You may operate the franchise using the Mark and trade name "Premier Pool Service" or "Pinnacle Pool Service," depending on name availability in your area.

The total investment necessary to begin operation of a Premier Pool Service franchise or a Pinnacle Pool Service franchise is between \$43,150 and \$118,250. This includes \$25,000 to \$60,000 that must be paid to the franchisor or affiliate.

This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least 14 calendar days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this document.**

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read all of your contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or an accountant.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration (at the request of either party if the dispute is reasonably valued above \$10,000) and/or litigation only in the state in which the franchisor then maintains its principal place of business, currently Tennessee. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Tennessee than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Spousal Liability.** Your spouse may be required to sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.
5. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer. [APPLICABLE TO PINNACLE POOL SERVICE LOGO MARK]

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED
BY THE MICHIGAN FRANCHISE INVESTMENT LAW**

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (A) A prohibition on the right of a franchisee to join an association of franchisees.
- (B) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (C) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (D) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (E) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (F) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (G) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(H) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(I) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

FRANCHISE DISCLOSURE DOCUMENT

**ITEM 1. THE FRANCHISOR AND ANY PARENTS,
PREDECESSORS, AND AFFILIATES**

To simplify the language in this disclosure document, “we” or “us” means PPSF, LLC. (the franchisor). “You” means the person or entity who buys the franchise (the franchisee). If you are a corporation, partnership or other entity, “you” includes your owners.

The Franchisor

We are a Texas limited liability company that was formed on April 28, 2017. We are in the business of granting franchises and providing initial and ongoing support to our franchisees. Our principal business address is 1221 Liberty Pike, Franklin TN 37067. From February 2022 to February 2025, our principal address was 235 Noah Drive, Suite 500, Franklin, TN 37064. Our agents for service of process are listed in *Exhibit B*. We were originally organized as “Premier Pacific LLC,” and changed our name to PPSF, LLC on November 16, 2017. We have never done business under any name other than our entity name, “Premier Pool Service,” or “Pinnacle Pool Service.”

We do not have any predecessors.

We began offering Premier Pool Service franchises in December 2017 and Pinnacle Pool Service franchises in January 2018. Before that, we had never offered franchises in any line of business. We do not currently engage in any other business; however, we reserve the right to engage in other business activities. We and our affiliates have never operated a business of the type operated by our franchisees. As of December 31, 2024, there were (a) 35 franchised PPSF, LLC locations open and operational (31 of which operated under the “Premier Pools Service” trade name, and 4 of which operated under the “Pinnacle Pool Service” trade name); and (b) 2 company-owned PPSF, LLC locations.

Our Parent

We are 100% owned by Premier Holdco LLC (“Premier Holdco”), a Delaware limited liability company formed on October 28, 2020. Premier Holdco’s principal business address is the same as ours.

Our Affiliates

Our affiliate, Premier Franchise Management LLC (“PFM”), operates a franchise system in the business of marketing, selling, and supervising the construction and remodeling of swimming pools and spas under the names “Premier Pools & Spas®” and “Pinnacle Pools & Spas®.” PFM was originally organized as a Nevada corporation formed on August 26,

2014. It converted to a Nevada limited liability company on October 29, 2020. Its principal business address is the same as ours. PFM began offering Premier Pools & Spas franchises in October 2014 and Pinnacle Pools & Spas franchises in May 2017. As of December 31, 2023, there were (a) 127 franchised PFM locations open and operational (10 of which operated under the “Pinnacle Pools & Spas®” trade name, and 117 of which operated under the “Premier Pools & Spas®” trade name), and (b) 1 company-owned PFM location, which operated under the “Premier Pools & Spas®” trade name. PFM has never done business under any name other than its entity name, “Premier Pools,” “Premier Pools & Spas,” “Pinnacle Pools,” or “Pinnacle Pools & Spas.” PFM is also the sole approved supplier for certain printed marketing materials and promotional items for our franchisees. It has never engaged in any other line of business.

Except as provided above, currently, none of our affiliates provide products or services to our franchisees.

The Franchised Business

The franchise described in this disclosure document relates to the operation of a business to market, sell, and provide cleaning, maintenance, and repair services for swimming pools and spas, and to sell related items and services, under our trademarks, service marks, trade dress, color schemes and logos (collectively, the “Marks”) and using our distinctive programs, procedures, protocols, standards, manuals and other confidential business systems, practices and materials (collectively, the “System”). These businesses are referred to in this disclosure document as “System Businesses.” At present, our System includes our training programs and materials, our marketing programs and materials, our operation policies and procedures, our management programs and procedures, our quality control and customer satisfaction standards and programs, our other System standards, our Manual and other intellectual property (including Confidential Information). The System Business to be operated by you is referred to in this disclosure document as the or your “Franchised Business.” We will provide our franchisees with know-how, training and guidance for operation of a System Business.

Market and Competition

The primary market for the services offered by a System Business are homeowners and businesses with swimming pools and/or spas.

The services and products you will sell are recognized by consumers and are generally available from other sources. The market for the services you will sell is well-developed. The services and related products are sold to individuals and to businesses. Selling is not seasonal in most markets; however, some markets do have seasonal clients. You will compete with local businesses offering similar services or with regional or national businesses, some of which may be franchised.

Industry-Specific Laws and Regulations

In addition to federal and state laws and regulations that apply to businesses generally, you may need specific types of licenses, which vary by state and sometimes by county or municipality. For example, Texas requires that you obtain a contractor's RAIL license in order to complete most swimming pool electrical repair. Also, some states require you to have your Certified Pool and Spa Operator (CPO) certification to clean commercial swimming pools. Some states, such as California, require certain contractor licenses (such as a D35 or a C35 pool contractor license) to operate the Franchised Business. Some states require owners, managers and relevant employees to have the relevant licenses and certifications, while others may require only the owner or manager to be licensed or certified. Check with government agencies and your local licensing board, as well as your own advisors, to learn about specific industry and contractor laws and regulations in the jurisdictions in which you will operate your Franchised Business. You are responsible for compliance with all applicable laws and regulations at your own expense.

Regardless of the applicable legal requirements for CPO certification, we require that your owner obtain this certification within the first 12 months after signing the franchise agreement with us.

ITEM 3. LITIGATION

In the Matter of Investigation by Letitia James, Attorney General of the State of New York of Premier Franchise Management LLC and Paul Porter, Attorney General of the State of New York, Investor Protection Bureau, AOD # 21-068, October 2021. Our affiliate, PFM, and PFM's Chief Executive Officer, President and Director, and our Chief Executive Officer, Paul Porter, entered into an Assurance of Discontinuance ("AOD") with the State of New York relating to a franchise sold by PFM to a New York franchisee on December 19, 2018, at a time when PFM was not registered to sell franchises in the State of New York. As part of the AOD, PFM and Mr. Porter agreed to comply with all provisions of the New York Franchise Sales Act (the "Act") and to refrain from offering any franchises in the State of New York until PFM had a registered offering or had been granted an exemption from New York's registration requirements. PFM also agreed to offer rescission to the franchisee that

purchased the franchise while PFM was not registered and to provide an affidavit demonstrating compliance with this requirement. Finally, PFM also paid to the State of New York the sum of \$10,000 in penalties and costs.

Except as set forth above, no litigation is required to be disclosed under this Item.

ITEM 4. BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5. INITIAL FEES

You must pay the initial franchise fee in lump sum when you sign the Franchise Agreement.

The initial franchise fee is based on the number of “units” within the requested territory. Each unit represents 3,000 estimated swimming pools, and a franchise territory must consist of a minimum of two units (6,000 estimated swimming pools). The franchise fee for the first two units is \$25,000 total. Each additional unit is priced as follows: \$10,000 per unit for units 3 through 5, \$7,500 per unit for units 6 through 10, and \$5,000 per unit for each unit beyond 10.

We use the term “estimated swimming pools” because we rely on third-party sources to provide us with swimming pool data. This data is based on new swimming pool construction permits filed, tax assessor information, recent home sales, property appraisals, census information and homeowner-reported data. While we believe this data to be accurate, there is no way to guarantee or know the actual number of swimming pools in any geographical area. The precise numbers of swimming pools could be greater or lesser than the numbers we are provided. In the event the actual number of swimming pools is less than or greater than the estimated number of swimming pools, we will neither collect an additional initial franchise fee nor refund any portion of the initial franchise fee that you paid.

We may limit the maximum number of units any individual franchisee may acquire, based on our business decision. In our last fiscal year (2024), the initial franchise fee we charged was \$25,000.

If you own and operate an existing pool service business with recurring customer revenues at the time you acquire a franchise, we will discount your initial franchise fee based on your recurring pool service revenues from existing customer accounts in the Territory (as defined in Item 12) during the 12-month period prior to our execution of the Franchise Agreement. The amount of the discount in that situation will be the total qualifying revenues during the applicable period multiplied by 0.0545. This discount is intended to approximate a 12-month royalty-free period for your existing qualifying account revenues. After the end of the first 12 months of the franchise term, we will audit your customer accounts and revenues to determine whether your existing customer accounts in the Territory at the time you acquired

the franchise generated at least the same level of revenues as was used to calculate the discount. If so, then there will be no further adjustment to the discount. However, if your existing customer accounts in the Territory at the time you acquired the franchise did not generate at least the same level of revenues as was used to calculate the discount, then we will recalculate the discount based on 0.0545 times the total qualifying revenues during the first 12 months of the franchise term from existing customer accounts in the Territory at the time you acquired the franchise, and you will pay us the difference upon demand.

Otherwise, we do not require you to make any payments to us or our affiliates before you begin operating the Franchised Business.

We do not intend to refund any part of the initial franchise fee. However, if we terminate the franchise for good cause following your failure to satisfy the evaluation criteria during the 90-day probation period and failure to cure the deficiencies within the 30-day cure period following written notice, then we will refund half of the initial franchise fee to you within 30 days after you have fully performed your post-term obligations to our reasonable satisfaction.

Amounts paid by gift card, stored value card or similar program are included in Gross Revenues when the gift card, or other instrument or applicable credit is redeemed.
3. We may periodically implement incentive programs to encourage franchise system growth. For example, we may, in our sole discretion, permit franchisees in good standing to earn points on Royalty Fees paid, which may be redeemed for prizes. Notes:

1. **Initial Franchise Fee.** This fee will be \$25,000 plus \$2.00 per estimated swimming pool in the Territory in excess of 6,000. The maximum initial franchise fee we will charge in any state is \$60,000. See Item 5 of this disclosure document, which describes the Initial Franchise Fee in more detail.
2. **Three Months' Rent.** We do not require you to buy or lease any commercial space for your Franchised Business, although you may wish to rent a small facility or office to store your pool chemicals and equipment. Rent amounts can vary depending upon the area in which your facility/office is located, its size, the condition of the premises, and other factors. The low end of the estimate assumes that you will operate your Franchised Business from a home office or mobile office.
3. **Vehicle Logos.** You are required to display proper signage on your vehicle(s). Printing and logo application costs will vary from region to region. The low end of the estimate represents the estimated cost for the partial wrap of one vehicle, and the high end of the estimate represents the estimated cost for a full wrap of one vehicle.
4. **Uniforms.** You must purchase uniforms and wear them while you are engaged in the Franchised Business

5. Vehicle Expense. You must purchase, lease or own a vehicle that we have approved as meeting our specifications and standards for quality, design, appearance, function, and performance for use in the operation of the Franchised Business. We may reasonably require that you replace or upgrade the vehicle during the term of the Franchise Agreement after our inspection if we determine in our sole discretion that the vehicle's appearance is not suitable for our operational standards due to existing dents or other body issues. We currently require you to purchase, lease, or own a van or a pick-up truck for use in the Franchised Business, but we do not currently require you to purchase, lease or own any particular vehicle make or model. The low end of the estimate assumes that you will use your existing vehicle for the Franchised Business and that that vehicle meets our then-current requirements. The high end of the estimate is for the first 3 months of leasing the vehicle, with a down payment of \$2,500, and monthly payments of \$500 per month.
6. Vehicle Outfitting. You must purchase an initial supply of "Truck Outfitting" equipment and supplies, such as chemicals and tools, if you do not already own them. Currently the price of the equipment and supplies you must purchase if you do not already own them is approximately \$2,500. The high end of the estimate reflects the additional costs that you may incur to modify your vehicle (if, for example, your vehicle is a van) to separate the driving compartment from the area in which your pool chemicals are transported.
7. Office Equipment and Supplies. If you do not already own the following office equipment and supplies you will need to obtain them: laptop computer (up to \$800), wireless router (up to \$100, but may be provided by ISP with service), tablet computer (up to \$600), printer with scanner, and toner (estimated \$200-\$400), Microsoft Office software (up to \$200), and miscellaneous office supplies. The low estimate assumes that you already own many of these items.
8. Start-Up Marketing. We will coordinate with you to develop a marketing plan for the first year of operations of your Franchised Business, which you must follow. We will provide you with an initial supply of brochures and some other promotional materials. We may sell additional marketing materials to you at our costs. You may elect to do additional start-up local marketing for the Franchised Business at your sole discretion and with our approval. The cost of your additional marketing efforts will depend on the form of marketing you use.
9. Insurance. The cost of your insurance will vary with the size, location and type of your business, as well as other factors. The estimates are for the first 3 months' premiums.
10. Professional Fees. We do not require you to consult with a lawyer, accountant or other professional before beginning operations. However, we strongly suggest that you do. Rates for professionals can vary significantly based on area and experience.

11. Initial Training Expenses. See Item 11 for additional information regarding training. Includes estimated expenses for attendance of 1 franchisee representative at training. Travel expenses vary substantially depending on method of travel, point of origin, distance, advance purchase requirements, and other factors. The low end of the estimate assumes that you live within daily driving distance of Dallas, Texas, where our training is conducted.
12. Licenses and/or Bonds. You must obtain all necessary permits, licenses and bonds required by applicable law before you begin the Franchised Business.
13. Software Fees. We require you to license from a designated supplier certain software for use in the Franchised Business.
14. Additional Funds. This amount is an estimate of the funds needed to cover initial operating expenses for your Franchised Business for a period of 3 months of operation (other than the items separately identified in the table), including vehicle insurance premiums, vehicle operating and maintenance costs, security deposits, taxes, payroll, overhead, and other miscellaneous expenses, to the extent these expenses may exceed your revenues. We believe that the estimated amount will be sufficient to cover ongoing expenses in excess of your revenues for the first 3 months of operations. These figures are estimates and do not include any debt service payments. We relied on our experience since 2017 in estimating your needs for additional funds. We do not offer financing for any part of the initial investment.

The table in this item estimates the major initial expense categories involved in establishing a Franchised Business according to our current System Standards.

None of the fees and costs listed in this table that are payable to us are refundable. Fees and costs payable to suppliers and other third parties above generally are not refundable unless you negotiate this with them.

ITEM 8. RESTRICTIONS ON SOURCE OF PRODUCTS AND SERVICES

Approved Items, Services and Suppliers

To ensure uniformity and quality of services by all franchisees, you must purchase or lease or otherwise use in the establishment and operation of the Franchised Business all signs, equipment, supplies, marketing materials, uniforms and many other items used in the Franchised Business according to our written specifications. You must also purchase certain services used in the establishment and operation of the Franchised Business according to our written specifications. These specifications may include minimum standards for quality, performance, compatibility, design, appearance and other restrictions as we periodically determine. These specifications are contained in the Manual or will

otherwise be provided to you in writing. We may periodically change these specifications, by written notice to you or through changes to the Manual, and you must promptly comply with the changed standards following notice to you. You may incur expenses or increased costs to comply with any changes. See Item 11 for additional information on the computer equipment and software.

You must purchase or lease certain items and services only from suppliers that we have approved in writing. Items in this category include: pool equipment and supplies. A complete list of these items and services, and the approved suppliers for each, is contained in the Manual or will otherwise be provided to you in writing. Our approved suppliers have demonstrated to our satisfaction that they have the ability to meet our standards and specifications for the relevant items and services, that they possess adequate quality controls, and that they have the capacity to supply your needs promptly and reliably. We have the right to change the list of approved suppliers, and we will notify you in writing of any revocation of supplier approval. You must promptly change suppliers if we require.

Approved suppliers may make payments to us or our affiliates on account of transactions with our franchisees. Approved suppliers pay a rebate of 0% to 30% of the purchase price of materials and/or equipment purchased by our franchisees. In our last fiscal year (2024), revenues from suppliers on account of purchases of items and services by our franchisees were \$162,236, all of which was paid to our affiliate, Premier Holdco.

We and our affiliates are currently approved suppliers for certain services used in the establishment and operation of the Franchised Business. As stated in Item 1, our affiliate, PFM, is the sole approved supplier for certain printed marketing materials and promotional items for our franchisees. One of our officers owns an interest in one of our suppliers. We or our affiliates may become the sole approved supplier of additional items or services in the future.

We and/or our affiliates may derive revenue based on your purchases and leases, including from charging you for products and services that we or our affiliates provide to you and from promotional allowances, volume discounts, rebates, commissions, and other payments made to us by suppliers and/or distributors that we designate or approve for some or all of our franchisees. We expect, however, that the sales price for any items or services that we or our affiliates offer to you will be at or below market price. We and our affiliates may use all amounts received from suppliers and/or distributors, whether or not based on your or other franchisees' actual or prospective dealings with them, without restriction for any purposes that we or our affiliates deem appropriate. In our last fiscal year (2024), neither we nor any of our affiliates derived any revenues or other material consideration from required purchases or leases by our franchisees.

We may attempt to negotiate purchase arrangements from approved suppliers for the benefit of our franchisees, based upon the combined buying power of our franchise network. These discounts, if obtained, may result in lower prices for the items being purchased or other benefits such as reduced prices for warehousing, delivery and other services. In order for our franchisees to obtain volume discounts and other benefits, we may require you to

purchase items and services from suppliers with whom we have negotiated purchase arrangements. While we currently do not do so, we may implement, and you will be required to participate in, a group purchasing organization whereby we purchase certain products directly from manufacturers and sell them to our franchisees. We believe sales prices will be less than what franchisees currently pay for such products and will also provide profit to us by eliminating the distributor.

Failure to purchase required items and services from approved suppliers may be a material default under the Franchise Agreement. We consider a variety of factors when determining whether to renew or grant additional franchises. Among the factors we consider is compliance with the requirements described in this Item 8. Otherwise, we do not provide material benefits to you for your use of designated or approved suppliers.

Cost Allocation

The cost of purchasing items or services from us or our affiliates (excluding fees) would likely represent 0% of your total purchases in connection with the establishment of a Franchised Business, and 0% to 25% of your total purchases in connection with the ongoing operation of the Franchised Business. We estimate that the cost of purchasing items and services from approved suppliers (other than us or our affiliates) will represent about 0% to 5% of your total purchases in establishing your Franchised Business, and about 25% to 65% of your total purchases in the continuing operation of the Franchised Business. We estimate that the cost of purchasing items and services according to our specifications where no approved suppliers have been identified will represent about 0% to 10% of your total purchases in establishing your Franchised Business and about 15% to 30% of your total purchases in the continuing operation of the Franchised Business.

Approval Process

If you desire to use or offer additional items or services that we have not approved, or you desire to purchase approved items and services from a supplier that we have not approved, for the Franchised Business, you must obtain our prior written consent. We will consider any written request by you for approval of additional items, services, or suppliers (although we are not obligated to approve any). We do not have any formal policies or procedures for approving new items or services, or for revoking approval. The primary factors in our analysis of possible new items and services are whether the item or service would be a good fit in our franchise system; and whether the item or service would enhance the Franchised Business. This analysis involves the subjective opinion of our management. We do not have any formal policies or procedures for approving new suppliers, or for revoking approval. The primary factors in our analysis of suppliers are whether the supplier has the ability to meet quality and uniformity standards and specifications for the relevant items and services, and whether the supplier has the capacity to supply our franchisees' needs promptly, reliably and economically. This analysis also involves the subjective opinion of our management.

In connection with any request by you for approval of additional items, services or suppliers, we may require you to provide us with photographs, drawings, specifications, samples or

any additional materials or information we desire to evaluate your request. You must pay for our reasonable expenses in evaluating your request. We will notify you of our approval or disapproval of any new item, service or supplier requested by you within a reasonable time (usually within 120 days) after we have received all of the relevant information requested. We may withhold approval of any item, service or supplier, as we determine in our discretion. We have the right to revoke approval of any item, service, or supplier at any time for any reason, and we will notify you of any revocation of approval.

Insurance Requirements

You must maintain in force at your expense the insurance coverage we require. We currently require you to maintain the following insurance coverage: (1) For the first 12 months of operation, you must maintain comprehensive general liability insurance, including products liability coverage, property damage coverage, owned and non-owned automobile coverage, and personal injury coverage, with limits of at least \$1 million per occurrence, at least \$1 million aggregate, and at least \$1 million per person, with \$5,000 per person medical benefits, and a maximum deductible of \$2,500. Beginning in the 13th month of operation, you must increase your coverage to at least \$2 million aggregate while maintaining all other coverage requirements. (2) Workers compensation, employer's liability, and other insurance consistent with applicable law. (3) An umbrella policy of at least \$1 million. Your policies must be from an insurance carrier acceptable to us, name us and any of our affiliates that we designate as an additional insured, contain a waiver of subrogation, and provide for 30 days prior notice to us of termination, expiration or cancellation of the policy. You must provide us with current and updated certificates of insurance. Insurance requirements are subject to change. The cost of your insurance will vary with the size, location and type of your business, as well as other factors. An insurance carrier meeting the criteria we may establish periodically must issue all insurance policies, except workers' compensation insurance. The terms and conditions of all policies, including the amount of any deductibles, will be consistent with requirements we prescribe. We may also reasonably increase the minimum liability requirements annually and modify the insurance requirements. Before your Franchised Business begins operations, you will provide us with a copy of each certificate of all required insurance coverage. You will promptly provide us with copies of each certificate for all renewal or replacement insurance policies. Upon our request, you will provide to us a copy of any of your insurance policies we request within 10 days after receiving our request. Your obligation to maintain the required insurance is not limited by insurance we maintain.

