

## Charles E Richter (1841-1876)

We know you're disappointed that we don't have much on "C. E. Richter."

A.I.M.E. *Transactions* says he worked for Tacony Chemical Works 1871-1875 in Philadelphia and died in 1876

His name might be Charles Edward or Carl Eduard, even "ancestry" has little, except a Charles E. lived 1841-1876 and died in Philadelphia...
