What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Tennessee. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Tennessee than in your own state.
2. **Minimum Payments**. You must make minimum royalty or advertising payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Short Operating History**. The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
4. **Supplier Control**. You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
5. **Mandatory Minimum Payments**. You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
6. **Financial Condition**. The franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

In this disclosure document, “we”, “us,” or “our” refers to Best Choice Roofing Franchising, LLC. “You” means the person to whom we grant a Best Choice Roofing (“BCR”) franchise (the “Franchised Business”). If you are a corporation, limited liability company, or other entity, each owner of the franchise entity must sign our Guaranty and Non-Compete Agreement, which means that all of the franchise agreement’s provisions also will apply to your owners.

Our name is Best Choice Roofing Franchising, LLC. We are a Tennessee limited liability company formed on February 4, 2020. We also use the name “Best Choice Roofing.” Our principal business address is 105 Hazel Path, Hendersonville, Tennessee 37075. We have offered franchises since December 2021. We do not have any predecessors.

Our affiliate, Best Choice Roofing & Home Improvement, Inc., is a Tennessee corporation formed on January 5, 2010. Best Choice Roofing & Home Improvement, Inc. shares the same principal address as us and is currently the only approved supplier of contract entry services that we require for our franchisees.

Our affiliate, Storm Leads, Inc., is a Tennessee corporation formed on November 16, 2010. Storm Leads, Inc. shares the same principal address as us and is currently the only approved call center vendor for our franchisees.

These affiliates do not currently offer any other products or services to our franchisees, and they have not and do not offer franchises in any line of business.

Agent for Service of Process

Our agents for service of process are disclosed in Exhibit A.

Information About Our Business and the Franchises Offered

We (that is, Best Choice Roofing Franchising, LLC) do not operate businesses of the type being franchised, but our affiliates do. We do not have any other business activities. We have not offered franchises in other lines of business. If you sign a franchise agreement with us, you will develop and operate a business that will be focused on residential and commercial reroofing of properties that have sustained damaged due to wind or a hailstorm (the “Services”). You will lead a sales team and you will be responsible for the installation of the materials and the satisfaction of the customer. We have developed a system that will explain to you how to recruit a sales force, retain the sales force, motivate the sales force, handle production from beginning to end and collect remaining balances from the customers, sometimes after interacting with an Insurance Carrier (the “System”). You will provide these services to both residential and commercial buildings, operating under the Marks and using the System.

We also offer, to qualified franchisees, the opportunity to develop multiple Territories under the same Franchised Business. To be eligible to develop multiple Territories, you must agree to open between a minimum of 2 Territories and a maximum of 10 Territories. If you qualify to develop your Franchised Business within multiple Territories, you will not sign a Multi-Unit

Development Agreement or Area Development Agreement because you will operate one business across multiple Territories covering a total larger geographic area.

You will compete with other national, regional and local residential and commercial roofing and other property maintenance related service businesses, generally in well-developed markets. The residential and commercial roofing industry is well developed and competitive. Your Franchised Business may operate in close proximity to major competitors. Some competitors will offer many goods and services that are the same as or similar to those you offer.

Laws and Regulations

The following laws and regulations may be relevant for your market and you should be aware of these prior to opening the franchised business. In some states, you will have to obtain and maintain a general contractor's license to provide the services under the System. Some states may require a specialty contractor license. While qualifications for such licenses vary from state to state, you may also have to pass a knowledge test and background test and obtain insurance and a bond. There are many federal, state and local regulations specific to the operation of a roofing and construction business. You will also be subject to state and local licensing laws, codes and regulations, particularly as they relate to the operation of a roofing and property maintenance service business. For certain Services, such as roofing, you are subject to federal, state, and local contractor license laws and requirements. There may be other laws applicable to the business, and we urge you to make further inquiries about these laws. The nature and amount of regulation could change rapidly relating to this business. You should consult a lawyer with experience dealing with roofing and contracting issues to be sure you are familiar with the current statutes and regulations that might apply within your territory.

Further, there are statutes and regulations that are applicable to all business, including those governing health and labor, zoning, and safety. You should consult with a local attorney to discuss these general business regulations within your territory.

Notes

1. “Gross Sales” is defined in your franchise agreement as the total dollar amount of all sales generated through your business for a given period, including, but not limited to, payment for any services or products sold by you, whether for cash or credit. Gross Sales does not include (i) bona fide refunds to customers, (ii) sales taxes collected, (iii) sales of used equipment not in the ordinary course of business, or (iv) sales of prepaid cards or similar products (but the redemption of any such card or product will be included in Gross Sales).

2. Beginning in the sixth month after you open your Franchised Business, there is a Minimum Weekly Royalty Fee of \$300 per week per 100,000 single-family homes in your Territory or cumulative Territories and is prorated for single-family homes between the levels described above in Item 5 of this Disclosure Document. The formula for calculating your Minimum Weekly Royalty Fee is:

$$\text{Minimum Weekly Royalty Fee} = \$300 \times \frac{\# \text{ of Single - Family Homes in your Territory(ies)}}{100,000}$$

3. We reserve the right to require you to pay us an ongoing Brand Fund Contribution of up to 3% of your Gross Sales in the same manner and at the same time as your Royalty Fee.

4. We have an agreement with Owens Corning by which our franchisees are eligible for the Platinum Preferred Contractor Status immediately upon launching their franchised business, with the 2 years of business requirement being waived. As a Platinum Preferred Contractor, you will receive a 1% rebate on Owens Corning’s products that are purchased by your franchise. To be eligible for the status, you must complete a Platinum Preferred application and have \$1 million in GL insurance. To continue being eligible for the Platinum Preferred Contractor status, you must achieve certain criteria set by Owens Corning. You are required to continue to be a Platinum Preferred member during the Term of the Franchise Agreement. All fees are paid directly to Owens Corning, the first annual payment of \$2,500.00 must be made prior to opening your franchise for business.

Notes

1. If (1) you fail to complete the initial training program to our satisfaction, or (2) we conclude, no more than 10 days after you complete the initial training program, that you do not have the ability to satisfactorily operate your franchise, then we have the right to terminate your franchise agreement. If we do so, we will refund your franchise fee less any out-of-pocket costs we have incurred, including broker fees and commissions, subject to your signing a general release of our liability. Otherwise, all fees paid to us or our affiliates are non-refundable.

2. You must obtain and maintain a business office that meets our requirements. If you already lease or own premises, you should review your lease or purchase documents to evaluate the cost of real estate rental. If not, lease terms will vary in rental amounts, lease terms, amount of space required, tenant improvements required, security deposit and advance rental required. Location is a major factor in the amount of rent required. These estimates may not cover advance rental deposits, insurance and similar expenses. You may elect to own your own Premises, in which case it is not possible for us to estimate the cost because of the wide variations in price and financing options. If you rent real estate for the premises, you may be liable for the entire term of the lease whether or not you succeed in the Franchised Business. The cost could be higher if you or your landlord request changes from the standard design and materials.

3. If you already lease or own premises, you should review your lease or purchase documents to evaluate the cost of real estate leasehold improvements. If not, lease situations will vary in rental amounts, lease terms, amount of space required, and tenant improvements required. Size, configuration and landlord requirements will be major factors in cost. Some landlords finance leasehold improvements by amortizing them over the lease term and charging a higher rental amount to cover the cost. You should attempt to determine your costs and financing options before deciding on premises.

4. The cost of equipment could vary widely depending primarily upon your circumstances. Some new franchisees will have existing businesses and will already have some of the equipment they will need. This may or may not be your situation. However, even if you have an existing Best Choice Roofing Franchise business that is fully equipped, you may need additional or different equipment if you are expanding your operations or to comply with our standards. The initial equipment consists of ladders, harnesses, cougar paws, and other light equipment that your sales employees will need.

5. You are not required to purchase a vehicle, but you are allowed to purchase or otherwise utilize a vehicle in the operation of your franchise. If you do utilize a vehicle, you may, but are not required to, wrap it in our proprietary marks. Our low-end estimate assumes you lease the vehicle with no down payment. If you choose to lease or finance a vehicle, your cost will be determined by your credit worthiness and the options you select.

6. You must spend at least \$5,000 on grand opening marketing for your franchise. This amount must be paid to our preferred online marketing vendor and must be spent between the four weeks preceding your opening date and the two weeks following your opening date.

7. Owens Corning Annual Membership fee. We have an agreement with Owens Corning of which our franchisees are eligible for the Platinum Preferred Contractor Status immediately upon launching their franchised business, with the 2 years of business requirement being waived. As a Platinum Preferred Contractor, franchisees are given a 1% rebate on Owens Corning's products that are purchased by your franchise. To be eligible for the status, the Franchisee must complete a Platinum Preferred application and have \$1 million in GL insurance. To continue being eligible for the Platinum Preferred Contractor status, franchisees must achieve certain criteria set by Owens Corning. You are required to continue to be Platinum Preferred member during the Term of this Agreement. All fees are paid directly to Owens Corning, the first payment of \$2,500.00 must be made prior to opening of your Franchise.

8. The Initial Marketing Materials include TVs, apparel, diagrams, and door hangers among other marketing pieces and may vary depending on the season in which you purchase your franchise. You must purchase the Initial Marketing Materials from Dope Marketing.

9. You will initially purchase at least ten new hire kits, including uniforms, from our approved supplier. These are for your sales representatives.

10. The Call Center Fee is paid to us for our affiliate's call center services. The Call Center Fee is \$3,300 per every three Territories that you purchase. This estimate is for one Territory. See the Multiple Territories chart, below, for more information regarding the Call Center Fee for multiple Territories.

