The franchise offered is to operate an espresso drive-thru branded THE HUMAN BEAN, specializing in the preparation and sale of espresso coffee and related products and services.

The total investment necessary to begin operation of this franchise ranges from \$562,090 to \$1,290,931. This includes \$121,000 that must be paid to franchisor or an Affiliate. Area developers pay \$10,000 per location, applied to the initial franchise fees as units open in the area. Area developers must commit to opening at least two (2) or more units.

What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay the franchisor fees and pay the franchisor for supplies needed to stay open, even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise and area development agreements require you to resolve disputes with us by arbitration only in Medford, Oregon. Out of state arbitration may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate with us in Oregon than in your own state.
2. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you also may experience delays in opening your own outlet.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” to see whether your state requires other risks to be highlighted.

Item 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, “we,” “our,” “us” or “THB” means CASEY HAWKINS, INC, the franchisor. “You” or “franchisee” means the individual person, as well as any corporation, partnership, or other legal entity (including the owners of the legal entity) who buys a franchise. If, during the term of the franchise, you transfer ownership of the franchise to a corporation or other legal entity, we will require you and any other owners of the corporation or legal entity to continue to guarantee its obligations.

We are an Oregon corporation which was incorporated on February 4, 2002. We have affiliates but we have no parent company. Our principal business address is 623 Rossanley Drive, Medford, OR 97501, and our telephone number is (888) 262-2215. We conduct business under our corporate name, Casey Hawkins, Inc., and The Human Bean. We do not conduct business under any other name. A non-controlling interest in Casey Hawkins, Inc. is owned by Scott Anderson, its chief operating officer (see Item 2).

Our business includes the offer and sale of THB franchises. We do not and have never owned or operated any business similar to the franchised business, but our affiliates do (below). A THB franchise is a license to operate a THB outlet (referred to as the “drive-thru,” “unit,” “outlet,” “franchise,” or “store”) under the terms of the franchise agreement attached as Exhibit B to this Disclosure Document (the “Franchise Agreement”). Our agents for service of process in the various states where we do business are listed on Exhibit E to this Disclosure Document.

Our Predecessors and Affiliates

We have offered THB franchises since March 2002.

We have not offered franchises in any other line of business.

“Affiliate” of THB means a company owned and controlled by the majority owners of the franchisor. Our affiliates include six other companies: The Human Bean of Central Point, Inc., an Oregon corporation incorporated on October 2, 2000; The Human Bean of Ashland, Inc., an Oregon corporation incorporated on October 2, 2000; The Human Bean, Inc., an Oregon corporation incorporated on February 10, 2000 (THBI); The Human Bean North I, Inc. (THBN I), an Oregon corporation incorporated on November 14, 2016; The Human Bean North II, Inc., an Oregon corporation incorporated on November 14, 2016 (THBN II); and Bright Energy Drink, LLC, an Oregon limited liability company formed in July, 2023 (Bright, LLC). A non-controlling interest in THBN I is owned by Kim Steenslid, its district manager.

Our affiliates’ first THB drive-thrus opened in southern Oregon in 1998. The Ashland location opened in June, 1998 and the original Central Point location opened in July, 1998. Before October 2, 2000 the Ashland location was owned and operated as a sole proprietorship.

The Human Bean of Ashland, Inc. owns and operates the Ashland location. The Human Bean of Central Point, Inc. owns and operates the original Central Point location, and a second Central Point location that opened in August of 2003. Before October 2, 2000 the original Central Point location was owned and operated as a sole proprietorship.

THBI currently owns and operates four locations in Oregon: Stewart (opened May 2000), Barnett (opened April 2001), Biddle Road (opened February 2000) and Rossanley (opened February 2003). In 2012 THBI acquired three existing outlets in Grants Pass, Oregon from a franchisee (Curtis Drive, F Street and 6th Street) and in 2013 THBI sold these three outlets to another franchisee. A fifth location, Bear Creek, was opened by THBI in 2004, and closed in 2022 after the expiration of its premises lease.

THBN I currently owns and operates three locations in Oregon: Canby (opened June 2007), Cornelius (opened March 2008), and Beaverton (opened July 2008).

THBN II currently owns and operates two locations in Oregon: Newberg (opened April 2014), and Hillsboro (acquired from a franchisee in February, 2015).

Bright, LLC, is our affiliate, the owner of the registered trademark BRIGHT for energy drinks, and the sole manufacturer of the BRIGHT-branded energy drinks sold in cans and blends at the THB outlets.

The affiliated companies all have the same primary address as us. Other than the drive-thrus owned or operated by these related companies, we do not own or operate any THB drive-thrus.

Portland Coffee Roasters, LLC, an Oregon limited liability company formed in August, 2000, is a supplier and not an affiliate because the majority owners of THB have a non-controlling ownership interest in Portland Coffee Roasters, LLC. Portland Coffee Roasters, LLC is the only authorized supplier of coffee to our franchisees and affiliate-owned outlets. See Item 8 of this Disclosure Document for additional details.

None of the related companies has ever offered franchises. We and the related companies retain the right to open additional THB outlets (except within the exclusive area granted to you).

The Franchise

We offer you a franchise that includes the right to operate a retail outlet under the trade name “The Human Bean” using the business format established by us and identified by our trademarks. Your THB outlet may be a freestanding or attached structure, but it must have at least one drive-thru lane. Your drive-thru must be located in an area which meets our site selection criteria and must be operated in accordance with our standards and specifications. As a franchisee, you must sign a Franchise Agreement (see Exhibit B). We may change the form and terms of the agreements used with other franchisees in the future.

If you qualify, you may also acquire the right and obligation to develop a number of THB outlets within a development area under our Area Development Agreement (Exhibit H). The exact number of THB outlets to be developed will be determined by you and us before the Area Development Agreement is signed. You must sign our then-current form of franchise agreement (which may differ from the one included with this FDD) for each THB outlet you develop within the development area, except that the initial franchise fee will be reduced by the amount you have prepaid. See Item 5.

The market for espresso drinks, coffee products, tea drinks and fruit smoothies is generally a developed market. The coffee, tea and smoothy products offered by THB outlets compete with other coffee, tea and smoothy products offered by nationally and regionally franchised retailers, as well as independent and/or local retailers of coffee products.

Before opening, you must obtain various licenses and permits at the federal, state, and local level relating to construction and operation of a business of this type. You will have to comply with various federal, state, and local laws and regulations, including those related to employment (concerning wage rates, mandated employee benefits, employment taxes, tip reporting, worker safety, unemployment compensation, workers' compensation, teenage labor practices, and employment discrimination); site location and building construction; storage, preparation and sale of food products including dairy products; health, sanitation and safety regulations relating to food service; and state or local requirements for registration of assumed business names (trade names). Your drive-thru will also be subject to environmental regulations, including for sewage discharge and waste disposal, and to the Americans with Disabilities Act, which requires reasonable accommodations and access for disabled persons in public accommodations and employment. Your franchised business must report and pay various applicable sales, excise, property, income, use and inventory taxes. We strongly encourage you to investigate these laws and regulations before you purchase the franchise.

Item 5
INITIAL FEES

A. Franchise Agreement

TYPE OF FEE	AMOUNT	WHEN DUE
Initial Franchise Fee	\$30,000	Upon signing the Franchise Agreement
Transfer Fee	\$5,000	If applicable, upon approval, instead of the Initial Franchise Fee
Equipment	\$85,000	Upon placing orders before opening of your THB drive-thru
Initial Inventory	\$6,000	Upon placing orders before opening of your THB drive-thru
Total Initial Fees:	\$121,000	

Initial Franchise Fee

The Initial Franchise Fee is \$30,000. The Initial Franchise Fee of \$30,000 includes a non-refundable site analysis fee of \$5,000. When you have paid the Site Analysis Fee, signed the Site Analysis Agreement (Exhibit C), and submitted all the required information about the proposed site(s), we will evaluate up to ten proposed sites. You may not sign a franchise agreement with us until we have approved a site for your drive-thru (unless you are an Area Developer). If we do not approve any of your proposed sites within nine (9) months from your payment of the Site Analysis Fee, the Site Analysis Agreement will terminate and we will retain the Site Analysis Fee to cover our cost of analyzing the proposed sites. If you and we agree on a site, we will apply the Site Analysis Fee to the Initial Franchise Fee, and the remainder of \$25,000 will be due and payable in full, in a lump sum only, when you sign the Franchise Agreement. You must sign a Franchise Agreement within 90 days of gaining approval of your proposed sites, or you will forfeit your right to apply the Site Analysis Fee to the Initial Franchise Fee.

If within eighteen months after signing the Franchise Agreement you do not open the store for any reason, including your failure to satisfactorily complete the training program, or to lease, purchase or otherwise obtain an approved premises for your drive-thru, we will have the right to terminate the Franchise Agreement. If we terminate the Franchise Agreement because you did not open the drive-thru, we will retain \$15,000 of the Initial Franchise Fee and refund the remainder to you. See Section 2.2 of the Franchise Agreement. In this case, we will also retain the \$5,000 Site Analysis Fee. See Section 4 of the Site Analysis Agreement.

Your license to use our trademarks including “The Human Bean” does not become effective, and you may not open a THB drive-thru until we notify you that you have satisfied all of the pre-opening conditions set forth in the Franchise Agreement, and we approve the opening.

Transfer and Training Fees

If you obtain your THB store by purchasing a franchise from one of our existing franchisees, then you or the existing franchisee, who is selling you the franchise, must pay us a transfer fee in the amount of \$5,000 (the “Transfer Fee”) instead of the Franchise Fee. The Transfer Fee is payable immediately upon approval of the transfer.

The transfer fee is fully refundable, if the transfer request is withdrawn before any action by us. Any proposed transfer of the franchise by you requires our prior approval. See Section 12.2 of the Franchise Agreement. If you become a developer, your development rights under the Area Development Agreement will not be transferable except in the event of a death or incapacity. See Section 9 of the Area Development Agreement for details.

Also, if you obtain a franchise from one of our existing franchisees, in our reasonable judgment, we may require you to receive training from us and pay a training fee in the amount of \$5,000 (the “Training Fee”) plus any associated costs of travel, room and board expenses. See Section 12.8 of the Franchise Agreement.

Equipment

Certain kinds of equipment used at your drive-thru must be purchased before opening from or through us. See Item 8 for a detailed description of all the equipment. Your cost for equipment to be purchased from or through us is approximately \$85,000. The cost of the equipment is not refundable.

Initial Inventory

Coffee beans and certain other supplies must be purchased from us or Portland Coffee Roasters, LLC. Other inventory must be purchased from one of our designated suppliers. See Item 8 of this Disclosure Document for more details on required purchases. The total estimated cost for your initial inventory ranges from \$23,000 to \$26,000 (see Item 7), of which \$6,000 is payable to us or our affiliate. The cost of initial inventory is not refundable.

B. Area Development Agreement

If you sign an Area Development Agreement, you will still pay the Initial Franchise Fee for each franchise outlet to be opened within the development area, but the payment will be distributed over time as follows. The Initial Franchise Fee of \$30,000 for the first THB outlet to be opened, plus \$10,000 for each additional THB outlet to be opened within the development area (the “Development Fee”) are payable at the time the Area Development Agreement is signed. The Site Analysis fee is waived for Area Developers, and Area Developers are not required to have a first site approved by us before signing the Franchise Agreement. The Development Fee is credited towards the future Initial Franchise Fee for each subsequent franchise outlet that is opened, with the balance of each additional Initial Franchise Fee (\$20,000) due upon execution of the franchise agreement for each new outlet. Although the Initial Franchise Fee is refundable as stated above, the Development Fee is not refundable under any circumstances. Development Fees and Initial Franchise Fees are uniformly imposed.

See Section 11.2 of the Franchise Agreement.
- (4) The Brand Fee is 1% of your gross sales revenue, less taxes, promotional discounts, and delivery fees. The brand fee is paid monthly via electronic funds transfer. This metric is

described in Section 2.3 of the Franchise Agreement, and it uses the aggregate of all sales of branded products and third-party products and all revenue from services rendered in connection with the operation of each drive-thru, including sales made at or away from the premises, whether for cash or credit, but excluding all promotional discounts, delivery fees, and taxes collected from customers and paid to the appropriate authority. We will not increase the Brand Fee to more than 2% of gross sales revenue. See Item 11 and the Electronic Funds Transfer Authorization in Exhibit B.

Optional Area Development Fee	\$10,000 per additional location (See note 3)	Lump sum	On signing an Area Development Agreement	Us

Except where otherwise noted, all fees paid to us are nonrefundable.

Neither we nor our agents offer any financing arrangements, directly or indirectly, to you.

Notes:

- (1) Site Analysis Fee. See the state-specific riders for possible differences in your state. The Site Analysis Fee is nonrefundable. If we approve a site and you sign the Franchise Agreement with us, the Site Analysis Fee will be applied to the Initial Franchise Fee.
- (2) Initial Franchise Fee. See the state-specific riders for possible differences in your state. If your Franchise Agreement is terminated for your failure to open a drive-thru within eighteen months of signing, as described in Item 5 of this Disclosure Document, the Initial Franchise Fee is refundable with the exception of the \$15,000 nonrefundable deposit.
- (3) Optional Area Development Agreement and Fees. See the state-specific riders for possible differences in your state. Under our optional Area Development Agreement, Area Developers agree to open a minimum number of units in a designated territory, and to pay us in advance on signing the Area Development Agreement, to reserve that territory, \$10,000 for each such unit. The remaining balance of the Franchise Fee for each such unit (\$20,000) becomes due on signing the Franchise Agreement for each such outlet. Except for the \$10,000 pre-payment of the Franchise Fee for THB outlets to be developed, and certain working capital funds you might need to perform under the Development Agreement, no additional initial investment is required to become an area developer beyond that required to become a single-unit franchisee.
- (4) Training Expenses. One hundred twenty hours of initial training for new franchisees is included in the Initial Franchise Fee (Transferees will pay the separate training fee of \$5,000 unless it is waived by THB due to the Transferee's experience). Any additional training, whether required by us or requested by you, will result in a charge to you of \$60 per hour. You must pay your own costs for travel to and from the training location, local transport and lodgings. The training expense estimates in the table above include approximately \$1,500 to \$3,500 for these travel and living expenses.

The training expense estimates in the table above also include \$8,700 to \$24,348 for employee training costs. This estimate is based on training for 15 employees trained for 10 days, 8 hours per day, at applicable minimum wage ranging from \$7.25 to \$20.29 per hour. You may have to pay employees at a higher rate, depending on your local labor market and possible state or local minimum wage laws, which are subject to change over time. Payment of wages will depend on the payroll period you establish.

- (5) Real Property Purchased or Leased. THB outlets are generally located upon leased or purchased property. The rental rate and other terms of your leases or purchases will vary, depending upon negotiations with your landlord or the property owners, and area land costs. This estimate does not include pre-payment of last month's rent or security deposit. We do not estimate your costs for purchasing the site for your THB outlet as opposed to leasing.
- (6) Furniture, Fixtures, Equipment, Signage, Construction, and Remodeling.

The low-end estimate of \$460,000 for this category is for the conversion or improvement of an existing structure into a THB outlet. It includes approximately \$293,000 for

remodeling and upgrades to the existing structure, site improvements, signage, furniture, and fixtures, all to be provided by either our approved suppliers or an approved local general contractor. Most sizes will range from 1,000 square feet to 2,500 square feet. Remodeling or improving larger structures will usually cost more.

For new construction the estimated range is from \$710,000 to \$1,095,000. This includes at least \$605,700 to \$988,700 for a new building, site improvements, awnings, signage, furniture, fixtures, equipment, etc., provided by our approved suppliers or an approved local general contractor. The new drive-through structure can be either site-built or pre-fabricated modular. Its width ranges from 14' to 16' feet and its length ranges from 40' to 50'. Costs will include building or building materials, site preparation, cut and fill, paving, landscaping, utilities, area lighting, trash enclosures, building permits and related costs, and engineering. These costs will vary depending upon your choice of building and several site-specific factors, including local costs for building materials and labor. If you choose a pre-fabricated modular building, you will also pay shipping costs that vary depending on your location.

Regardless of the building type, the estimate includes at least \$112,000 for equipment and small wares, of which \$85,000 is for equipment to be purchased from or through us.

This equipment estimate includes from \$5,100 to \$5,900 for point-of-sale (POS) hardware (screen/processor, cash drawers, printers, kitchen display screens, handhelds and QR code scanners) for the POS stations at the THB drive-thru, available from approved suppliers (see Item 8).

The low-end estimate in this category includes approximately \$15,500, and the high-end estimate includes approximately \$72,000, for signs. The amount required depends on the number, type and size of signs needed. The cost of menu boards will range from \$11,720 to \$20,404. The least expensive menu board option requires one (1) digital screen, and the most expensive option is for four (4) digital screens.

Most of the durable items in this category (including the structure, certain equipment and the signage) can be leased from third parties or financed, but THB does not itself provide any financing (see Item 10).

- (7) Inventory. For more information on inventory see Item 8. Initial inventory costs between \$23,000 and \$26,000, depending on the size of your outlet. These costs are not refundable.
- (8) POS & Digital Menu Board Management System. The monthly software fee is payable to our approved suppliers and ranges from \$355 to \$463 depending on configuration. Applicable credit card fees will apply, and Franchisees may pay an additional fee for support, to the approved suppliers (see Item 8). The required Content Management System is provided by Creative Realities, Inc., with a cost of \$15 per screen per month (see Item 8).
- (9) Security deposits, utility deposits, business licenses and other prepaid expenses.

These estimates include approximately \$3,000-\$5,000 for miscellaneous expenses, including utilities, security deposits, and license fees. Deposits for utility services are typically required when the service is applied for and may not be refundable. You must confirm all of the specific deposits required. The licensing and permit requirements for espresso drive-thru establishments vary by location. Licenses and permits may be required at the municipal, county, and state level. Types of licenses and permits include restaurant, business, occupational and food products. Some states have laws regarding who may secure certain types of licenses and you may need legal advice if you think you might be ineligible. You may also have to obtain health licenses and comply with health laws and regulations that apply to restaurant and food product sales establishments. You should make inquiries about the laws, regulations and permit or license requirements in the area of your drive-thru.

These estimates also include approximately \$2,500 - \$5,000 for insurance premiums during the first year of operations. See Item 8 for more information about the insurance requirements.

- (10) Additional funds are provided only as estimates and apply only to your initial three-months of operations. The estimate includes cash on hand at opening for use in operations. We believe that these figures provide an accurate minimum estimate of the additional funds necessary for the initial three-month phase of operations.

The figures in the table above are merely estimates and we cannot guarantee that your costs will be within the limits specified or that you will not have additional expenses starting the business. To compile these estimates, we relied on our experience with the existing drive-thrus described in Item 1 of this Disclosure Document.

Estimates do not include applicable sales taxes, if any, which may be applicable and which may be imposed upon you. The above estimated expenditures are for your initial investment over the first three months of operation and do not reflect ongoing expenditures.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Because we do not charge a royalty, our primary source of revenue apart from franchise fees is the THB supply chain. In order to ensure both THB's quality standards and the integrity of the supply chain, you must purchase certain goods or services from us or our approved suppliers, comply with our quality standards and make on-time payments to all suppliers. Our suppliers are listed in Table 1 below, showing in each case the goods or services provided, whether use of the supplier is currently required, and whether THB currently derives revenue from the purchases.

We are the only approved supplier of the required beverage production and food preparation equipment. Certain additional equipment including refrigerators, freezers, and ice makers meeting our specifications can be purchased from any source. We do not own any interest in any of the suppliers, except that our majority owners also own our supplier of energy drinks, Bright, LLC, and a non-controlling interest in our other supplier Portland Coffee Roasters, LLC.

If goods or services are available from approved suppliers in the THB supply chain, then you must purchase those goods or services from the approved suppliers. However, if certain items or perishable food supplies are not available in your area from THB's primary approved suppliers, you may purchase such items from an approved local supplier in your area. We will tell you who this supplier is based on the location of your outlet. If we have not approved a specific supplier in your area, you may propose a local supplier by providing us with a written request, and we will evaluate whether or not to approve such local supplier. Approval is based on factors such as the ability of the supplier to provide supplies in accordance with current specifications and standards within a given time frame, under a specific warranty and with a minimum level of delivery service. We retain the sole discretion in determining whether or not a local supplier is approved. We will notify you of our decision within thirty days of receiving your request. If you do not hear from us in that time, you can assume that the request has been denied. We will not charge you to evaluate your request for an alternate supplier, equipment, or products.

Notes to Table One. The third-party service providers listed in Table One will give us access to your account information. See Section 11.3 of the Franchise Agreement. You must also use the managed network services provided with the Toast bundle, and meet the data security requirements for use of the bundle. You must use the specified software and services at the points of sale. For the expected costs associated with the POS and loyalty application systems, see Item 7 and note 6.

You and our affiliate-owned locations will participate in the THB Brand Fund, through the contribution of 1% of gross sales revenue less taxes, promotional discounts, and delivery fees. THB reserves the right to a future increase of the Brand Fund contribution (or Brand Fee) up to 2%. Our affiliate-owned locations and all THB franchisees will contribute to the Brand Fund cooperative at the same rate. See Item 11 of this Disclosure Document. Apart from the THB Brand Fund, there are currently no purchasing or distribution cooperatives required for our franchisees.

It is estimated that required purchases will make up between 10.5% and 81.3% of the total cost of establishing your franchise. After opening your franchise, it is estimated that the required purchases will make up between 36% and 49% of the total cost of operating your franchise.

Although you are not required to purchase or lease real estate from us, you must obtain our approval for the location of your THB outlet or outlets. See Item 11 of this Disclosure Document. If you lease the location, you and the landlord must use the THB Lease Addendum. The THB Lease Addendum is attached to the Franchise Agreement. It facilitates transfers of the lease by you, gives us notice of defaults, and allows us to act to prevent unplanned closures of the THB Outlet.

You must construct and equip your THB Outlet in accordance with our then-current approved design, specifications, and standards. You also must use equipment, signage, fixtures, furnishings, products, ingredients, supplies, and advertising and sales promotion materials that meet our specifications and/or standards. Your participation in all system-wide sales promotions and charitable campaigns is also required. We will notify you promptly if we change our specifications and standards, or if we grant or revoke approval of a supplier. You must pay all vendors and suppliers within terms; any overdue payment obligation to a supplier or vendor will violate the Franchise Agreement.

You must maintain insurance coverage. However, you may use any insurance company that meets the specified criteria. We do not receive any revenue from the insurance purchased by you. You must purchase and maintain, at your sole expense, comprehensive occurrence-based general commercial liability insurance, in an aggregate amount of not less than \$1,000,000 per incident, \$2,000,000 aggregate. The insurance coverage must insure you and us from liability for any and all damage or injury. In addition to the comprehensive general commercial liability insurance, you also must purchase and maintain the following additional insurance coverage:

- Premises and Property, in amounts sufficient to cover loss or damage to the drive-through building, equipment and inventory, including loss or damage from crime, and spoilage from power failure with a deductible not greater than \$1,500;
- Employment Practices, in amounts sufficient to cover potential claims by or on behalf of your employees;
- Business Income, in amounts sufficient to cover expenses from unexpected closures of your store;
- Owned and non-owned Auto Liability Insurance with at least \$1,000,000 combined single limit; and

- Workers' Compensation, for job-related injuries, in amounts as required by state law.

