What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The Franchise Agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The Franchise Agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the Franchise Agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your Franchise Agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The Franchise Agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in [Exhibit J](#).

Your state also may have laws that require special disclosures or amendments be made to your Franchise Agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with us by arbitration and litigation only in the judicial district in which we have our principal place of business at the time the action is commenced, which is currently Columbia, Maryland. Out-of-state arbitration and litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate with us or sue us in Maryland than in your own state.
2. **Minimum Payments.** You must make minimum royalty or advertising fund payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Minimum Performance.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” pages for your state in Exhibit K.

ITEM 1
THE FRANCHISOR, AND ANY PARENT, PREDECESSORS AND AFFILIATES

This disclosure document describes MOSQUITO SQUAD franchises. In this disclosure document:

“**Mosquito Squad SPE**,” “**Franchisor**,” “**we**,” “**us**” and “**our**” mean Mosquito Squad Franchising SPE LLC, the franchisor.

“**You**,” “**your**,” or “**Franchisee**” refers to the individual or company that enters into a Franchise Agreement with us for a Franchised Business (a “**Franchise Agreement**”).

“**Owners**” means the person(s) identified in the Franchise Agreement as owners of the Franchisee and all other persons whom we may subsequently approve to acquire an interest in the franchise.

The Franchisor

We are a Delaware limited liability company organized on March 24, 2021. Our principal business address is 7120 Samuel Morse Drive, Suite 300, Columbia, Maryland 21046. We do business under our company name and as “MOSQUITO SQUAD.” To the extent we have appointed agents for service of process in other states, they are listed in Exhibit J.

Our Parents, Predecessors, and Affiliates

Our direct parent company is AB Assetco LLC (“**AB Assetco**”), a Delaware limited liability company. AB Issuer LLC (“**AB Issuer**”), a Delaware limited liability company, is the direct parent company of AB Assetco. AB SPE Guarantor LLC (“**AB Guarantor**”), a Delaware limited liability company, is the direct parent company of AB Issuer. We, AB Assetco, AB Issuer, and AB Guarantor were organized as part of the Securitization Transaction, which is described below. Authority Brands, Inc. (“**AB Inc.**”), a Delaware corporation, is the direct parent company of AB Guarantor and our indirect parent. AB Inc. was known as “Villa BidCo, Inc.” until changing its name to Authority Brands, Inc. effective May 17, 2021. AB Assetco, AB Issuer, AB Guarantor and AB Inc. all share our principal business address. Our ultimate majority owner are Funds advised by Apax Partners, LLP, a private equity firm based in London, United Kingdom (“**Apax**”).

We became the franchisor of the MOSQUITO SQUAD system on May 14, 2021, as part of the Securitization Transaction (defined below). We began offering MOSQUITO SQUAD franchises on May 17, 2021.

Our predecessor, Mosquito Squad Franchising, LLC (“**MSQ**”), a Delaware limited liability company, offered MOSQUITO SQUAD franchises from February 2009 to May 14, 2021. MSQ was originally formed as a Delaware corporation but converted to an LLC in December 2018. MSQ’s principal business address is the same as ours. We do not have any other predecessors as franchisor of the MOSQUITO SQUAD brand within the last ten years.

Securitization Transaction

Under a secured financing transaction which closed on May 14, 2021 (the “**Securitization Transaction**”), Villa BidCo, Inc. and its affiliates were restructured. As part of the Securitization Transaction, all existing U.S. Franchise Agreements and related agreements for MOSQUITO SQUAD Franchised Businesses were transferred to us, and we became the franchisor of all existing Franchise

Agreements and related agreements. Ownership and control of all U.S. trademarks and certain intellectual property relating to the operation of MOSQUITO SQUAD Franchised Businesses were also transferred to us.

At the time of the closing of the Securitization Transaction, we entered into a management agreement with Villa BidCo, Inc. (now AB Inc.) to obtain the required support and services to MOSQUITO SQUAD franchisees under their franchise and related agreements. AB Inc. also acts as our franchise sales agent. We pay management fees to AB Inc. for these services. However, as the franchisor, we will be responsible and accountable to you to make sure that all support and services we are obligated to perform under your Franchise Agreement or other agreement you sign with us are performed in compliance with all applicable agreements.

We do not operate any MOSQUITO SQUAD businesses. However, we have affiliates that operate businesses of the type offered in this disclosure document. We refer to the MOSQUITO SQUAD business operated by our affiliate as “**Company-Owned Outlets**” for purposes of this disclosure document.

Neither we nor our predecessor has offered franchises in any other line of business. However, as summarized in the table below, we have affiliates that offer franchises in other lines of business. Most of these affiliates were formed either as part of the Securitization Transaction or when our parent added a newly-acquired brand to the securitization pool, and each has a predecessor that offered franchises of the same brand before the Securitization Transaction closed or the newly-acquired brand was added. Except as otherwise noted, all affiliates listed below have the same address as us:

- BuyMax SPE LLC, a Delaware limited liability company (“**BuyMax**”). BuyMax negotiates agreements with manufacturers, distributors, and service providers, for the benefit of franchisees of our affiliates, Company-Owned Outlets and our franchisees. BuyMax also sells products directly to our franchisees and to independent BuyMax® members who are not affiliated with us and may compete with our brand.
- Successware SPE LLC, a Delaware limited liability company (“**Successware**”) and/or Authority Brands Payments SPE, LLC, a Delaware limited liability company (“**ABP**”), provides or arranges payment processing services for our franchisees and franchisees of our affiliates.

A parent company, AB Assetco, guarantees our duties and obligations under the Franchise Agreements that we sign while the guarantee is in place, if we become unable to perform our duties and obligations. See Item 21.

The MOSQUITO SQUAD Franchise

Our franchises offer pest elimination and control services and equipment, including the sales, installation, and servicing of outdoor misting systems, barrier treatment services, special event treatments, tick control, and other pest elimination and control systems for both residential and commercial use.

We offer franchises only to persons and business entities that meet our qualifications and are willing to undertake the investment and effort to own and operate a MOSQUITO SQUAD business. Our current form of Franchise Agreement appears in Exhibit A to this disclosure document.

The Franchise Agreement authorizes you to use the trademarks, service marks, trade names, logos, and symbols we designate (the “**Marks**”) to provide services (the “**Franchised Business**”). The Franchised Business will operate according to the know-how and system of operation we have developed and continue to develop for the MOSQUITO SQUAD brand (the “**System**”). The distinctive elements of the System include, but are not limited to: the products and services offered; our customer service standards; our warranty program, if applicable; our standards and specifications for equipment, technology, supplies, and operations; our advertising and promotional programs and marketing techniques; the exterior and interior design, décor, color scheme, fixtures, and furnishings of the business premises; and the accumulated experience reflected in our Training Program and instructional materials. We have described our mandatory

and recommended standards and procedures in a confidential operations manual (the “**Operations Manual**” or also sometimes referred to as the “**Brand Standards Manual**”) or in other writings designated by us as part of the standards for the System (collectively with the Operations Manual, “**System Standards**” or “**Brand Standards**”). If you become a franchisee, we will provide you with electronic access to the Operations Manual. We have the right to change the Operations Manual and the System Standards at any time.

Our standard territory is for a population of more than 350,000 and less than 500,000 in a designated geographical area (“**Standard Territory**”). We will consider granting a franchise for smaller and/or rural markets (“**Micro Territory**”) with territories that have a population of less than 350,000. Micro Territories are generally best-suited for existing business owners interested in operating a Franchised Business in addition to their existing business activities.

We may pursue opportunities to convert pest control businesses operating under other trade names to a MOSQUITO SQUAD Franchised Business. If you are converting an existing pest control business to a Franchised Business, we refer to it as a “**Conversion Franchise.**”

Our franchisees operate the Franchised Business from a specific street address or site that we have approved for their business premises (the “**Approved Location**”). However, some of our franchisees have multiple franchises in contiguous or adjoining territories. In those circumstances, we may allow the franchisee to operate their franchises from an Approved Location in only one of the franchised territories.

Industry-Specific Regulations

There are specific regulations pertaining to this industry. You must comply with all local, state and federal pesticide codes and regulations and all Environmental Protection Agency and other environmental regulations pertaining to the use, disposal and storage of pesticides. You may be required by local and state authorities to obtain certain permits, registrations, certifications or licenses to operate a Franchised Business and certain equipment used in the Franchised Business. You must obtain all required licenses and permits and ensure that your employees and others providing pest elimination and control services to customers on behalf of your Franchised Business have all required licenses and permits. Certain jurisdictions require a minimum length of experience to qualify for an individual pesticide license. If you are located in any of those jurisdictions and do not have the required experience, in accordance with local regulations, you must hire at least one individual with the necessary license or partner with an individual with the necessary license.

You may need specific types of licenses for the Franchised Business, which vary by state and sometimes by county or municipality. Check with your local licensing board, as well as with an attorney, to learn about specific industry and pesticide laws and regulations in the jurisdictions in which you will operate your business.

Market and Competition

The market for pest control services is well established and very competitive. Frequency of services may vary depending on geographic location of your Franchised Business. The MOSQUITO SQUAD System presently focuses on serving residential and commercial customers in urban and suburban areas. You may have to compete with other businesses, including franchised operations, landscape operations, national chains, and independently owned companies offering outdoor misting, general pest control, spraying, bombing, fumigating and other systems and services for pest elimination and control to residential and commercial customers.

ITEM 3
LITIGATION

We are negotiating and intend to enter into an Assurance of Discontinuance (“**AOD**”) with the Massachusetts Attorney General (“**AG**”) to resolve an investigation of certain past advertising practices in that state. The AOD also includes four of our franchisees in Massachusetts and our affiliate that operates a company owned business in Massachusetts. We expect the terms of the AOD to be fully agreed to by all parties within a month from the date of this disclosure document. Thereafter the parties will work diligently to finalize the AOD process.

The AG alleges that we, our affiliate, and the Massachusetts franchisees (collectively, “**MOS**”) violated the Massachusetts Consumer Protection Act and the AG’s regulations by making allegedly misleading environmental and health-and-safety claims in Massachusetts. The AG alleges that MOS made claims without proper substantiation that the Mosquito Control Barrier Protection system provides generalized health benefits, is “natural” or “all-natural,” is proven to eliminate a high percentage of dangers from mosquitoes and ticks, may be used “worry-free,” and uses “EPA-approved” pesticides. MOS has fully cooperated with the investigation and denies any wrongdoing or violation of law. The AG investigation of MOS is one of several past investigations the AG has conducted and concluded against both competitors of MOS and suppliers to the industry.

The AOD is a voluntary agreement to resolve the investigation. It does not constitute an admission of the AG’s allegations or of any other fact, liability, misconduct, wrongdoing or violation of law by MOS. In the AOD, MOS agrees not to publish any advertisements or make any other representations of the type alleged by the AG. If notified by the AG that a franchisee is making any such claims in advertising in Massachusetts, we agree to send a letter alerting the franchisee to the allegation and reminding the franchisee of its obligation to comply with the AOD and state law. We also agree to inform new Massachusetts franchisees and senior leadership officers and marketing managers of the terms of the AOD. Finally, we and the franchisees collectively agree to pay \$13,000 to the Commonwealth of Massachusetts for costs of investigation. The AOD will be filed in state court and will expire automatically 10 years after being entered on the court docket.

ITEM 4
BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5
INITIAL FEES

Franchise Fee

The base initial franchise fee (“**Franchise Fee**”) varies depending on the population of the Territory. For a Standard Territory of more than 350,000 and less than 500,000 population (“**Population Limit**”), the Franchise Fee is \$50,000. For a Micro Territory, the Franchise Fee is \$35,000. If your Territory is larger than the Population Limit, we reserve the right to charge you an increased Franchise Fee, currently \$0.10 per person over 500,000 of population (“**Additional Population Fee**”).

The Minimum Royalty Fee is not meant to be a representation or guarantee of the results that your Franchised Business or any particular Franchised Business will or might achieve. If you are required to participate in a Key Account program or choose to participate in an optional program, you must pay the fees designated by us or the vendor as part of the program, which may be based on the number of franchisees participating and other factors, and may include fees to support our administration of the program. The fees may be charged directly to you or may be paid to us in the form of a rebate from the vendor. We cannot estimate what the cost to you will be of participation in Key Account programs, as it will be dependent on the terms of future contracts with vendors.
- (6) All telephone calls to the Franchised Business must be answered by a “live” voice. We have the right to require that you use a designated call center (a “**Call Center**”) to provide “live” answering services for incoming calls. If we do so, you will have to pay a Call Center Fee in an amount that we designate.

Notes:

- (1) This table estimates the costs you will incur to develop and open a Franchised Business. Unless specified otherwise, all amounts paid to us are non-refundable. We make no representation as to whether any of the estimated investment amounts payable to third-parties are refundable.
- (2) Calculation of the Franchise Fee is discussed in detail in Item 5. The table assumes that license a single Territory with a population of 350,000 to 500,000 and that no Franchise Fee discounts apply. If a Conversion Discount applies, the Franchise Fee will range from \$5,000 to \$37,500, provided the Gross Revenue of your existing business is in excess of \$50,000.
- (3) Your Owners and the management personnel we designate must complete our Training Program in Macon, Georgia or at another location we designate. The estimate is for the travel expenses, lodging, and meals of 1 person for up to 5 days. Your travel expenses and living costs will vary depending on your point of origin, method of travel, class of accommodation, and choice of restaurants, local transportation, etc. Please see Item 11 for further details on training.
- (4) The Outfitting Fees are described in Item 5 Calculation of the Business Outfitting Fee, Operations Outfitting Fee, and Truck Outfitting Fee is discussed in detail in Item 5.
- (5) You will need to purchase equipment for your Franchised Business, including two(2) gas or electric blowers. The low end of the range in the table assumes you will purchase two blowers at \$500 each and the high end of the range assumes you will purchase two blowers at \$750 each. The price may vary depending on the brand and the type of blower you purchase.
- (6) The estimate is for obtaining the computer, related devices, software, and services you will need to meet our technology requirements, including the ServiceMinder software with current monthly fees of \$280 plus \$25 per user plus one month of Technology Fees. The low end of the range in the table assumes 1 user of ServiceMinder software and the high end of the range in the table assumes twelve users. See Item 11 for further details regarding our technology requirements.
- (7) Your initial inventory and supplies will typically include several complete pest elimination and control systems and related parts, plus sufficient start-up barrier treatment product. We have the right to change the required inventory and supplies at any time.
- (8) Local law may require that your storage facility be located in a commercial (non-residential) area. You are responsible for determining if there are any requirements regarding the location of your storage facility. The low end of the range in the table assumes that you already own adequate storage

space. If you do not own adequate storage space either in your home or at an external storage facility, you must lease space to store your inventory and supplies for your Franchised Business. If you lease space, you will generally be required to pay first and last month's rent, plus a security deposit, at the time you sign the lease. The high end of the range in the table assumes that you will pay \$400 per month for nine months. In most cases, the terms and conditions of all agreements relating to the purchase, lease, and alteration of the property will be negotiated solely by you; however, we may require you to incorporate certain provisions into your lease.

- (9) Before you open your Franchised Business, you must purchase and maintain at your sole cost and expense the insurance coverage that we specify. Insurance cost will vary based on where your Franchised Business will be located, your prior experience with the insurance carrier, the loss experience of the carrier, and other factors. You should check with your insurance agent or broker regarding any additional insurance that you may wish to carry above our stated minimums. The estimate assumes a 25% deposit plus 3 months of payments on the first-year premium for general business liability and property/casualty insurance (estimated between \$1,000 and \$2,000) and automobile insurance (estimated between \$2,000 and \$2,500) workers compensation (estimated between \$2,000 and \$2,500). See Item 8 for more information regarding our insurance requirements.
- (10) You need to operate a vehicle that complies with all our specifications in the Brand Standards Manual. Specifically, we require you to operate a light duty pickup truck. We may require reasonably that you replace or upgrade the vehicle during the term of the Franchise Agreement after our inspection if we determine in our sole discretion that the vehicle's appearance is not suitable for our operational standards due to existing dents or other body issues. In some cases, you may request our approval to use a vehicle that you already own. If we permit you to use your own vehicle, you will have no initial vehicle expense. In other cases, you may need to lease or purchase a light duty pickup truck. In this case, we estimate six months of lease payments for two light duty pickup trucks at \$500 per month with no down payment. Your monthly payments may be negotiated with the auto dealer. A light duty pickup truck may be leased an approximate \$250 to \$500 deposit depending on your credit score and history and the auto dealer. Your monthly vehicle lease payment could be higher or lower than the estimated \$500 per month. Franchisees with a larger Territory or multiple Territories may require additional vehicles.
- (11) You must purchase a vehicle wrap bearing the Marks with a design that we approve before opening your Franchised Business. We estimate this cost to be approximately \$2,400 to \$2,800 per vehicle and will vary depending on the vendor you select for this purchase.
- (12) The telephone numbers and electronic identities you use in connection with the Franchised Business will be owned and controlled by us or an approved supplier. We require you to "port" or transfer all phone numbers to an approved call routing and tracking supplier (see Item 8). The cost for this service and the new telephone number will vary, but we estimate it will cost you \$62 per month depending on the number of telephone lines you require. The estimate for telephone services covers the first month only and assumes three telephone lines. We also recommend, but do not require, that you use a Call Center to provide "live" voice answering services. In order to obtain Call Center services, you will likely need to pay a one-time set up fee plus your first month's subscription fee.
- (13) We have not provided any estimate for leasehold improvements since, typically, you may operate the business from your home and customers will not visit your location. We have not provided an estimate for lease deposits because initially we expect you will operate the Franchised Business out of your home.
- (14) This is an estimate of additional funds you may need during the initial period of operation of the Franchised Business, which we define as twelve months from opening. Our estimates are based on

both our experience and our predecessor's years of experience in the outdoor pest control services business and as a franchisor. New businesses often generate a negative cash flow initially, so additional funds may be needed to support on-going expenses in the initial period of operation, such as payroll, rent, Royalty Fees, Local Marketing Fees, Brand Fund contributions, inventory, utilities, and business licenses, to the extent that aggregate costs are not covered by the revenue you generate. The estimate does not include taxes, financing costs, or any compensation that you may choose to pay yourself.

As used in this Item 7, "**As arranged**" means as agreed between you and the supplier or vendor, and "**As incurred**" means as you incur the applicable expense.

You should review these estimates carefully with an accountant or other business advisor before making any decisions to buy a Franchised Business. The figures shown in this Item 7 are only estimates. Factors unique to your location, including the time of year you launch your Franchised Business, can affect your actual costs.

Except as described in Item 10 for the Franchise Fee and any applicable Additional Population Fee, we do not provide financing to franchisees in connection with their initial investment. The availability and terms of financing from third parties will depend on several factors, including the availability of financing generally, your creditworthiness, collateral you may have, and lending policies of financial institutions.

ITEM 8 **RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

We have the right to require that all equipment, technology, inventory, supplies, vehicles, signs, furnishings, fixtures, décor items, retail merchandise, payment systems, and other products and services that you purchase for use or resale in the Franchised Business: (a) meet specifications that we establish from time to time; and/or (b) be purchased only from vendors that we have expressly approved; and/or (c) be purchased only from a single source (which may include us or our affiliates) at the then-current price. To the extent that we establish specifications, require approval of vendors, or designate specific vendors for particular items, we will notify franchisees via the Operations Manual or otherwise.

We and our affiliates earn a profit on products and services we sell to you directly, and we and our affiliates receive rebates, administrative fees, commissions, licensing fees, or other benefits from unaffiliated vendors and distributors with respect to their sales of products or services to you or other MOSQUITO SQUAD franchisees, whether or not the product or service is presently mentioned in this Item. Except as limited by applicable law, we and our affiliates have the right to retain any payments received from vendors.

We, or our affiliate, BuyMax, may negotiate purchasing arrangements under which vendors agree to make goods or services available to Franchised Businesses on specific terms. You agree to participate in and abide by the terms of any vendor purchase program we establish.

The following specific restrictions on your purchasing are in effect as of the issuance date of this disclosure document, but we can impose other restrictions at any time:

Items you must purchase from us or affiliates:

Outfitting Packages. As described in Item 5, you must purchase the Business Outfitting, Operations Outfitting, and Truck Outfitting packages from us.

Local Marketing. We are the only approved supplier of the Local Marketing Program. The term “**Local Marketing Program**” means our advertising of the MOSQUITO SQUAD brand, the services offered under the Marks, and the System, as conducted in your Territory in coordination with our similar advertising program in the Territories of other franchisees, and includes the array of local marketing activities and services that we offer from time to time. You will pay us the Local Marketing Fee for these services (see Item 5 and Item 6).

Branded Products. All products that carry the Marks must be purchased only from us or suppliers approved or designated by us. This includes all stationery, forms, marketing pieces, signage, uniforms, patches, and other private labeled materials.

Technology Support Services. As noted in Item 6, you are required to pay us continuing Technology Fees which cover services we provide to franchisees. Currently, these services include branded email accounts, email and operational support, website management services, and other systems, including the Franchisee Portal (see Item 11).

BuyMax Purchases. BuyMax sells miscellaneous non-branded products, such as general materials and supplies for business use, maintenance and repair services. Although none are required purchases as of the date of this disclosure document, we reserve the right in our sole discretion to require you to purchase branded products, equipment, materials or other items related to the Franchised Business directly from BuyMax or through purchasing programs arranged by BuyMax or any other of our affiliates.

Payment Processing. We reserve the right to require you to process some or all payments by your customers through us, our affiliate(s), including ABP, or through designated service providers and using processes we designate, including automatic payment, credit and debit card payment, electronic funds transfer and other forms of direct or internet payment.

Items you must purchase from designated or approved third parties:

Pesticide Products. We require you to purchase all pesticides and treatment products from our designated approved suppliers. As of the date of this disclosure document, Atticus and Amguard, Site One and BWI are the only approved suppliers of these products.

Software. You must license from our designated supplier certain computer programs and related materials we have selected for use in the operation of your Franchised Business (“**Software**”). You are required to pay a separate license fee for the Software. Currently, our designated vendor is ServiceMinder. The purchase of the Software license may include technical support.

Telephone Services. The telephone numbers and electronic identities you use in connection with the Franchised Business must be owned and controlled by us or an approved supplier. We require you to “port” or transfer to an approved call routing and tracking supplier all phone numbers associated with the Franchised Business. As of the date of this disclosure document, Ring Central and Voice For Pest are approved suppliers for the purchase of phones and numbers. We reserve the right to require you to use our branded toll-free number. We recommend that you also retain and utilize a caller analytics and recording system.

Call Center. You must use a designated Call Center to provide “live” answering services for incoming calls. Currently, Answer Connect is the designated vendor and you will pay Sling Shot the Call Center fee. We may cancel or modify the call center program at any time, and we can modify the Call Center Fee on 30 days’ notice to you.

Electronic Money Programs and Loyalty Programs. If we set up programs relating to gift cards, gift certificates, stored value cards, online or mobile coupons or credits, online or mobile ordering systems, or other electronic money programs, we will designate the vendors that you must use for these programs. As of the date of this disclosure document, we do not have any such programs.

Insurance. We are exploring the possibility of designating a specific vendor for insurance, but we have not done so as of the date of this disclosure document.

Items that must meet our specifications:

For some products and services, we have not designated a specific source or vendor that you must use, but you must follow our specifications and/or obtain our approval of the vendor. As of the date of this disclosure document, they include:

Vehicles. You must own, lease or buy at least one service vehicle that meets the requirements we specify in the Operations Manual.

[Remainder of page intentionally left blank]

Insurance. You must maintain the types and minimum amounts of insurance coverage and bonds we specify for Franchised Businesses. The tables below set out our required and recommended insurance coverage as of the date of this disclosure document:

REQUIRED INSURANCE COVERAGE	
Type	Minimum Coverage
Comprehensive General Liability	\$1 million per incident / \$2 million aggregate
Automobile Liability for owned, leased, hired and non-owned vehicles	\$1 million combined single limit per state for Medical/Personal Injury Protection and \$1 million Uninsured/Underinsured Motorist
Employer Liability	\$1 million per incident \$1 million per employee \$1 million policy limit
Workers Compensation	As required by law in your area. If your state does not have specific requirements, then: \$1,000,000 per employee \$1,000,000 per accident \$1,000,000 policy limit

RECOMMENDED BUT NOT CURRENTLY REQUIRED INSURANCE COVERAGE	
Type	Minimum Coverage
Commercial Umbrella Policy	\$1 million excess over all underlying liability coverages per occurrence and \$1 million in the aggregate
Business Interruption	12 months loss of income, including coverage for our Royalty Fees with no co-insurance clause
Employment Practices	\$25,000 policy limit
Cyber Liability/Data Compromise	\$25,000 policy limit

We may, in our sole discretion, require that you purchase a performance bond from one of our approved vendors when starting, or during the operation of, the Franchised Business. The amount of the performance bond we require will depend on factors such as the net worth of your business, the size of your Territory and the population of your Territory. The amount of the bond we require may be up to \$50,000. Your insurance policies must be written by a carrier with an industry rating acceptable to us, must name us, AB Inc. (in its capacity as Manager under the management agreement with us), and their parents, subsidiaries, and affiliates, and their respective officers, directors, members, shareholders and employees as additional insureds, and must not have deductibles, exclusions or co-insurance that are unacceptable to us. All public liability and property damage policies must contain a waiver by the insurance company of subrogation rights against us and our affiliates, successors and assigns.

We can increase the coverage requirements and/or require different or additional kinds of insurance as we deem necessary.

Prior to opening your Franchised Business, you must provide us with certificates of insurance demonstrating that you have obtained all insurance policies and certificates required. At least 30 days before expiration of a policy, you must furnish evidence of renewal or replacement insurance. If you do not obtain the required coverage, we have the right (but no obligation) to obtain insurance on your behalf. If we do so, you must reimburse us for the cost of insurance, plus a reasonable fee for our services.

Vendor Approval Process

If we require you to use an approved vendor for a particular item, but you wish to purchase the item from a source that we have not approved, you may submit a written request for approval of the vendor, unless it is an item for which we have designated a specific vendor. To obtain approval, proposed vendors must demonstrate the ability to meet our standards and must possess adequate quality controls and capacity to supply your needs promptly and reliably. We will provide the relevant standards and specifications to vendors that wish to become approved vendors, provided that the proposed vendor signs a confidentiality agreement; however, we may refuse to disclose product formulations or specifications that we deem to be extremely sensitive. At our request, you must submit samples and other information we require to examine, test and determine whether the proposed vendor meets our specifications and quality standards. We may also require that the proposed vendor allow our representatives to inspect its facilities. We may charge vendors a license fee to use our trademarks or other proprietary property. We may also charge vendors a rebate or other fee for participation in our purchasing program.

We have no obligation to approve any specific vendor or any minimum number of vendors for any item, and any proposed vendor relationship must not jeopardize the availability of any special pricing or other benefits offered by existing vendors based on system-wide purchases. We may require you to pay a fee to cover our costs of reviewing a proposed vendor, which you must pay whether or not we approve the vendor. We generally will give you written notice of approval or disapproval of the proposed vendor within 30 days after receiving your request and completion of evaluation and testing, if required. You may not sell or offer for sale any products or services of the proposed vendor until you receive our written approval.

We have the right to revoke approval of particular vendors if we determine that their products or services no longer meet our standards. Upon receipt of written notice of revocation, you must stop buying from the disapproved vendor. In addition, if we revoke our approval of the products because they fail to meet our standards, you may be required not to use your remaining inventory of those products.

* * *

Your purchases from us or our affiliates will be at the prices and on the terms in effect at the time of your purchase.

We, or our affiliate, BuyMax, negotiates contracts with providers of goods and services, including but not limited to insurance, financing, fuel cards, and fleet programs, for our franchisees our affiliates' company-owned outlets, several of our affiliates' franchisees; and for independent BuyMax members who participate in the program for a fee. BuyMax does not negotiate purchase agreements on behalf of individual members. Terms of purchase agreements may vary based on any number of factors and prices may change from time-to-time.

Other than as noted above, we do not currently negotiate purchasing arrangements with vendors on behalf of our franchisees, but we and our affiliates, including without limitation, BuyMax, reserve the right to do so, including pricing terms. Our ability to negotiate and maintain arrangements with vendors may depend on the participation of as many MOSQUITO SQUAD franchisees as possible. Accordingly, if we name a specific vendor for a product or service, you must obtain the product or service from that designated

vendor. You must comply with the terms and conditions included in the contract with a specific vendor and, if applicable, through the purchasing arrangements and/or programs that we require.

As noted above in this Item, vendors make payments to us or our affiliates based on franchisees' use of the vendors. Vendor payments include participation fees per franchise, rebates based on actual purchases, marketing contributions for joint promotion of the vendor's products with our brand, and/or sponsorship fees for conferences and other events. As of the date of this disclosure document, we receive rebates, administrative fees, commissions, licensing fees, or other compensation from some vendors ranging from 2% to 15%. We will use any restricted funds in the manner agreed with the vendor. Except as limited by applicable law or by agreement with the vendor, we have the right to pass through, share or retain all or a portion of any rebates, commissions, discounts or beneficial pricing that we obtain from vendors. We may use these monies to, among other things, recapture costs related to maintaining the vendor program, negotiating designated vendor arrangements, facilitating orders and making a profit. In some cases, you may also receive rebates from BuyMax vendors.

For the fiscal year ended December 31, 2023, we had revenue of \$12,661,293 from purchases by MOSQUITO SQUAD franchisees, which was 58% of our total revenue for the fiscal year.

For the fiscal year ended December 31, 2023, our affiliates, BuyMax and Successware, had revenue of \$24,005 and \$190,945, respectively, from purchases by MOSQUITO SQUAD franchisees. These figures include revenue from direct sales as well as any rebates or discounts our affiliates received from approved vendors based on their sales to our franchisees.

As of the date of this disclosure document, none of our officers owns an interest in any unaffiliated vendors that sell products or services to our franchisees.

We estimate that your required purchases and leases from us and approved suppliers will be 50% to 65% of all purchases and leases in establishing the Franchised Business. We estimate that your required purchases and leases from us and approved suppliers will be approximately 55% to 65% of all purchases and leases in operating the Franchised Business, but this amount is subject to change.

There are no purchasing cooperatives or distribution cooperatives in our franchise system as of the date of this disclosure document. We do not provide material benefits to franchisees based on their purchase of particular products or services or use of particular vendors.

ITEM 10 **FINANCING**

In our discretion, we may permit you to finance up to 75% of the Franchise Fee and any applicable Additional Population Fee rather than paying the entire amount in a lump sum when you sign the Franchise Agreement. However, we do not offer financing for any transaction involving brokers, referrals under the Standard Referral Program or Conversion Referral Program, or any other third party-referral sources.

If financed, the balance of the Franchise Fee and any applicable Additional Population Fee can be paid in up to 36 monthly installments of principal and interest at an interest rate of 12% per annum beginning on the first of the month following the first full month after you sign your Franchise Agreement. You can prepay the balance at any time without penalty.

A franchisee that finances the Franchise Fee and any applicable Additional Population Fee must sign the Promissory Note and Guaranty in Exhibit B to this disclosure document. If the franchisee is a corporation or other business entity, its owners must also sign as guarantors.

To secure payment of the Promissory Note, we require a security interest in the assets of the Franchised Business. You must sign the Security Agreement in Exhibit B, and we may file a UCC financing statement with the appropriate governmental authority to perfect our security interest. You agree to waive demand for payment, presentment for payment, protest, notice of nonpayment or dishonor, and any and all other notices and demands whatsoever.

Under the Franchise Agreement, you must make all payments to us by the payment method(s) we designate from time to time, and this requirement applies to the Promissory Note. We currently require payment by Automated Clearing House (ACH), or electronic funds transfer and you are required to designate an account at a commercial bank of your choice at the time of signing your Franchise Agreement from which we are able to make withdrawals. You agree to complete and submit to us an authorization for ACH or other electronic funds transfer in the form we or your financial institution may require at the time of signing the Promissory Note. You agree to maintain sufficient funds in the account to cover the amounts payable to us. If funds in the account are insufficient to cover the amounts payable at the time we make our periodic electronic funds transfer, the amount of the shortfall will be deemed overdue. Additionally, if the electronic funds transfer payment request is returned due to insufficient funds, you are required to pay us a fee equal to the greater of: (a) \$50 or (b) the amount the bank charges us due to the insufficient funds.

If you are in default of the Promissory Note or the Franchise Agreement, we can declare the outstanding principal balance of the Promissory Note and all unpaid accrued interest immediately due and payable. If you default, you must pay our reasonable attorney's fees and other legal costs we incur in enforcing payment and collection of the balance due. In addition, under the cross-default provision of the Franchise Agreement, we have the right to treat a default under the Promissory Note and Guaranty or under the Security Agreement as a default under the Franchise Agreement, and we can terminate the Franchise Agreement if you do not cure the default.

We may sell, assign or discount the Promissory Note to a third party. If we sell or assign the Promissory Note, it will not affect our obligation to provide the services to you that are described in the Franchise Agreement, but the third party may be immune under the law to any defenses to payment you may have against us.

Except as described above, we do not offer direct or indirect financing to franchisees. We will not guarantee your Promissory Note, lease, or other obligation.

Site Selection

You should select your business office site within your Territory, subject to our approval. You have the option to designate the site to be home-based when you first establish your Franchised Business. Once you are ready to establish an office outside of your home office, we recommend the office site be at least 2,000 square feet and have a dispatching area, reception/talking area, technician/training/break area, restroom, and warehouse space. The site must also comply with local zoning and business requirements, and it is your responsibility to ensure that it meets these and any other applicable requirements. There must be parking to accommodate trucks, vans, and employees. A suggested layout of the site is covered in the Operations Manual. We are not obligated to provide site selection assistance, but our current policy is to provide you with our general criteria for site selection and with site selection counseling and assistance as we deem appropriate.

Typical Time to Opening

We estimate that the typical length of time between signing the Franchise Agreement and opening your Franchised Business will be 1 to 9 months. Some factors which may affect this timing are whether it is a Conversion Franchise, your ability to acquire a storage facility through lease negotiations, your ability to secure any necessary financing, your ability to comply with local zoning and other ordinances, your ability to obtain any necessary licenses, permits and certifications, the timing of the delivery of equipment, tools and inventory, the time of year you execute a Franchise Agreement in relation to the typical season for the Franchised Business, and the time to convert, renovate or build the storage facility. If you do not open the Franchised Business to the public by the opening deadline specified in your Franchise Agreement, we will have the right to terminate the Franchise Agreement. (Franchise Agreement, Sections 4.5 and 16.1.3).

If you request an extension of the opening deadline, we have complete discretion whether to give an extension. If we agree to an extension, we have the right to charge you an extension fee of up to \$1,000 per month of extension. However, you will not be charged an extension fee if your request is accompanied by supporting documentation demonstrating to our satisfaction that, despite your best efforts, you are unable to obtain the necessary equipment to open and operate the Franchised Business by the Opening Deadline.

