### Humane Society

During the month of September, we will be holding an item drive for the Greenville Humane Society. Even with no government funding and operating solely on donations, they have found loving forever homes for thousands of pets. The Humane Society also operates one of the largest low-cost spay/neuter clinics in South Carolina, making them a vital part of our community! Look for a list of needed items in your cubby located in the mail room. Donations can be dropped off at the Lifestyles Office Suite (first floor by the Community Village entrance). Caroline Stewart, Community Engagement Manager, and her team will be visiting us on September 13 from 3-5pm in the Camellia Room to tell us more about the Humane Society's purpose, mission, and community outreach. They will be joined by a few four-legged, furry friends!

### Book Club

The book selection for September is *The Water is Wide* by Pat Conroy. The book club will meet in the Arts and Crafts room on Saturday, September 18<sup>th</sup> at 10:30am. All are welcome!