The required products that we sell, or require you to buy from approved suppliers, provide income to us, either in the form of direct revenue or by means of a rebate or allowance paid to us by the approved supplier. For the fiscal year ending December 31, 2023, we received revenue of \$8,497,451 from the sale of goods or services that you are required to purchase from us or our approved suppliers, representing about 84.3% of our total sales of \$10,081,392. We receive revenue from (i) rebates from approved suppliers, including Portland Coffee Roasters LLC (in which our directors hold an interest); (ii) margin on direct sales to franchisees, of between 3% and 40% of the cost of the goods; and (iii) sales to our affiliates listed in Item 1. Our affiliates do not derive revenue from your purchase of required goods or services.

We may negotiate purchase arrangements with suppliers (including price terms) for the benefit of franchisees. Also, in determining whether to revoke approval of a vendor, we will look to factors including, but not limited to, the price of the product(s) and the vendor's ability to distribute product(s) that meet our specifications and standards. However, with respect to all products and services for which our approval is required, we may approve, withhold approval, or revoke approval of a supplier in our sole discretion.

You are required to participate in any system-wide discount programs or promotions, and to accept physical or digital coupons and gift cards. Nothing in this requirement affects your ability to set the pre-discount prices for goods sold at your THB drive-thru. We do not provide any payments, rebates or other material benefits to franchisees based on their purchase or use of products or services that are approved but not required by us.

Item 10 **FINANCING**

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

Item 11 **FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING**

Except as listed below, we are not required to provide you with any assistance.

Before you open your business, we will:

- (1) Provide site selection assistance. After you sign the Site Analysis Agreement (Exhibit C) and pay the Site Analysis Fee of \$5,000, you select one or more sites (up to ten sites, if each proposed site is within fifty miles of each of the other proposed sites) and, for each proposed site, complete the site analysis form provided by us. We will review the completed site analysis form(s) and other relevant information and respond within thirty days. Factors considered when evaluating a site include population density, zoning, character of neighborhood, traffic patterns and accessibility.

You may not use any site for a THB drive-thru unless the site is approved by us, applying our then-current standards. If you and we are unable to agree on any of your proposed sites within nine months of your payment of the Site Analysis Fee, the Site Analysis Agreement will terminate, and we will retain the Site Analysis Fee. Generally, we do not own the premises of your Outlet or lease them to you. See the Site Analysis Agreement and Section 2.1 of the Franchise Agreement.

If you become an Area Developer, we will waive the Site Analysis Fee, and you may sign the Franchise Agreement without a site having first been approved. However, as an Area Developer, you may not use any site for a THB drive-thru unless the site is first approved by us under our then-current standards. For the units opened after the first unit, you will select one or more sites (up to ten sites within the Development Area) and, for each proposed site, complete the site analysis form provided by us. We will review the completed site

analysis form(s) and other relevant information and respond within thirty days. See Sections 5.1-5.3 of the Area Development Agreement.

- (2) Upon agreement between you and us on the site for your business, immediately designate your exclusive territory, which will consist of a one-mile radius from the location of your drive-thru. See Section 1.2 of the Franchise Agreement. If you become an Area Developer, your territory is defined by the Area Development Agreement until you have fulfilled your development obligation, and thereafter by the one-mile radius from the location of each THB outlet. See Section 2 of the Area Development Agreement.
- (3) Provide specifications of the building. See Sections 7.1 - 7.3 and 10.3 of the Franchise Agreement.
- (4) Provide equipment listing and related costs and/or approved vendors, including for the point-of-sale system. See Sections 7.4 and 10.3 of the Franchise Agreement. The estimated cost of computer equipment is \$5,100-\$5,900 and the estimated cost of software fees is \$435-\$475/month. See Item 7 and note 6 to Item 7. We do not have a contractual obligation to maintain, repair, update or upgrade your computer or other point-of-sale equipment. You will not be required to spend more than \$7,000 in any three-year period to maintain, repair, update or upgrade your computer or other point-of-sale equipment. See Section 7.4 of the Franchise Agreement. We will have independent access to all user-accessible information on your POS System; the limit on our right to access this information is the scope of information made available by the POS software/service providers. See Section 7.4 of the Franchise Agreement. We will also provide to you our standard layout for configuring menu items in the POS system. The standard layout, called the "Enterprise Golden Image," is mandatory system-wide, to help ensure consistency across the brand.
- (5) Loan you a copy of our operations manual, which contains mandatory specifications, standards and procedures (the "Operations Manual"). The Operations Manual is approximately 46 pages long (not including appended equipment manuals). This manual is confidential, remains our property and may not be copied. At our sole discretion, we may periodically revise, amend, add to and/or delete from the Operations Manual. See Section 10.3 of the Franchise Agreement. The table of contents of the Operations Manual appears at Exhibit D to this Disclosure Document.
- (6) Assist you in procuring necessary equipment, signs, fixtures, opening inventory and supplies by providing you with: (a) written specifications for these items; and (b) these items or names of approved suppliers for these items. All of this information is part of the Operations Manual. See section 10.3 of the Franchise Agreement. See Item 8 for more information regarding procuring equipment, signs, fixtures, opening inventory and supplies. We provide written specifications and (for specified equipment only) sell the equipment to you, but all delivery and installation services are performed by third parties.
- (7) Assist you in establishing customer relationships with suppliers. See Section 8.3 of the Franchise Agreement.

- (8) Provide training to two people designated by you, such as you and your store manager. Training is conducted before the opening of a new outlet. The training requirement will be waived by us only if we decide that your prior experience qualifies you for a waiver, otherwise, training is mandatory for you and your store manager. Training occurs over 120 hours during a period of about three weeks at one of our training facilities, located in Oregon. We will designate the training facility. You must pay for your transportation to, from and around Oregon, and your room and board during the training period. Training must be completed to our satisfaction. If either of the trainees is unable by the end of the 120-hour period to acquire the skills necessary to operate the drive-thru, we may require additional training. Additional training may also be requested by you. See Section 10.1 of the Franchise Agreement. If additional training is required, we will charge you \$60 per hour for each person being trained. If we determine that either of the trainees is unable after additional training to acquire the skills necessary to operate the drive-thru then we may require that trainee to repeat the training. There are no additional training or refresher courses and fees, other than the possible remedial training that is required only on a case-by-case basis. If you become an Area Developer, we will provide training for designated store managers beyond the first outlet upon request.

The name and number of instructors who provide this training may change. We expect to draw on the substantial experience of our management, personnel of the designated suppliers or independent contractors in our region. The Director of Training has over a decade of experience in the drive thru espresso business.

The following table describes the training process for a typical week during the three-week training:

TRAINING PROGRAM

Subject	Hours of Classroom Training	Hours of On-The-Job Training	Location
Drink Assembly, Product Preparation, Customer Service	2	13	Medford, OR or Portland, OR training facility

Subtotals	11	29	
TOTAL HOURS	40		

**Throughout the training process, trainees practice and pay attention to the three core areas: Drink Assembly, Product Preparation and General Operations.*

No training deposits or fees for training are required before opening a new location.

We are not obligated under the Franchise Agreement or otherwise to meet any other obligation or to provide any other supervision, assistance, training or service before the opening of your espresso drive-thru. For example, but without limitation, we are not obligated to:

- a. Negotiate the purchase or lease of the site for your THB drive-thru outlet.
- b. Conform your THB drive-thru outlet with local ordinances and building codes.
- c. Procure any business, health, sanitation, building, driveway, utility or sign permits or licenses or any other permits, licenses or the like.
- d. Construct, remodel, or decorate your THB drive-thru outlet.
- e. Hire or train your employees (except managerial training described in this Item 11 of this Disclosure Document).
- f. Sell, lease, or sublease the premises of your espresso drive-thru to you.
- g. Spend any amount on advertising in your territory or area.

The length of time between the signing of a Franchise Agreement and the opening of your franchise will vary depending upon your individual circumstances and local conditions, such as your ability to obtain a lease, financing or permits; zoning; local ordinances; weather conditions; or shortages or delays in installing equipment or fixtures and signs. A typical length of time is twelve months, but the time period could be longer than fourteen months. If your drive-thru does not open within eighteen months of signing the Franchise Agreement, we may terminate the Franchise Agreement.

During the operation of your business, we will:

- (1) Sell you products for resale by you through your THB outlet. See Section 8 of the Franchise Agreement.
- (2) Provide assistance on or in advance of opening day. We will furnish to you, at our expense, one or more of our representatives to assist on or in advance of opening day in the training of employees and in establishing local procedures. See Section 10.4 of the Franchise Agreement. If you become an Area Developer, we provide assistance with the opening of THB outlets other than the first THB outlet only upon request. See Section 7.2 of the Area Development Agreement.
- (3) Offer additional optional assistance in the opening of each unit. If you desire this additional assistance, the fee will be \$600 per representative per day, plus travel and lodging expenses for our representative. See Section 10.5 of the Franchise Agreement.

- (4) Obtain and maintain online search directory listings for the Outlet as a member of The Human Bean family.
- (5) Furnish you operating assistance that we reasonably believe you require during the operation of your franchise. One of our representatives will make periodic inspections of your franchise. There is no definite schedule for these inspections. During these inspections, the representative will also render advice and assistance to you regarding the management and conduct of the franchise as specified in Section 11.1 of the Franchise Agreement.
- (6) Prepare advertisements. We may create advertising content ourselves, or through an advertising agency, with or without the assistance of the Brand Fund. Apart from the Brand Fund, we are not obligated to spend any particular amount on advertising and we have sole discretion regarding the location, type and media used for our advertisements. We will make advertising, marketing and promotional materials available to you for your local use. You are required to participate in all brand-wide promotional campaigns, unless designated as optional by us, and to use the brand-wide promotional campaign materials provided, without any changes to those materials. You may also develop advertising materials for your own use, at your own expense. You are not required to spend any specified amount on local advertising in your area or territory, but we recommend at least 3% of gross sales revenue on local advertising, and at least 5% for the first year of operations. You are responsible for ensuring that your proposed advertising materials are truthful and not misleading. Advertising materials developed by you may not be used unless approved by us in advance. You are required to submit proposed advertising materials to us at least thirty days before you intend to use them. We will evaluate the proposed advertising materials and respond within fifteen days. We will not unreasonably withhold approval for use of proposed advertising materials. All online promotions by you, including social media posts relating to the business, must be through the THB website or an official THB-branded social media account. THB does not allow franchisees to promote the franchised location using unreviewed postings on websites or social media accounts other than the official ones.
- (7) Administer the Brand Fund. The following disclosures apply to the Brand Fee and Brand Fund. See Sections 8.6.4 through 8.6.8 and 10.6 of the Franchise Agreement.

You and our affiliate-owned locations will participate in the THB Brand Fund, through the contribution of 1% of gross sales revenue less taxes, promotional discounts, and delivery fees. THB reserves the right to a future increase of the Brand Fund contribution (or Brand Fee) up to 2%. Our affiliate-owned locations and all THB franchisees will contribute to the Brand Fund cooperative at the same rate. See Item 11 of this Disclosure Document. Apart from the THB Brand Fund, there are currently no purchasing or distribution cooperatives required for our franchisees.

THB will collect the Brand Fee monthly via Electronic Funds Transfer (EFT), maintain the Brand Fund in a dedicated bank account, and keep it separate from THB's operating funds and other accounts. An unaudited financial statement of the Brand Fund, at the expense of the Brand Fund, will be provided on written request, not more than 120 days after our fiscal

year end, along with an accounting for the Brand Fund that shows how proceeds have been raised and spent in the previous year.

The Brand Fund will be used to pay an outside advertising agency to produce content for use by franchisees and affiliate-owned units, in advertising and marketing the branded products and services. The Brand Fund will not be used for placement of such content in particular local markets. We will not spend Brand Fund money except on advertising, public relations, market research, promotion, or marketing of the THB branded products/services; and on the administration of the Brand Fund, including its costs for collection of unpaid Brand Fees, provided that (i) not more than twenty-five percent (25%) of the Brand Fund will be used for administrative costs in any fiscal year; and (ii) neither THB nor the THB affiliates will receive any payments for providing goods or services to the Brand Fund, apart from reimbursement of expenses. The Brand Fund may be used for the design or maintenance of THB websites or social media marketing campaigns, so long as the website, campaign or promotion promotes the branded products/services, and even if it also solicits potential franchisees. The Brand Fund will not be used for any advertising primarily aimed at soliciting prospective franchisees for THB.

THB does not hold the Brand Fund in trust for its franchisees, and will have no fiduciary duty to you relating to the Brand Fund. THB will have final authority over expenditures from the Brand Fund, but (i) THB will deal fairly and in good faith in its decisions about expenditures from the Brand Fund, and (ii) THB will consider the views of the Franchisee Advisory Committee regarding expenditures from the Brand Fund. Fair dealing does not mean all franchisees must benefit equally from the Brand Fund. In light of the views of the Franchisee Advisory Committee, we will decide using our reasonable business judgment how to spend contributions to the Brand Fund. The five members of the Franchisee Advisory Committee are elected by the franchisees to two-year terms. To be eligible, franchisee must be in good standing, meaning not currently in receipt of a default notice under the Franchise Agreement or in arrears with any vendor. The franchisees can vote to alter the criteria for membership and composition of the Franchisee Advisory Committee. THB has no right to appoint or alter the membership of the Committee, or to dissolve it. There is no requirement for franchisees to participate in any local or regional advertising cooperative.

Any unused amounts in the Brand Fund in any calendar year will be applied to the following year. THB may contribute or loan additional funds to the Brand Fund, on reasonable terms. In the most recent fiscal year, 2023, the Brand Fund started with \$406,129 from the prior year surplus, took in \$1,182,973 and spent \$1,480,476, ending the year 2023 with a surplus of \$108,626. The surplus of \$108,626 carried forward to the 2024 fiscal year. The Brand Fund was spent as follows: 3% on communication; 42% on digital advertising and online marketing, reviews, listings, and social content management; 3% on innovation; 38% on promotions, campaigns, printed ad materials, and strategy; and 14% on administrative fees.

Although not obligated to do so under this Disclosure Document, the Franchise Agreement or any other agreement, at our discretion we may, during the operation of your business: (a) conduct research and development in the area of production and methods of operation, (b) make the results of this research available to you, (c) provide recruitment assistance, (d) provide suggested retail prices, or (e) establish and use administrative, bookkeeping, accounting and inventory control

procedures. We may keep you informed of our plans, policies, research developments and similar activities by means of bulletins, brochures or visits by our representatives.

Item 12 **TERRITORY**

During the term of the Franchise Agreement, you will be granted an exclusive territory within a 1 mile radius of the location of your drive-thru. The location must be a site approved by us, as described in Item 11 above. You do not acquire any option or right of first refusal to additional locations in your territory or contiguous territories. You may not relocate your drive-thru within your territory without our prior written consent, but we may consent to relocation based on our approval of the information provided on the site analysis form, which you must submit to us. There are no restrictions on your soliciting or accepting orders from outside your territory. There are no restrictions on your advertising outside of your territory, except that you may only use advertising materials that have been approved by us. We or another franchisee may solicit, advertise, or accept orders from within your territory without any obligation to compensate you. You may sell the authorized products only at the THB outlet. You may not make sales outside of your territory using other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing.

Within your territory, we will not operate a company-owned outlet or grant a franchise for the operation of a competing business during the term of your Franchise Agreement. However, we may sell THB-branded products or merchandise by mail order, Internet web site, or other networked means, including sales to persons physically located within your territory. Continuation of your territorial exclusivity does not depend on the achievement of a particular volume of sales, market penetration, or any other contingency. Your territory may not be altered except by mutual written agreement between you and us.

If you become an Area Developer, your exclusive territory will be defined as the development area specified by the Area Development Agreement, until the Area Development Agreement expires or terminates. You will have the right and obligation to open additional THB outlets within your development area during the term of the Area Development Agreement. Area Developers may not use any site for a THB drive-thru unless the site is first approved by us, and our then-current standards for site approval will apply. You may not relocate your THB drive-thrus within your territory without our prior written consent. There are no restrictions on your soliciting or accepting orders from outside your territory. There are no restrictions on your advertising outside of your territory, except that you may only use advertising materials that have been approved by us. We or another franchisee may solicit, advertise, or accept orders from within your territory without any obligation to compensate you. There is no set minimum size for the exclusive territory of an Area Developer.

If you become an Area Developer, then within your territory, we will not operate a company-owned outlet or grant a franchise for the operation of a competing business, unless the company-owned outlet or franchise was already located within your territory when you signed the Franchise Agreement. However, we may sell THB-branded merchandise by mail order, Internet web site, or other networked means, including sales to persons physically located within your territory. If you are an area developer, continuation of your territorial exclusivity will depend on your fulfillment

of the development obligation, except that upon expiration or termination of the Area Development Agreement, you will have territorial exclusivity for each THB outlet within a one-mile radius of its location during the term of the Franchise Agreement for that THB outlet. Your territory may not be altered except by mutual written agreement between you and us.

The Franchise Agreement and Area Development Agreement both contain covenants of noncompetition. See Section 6.3 of the Franchise Agreement and Section 8.3 of the Area Development Agreement. The covenant of noncompetition restricts your use of our proprietary and confidential information during and after the term of the Franchise Agreement. The covenant of noncompetition restricts you from competing with us or our franchisees during the term of your Franchise Agreement and Area Development Agreement (if applicable), except by operating your drive-thru(s). The covenant of noncompetition restricts you from competing with us or our franchisees for two years after termination of your Franchise Agreement or Area Development Agreement by operating a drive-thru similar to a THB drive-thru within ten miles of any THB drive-thru. The covenant of noncompetition restricts you from competing with us or our franchisees by diverting business to any of our competitors during the term of your Franchise Agreement and Area Development Agreement (if applicable) and for two years after termination of your Franchise Agreement and Area Development Agreement (if applicable). Following the expiration or termination of an Area Development Agreement, your obligations of confidentiality and noncompetition under the individual franchise agreements will remain in effect. Some provisions of the covenant of noncompetition may be unenforceable in some states. See the state-specific rider to this Disclosure Document for your state. We will try to resolve, if required under the Franchise Agreement and the Area Development Agreement, any conflicts between our franchisees or developers and us regarding territory, customers or support.

We and our affiliates do not operate or franchise, and have no present plans to operate or franchise, businesses that compete with the THB Outlets under a different trademark.

We maintain in the Operations Manual a list of the trademarks, service marks and other designations that you are licensed to use. In our sole discretion, we may supplement your license by adding new marks to the list in the Operations Manual. If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any name or mark and/or use of one or more additional or substitute marks as trade or service marks, you must discontinue use of that mark

when instructed by us. The Franchise Agreement does not give you a right to compensation for costs imposed by any such potential discontinuation of one or more of the THB Marks.

There are no agreements currently in effect that significantly limit our rights to use or license the use of the THB Marks, or other trademarks, service marks, trade names, logo types or other commercial symbols significant to the franchise.

There is presently no opposition or cancellation proceeding or any pending litigation involving the THB Marks nor any presently effective determinations by the USPTO, the Trademark Trial and Appeal Board or the Trademark Administrator of any state or any court regarding the THB Marks.

We are not obligated by the Franchise Agreement or otherwise to protect any rights that you have to use the trademarks and service marks. If you are made a party to an administrative or judicial proceeding involving one of the THB Marks, or if the proceeding is resolved unfavorably to you, we are not required to participate in your defense and/or indemnify you for expenses or damages. You must notify us if you become aware of anyone using or claiming rights in a trademark that is confusingly similar to any of the THB Marks. We are not required to take affirmative action when notified of such claims, however we will, in our sole discretion, take all steps necessary to protect the trademarks and service marks and any future marks registered by us. We have the right to control all administrative proceedings and litigation involving the THB Marks.

You must follow our rules when you use the THB Marks. You may not use the words “Human Bean,” or “The Human Bean” in your business entity name. You may use the online space provided for franchisee web content on our site, but otherwise you may not use an online domain name that includes the words “Human Bean” or “The Human Bean”.

We do not guarantee that no other person has prior or competing rights in the THB Marks, but we are not aware of any superior prior rights or infringing uses that could materially affect your right to use the THB Marks in the United States.

Item 14

We own no rights in or to any patents that are material to the franchise.

Your right to use the copyrighted Operations Manual is derived solely from the Franchise Agreement and is limited to your conduct of business in compliance with the Franchise Agreement and all applicable standards, specifications, operating procedures and rules that we require. Any unauthorized use of the copyrighted materials by you will constitute a breach of the Franchise Agreement and an infringement of our rights in the copyrighted materials.

Your use of the copyrighted materials and any good will established by your use of them will benefit us exclusively. The Franchise Agreement does not give you any good will or other interest in the copyrighted materials other than the right to operate your drive-thru in compliance with the Franchise Agreement. All relevant provisions of the Franchise Agreement are applicable to any additional copyrighted materials that we authorize for use by you in the future.

The Operations Manual remains our property and must be returned to us if your franchise terminates for any reason.

We have proprietary rights in a number of trade secrets including all information, knowledge and know how not generally known in the coffee service industry about our systems and products, a variety of proprietary recipes, services, standards, specifications, systems, procedures and techniques including the preparation of beverages, accounting and management techniques and systems ("Proprietary Information"). We have established security procedures to maintain the secrecy of all Proprietary Information. We have the perpetual right to own and use and authorize our other franchisees to use all ideas, concepts, formulas, recipes, methods and techniques (including drive-thru building plans) relating to the development or operation of a drive-thru espresso business conceived or developed by you or your employees during the term of the Franchise Agreement. You must fully and promptly disclose to us any ideas, concepts, formulas, recipes, methods and techniques developed by you or your employees during the term of the Franchise Agreement.

You must keep the Proprietary Information confidential and to use it only for the purposes and in the manner authorized in writing by us. You must promptly inform us if you learn of any unauthorized use of any of the Proprietary Information. We are not obligated to take any action, but will respond to this information as we deem appropriate in our sole discretion.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You are not required to participate personally in the direct operation of your drive-thru, but we recommend that you do so. However, your drive-thru must always be under your direct supervision or that of your designated manager. You must keep us informed at all times of the identity and qualifications of each employee acting as a manager of your drive-thru. Your manager is not required to have an equity interest in your franchise.

You may designate your manager as the person to receive the initial training provided by us. If you do not designate your manager as the person to receive the initial training provided by us, you may train your manager or you may request that we train your manager, at your expense. If you do not designate your manager as the person to receive the initial training provided by us and we train your manager, we will charge a fee for the training. See Sections 9.1, 10.1, and 10.2 of the Franchise Agreement. If we determine that your manager has been inadequately trained, we may require that your manager be trained by us at your expense.

Your manager and all other employees must agree to maintain the confidentiality of the copyrighted material, proprietary information and trade secrets described in Item 14 and comply with the noncompetition covenants identified in Item 17.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must sell all products and services as specified in the Operations Manual. The Operations Manual sets forth the various items for inclusion on the menu of your franchise. In addition to beverage and pastry items, your drive-thru will sell certain merchandise. We may in our sole discretion add or delete items from the approved list and there are no limits on our rights to do so. You may not add any item to your menu unless it is first approved by us in writing. You may not offer or sell any products or services not authorized by us. You are not limited in the customers to whom these goods or services may be sold.

Item 18 **PUBLIC FIGURES**

We do not use any public figure to promote our franchises. Any use of the name of a public figure by you in your promotional efforts or advertising is subject to our right to approve or disapprove of your advertising materials, except to the extent that a public figure may be involved in the actual control or management of your franchise.

Item 19 **FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual and potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering

buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Table 1 provides historical financial performance data based on the unaudited financial statements of twelve (12) affiliate-owned stores for the 12-month period ending December 31, 2023. Net income means net sales (gross sales less promotional discounts, as on Table 1), less expenses and cost of goods (as on Table 1). Table 2 provides historical financial performance data based on the sales of one hundred twenty-four (124) franchised stores for the 12-month period ending December 31, 2023. Table 3 provides adjusted average net income for franchised units, based on our estimate of the cost differentials between affiliate-owned and franchised stores.