The Manual is confidential and remains our property. The table of contents for the Manual is attached as *Exhibit D*, from which you can determine the number of pages devoted to each topic. There are currently 102 total pages in the Manual. (Section 6.01)

Training

Initial Training Program. We will provide an initial training program for you and your representatives. You are required to successfully complete this training program to our satisfaction. If you fail to successfully complete the training program to our satisfaction, we may require you to attend additional live training programs (at your cost) or we may require you to appoint a manager and to have that new manager successfully complete the online training program (at your cost). If, after this corrective action, you or your manager fails to successfully complete the initial training program to our satisfaction, we may terminate the Franchise Agreement. We may, in our sole discretion, elect not to provide the initial training to any manager or other trainee who has at least 6 months' prior experience in the management and operation of a System Business. If you are an entity, 1 of your owners also must successfully complete the initial training program to our satisfaction. (Sections 5.02 & 6.04)

Our initial training program has 2 components: live training and online training. There is no tuition or other fee for the initial training program. We will provide the instruction and training materials free of charge. All expenses incurred in the live initial training for you, your owners, your representative, or any other of your trainees will be your responsibility, including the cost of travel, transportation, meals, lodging, incidental expenses, and any wages. You may complete the online training program on your own time and at your own pace; however, you must complete all of the online training modules to our satisfaction within 60 days after you sign the Franchise Agreement.

Our live initial training program is offered as needed, usually at least once per year. You must attend all of the live training program, and complete it to our satisfaction within 90 days after you sign the Franchise Agreement.

Our training program is under the direction of Greg Adams, our Senior Director of Franchise Training and Development. Mr. Adams has been a trainer with us since October 2021. He has more than 7 years' experience in the pool industry, including owning a franchised System Business.

Additional Training

We may require you or your representative to attend each conference. You will be required to pay for lodging, meals, local transportation, other travel and incidental expenses, compensation and benefits incurred in attending a conference. (Sections 4.19 & 6.09)

Marketing

Marketing Plan

We will coordinate with you to develop a marketing plan for the first year of operations of your Franchised Business, which you must follow. We will provide you with an initial supply of brochures and some other promotional materials at no cost to you.

Marketing Programs.

We conduct advertising, publicity, public relations, promotion, and/or market research activities (“Marketing Programs”) to promote public awareness and patronage of the Franchised Businesses. All of our franchisees must participate in any Marketing Programs we require.

We have sole discretion over all aspects of any Marketing Program, including the materials and media used and their placement and allocation. We may engage in national, regional and/or local advertising, which may be primarily disseminated via television, radio, newspapers, industry magazines, directories, direct mail and/or other collateral materials. We may primarily utilize national and/or regional marketing agencies to create and place any advertisements, with the participation and supervision of our in-house staff. We may also engage in other types of national, regional and local Marketing Programs.

Funding for the Marketing Programs comes from a national marketing fund (the “Marketing Fund”) into which each franchisee’s monthly marketing fee is deposited. See Item 6.

While any System Business operated by us or our affiliates (although, currently, there are none) will not be required to contribute to the Marketing Fund on the same basis as our franchisees or otherwise, we or the applicable affiliate may, in our or its (as applicable) discretion, elect to contribute to the Marketing Fund for that System Business. We are not obligated to supplement the marketing fees, but we, our affiliates, marketing partners, and approved suppliers may also periodically contribute monies, services and/or materials to the marketing effort.

We or our designee will administer the Marketing Fund. Unaudited financial statements for the Marketing Fund will be prepared each year, and will be available to franchisees upon request. Any monies which remain in the Marketing Fund at the end of a year will be carried over for use in the following year. The Marketing Fund may be used to compensate us (or

our affiliates) for any administrative or other services provided to any Marketing Program and for our related out-of-pocket costs. In particular, the salaries of in-house advertising personnel may be paid by the Marketing Fund. The Marketing Fund will not be used for the solicitation or sales of franchises. We may terminate any Marketing Program at our discretion. The Marketing Programs as a whole, however, will not be terminated until all money in the Marketing Fund has been spent for the purposes described above. In our last fiscal year (2024), the Marketing Fund expenditures were spent as follows: 21% on software and email, 8% on print media, 65% on administrative expenses, and 6% on Search Engine Optimization (SEO) and video production.

We do not have to expend any sums for marketing in any particular territory. We and our designee are not obligated, in administering the Marketing Program, to make expenditures for you that are equivalent or proportionate to your contribution, or to ensure that any particular franchisee benefits directly or pro rata from the Marketing Program. (Sections 4.17 & 6.10) There is no advertising council composed of franchisees.

Local Marketing. In order to provide your Franchised Business with the best chance of success, we require you to spend each month at least 1% of your Gross Revenues to conduct your own local advertising, publicity, public relations, promotional and other marketing programs for your Franchised Business within the Territory, and you must submit to us proof of these expenditures. We have the right, however, to increase your required monthly local marketing expenditure up to 4% of your Gross Revenues by providing you 30 days' prior written notice. All materials you use in your local marketing efforts must conform to System standards, including proper Mark usage, and be approved in writing by us before you use them. We may, at our option, offer to provide (either free or at prices that reasonably cover our direct and indirect costs) approved advertising and promotional plans and other materials, which we may develop for use by franchisees in local marketing. We have the right, at any time after you begin using approved marketing materials, to prohibit further use, effective immediately upon your receipt of written notice. You may not direct your local marketing to any prospective customers outside your Territory. You are restricted from making press releases regarding the Franchised Business, and from making contributions or donations in the name of the Franchised Business (or otherwise associated with the Marks) without our consent. (Section 4.17(b)) We do not have the right to require franchisees to form a local or regional marketing cooperative. If you are failing to comply with any of the Minimum Annual Performance Requirements (as defined in Section 4.22 of the Franchise Agreement) under the Franchise Agreement, we may require you to spend additional amount on local marketing.

System Website. We or one or more of our designees may establish a website or series of websites or similar technologies, including mobile applications and other technological advances that perform functions similar to those performed on traditional websites, for the Premier Pool Service/Pinnacle Pool Service network to advertise, market and promote System Businesses, the products and services they offer, and the System Business franchise opportunity; to facilitate the operations of System Businesses; and/or for any other purposes that we determine is appropriate for System Businesses (those websites, applications and other technological advances are collectively called the "System Website").

If we include information about the Franchised Business on the System Website, then you agree to give us the information and materials that we periodically request concerning the Franchised Business and otherwise participate in the System Website in the manner that we periodically specify. We have the final decision concerning all information and functionality that appears on the System Website and will update or modify the System Website according to a schedule that we determine. By posting or submitting to us information or materials for the System Website, you are representing to us that the information and materials are accurate and not misleading and do not infringe any third party's rights. You must notify us whenever any information about you or the Franchised Business on the System Website changes or is not accurate.

We own all intellectual property and other rights in the System Website and all information it contains, including the domain name or URL for the System Website and all subsidiary websites, the log of "hits" by visitors, and any personal or business data that visitors (including you, your personnel and your customers) supply. We may use the marketing fees that we collect from franchisees to develop, maintain, support and update the System Website. We may implement and periodically modify System Standards relating to the System Website and, at our option, may discontinue all or any part of the System Website, or any services offered through the System Website, at any time.

All local marketing that you develop for the Franchised Business must contain notices of the System Website in the manner that we periodically designate. You may not develop, maintain or authorize any other website, other online presence or other electronic medium (such as mobile applications, kiosks and other interactive properties or technology-based programs) that mentions or describes you, the Franchised Business or its products or services or that displays any of the Marks. Except for the System Website (if applicable), you may not conduct commerce or directly or indirectly offer or sell any products or services using any website, another electronic means or medium, or otherwise over the Internet or using any other technology-based program without our approval. If, however, you are a conversion franchise and have an existing website that we have approved, you will maintain the existing website if we require, and you will add whatever links or other information to the System Website (if applicable) that we require.

Nothing in this "System Website" subsection limits our right to maintain websites and technologies other than the System Website or to offer and sell products or services under the Marks from the System Website, another website or technology, or otherwise over the Internet (including to the Franchised Business's customers and prospective customers) without payment or obligation of any kind to you. (Section 6.11)

Social Media. You must comply with our policies and requirements (as we periodically modify them) concerning blogs, common social networks like Facebook, professional networks like Linked-In, live-blogging tools like Twitter, virtual worlds, file, audio and video sharing sites like Pinterest and Instagram, and other similar social networking or media sites or tools (collectively, "Social Media") that in any way reference the Marks or involve the Franchised Business. These policies may involve limitations or prohibitions on your and

your representatives' use of Social Media in connection with the Marks or the Franchised Business. (Section 4.17(c))

Special Accounts

We have the right to enter into agreements with certain customers who have or are likely to have need for swimming pools or spas service in multiple market areas ("Special Accounts"). Under a Special Account agreement, we, on behalf of ourselves and our participating franchisees, may agree to provide certain items or services at certain specified prices or according to certain specified procedures. If any Special Account has any projects in the Territory that are subject to the Special Account agreement, then we will offer you the opportunity to participate in those projects under the Special Account agreement. Your participation is voluntary. However, if you choose to participate, then you will be required to comply with the terms of the Special Account agreement. If you choose not to participate, then we may allow another franchisee, affiliate or approved supplier to provide the items or services for the Special Account in the Territory. See Item 12. (Sections 4.26 & 6.14)

Computer / Communication System

We require you to purchase and/or lease, according to our specifications, certain computer and communication equipment, software, apps and services for use in connection with your Franchised Business, including: computer hardware; computer software; internet equipment and services; fax machine or equivalent software, and telephone services, apps and equipment. We expect the cost of a laptop computer, printer, scanner and other related items for your Franchised Business will be \$2,500 or less. Any required computer equipment may be used to: monitor projects; administer client accounts; calculate your Gross Revenues; calculate royalties and other fees payable to us; manage financial records and reporting; communicate with us electronically; access the Manual, download and print System documents; prepare and submit to us periodic reports; and perform other functions. The type of information or data that may be collected or generated include: customer information; sales; fees; taxes; and other matters. We may have independent access to certain information and data that you may be required to maintain.

We will have the right at any time to access your information, upload and download data, troubleshoot and perform diagnostic checks, and retrieve whatever data and information we want from your computer and communication system, and you will cooperate with us completely in any of these tasks. This information will become our property.

You must keep your computer and communication equipment and services in good maintenance and repair. We may periodically require you to upgrade or update the required equipment and services during the term of the franchise, and there is no contractual limitation on the frequency or cost of these upgrades or updates. If we require the purchase of additional computer and communication equipment, software, apps or services, or other equipment and services, we will provide you with reasonable consultation to assist you to comply with our requirements, and we will provide a list of any approved suppliers. You must promptly purchase and/or lease, install, and implement at your expense, any additions,

changes, modifications or substitutions to your computer and communication equipment, software, apps and services as we may periodically require within the time period we reasonably specify (which will be at least 30 days). (Section 4.16)

In view of the anticipated interconnection of computer systems and the necessity that the systems be compatible, strict compliance with our standards and specifications relating to the computer system will be essential. We require that you license from a designated supplier certain proprietary computer software for use in the Franchised Business, and this will require that you pay an initial fee and an ongoing monthly fee as described in Item 7. The designated supplier performs routine maintenance and certain agreed-upon upgrades and enhancements at no additional charge to our franchisees. Our franchisees are obligated to upgrade or update the software during the term of the franchise, and there are no contractual limitations on the frequency and cost of this obligation. There are no available optional or required maintenance, updating, upgrading, or support contracts for the software, so the estimated annual cost for these types of contracts is \$0.

You will not install or permit the installation of any unauthorized software on your computer equipment, without our prior written consent. You will use your computer system only in connection with the Franchised Business and only according to the System standards. Unless we agree otherwise, you will use only 1 computer in your Franchised Business to connect to, and communicate with, our computer system, and you must maintain all data relating to your Franchised Business on this same computer. If you use any other computers in your Franchised Business, you must give us full access to those computers anytime we request (including if we audit your Franchised Business). (Section 4.16)

Site Selection

We do not provide any assistance in site selection. You will be solely responsible for locating and obtaining a suitable site for your Franchised Business. Your location must be within the Territory unless you have our written consent. You must obtain our prior approval of your business location. (Sections 4.01 & 6.07) The initial factor we consider in approving a proposed site is whether the location is home-based or in a commercial space. If the proposed site is in a commercial space, we also consider suitability of the space, the general location and neighborhood, and other existing tenants. There is no specified time limit for us to approve your proposed site. We usually make a decision within about a week after receiving all of the relevant paperwork we request. If we cannot agree on a site, you must propose additional sites until we approve one. If you do not obtain our approval of a site for the Franchised Business within 12 months after the effective date of the Franchise Agreement, we may terminate the Franchise Agreement.

Length of Time Before Start of Franchised Business

You must begin operating the Franchised Business within 2 months after the effective date of the Franchise Agreement. (Section 4.04) The typical time between signing the Franchise Agreement and beginning operation of the Franchised Business is 1 to 2 months. The primary factors that could affect this time are the time required for you to obtain any necessary financing, obtain a suitable business location, obtain any required permits or licenses, successfully complete our initial training program, hire any employees, and obtain required equipment and supplies. You must schedule the opening date with us for a mutually convenient date.

Purchasing

We provide some specifications and a list of approved suppliers for equipment, signs, fixtures, opening inventory and supplies. We do not sell these items to you, and we do not deliver or install them.

Pricing

We have no obligation to assist you in establishing prices, and we do not set minimum and/or maximum prices at which you must sell products and services. As stated above, however, under a Special Account agreement, we, on behalf of ourselves and our participating franchisees, may agree to provide certain items or services at certain specified prices.

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Each franchisee will be allocated a specified geographic territory designated by contiguous zip code regions, by street or other physical boundaries, or by city, county or other political boundaries. Generally, each territory will include at least 2,000 estimated swimming pools. Before you sign the Franchise Agreement with us, we will designate your territory, based on the market size that we believe you will reasonably be able to service (the "Territory"). We do not have a precise formula for this determination. As stated in Item 5, we rely on third party sources to provide us with the swimming pool data, based on new swimming pool construction permits filed, tax assessor information, recent home sales, property appraisals, census information and homeowner-reported data. If you do not agree with the number of estimated swimming pools we use in our determination of the Territory, you have the option not to purchase the franchise.

Under the Franchise Agreement, you are limited to marketing, offering for sale, and selling approved items and services only to customers whose job sites are located in the Territory. You have no rights under the Franchise Agreement to use, and you will not use, without our prior written consent, the System or Marks outside the Territory. In addition, you will not offer or sell items or services for customer jobs located outside of the Territory, without our prior written consent. As stated in Item 11, except for the System Website (if applicable), you may not conduct commerce or directly or indirectly offer or sell any products or services using any website, another electronic means or medium, or otherwise over the Internet or using any other technology-based program without our approval. Except as stated in this Item 12, there are no restrictions on you from soliciting or accepting orders from consumers located outside your Territory for a job site for your Pool Type located in the Territory through any means, including catalogue sales, telemarketing or other direct marketing, or through alternative distribution methods.

So long as you are in compliance with the terms of the Franchise Agreement, including compliance with your Minimum Annual Performance Requirements (as discussed below), any other agreement between you (or any of your affiliates) and us (or any of our affiliates), and all agreements between you and suppliers for your Franchised Business, during the term of the Franchise Agreement, (a) neither we nor any of our affiliates will establish or operate, or license any third party to establish or operate, a System Business, the physical

premises of which are located in the Territory; and (b) neither we nor any of our affiliates will provide, or license any third party to provide, cleaning, maintenance, and repair services for swimming pools and spas through a System Business using the Marks and the System to customers whose job sites are located in the Territory. The restrictions in the preceding sentence, however, will not apply to: (1) any Special Account customer whose job site is in the Territory that you decline to service under the terms of the Franchise Agreement; or (2) any job site in the Territory serviced by a conversion System franchisee at the time of the conversion of the conversion franchisee's business to a System Business, if you decline to acquire the applicable account from the conversion franchisee under the terms of the conversion franchisee's "Pre-Existing Accounts Addendum" with us.

We (and any affiliates that we may have periodically) will at all times have the right to engage in any activities that we or they consider appropriate that are not expressly prohibited by the Franchise Agreement, including: (A) owning, acquiring, establishing and/or operating, and licensing third parties to establish and operate, System Businesses, the physical premises of which are located outside the Territory; (B) providing, and licensing third parties to provide, cleaning, maintenance, and repair services for swimming pools and spas using the Marks or the System for job sites outside the Territory; (C) providing, and licensing third parties to provide, cleaning, maintenance, and repair services for swimming pools and spas through a System Business using the Marks and the System to customers whose job sites are located in the Territory if (i) the customer is a Special Account customer that you decline to service under the terms of the Franchise Agreement, or (ii) the job site was serviced by a conversion System franchisee at the time of the conversion of the conversion franchisee's business to a System Business, and you decline to acquire the applicable account from the conversion franchisee under the terms of the conversion franchisee's "Pre-Existing Accounts Addendum" with us; (D) owning, acquiring, establishing and/or operating, and licensing third parties to establish and operate, businesses under other proprietary marks or other systems, at any location within or outside the Territory (even if these businesses are in competition with the Franchised Business); (E) acquiring, or being acquired by, one or more businesses providing products and services similar or dissimilar to those provided by System Businesses, and franchising, licensing, or creating other arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating, whether within or outside the Territory; and (F) exercising all rights relating directly or indirectly to the Marks, and all products and services associated with any of the Marks, in connection with any method of distribution (including the Internet), except as specifically set forth in the preceding paragraph. This includes providing, and granting third parties the right to provide, except as specifically stated in the preceding paragraph, products and services to customers and other third parties that are similar or dissimilar to, or competitive with, any products and services provided by the Franchised Business, whether identified by the Marks or other trademarks or service marks, regardless of the method of distribution (including through the Internet (including the System Website), retail outlets, shipping, and delivery). We do not have any obligation to compensate you for soliciting or accepting orders from inside your Territory. Nothing in the Franchise Agreement restricts the right of our affiliate, PFM, or such other affiliate, to develop and operate, and license third parties to develop and operate, businesses to market, sell, and supervise the construction and remodeling of swimming

pools and spas and sell related items and services under the “Premier Pool & Spas,” “Pinnacle Pools & Spas,” and other trademarks, regardless of whether such businesses are located in or outside the Territory.

You may not direct your local marketing to any prospective customers outside your Territory.

As stated above, the continuation of your limited rights in the Territory depends upon your meeting your Minimum Annual Performance Requirements. Specifically, before you sign the Franchise Agreement with us, we will advise you of the Minimum Annual Performance Requirements with which you must comply during each successive 12-month period during the term of the Franchise Agreement. (These Minimum Annual Performance Requirements also will be reflected in Exhibit A of the Franchise Agreement.) We will determine your Minimum Annual Performance Requirements based on the potential sales we reasonably expect you to achieve due to various factors regarding the Territory, possibly including the number of households, median income, and previous swimming pool sales. We do not have any specific formula for determining the Minimum Annual Performance Requirements. If you fail to comply with any of these Minimum Annual Performance Requirements during any applicable period, we may unilaterally amend your Franchise Agreement to reduce the size of the Territory and/or eliminate your limited rights in the Territory by giving you 30 days’ written notice, or we may terminate the Franchise Agreement by giving you 30 days’ written notice.

There are no other circumstances that permit us to modify your limited territorial rights. If you lose your limited rights in the Territory, we may solicit and accept orders in the Territory, and we may allow our affiliates and other franchisees to do so. Similarly, if you choose not to participate in Special Accounts in the Territory or if you decline to acquire any pre-existing accounts in the Territory, then we or other franchisees may service the relevant Special Account(s) and pre-existing accounts in the Territory. In these situations, we will not provide any compensation to you on account of any orders solicited or accepted in the Territory.

We do not provide you with any contractual option rights or other rights of first refusal to acquire any additional franchises or territory. However, if you are a franchisee in good standing with us and our affiliates and suppliers, we may offer you the opportunity to purchase additional franchises or territory.

Unless you have our written consent otherwise, your office must be located within the Territory. We allow you to relocate your office location within the Territory, so long as your new location satisfies our approval criteria and you obtain our prior written consent.

If you are a conversion franchisee and some of your then-existing customers’ pools are located outside of the Territory and not within the territory of one or more of our other franchisees (whether at the time of the conversion or later), we will authorize you to continue to service those pools outside of the Territory. If you are a conversion franchisee and some of your then-existing customers’ pools are located outside of the Territory and within the territory of one or more of our other franchisees (whether at the time of the conversion or later), we require you to offer to transfer each of the relevant accounts to the other System

franchisee(s) who have been granted the applicable territory, at a transfer price no more than 10 times the average monthly service fee for the account. If the other franchisee(s) elect to acquire one or more of those customer accounts, you will transfer the relevant accounts to the transferee, and use reasonable, good faith efforts to ensure the continuity of the customer’s account with the transferee. If the applicable System franchisee declines to acquire the applicable account(s) from you, you may continue to service them. If a conversion franchisee offers you the right to acquire any of its pre-existing accounts within the Territory and you decline, we or other franchisees may service the relevant accounts.

We and our affiliates do not currently operate or franchise, and have no current plans to operate or franchise, any competing business under any other marks.

ITEM 13. TRADEMARKS

The Franchise Agreement grants you the right to operate the Franchised Business under the trade name “Premier Pool Service” or “Pinnacle Pool Service,” and to use the other Marks during the term of the Franchise Agreement, only in the manner we authorize, and only in connection with the Franchised Business. We may require or permit you to use other marks that we include as part of the System in the future, in our sole discretion.

As of the date of this disclosure document, the following Marks have been registered on the Principal Register in the United States Patent and Trademark Office (the “USPTO”) for the relevant uses:

MARK	REGISTRATION NO.	REGISTRATION DATE
PREMIER POOL SERVICE	6,332,546	April 27, 2021
PINNACLE POOL SERVICE	6,814,913	August 9, 2022
	7,627,588	December 24, 2024
	7,346,631	April 2, 2024

These mark registrations have been or will be renewed periodically as required, including the filing of all required affidavits.

In addition, we (or our affiliate) have applied to register the following Mark on the Principal Register of the USPTO:

MARK	SERIAL NO.	APPLICATION DATE
	97870304	April 3, 2023 (application currently suspended)

We (or our affiliate) do not have a federal registration for these Marks. Therefore, these Marks do not have as many legal benefits and rights as a federally registered trademark. If our (or our affiliate's) right to use these Marks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There are currently no effective determinations of the USPTO, Trademark Trial and Appeal Board, the trademark administrator of this state or any court, pending infringement, opposition or cancellation proceedings, or pending material litigation involving the principal trademarks.

