be specified in the Manuals) or (ii) you fail to respond to or resolve a guest contact request or a customer complaint in accordance with our Standards within the time period specified in the Manuals. The guest relations fee is currently \$30 for each excessive complaint or each complaint or contact request that you do not timely respond to. We may change the fee, time period for responding to complaints, and number of complaints deemed to be excessive from time to time, provided that the fee may not change in any year by more than the Allowed Adjustment.

9. INTELLECTUAL PROPERTY

9.1 Marks.

A. Acknowledgements. You acknowledge that we or our affiliates are the owner of the Marks, that you have no interest in the Marks beyond the non-exclusive license granted herein, and that, as between we and you, we have the exclusive right and interest in and to the

Marks and the goodwill associated with and symbolized by them. Upon the expiration or termination of this Agreement, no monetary amount will be attributable to goodwill associated with your activities as a franchisee under this Agreement.

B. Rights. Your right to use the Marks applies only to the Franchised Business operated at the Accepted Location as expressly provided in this Agreement, including advertising related to the Franchised Business. You may only use in your Franchised Business the Marks we designate, and only in compliance with written rules that we prescribe from time to time. Your limited license extends only to use of the Marks in accordance with (i) all applicable standards, operating procedures, policies, and guidelines that we prescribe—and from time to time amend—during the duration of this Agreement, including those set forth in the Manuals and any other publications, if any, dedicated to proper use of the Marks; and (ii) all applicable Laws pertaining to advertising and marketing, including federal and state laws pertaining to telemarketing (including the Telephone Consumer Protection Act (the “**TCPA**”)), false advertising, unfair competition and unfair practices. You may not use any Mark or any words or designations similar to the Marks (i) as part of any corporate or legal business name, (ii) with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we have licensed to you), (iii) in selling any unauthorized services or products, (iv) as part of any domain name, electronic address, metatag, search engine keyword, social media account, or otherwise in connection with any website or other electronic medium without our consent, or (v) in any other manner we have not expressly authorized in writing. No materials on which any of the Marks appears will be used by you without our prior written approval, which may be revoked at any time upon reasonable notice to you. You must display the Marks in a manner that we specify on signage at the Franchised Business and on forms, advertising, supplies, employee uniforms, business cards, and other materials we designate.

9.2 Copyrights. You acknowledge that as between you and us, any and all present or future copyrights relating to the System or the Business concept, including the Manuals (including the Supplements); the Recipes; our building designs, architectural renderings, and construction plans; and certain forms, advertisements, images, art, photography, promotional materials, and other written materials that we produce (collectively, the “**Copyrights**”) belong solely and exclusively to us or our affiliates. You have no interest in the Copyrights beyond the non-exclusive license granted in this Agreement. Your use of the Copyrights inures to our benefit.

9.3 No Contesting Our Rights. During the Term and after its expiration or termination, you agree not to directly or indirectly contest our or our affiliates’ ownership, title, right or interest in or to, or our license to use, or the validity of, (i) the Marks, (ii) the Copyrights, (iii) the Recipes, or (iv) any Trade Secrets (defined below), methods, or procedures that are part of the System (collectively, the “**Intellectual Property**”), or contest our sole right to register, use, or license others to use the Intellectual Property.

9.4 Changes to the Intellectual Property. We have the right, upon reasonable notice, to change, discontinue, or substitute for any of the Intellectual Property and to adopt entirely different or new Intellectual Property for use with the System without any liability to you, in our sole discretion. You agree to implement any such change at your own expense within the time we reasonably specify.

9.5 Third-Party Challenges. You agree to notify us promptly of any unauthorized use of the Intellectual Property of which you have knowledge. You also agree to inform us promptly of any challenge by any person or Entity to the validity of our ownership of or our right to license others to use any of the Intellectual Property. We agree to protect and defend you against any suit filed

or demand made against you challenging the validity of the Intellectual Property (an “**IP Claim**”), and to defend and indemnify you against your loss, cost, or expense related to the IP Claim, except where the IP Claim arose because you used the Intellectual Property in violation of this Agreement. We will initiate, direct, and control any litigation or administrative proceeding relating to the Intellectual Property, including any settlement. We will be entitled to retain any and all proceeds, damages, and other sums, including attorneys’ fees, recovered or owed to us or our affiliates in connection with any such action. You agree to execute all documents and, render any other assistance we may deem necessary to any such proceeding or any effort to maintain the continued validity and enforceability of the Intellectual Property.

9.6 Post-Termination or Expiration. Upon the expiration or termination of this Agreement for any reason, all of your rights to use the Intellectual Property will automatically revert to us without cost and without the execution or delivery of any document. Upon our request, you will execute all documents that we require to confirm such reversion.

9.7 Innovations. All ideas, concepts, techniques, or materials relating to a Business or the System or derivations or modifications of the Intellectual Property or any other element of the System (collectively, “**Innovations**”), whether or not protectable intellectual property and whether created by or for you or your Owners, employees, or contractors, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System and the Intellectual Property, and works made-for-hire for us. To the extent any Innovation does not qualify as a work made-for-hire for us, by this Section you assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to sign (and to cause your Owners, employees, and contractors to sign) whatever assignment or other documents we request to evidence our ownership or to help us obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person with respect to any Innovations. You may not use any Innovation in operating the Franchised Business or otherwise without our prior approval.

10. ADVERTISING AND PROMOTION

10.1 Local Advertising, Marketing and Promotion.

A. Advertising Standards. Except as otherwise provided in the Manuals, you may use only Advertising and Promotional Content that we have furnished or approved in writing in advance. “**Advertising and Promotional Content**” includes all advertising, marketing, promotional, customer relationship management, public relations, and other brand-related programs, materials, and content relating to the Franchised Business, the Marks, or the Approved Products, including (i) any branded materials (such as business cards, signs, counter cards, banners, posters, displays, window clings, and in-store messaging), (ii) press releases, (iii) printed materials (such as leaflets, direct mail materials, coupons, and published advertisements), (iv) promotional items (such as branded specialty and novelty items, products, and clothing), (v) audio or video advertising (such as radio, television, or podcast ads or online video postings), and (vi) Digital Marketing (as defined in Section 10.2 (Digital Marketing)). You must ensure that all Advertising and Promotional Content that you or your agents or representatives develop or implement related to the Franchised Business is (a) clear, factual, ethical, and not misleading, (b) complies with all Laws, and (c) conforms to our Standards and the advertising and marketing policies that we periodically specify. You may not market or advertise in violation of federal laws regulating advertising, such as the CAN-SPAM Act and the TCPA, and state advertising laws applicable to your Franchised Business.

B. Submission and Review of Proposed Content. Except as otherwise provided in the Manuals and for Advertising and Promotional Content that we furnish to you, you must submit to us for our written approval, before use, copies of all proposed Advertising and Promotional Content that you intend to use or implement. We have the right to approve or disapprove any Advertising and Promotional Content, as well as the media in which intend to use them, in our sole discretion. We reserve the right to require you to discontinue the use of any Advertising and Promotional Content for any reason.

C. Grand Opening Advertising.

(i) Grand Opening Obligation. You must spend at least the amount specified in Schedule A on grand opening advertising promoting the opening of your Franchised Business within the period beginning 90 days before the Opening Date and ending 90 days after the Opening Date (the “**Grand Opening Obligation**”). Alternatively, we may, in our sole discretion, require you to pay the Grand Opening Obligation to us or the Ad Fund for us to spend in accordance with a grand opening advertising plan that we designate or approve. The Grand Opening Obligation is in addition to your Advertising Contribution and any local advertising obligations you may have. If you relocate the Franchised Business pursuant to Section 5.5 (Relocation of the Franchised Business), we may require you to comply with the Grand Opening Obligation again.

(ii) Conducting Grand Opening. If we require you to conduct the grand opening advertising, you must (a) obtain our written approval for your grand opening advertising plan at least 30 days prior to the scheduled start date of such advertising campaign and (b) implement the grand opening advertising plan that we approve or designate (which may be different from what you propose), using only Advertising and Promotional Content and related media that we have approved. We have the right to require you to provide documentation that demonstrates your compliance with the Grand Opening Obligation. If you fail to make advertising expenditures in accordance with this Section 10.1.C., we will have the right to either: (1) require you to spend the remaining amount on local marketing advertising, in addition to your Local Marketing Obligation, or (2) spend an amount not to exceed your Grand Opening Obligation on promoting the opening of your Franchised Business for you, in which case you must reimburse us for these expenses.

D. Participation in Promotions. From time to time, we or your Advertising Cooperative (if any) may establish temporary or permanent promotional campaigns (e.g., limited time offers, gift cards, coupons, loyalty programs, customer relationship management, and other supplemental marketing programs) applicable to the System as a whole or to specific advertising market areas. These promotional campaigns may also promote, or involve the participation of, restaurants or businesses other than Businesses, such as restaurants or businesses operated under different brands that are operated or licensed by our affiliates. You are required to participate in these promotional programs at your own cost, including the costs to purchase, lease and install all materials necessary to participate in the promotional campaigns, including counter cards, posters, banners, signs, photographs, give-away items, and gift cards.

E. Local Marketing Obligation.

(i) Local Marketing. Unless otherwise specified in Schedule A, you must aggressively advertise, market, and promote your Franchised Business locally in accordance with our Standards and must spend a reasonable amount each calendar quarter for local market advertising. If we require you to spend a minimum amount on local market advertising, we will

specify the minimum amount in Schedule A (the “**Local Marketing Obligation**”) and, upon our request, require you to submit for our written approval an annual local marketing plan. We may change the Local Marketing Obligation, provided that we must give you at least 60 days’ written notice of the change. Your Local Marketing Obligation will be in addition to amounts you must pay or spend under Section 3.2.B (Advertising Contribution) and for the Grand Opening Obligation under Section 10.1.C. (Grand Opening Advertising). You will be responsible for determining the amount of advertising funds you spend for individual local market advertising, subject to the Local Marketing Obligation (if any) and our approval of your annual local marketing plan, if applicable.

(ii) Compliance with the Local Marketing Obligation. Any contributions that you make to an Advertising Cooperative (if one exists) may be counted towards your Local Marketing Obligation. The following expenditures or costs will not count towards your Local Marketing Obligation: salaries, donations, press parties, in-store fixtures or equipment, menus, serving guides and nutritional facts, yellow page advertising, exterior or interior signage, and incentive programs, including costs of honoring coupons and food costs incurred in honoring sales promotions. We have the right to require you to provide documentation that demonstrates your compliance with the Local Marketing Obligation. If you fail to make advertising expenditures in accordance with this Section, we will have the right to spend an amount not to exceed your Local Marketing Obligation on local advertising for you, and you must reimburse us for these expenses. Your failure to comply with this Section 10.1.E. is a material breach of this Agreement.

(iii) Payment to Us. We have the right upon written notice to you to require you to pay all or a portion of the Local Marketing Obligation to us for us to, in our sole discretion, (a) contribute to the Ad Fund (as defined in Section 10.3.A. (Contributions to Ad Fund)), (b) spend on national, regional, or local advertising campaigns, (c) contribute to the Advertising Cooperative (as defined in Section 10.4.A. (Participation)) in your market, or (d) spend on local advertising in your market. If we exercise our right to collect your entire Local Marketing Obligation (and not just a portion of it), you will not be required to (x) spend a minimum amount on local advertising (other than your Grand Opening Obligation), (y) provide a local marketing plan, or (z) participate in, or contribute to, your Advertising Cooperative. We are not obligated to ensure that the Local Marketing Obligation monies that we spend are proportionate or equivalent to your contributions or that the Franchised Business will benefit directly or pro rata or in any amount from the placement of advertising.

10.2 Digital Marketing.

A. Restrictions. We or our affiliates, in our sole discretion, may establish and operate websites, social media accounts (such as Facebook, X, Instagram, Pinterest, Snapchat, YouTube, TikTok, etc.), applications, keyword or adword purchasing programs, accounts with websites featuring gift certificates or discounted coupons (such as Groupon, Living Social, etc.), mobile applications, online videos, display banner campaigns, branded content social media campaigns, e-mail marketing campaigns, or other means of digital advertising on the Internet or any other means of digital or electronic communications (collectively, “**Digital Marketing**”) that are intended to promote the Marks, your Franchised Business, and the entire network of Businesses. We will have the sole right to control all aspects of any Digital Marketing, including those related to your Franchised Business.

B. Digital Marketing By You. Unless we consent otherwise in writing, you may not, directly or indirectly, conduct or be involved in any Digital Marketing that use the Marks or that relate to the Franchised Business. If we do permit you to conduct any Digital Marketing, you must (i) comply with any Standards or content requirements that we establish periodically and must

immediately modify or delete any Digital Marketing that we determine, in our sole discretion, is not compliant with such Standards or content requirements, (ii) only use materials that we have approved and must submit any proposed modifications to us for our approval, (iii) not use any Mark on any aspect of the Digital Marketing (including in any domain name, address, or account) except as we expressly permit, (iv) include any information that we require, and (v) include only the links that we approve or require. We retain the right to pre-approve your use of linking and framing between any Digital Marketing that you conduct and all other websites. If we consent to your use of the Marks (or words or designations similar to the Marks) in any domain name, electronic address, website, or other source identifier, we may register such names, addresses, websites, or identifiers and then license use of the registered item back to you under a separate agreement. You must pay all costs due for registration, maintenance, and renewal of any such names, addresses, websites, or identifiers that we approve and maintain on your behalf. We retain the ownership of Copyright to any of the materials that you may develop for use on the Internet. We may withdraw our approval for any Digital Marketing at any time.

10.3 Advertising Fund.

A. Contributions to Ad Fund. We will allocate your Advertising Contributions to a fund for the advertising and promotion of the Businesses, the Marks, and the System (the “**Ad Fund**”). If we operate any Businesses, our Businesses will contribute to the Ad Fund in the same manner as similarly-situated Franchised Businesses. You acknowledge that our other franchisees may not be required to contribute to the Ad Fund, may be required to contribute to the Ad Fund at a different rate than you or may be required to contribute to a different advertising fund.

B. Management of Ad Fund. You agree that: (i) we need not maintain the Ad Fund, your Advertising Contributions, or income earned from contributions to the Ad Fund in a separate account from our other funds; (ii) we are not a fiduciary with respect to your Advertising Contributions or the Ad Fund; and (iii) the Ad Fund is not a “trust.” We are not required to have an independent audit of the Ad Fund completed. We will provide you with an annual summary of the expenditures of the Ad Fund on your reasonable request. If any monies in the Ad Fund remain at the end of a fiscal year, they will carry-over in the Ad Fund into the next fiscal year. We may treat any amounts that we contribute to the Ad Fund in excess of our required contributions for Businesses that we operate and any spending on advertising that we make in excess of the amounts then available in the Ad Fund as a loan from us to the Ad Fund. We have the right to be reimbursed from the Ad Fund any amounts that we loan to the Ad Fund.

C. Use of Ad Fund. We will administer the Ad Fund. We have sole authority to direct all advertising programs and promotions and uses of the Ad Fund, with sole control over the creative concepts, materials, and media used in the programs, and the placement and allocation of advertising. We reserve the right to use any media, create any programs, and allocate advertising and promotional expenditures to any regions or locales we deem appropriate. We may use the Ad Fund to meet the costs of administering, preparing, and conducting national, local, or regional advertising, promotional, or brand building programs of any kind, including the cost of (i) preparing and conducting television, radio, magazine, newspaper, and digital advertising campaigns and other public relations activities (including for purposes of brand reputation management), (ii) employing public relations firms and advertising agencies to assist in these activities, and (iii) conducting other activities that are directly or indirectly designed to promote the System, its franchisees, and/or increase System sales, such as limited-time menu offerings, crew incentives, franchisee incentive and/or promotional programs, customized materials (e.g., cups), up-sell programs, guest response programs, manager/employee recognition programs, quality assurance and food safety programs, mystery shop and shopper programs, brand websites and

ordering platforms, brand applications, social media account administration and promotion, and in-store equipment and technologies related to such marketing programs. We may use the Ad Fund to compensate us for the reasonable administrative costs and overhead we incur in activities related to advertising and promotional programs, including new product development; market research; preparing advertising and promotional materials; Digital Marketing; working with public relations firms, advertising agencies, advertising placement services, and creative talent; reimbursing franchisee advisory council meeting expenses; developing and maintaining, and paying third parties for the development and maintenance of, websites, applications, and other equipment and technologies related to marketing programs. We will not spend the Ad Fund in a manner that (i) exclusively benefits our licensees that manufacture and sell products bearing the Marks, if any, or (ii) is principally a solicitation for the sale of franchises.

D. No Proportionate Benefit; No Right to Withhold Contribution. The advertising and promotions that we conduct are intended to maximize general public recognition and patronage of the System generally in the manner that we determine to be most effective. We are not obligated to ensure that the expenditures from the Ad Fund are proportionate or equivalent to your contributions or that the Franchised Business will benefit directly or pro rata or in any amount from the placement of advertising. You will spend and/or contribute all advertising contributions, including the Advertising Contribution, provided for in this Agreement without reduction regardless of your perceived benefit to the Franchised Business or the amount of contribution by other franchisees operating Businesses or the default of these advertising obligations by any other franchisees.

10.4 Advertising Cooperatives.

A. Participation. You will participate, if we require, in any local, regional, or national cooperative advertising group consisting of other Businesses (an “**Advertising Cooperative**”) that we specify, when and if any of these groups are created. We will designate the particular Advertising Cooperative(s) in which you may be required to participate (which designations may be based on, without limitation, the particular Designated Market Area or the Area of Dominant Influence, as those terms are used in the advertising industry, where your Franchised Business is located). If we collect the entire Local Marketing Obligation, we will not require you to participate in an Advertising Cooperative. You will enter into any formal agreements with the other franchisees of the System and/or us, as the case may be, as is necessary or appropriate to accomplish the goals of this Section 10.4 and you must abide by the formal agreements and decisions that we authorize the Advertising Cooperative to make on advertising and marketing in the area covered by the Advertising Cooperative.

B. Payments. Your payments to any Advertising Cooperative will be determined by you and those other franchisees and/or us, as the case may be, who are participants in the Advertising Cooperative, as stated in the by-laws of that Advertising Cooperative or membership, dues, participation, or other payment agreements of the Advertising Cooperative. Amounts paid to an Advertising Cooperative will be credited against your Local Marketing Obligation as specified in Section 10.1.E. (Local Marketing Obligation). Any contributions that you make to an Advertising Cooperative shall be additional to your Advertising Contribution as specified in Section 3.2.B. (Advertising Contribution) and your Grand Opening Obligation as specified in Section 10.1.C. (Grand Opening Advertising). If you become delinquent in your dues or other payments to the Advertising Cooperative or fail to abide by any formal agreements or authorized decisions of the Advertising Cooperative, the delinquency or failure will be deemed a failure to participate in the Advertising Cooperative and a material breach of this Agreement.

