What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Nebraska. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Nebraska than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments, may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

NATIONAL PROPERTY INSPECTIONS, INC. (referred to as “we” or “us” or “our” or National Property Inspections, Inc.), is a Nebraska corporation which was incorporated on February 19, 1987. Our principal business address is 9375 Burt Street, Suite 201, Omaha, Nebraska 68114; telephone number is (800) 333-9807. We do business under the same name. Franchisee will be referred to as “you”. Should the franchise be a corporation, partnership or other legal entity, “you” will include the franchise owners.

PARENTS, PREDECESSORS AND AFFILIATES

Our immediate parent company is NPI Holdings Ltd., a Delaware limited liability company that shares our principal address. NPI Holdings Ltd. is a wholly owned subsidiary of Carson, Dunlop & Associates Ltd., a Canadian private limited company with a principal address of 120 Carlton Street, Suite 407, Toronto, Ontario (Canada), M5A 4K2 (“Carson Dunlop”). Carson Dunlop is a wholly owned subsidiary of 1000150484 Ontario Inc., an Ontario (Canada) corporation that shares Carson Dunlop’s address. On February 1, 2024, the Co-operators Group Limited, an Ontario (Canada) private limited company with a principal address of 130 Macdonnell Street, Guelph, Ontario, Canada N1H 6P8 (“COGL”), purchased all of the issued and outstanding shares of 1000150484 Ontario Inc. from FAX Capital Corp. (the “Acquisition”) through 1000785024 Ontario Inc., which is an entity COGL indirectly owns through COGL’s wholly-owned subsidiary, Co-operators Financial Services Limited. As a result of the Acquisition, 1000150484 Ontario Inc. is now a direct wholly owned subsidiary of 1000785024 Ontario Inc., and an indirect subsidiary of Co-operators Financial Services Limited and COGL, our ultimate parent company. 1000785024 Ontario Inc. is an Ontario (Canada) corporation with a principal address of 333 Bay Street, Suite 2400, Toronto, Ontario (Canada) M5H 216. Co-operators Financial Services Limited is an Ontario (Canada) private limited company that shares a principal address with COGL. None of our parent companies listed above offer franchises in any line of business or provide products or services to our franchisees.

Through common control with Carson Dunlop, we are affiliated with GPI Franchise Corp., an Ontario (Canada) corporation that shares Carson Dunlop’s principal address. GPI Franchise Corp. is the franchisor of businesses in Canada that provide home and commercial inspections, energy evaluations/assessments, infrared scans, property preservation and field services under (i) the “Global Property Inspections” trade name, service marks and related logos (“Global Property Inspection Businesses”), and (ii) “Carson Dunlop” trade name, service marks and related logos (“Carson Dunlop Businesses”). We previously offered franchises for Global Property Inspection Businesses in Canada from May 2006 until April 1, 2022 when we sold all of our interests in the assets of our Canadian system, including Canadian franchise agreements, to GPI Franchise Corp. On June 30, 2022, we entered into an administrative services agreement with GPI Franchise Corp., where we agreed to continue to provide certain administrative services to Global Property Inspection Businesses and Carson Dunlop Businesses currently operating in Canada. GPI Franchise Corp. discontinued offering franchises for Global Property Inspection Businesses in June 2022. As of December 31, 2025, there are 9 Global Property Inspection Businesses and 14 Carson Dunlop Businesses operating in Canada. We anticipate that some or all of the remaining 9 Global Property Inspection Businesses will rebrand as a Carson Dunlop Business. GPI Franchise Corp. does not offer Global Property Inspection Businesses or Carson Dunlop Businesses in the United States.

Other than GPI Franchise Corp., we do not have any affiliates that offer franchises in any line of business or provide products or services to our franchisees. Other than as described above, we do not have any predecessors.

AGENT FOR SERVICE OF PROCESS

Our agents for service of process are listed in Exhibit D.

PRIOR EXPERIENCE

We have been offering franchise and franchise inspection-related services since 1987 and other than as noted above, have no other business activities or prior franchise business experience.

THE BUSINESS WE OFFER

We and our affiliates have developed (and continue to develop and modify) a system and franchise opportunity for the operation of an inspection business (each an “NPI Franchised Business”) offering residential and commercial inspection services, energy evaluations/assessments, infrared scans, property preservation, field services and other related services to prospective real estate buyers, lenders, insurance companies and other interested parties. NPI Franchised Businesses operate using the trademarks and service marks we authorize (the “Marks”) and the distinctive business formats, methods, procedures, signage designs, layouts, standards and specifications, all of which we may improve, further develop or otherwise modify (collectively, the “System”). We call the NPI Franchised Business you operate, your “Franchised Business.”

You will operate your Franchised Business from a specific geographic territory (the “Designated Area”). You must operate your Franchised Business in compliance with the System and as set forth in the Franchise Agreement and our confidential operations manual, which consists of the materials we generally furnish to franchisees for use in the operation of NPI Franchised Businesses (the “Confidential Manuals”).

MARKET AND COMPETITION

The primary market for the goods and services offered by the NPI Franchised Businesses is real-estate agents, home buyers, investors, relocation companies and the general public. To the extent that home sales may be seasonal, the goods and services offered by NPI Franchised Businesses may be similarly seasonal. You may have to compete with numerous other independent and chain-affiliated home inspection businesses, some of which may be franchised. Some home inspection franchise systems, in particular, have already established national and international brand recognition. You will also face normal business risks that could have an adverse effect on your NPI Franchised Business. These include industry developments, such as pricing policies of competitors, consumer tastes, and supply and demand.

INDUSTRY REGULATIONS/LAWS, LICENSES AND PERMITS

Various states may have licensing, permits and fee requirements for the home inspection industry. Please check with your State Licensing Department for further information. Depending on the state requirements for licensure, some states require additional field training and testing. The process and timeline for obtaining the licenses or permits and joining any relevant trade groups, or taking any additional classes, examinations or memberships is to be completed within 60 days after completing the classroom training portion of our initial training provided by us at our training facility in Omaha, NE. We may extend this timeframe for any delays outside of your control due to administrators of state examination or licensing processes.

We are not aware of any Federal rules, laws, or regulations that specifically relate to the home inspection industry.

NOTE 1

ROYALTY FEES: Beginning on the Royalty Commencement Date, you must pay to us a continuing royalty of 8% of the Gross Sales of your Franchised Business, or a minimum royalty of \$300.00 per month, whichever is greater. Beginning on the first day of the 17th month immediately following the effective date of the Franchise Agreement, the royalty you must pay us will be increased to 8% of the Gross Sales, or a minimum of \$400.00 per month, whichever is greater. Beginning on the first day of the 29th month following the effective date of the Franchise Agreement, the royalty you must pay us will be increased to 8% of the Gross Sales, or a minimum of \$500.00 per month, whichever is greater. A monthly summary report of all of your services for the month must accompany the royalty payment. We will temporarily waive royalty payments for a period beginning on the Royalty Commencement Date and ending 60 days following the Royalty Commencement Date (the “Royalty Waiver Period”) so long as during the Royalty Waiver Period you satisfy the following conditions: (i) you spend an amount equal to the greater of 8% of the Gross Sales of your Franchised Business or \$300.00 per month on local advertising we approve promoting your Franchised Business; and (ii) you remain in compliance with the terms of the Franchise Agreement and any other agreement you or your affiliate maintains with us or our affiliate (the “Royalty Waiver Conditions”). Upon our request, you must furnish to us, on a monthly or more frequent basis as we determine, supporting documentation evidencing your local advertising expenditures during the Royalty Waiver Period. Beginning on the earlier of (a) the conclusion of the Royalty Waiver Period, or (b) your failure to satisfy the Royalty Waiver Conditions, you must immediately begin paying us the full amount of the royalty due.

NOTE 2

METHOD OF PAYMENT: Before your Franchised Business begins operating, you must sign and deliver to us the documents we require to authorize us to debit your business checking account automatically for royalties, the Software Fee (if applicable), Fund contributions, and other amounts due to us or our affiliates in connection with your Franchised Business for your purchases from us and/or our affiliates (the “Electronic Depository Transfer Account” or “EDTA”). We will debit the EDTA for these amounts on their due dates. You will ensure that funds are available in the EDTA to cover our withdrawals. If there are insufficient funds in the EDTA to cover any such amount owed (or, if you are paying by check and a check is returned for insufficient funds), you must pay us, on demand, a processing fee of \$100, plus reimbursement of our

additional administrative expenses and charges. If there are insufficient funds in the EDTA, or if your check is returned for insufficient funds, then we may require you to make all subsequent payments to us by certified check. We may require you to pay any amounts due under the Franchise Agreement or otherwise by means other than automatic debit (*e.g.*, by check) whenever we deem appropriate, and you must comply with our payment instructions.

NOTE 3

AUDITS: Our representatives will have the right at all reasonable times to inspect your books, records and cash control devices or system. Upon the discovery of a discrepancy, an understatement of revenue, in the report of gross receipts of 2% or more, you must pay us monies owed as well as interest at the maximum rate permitted by law, and reimburse us for any and all expenses connected with the audit, including travel, lodging, and wage expenses, and reasonable accounting and legal costs. If such audit does not reveal an underpayment of 2% or more, you will not be charged for the cost of the audit.

NOTE 4

INTEREST: If there is no applicable legal maximum rate, interest will be calculated at the rate of 4% above the prime rate of interest on the first day of each month for the past due amount, as published in The Wall Street Journal.

NOTE 5

INSURANCE: Should you, for any reason, fail to procure and maintain insurance coverage as required by the Franchise Agreement, we will have the right and authority, without any obligation, to immediately procure such insurance coverage and to charge you, which charges, together with a reasonable fee for expenses incurred by us in connection with such procurement. These charges will be payable by you immediately upon notice or may constitute grounds for termination.

Your failure to maintain any such insurance coverage and to provide us with the required certificate of insurance in a timely manner, constitutes grounds for termination.

NOTE 6

BRAND DAMAGES: If we terminate the Franchise Agreement before it expires due to your default, you must pay us liquidated damages, and not a penalty. The parties acknowledge that the damages we will sustain as a result of an early termination will be difficult to determine with certainty at the time of termination, and that the formula below is a reasonable pre-estimate of those damages. Liquidated damages will be determined by multiplying the lesser of: (i) thirty-six 36, or (ii) the number of full months remaining in the term of the Franchise Agreement, by the combined monthly average of royalty fees and Fund Contributions owed by you to us, without regard to any fee waivers or other reductions, from the date you opened your NPI Franchised Business through the effective date of termination; provided, however, that the monthly amount used in this calculation will not be less than \$500. These liquidated damages are in addition to all amounts owed by you through the effective date of termination.

TOTALS	\$41,000	\$54,950			

NOTE 1

INITIAL FRANCHISE FEE: The Initial Franchise Fee includes the Franchise Package listed in Exhibit C. In certain circumstances, if you (or your Managing Owner) paid for an education course offered by Carson Dunlop before signing the Franchise Agreement, we may, in our discretion, offer you a credit against the Initial Franchise Fee in an amount equal to the amount you paid for that course or, upon the successful launch of your Franchised Business, a refund in that amount. The Carson Dunlop education course currently costs approximately \$5,000. We may also offer a reduced Initial Franchise Fee if you qualify for the Military Veteran/First Responder Incentive.

NOTE 2

TRAINING: We offer up to one week of in-the-field training with a limited allowance per franchise of up to \$150/day for travel and living expenses, not to exceed 5 days, \$750 total allowance. If you are in a state that requires more than 5 days of in-the-field training, we may increase the total allowance provided to you during your in-the-field training (not to exceed \$1,500). To be completed within 60 days of completing our initial training program.

During any in-person portion of our initial training program, we will pay for your (or your Managing Owner's) lunch meals and hotel accommodations (including breakfast). You are responsible for the travel, airfare, ground transportation to, from, and during the in-person training program, and all other costs for you (or your Managing Owner) or your designated manager (if you will not be acting as your own manager), to attend our in-person training program.

NOTE 3

ASSOCIATION/ORGANIZATION MEMBERSHIP: You are required to join your local Board of Realtors as an affiliate member. You are also required to affiliate with a professional organization appropriate to your geographical location, such as ASHI and INTERNACHI. The estimate in the table includes both of these membership costs. Local Associations/Organizations require annual dues.

NOTE 4

VEHICLE SIGNAGE: You are required to provide signage for your vehicle. The cost can vary depending on how extensive the graphics are.

NOTE 5

ADVERTISING/PROMOTION: We will temporarily waive royalty payments during the Royalty Waiver Period so long as during the Royalty Waiver Period you satisfy the Royalty Waiver Conditions, including spending the required amount on approved local advertising expenditures. The range listed in this table is our estimate of what franchisees that choose to satisfy the Royalty Waiver Conditions will spend on local advertising expenditures during the Royalty Waiver Period. Upon our request, you must furnish to us, on a monthly or more frequent basis as we determine, supporting documentation evidencing your local advertising expenditures during the Royalty Waiver Period.

NOTE 6

LEGAL: You are responsible for obtaining legal advice from an attorney of your choosing pertaining to all things relating to the laws regulating home inspection businesses, including your Franchised Business.

NOTE 7

ACCOUNTING: You are also responsible for obtaining accounting software or advice from a qualified accountant of your choosing pertaining to all finances regarding your Franchised Business such as bookkeeping and tax procedures.

You are required to pay all taxes associated with your Franchised Business in a timely fashion.

NOTE 8

LICENSES: You are responsible for obtaining a home inspector license for your Franchised Business. Depending on the state in which your Franchised Business is located, you may also be required to attend additional state mandated training courses before obtaining your home inspector's license. The estimate in the table reflects your gross upfront licensing and state-required training costs and does not deduct any reimbursement you may later receive under the State Training Reimbursement Addendum. We may reimburse you for the cost of completing a state required training course up to the amount listed on Schedule 1 of the State Training Reimbursement Addendum. To qualify for any reimbursement, you must be in full compliance with the terms of the Franchise Agreement, your Franchised Business must be located in a state identified on Schedule 1 of the State Training Reimbursement Addendum, and you must sign our State Training Reimbursement Addendum (our current form is attached as Exhibit H to this Disclosure Document).

NOTE 9

TOOLS AND EQUIPMENT: You must purchase your own ladder. Before you open your Franchised Business, we also recommend that you purchase personal protective equipment, including coveralls, gloves, footwear and inspection clothing, as well as a thermal imaging camera. The estimate in the table reflects only these separately purchased tools and equipment. Initial tools to start your Franchised Business are described in Exhibit C (Franchise Package – Basic Tools/Equipment) and are included in the Initial Franchise Fee, including a portable computer, portable printer and digital camera.

NOTE 10

ADDITIONAL FUNDS: This item estimates the initial start-up expenses (other than the items identified separately in the table) for your Franchised Business. Other than the items noted above, there are no other fees that are required to be paid by you to us to commence operation of your Franchised Business. Any fees paid to us are not refundable; fees paid to any third parties may be refundable, depending upon the contracts, if any, between such third parties and you.

You are responsible for any fees required for licensing or permits. You may also purchase the optional technology suite we offer to NPI Franchised Businesses (the "Tech Suite"), which provides certain digital advertising services, including automated social media postings, an automated monthly newsletter sent using an email marketing platform and an automated review gathering and management system. If you choose to purchase the Tech Suite, the cost is currently, \$100 per month. The Tech Suite is optional and is not required to begin operation of your Franchised Business. The low end of the range does not include any cost for the Tech Suite, and the high end of the range reflects your purchase of the Tech Suite for 3 months.

Since you may operate your Franchised Business out of your home, there is no estimate made for real estate expenses. If you do not operate your business from your home, you may lease office space. Rent is estimated to be between \$10.00 - \$25.00 per square foot in most regions of the country, depending on size, locations and condition of the rental property.

Since you may use your own private vehicle in operating your Franchised Business, there is no estimate made of motor vehicle expense. We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

You should review these estimated figures carefully with a business advisor before deciding to acquire the franchise. The estimated additional funds included in this Item 7 are based on our more than 37 years of experience in the home inspection franchise business.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate your Franchised Business at all times within the quality standards we establish through the System and through the Confidential Manuals that we will furnish to you and as we may modify. The standards are to ensure the quality, safety, efficiency, quantity, and uniformity of services and products an NPI Franchised Business provides. You must obtain and use the computer hardware and/or operating software we specify at any time for your Franchised Business (the “Computer System”), including any proprietary software we, our affiliate or our designated supplier license to you for your Franchised Business. Suppliers may be limited to us, our affiliates and/or our designated third-party suppliers. Except for any proprietary software that we, our affiliate, or our designated supplier license to you, and except for any marketing, advertising, promotional, or branded materials that we require you to purchase from us, our affiliates, or approved or designated suppliers, you may purchase equipment, tools, ladders, computer hardware, technology, and other items used in your Franchised Business from any supplier that we have not disapproved, provided that those items comply with our System standards and specifications. When we introduce our proprietary software, you must only purchase that proprietary software from us or our affiliates.

We furnish certain initial equipment, tools, technology, software, marketing supplies, and other items as part of the Franchise Package included in the Initial Franchise Fee. Except for any proprietary software we, our affiliate, or our designated supplier license to you, and except for any marketing, advertising, promotional, branded, or other materials that we require you to purchase from us, our affiliates, or approved or designated suppliers, you may choose your own suppliers for equipment and other items you may need to operate your Franchised Business, including ladders, tools, computer hardware, printers, cameras, technology, and similar items, so long as those suppliers have not been disapproved by us and the items comply with the System and our specifications. We may make suggestions as to specific equipment makes and models and suppliers. We may disapprove of certain suppliers of products and services and you must not use such suppliers. On request, we will make our criteria for approving suppliers available to franchisees. We may condition our approval of a supplier or distributor on requirements relating to product quality, prices, consistency, reliability, financial capability, labor relations, client relations, frequency of delivery, concentration of purchases, standards of service, including prompt attention to complaints, or other criteria. Our approval may be temporary, pending our continued evaluation of the supplier or distributor at any time. On request, we will issue specifications and standards to franchisees and approved suppliers, and will notify franchisees and approved suppliers of our specifications and standards, including any modifications to such specifications and standards, using our Confidential Manuals.

We and our affiliates may receive payments or other consideration from suppliers on account of such suppliers’ dealings with you and other franchise owners, and may use any amounts so received without restriction and for any purpose we and our affiliates deem appropriate. We may concentrate purchases or negotiate purchase arrangements with one or more suppliers or distributors to obtain lower prices or the best advertising support or services.

As of issuance date of this Disclosure Document, we furnish certain initial equipment, tools, technology, software, marketing supplies, and other items as part of the Franchise Package included in the Initial Franchise Fee. You are not required to purchase replacement or additional ladders, tools, computer hardware, printers, cameras, technology, or other non-proprietary equipment only from us, our affiliates, or designated suppliers, provided that the supplier has not been disapproved by us and the items comply with the System and our specifications. When we introduce proprietary software for use in your Franchised Business, you must purchase or license that proprietary software only from us, our affiliates, or our designated supplier. We may require you to purchase or produce marketing, advertising, promotional, branded, vehicle graphics, signage, and related materials only through vendors that we approve or designate, and all such materials must be approved by us before they are printed, disseminated, distributed, or used. For example, Wrap Mate is currently a preferred vendor for vehicle graphics and related signage.

Currently, neither we nor our affiliates receive revenue or other material consideration based on the direct sale of items to franchisees, other than amounts included in the Initial Franchise Fee for the Franchise Package, but we may do so in the future. We do, however, receive certain rebates, referral fees or other consideration from third-party suppliers or service providers used in connection with the System. We receive a rebate from Global Payments, which is calculated as a percentage of total processing volume for franchisees using that processor. We also receive referral fees from ADT, an approved supplier, in connection with leads generated through the System. ADT pays us \$200 per security-system lead and nominal amounts for certain other leads, such as cable and utility leads.

