What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you an Area of Primary Responsibility, the franchisor may have the right to compete with you in your market.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Nebraska. Out-of-state arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Nebraska than in your own state.
2. **Short Operating History.** The franchisor is at an early state of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchisor with a longer operating history.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

DASH Business Solutions, LLC

Independent Auditor's Report

To the Members of
Solar Grids LLC

We have audited the accompanying financial statements of Solar Grids LLC, which comprise the balance sheet as of December 31, 2020, and the related statement of operations, members' equity, and cash flows for the year then ended, and the related notes to the financial statements.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Solar Grids LLC as of December 31, 2020, and the results of its operations and its cash flows for the year then ended, in accordance with the generally accepted accounting principles in the United States of America.

Basis for Opinion

The audit was conducted in accordance with generally accepted auditing standards (GAAS) of the United States of America while specifically adhering to the auditor's responsibility listed below. The auditor is required to be independent of the entity and meet other ethical responsibilities relevant to the audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting principles in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Performing an audit in accordance with GAAS requires the auditor to exercise professional judgment and maintain professional skepticism throughout the audit. The GAAS standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used, the reasonableness of significant accounting estimates made by management, consideration of the entity's ability to continue as a going concern for a reasonable amount of time, as well as evaluating the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

The auditor is required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters the auditor identified during the audit.

The objectives of the auditor are to i) obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and ii) issue an auditor's report that includes the auditor's opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of detecting a misstatement resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

SOLAR GRIDS LLC

Notes to the Financial Statements December 31, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

Solar Grids LLC (the “Company”) was formed on February 12, 2020 as a Wyoming Limited Liability Company for the purpose of offering franchise opportunities and support for entrepreneurs who want to own a franchisee location of Solar Grids.

Basis of Accounting

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year.

Accounting Standards Codification

The financial Accounting Standards Board (“FASB”) has issued the FASB Accounting Standards Codification (“ASC”) that became the single official source of authoritative U.S. generally accepted accounting principles (“GAAP”), other than guidance issued by the Securities and Exchange Commission (SEC), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online search system.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. Also included with cash equivalents are deposits in-transit from banks for payments related to third-party credit card and debit card transactions. As of December 31, 2020, the Company had cash and cash equivalents of \$140,617.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of executed franchise agreements for franchise sales, royalty fees, and other revenues. These receivables are carried at original invoice amount less an estimate made for doubtful receivables, based on a review of outstanding amounts. Management regularly evaluates individual customer receivables considering their financial condition, credit history and current economic conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded as income when received. As of December 31, 2020, the Company had receivables of \$24,689 and all accounts are deemed collectible.

Revenue Recognition

The Financial Accounting Standards Board ("FASB") issued codification Topic 606, Revenue from Contracts with Customers (ASC 606). Under ASC 606, the franchisor must determine if the pre-opening activities contain any distinct goods or services, known as performance obligations, and then allocate the initial franchise fees to those performance obligations using the stand-alone selling price of the goods or services. The Company has instituted ASC 606 and it is reflected in the financial statements for the year ended December 31, 2020. The franchise fees are initially deferred revenue and recognized as distinct goods are sold or service obligations are fulfilled in accordance with ASC 606. Management has determined thirty percent (30%) of initial franchise fee represents Onboarding Revenue and consists of website building, creation of unique marketing materials, skills training access, and platform set up, which is completed within a two-week period after the franchise fee is paid. Solar School Training Revenue represents sixty percent (60%) of the initial franchise fee and is completed within thirty days of payment of the fee. Onboarding Revenue and Solar School Training Revenue are recognized upon completion. The long-term license portion of the franchise fee represents ten percent (10%) of the fee and is recognized over a ten-year period. The franchise fee is non-refundable and there is no uncertainty about collectability. The royalty revenue and other fees are recognized when earned and are based on a percentage of gross sales of each individual franchise according to the franchisee contract.

