What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addendum. See the Table of Contents for the location of the State Specific Addendum.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The franchise agreement and multi-unit operator agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Illinois. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Illinois than in your own state.

Sales Performance Requirement. You must maintain minimum sales performance levels. If you fail to do so, you could lose any territorial rights you are granted or the franchisor could terminate your agreement resulting in the loss of your investment, or both.

Mandatory Minimum Payments. You must make mandatory minimum royalty payments or advertising contributions regardless of your sales levels. Your inability to make these payments may result in termination of your franchise and loss of your investment.

Financial Condition. The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. If so, check the "State Specific Addendum" (if any) to see whether your state requires other risks to be highlighted.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language, this disclosure document uses “we” or “us” to mean AlignLife or AlignLife Systems, LLC, the franchisor. “You” means the individual, corporation, or other entity that buys our franchise.

THE FRANCHISOR, PARENTS AND PREDECESSORS.

Franchisor. The name of the franchisor is AlignLife Systems. We maintain our principal business address at 624 W. Glen Ave., Peoria, IL 61614. We are an Illinois limited liability company, formed in October 2007. We have no parent or predecessors. We do business under our name AlignLife. We have offered franchises since January 2009. We do own and operate businesses of the type being franchised.

Parent. We have no parent corporation.

Predecessors. We have no predecessors.

OUR AFFILIATES

We have one affiliate. Our affiliate is Aceva, LLC, headquartered at 624 West Glen Avenue Peoria, IL 61614 (“Aceva”). Aceva owns and operates a business of the type being franchised. Aceva is the only approved supplier of nutritional products. Aceva has never offered franchises in this or any other line of business. Our agents for service of process and their addresses are listed in Exhibit A to this Disclosure Document.

We offer the opportunity for chiropractors who are licensed to practice chiropractic to become an AlignLife franchise (“Center” or “AlignLife Center”) to develop a chiropractic wellness center that incorporates hands-on chiropractic care, in-office or at-home rehabilitation and nutritional consultations. In addition, clinics must provide laboratory testing, nutritional supplementation and a weight management program to their patients. The purpose of the franchise is to provide a comprehensive, natural approach to healthcare for the local community. We offer both a start-up franchise and a conversion franchise.

Our CEO, Dr. Joseph Esposito is the owner of our proprietary mark, as described in item 13, which is licensed to us so that we may sublicense them to our franchises. The perpetual, non-cancellable trademark license agreement between Dr. Esposito and us is dated January 2, 2009.

AlignLife Centers will use proven operational processes created by us and our affiliates after decades of experience in the chiropractic and holistic healthcare industry. Our unique business offering includes our established brand; demographic research; marketing systems, training and analytics; communication processes; operations manual and video resources; online and live training systems; industry research and development. We do not provide advice on the practice of chiropractic or the billing of insurance.

You must comply with all federal, state and local laws and regulations that apply to the operation of your AlignLife franchise business. In addition to laws and regulations that apply to businesses generally, you must comply with all health care regulations under federal, state and local laws that apply to the management and operation of an AlignLife Franchise. You must secure and maintain in force all required health care licenses, permits and certificates relating to the operation of your Center and the other licenses that apply to any licensed professionals or other employees.

Set forth below are examples of potential regulatory issues that might affect the operation of your Center. This is not a complete list of regulatory matters which may touch on your franchise. How these laws apply varies from place to place and they can change over time.

It is your sole responsibility to investigate, satisfy and remain in compliance with all local, state and federal laws. Your state may require you to form a professional corporation or professional limited liability company for your Center. You should independently research and review the legal requirements of the medical services industry with your own attorney. We strongly advise you to consult with an attorney and contact federal, state and local agencies before signing a Franchise Agreement so that you may consider the scope of applicable regulations, their effects on your AlignLife Center and the cost to comply. We do not make any representations to you regarding the legality of the way you establish, license or qualify your business, or how you hire or pay your chiropractor or other licensed health care professionals, or how you perform the professional chiropractic aspects of your franchise operation.

Most states regulate activities constituting the corporate practice of chiropractic. For example, a majority of states: (i) require a chiropractor to provide chiropractic services either individually or through a wholly-owned professional entity; (ii) prohibit business corporations that are owned by non-chiropractors from providing chiropractic services, even if the services are provided by licensed chiropractors engaged by the business corporation. If you operate in a jurisdiction that regulates the corporate practice of chiropractic, your franchise may be prohibited from employing a licensed chiropractor or from providing chiropractic services directly to the public unless the entity operating your AlignLife franchise is wholly-owned by licensed chiropractors.

Fraud and Abuse and Fee-Splitting Laws

Numerous federal and state “anti-kickback” laws prohibit the receipt of compensation in exchange for referring patients to licensed health care providers, including chiropractors. These laws could prohibit anyone at your Center from paying anything of value, such as high value gifts or below market rent, directly or indirectly, to a physician, attorney or other referral source to induce referrals to your Center. Many state Chiropractic Board regulations also prohibit payments for bringing or inducing referrals.

In addition, many state chiropractic practice laws prohibit chiropractors from sharing the proceeds of their professional services, or “fee-splitting,” with non-chiropractors in certain circumstances. You are responsible for determining whether the operation of your Center would constitute illegal fee splitting.

Professional Licensing

The operation of a chiropractic practice is subject to comprehensive professional licensing and registration requirements. You are responsible for obtaining all licenses, permits, educational credits, and accreditations required for you to operate an AlignLife franchise in your jurisdiction. All states have Boards of Chiropractic that issue rules and regulations regarding their respective members and the scope of services that may legally be offered by their licensees. You are responsible for determining the permissible scope of practice limits in your jurisdiction before you engage in any AlignLife protocol.

Privacy and Security of Patient Records

Various federal and state laws regulate the privacy and security of patient health care information. For example, under the federal Health Insurance Portability and Accountability Act (“HIPAA”), as amended by the federal Health Information Technology for Economic and Clinical Health (“HITECH”) Act, healthcare providers have certain legal obligations to keep patient health care information confidential, and are also required to disclose that information to patients and third parties when requests are properly submitted. In addition, you must ensure the privacy and security of patient health care information you

share with any “business associate” as defined under the HITECH Act, such as service providers, attorneys, or third-party billing companies. Note that many states also have laws regulating the privacy and security of patient health care information and these laws may impose even greater restrictions and obligations on your business regarding the privacy and security of patient healthcare information.

Trade Names and Advertising

Some states may limit the trade names that a Center may use or require that chiropractic service providers use certain acronyms with their professional or trade names. Advertising that promotes your Center and the availability of chiropractic services must comply with applicable laws regulating how you must identify your chiropractic practice under state law. It is the responsibility of the franchisee to understand their individual state laws and to provide AlignLife with any state regulatory statutes that control the method of advertising your Center.

Building, Health and Workplace Laws

Each AlignLife Center must comply with all applicable federal, state, county and municipal building codes and handicap access codes as well as laws restricting smoking in public places, the public posting of notices regarding health hazards, fire safety and general emergency preparedness, rules regarding the proper use, storage and disposal of hazardous waste and materials, and other building, fire and health standards. In addition, you must operate your business in full compliance with all applicable workplace laws, ordinances and regulations, including governmental regulations relating to occupational hazards, health, the Equal Employment Opportunity Commission (EEOC), the Occupational Safety & Health Administration (OSHA), discrimination, employment, sexual harassment, worker’s compensation and unemployment insurance and withholding and payment of federal, state and local income taxes, social security taxes and sales and use taxes.

You must be a licensed and qualified chiropractor or any entity authorized to practice chiropractic in the state in which your franchise will be located. You must comply with all federal and state licensing and other regulatory requirements relating to the operation of your AlignLife Center.

We do not engage in the practice of chiropractic or any other profession that requires specialized training or certification. We engage in the offer, sale and support of franchises. Nothing in our Franchise Agreement, Manuals or System is intended to interfere, affect, or limit the independent exercise of professional judgment by any chiropractor or that person’s supervised staff. You, as the franchisee, must not engage in the practice of chiropractic or any other licensed profession unless you are licensed to do so.

There may be other local, state or federal laws or regulations pertaining to your AlignLife Center with which you must comply. We strongly suggest that you investigate these laws before buying this franchise.

Competition.

You will offer services to individuals of all ages from infants to the elderly. The market for chiropractic and wellness centers is fully developed and competitive. Your competitors include chiropractors, physical therapists, pain centers, wellness centers, and weight loss clinics, some of which may be regional or national in size.

Centers owned by us or our affiliates will have the same voting rights as franchisees. Contributions to the Local Co-Op will be credited toward your required Local Advertising each month. If there is no advertising cooperative formed for an area that includes your Center, you agree to expend not less than 1% of Gross Sales each month on advertising in your territory to promote your Center.
- (6) The late fees/interest will accrue from the date payments are due and continue until outstanding balance and accrued interest is paid in full.
- (7) The Technology Fee is a pass through fee for any technology services we purchase at a discount for your clinic such as the gSuite tools, Health & Habits TV, AlignLife Portal intranet sites, financial reporting software and any technology tools that can benefit the growth of your clinic.
- (8) You must pay the termination fee, plus any costs and attorneys' fees incurred by us, if you improperly terminate or close your Location or franchise before your term expires, or we terminate your Franchise Agreement for any default as stated in the Franchise Agreement. You must also pay future revenue resulting from your improper or wrongful termination of the franchise. Future revenues will be calculated using the average royalty collections of the last 12 months with annual growth. Termination fees may be unenforceable in certain states. In the State of Washington, if you are required to pay the termination fee you will not be required to pay future revenue resulting from your improper or wrongful breach or other termination to the Franchise Agreement.

NOTES

Your initial investment will vary considerably depending on the method and amount of financing that you use, and whether you are a start up Franchisee or a conversion Franchisee. The initial franchise fee, equipment and other items are shown in full, although they may be financed or leased, and are exclusive of any taxes that may be imposed. Costs for conversion franchisees are likely to be significantly lower than

those shown here. None of the expenses listed in the above chart are refundable, except any security deposits you must make may be refundable.

- (1) **Franchise Fee.** See Item 5 for more information about the initial franchise fee.
- (2) **Chiropractic or other Professional Equipment.** Your equipment package must include adjusting tables and other chiropractic related equipment necessary to operate your clinic. You may purchase these from an approved supplier. With our approval, you may purchase refurbished equipment. The low end of our estimate assumes that you are financing the purchase of the required equipment.
- (3) **X-Ray Equipment.** This estimate is exclusive of shipping and installation. With our approval, you may purchase refurbished equipment. The x-ray machines are non-refundable. If in an urban area and it is not economically feasible to build an x-ray room, you can request written approval from AlignLife to use a facility in the region. If you do not have an x-ray machine, you will need to use the required vendor.
- (4) **Lease Deposit.** This amount is based on an estimated deposit equal to one to two months' rent. This amount will vary depending upon the location of the Center and local market conditions, among other factors. The deposit is typically refundable or applied against rent at a date later in the lease term. Terms of the refundability will depend upon the terms of the lease and your ability to negotiate with your landlord.

You will need between 1,000 and 2,500 square feet of space in a free-standing building or medical office building. The office space you wish to occupy must be approved by us. Our estimates assume that you will be leasing space and that you will not purchase real property and build your own building for your Center. If you choose to purchase real property and build an office, we cannot estimate how your initial investment would increase.

- (5) **Legal and Accounting.** This item estimates the cost of basic legal and accounting services provided to you by legal and accounting firms in your review of this franchise offering and other pre-opening legal or financial matters. You do not have to engage these professionals to review your Center opening plans, but we strongly recommend that you do. These fees are non-refundable.
- (6) **Signage and Branding.** The size and type of your outdoor signage will be dictated by the specification in your lease agreement and permit regulations. All final sign renditions must be approved by us before you commit to purchasing the signage from our required supplier. Our estimate does not include getting the appropriate approval by a healthcare attorney to ensure it meets the applicable laws in your state. This fee also includes the Initial Branding Package as referenced in item 8. These fees are non-refundable.
- (7) **Furnishings.** Furnishings include the custom Alignlife front desk, reception room chairs, tables, desks, shelving and other necessary furniture. Conversion franchisees may not have to purchase any of these items. These fees are non-refundable.
- (8) **Clinic and Architectural Design.** Clinic design consists of space planning which is laying out the office for the best utilization of space to maximize efficiency. You must, at your expense, use the required vendor for these clinic services and build out the location based on the signed agreement between you and the required design consultant. These fees are non-refundable. If required by your state or local government, an Architect may be required to review and approve plans from the designer of the clinic space. If so needed, this service will be at your expense.

(9) **Permits and Licenses.** This may include inspection fees, occupational license fees and other fees that will vary from one jurisdiction to another. These fees are non-refundable. The low end of the estimate would occur if the new franchisee buys an existing chiropractic business that would require no build out or modifications.

(10) **Center Construction.** Your construction costs will vary considerably depending on the size of your Center, location, local labor laws, local building codes and shipping costs. Conversion franchisees should have minimal, construction/leasehold improvements to meet our requirements. Construction can begin once architectural designs are signed off and completed according to specifications.

(11) **Insurance.** You must maintain various insurance policies, including general liability and approved malpractice insurance. This estimate covers the initial premium payments to acquire these policies. All insurance policies you purchase must name us and any affiliate we designate as additional insureds, and provide for 30 days prior written notice to us of a policy's material modification or cancellation. If you fail to obtain or maintain the insurance we specify, we may (but are not required to) obtain the insurance for you and the Franchise Clinic on your behalf. The cost of your premiums will depend on the insurance carrier's charges, terms of payment, and your insurance and payment histories. You should consult with and follow the advice of your insurance broker with regard to insurance matters. These fees may be refundable based on a pro-rata basis.

(12) **Initial Inventory and Supplies.** This estimate includes the average initial inventory of products as well as general office supplies required to operate the Center. The estimate includes your initial supply of cervical pillows, chiropractic supplies, office supplies and the required Essential track purchase from Aceva, our affiliate. These fees are non-refundable.

(13) **Computers, Tablets, TVs, Supplies and Installation.** The expense depends on the amount of computer workstations and televisions needed in your office. Installation expense will be dependent on the number of workstations to install. Conversion franchisees may not incur these expenses if we determine that their existing computer systems and/or televisions meet our requirements. These fees are non-refundable.

(14) **VoIP Telephone Equipment and Service.** Phone equipment must be purchased from our required supplier. These estimates include the cost of the required equipment, initial activation fees and an estimate of the first 3 months of service. Low estimate is for two phones plus router; high estimate is for four phones plus router.

(15) **EMR Software Subscription.** This estimate is for 3 months EMR Software Subscription at \$300/month. There is also an additional \$400 startup fee. Monies will be collected by ChiroHD Ventures who is licensing the software for your use. These fees are non-refundable.

(16) **Initial Training Expenses.** You must pay for all your own transportation, meals and other expenses associated with attending the required initial training programs we provide. These costs will vary depending upon a number of factors, including your proximity to the initial training site and the type of accommodations you choose. The low estimate includes 3 corporate trainings and includes travel for the owner and a staff that is in driving distance to the location where the training will be held and therefore would not require airfare or car rental. The high estimate is for 5 corporate trainings and includes flights for the owner and one staff plus a rental car. These fees are non-refundable.

(17) **Clinic Opening Promotion.** You must spend between \$5,000 and \$10,000 to advertise, promote and coordinate the clinic opening of your Center. The clinic opening promotion should include items such as radio, newspaper, branding, digital marketing and other local marketing opportunities

in which the marketing team will vet out the best mediums for your area, assist in contract negotiations, and manage said contracts. These fees will be paid to us and we will coordinate advertising on your behalf. These fees are non-refundable.

- (18) **3 Months of Bookkeeping Services.** If you are a start-up franchise, you must utilize AlignLife's Bookkeeping Service for the first year your Center is in operation. Conversion franchises and Start Up Franchises after their first year have the option to use/continue to use AlignLife's Bookkeeping Services but are not required to do so.
- (19) **3 Months Staff Salary.** You affirm, warrant and understand that you may staff AlignLife centers with as many employees as you desire at any time so long as our minimal staffing levels are achieved. There must be a minimum of 1 full time staff member. The \$0 for staff salary would occur if a spouse fulfilled the role of the 1 full time staff member.
- (20) **3 Months Provider Salary.** As a conversion franchise you would continue to pay the same costs that you already had. No additional funds would be necessary. This estimate is based on 1 provider. The circumstances in which you would have \$0 as provider salary would be if the owner is the provider and opted not to pay themselves a salary.
- (21) **Technology Fee.** This estimate is for 3 months of any technology services we purchase at a discount for your clinic, such as the gSuite tools, AlignLife Portal, Health & Habits TV, intranet site, financial reporting software and any technology tools that can benefit the growth of your clinic. This fee is non-refundable. The low end represents the current Technology Fee of \$90.75 per month and a maximum of \$272.25 per month for three months. The high end represents 3 months technology fee if it is raised to the maximum of \$1,500 per month for three months.
- (22) **Paid Digital Advertising.** You must invest \$2,500 per month for management fees and between \$2,000 and \$6,000 per month in ad spend per revenue stream per advertising platform paid to AlignLife Systems or alternative approved vendors. Fees may vary depending on center needs and marketplace. Some marketplaces will require more or less to be determined by market research and readjusted as necessary and dependent upon the number of revenue streams being marketed. These decisions are to be made by AlignLife systems for each location based upon marketplace saturation, demographic and geographic considerations.
- (23) **Additional Funds.** This is an estimate of the amount of additional operating capital that you may need to operate your Franchised Business during the initial period of operations, which we define as the first three months after commencing operations. We cannot guarantee that you will not incur additional expenses in starting the business that may exceed this estimate. This estimate includes such items as initial payroll and payroll taxes, Royalties (as described in this disclosure document), Marketing Fund Contributions, repairs and maintenance, bank charges, initial staff recruiting expenses, and other miscellaneous items. These estimates do not include any compensation to you, nor do they include debt service. These figures are estimates and we cannot guarantee that you will not have additional expenses starting your Franchised Business. Your additional costs will depend on factors such as how closely you follow our methods and procedures; your management skill, experience, and business acumen; local economic conditions; the local market for our service; competition; and the sales level reached during your initial period. To compile the estimate for Additional Funds, we relied on our experience in developing affiliate locations and our CEO's 16 years of experience with AlignLife and 25 years' experience in clinic operations.
- (24) **Total.** To compile these figures, we relied upon our research into current development costs as well as our franchise advisors' direct experience in business development and our experience in developing our affiliates. These figures will vary appreciably for each Center and will be dependent

on many factors, such as local market conditions and location. You should independently investigate the costs of opening an AlignLife Center in the geographic area in which you intend to open an AlignLife Center. You should review these figures with a business advisor before making any final decision to purchase the franchise.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

REQUIRED PURCHASES

You must purchase certain products, supplies, insurance, inventory, signage, fixtures, furniture, equipment, decor, and other specified items that we periodically establish in our Manual and update on the AlignLife online portal for your Franchised Business solely from suppliers who have been approved in writing by the Company. These specifications are established to provide standards for performance, durability, design and appearance. You are not allowed to purchase any item from an unapproved supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. All approved and required vendors will be listed in the Manual and updated real time on the online AlignLife portal and this list should be reviewed before any purchases are made. We will provide 60 days written notice to you for any modifications of required and approved vendors or the modification of specific products before you must utilize the updated product or vendors.

We grant and revoke approval of suppliers through 30 days written notice to our suppliers.

You must maintain insurance against losses, such as workers' compensation, disability, public liability business interruption, and any additional insurance required by your landlords. Currently the minimum coverage is \$2,000,000 for general liability insurance, with additional umbrella coverage of \$1,000,000 for any one incident and \$150,000 for property damage for each Center. Additionally, you must maintain malpractice insurance for you and all chiropractors practicing in your Center(s) with a minimum of \$1,000,000 for any one incident and \$3,000,000 aggregate coverage. We may increase these requirements in the future and will notify you of changes. The insurance must name us as an additional named insured, and may not be cancelable except on at least 30 days prior written notice to us. You must furnish us with an approved certificate of insurance evidencing these required coverages. Insurance must be provided by an insurer rated "A" or better by A.M. Best & Co. We recommend that you discuss other appropriate coverage with your insurer.

You must sign up for an EMR Software Subscription from the Required Vendor. Additional information on the required computer system is included in Item 8.

You must purchase the approved, customized AlignLife front desk, retail display center, report of findings desk, indoor and outdoor signage, AlignLife Chiro Life Line and Canvas wall art as laid out in the Manual from the Required Vendors prior to your clinic opening for a start up franchise and within 90 days of signing the franchise agreement for a conversion franchise.

You must invest \$2,500 per month for management fees and between \$2,000 and \$6,000 per month in ad spend per revenue stream per advertising platform paid to AlignLife Systems or alternative approved vendors. Fees may vary depending on center needs and marketplace.

You must purchase the Initial Branding Starter Package which is approximately \$1,000 from our Required vendor for paper goods, branded items and promotional materials.

You must subscribe and use QuickBooks Online for your bookkeeping needs and utilize the AlignLife Chart of Accounts. There is no cost associated with the AlignLife Chart of Accounts.

You must purchase the Essential Track from Aceva which includes the mandatory supplements that must be stocked in each clinic.

You must purchase a digital x-ray machine from our required vendor if you don't already have a machine in your existing clinic.

You and all of your staff members are required to maintain HIPAA compliance at all times.

Any advertising you propose to use that has either not been prepared by us or not previously approved by us within the most recent 12 month period must be submitted to us before you may use it. We will have 10 business days to review your proposed advertising materials. Unless we provide you with our specific approval of your advertising materials, they are deemed not approved.

Except as set forth in this Item 8, there are no other requirements for you to purchase or lease in accordance with our specifications or from our approved suppliers.

We estimate that your purchases from us or approved suppliers, or that must conform to our specifications, will represent approximately 20% to 30% of your total initial investment and 20% to 25% of your total purchases and expenses in the continuing operation of the Center.

The total amount financed is repayable to us up to 24 months with interest at the then-current prime rate plus 9% per annum depending on the credit profile of the franchisee. Repayment of this financing starts 90 days after you sign our promissory note if you are a conversion franchisee or 90 days from your center's opening if you are a startup franchisee. If you finance the maximum amount with us (\$24,500), and assuming the prime rate of interest is 8.5%, and you were approved for prime rate plus 6% your monthly payment would be \$1182.11. Other than the interest payments, there are no finance charges or any additional charges assessed. The Promissory Note may be prepaid, in full or in part, at any time, without the payment of any prepayment fee or penalty. Any partial prepayment shall be applied against the principal amount outstanding and shall not extend or postpone the due date of any subsequent required installment or change the amount of any such installments.

If a promissory note is approved and funding is received after the fact, the note is to be paid in full as soon as funds are made available.

As of April 21, 2024 the prime interest rate was 8.5%.

Below please find our criteria in determining the interest rate above prime based on credit scores.

- 740+ = Prime + 6%
- 680 to 739 = Prime + 7%
- 640 to 679 = Prime + 8%
- 600 to 639 = Prime + 9%

If you qualify for and choose to accept these installments, you will sign our form of Promissory Note and Personal Guaranty, which are attached as Exhibit 5 to the Franchise Agreement. If you default on any payment under the Promissory Note, we will have the right to terminate your Franchise Agreement. If your Franchise Agreement is terminated for cause, any amount you still owe to us under the Promissory Note will become immediately due and payable, and is in addition to any money you may owe to us under the terms of the Franchise Agreement. In the event any monthly payment is not received by us within 3 days of its due date, you will also pay 5% late fee for unpaid installments.

The Promissory Note must be signed by you or an authorized officer, if you are a corporate entity. The Personal Guaranty must be signed by each person having an ownership interest in the franchise (referred to as a "Principal"). Under the Promissory Note and Personal Guaranty, you waive your right to a jury trial, as well as your rights to notices and set-off rights. There is no specific security interest required to be

pledged under the Promissory Note or Personal Guaranty, but these agreements are subject to your compliance with the terms of the Franchise Agreement.