We are aware of certain instances of competing rights regarding the Premier Pool Service Mark, which may involve superior prior rights or infringing uses of the Mark. In Florida, a business based in Kissimmee, Florida uses the name "Premier Pool Services," a business based in Naples, Florida uses the name "Premier Pool Service, Inc.," a business based in Tallahassee, Florida uses the name "Premier Pools Tallahassee," and a business based in Winter Park, Florida uses the name "Premier Pools of Central Florida, Inc." In Georgia, a business based in Acworth, Georgia uses the name "Atlanta Premier Pools," a business based in Canton, Georgia uses the name "Premier Pool Enterprises," and a business based in Columbus, Georgia uses the name "Premier Pool Service." In Nebraska, a business based in Omaha, Nebraska uses, and has obtained a Nebraska state registration for, the mark "Premier Pools and Spas." In Texas, a business in Lewisville, Texas uses, and has obtained a Texas state registration for, the mark "Premier Pools." In Wisconsin, a business based in Waukesha, Wisconsin uses the name "Premier Pools."

We are aware of certain instances of competing rights regarding the Pinnacle Pool Service Mark, which may involve superior prior rights or infringing uses of the Mark. In California, a business based in Los Altos, California uses the name "Pinnacle Pool Care, Inc," a business based in Orangevale, California uses the name "Pinnacle Pool Service," a business based in San Jose, California uses the name "Pinnacle Pool Care Inc.," and a business based in Walnut Creek, California uses the name "Pinnacle Pool," "Pinnacle Pool and Spa," and "Pinnacle Pool and Spa Service." In Florida, a pool construction business based in Naples, Florida uses the name "Pinnacle USA," and a business based in Wesley Chapel, Florida uses the name "Pinnacle Pool and Spa." In Texas, a business based in Manvel, Texas uses the name "Pinnacle Pool care," and a business based in the San Antonio, Texas area also uses the name "Pinnacle Pool Care."

In 2012, our affiliate, PPMC, and one of PPMC's licensees entered into an agreement with Premier Pools of Central Florida, Inc. under the terms of which PPMC and PPMC's licensee agreed that they would not use, in any manner, the "Premier Pools & Spas" word Mark, a specified "Premier Pools & Spas" design mark, or any mark likely to be confused with those marks in the following counties in Florida: Marion, Orange, Osceola, Polk and Seminole. PPMC further agreed that it would not permit any of its licensees or franchisees to use the applicable marks in these counties. In 2017, PPMC entered into a settlement agreement with Premier Pools, Inc. in Lewisville Texas under which PPMC was granted the exclusive, irrevocable right to use the "Premier Pools and Spas" mark in the Dallas-Ft. Worth, Texas area; upon PPMC's satisfaction of its payment obligations under the settlement agreement, this right will be perpetual. Other than these two agreements, we and our affiliates are not parties to any currently effective agreements that limit or relate to our rights to license or use any of the Marks.

Except as described above, there are no uses of the Marks actually known to us that could materially affect your use of the Marks in the state in which your Franchised Business is located or elsewhere. We will not be granting any franchises using any Mark or trade name that would infringe on any superior rights to a mark already used by an existing business in the area.

We (or our affiliate) are the registered owner of the Marks. You must follow our rules regarding use of the Marks. You will display the Marks and give notice of trademark registration and claims in the following manner: "Premier Pool Service®" or "Pinnacle Pool Service®," as applicable (or as otherwise required in the Manual). You must cooperate with us and the Marks Owner in maintaining registrations and prosecuting applications for the Marks, and in otherwise securing and preserving our rights in the Marks. Marks may be used only in connection with the Franchised Business and may not be used in your corporate name or legal name. Marks may not be used in connection with any unauthorized item or service, or in any manner not expressly authorized by the Franchise Agreement.

The Franchise Agreement requires that you notify us promptly in writing of (1) any adverse or infringing uses of the Marks (or names or symbols confusingly similar), our confidential information or other System intellectual property and (2) any threatened or pending litigation relating to the Marks or System against (or naming as a party) you or us, of which you become aware. We have the right, in our sole discretion, to (i) handle disputes with third parties concerning use of all or any part of the Marks or System in any manner we deem appropriate, (ii) choose whether or not to initiate suits or proceedings to enforce or protect rights related to the Marks or the System, and (iii) direct and control any litigation or administrative proceeding relating to the Marks or the System. You must cooperate fully and in good faith with our efforts to resolve such disputes. We may bring suit in your name or join you as a party to the relevant proceedings. We may resolve any dispute in our sole discretion, including by obtaining a license of the property for you at no expense to you or by requiring that you discontinue using the infringing property or modify use to avoid infringing the rights of others.

Nevertheless, we will defend you against any third-party claim, suit, or demand arising out of your use of the Marks. If we determine that you have used the Marks according to the Franchise Agreement and Manual, we will bear the cost of your defense, including the cost of any judgment or settlement. If we determine that you have not used the Marks according to the Franchise Agreement or Manual, you will bear the cost of, and reimburse us for, your defense, including the cost of any judgment or settlement. If there is litigation relating to your use of the Marks, you must execute any documents and do any acts as may be necessary, in our opinion, to carry out such defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that the litigation is the result of your use of the Marks in a manner inconsistent with the terms of the Franchise Agreement or Manual, we will reimburse you for your out-of-pocket litigation costs in cooperating with us with respect to the litigation.

We reserve the right to substitute different proprietary marks for use in identifying the System, the businesses operating under them, and/or the services offered, if the Marks no longer can be used, or if we determine that substitution of different proprietary marks will be beneficial to the System. In these circumstances, the terms of the Franchise Agreement will govern the use of the substituted proprietary marks, and we will not compensate you for this substitution. You must promptly implement any substitutions of this kind, at your expense.

Any use of the Marks not authorized by the Franchise Agreement provisions will be deemed an infringement. You will have no right to license others to use the Marks.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Patents

There are no registered patents or pending patent registration applications that are material to the franchise.

Copyrights

No registered copyrights are material to the franchise. We claim copyright protection for our marketing materials, training materials, operational materials and Manual, but do not register the copyright material with the United States Copyright Office of the Library of Congress. We own all proprietary rights in and to the System, including the Manual, marketing materials, training materials, and any other proprietary materials we may develop.

Confidential Information

You must not, during or after the term of the Franchise Agreement communicate, divulge, or use for the benefit of any other person, any non-public trade secrets, proprietary information, technical data, or know how which relate to our business, System, services or products, or to a Franchised Business, we may communicate to you, including the Manual, specialized operating methods, quality-control systems, training materials, and information

regarding salary, research, products, services, developments, inventions, processes, techniques, designs, marketing, finances, field operations, and computer hardware and software. Any information or techniques we designate as confidential must be treated by you as confidential. You may divulge confidential information only to those employees of yours who must have access to it in order to fulfill their employment obligations (and only after they have signed confidentiality and non-competition agreements in a form we have approved), or if disclosure is required to comply with an order of a court or arbitrator. You cannot, without our prior written consent, copy, duplicate, record or otherwise reproduce any confidential materials or information, in whole or in part, or otherwise make them available to any unauthorized person.

Your owners must execute and deliver to us the Guaranty and Assumption of Obligations in the form attached to the Franchise Agreement (the "Guaranty"). You must have your manager and other employees sign a confidentiality and non-competition agreement (in a form we have approved) as a condition to their employment. Any other officers, agents or representatives of yours who may have access to any of our confidential information must also sign agreements stating that they will maintain the confidentiality of information they receive in connection with their employment. We require that these agreements be in a form satisfactory to us, including specific identification of us as a third-party beneficiary of the covenants, with the independent right to enforce them.

Manual

You must treat the Manual, all other written System Standards, and the information contained in them as confidential, and use all reasonable efforts to maintain the information as secret and confidential. You may not at any time, without our prior written consent, copy, duplicate, record, or otherwise reproduce any part of these materials, nor otherwise make them available to any unauthorized person. The Manual will at all times remain our sole property. We may periodically revise the contents of the Manual, and you must comply with each new or changed System Standard designated as mandatory. If there is ever a dispute about the contents of the Manual, the terms of the applicable version we maintain online will be controlling.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

During the term of the Franchise Agreement, you (if you are an individual) or one of your owners (if you are an entity) owning at least 10% equity interest in you must devote full time, energy, attention, and best efforts to the management and operation of the Franchised Business. You and your officers, directors, owners and managers may not participate in any other business, without our prior written consent.

Both you (if you are an individual), or one of your owners (if you are an entity), and your manager must successfully complete our online initial training program, as described in Item 11.

If you are an entity, your direct and indirect owners must execute and deliver to us the Guaranty, under which they promise to be personally bound, jointly and severally, by all of the Franchise Agreement's provisions. Your managers and employees must sign a form confidentiality and non-competition agreement, which you will prepare and submit to us for our prior approval. You will not permit or allow your owners, managers, employees or other representatives to engage in any conduct which is unlawful or damaging to the goodwill or public image of the System or the Marks.

If you have a spouse or a registered domestic partner, your spouse or domestic partner may be required to sign the Spousal Consent to the Franchise Agreement that appears immediately after the signature page of the Franchise Agreement. If you are an entity with any owners who have a spouse or a registered domestic partner, that spouse or registered domestic partner may be required to sign the Spousal Consent for Guaranty and Assumption of Obligations that appears immediately after the signature page of the Guaranty. If required, these consent forms will obligate spouses to the respective agreements, even if they are not involved in operation of the Franchised Business.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You are restricted with respect to the products or services you may offer and sell. To ensure that the highest degree of quality and service is maintained, you must operate the Franchised Business in strict conformity with the System Standards we require in the Manual or otherwise in writing, as periodically amended. You must offer and sell only the items and services that we approve, unless you have our prior written consent. However, you are not required to offer and sell all of the items and services that we approve. For those approved items and services you elect to offer, sell and provide, you must offer, sell and provide them according to our mandatory System Standards. You must use only the items and supplies that conform to our mandatory System Standards. You must not deviate from our mandatory System Standards, such as by using or offering nonconforming items or supplies, or by deviating from required procedures. Failure to follow our mandatory System Standards may result in termination of the franchise. If we change the System Standards, you will upgrade, modify and/or replace any equipment, signs or other items to conform to our then-current System Standards within 3 months after our request, up to a maximum annual expenditure of \$5,000. You will not be required to make significant capital expenditures in this regard during the first 2 years of the franchise, but you may be required to purchase additional equipment necessary to offer and sell new items or services.

We have the right to change the approved items and services, and there are no limits on our right to make these changes. You must begin to offer and sell any new items or services we approve in writing, and stop offering and selling any items or services we disapprove, within the time period we reasonably require (which will be at least 30 days). You may suggest new items and services to us, but you cannot offer or sell the items or services unless we provide you with our written approval and System Standards for their use.

You may sell approved items and services at any prices you determine, and you will not be bound by any price we suggest. However, in determining your prices, you must consider the general image of the System.

Other than the territorial restrictions described in FDD Item 12, there are no limitations on customers to whom you may sell your services.

ITEM 18. PUBLIC FIGURES

We do not currently use any public figures to promote our franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19,

for example, by providing information about possible performance at a particular location or under particular circumstances.

The first 2 tables depict the historical average, median, high and low Gross Revenues in 2024 for 25 Franchised Businesses that were open and operating for a full year as of December 31, 2024. To derive the information shown in the following table, the 25 franchisees were ranked by their 2024 Gross Revenues, from highest to lowest. The group of franchisees was then divided into 4 groups, each representing about 25% of the 25 franchisees.

Explanatory Notes to the Financial Information:

1. First 2 Tables. The data presented in the first 2 tables reflects actual historic financial results from the 25 Franchised Businesses that were open and operating for at least 12 months as of December 31, 2024, as reported to us by our franchisees. The tables does not include information from the 11 franchises that first opened for business during 2024, or from the 8 franchises that permanently ceased operations in 2024. Of the franchises that closed in 2024, 0 had been open for less than 12 months.

2. Third Table. The third table depicts Gross Revenues received during their first 12 months of operations by the 7 franchisees who first began franchise operations in 2023, and who completed their first 12 months' of operations in 2024. The table does not include information from 0 franchisees who first began operations in 2023 and who ceased operations before completing 12 full months. The table also does not include revenues from 1 franchisee who completed its first 12 months of operations during 2024, but who already had a substantial number of accounts before becoming a franchisee of ours.

3. Total Gross Revenues. The Gross Revenues data presented in the table reflects total Gross Revenues only. "Gross Revenues" means all revenue from the sale of all products and services, and all other income or consideration of every kind and nature received by you or the Franchised Business, all revenues associated with delivering and/or selling products or services off-premises to customers, and any proceeds from business interruption insurance, whether for cash, credit, charge account, debit account, exchange, barter or otherwise and regardless of collection, less (a) any sales taxes or other taxes collected by you from your customers and thereafter paid directly to the appropriate taxing authority and (b) any customer discounts or refunds. Amounts paid by gift card, stored value card or similar program are included in Gross Revenues when the gift card, or other instrument or applicable credit is redeemed. Gross Revenues do not account for any expenses or other deductions, such as payments to contractors, royalty fees, payroll,

insurance, income taxes and other overhead. You should consider the effect of all expenses on your expected revenues.

Some franchisees have achieved these Gross Revenues. Your individual results may differ. There is no assurance that you'll achieve these amounts.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our Chief Executive Officer, Paul Porter, 1221 Liberty Pike, Franklin, TN 37067, 844-366-2102, the Federal Trade Commission, and the appropriate state regulatory agencies.

STATE ADDENDA

1. **NO WAIVER OR DISCLAIMER OF RELIANCE IN CERTAIN STATES.** The following provision applies only to Premier Pool Service/Pinnacle Pool Service franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

2. The following are additional disclosures for the PPSF, LLC Franchise Disclosure Document required by various state franchise laws. Each provision of these additional disclosures will not apply unless, with respect to that provision, the jurisdictional requirements of the applicable state franchise registration and disclosure law are met independently without reference to these additional disclosures.

CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

1. Neither we nor any person identified in Item 2 of this disclosure document are subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a, et seq., suspending or expelling such persons from membership in such association or exchange.

2. The URL addresses of our websites are, respectively, www.premierpoolservice.com and www.pinnaclepoolservice.com. OUR WEBSITES HAVE NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITES MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION (www.dfpi.ca.gov).

3. The following language is added to the “Remarks” section of the line-item titled “Interest” in Item 6:

The highest interest allowed under California law is 10% annually.

4. The following paragraphs are added at the end of Item 17:

California Law Regarding Termination and Nonrenewal. California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning transfer, termination, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, then the law will control.

Post-Termination Noncompetition Covenants. The Franchise Agreement contains a covenant not to compete that extends beyond termination of the franchise. This provision might not be enforceable under California law.

Applicable Law. The Franchise Agreement requires application of the laws of the State of Tennessee. This provision might not be enforceable under California law.

The Franchise Agreement provides for termination upon insolvency, bankruptcy, or re-organization. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.).

Material Modification. Section 31125 of the Franchise Investment Law requires us to give you a disclosure document approved by the Commissioner of Financial Protection & Innovation before we ask you to consider a material modification of your franchise agreement.

Release. You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Arbitration. The Franchise Agreement requires binding arbitration at the request of either party; however, any dispute reasonably valued at \$10,000 or less is except from these mandatory arbitration requirements. Unless mutually agreed by the parties, all arbitration proceedings will be held at a location that the arbitrator chooses within 10 miles of our then-current principal business address (currently, Franklin, Tennessee). The fees of, and authorized costs incurred by, the arbitrator will be shared equally by the parties, and each party will bear its own arbitration costs. The arbitration

decision, however, will provide that the substantially prevailing party will recover from the other party its actual costs and expenses incurred in connection with the dispute. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

5. The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation or endorsement by the commissioner.

6. California's Franchise Investment Law (Corporations Code section 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (1) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

HAWAII

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF REGULATORY AGENCIES OR A FINDING BY THE DIRECTOR OF REGULATORY AGENCIES THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE OFFERING CIRCULAR, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS OFFERING CIRCULAR CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

ILLINOIS

Item 17 of the Franchise Disclosure Document is amended by adding the following at the end of that Item:

By reading this disclosure document, you are not agreeing to, acknowledging, or making any representations whatsoever to the Franchisor and its affiliates.

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Your rights upon Termination and Non-Renewal of an agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MARYLAND

1. The “Summary” sections of Items 17(c) and (m), captioned “Requirements for you to renew or extend” and “Conditions for our approval of transfer,” are amended by adding the following:

Any release required as a condition of renewal, sale, and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

3. The “Summary” section of Item 17(v), captioned “Choice of forum,” is amended to read as follows:

Subject to arbitration requirements, litigation generally must be in courts located closest to where we have our principal business address when the action is commenced (currently, Franklin, Tennessee), although you may, subject to your arbitration obligations, commence a lawsuit against us in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

You must bring any claims arising under the Maryland Franchise Registration and Disclosure Law within 3 years after the grant of the franchise.

6. Item 5 is amended to include the following:

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by franchisees shall be deferred until the franchisor completes its pre-opening obligations under the Franchise Agreement.

MINNESOTA

1. The following paragraphs are added at the end of the charts in Item 17 of the Franchise Disclosure Document:

Minnesota Statute 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchiser from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchiser will comply with Minnesota Statute 80C.14 Subd. 3-5, which require (except in certain specified cases)

- that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and
- that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C.12 Subd. 1(G). The franchiser will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860.4400(J) also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statute 80C.17 Subd. 5.

NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

4. The following is added to the end of the “Summary” section of Item 17(j), titled “Assignment of contract by franchisor”:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the Franchise Agreement.

5. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

6. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum”, and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

NORTH DAKOTA

1. Items 5 and 7 are amended by adding the following language to the end of each of these sections:

North Dakota requires that the franchisor defer the collection of all initial fees from North Dakota franchisees until the franchisor has completed all its pre-opening obligations and the franchisee has commenced doing business pursuant to the franchise agreement.

2. The “Summary” sections of Items 17(c) and 17(m) is amended by adding the following:

However, any release required as a condition of renewal and/or assignment/transfer will not apply to the extent prohibited by the North Dakota Franchise Investment Law.

3. The “Summary” section of Item 17l is amended by adding the following:

Covenants not to compete such as those mentioned above generally are considered unenforceable in North Dakota. However, we will seek to enforce them to the extent enforceable.

4. The “Summary” section of Item 17(v) is amended by adding the following:

To the extent required by the North Dakota Franchise Investment Law, but subject to your arbitration obligations, you may bring an action in North Dakota.

5. The “Summary” section of Item 17(w) is amended by adding the following:

Except for federal law, North Dakota law applies.

RHODE ISLAND

1. The “Summary” section of Item 17(v) is amended to read as follows:

Subject to arbitration requirements, litigation generally must be in courts closest to where we have our principal business address when the action is commenced currently, Franklin, Tennessee), except that, to the extent required by applicable law, but subject to your arbitration obligations, you may bring an action in Rhode Island for claims arising under the Rhode Island Franchise Investment Act.

2. The “Summary” section of Item 17(w) is deleted in its entirety and replaced with the following:

Except for Federal Arbitration Act and other federal law (as applicable), and except as otherwise required by the Rhode Island Franchise Investment Act, Tennessee law applies.

VIRGINIA

1. The “Summary” section of Item 17(h) is amended by adding the following:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any rights given to him under the franchise. If any provision of the franchise agreement involves the use of undue influence by the franchisor to induce a franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

1. The following paragraphs are added to the end of Item 17 of the Franchise Disclosure Document:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

2. Company Owned Outlets Are Not Required to Contribute to the Marketing Fund. Outlets operated by the franchisor and/or affiliates are not required to make marketing fund contributions. This means the marketing fund contributions of franchisees could be partially or completely used for the benefit of franchisor and affiliate owned outlets, although, currently, there are no franchisor- or franchisor affiliate-owned outlets.

3. Use of Franchise Brokers. The franchisor may use the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

4. Exhibit G to the Franchise Disclosure Document, "General Release." The General Release is amended by adding the following language:

"The General Release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder."

5. No Waiver. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law,

including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

FRANCHISE AGREEMENT

This Franchise Agreement (“Agreement”) is made by and between PPSF, LLC (“we” or “us”), a Texas limited liability company, with our principal place of business at 1221 Liberty Pike, Franklin, TN 37067, and the franchisee identified on the signature page of this Agreement (“you”) as of the date specified as the “Effective Date” on the signature page of this Agreement. In consideration of the following mutual promises, the parties agree as follows:

1. RECITALS

1.01 System and Marks. We have the right to use and to license to our franchisees a proprietary and distinctive system (the “System”) relating to the establishment and operation of a business to market, sell, and provide cleaning, maintenance, and repair services for swimming pools and spas and sell related items and services, which business is primarily identified by the Marks (as defined below) (a “System Business”). We also have the right to use, and to license to our franchisees to use, certain service marks, trademarks, trade names, trade dress, logos, slogans and commercial symbols to identify the System Businesses and particular items and services offered by our franchisees (collectively, the “Marks”).

1.02 Desire to Franchise. You desire, upon the terms and conditions in this Agreement, to obtain a franchise to establish and operate a System Business. We are willing, upon the terms and conditions in this Agreement, to license you to establish and operate a System Business within a specified territory. Unless the context indicates otherwise, capitalized terms will have the relevant meaning as defined in this Agreement.

2. GRANT AND LIMITATIONS

2.01 Grant of Franchise. Subject to all of the terms and conditions in this Agreement, we grant to you, and you accept, the franchise (the “Franchise”) to use the System and the Marks we designate in connection with the establishment and operation of a System Business (the “Franchised Business”) within a specific geographical area, as described in attached *Exhibit A* (the “Territory”).

2.02 System Standards Limitations. The Franchise granted by this Agreement is limited to the operation of a Franchised Business in strict accordance with the provisions of this Agreement and the standards we specify in writing, as they may be periodically amended, modified, supplemented or deleted, which we impose on our franchisees in connection with participation in the System, including all mandatory and suggested specifications, policies, rules, techniques and procedures we promulgate about System operation usage (collectively, the “System Standards”). You have no rights under this Agreement to use,

and you will not use, the System or Marks in connection with any other business, activities, or unapproved items or services.

2.03 Territory Limitations. The Franchise granted by this Agreement is limited to marketing, offering for sale, and selling approved items and services only to customers whose job sites are located in the Territory. You have no rights under this Agreement to use, and you will not use, without our prior written consent, the System or Marks outside of the Territory. In addition, you will not offer or sell items or services for customer job sites located outside of your Territory, without our prior written consent. Provided that you are in compliance with the terms of this Agreement, including, but not limited to, compliance with your Minimum Annual Performance Requirements (as defined in Section 4.22 and as set forth in *Exhibit A*) in accordance with Section 4.22, any other agreement between you (or any of your affiliates) and us (or any of our affiliates), and any and all agreements between you and the suppliers for the Franchised Business, during the term of this Agreement, (a) neither we nor any of our affiliates will establish or operate, or license any third party to establish or operate, a System Business, the physical premises of which are located in the Territory; and (b) neither we nor any of our affiliates will provide, or license any third party to provide, cleaning, maintenance, and repair services for swimming pools and spas through a System Business using the Marks and the System to customers whose job sites are located in the Territory. The restrictions in the preceding sentence, however, will not apply to: (1) any Special Account (as defined in Section 4.26) customer whose job site is in the Territory that you decline to service pursuant to Section 4.26; or (2) any job site in the Territory serviced by a conversion System franchisee at the time of the conversion of the conversion franchisee's business to a System Business, if you decline to acquire the applicable account from the conversion franchisee pursuant to the conversion franchisee's "Pre-Existing Accounts Addendum" with us. Other than the limited rights expressly granted to you under this Agreement, the Franchise is nonexclusive.

