OUR VISION AND MISSION

UPF and its global network of Ambassadors for Peace affirm and apply universal, spiritual values to the task of resolving conflict and reconciling the divided human family.

CORE VALUES

- We are one human family created by God.
- The highest achievements of men and women are rooted in spiritual and moral development.
- The family is the “school of love and peace.”
- Peace comes through dialogue, cooperation, and principled action.
- Service to others is the foundation of a good society.
