The franchise is for a GBC Food Services, LLC, d/b/a Yummi Go Gourmet kiosk. The Franchisor (as defined below) has developed and owns a distinctive system relating to the establishment and operation of sushi, dumpling and/or other Pan-Asian food (in such combination as the Franchisor may determine is appropriate) kiosks utilizing the trade name, Yummi Go Gourmet, and the brand names, Yummi Sushi, Yummi Sauces, Toshimi, Calmon and Sushi Sara. These kiosks are generally located at third-party locations, typically upscale supermarkets, hotels, cafeterias, and university facilities, that in most instances will be sourced by the Franchisor and under leases, licenses or other rights to occupy such establishments between the owner/manager of the establishment and the Franchisor. At the kiosks, Franchisees (as defined below) prepare their dishes daily with such elements as seasoned rice, crisp-sliced vegetables and seafood that are professionally displayed in ready-to-go containers for the Franchisee's customers to purchase through the establishment's point of sale infrastructure, either to take with them or to consume at the establishment's shared common areas.

The total investment necessary to begin operation of a Yummi Go Gourmet franchise is \$26,370 – \$279,320. What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees to the Franchisor, even if your franchise is losing money.

Business model can change. The Franchise Agreement may allow the Franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the Franchisor or a limited group of suppliers that the Franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the Franchise Agreement grants you a territory, the Franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends, even if you still have obligations to your landlord or other creditors.

Some States Require Registration.

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in **Exhibit D**.

Your state also may have laws that require special disclosures or amendments be made to your Franchise Agreement. If so, you should check the “**State Specific Addenda**”. See the Table of Contents for the location of the “**State Specific Addenda**” in this document.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The Franchise Agreement requires you to resolve disputes with the Franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the Franchisor in Texas than in your own state.

Short Operating History. The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.

Some States Require Registration. Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor:

The Franchisor is GBC Food Services, LLC, referred to in this disclosure document as “Franchisor”, “Yummi”, “we”, “us” or “our.” We refer to the person interested in buying a franchise as “Franchisee”, “you” or “your.” If you are a corporation, partnership, limited liability company or other entity, certain provisions of the Franchise Agreement will apply to your entity’s owners. These will be addressed in this disclosure document where appropriate.

We were organized as a Texas limited liability company on May 17, 2011. Our principal offices are located at 251 Renner Pkwy., Richardson, Texas 75080 and our telephone number is (972) 402-9498. Our agents for service of process are listed in **Exhibit B**.

Franchisor, as the result of the expenditure of time, skill, effort and money, has developed and owns a unique and distinctive system (the “System”) relating to the establishment and operation of food kiosks/workspaces (“Yummi Kiosks”) which sell sushi, dumplings and/or other Pan-Asian food (in such combination as Franchisor may determine is appropriate). Yummi Kiosks are generally located at the premises of third-parties (the “Hosts”), typically upscale supermarkets (“Host Locations”), that in most instances are sourced by Franchisor and under leases, licenses or other rights to occupy such Host Location (“Occupancy Agreements”) between the Host and Franchisor.

We do business under our company name, under the name Yummi Go Gourmet, and under the Proprietary Marks (as defined below). As of the issuance date of this Franchise Disclosure Document, we have 358 Yummi Kiosks in twenty-one (21) states, including six (6) operated by us directly.

The Franchise Offered:

We offer qualified applicants a franchise arrangement for Yummi Kiosks.

General Market; Competition:

The market for food kiosk services is well established. The food service business is highly competitive based on price, service, location and food quality, and is often affected by changes in consumer tastes, economic conditions, population, traffic patterns and the customer base of the Host Location. Yummi Kiosks will compete in each market with locally owned restaurants and other kiosks, as well as with national and regional restaurants.

Industry Specific Regulations:

In addition to the laws, regulations and ordinances applicable to businesses generally, like the Americans with Disabilities Act, Federal Wage and Hour Laws, the Immigration Reform and Control Act of 1986, and the Occupation, Health and Safety Act, you should consider that certain aspects of the Yummi Kiosk are heavily regulated by federal, state and local laws, rules and ordinances. The U.S. Food and Drug Administration and the U.S. Department of Agriculture, as well as state and local departments of health and other agencies, have laws and regulations concerning the preparation of food and sanitary conditions of food service facilities. State and local agencies routinely conduct inspections for compliance with these requirements.

Our Affiliates and Predecessors:

Our affiliate, Supreme Service Solutions, (“SSS”) has offered deli kiosk franchises and cut vegetable and produce-preparation kiosk franchises since 2022 and 2023, respectively. As of the issuance date of this Franchise Disclosure Document, SSS has sold an aggregate of approximately 307 deli kiosk franchises and produce kiosks franchises. SSS’s principal business address is 251 Renner Pkwy., Richardson, Texas 75080.

Franchisor does not have any predecessor (*i.e.*, another person or entity (i) from whom Franchisor acquired substantially all of such person’s or entity’s liabilities and obligations or (ii) that was restructured to become the Franchisor (whether by merger or otherwise)).

Administrative Proceeding filed by the State of Maryland Securities Commissioner (the “Securities Commissioner”) concluding that, between April 2022 and May 2024, we violated the Maryland Franchise Registration and Disclosure Law (the “Maryland Franchise Law”), by entering into five (5) franchise agreements with three (3) individuals who are Maryland residents without (i) being registered with the Securities Division of the Office of the Attorney General of Maryland (the “Securities Division”) to offer and sell franchises, and (ii) providing such franchisees with a franchise disclosure document prior to the offer and sale of a GBC franchise. On October 29, 2025, we executed a Consent Order (the “Consent Order”) with the Securities Commissioner, whereby we agreed to (i) cease and desist from the offer and sale of franchises in violation of the Maryland Franchise Law; (ii) provide an unconditional refund of the initial start-up fee and renewal fee that any Maryland franchisee paid GBC; (iii) send to each of the Maryland franchisees a copy of the Consent Order and a cover letter advising that such Maryland franchisee is not subject to the non-compete and any other post-termination provisions under the franchise agreement such Maryland franchisee signed and that we are paying the aforementioned refund in settlement of an administrative proceeding that the Securities Division may bring; and (iv) remit to the Securities Division a civil monetary penalty in the amount of \$1,500.

In the Matter of the State of Washington Department of Financial Institutions Securities Division v. GBC Food Services, LLC d/b/a Yummi Sushi (Order No. S-25-3964-25-CO01). Proceeding filed by the State of Washington Department of Financial Institutions Securities Division (the “Securities Division”) concluded that GBC violated (i) the Washington Franchise Investment Protection Act (the “WFIPA”) and (ii) the previous Consent Order (the “Initial Consent Order”) dated August 31, 2021, by offering for sale and selling at least 144 unregistered Yummi Sushi franchises to residents of the State of Washington, during the period of time where GBC’s franchise registration with the State of Washington had lapsed, constituting unauthorized sales of franchises within the State of Washington without required disclosure. The Securities Division also concluded that GBC violated the anti-fraud provisions of WFIPA by omitting material facts to franchisees. On October 7, 2025, GBC executed a second Consent Order (the “Second Consent Order”) with the Securities Division, whereby we agreed to (i) cease and desist from the offer and sale of franchises in violation of the WFIPA, (ii) pay a civil penalty of \$20,000, and (iii) pay all investigative costs consisting of \$5,000 to the Securities Division.

ITEM 4
BANKRUPTCY

ITEM 5

INITIAL FRANCHISE FEES

If you are franchising only one Yummi Kiosk, when you sign the Franchise Agreement, you will pay us an initial franchise fee of up to \$50,000 (minimum of \$5,000) (“Initial Franchise Fee”). The amount of the Initial Franchise Fee is determined based upon factors such as expected sales based on historical average weekly sales data collected by Franchisor, geographic location of the proposed Sushi Kiosk, seasonality, and other considerations that may influence the expected results of the franchised business.

If we exercise our right to terminate the Franchise Agreement during the first year of the Franchise Agreement for any reason other than a default as set forth in Article 14 of the Franchise Agreement, we (i) will refund to you an amount equal to the Initial Franchise Fee actually paid, prorated in accordance with the number of days remaining in such first year of the Franchise Agreement; (ii) waive Section 16.3 of the Franchise Agreement; and (iii) purchase your remaining inventory and supplies at a fair market value at the time of termination. After the initial one-year term of the Franchise Agreement, we are not obligated to return any portion of the Initial Franchise Fee if the Franchise Agreement is terminated by you or us for any reason.

Initial Equipment and Supply Costs:

Before your business opens, you must purchase equipment, labels, packaging and utensils in accordance with the Franchise Manual (as defined below) from us at a total cost of \$5,000 to \$15,000 or from a supplier approved by us in writing. If so desired by you, we will provide all or a portion of the foregoing items and deduct the cost of such items from your share of the revenue of the Yummi Kiosk until we have been fully reimbursed. These costs are nonrefundable. Additionally, there will be a rental fee of \$100 per month for the labeling machine provided by Franchisor.

Initial Inventory Cost:

At the opening of your business, we anticipate the cost of inventory you will need for the first month of operations to be between \$4,500 to \$42,000 depending on the estimated sales volume for your franchise at the Host Location. Sales volume is based on our analyses of the geographic location of your franchise, the average number of customers who shop at the Host Location on a daily basis, the demographics of the area in which the Host Location typically draws its customers, including information regarding average income levels, household size, age of the area’s residents and the likelihood of the area’s residents to be customers for Franchisor’s products. Franchisor will provide Franchisee with a payment card (if qualified for the use of such payment card or other financing) to use to pay for all of Franchisee’s inventory; provided that Franchisee must use the payment card or other financing (if provided) to only purchase such inventory. Franchisor will withhold the current amount due on the card from each Franchisee Payment (defined below); provided, that it is the intention, but not an obligation, that Franchisor will not withhold more than 25% of the Franchisee Payment at the time such payment is made to Franchisee. In accordance with the Franchise Agreement, the Franchisee shall at all times remain obligated to repay (in combination with the funds withheld from the Franchisee Payment) the card in full, including if the funds withheld by Franchisor are insufficient to repay the card in full. This payment card will be issued by a financial institution selected by Franchisor, and amounts drawn on this payment card will accrue interest at such financial institution’s then-applicable interest rate.

The management fee is also compensation to us to help offset the costs of our periodic onsite supervisory visits to your location by our personnel. Such costs include the expenses we incur for our supervisory personnel for travel, lodging, meals, completion of reports, and other administrative expenses. The frequency of such visits may depend on the volume of sales experienced by a franchisee as well as the results of the last inspection conducted by Franchisor.

Notes:

¹ All fees and expenses described in this **Item 6** are nonrefundable. Unless we have otherwise indicated in the preceding chart, all fees and expenses are imposed by, and are payable to, us. Generally, all fees are uniformly imposed on our Franchisees, but we may, in our sole discretion, negotiate some other type or amount of fees under certain circumstances. Additionally, as an alternative to termination of the Franchise Agreement in the event of a breach by you of the Franchise Agreement, we may apply a progressive warning and fine structure in accordance with our then-current Franchise Manual (the “Franchise Manual”). Except as specifically stated above, these amounts may be subject to increases based on changes in market conditions, our cost of providing services, and future policy changes. Monthly payments must be paid by the tenth (10th) day of each month. You may not withhold or offset payments based on our alleged non-performance under the Franchise Agreement. We may, however, offset any and all fees and other amounts due us from you against all Franchisee Payments owed to you; provided, however, that Franchisor intends to not deduct more than twenty-five percent (25%) (although Franchisor may deduct more than twenty-five percent (25%) in its sole discretion) of the Franchisee Payment owing to Franchisee to apply against amounts owed to Franchisor by Franchisee (including the Franchise Fee). If any payment is overdue, you must pay us the overdue amount plus interest from the due date at the rate stated in the table above and at our option we may charge a five percent (5%) late fee. We reserve the right to require payment on a weekly basis and/or to implement electronic debiting of your account for payment.

² Advertising programs are described in greater detail in **Item 11**. You must participate in the national advertising program we designate, if any. Currently, our Franchisees are not required to participate in any national advertising program. We may implement or change the required advertising program designation periodically. Under certain limited circumstances (*e.g.*, for significant multi-unit locations, a large metropolitan area, airports or unique kiosk sites), we may modify the advertising fees for specific Franchisees in our sole discretion.

³ You must participate in any supplemental marketing programs we designate and pay for certain costs related to such programs. We may change the required supplemental marketing program designation periodically. Under certain limited circumstances (*e.g.*, a large metropolitan area or unique kiosk sites), we may modify the contributions or participation for specific Franchisees in our sole discretion.

⁴ Your indemnification obligations are subject to state law.

⁵ Renewal Fees are set as a tiered structure that is based on the average weekly sale amount for each store across the trailing 52-week history with smaller stores paying less and larger stores paying more.

⁶ As of the issuance date of this Franchise Disclosure Document, the Franchise Manual sets forth the following fine structure: (i) first warning letter \$250 fine; (ii) second warning letter \$500 fine; and (iii) third or final warning letter \$750 fine. As set forth in the Franchise Manual, franchisees may be fined for violations of the Franchise Manual. Franchisees will be provided with a current copy of the Franchise Manual, which may be amended from time to time.

⁷ A third party auditing service provides a complete inspection of the Yummi Kiosk for compliance to food safety, quality and brand specific audit criteria. These audits are required by the Host Location. The auditor will score the Yummi Kiosk, and if the Yummi Kiosk fails the inspection, a re-audit process is initiated. Franchisee will be charged the re-audit fee, in addition to any fines that may be levied as a result of violations of the Franchise Manual.

ITEM 7

Additional Funds Post-Opening (first 3 months) (See Note 5 below)	\$10,150 – \$170,600	As arranged	When due	Suppliers/ Employees/ Yummi
TOTAL	\$26,370 – \$279,320			

Notes:

¹ The above chart provides a good faith estimate of your initial investment for one Yummi Kiosk. Except as set forth in Item 10, neither Franchisor nor an affiliate provides any financing arrangement with respect to the initial investment.

² The estimate given covers the cost of kitchen equipment, small wares, like cooking, serving, and other utensils for food preparation. We require you to purchase certain kitchen equipment, including cooking, sanitizing, washing, and processing equipment that meets our specifications. What equipment is necessary will be determined by the Franchisor depending on the specifications and workspace available for the Yummi Kiosk in the Host Location.

³ The estimated cost of your initial inventory should be in the range set forth in the table above based on the analysis conducted by Franchisor as set forth in the Initial Inventory Cost set forth in **Item 5** above. For example, the low end of the range is the estimated cost to cover the initial month of supplies and other inventory at a lower volume location and the high end of the range is the estimated cost to cover the initial month of supplies and other inventory at what would be considered our highest volume location.

⁴ We provide initial training for up to five (5) of your personnel (in addition to your Managing Owner and Operating Partner). This is an estimate of the costs that you may incur for transportation, lodging and food, and wages for attendees of our initial training program. We anticipate coach travel to and from our site in Dallas, Texas to cost approximately \$600. We anticipate moderately- priced lodging in Dallas, Texas to cost approximately \$120/night for 6 nights. We anticipate three meals a day for seven days to cost approximately \$400. However, the above is dependent on travel, lodging and dining arrangements made by prospective franchisee and/or its personnel to attend training. We provided estimates only for travel with respect to our site in Dallas, Texas; however, we have training offered at various times and geographic locations during the year depending on the number of franchisees and the location of those franchisees.

⁵ This is our estimate of the amount needed to cover your expenses for the start-up phase of the business, including food and ingredient inventory (not already included in the “Initial Inventory”), payroll (Franchisee will generally need to hire one employee for every \$2,500 in weekly sales at an average cost of \$750 per week per employee), and other costs, including participation in promotional and advertising activities as the Franchisor may require. The low-end estimate is generally based upon lower sales volume locations with fewer employees, equipment inventory and other volume-dependent costs and expenses than higher volume locations will require. For the purpose of this disclosure document, we have estimated the start-up phase to be three (3) months from the date the Yummi Kiosk opens for business. These figures are estimates and we cannot assure you that you will not have additional expenses starting the Yummi Kiosk. Your actual cost will depend on factors like your management skill, experience and business acumen, local economic conditions, the local market for the Yummi Kiosk, the prevailing wage rate, competition in the marketplace, and the sales level reached during the start-up phase.

To our knowledge, none of the expenditures described above are refundable, unless otherwise indicated herein. However, some of the costs of certain supplies (*e.g.*, usable produce or non-perishable foods acquired from us or our affiliates) may be refundable upon termination of the Franchise Agreement. Except as specifically described above, the stated amounts may be subject to increases based on changes in market conditions, the cost of providing services, and future policy changes. At the present time, we have no plans to increase costs over which we have control.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases from Designated and Approved Suppliers

Products:

You must purchase all labels, food inventory, cooking equipment and utensils used or offered for sale at the Yummi Kiosk solely from us, the Host Location or a supplier previously approved by us in writing and, to the extent any products are permitted to be purchased from others, they shall be purchased by Franchisee from suppliers (including manufacturers, distributors and other sources) who demonstrate, to the continuing satisfaction of Franchisor, the ability to meet Franchisor's then-current standards and specifications for such items, who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; and who have been approved in writing by Franchisor prior to any purchases by Franchisee from any such supplier; and who have not thereafter been disapproved. Franchisor may withhold approval of any supplier in its sole discretion. In the event Franchisor approves a supplier, Franchisor will promptly notify Franchisee of such approval in writing. There is no fee associated with applying for approval of a supplier. In the event Franchisor approves franchisee to purchase any items from suppliers other than Franchisor or the Host location, you will be required to secure such supplier's signature to agreements Franchisor may require, including, without limitation, a confidentiality agreement acceptable to Franchisor, as conditions precedent to any approval by Franchisor. Franchisor does not negotiate any purchase agreement or arrangement by and between franchisees and suppliers, including the Host Location. Franchisor does not provide any material benefits to any franchisee based on the franchisee's purchase of products or services or use of designated or approved suppliers. No officer or manager of Franchisor has any ownership interest in any supplier you are required to use, other than Franchisor.

Franchisor has the right to require that its representatives be permitted to inspect any supplier's facilities at any time, and that samples from any such supplier be delivered, at any time, either to Franchisor or to an independent laboratory designated by Franchisor for testing. You may be charged up to the cost of the inspection and the test by Franchisor or its or its designee. Without limiting your liability therefor, you may require reimbursement or direct payment by the supplier for such charge.

Franchisor reserves the right, at its option, to re-inspect from time to time the facilities and products of any previously approved supplier and to revoke its approval for, among other reasons, the supplier's failure to continue to meet any of Franchisor's then-current criteria.

You must comply with all of our standards and specifications (as set forth in the Manual) for the purchase of all food and beverage items, ingredients, supplies, equipment and other products used or offered for sale at the Yummi Kiosk. Franchisee shall label all products for sales tracking processing using a label machine provided by Franchisor at a cost of \$100 per month.

Franchisor or its affiliates may derive revenue or other material consideration from required purchases or leases by Franchisees. Upon the request of Franchisee, Franchisor will disclose the consideration it or its affiliates has received from purchases and/or leases that are required by Franchisor by disclosing Franchisor's (or its affiliate's) total revenue from such required purchases and/or leases for each fiscal year of the last three fiscal years. In the event of such required purchases or leases and upon the request of Franchisee, Franchisor will also disclose (i) an estimate of the total amount of Franchisee's expenses for the next fiscal year, (ii) an estimate of the total amount of Franchisee's required purchases and/or leases for the next fiscal year, and (iii) the percentage of the amount in clause (ii) that is the amount in clause (i). With respect to 2024, Franchisor's total revenue was \$97,392,541 and Franchisor recognized revenue with respect to product sales and billed shipping of product to franchisees of \$23,554,101 in 2024 (24.18% of total revenue).

Advertising:

All of your advertising and promotions must conform to our standards and requirements. We must approve all advertising and promotional plans and materials before you use them if we did not prepare or previously approve them during the twelve (12) months preceding the date of their proposed use. You must submit any unapproved plans and materials to us, and we will use reasonable efforts to approve or disapprove them within fourteen (14) days after we receive them. You must not use the plans or materials until we have approved them, and must promptly discontinue using any advertising or promotional plans or materials if we notify you to do so. You must purchase certain advertising and promotional materials from our approved suppliers.