A total of 136 outlets were in operation throughout the fiscal year ending December 31, 2023. Of those, 12 were affiliate-owned outlets and 124 were franchised outlets. Item 19 does not include data from the 22 franchised locations that opened after the start of the 2023 fiscal year. Data from the 9 franchised locations that closed in 2023 were also not included in this Item 19. For details of these closures, see the end of Item 20.

We present total costs and average net profits exclusive of owner income and owner expenses, meaning owner travel expenses and owner use of a company car. We do not treat these as expenses a franchisee should expect to incur for purposes of this Item 19. Expenses for bookkeeping, payroll and accounting are likewise excluded. As our franchisee, you will choose how you treat owner expenses (if any) and how to account for and pay any tax on owner income from your outlet.

Some outlets have sold or earned this amount. Your individual results may differ. There is no assurance you'll sell or earn as much.

ITEM 19 TABLE 3 FRANCHISEE ADJUSTED NET INCOME & COST DIFFERENTIAL

	2023 Franchisee Adjusted**	2023 Affiliate Average
Net Income	\$84,597.19	\$102,612.07
Total Cost of Goods Differential as % of Average Sales	1.92%	0.0%
Coffee & Other Products/Supplies Differential	\$16,358.27	\$0
Shipping Differential	\$1,656.62	\$0
Total Cost of Goods Differential	\$18,014.88	\$0

**The figure in Table 3 for the franchisees' Adjusted Net Income is our estimate based on the average net income for the affiliate-owned stores, less the estimated average cost differential for franchisees. The second column of Table 3 shows the estimated cost differential for franchisees by category. The cost differential is based on three factors: coffee products, non-coffee products/supplies, and shipping costs. Franchisees currently pay approximately 30% more than affiliates for coffee products, and approximately 20% of the franchisee's total cost of goods will be for coffee products. This price differential may be increased in the future up to 35%. Most franchisees pay the same price for non-coffee products/supplies as the affiliate-owned stores, but in certain regions there is a differential, and we averaged the differential across all the franchised outlets. Franchisees receive free shipping for coffee products on orders over the minimum size, so we did not calculate any differential for shipping costs on coffee products. A few other supplies, namely branded coffee mugs, apparel and temporary point-of-sale marketing materials, are sold by THB to the affiliate-owned stores for less than the price paid by the franchisees. The effect of this fourth differential on the Adjusted Net Income figure was insubstantial.

The historical performance data disclosed in this Item 19 does not include historical data on the average or median costs of franchised locations, only historical data on their average or median total sales. The payroll expense figures in Table 1 include an hourly rate and bonus for a manager. You or your manager should expect to work full-time in areas such as general administration, bill paying, staffing, scheduling, general errands, and supply pick-up and delivery. If you do not delegate these functions to a manager, your payroll expenses will be lowered by the amount of that manager's wages and bonus, payroll taxes on those wages, and any other employee-related expenses. Each of the 12 affiliate-owned outlets employed a manager other than the owners.

The twelve affiliate-owned THB drive-thru locations used for Table 1 were in operation for the entire 12-month period ending December 31, 2023. Among the twelve affiliate-owned THB drive-thru locations, the most successful store had total sales of \$1,276,167 and net income (excluding owner income and owner expenses) of \$244,369. The least successful store had total sales of \$628,789 and net income (excluding owner income and owner expenses) of \$16,596. The criterion for most and least successful affiliate-owned store is net income (loss) exclusive of owner income and expenses, not total sales. Total sales means gross sales, before promotional discounts and loyalty rewards (as shown on the table).

All of the twelve affiliate-owned stores had positive net income (excluding owner income and owner expenses) during the 12-month period ending December 31, 2023. Five of the twelve stores, 42%, had cost of goods higher than the average figure, and the other seven, 58%, had cost of goods lower than the average. Six of the twelve stores, 50%, had total sales higher than the average, and the other six stores, 50%, had total sales lower than the average. Six of the stores, 50%, had total expenses higher than the average, and the other six stores, 50%, had total expenses lower than the average (excluding owner income and owner expenses). Six of the stores, 50%, had net income (excluding owner income and owner expenses) higher than the average, and the other six, 50%, had lower net income (excluding owner income and owner expenses).

The one hundred twenty-four franchised THB drive-thru locations used for Table 2 were those in operation for the entire 12-month period ending December 31, 2023. Item 19 does not include data from the 22 franchised locations that opened after the start of the 2023 fiscal year. Data from the 9 franchised locations that closed in 2023 is also not included in Item 19. For details of these closures, see the end of Item 20. A total of 136 outlets were in operation throughout the fiscal year ending December 31, 2023. Of those, 12 were affiliate-owned outlets and 124 were franchised outlets.

Among the 124 franchised THB drive-thru locations whose data is used in this Item 19, the most successful store had total sales of \$1,667,842. The least successful store had total sales of \$425,956. The criterion for most and least successful franchised stores is total sales. 43%, or 53 of the 124 franchised stores had total sales higher than the average, and the other 57%, or 71 stores had total sales lower than the average. Written substantiation for this financial performance representation is available on reasonable request.

Other than the preceding financial performance representation, THB does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to THB's management by contacting Dan Hawkins or Tom Casey at 623 Rossanley Dr., Medford OR 97501, (888) 262-2215, the Federal Trade Commission, and the appropriate state regulatory agencies.

STATE-SPECIFIC RIDERS FOR THE MULTI-STATE FRANCHISE DISCLOSURE DOCUMENT OF CASEY HAWKINS, INC.

The following are additional disclosures for the Franchise Disclosure Document of Casey Hawkins, Inc. required by various state franchise laws. Each provision of these additional disclosures will not apply unless, with respect to that provision, the jurisdictional requirements of the applicable state franchise registration and disclosure law are met independently without reference to these additional disclosures.

California

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

THE REGISTRATION OF THIS FRANCHISE OFFERING BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE COMMISSIONER.

WE MAINTAIN WEB SITES AT THE FOLLOWING ADDRESSES:

OUR WEBSITES HAVE NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THESE WEBSITES MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

The earnings claims figures include averages of our affiliate-owned stores' costs of sales, operating expenses, and other costs or expenses of the kind that must be deducted from your gross revenue or gross sales figures to obtain your net income or profit. You should still conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

1. The following is added to Item 3:

Neither THB nor any person identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

2. The following is added to Item 17:

California Business and Professions Code, Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

i. The franchise agreement provides for possible termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101 et seq.).

ii. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.

iii. YOU MUST SIGN A GENERAL RELEASE IF YOU RENEW OR TRANSFER YOUR FRANCHISE. CALIFORNIA CORPORATIONS CODE §31512 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE INVESTMENT LAW (CALIFORNIA CORPORATIONS CODE §§31000 THROUGH 31516). BUSINESS AND PROFESSIONS CODE §20010 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE RELATIONS ACT (BUSINESS AND PROFESSIONS CODE §§20000 THROUGH 20043).

iv. Franchisee owners and spouses must sign a personal guaranty, making you and your spouse individually liable for your financial obligations under the agreement if you are married. The guaranty will place your and your spouse's marital and personal assets at risk, perhaps including your house, if your franchise fails.

v. The franchise agreement requires binding arbitration. The arbitration will occur at Medford, Oregon with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside of the State of California.

vi. Both the Governing Law and Choice of Law for Franchisees operating outlets located in California, will be the California Franchise Investment law and the California Franchise Relations Act regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the franchise agreement or amendment to or any agreement to the contrary is superseded by this condition

vii. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

Information required to be disclosed by Connecticut General Statutes § 36b-63:

1. If we fail to deliver the products, equipment or supplies or fail to render the services necessary to begin substantial operation of the business within forty-five days of the delivery date stated in your contract, you may notify us in writing and demand that the contract be cancelled.

Hawaii

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF REGULATORY AGENCIES OR A FINDING BY THE DIRECTOR OF REGULATORY AGENCIES THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE OFFERING CIRCULAR, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS OFFERING CIRCULAR CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in

connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor.

Illinois

The State of Illinois requires that the following risk be highlighted:

Financial Condition. The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Item 5 is amended as follows:

THB will defer the due date for payment of the balance of the Initial Franchise Fee (after execution of the Site Analysis Agreement) until Franchisee has opened its THB Outlet at the Premises, or the Illinois Attorney General has lifted its deferral requirement, whichever is sooner. The Illinois Attorney General's Office imposed this deferral requirement due to Franchisor's financial condition.

Illinois law governs the franchise agreements.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisee's rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act. In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Maryland

1. Nothing in the Franchise Agreement or any related agreement will be interpreted to require franchisees or developers to waive, release or be estopped from asserting any claims arising under the Maryland Franchise Registration & Disclosure Law.
2. Nothing in the Franchise Agreement or any related agreement will be interpreted to bar franchisees or developers from seeking injunctive relief in Maryland on any claims arising under the Maryland Franchise Registration & Disclosure Law.

3. If a general release is required as a condition of renewal, sale, assignment or transfer, the release will not apply to any claims arising under the Maryland Franchise Registration & Disclosure Law.
4. Any claims arising under the Maryland Franchise Registration & Disclosure Law must be brought within three (3) years after the grant of the franchise.
5. Provisions in the Franchise Agreement and any related agreement permitting the franchisor to terminate upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 USC § 101 et seq.).
6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Michigan

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchises.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that a Notice of Intent is on file with the Attorney General of Michigan does not constitute approval, recommendation, or endorsement by the Attorney General of this offering. Questions regarding the Notice should be directed to the Attorney General of Michigan by phone at **517-373-7117** or:

Minnesota

Minnesota Statute §80C.21 and Minnesota Rule 2860.4400(J) prohibit us from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring you to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in this Franchise Disclosure Document, our Franchise Agreement or the related agreements can abrogate or reduce any of your rights as provided for in Minnesota Statutes 1984, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

The following is added at the end of the charts in Item 17:

With respect to franchises governed by Minnesota law, we will comply with Minnesota Statute 80C.14 Subd. 3-5 which require, except in certain specified cases:

- that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement; and
- that our consent to the transfer of your franchise will not be unreasonably withheld.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C.12 Subd. 1(G). We will protect your rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify you from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minnesota Rules 2860.4400(D) prohibits us from requiring you to assent to a general release.

You cannot consent to our obtaining injunctive relief. We may seek injunctive relief. See Minnesota Rule 2860.4400(J). Also, a court will determine if a bond is required.

Our Limitations of Claims section must comply with Minnesota Statute 80C.17 Subd. 5.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT B OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled **"Termination by franchisee"**: You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the "Summary" sections of Item 17(v), titled **"Choice of forum"**, and Item 17(w), titled **"Choice of law"**: The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

North Dakota

A form of Addendum for franchisees in North Dakota is included, following the form of Franchise Agreement. The provisions of the Addendum for franchisees in North Dakota, following the form of Franchise Agreement, also apply to the Site Analysis Agreement. A form of Addendum for area developers in North Dakota is included, following the form of Area Development Agreement.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Virginia

Section 14.7 of the Franchise Agreement permits us to terminate the Franchise Agreement if you are in default under any other franchise agreement or other agreement between you and us. In recognition of the restrictions contained in § 13.1-564 of the Virginia Retail Franchising Act (VRFA), the Franchise Disclosure Document of Casey Hawkins, Inc. is amended as follows:

The following is added to Item 17(h):

Under § 13.1-564 of the VRFA, it is unlawful for a franchisor to cancel a franchise without reasonable cause. Accordingly, if any grounds for default or termination stated in the Franchise Agreement or Area Development Agreement does not constitute “reasonable cause” as defined by the VRFA or the laws of Virginia, that provision may not be enforceable. Under the VFRA, the cross-default provisions of the Franchise Agreement (Section 14.7) and Area Development Agreement (Section 4.4.2) may not be enforceable.

Washington

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when

executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Wisconsin

The Wisconsin Fair Dealership Law, Wis. Stat. Ch. 135, supersedes any provisions in the Franchise Agreement or related agreements that are inconsistent with that Law.

RIDER FOR RECIPIENTS OF SBA-ASSISTED LOANS

If you qualify for and receive certain loans assisted by the United States Small Business Administration (SBA), the provisions of the SBA Rider to the Franchise Agreement (SBA Form 2462) will apply. The SBA Rider restricts the exercise of our discretion in approving or disapproving a potential transfer of your franchise. The SBA Rider also prevents us from requiring you to sell or lease real estate to us in the event of termination of your franchise. A form of the SBA Rider is included in Exhibit B, following the form of Franchise Agreement.

EXHIBIT B

FRANCHISE AGREEMENT

This Franchise Agreement (this “Agreement”) is by and between Casey Hawkins, Inc., an Oregon corporation with an address at 623 Rossanley Drive, Medford, OR 97501 (“THB”) and

(“Franchisee”).

This Agreement is effective as of _____ or (if blank) on the date this Agreement is first signed by both parties (“Effective Date”).

Drive-Through Address (if known):

_____ (“Premises”)

Projected Opening Date: _____

RECITALS:

A. Casey Hawkins, Inc. (“THB”) has over a period of time and at considerable expense developed and established a uniform method of operations in connection with its drive-through restaurants specializing in espresso, coffee, and related items. The drive-through restaurants do business under our registered trademarks, including **THE HUMAN BEAN**. The “THB System” includes THB’s supply chain and all the techniques, processes, methods, specifications, and proprietary marks and information of THB, as set out in the THB Operations Manual.

B. THB owns certain trademarks and service marks, including “The Human Bean,” U.S. No. 2,493,213. These marks are referred to in this Agreement as the “Proprietary Marks” or “THB Marks” (as listed in Section 4.3 of this Agreement).

C. Franchisee desires to make use of the Proprietary Marks and the THB System, and to establish a drive-through serving espresso, coffee, and related items (the “THB Outlet”) to be operated in accordance with the methods, practices, and procedures set forth from time to time by THB in its operations manual (the “Operations Manual”). THB is willing to grant Franchisee the right to do so under the terms, conditions, and provisions set forth in this Agreement. (This Agreement, along with the Appendices, Addenda, Attachments, and Exhibits attached to it and/or executed with it constitute the Franchise Agreement and are referred to in this Agreement as the “Franchise Agreement” or this “Agreement.”)

D. Capitalized terms used in this Agreement, unless defined in the body of this Agreement, have the meanings assigned in Section 18.

FRANCHISE AGREEMENT

1. The Franchise.

- 1.1 Franchise Grant.** THB grants Franchisee a franchise that includes the right to use the Proprietary Marks and the THB System, as provided in and during the Term of this Agreement, in connection with the operation of the THB Outlet, at the Premises, or such other location as THB may approve.
- 1.2 Territorial Exclusivity.** THB will not establish another THB outlet within a radius of one mile of the Premises, unless Franchisee first gives its written consent. Franchisee may relocate the THB Outlet within its granted territory only with THB's prior written consent and approval of the relocation site. THB may engage in any lawful business activity (other than establishing another THB outlet) within such one-mile radius, using any of the Proprietary Marks or any other trademark or service mark. If THB and Franchisee or its Affiliate are parties to an Area Development Agreement ("ADA"), then during the term of the ADA, its provisions regarding territorial rights in the Development Area will supersede the more limited grant of territorial exclusivity for individual units set forth in this Section. If an ADA is terminated and not renewed, extended or replaced, but this Agreement remains effective, then the more limited grant of territorial exclusivity for individual units set forth in this Section will apply to the Premises.
- 1.3 Limitation to Outlet Site.** This franchise is granted only for the Premises and, except as provided in Section 1.2, grants no rights outside that site. Except as provided in Section 1.2, THB reserves the sole and unlimited right to establish and operate, or permit others to operate, THB outlets at any location.
- 1.4 Various Forms of Franchise Agreements.** Current franchisees of THB operate under various forms of franchise agreements, and THB's obligations and rights with respect to its various franchisees may differ materially. The existence of different forms or versions of this Franchise Agreement does not entitle Franchisee to benefit from any such difference, nor does it operate to alter or amend this Agreement.

2. Fees.

- 2.1 Site Analysis Fee.** Upon the execution of this Agreement, THB will apply any Site Analysis Fee paid by Franchisee pursuant to a Site Analysis Agreement between Franchisee and THB to the Initial Franchise Fee, as defined below.
- 2.2 Initial Franchise Fee.** The fee for the rights granted under this Agreement (the "Initial Franchise Fee") is Thirty Thousand Dollars (\$30,000), which is due upon execution of this Agreement. If your THB Outlet does not open for business within eighteen (18) months of the execution of this Agreement, then THB may terminate this Agreement and retain the nonrefundable portion of the Initial

Franchise Fee. THB may extend this deadline, in writing only and in its sole discretion. In case of failure to open, the nonrefundable portion of the Initial Franchise Fee will total Twenty Thousand Dollars (\$20,000), including the Site Analysis Fee (\$5,000) and an additional Fifteen Thousand Dollars (\$15,000) (subject to applicable state law).

- 2.3 Brand Fee.** During the Term, THB will collect the Brand Fee in the amount of fee of one percent (1%) of Franchisee's gross sales revenues, less taxes, promotional discounts, and delivery fees, to be used and accounted for by the Brand Fund, as set out in Sections 8.6.4-8.6.8 below. THB reserves the right to a future increase in the Brand Fee not to exceed two percent (2%) of gross sales revenues. "Gross sales revenues" means the aggregate of all sales of The Human Bean products, other items and services made and rendered in connection with the operation of each drive-thru, including sales made at or away from the premises of your drive-thru, whether for cash or credit, but excluding all promotional discounts, delivery fees, and taxes, meaning federal, state, or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority. You authorize THB to collect the Brand Fee on a monthly basis using Electronic Funds Transfer or ACH Transfer and will execute such bank authorization forms as are required for such transfers.
- 2.4 Royalty Fee.** THB does not currently charge a royalty fee. Instead, Franchisee will purchase all coffee and espresso beans, all coffee bean or espresso bean products, all logo cups and lids, and most other food and non-food supplies as specified in the Operations Manual, all for use in the operation of the THB Outlet, only from THB or its designated supplier(s). Franchisee's purchase of any coffee or espresso beans, coffee bean or espresso bean products, logo cups, lids, or other supplies as specified in the Operations Manual from other sources will constitute a material breach of this Agreement. THB's gross profit margin on products and supplies sold to Franchisee, exclusive of freight and any applicable taxes, will not exceed forty percent (40%).

3. Term and Renewal.

- 3.1 Initial Term.** The initial Term of this Agreement will be ten (10) years from the Effective Date. Provided that Franchisee has met the conditions set forth in Section 3.2, THB will offer Franchisee a successor franchise agreement for another ten (10) years, which will become effective upon the expiration of this Agreement.
- 3.2 Renewal.** Franchisee may renew the franchise for additional ten-year terms by accepting THB's offer of successor franchise agreements under Section 3.1, provided that all of the conditions in this Section 3.2 are met.
- 3.2.1 Franchisee is in substantial compliance with the term of this Agreement and the then-current Operations Manual;

- 3.2.2 Franchisee has not received more than three (3) written notices of default or breach of this Agreement during the current Term, and no more than two (2) such notices during the five (5) years immediately preceding the Effective Date of the proposed renewal;
- 3.2.3 Franchisee gives THB written notice of Franchisee's desire to renew not less than sixty (60) days or more than one hundred eighty (180) days before this Agreement expires;
- 3.2.4 Franchisee pays a renewal fee of Three Thousand Dollars (\$3,000) to THB;
- 3.2.5 Franchisee signs the then-current form of the Franchise Agreement, provided however that changes from the form of this Agreement will be restricted to THB's implementing any reasonable system-wide alterations relating to operations, products, supply, branding, marketing or administration, and also limited by THB's obligations of good faith and fair dealing, together with any ancillary or third-party agreements then being required of new franchisees, and returns these agreements (validly executed by Franchisee) before the expiration of this Agreement;
- 3.2.6 Franchisee refurbishes or remodels the Premises as THB reasonably directs, or commits to do so by a certain date that is agreeable to THB, provided however that Franchisee will not be required to spend more than sixty-five thousand dollars (\$65,000) per THB Outlet to satisfy all such requirements for refurbishment or remodeling;
- 3.2.7 Franchisee is current on all financial obligations to THB and its approved vendors; and
- 3.2.8 Franchisee releases all past and present claims against THB, to the maximum extent permitted by applicable law, using the form of release attached as Schedule G.

4. License and Use of Proprietary Marks.

- 4.1 Ownership of Proprietary Marks.** "The Human Bean" and the other Proprietary Marks are trademarks or service marks owned by THB; that these marks together with any other marks that may be acquired by THB in the future, constitute part of the THB System; that valuable goodwill is associated with and attached to the Proprietary Marks; and that any and all goodwill associated with the Proprietary Marks, including any goodwill that arises through Franchisee's licensed activities, inures directly and exclusively to the benefit of THB. Franchisee will not, directly or indirectly, apply to register, register or otherwise seek to own or control any of the Proprietary Marks, or any confusingly similar form or variation, in any place or jurisdiction either within or outside the United States, nor will Franchisee assist any others to do so. Franchisee will not directly

or indirectly contest or aid in contesting the validity or ownership of the Proprietary Marks, and such obligation will survive the termination of this Agreement.

- 4.2 License.** During the Term of this Agreement, Franchisee is granted a nonexclusive license, in accordance with the methods, practices, and procedures as set forth from time to time in the Operations Manual, to (1) operate a THB Outlet at the Premises under the trade name “The Human Bean,” and (2) to use the Proprietary Marks in connection with the THB System (collectively, the “License”). Franchisee has no right to grant any sublicense of any of the Proprietary Marks. The License is transferable only in the sense that a purchaser of the franchised business may, pursuant to Section 12 of this Agreement, be granted a similar license under its own Franchise Agreement with THB. The License is nonexclusive and relates solely to the THB Outlet. THB, in its sole discretion, has the right, subject to Section 1.2 of this Agreement, to operate or franchise other THB outlets and to grant other licenses in, and to, any or all of the Proprietary Marks; in each case at such location and on such terms and conditions as THB deems acceptable.

- 4.3 List of Proprietary Marks.** The Proprietary Marks or THB Marks include the following registered marks, and such other marks as THB may, in its sole discretion, add by amendment of the Operations Manuals:

Trademark or Service Mark	USPTO Registration Number
THE HUMAN BEAN	Reg. No. 2,493,213
THE HUMAN BEAN ESPRESSO COFFEE ETC.	Reg. No. 2,760,822

	Reg. No. 5,545,858
	Reg. No. 5,545,866

Mexi	Reg. No. 7,528,285
Snowy	Reg. No. 7,528,292
POOLSIDE	Reg. No. 7,530,715

4.4 List of Proprietary Marks Subject to Change. If it becomes advisable at any time in the sole discretion of THB to modify or discontinue use of any of the Proprietary Marks, including “The Human Bean,” or to use one or more additional substitute trade or service marks, Franchisee will comply with THB’s direction to modify or discontinue use of such mark or use one or more additional or substitute trade or service marks within a reasonable time after notice to Franchisee, and THB’s liability to you in such event will be limited to the reasonable cost of replacement of signs, supplies, and other materials bearing the discontinued mark.

4.5 Limitations on Use of Proprietary Marks. Franchisee may use the Proprietary Marks only in conformity with the standards and requirements that THB has established or may establish from time to time as set forth in the Operations Manuals. Any unauthorized use, or continued use of the Proprietary Marks after the termination or expiration of this Agreement, will constitute a breach of this Agreement and (potentially) trademark infringement, causing irreparable harm to THB, subject to injunctive relief. Franchisee will submit all printed or electronic forms bearing its corporate name, such stationery, business cards, purchase orders, and invoices to THB for its written approval and not use these items unless approved. Franchisee will not use “The Human Bean” or any other of the Proprietary Marks, or any term confusingly similar to the Proprietary Marks, as a corporate, quasi-corporate, L.L.C., partnership or top-level domain name except as permitted by Section 4.13 of this Agreement or required by applicable law.