Under the Promissory Note, if you incur an “Event of Default”, we have the right to declare all unpaid amounts under the Promissory Note to be immediately due and payable, and we have the right to charge interest on any unpaid amount at the maximum contract rate permitted by law. In addition, you must pay all costs and expenses we incur, including attorneys’ fees, related to enforcing our rights under the Promissory Note, and we may terminate your Franchise Agreement and take back your territory. An “Event of Default” includes (a) you fail to make any payment of principal of or interest on the Note on its due date; (b) if any judgment, attachment, levy or execution against you is not fully paid and/or discharged or released within 30 days; (c) you become insolvent and unable to pay your debts; (d) you make an assignment for the benefit of creditors, declare bankruptcy or permit a trustee or receiver to be appointed for you and this continues undischarged for 30 days; or (e) you breach any representation, warranty or covenant contained in the Franchise Agreement.

We do not intend to sell, assign or discount to a third party all or any part of a financing arrangement we provide to you.

The United States Small Business Administration (the “SBA”) currently offers a Franchise Registry Program to allow for the expedited processing of SBA loans for franchisees of approved franchisors. We have complied with the eligibility requirements of the SBA’s Franchise Registry Program and have been approved for participation. Accordingly, AlignLife franchisees who apply for SBA loans will receive a benefit of a streamlined loan process. You should not construe the presence of the AlignLife franchise program on the SBA’s Franchise Registry as an endorsement by the SBA, a guarantee you will be approved for a loan, or an indication of the success or profitability of an AlignLife franchise.

Item 11

FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, AlignLife Systems, LLC is not required to provide you with any assistance.

PRE-OPENING ASSISTANCE

Before you open your business, we will:

- (1) **Site Selection Assistance.** Approve or disapprove the location of a site that you select for the actual location of the Center. You must use your best efforts to find and select a mutually agreeable site within your Protected Territory within 60 days after signing the Franchise Agreement. We have no time limit set to approve or disapprove a site but anticipate it will take up to 14 days after we have received all reasonably requested materials concerning the proposed site. The site must meet our criteria for demographics, parking, traffic patterns, neighborhood, ingress and egress, size, appearance, nature of other businesses, and other physical attributes. We estimate, but do not require, the site be approximately 1,000-2,500 square feet, must have ample parking based on square footage and be located in a high traffic area. (Paragraph 8.1 of the Franchise Agreement). We generally do not own the premises and lease it to our franchisees. If you are a conversion franchisee, then we will be deemed to have approved of your existing location when we offer you the Franchise Agreement for execution.

There are no time limits to conform the premises to local ordinances and building codes and obtain any required permits. However, it is recommended that you obtain these documents soon after you receive approval for your location to keep the project moving along expeditiously.

We expect that the typical length of time between signing a Franchise Agreement and opening the Center will be between six and twelve months. Factors that can affect the length of time are: your ability to locate a site, negotiate the lease, and successfully complete our initial training program. If you fail to open the Center within these time frames, we have the right to terminate the Franchise Agreement (Paragraph 8.2 of the Franchise Agreement).

You must have 1 full time working staff, Internal and External AlignLife Signage Installed, AlignLife custom front desk installed, floor coverings, space painted with the required AlignLife color scheme, posters displayed as indicated in the Operations Manual, required retail Display, Health & Habits TV Display running as well as AlignLife Chiro Lifeline displayed prior to opening for business for a new clinic and within 90 days for a Conversion franchisee and a Start Up franchisees that is an established clinic.

We will provide the names of approved and/or required suppliers for the x-ray machine, software, supplements, office supplies, chiropractic equipment and computers. We will provide written specifications for these items but we will not deliver or install these items.

- (2) **Approval of Site Lease.** You must submit to us a form of the lease to be executed to obtain our written approval of the site. You must lease the premises for the Clinic within 90 days after signing the Franchise Agreement. We may terminate the Franchise Agreement if you do not sign your lease by this deadline. A condition to approving the lease is the inclusion of certain provisions in the lease protecting our interests (Paragraph 7.2 of the Franchise Agreement).
- (3) **Architectural and Design Specifications.** Under our guidance, our required vendor, will furnish you with complete documentation for the Architectural Interior designs and specifications to include the design of the millwork built-ins and the source and specifications for loose furnishings to install in the Center, as the purchase of loose furniture and artwork will typically be outside the construction costs (Paragraph 8.1 of the Franchise Agreement).
- (4) **Initial Corporate Training.** You and all Managers must attend and successfully complete to our satisfaction the mandatory Attraction/Conversion and Retention/Team Building (Training Camps) in addition to all courses in the Operations Manual offered by us prior to being permitted to operate your AlignLife center for a start-up franchise or a new operator of a transferred agreement.

The Operations Manual includes approximately 422 pages. Each of our instructors has at least 8 years of experience relevant to the subjects they are teaching.

The initial corporate training program will also include up to 10 hours (at our sole discretion and at the time we designate) of training camps at the Approved Location. The content of the training camps will include operational techniques, equipment operation, customer relations, and indoctrination in the System, and other items as we determine. At least one principal of yours and all of your Managers and employees must participate in this program, if we provide it. (Paragraph 10.1 of Franchise Agreement)

(5) **Operating Manual.** We will provide to you an online manual. The Manual will include specifications for operations, communication, equipment, supplies, inventory and management. The Manual is confidential and proprietary to us and remains, at all times, our property. We may modify the Manual from time to time, but these modifications will not alter your status and rights

under the Franchise Agreement. A copy of the Manual Table of Contents is attached to this disclosure document as Exhibit F (Paragraph 15.6 of the Franchise Agreement).

POST-OPENING ASSISTANCE

1. **Corporate Training Camps.** We will provide live training sessions at an offsite location approved by the corporate office. These Training Camps can be taken throughout the year to enhance your knowledge of the AlignLife System. They will be provided throughout the year and the cost is covered with your paid Franchise Fee for the first (12) twelve months and then at the then current fee thereafter (See Item 6 for fees) You will be responsible for the travel, living expenses, and compensation of you and/or your employees incurred during these training programs and classes, and for the expenses of an interpreter, if necessary (Paragraph 10.1 of the Franchise Agreement). Based on your clinic performance levels, you may be required to attend additional trainings at our sole discretion and at your cost. It is highly recommended that any time you hire a new staff member that you have them attend each of the 2 types of Training Camps (Attraction/Conversion and Retention/Team Building) offered at your expense. If you hire a new Office Manager who will manage the daily operations of the center, it is mandatory that this employee attend and successfully complete the above mentioned Training Camps and it is also highly recommended that your clinic enrolls in the Foundations Course.
2. **Online Training.** We will provide educational training via webinars or teleconference throughout the year. This platform will enable you to engage in the training and ask questions. Topics include: methods of operations of a Center; marketing and promotions; communication, and the establishment of administrative, and general operating procedures (Paragraph 11 of Franchise Agreement). You are required to adjust your patient schedule in order to attend weekly corporate trainings currently held every Tuesday. Day and time of weekly corporate trainings may change at any time with a 30 day notice. You and your team will be required to complete online refresher courses quarterly.
3. **Additional Live Training.** We will hold a national convention, The Revolution, with our operations and support personnel and franchisees to discuss sales techniques, operating procedures, and marketing methods, and to introduce new products or services, management tools, marketing programs, or promotional items. We may also hold regional trainings in areas where multiple AlignLife Centers are located. When meetings are held, we have the right to require you (or, if the franchisee is not an individual, the person designated by the franchisee as responsible for the general oversight and management of the franchised business) to attend and successfully complete training programs, and you must pay for all expenses you and your trainees incur, which may include travel, lodging and meals. (Paragraph 10.3 of Franchise Agreement).
4. **Daily Support.** We will provide you with access to our support center which provides the ability to receive answers to your question on the AlignLife System. These questions can be asked by submitting a ticket to our support center. (Paragraph 11.2 of Franchise Agreement).
5. **Operations Manual Updates.** We will provide updates to the AlignLife operational manual that includes written operational processes, training videos and additional resources. This resource is available online 24 hours a day for both the doctor and the staff, bearing any internet outages. (Paragraph 15.6 of Franchise Agreement).
6. **Clinic Visit.** We will provide a periodic onsite analysis of your Center, and give you the results of the analysis. We will inform you about operating issues that we discover during our visits and upon reviewing reports you submit to us. (Paragraph 11.2 of Franchise Agreement).

7. **Approved and Required Vendors.** We will provide you with vendors who have been vetted and approved as strategic partners of AlignLife to provide products and services at discounted rates to assist in the growth of your business. The required vendors must be utilized while the approved vendors are optional but must be used over other similar vendors unless a new vendor is approved. (Paragraph 12.2 of Franchise Agreement).
8. **Training on Additional Services.** We will provide training on the integration of natural health services, in addition to chiropractic services (nutrition consulting, and weight loss), in conjunction with our affiliate company, Aceva, enabling you to provide a comprehensive natural health experience to your patients. (Paragraph 10.2 of Franchise Agreement).
9. **Marketing Assistance.** We will provide marketing assistance that is subject to change based on the marketing expectations in the operations manual. Marketing is provided in three tiers, marketing that will be done for you, the marketing that will be done with you and the marketing that will be done by you after our training. For a successful center, all three types of marketing must be utilized to create a successful Center. We have no obligation to spend any amount on advertising in your area or territory. (Paragraph 13 of Franchise Agreement).
10. **Marketing Approval.** We provide the service of protecting our brand by ensuring all promotional and marketing materials that you or any other franchisee intends to use in any medium must be tasteful and dignified. All promotional and marketing materials must be presented to us and must conform to the standards and requirements specified in the Manual or otherwise, or as may be required by law. We will notify you of our approval or disapproval within 10 business days of our receipt of your proposed materials. Failure to obtain our prior approval on any proposed advertising will result in penalties and could be grounds for immediate termination of the Franchise Agreement (Paragraph 13.3 of Franchise Agreement). You must comply with all revisions to the promotional and marketing materials that we may require before we approve them. Our approval is only an approval of AlignLife standards and should in no way be considered an approval of the standards required by your state board. All franchisees should independently adhere to the rules. (Paragraph 13 of Franchise Agreement).
11. **Marketing Fund Management.** We will establish and administer a marketing and advertising fund (the “Marketing Fund). You will be obligated to pay \$1199 monthly (\$276.69 weekly) flat rate for marketing fund contributions that provide the shared marketing services in the operations manual. We have the right to increase this fee due to increases in costs, inflation etc. The Marketing Fund is regulated by us. The same Marketing Fee will be paid by our Company Centers. Marketing Fees will be paid at the same time and in the same manner as the Royalty Fee (Paragraph 13.1 of Franchise Agreement). Until a national advertising program is implemented, the Marketing Fee shall be utilized, in our sole discretion, towards local and regional marketing, and our determination as to the allocation may not be challenged or contested.

All Marketing Fees are maintained in a separate account and must be spent on advertising, graphic design; animation; copywriting; web design; social media production; media creative for radio, television or newspaper; campaign creation; public relations; marketing analytics; market research; agency fees; promotion of seminars; the development of our brands; plus administrative costs, including payroll, associated with the maintenance of the Marketing Fund. We are not required to spend any amount on advertising in your territory. Materials produced with the Marketing Fund may be created in-house or by an outside agency. You must make sure that any marketing materials that we prepare for your use are compliant with the laws of the jurisdiction in which the advertising will be placed. We make no representation that advertising and marketing materials prepared by us are compliant with the applicable laws of any particular jurisdiction. No portion of the Marketing Fund is used for advertising that is principally a solicitation for the sale of franchises. We are

reimbursed for administrative costs (including a reasonable allocation for salaries) directly related to administering the Marketing Fund and its programs. If there is any money remaining in the Marketing Fund at the end of a fiscal year, it will be carried forward to be spent in the next fiscal year. If there is a debt to the Marketing Fund at the end of the year (operating fund covered the overspend) then we have the right to pay that money back to the operating fund from the Marketing Fund.

The only required fees outside of the Marketing Fund are paid digital advertising management fees and ad spend for lead generation. We take the liberty of vetting out vendors who align with our mission and goals to negotiate rates and provide options for your center. You agree to participate in paid digital advertising in your territory to promote your Center with one of our approved vendors. You are required to spend up to Two Thousand Five Hundred Dollars (\$2,500) per month for management fees and between Two Thousand Dollars (\$2,000) and Six Thousand Dollars (\$6,000) per month in ad spend per revenue stream per advertising platform. Fees may vary depending on center needs and marketplace. We will monitor all ads on a weekly basis and make changes to our vendors of choice to ensure you receive the best return on investment.

The Marketing Fund is administered by our accounting personnel. The Marketing Fund is not separately audited. An unaudited annual financial statement of the Fund is available if requested in writing for the previous month. The Marketing Fund is our asset however we keep the fund separate. Except as disclosed above, neither our affiliates nor we receive any payment from the Marketing Fund. (Paragraph 13.1 of Franchise Agreement).

During the fiscal year ending December 31, 2023, the Marketing Fund spent 18.17% on production, 54.35% on media placement, 32.67% on administrative expenses; 4.22% on marketing technologies; and 0.90% on other expenses.

12. Advertising Cooperatives. We will provide the opportunity to build a marketing co-op in your local region once there are a group of AlignLife Centers in your area. We reserve the right to require that you participate in these local and regional advertising cooperatives in connection with the advertising and promotional programs administered by us. In addition to the Marketing Fee payable by you into the Marketing Fund, you must pay any additional contributions required by a cooperative. You will not, however, be required to contribute more than an additional \$1000/month or 3% of the Gross Sales of the Center, whichever is greater, for advertising and promotion in connection with these programs, unless the members of the cooperative with two thirds vote agree that all members should contribute more than 3% of Gross Sales to the cooperative. (Paragraph 13.2 of the Franchise Agreement). Company Centers or affiliate-owned centers will contribute to cooperatives on the same basis as franchisees in their area.

If there is no advertising cooperative formed for an area that includes your Center, you agree to expend not less than 1% of Gross Sales each month on advertising in your territory to promote your Center. (Paragraph 13.3 of the Franchise Agreement)

We may establish, change, dissolve, or merge local or regional marketing and advertising cooperatives in geographical areas with two or more franchises. Advertising cooperatives may be established for areas covered by advertising media relevant to particular geographic markets, Metropolitan or Micropolitan Statistical Areas or our advertising strategies, at our discretion. If we establish an advertising cooperative in an area, each AlignLife Center within the cooperative area must join and contribute to the cooperative each month. Your cooperative contribution will be credited toward your required Local Advertising expenditure, but not toward your Marketing Fee. If the amount you contribute to a cooperative is less than the amount you must spend for Local Advertising, you must still spend the difference locally. Either the cooperative or we will determine

the amount of your monthly contribution, subject to the limitations in the paragraph above. The members of each cooperative will be responsible for its administration, subject to our approval.

Each member of an advertising cooperative will have one vote per franchise. Each cooperative will operate from written governing documents and must prepare monthly financial statements, all of which will be available for its members' review and submitted to the corporate office. Each location owned by us in an area in which an advertising cooperative has been established will contribute to the cooperative on the same basis as other members of that cooperative (Paragraph 13.2 of Franchise Agreement).

13. Advisory Councils. We reserve the right to establish an advisory council composed of franchisees and our representatives. Franchisee participants will be chosen by us or may be elected by other franchisees in the System. If you participate on an advisory council, you must pay all expenses you incur related to your participation, such as travel and living expenses to attend council meetings. If established, the advisory council will act in an advisory capacity only and will not have decision-making authority. We have the right to establish, change, merge or dissolve any advisory council at any time. (Paragraph 13.5 of Franchise Agreement).

14. Websites. We will create all websites, webpages and social media pages using the Marks for the use of your Center. These sites and pages will remain our property at all times. You must comply with our System Standards and our Social Media policy located in the Operations Manual regarding the use of social media in your Center's operation, including prohibitions on you and your employees creating web pages or blogs representing the Center or the System, other than on a website and social media accounts established or authorized by us. We reserve the right to conduct collective/national campaigns via local social media on your behalf for increased brand recognition.

If you are a conversion franchisee any online presence related to your existing business before the conversion, such as websites and social media business pages (including Facebook, Google+, LinkedIn, etc.) and any URLs, domain names, Internet listings and "followers" relating to the websites and social media pages shall become property of the Franchisor upon execution of the Franchise Agreement in order to help build your new brand and drive brand awareness. You shall sign any documentation we require to evidence the transfer of these items to Franchisor. Any previously owned assets that have ownership transferred to the Franchisor will be returned upon termination of the Franchise Agreement once all AlignLife branding has been removed. (Paragraph 19 of Franchise Agreement).

15. Computer Systems and Technology. We will provide a customized AlignLife template for your EMR system. You will use this software for customer management, billing and electronic medical records. You must comply with all applicable terms of service received upon initiating your EMR Software subscription, including terms concerning software use and licenses, confidentiality, liability, and fees and pricing. (Paragraph 15.3 of Franchise Agreement).

You must purchase the computer hardware and software that we designate to operate your franchise. Our current minimum specifications for your computer system are included in the Manual. The estimated cost to purchase required computer hardware, software and any POS equipment necessary ranges between \$700 to \$5,000, depending on if you are a start-up or a conversion, how many staff you currently have and how many locations you want to have access to your electronic health records. You must obtain the hardware and software licenses, maintenance

and support services and other related services from the suppliers we specify (which may be limited to us and/or our affiliates). (Paragraph 19 of Franchise Agreement).

You are obligated to update and upgrade the computer system at minimum every 5 years or if the performance of the computer system is determined by the franchisor to be negatively impacting the operation of the center. There are no contractual limitations on the frequency and cost of upgrades and/or updates to the above-described systems or programs.

AlignLife Systems reserves the right to cause Customer's Subscription Services to enter a state of read-only access when, as determined by the Sections 6 and 13 of the Franchise Agreement, any monies due to AlignLife Systems, dba ChiroHD Ventures under the Franchise Agreement are late, in arrears, or otherwise unpaid in accordance with the terms of Section 18 of this agreement. Unless and until all monies owed under the Franchise Agreement are paid to ChiroHD Ventures the Subscription Services may, at Ventures' discretion, remain in read-only status until the account is brought current and Ventures deems the Subscription Services to be reverted to full access. Failure to pay said monies in accordance with the Franchise Agreement, namely those fees found in Sections 6 and 13 of the Franchise Agreement, may result in Ventures limiting, restricting, or otherwise terminating Customer's access to the Subscription Services.

We will have independent, full, unlimited access to the information in the franchisee's computer systems that includes any information pertaining to your gross revenues and all other information stored by the EMR Software. There is no contractual limitation or restriction on our access to or use of the information we obtain. (Paragraph 18.2(g) of Franchise Agreement). To absolve you from any HIPAA liabilities on behalf of the franchisor, a Business Associate Agreement has been executed between AlignLife Systems and ChiroHD.

We may charge you a reasonable fee for (i) installing, providing, supporting, modifying and enhancing any proprietary software or hardware that we develop and license to you; and (ii) other computer-related maintenance and support services that we or our affiliates provide you. If our affiliates and we license any proprietary software to you or otherwise allow you to use similar technology that we develop or maintain, then you must sign any software license agreement or similar instrument that our affiliates or we may require. (Paragraph 15.3 of Franchise Agreement).

We have no contractual obligation to maintain, repair, update or upgrade your computer and software. At your cost, you must provide on-going maintenance and repairs to your computer and software.

Item 12 TERRITORY

FRANCHISE AGREEMENT

Under the Franchise Agreement, you have the right to establish and operate one (1) Alignlife Center within a territory that will be defined after the location of your Center is identified and approved by us (the "Territory").

The minimum Territory that will be granted will include a minimum population of 40,000 or a five mile radius around your Center, whichever is satisfied first.

You will be granted a protected territory. Your Territory will be determined based on area population and specific demographic research designed to maximize media exposure and patient access. Primary streets

and highways or driving distance will delineate the boundaries of your Territory. The size of your Territory depends upon the demographics of your location (population density, median income, residential properties, major generators, etc.). We will provide you with a map of the Territory before you sign your Franchise Agreement. Your franchise location will be located at a site selected by you and approved by us within your Territory. If the location for your Center has not been determined when you sign the Franchise Agreement, then we may determine the size and boundaries of your Territory when the location of your Center has been approved by us.

We will not establish, or franchise another to establish a Center within your Territory so long as you are in full compliance with all of the terms of your Franchise Agreement and all of the methods, procedures, standards and specifications we require in the Operations Manual or otherwise in writing. If at any time you are not in full compliance with all of the terms of your Franchise Agreement and all of our methods, procedures, standards and specifications, we can establish or franchise another to establish a Center within your Territory. We may change your Territorial boundaries upon any renewal of your franchise agreement. There are no other circumstances that would permit us to modify your territorial rights.

You may not operate from more than one location or change the location of your Center without our prior approval. The criteria for approving a replacement location will be the same as the criteria then in effect for approving an initial location and must be within your previously granted territory.

We retain the right, in our sole discretion, to offer goods and services identified by brands we control through channels of distribution other than through Centers to locations and customers located anywhere, including those residing in your Territory. We also reserve the right to sell goods through mail order, catalog sales, telemarketing, Internet, television, newspaper, and any other advertising media to consumers located anywhere, including within your Territory. You will not be compensated in the event that we solicit or accept orders from inside your Territory. You are not restricted from engaging in any mail orders, solicitations, catalog sales, telemarketing, or television solicitation programs within your Territory. You may not engage in the use of the Internet to achieve sales and to distribute our goods and services identified by brands we control.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands we control.

The sales volume you must achieve in the first year of operation is \$100,000, in the second year of operation is \$200,000, the third year of operation \$300,000 and the fourth and subsequent years of operation \$400,000. Failure to achieve this quota can result in the loss of your territorial exclusivity. This minimum quota is not, and should not be considered earnings claims for your Franchised Business.

Actual results may vary from franchise to franchise and we cannot predict the results of any particular franchise.

Neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned Centers which sell our proprietary products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

Item 13

TRADEMARKS

You will be granted a non-exclusive, limited license to use the Marks in the operation of your Center. Your use of the Marks is governed by the Franchise Agreement and we reserve the right to approve the manner in which you use any portion of the Marks in connection with the operation of your Center. The Franchise Agreement will grant you the nonexclusive right to use the System and Marks solely at the site approved

(“Approved Location”) and designated in the Center Location Addendum (attached as Exhibit 2 to the Franchise Agreement).

Our CEO, Dr. Joseph Esposito, owns the rights to all Marks used in the System. Dr. Esposito has registered the following marks on the Principal Register of the United States Patent and Trademark Office (“USPTO”):

Dr. Joseph Esposito has filed all affidavits and intends to renew the Marks when required by the USPTO to maintain his rights to the Marks.

There are no currently effective agreements that significantly limit our rights to use or license the use of trademarks listed in this section in a manner material to the franchise, except for the perpetual, non-cancellable trademark license agreement between our CEO Dr. Joseph Esposito and us dated January 2, 2009. Other than this license, we know of no agreements currently in effect which significantly limit our rights to use or license the use of the Mark in any manner material to the franchise.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, or any pending infringement, opposition, or cancellation proceeding or any pending material litigation involving the Marks that is relevant to their use in any state. You must notify us of any infringement or challenge to the use of the Marks that you discover, and we have the right to take whatever action we deem appropriate.

You must immediately notify us of any apparent use of, or claims of rights to a trademark identical to or confusingly similar to the Marks. You may not communicate with any person other than us and our counsel about the apparent infringement, challenge or claim. Our affiliates and we will take any affirmative action, as we deem appropriate in, and the exclusive right to control any litigation or USPTO or other proceeding arising out of any apparent infringement, challenge, or claim, or otherwise relating to any Mark. You must sign any instruments and documents, render any assistance, and perform any acts that our or our affiliates' counsel deems necessary or advisable to protect and maintain our or our affiliates' interests in any litigation or USPTO or other proceeding related to any Mark, or otherwise protect and maintain our interests in the Marks.

We will protect your right to use the Marks listed in this section. We will indemnify you against claims of infringement or unfair competition, and reimburse you for: (1) all damages for which you are held liable in any judicial or administrative proceeding arising out of your use of any Mark in compliance with your Franchise Agreement; and (2) all costs you reasonably incur in defending against any claim brought against you or in any proceeding in which you are named as a party, provided that you have timely notified us of the claim or proceeding, and have complied with the Franchise Agreement. We may defend any proceeding arising out of your use of any Mark under your Franchise Agreement, and have no obligation to indemnify or reimburse you for any attorneys' fees or disbursements you incur if we defend the proceeding.