During our fiscal year ended December 31, 2025, we derived \$5,655.84 in revenue from Global Payments and \$32,688.44 in revenue from ADT, for total revenue of \$38,344.28 from these arrangements, which represented 0.94% of our overall revenues of \$4,061,970.11. None of our officers owns any interest in an approved supplier. Except as described above, we do not provide material benefits to a franchisee based on a franchisee's purchase of particular products or services or use of particular suppliers.

We furnish a portable computer, portable printer, and digital camera to you as part of the start-up Franchise Package, which is included in the price of your Initial Franchise Fee. Refer to Exhibit C. You may purchase replacement or additional non-proprietary equipment, tools, computer hardware, printers, cameras, technology, and similar items from any supplier that we have not disapproved, provided that the items comply with the System and our specifications.

Collectively, the purchases and leases described above are approximately 10% of your overall purchases and leases in establishing your Franchised Business and 10% of your overall purchases and leases in operating your Franchised Business.

There are no purchasing or distribution co-operatives.

Before your Franchised Business begins to operate, you must procure at your sole expense an insurance policy or policies protecting you, us and our officers and employees against any loss, liability or expense whatsoever arising from or occurring by reason of your operation of the business. You must maintain this insurance in full force and effect during the entire term of the Franchise Agreement. We must be listed as an additional named insured on that policy or policies (with the exception of Worker's Compensation).

Such policy or policies must be written by an insurance company satisfactory to us in accordance with standards and specifications set forth in the Confidential Manuals or otherwise in writing, and must include the following:

1. Comprehensive general liability insurance, including automobile liability for any owned and non-owned vehicles, with minimum limits of \$500,000 per occurrence for bodily injury and \$500,000 property damage;
2. Worker's Compensation and employer's liability insurance as well as other insurance as may be required by statute or rule of the state(s) in which your Franchised Business is located and operated;
3. If you have employees, third party fidelity bond coverage in the minimum amount of \$10,000;
4. Group health and accident insurance where required by local law;
5. If any vehicle is used in connection with the operation of your Franchised Business, motor vehicle liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in connection with your Franchised Business' operation; and
6. Errors and Omissions coverage, subject to a minimum level of \$250,000 per occurrence, \$500,000 policy limits, or the minimum policy limits required by state law, whichever is greater.

We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage (including reasonable excess liability insurance, employment practices liability insurance and cybersecurity insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. Required coverage must include insurers' waiver of subrogation against us and you will waive rights of recovery against us.

Upon obtaining the insurance required by the Franchise Agreement and on each policy renewal date afterwards, you must promptly submit evidence of satisfactory insurance and proof of payment to us, together with, upon request, copies of all policies and policy amendments. The evidence of insurance must include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to us.

If you decide to sell or transfer your interests in the Franchise Agreement or your Franchised Business, or if the Franchise Agreement expires or terminates for any reason, then you must procure and maintain Errors and Omissions insurance for a minimum of 1 year starting at the date of such sale, transfer, termination or expiration with the same limits as listed above and naming us as an additional insured.

If you, for any reason, fail to procure and maintain the above-mentioned insurance coverage as the Franchise Agreement requires, we will have the right and authority, without any obligation, to immediately procure such insurance coverage for you and charge you for it, and those charges, together with a reasonable fee for expenses incurred by us in connection with such procurement, will be payable by you immediately upon notice or may constitute grounds for termination.

Your failure to maintain such insurance coverage and to provide us with the required certificate of insurance in a timely manner constitutes grounds for termination.

We do not anticipate the necessity for providing supervision assistance or services to you before the opening beyond those services stated above.

Franchisor's Obligations During the Operation of the Business

During the operation of your Franchised Business, we (or an affiliate, as applicable), will:

1. Continue to grant you a protected territory in the Designated Area, subject to your compliance with the Franchise Agreement. (Franchise Agreement – Section I.C)

7. Continue to let you use our Marks, subject to your compliance with the Franchise Agreement. (Franchise Agreement – Section IV)

Methods Used to Select Site Location

You may use your home as the site of your Franchised Business so long as it is within the Designated Area. We have no site selection criteria. You must at all times maintain a physical mailing address as your Franchised Business address located in your Designated Area.

Typical Length of Time Before Operation

We estimate the typical length of time between the execution of the Franchise Agreement and the commencement of your Franchised Business to be between 60 and 120 days. You must open your Franchised Business within 120 days of signing the Franchise Agreement or you will be in breach of the Franchise Agreement. The factors that affect this time may include financing, zoning or local ordinances, weather

conditions, shortages, state licensing and permitting.

ADVERTISING

Advertising and Development Fund

Recognizing the value of advertising and marketing to the goodwill and public image of NPI Franchised Businesses, we have established an Advertising and Development Fund (the “Fund”) for the advertising, marketing, and public relations programs and materials we deem appropriate. We have the right to collect for deposit into the Fund any advertising, marketing, or similar allowances paid to us by suppliers who deal with NPI Franchised Businesses and with whom we have agreed that we will so deposit these allowances. The Fund may be operated by one or more of our affiliates. You must contribute to the Fund 2% of your Franchised Business’s Gross Sales. Such fee will be paid monthly and in the same manner as the royalty fee.

We direct all programs that the Fund finances (including related legal work), with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation. The Fund may pay for preparing and producing video, audio, and written materials and electronic media; costs associated with inbound marketing channels and providers (for example, Google, Facebook and Yelp); developing, implementing, and maintaining an electronic commerce Website and/or related strategies; administering regional and multi-regional marketing and advertising programs, including, purchasing trade journal, direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities.

The Fund may periodically give you samples of advertising, marketing, and promotional formats and materials at no cost. We will sell you multiple copies of these materials at our direct cost of producing them, plus any related shipping, handling, and storage charges.

We account for the Fund separately from our other funds and will not use the Fund for any of our general operating expenses. However, we may use the Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Fund, legal costs and expenses related to the Fund’s activities, the Fund’s other administrative costs, reasonable travel expenses of personnel while they are on Fund business, meeting costs, overhead relating to Fund business, and other expenses that we incur in activities reasonably related to administering or directing the Fund and its programs, including, conducting market research, public relations, preparing advertising, promotion, and marketing materials, and collecting and accounting for Fund contributions. During our last fiscal year, ending December 31, 2025, 100% of Fund Contributions were spent on media placement.

The Fund will not be our asset. Although the Fund is not a trust, we hold all Fund contributions for the benefit of the contributors and use contributions only for the purposes described in the Franchise Agreement. We do not owe any fiduciary obligation to you for administering the Fund or any other reason. The Fund may spend in any fiscal year more or less than the total Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, pay back outstanding principal amounts borrowed in prior years from us or third parties, or invest any surplus for future use. We use all interest earned on Fund contributions to pay costs before using the Fund’s other assets.

We prepare an annual, unaudited statement of Fund collections and expenses and give you the statement upon written request. We may, in our sole determination, have the Fund audited annually, at the Fund’s expense, by an independent certified public accountant. We may incorporate the Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified in the Franchise Agreement.

We intend the Fund to maximize recognition of the Marks and patronage of NPI Franchised Businesses. Although we will try to use the Fund to develop advertising and marketing materials and programs, and to place advertising and marketing, that will benefit all NPI Franchised Businesses, we need not ensure that Fund expenditures in or affecting any geographic area are proportionate or equivalent to Fund contributions by NPI Franchised Businesses operating in that geographic area or that any NPI Franchised Business benefits directly or in proportion to its Fund contribution from the development of advertising and marketing materials or the placement of advertising and marketing.

We may use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. We also may forgive, waive, settle, and compromise all claims by or against the Fund. We assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Fund.

We may at any time defer or reduce contributions of an NPI Franchised Business franchise owner and, upon 30 days' prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will distribute all unspent monies to our franchise owners, and to us and our affiliates, in proportion to their, and our, respective Fund contributions during the preceding 12 month period.

Local Advertising Requirement.

We suggest you spend up to 2% of your Franchised Business's Gross Sales on local advertising and promotion. During the Royalty Waiver Period, if you want to receive the temporary royalty waiver described in Item 6, you must satisfy the Royalty Waiver Conditions, including spending the required amount on approved local advertising during that period. Your local advertising and promotion must follow our guidelines. All advertising and promotional materials that you develop for your Franchised Business must contain notices of our Website's domain name in the manner we designate. You may not develop, maintain, or authorize any website that mentions or describes you or your Franchised Business or displays any of the Marks without our prior written approval. We alone may establish, maintain, modify or discontinue all internet, worldwide web and electronic commerce activities pertaining to the System, including through the use of a page or profile on a social media website such as Facebook, Instagram and Twitter. Your advertising, promotion, and marketing will be completely clear, factual, and not misleading and conform to both the highest standards of ethical advertising and marketing and the advertising and marketing policies that we prescribe at any time, including any applicable anti-spam laws.

Before you print, disseminate, distribute, publish, or otherwise use them, you must send us or our designated agency for approval samples of all advertising, promotional, marketing, branded, and related materials that we have not prepared or previously approved, including press releases and interviews for publication in any media. You must use approved or designated vendors for marketing, advertising, promotional, branded, and related materials if we require you to do so. You may not print, disseminate, distribute, publish, or otherwise use any advertising, promotional, marketing, branded, or related materials that we have not approved or that we have disapproved.

Advertising Cooperatives.

We do not currently have any advertising cooperatives or require that you participate in an advertising cooperative. In the future, we may, in our sole discretion, require you to participate in certain local or regional advertising cooperatives organized and approved by us and composed of certain other franchisees located in the geographic area in which you are located as defined in a cooperative advertising agreement. If you are required to participate in our-approved advertising cooperative, you will be required to execute our then-current standard advertising cooperative agreement. We may terminate any advertising cooperative pursuant to the

terms of each particular cooperative advertising agreement. We may require advertising cooperatives to be formed, changed, dissolved or merged.

We do not currently have a franchise owner advisory council that advises us on advertising policies, but we may establish one in the future.

Computers and Electronic Equipment

You must obtain and use in your Franchised Business the Computer System we specify, which includes a portable computer, portable printer, digital camera, and access to our proprietary software. The portable computer, portable printer and digital camera are included in the Initial Franchise Fee as part of the Franchise Package (*See*, Exhibit C). The Computer System is to be used exclusively for your Franchised Business. We may modify specifications for and components of the Computer System. You must also maintain a functioning e-mail address. Our modification of specifications for the Computer System, and/or other technological developments or events, might require you to purchase, lease, and/or license new or modified computer hardware and/or software and to obtain service and support for the Computer System. Although we cannot estimate the future costs of the Computer System or required service or support, and although these costs might not be fully amortizable over the remaining term of the Franchise Agreement, you will incur the costs of obtaining the computer hardware and software comprising the Computer System (or additions and modifications) and required service or support. We have no obligation to reimburse you for any Computer System costs. Within 90 days after you receive notice from us, you must obtain the Computer System components that we designate and to ensure that your Computer System, as modified, is functioning properly.

We or our affiliates may condition any license of our proprietary software to you, or your use of technology that we or our affiliates develop or maintain, on your signing a software license agreement or similar document that we or our affiliates prescribe to regulate your use of, and our and your respective rights and responsibilities with respect to, the software or technology. We, our affiliates, or designated suppliers may charge you a monthly or other fee for any proprietary software or technology that we or they license to you and for other maintenance and support services that we or they may require you to receive during the Term. As of the date of this Disclosure Document, we do not require NPI Franchised Businesses to use our proprietary software, but we currently anticipate requiring NPI Franchised Businesses to use our proprietary software later this year. When we introduce our proprietary software, your Franchised Business must use the proprietary software and you must pay the Software Fee (currently, estimated to be \$600 and payable annually). We may increase the Software Fee up to 20% each year commencing 12 months from the date you open your Franchised Business. As made available, you must install and utilize the latest version of our proprietary software. At this time, our proprietary software is known as “Horizon,” and among other items, allows you to document your findings/comments and photos from your home inspections. This software also allows you to print the report at the time of the home inspection.

You may also purchase our optional Tech Suite, which provides certain digital advertising services to you, including automated social media postings, an automated monthly newsletter sent using an email marketing platform and an automated review gathering and management system. If you choose to purchase the Tech Suite, the cost is currently \$100 per month.

We estimate the total annual costs of any optional or required maintenance, updating, upgrading or support contracts to be \$500 - \$1,000. Other than paying the Software Fee (if applicable), you are not responsible for upgrading or maintaining our proprietary software. There is no cost to upgrading or maintaining the Tech Suite, other than the \$100 monthly fee, if you choose to purchase the Tech Suite from us.

The Computer System will interface with our information technology systems and be electronically linked to us or our designee to enable us (or our designee) to poll such Computer System on a daily or other basis at such

times and in such manner as established by us or our designee, with or without notice, and to retrieve such transaction information, including sales and other operations data as we and/or our designee deem appropriate. If for any reason polling is not practicable or prohibited by applicable law, we may require you to download such information into machine readable information compatible with the system operated by us, our affiliates, or our agents and to deliver such information to us by such method and at such temporal frequency as we may reasonably require.

We may obtain, use and disclose to third parties (including, prospective franchise owners, financial institutions, legal and financial advisors), for any purpose or as may be required by law, any financial or other information contained in or resulting from information, data, materials, statements and reports received by us or disclosed to us, whether by means of the Computer System or otherwise. You will obtain such consents from third parties, including your clients, as are necessary to allow for us to disclose this data. We have independent, unlimited access to the information generated by the Computer System, and there are no contractual limitations on our right to do so.

Initial Training Program

We will make available to you (or your Managing Owner), or your designated manager if you will not be acting as your own manager, a training and familiarization course, which you must complete to our satisfaction. The training program will cover all aspects of the operation of a National Property Inspections franchise. The training program is mandatory for you (or your Managing Owner), or designated manager if you will not be acting as your own manager. The training program will be conducted (i) at our place of business in Omaha, Nebraska, (ii) virtually using our online training program(s), and/or (iii) at another location designated by us. If we require you to travel for the training program, we will pay for lodging (1 hotel room, includes one breakfast each day), and lunch for you (or your Managing Owner) or your designated manager if you will not be acting as your own manager. We conduct our initial training program as often as we deem necessary. You are responsible for the travel, airfare, ground transportation to, from, and during the in-person training program, and all other costs for you (or your Managing Owner) or your designated manager (if you will not be acting as your own manager), to attend our in-person training program.

The duration of the in-person training program will be no more than two weeks. We will also provide up to one week of in-the-field training with another NPI Franchised Business inspector we designate, which has a limited allowance of up to \$150/day for transportation and living expenses, not to exceed 5 days, \$750 total allowance during in-the-field training. If you are in a state that requires more than 5 days of in-the-field training, we may increase the total allowance provided to you during your in-the-field training (not to exceed \$1,500). Depending on the state in which your Franchised Business is located, you may also be required to attend additional state mandated training courses before obtaining your home inspector's license. We may reimburse you for the cost of completing a state required training course up to the amount listed on Schedule 1 of the State Training Reimbursement Addendum. Ongoing Training

We may require you (or your Managing Owner) and/or other previously trained and experienced employees to attend and satisfactorily complete various training courses that we periodically choose to provide either online or in-person at the times and locations that we designate. We may charge reasonable registration or similar fees for these courses. Besides attending these courses, you will attend an annual meeting of all NPI Franchised Business franchise owners at a location we designate, if we organize and plan (at our option) such a meeting. We will not require attendance for more than 3 days during any calendar year. You will pay all costs to attend these online or in-person training courses and meetings.

We may require that other employees you hire or appoint after your Franchised Business begins operating satisfactorily complete our initial and ongoing training programs. We may charge reasonable fees for training your employees. You will pay all travel and living expenses which you and your employees incur during all training courses and programs. At our request, you must obtain and deliver to us an executed confidentiality agreement, in such form and content satisfactory to us, for any individual that attends our initial training program or ongoing training programs and receives confidential information, pursuant to which agreement the signatory covenants and agrees to maintain the confidentiality of the confidential information received by such individual.

Any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue and modify at any time.

All persons working as a home inspector for you must affiliate themselves with a professional organization appropriate to their geographical location such as ASHI and INTERNACHI.

ITEM 12

TERRITORIES

You will operate your Franchised Business within a Designated Area we approve and which is described in the Franchise Agreement. We will determine the size and boundaries of the Designated Area in our sole judgment. A typical Designated Area may be delineated by boundary streets, highways, city limit markers, zip codes or county lines, and will be based on a combination of demographic factors which include housing units and real estate transactions, real estate agents, commercial bankers and population.

We and our affiliates retain certain rights within and outside the Designated Area, as described below in this Item.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Except as limited below, as long as you are in full compliance with the Franchise Agreement, we and our affiliates will not operate or grant a franchise for the operation of an NPI Franchised Business at a location in the Designated Area during the term of your Franchise Agreement. Otherwise, we and our affiliates retain all rights with respect to NPI Franchised Businesses, the Marks, the sale of identical, similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire, including:

1. the right to operate, and to grant others the right to operate NPI Franchised Businesses anywhere outside the Designated Area under any terms and conditions we deem appropriate and regardless of proximity to your Franchised Business;
2. the right to establish and operate, and to grant to others the right to establish and operate businesses offering similar or dissimilar products and services through similar or alternative channels of distribution, at any locations inside or outside the Designated Area under trademarks or service marks other than the Marks and on any terms and conditions we deem appropriate;
3. the right to provide, offer and sell and to grant others the right to provide, offer and sell products and services that are identical or similar to and/or competitive with those products and services provided at NPI Franchised Businesses, whether identified by the Marks or other trademarks or service marks, through alternative distribution channels (including, the internet or similar electronic media and other forms of electronic commerce) both inside and outside the Designated Area and on any terms and conditions we deem appropriate;
4. the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Designated Area under the Marks and on any terms and conditions we deem appropriate;
5. the right to market and sell products and services to national, regional and institutional accounts, whether located inside or outside the Designated Area. “National, regional and institutional

accounts” are organizational or institutional clients whose presence is not confined to the Designated Area, including (by way of example only): business entities with offices or branches situated both inside and outside of the Designated Area; government agencies, branches or facilities; the military; and, any other clients whose presence is not confined to the Designated Area;

6. the right to acquire the assets or ownership interests of one or more businesses providing products and services the same as or similar to those provided by NPI Franchised Businesses, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including in the Designated Area); and

7. the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services the same as or similar to those provided at NPI Franchised Businesses, or by another business, even if such business operates, franchises and/or licenses competitive businesses in the Designated Area.

No compensation is due to any franchisee if we or our affiliates exercise any of the rights detailed above, including to solicit or accept orders inside a franchisee’s Designated Area using alternative channels of distribution.

Only we will have the right to enter into contracts with national, regional and/or institutional accounts (which may be located within your Designated Area). If we receive contracts for any product or service offered by NPI Franchised Businesses calling for performance or delivery in your Designated Area, then we will have the right, but not the obligation, either to require you to fulfill such contracts at the price we agree on with the client or to give you the opportunity to fulfill such contracts at the price we agree on with the client. If we give you the opportunity to fulfill such contracts and if, for any reason, you do not desire to or cannot serve the client, or if the client desires for any or no reason to deal exclusively with us, our affiliate or another franchisee and not with you, then we, our affiliate or any other NPI Franchised Business may serve the client within your Designated Area, and you will not be entitled to any compensation.

You have no right of first refusal for any additional territory.

You must, at all times, maintain a residence and/or a mailing address within the Designated Area.

You are prohibited from soliciting, marketing or advertising for business outside of your Designated Area. When utilizing advertising media and other channels of distribution, such as the internet, catalog sales, telemarketing or other direct marketing, you must clearly define your Designated Area. All advertising must state your entity name (if applicable) d/b/a National Property Inspections and state that your franchise is “Independently Owned and Operated”.

