WORLD SUMMIT ON PEACE

A New Vision for Peace in the 21st Century

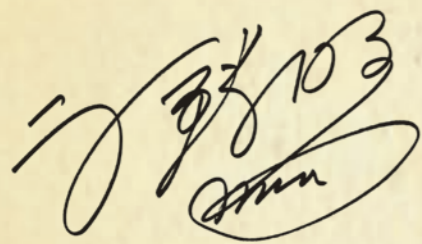

International Leadership Conference

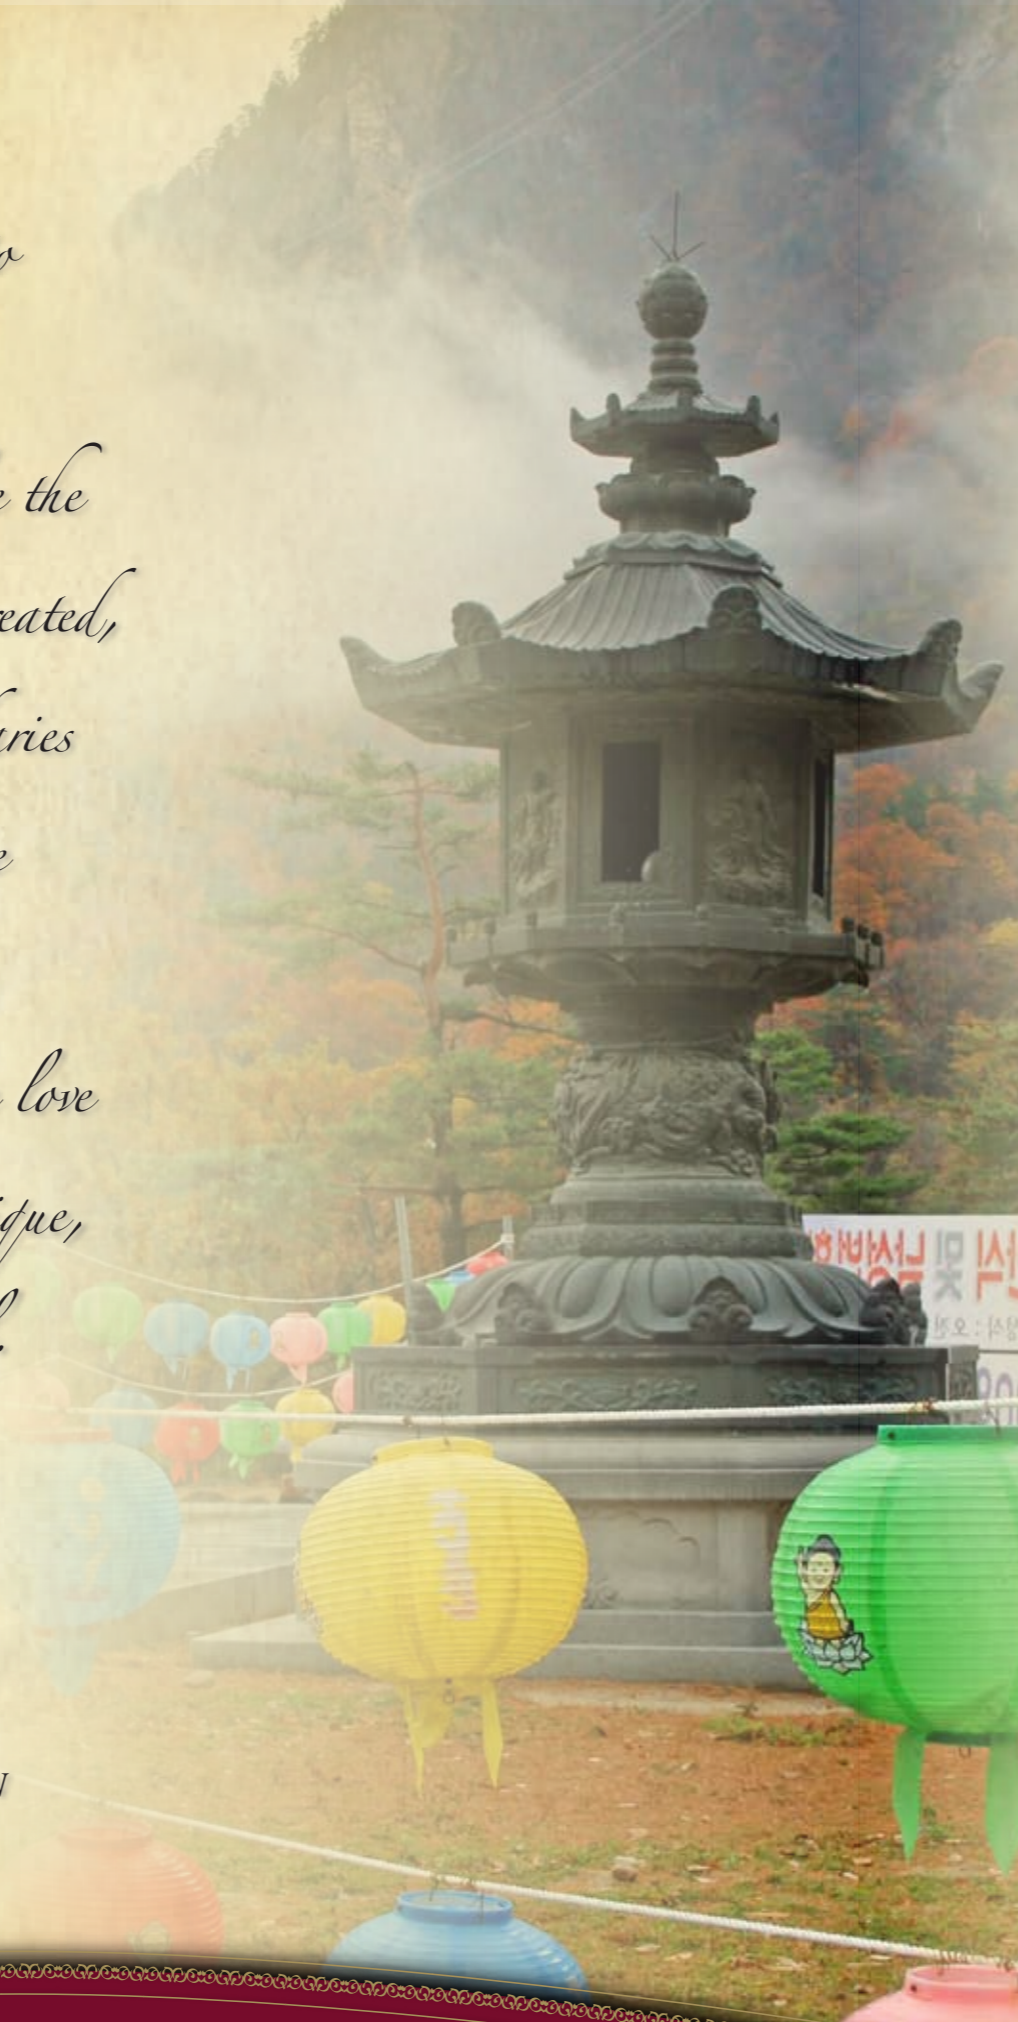

PROGRAM SCHEDULE

SEOUL, KOREA • MAY 29 – JUNE 2, 2009

*Nothing can compare to
the value of true love.
It has the power to dissolve the
barriers fallen people have created,
including national boundaries
and the barriers of race
and even religion.
The main attributes of true love
are that it is absolute, unique,
unchanging and eternal.*

REV. DR. SUN MYUNG MOON
FOUNDER'S ADDRESS
SEPTEMBER 23, 2007

Welcome

WE are pleased to welcome you to Seoul for the World Summit on Peace and the International Leadership Conference. Our theme is "Building a World of Universal Peace: One Family Under God." More than 150 international delegates representing over 100 nations are expected to participate in the Summit.

These delegates represent a cross-section of leaders, including current and former heads of state and government, members of parliament, religious and civic leaders, academics, educators, and NGO leaders. During the program we will have the opportunity to hear from many of these distinguished world leaders.

In the course of the program we will have sessions dealing with the overall issue of realizing a world of peace based on the vision of humanity as one family under God. We will discuss issues of concern to the Americas, the Asia-Pacific region, and Africa, as well as look into the issues of family, faith, service, and education.

This World Summit on Peace and International Leadership Conference are being held in conjunction with a special event to mark the publication of a best-selling new biography of our founder. On that day we will join with thousands of other well-wishers in a celebration that gives honor to God and commemorates the life and achievements of Rev. Dr. and Mrs. Sun Myung Moon.