C. Operations of Advertising Cooperative. We may require any Advertising Cooperatives to only use public relations firms and advertising agencies that are Approved Suppliers. All proposed advertising and promotional materials produced by, or on behalf of, Advertising Cooperatives must be submitted to us for our written approval before use. We may on 30 days' written notice to you suspend or terminate an Advertising Cooperative's program or operations. As a member, officer or director of an Advertising Cooperative, at our request, you will provide to us all information we request related to the Advertising Cooperative and you must provide this information within 10 days after our request to you.

10.5 Our Advertising Materials. We may periodically formulate, develop, produce, and conduct, at our sole discretion, advertising or promotional programs in such form and media as we determine to be most effective. We may make available to you for you to purchase approved advertising and promotional materials, including signs, posters, collaterals, etc. that we have prepared. We or our affiliates will retain all copyrights relating to such advertising materials.

11. TRAINING AND SUPPORT

11.1 Management Training Program.

A. Required Trainees. The "**Required Trainees**" shall consist of two Managers and any other individuals that we designate. The Required Trainees must attend and successfully complete the initial management training program for Businesses (the "**Management Training Program**"). All trainees must be over the age of 18 years and must meet any minimum experience requirements that we specify. In addition, we may, in our sole discretion, require your Primary Contact, if they will not be involved in the day-to-day operation of the Franchised Business, to complete a limited version of the Management Training Program to our satisfaction. If any of your Required Trainees have previously attended and successfully completed our Management Training Program and you or they have not defaulted under any other franchise agreement with us, we may, in our sole discretion, determine that such Required Trainee is not required to attend the Management Training Program again or will be required to attend a modified Management Training Program.

B. Training Fees. Except as otherwise provided in this Section 11.1.B., we will provide the Management Training Program to your Required Trainees at no additional charge to the Required Trainees for the first two Franchised Businesses that you or your affiliates operate. For the third and subsequent Franchised Businesses that you or your affiliates operate, if we require you or you elect to receive the Management Training Program from us or our designee, you must pay us our then-current Management Training Program fee for all of your Required Trainees to attend in a single training session. You must pay us our-then current training fee for each trainee, which is currently \$250 per trainee per day and may be increased in any calendar year by no more than the Allowed Adjustment, if (i) you elect to bring additional trainees, other than the Required Trainees, to the Management Training Program, (ii) your Required Trainees are trained in separate sessions, (iii) any of your Required Trainees fail to successfully complete the Management Training Program and re-enroll in the program or are replaced with new trainees that enroll in the program, or (iv) we provide the Management Training Program to your Subsequent Trainees (as defined in Section 11.F. (Subsequent Trainees)).

C. Attending Training. We will provide, or designate other parties to provide on our behalf, the Management Training Program periodically and permit you to register for an available program. Training programs are subject to space and time availability. All or certain portions of the Management Training Program may, in our discretion, be conducted online or in person at (i)

our corporate headquarters, (ii) a Franchised Business that we designate that has been certified by us as an authorized training facility (a “**Certified Training Location**”), and/or (iii) other locations authorized by us. Your trainees may not attend the Management Training Program until (a) you have provided us with your fully signed Lease (if required) in a form that we have approved, (b) your Franchised Business is under construction, (c) you have provided us with evidence of the insurance that is required under your Franchise Agreement, and (d) you are within the eligible training period specified on Schedule A.

D. Completion of Training. All of your Required Trainees must successfully complete our Management Training Program at least one week prior to the scheduled opening date of the Franchised Business. If your opening date changes and your required Trainees completed our Management Training Program more than 120 days before the revised opening date, we may require them to attend up to an additional week of training and may require you to pay our then-current daily training fee for each Required Trainee, which is currently \$250 per trainee per day and may be increased in any year by no more than the Allowed Adjustment. We have the right in our reasonable discretion to determine whether a trainee has successfully completed the Management Training Program. If we conclude that a Required Trainee has failed to successfully complete the Management Training Program, that Required Trainee must re-enroll in our next scheduled applicable Management Training Program at no additional charge. We will have the right to terminate this Agreement if, following the Management Training Program and re-enrollment training (if any), none of the Required Trainees has successfully completed the Management Training Program.

E. Training of You by Franchisees. We may, in our sole discretion, authorize certain franchisees to provide on our behalf all or portions of the Management Training Program in accordance with our Standards, provided such franchisees (i) have a Certified Training Manager (as defined below), (ii) operate a Certified Training Location, and (iii) meet other requirements that we specify. If we require or permit you to receive portions of the Management Training Program from another franchisee, we may require you to execute an agreement with such other franchisee regarding the training program.

F. Subsequent Trainees. Any Managers, Primary Contacts, Directors of Operations (as defined in Section 12.7.B. (Directors of Operations)) that you hire or appoint after the opening of the Franchised Business and any other persons we designate (“**Subsequent Trainees**”) must attend and successfully complete our Management Training Program (or a modified version that we prescribe) before becoming involved in the operation of your Franchised Business. We may require employees that transfer to your Franchised Business from another Business to successfully complete the Management Training Program again. We also may require you to send or resend your Managers (as defined below) or employees to the Management Training Program, and require them to successfully complete it, if we have identified operational or performance issues at your Franchised Business. You must pay us a reasonable training fee that we designate for each Subsequent Trainee that attends a Management Training Program, which is currently \$250 per trainee per day and may be increased in any calendar year by no more than the Allowed Adjustment.

G. Training By You.

(i) Management Training. If you and your affiliates collectively operate two or more Franchised Businesses, we may, in our sole discretion, require or permit you or your

affiliates to provide the Management Training Program to your Required Trainees or Subsequent Trainees.

(ii) Certification Required. If we require or permit you or your affiliates to provide the Management Training Program to your trainees, before you or they may do so, one or more of your or their Franchised Businesses must be certified by us as Certified Training Location and one or more of your or their Managers must be certified by us as a trainer authorized to provide our Management Training Program to your trainees (a “**Certified Training Manager**”). To be designated as a Certified Training Manager, a Manager must (a) complete our Management Training Program at least six months before applying for certification, (b) maintain specific food safety programs, (c) attend any required additional training program, and (d) meet other qualifications that we may specify from time to time. To be designated as a Certified Training Location, a Franchised Business must (1) meet compliance scores that we specify, (2) fully comply with our then-current Standards, (3) employ the minimum number of Managers specified in Section 12.7 (Your Participation; Manager), in addition to the Certified Training Manager, and (4) meet any other requirements that we may specify from time to time. We may, in our sole discretion and at any time, (x) grant, withhold, or revoke certification for a Certified Training Location or a Certified Training Manager or (y) change the minimum requirements for certification of a Certified Training Location or a Certified Training Manager. We may require Certified Training Managers to be recertified if they transfer from one Franchised Business to another, if they no longer meet our then-current requirements, or annually. If a Certified Training Manager ceases to be a Manager of a Certified Training Location or has their certification revoked, such Franchised Business must be re-certified as a Certified Training Location before offering training again.

(iii) Provision of Training. If we certify a Certified Training Location and Certified Training Manager, such Certified Training Manager must provide the Management Training Program at a Certified Training Location in accordance with our Standards for such training. If we withhold or revoke certification of your Certified Training Location, we may require your trainees to attend the Management Training Program at another location that we designate and may charge our then-current training fee (if any) for such training.

11.2 On-Site Training. Except as may be specified on Schedule A, we are not required to provide any on-site training or consultation at the site of your Franchised Business (the “**On-Site Training**”). You may request that we provide you with On-Site Training. We may agree to provide On-Site Training but will not be obligated to do so. We may also, in our sole discretion, require that you obtain On-Site Training at any time, including in the days or weeks before and/or after your Opening Date and/or if you fail to comply with the System and Standards. We may charge you a reasonable fee for On-Site Training, which is currently \$500 per trainer per day and may be increased in any calendar year by no more than the Allowed Adjustment, for each of our trainers and may require you to reimburse us for their travel and living expenses (including airfare, car expenses, lodging, meals, etc.) during such On-Site Training.

11.3 Additional Programs. We may, from time to time, conduct conferences, conventions, programs, webinars, teleconferences, or additional or refresher training sessions on any matters related to the System (“**Additional Programs**”). We will determine the duration, curriculum, and location of such Additional Programs, which may take the form of web-based training modules, webinars, seminars, in-person training, or on-site training. Your Required Trainees, Primary Contact, Owners, and other personnel we designate must attend any Additional Programs that we require. We may charge you a reasonable fee for your trainees to attend any Additional Program, which currently ranges from \$0 to \$2,500 per attendee and may be increased in any calendar year by no more than the Allowed Adjustment.

11.4 Other Training Terms.

A. Modifications. We reserve the right to modify our Management Training Program, Additional Programs, or any other training programs at any time, including the timing, frequency, content, format, and location of training.

B. Training Platform. We may require you to purchase or license from us, our affiliates, or Approved Suppliers any training platform and equipment necessary to use or access the training materials. We may require you to pay us or our affiliates a license fee for such training platform or learning management system, which may be increased in any calendar year by no more than the Allowed Adjustment.

C. Expenses and Compensation. You will pay all expenses you and your personnel incur for any training programs, including your/their travel, food, lodging, compensation, and benefit expenses. We will not pay any compensation for any services you and your personnel perform in any training program. You must purchase uniforms for any of your trainees that attend our Management Training Program.

D. Cancellation Fee. If you or your trainees fail to cancel any scheduled training without at least 14 days' prior notice, or if you or your trainees are not prepared to successfully participate in any scheduled training, we may charge you the cost of conducting the originally scheduled training (including any training fees and any travel and living expenses incurred by our representatives), and we may require you to pay the training fee again for the rescheduled training.

11.5 Additional Consulting Services. After you open your Franchised Business, we may furnish you with support services as we deem appropriate. We also may offer you additional consulting or support services, including On-Site Training and remote support, that are greater in scope than our standard support services. We may charge you a reasonable fee for these services, which is currently \$500 per representative per day and may be increased in any calendar year by no more than the Allowed Adjustment, and, for On-Site Training, require you to reimburse us for their travel and living expenses (including airfare, car expenses, lodging, meals, etc.). Additional consulting or support services are subject to availability and shall be offered in our sole discretion.

12. YOUR OBLIGATIONS

The following obligations are in addition to your other obligations in this Agreement:

12.1 Compliance with Laws. You will operate the Franchised Business in compliance with all applicable Laws, including all Laws related to labor, health, and safety. It is your sole and absolute obligation to research all applicable Laws governing the operation of your business and to ensure that such operation does not violate any applicable Laws. For example, there are various federal laws that could affect your business and that you must comply with such as the ADA, the CAN-SPAM Act, the TCPA, the Telemarketing Sales Rule (TSR), the Fair and Accurate Credit Transactions Act ("**FACTA**"), and other federal and state anti-solicitation laws regulating marketing phone calls; and federal and state laws that regulate data security and privacy (including but not limited to the use, storage, transmission, and disposal of data regardless of media type). You should investigate these laws to understand your potential legal obligations. You will promptly furnish to us copies of all fire, health, or other inspection reports, warnings, certificates, and ratings issued by any government agency, and must immediately provide us with any such items that assert any failure to comply strictly with any Law. If required by the jurisdiction

where the Franchised Business is located, you will file for and maintain a Certificate of Fictitious Name that includes the Primary Mark.

12.2 Compliance with Privacy Requirements and Electronic Payment Standards. You must abide by: (a) the Payment Card Industry Data Security Standards (“**PCI-DSS**”) enacted by the applicable Card Associations (as they may be modified from time to time or as successor standards are adopted) and all Laws, standards, or any equivalent thereof relating to the collection, use, and security of personal information; (b) the FACTA; (c) all other Laws, standards, or any equivalent thereof applicable to electronic payments that may be published from time to time by payment card companies and applicable to electronic payments; and (d) any privacy policies or data protection and breach response policies we periodically may establish, including those set forth in Section 12.3 (Data Breach Notification) (collectively, “**Privacy Requirements**”). We require that you use vendors (and may require you to use one or more Approved Suppliers that we designate) to provide security services that are consistent with the Privacy Requirements. We currently require you to use a managed firewall, conduct a quarterly network scan, maintain anti-virus/anti-malware software, and use managed Wi-Fi, but we may modify from time to time the specific security measures that you must maintain. We require that you submit annually proof of your PCI-DSS compliance status, and we may require you to provide evidence of compliance with applicable Privacy Requirements upon our request. We may require you to use vendors or Approved Suppliers to conduct periodic security audits to ensure that personal data is adequately protected. We may require you to provide, or make available, to us copies of any audits, scanning results, or related documentation relating to such compliance or audits. We may charge a reasonable fee for us to review your systems and verify your compliance with these requirements, which will not exceed 110% of our or our affiliates’ actual costs and expenses related to such services. If you suspect or know of a security breach, you must immediately give us notice of such security breach and promptly identify and remediate the source of any compromise or security breach at your expense. You assume all responsibility for providing all notices of breach or compromise and all duties to monitor credit histories and transactions concerning customers of the Franchised Business.

12.3 Data Breach Notification. If you learn of an incident that may be a “breach of the security of the system” under Cal. Civ. Code § 1798.82 or any other data breach notification Law, you must immediately notify us of the facts that are known about the incident (a “**Data Breach**”). Although you are responsible for complying with all data breach notification Laws and standards applicable to your organization, we expect that you will coordinate with us regarding such incidents where notification to individuals is required before individuals are notified so that we can be aware of and be prepared to address issues that may affect the System and be in a position to support you where possible. In the event of an actual or suspected Data Breach, you grant us and our designees and agents the right, exercisable in our sole and absolute discretion, to conduct an investigation of the incident and to install, run, and maintain any hardware, software, or code on your Computer System or in your computer network necessary or advisable to facilitate the investigation and to contain and remediate the incident, and you agree to cooperate with us and to provide us with any access and information we may reasonably request for those purposes. Nothing in the preceding sentence shall relieve you of your obligation to comply with applicable laws, regulations, rules, standards or any equivalent thereof concerning an actual or suspected Data Breach. You are responsible for any costs or financial losses you incur or remedial actions that you must take as a result of an actual or suspected Data Breach.

12.4 Failure to Comply with Laws or Standards.

A. Suspension of Operations. If: (i) any Approved Product you produce or sell evidences dilution or adulteration from the Standards; (ii) any Approved Product you produce or sell is contaminated or is otherwise in violation of applicable Law; (iii) you fail to maintain the Franchised Business in compliance with applicable Law; or (iv) your Franchised Business or Approved Products pose a threat to the health or safety of the public, you must immediately suspend operations, search out and destroy any adulterated, diluted, or contaminated Approved Products, eliminate their source, and remedy all unsanitary, unsafe, or otherwise hazardous conditions present. You may not resume operation of the Franchised Business until our laboratory analysis of your Approved Products or inspection of your Franchised Business, as applicable, demonstrates compliance with all applicable Laws and Standards. You must promptly implement any remedial measures we require to cure the default. If we conclude through any examination, analysis, and/or inspection that the Approved Products have been adulterated in any way or that your Franchised Business is not in compliance with applicable Laws, you shall, upon demand, reimburse us for all reasonable expenses connected with any such examination, analysis, or inspection under this Agreement (including reasonable product analysis fees).

B. Additional Remedies. If: (i) we determine that a violation of Section 12.4.A. (Suspension of Operations) has occurred and that you have committed a similar violation within the one-year period before the date of the inspection or analysis; (ii) you fail or refuse to comply with any or all of the remedial measures we require; (iii) you fail to provide us with full cooperation in the course of any inspection or analysis we conduct; or (iv) we determine that there has been any repetition during the Term of any occurrence under Section 12.4.A., then you will pay us a fee for the inspection or analysis in the amount of \$5,000; plus the travel and living expenses of our inspectors or representatives and any other expenses we incur in connection with this Section, including our attorneys' fees.

C. Remedies Not Exclusive. The remedies stated in this Section 12.4 are in addition to, and not in substitution of, any other remedies stated in this Section 12.4 or elsewhere in this Agreement. Nothing in this Section 12.4 limits any of our rights under Section 17 (Default and Termination), including the right to terminate this Agreement.

D. Non-compliance Fees. If you fail to comply with any of the Standards or any provision of this Agreement, in addition to any other remedies we may be entitled to, we reserve the right to charge you one or more non-compliance fees upon written notice to you. Currently, the fees range from \$25 to \$500 per single violation. The non-compliance fees shall be specified in the Manuals or otherwise in writing, may be modified from time to time upon written notice to you, may be charged repeatedly (as frequently as daily) if the non-compliance is ongoing, and may vary based on the severity of the defaults, the number of the defaults, and whether the defaults have been repeated, provided that the fees may be increased in any calendar year by no more than the Allowed Adjustment

12.5 Continuing Maintenance. You acknowledge and agree that it is in your best interest, and in the best interests of the franchise network, that your Franchised Business be clean, up-to-date, well-maintained, and well-appointed. You must continuously maintain the interior and exterior of the Franchised Business (including the parking lot, walkways, and landscaping that is part of the Accepted Location), and all furniture, fixtures, equipment, décor, and signage in or at the Franchised Business, in the highest degree of cleanliness, orderliness, sanitation, and repair in accordance with all applicable Laws and Standards. You agree, at your expense and at intervals that we may periodically designate, as needed, or at our direction, to promptly take the following

continuing maintenance actions throughout the Term: (i) thorough cleaning (which may include professional cleaning), (ii) repainting and making minor alterations to the décor of the interior and exterior of the Franchised Business; (iii) interior and exterior repair of the Franchised Business; and (iv) repair or replacement of damaged, worn-out, malfunctioning, non-functioning, or obsolete furniture, fixtures, equipment, décor, and signage. You may not make any material alteration to the interior or exterior of the Franchised Business without our prior written consent.

12.6 Refreshes and Remodels.

A. Refresh. Within six months after the fifth and the fifteenth anniversaries of the Opening Date, you must, at your sole expense and in accordance with our then-current Standards and directives, refresh, refurbish, and renovate the Franchised Business to meet our then-current operational and branding Standards (a “**Refresh**”). Generally, a Refresh will require you to add, update, and/or replace components of the Franchised Business (including merchandising elements, graphics, paint or wall coverings, menu boards, interior and exterior signage, kitchen equipment, drive-thru equipment, Computer System components, and other furniture, fixtures, equipment, and décor that we may specify in our sole discretion) to meet our then-current Standards without significantly altering your Franchised Business’ layout or structure.

B. Remodel. Within six months after the tenth and (if you are entering into a Renewal Term) twentieth anniversaries of the Opening Date, you must, at your sole expense and in accordance with our then-current Standards and directives, remodel, refurbish, renovate, and modernize the Franchised Business to meet our then-current operational, branding, and architectural design Standards (a “**Remodel**”). Generally, a Remodel may include all of the modifications, upgrades, and replacements required in a Refresh, plus other more extensive alterations to your Franchised Business’ layout, structure, or design, such as redesigning the interior and exterior appearance and interior layout of the Franchised Business or adding a drive-thru to a Franchised Business.