If we decide that it is advisable for us and/or you to modify or discontinue use of any Mark and/or use one or more additional or substitute trade or service marks, then you must comply with our instructions to do

so within a reasonable time after receiving notice from us. We will bear the costs associated with the modification/discontinuance of the mark.

Item 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

We do not claim right in patents, pending patents or copyrights that are material to our business, but we do claim proprietary rights and common law copyrights to the confidential information contained in our Manuals. The Manuals are described in Item 11 and are loaned to you during the term of your Franchise Agreement. We may provide the Operations Manuals in hard copy format or electronically via a password protected website. ALIGNLIFE SYSTEMS, LLC FRANCHISE AGREEMENT

This Franchise Agreement (“Agreement”) is dated, made and entered into this day of _____, (the “Effective Date”) by and between AlignLife Systems, LLC, an Illinois limited liability company with its principal place of business at 624 W. Glen Ave., Peoria, IL 61614 (“we”, “AlignLife”, “Franchisor” or “us”), and _____, an individual, residing at _____ (“you” or “Franchisee”). If you are a corporation or partnership, or if this Agreement is transferred to a corporation or partnership, the term “Owner(s)” in this Agreement refers to all of the shareholders of such corporation or partners of such partnership. Unless otherwise approved by AlignLife, the term “Controlling Shareholder or Partner” refers to the person or legal entity designated by us as the controlling shareholder if you are a corporation, or controlling partner if you are a partnership.

1. INTRODUCTION

AlignLife has developed a system for chiropractic offices and wellness centers pursuant to intellectual property developed by and for us. These clinics are known as “AlignLife Centers” and offer for sale to the public hands on chiropractic care including either in office or at home rehabilitation, functional nutrition services including consultations, lab testing and supplement recommendations and weight loss either in office or virtually. In addition, clinics are approved to provide the following ancillary services: massage therapy, decompression, cold laser, acupuncture and additional lab testing. Additional products approved for sale can be found in the Operations Manual (the “AlignLife System”). All approved ancillary services must be included in gross collections of the Center. AlignLife also uses, promotes and licenses certain proprietary trademarks, service marks and commercial symbols in connection with the operation of the AlignLife Centers including the mark “AlignLife” (the “Marks”). A listing of the Marks relevant to the operation of your Center is available upon your request.

You have applied to AlignLife for a franchise to operate an AlignLife Center utilizing the AlignLife System and the Marks at the location identified in this Agreement. Your application has been approved by AlignLife in reliance upon all of the representations made in your application including those concerning your financial resources, your professional status, including licensure, and the manner in which the franchise will be owned and operated.

You acknowledge that you have read this Agreement and been given an opportunity to obtain clarification of any provision that you did not understand. You also understand and agree that the terms and conditions contained in this Agreement are necessary to maintain AlignLife’s high standards of quality and service and the uniformity of those standards at all AlignLife Centers and thereby to protect and preserve the goodwill of the Marks.

2. GRANT AND TERM OF FRANCHISE

2.1 Grant.

Subject to the terms of this Agreement, AlignLife grants to you a franchise (the “Franchise”) to operate an AlignLife Center (the “Center”) under the AlignLife System and a license to use the Marks in the operation of the Center located at the premises identified on Attachment 2, attached hereto and forming a part hereof.

2.2 Term of Franchise.

The term of this Agreement shall be for a period of ten (10) years, beginning on the effective date of this Agreement as defined in Section 22.12.

3. RENEWAL OF FRANCHISE

3.1 Successor Agreement Options.

You may, at your option, enter into a Successor Franchise Agreement for one (1) additional ten (10) year term at the end of the initial term, provided at the time of entering into successor term you are not in default of any material provision of this Agreement or any other agreement with us or our subsidiaries or affiliates or any other creditor or supplier of the Center. At the time of entering into a successor term if the rolling 12 months prior to renewal date is above \$60,000 in collections, the royalty will move to 4%. You understand and acknowledge that we have the right to review the territory granted to you and to make adjustments to the boundaries of such territory upon renewal of this Agreement.

3.2 Manner of Successor Agreement.

In connection with a signing a Successor Franchise Agreement, you must execute our then-current form of franchise agreement and all other agreements customarily used by us in the grant of franchises. The successor agreement will be subject to your obtaining all required governmental approvals. You understand that the renewal franchise agreement may provide for higher expenditures for advertising and promotion than are provided for in this Agreement and may contain other terms materially different from the terms of this Agreement, however, such fees, expenditures and terms will be the same as are generally used by us on a system-wide basis at that time. You will not be charged a fee for entering into a successor agreement.

3.3 Notification of Expiration.

Provided you qualify for a successor term, we will send all agreements relating to signing the Successor Franchise Agreement for your review and execution approximately six (6) months prior to the expiration of this Agreement along with a notification of the expiration of this Agreement. Your failure to return these to us, executed by you, within thirty (30) days of receipt will be deemed an election by you not to enter into a Successor Term Agreement. Our notice will also state what actions, if any, you must take to correct the deficiencies in your operation of the Center and will specify the time period in which these deficiencies must be corrected, and/or any requirement for you to update, upgrade or refurbish your Center. Entering into a Successor Franchise Agreement will be conditioned on your continued compliance with all the terms and conditions of this Agreement and all other agreements with us and our affiliates and subsidiaries and all other creditors and suppliers of the Center up to the date of expiration.

4. LOCATION OF PRACTICE

4.1 Defined.

The Center will be operated from the premises in the location set forth in Attachment 2, hereto.

4.2 Territory.

You will receive an exclusive territory with a minimum population of forty thousand (40,000) people, or a (5) five mile radius around your Center, whichever is satisfied first. Primary streets and highways or driving distance will delineate your protected territory. The protected area depends upon the demographics of your location (population density, median income, residential properties, major generators, etc.) Your franchise location will be located at a site selected by you and approved by us within

your protected territory. If the location for your Center has not been determined as of the date of this Agreement, you and we will complete and execute Attachment 2 as necessary when the location is approved and your territory is determined. Continuation of your exclusive territory depends on your achieving a certain sales volume, market penetration, or other contingency, or we may terminate your Franchise agreement. The sales volume you must achieve in the first year of operation is \$100,000, in the second year of operation is \$200,000, the third year of operation \$300,000 and the fourth year of operation \$400,000. There is no minimum required sales volume for the fifth year and later. Failure to achieve this quota can result in the loss of your territorial exclusivity, the loss of onsite management control as stated in section 11.2 or termination of the agreement.

5. INITIAL PAYMENTS

5.1 Franchise Fee.

The standard initial Franchise Fee for a single AlignLife Center is Forty-Nine Thousand Dollars (\$49,000).

You will pay a Franchise Fee of Thirty-Nine Thousand Dollars (\$39,000) for a conversion franchise, with a practice that you own, and you meet the following criteria, in addition to other criteria we require for new franchisees. The criteria you must meet to purchase a conversion franchise includes, without limitation:

- (1) Your practice is similar to the model of an AlignLife Center,
- (2) You have owned/operated your practice for at least twenty-four (24) months; and
- (3) Within the twelve (12) months preceding your execution of this Agreement, your practice has collected a minimum of Two Hundred Thousand Dollars (\$200,000).

Franchise Fees are payable in a lump sum, and are deemed fully earned upon receipt and are nonrefundable. If you meet our criteria, including a minimum credit score, and/or a cosigner, we may offer to finance up to fifty percent (50%) of the initial Franchise Fee. If you are offered and accept this financing, you must sign our form of promissory note and personal guaranty (attached hereto as Attachment 5).

5.2 Non-Refundability of Fees.

The fees payable under this Section 5 are fully earned and are not refundable under any circumstances except in the case if we choose to terminate your Franchise Agreement prior to the completion of your training, so long as such termination was not a result of your breach of the Franchise Agreement, then we may, but are not required to, refund up to 50% of the Initial Franchise Fee paid to us, after deducting any amount you owe to us, including reimbursement for our costs and expenses, and for the reasonable cost associated with your training expenses incurred through the termination date.

6. ROYALTY FEE AND OTHER CHARGES

6.1 Amount and Payment.

A. During the term of the Franchise, you agree to pay us a royalty fee equal to seven percent (7%) (plus applicable taxes) of the weekly Gross Sales of the Center with a minimum of \$175 a week. Conversion Franchises that join with an annual Gross Revenue of \$500,000 or more before signing agreement will have a 4% Royalty fee. Conversion Franchises that join with less than an annual Gross Revenue of \$500,000

before signing agreement will follow the same Royalty structure as a new franchisee. This fee will be collected by AlignLife via electronic funds transfer pursuant to Section 15.4 hereof, on the day of the week we specify based on the Franchise's Gross Sales for the preceding week ending on Sunday. For a conversion franchise, collection of these fees will be waived for the first ninety (90) days after signing the Franchise Agreement. Any and all governmental and/or administrative approvals which may be required to permit the payment of the foregoing fees to AlignLife shall be obtained by Franchisee at its sole expense. The Royalty Fee does not represent payment for the referral of patients to you, and you acknowledge and agree that the services we offer to you does not include the referral of patients.

In the event the royalty fee payments contemplated hereunder are, during the term of this Agreement, declared by a court or arbitrator to be illegal, unenforceable or not permissible in the state in which the franchise is located, then franchisee agrees to pay royalty fees to AlignLife on a monthly basis pursuant to the following flat fee schedule:

* In some states, where this structure is not permissible, the Royalty will automatically converted to the below payment arrangement.:.

ROYALTY	Weekly Cost	Weekly Cost with MetaLife Weight Loss System
Year 1	\$323	\$387
Years 2-4	\$565	\$678
Years 5-7	\$807	\$968
Years 8 - 10	\$969	\$1163

6.2 Definition of Gross Sales.

The term "Gross Sales" means the total amount of collections from all sales at or from the Center, excluding patient refunds or valid discounts. All sums collected for services rendered and products sold at the Center, and all online sales associated with the center, must be included in computing Gross Sales.

6.3 Late Fees, Non-Compliance Fees; Interest on Late Payments.

All royalty fees, advertising contributions and all other amounts owed to us pursuant to this Agreement and which are not paid within thirty (30) days after their original due date will be subject to a late fee of Thirty Dollars (\$30) a day and will bear interest at a rate which is two percent (2%) above the rate published in the Wall Street Journal for United States Dollars for the date on which payment was due, or if that date is not a business day, for the next business day. Any non-compliance with marketing materials or events, use of unapproved products or suppliers, or late reporting of any reports due as outlined in the Operations Manual shall be assessed at Thirty Dollars (\$30) per day. Interest on any overdue amount will accrue from its original due date until payment is received in full. Entitlement to such interest and fee shall be in addition to any other remedies we may have.

We have the right to terminate this Agreement for failure to make payments to us when due.

6.4 Application of Payments.

When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for royalties, advertising

contributions, purchases, interest, or for any other reason, regardless of how you may designate a particular payment to be applied.

6.5 Payment of Taxes.

You must pay to the local tax authorities, on our behalf, any withholding payments required by law and provide us with an official receipt for payment of these withholding taxes. You may deduct the amount of any of these withholding taxes from the royalty payments to us. If you fail to pay these withholding taxes, you will indemnify us for the full amount of such taxes, including any losses occasioned by your failure to withhold any taxes imposed by any local jurisdiction on amounts payable by you pursuant to Sections 5 and 6, and for any liability (including penalties, interest, and expenses) arising from or concerning the payment of such taxes, whether such withholding taxes were correctly or legally asserted or not. All taxes imposed, such as turnover taxes, value-added taxes, or sales taxes, which may be imposed now or in the future, will be your responsibility and will not affect your obligations to make payments as required under this Agreement.

7. CENTER LOCATION

7.1 Lease.

Concurrently with the execution of this Agreement, you will execute a sublease or lease agreement with a lessor pursuant to which you will sublease or lease the premises of the Center at the location specified in Section 2.1. You will not execute a lease or sublease with a third party lessor for the Center which has not been approved by us or which does not contain the terms we require in all such leases. No lease or sublease for the Center premises shall be accepted by us unless a Lease Rider, prepared by us and executed by us, you and the lessor or sublessor, in substantially the form attached as Attachment 6, is attached to the lease and incorporated therein.

7.2 Required Lease Provisions.

The lease for the premises of the Center shall contain provisions to the effect that: (i) the lease is entered into by and between you and the lessor upon the express understanding that you are a licensed Franchisee and that the premises are to be used during the term of the lease solely as an AlignLife Center and for no other purpose; (ii) AlignLife, as Franchisor, is a third-party beneficiary of the lease agreement and is entitled to enforce on its own behalf the rights given to it in the agreement; (iii) upon termination of this Franchise for cause, AlignLife shall have the right, but shall not be obligated, to assume your status and replace you as lessee, and you, upon exercise of that right by us, shall be fully released and discharged from all liability for future rent and other lease charges (except for liability for unpaid rent or other lease charges for the period of your occupancy or any other then existing liability to the lessor under such lease); (iv) the lessor shall send us a copy of all notices of default which it sends to you; and (v) upon termination of the lease or of this Agreement, the lessee shall remove all identifying signs and trademarks from the premises and if the lessee fails to do so within five (5) calendar days of its last day of active business or of the termination of the lease, whichever is sooner, Franchisor may remove such signs or marks itself. AlignLife shall further have the right to assign the lease to another franchisee upon thirty (30) days' notice to the lessor. You and the lessor shall complete any required documents and/or formalities to achieve this result.

7.3 Location and Use.

You may operate the Center only at the location specified in Section 2.1, and you may not relocate the Center except with our prior written consent. The Center may only be used for the operation of an AlignLife Center, and other related activities approved by us in writing. You shall not allow the premises

of the Center to be used for any immoral or illegal purpose. You are not permitted to establish additional Centers, offices or locations within the territory assigned to you.

7.4 Relocation.

If your lease expires or terminates without your fault, or if the site is condemned, destroyed or rendered unusable, we will grant permission for relocation of the Center to a new location to be approved or determined by us, for which you will execute a lease or sublease with us, our local subsidiary, or with a third party lessor, as we shall determine. Any relocation will be at your sole expense. In the event of relocation of the Center, you will pay us our reasonable expenses incurred in connection with any such relocation. We will not, however, charge you more than the sum of Two Thousand Dollars (\$2,000.00) for the administrative expenses incurred by us in connection with such relocation.

7.5 Termination or Assumption of Lease.

Upon the termination of this Agreement for cause, we shall have the right to assume your status and replace you as a lessee or sublessee. Upon exercise of that right by us, you will be fully released and discharged from all liability for rent and all other future liability under the lease (although not from any liability for unpaid rent or any other, then existing, liability to the lessor under the lease). If we exercise our right to assume your lease, we will indemnify you and hold you harmless against any claim made for future rent or other future liability under the lease or sublease.

8. CENTER DEVELOPMENT

8.1 Initial Development and Construction.

You agree that promptly after obtaining possession of the site for the Center you will:

(a) cause to be prepared and submit for approval by us a site plan and any modifications to our basic architectural plans and specifications for the Center, including requirements for dimensions, exterior design, materials, interior layout, equipment, fixtures, furniture, signs, and decorating. You understand that you may modify our basic plans and specifications only to the extent required to comply with applicable ordinances, building codes, and permit requirements and only with our prior written approval and you understand that you will use our approved and required vendors for above services;

(b) obtain all required zoning changes; all required building, driveway, utility, health, sanitation, and sign permits and any other required permits;

(c) purchase or lease equipment, fixtures, furniture and signs meeting our specifications and requirements, as laid out in the Operations Manual;

(d) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Center in full and strict compliance with plans and specifications approved by us and all applicable ordinances, building codes and permit requirements; and

(e) if applicable, obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services provided for the Center.

8.2 Center Opening.

You agree to develop the Center and have the Center ready to open within a reasonable time after obtaining possession of the site for the Center. If you do not open the Center and have it operating within

twelve months from the effective date of this Agreement, we will have the option to terminate this Agreement upon written notice to you. In order to open your Center, you have to receive a "Certificate of Launch" from the AlignLife Corporate Office which is provided after a complete audit of the Center is completed to ensure the Center meets all compliance standards.

9. CENTER REFURBISHING

You agree that:

- (a) neither the Franchise nor the Premises will be used for any purpose other than the operation of the Franchise in compliance with this Agreement;
- (b) you will maintain the condition and appearance of the Franchise; its equipment, furniture, furnishings, and signs, **as laid out in the Operations Manual**; and the Premises in accordance with our standards and consistent with the image of an AlignLife franchise as an efficiently operated business offering high quality services, and observing the highest standards of cleanliness, sanitation, efficient, courteous service and pleasant ambiance, and in that connection will take, without limitation, the following actions during the term of this Agreement: (1) thorough cleaning, repainting and redecorating of the interior and exterior of the Premises at reasonable intervals; (2) interior and exterior repair of the Premises; and (3) repair or replacement of damaged, worn out or obsolete equipment, furniture, furnishings and signs;
- (c) you will not make any material alterations to the Premises or the appearance of the Franchise, as originally developed, without approval from the required AlignLife design firm. If you do so, we have the right, at our option and at your expense, to rectify alterations we have not previously approved;
- (d) you will promptly replace or add new equipment when we reasonably specify in order to meet changing standards or new methods of service;
- (e) you will expend at least Six Thousand and No/100 Dollars (\$6,000.00) every four (4) years in remodeling, expansion, redecorating and/or refurnishing of the Premises and the Franchise, if deemed necessary by us (any changes to the decoration or furnishing of the Premises must be approved by us);
- (f) on notice from us, you will engage in remodeling, expansion, redecorating and/or refurnishing of the Premises and the Franchise to reflect changes in the operations of an AlignLife franchise that we prescribe and require of new franchisees, provided that (1) no material changes will be required unless there are at least two (2) years remaining on the Initial Term of the Franchise (any changes to the decoration or furnishing of the Premises must be approved by us); and (2) we have required the proposed change in at least twenty-five percent (25%) of all similarly situated Company and affiliate-owned AlignLife Locations, and have undertaken a plan to make the proposed change in the balance of such Company and affiliate-owned Locations (any expenditures incurred pursuant to this Paragraph 10.1(f) shall apply to the requirement in Paragraph 10.1(e));
- (g) you will place or display at the Premises (interior and exterior) only those signs, emblems, designs, artwork, lettering, logos, and display and advertising materials that we from time to time approve; and
- (h) if at any time in our reasonable judgment, the general state of repair, appearance, or cleanliness of the premises of the Franchise or its fixtures, equipment, furniture, or signs do not meet our standards, then we shall have the right to notify you specifying the action you must take to correct the deficiency. If you do not initiate action to correct such deficiencies within (ten) 10 days after receipt of our notice, and then continue in good faith and with due diligence, a bona fide program to complete any required maintenance or refurbishing, then we shall have the right, in addition to all other remedies available to us at law or under

this Agreement, to enter the Premises or the Franchise and perform any required maintenance or refurbishing on your behalf, and you agree to reimburse us on demand.

10. TRAINING

10.1 Initial Corporate Training.

You (or the Controlling Shareholder or Partner if you are a corporation or partnership and, if so, the Controlling Shareholder or Partner may substitute a designated individual) and all managers must enroll and complete all training programs and classes, which we require for the operation of an AlignLife Center. These training programs and classes will be furnished in the English language, at such times and places as we designate. All training programs and classes must be completed to our satisfaction. You will be responsible for the travel, living expenses, and compensation of you and/or your employees incurred during these training programs and classes, and for the expenses of an interpreter, if necessary. The cost of the initial training camps are covered with payment of a full franchise fee for the twelve (12) months following the signing of this Franchise Agreement. You are required to complete 1 (one) Attraction/Team Building Training Camp and 1 (one) Conversion/Retention Training Camp within nine (9) months of signing the Franchise Agreement.

You are also encouraged to attend Immersion Seminars provided by The Remarkable Practice. You will be responsible for the travel, living expenses, and compensation of you and/or your employees incurred during these training programs and classes, and for the expenses of an interpreter, if necessary. The cost of the Immersion Seminars are covered with payment of a full franchise fee for the twenty-four (24) months following the signing of this Franchise Agreement.

10.2 Training of Employees.

All employees must complete all courses including in the online Operations Manual within 90 days of the start of employment. In addition, it is highly recommended that you have all your employees attend the Initial Corporate Training Camps. It is also expected that all team members attend the weekly Team Training webinars. Regardless of their attendance, you agree to implement a training program for employees of the Center in accordance with training standards and procedures prescribed by us from time to time. You agree to utilize all training aids that we may require from time to time (e.g., audio, video or printed materials). The cost of training aids is included in initial training. You agree not to employ any person who is required by us to complete a training program but who fails or refuses to do so.

10.3 Additional Training.

We may also, at our option, require you (or the Controlling Shareholder or Partner if you are a corporation or partnership and, if so, the Controlling Shareholder or Partner may substitute a designated individual) to attend supplemental or additional training programs, which may be offered from time to time by us during the term of the Franchise. You will be responsible for the reasonable costs of such programs and for the travel and living expenses and compensation of you and/or your employees incurred during these programs. We will hold a national convention, The Revolution, with our operations franchisees and support personnel discuss sales techniques, operating procedures and techniques, and marketing methods, and to introduce new products or services, management tools, marketing programs, or promotional items. We may also hold additional trainings in areas where multiple AlignLife Centers are located. When meetings are held, we have the right to require you (or, if the franchisee is not an individual, the person designated by the franchisee as responsible for the general oversight and management of the franchised business) to attend and successfully complete training programs, and you must pay for all expenses you and your trainees incur, which may include travel, lodging and meals.

11. OPERATING ASSISTANCE

11.1 Advice and Guidance.

We will furnish you with such reasonable operating assistance as we determine from time to time to be necessary for the operation of the Center. Operating assistance will include advice and guidance regarding:

- (a) The attraction of new clientele using operational protocols, brand promotion, internal marketing, external marketing and digital marketing

- (e) The finance, administration and business components of running a successful center.
- (f) The science of duplicating business efforts by hiring more doctors or opening additional clinics.

You understand that the assistance provided to you under this Section 11 does not obligate us to operate the Center on your behalf at any time during the term of the Franchise. You further understand and acknowledge that you are responsible for hiring your employees and ensuring that they are trained according to our requirements. You are solely responsible for all wages, benefits, employment taxes and related items for your employees and that such employee shall not, in any manner, be deemed our employees. You understand that while we provide marketing assets, training and guidance you are solely responsible for the generation of your own patient leads.

11.2 Operating Problems.

We will advise you from time to time of operating problems of the Center disclosed by reports submitted to or inspections made by us. If the minimum revenue markers are not obtained referencing the chart below (also noted in Section 4.2), (i.) franchisee will be required to attend all Training Camps offered until minimum revenue markers are obtained, (ii.) we will have the right to take over onsite management of the Center for up to twenty percent (20%) of the weekly Gross Sales of the Center with a minimum of \$1000 a week (in addition to the royalty fee and marketing contributions payable under this agreement), (iii.) if the Center does not reach the minimum revenue markers after six months of corporate onsite management or the Center drops more than 10% below any minimum revenue marker after corporate management ended then we will have the exclusive right to purchase the Center for a purchase price of one time (1x) the annual net profit of the Center.