You may not solicit customers or accept orders from customers outside your Designated Area, including by using other channels of distribution, such as the internet, catalog sales, telemarketing or other direct marketing, unless (i) there are no other NPI Franchised Businesses operating in the area in which the customer is located, or (ii) the NPI Franchised Business operating in the area in which the customer is located provides you prior written approval to accept orders from customers and provide services to customers in his or her designated area.

Continuation of your franchise and your protected territory in the Designated Area during the initial term of the Franchise Agreement depends on your generating Gross Sales of at least \$100,000 during months 1 through 12 after your Launch Date; \$200,000 during months 13 through 24 after your Launch Date; \$300,000 during months 25 through 36 after your Launch Date; \$400,000 during months 37 through 48 after your Launch Date;

and \$500,000 during months 49 through 60 after your Launch Date. These minimum Gross Sales requirements apply only during the initial term of the Franchise Agreement. During any renewal term, and if you transfer an established territory, the sales volume requirements may be adjusted to reflect the potential of an established market. Your rights to your Designated Area remain subject to your continued compliance with the Franchise Agreement.

As noted above, our affiliate, GPI Franchise Corp. is the franchisor of Global Property Inspection Businesses and Carson Dunlop Businesses in Canada. Global Property Inspection Businesses operate under the “Global Property Inspections” trade name, service marks and related logos, and Carson Dunlop Businesses operate under the “Carson Dunlop” trade name, service marks and related logos. Both Global Property Inspection Businesses and Carson Dunlop Businesses provide similar services to NPI Franchised Businesses, including home and commercial inspections, energy evaluations/assessments, infrared scans, property preservation and field services. Global Property Inspection Businesses and Carson Dunlop Businesses operate exclusively in Canada and may not solicit or accept orders within your Designated Area. We have no procedure for resolving conflicts that may develop between NPI Franchised Businesses and Global Property Inspection Businesses or Carson Dunlop Businesses, and we do not expect any conflict to arise between NPI Franchised Businesses and Global Property Inspection Businesses or Carson Dunlop Businesses because Global Property Inspection Businesses and Carson Dunlop Businesses do not operate in the United States. Other than our affiliate offering franchises for Global Property Inspection Businesses and Carson Dunlop Businesses in Canada, we do not operate or plan to operate a franchise business under a different trademark that will sell similar goods or services as your Franchised Business.

ITEM 13

TRADEMARKS

The table below consists of the Marks that we license to you as part of the franchise. You may not sublicense the Marks without our permission. The below list may not be an exhaustive list of all Marks owned by us or our affiliates.

Mark	Registration Number	Registration Date
	2446291	April 24, 2001
NATIONAL PROPERTY INSPECTIONS	2895526	October 19, 2004

The Marks listed above are registered with the Principal Register of the U.S. Patent and Trademark Office (“USPTO”). All affidavits and renewals required to maintain the federal registration of the above-identified Marks have been filed. No application for the registration of the Marks has been filed in any state.

You must use all names and Marks in full compliance with the rules prescribed by us. You are prohibited from using any name or Mark as part of any corporate name or with any prefix, suffix, or other modifying words, terms, symbols or designs (other than logos licensed to you by us).

Proceedings, Infringing Uses and Agreements

At the time of filing this Disclosure Document, there are no agreements currently in effect which significantly limit our rights to use or license the use of such trademarks, service marks, trade names, and logo symbols in any manner material to the franchise.

If, in our sole judgment, it becomes advisable at any time for us and/or you to modify or discontinue using any Mark and/or to use one or more additional or substitute trade or service marks, you must comply with our directions within a reasonable time after receiving notice. We need not reimburse you for your direct expenses of changing the Marks, for any loss of revenue due to any modified or discontinued Mark, any loss of goodwill associated with any modified or discontinued Mark, or for your expenses of promoting a modified or substitute trademark or service mark. Our rights apply to any and all of the Marks (and any portion of any Mark) that we authorize you to use in the Franchise Agreement. We may exercise these rights at any time and for any reason, business or otherwise, that we think best. You acknowledge both our right to take this action and your obligation to comply with our directions.

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark, and not communicate with any person other than us, our attorneys, and your attorneys, regarding any infringement, challenge, or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, USPTO proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You must sign any documents and take any other reasonable actions that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or otherwise to protect and maintain our interests in the Marks. At our option, we may defend and control the defense of any proceeding arising from your use of any Mark under the Franchise Agreement.

Under the Franchise Agreement, you must not contest, directly or indirectly, ownership of "NATIONAL PROPERTY INSPECTIONS" Marks and copyrights or aid in contesting the validity or ownership of said marks and copyrights.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving the Marks. We do not actually know of either superior prior rights or infringing uses that could materially affect your use of the Marks in any state.

We have claimed exclusive use of "National Property Inspections" and "NPI" as an internet domain name and have restricted your rights to use our Marks on public media presence, or otherwise establish or maintain a presence or advertise on the internet or any other public computer network in connection with your Franchised Business without our prior written approval.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We own no rights in or to any patents which are material to the franchise. There are no pending patent applications that are material to the franchise. There are no currently effective adverse determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses of our copyrights that could materially affect your use of the copyrighted materials in any state.

We need not protect or defend copyrights, although we intend to do so if we determine it is in the best interests

of the System or all or some NPI Franchised Businesses. We may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright.

Our Confidential Manuals and other materials contain our confidential information (some of which constitutes trade secrets under applicable law). This information includes, or may in the future include: training and operations materials; methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge, and experience used in developing and operating NPI Franchised Businesses; marketing and advertising programs for NPI Franchised Businesses; any computer software or similar technology that is proprietary to us and used in the System; knowledge of specifications for and suppliers of NPI Franchised Businesses and other products and supplies; knowledge of the operating results and financial performance of NPI Franchised Businesses other than your Franchised Business; and graphic designs and related intellectual property.

All ideas, concepts, inventions, techniques, or materials concerning a NPI Franchised Business, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made for hire. To the extent any item does not qualify as a work made for hire, you assign ownership of that item, and all related rights to that item, to us and must take whatever action (including signing assignment or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item.

You may not use our confidential information in an unauthorized manner. You must take reasonable steps to prevent its improper disclosure to others. You agree to have our then-current form of non-disclosure and non-competition agreement executed by your Franchised Business's personnel having access to our confidential information.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

If you are a legal entity, you must appoint a shareholder, member, or partner (as applicable) to be your "Managing Owner," responsible for overseeing and supervising your Franchised Business's operation. You (or your Managing Owner) or your designated manager, if you will not be acting as your own manager, must at all times direct and manage your Franchised Business and devote his or her full-time energy to the operation of your Franchised Business. You may hire any designated manager who is trained, qualified and insured to operate your Franchised Business. If you hire someone to serve as your designated manager, that individual does not need to have any equity in you or your Franchised Business. You must ensure that anyone who works for you agrees to sign our form of non-disclosure and non-competition agreement under which the employee agrees not to divulge our confidential information and agrees to a covenant not to compete. All persons working as a home inspector for you must affiliate themselves with a professional organization appropriate to their geographical location such as ASHI and INTERNACHI.

If you are a corporation, limited liability company, or partnership, your owners must personally guarantee your obligations under the Franchise Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations, including the covenant not to compete.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

The Franchise Agreement requires that you sell or offer for sale to the public in connection with your Franchised Business only such products or other services that meet the specifications and standards designated by us, and that you must offer all products and services we reasonably prescribe as part of the franchise and the System. Further, you may not be associated in any way with a business competitive to ours. We may make changes in the goods or services you must sell.

You are prohibited from soliciting, marketing or advertising for business outside of your Designated Area. You may not solicit orders from customers outside your Designated Area. You may not accept orders from customers or provide services to customers outside your Designated Area unless (i) there are no other NPI Franchised Businesses operating in the area in which the customer is located, or (ii) the NPI Franchised Business operating in the area in which the customer is located provides you prior written approval to accept orders from customers or provide services to customers in his or her designated area. Only we will have the right to enter into contracts with national, regional and/or institutional accounts (which may be located within your Designated Area). If we receive contracts for any product or service offered by NPI Franchised Businesses calling for performance or delivery in your Designated Area, then we will have the right, but not the obligation, either to require you to fulfill such contracts at the price we agree on with the client or to give you the opportunity to fulfill such contracts at the price we agree on with the client. If we give you the opportunity to fulfill such contracts and if, for any reason, you do not desire to or cannot serve the client, or if the client desires for any or no reason to deal exclusively with us, our affiliate or another franchisee and not with you, then we, our affiliate or any other NPI Franchised Business may serve the client within your Designated Area, and you will not be entitled to any compensation. You are prohibited from recommending yourself or anyone else for compensation to effect any repairs or cure any defects disclosed by any of your inspections.

ITEM 18

PUBLIC FIGURES

We do not currently use any public figures to promote our franchise.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Below, we include tables containing certain historical Gross Sales data for NPI Franchised Businesses during the 12-month period beginning on January 1, 2025 and ending December 31, 2025 (the "Reporting Period"). Table 1 presents Gross Sales data on a per-outlet basis for 152 NPI Franchised Businesses that operated within a single Designated Area, each under a separate franchise agreement, and for which Gross Sales were reported separately for that NPI Franchised Business. Table 2 presents Gross Sales data on a consolidated per-franchisee basis for 8 franchisees that operated a total of 19 NPI Franchised Businesses under separate franchise agreements, because each of those franchisees provided us with only one monthly consolidated Gross Sales report covering all of that franchisee's NPI Franchised Businesses. Accordingly, each franchisee included in Table 2 is treated as one data point, and the average, median, low, high, and "Number and % Attaining or

Exceeding Average” figures in Table 2 are calculated using the 8 franchisees, not the 19 NPI Franchised Businesses. The figures in Table 2 are not per-outlet figures and are not directly comparable to the per-outlet figures in Table 1.

All NPI Franchised Businesses included in Table 1 were open and operating for the full Reporting Period and reported Gross Sales separately for that NPI Franchised Business for the Reporting Period. All NPI Franchised Businesses included in Table 2 were open and operating for the full Reporting Period, and the franchisee reported consolidated Gross Sales for all of its NPI Franchised Businesses for the Reporting Period.

We did not include 37 NPI Franchised Businesses, consisting of: (a) 14 NPI Franchised Businesses that signed a franchise agreement and opened during the Reporting Period; (b) 3 NPI Franchised Businesses that were given a ramp-up period and did not record Gross Sales or pay royalties; (c) 13 NPI Franchised Businesses that ceased to operate during the Reporting Period, consisting of 6 terminations, 6 non-renewals, and 1 that ceased operations for other reasons; and (d) 7 NPI Franchised Businesses operated by 7 franchisees that did not submit Gross Sales reports to us for all months in the Reporting Period.

TABLE 1
AVERAGE ANNUAL GROSS SALES OF NPI FRANCHISED BUSINESSES
THAT OPERATE A SINGLE DESIGNATED AREA DURING THE REPORTING PERIOD

NPI Franchised Businesses	Average Annual Gross Sales	Number of NPI Franchised Businesses	Number and % Attaining or Exceeding Average	Median Annual Gross Sales	Low and High Annual Gross Sales

Notes to Table 1

- The number of NPI Franchised Businesses in each group has been rounded to the nearest whole NPI Franchised Business.

2. The “Number and % Attaining or Exceeding Average” column shows the number and percentage of NPI Franchised Businesses in each row that attained or exceeded the Average Annual Gross Sales shown for that same row.
3. The Top 10%, Top 30%, Top 50%, Bottom 50%, Bottom 30%, and Bottom 10% rows are overlapping subsets of the “All NPI Franchised Businesses” row. The same NPI Franchised Business may appear in more than one row, and the rows should not be added together.

TABLE 2
AVERAGE ANNUAL GROSS SALES OF FRANCHISEES WITH MULTIPLE NPI FRANCHISED BUSINESSES THAT REPORTED MONTHLY CONSOLIDATED REVENUE DURING THE REPORTING PERIOD

Average Annual Gross Sales	Number of Franchisees in Reporting Group	Number of NPI Franchised Businesses	Number and % Attaining or Exceeding Average	Median Annual Gross Sales	Low and High Annual Gross Sales
\$344,607	8	19	1 or 13%	\$290,077	\$190,862 - \$839,305

Notes to Table 2

1. There are 8 franchisees included in Table 2 that own a total of 19 NPI Franchised Businesses, each under separate franchise agreements. Five of the 8 franchisees included in Table 2 own 2 NPI Franchised Businesses, while 3 of the 8 franchisees own 3 NPI Franchised Businesses. These franchisees provide us with only a monthly consolidated Gross Sales report for all of their NPI Franchised Businesses.
2. The “Number and % Attaining or Exceeding Average” figure is calculated using the 8 franchisees in the Reporting Group as the denominator (not the 19 NPI Franchised Businesses), because Gross Sales are reported on a consolidated per-franchisee basis.
3. The figures in Table 2 are reported on a per-franchisee consolidated basis (combining the Gross Sales of the 2 or 3 NPI Franchised Businesses owned by each franchisee) and are not comparable to the per-outlet figures in Table 1.

General Notes to Item 19

1. Table 1 presents data on a per-outlet basis (one NPI Franchised Business per data point). Table 2 presents data on a per-franchisee consolidated basis (the combined Gross Sales of the 2 or 3 NPI Franchised Businesses owned by each franchisee, as a single data point). The averages shown in Table 1 and Table 2 are not directly comparable.
2. As used in this Item 19, for all franchisees that entered into a franchise agreement prior to June 28, 2022, “Gross Sales” means the total of all sales, cash or charge, of every kind and nature, made by the franchise business, but the term “Gross Sales” will not include any amount collected and paid to governmental authorities under the provisions of any Sales Tax Act, Retailer's Occupation Act, or similar legislation. For all franchisees that entered into a franchise agreement after June 28, 2022, “Gross Sales” means all revenue that you derive from operating your Franchised Business, including, all amounts that you receive in connection with your Franchised Business, and whether from cash, check, credit and debit card, barter exchange, trade credit, or other credit transactions and all other

income of every kind and nature related to your Franchised Business, but (1) excluding all federal, state, or municipal sales, use, or service taxes collected from clients and paid to the appropriate taxing authority, and (2) reduced by the amount of any documented refunds, credits, allowances, and charge-backs your Franchised Business in good faith gives to clients.

3. The NPI Franchised Businesses included in Tables 1 and 2 operate under franchise agreements entered into both before and after June 28, 2022, and accordingly report Gross Sales under both of the definitions set forth above. The data presented combines the Gross Sales reported by all NPI Franchised Businesses included in Tables 1 and 2, without adjustment to account for differences between the two Gross Sales definitions.
4. The Gross Sales data presented above was compiled from monthly Gross Sales reports submitted by franchisees to us pursuant to the reporting obligations in their franchise agreements. We have not independently verified the accuracy of those reports.
5. The financial performance representations in this Item 19 do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in the Disclosure Document, may be one source of this information.

We have not audited the information presented above. Written substantiation of the data used in preparing these sales figures will be made available to you upon reasonable request.

Some outlets have sold these amounts. Your individual results may differ. There is no assurance that you'll earn as much.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting David Stamper, 9375 Burt Street, Suite 201 Omaha, NE 68114, 1.800.333.9807, the Federal Trade Commission, and the appropriate state regulatory agencies.

*The 2025 beginning and ending outlet counts for Montana and Utah reflect one franchisee that moved from Montana to Utah during 2025. This interstate move was treated as a transfer/relocation rather than as a new outlet opening or outlet closure. Accordingly, the movement is reflected in the state-level beginning and ending outlet counts, but not in the “Outlets Opened” or “Ceased Operations other reasons” columns.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this “Agreement”) is made and entered into by and between **NATIONAL PROPERTY INSPECTIONS, INC.**, a Nebraska corporation located at 9375 Burt Street, Suite 201, Omaha, NE 68114 (“we,” “us,” or “our”), and _____, whose principal business address is _____ (“you” or “your”) as of the date signed by us and set forth opposite our signature on this Agreement (the “Effective Date”).

WITNESSETH:

We and our affiliates have, over a considerable time period and with considerable effort, developed (and continue to develop and modify) a system and franchise opportunity for the operation of an inspection business (each an “NPI Franchised Business”), offering residential and commercial inspection services, energy evaluations/assessments, infrared scans, property preservation, field service, and other related services to prospective real estate buyers, lenders, insurance companies and other interested parties. NPI Franchised Businesses operate using the Marks (as defined below) and the distinctive business formats, methods, procedures, signage designs, layouts, standards, and specifications, all of which we may improve, further develop, or otherwise modify from time to time (collectively, the “System”).

We and our affiliates use, promote, and license certain trademarks, service marks, and other commercial symbols in operating NPI Franchised Businesses, including the service mark “National Property Inspections,” and such other trade names, service marks, trademarks, logos, emblems, domain names, and indicia of origin which have gained and will continue to gain public acceptance and goodwill, and may create, use and license other trademarks, service marks and commercial symbols for NPI Franchised Businesses (collectively, the “Marks”).

We grant to persons who meet our qualifications, and are willing to undertake the investment and effort, a franchise to own and operate a NPI Franchised Business using the System. As a franchise owner of a NPI Franchised Business, you will comply with this Agreement and the System in order to maintain the high and consistent quality that is critical to attracting and maintaining clients for NPI Franchised Businesses. You have applied for a franchise to own and operate a NPI Franchised Business.

Now, the parties intending to be legally bound in consideration of the mutual agreements, covenants and promises contained herein, do agree as follows:

I ACKNOWLEDGMENTS, GRANT OF FRANCHISE AND OPENING SCHEDULE

A. Acknowledgments. You acknowledge that:

(1) You have independently investigated the NPI Franchised Business franchise opportunity and recognize that, like any other business, the nature of the business a NPI Franchised Business conducts may, and probably will, evolve and change over time.

(2) An investment in a NPI Franchised Business involves business risks that could result in the loss of a significant portion or all of your investment.

(3) Your business abilities and efforts are vital to your success.

(4) Attracting clients for your NPI Franchised Business will require you to make consistent marketing efforts in your community through various methods, including media

advertising, social media advertising, search engine marketing, search engine optimization, direct mail advertising, and display and use of in-office promotional materials.

(5) Retaining clients for your NPI Franchised Business will require you to have a high level of client service and adhere strictly to the System and that you are committed to maintaining.

(6) You have not received from us, and are not relying upon, any representations or guarantees, express or implied, as to the potential volume, sales, income, or profits of a NPI Franchised Business.

(7) In all of their dealings with you, our officers, directors, employees, and agents act only in a representative, and not in an individual, capacity and that business dealings between you and them as a result of this Agreement are deemed to be only between you and us.

(8) You have represented to us, to induce our entry into this Agreement, that all statements you have made and all materials you have given us are accurate and complete and that you have made no misrepresentations or material omissions in obtaining the franchise.

(9) You and your guarantors have received as one document at one time a copy of the form of this Agreement, the exhibits hereto, and the applicable complete Franchise Disclosure Document not less than fourteen (14) days prior to the earlier of: (i) the date on which this Agreement or any other agreement relating thereto was executed, and (ii) the payment of any consideration by or on behalf of you relating to this Agreement, and the franchise associated therewith (except, where applicable, any deposit permitted under applicable law).

(10) You have read this Agreement and our Franchise Disclosure Document and understand and accept that this Agreement's terms and covenants are reasonably necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each NPI Franchised Business, and to protect and preserve the goodwill of the Marks.

(11) We have the right to restrict your sources of products and services, as provided in various sections of this Agreement, including Section XI.A below.

(12) We have not made any representation, warranty, or other claim regarding this NPI Franchised Business franchise opportunity, other than those made in this Agreement and our Franchise Disclosure Document, and that you have independently evaluated this opportunity, including by using your business professionals and advisors, and have relied solely upon those evaluations in deciding to enter into this Agreement.