C. Process for Refreshes and Remodels. Before you begin a Refresh or a Remodel, we, our affiliate, or our designee will in-person or virtually inspect your Franchised Business and produce a site survey and/or design plan that will comply with our then-current Standards. We may require you to pay us, our affiliate, or our designee our then-current fee for producing such site survey and/or design plan, which may be increased in any calendar year by no more than the Allowed Adjustment. All plans, designs, furniture, fixtures, equipment, and décor related to a Refresh or a Remodel must be approved by us in writing, must conform to our then-current Standards and applicable Laws, and, if we so require, must be purchased from Approved Suppliers we designate or approve in writing. For each Remodel, you must comply with Sections 6.1 (Leasehold Improvements), 6.2 (Architectural Plans), and 6.3 (Construction, Inspection, and Government Approvals) of this Agreement. You acknowledge that each Refresh or Remodel may require you to make a significant capital investment into your Franchised Business. You agree to incur, without limitation, any capital expenditures required in order to comply with this obligation and our requirements (even if those expenditures cannot be amortized over the remaining Term).

D. Requirements Are Not Exclusive. The requirements set forth in this Section are in addition to, and do not limit, your obligation to add, update, and/or replace components of the Franchised Business from time to time as specified in other Sections of this Agreement, including Section 8.3 (Changes to the Standards and the Manuals) and Section 12.5 (Continuing Maintenance).

12.7 Your Participation: Manager.

A. Participation and Managers. You must devote your best efforts to the proper and effective operation of the Franchised Business. Your Franchised Business must employ at least two Managers who have successfully completed the Management Training Program and are dedicated to the Franchised Business. Your Managers must have day-to-day management responsibility for your Franchised Business, exercise on-premises supervision, and personally participate in the direct operation of the Franchised Business. We may, in our sole discretion, permit your Primary Contact to serve as a Manager for the Franchised Business, provided that it is their full-time job, they otherwise qualify for the position, and they successfully complete the Management Training Program.

B. Director of Operations. If you and your affiliates operate four or more Franchised Businesses, in addition to the Managers for each Franchised Business that you operate, we may require you to appoint one or more Managers with the responsibility of supervising and supporting multiple Franchised Businesses (each, a “**Director of Operations**”).

C. Qualifications. Each Manager and Director of Operations must successfully complete the Management Training Program, satisfy any other minimum standards we may require for their position, and complete additional training and On-Site Training as we may specify.

D. Changes to Managers and Directors of Operations. You must inform us in writing of the identity of any Managers and Directors of Operations. You must notify us immediately of the death, disability, termination of employment, or replacement of any of your Managers (including any Director of Operations) and must designate a successor or acting Manager or Director of Operations within 30 days after the death, disability, or termination of the predecessor.

12.8 Computer System.

A. Acquisition and Operation. You must promptly purchase, lease and/or license and install at the Franchised Business, at your sole expense, the computerized point-of-sale system, computer and technology systems, mobile hardware, software, applications, associated computer hardware, telephone lines, network connections, communications equipment, high speed internet access (e.g. fiber or cable), and other equipment that we require from time to time (the “**Computer System**”), all of which you must keep in good maintenance and repair. You must use the Computer System in accordance with our Standards. We have the right to retrieve all data from your Computer System that we deem appropriate, and we may require you to obtain, at your expense, polling services we specify from a supplier that we specify (which may be us or our affiliates). If it becomes advisable at any time, in our sole discretion, for us to change, upgrade, or discontinue use of any of the components of the Computer System, you will comply with our directions, at your expense, within a reasonable time after notice to you. We will have no liability or obligation whatsoever with respect to our requirement that you modify or discontinue use of any of the components of the Computer System or any unauthorized modifications to the Computer System that you make.

B. Computer Services. We or our affiliates may, in our sole discretion, provide you with, or require you to purchase from an Approved Supplier, (i) project management assistance related to, and coordinate the onboarding and configuration of, your Computer System before your Franchised Business opens or, if you are acquiring an existing Franchised Business, when you assume control of such Franchised Business; (ii) back office and polling services; (iii) required modifications and enhancements to the Computer System; and/or (iv) other maintenance and

support programs. We may require you to enter into agreements with, and pay a reasonable fee to, us, our affiliates, or Approved Suppliers for such services. The fees for such services may be increased in any calendar year by no more than the Allowed Adjustment. Any fees that we or our affiliates charge for modifications and enhancements to the Computer System and fees for third-party hardware or software will not exceed 110% of our or our affiliates' actual costs and expenses related to such products or services.

12.9 Customer Card Programs. At your expense, you must fully participate in gift card programs, loyalty programs, credit card and other payment programs, customer tracking programs, incentive programs, reward programs, and other types of programs (“**Customer Card Programs**”) that we develop or designate to support and promote the System. These Customer Card Programs may also promote, or involve the participation of, restaurants or businesses other than Businesses, such as restaurants or businesses operated under different brands that are operated or licensed by our affiliates. You must comply with all our procedures and policies for Customer Card Programs in the Manuals. You will, at your sole expense, promptly install at the Franchised Business any acceptance system for Customer Card Programs and/or hardware and software necessary for Customer Card Programs to operate with the Computer System. You must also obtain any services and supplies we require in connection with Customer Card Programs and pay all fees charged by us, our affiliates, or our Approved Suppliers in connection with Customer Card Programs. Any fees that we or our affiliates charge you related to Customer Card Programs will not exceed 110% of our or our affiliates' actual costs and expenses related to such products or services. Customer Card Programs may use aspects of the Computer System.

12.10 Hours of Operation. You must continuously operate the Franchised Business on the days and during the minimum hours we specify. You may establish days and hours of operation in excess of the required minimum days and hours. If you wish to operate the Franchised Business for less than the minimum days and hours we specify, you must obtain our prior written approval, which will not be unreasonably withheld. If the Franchised Business is located in a facility or location in which the hours of operation required by an unaffiliated third-party landlord are different than our specifications, you may operate the Franchised Business in accordance with the landlord's requirements.

12.11 Purchasing and Distribution Cooperatives. You must (i) become a member of any purchasing and/or distribution cooperative(s)/association(s)/program(s) (collectively, “**Purchasing Programs**”), if any, that we designate and/or establish for the System by the deadlines that we specify (which shall be before your Opening Date if we have already established such a Purchasing Program), (ii) remain a member in good standing thereof throughout the Term, and (iii) pay all reasonable membership fees assessed by any Purchasing Program. Any membership fees set by us or our affiliates will not exceed 110% of our or our affiliates' actual costs and expenses related to such programs.

12.12 Prices. We reserve the right, to the fullest extent allowed by applicable law, to establish maximum, minimum, or other pricing requirements with respect to the prices you may charge for Approved Products, including required participation in system-wide discount programs and promotions. If we do not establish such pricing requirements, then you will have the right to determine the prices you charge.

13. INDEMNIFICATION; INSURANCE

13.1 Indemnification.

A. Indemnification Obligation. You must defend, indemnify, and hold harmless us and our affiliates, our and their permitted successors and assigns, and each of our and their respective direct and indirect owners, directors, officers, managers, employees, agents, attorneys, and representatives (collectively, the “**Indemnified Parties**”) from and against all Losses (defined below), which any of the Indemnified Parties may suffer, sustain, or incur as a result of a claim asserted or inquiry made formally or informally, or a legal action, investigation, or other proceeding brought, by a third party and directly or indirectly arising out of or relating to: (i) the operation of the Franchised Business; (ii) the business you conduct under this Agreement; (iii) your breach of this Agreement; (iv) your noncompliance or alleged noncompliance with any Law; or (v) any allegation that we or another Indemnified Party is a joint employer or otherwise responsible for your acts or omissions relating to your employees. “**Losses**” include all obligations, liabilities, damages (actual, consequential, or otherwise), and reasonable defense costs that any Indemnified Party incurs. Defense costs include arbitrators’, attorneys’, and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced.

B. Indemnification Procedure. We will promptly notify you of any claim that may give rise to a claim of indemnity hereunder, provided, however, that the failure to provide such notice shall not release you from your indemnification obligations under this Section 13.1, except to the extent you are actually and materially prejudiced by such failure. You shall have the right, upon written notice delivered to the Indemnified Party within 15 days thereafter assuming full responsibility for Losses resulting from such claim, to assume and control the defense of such claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel. If (i) the Indemnified Party shall have been advised by counsel that there are one or more legal or equitable defenses available to it that are different from or in addition to those available to you and, in the reasonable opinion of the Indemnified Party, the counsel that you have selected could not adequately represent the interests of the Indemnified Party because such interests could be in conflict with your interests, (ii) you do not assume responsibility for such Losses in a timely manner, (iii) the claim involves any elements of the Intellectual Property, or (iv) you fail to defend a claim with counsel reasonably satisfactory to the Indemnified Party as contemplated above, then the Indemnified Party shall have the right to assume the defense of any claims and employ counsel of its own choosing and you shall pay the reasonable fees and disbursements of such Indemnified Party’s counsel as incurred; provided that in any case, you shall not be obligated to pay the expenses of more than one separate counsel for all Indemnified Parties taken together. In connection with any claim, the Indemnified Party or you, whichever is not assuming the defense of such claim, shall have the right to participate in such claim and to retain its own counsel at such party’s own expense.

C. Cooperation and Settlement. You or the Indemnified Party (as the case may be) shall keep you or the Indemnified Party (as the case may be) reasonably apprised of, and shall respond to any reasonable requests concerning, the status of the defense of any claim of which it is maintaining and shall cooperate in good faith with each other with respect to the defense of any such claim. You shall not, without the prior written consent of the Indemnified Parties, (a) settle or compromise any claim or consent to the entry of any judgment with respect to any claim which does not include a written release from liability of such claim for the Indemnified Parties, or (b) settle or compromise any claim in any manner that may adversely affect the Indemnified Parties other than as a result of money damages or other monetary payments which will be paid by you. No claim which is being defended in good faith by you in accordance with the terms of this Section 13.1 shall be settled by the Indemnified Parties without your prior written consent.

D. Willful Misconduct or Gross Negligence. You have no obligation to indemnify or hold harmless an Indemnified Party for, and we will reimburse you for, any Losses to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's gross negligence, willful misconduct, or willful wrongful omissions. However, nothing in this Section 13.1.D. limits your obligation to defend us and the other Indemnified Parties under Section 13.1.A. (Indemnification Obligation).

E. Survival and Recovery. Your obligations in this Section 13.1 will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against you under this Section 13.1. You agree that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this Section 13.1.

13.2 Required Insurance. You must obtain and maintain during the Term, at your expense, a comprehensive business insurance program, including property, commercial general liability, automobile liability, business property, umbrella, workers' compensation, cyber liability and employment practices liability, and (if you serve alcohol) dram shop liability insurance. Your obligation to maintain this insurance will not be limited in any way by reason of any insurance that we may maintain, nor will it relieve you of your indemnity obligations stated in Section 13.1 (Indemnification). These policies are required to respond on a primary and non-contributory basis to any insurance carried by us or our affiliates and may not otherwise limit coverage for tort liabilities assumed in this Agreement. We may from time to time increase, decrease, add to, delete from, or modify the mandatory insurance coverages we require in accordance with reasonable and customary changes in the industry, as we determine. You currently must obtain and maintain the coverage specified in Schedule A. We reserve the right to obtain a master insurance policy on behalf of the System for certain types of coverage and require you to pay all or a portion of your proportionate share of coverage under the master policy to us or our Approved Supplier.

13.3 Carrier; Proof of Insurance. All insurance policies required under this Agreement: (i) must be issued by an insurance carrier authorized to conduct business in the state in which your Franchised Business is located and be rated "A-" (Excellent) / VIII (\$100M to \$250M policy holder surplus) or better by A.M. Best and Company, Inc., or its successor; (ii) must insure you and name us and our affiliates, our and their permitted successors and assigns, and each of our and their respective direct and indirect owners, directors, officers, managers, employees and agents as an additional insured for claims arising from your Franchised Business and your operations, and include a waiver of subrogation in favor of us; (iii) must stipulate that the insurer will deliver 30 days' written notice to us before any cancellation or modification, except 10 days for non-payment of premiums; (iv) unless otherwise noted, must be written on occurrence based policy forms; and (v) may not be subject to unreasonable deductibles or retentions without our prior written approval. You must deliver proof of your compliance with this Section to us so that we receive proof: (a) before you start construction of the Franchised Business; (b) annually on the expiration, renewal, or replacement of each policy; and (c) within 10 days after we make any demand therefor. If you fail to obtain and maintain the required insurance, in addition to any other rights and remedies we may have, we may, but are not obligated to, procure such insurance for you without notice, and you shall pay, upon demand, the premiums and up to 110% of our costs and expenses related to procuring such insurance.

14. RIGHT TO ACCESS; RECORDS; REPORTING

14.1 Inspections and Audits. We or any of our authorized agents may at any time during normal business hours (including pre-opening and post-closing) enter the Franchised Business or any other place where business related to the Franchised Business is conducted and: (i) conduct an operational audit to determine your material compliance, as we determine, with this Agreement; (ii) examine, analyze, and inspect the Franchised Business, the Proprietary Goods, the Approved Products, and any products produced and/or sold or distributed at, from, or through the Franchised Business (whether authorized or unauthorized); (iii) take reasonable samples of any the Proprietary Goods, the Approved Products, and any products produced and/or sold or distributed at, from, or through the Franchised Business (whether authorized or unauthorized), without charge or liability; (iv) videotape, photograph, or otherwise record the operation of the Franchised Business; (v) interview your employees, customers, landlords, and suppliers; and (vi) audit, review and examine by any means, including electronically through the use of telecommunications devices or otherwise, at our expense, your books, records, accounts, and tax returns related to the Franchised Business. We may require you to send us copies of your books, records, and files related to the Franchised Business, which you must provide to us or our representatives within a reasonable time (not to exceed 10 days) of our request. We also may require you to participate in customer satisfaction surveys or other audit programs, including electronically through the use of telecommunications devices or otherwise, to assess your compliance with our customer service standards. You will provide us with full cooperation in the course of any inspection or audit we conduct under this Section. Any inspections will be made at our expense, unless the inspection is necessitated by your repeated or continuing failure to comply with any provision of this Agreement, in which case we may charge you non-compliance fees and the costs and expenses we incur related to such inspections, including the wages and cost of travel and living expenses for our representatives.

14.2 Discrepancies. If any such inspection, audit, review, or examination reveals that Net Sales have been understated in any report to us, you must immediately pay to us the Royalty Fees and Advertising Contributions due with respect to the amount understated on demand, in addition to interest provided for under this Agreement. If any understatement exceeds 2% of Net Sales as stated in the report, you must, in addition, on demand, reimburse us for all reasonable expenses connected with the audit, review, or examination (including reasonable accounting and attorneys' fees). These remedies are in addition to any other rights and remedies we have.

14.3 Systems and Reports. You must: (i) comply with all our Standards on accounting systems, procedures, and formats, if any; (ii) timely submit to us complete and accurate financial, operational, and other reports we require (including weekly reports detailing the Gross Sales and Net Sales during the preceding week and monthly profit and loss statements for the prior month's operations); and (iii) use all forms we specify. You must submit any report by mail, telephone, electronic means, or any other means we may designate. For purposes of reporting to us only and not for purposes of calculating Royalty Fees and Advertising Contributions due, "Gross Sales" means Net Sales, plus the amount of any discounts from redemptions of coupons, and other reductions made to calculate Net Sales.

14.4 Financial Statements. On or before February 1st of each year (or such other date specified by us in the Manuals or otherwise in writing, which may be by email or other electronic communications), you must furnish to us a statement of the profit and loss of the Franchised Business for the last fiscal year and a balance sheet as of the end of the last fiscal year, prepared in accordance with our requirements and certified by you to be true and correct. We have the right

to demand audited financial statements if a financial-related default has occurred under this Agreement within the last calendar year.

14.5 Tax Returns. No later than 90 days following our request, you must furnish to us exact copies of all tax returns, including federal, state, and any local income tax returns relating to the Franchised Business or you or your Entity.

14.6 Financial Records. You must accurately and completely record all revenues the Franchised Business receives or is entitled to receive. You must keep and maintain accurate and complete books, records, tax returns, and all business, personnel, financial, and operating records related to the Franchised Business, including related supporting material, such as bank statements, POS tapes/records, cash receipts and credit and charge records, for at least 3 years. These financial records may not be commingled with records for other businesses. If you have commingled your franchised records for various businesses, we have the right to review and audit the records for all commingled businesses.

14.7 Initial Investment Statements. You must submit to us, using the forms that we provide to you, complete and accurate statements of (i) the costs that you incurred developing the Franchised Business prior to the Opening Date, which shall be due to us within 30 calendar days after the Opening Date and (ii) the costs you incur during the first 90 days of operating your Franchised Business, which shall be due to us within 120 calendar days after the Opening Date.

14.8 Additional Information. You shall respond promptly to requests from us for clarification and/or additional information regarding any matter entrusted to you under this Agreement. You will inform us from time to time on our request of: (i) all prices you charge for Products you sell; and (ii) the prices your competitors charge in the area. We may use data and information derived from polling your Computer System or your financial reports and statements in any manner that we deem appropriate, including using the data in our Franchise Disclosure Document (the “FDD”), in performing market analyses, and in our promotional materials, provided that any information that we include in our FDD and promotional materials will not individually identify you or your Franchised Business.

14.9 Communications with Third Parties. You hereby grant us the right to release to your landlord, lender(s), or prospective landlord(s) and lender(s), any financial and operational information relating to you and/or the Franchised Business; however, we have no obligation to do so. Additionally, you grant permission to us to request information from your landlord and lender(s) and for such landlord and lender(s) to respond to any and all questions from us.

15. CONFIDENTIAL INFORMATION; RESTRICTIVE COVENANTS

15.1 Definitions. As used in this Agreement:

A. “**Confidential Information**” means any non-public information related to the System or information that, by its nature, would reasonably be expected to be held in confidence or kept secret. Without limiting the definition of “Confidential Information,” all the following will be conclusively presumed to be Confidential Information whether or not we designate them as such: (i) the Standards and Manuals; (ii) pricing information and models; (iii) materials describing our franchise network and System; (iv) plans, layouts, designs and specifications for a prototypical Business; (v) our methods of preparing and serving Approved Products, including Recipes; (vi) our sources (or prospective sources) of supply and all information related to or concerning the same, including the identity and pricing structures with our Approved Suppliers; (vii) our training

materials; (viii) our marketing plans and development strategies; (ix) this Agreement and any related schedules, exhibits, attachments, or addenda and all terms contained therein; (x) Customer Information (as defined in Section 15.3 (Customer Information)), whether collected by you, us or our affiliates, or a third party; and (xi) other information we give to you, except where such information is a Trade Secret (defined below).