Minimum Revenue Markers

Year 2: \$200,000

Year 3: \$300,000

Years 4 and after: \$400,000

12. CENTER PRODUCTS AND SERVICE

12.1 Center Products and Services.

You agree that (a) the Franchise will offer for sale all services and products that we from time to time specify for Locations, (b) the Franchise will offer and sell approved services and products only in the manner we have prescribed; (c) you will not offer for sale or sell at the Franchise, the Premises, or any other location any services or products we have not approved; (d) all products will be offered at retail prices, and you will not offer or sell any products at wholesale prices; (e) you will not use the Premises for any purpose other than the operation of the Franchise; and (f) you will discontinue selling and offering for sale any services or products that we at any time decide (in our sole discretion) to disapprove in writing. In the event that you use, sell or distribute unauthorized products or services, and do not cease the use, sale, or distribution of unauthorized services or products within ten (10) days after written notice is given to you, we reserve the right to terminate this Agreement and/or charge you a fee of Two Hundred and No/100 Dollars (\$200.00) for each day that you fail to comply with our demand to cease the use, sale or distribution of unauthorized products or services, which is a reasonable estimate of the damages we would incur from your continued use, sale or distribution of unauthorized products or services, and not a penalty. You agree to maintain an inventory of approved products sufficient in quantity and variety to realize the full potential of the Franchise. We may, from time to time, conduct market research and testing to determine consumer trends and the salability of new services and products. You agree to cooperate by participating in our market research programs, test marketing new services and products in the Franchise, and providing us with timely reports and other relevant information regarding such market research. In connection with any such test marketing, you agree to offer a reasonable quantity of the products or services being tested, and effectively promote and make a reasonable effort to sell them.

12.2 Supplies, Equipment and Materials.

We have developed or may develop various unique products or services that may be prepared according to our formulations. We have approved, and will continue to periodically approve, specifications for suppliers and distributors (which may include us and/or our affiliates) for products or services required to be purchased by, or offered and sold at, AlignLife Location franchises, that meet our standards and requirements, including without limitation standards and requirements relating to product quality, prices, consistency, reliability, and customer relations. You agree that you will: (1) purchase any required products or services as indicated in our Operations Manual in such quantities as we designate; (2) utilize such formats, formulae, and packaging for products or services as we prescribe; and (3) purchase all designated products and services only from distributors and other suppliers we have approved. In the event we designate a required supplier or distributor during the term of this Agreement, or any subsequent franchise agreement, you must begin to use such required supplier or distributor with thirty (30) days of the date we notify you that you must use such supplier or distributor, unless we designate a longer period for you to switch or convert over to such supplier or distributor. Your failure or refusal to do so shall constitute a breach of this Agreement.

We may approve a single distributor or other supplier (collectively "Supplier") for any product, and may approve a supplier only as to certain products. We may concentrate purchases with one or more suppliers to obtain lower prices or the best advertising support. Approval of a supplier may be conditioned on requirements relating to the frequency of delivery, concentration of purchases, standards of service (including prompt attention to complaints), or other criteria, and may be temporary, pending our continued evaluation of the supplier from time to time.

If you wish to purchase any items from any unapproved supplier, then you must submit to us a written request for approval of the proposed supplier. We have the right to inspect the proposed supplier's facilities, and require that product samples from the proposed supplier be delivered, at our option, either

directly to us, or to any independent, certified laboratory that we may designate, for testing. We may charge you a supplier evaluation fee (not to exceed the reasonable cost of the inspection and the actual cost of the test) to make the evaluation. We reserve the right to periodically re-inspect the facilities and products of any approved supplier, and revoke our approval if the supplier does not continue to meet any of our criteria.

We and/or our affiliates may be an approved supplier of certain products or services to be purchased by you for use and/or sale by the franchise. We and our affiliates reserve the right to charge any licensed manufacturer engaged by us or our affiliates a royalty to manufacture products for us or our affiliates, or to receive commissions or rebates from vendors that supply goods or services to you. We or our affiliates may also derive income from our sale of products or services to you, and may sell these items at prices exceeding our or their costs in order to make a profit on the sale. We reserve the right to direct that any supplier rebates, refunds, advertising allowances or other consideration payable or paid as a result of your purchases of non-proprietary goods, services or equipment be paid to us or any affiliate that we may designate. If we do so, then you hereby acknowledge that you will not assert any interest in such monies.

You must purchase from our affiliate, Aceva, the Essential Track which includes your initial supply of the required nutritional products and associated training and marketing tools. We estimate that the initial cost for the track to be \$1,500. In addition, Franchisees are required to sell a minimum of \$3,000 of nutritional products measured quarterly after the first twelve months the franchise is in operation. If you do not meet the quarterly sales requirement, you will be assessed a financial penalty of \$250 each quarter that you do not meet the goal. We reserve the right to change this sales requirement at any time, and the change will be documented in the Operations Manual.

13. ADVERTISING AND PROMOTION

13.1 By AlignLife.

We will from time to time formulate, develop, produce, and conduct advertising and promotional programs and materials in the form of media as we determine to be most effective. We reserve the right, in our sole discretion, to determine the composition of all geographic territories and market areas for the development and implementation of advertising and promotion programs. All costs of the formulation, development and production of any such advertising and promotion (including without limitation the proportionate compensation of our employees who devote time and render services in the formulation, development and production of such advertising and promotion programs or the administration of the funds), will be paid from a separate fund administered by us (the “Marketing Fund”). You will be obligated to pay \$1199 monthly (\$276.69 weekly) flat rate for marketing fund contributions that provide the shared marketing services in the operations manual. We have the right to increase this fee due to increases in costs, inflation etc. Your contribution to the Marketing Fund will be collected via Electronic Funds Transfer pursuant to Section 15.4 hereof, on the day of the week we specify based on the Franchise’s Gross Sales for the preceding week ending on Sunday. All AlignLife Centers owned by us will contribute to the cost of such advertising and promotion programs on at least the same basis as you. We reserve the right to direct the operation of the Marketing Fund as we deem appropriate, in our sole discretion, and further reserve the right to engage the services of an advertising source or sources to formulate, develop, produce and conduct the advertising and promotion programs, the cost of such services to be payable from the Marketing Fund. If there is a debt to the Marketing Fund at the end of the year (operating fund covered the overspend) then we have the right to pay that money back to the operating fund from the Marketing Fund. Upon request by you, in writing, we will provide you with an accounting of the receipts and disbursements of the Marketing Fund. Any written request for such accounting may include the twelve (12) months immediately preceding the request but, in no event, shall AlignLife be obligated to provide any accounting of receipts and disbursements of the Marketing Fund more than twenty-four (24) months prior to the date of your written request.

In some states, where this structure is not permissible, the Marketing will be automatically converted to the below payment arrangement, pursuant of two percent (2%) of your Gross Sales of the Center with a minimum contribution of \$415 per week and a maximum of \$669:

MARKETING	Weekly Cost	Weekly Cost with MetaLife Weight Loss System
Year 1	\$250	\$314
Year 2-4	\$275	\$339
Years 5-7	\$346	\$410
Years 8 - 10	\$466	\$524

You acknowledge and understand that the Marketing Fund is intended to maximize general public recognition and patronage of the Marks in the manner determined to be most effective by us and that we undertake no obligation in developing, implementing or administering these programs to ensure that expenditures which are proportionate or equivalent to your contributions are made for the market area of the Center or that any Center will benefit directly or pro rata from the placement of advertising.

Marketing campaigns can consist of digital marketing, radio, television, billboards, direct mail, newspaper or any other form of digital or conventional marketing. We reserve the right to make the decision on the type and amount of investment for the most effective marketing strategies. Certain campaigns will be optional for you to participate, however, any corporate-sponsored campaigns are run as a national campaign and can not be opted out by individual locations.

If there are any funds remaining in the Marketing Fund at the end of any fiscal year, such funds shall be carried forward to be spent in the next year.

In addition to the Marketing Fund described above, we may initiate and/or conduct marketing events, campaigns and/or promotions and we may designate that your participation in such events, campaigns and/or promotions is mandatory. It is your sole responsibility to investigate, satisfy and remain in compliance with all local, state and federal laws. If you fail to display any promotional materials related to any promotional event or campaign, you shall pay to us our then-current non-compliance fee.

13.2 Local and Regional Marketing Cooperatives.

We reserve the right to require that you participate in local and regional marketing cooperatives in connection with the marketing and promotional programs administered by us. If an advertising cooperative is formed for the area that includes your territory, you are required to participate in the cooperative. Your contributions to the cooperative, which are in addition to the marketing contribution payable by you under Section 13.1 above, shall not be more than One Thousand dollars (\$1,000) or three percent (3%) of the Gross Sales of the Center whichever is greater. However, members of the cooperative may, by 2/3 vote, require each member to contribute more than One Thousand dollars (\$1,000) or three percent (3%) of Gross Sales.

We may establish, change, dissolve, or merge local or regional marketing and advertising cooperatives in geographical areas with two or more franchises. Advertising cooperatives may be established for areas covered by advertising media relevant to particular geographic markets, Metropolitan or Micropolitan Statistical Areas or our advertising strategies, in our discretion. If we establish an advertising cooperative in an area, each AlignLife Center within the cooperative area must join and contribute to the cooperative each month. Your cooperative contribution will be credited toward your required Local Advertising expenditure described in Section 13.3 below, but not toward your contribution to the Marketing Fund. If the amount you contribute to a cooperative is less than the amount you must spend

for Local Advertising, you shall nevertheless spend the difference locally. Either the cooperative or we will determine the amount of your monthly contribution, subject to the limitations in the paragraph above. The members of each cooperative will be responsible for its administration, subject to our approval. Each member of an advertising cooperative will have one vote per franchise. Each cooperative will operate from written governing documents and must prepare monthly financial statements, all of which will be available for its members' review. Each location owned by us in an area in which an advertising cooperative has been established will contribute to the cooperative on the same basis as other members of that cooperative.

13.3 By Franchisee.

You agree to participate in paid digital advertising in your territory to promote your Center with one of our approved vendors. You are required to spend up to Two Thousand Five Hundred Dollars (\$2,500) per month for management fees and between Two Thousand Dollars (\$2,000) and Six Thousand Dollars (\$6,000) per month in ad spend per revenue stream per advertising platform. We will monitor all ads on a weekly basis and make changes to our vendors of choice to ensure you receive the best return on investment.

All promotional and marketing materials that you intend to use in any medium must be tasteful and dignified. All promotional and marketing materials must be presented to us and must conform to the standards and requirements specified in the Manual or otherwise, or as may be required by law. We will notify you of our approval or disapproval within ten (10) business days of our receipt of your proposed materials. If you use any marketing materials that we have not approved, you must stop using the unapproved advertising and pay us our then-current non-compliance fee of One Hundred Twenty-Five Dollars (\$125) for the use of unapproved marketing materials. You must comply with all revisions to the promotional and marketing materials that we may require before we approve them. At our request you must include certain language in your local advertising materials, including "Franchises Available" and our website address and telephone number. You cannot use any advertising or promotional plans or materials that we have not approved, and you must stop using any plans or materials promptly when we notify you to do so. Failure to obtain our prior approval on any proposed advertising will result in penalties and could be grounds for immediate termination of this Agreement.

13.4 Opening Advertising and Promotion Fee.

You agree to provide us with opening advertising and promotion plans for our approval prior to opening the Center. You agree to spend between Five Thousand Dollars (\$5,000.00) and Ten Thousand Dollars (\$10,000) in opening advertising and promotion. In addition, you shall provide to us, upon our request, copies of all records evidencing said expenditures.

13.5 Advisory Councils.

We reserve the right to establish an advisory council composed of franchisees and our representatives. Franchisee participants will be chosen by us or may be elected by other franchisees in the System. If you participate on an advisory council, you must pay all expenses you incur related to your participation, such as travel and living expenses to attend council meetings. If established, the advisory council will act in an advisory capacity only and will not have decision making authority. We have the right to establish, change, merge or dissolve any advisory council at any time.

14. RECORDS AND REPORTS

14.1 Bookkeeping and Recordkeeping.

You agree to establish a bookkeeping and recordkeeping system utilizing Quickbooks and the AlignLife Chart of Accounts, while conforming to the requirements prescribed by us, relating, without limitation, to the use and retention of all Center invoices, purchase orders, purchase invoices, payroll

records, check stubs, bank statements, value added tax records and returns, cash receipts and disbursements, journals and general ledgers, as well as any bookkeeping and recordkeeping required by applicable law.

If you are a start-up franchise, you must utilize AlignLife's Bookkeeping Service for the first year your center is in operation. Conversion franchises and any franchise after their first year have the option to use/continue to use AlignLife's Bookkeeping Services but are not required to do so.

14.2 Sales Reports and Financial Statements.

You agree to submit to us, in the English language:

- (a) with the royalty fee due, a weekly report of the sales and collections of the Center and all other information and supporting records as we may require;
- (b) within the first fifteen (15) days of each month, an unaudited balance sheet as of the end of the preceding month and an unaudited statement of profit and loss of the Center, and all other reports as dictated by the Operations Manual;
- (c) within thirty (30) days of the end of each fiscal year of the Center, an unaudited balance sheet and an unaudited annual statement of profit and loss and financial condition of the Center prepared in accordance with the local generally accepted accounting principles by an independent qualified accounting firm in the manner prescribed by us;
- (d) upon our written request, exact copies of any and all tax filings required by any agency and/or taxing authority for any period; and
- (e) such other information as we may reasonably require to determine your and your owners' compliance with this Agreement or to assist you in the operation of the Center or to otherwise evaluate the performance of the Center.

14.3 Right to Require Audit.

We reserve the right to audit or cause to be audited the billing reports, financial statements and tax returns you are required to submit to us. In the event any audit discloses an understatement of the Gross Sales of the Center for any period or periods, you must immediately pay on the amount of such understatement the Royalty Fee, the Marketing Fund contribution and the amount, if any, required to be paid to your local or regional cooperative as provided in this Agreement, plus late fees and interest due as set forth in Section 6.3. Further, in the event such understatement for any period or periods shall be two percent (2%) or more of the Gross Sales of the Center, or if the audit is required due to your failure to provide reports required pursuant to this Agreement and the Operations Manual, you will be required to pay any understated amount together with applicable late fees and interest and you must pay us Nine Hundred Dollars (\$900), representing the cost of the audit. In the event you dispute the results of any audit conducted by us or our representatives, we will give you the right to have the results verified by an independent qualified accounting firm selected by our outside accounting firm. The expense of this audit shall be borne by you unless this further audit discloses that no deficiency is due in which case we will be obligated to pay for the audit. This audit shall be commenced within ten (10) days after completion of our initial audit. You agree to cooperate with all personnel conducting the audit. The results shall be binding upon the parties. You agree to pay any deficiencies within five (5) days after receipt of the final audit.

14.4 Reporting Late Fees.

In the event any report required pursuant to Section 14.2 above is not received on time, you shall pay a late fee of Thirty Dollars (\$30) per day per report for each day that the report is late. If the day the report is due is holiday, the report is then due by noon the following work day. Any late reporting fee assessed upon you for a late weekly report is payable by 12:00 p.m. CST the day after such report was due. Any late reporting fee assessed upon you for a monthly, quarterly or yearly report that is late is payable beginning the third (3rd) day after the due date of the required report. Any late fees assessed pursuant to this Section 14.4 will accrue daily until the overdue report is submitted. We reserve the right to deduct any late fees by electronic funds transfer, as described in Section 15.4.

15. OPERATING REQUIREMENTS

15.1 Operating Procedures.

You agree to fully comply with all specifications, standards and operating procedures and rules from time to time prescribed for the Center and as documented in the Operations Manual (see Section 15.6), including, but not limited to, specifications, standards and operating procedures and rules relating to:

15.2 Compliance With Laws and Other Business Practices.

You agree to secure and maintain in force all required licenses, permits and certificates and operate the Center in full compliance with all applicable laws, ordinances and regulations. You also agree to pay when due all amounts payable pursuant to any provision of this Agreement or any other agreement with us or our affiliates or subsidiaries or pursuant to any agreement with any other creditor or supplier of the Center.

You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your owners otherwise are not in violation of, any of the Anti-Terrorism Laws. "Anti-Terrorism Laws" mean Executive Order 13224 issued by the President of the United States, the USA

PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you or your owners, or any blocking of your or your owners' assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

15.3 Computer Technology.

AlignLife and Franchisee agree that efficient data communications are important to the operation of the AlignLife System. Accordingly, Franchisee agrees that, upon receipt of a written request from AlignLife, Franchisee will immediately take steps to acquire and will install or cause to be installed in its Center within ninety (90) days from the date of such request, a communications system and necessary peripheral equipment and software which will permit effective data communications with AlignLife to include but not limited to phone systems, computers, and any applicable software (the "technology"). AlignLife agrees to provide Franchisee with its hardware and software specifications and requirements and to provide such other technical information and pricing information as is available to AlignLife to assist and facilitate the acquisition, installation and operation of such technology by Franchisee. AlignLife expressly reserves the right to require Franchisee to acquire and install a particular specified technology from their required vendor only. It is understood and agreed that Franchisee shall bear the entire cost and expense of the acquisition, installation and operation of the recommended technology.

AlignLife Systems reserves the right to cause Customer's EMR Subscription Services to enter a state of read-only access when, as determined by the Sections 6 and 13 of the Franchise Agreement, any monies due to AlignLife Systems, dba ChiroHD Ventures under the Franchise Agreement are late, in arrears, or otherwise unpaid in accordance with the terms of Section 18 of this agreement. Unless and until all monies owed under the Franchise Agreement are paid to ChiroHD Ventures the EMR Subscription Services may, at Ventures' discretion, remain in read-only status until the account is brought current and Ventures deems the EMR Subscription Services to be reverted to full access.

When in a state or read-only access, Customer has access to data, including patient ledgers, SOAP notes, reports, but may not make additions, deletions, or any edits, changes, or augmentation to data in the Platform. When a customer enters read-only mode, the platform will no longer receive updates, general maintenance, and other improvements provided to customers with full functionality of the Platform. Any platform which enters read-only status remains compliant with HIPAA guidelines for data storage of electronic health records and shall otherwise receive the same data storage methodology as if the Platform was in full access mode. Any termination by either party shall result in Customer patient data stored in the Platform to be made available through read-only state in accordance with HIPAA regulations governing the transfer, access to, and modification of sensitive patient information. Once the Customer has satisfied outstanding balances due to Ventures, Ventures shall facilitate the transfer of all patient files to a new database with the same platform.

15.4 Electronic Funds Transfer.

AlignLife and Franchisee agree that it is desirable to have available the means to electronically transfer royalty franchise fee payments, marketing payments and the like from Franchisee's bank account directly to AlignLife's bank account as set forth in Attachment 3. Accordingly, you hereby agree that at the request of AlignLife, you will execute such documents as may be necessary to permit and facilitate the electronic transfer of funds as contemplated herein, at your cost and expense.

15.5 Prices to be Determined by Franchisee.

We may from time to time offer guidance to you relative to prices for the products of the Center that in our judgment constitute good business practices. You will have the sole right to determine the prices to be charged from time to time by the Center. No such guidance shall be deemed or construed to impose upon you any obligation to charge any fixed, minimum or maximum prices for any product or service offered for sale by the Center. You will not enter into any agreement or engage in any concerted practice with any other AlignLife Center or others relating to the prices at which products or services will be sold by you or by other AlignLife Centers.

15.6 Operations Manual.

We will provide you during the term of this Agreement the access to online operating manual, operational bulletins, and similar materials (collectively, the “Operations Manual”) containing proprietary know-how, mandatory and suggested specifications, standards and operating procedures and the rules prescribed from time to time by us, and information relative to the operation of the Center. You will conduct all your operations under this Agreement in accordance with the Operations Manual. The entire contents of the Operations Manual will remain confidential and our property. You will not duplicate, photocopy or otherwise reproduce the Operations Manual, either in whole or in part, without our written permission. If we require, you agree to translate the Operations Manual at your cost and expense, and provide us with a copy of the translation for our approval. All translated copies of the Operations Manual will be our property. We have the right to use the translation for any purpose we determine.

We shall have the right to add to and otherwise modify the Operations Manual from time to time, if deemed necessary by us, to improve the standards of service or product quality or the efficient operation of a Center, to protect or maintain the goodwill associated with the Marks or to meet competition. You must comply with any such changes to the Operations Manual. You may propose changes in the Operations Manual to conform it to the laws and customs of, and market characteristics in the geographic area in which your Center is situated. We will determine, in our sole discretion, whether to change the Operations Manual as proposed by you. Our approval of such changes must be in writing.

The provisions of the Operations Manual as modified from time to time and the mandatory specifications, standards and operating procedures and rules prescribed from time to time by us and communicated to you in writing, will constitute provisions of this Agreement as if contained in this Agreement. You acknowledge the necessity and importance of all specifications and standards for the overall performance of the obligations set forth herein. You agree to use and apply the AlignLife System as described herein and as set forth in the Operations Manual and any specifications, standards, rules and procedures. You will ensure that the Operations Manual is kept current and up-to-date. In the event of any dispute as to the contents of the Operations Manual, the provisions of the online Operations Manual (in the English language), maintained at our home office, will be controlling.

15.7 Trade Secrets.

In addition to maintaining the confidentiality of all information received by you or your Owners in conjunction with your operation of a Center as a franchisee, you hereby agree that you: (i) will maintain the absolute confidentiality of all information and methods provided by us with respect to the discharging of your responsibilities under this Agreement inclusive of, but not limited to, the Operations Manual; (ii) shall disclose such confidential information to your employees only to the extent necessary for your performance under this Agreement; and (iii) shall not use any such information in any other business or in any manner not specifically authorized or approved in writing by us. At our request, you must have your owners and employees execute a Confidentiality and Non-Competition Agreement in a form required by us, and provide us with a copy of such an executed agreement. We will be a third party beneficiary of each such agreement with the independent right to enforce the agreement’s terms.

15.8 New Concepts.

If you, your owners, manager or employees develop any new concept, process or improvement in the operation or promotion of the Center, you agree to promptly notify us and provide us, free of charge, with all the necessary information and to share this material with us for use within the AlignLife System. You, your owners, manager and employees must acknowledge that any of these concepts, processes or improvements will become our property and we may give the information to other franchisees.

15.9 Franchisee Must Directly Supervise Center.

The Center shall at all times be under the direct, on-premises supervision of you or your designee (or the Controlling Shareholder or Partner if you are a corporation or partnership and, if so, the Controlling Shareholder or partnership may substitute a designated individual). You or your designee (or the Controlling Shareholder or Partner if you are a corporation or partnership and, if so, the Controlling Shareholder or Partner may substitute a designated individual) must devote your full time and efforts (excluding reasonable vacation periods) as manager of the Center or to the management of other AlignLife Centers (or other related activities approved by us in accordance with Section 7.3 of this Agreement). If you own more than one (1) Center, each Center owned must be under the direct, on-premises supervision of an approved manager:

- (a) who has completed, to our satisfaction, such training as we specify;
- (b) whose identity has been disclosed to us; and
- (c) who shall have executed, upon our request, an agreement in the form approved by us agreeing not to divulge any trade secret or confidential or proprietary information, including the contents of the Operations Manual.

15.10 Insurance.

You shall at all times during the term of this Agreement maintain in force at your sole expense general liability insurance with a minimum limit approved by AlignLife (including, but not limited to, malpractice coverage for personal injury, products and contractual liability), property insurance (including, but not limited to, fire, extended coverage, vandalism and malicious mischief), worker's compensation insurance as required by applicable law, an umbrella policy, if available at reasonable cost to Franchisee with a minimum limit approved by AlignLife, and any other insurance required under applicable law or which we require, under one or more policies of insurance containing coverage and limits, from time to time prescribed by us. AlignLife Systems, LLC needs to be listed as an Additional Insured on malpractice insurance along with the franchisee's LLC entity. All insurance policies must be issued by an insurance carrier (a) having a rating of "A" or better by A.M. Best & Co., and (b) if requested, approved by AlignLife. All general liability insurance policies must name AlignLife Systems, LLC and the subsidiaries and affiliates which we designate as additional named insureds. The Franchisee shall provide the Franchisor with a certificate of insurance evidencing the required coverage within ten (10) days following the execution of this Agreement and thereafter within ten (10) days of each policy renewal. The Franchisee shall notify the Franchisor in writing at least thirty (30) days prior to an cancellation, non-renewal, or material change in the coverage or policy terms. Additionally, the Franchisee must notify the Franchisor within (10) days of any malpractice claims. If at any time you fail or refuse to maintain in effect any insurance coverage required by us, or to provide satisfactory evidence of such insurance, we may, at our option and in addition to any other rights and remedies we may have, immediately terminate this Agreement. We reserve the right to require you to provide us with an application for insurance (in a form acceptable to our required supplier for insurance) for any medical professional that has been offered a position to work in a Franchise location so that we may, if you fail to do so, procure any necessary insurance coverage for such medical professional.