11. These estimates are for your initial start-up expenses. We recommend having significant cash reserves to cover the cost of ordering roofing materials from suppliers while awaiting full payment from customers. This estimate includes payroll costs and various service costs such as utilities. These estimates do not include owner compensation or return on investment. We have based the estimates in this table on our experience of opening 31 corporate locations.

YOUR ESTIMATED INITIAL INVESTMENT – MULTIPLE TERRITORIES

Type of expenditure	Amount	Method of payment	When due	To whom payment is to be made
Cumulative Initial Franchise Fee	\$99,500 - \$344,500 (2 - 10 Territories)	Check or wire transfer	Upon signing the Franchise Agreement	Us
Initial Investment to Open Initial Business ¹	\$57,910 – \$142,510	See Preceding Chart for Single Territory Investment		

Type of expenditure	Amount	Method of payment	When due	To whom payment is to be made
Additional Call Center Fee ²	\$0 - \$9,900 (2 Territories) (10 Territories)	Check or wire transfer	Prior to opening	Us
Total	\$157,410 – \$496,910			

Neither we nor our affiliates will offer financing for any part of the initial investment.

Note

1. Please refer to the table for the Estimated Initial Investment for a Single Territory for expenses associated with opening the initial Best Choice Roofing business for one Territory under a Franchise Agreement. This amount does not include the Initial Franchise Fee for one Territory, which is included within the Cumulative Initial Franchise Fee amounts in the row above.

2. The low-end of this estimate is \$0 because the first three Territories are covered by the \$3,300 Call Center Fee under the Initial Investment to Open Initial Business. You will pay an additional \$3,300 Call Center Fee for 4-6 Territories. You will pay an additional \$6,600 Call Center Fee for 7-9 Territories. If you purchase ten Territories, you will pay an additional Call Center Fee of \$9,900, which, together with the Call Center Fee for 1-3 Territories, results in a total Call Center Fee of \$13,200.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Generally

We have the right to require you to purchase or lease all goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate, or comparable items related to establishing or operating your business either (1) from us, our designee or suppliers approved by us, or (2) according to our specifications.

Specific Obligations

The following are our current specific obligations for purchases and leases:

A. Insurance. You must obtain insurance as described in the Franchise Agreement and in our Manual, which includes (i) Commercial General Liability insurance, including products liability coverage, and broad form commercial liability coverage, written on an “occurrence” policy form in an amount of not less than \$1,000,000 single limit per occurrence and \$2,000,000 aggregate limit, (ii) Business Automobile Liability insurance including owned, leased, non-owned and hired automobiles coverage in an amount of not less than \$1,000,000, and (iii) Workers Compensation coverage as required by state law, but no less than \$1,000,000 per occurrence and

\$2,000,000 in the aggregate. Your insurance policies must add us and our affiliates as additional insured.

B. Other Purchases by Specification. You must initially purchase from our designated vendor, Dope Marketing, an initial marketing package consisting of certain marketing materials you will use in your Franchised Business. We and our affiliate, Best Choice Roofing & Home Improvement, Inc. are currently the only approved vendors for the initial equipment package. Our affiliate, Storm Leads, Inc., is currently the only approved call center vendor. We or our designated vendor(s) will make a wholesale profit consistent with industry standards. Our owner, Wayne Holloway, owns an interest in both Best Choice Roofing & Home Improvement, Inc. and Storm Leads, Inc. and will derive revenue from required franchisee purchases through his ownership in those affiliates of ours.

In addition to the Insurance requirements and the items described above, you must purchase and use the following supplies and services from our approved suppliers listed here, which we reserve the right to change from time to time:

- GAF: Roof Shingles
- Owens Corning: Roof Shingles
- Roofer Marketers: Online Marketing
- Dope Marketing: Brand Awareness Marketing
- Cruisin Sports: Branded Apparel

Alternative Suppliers

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. We will grant or revoke approvals of suppliers based on criteria appropriate to the situation, which may include evaluations of the supplier's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will strive to provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. If we do not approve of an alternative supplier within 30 days of receipt of your request, the requested alternative supplier is deemed not approved. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Revenue to Us and Our Affiliates

We and our affiliates will derive revenue from the required purchases and leases by franchisees. During the previous fiscal year ended December 31, 2023, our affiliate, Best Choice Roofing & Home Improvement, LLC, received approximately \$90,611 from required purchases of 101K TV fees, client contract fees, and retail agreement (Leads Program) fees made by franchisees. During the previous fiscal year ended December 31, 2023, our affiliate, Storm Leads, Inc., received approximately \$16,500 from required call center fees from our franchisees. Because of common industry practices, we expect to receive rebates, discounts and allowances from some vendors with whom you do business. We expect the amount and availability of discounts to vary from time to time based upon factors outside our control. Best Choice Roofing & Home Improvement, LLC will receive rebates from Owens Corning, our designated supplier for roofing material, as well as from ABC Supply, Beacon Supply, Superior Distribution, and Lomanco Products, based on required franchisee purchases. During the previous fiscal year ending December 31, 2023, our affiliate, Best Choice Roofing & Home Improvement, Inc., received \$176,870.04 in rebates from Owens Corning. This amount does not include a portion of the rebates from Owens Corning that is paid directly to our franchisees based on their purchases of roofing products from Owens Corning.

Proportion of Required Purchases and Leases

We estimate that the required purchases and leases to establish your business are 90% to 100% of your total purchases and leases to establish your business.

We estimate that the required purchases and leases to operate your business are 90% to 100% of your total purchases and leases to operate your business.

Payments by Designated Suppliers to Us

You must purchase all payroll services through our approved vendor, ADP. ADP pays us a 10% rebate during the first year of service with each franchisee. You must purchase ventilation products from our approved supplier, Lomanco Products. Lomanco Products pays us a rebate on all ridge vents purchased by our franchisees ranging from 2.5% to 5%. You will purchase the Initial Marketing Materials from our designated supplier, Dope Marketing. Dope Marketing pays us a rebate of 5% on all purchases we make on behalf of our franchisees, which covers our administrative cost related to the branding of certain merchandise and shipping it from the manufacturer to our franchisees. You will engage our designated supplier, Roofer Marketers, for strategy development, brand messaging, and search engine optimization campaigns among other marketing efforts. Roofer Marketers will pay us a rebate equal to 5% of the amount our franchisees spend on these services.

Other than as stated above, we do not currently receive payments from any designated suppliers based on purchases by you or other franchisees. However, the franchise agreement does not prohibit us from doing so.

Purchasing or Distribution Cooperatives

No purchasing or distribution cooperative currently exists.

Negotiated Arrangements

We have negotiated purchase arrangements with suppliers, including price terms, for the benefit of franchisees. Some of the benefits we have negotiated may include rebates, discounts, or other incentives.

Benefits Provided to You For Purchases

We, ourselves, do not provide any material benefit to you based on your purchase of particular goods or services, or your use of particular suppliers. However, as stated above, we have negotiated such benefits with certain suppliers.

However, we will either approve or deny your site within 10 business days following our receipt from you of a copy of the proposed lease or sub-lease and such other information about the proposed premises as we may require. If we have not notified you within 10 business days following receipt of the required information, approval of your site shall be deemed not approved. We consider the following factors in approving your site: demographics of the surrounding area; the type of nearby development; zoning; physical characteristics of the proposed site; the status of nearby competition; the economics of the proposed site; and access issues. We typically do not own premises that are leased to franchisees. If you do not submit a proposed site for our review within 45 days of signing the Franchise Agreement, we may terminate your Franchise Agreement. F. *Market Introduction Plan.* We will advise you regarding the planning and execution of your Market Introduction Plan. (Section 5.4).

Length of Time To Open

The typical length of time between signing the franchise agreement and the opening of your business is 90 to 120 days. Factors that may affect the time period include obtaining licenses, equipment availability, shipping delays, custom orders, your ability to obtain financing, obtain business permits and licenses, schedule initial training, take delivery of required equipment, and hire employees. You must open for business within six months from signing the Franchise Agreement.

Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

Advertising

(i) *Our obligation.* We will use the Brand Fund only for marketing and related purposes and costs. Media coverage is primarily local. The marketing is in-house and we use internal marketing employees and national outside vendors and consultants to produce advertising, and we may use Brand Fund funds for these purposes. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which will be paid for by the Brand Fund). We have no other obligation to conduct advertising.

(ii) *Your own advertising material.* You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

(iv) *Local or Regional Advertising Cooperatives.* We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. If our outlets have controlling voting power, there is no maximum on fees that could be imposed. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not

currently available for you to review. Cooperatives will prepare annual financial statements which will be available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

(v) *Brand Fund Contributions.* We reserve the right to require you and all other franchisees to contribute to our Brand Fund. We currently do not collect Brand Fund contributions, but we reserve the right to collect up to 3% of your gross sales on an ongoing basis at the same time that you pay the Royalty. All franchisees contribute the same percentage. Outlets that we own are not obligated to contribute to the Brand Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request. (Section 9.3).

In our fiscal year ending December 31, 2023, we did not expend any money from Brand Fund contributions. If not all funds are spent in the fiscal year in which they accrue, the money will remain in the Brand Fund to be spent in the next year. No money from the Brand Fund is spent principally to solicit new franchise sales.

(vi) *Market Introduction Plan.* You must develop a Market Introduction Plan and obtain our approval of the plan at least 30 days before the projected opening date of your business. (Section 9.5).

- Best Choice Roofing Job Nimbus CRM
- Natural Forms
- GroupMe
- Email services (provided by us)

The Best Choice Roofing Proprietary Software costs approximately \$151 per month and \$25 per additional user, and is separate from the cost of the actual device that the software is run on.