If you do not receive all required pesticide licenses and permits within 6 months of executing the Franchise Agreement or arrange to work under an employee's or minority owner's pesticide license in

accordance with all local, state and federal regulations, we may terminate the Franchise Agreement. If you have arranged to work under an employee's or minority owner's pesticide license, you or your Key Person must obtain the required pesticide licenses and permits within 2 years of executing the Franchise Agreement or we may terminate the Franchise Agreement.

You may not open your Franchised Business until: (1) initial training is completed to our satisfaction; (2) all amounts due to us have been paid; (3) we have been furnished with copies of all insurance policies and certificates required by the Franchise Agreement, or other documentation of insurance coverage and payment of premiums that we request; (4) you notify us that all approvals and conditions set forth in the Franchise Agreement have been met; (5) you have received all required permits and licenses or have made arrangements acceptable to us to operate under another existing license; and (6) you have ordered, received and installed your equipment, supplies, inventory and Computer System. You must be prepared to begin operating your Franchised Business immediately after we state that your Franchised Business is ready for opening.

Training Program

Before the Franchised Business opens, the Key Person (see Item 15) and any Owners that we designate must attend and successfully complete an initial training program (the "**Training Program**"). The Training Program includes three weeks of Virtual Online Training and five days of in person training, depending on the size of the training class. The Training Program is usually conducted at our office located in Macon, Georgia as of the date of this disclosure document, but the training course may be held elsewhere in the future in our discretion. The training courses are conducted as necessary but are generally held 4 to 6 times per year. We reserve the right to amend training and add training days as deemed necessary.

There is no tuition or fee for the Training Program for you or your Key Person and one additional person. If any additional individuals must attend the Training Program after you have begun operations, there is a \$100 training fee per individual attending per day of attendance. We do not pay any travel expenses, lodging, meals, ground transportation or other personal expenses.

We alone have the right to judge whether a person has successfully completed the Training Program. Successful completion may require passing tests to establish proficiency in the delivery of services, use of technology and software applications, and other areas we designate. We will have the right to terminate the Franchise Agreement if, at any time during the pre-opening Training Program, we conclude in our sole judgment that any person required to attend the pre-opening Training Program does not possess the skills necessary to properly fulfill and discharge the demands and responsibilities required by the System or this Agreement. We have the right to vary the duration and content of initial training based on the trainee’s prior experience in similar businesses.

After the Franchised Business opens, we will make available, at the time(s) and location(s) we designate, such other required and optional training programs as we deem necessary and appropriate. For training that we designate as required, the individuals that we designate are required to successfully complete the training. We have the right to provide training programs in person, by video, via the internet, or by other means, as we determine, and the training may be performed by us, our affiliates, or third parties.

Advertising Programs

Local Marketing. As described in Item 6, we may provide local advertising and marketing materials and related services to promote the Franchised Business in your Territory, in return for which you will pay us Local Marketing Fees. This is in addition to your obligations to the Brand Fund. The materials and services will include the creation, production and placement of marketing and may include commercial advertising, internet advertising, email, direct mail and other media advertising, and local promotion. Advertisements may be placed in media of our choice, but will generally be directed at customers in the Territory.

You must order sales and marketing materials and services from us. If you desire to use your own advertising materials or services, you must obtain our prior approval. It is a material breach of the Franchise Agreement to use other marketing materials or services without our prior written approval (see “**Approval**

Requirement” below). You may not advertise outside of your Territory without our approval, which may be withheld in our sole discretion (see Item 12).

Brand Fund. Franchisees must contribute to a marketing fund for the MOSQUITO SQUAD system (the “**Brand Fund**”). As described in Item 6, you must currently pay us a fixed monthly amount based on the number of years since the Original Opening Date of your Franchised Business. Franchisees under previous forms of Franchise Agreement may contribute at other rates. You must make the Brand Fund contribution at the same time that you pay your Royalty Fee. Company-Owned Outlets will contribute to the Brand Fund on the same basis as franchisees. Unless required by law, we will not be required to deposit the Brand Fund Contribution in a separate bank account, commercial account or savings account. Your contribution to the Brand Fund will be in addition to all other advertising fees set out in this Item 11.

The purpose of the Brand Fund is to support general development and recognition of the MOSQUITO SQUAD brand. We will have the right to direct all advertising, marketing, public relations, and other activities to promote, develop and enhance the brand, with final discretion over strategic direction, creative concepts, materials, endorsements, geographic market, and media allocation. We or our affiliate administer the Brand Fund. We may use the Brand Fund to pay costs and expenses as we determine in our sole discretion, including but not limited to: production of video, audio, written, online and mobile marketing materials; purchasing promotional items; sponsorship of sporting, charitable, or similar events; design, establishment, and maintenance of websites, social media, mobile applications and other electronic marketing; implementation of advertising programs, in-store promotions, direct mail, and media advertising; marketing and sales training; employing advertising agencies; conducting public relations, consumer research, product development, product testing, and test marketing programs; developing and implementing trade dress and design prototypes; fulfillment charges; salaries and expenses of our and our affiliates’ employees working for or on behalf of the Brand Fund; fees of accounting firms, design firms, public relations firms, consultants and ad agencies; legal fees for advertising pre-clearance, defense of false advertising claims, and defense of any claims made regarding our administration of the Brand Fund; other administrative costs and overhead incurred in activities related to the administration and activities of the Brand Fund; and interest on any monies borrowed by the Brand Fund.

Our marketing and advertising department will prepare advertising, marketing, and related materials and programs. We will make available to you any creative materials financed by the Brand Fund. If you request specific materials to be produced or customized for you, then once you approve the requested materials, you must pay or reimburse us for any costs to reproduce the materials and/or to customize the materials for your use.

We may develop advertising and promotional materials and displays for the solicitation of franchisees. You must display such materials and displays as we require from time to time. Our consumer website and other online activities supported by the Brand Fund may also include information about our franchise opportunity.

We have no obligation to have the Brand Fund independently audited. We will, however, prepare an annual unaudited statement of contributions to and expenditures of the Brand Fund. You can obtain a copy by making a written request. Any expenditures for independent accounting services in connection with the annual statement will be charged to the Brand Fund.

We have no obligation to make expenditures for you from the Brand Fund that are equivalent or proportional to your contributions, or to ensure that any particular franchisee benefits directly or pro rata from expenditures by the Brand Fund. You have no right to reduce or withhold contributions based on any alleged lack of benefits to your Franchised Business or based on failure by any other franchisee (with or without our permission) to make its contributions to the Brand Fund.

The Brand Fund is not a trust and does not give us a fiduciary obligation. Other than our express obligations in the Franchise Agreement, we assume no liability with respect to maintenance, direction, or administration of the Brand Fund. We have the right to incorporate, replace, change or dissolve the Brand Fund. If we decide to dissolve the Brand Fund, contributions to the Brand Fund will stop, but the Brand Fund will continue in existence until remaining funds have been spent.

During the fiscal year ending on December 31, 2023, 39% of Brand Fund expenditures were for National Advertising & Programs, 34% were for Marketing Support, 11% were for Public Relation, 12% were for n Creative Design/Production, and 4% were for Other.

Other than conducting Local Marketing (if we require you to pay Local Marketing funds to us), and administering the Brand Fund as described above, we do not have an obligation to conduct advertising on your behalf.

Referral Programs. As of the date of this disclosure document, we offer two (2) referral incentive programs:

A. Standard Referral

Our affiliate, AB Inc., is sponsoring a referral incentive program that began on November 5, 2023. The referral incentive program pays \$15,000 to an existing franchisee of ours or any of our affiliated brands who first directly refers a candidate who: (a) has not previously been referred to us by another source or otherwise been in contact with and/or engaged with us, our affiliates or third party consultants or agents; (b) has not previously signed a Franchise Agreement with us or any of our affiliated brands; (c) who meets our qualifications for becoming a franchisee; (d) signs a Franchise Agreement in a new location on or before September 1, 2024 (the “**2024 Referral Period**”); and (e) pays the Franchise Fee and any applicable Additional Population Fee in full at the time of signing the Franchise Agreement. The incentive payment is only paid with respect to the first Territory licensed from us by the candidate, regardless of the total number of franchises licensed in a single transaction. In addition, all existing franchisees who receive a referral incentive payment as described above may be eligible to win a sweepstakes prize equivalent to \$5,000 per referral we and any of our affiliated brands received during the 2024 Referral Period. We anticipate that the referral sweepstakes will be scheduled to end at 11:59PM ET on October 31, 2024, but this may change at our sole discretion. An “**Existing Franchisee**” is the person or entity defined as “Franchisee” in the Franchise Agreement governing the referring Franchised Business. We reserve the right to apply incentive payments to any outstanding balances or past due amounts due to us by an Existing Franchisee. Additional terms and conditions may apply.

B. Conversion Referral Program

We offer a referral incentive program that pays ongoing incentive payments for up to three years (“**Incentive Period**”) to an Existing Franchisee (as defined above) of ours or any of our affiliated brands, subject to certain conditions, who first directly refers a candidate who: (a) has not previously been referred to us by another source or otherwise been in contact with and/or engaged with us, our affiliates or third party consultants or agents; (b) has not previously signed a Franchise Agreement with us or any of our affiliated brands; (c) who meets our qualifications for becoming a franchisee under the Conversion Incentive Program; (d) signs a Franchise Agreement with our standard terms in a new location on or before March 31, 2025; and (e) pays the Franchise Fee and any applicable Additional Population Fee in full at the time of signing the Franchise Agreement (“**Conversion Referral**”). The incentive payment is only paid with respect to the first franchise signed with us in a single transaction, regardless if additional Territories are acquired by the Conversion Referral during the Incentive Period. The incentive payments are paid by check to the Existing Franchisee within 45 days of the end of the quarter of the current calendar year,

according to the Conversion Referral's Royalty Fee payments made to us ("**Royalties Paid**"). The incentive payments will be calculated and paid according to the following schedule: (a) During the first 12 months following the Original Opening Date: 30% of Royalties Paid; (b) Months 13 through 36 following the Original Opening Date: 15% of Royalties Paid. We may require the Conversion Referral and the Existing Franchisee to sign a separate agreement acknowledging and agreeing to the terms of this program for eligibility purposes. We reserve the right to apply incentive payments to any outstanding balances or past due amounts due to us by an Existing Franchisee. Additional terms and conditions may apply.

We may change or eliminate the referral incentive programs at any time without notice. Franchisees participating in the referral programs are not our sales agents and are not authorized to make any statements on our behalf, including any statements related to the financial performance or prospect for success of any franchise.

We may change or eliminate the referral incentive programs at any time without notice. Franchisees participating in the referral programs are not our sales agents and are not authorized to make any statements on our behalf, including any statements related to the financial performance or prospect for success of any franchise.

Joint Marketing Programs and Cooperatives. We have the right to establish: (1) co-marketing programs in which Franchised Businesses and vendors (or other third parties) cross-promote each other's goods and services; (2) joint marketing efforts in which multiple Franchised Businesses contribute to a specific ad or event; and/or (3) local or regional marketing co-operatives ("Cooperatives") that pool funds of Franchised Businesses in a geographic area or with common characteristics on an ongoing basis to jointly promote the Marks and the Franchised Businesses. The amount we require you to spend or contribute to joint marketing programs and/or a Cooperative may be credited to your obligation for Local Marketing or, at our option, to your Brand Fund obligation, or any combination of the two. You are required to participate in each applicable joint marketing program and comply with the rules of the program. As of the date of this disclosure document, we do not require you to participate in or to contribute to an advertising cooperative. If a Cooperative applicable to the Franchised Business is established during the term of this Agreement, you are required to become a member no later than 30 days after the date we approve for the Cooperative to begin operation. We have the right to designate any geographic area or set of common characteristics for purposes of establishing a Cooperative.

Approval Requirement. All proposed advertising and promotional materials that you intend to use must be submitted to us for approval at least 30 days before their intended use. You do not have to submit samples of materials that were prepared by us or that we have approved within the last twelve months. Proposed advertising materials are deemed to be disapproved unless we have approved them in writing within 15 days after your submission of the samples. All advertising and promotion must be in the media and of the type and format that we approve, must be conducted in a dignified manner, and must conform to our standards. You may not make any television or radio appearance or any statement to any public media in connection with the Franchised Business or the MOSQUITO SQUAD brand unless you obtain our prior written approval.

You may not solicit or advertise to customers outside of your Territory without our permission. "Solicit" includes, but is not limited to, solicitation in person, by telephone, by mail, through the internet, social media, email or other electronic means, and by distribution of brochures, business cards or other materials or any other advertising. If any solicitation of customers within the Territory is in media that will or may reach persons outside of the Territory, you are required to notify us in advance and obtain our consent. If you receive a request for services or products from outside the Territory, you are required to refer that request to the Franchised Business located in the applicable territory (or to us, if we have not assigned the applicable territory to a Franchised Business). Notwithstanding the foregoing, under certain

limited circumstances, you may process a request from outside of the Territory if the requested service is permitted under our policies. If we permit you to advertise, solicit, service or sell in areas outside of the Territory that are not serviced by another Franchised Business or by us or an affiliate, you must comply with all of the conditions and other requirements that we specify in the Operations Manual or otherwise with respect to such activities. All franchisees that operate in the same marketing area may be required to use a common toll-free telephone number in their advertising media. All advertising, including internet-based advertising, must be designed to route customers to the franchisee serving that customer's location.

Electronic Marketing and Electronic Communications. The use of any digital or electronic medium constitutes advertising and promotion subject to our approval. Unless we have agreed to it in writing, you may not use, register, maintain, or sponsor any website, URL, social media, blog, messaging system, email account, username, text address, mobile application, or other digital, electronic, mobile or internet presence that uses or displays any of our trademarks (or any derivative thereof) or that promotes any products or services of the Franchised Business. You may not, directly or indirectly, post or transmit advertisements or solicitations by telephone, e-mail, text message, instant message, website, social media, mobile apps, VoIP, streaming media, or other electronic media that are inconsistent with our brand advertising guidelines and standards. The brand advertising standards may include the use of disclaimers, warnings, and other statements that we prescribe. You are responsible for ensuring that your employees understand the policies relating to the use of social media and you are responsible for your employees' use of social media in accordance with such policies. We have the right to require that social media accounts, profiles, pages, and registrations that primarily promote the Marks or your Franchised Business be registered in our name. For any such accounts that we permit to be registered in your name, you agree to provide us with the current login credentials within five days after opening the account or changing the credentials. We have the rights to: (i) access any social media accounts to take corrective action if the account or any postings are in violation of our policies; and (ii) take ownership of the accounts on expiration or termination of the Franchise Agreement and operate them thereafter as we see fit. We may offer to provide, or may require that you have, a website for your Franchised Business (which may be structured as a separate page of a website supported by the Brand Fund).

Pricing and Promotional Activities. To the extent permitted by applicable law where your Franchised Business is located, we have the right to establish maximum and/or minimum prices that you must follow for goods and services sold by the Franchised Business. You must participate in and comply with the terms of special promotional activities that we prescribe for Franchised Businesses generally or in specific geographic areas or for specific types of venues. These activities may include special offers, limited time offers, and pricing promotions. You must bear your own costs of participating in these activities, and must display promotional signs and materials and otherwise participate in the manner we request.

Franchisee Advisory Council. We have an Advisory Council currently made up of six franchisees, who are nominated by franchisees and appointed by us. The Advisory Council meets usually twice per year to discuss matters of common interest, including any advertising or marketing strategies. We will consider the Advisory Council's recommendation, but we have the sole right to accept or reject its recommendations. At least one member from our corporate office serves as a liaison to these meetings. We have the right to change, modify or dissolve the Advisory Council.

Technology Requirements

We have the right to specify the point-of-sale (POS) system, customer relationship management (CRM) system, back-office system, software applications, audio/visual equipment, security systems, electronic payment devices, and other hardware, software, and network connectivity for the Franchised Business. You must sign any standard license agreement or user agreement that may be required to use a system that we specify. You must use the required systems for service calls, managing inventory, reporting

Gross Revenue and other information, training personnel, and other functions as we specify from time to time. You must ensure that your employees are adequately trained to use the systems and that they follow applicable policies.

As of the date of this disclosure document, we require the following:

- You must have or purchase a personal computer, smart phone, and/or tablet capable of running the latest version of Microsoft Windows or iOS operating system. Your computer must be equipped to support Microsoft Office Professional suite and latest versions of Microsoft's web browser or Safari browser software. We estimate the cost for these items will range from \$800 to \$2,000.
- You must have access to the internet, communication networks and telephone system with adequate speeds to connect to our systems and conduct daily business activities. We estimate this cost will be in the range of \$300 to \$1,500 per year depending on your providers and the number of services you choose to purchase.
- We require that you purchase third party software or license software as a service (SaaS) (this could be email, QuickBooks, Qvinci, or other software) from us or our approved vendor list to support business activities and information / data integration to our systems. You must pay to our designated vendor the then-current fee. The current Technology Fee is described in Item 6.
- You must implement and use the ServiceMinder software (and any other software that we designate) before your Franchised Business opens and in the operation of your Franchised Business. See Item 6, Item 7 and Item 8.
- You are required to implement industry-standard administrative, physical, and technical security measures and devices, including firewalls and anti-virus systems, to protect your systems and data from unauthorized access, acquisition, loss, destruction, disclosure or transfer. You are solely responsible for protecting the Franchised Business from viruses, computer hackers, and other communications and computer-related problems. You must update and patch your systems, at your expense, as the software and technology vendors release them to ensure your computer system is adequately protected from cyber threats. You may buy the firewall protection system, the virus protection and the content management software programs from any company that sells them. You will be solely responsible for data and data breaches and the associated risks and liability, even if we recommend a vendor. If you refuse to purchase any required security products, we may purchase them for you and you must reimburse us. You are also required to use best efforts to verify that your suppliers, lenders, landlords, customers, and governmental agencies are reasonably protected. In the event of a known or suspected security breach, you agree to notify us promptly and comply with applicable laws and any instructions from us regarding response to the breach.
- You must update and upgrade your technology, at your expense, as we may require periodically to meet our specifications as they evolve. Upgrades, in some cases, may only be available through our designated suppliers. We may change the designated suppliers occasionally on written notice to you. (See Item 8). Neither we nor our affiliates have any obligation under the Franchise Agreement to provide ongoing maintenance, repairs, upgrades or updates and cost of this obligation. There is no contractual limitation on the frequency or expense you may incur for hardware and software upgrades and updates. We estimate the total annual cost of optional or required maintenance, updates and upgrades will be \$290 to \$1,000 per year.

We anticipate the cost to purchase or lease a computer system and software meeting the above requirements will range from approximately \$1,645 to \$5,030 (assuming one user of ServiceMinder on the low end and twelve users on the high end) if you do not already have the necessary system and software.

Our system requirements and specifications may evolve over time. You must promptly update and upgrade your systems as we require, at your own expense. There is no contractual limitation on the frequency and cost of this obligation. We have the right to change to a different vendor for all of these systems and, in some cases, required items may only be available through us and/or designated vendors.

Data Access. We have the right to independently access (i) the systems that we require you to use in the operation of your Franchised Business from time to time, and/or (ii) any other systems that you use to store or process Confidential Information or to display the Marks and/or Proprietary Products to others. We also have the right to require you to deliver business data to us. We can use (and to authorize others to access and use) franchisees' business data to, among other uses: (i) verify sales; (ii) monitor progress of Franchised Businesses, including compliance with Minimum Performance Requirements; (iii) prepare a financial performance representation for our disclosure document; and (iv) share vendor and supplier pricing data with our affiliates. There is no contractual limitation on our right to receive or use this information.

We own and have the right to access all Customer Data (defined in Item 14), in whatever form existing, and wherever stored. Because we own the Customer Data, we can (subject to applicable law) share it with our affiliates, service providers, contracted third parties, or any other person, for any purpose, without notifying or compensating you, both during and after the term of the Franchise Agreement, including marketing and cross-selling products and services. Whenever we request, and without request upon termination or expiration of your Franchise Agreement, you must promptly deliver all Customer Data in your possession or control, without retaining any of it in any media. You may not sell or disclose to anyone else any personal information or aggregated or non-aggregated Customer Data without first obtaining our written consent. In the event of an approved sale of the Franchised Business to a new owner who will continue to operate the Franchised Business under an agreement with us, you are required to transfer the Customer Data to us and we will transfer the Customer Data to the new owner, or we may require you, in our sole discretion, to transfer the Customer Data directly to the new owner.

If permitted by applicable law, we may monitor your e-mail or other electronic communications and may disclose this information if we have a good faith reason to believe it is necessary for the purposes of ensuring your compliance with the Franchise Agreement or protecting our rights, property and interests (or those of our affiliates and franchisees and customers of our franchisees). As you use the MOSQUITO SQUAD website, you may receive, access or use information, materials, graphics, software, data and content originated by us or other parties. We may terminate or suspend your access to, and listing or related information on, the MOSQUITO SQUAD website at any time. Upon termination or suspension, your right to use the MOSQUITO SQUAD website will immediately cease and any information you may have stored on the MOSQUITO SQUAD website may no longer be accessible or available for retrieval. Operations Manual

The Table of Contents of the Operations Manual is in Exhibit H to this disclosure document. The Operations Manual has 349 pages.

ITEM 12 **TERRITORY**

Your franchise is granted for the Approved Location only. You may not relocate your business premises without our prior written approval. Relocation must be to a location within your Territory (described below). If you ask to relocate, we will evaluate your request using the same standards that we apply to reviewing the proposed location of new Franchised Businesses. Unless otherwise agreed in writing, relocation does not change your Territory.

You will have a protected territory (“**Territory**”) during the term of your Franchise Agreement, provided you are in full compliance with the terms of the Franchise Agreement, including certain Minimum Performance Requirements (described below) and your obligation to primarily service customers in your Territory. “Protected” means that we will not operate a business under the Marks and the System in the Territory or authorize others to operate Franchised Businesses within the Territory, except as described below. This does not prohibit us from advertising or soliciting in your Territory for the purpose of recruiting prospective employees or independent contractors. You will be able to choose your Territory based on available pre-defined Territories.

You do not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Typically, the Territory is based on demographics including population density, average income, and other characteristics of the surrounding area, natural boundaries, extent of competition, and the amount and size of urban, suburban and rural areas. For a Standard Territory, we generally grant only one franchise per territory with a population between 350,000 and 500,000 people (or incremental portion thereof) in the designated geographical location (“**Population Limit**”). However, adhering to the Population Limit may not be practical when considering limitations on geography, housing availability, natural physical boundaries, and population and demographic shifts. We have and may grant larger territories in some situations. In our discretion, we will also consider granting a Micro Territory for areas that fall below 350,000. We will use the most recent population information available in the U.S. Census Data, or other population statistical sources of our choosing, to determine populations. “Territory” refers to both a Standard Territory and a Micro Territory, as applicable. Once we have determined your Territory, it will be defined in Appendix A to your Franchise Agreement. During the initial term of the Franchise Agreement, you will maintain rights to your Territory even though the population in your Territory may increase or decrease. However, on renewal, we will have the right to reconfigure the Territory (including, for example, changing from a Micro Territory to a Standard Territory if a population increase puts it over the population threshold for a Micro Territory, or reducing the size of the Territory to keep it within the Micro Territory population).

In our sole discretion, we may allow you to add zip codes to your existing Territory during the term of your Franchise Agreement. If we do so, you will be required to pay our then-current Additional Population Fee for the populations included within the added zip code boundaries, currently \$0.10 per person.

We reserve the right to change, modify, or delete the Population Limit in our sole discretion. We will use our business judgment to determine whether the Population Limit makes good business sense for us and of our franchisees.

We and our affiliates retain all rights not expressly granted to you in the Franchise Agreement. Among other things, regardless of the proximity to or the effect on your Franchised Business, we and our affiliates can:

- establish, operate, franchise, and license others to operate businesses under the Marks at any location outside of the Territory;
- operate a business under the Marks inside the Territory if: (i) we (or our affiliate) are operating a business under the Marks in the Territory as of the date you sign the Franchise Agreement; or (ii) we have notified you before you sign the Franchise Agreement that we (or our affiliate) intend to operate a business under the Marks in the Territory;
- use the Marks in other lines of business, anywhere in the world;
- operate, and to grant others the right to operate, similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Territory, under trademarks or service marks other than the Marks.
- develop, manufacture, have manufactured, advertise, market, sell and distribute, at retail or wholesale, and license others to manufacture, sell or distribute, goods or services that are identical or similar to and/or competitive with those provided at your Franchised Business, whether under the Marks or any other name or mark, through dissimilar channels of distribution, including but not limited to through the internet, mobile applications, telemarketing, retail stores, and wholesale clubs, or other distribution outlets (other than Franchised Businesses) both inside and outside the Territory;
- establish and operate, and to grant others the right to operate, businesses offering dissimilar products and services both inside and outside the Territory under the Marks; and
- acquire, be acquired by, or merge with other brands or outlets, even if the concepts or outlets are similar to the business operated under the System, and even if they have locations in the Territory. We will also have the right, in our sole discretion, to convert one or more outlets of the acquired, acquiring or merged brand to a Franchised Business within the Territory.

We have no obligation to compensate you in connection with any of these activities.

Activities Outside of the Territory. You may not perform services or sell products related to the Franchised Business outside of the Territory without our prior written consent, which we may give and withdraw as we deem appropriate, and which we may condition on you obtaining a separate phone number or other requirements. You may not solicit or advertise to customers outside of the Territory without our permission. “Solicit” includes, but is not limited to, solicitation in person, by telephone, by mail, through the internet, social media, email or other electronic means, and by distribution of brochures, business cards or other materials or any other advertising. If any solicitation of customers within the Territory is in media that will or may reach persons outside of the Territory, you are required to notify us in advance and obtain our consent. If you receive a request for services or products from outside the Territory, you are required to

refer that request to the Franchised Business located in the applicable territory (or to us or our affiliate, if we have not assigned the applicable territory to a Franchised Business). However, under certain limited circumstances, you may process a request from outside of the Territory if the requested service is permitted under our policies or otherwise approved by us. If we permit you to advertise, solicit, service or sell in areas outside of the Territory that are not serviced by another Franchised Business or by us (or our affiliate), you will be required to comply with all of the conditions and other requirements that we may from time to time specify in the Brand Standards Manuals or otherwise in writing with respect to such activities. We may at any time condition your continued out-of-Territory sales and services on your agreement to license the franchise rights for the territory in which the sales and services are being performed. At any time upon our demand or upon notice from us that the territory in question has been assigned to another Franchised Business, you must immediately cease all activities in that territory and comply with our procedures for the transition of customer accounts for that territory. Under no circumstances will we be liable to you for violations by other Franchised Businesses of our policies on out-of-Territory sales and services.

Key Accounts. We may from time to time enter into agreements to provide services to customers as part of a national, regional or key account program (“**Key Accounts**”) at locations which include locations within the Territory. To participate in the Key Account program, you must meet the following qualifications: (i) be in compliance with all agreements you have with us; (ii) submit all required documents to us, including but not limited to proof of insurance, a W-9 form, EIN notice, and any other documentation we may request and/or require from time to time; and (iii) satisfy any additional training requirements we designate as a condition of participation in the program. We may charge you a fee to participate in Key Accounts (see Item 6), and you must sign our then-current Key Account agreement (not applicable as of the date of this disclosure document). You must accept and perform the terms of such agreements (including, without limitation, special pricing, payment terms, timing of services, and central invoicing) with respect of locations within the Territory. Certain Key Account agreements may require you to pay rebates to the customer, which we will negotiate with the customer on a case-by-case basis. If you refuse to perform the required services or we determine that your Franchised Business is not qualified, interested, able or available to perform the services, you are required to allow either our employee(s) or another franchisee to enter the Territory to perform the required services. In the case of an agreement under which the customer will pay a fixed amount for services at all locations listed in the agreement, we may allocate the fixed amount among the businesses performing the services.

Other Channels of Distribution. You may not offer products or services through any channel other than those we have expressly approved. If you request approval of any other distribution channel or type of outlet, we will consider the factors we deem appropriate, which may include the period of time you have been operating the Franchised Business, your sales volume, whether you have met quality standards and other benchmarks, and other standards that we may determine. You may not sell products to any vendor who would in turn sell to consumers.

[Remainder of page intentionally left blank]

Minimum Performance Requirements and Modifications to Your Territory. During the term of your Franchise Agreement, you will be required to meet the following minimum performance requirements (the “**Minimum Performance Requirements**”):

Time Period Following the Original Opening Date* of the Franchised Business	Minimum Gross Revenue for Standard Territory	Minimum Gross Revenue for Micro Territory
Second Full Calendar Year after Original Opening Date	\$75,000	\$50,000
Third and each subsequent Full Calendar Year after Original Opening Date through the Balance of the Term	\$150,000	\$100,000

There are no Minimum Performance Requirements for the first full calendar year after the Original Opening Date.

If you do not achieve the applicable Minimum Performance Requirements, we will have the right to require you to implement a revenue improvement program, as we specify, which may include, among other things, engaging in specified marketing activities, by the conclusion of which you are required to achieve the Minimum Performance Requirements.

If you still do not achieve the Minimum Performance Requirements after implementing a revenue improvement program, we will have the right to: (i) reduce the size of the Territory (with a corresponding adjustment in the Minimum Performance Requirements if the reduced Territory falls below our then-current territory size); or (ii) terminate your Franchise Agreement.

We do not have an obligation to reserve contiguous territories for you. You do not receive an option, right of first refusal or similar rights to acquire additional franchises within your Territory or contiguous territories.

As noted in Item 1, we have several affiliates that offer franchises for other types of services under different trademarks. As of the date of this disclosure document, they do not sell goods or services similar to those of the MOSQUITO SQUAD franchise, but some of their goods and services may be viewed as complementary to our brand’s goods and services. You do not receive any rights with respect to the franchises offered by our affiliates. Neither we nor any of our affiliates have established any formal procedures to resolve conflicts that may develop among the affiliates concerning territory, customers, or franchisor support.

ITEM 13
TRADEMARKS

The principal marks we license you to use are the MOSQUITO SQUAD mark and logo shown on the cover page of this disclosure document. The term “**principal marks**” means the primary trademarks, service marks, names, logos, and commercial symbols that you will use to identify the Franchised Business and does not include every trademark associated with the MOSQUITO SQUAD brand. The term “**Marks**” is

a broader term encompassing all of the marks we designate for the operation of MOSQUITO SQUAD Franchised Businesses.

The following Marks are registered on the Principal Register of the United States Patent and Trademark Office (“USPTO”):

All required affidavits and renewals have been or will be filed for the Marks listed above.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or of any court, nor is there any pending infringement, opposition or cancellation proceedings or any pending material litigation involving the principal marks. There are no currently effective agreements that limit our right to use or license the use of the principal marks. We do not know of any superior prior rights or infringing uses that could materially affect your use of the principal marks in your state. We may also use a number of unregistered, common law trademarks.

You must follow our rules when you use our Marks. You may not use any of the Marks as part of your corporate or legal name, business organization or trade name, as part of an internet domain name or URL, or in connection with any prefix, suffix or other modifying words, terms, designs or symbols or in any modified form, or as otherwise prohibited in the Brand Appendix. You must get our prior written approval of your company name before you file any registration documents. Guidelines regarding proper trademark use and notices are in the Operations Manual and will be updated periodically in our discretion. You may use the Marks to promote and to offer for sale only the products and services that we have approved, and not use any Marks in association with the products, materials, or services of others or in any other manner that we have not expressly approved.

You must notify us promptly of any unauthorized use of the Marks that you suspect or of which you have knowledge. You also agree to inform us promptly of any challenge to the validity of, our

ownership of, or our right to license others to use any of the Marks. We have the exclusive right (but no obligation) to initiate, direct and control any litigation or administrative proceeding relating to the Marks, including any settlement. The Franchise Agreement does not require us to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving the Marks. However, if we request you to join in any action, we will bear all of your out-of-pocket costs for such participation. You agree to sign documents and render any other assistance our counsel may deem necessary to protect our interests in the Marks. If we replace, add to, modify, or discontinue any of the Marks, you must make corresponding changes as we direct. If this happens, you are responsible for the costs of compliance (for example, changing letterhead and business cards). You must not directly or indirectly contest our rights to the Marks, or any other trademarks, trade names, service marks, logos, trade secrets or business techniques that are part of our business.

You are required to operate, advertise, and promote the Franchised Business only under the Marks. In conjunction with any use of the Marks, you are required to conspicuously identify yourself in all dealings with customers, employees, contractors, landlords, vendors, suppliers, reporters, public officials, and others as an independent franchisee operating under authority of this Agreement. You are required to display a prominent notice, in a form that we may prescribe, in the premises of the Franchised Business and on all business cards, stationery, advertising, signs, vehicle wraps, invoices, and other public-facing materials, identifying us as the owner of the Marks and stating that you are a licensed user of the Marks. All legal documents, contracts, invoices, payroll forms, purchase orders, filings, permits, licenses, and other materials between you and customers, employees, contractors, landlords, vendors, suppliers, government agencies, and other third parties must identify you by your own company or legal name and, if the document requires a signature, be signed by you in your own company or legal name.

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents. We do not own any patents that are material to the franchise. However, we have applied for the following patent with the USPTO:

Title	Application Date	Application Number	Projected Publication Date
Botanical Pesticide Compositions	October 13, 2023	18/487,012	April 17, 2025

This patent application is for insecticidal compositions of botanical extracts that can be used to control mosquito populations. To our knowledge, as of the issuance date of this disclosure document, there are no currently effective, final material determinations of the USPTO or any court involving the patent application. We know of no pending infringement, opposition or cancellation proceedings and no material litigation involving the patent application. We are not aware of any infringing act that could materially affect your use of the inventions and the underlying products and processes that are disclosed in the patent application. There are no agreements that significantly limit the right to use the invention or the underlying products and processes disclosed in the patent application.

We have no obligation under the Franchise Agreement to prosecute or protect the patent application or to defend you against claims arising from your use of the invention or underlying products and processes, although we may do so voluntarily in our discretion. You must notify us immediately of any challenge to your right to use it. The Franchise Agreement does not require us to take affirmative action when you notify

us; we are free to take the action we believe to be appropriate. We have the right to control any administrative proceeding or litigation involving the patent application.

Copyrights. We claim copyright protection for certain materials (the “**Works**”), which may include, but are not limited to, the Operations Manual, our websites, mobile apps, advertisements, artwork, promotional materials, signs, and vehicle graphics. You can use the Works only for the purpose of establishing and operating your Franchised Business. If you prepare any adaptation, translation or other work derived from the Works, whether or not authorized by us, the material will be our property and you must assign all your right, title and interest therein to us. You must sign any documents we deem necessary to confirm our ownership.