The Franchisor may, at its option and without prejudice to any other rights or remedies it may have, procure the required insurance coverage on behalf of the Franchisee, and the Franchisee shall reimburse the Franchisor within (30) days of execution for all costs and expenses incurred in obtaining such insurance, including any premiums, fees, and charges, plus an administrative fee of \$150.00 or a percentage of the premium, whichever is greater. Additionally, there is a weekly late fee of \$150.00 for not providing the required malpractice or general liability insurance documentation within the (10) day period as stated above. The Franchisee acknowledges and agrees that the failure to maintain adequate insurance constitutes a material breach of this Agreement and poses an unacceptable risk to the Franchisor, its affiliates and the goodwill associated with the Franchise System. Your obligation to obtain and maintain the insurance described in this Agreement shall not be limited in any way by reason of any insurance maintained by us.

15.11 Identification as Franchisee.

You agree to post a notice to the public at the Center premises in an area of sufficient prominence so as to advise the public that the Center is independently owned, operated and maintained solely by you, a Franchisee of AlignLife Systems. If you fail to post such notice of ownership as required by us, you shall pay to us our then-current non-compliance fee for your failure to do so.

16. MARKS

16.1 Usage.

You acknowledge that AlignLife is the licensee of the owner of all Marks licensed to you by this Agreement and that all usage of the Marks and any goodwill established shall insure to AlignLife's exclusive benefit. Any references herein to AlignLife's rights, title and interest in and to the Marks shall be deemed to include the owner's rights, title and interest in and to the Marks. You shall use the Marks in full compliance with rules prescribed from time to time by AlignLife. We hereby grant to you a license to utilize the Marks in association with the Center for the term of this Agreement and any option flowing therefrom. You acknowledge that AlignLife shall retain full control of the Marks. Furthermore, you acknowledge that you shall not allow any other party to utilize the Marks in relation to the operation of the Center. AlignLife shall continue to have the right to control the character and quality of the product and services provided by your Center; and that AlignLife shall have the right to exercise control over you on a periodic basis by the inspection of the Center and products and services provided. In addition, you agree to post in the Center a notice to the public in such form as we may reasonably require, indicating that you are an independent franchisee of AlignLife Systems, LLC. You agree that in case you directly or indirectly contest the validity of AlignLife's rights or ownership of the Marks we may terminate this Agreement. You shall not attempt to register any Mark or derivative thereof, shall not use any Mark as part of any corporate name or with any prefix, suffix or other modifying words, terms, designs or symbols nor may you use any Mark in connection with the sale of any unauthorized product or service or in any other manner not explicitly authorized in writing by us. Upon expiration or termination of this Agreement, no monetary amount shall be assigned or attributable to any goodwill associated with your use of the AlignLife System or the Marks.

16.2 Infringements.

You agree to immediately notify us of any infringement of or challenge to your or our use of any Mark or claim by any person of any rights in any mark or any suspected passing-off or unfair competition involving the Marks or the AlignLife System. You agree that you will not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. Unless you have an independent cause of action pursuant to applicable law, AlignLife will have sole discretion to take such action as we deem appropriate and the right to exclusively control any litigation or Patent and Trademark Office proceeding (or proceedings of the equivalent office, agency or ministry in the county or State in which the Center is located) or other proceeding arising out of any infringement, challenge or claim

or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interests in any such litigation, Patent and Trademark Office proceedings, or other proceeding or to otherwise protect and maintain AlignLife's interest in the Marks.

16.3 Indemnification.

You will promptly notify us of any unauthorized use of the Marks, any challenge to the validity of the Marks, or any challenge to our ownership of, our right to use and to license others to use, or your right to use, the Marks. You acknowledge that we have the right to direct and control an administrative proceeding or litigation involving the Marks, including any settlement thereof. We will defend you against any third-party claim, suit, or demand arising out of your use of the Marks. If we, in our sole discretion, determine that you have used the Marks in accordance with this Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by us. If we, in our sole discretion, determine that you have not used the Marks in accordance with this Agreement, the cost of such defense, including the cost of any judgment or settlement, will be borne by you. In the event of any litigation relating to your use of the Marks, you will execute any and all documents and do such acts as may, in our opinion, be necessary to carry out such defense or prosecution, including, but not limited to, becoming a nominal party to any legal action. Except to the extent that such litigation is the result of your use of the Marks in a manner inconsistent with the terms of this Agreement, we agree to reimburse you for your out-of-pocket costs in doing such acts.

17. INSPECTIONS

We will have the right at any time during business hours and without prior notice to conduct reasonable inspections of the Center operated by you. We will have the right to audit any business records and to take a physical inventory of the assets of any such Center. Inspections of any such Center will be made at our expense unless we are required to make any additional inspections in connection with your failure to comply with this Agreement. In such event, we will have the right to charge you for the costs of making all additional inspections in connection with your failure to comply, including without limitation travel expenses, hotel accommodations, meals and compensation of our employees.

18. TERMINATION AND EXPIRATION

We have the right to terminate this agreement effective upon delivery of notice of termination to you, if: (1) you do not develop or open the franchise as provided in this agreement; (2) you abandon, surrender, transfer control of, lose the right to occupy the premises of, or do not actively operate, the franchise, or your lease for or purchase of the location of the franchise is terminated for any reason; (3) you or your principal owners assign or transfer this agreement, any interest, the franchise, or assets of the franchise without complying with the provisions of section 14; (4) you are adjudged a bankrupt, become insolvent or make a general assignment for the benefit of creditors; (5) you use, sell, distribute or give away any unauthorized services or products, and do not cease the use, sale, or distribution of unauthorized services or products within ten (10) days after written notice is given to you; (6) you fail to maintain a valid license to practice and/or fail to maintain compliance with state and federal regulations and do not cure the failure within twenty (20) days after written notice is given to you; (7) you or any of your principal owners are convicted of or plead no contest to a felony or are convicted or plead no contest to any crime or offense that is likely to adversely affect the reputation of the company, the franchise, and/or the goodwill associated with the marks; (8) you are involved in any action that is likely to adversely affect the reputation of the company, the franchise, and/or the goodwill associated with the marks; (9) you or any of your employees violate any health or safety law, ordinance or regulation, or operate the franchise in a manner that presents

a health or safety hazard to your customers or the public; (10) you do not pay when due any monies owed to us or our affiliates, and do not make such payment within ten (10) days after written notice is given to you; (11) you or any of your principal owners fail to comply with any other provision of this agreement or any mandatory specification, standard, or operating procedure or you fail to make changes required to comply with applicable state or federal laws within twenty (20) days after written notice of such failure to comply is given to you; (12) you fail to procure or maintain any and all insurance coverage that we require, or otherwise fail to name us as an additional insured on any such insurance policies and failure to do so within ten (10) days after written notice is given to you; (13) you or any of your principal owners fail on three (3) or more separate occasions within any twelve (12) consecutive month period to submit when due any financial statements, reports or other data, information, or supporting records; pay when due any amounts due under this agreement; or otherwise fail to comply with this agreement, whether or not such failures to comply are corrected after notice is given to you or your principal owners; (14) you fail to meet the minimum financial requirements as noted in Section 4.2 of the Agreement.

In addition, if, in the opinion of our legal counsel, any provision of this agreement is contrary to law, then you and we agree to negotiate in good faith an amendment that would make this agreement conform to the applicable legal requirements. If you and we are unable to reach such an agreement, or if fundamental changes to this agreement are required to make it conform to the legal requirements, then we reserve the right to terminate this agreement upon notice to you, in which case all of the post-termination obligations set forth in section 18.2 shall apply.

In the event that we terminate this agreement under this section or other applicable provisions of this agreement, we shall be entitled, in those states in which such termination fees are enforceable, to receive from you a termination fee in the amount equal to one-half (1/2) of our then-current initial franchise fee for new AlignLife location franchises plus future projected revenues (the "Termination Fee"). The Termination Fee shall be payable by you in addition to any damages payable to us, including loss of future revenues, resulting from your improper or wrongful breach or other termination of this agreement. Future revenues will be calculated using the average collections of the last 12 months with annual growth. We shall be entitled to recover all costs, including attorneys' fees, incurred in connection with the termination and collection of the Termination Fee.

If you continue to operate the franchise after termination of this Agreement, in addition to any other right or remedy we may have (including the Termination Fee), you agree to pay to us the amount of one thousand and no/100 dollars (\$1,000.00) per day that you operate the franchise in violation of this Agreement, plus all costs and attorneys' fees incurred as a result of the violation. This amount has been determined because it is a reasonable estimation of the damages that we would incur from such a breach, and it will otherwise be impossible to calculate precisely the actual damages from such a breach.

18.2 Obligations Upon Termination or Expiration.

Upon termination or expiration of this Agreement, all rights granted to you under this Agreement shall forthwith terminate, and:

(a) You will, upon expiration, immediately cease to operate the Center as an AlignLife Center, or upon termination immediately cease to operate the Center, and in either case will not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of AlignLife;

(b) You will immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the AlignLife System; the Mark "AlignLife"; and all other Marks and distinctive forms, slogans, signs, symbols and devices associated with

the AlignLife System. In particular, you will cease to use, without limitation, all signs, advertising materials, displays, stationery, forms, products and any other articles which display the Marks;

(c) You will take such action as may be necessary to cancel any assumed name registration or equivalent registration obtained by you which contains the mark "AlignLife" or any other Marks, and you will furnish us with evidence of compliance with this obligation within five (5) days after termination or expiration of this Agreement;

(d) You will, in the event you continue to operate or subsequently begin to operate any other business, not use any reproduction, counterfeit, copy or colorable imitation of the Marks, either in connection with such other business or the promotion thereof, which, in our sole discretion, is likely to cause confusion, mistake or deception, or which, in our sole discretion, is likely to dilute our rights in and to the Marks. You further agree not to utilize any designation of origin or description or representation which, in our sole discretion, falsely suggests or represents an association or connection with the AlignLife System constituting unfair competition;

(e) You will promptly pay all sums owing to us or our affiliates. In the event of termination for any default by you, such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by us as a result of the default, which obligation shall give rise to and remain, until paid-in-full, a lien in our favor against any and all of the personal property, furnishing, equipment, signs, fixtures and inventory owned by you and on the Center premises at the time of default;

(f) You will pay to us all damages, costs and expenses, including reasonable attorneys' fees, incurred by us subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Section 18;

(g) You will immediately deliver to us the HSTV Device, and all other records, correspondence and instructions containing confidential information relating to the operation of the Center, all of which are acknowledged to be our property, and you will not retain any copy or record of any of the foregoing. In the event you do not have, in your possession, any of the items that are required to be returned, you shall pay us the current market value for those items;

(h) The AlignLife custom version of ChiroHD will become read-only and data will not be able to be exported until all past due funds are paid up-to-date. Upon getting the account up-to-date, the Center's patient demographic data can be exported to another version of the software or any other software that has import capabilities.

(i) Upon termination of the Agreement, Customer shall immediately cease all use of, and all access to, the EMR Subscription Services and Ventures shall immediately cease providing the Professional Services. Upon termination by either party, Ventures will remove Customer access to the Platform and Ventures will provide to the Customer patient data stored in the Platform to the Customer in accordance with HIPAA regulations governing the transfer of sensitive patient information.

(j) Upon termination of the Agreement, Customer is required to remove AlignLife designed custom millwork including custom front desk and retail center. You will have the option to sell these items to another franchise location.

(a) “Content” means all text, images, sounds, files, video, designs, animations, layout, color schemes, trade dress, concepts, methods, techniques, processes and data used in connection with, displayed on, or collected from or through Franchisor’s Website.

(b) “Franchisee’s Web Page” means one or more interior pages of Franchisor’s Website which Franchisor may dedicate, in whole or in part, to the Center.

(c) “Franchisor’s Website” means one or more Internet Websites that Franchisor may develop, in its sole discretion, and may be used to, among other things, facilitate orders, provide information about the AlignLife System and the products and services that are offered on the Website and at franchised Centers operated under the Marks; Franchisee’s Web Page may be part of the Franchisor Website.

(d) “Internet” means any means of electronic communication that employs interconnected computer networks to communicate information (of any kind) by fiber optics, wire, radio or other methods of transmission, including the myriad of computers, telecommunications facilities and similar means (both equipment and software) that comprise the interconnected worldwide network of networks that employ the TCP/IP (Transmission Control Protocol/Internet Protocol) or any predecessor or successor protocols to that protocol.

(e) “Intranet” means a private method of communication for use only by employees and franchisees of Franchisor; the Franchisor’s Intranet may be either a “true” intranet (a series of interconnected computers that use the same type of software as the Internet, but that are not technically part of the Internet and do not use the Internet to transmit material to one another) or an extranet (which will actually transmit information over the Internet, but require a password to access data on the servers used by Franchisor).

(f) “Website” means a series of inter-connected “pages” on the World Wide Web section of the Internet (the “World Wide Web” is the portion of the Internet that features graphics-rich pages using the HTTP and HTML protocols).

19.2 Use of Marks on the Internet

(a) Except as provided in this Agreement, Franchisee shall not develop, create, generate, own, license, lease or use in any manner any computer medium or electronic medium (including, any Internet home page, e-mail address, Website, bulletin board, newsgroup or other Internet-related medium) which in any way uses or displays, in whole or part, the Marks, or any of them, or any words, symbols or terms confusingly similar thereto other than Franchisee’s Web Page, if established by Franchisor, in its sole discretion, and in accordance with this Agreement, such procedures, policies, standards and specifications as Franchisor may establish in the Operations Manual from time to time and only so long as Franchisee is not in default of this Agreement or any other Agreement between Franchisor, its affiliates and Franchisee.

(b) Franchisee shall not use, nor authorize any third party to use, the Marks to advertise, promote, offer or sell any goods or services through the Internet, if those goods or services are

the same as or similar to those (a) which are offered at or from the Center, (b) which bear any of the Marks, or (c) which are otherwise offered or sold under the Marks.

(c) Franchisor will own and will retain all right, title and interest in and to the Marks and the use thereof in any and all manners and to all existing and future domain names, URLs, future addresses and sub addresses established by Franchisor (including Franchisee's Web Page sub addresses) which may or may not include the Marks; all Software; all Content prepared for, or used on, Franchisor's Website; and all intellectual property rights in or to any of them.

(d) All websites and social media business pages using the Marks will be created by Franchisor for the use of Franchisee's Center and will remain Franchisor's property at all times.

For conversion clinics only:

(e) You and your staff members are permitted to post on any social sites as long as you adhere to our AlignLife Social Media Policy. When using Proprietary Marks in any manner on any social or networking websites, you must comply with our AlignLife Brand Standards. We reserve the right to conduct collective/national campaigns via local social media on your behalf. We will control all social media initiatives. You must comply with our System standards regarding the use of social media in your Center's operation, including prohibitions on your and Center's employees posting or blogging comments about the Center or the System, other than on a website established or authorized by us ("social media" includes personal blogs, common social networks like Facebook, professional networks like LinkedIn, live-blogging tools like Twitter, virtual worlds, file, audio and video-sharing sites, and other similar social networking or media sites or tools). We will provide access to branded social media pages/handles/assets, and you must update these regularly. We reserve the right to conduct collective/national campaigns via local social media on your behalf.

19.3 Franchisor's Website

(a) Franchisor may, but shall not be obligated to, establish and maintain from time to time Franchisor's Website to provide information about the AlignLife System and the goods and services that AlignLife Centers provide. Franchisor has sole discretion and control over the establishment, design and content of the website. Franchisee can make requests to change pictures or copy on the individual location site but not changes to template layout. Franchisor may, at its sole option, from time to time, without prior notice to Franchisee: (aa) change, revise, or eliminate the design, content and functionality of Franchisor's Website; (bb) make operational changes to Franchisor's Website; (cc) change or modify the URL and/or domain name of Franchisor's Website; (dd) substitute, modify, or rearrange Franchisor's Website, at Franchisor's sole option, including in any manner that Franchisor considers necessary or desirable to, among other things, (1) comply with applicable laws, (2) respond to changes in market conditions or technology and respond to any other circumstances; or (3) limit or restrict end-user access (in whole or in part) to Franchisor's Website; and (ee) disable or terminate Franchisor's Website without any liability to Franchisee.

(b) Franchisor will create and maintain a webpage and/or a presence on the corporate AlignLife website for each franchisee. Franchisor may, but shall not be obligated to, permit Franchisee to customize or post certain information to Franchisee's Website, subject to Franchisee's compliance with the procedures, policies, standards and specifications that Franchisor may establish in the Operations Manual from time to time. Any modifications (including customizations, alterations, submissions or updates) to the Content made by Franchisee for any purpose will be deemed to be a "work made for hire" under the copyright laws, and therefore, Franchisor shall own the intellectual property rights in and to such modifications. To the extent any modification does not qualify as a work made for hire as outlined above,

Franchisee hereby assigns those modifications to Franchisor for no additional consideration and with no further action required and shall execute such further assignments(s) as Franchisor may request. Franchisee may not modify Franchisee's Website except in coordination with Franchisor's webmaster and in compliance with Franchisor's policies and procedures.

(c) Without limiting Franchisor's general unrestricted right to permit, deny and regulate Franchisee's participation on Franchisor's Website in Franchisor's sole discretion, if Franchisee fails to pay when due any fees or other amounts payable to Franchisor under this Agreement, or any other agreement with Franchisor or Franchisor's affiliates or otherwise breaches this Agreement or any other agreement with Franchisor or Franchisor's affiliates, Franchisor may disable or terminate Franchisee's Web Page, without prior notice and without any liability or recourse as against Franchisor, or its affiliates, and remove all references to the Center on Franchisor's Website until the breach is cured and the Franchisee has paid all outstanding obligations in full. Franchisee hereby appoints Franchisor as Franchisee's attorney-in-fact with full power and authority for the sole purpose of disabling Franchisee's Web Page. This appointment shall be deemed to be coupled with an interest and shall continue in full force and effect until the termination or expiration of this Agreement.

(d) Franchisor has no control over the stability or maintenance of the Internet generally; as a result, Franchisor is not responsible for damage or loss caused by errors of the Internet, hacking or any other website compromise. Furthermore, Franchisor is not liable for any direct, indirect, special, incidental, exemplary or consequential damages arising out of the use of, or the inability to use, Franchisor's Website or the Internet, including loss of profits, goodwill, or savings; downtime; or damage to or replacement of programs and data, whether known or unknown, based in contract, tort, product liability, or otherwise.

19.4 Franchisor's Intranet.

(a) Franchisor may, at its sole discretion and option, establish and maintain, an Intranet and a social forum using Facebook or other forum software through which Franchisor, franchisees of Franchisor and Franchisor's employees may communicate with each other, and through which Franchisor may disseminate the Manuals, updates thereto and other confidential information. Franchisor shall have sole discretion and control over all aspects of the Intranet, including the content and functionality thereof. Franchisor will have no obligation to maintain the Intranet indefinitely, and may dismantle it at any time without liability to Franchisee.

(b) If Franchisor establishes an Intranet, Franchisee shall have the privilege to use the Intranet, subject to Franchisee's strict compliance with the standards and specifications, protocols and restrictions that Franchisor may establish from time to time. Such standards and specifications, protocols and restrictions may relate to, among other things, (i) the use of abusive, slanderous or otherwise offensive language in electronic communications; (ii) communications between or among franchisees that endorse or encourage breach of any franchisee's Franchise Agreement; (iii) confidential treatment of materials that Franchisor transmits via the Intranet; (iv) password protocols and other security precautions; (v) grounds and procedures for Franchisor's suspending or revoking a franchisee's access to the Intranet; and (vi) a privacy policy governing Franchisor's access to and use of electronic communications that franchisees post to the Intranet. Franchisee acknowledges that, as administrator of the Intranet, Franchisor can technically access and shall be entitled to view any communication that any person posts on the Intranet. Franchisee further acknowledges that the Intranet facility and all communications that are posted to it will become Franchisor's property, free of any claims of privacy or privilege that Franchisee or any other person may assert.

(c) If Franchisee fails to pay when due any fees or other amounts payable to Franchisor under this Agreement, or any other agreement with Franchisor or Franchisor's affiliates or otherwise

breaches this Agreement or any other agreement with Franchisor or Franchisor's affiliates, Franchisor may, without prior notice and without any liability or recourse as against Franchisor, or its affiliates, temporarily disable or terminate Franchisee's access to the Intranet until such time as Franchisee pays its outstanding obligation in full without Franchisor having any liability to Franchisee. This in no way absolves Franchisee from continuing to owe ongoing Royalty and advertising fees.

19.5 Patient Communication

The franchisor has the right to execute social media posting to the clinic's social media channels as well as execute educational and marketing strategies that can incorporate a multichannel approach including email, internet television, text, social, and/or voicemails without the approval of the individual clinic.

19.6 Assignment Upon Termination or Expiration

Franchisee shall, at the option and request of Franchisor, and without any additional consideration, assign to Franchisor all rights to all email addresses, URLs, domain names, Internet listings, and Internet accounts related to the Center following demand by Franchisor upon Franchisee's misuse of the same and/or the termination or expiration of this Agreement. Furthermore, Franchisee hereby appoints Franchisor as Franchisee's attorney-in-fact with full power and authority for the sole purpose of assigning these rights to Franchisor. This appointment shall be deemed to be coupled with an interest and shall continue in full force and effect until the termination or expiration of this Agreement.

20. RESTRICTIVE COVENANTS

20.1 In-Term Covenant.

You and your owners agree that during the term of this Agreement and while this Agreement is in effect, neither you nor your owners will, directly or indirectly for the benefit of you or your owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, engage in, be employed by, advise or assist, invest in, franchise, make loans to, or have any interest in any chiropractic practice, or acquire any financial interest in the capital of such business which might provide the power to influence the economic conduct of such business (except for AlignLife Centers operated under franchise agreements entered into with us or other AlignLife Centers in which you or your owners have an ownership interest).

20.2 Post-Term Covenant.

You and your owners agree that for a period of two (2) years after termination of this Agreement for cause, or the date on which you cease to operate the Center, whichever is later, neither you nor your owners will, directly or indirectly for the benefit of you or your owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any interest in any chiropractic practice using AlignLife methods located at the premises of the Center or within fifteen (15) miles of the premises of the Center (except for other AlignLife Centers operated under franchise agreements with us or other AlignLife Centers in which you or your owners shall have an ownership interest). Nothing herein shall be construed as a substitute for damages caused by you, or suffered by AlignLife, as the result of any termination of this Franchise Agreement prior to the expiration of the ten (10)-year term.

In the event you should be in violation of the restrictive covenant(s) set forth herein, then the time limitation of that restrictive covenant shall be extended for a period of time equal to the period of time during which such breach or breaches occur. In the event AlignLife should be required to seek relief from

such breach in any court or arbitration, the restrictive covenant shall be extended for a period of time equal to the pendency of the proceedings before such court, including all appeals.

You hereby acknowledge that money damages alone would not adequately compensate AlignLife in the event of breach by the Franchisee of the above-mentioned restrictive covenant and, therefore, you agree that, in addition to all of the remedies available to AlignLife at law or in equity, AlignLife shall be entitled to injunctive relief for the enforcement of the restrictive covenant.

20.3 Ownership of Public Companies.

The covenants contained in this Section 20 shall not apply to ownership by you or your owners of less than a five percent (5%) beneficial interest in the outstanding equity securities of any corporation whose stock is publicly traded.

20.4 Solicitation of Employees.

You and your owners agree that during the term of this Agreement and for one year following the termination or expiration of the term of this Agreement, neither you nor your owners will directly or indirectly solicit or employ any person who is employed by us, nor will you or your Owners induce or attempt to induce any of these people to leave their employment without our prior written consent and the consent of their employers.

20.5 Confidentiality.

You and your owners agree to maintain the absolute confidentiality of the Operations Manual and all other information concerning the AlignLife System during and after the term of the Franchise, disclosing this information to the other employees of the Center only to the extent necessary for the operation of the Center in accordance with this Agreement, and that you and your owners will not use the Operations Manual or such other information in any other business or in any manner not specifically authorized or approved by us in writing. You must require all employees and independent contractors to sign a written agreement in a form approved by us, to maintain confidential information, proprietary information and trade secrets as described in Section 15.7. You must forward to us a copy of each signed agreement. We shall be a third party beneficiary of each agreement with the independent right to enforce its terms.