B. **“Trade Secret”** means information that derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. Without limiting the definition of **“Trade Secrets,”** all the following will be conclusively presumed to be Trade Secrets whether or not we designate them as such: (i) the composition of our Proprietary Goods; (ii) our Recipes; (iii) advertising, marketing, and public relations strategies; and (iv) our marketing analyses.

C. The terms “Confidential Information” and “Trade Secret” do not include: (i) information generally known to the public at the time we disclose it to you; (ii) information that becomes known to the public after we disclose it to you, unless it becomes known due to your breach of this Agreement or someone else’s breach of a duty to maintain confidentiality; or (iii) information you can prove was within your legitimate and unrestricted possession at the time we disclosed it to you.

15.2 Protection of Confidential Information and Trade Secrets. You agree that the Confidential Information and Trade Secrets are not, by definition, generally known in the trade, that they are beyond your present skill and experience, and that for you to develop the Confidential Information and Trade Secrets on your own would be expensive, time-consuming, and difficult. You agree that the Confidential Information and Trade Secrets provide you with a competitive advantage, that they will be economically valuable to you in the development of your Franchised Business, and that gaining access to Confidential Information and Trade Secrets is therefore a primary reason why you are entering into this Agreement. You specifically agree that these restrictions are applicable even before you open the Franchised Business since you will receive valuable information and training about the System and the operation of the Franchised Business before you begin operations of your Franchised Business. You agree that you are liable under this provision even if you do not open the Franchised Business as this Agreement requires. Accordingly, in consideration of our disclosure of the Confidential Information and Trade Secrets, you agree that:

A. You and your Owners will not, during the Term:

(i) appropriate or use any Confidential Information or any Trade Secret for any purpose other than in accordance with this Agreement;

(ii) disclose or reveal any portion of the Confidential Information or any Trade Secret to any person, other than to your directors, officers, Owners, management employees, or others who: (a) have a legitimate business need to know of it to operate your Franchised Business, (b) are aware of the confidentiality restrictions in this Agreement, and (c) are similarly bound not to disclose the Confidential Information by an agreement at least as restrictive as the terms of this Agreement; or

(iii) divulge or use any Confidential Information or any Trade Secret for the benefit of any other person or Entity except as we expressly authorize.

B. You and your Owners will not at any time after the termination or expiration of this Agreement: (i) use any Confidential Information for any purpose; or (ii) divulge or use any Confidential Information for the benefit of any other person or Entity.

C. You and your Owners will not at any time after the termination or expiration of this Agreement: (i) use any Trade Secret for any purpose; or (ii) divulge or use any Trade Secret for the benefit of any other person or Entity.

D. You and your Owners will not copy, duplicate, record, digitally reproduce, or otherwise reproduce any of the Confidential Information or Trade Secrets, in whole or in part, or otherwise make Confidential Information or Trade Secrets available to any third party, except as we authorize in this Agreement.

E. You will make all reasonable efforts and take all appropriate precautions to prevent unauthorized copying or disclosure of any Confidential Information or Trade Secrets which precautions will include, but not be limited to, restricting access to Confidential Information and Trade Secrets on a “need to know” basis and complying with our Standards and other directions from us.

15.3 Customer Information.

A. Protection of Customer Information. You must comply with our Standards, other directions from us, and all applicable Laws regarding the organizational, physical, administrative and technical measures and security procedures to safeguard the confidentiality, integrity, and security of Customer Information on your Computer System or otherwise in your possession or control and, in any event, employ reasonable means to safeguard the confidentiality, integrity, and security of Customer Information. “**Customer Information**” means names, contact information, financial information, purchasing history, market research data, and other personal information of or relating to the customers and prospective customers of the Franchised Business.

B. Access to Customer Information. All Customer Information that you or your third-party vendors collect from customers and potential customers in connection with your Franchised Business must be furnished to us at any time that we request it. In addition, we and our affiliates, through the Computer System or otherwise, have the right to independently access the Customer Information.

C. Use of Customer Information. You must only use Customer Information to market Approved Products to customers in accordance with the policies that we may establish periodically and applicable Laws. You may not sell, transfer, or use Customer Information for any purpose other than marketing Approved Products and the Franchised Business. We and our affiliates may use Customer Information in any manner or for any purpose. You must secure from your customers, prospective customers, vendors, and others all consents and authorizations, and provide them all disclosures, that applicable Law requires to transmit Customer Information to us and our affiliates, and for us and our affiliates to use that Customer Information, in the manner that this Agreement contemplates.

15.4 Restrictive Covenants. You agree that you will require all Owners to sign the Personal Covenants in Schedule B. You agree that you will comply with the following restrictions:

A. During the Term. During the Term, without our prior written consent, neither you nor any of your Owners, nor any person or Entity controlling, controlled by, or under common

control with you or them, will individually or jointly with others, directly or indirectly, by, through, on behalf of, or in conjunction with, any person or Entity:

(i) own, manage, engage in, be employed by, advise, make loans to, participate in, consult for, or have any other interest in (a) any business that derives more than 20% of its annual revenue from the retail or wholesale production or sale of the competing products specified in Schedule A (the “**Competing Products**”), (b) any business that is the same as, or similar to, the Business concept as the concept evolves over time, or (c) any Entity that grants franchises or licenses for any of these types of businesses (each, a “**Competitive Business**”) other than the Franchised Business or another business you or they operate under an agreement with us;

(ii) divert or attempt to divert any business or potential business from the Franchised Business;

(iii) use any vendor relationship established through your association with us for any purpose other than to purchase products or equipment for use or retail sale in the Franchised Business; or

(iv) perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System.

B. Post-Term. Beginning at the expiration or termination of this Agreement and for 12 months thereafter or 12 months after a court of competent jurisdiction enters an order enforcing this Section 15.4 of this Agreement, whichever occurs last, (i) at the Accepted Location, (ii) within 3 miles of the Accepted Location, and (iii) within 3 miles of any Business, neither you nor any of your Owners, nor any person or Entity controlling, controlled by, or under common control with you or them, will individually or jointly with others, directly or indirectly, by, through, on behalf of, or in conjunction with, any person or Entity: (a) own, manage, engage in, be employed by, advise, make loans to, participate in, consult for, or have any other interest in a Competitive Business or (b) divert or attempt to divert any business from any Business.

C. Publicly Traded Corporations. Nothing in this Section 15.4 will prevent you from owning for investment purposes up to an aggregate of 5% of the capital stock of any Competitive Business, so long as the Competitive Business is a publicly held corporation whose stock is listed and traded on a national or regional stock exchange or through the National Association of Securities Dealers Automated Quotation System (NASDAQ), and so long as you do not control the company in question.

D. Acknowledgements. You acknowledge and agree that: (a) you and the other individuals and Entities required to comply with this Section 15.4 have received or will receive an advantage through the training provided under this Agreement, the knowledge of the day-to-day operations of a Business, and access to the Standards, Manuals, System, Confidential Information, and Trade Secrets, and (b) the covenants and restrictions in this Section 15.4 (i) are reasonable, appropriate and necessary to protect the System, Confidential Information, Trade Secrets, other franchisees operating under the System, the goodwill of the System, relationships with our prospective and existing customers, and our legitimate interests; and (ii) do not cause undue hardship on you or any of the other individuals and Entities required by this Section 15.4 to comply with the covenants and restrictions.

15.5 Remedies. This Section 15 is a primary inducement to us to enter into this Agreement, and on any breach of this Section 15 you agree that we would be irreparably injured and without adequate remedy at law. Therefore, on a breach or a threatened or attempted breach of this Section 15, you agree that we are entitled, in addition to any other remedies we may have under this Agreement or at law or in equity (including the right to terminate this Agreement), to a preliminary and permanent injunction and a decree for specific performance of the terms of this Section 15 without the necessity of showing actual or threatened damage and without being required to furnish a bond or other security. You agree that it is conclusively presumed that any violation of Section 15.4 (Restrictive Covenants) was accompanied by the misappropriation and inevitable disclosure of our Confidential Information, Trade Secrets, and other methods and procedures.

15.6 Modification. If any term in this Section 15 must be interpreted by a court or an arbitrator of competent jurisdiction, you expressly agree that: (i) the terms of this Section 15 are made freely and voluntarily by you and us, as two independent businesses, together with your Owners to whom we delivered due consideration, in an arms-length commercial transaction between experienced business operators; (ii) in no event should the terms be construed in the same manner or under the same body of law as analogous terms in a contract of employment; (iii) if a court or arbitrator finds that any term in this Section 15 is invalid or unenforceable for any reason, that term will automatically be modified to the minimum extent necessary to make it valid and enforceable, and the modification will be deemed to have been a part of this Agreement as of the Effective Date; (iv) the court or arbitrator should strictly construe these terms in favor of enforcement; and (v) if any term could be construed two ways, one of which would render the term valid and the other of which would render the term invalid, the court or arbitrator will construe the term in the manner that renders it valid. Any dispute between you and us arising out of or related to Section 15.4 (Restrictive Covenants), regardless of the forum in which the dispute is litigated, arbitrated, or otherwise addressed for purposes of resolving the dispute, will be governed by and construed and enforced in accordance with the laws of the state in which your Accepted Location is located, which laws will prevail in the event of any conflict of law.

15.7 Unfair Competition. Your breach of any subsection of this Section 15 will constitute unfair competition. You agree that Section 15.2 (Protection of Confidential Information and Trade Secrets) is a reasonable effort under the circumstances to maintain the confidentiality of our Confidential Information and the secrecy of our Trade Secrets.

16. TRANSFER

16.1 Definition of Transfer. For purposes of this Agreement, “**Transfer**” as a verb means to sell, assign, give away, transfer, pledge, mortgage, or encumber, either voluntarily or by operation of law (such as through divorce or bankruptcy proceedings), any interest in this Agreement, the Franchised Business, substantially all the assets of the Franchised Business, or in the ownership of the franchisee (if you are an Entity). “**Transfer**” as a noun means any such sale, assignment, gift, transfer, pledge, mortgage, or encumbrance. A “**Control Transfer**” means any Transfer of (i) this Agreement or any interest in this Agreement; (ii) the Franchised Business or all or substantially all of the Franchised Business’s assets; or (iii) any Controlling Interest (defined below) in you (if you are an Entity), whether directly or indirectly through a transfer of legal or beneficial ownership interests in any Owner that is an Entity, and whether in one transaction or a series of related transactions, regardless of the time period over which these transactions take place. References to a “**Controlling Interest**” in you mean either (i) 20% or more of the direct or indirect legal or beneficial ownership interests in your Entity or (ii) the acquisition of an ownership interest or other right or interest which grants the power (whether directly or indirectly) to direct or

cause the direction of management and policies of you or the Franchised Business to any individual or Entity, or group of individuals or Entities, that did not have that power before that acquisition.

16.2 No Transfer Without Our Consent. This Agreement and the license are personal to you, and we have granted the license in reliance on your (and, if you are an Entity, your Owners') business skill, financial capacity, and personal character. Accordingly, neither you nor any of the Owners or any successors to any part of your interest in this Agreement or the license may make any Transfer or permit any Transfer to occur without obtaining our prior written consent. Any purported Transfer, without our prior written consent, will be null and void and will constitute a default under this Agreement, for which we may terminate this Agreement without opportunity to cure.

A. Requesting Consent. If you or any of your Owners desire to make a Transfer, you must promptly provide us with written notice. You agree to provide any information and documentation relating to the proposed Transfer that we reasonably require. We have the right to communicate with both you, your counsel, and the proposed transferee on any aspect of a proposed Transfer. No Control Transfer may be completed until at least 60 days after we receive all requested information to evaluate the proposed Control Transfer. No other Transfer may be completed until at least 30 days after we receive all requested information to evaluate such proposed Transfer.

B. Granting Consent. We have sole and absolute discretion to withhold our consent, except as otherwise provided in Sections 16.4 through 16.7. Without limiting the foregoing, we will not consent to a Transfer, and we are under no obligation to do so, if (i) your Franchised Business is not open and operating; or (ii) the Transfer would cause a transferee or its owners to breach another agreement (whether or not with us). Our consent to a Transfer does not constitute a waiver of any claims that we have against the transferor, nor is it a waiver of our right to demand exact compliance with the terms of this Agreement.

16.3 Control Transfer. For a proposed Control Transfer, in addition to any other conditions that we may specify and without limiting in any way our sole and absolute discretion to grant or withhold consent for a proposed Control Transfer, at a minimum, the following conditions must be satisfied (unless waived by us):

A. You notify us in writing at least 90 days prior to any proposed Control Transfer and provide all requested information at least 60 days prior to any proposed Control Transfer.

B. All sums you owe us and our affiliates are paid.

C. You are not (i) at the time of the Transfer request or the Transfer closing, in default in any material respect under this Agreement or any other agreement with us, or any of our affiliates, or any of our Approved Suppliers and (ii) you have not been during the Term, in default in any material respect under this Agreement or any other agreement with us, any of our affiliates, or any of our Approved Suppliers without curing such default within the applicable cure period.

D. The transferee and its proposed directors, officers, shareholders, partners, and members, as applicable, and its Manager and any other personnel we designate, who will be responsible for operating and managing the Business, satisfactorily complete before the date of Transfer our Management Training Program.

E. The transferee and its directors, officers, shareholders, partners, members, and managers, as applicable, meet our requirements for approval as new franchisees, including our requirements for proficiency in the English language. If the transferee, its affiliates, or any of its directors, officers, shareholders, partners, members, or managers owns an interest in another Business or another franchise licensed by one of our affiliates, those individuals or Entities must (i) at the time of the Transfer request or the Transfer closing, not be in default in any material respect under any agreement with us, any of our affiliates, or any suppliers, (ii) during the previous two years, not have been in default in any material respect under any agreement with us, our affiliates, or any suppliers without curing such default within the applicable cure period, and (iii) in our sole judgment, have been approved to develop and operate additional franchises.

F. Notwithstanding when the Franchised Business was last remodeled, the transferee agrees in writing that it will, at its expense, upgrade, and remodel the Franchised Business to conform to our then-current Standards for quality and appearance and trade dress within the time we reasonably specify; provided, however, if the Franchised Business conforms to our then-current Standards for appearance, the transferee will only address all items identified in the last quality assurance inspection, within the time we reasonably state.

G. The transferee signs our then-current form of franchise agreement and all other then-current related agreements as we require of new franchisees generally provided, however, the transferee will not be required to pay the initial franchise fee stated in the new franchise agreement and the term of the new franchise agreement will expire on the expiration date of the Term of this Agreement. The terms of our then-current franchise agreement, including the fees, may be materially different than the terms of this Agreement.

H. The transferee (and, if the transferee is not an individual, such owners of a legal or beneficial interest in the transferee as we may request) must (i) enter into a written assignment, in a form satisfactory to us, assuming and agreeing to discharge and guarantee all of your obligations under this Agreement and (ii) must execute our then-current form of personal guarantee.

I. You, all Owners and guarantors, the transferee, and all individual owners of the transferee, deliver to us a written and duly signed general release, in a form that we will prepare at our sole expense, of all claims against the Released Parties, which indemnifies the Released Parties against any statements, representations, or warranties that you may have made or given to the proposed transferee.

J. We receive a fully-signed copy of all Transfer documents.

K. You pay us a transfer fee equal to 50% of the amount of the then-current initial franchise fee.

L. You and your Owners must agree to remain liable for all of the obligations to us in connection with the Franchised Business arising before the effective date of the Transfer and execute any and all instruments that we reasonably request to evidence such liability.

M. You must provide us with written notice from your landlord indicating that your landlord has agreed to transfer the Site Agreement to your transferee. If, as a condition of the Transfer, the lease is renewed or extended for one year or more, the then-current lease renewal fee (if any) will be assessed against the transferee.

N. We must determine, in our sole discretion, that the purchase price and payment terms will not adversely affect the operation of the Franchised Business, and if you or your Owners finance any part of the purchase price, you and they must agree that all obligations under promissory notes, agreements, or security interests reserved in the Franchised Business are subordinate to the transferee's obligation to pay all amounts due to us and our affiliates and otherwise to comply with this Agreement.

16.4 Non-Control Transfers. For any Transfer that does not result in a Control Transfer, you must give us advance notice and submit a copy of all proposed contracts and other information concerning the Transfer and transferee that we may request. We will have a reasonable time (not less than 30 days) after we have received all requested information to evaluate the proposed Transfer. You and/or your transferee must satisfy, in addition to others that we may specify, the conditions in Sections 16.3.B. (pay all sums owed), 16.3.C. (not in default), 16.3.E. (transferee meets qualifications), 16.3.H. (sign assignment and guaranty), 16.3.I. (sign general release), and 16.3.L. (remain liable for pre-Transfer obligations). You must pay us a transfer fee equal to 10% of the then-current initial franchise fee. You and your Owners must sign the form of agreement and related documents that we then specify to reflect your new ownership structure. We may withhold our consent on any reasonable grounds or give our consent subject to reasonable conditions.

16.5 Related Party Transfers. Notwithstanding anything to the contrary in Section 16.3 (Control Transfer) or 16.4 (Non-Control Transfers), you may Transfer cumulatively (i) up to a 49% (100% on your death or disability) interest in this Agreement, the Franchised Business, or your Entity to your spouse, your parent, or your child or (ii) up to a 100% interest in this Agreement, the Franchised Business, or your Entity to any of the original guarantors to this Agreement, provided you (a) give us prior written notice of the Transfer; (b) you and/or your transferee comply with the conditions in Section 16.3.C. (not in default), 16.3.E. (transferee meets qualifications), 16.3.H. (sign assignment and guaranty), 16.3.I. (sign general release), and 16.3.L. (remain liable for pre-Transfer obligations); (c) you pay us a transfer fee equal to 10% of the then-current initial franchise fee; and (d) if the Transfer is of a Controlling Interest, the transferee and any other personnel we designate satisfactorily complete before the date of Transfer our Management Training Program.

16.6 Transfer Upon Death or Incapacity. If you or any Owner dies, becomes incapacitated, or enters bankruptcy proceedings, that person's executor, administrator, personal representative, or trustee must apply to us in writing within three months after the event (death, declaration of incapacity, or filing of a bankruptcy petition) for consent to Transfer the person's interest. The Transfer will be subject to the provisions of this Section 16, as applicable, except there shall be no transfer fee due. For purposes of this Section, "incapacity" means any physical or mental infirmity that will prevent the person from performing his or her obligations under this Agreement (i) for a period of 30 or more consecutive days or (ii) for 60 or more total days during a calendar year. In the case of Transfer by bequest or by intestate succession, if the heirs or beneficiaries are unable to meet the conditions of Section 16.3.E. (transferee meets qualifications), the executor may Transfer the decedent's interest to another successor that we have approved, subject to all of the terms and conditions for Transfers contained in this Agreement. If an interest is not disposed of under this Section 16.6 within 180 days after the date of death or appointment of a personal representative or trustee, we may terminate this Agreement.