We will have direct access to your CRM and to QuickBooks for contract entry and financial inspections. You must provide Best Choice Roofing Job Nimbus CRM for all employees, and your sales representatives must have Best Choice Roofing Job Nimbus CRM access no later than ten days after their employment by you. We own your CRM and will set up your account and approve users. Your QuickBooks account will need to be hosted by our required vendor, Right Networks, at your cost. You will grant us full administrative access to QuickBooks.

We estimate that these systems will cost between \$250 and \$500 to purchase/subscribe. We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do not require you to enter into any such contract with a third party. However, we may do so in the future. You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation. We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be \$100 to \$300.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

Item 12

TERRITORY

Grant of Territory

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. The territory will include a defined area that will be approved by us and will be documented as a territory of consisting of approximately 100,000 single-family homes. As described in Item 5, you may purchase additional areas within your territory for \$0.60 per single-family homes, or you may purchase additional entire territories.

The number of single-family homes within your territory shall be determined by our mapping software, GbBis, which pulls population and other data from various sources, including the most current United States Census data.

Relocation; Establishment of Additional Outlets

You may relocate your business headquarters anywhere in your territory. You do not have the right to establish additional franchised outlets or expand into additional territories. If you desire to do so, you must (1) pay us additional franchise fees, (2) be in compliance with your Franchise Agreement at all times since opening your business, (3) have demonstrated your capability to operate a multi-territory franchise successfully, and (4) obtain our approval. You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Protected Territory

We grant you a protected territory. You do not receive an exclusive territory. In your territory, we will not establish a Best Choice Roofing outlet, nor license or franchise another party to establish a Best Choice Roofing outlet. Continuation of your territorial rights does not depend on any contingency. There are no circumstances that permit us to modify your territorial rights.

Restrictions on Us From Soliciting or Accepting Orders In Your Territory

Except as described in this paragraph, we will not serve customers in your territory, nor authorize another party to serve customers in your territory, under our Best Choice Roofing brand. However, we may serve (or authorize other franchisees to serve) customers in your territory if you are in default, or if you are incapable of meeting customer demand in your territory. We may also serve (or authorize another franchisee to serve) a particular customer in your territory if you fail to properly serve such customer, or if we reasonably believe that you will not properly serve such customer. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory (i) using our principal trademarks, but only for sales of products or services different from the ones you will offer, and (ii) using trademarks different from the ones you will use. In the circumstances where the franchise agreement does not prohibit us from soliciting or accepting orders from inside your territory, we do not pay any compensation to you.

Soliciting by You Outside Your Territory

You cannot solicit or market to potential customers outside of your territory without our prior written permission. You cannot provide services outside of your territory without our prior written permission. If 10% or more of your Gross Sales are derived from providing services outside of your territory, we may, in our sole discretion, require you to purchase one or more additional territories. We may withdraw permission at any time. You do not have any right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing to make sales outside of your territory. If you provide services at any location outside of your Territory without our prior written permission, we may impose a fee equal to the greater of (i) \$500 or (ii) 75% of the amount paid by such customer to you. This fee is a reasonable estimate of our internal cost of personnel time attributable to addressing your breach of the applicable section of the Franchise Agreement, and it is not a penalty or estimate of all damages arising from such breach. This fee is in addition to all of our other rights and remedies.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the Franchise Agreement does not prohibit us from doing so.

Item 13 TRADEMARKS

The following is the principal trademark that we license to you. This trademark is owned by our Affiliate, Best Choice Roofing & Home Improvement, Inc., which has licensed it to us pursuant to the terms below. The below trademark is registered on the Principal Register of the United States Patent and Trademark Office.

	July 17, 2012	Reg. No. 4175360

All affidavits required so far have been filed for the trademark and the registration has been renewed. We do not know of any prior rights or infringing uses that could materially affect our franchisees' use of the trademarks.

Our Affiliate has also filed a trademark application for the following mark on the Principal Register of the United States Patent and Trademark Office:

Trademark	Filing Date	Serial Number
BEST CHOICE ROOFING	May 2, 2023	Serial No. 97916923

Litigation

There are no presently active determinations of the Patent Office, the Trademark Administrator of any state or any court, any pending interference, opposition or cancellation proceeding or any pending material litigation involving the Marks that is relevant to Your ability to use the Marks in connection with the Franchised Business.

Agreements

There are no currently effective agreements that significantly limit our rights to use or license the use of trademark listed above in a manner material to the franchise.

Our affiliate, Best Choice Roofing & Home Improvement, Inc., owns the trademarks described in this Item. Under an Intercompany License Agreement between us and Best Choice Roofing & Home Improvement, Inc., we have been granted the exclusive right to sublicense the trademarks to franchisees throughout the United States. The agreement is of perpetual duration. It may be modified only by mutual consent of the parties. It may be canceled by our affiliate only if (1) we materially misuse the trademarks and fail to correct the misuse, or (2) we discontinue commercial use of the trademarks for a continuous period of more than one year. The Intercompany License Agreement specifies that if it is ever terminated, your franchise rights will remain unaffected.

Protection of Rights

We protect your right to use the principal trademarks listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the trademarks, to the extent described in this section.

The Franchise Agreement obligates you to notify us of the use of, or claims of rights to, a trademark identical to or confusingly similar to a trademark licensed to you. The Franchise Agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

If you use our trademark in accordance with the Franchise Agreement, then (i) we will defend you (at our expense) against any legal action by a third party alleging infringement by your use of the trademark, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the Franchise Agreement, we may require you to modify or discontinue using a trademark, at your expense.

Item 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

No patents are material to the franchise. We do not have any pending patent applications that are material to the franchise.

Copyrights

All of our original works of authorship fixed in a tangible medium of expression are automatically protected under the U.S. Copyright Act, whether or not we have obtained registrations. This includes our Manual as well as all other sales, training, management and other materials that we have created or will create. You may use these copyrighted materials during the term of the franchise, in a manner consistent with our ownership rights, solely for your franchised business.

We do not have any registered copyrights. There are no pending copyright applications for our copyrighted materials. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court regarding any copyright.

There are no agreements currently in effect that limit our right to use or license the use of our copyrighted materials.

We have no obligation to protect any of our copyrights or to defend you against claims arising from your use of copyrighted items. The franchise agreement does not require us to take affirmative action when notified of copyright infringement. We control any copyright litigation. We may require you to modify or discontinue using the subject matter covered by any of our copyrights.

We do not know of any copyright infringement that could materially affect you.

Proprietary Information

We have a proprietary, confidential Manual and related materials that include guidelines, standards and policies for the development and operation of your business. We also claim proprietary rights in other confidential information or trade secrets that include all methods for developing and operating the business, and all non-public plans, data, financial information, processes, vendor pricing, supply systems, marketing systems, formulas, techniques, technical designs, equipment designs, layouts, operating procedures, proprietary techniques for sales and recruiting, customer data, information and know-how.

You (and your owners, if the franchise is owned by an entity) must protect the confidentiality of our Manual and other proprietary information, and you must use our confidential information only for your franchised business. We may require your managers and key employees to sign confidentiality agreements and non-compete agreements, pursuant to local law.

Protection of Rights

We protect your right to use any patents listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the patents or copyrights, to the extent described in this section.

The Franchise Agreement obligates you to notify us of the use of, or claims of rights to, a patent or copyright identical to or confusingly similar to a patent or copyright licensed to you. The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a patent or copyright licensed by us to you.

If you use our patents or copyrights in accordance with the franchise agreement, then (i) we will defend you (at our expense) against any legal action by a third party alleging infringement by your use of the patent, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the Franchise Agreement, we may require you to modify or discontinue using a patent or copyright, at your expense.

Item 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your Participation

You are required to participate personally in the supervision of your business.

If you are the sole owner of the business, then you are deemed the “Principal Executive”. If the business is owned through a corporation or limited liability company, you must designate one person as your “Principal Executive.” The Principal Executive is the executive primarily responsible for your business and has decision-making authority on behalf of the business. The Principal Executive must own at least 10% of the business. The Principal Executive must complete our initial training program. The Principal Executive must complete any post-opening training programs that we develop in the future. The Principal Executive must attend all in-person meetings and remote meetings (such as telephone conference calls), including regional or national brand conferences, that we require. The Principal Executive must attend all required meetings, including the Bootcamp Sales meetings and National Annual Meeting.

If your business is owned by an entity, all owners of the business must sign our Guaranty and Non-Compete Agreement (see Attachment 2 to Exhibit B). Spouses of each owner that do not have any ownership interest in your entity will not be required to sign the Guaranty and Non-Compete Agreement.

“On-Premises” Supervision

When your business performs services for a customer, you are not required to personally conduct “on-premises” supervision of your business. You may hire a Production Manager who will oversee your roofing installation subcontractors and be responsible for customer service. However, we recommend on-premises supervision by you.

There is no limit on who you can hire as an on-premises supervisor. The general manager of your business (whether that is you or a hired person) must successfully complete our training program.

If the franchise business is owned by an entity, we do not require that the general manager own any equity in the entity.

Restrictions on Your Manager

If we request, you must have your general manager sign a confidentiality and non-compete agreement. We do not require you to place any other restrictions on your manager.

Restrictions on Disposition of Franchise Equipment

Franchisees may not sell, sublease, scrap, donate, barter, or otherwise dispose of any franchise equipment without express consent from us. We require first rights to repossess any equipment used in the operation of a franchise, including but not limited to vehicles, parts, inventory, tools, and communications devices.

We will compensate the franchisee and/or any lien holders for the repossession of franchise equipment. Compensation may be reduced by outstanding amounts you owe us.

We have full discretion and rights as it applies to repossessing any of your equipment. Our rights do not release you from any liens, leases, or financing agreements. We do not co-sign for any of your equipment, and will not assume liabilities in the event of failure to make payment.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer for sale only goods and services that we have approved. You must offer for sale all goods and services that we require. We have the right to change the types of authorized goods or services, and there are no limits on our right to make changes. We do not restrict your access to customers, except that all sales must be made to customers in your territory. All sales must be made through our CRM, including issuing invoices and receipts. You may not collect cash from or otherwise charge customers outside of our CRM.