We (and any affiliates that we may have from time to time) will at all times have the right to engage in any activities that we or they deem appropriate that are not expressly prohibited by this Agreement, including, but not limited to: (A) owning, acquiring, establishing and/or operating, and licensing third parties to establish and operate, System Businesses, the physical premises of which are located outside the Territory; (B) providing, and licensing third parties to provide, cleaning, maintenance, and repair services for swimming pools and spas using the Marks or the System to customers whose job sites are located outside the Territory; (C) providing, and licensing third parties to provide, cleaning, maintenance, and repair services for swimming pools and spas through a System Business using the Marks and the System to customers whose job sites are located in the Territory if (i) the customer is a Special Account customer that you decline to service pursuant to Section 4.26, or (ii) the job site was serviced by a conversion System franchisee at the time of the conversion of the conversion franchisee's business to a System Business, and you decline to acquire the applicable account from such conversion franchisee pursuant to the conversion franchisee's "Pre-Existing Accounts Addendum" with us; (D) owning, acquiring, establishing and/or operating, and licensing third parties to establish and operate, businesses under other proprietary marks or other systems, at any location within or outside the Territory (even if these businesses

are in competition with the Franchised Business); (E) acquiring, or being acquired by, one or more businesses providing products and services similar or dissimilar to those provided by System Businesses, and franchising, licensing, or creating other arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating, whether within or outside the Territory; and (F) exercising all rights relating directly or indirectly to the Marks, and all products and services associated with any of the Marks, in connection with any method of distribution, except as specifically set forth in the preceding paragraph. This includes providing, and granting third parties the right to provide, except as specifically stated in the preceding paragraph, products and services to customers and other third parties that are similar or dissimilar to, or competitive with, any products and services provided by the Franchised Business, whether identified by the Marks or other trademarks or service marks, regardless of the method of distribution (including through the System Website, retail outlets, shipping, and delivery). For the avoidance of doubt, and notwithstanding anything to the contrary in this Agreement, nothing in this Agreement restricts the right of our affiliate, Premier Franchise Management LLC, or such other affiliate, to develop and operate, and license third parties to develop and operate, businesses to market, sell, and supervise the construction and remodeling of swimming pools and spas and sell related items and services under the “Premier Pool & Spas,” “Pinnacle Pools & Spas,” and other trademarks, regardless of whether such businesses are located in or outside the Territory.

2.04 No Sub-Licensing. You have no rights under this Agreement to grant, and you will not grant, any sub-license or sub-franchise of all or part of the System or Marks.

2.05 Entity Information. If you are an entity, you must list all of your entity owners, officers, directors and managers and provide other information about the entity in *Exhibit B*. If there is any change or planned change in your entity owners, officers, directors or managers or other information in *Exhibit B*, you will notify us as far in advance as possible, and comply with all other applicable provisions of this Agreement. If we request, you will complete, sign and deliver to us a revised *Exhibit B* reflecting your then-current entity owners, officers, managers and other information in *Exhibit B*.

2.06 Guaranty. If you are an entity, you must have each of your direct and indirect owners sign the Guaranty and Assumption of Obligations in the form attached hereto as *Exhibit C* (the “Guaranty”), under which such owners agree to be personally bound, jointly and severally, by all provisions of this Agreement, and you must deliver the fully-signed Guaranty to us at the same time as you deliver the signed version of this Agreement.

2.07 Pre-Existing Accounts Addendum. If you or your principals own and operate an existing pool service business at the time you enter into this Agreement, you must also sign and deliver to us the Pre-Existing Accounts Addendum in form attached hereto as *Exhibit D*.

3. TERM AND EXTENSION

3.01 Term. The term of this Agreement begins on the Effective Date and will continue for a period of 10 years, unless terminated sooner by either party as authorized under this Agreement. You have no rights under this Agreement to use, and you will not use, the System or Marks after expiration or termination of this Agreement. Some of your duties and obligations under this Agreement will survive after expiration or termination of this Agreement as provided in this Agreement.

3.02 Successor Franchise Rights. If you meet all of the conditions specified in Section 3.03, you will have the right to acquire a successor franchise to continue operating the Franchised Business for one successor franchise term of five years, by entering into a successor franchise agreement to become effective following the expiration of the previous franchise agreement.

3.03 Conditions to Successor Franchise. To qualify for an offer of the successor franchise agreement, you must timely satisfy all of the following conditions:

(a) At least 3 months (but no more than 6 months) before the end of the term of this Agreement, you must give us written notice of your request for an extension of franchise rights.

(b) At least 2 months (but no more than 6 months) before the end of the term of this Agreement, you must upgrade your Franchised Business (including upgrading or replacing your vehicle, office, equipment, inventory, supplies and other aspects of your operations), if we require, to make it consistent with the then-current mandatory System Standards for new System Businesses.

(c) You must pay us a successor franchise fee in an amount equal to fifty percent (50%) of the then-current initial franchise fee.

(d) At the time that you give notice of your request for an extension and at the end of the initial term, you must not be in default under this Agreement or any other agreement with us or any of our affiliates, and you must have substantially complied with all the provisions of this Agreement and of any other agreements with us or any affiliate during their respective terms. You must have satisfied all of the Minimum Annual Performance Requirements during all of the relevant periods in the 12-month period preceding the notice of your request for an extension and at the time of the expiration of the existing term.

(e) At least 1 month before the end of the term of this Agreement, you must execute the then-current version of our standard franchise agreement for similar units, to become effective upon the expiration of this Agreement. You acknowledge that the terms and conditions of that agreement may be materially different from this Agreement, and they might not be as favorable to you. However, you will not be required to pay the then-current initial franchise fee, and the Territory will be the same as under this Agreement.

(f) At the end of the term, you (and/or your Manager, if we require) must satisfy our then-current qualification and training requirements.

(g) At least 1 month before the end of the term, you (and your owners, if we require) must execute and deliver to us a general release, in a form we will provide, of all claims you or your owners may have against us and any of our affiliates (and our and their respective officers, directors, partners, owners, agents, and employees).

4. YOUR OPERATING OBLIGATIONS

4.01 Site Selection. You will be solely responsible for locating and obtaining a suitable site to serve as the base for your Franchised Business, which has been approved by us. Unless you have our written consent otherwise, your base location must be within your Territory. You must obtain our approval of any proposed site for your Franchised Business.

4.02 Required Vehicle and Other Equipment. You must purchase, lease or own the required vehicle and other equipment that we have approved as meeting our specifications and standards for quality, design, appearance, function and performance, and only these items of equipment, for use in the operation of the Franchised Business throughout the term of this Agreement. If we require, you must purchase or lease approved brands, types or models of equipment, and only from suppliers designated or approved by us and according to System Standards. You will not make any material alteration to any of the required equipment without our prior written approval.

4.03 Inventory and Supplies. You must purchase and stock in the establishment and operation of the Franchised Business all of the required inventory and supply items, in an adequate mix and quantity of each, all according to the System Standards.

4.04 Commencement of Business. Unless we agree in writing to a later opening date, you must begin operating the Franchised Business within 2 months after the Effective Date of this Agreement. Before beginning operations of the Franchised Business, you must comply with all of your applicable obligations under this Agreement, including: (a) obtain our approval of your proposed site; (b) obtain all required permits and licenses (all state, local, and municipal licenses must be active and in place before your first contract; the licenses must cover all of the work to be contracted for; and you may never operate outside the scope of your active licenses); (c) properly obtain all required equipment, inventory and supplies; (d) successfully complete the initial training program; (e) provide to us proper evidence of required insurance coverage; and (f) provide to us any other information or documents relating to the Franchised Business's readiness for opening or your compliance with applicable System Standards. You must obtain our written approval before beginning operations of the Franchised Business, and you must schedule the opening date with us for a mutually convenient date.

4.05 Compliance with System Standards. You will maintain high standards of quality, appearance and operation for the Franchised Business. For the purpose of enhancing the public image and reputation of System Businesses and for the purpose of increasing

the demand for items and services associated with the Marks, you will comply in good faith with all of those System Standards that are mandatory, including those requirements contained in the Manual, as revised periodically. You will operate the Franchised Business solely in the manner and pursuant to the standards prescribed in this Agreement, in the Manual and in other materials we provide to you. You will promptly comply with any new or revised mandatory System Standards within the time period we reasonably specify, which will be at least 30 days.

4.06 Compliance with Sound Business Practices. You will at all times operate the Franchised Business diligently and in a manner that is consistent with sound business practices so as to maximize the revenues from the Franchised Business. You will at all times maintain working capital and a net worth which is sufficient, in our opinion, to enable you to fulfill properly all of your responsibilities under this Agreement. You will maintain working capital at all times during the term of this Agreement in an amount sufficient to maintain total current assets greater than total current liabilities, or such other amount as we may reasonably determine by written notice to you. You will pay all of your debts and obligations incurred in the operation of the Franchised Business as your debts and obligations become due.

4.07 Adherence to Highest Ethical Standards. You will at all times adhere to the highest ethical standards and to any related System Standards. In all dealings with us, our affiliates, suppliers, customers and public officials, you will adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You will refrain from any business practice that may harm our business, System, Marks, reputation or goodwill. You will not permit or allow your officers, directors, owners, Managers, employees, representatives or agents to engage in conduct that is unlawful or damaging to the reputation, goodwill or public image of our business, System or Marks. You will cause your employees, owners, representatives, and agents to strictly comply with the provisions of this Agreement and those System Standards that are mandatory.

4.08 Compliance with Laws. You will obtain and maintain in force, as and when needed, all governmental permits, licenses and approvals required by applicable law to establish and operate the Franchised Business in accordance with the terms of this Agreement. You will pay when due (or properly and timely contest) all federal, state and local payroll, withholding, unemployment, permit, license, property, ad valorem, use, sales, gross receipts, income and other taxes, assessments, fees, charges, penalties and interest that may be charged or levied against you or charged or levied against us as a result of your business operations, and you will file when due all required governmental returns, notices and other filings. You will conduct your business operations under this Agreement in full compliance with all applicable laws, ordinances, regulations, rules, administrative orders, decrees and policies of any local, state, or federal government, governmental agency or department. You will notify us promptly if you obtain any information that any aspect of the System does not comply with any applicable law, rule or regulation.

4.09 Trade Name and Marks. You will establish and operate the Franchised Business only under the trade name specified on *Exhibit A* or other trade name that we expressly authorize or require in writing. You will not adopt alternative, additional or secondary trade

names unless you have our prior written consent. You may use only the Marks we designate that are consistent with your authorized trade name. If your trade name includes the term “Premier,” then you will not use any Mark or trade name containing the term “Pinnacle.” If your trade name includes the term “Pinnacle,” then you will not use any Mark or trade name containing the term “Premier.”

4.10 Professional Image. You will at all times maintain your Franchised Business according to the System Standards, including those standards prescribed in the Manual, such as standards and specifications relating to the safety, maintenance, cleanliness, function and appearance of the Franchised Business, vehicle, other equipment and signs. You will maintain, and cause your Managers and other employees to maintain, a professional image according to the System Standards.

4.11 Goodwill. You will use reasonable efforts to protect, maintain and promote the trade name “Premier Pool Service®” or “Pinnacle Pool Service®,” as applicable, and any other trade name we approve for your use, and our distinguishing characteristics, the other Marks and the System. You will not permit or allow your officers, directors, owners, Managers, employees, representatives or agents to engage in conduct that is unlawful or damaging to the goodwill or public image of the Marks or System. You will participate in all quality assurance, customer service and customer satisfaction programs we require in good faith. You will follow System Standards for identification of your Franchised Business to avoid confusion on the part of customers, creditors, lenders, investors and the public as to the ownership and operation of the Franchised Business.

4.12 Quality and Customer Service Standards. All items and services you provide under this Agreement will be of high quality, and will conform to the quality and customer service standards we may establish from time to time. If we determine, in our sole discretion, that any of the items or services you have provided are not in conformance with applicable quality standards, we will give you written notice specifying in reasonable detail the facts and circumstances of your default. After you receive this notice, you will immediately undertake and diligently pursue the efforts we deem necessary to remedy the default, and to bring the items and services at issue (and the items and services you offer in the future) into conformance with applicable quality standards within 30 days after your receipt of the default notice.

4.13 Maintenance of Franchised Business Property. You will not obtain or use in the Franchised Business any office, vehicle, other equipment, signs or the like that we have not previously approved. You will maintain your office, vehicle, other equipment and signs in a clean, attractive condition, and in good working order and repair. If we notify you of any deficiency as to the general state of repair or appearance of your office, vehicle, other equipment, signs or other items used in the Franchised Business, you must undertake the action we reasonably specify to correct the deficiency within the time period we specify. If we change the System Standards during the term of this Agreement, you will upgrade, modify and/or replace any office, vehicle, other equipment, signs or the like to conform to our then-current System Standards within 6 months after our request, up to a maximum annual expenditure of \$2,500. You will not be required to make significant capital expenditures in this regard during the first 2 years of the term of this Agreement,

but you may be required to purchase additional equipment necessary to offer and sell new items or services.

4.14 Approved Items and Services. Your Franchised Business must offer only items and services that we have approved, and no other items or services. You are not required to offer all of the items and services we have approved. However, for all of the approved items and services you choose to offer, you must offer and perform them exactly in accordance with those System Standards that are mandatory. If you desire to offer any unapproved items or services in connection with the Franchised Business, you must obtain our prior written consent. You must not deviate from any mandatory System Standards by the offer, sale or use of any non-conforming items or services in connection with the Franchised Business, without our prior written consent.

4.15 Purchasing. You will purchase or lease certain designated items (including certain equipment, signs, inventory and supplies) and certain services in compliance with any minimum standards or specifications we may periodically establish. You will purchase or lease certain designated items and services from only the suppliers that we approve. You may purchase or lease any other approved items or services for the Franchised Business from any competent source, so long as the items and services meet or exceed the System Standards. You will maintain for the Franchised Business, at your expense, the mix and quantity of inventory and supplies as required by the System Standards. If you desire to purchase or lease items or services that we have not approved, or if you desire to purchase or lease approved items and services from a supplier that we have not approved, then you must first obtain our written consent. We may require you to provide us with photographs, drawings, specifications, samples or any additional materials or information we desire to evaluate your request. You must pay for our reasonable expenses in evaluating your request. We will notify you of our approval or disapproval of any new item, service or supplier requested by you within a reasonable time (usually within 120 days) after you have provided all of the relevant information we requested. We may withhold approval of any item, service or supplier, as we determine in our discretion. We may revoke approval of an approved item, service, or supplier at any time in our sole discretion.

4.16 Computer and Communications System. You will, at your expense, purchase and maintain any computer hardware and software, communication equipment, computer and communication services, dedicated telephone and power lines, modems, printers, and other related accessories, peripheral equipment, services or apps that we may specify for use in the Franchised Business. You will provide any assistance we require to connect your computer system with our computer system or to otherwise allow us to access your computerized information. We will have the right at any time to retrieve data and other information from your computer system as we, in our sole discretion, deem necessary or desirable. You will strictly comply with System Standards for all items associated with your computer system and communication equipment and related services. You will keep the computer system and communication equipment in good maintenance and repair, and you will promptly install, at your expense, any additions, changes, modifications or substitutions to your computer hardware, software, communication equipment, telephone and power lines, and other related accessories, peripheral equipment, services and apps

as we may specify periodically. We require that you license proprietary computer software for use in the Franchised Business and you will execute the software license agreement we specify, and you will comply with all of its terms and conditions. You will utilize the computer system and communication equipment and services in connection with the Franchised Business pursuant to the System Standards.

4.17 Marketing.

(a) Marketing Programs. You will participate in all required advertising, public relations, promotion, market research, and other marketing activities we may implement for the System (“Marketing Programs”).

(b) Local Marketing. You will spend each month at least 1% of your Gross Revenues to conduct your own local advertising, public relations, promotional and other marketing programs for your Franchised Business within your Territory, and submit to us proof of these expenditures. We have the right, however, to increase your required monthly local marketing expenditure up to 4% of your Gross Revenues by providing you 30 days’ prior written notice. Your marketing materials must use the Marks correctly, comply with System Standards and applicable law, and be approved by us in writing before use. You may not direct your local marketing to any prospective customers outside your Territory. Upon our request, you will immediately stop using any marketing materials or programs that we, in our sole opinion, deem to be outdated, false, misleading, illegal, in violation of this Agreement, inconsistent with the System Standards, harmful to the System or Marks, or potentially harmful to the goodwill, reputation or customer relations of us or our franchisees or affiliates. If you are failing to comply with any of the Minimum Annual Performance Requirements under this Agreement, we may require you to spend additional amount on local marketing.

(c) Social Media. You agree to comply with our policies and requirements (as we periodically modify them) concerning blogs, common social networks like Facebook, professional networks like Linked-In, live-blogging tools like Twitter, virtual worlds, file, audio and video sharing sites like Pinterest and Instagram, and other similar social networking or media sites or tools (collectively, “Social Media”) that in any way reference the Marks or involve the Franchised Business. You acknowledge that these policies may involve limitations or prohibitions on your and your representatives’ use of Social Media in connection with the Marks or the Franchised Business.

(d) Press Releases. You will not issue any press release relating to the Franchised Business or otherwise associated with any of our Marks without our prior written approval.

(e) Contributions and Donations. In order to protect our Marks, you must obtain our prior written consent before you make any contributions or donations of items, services or money to any individual or entity, or provide any type of other benefit to any charitable, religious, political, social, civic or other type of organization (or to any individual on behalf on any organization) in the name of the Franchised Business or otherwise associated with any of our Marks.

4.18 Telephone. We may require you to obtain a telephone number for exclusive use in connection with the Franchised Business, and, if we do, this telephone number will be deemed to be our property.

4.19 Conferences. You or your owner or Manager will attend and participate in each conference (including monthly meetings), if we sponsor a conference and require attendance by franchisees and/or managers; however, you will not be required to travel more than 200 miles outside of your Territory for any monthly meetings. Mandatory training for franchisees or their managers may be held at a conference. You will receive reasonable notice of each conference. You will be responsible for all travel, transportation, lodging, meals, and incidental expenses and compensation of the people you send to any conference. We may require your attendance at conferences by telephone, videoconference or other remote access.

4.20 Notification of Legal Proceedings. You will notify us in writing within 5 business days of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, of which you become aware, and which may adversely affect the operation or financial condition of the Franchised Business.

4.21 Non-Competition. During the term of this Agreement, you (and, if you are an entity, your owners, officers and directors) and your Managers will not engage in, assist, acquire, advise, consult with, be employed by, own, or become associated in any way with, any business whose methods of operation, trade dress or business concept is the same as or similar to that of System Businesses, or that cleans, services, maintains, or repairs, or otherwise provides any cosmetic services with respect to pools or spas, other than the Franchised Business. To help ensure compliance with this restriction, you and your officers, directors, owners and Managers may not participate in any other business, without our prior written consent. During the term of this Agreement, you will not divert or attempt to divert any business or customer of us or any of our affiliates or franchisees to any competitor. We will provide you with a template for a form confidentiality and non-competition agreement for your use. You must have this template reviewed by an attorney franchised in your state to make sure that it complies with local law and is otherwise enforceable. Your attorney may modify the template to the extent required to make it comply with local law and to make it fully enforceable. You will, upon our request, require that your officers and directors sign the form confidentiality and non-competition agreement (as modified by your attorney). Before you hire any Manager or other employee for the Franchised Business, you will require each Manager and other employee you hire to sign the form agreement as a condition to employment.

4.22 Minimum Annual Performance Requirements. You must achieve the minimum annual Gross Revenues during each successive 12 month period during the term of this Agreement as described on *Exhibit A* (the "Minimum Annual Performance Requirements"). If you fail to comply with any of the Minimum Annual Performance Requirements under this section during any applicable period, we may unilaterally amend your Franchise Agreement to reduce the size of your Territory and/or eliminate your

limited rights in the Territory by giving you 30 days' written notice, or we may terminate the Franchise Agreement by giving you 30 days' written notice.

4.23 Uniforms. You, your Managers and other employees who may deal with customers or suppliers in person, will wear clean and neat uniforms as required by our System Standards, at all times when dealing with customers or suppliers in person.

4.24 Hours of Operation. You will cause the Franchised Business to be open and in normal operation for the minimum hours and/or days as required by the System Standards, to the extent consistent with applicable local law.

4.25 Best Efforts. At all times during the term of this Agreement, you will use your best efforts to develop the Franchised Business, to develop the market for items and services offered by the Franchised Business, to increase the market share of the Franchised Business within the Territory, to effect the widest possible distribution of items and services offered by the Franchised Business throughout the Territory, and to otherwise develop and promote the Franchised Business in the Territory. Your compliance with this Section 4.25 does not excuse any failure to meet your Minimum Annual Performance Requirements.

4.26 Special Accounts. We have the right to enter into agreements with certain customers who have or are likely to have need for swimming pool or spa service and related items in multiple market areas ("Special Accounts"). Under a Special Account agreement, we, on behalf of ourselves and our participating franchisees, may agree to provide items or services at certain specified prices or in accordance with certain specified procedures. If we provide you notice of any Special Account agreement with one or more Special Accounts that has any job sites in your Territory that are subject to the Special Account agreement, then you will have the option to participate in servicing the Special Account. You must notify us in writing of your decision within 5 days after receiving this notice. If you elect to participate in servicing the Special Account, you will be obligated to sell items and services to the Special Account according to the terms and conditions of the Special Account agreement for the duration of the Special Account Agreement (subject to the term of this Agreement), unless you obtain our prior written consent to discontinue servicing a Special Account. If you elect not to participate in servicing the Special Account, then we may allow another franchisee, affiliate or approved supplier to provide the relevant items and services for the Special Account job site in your Territory without any liability to you, regardless of any other provisions in this Agreement.

4.27 Subcontractors. Each subcontractor that you use in connection with the Franchised Business must be properly licensed and adequately insured.