16.7 Security Interests. You may not grant any security interest in the Franchised Business, the assets used in the operation of the Franchised Business, or any direct or indirect legal and/or beneficial interest in you without our prior written consent, which will not be unreasonably withheld. Our consent may be conditioned, in our sole discretion, on the written agreement by

the secured party that, in the event of a default by you under any agreement related to the security interest, we will have the right and option (but not the obligation) to purchase the rights of the secured party upon payment of all sums then due to the secured party. Any foreclosures or other exercise of the rights granted under that security interest are subject to all applicable terms and conditions of this Section 16. Notwithstanding the foregoing, however, you may grant, without obtaining our prior written approval, a security interest in the assets of the Franchised Business (not including this Agreement) to a lender for the sole purpose of financing your acquisition, development, and/or operation of the Franchised Business.

16.8 Right of First Refusal.

A. Option Period. If you receive and want to accept a *bona fide* written offer from a third party to purchase the Franchised Business or substantially all the interests in you (collectively, the “**Interest**”), you must give us: (i) prompt written notice of the offer, stating the name and address of the prospective purchaser and the price and terms of the offer; and (ii) copies of all written documents and other information reasonably related to the offer provided by or to the prospective purchaser. For 30 days after we receive the information required by this Section (the “**Option Period**”), we will have the option to purchase the Interest on the same terms as the third party offers; provided, however, if any portion of the consideration the third-party offers is other than cash, we will have the option of substituting the equivalent cash value.

B. Appraisal Process. If we cannot agree within a reasonable time on the equivalent cash value, the equivalent cash value will be determined by three independent appraisers using the following appraisal process (the “**Appraisal Process**”): (i) you will designate one appraiser and we will designate one appraiser, and the two appraisers that you and we designate will select a third appraiser, (ii) the majority determination of the three appraisers will be binding, (iii) each party will pay the appraiser’s fee for the appraiser designated by that party, and (iv) you and we will each pay 50% of the third appraiser’s fee.

C. Procedure. In order for us to have enough information to decide whether to exercise our option, you must promptly deliver to us, at our request, any information about the Franchised Business that we request not otherwise called for by this Agreement. If you comply with this Section 16.8 and we do not exercise our right of first refusal within the Option Period, you may, within 30 days after the expiration of the Option Period, sell, assign, and transfer the Interest to the third party specified in your notice in accordance with the terms and conditions of this Section 16. Any material change in the terms of the offer before closing of the sale to the third party will constitute a new offer, subject to the same rights of first refusal by us as in the case of an initial offer. Our failure to exercise our option under this Section 16.8 will not be a waiver of any other provision of this Agreement.

16.9 Restrictions on Advertising Sale of Franchised Business. You may not, without our prior written consent: (i) place in, on, or upon the Accepted Location any advertisement for the transfer, sale, or other disposition of the Franchised Business or any ownership interest in you, (ii) use any Marks in advertising (in any form of media) the transfer, sale, or other disposition of the Franchised Business or any ownership interest in you, or (iii) list the Franchised Business or any ownership interest in you with any business broker, real estate broker, agent, or attorney.

16.10 Our Right to Transfer. We may Transfer all of our rights and obligations under this Agreement, provided that: (i) we, in our sole discretion, determine that the transferee under the Transfer is able to perform our obligations under this Agreement; and (ii) the transferee agrees, in writing, to perform our obligations under this Agreement. We are not required to obtain your

consent for our Transfer. Following the effective date of the Transfer, you will look solely to the transferee, and not to us, for the performance of all obligations in this Agreement.

17. DEFAULT AND TERMINATION

17.1 Your Termination and Notice of Our Breach. You will have no right to terminate this Agreement. If we breach this Agreement, your sole remedy will be an arbitration proceeding under this Agreement.

17.2 Our Termination: No Opportunity to Cure. We have the right to terminate this Agreement without affording you any opportunity to cure the default, effective on our sending of notice of termination to you (or the earliest date permitted by applicable law) if:

A. You or your Owners violate the Personal Covenants or other restrictive covenants, including the restrictions related to the use of Confidential Information or Trade Secrets, in Section 15 (Confidential Information; Restrictive Covenants).

B. You copy or permit others to copy any portion of the Manuals, except for forms and similar items included in them for the express purpose of copying, or fail to take all necessary precautions to ensure that the Manuals are kept free from theft, unauthorized copying, unauthorized access, fire, or other acts that may jeopardize the confidentiality of its contents.

C. You or any of your Owners, officers, or directors: (i) are convicted of or plead no contest to a felony or a crime involving fraud or moral turpitude or any other crime that we deem likely to have an adverse effect on the good name, business, goodwill, image or reputation of the Franchised Business, the System, or the Marks, whether on a local, regional, or national scale (including any such convictions or pleas that occurred prior to the Effective Date that we learn of after the Effective Date); (ii) engage in fraudulent, deceptive, unethical, criminal, or other conduct that, in our determination, is likely to have an adverse effect on the good name, business, goodwill, image, or reputation of the Franchised Business, the System, or the Marks, whether on a local, regional, or national scale; (iii) make, or have made, any material misrepresentation to us related to the Franchised Business or this Agreement; or (iv) knowingly maintain false books or records or submit any false reports to us related to the Franchised Business.

D. You abandon the Franchised Business or otherwise voluntarily suspend operation of the Franchised Business without our prior written consent for five or more consecutive business days on which you were required to operate.

E. Your interest (or your affiliate's interest) in the lease or sublease for the Accepted Location is terminated or expires or you (or your affiliate) otherwise lose possession of the Accepted Location.

F. We send you two or more written notices of default under this Agreement for the same or a similar cause or reason in any consecutive 12-month period, whether or not cured.

G. You: (i) become insolvent by reason of an inability to pay debts as they come due; (ii) are adjudicated bankrupt; (iii) file a petition for bankruptcy protection; (iv) are the debtor in an involuntary bankruptcy petition that is not dismissed within 60 days; (v) are the debtor in an assignment for the benefit of creditors that is not dismissed within 60 days; (vi) are the subject of a voluntary or involuntary petition for reorganization or similar proceeding that is not dismissed within 60 days; (vii) are the subject of a petition for appointment of a receiver, permanent or

temporary, that is not dismissed within 60 days; (viii) are the judgment debtor in any final judgment of \$10,000 or more and the judgment remains unsatisfied of record for more than 60 days, unless you have obtained an appeal bond covering the amount of your liability; (ix) have your bank accounts, property, or receivables attached and the attachment proceedings are not dismissed within 60 days; (x) have an execution levied against your Franchised Business or property and the execution is not dismissed within 60 days; or (xi) are the subject of any suit to foreclose any lien or mortgage related to the Franchised Business or the property thereof, and the suit is not dismissed within 60 days.

I. You fail to open the Franchised Business by the later of (i) the Opening Deadline or (ii) the last extension of time granted to you pursuant to Section 6.5.D (Failure to Meet Deadlines), if any.

J. You, your affiliates, and/or any Entities owned by or affiliated with any of your Owners default under any other agreement between us and/or our affiliates, whether or not related to the Franchised Business, and fail to cure such default within any applicable cure periods (if any) under such agreement, provided that such default or failure to cure such default would permit us or our affiliate to terminate such agreement.

K. You operate your Franchised Business in any manner that we determine in our reasonable discretion poses a threat or danger to public health or safety, including, without limitation, if a public official requires you to close your Franchised Business as a result of your violation of any Laws relating to public health or safety.

L. You misuse or make any unauthorized use of the Marks.

17.3 Our Termination: Opportunity to Cure Within Cure Period. We have the right to terminate this Agreement for any of the defaults in this Section 17.3 after we send you a notice of default, if you fail to cure the default to our reasonable satisfaction within the time specified below (or the earliest date permitted by applicable law), without further notice or opportunity to cure if:

A. 24 hours after we send you a notice of default, you fail to cure a default for failing to grant us immediate access to your Franchised Business or any other place where business related to the Franchised Business is conducted to perform any of the inspections, audits, or copying described in this Agreement; or if in the course of an inspection, audit, or copying you fail to make the materials we request available to us or provide us with full cooperation in the course of the inspections, audits, or copying.

B. 24 hours after we send you a notice of default, you fail to cure a default related to any dilution or adulteration of Approved Products or any misrepresentation, substitution, or palming off of unapproved products from the Franchised Business.

C. 24 hours after we send you a notice of default, you fail to cure a default related to complying fully with all Laws, unless there is a bona fide dispute as to the violation or legality of a Law and you promptly resort to a court or other appropriate forum having jurisdiction to contest the violation or illegality.

D. 5 calendar days after we send you a notice of default, you fail to cure a default related to (i) selling, bartering, or exchanging, or attempting to sell, barter, or exchange, any Proprietary Goods or Approved Products at wholesale or retail, except as contemplated by this Agreement, (ii) failing to purchase all Goods from us, our affiliates, or our designated Approved Suppliers, or (iii) using any unapproved Goods in the Franchised Business.

E. 10 calendar days after we send you a notice of default, you fail to cure a default for failing to pay promptly when due all debts you owe us or our affiliates, all undisputed debts you owe our Approved Suppliers, and all taxes and other obligations you owe for the Franchised Business, including all federal, state, and local taxes, and all accounts payable of any nature.

F. 10 calendar days after we send you a notice of default, you fail to cure a default relating to obtaining the signing of the Personal Covenants required in Section 15.4 (Restrictive Covenants).

G. 10 calendar days after we send you a notice of default, you fail to cure a default under any mortgage, deed of trust, lease, or sublease of the Accepted Location.

H. 10 calendar days after we send you a notice of default, you fail to cure a default relating to Section 13.2 (Required Insurance) and/or Section 13.3 (Carrier; Proof of Insurance).

I. 10 calendar days after we send you a notice of default, you fail to cure a default relating to Section 14.3 (Systems and Reports).

J. 30 calendar days after we send you a notice of default, you fail to cure a default for failing to meet the Site Approval Deadline or the Construction Start Deadline.

K. 30 calendar days after we send you a notice of default, you fail to cure a default relating to maintaining accurate books of account and business and accounting records as required by this Agreement.

L. 30 calendar days after we send you a notice of default, you fail to cure any breach of any of your other obligations to us under this Agreement (including for a quality assurance inspection failure).

17.4 Suspension of Rights After Your Default. If you are in default of any obligation under this Agreement or our Standards, then we may, in addition to our other remedies, temporarily suspend, until you fully cure the default, your (i) access and use of the System, our websites (including your access or use of website pages), our applications, or our online ordering platforms and (ii) ability to purchase Goods, including Proprietary Goods and Approved Products. No such suspension shall constitute a waiver or election of remedies, and we reserve our right to terminate this Agreement in accordance with its provisions. All Royalty Fees, Advertising Contribution, and all other fees due under this Agreement will continue to accrue during the suspension period. We may also notify your lenders and landlord if you are in default of any obligations under this Agreement. Our consent, approval, or acceptance of any item may be withheld if you are in default under this Agreement or may be conditioned on the cure of all your defaults.

17.5 Other Remedies After Your Default. If you commit a default that cannot be cured as specified in Section 17.2 (Our Termination: No Opportunity to Cure) or if you fail to cure a default within the cure period specified in Section 17.3 (Our Termination: Opportunity to Cure Within Cure

Period), if we do not exercise our right to terminate the Agreement, we may, at our sole election and upon delivery of written notice to you, take any or all of the following actions:

- A. Suspend your access and use of the System or our websites (including your access or use of website pages), our applications, or our online ordering platforms;
- B. Suspend your or the Franchised Business's participation in any programs or benefits we offer, including any programs or benefits that are funded by Advertising Contributions;
- C. Suspend any other services that we or our affiliates provide to you under this Agreement or any other agreement;
- D. Suspend or terminate any temporary or permanent fee reductions to which we might have agreed (whether as a policy, in an amendment to this Agreement, or otherwise);
- E. Suspend our performance of, or compliance with, any of our obligations to you under this Agreement or other agreements; and/or
- F. Undertake or perform on your behalf any obligation or duty that you are required to, but fail to, perform under this Agreement. You will reimburse us upon demand for all costs and expenses that we or our affiliates reasonably incur in performing any such obligation or duty.

17.6 Exercise of Other Remedies. Our exercise of our rights under Section 17.4 (Suspension of Rights After Your Default) and 17.5 (Other Remedies After Your Default) will not (i) be a defense for you to our enforcement of any other provision of this Agreement or waive or release you from any of your other obligations under this Agreement, (ii) be a defense at law or equity based on impossibility of your performance or any claim against us or our Approved Suppliers, (iii) constitute an actual or constructive termination of this Agreement, or (iv) be our sole or exclusive remedy for your default. You must continue to pay all fees and otherwise comply with all of your obligations under this Agreement following our exercise of any of these rights. If we exercise any of our rights under Section 17.5, we may thereafter terminate this Agreement without providing you any additional corrective or cure period, unless the default giving rise to our right to terminate this Agreement has been cured to our reasonable satisfaction.

18. OBLIGATIONS ON EXPIRATION OR TERMINATION

18.1 General Obligations. On expiration or termination of this Agreement for any reason, you must:

- A. Immediately cease using the System, including the Marks and any confusingly similar names, marks, commercial symbols, systems, insignia, symbols, color schemes, trade dress, designs, procedures, domain names, and methods. If you fail or refuse to make changes to the Franchised Business required to distinguish the Franchised Business from its former appearance, we have the right, in addition to all other remedies, to enter the Accepted Location and make the required changes on your behalf, and you must pay to us all costs and expenses we or our affiliates incur in making the changes, including interest from the date of demand, plus an administrative fee in an amount equal to 15% of the costs and expenses that we or our affiliates incur.
- B. Immediately return to us: (i) all hard copies and electronic copies (capable of being returned) of the Confidential Information and Trade Secrets, including the Manuals, together with

all copies of any of them; and (ii) all other manuals, records, files, instructions, correspondence and other materials relating to the operation of the Franchised Business (“**Other Materials**”). If you have on your computer systems, your e-mail accounts, or other digital storage systems or services copies of the Confidential Information, Trade Secrets, and/or Other Materials, you must immediately erase these copies. You must provide us with a certification attesting to the fact that all copies of the Confidential Information, Trade Secrets, and Other Materials in your control or the control of your officers, directors, owners, employees, agents, and representatives have been returned or destroyed in accordance with this Section.

C. Within 5 days after expiration or termination, pay us and our affiliates the full amount you owe us and them.

D. Immediately stop identifying yourself in any way as our franchisee or former franchisee.

E. Immediately comply with the restrictive covenants in Section 15 (Confidential Information; Restrictive Covenants).

F. Immediately take all action required (i) to cancel all assumed name or equivalent registrations relating to your use of the Marks and (ii) to cancel or transfer to us or our designee all authorized and unauthorized domain names, social media accounts, telephone numbers, post office boxes, and classified and other directory listings relating to, or used in connection with, the Franchised Business or the Marks (collectively, “**Identifiers**”). You acknowledge that as between you and us, we have the sole rights to and interest in all Identifiers. If you fail to comply with this Section 18.1.F., you hereby authorize us and irrevocably appoint us or our designee as your attorney-in-fact to direct the telephone company, postal service, registrar, Internet Service Provider and all listing agencies to transfer such Identifiers to us. The telephone company, the postal service, registrars, Internet Service Providers and each listing agency may accept such direction by us pursuant to this Agreement as conclusive evidence of our exclusive rights in such Identifiers and our authority to direct their transfer; and

G. Promptly sign all documents and take all other actions as we deem necessary to affect the intent and provisions of this Section 18.1.

18.2 Reinstatement. If this Agreement is terminated under Section 17.2.K (Franchised Business poses a threat to public health and safety), we may, in our sole discretion, permit you to apply for reinstatement of this Agreement within 7 days of the effective date of termination, after the first termination only. Our approval of reinstatement will not be unreasonably withheld and will be subject to the following conditions. You must:

A. Cure the default that led to the termination of this Agreement;

B. Pay us all fees due us, including Royalty Fees and Advertising Contributions;

C. Pay us a fee to compensate us for your continued use of the Marks during the period of termination equal to the number of days between the date of termination of this Agreement and the date of reinstatement of this Agreement multiplied by the average daily Royalty Fee due to us during the calendar month preceding the date of termination,

D. Pay us a reinstatement fee of 10% of the amount of the then-current initial franchise fee; and

E. Sign and return to us our standard form of reinstatement agreement that we specify, which will include your commitment to a refurbishment plan that you and we must agree on.

18.3 Liquidated Damages.

A. Amount. You agree that any termination of this Agreement before the expiration of the Term will deprive us of the benefit of the bargain we are entitled to receive under this Agreement. As a result, if this Agreement is terminated after the Opening Date, you must pay us, as liquidated damages for the loss of the benefit of the bargain we are entitled to receive, and not as a penalty, a lump-sum payment equal to the average monthly Royalty Fee you owed us during the 36 months before the termination date times the lesser of the remainder of the Term or 36 months. If less than 36 months have lapsed between the Opening Date and the termination date, the liquidated damages will be the average monthly Royalty Fee during the time between the Opening Date and the termination date, multiplied by 36. If the termination occurs before the Opening Date, you will forfeit the Initial Franchise Fee paid and will not owe us any liquidated damages.

B. Payment of Liquidated Damages. You will pay all amounts stated in this Section 18.3 within 30 days after the termination of this Agreement. You agree, and you direct any party construing this Agreement to conclusively presume, that the damages stated in this Section 18.3: (i) are true liquidated damages; (ii) are intended to compensate us for the harm we will suffer; (iii) are not a penalty; (iv) are a reasonable estimate of our probable loss resulting from your defaults, viewed as of the termination date; and (v) will be in addition to all other rights we have to obtain legal or equitable relief. We have the right to set off any credits, balances or amounts we owe to you against the amounts you owe under this Section 18.3.

18.4 Additional Obligations. The following obligations are in addition to the general obligations and the liquidated damages stated above.

A. Right to Operate. If we terminate this Agreement under Section 17 (Default and Termination), we will have the right to immediately enter and take possession of your Franchised Business to maintain continuous operation of the Franchised Business, provide for orderly change of management and disposition of personal property, and otherwise protect our interests. If we exercise this right, you will vacate the Franchised Business promptly and completely, rendering all necessary assistance to us to enable us to take prompt possession, and you will have no right to any revenue that we earn while operating the Franchised Business. If you dispute the validity of our termination of this Agreement, we will nevertheless have the option, which you irrevocably grant, to operate the Franchised Business pending the final, unappealed determination of the dispute under this Agreement. If an arbitrator or court of competent jurisdiction makes a final, unappealed determination that the termination was not valid, we will make a full and complete accounting for the period during which we operated the Franchised Business.