You will be required to perform all Warranty Work for products installed during the term of the Franchise Agreement by Franchisee during and after the term of the Franchise Agreement. The Franchise Agreement defines “Warranty Work” all labor relating to repairing or replacing a

product installed by you pursuant to such product's warranty issued by you or the required vendor of such product.

Item 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

Item 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Each of our corporate-owned locations is wholly owned and operated by our affiliate, Best Choice Roofing & Home Improvement, Inc. Our corporate-owned locations do not operate within any territorial boundaries and share services among each other. Due to these material differences between the operation of our corporate-owned locations and the franchise offered under this Disclosure Document, we have not included any location-specific financial performance representations from our corporate-owned locations within this Item 19. We have included a general, system-wide revenue representation in Chart 7, which includes the total Gross Revenue from all of our corporate-owned locations.

We have included historical financial performance representations from certain affiliate-owned businesses (“Affiliate Outlets”) that operate Best Choice Roofing businesses similar to the franchise offered under this Disclosure Document. Each of our Affiliate Outlets is owned by Wayne Holloway and one or more partners through the affiliate entities listed in Item 1 of this Disclosure Document. Our Affiliate Outlets operate within territories of different sizes. Our Affiliate Outlets operate one or more locations (each an “Affiliate Location”) as separate businesses, which are also operated within territories of different sizes. Each Affiliate Location is granted the right to operate a Best Choice Roofing business within a fifty-mile radius from a specific location (its “Base Location”). However, each Affiliate Location derives revenue from providing services within a smaller geographic area that is similar to the territories offered to Best Choice Roofing franchisees under this Disclosure Document. In Chart 1, the approximate number of single-family homes within each Affiliate Location’s territory represents the approximate number of single-family homes in the geographic area in which each Affiliate Location derives revenue from providing services. The Affiliate Locations derive revenue from areas similar in size to the different numbers of Territories described in Item 5 and Item 12 of this Disclosure Document.

Due to differences across the country in the number of single-family households within any given area, we anticipate that our franchisees will operate in Territories that are both larger and smaller than our Affiliate Location’s territories depending on the number of Territories our franchisees purchase and the number of single-family homes within the territories they purchase. The Affiliate Locations have all been open and operating for certain periods of time, and the years in which they began operation are disclosed in the table below. Otherwise, there are no material differences between their operation and the franchise offered under this Disclosure Document. The Affiliate Locations do not pay Royalty Fees or Brand Fund Contributions to us and do not incur certain fees associated with operating a Best Choice Roofing franchise as disclosed in Item 6 of this Disclosure Document. The fees that our Affiliate Locations do not incur that our franchisees will incur are described in the notes below Chart 3. Other than these fees that our Affiliate Locations do not incur, there are no material financial differences between our Affiliate Locations as the franchise offered under this Disclosure Document.

We had twenty-six (26) Affiliate Outlets open as of December 31, 2023. There were nine (9) Affiliate Outlets operating across twenty (20) Affiliate Locations as of December 31, 2023. Seven (7) additional Affiliate Locations opened during the 2023 Calendar Year, but we have excluded these Affiliate Locations in Charts 1, 2, 3, 4, and 5 because they were not operated for an entire year as of December 31, 2023. There were twenty (20) Best Choice Roofing franchises open as of December 31, 2023. There were four (4) Best Choice Roofing franchisees open as of December 31, 2022 that operated for the entire 2023 Calendar Year (January 1, 2023 to December 31, 2023) (the “Franchised Locations”). We have excluded the remaining sixteen (16) Best Choice Roofing franchises from this Item 19 because they were not operated for an entire year as of December 31, 2023.

Chart 1 – Overview of Franchise Locations and Affiliate Locations Open and Operated for an Entire Year as of December 31, 2023

Franchise/Affiliate Location	Year Opened	Description and Territory Size
Affiliate Location 1	2016	This Location is granted a fifty-mile radius from its Base Location, but derives revenue from providing services within a territory consisting of approximately 462,919 single-family homes.
Affiliate Location 2	2016	This Location is granted a fifty-mile radius from its Base Location, but derives revenue from providing services within a territory consisting of approximately 101,383 single-family homes.

Chart 3 – 2023 Average Profit & Loss Statement from Affiliate Locations

Each of our Affiliate Locations is operated as an executive business model in that the owner (the partner(s) with Wayne Holloway in each Affiliate Outlet) do not take part in the day-to-day management of the business. This is contrary to an owner-operator business model in which the owner of the business participates heavily in the daily operations, management, or marketing of the business. Each of our Affiliate Locations employs managers and sales representatives. However, our franchisees may operate their Best Choice Roofing franchise under either of these models. Our franchisees may have a semi-absentee role with their franchise, employing key individuals to manage the sales and operation aspects of the business. On the other hand, our

franchisees may run their business as an owner-operator, taking a full-time role within the business themselves.

If any of our franchisees operate their business as an owner-operator, we anticipate that (i) their payroll expenses and net profit would be significantly lower than the amounts disclosed below. While they may save on payroll expenses, an owner-operator franchisee will likely not scale their business as quickly due to their own personal capacity.

The chart below includes the average Gross Revenue, Costs of Construction and certain Disclosed Expenses experienced by our twenty (20) Affiliate Locations that operated for the entire 2023 Calendar Year (January 1, 2023 to December 31, 2023). To be included in this chart, each Affiliate Location had to have been open and operating as of December 31, 2022. We did not include the four (4) Franchised Locations that were open for the entire 2023 Calendar Year because they did not report sufficient data to us to present a profit and loss statement for their franchises.

Notes to Chart 3:

1. **Averages:** This chart contains the average Gross Revenue and Disclosed Expenses from the eighteen (20) Affiliate Locations that were open and operating for the entire 2023 Calendar Year along with certain estimated expenses described below. The amounts across all eighteen (20) Affiliate Locations were totaled and divided by eighteen (20) to reflect the average.
2. **Gross Revenue:** As used in Chart 3, “Gross Revenue” means the average of all revenues generated by the Affiliate Locations between January 1, 2023 and December 31, 2023 with no deductions.
3. **% of Gross Revenue:** This column reflects the percentage of average Gross Revenue for each row. For example, the average Total Disclosed Expenses (\$1,081,655) is 13.0% of the average Gross Revenue, and the Estimated Contract Entry expense (\$41,492) is 0.5% of the average Gross Revenue.
4. **Materials:** Our Affiliate Locations receive rebates from Owens Corning and distributors based on their purchases of roofing material. Our franchisees will receive some of these rebates as well, but not all of them. The amount shown for “Materials” in Chart 3 is after the applicable rebates that our franchisees may be eligible for have been subtracted. We have not subtracted amounts from rebates that our franchisees will not be eligible for.
5. **Sub-Contractor Labor:** This represents the average amounts paid to contractors who perform the labor associated with roof installation.
6. **Commissions:** This represents the average sales commissions paid to sales staff based on certain objectives. This represents a base commission that we propose for your sales staff.
7. **Customer Call Center:** This figure represents the actual historical Customer Call Center expenses each of the Affiliate Locations incurred during the 2023 Calendar Year. However, under this Disclosure Document, our franchisees will pay an annual fixed expense for the Customer Call Center based on the number of Designated Territories they purchase (see Item 6).
8. **Administrative Payroll:** This represents (i) the base salary, bonus, and commission for one (1) Sales Manager; (ii) the base salary, bonus, and commission for one (1) General Manager; and (iii) the base salary for one (1) Office Administrator. We anticipate that many of our franchisees will personally oversee the day-to-day operation of their businesses and will not pay certain payroll expenses as they will assume one or more of these roles.
9. **Bonus:** This represents the average bonuses paid to the Managers of an Affiliate Location with the average Gross Revenue above. We expect that franchisees with higher or lower Gross Revenue will have higher or lower bonus expenses, respectively. As described above, we anticipate that our owner-operator franchisees may not incur this expense as they will be running their franchises themselves.

10. Total Disclosed Expenses: The “Disclosed Expenses” in Chart 3 include some, but not all, of the historical expenses incurred by our Affiliate Locations during the 2023 Calendar Year. Our franchisees may incur additional expenses depending on how they operate their franchise from a staffing perspective (see Estimated Expenses below).

11. Average Gross Profit Less Disclosed Expenses: This represents the actual, historical average Gross Profit less the actual, historical average Disclosed Expenses that our Affiliate Locations experienced during the 2023 Calendar Year.

12. Estimated Expenses: These Estimated Expenses represent material financial differences between our Affiliate Locations and the franchise offered under this Disclosure Document. Each of the Estimated Expenses has been based on either (i) historical financial performance data or (ii) certain fees that franchisees of ours will pay us that our Affiliate Locations did not pay us during the 2022 Calendar Year.

13. Estimated Contract Entry Fees: Our franchisees must pay us \$15 per contract entry (see Item 6). We estimated that the average Gross Revenue in Chart 3 would have resulted from approximately 530 contracts entered during the 2023 Calendar Year. Therefore, we multiplied 530 contracts by the \$15 Contract Entry Fee to come up with a total Estimated Contract Entry Fee of \$7,950 (0.5% of average Gross Revenue).

14. Estimated QuickBooks & Right Networks Hosting Fees: Our franchisees must pay our designated supplier, Right Networks, \$400 per month for QuickBooks and accounting fees. Our Affiliate Locations did not incur this same expense during the 2023 Calendar Year. This figure represents twelve (12) months multiplied by the fee of \$400 per month for a total Estimated QuickBooks & Right Networks Hosting Fee of \$4,800 (0.1% of average Gross Revenue).