Advertising

The Company expenses advertising costs the first time the advertising takes place. The advertising expense at December 31, 2020 was \$175,472.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Income Taxes

The entity is structured as a limited liability company under the laws of the State of Wyoming and has multiple members. A limited liability company with multiple members is classified as a partnership for federal and state income tax purposes and, accordingly, the income or loss of the Company will be included in the income tax returns of the members. Therefore, there is no provision for federal and state income taxes.

The Company follows the guidance under Accounting Standards Codification (“ASC”) Topic 740, Accounting for Uncertainty in Income Taxes. ASC Topic 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, the additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company’s financial statements.

The Company’s income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2020, there are no returns subject to examination based on the date of formation.

Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2014-09, Revenue from Contracts with Customers, which amended revenue recognition guidance to clarify the principles for recognizing revenue from contracts with customers. The guidance requires an entity to recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required about customer contracts, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. ASU No. 2014-09 is effective for annual reporting in fiscal years that begin after December 15, 2019. The Company has instituted the guidance and it is reflected in the accompanying financial statements.

Financial Instruments

For certain of the Company’s financial instruments, including cash and cash equivalents, accounts receivable, long term notes receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Concentration of Risk

The Company maintains its cash in bank deposit accounts which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

Subsequent Events

Management has reviewed and evaluated subsequent events through March 22, 2021, the date on which the financial statements were issued.

NOTE 2 - RELATED PARTY TRANSACTIONS

During the years ended December 31, 2020, the Company has not incurred any operating expenses with related parties.

NOTE 3 - COMMITMENTS AND CONTINGENCIES

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC Topic 450 Contingencies, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is “probable” and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is “probable” but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is “reasonably possible,” disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are “remote” are neither accounted for nor disclosed. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company. The Company does not carry general liability or workers’ compensation coverage, nor is it self-insured.

NOTE 4 - FRANCHISE AGREEMENT

The terms of the Company’s franchise agreement will be as follows:

- A. The Company will grant the right to use the Company name, trademark and system in the franchisees franchise development business.
- B. The franchisee is obligated to pay a non-refundable initial franchise fee.
- C. The franchisee is obligated to pay a monthly royalty fee and other fees as outlined in the agreement.
- D. All other terms of the Franchise Disclosure Document.

SOLAR GRIDS LLC

Notes to the Financial Statements December 31, 2020

NOTE 5 - DEFERRED REVENUE

As stated in Note 1, under ASC 606, the franchisor may recognize franchise fee revenue from the initial franchise fee when the franchisor has performed all services required to earn the initial franchise fee, or when pre-opening activities contain any distinct goods or services that can be allocated from the initial franchise fee. Management has determined the amounts that can be allocated from the franchise fee and recognized as income during the year ending December 31, 2020 as specified in *Revenue Recognition* of Note 1. The amounts in deferred revenue consist of the long-term license unearned portion of the initial franchise fees. The deferred revenue is \$24,747 at December 31, 2020, and will be earned equally over a ten-year time period.

REPORT ON FINANCIAL STATEMENTS

I have audited the accompanying balance sheet of Solar Grids LLC (a limited liability company) as of July 31, 2020 and the related statements of operations, changes in owner's equity and cash flows for the period April 1 through July 31, 2020. These financial statements are the responsibility of the Company's management.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with generally accepted auditing standards as accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I express no such opinion.

SOLAR GRIDS LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND NATURE OF BUSINESS

The Company was incorporated under the laws of the state of Wyoming for the purpose of offering franchise opportunities to entrepreneurs who want to own their own Solar Grids operation, as a franchise.

BASIS OF PRESENTATION

The financial statements are presented on the accrual basis of accounting.

REVENUE RECOGNITION

Initial franchise fees will be recorded as income when the company provides substantially all the initial services agreed upon in the franchise agreement or when the franchise has commenced operations, whichever comes first. If the fee is received over a period of time and the Company has no reasonable basis for estimating the collectability of the fee, the Company will use the installment method of recognition of the initial fee as revenue.