(13) You have been afforded an opportunity to ask any questions you have and to review any materials of interest to you concerning the NPI Franchised Business franchise opportunity.

(14) You have been afforded an opportunity, and have been encouraged by us, to have this Agreement and all other agreements and materials we have given or made available to you reviewed by an attorney and have either done so or waived your right to do so.

B. Corporation, Limited Liability Company or Partnership. If you are at any time a corporation, limited liability company, general or limited partnership, or other form of business entity (each an "Entity"), then you agree and represent that:

(1) You will have the authority to execute, deliver, and perform your obligations under this Agreement and all related agreements and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation;

(2) Your organizational documents, operating agreement, or partnership agreement, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interests in you, and all certificates and other documents representing ownership interests in you will bear a legend referring to this Agreement's restrictions;

(3) **Exhibit A** to this Agreement completely and accurately describes all of your owners and their interests in you as of the Effective Date;

(4) Each of your owners during the Term (as defined in Section II.B) and any Renewal Term (as defined in Section II.B) will execute a guaranty in the form attached to this Agreement undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us. Subject to our rights and your obligations under Section XVIII, you and your owners agree to promptly sign and deliver to us revisions to **Exhibit A** to reflect any permitted changes in the information that **Exhibit A** now contains;

(5) You will appoint a shareholder, member, or partner, as applicable, to be your "Managing Owner," responsible for managing and supervising the operation of your Franchised Business (as defined in Subsection C below). The Managing Owner as of the Effective Date is identified in **Exhibit A**. You may not change the Managing Owner without our prior written consent; and

(6) Your Franchised Business and other NPI Franchised Businesses, if applicable, will be the only businesses you operate (although your owners may have other, non-competitive business interests).

C. **Grant.** We hereby grant to you, the right to develop a NPI Franchised Business (your "Franchised Business") for use solely in connection with our System, as it may be changed, improved and further developed, within the geographic area identified on **Exhibit B** (the "Designated Area"). You must, at all times, maintain a residence and/or mailing address in the Designated Area and you agree to publish only this said address in all your advertisements, printed or otherwise. We will not, so long as this Agreement is in force and effect and you are not in default under any of the terms (including Section I.E), and subject to our rights in Section I.D below, establish, franchise or license another to operate a NPI Franchised Business within your Designated Area. You shall operate your Franchised Business only in the Designated Area, and must not operate or advertise your Franchised Business outside of the Designated Area. You may not accept orders from customers or provide services to customers outside your Designated Area unless (i) there are no other NPI Franchised Businesses operating in the area in which the customer is located, or (ii) the NPI Franchised Business operating in the area in which the customer is located provides you prior written approval to accept orders from customers and provide services to customers in his or her designated area.

Continuation of your franchise and your protected territory in the Designated Area during the initial term of this Agreement depends on your generating Gross Sales of at least \$100,000 during months 1 through 12 after your Launch Date; \$200,000 during months 13 through 24 after your Launch Date; \$300,000 during months 25 through 36 after your Launch Date; \$400,000 during months 37 through 48 after your Launch Date; and \$500,000 during months 49 through 60 after your Launch Date. For purposes of this Agreement, "Launch Date" means the date on which you first open your Franchised Business for business. These minimum Gross Sales requirements apply only during the initial term of this Agreement.

During any renewal term, and if you transfer an established territory, the sales volume requirements may be adjusted to reflect the potential of an established market. Your rights to your Designated Area remain subject to your continued compliance with this Agreement.

D. Rights We Reserve. Other than as provided for in Section I.C above, we and our affiliates retain all rights with respect to NPI Franchised Businesses, the Marks, the sale of similar or dissimilar products and services, and any other activities we deem appropriate whenever and wherever we desire. Specifically, but without limitation, we reserve the following rights:

(1) the right to operate, and to grant others the right to operate, NPI Franchised Businesses anywhere outside the Designated Area under any terms and conditions we deem appropriate and regardless of proximity to your Franchised Business;

(2) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering similar or dissimilar products and services through similar or alternative channels of distribution, at any locations inside or outside the Designated Area under trademarks or service marks other than the Marks and on any terms and conditions we deem appropriate;

(3) the right to provide, offer and sell and to grant others the right to provide, offer and sell products and services that are identical or similar to and/or competitive with those products and services provided at NPI Franchised Businesses, whether identified by the Marks or other trademarks or service marks, through alternative distribution channels (including, without limitation, the internet or similar electronic media and other forms of electronic commerce) both inside and outside the Designated Area and on any terms and conditions we deem appropriate;

(4) the right to establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Designated Area under the Marks and on any terms and conditions we deem appropriate;

(5) the right to market and sell products and services to national, regional and institutional accounts, whether located inside or outside the Designated Area. "National, regional and institutional accounts" are organizational or institutional clients whose presence is not confined to the Designated Area, including (by way of example only): business entities with offices or branches situated both inside and outside of the Designated Area; government agencies, branches or facilities; the military; and, any other clients whose presence is not confined to the Designated Area;

(6) the right to acquire the assets or ownership interests of one or more businesses providing products and services the same as or similar to those provided by NPI Franchised Businesses, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including in the Designated Area); and

(7) the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services the same as or similar to those provided at NPI Franchised Businesses, or by another business, even if such business operates, franchises and/or licenses competitive businesses in the Designated Area.

E. Opening Schedule. You, based upon your own independent investigation and analysis, agree, understand and approve as reasonable, that your Franchised Business must be opened for business

within one hundred and twenty (120) days of the Effective Date. Exclusivity in the Designated Area has been granted by us in reliance upon your representation that the above schedule will be met. If you fail to comply with the above schedule, all rights granted to you with respect to the Designated Area will revert to us, and we will be free to franchise with third parties to use the System in the forfeited Designated Area. Failure to develop in accordance with the schedule also results in forfeiture of any franchise fees paid.

II TERM AND RENEWAL

A. **Term.** The initial term of this Agreement (the “Initial Term”) will begin on the Effective Date and will expire on the tenth (10th) anniversary of the Effective Date unless this Agreement is sooner terminated as provided herein.

B. **Renewal Term.** You will have the right, but not the obligation, to enter into a successor franchise agreement for one (1) additional consecutive franchise term following the Initial Term (the “Renewal Term”, and together with the Initial Term, the “Term”). The duration of the Renewal Term will be ten (10) years, provided that you have complied with the following terms and conditions:

(1) You shall give us written notice of your election to renew not less than six (6) months nor more than twelve (12) months prior to the end of the Initial Term;

(2) You shall not be in default of any provision of this Agreement or any other agreement between you and us or our subsidiaries or affiliates; and, you shall have substantially and timely complied with all the terms and conditions of this Agreement and such other agreements during their terms;

(3) You shall have satisfied all monetary obligations owed to us, our subsidiaries and our affiliates under this Agreement and any other agreement;

(4) If you satisfy all of the other conditions for a renewal franchise, you agree to execute a renewal franchise agreement and any ancillary agreements we then customarily use in granting franchises for NPI Franchised Businesses, which may contain provisions that differ materially from any and all of those contained in this Agreement; and

(5) To the extent not prohibited by applicable law, you, your Managing Owner and any other owner shall execute a general release, in a form prescribed by us, of any and all claims you may have, of whatever nature or kind, against us and our subsidiaries and affiliates and their respective officers, directors, shareholders, partners, employees, servants, representatives, independent contractors, and agents, in their corporate and individual capacities, including without limitation, claims arising under this Agreement and any other agreement between you and us or our subsidiaries or affiliates and under any federal, state, and local laws, rules, and ordinances.

III FEES

A. **Franchise Fee.** In consideration of our granting you the right to operate your Franchised Business in the Designated Area, you will pay us an initial franchise fee in the amount identified on **Exhibit B**. The initial franchise fee is due and payable by you at the time the Franchise Agreement is executed. The initial franchise fee is not refundable in whole or in part.

B. **Royalty.** Subject to the Royalty Waiver Period detailed below, beginning on the earlier of (i) you opening your Franchised Business; or (ii) on the first day of the fifth (5th) month immediately following the Effective Date (the “Royalty Commencement Date”), you must pay to us a continuing royalty

of 8% of the Gross Sales of your Franchised Business, or a minimum royalty of \$300.00 per month, whichever is greater. Beginning on the first day of the seventeenth (17th) month immediately following the Effective Date, the royalty you must pay us will be increased to 8% of the Gross Sales, or a minimum of \$400.00 per month, whichever is greater. Beginning on the first day of the twenty-ninth (29th) month following the Effective Date, the royalty you must pay us will be increased to 8% of the Gross Sales, or a minimum of \$500.00 per month, whichever is greater. A monthly summary report of all of your services for the month must accompany the royalty payment. As used in this Agreement, the term “Gross Sales” means all revenue that you derive from operating your Franchised Business, including, but not limited to, all amounts that you receive in connection with your Franchised Business, and whether from cash, check, credit and debit card, barter exchange, trade credit, or other credit transactions and all other income of every kind and nature related to your Franchised Business, but (1) excluding all federal, state, or municipal sales, use, or service taxes collected from clients and paid to the appropriate taxing authority, and (2) reduced by the amount of any documented refunds, credits, allowances, and charge-backs your Franchised Business in good faith gives to clients. Notwithstanding the foregoing, we shall temporarily waive royalty payments for a period beginning on the Royalty Commencement Date and ending sixty (60) days following the Royalty Commencement Date (the “Royalty Waiver Period”) so long as during the Royalty Waiver Period you satisfy the following conditions: (i) you spend an amount equal to the greater of 8% of the Gross Sales of your Franchised Business or \$300.00 per month on local advertising we approve promoting your Franchised Business; and (ii) you remain in compliance with the terms of this Agreement and any other agreement you or your affiliate maintains with us or our affiliate (the “Royalty Waiver Conditions”). Upon our request, you shall furnish to us, on a monthly or more frequent basis as we determine, supporting documentation evidencing your local advertising expenditures during the Royalty Waiver Period. Beginning on the earlier of (a) the conclusion of the Royalty Waiver Period, or (b) your failure to satisfy the Royalty Waiver Conditions, you must immediately begin paying us the full amount of the royalty due in accordance with this Section III.B.

C. **Software Fee.** If we require that you use our or our affiliate’s proprietary software during the operation of your Franchised Business, you agree to pay our then-current software fee (the “Software Fee”). The Software Fee shall be payable in the manner and at the times we specify in our sole discretion. The Software Fee will compensate us for our costs associated with the creation, maintenance and ongoing development of technology used for the System, plus any applicable taxes. We reserve the right in our sole judgment to increase the Software Fee by up to 20% each year commencing twelve (12) months from the date that you open your Franchised Business.

D. **Late Fees and Interest.** All amounts which you owe us or our affiliate for any reason, will bear interest accruing as of their original due date at the maximum interest rate permitted by law. If there is no applicable legal maximum rate, interest will be calculated at the rate of 4% above the prime rate of interest on the first day of each month for the past due amount, as published in The Wall Street Journal. You acknowledge that this Section III.D is not our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, your Franchised Business.

E. **Application of Payments.** Despite any designation you make, we may apply any of your payments to any of your past due indebtedness to us. We may set off any amounts you or your owners owe us or our affiliates against any amounts we or our affiliates owe you or your owners. You may not withhold payment of any amounts you owe us or our affiliates due to our alleged nonperformance of any of our obligations under this Agreement.

F. **Method of Payment.** Before your Franchised Business begins operating, you agree to sign and deliver to us the documents we require (the current form of which is set forth in **Exhibit C**) to authorize us to debit your business checking account automatically for royalties, the Software Fee (as applicable), Fund contributions (defined in Section IX.A below), and other amounts due to us or our

affiliates in connection with your Franchised Business for your purchases from us and/or our affiliates (the “Electronic Depository Transfer Account” or “EDTA”). We will debit the EDTA for these amounts on their due dates. You agree to ensure that funds are available in the EDTA to cover our withdrawals. If there are insufficient funds in the EDTA to cover any such amount owed (or, if you are paying by check and a check is returned for insufficient funds), you must pay us, on demand, a processing fee of \$100, plus reimbursement of our additional administrative expenses and charges. If there are insufficient funds in the EDTA, or if your check is returned for insufficient funds, then we may require you to make all subsequent payments to us by certified check. We may require you to pay any amounts due under this Agreement or otherwise by means other than automatic debit (e.g., by check) whenever we deem appropriate, and you agree to comply with our payment instructions.

IV PROPRIETARY MARKS

A. It is understood and agreed that the license granted hereunder to use our Marks applies only to their use in connection with the operation of your Franchised Business in the Designated Area and includes only such Marks as are now or may be designated by us in writing for use by you, and no other Marks of ours now existing or yet to be developed or acquired by us. You agree to operate and advertise your Franchised Business only under the Marks designated by us in writing for that purpose. You must operate and advertise your Franchised Business under the Marks designated by us. In addition, you may not provide inspection services, ancillary services (including but not limited to mold testing, radon inspections, pest inspections, and thermal imaging), or any other services then offered by NPI Franchised Businesses under any other trade name than “National Property Inspections.”

B. You acknowledge our ownership of all right, title and interest in and to the Marks, and the identification schemes, standards, specifications, operating procedures and other concepts embodied in the System. You accordingly agree that any unauthorized use of the System and the Marks is and will be deemed an infringement of our rights; that, except as expressly provided by this Agreement, you acquire no right, title or interest in the System or the Marks; that any and all goodwill associated with the System and the Marks will inure exclusively to our benefit; and that, upon the expiration or termination of this Agreement, no monetary amount will be assigned as attributable to the goodwill associated with your use of the System and the Marks.

C. You acknowledge that the use of the Marks outside the scope of this Agreement, without our prior written consent, is an infringement of our exclusive right, title and interest in and to the Marks, and expressly covenant that during the Term, and after the expiration or termination of this Agreement, you shall not, directly or indirectly, commit an act of infringement or contest or aid in contesting the validity or ownership of any of our Marks, or take any other action in derogation of our rights to the Marks.

D. You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person’s claim of any rights in any Mark, and not to communicate with any person other than us, our attorneys, and your attorneys, regarding any infringement, challenge, or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office (“USPTO”) proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You agree to sign any documents and take any other reasonable action that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or otherwise to protect and maintain our interests in the Marks. At our option, we may defend and control the defense of any proceeding arising from your use of any Mark under this Agreement.

E. Your right to use the words “National Property Inspections” is only in conjunction with your Franchised Business licensed in this Agreement. You may not use the words “National Property

Inspections.” as your primary business or corporate name, and will duly file a fictitious business name statement or similar documents where you are indicated as doing business as “National Property Inspections”. You must immediately notify us as to your business name.

The following is an example of a proper franchisee company name:

Example if you form a corporation: “AAA Inspection Services, Inc. DBA National Property Inspections”.

Example if you form a limited liability company: “AAA Inspections, Services, LLC DBA National Property Inspections”

F. You must not, without our written consent, use the Marks as part of your corporate or other legal name, nor hold out or otherwise employ the Marks to perform any activity or to incur any obligation or indebtedness, in such a manner as could reasonably result in liability for us or our affiliates.

G. If, in our sole judgment, it becomes advisable at any time for us and/or you to modify or discontinue using any Mark and/or to use one or more additional or substitute trade or service marks, you agree to comply with our directions within a reasonable time after receiving notice. We need not reimburse you for your direct expenses of changing the Marks, for any loss of revenue due to any modified or discontinued Mark, any loss of goodwill associated with any modified or discontinued Mark, or for your expenses of promoting a modified or substitute trademark or service mark. Our rights in this Section IV.G apply to any and all of the Marks (and any portion of any Mark) that we authorize you to use in this Agreement. We may exercise these rights at any time and for any reason, business or otherwise, that we think best. You acknowledge both our right to take this action and your obligation to comply with our directions.

H. You understand and acknowledge that each and every detail of our System is important to you and us in order to develop and maintain high and uniform standards of quality and service and to protect and enhance the reputation and goodwill of NATIONAL PROPERTY INSPECTIONS, INC. You accordingly agree to (i) execute and convey all documents required by us or our counsel that are necessary to obtain protection of the Marks or to maintain their continued validity or enforceability, (ii) take no action that would jeopardize the validity or enforceability, and (iii) follow the marketing programs outlined by us during training, in the Confidential Manuals, and on any updates, revisions, or other communications from us.

We may require you (or your Managing Owner) and/or other previously trained and experienced employees to attend and satisfactorily complete various training courses that we periodically choose to provide either online or in-person at the times and locations that we designate. We may charge reasonable registration or similar fees for these courses. Besides attending these courses, you agree to attend an annual meeting of all NPI Franchised Business franchise owners at a location we designate, if we organize and plan (at our option) such a meeting. Attendance will not be required for more than three (3) days during any calendar year. You agree to pay all costs to attend these online or in-person training courses and meetings.

We may require that other employees you hire or appoint after your Franchised Business begins operating satisfactorily complete our initial and ongoing training programs. You understand and agree that any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue and modify at any time and from time to time.

All persons working as a home inspector for you shall affiliate themselves with a professional organization appropriate to their geographical location such as ASHI and INTERNACHI.

In order to protect the reputation and goodwill associated with the Marks and to maintain the uniform standards of operation of NPI Franchised Businesses, you must conduct your Franchised Business in strict accordance with our confidential manuals, which may include audiotapes, videotapes, compact disks, computer software, other electronic media, and/or written materials (the “Confidential Manuals”).

B. You must at all times treat as confidential, and must not at any time disclose, copy, duplicate, record or otherwise reproduce, in whole or in part, or otherwise make available to any unauthorized person or source the contents of the Confidential Manuals.

C. The Confidential Manuals and our proprietary software at all times remain our sole property and must promptly be returned upon the expiration or other termination of this Agreement or upon updating of sections as noted in the next paragraph.

D. We may modify the Confidential Manuals at any time, in our sole judgment, to convey to you advancements and new developments in sales, marketing, training techniques, report forms and other items and procedures relevant to the operation of the Franchised Business, and you agree to be bound by and to conduct business in accordance with revised requirements of the Confidential Manuals. If there is a

dispute over the contents of the Confidential Manuals, our master copy of the Confidential Manuals controls.

E. At our option, we may post some or all of the Confidential Manuals on a restricted Website or extranet to which you will have access. (For purposes of this Agreement, “Website” means an interactive electronic document contained in a network of computers linked by communications software, including, without limitation, the Internet and World Wide Web home pages). If we do so, you agree to monitor and access the Website or extranet for any updates to the Confidential Manuals. Any passwords or other digital identifications necessary to access the Confidential Manuals on a Website or extranet will be deemed to be part of Confidential Information (defined in Section VII below).

VII CONFIDENTIAL AND PROPRIETARY INFORMATION

A. We possess (and will continue to develop and acquire) certain confidential and proprietary information, including, but not limited to the Confidential Manuals, proprietary software, and all client lists and records generated and/or otherwise maintained by NPI Franchised Businesses, some of which constitutes trade secrets under applicable law (the “Confidential Information”), relating to developing and operating NPI Franchised Businesses.

B. You acknowledge and agree that you will not acquire any interest in Confidential Information, other than the right to use it as we specify in operating your Franchised Business during the Term, and that Confidential Information is proprietary, includes our trade secrets, and is disclosed to you only on the condition that you agree, and you in fact do agree, that you:

- (1) will not use Confidential Information in any other business or capacity;

- (4) will not make unauthorized copies of any Confidential Information disclosed via electronic medium or in written or other tangible form; and
- (5) will adopt and implement reasonable procedures to prevent unauthorized use or disclosure of Confidential Information, including, without limitation, restricting its disclosure to your Franchised Business’s personnel and others and using non-disclosure and non-competition agreements with those having access to Confidential Information. We have the right to regulate the form of agreements that you use and to be a third party beneficiary of those agreements with independent enforcement rights.