It promises to be an informative and stimulating experience. We are grateful that you have taken time to be with us and add your support to these efforts to build a world of lasting peace.

Sincerely,

Dr. Chung Hwan Kwak
Chairman,
Universal Peace Federation

Dr. Thomas G. Walsh

Your Child's Journey: A Parent's Guide to Discovering the Real Me

Parenting is one of the most difficult tasks on earth, even as it is one of the most important ones. In the modern world of fast-paced and sometimes questionable changes, to parent well is more difficult than it has ever been, and the stakes are higher than they have ever been. Parents need all the aid they can get. Character education can help. The Universal Peace Federation has received numerous requests for a parents' guide to the *Discovering the Real Me* character education curriculum. This Parents' Guide was designed in response to those requests.

Comprehensive CD ROM Presentations for Educators—Three Disc Set

The Universal Peace Federation announces a new character education resource: the *Discovering the Real Me* CD-ROM training presentations for educators, youth leaders and teachers.

The comprehensive three disc set includes **PowerPoint presentations** of sample chapters from each grade level of the *Discovering the Real Me* curriculum and other resources for teachers.

These presentations provide a quick and easy reference to the curriculum and serve as handy guides for lesson plans.

Each CD ROM includes four grade levels:

The **Elementary school CD-ROM** for grades 1-4, or for children **6 to 10** years of age

The **Middle school CD-ROM** for grades 5-8, or for adolescents **10 to 14** years of age