COMPANY INCOME TAXES

The Company is an LLC; as such, the Company will not be responsible for income taxes on the company level. Instead, its taxable income will be included on the owner's personal tax returns.

NOTE 2 DISCLOSURE ABOUT FAIR VALUE OF FINANCIAL INSTRUMENTS

The Company estimates that the fair value of all financial instruments at July 31, 2020, as defined in FASB 107, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying balance sheet. The estimated fair value amounts have been determined by the Company using available market information and appropriate valuation methodologies. Considerable judgment is required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Company could realize in a current market exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Nebraska. This provision may not be enforceable under California law.

- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Principal Executive must have at least 10% ownership interest in Franchisee. The Principal Executive does not have to serve as a day-to-day general manager of the Business, but the Principal Executive must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to Solar Franchise's reasonable approval.

2.4 Franchisor Retained Rights. Solar Franchise retains the right to: establish and license others to establish and operate Solar Grids businesses outside the Territory, notwithstanding their proximity to the Territory or their impact on the Business; and operate and license others to operate businesses anywhere that do not operate under the Solar Grids brand name.

2.5 No Conflict. Franchisee represents to Solar Franchise that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or "blocked" in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

(b) Franchisee (and its affiliates) are in compliance with this Agreement and all other agreements with Solar Franchise (or any of its affiliates) at the time of election and at the time of renewal;

(c) Franchisee has made or agrees to make (within a period of time acceptable to Solar Franchise) renovations and changes to the Business as Solar Franchise requires (including a Remodel, if applicable) to conform to the then-current System Standards;

(d) Franchisee and its Owners execute Solar Franchise's then-current standard form of franchise agreement and related documents (including personal guaranty), which may be materially different than this form (including, without limitation, higher and/or different fees),

Solar Franchise may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee's non-payment of a fee owed to Solar Franchise) which Franchisee fails to cure after 30 days' notice. Thereafter, Solar Franchise may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Solar Franchise's internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of Solar Franchise's other rights and remedies (including default and termination under Section 14.2).

(e) Enforcement. Only Solar Franchise will have the right to enforce the obligations of franchisees who are members of a Market Cooperative to contribute to the Market Cooperative.

(f) Termination. Solar Franchise may terminate any Market Cooperative. Any funds left in a Market Cooperative upon termination will be transferred back to Franchisees who have contributed to the fund.

9.4 Required Spending. Franchisee shall spend at least 2% of Gross Sales each month on marketing the Business. Upon request of Solar Franchise, Franchisee shall furnish proof of its compliance with this Section. Solar Franchise has the sole discretion to determine what activities constitute "marketing" under this Section. Solar Franchise may, in its discretion, determine that if Franchisee contributes to a Market Cooperative, the amount of the contribution will be counted towards Franchisee's required spending under this Section.

10.3 Initial Investment Report. Within 120 days after opening for business, Franchisee shall submit to Solar Franchise a report detailing Franchisee's investment costs to develop and open the Business, with costs allocated to the categories described in Item 7 of Solar Franchise's Franchise Disclosure Document and with such other information as Solar Franchise may request.

10.4 Business Records. Franchisee shall keep complete and accurate books and records reflecting all expenditures and receipts of the Business, with supporting documents (including, but not limited to, payroll records, payroll tax returns, register receipts, production reports, sales invoices, bank statements, deposit receipts, cancelled checks and paid invoices) for at least three years. Franchisee shall keep such other business records as Solar Franchise may specify in the Manual or otherwise in writing.

10.5 Records Audit. Solar Franchise may examine and audit all books and records related to the Business, and supporting documentation, at any reasonable time. Solar Franchise will require Franchisee to deliver copies of books, records and supporting documentation to Solar Franchise. Franchisee shall also reimburse Solar Franchise for all costs and expenses of the examination or audit if (i) Solar Franchise conducted the audit because Franchisee failed to submit required reports or was otherwise not in compliance with the System, or (ii) the audit reveals that Franchisee understated Gross Sales by 3% or more for any 4-week period.