Proprietary Information. We claim proprietary rights in all Confidential Information, as defined in the Franchise Agreement, proprietary CRM, financial, local marketing, operating and scheduling software systems (which we reserve the right to change from time to time) identified in the Operations Manual, the standards, methods, procedures and specifications of the System and the contents of the Operations Manual. You must maintain the absolute confidentiality of the Confidential Information both during the term and after the termination or expiration of the Franchise Agreement and not disclose any of the Confidential Information for any reason except as permitted by the Franchise Agreement. You can disclose the Confidential Information to your owners, officers, directors, members, partners, manager and employees only to the extent necessary for the operation of the Franchised Business in accordance with the Franchise Agreement. You further agree not to use any of the Confidential Information, directly or indirectly, in any other business or in any other manner or obtain any benefit from it not specifically approved in writing by us both during the term of the Franchise Agreement or afterwards. You may not at any time copy, duplicate, record or otherwise reproduce any part of the Operations Manual.

All data that you collect from customers and potential customers in connection with the Franchised Business during the term of the Franchise Agreement (“**Customer Data**”) is our proprietary information and property and you must provide the Customer Data to us at any time that we request. We reserve the right to require that you provide us with remote access to your computer systems and all data related to the Franchised Business stored therein, in a manner that meets our System Standards and specifications. You have the right to use Customer Data while the Franchise Agreement or a renewal Franchise Agreement is in effect, but only in connection with operating the Franchised Business and only in accordance with the policies that we establish from time to time. You may not sell, transfer, or use Customer Data for any purpose other than operating and marketing the Franchised Business. In the event of an approved sale of the Franchised Business, to a new owner who will continue to operate the Franchised Business under an agreement with us, you are required to transfer the Customer Data to us and we will transfer the Customer Data to the new owner, or we may require you, in our sole discretion, to transfer the Customer Data directly to the new owner. At the expiration or termination of the Franchise Agreement for any reason, you will promptly turn over to us the Customer Data and make no further use of it for any purpose. Since your business relationship with customers is attributable solely to the Marks and the goodwill associated with the Marks, all such business relationships with all customers will revert to us and become our sole and exclusive property upon termination or expiration of the Franchise Agreement.

You may not introduce any “**Improvement**” (defined as any change, idea, innovation, concept (including any advertising slogan or idea), product, process, or improvement that may enhance or improve the System) into the Franchised Business without our prior written consent. Any Improvement developed by you or any owner, employee or agent is deemed to be our property. At our request, you must provide us with information about the Improvement and sign any documents necessary to verify assignment of the Improvement to us, without compensation. We will have the right to use, disclose, and/or license the Improvement for use by others.

ITEM 15
**OBLIGATION TO PARTICIPATE IN THE ACTUAL
OPERATION OF THE FRANCHISED BUSINESS**

You must designate an individual who will be responsible for the day-to-day operational performance of the Franchised Business and who has the authority to bind Franchisee in all decisions regarding the Franchised Business (the “**Key Person**”). The Key Person must be an Owner of the Franchised Business, must successfully complete our Training Program described in Item 11 and must work on premises at your business office.

If you request and we approve that an Owner not serve as the Key Person, you must identify an individual to serve as the General Manager of the Franchised Business and such General Manager will be the Key Person. The General Manager must successfully complete our Training Program described in Item 11 and must work on premises at your business office.

We have the right to rely on any statement, agreement, or representation made by the Key Person on your behalf. The Key Person must certify your financial statements as correct and complete to the best of the Key Person’s knowledge. If the Key Person leaves your organization, you must nominate a replacement within 30 days, and if you have not obtained our approval of a replacement within 90 days, you will be in material default of the Franchise Agreement.

If the Franchisee is or will be a business entity, all of its Owners (whether or not they are involved in the operation of the Franchised Business) who own five percent (5%) or greater interest in the business entity must sign the Personal Guarantee attached to the Franchise Agreement, making each Owner individually liable for all obligations under the Franchise Agreement. If any of your Owners is also a business entity instead of an individual, we have the right to require that the Personal Guarantee be executed by individuals and any other business entities that have direct or indirect ownership in the Franchisee.

The spouse of an Owner is not required to sign a Personal Guarantee if the spouse has no ownership interest in the business entity. However, the spouse will be required to sign a Spouse Acknowledgement in the form attached to the Personal Guarantee, by which the spouse acknowledges that we are relying on all assets of the guarantor, including jointly owned marital property, in accepting the guarantor’s obligations. The Spouse Acknowledgment is attached to the Franchise Agreement. The spouse also agrees to be bound by the non-competition and non-disclosure restrictions, dispute resolution provisions, and governing law provision contained in the Franchise Agreement.

At our request, the Owners, Key Person, officers, directors, limited liability company managers and/or members, and executives that we designate are required to sign a separate Confidentiality and Non-Compete Agreement (the form of which is attached to the Franchise Agreement). In addition, you and the Owners authorize us to run credit and background checks and to make inquiries of your bank, suppliers, and trade creditors concerning the Franchised Business.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You are required to offer and sell all products and services that we designate as required items for MOSQUITO SQUAD Franchised Businesses. You may also offer for sale any optional products and services that we have approved for sale in the Franchised Business. You are prohibited from offering any unapproved products or services without our prior written consent, and you must discontinue selling or offering for sale

any products or services that we disapprove at any time. You primarily will be targeting homeowners as customers.

We have the right to add products or services that you must offer. There are no contractual limits on our right to do so. We will have the right to determine if services offered are appropriate for your Franchised Business.

Customer Warranty. You must provide to your customers a full satisfaction guarantee that we require in the Operations Manual on all treatment services provided in your Franchised Business. We may change the required warranty and satisfaction guarantee at any time.

You may not offer products or services through any channel other than those we have expressly approved. If you request approval of any other distribution channel or type of outlet, we will consider the factors we deem appropriate, which may include the period of time you have been operating the Franchised Business, your sales volume, whether you have met quality standards and other benchmarks, and other standards that we may determine. You do not receive the right to sell products to any vendor who would in turn sell to consumers.

In the marketing and operation of the Franchised Business, you must use only the customer contracts, waivers, and/or other forms we designate from time to time. We may provide templates or sample forms of such items, but it is your responsibility to have all items which are to be used with prospective and/or actual customers reviewed by an attorney licensed to practice law in the state(s) where the Franchised Business is operated, for compliance with all applicable state and local legal requirements. We do not represent that any contracts, waivers and/or other forms and/or materials we supply are in compliance with the laws of any particular state(s) or locality.

You must provide services for any Key Accounts with locations in your Territory (see Item 12). If you refuse to perform the required services, or if we determine that your Franchised Business is not qualified, interested, able or available to perform the services, you are required to allow us or another franchisee to service the Key Account.

You may not perform services or sell products related to the Franchised Business outside of your Territory without our prior written consent, which we may give and withdraw as we deem appropriate. We may condition approval on, among other things, you obtaining a separate phone number or other requirements. You may not solicit or advertise to customers outside of the Territory without our permission. "Solicit" includes, but is not limited to, solicitation in person, by telephone, by mail, through the internet, social media, email or other electronic means, and by distribution of brochures, business cards or other materials or any other advertising. Please see Item 12 for further details.

You may be required to participate in programs relating to gift cards, gift certificates, stored value cards, online or mobile coupons or credits, online or mobile ordering systems, and other electronic money programs we prescribe for Franchised Businesses. Participation includes both issuing program benefits or credits and accepting them for payment by customers, and may require you to purchase additional equipment. We will have the right to coordinate the crediting and debiting of funds among Franchised Businesses based on customer purchases and redemption of stored value. You are also required to participate in any customer loyalty programs we prescribe. You may not offer your own gift card, electronic money, or loyalty program for the Franchised Business without our prior written approval.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

In this Item, we present certain historical information for Franchised Businesses and Company-Owned Outlets for the 2023 fiscal year and prior years. The explanatory notes following the tables are an important part of the information presented. As of December 31, 2023, we had 95 franchisees operating in 217 Territories. The data in this Item from the period before May 14, 2021 was collected by our predecessor, MSQ.

TABLE 1
GROSS REVENUE PER TERRITORY, BY QUARTILE
(For the Fiscal Year Ended December 31, 2023)

Table 1 includes 202 territories that were open and operating for the entire 2023 fiscal year. Excluded from the Table are 15 territories that opened during the fiscal year and 11 territories that ceased operations during the fiscal year.

Notes:

- (1) Total Gross Revenue of the Territories in the quartile, as reported by those Territories. The term “**Gross Revenue**” is generally defined in the applicable forms of franchise agreement as all revenue from the sale of products and services and all other income of every kind related to the Franchised Business, whether for cash, credit, trade, barter or other value and regardless of collection in the case of credit and even if you have contracted with third parties to provide certain of the services, less any bona fide refunds given to customers in the ordinary course of business. Gross Revenue also includes amounts billed to insurance or government programs. Further, Gross

Revenue includes all revenue related to the sale of any products and the performance of any services (whether or not the products or services are approved by us) that are provided using any portion of the Franchised Business in any manner, including the Marks (such as service vehicles, invoices, and uniforms bearing the Marks), the System, Confidential Information, any of the employees of the Franchised Business, or the telephone number of the Franchised Business. Gross Revenue is not reduced on account of any fees or commissions you pay to third parties who refer customers. The Gross Revenue data for a franchisee may include sales in “open” Territory, that is, territory that had not been awarded to a franchisee.

- (2) The averages reported in the table are calculated by dividing the aggregate Gross Revenue by the number of the Territories in the respective quartile.

* * *

Tables 2 through Table 7 below include 85 franchisees (representing 185 Territories) that reported information using our CRM platform and submitted a year-end profit and loss statement (“P&L”). The Tables exclude 10 franchisees (representing 32 Territories) where a full year P&L was not submitted. Some franchisees operated multiple Territories; in these instances, we combined the Gross Revenue data for all Territories owned by that franchisee. The 185 Territories include eight that were opened during the fiscal year under existing franchisees.

TABLE 2
COST PER LEAD AVERAGE

Table 2 below sets forth the average cost that a franchisee spent in marketing dollars to generate a prospective customer. The “Cost Per Lead” is determined by dividing the franchisee’s total marketing spend for the fiscal year by the total number of prospective customers. A “Prospective Customer” is defined as any person who contacts the franchisee, and the franchisee enters that person’s contact information into the CRM system as a new customer, meaning the customer had not been in the system in the prior year. The franchisees are ranked by lowest Cost Per Lead average.

**TABLE 3

Table 3 below sets forth the average cost that a franchisee spent in marketing dollars to generate a new customer. The “**Cost Per Sale**” is determined by dividing the franchisee’s total marketing spend for the fiscal year by the total number of new customers in the CRM system. A “**New Customer**” is defined as a prospective customer who received at least one service appointment from a franchisee. A “**Service Appointment**” is defined as the application of a pesticide treatment at a property. The franchisees are ranked by the lowest Cost Per Sale average.

The “**Close Rate Average**” is determined by dividing the franchisee’s total number of New Customers as reported in the CRM system by the total number of Prospective Customers as reported in the CRM system. The franchisees are ranked by the highest Close Rate Average.

TABLE 5
RENEWAL RATE AVERAGE

Table 5 below sets forth the average renewal rate for the included franchisees in 2023. The “**Renewal Rate**” is determined by dividing the franchisee’s total number of renewal customers as reported in the CRM system by the total number of prior year customers as reported in the CRM system. A “**Renewal Customer**” is defined as a customer who received at least one Service Appointment (SA) in 2022 and who received at least one SA in 2023. A “**Prior Year Customer**” is defined as any customer who received an SA in 2022 but not in the 2023 fiscal year. The franchisees are ranked by the highest Renewal Rate average.

TABLE 9
GROSS REVENUE AND SELECTED OPERATING EXPENSES FOR CERTAIN
COMPANY-OWNED TERRITORIES

Table 9 reports the 2023 Gross Revenue and certain Operating Expenses for the 14 Company Owned Territories operating in Massachusetts, New Hampshire, and Rhode Island combined into a single presentation. The Company-Owned Territories report Gross Revenue on an individual Territory basis but share operating expenses. The P&L is reported into a single presentation to show an accurate representation of the entire operation without assumptions made on the proper allocation of expenses across the individual locations. These Company-Owned Territories are each governed by a franchise agreement with us and generally have a population size equivalent to a Standard Territory. We have excluded one Company-Owned Territory in Georgia because it is an atypical operation (the territory size is smaller than our typical territory size and the operation is used primarily as a support resource for corporate and franchisee training).

(2) This column refers to the number of territories that we expect to be covered by new Franchise Agreements signed in 2024.

Exhibit F lists our franchisees as of December 31, 2023.

Exhibit G lists franchisees that: (i) had a franchise terminated, canceled, or otherwise voluntarily or involuntarily ceased to do business under a Franchise Agreement in 2023; (ii) had a franchise not renewed during 2023; or (iii) transferred ownership of the Franchised Business during 2023. There are no franchisees who have not communicated with us within the ten weeks prior to the issuance date of this disclosure document.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us or the MOSQUITO SQUAD franchise system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees may be able to communicate with you.

The MOSQUITO SQUAD Franchisee Advisory Council is sponsored by us; its members are nominated and elected by franchisees. You can reach the organization at 7120 Samuel Morse Drive, Suite 300, Columbia, Maryland 21046, (410) 740-1900, Chris Faulkner (FAC Chairperson) cfaulkner@mosquitosquad.com.

FRANCHISE AGREEMENT

This Agreement is between the company identified as “Franchisor” on the cover page (“we”, “us” or “Franchisor”), and the individual or company identified as “Franchisee” on the cover page (“you” or “Franchisee”). If Franchisee is a company, the term “Owners” means the individual(s) identified on the Data Sheet as the owners of the Franchisee, plus any other individual(s) we may approve in the future to hold an interest in the Franchisee.

1. DEFINITIONS

The terms defined in this Section 1 have the meanings set forth below. Other capitalized terms used in this Agreement are defined where they first appear within the text.

1.1. “Agreement Date” means the Agreement Date shown on the cover page of this Agreement.

1.2. “Approved Location” means the street address or specific site that we have approved for your business premises, as shown on the cover page of this Agreement. If the Approved Location has not been determined when we sign this Agreement, you are required to obtain our approval of a location within three (3) months after signing this Agreement. Once we approve the location, we will insert the street address or specific site on the cover page of this Agreement or otherwise confirm the approved address to you in writing.

1.3. “Brand” means the brand identified on the cover page of this Agreement.

1.4. “Brand Appendix” means Appendix B to this Agreement, which sets out certain business terms specific to the Brand.

1.5. “Brand Fund” means the fund to which you will contribute to support development and recognition of the Brand, as more fully described in Section 10.2, and may be referred to by names other than the “Brand Fund.”

1.6. “Brand Standards” means our required and recommended specifications, standards, policies and procedures for products, services, image, and operations of Franchised Businesses.

1.7. “Brand Standards Manuals” means, collectively, the materials and content we have developed relating to the establishment and operation of Franchised Businesses, consisting of one or more manuals, handbooks, and training materials regardless of format, including electronic files, video or audio recordings, and other media or otherwise communicated in writing to you, all of which we can modify, replace and supplement. The Brand Standards Manuals are sometimes referred to as the “Operations Manuals.”

1.8. “Confidential Information” means all knowledge and data not generally known to the public, whether or not constituting trade secrets, that we disclose to you and/or the Owners or that you obtain by virtue of this Agreement or any activities under this Agreement, including but not limited to: (i) methods, techniques, specifications, standards, policies, procedures, and design and layout plans relating to the operation of Franchised Businesses; (ii) future marketing plans and promotional programs for the Brand; (iii) customer data and other information concerning consumer preferences; (iv) inventory requirements and specifications; (v) sales, operating results, financial performance and other financial data of Franchised Businesses; (vi) the contents of the Brand Standards Manuals and our training programs; (vii) vendor lists,

terms of purchase, and other information concerning the selection and sourcing of products, services, technology, equipment and supplies; (viii) marketing studies, surveys, and cost studies; (ix) research and development, test results, and feasibility studies; and (x) business plans and non-public financial information of or about us and our affiliates.

1.9. “Data Sheet” means Appendix A to this Agreement, which collects certain details specific to Franchisee and this Agreement.

1.10. “Designated Vendor” means a particular manufacturer, wholesaler, distributor or other source that we designate for particular products or services, which may be a third party, us, or our affiliate.

1.11. “Equipment Package” means the list of equipment and accessories that we prescribe for Franchised Businesses as of the time you are preparing to open.

1.12. “Franchised Business” means the business that you operate under this Agreement at and from the Approved Location. “Franchised Businesses” means your Franchised Business plus all other businesses that we have authorized to operate under the Marks and System by means of a valid franchise agreement.

1.13. “Gross Revenue” means all revenue from the sale of products and services and all other income of every kind related to the Franchised Business, whether for cash, credit, trade, barter or other value and regardless of collection in the case of credit and even if you have contracted with third parties to provide certain of the services, less any bona fide refunds given to customers in the ordinary course of business. Gross Revenue also includes amounts billed to insurance or government programs. You agree that “Gross Revenue” includes all revenue related to the sale of any products and the performance of any services (whether or not the products or services are approved by Franchisor) that are provided using any portion of the Franchised Business in any manner, including the Marks (such as service vehicles, invoices, and uniforms bearing the Marks), the System, Confidential Information, any of the employees of the Franchised Business, or the telephone number of the Franchised Business. “Gross Revenue” shall not be reduced on account of any fees or commissions you pay to third parties who refer customers. “Gross Revenue” does not include any sales taxes or other taxes you collect from customers and pay directly to the appropriate taxing authority. We reserve the right to modify our policies and practices regarding revenue recognition, revenue reporting, and the inclusion or exclusion of certain revenue from “Gross Revenue” as circumstances, business practices, and technology change.

1.14. “Improvement” means any change, idea, innovation, concept (including any advertising slogan or idea), product, process, or improvement that may enhance or improve the System.

1.15. “Key Person” means the individual who is responsible for the day-to-day operational performance of the Franchised Business and who has the authority to bind Franchisee in all decisions regarding the Franchised Business. The initial Key Person is named in the Data Sheet.

1.16. “Marks” means the logo shown on the cover page of this Agreement and all other trademarks, service marks, logos, and commercial symbols that we expressly designate for use in connection with the System.

1.17. “Opening Deadline” means the date specified in the Data Sheet by which you are required to have the Franchised Business open and operating.

1.18. “Proprietary Products” means products bearing the Marks and/or prepared using formulations and/or methods of preparation developed by or for Franchisor. They may include apparel,

accessories, and other products sold or used in the Franchised Business. We have the right to modify, discontinue, substitute, and/or add items to the Proprietary Products from time to time in our sole discretion.

1.19. “System” means the know-how and system of operation developed for the Brand and owned by Franchisor. The distinctive elements of the System include, but are not limited to: the products and services offered; customer service standards; the warranty program, if applicable; standards and specifications for equipment, technology, supplies, and operations; our advertising and promotional programs and marketing techniques; the exterior and interior design, décor, color scheme, fixtures, and furnishings of the business premises; and the accumulated experience reflected in our Brand Standards Manuals, training program, and instructional materials.

1.20. “Territory” means the geographic area defined in the Data Sheet and/or in a map attached to the Data Sheet.

2. FRANCHISE GRANT AND TERRITORIAL PROTECTION

2.1. Right Granted. We grant you the right, and you undertake the obligation, on the terms and conditions of this Agreement, to establish and operate one (1) Franchised Business at the Approved Location only, and to use the Marks and the System only in connection with the Franchised Business, and only within the Territory. You agree to operate the Franchised Business for the full Agreement term specified in Section 3.

2.2. Territorial Protection. While this Agreement is in effect, and provided that you are not in default beyond any applicable cure period, we will not operate a business under the Marks and the System in the Territory or authorize others to operate Franchised Businesses within the Territory, except as permitted under Sections 2.3, 2.4 and 2.5 below. This does not prohibit us from advertising or soliciting in your Territory for the purpose of recruiting prospective employees or independent contractors.

2.3. Rights Reserved. We and our affiliates retain all rights not expressly granted to you, including the rights (despite anything to the contrary in Section 2.2 and regardless of the proximity to or effect on the Franchised Business):

2.3.1 To establish, operate, franchise, and license others to operate businesses under the Marks at any location outside of the Territory;

2.3.2 To operate a business under the Marks inside the Territory if: (i) Franchisor (or its affiliate) is operating a business under the Marks in the Territory as of the Agreement Date; or (ii) Franchisor has notified Franchisee before Franchisee signed this Agreement that Franchisor (or its affiliate) intends to operate a business under the Marks in the Territory;

2.3.3 To use the Marks in other lines of business, anywhere in the world;

2.3.4 To operate, and to grant others the right to operate, similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Territory, under trademarks or service marks other than the Marks.

2.3.5 To develop, manufacture, have manufactured, advertise, market, sell and distribute, at retail or wholesale, and license others to manufacture, sell or distribute, goods or services that are identical or similar to and/or competitive with those provided at the Franchised Business, whether under the Marks or any other name or mark, through dissimilar channels of distribution, including but not limited

to through the Internet, mobile applications, telemarketing, retail stores, and wholesale clubs, or other distribution outlets (other than Franchised Businesses) both inside and outside the Territory;

2.3.6 To establish and operate, and to grant others the right to operate, businesses offering dissimilar products and services both inside and outside the Territory under the Marks; and

2.3.7 To acquire, be acquired by, or merge with other brands or outlets, even if the concepts or outlets are similar to the business operated under the System, and even if they have locations in the Territory. We will also have the right, in our sole discretion, to convert one or more outlets of the acquired, acquiring or merged brand to a Franchised Business within the Territory.

2.4. Activities Outside of the Territory. You may not perform services or sell products related to the Franchised Business outside of the Territory without our prior written consent, which we may give and withdraw as we deem appropriate, and which we may condition on obtaining a separate phone number or other requirements. You may not solicit or advertise to customers outside of the Territory without our permission. “**Solicit**” includes, but is not limited to, solicitation in person, by telephone, by mail, through the Internet, social media, email or other electronic means, and by distribution of brochures, business cards or other materials or any other advertising. If any solicitation of customers within the Territory is in media that will or may reach persons outside of the Territory, you are required to notify us in advance and obtain our consent. If you receive a request for services or products from outside the Territory, you are required to refer that request to the Franchised Business located in the applicable territory (or to Franchisor or its affiliate, if we have not assigned the applicable territory to a Franchised Business). Notwithstanding the foregoing, under certain limited circumstances, Franchisee may process a request from outside of the Territory if the requested service is permitted under our policies as set forth in the Brand Standards Manuals or otherwise designated by Franchisor. If Franchisor permits Franchisee to advertise, solicit, service or sell in areas outside of the Territory that are not serviced by another Franchised Business or by Franchisor or its affiliate, Franchisee is required to comply with all of the conditions and other requirements that we may from time to time specify in the Brand Standards Manuals or otherwise in writing with respect to such activities. We may at any time condition your continued out-of-Territory sales and services on your agreement to purchase the franchise rights for the territory in which the sales and services are being performed. At any time upon our demand or upon notice from us that the territory in question has been assigned to another Franchised Business, Franchisee agrees to immediately cease all activities in that territory and to comply with our procedures for the transition of customer accounts for that territory. Under no circumstances will we be liable to you for violations by other Franchised Businesses of our policies on out-of-Territory sales and services.

2.5. Key Accounts. Franchisor may from time to time enter into agreements to provide services to customers as part of a national, regional or key account program (“**Key Accounts**”, sometimes also referred to as “**National Accounts**”) at locations which include locations within the Territory. You agree to accept and perform the terms of such agreements (including, without limitation, special pricing, payment terms, timing of services, central invoicing) in respect of locations within the Territory. If you refuse to perform the required services or we determine that the Franchised Business is not qualified, interested, able or available to perform the services, you are required to allow either Franchisor’s employee or another franchisee to enter the Territory to perform the required services. In the case of an agreement under which the customer will pay a fixed amount for services at all locations listed in the agreement, we may allocate the fixed amount among the businesses performing the services.

2.6. No Other Sales Channels. You may not offer products or services through any channel other than those we have expressly approved. If you request approval of any other distribution channel or type of outlet, we will consider the factors we deem appropriate, which may include the period of time you

have been operating the Franchised Business, your sales volume, whether you have met quality standards and other benchmarks, and other standards that we may determine. This Agreement does not license you to sell products to any vendor who would in turn sell to consumers. This Agreement does not restrict Franchisor or its affiliates from engaging in, and does not grant you any rights to participate in, any other business concepts of Franchisor or its affiliates other than the Franchised Business.

2.7. Relocation. You may not relocate the Franchised Business without our prior written consent. Any relocation must be to a location within the Territory. Unless otherwise agreed in writing, relocation of the Franchised Business does not change the Territory.

3. AGREEMENT TERM

This Agreement will expire on the anniversary of the Agreement Date specified in the Brand Appendix (the “**Expiration Date**”). You will have an opportunity to renew the franchise rights when the term expires, subject to the terms of Section 19 and provided that you meet the conditions in that Section.

4. PRE-OPENING

4.1. Preparation for Opening. You are required to prepare your Franchised Business and business premises as necessary to conform to the Brand Standards. The Brand Standards may require expenditures for, among other things, structural changes and modification of the premises; new or modified service vehicles, equipment, signs, fixtures and furnishings; interior and exterior remodeling and redecoration; installation of new technology and/or additions and upgrades to existing technology; and resurfacing of parking areas. As applicable, and as may be designated by Franchisor, you are required to order the Equipment Package and all other technology equipment, signs, fixtures, furnishings, inventory, and supplies from a Designated Vendor. If required by the Brand Appendix, you are required to pay us specified fees for outfitting the Franchised Business. You are required to notify us of the anticipated completion date and provide updates as requested during the build-out process. During the pre-opening period, you are required to permit our representatives to inspect the premises at reasonable times. We may specify further details of the build-out process in the Brand Standards Manuals.

4.2. Permits. You are required to obtain all zoning classifications, permits, and clearances (including, as applicable, construction permits, certificates of occupancy, health permits, environmental permits, sign permits, and mall or strip center clearances) that may be required by federal, state, or local law or your landlord for the Franchised Business. You have sole responsibility for operating your Franchised Business in compliance with all permits and laws.

4.3. Pre-Opening Marketing. You are required to conduct pre-opening marketing, as specified in Section 10.3, to attract an initial customer base for the Franchised Business.

4.4. Approval to Open. You agree not to open the Franchised Business for business until we notify you that: (1) all of your pre-opening obligations have been fulfilled; (2) pre-opening training of your personnel has been completed as required by Section 5; and (3) we have been furnished with copies of all certificates of insurance required by Section 9.1.

4.5. Opening Deadline. You are required to open the Franchised Business to the public by the Opening Deadline. If you request an extension of the Opening Deadline, we have complete discretion whether to give an extension. If we agree to an extension, we have the right to charge you an extension fee of up to \$1,000 per month of extension. However, you will not be charged an extension fee if your request is accompanied by supporting documentation demonstrating to our satisfaction that, despite your best

efforts, you are unable to obtain the necessary equipment to open and operate the Franchised Business by the Opening Deadline.

4.6. Opening Support. We will provide such opening support and assistance for the Franchised Business as we deem appropriate, at the time(s) and in the manner we determine. If you request opening support beyond what we customarily furnish to Franchised Businesses, and if we agree to furnish such additional support, then we will have the right to impose a fee, plus expenses, for providing the agreed additional support.

5. TRAINING

5.1. Initial Training. Franchisor will offer, at the time(s) and location(s) selected by Franchisor, a pre-opening training program to Franchisee and to those employees of Franchisee whom Franchisor deems appropriate. The individuals that we designate are required to successfully complete the pre-opening training. We have the right to vary the duration and content of initial training based on the trainee's prior experience in similar businesses. We alone have the right to judge whether a person has successfully completed the training program. Successful completion may require passing tests to establish proficiency in the delivery of services, use of technology and software applications, and other areas we designate. We will have the right to terminate this Agreement under Section 16.1 if, at any time during the pre-opening training program, we conclude in our sole judgment that any person required to attend the pre-opening training program does not possess the skills necessary to properly fulfill and discharge the demands and responsibilities required by the System or this Agreement.

5.2. Additional Training. After the Franchised Business opens for business, we will make available, at the time(s) and location(s) we designate, such other required and optional training programs as we deem necessary and appropriate. For training that we designate as required, the individuals that we designate are required to successfully complete the training.

5.3. Training Methods. We have the right to provide training programs in person, by video, via the Internet, or by other means, as we determine, and the training may be performed by us, our affiliates, or third parties.

5.4. Training Fees. We may charge a training fee: (a) for additional trainees that you request in excess of the maximum number we designate for a training program; (b) if we require remedial training as a result of your failure to comply with our Brand Standards; (c) for re-training persons who are repeating a training program, or their substitutes; and (d) for training programs that we make optional for franchisees.

5.5. Travel Expenses. For all training, including initial training, you are responsible for all travel expenses, living expenses, wages, and other expenses incurred by your trainees. If we conduct training at any location other than our headquarters, you may be required to pay the reasonable travel, meal and lodging expenses of our trainer(s).

5.6. Training Assistance. After the Franchised Business opens, you agree to give us reasonable assistance in training or assisting other franchisees of the Brand. We will reimburse you for your reasonable costs and expenses in providing such assistance.

5.7. Employee Training. Except for the training in Sections 5.1 and 5.2, you are responsible for all employee training for the Franchised Business.

5.8. Brand Conferences and Conventions; Non-Attendance Fee. The Key Person, Owners of Franchisee, and/or employees of Franchisee, as designated by us (collectively, “**Designated Franchisee Representatives**”), are required to attend an annual convention and regional conferences of franchise owners, if called by us. Franchisee is responsible for the costs of travel and accommodations of its attendees. Franchisor reserves the right to charge a fee for each conference. If none of the Designated Franchisee Representatives attend the annual convention, we may charge Franchisee a non-attendance fee of \$500 for the first convention the Designated Franchisee Representatives fail to attend and then a \$2,000 non-attendance fee for any convention that the Designated Franchisee Representatives fail to attend consecutively thereafter. If none of the Designated Franchisee Representatives attend the annual convention for three (3) consecutive years, unless the Designated Franchisee Representatives have an approved reason for not attending or Franchisee obtains our approval in advance to send a Qualified Substitute, you will be in default of this Agreement, and we will have the right to terminate this Agreement, as well as any other rights and remedies available to us at law or in equity. “**Qualified Substitute**” means an Owner who is active in the Franchised Business, as we determine, or other employee who actively works full time in the operation of the Franchised Business.

6. OPERATION OF THE FRANCHISED BUSINESS

6.1. Compliance with Brand Standards. In order to protect the reputation and goodwill of the Brand and to maintain high standards of operation under the System, you agree to comply strictly with all of our required Brand Standards. The Brand Standards may relate to any aspect of the appearance, operation, and marketing of the Franchised Business. Any material failure to comply with the required Brand Standards or to pass our inspection will constitute a material breach of this Agreement. However, we have the right to vary our standards and specifications to accommodate the individual circumstances of different franchisees. Franchisor’s specifications do not constitute a warranty or representation, express or implied, as to quality, safety, suitability, fitness for a particular purpose or any matter. We will not be liable to you or others on account of the designation of Brand Standards for the operation of the Franchised Business under the System.

6.2. Management. The Franchised Business is required at all times to be under the day-to-day supervision of the Key Person. We have the right to rely on any statement, agreement, or representation made by the Key Person. If the Key Person leaves your organization, you are required to nominate a replacement within thirty (30) days thereafter. If you have not obtained our approval of a replacement within ninety (90) days, you will be in material default of this Agreement.

6.3. Approved Products and Services. You are required to offer for sale from the Franchised Business all products and services that we designate from time to time as required items. You may also offer for sale any optional products and services that we have approved for sale in the Franchised Business. You are prohibited from offering any unapproved products or services without our prior written consent. You are required to use our designated service system and processes (which are part of the Brand Standards) in providing all approved products and services to customers. You are required to discontinue selling or offering for sale any products or services that we disapprove at any time, in our sole discretion.

6.4. Pricing and Promotional Activities. To the extent permitted by applicable law where the Franchised Business is located, we have the right to establish maximum and/or minimum prices that you are required to follow for products and services sold in the Franchised Business. Subject to applicable law, you are required to participate in and comply with the terms of special promotional activities that we prescribe for Franchised Businesses generally or for Franchised Businesses in specific geographic areas or having particular characteristics. These activities may include special offers and other pricing promotions. Subject to the limitations in Section 10, you agree to bear your own costs of participating in these activities. You are required to display promotional signs and materials and otherwise participate in the manner we request.

6.5. Telephone Numbers. You are required to obtain one or more separate telephone numbers that are identified with the Franchised Business and no other business. At the termination or expiration of this Agreement, those telephone numbers and any online listings become our property. Simultaneous with signing this Agreement, you agree to sign the Telephone Number and Internet Agreement attached as Appendix D, duly appointing us as attorney-in-fact to effect a transfer to us of the telephone numbers and online listings for the Franchised Business upon expiration or termination of this Agreement. We may require that telephone numbers and electronic identities you use in connection with the Franchised Business be owned and controlled by us or an approved supplier, and that you transfer to an approved call routing and tracking supplier all telephone numbers associated with the Franchised Business.

6.6. Live Voice and Call Center. Telephone calls to the Franchised Business are required to be answered by “live” voices during the hours specified in the Brand Standards Manuals. You may not have calls answered by answering machines, voicemail, or digital assistants. We may require or prohibit forwarding calls to mobile phones. As provided in Section 6.10, we have the right to require you to use a designated call center for the Brand (the “**Call Center**”) for incoming calls. You will pay us or a designated/approved vendor a fee for the use of the Call Center (the “**Call Center Fee**”), whether the service is required or optional. As of the Agreement Date, the Call Center Fee is the amount set forth in the Brand Appendix and is due at the same time as your royalty payments. We reserve the right to increase the Call Center Fee, to charge a minimum fee for this service, and to change the timing of payment of the fee. We also reserve the right to terminate your access to the Call Center or to cancel the Call Center program. We will provide you at least thirty (30) days’ notice prior to terminating the Call Center, modifying the Call Center Fee, or changing the timing of payment.

6.7. Technology Requirements. We have the right to specify the point-of-sale (POS) system, customer relationship management (CRM) system, back-office system, software applications, audio/visual equipment, security systems, electronic payment devices, and other hardware, software, and network connectivity for the Franchised Business. You agree to sign any standard license agreement or user agreement that may be required to use a system that we specify. You are required to use the required systems for service calls, managing inventory, reporting Gross Revenue and other information, training personnel, and other functions as we specify from time to time. You are required to ensure that your employees are adequately trained to use the systems and that they follow applicable policies. You are required to maintain your technology systems in good working order at all times and promptly install upgrades, additions, modifications, substitutions and/or replacements of hardware, software, connectivity, power, and other system components as necessary. You agree to bear all costs of acquisition, installation, use, maintenance and upgrade of your systems.