Insurance:

You must obtain and maintain insurance policies protecting you and us and various related parties against any demand or claim for personal injury, death or property damage, or any loss, liability or expense related to the operation of the Yummi Kiosk.

These policies must be written by a responsible insurance carrier or carriers which are rated “A” or better by the A.M. Best Company, Inc., are responsible and authorized to do business in the state your Yummi Kiosk is located, and are acceptable to us. At a minimum, you must carry:

- (i) commercial general liability insurance with the following coverages and limits:

Coverage	Limit
General Aggregate	\$2,000,000
Products/Completed Ops Aggregate	\$2,000,000
Personal & Advertising Injury	\$1,000,000
Each Occurrence	\$1,000,000

Hired & Non-Owned Auto Liability	\$1,000,000

- (ii) commercial property insurance with the following coverages and limits:

Business Income & Extra Expense	ALS 12 months		24 hours (See Note 1 below)

Note:

¹ This refers to a twenty-four (24) hour waiting period. This insurance policy will have a twenty-four (24) hour waiting period after which the claim or loss related to business income can be calculated.

(iii) umbrella insurance with the following coverages and limits:

Limit	Retention Amount	Retention Basis
\$1,000,000	\$0	Per Occurrence

(iv) worker's compensation and employers' liability insurance covering all of Franchisee's employees with the following coverages and limits (regardless of waiver or exemption of coverage under applicable state statute):

Coverage	Applies	Limits
Bodily Injury by Accident	Per Accident	\$1,000,000
Bodily Injury by Disease	Policy Limit	\$1,000,000
Bodily Injury by Disease	Per Employee	\$1,000,000

You may, with our written consent, elect reasonable deductibles for the coverages described in (i) and (ii) above. You may not, without our prior written consent, agree to sublimits in the insurance policies listed above. Except for worker's compensation insurance, all insurance policies must name us, our successors and assigns as additional insureds. In addition, all insurance policies must waive subrogation in favor of us, our successors and assigns.

Purchasing Arrangements:

We estimate that the purchase and lease of all services, equipment, supplies, and other items you must purchase or lease from us or our affiliates, or from unaffiliated approved or designated suppliers, will represent approximately 90% to 95% of your total purchases and leases to initially establish the franchised business. Thereafter, once the franchised business is established, approximately 90% to 95% of your total purchases and leases to operate the Yummi Kiosk will be purchased from us.

ITEM 10
FINANCING

Franchisor does not provide standard financing and financing terms for the operation of individual franchises. Franchisor may, in its sole discretion, advance franchisees supplies, inventory, materials, and other items during the first eight (8) weeks of the franchise's operations. Any such advancements are then subsequently applied to any amounts owed by the Franchisor to the Franchisee. During the first eight (8) weeks of a franchise's operations, a franchisee may experience delays in receiving funds from the sales of its Pan-Asian foods at the kiosk(s), and the funds a franchisee receives may not be sufficient during that time to provide for full operations. This is due to the payment mechanics between the Host Location, Franchisor and the franchisee when first opening a franchised kiosk. In an effort to contribute to the success of each franchisee, however, Franchisor may, in its sole discretion, advance franchisees supplies, inventory, materials, and other items during the initial operation time period.

ITEM 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance:

Pre-Opening Obligations:

Before you open your Yummi Kiosk, we will:

Provide you with the Host Location site we have selected for your Yummi Kiosk pursuant to an applicable Occupancy Agreement between us and the third-party owner of the Host Location. The Yummi Kiosk may not be relocated without first obtaining our written consent. Our criteria for site selection require an evaluation of the demographics of the Host Location (including the age and income level of nearby residents of the market area for the location), traffic patterns, the size of the location, the proximity to shopping and other centers of population concentration, and the results of negotiations between us and the third-party owner of the Host Location in accordance with Section 3.1 of the Franchise Agreement.

Provide you with an initial training program for your Managing Owner and Operating Partner and up to five (5) of your personnel.

Provide you with physical copy of the Franchise Manual in accordance with Sections 5.1 and 5.2 of the Franchise Agreement or excerpts of the Table of Contents, which are set forth as follows:

Typical Length of Time Before You Open Your Yummi Kiosk:

We estimate the time from the date you sign the Franchise Agreement to the date you begin operating your first Yummi Kiosk will be approximately seven (7) to thirty (30) days. This time may be extended or reduced depending on the time necessary for you to obtain third-party financing, and the amount of time required to hire employees, obtain the permits and licenses necessary for operation, none of which are within our control. If you fail to open your Yummi Kiosk at a site approved by us within thirty (30) days after you sign the Franchise Agreement, we can terminate the Franchise Agreement and your Initial Franchise Fee will not be refunded.

Continuing Obligations:

During the operation of your Yummi Kiosk and in accordance with Sections 3.2 and 3.3 of the Franchise Agreement, we will:

- (i) Make available other training programs, as we deem appropriate.
- (ii) Provide continuing advisory assistance to you in the operation of the Yummi Kiosk, as we deem advisable.
- (iii) Make available research data and other materials relating to merchandising, marketing, and advertising (but only after we establish an advertising program). We have the right to review and approve or disapprove all advertising and promotional materials, which you propose to use.
- (iv) Revise the contents of the Manual as needed. We reserve the right to charge a \$2,000 fee for any replacement Manual or pages of the Manual you request, if the replacement is needed because you failed to properly maintain or update the Manual as provided or due to your loss of the Manual.
- (v) Provide you, as we deem appropriate, with advice and written materials concerning techniques of managing and operating the Yummi Kiosk, including new developments and improvements in kiosk equipment, food products, packaging, and preparation.
- (vi) At our option, establish, maintain and administer a national advertising program ("NAP").

Pursuant to Section 10.4 of the Franchise Agreement, you have the right to audit, once per each 12-month period, our books and records as they relate to Gross Sales of your Yummi Kiosk and the amounts collected by us from your Host Location and the amounts we remitted to you.

Advertising:

We may require you to participate in our NAP and supplemental marketing programs. We may change the program in which you are required to participate during the term of the Franchise Agreement.

National Advertising Program:

Currently, we have not implemented a NAP or supplemental marketing program for our franchisees. If we implement such a program, you must participate in it. If implemented, the NAP will be organized, governed, and operated in accordance with our written guidelines (the "NAP Guidelines") and we are responsible for maintaining and administering advertising programs in accordance with the NAP Guidelines. No advertising or promotional plans or materials may be used under the NAP without our prior written consent.

Under a NAP, you may be required to pay to us up to one percent (1%) of Yummi Kiosk Gross Sales to be used by us for maintaining, administering, directing, and preparing advertising and promotional activities for the benefit of the System. Currently, there is not a required national advertising fee (the “NAP Fee”) but this fee, if collected, would be used exclusively by us for any and all costs incurred in the NAP including the cost of (i) maintaining, directing, and preparing advertising materials like the preparation and coordination of television, digital (email, sms, search, display, video, social), radio, print, direct mail, outdoor billboard advertising, marketing surveys and other public relations activities; (ii) the employment of advertising agencies; (iii) the preparation and distribution of promotional brochures and other marketing materials; (iv) the cost of developing and maintaining any website(s) related to the NAP; (v) reasonable administrative costs and overhead we incur in activities reasonably related to the administration or direction of the NAP; and (vi) other items as set forth in the NAP Guidelines. We will direct all advertising and production programs in the NAP, and we will have sole responsibility for all advertising, marketing, and/or promotional materials used in connection with the NAP.

All local advertising is subject to the requirements in Attachment F to the Franchise Agreement and to our prior written approval. You will have the discretion to spend local advertising funds as and when you reasonably determine to be appropriate.

We expect that any NAP Fee will be spent for advertising and/or promotional purposes during our fiscal year in which they are received. If excess amounts remain at the end of the fiscal year, then all expenditures in the following fiscal year(s) will be made first out of accumulated fees from previous years and then from fees collected during the current year. The NAP will be operated as a conduit for the collection and expenditure of advertising fees. A statement of the operations of the NAP will be prepared annually and will be made available to you upon request. We are not required to audit the statements of operations.

We reserve the right to terminate a NAP; however, the program will not be terminated until all monies have been expended for advertising and/or promotional purposes or other appropriate arrangements have been made.

Supplemental Marketing Program:

In addition to the advertising programs described above, we have the right to require your participation in supplemental marketing programs (*e.g.*, limited time offers, gift cards, gift certificates, coupons, loyalty programs, customer relationship management, and other supplemental marketing programs) that we establish from time-to-time. You will be responsible for payment of certain costs associated with these supplemental marketing programs. We may change the required supplemental marketing program designation periodically. Under certain limited circumstances (*e.g.*, for a significant multi-unit development plan, a large metropolitan area, airports or unique kiosk sites), we may modify the contributions or participation for a specific franchisee in our sole discretion.

Other Advertising Requirements:

All advertising and promotion by you in any medium must be conducted in a dignified manner and conform to our standards and requirements as stated in the Franchise Manual or otherwise. You must obtain our approval of all advertising and promotional plans and materials that you desire to use before you use them if they have not been prepared or previously approved by us during the past twelve (12) months. You must submit any unapproved plans and materials to us, and we must approve or disapprove the plans and materials within fourteen (14) days from the date of receipt. You may not use any plans or materials until they have been approved by us and must promptly discontinue use of any advertising or promotional plans or materials upon receiving notice from us.

We currently do not have a formal franchisee advisory council or association.

Training:

Your Managing Owner (as defined below) or Operating Partner (as defined below) and up to five (5) of your personnel (if you open only one Yummi Kiosk) must attend and complete our initial management training program to our satisfaction. All new managers hired by you and any Managing Owner or Operating Partner later appointed by you must attend and complete our initial training program to our satisfaction at designated kiosks or kitchens (“Training Facilities”) which we may own or lease for training purposes.

In accordance with Section 3.1 of the Franchise Agreement, we will provide instructors and training materials for the initial training of your Managing Owner or Operating Partner and up to five (5) of your personnel (if you open only one Yummi Kiosk) at no additional charge to you, provided that you or your employees will be responsible for expenses incurred in attending the training, including meals, lodging and transportation (as described in **Item 7**).

For initial training (i) of your personnel in excess of the five (5) representatives noted above; (ii) of any person later employed by you in the position of manager; (iii) for each replacement Operating Partner or Managing Owner; (iv) after your first two (2) Yummi Kiosks are opened or (v) if the opening of the Yummi Kiosk is moved to a later date and we require you to attend another initial training program, you must pay a training fee at the then current rate being charged by us to Franchisees operating under the System. You are responsible for all costs and expenses like meals, lodging and transportation of the persons attending training.

Initial training programs are offered at various times during the year depending on the number of franchisees entering the System, the number of replacement personnel needing training, the number of new kiosks we open and the timing of scheduled kiosk openings. The initial training program will generally last two weeks. Our trainers are all experienced food kiosk operators who have worked for us or an affiliate or have been a franchisee of us or an affiliate for at least two years. Our initial training and pre-opening training will be conducted by persons who have worked in our corporate office (or one of our affiliates’ corporate offices) for at least six months. ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from Yummi Kiosks or other outlets that we own, or from other channels of distribution or competitive brands that we control.

Franchise Agreement:

The Franchise Agreement grants you the right to operate the Yummi Kiosk only at the approved location, which is described in Attachment A to the Franchise Agreement. You may not relocate the Yummi Kiosk without first obtaining our written consent. There are no territorial rights or rights to acquire additional franchise locations granted with the Franchise Agreement. There is no requirement that you achieve any specified sales volume or market penetration under the Franchise Agreement. Pursuant to Section 1.2 of the Franchise Agreement, we are permitted to offer and sell (or authorize any person or entity to offer and sell) sushi, dumplings and other Pan-Asian food products and other products competitive with the products sold by your Yummi Kiosk to the public through any distribution channel in any area. Unless a program for such is developed by us, you are not permitted to make sales of products outside of your Yummi Kiosk or to deliver products to customers' homes or place of business. You may advertise and sell your products through the Internet or other marketing channels, but only if first approved by us pursuant to Section 11.5 of the Franchise Agreement.

We do not have any current plans or intentions to sell products similar to the products sold by your Yummi Kiosk through another franchise or other business operation other than our current or new franchisees for a Yummi Kiosk or our Franchisor-owned kiosks operating under our Yummi Go Gourmet trade name.

ITEM 13
TRADEMARKS

The Franchise Agreement grants you the right to use the trademarks, service marks, names, logos, and commercial symbols designated by us (the “Proprietary Marks”) only in the manner we authorize and only for the operation of the Yummi Kiosk at the location specified in the Franchise Agreement.

You must operate the Yummi Kiosk under the service mark “Yummi Go Gourmet”.

The following Proprietary Marks are registered with the United States Patent and Trademark Office (“USPTO”). We have renewed (and intend to renew) the registrations and have filed (and intend to file) all appropriate affidavits at the times required by law.

MARK	REGISTER	REGISTRATION NUMBER	REGISTRATION DATE

Yummi Sauces	Principal	5145419	February 21, 2017
Toshimi	Principal	6048964	May 5, 2020
Calmon	Principal	6043652	April 28, 2020
Sushi Sara	Principal	6834827	August 30, 2022

There is no presently effective determination of the USPTO, the trademark trial and appeal board, the trademark administrator of any state or any court, nor any pending infringement, opposition, or cancellation proceeding, nor any pending material litigation involving the Proprietary Marks which is relevant to their ownership, use or licensing.

We know of no superior prior rights or infringing use that could materially affect your use of the Proprietary Marks, and we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Proprietary Marks in any manner material to the franchise.

If any infringement of or challenge to your use of the Proprietary Marks or litigation involving the Proprietary Marks is instituted or threatened against you, you must promptly notify us and must cooperate fully in defending or settling the litigation. You and your owners agree that neither you nor they will communicate with any person other than us and our counsel concerning any action, claim or infringement. We will have sole discretion to take action, as we deem appropriate and the right to exclusively control any litigation, USPTO action, or other proceeding involving any infringement, challenge or claims relating to the Proprietary Marks.

We are not obligated by the Franchise Agreement to specifically protect any rights granted to you to use the Proprietary Marks or to protect you against claims of infringement or unfair competition involving them. We are not obligated to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving the Proprietary Marks if the proceeding is resolved unfavorably to you.

You may not use any of the Proprietary Marks as part of your corporate or other name. You must also follow our instructions for identifying yourself as a franchisee and for filing and maintaining your requisite trade name or fictitious name registrations. You must execute any documents we or our counsel determine

are necessary or advisable to obtain protection for the Proprietary Marks or to maintain their continued validity and enforceability. Neither you nor your owners may take any action that would prejudice or interfere with the validity of our rights with respect to the Proprietary Marks and may not contest the validity of our interest in the Proprietary Marks or assist others to do so.

The license of the Proprietary Marks granted in the Franchise Agreement is non-exclusive to you except for the location of the Yummi Kiosk. We have and retain the right, among others:

- (i) To grant other licenses for the Proprietary Marks in addition to those licenses already granted to existing franchisees.
- (ii) To use the Proprietary Marks in selling products and services.
- (iii) To develop and establish other systems using the same or similar Proprietary Marks or any other Proprietary Marks and grant licenses or franchises under those systems without providing you any rights.
- (iv) To develop other marks that may be similar to the Proprietary Marks and exclude those similar marks from the Proprietary Marks, in which case you will have no right to use them.

We reserve the right to substitute different Proprietary Marks for use in identifying the System and the businesses operating under it if our currently owned Proprietary Marks no longer can be used, or if we, in our sole discretion, determine that substitution of different Proprietary Marks will be beneficial to the System. You will be responsible for all expenses related to the substitution of different Proprietary Marks and must complete the substitution in accordance with the deadlines we reasonably establish.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights:

We do not own any registered patents, and do not have any pending patent applications, that are material to the franchise. We do not own any copyrights that are material to the franchise except as described below.

We claim copyright protection in original materials used in the System, including the Manual, menus, training, and advertising and promotional materials used in the System.

There is no presently effective determination of the U.S. Copyright Office (Library of Congress) or any court affecting our copyrights. There is no currently effective agreement that limits our right to use and/or license our copyrights. We are not obligated by the Franchise Agreement, or otherwise, to protect any rights you have to use the copyrights. We have no actual knowledge of any infringements that could materially affect the ownership, use or licensing of the copyrights.

Confidential Manuals and Other Confidential Information:

You and your owners must at all times treat the Franchise Manual, any other manuals we authorize, and the information contained in those manuals, as confidential. You must not copy, duplicate, record or otherwise reproduce those materials, or make them available to any unauthorized person. The Franchise Manual is solely our property and must at all times be kept in a secure place on the Yummi Kiosk premises. We may revise the contents of the Franchise Manual, and you must comply with each new or changed standard. You must at all times ensure that the Franchise Manual is kept current and up-to-date, and, if there is any dispute as to the contents of the Franchise Manual, the terms of the master copy of the Franchise Manual we maintain at our home office will be controlling.

In addition to our manuals, you and your owners must protect our other confidential information. You and your owners may not, during the term of the Franchise Agreement or after their termination or expiration, communicate, divulge, or use for the benefit of any other person or legal entity, any confidential information, drawings, knowledge, or know-how concerning the methods of development or operation of Yummi Kiosks which may be communicated to you or them or of which you or they may learn in operating Yummi Kiosks under the Franchise Agreement. You and your owners may divulge the confidential information only to those of your employees as must have access to it in order to develop or operate the Yummi Kiosks. You shall be responsible for any improper disclosures of such confidential information by your employees. All information, drawings, knowledge, know-how, and techniques used in or related to the Yummi Kiosk which we communicate in writing or otherwise to you, including, software licensed or provided by us, the Franchise Manual, recipes, plans and specifications, marketing information and strategies, and site evaluation and selection techniques are confidential for purposes of the Franchise Agreement.

Without limiting any other remedies available to us, if you or your owners fail to comply with the requirements of the Franchise Agreement concerning confidentiality, it will cause us irreparable injury and you and your owners must (in addition to any other remedies we have) pay all our court costs and our reasonable attorneys' fees incurred in obtaining specific performance of, or an injunction against any violation of, the requirements of the agreements concerning confidentiality.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you are operating as a corporation, a partnership or other business entity, when you sign the Franchise Agreement, you must designate an individual Owner to serve as your “Managing Owner.”

Your Managing Owner or Operating Partner (as defined below), as applicable, must (i) own the largest percentage share of ownership in you, but in no event less than ten percent (10%), (ii) be authorized by you to bind you in any dealings with us and your authorized distributors, suppliers, and contractors, (iii) be authorized by you to direct any actions necessary to ensure compliance with the Franchise Agreement, and (iv) unless an Operating Partner is appointed, devote his or her full time and best efforts to the operations of the Yummi Kiosk with no operational or management commitments to other businesses. Your Managing Owner (or Operating Partner) must also satisfy our training requirements. Except as may be permitted under the Franchise Agreement, the Managing Owner’s interest in you must remain free of any encumbrance (including any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options).

We may require you, your Managing Owner, Operating Partner and your other Owners and officers to sign agreements to be individually bound by certain covenants, including covenants protecting our confidential and proprietary information and/or covenants not to compete. We may, at our sole discretion, require your Managing Owner, Operating Partner, and any other of your Owners to guarantee your performance under the Franchise Agreement, including but not limited to your financial obligations. If a guarantee is not required by us upon execution of the Franchise Agreement, we reserve the right if you are in monetary default under the Franchise Agreement (even if cured), to require any or all of your Owners to sign the Guaranty of Franchise Agreement, in addition to our other rights and remedies under the Franchise Agreement.

You cannot change your Managing Owner or your Operating Partner without our prior written consent.

We have the right to require you to comply with covenants against the use and disclosure of any confidential information and covenants not to compete by your Owners, Operating Partners, managers and any other employees or agents who have received or will receive access to our training or confidential information. All of the required covenants must be substantially in the form of those included in the Franchise Agreement attached hereto as **Exhibit A**.

GBC FOOD SERVICES, LLC
FRANCHISE AGREEMENT

This FRANCHISE AGREEMENT (including all Attachments hereto, this “Franchise Agreement”) is entered into between GBC Food Services, LLC, a Texas limited liability company (“Franchisor”) and _____ (“Franchisee”, and together with Franchisor, collectively the “Parties”, and individually, each a “Party”) as of _____, 202__ (the “Execution Date”). This Franchise Agreement shall be effective as of that certain date set forth on Schedule A hereto (the “Effective Date”), which shall be subsequently agreed to by the Parties.