- 4.6 Maintenance of Good Will in the THB Marks.** Franchisee will refrain from performing any act or engaging in any conduct, either directly or indirectly, that is or may be injurious or prejudicial to the goodwill associated with the Proprietary Marks or the THB System. Any such acts or conduct may cause irreparable harm to THB, entitling THB to seek and obtain injunctive relief.
- 4.7 Trade Dress.** Aspects of the Premises décor and design constitute unique and protectable images to the consumer that are identified with THB and are part of the goodwill associated with the THB System. This trade dress is exclusively owned by THB, and this Agreement does not grant any ownership interest in the trade dress to Franchisee. Usage of THB's trade dress by Franchisee, and any goodwill established by that usage, inures to the exclusive benefit of THB.
- 4.8 Infringement of Proprietary Marks.** Franchisee will immediately refer to THB (1) any infringement or challenge of which Franchisee becomes aware to the validity or ownership of the trade name and trademark "The Human Bean" or any other of the Proprietary Marks; (2) any complaints of which Franchisee becomes aware made by customers to the media or the public, including use of the Internet in connection with the use of these names and the Proprietary Marks; or (3) any acts of unfair competition of which Franchisee becomes aware, whether by Franchisee or by third parties, that interfere with the relationship of the parties to this Agreement or the relationship between THB and other franchisees. The notification will include all information that is available to Franchisee concerning the infringement, complaint or act of unfair competition.
- 4.9 Enforcement of Proprietary Marks.** Franchisee will cooperate with THB in any legal action against third parties brought by THB relating to this Agreement, or to its trade names, trademarks, trade dress, or Proprietary Marks, by providing to THB information or evidence available to Franchisee as THB may request. THB will have full and complete control of any legal or informal action to stop acts of unfair competition or infringement of its Proprietary Marks or trade dress, and THB alone will decide whether any such legal action will be taken.
- 4.10 Franchisee Listings and Use of Online Platforms.** THB will, as the controller of all directory Listings using the Marks, submit the Outlet's address, telephone number, and other information to online search directory listings. These include listings maintained by Google, Bing®, Yahoo!®, Yelp®, Meta®, and others. All such online search directory listings for the Outlet are the property of THB, and THB has the right to transfer, terminate, or amend such listings. THB also maintains an online platform for Franchisee web sites, integrated with THB's primary customer-facing site and using sub-domains of its domain, that allows franchisees to customize the content of their individual sites within a branded frame. Franchisee will not maintain any separate website nor use a domain name containing or confusingly similar to any of the Proprietary Marks. Content posted to the franchisee web site will comply with brand content guidelines, as in Section 4.12 below and the Operations Manual.

- 4.11 Social Media.** All social media posts by you relating to the franchised business must be through the THB website or an official THB-branded social media account, as described in the Operations Manual. THB does not allow franchisees to promote the franchised location using unreviewed postings on online platforms or social media accounts other than the THB official website or social media account. Use of the THB Marks by you in connection with unapproved online advertising or social media posts is a violation of the terms of this Franchise Agreement and an unlicensed use of the Marks.
- 4.12 Brand Content Guidelines.** Franchisee and its owners will keep their business and personal communications strictly separate, and will not use official or unofficial THB-branded web sites or social media accounts to express personal views about controversial social, political or other issues not reasonably related to promoting the franchised business. The provisions of this Section do not apply to your personal accounts. Online content should be reasonably calculated to appeal to the public. THB may review and require revisions, deletions or retractions of online content in the franchisee web pages and official social media accounts. THB's right to edit such online material is inextricably linked with protection of the THB brand and the Proprietary Marks. Franchisee's web pages and social media accounts will include all hyperlinks or other links that THB reasonably requires. Franchisee will not post any material in which any third party has any direct or indirect ownership interest (including video clips, photographs, sound bites, copyrighted text, trademarks or service marks, or any other text or image in which any third party may claim intellectual property ownership interests) without authorization from the owner of the rights and from THB. Franchisee may maintain one or more e-mail addresses and may conduct e-mail communications and online business-to-business transactions without THB's prior written approval, provided that the address and communications comply with all of the requirements (including those pertaining to the use of the Proprietary Marks) contained in this Agreement and any brand usage guidelines in the Operations Manual. Franchisee will comply with all applicable laws and regulations restricting the use of unsolicited calls, emails, faxes and messaging for marketing purposes and regarding the privacy and security of personally identifiable data.
- 4.13 Use of Proprietary Marks in Corporate Name.** Franchisee will not use, as part of its corporate or other business entity name, any of the Proprietary Marks or any other name which, in the judgment of THB, is likely to cause third parties to be confused or mistaken with respect to the separate entities of THB and Franchisee. If required to do so by law, regulation, or ordinance, Franchisee will, before beginning operation of the franchised business, register with the proper local (i.e., city, county, and/or state) authorities its trade or assumed business name, which may, if so required, consist of, or include, a designation that it is doing business as "The Human Bean" or "The Human Bean of Anytown, USA." THB will, if necessary, execute appropriate consents. No such consent may be construed as a relinquishment of THB's exclusive ownership in the name "The Human Bean" or any other of the Proprietary Marks, but will be given only to permit Franchisee to comply with local laws regarding the use of an assumed or fictitious business

name. Franchisee consents to such filing or recording by THB or by other franchisees or licensees of THB of the name “The Human Bean” as to enable operation of other espresso drive-throughs using the name “The Human Bean.” Upon expiration, termination or cancellation of this Agreement for any reason, Franchisee will, upon THB’s request, execute and have properly filed and recorded documents necessary or desirable to effect the cancellation and termination by Franchisee of any filings or recordings by Franchisee of any document containing the name “The Human Bean.”

5. Confidentiality.

5.1 Definition of THB Proprietary Information. THB Proprietary Information means all elements of the THB System that are not publicly known, whether or not entitled to protection as a trade secret, including without limitation: (1) ingredients, recipes, and methods of preparing food and drink products; (2) methods of operation of THB outlets; (3) information about products, supplies, services, or procedures; (4) the entire contents of the Operations Manual; (5) any ideas, concepts, formulas, recipes, methods and techniques (including drive-thru building plans) relating to the development or operation of a drive-thru espresso business conceived or developed by you or your employees during the term of the Franchise Agreement; and (5) any other information disclosed to Franchisee through confidential notifications from THB. THB is the sole owner of the Proprietary Information. Franchisee hereby assigns to Franchisor all right, title and interest in and to any such ideas, concepts, formulas, recipes, methods and techniques (including drive-thru building plans) relating to the development or operation of a drive-thru espresso business conceived or developed by Franchisee or its employees during the Term, to the extent that such assignment is permitted by applicable law.

5.2 Use and Protection of Proprietary Information. Franchisee will not disclose any of THB’s Proprietary Information to any person, other than to Franchisee’s employees, and then only to the extent necessary for the operation of the THB Outlet. Franchisee will require its General Manager, as defined in Section 9.1 of this Agreement, to execute a Manager’s Confidentiality Agreement substantially in the form attached to this Agreement, unless Franchisee’s General Manager is the same person as Franchisee or an owner of at least a one-half undivided ownership interest in Franchisee. Franchisee will keep the Operations Manual and all other tangible records of Proprietary Information in a secure location at the THB Outlet, and will take reasonable precautions to prevent the disclosure of any of the Proprietary Information to any unauthorized person. Franchisee will not make copies of any of the Proprietary Information fixed in any medium. Franchisee will be responsible to THB for any misuse or publication of THB’s Proprietary Information by any of Franchisee’s employees or contractors.

5.3 Operations Manual. Franchisee will strictly adhere to the policies, procedures and specifications of the THB System as set forth in the Operations Manual, as it may be revised by THB from time to time in the sole discretion of THB, provided

that any such revisions will not effect any material change in the terms of this Agreement. In the event of any dispute as to the contents of the Operations Manual, or any of them, the terms of the copy maintained by THB will be controlling. Franchisee's authorized copy or copies of the Operations Manual remain at all times the property of THB. See Section 8.1.

- 5.4 Irreparable Harm.** Any violation of the terms of this Section 5 may cause irreparable harm to THB, entitling THB to injunctive relief.

6. Covenants Against Competition and Competitive Solicitation.

- 6.1 Definition of Competition.** "Compete" means the operation of or assisting in the operation of a quick-serve restaurant specializing in caffeinated beverages and/or smoothies, the same as or similar to a THB Outlet, and within a geographical area consisting of (1) during the term of this Agreement, anywhere, and (2) after termination of this Agreement, a ten (10) mile radius from the location of any THB-branded outlet then operated by THB or its licensees or franchisees, including the Premises of the THB Outlet licensed by this Agreement.

- 6.2 Blue Pencil.** If a judicial or quasi-judicial authority called upon to enforce this Section 6 deems any of its provisions to be unenforceable by reason of its scope or extent, the parties intend that such authority should enforce such provision to the maximum extent permitted by applicable law per Section 16.2.

- 6.3 Noncompete and Nonsolicitation Covenants.** During the term of this Agreement, and for a period of two (2) years after its expiration or termination, Franchisee will not (a) engage in any business that Competes with any THB outlet, except as authorized in writing by THB, or (b) employ or seek to employ any employee of THB or of any THB franchisee or developer for a period of at least one (1) year following the non-employment of such employee. The one and two-year terms set forth in this Section 6.3 will be extended by any time consumed in litigation or arbitration required to enforce it, including any appeals. For purposes of this Section 6.3, "engage in business" means in any capacity, including as a franchisee, sole proprietor, partner, limited partner, member, employer, franchisor, stockholder, officer, director, or employee, except in the capacity of shareholder of less than five percent (5%) beneficial interest in the stock of any publicly traded corporation.

- 6.4 Irreparable Harm.** Any violation of the terms of this Section 6 may cause irreparable harm to THB, entitling THB to injunctive relief.

7. Establishment of the Franchise.

- 7.1 Layout and Design.** THB has prototype building designs from which the Franchisee may choose. If Franchisee desires to build or remodel to a design other than one of the THB prototypes, then Franchisee will submit plans or blueprints for all such construction, improvements and remodeling to THB for its approval, and will make such changes in the plans or blueprints as THB reasonably

requests. Expenditure of funds on design or drafting by Franchisee does not obligate THB to approve the plans. THB reserves the right to approve or disapprove the design or plans, in its sole discretion. All such construction, improvements and remodeling of the Premises will meet or exceed any applicable building codes and any other regulations of any local governing body (city, county, or state).

- 7.2 Landscaping and Site Improvements.** All plans for the development and landscaping of the site of the THB Outlet, including drive-thru directional striping and parking spaces, must be submitted to THB for its approval in writing before the plans are implemented.
- 7.3 Licenses and Permits.** Franchisee will determine which licenses or permits are required for any construction, improvement, or remodeling of the THB Outlet, and also for the operation of the THB Outlet. Franchisee will not commence construction, improvement, remodeling or operation of the THB Outlet until all required permits are secured. Franchisee will notify THB immediately if any permit required for operation of the THB Outlet expires, is terminated, or is the subject of any disciplinary action by the issuing agency.
- 7.4 Equipment & Point-of-Sale System.** Franchisee will acquire equipment to be used in the operation of the THB drive-thru from THB and from approved suppliers only. Certain equipment must be purchased through THB, as specified in the Operations Manual. All equipment used in the operation of the THB Outlet must be in accordance with the standards and specifications set forth by THB in the Operations Manual, as it may be amended by THB. THB will have independent access to the information on your point of sale (POS) System. THB may at its option require you to upgrade your POS System, but you will not be required to spend more than \$7,000 to fulfill this obligation in any three-year period. You are required to contract with an approved third-party service provider for the use and maintenance of the POS System.
- 7.5 Signage & Menu Boards.** Franchisee must acquire signs for advertising and identifying the Franchisee's business as a THB Outlet from THB, its approved supplier, or according to the Alternative Approval Procedure set forth in Section 8.1. All signs and menu boards must be in accordance with the standards and specifications of THB and any applicable laws or regulations. Strict quality control of signage and menu boards is essential to protect and promote THB's Marks, standards, goodwill and uniform image.
- 7.6 Communications.** Franchisee will maintain a dedicated telephone number (apart from any phone line at the franchised location) and email address for the administration of the franchised business, communications with THB, and inclusion by THB in its public disclosure of THB franchisees' contact information. Apart from fees expressly required by this Agreement, Franchisee will not be required to pay any fee to THB for communicating with THB. Dedicated accounts are required because these accounts are potentially subject to

transfer upon termination, for example as Listings under Section 15.6 of this Agreement.

- 7.7 Leases & Lease Addendum.** If Franchisee leases the Premises for the THB Outlet, the lease for the Premises will include the THB Franchisee Lease Addendum, in the form attached to this Agreement. THB will not unreasonably withhold consent to modifications to the form of THB Lease Addendum requested by the lessor of the Premises. Within thirty (30) days of signing a lease for the Premises, Franchisee will provide to THB signed, dated copies of (i) the lease for the Premises and (ii) the THB Lease Addendum.

8. Operation of the THB Outlet.

- 8.1 Operations Manual and Alternative Approval Procedure.** Uniformity in all aspects of the operation of the THB Outlet is necessary to protect THB's good will in the THB Marks, and such uniformity will be achieved by Franchisee's strict compliance with all provisions of the Operations Manual. Except as provided in this Section 8.1, Franchisee will strictly comply with the Operations Manual, and will not sell any product at the THB Outlet that is not authorized by the Operations Manual or otherwise approved by THB. Franchisee may make a request in writing to deviate from any of the requirements set forth in the Operations Manual, including the specifications relating to equipment, supplies, recipes, and other aspects of operation. THB will evaluate all such requests and either approve or disapprove, in its sole discretion, within thirty (30) days of its receipt of the request (the "Alternative Approval Procedure"). If THB fails to respond to any request made pursuant to this Section 8.1 within the prescribed time period, the request will be deemed disapproved. Advertising materials are handled as stated in Section 8.6.
- 8.2 Restricted Use of the Premises.** The Premises will be used only for and in support of the operation of the THB Outlet. Franchisee will not conduct any other businesses or activities on the Premises. Franchisee will not wholly or partially let or sublet the Premises without THB's prior written consent.
- 8.3 Supplies & Vendor Payments.** You must purchase all food, beverage and other supplies, as specified in the Operations Manual, from our designated supplier or (only if approved according to the procedure set forth in Section 8.1) other approved supplier, and you will use only supplies and ingredients that meet the standards set forth in the Operations Manual. THB will assist you during the initial phase of your operations in procuring necessary supplies (as well as equipment, signs, fixtures, and opening inventory), by providing you with written specifications for these items, names of approved suppliers for these items, and contact information useful in establishing customer relationships with suppliers for these items. The purchase and use of unapproved supplies at your THB Outlet is a violation of this Agreement and potentially a material breach. You must pay all vendors and suppliers within terms; any overdue payment to a vendor or

supplier of goods or services for your THB Outlet is a material breach of this Agreement.

- 8.4 Coffee and Coffee Beans.** Franchisee will purchase only from THB's approved distributor all of Franchisee's requirements for coffee and espresso beans, as specified in the Operations Manual, or other documents provided or approved by THB as they presently exist or may exist in the future. No coffee or espresso may be served at the THB Outlet that is not purchased through the THB-designated supplier. THB's coffee and espresso bean blends and roasts are distinctive elements of the THB product offerings, and Franchisee's breach of this Section 8.4 will be grounds for immediate termination of this Agreement by THB without opportunity to cure. Franchisee will pay THB-designated coffee or espresso bean vendors within vendor terms.
- 8.5 Logo Cups and Lids.** Franchisee will purchase only from THB, or its Affiliate or approved distributor, all of Franchisee's requirements for branded cups and lids bearing the THB Marks or logo, per the Operations Manual. This provision applies to both disposable and re-usable cups and lids. The purchase of branded or unbranded cups or lids from other sources for use at your THB Outlet is a violation of this Agreement.
- 8.6 Advertising and Promotions.** Franchisee will use its best efforts to promote and advertise the opening of the THB Outlet.
- 8.6.1 Pre-Opening Direct Local Advertising. THB recommends that Franchisee plan to spend at least seven thousand five hundred dollars (\$7,500) directly on local advertising within the first six (6) months following the opening of the THB Outlet, then 5% of gross revenue for the next six (6) months, and at least 3% of gross revenue thereafter.
- 8.6.2 Promotional Campaigns. Franchisee will participate in all system-wide promotional and/or charitable campaigns, in whatever form, including by honoring any system-wide discounts and contributing from proceeds to specified charities.
- 8.6.3 Promotional Content. Advertising materials made available to Franchisee by THB pursuant to Section 10.6 of this Agreement are approved if used without change. All other advertising and promotional content to be offered or published by or for Franchisee in any medium, including without limitation print, radio, television and Internet, will be submitted to THB for approval or disapproval in advance of its use, and no such advertisement or promotion will be used by Franchisee unless it has first been approved by THB. THB will evaluate all proposed advertising and promotions and either approve or disapprove within fifteen (15) days of its receipt of the request. We will not unreasonably withhold approval for use of proposed advertising materials. We may withdraw a previous approval if we deem it necessary to conform with the THB System or

avoid a violation of applicable laws. If THB fails to respond to any request for evaluation of proposed advertising or promotion within the prescribed time period, the proposed advertisement or promotion will be deemed disapproved. Approval is not a representation or guarantee by THB that an advertisement proposed by you complies with applicable law. Menu boards are advertisements for purposes of this Agreement.

- 8.6.4 **Brand Fee and Fund.** Your contribution to the Brand Fund in the amount of 1% of your gross sales receipts, less taxes, promotional discounts, and delivery fees (“Brand Fee”) will be made monthly during the term of this Agreement. THB will collect the Brand Fee via Electronic Funds Transfer (EFT), maintain the Brand Fund in a dedicated bank account, and keep it separate from THB’s operating funds and other accounts.
- 8.6.5 **Annual Reporting to Franchisees.** An unaudited financial statement of the Brand Fund will be available on request annually to you, not more than 120 days after our fiscal year end, along with underlying data showing how proceeds were raised and spent in the previous fiscal year. The Brand Fund will pay reasonable costs for preparing and furnishing its annual report. The annual report of the Brand Fund is Proprietary Information of THB.
- 8.6.6 **Restrictions on Use of Brand Fund.** The Brand Fund will primarily be used to pay an independent advertising agency for the creation of content for use in advertising, promotion, and marketing of the THB-branded products/services; and for the administration of the Brand Fund, including its costs for collection of unpaid Brand Fees, provided that (i) not more than twenty-five percent (25%) of the Brand Fund will be used for administrative costs in any fiscal year; and (ii) neither THB nor its Affiliates will receive any payments for providing goods or services to the Brand Fund, apart from reimbursement of expenses. The Brand Fund may be used for the design or maintenance of THB websites or global social media marketing campaigns, so long as the website, campaign or promotion promotes the branded products/services, and even if it also solicits potential franchisees. The Brand Fund will not be used for any advertising primarily aimed at soliciting prospective franchisees for THB. The Brand Fund will not be used for any placement of advertising content in any local market.
- 8.6.7 **Administration of Brand Fund.** THB does not hold the Brand Fund in trust for you, and will have no fiduciary duty to you relating to the Brand Fund. The Brand Fund will be administered by THB, and THB will have final authority over expenditures from the Brand Fund, but (i) THB’s obligations of good faith and fair dealing will apply to its decisions about expenditures from the Brand Fund, and (ii) THB will consider the views of the Franchisee Advisory Committee regarding expenditures from the Brand Fund.

8.6.8 **Franchisee Advisory Committee.** In light of the views of the Franchisee Advisory Committee, we will decide using our reasonable business judgment how to spend contributions to the Brand Fund. Only Franchisees in good standing are eligible to serve on the Franchisee Advisory Committee, and THB may require the removal from the Franchisee Advisory Committee of any franchisee in receipt of written notice of default, breach or violation of this Agreement.

8.7 Continuous Operation. After Franchisee has begun full operation of the THB Outlet, Franchisee may not Abandon the Outlet, i.e. discontinue operation of the drive-thru for a period of more than seventy-two (72) hours without THB's prior written consent. If THB, in its sole discretion, consents to a temporary closure, then Franchisee must reopen the drive-thru no later than the date designated by THB in its written consent.

8.8 Hours of Operation. Unless otherwise agreed to in writing by THB, Franchisee will keep its THB Outlet open for business to the public and lighted and staffed seven days per week at least from 6 a.m. to 6 p.m. local time or during the hours THB may designate from time to time in the Operations Manual. Franchisee's drive-thru will not be closed more than three (3) days in any calendar year during the term of this Agreement, except that closures of up to ten (10) days are allowed for extreme weather events or similar disabling external factors.

8.9 General Operating Requirements. Franchisee will operate the THB Outlet in a professional manner in accordance with the Operations Manual, and maintain the THB Outlet, equipment, fixtures and Premises in good order as specified in the Operations Manual. Franchisee will operate the drive-thru at all times in compliance with all applicable laws, rules, ordinances, and regulations.

9. Franchisee's Reporting Requirements & Designated Manager.

9.1 General Manager. Franchisee will appoint an individual with primary overall responsibility for the day-to-day operations of the THB Outlet (the "General Manager"). The General Manager will: (i) have at least such authority to act for Franchisee as is necessary to oversee the day-to-day operations of the THB Outlet; (ii) use best efforts and constant personal attention in the oversight of the day-to-day operations of the THB Outlet; and (iii) reside in the area where the THB Outlet is located. Franchisee's General Manager will have authority to ensure that the THB Outlet is operated according to the terms of this Agreement and the procedures set forth in the Operations Manual. Franchisee will identify the General Manager to THB, and the General Manager will undergo training in the THB system pursuant to Section 10.1 of this Agreement. The General Manager must be capable, in the opinion of THB, of communicating with employees, customers, and suppliers. Any replacement for the originally designated General Manager must meet all of the requirements set forth in this Section.

9.2 Routine Reporting & Control Group. If Franchisee is a legal entity, Franchisee represents and warrants that all of the natural persons in the Control Group have been disclosed to THB as potential guarantors, and will remain for the entire term of this Agreement the only persons entitled to share in any profits from the THB Outlet, unless there is an approved Transfer pursuant to Section 12 below or as otherwise expressly permitted by this Franchise Agreement. Before execution of this Franchise Agreement, and as needed throughout its term, Franchisee will provide to THB copies of documents and information relating to the following, and any proposed changes thereto:

- The members of the Control Group;
- The organizational documents of all legal entities in the Control Group;
- Franchisee's lease for the Premises (if any) and THB Lease Addendum;
- Any proposed replacement of the designated General Manager; and
- Franchisee's loans, to the extent they are collateralized by the building, equipment, or other tangible assets used in the operation of the franchised THB Outlet. You may not grant any security interest in the THB drive-thru or the assets used in its operation without THB's prior written approval, which will not be unreasonably withheld. THB's approval may be conditioned on the written agreement by the secured party that, in the event of a default by you, THB will have the right and option (but not the obligation) to purchase the rights of the secured party on payment of all sums then due. If Franchisee (or any member of its Control Group) finances any part of the price paid in connection with the Transfer, the provider of the financing must stipulate that all obligations of the proposed Transferee, and any security interests retained in the assets being transferred, will be subordinate to the proposed Transferee's obligations to: (1) pay all amounts due to THB; and (2) otherwise comply with this Agreement and all other agreements with THB. Your rights in this Agreement may not be pledged as collateral for any loan.

