Share Your Research With Offshore Energy Experts

Time is Running Out to Submit an Abstract

Dear {{lead.OP First Name Clean:default=Colleague}},

The deadline to share your scientific and technical knowledge and publish a paper at one of the most prestigious offshore energy events in the world is quickly running out. Submit your abstract by 12 September 2023 to have a chance to present and publish a paper at OTC 2024. Authors selected for participation at OTC will also have their paper published on [OnePetro®](#), the most valuable international technical resource for all specialists of the upstream segment while presenting their solutions to navigating the changing energy landscape in front of **more than 31,000 attendees**.

OTC 2024 will be held from **6–9 May in Houston, Texas, USA**. The conference will include presentations discussing technical solutions, innovations, and advancements of all aspects of the offshore energy industry.

Proposals will be accepted through **12 September 2023**.

Paper Proposal Submission Topics

Help shape a vibrant future for the offshore energy sector by contributing to our world-class technical program. OTC is looking for a broad range of topics including:

- Carbon Capture and Storage
- Decommissioning / Abandonment
- Digital Transformation, Digital Technologies & Data Management
- Drilling Technology
- Energy Transition, Renewable Energy & Sustainability
- Facilities and Production Operations
- Field Development & Megaprojects
- Floaters and Mooring Systems
- Offshore Wind
- And more!

For a complete list of topics, [visit the website](#). If you need inspiration, [access the OTC 2023 papers](#).

Submitting an Abstract

BEFORE SUBMITTING

- Obtain company clearance, to ensure the company understands that if the proposal is accepted, you will be required to write a manuscript and present it at OTC 2024
- Write the abstract
- Gather all co-author information (name, title, institution name, phone number, and email address)
- Find your login information and make sure your profile is up to date
- If you do not already have a login, [obtain one](#)
- If you don't remember your password, [reset it before continuing](#)

TO SUBMIT

- Start at the [OTC 2024 Calls for Papers Page](#)
- Click on the **Submit Now** link
- Log in to the OTC online submission site
- Review the submission instructions
- When ready, click on the **New Submission** link
- Complete all required information:
 - Select Your Primary Association
 - Abstract Title
 - Submission Category
 - Author and Co-Author Information
 - Previous Publication Information
 - Keywords
 - Abstract
- Review your work
- Submit and finalize your submission
- Click the link to send a submission confirmation to yourself and your co-authors

SUBMISSION DEADLINE 12 September 2023

Authors whose paper proposals are accepted will be required to provide a manuscript for the conference proceedings (8-10 pages minimum), copyright forms, and a paper information form by 6 February 2024.

Offshore Energy Wind Thread

Offshore Wind Call for Papers

OTC is excited to invite you to submit an abstract on **sustainable offshore wind development**. In 2024, OTC will present a three-day dedicated offshore wind energy thread to discuss technology advances, learnings, and the critical role offshore wind plays in the energy journey.

Topics include **site characterization, supply chain, installation, operation and maintenance, environmental impacts, and more**.
