Safe Harbor

During the month of May, we will be doing several service projects for local non-profit, Safe Harbor. Their mission is to provide a continuum of services to victims of domestic violence and their children. To eliminate cultural acceptance of domestic violence through a coordinated community response, education, and prevention.

The Lifestyles Department will be hosting a "Closet Cleanout" all month long. We will be collecting gently used clothing. At the end of the month, we will take all donations to the Safe Harbor resale shop. You can bring your donations to our office (apt. 1310).

On May 6, we will also be creating Mother's Day cards and putting together gift bags for Safe Harbor to distribute. This event will be held in the Arts & Crafts Room, don't forget to sign up at the Concierge Desk!