9.3 Share Certificates & Restrictive Legend. If franchisee is a company or similar entity (not a natural person or de facto partnership of natural persons) it will issue evidence of ownership in the form of share or membership unit certificates, or their equivalent, each of which must include the following restrictive legend:

Ownership of these shares, units or other interests is restricted and cannot be transferred, assigned, sold or encumbered, except as stated in the Franchise Agreement for use of the system branded THE HUMAN BEAN. Any other transfer or attempted transfer is void.

9.4 Crisis Events. Franchisee will immediately notify THB of any Crisis Event, and fully cooperate with THB to ensure that all communications to the public, press or

media about the Crisis Event (except as directed by governmental agencies of competent jurisdiction) are made through THB in consultation with its advisers. Franchisee will immediately contact appropriate emergency care providers to assist it in curing any harm or injury from a Crisis Event. To the extent such action is warranted by the Crisis Event, THB will conduct all communication with the news media and/or temporarily close the Franchised Restaurant. THB may engage the services of third party professionals to address the Crisis Event, and Franchisee will cooperate fully with THB in this regard.

10. Services Provided by THB.

- 10.1 Initial Training.** THB has developed a training program for the THB System. THB will provide initial training, and such additional training as THB may in its sole discretion deem necessary from time to time during the term of this Agreement, to two (2) people designated by Franchisee, one of whom should be the General Manager. There will be no fee for this training, however, Franchisee will bear the costs of transportation, lodging, and meals to the extent such costs are incurred. The training described in this Section 10.1 is necessary to the operations of the THB Outlet, and the two designated persons must undergo the training required by this Section. If, in THB's reasonable business judgment, either of the two designated persons is unable to successfully complete the initial training, THB may require that the training be repeated or supplemented, and if such additional training is required, THB may impose a reasonable fee for such training. If, in THB's reasonable business judgment, either of the two designated persons is unable to successfully complete such remedial initial training, THB may require Franchisee to designate a substitute person. Nothing in this Agreement limits THB's right to modify or alter its training programs and offerings.
- 10.2 Supplemental Training.** Franchisee or its General Manager will participate in any continuing training program provided by THB through the medium of bulletins, manuals, and other literature, and will comply with the directives and instructions contained in those documents, or delivered by THB during or after inspections. This Section 10.2 does not require THB to provide any training beyond the initial training.
- 10.3 Operations Manual.** THB will loan to Franchisee one THB Operations Manual for each THB Outlet. THB may, but is not obligated to, update and revise the Operations Manual from time to time during the term of this Agreement as it deems appropriate. If THB provides any supplemental instructions or information about the operations of the THB Outlet during the term of this Agreement, such instructions or information are deemed part of a revised Operations Manual, whether or not the Operations Manual is actually reissued.
- 10.4 Assistance at Opening & Annual Meetings.** THB will provide, at THB's expense, on-site assistance to Franchisee for the opening of the THB Outlet in the form of a representative of THB familiar with the THB System. The on-site

assistance will be available on the day of the opening of the THB Outlet. THB may host a scheduled annual meeting for franchisees, at which additional training and new information may be provided, but Franchisee's attendance at such annual meetings is not required.

10.5 On-Site Assistance. THB will provide reasonable ongoing support to the THB Outlet, at Franchisee's request, during the term of this Agreement. THB will meet its obligation under this Section 10.5 by responding in a reasonably prompt manner to written or telephonic queries from Franchisee. THB will, upon Franchisee's request, make a representative of THB available for on-site assistance at the THB Outlet (in addition to the on-site assistance provided at the opening of the THB Outlet), and THB will charge a fee for such on-site assistance. THB may require Franchisee to accept on-site assistance, at Franchisee's expense, if in THB's reasonable business judgment Franchisee requires such assistance to operate in accordance with this Agreement and the Operations Manual. Currently the fee is six hundred dollars (\$600) per day. In addition, Franchisee will bear the costs of transportation, lodging and meals for the THB representative providing the on-site assistance.

10.6 Advertising and Point-of-Sale Materials. THB will make available to Franchisee, without charge (apart from the Brand Fee), certain advertising, promotional, and point-of-sale display materials prepared by or for THB. Franchisee may use any such advertising materials in its own local advertising, provided that Franchisee submits any proposed modifications to THB for evaluation according to the procedure set forth in Section 8.6 of this Agreement. Franchisee will be required to use such point-of-sale materials in the THB Outlet as THB may direct. Nothing in this Section 10.6 requires THB to provide Franchisee with any specific or on-demand advertising, promotional, or point-of-sale display materials.

11. Inspections, Audits and Accounting.

11.1 THB's Right To Inspect. Representatives or agents of THB have the right to enter and examine or inspect the THB Outlet, or any part of the Premises, at any time during normal business hours, and to remove samples of food or non-food items in sufficient quantities for testing to ensure compliance with THB standards and specifications. No payment by THB will be required for such samples. At the time of such examination or inspection, THB or its representatives or designees may give advice and assistance to Franchisee to assist in the management and operation of the THB Outlet, without charge. Franchisee must remedy any curable deficiencies found by the inspector in a timely manner as provided in Section 14.5 of this Agreement. THB's right to inspect extends to any facility or equipment other than the Premises of the THB Outlet used in connection with the operation of the franchised business.

11.2 THB's Right to Audit. At all times, representatives of THB will be given free access to Franchisee's books and records pertaining to the franchised business

(including through the POS software, and any third-party platform such as for delivery services), and they may audit those books and records if THB, in its sole discretion, deems an audit necessary. THB may, in its sole discretion, conduct such test and inspections, as it deems necessary to verify gross sales and compliance with this Agreement. If an audit results from Franchisee's failure to prepare, deliver, or preserve statements, reports, or records required by this Agreement, or if any inspection or audit reveals that Franchisee has underreported sales or purchases by more than two percent (2%) during the period covered by the audit, Franchisee will, within thirty (30) days, pay to THB, or reimburse THB for, (1) all of the costs and expenses incurred by THB in conducting the audit or inspection, including attorneys' and accounting fees and costs, (2) all revenue otherwise due THB in relation to inventory and/or supplies not purchased from approved vendors, and (3) interest on applicable revenue at a rate of eighteen percent (18%) per annum or the highest permissible rate, whichever is less. These payments will be without prejudice to any other remedies THB may have under this Agreement or the law, including the right to terminate this Agreement, without opportunity to cure, in the case of intentional underreporting of gross sales or purchases, or purchasing inventory or supplies from other than an approved vendor.

11.3 Provision of and Access to Records. Franchisee will keep full, complete, and accurate books and accounts in accordance with generally accepted accounting principles and in the form and manner prescribed below or as from time to time further prescribed by THB. THB may use all such information for its business purposes, including for improving the THB System, and may disclose it to third parties as reasonably required for such purposes. Such records include all business and financial records and similar data in your possession or control and relating to the franchised Outlet, however created or stored, including data managed or stored on your behalf by a third party. Franchisee will submit the following reports and data to THB electronically, using the equipment, software and protocols specified in the Operations Manual:

- 11.3.1 Not later than thirty (30) days after the end of each calendar month, on a THB-approved form, a profit and loss statement of the THB Outlet for the preceding calendar month prepared in accordance with generally accepted accounting principles;
- 11.3.2 Not later than thirty (30) days after the end of each calendar year, commencing with the opening date of the THB Outlet, on a THB-approved form, a profit and loss statement for the year and a balance sheet (including a statement of retained earnings or partnership accounts) as of the end of the period; and
- 11.3.3 At the times required, such other periodic forms, reports, and information as may from time to time be prescribed by THB. If Franchisee fails to submit the profit and loss statements required by this Section 11.3 on a timely basis, THB may be irreparably harmed by the

failure to receive timely reports, entitling THB to seek injunctive relief. Pursuit of these remedies by THB does not constitute a waiver by THB of its right to pursue any and all other remedies available to it, including termination of this Agreement.

11.4 Preservation of Records. Franchisee will preserve the records described in Section 11.3 and all accounting records and supporting documents relating to the Franchisee's operation of the THB Outlet, including:

- (a) Cash disbursement journal (2 years);
- (b) Monthly bank statements and check registers (2 years);
- (c) Supplier invoices (paid and unpaid) (6 years); and
- (d) Such other records as THB may from time to time request.

11.5 Tax Returns. Franchisee will file all federal and state tax returns for the franchised business on a timely basis. THB may require that tax returns from the Franchisee and all shareholders, members, or partners of Franchisee be provided to THB if THB determines, in accordance with the provisions of Section 11.1 of this Agreement, that an audit is necessary.

12. Assignment, Transfer and Sale.

12.1 Control Group. The Control Group will at all times own at least 51% of the voting securities, membership interests, operating profits and losses, or other ownership interests (as applicable) in Franchisee. All members of the Control Group and their spouses (as applicable) will jointly and severally guarantee Franchisee's payment and performance under this Franchise Agreement using the form of Guaranty Agreement attached. THB reserves the right to require any guarantor to provide personal financial statements to THB from time to time. If any member of the Control Group is a legal entity, the Guaranty will be executed by all individuals who have an ownership interest in that entity.

12.2 Consent for Transfers & Exceptions. THB is entering into this Agreement based upon its knowledge of and faith in the ability of Franchisee and the members of the Control Group. Therefore, this Agreement and all the rights granted by it are personal to Franchisee and may not be assigned or Transferred by Franchisee without the prior written consent of THB. Any attempt to assign or Transfer this Agreement, in whole or part, or any interest in any legal entity that is a member of the Control Group, without the prior written consent of THB, will be null and void and will give THB the right to terminate this Agreement and Franchisee's rights under it, in addition to any other remedies THB may have.

12.3 Transfers without Change In Control. The Transfer fee provided for in Section 12.8.7 will be waived by THB, and no consent will be required, nor will THB enjoy the right of first refusal under Section 12.7, in the case of a Transfer in

any single transaction of up to 20% of the equity interest in Franchisee, provided, however, that after such Transfer the original Control Group still owns at least 67% of all ownership interests in Franchisee. Structuring multiple such exempt transfers to avoid the consent requirement is a material breach of this Agreement.

- 12.4 Transfer on Death or Incapacity of Individual Franchisee.** In the event of the death or incapacity of an individual Franchisee or member of the Control Group, the transfer fee provided for in Section 12.8.7 will be waived by THB, and no consent will be required, nor will THB enjoy the right of first refusal under Section 12.7, provided that the Transfer is of the interests of the deceased or incapacitated person to the parent, sibling, spouse or children of that person or to another member of the Control Group.
- 12.5 Transfer for Internal Organization.** A Franchisee that is an individual or partnership may transfer this Agreement to a legal entity for the convenience of ownership, and the transfer fee provided for in Section 12.8.7 will be waived by THB, and no consent will be required, nor will THB enjoy the right of first refusal under Section 12.7, provided that: (i) the entity is newly organized; (ii) prior to the Transfer, THB receives a copy of the documents specified in Section 9.2, and the Transferee entity complies with the remaining provisions of Section 9; and (iii) the Control Group has the same proportionate ownership interest in the entity after as before the Transfer. Likewise, the issuance of options or the exercise of options pursuant to a qualified stock option plan or employee stock ownership plan will not be a Transfer and will not require the approval of THB, provided that no more than a total of 49% of Franchisee's outstanding voting securities are subject to the qualified stock option plan or employee stock ownership plan.
- 12.7 Advance Notice of Proposed Terms and Right of First Refusal.** If Franchisee, or any shareholder, member, or partner of Franchisee, has received and desires to accept a signed bona fide written offer from a third party to purchase Franchisee's franchised THB Outlet, then before making any binding commitment regarding such Transfer, Franchisee will notify THB and provide THB with a complete copy of the written offer, together with the following summary information for every proposed Transferee and each of its shareholders, members, or partners: (1) name, address and telephone number; (2) business experience and present occupation; and (3) credit rating and financial status.

THB will have the right and option, exercisable within thirty (30) days after the date THB receives its copy of the offer, to purchase the interest proposed to be transferred, at the price and upon the same terms and conditions specified on the notice.

If THB does not exercise this option, and the business terms of the unaccepted offer are altered, THB must, in each such instance, be notified by Franchisee of the changed offer, and THB will again have thirty (30) days to exercise its right to purchase on the altered terms. If THB does not exercise the option to purchase, then the Transfer may take place on the terms and price set forth in the notice,

provided (1) THB gives its written consent, (2) the Transfer takes place no later than six (6) months from the receipt of THB's written refusal to exercise its option to purchase, and (3) all the conditions set forth in Section 12.8 of this Agreement are satisfied.

12.8 Requirements for Consent to Transfer. If a Transfer of all or a partial interest in this Agreement or in the franchised business is proposed and THB does not exercise its right to purchase pursuant to the preceding Section, then THB will either approve or disapprove the proposed Transfer within thirty (30) days, provided Franchisee and Transferee acknowledge that it may take up to ninety (90) days from closing of the Transfer to fully integrate the Transferee into the THB System. THB will not unreasonably withhold consent provided that each of the following conditions is met:

- 12.8.1 Each Transferee, and each of its owners and guarantors, completes the then-current application process for potential new THB franchisees;
- 12.8.2 Each Transferee, and each of its owners and guarantors, is, in the reasonable business judgment of THB, (a) financially acceptable, (b) not associated with a competitor of THB, (c) of good moral character and reputation, and (d) otherwise in accordance with THB's criteria, which include work experience and aptitude, ability to devote time and best efforts to the franchised business, residence in the locality where the franchised business is located, equity interest in the franchise, absence of conflicting interests, and other criteria and conditions that THB reasonably applies to new franchisees;
- 12.8.3 Following an analysis of the terms and conditions of the proposed Transfer, THB, in the exercise of its reasonable business judgment, concludes that the terms will not interfere with the financial feasibility or future operation of the franchise;
- 12.8.4 If necessary, in THB's reasonable business judgment, Transferee obtains training by THB and pay THB a training fee in the amount of Five Thousand Dollars (\$5,000), with Transferee bearing any travel and room and board expenses;
- 12.8.5 Each Transferee enters into THB's then-current form of the Franchise Agreement and all other forms of agreements then being required of new franchisees (but all such forms are subject to the same restrictions as set out in Section 3.2.5 above). This Agreement is not assignable, and any assignment of this Agreement will be null and void.
- 12.8.6 Transferee agrees to complete all remodeling and improvements as required by THB, within the time period specified by THB;

- 12.8.7 Franchisee or Transferee pays to THB its then current transfer fee. The transfer fee applicable as of the Effective Date of this Agreement is Four Thousand Dollars (\$5,000);
- 12.8.8 Franchisee is in full compliance with this Agreement and has paid all amounts owing to THB and its approved vendors;
- 12.8.9 Franchisee has executed a general release, in a form satisfactory to THB, of any and all claims against THB or its officers, directors, agents, or employees, to the maximum extent permitted by applicable law; and
- 12.8.10 If Franchisee or any owners of Franchisee finance any part of the sale price of the transferred interest, Franchisee or such entity owners have agreed that all obligations of Transferee under any promissory notes, agreements, or security interests will be subordinate to Transferee's obligations to THB.

12.9 Sale or Assignment by THB. This Agreement will inure to the benefit of the successors and assigns of THB. THB may assign its rights and obligations under this Agreement to any person or entity, provided that the assignee agrees in writing to assume, at minimum, all obligations and liabilities of THB to Franchisee that arise after the closing date of the assignment of this Agreement by THB. Upon such assignment and assumption, THB will have no further obligation under this Agreement, except for accrued liabilities, if any, not assumed by THB's assignee.

13. Indemnification and Insurance.

13.1 Indemnity. Franchisee will indemnify, defend and hold THB and its officers, directors, and employees harmless from and against all fines, suits, proceedings, claims, causes of action, demands, or liabilities of any kind or of any nature arising out of or in connection with the construction or operation of Franchisee's THB Outlet.

13.2 Insurance. Franchisee, at its sole expense, will at all times keep in force a general commercial liability insurance policy or policies, in a form approved by THB, which approval will not unreasonably be withheld, insuring Franchisee against any and all loss, liability, or expense whatsoever arising from the construction, ownership, or operation of Franchisee's THB Outlet. The policies must have limits as may be from time to time prescribed by THB, but not less than One Million Dollars (\$1,000,000) per incident and Two Million Dollars (\$2,000,000) aggregate. In addition to the comprehensive general commercial liability insurance, you also must purchase and maintain the following additional insurance coverage:

- Premises and Property, in amounts sufficient to cover loss or damage to the drive-through building, equipment and inventory, including loss or

damage from crime, and spoilage from power failure with a deductible not greater than \$1,500;

- Employment Practices, in amounts sufficient to cover potential claims by or on behalf of your employees;
- Business Income, in amounts sufficient to cover expenses from unexpected closures of your store;
- Owned and non-owned Auto Liability Insurance with at least \$1,000,000 combined single limit; and
- Workers' Compensation, for job-related injuries, in amounts as required by state law.

13.3 Additional Insured. A certificate of insurance, evidencing coverage amounts and proof of payment of premium, together with the proof of renewal when applicable, must be promptly furnished to THB by Franchisee. All policies must (1) provide that they can be canceled only after at least thirty (30) days' prior written notice to THB, (2) show THB as a named additional insured, (3) contain provisions denying to the insured the acquisition by subrogation of rights of recovery against THB, and (4) provide that coverage is not limited in any way by reason of any insurance that may be maintained by THB.

14. Defaults and Opportunities to Cure.

14.1 Default for Insolvency. Subject to Section 14.8 below, Franchisee will be in default upon the occurrence of an Insolvency Event.

14.2 Default for Material Breach of the Franchise Agreement. Franchisee will be in default if Franchisee materially breaches this Agreement by failing to perform, observe, or comply with any of its material duties and obligations under this Agreement.

14.3 Default for Material Breach of Other Agreements. Franchisee will be in default if Franchisee materially breaches any lease, mortgage, equipment agreement, promissory note, conditional sales contract, or other contract materially affecting the THB Outlet to which Franchisee is a party or by which Franchisee is bound, whether or not THB is a party thereto, including but not limited to the Area Development Agreement, if any, or any other franchise agreement between Franchisee or its Affiliate and THB, or if Franchisee's lease for the Premises is terminated for reason of default by Franchisee. The THB Franchisee Lease Addendum does not obligate THB to prevent or cure any such default by Franchisee on the lease for the Premises.

14.4 Default for Violation of Health and Safety Standards. Franchisee will be in default if THB or any government agency determines that a serious health or safety problem exists at the THB Outlet.

14.5 Cure Periods. Except as otherwise provided in this Section 14.5, Franchisee will have the right to cure any default under this Agreement within thirty (30) days after written notice of default from THB is received by Franchisee, without regard to whether Franchisee accepts or rejects the notice. Notwithstanding the foregoing, the following lesser periods will apply under the circumstances described, in each case starting from notice:

- 14.5.1 Seven-Day Cure Period—A seven (7) day cure period will apply if Franchisee fails to (i) maintain the insurance coverage required by Section 13.2 of this Agreement; (ii) pay within terms any amounts due to THB, or to any supplier of goods or services to the franchised THB Outlet; (iii) open or operate the THB Outlet for a period of more than seventy-two (72) hours without the prior written consent of THB.
- 14.5.2 Two Day Cure Period—A two (2) day cure period will apply to any violation of health, safety or sanitation standards, whether prescribed by law, regulation, agency order, or the THB Operations Manual.
- 14.5.3 No Cure Period—No cure period will be available, and THB may terminate this Agreement, if Franchisee (1) fails to complete both initial and (if required) supplemental training, to THB's reasonable satisfaction; (2) does not open the Outlet within eighteen (18) months of the Effective Date of this Agreement; (3) passes off unapproved third-party products as genuine THB or THB-approved products, or is in default under or breaches its covenants or obligations under Sections 5.2 or 6.3 of this Agreement; (4) Abandons the THB Outlet; (5) commits an act of fraud with respect to its rights or obligations under this Agreement; (6) causes the lease for the Premises of the THB Outlet to be terminated; (7) repeatedly fails to comply with this Agreement or the Operations Manual, whether or not subsequently cured; (8) having twice previously cured a default or breach of this Agreement, commits the same breach or default again; or (9) undergoes an Insolvency Event.
- 14.5.4 Statutory Cure Period—If applicable state law requires a cure period for default longer than the cure period specified in this Section 14, the statutory cure period will apply.

14.6 Remedies for Defaults Not Cured.

- 14.6.1 Interests and Costs—If Franchisee fails to cure a default, following notice, within the applicable time period set forth in Section 14.5, or if this Agreement is terminated as a result of Franchisee's default, and the resolution involves arbitration or litigation, then the prevailing party fee clause set forth in Section 16.3.1 will apply.
- 14.6.2 Appointment of Receiver—If this Agreement is terminated by reason of Franchisee's default, THB will have the right, at its option, to have a

receiver appointed to take possession, manage and control the assets, collect the profits, and make all other necessary arrangements for the operation of the THB Outlet, as ordered by a court of competent jurisdiction. The right to appoint a receiver will be available regardless of whether waste or danger of loss or destruction of the assets exists and without the necessity of notice to Franchisee.

14.7 Cross-Default. If there are multiple franchise agreements in effect between Franchisee (or its Affiliate) and THB, any default by Franchisee under this Agreement will be deemed a default of all franchise agreements between Franchisee (or its Affiliate) and THB. A default by Franchisee under any other franchise agreement between THB and Franchisee will be deemed a default under this Agreement. A default by the guarantor(s) of this Agreement under this Agreement or any other guaranty related to this Agreement will be deemed a default of this Agreement.

14.8 Application of U.S Bankruptcy Code. If Franchisee or any member of the Control Group files for protection under the U.S. Bankruptcy Code, as it may be amended, and if, for any reason, this Agreement is not terminated pursuant to Section 14.1 hereof and is to be assigned to and assumed by a bona fide offeror per the U.S. Bankruptcy Code, then notice to THB of such proposed assumption will be given within twenty (20) days after receipt by Franchisee of such offer, and at least ten (10) days prior to application to a court of competent jurisdiction for authority to enter into such assumption. Such notice will include: (i) the name and address of the proposed assignee, (ii) all of the terms and conditions of the proposed assignment, and (iii) adequate assurance of the assignee's future performance under this Agreement, including satisfaction of the conditions set forth in Section 12.8 of this Agreement. THB will have the prior right and option, to be exercised by notice in writing at any time prior to the effective date of the proposed assignment, to accept instead an assignment of this Agreement to THB itself, upon the same terms and conditions and for the same consideration, if any, as in the bona fide offer made by the proposed assignee, less any brokerage commissions or other expenses which may be saved by Franchisee, as a result of the exercise by THB of such right. THB will not be liable for the payment of any brokerage commissions or other expenses as a result of the exercise of THB's rights set out in this Section, absent THB's written consent. "Adequate assurance of future performance" means specific evidence showing that the proposed assignee can comply with all requirements, conditions, obligations and duties of a THB franchisee under this Agreement, or the standard form of franchise agreement then being offered to new THB franchisees, and that the proposed assignee meets the conditions set forth in Section 12.8 of this Agreement.

15. Termination.

15.1 Termination for Default. If Franchisee defaults or fails to cure any default timely, THB may, in addition to all other remedies at law or in equity or as otherwise set forth in this Agreement, immediately terminate this Agreement.

Termination will be effective immediately upon receipt of a written notice of termination from THB. Notwithstanding the foregoing, absent an express waiver in writing and signed by THB, this Agreement will immediately and automatically terminate upon the occurrence of any event set forth in Section 14.5.3. Upon termination or expiration of this Agreement, THB may advise all suppliers of THB proprietary products and other supplies bearing the THB Marks to cease delivering such items and products to Franchisee.