6.8. Franchisee Portal. We have the right (but no obligation) to establish one or more websites and/or mobile applications that are open only to franchisees (the “**Franchisee Portal**”). If applicable, you are required to use the Franchisee Portal for reporting, training, ordering merchandise and supplies, or other purposes as we direct.

6.9. Payment Systems and Customer Retention Programs. You are required to participate in programs relating to gift cards, gift certificates, stored value cards, online or mobile coupons or credits, online or mobile ordering systems, and other electronic money programs we prescribe from time to time for Franchised Businesses. Participation includes both issuing program benefits or credits and accepting them for payment by customers and may require you to purchase additional equipment. We have the right to coordinate the crediting and debiting of funds among Franchised Businesses based on customer purchases and redemption of stored value. You are required to comply with our policies regarding acceptance of payment by credit and/or debit cards, mobile payment systems, and digital coupons, including, for example, minimum purchase requirements and/or surcharges for use of a card. You are required to also participate in any customer loyalty programs we prescribe from time to time. You may not offer your own gift card, electronic money, or loyalty program for the Franchised Business without our prior written approval. The payment systems and loyalty programs we designate may require you to obtain new hardware, software, equipment and training at your own expense.

6.10. Sourcing. We have the right to require that all equipment, technology, inventory, supplies, vehicles, signs, furnishings, fixtures, décor items, retail merchandise, payment systems, and other products and services that you purchase for use or resale in the Franchised Business: (a) meet specifications that we establish from time to time; and/or (b) be purchased only from vendors that we have expressly approved; and/or (c) be purchased only from a single source (which may include us or our affiliates) at the then-current price. To the extent that we establish specifications, require approval of vendors, or designate specific vendors for particular items, we will notify franchisees via the Brand Standards Manuals or otherwise. We and our affiliates will earn revenue and profits on sales that we make directly to you. We may negotiate purchasing arrangements under which vendors agree to make goods or services available to Franchised Businesses on specific terms. You agree to participate in and abide by the terms of any vendor purchase program established by Franchisor. To protect the reputation of the Brand, you agree to pay vendors on time. Subject to applicable law, we may earn money in the form of rebates, licensing fees, administrative fees, commissions, or other payments from vendors based on your purchases. Subject to applicable laws and our arrangements with the vendors, we have no obligation to remit the funds to you.

6.11. Inventory. You are required to keep a sufficient inventory of products, merchandise, and supplies in the Franchised Business to meet the Brand Standards (or to meet reasonably anticipated customer demand, if we have not prescribed specific standards).

6.12. No Liability for Others' Products. We disclaim all express and implied warranties and all other liability concerning any defects, malfunctions, or other deficiencies in equipment or other products manufactured by anyone other than us or our affiliates. You agree not to make any claims against us or our affiliates with respect to products that we and our affiliates did not manufacture, even if we or our affiliate sold you the product or designated or approved its source. You are required to assert any claims only against the manufacturer of the product, even if you obtained it through us or our affiliate.

6.13. Use of Approved Location; Hours of Operation. You are required to use the Approved Location only for the operation of the Franchised Business, to keep the Franchised Business open and in normal operation for the minimum hours and days specified in the Brand Standards Manuals (subject to applicable laws), and to not use or permit others to use the Approved Location or the Franchised Business for any other purpose or activity without first obtaining our written consent. We have the right to vary the minimum hours and days of operation by market, type of facility, or other basis.

6.14. Required Equipment, Vehicles, Signs, Furnishings and Other Items. Throughout the Agreement term, you are required to acquire, use and install, as we may require, at your expense, all equipment, vehicles, technology, audio/visual equipment, security features, décor, furnishings, promotional

materials, and signs that we require from time to time. You must not install or use in the Approved Location or Franchised Business any equipment, vehicles, technology, furnishings, signs, vehicle graphics, or other items that we have not approved.

6.15. Condition of Business Assets. You are required to keep the equipment, vehicles, signs, and other tangible assets of the Franchised Business in a clean, orderly condition and in excellent repair and condition, at your own expense. At our request, you are required to provide us with copies of any report of inspection of the Franchised Business conducted by a vendor or government agency.

6.16. Customer Contracts. In the marketing and operation of the Franchised Business, Franchisee is required to use only the customer contracts, waivers, and/or other forms designated by Franchisor from time to time, except where Franchisor does not designate such items. Franchisor may provide Franchisee with templates or sample forms of such items, but it is Franchisee's responsibility to have all items which are to be used with prospective and/or actual customers reviewed, at Franchisee's expense, by an attorney licensed to practice law in the state(s) where the Franchised Business is operated, for compliance with all applicable state and local legal requirements. Franchisor makes no warranty or representation that any contracts, waivers and/or other forms and/or materials, whether supplied by Franchisor or otherwise, are in compliance with the laws of any particular state(s) or locality.

6.17. Customer Warranty or Guarantee. If the Brand Standards include a customer warranty or a satisfaction guarantee, you are required to provide the warranty or satisfaction guarantee to each customer and comply with the requirements of the warranty/guarantee program, as set forth in the Brand Appendix and/or the Brand Standards Manuals.

6.18. Performance Requirements. You agree to continuously exert best efforts to promote and enhance the performance of the Franchised Business and the goodwill of the Marks. If minimum performance requirements are set forth in the Brand Appendix (the "**Minimum Performance Requirements**"), you are required to achieve those Minimum Performance Requirements. If you do not achieve the Minimum Performance Requirements, we will have the right to require you to implement a revenue improvement program, as we specify, which may include, among other things, engaging in specified marketing activities, by the conclusion of which you are required to achieve the Minimum Performance Requirements. If you still do not achieve the Minimum Performance Requirements after implementing a revenue improvement program, we will have the right to: (i) reduce the size of the Territory (with a corresponding adjustment in the Minimum Performance Requirements if the reduced Territory falls below our then-current standard territory size); or (ii) terminate this Agreement. The Minimum Performance Requirements are not a representation or guarantee of any financial results to Franchisee from the exercise of the rights granted in this Agreement.

6.19. Territory Visits and Inspections. You are required to permit our representatives to inspect the operations of the Franchised Business and to enter your business premises during normal business hours to review records, to observe, photograph and record operations, to remove samples of goods, materials and supplies for testing and analysis, and to interview your customers, employees, and vendors. You are required to provide assistance as reasonably requested by our representatives. Upon notice from us, you are required to immediately begin any steps necessary to correct deficiencies noted during a Territory visit.

6.20. Brand Standards Assessments. We assess franchisees' compliance with Brand Standards by means of, among other things, customer satisfaction surveys, mystery shopper reports, employee satisfaction and perception surveys, health and safety reviews, and third-party observation of your operations. You are required to cooperate with these assessments as we reasonably request. If you do not achieve the minimum score or standard that we prescribe for a specific Brand Standards category, we may require you and/or your employees to complete additional training at a location we designate, at your expense.

6.21. Brand Programs. You are required to participate in and comply with any other programs that we prescribe for Franchised Businesses, as specified in the Brand Appendix.

6.22. Employer Responsibilities. You are required to maintain staffing in the Franchised Business adequate to meet the Brand Standards. You have sole responsibility for all employment decisions and functions relating to the Franchised Business, including but not limited to decisions related to recruiting, screening, hiring, firing, scheduling, training (other than the training in Section 5), compensation, benefits, wage and hour requirements, recordkeeping, supervision, safety, security and discipline of employees. Any information we provide about employment matters, whether voluntarily or in response to your request, and whether directly or by means of any technology tools, is a recommendation only and not intended to exercise control over the wages, hours, or working conditions of your employees or the means and manner by which they carry out their duties. In addition, we may provide you with access to an independent, third-party employment law hotline (the "**Hotline**"). We will have no liability with respect to any advice you may receive through the Hotline or otherwise in connection with your use of the Hotline and we may discontinue offering access to the Hotline at any time. You alone will direct and control all employees of the Franchised Business, subject only to the Brand Standards that we prescribe to protect the goodwill associated with the Marks, which may include the requirement of initial and periodic drug testing and background checks. You are required to clearly inform all workers, before hiring and periodically thereafter, that Franchisee, and not Franchisor, is their employer and that Franchisor does not assume and will not accept any employer, co-employer, or joint employer obligations. You agree to indemnify us for any liability, cost, expense, loss or damage, including attorney's fees and costs, arising from (i) any claim or allegation that Franchisor or any affiliate is the employer, co-employer, or joint employer of Franchisee, its Owners, or any workers in the Franchised Business, and (ii) your use of the Hotline or reliance on any information received during your use of the Hotline.

6.23. Modifications to System. We can modify the System and the products and services offered by the Franchised Businesses from time to time (such as, but not limited to, by adding, deleting, and changing approved products or services, equipment, operating procedures, and Brand Standards). You agree to comply, at your own expense, with all such modifications, including without limitation any associated replacement or renovation of equipment, remodeling, redecoration, modifications to existing improvements, and structural changes.

6.24. Compliance with Lease. You are required to comply with all terms of the lease or sublease for the Approved Location and all other agreements affecting the operation of the Franchised Business. You are required to use best efforts to maintain a good working relationship with your landlord and refrain from any activity that may jeopardize your right to remain in possession of the Approved Location.

6.25. Compliance with Laws. You are required to operate the Franchised Business in compliance with all applicable municipal, county, state and federal laws, rules, regulations and ordinances, including maintaining all regulatory licenses. Additional details may be set forth in the Brand Appendix. You have sole responsibility for compliance despite any information or advice that we may provide.

6.26. Taxes and Indebtedness. You are required to promptly pay when due all taxes and all accounts and other indebtedness you incur in the operation of the Franchised Business. In the event of any bona fide dispute as to your liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law, but you may not permit a tax sale or seizure or attachment by a creditor against the Franchised Business.

7. FEES

7.1. Franchise Fee. You are required to pay us a non-refundable initial franchise fee in the amount shown in the Data Sheet. The initial franchise fee is due when you sign this Agreement.

7.2. Royalty. Beginning at the earlier of the Opening Deadline or when the Franchised Business opens, you are required to pay us an ongoing royalty fee in the amount shown in the Brand Appendix. Unless we designate a different period, the royalty fee will be paid on the schedule shown in the Brand Appendix.

7.3. Brand Fund Contribution. You are required to contribute to the Brand Fund on an ongoing basis the amount shown in the Brand Appendix. The Brand Fund contribution will be calculated for the same period and paid in the same manner as the royalty fee and will be used as described in Section 10.2.

7.4. Technology Fees. You are required to pay us fees as specified in the Brand Appendix to support development and operation of software, portals, websites, email accounts, mobile applications, social media, and other technology and communications channels. Unless we designate a different period, the technology fees will be paid on the schedule shown in the Brand Appendix.

7.5. Service Deficiency Reimbursements. If a customer of the Franchised Business complains to us that your services were deficient and we determine, after discussion with you, that (i) there is merit to the customer's complaint, (ii) the complaint is the result of a contract dispute between you and the customer, and/or (iii) there has been a violation of local, state, or federal law, then in addition to the other remedies available to us under this Agreement, we reserve the right to perform or cause to be performed services to the customer's satisfaction or to reimburse the customer for any money the customer may have paid for the deficient services. You are required to promptly reimburse us for any costs we incur to perform the services or to reimburse the customer, upon receipt of an invoice from us.

7.6. Payment Method. For all amounts payable to us, you are required to use the payment method(s) that we designate from time to time. If we require payment by Automated Clearing House (ACH) or electronic funds transfer, you are required to designate an account at a commercial bank of your choice (the "**Account**") from which we are able to make withdrawals. You agree to complete and submit to us an authorization for Automated Clearing House or other electronic funds transfer in the form attached to this Agreement as Appendix E or such other form as we or your financial institution may require. You agree to maintain sufficient funds in the Account to cover the amounts payable to us. If funds in the Account are insufficient to cover the amounts payable at the time we make our periodic electronic funds transfer, the amount of the shortfall will be deemed overdue. Additionally, if the electronic funds transfer payment request is returned due to insufficient funds, you are required to pay us a fee equal to the greater of: (a) \$50 or (b) the amount the bank charges us due to the insufficient funds. If we permit you to pay with a credit card, you agree to reimburse us for the resulting charges we incur, subject to applicable law.

7.7. Late Reports and Estimated Payments. If Franchisee's Gross Revenue report required by Section 8 is not received when due, (i) all payments owed by Franchisee for such time period shall be deemed overdue until the reports are received by Franchisor, regardless of whether payment was actually made; (ii) Franchisee shall be responsible for applicable late fees and interest under Section 7.9; and (iii) Franchisor will have the right to estimate Gross Revenue (and Franchisee agrees that 15% greater than previously reported Gross Revenue is a reasonable estimate, among other methods to estimate) and to draft from Franchisee's bank account the estimated amount due for royalties, Brand Fund contributions, and any other charges that are calculated based on Gross Revenue. When you provide the delinquent report(s), we will reconcile any difference between the estimated amount and the actual charges due for the period, and, if an overpayment, we will credit you on your next payment obligation to us.

7.8. Interest and Late Fees. If any payment to us is overdue, you are required to pay us, in addition to the overdue amount, interest on the overdue amount from the date it was due until paid, at the rate of 12% per annum or the maximum rate permitted by law, whichever is less. In addition, we will have the right to charge a late fee of \$100 for the second occurrence of a payment or report that is more than thirty (30) days past due, \$200 for the third such occurrence, and \$300 for the fourth and each subsequent occurrence. The late fee is to compensate us for our administrative costs incurred in enforcing your obligation to pay us or submit reports to us.

7.9. No Set-off; Application of Payments. Your obligation for timely payment of the fees in this Agreement is absolute and unconditional. You may not set off, deduct, delay, escrow, or withhold any payment based on our alleged non-performance of obligations, including any money you allege that we or our affiliates owe you or any other claims that you believe you have against us or our affiliates. We can apply payments received from you to royalty fees, Brand Fund contributions, technology fees, purchases from us or our affiliates, interest, late charges, or any other obligation in the order we choose, regardless of any designation you make.

7.10. Taxes. The payments that you are required to make to us must be the gross amount determined according to the applicable section of this Agreement without deduction for any taxes. You will pay all state and local taxes, including, without limitation, taxes denominated as franchise, business, gross receipts, commercial activity, property, ad valorem, sales, use, or excise taxes, that may be imposed on us or you arising out of or related to our receipt or accrual of fees referenced under this Agreement or related agreements, or ownership or use of any property or materials in your Territory in the course of providing services to you under this Agreement. In any case, you will pay to us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes, penalties, interests or expenses), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required. If you fail to withhold or pay any such obligations to the appropriate government authority, you must indemnify us for any obligations including penalties, interest, and expenses (including legal and accounting fees) resulting from your failure to timely withhold or to pay the taxes.

8. REPORTS, FINANCIAL STATEMENTS, CUSTOMER DATA, AND DATA SECURITY

8.1. Business Records and Reports. You are required to prepare, and to preserve for at least five (5) years from the dates of their preparation, complete and accurate books, records, and accounts, in accordance with generally accepted accounting principles and in the form and manner we prescribe. We may designate the chart of accounts and/or the accounting program or platform that you are required to use. You are required to provide to us upon request all books, records, tax returns, accounting records, and supporting documents relating to the Franchised Business, including but not limited to daily cash reports, cash receipts journals, general ledgers, cash disbursement journals, weekly payroll registers, monthly bank

statements, daily deposit slips, canceled checks, credit card statements, business tax returns, personal tax returns for all Owners and guarantors, supplier invoices, balance sheets, income statements, records of promotions and coupon redemptions, and lists of customers (both current and past) serviced by the Franchised Business. Concurrently with each payment of the Royalty Fee, you are required to send us a report of Gross Revenue for the preceding period, and at our request, you are required to send us accounting records, inventory reports, and such other information and supporting records as we may specify.

8.2. Financial Statements and Tax Returns. At our request made within fifteen (15) days after the end of a calendar month, you are required to submit a statement of financial condition (a balance sheet) as of the end of the calendar month and a Profit and Loss financial statement for the month and for the fiscal year-to-date. The financial statements are required to be certified as correct and complete by the Key Person to the best of the Key Person's knowledge. We have the right to require financial statements on a more frequent periodic basis. At our request, you are required to submit to us a copy of the federal and state tax returns for the Franchised Business for the most recently filed tax year.

8.3. Parent and Guarantor Financial Statements. At our request, you agree to furnish an annual statement of financial condition for each individual or corporate guarantor of your obligations to us and, if applicable, for each of Franchisee's direct and indirect corporate parents.

8.4. Access to Your Systems. You are required to (a) give us independent access to (i) the systems that we require you to use in the operation of your Franchised Business from time to time, and/or (ii) any other systems that you use to store or process Confidential Information or to display the Marks and/or Proprietary Products to others; and (b) provide us with login credentials if necessary for that purpose. You are required to maintain an electronic connection with us at all times.

8.5. Right to Examine or Audit. We have the right, at any time, to examine and copy, at our expense, the books, records, accounts, and tax returns of the Franchised Business and the personal tax returns of the Owners. We also have the right, at any time, to have an independent audit made of the books and records of the Franchised Business. You are required to cooperate with the persons making the examination or audit on our behalf. If you or we discover at any time, by means of an audit or otherwise, that there has been an underpayment of royalty fees or other amounts due, you are required to promptly pay the amount due, together with applicable late fees and interest. Your payment and our acceptance of the overdue amounts will not constitute a waiver of or prejudice our right to exercise any other remedy in this Agreement, including termination.

8.6. Cost of Examination or Audit. If we perform an examination or audit due to: (i) your failure to submit reports of Gross Revenue or required financial statements, or (ii) your failure to maintain books and records as required, or if (iii) the cumulative Gross Revenue you report for any period of three consecutive months is more than 2% below the actual Gross Revenue for the period as determined by the examination or audit, then you are required to pay us the cost of the examination or audit, including travel and lodging expenses for the examiners or auditors. For purposes of calculating the cost, we will use hourly rates for our own personnel that are consistent with the rates of mid-level professionals of independent accounting firms.

8.7. Business and Customer Data. In this Section: "**Customer Data**" means Personal Information (as defined below), sales and payment history, and all other information about any person or entity the Franchised Businesses have serviced, wherever stored, including data regarding customers of businesses converted to a Franchised Business, and any other information we may identify in the Brand Standards Manuals; "**Personal Information**" includes any information that, by itself or in conjunction with other information, may be used to specifically identify an individual, such as name, physical address,

telephone number, e-mail address, social media accounts, billing and payment history, customer service requests, and any other information as defined in applicable law; and “**Business Data**” means all financial reports, vendor and supplier pricing data, and all other data about the Franchised Businesses other than Customer Data. Franchisee agrees that:

8.7.1 We have the right to independently access all Business Data, wherever maintained. Franchisor also has the right to require Franchisees to deliver Business Data to Franchisor. Franchisor has the right to use (and to authorize others to access and use) Business Data to, among other uses: (i) verify sales; (ii) monitor progress of its franchisees, including compliance with Minimum Performance Requirements; (iii) prepare a financial performance representation for Franchisor’s Franchise Disclosure Document; and (iv) share vendor and supplier pricing data with its affiliates.

8.7.2 Franchisor owns and has the right to access all Customer Data, in whatever form existing, and wherever stored. Because we own the Customer Data, including Personal Information, we can (subject to applicable law) share it with our affiliates, service providers, contracted third parties, or any other person, for any purpose, without notifying or compensating you, both during and after this Agreement, including for the performance of services for Franchisor or its parents or affiliates, as well as for marketing and cross-selling products and services of any of the foregoing parties. Whenever we request, and without request upon termination or expiration of this Agreement, you are required to promptly deliver to Franchisor all Customer Data in your possession or control, without retaining any of Customer Data in any media. You may not sell or disclose to anyone else any Personal Information or aggregated or non-aggregated Customer Data without first obtaining our written consent. In the event of an approved sale of the Franchised Business to a new owner who will continue to operate the Franchised Business under an agreement with us, you are required to transfer the Customer Data to us and we will transfer the Customer Data to the new owner, or we may require you, in our sole discretion, to transfer the Customer Data directly to the new owner. You agree to install and maintain the security measures and devices necessary to protect Customer Data from unauthorized access or disclosure, including (but not limited to) the minimum measures in Section 8.8.

8.8. Privacy and Security.

8.8.1 You are required to comply with applicable laws and our requirements pertaining to the collection, use, processing, protection, integrity, transfer of, consumer access to, correction of, and deletion of Personal Information. You are required to ensure that you collect Personal Information with express or implied consent of the consumer. Where required by applicable law, you are required to provide a written privacy notice to consumers regarding your collection, use, and disclosure of Personal Information, and are required to comply in all respects with any such written privacy policy. In addition to any restrictions set forth in Section 8.7.2 above, if Franchisor provides Franchisee with Personal Information (i) for the purpose of performing a service on behalf of Franchisor, or (ii) at the direction of the consumer, then the following restrictions shall apply to Franchisee’s use of such Personal Information: Franchisee shall not (i) sell, rent, release, disseminate, make available, transfer, or otherwise communicate orally, in writing, or by electronic or other means, Personal Information; (ii) retain, use, or disclose Personal Information for any purpose other than fulfilling the purpose for which it was provided and as permitted in this Agreement, including any restrictions set forth in Section 10; or (iii) retain, use, or disclose Personal Information outside of the direct business relationship between Franchisor and Franchisee. If Franchisor provides Personal Information to Franchisee, Franchisee certifies that it understands and will comply with the restrictions and obligations under any applicable laws on such Personal Information. Upon Franchisor’s request, Franchisee shall provide reasonable assistance to Franchisor in complying with any request from a consumer to exercise rights under any applicable law. Without limiting the foregoing, upon Franchisor’s request, Franchisee shall delete some or all Personal Information that Franchisee maintains.

8.8.2 You are required to implement industry-standard administrative, physical, and technical security measures and devices to protect data from unauthorized access, acquisition, loss, destruction, disclosure or transfer. Without limiting the foregoing, you agree to comply with the then-current Payment Card Industry Data Security Standards (PCI/DSS), as those standards may be revised by the PCI Security Standards Council, LLC (see www.pcisecuritystandards.org) or successor organization; to implement the security requirements that the Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards; and to complete PCI/DSS audits as and when required by the standards. Compliance with PCI/DSS is not a guarantee that a security breach will not occur. Any losses or expenses we incur as a result of an actual or suspected security breach will be subject to indemnification under Section 20.

8.9. Data and Network Security. You are required to implement industry-standard administrative, physical, and technical security measures and devices to protect data (whether Personal Information, Customer Data, Confidential Information, intellectual property, or other data) and any portion of the Franchised Business from unauthorized access, acquisition, loss, destruction, disclosure or transfer. Franchisee is solely responsible for protecting the Franchised Business from computer viruses, bugs, power disruptions, communication line disruptions, Internet access failures, Internet content failures, and attacks by hackers and other unauthorized intruders. Franchisee waives any and all claims Franchisee may have against Franchisor as the direct or indirect result of such disruptions, failures or attacks. Franchisee is also required to use best efforts to verify that Franchisee's suppliers, lenders, landlords, customers, and governmental agencies on which Franchisee relies, are reasonably protected. This includes best efforts to secure Franchisee's systems, including, but not limited to, use of firewalls, access code protection, anti-virus systems, and backup systems. In the event of a known or suspected security breach, you agree to notify us promptly and comply with applicable laws and any instructions from us regarding response to the breach.

8.10. Late Report Fee. To encourage prompt delivery of all Gross Revenue reports, Customer Data, Certificates of Insurance, and any other reports or records required or that may be requested by Franchisor under this Agreement, Franchisee shall pay, upon demand, for each report or record that Franchisee fails to deliver when due, a late report fee under Section 7.8.

8.11. Third Party Information. Franchisee hereby authorizes Franchisor and its agents and representatives to make credit and background checks of Franchisee and Owners, and to make inquiries of Franchisee's bank, suppliers, and trade creditors concerning the Franchised Business. Franchisee hereby directs such persons and companies to provide to Franchisor such information and copies of documents pertaining to the Franchised Business as Franchisor may request.

8.12. Licenses. Franchisee is required to provide to us, within 10 days after you receive them and upon our request, true and correct copies of all state and other licenses related to the Franchised Business and correspondence related to renewals, expirations or denials thereof.

9. INSURANCE

9.1. Basic Requirements. You must maintain the types and minimum amounts of insurance coverage and bonds we specify for Franchised Businesses, at your own expense. The policies must be written by carriers with an industry rating acceptable to us; must name Franchisor, our affiliates, and their respective officers, directors, shareholders, and employees as additional insureds as we direct; and must not have deductibles, exclusions or co-insurance that are unacceptable to us. Each insurance policy must contain a waiver by the insurance company of subrogation rights against Franchisor, its affiliates, and their successors and assigns. You are required to provide us with evidence of all required insurance coverage

and payment of premiums at the times we require. At least thirty (30) days before each insurance policy expires, you are required to furnish a copy of renewal or replacement insurance and evidence of payment of the premium. Your obligation to obtain coverage is not limited by insurance that we maintain.

9.2. Changes. We have the right to increase the amounts of insurance coverage required and to require different or additional kinds of insurance. If you do not have the insurance required by this Agreement, we have the right (but no obligation) to obtain insurance on your behalf. If we do so, you agree to reimburse us for the cost of insurance, plus a reasonable fee for our services.

10. MARKETING AND ADVERTISING

10.1. Acknowledgments. You acknowledge the importance of standardization of marketing and advertising programs to the goodwill and public image of the System, the Marks, and Franchised Businesses generally. You further acknowledge our rights in this Section to modify advertising, marketing and public relations programs and the manner in which marketing and advertising funds are used from time to time.

10.2. Brand Fund. You are required to contribute to the Brand Fund as provided in Section 7.3. The purpose of the Brand Fund is to support general recognition of the Franchised Businesses and the Brand. The Brand Fund will operate as follows:

10.2.1 We will have the right to direct all advertising, marketing, public relations, and other activities to promote, develop and enhance the Brand, with final discretion over strategic direction, creative concepts, the materials and endorsements to be used, and the geographic market and media placement. We may use the Brand Fund to pay costs and expenses as we determine in our sole discretion, including but not limited to: production of video, audio, written, online and mobile marketing materials; purchasing promotional items; sponsorship of sporting, charitable, or similar events; design, establishment, and maintenance of websites, social media, mobile applications and other electronic marketing; implementation of advertising programs, in-store promotions, direct mail, and media advertising; marketing and sales training; employing advertising agencies; conducting public relations, consumer research, product development, product testing, and test marketing programs; developing and implementing trade dress and design prototypes; fulfillment charges; salaries and expenses of employees of Franchisor and affiliates working for or on behalf of the Brand Fund; fees of accounting firms, design firms, public relations firms, consultants and ad agencies; legal fees for advertising pre-clearance, defense of false advertising claims, and defense of any claims made regarding our administration of the Brand Fund; other administrative costs and overhead incurred in activities related to the administration and activities of the Brand Fund; and interest on any monies borrowed by the Brand Fund.

10.2.2 We will make available to you any creative materials financed by the Brand Fund. If you request specific materials to be produced or customized for you, then once you approve the requested materials, you agree to pay or to reimburse us for any costs to reproduce the materials and/or to customize the materials for your use.

10.2.3 We may seek the advice of franchisees by formal or informal means with respect to the creative concepts and media used for programs financed by the Brand Fund. We retain final authority on all programs financed by the Brand Fund. We have the right to incorporate, replace, change or dissolve the Brand Fund. If we decide to dissolve the Brand Fund, contributions to the Brand Fund will stop, but the Brand Fund will continue in existence until all remaining funds have been spent.

10.2.4 We will not be obligated, in administering the Brand Fund, to make expenditures for you that are equivalent or proportional to your contributions, or to ensure that any particular franchisee or Franchised Business benefits directly or pro rata from expenditures by the Brand Fund. You have no right to reduce or withhold contributions based on any alleged lack of benefits to the Franchised Business or based on failure by any other franchisee (with or without our permission) to make its contributions to the Brand Fund.

10.2.5 Nothing in this Agreement is intended or will be construed to impose a trust or fiduciary duty on Franchisor in connection with the Brand Fund, including, but not limited to, with respect to the collection of contributions, maintenance of the bank account, bookkeeping, and disbursement of monies from the Brand Fund. Except as expressly provided in this Section 10.2, we assume no direct or indirect liability or obligation to you with respect to maintenance, direction, or administration of the Brand Fund.

10.3. Pre-Opening and Grand Opening Marketing. You are required to conduct pre-opening and grand opening marketing for the Franchised Business in accordance with a plan that you will create, subject to our approval. You are required to spend at least the amount specified in the Brand Appendix to implement the pre-opening/grand opening marketing plan. We reserve the right to require you to deposit with us the funds required under this Section, which we will distribute as necessary to carry out the approved plan.

10.4. Local Marketing. You are required to spend at least the amount specified in the Brand Appendix for local advertising and promotion of the Franchised Business (“**Local Marketing**”). This is in addition to your obligations under Sections 10.2 and 10.3. We have the right to specify that you pay Local Marketing funds to us, our affiliate, or a third party vendor. We and our affiliates may earn revenue and profits on products or services we provide and may receive rebates, licensing fees, administrative fees, commissions, or other payments on products and services that third party vendors provide. With respect to all Local Marketing funds you pay to a third party, you are required to provide us with monthly Local Marketing expense statements (including receipts supporting the reported expenditures) evidencing compliance with the Local Marketing spend requirements. All Local Marketing is required to be approved by us pursuant to Section 10.6 below. You must be listed in the local Internet based directories and in the Yellow Pages or comparable telephone directory if available, as we designate.

10.5. Joint Marketing Programs and Cooperatives. We have the right to organize: (1) co-marketing programs in which Franchised Businesses and vendors (or other third parties) cross-promote each other’s goods and services; (2) joint marketing efforts in which multiple Franchised Businesses contribute to a specific ad or event; and/or (3) local or regional marketing co-operatives (“**Cooperatives**”) that pool funds of Franchised Businesses in a geographic area or with common characteristics on an ongoing basis to jointly promote the Marks and the Franchised Businesses. The amount we require you to spend or contribute to joint marketing programs and/or a Cooperative will be credited to your obligation for Local Marketing under Section 10.4 or, at our option, to your Brand Fund obligation under Section 7.3, or any combination of the two. You are required to participate in each applicable joint marketing program and comply with the rules of the program. If an existing Cooperative is applicable to your Franchised Business at the time it opens, you are required to immediately become a member of the Cooperative. If a Cooperative applicable to the Franchised Business is established during the term of this Agreement, you are required to become a member no later than thirty (30) days after the date we approve for the Cooperative to begin operation. We have the right to designate any geographic area or set of common characteristics for purposes of establishing a Cooperative.

10.6. Approval Requirement. All proposed advertising and promotional plans and materials that you intend to use are required to meet our standards and specifications and be submitted to us for approval at least thirty (30) days before their intended use. You are required to use the method(s) we specify to submit materials for approval. You do not have to submit samples of plans or materials that were prepared by us or that we have approved within the last twelve (12) months. Proposed advertising plans or materials are deemed to be disapproved unless we have approved them in writing within fifteen (15) days after your submission of the samples. All advertising and promotion is required to be in the media and of the type and format that we approve, conducted in a dignified manner, and conform to our standards.

10.7. Ownership of Advertising and Promotional Materials. You agree that Franchisor owns all copyrights and other rights to all existing and future advertising and promotional materials that contain any of the Marks or that otherwise relate to the Franchised Business, as well as any products, materials, and rights that result from any advertising, marketing, and promotional programs created, purchased, produced or conducted by or on behalf of Franchisee, Franchisor, the Brand Fund, or any Cooperative, regardless of the party that created such materials. No copyrights or other rights or interest in any tangible or intangible materials or in the Marks will vest in Franchisee as a result of any contribution to, or participation in, any advertising, marketing, or promotional program. If, notwithstanding this provision, Franchisee is deemed to have acquired any copyrights, contractual rights or common law rights in any advertising programs or materials, Franchisee shall execute (and shall cause its employees and agents to execute) such documents or instruments as Franchisor requests to effect assignment of such rights to Franchisor or its affiliate.

10.8. Solicitation of New Franchisees. We may from time to time develop advertising and promotional materials and displays for the solicitation of franchisees for the Brand. You agree to display all such materials and displays as required by us from time to time.

10.9. Media Appearances. You shall not make any television or radio appearance, or make any statement to any public media, in connection with any Franchised Business or the Brand unless you obtain our prior written approval.

10.10. Electronic Marketing and Electronic Communications. Unless we have agreed to it in writing, you may not use, register, maintain, or sponsor any website, URL, social media, blog, messaging system, email account, username, text address, mobile application, or other digital, electronic, mobile or Internet presence that uses or displays any of the Marks (or any derivative thereof) or that promotes any products or services of the Franchised Business. The use of any digital or electronic medium constitutes advertising and promotion subject to our approval under Section 10.6. You agree not to post or transmit, or cause any other party to post or transmit, advertisements or solicitations by telephone, e-mail, text message, instant message, website, social media, mobile apps, VoIP, streaming media, or other electronic media that are inconsistent with our brand advertising guidelines and standards. The brand advertising standards may include the use of disclaimers, warnings, and other statements that Franchisor may prescribe. You are responsible for ensuring that your employees understand the policies relating to the use of social media and you are responsible for your employees' use of social media in accordance with such policies. We have the right to require that social media accounts, profiles, pages, and registrations that primarily promote the Marks or the Franchised Business be registered in Franchisor's name. For any such accounts that we permit to be registered in Franchisee's name, you agree to provide us with the current login credentials within five (5) days after opening the account or changing the credentials. You agree that we have the rights to: (i) access any social media accounts to take corrective action if the account or any postings are in violation of our policies; and (ii) take ownership of the accounts on expiration or termination of this Agreement and operate them thereafter as we see fit. We may offer to provide, or may require that you have, a website for your Franchised Business (which may be structured as a separate page of a consumer website(s) supported by the Brand Fund).

11. LICENSED MARKS AND COPYRIGHTS

11.1. Identification of the Franchised Business; Public Notice of Independent Status. You are required to operate, advertise, and promote the Franchised Business only under the Marks. In conjunction with any use of the Marks, you are required to conspicuously identify yourself in all dealings with customers, employees, contractors, landlords, vendors, suppliers, reporters, public officials, and others as an independent franchisee operating under authority of this Agreement. You are required to display a prominent notice, in a form that we may prescribe, in the premises of the Franchised Business and on all business cards, stationery, advertising, signs, vehicle wraps, and other public-facing materials, identifying us as the owner of the Marks and stating that you are a licensed user of the Marks.