4.28 CPO Certification. Regardless of the applicable legal requirements for Certified Pool & Spa Operator certification, we require that your owner obtain this certification within the first 12 months after signing the franchise agreement with us. This certification, which is offered only through the Pool & Hot Tub Alliance, requires taking an accredited course in person or live on-line from a certified instructor and passing an exam. You will provide us with proof of CPO Certification within 5 days following successful certification.

5. FRANCHISED BUSINESS MANAGEMENT

5.01 Management. At all times during the term of this Agreement, you will designate a manager who will meet our educational, managerial and business experience standards, and who will devote full time, energy, attention and best efforts to the management and operation of the Franchised Business ("Manager"). If you are an individual, you may serve as the Manager. If you are an entity, you may designate an owner, officer or employee to serve as the Manager. You will advise us in writing of the identity of your designated initial Manager as soon as possible after the Effective Date of this Agreement, and in any event before you begin operating the Franchised Business. You will advise us in writing of the identity of each designated successor Manager immediately after the prior Manager ceases to serve as manager.

5.02 Initial Training. Before the Franchised Business begins operations, you and your initial Manager must attend and complete to our satisfaction the live initial training program required for franchisees, owners and Managers, and must complete to our satisfaction the online initial training program required for franchisees, owners and Managers. Any successor Manager you later employ must also satisfactorily complete the initial training program we require before (or as soon as we require after) being designated as Manager of the Franchised Business. If you are an entity, at least 1 of your owners must also attend and complete to our satisfaction the initial training program. We will provide instructors, facilities and training materials for the training of you, your initial Manager, and your owners. There is no tuition for the initial training program. All other expenses incurred in the training of your trainees, including the cost of travel, transportation, meals, lodging and any wages, will be your responsibility. You will pay to us the then-current tuition (or then-current per diem fee) and expenses we incur for the initial training of any successor Manager you later employ, including the reasonable travel, transportation, meals and lodging expenses we incur if we elect to provide this training at your Franchised Business. If your Manager fails to successfully complete the initial training program to our satisfaction, we may require your Manager to attend additional training programs (at your cost) or we may require you to appoint a new Manager and to send that new Manager to the initial training program (at your cost). If, after this corrective action, your Manager fails to successfully complete the initial training program to our satisfaction, we may terminate this Agreement.

5.03 Other Training. You, your owners and your Manager must attend any other training programs that we designate as mandatory for franchisees, franchisee owners and managers, respectively; however, we will not require more than 4 days' of other training during each calendar year. You will be responsible for all travel, transportation, lodging, meals and incidental expenses and compensation of the people you send for other training programs. All training materials are confidential, and will remain our property. We will not charge any fee for any additional training we provide.

5.04 Staff Training. You will maintain competent and conscientious personnel to operate the Franchised Business in accordance with this Agreement and the Manual. You will train or cause the training of all of your personnel as and when required by prudent business practices, System Standards, or this Agreement.

6. ASSISTANCE BY US

6.01 Access to Manual. Within 15 days after execution of this Agreement, we will make available to you for the term of this Agreement an electronic copy of our current operations manual, and we will later provide you with all periodic modifications thereto and any other written or electronic materials we may develop specifying the System Standards (collectively, the "Manual").

6.02 Required Purchases. We will provide you with standard lists and/or specifications for any approved equipment, inventory, supplies and other required items. We will provide you with standard lists of any authorized suppliers of any of these items. We will provide you with the assistance and consultation we deem advisable regarding required purchases.

6.03 Purchasing Assistance. Although you are responsible for purchasing or procuring items and services for use in connection with the Franchised Business, we and/or our affiliates may offer optional assistance to you with purchasing or procuring items or services. We may require minimum standards or specifications for these items and services for the Franchised Business, specify approved items and services, and restrict the suppliers authorized to sell or provide certain items and services in order to control quality, provide for consistent service or obtain volume discounts. We will provide you with System Standards for items and services, our list of approved items and services, and our list of approved suppliers. You acknowledge that we and/or our affiliates may be the sole approved suppliers for certain approved items and services. We and/or our affiliates may derive revenue based on your purchases and leases, including from charging you for products and services that we or our affiliates provide to you and from promotional allowances, volume discounts, rebates, commissions, and other payments made to us by suppliers and/or distributors that we designate or approve for some or all of our franchisees. We and our affiliates may use all amounts received from suppliers and/or distributors, whether or not based on your or other franchisees' actual or prospective dealings with them, without restriction for any purposes that we or our affiliates deem appropriate.

6.04 Initial Training. We will provide live initial training to you, your owners and your Manager on mutually-convenient dates and will make available for your required completion the online training program. However, we may, in our sole discretion, elect not to provide the initial training to the trainee if the trainee has at least 6 months' prior experience in the management and operation a System Business. All initial training we provide will be offered, in our sole discretion, at our training facility, at a business operated by a franchisee or an affiliate, at your location, or at some other location in the United States we select, or through computerized or online training sessions, and will be subject to the provisions of Section 5.02.

6.05 Other Training. We may offer or require other training for you or your owners or Manager. Other training will be held at one or more locations in the United States we select, and may be held in conjunction with a franchisee conference. All other training we provide will be subject to the provisions of Section 5.03.

6.06 Pre-Opening and Opening Assistance. We will provide you with pre-opening and opening assistance consultation as we deem advisable.

6.07 Franchised Business Premises. We will approve or reject the proposed sites for your Franchised Business. If you do not obtain our approval of a site for the Franchised Business within 12 months after the Effective Date, we may terminate this Agreement. We will review the proposed lease (if any) for your Franchised Business premises and offer our suggestions. If you will have a commercial space for your Franchised Business premises, we will provide you with prototype plans and specifications for the design and layout of your Franchised Business premises.

6.08 Continuing Consultation. We will assist you to understand your obligations under the System Standards and this Agreement, provide you with other continuing consultation, and may provide you with new proprietary methods and procedures relating to approved items or services, or to operation of the Franchised Business, all on the terms we deem appropriate. To the extent possible, this consultation will be provided during inspections and audits, through the System Standards, at training sessions (if any), and during franchisee conferences (if any). If you request additional operating assistance or services, we may require that you pay our then-current per diem Management Fee and the expenses we incur in providing additional assistance to you.

6.09 Conferences. We may sponsor periodic conferences for our franchisees, at which seminars, workshops and other training may be conducted. We may require you, your owners or your Manager to attend each conference, subject to the provisions of Section 4.19.

6.10 Marketing Plan and Marketing Programs.

(a) We will coordinate with you to develop a marketing plan for the first year of operations of your Franchised Business, which you will follow. We will provide you with an initial supply of brochures and some other promotional materials at no cost to you.)

(b) We will implement one or more Marketing Programs, and we (or our designee or affiliate) will administer the Marketing Programs. We will determine in our sole discretion: the nature and type of program; the nature and type of media placement; the allocation (if any) among national, regional and local markets; the nature and type of advertising copy and other marketing materials; and all other aspects of the Marketing Programs. We do not promise that you will benefit directly or proportionately from any Marketing Programs. On occasion, we may make available to you local advertising materials and programs, at your cost. We will use marketing fees we collect from franchisees to pay for the Marketing Programs and to reimburse our reasonable direct and indirect costs, overhead and other expenses (and those of our designee or affiliates) of providing services and materials relating to the Marketing Programs. Any System Business operated by us or our affiliates will not be required to contribute to the Marketing Programs on the same basis as our franchisees or otherwise, and we are not obligated to supplement the marketing fees. We have the right to terminate any Marketing Program, at our discretion. However, any termination of a Marketing Program will not be effective

until all marketing fees we have collected for the Marketing Program have been expended or re-allocated to another Marketing Program.

6.11 System Website. We or one or more of our designees may establish a website or series of websites or similar technologies, including mobile applications and other technological advances that perform functions similar to those performed on traditional websites, for the Premier Pool Service/Pinnacle Pool Service network to advertise, market and promote System Businesses, the products and services they offer, and the System Business franchise opportunity; to facilitate the operations of System Businesses; and/or for any other purposes that we determine is appropriate for System Businesses (those websites, applications and other technological advances are collectively called the "System Website"). If we include information about the Franchised Business on the System Website, then you agree to give us the information and materials that we periodically request concerning the Franchised Business and otherwise participate in the System Website in the manner that we periodically specify. We have the final decision concerning all information and functionality that appears on the System Website and will update or modify the System Website according to a schedule that we determine. By posting or submitting to us information or materials for the System Website, you are representing to us that the information and materials are accurate and not misleading and do not infringe any third party's rights. You must notify us whenever any information about you or the Franchised Business on the System Website changes or is not accurate.

We own all intellectual property and other rights in the System Website and all information it contains, including the domain name or URL for the System Website and all subsidiary websites, the log of "hits" by visitors, and any personal or business data that visitors (including you, your personnel and your customers) supply. We may use the marketing fees that we collect from franchisees to develop, maintain, support and update the System Website. We may implement and periodically modify System Standards relating to the System Website and, at our option, may discontinue all or any part of the System Website, or any services offered through the System Website, at any time.

All local marketing that you develop for the Franchised Business must contain notices of the System Website in the manner that we periodically designate. You may not develop, maintain or authorize any other website, other online presence or other electronic medium (such as mobile applications, kiosks and other interactive properties or technology-based programs) that mentions or describes you, the Franchised Business or its products or services or that displays any of the Marks. Except for the System Website (if applicable), you may not conduct commerce or directly or indirectly offer or sell any products or services using any website, another electronic means or medium, or otherwise over the Internet or using any other technology-based program without our approval. If, however, you are a conversion franchise and have an existing website that we have approved, you will maintain the existing website if we require, and you will add whatever links or other information to the System Website (if applicable) site that we require.

Nothing in this Section 6.11 shall limit our right to maintain websites and technologies other than the System Website or to offer and sell products or services under

the Marks from the System Website, another website or technology, or otherwise over the Internet (including to the Franchised Business's customers and prospective customers) without payment or obligation of any kind to you.

6.12 Additional Items, Services and Suppliers. If you desire to offer additional items or services in connection with the Franchised Business that are not approved by us, or desire to purchase approved items and services from any supplier who we have not approved, we will consider any written request by you for approval of additional items, services or suppliers (although we are not obligated to approve any). You must pay for our reasonable expenses in evaluating your request. We will notify you of our approval or disapproval of any new item, service or supplier requested by you within a reasonable time after we have received all of the relevant information we requested (typically, 120 days). We may withhold approval of any item, service or supplier, as we determine in our discretion. We can revoke approval of an approved supplier at any time in our sole discretion, and we will notify you of any revocation of supplier approval.

6.13 Operating Assistance. If you request, or if we reasonably determine that you need, additional assistance in the operation of your Franchised Business, we will provide on-site operating assistance to you in connection with the Franchised Business, at your expense, on mutually convenient dates, subject to scheduling. We may require that you pay our then-current per diem fee and the expenses we incur in providing this additional assistance to you. Upon the death or incapacity of you (if you are an individual) or of your majority owner (if you are an entity), we will have the right to provide additional operating assistance to you (at your cost) under this Section 6.13.

6.14 Special Accounts. We will have the sole discretion whether to enter into a Special Account agreement with a particular customer, and sole discretion as to the terms and conditions of any Special Account agreement. If any Special Account has any need for items and services at a job site in your Territory subject to the Special Account agreement, then we will offer you the opportunity to participate under the Special Account agreement, according to its terms and conditions, subject to Section 4.26.

7. PAYMENTS AND REPORTS

7.01 Initial Franchise Fee. Upon the execution of this Agreement, you will pay us an initial franchise fee in the amount specified in Exhibit A, in consideration of the administrative and other expenses we incurred in entering into this Agreement, and for our lost or deferred opportunity to enter into a similar arrangement with others. This initial franchise fee is non-refundable, and is fully earned when we execute this Agreement.

7.02 Royalty Fee. During the term of this Agreement, and for as long as you are using the System or Marks, you will pay us a continuing royalty fee equal to 5.45% of your Gross Revenues. "Gross Revenues" means all revenue from the sale of all products and services, and all other income or consideration of every kind and nature received by you or the Franchised Business, all revenues associated with delivering and/or selling products or services off-premises to customers, and any proceeds from business interruption insurance, whether for cash, credit, charge account, debit account, exchange,

barter or otherwise and regardless of collection, less (a) any sales taxes or other taxes collected by you from your customers and thereafter paid directly to the appropriate taxing authority and (b) any customer discounts or refunds. Amounts paid by gift card, stored value card or similar program are included in Gross Revenues when the gift card, or other instrument or applicable credit is redeemed.

7.03 Marketing Fee. You will also pay us an ongoing monthly marketing fee (the "Marketing Fee") equal to 1% of your Gross Revenues, provided that we have the right to increase the Marketing Fee up to 4% of Gross Revenues by providing you 30 days' prior written notice.

7.04 Technology Fee. You agree to pay us a technology fee ("Technology Fee") in an amount we periodically specify. We may establish and periodically modify the Technology Fee in our reasonable judgment, provided that the Technology Fee will not exceed 1% of Gross Revenues.

7.05 Place and Method of Payment. You will pay us, without billing or demand, all ongoing fees required by this Agreement, within the time period required by this Agreement. You will pay us, without billing or demand, all monthly fees required by this Agreement, by the 15th day of each month for the preceding calendar month. You will submit your payments to us together with any statements and reports required under Section 7.11. All fees and other payments due to us under this Agreement will be made to us at our headquarters at 1221 Liberty Pike, Franklin, TN 37067, or as we otherwise specify in writing. We have the right to require you to transmit fees and other payments to us by means of electronic fund transfers, sweep accounts, Internet payment methods, or other methods in accordance with procedures that we may establish in the Manual or otherwise specify in writing. If we require alternate means of payment, you must execute all required authorizations and other documents, establish any required accounts, and otherwise cooperate with us to effectuate these means, and you must ensure that each payment is timely and fully made.

7.06 Late Payments. If we do not timely receive any fee or any other amount due to us under this Agreement on or before the due date, you will pay us a late fee equal to \$100, plus the lesser of the daily equivalent of 1% per month of the overdue amount, or the highest rate then permitted by applicable law, for each day the amount is past due, accruing until the past-due amount is paid in full. This provision does not permit or excuse late payments.

7.07 Taxes. You will pay to us when due any federal, state or local sales, gross receipts, use, value added, excise or similar taxes that are levied or assessed against us because of any fees and other payments you make to us under this Agreement, but not including any income tax or franchise tax or other tax for the privilege of doing business in your state.

7.08 Allocation of Payments. Unless we otherwise agree in writing, all payments you make to us under this Agreement will be applied in the order we determine in our sole discretion. We will not be bound by any instructions for allocation you specify.

7.09 Right of Offset. We will have the right at any time before or after termination of this Agreement, without notice to you, to offset any amounts or liabilities that you may owe to us against any amounts or liabilities that we may owe you, whether arising under this Agreement or any other agreement, loan, transaction or relationship between the parties.

7.10 Books and Records. You will maintain complete and accurate accounting books and records relating to the Franchised Business in accordance with generally-accepted accounting principles, subject to this Agreement and other reasonable accounting standards we may specify periodically.

7.11 Reports. You will prepare written periodic reports, in the forms required by the System Standards, containing the information we require about your operations during each reporting period. You will submit to us all monthly reports, including monthly reports of Gross Revenues, on the forms that we periodically require, by the 15th day of each month for the preceding calendar month. You will submit to us all other reports, on the forms that we periodically require, within the time period required by the System Standards. You will prepare and submit other reports and information about your operations as we may reasonably request in writing or as required by the System Standards on forms that may be specified by us from time to time. We may require, at our option, that certain reports you are required to submit be certified as true and correct by you, your owners or your chief financial officer, and that certain reports be submitted using the formats and communication media that we specify.

7.12 Financial Statements. You will deliver to us: (a) within 30 days after the end of each quarter, an income statement, balance sheet and statements of cash flows for the Franchised Business as of the end of the previous quarter; and (b) within 90 days after the end of each fiscal year, a detailed income statement, balance sheet and statement of cash flows for such fiscal year, all of which must be accurate and complete and prepared in accordance with generally-accepted accounting principles. You must prepare and submit all financial statements in any format we may require. You must certify or validate each report and financial statement in that manner that we periodically specify. If we determine that you have failed to comply with your reporting or payment obligations under this Agreement, including by submitting any false reports, we may require you to have audited financial statements prepared annually by a certified public accountant at your expense during the remaining term, in addition to our other remedies and rights under the Agreement and applicable law.

7.13 Tax Returns. If we request, you will deliver to us, no later than 30 days after we request, a copy of each of your previously-filed reports and returns of sales, use and gross receipt taxes and complete copies of any previously-filed state or federal income tax returns covering the operation of the Franchised Business.

7.14 Record Retention. You will retain copies of all reports, and originals or copies of all other information, books, records, and other materials relating to operation of the Franchised Business for a period of at least 5 years following their respective dates.

8. SYSTEM STANDARDS AND MANUAL

8.01 System Standards. At present, the System includes (a) our trade secrets and other intellectual property, including Confidential Information, the Manual and know-how; (b) marketing, advertising, publicity, public relations and other promotional materials and programs; (c) System Standards; (d) training programs and materials; and (e) service quality and customer satisfaction standards and programs. You acknowledge and agree that every detail of the System is important to us and all of our franchisees in order to develop and maintain high and uniform operating standards, to increase the demand for the items and services marketed by all franchisees, and to protect our reputation and goodwill. You will maintain the high System Standards with respect to your Franchised Business, office, vehicle, other equipment, signs, services, items, and operations. You will strictly comply with all of the mandatory System Standards in the Manual or that we otherwise provide to you in writing. We will notify you about any changes in the System Standards.

8.02 Modification of Manual. We may, in our sole discretion, change, delete from or add to the System, including any of the System Standards, by providing you with written notice of any change, or by modification of the Manual. You will implement all mandatory modifications promptly after written notice from us, provided that no modification of System Standards will alter your fundamental rights or status under this Agreement. If there is a dispute as to the contents or meaning of any part of the Manual, the version maintained by us at our principal office will be controlling. The Manual is confidential and will remain our property.

8.03 Ownership of the System. We own all rights, title and interest in and to the System. You will not acquire any proprietary interest in the System. Your right to use the System is a franchise, derived solely under this Agreement. Unauthorized use of the System by you will constitute a material breach of this Agreement.

8.04 System Improvements. All present and future distinguishing characteristics, improvements and additions to, or associated with, the System by us, you or others, and the associated goodwill will be our property, and will inure solely to our benefit. If you develop any concept, process, service, or improvement in the operation or promotion of the Franchised Business, this concept, process, service, or improvement will become our property, and we may use it or disclose it to others without any obligation to compensate you for it.

8.05 Variations. It may not be possible or practical for us to require complete and detailed uniformity under the various types of conditions different franchisees may face, and under changing customer needs and market conditions. Accordingly, we specifically reserve the right to vary standards for any franchisee based upon the particular situation involved, local conditions, existing business practices, or any other factor that we consider important to the successful operation of the particular franchisee's business. You will have no rights or claims against us for any variation from standard specifications and practices granted to any other franchisee, and you are not entitled to the same or similar variation.

9. MARKS

9.01 Ownership of the Marks. You acknowledge that we (or our licensor) own all rights, title and interest in and to the Marks. You will not acquire any proprietary interest in the Marks, and you will not challenge ownership of the Marks or our right to use the Marks. Except as expressly provided in this Agreement, you will not acquire any rights in the Marks. Your right to use the Marks is merely a license, derived solely under this Agreement.

9.02 Registration. We, in our sole discretion, may take any actions that we deem necessary to preserve and protect ownership of, and the validity of, the Marks. You will not apply for governmental registration of the Marks, or contest the registration status of the Marks. You will display the Marks, and give notice of trademark registration and claims in the following manner: "Premier Pool Service[®]" or "Pinnacle Pool Service[®]," as applicable (or as otherwise required in the Manual). You will cooperate fully and in good faith with us for the purpose of maintaining registrations and prosecuting applications for the Marks and otherwise securing and preserving rights in and to the Marks.

9.03 Use of the Marks. You will not use the Marks without our prior written consent. Before each intended use of any material of any nature that bears any of the Marks, you will submit to us samples of the materials. You will use the Marks only as expressly authorized by this Agreement, the Manual or as we otherwise provide in writing. Unauthorized use of the Marks by you will constitute a breach of this Agreement, and an infringement of our rights in and to the Marks. You will take all steps necessary or appropriate to preserve the goodwill and prestige of the Marks. You will use the Marks only in connection with the Franchised Business. You will not use any Mark in your corporate name or legal name, but you may use a Mark in an assumed business or trade name if you first obtain our prior written consent. You will not use any Mark with any prefix, suffix or other modifying trademarks, logos, words, terms, designs or symbols or in any modified form without our prior written consent. You will not use any Mark in connection with any unauthorized item or service, or in any manner not expressly authorized under this Agreement.

9.04 Inurements. All usage of the Marks and any goodwill associated with the Marks will inure exclusively to the benefit of us (or our licensor). All present and future service marks, trademarks, copyrights, service mark registration and trademark registration used or to be used as part of the System, and the associated goodwill, will be our (or our licensor's) property, and will inure solely to our (or our licensor's) benefit. Upon the expiration or termination of this Agreement for any reason, no monetary amount will be assigned as attributable to any goodwill associated with your use of the Marks.

9.05 Infringement and Litigation.

(a) You will promptly notify us in writing of (1) any adverse or infringing uses of the Marks (or names or symbols confusingly similar), Confidential Information or other System intellectual property, and (2) any threatened or pending litigation related to the Marks or System (including any patent-related claims) against (or naming as a party) you

or us, of which you become aware. We (or our licensor) have the right, in our (or its) sole discretion, to (A) handle disputes with third parties concerning use of all or any part of the Marks or System in any manner we (or it) deem appropriate, (B) choose whether or not to initiate suits or proceedings to enforce or protect rights related to the Marks or the System, and (C) direct and control any litigation or administrative proceeding relating to the Marks or the System. You will cooperate fully and in good faith with our (and our licensor's) efforts to resolve any such disputes. We (or our licensor) may bring suit in your name or join you as a party to the relevant proceedings. We may resolve any dispute in our sole discretion, including, without limitation, by obtaining a license of the property for you at no expense to you or by requiring that you discontinue using the infringing property or modify use to avoid infringing the rights of others.

(b) We will defend you against any third-party claim, suit, or demand arising out of your use of the Marks. If we, in our sole discretion, determine that you have used the Marks in accordance with this Agreement, we will bear the cost of defense, including the cost of any judgment or settlement. If we, in our sole discretion, determine that you have not used the Marks in accordance with this Agreement, you will bear the cost of this defense, including the cost of any judgment or settlement. If there is any litigation relating to your use of the Marks, you will execute any and all documents and do other acts as may be necessary, in our opinion, to carry out defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that any litigation results from your use of the Marks in a manner inconsistent with the terms of this Agreement, we will reimburse you for your out-of-pocket litigation costs in cooperating with us in the litigation.

