**Deadline: April 1, 2018**

Now accepting nominations for these 2018–2019 NAE awards:

### **The 2018 Simon Ramo Founders Award**

This honor awards an outstanding national or foreign member who has upheld the ideals and principles of the NAE through professional, educational, and personal achievement and accomplishment.

### **The 2018 Arthur M. Bueche Award**

This award recognizes engineers who have been actively involved in advancing US science and technology policy.

### **The 2019 Fritz J. and Dolores H. Russ Prize**

This \$500,000 cash award recognizes outstanding and widely used bioengineering achievements that improve the human condition by helping the public better understand and appreciate engineers' contributions to our health, well-being, and quality of life.

### **The 2019 Bernard M. Gordon Prize for Innovation in Engineering and Technology Education**

This \$500,000 cash award recognizes innovative new modalities and experiments in teaching and learning that effectively develop students into engineering leaders.