11.2. Your Acknowledgments. You acknowledge that: (a) the Marks are valid and serve to identify the Brand and the Franchised Businesses operating under the System; (b) your use of the Marks under this Agreement does not give you any ownership interest in the Marks; and (c) all goodwill associated with and identified by the Marks belongs exclusively to Franchisor. Upon expiration or termination of this Agreement, no monetary amount will be attributable to goodwill associated with your activities as a franchisee under the Marks. Both during and after this Agreement, you agree not to contest or aid in contesting the validity or ownership of the Marks or take any action harmful to our rights in the Marks.

11.3. Limitations on Use of the Marks. You agree to:

11.3.1 Use the Marks only for the operation of the Franchised Business within the Territory, for approved activities outside of the Territory, and for approved marketing and advertising for the Franchised Business;

11.3.2 Use the Marks to promote and to offer for sale only the products and services that we have approved, and not use any Marks in association with the products, materials or services of others or in any other manner that we have not expressly approved;

11.3.3 Use only the Marks designated by us and use them only in the manner we authorize;

11.3.4 Comply with our instructions in filing and maintaining any requisite trade name or fictitious name registrations, and sign any documents we deem necessary to obtain protection for the Marks or to maintain their continued validity and enforceability;

11.3.5 Not independently register or apply for registration of any trademark, service mark, trade name, domain name or electronic identifier relating directly or indirectly to the Marks, anywhere in the world, without our prior written consent. Any such registration or application by you, whether or not authorized by us, will be deemed to be owned by Franchisor and you agree to take such steps, including signing an assignment document, as we may request to confirm our ownership;

11.3.6 Permit us or our representatives to inspect your operations to assure that you are properly using the Marks;

11.3.7 Not use the Marks to incur any obligation or indebtedness on our behalf;

11.3.8 Not use any of the Marks as part of your corporate or legal name, business organization or trade name, as part of an internet domain name or URL, or in connection with any prefix, suffix or other modifying words, terms, designs or symbols or in any modified form, or as otherwise prohibited in the Brand Appendix;

11.3.9 Not use any of the Marks on any employee forms, employee manuals, employee policies, pay stubs, benefits forms, payroll records, or other employee materials; and

11.3.10 Ensure that the Marks bear the “®”, “™”, or “SM” symbol, as we prescribe.

11.4. Changes to the Marks. We have the right to change, discontinue, or substitute for any of the Marks and to adopt new Marks that you are required to or may use. You agree to implement any such change at your own expense.

11.5. Copyrighted Materials. You acknowledge that Franchisor is the owner of certain copyrighted or copyrightable works (the “**Works**”) and that the copyrights in the Works are valuable property. The Works include, but are not limited to, the Brand Standards Manuals, advertisements, promotional materials, signs, Internet sites, mobile applications, vehicle graphics, and facility designs. We authorize you to use the Works on the condition that you comply with all of the terms and conditions of this Section 11. This Agreement does not confer any interest in the Works on you, other than the right to use them in the operation of the Franchised Business in compliance with the terms of this Agreement. If you prepare any adaptation, translation or other work derived from the Works, whether or not authorized by us, you agree that the material will be our property and you hereby assign all your right, title and interest therein to us. You agree to sign any documents we deem necessary to confirm our ownership.

11.6. Third-Party Challenges. You agree to notify us promptly of any unauthorized use of the Marks or Works that you suspect or of which you have knowledge. You also agree to inform us promptly of any challenge to the validity of, our ownership of, or our right to license others to use any of the Marks or Works. We have the exclusive right (but no obligation) to initiate, direct and control any litigation or administrative proceeding relating to the Marks and Works, including any settlement. You agree to sign documents and render any other assistance our counsel may deem necessary to protect our interests in the Marks and the Works.

11.7. No Representation. Franchisor makes no representation or warranty, express or implied, as to the use, exclusive ownership, validity or enforceability of the Marks or Works.

12. BRAND STANDARDS MANUALS

We will furnish you with one copy of, or electronic access to, the Brand Standards Manuals. We own the copyright in the Brand Standards Manuals and any portions in your possession or control are on loan from us and remain our property. We have the right to modify the Brand Standards Manuals at any time to reflect changes in the Brand Standards. In the event of a dispute about the contents of the Brand Standards Manuals, the master copy at our principal office takes precedence. The Brand Standards Manuals and any credentials necessary to access digital versions of the Brand Standards Manuals are part of the Confidential Information.

[Remainder of page intentionally left blank]

13. CONFIDENTIAL INFORMATION

13.1. Nondisclosure. You are prohibited, both during and after the term of this Agreement, from communicating or divulging Confidential Information to any unauthorized person and from using Confidential Information for your benefit or for the benefit of any other person, other than for operation of the Franchised Business. You may divulge Confidential Information only: (i) to your employees and agents who must have access in order to carry out their duties relating to the Franchised Business; and (ii) to your contractors and landlord with our prior written approval. All information that we designate as confidential will be deemed to be Confidential Information for purposes of this Agreement.

13.2. Individuals Affiliated with the Franchised Business. At our request, the Owners, Key Person, and any employees we designate are required to sign a separate Confidentiality and Non-Compete Agreement in the form of Appendix C to this Agreement. At our request, you are required to use best efforts to obtain signed confidentiality agreements from your landlord, contractors, and any other person outside of your organization to whom you wish to disclose any of our Confidential Information. The confidentiality agreements are required to be in a form satisfactory to us and identify us as a third-party beneficiary with the independent right to enforce the agreement.

13.3. Improvements. You may not introduce any Improvement into the Franchised Business without our prior written consent. Any Improvement developed by you or any Owner, employee or agent of Franchisee is the property of Franchisor. At our request, you are required to provide us with information about the Improvement and sign any documents necessary to verify assignment of the Improvement to us, without compensation. We will have the right to use, disclose, and/or license the Improvement for use by others.

14. RESTRICTIONS ON COMPETITION

14.1. During the Term. The relationship established by this Agreement will provide access to valuable Confidential Information, training, and business opportunities that you and the Owners did not possess before entering into this Agreement. Accordingly, while this Agreement is in effect, except as we otherwise approve in writing, you may not, either directly or indirectly:

14.1.1 Own, maintain, operate, engage in, invest in, be employed by, provide any assistance to, or have any interest in any “**Competing Business,**” as defined in the Brand Appendix; or

14.1.2 Appropriate or duplicate any part of the System for a purpose other than to operate the Franchised Business, or divert or attempt to divert any present or prospective business or customer to any Competing Business, or do anything else harmful to the goodwill associated with the Marks and the System.

14.2. After Expiration, Termination or Transfer. You agree that you will not, for a period of two (2) years commencing on the date of: (a) a transfer permitted under Section 15 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); or (d) a final arbitration or court order (after all appeals have been taken) with respect to enforcement of this Section 14.2 to the extent such order is later than the respective foregoing event:

14.2.1 Own, maintain, operate, engage in, invest in, be employed by, provide assistance to, or have any interest in any Competing Business that is located in or serves customers within (i) the Territory, (ii) forty (40) miles of the Territory, (iii) any zip code where Franchisee’s Franchised Business served customers during the term, (iv) the territory of any other then-existing Franchised Businesses plus the area formed by extending the boundaries of that territory ten (10) miles in all directions, or (v) the

territory serviced by any business operated by Franchisor, its affiliates or their licensees under the Marks at such time plus the area formed by extending the boundaries of that territory ten (10) miles in all directions; or

14.2.2 Appropriate or duplicate any part of the System for a purpose other than to operate a Franchised Business under a valid agreement with us, or divert or attempt to divert any present or prospective business or customer to any Competing Business, or do anything else harmful to the goodwill associated with the Marks and the System.

14.3. Enforcement.

14.3.1 You acknowledge that a violation of this Section 14 would result in irreparable injury for which no adequate remedy at law may be available. Injunctive relief is in addition to any other remedies we may have.

14.3.2 Neither you nor any person bound by the restrictions of this Section 14 may circumvent the restrictions by engaging in prohibited activity indirectly through any other person or entity.

14.3.3 For the individuals who are bound personally by the restrictions in this Section 14 or by a separate non-competition agreement with you or us, the time period in Section 14.2 will run from the expiration, termination, or transfer of the Franchised Business or from the end of the individual's relationship with Franchisee, whichever occurs sooner.

14.3.4 The time periods in Section 14.2 and Section 14.3.3 will be tolled for any period of time during which Franchisee or the restricted individual is in breach of the section and will resume only when Franchisee or such person begins or resumes compliance.

14.3.5 The existence of any claim Franchisee or any Owner may have against Franchisor or its affiliates, whether or not arising under this Agreement, shall not constitute a defense to Franchisor's enforcement of the restrictions in this Section 14 or any separate confidentiality or non-competition agreement.

14.3.6 You represent that Franchisee and each of its Owners possess skills and abilities of a general nature that provide them with other opportunities for employment and, therefore, our enforcement of the restrictions in Sections 14.2 and 14.3.3 will not deprive Franchisee or any of its Owners of their personal goodwill or ability to earn a living through alternative means.

14.3.7 We have the right to reduce the scope of any restriction in this Section 14, effective immediately upon written notice to Franchisee.

15. SALE OR ASSIGNMENT

15.1. No Transfer of Interest without Our Consent. We have entered into this Agreement in reliance on the business skill, financial capacity, and personal character of Franchisee and its Owners. Accordingly, neither Franchisee nor the Owners may sell, assign, give away, pledge, or encumber, either voluntarily or by operation of law (such as through divorce or bankruptcy proceedings) any direct or indirect interest in this Agreement, in the assets of the Franchised Business, or in the equity ownership of Franchisee without obtaining our prior written consent. This section applies to any transfer that would occur by any mechanism, including but not limited to family financial planning, estate planning, transfer to a trust, corporate reorganization, issuance or offering of securities, employee ownership plans, divorce, new marriage, bankruptcy, or receivership. If Franchisee is a corporation, limited liability company, or other

business entity, this Section also applies to the transfer of a direct or indirect ownership interest in Franchisee. We can approve or disapprove the proposed transferee in our sole discretion. If we approve the proposed transferee, we can still impose conditions on the transfer. Franchisee and the Owners agree that the conditions in Sections 15.2 through 15.7 below are reasonable and that they do not preclude other conditions that we may impose. Franchisee and the Owners agree to notify us in writing of each proposed transfer, to provide all information and documentation relating to the proposed transfer that we request, and to refrain from completing the transfer until we advise you that all requirements of this Section 15 have been satisfied. If we have not responded within sixty (60) days after receiving all requested information, we will be deemed to have refused consent. We have the right to communicate with and counsel Franchisee, the Owners, and the proposed transferee on any aspect of a proposed transfer. Unless otherwise agreed, we do not waive any claims against the transferring party if we approve the transfer. If we do not approve the transfer, you are required to continue to operate the Franchised Business in accordance with this Agreement.

15.2. Transfer of Business. The conditions set forth in this Section apply to a proposed transfer of this Agreement and/or substantially all of the assets of the Franchised Business, as well as to a proposed transfer, alone or together with other previous, simultaneous or proposed transfers, of any direct or indirect equity ownership interest in Franchisee that would result in a change of control of Franchisee or the Franchised Business (“**Change of Control**”). Unless waived by Franchisor, the conditions are:

15.2.1 Franchisee and the Owners are required to be in compliance with all obligations to us under this Agreement and any other agreement with us and our affiliates as of the date of the request for our approval of the transfer, or make arrangements satisfactory to us to come into compliance by the date of the transfer.

15.2.2 The proposed transferee is required to:

(a) Demonstrate to our satisfaction that the proposed transferee and its owners and managers meet all of our then-current qualifications to become a franchisee of the Brand, which may include educational, managerial, and business standards; absence of involvement with Competing Businesses; good moral character, business reputation, and credit rating; and aptitude and ability to operate the Franchised Business. If the proposed transferee is already a franchisee of the Brand, that fact does not guarantee approval to become the operator of the Franchised Business. We have no less discretion with respect to a proposed transferee than we have with granting a new franchise.

(b) At our option, sign our then-current standard form of Franchise Agreement (or the standard form most recently offered to new franchisees) and related documents. The new Franchise Agreement may include new or increased fees and may otherwise differ, without limitation, from the terms of this Agreement.

(c) Require all owners of a beneficial interest in the transferee to sign our then-current form of Personal Guarantee and our other then-current standard documents.

(d) Successfully complete our then-current training requirements.

(e) Make arrangements to modernize and upgrade the Franchised Business, at the transferee’s expense, to comply with our then-current Brand Standards.

(f) If the proposed transferee is another franchisee of the Brand, the proposed transferee is required to not have any outstanding notice of default under any agreements with us, have a good record of customer service and compliance with Brand Standards, and sign a general release in a form acceptable to us.

15.2.3 Franchisee is required to pay us a transfer fee of \$10,000 (“**Transfer Fee**”). If the proposed transferee was referred to you or us by a third-party (e.g., a broker) with whom we have a referral arrangement, then you or the proposed transferee, as a condition of approval, must pay us an additional fee equal to the amount owed under that referral arrangement. If we identify the prospective purchaser, then in addition to the Transfer Fee, we must receive the greater of: (a) \$15,000; (b) three percent (3%) of the total purchase price; or (c) our actual costs to identify the prospective purchaser. Any amounts paid pursuant to this Section are non-refundable.

15.2.4 Franchisee and all Owners are required to sign a general release, in a form satisfactory to us, of all claims against us and our past, present and future affiliates, officers, directors, shareholders, agents and employees. Franchisee and the Owners will remain liable to us for all obligations arising before the effective date of the transfer.

15.2.5 The price and other proposed terms of the transfer must not, in our judgment, have the effect of negatively impacting the future viability of the Franchised Business.

15.2.6 Any financing incurred in connection with the transfer is required to be expressly subordinated to the transferee’s obligations to us.

15.3. Transfer of Minority Ownership Interest. For any proposal to admit a new Owner, to remove an existing Owner, to change the distribution of ownership shown on the Data Sheet, or otherwise modify the ownership in a way that would not result in a Change of Control of Franchisee or the Franchised Business, Franchisee is required to give us advance notice and submit a copy of all documents and other information concerning the transfer that we may request. We will have a reasonable time (not less than forty-five (45) days) after we have received all requested information to evaluate the proposed transfer. We may withhold our consent or give our consent subject to the conditions in Section 15.2 that we deem to be applicable, except that, instead of a transfer fee, we will only charge (i) the applicable, then-current change of ownership fee set by Franchisor from time to time (as of the Agreement Date, it is the greater of \$500 or Franchisor’s external (i.e., not in-house) legal and administrative costs); plus (ii) applicable training fees for each new person that we determine needs training. Each proposed new owner is required to submit a personal application and sign a Personal Guarantee and our other then-current standard documents.

15.4. Transfer on Death, Incapacity or Bankruptcy. If Franchisee or any Owner dies, becomes incapacitated, or enters bankruptcy proceedings, that person’s executor, administrator, personal representative, or trustee is required to apply to us in writing within 3 months after the event for consent to transfer the person’s interest. The transfer will be subject to Sections 15.2 through 15.6, as applicable. In addition, if the deceased or incapacitated Owner is the Key Person, we will have the right (but no obligation) to take over operation of the Franchised Business upon giving notice to the executor, administrator, personal representative, or trustee and to manage the Franchised Business until the transfer is completed. If we exercise this right, we can charge a reasonable management fee for our services. For purposes of this Section, “incapacity” means any physical or mental infirmity that will prevent the person from performing his or her obligations under this Agreement (i) for a period of thirty (30) or more consecutive days or (ii) for sixty (60) or more total days during a calendar year. In the case of transfer by bequest or by intestate succession, if the heirs or beneficiaries are unable to meet the conditions of Section 15.2, the executor may transfer the decedent’s interest to another successor that we have approved, subject to all of the terms and conditions for transfers contained in this Agreement. If an interest is not disposed of under this Section 15.4 within one year after the date of death or appointment of a personal representative or trustee, we can terminate this Agreement under Section 16.1.

15.5. Non-Conforming Transfers. Any purported transfer that is not in compliance with this Section 15 is null and void and constitutes a material breach of this Agreement, for which we may terminate this Agreement without opportunity to cure.

15.6. Our Right of First Refusal. We have the right, exercisable within thirty (30) days after receipt of the notice of a proposed transfer required by Section 15.1, to send written notice to you that we intend to purchase the interest proposed to be transferred, except that our right of first refusal will not apply if: (i) the sale would not result in a Change of Control; or (ii) the interests would transfer only to the spouse(s) and/or adult children of the Owners. The request for approval of transfer must include a true and complete copy of the term sheet, letter of intent, proposed purchase agreement, assignment document, description of financing or other contingencies, and any other documents we deem necessary to support a prudent business decision on whether to exercise the right of first refusal. We can assign our right of first refusal to someone else either before or after we exercise it.

15.6.1 If the proposed transfer is a sale, we or our designee may purchase on the same economic terms and conditions offered by the third party. Closing on our purchase must occur within sixty (60) days after the date of our notice to the seller electing to purchase the interest. If we cannot reasonably be expected to furnish the same type of consideration as the third-party, then we may substitute the equivalent in cash. If the parties cannot agree within thirty (30) days on the equivalent in cash, you and we will jointly designate and pay the cost of an independent appraiser, and the appraiser's determination will be final. We will have thirty (30) days after receipt of the appraiser's determination to decide whether to proceed with the purchase. We are entitled to receive, and Franchisee and the Owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable. Any material change in the third party's offer after we have elected not to purchase the seller's interest will constitute a new offer subject to the same right of first refusal as for the third party's initial offer.

15.6.2 If a transfer is proposed to be made by gift, you and we will jointly designate, at our expense, an independent appraiser to determine the fair market value of the interest proposed to be transferred. We will have thirty (30) days after receipt of the appraiser's determination to decide whether to purchase the interest at the fair market value determined by the appraiser. If we decide to purchase, closing on the purchase will occur within forty-five (45) days after our notice to the transferor of our decision.

15.6.3 If we elect not to exercise our rights under this Section, the transferor may complete the proposed transfer after complying with Sections 15.1 through 15.4, provided that the final sale price is not less than the price at which we were entitled to purchase. If we determine that the final sale price is less than the price at which we were entitled to purchase, we may refuse to give our consent to the transfer. Closing of the transfer to the third party must occur within sixty (60) days of our election not to exercise our rights. If closing does not occur within the 60-day period, the third party's offer will be treated as a new offer subject to our right of first refusal.

15.7. Transfer of Development Agreement. If this Agreement is associated with a Development Agreement and you propose to transfer your rights under the Development Agreement, you are required (unless we otherwise approve) to transfer this Agreement and all other Franchised Businesses developed under the Development Agreement to the same transferee in the same transaction.

15.8. Sale or Assignment by Franchisor. We have the right to transfer or assign all or any portion of our rights or obligations under this Agreement to any person or legal entity including the operator of a competing franchise system. The assignee will expressly assume our obligations and become solely

responsible for them from the effective date of assignment. We can sell our assets, sell securities in a public offering or in a private placement; merge with, acquire, or be acquired by another company; or undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring, without restriction and without affecting your obligations under this Agreement.

16. DEFAULT AND TERMINATION

16.1. Termination without Cure Period. In addition to any other rights of termination set forth in this Agreement, and subject to applicable law, we will have the right to terminate this Agreement if any of the following events of default occurs, without providing you an opportunity to cure the default, effective immediately upon delivery of written notice to you:

16.1.1 If you do not have an Approved Location within three (3) months after signing this Agreement;

16.1.2 If at any time during the pre-opening training program, we conclude in our sole judgment that any person required to attend the pre-opening training program does not possess the skills necessary to properly fulfill and discharge the demands and responsibilities required by the System or this Agreement;

16.1.3 If you do not open the Franchised Business by the Opening Deadline;

16.1.4 If you (i) cease operating the Franchised Business, which such failure to operate may be inferred from circumstances where it is reasonable to conclude that you have not operated the Franchised Business, including but not limited to your failure to (a) answer the telephone, (b) provide services, and (c) staff the Franchised Business as necessary to perform the services, for three (3) or more consecutive business days without our prior approval, (ii) express your intent to abandon the Franchised Business, or (iii) cease to operate the Franchised Business for any period in circumstances where it is reasonable to conclude that you do not intend to promptly resume operation of the Franchised Business;

16.1.5 If you lose the right to possession of the Approved Location, or otherwise forfeit the right to do business in the jurisdiction where the Franchised Business is located. However, if, through no fault of your own, the Franchised Business premises are damaged or destroyed by an event such that repairs or reconstruction cannot be completed within sixty (60) days thereafter, then you will have thirty (30) days after that event in which to apply for our approval to relocate and/or reconstruct the Franchised Business;

16.1.6 If you refuse to permit us to inspect the Franchised Business or your books, records, or accounts as provided herein;

16.1.7 If you do not comply with the restrictions on competition in Section 14;

16.1.8 If any transfer of interest in this Agreement, Franchisee, or the Franchised Business occurs that does not comply with Section 15, or if an interest is not disposed of under Section 15.4 within one year after the date of death or appointment of a personal representative or trustee;

16.1.9 If you knowingly misuse or disclose, or if your negligence results in disclosure, to any unauthorized person any contents of the Brand Standards Manuals or other Confidential Information;

16.1.10 If you knowingly maintain false or misleading books or records, knowingly underreport sales, or knowingly submit any other false or misleading information to us;

16.1.11 If you perpetrate common law fraud against us or any customer or supplier of the Franchised Business or knowingly permit any agent or employee of Franchisee to embezzle any funds or property of any customers, Franchisor, Franchisee, or others;

16.1.12 If Franchisee takes, withholds, misdirects or appropriates for Franchisee's own use any funds withheld from Franchisee's employees' wages for employees' taxes, FICA, insurance, or benefits;

16.1.13 If Franchisee or any Owner commits or is convicted of, pleads guilty to, or pleads no contest to a felony, a crime involving moral turpitude, or any other crime or offense that we believe is likely to have an adverse effect on the System, the Marks, or the goodwill associated with them. Once Franchisee or any Owner has been arrested for or formally charged with a serious criminal offense, we will have the right: (i) to require that the individual(s) charged be removed from any active role in the Franchised Business pending final disposition of the charges; and (ii) if the person(s) charged include the Key Person, to take over operation of the Franchised Business and to manage it on your behalf pending final disposition of the charges. If we exercise the right in clause (ii), we may charge a reasonable management fee for our services;

16.1.14 If Franchisee is insolvent or makes an assignment for the benefit of creditors; if a receiver is appointed for the Franchised Business; if execution is levied against your business assets; if a suit to foreclose any lien or mortgage is filed against you and not dismissed within sixty (60) days; or if your business entity is dissolved;

16.1.15 If Franchisee or any Owner appears on any government list of "blocked" persons or its assets, property, or interests are "blocked" under any anti-terrorism law or similar law that prohibits us from doing business with Franchisee or the Owner;

16.1.16 If Franchisee breaches a material provision of this Agreement that is not, by its nature, curable or that goes to the essence of the Agreement;

16.1.17 If you fail to maintain the insurance coverage required by Section 9, or fail to provide satisfactory evidence of insurance to us within forty-eight (48) hours of our request;

16.1.18 If you fail to attempt to contact a customer within forty-eight (48) hours after receiving a customer complaint, or fail to attempt to resolve to our satisfaction any customer complaint in the manner and within the timeframe set forth in the Brand Standards Manuals and subject to 7.5, and you do not correct such failure within seven (7) days after we deliver written notice to you;

16.1.19 If the Designated Franchisee Representatives fail to attend our annual convention for three (3) consecutive years, unless the Designated Franchisee Representatives have an approved reason for not attending or Franchisee obtains our approval in advance to send a Qualified Substitute (as defined in Section 5.8);

16.1.20 If the business license for, or any other permit or license required for the operation of, the Franchised Business is suspended or revoked;

16.1.21 If you fail to conduct and keep records of a satisfactory background check on any employee as may be required by us prior to his/her hire and on a regular basis, and you fail to cure the default within 10 days after we deliver written notice to you;

16.1.22 If you cure a default after written notice from us and the same default occurs again within one (1) year, whether or not cured after notice;

16.1.23 If you fail on three (3) or more separate occasions within any period of eighteen (18) months to provide access to and to submit when due reports or other data, information or supporting records, or to pay when due any amounts due to us or otherwise comply with this Agreement, whether or not such failures to comply were corrected after written notice of such failure was delivered to you;

16.1.24 You misuse or make any unauthorized use of the Marks, engage in any conduct which we reasonably believe threatens to or actually impairs the Marks or our reputation or the goodwill associated therewith, and do not cure such misuse or unauthorized use within twenty-four (24) hours' notice from us; or

16.1.25 You commit violations of any health, safety, sanitation or other regulatory law, ordinance, standard, practice or regulation or operate the Franchised Business in a manner that presents a health or safety hazard to your employees, customers or the general public.

16.2. Termination for Non-Payment. If you fail to pay any monies owed to us or our affiliates within fifteen (15) days after receipt of notice of default from us, this Agreement will terminate at the end of the 15-day period without further notice from us.

16.3. Termination Following Expiration of Cure Period. Except as provided in Sections 16.1 and 16.2 and elsewhere in this Agreement, we can terminate this Agreement only by giving you written notice of termination stating the nature of the default, at least thirty (30) days before the effective date of termination. If the default is not cured within the thirty (30) day period (or such longer period as applicable law may require) this Agreement will terminate without further notice to you, effective at the end of the cure period. Any material failure to comply with the requirements imposed by this Agreement (as supplemented by the Brand Standards Manuals) will be a default under this Section 16.3.

16.4. Cross-Default. We have the right to treat a default under any other agreement that you or your affiliate have with us or our affiliate as a default under this Agreement, subject to any applicable provisions for notice and cure set forth in the other agreement. For purposes of this section, "affiliate" means a person or business entity controlling, controlled by, or under common control with Franchisee or Franchisor, as applicable.

16.5. Cross-Guarantee. In the event Franchisee or Franchisee's affiliate now holds or later acquires any interest in a Franchised Business other than the Franchised Business franchised under this Agreement, Franchisee shall unconditionally guarantee full performance and discharge of all of the franchisee's obligations under the franchise agreement for such other Franchised Business, including without limitation the payment of all royalty fees, advertising fees, and other obligations.

16.6. Pre-Termination Options of Franchisor. Prior to the termination of this Agreement, if you fail to pay any amounts owed to us or our affiliates or fail to comply with any term of this Agreement, then in addition to any right we may have to terminate this Agreement or to bring a claim for damages, we will have the right to take the actions set out below and continue them until you have cured the default to our satisfaction. The taking of any of the actions permitted in this Section 16.6 will not suspend or release you from any obligation that would otherwise be owed to us or our affiliates under the terms of this Agreement. We may:

16.6.1 Remove the listing of the Franchised Business from all advertising published or approved by us;

16.6.2 Prohibit you from attending any meetings or seminars held or sponsored by us or taking place on our premises;

16.6.3 Suspend access to the Call Center, the Franchisee Portal, and any technology systems we provide you access to, whether it is our technology or a third-party license; and/or

16.6.4 Suspend services provided to you by us or our affiliates under this Agreement, including but not limited to inspections, training, marketing assistance, and the sale of products and supplies.

16.7. Step In Rights. If you fail to cure any default within the applicable cure period (if any), we have the right, but not the obligation, to assume temporary management of the Franchised Business using our own employees or contractors (which may include other franchisees) until such time as we determine that the default has been cured and you are otherwise in compliance with this Agreement. This right is in addition to our right to terminate this Agreement, and not in lieu of such right or any other rights we may have against you. If we exercise the rights described in this Section, we will be permitted to enter the premises and exercise complete authority with respect to the operation of the Franchised Business. You will be required to pay us (or our designee) a fee of up to \$500 per day and reimburse us (or our designee) for all costs and overhead, if any, incurred in connection with the temporary operation of your Franchised Business, including, without limitation, the costs of our personnel for supervising and staffing the Franchised Business and their travel and lodging. If we undertake to operate the Franchised Business pursuant to this Section, you agree to indemnify and hold us (and our designees and employees) harmless from and against any fines, claims, suits or proceedings which may arise out of our operation of the Franchised Business.

16.8. Liquidated Damages. If we terminate this Agreement based on your default, you are required to pay us, as liquidated damages, an amount equal to the greater of: (i) two years of Royalty Fees (calculated as your average Royalty Fees per payment period in the year preceding the termination of this Agreement, multiplied by the number of payment periods occurring in a two-year period); or (ii) \$100,000 (unless a different minimum is stated in the Brand Appendix). The liquidated damages are in addition to costs and expenses that you may owe us under Section 23 (Disputes).

17. OBLIGATIONS UPON TERMINATION OR EXPIRATION

17.1. Our Rights to Acquire Approved Location and Franchise Assets. Upon expiration or termination of this Agreement under any circumstances, you are required to:

17.1.1 At our request, assign to us your interest in the lease or sublease for the Approved Location (or provide us with a commercially reasonable lease if you own the Approved Location). If we elect not to exercise our option to acquire the lease, you are required to make modifications or alterations to the Approved Location as necessary to comply with Section 17.2 and to distinguish the Approved Location from that of a Franchised Business.

17.1.2 At our request, sell to us such of the furnishings, fixtures, vehicles, equipment, and signs of the Franchised Business as we may designate, at fair market value, and such of the inventory and supplies on hand as we may designate, at fair market wholesale value. If the parties cannot agree on the price of any such items within thirty (30) days, we will appoint an independent appraiser, and the appraiser's determination will be final. Franchisor and Franchisee will each pay one-half of the appraiser's fees and costs. We will have thirty (30) days after receipt of the appraiser's determination to decide whether to proceed with the purchase. If we exercise our option to purchase any items, we will have the right to set off any amount due us or our affiliate from you against any payment for the items.

17.1.3 At our request, provide us with a copy of each customer agreement for the Franchised Business and any related information we request, and provide us with all other information and access necessary for us (or our designee) to continue servicing the customer and related business relationships within three (3) days from our request at no cost to us (since the Customer Data is our property). To this end, each customer agreement must include a clause providing us the unconditional right (but not an obligation) to assume (directly or through a designee) the customer agreement upon the termination or expiration of this Agreement, including all of your rights and obligations thereunder that arise from and after such assumption. Upon the expiration or termination of this Agreement, you agree to facilitate our conversations with customers to ensure an orderly transition of the business operations. You agree to pay over to us (or our designee) any amounts (or a pro rata portion of any amounts) paid to you by your customers for services that you have not yet performed.

We can exercise any or all of our options under Sections 17.1.1, 17.1.2 and 17.1.3: (a) within thirty (30) days after the expiration of the Agreement Term, in the case of expiration of this Agreement; and (b) in the case of termination of this Agreement, at any time between the date of delivery of written notice of termination and thirty (30) days after the effective date of termination (or after the arbitration or court ruling upholding the termination, if termination is contested). We may assign these options to another person or entity. To preserve the value of these options, we may issue to you, and you are required to comply with, written instructions to refrain from, delay, or reverse any of the actions required of you under Section 17.2.

17.2. De-identification. Unless we have instructed you otherwise under Section 17.1, upon termination or expiration of this Agreement under any circumstances, you are required to:

17.2.1 Cease to operate the Franchised Business, withdraw all advertising that can be canceled, remove from the Approved Location and from service vehicles all signs, graphics, and other items that display the Marks, and make any other changes that we request to dissociate yourself, the Approved Location, and the former Franchised Business from the System;

17.2.2 Either permanently deactivate or, at our request, transfer to us all domain name registrations and other accounts, profiles, pages, usernames, and registrations by which you associate the Franchised Business with the Brand online or in any mobile network or other electronic marketing or communications channel, including but not limited to any social media, blog, messaging system, email domain, listserv, directory, or smart phone app, whether or not we authorized the particular usage or channel. If you do not voluntarily transfer these domain names, accounts, profiles, pages, usernames, and registrations, the registrars and hosts of any such electronic marketing or communications channels may accept this Agreement as evidence of our exclusive rights in the domain names, accounts, profiles, pages, usernames, and registrations and of our authority to direct their transfer on your behalf. When the domain names, accounts, profiles, pages, usernames, and registrations are transferred, all hosted content will also be transferred to us, including all data housed on the electronic marketing and communications channels as well as all members, friends, contacts and customers who are linked to the accounts or sites;

17.2.3 Cease to use the Confidential Information (including the Brand Standards Manuals, Customer Data and Business Data), the Marks, the Works, and all other distinctive elements associated with the System, and return all materials in your possession or control, in any medium, that contain Confidential Information, bear any of the Marks, or constitute Works;

17.2.4 Cancel any assumed name registration that contains any element or variation of the Marks, and furnish evidence satisfactory to us of compliance with this obligation within five (5) days after termination or expiration of this Agreement;

17.2.5 Cease using the telephone number(s) of the Franchised Business, notify your telephone company and all listing agencies of the termination of your right to use the telephone numbers and listings for the Franchised Business, and transfer those number(s) and listings to us or our designee. If you do not voluntarily transfer these numbers and listings, we will present the signed copy of Appendix D to the telephone company and all listing agencies as evidence of our exclusive rights in the telephone numbers and directory listings and of our authority to direct their transfer on your behalf;

17.2.6 Return to customers (or if we request, to us) all items, including keys, in your possession which relate to that particular customer;

17.2.7 Not directly or indirectly represent yourself to the public or hold yourself out as a present or former franchisee of the Brand; and

17.2.8 Not use any reproduction, counterfeit, copy, or colorable imitation of the Marks or the Works in connection with any other business that, in our opinion, is likely to cause confusion, mistake, or deception or to dilute our and/or our affiliates' rights in and to the Marks and the Works. You must not use any designation of origin or description or representation that falsely suggests or represents an association or connection with us.

You hereby appoint us as your attorney-in-fact to carry out the requirements of this Section 17.2 if you fail to do so within a reasonable time, which need not be more than fifteen (15) days. You agree that we will have the right to enter the Approved Location and to contact your landlord and other third parties to make any required changes that you fail to make. You agree to reimburse us on demand for any costs that we incur to carry out your obligations.

17.3. Continuing Obligations. After termination or expiration of this Agreement under any circumstances, you will remain liable to us for certain obligations. Among other things, you are required to:

17.3.1 Promptly pay all sums owing to us and our affiliates;

17.3.2 Permit access to and examination of books and records as provided in Section 8 to determine any amounts due;

17.3.3 Protect the Confidential Information as provided in Section 13;

17.3.4 Comply with the post-term restrictions on competition in Sections 14.2 and 14.3;
and

17.3.5 Indemnify us as provided in Section 20.

18. BUSINESS ENTITY REQUIREMENTS

18.1. Ownership Information. Franchisee and each Owner represents and warrants that the ownership information on the Data Sheet is correct and complete as of the Agreement Date and will not be changed without first obtaining our consent as required by Section 15. You are required to maintain a current list of all stockholders, general partners, limited partners, members, or other direct and indirect beneficial owners (as applicable) and furnish the list to us upon request. If any Owner is a business entity, you are required to provide all information we request concerning that business entity and its owners. Every individual or entity that owns a direct or indirect equity interest of 5% or greater in Franchisee is required

to guarantee Franchisee's performance of this Agreement by executing the Personal Guarantee attached to this Agreement.

