How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION

How much will I need to invest?	Items 5 and 6 list fees that you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit “C” includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Crumbl® business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What’s it like to be a Crumbl® franchisee?	Item 20 or Exhibit “D” lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit “F.”

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Utah. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Utah than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you also may experience delays in opening your own outlet.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO THE CRUMBL® FDD
FOR THE STATE OF MICHIGAN**

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

We license and train others to operate Crumbl® businesses. The grant of a franchise authorizes you to engage in our complete system under the name Crumbl® and other proprietary marks according to our system, confidential manuals, standards, equipment, uniforms, merchandising, marketing, décor and colors, recipes, proprietary ingredients, menus, the sale of products and services, and other confidential business information, procedures, services, and other specifications as we may develop. As a Crumbl® franchisee, you will have the opportunity to use the Crumbl® system only within a specific territory and according to our requirements. You will be required to purchase specific food products, materials, supplies, ingredients, and equipment and to strictly follow our standards, methods, policies and procedures in the operation of your franchise business.

Our franchise agreement attached as Exhibit “A” to this disclosure document.

You also may enter into an area development agreement with us for the development of multiple franchise units (see Exhibit “H”). The size of the development territory, the number of units to be developed and the development schedule are negotiable. You will be required to sign our then-current franchise agreement for each unit as developed, which terms may differ from the current franchise agreement included with this FDD. Unless specifically stated otherwise, the disclosures for an area development are the same as for a single unit.

General Description of Market and Competition

The general market for a retail cookie, baking, and delivery business is well-developed and competitive. You will typically compete with other established cookie baking and cookie distribution businesses. There are many of these competitors from large national chains to small independent operators. This business may be operated year-round. You may also encounter competition from other Crumbl® franchises operated by us or other franchisees outside your territory under limited circumstances.

Laws and Regulations

You are required to follow all laws and regulations that apply to business generally. In addition, your business is subject to federal, state, and local health and consumer protection laws and other regulations and guidelines governing the labor, employment, health, and safety, and laws and regulations specific to the operation of food service and delivery businesses, including zoning, taxation, the environment, fire, waste, packaging, disposal, recycling, all banking, credit card payment and data security standards, and all inspection reports, warnings, labeling, certificates, and ratings issued by any governmental agency. You will be required to make sure your employees are properly licensed. The Food and Drug administration, the United States Department of Agriculture and food industry organizations, including the National Restaurants Association, have established rules affecting the bakery industry. To operate your franchise, you or one of your employees must have a current food handler permit/license, and some states required a manager to have a food safety manager certification. You are responsible for determining and complying with all local and state laws, including obtaining any required permits or licenses to operate the franchised business.

You must investigate local zoning rules because they may limit where you can locate your franchise business and may affect the design features including the building façade and signs. In many jurisdictions, you will also be required to obtain a sign permit. You should also be aware of federal, state, and local environmental laws about the disposal of waste materials and packaging. You may be required to obtain additional insurance coverage for delivery services, which may increase your premium payments. You may be required by local law to participate in a recycling program, which may require that you register and make ongoing fee payments.

At your cost and expense, you must investigate and ensure that you comply with all payment card industry (“PCI”) and data security standard (“DSS”) standards, regulations, and requirements; however, we reserve the right to approve of the vendor you use for compliance. You must meet the requirements of, and comply with enhancements and changes to, the PCI and DSS and maintain PCI compliance with the current version of the PCI and DSS. We reserve the right to require an audit (and to designate the auditor) to verify compliance. You are responsible to use all required tools, systems, and vendors to complete ongoing PCI requirements including quarterly external security scans and annual self-assessment questionnaires. You are solely responsible for all costs relating to PCI compliance and data security issues, such as security threats, breaches, and malware. It is your responsibility to alert us, not later than 24-hours following a suspected or

confirmed data security breach, so that appropriate action can be taken to protect customer data and notify relevant parties. You are not permitted to collect, store, transfer, etc. any unnecessary customer information. Additional information can be found at <https://pcisecuritystandards.org/>.

The details of state, county and local laws and regulations vary from place to place. It is your responsibility to research these matters. Please be aware that the changes in these laws may increase the cost to operate your business.

You must pay an up-front area development fee of an amount equal to \$50,000 multiplied by the number of franchise units to be developed, which is credited towards the initial franchise fee of each franchise as developed. You must sign the then-current franchise agreement for each unit to be developed. The minimum number of franchise units required to be developed under the area development agreement is 3 and any additional units will be determined by us on a case-by-case basis. This fee is non-refundable, except as described below. In addition to the development fee, you will incur all of the initial fees for a single location as set forth in this Item 5 for each Crumbl® franchise that you agree to establish under an area development agreement.

Uniformity and Refunds

In certain circumstances, we offer a partial refund of the area development fee. If we determine that you are not well suited to be an area developer and terminate the area development agreement early, you will receive a partial refund of the area development fee equal to the initial franchise fee that was current at the time of signing the area development agreement, multiplied by the number of franchise units for which franchise agreements have not been executed as of the date of termination. The factors used by us to determine if you are not well suited to be an area developer include poor temperament, poor community reputation, actions that we feel negatively affect our system, goodwill, or trademarks, poor performance of existing franchise location(s), lack of business acumen, default of the franchise agreement, default of the area development agreement, non-compliance with our system, personality or relationship conflict, and poor communication, as determined by us. We may make this determination at any time during the term of the area development agreement. If we terminate the area development agreement, so long as you are not in default under the terms and conditions of your respective franchise agreement(s), you may still continue to own and operate such individual Franchise Units in the individual territories (as defined in such respective franchise agreements) that are owned and operated by you prior to termination, so long as you are not in default and continue to faithfully perform the terms and conditions of such franchise agreement(s). However, you will cease to have any exclusivity rights with regard to the ongoing development of all other franchise units in the development territory, and you will forfeit any contractual right you may have to purchase additional franchise units within the development territory. Any refund is contingent upon signing a general release in the form and substance that is acceptable to us.

If you and we agree to terminate the franchise agreement before your store is open and operating, based on our ongoing risk assessment of the territory, we reserve the right to issue a refund of the initial franchise fee, in our sole discretion.

Unless otherwise described above, these costs and fees are uniform and are non-refundable for all franchisees.

The amounts payable to us or an affiliate for the initial franchise fee, initial training fee, initial purchases, area development fee, and all other initial fees are payable in a lump sum at the time of signing, and the training fees are payable in a lump sum prior to training.

NOTES

¹ Royalty and Fees. Except as shown in the remarks column, all fees are uniformly imposed and are payable to us. We may require all fees to be paid in accordance with our electronic funds transfer or automatic withdrawal program as developed. All fees payable to us or an affiliate are non-refundable. You should verify with any third-party payee whether such payments, deposits, or fees are refundable or not.

We have the right to require you to establish a bank sweep, draft or other similar type of electronic funds transfer (“Operating Account”) account in which you must deposit the gross sales of your outlet (not including local sales & use taxes) which account we may automatically access for any payment due us. You cannot have more than one Operating Account. You cannot close or terminate the Operating Account without receiving our prior written consent. If you fail to timely report gross sales, we may sweep an estimated amount of fees due to us. You will be responsible to pay us any amount owing if we underestimate your payment to us, and we will credit you with any overage that we charge. You must maintain at all times at least \$30,000 of working capital in your Operating Account, even after you pay royalties and other fees to us. We may, at any time, require you to provide us with view-only access to your operating account.

* All fees, except those identified with an *, are the current fees and may be changed in the Manuals in our discretion. However, no fee may be increased during the current term of the Franchise Agreement by more than 100% of the fee amount in effect at the start of the term. For example, if a fee is initially \$500 per representative per day, the maximum increase permitted during the current term would be \$500 (for a total of \$1,000 per representative per day).

² Local Marketing. You must spend at least 0 to 2% of your gross sales per month to advertise your franchise business locally as determined by us. Currently this local marketing requirement is 0% of your gross sales. We may increase the required local marketing requirement upon 60 days’ notice to you, however the total local marketing requirement will not be more than 2% of gross sales per month.

³ Liquidated Damages. If this Agreement is terminated, other than for non-renewal or mutual termination, and because of the difficulty of calculating damages caused by lost future royalties: (a) you will pay us the average royalty payment from the previous 12 months multiplied by 36 months or the remaining term of your franchise agreement, whichever is less. Such amount will be reduced to the present value of such payments as of the date of termination utilizing an interest rate of 5%. Such liquidated damages only cover our damages for lost royalties and does not cover any other damages or waive any of our other rights.

⁴ De-identification Fee. In the event you fail to comply promptly with any of your post termination de-identification obligations, you will pay us \$500 per day for each day that you are in default, as an estimate of the damages suffered by us.

⁵ Automatic Debit. In the event you fail to comply promptly with any of your post termination de-identification obligations, to prevent further injury, we may hire a third-party or use our own personnel to de-identify your unit and/or to carry out any other obligations on your behalf, for which costs you will be responsible. These costs will include any attorneys’ fees and costs associated with enforcing your post-termination obligations. Upon termination, we may automatically debit your account \$10,000 in anticipation of the costs associated with enforcing your post-termination obligations.

⁶ Indemnification. You must defend, indemnify, and hold us harmless from any and against any and all losses, liabilities, damages, costs and expenses, including attorneys’ fees arising out of or related to, or in any way connected with you or your acts, errors or omissions in the operation of your franchise business or your franchise business generally.

⁷ System Non-Compliance. In our sole discretion, we may issue you a fine for violations and alleged violations of the franchise agreement and/or manuals. We may rely on any evidence available to us that such violations have occurred, including customer complaints or reports that we find credible, in our sole discretion. The amount of the fine will be set forth in the manuals and may be issued for each violation. We may update the fines in the manuals from time to time. We may also concurrently send you notice to correct the violation. If you do not correct the violation within the time required by us, we have the right to terminate

your franchise. All fines are to be paid in accordance with our electronic funds transfer or automatic withdraw program.

⁸ Transaction Processing Fee. Our merchant processor charges a variable merchant transaction fee, which currently averages to around 2.36% per transaction, which is deducted from the Transaction Processing Fee above and paid to our processor. We retain/receive the difference between the Transaction Processing Fee and our merchant's transaction fee, a portion of which we use to cover certain processing costs. These fees are subject to change in the future.

⁹ Technology Fee. This fee is fully earned by us and is in consideration of your right to use our intellectual property and the system in accordance with our franchise agreement. You must pay to us this fee in accordance with our electronic funds or automatic withdrawal program, if established, or otherwise by the first Tuesday of the month. We may update this fee periodically in our manuals.

NOTES

¹ **Initial Franchise Fee.** The initial franchise fee and all other fees payable to us are non-refundable and uniform for all franchisees. We do not finance any portion of such fees.

² **Opening Tech Equipment Package.** You will purchase from us or our affiliate an initial tech package comprised of iPads, televisions, and other technological equipment that we require to be used in your franchise business.

⁴ **Opening Box and Ingredient Package.** You must pay us or our affiliate a fee for an initial box and ingredient package, including Crumbl® branded boxes and certain ingredients, emulsions, and specialty packets.

⁵ **Initial Training Fees, and Travel, Lodging, Food, and Other Expenses While Training.** You are responsible to pay all travel, lodging, food, and other expenses for your attendees during training, directly to the supplier (hotels, airlines, restaurants, rental car companies, etc.). There is no restriction on the number of management level employees that can attend this training. These estimates assume that you will have 4 people attend training. These costs will vary widely as a function of the distance traveled and the choice of accommodations, meals, and transportation.

⁶ **Real Estate and Improvements.** Costs of commercial property or leases and improvements vary widely based on location, terms of the lease, the total area of your space as well as construction and material costs. Your landlord may provide you with a tenant improvement allowance as part of your lease, which has not been included as part of these estimates. We have not included an amount for the purchase of real property because such cost varies widely per location and we recommend that you lease your location instead of purchasing. You should review these costs with a local contractor, commercial real estate agent and other professionals.

⁷ Rent. Your space will vary depending on your needs, but we estimate you will need between 1,600 and 2,000 square feet, and we estimate your lease to be between \$50,000 to \$250,000 per annum, depending on your location. This amount includes hiring a local real estate broker familiar with retail/restaurant tenant representation to help you locate a site. This amount also includes an estimate for the cost to lease your commercial property for 3 months until your business is operational. Our estimates also assume you pay a security deposit equal to 1-month's rent, and that you begin paying rent when (or shortly before) you open for business. For this to occur, you would need to negotiate a "free rent" period for the time it takes to build out your business. You may be able to negotiate additional free rent or reduced rent periods after opening as well. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different. Due to the vastly different prices in real estate throughout the country, we have not included an estimate for the cost to purchase and/or build a location in the table above.

⁸ Professional Fees. You must employ and pay a licensed architect preapproved by us to accomplish and prepare and develop a preliminary set of plans, specifications, and related construction documents, and to prepare a full stamped set of floor plans, plans and specifications to include mechanical, plumbing, and electrical engineering as necessary to satisfy city, state, and local building codes for your Crumbl® franchise business. You must hire a local engineer or builder to construct or improve your premises according to such plans. This estimate may vary widely from the professional costs in your area. There is no allowance included in this estimate for site planning, landscape planning, use permitting, gaining of variances or resolution of related planning and zoning conflicts, accomplishment of energy consumption calculations, accomplishment of building elevations, civil or structural engineering. Additionally, this fee estimate does not include an allowance for bid or contract administration or client directed revisions, which will need to be negotiated on a case-by-case basis prior to commencement of the requested work.

⁹ Equipment, Furniture, Fixtures, Décor, and Supplies. Included in this estimate are the cost of kitchen equipment, utility sinks, counters and shelving, refrigeration, utility shelving, millwork, chairs, tables, interior design, warmers, lighting, décor, equipment consolidation fees, management fees, and optional equipment installation fees. This estimate also includes office supplies, gift cards, and small wares. All purchase agreements or leases must be negotiated with suppliers. For any items purchased from us, we require immediate payment.

¹⁰ POS System, Computer Hardware, and Software. You will be required to initially purchase and use our designated POS system, software, and the following computer hardware: a computer, iPad/tablet, payment processing readers and docks, cameras, TV's, and similar technology. You must also use Quickbooks Online software and follow our accounting procedures and line items as provided in our policies and procedures manual.

¹¹ Signs. You must have at least one exterior sign displaying the trademark, along with other interior signage. All signs must conform to our specifications. All purchase agreements or leases must be negotiated with your suppliers. You must also use the location's monument sign if available.

¹² Miscellaneous Opening Costs. These miscellaneous costs include utility costs, business entity organization expenses, grand opening marketing expenses, employee training, deposits, insurance and licenses. The cost of insurance may vary depending on the insurer, the location of your franchise business, and your claims history.

¹³ Opening Inventory. Opening inventory items include product inventory, food, beverages, soft goods, boxes, cups, uniforms, baking goods and ingredients, flour, sugar, premier chocolate chips, linens, stickers, business cards, coupon cards, gift cards, paper products, uniforms, other food items, and other items

required to operate a Crumbl® franchise business. The range in cost depends upon the size of your franchise business, as well as estimated initial business volume. Opening inventory items do not include napkins, utensils, or similar items intended to aid in the consumption of food at your location.

¹⁴ Additional Funds. This estimates your operating expenses during your first 3 months of operations, including labor, general and administrative, food and paper goods, and similar operating expenses, not taking cash flows into account. This amount cannot be less than \$10,000. It is a default of the franchise agreement if your operating account drops below this amount at any time even after royalties and other required fees to us have been paid. We have relied upon the experience of our principals and franchisees to compile these estimates. Additionally, if you elect to finance your investment, you need to account for the additional costs of repaying that financing.

¹⁵ Total Initial Investment. These figures are estimates for the development of 1 franchise unit. All fees and payments payable to us or an affiliate are uniform and non-refundable. You should verify with third-party payees whether such payments, deposits, or fees are refundable or not.

**YOUR ESTIMATED INITIAL INVESTMENT
(FOR 3 CRUMBL® LOCATIONS UNDER AN AREA DEVELOPMENT AGREEMENT)**

If you elect to proceed under an area development agreement, the estimated investment required to develop 3 units (used here as an example) is set forth below. If you develop more than 3 units, your total investment will be higher based on the number of locations opened.

Misc. opening costs ¹²	\$45,000 - \$135,000	As incurred	As incurred	Suppliers, utilities, etc.
Opening inventory ¹³	\$36,000 - \$66,000	Lump sum	As negotiated	Suppliers
Additional funds - 3 months ¹⁴	\$184,200 – \$300,600	As incurred	As negotiated	Suppliers, employees, etc.
TOTAL ¹⁵	2,545,698 – 4,417,599	<u>*Does not include royalties or marketing fees.</u>		

NOTES

¹ **Development Fee.** The development fee is non-refundable (except as stated below) and we do not finance any portion of such fees. To reserve a territory for multi-unit development, the up-front fee is an amount equal to \$50,000 multiplied by the number of franchise units to be developed. This amount is credited towards the initial franchise fee of each franchise as developed. The minimum number of franchise units required to be developed under the area development agreement is 3 and any additional units will be determined by us on a case-by-case basis.

If we determine that you are not well suited to be an area developer and terminate the area development agreement early as allowed in the agreement, you will receive partial refund of the development fee equal to the initial franchise fee that was current at the time of signing the area development agreement multiplied by the number of franchise units for which franchise agreements have not been executed as of the date of termination. Any refund is contingent upon signing a general release in the form and substance that is acceptable to us.

² **Opening Tech Equipment Package.** You will purchase from us or our affiliate an initial tech package comprised of iPads, televisions, and other technological equipment that we require.

⁴ **Opening Box and Ingredient Package.** You must pay us or our affiliate a fee for an initial box and ingredient package, including Crumbl® branded boxes and certain ingredients, emulsions, and specialty packets.

⁵ Initial Training Fees, and Travel, Lodging, Food, and Other Expenses While Training. You are responsible to pay all travel, lodging, food, and other expenses for your attendees during training, directly to the supplier (hotels, airlines, restaurants, rental car companies, etc.). There is no restriction on the number of management level employees that can attend this training. These estimates assume that you will have 4 people attend training. These costs will vary widely as a function of the distance traveled and the choice of accommodations, meals, and transportation.

⁶ Real Estate and Improvements. Costs of commercial property or leases and improvements vary widely based on location, terms of the lease, the total area of your space as well as construction and material costs. Your landlord may provide you with a tenant improvement allowance as part of your lease, which has not been included as part of these estimates. We have not included an amount for the purchase of real property because such cost varies widely per location and we recommend that you lease your location instead of purchasing. You should review these costs with a local contractor, commercial real estate agent and other professionals.

⁷ Rent. Your space will vary depending on your needs, but we estimate you will need between 1,600 and 2,000 square feet per location, and we estimate your lease to be between \$50,000 to \$250,000 per annum per location, depending on your location. This amount includes hiring a local real estate broker familiar with retail/restaurant tenant representation to help you locate a site. This amount also includes an estimate for the cost to lease your commercial property for 3 months until your business is operational. Our estimates also assume you pay a security deposit equal to 1-month's rent, and that you begin paying rent when (or shortly before) you open for business. For this to occur, you would need to negotiate a "free rent" period for the time it takes to build out your business. You may be able to negotiate additional free rent or reduced rent periods after opening as well. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different. Due to the vastly different prices in real estate throughout the country, we have not included an estimate for the cost to purchase and/or build a location in the table above.

⁸ Professional Fees. You must employ and pay a licensed architect preapproved by us to accomplish and prepare and develop a preliminary set of plans, specifications, and related construction documents, and to prepare a full stamped set of floor plans, plans and specifications to include mechanical, plumbing, and electrical engineering as necessary to satisfy city, state, and local building codes for your Crumbl® franchise businesses. You must hire a local engineer or builder to construct or improve your premises according to such plans. This estimate may vary widely from the professional costs in your area. There is no allowance included in this estimate for site planning, landscape planning, use permitting, gaining of variances or resolution of related planning and zoning conflicts, accomplishment of energy consumption calculations, accomplishment of building elevations, civil or structural engineering. Additionally, this fee estimate does not include an allowance for bid or contract administration or client directed revisions, which will need to be negotiated on a case-by-case basis prior to commencement of the requested work.

⁹ Equipment, Furniture, Fixtures, Décor, and Supplies. Included in this estimate are the cost of kitchen equipment, utility sinks, counters and shelving, refrigeration, utility shelving, millwork, chairs, tables, interior design, warmers, lighting, décor, equipment consolidation fees, management fees, and optional equipment installation fees. This estimate also includes office supplies, gift cards, and small wares. All purchase agreements or leases must be negotiated with suppliers. For any items purchased from us, we require immediate payment.

¹⁰ POS System, Computer Hardware, and Software. You will be required to initially purchase and use our designated POS system, software, and the following computer hardware: a computer, iPad/tablet,

payment processing readers and docks, cameras, TV's, and similar technology. You must also use Quickbooks Online software and follow our accounting procedures and line items as provided in our policies and procedures manual.

¹¹ Signs. You must have at least one exterior sign displaying the trademark for each location, along with other interior signage. All signs must conform to our specifications. All purchase agreements or leases must be negotiated with your suppliers. You must also use the location's monument sign if available.

¹² Miscellaneous Opening Costs. These miscellaneous costs include utility costs, business entity organization expenses, grand opening marketing expenses, employee training, deposits, insurance and licenses. The cost of insurance may vary depending on the insurer, the location of your franchise business, and your claims history.

¹³ Opening Inventory. Opening inventory items include product inventory, food, beverages, soft goods, boxes, cups, uniforms, baking goods and ingredients, flour, sugar, premier chocolate chips, linens, stickers, business cards, coupon cards, gift cards, paper products, uniforms, other food items, and other items required to operate a Crumbl® franchise business. The range in cost depends upon the size of your franchise business, as well as estimated initial business volume. Opening inventory items do not include napkins, utensils, or similar items intended to aid in the consumption of food at your location.

¹⁴ Additional Funds. This estimates your operating expenses during your first 3 months of operations, including labor, general and administrative, food and paper goods, and similar operating expenses, not taking cash flows into account. This amount cannot be less than \$10,000 for each location. It is a default of the franchise agreement if your operating account drops below this amount at any time even after royalties and other required fees to us have been paid. We have relied upon the experience of our principals and franchisees to compile these estimates. Additionally, if you elect to finance your investment, you need to account for the additional costs of repaying that financing.

¹⁵ Total Initial Investment. These figures are estimates for the development of 3 franchise units. If you elect to open additional franchise units, it is estimated that you will incur all of the expenses set forth in the Item 7 Table for a single Crumbl® franchise. Unless otherwise described above, all fees and payments payable to us or an affiliate are non-refundable. You should verify with third-party payees whether such payments, deposits, or fees are refundable or not.

These policies will stipulate that we will receive a 30-day written notice prior to cancellation or termination, and we must receive a 30-day notice of any modification. Original or duplicate copies of all insurance policies, certificates of insurance, or other proof of insurance acceptable to us must be furnished to us together with proof of payment prior to you beginning operations and within 15 days of any request which we may make from time to time.

Our insurance coverage requirements are only minimums. You need to make an independent determination as to whether increased amounts or additional types of insurance are appropriate. Your lease may require higher amounts with which you are required to comply. In the event of damage to your premises covered by insurance, the proceeds of any such insurance must be used to restore the facility to its original condition as soon as possible (not more than 180 days) unless We consent otherwise in writing.

Approved Suppliers

We may enter into contracts with suppliers for items or services purchased by our franchisees. Pursuant to these contracts, you will be required to purchase items or services from approved suppliers. All current approved suppliers and specifications are made available to you before the beginning of operations. You must receive our prior written approval to deviate in any manner from our specifications. We may designate additional or different approved suppliers and specifications at any time.

Our owners/officers have an interest in our affiliate Crumbl Foods, LLC. Other than as stated previously, none of our officers have an ownership interest in any of our suppliers.

Proportion of Required Purchases and Leases

We estimate that the proportion of purchases or leases from approved or required sources will represent 85% to 95% of your overall purchases in opening your franchise business and 85% to 95% of your overall purchases in operating your franchise business.

Revenue to Us and Our Affiliates from Required Purchases

We and our affiliates may derive income from required purchases or leases of goods or services made by our franchisees from us and our affiliates and through rebates from other approved sources. In the 2025 fiscal year, our revenues from the sale of these products and services to franchisees was \$542,321 or approximately .3% of our total revenues of \$155,690,730. We anticipate that about .03% of our revenue will be derived from franchisee purchases of such products and services in the next fiscal year. Our affiliate Crumbl Foods, LLC's revenue from the sale of these products and services to franchisees was \$35,583,209 which was calculated from Crumbl Foods, LLC's unaudited financial statements.

We and our affiliates may derive income through mark-ups on the prices we charge you for goods and services sold or provided by us. Additionally, we and our affiliates may receive fees or other compensation from the suppliers of these goods and services. Mark-ups will generally not be more than 100% for any good or service, with typical ranges currently estimated to be 20% to 30% for services and 30% to 40% for goods. We and our affiliates may receive a fee, payment or other compensation from other suppliers of these goods and services, and we reserve the right to do so in the future. Currently, we have an arrangement with our primary designated food supplier, in which we or our affiliates receive a 1% to 2% administrative fee for everything purchased by Crumbl locations, reduced by any overages or spoilage for product we or our affiliates request they maintain on their floor that is not purchased. From two of our primary designated chocolate suppliers, we or our affiliates receive around 3% to 6% per case rebate. We or our affiliates receive a rebate from one of our designated suppliers of linens and related products in the amount of approximately 10% of increases in aggregate purchase volumes compared to the prior year. We or our affiliates may also receive a standardized pricing rebate from our primary designated food supplier between 5% to 10% of total purchases of chocolate chips and similar goods. We or our affiliates currently receive around 8% to 10% per case rebate from our designated supplier of specialty ingredient packets. We or our affiliates currently receive a \$1 per case rebate from our designated supplier of cake mixes. We and our affiliates also occasionally negotiate rebates from food vendors for certain specialty, long-term, or other food products, which generally is around 1%. Our merchant processor charges a variable merchant transaction fee, which currently averages to around 2.5% per transaction, which is deducted from the transaction processing fee above and paid to our processor. We or our affiliates retain/receive the difference between the transaction processing fee and our merchant's transaction fee, a portion of which we use to cover certain processing costs. These fees are subject to change in the future. We or our affiliates may receive rebates from designated vendors that supply inspection services and cleaning supplies. These rebates are currently up to 8% of net purchases of cleaning supplies, plus an additional rebate of approximately 4% based on increases in aggregate purchase volumes compared to the prior year. We or our affiliates have an arrangement with one of our designated soda suppliers pursuant to which we may receive funding or rebates based on the volume of fountain soda syrup purchased by all Crumbl locations. These payments are generally calculated on a per-gallon basis and may vary depending on total system-wide purchase volumes. Currently, such funding may range from approximately \$0.00 to \$9.00 per gallon, depending on aggregate purchase volumes.

Non-Approved Suppliers

Except for certain trademark and private label items and designated source items described above, if you desire to use a particular supplier and if that supplier meets the specifications and requirements of our system, at our discretion, we may approve that supplier to become an approved supplier.

If you desire to purchase any of the items listed in this Item 8 from an unapproved supplier, you will submit to us a written request for this approval or request the supplier itself to do so. We may require you to submit sufficient information and data to permit us to ascertain whether a supplier meets our specifications. Before beginning our evaluation, you will be required to pay a supplier evaluation fee of \$2,000, plus our expenses. The evaluation fee and other costs are not refundable regardless of whether or not we approve of a supplier. We will notify you in writing, within 30 days as to whether the supplier has been approved. Our criteria for approving suppliers is currently not made available to you. We may make changes or alterations in the standards and specifications for approving suppliers. You may only contract with alternate suppliers who meet our criteria after receiving our written consent. At our discretion, we may revoke our approval from an approved supplier within 30 days' written notice to you.

Standards and Specifications

We may issue specifications and standards to you for applicable aspects of the franchise in our manuals and/or written directives. These specifications and standards may cover any aspect of the franchise system, including required equipment, products and services you must offer for sale, and operational standards and procedures. We may introduce new or different required equipment, products for sale, or services, and may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our manuals and/or issuing new written directives, which may be communicated to you by any method we choose. These changes may, from time to time, require you to invest additional capital in new or updated equipment, products, inventory, or services and incur higher operating costs.

We and our affiliates may, at any time order and ship to you any ingredients, products, marketing materials, or other items required under our system, at your expense at then-current prices plus applicable shipping costs.

Other than as stated above, there is no obligation for you, under the terms of the franchise agreement, to purchase or lease any goods or services regarding the establishment or operation of the franchise business from approved sources.

Agreements with Vendors and Suppliers

We can negotiate on your behalf and bind you regarding agreements and licenses with suppliers, vendors, or other third parties affecting, or beneficial to our system, including license agreement with third party-brands that we desire to utilize in our system or in conjunction with our products. You must promptly execute any documents and agreements in connection such suppliers, vendors, and other third parties as we request. We may require you to comply with the requirements of such suppliers, vendors, or other third parties, including their electronic funds transfer, ACH, or other automatic withdrawal program.

Negotiated Arrangements

We negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. We may require you to place orders for ingredients designated by us by specified deadlines. If you fail to do this, we may order such ingredients for you at your expense.