B. Right to Acquire Accepted Location. If we terminate this Agreement under Section 17 (Default and Termination), you will, at our option, assign to us, or another franchisee we designate, your interest in any Lease for the Accepted Location, and will vacate the Franchised Business promptly and completely, rendering all necessary assistance to us or the other franchisee to enable it to take prompt possession. If you or one of your affiliates owns the Accepted Location, we may elect to purchase the Accepted Location or, at our option, lease the Accepted Location from you or that affiliate for an initial five-year term with one renewal term of five years (at our option) on commercially reasonable terms. If you and we cannot agree on a

purchase price for the Accepted Location in a reasonable time, the purchase price will be determined by three independent appraisers using the Appraisal Process. If we elect to exercise this option to purchase, we may set off all amounts you owe us or our affiliates under this Agreement against any payments for the purchase. You (and your Owners) agree to cause your affiliate to comply with these requirements.

C. Right to Acquire Property. If we exercise our option to acquire rights to your Accepted Location, within 15 days after our notice to you of this election, you will arrange with us for an inventory to be made by us, at our cost, of all Goods related to the Franchised Business, including all items bearing the Marks. We will have the option, to be exercised within 30 days after our completion of the final inventory, or our receipt thereof, to purchase from you any or all of these items at the actual fair market value (exclusive of goodwill) (the “**Purchase Value**”). If we elect not to purchase your Goods related to the Franchised Business, we can retract our exercise of our option to acquire rights to your Accepted Location under Section 18.4.B. (Right to Acquire Accepted Location). If the parties cannot agree on a Purchase Value within a reasonable time, the Purchase Value will be determined by three independent appraisers using the Appraisal Process. If we elect to exercise this option to purchase, we may set off all amounts you owe us or our affiliates under this Agreement against any payments for the purchase. At the closing, you will deliver to us, in a form satisfactory to us, good and merchantable title to the assets purchased, free and clear of any encumbrances, together with all licenses or permits that may be assigned or transferred. You will be responsible for all sales and other transfer taxes.

19. DISPUTE RESOLUTION

19.1 Resolution of Disputes.

A. Arbitration. Except as stated in Section 19.1.D. (Excepted Disputes) of this Agreement, all disputes between you, your affiliates, Owners, guarantors, and/or your or your affiliates’ officers, directors, and employees, on the one hand, and us, our affiliates, and/or our or our affiliates’ officers, directors and employees, on the other hand, relating to this Agreement, our relationship with you, or your Franchised Business, will be resolved by binding arbitration. The arbitration proceeding shall be conducted by one arbitrator and, except as this Section 19.1 otherwise provides, according to the then-current Commercial Arbitration Rules of the American Arbitration Association (the “**AAA**”). All arbitration proceedings will be held at AAA’s offices or other suitable offices that we select in the metropolitan area in which our principal place of business is then located. The arbitrator shall have no authority to select a different hearing locale. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.).

B. Individual Actions. We and you agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between us and you may not be consolidated with any other arbitration proceeding between us and any other person. Notwithstanding the foregoing or anything to the contrary in this Section 19.1, if any court or arbitrator determines that this prohibition on class-wide arbitration is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 19.1, then the parties agree that this arbitration clause shall not apply to that dispute and that such dispute will be resolved in a judicial proceeding in accordance with Section 19.1.D. (Excepted Disputes).

C. Relief. The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys’ fees and costs, provided that

the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Section 19.1.F. (Waiver of Punitive Damages), award any special, consequential, exemplary, or punitive damages against either party (we and you hereby waiving to the fullest extent permitted by law, except as expressly provided in Section 19.1.F. below, any right to or claim for any special, consequential, exemplary, or punitive damages against the other).

D. Excepted Disputes. The following disputes will not be resolved through arbitration unless we consent to arbitration: (i) disputes that arise under or are related to the Lanham Act, as now or later amended; (ii) disputes that otherwise relate to the ownership or validity of any of the Intellectual Property; (iii) disputes that involve enforcement of our intellectual property rights or protection of our Confidential Information or Trade Secrets; or (iv) disputes related to the payment of sums you owe us or our affiliates. Any litigation under this subsection will be filed exclusively in the United States District Court for the district in which we have our principal place of business at the time of filing, and you irrevocably consent to this court's jurisdiction over you.

E. Binding Decision. The decision and award of the arbitrator will be final, conclusive, and binding on all parties regarding any claims, counterclaims, issues, or accountings presented or pled to the arbitrator, and judgment on the award, including any partial, temporary or interim award, may be entered in any court of competent jurisdiction. The parties agree that the arbitrator may award interest from the date of any damages incurred for breach or other violation of this Agreement, and from the date of the award, until paid in full, at a rate to be fixed by the arbitrator, but in no event less than 2.5% per annum above the Citibank Preference Rate quoted for the corresponding periods, as reported in The Wall Street Journal, or the maximum rate permitted by applicable law, whichever is less.

F. Waiver of Punitive Damages. EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 13.1 (INDEMNIFICATION), CLAIMS FOR YOUR INFRINGEMENT OF OUR INTELLECTUAL PROPERTY, AND CLAIMS FOR YOUR BREACH OF YOUR OBLIGATIONS UNDER SECTION 15.2 (PROTECTION OF CONFIDENTIAL INFORMATION AND TRADE SECRETS) OF THIS AGREEMENT, NEITHER PARTY WILL BE ENTITLED TO RECOVER SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES UNDER THIS AGREEMENT.

G. Injunctive Relief. Notwithstanding our agreement to arbitrate, either party will have the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction with respect to any dispute subject to arbitration; provided, however, that such party must contemporaneously submit the dispute for arbitration on the merits as provided in this Section 19.1. In addition to any other relief available at law or equity, we will have the right to obtain restraining orders or temporary or permanent injunctions to: (i) enforce, among other matters, the provisions of this Agreement related to the System; (ii) enforce your obligations on termination or expiration of this Agreement; and (iii) prohibit any act or omission by you or your employees that is a violation of applicable Law or that threatens the Intellectual Property.

19.2 Cumulative Rights and Remedies. Except as otherwise stated in this Agreement, no right or remedy that the parties have under this Agreement is exclusive of any other right or remedy under this Agreement or under applicable law. Each and every such remedy will be in addition to, and not in limitation of or substitution for, every other remedy available at law or in equity or by statute or otherwise.

19.3 Attorneys' Fees. You agree to reimburse us for all expenses we reasonably incur (including attorneys' fees): (i) to enforce the terms of this Agreement or any obligation owed to us by you and/or the Owners (whether or not we initiate a legal proceeding, unless we initiate and fail to substantially prevail in such court or formal legal proceeding); and (ii) in the defense of any claim you and/or the Owners assert against us on which we substantially prevail in court or other formal legal proceedings. We agree to reimburse you for all expenses you reasonably incur (including attorneys' fees): (a) to enforce the terms of this Agreement or any obligation owed to you by us (whether or not you initiate a legal proceeding, unless you initiate and fail to substantially prevail in such court or formal legal proceeding); and (b) in the defense of any claim we assert against you on which you substantially prevail in court or other formal legal proceedings.

19.4 Limitation of Claims. EXCEPT FOR CLAIMS ARISING FROM (i) YOUR NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS YOU OWE US, (ii) YOUR COMPLIANCE WITH ANY POST-TERMINATION OBLIGATIONS, OR (iii) ANY VIOLATION OF OUR INTELLECTUAL PROPERTY RIGHTS, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR OUR RELATIONSHIP WITH YOU WILL BE BARRED UNLESS A JUDICIAL OR ARBITRATION PROCEEDING IS COMMENCED WITHIN 24 MONTHS FROM THE DATE ON WHICH THE ACT, CONDUCT, EVENT, OR OCCURRENCE GIVING RISE TO THE CLAIMS OCCURS, REGARDLESS OF WHEN THE CLAIMS WERE, OR SHOULD HAVE BEEN, DISCOVERED.

19.5 Waiver of Jury Trial. WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF US.

20. MISCELLANEOUS

20.1 Relationship of Parties. You are an independent contractor. Nothing in this Agreement is intended to or does in fact or law make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose. This Agreement does not create a fiduciary relationship between us. Further, we and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Although we retain the right to establish and modify the Standards that you must follow, you retain the responsibility for the day-to-day management and operation of the Franchised Business and implementing and maintaining Standards at the Franchised Business. To the extent that the Manuals or Standards contains employee-related policies or procedures that might apply to your employees, those policies and procedures are provided for informational purposes only and do not represent mandatory policies and procedures to be implemented by you. You must determine to what extent, if any, these policies and procedures may be applicable to your operations at the Franchised Business. You and we recognize that we neither dictate nor control labor or employment matters for franchisees and that you, and not us, are solely responsible for dictating the terms and conditions of employment for your employees. We have no relationship with your employees, and you have no relationship with our employees. You must conspicuously identify yourself and the Franchised Business, in all dealings with your customers, contractors, suppliers, public officials, and others, as an independent franchisee, in the fashion that we specify.

20.2 No Right to Bind; No Liability.

A. No Right to Bind. You will not use the Marks in signing any contract, instrument, application for any license or permit, or legal obligation, or in a manner that may result in liability

to us for your obligations, except as this Agreement expressly authorizes. Except as this Agreement expressly authorizes, neither of us will make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name of or on behalf of the other or represent that the relationship between you and us is other than that of franchisor and franchisee.

B. No Liability. Except when another Entity guarantees our obligations under this Agreement (the “**Guaranteeing Entity**”) as may be provided for in our FDD, you agree that no past, present or future director, officer, employee, incorporator, member, manager, partner, stockholder, subsidiary, affiliate, controlling party, Entity under common control, ownership or management, Supplier, agent, attorney, or representative of ours (other than the Guaranteeing Entity, but only to the extent of the terms of the guaranty) will have any liability for (i) any of our obligations or liabilities relating to or arising from this Agreement, (ii) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (iii) any claim against us based on any alleged unlawful act or omission of us.

20.3 General Release. In consideration of our agreement to enter into this Agreement, you, for yourself (and if you are an Entity, for purposes of this Section “you” and “your” includes you as an Entity and your directors, officers, owners, shareholders, partners, members, managers, representatives, employees, agents, and attorneys) and for each and all of your affiliates and such affiliates’ directors, officers, owners, shareholders, partners, members, managers, representatives, employees, agents and attorneys, together with the predecessors, successors, heirs and assigns of each of the foregoing (individually, collectively and in any combination, the “Releasing Parties”), release and forever discharge the Released Parties of and from all manner of actions, causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, agreements, controversies, promises, variances, trespasses, damages, judgments, executions, claims and demands whatsoever, in law, admiralty or equity, whether known or unknown, that the Releasing Parties, ever had, now have, or that the Releasing Parties hereafter can or may have for, on or by reason of any matter, cause or thing whatsoever, arising prior to and including the Effective Date. This release shall not apply to any claims arising from representations made in the FDD (including its exhibits) that we delivered to you or your representative.

20.4 Force Majeure. A “**Force Majeure**” is any occurrence, event, or condition beyond your or our reasonable control that is not reasonably foreseeable and cannot be reasonably avoided, which may include an (a) act of God, terrorism, war, insurrection, civil commotion, chemical or nuclear contamination, strike, epidemic, pandemic, or embargo; (b) lack of water, materials, or power specified or reasonably necessary for the operation of your Franchised Business or our business; (c) fire, hurricane, tornado, earthquake, flood, or other unavoidable property casualty; or (d) act or order by a governmental authority (not limited to or caused by the party asserting the Force Majeure) that prevent or materially hinder or delay either party from providing services under this Agreement. If a Force Majeure occurs, provided that the party promptly provides the other party with written notice of the Force Majeure, the party so affected will be relieved of its respective obligations to the extent that that party is necessarily prevented, or materially hindered or delayed, in performance during the period of the Force Majeure, except a Force Majeure shall not relieve a party of any (i) payment obligations for monies owed, (ii) obligations that existed prior to the start of the period of the Force Majeure, (iii) obligations that start after the period of Force Majeure, or (iv) other obligations that are not necessarily prevented, or materially hindered or delayed during the period of the Force Majeure.

20.5 Notices. All notices required or permitted under this Agreement must be in writing, and must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized overnight delivery service, to us at the address specified in Schedule A and to you at the address specified in Schedule A. The addresses for notices may be changed at any time by either party by written notice given to the other party as provided in this Section. Notices will be deemed received the same day when delivered personally, upon attempted delivery when sent by registered or certified mail or overnight delivery service, or the next business day when sent by facsimile.

20.6 Compliance with Anti-Terrorism Laws. You and your Owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your Owners otherwise are not in violation of, any of the Anti-Terrorism Laws. “**Anti-Terrorism Laws**” mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you or your Owners, or any blocking of your or your Owners’ assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement, as provided in Section 17.2.H. (violation of law relating to terrorist activities).

20.7 Personal Guaranty. All Owners must sign the Guaranty of Payment and Performance in Schedule C.

20.8 Delegation. We may delegate the performance of any or all of our obligations under this Agreement to an affiliate, agent, independent contractor, or other third party, including such parties that may operate franchise systems under names or marks other than the Marks. Such parties may provide, among other things, training, support, central purchasing, software and technology systems, marketing, and other services to you on our behalf and may have the authority to exercise many of our rights and perform many of our obligations under this Agreement, provided that they will be obligated to do so in compliance with this Agreement.

21. ACKNOWLEDGEMENTS

21.1 Timely Receipt and Review of Agreement and Disclosure Document. You received a FDD required by applicable state and/or federal laws, including a form of this Agreement, at least 14 calendar days (or such longer time period as required by applicable state law) before you executed this Agreement or any related agreements or paid any consideration to us. If we made any unilateral and material changes to the terms and conditions of the form of this Agreement that was included in the FDD (other than changes that arose out of negotiations that you initiated), you received a revised copy of this Agreement that included such changes and were informed of any material differences between this Agreement and the form included in the FDD at least seven calendar days before you executed this Agreement or any related agreements or paid any consideration to us.

21.2 Acknowledgements in Certain States. The following acknowledgements apply to all franchisees and Franchised Businesses, except those that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

A. Understanding of Agreement and Disclosure Documents. You have read this Agreement and the FDD and have been given ample opportunity to consult with, and ask questions of, our representatives and your legal counsel and advisors regarding the documents.

B. Your Acknowledgements. You acknowledge and agree that: (i) you have conducted an independent investigation of the business contemplated by this Agreement, recognize that it involves business risks, and recognize that making a success of a venture is largely dependent on your own business abilities; (ii) no assurance or warranty, express or implied, has been given to you by us or any of our affiliates as to the potential success of any business contemplated by this Agreement or the profits that may be achieved; (iii) there are no promises, commitments, "side deals," options, rights of first refusal, or other rights or obligations in connection with this Agreement except as expressly provided for in this Agreement; and (iv) the terms and covenants in this Agreement are reasonable and necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each Business, and to protect and preserve the goodwill of the Marks.

C. No Reliance on Contrary Representations. You have no knowledge of any representations made about the franchise opportunity by us, our affiliates, or any of our or their officers, directors, owners, or agents that are contrary to the statements made in our FDD or to the terms and conditions of this Agreement. You are not relying on any representations or warranties, express or implied, furnished by us or our representatives other than those expressly set forth in this Agreement and the FDD.

D. Financial Performance Representations. Except as may be stated in the FDD, neither we, nor any of our affiliates, nor any of our or our affiliates' officers, agents, employees, or representatives have made any representation to you, express or implied, as to the historical revenues, earnings, or profitability of any Business or the anticipated revenues, earnings, or profitability of the business subject to the license or any other business operated by us, our licensees, our franchisees, or our affiliates. Any information you have acquired from other franchisees regarding their sales, profits or cash flows is not information obtained from us, and we make no representation about that information's accuracy.

21.3 No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and Franchised Businesses that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

22. CONSTRUCTION

22.1 Waiver or Delay. Except as otherwise stated in this Agreement, no waiver of, or delay in requiring strict compliance with any obligation of this Agreement, or the exercise of any right or remedy provided in this Agreement, and no custom or practice at variance with the requirements of this Agreement, will constitute a waiver or modification of any obligation, right, or remedy, or preclude the exercise of any right or remedy or the right to require strict compliance with any

obligation stated in this Agreement, or will preclude, affect, or impair enforcement of any right or remedy provided in this Agreement with respect to any later default.

22.2 Entire Agreement; Amendments. The term “Agreement” as used in this Agreement includes all schedules attached to this Agreement and amendments to this Agreement, if any. This Agreement states the entire agreement between you and us related to the subject matter of this Agreement and fully replaces all prior agreements, representations, or understandings between you and us, whether oral or written, related to the subject matter of this Agreement. Except as otherwise expressly stated in this Agreement, this Agreement may be amended only by a written document signed by you and us. Notwithstanding the foregoing, nothing in this Agreement will disclaim or require you to waive reliance on any representation we make in our most recent FDD (including exhibits and amendments) delivered to you or your representative.

22.3 Operating, Developing, and Changing the System. We have the right to operate, develop, and change the System in any manner that is not specifically prohibited by this Agreement. Whenever we have reserved in this Agreement a right to take or to withhold an action, or to grant or decline to grant you a right to take or omit an action, we may, except as otherwise specifically provided in this Agreement, make our decision or exercise our rights based on information readily available to us and our judgment of what is in our and/or the System’s best interests at the time our decision is made, without regard to either whether we could have made other reasonable or even arguably preferable alternative decisions or whether our decision promotes our financial or other individual interest.

22.4 Survival of Obligations. Each provision of this Agreement that expressly or by reasonable implication is to be performed, in whole or in part, after the expiration, termination, or Transfer of this Agreement will survive such expiration, termination, or Transfer, including, but not limited to, Sections 9 (Intellectual Property), 13.1 (Indemnification), 15 (Confidential Information; Restrictive Covenants), 18 (Obligations on Expiration or Termination), and 19 (Dispute Resolution).

22.5 Applicable Law. Except as provided in Section 15.6 (Modification), this Agreement, including, but not limited to, the making of it, will be governed by, construed and enforced in accordance with the laws of the State of Georgia, including, but not limited to, laws applicable to agreements made and to be entirely performed in Georgia, without giving effect to Georgia’s choice of law or conflict of laws principles.

22.6 Severability. If, for any reason, any portion, section, part, term, provision and/or covenant of this Agreement is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such will not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, provisions and/or covenants of this Agreement as may remain otherwise intelligible; and the latter will continue to be given full force and effect and bind the parties to this Agreement; and the invalid portions, sections, parts, terms, provisions and/or covenants will be deemed not to be a part of this Agreement.

22.7 Time. Time is of the essence to this Agreement.

22.8 Construction. The headings in this Agreement are for convenience of reference and are not a part of this Agreement and will not affect the meaning or construction of any of its provisions. Unless otherwise specified, all references to a number of days shall mean calendar days and not business days. The words “**include**,” “**including**,” and words of similar import shall be interpreted

to mean “including, but not limited to” and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter.

22.9 Execution in Counterparts. This Agreement may be executed in two or more counterparts, each of which will be deemed an original, and all of which will constitute one and the same instrument.

