"The RFG's mandate is to bring together all those people that are passionate about the Earth Sciences"

Glyn Williams-Jones

"RFG2018 will help the public to understand that everything in your life comes from geology - at some point in the beginning"

Andy Randell

"RFG2018 will be an environment where Indigenous people are shown respect"

Lana Eagle

"Just come to RFG...show up and build your community!"

Britt Bluemel