Except as may be specified above, at this time there are no purchasing or distribution cooperatives.

We do not provide material benefits to franchisees based on the franchisee's purchase of particular products or services or use of particular suppliers.

Marketing is primarily done by us. You may not develop advertising and marketing materials for your use without our prior written approval. The development of such materials will be done at your cost. Any advertising or marketing you create becomes our property. All advertising must be submitted to us for approval prior to use. If you do not receive written approval or disapproval within 10 days of the date we received your submission, the materials submitted are deemed disapproved [franchise agreement sections 3.11 and 10.2-10.4 and paragraph 3.11].

Advertising Fund

Although, under the terms of the franchise agreement we are not obligated to conduct advertising for the franchise system or any particular location, we currently maintain and administer a national advertising, marketing and development fund (referred to as the “advertising fund/brand development fund/marketing fund” in the franchise agreement) for local, regional or national marketing or public relations program as we, in our sole discretion, may deem necessary or appropriate to advertise and promote the franchise system [franchise agreement section 10.1].

You must contribute 2% of your gross sales per month to the fund. We have no franchise businesses that do not contribute to the fund. We and our affiliates do not contribute to this fund [franchise agreement section 10.1].

We are not required to spend any amount on marketing directly in the area or territory where you are located. Advertising funds may be used to solicit additional franchisees, but this will not account for more than 50% of the fund [franchise agreement paragraph 10.1.2].

We may use the marketing fund to offset a portion of direct costs to manage and maintain the fund, including the payment of staff salaries and other expenses for those employees who may be involved in advertising fund activities.

Advertising Expenditures in the Last Fiscal Year

Any unused advertising funds in any calendar year will be applied to the following year’s fund. The advertising fund is unaudited. We may prepare an unaudited annual report of marketing fund expenditures and/or marketing activities. During the 2025 fiscal year, the marketing funds were used in the following ways: 90.4% was spent on media placement and related wages, 9.00% was spent on wages related to production, 0.60% was spent on administrative expenses and related wages, and 0% been retained by us.

Advertising Fund Council

No franchisee advertising council is anticipated at this time, though we reserve the right to require an advertising council to be formed, changed, or dissolved at any time.

Advertising Cooperative

You are not required to participate in a local or regional advertising cooperative at this time, but we reserve the right to require cooperatives (including the areas and governing rules) to be formed,

changed, dissolved, or merged at any time. You are required to participate in a local or regional advertising cooperative when established or approved by us. The area of any cooperative marketing association will be based on regions determined by us. Upon the formation of an advertising cooperative, you will be deemed to be a member of that association that covers the area where your franchise is located, and you will be bound by any decisions made by the association upon a majority vote by voting members (or other voting requirements as determined by us). Non-traditional units may not be required to participate in cooperative marketing. You and other franchisees in the cooperative will be responsible for the administration of the association. Governing documents will be provided by us or by the cooperative and approved by us. At this time, these governing documents are not available. Voting will be on the basis of one vote per company-owned location and one vote per franchise in good standing within the cooperative. Members of the cooperative must make contributions pro rata based on the number of units in the cooperative. The timing and amount of contributions you make may vary according to the vote and rules of the advertising cooperative, but will not exceed your required annual local marketing percentage in any single year, unless a majority of the members in your advertising cooperative vote to increase the contribution percentage. This is in addition to your contributions made to the marketing fund. We and our affiliates and our company owned stores are not required to contribute to advertising cooperatives. All of our franchisees are required to contribute to advertising cooperatives. However, contributions by our franchisees to advertising cooperatives may not be uniform. We may require the cooperative, at the cooperative's expense, to prepare unaudited annual financial statements and these will be available for review by all franchisees in the cooperative and us [franchise agreement section 5.3.3].

Internet and Social Media

You may not create a website or social networking site or engage in marketing on the Internet, including posting for re-sell, items on third party re-sell or auction style websites such as, eBay®, Craigslist or Amazon.com, for your franchise business without our prior written permission. If we do provide written approval to create your own website or social media for the franchise business, all content must be pre-approved by us in writing, and you are required to provide us administrative access, account information and other information related to any of your websites and social media. If we allow you to use social media in your business, all social media you develop or use must be attached only to the email address we provide to you or approve. Additionally, any website or social media you are allowed to create must be ADA compliant. You may be allowed to place pre-approved information concerning your franchise business on our website and social networking sites such as Facebook, Twitter, and Instagram as developed by us. You may not claim any web listing on sites such as Yelp or Yellowpages.com. You must strictly comply with our policies and procedures regarding websites, social media, and Internet marketing. We reserve the right to restrict your right to use these sites in the future [franchise agreement section 10.4].

You must at all times maintain and frequently check a valid email address known and available to us, to facilitate our communication with you.

Computer / Point of Sale System / Payment Processing

You are required to purchase an apple computer system as designated by us. We require the use of our point of system to be purchased from us or a designated supplier. The POS system will provide:

- Reporting of sales
- Time keeping for employees
- A customer data base

- Gift card tracking
- Credit card payment
- Coupon tracking

We will have independent access to the above information and data collected or generated by the computer and the POS. There are no contractual limits on our rights to do so. You must keep these systems available for our access 24 hours a day, 7 days a week. We may require updates and upgrades to your computer hardware, software and POS system at your expense during the term of the franchise agreement. There are no contractual limitations on our right to do so. The estimated cost for the purchase of the POS system, computer, payment processing system, and related software is between \$9,000 to \$15,000. You are required to use our designated merchant services or payment processor and you must pay all monthly, annual, service, and upgrade fees as determined by such provider. Our merchant processor charges a variable merchant transaction fee, which currently averages to around 2.36% per transaction, which is deducted from the Transaction Processing Fee above and paid to our processor. We retain/receive the difference between the Transaction Processing Fee and our merchant's transaction fee, a portion of which we use to cover certain processing costs. These fees are subject to change in the future. The required or designated provider may change at any time, and you are required to comply with any changes and are solely responsible for the fees associate with any changes [franchise agreement sections 5.12 and 6.1.12].

We estimate the annual costs to maintain, upgrade and support your computer and POS system to be between \$0 and \$1,000. We are not required to maintain, repair, update and/or upgrade your computer or POS system. There are no contractual limitations to the frequency and cost of the obligation to upgrade and maintain the computer or POS system [franchise agreement paragraph 6.1.12]. For defective equipment, products, software or other items purchased by you, you must deal directly with that manufacturer. We are not responsible for claims or damages incurred by you as a result of you using our POS system [franchise agreement section 8.5].

Incentive Programs

You are required to participate in the loyalty, gift card, discount, and coupon programs as developed by us. You are required to accept Crumbl® gift cards at your location. We will determine how gift cards may be redeemed and what costs our locations will bear. You will pay us a gift card program fee (see Item 6). The incentive programs, including our gift card program, are further described in our Manuals, which we may update at any time [franchise agreement paragraph 6.2.2(ii)].

Accounting

We also require you to use the QuickBooks Online accounting system. Currently, QuickBooks Online is provided via a monthly subscription fee of approximately \$70 per month. We require that we have independent access to your account. We also reserve the right to require you to follow our accounting procedures and line items, including standardized profit and loss statement templates, balance sheet templates, and charts of account as we may designate [franchise agreement section 5.5 and paragraph 6.1.12 (i)].

You will be required to use only the standardized profit and loss statement templates and balance sheet templates that we will provide you [franchise agreement section 5.5(i)].

Area Development Agreement

Your rights under the area development agreement are territorial only and do not give or imply a right to use our trademarks or system. Our only obligation is to provide a territory where you have the option to develop the number of Crumbl® franchise businesses provided in the area development agreement. After you have identified a potential site for a location, we must approve the location. Our approval of the site and the territory boundaries of the franchise business will be determined solely by us and based on our then-current standards [area development agreement paragraph 2.1 and franchise agreement section 1.1].

Initial Training

Your primary owner and your manager(s) are required to successfully complete our initial training program prior to opening of your franchise business, the first part of which is an online self-guided training course which takes approximately 15 to 20 hours to complete. We may require, at our discretion, a second portion of training, which is an in-person training conducted by our designated trainer at our headquarters in Lindon, Utah, a franchise location, or another location designated by us, which currently lasts around 10 to 14 days. The first and second (if we require) parts of the initial training must be completed at least 1 week before you open. The third and final part of the initial training is an in-person training conducted by our designated trainer at your store for around 6 to 12 days. This typically will occur during and through your grand opening. We may send one or multiple designated trainers to conduct the second and third training sessions. The total length of training is generally 18 to 29 days but could be longer if your primary owner or Your designated manager fails to successfully complete the training. The initial training fee is \$8,000. [franchise agreement section 7.3 and paragraph 6.1.4].

You must provide us a valid certificate of occupancy for your premises before we send any representatives to provide in-person training at your premises. Initial training is offered on an as-needed basis as scheduled by you and approved by us. If you postpone or reschedule the opening of your business from the date originally set by you, you must reimburse us for all of our costs to reschedule our opening assistance for you. Successful completion of the initial training program is determined by our trainers and training must be completed to our satisfaction. Failure to have your primary owner and your manager to successfully complete initial training is a default of the franchise agreement. You must pay for the travel, lodging, food, salaries, and other expenses of your attendees. Each person must attend the same in-person training session. The estimated cost of initial training is listed in Item 5 and Item 7 and is estimated to be between \$20,000 to \$30,000. This estimate assumes that you will have 4 people attend and complete the training [franchise agreement section 6.1.4]

For reference, the “primary owner” is: a) if the franchisee is an individual, that individual; or b) if the franchisee is an entity, an individual that owns the greatest percentage of the ownership and voting interests in the franchisee entity (unless you obtain our written approval of a lower percentage), has authority over all business decisions related to the franchise business, and has the power to bind the franchise business in all dealing with us.

Each attendee of a training program may be required to successfully pass the technical exam with a passing score of 85% as a prerequisite to completing the training and/or achieving operating manager’s status with Crumbl®. Attendees must sign our brand protection agreement before attending training [franchise agreement paragraph 6.1.4(iv)].

This initial training is provided by instructors whose experience is described below and in Item 2 if the trainer is part of management. Below is a table listing the subjects taught and the amount of classroom and onsite training provided as part of the initial training.

Taylor Dixon

Taylor Dixon is our Senior Director of Instructional Design and has held this position since July 2025. He oversees the design and production of our internal training content and curriculum. Previously, he was our Director of Instructional Design from February 2022 until July 2025, where he supported various aspects of our internal training content and curriculum.

Training Team

Our training team is comprised of approximately 20 to 30 franchisee owners whose experience with Crumbl ranges from 1 to 6 years. These franchise owners are supported by a group of our instructional design and training store program teams, comprising approximately 25 to 30 people who assist with in-store training instruction and training content. Their experience in these areas ranges from 0 to 3 years and they come from diverse educational and business backgrounds.

We may provide access to our manuals, videos, or other materials to facilitate training.

Annual Training

At our discretion, up to two times each calendar year, at dates and locations designated by us, we may require your primary owner and/or designated manager to attend and complete training or operational review sessions with our representatives. These sessions will address topics and training areas that we determine, and their duration will be set at our discretion; however, they typically last between one and three days. We charge a fee of \$500 per person for such training session. The cost of travel, food, lodging, salaries, and other expenses of you and your attendees will be borne by you [franchise agreement paragraph 7.3.4].

We may also require you to implement a training program related to brand and trademark quality control for your employees in accordance with our manuals and all other training programs as may be specified by us from time to time [franchise agreement paragraph 7.3.2].

Interim Training

In the event of the poor performance of your franchise business as determined by the metrics set forth in our manuals, or your noncompliance with the franchise agreement or our manuals, we may elect to provide additional training as we deem advisable for a fee. Our current fee for such training is \$500 per trainer, per day. In addition, you must also pay all travel, lodging, food, and other expenses for our representative(s) and your attendees and other expenses that may be incurred by us to perform such services. Such training will take place at your location or another location that we designate.

At this time, other than listed above, no additional trainings or refresher courses are required.

ITEM 12 TERRITORY

Grant of Territory

Under the franchise agreement, we will grant you the right to use the system and proprietary marks solely at a specific location within a specific geographic area, which will be negotiated and approved by us prior to signing the franchise agreement and are described in the franchise agreement.

Size of Your Territory

The specific size of your territory is set by us based upon the population density, the business base in the territory, whether your location is in a metropolitan or rural area, and other comparable factors. There is no minimum size for a designated territory, but our territories are generally set between 1 to 2 miles from your premises in all directions. We may set the boundaries of your territory based on zip code, boundary streets, highways, county lines, designated market area, radius from a specific address, and/or other recognizable demarcations. We may adjust the boundaries of your territory at the end of your initial franchise term and any successor franchise term, or if the population in your territory increases to a total of 100,000 residents or more.

Territory Restrictions

You are restricted to operations from the approved franchised premises and may not, without our prior written approval, open or operate another outlet whether inside or outside the territory, or to provide mobile or off-site services. You may not service customers within another franchisee's territory. You must actively sell your franchise business products and services in your territory. You do not have the right to sell products or services through other channels of distribution, including the Internet, via apps or social media, except as expressly permitted by us.

Relocation

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. You must give us at least 60 days' prior written notice of your desire to relocate. You must obtain our prior written permission if you want to relocate your franchise, and you must be able to demonstrate to us that you have the financial ability to relocate. Approval to relocate is based on the then-current criteria used in approving a new franchisee's proposed site. You must pay us a relocation fee to cover our costs to review relocation, whether or not we approve the relocation.

Minimum Sales Requirement

Your franchise agreement is dependent upon achievement of a minimum sales volume, market penetration or other contingency. Specifically, starting in the first full calendar year in which you are in business and for each calendar year thereafter, you must achieve a minimum of \$100,000 in annual gross sales. Failure to meet this requirement may result in the creation of a sales performance plan with us in which you will be given a period of time in which to increase sales to achieve this requirement or face possible termination of the franchise agreement.

Advertising Within and Outside the Territory

Other franchisees may advertise within your territory and you may advertise within other territories, subject to our prior written approval.

Options to Acquire Additional Franchises

You do not receive the right or option to acquire additional franchises.

No Exclusive Territory

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Non-Traditional Outlets

We and our affiliates, exclusively reserve the right to sell Crumbl® products and products under other brands we control, at our discretion, either personally or through agents, representatives, licensees, or franchisees, both within and without your territory, through non-traditional outlets without paying compensation to you. The term non-traditional outlet refers to all locations and opportunities that are not a traditional Crumbl® franchise location and includes locations at convention centers, sporting arenas, airports, bookstores, malls, grocery and convenience stores, or other similar locations.

We expressly reserve the right to sell, market and distribute the Crumbl® products and related products to all national accounts, both within and without your territory. A "national account" is defined as

a company with multiple units or outlets located in more than one geographical area or territory. We will, subject to compliance with applicable laws, designate if and how franchisees will sell or service national accounts.

Our Rights to Use Channels of Distribution in Your Territory

We and our affiliates exclusively reserve the right to sell, market and distribute Crumbl® products and products under other brands we control, either personally or through agents, representatives, licensees, or franchisees, both within and outside your territory using other marketing strategies and distribution channels including the Internet, apps, social media, catalog sales, direct sales, retail or wholesale outlets, general media marketing, retail units, and national business accounts, and/or co-branding with others without compensation to you. Through these other marketing strategies and distribution channels we may sell similar products or services in your territory under the same or different trademark, without compensation to you.

Competition by Us Under Different Trademarks

Our affiliate, Crust Club Franchising, LLC (“Crust Club”), operates and franchises a business under the Crust Club® trademark and sells or may sell goods or services similar to those you will offer as a Crumbl® franchisee. Crust Club offers a variety of bakery and savory goods, including hand pies, pies, casseroles, bread, rolls, pasta, bakes, potatoes, frozen and prepared dinners, soups, chili, and other similar items. The outlets are, or may be, owned by Crust Club, its franchisees, or its affiliates. Crust Club, its franchisees, or affiliates will or may solicit or accept orders within your territory. Crust Club is currently operating its franchised and company-owned system and intends to continue developing. In the event of a dispute between the Crumbl® and Crust Club® systems, we reserve the right to evaluate and resolve such conflicts related to territory, customers, and franchisor support, by exercising our best business judgement for the benefit of the Crumbl® system, at our sole discretion. Crust Club’s principal address is 333 East Main Street #548, Lehi, Utah 84043.

Except as stated above, neither we, nor an affiliate operates, franchises or has plans to operate or franchise a business that sells or will sell goods or services similar to those sold in your franchise using a different trademark, but we reserve the right to do so in the future.

Area Development Agreement

As an area developer, you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. The size of your development territory is to be negotiated. The written boundaries will be included in your area development agreement. The schedule of units to be developed in your territory are negotiated between you and us. To maintain your territorial rights, you must develop a set number of franchise businesses in accordance with the development schedule. The territory boundaries of the individual franchise businesses within the development territory will be determined solely by us and will be based on our then-current standards.

ITEM 13 TRADEMARKS

Non-Exclusive Grant of the Trademark

As a Crumbl® franchise, we will grant you the non-exclusive right to use our principal trademarks in the operation of your franchise business. You may also use future trademarks in the operation of your franchise business, as we designate. You will not at any time acquire any rights in the trademarks. By trademarks we mean our trade names, trademarks, commercial symbols, service marks and logos.

Agreements Regarding the Trademark

Our affiliate, Crumbl IP, LLC, currently owns the Crumbl® trademarks and has granted to us a perpetual, non-exclusive license (with an initial term of 50 years) to franchise the trademarks. The license may be terminated for our default and by each party at the end of each term as provided in the license agreement. The terms and provisions of the license agreement cannot be modified without written authorization from both parties. There are no agreements currently in effect that significantly limit our rights to use or license the use of the trademarks in this franchise offering.

Improvements to the System

If you conceive or develop any improvements to the system, you must fully disclose the improvements to us, without disclosure the improvements to others and will obtain our written approval before using or implementing the improvements. All improvements you make to the system will be owned by us and considered a “work for hire” as defined in Section 101 of Title 17 of the United States Code.

Superior Prior Rights and Infringing Uses

There are presently no known superior rights in or infringing uses of the copyrights or patents that could materially affect your use of the copyrights or patents in your territory.

If you or we, during the term of your franchise agreement or any interim period, conceive or develop any improvements, changes, modifications, enhancements or additions to the Crumbl® system, our copyrighted materials, manuals, website, social media, marketing materials, apps, or any other documents or information pertaining to or relating to the system, or any intellectual property related to the system or any creative concepts, marketing and promotional ideas or inventions related to the system, whether implemented in the system or not, (collectively the “improvements”), you will fully disclose the Improvements to us, without disclosing the improvements to others and will obtain our written approval before using or implementing the improvements. All improvements you create will be owned by us and considered a “work-for-hire” as defined in Section 101 of Title 17 of the United States Code (the “Copyright Act”). If all or part of any improvement or a derivative thereof, that you create is, for any reason, deemed not to be a work-for-hire, then you hereby irrevocably transfer and assign to us or our affiliate, all right, title, interest and ownership including license rights, in the improvement or derivative, and you agree to execute any document necessary to effectuate the transfer and assignment. To the extent you have any moral or similar rights in an improvement or derivative, you expressly waive those rights. Any improvement may be used by us and all other franchisees without any obligation to compensate you. We reserve the right to make application for and own intellectual property relating to any such improvement, and you will cooperate with us in securing these

rights. We may also consider any improvement as our trade secrets. At our discretion, we may authorize you to utilize any improvement that may be developed by you, us or other franchisees.

Protection Against Infringement

You are obligated to immediately notify us when you learn about an infringement of or challenge to your use of our patents or copyrights. We will have the discretion to take the action we deem appropriate. We are not obligated to protect any rights which you have to use the patents or copyrights, or to protect you against claims of infringement or unfair competition. You are given the right to protect yourself, at your sole cost, from any of these claims if we elect not to prosecute the claim of infringement or unfair competition; however, we have the right to control any administrative proceedings or litigation involving the patents or copyrights, and you will proceed in strict coordination and oversight by us. You may not act contrary to our rights in the patents or copyrights. We are not required to defend or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the licensed patents or copyrights.

If we decide to add, modify, or discontinue the use of an item or process covered by a patent or copyright, you must also do so at your cost. You may not contest, directly or indirectly, our right and interest in our patents or copyrights and agree to execute documents and assurances necessary to effectuate these provisions. Any goodwill associated with the patents or copyrights belongs exclusively to us.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Participation and “On Premise” Supervision

Your primary owner must personally participate in the direct operation and supervision of the franchise business on a full-time basis for at least the first 60 days of operation. Thereafter, we require on-premises supervision by your primary owner or your designated manager who must be certified by us to manage your franchise business. Your primary owner must work sufficient hours to operate your franchise business or supervise your manager so that your franchise business is operating at maximum capacity and efficiency.

You must also maintain sufficient supplies and materials and employ adequate personnel to operate the franchise business at maximum capacity and efficiency. Your primary owner must conduct frequent inspections of the franchise business to ensure the highest standards of professionalism, cleanliness and a general pleasant appearance, and compliance with our approved methods.

You must have at least your primary owner or one store manager trained by us on-site at your franchise business during the majority of your store’s operating hours. Your primary owner and store manager must be available for communication with us and your store during all operating hours. Your store manager may not manage more than one Crumbl® store at a time and is not required to have any equity interest in your franchise business. Although we do not require your primary owner to be involved in the day-to-day on-premises management, except as required above, your primary owner is required to participate in your franchise business as follows: (i) be directly responsible for all accounting, reporting, bookkeeping, and decision-making regarding your franchise business; (ii) attend and complete all training and retraining courses required by us; (iii) attend any annual or special meetings of franchisees called by us; (iv) be directly involved with site selection, construction, remodeling and all financial components of the franchise business; (v) be involved directly in all personnel decisions affecting the franchise business; (vi) conduct frequent inspections of the franchise business operations to ensure the highest standards of professionalism,

cleanliness and a general pleasant appearance, and compliance with our approved methods; (vii) be in direct contact with the franchise business on at least a weekly basis; and (viii) be attentive and responsive to all inquiries and communications from us.

Who Must Attend and Successfully Complete Training

Your primary owner and at least one manager, if separate from you, must complete the initial training program. We do not put a limitation on whom you can hire as your manager, but your manager and any subsequent manager must complete and pass our training program before they can manage a franchise business. To pass training, your manager must demonstrate competence in several areas of running a franchise business. These areas include: knowledge of basic policies and procedures, minor equipment assembly, customer service, equipment maintenance and sanitization, daily operations, record keeping, basic accounting techniques and ability to train employees.

No Competing Enterprises

Neither you, your owners, nor your management employees can have an interest in or business relationship with any cookie, soda, or bakery dessert business, including any business whose gross sales total more than 10% in any of the following products: cookies, donuts, sodas, or other bakery desserts, or other business offering products or services competitive to those of Crumbl®, during the term of the franchise agreement and afterward for a period of 3 years and must keep free from activities that would be detrimental to or interfere with the operation of your franchise business or detrimental to the franchise system. You, your partners, directors, members, shareholders, and primary owner will be required to sign our standard principal brand protection agreement to protect and keep confidential our trade secrets and confidential information and to conform with the covenants not to compete described in Item 17 (See franchise agreement exhibit A-4). Your employees will also be required to sign a brand protection agreement. It is your responsibility to conform it to the laws and regulations of your state (see franchise agreement exhibit A-5).

Required Operations

You must operate the franchise business at 6 days per week throughout the year, and at the hours we designate in our manual, which may range from 8:00 a.m. until midnight each day, except that you are not required to operate on the following holidays: New Year's Day, Thanksgiving Day, Christmas Eve, and Christmas Day. You may not operate the franchise business, including working inside Your franchise premises, on Sunday, except for bona fide emergencies or as otherwise permitted by Us in writing. We reserve the right to require you to operate more frequently or at different times.

Personal Guarantees

Any individual who owns any equity interest in the franchise business must personally guarantee the performance of all your obligations under the franchise agreement and agree to be personally bound by, and liable for, the default of every provision of the franchise agreement.

Owners of the Franchise

You must disclose to us all of the individuals and entities, along with all of their sub-owners down to the level of their individual owners, who own any interest in your franchise business and each of their states of residency. We reserve the right to decline entering into a franchise agreement and/or area development agreement with you or approving a transfer of your franchise agreement and/or area

development agreement, your entity, or your franchise business if your entity, or the transferee's entity, comprises, or will comprise, an excessive number of individuals, as determined by us in our sole discretion.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must provide and sell only those products and services specified and approved by us in writing. No product or service may be added to, altered, or discontinued by your franchise business unless it is first approved by us in writing. You must offer all products and services required by us. We reserve the right to add, modify, or delete products and/or services that you will be required to offer. There are no limits on our right to do so. You must strictly follow our policies, procedures, specifications, methods and techniques concerning all of products and services. You may sell such approved products and services to all customers within your territory, except that we exclusively reserve the right to sell Crumbl® products and outlets through non-traditional franchises at our discretion, both within and without your territory, without paying compensation to you.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

FRANCHISE LOCATION AVERAGE PERFORMANCE

The representation made below is a historic financial performance representation of a subset of Crumbl® locations that operated continuously through all of 2025, subject to certain assumptions specified below. The total number of franchised outlets that operated continuously through 2025 was 1,048. Of those, 776 locations timely submitted complete financial reports by the first issuance date of this disclosure document, representing approximately 74% of such outlets. Among the locations not included in the data are 8 that closed during 2025, none of which had been open less than 12 months before closing. The following data represents the average, high, median, and low 2025 calendar year financial data for such 776 Crumbl® locations. The chart shows the Gross Sales (defined below) for the 2025 Calendar year from such locations. These locations operated in several states across the United States. These locations serve the same type of goods that you will be serving. These locations are each within territories of approximately 40,000 to 150,000 people.

2025 Calendar Year	Average	Median	High Store	Low Store
Gross Sales	\$1,139,162	\$1,093,071	\$3,421,762	\$365,129

*Out of the pool of such 776 Crumbl® locations that operated continuously for the 2025 calendar year, timely submitted their complete financial reports, and are included in the data above, 346 locations (approx. 45%) met or surpassed the average Gross Sales

**Note that the total franchised locations that were operating at the end of 2025 was 1,101, but 272 of these locations were not included in the data set above because they did not timely submit complete financial information and 53 of these locations were not included because they did not operate for the entire year in 2025.

Definitions

“Gross Sales” means the total amount of all revenue generated from the sale of goods, merchandise, products, or services, less only discounts, returns, allowances, rebates, and sales and use tax imposed by governmental authorities on the sale of products or services.

The financial performance representation figures do not reflect the costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, Crumbl Franchising, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Jason McGowan at franchising@crumbl.com and (385) 273-7119, the Federal Trade Commission, and the appropriate state regulatory agencies.

List of Franchisees

Exhibit “D” contains a list of our current franchisees. Exhibit “D” also contains a list of franchisees who have had an outlet terminated, cancelled, not renewed or otherwise voluntarily or involuntarily ceased to do business under a franchise agreement during the most recently completed fiscal year or who have not communicated with us within 10 weeks of the issuance date. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

Confidentiality Agreements

During the last three fiscal years, franchisees have signed confidentiality clauses that restrict them from discussing with you their experiences as a franchisee in our franchise system. These primarily are former franchisees that have transferred their location and have signed our general release agreement, which contains a confidentiality clause.

“In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with the Crumbl® system. You may wish to speak with current and former franchisees but be aware that not all such franchisees will be able to communicate with you.”

The following independent franchisee organization has asked to be included in this disclosure document. We have not created, and do not sponsor or endorse such organization.

Crumbl Franchise Partner Association
American Association of Franchisees & Dealers

**ADDENDUM TO THE CRUMBL® FDD
STATE REGULATIONS**

**SCHEDULE “A-1”
TO THE FDD**

**STATE REGULATIONS
FOR THE STATE OF CALIFORNIA**

It is unlawful to sell any franchise in California that is subject to registration under this law without first providing to the prospective franchisee, at least 14 days prior to the execution by the prospective franchisee of any binding franchise or other agreement, or at least 14 days prior to the receipt of any consideration, whichever occurs first, a copy of the franchise disclosure document, together with a copy of all proposed agreements relating to the sale of the franchise.

1. The California Franchise Investment law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the disclosure document.
2. The California Franchise Relations Act, Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with California law, California law controls.
3. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.)
4. The disclosures regarding non-competition obligations that extend beyond the termination of the franchise are not applicable to residents of the State of California as of the effective date of the franchise agreement. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be fully enforceable under California law.
5. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
6. The franchise agreement requires binding arbitration. The arbitration will occur at Salt Lake County, Utah with the costs being borne by you for travel to, and lodging in, Utah, and other costs associated with arbitration. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and Federal laws (this or these as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 128a, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
7. The franchise agreement requires application of the laws of Utah, but the California franchise laws may prevail in some instances. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California laws.
8. You must sign a general release if you transfer, renew or terminate your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
9. Neither franchisor nor any person listed in Item 2 of the disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling this or these persons from membership in such association or exchange.

10. Section 31125 of the California Corporations Code requires the Franchisor to give the franchisee a disclosure document, in a form and containing such information as the Commissioner may by rule or order require, before a solicitation of a proposed modification of an existing franchise.

