Building a Nation of Peace

The Life, Teachings and Legacy of Sun Myung Moon

PROGRAM SCHEDULE
SEOUL, KOREA • AUGUST 20 – 24, 2013

“Nothing can compare to the value of true love. It has the power to dissolve the barriers fallen people have created, including national boundaries and the barriers of race and even religion.”

REVEREND DR. SUN MYUNG MOON AND DR. HAK JA HAN MOON

International Leadership Conference

Welcome!

Dear ILC Participants,

On behalf of Dr. Hak Ja Han Moon, it is our pleasure to welcome you to Korea for this very important International Leadership Conference being convened on the occasion of the first anniversary of the passing of UPF's Founder, Rev. Dr. Sun Myung Moon. The ILC is sponsored by the Universal Peace Federation in partnership with the Family Federation for World Peace and Unification and the Women's Federation for World Peace. The ILC has as its theme, "Building a Nation of Peace: The Significance of the Life, Teachings and Legacy of Sun Myung Moon."

Nearly 300 delegates have gathered from 80 nations, a highly selective group that includes former heads of state, parliamentarians and other government leaders, religious leaders, women leaders, media, business and civic leaders. We believe your participation in this important conference will help assure its success.

Rev. Dr. Sun Myung Moon dedicated his entire life to building a world of universal peace, one global family under God. Grounded in a deep and loving relationship with God, he developed a profoundly insightful and meaningful spiritual understanding that has transformed the lives of millions of people around the world. His vision includes not only the world of the spirit, but applies to all areas of human endeavor, including the family, society, government, business, academia, the arts, and sports.

The ILC, being convened on the anniversary of his passing, provides an opportunity to engage in an in-depth exploration of his ideas, teachings and life course, and to consider their applicability to all spheres of life. Developing Father Moon's concept of cheonilguk, a unified nation of peace, the ILC will give special attention to the ideal of building a "nation of peace" through good families, good citizenship, good governance and interfaith cooperation.

With this in mind, the ILC provides a golden opportunity for us to come together as an international and interreligious group of leaders from various sectors, to reflect on the "life, teachings, and legacy" of Rev. Sun Myung Moon, and to share our own experience, wisdom and insight for the sake of building nations of peace and prosperity.

Once again, thank you for your participation in this International Leadership Conference.

International Leadership Conference

PARTICIPANTS AT AN INTERNATIONAL LEADERSHIP CONFERENCE, JANUARY 2009, NEW YORK CITY.

There is a growing awareness among people throughout the world of the urgent need for innovative vision and courageous leadership if we are to resolve the critical issues of our time.

The ILC programs have been developed to address this need. The ILC series gives emphasis to the development of a new model or paradigm for leadership and good governance at this time in history; a model that is innovative, principled and effective in solving global problems.

The ILC program introduces essential, universal values, principles and practices that are necessary to create a world in which people of every region, race, nationality, culture and religion live together in peace. We will consider the root causes of conflict and the ways we can move together from states of conflict, inequality, poverty and enmity toward reconciliation, cooperation and prosperity as one human family under God.

UPF implements its programs through a global network of Ambassadors for Peace.

The Women's Federation for World Peace was established on April 10, 1992, by the Rev. Dr. Sun Myung Moon and Dr. Hak Ja Han Moon. It is a non-profit organization made up of members from all parts of society, based on the vision of "Humanity Is One Global Family in a Peaceful World under God." Since 1994, WFWP volunteers have been going to 160 countries, providing humanitarian support based on local needs, and developing education and service activities to empower the world's women. Based on these activities, WFWP was approved by the United Nations Economic and Social Council as an NGO in general consultative status. WFWP supports the UN MDGs through giving and service, international exchanges and reconciliation, and collaborative activities.