18.2. Governing Documents. At our request, you are required to furnish us with copies of Franchisee's articles of incorporation, bylaws, partnership agreement, certificate of formation, limited liability company operating agreement, stock certificates, corporate minutes, or other governing documents, as applicable. You are required to give us at least thirty (30) days prior written notice of any proposed amendments to your governing documents. Your governing documents must provide at all times that your activities are confined exclusively to developing and operating Franchised Businesses. If any controlling Owner is a business entity, you are required to provide similar information concerning that business entity as we may request.

18.3. Control Arrangements. Any voting trust, management agreement, or other arrangement affecting the power to direct and control the affairs of Franchisee requires our prior written consent. You are required to furnish any information and documentation that we may request concerning a proposed control arrangement.

18.4. No Use of Marks in Corporate or Legal Name. Without limiting any of the requirements in Section 11.3 above, you may not use any of the Marks as part of your corporate or legal name.

19. RENEWAL

19.1. Renewal Term and Conditions. Upon expiration of this Agreement, you will have the option to continue the franchise relationship for one (1) additional term of ten (10) years, subject to this Section. We will require you to satisfy the following requirements as a condition of renewing the franchise relationship with us:

19.1.1 You are required to give us written notice of your desire to renew not less than six (6) months and not more than twelve (12) months before the Expiration Date;

19.1.2 You must not be in default of this Agreement or any other agreement with us, our affiliates, or our approved vendors at the time you give the notice in Section 19.1 or during the remainder of the expiring term;

19.1.3 You are required to have a good record of customer service and of compliance with Brand Standards and your contractual obligations to us;

19.1.4 You are required to be on good terms with us, including but not limited to having a good working relationship for day-to-day operations and not being in litigation or other adversarial legal proceedings with us;

19.1.5 At our option, you will sign the then-current franchise agreement being offered to new franchisees of the Brand, except that we may or may not include a further renewal option (the "**Successor Franchise Agreement**"). The terms of the Successor Franchise Agreement may differ substantially from the terms of this Agreement, including increased fees, new fees, reconfiguration of the Territory, and higher Minimum Performance Requirements. Personal guarantees will be required per our then-current policy and our other standard documents will be required;

19.1.6 You are required to pay us the renewal fee specified in the Brand Appendix;

19.1.7 Franchisee and all Owners are required to sign a general release, in a form we prescribe, of any and all claims against us, our affiliates, and our officers, directors, shareholders and employees;

19.1.8 The Key Person and any employees we designate are required to successfully complete any additional or refresher training courses that we may require;

19.1.9 You are required to demonstrate that you have the right to remain in possession of the Approved Location for the full renewal term;

19.1.10 You are required to remodel, refurbish, renovate (including without limitation, as to any upgrading or refurbishing of vehicles used in the Franchised Business as may be requested by us) and/or re-equip the Franchised Business and premises to conform to our then-current Brand Standards for new Franchised Businesses before the end of the expiring term or obtain our approval of arrangements to complete the work on a schedule satisfactory to us; and

19.1.11 The computer system and vehicle(s) used in operation of the Franchised Business must be upgraded as necessary to meet our then-current Brand Standards.

19.2. Your Failure to Act. Your failure to give timely notice of your desire to renew will be deemed an election to decline the option in Section 19.1. IN FRANCHISOR'S SOLE DETERMINATION, FRANCHISEE MAY BE DEEMED TO HAVE IRREVOCABLY DECLINED TO CONTINUE THE FRANCHISE RELATIONSHIP IF FRANCHISEE FAILS TO SIGN AND RETURN TO FRANCHISOR THE SUCCESSOR FRANCHISE AGREEMENT AND OTHER DOCUMENTS REQUIRED BY FRANCHISOR WITHIN THIRTY (30) DAYS AFTER THEIR DELIVERY TO FRANCHISEE, OR FAILS TO COMPLY IN ANY OTHER WAY WITH THE PROVISIONS OF THIS SECTION 19.

19.3. Holding Over. If Franchisee does not sign a Successor Franchise Agreement by the Expiration Date and continues to accept the benefits of this Agreement after the expiration of this Agreement, then at the option of Franchisor, this Agreement may be treated either as (i) expired as of the Expiration Date, with Franchisee then operating without a franchise to do so and in violation of Franchisor's rights; or (ii) continued on a month-to-month basis ("**Interim Period**") until one party provides the other with written notice of such party's intent to terminate the Interim Period, in which case the Interim Period will terminate thirty (30) days after receipt of the notice to terminate the Interim Period. In the latter case, all obligations of Franchisee shall remain in full force and effect during the Interim Period as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Interim Period.

20. INDEMNIFICATION

You agree to indemnify Franchisor, its affiliates, and their respective past, present, and future officers, directors, shareholders, employees, and agents (collectively, "**Protected Parties**") for, and at our option defend the Protected Parties against: (i) any claims (whether or not by a third party) arising directly or indirectly from, as a result of, or in connection with your activities under this Agreement (collectively, "**Claims**"); and (ii) any liabilities, damages, losses, and expenses the Protected Parties incur as a result of such Claims, including but not limited to attorneys' fees, costs of investigation, settlement costs, fines, civil penalties, and interest charges (collectively, "**Expenses**"). To the extent permitted by law, this indemnity includes Claims and Expenses alleged to be caused by the negligence of the Protected Parties, unless (and then only to the extent that) the Claim or Expense is finally determined by a court to have been caused solely by the gross negligence or willful misconduct of the Protected Parties. With respect to any threatened or actual litigation, proceeding, or dispute that could directly or indirectly affect any of the Protected Parties,

the Protected Parties will have the right, but no obligation, to: (i) choose counsel; (ii) direct, manage, and control the handling of the matter; and (iii) settle any Claim on behalf of the Protected Parties. Your obligations under this Section are not limited by the amount of your insurance coverage. This Section will survive the expiration or termination of this Agreement.

21. NOTICES

All notices related to this Agreement are required to be in writing and are required to be delivered in person or sent by certified mail, by national commercial delivery service, or by other written or electronic means which affords the sender reliable evidence of delivery or attempted delivery, to the address shown in the Data Sheet, in the case of Franchisee, or to Authority Brands, Inc., 7120 Samuel Morse Drive, Suite 300, Columbia, MD 21046, Attn: Legal Department, in the case of Franchisor, unless and until a different address has been designated by written notice to the other party. For the avoidance of doubt, our delivery of notice to the business email address that we have on file for you will constitute effective notice unless we receive a non-delivery message. This Section does not apply to changes to the Brand Standards Manuals or any written instructions that we furnish to you relating to operational matters.

22. GENERAL PROVISIONS

22.1. Notice of Suit. You are required to notify us promptly of any legal proceeding or any order of a court or government agency that may adversely affect the operation or financial condition of the Franchised Business.

22.2. Independent Contractor. Nothing in this Agreement is intended to make Franchisor or Franchisee an agent, legal representative, subsidiary, joint venturer, partner, or employee of the other for any purpose. This Agreement does not create a fiduciary relationship between you and us. Nothing in this Agreement authorizes you to make any contract, agreement, warranty, or representation on our behalf or to incur any debt or other obligation in our name. We will not assume liability for any such action or for your acts or omissions or any claim or judgment against you. You are required to hold yourself out to the public as an independent contractor operating under this Agreement.

22.3. Required Use of Legal Name. All legal documents, contracts, invoices, payroll forms, purchase orders, filings, permits, licenses, and other materials between Franchisee and customers, employees, contractors, landlords, vendors, suppliers, government agencies, and other third parties must identify Franchisee by its own company or legal name and, if the document requires a signature, be signed by Franchisee in its own company or legal name.

22.4. Severability. If a court or government agency determines that any provision of this Agreement is invalid or contrary to applicable law, the invalidity will not impair the operation of any other provision of this Agreement that remains otherwise intelligible. The latter will continue to be given full force and effect and the invalid provision(s) will be deemed not to be a part of this Agreement.

22.5. No Implied Waiver. No failure to exercise any right reserved to us in this Agreement or to insist on your strict compliance with any obligation or condition in this Agreement, and no custom or practice of the parties, will constitute a waiver of our right to exercise any right or to demand your compliance with this Agreement. Our waiver of any particular default will not affect or impair our rights with respect to any subsequent default. Our delay or forbearance in exercising any right arising out of your breach or default will not prevent us from exercising the right, declaring any subsequent breach or default, or terminating this Agreement.

22.6. No Implied Third Party Beneficiaries. Nothing in this Agreement is intended to confer any rights or remedies on any person or legal entity other than Franchisee and us.

22.7. No Implied Consent. Whenever this Agreement requires our prior approval or consent, you are required to make a timely written request, and the approval or consent must be obtained in writing and signed by one of our officers. We make no warranties or guarantees and assume no liability or obligation to you by providing any waiver, approval, consent or suggestion in connection with this Agreement.

22.8. Survival of Obligations. All obligations which expressly or by reasonable implication are to be performed, in whole or in part, after the expiration, termination, or assignment of this Agreement will survive expiration, termination, or assignment.

22.9. Our Business Judgment. Except as otherwise expressly provided in this Agreement, whenever we exercise a right and/or discretion to take or withhold an action, we can make our decision or exercise our discretion based on our judgment of what is in the best interests of the Brand at the time, even though (a) there may have been alternative decisions or actions that could have been taken; (b) our decision or the action taken promotes our own financial interest; or (c) our decision or the action may apply differently to different franchisees. In the absence of an applicable statute, we will have no liability to you for any such decision or action. If applicable law implies a duty of good faith and fair dealing in this Agreement, we and you agree that the duty does not encompass any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement.

22.10. Relationship to Other Businesses of Franchisor and its Affiliates. In fulfilling its obligations to Franchisee, and in conducting any activities or exercising any rights pursuant to this Agreement, Franchisor has the right: (i) to take into account, as it sees fit, the effect on, and the interests of, other businesses in which Franchisor and its affiliates have an interest, and on Franchisor's (and its affiliates') own activities; (ii) to share market and product research, and other proprietary and non-proprietary business information, with Franchisor's affiliates and the businesses in which they have an interest; and/or (iii) to introduce products, processes, or operational equipment used by the System into the franchised systems of Franchisor's affiliates, and to allocate new products and/or developments between and among the franchised systems, as Franchisor and its affiliates see fit. Franchisee understands and agrees that all obligations of Franchisor under this Agreement are subject to this section, and that nothing in this section shall affect in any way Franchisee's obligations under this Agreement.

22.11. Right to Information. You consent to us obtaining, using and disclosing to third parties (including, without limitation, prospective franchisees, financial institutions, legal and financial advisors), for any purpose whatsoever or as may be required by law, any financial or other information contained in or resulting from information, data, materials, statements and reports received by us or our affiliates (or disclosed to us or our affiliates) in accordance with this Agreement.

22.12. Entire Agreement. This Agreement and its Appendices constitute the entire agreement between Franchisor and Franchisee and the Owners concerning the Franchised Business. It supersedes all prior agreements, negotiations, representations, and correspondence concerning the same subject matter, except that nothing in this Agreement is intended to disclaim any representations made in any Franchise Disclosure Document that you received from us in connection with this Agreement. No amendment, change, or variance from this Agreement will be binding unless agreed to in writing and signed by authorized representatives of each party.

22.13. Counterparts. This Agreement may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original. Any signature by electronic signature, facsimile or scanned

PDF shall be deemed an original signature. This Agreement shall be effective only upon the receipt of countersignature by us.

23. DISPUTES

23.1. Governing Law. This Agreement and the relationship between Franchisor and Franchisee and the Owners is governed by the laws of the State of Maryland, except that if a provision of this Agreement would not be enforceable under the laws of Maryland, and if the Franchised Business is located outside of Maryland and the provision would be enforceable under the laws of the state in which the Franchised Business is located, then that provision will be governed by the laws of the state in which the Franchised Business is located. In the event of any conflict of law question, the law applicable under this section will prevail, without regard to the application of Maryland conflict-of-law rules. This Section 23.1 is not intended to subject this Agreement or our relationship with you to any Maryland statute or regulation that would not apply by its own terms without considering this Section.

23.2. Mandatory Arbitration. EXCEPT AS SET FORTH IN SECTIONS 23.3 AND 23.4 BELOW AND IN SUBSECTION 23.2.5, ANY CLAIM OR DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT (INCLUDING BUT NOT LIMITED TO ANY CLAIM THAT THE AGREEMENT OR ANY OF ITS PROVISIONS IS INVALID, ILLEGAL, OR OTHERWISE VOIDABLE OR VOID), THE RELATIONSHIP BETWEEN YOU, YOUR OWNERS AND AFFILIATES AND US OR OUR AFFILIATES, OR YOUR OPERATION OF THE FRANCHISED BUSINESS, SHALL BE SUBMITTED TO JAMS FOR MANDATORY, FINAL AND BINDING ARBITRATION. THE ARBITRATION WILL BE CONDUCTED IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT, 9 U.S.C., SECTION 1, *ET SEQ.*, AND THE COMMERCIAL ARBITRATION RULES OF JAMS IN EFFECT AT THE TIME OF FILING OF THE DEMAND FOR ARBITRATION (THE “**JAMS RULES**”), EXCEPT AS THE JAMS RULES MAY BE MODIFIED BY THE FOLLOWING:

23.2.1 The seat of arbitration will be the JAMS office closest to Columbia, Maryland, and all arbitration hearings shall take place at that office. We have the right to designate headquarters for the Brand at a location other than Columbia, Maryland and to substitute that location for Columbia, Maryland for purposes of this section.

23.2.2 The arbitration will be conducted, heard and decided by one (1) arbitrator (“**Arbitrator**”) who is mutually agreeable to the parties. If the parties have not agreed on the Arbitrator within thirty (30) days after filing of the arbitration demand with JAMS, the Arbitrator shall be appointed in accordance with the JAMS Rules.

23.2.3 The Arbitrator shall not entertain or permit any class or consolidated proceeding.

23.2.4 The administrative fees of JAMS and the Arbitrator’s fees will be split equally between Franchisor and Franchisee.

23.2.5 If either party fails to pay its share of any fee required by JAMS to proceed with administration of the arbitration, and if the other party has paid its own share of the fee, the Arbitrator shall enter a default judgment in favor of the latter party. If an Arbitrator has not yet been appointed at the time of the non-payment of the required fee, the party that has paid its own share of the fee shall have the option to have a default judgment entered in its favor or to proceed in court on the claims submitted to arbitration.

23.2.6 The Arbitrator will not have the authority to add to, delete, or modify the terms of this Agreement. All findings, judgments, decisions and awards of the Arbitrator will be limited to the claims set forth in the arbitration demand and any counterclaims, as they may be amended, and the Arbitrator will

not have the authority to decide any other claims. The Arbitrator will have the power to decide any or all of the issues, claims and defenses presented in the arbitration through summary judgment, summary disposition, or dismissal proceedings without a full evidentiary hearing or witness testimony, as long as all parties are permitted to submit memoranda and affidavits and have oral argument, either in person or by telephone, if the Arbitrator determines that oral argument would assist in the decision making process. The Arbitrator will not have the right or authority to award punitive damages to any party. All findings, judgments, decisions and awards by the Arbitrator will be in writing and will be made within sixty (60) days after the arbitration hearings have been completed, and will be final and binding on all parties in the arbitration.

23.2.7 The written decision of the Arbitrator will be deemed to be an order, judgment and decree and may be entered as such in any court of competent jurisdiction.

23.2.8 The decision of the Arbitrator will have no collateral estoppel effect with respect to a controversy with any person or entity who is not a party to the arbitration proceeding.

23.3. Provisional or Declaratory Relief. Nothing in Section 23.2 or elsewhere in this Agreement prohibits Franchisor's right to seek a restraining order, preliminary injunction, specific performance or declaratory relief in court, under the applicable court rules, against conduct or threatened conduct for which no adequate remedy at law may be available or which Franchisor believes may cause Franchisor irreparable harm. Franchisor may have such relief without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law. Franchisee and each of its Owners acknowledges that any violation of (without limitation) Sections 11, 12, 13, 14, 15 or 17 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available. Accordingly, Franchisee and each of its Owners consents to the issuance of an injunction at Franchisor's request (without posting a bond or other security) prohibiting any conduct in violation of any of those Sections. Franchisee's sole remedy in the event of the entry of specific performance or injunction order will be the dissolution of the order, if warranted (all claims for damages by reason of the wrongful issuance of any such order being expressly waived by Franchisee). Franchisee agrees that the existence of any claims Franchisee or any of its Owners may have against Franchisor, whether or not arising from this Agreement, will not constitute a defense to the enforcement of Sections 11, 12, 13, 14, 15 or 17.

23.4. Disputes Not Subject to Mandatory Arbitration. Notwithstanding Section 23.2, Franchisor shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive or other relief as described in Section 23.3; to protect our intellectual property, including the Marks, Confidential Information, and trade secrets; to terminate this Agreement for a default; and to enforce the post-term obligations in Section 17 of this Agreement. Notwithstanding anything in this Agreement, in the JAMS Rules, or any provision of law, the determination of whether a dispute or controversy filed in a court is subject to arbitration shall be made by the court, not by an arbitrator.

23.5. Time Limit on Filing. Except for claims arising from Franchisee's non-payment or underpayment of amounts Franchisee owes Franchisor or from performance or non-performance of Franchisee's obligations arising upon expiration or termination of this Agreement, any claim or action arising out of or relating to this Agreement or the relationship between us and Franchisee and the Owners will be barred unless submitted to arbitration or filed in court and served within two (2) years from the date the complaining party knew or should have known of the facts giving rise to such claim.

23.6. Venue for Litigation. Franchisee and the Owners are required to file any lawsuit against us only in the federal district court for the district encompassing Columbia, Maryland (or in the closest state court to Columbia, Maryland, if the federal court lacks subject matter jurisdiction). We may file a lawsuit

against Franchisee or the Owners in the federal or state court for Columbia, Maryland or in the federal or state court where the Franchised Business is located. We have the right to designate headquarters for the Brand at a location other than Columbia, Maryland and to substitute that location for Columbia, Maryland for purposes of this section. The parties irrevocably submit to the jurisdiction of such courts and waive all objections to personal jurisdiction and venue for purposes of carrying out this provision.

23.7. Waiver of Jury Trial. We, you, and the Owners irrevocably waive trial by jury in any action, proceeding, or counterclaim.

23.8. Waiver of Exemplary Damages. Franchisee and the Owners, on the one hand, and Franchisor on the other, waive any right to or claim of punitive or exemplary damages against the other, except that we do not waive our right to: (i) statutory, punitive or exemplary damages for violation of the Lanham Act, trademark infringement or dilution, or unauthorized disclosure of confidential information or trade secrets; or (ii) indemnification from Franchisee under Section 20 for any such damages claimed or awarded against Protected Parties.

23.9. Class Action Waiver. TO THE EXTENT PERMITTED BY LAW, FRANCHISEE AND THE OWNERS WAIVE THE RIGHT TO SEEK CERTIFICATION OF A CLASS IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM AGAINST US.

23.10. Costs and Legal Fees. In connection with any failure by Franchisee to comply with this Agreement, regardless of whether there is any legal proceeding to enforce the terms of this Agreement, Franchisee will reimburse Franchisor, upon demand, for the costs and expenses incurred by Franchisor as a result of such failure and Franchisor's enforcement of the terms of this Agreement. Franchisor's costs and expenses include, without limitation, accountants', attorneys', attorneys' assistants and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses, and travel expenses. If Franchisee initiates a legal proceeding against Franchisor, and if Franchisee does not prevail in obtaining the relief Franchisee was seeking in such legal proceedings, then Franchisee will reimburse Franchisor for the costs and expenses incurred by Franchisor as a result of such legal proceedings, including, without limitation, accountants', attorneys', attorneys' assistants and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel expenses, whether incurred prior to, in preparation for, in contemplation of, or in connection with such legal proceedings. However, in case of any conflict between this Section and Section 23.2.4 or 23.2.7 above, Section 23.2.4 or 23.2.7 will take precedence. This section will survive termination or expiration of this Agreement.

23.11. Remedies are Cumulative. Except as otherwise provided in this Section 23, no right or remedy under this Agreement is exclusive of any other right or remedy.

1. **Guarantee.** Upon demand by Franchisor, the Guarantors will immediately make each contribution or payment required of Franchisee under the Agreement and under other agreements or arrangements between Franchisee and the Franchisor Group. You are required to not be in litigation or other adversarial legal proceedings with us;

8. **RENEWAL FEE.** Notwithstanding anything to the contrary in Section 19.1.6 of the Franchise Agreement or the related section of the Brand Appendix, the Renewal Fee payable under the Franchise Agreement will be \$3,500.

9. **GOVERNMENT ACTIONS.** If any official action by a governmental agency (such as an evacuation order, curfew, closure order, injunction, order restricting scope of operations, or adoption of laws or regulations) (“**Government Action**”) makes or will make performance of a party’s essential obligations in this Agreement impossible or unlawful, that party (the “**Affected Party**”) is required to give prompt notice to the other party. The notice must describe the Government Action, identify the date it took or will take effect, and include the Affected Party’s good faith estimate of the scope and duration of the prevention of the Affected Party’s performance. The Affected Party shall resume performance promptly if and when the Government Action expires or is cancelled. APPENDIX C TO FRANCHISE AGREEMENT
CONFIDENTIALITY AND NON-COMPETE AGREEMENT

[Name of Franchisee] (“**Franchisee**”) has entered into a Franchise Agreement (the “**Franchise Agreement**”) with Mosquito Squad Franchising SPE LLC (“**Franchisor**”). Under the Franchise Agreement, Franchisor can require certain individuals affiliated with the Franchisee to bind themselves personally to the confidentiality obligations and restrictions on competition in the Franchise Agreement. You agree as follows:

1. You are signing this Agreement for the benefit of both Franchisee and Franchisor, as a condition of your employment by, ownership interest in, or other role with Franchisee. Franchisor has the right to enforce this Agreement directly against you.
2. You will or might gain access to Confidential Information (as defined in the Franchise Agreement) as a result of your role with Franchisee. You agree that you will: (a) not use the Confidential Information in any other business or capacity; (b) use your best efforts to maintain the confidentiality of the Confidential Information; and (c) not make unauthorized copies of any Confidential Information. If your relationship with Franchisee ends, these obligations continue, but you are required to return to Franchisor any materials in your possession or control that contain Confidential Information.
3. While the Franchise Agreement is in effect and you continue in your role with Franchisee, you will not, directly or indirectly (such as through an affiliate or a family member) own, operate, engage in, be employed by, provide assistance to, or have any economic interest in any **Competing Business**. “**Competing Business**” has the same meaning as set forth in the Brand Appendix to the Franchise Agreement.
4. For two (2) years after (i) your relationship with Franchisee ends; (ii) the expiration or termination of the Franchise Agreement; or (iii) the approved transfer of the Franchise Agreement to a new franchisee, whichever comes first, you will not, without Franchisor’s consent (which Franchisor may withhold at its discretion) either directly or indirectly (such as through an affiliate or a family member) own, operate, engage in, be employed by, provide assistance to, or have any economic interest in any **Competing Business** that is located in or serves customers within (i) the Territory defined in the Franchise Agreement, (ii) forty (40) miles of the Territory, (iii) any zip code where Franchisee’s Franchised Business served customers while the Franchise Agreement was in effect, (iv) the territory of any other then-existing Franchised Businesses plus the area formed by extending the boundaries of that territory ten (10) miles in all directions, or (v) the territory serviced by any business operated by Franchisor, its affiliates or their licensees under the Marks plus the area formed by extending the boundaries of that territory ten (10) miles in all directions. The time period above will be tolled for any period of time during which you are in breach of this section and will resume only when you begin or resume compliance.
5. You represent that enforcement of the restrictions contained in Paragraphs 3 and 4 will not deprive you of the ability to earn a living. If a court rules that any of these restrictions is unenforceable by virtue of its scope or in terms of geographic area, type of business activity prohibited, and/or length of time, you agree to comply with any lesser restriction deemed enforceable by the court. If Franchisor or Franchisee initiates a legal proceeding to enforce this Agreement and prevails in the proceeding, you agree to reimburse Franchisor or Franchisee for its enforcement costs and expenses, including attorneys’ fees.

Franchisee grants Franchisor full authority to act in any manner proper or necessary to the exercise of the foregoing powers, including full power of substitution and execution or completion of any documents required or requested by any telephone or other company to transfer such Listings, and Franchisee ratifies every act that Franchisor may lawfully perform in exercising those powers. This power of attorney shall be effective for a period of two (2) years from the date of expiration, cancellation or termination of Franchisee’s rights under the Agreement for any reason. Franchisee intends that this power of attorney be coupled with an interest. Franchisee declares this power of attorney to be irrevocable and renounces all rights to revoke it or to appoint another person to perform the acts referred to in this instrument. This power of attorney shall not be affected by the subsequent incapacity of Franchisee. This power of attorney is created to secure performance of a duty to Franchisor and is for consideration.

A Default under this Note shall also constitute a Default under the Franchise Agreement. No waiver by Holder of any Default shall operate as a waiver of any other default or the same default on a future occasion.

5. **Waivers.** Maker hereby waives presentment and demand for payment, notice of non-payment, notice of dishonor, protest of dishonor, and notice of protest. All sums due under this Note shall be without relief from valuation and appraisal laws.

SECURITY AGREEMENT

THIS SECURITY AGREEMENT (“Agreement”) is made and entered into as of _____, by and between _____, a _____ formed in _____ (“**Debtor**”), and Mosquito Squad Franchising SPE LLC, a Delaware limited liability company (“**Secured Party**”), who agree as follows:

1. **Recitals.** This Agreement is made and entered into with reference to the following facts and circumstances:

A. Debtor and Secured Party entered into a Mosquito Squad Franchising SPE LLC Franchise Agreement (“**Franchise Agreement**”) under which Debtor was required to pay Secured Party a “**Franchise Fee**”;

B. Debtor and Secured Party entered into a Promissory Note (“**Note**”) on the same date as this Security Agreement (“**Agreement**”) under which Secured Party agreed to permit Debtor to pay a portion of the Franchise Fee on a payment plan;

C. Debtor is jointly and severally indebted to Secured Party in the principal amount of \$_____ as evidenced by the Note (the “**Indebtedness**”); and

D. As a material inducement for Secured Party’s accepting the Note, Debtor has agreed to secure Debtor’s performance under the provisions and conditions of the Note, the Franchise Agreement, and any other debts Debtor owes to Secured Party by granting to Secured Party a security interest in the collateral described in this Agreement.

2. **Grant of Security Interest.** As security for: (i) Debtor’s timely and complete payment of all amounts owing under the Note, the Franchise Agreement, and of any other debts Debtor owes to Secured Party; and (ii) Debtor’s performance of all of the covenants, obligations and agreements contained in the Note, the Franchise Agreement, this Agreement and all other instruments and documents pertaining to, evidencing or securing the Note, the Franchise Agreement or other debts Debtor owes to Secured Party (and as those instruments and documents may be amended from time to time), Debtor hereby grants, transfers, and assigns to Secured Party a continuing security interest in the following items, property and rights (collectively, “**Collateral**”):

A. All of the personal property of Debtor now and hereafter situated at, used in connection with, relating to or deriving from any MOSQUITO SQUAD Franchised Business (or its successor) pursuant to the Franchise Agreement or otherwise, including without limitation, at those certain premises which are described on Exhibit A, attached hereto and incorporated herein by this reference (“**Premises**”), and the businesses conducted at such Premises, including, without limitation, all present and after-acquired goods, accounts, documents, instruments, money, deposit accounts, chattel paper, inventory, equipment, supporting obligations, investment property, letter of credit rights, and general intangibles; and

B. Debtor’s entire right, title and interest in and to all replacements, rents, profits, substitutions and (or) additions to or of those items referred to in subparagraph 2.A. above, and any proceeds arising from the sale and(or) other disposition of the same (including, without limitation, sums payable for loss under insurance covering the Collateral).

3. **Warranties; Protection of Collateral.** Debtor warrants that it is the owner of the Collateral free of all liens except the lien created hereby. Debtor agrees that it: (a) will properly maintain, repair and

preserve the Collateral and insure the same against casualty loss by a policy of insurance covering such risks and in such amount as the Secured Party may require, with loss payable to Secured Party and will furnish certificates acceptable to Secured Party; (b) will pay in timely fashion all taxes which may become a lien on the Collateral; (c) except with Secured Party's prior written consent, Debtor will make no sale, contract to sell, lease, encumbrance or other disposition of the Collateral nor change its physical location from the Premises above designated; (d) will use the Collateral lawfully and only within insurance coverage and not use the Collateral so as to cause or result in any waste, unreasonable deterioration or depreciation; (e) will permit Secured Party to enter on Debtor's property and to inspect the Collateral at any reasonable time; (f) will not, with the exception of sales of inventory in the ordinary course of business, remove the Collateral from the Premises without the consent of Secured Party except when reasonably necessary for repair or to replace obsolete or worn out items of Collateral; and (g) will execute any additional agreements, assignments or documents that may be deemed necessary or advisable by Secured Party to effectuate the purpose of this Agreement and the protection of the Collateral.

4. **Delivery and Perfection.** Debtor agrees to execute and deliver to Secured Party any other documents reasonably requested by Secured Party to create, maintain, perfect, or assure the priority of the security interest granted above. Debtor hereby appoints Secured Party as its agent and attorney-in-fact to execute and deliver documents and to take all other actions (to the extent permitted by law) in Debtor's name and on Debtor's behalf that Secured Party may deem necessary or advisable to create, maintain, perfect, assure the priority of, or foreclose its security interest in and lien on the Collateral. This appointment is coupled with an interest and is irrevocable as long as any of the Indebtedness remains outstanding.

5. **Default.** The following shall constitute a default by Debtor hereunder:

A. Any failure to comply with the provisions of the Franchise Agreement, this Agreement, or any other agreement with Secured Party, or to perform any covenant contained herein.

B. Any default by Debtor under the Note or any failure to pay when due any portion of the Indebtedness, including, without limitation, any interest payable thereunder.

C. Any loss, theft, substantial damage or destruction of the Collateral or issuance of attachment, levy, garnishment or judicial process with respect to the Collateral.

D. Insolvency, bankruptcy, business failure, assignment for benefit of creditors or appointment of a receiver for Debtor or its property.

E. Secured Party deeming itself insecure, believing in good faith that the prospect of payment of the Indebtedness (or any portion thereof) or of performance of this Agreement, or any covenant contained herein, is impaired.

6. **Rights and Remedies.** In the event of a default hereunder, Secured Party shall have and shall otherwise be entitled to all rights and remedies provided for or allowed under law. In accordance with the foregoing, and without limitation, Secured Party shall be entitled to:

A. Take possession of and protect the Collateral, including the right to remove all persons from the Premises and take sole possession thereof.

B. If Secured Party is not then in possession of the Collateral, to require Debtor or any other person in possession of the Collateral to assemble it at Debtor's expenses and make it available to Secured Party at a reasonably convenient place, to be designated by Secured Party.

C. Retain the Collateral in satisfaction of Debtor's obligations, or dispose of the Collateral by public or private sale (at which sale the Secured Party may be a buyer), or commence operation of the Business for Debtor's account. Any sale or operation of the Business shall be deemed to be on Debtor's account unless Secured Party gives Debtor written notice of intent to retain the Collateral in satisfaction of Debtor's obligations. The proceeds of sale or operation for Debtor's account shall be applied in total or partial satisfaction of Debtor's obligations to Secured Party and for Secured Party's costs incurred in proceeding under this paragraph. All proceeds shall be applied first to cover Secured Party's costs, and second to satisfy Debtor's obligations to Secured Party. To the extent there is still any deficiency in the amount Secured Party is owed, Secured Party may collect the same from Debtor, and, to the extent that any excess proceeds exist (after the application of such proceeds as provided for herein and under the law), Secured Party shall pay the same to Debtor.

D. Declare any and all amounts outstanding under the Note to be immediately due and payable.

E. Reduce any claim against Debtor to judgment and enforce any such judgment against Debtor.

F. Take such steps as it may deem appropriate to foreclose upon or otherwise enforce the security interest(s) and lien of this Agreement to secure payment and performance of the Debtor's obligations under this Agreement and the Note.

G. Exercise any and all other rights and remedies available at law or equity or otherwise to Secured Party under this Agreement or the Note.

7. **Nonwaiver.** No delay or omission to exercise any right, power, or remedy accruing to Secured Party upon any breach or default of Debtor under this Agreement shall impair any such right, power, or remedy of Secured Party, nor shall it be construed to be a waiver of any such breach thereafter occurring, nor shall any waiver of any single breach or default theretofore occurring be deemed a waiver of any other breach or default. Any waiver, permit, consent, or approval of any kind under this Agreement, or any waiver on the part of the Secured Party of any provision or condition of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law, or otherwise afforded to Secured Party, shall be cumulative and not alternative.

8. **Notices.** Unless otherwise specifically provided in this Agreement, all notices, demands, or other communications given hereunder will be in writing and pursuant to Section 21 of the Franchise Agreement.

9. **Miscellaneous.**

A. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the manners dealt with in this Agreement. In addition each party has had the opportunity to consult with experienced and knowledgeable legal counsel. Accordingly, any rule of law or legal decision that would require interpretation of any ambiguities in this Agreement against the party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the purpose of the parties and this Agreement.

B. THIS RENEWAL ADDENDUM (“**Addendum**”) to the MOSQUITO SQUAD Franchise Agreement dated as of _____ (“**Franchise Agreement**”) by and between MOSQUITO SQUAD Franchising SPE LLC, a Delaware limited liability company (“**Franchisor**”), _____, a [state/entity type] (“**Franchisee**”), and _____ ([collectively,] “**Guarantor**”), is entered into simultaneously with the Franchise Agreement.

RECITALS

A. Franchisor and Franchisee are parties to a MOSQUITO SQUAD Franchise Agreement dated _____ (“**Prior Agreement**”) under which Franchisor granted Franchisee the right to operate the Franchised Business at the Approved Location. The term of the Prior Agreement has expired or will expire soon.

B. Franchisor and Franchisee are executing the Franchise Agreement to renew the rights granted to Franchisee under the Prior Agreement.

C. The individual(s) identified above as “Guarantor” are guarantying Franchisee’s obligations under the Franchise Agreement (the “**Guaranty**”).

D. The parties desire to modify certain provisions of the Franchise Agreement as reflected in this Addendum.

NOW THEREFORE, in consideration of the mutual covenants, agreements and obligations set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Pre-Opening Obligations Deleted.** Since Franchisee has been operating the Franchised Business pursuant to the Prior Agreement, the parties acknowledge and agree that no provisions of the Franchise Agreement that relate to pre-opening obligations of either party shall be applicable. Franchisee remains required to comply with the conditions for renewal under the Prior Agreement.