11. OUR WEBSITE at www.crumbl.com HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

12. The franchise agreement provides for waiver of a jury trial. This may not be enforceable in California.

13. Item 6 under Late Fees is amended to include the following:

“The highest interest rate allowed in California is 10% annually.”

14. Item 19 is amended to include the following:

“The earnings claims figures do not reflect the costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in this offering circular, may be one source of this information.”

15. Franchisees and all owners must sign a personal guarantee, making you individually liable for your financial obligations under the agreement. The guarantee will place your personal assets at risk if your franchise fails.

16. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

17. **Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner of the Department of Financial Protection and Innovation.**

18. California’s Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representation it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

19. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. See NASAA STATEMENT OF POLICY REGARDING THE USE OF FRANCHISE QUESTIONNAIRES AND ACKNOWLEDGMENTS. <https://www.nasaa.org/wp-content/uploads/2022/11/sop-franchise-questionnaires.pdf>.

20. The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has

imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre- opening obligations and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR THE STATE OF HAWAII

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

1. The Hawaii franchise investment law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the disclosure document.

2. Hawaii Revised Statutes, Title 26, Chapter 482E, Section 482E-6 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with Hawaii law, the law will control.

3. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.)

4. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under Hawaii law.

5. The franchise agreement requires application of the laws of the State of Utah. This provision may not be enforceable under Hawaii law.

6. The franchise agreement requires *you* to purchase certain goods from designated sources of supply. This provision may not be enforceable under Hawaii law unless such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds.

7. Upon termination or refusal to renew the franchise, Hawaii law requires that the franchisee be compensated for the fair market value of the franchisee's inventory, supplies, equipment and furnishings purchased from the franchisor or a supplier designated by the franchisor; provided that personalized materials

which have no value to the franchisor need not be compensated for. If the franchisor refuses to renew a franchise for the purpose of converting the franchisee's business to one owned and operated by the franchisor, the franchisor, in addition to the remedies provided in this paragraph, shall compensate the franchisee for the loss of goodwill. The franchisor may deduct from such compensation reasonable costs incurred in removing, transporting and disposing of the franchisee's inventory, supplies, equipment, and furnishings pursuant to this requirement, and may offset from such compensation any monies due the franchisor.

8. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Item 5 of the FDD and Section 4.2 of the Franchise Agreement are amended as follows:

Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

This provision supersedes any other term of any document executed in connection with the franchise.

In fiscal year 2023, the Franchisor’s affiliate derived more than \$31M in revenue from purchases required to be made by franchisees.

You are required to contribute to an Advertising Fund. The Franchisor may use up to 50% of those fund contributions to advertise and solicit new franchisees.

There are issues with the Franchisor’s trademark and name. Read Item 13 in the disclosure document carefully to make certain that you understand the potential repercussions of trademark interference, oppositions, and cancellations.

Franchisor will defer payment of the initial franchise fee and other initial payments owed by franchisees to the Franchisor until the Franchisor has completed its pre-opening obligations under the franchise agreement and the franchisee has commenced business operations. The Illinois Attorney General’s Office imposed this deferral requirement due to Franchisor’s financial condition.

**STATE REGULATIONS
FOR THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents under a franchise:

1. A prohibition on the right of a franchisee to join an association of franchisees.
2. A requirement that a franchisee assent to a release, assignment notation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure failure after being given written notice thereof and a reasonable opportunity, which in no event need to be more than 30 days, to cure failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area after to the expiration of the franchise or the franchisee does not receive at least 6 months’ advance notice of franchisor’s intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - a. The failure of the proposed transferee to meet the franchisor’s then current reasonable qualifications or standards.

b. The fact that the proposed transferee is a competitor of the franchisor or sub franchisor.

c. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

d. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

9. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. **Fee Deferral.** In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens under the Area Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.

The undersigned does hereby acknowledge receipt of this addendum.

WHEREAS, We have developed, or acquired the rights to, a system for the operation of a cookie and dessert business known as Crumbl®, offering to the public cookies, desserts, sodas, and other related products and services (“Franchise Business” or “Crumbl® Business”). The system includes, the Franchise Business, specific Marks, interior design, store layout and décor, color schemes, standards, Manuals, Recipes, menus, processes, services, know-how, operating procedures and Marketing concepts, business formats, specifications for the use of certain equipment, the sale of products, food and supply items, and the use of proprietary and Confidential Information and other Intellectual Property (“System” or the “Crumbl® System”); and

WHEREAS, We will provide You with Our confidential Manuals and other materials as created by Us;

WHEREAS, You are desirous of entering into an agreement with Us so as to be able to obtain the rights to operate a Franchise Business using the System developed by Us;

WHEREAS, Fees due under this Agreement are set forth on Exhibit A-3 to this Agreement; and

WHEREAS, Article XXI contains certain definitions which apply to this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, recitals, obligations, terms and conditions herein contained, and the acts to be performed by the respective parties hereto, the parties hereto agree as follows:

ARTICLE I
AWARD OF FRANCHISE

1.1 Award of Franchise. We hereby grant to You, and You accept, subject to the terms and conditions herein, the non-exclusive, non-sublicenseable personal right to establish and conduct a Franchise Business as a franchisee and the right to use the System and the Marks only as specifically set forth herein. This right is granted for use only at a single location approved by Us (“Premises”) within Your territory (“Territory”), which are set forth on Exhibit A-1. You must operate Your Franchise Business at the Premises within the Territory approved by Us in strict compliance with the terms and conditions of this Franchise Agreement and the Manuals.

1.1.1 Territory Rights. Except as set forth in Section 1.3 below, We will not establish or operate a traditional company-owned outlet or grant to any person or entity a franchise within the Territory using the same System as that licensed by this Agreement.

1.1.2 Territory Adjustment. We may also adjust the boundaries of Your Territory at the end of the Term and any Successor Franchise Term, or if the population in Your Territory increases to a total of 100,000 residents or more as measured from the date of this Agreement.

1.2 Scope of Franchise Operations. You must at all times comply with Your obligations hereunder and must continuously use Your best efforts to promote and operate Your Franchise Business.

1.3 Franchisor Reservation of Rights. You expressly acknowledge and agree that all rights not specifically granted to You in this Agreement are reserved to Us. Nothing contained herein prevents Us from granting the right to establish or operate, or Us establishing, owning and operating a Franchise Business or similar operation outside of the Territory. We and Our affiliates, exclusively reserve the right to sell Crumbl® products and products under other brands We control, at Our discretion, either personally or through agents, representatives, licensees, or franchisees, both within and without Your Territory, through Non-traditional Outlets without paying compensation to You. The term “Non-traditional Outlet” refers to all locations and opportunities that are not a traditional Crumbl® franchise location and includes locations at convention centers, sporting arenas, airports, bookstores, malls, grocery and convenience stores, or other similar locations. Furthermore, We and Our affiliates expressly reserve the right to sell, Market and distribute all Crumbl® products and products under other brands we control, either personally or through agents, representatives, licensees, or franchisees, both within and outside Your Territory using other Marketing strategies and distribution channels including the Internet, apps, Social Media, catalog sales, direct sales, retail or wholesale outlets, general media marketing, retail units, National Accounts, and/or co-branding with others without compensation to You. You may not sell Our products and/or services using such reserved Marketing strategies and distribution channels without Our prior written permission. A “National Account” is defined as a company with multiple units or outlets located in more than one geographical area or territory. We will designate if and how franchisees will sell or service National Accounts.

1.3.1 Online and Delivery Orders. We may manage and assign online and delivery orders that We receive via our website, Our Crumbl® App, and similar channels. Our procedures for managing online and delivery orders are set forth in Our Manuals, which We may amend from time to time. Currently, online and delivery orders that We receive are generally assigned to the store closest to the customer’s address (based on straight-line distance), but We reserve the right to assign orders to alternative Crumbl® locations based on criteria that, in Our sole discretion, are in the best interest of the customer and/or the System, including customer preference, traffic patterns, driving times and distances, a store’s inventory counts, product selection, store ratings, and similar criteria.

1.4 Primary Owner. You shall notify Us who Your Primary Owner (defined below) is and ensure that Your Primary Owner always meets the requirements as defined below in Article XXI. You agree, represent, and warrant that Your Primary Owner has the authority to speak for and bind You in all matters pertaining to this Agreement and Your Franchise Business.

1.5 Restriction of Rights. The rights and privileges granted to You under this Agreement are personal in nature. This Agreement is granted solely for the operation of a Franchise Business at the Premises, and will not extend to the operation of a Franchise Business or any other use of the System from any other location within or outside Your Territory, or in any other manner, except as may be allowed by this Agreement. You cannot operate any other business from the Premises other than the Franchise Business.

1.6 Minimum Gross Sales Levels. Starting in the first full calendar year of Your Franchise Business, You are required to achieve a minimum of \$100,000 in annual Gross Sales (“Minimum Sales Level”) for each year Your Franchise Business is open. In the event You fail to meet the Minimum Sales Level in any given year, You are required to initiate preparation of a sales performance plan (“Performance Plan”) and strictly coordinate with Us in developing the Performance Plan. This Performance Plan will outline requirements You must implement into Your Franchise Business and a period of time in which You have to meet the Minimum Sales Level. Failure to strictly comply with the Performance Plan may result in Termination of this Agreement.

ARTICLE II TERM AND SUCCESSOR FRANCHISE

2.1 Term. The term of this Agreement begins on the Effective Date and terminates 10 years thereafter (“Term”), unless terminated earlier pursuant to Article XI herein. If We are required by law or otherwise to give You notice before the Termination of this Agreement, and fail to do so, this Agreement will remain in effect from month-to-month until We have given the required notice.

2.2 Successor Franchise. If You are not in default of the terms and conditions hereof and have throughout the Term: 1) complied with and timely met all material terms and conditions of this Agreement; 2) complied with the Standards and any required modification to such standards and procedures; 3) timely paid all monetary obligations owed to Us; and 4) You are not subject to any pending litigation or governmental proceeding which could have a material adverse effect upon You or Your Franchise Business, You may apply for the right to enter into a successor franchise for the operation of a Franchise Business (“Successor Franchise”) for an additional term of 10 years (“Successor Franchise Term”), subject to the conditions and requirements herein. To obtain a Successor Franchise, You must request, in writing, that we grant you a Successor Franchise by giving Us written notice by: certified mail, personal delivery, or via email with a confirmed delivery and read receipt, between 6 and 12 months prior to the expiration date of the Term, or the Successor Franchise Term, as applicable. We will then provide you with an application for a Successor Franchise (“Successor Franchise Application”), which You must complete and return to Us within 10 days after We deliver it to You. Your failure to give such notice or return a completed Successor Franchise Application will constitute an election not to enter into a Successor Franchise. If You fail to enter into a Successor Franchise Agreement for any reason but continue to operate Your Franchise Business, at Our election, You will be deemed to have renewed on a month-to-month basis, requiring You to abide by Our then-current Fees. Your month-to-month Franchise Business may be terminated only by Us upon 30 days’ prior written notice to You for any reason whatsoever.

2.2.1 Evaluation of Application. We will evaluate Your Successor Franchise Application under substantially the same standards we apply to new franchise applicants, as well as based on our experience with You as Our franchisee, including Your financial strength and access to capital, business operations, personal character and temperament, and Your history of performance and compliance under this Agreement.

2.2.2 Notice of Approval/Non-Approval. We will approve or deny Your Successor Franchise Application within 60 days of Our receipt thereof by providing You written notice, or as otherwise required by law.

2.2.3 Upgrading Your Franchise Business. As a condition to Us approving You entering into a Successor Franchise, at Your expense, You are required to renovate, remodel,

redecorate, resign, refixture, upgrade, and/or otherwise refurbish Your Franchise Business and Premises to the extent and in the manner specified by Us to conform with and bring it up to the standards and image as We determine. You shall make such improvements within the time periods We specify.

2.2.4 Successor Franchise Training. As a condition to Us approving You entering into a Successor Franchise, You, Your Primary Owner, and Your designated manager(s) may also be required to attend and successfully complete any training, certification and other programs at such times and locations as We specify. You are required to cover the expense of travel, meals, lodging, and other related costs for such training.

2.2.5 Successor Franchise Agreement. As a condition of entering into a Successor Franchise, You must execute Our then-current form of Our franchise agreement and related agreements and documents (“Successor Franchise Agreement”) and Your Owners must also execute our then-current form of personal guarantees and related documents that We require. You and Your Owners must sign a general release of all claims against each Crumbl Party arising from this Agreement, the relationship created herein, or Your Franchise Business. If You fail to execute such a release, the signing of the Successor Franchise Agreement will be the equivalent of the granting of such a release. **You acknowledge that Our then-current Successor Franchise Agreement may contain Fees and charges, territorial, terms, and other changes and provisions that may be materially different from those contained in this Agreement, including terms affecting payments to Us and Our affiliates.** The Successor Franchise Agreement will supersede in all respects the terms and conditions of this Agreement, and You will be obligated to comply with all requirements of new franchisees. You must sign and return to Us the Successor Franchise Agreement within 30 days prior to the expiration of this Agreement, or You will, at Our election, be deemed to have withdrawn Your request to enter into a Successor Franchise Agreement and this Agreement will terminate at the expiration of the Term (except as otherwise provided in Section 2.2). You acknowledge and agree that this Agreement does not grant you any automatic extension rights, and that the sole basis for any extension of your rights to operate Your Franchise Business beyond the Term, or enter into a Successor Franchise, is in this Section.

2.2.6 Successor Franchise Fee. If approved for a Successor Franchise, You must pay to Us a non-refundable Successor Franchise Fee set forth in Exhibit “A-3,” payable in full at the time of execution of each Successor Franchise Agreement.

ARTICLE III INTELLECTUAL PROPERTY

3.1 Intellectual Property. You acknowledge that: 1) We have the sole rights in and to the System; 2) Your right to use the System is granted by Us solely pursuant to the terms of this Agreement; and 3) as between You and Us, We have the sole right to license and control the Marks, System, and all copyrights, Confidential Information, trade names, trade dress, and other Intellectual Property.

3.2 Use of Intellectual Property. You have a non-exclusive right to use the Marks and other Intellectual Property only in connection with Your Franchise Business and in accordance with Our Manuals and this Agreement. You understand and agree that the use of the Intellectual Property, System and goodwill are all temporary benefits and expire with the Termination of this Agreement. You expressly covenant that during the Term and after the Termination thereof, not to: 1) directly or indirectly contest or aid in contesting the validity of Our ownership of, or rights in, the Intellectual

Property; 2) in any manner interfere with or attempt to prohibit Our use of the Intellectual Property and derivatives thereof or any other name, trademark or service mark that is or becomes a part of Our System; or 3) interfere with the use of the Intellectual Property by Our other franchisees or licensees at any time. You shall not use the Intellectual Property and System for any purpose other than in connection with the operation of Your Franchise Business and may only use the Intellectual Property in the manner allowed by this Agreement.

3.3 Our Marks. You acknowledge that as between You and Us, the Marks and derivatives thereof are valid trade names, trademarks and service marks owned by Us or licensed to Us.

3.4 Use of Marks. You must only use Our Marks licensed by this Agreement and only with the letters “TM,” “SM” or “®,” as appropriate, approved, and as instructed by Us, whenever and wherever such Marks are used. You may not use Your own name or any other name service or product in connection with any of Our Marks without Our prior written consent. You are prohibited from using any Mark in connection with the performance or sale of any unauthorized service or product. You cannot use the Marks in any manner that would or may cause the Marks or the System to be subject to any ill repute or negative publicity. You cannot use the Marks on any inter-company documents to identify Your Franchise Business or entity (including in or on employee manuals, handbooks, emails, letterhead) or on business checks or bank accounts. All communications with Your employees will be under Your entity name.

3.4.1 Cooperation. You must execute any and all additional papers, documents and assurances in connection with the Marks or other licensed trademarks and intellectual property as reasonably requested by Us and agree to fully cooperate with Us and any of Our other franchisees or licensees in securing all necessary and required consents of any state agency or legal authority for the use of the Marks or any other name, trademark, service mark, logo or slogan that is now or later becomes a part of Our System. You further agree to immediately notify Us as soon as You become aware of any infringement or apparent or alleged infringement of the Marks or any part of the Intellectual Property.

3.4.2 Use in Marketing. The use of the Marks in Marketing is forth in Article X.

3.4.3 Modification of Marks. We have the right, in Our reasonable discretion, to require You to change, modify or discontinue the Marks or to use one or more additional trademarks, service marks, logo types and/or other symbols in connection with the operation of the Franchise Business. In that event, You must bear the cost of using such additional or modified Marks or items in accordance with Our reasonable directives.

3.4.4 No Registration. You cannot make application for registration or other protection of any of the Marks, or any other trademarks, service marks, symbols, names, slogans, logos, trade names or any items that are similar or derivatives therefrom in any jurisdiction without Our prior written consent and then only upon the terms and conditions specified by Us in connection therewith.

3.5 Copyrights. All right, title and interest in and to Copyright Materials are Our sole and exclusive property (or that of Our affiliate(s) as designated in Our sole discretion) and You shall not reproduce or replicate the Copyright Materials either during or after this Agreement. You shall not make any direct or indirect use of the Copyrighted Materials except as allowed under this Agreement.

3.6 Our Intellectual Property. The Intellectual Property and other materials and documents provided to You by or through Us will remain Our sole property (or that of Our affiliate(s) as the case may be). You acknowledge that the Intellectual Property provided to You by or through Us, and Your knowledge of Our Intellectual Property, are secret, unique and/or confidential and contain trade secrets and other material proprietary to Us (or that of Our affiliate(s)).

3.7 Sole Control. As between You and Us, We will have the sole control over any legal or administrative action concerning the proprietary names and Marks and other Intellectual Property. You must promptly notify Us in writing of any unauthorized use of our Intellectual Property, or of any claim, demand or suit by any person, corporation or other entity based upon or in connection with any of the Intellectual Property licensed hereunder in which We have an interest. In the event We undertake the defense or prosecution of any litigation pertaining to any such Intellectual Property, You agree to execute any and all documents and do such acts and things as may, in the opinion of Our counsel, be necessary to carry out such defense or prosecution. If We fail to undertake action within a reasonable time after receipt of Your notice regarding any such claim, demand or suit, then You may, with Our prior written consent (but You will not have the obligation), undertake the defense of any such proceeding and will do so at Your sole cost and in strict coordination and oversight with Us. You may not do any act or make any claim which is contrary to or in conflict with Our rights in the Intellectual Property.

3.8 Goodwill. You acknowledge that valuable goodwill is attached to the Marks and System, and that You must use the same solely in the manner prescribed by Us and will carry out Your Franchise Business under such names and Marks in accordance with the Standards established by Us from time to time. You further acknowledge that We have invested and continue to invest time and capital into promoting the System and that such promotion creates goodwill and customer association which benefits Us, You, and all other franchisees in the System. Any and all goodwill associated with the Marks and System that might be deemed to have arisen through Your activities is Our sole property and inures directly and exclusively to Our benefit, except as otherwise provided herein or by applicable law.

3.8.1 Customer Data. All Customer Data is Our sole property and inures directly and exclusively to Our benefit, except as otherwise provided herein or by applicable law. You have a royalty-free non-exclusive right to use the Customer Data during the Term. You must provide Us copies of all Customer Data upon request. You must abide by all applicable laws pertaining to the privacy of consumer, employee and transaction information, and if We allow You to use the Customer Data to transmit advertisements to customers and potential customers, You will be solely responsible to comply with the laws pertaining to the sending of emails or other transmission of information, including any anti-spam legislation.

3.9 Fictitious Business Name. You must not use Our Marks or any other name similar thereto in the name of any partnership or entity owned or formed by You, whether to own or operate Your Franchise Business or otherwise. However, within 30 days of signing this Agreement, You must file for a certificate of assumed or fictitious name or a “doing business as” name (“DBA”) using Our Marks as designated by Us, and in the manner required by the law in the state where Your Franchise Business is located so as to notify the public that You are operating Your Franchise Business as an independent business pursuant to this Agreement, and include Your assigned franchise unit designation in such filing. You shall not use the name Crumbl as part of your company or entity name except in your DBA as required herein. We must approve your DBA before You file it. You must provide Us with a copy of Your DBA registration and/or certificate upon receipt of the same, and upon Our request

from time to time. You must display a standard sign and/or plaque, as may be provided or required by Us, at Your Franchise Business location indicating that the business is independently operated and owned as a franchised business.

3.10 Maintaining Secrecy. You must: 1) fully and strictly adhere to all security procedures prescribed by Us in Our sole discretion for maintaining the secrecy of the Confidential Information; 2) disclose such Confidential Information to Your employees only to the extent necessary to Market Our products and services and for the operation of the Franchise Business in accordance with this Agreement; 3) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Us; and 4) exercise the highest degree of diligence and make every effort to maintain the absolute confidentiality of all such information during and after the Term. You shall not authorize any employee under the age of 18 to use or have access to the Recipes. You shall ensure that Your employees keep the Confidential Information strictly confidential and only use the Confidential Information as necessary for use in Your Franchise Business. You are fully responsible and liable, and shall indemnify Us and each Crumbl Party, for all actions, omissions, and negligence of Your employees.

3.11 Changes to the System. You must fully disclose all Improvements to Us, without disclosing the Improvement to others and will obtain Our written approval before using or implementing the Improvement. All Improvements are owned by Us and considered a “work-for-hire” as defined in Section 101 of Title 17 of the United States Code (the “Copyright Act”). If all or part of any Improvement that You create is for any reason deemed not to be a work-for-hire, then You hereby irrevocably transfer and assign to Us or Our affiliate all right, title, interest and ownership, including license rights, in the Improvement, and You agree to execute any document necessary to effectuate the transfer and assignment. To the extent You have any moral or similar rights in an Improvement or derivative thereof, You expressly waive those rights. Any Improvement may be used by Us and all other franchisees without any obligation to compensate You. We reserve the right to make application for and own Intellectual Property relating to any Improvement, and You will cooperate with Us in securing these rights. We may also consider an Improvement as Our trade secrets. At Our discretion, We may authorize You to utilize Improvements that may be developed by You, Us, or other franchisees.

3.12 Association with Causes or Co-Branding. You cannot, without first receiving Our written approval, in the name of the Franchise Business or in any manner associated with the Marks: (i) donate money, products, or services to any charitable, political, religious, or other for-profit or non-profit organization, or (ii) act in support of any such organization. You cannot “co-brand” or use the Marks or Your Franchise Business to associate any other business activity with the Franchise Business in a manner which is likely to cause the public to perceive it to be related to or sponsored by the System.

ARTICLE IV CONSTRUCTION, COMMENCING OPERATIONS AND LEASE

4.1 Location of Premises. You must have a site selected within 3 months of signing this Agreement. You must not commit to purchase or lease any real property or commence construction unless and until You have Our written approval of the proposed location. Unless waived by Us in writing, You must hire a local real estate broker familiar with retail/restaurant tenant representation to help You locate a site. Your Premises must strictly comply with local zoning, state, and federal laws, rules and regulations.

4.1.1 Location Approval. We must approve or disapprove of Your proposed location. However, it will be Your responsibility, at Your sole cost and expense, to select Your Premises site within Your Territory. You must provide Us with the street address of the proposed site and such other information as We request, including pictures or existing brochures of the proposed site. **We do not prepare demographic studies or otherwise evaluate the need for Our products and services in Your Territory, nor do We provide You with a site checklist or other similar information, and We do not warrant or guarantee the success of the location or site.** Location approval or disapproval should be completed by Us within 2 weeks after You have notified Us in writing that You have selected a prospective location. If within 3 months from the Effective Date You and We cannot agree on a location, You fail to have selected a suitable location, or You fail to have a lease in place for Your Franchise Business, We may terminate this Agreement and your Initial Franchise Fee will be forfeited.

4.2 Lease. You are required to purchase or lease suitable real property from which to operate Your Franchise Business. A lease must be in place within 3 months from the date this Agreement is signed. You must provide Us an executed copy of the Lease within 15 days of execution.

4.2.1 Address of the Premises. You must provide Us with written notice of the location and mailing address of Your Premises.

4.2.2 Assignment of Lease. In Our sole discretion and election, upon formal written notice to You, You will assign and transfer all rights and interest in and to the Lease to Us to be effective, when this Agreement Terminates. In such event, We will have the right, but not the obligation, to accept the assignment and assume the Lease or execute a lease with You as provided below. We also have the right to assign the Lease to another franchisee. If You own the Premises, You hereby agree to lease the facilities to Us upon Termination of this Agreement at a rate not to exceed its fair market rental value, and on commercially reasonable terms and conditions You are required to have Your landlord consent to an assignment of a Lease before the Lease is signed.

4.2.3 Assumption of Lease. We will have 45 days from the date of Termination of this Agreement, to exercise Our right and option to take and assume the Lease for the Premises. To exercise such option, We must notify You and the Landlord in writing of Our exercise within the option period. In such event, You agree to bring all obligations under the Lease current as of the date of possession by Us, as well as to indemnify Us and each Crumbl Party against all losses and costs arising by virtue of, attributable to, or in any way related to, the period of Your possession of the Premises. All taxes, utilities and rentals will be prorated between Us and You as of the date of Our possession. We will not be obligated to pay Your arrearages. Your Lease must include a provision allowing the assignment of the Lease to Us or Our nominee, at Our option, in the event this Agreement is Terminated for any reason. If We elect to assume the Lease in writing, after the date of possession, We are only liable for Lease obligations solely attributable to the period of Our possession of the Premises. You agree that no compensation for the Lease is payable by Us to You unless the Premises are owned by You. The Lease will be transferred to Us without the payment of any kind to You by Us for the Lease other than the indemnification provided above.

4.2.4 Exclusivity. You shall ensure that Your landlord does not allow any other cookie, soda, or bakery dessert business, or other business that derives more than 20% of its revenue from the sale of cookies, sodas, or bakery desserts, to operate in Your shopping center or building where Your premises is located.

4.3 Construction. Any construction of the Premises must be done in strict accordance with the specifications approved by Us, but it is Your responsibility to verify that the plans conform to federal, state, and local laws. You must commence construction within 4 months from the signing of this Agreement, and construction must be completed within 5 months from the date hereof.

4.3.1 Design of Premises. At Your own expense, and unless waived in writing by Us, You are required to meet Our design Standards and specifications and follow Our interior and exterior design specifications. We provide You preliminary design plans for Your Franchise Business. The preliminary plans are for information purposes only. You must adopt these plans at Your expense for Your specific Premises using a local architect, whom We must approve before they can begin work. You are required to adapt Your Franchise Business in accordance with local, state, and federal laws, rules and ordinances. You are responsible to obtain any required permits.

4.3.2 Setting up Premises. You agree to arrange the fixtures, signs, furniture and décor of the Premises in strict compliance with the format and color schemes recommended by Us and to strictly follow the Franchise System as outlined in the Our Manuals and to work with Our approved suppliers providing such items. In addition, We must approve Your Premises prior to opening. If any elements of the Premises do not meet Our specifications, You will, at Your cost, be required to make the required adjustments.

4.3.3 Abandonment of Construction. Abandonment of construction or stoppage of construction for 4 or more weeks due to Your fault or neglect will be grounds for terminating this Agreement.

4.3.4 Approval of Construction. You may not operate Your Franchise Business if construction, improvements and fixturation do not conform to Our approved specifications and failure to correct any unauthorized variance for such plans and specifications within 30 days after written notice from Us will be grounds for terminating this Agreement. We have the right to supervise and inspect all construction to assure compliance with approved plans and specifications.

4.4 Commencing Operations. You are required to commence operations not later than 30 days following completion of Your Premises and in no case later than 6 months from signing this Agreement. You must give Us not less than 30 days' prior written notice of the opening date. We have the right to inspect and approve Your Premises and other aspects of Your operations relating to Your compliance with this Agreement prior to opening.

4.4.1 Conditions to Opening. You shall notify Us at least 30 days before You intend to open the Franchise Business to the public. Before opening, You must satisfy all of the following conditions: (1) You are in compliance with this Agreement; (2) You have obtained all applicable governmental permits and authorizations; (3) the Franchise Business conforms to all applicable System standards; (4) We have inspected and approved the Franchise Business, which may be done virtually; (5) You have hired sufficient employees; (6) Your officers and management-level employees have completed all of Our required pre-opening trainings; and (7) We have given You Our written approval to open, which will not be unreasonably withheld.

4.4.2 Failure to Commence Operations. If You fail to commence operations as provided above, this Agreement is subject to termination by Us, at Our option. You will not receive a refund if You are unable to find an approved location.

4.5 Relocation of Premises. You are not allowed to relocate Your Premises without Our prior written approval. You must give Us at least 60 days' prior written notice of Your desire to relocate. Approval to relocate will be based upon the same criteria used in approving a new franchisee's proposed site. You must demonstrate the financial ability to relocate as part of Our approval process. Additionally, if We allow You to relocate, You must pay Us a relocation Fee as set forth in Exhibit "A-3."

ARTICLE V FEES AND REPORTS

5.1 Initial Franchise Fee. You shall pay to Us the "Initial Franchise Fee" listed in Exhibit "A-3" in one lump sum at the time of execution of this Agreement. The initial franchise fee must be paid by wire transfer or certified check. The initial franchise fee is fully earned by Us and is non-refundable, except as stated in this Section. If You and We agree to terminate this Agreement before Your Franchise Business is open and operating, based on Our ongoing risk assessment of the Territory, We reserve the right to issue a refund of the Initial Franchise Fee, in Our sole discretion. No rights or privileges under this Agreement will exist until the Initial Franchise Fee is paid in full.