20.6 Owners of Corporation or Partnership.

If you are a corporation or partnership, the owners, by executing this Agreement, shall be bound individually, jointly and severally, by the provisions contained in this Agreement, including the restrictions set forth in this Section 20. Further, a violation of any of the provisions of this Agreement, including the covenants contained in this Section 20, by any owner shall also constitute a violation by you of your obligations under this Agreement.

21. ASSIGNMENT

21.1 By AlignLife.

We shall have the right to transfer or assign this Agreement and all or any part of our rights or obligations under this Agreement to any individual or legal entity, and you agree to release us from all liability to you for performance under this Agreement subsequent to any such assignment.

21.2 By Franchisee.

This Agreement is personal to you and your owners. Accordingly, neither you nor any of your owners may assign or transfer this Agreement, any direct or indirect interest in this Agreement (including

any interest in the assets of the Center) and, if you are a corporation or partnership, any interest in the corporation or partnership, except with our prior written approval and as specifically authorized under this Agreement. Any attempted assignment or transfer that we have not previously approved in writing and which was not made in accordance with this Agreement shall have no effect and shall constitute a breach of this Agreement.

Unless prohibited by local law, the articles of incorporation and by-laws of any corporation or the organization documents of any partnership owning the Franchise, including all stock certificates, shall recite that they are subject to all restrictions contained in this Agreement. We shall also have the right to require, as a condition of any assignment of this Agreement to a corporation or partnership or the operation of the Franchise by a corporation or partnership, that the shareholders or partners enter into a buy/sell agreement among themselves in a form and containing such terms as we prescribe for transfers of ownership interests in such corporation or partnership. You shall provide us with all documents to be executed in connection with any such assignment and we shall use our reasonable efforts to approve or disapprove these within thirty (30) days after receipt. You hereby irrevocably appoint us as your attorney to do all acts and things and to give instructions to third parties as we may consider necessary in order to perform the foregoing.

All funds from the operation of the Center during the management by our appointed manager will be kept in a separate fund, and all expenses of the Center including compensation, other costs, and travel and living expenses of our manager will be charged to this fund. We will charge a weekly management fee of up fifteen percent (15%) of the Weekly Gross Sales of the Center (in addition to the royalty fee and marketing contributions payable under this Agreement) during the period in which we manage the Center on your behalf. Such management fee shall not exceed One Thousand Dollars (\$1,000) per week. In managing the Center, our obligation will be to use our reasonable efforts and we will not be liable for any debts, losses or obligations of the Center, to any of your creditors for any products, materials, supplies or

services purchased by the Center prior to or during the time of management by our manager. If the fund which we maintain is insufficient to pay the expenses of the Center, we will notify you or your executor, administrator, conservator, guardian or other personal representative and this person must deposit in the fund within five (5) business days, any amount required by us to attain a reasonable balance in the fund.

If the offer is not accepted within sixty (60) days, we or our Designee will again have the right of first refusal to purchase the Center as described above. This section will not apply to transfers made in accordance with Section 21.3 of this Agreement.

22. CONTRACT INTERPRETATION AND ENFORCEMENT

22.1 Effect of Waivers.

Our acceptance of any payment from you or the failure, refusal or neglect by us or you to exercise any right under this Agreement or to insist upon full compliance with our or your obligations under this Agreement or with any specification, standard or operating procedure or rule will not constitute a waiver of any provision of this Agreement.

22.2 Cost of Enforcement.

If we institute any legal or equitable action against you to secure or protect our rights under or to enforce the terms of this Agreement, in addition to any judgment entered in our favor, we shall be entitled to recover such reasonable attorney's fees as we may have incurred together with court costs and expenses of litigation.

If we, or any of our subsidiary or affiliated companies (collectively the "AlignLife Companies") are subjected to any claim, demand or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by you, your employees or agents, or by reason of any act occurring on the Center premises, or by reason of an omission with respect to the business or operation of the Center including, but not limited to, making a delivery or returning from making a delivery, you shall indemnify and hold the AlignLife Companies and each of them harmless against all judgments, settlements, penalties and expenses, including attorney's fees, court costs and other expenses of litigation or administrative proceeding incurred by or imposed on any of them in connection with the investigation or defense relating to such claim or litigation or administrative proceeding.

22.4 Construction and Severability.

All references in this Agreement to the singular shall include the plural where applicable, and all references to the masculine shall include the feminine and vice-versa. All currency amounts referred to herein shall mean US Dollars unless otherwise specifically stated. If any part of this Agreement for any reason shall be declared invalid and unenforceable, such provision shall be severed (and this shall not affect the validity of the remaining provisions) or, if possible, modified to best preserve the intentions of the parties and this Agreement, so modified, shall remain in full force and effect. Moreover, any provision not provided for herein, however mandatory pursuant to applicable law, shall be deemed to be part of this Agreement and enforceable.

22.5 Integration and Modification.

This Agreement constitutes the entire agreement between the parties and supersedes all prior and contemporaneous agreements or understandings of the parties, oral or written, regarding the subject matter of this Agreement, including the representations made in the Franchise Disclosure Document. The covenants of shareholders/partners form a part of this Agreement. No modification, waiver, termination, rescission, discharge or cancellation of this Agreement shall affect the right of any party to enforce any claim or right under this Agreement, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge or cancellation. This Agreement may not be modified, except in writing, and signed by the authorized representative of the parties, provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by Franchisor in the Disclosure Document that was furnished to Franchisee by Franchisor. The parties hereto agree to make any amendment/ modification required to bring this Agreement in compliance with applicable antitrust laws.

22.6 Applicable Law; Arbitration.

(a) This Agreement will be interpreted and construed under the laws of Illinois. In the event any provision of this Agreement is deemed to be invalid by reason of the operation of any law or statute, or by reason of the interpretation placed thereon by any court or arbitrator, as applicable, the validity, legality, and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby, all of which shall remain in full force and effect. The affected term or provision shall be modified by the parties or if necessary, by the court or arbitrator, to the minimum extent required by law so as to achieve most fully the intention of the parties.

(b) AlignLife reserves the right, at our sole discretion, to refer any dispute, claim or controversy arising out of, or relating to this Agreement, or the making, performance or interpretation of this Agreement to arbitration and such referral will be fully and finally adjudicated settled by arbitration pursuant to the then prevailing rules of the American Arbitration Association, with one arbitrator appointed in accordance with such rules. Unless otherwise mutually agreed in writing by the parties hereto, all arbitration proceedings, and any litigation, shall be conducted in Peoria, Illinois. The award of the arbitrator will be the sole and exclusive remedy between the parties regarding any claims, counterclaims, disputes, issues or accountings presented or pled to the arbitrator; will be promptly paid free of any tax, deduction or offset; and any costs, fees or taxes incident to enforcing the award will, to the maximum extent permitted by law, be charged against the party resisting such enforcement. Judgment upon the award of the arbitration may be entered in the court having jurisdiction thereof, or application may be made to such court for a judicial acceptance of the award or an order of enforcement.

(c) Jurisdiction and Venue. Franchisee hereby agrees that all actions or proceedings initiated by franchisee and arising directly or indirectly out of the Agreement shall be filed or litigated in either the Circuit Court of Cook County, Illinois or in the United States District Court for the Northern District of Illinois, unless otherwise mutually agreed in writing between the parties hereto. Franchisee

hereby expressly submits and consents in advance to such jurisdiction in any action or proceeding commenced by AlignLife, and/or removed by AlignLife to any such court(s). Franchisee waives any claim that either the Circuit Court of Cook County, Illinois or the United States District Court for the Northern District of Illinois is an inconvenient forum or an improper forum based on lack of venue. The exclusive choice of forum for Franchisee set forth in this Section shall not be deemed to preclude the enforcement by AlignLife of any judgment obtained in any other forum, including arbitration, or the taking by AlignLife of any action to enforce the same in any other appropriate jurisdiction, and Franchisee hereby waives the right to collaterally attack any such judgment or action.

(d) Waiver of Right to Jury Trial. AlignLife and Franchisee acknowledge and agree that any controversy which may arise under the Agreement will be based upon difficult and complex issues and, therefore, the parties agree that any lawsuit arising out of any such controversy will be tried in a court of competent jurisdiction by a judge sitting without a jury.

(e) Nothing herein contained shall bar our right to obtain injunctive relief against threatened conduct that will cause us loss or damage, under the usual equity rules, including the applicable rules for obtaining specific performance, restraining orders, and preliminary injunctions; and you agree to pay all court costs and reasonable attorneys' fees incurred by us in obtaining such relief. At AlignLife's option, and in its sole discretion, AlignLife may initiate legal action in a court of competent jurisdiction to seek immediate, preliminary, or permanent injunctive relief in connection with any violations of the restrictive covenants identified herein, or for any other purpose. AlignLife may, in its sole discretion and without prejudice to any of its legal or equitable rights, pursue damages in the injunction proceeding or refer the damages portion of the case to arbitration.

(f) No Class Actions, Class Arbitrations or Representative Actions. Franchisee acknowledges and agrees that any disputes arising directly or indirectly out of the Agreement is personal to the Franchisee and AlignLife and that such disputes will be resolved solely through an individual proceeding or lawsuits (as provided herein) and will not be brought as a class action, class arbitration or any other type of representative proceeding. Franchisee further agrees there will be no class action or arbitration in which an individual attempts to resolve any dispute as a representative of another Franchisee or group of Franchisees. Finally, Franchisee agrees that a dispute cannot be brought as a class or other type of representative action or on behalf of any other Franchisee(s).

22.8 Independent Contractors.

You understand and agree that you are and will be our independent contractor under this Agreement. Nothing in this Agreement may be construed to create a partnership, joint venture, agency, employment or fiduciary relationship of any kind. None of your employees will be considered to be our employees. Neither you nor any of your employees whose compensation you pay may in any way, directly or indirectly, expressly or by implication, be construed to be our employee for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state or federal governmental agency. We will not have the power to hire or fire your employees. You expressly agree, and will never contend otherwise, that our authority under this Agreement to certify certain of your employees for qualification to perform certain functions for your AlignLife Centers does not directly or indirectly vest in us the power to hire, fire or control any such employee.

You acknowledge and agree, and will never contend otherwise, that you alone will exercise day-to-day control over all operations, activities and elements of your AlignLife Centers and that under no circumstance shall we do so or be deemed to do so. You further acknowledge and agree, and will never contend otherwise, that the various requirements, restrictions, prohibitions, specifications and procedures of the System which you are required to comply with under this Agreement, whether set forth in our Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that we control any aspect or element of the day-to-day operations of your AlignLife Centers, which you alone control, but only constitute standards you must adhere to when exercising your control of the day-to-day operations of your AlignLife Centers.

You may not, without our prior written approval, have any power to obligate us for any expenses, liabilities or other obligations, other than as specifically provided in this Agreement. Except as expressly provided in this Agreement, we may not control or have access to your funds or the expenditure of your funds or in any other way exercise dominion or control over your AlignLife Centers. Except as otherwise expressly authorized by this agreement, neither party will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or on behalf of the other party, or represent that the relationship between us and you is other than that of franchisor and franchisee. We do not assume any liability, and will not be considered liable, for any agreements, representations, or warranties made by you which are not expressly authorized under this Agreement. We will not be obligated for any damages to any person or property which directly or indirectly arise from or relate to your operation of the AlignLife Centers.

22.9 Sole and Exclusive Employer of Your Employees

You hereby irrevocably affirm, attest and covenant your understanding that your employees are employed exclusively by you and in no fashion are any such employee employed, jointly employed or co-employed by us. You further affirm and attest that each of your employees is under the exclusive dominion and control of you and never under the direct or indirect control of us in any fashion whatsoever. You alone hire each of your employees; sets their schedules; establishes their compensation rates; and, pays all salaries, benefits and employment-related liabilities (workers' compensation insurance premiums/payroll taxes/Social Security contributions/unemployment insurance premiums). You alone have the ability to discipline or terminate your employees to the exclusion of us, which has no such authority or ability. You further attest and affirm that any minimum staffing requirements established by us are solely for the purpose of ensuring that your AlignLife Centers is at all times staffed at those levels necessary to operate your AlignLife Centers in conformity with the System and the products, services, standards of quality and

efficiency, and other AlignLife brand attributes known to and desired by the consuming public and associated with the Proprietary Marks. You affirm, warrant and understand that you may staff AlignLife Centers with as many employees as you desire at any time so long as our minimal staffing levels are achieved. You also affirm and attest that any recommendations you may receive from us regarding salaries, hourly wages or other compensation for employees are recommendations only, designed to assist you to efficiently operate your AlignLife Centers, and that you are entirely free to disregard our recommendations regarding such employee compensation. Moreover, you affirm and attest that any training provided by us for your employees is geared to impart to those employees, with your ultimate authority, the various procedures, protocols, systems and operations of AlignLife Centers and in no fashion reflects any employment relationship between us and such employees. Finally, should it ever be asserted that we are the employer, joint employer or co-employer of any of your employees in any private or government investigation, action, proceeding, arbitration or other setting, you irrevocably agree to assist us in defending said allegation, including (if necessary) appearing at any venue requested by us to testify on our behalf (and, as may be necessary, submitting itself to depositions, other appearances and/or preparing affidavits dismissive of any allegation that we are the employer, joint employer or co-employer of any of your employees). To the extent we are the only named party in any such investigation, action, proceeding, arbitration or other setting to the exclusion of you, should any such appearance by you be required or requested by us, we will recompense you the reasonable costs associated with your appearing at any such venue.

22.10 You are Not Authorized

You understand and agree that nothing in this Agreement authorizes you or any of the Controlling Principals to make any contract, agreement, warranty or representation on our behalf, or to incur any debt or other obligation in our name, and that we shall in no event assume liability for, or be deemed liable under this Agreement as a result of, any such action, or for any act or omission of you or any of the Controlling Principals or any claim or judgment arising therefrom.

22.11 Standard of Reasonableness.

Unless otherwise stated in this Agreement, we agree to exercise reasonable judgment with respect to all determinations to be made by us under the terms of this Agreement.

22.12 Acknowledgement.

You acknowledge that you have conducted an independent investigation of the business contemplated by this Agreement and recognize that it involves business risks making the success of the venture largely dependent upon your business abilities. You further acknowledge that you have been advised to consult independent legal counsel with respect to this Agreement as to your rights and obligations hereunder and fully understand the matters contained herein. In addition, you acknowledge that your legal counsel had the opportunity to discuss, modify and negotiate this Agreement with us prior to the execution of this Agreement. We expressly disclaim the making of, and you acknowledge that you have not received or relied upon, any warranty, assurance or guaranty, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement.

22.13 Binding Effect.

This Agreement is binding upon the parties and their heirs, approved assigns and successors in interest.

22.14 Effective Date of This Agreement.

This Agreement shall be effective as of the date first set forth above.

22.15 Controlling Language.

The parties hereto confirm that it is their wish that this Agreement, as well as all other documents relating hereto, including notices, shall be drawn up in the English language only. This Agreement may be translated; in case of any difference between the two versions, the English version shall control. All costs in connection with the translation shall be borne by you.

22.16 Governmental Approvals.

Franchisee shall be solely responsible for obtaining all governmental approvals and consents, if any, with respect to this Agreement, including, without limitation, approval(s) of the amount or frequency of franchise and marketing fees payable hereunder, and consent(s) to the wire transfer or other transfer of such fees to an account located outside of the Country in which the Center is located, together with such other approvals or consents as may be necessary with respect to any other provision or provisions of this Agreement. Certified copies of all such approvals and/or consents shall be furnished by Franchisee to us immediately upon their issuance. Franchisee's failure to obtain any such approval or consent and to continue any such approval or consent in full force and effect during the term of this Agreement shall constitute a material breach of this Agreement, entitling us to all of the rights and remedies provided herein upon breach of this Agreement by Franchisee.

22.17 Limitation Upon Commencement of Actions.

Any and all claims and actions arising out of or relating to this Agreement or the relationship of the parties to this Agreement, brought by any party against the other, will be commenced within one (1) year from the occurrence of the facts giving rise to such claim or action, or such claim or action shall be barred.

22.18 Limitation of Claims.

Each party to this Agreement irrevocably waives to the fullest extent permitted by law any right to, or claim of, any punitive or exemplary damages against the other party, and agrees that in the event of a dispute between the parties each will be limited to the recovery of any actual damages sustained by it.

22.19 Non-exclusivity of Remedies.

No right or remedy herein conferred upon or reserved to us is exclusive of any other right or remedy provided or permitted by law or equity.

22.20 Personal Guaranty.

Owner(s) shall execute a personal guaranty of performance in the form set forth in Exhibit 1 to this Agreement.

23. FORCE MAJEURE

Neither party shall be in default of its delay in performance or failure to perform any of its obligations hereunder, when and if, the delay or failure, arises from a cause which is beyond the control of the party failing to perform. Such force majeure (which includes, *inter alia*, strikes, acts of God, acts of war, laws and regulations) would suspend the fulfillment of the obligations under this Agreement until it is over. If the force majeure lasts more than one (1) year, AlignLife and Franchisee shall have the right to terminate this Agreement.

The Parties have each caused this Agreement to be executed as of the day and year first above written.

W I T N E S S E T H :

WHEREAS, AlignLife and Conversion Franchisee have this date, _____, entered into a certain franchise agreement (the “Franchise Agreement”) for an AlignLife Center located at _____ (the “Approved Location”);

WHEREAS, Conversion Franchisee has previously operated a chiropractic practice or wellness center not affiliated with AlignLife at the Approved Location, which practice offered for sale similar services and products to those services and products offered for sale at AlignLife Centers.

WHEREAS, Conversion Franchisee desires to convert Conversion Franchisee’s previous chiropractic practice to an AlignLife Center under the AlignLife’s System and Proprietary Marks (as those terms are defined in the Franchise Agreement);

WHEREAS, the parties seek to amend the terms of the Franchise Agreement as set forth in this Addendum for the purpose of converting Conversion Franchisee’s previous business to an AlignLife Center; and

WHEREAS, Conversion Franchisee has thoroughly reviewed this Addendum, the Franchise Agreement, and AlignLife’s Franchise Disclosure Document and has had adequate opportunity to be thoroughly advised of the terms and conditions of those documents; understands and accepts the terms, conditions, and covenants herein contained as being reasonably necessary to maintain AlignLife’s high standards of quality, appearance, and service.

NOW, THEREFORE, in consideration of the mutual covenants and commitments herein contained, the parties hereby agree as follows:

1. Sections 8.1 and 8.2 of the Franchise Agreement shall be deleted in their entirety, and the following language shall be substituted in place thereof:

“8.1 Renovation; Opening. Conversion Franchisee shall renovate or modify, and equip, the AlignLife Center at Conversion Franchisee’s own expense in a good, workmanlike manner in compliance with AlignLife’s specifications in the three phase process outlined in the Operations Manual. Conversion Franchisee’s failure to open the AlignLife Center within the time period specified in the Operations Manual shall be considered a material breach and default under this Agreement and will entitle AlignLife to terminate this Agreement pursuant to Section 18 hereof. The renovation or modification shall conform with all applicable federal, state, and local laws, codes, and regulations, including, without limitation, the applicable provisions of the Americans With Disabilities Act regarding the construction, design and operation of the AlignLife Center, which shall be Conversion Franchisee’s sole responsibility.

Notwithstanding the foregoing, you must have all outdoor and indoor signage installed and painting completed by the Construction Completion Date or the date of your grand opening, whichever occurs first, but not later than six (6) months after you have executed this Agreement, if your practice was in operation for less than five (5) years prior to your purchase of the franchise.

“8.2 Before commencing any renovation or modification of the AlignLife Center, AlignLife may, in its sole discretion, require Conversion Franchisee, at its expense, to employ a qualified architect or engineer, if required by law, to prepare preliminary and final architectural and engineering drawings and specifications of the Franchised Business in accordance with AlignLife’s standard floor plans, which will be provided to Conversion Franchisee at no cost. Such preliminary and final drawings and specifications, if requested by AlignLife, shall be submitted to AlignLife for its prior written approval. Upon AlignLife’s approval, the drawings and specifications shall not thereafter be changed or modified without the prior written approval of AlignLife. In the event AlignLife requires such approval, AlignLife may, in its sole discretion, change the Construction Completion Date to up to six (6) months from the date of this Agreement.”

2. This Addendum constitutes an integral part of the Franchise Agreement between the parties hereto, and the terms of this Addendum shall be controlling with respect to the subject matter hereof. Except as modified or supplemented by this Addendum, the terms of the Franchise Agreement are hereby ratified and confirmed. 6. The Franchise Agreement and Area Development Agreement require binding arbitration. The arbitration will occur at Peoria, Illinois with the costs being borne by both parties. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A prohibition on the right of a franchisee to join an association of franchises.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, franchisee has the right to request an escrow arrangement.

3. Item 17 of the Disclosure Document and the appropriate sections of the Franchise Agreement and Area Development Agreement are amended by the addition of the following language to amend the Governing Law, Jurisdiction and Venue, and Choice of Forum sections:

Sec. 80C.21 and Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C, or franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.”

4. Item 17 of the Disclosure Document and the appropriate sections of the Franchise Agreement and Area Development Agreement are amended by the addition of the following language to the original language that appears therein:

8. Under Minn. Rule 2860.440J, the franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. A court will determine if a bond is required. The appropriate sections of the Franchise Agreement and Area Development Agreement are hereby amended accordingly.

HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of Item 4:

Neither the franchisor, its affiliate, its predecessor, officers, or general partner during the 10-year period immediately before the date of the offering circular: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after that officer or general partner of the franchisor held this position in the company or partnership.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

ADDENDUM REQUIRED BY THE STATE OF NORTH DAKOTA

This addendum to the Disclosure Document, Franchise Agreement and Multi-Unit Operator Agreement and Development Agent Agreement effectively amends and revises said documents as follows:

1. Item 17(c) of the Disclosure Document and Articles 3 and 21 of the Franchise Agreement are hereby amended to indicate that a franchisee shall not be required to sign a general release.

2. Covenants not to compete are generally considered unenforceable in the State of North Dakota, in accordance with Section 51-19-09 of the North Dakota Franchise Investment Law. Item 17(r) of the Disclosure Document, Article 20 of the Franchise Agreement and Article 19 of the Area Development Agreement are amended accordingly.

3. Item 17(u) of the Disclosure Document and Article 22 of the Franchise Agreement are amended to provide that arbitration shall be held at a site that is agreeable to all parties.

5. Item 17(v) of the Disclosure Document and the provisions of Article 22 of the Franchise Agreement which require jurisdiction of courts in Washington, DC are deleted.

6. Item 17(w) of the Disclosure Document, Article 22 of the Franchise Agreement and Article 17 of the Area Development Agreement are amended to indicate that the agreements are to be construed according to the laws of the State of North Dakota.

7. Apart from civil liability as set forth in Section 51-19-12 N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents. Therefore, North Dakota franchisees will not be required to waive their rights under North Dakota law.

8. The provisions of Article 22 of the Franchise Agreement which require a franchisee to consent to (1) a waiver of trial by jury and (2) a waiver of exemplary and punitive damages are contrary to Section 51-19-09 of the North Dakota Franchise Investment Law and are hereby deleted.

9. The provisions of Article 22 of the Franchise Agreement which require a franchisee to consent to a limitation of claims are hereby amended to state that the statute of limitations under North Dakota law applies.

ADDENDUM REQUIRED BY THE STATE OF RHODE ISLAND

The following amends Item 17 and is required to be included within the Disclosure Document and shall be deemed to supersede the language in the Disclosure Document itself:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that:

"A provision in a franchise agreement restricting jurisdiction or venue to a forum outside of this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

ADDENDUM REQUIRED BY THE COMMONWEALTH OF VIRGINIA

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for AlignLife Systems, LLC for use in the Commonwealth of Virginia shall be amended as follows:

1. Additional Disclosure: The following statements are added to Item 17.h:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement and Area Development Agreement does not constitute "reasonable cause," as that the term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, the provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

ADDENDUM REQUIRED BY THE STATE OF WASHINGTON

In the State of Washington, the collection of initial franchise fee will be deferred until Franchisor has fulfilled its initial pre-opening obligations and the franchisee is open for business.