Recitals

- Franchisor (and/or its owners, affiliates, and subsidiaries), as the result of the expenditure of time, skill, effort and money, has developed and owns a distinctive system (the “System”) relating to the establishment and operation of Pan Asian food kiosks (“Yummi Kiosks”) which sell sushi, sashimi, Chinese food, poke, dumplings, and/or other Asian food items (in such combination as the franchisor may determine is appropriate) (“Pan Asian Food”) utilizing the trade name, Yummi Go Gourmet, and the brand names, Yummi Sushi, Yummi Sauces, Toshimi, Calmon and Sushi Sara.
- Yummi Kiosks will generally be located at the premises of third-parties (the “Hosts”), initially upscale supermarkets, and potentially hotels, cafeterias, and university facilities (“Host Locations”), that Franchisor intends to source under leases, licenses or other rights to occupy such Host Location (“Occupancy Agreements”) between the Host Location and Franchisor.
- In exchange for the right to locate Yummi Kiosks at Host Locations, the Host retains, pursuant to its Occupancy Agreement or other location agreement, a percentage of revenue collected from Yummi Kiosk sales (“Host Payments”).
- At the Yummi Kiosks, franchisees prepare their Pan Asian Food dishes daily with such elements as seasoned rice, crisp sliced vegetables, and seafood which are professionally displayed in ready-to-go containers for the Yummi Kiosks’ customers to purchase through the Host Location’s point of sale (“POS”) infrastructure, either to take with them or to consume at the Host Location’s shared common areas.
- All payments for Yummi Kiosk products and services are processed by the Host, which forwards the net amounts therefrom, after withholding for sales tax and retaining its Host Payments, to Franchisor. From the net amounts received from the Host, Franchisor retains the fees and expense reimbursements to which it is entitled under this Franchise Agreement as well as any amounts otherwise due Franchisor from Franchisee for inventory, supplies or otherwise, remitting the remaining amount collected to Franchisee; provided that Franchisor intends to (but shall have sole discretion to decide otherwise) not withhold more than 50% of the amounts it receives in payment from time to time from a Host to apply against any such forgoing amounts owing Franchisor..
- The distinguishing characteristics of the System include, without limitation, distinctive exterior and interior design, decor, color scheme, and furnishings; special recipes and menu items; uniform standards, specifications, and procedures for operations; quality and uniformity of menu items, products and services offered; procedures for inventory and management and financial controls; training and support; safety programs; quality control programs; Occupancy Agreements and advertising and promotional programs; all of which may be changed, improved, and further developed by Franchisor from time to time.

- Franchisor identifies the System by means of certain tradenames, service marks, trademarks, logos, emblems and indicia of origin, including, but not limited to, Franchisor's tradename Yummi Go Gourmet, and the brand names, Yummi Sushi Yummi Sauces, Toshimi Calmon, Sushi Sara and such other tradenames, service marks, and trademarks as are now designated and may hereafter be designated by Franchisor for use in connection with the System (collectively, the "Marks").
- Franchisor continues to develop and use (and control the use of) the Marks in order to identify for the public the source of menu items, products and services marketed thereunder and under the System, and to represent the System's high standards of quality, appearance and service.
- Franchisor has established a high reputation and a positive image with the public as to the quality of menu items, products and services available at Yummi Kiosks, which reputation and image have been and continue to be unique benefits to Franchisor and its franchisees.
- Franchisee and Owners (as defined below) understand and acknowledge the importance of Franchisor's high standards of quality, cleanliness, appearance and service and the necessity of operating the business franchised hereunder in conformity with Franchisor's standards and specifications. Attachment C contains a complete list of all owners of any type of interest in Franchisee, showing the type and number of interests owned. If Owners are entities as opposed to natural persons, Franchisee must also set forth on Attachment C the names of the natural persons who own or control such entities. The natural persons who are the ultimate owners of the Franchisee, directly or indirectly through any number of affiliated entities, are herein defined as "Owners".
- Franchisee desires to use the System in connection with the operation of a Yummi Kiosk at the "Location" specified in Attachment A, as well as to receive the training and other assistance provided by Franchisor in connection operating the Yummi Kiosk.

NOW THEREFORE, with the intent of being legally bound hereby, in consideration of the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, which the Parties acknowledge is sufficient to create a legally binding agreement, the Parties agree as set forth herein.

ARTICLE 1 **GRANT OF FRANCHISE**

Section 1.1 Grant of Franchise. Subject to this Franchise Agreement, Franchisor hereby grants to Franchisee, and Franchisee hereby accepts, the non-exclusive right and obligation to operate a franchised Yummi Kiosk (as specified on Attachment A) in accordance with the System only at the location specified on Attachment A (the "Location") using only the Marks at such kiosk (the "Franchised Yummi Kiosk"). During the Term (defined below), Franchisee shall use the Location solely for the operation of the Franchised Yummi Kiosk in accordance with this Franchise Agreement and for no other purpose and Franchisee shall not relocate the Franchised Yummi Kiosk without the express prior written consent of Franchisor. Franchisee must participate in any delivery and/or takeout program designated by Franchisor via any method, platform or system Franchisor may require in accordance with Franchisor's standards and procedures. If Franchisor requires Franchisee to participate in such programs, Franchisee will not be granted an exclusive delivery territory in connection with such programs.

(a) Whether the Host Location for the Franchised Yummi Kiosk is sourced by Franchisor or Franchisee and whether the Occupancy Agreement for the Franchised Yummi Kiosk is with Franchisor or

Franchisee, Franchisee shall strictly comply with the terms of the Occupancy Agreement and assure that there arises no breach thereof and Franchisee and its employees and agents shall comply with the Host's rules, policies and procedures applicable to it at the Host Location of the Franchised Yummi Kiosk. If Franchisee is not a party to the Occupancy Agreement, Franchisor will provide a copy of the Occupancy Agreement to Franchisee with Franchisor's trade secrets and other proprietary information redacted. Franchisee or any of Owners shall not enter into any subfranchise agreement, management agreement, operating agreement, consulting arrangement, subcontracting arrangement, outsourcing arrangement, or any other similar arrangement relating to the rights and obligations of Franchisee hereunder or the management administration or other operation of the Franchised Yummi Kiosk. This Franchise Agreement (including the rights, obligations, duties, and benefits hereunder) is intended solely for the Parties hereto, and no other person or entity shall have any rights, obligations, duties, and benefits under this Franchise Agreement.

(b) Franchisee agrees this Franchise Agreement is strictly limited to the non-exclusive right and obligation to operate a franchised Yummi Kiosk at the Location in accordance with this Franchise Agreement and does not grant any right to develop and/or operate any other Yummi Kiosk.

Section 1.2 No Territorial Rights. Franchisee agrees that this Franchise Agreement does not grant any territorial rights, radius restrictions, minimum population requirements, and/or any other requirements which would govern and/or restrict where another Yummi Kiosk may open and operate. Franchisor (on its behalf and on behalf of any other entity which it may acquire, or be acquired by, or otherwise is or becomes affiliated with) retains all rights not expressly granted in this Franchise Agreement.

(a) Franchisee agrees that Franchisor may establish, develop, construct, open, and operate Yummi Kiosks at any location other than the Location (either directly or through a franchise, licensing, joint venture, or any other arrangement).

(b) Franchisor (including its affiliates, partners, and/or authorized representatives) may, at any time, advertise or promote the System and fulfill customer orders in any area, including the areas where the Location is located.

(c) Franchisor may offer and sell (or authorize any person or entity to offer and sell) goods and services displaying the Marks or other tradenames and trademarks (e.g., prepackaged food and beverage items, T-shirts and other memorabilia) to the public through any distribution channel in any area and Franchisee acknowledges such goods or services may be similar to those offered by Franchised Yummi Kiosk.

(d) Franchisor reserves the right to develop and establish other tradenames, service marks, trademarks, logos, emblems and indicia of origin which may be similar to, or different from, the Marks (collectively, the "Other Marks"). The Other Marks shall be separate and distinct from the Marks referenced in this Franchise Agreement; therefore, (i) Franchisee shall have no rights to the Other Marks, and (ii) Franchisor (on its own behalf and on behalf of any other entity which it may acquire, or be acquired by, or otherwise is or becomes affiliated with) reserves the right to establish, develop, construct, open, and operate kiosks, other food service operations and other businesses, including a food delivery business, under the Other Marks at any location, including in the area of the Location (either directly or through a franchise, licensing, joint venture or any other arrangement). The Other Marks may include, without limitation, brand extensions or related brands of Yummi Kiosks such as counter-service kiosks, quick-service kiosks or other such kiosks, and the Other Marks may include such kiosks operating under a similar tradename.

(e) Franchisee releases and shall hold harmless (i) Franchisor and its owners, subsidiaries, affiliates, developers, lawyers, accountants, and other professional advisers, representatives, servants,

independent contractors and agents, and (ii) the respective owners, subsidiaries, affiliates, lawyers, accountants, and other professional advisers, representatives, servants, independent contractors and agents of each of the foregoing, and the respective successors and assigns of any of those described in the preceding clauses (i) and (ii) (collectively, the “Franchisor Parties”), from any and all Damages (as defined in Section 17) which Franchisee may claim to have arising out of, or related to, the exercise by Franchisor or any other Franchisor Party of the rights reserved to Franchisor under this Section 1.2, including, without limitation, any claim related to an alleged cannibalization of Gross Sales (defined in Section 4.2(c)) and any claim related to the right to establish, develop, construct, open, and operate Yummi Kiosks and other kiosks or food service operations, and other businesses under the Other Marks at any location (either directly or through a franchise, licensing, joint venture, or any other arrangement).

ARTICLE 2

TERM AND SUCCESSOR FRANCHISE AGREEMENT

Section 2.1 Term. Unless sooner terminated in accordance with this Franchise Agreement, the “Term” of this Franchise Agreement shall be one (1) year, commence on the Effective Date, and renew in accordance with Section 2.2 below. Notwithstanding the foregoing, Franchisor may terminate this Agreement upon thirty (30) days’ notice to Franchisee, for any reason or no reason pursuant to Section 14.9 of this Agreement.

Section 2.2 Renewal and Successor Franchise Agreement. Unless Franchisee or Franchisor delivers written notice to the other party of its intent not to renew this Franchise Agreement the Term shall automatically renew for an additional one-year Term periods so long as the conditions precedent listed below are satisfied prior to the end of the then-current Term; provided, however, that any or all of such conditions precedent listed below may be waived by Franchisor at its option. In the event Franchisor intends not to renew this Franchise Agreement, Franchisor shall deliver its written notice of non-renewal to Franchisee at least fifteen (15) days prior to the end of the then-current Term, and alternatively, if Franchisee intends not to renew this Franchise Agreement, Franchisee shall deliver its written notice of non-renewal to Franchisor at least sixty (60) days prior to the end of the then-current Term (each of the foregoing dates the “Renewal Notice Date”).

(a) As of the Renewal Notice Date and the date of the expiration of the then current Term, Franchisee shall not be in default of any provision of this Franchise Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor or its subsidiaries and affiliates; and Franchisee shall have substantially complied with all the terms and conditions of such agreements during the terms thereof.

(b) As of the Renewal Notice Date and as of the expiration of this Franchise Agreement, Franchisee shall have satisfied all monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates and shall have timely met those obligations throughout the Term of this Franchise Agreement.

(c) If applicable, Franchisee and Owners shall execute the Successor Franchise Agreement (defined as the then-current form of franchise agreement in use by Franchisor), which agreement shall supersede this Franchise Agreement in all respects as of the date such Successor Franchise Agreement is effective, and the terms of which may substantially differ from the terms of this Franchise Agreement, including, without limitation, the Franchise Fee (as defined below) and percentage payment due as advertising fees.

(d) Upon each renewal of the Term, Franchisee shall pay, a renewal fee between \$500 and \$6,500.

(e) Franchisee and each Owner shall execute a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor Parties.

(f) Franchisee shall comply with Franchisor's then-current qualification and operations training requirements.

ARTICLE 3

TRAINING AND OPENING REQUIREMENTS

Section 3.1 Initial Training. In connection with the opening of a Franchised Yummi Kiosk, Franchisor shall provide (on such dates and at such locations as determined by Franchisor) an initial operational training program for Franchisee's Managing Owner and Operating Partner (as defined in Section 7(b)) and up to five (5) of Franchisee's other personnel per Franchised Yummi Kiosk and Franchisee agrees that such personnel must complete such operational training program to Franchisor's satisfaction prior to opening of each such Franchised Yummi Kiosk (the "Initial Training").

(a) If the Managing Owner has completed the Initial Training and he or she will be opening a second or more Franchised Yummi Kiosk(s), then Franchisor may, at its option, require such Managing Owner to receive additional training together with the Operating Partner and up to five (5) additional personnel who will be working at the Franchised Yummi Kiosk(s).

(b) Any person subsequently employed by Franchisee in a management position at a Franchised Yummi Kiosk and each subsequent Managing Owner and Operating Partner, if any, shall attend and complete, to Franchisor's satisfaction, the Initial Training and, in such event, Franchisee shall pay to Franchisor a training fee of \$5,000 per each subsequent Managing Owner and Operating Partner requiring training, and Franchisee shall also be solely responsible for all expenses incurred by its training personnel, including airfare costs, rental car costs and other travel costs, lodging costs, meals and food costs, and other similar costs (such expenses collectively referred to herein as "Reimbursable Expenses") incurred by Franchisor in connection with its personnel providing such training.

Section 3.2 Other Assistance. Franchisor may, at its option, provide such continuing advisory assistance to Franchisee in the operation of the Franchised Yummi Kiosk, as Franchisor deems advisable.

(a) Franchisor may make available, from time to time, research data and other materials relating to merchandising, marketing, and advertising.

(b) Franchisor may, from time-to-time and at its option, provide to Franchisee advice and written materials concerning techniques of managing and operating the Franchised Yummi Kiosk, including, without limitation, information regarding new developments and improvements in kiosk equipment, food products, packaging and preparation.

(c) Franchisor may, from time-to-time and its option, advance inventory and supplies to Franchisee on commercially reasonable terms and deduct any such due and owing indebtedness, interest, late fees, or any other costs or expenses incurred by Franchisor in connection with such arrangement from Franchisee's share of the revenue of the Yummi Kiosk.

Section 3.3 Supplemental Training. In addition to the Initial Training, Franchisor reserves the right to require Franchisee, Managing Owner, Operating Partner and other personnel at the Franchised Yummi Kiosk to attend supplemental training courses, including via online compliance modules and at the Franchised Yummi Kiosk, at times and locations determined by Franchisor and all Reimbursable Expenses

associated with such supplemental training shall be Franchisee's responsibility. Franchisor reserves the right to charge a fee to Franchisee for such supplemental training courses and training materials.

Section 3.4 Opening Requirements. In connection with the opening of the Franchised Yummi Kiosk, Franchisee shall conduct, at Franchisee's expense, such promotional and advertising activities as Franchisor may require. Franchisee agrees that Franchisor, in its reasonable business judgment, may require that the Franchised Yummi Kiosk be supported, in whole or in part, by an opening crew composed of trained representatives of Franchisor before and after the date of opening of the Franchised Yummi Kiosk. Franchisee's management team shall be at the Franchised Yummi Kiosk prior to the Franchised Yummi Kiosk opening as directed by Franchisor (for a period not to exceed two weeks prior to opening) and no opening crew shall be furnished by Franchisor until Franchisor's representative approves the Franchised Yummi Kiosk as ready for training. Franchisee further agrees to reimburse Franchisor for all reasonable Reimbursable Expenses incurred in providing such opening crew for the Franchised Yummi Kiosk.

Section 3.5 Authorization to Open. Prior to opening the Franchised Yummi Kiosk for business, Franchisee shall comply with all opening requirements set forth in this Franchise Agreement, the Franchise Manual (as defined below), and/or elsewhere in writing by Franchisor. Franchisee shall not, in any event, open the Franchised Yummi Kiosk to the public for business until Franchisee has received authorization to open from Franchisor.

Section 3.6 Release by Franchisee.

(a) Franchisor assumes all cost, liability, expense, and responsibility for locating, obtaining, and developing the Franchised Yummi Kiosk and for constructing and equipping the Franchised Yummi Kiosk (other than equipment, ingredients, inventory, utensils and other supplies needed to operate on a day-to-day basis, which Franchisee shall procure pursuant to the terms of this Agreement). Franchisee acknowledges that Franchisor's selection of a prospective site does not constitute a representation, promise, warranty, or guarantee by Franchisor that the Franchised Yummi Kiosk will be profitable or otherwise successful. Franchisee releases Franchisor and shall hold Franchisor Parties harmless from any and all Damages (as defined in Section 17.5) which may arise from Franchisor's locating, obtaining, and developing the Franchised Yummi Kiosk and for equipping the Franchised Yummi Kiosk.

(b) Franchisee releases Franchisor and shall hold Franchisor Parties harmless from any and all Damages which may arise from Franchisee's operation of the Franchised Yummi Kiosk.

ARTICLE 4
FEES AND PAYMENTS

Section 4.1 Initial Franchise Fee; Management Fee; Order Processing Fee. Franchisee shall pay to Franchisor an Initial Franchise Fee (as defined and set forth on Attachment C), which may be an amount up to \$50,000, on the Execution Date. Notwithstanding anything herein to the contrary, within ninety (90) days following the Execution Date, Franchisor shall be entitled to retain up to fifty percent (50%) of the Initial Franchise Fee if Franchisee fails to (i) agree to an Effective Date with Franchisor within such 90-day period, or (ii) begin operations of the Yummi Kiosk on the Effective Date due to Franchisee's acts or omissions; provided; however, that Franchisor shall return the entire Initial Franchise Fee to Franchisee if within ninety (90) days following the Execution Date, Franchisor fails to agree to an Effective Date with Franchisee within such 90-day period or the Yummi Kiosk cannot begin operations prior to the 90th day following the Execution Date solely due to Franchisor's acts or omissions or the acts or omissions the Host Location, including any such acts or omissions by the Host Location as a result of state and federal laws and regulations. In the event the Produce Kiosk cannot begin operations prior to the 90th day following the Execution Date solely due to Franchisor's acts or omissions or the acts or omissions the Host Location,

the return of the Initial Franchise Fee shall be Franchisee's sole remedy for any Damages incurred by the Franchisee. The right of Franchisor to retain up to fifty percent (50%) of the Initial Franchise Fee shall be in addition to any other fees, rights and remedies available to Franchisor for Franchisee's early termination under Section 14.4 of this Agreement. Upon payment, subject to the foregoing rebate, the Initial Franchise Fee shall be deemed fully earned and nonrefundable in consideration for administrative and other expenses incurred by Franchisor in granting this franchise and for Franchisor's lost or deferred opportunity to franchise others. In consideration for the ongoing administrative, advisory, inspection and other expenses of Franchisor, for each Franchised Yummi Kiosk, Franchisee shall pay to Franchisor a biweekly management fee in an amount equal to the greater of \$200 or 1% of the prior biweekly period's Gross Sales of such Franchised Yummi Kiosk (the "Management Fee"), unless such fee is otherwise set forth on the signature page hereto. The Management Fee shall be paid on or before the Monday of the next biweekly period, subject to the Revenue Processing Period (as herein defined). Franchisee may request to order certain inventory or supplies through accounts maintained by Franchisor. For each such order, Franchisor may charge a processing fee of \$50 in such event.

Section 4.2 Franchise Earnings and Definition of Gross Sales.

(a) Franchisee Earnings. During the Term (and in consideration of Franchisee's operation of the Franchised Yummi Kiosk in accordance with the terms of this Franchise Agreement), Franchisor shall pay to Franchisee a continuing biweekly fee in an amount equal to ____% of Gross Sales, as defined below (the "Franchisee Earnings"). Franchisor can deduct biweekly any and all amounts owed to it by Franchisee from any Franchisee Earnings it owes to Franchisee; provided, however, that Franchisor intends (but shall have sole discretion to decide otherwise) to not deduct more than 50% biweekly of the amount received from the Host to apply against amounts owed to Franchisor by Franchisee. Franchisee promises to repay all remaining amounts owing to Franchisor in the event the amount withheld from the Franchisee Earnings is insufficient to repay all amounts owing to Franchisor at such time.