In the event that any such audit, inspection, examination, or verification reveals that you are non-compliant with any obligation set out in this Section, you will promptly bring yourself into compliance.

IX ADVERTISING

A. Advertising and Development Fund. Recognizing the value of advertising and marketing to the goodwill and public image of NPI Franchised Businesses, we have established an Advertising and Development Fund (the “Fund”) for the advertising, marketing, and public relations programs and materials we deem appropriate. We have the right to collect for deposit into the Fund any advertising, marketing, or similar allowances paid to us by suppliers who deal with NPI Franchised Businesses and with whom we have agreed that we will so deposit these allowances. The Fund may be operated by one or more of our affiliates. You agree to contribute to the Fund 2% of your Franchised Business’s Gross Sales. Such fee shall be paid monthly and in the same manner as the royalty fee described in Section III.B.

We direct all programs that the Fund finances (including related legal work), with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation. The Fund may pay for preparing and producing video, audio, and written materials and electronic media; costs associated with inbound marketing channels and providers (for example, Google, Facebook and Yelp); developing, implementing, and maintaining an electronic commerce Website and/or related strategies; administering regional and multi-regional marketing and advertising programs, including, without limitation, purchasing trade journal, direct mail, and other media advertising and using advertising, promotion, and marketing agencies and other advisors to provide assistance; and supporting public relations, market research, and other advertising, promotion, and marketing activities.

The Fund may periodically give you samples of advertising, marketing, and promotional formats and materials at no cost. We will sell you multiple copies of these materials at our direct cost of producing them, plus any related shipping, handling, and storage charges.

We account for the Fund separately from our other funds and will not use the Fund for any of our general operating expenses. However, we may use the Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Fund, legal costs and expenses related to the Fund’s activities, the Fund’s other administrative costs, reasonable travel expenses of personnel while they are on Fund business, meeting costs, overhead relating to Fund business, and other expenses that we incur in activities reasonably related to administering or directing the Fund and its programs, including, without limitation,

conducting market research, public relations, preparing advertising, promotion, and marketing materials, and collecting and accounting for Fund contributions.

The Fund will not be our asset. Although the Fund is not a trust, we hold all Fund contributions for the benefit of the contributors and use contributions only for the purposes described in this Section. We do not owe any fiduciary obligation to you for administering the Fund or any other reason. The Fund may spend in any fiscal year more or less than the total Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, pay back outstanding principal amounts borrowed in prior years from us or third parties, or invest any surplus for future use. We use all interest earned on Fund contributions to pay costs before using the Fund's other assets.

We prepare an annual, unaudited statement of Fund collections and expenses and give you the statement upon written request. We reserve the right, in our sole determination, to have the Fund audited annually, at the Fund's expense, by an independent certified public accountant. We may incorporate the Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified in this Section.

We intend the Fund to maximize recognition of the Marks and patronage of NPI Franchised Businesses. Although we will try to use the Fund to develop advertising and marketing materials and programs, and to place advertising and marketing, that will benefit all NPI Franchised Businesses, we need not ensure that Fund expenditures in or affecting any geographic area are proportionate or equivalent to Fund contributions by NPI Franchised Businesses operating in that geographic area or that any NPI Franchised Business benefits directly or in proportion to its Fund contribution from the development of advertising and marketing materials or the placement of advertising and marketing.

We have the right, but no obligation, to use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. We also may forgive, waive, settle, and compromise all claims by or against the Fund. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Fund.

We may at any time defer or reduce contributions of a NPI Franchised Business franchise owner and, upon thirty (30) days' prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will distribute all unspent monies to our franchise owners, and to us and our affiliates, in proportion to their, and our, respective Fund contributions during the preceding twelve (12) month period.

B. Local Advertising Requirement. We suggest you expend a minimum of 2% of your Franchised Business's Gross Sales annually to advertise and promote your Franchised Business locally. Your local advertising and promotion must follow our guidelines. All advertising and promotional materials that you develop for your Franchised Business must contain notices of our Website's domain name in the manner we designate. You may not develop, maintain, or authorize any website that mentions or describes you or your Franchised Business or displays any of the Marks without our prior written approval. We alone may establish, maintain, modify or discontinue all internet, worldwide web and electronic commerce activities pertaining to the System, including through the use of a page or profile on a social media website such as Facebook, Instagram and Twitter. You agree that your advertising, promotion, and marketing will be completely clear, factual, and not misleading and conform to both the highest standards of ethical advertising and marketing and the advertising and marketing policies that we prescribe at any time and from time to time as well as any applicable Anti-Spam Laws.

Before you print, disseminate, distribute, publish, or otherwise use them, you agree to send us or our designated agency for approval samples of all advertising, promotional, marketing, branded, and related materials that we have not prepared or previously approved, including, but not limited to, press releases and interviews for publication in any media. If we require you to do so, you must use suppliers, vendors, or agencies that we approve or designate for marketing, advertising, promotional, branded, and related materials. You may not print, disseminate, distribute, publish, or otherwise use any advertising, promotional, marketing, branded, or related materials that we have not approved or that we have disapproved.

X ACCOUNTING AND RECORDS

A. During the Term and for at least five (5) years afterwards, you agree to keep and preserve full, complete and accurate books and records.

B. You must also submit to us, for review or auditing, other forms, reports, records, information and data as we may reasonably designate, in the form and at the times and places reasonably required by us, upon request and as specified from time to time in the Confidential Manuals or otherwise in writing. No later than the tenth (10th) day of each month, reports accurately reflecting all Gross Sales during the preceding calendar month, must be submitted electronically to us in the manner we prescribe.

C. You must also submit to us within sixty (60) days following the end of each fiscal year during the Term, annual profit and loss and source and use of funds statements and a balance sheet for your Franchised Business as of the end of the prior calendar year.

D. You must also submit to us within thirty (30) days following your filing of tax returns for your Franchised Business, exact copies of federal and state income tax returns, sales tax returns, and any other forms, records, books, and other information we periodically require relating to your Franchised Business and the franchise.

E. Our representatives will have the right at all reasonable times to inspect your books, records and cash control devices or system. If the inspection reveals any unreported client contracts or any other Gross Sales from your Franchised Business reported by you to us which are less than the Gross Sales ascertained by the inspection, you must immediately pay to us the amount owing to us in accordance with the corrected Gross Sales report. Upon the discovery of a discrepancy in the report of Gross Sales of 2% or more, you must pay and reimburse us for any and all expenses connected with that inspection, including reasonable accounting and legal fees, as well as interest on the unreported receipts at the maximum rate permitted by law. Such payments are without prejudice to any other remedies we may have under this Agreement. We may conduct the audit on your premises during normal business hours and after reasonable notice. Furthermore, if an examination is necessary due to your failure to furnish reports, supporting records, or other information as required, or to furnish these items on a timely basis, you agree to reimburse us for the costs of the examination, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board, and compensation of our employees. These remedies are in addition to our other remedies and rights under this Agreement and applicable law. If any understatement exceeds 5% or more of the amount that you actually reported paid to us within any portion or through the entire period of an examination, such underpayment shall be a material breach of this Agreement and, in addition to our other remedies and rights under this Agreement and applicable law, we shall have the right to terminate this Agreement immediately upon notice to you, without opportunity to cure.

XI STANDARDS OF QUALITY

A. You recognize that it is essential to the proper marketing of a NPI Franchised Business, and to the preservation and promotion of our reputation and acceptance by the public at large, that standards of quality be maintained. You agree, as an essential part of the consideration for this Agreement, you will at all times dispense, sell, or offer for sale to the public, only those products and services that meet the reasonable specifications and standards from time to time approved and in writing by us, and as permitted by law. We may, from time to time, issue a written statement disapproving certain products or services, and you agree not to offer such products or services.

You must operate your Franchised Business at all times within the quality standards as established by us through this Agreement, the System and through the Confidential Manuals that are to be furnished to you and as may be modified by us from time to time. Standards must ensure the quality, safety, efficiency, quantity, and uniformity of services and products furnished by a NPI Franchised Business. Any failure to so operate can be grounds for termination of this Agreement. You may choose your own suppliers for equipment and other items you may need to operate your Franchised Business so long as you comply with the System. We may make suggestions as to specific equipment makes and models and suppliers. We may disapprove of certain suppliers of products and services and you agree not to use such suppliers. We may require you to use suppliers, vendors, or agencies that we approve or designate for marketing, advertising, promotional, branded, and related materials.

We and our affiliates may receive payments or other consideration from suppliers on account of such suppliers' dealings with you and other franchise owners, and may use any amounts so received without restriction and for any purpose we and our affiliates deem appropriate. We may concentrate purchases with one or more suppliers or distributors to obtain lower prices or the best advertising support or services. Approval of a supplier or distributor may be conditioned on requirements relating to product quality, prices, consistency, reliability, financial capability, labor relations, client relations, frequency of delivery, concentration of purchases, standards of service, including prompt attention to complaints, or other criteria and may be temporary, pending our continued evaluation of the supplier or distributor at any time and from time to time.

XII THE SYSTEM

A. **Modification of the System.** You recognize and agree that from time to time we may change or modify the System presently identified by the Mark "National Property Inspections" including the adoption and use of new or modified service marks, trademarks, or copyrighted materials, new products, new equipment or new techniques. These modifications may obligate you to invest additional capital in your Franchised Business and/or incur higher operating costs. You will accept and use for the purpose of this Agreement any such changes in the System that may be required.

B. **Compliance with Laws and Good Business Practices.** You must secure and maintain in force all required licenses, permits and certificates relating to the operation of your Franchised Business and must operate your Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, government regulations relating to residential and/or commercial inspections, occupational hazards, health, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. All advertising and promotion by you must be completely factual and must conform to the highest standards of ethical advertising. Your Franchised Business must in all dealings with its clients, suppliers, us and the public adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. All settlement service fees you receive or pay to an affiliate or third party must comply with all applicable laws. You agree to refrain from any business or advertising practice which may be injurious to our business and the

goodwill associated with the Marks and other NPI Franchised Businesses. You must notify us in writing within five (5) days of the commencement of any action, suit or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect your operation or financial condition or that of your Franchised Business and of any notice of violation of any law, ordinance, or regulation relating to your Franchised Business.

You further agree not to disparage or defame us or any other NPI Franchised Business franchise owners, or any of our or their affiliates, officers, or employees in any respect or make any disparaging comments concerning our business relationships or the matters referred to in this Agreement.

You must promptly pay when due all taxes levied or assessed including, federal income taxes, unemployment taxes, and all indebtedness to us incurred by you in the conduct of your Franchised Business.

C. **Pricing.** You are responsible for the management and operation of your Franchised Business, including to set the prices you charge clients for the services and/or products offered by your Franchised Business. Notwithstanding the foregoing, you acknowledge and agree that we may periodically, and to the fullest extent allowed by applicable law, recommend or establish maximum, minimum, or other pricing requirements with respect to the prices you charge clients for the services and/or products offered by your Franchised Business. Our recommendations or required prices may apply only in certain geographic areas (cities, states, regions) and not others, or with regard to certain subsets of franchisees and not others. The prices we prescribe or suggest may or may not optimize the revenues or profitability of your Franchised Business and you irrevocably waive any and all claims arising from the establishment or suggestion of your Franchised Business' prices.

D. **National Accounts.** Only we will have the right to enter into contracts with national, regional and/or institutional accounts (which may be located within your Designated Area). If we receive contracts for any product or service offered by NPI Franchised Businesses calling for performance or delivery in your Designated Area, then we will have the right, but not the obligation, either to require you to fulfill such contracts at the price we agree on with the client or to give you the opportunity to fulfill such contracts at the price we agree on with the client. If we give you the opportunity to fulfill such contracts and if, for any reason, you do not desire to or cannot serve the client, or if the client desires for any or no reason to deal exclusively with us, our affiliate or another franchisee and not with you, then we, our affiliate or any other NPI Franchised Business may serve the client within your Designated Area, and you will not be entitled to any compensation. The procedures governing our national, regional and institutional accounts program are set forth in our Confidential Manuals.

E. **Participation in Associations, Organizations and Required Memberships.** You agree, at your sole cost and expense, to join and participate in your local Board of Realtors or any other organizations we may require for the purpose of enhancing the goodwill, presence and reputation of the Marks, the System and your Franchised Business.

XIII COMPUTER SYSTEM

You agree to obtain and use the computer hardware and/or operating software we specify at any time and from time to time for your Franchised Business (the "Computer System"), including our or our affiliate's proprietary software that we license to you in connection with your Franchised Business. You acknowledge and agree that the Computer System is to be used exclusively for your Franchised Business. We may modify specifications for and components of the Computer System. You also agree to maintain a functioning e-mail address. Our modification of specifications for the Computer System, and/or other technological developments or events, might require you to purchase, lease, and/or license new or modified computer hardware and/or software and to obtain service and support for the Computer System. Although

we cannot estimate the future costs of the Computer System or required service or support, and although these costs might not be fully amortizable over the remaining Term, you agree to incur the costs of obtaining the computer hardware and software comprising the Computer System (or additions and modifications) and required service or support. We have no obligation to reimburse you for any Computer System costs. Within ninety (90) days after you receive notice from us, you agree to obtain the Computer System components that we designate and to ensure that your Computer System, as modified, is functioning properly.

You agree that we or our affiliates may condition any license of our or our affiliate's proprietary software to you, or your use of technology that we or our affiliates develop or maintain, on your signing a software license agreement or similar document that we or our affiliates prescribe to regulate your use of, and our and your respective rights and responsibilities with respect to, the software or technology. We, our affiliates, or designated suppliers may charge you a monthly or other fee for any proprietary software or technology that we or they license to you and for other maintenance and support services that we or they may require you to receive during the Term. If we require that you use our or our affiliate's proprietary software, you will be required to pay us the Software Fee listed in Section III.C above in consideration of use of the proprietary software. You further agree that as made available, you are required to install and utilize the latest version of the proprietary software.

Despite the fact that you agree to buy, use, and maintain the Computer System according to our standards and specifications, you will have sole and complete responsibility for: (1) the acquisition, operation, maintenance, and upgrading of the Computer System; (2) the manner in which your Computer System interfaces with our and any third party's computer system; and (3) any and all consequences if the Computer System is not properly operated, maintained, and upgraded.

The Computer System shall interface with our information technology systems and be electronically linked to us or our designee to enable us (or our designee) to poll such Computer System on a daily or other basis at such times and in such manner as established by us or our designee, with or without notice, and to retrieve such transaction information, including without limitation sales and other operations data as we and/or our designee deem appropriate. If for any reason polling is not practicable or prohibited by applicable law, we may require you to download such information into machine readable information compatible with the system operated by us, our affiliates, or our agents and to deliver such information to us by such method and at such temporal frequency as we may reasonably require.

You hereby consent to us obtaining, using and disclosing to third parties (including, without limitation, prospective franchise owners, financial institutions, legal and financial advisors), for any purpose or as may be required by law, any financial or other information contained in or resulting from information, data, materials, statements and reports received by us or disclosed to us, whether by means of the Computer System or otherwise, in accordance with this Agreement. You will obtain such consents from third parties, including your clients, as are necessary in order to give effect to the foregoing.

XIV INSURANCE

A. You must procure before the commencement of business, and maintain in full force and effect during the entire Term, at your sole expense, an insurance policy or policies protecting you, us, our affiliates and our and our affiliates' officers and employees against any loss, liability or expense whatsoever arising or occurring by reason of your operation of your Franchised Business. We and our affiliates must be an additional named insured on that policy or policies (Worker's Compensation excepted).

B. Such policy or policies must be written by an insurance company satisfactory to us in accordance with standards and specifications set forth in the Confidential Manuals or otherwise in writing, and must include, at a minimum, the following:

- (1) Comprehensive general liability insurance, including automobile liability for any owned and non-owned vehicles, with minimum limits of \$500,000 per occurrence for bodily injury and \$500,000 property damage;
- (2) Worker's Compensation and employer's liability insurance as well as other insurance as may be required by statute or rule of the state(s) in which your Franchised Business is located and operated;
- (3) If you have employees, third party fidelity bond coverage in the minimum amount of \$10,000;
- (4) Group health and accident insurance where required by local law;
- (5) If any vehicle is used in connection with the operation of your Franchised Business, motor vehicle liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in connection with your Franchised Business' operation; and
- (6) Errors and Omissions coverage, subject to a minimum level of \$250,000 per occurrence, \$500,000 policy limits, or the minimum policy limits required by state law, whichever is greater.

C. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage (including reasonable excess liability insurance, employment practices liability insurance and cybersecurity insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. Required coverage shall include insurers' waiver of subrogation against us and you shall waive rights of recovery against us.

D. Upon obtaining the insurance required by this Agreement and on each policy renewal date afterwards, you must promptly submit evidence of satisfactory insurance and proof of payment to us, together with, upon request, copies of all policies and policy amendments. The evidence of insurance must include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least thirty (30) days prior written notice to us. In the event you decide to sell or transfer your interests in this Agreement or your Franchised Business, or if this Agreement expires or terminates for any reason, then you must procure and maintain Errors and Omissions insurance for a minimum of one (1) year starting at the date of such sale, transfer, termination or expiration with the same limits as listed above and naming us as an additional insured. Should the Franchisee, for any reason, fail to procure and maintain the above-mentioned insurance coverage as required by this Agreement, we will have the right and authority, without any obligation, to immediately procure such insurance coverage and to charge to you, which charges, together with a reasonable fee for expenses incurred by us in connection with such procurement, will be payable by you immediately upon notice or may constitute grounds for termination. You must provide us notice within ten (10) days of the filing of any claim related to the insurance policies required by this Agreement.

E. Failure of the Franchisee to maintain such insurance coverage and to provide the Franchisor with the required certificate of insurance in a timely manner constitutes grounds for termination.

XV COVENANTS

A. You acknowledge that we have granted you the Franchise in consideration of and reliance upon your agreement to deal exclusively with us. You therefore agree that, during the Term, neither you, any of your owners, nor any of your or your owners' spouses will:

- (1) have any direct or indirect controlling or non-controlling interest as an owner – whether of record, beneficially, or otherwise – in a Competitive Business, wherever located or operating (except that equity ownership of less than 2% of a Competitive Business whose stock or other forms of ownership interest are publicly traded on a recognized United States stock exchange will not be deemed to violate this subparagraph);
- (2) perform services as a director, officer, manager, employee, consultant, representative, or agent for a Competitive Business, wherever located or operating;
- (3) divert or attempt to divert any actual or potential business or clients of your Franchised Business to a Competitive Business;
- (4) directly or indirectly loan any money or other thing of value to, or guarantee any other person's loan to, any Competitive Business or any owner, director, officer, manager, employee or agent of any Competitive Business, wherever located or operating; or
- (5) engage in any other activity which, in our sole opinion, might injure the goodwill of the Marks and System.

B. Upon (i) our termination of this Agreement according to its terms and conditions, (ii) your termination of this Agreement without cause, or (iii) expiration of this Agreement (if we offer, but you elect not to acquire, a Renewal Term, or if we do not offer you a Renewal Term due to your failure to satisfy the conditions set forth in Section II.B), then you and your owners agree that, for two (2) years beginning on the earlier of the effective date of termination or expiration of this Agreement, neither you nor any of your owners will have any direct or indirect interest (e.g., through a spouse) as an owner (whether of record, beneficially, or otherwise), investor, partner, director, officer, employee, consultant, representative, or agent in any Competitive Business (as defined below) located or operating in the Designated Area or within fifty (50) miles of the Designated Area.