The State of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the State of Washington or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.

If you are required to pay the termination fee as stated in 18.1 of the Franchise Agreement you will not be required to pay future revenue resulting from your improper or wrongful breach or other termination of the Franchise Agreement in the State of Washington.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Addendum dated this _____ day of _____, 20____.

2.2 **Interest in Telephone Numbers and Listings.** Franchisee has or will acquire during the term of the Franchise Agreement, certain right, title, and interest in and to those certain telephone numbers and regular, classified, internet page, and other telephone directory listings (collectively, the “Telephone Listings”) related to the Franchised Business or the Marks.

2.3 Transfer. On Termination of the Franchise Agreement, or on periodic request of Franchisor, Franchisee will immediately:

2.3.1 direct all internet service providers, domain name registries, internet search engines, social media companies, and other listing agencies (collectively, the “Internet Companies”) with which Franchisee has Electronic Advertising: (i) to transfer all of Franchisee’s interest in such Electronic Advertising to Franchisor; and (ii) to execute such documents and take such actions as may be necessary to effectuate such transfer. In the event Franchisor does not desire to accept any or all such Electronic Advertising, Franchisee will immediately direct the Internet Companies to terminate such Electronic Advertising or will take such other actions with respect to the Electronic Advertising as Franchisor directs; and

2.3.2 direct all telephone companies, telephone directory publishers, and telephone directory listing agencies (collectively, the “Telephone Companies”) with which Franchisee has Telephone Listings: (i) to transfer all Franchisee’s interest in such Telephone Listings to Franchisor; and (ii) to execute such documents and take such actions as may be necessary to effectuate such transfer. In the event Franchisor does not desire to accept any or all such Telephone Listings, Franchisee will immediately direct the Telephone Companies to terminate such Telephone Listings or will take such other actions with respect to the Telephone Listings as Franchisor directs.

2.4 Appointment; Power of Attorney. Franchisee hereby constitutes and appoints Franchisor and any officer or agent of Franchisor, for Franchisor’s benefit under the Franchise Agreement and this Agreement or otherwise, with full power of substitution, as Franchisee’s true and lawful attorney-in-fact with full power and authority in Franchisee’s place and stead, and in Franchisee’s name or the name of any affiliated person or affiliated company of Franchisee, to take any and all appropriate action and to execute and deliver any and all documents that may be necessary or desirable to accomplish the purposes of this Agreement. Franchisee further agrees that this appointment constitutes a power coupled with an interest and is irrevocable until Franchisee has satisfied all of its obligations under the Franchise Agreement and any and all other agreements to which Franchisee and any of its affiliates on the one hand, and Franchisor and any of its affiliates on the other, are parties, including without limitation this Agreement. Without limiting the generality of the foregoing, Franchisee hereby grants to Franchisor the power and right to do the following:

2.4.1 Direct the Internet Companies to transfer all Franchisee’s interest in and to the Electronic Advertising to Franchisor, or alternatively, to direct the Internet Companies to terminate any or all of the Electronic Advertising;

2.4.2 Direct the Telephone Companies to transfer all Franchisee’s interest in and to the Telephone Listings to Franchisor, or alternatively, to direct the Telephone Companies to terminate any or all of the Telephone Listings; and

2.4.3 Execute such standard assignment forms or other documents as the Internet Companies and/or Telephone Companies may require in order to affect such transfers or terminations of Franchisee’s interest.

2.5 Certification of Termination. Franchisee hereby directs the Internet Companies and Telephone Companies to accept, as conclusive proof of Termination of the Franchise

Agreement, Franchisor's written statement, signed by an officer or agent of Franchisor, that the Franchise Agreement has terminated.

2.6 Cessation of Obligations. After the Internet Companies and the Telephone Companies have duly transferred all Franchisee's interests as described in paragraph 2.3 above to Franchisor, as between Franchisee and Franchisor, Franchisee will have no further interest in, or obligations with respect to the particular Electronic Advertising and/or Telephone Listing. Notwithstanding the foregoing, Franchisee will remain liable to each and all of the Internet Companies and Telephone Companies for the respective sums Franchisee is obligated to pay to them for obligations Franchisee incurred before the date Franchisor duly accepted the transfer of such interests, or for any other obligations not subject to the Franchise Agreement or this Agreement.

3.2 Indemnification. Franchisee is solely responsible for all costs and expenses related to its performance, its nonperformance, and Franchisor's enforcement of this Agreement, which costs and expenses Franchisee will pay Franchisor in full, without defense or setoff, on demand. Franchisee agrees that it will indemnify, defend, and hold harmless Franchisor and its affiliates, and its and their directors, officers, shareholders, partners, members, employees, agents, and attorneys, and the successors and assigns of any and all of them, from and against, and will reimburse Franchisor and any and all of them for, any and all loss, losses, damage, damages, claims, debts, claims, demands, or obligations that are related to or are based on this Agreement.

Franchisee expressly agrees that in no event shall Franchisor be obligated to accept the transfer of any or all of Franchisee's interest in any matter hereunder.

3.4 Further Assurances. Franchisee agrees that at any time after the date of this Agreement, Franchisee will perform such acts and execute and deliver such documents as may be necessary to assist in or accomplish the purposes of this Agreement.

3.5 Successors, Assigns, and Affiliates. All Franchisor's rights and powers, and all Franchisee's obligations, under this Agreement shall be binding on Franchisee's successors, assigns, and affiliated persons or entities as if they had duly executed this Agreement.

Independent Auditor's Report

To the Members
AlignLife Systems, LLC and Subsidiaries
Peoria, Illinois

Opinion

We have audited the accompanying consolidated financial statements of AlignLife Systems, LLC and Subsidiaries, which comprise the consolidated balance sheet as of December 31, 2023, and the related consolidated statements of operations, members' deficit, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of AlignLife Systems, LLC and Subsidiaries as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 10 to the financial statements, the Company has suffered recurring losses from operations and has a net capital deficiency. The Company's owners have the ability to provide additional capital and intend to do so, if required. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

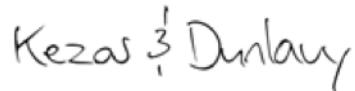

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ALIGNLIFE SYSTEMS, LLC AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2023

(1) Nature of Business and Summary of Significant Accounting Policies

(a) *Nature of Business*

AlignLife Systems, LLC and Subsidiaries (the “Company”) was formed on October 4, 2007 as an Illinois limited liability company, and is headquartered in Peoria, Illinois. The Company operates a unique chiropractic franchise concept.

(b) *Consolidation*

The consolidated financial statements include the accounts of the Company, its fully-owned subsidiary, and its majority-owned subsidiaries. The Company’s fully owned subsidiary is Align Management Charleston, LLC. The Company’s majority-owned subsidiaries include Align Management Spartanburg, LLC and Align Management Raleigh, LLC.

The Company acquired a majority interest in Align Management Spartanburg, LLC during the year ended December 31, 2020. Profits and losses are allocated in a ratio of 51% and 49% between the Company and a third party, respectively. The ratio is adjusted annually based on capital contributions. As of December 31, 2023, the portion attributed to the Company was 51%.

The Company acquired a majority interest in Align Management Raleigh, LLC during the year ended December 31, 2020. Profits and losses are allocated in a ratio of 53% and 47% between the Company and two other non-controlling members, respectively. The ratio is adjusted annually based on capital contributions. As of December 31, 2023, the portion attributed to the Company was 51%. During the year ended December 31, 2023, the Company determined to discontinue operations at this location. See Note 11 for further details.

On December 31, 2022, the Company acquired 100% of the membership interest of Align Management Charleston, LLC.

(c) *Accounting Standards Codification*

The Financial Accounting Standards Board (“FASB”) has issued the FASB Accounting Standards Codification (“ASC”) that became the single official source of authoritative U.S. generally accepted accounting principles (“GAAP”), other than guidance issued by the Securities and Exchange Commission (“SEC”), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(d) *Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(e) *Fair Value Measurements*

ASC 820, *Fair Value Measurements*, defines fair value, establishes framework for measuring fair value and expands disclosure about the use of fair value to measure assets and liabilities.

Fair value is a market-based measure considered from the perspective of a market participant who holds the asset or owes the liability, rather than an entity-specific measure. Therefore, when market assumptions are not readily available, the Company’s own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the

ALIGNLIFE SYSTEMS, LLC AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2023

observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset developed based on market data obtained from sources independent of the Company.

Unobservable inputs are inputs that reflect the Company's assumptions about what market participants would use in pricing the asset developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- *Level 1* – quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- *Level 2* – inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in an active market, quotes prices for identical asset or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- *Level 3* – unobservable, therefore requiring an entity to develop its own assumptions about the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is most significant to the fair value measurement in its entirety. Because of inherent uncertainties in the valuation of assets or liabilities for which there are no observable inputs, those estimated fair values may differ significantly from the values that may have been used had a ready market for the investments existed.

(f) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. As of December 31, 2023, the Company had cash and cash equivalents of \$38,506.

The Company maintains its cash and cash equivalents in bank deposit accounts in which the deposits are guaranteed by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At certain times, the Company may have deposits in excess of the FDIC limits. The Company places cash and cash equivalents with financial institutions evaluated as highly creditworthy.

(g) Accounts Receivable

Accounts receivable primarily consist of rebates receivable from vendors and amounts due from franchisees for franchise fees (both initial and ongoing). Accounts receivable are recorded at the invoiced amount and do not bear interest although a finance charge may be applied to such receivables that are past the due date. The allowance for doubtful accounts is the Company's best estimate of the amount of probable credit losses in the Company's existing accounts receivable. The Company determines the allowance based on historical collections, customers' current creditworthiness, age of the receivable balance both individually and in the aggregate, and general economic conditions that may affect the customer's ability to pay. All account balances are reviewed on an individual basis. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. When recoveries of receivables previously charged off are made, they are recognized as income when payment is received. As of December 31, 2023, the Company had no allowance for doubtful accounts. As of December 31, 2023, the Company had accounts receivable of \$45,428.

ALIGNLIFE SYSTEMS, LLC AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2023

(h) Property and Equipment

In accordance with ASC 360, *Property, Plant and Equipment*, the Company accounts for property and equipment at cost less accumulated depreciation. Items in excess of \$1,000 that meet specific guidelines are capitalized. Expenditures for major renewals and improvements are capitalized. Minor replacements, maintenance, and repairs are expensed as incurred. When property and equipment are retired or otherwise disposed of, the cost of the asset and related accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the result of operations for the respective period. Depreciation on property and equipment is calculated on the straight-line method over the estimated useful lives of the assets. The estimated useful lives for significant property and equipment categories are as follows:

Computer software	3 years
Equipment	5 years
Furniture and fixtures	5-15 years
Leasehold improvements	Lesser of the useful life or lease term

(i) Goodwill and Intangible Assets

Intangible assets consist of trademark licenses and goodwill. The Company has elected to implement the private company standards outlined in ASC 805-20, *Business Combinations*, which provides the option not to recognize separate from goodwill: (a) customer-related intangible assets and (b) non-competition agreements. Rather, the value of these intangibles would be included as a part of goodwill. Under the private company standard, goodwill is amortized over a useful life of ten years. Through evaluation of the useful lives of the trademarks, management has estimated a useful life of ten years. Potential for impairment is considered only upon the occurrence of a triggering event. As of December 31, 2023, the carrying value of both goodwill and the trademark licenses were not considered impaired.

(j) Long Lived Assets

Long lived assets, such as property and equipment, are recorded at cost and are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to the estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized for the difference between the carrying amount of the asset and the fair value of the asset. No impairment has been recognized to date.

(k) Revenue Recognition

The Company's revenues consist of the services provided to customers and fees from franchised locations operated by conventional franchisees. Revenues from customers at the Company's retail locations consist of fees for chiropractic adjustment, rehabilitation, nutritional counseling, weight loss programs, and the sale of health-related retail items. Revenues from franchisees consist of initial franchise fees, royalty fees, and advertising fees.

Upon inception, the Company adopted ASC 606, *Revenue from Contracts with Customers*. ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the considerations expected to be received for those goods or services. In implementing ASC 606, the Company evaluated all revenue sources using the five-step approach: identify the contract, identify the performance obligations, determine the transaction price, allocate the transaction price, and recognize revenue.

Upon evaluation of the five-step process, the Company has determined that royalties from locations operated by a franchisee, which are based on a percentage of gross revenue, are to be recognized at the time the underlying sales occur. Revenue from health and wellness services provided to customers are recognized upon provision of services.

The Company has established a brand fund for regional and national marketing services offered by franchisees. As stipulated in the standard franchise agreement, the franchisees are required to pay a marketing fee, which is based

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

on a percentage of gross sales. The Company has determined that it is the principal in the arrangement and therefore recognizes the revenues in the same period as the underlying sales. Advertising expenditures are recognized as an expense in the period in which the services are provided. Any surplus of revenue over expenditures is reflected in net income from operations.

In allocating the transaction price and recognizing the revenue associated with initial franchise fees, the Company has elected to adopt the practical expedient for private company franchisors outlined in ASC 952-606, *Franchisors—Revenue from Contracts with Customers*. The practical expedient allows franchisors to account for pre-opening services as a single distinct performance obligation. These pre-opening services include the following:

- Assistance in the selection of a site
- Assistance in obtaining facilities and preparing the facilities for their intended use, including related financing, architectural, and engineering services, and lease negotiation
- Training of the franchisee's personnel or the franchisee
- Preparation and distribution of manuals and similar material concerning operations, administration, and record keeping
- Bookkeeping, information technology, and advisory services, including setting up the franchisee's records and advising the franchisee about income, real estate, and other taxes about local regulations affecting the franchisee's business
- Inspection, testing, and other quality control programs

The Company recognizes the fair value of all pre-opening services upon rendering those services, which is generally the date operations commence. The remainder is allocated to the license and amortized over the life of the agreement.

(l) Income Taxes

The entity is organized as a limited liability company ("LLC") under the laws of the State of Illinois. A limited liability company is classified as a partnership for federal and state income tax purposes and, accordingly, the income or loss of the Company will be included in the income tax returns of the member. Therefore, there is no provision for federal and state income taxes.

The Company follows the guidance under ASC 740, *Accounting for Uncertainty in Income Taxes*. ASC 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the member rather than the Company. Accordingly, there would be no effect on the Company's financial statements.

The company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2023, the 2022, 2021, and 2020 tax years are subject to examination.

(m) Advertising Costs

The Company expenses advertising costs as incurred. Advertising expenses for the fiscal year ended December 31, 2023 were \$1,110,556.

(n) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, pre-paid expenses, and accounts payable the carrying amounts approximate fair value due to their short maturities. The amounts shown for notes payable also approximate fair value because current interest rates and terms offered to the Company for similar debt are substantially the same.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2023

(o) Leasing

The Company adopted ASC 842, *Leases*, in prior years. The Company has operating leases for both retail and corporate office space, which require adjustments to record the right-of-use assets and lease liabilities as of the date of initiating the leases. The right of use assets and lease liabilities reflect the present value of the Company's estimated future minimum lease payments over the lease term, discounted using a collateralized incremental borrowing rate. The impact of ASC 842 is non-cash in nature and does not affect the Company's cash flows.

The Company has made an accounting policy election not to recognize right-of-use assets and lease liabilities that arise from any of its short-term leases. All leases with a term of 12 months or less at commencement, for which the Company is not reasonably certain to exercise available renewal options that would extend the lease term past 12 months, will be recognized on a straight-line basis over the lease term.

(2) Property and Equipment

(4) Prepaid Expenses

The company has prepaid expenses on its balance sheet, which represent payments made in advance for goods or services to be received in the future. These prepaid expenses will be recognized as expenses in the periods in which the related goods or services are consumed or utilized. The company may have prepaid expenses for various items such as insurance premiums, rent, subscriptions, or maintenance services. As of December 31, 2023, the total amount of prepaid expenses is \$3,094 and is classified as a current asset on the balance sheet.

(5) Deferred Revenue and Commissions

The Company's franchise agreements generally provide for payment of initial fees as well as continuing royalties to the Company based on a percentage of sales. Under the franchise agreement, franchisees are granted the right to operate a location using the AlignLife system for a period of ten years. Under the Company's revenue recognition policy, initial franchise fees and their corresponding commissions are recognized upon the commencement of operations.

As of December 31, 2023, the Company has estimated the following current and non-current portions of deferred initial franchise fees:

	2023
Deferred initial franchise fees, current	\$ 56,140
Deferred initial franchise fees, non-current	264,420
	<hr/> \$ 320,560

(6) Accrued Expenses

The Company's accrued expenses consist of accrued payroll, payroll taxes, and merchant processor fees. The balance as of December 31, 2023 was \$40,175, and is classified as a current liability on the Company's balance sheet.

(7) Operating Leases

The Company is the lessee in a number of operating leases with expiration dates between 2025 and 2027. As of December 31, 2023, the Company recorded a right of use asset of \$156,421. As of December 31, 2023, the Company had the following current and non-current portion of operating lease liabilities:

	2023
Operating lease liability, current	\$ 83,332
Operating lease liability, non-current	78,807
	<hr/> \$ 162,139

As of December 31, 2023, the maturities of the Company's lease liabilities are as follows:

	2023
Note payable to a former franchisee with a face value of \$114,720 as part of a buyout agreement dated December 31, 2022. The note requires monthly payments of \$1,862 and accrues interest at a variable rate of the prime interest rate plus 1%.	\$ 102,095

	(33,900)
	<u>\$ 301,205</u>

(9) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC 450, *Contingencies*, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is “probable” and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is “probable” but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is “reasonably possible,” disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are “remote” are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involving such amounts of unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(10) Plans for Future Operations

The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. However, the Company has accumulated significant losses to date. As of the balance sheet date, the Company's accounts payable, accrued liabilities, and current portion of long-term debt obligations exceed their cash and accounts receivable. In addition, the liquidation value of fixed assets is not estimated to provide material relief.

ALIGNLIFE SYSTEMS, LLC AND SUBSIDIARIES
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2023

Management has evaluated these conditions and has planned to obtain new financing from its members, who have the ability to fund operations and intend to do so if required. This alleviates substantial about the ability of the Company to continue as a going concern.

(11) Discontinued Operations

During the year ended December 31, 2023, the Company made the decision to discontinue its clinic in Raleigh, North Carolina, which will be operated by a subsidiary. The decision was made as part of the Company's ongoing strategic review of its operations to improve efficiency and focus on profitable activities.

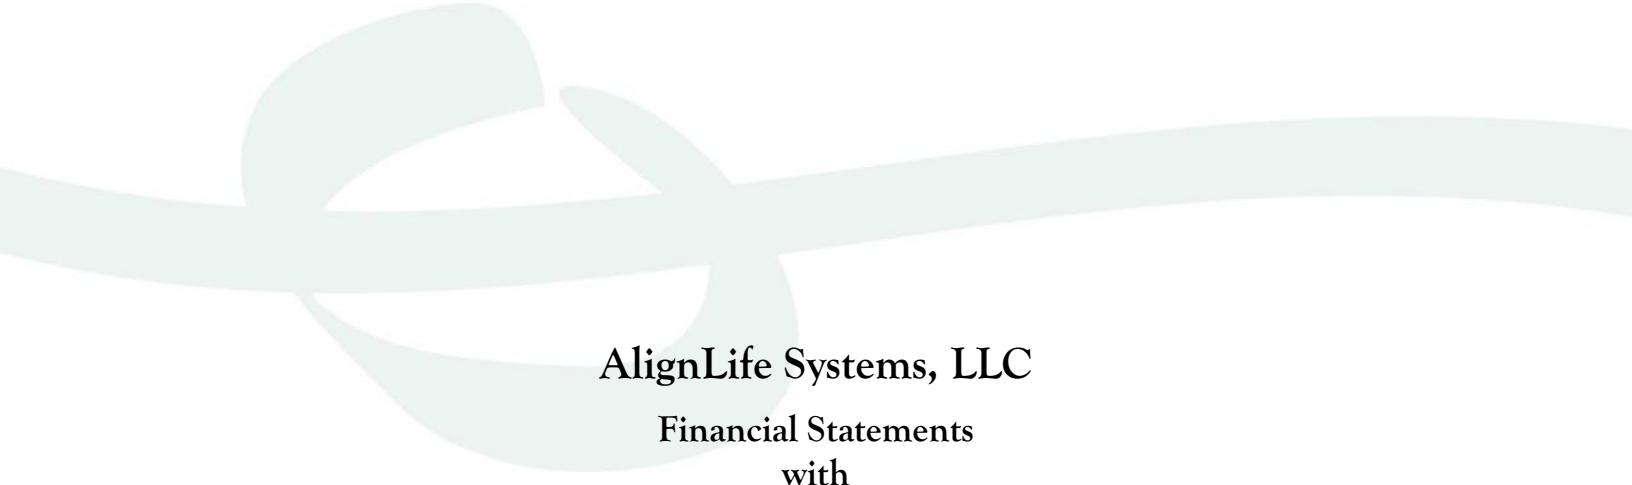

In accordance with ASC 205-20, *Presentation of Financial Statements—Discontinued Operations*, the results of operations for the Raleigh location have been presented as discontinued operations in the accompanying financial statements. The revenue, cost of goods sold, operating costs, and net loss from discontinued operations for the year ended December 31, 2023 are as follows:

Clinic service revenue	\$ 143,299
Clinic service costs	169,350
Estimated overhead from segment	98,096
Net loss from discontinued operations	<u>\$ 124,147</u>

The Company will continue to evaluate opportunities to optimize its business portfolio and may make additional divestitures or strategic decisions in the future.

(12) Subsequent Events

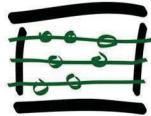

Management has reviewed and evaluated subsequent events through March 22, 2024, which is the date on which the consolidated financial statements were issued.

INDEPENDENT AUDITORS' REPORT

To the Members of
AlignLife Systems, LLC
Peoria, Illinois

Opinion

We have audited the accompanying consolidated financial statements of AlignLife Systems, LLC (an Illinois S-Corporation), which comprise the consolidated balance sheets as of December 31, 2022, and the related consolidated statements of income, members' equity, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AlignLife Systems, LLC, as of December 31, 2022, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

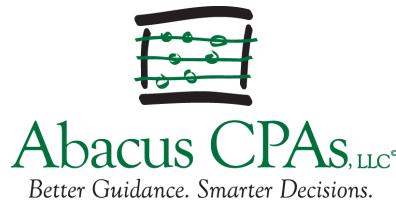

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AlignLife Systems, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AlignLife Systems, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

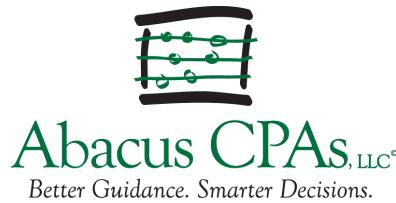

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AlignLife Systems, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AlignLife Systems, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Prior Period Financial Statements

The 2021 financial statements were audited by other auditors whose reported dated July 26, 2022 expressed an unmodified opinion on those statements. The accompanying balance sheet of AlignLife Systems, LLC as of December 31, 2021, and the related statements of income, retained earnings, and cash flows for the year then ended, and the related notes to the financial statements were not audited, reviewed, or compiled by us, and, accordingly, we do not express an opinion or any other form of assurance on them.

Emphasis of Matter

Note 12 of the financial statements discusses operating challenges the companies face during the upcoming year. The companies owners have the ability and intend to provide additional capital contributions if needed. Our opinion is not modified with respect to that matter.

Nature of Operations

The Company grants franchisees the right to operate "AlignLife Centers" which feature and offer for sale to the public: chiropractic adjustment, rehabilitation, nutritional counseling, a weight loss program, wellness laboratory profiles, health workshops and selected supplements, orthotics and other health-related retail items. The initial term of the franchise agreement is for a ten-year period with an option to renew by the franchisee. The agreement grants an exclusive territory agreed upon by the Company and the franchisee. The agreement also establishes the amount of royalty and marketing fees and other charges to be paid by the franchisee. The Company provides initial training of employees prior to opening and additional operating guidance as necessary.