- 15.2 Discontinuation of Use of THB System and Proprietary Marks.** Upon termination or expiration of this Agreement, Franchisee will immediately cease to use any and all parts of the THB System and any and all THB Marks, trade secrets, confidential information, operating manuals, slogans, signs symbols, or devices used in connection with the operation of the THB Outlet. The prohibition on use of the THB Marks after termination or expiration applies to the use of the words “formerly,” “former,” “formerly associated,” or any words conveying similar meaning and used in conjunction with the THB Marks. Any such unauthorized use or continued use of the THB Marks after the termination of this Agreement will constitute willful trademark infringement by Franchisee, causing irreparable harm to THB.
- 15.3 De-identification of the Premises.** Franchisee will, within thirty (30) days after termination or expiration of this Agreement, provide THB with photographs of the entire interior and exterior of the Premises showing that all signs, posters, menu boards, wall hangings, and other items bearing any of the THB Marks or constituting an element of the trade dress of THB have been removed. If Franchisee fails to provide proof of deidentification of the Premises within such time period, THB may send a representative of THB, or other person, to the Premises to gather evidence of deidentification. In that case, Franchisee will reimburse THB for its reasonable expenses incurred in gathering such evidence, including travel expenses of THB’s employee or representative. If THB is not satisfied that Franchisee has de-identified the Premises, THB may, at its option, require Franchisee to (1) repaint the interior and/or exterior of the Premises in colors and schemes acceptable to THB and (2) make alterations in the Premises, including in the layout of the interior of the building, to de-identify the Premises. THB may enter the Premises without being guilty of trespass or any other tort to satisfy itself that the Premises have been de-identified to its satisfaction and may remove and retain any items and make changes necessary in its sole opinion to de-identify the Premises. Any expenses incurred by THB in removing any signs, insignia, or other branded material from the Premises, or making the changes required for de-identification, will be paid to THB by Franchisee upon demand, together with interest at the highest lawful rate from the date of expenditure until paid. THB retains any other remedy for a breach available at law or in equity.
- 15.4 Return of Operations Manual and Other Proprietary Information.** Upon termination or expiration of this Agreement, Franchisee will immediately return to THB any and all copies of the Operations Manual issued to Franchisee, and all

other Proprietary Information in Franchisee's possession in whatever form, including without limitation plans, specifications, recipes, and menus.

15.5 Survival of Covenants Against Competition and Solicitation. The provisions relating to confidentiality set forth in Section 5 of this Agreement, and the covenants against competition and solicitation set forth in Section 6 of this Agreement, will survive any expiration or termination of this Agreement.

15.6 Transfer of Telephone Numbers, Dedicated Accounts and Other Listings. Upon termination or expiration of this Agreement, Franchisee will cease using all Listings, and at THB's election execute all forms and documents required by THB and any service provider to transfer such service and any related Listings to THB, and refrain from using any forwarding instruction that has the effect of circumventing the unconditional obligation of Franchisee to surrender and cease using all Listings. For purposes of this Agreement, "Listings" means and includes, as related to the THB Outlet, telephone or facsimile numbers and Yellow Pages listings/advertisements or other business listings or directories, as well as any account on any social media or publishing platform, and any internet site or domain name registration linked to the THB Marks. Upon termination, THB will have the immediate right to the Listings and to have the associated services transferred to THB. Franchisee appoints THB its true and lawful agent and attorney in fact with full power and authority for the sole purpose of taking such action as is necessary to complete this assignment. The obligation of this Section 15.6 and this power of attorney will survive the termination of this Agreement. Franchisee or its officers, shareholders, partners, and members will not thereafter use the Listings at or in connection with any subsequent business owned or operated by Franchisee or its officers, shareholders, partners, or members or for any other purpose.

15.7 Right to Purchase Assets. Upon termination or expiration of this Agreement, THB will have the right, but not the obligation, to purchase from Franchisee any and all tangible assets or property used in the operation of the THB Outlet that THB may specify, at fair market value as of the time of termination, exclusive of personal materials with no value to THB and inventory and supplies not reasonably required in the operation of the business. If Franchisee and THB cannot agree upon a purchase price, then the purchase price will be the average of three (3) independent appraisals. THB and Franchisee will each select one (1) appraiser qualified to evaluate a business of this kind, and the third appraiser will be one chosen and agreed upon by the other two (2) appraisers. If a price cannot be arrived at within sixty (60) days after the termination of this Agreement, then THB may withdraw its election to exercise its option under this Section 15.7.

15.8 Assignment of Leasehold Interest to THB. Pursuant to the THB Franchisee Lease Addendum, Franchisee will, upon THB's written request, do whatever is necessary to effectuate and complete the assignment to THB of Franchisee's lease for the Premises.

15.9 Cross-Termination. If this Agreement is terminated as a result of a default by Franchisee, THB may, at its option, elect to terminate any or all other franchise agreements between Franchisee (or its Affiliate) and THB. If any other franchise agreement between Franchisee (or its Affiliate) and THB is terminated as a result of a default by Franchisee, THB may, at its option, elect to terminate this Agreement. An incurable or uncured default under this Agreement or any other franchise agreement between Franchisee and THB will be grounds for termination of this Agreement and/or any and all franchise agreements between Franchisee (or its Affiliate) and THB without additional notice or opportunity to cure.

16. Miscellaneous Provisions.

16.1 Independent Contractors. The relationship between THB and Franchisee is that of independent contractors. Neither party is the partner, joint venturor, agent, employee, or servant of the other. Franchisee has no authority to bind THB to any contractual obligation or incur any liability for or on behalf of THB. Franchisee will identify itself as an independent owner of the THB Outlet in all dealings with customers, lessors, contractors, vendors, suppliers, public officials, employees, and others. Franchisee will place such notices of this independent ownership on signs, forms, stationery, advertising, and other such materials as THB may at any time reasonably require.

16.2 Illegality and Survival. The parties intend that if any of the terms, conditions, or provisions of this Agreement violates applicable law, such term, condition, or provision should be interpreted as enforceable to the extent allowed by applicable law (including modification to the extent necessary for such compliance), and that the remainder of this Agreement should remain in full force and effect without regard to any such interpretation or modification.

16.3 Dispute Resolution.

16.3.1 Mandatory Informal Dispute Resolution Process. A good faith effort to informally resolve any Dispute is required. The party initiating the Dispute must send a written notice to the other party that describes the Dispute, with sufficient information to enable the other party to identify any transactions and accounts at issue, and a description of the Dispute, addressing the nature and basis of the claims and of the relief sought. The party initiating the Dispute will send this notice, including all of the information referenced above, to the other party in writing.

For a period of thirty (30) days from receipt of a completed notice, the parties will negotiate in good faith in an effort to informally resolve the Dispute. If the Dispute is not resolved within thirty (30) days after receipt of notice, you or THB may commence formal resolution of the Dispute. Completion of the informal Dispute resolution process is a condition precedent to you or THB commencing any formal Dispute resolution proceeding in arbitration or small claims court, and any

applicable limitations periods will be tolled from the date of receipt of notice through the conclusion of the process. A court of competent jurisdiction will have the authority to enforce this condition precedent to arbitration. Nothing in this section limits the right of a party to raise the sufficiency of a notice or compliance with this process or to seek damages for non-compliance with this process in arbitration.

- 16.3.2 **Arbitration Procedures.** The arbitration will be administered by the American Arbitration Association (“AAA”) and conducted in accordance with the applicable AAA rules (“AAA Rules”) as modified by this arbitration agreement. If the AAA is unavailable or unwilling to administer arbitrations consistent with this arbitration agreement, another arbitration provider will be selected by the parties that will administer arbitrations consistent with this arbitration agreement. If the parties cannot agree on a provider, they will petition a court of competent jurisdiction to appoint an arbitration provider that will do so.
- 16.3.3 **Initiation of Arbitration.** The party seeking to initiate arbitration will provide the other party with the demand for arbitration as specified in the AAA Rules and this arbitration agreement. The party initiating arbitration will personally certify to the AAA that they are a party to this arbitration provision, and provide a copy or link to it. To begin an arbitration proceeding, you or THB must send a personally signed demand for arbitration that describes (a) the nature and basis of the claims, and (b) the nature and basis of the relief sought, including a detailed calculation for such relief. The demand for arbitration must be personally signed by the party initiating arbitration (and their counsel, if represented). By signing the demand for arbitration, a party (and their counsel, if represented) certifies that they have complied with all of the requirements of Federal Rule of Civil Procedure 11(b), including that the claims and relief sought are neither frivolous nor brought for an improper purpose. The arbitrator is authorized to award any relief or impose any sanctions available under the Federal Rule of Civil Procedure, or applicable federal or state law, against all represented parties and counsel. The party initiating arbitration must follow the appropriate procedures with the AAA to commence the arbitration, which are available at www.adr.org or by contacting the AAA.
- 16.3.4 **Arbitration Procedures.** The arbitration will be heard by a single, neutral arbitrator. The party initiating arbitration may choose to have the arbitration conducted by phone, video-conference, or in-person hearing, or solely through written submissions, except that the respondent in any arbitration where the claimant is seeking \$10,000 or more, or injunctive relief, may elect an in-person hearing. You and a THB representative will personally appear at any hearing (with counsel, if represented). Any in-person hearing will be held in the county or parish in which you reside or at another mutually convenient location. An arbitrator may award on

an individual basis any relief that would be available in a court, including injunctive or declaratory relief, but only in favor of the individual party seeking relief, and only to the extent necessary to provide relief warranted by that party's individual claim. To the fullest extent permitted by applicable law, you and we agree that each may bring claims against the other only in an individual capacity and not as a member in any purported class, collective, consolidated, private attorney general, or representative proceeding. Further, unless both you and we agree otherwise, an arbitrator may not consolidate more than one person's claims and may not otherwise preside over any form of class, collective, consolidated, private attorney general, or representative proceeding.

The arbitrator is empowered to follow and enforce this Agreement. If, after exhaustion of all appeals, any of the prohibitions on non-individualized injunctive or declaratory relief and class, collective, consolidated, private attorney general, or representative proceedings are held unenforceable with respect to a particular claim or request for relief (such as a request for public injunctive relief), then such a claim or request for relief will be decided by a court of competent jurisdiction, after all other claims and requests for relief are arbitrated.

The arbitrator will issue a written decision sufficient to explain the essential findings and conclusions. After entry of an award, the arbitrator will apply the cost-shifting provisions of Federal Rule of Civil Procedure 68. Judgment on any arbitration award may be entered in a court of competent jurisdiction, except an award that has been fully satisfied may not be entered.

16.3.5 **Arbitration Costs.** Payment of all filing, administration and arbitrator fees will be governed by the AAA Rules. The parties have a shared interest in reducing the costs associated with arbitration. The parties will work together in good faith to ensure that arbitration remains cost-effective. The parties will be responsible for their own attorneys' fees and costs in arbitration, unless they are authorized by law or the arbitrator determines that a claim was frivolous or brought for an improper purpose

16.3.6 **Procedures for Mass Arbitrations.** These Procedures for Mass Arbitrations (in addition to the other provisions of this arbitration agreement and the applicable AAA Rules) will apply if you choose to bring your Dispute as part of a Mass Arbitration. If twenty-five (25) or more similar Disputes (including yours) are asserted against THB by the same or coordinated counsel or are otherwise coordinated ("Mass Arbitration"), these Additional Procedures for Mass Arbitrations will apply. They are designed to lead to the streamlined and cost-effective resolution of claims, ensure that large volume filings do not impose

unnecessary burdens or impediments to the resolution and cost-effective adjudication of similar claims, and preserve the integrity of the arbitration process. If you bring your Dispute as a part of a Mass Arbitration, the resolution of your Dispute might be delayed and it might ultimately proceed in court and not in arbitration. The parties will meet and confer in good faith in an effort to resolve any Disputes, streamline procedures, address the exchange of information, modify the number of Disputes to be adjudicated, and conserve the parties' and the AAA's resources.

If you choose to bring your Dispute as part of a Mass Arbitration, any applicable limitations periods (including statutes of limitations) will be tolled for your Dispute from the time that your Dispute is first submitted to the AAA until your Dispute is selected to proceed as part of a staged process or is settled, withdrawn, otherwise resolved, or opted out of arbitration pursuant to this provision.

STAGE ONE: If at least one hundred (100) Disputes are submitted as part of the Mass Arbitration, counsel for the claimants and counsel for THB will each select 50 Disputes to be filed and to proceed as cases in individual arbitrations as part of this initial staged process.

The number of Disputes to be selected to proceed in Stage One may be increased by agreement of counsel for the parties (and if there are fewer than 100 Disputes, all will proceed individually in Stage One). Each of the 100 (or fewer) cases will be assigned to a different arbitrator and proceed individually. If a case is withdrawn before the issuance of an arbitration award, another claim will be selected to proceed as part of Stage One. The remaining Disputes will not be filed or deemed filed in arbitration, and no arbitration fees will be assessed or collected in connection with those claims. After this initial set of proceedings, counsel for the parties will participate in a global mediation session with a professional neutral mediator, jointly selected by the parties, in an effort to resolve the remaining Disputes, and THB will pay the mediator's fee

STAGE TWO: If the remaining Disputes have not been resolved at the conclusion of Stage One, counsel for the claimants and counsel for THB will each select 100 Disputes per side to be filed and to proceed as cases in individual arbitrations as part of a second staged process.

The number of Disputes to be selected to proceed as part of this second staged process can be increased by agreement of counsel for the parties (and if there are fewer than 200 Disputes, all will proceed individually in Stage Two). No more than five cases may be assigned to a single arbitrator to proceed individually. If a case is withdrawn before the issuance of an arbitration award, another claim will be selected to proceed as part of Stage Two. The remaining Disputes will not be filed or

deemed filed in arbitration, and no arbitration fees will be assessed or collected in connection with those claims. After this second set of staged proceedings, the parties will engage in a global mediation session of all remaining Disputes with a professional neutral mediator, jointly selected by the parties, in an effort to resolve the remaining Disputes, and THB will pay the mediator's fee

Upon the completion of the mediation set forth in Stage Two (and assuming the parties do not jointly agree to continue engagement through further mediation or otherwise), each remaining Dispute (if any) that is not settled or not withdrawn will be opted out of arbitration and may proceed in a court of competent jurisdiction, consistent with the remainder of the Terms. However, the parties may mutually agree in writing to proceed with the adjudication of some or all of the remaining Disputes in individual arbitrations consistent with the process set forth in Stage Two (except that Disputes will be randomly selected and mediation will be elective by agreement) or through another mutually agreeable process. A court of competent jurisdiction will have the authority to enforce the Procedures for Mass Arbitrations, including the power to enjoin the filing or prosecution of arbitrations and the assessment or collection of arbitration fees. The Procedures for Mass Arbitrations and each of its requirements are essential parts of this arbitration agreement. If, after exhaustion of all appeals, a court of competent jurisdiction decides that the Procedures for Mass Arbitrations apply to your Dispute and are not enforceable, then your Dispute will not proceed in arbitration and will only proceed in a court of competent jurisdiction consistent with the remainder of the Terms.

16.3.7 Class Action and Jury Trial Waivers. Any proceeding, whether in arbitration or in court, will be conducted only on an individual basis and not in a class, collective, consolidated, private attorney general, or representative action. You waive any right to bring or to participate in such an action in arbitration or in court to the fullest extent permitted by applicable law. To the fullest extent permitted by applicable law, you and THB waive the right to a jury trial.

16.4 Notices. All notices specified by this Agreement or required by law must be in writing and may be given by: (i) personal delivery, (ii) certified mail, return receipt requested; (iii) any professional courier service that provides tracking for such shipment; or (iv) electronic mail, unless the sender receives a reply message stating that the original message was not delivered or not deliverable. Notice will be directed to the address(es) set forth at the beginning of this Agreement or to such other address(es) as the parties may designate in writing. Notice will be deemed received when actually left in the custody of an adult agent, employee, or resident at a place of business or residence if given by personal delivery, certified mail or courier, and when sent in the case of deliverable electronic mail. Each party will promptly provide the other with any updated contact information.

- 16.5 No Waivers.** Failure of a party to insist upon the strict performance of any term, covenant, or condition contained in this Agreement will not constitute or be construed as a waiver or relinquishment of that party's rights to enforce thereafter any such term, covenant, or condition and it will continue in full force and effect.
- 16.6 Entire Agreement.** This Agreement constitutes the entire agreement between the parties as to its subject matter and supersedes all prior communications, representations, and agreements, oral or written, of the parties with respect to its subject matter. No other oral or other written understandings or agreements exist between the parties relating to the subject matter of this Agreement. Any modifications to this Agreement must be in writing and signed by all of the parties to this Agreement. Nothing in this or any agreement is intended to disclaim the representations made in the franchise disclosure document(s) furnished to you.
- 16.7 Interpretation.** The tables of contents, and the section and paragraph headings of this Agreement, are for the convenience of the reader only, and are not intended to act as a limitation of the scope or meaning of the sections and paragraphs themselves. This Agreement is not to be construed against the drafting party.
- 16.8 Approvals.** Except when this Agreement expressly obligates THB reasonably to approve or not unreasonably to withhold its approval of any action or request by Franchisee, THB has the absolute right to refuse any request by Franchisee or to withhold its approval of any action that requires its approval.
- 17. Representations & Warranties.**
- 17.1 Execution by Authorized Parties.** Each party represents and warrants that the person(s) signing this Agreement have full power and authority to do so and that entering into this Agreement is not a breach of or contrary to any other agreement. Franchisee represents that all direct, indirect and beneficial owners of Franchisee have been disclosed and are signing this Agreement.
- 17.2 No Waiver of Claims.** No statement, questionnaire, or acknowledgment signed or agreed to by you in connection with the commencement of the franchise relationship will have the effect of waiving any claims under any applicable state franchise law, including fraud in the inducement. Nothing in this Section 17 waives your rights under applicable state law.
- 18. Definitions.** Capitalized words used in this Agreement have the meaning assigned to them in this Section. The term "include" and like terms mean include without limitation. Words in the singular include the plural when the sense requires (and vice versa). The term "for example" and like terms mean by way of example and not limitation.
- 18.1 "10+ Owners"** means all holders of a legal or beneficial interest of ten percent (10%) or more of the equity, controlling stock or shares in Franchisee.

- 18.2 “Abandon”** means cease to operate a franchised unit for a period of more than seventy-two (72) hours, without the prior written consent of THB, then failing to cure within seven (7) days of notice, as required by Section 8.7.

- 18.4 “Affiliate”** of a party means any person, corporation, or entity, which, directly or indirectly, or through one or more intermediaries, controls, is controlled by, or is under common control with that party.
- 18.5 “Alternative Approval Procedure”** means a written request to deviate from a requirement set forth in the Operations Manual, such as specifications relating to equipment, supplies, recipes, and other aspects of operation. THB will evaluate all such requests and either approve or disapprove, in its sole discretion, within thirty (30) days of its receipt of the request, as set out in Section 8.1.
- 18.6 “Brand Fee”** means a fee of one percent (1%) of Franchisee’s Gross Sales Revenues, less taxes, promotional discounts, and delivery fees, to be used for the Brand Fund.
- 18.7 “Brand Fund”** means the fund used to support the THB brand, as set out in Sections 8.6.4-8.6.8.
- 18.8 “Control Group”** means and includes (i) all 10+ Owners; (ii) if Franchisee is a limited partnership, all 10+ Owners of Franchisee’s general partner; and (3) all 10+ Owners of any corporation or limited liability company that owns a controlling interest in Franchisee.
- 18.9 “Crisis Event”** means any event that occurs at, near or in connection with a franchised THB Outlet, and either (i) involves actual or dangerously heightened risk of harm or injury to customers, guests or employees, or (ii) attracts an unusual degree of attention to the brand or to the franchised business, for example, major crimes, fires, and other such newsworthy events.
- 18.10 “Dispute”** means any claim or controversy arising out of or relating to this Agreement, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and also includes: (a) any related Dispute that arose before the existence of this Agreement; (b) any related Dispute that is currently the subject of a purported class action litigation in which you are not a member of a certified class; and (c) any related Dispute that may arise after termination of this Agreement and our relationship with you. The term “Dispute” excludes disagreements or claims concerning patents, copyrights, trademarks, trade secrets, or other intellectual property, and claims of piracy or unauthorized use of intellectual property.

- 18.11 “Effective Date”** for the initial Term means the date stated on the first page of this Agreement, or (if blank) the date it is first signed by both parties, and for any renewal Term, the Effective Date is the day the prior term would have expired.
- 18.12 “Franchisee” or “You”** means the natural or legal person(s) authorized to operate the franchised Outlet under this Agreement.
- 18.13 “General Manager”** means an individual appointed by the Franchisee to have primary overall responsibility for the day-to-day operations of the THB Outlet.
- 18.14 “Gross Sales Revenues”** means the aggregate of all your sales of The Human Bean products, other items and services made and rendered in connection with the operation of each outlet, including sales made at or away from the premises, whether for cash or credit, but excluding all promotional discounts, delivery fees, and taxes, meaning federal, state, or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority.
- 18.15 “Initial Franchise Fee”** means the fee for the rights granted under this Agreement, as described in Section 2.2.
- 18.16 “Insolvency Events”** occur when any of the following conditions is met: Franchisee becomes insolvent or makes an assignment for the benefit of creditors; a voluntary petition in bankruptcy is filed by Franchisee, or an involuntary petition is filed against and consented to by Franchisee or is not dismissed within sixty (60) days; Franchisee is adjudicated as bankrupt; a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee’s business or assets is filed and is consented to by Franchisee or is not dismissed within sixty (60) days; a receiver or other custodian is appointed, or a proceeding for composition with creditors under any state or federal law is instituted by or against Franchisee; or the real or personal property of Franchisee is sold at levy thereupon by any sheriff, marshal, or constable.

Addendum to Lease

Tenant/Franchisee: _____

Landlord/Owner: _____

Address of Premises: _____

Franchisor: **Casey Hawkins Inc., an Oregon corporation d/b/a The Human Bean**

Tenant/Franchisee (“Tenant”) and Landlord/Owner (“Landlord”) are parties to that certain ground lease agreement, of even date herewith, concerning the premises identified above (“Lease”). This Addendum amends the Lease to allow Franchisor to cure defaults and assume the Lease if needed, all as detailed below. Unless the Lease is first assigned to Franchisor as set out below, Franchisor is an intended third-party beneficiary of the Lease as modified by this Addendum, and not a party to it. This Addendum controls with respect to any assignment to or from Franchisor or a Franchisee that otherwise qualifies as a transfer under the Lease.

Tenant and Franchisor have entered into an agreement (“Franchise Agreement”) allowing Tenant to operate a business in the Premises under Franchisor’s marks, including THE HUMAN BEAN, which will be used as Tenant’s primary trade name. Landlord has not read and is not aware of any of the terms of the Franchise Agreement, and therefore, cannot and does not make any representations or acknowledgements regarding the Franchise Agreement.

In consideration of the foregoing and notwithstanding anything to the contrary contained elsewhere in the Lease, Tenant will have the right, without Landlord’s prior written consent but upon at least thirty (30) days’ prior written notice to Landlord, to assign the Lease to Franchisor, provided that all of the following conditions are satisfied:

1. Tenant is not at the time of such assignment in default under the Lease or, if Tenant is in default, Tenant or Franchisor cures all Tenant’s defaults on or prior to the effective date of such assignment;
2. Franchisor operates the business in the Premises under the trade name THE HUMAN BEAN in the same manner as the franchise is being operated by a majority of Franchisor’s other locations, all pursuant to all the terms, covenants and conditions of the Lease;

3. Franchisor assumes in writing, in a form reasonably acceptable to Landlord, the Lease and all of Tenant's obligations thereunder, and an original counterpart or copy of the fully executed assignment/assumption will be provided to Landlord no later than ten (10) business days after the effective date of the assignment; and

No such assignment by Tenant to Franchisor will relieve Tenant or any guarantor of any liability under the Lease; Tenant and any guarantor will continue to be obligated irrespective of any transfer. If Landlord assigns its rights under the Lease to a successor-in-interest that also assumes Landlord's obligations under the Lease, then this Addendum will be binding on any such successor-in-interest.