9.06 Substitution of Marks. We reserve the right to substitute different proprietary marks for use in identifying the System, the System Businesses, and/or the items or services offered, if the Marks no longer can be used, or if we, in our discretion, determine that substitution of different proprietary marks will be beneficial to the System. In these circumstances, the use of the substituted proprietary marks will be governed by the terms of this Agreement, and we will not compensate you for the costs of this substitution. You will promptly implement any substitution, at your own expense, within the time period we reasonably require.

10. CONFIDENTIAL INFORMATION

10.01 Confidential Information. We possess certain non-public trade secrets, proprietary information, technical data, or know how which relate to our business, System, services or items, or to System Businesses, including the Manual, System Standards, quality-control systems, training materials, and information regarding salary, research, items, services, developments, inventions, processes, techniques, designs, marketing, finances, field operations, and computer hardware and software (collectively, "Confidential Information") that we will provide to you. You will also obtain other Confidential Information during the term of this Agreement. You acknowledge that your entire knowledge of the operation of a business that markets, offers, and sells cleaning, maintenance, and repair services for swimming pools and spas, including the method of establishing this type of business, and the related specifications, standards, and

procedures involved in the operation of such a business are derived solely from Confidential Information we disclosed (or will disclose) to you.

10.02 Protection of Confidential Information. You will use the Confidential Information only in the operation of the Franchised Business, and you will not disclose Confidential Information to others, except as expressly authorized by this Agreement. You will take all appropriate actions to preserve the confidentiality of all Confidential Information. You are specifically required to keep the Manual log in information confidential. Any electronic access to the Manual using your log in information will be deemed to have been done by you. Access to Confidential Information must be limited to only your employees who need the Confidential Information to perform their jobs and who have first signed a confidentiality agreement in a form approved by us. You will not copy or permit copying of Confidential Information. Your obligations under this section begin when you sign this Agreement and continue for trade secrets as long as they remain secret, and, for other Confidential Information, for as long as we continue to use the information in confidence (even if edited or revised) plus 3 years. We will respond promptly and in good faith to any inquiry by you about continued protection of any Confidential Information. You agree to pay all court costs and reasonable attorneys' fees that we incur as a result of your actual or threatened disclosure of Confidential Information.

10.03 Disclosure of Confidential Information. Notwithstanding anything to the contrary in this Section 10, you may disclose Confidential Information if you are required by law to disclose it, provided that you give us at least 10 days' notice, if feasible, of your intent to disclose. You may also disclose Confidential Information to your attorneys, accountants, financial and investment advisors, bankers or lending institutions, and other advisors and consultants of a similar nature, provided that any disclosure is only to the extent necessary for your advisors to perform their services for you, and provided that these persons have the legal obligation to, or otherwise expressly agree in writing, to keep the Confidential Information confidential. You will require that your owners, officers, Managers, employees, agents and representatives who may have access to Confidential Information sign agreements to maintain the confidentiality of any information, and these agreements will be in a form acceptable to us and will identify us as a third-party beneficiary with the independent right to enforce them.

11. INSPECTIONS AND AUDITS

11.01 Inspections and Audits. You hereby grant to us and our employees, representatives and agents the right to enter your business premises associated with the Franchised Business during regular business hours. You will permit our employees, representatives and agents access to your offices, vehicle, other equipment, storage areas, and other places of business, to perform inspections of your operations (including Franchised Business vehicle, equipment, signs, inventory and supplies), files, documents, records, items and Mark usage, and to audit your financial and operating books and records (including tax returns) relating to the Franchised Business, with or without prior notice of the inspection or audit. The inspections and audits will occur during normal business hours, although we may observe your operations at any time. You, and your owners, officers, Managers, employees, agents and representatives will cooperate

with our inspectors and auditors in the performance of their duties. You will permit our inspectors and auditors to, among other things: take photographs, movies, video recordings or audio recordings; interview your Managers, employees, agents, and representatives; interview your customers; make copies of your books, records and other documents relating to the Franchised Business; and take samples of documents, inventory, supplies, items and other materials from your office, vehicle, other equipment, storage areas, and other facilities used in connection with the Franchised Business.

11.02 Unapproved Items and Services. You acknowledge that your offer or sale of any unapproved items or services or any use of unapproved inventory, supplies or equipment constitutes a material breach of this Agreement and good cause for termination of this Agreement. Any dispute between you and us as to whether any item, service or equipment is approved will be governed by the most current version of the Manual or by any other official lists we maintain at our principal place of business.

11.03 Other Corrective Action. If we notify you of any deficiencies in the operation of the Franchised Business pursuant to this Agreement which are detected during any inspection or audit or which otherwise become known to us, you will take the steps we may require to correct all deficiencies within the time period we specify.

11.04 Payments. You will pay us any underpayment of, and we will pay to you or credit your account for any overpayment of, royalty fees, Marketing Fees, or other fees discovered by an audit.

11.05 Audit and Inspection Costs. You will pay us for the reasonable travel, lodging and meal expenses, and other audit and inspection costs we incur if you or your owners, officers, Managers, employees, agents or representatives fail to fully cooperate with our auditors or inspectors, or if the audit reveals that you paid us less than 98% of the correct amount of fees for any month. We may publish or disclose the results of our inspections and audits. Our rights under this Section 11 survive for 2 years after expiration or termination of this Agreement, or any Transfer.

12. RELATIONSHIP OF THE PARTIES

12.01 Independence. You are an independent contractor. You are not our legal representative or agent, and you have no power to obligate us for any purpose whatsoever. We and you have a business relationship based entirely on and circumscribed by this Agreement. No partnership, joint venture, joint employer, agency, fiduciary or employment relationship is intended or created by reason of this Agreement. You will exercise full and complete control over, and have full responsibility for, all of your contracts, daily operations, labor relations, employment practices and policies, including the recruitment, selection, hiring, disciplining, firing, compensation, work rules, and schedules of your employees and other personnel. At all times, including in connection with all uses of any of the Marks, in connection with the operation of the Franchised Business, and in connection with all dealings with customers, suppliers, public officials, the general public, and others, you will conspicuously indicate your status as an independent contractor, including in all contracts, advertising, publicity, promotional and

other marketing materials, and on any signs and uniforms, and in the fashion as specified in the Manual or as we otherwise may require. You will not make any express or implied agreements, guarantees or representations, or incur any debt in our name or on our behalf. You will not represent that the relationship between you and us is anything other than a franchise relationship. We will not be obligated by or have any liability under any agreements or representations made by you, and we will not be obligated for any damages to any person or property directly or indirectly arising out of the operation of the Franchised Business.

12.02 Joint Status. If you comprise 2 or more persons or entities (notwithstanding any agreement, arrangement or understanding between or among these persons or entities), the rights, privileges and benefits of this Agreement may only be exercised and enjoyed jointly. The liabilities and responsibilities under this Agreement will be the joint and several obligations of all of these persons or entities.

13. INSURANCE AND INDEMNIFICATION

13.01 Insurance Coverage. Before your Franchised Business begins operations, you must obtain insurance in the types and amounts specified in our franchise disclosure document and Manual. Your insurance policies must designate us and any of our affiliates that we designate as an additional named insured, contain a waiver of subrogation, and provide that the insurer will not cancel or materially alter the policies without giving us at least 30 days' prior written notice. You will maintain all required insurance in force during the term of this Agreement, and you will obtain and maintain any additional or substituted insurance coverage, limits and amounts as we may periodically require. All insurance coverage will be underwritten by a company acceptable to us, with an A.M. Best rating of no less than "A." Your compliance with these insurance provisions does not relieve you of any liability under any indemnity provisions of this Agreement.

13.02 Proof of Insurance. Before your Franchised Business begins operations, you will provide us with a copy of each certificate of all required insurance coverage. You will promptly provide us with copies of each certificate for all renewal or replacement insurance policies. Upon our request, you will provide to us a copy of any of your insurance policies we request within 10 days after receiving our request.

13.03 Indemnification and Defense of Claims.

(a) Independent of your obligation to procure and maintain insurance, you agree to indemnify and hold harmless us, our affiliates, and our and their respective owners, directors, officers, employees, agents, representatives, successors and assignees (collectively, the "Indemnified Parties") against, and to reimburse any one or more of the Indemnified Parties for, all Losses (defined below) directly or indirectly arising out of or relating to: (1) the Franchised Business's development or operation; (2) the business that you conduct under this Agreement; (3) your breach of this Agreement; (4) your noncompliance or alleged noncompliance with any law, ordinance, rule or regulation, including those concerning the Franchised Business's operation, and including any allegation that we or another Indemnified Party is a joint employer or otherwise

responsible for your acts or omissions relating to your employees; or (5) claims alleging either intentional or negligent conduct, acts or omissions by you (or your (sub)contractors or any of your or their employees, agents or representatives), or by us or our affiliates (or our or their contractors or any of our or their employees, agents or representatives), subject to Section 13.03(c). "Losses" means any and all losses, expenses, obligations, liabilities, damages (actual, consequential, or otherwise), and reasonable defense costs, including accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, or alternative dispute resolution, regardless of whether litigation, arbitration, or alternative dispute resolution is commenced.

(b) You agree to defend the Indemnified Parties against any and all claims asserted or inquiries made (formally or informally), or legal actions, investigations, or other proceedings brought, by a third party and directly or indirectly arising out of or relating to any matter described in Subsection 13.03(a)(1) through (5) above (collectively, "Proceedings"), including those alleging the Indemnified Party's negligence, gross negligence, willful misconduct and/or willful wrongful omissions. Each Indemnified Party may at your expense defend and otherwise respond to and address any claim asserted or inquiry made, or Proceedings brought, that is subject to this Section 13.03 (instead of having you defend it as required above), and agree to settlements or take any other remedial, corrective, or other actions, for all of which defense and response costs and other Losses you are solely responsible, subject to Section 13.03(c). An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against you, and you agree that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this Section 13.03. Your obligations under this Section 13.03 will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

(c) Despite Section 13.03(a), you have no obligation to indemnify or hold harmless an Indemnified Party for, and we will reimburse you for, any Losses (including costs of defending any Proceeding under Section 13.03(b)) to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's willful misconduct or gross negligence, so long as the claim to which those Losses relate is not asserted on the basis of theories of vicarious liability (including agency, apparent agency, or joint employer) or our failure to compel you to comply with this Agreement, which are claims for which you are not entitled to indemnification pursuant to this Section 13.03(c). However, nothing in this Section 13.03(c) limits your obligation to defend us and the other Indemnified Parties under Section 13.03(b).

(d) Franchisees have no obligation to indemnify or hold harmless an indemnified party for losses to the extent that they are determined to have been caused solely and directly by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

14. TRANSFERS

14.01 Transfers by Us. We will have the right to transfer or assign all or any part of our rights or obligations under this Agreement to any person or legal entity. With respect to any assignment that results in the subsequent performance by the assignee of all of our obligations under this Agreement, the assignee will expressly assume and agree to perform these obligations, and will become solely responsible for all of our obligations under this Agreement from the date of assignment. In that case, you will release and hold us harmless for any future liability, and you agree to look solely to the assignee for performance of the franchisor's obligations under this Agreement that have been assigned. Without limiting the foregoing, you expressly acknowledge that we may sell our assets, Marks, or System; may sell our securities in a public offering or in a private placement; may merge, acquire other entities, or be acquired by another entity; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

14.02 Transfer by You. You acknowledge that your rights and duties in this Agreement are personal to you, and that we have granted these rights in reliance on your business experience, skill, financial resources and personal character (and that of your owners, officers, directors, Managers and guarantors, if any). Accordingly, neither you, nor any immediate or remote successor to any part of your interest in this Agreement, nor any individual, partnership, corporation, or other legal entity that directly or indirectly owns any interest in you will sell, encumber, assign, transfer, convey, pledge, merge or give away any direct or indirect interest in this Agreement, or in you, or in all or substantially all of the assets of the Franchised Business (collectively, a "Transfer"), unless we consent and unless all of the requirements of Section 14.03 and Section 14.04 are satisfied. Any transaction requiring our consent under this Section 14.02 for which our prior written consent is not obtained will be void, as between you and us. In that event: we may terminate this Agreement under Section 15.02; you will remain responsible for performing the post-termination obligations in Section 16; and the purported transferee may not operate the Franchised Business under the Marks or the System.

14.03 Transfer Conditions. We may, to the extent permitted by applicable law, condition and withhold our consent to a Transfer, when required under Section 14.02 until the transferee and you meet certain conditions; however, we will not unreasonably withhold, delay or condition our consent. If a Transfer is to occur: (a) the proposed transferee must apply for a franchise and must meet all of our then-current standards and requirements for becoming a franchisee, in our sole discretion; (b) you or the proposed transferee must provide to us in writing the circumstances of the proposed Transfer, including the material terms of the transfer and the transferee's resulting debt load, all of which we have the right to approve; (c) the proposed transferee must provide to us the same supporting documents as a new franchise applicant; (d) you or the proposed transferee must pay us a transfer fee of \$5,000; (e) the proposed transferee must sign the form of franchise agreement we then offer to prospective franchisees, which agreement will generally provide for a new term equal to the remaining term of this Agreement, and the transferee's owners will sign our then-current form of guaranty that we require of franchisees' owners; (f) the proposed transferee and its manager must complete to our satisfaction the initial

training then required for new franchisees and their managers; (g) you or the proposed transferee must refurbish the office, vehicle, other equipment and the Franchised Business, if we require, to conform to our then-current standards and specifications; (h) we must receive general releases from you and each of your owners, and payment of all amounts then owed to us and our affiliates by you and your owners and affiliates, and the transferee and its owners and affiliates, under this Agreement or otherwise; (i) this Agreement must still be in effect, and you must not be in default under this Agreement or any other agreement with us or any of our affiliates; (j) you must give us at least 30 days prior written notice of any proposed Transfer; and (k) you or the transferee must provide us with any additional information as we may reasonably request. We may withhold consent to the proposed transfer until all of these conditions are completely satisfied in our sole discretion.

14.04 Right of First Refusal. Any individual or entity holding any direct or indirect interest in this Agreement or in a substantial portion of the assets of the Franchised Business or in you (if you are an entity) and who desires to accept any bona fide offer from a third party to purchase the interest or assets will notify us in writing of each offer, and will provide any information and documentation relating to the offer as we may require. We will have the right and option, exercisable within 30 days after receipt of the written notification, to send written notice to the seller that we or our designee intend to purchase the seller's interest on the same terms and conditions offered by the third party. If we or our designee elect to purchase the seller's interest, closing of the purchase will occur within 60 days from the date of notice to the seller of the election to purchase by us or our designee. If we decline to purchase the seller's interest, the seller will have 90 days from the date it gives written notice to us of its purchase offer to sell its interest on the same terms and conditions and to the same transferee as described to us in the written notice. Any material change in the terms of the offer from a third party will constitute a new offer that will be subject to our right of first refusal under this Agreement. Our failure to exercise the option afforded by this Section 14.04 will not constitute a waiver of any other provision of this Agreement, including all of the other requirements of Section 14.02 and Section 14.03 with respect to the proposed Transfer. If the consideration, terms or conditions offered by a third party are of the type that we or our designee may not reasonably be able to furnish, then we or our designee may purchase the relevant interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the consideration terms or conditions offered by the third party, then each party will select an independent appraiser. The 2 appraisers will then have up to 15 business days to agree on a reasonable equivalent in cash. If they cannot agree during that period, then they will jointly select a third independent appraiser, whose decision will be final and binding on the parties.

14.05 Death, Divorce or Incapacity. Upon the death, divorce or incapacity of you (if you are an individual) or in a majority owner of you (if you are an entity), we will have the right to purchase some or all of the assets of the Franchised Business under Section 16.10. If we exercise this right, you and your majority owner (in the event of divorce), or the executor, administrator, personal representative, trustee or heirs of the relevant person (in the event of death or incapacity) must fully cooperate with us in an orderly transfer. If we do not elect to exercise this right, you, your majority owner, or the executor,

administrator, personal representative, trustee or heirs of the relevant person must transfer the relevant interest to a third party approved by us as soon as practically possible, and in no event more than 6 months after the relevant death, divorce or incapacity. This transfer, including any transfer by devise or inheritance, will be subject to the same conditions as other Transfers under this Agreement. However, in the case of transfer by devise or inheritance, if the heirs or beneficiaries of the relevant person are unable or unwilling to meet the conditions in Section 14.03, the executor, administrator, trustee or personal representative of the deceased person will have a reasonable time (but no longer than 6 months) to dispose of the interest in the Franchised Business, which will be subject to all the terms and conditions for Transfers contained in this Agreement. If the interest is not disposed of within 6 months following the relevant death or incapacity, we may terminate this Agreement under Section 15.02.

14.06 No Waiver. Our consent to a Transfer hereunder will not constitute a waiver of any claims we may have against you or the transferring party or our right to demand exact compliance with any provision of this Agreement.

15. DEFAULT AND TERMINATION

15.01 Termination Following Probation Period. The period beginning on the Effective Date of this Agreement and ending 90 days after you have begun operating the Franchised Business will be considered the “Probation Period.” During the Probation Period, we will evaluate your performance as a franchisee, including whether you are: (a) fulfilling your obligations under this Agreement; (b) otherwise complying with the System Standards; (c) providing superior service to your customers; (d) cooperating with your sub-contractors and us; and (e) on track to meet your Minimum Annual Performance Requirements. If we reasonably determine that your performance as a franchisee is deficient during the Probation Period, we will provide you with written notice describing in detail the deficiencies in your performance, the substantive steps you will need to take to correct the deficiencies by the reasonable deadlines we specify (possibly including additional training under Section 6.05, and/or additional assistance or services under Section 6.08 or Section 6.13). We will re-evaluate your performance 30 days after we provide you notice of deficiencies on the same criteria described in this Section 15.01. If we reasonably determine that your performance as a franchisee is still deficient at the end of the 30-day cure period, we may terminate this Agreement for good cause effective immediately upon delivery of notice of termination to you. In that situation, we will refund to you half of the initial franchise fee you paid to us within 30 days after you have fully performed your post-term obligations under this Agreement to our reasonable satisfaction.

15.02 Termination by Us without Right to Cure. We may terminate this Agreement for good cause effective immediately upon delivery of notice of termination to you, if any of the following conditions are satisfied: (a) you are judged a bankrupt, become insolvent, make an assignment for the benefit of creditors, are unable to pay your debts as they become due, a petition under any bankruptcy law is filed against you, or a receiver or other custodian is appointed for a substantial part of the assets of the Franchised Business; (b) you or any of your owners are convicted of a felony or other crime which

may reasonably be considered to impair the goodwill associated with the Marks; (c) you or your owners made any material misrepresentation or omission in the application for the Franchise; (d) you make an unauthorized Transfer; (e) the interest of a deceased, divorced or incapacitated person is not timely Transferred in accordance with the terms of this Agreement; (f) you understate your Gross Revenues in any report or financial statement on 2 or more occasions; (g) you commit any 2 or more defaults under this Agreement within any 12-month period, regardless of whether any default is cured; (h) you fail to operate the Franchised Business for more than 7 business days in any 12-month period without our written approval; (i) you fail to begin operation of the Franchised Business within 6 months from the Effective Date of this Agreement; (j) you sell, offer for sale, or give away any items or services that have not been previously approved by us in writing, or which have been subsequently disapproved, and you fail to cease these sales or gifts within 24 hours after receipt of notice by us; (k) you fail to meet the Minimum Annual Performance Requirement during any 12-month period (but termination in this case will not be effective until 30 days following written notice); or (l) you solicit prospective customers with potential job sites outside your Territory. The satisfaction of any of these conditions will be deemed to be a material uncurable default under this Agreement.

15.03 Termination by Us with 10-Day Cure Period. If you fail or refuse to timely pay any amounts owed to us or any of our affiliates, or if you fail to obtain or maintain insurance as required by this Agreement, we may, at our option, terminate this Agreement by giving you 10 days' written notice of default. If you do not cure any of these defaults within this 10-day period, we may terminate this Agreement for good cause effective upon delivery of notice of termination to you.

15.04 Other Termination by Us. Except as provided in Sections 15.01, 15.02 and 15.03, if you are in any other default under the terms of this Agreement, we, at our option, may terminate this Agreement by giving you 30 days' written notice of default. If you do not cure all of the defaults within this 30-day period, we may terminate this Agreement for good cause effective upon delivery of notice of termination to you.

15.05 Additional Remedies. We may deny you the benefits of the System for any default under this Agreement, and discontinue System benefits to you for the duration of any default. We may institute proceedings to collect amounts due under this Agreement without first issuing a default or termination notice. Our consent or approval as may be required under this Agreement or the System Standards may be withheld while you are in default under this Agreement or may be conditioned on the cure of all of your defaults. Our termination of this Agreement pursuant to Section 15 will be in addition to all other remedies, in law or in equity, available to us.

15.06 Governing State Law. If a longer notice or cure period or a different good cause standard is prescribed by applicable law, this longer period will apply to any termination of this Agreement.

15.07 Termination by You. You may terminate this Agreement if we have committed a material breach this Agreement and have failed to cure the breach within 2 months after we receive written notice of breach from you.

16. POST-TERMINATION RIGHTS AND OBLIGATIONS

16.01 Cease Use of System and Marks. Upon the expiration or termination of this Agreement by any means or for any reason, you will immediately cease to be a franchisee of ours and you will no longer have any rights to use the System or Marks under this Agreement. You will cease to operate the Franchised Business under the System or Marks. You will also immediately cease to use, in any manner whatsoever, any methods, procedures, or techniques associated with the System and cease to use the Marks in any manner. Unless we otherwise agree in writing, you will return to us all copies of materials bearing the Marks. You will not, directly or indirectly, represent to the public that the former Franchised Business is or was operated under or in any way connected with the System, or hold yourself out as a present or former franchisee of ours.

16.02 Payment of Amounts Owed. Upon the expiration or termination of this Agreement by any means or for any reason, you will immediately pay all sums you owe us and our affiliates. Upon termination for any default by you, these sums will include actual and consequential damages, costs, and expenses incurred by us as a result of the default, including collection costs and reasonable attorneys' fees.

16.03 Return Materials. Upon the expiration or termination of this Agreement by any means or for any reason, you will immediately return to us any training materials, other proprietary information, all trade secrets and confidential materials owned or franchised by us, and all copies.