22.10 Successors and Assigns. Except as expressly otherwise provided herein, this Agreement is binding upon and will inure to the benefit of the parties and their respective heirs, executors, legal representatives, successors, and permitted assigns.

22.11 Additional Terms; Inconsistent Terms. The parties may provide additional terms by including the terms on Schedule A. To the extent that any terms or provisions on Schedule A are in direct conflict with the terms or provisions of this Agreement, the terms or provisions on Schedule A shall control.

SCHEDULE C

GUARANTY OF PAYMENT AND PERFORMANCE

THIS GUARANTY (the “**Guaranty**”) is made by the undersigned individuals (whether one or more, jointly and severally, the “**Guarantor**”), in favor of Carvel Franchisor SPV LLC, a Delaware limited liability company (“**Franchisor**”).

A. Franchisor and «**Z1_First_Name**», a «**Z1_State_of_Formation**» «**Z1_Entity_Type**»«**Z2_First_Name**»«**Z2_Last_Name**»«**Z3_First_Name**»«**Z3_Last_Name**»«**Z4_First_Name**»«**Z4_Last_Name**»«**Z5_First_Name**»«**Z5_Last_Name**» (“**Franchisee**”) are parties to a Franchise Agreement (the “**Franchise Agreement**”).

B. Guarantor is an owner of Franchisee and anticipates benefitting from the operation of a franchise pursuant to the Franchise Agreement. Guarantor is, therefore, willing to sign this Guaranty. Guarantor acknowledges having read and understood the terms and conditions of the Franchise Agreement.

C. Franchisor would not have agreed to enter into the Franchise Agreement without this Guaranty.

Guarantor and Franchisor agree as follows:

1. Guaranty. Guarantor guarantees to Franchisor and its successors and assigns the following obligations (collectively, the “**Obligations**”): (i) the full and prompt payment and performance of all Franchisee’s and its owners’, officers’, directors’, agents’ and employees’ obligations to Franchisor under the Franchise Agreement, any amendment to the Franchise Agreement or any other agreement between Franchisee and Franchisor; and (ii) the full and prompt payment or reimbursement of all amounts, costs, expenses, claims, liabilities, or obligations Franchisor incurs under the Franchise Agreement. Guarantor agrees that if Franchisee does not make payments under the Franchise Agreement when due or perform any obligations required of it in accordance with the Franchise Agreement or satisfy any Obligations Franchisor incurs related to any of them, Guarantor will make the payments and reimbursements and cause the obligations to be performed within 5 days of Franchisor’s notice to Guarantor. If there is more than one Guarantor, all the terms in this Guaranty are joint and several.

2. Payment. If Franchisee defaults under the Franchise Agreement, Franchisor may proceed directly against any or each Guarantor without first proceeding against or notifying Franchisee and without proceeding against any other Guarantor.

3. Waivers by Guarantor. Guarantor waives (i) all rights to payments and claims for reimbursement or subrogation that each Guarantor may have against Franchisee arising as a result of the Guarantor’s execution of and performance under this Guaranty, for the express purpose that no Guarantor shall be deemed a “creditor” of Franchisee under any applicable bankruptcy law with respect to Franchisee’s obligations to Franchisor; (ii) all rights to require Franchisor to proceed against Franchisee for any Obligation, proceed against or exhaust any security from Franchisee, take any action to assist any Guarantor in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, any right to participate in, any security now or hereafter held by Franchisor; and (iv) acceptance and notice of acceptance by Franchisor of the Guarantor’s Obligations under this Guaranty, all presentments, demands and

notices of demand for payment of any indebtedness or non-performance of any Obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any Obligations guaranteed by Guarantors, and any other notices and legal or equitable defenses to which a Guarantor may be entitled. Franchisor shall have no present or future duty or obligation to the Guarantors under this Guaranty, and each Guarantor waives any right to claim or assert any such duty or obligation, to discover or disclose to any Guarantor any information, financial or otherwise, concerning Franchisee, any Guarantor, or any collateral securing any Obligations of Franchisee to Franchisor. Without affecting the Obligations of Guarantor under this Guaranty, Franchisor may, without notice to any Guarantor, (a) extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Franchise Agreement or any indebtedness or Obligation, (b) settle, adjust, release, or compromise (including if made in or out of court on receivership, liquidation, bankruptcy, reorganization, arrangement, or assignment for the benefit of creditors) any claims against Franchisee or any Guarantor, (c) make advances for the purpose of performing any Obligations, or (d) assign the Franchise Agreement or the right to receive any sum payable under the Franchise Agreement, and the Guarantors each hereby jointly and severally waive notice of same.

4. No Waiver by Franchisor. Franchisor's delay or failure to exercise of any right or remedy will not operate as a waiver thereof, and no single or partial exercise by Franchisor of any right or remedy will preclude any further exercise thereof or the exercise of any other right or remedy.

5. Consent to Jurisdiction. Guarantor: (i) submits to personal jurisdiction in Georgia for the enforcement of this Guaranty; and (ii) waives all personal rights under the laws of Georgia or of any state to object to jurisdiction within Georgia for litigation related to this Guaranty, regardless of any present or future domicile of Guarantor, Franchisee, or Franchisor.

6. Governing Law. This Guaranty is to be construed under and governed by the law of the State of Georgia without regard to Georgia, or any other, choice of law or conflicts of law principles. If any provision of this Guaranty would not be enforceable under the laws of Georgia, and if the business franchised under the Franchise Agreement is located outside of Georgia and the provision would be enforceable under the laws of the state in which the franchised business is located, then that provision, and only that provision, will be interpreted and construed under the laws of that state. Nothing in this Guaranty is intended to invoke the application of any franchise, business opportunity, antitrust, "implied covenant," unfair competition, fiduciary, or other doctrine of law of Georgia or any other state.

7. Dispute Resolution. Section 19 (Dispute Resolution) of the Franchise Agreement is hereby incorporated herein by reference and will be applicable to any all disputes between Franchisor and any of the Guarantors, as though Guarantor were the "Franchisee" referred to in the Franchise Agreement.

8. Notices. Any notice under this Agreement must be in writing and is deemed delivered: (i) 1 business day after being sent by commercial courier service for next business day delivery; or (ii) 5 days after being deposited in the United States mail for certified or registered delivery, return receipt requested, postage prepaid. Notice to Franchisor will be addressed to: Legal Department, Carvel Franchisor SPV LLC, 5620 Glenridge Drive, Atlanta, Georgia 30342. Notice to Guarantor will be addressed to the address stated below his or her signature at the end of this Guaranty. The addresses for notices may be changed at any time by either party by written notice given to the other party as provided in this Section.

9. Successors and Assigns. The provisions of this Guaranty will bind Guarantor and Guarantor's respective heirs and personal representatives and will benefit Franchisor and its respective successors and assigns. Guarantor will not assign this Guaranty without Franchisor's prior written consent. Guarantor's death will not terminate this Guaranty and the same will be enforceable against Guarantor's estate. This Guaranty will continue in full force and effect and remain enforceable against each Guarantor if Franchisee or any owner of Franchisee transfers any interest in the Franchise Agreement or Franchisee.

10. Severability. To the extent that any provision of this Guaranty would violate any applicable usury statute or any other applicable law, the Obligations will be reduced to the limit legally permitted, but the Obligation will be fulfilled to the limit of its legal validity. The provisions of this Section will control every other provision of this Guaranty.

11. No Release. The cessation of or release from liability of any Guarantor will not relieve any other Guarantor from liability under this Guaranty or the Franchise Agreement, except to the extent that the default has been remedied or monies owed have been paid.

12. Survival. Guarantor agrees that the Obligations survive the termination of the Franchise Agreement.

IN WITNESS WHEREOF, Guarantor has signed and delivered this Guaranty as of the date stated below Guarantor's signature.

STATE LAW ADDENDUM
(If Required)

CALIFORNIA ADDENDUM TO FRANCHISE AGREEMENT

In recognition of the requirements of the California Franchise Investment Law §§ 31000 through 31516, and the California Franchise Relations Act, California Business and Professions Code §§ 20000 through 20043, the Franchise Agreement, for franchises offered and sold in the State of California or to California residents, is amended to include the following:

1. Section 16.3.I. of the Franchise Agreement is amended by adding the following punctuation and language at the end of such sections, before the period: “; provided, however, this release will not apply to claims as you may have under the California Franchise Investment Law and the California Franchise Relations Act.”
2. If any of the provisions of the Franchise Agreement concerning termination are inconsistent with either the California Franchise Relations Act or the Federal Bankruptcy Code (concerning termination of the Agreement on certain bankruptcy-related events), then the Federal Bankruptcy Code applies.
3. The Franchise Agreement is governed by Georgia law. This requirement may be unenforceable under California law.
4. The Franchise Agreement requires binding arbitration. The arbitration will occur at the offices of our principal place of business or another suitable location chosen by us in the city where our headquarters is then located, with the prevailing party’s costs and expenses to be borne by the other party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California. This provision may not be enforceable under California law.
5. The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
6. You must sign a general release if you renew or transfer your franchise. California Corporations Code § 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§ 31000 through 31516). California Business and Professions Code § 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§ 20000 through 20043).
7. The Franchise Agreement requires that any litigation be conducted in the state of our principal place of business. This provision may not be enforceable under California law.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

THIS SERVICE LEVEL AGREEMENT (this “**Agreement**”) is made and entered into as of _____ (“Effective Date”) by and between «Z1_First_Name» «Z1_Last_Name», a «Z1_State_of_Formation» «Z1_Entity_Type», «Z2_First_Name» «Z2_Last_Name», a «Z2_State_of_Formation» «Z2_Entity_Type» «Z3_First_Name» «Z3_Last_Name», a «Z3_State_of_Formation» «Z3_Entity_Type» «Z4_First_Name» «Z4_Last_Name», a «Z4_State_of_Formation» «Z4_Entity_Type» «Z5_First_Name» «Z5_Last_Name» (“**Franchisee**”) and Carvel LLC (“**Company**”).

BACKGROUND:

A. Carvel Franchisor SPV LLC (“**Franchisor**”) and Franchisee are parties to that certain Franchise Agreement dated as of the Effective Date for the operation of the Franchised Business (“**Franchise Agreement**”).

B. Franchisee is required to have a point of sale system (“**POS System**”) for the Franchised Business that satisfies Franchisor’s Minimum Specifications.

C. Franchisee is required to obtain support for the POS System from an approved supplier, which may include Franchisor or its affiliates.

D. Franchisee desires to obtain from Company, an affiliate of Franchisor, certain support for the POS System as detailed in this Agreement and Company agrees to provide such support under the terms and conditions set forth in this Agreement.

NOW, THEREFORE, the parties agree as follows:

1. Definitions. Capitalized terms not otherwise defined in this Agreement shall have the meaning ascribed to such term in the Franchise Agreement or below:
 - a. “**Designated Personnel**” means the person(s) who request and receive Support Services under this Agreement. As a prerequisite for Company to provide the Support Services, such person(s) should be trained and competent in the general operation of the POS System and may include, for example, a cashier, shift lead, general manager, area manager, director or internal information technology (“**IT**”) staff. Company shall not be responsible for determining whether Franchisee has authorized Designated Personnel to request Support Services.
 - b. “**Service Start Date**” shall mean the date that Company begins providing the Services, which is estimated to be approximately twelve (12) weeks prior to the anticipated Opening Date of the Franchised Business, as determined and approved by Company.
 - c. “**Minimum Specifications**” shall have the meaning set forth in the Manuals, which Franchisor, in its sole discretion, may update from time to time.
 - d. “**Support Services Team**” means the person(s) authorized by Company to provide Support Services under this Agreement. Such persons may be contractors or employees of Company or its affiliates.
2. Support Services. Franchisee hereby engages Company to provide help desk services for the POS System and other related support services in accordance with and as more fully

described below and in **Schedule A** (collectively, the “**Support Services**”). The Support Services may only be used for the POS System at the Franchised Business. Franchisee agrees to follow the procedures and processes for requesting and receiving Support Services, as set forth in this Agreement, including **Schedule A**. In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of **Schedule A**, the terms and conditions of this Agreement shall control. The Support Services will be provided during the hours and days specified in **Schedule A**.

- a. **Comprehensive Support**. Franchisee shall receive Comprehensive Support (as more fully described in **Schedule A**), which shall be subject to the Comprehensive Support Fee (as defined in **Schedule A**).
 - b. **Billable Support**. Franchisee may request, and Company may, in its sole discretion, provide Billable Support (as more fully described in **Schedule A**), which shall be subject to the Billable Support Fee.
3. **POS System**. As a prerequisite for Company to provide the Support Services, the POS System must be in good operating condition and meet the Minimum Specifications (including, without limitation, the standard hardware and software requirements set forth therein). The Support Services do not include support for hardware and software that is not part of the Minimum Specifications. Company will provide Support Services in connection with specific versions of the software identified in the Minimum Specifications, and will not provide Support Services in connection with software that is no longer supported by the software licensor. Franchisee is responsible for implementing temporary procedures or workarounds as necessary to ensure continuous operation of the Franchised Business while Company is providing Support Services. Franchisee is responsible for backing up its files, data and programs and for reconstructing corrupted, lost or altered Franchisee files, data and programs. Company reserves the right, at any time and from time to time during the Term, to make the final judgment, in its sole discretion, as to whether the POS System and Franchisee adequately meet the Minimum Specifications and other prerequisites for Support Services required under this Agreement.
 4. **Service Fees**. Franchisee shall pay Company the Comprehensive Support Fee and/or Billable Support Fee (collectively, the “**Service Fees**”), as applicable, for the Support Services provided by Company. Service Fees are exclusive of, and Franchisee will pay, any applicable sales, use, service, value added or like taxes. In the event of a Franchisee Default (as defined below), Company reserves the right, but not the obligation, to suspend part or all of the Support Services until such Franchisee Default is cured; provided however, that Franchisee shall continue to pay Service Fees, during the Term of the Agreement notwithstanding any suspension of Support Services due to a Franchisee Default.
 5. **Amendments to Schedule A**. Company reserves the right, but not the obligation, from time to time, to review the Support Services and Service Fees provided under this Agreement and, in its sole discretion, to amend **Schedule A** to reflect a change in Support Services or Service Fees, provided that any changes to the fees in any calendar year will not exceed, at our option, (a) 50% of the fee that is in effect at the start of the calendar year or (b) the increase in our or our affiliates’ actual costs and expenses to provide the Support Services to you. Company shall provide Franchisee with notice of any amendment to **Schedule A** via e-mail or update to the Manuals at least ninety (90) days prior to such amendment taking effect.
 6. **Payment**.

- a. Electronic Funds Transfer; Payment Date. Payments of Comprehensive Support Fees will be drafted by Franchisor on behalf of Company from Franchisee's Designated Bank Account under Franchisor's electronic funds transfer or draft system ("**EFT**") one time per month on the same day that royalties and other fees due under the Franchise Agreement are first drafted for each month (the "**Payment Date**"). Payments shall commence on the Payment Date of the first (1st) full month following the Opening Date. Time is of the essence in the performance of all payment obligations by Franchisee. Company may change credit or payment terms at any time when, in Company's opinion, Franchisee's financial condition, previous payment record, or the nature of Franchisee's relationship with Company so warrants.
 - b. Temporary Closure. In the event that the Franchised Business is temporarily closed (as determined and approved by Company), payments of Comprehensive Support Fees for the closed Franchised Business shall be suspended by Company commencing on the Payment Date of the first (1st) full month following the date such closure begins (as determined and approved by Franchisor) and payment of Monthly Fees shall be reinstated commencing on the Payment Date of the first (1st) full month following the date such closure ends (as determined and approved by Franchisor); provided however, that Company reserves the right to reinstate payments of Monthly Fees during the time of such closure if Franchisee requests and Company provides Support Services during the time of such closure.  - c. Designated Bank Account. As used herein, the term "**Designated Bank Account**" means the bank account on file with Franchisor for EFT payments required under the Franchise Agreement or Manuals. Franchisee is responsible for maintaining sufficient funds in the Designated Bank Account for all Comprehensive Support Fees due under this Agreement, in addition to any amounts drafted by EFT under the Franchise Agreement and the Manuals. In the event there are insufficient funds in the Designated Bank Account to cover the draft of a payment due hereunder, Company reserves the right to charge Franchisee the return costs charged by Franchisor's bank and an administrative fee to cover Franchisor's and/or Company's cost of addressing the nonpayment. Such administrative fee is in addition to any interest on the amount due.
 - d. Payment of Billable Support Fees; Interest on Past Due Amounts. Billable Support Fees shall be paid by Franchisee within thirty (30) days of being invoiced by Company. Franchisee must pay Company interest on any amounts past due at the rate of 1.5% per month or portion of month, but not more than the maximum interest rate permitted by applicable law.
7. Franchisee Default. Each of the following shall constitute a default under this Agreement, if not cured within ten (10) days following Franchisee's receipt of a written notice of such default (each a "**Franchisee Default**"): (i) Franchisee fails to pay, when due, any Service Fees; (ii) Franchisee fails to perform its obligations under this Agreement or defaults under any other agreement with Company, Franchisor, and/or each of their respective affiliates, or (ii) Franchisee fails to satisfy and maintain the Minimum Specifications and other pre-requisites for Support Services under this Agreement.
 8. Remote-Access Support. Company will provide the Support Services by a support technician over the telephone and remote access to the POS System through Company's or its affiliate's

virtual private network or land line phones. Company may install, remove and run diagnostic programs and support tools on the POS System.

9. Exclusions. ABOVE; (II) DAMAGES RELATED TO LOST REVENUE, SALES OR PROFIT; (III) DAMAGES FOR LOSS OF DATA OR SOFTWARE RESTORATION; (IV) DAMAGES RELATING TO FRANCHISEE'S PROCUREMENT OF SUBSTITUTE SUPPORT SERVICES (I.E., "COST OF COVER"); OR (V) INCIDENTAL, SPECIAL, CONSEQUENTIAL, INDIRECT, PUNITIVE OR CONTINGENT DAMAGES (INCLUDING DOWNTIME COSTS OR LOST PROFITS); IN EACH EVENT EVEN IF COMPANY OR ITS AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH POTENTIAL LOSS OR DAMAGE.
- d. THE REMEDIES IN THIS AGREEMENT ARE FRANCHISEE'S SOLE AND EXCLUSIVE REMEDIES RELATED TO THE SUPPORT SERVICES AND THIS AGREEMENT.
- e. THE PROVISIONS OF THIS SECTION 11 SHALL SURVIVE EXPIRATION OR TERMINATION OF THIS AGREEMENT.

12. Term and Termination.

- a. The initial term of this Agreement shall commence on the Effective Date and end on the last day of the same calendar year as the Effective Date (the “**Initial Term**”). Thereafter, this Agreement shall renew automatically for successive one-year terms, commencing on January 1 of each calendar year (each, a “**Renewal Term**”), unless earlier terminated as provided in this Agreement.
- b. This Agreement shall terminate immediately with respect to the Franchised Business upon the effective date of the termination or expiration of the Franchise Agreement for the Franchised Business.
- c. Company may terminate this Agreement for any reason or for no reason by giving written notice of such termination to Franchisee at least sixty (60) day prior to the effective date of such termination.