ARTICLE 11. FRANCHISOR RIGHTS

11.1 Manual; Modification. The Manual, and any part of the Manual, may be in any form or media determined by Solar Franchise. Solar Franchise may supplement, revise, or modify the Manual, and Solar Franchise may change, add or delete System Standards at any time in its discretion. Solar Franchise may inform Franchisee thereof by any method that Solar Franchise deems appropriate (which need not qualify as “notice” under Section 18.9). In the event of any dispute as to the contents of the Manual, Solar Franchise’s master copy will control.

11.2 Inspections. Solar Franchise may enter the premises of the Business from time to time during normal business hours and conduct an inspection. Franchisee shall cooperate with Solar Franchise’s inspectors. The inspection may include, but is not limited to, observing operations, conducting a physical inventory, evaluating physical conditions, monitoring sales activity, speaking with employees and customers, and removing samples of products, supplies and materials. Solar Franchise may videotape and/or take photographs of the inspection and the Business. Solar Franchise may set a minimum score requirement for inspections, and Franchisee’s failure to meet or exceed the minimum score will be a default under this Agreement. Without limiting Solar Franchise’s other rights under this Agreement, Franchisee will, as soon as reasonably practical, correct any deficiencies noted during an inspection. If Solar Franchise conducts an inspection because of a governmental report, customer complaint or other customer feedback, or a default or non-compliance with any System Standard by Franchisee (including following up a previous failed inspection), then Solar Franchise may charge all out-of-pocket expenses plus its then-current inspection fee to Franchisee.

11.3 Solar Franchise’s Right to Cure. If Franchisee breaches or defaults under any provision of this Agreement, Solar Franchise may (but has no obligation to) take any action to cure the default on behalf of Franchisee, without any liability to Franchisee. Franchisee shall reimburse Solar Franchise for its costs and expenses (including the allocation of any internal costs) for such action, plus 10% as an administrative fee.

11.4 Right to Discontinue Supplies Upon Default. While Franchisee is in default or breach of this Agreement, Solar Franchise may (i) require that Franchisee pay cash on delivery for products or services supplied by Solar Franchise, (ii) stop selling or providing any products and services to Franchisee, and/or (iii) request any third-party vendors to not sell or provide products or services to Franchisee. No such action by Solar Franchise shall be a breach or constructive termination of this Agreement, change in competitive circumstances or similarly characterized, and Franchisee shall not be relieved of any obligations under this Agreement because of any such action. Such rights of Solar Franchise are in addition to any other right or remedy available to Solar Franchise.

11.5 Business Data. All customer data and other non-public data generated by the Business is Confidential Information and is exclusively owned by Solar Franchise. Solar Franchise hereby licenses such data back to Franchisee without charge solely for Franchisee’s use in connection with the Business for the term of this Agreement.

automatically own all Innovations, and it will have the right to use and incorporate any Innovations into the System, without any compensation to Franchisee. Franchisee shall execute any documents reasonably requested by Solar Franchise to document Solar Franchise's ownership of Innovations.

11.7 Communication Systems. If Solar Franchise provides email accounts and/or other communication systems to Franchisee, then Franchisee acknowledges that it has no expectation of privacy in the assigned email accounts and other communications systems, and Franchisee authorizes Solar Franchise to access such communications.

11.8 Delegation. Solar Franchise may delegate any duty or obligation of Solar Franchise under this Agreement to an affiliate or to a third party.

11.9 System Variations. Solar Franchise may vary or waive any System Standard for any one or more Solar Grids franchises due to the peculiarities of the particular site or circumstances, density of population, business potential, population of trade area, existing business practices, applicable laws or regulations, or any other condition relevant to the performance of a franchise or group of franchises. Franchisee is not entitled to the same variation or waiver.

ARTICLE 12. MARKS

12.1 Authorized Marks. Franchisee shall use no trademarks, service marks or logos in connection with the Business other than the Marks. Franchisee shall use all Marks specified by Solar Franchise, and only in the manner as Solar Franchise may require. Franchisee has no rights in the Marks other than the right to use them in the operation of the Business in compliance with this Agreement. All use of the Marks by Franchisee and any goodwill associated with the Marks, including any goodwill arising due to Franchisee's operation of the Business, will inure to the exclusive benefit of Solar Franchise.