5.2 Royalty. You shall pay to Us a non-refundable on-going weekly royalty as listed in Exhibit "A-3." The royalty is in consideration of Your right to use the Intellectual Property and the System in accordance with this Agreement, and not in exchange for any specific services We render.

5.2.1 Change in Law. In the event there is a change in the law or a discovery of a law affecting the collection of payments to Us, You agree to allow Us to modify the definition of "Gross Sales" and the calculation of other Fees due to Us in order to comply with the law. However, in no event will the modification of the term "Gross Sales" or the calculation of other Fees due to Us result in Your payment in excess of the Fees listed in Exhibit "A-3."

5.3 Marketing Fees.

5.3.1 Marketing Fund Fee. You shall pay to Us the weekly Marketing Fund Fee listed in Exhibit "A-3" for use in Our Marketing Fund and advertising and promotional programs.

5.3.2 Local Marketing Requirements. In addition, you must spend at least 0 to 2% of your gross sales per month to advertise your franchise business locally as determined by us. Currently this local marketing requirement is 0% of your gross sales. Your local Marketing requirements are in addition to your contributions made to the Marketing Fund. We may increase the required local marketing requirement upon 60 days' notice to you, however the total local marketing requirement will not be more than 2% of gross sales per month.

5.3.3 Advertising Cooperatives. You are not required to participate in a local or regional advertising cooperative at this time, but We reserve the right to require cooperatives (including the areas and governing rules) to be formed, changed, dissolved, or merged at any time. You are required to participate in a local or regional advertising cooperative when established or approved by Us. The area of any cooperative marketing association will be based on regions determined by Us. Upon the formation of an advertising cooperative, You will be deemed to be a member of that association as covers the area where your franchise is located, and You will be bound by any decisions made by the association upon a majority vote by voting members (or other voting requirements as determined by Us). Non-traditional units may not be required to participate in cooperative marketing.

You and other franchisees in the cooperative will be responsible for the administration of the association. Governing documents will be provided by Us or by the cooperative and approved by Us. At this time, these governing documents are not available. Voting will be on the basis of one vote per franchise in good standing and one vote per company-owned location within the cooperative. Members of the cooperative must make contributions pro rata based on the number of units in the cooperative. The timing and amount of contributions you make may vary according to the vote and rules of the advertising cooperative, but will not exceed your required annual local marketing percentage in any single year, unless a majority of the members in your advertising cooperative vote to increase the contribution percentage. Contributions to Your advertising cooperative will be credited toward Your local Marketing requirement. Contributions to Your advertising cooperative are in addition to Your contributions made to the Marketing Fund. Notwithstanding anything to the contrary, We and Our affiliates and Our company-owned stores are not required to contribute to advertising cooperatives. All of Our franchisees are required to contribute to advertising cooperatives. However, contributions by Our franchisees to advertising cooperatives may not be uniform. We may require the cooperative, at the cooperative's expense, to prepare unaudited annual financial statements and these will be available for review by all franchisees in the cooperative and Us.

5.4 Calculation and Reporting. The calculation, reporting and payment of the Fees specified in Sections 5.2 and 5.3 above will be made as follows:

5.4.1 Gross Sales Report. You shall forward to Us by email, or other electronic reporting program We may establish from time to time, not later than Tuesday of each week, a report of the financial activity of the immediately preceding week showing all monies received or accrued, sales or other services performed and such other information concerning Your financial affairs, as We may reasonably require. For purposes of this Agreement, such information will be referred to as the "Gross Sales Report." We may also require You to submit a monthly inventory and labor expense report by the date We designate. We reserve the right to require all reports to be submitted at more frequent intervals.

5.4.2 Payment Due Date. All Fees must be paid weekly, each Tuesday, in accordance with Our then-current electronic funds transfer, ACH or other automatic withdrawal program or as specifically directed by Us. Currently, the Fees as shown and calculated on the Gross Sales Report are due and payable and must be received by Us or credited to Our account by pre-authorized bank debit and automatically withdrawn from Your Operating Account. In addition, You agree that We may require payments made to Our affiliates be made by pre-authorized bank debit and automatically withdrawn from Your Operating Account. Our current ACH agreements are attached hereto as Exhibits "A-6" and "A-7" and may be modified by Us at any time in Our sole discretion, which You shall execute such forms upon signing this Agreement and from time to time as We require. We reserve the right to require an alternative payment frequency of any and all Fees in the future. You agree that Your obligation to pay all Fees due under this Agreement are absolute and unconditional.

5.4.3 Operating Account. You agree not to have more than one Operating Account. If You fail to timely report Gross Sales, We may automatically sweep or debit an estimated amount of Fees due to Us. You will be responsible to pay Us any amount owing if We underestimate Your payment to Us, and We will credit You with any overage that We charge. You shall maintain at all times at least \$30,000 of working capital in Your Operating Account, even after You pay royalties and other fees to Us. You shall not close or terminate Our Access to Your Operating Account without receiving Our prior written consent. We may, at any time, require You to provide Us with view-only access to your operating account.

5.4.4 Late Fees. If a required Fee or report is not timely received by Us, We will assess You a late Fee, per violation, as set forth in Exhibit “A-3,” for each day the Fees or reports are not received by Us. We may also fine You per bounced check or insufficient funds transfer. See NSF Fee in Exhibit “A-3.” These fines are due upon demand to You, and the amounts may be adjusted by Us from time to time in the Manuals.

5.4.5 Interest. In addition, all Fees not paid when due will be assessed and accrue interest from the Due Date to the date of payment, both before and after judgment at the rate of 18% per annum or the maximum rate allowed by law, whichever is less. In no event will any amounts be charged as interest or late fees or otherwise that exceed or violate any applicable legal restrictions. Unpaid interest charges will compound annually.

5.4.6 New Tax Fee. If there is hereafter assessed any nature of sales tax, use tax, or other tax, on Fees or other sums previously or hereafter received by Us under this Agreement, or for any other tax imposed on Us as a result of Your Franchise Business (“New Tax”), then in addition to all Fees and other payments to be made by You as provided in this Agreement, You must also pay Us or the taxing authority, a sum equal to the amount of such New Tax. You shall pay to Us any New Tax immediately upon Our demand to You.

5.5 Reports and Financial Statements. You must provide Us with monthly financial statements, including a profit and loss statement, balance sheet, and labor and expense report, in accordance with the standard profit and loss statement template and balance sheet template required by Us to be used by You in Your Franchise Business, within 25 days of the end of the month. The financial statements and accompanying documents do not need to be prepared by Your accountant or audited unless specifically requested by Us, at Our discretion. You shall also send Us a copy of Your state and local sales tax returns by the 15th day after each quarter, Your IRs Form 941 within 15 days after submission, and a copy of Your annual income taxes by April 16th of each year. We may also require other reports from time to time. We reserve the right to change the due date for all reports as set forth in Our Manuals.

5.5.1 Access and Use of Financial Records. We or Our approved accountants or other duly authorized agent, will have the right during normal business hours to conduct computer and other audits and to examine and make copies of Your books, records, financial statements and sales and income tax returns, and You must keep complete and accurate books and records of the operation of Your Franchise Business.

5.5.2 Audit of Books and Records. In the event that any audit or investigation discloses a deficiency of 2% or more of the Gross Sales in the computation or payment of Fees due to Us, You must immediately pay Us the amount of the deficiency, the appropriate fee for late charges, and You must reimburse Us for the total expense of the audit or investigation, including, the charges for the accountant and the travel expenses, room, board and other costs incurred in connection with the audit. Your failure to report Gross Sales for any time period or Your failure to retain and have available readable and organized required records will be deemed an understatement by more than 2%.

5.6 Application of Payments. We can apply any payments received from You to any past due or then-current indebtedness of Yours for any payments owing to Us.

5.7 No Refunds. The Fees set forth in this Agreement are not refundable.

5.8 Funding. You are solely responsible for obtaining all funding for Your Franchise Business. Failure to obtain sufficient initial funding for opening Your Franchise Business is grounds for termination of this Agreement.

5.9 Non-Compliance Fines. In Our sole discretion, We may issue you a fine for violations and alleged violations of this Agreement and/or the Manuals as determined on a case-by-case basis, including for failure to cure a prior violation even if a fine has been previously imposed. We may rely on any evidence available to Us that such violation(s) or default(s) have occurred, including customer complaints or reports that We find credible, in Our sole discretion. The fines are set forth in Exhibit “A-3” and in Our Manuals and may be issued for each violation of this Agreement and/or the Manuals. We may update the fines in the Manuals from time to time. We may, in Our sole discretion, also concurrently send you notice to correct the violation. If You do not correct the violation within the time required by Us, We have the right to put You in default. We are not obligated to charge You a fine before putting You in default. All fines and charges are to be paid upon billing or in accordance with Our electronic funds or automatic withdrawal program, if established. Such fines are not Our sole remedy. Our decision to impose, or not to impose, a fine for Your non-compliance does not constitute a waiver of any other right that we may have under this Agreement, including Termination of this Agreement.

5.10 Technology Fees. You shall pay to Us a monthly technology Fee as set forth in Exhibit “A-3”. This Fee is fully earned by Us and is in consideration of Your right to use the Intellectual Property and the System in accordance with this Agreement, and not in exchange for any specific services We render. You acknowledge and agree that We are not obligated to provide any level of product or service to You, except as expressly set forth in this Agreement. We may use this Fee for any reason in Our sole discretion, including as revenue and/or to cover expenses incurred by Us regarding select software, products, services, and other technology used in Our business and/or Your Franchise Business. You shall pay to Us this Fee in accordance with Our electronic funds or automatic withdrawal program, if established, or otherwise by the first Tuesday of the month. We may update this Fee periodically in Our Manuals. You hereby acknowledge and agree that We are not liable for any performance issues, problems, downtime, bugs, or errors in any software, product, service, or other technology We require You to use in Your Franchise Business, whether provided by Us, Our affiliate(s), or third parties.

5.11 Document Preparation. If We are required or requested to prepare documents regarding any changes or other matters pertaining to You or Your Franchise Business (but not including transfers, which are covered by separate fees), You shall pay Us a document preparation as set forth in Exhibit “A-3.”

5.12 Transaction Processing Fee. You shall pay to Us a “Transaction Processing Fee” as set forth in Exhibit “A-3.” You acknowledge that Our merchant processor charges a variable merchant transaction fee, which currently averages to around 2.36% per transaction “Merchant Transaction Fee,” which is deducted from the Transaction Processing Fee and paid to the merchant processor. We reserve the right to require You to pay the Merchant Transaction Fee directly to the merchant processor or at different intervals and methods as We determine from time to time. You acknowledge that We may retain/receive the difference between the Transaction Processing Fee and Merchant Transaction Fee as revenue, which We may use to cover certain processing costs as We determine. We reserve the right to update the Merchant Transaction Fee and the Transaction Processing Fee in our Manuals and change

our designated merchant processor(s), from time to time as We determine in Our sole discretion. and You are required to comply with any such changes and are solely responsible for the fees associated with such changes.

We may periodically increase the amounts of coverage required and/or require different or additional coverage.

You must establish and maintain an image and reputation for Your Franchise Business consistent with the Standards set forth in this Agreement, in the Manuals, or as otherwise specified by Us.

6.2.2 System Compliance. You must strictly follow Our System, the Manuals, Recipes, formulations, and other directives promulgated or provided by Us from time to time and to promptly implement such changes in Your Franchise Business, and to act in good faith in all Franchise Business and System matters and dealings. We may approve exceptions or changes from the uniform Standards which We, in Our sole discretion, believe necessary or desirable.

(i) Communication. We will provide an email address to You that You must use as the sole email for all Franchise Business-related communications and accounts. Use of a private email or other account for business reasons related to Your Franchise Business is prohibited. All Social Media You develop or use, if authorized by Us, must be attached only to the email address We provide to You or that is approved by Us, subject to the above restrictions. We may also require You to use other exclusive methods of communication in Your Franchise Business. We may, from time to time, delete from, or add to, these exclusive methods of communication. You shall frequently check such exclusive methods of communication to facilitate Our communications with You.

(ii) Incentive Programs. If We adopt a loyalty, coupon, gift card, or other discount or incentive program, You are required to implement such program in Your Franchise Business, which may include access to a bank account, established by You, for card charges made through other franchisees. You are required to accept Crumbl® gift cards at Your Franchise Business.

We will determine how gift cards may be redeemed and what costs our locations will bear. For all gift card and similar transactions, You shall pay Us the Gift Card Program Fee as set forth in Exhibit “A-3” at the time when Your royalty payment is due. You shall comply with the incentive programs, including Our gift card program, as described in our Manuals.

(iii) Modifications. We have the right to modify, delete, add to and otherwise make systematic and other changes to the System, Intellectual Property, Manuals and operations, etc. We may issue new Standards for any aspect of Our System, or modify existing Standards, at any time by revising Our Manuals and/or issuing new written directives (which may be communicated to You by any method We choose). You must accept, comply with, use, and implement and display any and all such changes to the System or operations. The modifications may obligate You to invest additional capital in Your Franchise Business and to incur higher operating costs. You must incorporate all such modifications within the time periods that We specify. Other than modifications due to health or government mandates or guidelines, or public accounts. We will not obligate You to invest additional capital at a time when the investment cannot in Our reasonable judgment be amortized during the remaining Term. You are prohibited from making modifications to the System, including to any Recipes, to product packaging, or any use of the Marks.

(iv) Inspections and Visits. We may conduct periodic inspections of all aspects of Your Franchise Business, including compliance with the System, reporting, food safety, operational compliance, customer service, branding, and the Standards, procedures, and requirements set forth in this Agreement or the Manuals, by Our duly authorized representative or third-party contractor, at intervals determined by Us. These inspections may be conducted in person or through remote access such as video or live video conferencing. Our inspections may Include Your Premises, vehicles, business records, operating procedures, and reports, including all computer drives and electronic storage devices, POS system, reports, account records and tax records. Immediately upon Our request You must provide to Us video and/or images of the interior and exterior of Your Premises, and any specific pieces of equipment or other areas of the Premises and business vehicles as may be more fully set forth in the Manuals. For inspections of Your Franchise Business, We may require you to order, or we may order on your behalf, third-party inspections (including secret shopper programs) of Your Franchise Business regarding food safety, operational compliance, customer service, and other Standards. We currently require two to four such inspections per year and we may require additional inspections if you fail an inspection or are not in compliance with Our Standards. We may charge You a Store Inspection Fee (see Exhibit “A-3”) for each inspection or visit. We may update this Fees and these procedures, including the frequency of inspections, from time to time as set forth in Our Manuals, with which You must comply. You shall keep the cameras monitoring Your Franchise Business turned on at all times and ensure that We have access to such information at all times.

(v) Non-Contravention. You must not, at any time, undertake any action, either verbally or in writing, to circumvent, contravene, or undermine the purposes of this Agreement. Additionally, You must not disparage Us, the System, Our officers, owners, partners, directors, members, managers, representatives, agents or employees.

6.2.3 Interim Management. In the event of Your default of this Agreement, noncompliance with the Manuals, or poor performance of Your Franchise Business as determined by the metrics set forth in the Manuals, as determined by Us, in Our sole discretion, or as set forth in

Section 14.10, We may elect to step in to manage Your Franchise Business for a period of time, as We deem advisable and You shall pay Us a Fee as set forth in Exhibit “A-3.”

(i) Operations, Access to Information and Operating Account. During the Interim Management Period, You hereby grant Us authority to assist You in managing any or all aspects of Your Franchise Business. We will work directly with Your Primary Owner and Your manager, and We may require additional training for Your Primary Owner, Your manager, employees and other contracted personnel. You will be responsible to cover the cost of Our travel, food, and lodging during this time, and You will continue to pay and remain responsible for all Fees required by this Agreement. You are required to cooperate to provide Us with all pertinent information regarding Your Franchise Business and access to the applicable operating accounts to enable Us to efficiently assist with management operations. All accounts must remain in Your name during the Interim Management Period, but You agree to add Us or Our representative as a co-signer on certain accounts. You will cooperate with Us in communicating with all vendors and suppliers related to Our interim management. You hereby grant Us permission to speak directly with Your landlord and suppliers, banks, IRS and state agencies, creditors, etc., regarding Your Franchise Business, and You will cooperate with Us to facilitate such communication. We may require You to establish a new bank account for Your Franchise Business during the Interim Management Period into which all operating income will be deposited. You and We (at Our option) will have authority over this account, and You or We will make payments on Your accounts payable as cash is available, but only with Your prior authorization and direction. You are ultimately responsible for all operating costs both before and during the Interim Management Period. You must provide Us with a list of all accounts payable with direction on which accounts are to be paid, but with the understanding that all taxing authorities will be paid first. Any excess funds in the Operating Account or any new account after all applicable costs and Fees have been paid and after an additional amount has been set aside sufficient for the Franchise Business to fulfill its business purposes as determined by Us, will be transferred to You monthly. We may provide monthly internal profit and loss statements to You. We have no obligation to infuse capital into Your Franchise Business, but if We do, such amounts will be treated as a loan, which must be repaid within an agreed upon time and bear market interest as agreed. We have the right to direct Your employees and contract personnel during the Interim Management Period. Both You and We agree that in no way does Our interim management create a relationship of trustee, beneficiary or any type of fiduciary relationship over or in relationship to Your Franchise Business.

(ii) Your Obligation to Cure. During the Interim Management Period, You are obligated to cure all applicable defaults within the applicable cure periods as set forth in this Agreement. We have the right to terminate this Agreement during the Interim Management Period for defaults not cured within the applicable cure periods.

6.3 Miscellaneous Obligations.

If Your Franchise Business is owned by a business entity, each individual owner, partner, shareholder, and member who owns any equity interest in the business entity, including individuals that own an interest in the business entity indirectly through another entity, must each personally guarantee the performance of all Your obligations under this Agreement by executing a Guaranty and Assumption of Obligations attached hereto as Exhibit “A-10.”

6.4 Standards and Control. Any required Standards exist to protect Our interest in the System and the Marks and not for the purpose of establishing control or duty to take control over those matters that are reserved to You.

6.5 Required Notices. You are required to provide Us with prompt notice (within five business days of receipt) of any default with regards to late payment of any taxes, government fines, payments owing to any vendors, landlords, or amounts owing to employees or contractors.

6.6 Comportment. You shall not be convicted of or plead guilty or no contest to, a felony, a crime involving moral turpitude or any other crime. Only franchisees who are in good standing and have maintained good standing for the six-month period prior to serving on a committee may serve on any advisory committee. We may, in Our sole discretion, permit each committee to establish rules for admitting and retaining committee members, which we may revoke or amend at any time.

8.1 Approved Products and Services. You must use, provide, offer for sale only those goods and services that meet Our specifications and/or that are purchased from approved suppliers in accordance with Our Manuals. 8.2 Your Purchases. You shall purchase all goods, equipment, and services that We designate, including new or different goods, equipment, and services that We may require from time to time, from sources designated or approved by Us. We and Our affiliates may derive revenue from the sale of required goods and services through mark-ups in prices We charge to You for goods, equipment, and services purchased from Us and We and Our affiliates may receive compensation and discounts from the supplier for Your purchase of such goods and services. Any monies paid to Us for goods, equipment, or services are non-refundable. We and Our affiliates may, at any time and in Our or their sole discretion, order and ship to You any ingredients, products, marketing materials, or other items required under the System, at Your expense at then-current prices plus applicable shipping costs.

If You desire to purchase any items from an unapproved supplier, You must submit to Us a written request for such approval or request the supplier itself to do so. We will notify You in writing and within 60 days as to whether such supplier has been approved. Prior to testing, You must pay a non-refundable evaluation Fee as set forth in Exhibit “A-3,” plus reimburse Us for all reasonable costs and expenses of testing, regardless of whether the requested supplier is approved. A supplier who is able to meet Our specifications may, as determined in Our sole discretion, become an approved supplier for Your Franchise Business only or for the System as a whole. We may make changes in the Standards for approved suppliers. At Our discretion, We may revoke Our approval of an approved supplier upon 30 days’ prior written notice.

8.3.1 A new supplier must have: the ability to produce the goods and/or services to meet Our Standards for quality and uniformity; production and delivery capabilities and ability to meet supply commitments; integrity of ownership (to ensure that its association with ours will not be inconsistent with the Crumbl® image or damage Crumbl® goodwill); financial stability; and the negotiation of a mutually satisfactory license to protect Our Intellectual Property.

8.4 Equipment. You are required to obtain by purchase or lease all inventory, tools, supplies, and equipment, including any new or different items We may designate from time to time, in accordance with Our specifications and from suppliers that We designate. For technical support or training related to items purchased from a supplier, You must consult with the respective manufacturer of those items. We are not required to provide training or support regarding equipment purchased from Us. These requirements may change from time to time, as designated by Us in Our sole discretion, and may require you to invest additional capital in new or updated equipment, inventory, or supplies and incur higher operating costs.

8.5 Warranties. You must look to the respective manufacturers or suppliers for issues related to warranties for any third-party goods purchased for Your Franchise Business. We do not provide any warranty for items purchased from Us.

ARTICLE IX MANUALS

9.1 Manuals. We will loan You a copy or provide electronic access to Our Manuals. You may not copy any part of the Manuals either physically or electronically. The Manuals are confidential and remain Our property and contain mandatory and suggested specifications, Standards and procedures for the operation of Your Franchise Business. You may use the Manuals only in connection with Your Franchise Business and only during the Term. We have the right to revise the Manuals at Our sole discretion. You must promptly and continuously comply, at Your expense, with all provisions of, and modifications to the Manuals. The master or most updated copy of the Manuals maintained by Us will be controlling in the event of a dispute relative to the contents of the Manuals.

9.2 Standards and Procedures. We may establish operating and performance procedures, standards and specifications, Recipes for products, services, and Marketing for the operation of Your Franchise Business and the products and services provided, and which will become part of the Manuals and System (“Standards”). We may change these Standards at Our discretion and You must strictly follow these Standards. Failure to do so is grounds for termination of this Agreement.

ARTICLE X MARKETING

10.1 Marketing Fund. We have the right to institute, maintain and administer and You are required to contribute to Our Marketing and brand development fund (referred to as the “Marketing Fund”) for such Marketing or public relations programs as We, in Our sole discretion, may deem necessary or appropriate to advertise and promote the System nationally and Market for You locally, and may include the development of point-of-sale items such as t-shirts, hats, posters, and other digital Marketing items and programs. The Fees for the Marketing Fund are listed in Exhibit “A-3.”

10.1.1 Marketing Fund Administration. Marketing is done solely by Us unless We allow otherwise. We will direct all such programs, with sole discretion over: 1) the creative concepts, materials, endorsements and media used in connection with such programs; 2) the source of the Marketing or public relation efforts; 3) the placement and allocation of such programs; and 4) the composition of all geographic territories and Market areas for the development and implementation of such programs. We are not restricted from Marketing in Your Territory. We may allow another franchisee to conduct Marketing in Your Territory in Our sole discretion. The Marketing Fund can be operated through an entity separate from Us that has all of Our rights and duties relating to the Marketing Fund. We are not liable for any act or omission with respect to the Marketing Fund or otherwise that is consistent with this Agreement or which is done in subjective good faith. The Marketing Fund may be used, in Our reasonable discretion, to reimburse Us for costs related to the administration of the Marketing Fund and any promotion and Marketing efforts intended to benefit the System. We have the right to loan money to the Marketing Fund to cover any deficits; such loan may be governed by commercially-reasonable terms and interest rates. The Marketing Fund is not in the nature of a trust, fiduciary relationship or similar special arrangement, and We disclaim any such relationship.

10.1.2 Use of Marketing Fund Fees. We may use the Marketing Fund to offset a portion of direct costs to manage and maintain the Marketing Fund, including the payment of staff salaries and other expenses for those employees who may be involved in Marketing Fund activities. We may receive payment for providing goods or services to the Marketing Fund. We reserve the right to use fees from the Marketing Fund to place Marketing in national, regional, or local media. We are not required to spend any set amount on Marketing directly in Your area or Territory, and We do not have any obligation to ensure that expenditures are or will be used equally in each region or that they will be equivalent to contributions to the fund by other franchisees operating in any geographic area. We make no representations that Marketing expenditures will benefit You or any other franchisee directly, on a pro-rata basis, proportionally, or at all. We may use the Marketing Fund to offset a portion of direct costs to manage and maintain the Marketing Fund, including the payment of staff salaries and other expenses for those employees who may be involved in Marketing Fund activities. Marketing Funds may be used to solicit additional franchisees and to promote the brand. Any unused Marketing funds in any calendar year will be applied to the following years’ fund. We may, in Our discretion, prepare an unaudited annual report of Marketing Fund expenditures and/or Marketing activities.

10.2 Marketing Assistance and Approved Marketing Materials. If We allow, You may develop Marketing and promotional materials and digital Marketing programs for Your use at Your cost. All such materials must be approved by Us in advance and in writing in accordance with Our Manuals. If You request that We assist You in the development of Your Marketing materials or promotional programs, and We agree to do so, this will be done for a Fee set forth in Exhibit “A-3.” If You request additional Marketing materials from Us, We may supply such materials, in Our discretion, for our Fee set forth in Exhibit “A-3.” Marketing that has been submitted by verified receipt or submission will be deemed disapproved if You do not receive written approval or disapproval within 10 days of the date We receive the submission. Any Marketing You create or use, including any apps or other similar media that You create or have created for use by You in, or related to, Your Franchise Business, becomes Our property, is considered “works for hire” and may be used by Us or other franchisees without compensation to You and may be made available on Our website. We have the right to disapprove previously approved Marketing material at any time.

10.3 Marketing Compliance. Your Marketing and promotional activities, if allowed by Us, must be done in strict compliance with Our Manuals and in good taste and must reflect favorably upon Us and the System. You shall not conduct any Marketing outside of Your Territory without Our prior written consent. You must participate in all Marketing, email, and other programs as developed by Us, including the collection of Customer Data and participation in using and promoting apps, as developed by Us and as directed in Our Manuals.

10.4 Internet and Social Media. You may not create a website, apps, or Social Media accounts, or similar electronic media whether now or later developed, or use or obtain a domain name consisting of all or any part of the Marks, or that would be confusingly similar to all or any part of the Marks. You may not engage in Marketing on the Internet, including posting items/services on third party re-sell or auction style websites, including eBay®, Craigslist, Amazon.com, or use of apps without Our prior written permission. If We do provide written approval to create Your own website or Social Media for Your Franchise Business, all content must be pre-approved by Us in writing, and You must provide Us administrative access, account information and other information related to any of Your websites and Social Media. If We allow You to use Social Media in Your Franchise Business, all Social Media You develop or use must be attached only to the email address We provide to You or approve. We reserve the right to restrict Your right to use these sites in the future. Additionally, any website or Social Media You are allowed to create must be ADA compliant. You may also be allowed to place pre-approved information concerning Your Franchise Business on Our or other designated website and Social Media, as developed by Us. Additionally, You shall sign the Digital and Social Media Authorization for Assignment attached as Exhibit “A-10.” You may not claim, link, or frame, any web listing on sites such as Yelp, etc. To the extent that You have any web listings using Our Marks, You hereby assign such accounts to Us, and You must facilitate any transition and assignment with the online directory or Social Media platform within 30 days of signing this Agreement or of creating such listing. You must strictly comply with the policies and procedures established by Us regarding websites, Social Media and Internet Marketing. We can prohibit or condition any use by You of the Internet, or other digital, electronic or Social Media in Our discretion. Upon signing this Agreement, You shall execute the Digital and Social Media Authorization for Assignment attached hereto as Exhibit “A-8.”

In the event of any default by You, We will give You written notice of default specifying the default(s) and, if curable, state what You must do to cure the specific default(s) within the cure period. In the event of a default by You, all of Our estimated costs and expenses arising from such default(s), including reasonable legal fees and reasonable charges for Our employee's time related to the default(s) must be paid to Us by You within 5 days following Our demand for payment. Notwithstanding anything to the contrary herein, We have the right, in Our sole discretion, to grant You an extended period of time to cure. Any such extension will not be construed as a waiver of Our rights in the future.

11.3 Failure to Cure. If You fail to cure any default within the time period allotted, We may proceed to enforce any or all of the following non-exclusive remedies in accordance with this Agreement, and the pursuit of any one remedy will not be deemed an election or waiver by Us to pursue additional remedies:

11.3.1 Actionable Claim. Bring an action or claim for the balance of any monies due hereunder, including, penalties and interest as provided for in this Agreement and for all other damages sustained by Us as a result of Your default of this Agreement. As part of any such action, We may accelerate the balance of any outstanding installment obligation due hereunder and bring an action for the entire accelerated balance.

11.3.2 Injunctive Relief. Bring an action for temporary or permanent injunctions and orders of specific performance enforcing the provisions of this Agreement and otherwise stop You from engaging in actions prohibited hereby.

11.3.3 Termination. Terminate this Agreement and proceed to enforce Our rights under the appropriate provisions. Such Termination will be effective upon delivery of a notice of Termination to You without further action by Us.