(b) Franchisee Payment and Reporting Date. The Host will provide Franchisor with a biweekly Gross Sales report in arrears. Franchisor is paid directly by the Host according to the Gross Sales report, the first of which may not be received until four to eight (4-8) weeks after the commencement of operations at a particular Host Location. Accordingly, and subject to Franchisor's receipt of the Host's initial Gross Sales report and payment by the Host to Franchisor of all amounts due to Franchisor related to such Gross Sales report, Franchisor will begin paying the Franchisee Earnings, less any required fees or amounts payable by the Franchisee to the Franchisor, no later than eight (8) weeks after the Yummi Kiosk begins operating (the "Revenue Processing Period") for the first biweekly period of its operations and thereafter will continue to pay the Franchisee Earnings, less any required fees or amounts payable by the Franchisee to the Franchisor, to Franchisee biweekly for the subsequent biweekly periods completed, subject to Franchisor's receipt of the Host's Gross Sales report for the applicable biweekly period and payment by the Host to Franchisor of all amounts due to Franchisor related to such Gross Sales report. Franchisor shall not be held liable for any delayed payments of Franchisee Earnings to the Franchisee that are a result of any delay by the Host to timely deliver the Gross Sales report and amounts due thereunder to Franchisor.

(c) Underpayment; Overpayment. In the event Franchisee determines the amount of Franchisee Earnings remitted by Franchisor is incorrect as a result of an underpayment of such Franchisee Earnings, Franchisee shall promptly deliver written notice of such underpayment to Franchisor. Franchisor shall have thirty (30) days to review its books and records and the Gross Sales report delivered by the Host after the date Franchisor receives the written notice from Franchisee under this Section 4.2(c), by which thirty (30) day period Franchisor shall either deliver a written report, along with sufficient documentation, that such Franchisee Earnings were accurate or deliver the additional amount of Franchisee Earnings to resolve the underpayment. In the event of underpayment, Franchisor shall not be deemed to be in breach of this Agreement prior to receiving the written notice from Franchisee regarding the underpayment or during

the thirty (30) day review period provided under this Section 4.2(c). In the event Franchisor determines that it has overpaid any amount of Franchisee Earnings to Franchisee, Franchisor shall deliver a written notice to Franchisee containing sufficient details and accompanying documentation to demonstrate the overpayment. Franchisor shall be permitted to offset any such overpayment against the next payment of Franchisee Earnings due and payable to the Franchisee.

(d) Gross Sales. The term “Gross Sales” shall include the total amount of revenue collected from the sale of all goods or services provided by and/or from the Franchised Yummi Kiosk and all other income of every kind and nature related to the Franchised Yummi Kiosk (including, without limitation, the full value of on-premise sales, whether for cash or credit and with no deductions or exclusions whatsoever), except (i) federal, state, or municipal sales taxes collected by Host or Franchisee from customers and paid by Host to the appropriate taxing authority and (ii) any refunds, returns or credit card chargebacks.

Section 4.3 Other Payments. Any payments required to be paid by Franchisee to Franchisor under this Franchise Agreement must be received by Franchisor within ten (10) days of Franchisee’s receipt of any billing statement or invoice therefor, and shall be paid to Franchisor at:

GBC Food Services, LLC
251 Renner Pkwy.
Richardson, TX, 75080

Section 4.4 Late Charge and Interest on Late Payments. Any payment not actually received by Franchisor on or before the date on which such payment is due shall be deemed as late. To compensate Franchisor for the increased administrative expense of handling late payments, Franchisor has the right to charge a late charge for each delinquent payment, in the amount of five percent (5%) of the amount due, which late charge is due upon making the delinquent payment. In addition to such late charge, Franchisee shall pay Franchisor interest on such late payment from the date it was due until paid at the lesser of (a) eighteen percent (18%) per annum and (b) the maximum rate permitted by applicable law. Entitlement to such interest shall be in addition to any other remedies Franchisor may have. Franchisee agrees this section does not constitute Franchisor’s agreement to accept payments after they are due or a commitment by Franchisor to extend credit to Franchisee or otherwise finance the operation of the Franchised Yummi Kiosk.

Section 4.5 Application of Payments/No Refunds/No Offset. Regardless of any designation by Franchisee, Franchisor has the right to apply any payments by Franchisee to any of Franchisee’s past due indebtedness, interest, late fees, or any other indebtedness or amounts owed to Franchisor. Except as expressly set forth in this Agreement, under no circumstances will any amounts paid or payable to Franchisor be refunded by Franchisor for any reason. Franchisee shall not withhold, retain, deduct, credit, and/or offset any amounts which may be owed by Franchisor to Franchisee against any amounts due from Franchisor to Franchisee.

Section 4.6 Method of Payments Through Hosts. For Yummi Kiosks at Host Locations where menu items, Pan-Asian Food and services are paid for by the Franchised Yummi Kiosk’s customers through the Host’s POS infrastructure (the “Host POS Method”), Franchisee shall not receive direct payments from customers for such sales. Instead, customer payments are made directly to the Host. Franchisee further acknowledges and agrees that all sales will be made through cash registers and/or payment systems of the Host and that Franchisee shall not make any sales through any other cash registers or payment systems.

(a) Under the Host POS Method, the Host shall retain from the Franchised Yummi Kiosk its Host Payments. The Host Location and the Occupancy Agreement shall be sourced and negotiated

exclusively by Franchisor. The Host Payments shall be established from time-to-time through negotiation directly and exclusively between Franchisor or Franchisor's affiliate and Host, may vary from Yummi Kiosk to Yummi Kiosk and may fluctuate during the term of this Franchise Agreement. In no event shall Franchisee or Owners or their respective employees or agents have any negotiations or other communications with any Host as to any Occupancy Agreement terms or Host Payments. If a Host shall initiate any such communications with Franchisee, Franchisee shall promptly direct them to Franchisor and fully inform Franchisor of such communications.

(b) Upon the Host remitting to Franchisor the Gross Sales from the Franchised Yummi Kiosk at the Host Location less the Host Payment, Franchisor shall first retain all amounts owed to it by Franchisee under this Agreement before paying the Franchisee Earnings, subject to the intended 50% cap on retained funds described in Section 4.2(a) of this Agreement.

(c) Franchisor does not guaranty the payment due from Franchisor to Franchisee, and Franchisor shall have no obligation to pay Franchisee until Franchisor first receives remittance of Gross Sales less the Host Payment from the Host.

Section 4.7 Method of Payments Not Through Hosts. Franchisor shall have the right to unilaterally modify the payment structure provided for in Section 4.6 at any time. In the event Franchisor payment arrangements are modified such that customer payments are made directly to the Franchised Yummi Kiosk, all amounts not owed to Franchisee pursuant to this Franchise Agreement shall be paid to and received by Franchisor (or any third party so designated by Franchisor) on or before the date such amount is due. All such payments must be made by wire transfer, ACH, electronic payment or other mechanism as designated from time to time by Franchisor, and each payment shall be accompanied by the electronic, digital or other reports as specified by Franchisor. Franchisee shall not withhold, retain, deduct, credit, and/or offset any amounts which may be owed by any Franchisor Party to Franchisee (and/or its affiliates or subsidiaries) against any amounts due from Franchisee to Franchisor.

Section 4.8 Payment by Pre-Authorized Bank Transfer. Franchisee agrees to execute and complete the Authorization Agreement in Attachment D, and/or such other documents as Franchisor may require from time to time, to authorize and direct Franchisee's bank or financial institution to pay and deposit directly to Franchisor's account, and to charge to Franchisee's account, the amount of the NAP Fee (defined in Section 11.2(a) below) and other amounts due and payable to Franchisor by Franchisee pursuant to this Franchise Agreement. Franchisee's authorizations will permit Franchisor to initiate debit entries and/or credit correction entries to Franchisor's account for the amount of such fees and other amounts then payable to Franchisor from Franchisee. Franchisee agrees to maintain, at all times during the term of this Agreement, a balance in Franchisee's account at Franchisee's bank or financial institution sufficient to allow the appropriate amount to be debited from Franchisee's account for payment of such fees and other amounts payable by Franchisee for deposit in Franchisor's account.

Section 4.9 Taxes Generally. Franchisee shall promptly pay when due all taxes, duties, and/or fees levied or assessed (including, without limitation, gross receipts taxes, franchise taxes, sales taxes, withholding taxes, value added taxes, and/or any similar taxes or fees) and all accounts and other indebtedness of every kind incurred by Franchisee under this Franchise Agreement (collectively, "Taxes"). In the event of any bona fide dispute as to Franchisee's liability for Taxes, Franchisee may contest the validity or the amount of such Taxes in accordance with procedures of the taxing authority or applicable law; however, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against this Franchise Agreement, the Franchised Yummi Kiosk, and/or Location (or any improvements thereon).

(a) All payments made by Franchisee to Franchisor under this Franchise Agreement shall be

paid in U.S. Dollars and, except as otherwise provided in this Agreement, shall be paid by Franchisee to Franchisor without any retention, deduction, credit, and/or offset for any Taxes.

(b) Any Taxes imposed upon or with respect to this Franchise Agreement or any materials, supplies or specifications acquired by or provided to Franchisee pursuant to or in connection with this Franchise Agreement shall be paid by Franchisee.

(c) In the event Franchisor is required under applicable law or otherwise elects (all as determined by Franchisor in its sole discretion) to pay any Taxes to the appropriate taxing authority(ies) which govern the Location subject to this Franchise Agreement, then Franchisee shall immediately pay to Franchisor an amount equal to any amount(s) so paid by Franchisor to such taxing authority(ies).

(d) Franchisee consents to the electronic delivery of all tax forms for which Franchisor is required or elects to deliver to Franchisee.

Section 4.10 Texas Margin Tax. For purposes of the Texas Margin Tax, Franchisor's performance of the services specified in this Franchise Agreement will cause it to conduct part of the active trade or business of Franchisee in connection with collecting cash payable to Franchisee, and the compensation specified herein includes both the payment of fees to Franchisor and the reimbursement of specified costs incurred in Franchisor's conduct of the active trade or business of Franchisee. Franchisor and Franchisee intend Franchisor to be, and shall treat Franchisor as, a "management company" within the meaning of Section 171.0001(11) of the Texas Tax Code. Franchisee and Franchisor will apply Sections 171.1011(m-1) and 171.1013(f)-(g) of the Texas Tax Code to Franchisor's reimbursements paid to it pursuant to this Franchise Agreement of specified costs and wages and compensation. Franchisor and Franchisee further recognize and intend that (i) as a result of the relationship created by this Franchise Agreement, reimbursements paid to the Franchisor pursuant to this Franchise Agreement are "flow-through funds" that Franchisor is mandated by law or fiduciary duty to distribute, within the meaning of Section 171.1011(f) of the Texas Tax Code, and (ii) as a result of Franchisor's contractual duties under this Franchise Agreement, certain reimbursements hereunder and payments to Franchisee are "flow-through funds" mandated by contract to be distributed within the meaning of Section 171.1011(g) of the Texas Tax Code.

Section 5.2 Franchisee's Use of Franchise Manual. With respect to Franchisee's use of the Franchise Manual, Franchisee agrees that:

(a) Franchisee and Owners shall at all times treat the Franchise Manual (including the information therein) as confidential, and shall use all reasonable efforts to maintain the confidentiality of such manuals (and the information therein).

In the event of any dispute as to the contents of the Franchise Manual, the terms of the master version of the Franchise Manual maintained by Franchisor on Franchisor's website referenced above or at Franchisor's home office shall control.

(f) If applicable and if Franchisee's copy of the Franchise Manual is lost, destroyed or significantly damaged, Franchisee will immediately notify Franchisor and will be obligated to obtain from Franchisor a replacement copy of the Franchise Manual for a replacement fee of \$2,000.

Section 5.3 Public Relations and Crisis Communications. Franchisee agrees that:

(a) In the event a public relations matter or health or safety crisis arises, Franchisee must immediately inform Franchisor of the matter or crisis and Franchisor reserves the right (but shall not be obligated) to direct and control any and all crisis communications on behalf of Franchisee and the Franchised Yummi Kiosk. Franchisee shall also alert Franchisor to any potential crisis situation which Franchisee reasonably believes may be developing.

(b) Franchisee may retain its own local public relations firm for its day-to-day public relations needs and must inform Franchisor of the firm's identity.

(c) Franchisee shall not distribute any press release to the media without the prior written consent of Franchisor, in its sole discretion.

(j) Franchisee acknowledges and agrees that the representations, warranties and covenants set forth in this Section 6.1 are continuing obligations of Franchisee and that any failure to comply or failure of compliance with such representations, warranties and covenants shall constitute a material event of default under Article 14 pursuant to which Franchisor may terminate this Franchise Agreement in addition to such other rights and remedies available to Franchisor hereunder. Furthermore, Franchisee agrees:

(a) To purchase all labels, food inventory, utensils and other supplies in accordance with the Franchise Manual and maintain in sufficient supply, and to use and/or sell at all times, only such ingredients, Pan-Asian Food, food items, supplies, materials, equipment and paper goods (collectively, “Products”) and menu items that conform with Franchisor’s standards and specifications, and to refrain from deviating therefrom, including by the use or offer of non-conforming items, without Franchisor’s prior written consent. Franchisee shall label all products for sales tracking processing using a label machine approved by Franchisor. In addition to any other remedies it may have under this Franchise Agreement, Franchisor may (i) require Franchisee to bear the cost of such testing if the supplier of the item has not previously been approved by Franchisor or if the sample fails to conform with Franchisor's then-current specifications and (ii) require Franchisee to remove and destroy such food or non-food items at Franchisee's sole cost without reimbursement from Franchisor whatsoever.

Franchisee acknowledges it may be responsible for the payment of certain costs associated with such programs and/or procedures. Franchisor reserves the right to establish (and set forth the terms and conditions of) such programs and procedures through a modification and/or revision to the System and/or Franchise Manual and, in such event, Franchisee shall thereafter comply with the System and/or Franchise Manual, as modified and/or revised.

Section 7.2 Managing Owner and Operating Partner.

(a) Managing Owner. Franchisee shall designate and retain an individual to serve as the “Managing Owner” of the Franchised Yummi Kiosk. The Managing Owner (i) shall be deemed as a “Franchisee’s Owner” hereunder and must have the largest share of unencumbered equity ownership in Franchisee, but not less than ten percent (10%), (ii) must be authorized by the Franchisee to bind the Franchisee in any dealings with Franchisor and authorized distributors, suppliers, and contractors of Franchisee, (iii) must be authorized by the Franchisee to direct any actions necessary to ensure compliance with the Franchise Agreement, and (iv) must devote his full time and best efforts to the satisfaction of Franchisee’s obligations under this Franchise Agreement and the daily operations of the Franchised Yummi Kiosk. Except as may otherwise be provided in this Franchise Agreement, the Managing Owner’s interest in Franchisee shall be and shall remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options. Franchisee has not taken and agrees that it will not hereafter take, whether directly or indirectly, any action to avoid the authority requirements of the Managing Owner through the entry of limiting board resolutions, management agreements, amendment of Organizational Documents or any other similar device or arrangement. Franchisee agrees to furnish Franchisor with such evidence as Franchisor may request from time to time for the purpose of assuring Franchisor that the Managing Owner’s authority remains as represented herein.

(b) Operating Partner. If the Managing Owner does not intend to devote his full time and best efforts to the daily operation of the Franchised Yummi Kiosk, then Franchisee must also designate an individual “Operating Partner”, who must be approved by Franchisor. The Operating Partner (i) shall be deemed as a “Franchisee’s Owner” hereunder and must be authorized by Franchisee to bind Franchisee in any dealings with Franchisor and authorized distributors, suppliers, and contractors of Franchisee, (ii) must be authorized by the Franchisee to direct any actions necessary to ensure compliance with the Franchise Agreement, and (iii) must devote his full time and best efforts to the satisfaction of Franchisee’s obligations under this Franchise Agreement and the daily operations of the Franchised Yummi Kiosk with no operational or management commitments to other businesses. The Operating Partner must live within a 50-mile radius of the Franchised Yummi Kiosk. Except as may otherwise be provided in this Franchise Agreement, the Operating Partner’s interest in Franchisee, if any, shall be and shall remain free of any pledge, mortgage, hypothecation, lien, charge, encumbrance, voting agreement, proxy, security interest or purchase right or options.

(c) Change of Managing Owner or Operating Partner. Franchisee shall not change the Managing Owner and/or Operating Partner without the prior written consent of Franchisor. Any sale, transfer or assignment of the Managing Owner’s interest in Franchisee, or any portion thereof, shall be subject to the restrictions on transfer described in Article 13 and any failure to comply with such requirements shall be deemed a material event of default by Franchisee under Article 14. Any sale, transfer or assignment of the Operating Partner’s interest in Franchisee, if any, or any portion thereof, shall be subject to the restrictions on transfer described in Article 13 and any failure to comply with such requirements shall be deemed a material event of default by Franchisee under Article 14.

Franchisee shall staff the Franchised Yummi Kiosk in accordance with the Franchise Manual and Franchisee agrees to maintain a competent, conscientious, and fully-trained staff at the Franchised Yummi Kiosk including at least two fully-trained, full-time employees, including at least one fully-trained, full-time manager (unless otherwise agreed to in writing by Franchisor). At all times the Franchised Yummi Kiosk is to be open for business, the Franchised Yummi Kiosk shall be staffed by one manager and at least one additional employee of Franchisee. Franchisee agrees to take such

steps as are necessary to ensure that its employees preserve good customer relations and comply with such dress code as Franchisor may prescribe from time to time. Franchisee also acknowledges and agrees that Franchisor may require Franchisee to maintain “above-kiosk” supervision (e.g., area director(s), regional director(s), etc.) and, in such event, Franchisee shall ensure that such personnel are fully-trained in accordance with the Franchise Manual. Franchisee alone is responsible for hiring, firing, line-training, disciplining, setting hours for and otherwise supervising all employees. As between Franchisor and Franchisee, Franchisee is solely responsible for the safety and well-being of Franchisee’s employees and the customers of the Franchised Yummi Kiosk. Any evaluation or inspection Franchisor conducts is not intended to exercise, and does not constitute, control over Franchisee’s day-to-day operation of the Franchised Yummi Kiosk or to assume any responsibility for Franchisee’s obligations under this Franchise Agreement. No employee of Franchisee will be deemed to be an employee of Franchisor for any purpose whatsoever, and nothing in any aspect of the System or the Marks in any way shifts any employee or employment related responsibility from Franchisee to Franchisor. Franchisee will defend, indemnify, and hold Franchisor and each other Franchisor Party harmless from and against all claims arising out of or relating to (a) any employee of Franchisee being deemed or purported to be deemed to be an employee of Franchisor and (b) any event, allegation or finding that for any purpose whatsoever, or in any way shifts any employee or employment related responsibility from Franchisee to Franchisor.

Section 7.5 Health and Safety Standards. Franchisee shall, at all times, operate the Franchised Yummi Kiosk in accordance with (i) the highest health, safety, and sanitation standards under applicable law and (ii) the highest health, safety, and sanitation standards as set forth in the Franchise Manual. Franchisee shall furnish to Franchisor, within seven (7) days after receipt thereof, a copy of any inspection report, warning, citation, certificate and/or rating which indicates Franchisee’s satisfaction of or failure to meet or maintain the highest health, safety, and/or sanitation standards in the operation of the Franchised Yummi Kiosk.

(a) **Temporary Closure of Franchised Yummi Kiosk.** In the event Franchisee violates the terms of Section 7.5, then (in addition to Franchisor’s other rights and remedies hereunder) Franchisee shall temporarily close the Franchised Yummi Kiosk immediately upon receipt of written notice from Franchisor and Franchisee shall not re-open the Franchised Yummi Kiosk until Franchisee has cured such violation(s) of Section 7.5 and received written permission from Franchisor to re-open the Franchised Yummi Kiosk.