12.2 Change of Marks. Solar Franchise may add, modify, or discontinue any Marks to be used under the System. Within a reasonable time after Solar Franchise makes any such change, Franchisee must comply with the change, at Franchisee's expense.

12.3 Infringement.

(a) Defense of Franchisee. If Franchisee has used the Marks in accordance with this Agreement, then (i) Solar Franchise shall defend Franchisee (at Solar Franchise's expense) against any Action by a third party alleging infringement by Franchisee's use of a Mark, and (ii) Solar Franchise will indemnify Franchisee for expenses and damages if the Action is resolved unfavorably to Franchisee.

(b) Infringement by Third Party. Franchisee shall promptly notify Solar Franchise if Franchisee becomes aware of any possible infringement of a Mark by a third party. Solar Franchise may, in its sole discretion, commence or join any claim against the infringing party.

(c) Control. Solar Franchise shall have the exclusive right to control any prosecution or defense of any Action related to possible infringement of or by the Marks.

12.4 Name. If Franchisee is an entity, it shall not use the word[s] “Solar Grids” or any confusingly similar words in its legal name.

ARTICLE 13. COVENANTS

13.1 Confidential Information. With respect to all Confidential Information, Franchisee shall (a) adhere to all procedures prescribed by Solar Franchise for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized in writing by Solar Franchise, (d) exercise the highest degree of diligence and effort to maintain the confidentiality of all such information during and after the term of this Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Franchisee acknowledges that all Confidential Information is owned by Solar Franchise (except for Confidential Information which Solar Franchise licenses from another person or entity). This Section will survive the termination or expiration of this Agreement indefinitely.

13.2 Covenants Not to Compete.

(a) Restriction – In Term. During the term of this Agreement, neither Franchisee, any Owner, nor any spouse of an Owner (the “Restricted Parties”) shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after this Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer), no Restricted Party shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor within five miles of Franchisee’s Area or the Area of any other Solar Grids business operating on the date of termination or transfer, as applicable.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any arbitrator or court, then the parties intend that the arbitrator or court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Solar Franchise. Franchisee agrees that the existence of any claim it may have against Solar Franchise shall not constitute a defense to the enforcement by Solar Franchise of the covenants of this Section. If a Restricted Party fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

13.3 General Manager and Key Employees. If requested by Solar Franchise, Franchisee will cause its general manager and other key employees to sign Solar Franchise’s then-current form of confidentiality and non-compete agreement (unless prohibited by applicable law).

ARTICLE 14. DEFAULT AND TERMINATION

14.1 Termination by Franchisee. Franchisee may terminate this Agreement only if Solar Franchise violates a material provision of this Agreement and fails to cure or to make substantial progress toward curing the violation within 30 days after receiving written notice from Franchisee detailing the alleged default. Termination by Franchisee is effective 10 days after Solar Franchise receives written notice of termination.

14.2 Termination by Solar Franchise.

(a) Subject to 10-Day Cure Period. Solar Franchise may terminate this Agreement if Franchisee does not make any payment to Solar Franchise when due, or if Franchisee does not have sufficient funds in its account when Solar Franchise attempts an electronic funds withdrawal, and Franchisee fails to cure such non-payment within 10 days after Solar Franchise gives notice to Franchisee of such breach.

(b) Subject to 30-Day Cure Period. If Franchisee breaches this Agreement in any manner not described in subsection (a) or (c), and Franchisee fails to cure such breach to Solar Franchise's satisfaction within 30 days after Solar Franchise gives notice to Franchisee of such breach, then Solar Franchise may terminate this Agreement.