11.3.4 Other Remedies. Seek any other remedy available to Us at law or in equity, including lost profits.

11.3.5 Cross Default. In Our sole discretion, We may terminate any other agreement between any of You and Us or any of Our affiliates, and/or any agreement between Us or any of Our affiliates and a third party in which any of You have any direct or indirect ownership or financial interest.

11.4 No Right of Termination. Except as specifically provided herein, You may not terminate this Agreement. However, some states may allow You to terminate as permitted by state law (subject to applicable state law). All provisions of this Agreement pertaining to termination will apply including the survival of the covenants not to compete after termination.

11.5 Opportunity to Cure. Prior to taking any action against Us, You must first give Us 60 days' prior written notice and an opportunity to cure any alleged act or omission. If such act or omission cannot be cured within such 60-day period, and We are diligently continuing efforts to attempt to cure such alleged act or omission, You must give Us such additional time as is reasonably necessary to cure.

ARTICLE XII TERMINATION

12.1 Upon Termination of this Agreement for any reason, You immediately cease to be Our franchisee and must:

12.1.1 Payments Due. Immediately pay for all product purchases, Fees, and other obligations owed or accrued to Us, Our affiliates, or designated suppliers.

12.1.2 Cease Use. Not hold Yourself out as a Crumbl® franchisee or business and immediately and permanently cease to advertise or in any way use the System, Intellectual Property, apps, materials, methods, procedures, processes, Marks, or promotional materials provided by or licensed to You by Us or in any way connected with the Franchise Business or System.

12.1.3 Trade Secret and Confidential Information and Products. Except as provided below in Paragraph 12.1.8, within five days of Termination, You must demonstrate with video proof sent to Us that You have permanently destroyed all information and/or products that We deem trade secret or confidential, or in the alternative, provide proof to Us that have sold such products or information to Us or another System franchisee such trade secret and/or confidential products.

12.1.4 Disassociation. Within 14 days after Termination, take all necessary steps to disassociate Yourself from the System and Your Franchise Business, including the removal of signs, destruction of letterheads, changing of telephone listings, telephone numbers, and the like and to assign and transfer the telephone listing, telephone numbers, Marketing accounts, e-mail addresses, URL's, Internet sites, web pages, and Social Media to Us. If You fail or refuse to do so, the telephone company, URL and hosting companies, and other listing agencies may accept this Agreement as evidence of Our exclusive rights in and to such telephone number(s), Internet websites, URL's, and Social Media and

listing and its authority to direct their transfer. You hereby appoint Us as Your attorney-in-fact for the above transfers. You must not identify any present or future business owned or operated by You as having been in any way associated with Us or the System.

12.1.5 Cancel DBA. Within 14 days after Termination, take such action as will be necessary to amend or cancel any assumed name, fictitious or business name or equivalent registration, which contains any Mark of Ours or in any way identifies You as being affiliated with Our System.

12.1.6 Notify Suppliers. Immediately notify all suppliers, utilities, creditors and concerned others that You are no longer affiliated with Us or the System and provide proof to Us of such notification.

12.1.7 Return Materials. At Your cost, permanently delete electronic copies and return to Us by first class prepaid United States Mail, (including originals and any copies) physical copies of Our Manuals, all training, Marketing and promotional aids and materials and all other printed materials and any other Confidential Information obtained by You from Us pertaining to the operation of Your Franchise Business.

12.1.8 Modification of Premises. If We do not exercise Our right to purchase Your Operating Assets or assume Your Lease upon Termination, then You must alter, modify and change both the exterior and interior appearance of Your Franchise Business Premises to Our satisfaction, so that it will be easily distinguished from the standard or common appearance of a Crumbl® business and will cease using the signs, seating, décor, displays, advertisements, promotional materials and the like that are unique or distinctive to the System.

12.1.9 Pay Damages. Pay to Us all costs, damages and expenses, including post-Term expenses and reasonable attorney's fees incurred by Us to enforce the provisions of this Agreement, including to obtain injunctive or other relief to enforce any provision of this Agreement.

12.1.10 Proprietary Information. Cease using or availing Yourself of any of Our proprietary or Confidential Information. All trade secret and/or confidential information must be either physically destroyed or mailed to Us.

12.1.11 Customer Data. Provide Us with the Customer Data for all current, prior and expectant customers of the Franchise Business.

12.1.12 Evidence of Compliance. Otherwise furnish evidence satisfactory to Us or in the manner required by Us of Your full compliance with this Section 12.1 within 30 calendar days after the Termination of this Agreement or on the timeline We may provide at Termination.

12.1.13 Reimbursement Fee. You must provide Us with an accounting and list of all outstanding gift cards and gift certificates as of the date of Termination, and You will be required to refund all customer gift card and gift certificate amounts as required under Your state's applicable laws. In the event We are required to pay any reimbursement amounts to Your customers, for unredeemed gift cards or otherwise, You will be responsible to pay Us the reimbursement amount, plus a Fee in each instance for Our time (see Exhibit "A-3"). Additionally, to the extent You do not reimburse the customer, You must reimburse Us the amount of unredeemed customer gift cards and gift certificates purchased from You. Subject to state law.

12.1.14 Financial Inspections. If We require, You must provide Us with access to all Your financials, books, and other accounting records for 12 months following the date of Termination.

12.2 Upon Termination of this Agreement, for any reason:

12.2.1 No Compensation. No payment is due to You from Us or any source on account of any goodwill, intangible assets or other equity claimed by You arising from, or relating to, Your operation or ownership of Your Franchise Business, or otherwise. All goodwill connected in any way with Your Franchise Business or the System belongs now and, in the future, exclusively to Us.

12.2.2 No Refund. No Fees, charges, or other payments of any kind from You to Us are refundable in whole or in part.

12.2.3 No Equity. You will have no equity or other continuing rights to use the System, Intellectual Property or goodwill of the Franchise Business.

12.3 Survival of Provisions. All of the provisions of this Agreement, which by their terms or implication apply following the Termination of this Agreement, will survive and will apply following Termination of this Agreement, including Your obligation to indemnify Us and each Crumbl Party and to pay all amounts owed, and You must continue to observe the confidentiality, including nondisclosure and non-use of all Confidential Information, brand-protection, indemnification, and other restrictions and obligations of this Agreement and the provisions with respect to arbitration and dispute avoidance.

12.4 Make Premises Available to Us. In addition to those obligations set forth above, upon Termination, You must make the Premises accessible and available for Us to examine and verify Your compliance with Your post-termination obligations, and/or to operate if We, in Our sole discretion, choose to do so. If You fail to make the Premises available to Us, You will be assessed a Fee for the expense incurred by Us to enforce Our rights under this paragraph.

12.5 Your Continued Operation. If You continue to operate Your Franchise Business, or any business offering similar products and services, after Termination of this Agreement, using any of the Marks or any aspect of the System, Our remedies will Include, recovery of the greater of: (a) all profits earned by You in the operation of Your Franchise Business or similar business after such Termination; or (b) all royalties, Marketing contributions and other amounts which would have been due if such Termination, had not occurred.

12.6 Liquidated Damages. You and We recognize the difficulty of calculating damages caused by lost future royalties, but nevertheless recognize and agree that such damages could arise, and You and We hereby agree to the formula for liquidated damages set forth on Exhibit "A-3" as a compromise on the calculation of such damages. If this Agreement is Terminated, other than for non-renewal or mutual termination, in addition to other remedies available under this Agreement, We will be entitled to liquidated damages, not as a penalty, and solely to compensate Us for lost future royalties. These liquidated damages listed on Exhibit "A-3" will be equal to the average royalty payment from the previous 12 months multiplied by the lesser of 36 months or the remaining Term. In addition, You must reimburse Us all of Our reasonable attorneys' fees and costs related to enforcing and collecting these liquidated damages. You and We agree that such amount will be reduced to the present value of such payments as of the date of termination utilizing an interest rate of 5%. Such liquidated damages only cover Our damages for lost royalties and does not cover any other damages under this agreement,

at law, and in equity and are not a waiver of any other right. You agree that these liquidated damages do not give us an adequate remedy at law for any other default under any provision of this Agreement other than lost royalties.

12.6.1 Fee for Non-Compliance; Payment of Our Costs in Securing Compliance. In addition to any other remedy We may have under this Agreement and under law, in the event You fail to comply promptly with any of Your post-Termination obligations: (a) You agree to pay Us a Fee as set forth in Exhibit “A-3” per day for each day that You are in default, as a reasonable estimate of the damages suffered by Us; and (b) to prevent further injury, We may hire a third-party or use Our own personnel to de-identify Your Premises and/or to carry out any other post-Termination obligations on Your behalf, for which costs you will be responsible. These costs will include any attorneys’ fees and costs incurred and associated with enforcing Your post-Termination obligations. We have the right to automatically debit by EFT or other electronic withdrawal means, Your bank account for these payments. This post-Termination Fee obligation will not affect Our right to obtain appropriate injunctive relief and other remedies to enforce this Article XII, Our trademark rights, or other post-Termination obligations.

12.6.2 Additional Non-Compliance Costs. In addition to the daily post-Termination non-compliance Fee, You will pay to Us: (a) the amount of expenses reasonably incurred by Us to perform any obligation that You failed to perform, calculated on hourly rates of Our personnel, and time, travel, lodging, food and other expenses where applicable; and (b) all damages, costs and expenses, including attorneys’ fees and costs incurred by Us in obtaining injunctive or other relief. Upon Your Termination, We have the right to transfer from Your account by EFT or other electronic withdrawal means, a payment of \$10,000 in respect and anticipation of the post-Termination non-compliance Fees and expenses referred to in Section 12.5. Upon completion of de-identification of the Premises to Our reasonable satisfaction and payment of the expenses provided in this Section 12.5, We will refund to You any unused portion of the \$10,000 remaining. If the \$10,000 is insufficient to satisfy Your monetary obligations to Us, You will pay the balance owing within 30 days of Our invoice to You.

12.7 Attorney-In-Fact. You hereby appoint Us as Your attorney-in-fact, and expressly authorize Us, to sign any document and take any action convenient or necessary to fulfill Your obligations under this Agreement.

12.8 Cumulative Rights. Our rights provided above are cumulative and in addition to any other right or remedy available at law or in equity.

ARTICLE XIII PURCHASE OPTION

13.1 Purchase Option. Upon Termination of this Agreement, You hereby grant to Us the right to:

13.1.1 Acquisition of Assets. Acquire, in Our sole discretion, all or any part of Your assets, contracts, inventory, equipment, signs, accessories and other personal property relating to Your Franchise Business (collectively, “Operating Assets”) at the then-existing fair market value of such item or items as of the date of Termination of this Agreement, less any amounts owed to Us. You hereby grant Us permission to speak directly with Your landlord and other creditors, including suppliers, banks, the IRS and state agencies (and You will cooperate with Us to facilitate such

communication), regarding any loans and/or liens or obligations that would encumber Your Operating Assets. If the fair market value is not agreed to by the parties, the fair market value will be established by an independent appraisal. The appraisal will be done at Our expense by an appraiser selected by Us. No goodwill will be considered associated with Your Franchise Business or said items. We must exercise this option within 60 days of such Termination or within 15 days of the establishment of the price of the Operating Assets, whichever is later (“Option Period”) by giving written notice to You of Our intent to exercise Our option to purchase. The purchase of any of Your Operating Assets may, at Our option, be done through an asset purchase agreement with payment and delivery of the assets to be accomplished within 30 days after execution, unless You and We otherwise agree. We have the right to use Your assets and Premises during the Option Period, and in such case, We will pay You the fair market value of such use. Unless otherwise agreed by You, the purchase price as determined hereunder will be paid in cash within 30 days of providing notice of Our intent to purchase. If We have not notified You of Our election to exercise this option within the Option Period, it will be conclusively presumed that We have elected not to exercise Our option, and You are then free to sell or transfer such assets to any person or entity on such terms as You may so choose, so long as the Operating Assets have been de-identified as set forth herein. If any of the Operating Assets are subject to liens or taxes, We may withhold a portion of purchase price to pay off such lien or taxes. We may also withhold 25% of the purchase price for 90 days to ensure that all other liabilities affecting the Operating Assets are paid.

13.1.2 Assumption of Lease. We have the right, during the Option Period, to assume Your Lease under the provisions of Paragraph 4.2.3 above.

13.1.3 Warranties. The purchase contract for the Operating Assets, as set forth in Paragraph 13.1.1 above, will include standard representations, warranties, covenants and indemnities from You as to the Operating Assets being purchased, including warranties of good title, absence of liens, compliance with laws, absence of defaults under contracts, litigation and tax compliance.

13.1.4 Assignability. Our rights under this Section 13.1 are assignable by Us at Our discretion.

ARTICLE XIV SALES OR TRANSFERS OF THE FRANCHISE

14.1 Our Right of Assignment. This Agreement and all rights and obligations hereunder are fully assignable and transferable, whether in part or whole, by Us, and if so assigned or transferred, will be binding upon and inure to the benefit of Our successors and assigns. We may be sold or We may sell any part of or all of Our Intellectual Property or other assets to a competitive or other entity. In addition, We may go public, may engage in a private or other placement of some or all of Our securities, may merge, acquire other entities or assets which may be competitive with the System or not, be acquired by a competitive or other entity, and may undertake any refinancing, leveraged buy-out or other transaction, including arrangements in which: 1) the territories, retail locations or other facilities are, or are not, converted to the System or other format or brand (including using the System or Marks), or 2) the System is converted to another format or brand, maintained under the System or a different system. You waive all claims, demands and damages with respect to any transaction or otherwise allowed under this Section or otherwise. You must fully cooperate with any such proposal, merger, acquisition, conversion, sale or financing.

14.2 No Transfer by You without Approval. This Agreement is personal as to You, and is being entered into in reliance upon and in consideration of Your qualifications and representations, including representations of all current owners. Therefore, neither this Agreement nor any of its rights or privileges, nor any shares or units in the ownership of Your entity or Your Franchise Business may be Transferred (as defined below) in any manner by You or anyone else unless Our prior written approval is obtained. Any Transfer of any interest in this Agreement, Your entity, or Your Franchise Business made without Our prior written consent is null and void ab initio, and confers no rights on the purported transferee. As a prerequisite to seeking Our consent, You must provide Us with all documentation relating to the Transfer of Your Franchise Business or this Agreement. Said approval will not be unreasonably withheld (except as stated below), but will be conditioned upon Our satisfaction with the qualifications set forth in Section 14.3 below of the proposed transferee and its owners and officers. You must provide Us written notice of Your intent to Transfer prior to listing or offering the Franchise Business or Your entity for sale.

14.2.1 Transfers to Competitors Prohibited. You cannot Transfer any part of this Agreement, Your Franchise Business, or any part of Your entity, if applicable, to a competitor of Ours or an affiliate of a competitor of Ours without Our written permission. Any such Transfer without Our written approval is considered void ab initio.

14.3 Qualifications of Transferee. In determining the acceptability of the proposed transferee, We will consider, among other things, Our then-current standards for new franchisees, including the net worth, credit worthiness, background, training, personality, reputation, brand-culture alignment, and business experience of the proposed transferee, the terms and conditions of the Transfer and any circumstances that would make the Transfer not in the best interests of Us or the System, including the proposed purchase price. We may meet and candidly discuss all matters relating to Your Franchise Business with the potential transferee. In no case will You or a proposed transferee rely on Us to review or evaluate any proposed Transfer. Neither We nor Our affiliates are liable to You or the transferee or any other person or entity relating to the Transfer and You must indemnify and hold Us and each Crumbl Party harmless from any liability whatsoever relating thereto.

14.4 Application for Transfer. Upon any proposed Transfer of any interest in this Agreement or Your Franchise Business, You must submit to Us an application in the form specified by Us on behalf of the proposed transferee.

14.5 Franchise Agreement Transfer Fee. As a condition of Our approving the Transfer of this Agreement or Your Franchise Business, You must pay Us the non-refundable “Franchise Agreement Transfer Fee” listed in Exhibit “A-3” at the time of the approved transfer.

14.6 Internal Transfers. If a proposed Transfer of any interest in Your Franchise Business or Your entity is only among existing shareholders or members of a corporation or limited liability company franchisee, or among existing partners of a partnership franchisee, or by an individual or partnership franchisee to a corporation or limited liability company controlled and owned 100% by You or any combination of Your current owners, and such proposed Transfer along with all of the Transfers of any interest in Your Franchise Business that have occurred during the Term, and any prior franchise term(s), are comprised of, in the aggregate, 50% or less of the total ownership and voting interest in Your Franchise Business (ownership and voting interests will each be assessed separately), You shall, instead of paying the Franchise Agreement Transfer Fee, pay Us the “Internal Transfer Fee” as set forth in Exhibit “A-3,” and We will not be entitled to exercise Our right of first refusal set forth in Section 14.9 below. However, You shall obtain Our prior written consent before executing such

proposed Transfer. All guarantors will remain guarantors to this Agreement unless otherwise released by Us in writing, in Our sole discretion. Each ownership certificate of a corporation or limited liability company franchisee must have endorsed upon its face that the Transfer thereof is subject to the restrictions of this Agreement.

14.7 Involuntary Transfers Void. Involuntary Transfers of this Agreement or Your Franchise Business by You, such as by legal process, are not permitted, are not binding on Us and are grounds for termination of this Agreement. Using this Agreement as security for a loan, or otherwise encumbering this Agreement is prohibited unless We specifically consent to any such action in writing prior to the proposed transaction. You cannot grant a sub-franchise under this Agreement nor to otherwise seek to license or permit others to use this Agreement or any of the rights derived by You under it. Any attempt to Transfer this Agreement or Your Franchise Business in whole or in part, or any material portion or property used by You in connection herewith, whether or not binding on Us, will be grounds for the immediate termination of this Agreement, unless such Transfer is authorized in writing by Us.

14.8 Conditions of Transfer. Prior to the effective date of Transfer of this Agreement or Your Franchise Business and as a condition for Our approval of any Transfer.

14.8.1 Compliance. You must be in full compliance with this Agreement and not be in default hereunder. All accounts payable and other monetary obligations to Us and Our affiliates must be paid in full. You must have submitted all required reports, financial statements and other documents.

14.8.2 Written Proposal. The terms and conditions of the proposed Transfer must be provided in writing to Us within the time frames specified by Us. The price and other proposed terms of the Transfer must not, in Our reasonable business judgment, have the effect of negatively impacting the future viability of the Franchise Business.

14.8.3 Assumption of Obligations. All Your obligations in connection with Your Franchise Business must be assumed by the transferee, including assuming Your lease obligations, if applicable.

14.8.4 Current Brand Standards. You must bring Your Franchise Business, including Your premises, up to Our current brand Standards as required of new Crumbl® franchise locations.

14.8.5 New Franchise Agreement. The transferee must sign the then-current form of the Franchise Agreement and fully upgrade the Franchise Business and Premises to the level required of new franchisees.

14.8.6 Payment for Training. The transferee must pay Us the Transferee Training Fee in Exhibit “A-3” and must complete the training program required of new franchisees as set forth in Section 6.1.4. You or the transferee must also pay the travel, lodging, food, and other expenses for your trainees while attending this training.

14.8.7 Franchise Agreement Transfer Fee. You must pay the Franchise Agreement Transfer Fee set forth in Exhibit “A-3.”

14.8.8 General Release. You and each of You must execute a general release releasing each Crumbl Party of any claims You may have against any Crumbl Party.

14.8.9 Gift Cards. You are required to provide Us and the proposed transferee with an accounting and list of all outstanding gift cards and gift certificates as of the date of Termination, and You must ensure that payment of all outstanding gift cards is a part of the transfer agreement.

14.8.10 Survival of Covenants. Your non-competition, confidentiality, including nondisclosure and non-use of all Confidential Information, brand-protection, indemnification, and other restrictions and obligations of this Agreement and the provisions relating to dispute resolution, will survive any Transfer.

14.9 First Right of Refusal.

14.9.1 Right of First Refusal. You hereby grant to Us the right of first refusal to purchase Your assets, this Agreement, the Franchise Business or ownership in Your entity (collectively “Assets”) on such terms and conditions specified in a bona fide written offer from a third party, who would satisfy the criteria for approval under Section 14.3. You must notify Us in writing of the terms and conditions of the Transfer, including the Assets proposed to be Transferred, the purchase price or other consideration, any creditor financing terms being extended by You, the date of the proposed Transfer, and all other pertinent provisions of the proposed Transfer. In addition, a copy of any contract, agreement, memorandum of sale, deposit receipt, letter of intent and the like, must also be forwarded to Us as soon as it is signed by You. Following receipt of all pertinent data and documents concerning the proposed Transfer, including any additional data concerning the transaction requested by Us from You, We will have 60 days in which to advise You in writing of Our election to have the Assets transferred and assigned to Us on the terms and conditions agreed to by the prospective transferee. Should We elect to purchase the Assets proposed to be Transferred pursuant to Our right of first refusal, You and We agree to cooperate to accomplish the Transfer as set forth in the provisions submitted to Us by You, provided that the date for the completion of the Transfer can be extended at Our option for up to 30 days beyond the date originally indicated for the completion of the Transfer in order to allow the completion of the transaction in a manner more convenient to Us. We have the right to off-set any amounts You owe to Us against the purchase price.

14.9.2 Non-Election of Rights. If We do not elect to purchase the Assets proposed to be Transferred, You may complete the proposed Transfer on the terms and conditions set forth in Your notice to Us subject to Our right to approve the proposed transferee and the terms and conditions set forth under this Article 14. However, if there are any material changes in the terms and conditions of the proposed Transfer after You notify Us of the proposed Transfer, including any changes in the terms and conditions occurring after We notify You of Our election not to purchase the Assets pursuant to Our right of first refusal, and any of those changes are less favorable to You, You must notify Us of the changes in writing and We will have an additional 10 days within which to elect to purchase the Assets proposed to be Transferred on the revised terms and conditions. Additionally, if Your Franchise Business is not Transferred to such third-party within 90 days after We elect not to purchase the Assets, You must re-offer the Assets to Us before You may Transfer to an approved third-party. We have no obligation to purchase Your Assets.

14.10 Death or Incapacity and Interim Management. In the event of the death or incapacity of a franchisee that is an individual or an entity owned by one individual (the term “incapacity” means any physical or mental infirmity that prevents the person from performing the obligations under this Agreement: (i) for a period of 60 or more consecutive days, or (ii) for 100 total days during a calendar year), Your heirs or personal representative will have the right to continue Your Franchise Business;

provided that We have the right to approve or reject of such heirs or personal representative, in Our sole discretion. If we give such approval, Your heirs or personal representative must, within a reasonable time (not more than 180 days) after such death or incapacity (or such longer period required by the laws of the state where Your Franchise Business is located), appoint a new Primary Owner in all matters pertaining to Your Franchise Business who must be approved by Us in writing and meet the requirements as stated herein. Such Primary Owner must be trained by Us in accordance with Our Standards and You shall pay the transferee training fee and the Internal Transfer Fee as set forth in Exhibit "A-3." The heirs or personal representatives, instead of operating Your Franchise Business themselves under the foregoing procedures may choose to Transfer Your Franchise Business. If a decision to Transfer is made, the transfer procedures explained above in this Article XIV will apply, including the payment of the Franchise Agreement Transfer Fee as set forth in Exhibit "A-3." If We are required to run Your Franchise Business for a time due to Your death, incapacity, unexcused absence, poor performance, or as otherwise allowed under this Agreement, the provisions of Paragraph 6.2.3 above will apply. In the event of the death or incapacity of Your Primary Owner, You shall ensure that the interest of Your Primary Owner in Your franchise entity is transferred to another member and that You appoint a new Primary Owner, subject to Our prior written approval, and inform Us of such election, and You shall pay the Internal Transfer Fee for permitted internal transfers as set forth in Exhibit "A-3."

14.11 Assumption of Obligations. The parties agree that in the event a court of competent jurisdiction orders You to Transfer to Your spouse or a third party all or any part of Your interest in this Agreement or Your franchisee entity and/or in any property related thereto, such an order will constitute a Transfer of this Agreement and will cause the transferee to be subject to all of the terms and conditions concerning Transfers set forth herein above.

14.12 Acquisitions. If We receive an offer to acquire a majority of the franchises or to purchase a majority of Our assets or stock, or to merge or go public or similar transactions, We have the option, but not the obligation, to purchase all of Your rights and interests in and under this Agreement and Your Franchise Business at fair market value payable on terms as reasonably negotiated. The purchase price will not include compensation for any successor term or goodwill. All goodwill belongs to Us. If the purchase option is exercised, You must execute a general release of each Crumbl Party. We will close Our purchase and make payment within 60 days after closing or as soon thereafter as reasonably practical.

14.13 Transfer for Convenience of Ownership. If You are an individual or individuals, You may Transfer this Agreement without paying a fee to Us, to a corporation or limited liability company formed for the convenience of ownership, provided You: 1) provide Us at least 15 days' prior written notice of the proposed Transfer; 2) provide copies of the entity's charter documents, bylaws (or operating agreement), ownership interests of the owners, and similar documents, as We may request for Our review; 3) own all voting securities of the corporation or limited liability company; and 4) remain as a personal guarantor to this Agreement.

ARTICLE XV RELATIONSHIP OF THE PARTIES

15.1 Independent Contractors. In all matters, You are an independent contractor. Nothing in this Agreement or in the franchise relationship constitutes You as Our partner, agent, employee, joint employer, or joint venturer with Us, and this Agreement does not create a fiduciary relationship between You and Us. Neither party is liable for the debts, liabilities, taxes, duties, obligations, defaults,

compliance, intentional acts, wages, negligence, errors or omissions of the other. You are solely responsible for the management and control of Your Franchise Business, including, its daily operations, managing and directing employees, contractors, and sales persons, and paying all costs and expenses of Your Franchise Business. You agree not to hold themselves out by action or inaction contrary to the foregoing and to indemnify Us and each Crumbl Party for any liability, cost or expense including attorney's fees, incurred by either of them for any act, omission, finding or result to the contrary. None of Your employees will be deemed to be Our employee and each employee will be so notified by You. Neither party has the authority to act as agent for the other, and neither You nor We will guaranty the obligations of the other or in any way become obligated for the debts or expenses of the other unless agreed to in writing. You must post promptly and maintain any signs or notices specified by Us or by applicable law indicating the status of the parties as described above.

15.2 Indemnification. You must defend, indemnify, and hold Us and each Crumbl Party harmless from any and against any and all losses, liabilities, damages, costs and expenses whatsoever, including reasonable attorney's fees arising out of or related to, or in any way connected with You or Your acts, errors, negligence, or omissions in the operation of Your Franchise Business or Your Franchise Business generally, including any allegation that You are Our employee, or that We are a joint employer or otherwise responsible for the acts or omissions relating to Your employees, and other laws regarding public accommodations for persons with disabilities, or Your breach, violation, or default of this Agreement. We and each Crumbl Party will have the right to defend any such claim against it by employing counsel of its choice, subject to full reimbursement of all legal fees by You. We will use Our reasonable efforts to cooperate with You in any litigation, judicial or administrative proceeding to avoid duplication of time, effort or expenditure to the greatest extent possible without compromising Our interest in such matter. This indemnity will continue in full force and effect subsequent to and notwithstanding the Termination of this Agreement.

ARTICLE XVI COVENANT NOT TO COMPETE

16.1 In-Term Covenants. You and We share in a common interest in avoiding situations where persons or companies who are or have been franchisees operate or otherwise become involved with a similar or Competing Business during the Term. During the Term and for any extensions or Successor Franchises hereof, You and Your Immediate Family shall not own, operate, lease, franchise, conduct, consult with, engage in, be connected with, have any interest in, or assist any person or entity engaged in or on its own account or as an employee, contractor, consultant, partner, officer, director or shareholder of any Competing Business in any capacity, territory or location, except with Our prior written consent. You understand and acknowledge that to violate this Section will create irreparable harm. Each of Your owners, members, directors, officers, managers, and shareholders shall execute the standard Brand Protection Agreement attached as Exhibit "A-4." Your employees must execute Our Brand Protection Agreement attached hereto as Exhibit "A-5" (Although We provide You this form, it is Your responsibility to conform it to the laws and regulations of Your state. You must immediately provide Us a copy of any changes You make to this form). A copy of all such agreements must be promptly delivered to Us at closing for Your owners and within 1 week of hiring of Your management employees. You shall immediately notify Us in the event Your Immediate Family has any interest or involvement in any Competing Business or is otherwise in violation of the provisions in this section.

16.2 Confidentiality. During the Term and any extensions or Successor Franchises hereof, and at any time thereafter, You shall not, and You shall ensure that those over whom You have control

shall not, (a) make any unauthorized disclosure, use, copy, transmittal, recreation, reproduction, or other use of any part of the Confidential Information, other than as authorized by this Agreement; or (b) engage in, be involved with, be employed by, or contract with any other person, firm, corporation, limited liability company, or entity in any capacity where such engagement, (i) would reasonably require, entail, or result in the disclosure, use, or access to any Confidential Information; and/or (ii) could reasonably be expected to result in a conflict of interest or pose an actual risk of disclosure of any Confidential Information. You shall adopt and implement all reasonable procedures to prevent unauthorized use or disclosure of the Confidential Information, which procedures may be prescribed from time to time by Us. Without limiting the foregoing, You shall not forward any communication (email, paper, etc.) from Us to You to another email account You control or share, or forward to anyone, including employees, without first receiving Our express written consent.