15. Estimated Royalty Fees: Our Affiliate Locations do not pay Royalty Fees, so this amount is an estimate and not a historical figure. The average Royalty Fees across all Affiliate Locations during the 2023 Calendar Year would have been \$497,906 (equal to 6% of the average Gross Revenue of \$8,298,429).

16. Estimated Brand Fund Contributions: Our Affiliate Locations do not pay Brand Fund Contributions, so this amount is an estimate and not a historical figure. The average Brand Fund Contributions across all Affiliate Locations during the 2023 Calendar Year would have been \$82,984 if they were required to pay 1% of the average Gross Revenue of \$8,298,429. As of the Issuance Date of this Disclosure Document, we do not collect Brand Fund contributions, but we reserve the right to collect up to 3% of Gross Sales, and we intend to begin collecting 1% of Gross Sales from our franchisees in the next year.

17. Estimated Owens Corning Annual Membership Fee: Our Affiliate Locations share one Owens Corning Platinum Preferred Membership and do not each incur the applicable \$2,500 annual membership fee. Each of our franchisees will have to obtain their own Platinum Preferred Membership, incurring the \$2,500 annual membership fee (see Item 6).

18. Average Gross Profit Less Disclosed Expenses & Estimated Expenses: If our Affiliate Locations had incurred the Estimated Expenses (Estimated Contract Entry Fees, Estimated QuickBooks & Right Networks Hosting Fees, Estimated Royalty Fees, Estimated Brand Fund

Contributions, and Estimated Owens Corning Annual Membership Fee), then the average Gross Profit less the average Disclosed Expenses and the Estimated Expenses would have been \$1,966,408 (23.7% of average Gross Revenue).

19. **Estimated Sales Manager Base Salary & Bonuses:** We estimate that our franchisees will pay themselves an annual base salary of approximately \$10,400 if they operate their franchise as an “owner-operator,” assuming the role of the Sales Manager, and we anticipate many of our franchisees to operate their franchises as owner-operators. We have added that amount to the average Bonus of \$73,499 for a total Estimated Manager Salary & Bonus of \$83,899. This is the amount that we anticipate a franchisee would pay themselves between base salary and bonus during a calendar year if the franchisee assumed the role of the Sales Manager. This particular figure is an estimate, as described above, and not a historical financial performance representation.

20. **Estimated Average Gross Profit Less Disclosed Expenses & Estimated Expenses – Owner-Operator:** This particular figure is an estimate, and not a historical financial performance representation, of the average Gross Revenue less the average Disclosed Expenses and the Estimated Expenses that an owner-operator franchisee may experience if they assume the day-to-day Sales Manager role of their franchise, adding the Estimated Sales Manager Base Salary & Bonus of \$83,899 (see Note 19 above) to the average Gross Revenue less the average Disclosed Expenses and the Estimated Expenses.

ARTICLE 2. GRANT OF LICENSE

2.1 Grant. Franchisor grants to Franchisee the right to operate a Best Choice Roofing business solely in the Territory. Franchisee shall develop, open and operate a Best Choice Roofing business in the Territory for the entire term of this Agreement.

2.2 Protected Territory.

(a) Limitation. Franchisee shall not solicit or market to potential customers outside of the Territory without Franchisor’s prior written permission, which permission Franchisor may withdraw at any time.

(b) Service. Franchisee shall not provide services at any location outside of the Territory without Franchisor’s prior written permission. Franchisor may withdraw permission at any time. Franchisee shall not market or otherwise solicit business outside of the Territory without Franchisor’s prior written permission, which permission Franchisor may withdraw at any time. If ten percent (10%) or more of Franchisee’s Gross Sales are derived from providing services outside of Franchisee’s Territory, Franchisor may, in its sole discretion, require Franchisee to purchase one or more additional Territories that comprise the area where Franchisee is deriving such revenue. If Franchisee provides services at any location outside of the Territory without Franchisor’s prior written permission, Franchisor may impose a fee equal to the greater of (i) \$500 or (ii) 75% of the amount paid by such customer to Franchisee. This fee is a reasonable estimate of Franchisor’s internal cost of personnel time attributable to addressing Franchisee’s breach of this Section, and it is not a penalty or estimate of all damages arising from Franchisee’s breach. This fee is in addition to all of Franchisor’s other rights and remedies.

(c) Exclusivity. Franchisor shall not establish, nor license the establishment of, another Best Choice Roofing business within the Territory or which serves customers located in the Territory. However, Franchisor retains the right to:

- (i) serve (or authorize other franchisees to serve) customers in the Territory if Franchisee is in default, or if Franchisee is incapable of meeting customer demand in the Territory (in Franchisor’s reasonable opinion), after notice of the same has been delivered to Franchisee in writing and Franchisee has been given a reasonable opportunity to correct defaults and to serve such customers;
- (ii) serve (or authorize other franchisees to serve) a particular customer in the Territory if Franchisee fails to properly serve such customer, or if Franchisor reasonably

believes that Franchisee will not properly serve such customer after notice of the same has been delivered to Franchisee in writing and Franchisee has been given a reasonable opportunity to serve such customers;

- (iii) establish and license others to establish and operate Best Choice Roofing businesses outside the Territory;
- (iv) operate and license others to operate businesses anywhere that do not operate under the Best Choice Roofing brand name; and
- (v) sell and license others to sell Best Choice Roofing products and services to customers in the Territory through channels of distribution (including the internet) so long as such products and services are not provided through a Best Choice Roofing outlet in the Territory, and are different from the products and services provided by Franchisee, and in utilizing alternative channels of distribution as described herein, Franchisor would pay no compensation to Franchisee.

(d) **Policies.** Franchisor may set policies binding on all franchisees regarding soliciting, marketing, and serving customers in another franchisee's territory, and Franchisor may waive or modify such policies in any circumstance as Franchisor determines. If Franchisee obtains a client in the protected territory of another franchisee, then, in addition to all other rights and remedies Franchisor may have, Franchisor may in its discretion (i) require Franchisee to transfer the client to such other franchisee, (ii) require Franchisee to pay such other franchisee 75% of the Gross Sales received from such client, or (iii) fashion such other remedy as Franchisor deems appropriate.

(e) **Referrals.** Franchisor may set policies binding on all franchisees regarding referral fees (and other terms and conditions) when a customer is referred from one Best Choice Roofing business to another. Franchisor also retains full discretion in determining how national accounts may be handled between, by, and among franchisees, including Franchisee. Franchisor may waive or modify such policies in any circumstance as Franchisor determines.

2.3 Franchisee Control. Franchisee represents that Attachment 1 (i) identifies each owner, officer and director of Franchisee, and (ii) describes the nature and extent of each owner's interest in Franchisee. If any information on Attachment 1 changes (which is not a Transfer), Franchisee shall notify Franchisor within 10 days.

2.4 Principal Executive. Franchisee agrees that the person designated as the "Principal Executive" on the Summary Page is the executive primarily responsible for the Business and has decision-making authority on behalf of Franchisee. The Principal Executive must have at least 10% ownership interest in Franchisee. The Principal Executive must participate in the direct operation of the Business and must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to Franchisor's reasonable approval.

2.5 Guaranty. If Franchisee is an entity, then Franchisee shall have each Owner sign a personal guaranty of Franchisee's obligations to Franchisor, in the form of Attachment 2.

2.6 No Conflict. Franchisee represents to Franchisor that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or “blocked” in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

2.7 Name of Franchised Business. Franchisee shall not use the words “Best Choice Roofing” or “BCR” or related names, acronyms, or conflicting words in Franchisee’s entity name. Franchisor shall, in its sole discretion, have the right to approve or disapprove of Franchisee’s entity name, and Franchisee shall take all steps necessary to change its entity name upon written request by Franchisor.

2.8 DBA Requirement. Franchisee must register a “Doing Business As” or similar type of fictitious business name with Franchisee’s local municipality, but not at the state level unless Franchisee has purchased all of the Best Choice Roofing Territories available within the applicable state. Franchisee’s fictitious business name shall be “Best Choice Roofing”, or as otherwise designated by Franchisor, and Franchisee shall not use any other fictitious business name for the Franchised Business. Franchisee shall provide Franchisor with proof of its fictitious name filing upon Franchisor’s request.

ARTICLE 3. TERM

3.1 Term. This Agreement commences on the date Franchisee opens for business and continues for ten (10) years thereafter.

3.2 Successor Agreement. When the term of this Agreement expires, Franchisee may enter into a successor agreement for up to two (2) additional periods of five (5) years each, subject to the following conditions prior to each expiration:

- (i) Franchisee notifies Franchisor of the election to renew between 90 and 180 days prior to the end of the term;
- (ii) Franchisee (and its affiliates) are in compliance with this Agreement and all other agreements with Franchisor (or any of its affiliates) at the time of election and at the time of renewal;
- (iii) Franchisee has made or agrees to make (within a period of time acceptable to Franchisor) changes to the Business as Franchisor requires to conform to the then-current System Standards;
- (iv) Franchisee executes Franchisor’s then-current standard form of franchise agreement, which may be materially different than this form (including, without limitation, higher and/or different fees), except that Franchisee will not pay another initial franchise fee and will not receive more renewal or successor terms than described in this Section;
- (v) Franchisee shall pay Franchisor a renewal fee equal to ten thousand dollars (\$10,000); and

- (v) Franchisee and each Owner executes a general release (on Franchisor's then-standard form) of any and all claims against Franchisor, its affiliates, and their respective owners, officers, directors, agents and employees (subject to applicable state law).