2. **Term.** The text of Section 3 of the Franchise Agreement is deleted and replaced with the following:

*“This Agreement will expire on the anniversary of the Agreement Date specified in the Brand Appendix (the “**Expiration Date**”). You will not have a contractual right to renew the franchise rights when the term expires. However, we may in our sole discretion offer you the opportunity to enter into a new agreement with us.*”

3. **Renewal Fee.** Simultaneously with the execution of this Addendum, Franchisee shall pay Franchisor a renewal fee in the amount of _____.

4. **Indemnification.** The indemnification obligations under the Prior Agreement survive the expiration of the Prior Agreement.

5. **Release by Franchisee and Guarantor.** In order to induce Franchisor to renew the rights granted in the Prior Agreement, Franchisee (on behalf of itself and its parent, subsidiaries and affiliates and their respective past and present members, officers, directors, shareholders, agents, and employees, in their corporate and individual capacities) and Guarantor (each on behalf of themselves and their respective heirs,

representatives, successors and assigns) (collectively, “**Franchisee Releasors**”) freely and without any influence, forever release and covenant not to sue Franchisor, its parent, subsidiaries and affiliates, and their respective past and present officers, directors, shareholders, agents and employees, in their corporate and individual capacities (collectively, “**Franchisor Releasees**”), with respect to any and all claims, demands, liabilities and causes of action of whatever kind or nature, known or unknown, vested or contingent, suspected or unsuspected (collectively, “**claims**”), that any Franchisee Releasor now owns or holds or may at any time have owned or held, including, without limitation, claims arising under federal, state and local laws, rules and ordinances and claims arising out of, or relating to the Prior Agreement, all other agreements existing between any Franchisee Releasor and any Franchisor Releasee before execution of the Franchise Agreement, the sale of other franchises to any Franchisee Releasor, the development and operation of the Franchised Business, and each Franchisor Releasee’s performance of its obligations under the Prior Agreement and any other agreement between any Franchisor Releasee and any Franchisee Releasor. Franchisee and Guarantor (on behalf of themselves and the Franchisee Releasors) agree that fair consideration has been given by Franchisor for this release, and they fully understand that this is a negotiated, complete and final release of all of their claims.

FRANCHISEE AND GUARANTOR EACH, ON BEHALF OF ITSELF AND THE FRANCHISEE RELEASORS, WAIVE ANY RIGHTS AND BENEFITS CONFERRED BY ANY APPLICABLE PROVISION OF LAW EXISTING UNDER ANY FEDERAL, STATE OR POLITICAL SUBDIVISION THEREOF WHICH WOULD INVALIDATE ALL OR ANY PORTION OF THE RELEASE CONTAINED IN THIS AGREEMENT BECAUSE SUCH RELEASE MAY EXTEND TO CLAIMS THAT THE FRANCHISEE RELEASORS DO NOT KNOW OR SUSPECT TO EXIST IN THEIR FAVOR AT THE TIME OF EXECUTION OF THIS AGREEMENT.

IF THE FRANCHISE TO WHICH THIS RENEWAL ADDENDUM APPLIES OR IF ANY FRANCHISEE RELEASORS ARE LOCATED IN CALIFORNIA, THE FRANCHISEE RELEASORS EXPRESSLY WAIVE AND RELINQUISH ALL RIGHTS AND BENEFITS WHICH IT/HE/SHE MAY NOW HAVE OR IN THE FUTURE HAVE UNDER AND BY VIRTUE OF CALIFORNIA CIVIL CODE SECTION 1542. FRANCHISEE RELEASORS DO SO UNDERSTANDING THE SIGNIFICANCE AND CONSEQUENCE OF SUCH SPECIFIC WAIVER. SECTION 1542 PROVIDES THAT “[A]. GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.” FOR THE PURPOSE OF IMPLEMENTING A GENERAL RELEASE AND DISCHARGE AS DESCRIBED HEREIN, FRANCHISEE RELEASORS EXPRESSLY ACKNOWLEDGE THAT THIS AGREEMENT IS INTENDED TO INCLUDE IN ITS EFFECT, WITHOUT LIMITATION, ALL CLAIMS WHICH RELEASORS DO NOT KNOW OR SUSPECT TO EXIST IN THEIR FAVOR AT THE TIME OF EXECUTION HEREOF, AND THAT THIS AGREEMENT CONTEMPLATES THE EXTINGUISHMENT OF ANY SUCH CLAIMS.

6. **Capitalized Terms.** Any capitalized term that is not defined in this Addendum shall have the meaning given to it in the Franchise Agreement.

7. **Limited Modification.** Except as expressly modified by this Addendum, the Franchise Agreement and the Guaranty remain unmodified and in full force and effect.

8. **Counterparts.** The Parties may sign this Addendum in counterparts and each such counterpart may be delivered to the other parties by facsimile or by other electronic copy (such as an accurate PDF copy of the signature page sent by e-mail), and when taken together with all other identical copies of this Agreement also signed in counterpart, shall be considered as one agreement.

IN WITNESS WHEREOF, the parties have executed this Addendum, simultaneously with the Franchise Agreement.

Report of Independent Auditors

To the Board of Directors of Authority Brands Inc.

Opinion

We have audited the accompanying consolidated financial statements of AB Assetco LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations, of changes in member's equity and of cash flows for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 3 to the consolidated financial statements, the Company changed the manner in which it accounts for goodwill in 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

AB Assetco LLC and Subsidiaries

Notes to Consolidated Financial Statements (in thousands of dollars)

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

1. Organization and Description of Business

AB Assetco LLC and Subsidiaries (“the Company” or “AB Assetco”), a Delaware limited liability company, is the parent company of a number of franchisors and related businesses operating in the United States. On March 24, 2021, in contemplation of a whole business securitization (the “Securitization Transaction”) which was completed on May 14, 2021 (“Securitization Transaction Date”) see Note 2, fifteen wholly owned entities were established by Authority Brands Inc. (the “Parent), the entity controlling AB Assetco. The first three entities formed in conjunction with the planned Securitization Transaction were AB SPE Guarantor LLC and Subsidiaries (“Guarantor”), a direct, wholly-owned subsidiary of the Parent, AB Issuer LLC and Subsidiaries (“Issuer”), a newly formed special purpose Delaware limited liability company, which is directly and wholly owned by Guarantor, AB Assetco LLC and Subsidiaries, which is directly and wholly owned by Issuer.

AB Assetco wholly owns the following Special Purpose Entities (“SPE”):

- The Cleaning Authority Franchising SPE LLC ("The Cleaning Authority Franchisor")
- Homewatch CareGivers Franchising SPE LLC ("Homewatch Franchisor")
- Mosquito Squad Franchising SPE LLC ("Mosquito Squad Franchisor")
- ASP Franchising SPE LLC ("ASP Franchisor")
- Benjamin Franklin Franchising SPE LLC ("Benjamin Franklin Franchisor")
- Mister Sparky Franchising SPE LLC ("Mister Sparky Franchisor")
- One Hour Air Conditioning Franchising SPE LLC ("One Hour Air Conditioning Franchisor")
- Monster Franchising SPE LLC ("Monster Franchisor")
- STOP Franchising SPE LLC ("STOP Franchisor")
- DoodyCalls Franchising SPE LLC ("DoodyCalls Franchisor")
- BuyMax SPE LLC ("BuyMax SPE")
- Successware SPE LLC ("SuccessWare SPE")
- Junkluggers Franchising SPE LLC ("Junkluggers Franchising SPE") - formed in 2022
- Screenmobile Franchising SPE LLC ("Screenmobile Franchisor") - formed in 2023
- Authority Brands Payments SPE LLC ("AB Payments") - formed in 2023

The consolidated financial statements of the Company includes its wholly owned subsidiaries identified above. Guarantor and the Company are collectively referred to as Guarantors. Guarantor, Issuer, AB Assetco and its subsidiaries are collectively referred to as “Securitization Entities.”

Concurrent with the Securitization Transaction, the Parent contributed assets and liabilities attributable to the Securitization Entities to Guarantor. Guarantor then contributed all its assets and liabilities to Issuer and Issuer contributed all its assets and liabilities received from Guarantor to AB Assetco. Following the initial contribution, subsequent franchises sold under the SPE trade names are sold by each individual SPE entity. As these transactions represented an asset transfer among entities under common control, the transfers were accounted for by the Company at historical carrying values on a prospective basis.

AB Assetco LLC and Subsidiaries

Notes to Consolidated Financial Statements (in thousands of dollars)

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

Other than a cash contribution of \$10,000 from Parent, the Company had no significant activity from the date of formation to the Securitization Transaction Date. Accordingly, the Company and its subsidiaries commenced operations on May 14, 2021, and approximately seven and a half months of operating activity was included in the accompanying consolidated financial statements for the period from May 14, 2021 to December 31, 2021.

On November 30, 2022 (“HELOC Transaction Date”), Binford Aggregator LP, a Delaware limited partnership, (“the Buyer”), indirectly owned by affiliates of Apax Partners Fund X and British Columbia Investment Management Corp (“BCI”), became the sole limited partner of Authority Brands Inc.’s Parent, Villa Aggregator LP (the “Partnership” or the “Seller”), indirectly owned by Apax Partners Fund IX, whereby the Buyer acquired 100% of the issued and outstanding equity interests of Villa Aggregator LP (collectively the “HELOC Transaction”). The HELOC Transaction qualified as a change of control in accordance with ASC 805. However, the Company did not elect pushdown accounting as a result of the HELOC Transaction and accordingly, the acquisition is not reflected in these consolidated financial statements.

In connection with the HELOC Transaction, the Parent entered into the Binford Aggregator LP Executive Equity Incentive Plan (the “2022 Plan”). All awards granted and outstanding under the Villa Aggregator LP Amended and Restated Executive Equity Incentive Plan (the “2018 Plan”) vested as of the HELOC Transaction Date, as a result of the change in control, and were rolled over or settled in cash on the HELOC Transaction Date. As a result, the Parent allocated stock-based compensation expense for the awards attributed to the Company that vested on the HELOC Transaction Date. Refer to Note 11 Stock-based Compensation for further information.

The Company is a single member LLC and is governed by the March 24, 2021 Limited Liability Company Agreement of AB Assetco LLC, as subsequently amended and restated on May 14, 2021, the same date as the Company commenced operations. The Company’s fiscal year ends on December 31. Dollar values presented in the consolidated financial statements are in thousands of U.S. dollars, unless otherwise stated.

3. Summary of Significant Accounting Policies

Financial Statement Preparation and Principles of Consolidation

The accompanying consolidated financial statements of the Company have been prepared in accordance with generally accepted accounting principles and practices of the United States of America ("GAAP") and include the accounts of the Company and its wholly owned subsidiaries outlined in Note 1. All intercompany accounts and transactions have been eliminated in consolidation. There is no other comprehensive income, and net income equals comprehensive income. Due to the Securitization Transaction, the accompanying consolidated financial statements are presented for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021.

Parent uses a centralized approach to payments and cash management. These arrangements are not reflective of the manner in which the Company would have operated had it been a stand-alone business separate from Guarantor and the Parent during the periods presented. Centralized payment arrangements, to the extent not settled, are reflected as due to Guarantor on the consolidated balance sheets. As of December 31, 2023 and 2022, there are no amounts due to Guarantor but rather, for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, the Company made periodic distributions in excess of the amounts due to Guarantor. Net distributions in the amount of \$68,651, \$69,644 and \$25,915 are reflected in the consolidated statements of changes in member's equity as

distribution to Guarantor for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, respectively.

Parent provides a variety of services to the Company. The consolidated statements of operations include direct expenses, such as compensation and benefits for employees of the Company, that would have been incurred in the ordinary course of business if the Company had operated as a stand-alone company. Such direct expenses were included based on specific identification and are reflected primarily in franchise support expenses. The consolidated statements of operations also include expense allocations for services and certain support functions that are provided on a centralized basis by Parent such as legal, business development, human resources, corporate accounting and finance, treasury and various other Parent corporate functions. These parent expenses are allocated by either specific identification or based on revenue of the Company relative to the Parent's other subsidiaries and are reflected in the consolidated statements of operations primarily in general and administrative expenses.

For the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, the Parent allocated \$10,739, \$10,191 and \$7,050, respectively, of general and administrative expenses to the Company. For the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, the Parent allocated \$3,817, \$4,409 and \$5,950 of stock-based compensation expense, respectively, of which \$2,453, \$3,181 and \$1,390 was specific identification by unit holder and \$1,364, \$1,228 and \$4,560 was allocated based on revenue, respectively. Refer to Note 12 Related Parties for further information.

Use of Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. The areas that require the use of management estimates include stock-based compensation and the carrying value of goodwill. Actual results could differ from those estimates.

Revenue Recognition

Revenue is recognized in accordance with Accounting Standards Codification ("ASC") 606 - Revenue from Contracts with Customers, using a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation.

The following describes principal activities from which the Company generates its revenues and the associated revenue recognition policies:

Franchise Revenue

Franchise revenue consists of royalty, national advertising, local advertising, software fees, call center and initial franchise fees charged to franchisees. The Company administers the national advertising fund ("NAF") which is funded by the franchisees and is used to pay for the costs of preparing and producing various advertising and marketing materials for the franchisees.

The Company's primary performance obligation under franchise agreements is granting rights to use the Company's intellectual property over the term of the franchise agreement. Brand royalty and NAF fees are primarily based on a percentage of franchisee sales and the Company recognizes revenue for these fees as they become billable when the underlying franchisee sales occur. These fees are generally billed on a monthly basis. Fixed franchise and NAF fees, which are included in certain brand franchise agreements, are recognized on a straight-line basis over the franchise agreement term. Initial franchise fees are not associated with a service distinct from the overall initial franchise right performance obligation and are therefore recognized on a straight-line basis over the franchise agreement term. The advertising funded through the NAF benefits the franchise brands overall, rather than the individual franchise owners, and therefore is not a performance obligation separate from the overall franchise right. Any underspending of NAF contributions is recorded as accrued and other liabilities on the consolidated balance sheets.

Local advertising, software and call center services provide a distinct benefit from the franchise right and are therefore separate performance obligations. Fees associated with these services are generally billed as a monthly fixed or usage-based amount and are recognized as revenue as the services are performed either on a straight-line basis over the contract term if the fee is fixed or as invoiced if the fee is based on usage.

Franchise revenue, except for initial franchise fees, is included in franchise services fees on the consolidated statements of operations. Initial franchise fees are included in franchise sales fees on the consolidated statements of operations.

Notes to Consolidated Financial Statements (in thousands of dollars)

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

Product Sales Revenue

The Company sells products to franchisee and non-franchisee customers. Revenue for product sales in which the Company has inventory risk is recognized at a point in time when control transfers to the buyer, which is generally when the product is shipped to the customer. Payment is due within a short period of time after the shipment.

The Company acts as an agent in respect of certain third-party products that are sold through the Company's online platform. The Company has no inventory risk on these products as they are drop shipped to the end customer and the third-party vendor is primarily responsible for fulfilling the order. The Company therefore recognizes revenue at an amount equal to the net fees received after payment to the third-party vendor.

The Company recognized \$10,366, \$9,588 and \$5,620 of revenue from Product sales for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, respectively in other revenues on the consolidated statements of operations.

Obligations arising for returns, refunds, and other assurance warranties are infrequent and are not significant to the consolidated financial statements for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021.

Revenue is recognized net of any taxes collected from customers which are subsequently remitted to taxing authorities. These taxes are recorded as a liability when the amounts are billed to franchisees and the liability is relieved when payments are made to the respective taxing authority.

Rebates

Rebates received from third-party vendors in return for the Company maintaining a buying program that connects the vendors with the Company's franchisee customers are recognized as revenue as they become due, which is generally on a monthly basis. Rebates are calculated as a percentage of third-party sales. The Company recognized \$15,723, \$15,906 and \$7,399 of rebates in other revenue on the consolidated statements of operations for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021.

Software Service Revenue

Software service revenue consists of the Company's software and mobile product services that are provided on a continuous basis for the contractual period. Where the Company has determined that the customer obtains a right to access our software, the Company recognizes revenue on a straight-line basis over the contractual term beginning when the customer has access to the service. Software service revenue is typically billed on a monthly basis. The Company's performance obligation is satisfied evenly over time. The Company recognized \$6,632, \$7,084 and \$6,752 of software service revenue for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, respectively, in franchise service fees on the consolidated statements of operations.

Revenue is recognized net of any taxes collected from customers which are subsequently remitted to taxing authorities. These taxes are recorded as a liability when the amounts are billed to franchisees and the liability is relieved when payments are made to the respective taxing authority.

Contract Balances

Contract assets, which relate to fixed franchise and NAF fees for certain franchise agreements, are amounts for which revenue has been recognized but the Company's right to consideration is conditional upon performing further service. Current contract assets are included in prepaid expenses and other current assets. The long-term contract asset balance is included in other assets on the consolidated balance sheets.

Contract liabilities are amounts collected, or an unconditional right to consideration (receivable) in advance of delivery of goods or services. Contract liabilities are typically related to billed amounts for obligations that have not yet been satisfied and therefore may not be recognized until conditions of the contract are met. Contract liabilities consist of initial franchise fees. Initial franchise fees are collected near the execution date of the franchise agreement and recognized on a straight-line basis over the franchise agreement term. The current portion of contract liabilities is included in deferred revenue on the consolidated balance sheets. Long-term contract liabilities are included in other long-term liabilities on the consolidated balance sheets.

Contract assets and liabilities acquired in a business combination are accounted for in accordance with ASU 2021-08 – Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers. The Company accounts for the acquisition of contract assets and liabilities as if the Company had entered into the original contract at the same date and on the same terms as the seller. Therefore, contract assets and liabilities acquired are recognized at the same amount recorded by the seller.

The following table presents closing balances of contract assets and liabilities as of December 31, 2023 and 2022:

	Balance at December 31,		Location on the Consolidated Balance Sheets
	2023	2022	
Contract assets - short-term	\$ -	\$ 406	Prepaid expenses and other current assets
Contract liabilities - short-term	9,952	3,499	Deferred revenue
Contract liabilities - long-term	27,640	28,439	Other long-term liabilities

The Company recognized revenue of \$7,557, \$3,609 and \$1,765 for amortization of initial franchise fees for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021 in franchise sales fees on the consolidated statements of operations, respectively.

Costs Incurred to Obtain a Contract with Customers

The Company capitalizes commissions paid to brokers that are a direct result of obtaining a new franchise agreement and amortizes these costs over the franchise agreement period. These costs are capitalized in prepaid expenses and other current assets and other assets on the consolidated balance sheets. The Company recognized \$1,810, \$675 and \$334 of commission costs in franchise support expenses on the consolidated statements of operations for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, respectively.

Accounts Receivable and Allowance for Doubtful Accounts

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Accounts receivable balances are pooled based on similar risk characteristics and credit risk is assessed based on historical experience, current economic conditions, and reasonable and supportable forecasts of future economic conditions. Uncollectible accounts are written off against the allowance when collection of the amounts appears doubtful.

As of December 31, 2023 and 2022 the allowance for doubtful accounts was \$4,425 and \$2,356, respectively. For the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, the Company recognized bad debt expense of \$2,244, \$1,025 and \$570 and had write-offs of uncollectible accounts of \$175, \$403, and \$29 respectively.

Cash and Cash Equivalents

The Company considers all cash and highly liquid investments purchased with an initial maturity of three months or less to be cash or cash equivalents. Cash consists primarily of cash on hand and cash on deposit. The Company maintains its cash in banks in which deposits may, from time to time, exceed federally insured limits. The Company has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risks related to cash.

Inventory

Inventory consists of products, materials and equipment to be sold and is stated at the lower of cost or net realizable value, with cost determined using weighted-average, on a first-in, first-out method. Inventory is assessed on an annual basis for slow moving and obsolete items and as of December 31, 2023 and 2022, the Company had an inventory reserve of \$379 and \$416, respectively.

Property and Equipment

Property, and equipment is stated at historical cost and depreciated using the straight-line method over the estimated useful life of the assets. Additions and betterments are capitalized, maintenance and repairs which do not extend the useful life of the assets are expensed as incurred in general and administrative expenses on the consolidated statements of operations.

Capitalized Software, Net

The Company capitalizes certain costs incurred in the development of various internally used software platforms, in accordance with ASC 350-40, "Internal-Use Software", which requires certain costs incurred during the application development stage be capitalized and other costs incurred during the preliminary project and post-implementation stages be expensed as they are incurred. The Company also develops software platforms and mobile applications to be sold and capitalizes costs in accordance with ASC 985-20, "Software - Cost of Software to be Sold, Leased or Marketed", which requires development costs incurred in the research and development of new software products be expensed as incurred until technological feasibility, in the form of a working model, has been established, at which time such costs are capitalized until the product is available for general release to customers.

AB Assetco LLC and Subsidiaries

Notes to Consolidated Financial Statements (in thousands of dollars)

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

The Company capitalizes software development costs when the preliminary project stage is completed and the technological feasibility is established. Capitalized costs include personnel and related expenses for employees and third-party contractors who are directly associated with and who devote time to software projects. Any costs incurred to significantly upgrade or enhance the Company's software platform are also capitalized. Costs related to the preliminary project activities and post-implementation support activities are expensed as incurred. Amortization of capitalized software costs accounted for in accordance with ASC 350-40 and ASC 985-20 are recognized in depreciation and amortization and franchise support expenses, respectively, on the consolidated financial statements using a straight-line method over an estimated useful life of three to five years for mobile applications and software platforms, respectively.

Leases

Leases are not significant for the Company as the Parent is the primary obligor of the majority of lease contracts. Further, the Company does not lease any significant office space directly for its own benefit. As such, rent expense is allocated from the Parent to the Company and is recognized in general and administrative expenses on the consolidated statements of operations.

The Company adopted Topic 842 on January 1, 2022 using the modified retrospective transition approach, and as a result did not recast prior periods. Fiscal year 2021 amounts are presented under ASC 840. The Company applied the package of practical expedients permitted under the transition guidance which allows for the carry forward of historical lease identification, lease classification and initial direct costs for existing leases on the adoption date and does not require the assessment of existing lease contracts to determine whether the contracts contain a lease or initial direct costs. There was no cumulative effect adjustment to member's equity as a result of this adoption at January 1, 2022. The adoption of Topic 842 did not have a significant impact on the consolidated statements of operations or cash flows.

Under ASC 842, a lease is a contract, or part of a contract, that conveys the right to control the use of identified asset(s) for a period of time in exchange for consideration. Contracts determined to be or contain a lease include explicitly or implicitly identified assets where the Company has the right to substantially all of the economic benefits of the assets and the ability to direct how and for what purpose the assets are used during the lease term. Leases are classified as either operating or financing.

Finance and operating lease right-of-use ("ROU") assets and lease liabilities are recognized at the lease commencement date based on the present value of the future minimum lease payments over the lease term. The lease term represents the non-cancelable period of the lease, including any lessee options to renew, extend, or terminate which are considered to be reasonably certain of exercise. The Company did not include options to renew within the Company's lease terms as they are not reasonably certain to exercise.

For operating leases, the Company utilizes the private company practical expedient for discount rates and uses a risk-free rate when the discount rate is not readily determinable in the lease. The Company recognizes lease expense for fixed lease payments on operating leases on a straight-line basis over the lease term, while variable lease payments are recognized as incurred.

Assets held under finance leases are included in property and equipment on the consolidated balance sheets and are amortized over the lesser of the term of the related lease or the estimated useful life of the asset. For financing leases, the implied rate is utilized based on the monthly interest disclosed by vendors on monthly invoicing.

The Company applies the short term lease exemption and does not recognize ROU assets and lease liabilities for leases with a lease term less than 12 months for all asset classes. The Company has elected to not separate lease and non-lease components (such as common area maintenance) when amounts are fixed, determinable and combined within monthly lease payment.

The Company evaluates whether events and circumstances have occurred that indicate right-of-use assets have been impaired. Measurement of any impairment of such assets is based on their fair values. Once a right-of-use asset for an operating lease is impaired, the carrying amount of the right-of-use asset is reduced through expense and the remaining balance is subsequently amortized on a straight-line basis.

Intangible Assets

Intangible assets consist of trademarks, franchise relationships, software, proprietary processes, and noncompetition agreements. Intangible assets are stated at their estimated fair value at the date of acquisition. Amortization is computed over the estimated useful lives of the related intangible assets using the straight-line method.

Long-lived Assets

In accordance with ASC 360, Accounting for Impairment or Disposal of Long-Lived Assets, long-lived assets, such as property and equipment and intangible assets, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset group to

AB Assetco LLC and Subsidiaries

Notes to Consolidated Financial Statements (in thousands of dollars)

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

estimated undiscounted future cash flows expected to be generated by the asset group. If not recoverable, the Company determines the fair value of the asset group using a discounted cash flow. If the carrying amount of an asset group exceeds its estimated discounted future cash flows, an impairment charge is recognized at the amount by which the carrying amount of the asset group exceeds the fair value of the asset group. The Company did not recognize any impairment charges for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021.

Goodwill

Goodwill represents the excess of acquisition costs over the fair value of assets and liabilities acquired, including specifically identified intangible assets. Commencing on January 1, 2023, the Company adopted the private company alternative accounting approach for the subsequent accounting for goodwill as provided for in ASU 2014-02, Intangibles - Goodwill and Other (Topic 350): Accounting for Goodwill. As such, the Company amortizes goodwill on a straight-line basis over a period of ten years. The accounting alternative requires the Company to make an accounting policy decision to test goodwill for impairment at either the entity level or the reporting unit level. The Company tests goodwill for impairment at the entity level.

In accordance with ASU 2021-03 - "Accounting Alternative for Evaluating Triggering Events," the Company tests goodwill for impairment if the facts and circumstances at year end indicate a triggering event exists. In conducting impairment testing, the Company has the option to first assess qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the estimated fair value of a reporting unit is less than its carrying amount. If the Company performs a qualitative assessment and determines that the carrying value more likely than not exceeds the fair value, then the quantitative impairment test is performed, otherwise no further analysis is required. The Company also may elect not to perform the qualitative assessment and, instead, proceed directly to the quantitative impairment test. The ultimate outcome of the goodwill impairment assessment will be the same whether the Company chooses to perform the qualitative assessment or proceed directly to the quantitative impairment test.

The Company did not identify any triggering events as of December 31, 2023 and 2022 and did not recognize any impairment charges for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021.

Member's Equity

The Company has one class of units. All items of income and loss are allocated to the Company and its subsidiaries as discussed in Note 1 and Note 3 above.

Income Taxes

Under the Internal Revenue Code, a limited liability company may be treated as a partnership for federal income tax purposes. As a direct result of the Securitization Transaction, the Securitization Entities are each a limited liability company that is disregarded as an entity separate from Parent for federal and state income tax purposes, and are not jointly and severally liable for any income taxes owned by the parent corporate entities. Further, no tax sharing agreement exists, or is expected to exist, between the Securitization Entities and Parent that would require the Securitization Entities to directly or indirectly reimburse Parent for taxes related to the operations of the Securitization Entities. Therefore, taxable income or loss is includable in the income tax returns of its members. Accordingly, no provision has been made for federal or state income taxes in the accompanying consolidated financial statements.

Stock-based Compensation

Upon the formation of the Parent in 2018, the Partnership established the Villa Aggregator LP Amended and Restated Executive Equity Incentive Plan (the "2018 Plan"), which governs certain stock-based and other incentive compensation with the employees. The Plan provides employees an opportunity to indirectly participate in the distribution of the future profits of the Company.

The awards issued under the 2018 Plan (known as Class B Profit Interest Units) are classified as equity awards. Compensation expense is estimated at the grant date based on an award's fair value as calculated by the Monte-Carlo simulation valuation model. Compensation expense is recognized using the graded vesting attribution method over the requisite service period of five years and is included in stock-based compensation expense on the consolidated statements of operations. The Company made a policy election to recognize forfeitures as they occur.

Parent also provides certain Company executives with ownership interests in the Partnership (known as Class A-2 Units) in exchange for promissory notes and rollover equity. The promissory notes only have recourse against the employee's Class A-2 units, as such they are considered to be a stock option in accordance with GAAP. In addition, the notes have an interest rate that is based on a third party indexed rate, and therefore the stock option is classified as a liability award by the Partnership. Liability classified awards are measured at each reporting date using the intrinsic value model with the related compensation expense recognized in stock-based compensation expense in the consolidated

AB Assetco LLC and Subsidiaries

Notes to Consolidated Financial Statements (in thousands of dollars)

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

statements of operations. Until the stock option is deemed to have been exercised through the repayment of the notes, any distributions on these shares will be deemed compensation expense.

The Company is not the legal obligor of the Class A-2 Unit awards. Therefore, the obligation (liability classified award) remains with the Partnership and any stock-based compensation charges incurred are recognized as additional paid-in capital through a noncash contribution with an offsetting charge to stock-based compensation expense.

In connection with the HELOC Transaction in November 2022, the Buyer established the Binford Aggregator LP Executive Equity Incentive Plan (the "2022 Plan"), which governs the Class B stock-based incentive compensation granted to certain employees. All remaining units available for issuance under the 2018 Plan and A-2 Units outstanding as of November 2022 were settled upon the close of the HELOC Transaction.

The 2022 Plan provides participants with an opportunity to indirectly participate in the distribution of the future profits of the Company. The awards issued under the 2022 Plan (known as Class B Profit Interest Units) are classified as equity awards. Compensation expense is estimated at the grant date based on an award's fair value as calculated by an options pricing model. Compensation expense is recognized using the graded vesting attribution method over the requisite service period of five years and is included in stock-based compensation expense on the consolidated statements of operations. The Company made a policy election to recognize forfeitures as they occur.

The Company recognized stock-based compensation expense related to the settlement of the awards issued under the 2018 Plan and the Class A-2 Unit awards in connection with the HELOC Transaction. Refer to Note 11 for further details.

Advertising Costs

The Company administers the NAF funded by the franchisees for which the associated revenue is recognized in franchise service fees on the consolidated statements of operations. The NAF pays for costs of preparing and producing various advertising and marketing materials for the franchisees.

The NAF advertising expenses are recognized as incurred and are included in franchise support expenses on the consolidated statements of operations. NAF expenses for the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021 were \$15,547, \$14,972 and \$8,613 respectively.

Non-NAF advertising expenses are recognized as incurred and included in both franchise sales expense and franchise support expenses on the consolidated statements of operations. For the years ended December 31, 2023 and 2022 and for the period from May 14, 2021 to December 31, 2021, \$3,151, \$1,916 and \$2,079 respectively, were expensed in the consolidated statements of operations.

Fair Value Measurements

The Company applies fair value accounting for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements on a recurring basis. The Company defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities, which are required to be recorded at fair value, the Company considers the principal or most advantageous market in which the Company would transact and the market-based risk measurements or assumptions that market participants would use in pricing the asset or liability, such as inherent risk, transfer restrictions and credit risk.

The Company applies the following fair value hierarchy, which prioritizes the inputs used to measure fair value into three levels and bases the categorization within the hierarchy upon the lowest level of input that is available and significant to the fair value measurement:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than quoted prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The carrying amounts of cash and cash equivalents, accounts receivable, inventory, prepaid expenses, accounts payable, accrued liabilities and deferred franchise fees approximate fair value because of the short maturity of the instruments.

Recently Issued Accounting Pronouncements*Credit Losses*

In June 2016, the FASB issued ASU 2016-13, Financial Instruments - Credit Losses ("ASC 326"): Measurement of Credit Losses on Financial Instruments, which requires the application of a current expected credit loss ("CECL") impairment model to financial assets measured at amortized cost (including trade accounts receivable), net investments in leases, and certain off-balance-sheet credit exposures. Under the CECL model, lifetime expected credit losses on such financial assets are measured and recognized at each reporting date based on historical, current, and forecasted information. Furthermore, the CECL model requires financial assets with similar risk characteristics to be analyzed on a collective basis. ASC 326 is effective for private companies for fiscal years beginning after December 15, 2022 and interim periods within those years. The Company adopted the new accounting standard on January 1, 2023. The adoption of ASU. 2016-13 did not have a material impact on the consolidated financial statements.

In connection with the HELOC Transaction, all of the Class B awards issued under the 2018 Plan vested and were settled pursuant to the change in control provisions provided for in the award agreement. The Company recognized \$1,149 and \$4,030 in stock-based compensation expense for the settlement of the time vesting and performance vesting awards, respectively, of which \$3,244 was allocated by specific allocation (unit holder) and \$1,935 was allocated based on revenue for the year ended December 31, 2022. Prior to closing of the HELOC Transaction, the Parent modified the terms of the Class B Profit Interests previously granted to five management team members to allow for continued vesting post-separation. As a result of these modifications, the Company recognized stock-based compensation expense of approximately \$1,215 for the year ended December 31, 2022 based on the modification date fair value which is reflected in amounts disclosed above.

2022 Equity Plan

In November of 2022, in connection with the HELOC Transaction, the Parent entered into the Binford Aggregator LP Executive Equity Incentive Plan (the "2022 Plan").

Years Ended December 31, 2023 and 2022 and for the Period From May 14, 2021 to December 31, 2021

These awards will not vest until the return on invested capital condition is met or upon occurrence of the change in control events even as the time-vesting condition is met. As of December 31, 2023 and 2022 no units were vested.

Class A-2 Units Issued to Certain Executives

The Partnership provided certain executives with ownership interests in the Partnership (known as Class A-2 Units) in exchange for promissory notes and rollover equity, in accordance with the Contribution, Rollover and Subscription agreement. Under the terms of this agreement, the Company's executives were provided ownership interests in the Partnership in exchange for promissory notes.

For the period from May 14, 2021 to December 31, 2021, the Company recognized a stock-based compensation expense of \$5,366 in the consolidated statements of operations. As of November 30, 2022 and December 31, 2021, the amount of (gain) expense allocated to the Company by specific identification (unit holder) amounted to \$(253) and \$1,115 and amount of expense allocated based on revenue amounted to \$(827) and \$4,251, respectively. There were no additional grants of these awards during 2021 or 2022. There were no forfeitures or exercises of these awards during the years ended December 31, 2022 and 2021.

In December 2023, Binford Aggregator LP issued a new tranche of A-2 units to be provided to certain executives. In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2. Summary of Significant Accounting Policies

Financial Statement Preparation and Principles of Consolidation

The accompanying consolidated financial statements of the Company have been prepared in accordance with generally accepted accounting principles and practices of the United States of America (“GAAP”) and include the accounts of the Company and its wholly owned subsidiaries outlined in Note 1. All intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. The areas that require the use of management estimates include purchase price allocation, deferred income taxes, the carrying value of goodwill and stock-based compensation. Actual results could differ from those estimates.

Revenue Recognition

Revenue is recognized in accordance with Accounting Standards Codification (“ASC”) 606 – Revenue from Contracts with Customers, using a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation.