16.2.1 Prior Disclosures. You acknowledge and agree that the information disclosed by Us prior to the actual execution of this Agreement will constitute Confidential Information and will be subject to all the terms and conditions of this Agreement (including the duties of non-use and non-disclosure) as if such information had been disclosed following the execution of this Agreement.

16.3 Post-Term Covenants. Upon Termination of this Agreement and for a continuous, uninterrupted period of three years thereafter, You and Your Immediate Family shall not, directly or indirectly, participate as an owner, operator, shareholder, director, partner, member, manager, consultant, agent, employee, contractor, advisor, officer, lessor, lessee, franchisor, franchisee or serve in any other capacity whatsoever or have any interest in or assist any person or entity in any Competing Business in any capacity, territory or location within Your Territory or within 25 miles of Your Territory or within 25 miles of the territory of any Crumbl® business in operation at the time of Termination or Transfer of this Agreement. The ownership of not more than 2% of the voting stock of a publicly held corporation will not be considered a violation of the foregoing provision. You understand and acknowledge that to violate this Section creates irreparable harm to Us and to the System.

16.3.1 Tolling of Covenant. In addition to other remedies available to Us, in the event You compete during the term of non-competition, this non-compete time period will be tolled and extended for the period of Your competition, plus an additional six months.

16.4 Non-Solicitation of Customers. For three years after the Termination of this Agreement, You shall not, directly or indirectly, contact any customer of Ours or of another Crumbl® franchisee or of Your former Franchise Business for the purpose of soliciting any such customer to a Competing Business from any such customer any business that is the same as or substantially similar to a Crumbl® business.

16.5 Survival of Covenants. The foregoing covenants will survive the Termination of this Agreement and will apply regardless of whether this Agreement was Terminated by lapse of time, by default of either party, or for any other reason.

16.6 Acknowledgement of Harm. You acknowledge that Your violation or default of the covenants and provisions of this Article XVI is likely to cause substantial and irreparable harm to Us and the System. You agree that the restrictions contained in this Agreement are reasonable and necessary for Our protection and the protection of other franchisees in the System, and that the existence of any claims You may have against Us, whether or not arising from this Agreement, will not constitute a defense to Our ability to enforce the covenants set forth in this Article.

16.7 Enforceability. It is the desire and intent of the parties to this Agreement that the provisions of this Article XVI be enforced to the fullest extent permissible under applicable laws. If any of the restrictions of this Article are determined to be unenforceable because of duration, scope or coverage or otherwise, then We have the right in Our sole discretion to reduce the scope of any covenant set forth above or any portion thereof, without Your consent, effective immediately upon receipt by You of written notice thereof; which modified covenant will be fully enforceable notwithstanding any other provision of this Agreement.

ARTICLE XVII DISPUTE RESOLUTION

17.1 Quick Resolution. You and We understand that there is always a possibility of differences of opinion or other disagreements in any business relationship and agree that it is important to resolve any Disputes amicably, quickly, inexpensively and professionally and to return to business as soon as possible.

17.2 Manner of Handling Disputes. You and We agree that except as otherwise expressly provided for herein, in the event any Dispute arises between Us and You in connection with, arising from, or with respect to, any provision hereof, the relationship created herein, or the validity of this Agreement or any provision hereof, or the offer and sale to You, such Dispute will be:

17.2.1 Face-to-Face Meeting. First discussed in a face-to-face meeting between You and Us in Salt Lake City, Utah, or at Our then-current headquarters within 30 days after either You or We give written notice to the other proposing such a meeting. We have the right, in Our sole discretion, to waive this requirement.

17.2.2 Mediation. If, in the opinion of either You or Us, the face-to-face meeting has not successfully resolved such Dispute and if desired by either You or Us, the Dispute will be submitted to non-binding mediation before Franchise Arbitration and Mediation Services (“FAM”) or as otherwise mutually agreed. The mediation will be conducted exclusively in Salt Lake City, Utah. On election by either party, arbitration as provided below may proceed forward at the same time as mediation. The mediator will be disqualified as a witness, consultant, expert or counsel for any party with respect to the Dispute and any related matters.

17.2.3 Arbitration. If in the opinion of either You or Us the mediation has not successfully resolved such matters, at the request of either You or Us, the Dispute will be submitted for arbitration to the offices of the American Arbitration Association in accordance with its commercial arbitration rules in effect. All arbitration hearings will be conducted exclusively in Salt Lake City, Utah. The arbitrator will have the power and jurisdiction to decide such Dispute solely in accordance with the express provisions of this Agreement. The arbitrator will render a written opinion setting forth the facts found, law applied and reasons for the decision.

(i) Arbitration Procedures. In any arbitration, the parties will be entitled to specific performance of the obligations under this Agreement. The arbitrator may award or otherwise provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships and other pre-judgment, equitable and/or interim relief as appropriate pending final resolution by binding arbitration of a Dispute, as well as in connection with any such final resolution, and may issue summary orders disposing of all or part

of a Dispute at any point. Each party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction. Offers and/or other communications made in connection with, or related in any way to, mediation, possible settlement or other resolution of a Dispute will not be admitted into evidence or otherwise used in connection with any arbitration or other proceeding, and any arbitration award in violation of this provision will be vacated by the arbitration appeal panel (described below) and/or any court having jurisdiction. The arbitrator will have the power to order compliance with such discovery procedures, as well as assess sanctions for non-compliance with any order. Discovery will be controlled by the arbitrator and will be permitted to the extent set out in this Paragraph. Each party may submit in writing to the other party, and the other party will respond, to a maximum of any combination of 25 (none of which may have subplots) of the following: interrogatories, demands to produce documents, and requests for admission. You and We are also entitled to take the oral deposition of one individual of the other party. Additional discovery may be permitted upon mutual agreement of the parties. The arbitrator, and not a court, will decide any questions relating in any way to the parties' agreement or claimed agreement to arbitrate, including a claim for fraud in the inducement or otherwise. Each participant must submit or file any Dispute that would constitute a compulsory counterclaim (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceedings as the Dispute to which it relates. Any such Dispute that is not submitted or filed in such proceedings will be forever barred. The award and findings of the arbitrator will be conclusive and binding upon all parties hereto and the judgment upon the award may be entered in any court of competent jurisdiction.

(ii) Individual Disputes. Any Dispute must be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff or similar basis between You and Us and will not be consolidated with any other arbitration or court proceeding involving Us and any other party.

(iii) Agreed Limitations. Except for payments owed by one party to the other, claims attributable to Your underreporting of sales, or claims related to an act of Yours allowing Us to immediately terminate this Agreement, any legal action or arbitration proceeding (including the offer and sale of a franchise to You) brought or instituted with respect to any Dispute hereunder must be brought or instituted within a period of 1 year from the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; provided that no claim may be brought more than 2 years after the first act or omission giving rise to an alleged claim. The initiation of mediation or arbitration hereunder will toll the applicable statute of limitations for the duration of any such proceedings.

(iv) Limited Damages. You and We waive any right or claim of any consequential, punitive or exemplary damages against each other and agree that in the event of a Dispute between You and Us, each will be limited to the recovery of actual damages sustained. We will not be liable for any act or omission which is consistent with this Agreement or which is done in subjective good faith. If You bring an action for alleged wrongful Termination of this Agreement and provided that the termination has not resulted in a closure of Your Franchise Business, Your sole remedy will be to be reinstated as a franchisee with no award of damages. If the Termination results in a closure of Your Franchise Business, Your sole remedies will be reinstatement as a franchisee and to receive compensation for economic losses directly incurred by You as a result of such closure, conditioned upon Your duty to mitigate.

(v) Exceptions to Arbitration. You and We agree that nothing in this Agreement obligates Us to arbitrate or mediate Disputes or issues relating to: (a) the validity of the

Marks, or any trademarks, service marks or other Intellectual Property; (b) rights to obtain a writ of attachment or other prejudgment remedies; (c) rights to receive and enforce a temporary restraining order, preliminary injunction, permanent injunction or other equitable relief; or (d) Disputes solely for fees and other monies owed by one party to the other under this Agreement.

(vi) Appeals. If any party to an arbitration wishes to appeal any final award by an arbitrator (there will be no appeal of interim awards or other interim relief), that party can appeal, within 30 days of such final award, to a 3-person arbitrator panel to be appointed by the same organization as conducted the arbitration to be held exclusively at the same location as specified above. The issues on appeal will be limited to the proper application of the law to the facts found at the arbitration and will not Include any trial *de novo* or other fact-finding function. The party requesting such appeal must pay all costs and fees of the arbitrators and arbitration proceedings.

(vii) Sharing of Fees. Except for an appeal, the parties to the Dispute or action will share the fees and expenses of the mediation and the arbitration equally during the mediation and arbitration. If a party is unable or unwilling to pay its share of the upfront cost of the mediation or arbitration, the other party has the right to cover those costs; however, the prevailing party in arbitration, including on appeal, will be awarded costs and attorney's fees as set forth in Section 19.3 below.

(viii) Federal Arbitration Act. You and We mutually agree that all issues relating to arbitrability are governed exclusively by the Federal Arbitration Act and the federal common law of arbitration to the exclusion of any state statutes or common law and will be decided by the arbitrator. All provisions of this Agreement pertaining to venue, choice-of-laws, dispute avoidance and resolution will be strictly enforced, and You and We will rely on federal preemption under the Federal Arbitration Act.

17.3 Continued Performance. During the pendency of any Dispute or any such interim relief proceeding, the parties shall continue to perform all obligations under this Agreement.

ARTICLE XVIII NOTICES

18.1 Notices. All notices permitted or required under this Agreement must be in writing and delivered by one of the following methods with notice deemed given as indicated: (i) by personal delivery when delivered personally; (ii) by overnight courier upon written verification of receipt; (iii) by facsimile transmission when confirmed by facsimile transmission, during normal business hours, Monday through Friday, holidays excepted; (iv) by sending an email to the email address below or other verified email address when confirmed by receipt verification, which verification will not be withheld or otherwise denied; or (v) by certified or registered mail, return receipt requested, three days after deposit in the mail to the addresses indicated on Exhibit "A-2."

ARTICLE XIX CONSTRUCTION AND JURISDICTION

19.1 Governing Law. Except as provided in Section 19.5, this Agreement will be governed, construed and interpreted in accordance with the laws of the State of Utah without giving effect to its conflicts of law provisions. You and We agree that the provisions of this Agreement will control the state or provincial laws by which this Agreement will be governed and any provisions of state or provincial law to the contrary or any statements in Our franchise disclosure document or otherwise required as a condition of registration or otherwise. If the governing law requires terms other than or in addition to those in this Agreement, then such terms will be deemed incorporated herein but only to the extent necessary to prevent the invalidity of this Agreement or any of the provisions hereof or the imposition of civil or criminal penalties or liability. To the extent permitted by the laws of the state whose laws govern this Agreement, You hereby waive any provisions of law or regulations which render any portion of this Agreement invalid or unenforceable in any respect.

19.2 Jurisdiction. In order to facilitate our joint interests in having franchise issues determined in a consistent manner for application throughout the System, without in any way limiting or otherwise affecting Your and Our obligations regarding mediation and arbitration in accordance with the provisions of Article XVII, if there is any litigation between us, You and We hereby irrevocably consent to the exercise of general personal jurisdiction in the courts of record of the State of Utah even though it may be otherwise possible to obtain jurisdiction elsewhere, and You and We agree that Salt Lake County, Utah will be the exclusive venue for any litigation between Us and You. Each party waives any objection they may have to the personal jurisdiction of or venue in the state and federal courts of Utah.

19.3 Costs and Attorney's Fees. In the event any action in law or equity or any arbitration or other proceeding is brought for the enforcement of this Agreement or in connection with any of the provisions of this Agreement, the successful or prevailing party or parties are entitled to reasonable attorney's fees and other costs reasonably incurred in such action or arbitration or litigation proceeding. The costs of mediation will also be awarded to the prevailing party in arbitration or litigation, if applicable. For purposes of this Agreement, "prevailing party" Includes the Party which obtains a judgment in their favor, or agrees to dismiss an action or proceeding upon the other's payment of sums allegedly due or performance of the covenants allegedly defaulted, or which obtains substantially the relief sought. Reimbursement is due within 30 days of written notice after prevailing.

19.4 No Jury Trial. You and We waive, to the fullest extent permitted by law, all rights to trial by jury in any action or Dispute, whether at law or in equity, brought by either party.

19.5 Exception. Notwithstanding the foregoing, the Federal Arbitration Act (9 U.S.C. §§ 1 Et. Seq.) and the United States Trademark Act (Lanham Act, U.S.C § 1051 Et. Seq.) will apply to this Agreement and the relationship of the parties and preempt any state law to the contrary.

19.6 No Limitation of Our Rights. We may, in Our discretion, elect not to enforce or selectively enforce any provision of this Agreement whether with respect to You or any other franchisee and such acts or omissions will not limit or otherwise affect Our rights to strictly enforce this Agreement.

BRAND PROTECTION AGREEMENT FOR PRINCIPALS

This BRAND PROTECTION AGREEMENT FOR PRINCIPALS (the “Agreement”) is entered into and made effective as of _____, by CRUMBL FRANCHISING, LLC (“Franchisor,” “We,” “Our(s),” and “Us”) and the undersigned principals (each a “Principal” and collectively, the “Principals”).

WHEREAS, the Principal(s) or his/her/their company entered into (or intend to enter into) an agreement with Franchisor so as to be able to obtain the rights to operate a Crumbl® Business using the System developed by Franchisor, Including certain confidential and proprietary information of Franchisor (“Franchise Agreement”);

WHEREAS, Franchisor has developed, or has acquired to right to, Confidential Information for the operation of a Crumbl® Franchise Business and may continue to develop new Confidential Information and revise current Confidential Information for use in association with the Crumbl® System. “Confidential Information” means any information relating to a Crumbl® business, Our products or services, or the development or operation of a Crumbl® business or relating to the System as a whole, Including: (i) methods for the preparation of Crumbl® products; (ii) Our methods, techniques, formats, layout, specifications, proprietary mixes, recipes, flavors, ingredients, sauces, syrups, spices, processes, methods, formulas, temperatures, and measurements and other information relating to the preparation of food items, hardware, software, systems, proprietary technology, procedures, equipment, sales and Marketing programs, training programs and materials, knowledge, and experience in the development and operation of Crumbl® businesses; (iii) knowledge of, specifications for, and suppliers of, certain Crumbl® products, materials, supplies, equipment, furnishings and fixtures; (iv) knowledge of operating results and financial performance of Crumbl® businesses; (v) Our strategic plans and concepts for the development, operation, or expansion of Crumbl® businesses; (vi) the contents of the Manuals or any other information obtained from Us in confidence at any time by virtue of the franchise or license relationship; (vii) all Customer Data, whether maintained or created by Us or a Principal; and (viii) the Intellectual Property that is not known by persons outside of the Crumbl® system or that is generally deemed confidential. Confidential Information further includes all Improvements whether developed or discovered by Us, a Franchisee, or a Principal; and

WHEREAS, Principals may have access to the Confidential Information; and

WHEREAS, each Principal recognizes the value of the Confidential Information and the intangible property rights licensed under the Franchise Agreement, and the importance of maintaining secret the Confidential Information, and recognizes that Franchisor’s entering into the Franchise Agreement is conditioned upon each Principal entering into this Agreement; and

WHEREAS, all capitalized terms used, but not defined, herein will have the respective meanings assigned to them pursuant to the Franchise Agreement, and all references herein to “Article,” “Sections” and “Paragraphs” refers to articles, paragraphs and sections of the Franchise Agreement.

NOW THEREFORE, in consideration of Franchisor entering into the Franchise Agreement with Principal(s) or his or her or their company, the recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Acknowledgment. Each Principal individually acknowledges that he or she has obtained or may obtain knowledge of the Confidential Information, which is necessary and essential to the operation of the Franchise Business, without which information the Franchise Business could not efficiently, effectively and profitably operate. Each Principal further acknowledges that such Confidential Information was not known to him or her prior to the association with Franchisor.

2. Non-Disclosure and Non-Use. During the Term, any Successor Franchise Terms, and at any time thereafter, each Principal shall not (a) make any unauthorized disclosure, use, copy, transmittal, recreation, reproduction, or other use of any part of the Confidential Information, other than as authorized by this Agreement; or (b) engage in, be involved with, be employed by, or contract with any other person, firm, corporation, limited liability company, or entity in any capacity where such engagement, (i) would reasonably require, entail, or result in the disclosure, use, or access to any Confidential Information; and/or (ii) could reasonably be expected to result in a conflict of interest or pose an actual risk of disclosure of any Confidential Information. Each Principal shall adopt and implement all reasonable procedures to prevent unauthorized use or disclosure of the Confidential Information, which procedures may be prescribed from time to time by Franchisor. Without limiting the foregoing, each Principal shall not forward any communication (email, paper, etc.) from Franchisor to Principal to another email account Principal controls or shares, or forward to anyone, including employees, without first receiving Franchisor's express written consent. Each Principal acknowledges and agrees that the information disclosed by Franchisor prior to the actual execution of this Agreement will constitute Confidential Information and will be subject to all the terms and conditions of this Agreement (including the covenants protecting against disclosures) as if such information had been disclosed following the execution of this Agreement.

2.1 Duty to Notify. Each Principal shall notify Franchisor of any reasonably suspected attempts to violate the terms or purposes of this Agreement and further agree to require all employees to report to it any reasonably suspected attempts to violate this Agreement. In the event it is discovered that a Principal knew or had reason to know of any suspected attempts to violate this Agreement, each Principal agrees to indemnify Franchisor and Franchisor's parents, affiliates, officers, directors, shareholders, members, managers, employees, agents, and representatives for all costs and fees associated with enforcement, and to reimburse Franchisor for those losses sustained due to such violation.

2.2 No Reverse Engineering. Each Principal shall not directly or indirectly use, replicate, adapt, or create any product or output that is identical or substantially similar to any product or output derived from the Confidential Information, including any processes, procedures, recipes, or ingredients, whether or not such product or output is created through reverse engineering, modification, or independent development.

2.3 Limited Use. Each Principal shall limit his/her use of the Confidential Information, to the performance of their duties as described in the Franchise Agreement, the Manuals, and any policies and procedures implemented by Franchisor.

3. Non-Competition. Principal(s) and Franchisor share in a common interest in avoiding situations where persons or companies who are or have been Crumbl® franchisees operate or otherwise

become involved with a substantially similar competing business. Therefore, the following covenants will be enforced during and after the Term.

3.1 In-Term Covenant. During the Term and for any extensions or Successor Franchises hereof, except as permitted under the Franchise Agreement, each Principal shall not shall not, own, operate, lease, franchise, conduct, consult with, engage in, be connected with, have any interest in, or assist any person or entity engaged in or on its own account or as an employee, consultant, contractor, partner, officer, director or shareholder of any cookie, soda, or bakery dessert business, including any business whose gross sales total more than 10% in any of the following products: cookies, donuts, sodas, or other bakery desserts, or other business offering products or services competitive to those of the Franchise Business or the System in any capacity or location anywhere in the world, except with Franchisor's prior written consent. Each Principal understands and acknowledges that to violate this Section will create irreparable harm.

3.2 Post-Term Covenant. Upon Termination for any reason of the Franchise Agreement, and any extensions thereof, or upon any Transfer or repurchase of a Principal's rights under the Franchise Agreement or Principal's franchise entity, and for a continuous, uninterrupted period of 3 years thereafter, each Principal shall not directly or indirectly, participate as an owner, operator, shareholder, director, partner, consultant, agent, member, manager, employee, contractor, advisor, officer, lessor, lessee, franchisor, franchisee or serve in any other capacity whatsoever or have any interest in or assist any person or entity in any business, firm, entity, partnership or company, in any cookie, soda, or bakery dessert business, including any business whose gross sales total more than 10% in any of the following products: cookies, donuts, sodas, or other bakery desserts, or other business offering products or services competitive to those of the Franchise Business or the System in any capacity, territory, or location within the Territory or within 25 miles of the Territory or within 25 miles of the territory of any System, franchise, or Crumbl® business operation at the time of Termination of the Franchise Agreement. The ownership of not more than 2% of the voting stock of a publicly held corporation will not be considered a violation of the foregoing provision. Each Principal agrees that the Franchise Business attracts customers from up to 25 miles, and that such geographical restraint is not unreasonable.

3.3 In the event a Principal competes during the term of non-competition, or is otherwise in default of the obligation herein, this non-compete time period will be tolled and extended for the period of such default.

4. Non-Solicitation of Customers. Subject to applicable state law, during the Term and any extensions or Successor Franchise and for three years thereafter, each Principal shall not directly or indirectly, contact, communicate with, or approach any former or current customer of the Franchise Business or Franchisor for the purpose of soliciting, proposing, or accepting any business engagement or transaction that competes with the business operations of a Crumbl® business or any business conducted by Franchisor or its affiliates. This restriction does not prohibit any activities expressly permitted under the Franchise Agreement. Each Principal acknowledges and agrees that all customer data generated from or related to the Franchise Business are the exclusive property of Franchisor, to the maximum extent permitted by applicable law. Each Principal is prohibited from using such data for any purpose outside the scope of the Franchise Agreement without explicit written consent from Franchisor.

[Sections 3.2, 3.3, and 4 above are omitted in their entirety only in respect to a Principal that is a resident of the State of California as of the Effective Date]

5. Return of Materials. Upon the Termination of the Franchise Agreement, or a Principal's disassociation from Your franchise entity, each Principal agrees to deliver to Franchisor (and will not keep a copy in his or her possession or deliver to anyone else) the Crumbl® Manuals and any and all Confidential Information.

6. Irreparable Harm. Each Principal hereby acknowledges and agrees that any default by him or her of any portion of Sections 1 through 5 above, inclusive, will cause damage to Franchisor in an amount difficult to ascertain. Accordingly, in addition to any other relief to which Franchisor may be entitled, Franchisor will be entitled to temporary, preliminary, and/or permanent injunctive relief for any default or threatened default by any Principal of any of the terms of Section 1 through 5 above, inclusive, without proof of actual damages that have been or may be caused to Franchisor by such default. Additionally, each Principal agrees that the existence of any claims a Principal may have against Franchisor, whether or not arising from this Agreement or the Franchise Agreement, will not constitute a defense to Franchisor's ability to enforce the covenants set forth in this Agreement.

7. Reasonableness and Enforceability. Each Principal agrees that the terms of this Agreement are fair and reasonable in light of the circumstances and were in part, based on the perceived or potential value of the System and the business relationship that Principal and/or his or her or their company has and will have with Franchisor. If any portion of this Agreement will be held invalid or inoperative, then, so far as is reasonable and possible, the remainder of this Agreement will be considered valid and operative, and effect will be given to the intent manifested by the portion held invalid or inoperative. Whenever the context so requires, the masculine will include the feminine and neuter and the singular will include the plural and conversely. Each Principal understands that a separate action may be brought or prosecuted against a Principal whether or not the action is brought or prosecuted against any other Principal or against the franchisee, or any or all of them, or whether any other Principal or the franchisee is or are joined in the action.

8. Governing Law and Jurisdiction. The validity, enforcement, construction, rights and liabilities of the parties and provisions of this Agreement will be governed by and interpreted in accordance with the laws of the State of Utah without giving effect to its conflicts of law provisions. If for any reason court action is filed, each Principal individually consents to the jurisdiction of the courts of record in the State of Utah, and unless the enforcement of this Agreement is brought in connection with a Dispute under the Franchise Agreement (in which case this matter may be handled through arbitration as set forth in the Franchise Agreement), each Principal agrees that proper jurisdiction and venue for all Dispute resolution will be exclusively in the state and federal courts of Utah.

9. Attorney's Fees and Costs. In the event any action in law or equity or any arbitration or other proceeding is brought for the enforcement of this Agreement or in connection with any of the provisions of this Agreement, the successful or prevailing party or parties will be entitled to reasonable attorney's fees and other costs reasonably incurred in such action or proceeding.

10. Binding Agreement. This Agreement will bind the successors and assigns of a Principal and his or her heirs, personal representative, successors and assigns. No rights under this Agreement are assignable by any Principal, and any purported assignment will be null and void and of no force or effect.

11. Survival of Covenants. All covenants made in this Agreement by Principal(s) will

survive the Termination of this Agreement or the Franchise Agreement or Principal's disassociation with the Franchise Business or the System in any way.

12. Modification of Agreement. This Agreement may be amended in whole or in part only by an agreement in writing signed by the parties.

13. Obligation to Bind Related Parties. Each Principal shall ensure that those over whom Principal has control, Including Principal's Immediate Family, comply with all obligations and acknowledgments of Principal as set forth herein.

13. Counterpart and Electronic Signatures. This Agreement may be signed in counterparts by facsimile, electronic signature, or scanned and emailed signature, or similar electronic means, which will be deemed the same as an original signature and may be used for all purposes as if it were an original.

EACH PRINCIPAL INDIVIDUALLY ACKNOWLEDGES THAT HE OR SHE HAS READ THIS AGREEMENT AND UNDERSTANDS ITS CONTENTS.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first herein above written.

C. Employee may in the course of his or her employment by Franchisee have access to such Confidential Information.

NOW, THEREFORE, in consideration of the employment of Employee by Franchisee, the parties hereto agree as follows:

1. Acknowledgement. Employee acknowledges that in the initial training program and during the course of his or her employment by Franchisee he or she has obtained or may obtain knowledge of the Confidential Information and other confidential matters and procedures developed, licensed to or owned by Franchisor and made available to Franchisee, which are necessary and essential to the operation of the business of Franchisee, which without such information, Franchisee could not efficiently, effectively and profitably operate its Crumbl® franchise. Employee shall disclose in writing to Franchisee or Franchisor, within 10 days after receipt of such Confidential Information, as to whether such Confidential Information was already known to him or her. Recipient agrees that by not providing such disclosure to Franchisee or Franchisor, Employee is acknowledging and

representing that that such Confidential Information was not known to Employee prior to the association with Franchisee.

2. Non-Use, Non-Disclosure. Except as may be required in the performance of duties for Franchisee, Employee shall not, during the course of his or her employment or at any time thereafter, (a) make any unauthorized disclosure, use, copy, transmittal, recreation, reproduction, or other use of any part of the Confidential Information; or (b) engage in, be involved with, be employed by, or contract with any other person, firm, corporation, limited liability company, or entity in any capacity where such engagement, (i) would reasonably require, entail, or result in the disclosure, use, or access to any Confidential Information; and/or (ii) could reasonably be expected to result in a conflict of interest or pose an actual risk of disclosure of any Confidential Information. Employee shall adopt and implement all reasonable procedures to prevent unauthorized use or disclosure of the Confidential Information, which procedures may be prescribed from time to time by Franchisor or Franchisee.

2.1 No Reverse Engineering. Employee shall not directly or indirectly use, replicate, adapt, or create any product or output that is identical or substantially similar to any product or output derived from the Confidential Information, including any processes, procedures, recipes, or ingredients, whether or not such product or output is created through reverse engineering, modification, or independent development.

3. Limited Use. Employee shall not use the Confidential Information at any time, place, or circumstance, except as directed by Franchisee or its authorized representatives. In no event shall Employee use the Confidential Information, whether in part or in whole, outside of Employee's specific employment duties.

4. Duty to Notify. Employee agrees to notify Franchisor or Franchisee or Employee's immediate superiors of any reasonably suspected attempts to violate the terms or purposes of this Agreement or to otherwise disclose, copy or reproduce any part of the Confidential Information. Accordingly, in addition to any other relief to which Franchisee may be entitled, either Franchisee or Franchisor will be entitled to enforce this Agreement and to seek temporary, preliminary, and/or permanent injunctive relief for any default or threatened default by Employee of any of the terms of Section 1 through 5 above, inclusive, without proof of actual damages that have been or may be caused to Franchisee or Franchisor by such default, and without the requirement of posting bond.

Employee hereby agrees that, without limitation, any modifications, alterations, changes, inventions, or improvements conceived, designed, devised, developed, perfected or made by Employee, whether alone or in conjunction with others, and related in any manner to the actual or anticipated operation of a Crumbl® business or business similar and/or competitive to a Crumbl® business, or the Crumbl® system, or to any similar area of research and development, must be promptly disclosed to the Franchisor or Franchisee and will become the property of Franchisor, and Employee hereby irrevocably assigns, transfers, and conveys any such to Franchisor.

8. Enforceability. If any portion of this Agreement will be held invalid or inoperative, then, so far as is reasonable and possible, the remainder of this Agreement will be considered valid and operative, and effect will be given to the intent manifested by the portion held invalid or inoperative. Whenever the context so requires, the masculine will include the feminine and neuter and the singular will include the plural and conversely.

9. Survival of Covenants. All covenants made in this Agreement by Employee will survive the termination of Employee's employment with Franchisee or the expiration, transfer, or termination of this Agreement.

10. Modification of Agreement. This Agreement may be amended in whole or in part only by an agreement in writing signed by both parties.

11. Attorneys' Fees. 12. Counterpart and Electronic Signatures. This Agreement may be signed in counterparts by facsimile, electronic signature, or scanned and emailed signature, or similar electronic means, which will be deemed the same as an original signature and may be used for all purposes as if it were an original.

13. Third-party Beneficiary. It is agreed and acknowledged that Franchisor is a third-party beneficiary to this Agreement.