ARTICLE 4. FEES

4.1 Initial Franchise Fee. Upon signing this Agreement, Franchisee shall pay an initial franchise fee in the amount stated on the Summary Page. This initial franchise fee is not refundable, except as provided in Section 6.4. The cumulative initial franchise fee is calculated by the number of Territories Franchisee purchases according to the table below, which include the corresponding approximate number of single-family homes:

Number of Territories	Approximate Single-Family Homes in Territory	Initial Franchise Fee	Cumulative Initial Franchise Fee
1	100,000	\$59,500	\$59,500
2	200,000	\$40,000	\$99,500
3	300,000	\$35,000	\$134,500
4	400,000	\$30,000	\$164,500
5	500,000	\$30,000	\$194,500
6	600,000	\$30,000	\$224,500
7	700,000	\$30,000	\$254,500
8	800,000	\$30,000	\$284,500
9	900,000	\$30,000	\$314,500
10	1,000,000	\$30,000	\$344,500

If Franchisee's Territory territories with approximate numbers of single-family homes between two levels in the above chart, Franchisee shall pay Franchisor \$0.60 per single-family home.

4.2 Royalty Fee. Throughout the term of this Franchise Agreement, Franchisee shall pay Franchisor a royalty fee (the "Royalty Fee") equal to six percent (6%) of Franchisee's Gross Sales from each job that Franchisee performs. Franchisee shall pay Franchisor the Royalty Fee within thirty (30) days after each contract is written by (entered into) Franchisor's Customer Relationship Management platform, and Franchisor may collect the Royalty Fee on a weekly basis. Beginning in the sixth (6th) month after Franchisee opens for business, the Royalty Fee shall be subject to a minimum weekly amount based on the approximate number of single-family homes within the Territory(ies) Franchisee has purchased, which number is stated on the Summary Page of this Franchise Agreement. The Royalty Fee for any given week is due on the Monday of the following week. The minimum weekly Royalty Fee is equal to three hundred dollars (\$300.00) multiplied by the number of single-family homes within Franchisee's Territory or Territories divided by one hundred thousand (100,000). For avoidance of confusion, the formula for calculating Franchisee's minimum weekly Royalty Fee is below:

$$\text{Minimum weekly Royalty Fee} = \$300 \times \frac{\text{\# of Single - Family Homes within Territory(ies)}}{100,000}$$

4.3 Brand Fund Contribution.

(a) Brand Fund Contribution. Franchisor reserves the right to require Franchisee to pay Franchisor an ongoing contribution to the Brand Fund (the “Brand Fund Contribution”) equal to up to three percent (3%) of Franchisee’s Gross Sales (or such lesser amount as Franchisor determines), at the same time as the Royalty Fee. Franchisor shall provide Franchisee with thirty (30) days’ notice prior to requiring and collecting Brand Fund Contributions from Franchisee.

(b) Market Cooperative Contribution. If the Business participates in a Market Cooperative, then Franchisee shall contribute to the Market Cooperative a percentage of Gross Sales (or other amount) determined by the Market Cooperative.

purchases, while Interim Manager manages it. Nothing contained herein shall prevent Franchisor from exercising any other right which it may have under this Agreement, including, without limitation, termination.

Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Franchisor entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Franchisor at least 60 days prior notice of the proposed Transfer, and without obtaining Franchisor's consent. - (x) the Business fully complies with all of Franchisor's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Franchisor, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Franchisor, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5. Franchisor may require Franchisee to pay its reasonable costs associated with completing a transfer for convenience of ownership, but Franchisee shall not be required to pay Franchisor the \$10,000 transfer fee found in Section 15.2.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the person with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Franchisor within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Franchisor's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3), Franchisor will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Franchisor a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Franchisor's receipt of such copy, Franchisor will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Franchisor may substitute cash for any other form of payment). If Franchisor does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Franchisor) Franchisor, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against Franchisor and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee's misconduct or negligence. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption by Franchisor. Franchisor may elect to assume the defense and/or settlement of any Action subject to indemnification under Section 16.1, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c), any controversy or claim arising out of or relating to this Agreement (including its formation) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction. All individual owners of Franchisee shall be subject to arbitration as described herein. Franchisee expressly agrees that any claims Franchisee brings against Franchisor, its members, directors, officers, employees, agents, or representatives shall be exclusively resolved by arbitration as described in this paragraph. If Franchisor prevails on a motion to compel Franchisee's claims to arbitration, Franchisee shall pay Franchisor's attorneys fees, costs, and expenses related to such action. In any arbitration, the arbitrator must have no less than ten (10) years of experience practicing franchise law.

(b) Location. The place of arbitration shall be the city and state where Franchisor's headquarters are located, which is currently Hendersonville, Tennessee.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief. Specifically, notwithstanding the foregoing, Franchisor may seek injunctive relief for Franchisee's (and Franchisee's owners) alleged violation of the Covenants in Section 13 of this Agreement (and the Personal Guaranty as applicable to Franchisee's owners) in any court of competent jurisdiction, and Franchisee waives any bond requirement related to such injunctive relief.

(d) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Franchisor to comply with laws and regulations applicable to the sale of franchises.

(e) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Franchisor and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages authorized by federal statute. In the event of termination of this Agreement prior to the expiration of the term due to Franchisee's default, Franchisor's actual damages will include its lost future income from Royalty Fees and other amounts that Franchisee would have owed to Franchisor but for the termination.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within one year from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Franchisor's headquarters is then located, which is currently Hendersonville, Tennessee. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and city/county where Franchisor's headquarters is then located, which is currently Hendersonville, Tennessee. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, Franchisee shall pay Franchisor's attorney fees, costs and other expenses of the legal proceeding if Franchisor prevails upon the central litigated issues and obtains substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Franchisor is not a fiduciary of Franchisee. Franchisor does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Franchisor's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Franchisor has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Franchisor, and Franchisor's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Franchisor in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Franchisor's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any

right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the State of Tennessee (without giving effect to its principles of conflicts of law) govern this Agreement, any Addenda, and all adversarial proceedings between the parties. The parties agree that any Tennessee law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Franchisor, addressed to 105 Hazel Path Hendersonville, Tennessee 37075. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Franchisor may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Joint and Several Liability. If two or more people sign this Agreement as "Franchisee", each will have joint and several liability.

18.11 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Franchisor does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Franchisor.

GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of Best Choice Roofing Franchising, LLC, a Tennessee limited liability company (“Franchisor”).

Background Statement: _____ (“Franchisee”) desires to enter into a Franchise Agreement with Franchisor for the franchise of a Best Choice Roofing business (the “Franchise Agreement”; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Franchisor to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Franchisor and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Franchisor, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Franchisor upon demand from Franchisor. Guarantor waives (a) acceptance and notice of acceptance by Franchisor of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Franchisor make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Franchisor for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Franchisor, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by Franchisor or its affiliates (except for

Confidential Information which Franchisor licenses from another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Franchisor. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, or be engaged or employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, or be engaged or employed by, any Competitor operating in any of Franchisee’s Territory or the territory of any other Best Choice Roofing business operating on the date of termination or transfer, as applicable

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court, then the parties intend that the court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Franchisor. Guarantor agrees that the existence of any claim it or Franchisee may have against Franchisor shall not constitute a defense to the enforcement by Franchisor of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor’s liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of Tennessee (without giving effect to its principles of conflicts of law). The parties agree that any Tennessee law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 5. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

INDEPENDENT AUDITOR'S REPORT

To the Member
Best Choice Roofing Franchising, LLC

Opinion

We have audited the accompanying financial statements of Best Choice Roofing Franchising, LLC (a limited liability company) which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of operations, changes in member's equity (deficit) and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Best Choice Roofing Franchising, LLC as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Best Choice Roofing Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audits evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Choice Roofing Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNI). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

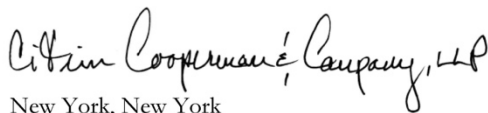

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Best Choice Roofing Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Choice Roofing Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

BEST CHOICE ROOFING FRANCHISING, LLC
(A Limited Liability Company)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1. ORGANIZATION AND NATURE OF OPERATIONS

Best Choice Roofing Franchising, LLC (the "Company") was formed on February 4, 2020, as a Tennessee-based limited liability company to sell franchises under the "Best Choice Roofing Franchising" name and system pursuant to a license arrangement with an entity affiliated through common ownership and control, Best Choice Roofing & Home Improvement, Inc. (the "Licensor"). Pursuant to the Company's standard franchise agreement, franchisees will operate a business under the name "Best Choice Roofing," selling residential and commercial roofing and other property management related services to both residential and commercial customers.

The Company is a limited liability company and, therefore, the member is not liable for the debts, obligations or other liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of the Company's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the Company's financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Accounts and franchise fee receivables

Accounts and franchise fee receivables are stated at the amount the Company expects to collect. The Company maintains allowances for doubtful accounts and changes in the allowance are included in selling, general and administrative expenses on the statements of operations. The Company assesses collectibility by reviewing accounts and franchise fee receivables on a collective basis where similar risk characteristics exist. In determining the amount of the allowance for doubtful accounts, management considers historical collectibility and makes judgments about the creditworthiness of the pool of customers based on credit evaluations. Current market conditions and reasonable and supportable forecasts of future economic conditions adjust the historical losses to determine the appropriate allowance for doubtful accounts. Uncollectible accounts are written off when all collection efforts have been exhausted.

Under the prior accounting rules, management considered the following factors when determining the collectibility of specific franchisee accounts: franchisee creditworthiness, past transaction history with the franchisee, and current economic industry trends.