C. During the Term and for two (2) years beginning on the earlier of the effective date of termination or expiration of this Agreement, neither you nor any of your owners, officers, directors or employees will, directly or indirectly (e.g., through a spouse), solicit, divert or hire away, or attempt to induce, solicit or divert any client of ours or of any of our affiliates or NPI Franchised Business franchise owners. In addition, the use of Personal Information, our client lists or other such Confidential Information for the purpose of soliciting, diverting or inducing away (or any such attempt) is prohibited.

D. The restrictions in Sections XV.B and XV.C above also apply after transfers, as provided in Section XVIII below. If any person restricted by this Section XV refuses voluntarily to comply with these obligations, the two (2) year period for that person will commence with the entry of a court order enforcing this provision. The two (2) year period will be tolled, if applicable, for the period during which a restricted person is in breach of this Section and will resume when that person begins or resumes compliance. You and your owners expressly acknowledge that you possess skills and abilities of a general

nature and have other opportunities for exploiting these skills. Consequently, our enforcing the covenants made in this Section will not deprive you of your personal goodwill or ability to earn a living.

E. You agree to have all of the following persons sign, and you will submit to us executed copies of, our then current form of Nondisclosure and Non-Competition Agreement: (i) your designated manager and any supervisory or other employees who have received or will receive training from us, prior to their employment; and (ii) if you are an Entity, your Managing Owner and all your officers, directors, shareholders, partners, members and owners, and those of any Entity directly or indirectly controlling you, concurrent with the execution of this Agreement, or at such time as they assume such status. You agree to provide us copies of all executed Nondisclosure and Non-Competition Agreements no later than ten (10) days following their execution.

F. The term “Competitive Business” means (i) any business which derives more than 5% of its revenue from writing, taking, originating, referring, or selling residential or commercial inspection products or services; or (ii) any business granting franchises or licenses to others to operate the type of business specified in subparagraph (i) (other than a NPI Franchised Business operated under a franchise agreement with us).

G. You acknowledge that a violation of any covenant in the above paragraphs will cause irreparable damage to us, the exact amount of which may not be subject to reasonable or accurate ascertainment, and therefore, you consent that if a violation occurs, we will, as a matter of right, be entitled to injunctive relief to restrain you, or anyone acting for or on behalf of you, from violating those covenants. Those remedies, however, will be cumulative and in addition to any other remedies to which we may then be entitled. You represent and acknowledge that in the event of the termination of this Agreement for whatever cause, your experience and capabilities are such that you can obtain employment in business engaged in other lines or of a different nature than that of the operation of an inspection service franchise and that the enforcement of a remedy by way of injunction will not prevent you from earning a livelihood. If we bring suit to enforce any provision above, we will be entitled to receive, in addition to any relief or remedy granted, the cost of bringing such suit, including reasonable attorney’s fees. The covenants in this Section will survive the termination or expiration of this Agreement.

XVI TERMINATION AND DEFAULTS

A. You will be deemed to be in default under this Agreement and all rights granted to you will terminate effective immediately and without an opportunity to cure upon delivery of written notice, if any of the following occur:

- (1) you receive three (3) Notices to Cure a default or violation, whether or not default or violation has been cured;
- (2) you make an assignment for the benefit of creditors or admit in writing your insolvency or inability to pay your debts generally as they become due; you consent to the appointment of a receiver, trustee, or liquidator of all or the substantial part of your property; your Franchised Business is attached, seized, subjected to a writ or distress warrant, or levied upon, unless the attachment, seizure, writ, warrant, or levy is vacated within thirty (30) days; or any order appointing a receiver, trustee, or liquidator of you or your Franchised Business is not vacated within thirty (30) days following the order’s entry;
- (3) you abandon or fail actively to operate your Franchised Business for five (5) or more consecutive business days (including, without limitation, due to the failure

to maintain any necessary professional licenses, certifications, or other requirements for residential and commercial inspectors in the Designated Area), unless you close your Franchised Business for a purpose we approve or because of casualty or government order;

- (4) you (or any of your owners) are or have been convicted by a trial court of, or plead or have pleaded no contest to, a felony, crime involving moral turpitude, or any other crime which we reasonably believe adversely affects the System's reputation or the goodwill associated with the Marks;
- (5) you violate any federal, state, or local law, ordinance, or regulation governing residential or commercial inspections or the operation of your Franchised Business (including, but not limited to, applicable privacy and information security laws), or operate your Franchised Business in an unsafe manner, and do not begin to cure the violation immediately, and correct the violation within seventy-two (72) hours after you receive notice from us or any other party;
- (6) you effect repairs identified in any inspection report in exchange for a fee, or recommend another franchisee, or any other person or entity to effect such repairs in exchange for a referral fee;
- (7) you (or any of your owners) have made or make any material misrepresentation or omission in acquiring or operating your Franchised Business;
- (8) you do not begin operating your Franchised Business within one hundred and twenty (120) days after the Effective Date;
- (9) you (or your Managing Owner) do not satisfactorily complete the initial training program;
- (10) you (or your Managing Owner) fail to maintain a valid residential and commercial inspector's broker license, or such other license as may be required under applicable law to operate your Franchised Business;
- (11) you (or any of your owners) engage in any dishonest or unethical conduct which, in our opinion, adversely affects your Franchised Business' reputation or the goodwill associated with the Marks;
- (12) you (or any of your owners) knowingly make any unauthorized use or disclosure of any part of the Confidential Manuals or any other Confidential Information;
- (13) you fail to pay us (or our affiliates) any amounts due and you do not correct the failure within ten (10) days after we deliver written notice of that failure to you;
- (14) you fail to pay when due any federal or state income, service, sales, or other taxes due on your Franchised Business's operation, unless you are in good faith contesting your liability for these taxes, or you fail to submit a copy of your U.S. Tax Return Business Income Statement as required by Section X.D of this Agreement;

- (15) you (or any of your owners) or your employees make unauthorized use of the Computer System for the operation of your Franchised Business or any other purpose;
- (16) you fail to maintain NPI trained personnel in the operation of your Franchised Business and do not correct such failure within thirty (30) days;
- (17) you or any of your owners, representatives or employees make any illicit statements, including in an email to our employees, officers or directors or in any social media posts, or any other unlawful, threatening, abusive, libelous, defamatory, obscene, vulgar, pornographic, gambling-related, drug-related, alcohol-related, profane, racist, sexually explicit or indecent comments that in our opinion, negatively affects us, our affiliates, our employees, our operations or otherwise affects NPI Franchised Businesses' reputation or the goodwill associated with the Marks;
- (18) you fail to pay your employees in a timely manner.
- (19) we (or any of our owners or affiliates) terminate any other agreement between you (or any of your owners and affiliates) and us (or any of our owners or affiliates) due to your (or any of your owners' or affiliates') failure to comply with the terms of such agreement;
- (20) you (or any of your owners) fail to comply with any other provision of this Agreement or any part of our System and do not correct the failure within thirty (30) days after we deliver written notice of the failure to you;
- (21) you or your owners make or attempt to make any transfer in violation of Section XVIII.

B. In addition to, and without limiting, our other rights and remedies under this Agreement, any other agreement or applicable law, upon the occurrence of any event giving rise to our right to terminate this Agreement under the preceding Section XVI.A, we may instead elect, at our sole option and upon providing you written notice, to take any or all of the following actions without terminating this Agreement:

- (1) temporarily or permanently reduce the size of the Designated Area, in which case the restrictions on us or our affiliates under Section I.C above will not apply in any geographic area removed from the preceding territorial boundaries;
- (2) temporarily remove information concerning your Franchised Business from any Website or extranet operated for the network of NPI Franchised Businesses, and/or restrict your or your Franchised Business's participation in other programs or benefits offered on or through any such Website or extranet;
- (3) require you to engage a third party accounting firm we approve to conform to the bookkeeping, accounting, reporting and recordkeeping system requirements and formats we prescribe;
- (4) require you to pay us \$500 for each day the condition giving rise to our right to terminate continues to exist to help offset our increased administrative expenses associated with your failure to comply with the terms of this Agreement;

- (5) suspend you and your Franchised Business's right to participate in any advertising, marketing, promotional, or public relations programs that we or the Fund provide, authorize, or administer; or
- (6) assume, or appoint a third party to assume, management of your Franchised Business in the manner provided in Section XVI.D below.

C. Any default or breach by you (or any of your owners), or your affiliate (or any of your owner's affiliates) of any other agreement with us or our affiliate will be considered an event of default under this Agreement, and any default or breach by you (or any of your owners) of this Agreement will be considered an event of default or breach by you under any and all agreements between us or our affiliate and you (or any of your owners), or your affiliate (or any of your owner's affiliates). If the nature of the default under any other agreement would have been considered an event of default under this Agreement, then we, or our affiliate, will have the right to terminate all other agreements between us or our affiliate and you (or any of your owners), or your affiliate (or any of your owner's affiliates) in accordance with the termination provisions of this Agreement.

D. We have the right (but not the obligation), under the circumstances described below, to assume management of your Franchised Business (or to appoint a third party to assume its management) for any period of time we deem appropriate. If we (or a third party) assume the management of your Franchised Business under subparagraphs (1) and (2) below, you agree to pay us (in addition to the royalties, Fund contributions, Software Fee (as applicable) and other amounts due under this Agreement) \$500 per day, plus our (or the third party's) direct out-of-pocket costs and expenses. If we (or a third party) assume management of your Franchised Business, you acknowledge that we (or the third party) will have a duty to utilize only reasonable efforts and will not be liable to you or your owners for any debts, losses, or obligations your Franchised Business incurs, or to any of your creditors for any supplies, products, or other assets or services your Franchised Business purchases, while we (or the third party) manage it. We (or a third party) may assume management of your Franchised Business under the following circumstances: (1) if you abandon or fail actively to operate your Franchised Business; (2) if you fail to comply with any provision of this Agreement or any System standard and do not cure the failure within the time period we specify in our notice to you; or (3) if this Agreement expires or is terminated and we are deciding whether to exercise our option to purchase your Franchised Business under Section XVII below. Any exercise of our rights under subparagraphs (1) or (2) above in this Section XVI.D will not affect our right to terminate this Agreement under Section XVI.A above.

XVII RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION

A. Upon termination or expiration of this Agreement, you shall immediately cease to be a licensed Franchised Business and:

- (1) You must immediately upon termination or expiration of this Agreement, and on any later date that we determine the amounts due to us, pay us all royalties, Fund contributions, Software Fees (as applicable), interest, and all other amounts owed to us (and/or our affiliates) which then are unpaid. Additionally, if this Agreement is terminated before its Initial Term or Renewal Term (as applicable) expires pursuant to Section XVI above, due to your default, then you must also pay us liquidated damages, and not a penalty. You acknowledge and agree that the damages we will sustain as a result of such early termination will be difficult to determine with certainty at the time of termination, and that the following formula is a reasonable pre-estimate of those damages. The liquidated damages will be determined by multiplying the lesser of: (i) thirty-six (36), or (ii) the number of

full months remaining in the term of this Agreement, by the combined monthly average of royalty fees and Fund contributions owed by you to us, without regard to any fee waivers or other reductions, from the date you opened your NPI Franchised Business through the effective date of termination; provided, however, that the monthly amount used in this calculation will not be less than Five Hundred Dollars (\$500). You further acknowledge and agree that your obligation to pay these liquidated damages resulting from early termination shall be in addition to, and not in lieu of, your obligation to pay all other amounts due as of the effective date of termination under this Agreement, including under this Subsection A(1), and to otherwise comply with Section XVII hereof.

- (2) You must immediately cease to use, by advertising or in any manner, the Marks, the Confidential Manuals or any other form, manuals, slogans, signs, marks, symbols, or devices used in connection with the operation of a NPI Franchised Business. You must not represent or advertise that you or we were formerly parties to this Agreement or that you did business under the Marks.
- (3) You must take such action, at your expense, as will be necessary to cancel any assumed name or equivalent registration which contains the name "National Property Inspections" or other Mark and you must furnish us with evidence satisfactory to us of compliance with this obligation within 10 days after termination or expiration of this Agreement.
- (4) You must immediately cease using any of our Confidential Information (including computer software or similar technology and digital passwords and identifications that we have licensed to you or that otherwise are proprietary to us or the System) in any business or otherwise.
- (5) You agree to notify within five (5) days after termination or expiration of this Agreement the telephone company and all telephone directory publishers of the termination or expiration of your right to use any telephone, facsimile, or other numbers and telephone directory listings associated with any Mark; to authorize the transfer of these numbers and directory listings to us or at our direction; and/or to instruct the telephone company to forward all calls made to your numbers to numbers we specify. If you fail to do so, we may take whatever action and sign whatever documents we deem appropriate on your behalf to effect these events.
- (6) You must immediately deliver to us the following (to the extent permissible under applicable law): (a) all training or other manuals furnished to you (including the Confidential Manuals and any supplements to the Confidential Manuals); (b) computer software and database material (including all user identification information and passwords to access files stored on the Computer System); (c) all Personal Information including client lists, records and files; (d) documents, instructions, display items, advertising and promotional material; (e) any and all materials, signs and related items which bear our Marks or slogans and insignias and designs; (f) advertising contracts; and (g) forms and other materials or property of ours, and any copies of them in your possession which relate to the operation of your Franchised Business, or generated or otherwise maintained by your Franchised Business. You may retain no copy or record of any of these items, except for your copy of this Agreement, any correspondence between the parties and any other documents which you reasonably need for compliance with any

provision of law. You agree that the foregoing items, materials, Personal Information, client lists, files, software and other similar items will be considered to be our property for all purposes, to the extent permissible under applicable law.

B. No right or remedy conferred upon or reserved by us is exclusive of any other right or remedy at law or in equity provided or permitted, but each will be cumulative of every other right or remedy given.

C. You shall maintain insurance coverage, with the limits set forth in this Franchise Agreement or later prescribed by us in accordance with our rights under Section XIV, for a minimum period of one (1) year from the date of termination or expiration of this Agreement naming us as an additional insured.

D. All of our and your (and your owners') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

E. Upon termination of this Agreement, or upon expiration of this Agreement without renewal, we shall have the right and option, but not the obligation, to purchase the equipment, and other assets of your Franchised Business at a purchase price equal to its then-current book value determined using the straight-line method of depreciation. If we elect to exercise this option, we will deliver written notice to you of our election within thirty (30) days after the date of termination or expiration of this Agreement. We will have the right to inspect the equipment and other assets at any time during this thirty (30) day period. If we elect to purchase the equipment and/or other assets, we will be entitled to, and you must provide, all customary warranties and representations relating to the equipment and other assets to be purchased, including, without limitation, representations and warranties as to the maintenance, function and condition of the equipment and other assets and your good title to those items (including that you own each item free and clear of any liens and encumbrances), the validity of contracts and agreements, and the liabilities affecting the equipment, furnishings, and accessories, contingent or otherwise. You and your owners further agree to execute general releases, in a form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns. You shall deliver the equipment to us within fifteen (15) days of receipt of our written notice to you of our election to purchase. We may set off against the purchase price any and all amounts you then owe to us, if applicable.

XVIII TRANSFERABILITY OF INTEREST

A. **Our Right to Transfer.** You acknowledge that we maintain a staff to manage and operate the System and that staff members can change as employees come and go. You represent that you have not signed this Agreement in reliance on any particular shareholder, director, officer, member or employee remaining with us in that capacity. We may change our ownership or form and/or assign this Agreement and any other agreement to a third party without restriction or notice to you. After our assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, we no longer will have any performance or other obligations under this Agreement.

B. **Your Right to Transfer.** You understand and acknowledge that the rights and duties this Agreement creates are personal to you (or, if you are an entity, to your owners) and that we have granted you the right to operate your Franchised Business in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, none of the following may be transferred without our prior written approval: (i) this Agreement (or any interest in this Agreement); (ii) your Franchised Business (or any right to receive all or a portion of your Franchised Business' profits or losses or capital appreciation related to your Franchised

Business); (iii) substantially all of the assets of your Franchised Business; (iv) any ownership interest in you (regardless of its size); or (v) any ownership interest in any of your owners (if such owners are entities). A transfer of your Franchised Business' ownership, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer" includes a voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition. An assignment, sale, gift, or other disposition includes the following events:

- (1) transfer of ownership of capital stock, a partnership or membership interest, or another form of ownership interest;
- (2) merger or consolidation or issuance of additional securities or other forms of ownership interest;
- (3) any sale of a security convertible to an ownership interest;
- (4) transfer of an interest in you, this Agreement, your Franchised Business or substantially all of its assets, or your owners in a divorce, insolvency, or entity dissolution proceeding or otherwise by operation of law;
- (5) if you, one of your owners, or an owner of one of your owners dies, a transfer of an interest in you, this Agreement, your Franchised Business or substantially all of its assets, or your owner by will, declaration of or transfer in trust, or under the laws of intestate succession; or
- (6) pledge of this Agreement (to someone other than us) or of an ownership interest in you or your owners as security, or foreclosure upon your Franchised Business. You may grant a security interest (including a purchase money security interest) in your Franchised Business' assets (not including this Agreement) to a lender that finances your acquisition, development, and/or operation of your Franchised Business without having to obtain our prior written approval as long as you give us ten (10) days' prior written notice.

C. Conditions to Transfer. If you (and your owners) are fully complying with this Agreement, then, subject to the other provisions of this Section XVIII, we will approve a transfer that meets all of the requirements in this Section. If you are an entity, your owners may transfer a non-controlling ownership interest in you or your owners (determined as of the date on which the proposed transfer will occur) if: (i) the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character and otherwise meet our then applicable standards for NPI Franchised Business franchise owners (including no ownership interest in or performance of services for a Competitive Business); (ii) you give us prior written notice of the transfer and later provide us final documentation of the consummated transfer; and (iii) you reimburse us, upon our demand at any time, for any costs we incur in connection with the proposed transfer (regardless of whether the proposed transfer actually transpires).

For any other proposed transfer (including a transfer of this Agreement, a transfer of a controlling ownership interest in you or one of your owners, or a transfer that is one of a series of transfers (regardless of the time period over which these transfers take place) which in the aggregate transfer this Agreement or a controlling ownership interest in you or one of your owners) all of the following conditions must be met before or concurrently with the effective date of the transfer:

(1) the transferee has sufficient business experience, aptitude, education, record of compliance with applicable laws, and financial resources to operate your Franchised Business;

(2) you have paid all royalties, Fund contributions, Software Fees (as applicable) and other amounts owed to us, our affiliates, and third party vendors; have submitted all required reports and statements; and have not violated any provision of this Agreement or any other agreement with us during both the sixty (60) day period before you requested our consent to the transfer and the period between your request and the effective date of the transfer;

(3) neither the transferee nor its owners (if the transferee is an entity) or affiliates have an ownership interest (direct or indirect) in or perform services for a Competitive Business;

(4) the transferee (or its managing owner) satisfactorily completes our training program;

(5) the transferee shall (if the transfer is of this Agreement), or you shall (if the transfer is of a controlling ownership interest in you or one of your owners), sign our then current form of franchise agreement and related documents (including, without limitation, our then current form of Guaranty and Assumption of Obligations, if applicable), any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the royalty, the Fund contributions and the Software Fees (as applicable), provided, however, that the execution of the new franchise agreement will terminate this Agreement (except for your guarantees, the post-termination obligations under this Agreement, and all other rights and obligations that survive termination or expiration of this Agreement), and the term of the new franchise agreement signed will expire on the expiration of this Agreement, unless we and the transferee otherwise agree in writing;

(6) you or the transferee pays us a transfer fee equal to \$4,500, plus our administrative costs and expenses, and an additional amount equal to 5% of the purchase price paid for your Franchised Business;

(7) you (and your transferring owners) sign a general release, in a form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, members, employees, and agents;

(8) we have determined that the purchase price and payment terms will not adversely affect the transferee's operation of your Franchised Business;

(9) if you or your owners finance any part of the purchase price, you and/or your owners agree that all of the transferee's obligations under promissory notes, agreements, or security interests reserved in your Franchised Business are subordinate to the transferee's obligation to pay royalties, Fund contributions, and other amounts due to us, our affiliates, and third party vendors and otherwise to comply with this Agreement;

(10) you and your transferring owners (and your and your owners' spouses) will not, for 2 years beginning on the transfer's effective date, engage in any of the activities proscribed in Section XV; and

(11) you and your transferring owners will not directly or indirectly at any time or in any manner (except with respect to other NPI Franchised Businesses you own and operate) identify yourself or themselves or any business as a current or former NPI Franchised Business or as one of

our franchise owners; use any Mark, any colorable imitation of a Mark, or other indicia of a NPI Franchised Business in any manner or for any purpose; or utilize for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection or association with us.