EMPLOYEE ACKNOWLEDGES THAT HE OR SHE HAS READ THIS AGREEMENT AND UNDERSTANDS ITS CONTENTS.

FOR THE STATE OF ILLINOIS**

Illinois Law governs the franchise agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

**ADDENDUM TO THE FRANCHISE AGREEMENT
FOR THE COMMONWEALTH OF VIRGINIA**

The Virginia State Corporation Commission's Divisions of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of

the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise

law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. **Fee Deferral.** In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens under the Area Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.

The undersigned does hereby acknowledge receipt of this addendum.

Crumbl Franchising, LLC

Financial Statements as of and
for the Year Ended December 31, 2025, and
Independent Auditor's Report

INDEPENDENT AUDITORS' REPORT

To the Member of Crumbl Franchising, LLC

Opinion

We have audited the financial statements of Crumbl Franchising, LLC (the "Company"), which comprise the balance sheet as of December 31, 2025, and the related statements of income, comprehensive income, and member's equity (deficit) and cash flows for the year then ended, and the related notes to financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025, and the results of its operations and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CRUMBL FRANCHISING, LLC

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2025

1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—Crumbbl Franchising, LLC (the “Company”) is a Utah limited liability company that facilitates franchising of Crumbbl restaurants. The Company was organized on February 9, 2018. The Company is a wholly owned subsidiary of Crumbbl Enterprises, LLC (Crumbbl Enterprises). Crumbbl Enterprises is a wholly owned subsidiary of Crumbbl Holdings Parent LLC.

Basis of Presentation—The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Restatement of Prior Period—Subsequent to the issuance of the Company’s 2024 financial statements, the Company determined that there were misstatements in the recognition and measurement of litigation accruals resulting in misstatement to member’s equity. As a result, the Company restated the beginning member’s equity (deficit) balance in the accompanying financial statements to correct these errors. The impact of these adjustments on the Company’s net income for the year ended December 31, 2024 was a reduction in the amount of \$14,184,760 (unaudited), and similar impact to beginning member’s equity (deficit).

Use of Estimates in Preparing the Financial Statements—The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. The most significant estimates relate to the selection of useful lives of property and equipment, capitalization of internally developed software and associated useful lives, gift card breakage revenue, and litigation. These estimates are based on information available as of the date of the financial statements; therefore, actual results could differ from those estimates.

Risks and Concentrations—The Company maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. To date, the Company has not experienced a loss or lack of access to its invested cash.

Major vendors are defined as those vendors having expenditures made by the Company which exceed 10% of the Company’s total expenditures. The Company had one related-party vendor that constituted 49% of total expenditures during the year ended December 31, 2025.

Comprehensive Income—US GAAP requires that recognized revenue, expenses, gains, and losses be included in net income. Certain changes in assets and liabilities are recorded as a separate component of equity and such items, along with net income, are components of comprehensive income. The only component of comprehensive income for the Company is net income.

Cash and Cash Equivalents—Cash and cash equivalents include all short-term highly liquid investments with original maturities of three months or less at the time of purchase, as well as customer payments made with a credit or debit card that generally settle in two to three business days.

Accounts Receivable and Allowance for Credit Losses—Accounts receivable includes billed and contract asset amounts. Billed receivables are recorded in accordance with agreed-upon billing schedules in the individual contracts.

The Company records unbilled accounts receivable when the franchisee signs the franchise agreement but cannot be billed the franchise fees until the store opens, due to state and local laws. The Company has legal recourse on the franchise fees after the franchise agreement has been signed, at which point collectability is deemed probable.

The Company records its accounts receivable at sales value net of an allowance for expected credit loss based on historical experience, current conditions, and reasonable and supportable forecasts. Customers typically are provided with payment terms of 30 days. The Company has tracked historical loss information for its trade receivables and compiled historical credit loss percentages for different aging categories (current, 1–30 days past due, 31–60 days past due, 61–90 days past due, and more than 90 days past due).

Management believes that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for trade receivables held as of December 31, 2025 because the composition of the receivables as of that date is consistent with that used in developing the historical credit-loss percentages (i.e., the similar risk characteristics of its customers and its credit practices have not changed significantly over time). As of December 31, 2025, the Company did not have an allowance for expected credit losses.

Contract Acquisition Costs—The Company capitalizes commission expenses as costs of obtaining a contract, when they are incremental and expected to be recovered, and amortizes them over the expected period of benefit to which the asset relates. If the expected amortization period is one year or less, the commission cost is expensed when incurred. As of December 31, 2025, the expected period of benefit for the contract acquisition costs was determined to be 5 years. Capitalized contract acquisition costs were \$503,180 as of December 31, 2025. Amortization of the contract acquisition costs for the year ended December 31, 2025 was \$455,945, which is included in general and administrative expenses in the statement of income, comprehensive income, and member’s equity (deficit).

Property and Equipment—Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets or over the related lease terms (if shorter) as follows:

Vehicles	5 years
Machinery and equipment	7 years
Leasehold improvements	Lesser of the lease term or 2 to 4 years
Computers and office equipment	5 to 7 years

Expenditures that materially increase values or capacities or extend useful lives of property and equipment are capitalized. Routine maintenance, repairs, and renewal costs are expensed as incurred. Upon sale or other retirement of depreciable property, the cost and accumulated depreciation and amortization are removed from the related accounts and any gain or loss is reflected in the statements of income and member’s equity (deficit).

Capitalized Software Costs—Software development costs for internal-use software are capitalized when management commits to funding and it is probable the project will be completed and perform the intended function. Capitalized software costs are stated at cost less accumulated amortization. Amortization is calculated using the straight-line method over the estimated useful life of three years.

Impairment of Long-Lived Assets—The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may be impaired. If it is determined that the estimated undiscounted future cash flows are not sufficient to recover the carrying value of the asset or asset group, an impairment loss is recognized in the statements of income and member’s equity (deficit) for the difference between the carrying value and the fair value of the asset or asset group. Management does not consider any of the Company’s long-lived assets to be impaired as of December 31, 2025.

Lease Commitments—The Company leases certain office space. The Company assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. For all arrangements where it is determined that a lease exists, the related right-of-use assets and lease liabilities are recorded within the balance sheet as either operating or finance leases. At inception or modification, the Company calculates the present value of lease payments using the implicit rate determined from the contract or the risk-free discount rate, which is determined by using a period comparable with that of the lease term. The present value is adjusted for prepaid lease payments, lease incentives, and initial direct costs (e.g. commissions). The Company's leases may require fixed rental payments, variable lease payments based on usage or sales and fixed non-lease costs relating to the leased asset. Variable lease payments are generally not included in the measurement of the right-of-use assets and lease liabilities. Leases with an initial term of 12 months or less are not recorded on the balance sheet. Lease expense is recognized for these leases on a straight-line basis over the lease term. Fixed non-lease costs, for example common-area maintenance costs, taxes, insurance, and maintenance, are included in the measurement of the right-of-use asset and lease liability as the Company does not separate lease and non-lease components.

Gift Card Liability—Gift cards sold by the Company are recorded as a liability. Upon redemption of the gift card at a franchisee location, the franchisee receives a credit for amounts owed the Company for the gift card usage, and the gift card liability is reduced. Gift card breakage is recognized based on historical gift card redemption rates. The Company evaluates the redemption rates of gift cards monthly and recognizes a portion of unredeemed digital gift cards as breakage revenue.

Revenue Recognition—The Company recognizes revenue from royalties, advertising and marketing fees, franchise fees, technology fees, and other revenues. Revenue is recognized in accordance with ASC 606, *Revenue from Contracts with Customers*, by recognizing revenue when it satisfies a performance obligation in an amount reflecting the consideration to which it expects to be entitled. The Company applies a five-step approach in determining the amount and timing of revenue to be recognized: (1) identifying the contract with a customer, (2) identifying the performance obligations in the contract, (3) determining the transaction price, (4) allocating the transaction price to the performance obligations in the contract, and (5) recognizing revenue when the performance obligation is satisfied. The Company has elected the practical expedient to account for certain pre-opening services as distinct from the franchise license.

Royalties—Franchisees are required to pay a percentage of sales as royalties. Royalties are recognized as revenue when earned based on franchisee sales activity.

Advertising and Marketing Fees—Advertising and marketing fees are considered distinct from royalties, as a significant portion of marketing costs are directed to specific segments and stores. Franchisees are required to pay a percentage of sales for advertising and marketing. Advertising and marketing fees received from franchisees are recorded as a deferred advertising and marketing fee revenue until the advertising and marketing activities have been performed, at which time the associated revenue and expenses are recorded in the accompanying statement of income, comprehensive income, and member's equity (deficit).

Technology Fees—The Company charges a monthly fee for the use of its software. Technology fees are recognized as revenue as software access is made available to franchisee locations.

Franchise Fees—The Company sells individual franchises as well as territory agreements in the form of area development agreements (ADA) that grant the right to develop stores in designated areas. The franchise and ADA agreements typically require the franchisee to pay an initial nonrefundable fee that is recognized over the life of the contract as the services are satisfied over time. Fees collected in advance are deferred until earned.

Other Revenues—Other revenues consist of primarily of merchant fees, initial training fees, gift card revenue breakage, and additional service fees. Revenue on other revenues is recognized when the performance obligation is satisfied.

Contract Balances—The timing of revenue recognition, billings, and cash collections results in billed accounts receivable and unbilled receivables (contract assets), and gift card liability, deferred advertising and market fees, and deferred franchise fees (contract liabilities) on the balance sheets.

The following table summarizes revenue during the year ended December 31:

	2025
Royalty fees	\$ 99,087,273
Advertising and marketing fees	30,520,723
Technology fees	6,502,500
Franchise fees	6,012,776
Other revenue—net	<u>13,567,458</u>
	<u>\$ 155,690,730</u>

Loyalty Rewards Program—The Company offers a loyalty rewards program. During 2024, the loyalty rewards program was changed from Crumbl Cash to Crumbl Rewards. Under Crumbl Rewards, customers primarily earn Crumbs on purchases of desserts, catering, or gift cards. Crumbs can be redeemed for cookies and desserts and expire after a year. Under the Crumbl Cash program, customers earned points for each dollar spent with 100 points being redeemable for \$10 to be used for a future purchase. The Crumbl Cash points do not expire. The structure of the Crumbl Rewards and Crumbl Cash loyalty programs are that the franchisee bears the cost of providing the rewards at the point-of-sale and therefore the Company has not recorded deferred revenue or other liability for rewards earned due to customers.

Advertising and Marketing—Advertising and marketing costs are expensed as incurred. As of December 31, 2025, the Company deferred a total of \$0 representing advertising and marketing fees billed to franchisees in excess of advertising and marketing expenses paid.

Income Taxes—The Company is treated as a partnership for federal income tax purposes and, accordingly, no provision for federal or state income taxes has been made in the accompanying financial statements, with the exception of minimum state franchise taxes, which are included in general and administrative in the statement of income, comprehensive income, and member’s equity (deficit).

As a limited liability company, member liability is limited to the capital invested. Allocation of profits, losses, and distributions is in accordance with the terms as defined in the operating agreement. Income and losses for tax purposes may differ from the financial statement amounts and may be allocated to the members on a different basis for tax purposes than for financial statement purposes. Member’s equity reflected in the accompanying financial statements does not necessarily represent member’s tax basis of their respective interest.

As of December 31, 2025, the Company had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Company is subject to routine audits by tax jurisdictions; however, there are currently no audits in progress.

Subsequent Events—Management has evaluated events and transactions for potential recognition or disclosure through March 16, 2026, which is the date the financial statements were available to be issued.

Recent Accounting Pronouncements—In September 2025, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2025-06, *Intangibles—Goodwill and Other—Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software*. ASU 2025-

06 eliminates the consideration of project development stages and clarifies the criteria for capitalization which begins when both of the following occur: (1) management has authorized and committed to funding the software project and (2) it is probable that the project will be completed and the software will be used to perform the intended function. ASU 2025-06 is effective for annual reporting periods beginning after December 15, 2027, with early adoption permitted. The amendments in this ASU permit an entity to apply the new guidance using a prospective, modified, or retrospective transition approach. The Company adopted this ASU during the year ended December 31, 2025 under a prospective transition approach, applying the amendments in this ASU to new software costs incurred as of the beginning of 2025 for all projects, including in-process projects.

In July 2025, the FASB issued ASU 2025-05, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*. ASU 2025-05 provides a practical expedient that assumes that current conditions as of the balance sheet date do not change for the remaining life of the asset, and nonpublic entities are permitted to make an accounting policy election to consider collection activity after the balance sheet date when estimating expected credit losses. ASU 2025-05 is effective for annual reporting period beginning after December 15, 2025, with early adoption permitted. The Company adopted this ASU during the year ended December 31, 2025. The adoption of this ASU did not have a material impact to the financial statements.

Independent Auditors' Report

To the Member of Crumbl Franchising, LLC

Opinion

We have audited the financial statements of Crumbl Franchising, LLC (a Utah limited liability company), which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of income and member's equity (deficit), and cash flows for the years ended December 31, 2024, 2023, and 2022, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Crumbl Franchising, LLC (the Company) as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years ended December 31, 2024, 2023, and 2022 in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

1. Description of Organization and Summary of Significant Accounting Policies

Organization

Crumbl Franchising, LLC (the Company) is a Utah limited liability company that facilitates franchising of the Crumbl Restaurants. The Company was organized on February 9, 2018. The Company is a wholly owned subsidiary of Crumbl Enterprises, LLC (Crumbl Enterprises).

During the years ended December 31, 2024, 2023, and 2022, the Company sold 7, 54, and 357 new franchises, opened 99, 287, and 365 franchises, closed 20, 7, and 0 franchises, and transferred 73, 47, and 11 franchises, respectively. As of December 31, 2024, 2023, and 2022, the Company had 235, 323, and 310 franchises, respectively, that were not open and operating. The number of franchised outlets in operation were 1,059, 970, and 689 as of December 31, 2024, 2023, and 2022, respectively.

Use of Estimates in Preparing the Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations of Credit Risk

The Company maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. To date, the Company has not experienced a loss or lack of access to its invested cash; however, no assurance can be provided that access to the Company's invested cash will not be impacted by adverse conditions in the financial markets.

Major vendors are defined as those vendors having expenditures made by the Company which exceed 10% of the Company's total expenditures. The Company had one related party vendor that constituted 29% of total expenditures during the year ended December 31, 2024, one third-party vendor that constituted 33% of total expenditures during the year ended December 31, 2023, and no vendor concentrations for the year ended December 31, 2022.

Credit/Debit Card Funds in Transit

Customer payments made with a credit or debit card generally settle in 2-3 days and are classified as cash in the accompanying balance sheet.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable includes billed and contract asset amounts. Billed receivables are recorded in accordance with agreed upon billing schedules in the individual contracts.

The Company records unbilled accounts receivable when the franchisee signs the franchise agreement but cannot be billed the franchise fees until the store opens, due to state and local laws. The Company has legal recourse on the franchise fees after the franchise agreement has been signed, at which point collectability is deemed probable.

The Company records its accounts receivable at sales value net of an allowance for expected credit loss based on historical experience, current conditions, and reasonable and supportable forecasts. Customers typically are provided with payment terms of 30 days. The Company has tracked historical loss information for its trade receivables and compiled historical credit loss percentages for different aging categories (current, 1–30 days past due, 31–60 days past due, 61–90 days past due, and more than 90 days past due).

Management believes that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for trade receivables held as of December 31, 2024 and 2023 because the composition of the receivables as of that date is consistent with that used in developing the historical credit-loss percentages (i.e., the similar risk characteristics of its customers and its lending practices have not changed significantly over time). As of December 31, 2024 and 2023, the Company did not have an allowance for expected credit losses.

Contract Acquisition Costs

The Company capitalizes commission expenses as costs of obtaining a contract, when they are incremental and expected to be recovered, and amortizes them over the expected period of benefit to which the asset relates. If the expected amortization period is one year or less, the commission cost is expensed when incurred. As of December 31, 2024 and 2023, the expected period of benefit for the contract acquisition costs was determined to be 5 years, which is the initial franchise license fee period.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets or over the related lease terms (if shorter) as follows:

Vehicles	5 years
Machinery and equipment	7 years
Leasehold improvements	2 to 4 years
Computers and office equipment	5 to 7 years

Expenditures that materially increase values or capacities or extend useful lives of property and equipment are capitalized. Routine maintenance, repairs, and renewal costs are expensed as incurred. Upon sale or other retirement of depreciable property, the cost and accumulated depreciation and amortization are removed from the related accounts and any gain or loss is reflected in the statements of income and member's equity (deficit).

Impairment of Long-Lived Assets

The Company reviews its property and equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may be impaired. If it is determined that the estimated undiscounted future cash flows are not sufficient to recover the carrying value of the asset, an impairment loss is recognized in the statements of income and member's equity (deficit) for the difference between the carrying value and the fair value of the asset. Management does not consider any of the Company's assets to be impaired as of December 31, 2024.

Lease Commitments

The Company leases certain office space. The Company assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. For all arrangements where it is determined that a lease exists, the related right-of-use assets and lease liabilities are recorded within the balance sheet as either operating or finance leases. At inception or modification, the Company calculates the present value of lease payments using the implicit rate determined from the contract or the risk-free discount rate, which is determined by using a period comparable with that of the lease term. The present value is adjusted for prepaid lease payments, lease incentives, and initial direct costs (e.g. commissions). The Company's leases may require fixed rental payments, variable lease payments based on usage or sales and fixed non-lease costs relating to the leased asset. Variable lease payments are generally not included in the measurement of the right-of-use assets and lease liabilities. Leases with an initial term of 12 months or less are not recorded on the balance sheet. Lease expense is recognized for these leases on a straight-line basis over the lease term. Fixed non-lease costs, for example common-area maintenance costs, taxes, insurance, and maintenance, are included in the measurement of the right-of-use asset and lease liability as the Company does not separate lease and non-lease components.

Gift Card Liability

Gift cards sold by the Company are recorded as a liability. Upon redemption of the gift card at a franchisee location, the franchisee receives a credit for amounts owed the Company for the gift card usage, and the gift card liability is reduced. Gift card breakage is recognized based on historical gift card redemption rates. The Company evaluates the redemption rates of gift cards monthly and recognizes a portion of unredeemed digital gift cards as breakage revenue.

Revenue Recognition

The Company recognizes revenue from royalties, advertising and marketing fees, franchise fees, technology fees, and other revenues. Revenue is recognized in accordance with ASC 606, *Revenue from Contracts with Customers*, by recognizing revenue when it satisfies a performance obligation in an amount reflecting the consideration to which it expects to be entitled. The Company applies a five-step approach in determining the amount and timing of revenue to be recognized: (1) identifying the contract with a customer, (2) identifying the performance obligations in the contract, (3) determining the transaction price, (4) allocating the transaction price to the performance obligations in the contract, and (5) recognizing revenue when the performance obligation is satisfied. The Company has elected the practical expedient to account for certain pre-opening services as distinct from the franchise license.

Royalties

Franchisees are required to pay a percentage of sales as royalties. Royalties are recognized as revenue when billed based on weekly sales reports from franchisees.

Advertising and Marketing Fees

Advertising and marketing fees are considered distinct from royalties, as a significant portion of marketing costs are directed to specific segments and stores. Franchisees are required to pay a percentage of sales for advertising and marketing. Advertising and marketing fees received from franchisees are recorded as a deferred advertising and marketing fee revenue until the advertising and marketing activities have been performed, at which time, the associated revenue and expenses are recorded in the accompanying statements of income and member's equity (deficit).

Technology Fees

The Company charges a monthly fee for the use of its software. Technology fees are recognized as revenue when billed.

Franchise Fees

The Company sells individual franchises as well as territory agreements in the form of area development agreements (ADA) that grant the right to develop stores in designated areas. The franchise and ADA agreements typically require the franchisee to pay an initial nonrefundable fee that is recognized over the life of the contract as the services are satisfied over time. Fees collected in advance are deferred until earned.

Other Revenues

Other revenues consist of primarily of merchant fees, initial training fees, gift card revenue breakage, and additional service fees. Revenue on other revenues is recognized when the obligation is satisfied.

Contract Balances

The timing of revenue recognition, billings, and cash collections results in billed accounts receivable and unbilled receivables (contract assets), and gift card liability, deferred advertising and market fees, and deferred franchise fees (contract liabilities) on the balance sheets.

The following table summarizes the revenue during the years ended December 31:

	2024	2023	2022
Royalty fees	\$ 112,229,950	\$ 81,251,965	\$ 74,828,792
Advertising and marketing fees	24,490,056	26,211,753	23,525,659
Technology fees	6,130,637	5,009,615	2,987,816
Franchise fees	6,124,965	5,755,981	3,357,823
Other revenue, net	9,290,025	4,085,871	5,261,016
	\$ 158,265,633	\$ 122,315,185	\$ 109,961,106

The Company offers a loyalty rewards program. During 2024, the loyalty rewards program was changed from Crumbl Cash to Crumbl Rewards. Under Crumbl Rewards, customers primarily earn Crumbs on purchases of desserts, catering, or gift cards. Crumbs can be redeemed for cookies and desserts and expire after a year. During 2023, under the Crumbl Cash program, customers earned points for each dollar spent with 100 points being redeemable for \$10 to be used for a future purchase. The Crumbl Cash points do not expire. The structure of the Crumbl Rewards and Crumbl Cash loyalty programs are that the franchisee bears the cost of providing the rewards at the point-of-sale and therefore the Company has not recorded deferred revenue or other liability for rewards earned due to customers.

Advertising and Marketing

Advertising and marketing costs are expensed as incurred. During the years ended December 31, 2024, 2023, and 2022, the Company incurred a total of \$24,492,035, \$29,781,208, and \$23,065,633 as advertising and marketing expense, respectively, which are included in cost of revenues in the statements of income and member's equity (deficit). As of December 31, 2024 and 2023, the Company deferred a total of \$5,181,815 and \$0, respectively, representing advertising and marketing fees billed to franchisees in excess of advertising and marketing expenses paid.

Income Taxes

The resulting operations of the limited liability company are included in taxable income of the individual members and, accordingly, no provision for federal or state income taxes has been made in the accompanying financial statements, with the exception of minimum state franchise taxes, which are included in general and administrative in the statements of income and member's equity (deficit).

Income and losses for tax purposes may differ from the financial statement amounts and may be allocated to the members on a different basis for tax purposes than for financial statement purposes. Member's equity reflected in the accompanying financial statements does not necessarily represent member's tax basis of their respective interest.

As of December 31, 2024 and 2023, the Company had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Company is subject to routine audits by tax jurisdictions; however, there are currently no audits in progress.

Reclassifications

Certain amounts in the 2023 and 2022 financial statements have been reclassified to conform with the current year presentation.

Subsequent Events

Management has evaluated events and transactions for potential recognition or disclosure through February 28, 2025, which is the date the financial statements were available to be issued.

Article 2 - Development Territory Rights

2.1 Rights. Subject to the terms and conditions of this Agreement and the continuing faithful performance by You of Your obligations hereunder, during the term of this Agreement, You shall develop and operate Crumbl® Franchise Businesses in the Development Territory in accordance with the development schedule set forth on Exhibit “B” (“Development Schedule”) attached hereto and by reference made a part hereof, utilizing the System and the Marks in the Development Territory upon execution of a separate Franchise Agreement for each Franchise Unit You develop. You shall identify and propose a location for each Franchise Unit, which must be approved in writing by Us before you sign a lease for, or begin development of, the Franchise Unit. We will not establish or sell franchises within the Development Territory while this Agreement is in effect, except as otherwise provided herein or in a Franchise Agreement related to the operation of a Franchise Business within the Development Territory. The Development Territory for this Agreement is non-exclusive. Notwithstanding the foregoing, as more fully discussed below in Section 2.3, We may establish or sell traditional and non-traditional franchises within the Development Territory while this Agreement is in effect without payment of compensation to You.

2.2 Character of Rights. The rights and privileges granted to You under this Agreement are personal in nature. The rights set forth herein are territorial only and do not grant or imply any license for You to use the Marks or System in any manner. This Agreement will not create or grant rights or obligations outside the Development Territory.

2.3 Franchisor’s Reservation of Rights. You expressly acknowledge and agree that all rights not specifically granted to You in this Agreement are reserved to Us. Nothing contained herein prevents Us from granting the right to establish or operate, or Us establishing, owning and operating a Franchise Business or similar operation outside of Your Development Territory. We and Our affiliates, exclusively reserve the right to sell Crumbl® products and products under other brands We control, at Our discretion, either personally or through agents, representatives, licensees, or franchisees, both within and without Your Development Territory, through Non-traditional Outlets without paying compensation to You. The term “Non-traditional Outlet” refers to all locations and opportunities that are not a traditional Crumbl® franchise location and includes locations at convention centers, sporting arenas, airports, bookstores, malls, grocery and convenience stores, or other similar locations. Furthermore, We and Our affiliates expressly reserve the right to sell, Market and distribute all Crumbl® products and products under other brands we control, either personally or through agents, representatives, licensees, or franchisees, both within and outside Your Development Territory using other Marketing strategies and distribution channels including the Internet, apps, Social Media, catalog sales, direct sales, retail or wholesale outlets, general media marketing, retail units, and National Accounts, and/or co-branding with others without compensation to You. You may not sell Our products and/or services using such reserved Marketing strategies and distribution channels without Our prior written permission. A “National Account” is defined as a company with multiple units or outlets located in more than one geographical area or territory. We will designate if and how franchisees will sell or service National Accounts. We are not restricted from marketing in Your Development Territory.

We and Our affiliates, exclusively reserve the right to sell Crumbl® products and products under other brands We control, at Our discretion, either personally or through agents, representatives, licensees, or franchisees, both within and without Your Territory, through Non-traditional Outlets without paying compensation to You. The term “Non-traditional Outlet” refers to all locations and

opportunities that are not a traditional Crumbl® franchise location and includes locations at convention centers, sporting arenas, airports, bookstores, malls, grocery and convenience stores, or other similar locations. Furthermore, We and Our affiliates expressly reserve the right to sell, Market and distribute all Crumbl® products and products under other brands we control, either personally or through agents, representatives, licensees, or franchisees, in Your Territory and elsewhere using other Marketing strategies and distribution channels including the Internet, apps, Social Media, catalog sales, direct sales, retail or wholesale outlets, and/or co-branding with others without compensation to You. You may not sell Our products and/or services using such reserved Marketing strategies and distribution channels without Our prior written permission. You expressly acknowledge and agree that this license to You is non-exclusive

2.4 System Modifications. We may, at any time, in Our reasonable discretion, modify the System or add to or delete from the System. In such event, We will notify You of any such changes, modifications, additions or deletions, and You will accept, be bound by, use and immediately take steps to implement any such modifications in the Development Territory. We have complete ownership and control of any changes, modifications, enhancements, or suggestions whether made or implemented by Us or You.

Article 3 - Development & Term

3.1 Minimum Development Schedule. In order to retain the rights granted hereunder, You agree to open, as Your minimum development obligation hereunder during the term hereof, the number of Franchise Units set forth in the Development Schedule. A Franchise Unit will be counted for the purposes of meeting Your development obligation only if it is an open and functioning Franchise Business located within the Development Territory.

3.2 Franchise Locations. The location of each Franchise Unit will be selected by You, but must be approved in writing, and in advance, by Us, as further set forth in Your Franchise Agreements. The territory boundaries of each Franchise Unit will be determined solely by us and based on our then-current standards. A separate Franchise Agreement in the form of Our then-current Franchise Agreement, must be executed for each Franchise Unit in Your Development Territory as developed as further provided in Article 5 hereof.

3.3 Failure to Meet the Development Schedule. In the event You fail to meet the Development Schedule or any of Your other development obligations, We have the right to exercise, in addition to the remedies and cure periods set forth in Articles 9 and 10 below, in Our sole discretion, any or all of the following:

1. Terminate this Agreement upon written notice to You as provided in Article 9 hereof;
2. Terminate the Development Territory granted to You; and/or
3. Reduce the size of the Development Territory.

3.4 Time is of the Essence. Time is of the essence with respect to compliance with the Development Schedule and any and all other obligations of Yours under this Agreement. Area Developer agrees and represents that it has conducted its own independent investigation and analysis of the prospects for the establishment of Crumbl® stores within the Development Territory, that Area Developer approves of the Development Schedule as being reasonable and viable, and that Area

Developer recognizes that failure to achieve the results described in the Development Schedule constitutes a material default of this Agreement.

3.5 Term. The term of this Agreement is the Development Period set forth on the Development Schedule. You do not have a right to renew this Agreement.

Article 4 - Fees

4.1 Area Development Fee. You must pay a one-time, non-refundable area development fee ("Development Fee") of \$_____ payable in full upon execution hereof. The initial franchise fee for each unit to be developed is \$50,000 and the Development Fee is an amount equal to \$50,000 multiplied by the number of Franchise Units to be developed as more fully set forth in the Development Schedule.

4.2 Non-Refundable. The Development Fee is not refundable under any circumstance, including whether or not You meet Your Development Schedule, except as stated in the following sentence. Notwithstanding the foregoing, You may receive a partial refund of the Development Fee if this Agreement is terminated pursuant to Sections 9.1.4 and 10.2.1 below. You and We acknowledge and agree that the Development Fee is paid in consideration of Area Developer's execution of this Agreement and promise to comply with the terms and conditions herein.