(b) **Public Health and/or Safety Emergency.** In the event of a public health, safety, and/or sanitation emergency involving the Franchised Yummi Kiosk, then (in addition to Franchisor’s other rights and remedies hereunder) Franchisee shall temporarily close the Franchised Yummi Kiosk immediately upon Franchisee becoming aware thereof (and in any event not later than immediately upon receipt of written notice to do so from Franchisor) and Franchisee shall not re-open the Franchised Yummi Kiosk until such emergency has been resolved and Franchisee has received written permission from Franchisor to re-open the Franchised Yummi Kiosk.

Section 7.6 Approved Suppliers. Franchisee shall purchase all Products used or offered for sale at the Franchised Yummi Kiosk as required by the Franchise Manual and this Franchise Agreement and, to the extent any Products are permitted to be purchased from others, they shall be purchased by Franchisee from suppliers (including manufacturers, distributors and other sources) who (i) demonstrate, to the continuing satisfaction of Franchisor, the ability to meet Franchisor’s then-current standards and specifications for such items; (ii) possess adequate quality controls and capacity to supply Franchisee’s needs promptly and reliably; (iii) have been approved in writing by Franchisor prior to any purchases by Franchisee from any such supplier; and (iv) have not thereafter been disapproved.

(a) If Franchisee desires to purchase any products from an unapproved supplier, Franchisee shall submit to Franchisor a prior written request to Franchisor for such approval, or shall request the supplier

itself to do so. Franchisee shall not purchase from any supplier unless and until such supplier has been approved in writing by Franchisor. Franchisee acknowledges it will be required to secure such supplier's signature to such agreements as Franchisor may require, including, without limitation, a confidentiality agreement acceptable to Franchisor, as conditions precedent to any approval by Franchisor. Franchisee agrees that its failure to comply with this Section 7.6(a) will result in an assessment of a non-compliance fee equal to 150% of the Franchisee's cost of the products if such products had been purchased from an approved supplier or Franchisor. In the event Franchisee repeatedly fails to place sufficient orders of Product from an approved supplier and/or Franchisor consistent with Franchisee's prior weekly sales, Franchisor shall be entitled to automatically order on Franchisee's behalf and deliver to Franchisee, at Franchisee's sole cost, the amount of Products necessary for Franchisee to meet demands, calculated according to Franchisee's prior weekly sales. Any such ordering and delivering of Products on behalf of Franchisee shall be charged to Franchisee at a cost of up to 150% of the cost for the Products so ordered and delivered.

(b) Franchisor shall have the right to require that its representatives be permitted to inspect any Product supplier's facilities at any time, and that samples from any such supplier be delivered, at any time, either to Franchisor or to an independent laboratory designated by Franchisor for testing. A charge, not to exceed the cost of the inspection and the test, shall be paid by Franchisee, though without limiting Franchisee's liability therefor, Franchisee may require reimbursement from or direct payment by the supplier.

(c) Franchisor reserves the right, at its option, to re-inspect from time to time the facilities and products of any previously-approved supplier and to revoke its approval upon the supplier's failure to continue to meet any of Franchisor's then-current criteria. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier (such determination to be made by Franchisor in its sole discretion).

(d) Franchisee shall timely fulfill all financial obligations it owes to any supplier. In the event Franchisee fails to timely pay any supplier, Franchisor may, in its sole discretion, make such payment on Franchisee's behalf and charge to Franchisee, together with a \$50 administrative fee, all costs and expenses incurred by Franchisor in making such payment.

Section 7.7 Proprietary Products. Franchisee acknowledges and agrees that Franchisor has developed, and after the Effective Date may develop certain Products or menu items which are made from highly confidential secret recipes and which are trade secrets of Franchisor (the "Proprietary Products"). Because of the importance of quality and uniformity of production and the significance of the Proprietary Products to the System, it is to the mutual benefit of the Parties that Franchisor closely controls the production and distribution of the Proprietary Products. Accordingly, Franchisee agrees to only use Proprietary Products in the Franchised Yummi Kiosk which have been purchased from Franchisor or from a source designated by Franchisor, unless otherwise permitted in writing by Franchisor.

Section 7.8 Maintenance of the Franchised Yummi Kiosk. Franchisee shall clean and maintain the Franchised Yummi Kiosk in a first-class manner and condition and Franchisee shall report to Franchisor any repairs to the Franchised Yummi Kiosk as may be required to maintain the Franchised Yummi Kiosk in a first-class manner and condition. All repairs, replacements, additions, and modifications to the Franchised Yummi Kiosk shall require Franchisor's prior written consent.

Section 7.9 Current Image. Upon Franchisor's request, Franchisee shall, at its sole cost and expense, make all improvements and alterations that Franchisor may determine to be necessary for the Franchised Yummi Kiosk to conform with the then-current image of Yummi Kiosks as required by the System or as prescribed by Franchisor from time-to-time (the "Current Image"). Franchisee shall, at its

expense, undertake and complete such improvements and alterations within reasonable times specified by Franchisor.

Section 7.10 Remodeling and/or Redecorating of Franchised Yummi Kiosk. Franchisee acknowledges Franchisor's right to make changes in the Current Image, as it reasonably deems appropriate; and Franchisor has the right to require Franchisee to make specific changes to the Franchised Yummi Kiosk from time-to-time to conform with the Current Image, and Franchisee must cooperate as needed to allow for such changes.

Section 7.11 Inspection by Franchisor. Franchisee shall grant Franchisor and its agents, including representatives of the Host, the right to enter the Franchised Yummi Kiosk at any time for the purpose of conducting inspections of the Franchised Yummi Kiosk and Franchisee shall cooperate with Franchisor and its agents in such inspections by rendering such assistance as they may reasonably request. Upon notice from Franchisor or its agents and without limiting Franchisor's other rights under this Franchise Agreement, Franchisee shall take such steps as may be necessary to correct immediately any deficiencies detected during any such inspection, including, but not limited to, correcting any use of unauthorized Products or unauthorized Product substitutions. Should Franchisee, for any reason, fail to correct such deficiencies within a reasonable time as determined by Franchisor, Franchisor shall have the right and authority (without, however, any obligation to do so), to correct such deficiencies and to charge Franchisee a reasonable fee and reimbursement for Franchisor's expenses in so acting, payable by Franchisee immediately upon demand by Franchisor. Franchisor reserves the right to institute policies and procedures regarding such inspection in the Franchise Manual, including without limitation, fees for failure to timely comply with such policies and procedures. Franchisor and its agents, including representatives of the Host operating under the authority of the Host, shall have the right to dispose of any unauthorized Products and Products that do not conform to the requirements set forth in the Franchise Manual. Neither Franchisor nor the Host shall have any responsibility for replacing any unauthorized or non-conforming Products. Neither Franchisor nor the Host shall be required to attempt to resell the unauthorized or non-conforming Products or otherwise mitigate any losses the Franchisee may sustain as a result of the disposal of the unauthorized or non-conforming Products.

Section 7.12 Mandatory Sanitation and Food Safety Program. Franchisor reserves the right to require Franchisee's participation in a sanitation and food safety program relating to the Franchised Yummi Kiosk (including periodic inspections and evaluations of the Franchised Yummi Kiosk) in accordance with such rules, terms, and conditions as Franchisor deems advisable. Franchisor reserves the right to incorporate the rules, terms, and conditions of such program into the Franchise Manual and to supplement such rules, terms, and conditions from time-to-time through modifications to the Franchise Manual. Franchisee shall, at all times, operate the Franchised Yummi Kiosk in accordance with the rules, terms, and conditions of such mandatory sanitation and food safety program. Franchisee acknowledges Franchisee may be responsible for some (or all) costs of such program as it applies to the Franchised Yummi Kiosk.

Section 7.13 Prices at Franchised Yummi Kiosk. Subject to this Franchise Agreement, Franchisor shall determine the prices of menu items, Products or services offered at the Franchised Yummi Kiosk as permitted by applicable law. To the fullest extent permitted by applicable law, Franchisor reserves the right to establish maximum, minimum or other pricing requirements with respect to the prices Franchisee may charge for menu items, Products or services offered at the Franchised Yummi Kiosk.

Section 7.14 Compliance with Laws and Industry Standards. Franchisee shall operate the Franchised Yummi Kiosk in compliance with all federal, state and local laws, rules and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Franchised Yummi Kiosk, including, without limitation, business licenses, certificates of occupancy,

liquor licenses, fictitious name registrations, sales tax permits and fire permits. Franchisee shall be solely responsible for any fines, costs, or penalties related to the foregoing matters.

(a) Franchisee shall notify Franchisor in writing within five (5) days of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency, or other governmental instrumentality related to any of the matters referenced in this Section 7.14 or which may adversely affect the Franchised Yummi Kiosk.

(b) Franchisee shall, at its sole cost, comply (i) with rules and regulations promulgated by industry groups, trade associations and similar non-governmental (and/or quasi-governmental) organizations as Franchisor shall require and/or (ii) rules and regulations promulgated by Franchisor which are reasonably consistent with rules and regulations promulgated by such industry groups, trade associations and similar non-governmental (and/or quasi-governmental) organizations.

(c) Franchisor and Franchisee acknowledge and agree that protection of customer privacy and credit card information is necessary to protect the goodwill of businesses operating under the Marks and System. Accordingly, Franchisee agrees that it will cause the Franchised Yummi Kiosk to meet or exceed, at all times, all applicable security standards developed by the Payment Card Industry Data Security Standards (PCI DSS) council, or its successor, and other regulations and industry standards applicable to the protection of customer privacy and credit card information, including but not limited to the Fair and Accurate Credit Transaction Act (FACTA) and all other successor or additional laws, and all other data security requirements Franchisor may prescribe. Franchisee is solely responsible for educating itself as to these regulations and standards and for achieving and maintaining applicable compliance certifications. Franchisee will defend, indemnify and hold Franchisor and each other Franchisor Party harmless from and against all claims arising out of or relating to Franchisee's violation of this Section 7.14.

(a) On or before the tenth (10th) day of each calendar month, Franchisee shall pay to Franchisor a continuing monthly advertising fee in an amount up to or equal to 1% of Gross Sales (the "NAP Fee"). The NAP Fee shall be determined by Franchisor in its sole discretion from time-to-time during the Term, but shall not exceed 1% of Gross Sales.

(b) The NAP shall be organized, governed, and operated in accordance with written guidelines prepared and approved in advance by Franchisor (the "NAP Guidelines") and Franchisor shall be responsible for maintaining and administering advertising programs in accordance with the NAP Guidelines. (c) The NAP Fee shall be used exclusively by Franchisor in connection with any and all costs incurred in connection with the NAP including, without limitation, (i) maintaining, directing, and preparing advertising materials such as the preparation and coordination of television, digital (email, sms (text messages), search, display, video, social), radio, print, direct mail, outdoor billboard advertising, marketing surveys and other public relations activities; (ii) the employment of advertising agencies to assist in the NAP; (iii) the preparation and distribution of promotional brochures and other marketing materials in

In the event excess amounts remain in such advertising program at the end of such fiscal year, then all expenditures in the following fiscal year(s) shall be made first out of accumulated fees from previous years and then from fees collected during the current year.

(a) The NAP is operated as a conduit for the collection and expenditure of advertising fees for the purposes stated herein. An unaudited statement of the operations of the National Advertising Fund shall be prepared annually by Franchisor and shall be made available to Franchisee upon Franchisee's request.

(c) On termination or expiration of this Franchise Agreement or in the event Franchisee fails to comply with this Section 11.5, Franchisor shall have the right (in addition to Franchisor's other rights and remedies hereunder) to revoke its consent to Franchisee's development, creation, establishment, advertisement, registration and/or use any of the Marks over the Internet or any other form of electronic commerce and/or electronic media (including, without limitation, website(s) and domain names) and, in such event, Franchisee shall immediately cease all such activities and shall immediately take all actions reasonably required to disassociate Franchisee from all such activities.

Section 11.6 Copyright Materials. Franchisee acknowledges that Franchisor or its affiliates own the worldwide copyright and other ownership rights to the Franchise Manual, and all components of the System that are written, electronic and/or magnetic media subject to copyright (collectively, the "Copyright Materials"). Any change or series of changes in ownership of Franchisee that result(s) in the change in ownership of 50% or more of the equity interests of Franchisee shall be deemed an assignment.

(b) Any purported assignment, transfer, conveyance, give away, gift, pledge, mortgage or other encumbrance (by operation of law or otherwise) by Franchisee and/or Owners which does not comply with this Article 13 (including, without limitation, the prior written consent of Franchisor) shall be null and void and shall constitute an event of default under Section 14.2(b) of this Franchise Agreement.

Section 13.3 Conditions for Approval. Franchisor may, in its sole discretion, require any or all of the following as conditions precedent to its approval (and Franchisee agrees that all such conditions are reasonable and necessary).

(a) All of Franchisee's accrued monetary obligations and all other outstanding obligations to Franchisor and all other Franchisor Parties shall have been satisfied.

(h) The proposed transferee, the transferee's manager(s) and the transferee's operating partner shall complete, at transferee's cost, any training programs then in effect for franchisees upon such terms and conditions as Franchisor may reasonably require.

(i) Franchisee and proposed transferee shall pay a transfer fee not to exceed \$20,000, plus such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with any transfer of this Franchise Agreement and preparing or reviewing transfer documentation, including, without limitation, the costs of background checks, legal and accounting fees, plus any other fees that may be payable under this Franchise Agreement. The total transfer fees shall be paid in two, non-refundable installments: (a) one-half (1/2) shall be paid together with the delivery to Franchisor of the application from the proposed transferee; and (b) the balance of the transfer fees, the amount of such total transfer fees to be determined by Franchisor in its sole discretion pursuant to this Section 13.3(i), which shall be paid on or before the date of the transfer.

The total transfer fees shall be paid in two non-refundable installments: (a) one-half (1/2) shall be paid together with the delivery to Franchisor of the application from the proposed transferee and (b) the balance of the transfer fee together with the reimbursement of Franchisor's cost to effect the transfer shall be paid on or before the date of the transfer. All other conditions of transfer, including the requirement that the proposed transferee meets Franchisor's then-current qualifications and executes a Franchise Agreement, shall apply.

Section 13.5 No Security Interest. Franchisee shall not grant a security or collateral interest in this Franchise Agreement, the System and/or the Marks. Franchisee shall not grant a security or collateral interest in the Franchised Yummi Kiosk without Franchisor's prior written consent, which shall not be unreasonably withheld. In connection therewith, the appropriately approved secured party will be required by Franchisor to agree that in the event of any default by Franchisee under any documents related to the security interest, Franchisor shall have the right and option (but not the obligation) to be substituted as obligor to the secured Party and to cure any default of Franchisee.

Section 13.6 Transfer for Convenience of Ownership. Any proposed assignment and/or transfer of this Franchise Agreement by Franchisee to an affiliated or subsidiary corporation or other entity formed by Franchisee solely for the convenience of ownership shall be subject to Franchisor's prior written consent which Franchisor may condition upon any or all of the requirements set forth in Section 13.3 (as determined by Franchisor in its sole discretion). With respect to any proposed assignment or transfer under this Section 13.5, Franchisee shall be the owner of all of the voting stock or interest of such corporation or entity and if Franchisee is more than one individual, each individual shall have the same proportionate ownership interest in the transferee corporation or entity as such individual had in Franchisee prior to the transfer.

Section 13.8 Transfer Upon Death or Permanent Disability.

(a) Upon the death of any person with an interest in this Franchise Agreement and/or Franchisee (the "Deceased"), the executor, administrator or other personal representative of the Deceased shall propose a transfer of such interest to a third party within sixty (60) days after the death of the Deceased for approval by Franchisor. If the transferee is not approved by Franchisor, then the executor, administrator or other personal representative of the Deceased shall propose a transfer such interest to a third party approved by Franchisor within thirty (30) days after such disapproval. Section 13.10 Offerings by Franchisee. Ownership interests in or other securities of Franchisee may be offered by private offering or otherwise, only with the prior written consent of Franchisor (whether or not Franchisor’s consent is required under this Article 13), which consent shall not be unreasonably withheld. All documents or other offering materials used in such offering shall be submitted to Franchisor for a limited review as discussed below prior to their being used in the proposed offering. No Franchisee offering shall imply (by use of the Marks or otherwise) that Franchisor is participating in an underwriting, issuance or offering of Franchisee or Franchisor securities; and Franchisor’s review of any offering shall be limited solely to the subject of the relationship between Franchisee and Franchisor. No review of or comment upon (of any suggested revisions of) any offering materials by Franchisor or any other Franchisor Party or their legal counsel or other advisers or agents shall be taken to imply that Franchisor or any other Franchisor Party shall have any responsibility or liability for such offering materials or any statements therein. Franchisor may, at its option, require Franchisee’s offering materials to contain a written statement prescribed by Franchisor concerning the limitations described in this Section 13.9. Franchisee and the other participants in the offering shall fully indemnify Franchisor and the other Franchisor Parties in connection with any such offering. For each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of \$5,000. Franchisee shall give Franchisor written notice at least thirty (30) days prior to the date of commencement of any offering or other transaction covered by this Section 13.9.

(i) Franchisee or any of Owners fails to comply with any provision of this Franchise Agreement.

(j) Franchisee repeatedly fails to comply with the provisions of this Franchise Agreement.

(k) Franchisee has not opened the Franchised Yummi Kiosk for business to the general public within thirty (30) days from the Effective Date of this Franchise Agreement.

Section 14.4 Remedies for Default by Franchisee. In the event of a default under Section 14.3, then Franchisor may, at its option, elect any one or more of the following remedies.

(a) With respect to a default under Section 14.3(a), Franchisor may terminate this Franchise Agreement immediately upon written notice of a default under Section 14.3(a) and may elect to operate the Yummi Kiosk. In such event, Franchisee shall reimburse Franchisor for all costs and expenses incurred by Franchisor in assuming the operation of such Yummi Kiosk and shall also pay to Franchisor an early

termination fee of \$10,000.

(b) With respect to a default under Section 14.3 (b), (c), (d), (e), (f), (g), (j), and (k), such default shall be deemed an incurable material default. Franchisor may terminate this Franchise Agreement immediately upon written notice, which notice shall specify the nature of the default(s).

(c) With respect to other defaults under Section 14.3, Franchisor may terminate this Franchise Agreement upon five (5) days' prior written notice to Franchisee, which notice shall specify the nature of the default(s).

(d) Apply a progressive warning and fine structure in accordance with Franchisor's then-current Franchise Manual.

(e) In addition to all other rights and remedies available under this Section 14.4, Franchisor may elect any other right or remedy available to Franchisor under this Franchise Agreement, at law or in equity.

Section 14.5 No Cure Period. Franchisee agrees there is no cure period for any of the events of default described in Section 14.2. Franchisee agrees there is no cure period for any of the events of default described in Section 14.3 except as expressly set forth in Section 14.4. If any applicable law or rule requires a notice period and/or a cure period, then the notice period and/or cure period required under such law or rule shall be substituted for the requirements herein.

Section 14.6 No Waiver. Forbearance by Franchisor to enforce its rights and remedies in this Article 14 in the event of a default by Franchisee shall not constitute a waiver of such default and shall not constitute a waiver by Franchisor of its rights and remedies in this Article 14 in the event of any subsequent default by Franchisee.

Section 14.7 Remedies Not Exclusive. No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy provided or permitted by law or in equity.

Section 14.8 Default by Franchisor. If Franchisor defaults in the performance of any term of this Franchise Agreement, then Franchisee shall deliver written notice of such default to Franchisor within thirty (30) days after such default and such notice shall clearly and definitively specify each act or omission constituting such default. Franchisor shall have ninety (90) days from receipt of such notice to cure such default. If Franchisee believes Franchisor has not cured such default within the initial 90-day cure period, then Franchisee shall notify Franchisor of such uncured default and Franchisor shall have an additional 90-day period from such notice to cure the default. If Franchisee fails to notify Franchisor within either such ninety (90) day period that such default has not been cured, then such default shall be deemed as cured.

Section 14.9 Termination Without Cause. Franchisor may terminate this Agreement, upon thirty (30) days' notice to Franchisee, for any reason or no reason. If Franchisor exercises this right and thereby terminates this Agreement during the initial one-year Term of this Agreement, then Franchisor will pay to Franchisee an amount equal to the Initial Franchise Fee prorated in accordance with the number of days remaining in such initial one-year Term. Notwithstanding anything herein to the contrary, Franchisor may immediately terminate this Franchise Agreement at any time before the Yummi Kiosk initially opens for business upon written notice to Franchisee.