16.04 Change of Identification. Upon the expiration or termination of this Agreement by any means or for any reason, you will, upon our request, immediately remove or obliterate the Marks from the office, vehicle, other equipment, marketing materials, supplies, signage and other items bearing any Marks. You will follow the other steps we may require in the Manual or otherwise in writing for changing the identification of your operations. You will promptly paint over or remove the distinctive System trade dress, color schemes, signage and other physical features from your office, and vehicle. You will not use any reproduction, counterfeit copy, or colorable imitation of the Marks either in connection with any business or the promotion thereof, that is likely to cause confusion, mistake, or deception or that is likely to dilute our exclusive rights in and to the Marks, and you will not utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with us so as to constitute unfair competition. If you fail or refuse to comply with the requirements of this Section 16.04, we will have the right to enter your business premises to make or cause to be made any changes as may be required at your expense, which expense you agree to pay us upon demand. We will exercise reasonable care in making these changes, but we will have no obligation or liability to restore your premises to its condition before making these changes. We will have the right to remove or obliterate the Mark-bearing portion of your supplies and equipment, and you will promptly pay or reimburse us for our costs of doing so.

16.05 Customer List and Jobs in Progress. Upon the expiration or termination of this Agreement by any means or for any reason, you must immediately provide to us all customer lists and contact information in your possession or control, and you must provide to us all of your files, contracts and other documentation relating to any jobs in progress or in your project queue. Upon termination, with respect to any job in progress, we will have the right (but not the obligation) to contact the applicable customer to advise the customer of such termination, or require you to do so, and you will cooperate with us as we require to ensure the customer's satisfaction with respect to such job.

16.06 Transfer of Telephone Number and Listings. Upon the expiration or termination of this Agreement by any means or for any reason, you will immediately take the action as we may require to transfer and assign to us or our designee all telephone numbers, white and yellow page telephone references, and related advertisements associated with the Franchised Business or any Mark. You acknowledge that we have the sole rights to and interest in all telephone numbers and directory listings relating to any Mark, and you authorize us to direct the telephone company and all listing agencies to transfer all telephone numbers and directory listings to us or our designee. If you fail or refuse to do so, the telephone company and all listing agencies may accept our direction as evidence of our exclusive rights in the telephone numbers and directory listings and our authority to direct the transfer. You agree to execute any written authorizations or pre-approved authorizations in the form prescribed by us directing the telephone company and any listing agencies to transfer all telephone numbers and directory listing to us or our designee upon the occurrence of any termination or expiration. You hereby irrevocably appoint us as your attorney-in-fact for this purpose. You will use your best efforts to assist us and our designee in an orderly transfer of these matters.

16.07 Cancel Assumed Name. Upon the expiration or termination of this Agreement by any means or for any reason, you will take any action as may be necessary to cancel any assumed name or equivalent registration that contains any Mark, and you will furnish us with evidence satisfactory to us of compliance with this obligation within 10 days after termination or expiration of this Agreement.

16.08 Non-Solicitation and Non-Competition. You acknowledge that we have legitimate business interests in protecting our System, our trade secrets and other Confidential Information, our goodwill associated with our Marks, and the System Businesses. Accordingly, you covenant that you will not, directly or indirectly, for a period of 2 years after the expiration or termination of this Agreement or any Transfer:

(a) engage in or invest in, own, manage, operate, finance, control, or participate in the ownership, management, operation, financing, or control of, be employed by, associated with, or in any manner connected with, lend your name or any similar name to, or render services or advice to any business that cleans, services, maintains, or repairs, or otherwise provides any cosmetic services with respect to, pools or spas within 50 miles of your Territory; or

(b) engage in or invest in, own, manage, operate, finance, control, or participate in the ownership, management, operation, financing, or control of, be employed by, associated

with, or in any manner connected with, lend your name or any similar name to, or render services or advice to any business that cleans, services, maintains, or repairs, or otherwise provides any cosmetic services with respect to, pools or spas within 50 miles of any territory assigned to any of our franchisees or licensees or serviced by us or any of our affiliates; or

(c) solicit or attempt to solicit any customer of the Franchised Business or any customer of ours or any of our affiliates, franchisees or licensees; or

(d) interfere with our relationship with any person, including any person who at any time during the term of this Agreement was a contractor, supplier, or customer of ours or yours.

The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 16.08 is held unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which we are a party, you expressly agree to be bound by any lesser covenant imposing the maximum duty permitted by law that is subsumed within the terms of the covenant, as if the resulting covenant were separately stated in and made a part of this Section 16.08. You further expressly agree that the existence of any claim you may have against us, whether or not arising from this Agreement, will not constitute a defense to the enforcement by us of the covenants in this Section 16.08. You understand and acknowledge that we will have the right, in our sole discretion, to unilaterally reduce the scope of all or part of any covenant in this Section 16.08 (before or after any dispute arises), without your consent, effective immediately upon receipt by you of written notice of any modification; and you agree that you will comply immediately with any covenant as so modified. The time period provided in this Section 16.08 will be extended for any period of non-compliance with the obligations in this Section 16.08.

16.09 Other Post-Termination Obligations. Upon the expiration or termination of this Agreement by any means or for any reason, you will immediately and strictly comply with all other provisions of this Agreement pertaining to post-termination obligations.

16.10 Right to Purchase. Upon the expiration or termination of this Agreement by any means or for any reason, we have the right, but not the obligation, to purchase for cash some or all of the assets of the Franchised Business, including vehicles, other equipment, signs, inventory, supplies, other items, marketing materials, and any items bearing any Mark. Before exercising this right, we will have the right to inspect the assets. If we elect to exercise our purchase rights, we will give you written notice of intent to do so within 30 days after termination or expiration of this Agreement. The purchase price for all assets will be the lesser of your cost or fair market value. If you cannot adequately substantiate your costs or if the parties cannot agree on fair market value of the assets within 15 days after we provide notice of intent to purchase, then each party will select an independent appraiser. The 2 appraisers will then have up to 15 business days to agree on a fair market value for the relevant assets. If they cannot agree during that period, then the final fair market value will be determined by averaging the amounts determined by the 2 appraisers. If we elect to exercise our purchase rights, closing will take place if reasonably

possible within 45 days after we provide notice of intent to purchase. We will have the right to offset all amounts you owe to us or our affiliates against any payment therefor.

16.11 Survival of Certain Provisions. Sections 7, 10, 11, 13, 16, 17, and 18 (or parts of those sections) survive termination or expiration of this Agreement (regardless of which party initiates termination or regardless of cause) or a Transfer by you. You will continue to comply with your continuing obligations under these sections following termination or expiration of this Agreement or following a Transfer until the obligations, by their nature or by the relevant express provisions, expire.

17. DISPUTE RESOLUTION

17.01 Informal Dispute Resolution. Before initiating any arbitration or litigation proceeding for any dispute arising under or relating to this Agreement, the party intending to initiate the proceeding will notify the other party in writing of the existence and specific details of the dispute. Within 15 business days after the other party's receipt of the notice, one of our officers or managers will meet with you or one of your owners, officers or Managers at our principal place of business or some other mutually-agreeable location, to negotiate in good faith in an effort to resolve the dispute amicably. If this informal attempt to resolve the dispute is unsuccessful, either party may initiate arbitration as described in Section 17.02.

17.02 Binding Arbitration. Without limiting our rights and remedies under Section 15, the parties hereto acknowledge and agree that any dispute or controversy arising out of or relating to this Agreement not settled by informal negotiations will, at the request of either party, be settled by final and binding arbitration conducted on an expedited basis described below by an independent arbitrator in accordance with the rules of arbitration jointly selected by the parties, as modified by the following provisions, on an individual basis (not a class action). If the parties have not agreed on the arbitration rules within 30 days after the arbitration demand, then the then-current Commercial Arbitration Rules of the American Arbitration Association or its successor organization (the "AAA") as modified by the following provisions will apply. Any dispute reasonably valued at \$10,000 or less is excepted from these mandatory arbitration requirements.

(a) Notice of Arbitration. Either party may initiate the arbitration proceeding by making a written demand to the other party, and both parties will then be obligated to engage in arbitration. The demand for arbitration must be served on the other party within the period provided by the applicable statute of limitations, and must contain a statement setting forth the details of the dispute, the amount involved, if any, and the remedies sought. A demand for arbitration will not operate to stay, postpone or rescind the effectiveness of any termination of this Agreement for any non-curable default. Arbitration will not proceed until any protest of arbitrability is resolved by an appropriate court, if necessary.

(b) Selection of Arbitrator. Arbitration will be conducted before a single arbitrator who is familiar with legal disputes of the type at issue and who has at least 10 years' experience as a lawyer or in the franchise business. The parties will mutually agree on the selection of the arbitrator; however, if the parties have not agreed on the selection of

an arbitrator within 30 days after the arbitration demand, either party may request the presiding judge of the state court located closest to the situs of the arbitration to appoint a qualified arbitrator.

(c) Preliminary Conference. Within 30 days after appointment of the arbitrator, the parties and/or their representatives will jointly meet with the arbitrator, in person or by telephone, for a preliminary conference. At the preliminary conference, the parties will establish the extent of and schedule for discovery, including the production of relevant documents, identification of witnesses, depositions, and the stipulation of uncontested facts. At the preliminary conference, the date for the hearing will be set which will not, unless both parties agree, be more than 60 days after the date of the preliminary conference. At the preliminary conference, the arbitrator will designate the procedures to be followed at the hearing.

(d) Discovery. Should a dispute arise over the extent of or propriety of any discovery request, the arbitrator will make a final determination after hearing each party's position. All discovery will be completed within 45 days after the preliminary conference, unless agreed otherwise by the parties.

(e) Statement of Case. At least 5 days before the scheduled hearing, each party will deliver to the arbitrator and to the other party a written summary of its position on the issues in dispute.

(f) Hearing. Unless otherwise mutually agreed by the parties, all arbitration proceedings will be held at a location the arbitrator chooses within 10 miles of our then-current principal business address (currently, Franklin, Tennessee), and will be no more than 5 days in duration.

(g) Arbitrator's Decision. In reaching its decision, the arbitrator must follow applicable law. The arbitrator will issue a detailed, reasoned, written decision within 30 days after conclusion of the hearing, explaining the basis for the decision. Judgment upon the decision rendered by the arbitrator may be entered in any court with jurisdiction, following the same standards of appellate review applied to judicial decisions. This decision will be binding upon both parties and their owners, Managers and employees. The arbitrator will have authority to assess damages sustained by reason of any breach or wrongful termination of this Agreement, but will have no authority to amend or modify the terms of this Agreement.

(h) Time Schedule. The parties acknowledge the mutual benefits of prompt, efficient resolution of disputes through arbitration. The parties will use due diligence to meet the foregoing time schedule, and the arbitrator will have the right to impose appropriate sanctions against any party who fails to comply with the agreed-upon time schedule. The arbitrator will use his best efforts to comply with the foregoing time schedule, but may unilaterally modify it, if in his opinion, modification is necessary in the interest of justice for a proper resolution of the dispute. The parties may jointly agree to modify the foregoing time schedule, subject to the arbitrator's approval.

(i) Arbitration Expenses. The fees of, and authorized costs incurred by, the arbitrator will be shared equally by the parties, and each party will bear all of its own costs of arbitration; provided, however, that the arbitration decision will provide that the substantially prevailing party will recover from the other party its actual costs and expenses (including arbitrator's fees and expenses, and attorneys' fees and expenses) incurred in connection with the dispute.

(j) Confidentiality. The entire arbitration procedures are confidential. Except as necessary to enforce the decision of the arbitrator hereunder, all conduct, statements, promises, offers, views and opinions, whether oral or written, made in the course of the arbitration by any of the parties, their agents, employees or representatives and by the arbitrator, are confidential. These matters will not be discoverable or admissible for any purposes, including impeachment, in any litigation or other proceeding involving the parties, and will not be disclosed to anyone who is not an agent, employee, expert witness, or representative for any of the parties; however, evidence otherwise discoverable or admissible is not excluded from discovery or admission as a result of its use in the arbitration.

(k) Third Party Beneficiaries. The parties acknowledge and agree that all claims (subject to Section 17.03) arising out of or relating to this Agreement in any way against or by any person or entity, whether a signatory to this Agreement or not, will be resolved through arbitration. You acknowledge that our affiliates, owners, officers, directors, representatives and agents are intended beneficiaries of this provision, and may enforce all rights herein in an arbitration proceeding. We will rely on this acknowledgement during our evaluation of whether to enter into this Agreement with you.

17.03 Provisional Remedies. Notwithstanding Sections 17.01 or 17.02, each party will have the right to seek provisional remedies from an appropriate court, including declaratory relief, specific enforcement, temporary restraining orders or preliminary injunctions, before, during, after or instead of informal dispute resolution or arbitration for protection of the Marks and other intellectual property, enforcement of confidentiality and non-competition obligations, enforcement of post-term obligations. Neither party is required to await the outcome of any informal dispute resolution or arbitration before seeking provisional remedies. The seeking of provisional remedies will not be deemed to be a waiver of either party's right to compel informal dispute resolution or arbitration. You acknowledge that any failure to fully and strictly comply with Sections 10 and 16.08 will result in irreparable injury to us for which there is no adequate remedy at law, and you agree that, in the event of any noncompliance with any of these sections, we will be entitled to temporary, preliminary, and permanent injunctions and all other equitable relief that any court with jurisdiction may deem just and proper. An action seeking provisional remedies will be brought in the appropriate state or federal court closest to our then-current principal business address (currently, Franklin, Tennessee). The parties consent to the exercise of personal jurisdiction over them by these courts, and to the propriety of venue in these courts for the purpose of this Section 17.03, and the parties waive any objections that they would otherwise have in this regard. Both parties waive the posting of any bond in connection with any provisional remedy.

17.04 Costs of Enforcement. If we incur legal fees, collection costs, or any other expenses to obtain any provisional remedy pursuant to Section 17.03 of this Agreement, or to enforce any provision of this Agreement against you, then you will be liable to us for all costs and expenses of enforcement and collection including, but not limited to, court costs and reasonable attorneys' fees, experts' fees and expenses incurred by us (including the fair market value of any time expended by legal counsel employed by us). You will pay any such amount we invoice to you within 10 days after you receive our invoice.

17.05 Jurisdiction. The parties hereto agree that it is in their best interest to resolve disputes between them in an orderly fashion and in a consistent manner in the location where this Agreement was entered into and where many of the relevant witnesses and documents are located. Therefore, the parties agree that any litigation relating to this Agreement or the operation of the Franchised Business will take place in the federal or state court of general jurisdiction closest to our then-current principal business address (currently Franklin, Tennessee); provided that we have the option to bring suit against you, involving any claim for injunctive relief or the recovery of any interest in property, in any state or federal court within the jurisdiction where your Franchised Business is or was located or where any of your owners lives. The parties consent to the exercise of personal jurisdiction over them by these courts, and to the propriety of venue in these courts for the purpose of this Agreement, and the parties waive any objections that they would otherwise have in this regard. Each of the parties specifically waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety, or other security that might be required of any other party with respect thereto.

17.06 Waivers. THE PARTIES WAIVE ANY RIGHT TO JURY TRIAL THAT THEY MAY HAVE IN ANY ACTION ARISING OUT OF OR UNDER THIS AGREEMENT. IT IS THE INTENT OF THE PARTIES THAT ANY ARBITRATION OR LITIGATION BETWEEN THEM WILL BE OF INDIVIDUAL CLAIMS, AND THAT THE CLAIMS SUBJECT TO ARBITRATION OR LITIGATION WILL NOT BE RESOLVED AS A CLASS ACTION OR ON A CONSOLIDATED BASIS. THE PARTIES AGREE THAT ACTUAL DAMAGES ARE SUFFICIENT TO SATISFY ANY ECONOMIC LOSS ARISING OUT OF OR UNDER THIS AGREEMENT, AND THEY WAIVE ALL CLAIMS FOR PUNITIVE DAMAGES IN ANY ARBITRATION OR LITIGATION.

18. GENERAL PROVISIONS

18.01 Partial Invalidity. If all or part of any provision of this Agreement violates applicable law, then the affected provision or part will not be given effect. If all or any part of a provision of this Agreement is declared invalid or unenforceable, for any reason, or is not given effect by reason of the prior sentence, then the remainder of the Agreement will not be affected, and the parties will modify the invalid or unenforceable provision to the extent required to be valid and enforceable. However, if in our judgment this result substantially impairs the value of this Agreement to us, then we may at any time terminate this Agreement by written notice to you, without penalty or compensation owed by either party.

18.02 Waivers, Modifications and Approvals. Whenever this Agreement requires our prior approval or consent, you will make a timely written request to us, and we may reasonably withhold, condition or withdraw our consent. No failure of us to exercise any power reserved to us by this Agreement and no custom or practice of the parties at variance with the provisions of this Agreement will constitute a waiver of our right to demand exact compliance with any of the provisions of this Agreement. A waiver or approval by us of any particular default by you or by any other franchisee or acceptance by us of any payments due hereunder will not be considered a waiver or approval by us of any preceding or subsequent breach by you of any term, covenant, or condition of this Agreement. We will not be deemed to have waived any of our rights under this Agreement, nor will you be deemed to have been excused from performance of any of your obligations pursuant to this Agreement, unless the waiver or excuse is written and executed by an authorized representative of us and you. To be effective, any modifications, waivers, approvals and consents of, or under, this Agreement by us must be designated as such, in writing, and signed by our authorized representative. Notwithstanding anything to the contrary in this Agreement, you acknowledge and agree that Sections 4.22 and 16.08 of this Agreement permit us to unilaterally modify this Agreement in certain circumstances.

18.03 Notices. Any notice or demand permitted or required to be delivered under Agreement relating to formal notice of default, termination, successor franchise rights, transfer, or dispute resolution must be in writing, and delivered to us by mail or delivery service at, 1221 Liberty Pike, Franklin, TN 37067, or to you at the address listed on the signature page of this Agreement. All other notices, reports, and other information and documents permitted or required to be delivered under Agreement will be delivered to the other party by mail, delivery service, fax, email or other electronic communication at the address, fax number or email address specified in this Agreement or otherwise provide by the relevant party. Either party may modify its address, fax number and email address periodically by giving written notice to the other party. Notices will be deemed given on the date delivered or on the date of the first attempted delivery, if delivery is refused or unclaimed.

18.04 Governing Law. You acknowledge that we may grant numerous franchise agreements throughout the United States on terms and conditions similar to this Agreement, and that it is in the best interest of the entire franchise system that these terms and conditions be uniformly interpreted. This Agreement takes effect upon its acceptance by us, and will be governed by and interpreted in accordance with Tennessee law applicable to contracts made and to be wholly performed in that state without regard to its conflicts of law rules; provided, however, that this provision is not intended to subject this Agreement to any franchise or similar law, rule or regulation of the State of Tennessee to which it would not otherwise be subject, except that the arbitration provision will be governed by the Federal Arbitration Act, and the rights and obligations of the parties relating to the Marks will be governed by the federal Lanham Act.

18.05 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered will be deemed an original, but the counterparts together will constitute one and the same instrument.

18.06 Construction. No provision of this Agreement will be interpreted in favor of or against either party merely because of that party's role in the preparation of this Agreement, or because of the nature or type of this Agreement. The headings and captions contained in this Agreement are for the purpose of convenience and reference only, and are not to be construed as part of this Agreement. All terms and words used in this Agreement will be construed to include the number and gender as the context of this Agreement may require. The parties agree that each section of this Agreement will be construed independently of any other section or provision of this Agreement. All references in this Agreement to Sections or Exhibits refer to the relevant sections and exhibits, respectively, of this Agreement. This Agreement, together with the exhibits and any addenda attached, is the entire agreement, and supersedes all prior representations, agreements and understandings (oral or written) of the parties. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to you. Except for the Indemnitees, or as otherwise expressly provided in this Agreement, there are no third-party beneficiaries hereunder. No agreement between us and any third party is for your benefit. Except as expressly provided in this Agreement, this Agreement is binding on and will inure to the benefit of the parties hereto and their respective legal representatives, successors and permitted assigns. Time is of the essence.

18.07 Force Majeure. Notwithstanding anything contained in this Agreement to the contrary, neither party will be in default hereunder by reason of its delay in performance of, or failure to perform, any of its obligations hereunder, if this delay or failure is caused by strikes or other labor disturbance; acts of God, or the public enemy, riots or other civil disturbances, fire, or flood; interference by civil or military authorities; compliance with governmental laws, rules, or regulations which were not in effect and could not be reasonably anticipated as of the date of this Agreement; delays in transportation, failure of delivery by suppliers, or inability to secure necessary governmental priorities for materials; or, any other fault beyond its control or without its fault or negligence. In this event, the time required for performance of the obligation will be the duration of the unavoidable delay.

18.08 No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to Premier Pool Service®/Pinnacle Pool Service® franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

18.09 State Addenda. The laws of certain states may supersede some of the provisions of this Agreement, and certain states require us to supplement or modify the provisions of this Agreement. If applicable, these supplements and modifications are contained in State Addenda attached as *Exhibit E* and reflected in Sections 18.08 and 19.01. Upon execution of this Agreement, you will also execute the addenda if applicable. If multiple state addenda are made part of this Agreement, these state addenda will be construed and applied as narrowly as possible, consistent with applicable state law, in order to avoid potential conflicts between them.

GUARANTY AND ASSUMPTION OF OBLIGATIONS
(used with entity franchisees)

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given by _____, effective as of the date on which Franchisee (defined below) executes the Agreement (as defined below).

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the "Agreement") on this date by PPSF, LLC ("PPSF"), each of the undersigned personally and unconditionally (a) guarantees to PPSF and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement (including any amendments or modifications of the Agreement); and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (including any amendments or modifications of the Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the arbitration, non-competition, confidentiality, and transfer requirements.

Each of the undersigned acknowledges that he, she or it is an owner (whether direct or indirect) of Franchisee; that he, she or it will benefit significantly from PPSF's entering into the Agreement with Franchisee; and that PPSF would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

Each of the undersigned consents and agrees that: (1) his, her or its direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon PPSF's pursuit of any remedies against Franchisee or any other person or entity; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence that PPSF may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as PPSF has any cause of action against Franchisee or any of its owners or guarantors; and (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement and despite

the transfer of any direct or indirect interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

Each of the undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to PPSF; (ii) all rights to require PPSF to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (iii) any benefit of, or any right to participate in, any security now or hereafter held by PPSF; and (iv) acceptance and notice of acceptance by PPSF of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. PPSF shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to PPSF. Without affecting the obligations of the undersigned under this Guaranty, PPSF may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Franchisee, (b) any lack of authority of Franchisee with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Franchisee, (d) any circumstance whereby the Agreement shall be void or voidable as against Franchisee or any of its creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (g) any act or omission of Franchisee.