Article 5 - Franchise Agreement(s)

5.1 Franchise Agreement. Each Franchise Unit as opened by You in the Development Territory pursuant to this Agreement, will be governed by Our then-current Franchise Agreement executed by You and Us. You shall not commence construction or improvements, acquire or lease any related real property, or any other development activity or operations for each Franchise Unit until both You and We have executed a Franchise Agreement for each Franchise Unit. Upon signing a Franchise Agreement, an amount equal to \$50,000 of the Development Fee will be applied to the Initial Franchise Fee for such Franchise Agreement.

5.2 Modification of the Franchise Agreement. We reserve the right, from time-to-time, to amend, change, or modify Our Franchise Agreement in any way prior to the time it is signed by You.

5.3 Guaranty. If You are a business entity, You shall ensure that each individual owner, partner, shareholder, member, and manager (each "Guarantor Party") who owns any interest in said business entity must each personally guarantee the performance of all Your obligations under this Agreement.

5.4 First Franchise Unit. You acknowledge that the Franchise Agreement governing Your first Franchise Unit to be opened under the Development Schedule may be executed concurrently with this Agreement.

Article 6 - Operating Standards and Covenants

You agree that:

6.1 Knowledge. You will acquire and maintain sufficient knowledge and experience involving the System so as to be able, in good faith, to develop the Franchise Units in a timely, efficient and professional manner.

6.2 Compliance. You will, at Your expense, comply with all applicable laws, ordinances, rules and regulations pertaining to the development and operation of Your Franchise Businesses as contemplated herein.

6.3 Cost of Doing Business. You will be responsible for all Your costs of doing business and other costs and expenses in connection with Your obligations herein.

6.4 Franchise Obligations. You agree to promptly pay all of Your obligations and liabilities to Us and Your suppliers, vendors, lessor, trade accounts and government agencies. We have no liability for Your obligations, and You will indemnify and hold Us harmless from any such obligations.

6.5 Periodic Reports. You agree to provide to Us, no later than the first day of each month, a written monthly progress report of Your preceding month's activities and progress in developing and establishing Franchise Units in Your Development Territory.

6.6 Your Performance. You must comply with all other duties, obligations and requirements set forth in this Agreement, the Franchise Agreement(s), and Our Manuals.

6.7 Indemnification. You shall defend, indemnify, and hold Us and Our officers, directors, members, managers, employees, contractors, and agents (each a "Franchisor Party" and collectively the "Franchisor Parties") harmless from and against any and all claims, proceedings, expenses, costs, damages and liabilities, including, but not limited to, legal fees incurred by all Franchisor Parties due in any way related to the operation of Your Franchise Business(es), Your default of this Agreement, and any act, neglect, or omission by You or Your employees, customers, agents or guests, including, negligence, willful acts, omissions, malfeasance, or misstatements.

Article 7 - Confidential Information

7.1 Definition of Confidential Information. our system, personality or relationship conflict, and poor communication, as determined by Us. We may make this determination at any time during the term of this Agreement.

Article 10 - Obligations Upon Termination or Expiration

10.1 Our Rights Upon Termination. Upon Termination of this Agreement, for any reason, Your rights under this Agreement are terminated. We will be free to own, operate, or franchise Crumbl® Franchise Businesses anywhere in the Development Territory other than as prohibited by any existing signed and fully compliant Franchise Agreement. The foregoing are in addition to any other right or remedy We may have at law or in equity.

10.2 Operating Units. After Termination of this Agreement, so long as You are not in default under the terms and conditions of Your respective Franchise Agreement(s), You may still continue to own and operate Your individual Franchise Units in the individual Territories (as defined in such respective Franchise Agreements) that are owned and operated by You prior to Termination, so long as You are not in default and continue to faithfully perform the terms and conditions of such Franchise Agreement(s). However, You will cease to have any exclusivity rights with regard to the ongoing development of all other Franchise Units in the Development Territory, and You will forfeit any contractual right You may have to purchase additional Franchise Units within the Development Territory.

10.3 Cross Default. Any default by You or any of Your affiliates under, or termination, expiration without renewal, abandonment, or cessation of operations of, any Franchise Agreement or any other agreement with Us or any of Our affiliates relating to any Franchise Business will constitute a default under this Agreement. Upon such default, We may, in addition to any other rights and remedies, terminate this Agreement and/or any other agreements between You (or Your affiliates) and Us (or Our affiliates), upon written notice to You, without any requirement to provide a separate opportunity to cure except to the extent required by applicable law.

Article 11 - Unfair Competition and Non-Competition Covenant

11.1 In-Term Covenant. You and We share in a common interest in avoiding situations where persons or companies who are or have been franchisees operate or otherwise become involved with a similar or Competing Business during the term of this Agreement. During the term of this Agreement and for any extensions or Successor Franchises hereof, You and Your Immediate Family shall not own, operate, lease, franchise, conduct, consult with, engage in, be connected with, have any interest in, or assist any person or entity engaged in or on its own account or as an employee, contractor, consultant, partner, officer, director or shareholder of any Competing Business in any capacity, territory or location, except with Our prior written consent. You understand and acknowledge that to violate this Section creates irreparable harm to Us and to the System.

11.2 Post-Term Covenant. Upon Termination of this Agreement and for a continuous, uninterrupted period of three years thereafter, You and Your Immediate Family shall not, directly or indirectly, participate as an owner, operator, shareholder, director, partner, member, manager, consultant, agent, employee, contractor, advisor, officer, lessor, lessee, franchisor, franchisee or serve in any other capacity whatsoever or have any interest in or assist any person or entity in any Competing Business in any capacity, territory or location within Your Territory or within 25 miles of Your Territory or within 25 miles of the territory of any Crumbl® business in operation at the time of Termination or Transfer of this Agreement. The ownership of not more than 2% of the voting stock of a publicly held corporation will not be considered a violation of the foregoing provision. You understand and acknowledge that to violate this Section creates irreparable harm to Us and to the System.

11.3 Non-Solicitation of Customers. For three years after the Termination of this Agreement, You shall not, directly or indirectly, contact any customer of Ours or of another Crumbl® franchisee or of Your former Franchise Business for the purpose of soliciting any such customer to a Competing Business from any such customer any business that is the same as or substantially similar to a Crumbl® business.

11.4 Tolling of Covenant. In the event You compete during the term of non-competition, this non-compete period will be tolled and extended for the period of Your competition, plus an additional six months.

11.5 Enforceability. You and We expressly intend that the provisions of this Article 11 be enforced to the fullest extent permissible under the laws and public policy applied in each jurisdiction in which enforcement is sought. Accordingly, if any part of this Article is adjudicated to be invalid or unenforceable, then this Article will be deemed amended to delete that portion thus adjudicated to be invalid or unenforceable and such deletion to apply only with respect to the operation of that Section or Paragraph and the particular jurisdiction in which said adjudication is made. Further, to the extent any provision of this Agreement is deemed to be unenforceable by virtue of its scope, but may be made enforceable by limitation, the parties agree that the same will, nevertheless, be enforceable to the fullest extent permissible under the laws and public policies applied in such jurisdiction where enforcement is sought.

11.6 Claims Not a Defense. You expressly agree that the existence of any claims You may have against Us, whether or not arising from this Agreement, will not constitute a defense to Our ability to enforce the covenants of this Article 11. You agree to pay all costs and expenses, including, reasonable attorney's fees, incurred by Us in connection with the enforcement of this Article 11.

11.7 Irreparable Injury. You acknowledge that Your violation of the terms of this Article 11 would result in irreparable injury to Us for which no adequate remedy at law may be available. You accordingly agree that We will be entitled to temporary, preliminary, and/or permanent injunctive relief for any default or threatened default by any or all any of the terms of this Article 11 without proof of actual damages that have been or may be caused to Us by such default.

11.8 Additional Covenants. At Our request, You must require and obtain execution of covenants similar to those set forth in this Article 11 from any or all of the following persons: (a) all owners, partners, directors and managers and the like of Your Franchise Businesses; (b) all officers, directors, members, managers and holders of a beneficial interest of any corporation, limited liability

company, or other entity directly or indirectly controlling You if You are an entity; and (c) the general partners and any limited partners if You are a partnership. All covenants required herein must be in forms satisfactory to Us, including, specific identification of Us as a third-party beneficiary of such covenants with the independent right to enforce them. Your failure to obtain execution of a covenant required herein will constitute a default of this Agreement.

11.9 Survival of Covenants. The foregoing covenants in this Article 11 will survive the Termination of this Agreement and will apply regardless of whether this Agreement was Terminated by lapse of time, by default of either party, or for any other reason.

Article 12 – Transfers and Assignment

12.1 By Franchisor. This Agreement is fully assignable and Transferrable by Us and will inure to the benefit of any assignee, transferee or other legal successor to Our interests and obligations herein.

12.2 By Area Developer or Your Owners. You understand and acknowledge that the rights and duties created by this Agreement are personal to You and that We have granted this Agreement in reliance upon Your agreement to comply with all the terms and conditions of this Agreement, and Your individual character, skill, aptitude, attitude, business ability and financial capacity. Therefore:

12.2.1 Neither this Agreement nor any of its rights or privileges, nor any shares or units in the ownership of Your entity or Your Franchise Business(es) may be Transferred (as defined below) in any manner by You or anyone else, including, by consolidation or merger, or by issuance of securities representing an ownership interest, unless Our prior written approval is obtained, which may be withheld in Our reasonable discretion. As a prerequisite to seeking Our consent, You must provide Us with all documentation relating to the Transfer of Your Franchise Business(es), Your entity, or this Agreement. Said approval will be conditioned upon Our satisfaction with the qualifications set forth in Section 12.4 below of the proposed transferee and its owners and officers. You must provide Us written notice of Your intent to Transfer prior to listing or offering the Franchise Business or Your Entity for sale.

12.2.2 Any such assignment or transfer without such approval will constitute a default hereof and will not convey any rights to or interests in this Agreement to such assignee.

12.2.3 Consent to an assignment otherwise permissible under this Article 12 may be refused by Us, unless, prior to the effective date of the assignment: (a) all of Your obligations incurred in connection with this Agreement have been assumed by the assignee; (b) You have paid fees and other amounts owing Us; (c) the assignee or its owners meet Our criteria for new area developers and franchisees; (d) the assignee or its owners must have completed the training program required of new area developers and franchisees and are willing to execute and be bound by Our then-current area development agreement; (e) You or Your assignee have paid the “Area Development Agreement Transfer Fee” of \$20,000, plus the transfer fees set forth in each Franchise Agreement transferred; (f) You or Your assignee have paid a training fee for new franchisees at Our then-current rate to cover training expenses; and (g) You and Your Owners, representatives and/or agents have signed a general release in Our favor.

12.2.4 You remain liable for all direct and indirect obligations under this Agreement, Your Franchise Agreement(s) and Your Franchise Businesses prior to the effective date of the Transfer and will continue to remain responsible for Your obligations of nondisclosure, noncompetition and indemnification as provided in this Agreement and the Franchise Agreements, and must execute any and all instruments reasonably requested by Us to evidence such liability.

12.2.5 Any assignment, Transfer or other disposition by You of a Franchise Business within the Development Territory will be governed by the Franchise Agreement to which such Franchise Business is bound.

12.3 Transfers to Competitors Prohibited. In order to maintain the confidentiality of the proprietary information of the Intellectual Property and System, neither You or any of Your owners, partners, members, managers, officers or directors, may sell, Transfer, assign or pledge any part of this Agreement or any part of his or her ownership in Your entity, if applicable, to a competitor of Ours or an affiliate of a competitor of Ours without Our written permission. Any such sale, Transfer, assignment or pledge without Our written approval will be considered void ab initio.

12.4 Qualifications of Transferee. In determining the acceptability of the proposed transferee, We will consider, among other things, Our then-current standards for new franchisees and/or developers, including the net worth, credit worthiness, background, training, personality, reputation, brand-culture alignment, and business experience of the proposed transferee, the terms and conditions of the Transfer and any circumstances that would make the Transfer not in the best interests of Us or the System, including the proposed purchase price. We may meet and candidly discuss all matters relating to Your Franchise Business with the potential transferee. In no case will You or a proposed transferee rely on Us to review or evaluate any proposed Transfer. Neither We nor Our affiliates are liable to You or the transferee or any other person or entity relating to the Transfer and You must indemnify and hold Us and each Crumbl Party harmless from any liability whatsoever relating thereto.

12.5 Right of First Refusal of the Franchisor. If You or Your Owners, at any time determine to sell, assign or Transfer this Agreement, or an interest therein, or an ownership interest in Your entity (other than an internal Transfer as described in Section 12.8) and You or Your Owners obtain a bona fide, written offer from a responsible and fully disclosed purchaser, You shall submit an exact copy of such offer to Us. We will have the right, exercisable by written notice delivered to You or Your Owners within 60 days from the date of delivery of an exact copy of such offer to Us, to purchase this Agreement and the development rights thereunder, or such interest in this Agreement, or such ownership interest in You for the price and on the terms and conditions contained in such offer, provided that We may substitute cash for any form of payment proposed in such offer and We will have not less than 60 days from the date We give notice to You of Our intent to purchase, to prepare for closing. If We do not exercise Our right of first refusal, but do authorize You in writing to complete the sale as provided above, then You or Your Owners may complete the sale to such purchaser pursuant to and on the terms of such offer, provided that if the sale to such purchaser is not completed within 150 days after delivery of such offer to Us, or if there is a material change in the terms of the sale that are less beneficial to You, We will again have the right of first refusal upon the terms and conditions herein provided. In no event may you complete the sale without Our prior written approval.

12.6 Death or Incapacity and Interim Management. In the event of the death or incapacity of an area developer that is an individual or an entity owned by one individual (the term “incapacity”

means any physical or mental infirmity that prevents the person from performing his or her obligations under this Agreement: (i) for a period of 60 or more consecutive days, or (ii) for 100 days during a calendar year), Your heirs or personal representative will have the right to continue to fulfill Your obligations under this Agreement; provided that, We have the right to approve or reject of such heirs or personal representative, in Our sole discretion. If we give such approval, Your heirs or personal representative must, within a reasonable time (not more than 60 days) after such death or incapacity (or such longer period required by the laws of the state where Your Franchise Business is located), appoint a personal representative who must be approved by Us or this Agreement must be assigned or Transferred to a buyer approved by Us.

12.7 Owners of the Franchise. You shall disclose to Us all of the individuals and entities, along with all of their sub-owners down to the level of their individual owners, who own any interest in your franchise business or this Agreement. You represent and warrant that all such individuals and entities are the sole holders of a legal and beneficial interest in your franchise business or this Agreement. We reserve the right to decline entering into this Agreement with You or approving a Transfer of this Agreement, Your entity, or Your Franchise Businesses, if Your entity, or the transferee's entity, comprises, or will comprise, an excessive number of individuals, as determined by Us in Our sole discretion.

12.8 Internal Transfers. If a proposed Transfer of any interest in Your entity or this Agreement is only among existing shareholders or members of a corporation or limited liability company franchisee, or among existing partners of a partnership franchisee, or by an individual or partnership franchisee to a corporation or limited liability company controlled and owned 100% by You or any combination of Your current owners, and such proposed Transfer along with all of the Transfers of any interest in Your entity that have occurred during the Term, are comprised of, in the aggregate, 50% or less of the total ownership and voting interest in Your entity (ownership and voting interests will each be assessed separately), You are not required to pay the Area Development Agreement Transfer Fee for such Transfer and We will not be entitled to exercise Our right of first refusal set forth in Section 12.5. However, You shall obtain Our prior written consent before executing such proposed Transfer. All guarantors will remain guarantors to this Agreement unless otherwise released by Us in writing, in Our sole discretion. Each ownership certificate of a corporation or limited liability company franchisee must have endorsed upon its face that the Transfer thereof is subject to the restrictions of this Agreement.

Article 14 - Disputes & Arbitration

14.1 Quick Resolution. You and We understand that there is always a possibility of differences of opinion or other disagreements in any business relationship and agree that it is important to resolve any disputes amicably, quickly, inexpensively and professionally and to return to business as soon as possible.

14.2 Manner of Handling Disputes. You and We agree that except as otherwise expressly provided for herein, in the event any controversy, dispute or claim whatsoever (“Dispute”) arises between Us or Our subsidiaries, parents and affiliates and each of Our respective shareholders, managers, officers, directors, members, agents, employees and attorneys (in their representative capacity), if applicable, and You or Your entity owners, guarantors and employees, officers, directors, members, managers, agents, and attorneys (in their representative capacity), if applicable, in connection with, arising from, or with respect to, any provision hereof, the relationship created herein, or the validity of this Agreement or any provision hereof, or the offer and sale to You, such Dispute will be:

14.2.1 Face-to-Face Meeting. First discussed in a face-to-face meeting between You and Us at Our then-current headquarters and within 30 days after either You or We give written notice to the other proposing such a meeting. We have the right, in Our sole discretion, to waive this requirement.

14.2.2 Mediation. If, in the opinion of either You or Us, the face-to-face meeting requirement has not successfully resolved such matters and if desired by either You or Us, the matters will be submitted to non-binding mediation before Franchise Arbitration and Mediation Services (“FAM”) or as otherwise mutually agreed. The mediation will be conducted exclusively in Salt Lake County, Utah. On election by either party, arbitration as provided below may proceed forward at the same time as mediation. The mediator will be disqualified as a witness, consultant, expert or counsel for any party with respect to the Dispute and any related matters.

14.2.3 Arbitration. If in the opinion of either You or Us the mediation has not successfully resolved such matters, at the request of either You or Us, any Dispute will be submitted for arbitration to the offices of the American Arbitration Association in accordance with its commercial arbitration rules in effect. All arbitration hearings will be conducted exclusively in Salt Lake County, Utah. The arbitrator will have the power and jurisdiction to decide such Dispute solely in accordance

with the express provisions of this Agreement. The arbitrator will render a written opinion setting forth the facts found, law applied and reasons for the decision.

(i) Arbitration Procedures. In any arbitration, the parties will be entitled to specific performance of the obligations under this Agreement. The arbitrator may award or otherwise provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships and other pre-judgment, equitable and/or interim relief as appropriate pending final resolution by binding arbitration of a Dispute, as well as in connection with any such final resolution, and may issue summary orders disposing of all or part of a Dispute at any point. Each party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction. Offers and/or other communications made in connection with, or related in any way to, mediation, possible settlement or other resolution of a Dispute will not be admitted into evidence or otherwise used in connection with any arbitration or other proceeding, and any arbitration award in violation of this provision will be vacated by the arbitration appeal panel (described below) and/or any court having jurisdiction. The arbitrator will have the power to order compliance with such discovery procedures, as well as assess sanctions for non-compliance with any order. Discovery will be controlled by the arbitrator and will be permitted to the extent set out in this Paragraph. Each party may submit in writing to the other party, and the other party will respond, to a maximum of any combination of 25 (none of which may have subplots) of the following: interrogatories, demands to produce documents, and requests for admission. You and We are also entitled to take the oral deposition of one individual of the other party. Additional discovery may be permitted upon mutual agreement of the parties or by ruling of the arbitrator if petitioned by one of the parties. The arbitrator, and not a court, will decide any questions relating in any way to the parties' agreement or claimed agreement to arbitrate, including a claim for fraud in the inducement or otherwise. Each participant must submit or file any Dispute that would constitute a compulsory counterclaim (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceedings as the Dispute to which it relates. Any such Dispute that is not submitted or filed in such proceedings will be forever barred. The award and findings of the arbitrator will be conclusive and binding upon all parties hereto and the judgment upon the award may be entered in any court of competent jurisdiction.

(ii) Individual Disputes. Any Dispute and any arbitration will be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff or similar basis between You and Us and will not be consolidated with any other arbitration proceeding involving Us and any other person, except that with respect to a Dispute involving You and Your affiliate, You and Your affiliate may both be parties to the arbitration.

(iii) Agreed Limitations. Except for payments owed by one party to the other, any legal action or arbitration proceeding (including the offer and sale of a franchise to You) brought or instituted with respect to any Dispute hereunder must be brought or instituted within a period of one year from the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; provided that no claim may be brought more than two years after the first act or omission giving rise to an alleged claim.

(iv) No Special Damages. You and We waive any right or claim of any consequential, punitive or exemplary damages against each other and agree that in the event of a Dispute between You and Us, each will be limited to the recovery of actual damages sustained. You agree that We will not be liable for any act or omission which is consistent with this Agreement or which is done in subjective good faith.

(v) Exceptions to Arbitration. You and We agree that nothing in this Agreement obligates Us to arbitrate or mediate Disputes or issues relating to: (a) the validity of Our Marks, or other Intellectual Property; (b) rights to obtain a writ of attachment or other prejudgment remedies; (c) rights to receive and enforce a temporary restraining order, preliminary injunction, permanent injunction or other equitable relief; or (d) Disputes solely for fees and other monies owed by one party to the other under this Agreement not in connection with other Disputes.

(vi) Appeals. If any party to an arbitration wishes to appeal any final award by an arbitrator (there will be no appeal of interim awards, or other interim relief), that party can appeal, within 30 days of such final award, to a three-person arbitrator panel to be appointed by the same organization as conducted the arbitration to be held exclusively at the same location as specified above. The issues on appeal will be limited to the proper application of the law to the facts found at the arbitration and will not include any trial *de novo* or other fact-finding function. The party requesting such appeal must pay all costs and fees of the arbitrators and arbitration proceedings.

(vii) Sharing of Fees. Except for an appeal, the parties to the Dispute or action will share the fees and expenses of the arbitrator and arbitration organization equally during the arbitration. However, the prevailing party in any arbitration, appeal or other action will be entitled to recover the administrative costs of the arbitration proceeding, attorney's fees and the fee for the arbitrator(s).

(viii) Federal Arbitration Act. You and We mutually agree that all issues relating to arbitrability are governed exclusively by the Federal Arbitration Act and the federal common law of arbitration to the exclusion of any state statutes or common law and will be decided by the arbitrator. All provisions of this Agreement pertaining to venue, choice-of-laws, dispute avoidance and resolution will be strictly enforced, and You and We will rely on federal preemption under the Federal Arbitration Act.

Article 15 – General Provisions

15.1 Severability. Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, will be considered severable.

15.2 Governing Law and Jurisdiction. This Agreement will be governed, construed and interpreted in accordance with the laws of the State of Utah without giving effect to its conflicts of law provisions. You and We agree that the provisions of this Agreement will control the state or provincial laws by which this Agreement will be governed and any provisions of state or provincial law to the contrary or any statements in Our franchise disclosure document or otherwise required as a condition of registration or otherwise. If the governing law requires terms other than or in addition to those in this Agreement, then such terms will be deemed incorporated herein, but only to the extent necessary to prevent the invalidity of this Agreement or any of the provisions hereof or the imposition of civil or criminal penalties or liability. To the extent permitted by the laws of the state whose laws govern this Agreement, You hereby waive any provisions of law or regulations which render any portion of this Agreement invalid or unenforceable in any respect. In order to facilitate our joint interests in having franchise issues determined in a consistent manner for application throughout the System, without in any way limiting or otherwise affecting Your and Our obligations regarding mediation and arbitration in accordance with the provisions of Article 14, if there is any litigation between us, You and We

hereby irrevocably consent to, and waive any objection to, the exercise of general personal jurisdiction and venue in the courts of record of the State of Utah even though it may be otherwise possible to obtain jurisdiction elsewhere, and we both agree that Salt Lake County, State of Utah will be the exclusive venue for any litigation between us.

15.3 Waiver of Obligations. You and We will not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, the right to demand exact compliance with every term, condition and covenant herein, or to declare any default thereof to be a default and to terminate this Agreement prior to the expiration of its term), by virtue of any custom or practice of the parties at variance with the terms hereof or any failure, refusal or neglect of Us or You to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder.

15.4 No Off-Sets or Withholdings. You covenant and agree that You shall not offset or withhold the payment of any fees or other amounts due to Us or Our affiliates or suppliers on grounds of any dispute whatsoever, including the alleged non-performance by Us of any of Our covenants or obligations hereunder.

15.5 Cumulative Remedies. Rights hereunder are cumulative and no exercise or enforcement of any right or remedy hereunder will preclude the exercise or enforcement of any other right or remedy hereunder which You or We are entitled by law or equity to enforce. Nothing herein contained will be interpreted as to bar or waive Our right to obtain any remedy available at law or in equity including injunctive relief.

15.6 Costs and Attorney's Fees. The prevailing party in any legal proceeding will be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees. For purposes of this Agreement, "prevailing party" includes, the party which obtains a judgment in their favor, or agrees to dismiss an action or proceeding upon the other's payment of sums allegedly due or performance of the covenants allegedly defaulted, or which obtains substantially the relief sought.

15.7 Binding Effect. This Agreement will be binding upon the parties hereto and their respective assigns and successors in interest.

15.8 Entire Agreement. This Agreement, including preambles and exhibit(s) to this Agreement, if any, are a part of this Agreement, which constitutes the entire agreement of the parties relating to the subject matter herein, and there are no other oral or written understandings or agreements between You and Us relating to the subject matter of this Agreement. No modifications of the terms of this Agreement will be valid unless made in writing and executed by both Us and You. Except as otherwise expressly provided herein, nothing in this Agreement is intended, or will be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. Nothing in this Agreement or in any related agreement is intended to disclaim the representations We made in Our franchise disclosure document. This Agreement may be amended in whole or in part only by an agreement in writing signed and dated by the parties.

15.9 Limited Obligations. We make no warranty or covenant to provide to You any level of Marketing, site selection assistance, or other development or operational assistance or services, other than as expressly set forth in this Agreement. This Agreement does grant You the right to be awarded additional franchises other than as expressly set forth in this Agreement.

15.10 No Misrepresentations. You further represent to Us, as an inducement to Our entry into this Agreement, that You have made no misrepresentations in obtaining the award of this franchise.

15.11 Representations of Non-Violation. You represent and warrant that You can enter into this Agreement and that the execution and performance of this Agreement will not be in violation or default, or cause the violation or default, of any agreement or covenant between them or any of them and any third-party or the violation, default, or breach of any order, decree or judgment of any court or administrative agency.

15.12 Interpretation of Agreement. Words in the masculine gender include the feminine and neuter. Use of the singular will include the appropriate plural numbers. The headings and title of this Agreement are not part of this Agreement, having been inserted for convenience of reference only, and will have no effect upon the construction or interpretation of this Agreement.

15.13 Relationship of the Parties. In all matters, You are an independent contractor. Nothing in this Agreement constitutes You as Our partner, agent, or joint venture with Us and this Agreement does not create a fiduciary relationship between You and Us. Neither party may act or have the authority to act as agent for the other, and neither party is liable for the debts, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors or omissions of the other. You acknowledge that You do not have authority to incur any obligations, responsibilities or liabilities on behalf of Us, or to bind Us by any representations or warranties, and You agree not to hold Yourself out as having such authority.

15.14 Survival of Provisions. All the provisions of this Agreement, which by their terms or implication apply following the Termination of this Agreement, will survive and will apply following Termination of this Agreement, including Your obligation to indemnify Us and each Franchisor Party, to pay all amounts owed, to continue to observe the confidentiality, including nondisclosure and non-use of all Confidential Information, brand-protection, non-competition, and other restrictions of this Agreement, including the provisions with respect to arbitration and dispute avoidance.

15.15 Counterparts. This Agreement, and those contemplated herein, may be executed in counterparts, including by means of pdf, electronic, telefaxed or scanned and emailed signature page or similar electronic means, each of which will be deemed an original, but all of which together will constitute one and the same document.

15.16 Effective Date. This Agreement will become effective as of the Effective Date only when fully executed and accepted by Us at Our headquarters.

IN WITNESS WHEREOF, We and You have respectively signed and sealed this Agreement as of the Effective Date.

WASHINGTON ADDENDUM TO THE AREA DEVELOPMENT AGREEMENT AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. **Fee Deferral.** In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business Franchisee opens under the Area Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.

The undersigned does hereby acknowledge receipt of this addendum.

4. Complete Defense. This Agreement may be pleaded as a full and complete defense to, and may be used as the basis for, an injunction against any action, suit or other proceeding which may be instituted, prosecuted or maintained in breach of this Agreement.

5. Post-Termination Clauses not Affected. Nothing in this Agreement releases Personal Guarantor(s) or Franchisee from their obligations under the confidentiality, non-competition, or other post-termination clauses of the Franchise Agreement or other such agreements signed with Franchisor.

6. Miscellaneous.

6.1 Cooperation. Franchisee and Personal Guarantor(s) shall make, execute and deliver to Franchisor, promptly upon request and without additional consideration, any document or instrument necessary to carry out and effectuate the purposes of this Agreement.

6.2 Choice of Law and Jurisdiction. This Agreement will be construed in accordance with and all disputes hereunder will be governed by the laws of the State of Utah without giving effect to its conflicts of law provisions. Franchisee, Personal Guarantor(s), and Franchisor hereby irrevocably consent to the exercise of general personal jurisdiction in the courts of record of the State of Utah even though it may be otherwise possible to obtain jurisdiction elsewhere, and we both agree that Salt Lake County, Utah will be the exclusive venue for any litigation between us. Each party waives any objection they may have to the personal jurisdiction of or venue in the state and federal courts of Utah.

6.3 Arbitration.