ARTICLE 15

TERMINATION OR EXPIRATION OF FRANCHISE AGREEMENT

Section 15.1 Termination or Expiration. Upon termination or expiration of this Franchise Agreement, Franchisee agrees that all rights and licenses granted to Franchisee under this Franchise Agreement (including, without limitation, rights to use the System, the Franchise Manual, and the Marks) shall immediately terminate and any right, title, and interest claimed by Franchisee to any such matters shall immediately revert to Franchisor without further notice or documentation. Franchisee shall also comply with the following obligations:

(a) Franchisee shall immediately cease to operate the Franchised Yummi Kiosk and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

(b) Franchisee shall immediately and permanently cease to use, in any manner whatsoever, the System, the Marks, the Franchise Manual and the Confidential Information. In connection with the promotion, advertising, marketing, and/or operation of any other business conducted by Franchisee, Franchisee shall not, under any circumstances, use any reproduction, counterfeit, copy or colorable imitation of the Marks which is likely to cause confusion, mistake or deception, or which is likely to dilute Franchisor's rights in and to the Marks. Franchisee shall not use any designation of origin, description, or representation which falsely suggests or represents an association and/or connection (or former association or connection) with Franchisor.

(c) Franchisee shall immediately cease to occupy the Host Location and return to the Franchisor, or if so instructed by the Franchisor, the Host, any keys or other access elements in the possession of Franchisee or Owners or their respective employees or agents and comply with any "De-Identification Schedule" as may be provided by Franchisor to Franchisee or Owners.

(d) Franchisee shall immediately deliver to Franchisor the Franchise Manual, Confidential Information, all written materials bearing the Marks or identifying the Franchised Yummi Kiosk, all computer hardware and software which may have been provided or licensed by Franchisor, such items as may be listed in the De-Identification Schedule, and all other records, files, instructions, correspondence, brochures, agreements, invoices, and other materials relating to the operation of the Franchised Yummi Kiosk. Franchisee shall retain no copy or record of any of the foregoing, except Franchisee's copy of this Franchise Agreement and copies of any correspondence between the Parties.

(e) Franchisee shall take such action as may be necessary to cease the use of any name that includes any words identified to Franchisor or the Marks, including cancelation of any assumed name or equivalent registration which contains such words or the Marks and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within five (5) days after termination or expiration of this Franchise Agreement.

(f) Franchisor will pay the remaining Franchisee Earnings owing from Franchisor to Franchisee within ten (10) days after receipt of the final Host Payment for the period ending on such expiration or termination date, while first withholding all amounts owing to it by Franchisee. In the event the entire remaining Franchisee Earnings are withheld as a result and Franchisee still owe amounts to Franchisor, then within then within ten (10) days after notice to Franchisee of receipt of the final Host Payment and such withholding therefrom, Franchisor will pay the remaining Franchisee Earnings owing from Franchisor to Franchisee within, Franchisee shall pay all sums owing to Franchisor under this Franchise Agreement including, without limitation, all Damages (including costs under subparagraph (g) below), incurred by Franchisor as a result of such termination or expiration. In the event Franchisee fails to comply with this subparagraph (f), then (in addition to any rights and remedies available to Franchisor), such failure shall give rise to and remain a lien in favor of Franchisor (until paid in full) against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Franchisee at the

Franchised Yummi Kiosk (in addition to any other rights and remedies available to Franchisor under this Franchise Agreement or applicable law).

(g) Within thirty (30) days before and after the expiration or termination of this Franchise Agreement, Franchisor may purchase (i) any or all of the furnishings, fixtures, equipment and signs, related to the Franchised Yummi Kiosk for 50% of their original purchase prices and (ii) all usable food inventory purchased from Franchisor that Franchisee has on hand at the Host Location and in transit thereto that has already been paid for by Franchisee for 90% of its original purchase price. All purchase orders for food or other supplies provided by Franchisor not yet in transit shall immediately be deemed to be terminated by the Parties and Franchisor shall reimburse to Franchisee any cost paid for such food or other supplies.

(h) In the event Franchisee fails or refuses to comply with the requirements of this Section 15.1, then Franchisor shall have the right to enter the Location, without being guilty of trespass or any other tort, for the purpose of making or causing to be made such changes as may be required under this Section 15.1, at the expense of Franchisee, which expense Franchisee agrees to pay to Franchisor upon demand.

Section 15.2 Survival. The terms of this Article 15 shall survive the termination or expiration of this Franchise Agreement. Franchisee shall pay to Franchisor all Damages incurred by Franchisor subsequent to the termination or expiration of this Franchise Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Article 15.

ARTICLE 16

NO-COMPETE CLAUSE AND RELATED COVENANTS

Section 16.1 Best Efforts. During the Term, Franchisee, Managing Owner and Operating Partner (as applicable) agree to devote full time and best efforts to the management and operation of the Franchised Yummi Kiosk.

Section 16.2 Receipt of Confidential Information. Franchisee and Owners agree (i) they will either receive or have access to valuable specialized training and Confidential Information which is beyond their present skills and experience, and (ii) that such training and Confidential Information provide a competitive advantage and will be valuable to them in the operation of the Franchised Yummi Kiosk, (iii) access to such training and Confidential Information is a primary reason for entering into this Franchise Agreement, (iv) such training and Confidential Information are provided by Franchisor for the benefit of the System and each Yummi Kiosk under the System and (v) that the System and each such kiosk individually and mutually benefit from Franchisee's compliance with the covenants described below.

Section 16.3 No-Compete Clause. In consideration for such training and Confidential Information (and the other benefits provided to Franchisee by this Franchise Agreement), Franchisee and Owners agree and shall cause the employees and managers of the Yummi Kiosk who have access to Confidential Information to agree as follows:

(a) During the Term, Franchisee, Owners and the employees and managers of the Yummi Kiosk shall not directly, indirectly, or in any manner whatsoever:

(i) Divert or attempt to divert any business or customer of Yummi Kiosks to any Competitive Yummi Kiosk (defined below) or otherwise take any action injurious or prejudicial to the goodwill associated with the Marks and the System.

(ii) Own, maintain, develop, operate, or have any interest in any Competitive Yummi Kiosk. The term “Competitive Yummi Kiosk” shall be deemed to mean any kiosk or similar establishment featuring Pan-Asian Food as primary menu items, but shall not include other Yummi Kiosks franchised from Franchisor.

(b) Commencing on (i) the expiration or termination of this Franchise Agreement or on the date of an approved transfer of all of Franchisee’s interest in this Franchise Agreement and continuing for a period of two (2) years after such date, Franchisee and its employees and owners shall not directly, indirectly, or in any manner whatsoever:

(i) divert or attempt to divert any business or customer of any Yummi Kiosk to any competitor or otherwise take any action injurious or prejudicial to the goodwill associated with the Marks and the System.

(ii) own, maintain, develop, operate, or have any interest in any Competitive Yummi Kiosk located in the United States of America.

(c) Commencing on (i) the expiration or termination of this Franchise Agreement or (ii) on the date which an individual or entity ceases to satisfy the definition of “Franchisee’s Owner” and continuing for a period of one year after such date, such Franchisee’s Owner shall not directly, indirectly, or in any manner whatsoever:

(i) divert or attempt to divert any business or customer of any Yummi Kiosk to any Competitive Yummi Kiosk or otherwise take any action injurious or prejudicial to the goodwill associated with the Marks and the System.

(ii) own, maintain, develop, operate, or have any interest in any Competitive Yummi Kiosk located in the United States of America.

(d) In addition to any other rights and remedies available to Franchisor under this Franchise Agreement and in the event of a violation of Sections 16.3(a), 16.3(b), and/or 16.3(c), which Franchisee and Owners recognize and acknowledge would cause irreparable damage to Franchisor, the exact amount of which will be difficult or impossible to ascertain, and that the remedies at law for any such breach will be inadequate, Franchisor may demand, in its sole discretion, specific performance and injunctive relief without the necessity of proving actual damages or posting any bond or other security.

Section 16.4 Managers and Employees. At Franchisor’s request, Franchisee shall require and obtain execution of covenants substantially identical to those set forth in this Article 16 (including covenants applicable upon the termination of a person’s relationship with Franchisee) from any and all managers of Franchisee and any other employees of Franchisee who have received or will receive training or Confidential Information, and any holder (except for limited partners) of a beneficial interest of greater than one percent (1%) of the securities of Franchisee and any entity directly or indirectly controlling Franchisee, if Franchisee is an entity (or is a general partner, manager or managing member of an entity directly or indirectly controlling a general partner of Franchisee, if Franchisee is a partnership or limited liability company respectively). The covenants required by this Section 16.4 shall be substantially in the form contained in Attachment B.

Section 16.5 Survival. The terms of this Article 16 shall survive the termination, expiration, or any transfer of this Franchise Agreement. The Parties agree this Article 16 shall be construed as independent of any other provision of this Franchise Agreement. If all or any portion of this Article 16 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision

to which Franchisor is a Party, Franchisee and Owners expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 16.

Section 16.6 Reduction in Scope. Franchisee and Owners agree that Franchisor shall have the right, in its sole discretion, to reduce the scope of any provision, or portion thereof, in this Article 16 without their consent, effective immediately upon notice to Franchisee; and Franchisee and Owners agree that they shall comply forthwith with any provision as so modified, which shall be fully enforceable notwithstanding the provisions of Section 20.1.

Section 16.7 No Defense. Franchisee and Owners expressly agree that the existence of any claims they may have against Franchisor, whether or not arising from this Franchise Agreement, shall not constitute a defense to the enforcement by Franchisor of the provisions of this Article 16. In addition to any other rights and remedies, Franchisee and Owners agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Article 16.

Section 16.8 Consent to Injunctive Relief. Franchisee and Owners acknowledge that a violation of the terms of this Article 16 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Franchisee and Owners accordingly consent to the issuance of an injunction prohibiting any conduct by Franchisee or Owners in violation of the terms of this Article 16 without the necessity of proving actual damages or requirement of posting bond or other security.

ARTICLE 17

RELATIONSHIP OF THE PARTIES AND INDEMNIFICATION

Section 17.1 No Fiduciary or Special Relationship. The Parties agree (i) this Franchise Agreement does not create a fiduciary or other special relationship between them, and (ii) nothing in this Franchise Agreement is intended to designate either Party as an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

(a) During the Term, Franchisee shall hold itself out to the public as an independent operation operating the Franchised Yummi Kiosk under this Franchise Agreement. Franchisee agrees to take such action as may be necessary to do so, including, without limitation, if required by Franchisor, exhibiting a notice of that fact in a conspicuous place in the Franchised Yummi Kiosk, the content of which Franchisor reserves the right to specify.

(b) The Parties agree that nothing in this Franchise Agreement authorizes Franchisee or any of Owners to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name; and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Franchisor be liable by reason of any act or omission of Franchisee or Owners or for any claim or judgment arising therefrom against Franchisee, any of Owners or Franchisor.

(c) Franchisee shall be the sole and exclusive employer of its employees with the sole right to hire, discipline, and discharge such employees and the sole right to establish wages, hours, benefits, employment policies and other terms and conditions of employment for such employees all as determined by Franchisee in its sole discretion without consultation or approval by Franchisor. Additionally, Franchisee must communicate to all employees that Franchisee, not Franchisor, is their employer; and Franchisee must ensure that no payroll checks or other employment-related documents (such as job applications and W-2s) contain or reference the Marks or Franchisor's name. Franchisee shall be solely responsible for the payment of all social security taxes and/or other applicable payroll-related, government-mandated contributions

and/or taxes and Franchisee shall indemnify and hold Franchisor and the other Franchisor Parties harmless from any liability for any such contributions and/or taxes.

Section 17.2 Indemnity. Franchisee and the Owners, jointly and severally, are responsible for all Damages (defined below), including any such Damages incurred by Franchisor, related to Franchisee's obligations under this Franchise Agreement and the development and operation of the Franchised Yummi Kiosk. Franchisee shall, at all times, indemnify and hold Franchisor and the other Franchisor Parties harmless to the fullest extent permitted by law (without regard to the cause thereof or the negligence of Franchisor or the other Franchisor Parties) from all Damages, including, but not limited to (i) all costs and fees, including reasonable attorney's fees, associated with the enforcement of this Section 17.2; and (ii) any and all fines, interest and penalties resulting from any violation, breach, or asserted violation or breach by Franchisee of any federal, state or local law, regulation, ruling, standard or directive or any industry standard, related to Franchisee's obligations under this Franchise Agreement and the development and operation of the Franchised Yummi Kiosk including, without limitation, Damages related to the following matters:

(a) The infringement, alleged infringement, misuse or any other violation or alleged violation by Franchisee or any of Owners of any patent, mark or copyright or other proprietary right owned or controlled by third parties (except as such may occur with respect to any right to use the Marks or other proprietary information granted hereunder).

(b) The violation, breach or asserted violation or breach by Franchisee or any of its Owners of any federal, state or local law, regulation, ruling, standard or directive or any industry standard (including, without limitation, any claims related to the employment of Franchisee's employees.

(c) Libel, slander or any other form of defamation of Franchisor, the System or any developer or franchisee operating under the System, by Franchisee or by any of Owners.

(d) The violation or breach by Franchisee or by any of Owners of any provision of this Franchise Agreement or in any other agreement between Franchisee, its subsidiaries and affiliates and Franchisor or any other Franchisor Party.

(e) Acts, errors, or omissions of Franchisee, any of Franchisee's subsidiaries or affiliates and any of Owners and the officers, directors, managers, shareholders, members, partners, agents, representatives, independent contractors and employees of Franchisee or Owners and their respective subsidiaries and affiliates in connection with the establishment and operation of the Franchised Yummi Kiosk.

Section 17.3 Notice to Franchisor. Franchisee and each of the Owners agree to give Franchisor prompt notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. At the expense and risk of Franchisee and each of the Owners, Franchisor may elect to assume (but under no circumstance is obligated to undertake) or associate legal counsel of its own choosing with respect to, the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation. Such an undertaking by Franchisor shall, in no manner or form, diminish the obligation of Franchisee and each of the Owners to indemnify Franchisor and the other Franchisor Parties and to hold them harmless for any Damages for which Franchisor is entitled to indemnification.

Section 17.4 Settlement or Other Remedial Actions.

(a) In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, Franchisor may, at any time and without notice, as it, in its judgment deems appropriate,

consent or agree to settlements or take such other remedial or corrective actions it deems expedient with respect to the action, suit, proceeding, claim, demand, inquiry or investigation if, in Franchisor's sole judgment, there are reasonable grounds to believe that (i) any of the acts or circumstances enumerated in Section 17.2 have occurred or (ii) any act, error, or omission as described in Section 17.2(e) may result directly or indirectly in damage, injury, or harm to any person or any property.

(b) All Damages incurred under this Article 17 shall be chargeable to and paid by Franchisee or any of Owners pursuant to its obligations of indemnity under this Article 17, regardless of any actions, activity, including settlement, remedial or corrective actions, or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity or defense.

Section 17.5 Definition of Damages. As used in this Agreement, the term "Damages" shall include, without limitation, all liability, losses, damages (including, without limitation, compensatory, exemplary and punitive damages), claims, fines, charges, costs, expenses, debts, lost profits, reasonable attorney's fees, court costs, settlement amounts, judgments, compensation for damages to the Franchisor's reputation and goodwill, costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

Section 17.6 No Liability. Franchisor Parties do not assume any liability whatsoever for acts, errors, or omissions of those with whom Franchisee, or any of Owners, or Franchisee's or Franchisee's respective subsidiaries and affiliates or any of such parties' respective officers, directors, managers, shareholders, members, partners, agents, representatives, independent contractors and employees of Franchisee, its subsidiaries or affiliates may contract, regardless of the purpose.

Section 17.7 No Requirement to Pursue Third Party. Under no circumstances shall the Franchisor Parties be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Franchisee or any of Owners. Franchisee and each of the Owners agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from Franchisee or any of Owners by Franchisor or any other Franchisor Parties.

Section 17.8 Survival. The terms of this Article 17 shall survive the termination, expiration, or any transfer of this Franchise Agreement.

ARTICLE 18 **APPROVALS AND WAIVERS**

Section 18.1 Requests for Approvals. Whenever this Franchise Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and such approval or consent shall be obtained in writing. Franchisor makes no warranties or guarantees upon which Franchisee or Owners may rely, and assumes no liability or obligation to Franchisee or such persons, by providing any waiver, approval, consent, or suggestion to Franchisee or Owners in connection with this Franchise Agreement, or by reason of any neglect, delay, or denial of any request therefor.

Section 18.2 No Waiver. No delay, waiver, omission, or forbearance on the part of Franchisor to exercise any right, option, duty, or power arising out of any breach or default by Franchisee or Owners under this Franchise Agreement shall constitute a waiver by Franchisor to enforce any such right, option, duty, or power as against Franchisee or Owners, or as to any subsequent breach or default. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee or Owners of any terms, provisions, covenants, or conditions of this Franchise Agreement.

ARTICLE 19

MISCELLANEOUS PROVISIONS

Section 20.1 Entire Agreement. This Franchise Agreement, the documents referred to herein, and the Attachments hereto constitute the entire, full and complete agreement between Franchisor

and Franchisee concerning the subject matter hereof, and shall supersede all prior and contemporaneous agreements, discussions, correspondence, understandings and/or communications in any form or format between the Parties hereto with respect to the subject matter hereof. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Franchise Agreement shall be binding on either Party unless mutually agreed to by the Parties and executed by their authorized officers or agents in writing. In entering into this Franchise Agreement, no Party is relying on any promise, warranty, inducement or representation by the other Party other than those expressly set forth herein; provided, however, that nothing in this Franchise Agreement is intended to disclaim any representations made by Franchisor in the franchise disclosure document provided to Franchisee by Franchisor.

Section 20.2 Severability. Except as expressly provided to the contrary herein, each portion, section, part, term and/or provision of this Franchise Agreement shall be considered severable; and if, for any reason, any section, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms and/or provisions of this Franchise Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the Parties hereto; and said invalid portions, sections, parts, terms and/or provisions shall be deemed not to be a part of this Franchise Agreement.

Section 20.3 No Benefit. Except as expressly provided to the contrary herein, nothing in this Franchise Agreement is intended, nor shall be deemed, to confer upon any person or legal entity any rights or remedies under this Franchise Agreement (and otherwise except for Franchisee, Owners, Franchisor and Franchisor's officers, managers, and employees).

Section 20.4 Agreement to be Bound. Franchisee and Owners, as applicable, expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Franchise Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a Party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

Section 20.5 Force Majeure. Franchisor shall not be liable or responsible to Franchisee, or be deemed to have defaulted under or breached this Franchise Agreement, for any failure or delay in fulfilling or performing any term of this Franchise Agreement, when and to the extent such failure or delay is caused by or results from acts beyond Franchisor's control, including, without limitation, the following force majeure events ("Force Majeure Event(s)"): (a) acts of God, pandemics and epidemics; (b) flood, fire, earthquake, national disasters, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; (g) strikes, labor stoppages or slowdowns, or other industrial disturbances, including, but not limited to, global, regional, or local supply chain disruptions for any reason; and (h) telecommunication and electronic communication breakdowns, power outages or shortages, lack of warehouse or storage space, inadequate transportation services, or inability or delay in obtaining supplies of adequate or suitable materials; (i) hacking and security breaches, including denial of service; (j) global, regional, or local network outages of electronic servers and systems; and (k) other similar events beyond the control of Franchisor.

Section 20.6 Captions. All captions in this Franchise Agreement are intended solely for the convenience of all Parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

Section 20.7 Survival. Any obligation of Franchisee or Owners that contemplates performance of such obligation after termination, expiration, or any transfer of this Franchise Agreement shall be deemed to survive such termination, expiration or transfer.