If PPSF is required to enforce this Guaranty in a judicial proceeding, and prevail in such proceeding, PPSF shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If PPSF is required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse PPSF for any of the above-listed costs and expenses it incurs.

Subject to the arbitration obligations in Section 17.02 of the Agreement and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between PPSF and the undersigned, must be brought exclusively in the state or federal court of general jurisdiction in the state, and in (or closest to) the city, where PPSF maintains its principal business address at the time that the action is brought. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. Nonetheless, each of the undersigned agrees that PPSF may enforce this Guaranty and any arbitration orders and awards in the courts of the state or states in which he, she or it is domiciled or has assets. EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.

PRE-EXISTING ACCOUNTS ADDENDUM

This Pre-Existing Accounts Addendum (“Addendum”) modifies the Franchise Agreement between PPSF, LLC (“we” or “us”) and _____ (“you”) effective as of the Effective Date of the Franchise Agreement. Capitalized terms not defined herein will have the meaning ascribed in the Franchise Agreement.

1. Pre-Existing Accounts. The parties acknowledge and agree that you or your principals own and operate a pool service business as of the Effective Date of the Franchise Agreement.

2. Initial Fee Discount. Section 7.01 of the Franchise Agreement is amended by adding the following to the end of that Section:

We will discount your initial franchise fee based on your recurring pool service revenues from existing customer accounts in your franchise Territory during the last full 12-month period before the Effective Date of the Franchise Agreement. The amount of the discount will be the total qualifying revenues during the applicable period multiplied by 0.0545. This discount is intended to approximate a 12-month royalty-free period for your existing qualifying account revenues. After the end of the first 12 months of the franchise term, we will audit your customer accounts and revenues to determine whether your pre-existing customer accounts in your franchise Territory at the time you acquired the franchise generated at least the same level of revenues as was used to calculate the discount. If so, then there will be no further adjustment to the discount. However, if your pre-existing customer accounts in your franchise Territory at the time you acquired the franchise did not generate at least the same level of revenues as was used to calculate the discount, then we will recalculate the discount based on 0.0545 times the total qualifying revenues during the first 12 months of the franchise term from existing customer accounts in your franchise Territory at the time you acquired the franchise, and you will pay us the difference upon demand.

3. Territorial Rights. Section 2.03 of the Franchise Agreement is amended by adding the following to the end of that Section:

If some of your pre-existing customers’ pools are located outside of the Territory and not within the territory of one or more other franchisees of ours, then we will authorize you to continue to service those pools outside of your Territory so long as they are not within the territory of another franchisee. If some of your existing customers’ pools are located outside of the Territory and within the territory of one or more other franchisees of ours (either at the time of your franchise purchase or later), then you will offer to transfer each of the relevant accounts to the other franchisee(s) who have the relevant territory, at a transfer price no more than 10 times the average monthly service fee for the account. If

the other franchisee(s) elect to acquire one or more of those customer accounts, you will transfer the relevant accounts to the transferee, and use reasonable, good faith efforts to ensure the continuity of the customer's account with the transferee. For any of those accounts that another franchisee declines to acquire from you, you may continue to service them. If you are offered the right to acquire any pre-existing accounts within your Territory and you decline, then we or other franchisees may service the relevant accounts.

IN WITNESS WHEREOF, the parties hereto have duly executed this Addendum as of the Effective Date of the Franchise Agreement between the parties.

WASHINGTON ADDENDUM TO THE FRANCHISE AGREEMENT AND RELATED AGREEMENTS

This Addendum (the "Addendum") is made as of the Effective Date of the Franchise Agreement (defined below) by and between PPSF, LLC ("we" or "us"), a Texas limited liability company, having our principal place of business at 1221 Liberty Pike, Franklin, TN 37067, and _____, a [corporation/limited liability company/partnership/individual], having its principal place of business at _____ ("you").

1. Background. We and you are parties to that certain Franchise Agreement dated _____, 20____ (the "Franchise Agreement"). This Addendum is annexed to and forms part of the Franchise Agreement. This Addendum is being signed because (a) the offer or sale of the franchise for the Franchised Business that you will operate under the Franchise Agreement was made in Washington, (b) you are a resident of Washington, and/or (c) the Franchised Business will be located in Washington.
2. Addition of Paragraphs. The following paragraphs are added to the end of the Franchise Agreement:
 - A. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
 - B. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
 - C. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
 - D. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
 - E. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

F. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

G. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

IN WITNESS WHEREOF, the parties hereto have duly executed this Addendum as of the Effective Date of the Franchise Agreement.

Independent Auditor's Report

To the Board of Directors
PPSF, LLC

Opinion

We have audited the financial statements of PPSF, LLC (the "Company"), which comprise the balance sheet as of December 31, 2024 and 2023 and the related statements of operations, member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors
PPSF, LLC

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Note 1 - Nature of Business

PPSF, LLC (PPSF or the "Company"), a Texas limited liability company and wholly owned subsidiary of Premier Holdco, LLC, offers franchises for Premier Pool Service® and Pinnacle Pool Service®, which market, sell, and provide the cleaning, maintenance, and repair services for swimming pools and spas principally to homeowners. PPSF offers franchises throughout the United States of America and provides trademarks, service marks, and a system that includes operational and marketing policies, procedures, and programs, as well as training. PPSF was formed on April 28, 2017.

The Company is part of a group of companies affiliated by common ownership. The operating results of the Company could vary significantly from those that would have occurred had the Company operated independently.

As of December 31, 2024 and 2023, the Company has 40 and 34 open franchisees, respectively.

Note 2 - Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect amounts reported in the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and money market funds. The Company considers highly liquid investments with original maturities of three months or less at the date of purchase to be cash equivalents.

Accounts Receivable

Accounts receivable represent amounts due from franchisees and customers in the ordinary course of business that are recorded at the invoiced amount and do not bear interest. Accounts receivable are stated at the net amount expected to be collected using an expected credit loss methodology to determine the allowance for expected credit losses. The Company evaluates the collectibility of its accounts receivable and determines the appropriate allowance for expected credit losses based on a combination of factors, including the aging of the receivables, historical collection trends, and charge-offs, as well as adjustments for current economic conditions and reasonable and supportable forecasts. When the Company is aware of a franchisee or customer's inability to meet its financial obligation, the Company may individually evaluate the related receivable to determine the allowance for expected credit losses. The Company uses specific criteria to determine uncollectible receivables to be charged off, including the length that accounts remain past due. The allowance for expected credit losses on accounts receivable balances was \$48,739 and \$26,590 as of December 31, 2024 and 2023, respectively.

Revenue Recognition

The Company's revenue from operations mainly consists of franchise fees, royalties, and marketing fees. The Company sells individual franchisees the right to operate a Premier Pool Service location within a defined territory using the franchise name. The initial term of franchise agreements is typically 10 years, with an option to renew for a fee or transfer the franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid.

December 31, 2024 and 2023

Note 2 - Significant Accounting Policies (Continued)

The Company has obligations to provide franchisees with the franchise rights to operate a Premier Pool Service location, training, and other services necessary for the franchisee to commence operations. The Company adopted Accounting Standards Update No. 2021-02, *Franchisors - Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient*. As a result, the Company concluded that management training is one performance obligation related to preopening services due to the nature of these services. The remaining items represent a single performance obligation. Therefore, initial franchise fees for each agreement are allocated to the preopening services and franchise right for each individual franchise. The preopening services revenue is recognized at the time the franchisee completes training (i.e., when the performance obligation has been settled). The franchise right revenue is recognized over the term of the respective franchise agreement beginning on the date the location is opened. Typically the initial franchise fee is less than the stand-alone selling price of the preopening services provided. Therefore, the initial fee is fully recognized by the time the franchise opens. Transfer fees and renewal fees are recognized over the term of the new franchise agreement. Income for royalties and marketing fees is recognized over the term of the respective franchise agreement as the underlying sales occur. Revenue on the statement of operations has been disaggregated accordingly.

The Company's franchise agreements require the payment of various fixed and variable fees. Initial franchise, transfer, and renewal fees are typically paid when a franchise agreement is executed and are nonrefundable. These fees are collected prior to the satisfaction of the Company's performance obligation, resulting in the Company recognizing deferred revenue contract liabilities. Royalties and marketing fees are paid on a monthly basis. Royalty revenue is based upon a percentage of gross revenue of the franchisee for the first 24 months of operations. Beginning in the 25th month of operations, the royalty fee is based on the franchisee's contract amount with its customer and is recognized in the period when the contract is signed and the installation begins. The contract amount is the amount that the franchisee's customer agrees to pay the franchisee for the specified job. Marketing fees are based on a percentage of gross revenue. Accounts receivable at December 31, 2024 and 2023 were \$121,908 and \$140,032, respectively. Accounts receivable at January 1, 2023 were \$288,566. Deferred revenue at December 31, 2024 and 2023 was \$74,012 and \$36,764, respectively. There was no deferred revenue at January 1, 2023.

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees the franchise rights to open and operate a Premier Pool Service location. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that the agreements will not be canceled or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and marketing fees, as the transaction price is based on franchisee revenue. The variable consideration is recognized based on the actual amounts earned each month.

The Company allocates consideration to the management training services based on the observable stand-alone selling price for the management training services, which approximates the fair value of the service.

December 31, 2024 and 2023

Note 2 - Significant Accounting Policies (Continued)*Franchisee Incentives*

PPSF has established a franchisee incentive program in which the franchisees earn "Premier Points" based on the amount of royalty fees paid. The franchisees are awarded points based on royalty fees paid, and the points can be redeemed for travel to franchise conferences sponsored by the Company. The cash value of the points earned is approximately 10 percent of the royalty fee paid. The Company allocates a portion of the royalty revenue to the Premier Points franchise incentive program, which is deferred on the balance sheet until such time the franchisee redeems the points. At the time the franchisee redeems the points, the deferred revenue portion is recognized as royalty revenue on the statement of operations. The program is discretionary in nature and management reserves the right to modify or discontinue the program in their sole discretion. At December 31, 2024 and 2023, the balance is \$92,100 and \$67,175, respectively. At January 1, 2023, the balance was \$30,403.

Notes Receivable

PPSF permits certain franchisees to pay the initial franchise fees in installments. These arrangements were evidenced by promissory notes. Payments from PPSF franchisees are based on the number of pool servicing agreements executed and range from \$50 to \$100 per pool. Interest charged on the outstanding balance ranges from 0 to 10 percent. The amounts due from the franchisees under these arrangements were \$14,000 and \$5,500 as of December 31, 2024 and 2023, respectively.

Marketing Expenses

In accordance with the franchise agreement, franchisees pay a percentage of monthly sales to a marketing fund to be used for advertising, marketing, and other promotional purposes to benefit the entire franchise system. Any excess amounts remaining in the marketing fund at the end of the year are used for marketing and promotion in the following year.

Marketing fund fees from the franchisees of \$84,956 and \$85,796 for 2024 and 2023, respectively, are included in franchise marketing fees in the statement of operations. Marketing expense of \$203,920 and \$67,296 is included in operating expenses for the years ended December 31, 2024 and 2023, respectively.

Income Taxes

The Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. The member is taxed individually on its pro rata ownership share of the Company's earnings. The Company's net income or loss is allocated to the member in accordance with the Company's operating agreement.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Leases

The Company has an operating lease for office space. The Company recognizes expense for operating leases on a straight-line basis over the lease term. The Company made a policy election not to separate lease and nonlease components for all leases. Therefore, all payments are included in the calculation of the right-of-use asset and lease liability.

December 31, 2024 and 2023

Note 2 - Significant Accounting Policies (Continued)

The Company has operating leases for office space with a lease term of one year or less that the Company elected to account for as short-term leases. As these are short-term leases, they are not included in the right-of-use asset and lease liability.

Warranty Expenses

PPSF does not provide a warranty for any goods or services provided by its franchisees. There were no warranty expenses for the years ended December 31, 2024 and 2023.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including March 28, 2025, which is the date the financial statements were available to be issued.

Note 3 - Allowance for Credit Losses

The activity in the allowance for credit losses is as follows:

	2024	2023
Balance - January 1	\$ 26,590	\$ 52,852
Provision within operating expenses	79,124	106,475
Deductions/Write-offs	(56,975)	(132,737)
Balance - December 31	<u>\$ 48,739</u>	<u>\$ 26,590</u>

Note 4 - Related Party Transactions*Treasury Management*

During 2023, the Company put a treasury management function in place with Premier Holdco, LLC and related subsidiaries, all of which are under common control. Premier Holdco, LLC manages cash disbursement and receipt functions and general coordination with oversight of bank activities. As of December 31, 2024 and 2023, \$1,242,388 and \$560,521 of cash was under management with Premier Holdco, LLC, which is presented as loans and advances to affiliates on the accompanying balance sheet.

Note 5 - Leases

The Company was obligated under an operating lease for office space in Carland, Texas, which expired in December 2024. The lease was renewed in January 2025 and is for a term less than one year. The right-of-use assets and related lease liabilities were calculated using a 5.0 percent discount rate. The lease requires the Company to pay taxes, insurance, utilities, and maintenance costs. Total rent expense under this lease was \$27,834 and \$28,602 for the years ended December 31, 2024 and 2023, respectively.

Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Report on Prior Year Financial Statements and Restatement

The financial statements of PPSF, LLC as of December 31, 2022 were audited by other auditors who expressed an unmodified opinion on those statements on June 15, 2023 prior to the restatement described in Note 3.

As part of our audit of the 2023 financial statements, we also audited the adjustment described in Note 3 that was applied to restate the 2022 financial statements. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors
PPSF, LLC

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Note 1 - Nature of Business

PPSF, LLC (PPSF or the "Company"), a Texas limited liability company and wholly owned subsidiary of Premier Holdco, LLC, offers franchises for Premier Pool Service® and Pinnacle Pool Service®, which market, sell, and provide the cleaning, maintenance, and repair services for swimming pools and spas principally to homeowners. PPSF offers franchises throughout the United States of America and provides trademarks, service marks, and a system that includes operational and marketing policies, procedures, and programs, as well as training. PPSF was formed on April 28, 2017.

The Company is part of a group of companies affiliated by common ownership. The operating results of the Company could vary significantly from those that would have occurred had the Company operated independently.

As of December 31, 2023 and 2022, the Company has 34 and 33, respectively, open franchises.

Note 2 - Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect amounts reported in the financial statements. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and money market funds. The Company considers highly liquid investments with original maturities of three months or less at the date of purchase to be cash equivalents.

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts.

Accounts Receivable

During 2023, the Company adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments*. The ASU includes changes to the accounting and measurement of financial assets, including the Company's accounts receivable, by requiring the Company to recognize an allowance for all expected losses over the life of the financial asset at origination. This is different from the historical practice where an allowance was not recognized until the losses were considered probable. The Company adopted this standard using the modified retrospective transition method, but the adjustment to its opening balances was not significant.

Accounts receivable represent amounts due from franchisees and customers in the ordinary course of business that are recorded at the invoiced amount and do not bear interest. Accounts receivable are stated at the net amount expected to be collected using an expected credit loss methodology to determine the allowance for expected credit losses. The Company evaluates the collectibility of its accounts receivable and determines the appropriate allowance for expected credit losses based on a combination of factors, including the aging of the receivables, historical collection trends, and charge-offs, as well as adjustments for current economic conditions and reasonable and supportable forecasts. When the Company is aware of a franchisee or customer's inability to meet its financial obligation, the Company may individually evaluate the related receivable to determine the allowance for expected credit losses. The Company uses specific criteria to determine uncollectible receivables to be charged off, including the length that accounts remain past due. The allowance for expected credit losses on accounts receivable balances was \$26,500 and \$52,852 as of December 31, 2023 and 2022, respectively.

December 31, 2023 and 2022

Note 2 - Significant Accounting Policies (Continued)*Revenue Recognition*

The Company's revenue from operations mainly consists of franchise fees, royalties, and marketing fees. The Company sells individual franchisees the right to operate a Premier Pool Service location within a defined territory using the franchise name. The initial term of franchise agreements is typically 10 years, with an option to renew for a fee or transfer the franchise agreement to a new or existing franchisee, at which point a transfer fee is typically paid.

The Company has obligations to provide franchisees with the franchise rights to operate a Premier Pool Service location, training, and other services necessary for the franchisee to commence operations. The Company adopted Accounting Standards Update No. 2021-02, *Franchisors - Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient*. As a result, the Company concluded that management training is one performance obligation related to preopening services due to the nature of these services. The remaining items represent a single performance obligation. Therefore, initial franchise fees for each agreement are allocated to the preopening services and franchise right for each individual franchise. The preopening services revenue is recognized at the time the franchisee completes training (i.e., when the performance obligation has been settled). The franchise right revenue is recognized over the term of the respective franchise agreement beginning on the date the location is opened. Typically the initial franchise fee is less than the stand-alone selling price of the preopening services provided. Therefore, the initial fee is fully recognized by the time the franchise opens. Transfer fees and renewal fees are recognized over the term of the new franchise agreement. Income for royalties and marketing fees is recognized over the term of the respective franchise agreement as the underlying sales occur. Revenue on the statement of operations has been disaggregated accordingly.

The Company's franchise agreements require the payment of various fixed and variable fees. Initial franchise, transfer, and renewal fees are typically paid when a franchise agreement is executed and are nonrefundable. These fees are collected prior to the satisfaction of the Company's performance obligation, resulting in the Company recognizing deferred revenue contract liabilities. Royalties and marketing fees are paid on a monthly basis. Royalty revenue is based upon a percentage of gross revenue of the franchisee for the first 24 months of operations. Beginning in the 25th month of operations, the royalty fee is based on the franchisee's contract amount with its customer and is recognized in the period when the contract is signed and the installation begins. The contract amount is the amount that the franchisee's customer agrees to pay the franchisee for the specified job. Marketing fees are based on a percentage of gross revenue. Accounts receivable at December 31, 2023 and 2022 were \$140,032 and \$268,566, respectively. Accounts receivable at January 1, 2022 were \$261,816. Deferred revenue at December 31, 2023 was \$36,764. There were no deferred revenue balances at December 31, 2022 and January 1, 2022.

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees the franchise rights to open and operate a Premier Pool Service location. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that the agreements will not be canceled or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and marketing fees, as the transaction price is based on franchisee revenue. The variable consideration is recognized based on the actual amounts earned each month.

The Company allocates consideration to the management training services based on the observable stand-alone selling price for the management training services, which approximates the fair value of the service.

Note 2 - Significant Accounting Policies (Continued)

Franchisee Incentives

PPSF has established a franchisee incentive program in which the franchisees earn "Premier Points" based on the amount of royalty fees paid. The franchisees are awarded points based on royalty fees paid, and the points can be redeemed for merchandise, travel, or cash. The cash value of the points earned is approximately 10 percent of the royalty fee paid. The Company allocates a portion of the royalty revenue to the Premier Points franchise incentive program, which is deferred on the balance sheet until such time the franchisee redeems the points. At the time the franchisee redeems the points, the deferred revenue portion is recognized as royalty revenue on the statement of operations. At December 31, 2023 and 2022, the balance is \$67,175 and \$30,403, respectively.

Notes Receivable

PPSF permits certain franchisees to pay the initial franchise fees in installments. These arrangements were evidenced by promissory notes. Payments from PPSF franchisees are based on the number of pool servicing agreements executed and range from \$50 to \$100 per pool. Interest charged on the outstanding balance ranges from 0 to 10 percent. The amounts due from the franchisees under these arrangements were \$5,500 and \$102,506 as of December 31, 2023 and 2022, respectively.

Marketing Expenses

In accordance with the franchise agreement, franchisees pay a percentage of monthly sales to a marketing fund to be used for advertising, marketing, and other promotional purposes to benefit the entire franchise system. Any excess amounts remaining in the marketing fund at the end of the year are used for marketing and promotion in the following year.

Marketing fund fees from the franchisees of \$85,796 and \$78,529 for 2023 and 2022, respectively, are included in franchise marketing fees in the statement of operations. Marketing expense of \$67,296 and \$53,553 is included in operating expenses for the years ended December 31, 2023 and 2022, respectively.

Income Taxes

The Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. The member is taxed individually on its pro rata ownership share of the Company's earnings. The Company's net income or loss is allocated to the member in accordance with the Company's operating agreement.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Leases

The Company has an operating lease for office space. The Company recognizes expense for operating leases on a straight-line basis over the lease term. The Company made a policy election not to separate lease and nonlease components for all leases. Therefore, all payments are included in the calculation of the right-of-use asset and lease liability.

Warranty Expenses

PPSF does not provide a warranty for any goods or services provided by its franchisees. There were no warranty expenses for the years ended December 31, 2023 and 2022.

December 31, 2023 and 2022

Note 2 - Significant Accounting Policies (Continued)*Reclassification*

Note 3 - Prior Period Adjustment

The accompanying financial statements for 2022 have been restated to correct an error made in 2022 relating to incorrect allocation of expenses among related entities under Premier Holdco, LLC. The effect of the restatement was to decrease operating expenses by \$110,986 and increase net income and distributions by \$110,986.

Note 4 - Allowance for Credit Losses

Balance - December 31, 2023	<u>\$ 26,590</u>

Note 5 - Related Party Transactions*Treasury Management*

During 2023, the Company put a treasury management function in place with Premier Holdco, LLC and related subsidiaries, all of which are under common control. Premier Holdco, LLC manages cash disbursement and receipt functions and general coordination with oversight of bank activities. As of December 31, 2023, \$560,521 of cash was under management with Premier Holdco, LLC, which is presented as loans and advances to affiliates on the accompanying balance sheet.

Amounts Due to Related Parties

Note 6 - Leases

The Company is obligated under an operating lease for office space in Carland, Texas, expiring in December 2024. The right-of-use assets and related lease liabilities have been calculated using a 5.0 percent discount rate. The lease requires the Company to pay taxes, insurance, utilities, and maintenance costs. Total rent expense under this lease was \$28,602 and \$28,224 for the years ended December 31, 2023 and 2022, respectively.

Note 6 - Leases (Continued)

Future minimum annual commitments under the operating lease are as follows:

<u>Year Ending December 31</u>	<u>Amount</u>
2024	\$ 29,559
Less amount representing interest	<u>1,407</u>
Present value of net minimum lease payments	<u>\$ 28,152</u>

Note 7 - Litigation

The Company is named a party to a number of lawsuits in the normal course of business. In the opinion of management, the resolution of these lawsuits will not have a material adverse effect on the Company's financial position or results of operations.