We may review all information regarding your Franchised Business that you give the transferee, correct any information that we believe is inaccurate, and give the transferee copies of any reports that you have given us or we have made regarding your Franchised Business.

D. Transfer to a Wholly-Owned Corporation or Limited Liability Company. Despite Section XVIII.C above, if you are fully complying with this Agreement, you may transfer this Agreement to a corporation or limited liability company which conducts no business other than your Franchised Business and, if applicable, other NPI Franchised Businesses, in which you maintain management control, and of which you own and control 100% of the equity and voting power of all issued and outstanding ownership interests, provided that all of your Franchised Business' assets are owned, and your Franchised Business' business is conducted, only by that single corporation or limited liability company. The corporation or limited liability company must expressly assume all of your obligations under this Agreement. Transfers of ownership interests in the corporation or limited liability company are subject to the conditions of Section XVIII.C above that otherwise apply to non-controlling transfers. You agree to remain personally liable under this Agreement as if the transfer to the corporation or limited liability company did not occur.

XIX DEATH OR INCAPACITY OF FRANCHISEE

A. In the event of your death or incapacity, or if you are an entity, the death or incapacity of any owner owning 50% or more of your capital stock or interests, the heirs, beneficiaries, devisees, or legal representatives of said individual, partner or shareholder, together with all surviving or remaining partners or shareholders, must within one hundred and eighty (180) days of such event:

- (1) Apply to us for the right to continue to operate your Franchised Business for the duration of the Term, which right will be granted upon the fulfillment of all of the conditions set forth in Section XVIII.C of this Agreement, except that no transfer fee will be required; or
- (2) Sell, assign, transfer, or convey your interest in compliance with the provisions of Section XVIII.C. of this Agreement; provided, however, that in the event of a proper and timely application for the right to continue to operate has been made and rejected, the one hundred and eighty (180) days to sell, assign, transfer or convey will be computed from the date of the rejection.

B. In the event of your death or incapacity, or if you are an entity, the death or incapacity of any owner owning 50% or more of your capital stock or interests, where the provisions of Section XIX have not been fulfilled within the time provided, all rights licensed to you under this Agreement will, at our option terminate and automatically revert to us.

XX RIGHT OF FIRST REFUSAL

If at any time during the Term, you receive a bona fide offer to purchase (i) your Franchised Business, (ii) the assets of your Franchised Business, or (iii) an ownership interest (whether direct or indirect) in your Franchised Business (collectively an "Interest"), which offer you are willing to accept, you must communicate to us in writing the full terms of the offer and the name of the offeror. We may require

you (or your owners) to send us copies of any materials or information sent to the proposed buyer or transferee regarding the possible transaction. To be a valid, bona fide offer, the proposed purchase price must be in a dollar amount, and the proposed buyer must submit with its offer an earnest money deposit equal to 5% or more of the offering price.

We may elect to purchase the offered Interest on the terms as contained in the offer, and if we so elect, we will give to you a written notice of such election within thirty (30) days after receipt of your communication of offer to us and our receipt of all materials and information we reasonably request regarding the possible transaction, provided that (i) we may substitute cash for any form of payment proposed in the offer (such as ownership interests in a privately-held company); and (ii) our credit will be deemed equal to the credit of any proposed buyer (meaning that, if the proposed consideration includes promissory notes, we or our designee may provide promissory notes with the same terms as those offered by the proposed buyer). If we fail to give such written notice of election within the thirty (30) days, you may sell to the offeror on the terms offered, subject to the provisions relating to transferability as set forth in Section XVIII. If we elect to purchase, that purchase must be completed within one hundred and twenty (120) days from the date of our notice of election to purchase. We must receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the ownership interests in a legal entity, as applicable, including, without limitation, representations and warranties regarding: (a) ownership and condition of and title to ownership interests and/or assets; (b) liens and encumbrances relating to ownership interests and/or assets; and (c) validity of contracts and the liabilities, contingent or otherwise, of the entity whose assets or ownership interests are being purchased.

XXI OPERATION IN THE EVENT OF ABSENCE, DISABILITY OR DEATH

In order to prevent any interruption of your Franchised Business which would cause harm to your Franchised Business and thereby depreciate the value, you authorize us, in the event that you are absent or incapacitated by reason of illness or death or in the absence of a National Property Inspections-trained manager, and therefore, are not able to operate your Franchised Business, and your physician or legal representative concurs with this determination, to operate your Franchised Business for so long as we deem necessary and practical, and without waiver of any other rights or remedies we may have under this Agreement.

Nevertheless, we will not manage the daily operations of your Franchised Business for more than 90 days at a time, renewable as necessary for up to one year, and we will periodically discuss with you, or your legal representative, the status of your Franchised Business.

We will not charge a management fee for operation of your Franchised Business under the provisions of this Section XXI except for the following: any revenues generated from your Franchised Business during this period will be kept in a separate account and the expenses of your Franchised Business, including reasonable compensation and expenses for our representative, will be charged to said account. If we temporarily operate for you your Franchised Business, you agree to indemnify and hold us and any of our representatives harmless pursuant to your indemnification obligations under Section XXIII.

XXII RESOLUTION OF DISPUTES

We and you agree that all controversies, disputes, or claims between us and our affiliates, and our and their respective shareholders, officers, directors, agents, and/or employees, and you (and/or your owners, guarantors, affiliates, and/or employees) arising out of or related to:

(1) this Agreement or any other agreement between you and us or your or our respective affiliates;

(2) our relationship with you;

(3) the scope and validity of this Agreement or any other agreement between you and us or any provision of such agreements (including the validity and scope of the arbitration obligations under this Section XXII, which the parties acknowledge is to be determined by an arbitrator and not a court); or

(4) any requirement of the System or the Confidential Manuals;

must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Section XXII otherwise provides, according to the then current commercial arbitration rules of the American Arbitration Association. All proceedings will be conducted at a suitable location chosen by the arbitrator in the city in which our then current principal business address is located (currently, Omaha, Nebraska). All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Except as expressly provided otherwise in the remainder of this Section XXII, judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Section XXXII below, award any punitive or exemplary damages against either party (we and you hereby waiving to the fullest extent permitted by law, except as expressly provided in Section XXXII, any right to or claim for any punitive or exemplary damages against the other). All aspects of the arbitration, including statements made and documents produced within the arbitration, will be confidential in nature and will not be admissible in any subsequent legal proceeding.

Except as expressly limited by Section XXXIII below, we and you agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us. We reserve the right, but have no obligation, to advance your share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so will not be deemed to have waived or relinquished our right to seek the recovery of those costs in accordance with Section XXVI.

We and you agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between us and our affiliates, and our and their respective shareholders, members, officers, directors, agents, and/or employees, and you (and/or your owners, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between us and any other person. Notwithstanding the foregoing or anything to the contrary in this Section XXII or Section XXVIII, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section XXII, then the parties agree that this arbitration clause shall not apply to that dispute and that such dispute will be resolved in a judicial proceeding in accordance with Section XXXI.

Except as expressly provided otherwise in this Agreement, despite our and your agreement to arbitrate, we and you each have the right in a proper case to seek temporary restraining orders and temporary

or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you must contemporaneously submit our dispute for arbitration on the merits as provided in this Section XXII.

The provisions of this Section XXII are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

XXIII INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. Independent Contractor. You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that you and we are and will be independent contractors, and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner, or employee of the other for any purpose. You agree to identify yourself conspicuously in all dealings with clients, suppliers, public officials, Franchised Business personnel, and others as your Franchised Business' owner under a franchise we have granted and to place notices of independent ownership on the forms, business cards, stationery, advertising, and other materials we require at any time and from time to time.

None of your employees or other personnel will be considered to be our employees or personnel. Neither you nor any of your employees or personnel whose compensation you pay may in any way, directly or indirectly, expressly or by implication, be construed to be our employee or personnel for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state, provincial, or federal governmental agency. We will not have the power to hire or fire your employees or personnel. You expressly agree, and will never contend otherwise, that our authority under this Agreement to certify certain of your employees or personnel for qualification to perform certain functions for your Franchised Business does not directly or indirectly vest in us the power to hire, fire or control any such employee. You acknowledge and agree, and will never contend otherwise, that you alone will exercise day-to-day control over all operations, activities and elements of your Franchised Business and that under no circumstance shall we do so or be deemed to do so. You further acknowledge and agree, and will never contend otherwise, that the various requirements, restrictions, prohibitions, specifications and procedures of the System which you are required to comply with under this Agreement, whether set forth in the Confidential Manuals or otherwise, do not directly or indirectly constitute, suggest, infer or imply that we control any aspect or element of the day-to-day operations of your Franchised Business, which you alone control, but only constitute standards you must adhere to when exercising your control of the day-to-day operations of your Franchised Business.

B. Indemnification. You agree to indemnify, defend, and hold harmless us, our affiliates, and our and their respective shareholders, members, directors, officers, employees, agents, successors, and assignees (the "Indemnified Parties") against, and to reimburse any one or more of the Indemnified Parties for, all claims, obligations, and damages directly or indirectly arising out of your Franchised Business' operation, employment matters in connection with your Franchised Business, the business you conduct under this Agreement, or your breach of this Agreement, including, without limitation, those alleged to be or found to have been caused by the Indemnified Party's negligence, unless (and then only to the extent that) the claims, obligations, or damages are determined to be caused solely by our gross negligence or willful misconduct in a final, unappealable ruling issued by a court with competent jurisdiction. You agree to give us and the Indemnified Parties written notice of any action, suit, proceeding, claim, demand, inquiry or investigation that could be the basis for a claim for indemnification by any of the Indemnified Parties within three (3) days of your actual or constructive knowledge of it. The Indemnified Parties shall have the right, in their sole discretion, to: (i) retain counsel of their own choosing to represent them with respect to any claim; and (ii) control the response thereto and the defense thereof, including the right to enter into

settlements or take any other remedial, corrective, or other actions. You agree to give your full cooperation to the Indemnified Parties in assisting the Indemnified Parties with the defense of any such claim, and to reimburse the Indemnified Parties for all of their costs and expenses in defending any such claim, including court costs and reasonable attorneys' fees, within ten (10) days of the date of each invoice delivered by the Indemnified Parties to you enumerating such costs, expenses and attorneys' fees.

For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, or otherwise), and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced.

This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its or their losses and expenses, in order to maintain and recover from third parties fully a claim against you under this subparagraph. You agree that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this subparagraph. Your or any of the other Indemnified Parties' undertaking of defense and/or settlement will in no way diminish your obligation to indemnify us and the other Indemnified Parties and to hold us and any of the Indemnified Parties harmless.

XXIV NON-WAIVER

No failure of ours to exercise any power reserved to us, or to insist upon strict compliance by you with any obligation or condition, and no custom or practice of the parties in variance with the terms will constitute a waiver of our right to demand exact compliance with the terms. Waiver by us of any particular default by you will not affect or impair our right in respect to any subsequent default of the same or of a different nature; nor will any delay, waiver, forbearance or omission by us to exercise any power or rights arising out of any breach or default by you of any of the terms, provisions, or covenants, affect or impair our rights nor will such constitute a waiver by us of any right hereunder or of the right to declare any subsequent breach or default. Subsequent acceptance by us of the payments due to us will not be deemed to be a waiver by us of any preceding breach by you of any terms, covenants or conditions of this Agreement.

XXV NOTICE

Any and all notices, reports, and payments permitted or required to be delivered by this Agreement or the Confidential Manuals will be deemed to be delivered (i) at the time delivered by hand; (ii) at the time delivered by computer transmission and, in the case of a royalty payment, Fund Contribution, Software Fee (as applicable) and other amounts due, at the time we actually receive the payment via EDTA; (iii) one (1) business day after transmission by other electronic system if the sender has confirmation of successful transmission; (iv) one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery; or (v) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid. Notices shall be sent to the following addresses:

XXVI LIABILITY FOR BREACH

In the event of any default on the part of either party, in addition to any other remedies of the aggrieved party, the party in default will pay to the aggrieved party all amounts due and all damages, costs and expenses, including reasonable attorney's fees, incurred by the aggrieved party as a result of any such default.

XXVII ENTIRE AGREEMENT

This Agreement, the attached Exhibits, and the documents referred to including the Non-Competition and Non-Disclosure Agreements, will be construed together and constitute the entire, full and complete agreement between you and us concerning the subject matter, and supersede all prior agreements, no other representations have induced you to execute this Agreement, and there are no representations, inducements, promises, or agreement, oral or otherwise, between the parties not embodied within, which are of any force or effect with reference to this Agreement or otherwise. No amendment, change or variance from this Agreement will be binding on either party unless executed in writing. Nothing in this or any related agreement is intended to disclaim the express representations made in the Franchise Disclosure Document.

XXVIII SEVERABILITY AND CONSTRUCTION

A. Each section, part, term and/or provision of this Agreement will be considered severable, and if, for any reason, any section, part, term and/or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such will not impair the operation of or affect the remaining portions, sections, parts, terms and/or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties; and said sections, parts, terms and/or provisions will be deemed not to be a part of this Agreement; provided, however, that if we determine that said finding of illegality adversely affects the basic consideration of this Agreement, we may, at our option, terminate this Agreement.

B. Anything to the contrary notwithstanding, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than us and you and our respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

C. You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. All captions are intended solely for the convenience of the parties, and none will be deemed to affect the meaning or construction of any provision.

XXIX APPLICABLE LAW

ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT

GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE, AND ALL CLAIMS ARISING FROM THE RELATIONSHIP BETWEEN US AND YOU WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEBRASKA, WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES, EXCEPT THAT ANY NEBRASKA LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP OF A FRANCHISOR AND ITS FRANCHISEE WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SECTION XXIX.

XXX EQUITABLE RELIEF

Nothing contained within this Agreement will bar the right of either party to obtain injunctive relief against threatened conduct that will cause loss or damages under the usual equity rules, including the applicable rules for obtaining preliminary injunctions, provided an appropriate bond against damages be provided.

XXXI CONSENT TO JURISDICTION

SUBJECT TO THE PROVISIONS BELOW, YOU AND YOUR OWNERS AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN YOU AND US, WHETHER SOUNDING IN LAW OR EQUITY, MUST BE INSTITUTED, LITIGATED THROUGH CONCLUSION AND, IF NECESSARY, APPEALED THROUGH FINAL, IRREVOCABLE JUDGMENT IN A STATE OR FEDERAL DISTRICT COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND JUDICIAL DISTRICT IN WHICH OUR PRINCIPAL PLACE OF BUSINESS IS THEN LOCATED (CURRENTLY, OMAHA, NEBRASKA), AND YOU (AND EACH OWNER) IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION YOU (OR THE OWNER) MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. YOU AGREE THAT ANY DISPUTE AS TO THE VENUE FOR LITIGATION WILL BE SUBMITTED TO AND RESOLVED EXCLUSIVELY BY SUCH AFOREMENTIONED COURT. NONETHELESS, YOU AND YOUR OWNERS AGREE THAT WE MAY ENFORCE THIS AGREEMENT IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR YOUR FRANCHISED BUSINESS IS LOCATED.

XXXII WAIVER OF PUNITIVE DAMAGES AND JURY TRIAL

EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION XXIII.B, AND EXCEPT FOR PUNITIVE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS. TO THE FULLEST EXTENT PERMITTED BY LAW, WE AND YOU (AND YOUR OWNERS) ALSO KNOWINGLY, VOLUNTARILY, AND IRREVOCABLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE FRANCHISE, OR THE RELATIONSHIP BETWEEN US AND YOU.

XXXIII LIMITATION OF CLAIMS

EXCEPT FOR CLAIMS ARISING FROM YOUR NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS YOU OWE US, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR OUR RELATIONSHIP WITH YOU WILL BE BARRED UNLESS A JUDICIAL PROCEEDING IS COMMENCED WITHIN EIGHTEEN (18) MONTHS FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

XXXIV LIMITED LIABILITY FOR OUR RELATED PARTIES

You agree that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, owner, Entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of ours or our affiliates will have any liability for (i) any of our obligations or liabilities relating to or arising from this Agreement; (ii) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (iii) any claim against us or our affiliates based on any alleged unlawful act or omission of ours or our affiliates, as applicable.

XXXV COVENANT OF GOOD FAITH

If applicable law implies a covenant of good faith and fair dealing in this Agreement, the parties hereto agree that the covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement. Additionally, if applicable law will imply the covenant, you agree that: (i) this Agreement (and the relationship of the parties hereto that is inherent in this Agreement) grants us the judgment to make decisions, take actions and/or refrain from taking actions not inconsistent with our explicit rights and obligations under this Agreement that may favorably or adversely affect your interests; (ii) any judgment we exercise will be based on our assessment of our own interests and balancing those interests against the interests of our franchise owners generally, and specifically without considering your individual interests or the individual interests of any other particular franchise owner; (iii) we will have no liability to you for the exercise of our judgment in this manner, so long as the judgment is not exercised in bad faith; and (iv) in the absence of bad faith, no trier of fact in any arbitration or litigation will substitute its judgment for our judgment so exercised.

XXXVI MULTIPLE FORMS OF AGREEMENT

You acknowledge and agree that there may be more than one form of franchise agreement in effect between us and our various NPI Franchised Business franchise owners; those other agreements may contain provisions that may be materially different from the provisions contained in this Agreement; and you are not entitled to rely on any provision of any other agreement with other NPI Franchised Business franchise owners whether to establish course of dealing, waiver, or estoppel, or for any other purpose.

XXXVII COMPLIANCE WITH ANTI-TERRORISM AND OTHER LAWS

You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with all applicable legislation, laws, regulations, rules, ordinances, administrative orders, decrees and policies of any court, arbiter, government, governmental agency, department, or similar organization that are in effect from time to time pertaining to: (a) the various anti-terrorism, economic sanctions, and anti-money laundering and narco-trafficking laws, regulations, orders, decrees and guidelines of the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC"), (b) the USA PATRIOT Act (Title III of Pub. L. 107-56, signed into law October 26, 2001), as amended, (c) the provisions of United States Executive Order 13224, (d) the U.S. Prevention of Corruption Act 1988, (e) the

U. S. Foreign Corrupt Practices Act, 15 U.S.C. Section 78dd-2, (f) relevant multilateral measures such as the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions and the UN Convention Against Corruption, (g) bribery and anti-corruption laws, (h) the laws against money laundering, and (i) the laws against facilitating or supporting persons who conspire to commit these and other crimes against any person or government. You immediately shall notify us in writing if a potential violation of any of the foregoing legislation, laws, regulations, rules, ordinances, administrative orders, decrees and/or policies has occurred or is suspected to have occurred. You immediately shall provide us with copies of any communication to or from any such agency, government, or commission that relates to or affects this Agreement, your Franchised Business, or the Marks. Any failure to comply with this Section by you or your owners, or any blocking of your or your owners' assets under any of such laws, legislation, regulations, orders, decrees and/or policies shall constitute good cause for immediate termination of this Agreement, as provided in Section XVI above.