For financial reporting purposes the Company includes all funds over which the Company's management exercises financial accountability, intercompany transactions have been eliminated.

In 2020, the Company acquired majority interest in Align Management Spartanburg, LLC. Profits and losses are allocated in a ratio of 51% and 49% between the Company and WKJC, LLC, respectively. AlignLife Systems, LLC
Consolidated Notes to Financial Statements
For the Years Ended December 31, 2022 and 2021

1. Summary of Significant Accounting Policies - (continued)

Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid investments with original maturities of three months or less to be cash.

Property and Equipment

Property and equipment are recorded at cost. Expenditures for major renewals and betterments that extend the useful lives of equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. When items of property or equipment are sold or retired, the related cost and accumulated depreciation and amortization are removed from the accounts and any gain or loss is included in income. Leasehold improvements are amortized using the straight-line method over the lesser of the terms of the lease or the estimated lives of the improvements.

Accounts Receivable

Accounts receivable represent amounts due from franchisees for royalty fees, initial franchise fees and brand funds. Royalty and marketing fees require payment within one week of the franchisee's collection of payment for services rendered to the patient. The Company generally does not charge interest on overdue accounts. The Company considers a reserve for doubtful accounts based on the creditworthiness of the franchisee. The reserve for doubtful accounts is continually reviewed and adjusted to maintain the reserve at a level considered adequate to cover future losses.

The reserve is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company determined that a reserve for doubtful account was not necessary as of December 31, 2022 and 2021.

Notes receivable represent amounts due from former franchisees as part of a settlement agreement and from franchisees for initial franchise fees. Interest income is recognized over the lives of the notes receivable. Notes receivable are written off or reduced by an allowance for note losses when deemed to be uncollectible. The allowance is determined on an individual note basis if it is probable that the Company will not collect all principal and interest contractually due. When assessing the credit quality of the franchisees, the company considers the franchisee's financial condition, historical payment patterns, contractual obligations as required by the terms of the loans and the franchisee's source of funds for repayment of the loans in considering the probability of default.

Notes Receivable - (continued)

The allowance for doubtful accounts is continually reviewed and adjusted to maintain the reserve at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company does not accrue interest when a loan is in doubt, all cash receipts on impaired loans are applied to reduce the principal amount of such loans until the principal is recovered and are recognized as interest income thereafter. The Company resumes accrual of interest when it is probable that the Company will collect the remaining principal and interest of an impaired loan. Recoveries of notes receivable previously written off are recorded when received.

Intangible Assets

The Company has intangible assets that are amortized on a straight-line basis over their estimated useful lives of 15 years. The intangible assets are the Company's trademark and a license to use a library of resources for training purposes. The Company purchased this license from The Remarkable Practice during the year ended December 31, 2015, for \$135,000. The Company had amortization expense related to intangible assets of \$11,492 during the years ended December 31, 2022 and 2021.

Accumulated amortization at December 31, 2022 and 2021 was \$70,393 and \$58,901 respectively. Estimated aggregate annual amortization expense on intangible assets for the next year is \$11,490 per year and 11,420 for the two years after.

Impairment of Long-Lived Assets

The Company reviews the carrying values of its long-lived assets for possible impairment whenever events or changes in circumstances indicate that the carrying amount of assets to be held and used may not be recoverable. There were no impairment losses taken for the year ended December 31, 2022 and 2021.

Major Service Lines

The Company generates revenues through franchise fees, royalty fees, marketing funds, and commissions from vendors.

Revenue Recognition

In May 2014, the FASB issued Accounting Standards Update (“ASU”) 2014-09, *Revenue from Contracts with Customers (Topic 606)*, as amended by subsequent ASUs (collectively, “ASC 606”) which amends the existing accounting standards for revenue recognition and establishes principles for recognizing revenue upon the transfer of promised goods or services to customers based on the expected consideration to be received in exchange for those goods or services. The Company adopted this ASU effective January 1, 2021 using the modified retrospective transition method. The Company recognized the cumulative effect of initially applying the new revenue standard to all contracts not yet completed or substantially completed as of January 1, 2021 as an adjustment of (\$242,237) to beginning retained earnings. The impact of adoption on the Company’s opening balance sheet was primarily related to the recognition of performance obligations of franchise fees. The prior year comparative information has not been restated and continues to be reported under the accounting standards in effect for those periods; however, certain balances have been reclassified to conform to the current year presentation. The company applied the practical expedients in ASC 606-10-61-1(F) 1 through 4. The company has also adopted the franchise specific practical expedient and defines all pre-opening franchise fee activity as a single performance obligation under ASC 606-10-25-19.

Revenue is measured based on consideration specified in a contract with a customer. The amount of consideration can vary depending on discounts, rebates, refunds, credits, and other similar items contained in the contract with the customer. Generally these variable consideration components represent a minimal amount of net sales. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer. When required, the Company collects sales tax from customers and remits the entire amount to the proper taxing authority. The Company’s accounting policy is to exclude the tax collected and remitted from revenues and cost of sales. The performance obligations and revenue recognition principals for each revenue stream are as follows:

Initial Franchise Fees

The Company requires the entire initial franchise fee to be paid upon execution of the franchise agreement, which has an initial term of ten years. The company provides limited pre-opening services, the largest component of which is training. As franchise training is completed the fair value of the performance obligation is recognized. Franchise fees in excess of pre-opening costs are recognized over the life of the agreement. Contract liabilities related to the recognition of franchise fees was \$398,594 and \$490,255, respectively

Royalties

Once a franchisee is opened, the Company collects a weekly royalty fee, as stipulated in the franchise agreement, equal to a designated percentage of the franchisee's gross collections for the week. The company recognizes revenue for royalties at the later of the subsequent sales, or satisfaction of the performance obligation to which the royalty has been allocated. Estimates of variable consideration is estimated and recorded the accounting period earned. At the year end December 31, 2022 and 2021 contract assets related to variable consideration was \$15,854 and \$14,007, respectively.

Franchise Transfer Fees

Franchise transfer fees are paid as consideration for the same rights and services as the initial fee. Franchise transfer fees are recognized when a former franchisee transfers ownership of their location to a new franchisee.

Commissions

Commissions are received from certain suppliers based on franchisees purchases of products and services from approved manufacturers, suppliers, and distributors and are recognized as revenue upon receipt.

Marketing/Advertising Fees

The Company has established a brand fund for regional and national marketing and advertising services offered by franchisees. As stipulated in the typical franchise agreement, the franchisees will pay, in addition to the royalty fee, a marketing fee of 4% to 5% of weekly gross sales or a minimum of \$375 per week. Advertising fees are recognized in a manner similar to sales-based royalties. After adoption of ASC 606, the company treats marking and advertising fees as a principal relationship. Advertising revenue is included as operating revenue as performance obligations are satisfied and expenditures are recorded in operating expenses as incurred. Any surplus of revenue over expense is reflected in net income from operations.

Transaction Price and Variable Consideration

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods or services to a customer. This consideration can include fixed and variable amounts and is determined at contract inception and updated each reporting period for any changes in circumstances. The transaction price also considers variable consideration which is estimated at contract inception and updated at each reporting date for any changes in circumstances. Once the variable consideration is identified, the Company estimates the amount of the variable consideration to include in the transaction price by historical trends. There have been no significant changes in judgments affecting the amount and timing of revenue recognition.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Comparative Data

Certain minor reclassifications of prior year data have been made in order to enhance the comparability with the current year presentation.

Income Taxes

The Company has elected to be treated as a pass-through entity for income tax purposes and, as such, will not be subject to income taxes. Rather, all items of taxable income, deductions and tax credits will be passed through to and reported by its members on their respective income tax returns. The Company's tax status as a pass-through entity is based on its legal status as a limited liability company. The Company files tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Company has no other tax positions which must be considered for disclosure. Federal and State Income tax returns for 2020, 2021, and 2022 are subject to audit by the taxing authority.

New Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which supersedes existing guidance for accounting for leases under *Topic 840, Leases*. The FASB also subsequently issued the following additional ASUs, which amend and clarify Topic 842: ASU 2018-01, *Land Easement Practical Expedient for Transition to Topic 842*; ASU 2018-10, *Codification Improvements to Topic 842, Leases*; ASU 2018-11, *Leases (Topic 842): Targeted Improvements*; ASU 2018-20, *Narrow-scope Improvements for Lessors*; and ASU 2019-01, *Leases (Topic 842): Codification Improvements*. The most significant change in the new leasing guidance is the requirement to recognize right-to-use (ROU) assets and lease liabilities for operating leases on the balance sheet.

The Company adopted FASB Topic 842, *Leases*, using the modified retrospective approach with January 1, 2021 as the date of initial adoption. The Company elected the package of practical expedients permitted under the transition guidance within the new standard, which among other things, allowed the Company to carry forward the historical lease classification. In addition, the Company elected the practical expedient to use hindsight in determining the lease term for existing leases, which resulted in shortening the lease terms for certain existing leases and the useful lives of corresponding leasehold improvements as certain options to renew were not reasonably certain. Adoption of the standard required the Company to restate amounts as of January 1, 2021, resulting in an increase in operating lease ROU assets of \$312,254 and an increase in operating lease liabilities of \$315,902.

Leases

The Company leases certain real estate, equipment, and vehicles. The determination of whether an arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

Operating leases are included in operating lease right-of-use ("ROU") assets, other current liabilities, and operating lease liabilities in our balance sheets. Finance leases are included in property and equipment, other current liabilities, and other long-term liabilities in our balance sheets, as of December 31, 2022 and 2021 the company did not have any finance leases.

New Accounting Pronouncements - (continued)

ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Company uses the implicit rate when it is readily determinable, or the risk free rate. Since most of the Company's leases do not provide an implicit rate, to determine the present value of lease payments, management uses the Company's incremental borrowing rate based on the information available at lease commencement. Operating lease ROU assets also includes any lease payments made and excludes any lease incentives. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Company's lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise the option, generally not longer than 5 years.

The Company operates under an Operating Agreement (the “OA”) with its members. The OA, as amended, defines, among other things, the Company’s purpose and terms with its members including; initial capital accounts determination and maintenance thereafter, additional capital contributions of members, allocation of profits and losses, cash flow distributions and liquidation and dissolution distributions, transfer of ownership interest and withdrawals of members, voting rights and Manager powers, authority and governance. 8. Members' Operating Agreements - (continued)

Death or incompetency of a member: Upon the death or incompetency of a member, the legal representative as defined in the agreement of the former member can elect to either continue to hold the former member's interest subject to the OA or to tender to the Company any or all of the units. 9. Litigation

The Company is subject to legal proceedings and claims that arise in the ordinary course of business. The Company does not believe that the outcome of those matters will have a material adverse effect on the Company's financial position, operating results or cash flow. However, there can be no assurance such legal proceedings will not have a material impact.

During the year ended December 31, 2018, the Company was involved in a lawsuit with a few of its franchises related to potential violation of franchise laws. During 2017, the Company settled one lawsuit through arbitration in its favor and was awarded a settlement of \$55,000 that was received during the year December 31, 2018. During 2018, the Company settled in its favor with six other franchisees and was awarded settlements of \$725,148, of which \$397,000 was received in 2018 and promissory notes were executed in the amount of \$328,148 (Note 2) for the remaining payments, as negotiated as part of the arbitration hearings.

10. Concentrations of Credit Risk

Financial instruments that subject the Company to potential concentrations of credit risk consist principally of cash. The Company maintains its cash in bank accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash balances.

11. Subsequent Events

Management has evaluated subsequent events through September 29, 2023, the date on which the financial statements were available to be issued.

12. Plans for Future Operations

The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. However, the Company has not generated new franchise agreements and has accumulated significant losses to date. As of the balance sheet date, the company's accounts payable, accrued liabilities, and current portion of long term debt obligations exceed their cash and accounts receivable. In addition, the liquidation value of fixed assets is not estimated to provide material relief. Management has evaluated these conditions and has planned the following responses:

AlignLife has closed its physical corporate office to reduce overhead costs. Operations are now managed virtually.

A dedicated Director of Operations has been hired to oversee key processes and enhance execution.

There is an increased focus on building recurring revenue streams for improved stability.

Nutrition product sales have grown 60% in 2023, adding a profitable revenue stream.

AlignLife has added key personnel in 2023, including a fractional CFO, a COO, and a HR administrator, to provide enhanced oversight and control.

Salary expenses have been reduced by approximately \$100,000, including reductions to executive compensation.

A director role was eliminated and replaced with a part-time manager role for additional cost savings.

Marketing spending has been optimized through improved processes and controls to maximize return on investment.

Royalty revenues have grown 16% in 2023, demonstrating the strength of AlignLife's training and coaching programs.

Credit card balances have been paid down significantly in 2023 after temporary increases in 2022.

AlignLife has implemented full accrual accounting across the organization to improve financial monitoring and reporting.

These plans, along with the ability and intend of ownership to provide additional capital contributions if needed, alleviate substantial doubt of the entity ability to continue as a going concern.

To the Members of
AlignLife Systems, LLC

We have audited the accompanying financial statements of AlignLife Systems, LLC (a Limited Liability Company), which comprise the balance sheets as of December 31, 2021 and 2020, and the related statements of operations, members' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AlignLife Systems, LLC as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AlignLife Systems, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AlignLife Systems, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

AlignLife Systems, LLC

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AlignLife Systems, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

AlignLife Systems, LLC (the Company) an Illinois limited liability company, has operations located in central Illinois. The Company grants franchisees the right to operate "AlignLife Centers" which feature and offer for sale to the public: chiropractic adjustment, rehabilitation, nutritional counseling, a weight loss program, wellness laboratory profiles, health workshops and selected supplements, orthotics and other health-related retail items. The initial term of the franchise agreement is for a ten-year period with an option to renew by the franchisee. The agreement grants an exclusive territory agreed upon by the Company and the franchisee. The agreement also establishes the amount of royalty and marketing fees and other charges to be paid by the franchisee. The Company provides initial training of employees prior to opening and additional operating guidance as necessary.

For financial reporting purposes the Company includes all funds over which the Company's management exercises financial accountability.

Property and Equipment

Property and equipment are recorded at cost. Expenditures for major renewals and betterments that extend the useful lives of equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. When items of property or equipment are sold or retired, the related cost and accumulated depreciation and amortization are removed from the accounts and any gain or loss is included in income. Leasehold improvements are amortized using the straight-line method over the lesser of the terms of the lease or the estimated lives of the improvements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

Accounts Receivable

Accounts receivable represent amounts due from franchisees for royalty fees, initial franchise fees and brand funds. Royalty and marketing fees require payment within one week of the franchisee's collection of payment for services rendered to the patient. The Company generally does not charge interest on overdue accounts. The Company considers a reserve for doubtful accounts based on the creditworthiness of the franchisee. The reserve for doubtful accounts is continually reviewed and adjusted to maintain the reserve at a level considered adequate to cover future losses.

The reserve is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company determined that a reserve for doubtful account was not necessary as of December 31, 2021 and 2020.

Notes Receivable

Notes receivable represent amounts due from former franchisees as part of a settlement agreement and from franchisees for initial franchise fees. Interest income is recognized over the lives of the notes receivable. Notes receivable are written off or reduced by an allowance for note losses when deemed to be uncollectible. The allowance is determined on an individual note basis if it is probable that the Company will not collect all principal and interest contractually due. When assessing the credit quality of the franchisees, the company considers the franchisee's financial condition, historical payment patterns, contractual obligations as required by the terms of the loans and the franchisee's source of funds for repayment of the loans in considering the probability of default.

The allowance for doubtful accounts is continually reviewed and adjusted to maintain the reserve at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on specific identification and historical performance that are tracked by the Company on an ongoing basis. The losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. The Company does not accrue interest when a loan is in doubt, all cash receipts on impaired loans are applied to reduce the principal amount of such loans until the principal is recovered and are recognized as interest income thereafter. The Company resumes accrual of interest when it is probable that the Company will collect the remaining principal and interest of an impaired loan. Recoveries of notes receivable previously written off are recorded when received..

Deferred Franchise Costs

The Company incurs commissions in connection with the sale of franchise agreements. These commissions are deferred and recognized in operating expenses when the related revenue for the sale of the franchise agreement is recognized.

Intangible Assets

The Company has intangible assets that are amortized on a straight-line basis over their estimated useful lives of 15 years. The intangible assets are the Company's trademark and a license to use a library of resources for training purposes. The Company purchased this license from The Remarkable Practice during the year ended December 31, 2015, for \$135,000. The Company had amortization expense related to intangible assets of \$11,492 and \$9,076 during the years ended December 31, 2021 and 2020, respectively. Accumulated amortization at December 31, 2021 and 2020 was \$58,901 and \$47,408 respectively. Estimated aggregate annual amortization expense on intangible assets for the next two years is \$11,490 per year and 11,420 for the three years after.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

Impairment of Long-Lived Assets

The Company reviews the carrying values of its long-lived assets for possible impairment whenever events or changes in circumstances indicate that the carrying amount of assets to be held and used may not be recoverable. There were no impairment losses taken for the years ended December 31, 2021 and 2020.

Brand Fund

The Company has established a brand fund for regional and national marketing and advertising services offered by franchisees. As stipulated in the typical franchise agreement, the franchisees will pay, in addition to the royalty fee, a marketing fee of 4% to 5% of weekly gross sales or a minimum of \$375 per week. The Company is to segregate the marketing funds collected and use the funds for specific purposes. The revenue, expenses and cash flows of the brand fund are not included in the Company's statements of operations or cash flows because the contributions are designated for specific purposes and the Company acts as an agent, in substance, with regard to these contributions. Amounts collected in excess of marketing expenditures are included in restricted cash on the balance sheets of the Company. For the years ended December 31, 2021 and 2020, the Company has expended \$922,295 and \$543,183, respectively, of the marketing fund collections from the franchisees, which exceeded the amount of marketing funds collected.

Revenue and Cost Recognition

The Company generates revenues through franchise fees, royalty fees, and commissions from vendors.

Initial Franchise Fees

The Company requires the entire initial franchise fee to be paid upon execution of the franchise agreement, which has an initial term of ten years. Initial franchise fees received from a franchise are recognized as revenue when the Company has performed substantially all initial services required by the franchise agreement, which is generally upon the opening of a location.

Until revenue is recognized for initial franchise fees, the amounts are deferred and recorded as deferred revenue on the accompanying balance sheets as of December 31, 2021 and 2020.

Royalties

Once a franchisee is opened, the Company collects on a weekly royalty fee, as stipulated in the franchise agreement, equal to a designated percentage of the franchisee's gross collections for the week. Royalties are recognized as revenue when earned.

Franchise Transfer Fees

Franchise transfer fees are paid as consideration for the same rights and services as the initial fee. Franchise transfer fees are recognized when a former franchisee transfers ownership of their location to a new franchisee.

DECEMBER 31, 2021 AND 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

Commissions

Commissions are received from certain suppliers based on franchisees purchases of products and services from approved manufacturers, suppliers, and distributors and are recognized as revenue upon receipt.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Comparative Data

Certain minor reclassifications of prior year data have been made in order to enhance the comparability with the current year presentation.

Income Taxes

The Company has elected to be treated as a pass-through entity for income tax purposes and, as such, will not be subject to income taxes. Rather, all items of taxable income, deductions and tax credits will be passed through to and reported by its members on their respective income tax returns. The Company's tax status as a pass-through entity is based on its legal status as a limited liability company. The Company files tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Company has no other tax positions which must be considered for disclosure.

New Accounting Pronouncements

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606), with several subsequent amendments, which requires an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The ASU will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. Originally, the ASU was to be adopted for annual reporting periods beginning after December 15, 2018. In April 2020, FASB delayed franchisor implementation of the ASU. Management is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

The Financial Accounting Standards Board has issued Accounting Standards Update ("ASU") No. 2016-02, *Leases*. The standard's core principle is the recognition of lease assets and lease liabilities by lessees for substantially all leases, including those currently classified as operating leases. Under the ASU, a lessee will be required to recognize assets and liabilities for operating and finance leases with terms of more than 12 months. Management is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

MULTI-STATE ADDENDUM

CALIFORNIA APPENDIX

1. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination or non-renewal of a franchise. If the Franchise Agreement or Area Development Agreement contains provisions that are inconsistent with the law, the law will control.
2. The Franchise Agreement and Area Development Agreement provide for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 *et seq.*).
3. The Franchise Agreement and Area Development Agreement contain covenants not to compete which extend beyond the termination of the agreements. These provisions may not be enforceable under California law.
4. Section 31125 of the California Corporation Code requires the franchisor to provide you with a disclosure document before asking you to agree to a material modification of an existing franchise.
5. Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a *et seq.*, suspending or expelling such persons from membership in such association or exchange.
6. The Franchise Agreement and Area Development Agreement require binding arbitration. The arbitration will occur at Peoria, Illinois with the costs being borne by both parties. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
7. The Franchise Agreement and Area Development Agreement require application of the laws of Illinois. This provision may not be enforceable under California law.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Your right upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

As an AlignLife Franchisee, you must sell \$3,000 worth of nutritional products each quarter.

Payment of the Initial Franchise Fees and Development Fees will be deferred until Franchisor has met its initial obligations to the franchisee, and franchisee has commenced doing business. DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A prohibition on the right of a franchisee to join an association of franchises.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) Failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, franchisee has the right to request an escrow arrangement.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

6. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

Item 17(r) of the Disclosure Document, Article 20 of the Franchise Agreement and Article 19 of the Area Development Agreement are amended accordingly.

3. Item 17(u) of the Disclosure Document and Article 22 of the Franchise Agreement are amended to provide that arbitration shall be held at a site that is agreeable to all parties.

5. Item 17(v) of the Disclosure Document and the provisions of Article 22 of the Franchise Agreement which require jurisdiction of courts in Washington, DC are deleted.

6. Item 17(w) of the Disclosure Document, Article 22 of the Franchise Agreement and Article 17 of the Area Development Agreement are amended to indicate that the agreements are to be construed according to the laws of the State of North Dakota.

7. Apart from civil liability as set forth in Section 51-19-12 N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents. Therefore, North Dakota franchisees will not be required to waive their rights under North Dakota law.

8. The provisions of Article 22 of the Franchise Agreement which require a franchisee to consent to (1) a waiver of trial by jury and (2) a waiver of exemplary and punitive damages are contrary to Section 51-19-09 of the North Dakota Franchise Investment Law and are hereby deleted.

9. The provisions of Article 22 of the Franchise Agreement which require a franchisee to consent to a limitation of claims are hereby amended to state that the statute of limitations under North Dakota law applies.

ADDENDUM REQUIRED BY THE STATE OF RHODE ISLAND

The following amends Item 17 and is required to be included within the Disclosure Document and shall be deemed to supersede the language in the Disclosure Document itself:

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that:

“A provision in a franchise agreement restricting jurisdiction or venue to a forum outside of this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

ADDENDUM REQUIRED BY THE COMMONWEALTH OF VIRGINIA

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for AlignLife Systems, LLC for use in the Commonwealth of Virginia shall be amended as follows:

1. Additional Disclosure: The following statements are added to Item 17.h:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement and Area Development Agreement does not constitute “reasonable cause,” as that the term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, the provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

ADDENDUM REQUIRED BY THE STATE OF WASHINGTON

The State of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the State of Washington or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act, except when executed pursuant to a negotiated settlement after the

agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act or rights or remedies under the Act, such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.

If you are required to pay the termination fee as stated in 18.1 of the Franchise Agreement you will not be required to pay 60% of future revenue resulting from your improper or wrongful breach or other termination of the Franchise Agreement in the State of Washington.

Franchisee will not waive his rights to (a) notice of acceptance hereof; (b) THE RIGHT TO A JURY TRIAL IN ANY ACTION HEREUNDER; (c) presentment, demand and protest of any instrument and notice thereof; (d) notice of default; (e) all other notices or formalities to which Principal is or might be entitled whether by law or otherwise; and (f) all rights of set-off.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Addendum dated this _____ day of _____, 20____.
