§ Students with any outstanding debt may lose their BISON schedule and be discontinued from active status. Therefore, it is important to determine your current semester status ahead of submitting your OCICU request. Indicates that the student must obtain permission from SFS (*Student Financial Services*) to return a non-active student term to active student status

GU OSWD students with special services accommodations should READ the Gallaudet - OCICU Disability Service Request Policy Online if they think they may need to request disability services for an OCICU online course

❖ Student Athletes: Need the Athletic Program Director's signature to schedule less than 12 GU credits.

@ ADVICE: Students should check with the FA Office if there is a concern about a change in course load with regard to financial aid.