XXXVIII ELECTRONIC MAIL

You acknowledge and agree that exchanging information with us by e-mail is efficient and desirable for day-to-day communications and that we and you may utilize e-mail for such communications. You authorize the transmission of e-mail by us and our employees, vendors, and affiliates ("Official Senders") to you during the Term.

You further agree that: (a) Official Senders are authorized to send e-mails to those of your employees as you may occasionally authorize for the purpose of communicating with us; (b) you will cause your officers, directors, and employees to give their consent to Official Senders' transmission of e-mails to them; (c) you will require such persons not to opt out or otherwise ask to no longer receive e-mails from Official Senders during the time that such person works for or is affiliated with you; and (d) you will not opt out or otherwise ask to no longer receive e-mails from Official Senders during the Term.

The consent given in this Section XXXVIII shall not apply to the provision of notices by either party under this Agreement pursuant to Section XXV using e-mail unless the parties otherwise agree in a written document manually signed by both parties.

XXXIX ELECTRONIC SIGNATURES

The counterparts of this Agreement and all ancillary documents executed or delivered in connection with this Agreement may be executed and signed by electronic signature by any of the parties to this Agreement, and delivered by electronic or digital communications to any other party to this Agreement, and the receiving party may rely on the receipt of such document so executed and delivered by electronic or digital communications signed by electronic signature as if the original has been received. For the purposes of this Agreement, electronic signature means, without limitation, an electronic act or acknowledgement (e.g., clicking an "I Accept" or similar button), sound, symbol (digitized signature block), or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed, sealed and delivered this Agreement in duplicate the day and year first above written.

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____ day of ____, 20 ____

By (list each guarantor):

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the "Agreement") on this date by NATIONAL PROPERTY INSPECTIONS, INC. ("us," "we," or "our"), each of the undersigned personally and unconditionally (a) guarantees to us and our successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement (including any amendments or modifications of the Agreement) and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (including any amendments or modifications of the Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including the non-competition, confidentiality, and transfer requirements.

Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon our pursuit of any remedies against Franchisee or any other person; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which we may at any time and from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or its owners, and for so long as we have any cause of action against Franchisee or its owners; and (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement and despite the transfer of any interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty; and (ii) acceptance and notice of acceptance by us of his or her undertakings under this Guaranty, notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices to which he or she may be entitled.

If we are required to enforce this Guaranty in a judicial proceeding, and prevail in such proceeding, we shall be entitled to reimbursement of our costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If we are required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse us for any of the above-listed costs and expenses we incur.

Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between us and the undersigned, must be instituted, litigated through conclusion and, if necessary, appealed through final, irrevocable judgment exclusively in a state or federal district court of competent jurisdiction in the state, county and judicial district in which our principal place of business is then located (currently, Omaha, Nebraska), and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. Each of the undersigned agrees that any dispute as to the aforementioned venue will be submitted to and resolved exclusively by such aforementioned court. Nonetheless, each of the undersigned agrees that we may enforce this Guaranty in the courts of the state or states in which he or she is domiciled.

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

Independent Auditor's Report

Board of Directors
National Property Inspections, Inc.
Omaha, Nebraska

Opinion

We have audited the financial statements of National Property Inspections, Inc. (the Company), which comprise the balance sheets as of December 31, 2025, December 31, 2024 and March 31, 2024, and the related statements of operations, changes in stockholder's equity, and cash flows for the periods from January 1, 2025 to December 31, 2025, April 1, 2024 to December 31, 2024, and April 1, 2023 to March 31, 2024, and the related notes to the financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025, December 31, 2024 and March 31, 2024, and the results of its operations and its cash flows for the periods from January 1, 2025 to December 31, 2025, April 1, 2024 to December 31, 2024, and April 1, 2023 to March 31, 2024, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on March 31, 2024 Financial Statements

The financial statements of the Company for the period April 1, 2023 to March 31, 2024 were audited by another auditor who expressed an unmodified opinion on those statements on June 26, 2024.

Note 1—Summary of Significant Accounting Policies

Nature of Operations

National Property Inspections, Inc. (the Company) is engaged in the sale of franchises in the property inspection industry. The Company sells franchises to home inspection operators in the United States and Canada. Each franchisee has its own specific territory. As part of the franchise agreement, the Company provides training, a computer, inspection equipment and supplies.

In February 2024, the Company's stockholder was acquired. The Company has chosen to not apply pushdown accounting as a result of the acquisition.

Basis of Accounting

The Company prepares its financial statements on the accrual basis under accounting principles generally accepted in the United States of America (U.S. GAAP).

Change in Accounting Policy

During the period ended December 31, 2024, the Company changed its fiscal year-end month from March to December. To accommodate this change, the fiscal year ending December 31, 2024 represents a nine-month period of April 1, 2024 through December 31, 2024.

Cash and Cash Equivalents

The Company considers all short-term securities with a maturity of three months or less to be cash equivalents. Cash is maintained in bank deposit accounts which, at times, may exceed federally insured limits. To date, there have been no losses in such accounts.

Accounts Receivable

The Company grants credit to its franchisees and customers. Accounts receivable are reported at the amount of principal outstanding. Accounts receivable are considered past due after 30 days. The Company does not accrue interest on past due receivables. The Company determines its reserve for credit losses by considering several factors including the length of time accounts receivable are past due, the Company's previous loss history, the franchisee's and customer's ability to pay its obligation to the Company and the general economy and industry. Accounts receivable are written off as bad debts after all collection efforts have been exhausted and the account is deemed uncollectible. Since subsequent payment from franchisees and customers is fully anticipated, no reserve for credit losses has been established.

Inventories

Inventories are valued at lower of cost or net realizable value as determined by the first-in, first-out method.

National Property Inspections, Inc.

Note 1—Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are carried at cost. Depreciation is provided using straight-line methods over 3 to 10 year lives. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the respective accounts, and any resulting gain or loss on disposition is reflected in operations. Repairs and maintenance are expensed as incurred; expenditures for additions, improvements and replacements are capitalized.

All property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell.

Software with a net book value of approximately \$283,000 was abandoned during the period ended March 31, 2024 and is included in the impairment loss on the statements of operations.

Software in Development

Software in development is carried at cost. It is tracked separately until it is placed into service at which time it begins to be depreciated. Approximately \$85,000 of software in development was abandoned during the period ended March 31, 2024 and is included in the impairment loss on the statements of operations.

Leases

The Company classifies leases as either operating or finance leases at the commencement date of the lease. A lease is classified as a finance lease if any of the five criteria are met: (1) ownership transfers at the end of the lease term, (2) there is an option to purchase the underlying assets and the lessee is reasonably certain to exercise the option, (3) the term of the lease is for a major part of the remaining economic life of the underlying assets, (4) the present value of the sum of the lease payments and any residual value guaranteed by the lessee equals or exceeds substantially all of the fair value of the underlying assets or (5) the underlying assets are of such a specialized nature that they are expected to have no alternative use to the lessor at the end of the lease term. Leases that do not meet any of the five criteria above for a finance lease are classified as operating leases.

The Company recognizes a right-of-use (ROU) asset and lease liability for each operating and finance lease with a term greater than 12 months at the time of lease inception. The Company does not record a ROU asset or lease liability for leases with an initial term of 12 months or less but continues to record rent expense on a straight-line basis over the lease term. Options to extend or terminate at the sole discretion of the Company are included in the determination of lease term when they are reasonably certain to be exercised. The lease liability represents the present value of future lease payments over the lease term. The Company has elected the practical expedient that allows for private companies to utilize the risk-free rate based on asset class.

Note 1—Summary of Significant Accounting Policies (Continued)

Revenues and Cost Recognition

Revenues for the Company consist of franchisee fee revenue, royalty revenue, and commercial revenue. The contracts executed by the Company include both fixed and variable consideration. Revenue is measured as the amount of consideration the Company is expected to receive in exchange for transferring distinct goods or services to customers following a five-step process, (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price, and (5) recognize revenue when or as the Company satisfies a performance obligation.

The Company's primary performance obligation under the franchise agreement is granting certain rights to use the Company's intellectual property over the term of each agreement. The Company has certain pre-opening services, including training and other administrative services, that are provided as part of the franchise agreement. These pre-opening activities are considered distinct from the franchise license and are therefore recognized upon opening of the franchise. The Company has elected the FASB's practical expedient related to pre-opening activities and does not analyze each separate activity as its own distinct performance obligation. The franchise fees remaining after any pre-opening performance obligations have been satisfied are recognized on a straight-line basis over the term of the respective agreement, typically ten years. The franchisee agreement can be renewed for an additional ten-year period after the initial agreement expires at no additional fee.

Royalty revenue is a variable cost charged monthly based on the amount of revenue the franchisee has each month. The royalty revenues are recognized when due.

Commercial revenue consists of inspections that are set up through the corporate office and performed by a franchisee. Such revenue is recognized when service is completed.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising Costs

The Company expenses non-direct-response advertising as of the first time the advertising takes place. The Company had no material direct-response advertising.

Income Taxes

Income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period that includes the enactment date.

National Property Inspections, Inc.

Notes to Financial Statements

Note 1—Summary of Significant Accounting Policies (Continued)

Income Taxes (Continued)

The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company recognizes interest and penalties related to unrecognized tax benefits in income tax expense. As of December 31, 2025, there have been no accrued interest or penalties related to uncertain tax positions.

Fair Value of Financial Instruments

The Company's financial instruments, including cash, accounts receivable and accounts payable, are carried at cost, which approximates fair value due to the short-term maturity of these instruments.

Note 2—Operating Leases

The Company has operating lease agreements for office space and equipment with remaining lease terms of approximately 1 year. The office lease requires the Company to pay for certain operating expenses, including real estate taxes.

The leases consist of the following under ASC 842:

Total Income Tax Benefit	\$ (2,664)	\$ (37,285)	\$ (132,656)

National Property Inspections, Inc.**Notes to Financial Statements****Note 3—Income Taxes (Continued)**

Deferred income tax assets and liabilities are the result of differences between the financial statement and tax basis of assets and liabilities, as measured by currently enacted tax rates. Items giving rise to deferred taxes consist primarily of differences between book and tax accounting for depreciation of property and equipment, other accruals, and net operating loss carryforwards. The difference between the statutory and effective tax rate is primarily due to permanent differences, changes in estimates, and state taxes.

The tax effects of temporary differences that give rise to significant portions of the net deferred tax assets were as follows at December 31, 2025, December 31, 2024 and March 31, 2024:

	December 31, 2025	December 31, 2024	March 31, 2024
Deferred Tax Assets			
Accrued vacation	\$ 4,703	\$ 4,750	\$ 5,800

Charitable contributions	302	263	-
Net operating loss carryforwards	173,291	126,212	88,100
Total Deferred Tax Assets	178,529	137,685	100,400
Deferred Tax Liabilities			
Property and equipment	(24,443)	-	-
Total Deferred Tax Liabilities	(24,443)	-	-
Deferred Tax Assets, Net	\$ 154,086	\$ 137,685	\$ 100,400

At December 31, 2025, the Company had \$666,505 of net operating loss carryforwards for federal tax purposes that do not expire and \$666,505 of net operating loss carryforwards for state income tax purposes that either do not expire or expire between 2034 and 2045.

Management considers whether it is “more likely than not” that all the Company’s deferred tax assets will be realized. The Company has determined, based on the level of historical taxable income and projections for future taxable income, all deferred tax assets are expected to be fully recognized. Management determined no valuation allowance was necessary as of December 31, 2025.

Note 4—Retirement Plan

The Company has a profit-sharing plan covering substantially all its employees, which was started January 1, 1994. The plan is funded through employer and employee contributions. This Rider is being signed because (a) you are a resident of Washington and/or (b) the National Property Inspections franchise that you will operate under the Franchise Agreement will be located in Washington and/or (c) any of the franchise offering or sales activity occurred in Washington.

2. **Acknowledgments.**

(a). The following subparagraph of Section I.A of the Franchise Agreement is revised to read as follows:

(10) You accept that this Agreement’s terms and covenants are reasonably necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each NPI Franchised Business, and to protect and preserve the goodwill of the Marks.

(b) Subparagraphs (1), (2), (3), (6), (12), and (14) of Section I.A of the Franchise Agreement are hereby deleted.

3. **Limited Liability for Our Related Parties.** Section XXXIV of the Franchise Agreement shall not apply to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder.

4. **Covenant of Good Faith.** Notwithstanding anything in Section XXXV of the Franchise Agreement to the contrary, the parties shall deal with each other in good faith in accordance with the Washington Franchise Investment Protection Act, RCW 19.100.180(1).

. Addition of Paragraphs. The following is added to the end of the Franchise Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Franchise Agreement in your relationship with us including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with us including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. 2. The "Summary" sections of Items 17(c), entitled **Requirements for franchisee to renew or extend**, and 17(m), entitled **Conditions for franchisor approval of transfer**, of the Disclosure Document are amended by adding the following:

Any general releases you sign as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

3. The "Summary" section of Item 17(h), entitled **"Cause" defined – non-curable defaults**, of the Disclosure Document is amended by adding the following:

The agreements provide for termination upon bankruptcy. This provision might not be enforceable under federal bankruptcy law (11 U.S.C. Sections 101 et seq.), but we and you agree to enforce it to the extent the law allows.

4. The "Summary" section of Item 17(v), entitled **Choice of forum**, of the Disclosure Document is amended by adding the following:

The franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

5. The following language is added to the end of Item 17 of the Disclosure Document:

Despite any contradicting provision in the franchise agreement, you have 3 years from the date on which we grant you the franchise to bring a claim under the Maryland Franchise Registration and Disclosure Law.

6. Your responses to the Disclosure Questionnaire (Exhibit K to the Franchise Disclosure Document) do not act as a release, estoppel, or waiver of any liability of the Franchisor under the Maryland Franchise Registration and Disclosure Law.

7. No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MINNESOTA

Item 13, Additional Disclosure.

National Property Inspections, Inc. will indemnify you against liability to a third party resulting from claims that your use of the Marks infringes trademark rights of the third party, provided that your use of the Marks is in accordance with the requirements of the Franchise Agreement and the System.

Renewal, Termination, Transfer and Dispute Resolution. The following paragraphs are added at the end of the chart in Item 17 of the Franchise Disclosure Document:

For franchises governed by the Minnesota Franchises Law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that (a) you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the applicable agreement and (b) consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota Statutes, Section 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee or developer to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of franchisee's or developer's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's or developer's rights as to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C.12 Subd. 1(G). The franchisor will protect franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minn. Rules 2860.4400D prohibits a franchisor from requiring a franchisee to assent to a general release.

The Limitation of Claims section must comply with Minnesota Statute 80C.17 Subd.5.

No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect

of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

NEW YORK

1. The following information is added to the Cover page of the Franchise

Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT D OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND NEW YORK STATE DEPARTMENT OF LAW, BUREAU OF INVESTOR PROTECTION AND SECURITIES, 28 LIBERTY STREET, 21ST FLOOR, NEW YORK, NEW YORK 10005. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT, HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added to the end of Item 3:

Except as provided, above with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor or allegations.
- B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any

national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a, currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreements on any grounds available by law.

5. The following is added to the end of the: “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 7(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

6. Receipts - Any sale made must be in compliance with §683(8) of the Franchise Sale Act (N.Y. Gen Bus. L. §680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

7. No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

NORTH DAKOTA

1. The “Summary” sections of Items 17(c) and 17(m) of the Disclosure Document are amended by adding the following:

However, any release required as a condition of renewal and/or assignment/transfer will not apply to the extent prohibited by the North Dakota Franchise Investment Law.

2. The “Summary” section of Item 17(r) of the Disclosure Document is amended by adding the following:

Covenants not to compete such as those mentioned above generally are considered unenforceable in North Dakota. However, we will seek to enforce them to the extent enforceable.

3. The “Summary” section of Item 17(u) of the Disclosure Document is amended to read as follows:

We and you must arbitrate all disputes at location in the city of where our principal business address is located at the time the arbitration demand is filed (it currently is in Omaha, Nebraska); however, to the extent required by the North Dakota Franchise Investment Law (unless such a requirement is preempted by the Federal Arbitration Act), arbitration proceedings will be held at a site to which we and you agree.

4. The “Summary” section of Item 17(v) of the Disclosure Document is amended by adding the following:

To the extent required by the North Dakota Franchise Investment Law, you may bring an action in North Dakota.

5. The “Summary” section of Item 17(w) of the Disclosure Document is amended by adding the following:

Except for federal law. North Dakota law applies.

VIRGINIA

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees

to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

The “Summary” section of Item 17(h) of the Franchise Disclosure Document is amended by adding the following:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act, or the laws of Virginia that provision may not be enforceable.

Under subsection D of § 13.1-559 of the Virginia Retail Franchising Act, for all franchises located in Virginia, the franchise contract or agreement offered or entered into pursuant to terms of this chapter shall be governed by the laws of the Commonwealth of Virginia.

Under subdivision A 4 of § 13.1-563 of the Virginia Retail Franchising Act (“Act”), it is unlawful to offer or enter into a franchise agreement that restricts the right of a franchisee to engage in the business of offering, selling, or distributing goods or services at retail after termination or expiration of the franchise agreement. However, subsection B of § 13.1-563 of the Act provides that if a franchisee sells a franchise at a mutually agreed upon price to a third party or back to the franchisor, such sale may include a term restricting the right of such franchisee to engage in the business of offering, selling, or distributing goods or services at retail for a period of no more than two years after such sale.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington

Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount

that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. The following is added at the end of Item 5 and Item 7 of the Disclosure Document: As required by the Washington Securities Division, in lieu of an impound of franchise fees, we will not require or accept the payment of any initial franchise fees until you have (a) received all pre-opening and initial training obligations that you are entitled to under the franchise agreement or offering circular, and (b) you are open for business.

The undersigned parties do hereby acknowledge receipt of this Addendum.

Dated this _____ day of _____, 20_____.

WHEREAS, the state in which your Franchised Business is located requires that you complete certain training courses (collectively, the “**State Requirements**”) prior to receiving the home inspector license required to operate your Franchised Business; and

WHEREAS, we have agreed to reimburse you for certain costs and expenses up to the applicable amount listed on Schedule 1 related to your completion of the State Requirements so long as you satisfy the terms and conditions stated in this Addendum.

NOW, THEREFORE, for good and valuable consideration, the receipt of which the parties hereby acknowledge, you and we agree as follows:

1. Upon your completion of the State Requirements and your receiving a home inspector license from the state in which your Franchised Business is located, we will reimburse you for the costs and expenses you incur in completing the State Requirements up to the applicable amount listed on Schedule 1 hereto (the “**Reimbursement**”). Our payment of the Reimbursement is contingent on you being in full compliance with the terms of the Franchise Agreement and you providing us, in the manner and format we prescribe, the following materials: (i) receipts and/or invoices showing all payments that you made to complete the State Requirements; (ii) evidence that you sufficiently completed the State Requirements and received your home inspector license from the state in which your Franchised Business is located; and (iii) any other information we request related to your home inspector license and/or the State Requirements for the state in which your Franchised Business is located. We will pay you the Reimbursement within thirty (30) days of our receiving the materials detailed herein.

2. 3. This Addendum sets forth the entire agreement between the parties concerning your request for the Reimbursement and incorporates all prior discussions, negotiations, agreements and understandings. No alteration, amendment, change or addition to this Addendum will be binding unless in writing and signed by all of the parties.

4. The counterparts of this Addendum and all ancillary documents executed or delivered in connection with this Addendum may be executed and signed by electronic signature by any of the parties to this Addendum, and delivered by electronic or digital communications to any other party to this Addendum, and the receiving party may rely on the receipt of such document so executed and delivered by electronic or digital communications signed by electronic signature as if the original has been received. For the purposes of this Addendum, electronic signature means, without limitation, an electronic act or acknowledgement (e.g.,