(c) Without Cure Period. Solar Franchise may terminate this Agreement by giving notice to Franchisee, without opportunity to cure, if any of the following occur:

- (i) Franchisee misrepresented or omitted material facts when applying to be a franchisee, or breaches any representation in this Agreement;
- (ii) Franchisee knowingly submits any false report or knowingly provides any other false information to Solar Franchise;
- (iii) a receiver or trustee for the Business or all or substantially all of Franchisee's property is appointed by any court, or Franchisee makes a general assignment for the benefit of Franchisee's creditors, or Franchisee is unable to pay its debts as they become due, or a levy or execution is made against the Business, or an attachment or lien remains on the Business for 30 days unless the attachment or lien is being duly contested in good faith by Franchisee, or a petition in bankruptcy is filed by Franchisee, or such a petition is filed against or consented to by Franchisee and the petition is not dismissed within 45 days, or Franchisee is adjudicated as bankrupt;
- (iv) Franchisee fails to open for business by the date specified on the Summary Page;
- (v) Franchisee or any Owner commits a material violation of Section 7.2 (compliance with laws) or Section 13.1 (confidentiality), violates Section 13.2 (non-compete) or Article 15 (transfer), or commits any other violation of this Agreement which by its nature cannot be cured;
- (vi) Franchisee abandons or ceases operation of the Business for more than five consecutive days;

- (vii) Franchisee or any Owner slanders or libels Solar Franchise or any of its employees, directors, or officers;
- (viii) Franchisee refuses to cooperate with or permit any audit or inspection by Solar Franchise or its agents or contractors, or otherwise fails to comply with Section 10.5 or Section 11.2;
- (ix) the Business is operated in a manner which, in Solar Franchise's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from Solar Franchise or otherwise);
- (x) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xi) Solar Franchise (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate);
- (xii) Franchisee or any Owner is charged with, pleads guilty or no-contest to, or is convicted of a felony; or
- (xiii) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in Solar Franchise's opinion is reasonably likely to materially and unfavorably affect the Solar Grids brand.
- (xiv) Franchisor has the right to terminate this Agreement after scheduling a consultation with Franchisee, if Franchisee fails to generate sufficient revenue to meet the performance requirement as stated in the Operations Manual.

(d) Underperformance Standard: Beginning 12 months after Franchisee opens for business, Franchisee shall make a minimum of 10 sales per month. The first month where Franchisee falls below this performance standard, Franchisor will provide Franchisee with a notice. The second consecutive month where Franchisee continues to fall below this performance standard, Franchisee will be required to attend additional training with Franchisor (Franchisee will pay Franchisor the then-current costs of any required training). The third consecutive applicable month where Franchisee continues to fall below this performance standard, Franchisor will have the right to terminate this Agreement. Franchisor will also have the right to terminate this Agreement if Franchisee fails to meet this performance requirement in any three non-consecutive months within a 12 month period.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to Solar Franchise based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to Solar Franchise all copies of the Manual, Confidential Information and any and all other materials provided by Solar Franchise to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;
- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Solar Franchise or any new franchisee as may be directed by Solar Franchise, and Franchisee hereby irrevocably appoints Solar Franchise, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Liquidated Damages. If Solar Franchise terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to Solar Franchise a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Gross Sales x 87.5% that Franchisee owed to Solar Franchise under this Agreement for the 52-week period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 10 or (2) the number of weeks remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 52 weeks, then (x) will equal the average Gross Sales X 87.5% that Franchisee owed to Solar Franchise during the period that Franchisee operated the Business. Franchisee acknowledges that a precise calculation of the full extent of Solar Franchise's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to Solar Franchise under this Section will be in lieu of any direct monetary damages that Solar Franchise may incur as a result of Solar Franchise's loss of revenues that would have been owed to Solar Franchise after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Solar Franchise's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which Solar Franchise is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that Solar Franchise may have under this Agreement or otherwise.