There was no allowance for doubtful accounts at December 31, 2023. The Company had \$2,405 of allowance for doubtful accounts at December 31, 2022.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income taxes

The Company is treated as a partnership for tax purposes and, as such, is not liable for federal or state income taxes. As a single-member limited liability company and, therefore, a disregarded entity for income tax purposes, the Company's assets and liabilities are combined with and included in the income tax return of the member. Accordingly, the accompanying financial statements do not include a provision or liability for federal or state income taxes.

Uncertain tax positions

The Company recognizes and measures its unrecognized tax benefits in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 740, *Income Taxes*. Under that guidance, management assesses the likelihood that tax positions will be sustained upon examination based on the facts, circumstances and information, including the technical merits of those positions, available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available or when an event occurs that requires a change. There were no uncertain tax positions at December 31, 2023 and 2022.

Revenue and cost recognition

The Company recognizes revenue under ASC Topic 606, *Revenue from Contracts with Customers* ("Topic 606"). The Company derives substantially all its revenues from franchise fee revenue, royalty revenue, renewal fees, transfer fees, service fees and other revenue.

Franchise fees and royalties

Contract consideration from franchisees consists primarily of initial or renewal franchise fees, sales-based royalties, service fees, other revenue and transfer fees payable by a franchisee for the transfer of their franchise unit to another franchisee. Sales-based royalties and service fees are payable on a weekly basis. Renewal and transfer fees are due from franchisees when an existing franchisee renews the franchise agreement for an additional term or when a transfer to a third party occurs, respectively.

The Company's primary performance obligations under the franchise agreement include the granting of certain rights to access the Company's intellectual property in addition to a variety of activities relating to the opening of a franchise unit. Those costs would include site selection, training and other such activities commonly referred to collectively as "pre-opening activities." Pre-opening activities consistent with those under FASB Accounting Standards Update ("ASU") No. 2021-02, *Franchisors - Revenue from Contracts with Customers* (Subtopic 952-606) ("ASU 2021-02"), are recognized as a single performance obligation. For all other pre-opening activities, if any, the Company determines if a certain portion of those pre-opening activities provided is not brand specific and provides the franchisee with relevant general business information that is separate from the operation of a Company-branded franchise unit. The portion of pre-opening activities, if any, that is not brand specific is deemed to be distinct as it provides a benefit to the franchisee and is not highly interrelated to the use of the Company's intellectual property and therefore accounted for as a separate performance obligation.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue and cost recognition (continued)

Franchise fees and royalties (continued)

All other pre-opening activities are determined to be highly interrelated to the use of the Company's intellectual property and therefore accounted for as a component of a single performance obligation which is satisfied along with the granting of certain rights to use the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company first allocates the initial franchise fees and the fixed consideration under the franchise agreement to the stand-alone selling price of the pre-opening activities and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, other than those included under ASU 2021-02, which are not brand specific are recognized when those performance obligations are satisfied. Consideration allocated to pre-opening activities included under ASU 2021-02 is recognized when those performance obligations are satisfied.

Initial and renewal franchise fees allocated to the right to access the Company's intellectual property are recognized as revenue on a straight-line basis over the term of the respective franchise agreement.

Royalties are earned as a percentage of franchisee gross sales ("sales-based royalties") over the term of the franchise agreement, as defined in each respective franchise agreement. Franchise royalties which represent sales-based royalties that are related entirely to the use of the Company's intellectual property are recognized as franchisee sales occur and the royalty is deemed collectible.

Brand fund

The Company maintains a brand fund which is established to collect and administer funds contributed for use in advertising and promotional programs for franchise units. Brand fund fees are collected from franchisees based on a percentage of franchisee gross sales. The Company has determined that it acts as a principal in the collection and administration of the brand fund and therefore will recognize the revenues and expenses related to the brand fund on a gross basis. The Company has determined that the right to access its intellectual property and administration of the brand fund are highly interrelated and therefore will be accounted for as a single performance obligation. As a result, revenues from the brand fund represent sales-based royalties related to the right to access the Company's intellectual property, which will be recognized as franchisee sales occur.

When brand fund fees exceed the related brand fund expenses in a reporting period, advertising costs will be accrued up to the amount of advertising fund revenues recognized.

Other revenues

The Company recognizes revenue from other fees and other services provided to the franchisees as a single performance obligation, when the services are rendered.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue and cost recognition (continued)

Incremental costs of obtaining a contract

The Company capitalizes direct and incremental costs, principally consisting of commissions, associated with the sale of franchises and amortizes them over the term of the franchise agreement.

Leases

The Company has an operating lease agreement for office space with a term of 2 years. The Company determines if an arrangement is a lease at the inception of the contract. At the lease commencement date, each lease is evaluated to determine whether it will be classified as an operating or finance lease. For leases with a lease term of 12 months or less (a "Short-term" lease), any fixed lease payments are recognized on a straight-line basis over such term, and are not recognized on the balance sheets.

Lease terms include the noncancellable portion of the underlying leases along with any reasonably certain lease periods associated with available renewal periods, termination options and purchase options. The Company uses the risk-free discount rate when the rate implicit in the lease is not readily determinable at the commencement date in determining the present value of lease payments.

The lease agreement does not contain any material residual value guarantees or material restrictive covenants.

Long Lived Assets

The Company's long lived assets, including the Company's right of use assets, are reviewed whenever events or changes in circumstances indicate that the carrying amount of the asset in question may not be recoverable. If the sum of the expected future undiscounted cash flows is less than the carrying amount of the asset, the Company recognizes an impairment loss based on the estimated fair value of the asset. The Company did not identify an impairment adjustment as of December 31, 2023 and 2022.

Advertising

Advertising costs are expensed as incurred and are included in "Selling, general and administrative expenses" in the accompanying statements of operations. Advertising costs amounted to \$126,464 and \$42,191 for the years ended December 31, 2023 and 2022, respectively.

Variable interest entities

In accordance with the provisions of FASB ASU No. 2018-17, *Consolidation (Topic 810): Targeted Improvements to Related Party Guidance for Variable Interest Entities* ("ASU 2018-17"), FASB no longer requires nonpublic companies to apply variable interest entity guidance to certain common control arrangements, including leasing arrangements under common control. The Company has applied these provisions to the accompanying financial statements and has determined that the entities, affiliated through common ownership and control, disclosed in Note 5, meet the conditions under ASU 2018-17, and accordingly, are not required to be included in the Company's financial statements.

Franchised outlets

The following data presents the status of the Company's franchised outlets as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Franchises sold	25	11
Franchised outlets in operation	19	6
Affiliate-owned outlets in operation	-	-
Franchised outlets that ceased operations	2	-

Recently adopted accounting standards

In June 2016, FASB issued Accounting Standards Update ("ASU") No. 2016-13, *Financial Instruments - Credit Losses (Topic 326)* ("ASC 326"), which along with subsequently issued related ASUs, requires financial assets (or groups of financial assets) measured at amortized cost basis to be presented at the net amount expected to be collected, among other provisions. ASC 326 eliminates the probable initial threshold for recognition of credit losses for financial assets recorded at amortized cost, which could result in earlier recognition of credit losses. It utilizes a lifetime expected credit loss measurement model for the recognition of credit losses at the time the financial asset is originated or acquired.

The Company's financial instruments include accounts receivable and franchise fees receivable. The expected credit losses are adjusted each period for changes in expected lifetime credit losses.

The Company adopted ASC 326 using the modified retrospective method at January 1, 2023 and it did not have a material impact on the financial statements.

Subsequent events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through April 29, 2024, the date on which these financial statements were available to be issued. There were no other material subsequent events that required recognition or additional disclosure in the financial statements.

NOTE 3. REVENUES AND RELATED CONTRACT BALANCES

Disaggregated revenues

The Company derives its revenues from franchisees located throughout the United States. The economic risks of the Company's revenues are dependent on the strength of the economy in the United States, and the Company's ability to collect on its contracts. The Company disaggregates revenue from contracts with customers by timing of revenue recognition by type of revenue, as it believes this best depicts how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors.

NOTE 4. CONCENTRATIONS OF CREDIT RISK

Cash

Financial instruments that potentially expose the Company to concentration of credit risk consist primarily of cash. The Company's cash is placed with a major financial institution. At times, amounts held with this financial institution may exceed federally insured limits. Management believes that this policy limits the Company's exposure to credit risk.

NOTE 4. CONCENTRATION OF CREDIT RISK (CONTINUED)

Accounts and franchise fees receivable

Concentration of credit risk with respect to receivables is limited due to the number of franchisees in the Company's customer base and their geographic dispersion. As of December 31, 2023, three franchisees accounted for approximately 87% of the Company's accounts receivables and four franchisees accounted for 100% of the Company's franchise fees receivable. There are no license fees payable to the Licensor for the years ended December 31, 2023 and 2022.

NOTE 7. COMMITMENTS AND CONTINGENCIES (CONTINUED)

Contingencies - Litigation

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is possible that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as they are incurred.

The Company is subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the Company's financial condition or results of operations.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. COVID-19

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a “Public Health Emergency of International Concern.” The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our customers, employees, and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact our financial condition or results of operations is uncertain.

A summary of significant accounting policies follows:

Use of Estimates

Preparation of the Company’s financial statements in accordance with United States generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of any contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

BEST CHOICE ROOFING FRANCHISING LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents. The Company had no cash or cash equivalents as of December 31, 2021, and 2020.

Accounts Receivable

Timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized subsequent to invoicing. Management evaluates individual customer's receivables considering their financial condition, credit history and current economic conditions. Accounts receivable are written off if deemed uncollectible and recoveries of accounts receivable previously written off are recorded as income when received. The Company did not have any accounts receivable or allowance for doubtful accounts as of December 31, 2021, and 2020 and did not charge-off any accounts receivable during the year ended December 31, 2021, and period from February 4, 2020 (Inception) through December 31, 2020.