15. Notices. Except as otherwise provided herein, all notices, statements, requests and demands given to or made upon any party hereto in accordance with the provisions of this Agreement will be given in the manner specified in the Franchise Agreement.

16. Miscellaneous.

- a. Schedules. All appendices and schedules attached to this Agreement are hereby incorporated herein by this reference.
- b. Transfer or Assignment. Except as expressly provided herein, this Agreement may not be assigned by Franchisee without Company’s prior written consent including assignment by operation of law and change of control. Any attempted assignment of this Agreement in violation of the preceding sentence will be null and void ab initio. In

the event Franchisee sells or transfers the Franchised Business, this Agreement shall terminate and the transferee shall be required to execute Company's then-current form of Service Level Agreement. In the event of an assignment of the Franchise Agreement which has been approved by Franchisor, this Agreement shall be deemed to be assigned to the assignee of the Franchise Agreement and such assignee shall be deemed to have assumed all rights and obligations of Franchisee under this Agreement. Company may assign this Agreement to any person or entity without Franchisee consent. This Agreement will be binding on and inure to the benefit of the parties and their respective successors and permitted assigns.

- c. Company's Independent Obligations. Company's obligations and duties under this Agreement are independent of Franchisor's obligations and duties under the Franchise Agreement. Franchisor shall not be in default of the Franchise Agreement for any breach of this Agreement by Company and any default of Company under this Agreement will not excuse Franchisee's performance of Franchisee's obligations hereunder or under the Franchise Agreement.
- d. Force Majeure. Each party to this Agreement shall be excused from performance of its obligations pursuant to this Agreement (other than the performance of the payment obligations) for any period and to the extent that such party is prevented from performing pursuant hereto, in whole or in part, as a result of delays caused by the other party or an act of God, war, civil disturbance, court order, labor dispute, third party non-performance or other cause beyond its reasonable control, including failures, fluctuations or non-availability of electric power, heat, light, air-conditioning or telecommunications equipment, and such non-performance shall not be a default hereunder. A force majeure event does not include, whether directly or indirectly, economic hardship, changes in market conditions, or insufficiency of funds.
- e. No Waivers. No failure by either party to exercise any power given to it under this Agreement, or to insist upon strict compliance by the other party of any obligation hereunder, and no custom or practice of the parties at variance with the terms of this Agreement will constitute a waiver of the party's right to demand exact compliance with the terms hereof.
- f. Remedies Non-Exclusive. No remedy made available to any party by any of the provisions of this Agreement is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and in addition to every other available remedy.
- g. Severability. Should any provision of this Agreement be declared invalid for any reason, such invalid provisions shall not affect the validity of any other provisions, which other provisions shall remain in force and effect as if this Agreement had been executed with the invalid provisions eliminated.
- h. Independent Contractors. Company's relationship to Franchisee with respect to the Support Services shall be that of an independent contractor. Nothing herein shall be construed as creating or implying any partnership, joint venture, or similar relationship between Company and Franchisee. Person(s) providing Support Services under the Agreement shall not, for any purpose, be considered employees or agents of Franchisee. Company will be solely responsible for the supervision, daily direction and control of its employees while such employees are performing Support Services under this Agreement. Neither party hereto has any authority of any kind to bind the other party in any respect whatsoever, nor shall either party hereto act or attempt to act, or

represent itself, directly or by implication, as an agent of the other party hereto or in any manner assume or create, or attempt to assume or create, any obligation on behalf of or in the name of the other party hereto.

- i. Law; Arbitration; Venue; Jurisdiction. The parties agree that all provisions of this Agreement and any questions concerning its interpretation and enforcement shall be governed by the laws of the State of Georgia, without giving effect to the State's choice or conflicts of law provisions. The execution and delivery of this Agreement shall be deemed to be the transaction of business within the State of Georgia for purposes of conferring jurisdiction upon courts located within the State of Georgia. Unless specifically stated otherwise, this Agreement shall be subject to dispute resolution provisions in the Franchise Agreement and limited liability provisions in the Franchise Agreement; provided, however, for the avoidance of doubt, the limitation of liability provisions in **Section 11** hereof shall also apply.
- j. Prior Agreements. This Agreement supersedes any prior agreements, commitments and obligations between the respective parties to this Agreement and related to the subject matter hereof, and any such prior agreement, commitment or obligation is hereby canceled and of no further force or effect; provided, for the avoidance of doubt, the Franchise Agreement shall in no way be deemed superseded or canceled hereby.
- k. Modification; Headings. This Agreement may not be altered or modified except by a writing signed by both parties. The Background is a part of this Agreement. Captions used herein are for convenience only, are not a part of this Agreement, and shall not be used in construing this Agreement.
- l. Survival. All representations, warranties, covenants and indemnities made herein, and any provisions of this Agreement which by their express terms or very nature should survive expiration or termination of this Agreement shall survive and shall remain in full force and effect following expiration or termination of this Agreement. All of a party's rights and privileges, to the extent they are attributable to events or conditions occurring or existing on or prior to the termination of this Agreement, shall survive the termination of this Agreement and shall be enforceable by such party and its successors and assigns.
- m. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same agreement.
- n. Limited Recourse. The parties agree that any remedy or recourse available under or related to this Agreement is strictly limited to the parties to this Agreement. No past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent or attorney of either party shall have any liability under this Agreement of or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby and thereby. The foregoing is not intended to discharge either party from its liability for any breach of this Agreement by its directors, officers, employees, consultants and agents.
- o. Entire Agreement. Except as provided in **Section 16.j.**, this Agreement constitutes the entire understanding and agreement of the parties, and no representations,

Schedule A

A. SUPPORT SERVICES

1. Comprehensive Support

a. **Scope of Support Services:** The Support Services Team will make Franchisor-approved, enterprise-level database changes (e.g., limited time offers, new menu items, and price changes) to the POS System and maintain synchronization between the POS System and any third-party services providers integrated with the POS System, including, for example, providers of online ordering, catering, mobile applications, loyalty programs and delivery services. Additionally, the Support Services Team will provide remote technical support services, including troubleshooting, assistance with resolving acute or chronic technical issues, assistance with configuration issues, correcting database or file corruption issues, restoring functionality, providing consultation, escalating unresolved issues to the appropriate third-party vendor, coordinating field service visits by third party vendors, facilitating introductions to third-party vendors and providing consultation regarding the scope of work of third-party vendors for services beyond the scope of this Agreement. Such Support Services are provided in connection with the Franchised Business' back office system and POS System consisting of Franchisor-required and Franchisor-approved hardware and software including, for example, file servers, manager workstations, POS terminals, payment processing terminals, routers, kitchen printers and kitchen display systems, digital menu boards, and firewalls.

Comprehensive Support includes access to the Customer Service Portal, which allows the Franchisee to research common issues and self-help solutions, request Support Services and track the status of such requests.

Prior to requesting Comprehensive Support Services, Franchisee and Designated Personnel shall use best efforts to resolve the issue using internal resources and the Knowledge Base. Further, Designated Personnel calling for support services should be trained in the general operation of the POS System.

Comprehensive Support does not include: Billable Support, training on use of the POS System or back office system; troubleshooting internet service; hardware maintenance or replacement; support of non-approved software, non-instructional games, audio and video, non-standard screensavers, or internet messaging; and/or assistance with operations or balancing (i.e., over/short, pullback, data entry, etc.).

b. **Service Fee:** \$_____ per month ("**Comprehensive Support Fee**").

B. BILLABLE SUPPORT

1. **Scope of Support Services.** Billable Support consists of Support Services that are (i) outside the scope of Comprehensive Support; and (ii) Support Services requested and provided outside of the Hours of Availability set forth in **Section C** of this **Schedule A**. Upon Franchisee's request, Company may, in its sole discretion, provide Billable Support Services.
2. **Service Fee.** \$_____ per hour, or any part thereof (4 hour minimum required) ("**Billable Support Fee**").

C. HOW TO REQUEST SUPPORT SERVICES

Method of Contact	Types of Issues or Requests	Hours of Availability ¹	Response Time
Customer Service Portal Log in and submit request electronically. Or submit an email to support (poshelp@carvel.com)	Low/Medium Severity	24 hours per day, 7 days per week	Within 8 hours
Telephone Phone: 844-577-7423	High Severity; Critical	24 hours per day, 7 days per week, excluding Thanksgiving Day and Christmas Day	Calls Answered live

¹Hours of availability may be altered at Company’s sole discretion.

D. Prioritizing Requests; Target Resolution Timeframe

The Support Services Team will use the following guidelines in prioritizing requests and will strive to provide a work around or resolution to the problem within the target resolution timeframe. The target resolution timeframes shown below are intended as a guideline and not a guarantee of service. Severity level is determined by the impact of the problem to management or business function, and Company may modify the severity level guidelines from time to time. Severity governs the resources committed, and time required, to resolve the request. Actual resolutions times may vary depending on the volume and severity of requests received by the Support Services Team at any one time. Once a request or issue is escalated to a vendor, the Support Services Team is waiting on a response, or the resolution is determined to be outside of the Support Services Team control (including replacement of hardware), the request will be considered to be “escalated” and will no longer impact the target resolution timeframes below.

Severity Level	Example of Issue or Request	Target Resolution Timeframe
Critical	All terminals or scanners down; unable to process credit; or online ordering down	4 hours (response within 15 minutes of request)
High Severity	One terminal or scanner down; credit spooling offline; firewall issue; or VoIP phones (for supported stores)	1-2 business days
Medium Severity	Front Counter POS peripherals down; third party printer down; sales or labor reports unavailable; or end-of-day issues	2-3 business days
Low Severity	Additional hardware request; menu maintenance; or general technology inquiries	3-5 business days

STATE ADDENDA TO DISCLOSURE DOCUMENT

**ADDENDUM TO DISCLOSURE DOCUMENT
FOR
CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW
YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON,
AND WISCONSIN**

The following provision applies only to franchisees and franchised Shoppes that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and/or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the California Franchise Investment Law, California Corporations Code §§ 31000 through 31516, and the California Franchise Relations Act, California Business and Professions Code §§ 20000 through 20043, the Disclosure Document for Carvel Franchisor SPV LLC in connection with the offer and sale of franchises for use in the State of California is amended to including the following:

1. ITEM 17 RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

A. California Business and Professions Code §§ 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

B. The Franchise Agreement contains provisions requiring application of the laws of Georgia. These provisions may not be enforceable under California law

C. The Franchise Agreement requires binding arbitration. The arbitration will occur at the offices of our principal place of business (currently Atlanta, Georgia) or another suitable location chosen by us in the city where our headquarters is located, with the prevailing party's costs and expenses to be borne by the other party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

D. The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

E. The Franchise Agreement contains a liquidated damage clause. Under California Civil Code Section 1671, certain liquidated damage clauses are unenforceable.

F. You must sign a general release when you sign your franchise agreement or if you renew or transfer your franchise or sign a superseding agreement. California Corporations Code § 31512 voids a waiver of your rights under the Franchise Investment Law (see California Corporations Code §§ 31000 through 31516). California Business and Professions Code § 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§ 2000 through 20043).

2. DISCLOSURES REGARDING THE CALIFORNIA FAST FOOD ACT (CALIFORNIA ASSEMBLY BILL 1228)

A. ITEM 1: To the extent it is applicable, you must comply with California Assembly Bill 1228, codified at Cal. Lab. Code §§ 1474-1475 (the "Fast Food Act"), which may set health, safety, and employment standards related to your employees, including standards on minimum wages, working hours, and working conditions.

B. ITEMS 5, 6, AND 11: We currently do not provide any training or assistance related to, or charge any initial or ongoing fees related to, the development or implementation of any standards, policies, or procedures that may be required under the Fast Food Act. It is

solely your responsibility to determine whether the Fast Food Act applies to your franchise and, to the extent it does apply, to comply with the Fast Food Act when developing and constructing your restaurant, operating your franchise, and training and supervising your employees.

C. ITEM 7: The Additional Funds estimate takes into account any increased costs that you may incur related to complying with the Fast Food Act (such as increased wages), based on the Fast Food Act standards that are in effect as of the date of this Disclosure Document.

3. ADDITIONAL DISCLOSURES

A. Neither we nor any person in Item 2 of the Disclosure Document is subject to any currently-effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling us or that person from membership in these associations or exchanges.

B. Section 31125 of the California Corporations Code requires us to give you a Disclosure Document in a form and containing all information as the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

C. The California franchise investment law requires that we deliver a copy of all proposed agreements related to the sale of the franchise, together with the Disclosure Document.

D. Regarding our website, www.carvel.com, please note the following:

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.

E. No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

ILLINOIS ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the Illinois Franchise Disclosure Act of 1987, Ill. Comp. Stat. §§ 705/1 through 705/44, the Disclosure Document for Carvel Franchisor SPV LLC for use in the State of Illinois is amended as follows:

1. Illinois law governs the Franchise Agreement.
2. In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.
3. Your rights upon Termination and Non-Renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.
4. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

INDIANA ADDENDUM TO DISCLOSURE DOCUMENT

1. The laws of the State of Indiana supersede any provisions of the Franchise Agreement and any the other agreements, or Georgia law, if these provisions are in conflict with Indiana law.
2. No release language stated in the Franchise Agreement relieves us or any other person, directly or indirectly, from liability imposed by the laws concerning franchising of the State of Indiana.
3. Notwithstanding the terms of Item 12 of the Disclosure Document and Section 4 (Reserved Rights) of the Franchise Agreement (as applicable), we will not compete unfairly with you within a reasonable area.
4. Notwithstanding the terms of Section 13.1 (Indemnification) of the Franchise Agreement, you will not be required to indemnify the Affiliated Parties for any liability caused by your proper reliance on or use of procedures or materials provided by us or caused by our negligence.
5. Section 15.4.B. (Restrictive Covenants: Post Term) of the Franchise Agreement is revised to limit the geographical extent of the post-term covenant not to compete to an area of reasonable size, for all franchises sold in the State of Indiana.
6. The prohibition by Indiana Code § 23-2-2.7-1(7) against unilateral termination of the franchise without good cause or in bad faith, good cause being defined therein as “. . . a material breach of the franchise agreement . . . ,” supersede any contrary provisions contained in Section 17 (Default and Termination) of the Franchise Agreement in the State of Indiana.
7. The provisions of the Franchise Agreement relieving both parties from liability for punitive damages will not apply to franchises offered and sold in the State of Indiana.

MARYLAND ADDENDUM TO DISCLOSURE DOCUMENT

ITEM 5 INITIAL FEES

1. Based upon our financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until we complete our pre-opening obligations under the Franchise Agreement. If a franchisee signs a Multi-Unit Addendum to a Franchise Agreement, all initial fees and payments owed by such franchisee under each of the Franchise Agreements that is subject to the Multi-Unit Addendum shall be deferred until we complete our pre-opening obligations under the applicable Franchise Agreement.

ITEM 17 RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION:

2. Item 17.h. of this Disclosure Document is modified to add the following:

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.), but we will enforce it to the extent enforceable.
3. Item 17.v. of this Disclosure Document is modified as follows:

You can enter into litigation with us in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law, as long as the nature of the litigation is not the type of dispute, controversy, claim, action or proceeding which would be subject to arbitration under the Franchise Agreement.

MINNESOTA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the Minnesota Franchises Law, Minn. Stat. §§ 80C.01 through 80C.22, and of the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce, Minn. Rules §§ 2860.0100 through 2860.9930, the Disclosure Document for Carvel Franchisor SPV LLC for the offer of franchises for use in the State of Minnesota is amended to include the following:

1. Item 6, "Other Fees," shall be amended as follows:

We may be limited in the amount of the Insufficient Funds Fee we may charge you as described in Item 6 of this Disclosure Document. The Minnesota Department of Commerce requires us to disclose to you that, currently, the highest such fee permitted under Minnesota Statute 604.113 is \$30.

2. Item 13, "Trademarks," is amended by the addition of the following paragraph immediately:

The Minnesota Department of Commerce requires us to indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of our trademark infringes on trademark rights of the third party. We do not indemnify against the consequences of a franchisee's use of our trademark except in accordance with the requirements of the Franchise Agreement; and, as a condition to indemnification, you must: (i) provide prompt notice to us of any such claim; (ii) tender the defense of the claim to us; and (iii) cooperate with us in the defense against the claim. If we accept the tender of defense, we have the right to manage the defense of the claim including the right to compromise, settle, or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

3. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," is amended by the addition of the following paragraph at the end of the Item:

Pursuant to Minn. Rule 2860.4400D, any general release of claims a transferor may have against us or our directors, officers, shareholders, and employees, including without limitation claims arising under federal, state, and local laws, rules, and ordinances, excludes claims the transferor may have under the Minnesota Franchises Law or the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce.

4. With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. § 80C.14, Subds. 3, 4, and 5, that require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice of non-renewal of the Franchise Agreement, and that we not unreasonably withhold consent to the transfer of the franchise.

5. Minn. Stat. § 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring that litigation be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Franchise Agreement abrogate or reduce any of your rights provided for in Minnesota statutes Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

6. The Franchise Agreement contains provisions that may be interpreted as liquidated damages clauses under Minnesota law. Certain liquidated damages clauses are unenforceable.

NORTH DAKOTA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the North Dakota Franchise Investment Law, N.D. Cent. Code §§ 51-19-01 through 51-19-17, and the policies of the Office of State of North Dakota Securities Commission, the Disclosure Document for Carvel Franchisor SPV LLC for use in the State of North Dakota is amended as follows:

1. A contractual requirement that you sign a general release will not apply to claims you may have under the North Dakota Franchise Investment Law.
2. Covenants not to compete such as those contained in the Franchise Agreement are generally considered unenforceable in the State of North Dakota.
3. The Franchise Agreement contains provisions that may be interpreted as liquidated damages clauses. Under the North Dakota Franchise Investment Law, certain liquidated damages clauses are unenforceable.
4. The Franchise Agreement requires you to waive your right to collect exemplary or punitive damages. This provision may not be enforceable under North Dakota law.
5. The Franchise Agreement requires that you consent to the jurisdiction of a court in Georgia. This provision may not be enforceable under North Dakota Law because North Dakota Law precludes you from consenting to jurisdiction of any court outside of North Dakota.
6. The provisions of the Franchise Agreement on governing law, jurisdiction, and choice of law will not be a waiver of any right conferred on you by the North Dakota Franchise Investment Law.

RHODE ISLAND ADDENDUM TO DISCLOSURE DOCUMENT

VIRGINIA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Carvel Franchisor SPV LLC for use in the Commonwealth of Virginia is amended as follows:

Additional Disclosure. The following statements are added to Item 17.h.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