14.5 Purchase Option. When this Agreement expires or is terminated, Solar Franchise will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to Solar Franchise. To exercise this option, Solar Franchise must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Solar Franchise elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or

(ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Solar Franchise's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Solar Franchise may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Solar Franchise. If Solar Franchise exercises the purchase option, Solar Franchise may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Solar Franchise to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Solar Franchise may pay a portion of the purchase price directly to the lienholder to pay off such lien. Solar Franchise may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Solar Franchise may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Solar Franchise. Solar Franchise may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Solar Franchise may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Solar Franchise entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Solar Franchise at least 60 days prior notice of the proposed Transfer, and without obtaining Solar Franchise's consent. In granting any such consent, Solar Franchise may impose conditions, including, without limitation, the following:

- (i) Solar Franchise receives a transfer fee equal to \$15,000 plus any broker fees and other out-of-pocket costs incurred by Solar Franchise;
- (ii) the proposed assignee and its owners have completed Solar Franchise's franchise application processes, meet Solar Franchise's then-applicable standards for new franchisees, and have been approved by Solar Franchise as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Solar Franchise's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;

- (vi) Franchisee has paid all monetary obligations to Solar Franchise and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Solar Franchise or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as Solar Franchise may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Solar Franchise in a form satisfactory to Solar Franchise; and
- (ix) the Business fully complies with all of Solar Franchise's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Solar Franchise, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Solar Franchise, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Solar Franchise (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Solar Franchise's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Solar Franchise will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Solar Franchise a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Solar Franchise's receipt of such copy, Solar Franchise will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Solar Franchise may substitute cash for any other form of payment). If Solar Franchise does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Solar Franchise) Solar Franchise, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, “Indemnitees”) against all Losses in any Action by or against Solar Franchise and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee’s intentional misconduct or negligence. Any delay or failure by an Indemnatee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnatee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnatee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee’s expense. Such an undertaking shall not diminish Franchisee’s obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Solar Franchise’s headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Solar Franchise’s intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Solar Franchise to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Solar Franchise and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Solar Franchise's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Solar Franchise's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Solar Franchise is not a fiduciary of Franchisee. Solar Franchise does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Solar Franchise's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Solar Franchise has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Solar Franchise, and Solar Franchise's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related

agreement is intended to disclaim the representations made by Solar Franchise in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Solar Franchise's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Nebraska (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Nebraska law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Solar Franchise, addressed to 151 N. 8th Street Suite 534, Lincoln NE 68508. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Solar Franchise may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of Solar Grids LLC, a Wyoming limited liability company (“Solar Franchise”).

Background Statement: _____ (“Franchisee”) desires to enter into a Franchise Agreement with Solar Franchise for the franchise of a Solar Grids business (the “Franchise Agreement”; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Solar Franchise to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Solar Franchise and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Solar Franchise, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Solar Franchise upon demand from Solar Franchise. Guarantor waives (a) acceptance and notice of acceptance by Solar Franchise of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Solar Franchise make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Solar Franchise for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Solar Franchise, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by Solar Franchise or its affiliates (except for Confidential Information which Solar Franchise licenses from

another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Solar Franchise. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete.

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor located within five miles of Franchisee's Territory or the territory of any other Solar Grids business operating on the date of termination or transfer, as applicable. If the Franchise Agreement is terminated before the Area is determined, then the area of non-competition will be the Development Area and the Area of any other Solar Grids business operating on the date of termination.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Solar Franchise. Guarantor agrees that the existence of any claim it or Franchisee may have against Solar Franchise shall not constitute a defense to the enforcement by Solar Franchise of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor's liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Solar Franchise may from time to time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of Nebraska (without giving effect to its principles of conflicts of law). The parties agree that any Nebraska law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to Solar Franchise all costs incurred by Solar Franchise (including reasonable attorney fees) in enforcing this Guaranty. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

INDIANA RIDER TO _____ AGREEMENT

This Rider amends the _____ Agreement dated _____ (the “Agreement”), between Solar Grids LLC, a Wyoming limited liability company (“Solar Franchise”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new

models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

MINNESOTA RIDER TO _____ AGREEMENT

This Rider amends the _____ Agreement dated _____ (the “Agreement”), between Solar Grids LLC, a Wyoming limited liability company (“Solar Franchise”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”