Section 20.8 References. All references herein to the masculine, neuter, or singular shall be construed to include the masculine, feminine, neuter, or plural, where applicable; and, without limiting the obligations individually undertaken by the Owners hereunder, all acknowledgments, promises, covenants, agreements and obligations herein made or undertaken by Franchisee shall be deemed jointly and severally undertaken by all those executing this Franchise Agreement on behalf of Franchisee. Each reference in this Franchise Agreement to a corporation or partnership shall be deemed to also refer to a limited liability company and any other entity or organization similar thereto. Each reference to the constating or organizational documents, owners, directors, managers and officers of an entity in this Franchise Agreement shall be deemed to refer to the functional equivalents of such organizational documents, owners, directors, managers, and officers, as applicable, in the case of any type of entity or organization similar thereto.

Section 20.9 Counterparts. This Franchise Agreement may be executed in one or more counterparts and each counterpart so executed shall be deemed an original.

Section 20.10 Business Days. The term “business days” means any days excluding Saturday, Sunday and the following national holidays: New Year’s Day, Martin Luther King Day, Presidents’ Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans’ Day, Thanksgiving and Christmas.

Section 20.11 Franchisee’s Responsibility for Owners. Franchisee shall be solely and completely responsible to ensure (and cause) each of the Owners to comply with the terms of this Franchise Agreement and each of the Owners must sign the Signature Page of Owners attached hereto. Franchisee agrees that any violation of the terms of this Franchise Agreement by Owners shall constitute an event of default under Article 14.

Section 20.12 Outsourcing by Franchisor. Franchisor may, in its sole discretion, elect to outsource and/or subcontract certain of Franchisor’s obligations set forth in this Franchise Agreement to subsidiaries, affiliates, contract employees, third-party vendors and/or other third-party suppliers; provided (i) any such outsourcing and/or subcontracting shall not discharge Franchisor from its obligations under this Franchise Agreement, and (ii) any such outsourced or subcontracted obligations shall be performed in accordance with the terms of this Franchise Agreement.

ARTICLE 21 **DISPUTE RESOLUTION**

Section 21.1 Legal Remedies. Franchisor and Franchisee will each have the right in a proper case to obtain specific performance, eviction from the premises of the Franchised Yummi Kiosk, temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction. Franchisee agrees that Franchisor may have temporary or preliminary injunctive relief without bond, but upon due notice, and Franchisee’s sole remedy in the event of the entry of such injunctive relief will be the dissolution of the injunctive relief, if warranted, upon hearing duly had (all claims for Damages by reason of the wrongful issuance of any injunction being expressly waived).

Section 21.2 Non-Binding Mediation; Arbitration.

(c) The Parties agree that in the event of any dispute among the Franchisor, Franchisee and/or

any of their respective Affiliates arising out of, relating to or in connection with this Franchise Agreement or the transactions contemplated hereby (each a “Dispute”), the Parties must first negotiate in good faith to resolve and cure the Dispute for thirty (30) days. In the event the Parties are unable to resolve the Dispute in such 30-day period, such Dispute shall be submitted to confidential mediation at JAMS in Dallas County, Texas. The Parties shall cause the mediation to be conducted within fifteen (15) days after the matter is submitted to the mediator. Any settlement or disposition agreed to in the mediation shall be final and binding on and enforceable against the parties to the Dispute if such settlement is executed by all parties to the Dispute.

(d) The Parties agree in the event of any Dispute is submitted to but not resolved pursuant to Section 21.2(a) in confidential mediation, such Dispute shall be resolved by confidential arbitration in front of a single arbitrator to be conducted by JAMS (formerly Judicial Arbitration and Mediation Services, Inc.) in Dallas County, Texas, in accordance with its Comprehensive Arbitration Rules and Procedures (“CARP”), provided the JAMS Optional Expedited Arbitration Procedures set forth in Rule 16 of the CARP shall apply and control over any other conflicting CARP rules, and the Federal Arbitration Act (the “FAA”). The Parties agree to participate in confidential arbitration within thirty (30) days after the date of the non-binding, confidential mediation at which the Parties failed to resolve the Dispute. Any award rendered by the arbitrator shall be final and binding on the parties to the Dispute submitted to arbitration, and judgment may be entered on it in any court of competent jurisdiction. The Parties agree to require the arbitrator to issue its written disposition of the matter(s) in dispute within thirty (30) days following the confidential arbitration. Notwithstanding any provision of this Franchise Agreement to the contrary, Franchisor may initiate proceedings in any court of competent jurisdiction to seek an injunction or injunctions to prevent breaches of this Franchise Agreement, to enforce specifically the terms and provisions of this Franchise Agreement, to compel arbitration as required by this Section 21.2, to enforce or collect upon any arbitration award entered hereunder, or to claim Damages under Articles 9 and 16. This Section 21.2 does not cover any claims that are by law non-arbitrable (and only to the extent the law is not preempted by the FAA), unless the Franchisee elects to arbitrate such claims. The Parties agree that any such non-arbitrable claims and any proceedings initiated by Franchisor pursuant to this Section 21.2 shall be brought only in a state or federal court located in the Dallas County, Texas. The Parties hereby irrevocably submit to the exclusive jurisdiction of these courts and waive the defense of inconvenient forum to the maintenance of any action or proceeding in such venue.

(e) The Parties hereby agree that all costs and fees incurred by the Parties with respect to any non-binding, confidential mediation and/or binding, confidential arbitration shall be shared equally between the Parties.

Section 21.3 Discovery. In relation to any and all claims or disputes either Party may submit for mediation or arbitration or, to the extent permitted by this Franchise Agreement, to a court of competent jurisdiction, the Parties hereby agree to limit discovery document requests, depositions, requests for electronically stored information (“ESI”), interrogatories, requests for admission and requests for production as set forth below in this Section 21.3:

- (a) The Parties waive all right to conduct oral, video, or in-person depositions or medical examinations.
- (b) The Parties shall submit all discovery requests in writing to the other Party, which written discovery requests shall be limited to:
 - (i) Twenty-five (25) interrogatories;
 - (ii) Twenty-five (25) requests for admission; and

- (iii) Twenty-five (25) requests for production.
- (c) Each Party shall have sixty (60) days to respond to the requests identified in Section 21.3(b), and any failure to respond shall be deemed an admission in the favor of the non-responding Party.
- (d) All written discovery requests identified in Section 21.3(b) must be served contemporaneously, and the failure to serve all written discovery requests contemporaneously shall be deemed a waiver of any and all future written discovery requests.
- (e) Any documentation requested pursuant to Section 21.3(b) above shall be limited to only reasonable documentation pertaining to the Franchisee. Any requests for additional documentation in relation to ongoing arbitration between the Parties must first be preceded by such Party showing good cause for the request of such additional documentation.

The Parties by mutual written consent may waive part or all of this Section 21.3; provided, however, that that waiver of any part or all of this Section 21.3 with respect to an individual claim or dispute shall not be deemed a waiver for any other ongoing or future claims or disputes between the Parties.

Section 21.4 Consent to Jurisdiction; Venue; Governing Law. Subject to Section 21.2, Franchisee and Owners irrevocably (a) submit themselves to the exclusive jurisdiction of the State Courts of Texas, located in Collin County, Texas, and the United States Federal District Court for the Northern District of Texas, Dallas Division; (b) waive all questions of personal jurisdiction for the purpose of effectuating this provision; (c) agree that service of process may be made upon any of them in any proceeding relating to, or arising out of, this Franchise Agreement (including the relationship contemplated by this Franchise Agreement) by any means allowed by Texas or Federal law; and (d) agree that venue for any proceeding relating to, or arising out of, this Franchise Agreement shall be exclusively in Collin County, Texas; provided Franchisor may bring an action for injunctive or other extraordinary relief in any state or federal court which has jurisdiction. With respect to all claims, controversies, disputes and/or actions, this Franchise Agreement shall be interpreted and construed under Texas law (without regard to Texas choice of law rules), except that any state law regarding (i) the offer and sale of franchises, (ii) franchise relationships and/or (iii) business opportunities will not apply unless the applicable jurisdictional requirements are met independently without reference to this paragraph. Franchisee, Owners, and Franchisor acknowledge the terms of this Section 21.4 provide each of the Parties with the mutual benefit of uniform interpretation of this Franchise Agreement and any dispute arising out of the relationship contemplated by this Franchise Agreement. Franchisee, Owners and Franchisor acknowledge the receipt and sufficiency of mutual consideration for such benefit.

Section 21.5 Class, Collective and Multi-Party Action Waiver. Disputes among Franchisor, Franchisee and/or any of their respective Affiliates arising out of, relating to or in connection with this Franchise Agreement or the transactions contemplated hereby, including but not limited to the arbitrability of any such dispute, must be arbitrated on an individual basis only. No arbitrator has authority to join or consolidate claims or to proceed with arbitration on a class, collective, or multi-party basis, including, but not limited to, under California's Private Attorneys General Act of 2004 ("PAGA"). Any disputes concerning the applicability or validity of this waiver shall be decided by the arbitrator. The Parties agree to arbitrate all disputes among the Parties on an individual basis only. The arbitrator is without authority to preside over any dispute by you on behalf of any other franchisee(s) of the Franchisor or joined by or consolidated with another person's claim. The Waiver will be severable from this Agreement if there is a final judicial determination that it is invalid, unenforceable, unconscionable, void, or voidable.

In such case, the action must be litigated in a civil court of competent jurisdiction exclusively the State or Federal courts located in Collin County, Texas; provided, however, the portion of the Waiver that is enforceable will be enforced in arbitration.

Section 21.6 Place of Execution of Franchise Agreement. Franchisee, Owners, and Franchisor acknowledge (i) this Franchise Agreement was executed in Collin County, Texas; and (ii) performance of certain obligations of Franchisee and Owners under this Franchise Agreement, including payment of monetary sums due hereunder, shall occur at Franchisor's principal offices in Richardson, Texas.

Section 21.7 Costs and Attorneys' Fees. Prior to the commencement of litigation, arbitration, or other dispute resolution procedure and in the event Franchisor incurs costs and expenses (including attorneys' fees) in connection with Franchisee's failure to comply with (and/or failure to timely pay amounts owing to Franchisor under) this Franchise Agreement, then Franchisee shall promptly reimburse Franchisor for such reasonable costs and expenses. In the event of litigation, arbitration, or other dispute resolution procedure between the Parties to enforce this Franchise Agreement, the prevailing Party (or in the case of a disputed amount, the Party whose claimed amount is closest to the amount finally determined in such dispute resolution procedure) in any such action shall be entitled to recover reasonable costs and expenses from the other Party, including, without limitation, court costs, reasonable attorneys' fees, discovery and investigation costs.

Section 21.8 Rights of Parties are Cumulative. Franchisor's and Franchisee's rights under this Franchise Agreement are cumulative and the exercise or enforcement of any right or remedy under this Franchise Agreement will not preclude the exercise or enforcement by a Party of any other right or remedy under this Franchise Agreement which it is entitled by law or this Franchise Agreement to exercise or enforce.

Section 21.9 Waiver of Punitive Damages and Jury Trial. To the fullest extent permitted by law, the Parties waive any right to, or claim for, any punitive or exemplary damages against the other Party. The Parties also agree that, in the event of a dispute between them, the Party making a claim will be limited to recovery of actual damages, if any. In addition, the Parties irrevocably waive trial by jury in any action, proceeding and/or counterclaim brought by either Party.

Section 21.10 Limitation of Claims. Any and all claims by the Franchisee arising out of or relating to this Franchise Agreement or the relationship among the Parties to this Franchise Agreement will be deemed waived and Franchisee will be thus barred from taking further action on account thereof unless an action or proceeding is commenced within ninety (90) days from the date Franchisee knew or should have known of the claim.

ATTACHMENT E TO FRANCHISE AGREEMENT

RIGHT OF FIRST REFUSAL

Capitalized terms used in this Right of First Refusal shall have the meanings ascribed to such terms in the Franchise Agreement unless otherwise defined herein.

(1) In the event Franchisee receives (or delivers) an acceptable bona fide offer from a third party related to a proposed sale of the Franchised Yummi Kiosk (or any portion thereof or interest therein), then Franchisee shall give Franchisor written notice setting forth the name and address of the prospective purchaser, the price and terms of the offer together with a franchise application completed by the prospective purchaser, a copy of the proposed purchase and sale agreement, and all exhibits, copies of any real estate purchase agreement or agreements, proposed security agreements and related promissory notes, assignment documents, title insurance commitment and any other information that Franchisor may request in order to evaluate the offer.

(2) Franchisor shall then have the right of first refusal to purchase Franchisee's interest covered by such offer at the price and upon the same terms of the offer. Franchisor shall have thirty (30) calendar days after receipt of Franchisee's notice of offer and the furnishing of all reasonably requested information within which to notify Franchisee in writing of its intent to accept or reject the offer. Silence on the part of Franchisor shall constitute rejection. Franchisee may not rely upon any notice from Franchisor of its intention to accept or reject the offer nor shall such notice be effective unless such notice is in writing and signed by an officer of Franchisor. In the event an offer from a third party provides for payment of consideration other than cash or involves certain intangible benefits, Franchisor may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the Parties cannot agree within a reasonable time on the reasonable equivalent in cash of the non-cash part of the offer, an independent appraiser shall be designated by Franchisor to determine such amount, and his determination shall be binding.

(3) If the proposed sale includes assets of Franchisee not related to the Franchised Yummi Kiosk, then Franchisor may, at its option, elect to purchase only the assets related to the Franchised Yummi Kiosk and an equitable purchase price shall be allocated to each asset included in the proposed sale.

(4) If (in addition to the Franchised Yummi Kiosk) the proposed sale includes (i) other Franchised Yummi Kiosk(s) operated by Franchisee (or affiliates of Franchisee) and/or (ii) Franchisor-franchised kiosks other than Yummi Kiosks (the "Non-Yummi Kiosks"), then Franchisor may, at its option, elect to purchase: (i) only the Franchised Yummi Kiosk; (ii) only the other Franchised Yummi Kiosk(s) operated by Franchisee (or affiliates of Franchisee or); (iii) only the Non-Yummi Kiosks; or (iv) any combination of kiosks set forth in clauses (i)-(iii) whether on an individual kiosk basis or on an aggregate basis; and an equitable purchase price shall be allocated to each kiosk.

(5) To the extent any franchise agreements or other agreements relating to the Non- Yummi Kiosks may be inconsistent with, or conflict with the terms of the right of first refusal contained herein, the terms of this right of first refusal shall control. This right of first refusal shall apply to any transfer, conveyance, assignment, consolidation, merger, change of ownership or any other transaction in which legal or beneficial ownership of the franchise granted in a franchise agreement is vested in an individual or entity other than Franchisee; provided, however, it shall not apply if Franchisee consists of more than one person and the transfer or assignment is from one partner to another, both of whom are signatories to this Franchise Agreement, so long as (i) the Managing Owner continues to satisfy the requirements set forth in this Franchise Agreement, and (ii) Franchisor is given written notice thereof prior to such transfer.

(6) The election by Franchisor not to exercise its right of first refusal as to any offer shall not affect its right of first refusal as to any subsequent offer.

(7) Any sale, attempted sale, assignment or other transfer of the rights pursuant to the Franchise Agreement which is effected without first giving Franchisor the right of first refusal described above shall be void and of no force and effect.

(8) If Franchisor does not accept the offer referenced herein, then Franchisee may conclude the sale to the purchaser who made the offer provided Franchisor's consent to the assignment be first obtained, which consent will not be unreasonably withheld upon compliance with the conditions imposed by Franchisor on the assignment including the conditions set forth in Article 13.

(9) In addition, Franchisee agrees that, prior to acquiring any other Yummi Kiosk franchise which may be offered to it for sale or which it may offer to purchase, such franchise will first be offered to Franchisor on the same terms, conditions and price.

INDEPENDENT AUDITORS' REPORT

To the Members of
GBC Food Services, LLC

Opinion

We have audited the financial statements of GBC Food Services, LLC, which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of income and changes in members' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of GBC Food Services, LLC as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GBC Food Services, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

The financial statements of GBC Food Services, LLC for the year ended December 31, 2021 were audited by another auditor who expressed an unmodified opinion on those statements on April 18, 2022.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – ORGANIZATION AND NATURE OF THE BUSINESS

GBC Food Services, LLC DBA Yummi Sushi (the “Company”) is a Texas Limited Liability Company formed on May 17, 2011, with headquarters in Farmers Branch, Texas. The Company is the proud supplier of fresh, high-quality sushi products. Partnered with upscale supermarkets nationwide, the Company provides highly trained, experienced chefs who prepare delicious Japanese dishes daily with exquisitely seasoned rice, crisp sliced vegetables, and the freshest seafood available, which are then professionally displayed in ready-to-go sushi containers.

During 2022 the Company transitioned from primarily an independent contractor model to a franchise model for the operation of sushi kiosks within the host grocery locations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented in accordance with accounting principles generally accepted by the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The Company’s financial instruments consist primarily of cash and cash equivalents, trade accounts receivable, accounts payable, and notes payable. The carrying amounts of cash and cash equivalents, trade accounts receivable, and accounts payable approximate their fair values because of the short-term maturities or expected settlement dates of these instruments. The estimated fair value of notes payable also approximates their carry amounts because the terms are comparable to similar lending arrangements in the marketplace.

Cash Equivalents

The Company considers all highly liquid investments with maturity of three months or less when purchased to be cash equivalents. At times, cash and cash equivalents held at a financial institution may be in excess of the Federal Deposit Insurance Corporation (“FDIC”) coverage limit. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable, Net

Accounts receivable are carried at original invoice amount, less estimates made for doubtful accounts. Management determines the allowance for doubtful accounts by reviewing and identifying troubled accounts on a monthly basis and by using historical experience applied to an aging of account balances. Accounts receivable are written-off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. As of December 31, 2022 and 2021, the Company estimated no allowance reserve for doubtful accounts.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Inventories

Inventories consisting primarily of finished goods include food and related products held for resale. Inventories are valued at the lower of cost or net realizable value using the weighted average cost method. Management evaluates all inventories and estimates a reserve for excess or obsolete inventories based on historical trends. As of December 31, 2022 and 2021, the Company estimated no reserve for excess or obsolete inventory.

Property and Equipment, Net

Property and equipment are stated at cost. The cost of the property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed based upon the estimated useful lives of the assets using the straight-line method. The estimated useful lives of the related assets are three to seven years.

Lease Accounting

Adoption of New Accounting Standards

In February 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2016-02, “Leases (Topic 842)”. ASU 2016-02 requires lessees to recognize most leases on their balance sheets for the rights and obligations created by those leases. The guidance requires enhanced disclosures regarding the amount, timing, and uncertainty of cash flows arising from leases. The ASU was effective for private companies for annual reporting periods beginning after December 15, 2020.

In June 2020, the FASB issued a one-year delay, and the effective date for private companies was deferred until fiscal years beginning after December 15, 2021. The Company adopted the new standard effective January 1, 2022.

The Company has one month-to-month lease for office and warehouse space with Aung Enterprises, LLC. The members of the Company are also the sole members of Lessor. This lease may be terminated by either party with thirty days’ notice.

The Company has elected the short-term lease recognition and measurement exemption for leases that, as of the commencement date, have a lease term of less than 12 months. The Company recognizes these short-term lease payments in profit or loss on a straight-line basis over the lease term.

Revenue Recognition

The Company derives its revenues primarily from royalties from the sale of sushi and other related products by the grocery stores. Revenues are recognized when control of these products is transferred to its customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products. All performance obligations are satisfied at a point in time. The Company does not have any significant financing components as payment is received at or shortly after the point of sale.

Sales of ingredient products to franchisee operators represent a material component of revenue. Revenues are recognized and inventory relieved at the time of shipment.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Company has adopted the practical expedient found in ASU 2021-02 that allows for the identification of certain pre-opening services as separate performance obligations with regards to the timing and amount of revenue recognition. The Company has identified that pre-opening services exist with regards to the Franchise Operating Manual and related Recipe Build Book, assistance with the preparation of facilities within the client host location, assistance obtaining relevant business licenses and permits, and stringent quality control programs performed by the Company. The value of these pre-opening services supports recognition of the full amount of the initial franchise fee upon store opening.

Initial franchise fees and other fees charged to franchisees do not account for a material component of revenue.

Shipping and Handling Costs

Shipping and handling costs include costs associated with the selection of products and delivery to customers and are classified under cost of goods sold. Shipping and handling costs for the years ended December 31, 2022 and 2021 was \$1,693,553 and \$1,609,793, respectively.

