

**Be it resolved** that the Board of Trustees, recognizing the need to strategically reallocate resources, approves the recommendation of the university administration to close the following major degree programs:

- Ed.S. Change Leadership in Education
- M.S. Administration
- Ph.D. Special Education Administration
- M.A. Deaf Studies: Deaf History
- M.S. Leisure Services Administration
- B.S. Computer Information Systems
- B.A. Chemistry: Chemical Technology
- B.A./B.S. Computer Science
- B.A. French
- B.A. International Government
- B.A. Theatre Arts: Educational Drama

and the following minor degree programs:

- Art History
- Communication Studies/English: Journalism
- French
- German
- Women's Studies
- Religion

**Be it further resolved** that the Board of Trustees directs the Provost, in consultation with the chair of the University Faculty, to create appropriate transition and implementation mechanisms to ensure that:

- Students who have declared majors or minors in any of the affected programs be permitted to complete their studies by August 15, 2013 through whatever means, including but not limited to taking existing courses, approved substitution of courses, and credit for courses taken elsewhere; and
- Faculty in the affected programs receive support in identifying means for supporting students to complete their majors or minors.

**Be it further resolved** that the Board of Trustees commends the university community for participating in the academic program prioritization process, and

**Be it further resolved** that the Board of Trustees will formally recognize the faculty and staff of the now-closed major and minor programs for their proud legacy of accomplishments at a later date.