Property, Plant & Equipment

The Company has adopted ASC 360 – Property, Plant and Equipment. Property and equipment are stated at historical cost. Depreciation is provided using straight-line method based on the estimated useful lives of the related assets (generally three to seven years). The Company had no property, plant & equipment at December 31, 2021, and 2020.

Intangible Assets

The Company has adopted ASC 350, Intangibles – Goodwill and Other that requires that goodwill and intangible assets with indefinite lives no longer be amortized to earnings but be tested for impairment at least annually. Intangible assets with finite lives are amortized over their estimated useful lives. The useful life of an intangible asset is the period over which it is expected to contribute directly or indirectly to future cash flows. Intangible assets with infinite lives are reviewed for impairment if events or changes in circumstances indicate that the carrying value might not be recoverable. The Company has recorded an intangible asset for franchise development costs of \$49,384 as of December 31, 2021, and 2020. Amortization of these costs will begin at the point of the Company's first franchise sale.

Income Taxes

The member of the Company has elected to be taxed as a Disregarded Entity under the provisions of the Internal Revenue Code. Under those provisions, taxable income and losses of the Company are reported on the income tax return of its member and no provisions for federal or state taxes have been recorded on the accompanying balance sheet.

The Company adopted ASC 740-10-25-6 "Accounting for Uncertainty in Income Taxes", that requires the Company to disclose uncertain tax positions. Under the standard an entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold upon examination by taxing authorities.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued)

Based on its evaluation, the Company has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements or that would affect the Company's member.

Revenue Recognition

The Company's revenue mainly consists of franchise fees and royalties and is recognized as revenue under the guidance of ASC 606 "Contracts with Customers".

Each franchise agreement is comprised of several performance obligations. The Company identifies those performance obligations, determines the contract price for each obligation, allocates the transaction price to each performance obligation and recognizes revenue when the Company has satisfied the performance obligation by transferring control of the good or service to the franchisee. The remainder of performance obligations represent a single performance obligation and are recognized over the term of the respective franchise agreement from the date the agreement is executed. Unearned initial fee revenues from franchisee acquisition and acceptance will be recorded as deferred revenue and recognized as revenue over the term of the contract which is currently five years. The Company has no revenue from initial fees during the year ended December 31, 2021, and the period from February 4, 2010 (Inception) through December 31, 2020.

When a franchisee purchases a franchise, the Company grants the franchisee the right to use the proprietary methods, techniques, trade dress, trademarks, and logos ("the license"). The license is symbolic intellectual property. Revenues related to the license are continuing royalties are 4.75% of gross revenues per week, subject to minimum royalties as defined in the franchise contract. These revenues will be used to continue the development of the Company's brand, the franchise system and provide on-going support for the Company's franchisees. The royalties are billed weekly and are recognized as revenue when earned. The Company has no revenue from royalties during the year ended December 31, 2021, and the period from February 4, 2020 (Inception) through December 31, 2020.

National Marketing Fund Fee

The Company has the right to collect a national marketing fund fee of up to 3% of the gross revenues of each franchise location. The Company had no contributions to the fund for the period from February 4, 2020 (Inception) through December 31, 2020.

Advertising Costs

The Company expenses advertising costs as incurred. Advertising expense for the year ended December 31, 2021, and the period from February 4, 2020 (Inception) through December 31, 2020, was \$81 and \$3,444.

The Company has adopted all recently issued Accounting Standards Updates ("ASU"). The adoption of the recently issued ASUs, including those not yet effective, is not anticipated to have a material effect on the financial position or results of operations of the Company.

NOTE 2 – COMMITMENTS AND CONTINGENCIES

Litigation

The Company may be party to various claims, legal actions and complaints arising in the ordinary course of business. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

ALL THE OWNERS OF THE FRANCHISE WILL BE REQUIRED TO EXECUTE PERSONAL GUARANTEES. THIS REQUIREMENT PLACES THE MARITAL ASSETS OF THE SPOUSES DOMICILED IN COMMUNITY PROPERTY STATES – ARIZONA, CALIFORNIA, IDAHO, LOUISIANA, NEVADA, NEW MEXICO, TEXAS, WASHINGTON AND WISCONSIN AT RISK IF YOUR FRANCHISE FAILS.

1. The following paragraph is added to the end of Item 3 of the Disclosure Document:

With respect to the Late Fee described in Item 6, this Item is amended to disclose that the maximum rate of interest permitted under California law is 10%.

4. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Hendersonville, Tennessee, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Tennessee. This provision may not be enforceable under California law.

ILLINOIS ADDENDUM TO DISCLOSURE DOCUMENT

In the State of Illinois only, this Disclosure Document is amended as follows:

Item 5 of the Franchise Disclosure Document is amended to state that, “The franchisor has posted a surety bond in the amount of \$600,000. The Illinois Attorney General’s Office has required this financial assurance obligation due to the franchisor’s financial condition.”

Illinois law governs the agreements between the parties to this franchise.

Section 4 of the Illinois Franchise Disclosure Act provides that any provision in a franchise agreement that designates jurisdiction of venue outside the State of Illinois is void. However, a franchise agreement may provide for arbitration outside of Illinois.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Your rights upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND ADDENDUM TO DISCLOSURE DOCUMENT

In the State of Maryland only, this Disclosure Document is amended as follows:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The following is added to Item 5:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, the franchisor has posted a surety bond in the amount of \$432,000.

The following is added to Item 17:

The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

You may bring an action under such law within three years after the grant of the franchise.

You have the right to file a lawsuit alleging a cause of action arising under the Maryland Franchise Law in any court of competent jurisdiction in the State of Maryland.

The Franchise Agreement provides for termination upon bankruptcy of the franchisee. This provision may not be enforceable under federal bankruptcy law.

This Franchise Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

MINNESOTA ADDENDUM TO DISCLOSURE DOCUMENT

In the State of Minnesota only, this Disclosure Document is amended as follows:

- Item 5 and 7 are amended as follows: The franchisor has posted a surety bond in the amount of the initial franchise fee. The State of Minnesota has required this financial assurance obligation due to the franchisor's financial condition.
- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, which states "No action may be commenced pursuant to this Section more than three years after the cause of action accrues."

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE MINNESOTA FRANCHISE ACT. REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF COMMERCE OF MINNESOTA OR A FINDING BY THE COMMISSIONER THAT THE

INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE MINNESOTA FRANCHISE ACT MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WHICH IS SUBJECT TO REGISTRATION WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, AT LEAST 7 DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST 7 DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION, BY THE FRANCHISEE, WHICHEVER OCCURS FIRST, A COPY OF THIS PUBLIC OFFERING STATEMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE FRANCHISE. THIS PUBLIC OFFERING STATEMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR AN UNDERSTANDING OF ALL RIGHTS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

NEW YORK ADDENDUM TO DISCLOSURE DOCUMENT

In the State of New York only, this Disclosure Document is amended as follows:

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in

the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled **“Requirements for franchisee to renew or extend,”** and Item 17(m), entitled **“Conditions for franchisor approval of transfer”**:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum”**, and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

NORTH DAKOTA ADDENDUM TO DISCLOSURE DOCUMENT

10. Enforcement of Agreement: Franchise Agreements that require the franchisee to pay all costs and expenses incurred by the franchisor in enforcing the agreement. The prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees.

Item 17, summary columns for (v) and (w) are amended to add the following:

VIRGINIA ADDENDUM TO DISCLOSURE DOCUMENT

In the Commonwealth of Virginia only, this Disclosure Document is amended as follows:

The following is added to the *Special Risks* page:

“Estimated Initial Investment. The franchisee will be required to make an estimated initial investment ranging from \$117,410 to \$193,010. This amount exceeds the franchisor's member's equity as of December 31, 2023, which is -\$179,111.”

The following is added to Item 5:

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to the franchisee under the franchise, that provision may not be enforceable.

Item 17(t) is amended to read as follows:

Only the terms of the Franchise Agreement and other related written agreements are binding (subject to applicable state law). Any representations or promises outside of the Disclosure Document and Franchise Agreement may not be enforceable.

INDIANA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between Best Choice Roofing Franchising, LLC, A Tennessee limited liability company (“Franchisor”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the protected territory granted the franchisee by the franchise agreement; or, if no protected territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the protected area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

MARYLAND RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between Best Choice Roofing Franchising, LLC, A Tennessee limited liability company (“Franchisor”) and _____, a _____ (“Franchisee”).

1. **Definitions.** Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Maryland Franchise Law” means the Maryland Franchise Registration and Disclosure Law, Business Regulation Article, §14-206, Annotated Code of Maryland.

2. **Surety Bond.** Based upon the franchisor’s financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, the franchisor has posted a surety bond in the amount of \$432,000.

3. **No Release of Liability.** Pursuant to COMAR 02-02-08-16L, the general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Law.

4. **Statute of Limitations.** Any provision of the Agreement which provides for a period of limitations for causes of action shall not apply to causes of action under the Maryland Franchise Law, Business Regulation Article, §14-227, Annotated Code of Maryland. Franchisee must bring an action under such law within three years after the grant of the franchise.

5. **Jurisdiction.** Notwithstanding any provision of the Agreement to the contrary, Franchisee does not waive its right to file a lawsuit alleging a cause of action arising under the Maryland Franchise Law in any court of competent jurisdiction in the State of Maryland.

6. **No Waiver of State Law.** All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

7. **Arbitration.** This Franchise Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive trade practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

8. **Franchise Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

- The franchisor has posted a surety bond in the amount of \$600,000. The State of Minnesota has required this financial assurance obligation due to the franchisor’s financial condition.
- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non- renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No

action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Use of Franchise Brokers. The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information

provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

The undersigned does hereby acknowledge receipt of this addendum.