Advertising Expense

Advertising costs are expensed as incurred and are classified under operating expenses. Advertising expense for the years ended December 31, 2022 and 2021 was \$2,258,138 and \$1,623,941, respectively.

Income Taxes

The Company is a limited liability company and is not required to pay federal income tax. Accordingly, no federal income tax expense has been recorded in the financial statements. The Company's federal taxable income or loss has been included in the members' respective income tax returns. The Company is subject to state income taxes as applicable.

The Company applies FASB Accounting Standards Codification ("ASC") 740-10 "Income Taxes" in establishing standards for accounting for uncertain tax positions. The Company evaluates uncertain tax positions with the presumption of audit detection and applies a "more likely than not" standard to evaluate the recognition of tax benefits or provisions. ASC 740-10 applies a two-step process to determine the amount of tax benefits or provisions to record in the financial statements. First, the Company determines whether any amount may be recognized and then determines how much of a tax benefit or provision should be recognized. As of December 31, 2022, the Company has no uncertain tax positions.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

The revolving credit line was paid in full and terminated during 2021.

NOTE 5 – NOTES PAYABLE

On September 28, 2016, the Company obtained a promissory note from a lender in the amount of \$484,000. The loan is personally guaranteed by the members of the Company, bears interest at 5.85%, and is payable with monthly interest only payments beginning November 15, 2016, with equal monthly principal and interest payments beginning May 15, 2017. The promissory note was paid in full during 2021.

NOTE 5 – NOTES PAYABLE (CONTINUED)

On June 22, 2020, the Company obtained an Economic Injury Disaster Loan (“EIDL”) from a lender in the amount of \$150,000. GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 – RELATED PARTY TRANSACTIONS

In November 2015, the Company entered into a monthly lease agreement with Aung Enterprise, LLC (“Lessor”), for the lease of an office and warehouse building from Lessor. The members of the Company are also the sole members of Lessor. In connection with the lease agreement, the Company has pledged substantially all its assets as collateral for the note payable that financed the purchase of the office building. The Company is also responsible for paying its share of property taxes, insurance, and repairs and maintenance. As of December 31, 2022, the outstanding balance of the Lessor’s debt is approximately \$3,527,800, which is payable in monthly principal and interest installments through June 2031. The note bears interest at a rate equal to 4.19%. Effective July 2022, monthly base rent is \$72,000 and monthly payments to cover the cost of real estate taxes, building insurance and maintenance is \$28,000. For the years ended December 31, 2022 and 2021, rent expense totaled \$870,000 and \$540,000, respectively. The outstanding balance due from Aung Enterprise, LLC at December 31, 2022 and 2021 was \$466,018 and \$239,409, respectively.

The Company transfers funds to other entities owned by the members of the Company on a short-term, as needed basis. The total amount due from these related party entities at December 31, 2022 was \$263,534. There are no specified repayment terms of these receivables.

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The Company establishes accruals for lawsuits when it is probable that a loss has been or will be incurred and the Company can reasonably estimate its potential exposure, which may include a range of loss (referred to as a loss that is both “probable and estimable” in the discussion below). As to lawsuits in which the loss is not considered both probable and estimable, or is considered probable but not estimable, the Company does not establish an accrual in accordance with current accounting guidance. It is generally not possible to determine the exposure associated with the Company’s lawsuits for a number of reasons, including, without limitation, one or more of the following: liability appears to be remote; putative class action lawsuits generally pose immaterial exposure until a class is actually certified; class definitions are often indefinite and preclude detailed exposure analysis; and complaints rarely state an amount sought as relief, and when such amount is stated, it is often a function of pleading requirements and may be unrelated to the potential exposure.

NOTE 8 – CONCENTRATIONS

Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of trade accounts receivable and cash. Management believes that its contract acceptance, billing and collection policies are adequate to minimize the potential risk related to customer credit and collectability. The Company continually evaluates the credit worthiness of its customers’ financial condition and generally does not require collateral.

Cash in bank accounts is at risk to the extent that it exceeds FDIC insured amounts. To minimize risk, the Company places its cash with high credit quality institutions.

At December 31, 2022, three customers accounted for approximately 87% of the Company’s total trade accounts receivable. At December 31, 2021, two customers accounted for approximately 80% of the Company’s total trade accounts receivable. Management has evaluated trade accounts receivable at December 31, 2022 and 2021, and has determined that no allowance for estimated uncollectible accounts is necessary.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 8 – CONCENTRATIONS (CONTINUED)

For the year ended December 31, 2022, three customers accounted for approximately 66% of the Company's net sales. For the year ended December 31, 2021, three customers accounted for approximately 62% of the Company's net sales. The loss of one or more of the Company's major customers would negatively impact the business, results of operations and financial condition.

NOTE 9 – SUBSEQUENT EVENTS

The Company evaluated all material events or transactions that occurred after December 31, 2022 through July 10, 2023, the date these financial statements were available to be issued, and determined that there were no additional events or transactions which would impact these financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of
GBC Food Services, LLC

Opinion

We have audited the financial statements of GBC Food Services, LLC, which comprise the balance sheet as of December 31, 2023, and the related statements of income and changes in members' equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of GBC Food Services, LLC as of December 31, 2023, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GBC Food Services, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of General and Administrative Expenses on page 14 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL TATEMENTS
DECEMBER 31, 2023

NOTE 1 – ORGANIZATION AND NATURE OF THE BUSINESS

GBC Food Services, LLC DBA Yummi Sushi (the “Company”) is a Texas Limited Liability Company formed on May 17, 2011, with headquarters in Farmers Branch, Texas. The Company is the proud supplier of fresh, high-quality sushi products. Partnered with upscale supermarkets nationwide, the Company provides highly trained, experienced chefs who prepare delicious Japanese dishes daily with exquisitely seasoned rice, crisp sliced vegetables, and the freshest seafood available, which are then professionally displayed in ready-to-go sushi containers.

During 2022 the Company began transitioning from primarily an independent contractor model to a franchise model for the operation of sushi kiosks within the host grocery locations.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented in accordance with accounting principles generally accepted by the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The Company’s financial instruments consist primarily of cash and cash equivalents, trade accounts receivable, accounts payable, and notes payable. The carrying amounts of cash and cash equivalents, trade accounts receivable, and accounts payable approximate their fair values because of the short-term maturities or expected settlement dates of these instruments. The estimated fair value of notes payable also approximates their carry amounts because the terms are comparable to similar lending arrangements in the marketplace.

Cash Equivalents

The Company considers all highly liquid investments with maturity of three months or less when purchased to be cash equivalents. At times, cash and cash equivalents held at a financial institution may be in excess of the Federal Deposit Insurance Corporation (“FDIC”) coverage limit. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable, Net

Accounts receivable are carried at original invoice amount, less estimates made for doubtful accounts. Management determines the allowance for doubtful accounts by reviewing and identifying troubled accounts on a monthly basis and by using historical experience applied to an aging of account balances. Accounts receivable are written-off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. As of December 31, 2023, the Company estimated no allowance reserve for doubtful accounts.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL TATEMENTS
DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Inventories

Inventories consisting primarily of finished goods include food and related products held for resale. Inventories are valued at the lower of cost or net realizable value using the weighted average cost method. Management evaluates all inventories and estimates a reserve for excess or obsolete inventories based on historical trends. As of December 31, 2023, the Company estimated no reserve for excess or obsolete inventory.

Property and Equipment, Net

Property and equipment are stated at cost. The cost of the property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed based upon the estimated useful lives of the assets using the straight-line method. The estimated useful lives of the related assets are three to seven years.

Long-lived assets are reviewed for potential write-downs when impairment indicators are present. If circumstances require a long-lived asset be tested for possible impairment, the Company first compares undiscounted cash flows expected to be generated by an asset to the carrying value of the asset. If the carrying value of the long-lived asset is not recoverable on an undiscounted cash flow basis, impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques, including discounted cash flow models, quoted market values, and third party independent appraisals as considered necessary.

Lease Accounting

Adoption of New Accounting Standards

In February 2016, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2016-02, “Leases (Topic 842)”. ASU 2016-02 requires lessees to recognize most leases on their balance sheets for the rights and obligations created by those leases. The guidance requires enhanced disclosures regarding the amount, timing, and uncertainty of cash flows arising from leases. The ASU was effective for private companies for annual reporting periods beginning after December 15, 2020.

In June 2020, the FASB issued a one-year delay, and the effective date for private companies was deferred until fiscal years beginning after December 15, 2021. The Company adopted the new standard effective January 1, 2022.

The Company has one month-to-month lease for office and warehouse space with Aung Enterprises, LLC. The members of the Company are also the sole members of Lessor. This lease may be terminated by either party with thirty days’ notice.

The Company has elected the short-term lease recognition and measurement exemption for leases that, as of the commencement date, have a lease term of less than 12 months. The Company recognizes these short-term lease payments in profit or loss on a straight-line basis over the lease term.

The rent expense totaled \$1,307,771 for the year ended December 31, 2023.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL TATEMENTS
DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Adoption of New Accounting Standards

In May 2014, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2014-09, “Revenue from Contracts with Customers (Topic 606)” (“ASC 606”). The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. The ASU also required expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Company adopted the new standard effective January 1, 2020, using the modified retrospective approach. There was no cumulative effect on adoption of the new standard reflected as an adjustment to January 1, 2020 members’ equity due to the amount being immaterial to the financial statements.

As part of the adoption of the ASU, the Company elected the following transition practical expedients: (i) to reflect the aggregate of all contract modifications that occurred prior to the date of initial application when identifying satisfied and unsatisfied performance obligations, determining the transaction price, and allocating the transaction price; and (ii) to apply the standard only to contracts that are not completed at the initial date of application. Because contract modifications are minimal, there is not a significant impact as a result of electing these practical expedients.

The Company derives its revenues primarily from the sale of sushi and other related products. Revenues are recognized when control of these products is transferred to its customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products. All performance obligations are satisfied at a point in time. The Company does not have any significant financing components as payment is received at or shortly after the point of sale.

Sales of ingredient products to franchisee operators represent a material component of revenue. Revenues are recognized and inventory relieved at the time of shipment.

The Company has adopted the practical expedient found in FASB ASC 952-606-25-2 that allows for the identification of certain pre-opening services as separate performance obligations with regards to the timing and amount of revenue recognition. The Company has identified that pre-opening services exist with regards to the Franchise Operating Manual and related Recipe Build Book, assistance with the preparation of facilities within the client host location, assistance obtaining relevant business licenses and permits, and stringent quality control programs performed by the Company. The value of these pre-opening services supports recognition of the full amount of the initial franchise fee upon store opening.

Initial franchise fees and other fees charged to franchisee do not account for a material component of revenue.

Shipping and Handling Costs

Shipping and handling costs include costs associated with the selection of products and delivery to customers and are classified under cost of goods sold. Shipping and handling costs for the year ended December 31, 2023 was \$1,696,069.

GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL TATEMENTS
DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Advertising Expense

Advertising costs are expensed as incurred and are classified under operating expenses. Advertising expense for the year ended December 31, 2023 was \$1,508,730.

Income Taxes

The Company is a limited liability company and is not required to pay federal income tax. Accordingly, no federal income tax expense has been recorded in the financial statements. The Company's federal taxable income or loss has been included in the members' respective income tax returns. The Company is subject to state income taxes as applicable.

The Company applies FASB Accounting Standards Codification ("ASC") 740-10 "Income Taxes" in establishing standards for accounting for uncertain tax positions. The Company evaluates uncertain tax positions with the presumption of audit detection and applies a "more likely than not" standard to evaluate the recognition of tax benefits or provisions. ASC 740-10 applies a two-step process to determine the amount of tax benefits or provisions to record in the financial statements. First, the Company determines whether any amount may be recognized and then determines how much of a tax benefit or provision should be recognized. As of December 31, 2023, the Company has no uncertain tax positions.

The members of the Company are also the sole members of Lessor. In connection with the lease agreement, the Company has pledged substantially all its assets as collateral for the note payable that financed the purchase of the office building. The Company is also responsible for paying its share of property taxes, insurance, and repairs and maintenance. As of December 31, 2023, the outstanding balance of the Lessor’s debt is approximately \$5,937,980, which is payable in monthly principal and interest installments through August 2028. GBC FOOD SERVICES, LLC
NOTES TO FINANCIAL TATEMENTS
DECEMBER 31, 2023

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The Company establishes accruals for lawsuits when it is probable that a loss has been or will be incurred and the Company can reasonably estimate its potential exposure, which may include a range of loss (referred to as a loss that is both “probable and estimable” in the discussion below). As to lawsuits in which the loss is not considered both probable and estimable, or is considered probable but not estimable, the Company does not establish an accrual in accordance with current accounting guidance. It is generally not possible to determine the exposure associated with the Company’s lawsuits for a number of reasons, including, without limitation, one or more of the following: liability appears to be remote; punitive class action lawsuits generally pose immaterial exposure until a class is actually certified; class definitions are often indefinite and preclude detailed exposure analysis; and complaints rarely state an amount sought as relief, and when such amount is stated, it is often a function of pleading requirements and may be unrelated to the potential exposure.

NOTE 8 – CONCENTRATIONS

Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of trade accounts receivable and cash. Management believes that its contract acceptance, billing and collection policies are adequate to minimize the potential risk related to customer credit and collectability. The Company continually evaluates the credit worthiness of its customers’ financial condition and generally does not require collateral.

Cash in bank accounts is at risk to the extent that it exceeds FDIC insured amounts. To minimize risk, the Company places its cash with high credit quality institutions.

At December 31, 2023, three customers accounted for approximately 86% of the Company’s total merchant trade accounts receivable. Management has evaluated trade accounts receivable at December 31, 2023, and has determined that no allowance for estimated uncollectible accounts is necessary.

For the year ended December 31, 2023, three customers accounted for approximately 60% of the Company’s net sales. The loss of one or more of the Company’s major customers would negatively impact the business, results of operations and financial condition.

NOTE 9 – SUBSEQUENT EVENTS

The Company evaluated all material events or transactions that occurred after December 31, 2023 through September 13, 2024, the date these financial statements were available to be issued and determined that there were no additional events or transactions which would impact these financial statements.

Opinion

We have audited the financial statements of GBC Food Services, LLC (Company), which comprise the balance sheet as of December 29, 2024, and the related statements of income, changes in member deficit, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 29, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

GBC Food Services, LLC DBA Yummi Sushi (Company) is a Texas Limited Liability Company formed on May 17, 2011, with headquarters in Farmers Branch, Texas. The Company is the proud supplier of fresh, high-quality sushi products. Partnered with upscale supermarkets nationwide, the Company provides highly trained, experienced chefs who prepare delicious Japanese dishes daily with exquisitely seasoned rice, crisp sliced vegetables, and the freshest seafood available, which are then professionally displayed in ready-to-go sushi containers. The Company operates under a franchise model for the operation of sushi kiosks within the host grocery locations.

Variable Interest Entities

A legal entity is referred to as a variable interest entity (VIE) if any of the following conditions exist:

- The total equity investment at risk is insufficient to permit the legal entity to finance its activities without additional subordinated financial support from other parties
- The entity has equity investors who cannot make significant decisions about the entity's operations or who do not absorb their proportionate share of the expected losses or receive the expected returns of the entity

The Company elected the private company accounting alternative for certain qualifying common control arrangements. Under this alternative, private companies are no longer required to apply VIE guidance to certain common control arrangements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

The Company considers all highly liquid investments with maturity of three months or less when purchased to be cash equivalents. At times, cash and cash equivalents held at a financial institution may be in excess of the Federal Deposit Insurance Corporation (FDIC) coverage limit. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

At December 29, 2024, the Company's cash accounts exceeded federally insured limits by approximately \$867,000.

Accounts Receivable

Accounts receivable are stated at the amount of consideration from customers of which the Company has an unconditional right to receive plus any accrued and unpaid interest. The Company provides an allowance for credit losses, which is based upon a review of outstanding receivables, historical collection information, and existing economic conditions adjusted for current conditions and reasonable and supportable forecasts.

During the year ended December 29, 2024, credit loss expense related to doubtful accounts receivable, where collectability is not reasonably assured, was approximately \$98,000.

GBC Food Services, LLC
Statement of Cash Flows
For the Year Ended December 29, 2024

Inventories

Inventories consisting primarily of finished goods include food and related products held for resale. Inventories are valued at the lower of cost or net realizable value using the weighted average cost method. Management evaluates all inventories and estimates a reserve for excess or obsolete inventories based on the best facts available. Management recorded an inventory allowance totaling \$130,272 as of December 29, 2024.

Property and Equipment

Property and equipment acquisitions are stated at cost, less accumulated depreciation and amortization. Depreciation and amortization is charged to expense on the straight-line basis over the estimated useful life of each asset. Assets under leasehold improvements are amortized over the shorter of the lease term or respective estimated useful lives. The estimated useful lives of the related assets are three to seven years.

Intangible Assets

Intangible assets with finite lives are being amortized on the straight-line basis over periods for two to three years. Such assets are periodically evaluated as to the recoverability of carrying values.

Long-Lived Asset Impairment

The Company evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimated future cash flows expected to result from the use and eventual disposition of the asset are less than the carrying amount of the asset, the asset cost is adjusted to fair value, and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value.

No asset impairment was recognized during the year ended December 29, 2024.

Leases

The Company determines if an arrangement is a lease or contains a lease at inception. Leases result in the recognition of ROU assets and lease liabilities on the balance sheet. ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments arising from the lease, measured on a discounted basis. The Company determines lease classification as operating or finance at the lease commencement date.

The Company combines lease and nonlease components, such as common area and other maintenance costs, and accounts for them as a single lease component in calculating the ROU assets and lease liabilities for its leases.

At lease commencement, the lease liability is measured at the present value of the lease payments over the lease term. The ROU asset equals the lease liability adjusted for any initial direct costs, prepaid or deferred rent, and lease incentives. The Company has made a policy election to use a risk-free rate (the rate of a zero-coupon U.S. Treasury instrument) for the initial and subsequent measurement of all lease liabilities. The risk-free rate is determined using a period comparable with the lease term.

The lease term may include options to extend or to terminate the lease that the Company is reasonably certain to exercise. Lease expense is generally recognized on a straight-line basis over the lease term.

The Company has elected not to record leases with an initial term of 12 months or less on the balance sheet. Lease expense on such leases is recognized on a straight-line basis over the lease term.

Note 6. Revenue from Contracts with Customers

Performance Obligations

The Company derives its revenues primarily as royalties from the sale of sushi and other related products. Revenues are recognized when control of these products is transferred to its customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those products. All performance obligations are satisfied at a point in time. The Company does not have any significant financing components as payment is received at or shortly after the point of sale.

Sales of ingredient products to franchisee operators represent a material component of revenue. Revenues are recognized and inventory relieved at the time of shipment.

The Company has adopted the practical expedient found in FASB ASC 952-606-25-2 that allows for the identification of certain pre-opening services as separate performance obligations with regards to the timing and amount of revenue recognition regarding initial franchise fees. The Company has identified that pre-opening services exist with regards to manual and recipes, assistance with the preparation of facilities within the client host location, assistance obtaining relevant business licenses and permits, and stringent quality control programs performed by the Company. The value of these preopening services supports recognition of the full amount of the initial franchise fee upon store opening.

Other fees, as defined in the agreements, are charged to franchisees and recorded at a point in time when the related performance obligations are satisfied.

Note 10. Significant Estimates and Concentrations

General Litigation

The Company is subject to claims and lawsuits that arose primarily in the ordinary course of business. It is the opinion of management the disposition or ultimate resolution of such claims and lawsuits will not have a material adverse effect on the consolidated financial position, results of operations, and cash flows of the Company. Events could occur that would change this estimate materially in the near term.

Note 11. Major Customers

At December 29, 2024, one customer accounted for approximately 20% of the Company's total trade accounts receivable. Management has evaluated trade accounts receivable at December 29, 2024, and has determined that no allowance for estimated uncollectible accounts is necessary for this customer.

For the year ended December 29, 2024, two customers accounted for approximately 43% of the Company's net sales. The loss of one or more of the Company's major customers would negatively impact the business, results of operations and financial condition.

Note 12. Subsequent Events

Subsequent events have been evaluated through March 31, 2025, which is the date the financial statements were available to be issued.