ASSIGNMENT TO FRANCHISEE

Tenant (including Franchisor as the current "Tenant" if Franchisor has assumed the Lease as provided above) will have the right, without Landlord's prior written consent but upon at least thirty (30) days' prior written notice to Landlord, to assign the Lease to a *bona fide* franchisee of Franchisor ("Franchisee"), provided that all of the following conditions are satisfied:

1. Tenant is not at the time of such assignment in default under any of the terms, covenants or conditions of the Lease or, if Tenant is in default, Tenant or Franchisee will cure all Tenant's defaults on or prior to the effective date of such assignment;
2. Franchisee operates the business in the Premises under the trade name THE HUMAN BEAN in the same manner as the franchise is being operated by a majority of Franchisor's other franchisees, all pursuant to all the terms, covenants and conditions of the Lease;
3. Franchisee assumes in writing, in a form reasonably acceptable to Landlord, the Lease and all of Tenant's obligations hereunder and an original counterpart or copy of the fully executed assignment and assumption agreement will be provided to Landlord no later than ten (10) business days after the effective date of the assignment;
4. If Franchisee is a corporation, partnership or limited liability company, the principal(s) of such entity (and the spouse(s) of such principal(s), as applicable) execute an unconditional personal guaranty(ies) in a form reasonably acceptable to Landlord and an original counterpart or copy of the fully executed personal guaranty(ies) will be provided to Landlord within the same time period set forth above for the assignment and assumption agreement; and
5. The tangible net worth of Franchisee and any new guarantor(s), immediately prior to and following such assignment, is not less than \$1,000,000.00, in constant dollars, in the aggregate.

No such assignment by Tenant to Franchisee will relieve Tenant or any Guarantor of any liability under the Lease; Tenant and any Guarantor will continue to be obligated irrespective of any transfer. A *bona fide* franchisee means a franchisee of Franchisor who has executed Franchisor's standard franchise agreement and received all required training under Franchisor's franchise program.

FRANCHISOR'S RIGHT OF ENTRY AND RIGHT TO CURE

Franchisor will have the right, but not the obligation, to enter the Premises, at reasonable times and with prior written notice to Landlord, for the purposes of inspections, protection of proprietary marks (including removal of proprietary marks on the interior and exterior of the Premises), and/or correction of deficiencies by Tenant, including the curing of Tenant defaults under the Lease, as more specifically provided below. Tenant will be responsible for damages or any repairs to the Premises that may result from Franchisor's exercise of its right to enter the Premises, and Landlord will not be liable to Tenant or Franchisor for any costs, damages or causes of action that may result from same.

Franchisor will have the right, but not the obligation, to cure any Tenant default within the applicable cure period afforded to Tenant under the Lease. Landlord will copy Franchisor on any default notices Landlord sends to Tenant under the Lease. Said default notice copy will be either (i) emailed to dan[at]thehumanbean[dot]com or (ii) mailed to the following address: The Human Bean, Att'n Franchisee Leases, 623 Rossanley Drive, Medford OR 97501, which addresses may be changed by written notice to Landlord in the manner provided in the Lease. Landlord will not be responsible to Tenant for any damages Tenant might sustain as a result of action Franchisor takes in accordance with this provision and Tenant expressly releases Landlord for any liability arising from such actions by Franchisor.

RECITALS

THB and Franchisee are parties to a certain Franchise Agreement of even date herewith. This Rider is annexed to, and forms part of, the Franchise Agreement. This Rider is being executed because (a) Franchisee is a resident of Illinois; and/or (b) the drive-thru that Franchisee will operate under the Franchise Agreement will be located in the state of Illinois. AMENDMENTS

Section 2.2 of the Franchise Agreement is amended by deleting the first sentence and substituting the following:

2.2 The fee for the rights granted under this Agreement (the “Initial Franchise Fee”) is Thirty Thousand Dollars (\$30,000). THB will defer the due date for payment of the balance of the Initial Franchise Fee until Franchisee has opened its THB Outlet at the Premises, or the Illinois Attorney General has lifted its deferral requirement, whichever is sooner. The Illinois Attorney General’s Office imposed this deferral requirement due to Franchisor’s financial condition.

Section 3 of the Franchise Agreement is amended by adding the following:

3.1 Illinois Law. Your rights upon non-renewal may be affected by Illinois law, 815 ILCS 705/19 and 705/20.

Section 16.3 of the Franchise Agreement is amended by adding the following:

The governing law clause in the Franchise Agreement, Section 16.3, applies to the construction or interpretation of the Franchise Agreement and shall not be construed to negate the application of Illinois law. To the extent required by Illinois law, any provision in the Franchise Agreement that designates jurisdiction or venue in a forum outside of

Illinois is void with respect to any cause of action which otherwise is enforceable in Illinois, provided that an agreement may provide for arbitration in a forum outside Illinois.

Section 17.2 is amended by adding the following:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

In all other respects, the Franchise Agreement will be construed and enforced according to its terms.

In witness whereof, the parties hereto have executed and delivered this Rider for Use in Illinois, on the date stated above or when signed by both parties, whichever is first.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT
CASEY HAWKINS, INC.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Franchisees in Washington have no obligation to indemnify or hold harmless an indemnified party for losses to the extent that they are determined to have been caused solely and directly by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

The undersigned acknowledges receipt of this Washington Addendum to the Franchise Agreement.

6. **Binding on Assigns.** This Guaranty will extend, in full force and effect, to any assignee or successor of THB and will be binding upon you and your successors and assigns.

7. **Subrogation.** Until all obligations of the Obligated Party to THB have been paid or satisfied in full, you have no remedy or right of subrogation and you waive any right to enforce any remedy that THB has or may in the future have against the Obligated Party and any benefit of, and any right to participate in, any security now or in the future held by THB.

8. **Subordination.** All existing and future indebtedness of the Obligated Party to you is hereby subordinated to all indebtedness and other obligations guaranteed in this Guaranty and, without the prior written consent of THB, will not be paid in whole or in part, nor will you accept any payment of or on account of any such indebtedness while this Guaranty is in effect.

EXHIBIT C

SITE ANALYSIS AGREEMENT

This Site Analysis Agreement (this “Agreement”) is made and entered into by and between Casey Hawkins, Inc. (“THB”) and _____ (“Prospective Franchisee”) on this date, _____ (the “Effective Date”).

RECITALS

Prospective Franchisee has received and reviewed the THB Franchise Disclosure Document, describing THB’s franchised drive-thru espresso and coffee business. Prospective Franchisee is applying to become a THB franchisee. In consideration of Prospective Franchisee’s payment of Five Thousand Dollars (\$5,000), THB is willing to analyze sites proposed by Prospective Franchisee for Prospective Franchisee’s THB outlet.

TERMS

1. Prospective Franchisee acknowledges that the THB Franchise Disclosure Document, together with a copy of this Agreement, was received by Prospective Franchisee on _____.

2. Together with a signed copy of this Agreement, Prospective Franchisee attaches a completed copy of THB’s Site Analysis Form, with all documents and information required for each site to be evaluated by THB. Prospective Franchisee may submit multiple proposed sites for evaluation by THB up to a maximum of ten (10) sites, provided that each of the proposed sites is within fifty (50) miles of each of the other proposed sites.

3. THB acknowledges receipt of the sum of Five Thousand Dollars (\$5,000) from Prospective Franchisee (the “Site Analysis Fee”). If THB, in the exercise of its reasonable business judgment, deems one or more of Prospective Franchisee’s proposed sites suitable for a THB outlet, THB will apply the Site Analysis Fee to the Initial Franchise Fee of Thirty Thousand Dollars (\$30,000) payable by Prospective Franchisee upon the execution of a franchise agreement with THB, provided that Prospective Franchisee pays the balance of the Franchise Fee within ninety (90) days of receipt of site approval from THB (Section 5 below).

4. The Site Analysis Fee is nonrefundable. If THB and Prospective Franchisee are unable to agree on a site for the THB outlet within nine (9) months of payment of the Site Analysis Fee, or they are unable to agree to the terms of the franchise agreement, or if for any other reason Prospective Franchisee does not enter into a franchise agreement with THB, the Site Analysis Agreement will terminate, and the Site Analysis Fee will be deemed fully earned by THB and will not be refunded.

5. If THB approves one or more of the proposed sites, Prospective Franchisee will have ninety (90) days from the receipt of notice of site approval to pay the balance of the Franchise Fee and enter into a franchise agreement with THB. If Prospective Franchisee does not enter into a franchise agreement with THB within the allotted time, the Site Analysis Fee will be deemed

fully earned by THB and will not be refunded, even if a franchise agreement is entered into at a later time. Nothing in this Agreement will be construed to require either party to enter into a franchise agreement with the other party.

6. The rights and liabilities of the parties arising out of or relating to this Agreement, apart from rights arising from a state statute or regulation pertaining to franchises or the franchise relationship, will be governed by the laws of the state of Oregon, and any dispute arising out of or relating to this Agreement will be submitted to binding arbitration at a mutually convenient location pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Judgment on the award may be entered in any court of competent jurisdiction; provided, however, that either party may seek preliminary injunctive or other equitable relief pending arbitration to prevent irreparable harm. The prevailing party in any arbitration or litigation will be entitled to recover all reasonable expenses thereof, including attorneys' fees in connection with such proceedings or any appeal thereof. To the extent permitted by applicable state law, the parties hereby waive any right to or claim of any consequential, punitive, or exemplary damages against the other and agree that in the event of a dispute between them each will be limited to the recovery of any actual damages sustained by it.

7. If any provision of this Agreement is deemed by operation of law altered or void, all other provisions of this Agreement will remain in full force and effect. If the Franchise Agreement includes a state-specific amendment or addendum, all the provisions of that amendment or addendum apply to this Site Analysis Agreement. Failure of a party to insist upon the strict performance of any term, covenant, or condition contained in this Agreement will not constitute or be construed as a waiver or relinquishment of that party's rights to enforce thereafter any such term, covenant, or condition and it will continue in full force and effect.

In witness whereof, the parties hereto have executed and delivered this Site Analysis Agreement effective on the date stated above.

Independent Auditor's Report

To the Board of Directors and Shareholders
Casey Hawkins, Inc.
Medford, Oregon

Report on the Financial Statements

Opinion

We have audited the financial statements of Casey Hawkins, Inc. (the "Company"), which comprises the balance sheets as of December 31, 2023 and 2022, and the related statements of operations, changes in stockholders' equity (deficit), and cash flows for the years ended December 31, 2023, 2022 and 2021, and related notes to the financial statements.

In our opinion, the accompanying financial statements presents fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations, changes in stockholders' equity (deficit) and cash flows for the years ended December 31, 2023, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Casey Hawkins, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Casey Hawkins, Inc.'s ability to continue as a going concern within one year from the date the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Casey Hawkins, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used, and the reasonableness of, significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Casey Hawkins, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Going Concern

Management has evaluated our ability to continue as a going concern as of December 31, 2023. Due to the positive income and cash flows from operations for the year ended December 31, 2023, we have concluded that there is not significant doubt about our ability to continue as a going concern.

2. Significant Accounting Policies**Basis of Accounting**

The Company uses the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States ("U.S. GAAP"). Under this method, revenue is recognized when earned and expenses are recognized as incurred.

Use of Estimates

The preparation of the financial statements and accompanying notes in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Estimates are used for the following, among others: revenue recognition, allowance for credit losses, useful lives for depreciation of long-lived assets and leases. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Comparative Financial Statements**

Certain prior period amounts have been reclassified to conform to current year presentation.

Fair Value

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's financial instruments consist primarily of cash and cash equivalents, restricted cash, accounts receivable, accounts payable and accrued expenses. The carrying values of cash and cash equivalents, restricted cash, accounts receivable, accounts payable and accrued expenses are considered to be representative of their respective fair values due to the short-term nature of these instruments. Based on borrowing rates currently available to the Company for loans with similar terms, the carrying value of long-term debt approximates fair value.

Assets and liabilities that are carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted market prices in active markets for identical assets and liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data

Non-recurring fair value measurements include the assessment of property and equipment and intangible assets for impairment. As there is no corroborating market activity to support the assumptions used, the Company has designated these estimates as Level 3.

Cash and Cash Equivalents

For purposes of reporting cash flows, all highly liquid investments with a maturity of three months or less are considered cash equivalents.

Restricted Cash

Restricted cash consists of funds related to the Brand Fund and App Fund. Funds collected by the Company for the Brand Fund and for the App Fund are maintained in separate restricted cash accounts to cover the expenditures required to be made under those respective programs and are not available to be used for the normal recurring operations of the Company.

Accounts Receivable, net

The balance in accounts receivable consists of sales of equipment and products and are stated at the amount the Company expects to collect. The Company maintains allowances for credit losses for estimated losses resulting from the inability of its customers to make required payments. Management considers the following factors when determining the collectability of specific customer accounts: customer credit worthiness, past transaction history with the customer, current economic industry trends, and changes in customer payment terms. Past due balance over 90 days and other higher risk amounts are reviewed individually for collectability. If the financial condition of the Company's customers were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Based on management's assessment, the Company provides for estimated uncollectible amounts through a charge to earnings and a credit to an allowance. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for credit losses.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Inventory**

Inventory consists of equipment, products and parts, which are valued at the lower cost or market, and are expensed in costs of goods sold using the weighted-average cost method when provided to its franchisees.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the following estimated useful lives of the respective asset:

	<u>Estimated Useful Life</u>
Furniture and equipment	5-7 Years
Automobile	5 Years
Leasehold improvements	5-39 Years

Maintenance and repair costs are expensed in the period incurred. Expenditures for purchases and improvements that extend the useful lives of property and equipment are capitalized.

Trademark

In November 2002, the Company acquired a federal trademark registration for the "The Human Bean," for \$7,000. In June 2005, the Company settled a Colorado lawsuit involving alleged unregistered rights in the trademark, "The Human Bean Company," by a payment of \$165,000. The value of any rights acquired in the settlement are not being amortized. The Company believes that no material impairment of trademark carrying values exists at December 31, 2023 and 2022, respectively.

Impairment of Long-Lived Assets

The Company assesses potential impairment of its long-lived assets whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Factors that the Company considers important which could trigger an impairment review include, but are not limited to, significant under-performance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the strategy for the Company's overall business, and significant industry or economic trends. When the Company determines that the carrying value of the long-lived assets may not be recoverable based upon the existence of one or more of the above indicators, the Company determines the recoverability by comparing the carrying amount of the asset to net future undiscounted cash flows that the asset is expected to generate. If the carrying value is not recoverable, an impairment is recognized in the amount by which the carrying amount exceeds the fair value of the asset. During the years ended December 31, 2023, 2022 and 2021, no impairment charges were recognized related to long-lived assets.

Gift Card Liability

The Company sells gift cards to its customers through its corporate office. The Company's gift cards do not have an expiration date and are not redeemable for cash except where required by law. Until redemption, outstanding customer balances are recorded as a liability. An obligation is recorded at the time of sale of the gift card and it is included in gift card payable on the Company's balance sheets. As of December 31, 2023 and 2022, the Company had liabilities of \$217,526 and \$193,328 in gift card payable, respectively. No gift card breakage has been recognized for the years ended December 31, 2023, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Revenue Recognition****Equipment, product, repair and parts, and shipping revenue**

The Company sells all coffee and espresso beans, all coffee bean or espresso bean products, all logo cups and lids, and some of the other supplies and equipment required for the operations of the THB outlets to its franchisees. Equipment revenue, product revenue, and related shipping revenue are recognized when the products are shipped. Repair and parts revenue is recognized when the services are completed.

Rebate revenue

The Company receives supplier rebates based on purchases from preferred vendors by its franchisees and records income when such rebates are earned and collection is probable. Rebates totaling \$5,430,313, \$4,909,070 and \$4,546,542 were recognized in rebate revenue for the years ended December 31, 2023, 2022 and 2021, respectively. Rebates earned but not yet billed to suppliers are included in unbilled revenue on the balance sheets.

Franchise fee revenue

The Company recognizes revenue in accordance with Financial Accounting Standards Board ("FASB") ASC 606-10-25, *Revenue from Contracts with Customers*. In January 2021, the FASB issued ASU 2021-02, "Franchisors – Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient." ASU 2021-02 provides a practical expedient that simplifies the application of ASC 606 about identifying performance obligations and permits franchisors that are not public entities to account for pre-opening services listed within the guidance as distinct from the franchise license. The Company has adopted ASU 2021-02 and implemented the guidance on its revenue recognition policy.

The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial fee prior to opening the respective location(s). If the franchise agreement is terminated for the failure to open a drive-thru within eighteen months of signing, the initial franchise fee is refundable with the exception of the \$15,000 non-refundable deposit which includes a non-refundable site analysis of \$5,000. A franchise agreement establishes a THB outlet developed in one defined geographic area and provides for a ten-year initial term with the option to renew for additional ten-year terms. Subject to the Company's approval, a franchisee may generally renew the franchise agreement upon its expiration. If approved, a franchisee may transfer a franchise to a new or existing franchisee, at which point a transfer fee of \$5,000 is typically paid by the current owner which then terminates that franchise agreement. A franchise agreement is signed with the new franchisee with no franchise fee required.

Under the terms of our franchise agreements, the Company typically promises to provide franchise rights, pre-opening services such as assistance with site selections, operational materials, functional training courses, and ongoing services, such as management of the Brand Fund. The Company considers certain pre-opening activities and the franchise rights and related ongoing services to represent two separate performance obligations. The franchise fee revenue has been allocated to the two separate performance obligations using a residual approach. The Company has estimated the value of performance obligations related to certain pre-opening activities deemed to be distinct based on cost plus an applicable margin, and assigned the remaining amount of the initial franchise fee to the franchise rights and ongoing services. Revenue allocated to preopening activities is recognized when (or as) these services are performed, no later than the opening date. Revenue allocated to franchise rights and ongoing services is recognized on a straight line basis over the contractual term of the franchise agreement as this ensures that revenue recognition aligns with the customer's access to the franchise right. Renewal fees are recognized over the renewal term of the respective franchise from the start of the renewal period. Transfer fees are recognized over the contractual term of the franchise agreement.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Revenue Recognition (continued)****Brand fund revenue**

The Company started its brand fund in 2021 to promote general brand recognition of the services, and products sold by its franchisees and affiliates. Funds are collected from franchisees and affiliates based on an agreed-upon percentage of their monthly gross revenue and used to pay costs of, or associated with, marketing, advertising, digital marketing, contact tracing, promotions, brand building, commercial business development, retail growth strategies including merchandising, the look and feel of displays, merchandise, public relations and costs to administer the brand fund. Although brand fund revenue is not a separate performance obligation distinct from the underlying franchise right, the Company acts as the principal as it is primarily responsible for the fulfillment and control of the brand fund services. As a result, the Company records brand fund contributions in revenue and related brand fund expenditures in expenses in the statements of operations. When brand fund revenue exceeds the related brand fund expenses in a reporting period, brand fund expenses are accrued up to the amount of the brand fund revenue recognized. Brand fund revenue is contributed by franchisees and affiliates based on one percent of the THB outlets' gross sales and is recognized as earned.

Other revenue

Other revenue consists of other fee revenue and is recognized when earned.

Advertising and marketing

All costs associated with advertising and marketing are expensed in the period incurred.

Compensated Absences

The Company's personnel policy provides employees with regular leave for any approved personal reasons. Holidays, leaves of absence, jury duty, or military duty is not considered personal leave and is not counted against employees accrued leave. Employees with at least one year of service accrue 80 hours of leave on January 1. Any unused leave of absence as of December 31, is paid to the employees, on their first check in January. As of December 31, 2023 and 2022, the Company accrued an amount of \$34,467 and \$37,148 for any unused leave of absence, respectively. These amounts are included in accounts payable and accrued expenses on the balance sheets.

Leases

The company accounts for leases under ASC 842. Lease arrangements are determined at the inception of the contract. Operating leases are included in operating lease right-of-use ("ROU") assets, operating lease liabilities and long-term operating lease liabilities on the balance sheet. Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. As most leases do not provide an implicit rate, we use an incremental borrowing rate based on the information available at commencement date in determining the present value of future payments. The operating lease ROU assets also includes any lease payments made and excludes lease incentives and initial direct costs incurred. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. Lease expense for minimum lease payments is recognized on a straight-line basis over the lease term.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Income Taxes**

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay Federal corporate income taxes on its taxable income. Instead, the stockholders are taxed on the Company's taxable income. Therefore, no provision or liability for federal income taxes has been included in the financial statements. The Company recognizes income tax related interest and penalties in interest expense and other general and administrative expenses, respectively.

The Company files income tax returns in the U.S. federal jurisdiction and the states in which it operates. The Company is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Company believes it is no longer subject to income tax examinations for years prior to 2020.

In accordance with FASB ASC 740-10, *Income Taxes*, the Company is required to disclose uncertain tax positions. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Company's financial condition, results of operations or cash flows. Management's determination of the taxable status of the entity, including its status as an S Corporation, a pass through entity, is a tax position that is subject to consideration of uncertainty. The Company believes it has complied with all regulations required to maintain its status as an S Corporation and more likely than not, this status would hold up under examination. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2023 and December 31, 2022.

Recently Adopted Accounting Pronouncements

In June 2016, the FASB issued ASU No. 2016-13, "Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments", and subsequent amendments to the initial guidance, ASU 2019-10. This accounting standard changes the methodology for measuring credit losses on financial instruments, including trade accounts receivable, and the timing of when such losses are recorded. ASU No. 2016-13 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2022. The Company adopted this standard as of January 1, 2023, using the modified retrospective approach and it did not have a material impact on its financial statements.

Recent Accounting Pronouncements

In March 2023, the FASB issued ASU No. 2023-01, "Leases (Topic 842): Common Control Arrangements", and subsequent amendments to the initial guidance, ASU No. 2016-02. This accounting standard updates response to private company's stakeholders concerns about applying Topic 842 to related party arrangements between entities under common control. ASU No. 2023-01 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2023 with early adoption permitted. The Company is currently evaluating the impact of adopting ASU No. 2023-01 on its financial statements.

We reviewed other significant newly-issued accounting pronouncements and concluded that they either are not applicable to our operations or that no material effect is expected on our financial statements as a result of future adoption.

EXHIBIT H

AREA DEVELOPMENT AGREEMENT

This AREA DEVELOPMENT AGREEMENT (this “Agreement”) is made and entered into as of _____ (the “Effective Date”) by and between Casey Hawkins, Inc., an Oregon corporation (“THB”) and _____ (“Developer”).

RECITALS

THB and Developer (or its Affiliate) intend to execute or have executed a Franchise Agreement, pursuant to which Developer will operate its first THB outlet in the Development Area (the “Franchise Agreement”). Developer wishes to operate said outlet and also to develop additional THB outlets in the Development Area, all according to the terms and conditions set forth below.

1. Definitions.

Any capitalized terms used but not defined herein will have the meanings assigned to them in the Franchise Agreement. Unless otherwise stated, a reference to a “Section” is to a section of this Agreement, and a reference to an “Exhibit” or “Schedule” is to an exhibit or schedule to this Agreement. All definitions apply equally to plural and singular defined terms.

