

RFG 2018

RESOURCES FOR FUTURE GENERATIONS | VANCOUVER, CANADA

THE PREMIER CONFERENCE ON
ENERGY, MINERALS, WATER, THE EARTH,
EDUCATION & KNOWLEDGE, RESOURCES & SOCIETY

June 16-21, 2018

RESOURCES FOR FUTURE GENERATIONS

CALL FOR ABSTRACTS DEADLINE IS FEBRUARY 12

THERE WILL BE NO
FURTHER EXTENSION

The Clock is ticking!

Add your abstract to the line-up of 1,200+ authors already committed to the conference and join this international body of knowledge including thousands of participants focusing on the integrative aspect of natural resources and sustainability. With 50% of presenters from Canada and the other 50% from all other regions of the world, the global vision emanating from RFG2018 will serve generations to come.

Within the big, multi-sector themes for the conference - **Energy, Minerals, Water, the Earth, Resources and Society**, and **Education** - are extensive opportunities to share the details of your work, the ideas you have and new approaches to challenges.

Members of **GAC, MAC, and CIM** will receive additional discounts on registration

Student and Indigenous presenters will be refunded the abstract submission fee onsite

**The deadline to submit an abstract is Monday, February 12.
There will be no further extension.**

Submit Your Abstract

Look who's submitted so far!

Some of your colleagues who will be joining us at RFG2018.