The following describes principal activities from which the Company generates its revenues and the associated revenue recognition policies:

Franchise Revenue

Franchise revenue consists of royalty, national advertising, local advertising, software fees, call center and initial franchise fees charged to franchisees. The Company administers the national advertising fund (“NAF”) which is funded by the franchisees and is used to pay for the costs of preparing and producing various advertising and marketing materials for the franchisees.

The Company’s primary performance obligation under franchise agreements is granting rights to use the Company’s intellectual property over the term of the franchise agreement. Brand royalty and NAF fees are primarily based on a percentage of franchisee sales and the Company recognizes revenue for these fees as they become billable when the underlying franchisee sales occur. These fees are generally billed on a monthly basis. Fixed franchise and NAF fees, which are included in certain brand franchise agreements, are recognized on a straight-line basis over the franchise agreement term. Initial franchise fees are not associated with a service distinct from the overall initial franchise right performance obligation and are therefore recognized on a straight-line basis over the franchise agreement term. The advertising funded through the NAF benefits the franchise brands overall, rather than the individual franchise owners, and therefore is not a performance obligation separate from the overall franchise right. Any underspending of NAF contributions is recorded as accrued and other liabilities on the consolidated balance sheets.

Local advertising, software and call center services provide a distinct benefit from the franchise right and are therefore separate performance obligations. Fees associated with these services are generally billed as a monthly fixed or usage-based amount and are recognized as revenue as the services are performed either on a straight-line basis over the contract term if the fee is fixed or as invoiced if the fee is based on usage.

Franchise revenue, except for initial franchise fees, is included in the franchise services fees on the consolidated statements of comprehensive loss. Initial franchise fees are included in franchise sales fees on the consolidated statements of comprehensive loss.

Company-Owned Store Revenue

Revenue from company-owned stores is generally recognized when the services are performed, which typically occurs on a single day. Payment is due within a short period of time after the service has been performed.

For fixed fee restoration services that may extend over a period of time, typically no more than 18 months, the Company recognizes revenue as performance obligations are satisfied and control of the promised good or service is transferred to the customer. Restoration service revenue is recognized over time using contract costs as a method to measure progress towards satisfaction of the underlying performance obligations. Contract costs include direct costs such as materials, labor and subcontractor costs, as well as indirect costs identifiable with, or allocable to, a specific contract that are expensed as incurred. Revenue is recognized based on the proportion of the contract costs incurred to the total estimated costs expected to be incurred upon completion of the underlying performance obligation. Changes in these estimates can occur for a variety of reasons and are recognized on a cumulative catch-up basis in the period when such changes are determinable and reasonably

Notes to Consolidated Financial Statements (in thousands of dollars)

estimable. If the estimate of contract profitability indicates an anticipated loss on a contract, the Company recognizes the total loss at the time it is identified. The Company recognized restoration services revenue of \$8,909 and \$696 during the years ended December 31, 2023 and 2022, respectively. Restoration services deferred revenue was \$858 and \$1,869 as of December 31, 2023 and 2022, respectively.

The Company also offers extended warranties and annual service plans. Revenue associated with these services is recognized on a straight-line basis over the contract term. Fees are generally billed annually in advance and are included in deferred revenue and other long-term liabilities on the consolidated balance sheets until revenue recognition occurs.

Company-owned store revenue is included in residential services on the consolidated statements of comprehensive loss.

Product Sales Revenue

The Company sells products to franchisee and non-franchisee customers. Revenue for product sales in which the Company has inventory risk is recognized at a point in time when control transfers to the buyer, which is generally when the product is shipped to the customer. Payment is due within a short period of time after the shipment.

The Company acts as an agent in respect of certain third-party products that are sold through the Company's online platform. The Company has no inventory risk on these products as they are drop shipped to the end customer and the third-party vendor is primarily responsible for fulfilling the order. The Company therefore recognizes revenue at an amount equal to the net fees received after payment to the third-party vendor.

The Company recognized \$10,441, \$9,913 and \$9,320 of revenue from product sales for the years ended December 31, 2023, 2022 and 2021, respectively, in other revenues on the consolidated statements of comprehensive loss.

Obligations arising for returns, refunds, and other assurance warranties are infrequent and are not significant to the consolidated financial statements for the years ended December 31, 2023, 2022 and 2021.

Revenue is recognized net of any taxes collected from customers which are subsequently remitted to taxing authorities. These taxes are recorded as a liability when the amounts are billed to franchisees and the liability is relieved when payments are made to the respective taxing authority.

Rebates

Rebates received from third-party vendors in return for the Company maintaining a buying program that connects the vendors with the Company's franchisee customers are recognized as revenue as they become due, which is generally on a monthly basis. Rebates are calculated as a percentage of third-party sales. The Company recognized \$17,865, \$18,134 and \$12,558 of rebates in other revenue on the consolidated statements of comprehensive loss for the years ended December 31, 2023, 2022 and 2021, respectively.

Software Service Revenue

Software service revenue consists of the Company's software and mobile product services that are provided on a continuous basis for the contractual period. Where the Company has determined that the customer obtains a right to access our software, the Company recognizes revenue on a straight-line basis over the contractual term beginning when the customer has access to the service. Software service revenue is typically billed on a monthly basis. The Company's performance obligation is satisfied evenly over time. The Company recognized \$6,632, \$7,084 and \$6,752 of software service revenue for the years ended December 31, 2023, 2022 and 2021, respectively, in franchise service fees on the consolidated statements of comprehensive loss.

Revenue is recognized net of any taxes collected from customers which are subsequently remitted to taxing authorities. These taxes are recorded as a liability when the amounts are billed to franchisees and the liability is relieved when payments are made to the respective taxing authority.

Contract Balances

Contract assets, which relate to fixed franchise and NAF fees for certain franchise agreements, are amounts for which revenue has been recognized but the Company's right to consideration is conditional upon performing further service. Current contract assets are included in prepaid expenses and other current assets. The long-term contract asset balance is included in other assets on the consolidated balance sheets.

Contract liabilities are amounts collected, or an unconditional right to consideration (receivable) in advance of delivery of goods or services. Contract liabilities are typically related to billed amounts for obligations that have not yet been satisfied and therefore may not be recognized until conditions of the contract are met. Contract liabilities consist of initial franchise fees and service plans. Initial franchise fees are collected

near the execution date of the franchise agreement and recognized on a straight-line basis over the franchise agreement term. Fees for services plans are collected upfront and recognized over the life of the plan, which is generally one year. The current portion of contract liabilities is included in deferred revenue on the consolidated balance sheets. Long-term contract liabilities are included in other long-term liabilities on the consolidated balance sheets.

Contract assets and liabilities acquired in a business combination are accounted for in accordance with ASU 2021-08 – Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers. The Company accounts for the acquisition of contract assets and liabilities as if the Company had entered into the original contract at the same date and on the same terms as the seller. Therefore, contract assets and liabilities acquired are recognized at the same amount recorded by the seller.

The following table presents closing balances of contract assets and liabilities as of December 31, 2023 and 2022:

	Balance at December 31,		Location on the Consolidated Balance Sheets
	2023	2022	
Contract assets - short-term	\$ -	\$ 406	Prepaid expenses and other current assets
Contract liabilities - short-term	17,189	13,586	Deferred revenue
Contract liabilities - long-term	29,640	28,439	Other long-term liabilities

The Company recognized revenue of \$7,982, \$3,681 and \$2,749 for amortization of initial franchise fees for the years ended December 31, 2023, 2022 and 2021 in franchise sales fees on the consolidated statements of comprehensive loss. The Company recognized revenue of \$9,523, \$8,101 and \$6,584 for amortization of service plans for the years ended December 31, 2023, 2022 and 2021 in residential services on the consolidated statements of comprehensive loss.

Costs Incurred to Obtain a Contract with Customers

The Company capitalizes commissions paid to brokers that are a direct result of obtaining a new franchise agreement and amortizes these costs over the franchise agreement period. These costs are capitalized in prepaid expenses and other current assets and other assets on the consolidated balance sheets. The Company recognized \$1,957, \$689 and \$479 of commission costs in franchise sales expenses on the consolidated statements of comprehensive loss for the years ended December 31, 2023, 2022 and 2021.

Accounts Receivable and Allowance for Doubtful Accounts

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Accounts receivable balances are pooled based on similar risk characteristics and credit risk is assessed based on historical experience, current economic conditions, and reasonable and supportable forecasts of future economic conditions. Uncollectible accounts are written off against the allowance when collection of the amounts appears doubtful. As of December 31, 2023 and 2022, the allowance for doubtful accounts was \$5,757 and \$3,170, respectively. During the years ended December 31, 2023, 2022 and 2021, the Company recognized bad debt expense of \$3,123, \$1,637 and \$1,290 and had write-offs of uncollectible accounts of \$536, \$403 and \$77, respectively.

Cash and Cash Equivalents

The Company considers all cash and highly liquid investments purchased with an initial maturity of three months or less to be cash or cash equivalents. Cash consists primarily of cash on hand and cash on deposit. The Company maintains its cash in banks in which deposits may, from time to time, exceed federally insured limits. The Company has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risks related to cash.

In accordance with Accounting Standards Update (“ASU”) 2016-15 Statement of Cash Flows (Topic 230), cash payments made not soon after (defined as more than three months) the acquisition date of a business combination to settle any contingent consideration liabilities, the payments are separated and classified as cash outflows from financing activities and operating activities. Cash payments up to the amount of the contingent consideration liability recognized at the acquisition date (including measurement-period adjustments) are classified as financing activities; any excess is classified as operating activities. The Company paid contingent consideration of \$1,000, \$0 and \$0 during the years ended December 31, 2023, 2022 and 2021.

Restricted Cash

As of December 31, 2023 and 2022, the Company held \$3,314 and \$3,216, respectively, in restricted cash under the requirements of certain corporate insurance plans and as collateral in connection with the purchasing card program.

Inventory

Inventory consists of products, materials and equipment to be sold and is stated at the lower of cost or net realizable value, with cost determined using weighted-average, on a first-in, first-out method. Inventory is assessed on an annual basis for slow moving and obsolete items. As of December 31, 2023 and 2022, the Company had an inventory reserve of \$472 and \$513, respectively.

Property and Equipment

Property and equipment is stated at historical cost and depreciated using the straight-line method over the estimated useful life of the assets. Additions and betterments are capitalized, maintenance and repairs which do not extend the useful life of the assets are expensed as incurred in general and administrative expenses on the consolidated statements of comprehensive loss.

Capitalized Software, Net

The Company capitalizes certain costs incurred in the development of various internally used software platforms, in accordance with ASC 350-40, "Internal-Use Software", which requires certain costs incurred during the application development stage be capitalized and other costs incurred during the preliminary project and post-implementation stages be expensed as they are incurred. The Company also develops software platforms and mobile applications to be sold and capitalizes costs in accordance with ASC 985-20, "Software – Cost of Software to be Sold, Leased or Marketed", which requires development costs incurred in the research and development of new software products be expensed as incurred until technological feasibility, in the form of a working model, has been established, at which time such costs are capitalized until the product is available for general release to customers.

The Company capitalizes software development costs when the preliminary project stage is completed and the technological feasibility is established. Capitalized costs include personnel and related expenses for employees and third-party contractors who are directly associated with and who devote time to software projects. Any costs incurred to significantly upgrade or enhance the Company's software platform are also capitalized. Costs related to the preliminary project activities and post-implementation support activities are expensed as incurred. Amortization of capitalized software costs accounted for in accordance with ASC 350-40 and ASC 985-20 are recognized in depreciation and amortization and franchise support expenses, respectively, on the consolidated financial statements using a straight-line method over an estimated useful life of three to five years for mobile applications and software platforms, respectively.

Leases

A lease is a contract, or part of a contract, that conveys the right to control the use of an identified asset(s) for a period of time in exchange for consideration. Contracts determined to be or contain a lease include explicitly or implicitly identified assets where the Company has the right to substantially all of the economic benefits of the assets and the ability to direct how and for what purpose the assets are used during the lease term. Leases are classified as either operating or financing.

The Company adopted Topic 842 on January 1, 2022 using the modified retrospective transition approach, and as a result did not recast prior periods. For 2021, amounts are presented under ASC 840. The Company applied the package of practical expedients permitted under the transition guidance which allows for the carry forward of historical lease identification, lease classification and initial direct costs for existing leases on the adoption date and does not require the assessment of existing lease contracts to determine whether the contracts contain a lease or initial direct costs. There was no cumulative effect adjustment to accumulated deficit as a result of this adoption at January 1, 2022. The adoption of Topic 842 did not have a significant impact on the consolidated statements of comprehensive loss or cash flows. See Note 15 Leases.

Finance and operating lease right-of-use ("ROU") assets and lease liabilities are recognized at the lease commencement date based on the present value of the future minimum lease payments over the lease term. The lease term represents the non-cancelable period of the lease, including any lessee options to renew, extend, or terminate which are considered to be reasonably certain of exercise. Some of the Company's leases include one or more options to renew and extend the lease term. The exercise of lease renewal options is at the Company's sole discretion and generally, a renewal option is not deemed to be reasonably certain to be exercised until such option is legally executed.

For operating leases, the Company utilizes the private company practical expedient for discount rates and uses a risk-free rate when the discount rate is not readily determinable in the lease. The Company recognizes lease expense for fixed lease payments on operating leases on a straight-line basis over the lease term, while variable lease payments are recognized as incurred.

Assets held under finance leases are included in property and equipment on the consolidated balance sheets and are amortized over the lesser of the term of the related lease or the estimated useful life of the asset. For financing leases, the implied rate is utilized based on the monthly interest disclosed by vendors on monthly invoicing.

Authority Brands Inc. and Subsidiaries
Notes to Consolidated Financial Statements (in thousands of dollars)
Three Years Ended December 31, 2023

The Company applies the short term lease exemption and does not recognize ROU assets and lease liabilities for leases with a lease term of 12 months or less for all asset classes. The Company has elected to not separate lease and non-lease components (such as common area maintenance) when amounts are fixed, determinable and combined within monthly lease payments.

The Company evaluates whether events and circumstances have occurred that indicate right-of-use assets have been impaired. Measurement of any impairment of such assets is based on their fair values. Once a ROU asset for a lease is impaired, the carrying amount of the right-of-use asset is reduced through expense and the remaining balance is subsequently amortized on a straight-line basis.

Intangible Assets

Intangible assets consist of trademarks, franchise and referral relationships, customer relationships, software, proprietary processes, and noncompetition agreements. Intangible assets are stated at their estimated fair value at the date of acquisition. Amortization is computed over the estimated useful lives of the related intangible assets using the straight-line method.

Long-Lived Assets

In accordance with ASC 360, Accounting for Impairment or Disposal of Long-Lived Assets, long-lived assets, such as property and equipment and intangible assets, are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset group to estimated undiscounted future cash flows expected to be generated by the asset group. If not recoverable, the Company determines the fair value of the asset group using a discounted cash flow. If the carrying amount of an asset group exceeds its estimated discounted future cash flows, an impairment charge is recognized at the amount by which the carrying amount of the asset group exceeds the fair value of the asset group. The Company did not recognize any impairment charges for the years ended December 31, 2023, 2022 and 2021.

Goodwill

Goodwill represents the excess of acquisition costs over the fair value of assets and liabilities acquired, including specifically identified intangible assets. Commencing on January 1, 2023, the Company adopted the private company alternative accounting approach for the subsequent accounting for goodwill as provided for in ASU 2014-02, Intangibles - Goodwill and Other (Topic 350): Accounting for Goodwill. As such, the Company amortizes goodwill on a straight-line basis over a period of ten years. The accounting alternative requires the Company to make an accounting policy decision to test goodwill for impairment at either the entity level or the reporting unit level. The Company tests goodwill for impairment at the entity level.

In accordance with ASU 2021-03 - "Accounting Alternative for Evaluating Triggering Events," the Company tests goodwill for impairment if the facts and circumstances at year end indicate a triggering event exists. In conducting impairment testing, the Company has the option to first assess qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the estimated fair value of a reporting unit is less than its carrying amount. If the Company performs a qualitative assessment and determines that the carrying value more likely than not exceeds the fair value, then the quantitative impairment test is performed, otherwise no further analysis is required. The Company also may elect not to perform the qualitative assessment and, instead, proceed directly to the quantitative impairment test. The ultimate outcome of the goodwill impairment assessment will be the same whether the Company chooses to perform the qualitative assessment or proceed directly to the quantitative impairment test.

The Company did not identify any triggering events as of December 31, 2023 and 2022 and did not recognize any impairment charges for the years ended December 31, 2023, 2022 and 2021.

Deferred Loan Costs

In accordance with ASU 2015-03, Simplifying the Presentation of Debt Issuance Costs ("ASU 2015-03"), the Company capitalizes and defers certain loan costs, which are presented on the consolidated balance sheets as a reduction of long-term debt or within other assets, when they relate to undrawn amounts from the Company's Class A-1 Notes and delayed draw facility. These costs are amortized over the term of the debt using the straight-line method, which approximates the effective interest method.

Stock-Based Compensation

Upon the formation of the Company in 2018, the Partnership established the Villa Aggregator LP Amended and Restated Executive Equity Incentive Plan (the "2018 Plan"), which governs certain stock-based and other incentive compensation with the employees. The Plan provides employees an opportunity to indirectly participate in the distribution of the future profits of the Company.

The awards issued under the 2018 Plan (known as Class B Profit Interest Units) are classified as equity awards. Compensation expense is estimated at the grant date based on an award's fair value as calculated by the Monte-Carlo simulation valuation model. Compensation expense

is recognized using the graded vesting attribution method over the requisite service period of five years and is included in stock-based compensation expense on the consolidated statements of comprehensive loss. The Company made a policy election to recognize forfeitures as they occur.

The Company also provides certain executives with ownership interests in the Partnership (known as Class A-2 Units) in exchange for promissory notes and rollover equity. The promissory notes only have recourse against the employee's Class A-2 units, as such they are considered to be a stock option in accordance with GAAP. In addition, the notes have an interest rate that is based on a third party indexed rate, and therefore the stock option is classified as a liability award by the Partnership. Liability classified awards are measured at each reporting date using the intrinsic value model with the related compensation expense recognized in stock-based compensation expense in the consolidated statements of comprehensive loss. Until the stock option is deemed to have been exercised through the repayment of the notes, any distributions on these shares will be deemed compensation expense.

The Company is not the legal obligor of the Class A-2 Unit awards. Therefore, the obligation (liability classified award) remains with the Partnership and any stock-based compensation charges incurred are recognized as additional paid-in capital through a noncash contribution with an offsetting charge to stock-based compensation expense.

In connection with the HELOC Transaction in November 2022, the Company established the Binford Aggregator LP Executive Equity Incentive Plan (the "2022 Plan"), which governs the Class B stock-based incentive compensation granted to certain employees. All remaining units available for issuance under the 2018 Plan and A-2 Units outstanding as of November 2022 were settled upon the close of the HELOC Transaction.

The 2022 Plan provides participants with an opportunity to indirectly participate in the distribution of the future profits of the Company. The awards issued under the Plan (known as Class B Profit Interest Units) are classified as equity awards. Compensation expense is estimated at the grant date based on an award's fair value as calculated by an options pricing model. Compensation expense is recognized using the graded vesting attribution method over the requisite service period of five years and is included in stock-based compensation expense on the consolidated statements of comprehensive loss. The Company made a policy election to recognize forfeitures as they occur.

The Company recognized stock-based compensation expense related to the settlement of the awards issued under the 2018 Plan and Class A-2 Units in connection with the HELOC Transaction. Refer to Note 14 for further details.

Taxes

The Company is subject to federal and state income taxes. Accordingly, an income tax provision has been recognized for federal and state income taxes. AB Canada and Homewatch Canada are Canadian corporations that are subject to Canadian income taxes. For 2023, 2022 and 2021, income taxes for AB Canada and Homewatch Canada were insignificant.

The Company provides for income taxes in accordance with the asset and liability method. Under this method, deferred tax assets and liabilities are recognized for future tax consequences attributable to differences between the carrying amounts of existing assets and liabilities for financial reporting and for income tax reporting. The deferred tax assets or liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred tax assets are reduced by a valuation allowance when it is more likely than not that some portion or all of the deferred tax assets will not be realized.

For balance sheet presentation purposes, the Company nets its deferred tax asset and deferred tax liability positions by tax jurisdiction and classifies the resulting net deferred tax asset and/or net deferred tax liability as noncurrent in accordance with ASU 2015-17, Income Taxes (Topic 740) Balance Sheet Classification of Deferred Taxes on the consolidated balance sheets.

The Company utilizes a two-step approach for recognizing and measuring uncertain tax positions accounted for in accordance with the asset and liability method. The first step is to evaluate the tax position for recognition by determining whether evidence indicates that it is more likely than not that a position will be sustained if examined by a taxing authority. The second step is to measure the tax benefit as the largest amount that is 50% likely to be realized upon settlement with a taxing authority. Income taxes are accounted for on an accrual basis.

Advertising Costs

The Company administers the NAF funded by the franchisees for which the associated revenue is recognized in franchise service fees on the consolidated statements of comprehensive loss. The NAF pays for costs of preparing and producing various advertising and marketing materials for the franchisees.

Authority Brands Inc. and Subsidiaries
Notes to Consolidated Financial Statements (in thousands of dollars)
Three Years Ended December 31, 2023

The NAF advertising expenses are recognized as incurred and are included in franchise support expenses on the consolidated statements of comprehensive loss. NAF expenses for the years ended December 31, 2023, 2022 and 2021 were \$15,854, \$15,008, and \$12,858, respectively.

Non-NAF advertising expenses are recognized as incurred and included in both franchise sales expense and residential service expenses on the consolidated statements of comprehensive loss. For the years ended December 31, 2023, 2022 and 2021, \$23,099, \$16,970, and \$15,904 respectively, were expensed in the consolidated statements of comprehensive loss.

Foreign Currency Translation

The assets and liabilities of foreign operations in Canada, whose functional currency is other than the U.S. dollar, are translated to U.S. dollars at the period end exchange rates and revenues and expenses are translated at average exchange rates for the period. Differences arising from this translation are included in the foreign currency translation adjustment component of accumulated other comprehensive (loss) income.

For all operations, the monetary items denominated in currencies other than the functional currency are remeasured at period-end exchange rates and transaction gains and losses are included in general and administrative expense in the consolidated statements of comprehensive loss.

Nonmonetary items are remeasured at historical rates. Impacts resulting from the foreign currency fluctuations were not significant to the consolidated financial statements as of and during the periods presented.

Fair Value Measurements

The Company applies fair value accounting for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements on a recurring basis. The Company defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities, which are required to be recorded at fair value, the Company considers the principal or most advantageous market in which the Company would transact and the market-based risk measurements or assumptions that market participants would use in pricing the asset or liability, such as inherent risk, transfer restrictions and credit risk.

The Company applies the following fair value hierarchy, which prioritizes the inputs used to measure fair value into three levels and bases the categorization within the hierarchy upon the lowest level of input that is available and significant to the fair value measurement:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than quoted prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The carrying amounts of cash and cash equivalents, restricted cash, accounts receivable, inventory, prepaid expenses, accounts payable, accrued liabilities and deferred franchise fees approximate fair value because of the short maturity of the instruments. The carrying value of long-term debt approximates fair value as the stated interest rates are at market rates.

Recently Issued Accounting Pronouncements

Credit Losses

In June 2016, the FASB issued ASU 2016-13, Financial Instruments - Credit Losses ("ASC 326"): Measurement of Credit Losses on Financial Instruments, which requires the application of a current expected credit loss ("CECL") impairment model to financial assets measured at amortized cost (including trade accounts receivable), net investments in leases, and certain off-balance-sheet credit exposures. Under the CECL model, lifetime expected credit losses on such financial assets are measured and recognized at each reporting date based on historical, current, and forecasted information. Furthermore, the CECL model requires financial assets with similar risk characteristics to be analyzed on a collective basis. ASC 326 is effective for private companies for fiscal years beginning after December 15, 2022 and interim periods within those years. The Company adopted the new accounting standard on January 1, 2023. The adoption of ASU 2016-13 did not have a material impact on the consolidated financial statements.

The Company elected to account for these awards using the intrinsic valuation technique which represents excess value of the employees' Class A-2 units that were exchanged for promissory notes over the exercise price (which represents the face value of the promissory notes plus accrued interest). 15,600,000 of A-2 units were granted on September 21, 2018 and the intrinsic value of these awards on the grant date was equal to the value of the award.

All Class A-2 units issued in 2018 were settled as a result of the HELOC Transaction based on the Transaction Date fair value. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

SEE THE COVER PAGE OF THE DISCLOSURE DOCUMENT FOR OUR WEBSITE ADDRESS. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. Item 3, Additional Disclosure.

Neither we nor any person in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such parties from membership in such association or exchange.

Item 17, Additional Disclosures.

California Business and Professions Code Sections 20000 through 20043 provide rights to California franchisees concerning transfer, termination, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101 *et seq.*).

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code § 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the agreement. This provision may not be enforceable under California law.

The Franchise Agreement requires application of the laws of the State of Maryland. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur at Columbia, Maryland with the costs being borne equally by the parties.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

You must sign a general release if you renew or transfer the franchise. This provision may not be enforceable under California law. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

Each owner of the franchise is required to execute a personal guarantee. Doing so could jeopardize the marital assets of non-owner spouses domiciled in a community property state such as California.

Item 22, Additional Disclosures.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Exhibit E to the Franchise Disclosure Document (*Questionnaire to be Completed Before Executing Franchise Agreement*) is not applicable in California.

**INFORMATION REQUIRED
BY THE STATE OF ILLINOIS**

Cover Page, Additional Disclosures.

THE GOVERNING LAW, VENUE AND JURISDICTION REQUIREMENTS IN THE DISCLOSURE DOCUMENT AND THE FRANCHISE AGREEMENT ARE SUBJECT TO THE PROVISIONS OF THE ILLINOIS FRANCHISE DISCLOSURE ACT, AND NOTHING IN THESE DOCUMENTS SHALL BE CONSIDERED A WAIVER OF ANY RIGHT CONFERRED UPON YOU BY THE ILLINOIS FRANCHISE DISCLOSURE ACT.

Item 17, Additional Disclosures.

The conditions under which the Franchise Agreement can be terminated and your rights upon non-renewal may be affected by Sections 19 and 20 of the Illinois Franchise Disclosure Act.

Pursuant to Section 4 of the Illinois Franchise Disclosure Act, any provision in the Franchise Agreement that designates jurisdiction or venue for litigation in a forum outside of Illinois is void.

The Illinois Franchise Regulations, Section 200.608, require that Illinois law govern franchise agreements entered into in Illinois.

Item 22, Additional Disclosures.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Exhibit E to the Franchise Disclosure Document (*Questionnaire to be Completed Before Executing Franchise Agreement*) is not applicable in Illinois.

**ILLINOIS ADDENDUM TO THE
FRANCHISE AGREEMENT**

This Addendum relates to franchises sold in Illinois and is intended to comply with Illinois statutes and regulations. The parties agree to modify the Franchise Agreement as follows:

1. Key Accounts. Section 2.5 is amended by adding the following:

A National Account customer is a customer responsible for a business in more than one location. The franchisor has the exclusive right to negotiate and enter into agreements to provide services to National Account customers. You may be offered the opportunity to service a National Account. If you decline or are unable to service the account, the franchisor, an affiliate or another franchisee may provide the service with no compensation to you (even if the service is provided within your territory).

2. Termination. Section 16 is amended by adding the following:

If anything in this Section concerning termination is inconsistent with Section 19 of the Illinois Franchise Disclosure Act of 1987, then the Act shall apply.

3. Renewal. Section 19 is amended by adding the following:

If anything in this Section concerning non-renewal is inconsistent with Section 20 of the Illinois Franchise Disclosure Act of 1987, then the Act shall apply.

4. Governing Law. Section 23.1 is deleted. The Illinois Franchise Regulations, Section 200.608, require that Illinois law govern franchise agreements entered into in Illinois.

5. Venue for Litigation. Section 23.6 is amended by adding the following:

Section 4 of the Act states that any provision in a franchise agreement that designates jurisdiction or venue for litigation in a forum outside of Illinois is void with respect to any action which is otherwise enforceable in Illinois.

6. Time Limit on Filing. Section 23.5 is amended by adding the following:

Notwithstanding the foregoing, any claims arising under the Act shall be commenced within the period of limitation established in Section 27 of the Act.

7. Section 41 of the Illinois Franchise Disclosure Act of 1987 states that any condition, stipulation, or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of the Act or any other law of Illinois is void. Section 41 will control over any inconsistent provisions in the Franchise Agreement.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. This Addendum will have effect only if the Franchise Agreement and/or the relationship between Franchisor and you satisfy all of the jurisdictional requirements of the Illinois Franchise Disclosure Act of 1987, without considering this Addendum. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

INDIANA ADDENDUM TO THE
FRANCHISE AGREEMENT

This Addendum relates to franchises sold in Indiana and is intended to comply with the Indiana statutes and regulations. The parties agree to supplement the Franchise Agreement as follows:

1. Pursuant to Section 23.2-2.7-1 of the Indiana Code, it is unlawful for any franchise agreement entered into between any franchisor and a franchisee who is either a resident of Indiana or a nonresident who will be operating a franchise in Indiana to contain any of the following provisions:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by this chapter or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subdivision does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subdivision.

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subdivision includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three (3) years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any:

(A) advertising campaign or contest;

(B) promotional campaign;

(C) promotional materials; or

(D) display decorations or materials;

at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

2. If the Franchise Agreement contains a provision that is inconsistent with the Indiana Code, the provisions of the Indiana Code will supersede the Franchise Agreement.

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

4. This Addendum will have effect only if the Franchise Agreement and/or the relationship between you and Franchisor satisfy all of the jurisdictional requirements of the Indiana Code, without considering this Addendum. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

6. **Venue.** Section 23.6 is amended by adding the following sentence:

**INFORMATION REQUIRED
BY THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.*
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) the failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) the fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) the unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) the failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

NO STATEMENT, QUESTIONNAIRE, OR ACKNOWLEDGMENT SIGNED OR AGREED TO BY A FRANCHISEE IN CONNECTION WITH THE COMMENCEMENT OF THE FRANCHISE RELATIONSHIP SHALL HAVE THE EFFECT OF (I) WAIVING ANY CLAIMS UNDER ANY APPLICABLE STATE FRANCHISE LAW, INCLUDING FRAUD IN THE INDUCEMENT, OR (II) DISCLAIMING RELIANCE ON ANY STATEMENT MADE BY ANY FRANCHISOR, FRANCHISE SELLER, OR OTHER PERSON ACTING ON BEHALF OF THE FRANCHISOR. THIS PROVISION SUPERSEDES ANY OTHER TERM OF ANY DOCUMENT EXECUTED IN CONNECTION WITH THE FRANCHISE.

THE FACT THAT THERE IS A NOTICE OF THIS DISCLOSURE ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding these Additional Disclosures shall be directed to the Department of the Attorney General, Consumer Protection Division, 670 Law Building, 525 West Ottawa Street, Lansing, Michigan 48913, (517) 373-7717.

*** NOTE: NOTWITHSTANDING PARAGRAPH (f) ABOVE, WE INTEND TO, AND YOU AGREE THAT WE AND YOU WILL, ENFORCE FULLY THE PROVISIONS OF THE ARBITRATION SECTION OF OUR AGREEMENTS. WE BELIEVE THAT PARAGRAPH (f) IS UNCONSTITUTIONAL AND CANNOT PRECLUDE US FROM ENFORCING THE ARBITRATION PROVISIONS.**

This provision supersedes any other term of any document executed in connection with the franchise.

**MINNESOTA ADDENDUM TO THE
FRANCHISE AGREEMENT**

In recognition of the Minnesota Franchises Law, Minn. Stat. §§ 80C.01-80C.22, and the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce, the parties agree to modify the Franchise Agreement as follows:

1. Releases. The following sentence is added to Section 15.2.4 and Section 19.1.7:

Notwithstanding the foregoing, Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 - 80C.22, provided that the foregoing shall not bar the voluntary settlement of disputes.

2. Term and Successor Franchise Agreement; Default and Termination. Sections 3, 16, and 19 are each amended by adding the following:

Notwithstanding anything to the contrary in Sections 3, 16, and 19, Franchisor will comply with Minnesota Statutes Clause 80C.14, Subdivision 3, 4, and 5, which require, except in certain cases, that Minnesota franchisees be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the Franchise Agreement.

3. Licensed Marks and Copyrights. Section 11.6 is amended by adding the following:

Franchisor will indemnify you against liability to a third party resulting from claims that your use of the Marks or the Works infringes trademark rights of the third party, provided that your use is in accordance with the requirements of the Franchise Agreement and the System.

4. Entire Agreement. Section 22.12 is amended by adding the following:

Pursuant to Minn. Stat. § 80C.21 and Minn. Rule Part 2860.4400J, nothing in the Agreement shall in any way abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C.

5. Time Limit on Filing. Section 23.5 is amended to add the following:

Notwithstanding anything to the contrary in this Section, any claim or action arising out of or relating to the Minnesota Franchises Law must be commenced within three (3) years from the occurrence of the facts giving rise to the claim or action, or the claim or action is barred.

6. Jurisdiction and Venue. Section 23.6 is amended to add the following:

Under Minnesota Statutes Section 80C.21, this section will not in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes, Chapter 80C, including the right to submit matters to the jurisdiction of the courts in Minnesota. Minnesota Statutes Section 80C.21 and Minnesota Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. This Addendum will have effect only if the Franchise Agreement and/or the relationship between you and Franchisor satisfy all of the jurisdictional requirements of Minnesota Statutes §§ 80C.01 - 80C.22. INFORMATION REQUIRED
BY THE STATE OF WASHINGTON

In recognition of the restrictions contained in the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 – 19.100.940 (the “Act”), the Franchise Disclosure Document for use in the State of Washington is amended to add the following:

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with us, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with us, including the areas of termination and renewal of your franchise.

In the event of a conflict of laws between the Act and the law chosen in the Franchise Agreement, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

A release or waiver of rights executed by a franchisee will not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder, except when executed pursuant to a negotiated settlement after the Franchise Agreement is in effect and where the parties are represented by independent counsel. Provisions such as those that unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming

reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Exhibit E to the Franchise Disclosure Document (*Questionnaire to be Completed Before Executing Franchise Agreement*) is not applicable in Washington.

2. In the event of a conflict of laws, the provisions of the Act shall prevail.
3. You may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Act, in Washington.
4. A release or waiver of rights executed by you may not include rights under the Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect our reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of yours, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of yours under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). This provision supersedes any other term of any document executed in connection with the franchise

9. This Addendum will have effect only if the Franchise Agreement and/or the relationship between you and the Franchisor satisfy all of the jurisdictional requirements of the Washington Franchise Investment Protection Act, without considering this Addendum.