2. Area Development Right.

- 2.1 Grant of Area Development Right. THB grants to Developer the right to develop THB outlets, solely within the Development Area and during the term of this Agreement, both as set forth on Exhibit 2.1. To the extent that the Development Area is defined according to any city, county or political subdivision, the Development Area is fixed as of the Effective Date, and any subsequent change in the boundaries of such city, county or political subdivision will not effect a change in the Development Area.
- 2.2 Limits on Grant of Area Development Right. The grant of the area development right under Section 2.1 does not include any license to use the Proprietary Marks or the THB System, such license being granted only pursuant to the individual franchise agreements executed for each THB outlet.
- 2.3 Effect on Franchised Locations. As stated in the Franchise Agreement, during the term of this Agreement, the Area Development Right supersedes the more limited grant of territorial exclusivity associated with each individual franchised location.
- 2.4 Exclusivity of Area Development Right. During the term of this Agreement, THB will not operate, or grant a license or franchise to a third party to operate, a THB outlet within the Development Area; provided, however, that any THB outlet already in operation within the Development Area on the Effective Date may continue to operate during the term of this Agreement. Nothing in this Agreement will in any way restrict THB’s right to (a) own or operate, or grant a

franchise to operate, THB outlets outside the Development Area, (b) advertise products and services using the Proprietary Marks in any medium as part of a national, regional, or local advertising campaign, or (c) to produce, license, distribute or market products using the Proprietary Marks, including without limitation prepackaged food and beverage products, clothing, souvenirs and novelty items, at or through any location or outlet other than a THB outlet (whether or not located within the Development Area), and through any distribution channel, at wholesale or retail, including by means of mail order catalogs, direct mail, Internet marketing and other distribution channels.

3. Development Obligation.

- 3.1** Development of New THB Outlets. During the term of this Agreement, Developer will acquire the rights to premises for, equip, and open at least the number of THB outlets specified on Exhibit 2.1, within the Development Area. Developer will satisfy the requirements of this Section if premises have been leased or purchased, and a franchise agreement has been signed, for the last THB outlet necessary to meet Developer's obligation, no later than 90 days before the end of the term of this Agreement.
- 3.2** Force Majeure. If Developer is unable to satisfy the development obligation under Section 3.1 due to strike, riot, civil disorder, war, failure of supply, fire, flood, earthquake, natural catastrophe or other similar events beyond Developer's control, then upon notice to THB, the term of this Agreement will be extended for a corresponding period, not to exceed 180 days.
- 3.3** No Right to Open Additional Outlets. The Developer may not, without express agreement in writing by THB, open THB outlets in the Development Area in excess of the number specified on Exhibit 2.1.

4. Term and Termination.

- 4.1** Term. This Agreement will be coterminous with the Development Period, as set forth on Exhibit 2.1.
- 4.2** Expiration. The term of this Agreement will expire upon the execution of the franchise agreement for the last THB outlet necessary to meet Developer's obligation under Section 3.1, unless THB has agreed in writing to extend the term to permit the development of additional THB outlets in the Development Area pursuant to Section 3.3.
- 4.3** Default for Insolvency. Subject to Section 4.4.7 below, Developer will be in default upon an Insolvency Event. Each of the following is an "Insolvency Event." Developer becomes insolvent or makes an assignment for the benefit of creditors; if a voluntary petition in bankruptcy is filed by Developer, or if an involuntary petition is filed against and consented to by Developer or is not dismissed within sixty (60) days; if Developer is adjudicated as bankrupt; if a bill in equity or other proceeding for the appointment of a receiver of Developer or other custodian for Developer's business or assets is filed and is consented to by Developer or is not dismissed within sixty (60) days; if a receiver or other

custodian is appointed, or if a proceeding for composition with creditors under any state or federal law is instituted by or against Developer; or if the real or personal property of Developer is sold at levy thereupon by any sheriff, marshal, or constable.

- 4.4** Termination for Cause. If Developer materially breaches this Agreement by failing to perform, observe, or comply with any of its material duties and obligations under it, Developer will be in default. A material breach includes, but is not limited to, any of the following:
- 4.4.1 Developer's failure to identify and secure the rights to an acceptable location for the first THB outlet in the Development Area, and execute the Franchise Agreement for said outlet, within ninety (90) days of the Effective Date;
 - 4.4.2 A material breach of any franchise agreement between THB and Developer or its Affiliated franchisee, resulting in for-cause termination of said agreement;
 - 4.4.3 A failure to meet the development obligation set out on Exhibit 2.1;
 - 4.4.4 Any breach of the covenants of noncompetition and nonsolicitation set out in Section 8;
 - 4.4.5 Any unapproved transfer in violation of Section 10.1;
 - 4.4.6 Commission of an act of fraud by Developer with respect to its rights or obligations under this Agreement; and
 - 4.4.7 Any Insolvency Event, subject to the provisions of the U.S. Bankruptcy Code, as further set forth in the Franchise Agreement.
- 4.5** Material Breach of Other Agreements. If Developer materially breaches any lease, mortgage, equipment agreement, construction contract, promissory note, conditional sales contract, or other contract materially affecting the THB Outlet to which Developer is a party or by which Developer is bound, whether or not THB is a party thereto, including but not limited to any Franchise Agreement, or any other agreement between Developer or its Affiliate and THB, Developer will be in default under this Agreement.
- 4.6** Franchise Agreements May Survive Expiration. Each of the franchise agreements between the parties is governed by its own provisions as to term, Section 4.4.1 of this Agreement notwithstanding, and the expiration of this Agreement pursuant to Section 4.2 will not terminate the franchise agreements between the parties.

5. Site Selection and Approval Process.

- 5.1** Site Proposal. Developer will initiate the process for opening a new THB outlet by proposing at least one, but not more than ten, potential sites within the Development Area, using the site analysis form provided by THB. THB will evaluate the proposed site(s) and determine, in its sole discretion, whether any

proposed site(s) is/are acceptable. Developer will not enter into an agreement to lease or purchase a proposed site unless and until the site has been approved pursuant to Section 5.3.

- 5.2** No Site Analysis Fee. As to sites proposed by Developer, THB will waive the Site Analysis Fee, and THB will not charge a fee to evaluate proposed sites for THB outlets in the Development Area. Developer will not be required to execute a Site Analysis Agreement or pay the Site Analysis Fee. If the location of the first THB Outlet to be opened by Developer has not been determined or approved by THB as of the Effective Date of this Agreement, then the location of the first THB Outlet to be opened in the Development Area is the Premises for purposes of the Franchise Agreement.
- 5.3** Prompt Decision on Proposed Sites. THB will respond to a site proposal by approving, disapproving, or requesting additional information within thirty days of receipt of the proposal. If THB does not respond to a site proposal within thirty days of its receipt of the proposal or additional information thereto, the proposal is deemed rejected. Approval of a proposed site by THB does not constitute a representation by THB that a THB outlet at the proposed site will be successful or profitable, and Developer will not rely on THB's approval as such a representation.
- 5.4** Execution of Franchise Agreement. Area Developer will execute the Franchise Agreement for the first THB Outlet to be opened by Area Developer at the same time as Area Developer executes this Agreement. For subsequent Outlets, following approval of a proposed site within the Development Area, Developer will enter into THB's then-current form of franchise agreement for the THB Outlet to be located at that site, provided however that differences between the Franchise Agreement and the then-current form of franchise agreement will be restricted to THB's implementing any reasonable system-wide changes relating to its operations, products or administration, and also limited by THB's obligations of good faith and fair dealing.
- 5.5** Opening of THB Outlet. Developer must equip and open the new THB outlet on the approved site, or another approved site, within one year of the execution of the franchise agreement for that site.

6. Franchise Fees.

- 6.1** One Third Due at Signing. One third of the Franchise Fee (\$10,000) is due and payable upon execution of this Agreement for each outlet to be opened in fulfillment of Developer's obligations under Section 3.1, except that the full Franchise Fee (\$30,000) is due on the execution of the franchise agreement for the first such THB outlet. The one third of the Franchise Fee (\$10,000) down payment on the locations to be developed is deemed fully earned when paid and is non-refundable.
- 6.2** Two Thirds Due on Execution of Individual Franchise Agreements. The balance of the Franchise Fee (\$20,000) for each outlet to be opened in fulfillment of

Developer's obligations under Section 3.1 is due and payable in full on execution of the franchise agreement for each such location. THB reserves the right to increase the Franchise Fee for outlets in excess of the number of outlets set forth on Exhibit 2.1, if THB agrees to allow Developer to open such additional outlets.

7. Training and Opening Assistance.

- 7.1** Training for the First THB Outlet. Training and opening assistance for the first THB outlet to be opened by Developer will be as set forth in the Franchise Agreement.
- 7.2** Training for Subsequent THB Outlets. For each subsequent THB outlet, THB will, at Area Developer's Option, provide training for a designated store manager, on the terms set forth in the Franchise Agreement, but THB will not be obligated to assist with the opening.

8. Noncompetition.

- 8.1** Definition of Competition. For purposes of this Section 8, "competition" means (a) diverting business to any competitor of THB, by direct or indirect inducement or otherwise; (b) performing any other act injurious or prejudicial to the goodwill associated with the THB Marks or the THB System; and (c) the operation of, or assisting in the operation of, a drive-thru coffee store the same as or similar to a THB Outlet, other than pursuant to a franchise agreement with THB, within a geographical area consisting of (1) during the term of this Agreement, anywhere, and (2) after termination of this Agreement, a ten (10) mile radius from the location of the formerly franchised drive-thru, and a ten (10) mile radius from the location of any THB espresso drive-thru then in operation or actively under development by THB or its licensees or franchisees.
- 8.2** Blue Pencil. If a judicial or quasi-judicial authority called upon to enforce this Section 8 deems any of its provisions to be unenforceable by reason of its scope or extent, the parties intend that such authority should enforce such provision to the maximum extent permitted by applicable law, and that the remainder of this Agreement should be valid and unaffected by the exercise of such authority.
- 8.3** Noncompete and Non-solicitation Covenants. During the term of this Agreement, and for a period of two (2) years after its expiration or termination, Developer will not (a) Compete with THB, except as authorized in writing by THB, or (b) employ or seek to employ any employee of THB or of any THB franchisee or developer, for a period of at least one (1) year following the non-employment of such employee. The one and two-year terms set forth in this Section 8.3 will be extended by any time consumed in litigation or arbitration required to enforce it, including any appeals. For purposes of this Section 8.3, "Compete" means engage in business selling coffee, espresso drinks or smoothies, in any capacity, including as a franchisee, sole proprietor, partner, limited partner, member, employer, franchisor, stockholder, officer, director, or employee, except as a shareholder of less than five percent (5%) beneficial interest in the stock of any publicly traded corporation.

- 8.4** Irreparable Harm. Developer acknowledges that any violation of the terms of this Section 8 could cause irreparable harm to THB, entitling THB to injunctive relief. Developer agrees that the existence of any claims it may have against THB will not constitute a defense to the enforcement by THB of the provisions of this Section 8.

9. Developer's Reporting Requirements

- 9.1** Routine Reporting & Control Group. If Developer is a legal entity, Developer represents that all of the natural persons in the Control Group have been disclosed to THB as potential guarantors, and will remain for the entire term of this Agreement the only persons entitled to share in any profits from Developer, unless there is an approved Transfer pursuant to Section 10 below or as otherwise expressly permitted by this Agreement. "Control Group" includes: (i) all holders of a legal or beneficial interest of 10% or more ("10+ Owners") in Developer; (ii) if Developer is a limited partnership, all 10+ Owners of Developer's general partner; and (3) all 10+ Owners of any corporation or limited liability company that owns a controlling interest in Developer. Before execution of this Agreement, and as needed throughout its term, Developer will provide to THB copies of documents and information relating to the following, and any proposed changes thereto:

- The members of the Control Group;
- The organizational documents of all legal entities in the Control Group; and
- Developer's loans, to the extent they are collateralized by the construction, building, equipment, or other tangible assets used in the operation or construction of any franchised THB Outlet. Developer will not grant any security interest in a THB drive-thru or the assets used in its operation without THB's prior written approval, which will not be unreasonably withheld. THB's approval may be conditioned on the written agreement by the secured party that, in the event of a default by you, THB will have the right and option (but not the obligation) to purchase the rights of the secured party on payment of all sums then due. If Developer (or any member of its Control Group) finances any part of the price paid in connection with the Transfer, the provider of the financing must stipulate that all obligations of the proposed Transferee, and any security interests retained in the assets being transferred, will be subordinate to the proposed Transferee's obligations to: (1) pay all amounts due to THB; and (2) otherwise comply with this Agreement and all other agreements with THB.

- 9.2** Crisis Events. Developer will immediately notify THB of any Crisis Event, and fully cooperate with THB to ensure that all communications to the public, press or media about the Crisis Event (except as directed by governmental agencies of competent jurisdiction) are made through THB in consultation with its advisers.

“Crisis Event” means any event that involves Developer, and either (i) involves actual or dangerously heightened risk of harm or injury to customers, guests or employees, or (ii) attracts an unusual degree of attention to the brand or to the franchised business. Examples of Crisis Events include major crimes, fires, and all other such newsworthy events. Developer will immediately contact appropriate emergency care providers to assist it in curing any harm or injury from a Crisis Event. To the extent such action is warranted by the Crisis Event, THB will conduct all communication with the news media. THB may engage the services of third party professionals to address the Crisis Event, and Developer will cooperate fully with THB in this regard.

10. Assignment and Transfer.

- 10.1** Definition of Transfer. “Transfer” means any act or circumstance by which ownership or control in Developer is shifted in whole or in part from any individual or legal entity to another, including, if Developer is itself a legal entity, any changes to the ownership of the stock or membership units or partnership shares of such entity as of the Effective Date of this Agreement. A Transfer also includes the issuance of additional stock or membership units in Developer or in any member of its Control Group and, if Developer is a de facto partnership or legal entity, any change in or addition of partners, shareholders or members, except as expressly permitted by this Section 10. The Control Group of Developer will at all times own at least 51% of the voting securities, membership interests, operating profits and losses, or other ownership interests (as applicable) in Developer. All members of the Control Group and their spouses (as applicable) will jointly and severally guarantee Developer’s payment and performance under this Agreement using the form of Guaranty Agreement attached. THB reserves the right to require any guarantor to provide personal financial statements to THB from time to time. If any 10+ Owner is a legal entity, the Guaranty will be executed by all individuals in that entity’s Control Group.
- 10.2** Buy-Sell Agreement for Corporate Ownership of Developer. If Developer is a legal entity with more than one owner, then upon the dissolution of such entity, or upon any decree of divorce between parties that are also members of its Control Group, ownership of the shares or units affected will be transferred, for agreed-upon consideration, to that shareholder, partner or member having primary responsibility for operations, sales and marketing activities. The form and content of the buy-sell agreement will be submitted to THB for its approval before execution.
- 10.3** Assignment of Area Development Rights. THB is entering into this Agreement based upon its knowledge of and faith in the ability of Developer. Therefore, this Agreement and all the rights granted by it are not transferable by Developer, except with the prior consent in writing of THB, not to be unreasonably withheld.
- 10.4** Assignment by THB. This Agreement will inure to the benefit of the successors and assigns of THB. THB may assign its rights and obligations under this Agreement to any person or entity, provided that the assignee agrees in writing to

assume, at minimum, all obligations and liabilities of THB to Developer that arise after the closing date of the assignment of this Agreement by THB. Upon such assignment and assumption, THB will be under no further obligation under this Agreement, except for accrued liabilities, if any, not assumed by THB's assignee.

11. General Provisions.

- 11.1 Communications.** Developer will maintain a dedicated telephone number and email address for the administration of its business and communications with THB. Developer will not be required to pay any fee to THB for communicating with THB.
- 11.2 Indemnity.** Developer will indemnify, defend, and hold THB and its officers, directors, agents and employees harmless from and against all third-party suits, proceedings, claims, causes of action, demands, or liabilities of any kind or of any nature arising out of or in connection with Developer's operations or those of its Affiliate franchisees, unless caused by the gross negligence or willful misconduct of THB.
- 11.3 Independent Contractors.** The relationship between THB and Developer is that of independent contractors. Developer is not a partner, joint venturer, agent, or employee of THB. Developer has no authority to bind THB to any contractual obligation or incur any liability for or on behalf of THB. Developer will identify itself as independent in all dealings with customers, lessors, contractors, suppliers, public officials, employees, and others. Developer will place notices of its independent ownership (or that of its Affiliated franchisees) on its forms, stationery, advertising, and other business materials.
- 11.4 Governing Law & Dispute Resolution.** This Agreement will be governed by the substantive law of the State of Oregon without regard to conflicts-of-law rules; provided, however, that the Federal Arbitration Act will govern the provisions respecting arbitration and arbitrability. Any dispute arising out of or relating to this Agreement which cannot be settled by mutual agreement of the parties, other than an application for a temporary restraining order, preliminary injunction or similar emergency injunctive relief to prevent irreparable harm, will be finally and conclusively settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("Rules"); provided, however, that: (a) the arbitration will take place in Portland, Oregon; (b) there will be a panel of three (3) arbitrators (collectively, the "Tribunal"), with each party selecting one (1) arbitrator and the third arbitrator to be appointed by the other two arbitrators in accordance with the Rules; (c) the arbitration will be conducted in the English language; (d) the Tribunal will use reasonable efforts to schedule all matters regarding the arbitration so that the arbitration progresses in a timely fashion; (e) subject to legal privileges, each party will be entitled to discovery in accordance with the Federal Rules of Civil Procedure; (f) at the arbitration hearing, each party may make written and oral presentations to the Tribunal, present testimony and written evidence and examine witnesses; (g) the Tribunal will not have the power to award punitive damages; (h) the Tribunal will issue a written decision explaining the basis for such decision; (i) the Tribunal may not

make any award that is inconsistent with any express term of this Agreement and may not use the equitable powers provided by the Rules to modify the express terms of this Agreement in any way; (j) such decision will be final, binding and enforceable in any court of competent jurisdiction; (k) the parties will share equally any fees and expenses of the Tribunal and of the American Arbitration Association, provided that the Tribunal will have the authority to award, as part of the arbitrator's decision, to the prevailing party its costs and expenses of the arbitration proceeding, including reasonable attorneys' and experts' fees; and (l) the parties agree that the arbitration proceedings and any decision and award of the arbitrator will be kept confidential and not be disclosed to third parties, except as necessary to enforce or effectuate the terms of such decision or award. Likewise, to the extent any dispute between the parties is litigated rather than arbitrated, the prevailing party will be entitled to an award of its costs and expenses, including reasonable attorney's and expert's fees, both at trial and on appeal.

- 11.5** Notices. All notices specified by this Agreement or required by law must be in writing and given by: (i) personal delivery, (ii) certified mail, return receipt requested; (iii) any professional courier service that provides tracking for such shipment; or (iv) electronic mail, unless the sender receives a reply message stating that the original message was not delivered or not deliverable. Notice will be directed to the address(es) set forth at the beginning of this Agreement or to such other address(es) as the parties may designate in writing. Notice will be deemed received when actually left in the custody of an adult agent, employee, or resident at a place of business or residence if given by personal delivery, certified mail or courier, and when sent in the case of deliverable electronic mail. Each party will provide the other with updated contact information whenever changes occur.
- 11.6** Compliance with the Laws. The parties intend that the terms of this Agreement and their relationship should comply with all applicable laws, ordinances, and regulations. Further, during the term of and with respect to their performance under this Agreement, each party will remain in compliance with all applicable laws, ordinances and regulations.
- 11.7** Integration and Priority. This Agreement, together with the Franchise Agreement and subsequent franchise agreements, constitutes the entire agreement between the parties as to its subject matter and supersedes all prior communications, representations, and agreements, oral or written, of the parties with respect to its subject matter. No oral or other written understandings or agreements exist between the parties relating to the subject matter of this Agreement. In the event of a conflict between this Agreement and the Franchise Agreement or any other franchise agreement between the parties, the terms of this Agreement will be controlling. Nothing in this Agreement or any related agreement is intended to disclaim representations made in the Franchise Disclosure Document.
- 11.8** Modification. No modification or extension of this Agreement will be valid unless in writing and signed by both parties.

- 11.9** Interpretation. The section and paragraph headings of this Agreement are for the convenience of the reader only, and are not intended to act as a limitation of the scope or meaning of the sections and paragraphs themselves. This Agreement will not be construed against the drafting party.
- 11.10** Approvals. Except when this Agreement expressly obligates THB reasonably to approve or not unreasonably to withhold its approval of any action or request by Developer, THB has the absolute right to refuse any request by Developer or to withhold its approval of any action that requires its approval.
- 11.11** Severability and Waiver. The invalidity of any term or provision of this Agreement will not affect the validity of any other provision. The parties intend that if any of the terms, conditions, or provisions of this Agreement violates applicable law, such terms, conditions, or provisions will be deemed not a part of this Agreement, and the remainder of this Agreement will remain in full force and effect. Waiver by any party of strict performances of any provision of this Agreement will not be a waiver of or prejudice any party's right to require strict performance of the same provision in the future or of any other provision of this Agreement.
- 11.12** No Waiver of State Law Claims by Developer. No statement, questionnaire, or acknowledgment signed or agreed to by a developer in connection with the commencement of the area development relationship will have the effect of waiving any claims under any applicable state franchise law, including for fraud in the inducement.
- 11.13** No Third Party Beneficiaries. Except as set forth in the Guaranty of Area Development Agreement (Exhibit 11.12), this Agreement creates no third party rights or obligations between THB or Developer and any other person. It is understood and agreed that the parties do not intend that any third party should be a beneficiary of this Agreement.
- 11.14** Counterparts. This Agreement may be executed in multiple counterparts, all of which together will constitute one agreement, even though all parties do not sign the same counterpart.
- 11.15** Clauses that Survive Termination. The obligations set out in Sections 8.1, 8.3, 8.4, 11.2, 11.4, 11.9, 11.11, and such other provisions as by their nature are intended to survive, will survive termination of this Agreement.

12. Representations & Warranties.

- 12.1** Execution by Authorized Parties. Each party represents and warrants that the person(s) signing this Agreement have full power and authority to do so and that entering into this Agreement is not a breach of or contrary to any other agreement. Developer represents that all members of its Control Group are signing this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this AREA

**AREA DEVELOPMENT AGREEMENT
ILLINOIS ADDENDUM**

Illinois law governs Franchise Agreements for locations made in Illinois pursuant to this ADA.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement or area development agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement or area development agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Disclosure Act or any other law of Illinois is void.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Amendment

Section 6 of the Area Development Agreement is amended as follows:

Section 6.1 is amended by deleting the phrase “except that the full Franchise Fee (\$30,000) is due on the execution of the franchise agreement for the first such THB outlet” and substituting it for:

except that the full Franchise Fee (\$30,000) is due when the Developer has opened such THB Outlet, or the Illinois Attorney General has lifted its deferral requirement, whichever is sooner.

Section 6.2 is amended by deleting the first sentence and substituting:

The balance of the Franchise Fee (\$20,000) for each outlet to be opened in fulfillment of Developer’s obligations under Section 3.1 is due when the Developer has opened such THB Outlet, or the Illinois Attorney General has lifted its deferral requirement. The Illinois Attorney General’s Office imposed this deferral requirement due to Franchisor’s financial condition.

The undersigned acknowledges receipt of this Illinois Addendum to the Area Development Agreement.

Washington Addendum to Area Development Agreement

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Area Development Agreement in your relationship with the franchisor including the areas of termination and renewal. There may also be court decisions which may supersede the Area Development Agreement in your relationship with the franchisor including the areas of termination and renewal.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Area Development Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Area Development Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Area Development Agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement,

or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The undersigned acknowledges receipt of this addendum.
